

Awarded For Painting

PRIZE-WINNING ARTIST is Mrs. Ellsworth Jockel of Belleville who recently captured Best in Show Ribbon at New Jersey State Fair in Trenton. It's the second year she has won first place in contest.

Wins Blue Ribbon

Mrs. Ellsworth Jockel takes her painting serious. The Belleville grandmother for the second straight year has captured first prize in the New Jersey State Fair in the Domestic Arts Division. She was awarded a Best in Show Ribbon for her portrayal of the "Death of Woodgate Station" in oils.

Always interested in art, especially painting, since her childhood, Mrs. Jockel's talent bloomed when she decided to attend Belleville Adult School several years ago. She enrolled in an art course there and after four years became known as one of the best artists in town. She resides at 19 Riverdale Avenue.

"Friends, relatives and neighbors persuaded me to try painting," she said. "My first painting ended up in the city dumps. I was,

(Continued on Page 16)

If Zoners Approve 216 Apartments Coming To Town

A 432-unit garden apartment complex on the Belleville-Nutley line is slated for the near future, disclosed Mayor Joseph McGreevy earlier this week. The "mini-community" will be built on River Road on the tract of land previously owned by the Somerburne Paint Co.

Standing in the way of the complex is the Belleville Board of Adjustment, yet to grant a variance for a building permit. But obtaining a variance seems to be the minor for developer Frank Leo of Nutley. According to reliable sources, Leo is more concerned about outdated sewer line on the Belleville-Nutley border that will serve the complex.

Commissioners of Belleville and Nutley called

a special meeting last Thursday to discuss the complex and the problems it could bring. Mayor McGreevy reports that both Boards would like to see the building of the complex

carry the bulk of the load in furnishing a new sewer system for the apartments. Leo is expected to see little or no opposition in his bid for a variance.

State Requested On Sewer Break

An on the spot check by the state of the caved-in trunk sewer line on the Wallace and Tiernan property here has been requested by Commissioner Mary V. Senatore, Commissioner of Public Works. The damaged sewer has been creating flood conditions for residents in the Mill Street-Main Street area.

According to Mrs. Senatore, she has sent a letter to John Sliwa, chief engineer in Trenton, requesting that a meeting be arranged by representatives of the State Department of Transportation, Public Works officials and a committee of residents of the area affected.

"The recent heavy rains has put the emphasis on a serious condition which has existed in the Main Street section of Belleville ever since the construction of the elevated Route 21," Mrs. Senatore stated in the letter.

The Commissioner said she is trying to get funds from the state plus aid from

Wallace and Tiernan to repair the damaged sewer line.

"I met with Wallace and Tiernan officials Friday but nothing definite was established," she said. "We came to no agreement on how to repair the line and who will pay for it."

Mill Street area residents attended the last Commission meeting and complained about the flood conditions in the area, made worse by the heavy rains last month.

Superstar Ducats Won

Two Belleville Junior High School students have won a pair of tickets to the preview performance of the Broadway production of "Jesus Christ Superstar" in RADIO WABC's 50th anniversary contest.

Mary Jane Izzo and Donna Tsouhnikas submitted a sixty-foot long by four-foot wide congratulatory message with drawings depicting many performing artists with champagne glasses raised in an anniversary salute.

The contest rules stated prizes would be awarded for birthday cards in three categories, largest, smallest, and most creative.

The girls are ninth grade students who have been displaying a natural talent toward the arts careers they are both pursuing. Donna is a music student and takes private piano lessons and Mary Jane has been producing many art pieces in her leisure time at home. One of her more imaginative works was a golden variable, an award designed for Miss Maryann Dzurisson, a member of the faculty at BJHS.

Another one of the girls joint accomplishments is an eighteen-foot ecology poster which is presently on display in the science room.

Passaic Man Killed

Our Route 21 Claims Yet Another Victim

Route 21 in Belleville has claimed another victim. A 19-year-old Passaic resident was killed Saturday afternoon on the dangerous highway here after his car flipped over, pinning him under the auto.

Drew Harris of 180 Van Buren Street, Passaic, was pronounced dead on arrival at Clara Maass Memorial Hospital. Five other teenagers in the death car were treated for bruises and allowed to leave the hospital.

