Record 34 Groups To Display Booths In Cavalcade Affair

Belleville's fourth Cavalcade of Progress will open its doors to the public Tuesday and Wednesday from 1:30 p.m. to 10 p.m. in the senior high school gym.

A record 34 booths, representing a complete cross-section of the local business, industrial and civic community will feature exhibits in the Chamber of Commerce sponsored event.

The affair is designed to give local groups and businesses an opportunity to show residents the scope of their activities, past, present and future. Many of the groups will have free drawings for prizes, while others will give away gift certificates and literature describing their activities.

Two special features are planned for the event; the "eyemobile" of the Lions Club which will give free examinations in the BHS parking lot, and the "Communicate Trailer" of New Jersey Bell Telephone which will display the telephone of the future which has a viewing screen similar to a television.

All but four of the booths were purchased at \$100 each, with four of the more elaborate ones going for \$150 each. The Belleville Times-News' booth will be a multi-media presentation of what's involved in putting a newspaper together each week. The Times-News will utilize a video tape television camera and a

split-screen slide presentation to show residents what's involved in getting an edition of the Times-News to the stands.

Publicity for the event has depended largely on press advertisements and publicity. The Chamber has also given each participant posters to display.

Chairman for the event, which has been four months in preparation, has been Everett Davey. Serving with him on the Cavalcade committee has been Ralph Ciccone Jr., James Hardman, William Bixby, Arthur Gaffney, Stanley Slavin and Arthur Jackson.

Participating groups include the Belleville Public Library, New Jersey Bell Telephone Co., Mattia Press, DeBacco Sports Center, Belleville Scale & Equipment Co., Hardman Inc., Central Uniform Service, the Cerebral Palsy Center of Essex and West Hudson County, Every Ready Label Company and the Belleville Recreation Department.

Also having booths are DeWitt Savings and Loan Association, Belleville Public Safety Department, Public Service Electric & Gas Co., Wallace & Tiernan Co., Belleville Merchants, Mid-State Contractors, Inc., Jolly Cleaners, Kondreck Photographers, and Clara Maass Memorial Hospital.

Booths will also be displayed by

Students Will Include Ecology As Primary Concern For Future

Situation Termed Critical

The three top students in Belleville High School's Class of 1971 called upon their fellow classmates to make individual successes work for the betterment of Man's environment during the 74th annual commencement exercises in hot and humid Municipal Stadium Tuesday.

Student speakers challenged their classmates to be considerate of their environment as they head toward individual goals, warning that failure to do so would eventually deprive everyone of any future at all.

Alan Grossman, top student among the 350 seniors to receive diplomas, said unequivocally that "the most crucial factor in the continued well-being of Man is the health of the environment in which he lives."

Alan, who received his diploma from his dad, Belleville Junior High School Principal Seymour Grossman, called upon members of his father's generation and of his own to ponder the possibility that Man, traditionally the most adaptable of animals, may have met his match in the current ecological crisis.

The Valedictorian warned that Man's ability to adapt to pollution was being undermined by his commitment to uncontrolled progress.

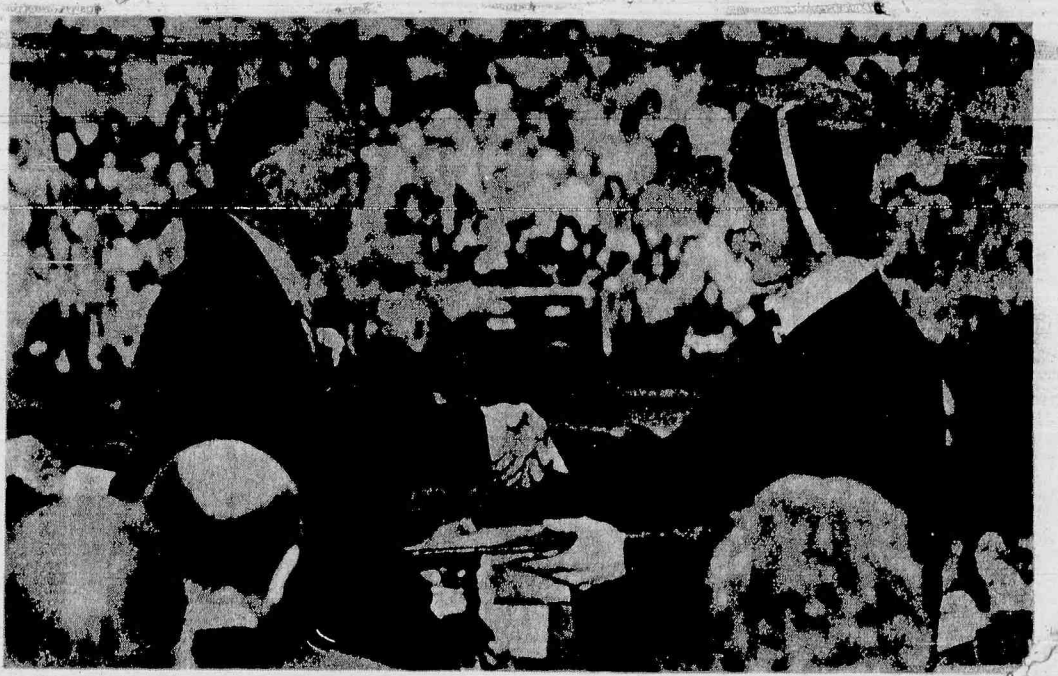

"We must accept the fact," he said, "that man cannot successfully solve the biological problems of adaption with which he is forced to contend-the piercing sounds of modern equipment, the exhausts of automobiles and factories, the innumerable synthetics that pollute our air, food and water."

Alan asked fellow classmates to consider that "A citizen of the United States employs more of the world's natural resources and destroys them more quickly than any other individual."

He warned we "no longer can rationalize the destruction of our total environment with technological advance."

Karen Gaschke, Salutatorian, encouraged classmates and gathered adults to realize that each individual has both the power to contribute to the end of his environment and to work in the opposite extreme.

She asked that people

LEONARD BACK (left), president of the Board of Education gives a special handshake to graduating senior Donald A. Back, his son. Donald was one of 350 seniors to receive Belleville High School degrees during the 74th annual commencement exercises in Municipal Stadium Tuesday.

No Speeches

'All-Action' Celebration Is Planned For July 5

All action and no speeches is the way Commissioner Michael V. Marotti characterizes this year's Independence Day celebration which is scheduled Monday, July 5 in Municipal Stadium.

The Parks and Public Property Commissioner says all speeches, with the exception of a brief presentation by the trustees of the Craig Fabian Fund, will be eliminated in the annual celebration.

Beginning at 10 a.m. Marotti said, a full day and night's activity is planned for residents.

The festivities will kick off at 10 a.m. with the annual Field Day for children which will include sprints, relays, sack races, potato races and tug-of-war. There will be trophies and watermelon for the winners.

The presentation by the Fabian Fund will consist of the lighting of thousands of candles to commemorate Craig Fabian's 17th birthday. Craig, son of Deputy Fire Chief and Mrs. William Fabian, was left partially paralyzed in a freak swimming accident two years ago.

Once again the circus portion of the celebration will be arranged by Howard Oliver, whose program fare includes the Giantella Circus Orchestra; Jay Green's juggling; Ciquita's Doll Fantasy from the Captain Kangaroo Show; Tom Carey, and Jiggs, the world's smartest chimp. Jiggs rides a motorcycle, rolls along on roller skates, takes photographs and understands

160 words.

Also scheduled will be Frisky and his White Miniature Arabian Ponies. The Alejandros will present a high wire act, and from Ringling Brothers Circus will be the Esquedas Troupe with their teeter board and bicycle acts.

The Rev. Robert Bedell will give the invocation, with Walter Saunders singing the National Anthem.

Arrest 4 Youths In House Break

Belleville Police have arrested four youths in connection with a burglary at 4 Jefferson Street last Wednesday. The youths, two from Belleville, are scheduled for arraignment today before Municipal Court Judge Edward Abramson.

According to Deputy Police Chief Frank Haight, a call came in at 4 p.m. saying four men were trying to break into the house on Jefferson Street. Police officers were detailed but the

suspects had disappeared by the time authorities got there. Police did get the description however, of two of the suspects, and circulated it to all patrolmen in the area.

Motorcycle Patrolman Martin McNish stopped four men in a car several blocks away on Joralemon Street. After checking the men, McNish recognized two from the description and called for assistance. Haight dispatched

(Continued on Page 5)

New Tuition Is Blamed

Subpar Enrollment Forces Class Cutback For Summer Program

Subpar enrollment has forced the Belleville Summer Music Program to eliminate all choral classes and to adopt a narrower scope of instruction. The registration decline was blamed on the Board of Education's decision to charge \$10 for the previously free program.

Summer Music Program director Frank Scelba says only 133 students enrolled for the five week program, well under the average of 300

pupils who've signed up the past few years.

The Board decided upon a tuition charge two months ago to make the program self-sustaining in the face of overall school budgetary problems.

Scelba says the program raised \$1,330, \$270 short of hiring four full-time teachers for the summer as had been planned. As a result, the summer schedule is geared for instruction by only three

teachers.

None of the four teachers expecting employment with the program was actually laid off, however. In order not to leave the instructors without a summer job, three of them will teach on a part-time basis.

Joseph Sellitti, who has been with the program for 18 years, will be the only teacher having five weeks of employment. Thomas Finetti, a three year program veteran, will teach four weeks, while Robert Wing (eight years) will teach three weeks and Louis Kosma (first year) will teach three weeks.

enrollment and cutback in instruction to slow down the entire music program of the school system this fall, primarily because he feels most children don't practice over the summer unless they are part of an organized program.

The delay in "getting back in shape" could result in the

(Continued on Page 10)

Commission Acts On Valley Water

By John Bunevich

Belleville Commissioners agreed unanimously Tuesday night to conduct a survey and hold a special meeting to study a proposed ordinance by Commissioner Mary V. Senatore to increase water pressure in the Valley section of Town.

Commissioner Senatore, Director of Public Works, said the Valley water pressure situation will be a "safety hazard" if a fire should break out in the area. Although the Board of

Commissioners blocked her move to get the ordinance to the floor at Tuesday's meeting, Vincent T. Strumolo, Director of Public Affairs, recommended that a full report be prepared for the board "to find out what's going on in the area."

"The lives of the people in the Valley are more important than political dealings," remarked Commissioner Senatore, charging that she had tried to get the measure onto the

(Continued on Page 3)

Of the 133 pupils enrolled, 24 are on "scholarship." Ten scholarships were donated by Muscara Music and ten from the Junior High School PTA. Four scholarships came from shifting \$20 from both the elementary schools music fund and the string music fund.

The teacher hour cutback will force the elimination of the program's Junior High School chorus instruction and the elementary school choral instruction.

Scelba expects the subpar

Deadlines

Because of the up-coming July 4 holiday weekend, early deadlines will be in effect for The Belleville-Times edition of July 8. Material, including advertising, for that week's social pages must be at our office no later than noon next Tuesday, June 29. Other editorial and display advertising material must be delivered to our office no later than noon on Friday, July 2. Classified advertising deadlines remain unchanged at 2 p.m. Tuesday, July 6.

DiLuca Dinner Ready

Nearly 400 persons will be honoring the Rt. Rev. Anthony DiLuca at a testimonial dinner scheduled for 7 p.m. tomorrow at Thomms Restaurant, 80 Park Avenue, Newark.

Monsignor DiLuca, pastor emeritus of Holy Family Parish which encompasses Belleville and Nutley, is completing his 65th year in the priesthood.

The principal and only speaker tomorrow evening will be the Most Rev. Thomas A. Boland, S.T.D., LL.D., archbishop of Newark.

No tickets will be available at the door tomorrow.

Monsignor DiLuca, now 90, is the oldest living priest in the Archdiocese of Newark and holds an astonishing record of parish achievements during his long tenure at Holy Family.

(Continued on Page 3)

THE MONSIGNOR DiLuca testimonial committee gathers for some last minute arrangements for the affair at Thomms restaurant in Newark, tomorrow night. Shown are, seated (l-r) Claire Hammond, Joan Arrigo, Marge Narucki, Rev. Francis Blake, present pastor of Holy Family Church, Francine Restaino, Silvia DeFuria, Emma Lardier, Ann Brown and

Marie Benko. Standing are (l-r) Joseph Della Negra, John Brown, John Vitillo, John Stampone, Nat Mazzotta Michael Aduabato and Rocco Casale. Committee members missing from photo are May Lardier, John Nosti and Thomas Gingerelli. The committee is headed by Francine Restaino.

Golden, LaMorte File Code Violation Charges Against Mike Marotti

By Nat Gottlieb

Two former Commission candidates have filed a written complaint with Police Chief Joseph Smith which charges Junvenile Office Michael Marotti is "continuously" violating four Police Department regulations and asks Smith to call a hearing on the matter.

Former Councilman James R. Golden and Salvatore LaMorte, who co-signed the complaint, say the action is a preliminary step toward instituting a taxpayers' suit against Marotti to resolve in court whether the policeman is in conflict of interest serving as a Town Commissioner and an employee of the Public Safety Department.

The written complaint was hand delivered Tuesday afternoon by LaMorte to Chief Smith, and in addition to citing four alleged Police Department violations by Marotti, threatens court action against Smith if a hearing is not called within five days (by Monday).

Smith declined to comment to the Times on the letter until he "had time to study it thoroughly."

The two former candidates are charging Marotti with violation of regulations three,

four, 16 and 58 of the Belleville Police Department's code of conduct. Rule Four, Golden says, requires that each policeman "...assigned to a post, constantly patrol every section to the limits thereof until the expiration of his tour of duty." Golden says Marotti "frequently" has to leave his tour of duty to attend to Commission matters, and cited Marotti's attendance recently at a Flag Day ceremony at School Eight as one "of many examples."

Golden and LaMorte also contend Marotti is constantly violating rule three which provides that "an officer will devote his full time to the service of the department and is prohibited from engaging in outside business or occupations."

Furthermore, the two complainants contend Marotti is violating rule 58 which says a policeman "shall not take part in political activity of a non-partisan nature and on an active and continuous basis... other than to vote."

Finally, they charge Marotti with violating Rule 16, a regulation similar to Four, which

IN MEMORIAM — Officials at the Essex County Geriatrics Center in Belleville join in a memorial tribute to the late Miss Mary Metily, former director of nurses at the center which she had served for 50 years until her death in April. The memorial is a new Japanese cherry tree in foreground. Joining in the tree planting ceremony is superintendent of the hospital Dr. Ralph Ford (left), Mrs. Robert Just of Bloomfield, sister of the late Miss Metily and Freeholder Herbert E. Gladstone (right), chairman of the Essex County Geriatrics Center Committee. In the background viewing the ceremony are citizen volunteers who serve the hospital.

Belleville Library Gets Grant To Micro-Film Times-News Editions

The Belleville Public Library has been awarded financial assistance to microfilm back issues of the Belleville Times-News under a grant-in-aid program of the State Library and the New Jersey Historical Commission.

The local library was one of 12 libraries across the state named to participate in the program by Roger H. McDonough, director of the State Library.

The program is administered by the State Library Archives and Historical Bureau, headed by Kenneth Richards, with the advice of a special committee of the History and Bibliography Section of the New Jersey Library Association.

Scheduled for micro-filming are all Times-News issues from 1951-65, according to Ben Grimm, local Library director. The microfilm will join the library's historical section and presumably be available for residents.

The state has allocated \$5,000 to be shared by the 12 libraries. Participating

libraries provide one third of the total cost of their projects, making a total of \$15,000 committed to the micro-filming each year.

The following are the grant recipients and the newspapers to be filmed:

Belleville Public Library, Belleville Times-News (1951-65); Berlin, Marie Fleche Memorial Library, Berlin Breeze (1925-61); Collingswood Public Library, Weekly Retrospect (1904-71); Denville Public Library, Denville Citizen (1946-71); Denville Herald (1930-57); Glen Ridge Public Library, Glen Ridge Paper, (1935-71); Haddonfield Public Library, Haddon Gazette (1939-48, 1958-64); Town Crier-Herald (1940-48, 1958-68); Metuchen Public Library, Recorder (1958-70); New Brunswick Public Library, New Brunswick Daily Times (1872-1916); Springfield Free Public Library, Springfield Sun and Leader (1929-34, 1939-70); Sussex County Library, Sussex Independent (1873-1952), Sussex Register (1814-1943); Wyckoff Public Library, Wyckoff News (1928-71).

Larry Spinelli Chosen For Federal Program

Congressman Peter W. Rodino announced last week the selection of Larry Spinelli of 17 Cresent Terrace to participate in the government sponsored intern program this summer in Washington D.C.

The job will require the aide to do research work on bills moving through Congress. The job at Rodino's

In Town

John J. Caron To Fund Post

John J. Caron, of 124 Tappan Avenue, has been appointed Belleville Town Chairman for the 1972 United Community Fund of Essex and West Hudson campaign. It has been announced by John B. Stoddart, Jr., general campaign chairman. The drive will officially kick-off September 23rd.

Caron, engineering assistant for Public Service Electric & Gas Co., attended Seton Hall Prep and Belleville High School. He is the newly elected Grand Knight of the Belleville Council No. 835, Knights of Columbus; a member of St. Peter's Guard of Honor; and a member of the Belleville Educational Advisory Council to the Board of Education.

As town chairman, Caron will head up the Belleville solicitation for the 1972 UCF drive. For the first time, a door to door canvass will be instituted in Belleville,

Monsignor DiLuca Testimonial Will Draw Over 400 People

(Continued from Page 1)

During the 35 years of his pastorate, Monsignor DiLuca saw the congregation grow from a handful of families to two new church buildings, a school, a convent, a rectory, and a youth center.

The present modern church edifice, opened in 1965, is the largest in Nutley and Belleville with a seating capacity of 1,200. The parochial school was opened in 1950 and currently has an enrollment of 750 in kindergarten through eighth grade.

Mrs. Francine Restaino of 13 Underhill Court, Nutley, is

general chairman of tomorrow's testimonial. She indicates between 375 and 400 persons are expected at tomorrow's tribute to the Monsignor.

Tomorrow's menu features roast prime rib of beef, chicken consume with rice, string beans almondine, baked potato, chilled melon, and a Manhattan toast.

Following dinner, each table of 10 will receive a Scotch or rye setup as part of the dinner ticket.

Monsignor DiLuca was born in Stigliano, Matera, Italy, on March 12, 1881. He was ordained in Italy on July 15, 1906, and came to the United States three years later to serve in parishes in Texas, Newark and West New

York before coming to the Nutley-Belleville church in 1933.

He retired as pastor emeritus three years ago and was succeeded by his associate of 29 years, the Rev. Francis J. Blake.

Despite his years, the Monsignor is still active and offers the 8 o'clock mass each morning at Holy Family.

His honors during his long priestly service of 65 years have been many. He was made a domestic prelate by Pope Pius IX, and later a Protonotary Apostolic. Seton Hall University conferred on him the honorary degree of Doctor of Laws in 1956. He is a Canon of the Diocese of Tricarico in Italy and has been a consultant of the Archdiocese of Newark.

Named Commander

Jack Gorman Gets County Legion Post

Jack Gorman, a member of Belleville Post 105, has been elected commander of the Essex County American Legion. He succeeds Victor J. Maffucci of Bloomfield, a member of Post 300.

Elected county vice-commanders were Andrew A. Hvidso of Millburn Post 140, Carmine G. Petti of Post 300, Sal Velti of Post 488, Sol Khin of Post 189 and Robert Nicholson of Post 22. Elections were held last Saturday at the Legion's 41st annual county convention at Nutley Post 70 headquarters.

At last Saturday's session, prior to the Saturday night convention ball, an awards program was held. Among recipients were Ralph L. Newport and William J. Lynch, longtime Nutley firemen, who were honored by Post 70; Detective Stanley Kowalik of Nutley, also honored by Post 70; Kenneth Vitty, honored by Post 70 for being the No. 1 man in his class at the New Jersey Police Academy; Pat Caprio, honored for meritorious service as service officer of Post 300, and John Atherton and Jack Fersko, who

received the Legion's heroism and valor awards, respectively, presented by Belleville Post 105.

Speakers at the Saturday morning service included Rep. Joseph G. Minish, D-11 Dist.; Jack W. Keupfer of Clifton, past department commander, and Ernest Wilson Jr., state commander of the Sons of the American Legion.

At Friday night's session, officers were nominated prior

to their election on Saturday. Convention welcoming addresses were by Mayor Harry W. Chenoweth of Nutley and John M. Daire, commander of Nutley Post 70.

Following submission of convention reports by the rules committee and county officers and directors, memorial services were conducted by Chaplain Sol Khin and the ritual team of Nutley Post 70.

Survey Water Pressure

(Continued from Page 1)

agenda two weeks ago. Acting Mayor Michael Marotta, Commissioner of Parks and Recreation, presided at the hearing in the absence of Mayor Joseph McGreevy, who was out of town on vacation.

According to Town Clerk Eugene G. Barnett, Commissioner Senatore's ordinance to increase the water pressure in the Valley was received too late for him to enter it on Tuesday's agenda.

"I didn't receive her ordinance until 10:40 a.m. today (Tuesday)," said Barnett. "It was then too late for me to list it. To include the ordinance on this week's agenda I should have received it early Monday morning."

The special meeting to act upon the proposed ordinance should come up within the week but no formal action will be taken until Mayor McGreevy returns to Belleville Sunday.

William M. Young Co., Inc. of Newark, with a low bid of \$27,777, was awarded the contract for the removal of Hendricks Dam and dredging and lowering of a portion of the bid of the Second River. Four bids for the Town contract were received. Bids ranged from a high of \$138,000 by the Kondra Construction Co., Newark, to the Young Co. low bid.

The Hendricks Dam is being demolished to alleviate flooding conditions in Bloomfield back stream on the Second River. The state ordered the work after a formal complaint filed by Bloomfield charging Belleville with narrowing the stream by dumping debris in it.

The average student takes too long to learn too little.

The man who is superstitious isn't interested in the truth.

Mrs. J. D. Anderson; Lifelong Resident Here

Mrs. Mary Anderson of 12 Wilson Place, Belleville, died June 20 in Newark Beth Israel Medical Center. She was 69.

Mrs. Anderson was a lifetime resident of Belleville. She leaves her husband,

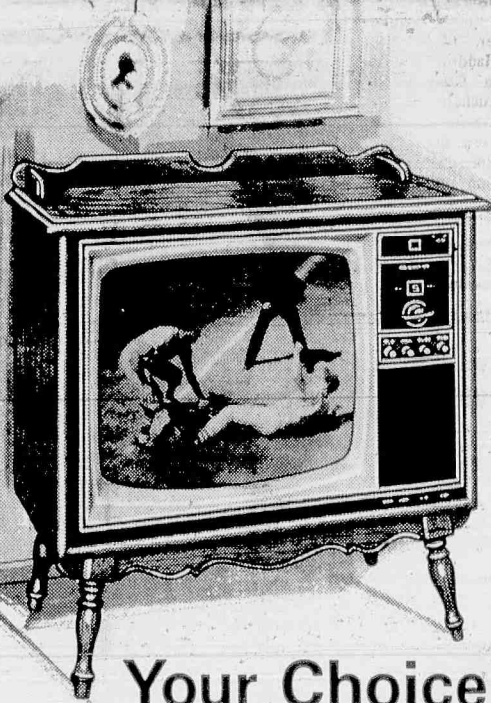

James D. Anderson Two sons, James D. Jr. of West Orange and George R. of Belleville, and two grandchildren.

Services were June 23 from the William V. Irvine and Son Memorial Home, Belleville.

NATHAN T. GOTTLIEB, News Editor

New York Example

New Yorkers may live in the dirtiest city, suffer a scandalous crime rate, pay exorbitant prices for everything, suffer high taxation, poor schools, strikes and graft in every field of activity, etc., but they will soon enjoy one advantage other Americans do not. They will be able to buy fresh packaged foods in grocery stores - and know they're fresh.

Mayor John Lindsay recently signed a local law requiring that most perishable foods sold in the city be dated to insure freshness. The federal government should have taken such action years ago

but is still dragging its feet and thus the vast majority of Americans is still not similarly protected.

Under the system used practically everywhere else in the country, dating is not required on packages or cans of many perishable foods. There are coded systems grocers are supposed to know and utilize but stale food-stuff is often sold to unsuspecting customers. Surely Congress, or Washington bureaucrats, can't lag much longer after the New York City example.

Responsible Action

James Reston, writing in the New York Times, recently reported that Senator Hubert Humphrey's view of the President was: (1)-total disbelief in Mr. Nixon; (2)-a conviction which grows by the day that Nixon is a national disaster; (3)-a near-obsession that five more years of Nixon will create a crisis with the young, the poor, and the blacks-maybe guerrilla warfare.

Other Democrats have made similar statements, in spite of the fact that in the past two years the President has appreciably reduced campus violence

and disorder and greatly reduced the terror, violence and rioting in the nation's cities so prevalent in 1968, the last year of Democratic permissiveness.

Every politician, of course, is entitled to his views. But Democrats today are capable of tremendous mischief, and serious harm to the nation, and its hopes for unity and law and order, in playing to students, minorities and the poor for support with reckless talk. Whether one agrees with Mr. Nixon or not, he, like Presidents Johnson, Kennedy and Eisenhower before him, is doing what he thinks best for the nation.

Charity

The average American is being increasingly bombarded by personal appeals, radio, television and telephone appeals for various charities. If one is able to contribute to all of today's cause (pressed home with considerable emotional impact) one is either very wealthy or very generous.

As a general rule, the old saying that charity begins at home is still true. Readers who are carried away with stories of suffering caused by a typhoon in Asia, an earthquake in Turkey or a storm in South America, and who send their money to some

relief organization (probably in New York) are nobly motivated and reacting sympathetically.

In many cases, however, they would get a better return on their dollars, administratively and otherwise, if they helped needy people in their own community. America is a rich country but there are still many poor Americans, many in need of a helping hand. And, curiously, many of us are quicker to send our dollars to a foreign land than to use them to improve life, hope and society where they live.

Seems Only Yesterday

Green Flies Ravage Town To The Tune of \$250,000

By Elaine Auerbach

One Year Ago

Mayor Ken Smith said he would ask the State Highway Department to cut a second northbound entrance to Route 21 when he met with Trenton officials to discuss safety problems on the roadway. The Mayor told The Times he was seeking the new entrance because Belleville Police in many instances had had to use the Chester Avenue entrance in Newark to respond to an accident in the northbound lane.

John Amabile's surprise resignation as Belleville High's head football coach had local athletic and school officials somewhat startled, but the large and immediate flood of applications for the vacancy had begun to occupy their thoughts. Athletic Director Herman Wische reported that over 13 coaches had applied for the position and that at least "nine of these are of high caliber." Amabile had resigned to take a head coaching position at Middletown High School in South Jersey, which was closer to his home.

The Belleville Fire Department, which had been operating for four months without a reserve engine, was at full capacity with the arrival of a \$35,000 Seagrave pumper. The new vehicle, which was housed in the Silver Lake Firehouse, had its first call when a brush fire was reported near Route 21. The new pumper replaced a 1945 model engine which had broken down.

Five Years Ago

The Most Reverend Joseph A. Costello was appointed the new pastor of Saint Peter's Church. Serving the area for over 25 years, he was one of 91 clergymen appointed by Archbishop Thomas A. Boland to pastoral duties. Bishop Costello was to remain Chancellor of the archdiocese and carry out other assignments. But his chief task was to be with his parish. "Every priest wants to work with the people," he said. "That is what he is ordained for."

Councilmen scowled in anger, and members of the Board of Education beamed happily after Mrs. Caesar Romano Jr., president of School 8 PTA, read a letter from the Belleville Action Committee opposing the move for an appointed board of education. Her letter declared that an appointive board was bad for Belleville because it took away the voters right to help decide the school budget.

Three councilmen at large and a town attorney were to be sworn into office in the Council chambers of Town Hall. Mayor Nuncio R. Pico was expected to resume his position as Mayor. Town Attorney Jack Soriano was slated to be appointed town clerk, and Vincent Strumulo, a Silver Lake resident and former councilman, was to take the seat vacated by Councilman James R. Golden, the only man to be defeated in the May 10 municipal election.

Ten Years Ago

Robert Bartholomew, of 12 Duncan Place, was installed as state president of the New Jersey League of Masonic Clubs, which was affiliated with the National League of Masonic Clubs. Mr. Bartholomew was a member of Belleville Lodge No. 108, Free and Accepted Masons, and Belleville Craftsmen's Club No. 409.