Police report that passengers in the car said Harris was slowing down in the southbound lane of the highway when he lost control of the 1968 Chevrolet. According to Belleville authorities, the vehicle struck the guard rail opposite 297 Main Street on Route 21 and flipped in the air, landing about 135 feet from the point of impact. The auto landed upside down across from Holmes Street. Police said the driver's head was caught under the auto but the other passengers were able to crawl out from under the wreck.

The passengers included Don Hemmings, 15; Ken Thorne, 18; Janice Walton, 18; Natalie King, 18, and

Lester White, 16. The accident occurred 1:38 p.m. Saturday. Belleville Patrolman Alexander Freda investigated the mishap.

Mr. Harris was a Passaic High School graduate who had enrolled at Tom Brock College, West Paterson, for the January semester. He was an employee at Two Guys in Garfield and belonged to the Williams Chapel AME Zion Church.

A native of Passaic, he is survived by his father, Bruce Harris of East Orange; his mother, Mrs. Georgia Terry of Newark; paternal grandmother, Mrs. Christine Harris of Passaic, and maternal grandmother, Mrs. Bennie Washington, also of Passaic.

Funeral Services were Tuesday from the Chapel AME Zion Church with arrangements made by the Bragg Funeral Home.

For Town Health Dept.

Treasurer Authorized To Purchase Building

The Belleville Commission Monday morning held a special meeting to authorize the Town Treasurer, Francis McCoy, to pay \$140,000 for the purchase of an office building for the local Department of Public Health. Only Mrs. Mary Senatore, Director of Public Works, was absent from the meeting. She voted against the building resolution.

The building, owned by the Fisher-Stevens Corporation, until recently housed the Prudential Life

Insurance Co. The property is located at the corner of Washington Avenue and Joralemon Street and covers 11,117 square feet. The building is reportedly 17 years old.

Mayor Joseph McGreevy negotiated for the building, which, he says, was purchased \$7,000 below the assessed valuation. McGreevy said the company at first asked \$175,000 for the building.

Commissioner Senatore claims that the Town Fathers could have taken more avenues to save taxpayers money before purchasing the building. She voted against the proposal.

"I recommended a citizens survey to evaluate the situation," said Mrs. Senatore. "I'm not against the Town getting a new health building because they needed one but federal or state monies could have been received as part of a plan for a Town Hall complex."

The building will house the Belleville Health Department, now located in a 100-year-old two-story home adjacent to Town Hall.

Commissioner Vincent T. Strumolo said that he will be able to move into the new headquarters in November. He reports that all the building needs is a

new coat of paint on the interior.

The Belleville Board of Education has also expressed an interest in renting part of the building. Both boards meet last month but nothing definite was decided at that meeting. Reports are that most of the Board and school officials are in favor of moving offices into the new Board of Health building.

Resident To Sing At Arts Center

Orlando Calcagno, a Belleville resident and featured baritone with the Opera Theater of New Jersey, will sing during the special Columbus Day program of Italian-American entertainment Monday afternoon, in the Garden State Arts Center.

Calcagno will appear with other opera stars, headed by "Met" favorite Licia Albanese, during the classical portion of the program, entitled "America: Italian Style," and sponsored by New Jersey's Italian-American Community.

The program will benefit the Garden State Arts Center Fund, which finances free performances

there for school children and senior citizens.

Orlando Calcagno

Collection Of Leaves Becomes Simple Task

A more efficient collection of leaves is slated for Belleville residents this fall season, reports Commissioner Mary V. Senatore, Director of Public Works. It is the second year that plastic bags will be distributed to homes to help remove leaves.

Printed matter and visual aids will also be circulated with the plastic bags to help familiarize citizens with the proper procedure in wrapping and removing the leaves. The Commissioner reports that last year's distribution and collection program

proved highly successful and because more residents now know the program even better results are now expected.

"I hope that this continued system will help eliminate the hazards of piles of leaves in our streets," Mrs. Senatore stated.

She hopes it will put a stop to injuries incurred indirectly from the piles of leaves. The Commissioner said that children in the past have been hurt when they would bury themselves in the piles where drivers can-

not see them. The leaves also create a fire hazard, she said.

Mrs. Senatore reports that she, along with members of the Department of Public Works, will begin distributing the bags in about a week.

"I also urge citizens placing debris in front of their homes for collection to but the debris out on the proper day," she said. "Any extra pick ups cause more wear and tear on our equipment."

Bellboys Travel To Maroon Territory

Battle Saturday At Park Oval

Football fans will see "a battle of the beatens" this Saturday when the Bellboys travel to Nutley's Park Oval in the bitter rivalry developed over the years between the two clubs. Kickoff time is 1:30 p.m.