Three Belleville High School juniors were to attend Boys' State at Rutgers University

in New Brunswick. Roger Wartell of 154 Carpenter Street, Craig Lukowiak of 144 Academy Street, and Stephen Chimmock of 31 Crescent were being sponsored by Belleville American Legion Post 105, the Lions Club, and the Rotary Club. The Boys' State program stressed the responsibilities of citizenship, in which mock political parties and elections were organized.

Commissioner George Kiernan announced that George Mitchell, of 149 Academy Street, was to be the chairman of the Independence Day celebration committee. The 1961 Independence Day program was to be the biggest and best ever according to Kiernan. Events were to run all day long with the traditional sack races and three-legged races starting off the field events. An afternoon of baseball games and an evening of circus events topped off with a fireworks display were to round out the festivities.

Twenty-Five Years Ago

On the strength of a petition signed by 46 residents of and in the vicinity of Columbus Avenue, the ordinance changing the land in the reservoir area from B to C residence was delayed by the Board of Commissioners. Only a handful of residents who signed the petition appeared at the Commission session. Patrick Petoia, who said he was not a spokesman for the group but was speaking on his own behalf, said that property valuations would drop if the housing under consideration was constructed at the reservoir site.

A petition signed by 190 residents in the Greylock Section was presented to the Commissioners, protesting against the noise and odors, which allegedly prevailed day and night, emanating from the Liquid Carbonic Company on Washington Avenue. Mayor Tully called upon Public Affairs Director King to investigate the charges of odors and added that the police would handle the noise complaint.

Mrs. Joseph J. Heumer of 179 Cedar Hill Avenue was elected first vice-president of the Essex County Legion Auxiliary at the fifteenth annual convention held in East Orange. Mrs. Heumer had served actively on the auxiliary for thirteen years and was a past president of the Belleville Unit No. 105.

Charles Tedesco, who had been deputy to Public Safety Director Noll since 1938 in the Parks Department, was transferred from the latter position to the position of Chief Clerk that had been newly created in the Public Safety Department.

Forty Years Ago

The Shade Tree Commission requested an additional \$500 to combat aphids (green flies) which were destroying trees. Mr. Wells, Town Forester, appeared before the board and stated that the pests were eating the leaves of the trees in town to the extent of some \$250,000. He also stated that the tree commission's funds were almost exhausted and asked the board to relieve the situation.

Belleville High School graduated 107 at exercises held in the school auditorium. James L. De Rosset, president of the Board of Education, presented twelve prizes, including four special awards established by Mrs. Anna Vanderveer, faculty advisor of the senior class. The Reverend O. Bell Close gave the invocation.

Speak Up!

Keep Rodino In Washington

To the Editor:

Representative Peter W. Rodino is the Senior member of the New Jersey Congressional Delegation. He has served in Congress continuously since January 1949, and he has fashioned a record of excellence second to none. His seniority in Congress is of importance to everyone of us in the 10th Congressional District.

Congressman Rodino has demonstrated again and again that he has the leadership ability and the determine drive to get things done.

Those who advocate a deliberate effort to create a District for a Black Congressman must realize that such an effort would jeopardize the continued service of Congressman Rodino.

In Essex County in the year 1971 there are no good reasons and no valid argument for changing Congressional District lines beyond minor population adjustments.

We need Congressman Rodino - Lets keep him there.

Charles Rossi
154 Belmont Avenue
Belleville N.J. 07109

Images and Politics

To the Editor:

The elections are over, and hopefully, Belleville could look forward to a prosperous four years of government operation, something that was lacking the previous four years. However, it seems as though the elected officials are already off to a bad start. To be representative of the people and solving the town's problems has become secondary and self prestige has taken over as the first thought on the minds of one or two of the Commissioners.

Mike Marotti, who has done wonders for the town as a private citizen, is unfortunately under attack. Perhaps some are trying to give him a bad image because they couldn't do what he has done and are jealous of his feats. He is an elected official, who fortunately, doesn't act like a politician, and is unable to cope with the problems confronting a politician as a certain member or members of the Commission are trying to burden him with. However, he is aware of the problems of the community and knows some solutions. This is how he received the confidence and the vote of the people in the past and hopefully will continue to act in the same capacity during his tenure in office and not succumb to pressure and join forces with or against other Commissioners for personal gain, as was done in the past.

He is interested in the community and its people, and doesn't give a damn about politics. Its a shame a few other Commissioners don't follow his philosophy, for if they did, the people would have received the services they were neglected the past four years. The people, I hope, will ignore the political gripes of a few and help Mike Marotti and the other interested Commissioners in getting Belleville back on the right track, that of building the town instead of one's personal image.

Rocco Ferraro
350 Belleville Avenue
Belleville, New Jersey.

Obituary Drivers

To the Editor:

Suppose those drivers stop and think. At the corner of Belleville and Franklin. If it wasn't the building is a nursing home. It'd be a hospital for the drivers who bang in. So keep in mind, to stay in line, And not to shiver your fliver, Save your life; enjoy to live it. Don't land as a line in the obit.

Lisa Oscar
Essex County Geriatric Center
Belleville, N.J.

She's Concerned For Rodino's Fate

To the Editor:

I sincerely trust that every member of the Essex County delegation in the New Jersey legislature - Republican and Democrat alike - is working overtime to keep Congressman Rodino's 10th District intact.

I am troubled by reports that some people want to carve up the district, even going so far as to take Belleville out of the district. Congressman Rodino has been our representative for 22 years, and he has been a great leader in every sense of the word. We will not sit back silently and allow a wrecking crew in Trenton to destroy the 10th District. A word to the wise ought to be sufficient.

Commissioner Mary Senatore

A Testimonial

To the Editor:

An outstanding affair will be held on June 27, 1971, at The Veteran Boxers Social Club, 177 Malone Avenue.

The gourmet part of the affair will feature an old Italian outdoor barbecue. Johnny Addie, has accepted this honor through the life long friendship of Ernie Ratner and his friends. Johnny can always be counted on to make an appearance at any time. This man is a credit to boxing and Ernie feels that this day honors should be bestowed on Johnny, and proclaims this day, "Johnny Addie Day."

Many of the boxing greats will attend to honor Johnny and all sincerely hope the weatherman will foster a day of sunshine for this memorable day.

Veterans Boxers Social Club

Msgr. Diluca Contributes To A Better Nutley

YOU haven't done it yet. So, right now, right where you are sitting - with help from the words on this page - you can experience it all vicariously. Take an imaginary flight. Then, when you do fly the first time, it will be even more fun because it will all be more comfortably familiar. Come on, I'll show you what it's like

Let's start with you being driven up to the curb outside the terminal. First, you'll meet a smiling man called a Skycap. From there, you'll get to your plane in one of two ways. (Both are called "checking-in," which is the first thing you do when you fly. And both are very simple - it just depends on how the airline you're flying operates or on the size and layout of the airport.)

One of the ways is called "curbside check-in." The Skycap asks where you're going, puts tags for that destination on your larger pieces of luggage and gives you stubs from the tags. (Small bags, you carry right onto the plane.) Then the Skycap will send your checked bags on a conveyor belt or cart to your plane for loading, and will tell you to go directly to the place where you board the plane. It's called a Gate.

If there is advance seat selection on your flight (sometimes there isn't), he'll help you pick a seat, write the seat and flight number on the folder or on a separate card, then give you one or both to show as your "Boarding Pass" when you get on the plane. He'll ask you to sit a few minutes in the comfortable waiting area behind him. About 15 minutes before take-off time, he'll ask you to go aboard. Simple, isn't it? Continue your "first flight."

First, read about some things that have happened before you got to the airport and aboard your plane.

In a busy, but quietly efficient department called "Flight Dispatch," a computer is constantly fed weather information and other facts. For your trip, it typed out alternate "Flight Plans" telling the best routes and altitudes to go during the

time you'll be flying. (Modern jets fly over most bad weather. But they'll also fly around some, so you don't always take the same route between two airports.)

Then, an even better "computer," your Captain (typically with 15 thousand hours of flying experience) has talked with the meteorologist and double-checked everything himself. He has picked what he considers the very best plan for your flight.

Every U.S. scheduled airliner has 23 people on the ground to care for it. In a hangar between flights, it gets about 300 mechanic man hours of maintenance. Then, before you take off, one of the flight officers will make what's known as a "walk-around," visually inspecting the plane once more.

Meanwhile, the plane's several lavatories and spacious cabin have been cleaned, groomed and supplied for you. Fresh tissues, towels and soap. Blankets, pillows and reading materials. Playing cards, too, and games and souvenirs for kids. Perfectly prepared meals and beverages were loaded fresh from the airline kitchen truck. Each year, U.S. airlines spend over \$250 million on the complimentary meals they give you. All together, 12 pounds of supplies go aboard for every passenger - to provide more pure comfort, convenience and pleasure than you enjoy in any other kind of travel.

Now you're coming aboard, and I welcome you, I'm a Stewardess or Hostess. I'll note your Boarding Pass and point out your seat.

If the cockpit door is open, you'll see our Captain, First Officer and Flight Engineer. They'll be going through a checklist of up to 150 items to make sure everything is in absolutely perfect order.

NINETY-ONE YEAR OLD MSGR. ANTHONY DILUCA this week is celebrating his 65th year as the oldest living priest in the Archdiocese of Newark. It is our boast and privilege to have known this gentleman of the cloth when he took over what was then the small Holy Family Catholic Church Parish located on Harrison Street as Father Anthony DiLuca. Year after year we saw Father DiLuca park his old battered car on Washington Avenue and wear out shoe leather in his daily calls upon his parishioners.

We wish Msgr. DiLuca the happiest of birthdays with the full knowledge that his presence in Nutley over the past 40 years has been a major contribution to a better community. May God bestow his blessings upon this great man and may he continue to live out his life for many years to come, enjoying good health and happiness.

THE PRIME HOUR COCKTAIL LOUNGE - the annex to the Howard Johnson Motor Lodge on Route 3, Clifton is one of the new evening stops which is becoming quite popular with the swing set. Peter Aldeghieri keeps the piano bar swinging six nights a week - and as the evening wears on, it's standing room only. Seven months ago, the Lounge was a nothing thing but under the guidance of Manager Louise Sherman it is receiving statewide acclaim - and the prices are right too.

WEDNESDAY NIGHT IS BUILDING UP as amateur night at Nutley's Park Pub, opposite the giant Hoffmann-La Roche complex. Aspiring singers, pianists and comedians are encouraged to participate.

THE BANK IN DREW, MISSISSIPPI did not contribute \$2.00 to the Jo Etha Collier fund as was reported by the Associated Press and later reported in this column. A letter from Vice President, R. D. Cartledge, Jr.

informs us that the \$50 million bank contributed \$25. Already noted in this column is the fact that we forwarded our \$2.00 check to the Merchants & Planters Bank in Drew, Mississippi to help out the financial institution. Mr. Cartledge Jr. in acknowledging receipt of our contribution commented, "We gave \$25. If you would like to match this, you may send us your check for \$23, and we will be glad to relay it to the Treasurer of the Fund." By this writing, Mr. Cartledge, Jr. has received the additional \$23 contribution, matching the contribution made by his \$50 million institution.

IN ORDER TO CORRECT AN IMPRESSION that may have been created by last week's story concerning the building that houses Brazil's Gift Shop, I would like the reading public to know that the new owners of the real estate are people who appear to have great compassion and Mrs. Brazil is in no immediate danger of closing out her business or being evicted. For the present Brazil's Gift Shop will continue in its present location under the personal management of Carolyn Brazill and you may continue planning to do your Christmas shopping with Carolyn.

NOT TOO LONG AGO, the Reader's Digest published a commentary on what it's like to take your first plane ride. Since we use this mode of travel almost weekly, we took a fancy to the article and reprint it below without permission of the Reader's Digest.

"NEVER BEEN UP IN A PLANE?"

C'mon - I'll show you what it's like.

Of course, the best way to see what it's like to fly is actually to do it. (And incidentally, every day over 450,000 people do, on some 15,000 flights that take off and land daily in the United States alone.) But

To Jr. Girl Scouts

Brownie Scouts Make Big Jump

Eight Brownie Scouts of Brownie Troop 486 became Junior Girl Scout in the ceremonies at School Five June 25, capping off the year for the troop.

Junior Troop 906, led by Assistant Leader Mrs. Joseph Zarra, participated in the ceremonies by "receiving" the new scouts. Brownie Troop 486 is headed by Mrs. Peter J. Bridge. The Juniors conducted the opening ceremony.

The eight girls accepted into the Junior Troop are: Cathy DelGuercio; Michelina DeMeo; Jeanne Fornarotto; Robyn Perrine; Dawn Castelli; Carol Jenkins; Debra Lowack and Cynthia Scheder.

After the girls joined the Troop, the girls sang songs and presented a gift to Mrs. Zarra. The Brownies then conducted the closing ceremonies and refreshments were served.

Mothers of the new Junior Girls Scouts were present for the ceremony.

The 1970-71 Brownie year was a particularly active one for Troop 486. During the previous nine months, the Troop conducted the following activities:

Held the annual Brownie Cookie Sale. Awards were given to the three girls who sold the most cookies. They were: Dawn Castelli, awarded Brownie Slippers; Rebecca Bridge, awarded a "Brownie Gold" coin bank and Rhoda Beardsley, awarded a Brownie purse. Dawn Castelli was also winner of the Brownie Ecology poster contest, for which she was awarded a turtle soap holder.

The troop also participated in the Scout-O-Rama held in Belleville Junior High School. The girls demonstrated the making of bird feeders at the show.

The girls made special orange paper roses for decorations at the Juliette Lowe Fund Ceremonies, collected and contributed money for the Debbie McCool Fund and collected and contributed toys for the North Essex Child Guidance

Clinic. The troop received a thank you letter for their effort from the Clinic.

Mrs. Bridge awarded "Piper Pins" to the girls in her troop who participated in the annual "bridging" ceremony. "Bridging" is a demonstration of Brownie activities for younger girls who will be eligible to enroll next year. Seven girls visited the Troop to witness the ceremonies. The Piper Pin is an award for recruiting activities.

The Brownies made basket favors for Essex County Hospital, which were delivered there this month. During the year the girls also crocheted purses for themselves and made "dunking bags" from dishcloths sewn together and crocheted the edges.

Cops Arrest 4 In House Break

(Continued from Page 1)

officer Joseph Oese who aided McNish in bringing the youths to headquarters for questioning.

After an investigation by Detectives Kenneth Place and Nick Berrigan, the youths were booked; two 18 year old males from Belleville were charged with break and entry and larceny; an 18 year old male from Fairfield was charged with the same violations, and a 21 year old male from Nutley was charged with possession of four bags of heroin in addition to the above charges.

According to Deputy Chief Haight, a small amount of cash was stolen from the house and used to purchase

the heroin. All are out on \$1000 bail except the 18 year old Fairfield youth whose bail was set at \$500.

Patrolman McNish was lauded by Haight for being "alert and competent in handling the situation."

Belleville Pike To Be Affected By Project

Transportation Commissioner John C. Kohl today announced that bids will be received July 8 on a contract to replace the Route 7 Bridge over the Erie-Lackawanna Railroad in Kearny, Hudson County.

This multi-million dollar project will extend 1.25 miles from the Newark Turnpike east to Fish House Road, and will include grading, paving and three structures. Two bridges will carry Newark Turnpike over existing Belleville Turnpike and an extension of Belleville Avenue, and new Route 7 ramps over existing Newark Turnpike and westbound Route 7 near Fish House Road. The third structure will be the substructure for a viaduct to carry new Route 7 over the Railroad tracks. A future contract will be let for the construction of the superstructure of the viaduct. Route 7 will be relocated and reconstructed as an improved facility. The eastbound and westbound roadways will have from two to three lanes, plus an auxiliary lane in ramp areas. Plans also provide for realigning portions of the Belleville and Newark Turnpikes within the project limits.

Mike Oliveri Earns Degree

Michael R. Oliveri, son of Mr. and Mrs. Salvatore Oliveri of 231 New Street, Belleville, received his bachelor of science degree in medical technology from Saint Mary of the Plains College, Dodge City, Kans.

While in college, Oliveri was a member of the student council and majored in chemistry and biology.

A graduate of Belleville High School, Oliveri was captain of wrestling team and district champion in the 157 pound class while at Belleville.

Oliveri is presently working with the Processed Chemical and Coating Corporation and completed his studies in February.

One man with courage makes a majority.

THE BELLEVILLE High School Vocational Home Economics Department has formed a service group of boys and girls to aid residents this summer. The students are interested in jobs focusing on preparing food, serving food correctly, and cleaning up after an affair. All participants have one or two years of training in the Vocational Food Service area. The group's services are available to residents who contact Herman Kruppel, Guidance Director at BHS.

Fagioli Receives Degree

Nicholas A. Fagioli of 56 Mt. Prospect Avenue earned his BA degree in sociology during Western New England College's 50th annual commencement exercises in Springfield, Mass.

Fagioli, son of Mr. and Mrs. John W. Fagioli, was a member of the dean's list and was ranked number one in his major field of study. He was also named to the "Who's Who in Greek Fraternities."

At Western New England he was a member of the football team, playing defensive end. He was also a member of the Tau Kappa Epsilon Fraternity and was historian for the group.

His activities also included being president of the Newman Club. He was a member of the Orientation Committee, the House Council and the Science Club.

A graduate of Essex Catholic High School, he plans to pursue further studies toward a doctorate in sociology.

Poet James Whitcomb Riley was once criticized severely by writer Ambrose Bierce, a man of fierce temper. Asked how he responded, Riley replied, "I hit him with a chunk of silence."

Venturi Gets MA Degree

Gary M. Venturi, son of Mr. and Mrs. Louis Venturi of 43 Union Avenue, Belleville, received his MA degree in physical education from Adams State College, Alamosa, Colo.

Gary Venturi

While in college, Venturi was on the varsity baseball team. He was also president of the athletic club. He was intramural champion in basketball and football for the past two years.

A graduate of West Side High School, Newark, Venturi was senior class president and a member of the Italian Club there. He was also on the school newspaper and was captain of the football, basketball and baseball teams.

Venturi plans to acquire a PhD in about three years. He is now examining prospective jobs at Mountain High School in West Orange and Irvington High School.

Mazzitelle Gets MA

Frank Mazzitelle, son of Mr. and Mrs. Frank Mazzitelle of 505 Washington Avenue, Belleville, completed his degree requirements during the fall semester at New Mexico State University.

Mazzitelle received his master's degree in teaching during the commencement exercises at NMSU on May 15.

The finest sermons are seen, not heard; they live in the lives of men and women.

Jealousy and envy affect nations, as well as men and women.

A bigger dollar's worth.

At the New Jersey Blues we work everlastingly to cope with escalating health care costs and to provide our 3.5 million members a bigger return for their health care dollar.

We do it in a variety of ways.

For one, we keep a watchful eye on overhead. As a result, our combined administrative costs take less than 6 cents of each dollar. Versus several times that amount for other health insurers.

Working with doctors and hospitals, we help to keep hospital stays

to the minimum and screen out benefits for unnecessary admissions. Real progress has been made, and we're keeping at it.

We are expanding outpatient and out-of-hospital coverage to encourage less-costly alternatives for services that can be performed just as well outside of the hospital.

And we stretch health dollars in other ways. With a long history of support of ways to discourage unnecessary health care facilities or services. With a new program that will avoid

costly duplication where two family members have two forms of coverage. No one would be denied his benefits. No one would collect twice, either.

Recently, laws were modernized so groups of 100 or more can pay rates based on their usage. This new, current-cost rating is now available to groups requesting it. Other groups will be phased in on this practical, pay-as-you-go basis during the months ahead.

"A bigger dollar's worth." That's what it is all about.

NEW JERSEY BLUE CROSS AND BLUE SHIELD
Our only interest is people and people's good health.
Hospital Service Plan of New Jersey / Medical-Surgical Plan of New Jersey

Thomas R. Beier Receives Degree

Thomas R. Beier, son of Mr. and Mrs. William Beier of 725 Jorammon Street, Belleville, received a bachelor of arts degree in business from Bloomsburg State College, Bloomsburg, Pa.

While in college, Beier's course of study was economics-accounting. He was a member of Phi Sigma Kappa fraternity in college. He is a graduate of Coudersport Area High School, Coudersport, Pa.

Commencement exercises were held at Bloomsburg Fairgrounds on May 30.

Miss Pugliese Is Graduated

Gloriann Pugliese, daughter of Mr. and Mrs. Peter Pugliese of 41 Columbus Avenue, Belleville, was graduated in June from the Katharine Gibbs School in Montclair, where she completed the advanced one-year secretarial course.

Miss Pugliese is a graduate of Belleville High School.

The Gibbs school, founded in 1911, is noted for training young women for careers as executive secretaries and assistants.

LUCKY WINNERS — Gouthro's Juvenile Furniture of 329 Broad Street, Bloomfield, opened recently and the highlight of the occasion was an awards drawing. Mrs. Glenn (Jan) Gouthro (right) presents a \$20 gift certificate to Mrs. Carl Montanye of Clifton (left) and a \$30 certificate to Mrs. Paul Doran of Bloomfield (center).

Grass Growing Under Trees Needs Extra Care To Flourish

It may be difficult to maintain a good lawn under trees, particularly if the trees are shallow-rooted or produce a dense topgrowth. Under trees the supply of light, soil moisture and nutrients necessary for the growth of grass is restricted.

If you are having trouble growing grass under trees, consider the following suggestions for improving conditions for the grass: remove unnecessary trees, prune low-hanging branches and prune shallow tree root.

Fertilize the lawn in the early spring to start the grass

growing vigorously before the trees let out new leaves. Avoid the application of extra fertilizer under trees. The most common shade-tolerant grass, red fescue, cannot tolerate high fertility conditions. The technique for fertilizing the lawn and trees is different.

Fertilize trees deeply to keep them from competing with the grass for nutrients.

Use shade-tolerant grasses — red fescue for dry conditions and poa trivialis for wet areas.

When watering, apply extra water under trees but avoid overwatering.

Gloriann Pugliese

Holiday Inn Introduces New Modes of Convenience

Ups and downs are a fact of life in most businesses. Sy Katz, executive director of the Holiday Inn at Newark Airport has incorporated them into his business, and the result is an arrangement of convenience.

Guests at the newly-opened motel have at their disposal, and literally at the doorstep, an exclusive helicopter service intended to facilitate business groups eager to complete their rounds quickly, and for groups of individuals seeking quick convenience of travel.

The motel has contracted with Ronson Helicopters, Inc. to provide travel for its guests to any point in the metropolitan area via the versatile flying machines. The whirlybirds land just outside the side entrance of the motel and whisk the customers to their destination, skipping traffic jams and other typical delays of a congested region.

Nearly every person likes to imagine that his or her brain power is immense.

BREAKFASTING — Attending the Woman's Club of Belleville May Breakfast at Parrillo's Restaurant were (from left) Mrs. R.A. Shafter, 1st vice president, Mrs. Gerard J. Ferrara, president and Mrs. John Noonan, recording secretary.

Belleville's Woman's Club Ends Year's Activities

Climaxing their year's activities, the Woman's Club of Belleville met for their May Breakfast at Parrillo's recently.

The club's convention delegation led by the president, Mrs. Gerard J. Ferrara reported on the activities in Atlantic City. A highlight was the nomination of Mrs. William J. Muhler of Rutherford as vice president for the Eighth District of the New Jersey State Federation of Women's Clubs from the floor of the convention and Mrs. Ferrara was privileged to endorse the nomination for the Belleville club.

At the May Breakfast Mrs. Douglas Clark, fine arts chairman of the club summarized the prize-winning plays in the drama contest. Mrs. Richard A. Shafter, first vice president and literature department chairman attended the Evening Membership day of the convention but Mrs. Peter Spera, chairman of the Evening Membership Department reported on their activities.

All the officers and members present were introduced to the new

Quits Counting Sheep FINDS NEW WAY TO SLEEP

"World's champion sheep-counter — that's what I used to be. Couldn't get to sleep so I'd count 'em by the million. But I lost my championship the first night I tried a Dormin Capsule. Now I never count sheep — I just take a Dormin at bedtime and I sleep like a baby!"

Dormin is the hospital-tested aid to sleep that's 100% non-narcotic. Proved effective in 9 out of 10 clinical cases — professionally supervised and observed in leading government hospital. Get Dormin today at all drug counters.

Newark State Grants Degrees To Belvillites

Susan Barbara Restaino, daughter of Mr. and Mrs. Carmine Restaino of 306 Division Avenue, Belleville and Kathleen McCoy Capretta, daughter of Mr. and Mrs. William McCoy of 86 Van Houten Place, Belleville, received their BA degrees from Newark State College.

Miss Restaino, whose major was elementary education, finished her course in February and participated in the June exercises. She is presently secretary to the advertising manager, assistant advertising manager and art director of Airkem, a division of Airwick Industries, Carlstadt. She plans to be married in August.

While at Newark, Miss Restaino was a member of NJEA and SEA. She was on the dean's list and was a member of Kappa Delta Pi, honor society in education.

Miss Restaino graduated from Belleville High School, where she was active in the Red Cross and was treasurer of the Future Business Leaders of America.

Mrs. Capretta, whose major was fine arts, was a member of the Tennis Club

while at Newark and worked extensively in the arts studios. She was also a member of the fine arts coed sorority-fraternity.

A graduate of Belleville High School, Mrs. Capretta was a member of the Booster Club and a Red Cross representative in high school. She was also a swimming instructor for the Red Cross.

Mrs. Capretta also completed her credits in February. She will be working toward an MA degree in art and hopes to become an elementary art teacher. She is presently a substitute teacher and did her student teaching in Edison.

The Caprettas have a 2½-year-old son.

Scenic New Jersey Is Topic of State Bulletin

"Enjoy N.J.," a colorful new booklet describing the many vacation areas and interesting locales of the Garden State has just been released, Ronald M. Heymann, Commissioner of the N.J. Department of Labor and Industry, announced today.

Designed primarily as a vacation guide, the 27-page publication, containing 80 color photographs, has information on beach resorts, horse racing, New Jersey state parks and forests, summer theatres, skiing areas and boating regions.

GRADUATE — Miss Elizabeth Wilson of Belleville was one of the 56 girls who graduated from the John Robert Powers School of Montclair on May 12. The graduation exercises were held at the Upper Montclair Women's Club.

We know old men who remember the compliments that came to them as little boys.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Teacher Presents Awards To Artists

Nancy Crisp, Belleville artist-teacher, presented awards to her students at a reception for exhibiting artists at the Belleville Library recently. The paintings will be on display until Saturday.

Robert Leardo received the award for the best in show and Eric Diuhos, age five, received a special award. The three adult prizes went to Edith Richards, Bobby Takash and Edith Richards, for the first, second and third places, respectively. Adult honorable mention awards went to Mary Wood and Sally Lapani.

Tri-Town Dinner Tonight

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley will hold its annual Installation Dinner on June 24 at 6:45 p.m. at the Robin Hood Inn in Clifton. Arrangements are under the aegis of the past presidents with Miss Mildred Spatz of Bloomfield as chairman.

Mrs. Mildred deSimone, president of the New Jersey Federation of BPW Clubs will install the following officers for the 1971-1972 year: President, Miss Ruth Williamson of Belleville; first vice president, Mrs. Marion Johnson of Nutley; second vice president, Miss Alice Fleming of Rutherford recording secretary, Miss Marion Hansen of Bloomfield corresponding secretary, Mrs. Josephine Robustello of Belleville; and treasurer, Mrs. Elizabeth Simone of Bloomfield.

In a continuing "Era of Responsibility" Tri Town members, under the leadership of these officers, will be working to secure passage of the Equal Rights Amendment and will be cooperating with other groups, local national and international, endeavoring to create a better life for all in a cleaner, safer environment in a peaceful world.

The senior (15 to 17 years) awards went to Susan Melchione, Susan Stone and Charles Vitkovsky for the first second and third place, respectively.

Junior first, second and third place awards were garnered by Robert Leardo, Denise Roccia and Mary Angelino, respectively. Juniors are from 12 to 14 years of age. Dory Petroski and Donna Murnock received honorable mention in the junior category.

Intermediate prizes went to Paula Lembo, first; Ann Pontrella, second and Mary Pontrella, third. Honorable mention for intermediates went to Joan Montalbano, Michael Morriello and Lauren Pisaurio. Intermediates are from 9 to 11 years of age.