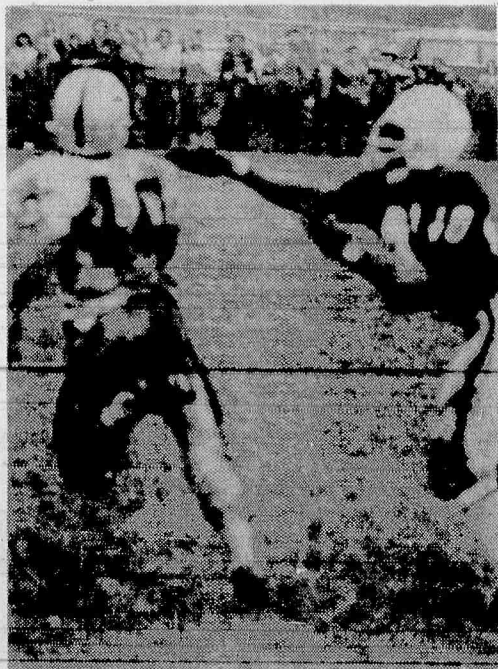

Both clubs will be looking for their first win of the season after two losses. The game figures to be a close contest where only one mistake can dictate the outcome. Nutley and Belleville have small but physical clubs this year and neither coaching staff expects much trouble in getting players "high" for the game.

Belleville especially will have an added incentive. Last year this time the Bellboys were knocked off rather handily by the Maroon Raiders when both clubs were ranked near the top in the state by football experts.

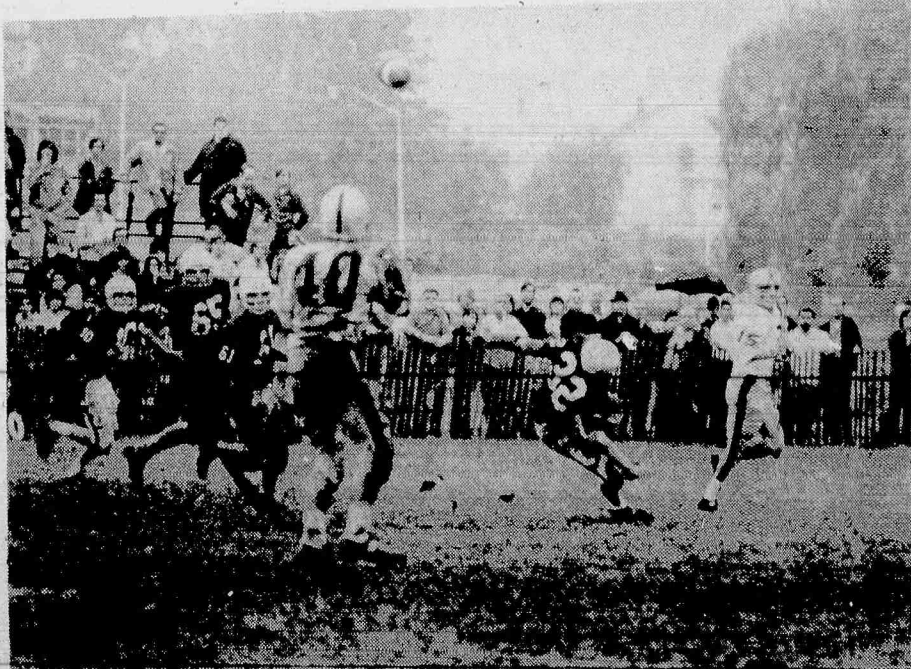

The game this year, although no top ranking hangs in the balance, still holds importance. Belleville has absorbed two disappointing losses with its latest defeat last Saturday at Municipal Stadium against a top-notch Bloomfield club. Nutley bowed to Essex Catholic and East Orange in successive weeks and would also like to salvage something from the season. The club that wins Saturday may gain momentum to post a respectable season mark. Add to that a cross-town arch-rivalry and the Park Oval should see one hellava game on its hands.

Both Nutley and Belleville were looking impressive although being beaten by opponents last Saturday. Belleville shut down the highly touted offense of Bloomfield while the Maroon Raiders topped the East Orange Panthers on the statistic sheet but lost on the

(Continued on Page 13)

OFF AND RUNNING is Bellboy receiver (40) Steve Russimini after catching screen pass good for large gain. Play led to Belleville touchdown.