Public Library To Be Showing Movie Program

Among the summer activities at the Belleville Public Library will be weekly children's movie programs. These "Summer Film-ins" will be held at 10 a.m. each Wednesday morning at the Main Library, Washington Avenue at Academy Street and repeated at 10 a.m. Thursday mornings at the Silver Lake Branch, 30 Magnolia Street.

Scheduled for June 30 and July 1 are "Big People Little People, the story of a big city in which the children live alone and have to do all the work, "That Rotten Tea Bag," showing the struggles of a 13 year old boy with a stubborn tea bag and "Munro," animated cartoon of a little boy who suddenly finds himself a soldier.

Also to be shown are two favorite classics, "The Five Chinese Brothers" and "The Ugly Duckling."

Adoption Society Meets Monday

"The Women's Auxiliary of the Children's Aid and Adoption Society of New Jersey will hold its next meeting on June 28, 8:15 p.m., at the Presbyterian Church on the Green, Broad Street near Belleville Avenue, Bloomfield.

Among the evening's activities will be guest speakers Miss Barbara Smith and Mr. Kenneth Reed of CAAS and installation of new officers and board members, including from Nutley, Mrs. Rocco Nisivoccia, membership chairman.

The topics during the meeting will be adoption and current adoption legislation; coffee and dessert will be served. All adoptive mothers and prospective adoptive mothers are invited to attend.

Elizabeth Parise Married In May

Miss Elizabeth Ann Parise, daughter of Mr. and Mrs. Donato Parise of 44 Raymond Avenue became the bride May 29 of Leonard Robert Guancione Jr., son of Mr. and Mrs. Guancione Sr. of 25 Moore Place, Belleville.

The ceremony in Holy Family Church was performed by the Rev. Michael Saltarelli and a reception was held at Wayne Manor, Wayne.

The bride's gown was of voile trimmed with eyelet lace and fashioned in the empire style. A Camelot headpiece trimmed with seed pearls and lace held her bouffant veil and she carried carnations and babies breath.

Miss Karen Tungrian of Nutley was maid of honor. Bridesmaids included Miss Angela Marcantuono and Miss Francine Tuosto of Nutley and Miss Anna Costantino of Belleville.

Their gowns were of powder blue voile with navy blue trim around the collar, cuffs and hemline. Picture hats matched their gowns and they carried bouquets of carnations.

Gregory Kostowicz of Belleville served as best man. Ushering were the bride's brother, Michael Parise, Anthony Spera and Gerald DePaul of Belleville.

Mrs. Parise chose a mint green silk shantung gown with beaded top and matching accessories. The groom's mother was in a turquoise chiffon gown with beaded top and matching accessories.

Mrs. Guancione Jr. is a graduate of Nutley High School and Mr. Guancione Jr. is an alumnus of Belleville High School.

They have made their home in Belleville following a honeymoon in the Bahamas.

Carolyn Geng, Barry Graziano Will Be Wed

Mr. and Mrs. Stephen Geng of Princeton announce the engagement of their daughter, Carolyn Theresa to Barry Richard Graziano, son of Mr. and Mrs. Paris Graziano of 43 Church Street, Nutley.

Miss Geng is an alumna of Franklin High School and Rutgers University, Newark.

Mr. Graziano, a graduate of Nutley High School and Rutgers University, is working for his master's degree at Fairleigh Dickinson University Graduate School of Dental Research, Teaneck.

He is a quality control supervisor at Zenith Pharmaceuticals, Northvale.

The wedding will be held August 21.

Miss Franca Gabbai

Junior High PTA Installs New Officers

The Belleville Junior High PTA held its last meeting of this school year on May 26. A candlelight installation ceremony was held as part of its program, with Mrs. Loretta De Santis acting as installing officer.

The new officers installed are Mrs. Viola Narucki, president; Mrs. Lois Servidio, first vice-president; Mrs. Rosemary Hawley, recording secretary; Mrs. Kay Barbone, corresponding secretary and Mrs. Ann Boxer, treasurer.

An open invitation to all sixth grade parents had been extended to join in this meeting and tour the school.

Mrs. Loretta De Santis, president, made the presentation of gifts from the PTA to the departmental chairman of the school to be used for classroom needs of the children.

Troth Is Told Of Miss Gabbai, Mr. Giordano

Mr. and Mrs. Enza Gabbai of 34 Plenge Drive announce the engagement of their daughter, Franca to Robert Giordano, son of Mr. and Mrs. Carmen Giordano of 588 Union Avenue.

The couple are alumni of Belleville High School. Miss Gabbai attends Berkeley Secretarial School and Mr. Giordano is a student at Fairleigh Dickinson University.

Women Honored At NCE

Five Belleville women joined a select group when they received honorary "PhT" degrees at ceremonies at Newark College of Engineering.

Recipients from Belleville were Mrs. Mary Louise Akus of 20 Rossmore Place, Mrs. Carol M. Barton of 64 High Street, Mrs. June Marie Hitchner of 4 Elmwood Avenue, Mrs. Tania T. Novoa of 24 Carpenter Terrace North and Mrs. JoAnn Peterson of 134 Smallwood Avenue.

The women, all wives of married seniors, have been recognized by NCE for the aid and encouragement they have given their husbands in the years of working for a degree.

The ceremony marked the 21st annual program of awarding the "PhT" degrees, an abbreviation for the phrase of "Pushing Him Through" NCE.

Marybeth Rust Earns Degree At Vermont

Mrs. Marybeth Siska Rust, daughter of Mr. and Mrs. Andrew Siska of 59 Belmoor Street, Belleville, received her BA degree in English from the University of Vermont in Burlington, Vt.

A graduate of East Orange Catholic High School, where she was a member of the National Honor Society, Mrs. Rust was on the dean's list at the university.

In January, she married William Rust, who is also a graduate of the University of Vermont, Class of 1971.

Seventy-three New Jersey students were among the 1,146 seniors receiving their undergraduate degrees from the University of Vermont on May 23 at the 167th commencement exercises.

Everyone wants to be popular but the price asked is often too exorbitant.

MANY HOSPITALS LET MOM STAY WITH CHILD

The presence of a parent can often do more to help a child recuperate than anything else. Realizing this a great many hospitals have radically changed their visiting hours and overnight stay policies for the parents of a hospitalized child. Knowing the temperament and emotional reactions of your children you should inquire about this before planning any admission to the hospital.

We hope it never becomes necessary but if you do have to plan an overnight stay with one of your children, we can make you up a small kit of night-time essentials to help you to be more comfortable.

"This is Children's Month"

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Care Can Save Sprayer's Life

The life of your garden sprayer is in your hands. Modern chemicals do a good job of freeing the garden of diseases and insects but many of them can eat away at the metals ordinarily used in home spraying equipment. These chemicals do little damage to the sprayer while it is actually in use, but left in the sprayer they have more time to act. Mr. William F. Munk, senior county agricultural agent of Essex County, recommends thoroughly rinsing the sprayer, not once but twice. Discard the first rinse water and run another batch of clean water through the hose and nozzles to do a thorough job. Then turn the sprayer upside down with the cap open for complete drainage and air drying.

What have you done to make this community a better place to live in?

Peter Bird's Bells Displayed At Library

The beautiful old bells in the display window of the Nutley Public Library are from the collection of Mr. Peter Bird of Centre Street, who several years ago started the "Bells on Independence Day" movement here in Nutley. Eric Sloane, the Connecticut artist and his friend Eric Hatch, are the two men responsible for the National movement. Almost 200 years ago, on July 4, 1776, the tolling of the Liberty Bell signified to this anxious little nation that the Declaration of Independence had been ratified. So, on July 4, 1971, at 2:00 p.m. arrives to each state across the nation, from New Jersey to Hawaii, bells in churches, schools and public buildings will peal out their message of freedom and hope. Listen America to the "Bells on Independence Day!"

Rodino Auxiliary Closes Season

The Peter W. Rodino Ladies Auxiliary held its closing meeting at Don's 21. Newly elected officers are as follows: Jean Palumbo, president; Kay Bottone, vice president; Kay Coltre, second vice president; Angela Gerardi, third vice president; Antoinette D'Acunti, fourth vice president; Lorraine DeBellis, recording secretary; Marie Scalercio, treasurer; Dorothy M. Todaro, corresponding secretary; Julia Cook, sergeant-at-arms; and Margaret Rosania, Helen Benimelli, Ancy Franke, Julia Carriane and Marie Gonzales, trustees.

Congressman Peter W. Rodino had, as his guests in Washington, D.C., on June 10 members of the auxiliary. They toured Capitol buildings and observed firsthand the workings of the executive branches of our great country. Congressman Rodino planned an exciting and full day for the ladies.

Nutley Girls Are Chosen To Attend Girls' State

Two Nutley High School juniors, Miss Gail Folena and Miss Marie Benko have been chosen as delegates to the 26th annual session of the Jersey Girls' State being conducted at the close of school at Douglass College, in New Brunswick.

The principal and faculty of the High School select girls who are qualified. Choice and approval is then made by the American Legion Auxiliary, Unit 70, according to their qualifications of leadership, character, courage, honesty, scholarship and cooperativeness.

Jersey Girls State, an experiment in Americanism and good citizenship training is sponsored by the American Legion Auxiliary, Dept. of N.J. Its purpose is to provide citizenship training for girls who will begin their senior year of High School in September. The Nutley delegates are sponsored by the Legion Auxiliary, Unit 70 and the Nutley Rotary Club. Miss Folena is a member of the Future Teachers Club of America, Girls Athletic Council, Junior class council and the Nutley High school twirling squad. Miss Benko is a member of

the Honor Society, Future Teachers club, Spanish club, Girls Athletic Association, Junior class secretary and also works as a volunteer at Clara Maass Hospital.

Both delegates as well as Miss Amy Hoffman who was chosen as an alternate, will be invited by Unit 70's Girls State chairman, Mrs. Anthony Turturiello, to attend the Auxiliary Installation in September at which time they will be guest speakers.

Dr. Harry DeYoung Gets Dean's Post At Rider

Fashion Show At High School

A fashion show, produced by sophomore Cora Towns was presented to the girls of Belleville High School Wednesday May 12. All models were Belleville High students modeling clothes from their own wardrobes. The outfits expressed the modern fashion ideas and covered everything from sportswear to formals.

Hot pants seemed to be the favorite, particularly with the hot summer months coming. One outstanding gown was a mint green chiffon designed in the old-fashioned nineteenth century "Southern Belle" style.

Participating in the show were Linda Smith, Nancy Mocarski, Francine Godfrey, Carolyn Watts, Gerry Mitchell, Donna Moeller, Debbie Motacki, Joyce

December or early January was the previous practice.

Scelba said he and his instructors have carried on a vigorous campaign the past few weeks to avoid the cutback. Letters, he said, were sent to many organizations, including all parent groups in the school system. To date, Scelba says, none of the groups has responded with cash scholarships. He said he has heard privately that many of the PTA and Home & School Association groups felt the Board should foot the cost for the program.

Scelba, who is director of all musical instruction in grades K-9, is not taking an pessimistic view of the program's future, however.

"This was an adjustment year" he said. "I'm sure parents will get used to the idea of having to pay for enrollment by next summer. The program won't die if I can help it."

Scelba also feels the tuition might result in better attendance for the program where previously attendance was sporadic.

The program will begin Monday and run through July 30 with classes daily, 8:30 a.m. to 12 p.m.

Swimming Lessons Sponsored This Summer By YMCA

Boys and girls in grades three through eight will be able to swim at the Montclair YMCA every weekday afternoon this summer, and two days each week may participate in an hour-long gym program before swimming.

The recreational gym activities will be held from 1:30 to 2:30 p.m. Tuesdays and Thursdays from June 29 through July 22 and will include a variety of games and gym events.

Swimming periods for youngsters in this age group will be from 2:30 to 4:30 p.m.

Sports Corner

By John McCarthy

Twenty Seniors To Continue Sports

A preliminary poll of Belleville's athletes who graduated this past Tuesday night shows that at least 20 seniors plan to continue in their respective sports during their fast-approaching years at college.

Most of the seniors who will be staying involved in sports will be staying within the state of New Jersey, eight of the twenty plan on attending one of the state's colleges, and most of the rest plan on attending a college in one of the states along the Eastern seaboard.

Montclair State, originally the number one choice a majority of students who wish to continue sports has been closed in on, and passed, by Jersey City State College. The two state schools have seven of the twenty athletes, four to Jersey City, three to Montclair. More athletes of course will be added to this list of students as they too make final decisions on their plans for college.

Four of the athletes have decided that they will attend a junior college to prepare themselves for a four year institution and will still continue sports at both schools.

Frank Marano—Toughest Challenge

Perhaps the toughest challenge will go to co-captain of this year's highly successful crew team, Frank Marano. The oarsman and wrestler will be attending the United States Naval Academy starting on June 30. This is when Frank will go down to Annapolis for a summer session similar to a "basic training."

During Frank's four years of disciplined schoolwork, he will definitely go out for the crew team as the coach of the rowing squad for the Naval Academy has been in touch with him during the year. Another coach interested in Frank is the wrestling coach, who is eager to see the strong 178 pounder continue that sport too as he studies to be a chemistry major.

Frank's twin Michael Marano was also an oarsman for Belleville High. Mike plans on attending the University of Miami starting in September as a music major and while there is no crew team at the university, Mike looks forward to going out for some other sport on their program.

Another BHS senior planning to attend the Coral Gables Florida school is football player and track runner Dour Brown. The fullback was injured this past season on the grid iron and injured again this past season on the cinders. So Doug's sports may take a while, but the sociology major plans on going out for them as soon as he's back in condition to run.

Also going out of state will be John Atherton and Jack Fersko. The pair will room together at Marietta College in Marietta Ohio, (not Marietta, New York as the Sports Corner reported earlier), and both will be going out for crew.

Fersko has been two years varsity crew and will major in accounting, while Atherton, who also had two years of both varsity wrestling and football will major in petroleum engineering.

Jones & Miele To Coach Alma Mater

Tom Jones and Jim Miele will attend their football coach's alma mater, Upsala, together, and both plan on continuing football. The two grid men will go to Upsala with sports scholarships.

Jones will play football, but probably drop his other two high school sports. Along with his two football letters, Tom earned one in wrestling and two more in crew, which the East Orange school doesn't offer. Tom lived near Upsala in EO before moving to Belleville as an elementary school student. He will major in chemistry.

Miele will continue both of his two sports, football and baseball. The two year letterman in both contests will major in liberal arts.

Another athlete going to a private four year college within the state is Raymond Horman. The Cross-Country and track distance runner will continue his career at Seton Hall while studying physics.

Montclair State will get three of Belleville's backfield men, but may not be able to field them all at the same time. Mark Bradley will go to the Upper Montclair School for business administration and play football, but isn't too sure about track. Mark was a wingback and fullback, as well as 220 and 440 runner.

Ricky Caruso, Belleville's top halfback will also go for business administration and will definitely be out for football and track, which both saw him earn three high school letters.

Joe Papisidero once was Belleville's starting quarterback but was moved to defensive back as a gap developed in that position. Joe may not go out for football at MSC, as he is more interested in continuing as a baseball shortstop while also majoring in business administration.

The Jersey City Four

The Jersey City four will be Tom Vitiello, Rocco Marrotti, Steve Tremel, and Rich Caravetta.

Tom will major in art at JCSC while he'll go out for football and either track or baseball. Tom has lettered in track twice but is interested in trying out the baseball diamond again.

Rocco, Rich, and Steve will all go out for the cage squad at Jersey City. Rocco will also go out for baseball as he majors in history, with a physical education minor.

Steve will study elementary education while playing basketball, but Rich is putting off his major to the end of his first year, then it might be psychology.

Ed Dunkley will attend still another State College. The varsity wrestler will go to Trenton State for industrial arts, while grappling during the winter.

Three Bellboys going to local junior college, Essex County College, will be Sal Mineo, Vito Marcogliese, and Frank Savastano.

Sal will play baseball while studying history, while Vito and Frank will study electronics and physical education respectively they will be going out for wrestling.

The final student going to continue his sports so far is Ralph Macri. The varsity basketball player will attend Edward-Williams Junior College in Hackensack and while playing on the cage squad there will major in accounting.

The polling will continue as long as students keep making their decisions known in an effort to keep our readers up to date on the future of the students they have read about the past four years.

Title Near

Bears Holding Lead In Peanut League

In the Peanut National League the Bears cling to a tenuous lead followed closely by the Aces, the Dodgers and the Indians. The Bears went through the first round of play unscathed but, second round, they have dropped one-to-the Aces and were tied by the Tigers.

Meanwhile the Aces, after losing two in the first round at the hands of the Bears and the Indians, have been rolling undefeated in the second round, in fact for seven straight games. With four more games to be played in

this schedule the leadership remains very much up for grabs. Standings are calculated on a point basis with 2 points for a win and one point for a tie. The League lines up as follows Bears 17, Aces 16, Dodgers 14, Indians 12, Tigers 9, Cubs 8, Bombers 4 and Clippers 0.

With five games remaining on their schedule the American Division of the Recreation Peanut League is led jointly by the Braves and the White Sox each with 16

News

Belleville Disappointing

Legion Hopes To Halt Slide Against Nutley Squad Tonight

By John McCarthy

It's not the potential power of a team that's truly important, because it's the proven power that wins ballgames, and that's just what Belleville will be looking for tonight as Post 105 faces Nutley Post 90 at the Municipal Stadium at 6 p.m.

At the beginning of the

season, it looked like Belleville might have had the American Legion Essex County title within reach and just about to be tucked away. The team knew they'd get strong competition from Vailsburg and Maplewood, but these victories needed only a little extra effort.

Belleville didn't have the extra push needed for these

two games and both were lost on shutouts, 1-0 to Vailsburg and 5-0 to Maplewood (also a no-hitter).

Belleville did top Irvington in the season opener 6-3, and faced the Camper squad again last night at 6 p.m. at Cranford Field in Irvington. A win for the second contest could give Belleville a needed boost to topple Nutley easily, but a

loss, well, that's another story.

Nutley has had the same basic problem as Belleville in the offensive department, but isn't in as good shape defensively. Nutley Post 90 has an 0-2 record with losses to Irvington and Vailsburg. The Vailsburg game was a 10-0 shutout against Nutley, while the Newarkers edged Belleville 1-0.

Irvington was a 12-0 loss for the Nutley Post, which is why Belleville could capitalize on a win last night.

After Nutley tonight, Belleville visits another power of the Essex County American Legion League as they travel to Memorial Field in Livingston, for the only contest between these two teams.

The big surprise of the past week is hoped to be remedied sometime soon. John Goscinski's five earned runs in one inning last week sure aren't a tribute to his capabilities, and the former BHS star was counted on to be one of the stalwarts of the pitching squad.

While the hitting was off in

both games, Danny Dunn did a remarkable job against Vailsburg with a two-hitter. Dunn's opponents' scoring was also on an earned run, but after the lead-off man was given a walk to first, came around on a long single, and scored on a sacrifice, Dunn settled down to allowing only one more hit, but lost.

Most of the Belleville batters have been hitting the ball solidly, but not too well. The shots that are often hit the hardest seem to be directed right at the fielders. A lot of times recently Belleville has had many long outs, which if not hit straight to the fielders would have been good for extra bases.

Early Scores Prove Decisive

Runs scored in the first inning proved to be the decisive tallies of the games against Belleville Post 105's American Legion Baseball team this past week.

Both of Belleville's contests proved disappointing as opponents got on the score board in the bottom of the first inning with the only runs of the games. Vailsburg topped Belleville with a one run first inning 1-0, and Maplewood used their five run first inning to win 5-0 behind a no-hitter by Bill Squires.

Belleville got more hits than Vailsburg in the game at Seton Hall Field, but with Squires' breaking pitches stopping all Bellboy bats, Belleville couldn't even claim this consolation.

There were only six baserunners for Belleville at Maplewood's Memorial Field. Four of these got on by walks, two of which went to catcher Gary Falkman and the other bases came on an error and a fielders choice.

Maplewood needed only three hits for their five runs as John Goscinski gave away three free passes to first base with base on balls.

A double scored the first run after a single and a walk, with two more passes and a fielders choice loading the bases before a single scored the last three runs.

Goscinski was relieved in the second inning by Alan Frank, who pitched the final five innings of shut-out ball and allowed only three hits. Frank let up only one base-on-balls and struck out four Maplewood batters.

For Vailsburg it was the first three batters who ruined the game for Belleville. Their lead-off man Mike Tortorello was walked by Danny Dunn, one of only three by the Essex Catholic lefty, the number two man Bill Cardone, followed with a long single.

Tortorello went to third on the single and on the throw to hold him there Cardone moved to second. Tortorello scored as the third batter, Joe Martucci sacrificed to Joe Papisidero at short-stop.

Paps wasn't going to throw to first, as he checked the runner on third. But with Tortorello holding tight Paps completed the play to Ray Campbell on first. Campbell's throw to Falkman at the plate was late and Tortorello

(Continued on Page 14)

Whether or not Belleville Post 105's Legion team can live up to pre-season expectations will largely depend on the bats of these three sluggers, (l-r) John Goscinski, Joe Papisidero and Frank Petite. Both Goscinski and Petite are also being looked to for help on the mound.

Amvets Keep Rolling On

Surprising Riefolo Nine Capture To Share In American League

Riefolo's which won only a single game during the first half of the season, jumped off with two straight wins last week to share the top American League spot with the Elks, who are also 2-0.

The biggest upset for Riefolo's was a victory over the Colony Club, which had captured the first half lead. The Rotary Club is also unbeaten at 1-0, followed in fourth place by Colony at 2-1.

In the National League, the Amvets continued their unbeaten streak by capturing both their starts in the second half. The front-runners beat the P.B.A. and nipped the third place Lions Club, 3-2 in extra innings. In both games, Amvets Manager Michael V. Marotti drove up from an Amvets convention in Atlantic City to guide the squad.

The League standing look like this:

| American League | | |
|-------------------|---|---|
| Riefolo | W | L |
| Rotary Club | 2 | 0 |
| Colony Club | 2 | 0 |
| Biancardi | 1 | 1 |
| Wallace & Tiernan | 2 | 1 |
| Landolfi | 0 | 2 |
| Varsity Club | 0 | 2 |

| NATIONAL LEAGUE | | |
|---------------------|---|---|
| Amvets | W | L |
| Jolly Cleaners | 2 | 0 |
| Lions Club | 2 | 1 |
| Milt's Photo | 1 | 1 |
| Kiwanis Club | 1 | 1 |
| Knights of Columbus | 1 | 1 |
| P.B.A. | 0 | 2 |
| F.M.B.A. | 0 | 2 |

Great defensive play by booth teams, and particularly that of Carl Arlt for the Amvets, kept the game close.

Riefolo Upsets

Riefolo scored five runs in the fourth inning to upset highly regarded Colony Club, first half winners, 6-5. Riefolo got only three hits in the game, but walks cost the Colony Club the tilt. Rick Loma was top hitter for the winners, while Anthony Speers had two hits for Biancardi.

A Squeaker

Two errors by Wallace & Tiernan enabled Biancardi to score two runs in the last inning to defeat W & T 7-6. Mike Limongello pitched a four-hitter for the winners, while Anthony Speers had two hits for Biancardi.

Kiwanis First

The Kiwanis Club captured its first win of the year by downing Milt's Photo, 3-0 to start the second half of the National League season. Both Don Tsoskinkas for the Kiwanis and John Meyers for Milt's Photo pitched three-hitters.

Colony Nips

Rick Loma of the Colony Club won a tight pitcher's duel with High Mallack of Wallace & Tiernan as the Colony squad won 1-0. Mallack hurled a one-hitter and struck out nine batters. His wildness in the first inning, when he gave up three walks and a fielders choice, cost him a run and the ballgame. Loma allowed two hits and walked 12 batters. Loma walked only one batter.

Fazzini Stars

Jerry Fazzini gave up a single to lead off hitter Jim Grogan but from there pitched no-hit to pace the league leading Riefolo squad to a 7-2 victory over Landolfi. Joe Santangella allowed only four hits for Landolfi but was wild in the first inning when Riefolo scored five big runs.

Clarizo Overpowers

John Clarizo used his golden arm to lead the Lions Club to a 13-2 romp over the P.B.A. Clarizo allowed only three hits—all to P.B.A. slugger Mark Venero—and struck out ten batters. Clarizo received good hitting support from Ed Reynolds with three hits and Frank Scarpelli and Steve Simpson with two hits apiece.

Amvets Pulverize

The Amvets defeated the

P.B.A. 10-3 behind the hitting of Frank Mozeicka who went 3-3 at the plate. Phil Linfante led the hitting for the losers with two safeties, the right arm man for Carl Kollmar, Executive Secretary of the Essex County Association.

It was a very gala affair and the very first time that the President of the Women's Association and her husband were invited. (Everyone knows or should that gal is this writer and husband Erich) It was voiced by many of those present that this would be the beginning of a stronger working togetherness in Essex County of both the Associations. This might and might not be accomplished but certainly this was a step in the right direction.

Used-car, salesman to customer: It's hardly been used. It was owned by a little old lady who couldn't bear to pollute the environment."

MAX BECK

Many people hold on to their black and white TV sets as long as they keep on functioning. When they give trouble they replace the set with a color TV.

In the course of the transaction usually the question comes up about the antenna.

All that is necessary is a strong, ghost-free signal to receive a good color picture. For this reason we do not recommend, as a rule, the so-called "rabbit ear" antenna for color TV. The signal strength usually is not sufficient to give the best picture. In addition one has to make too many adjustments every time the antenna is being orientated for the best receiving position.

Coming back to the antenna on a black and white set we suggest to replace it. Usually such an antenna has been up for many years. The wire has small cracks, not to talk about the general condition of the antenna, corrosion, loose bolts and nuts etc. Of course, if everything is still in good condition and the antenna delivers a strong and ghost-free signal, it could be used for a color set. This is seldom the case. In a way it does not make sense to spend \$500. or more and then try to save on the antenna, which is just as important as the set. Great improvements have been made in antenna design the last few years. One may as well take advantage of this and spend the money for a new one.

We service what we sell.

Hot Olgas Rallies To Tie For Lead

A hard fighting Olgas team moved themselves into a share of the lead of the Recreation Monday Softball League when they defeated the first place Jolly Cleaners last week. Both teams now sport 7-1 records at the midpoint of the schedule. They will face each other once more in the third round. Meanwhile the Frenchys team stand at 5-3 after having lost to the Kings Court who are now 4-4. Ajax Motors gave Walter Kilde their first win to put these two teams at 1-7. Rosellis 5-3 and Frankies 3-5 each picked up a win in the Tuesday league over Westinghouse and the Hilltoppers respectively to hold their third and fourth places. The Zig-Zag versus Chip Inn game was postponed so these two leaders remain Zig-Zag 7-0 and Chip Inn 6-1. Landolfis and DeBaccos both won in the Wednesday League to maintain a virtual tie, Landolfis at 6-2 and DeBaccos at 5-2 with one game to make up with the last place Salvatores. Garden State and Club Hillcrest are knotted in the third slot, each

Lottery Ticket To Have New Look On July 1

There'll be a new look to your State Lottery tickets beginning with the issue which goes on sale June 14 for the 26th weekly drawing scheduled for Thursday, July 1.

Instead of the Lottery Number the Drawing Date and Serial Number being printed in three lines along the left side, they'll be printed on one ticket from left to right in a more readable format. The Lottery series identification also will be changed from a numeral to a letter of the alphabet.

at 5-3. Giordanos are in fifth with 2-6. Jolly Cleaners were toppled from their undefeated position by the Magnificent Men. Here again is a virtual tie with the Jollys standing 7-1 with the Magnificent Men boast 6-1. Each has been defeated by the other and will meet once more in the schedule. The Magnificent Men have a first-round game with the third place (5-2) Recs yet to be played and they have one win over the Recs in the second round. In fourth place in the Shamrock team at 2-5, fifth is held by Gallagher's 2-6 and the Hudsons still seek their first victory.

Scenic New Jersey Is Topic of State Bulletin

"Enjoy N.J." a colorful new booklet describing the many vacation areas and interesting locales of the Garden State has just been released, Ronald M. Heymann, Commissioner of the N.J. Department of Labor and Industry, announced today.

Designed primarily as a vacation guide, the 27-page publication, containing 80 color photographs, has information on beach resorts, horse racing, New Jersey state parks and forests, summer theatres, skiing areas and boating regions.

The booklet also covers the Garden State Arts Center, historic sights and tours to the different regions of New Jersey. A resort information section is included.

Essex County College Seeks Center Director

Essex County College has formed a Day Care Personnel Search Committee to staff the institution's day care center, which will begin operation in the Fall.

According to Mrs. Jacqueline Newby, co-chairman, the committee's first priority is to fill the center's top position, Teacher-Director. The director will then assist in hiring the rest of the staff. Minimum qualifications for the position include New Jersey certification in early childhood or elementary education and two years teaching experience in an approved day care center. Interested persons should send resumes to Mr. Arthur Howard at the college personnel office.

Psychiatrist, correcting patient on couch: "Nobody who can afford my fees can be a total failure."

six stranded on the basepaths, and Dunn stranded with a two-hit loss.

Picking up the three singles for Belleville were Falkman, Goscinski, and Frank Pettie.

Dunn struck out five and walked only three Vailsburg batters.

We'd rather fight and switch.

New \$6 million equipment at Mercer Generating Station removes 99% of fly-ash from stack gases

A Better Environment Is Our Business Too

Technician monitors emissions via closed circuit TV.

New pollution control efforts result in cleaner stack and cleaner skies.

We're fighting pollution by switching nearly all of our coal-burning generating stations to cleaner burning natural gas or low sulfur oil. And we're adding \$6 million worth of smoke control equipment to our one remaining coal-burning station — equipment that will remove 99% of the fly-ash from stack gases. Emissions from all our generating stations are continuously monitored with special equipment. All this means cleaner skies for New Jersey. Expensive, yes. We've spent \$55 million in just the last four years on environmental control. But think it's worth the price. After all, we live here too. At Public Service a better environment is our business too.

Montclair Indians Set First Meet With Army

A schedule calling for seven dual and four triangular meets has been announced for Montclair State College's 1971 varsity cross-country team.

Montclair State's triangular meets will take place against the United States Coast Guard Academy and Albany State on September 25th; Fairleigh Dickinson and Rider College on September 28th; Monmouth and Kings College (Pa.) and Jersey City State and City College of New York on October 23.

The 1971 season will be

Montclair State's 28th on the intercollegiate level in cross-country.

The schedule: September 23-At United States Military Academy; 25-Montclair State and Albany State at United States Coast Guard Academy; 28-Fairleigh Dickinson and Rider College at Montclair State;

October 2 at Glassboro State; 19 - Monmouth and Kings (Pa.) at Montclair State; 23-Montclair State and City College of New York at Jersey State; 26-Bloomfield; 28-At Drew.

Annual Field Day For Radio Group

The Nutley Amateur Radio Society will participate in the annual Field Day Exercise sponsored by the American Radio Relay League, at the Mills Reservation County Park, Cedar Grove, for a 24 hour period on June 26 and 27.

Emergency equipment, including radio transmitters, receivers, antennas, tents and lighting will be set up at the site, in an attempt to contact as many other stations as possible, across the entire nation, in this simulated emergency situation. Three stations will be used, all powered by a gasoline driven motor generator.

Field Day is a test of endurance and skill in which

hundreds of radio clubs and thousands of licensed amateur radio operators participate each year.

Coordination of activities will be handled by Jack Toussaint, president of the group. Chairmen of the station positions include Tom Altoth, 80 and 20 meter station; Tom Wall, 40 and 15 meter position with both sharing 10 meters; Ken Molkenhuth Sr. and Noel Schaffen, 2 and 6 meters; and Sam Andriano the Novice Station. Ken Molkenhuth will be responsible for the generator. Other members will operate the stations continuously for the allotted time under the call letters of W2GLQ.

Locally, the Nutley Amateur Radio Society is affiliated with the American Red Cross and Civil Defense Unit, participating in various drills and emergency situations. Classes are conducted periodically for those interested in obtaining an amateur radio license.

Graduate English Program Offered By Rutgers Un.

A new graduate program in English, designed primarily for students desiring late afternoon and early evening classes, will be offered beginning this fall at Rutgers University in Newark. The special afternoon-evening program, leading to the advanced degree of Master of Arts in English, will be the first of its kind given by a major university in the state.

According to the program director, Dr. John G. Demaray, associate professor of English, all graduate classes in the program will be scheduled on weekdays between the hours of 4:30 and 7 p.m. on the Newark campus. Comprehensive examinations, he said, will be given on Saturdays.

Bears-Holding Lead In Peanut League

(Continued from Page 13)

points but they are pressed hard by the Giants.

The two leaders have each lost once, the Braves having lost to the Sox and the Sox

having lost to the Giants. The Giants have lost to the Braves and the Mets. Point standings in this division are Braves 16, White Sox 16, Giants 14, Cards 8, Yankees 7, Mets 5, Pirates 4 and Astros 2.

Harry Canyon Pitches Cardinals To 7-5 Win

By Toby D'Ambola

Behind the hard pitching of Harry Canyon, with relief work from Joe Leone, the Farm League Cards posted their sixth victory against one defeat.

They scored early on a 2-run double in the first by John Knierim scoring Joe Leone and Harry Canyon. The Indians took the lead with three runs in the top of the third but lost the lead when the Cardinals scored two runs in the bottom of the same inning.

The Cardinals came up with their last three runs in

the bottom of the fourth when Steve Sylvestro, Bill Cook, and Sam Siano all walked to load the bases and scored on hits by Joe Leone and Jim Santangelo.

The game ended on a sizzling note when the Indians loaded the bases with two outs. Then a hard line drive was caught by shortstop Jim Santangelo to end the game.

Asked how his children were, a Los Angeles father replied, "I don't really know. I am in touch with them only enough to keep me upset."

Frosh Girls Topped By Clifton Girls Nine

Nutley's freshman girls softball team defeated their first out of town opponents as the intramural squad topped the Clifton sophomores 10-4.

The top hitter for Nutley was Bottage with three hits in five at bats.

The number two hitter was Haines, going 2-4 with a pair of singles and scoring on one of them.

Two girls were 2-5 and both scored in the first inning as Nutley opened up with three runs. Hill opened the inning with a single, Bottage followed likewise, and both came home on a double by Downing. Downing later scored on a

single by Brancacca.

Three more runs were scored in the second inning and Nutley was up 6-0 before Clifton got on the scoreboard. Clifton scored two in the bottom of the second, and Nutley scored three more in the top of the third. Both teams finished their scoring in the sixth inning when Clifton added two more and Nutley one more.

Budgeting for all of your ordinary living expenses is something you do every day whether you bother to write it out on paper or whether you keep strict account of your pennies in your head. This budgeting includes the expenses that come up every month or every week, and the well-managed household takes care of its obligations promptly. One kind of budgeting most people forget, however, is the setting aside of a certain sum for illness. Every family has its bouts of ill health. Wouldn't it be better to be prepared?

We're always prepared to help you at the complete prescription department of **ROSSMORE PHARMACY**, 338 Washington Ave., 759-1968, 759-1956. Hours: 9 AM - 10 PM Daily, 9 AM-9PM Sundays. Greeting Cards, Cosmetics, Toiletries, Timex Watches, Transistor Radios and other gifts for graduation.

HELPFUL HINT: Sixty-eight per cent of the people in the United States incur medical bills of less than \$100 a year.

RICHARD Filipek of 59 Smith Street won second place in the Soap Box Derby held in Newark on June 13. His car, Number 27, was sponsored by the Belleville Tool Corp. in Montclair, of which his father Ted Filipek and Nick Cancelliere are partners. It was Richard's second try in the derby, which fielded 51 competing cars. Richard received a small trophy for winning the first heat and a large trophy and a \$200. bond. He is a ninth grader at Belleville Junior High School.

Monmouth Park Set For 60-Day Meeting

Monmouth Park's special events program including the "Breakfast at Monmouth," "Dawn Patrol" and "Post and Paddock Club," were renewed this year for the 60-day meeting.

Breakfast at Monmouth, to be held each Wednesday and Saturday, is an informal two-hour introduction to Monmouth Park and to racing in general, highlighted by interviews with trainers, jockeys and other prominent racing personalities. The program is especially designed for families and is held in the Terrace Patio Dining Room at Trackside where an inexpensive breakfast is served, as the horses go through their morning drills and exercise.

Admission and parking are free, and no reservations are necessary at the Breakfast which gets under way at 7:30 a.m. and is usually over by 9:30.

This year's program will be held only on Saturdays until Wednesday, yesterday, when the regular Wednesday-Saturday schedule will begin for the balance of the meeting.

The Breakfast at Monmouth program initiated in 1969, will be hosted by Monmouth Park's public relations director, Ray Haight. Haight was the public address announcer at Pimlico, Laurel and Bowie race tracks in Maryland prior to his appointment on a full-time basis.

Bears Having Tougher Time In Second Half

In the National division of the Recreation Peanut Leagues the Bears continue to cling to their one point lead as they go into the last week on the schedule. It is the Aces who are breathing on the Bear's necks as these closing games unroll.

Each has beaten the other once and the one point difference in standings in the League are as follows: Bears 21, Aces 20, Dodgers 16, Indians 14, Cubs 10, Tigers 9, Bombers 4, Clippers 2.

American League action finds the White Sox on top in points with a big twenty as they took the Cards and the Pirates last week. Meanwhile

the Braves are in a tight second place with 18 points and one game with the Giants to be caught up. The Braves one loss came at the hands of the White Sox and they meet again the last game of the season.

The Sox have suffered one loss also, this by the third place Giants. Line-up of the teams in the American Division with three games to go is: White Sox 20, Braves 18, Giants 16, Cards 10, Yankees 9, Mets 7, Pirates 6 and Astros 2.

Regardless of how these teams end up a lot of boys have learned a lot of baseball and had a lot of fun.

SHOP-RITE PUTS A STOP
TO FLAVOR-LOSS!

You'll find an Alert Date stamped on Shop-Rite Brand Yogurt, Cottage Cheese, Sour Cream and other Shop-Rite perishable products. It's one of the ways Shop-Rite protects your food from loss of flavor, freshness and nutrition. It tells us the product is not to be sold after that date. It tells you there's still time for normal home consumption. (If the package is still in your refrigerator on the date stamped, don't panic. There's still time to use it up safely.) Shop-Rite guards every product in shipping, handling and in the store to keep the food you serve as fresh and wholesome as the day it was packaged. Why pay more? ... Or settle for less.

Four Code Violations Charged By Residents Against Mike Marotti

(Continued from Page 1)

demands undivided attention by an officer to the matters of his beat.

There seems considerable doubt whether or not Chief Smith actually has the power to call a hearing, but he confusion seems of little concern to Golden or LaMorte o apparently are filing the complaint only to show the courts they've taken formal steps to exhaust all local channels in the controversy.

Neither Golden nor LaMorte could cite what statute or department regulation gives Smith the

power to call such a hearing. Pressed to pin down Smith's source of authority, Golden finally remarked: "If Smith doesn't feel he has the authority to call a hearing let him refer it to the director."

Both Golden and LaMorte say they don't expect any satisfaction on the local level and indicated they had filed the letter only on advise of their attorney, John Montefusco. Montefusco who lives in Belleville, has a private practice in Irvington in addition to serving as attorney to the Belleville Zoning Board of Adjustment. Golden said that even should the matter be referred to Public Safety Director Robert Laterza, "nothing is going to be done about it."

"Laterza has been ignoring the situation and so has Town Attorney John Scott," he is pleading ignorance of the matter so why hope for

anything from him?"

Golden said he was not satisfied with Scott's ruling two weeks ago which was read at a town meeting and declared Marotti could remain in the two positions. "Scott's so-called ruling was just a worthless scrap of paper. He never signed it, nor was it addressed to anybody," Golden said.

Golden also said he was not interested in a decision pending in the state Attorney General's office which has been asked to rule on a similar matter in Union City where a Public Works director is also a police officer in that town.

The Times called Deputy Attorney General David Litwin, who is assigned to the Union City case, to find out when his ruling was expected. Litwin said he is "about to register the advise on it" to the Civil Service Commission. He declined to comment on his decision except to say that it was not binding but was merely in the nature of legal advice to the Civil Service Commission.

Marotti, who has been a police officer for 16 years, topped the Commission ballot last May. He had been expected to take a leave of absence if he won, and surprised most people when he elected to stay on the job. He said he so on the advise of his attorneys and with the consent of Laterza and Mayor Joseph McGreevy, both of whom said Marotti could serve pending the outcome of the Attorney General's ruling on the Union City controversy.

At Graduation Students Consider Ecological Needs

(Continued from Page 1)

participate" in her speech and follow her words toward her conclusion that only when individuals unite for their collective betterment will anything be accomplished.

Karen said Man's key tool to meet the challenge is freedom. "Freedom—that alone is the savior which shall lift us from the dredges of extinction and oblivion. If one is free the think, then one is free to change as well," she said.

Honor student Janice Di Quattro called upon her classmates to "think, plan design and construct" in order to change Man's environmental situation. She stressed five areas where Man has the tools to achieve new ecological goals—scientific, economic, political, technical and educational.

"The scientific task," she said, "is to measure, understand, and predict environmental changes."

"Economists," she continued, "can provide essential information for decisions about environmental actions when they are able to determine the losses from environmental deterioration

in dollars and cents.

"Furthermore, they can be of assistance in estimating the monetary value of things people want but are willing to forgo in order to maintain and improve environmental quality."

"Politically," she said, "the national government can implement plans by using subsidies, tax incentives, condemnation and publicity. Technology is one of the primary tools because often a solution can be obtained by a technological innovation

which will remove or ameliorate the problem."

Janice found it ironic that since "much of our environmental deterioration has been the direct or indirect result of advances in technology" that "remedies can be found in further technical developments."

The honor student saw education as a means for providing the man many different specialists needed to tackle the ecological situation.

Anniversary Celebration Of State Gregory Club

The Gregory Club of New Jersey recently celebrated its 25th anniversary at a dinner at San Carlo Restaurant, Lyndhurst, to honor particularly the past officers, the founders and the first executive board. Also, the group honored the first moderator, Rev. Lawrence Grassman OSB, of St. Mary's Abbey who celebrated the 30th anniversary of his ordination.

Dr. Francis P. McQuade,

Essex County Counsel and a member of the club was toastmaster for the dinner-dance.

A new information clerk in a tourist bureau was having trouble with some of the details of the travel business. "I just got Daylight Saving Time figured out," she moaned, "and now someone going to Japan wants to know about the irrational date line."

Angelo's CATERERS
26 FIRST AVE. BLOOMFIELD

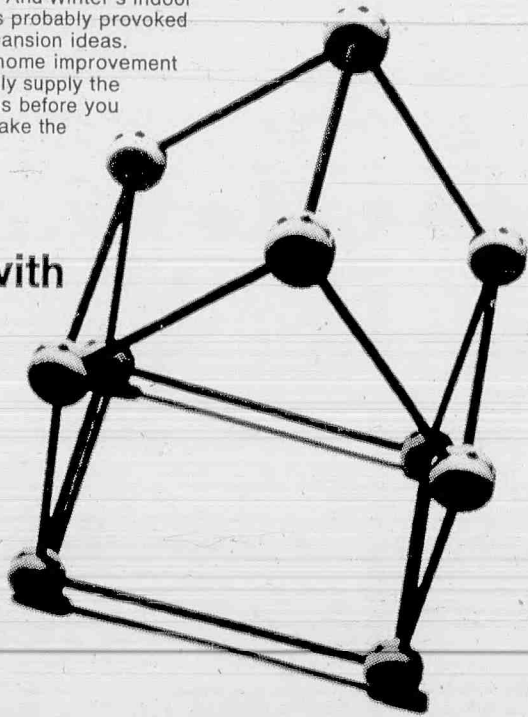

ROBERT COX has been elected president of Etanco Industries of Belleville. Cox formerly held the post of vice president and manager of the Lawncomb and Kenberry divisions.

Toying around with home improvement ideas?

Spring is the traditional time for making necessary repairs or additions to your home. Winter has probably taken its toll by loosening shingles and damaging paint. And Winter's indoor confinement has probably provoked many home expansion ideas. Whatever your home improvement plans, we'll gladly supply the financing. See us before you start. We can make the project easier.

Let us
tinker with
them

Installation Ceremony For Ladies Auxiliary

The Ladies' Auxiliary of the Veterans of Foreign Wars, Stuart E. Edgar Post No. 493 held their reception and installation at Post Headquarters, 271 Washington Avenue, Nutley. The installing officer was Helen Strothkamp and the installing conductress Gussie Frotten.

The following officers were duly installed, Ange Montebella, president; Imelda Beyer, senior vice president; Josephine Lupone, junior vice president, Agnes Blair, chaplain; Gussie Frotten, treasurer; Marueen Doll, conductress; Susan Strieb,

Larry Gabbai Now Sergeant

Larry J. Gabbai, 23, son of Mr. and Mrs. Rene Gabbi of 34 Plenge Drive, Belleville, was recently promoted to army sergeant while serving with the 23d Infantry Division near Chu Lai, Vietnam.

Sgt. Gabbai is a radio-teletype chief in Headquarters battery, 1st Battalion of the division's 82d Artillery.

The sergeant, whose wife, Mary, lives at 197 Joralemon Street, received a BA degree in 1969 from Montclair State College in Upper Montclair.

Belleville Resident Becomes Assistant To Branch Chief

Mrs. Nancy Sullivan of 105 DeWitt Avenue, Belleville, has been appointed assistant to the president of the East Orange Banking Center, Broad National Bank.

Mrs. Sullivan resides at the above address with her husband Harry Sullivan Jr., a lieutenant on the Belleville Police Force.

The East Orange Banking Center of Broad National Bank brings a new concept to the East Orange area in that the Banking Center will be autonomous, having its own president, and decisions will be made at the Banking Center rather than being funneled back to the home office.

Maryville Accepts Doug Cunningham

Douglas L. Cunningham, son of Mr. and Mrs. Joseph E. Cunningham of 70 Vreeland Avenue, Nutley, has been accepted for admission to Maryville College, Maryville, Tenn. as a transfer student from Fairleigh Dickinson University. Maryville is a coed liberal arts school with 750 students, located at the edge of the Great Smoky Mountains.

Douglas, graduate of Nutley High School, was active in football, wrestling and church youth fellowship during his high school days.

Newark Major Is Detailed Into Korea

U.S. Air Force Major Wilford C. Sodoma, son of Mr. and Mrs. Joseph Sodoma of 49 Montrose St., Newark, has arrived for duty at Osan AB, Republic of Korea.

Major Sodoma, an aircraft maintenance officer, is assigned to a unit of the Pacific Air Forces, headquarters for air operations in Southeast Asia, the Far East and Pacific area.

A 1955 graduate of Columbia High School, Maplewood, N.J., the major received his B.S. degree in 1959 from Newark College of Engineering where he was commissioned.

For Charity

Megaro-Cundari Group Finishes 'Fruitful' Year

President, Vincent J. Corrado, announced that the members of the Megaro-Cundari Welfare Association wind up another fruitful year of activity. Their last meeting will be held on Monday at the Megaro Club and will include the installation of the newly elected officers for the coming year. They are: President - Victor P. Toscano 1st Vice-President - Philip Carolla; 2nd Vice-President - Anthony Foglio Recording Secretary - Anthony Di Vincenzo Corresponding

put on a skit entitled "A Typical Meeting" and climaxed the program with a tribute to the standard bearer, Michael Megaro, with a narration written by Annette Marchegiano, entitled "This Is Your Life." The president of the Ladies Auxiliary is Terry Miele. The Megaro-Cundari Welfare Association and the Auxiliary donate their funds to various charities.

Your Weekly Horoscope

June 26 through July 2

ARIES (March 21-April 19): A whacking good week on tap for Ari. Much activity and communication with one who has been difficult to reach. Money matters are highlighted. One who ignites easily may try to slow you down as week ends. Keep bucket of water handy.

TAURUS (April 20-May 20): Offer will be made to you which will involve cold, hard cash. Listen carefully, Taurus. Libra individual could play key role. Libras are born charmers, Taurus, and don't you ever forget it. Keep your mind on money just this once, sweet.

GEMINI (May 21-June 20): Garrulous Gem, you would do well to blend in with the woodwork in week ahead and keep lips locked. One in authority has the bead on you, baby, and there's no sense in becoming a target. As week grinds to a close, tensions abate.

CANCER (June 21-July 22): Oh, dear. A rather dreary week, Moonlove. At least the first five days. Olga suggests you cut out on fourth or fifth day for fresh fields in which to scamper. On sixth day, energy builds and secret plans begin to materialize. By seventh, you will be rolling over in the clover.

LEO (July 23-August 22): Procedures take top billing during first part of week, Leo. Cut through all the fluff and get to that which is paramount to your VERY private plans. Highly secret information may become available to you by fourth day. Keep news under your cap. Week finishes with a flourish of fol-de-rol.

VIRGO (August 23-September 22): Puzzle appears which has no simple solution, Virg honey. May involve a Cap. Be your usual cool self. Stall for time, your greatest ally. Before last day of week, the Good Fairy will appear and leave a nice surprise for you to savor. M-m-m-m.

LIBRA (September 23-October 22): Underneath your gentle facade, Libra, lies a capacity for passion, even violence. Keep this dark side of your nature in check. Week ahead a testing period. A Gem may drive you to drink. Should this happen, have a ten spot rattled. As cab fare home, silly.

SCORPIO (October 23-November 21): Family member may cause you some consternation, Scorp. Deal with this person firmly but fairly, trying to see other side of argument. Mutual goals are at stake. As week draws to a noisy close, head for the hills, where you can unwind.

SAGITTARIUS (November 22-December 21): Gee, Sag, you have a fine week coming up, after all those recent aggravations. Interesting message will arrive before fourth day, and may concern future plans worth pondering. As week wears on, social affairs take spotlight, and last day a real zinger. Enjoy, enjoy.

CAPRICORN (December 22-January 19): Look, Cap, there is a situation which you must face up to. It may concern family member of another generation. It is true that not all problems can be solved by confrontation, but nothing will be solved unless it is viewed honestly and squarely. When you have done that, act.

AQUARIUS (January 20-February 18): The powers-that-be may try to walk all over you, Aquari, though anyone with even a smidgen of insight knows that while rugs are for walking on, Aquari is not. Defend what you believe in, and opponent will back off. Good luck, love.

PISCES (February 19-March 20): Say goodbye to the blues, Pisces, for you will bask in the warm glow of one whom you hold dear. A Taurus gives you needed courage - and that may not be all. Have a great week, Pisces my pet. You deserve it.

Spraying All Trees In Nutley

By Peter Child
Nutley Forester

The Shade Tree Commission is presently spraying all the street trees in town for control of insect pests, primarily of Oaks and Norway Maples, and later the Sycamores.

Relatively new and a nuisance in town is the tiny, yellow worm, the Oak-Leaf Skelatonizer which invaded this area last year. This insect was the cause for several calls from homeowners who found the larvae hanging on silken threads, such as the cankerworms do, and thousands of tiny, white cocoons on everything from hydrants to homes and swimming pools. It has two generations or broods per year and its damage is not unlike that of the Japanese Beetle, a skeletonized appearance.

Also new in the area is the Sycamore Tussock Moth, which was reported last year. This caterpillar is another leaf-eater which causes a lace work-like appearance on Sycamore leaves.

These trees will be sprayed later in July. The two most common insects on Norway Maple are the Norway Maple Aphid and the leaf hopper. The hot muggy weather of late favors their development.

These are not serious pests but very much in evidence. One other common insect on Norway Maples is the leaf-roller. This insect rolls up the leaf like a cigar and feeds from within, making it very difficult to control, however, it does no appreciable damage and does not warrant any specific control.

All chemicals being applied by the department are in accordance with the recommendations of Rutgers College of Agriculture.

Grand Jury Gets Another 'Fence' Case

Alan Freedman, 30, of 27 Northgate Lane, Willingboro has waived preliminary hearing for the action of the Grand Jury at Nutley Municipal Court on charges of receiving and sale of stolen goods stemming from the recent police raid on the alleged "fence ring" operating at Kessler's Drug Store, 184 High Street.

One of six defendants arrested as a result of the raid, Freedman was represented at the hearing by Jersey City attorney Sal Bobino.

Freedman was arrested the evening of March 30 at the Nutley pharmacy after Nutley detectives assisted by state Department of Health officers, raided the business and seized over \$60,000 worth of what is believed to be stolen merchandise.

Jaycees Extend Talent Deadline For Arts Center

July 1 is the new deadline for entering the 1971 Talent Expo, the competition for teen-age amateur performers co-sponsored by the Garden State Arts Center and the New Jersey Jaycees.

More than 400 New Jersey residents between the ages of 14 and 18 have already filed applications to perform in this fourth annual competition leading to finals at the Arts Center in September.

County and regional tryouts will be arranged by the Jaycees in July and August to determine semi-finalists for a September performance at the Arts Center, with the selected top talent there going on to the final show a week or so later.

JOSEPH EPOLITO (seated top right) supervises the construction of sets to be used in the Gannon College Summer Theater at Erie, Pa. Under Epolito's direction, the Gannon Theater will produce four plays this summer: "Rosemarie," "Curse You, Jack Dalton," "Who's Afraid of Virginia Woolf," and "Hello Dolly." He is the son of Mrs.

Grace Epolito of 46 Humbert Street, Nutley and a graduate of NHS. Epolito earned a BA at Catholic University and a MA at City University of New York. He is professor of dramatics at the college which has a new speech and drama department boasting two theaters and a year-round program of interest to aspiring actors.

Thanks to Belleville

Town of Nutley Has More Gospel Music Than Anyone

Nutley holds more Gospel Concerts than any other town in New Jersey. This is a proven fact given by Sam Zacone of 14 Sycamore Dr. Belleville who has been in Gospel Music for 10 years.

He also said that in the past three years more than 15,000 people came to hear Gospel Music in Nutley. Most people get the wrong impression

when they hear the word "Gospel". They say it must be very boring. They soon find out that is different when they attend one.

The Concert that was held Monday night at the Nutley High School was so tremendous that the more than 800 people who attended were cheering for more when it was over.

The guests were the Couriers of Harrisburg, Pa. The Couriers sing frequently in concert with the Heavenly Echoes who sponsor these concerts under the direction of Sam Zacone who is the manager of the group.

Zacone said that if our young people would get out and hear this music they would be changed spiritually and see that there is more to life than just hard rock music. Gospel Music is definitely on the up swing. Many songs are being played on the radio and are being sung by non-gospel singers. Zacone says that there is one song "My Sweet Lord" which is mistaken for a Gospel song or Hymn. If you listen close to the word in the background you will hear the word Krishna which is referring to a Buddhist god and not the God that Christians worship.

Along with the Heavenly Echoes and Couriers there were also two other groups, The Messengers and The Persuaders. Tom Paul Tarantino of Nutley Junior High School also sang a solo.

Red Oak Restaurant Opens at Holiday Inn

There's something new nearby at the Holiday Inn adjacent to Newark Airport.

The Red Oak Restaurant, an interstate united chain, opened at the Holiday Inn this week with a dining room that seats 235 persons in comfort.

"This is the finest restaurant I have ever opened," Sol Fleer, vice president of the Interstate United chain remarked this week.

"In addition to having the best food available anywhere in the greater metropolitan area, it's easy to arrive at by both public and private transportation and the food is served in a luxurious atmosphere worthy of the fine cuisine."

The dining room is decorated in warm earth tones creating an atmosphere of quiet and unostentatious luxury. This elegant decor is carried over into the Red Oak's intimate cocktail lounge where live entertainment and dancing is featured six nights a week. There's also a bright and sunny coffee shop for early breakfasts and light snacks.

The Red Oak at the Holiday Inn has free parking for 500 vehicles and 24-hour free limousine service to and from the airport.

GOP Will Spend Monday at Races

Essex Republicans will revive a long time county tradition next Monday with the celebration of Governor's Day '71 at Monmouth Park Race Track and Old Orchard Country Club.

Featured in the all day outing will be golf, a day at the races, a buffet luncheon and a "sumptuous" banquet. Well known political satirist Jimmy Joyce will highlight the after dinner entertainment. Lunch and dinner will be served in a giant tent adjoining the track.

Testimonial Tomorrow For Rev. L. Roberts

The Rev. Lawrence Roberts, pastor of Nutley's First Baptist Church, will be honored at a banquet tomorrow marking his 12th anniversary as a pastor.

Tomorrow's dinner is scheduled at the Scotts Manor, 180 Main Street, Orange. Mrs. Dolores Best, church secretary, is handling reservations.

Rev. Roberts came to pastor the Nutley Baptist Church on Harrison Street 12 years ago. A talented minister, organist, singer and recording artist, he organized the Angelic Choir which performs regularly on all media and makes frequent coast-to-coast appearances.

Rev. Roberts and his wife, Dolores, have three children, Derrick, Vanessa and Renee.

Rev. Lawrence Roberts
12 Years in Nutley