LONGEST GAINER of the day Saturday at Municipal Stadium was 28-yard screen pass from Phil Bruno (15) to Steve Russimini (40). Play above set up Bellboys' only score as they bowed to Bengali, 13-8. Blue and Gold hopes to add more scoring Saturday against Nutley.

Columbus Day Program
Set At State Arts Center

Representatives of the Italian-American community from many areas of New Jersey are volunteering in the sale of tickets for the special Columbus Day program

"America: Italian Style!" at the Garden State Arts Center on Monday afternoon, October 11.

If everyone agreed with everyone else the world would stop turning.

WITH SEN. CASE - Dan Capece, GOP committeeman (left) and Frederic Remington Jr., candidate for Essex state senator (second, left), watch as Sen. Clifford P. Case greets Jerry Ferrara (right), Republican of Belleville at breakfast at The Manor, West Orange.

U.S. Senator Case Predicts GOP Victory In November

Senator Clifford P. Case yesterday predicted a Republican win in the State and county because "people are sick and tired of hustlers - people who are out for only what they can get." The State's senior senator flew in from Washington to lend his support to Frederic Remington, Essex County Senate candidate. He was

the principal speaker at a breakfast attended by about 400 persons for Remington at The Manor in West Orange.

Case praised President Nixon and emphasized that maintaining control of the State Legislature and regaining control of the Essex County Board of Freeholders was a "crucial

matter."

Case said that he was confident that the advent of the 18 year old vote would help the Republican campaign because "young people have their eyes open."

Town Needs Stenographer, Engineer Help

The State Civil Service Commission announced this week open competitive examination this month for an assistant municipal engineer and stenographer for Belleville. James A. Alloway, president of the New Jersey Department of Civil Service said the October 1971 bulletin contains 10 examination announcements for positions in the County of Essex.

Those interested in receiving the October Examination Bulletin and applications should contact the Department of Civil Service, State House, Trenton, N.J. 08625 or the nearest branch office located at 1100 Raymond Boulevard, Newark.

Local New Jersey State Employment Offices have the Examination Bulletin and applications available. The last date for filing of applications for examinations is October 31.

The October Essex County Bulletin contains eight examination announcements that have been announced one or more times in the past in previous Job Opportunities Bulletins. The announcements resulted in no qualified applicants or an insufficient number to fill the vacancies. The Belleville job openings are a result of this.

Library Report Tells Of Activity, Services

(The following is the 1970 annual report of the Belleville Library Director, Ben E. Grimm. — Ed.)

The year 1970 was an active and productive one in terms of public use of the library, improvement of the collections and development of programs and services.

At the same time, however, as library materials and services grew, the pinch of cramped and outdated physical quarters became ever more severe and imposed critical limitations on the library's operations.

Achievement of additional, functional space must remain a top priority goal for the year ahead.

COLLECTIONS

At the end of the year the library owned a total of 61,022 book volumes representing 44,477 different titles. This was a net increase of 2,894 volumes for the year (5,638 new volumes added and 2,744 volumes withdrawn), and brought us ever near our projected goal of 80,000 volumes to serve adequately the people of Belleville.

The library's periodical collection numbered 136 magazine titles and 9 newspapers currently subscribed to. Back issue holdings for five or more years are maintained for 102 magazines and two newspapers.

The record collection grew to 1,662 disc recordings during the year (288 new discs and 110 old discs withdrawn).

A small permanent collection of 16 mm sound films was initiated to complement the film services offered through participation in the Garden State Library Film Circuit. This collection numbered 11 films at the year's end.

In addition to the library's permanent collections, service was rendered through two rotating collections; the McNaughton Book Service Plan provided 442 new popular titles (best sellers, etc.) during the year, and our participation in the Garden State Library Film Circuit provided 24-28 different 16 mm films every four weeks.

In summary, the library continued its effort to develop its materials resources both in numbers and scope toward meeting the community's needs. Particularly in 1970, the reference collection was expanded. Holdings in the areas of education, psychology and philosophy, the social sciences and literature were increased. The relatively weaker section of our collection is contemporary fiction. Here the problem is simply that of space and higher priority that must be given to informational materials and classic and standard fiction.

Non-print, audio-visual materials holdings were also substantially increased during the year. These—art productions, 8 and 16 mm films, recordings, and filmstrips represent 3% of the total of items owned by the library. But their use both by the borrowing public in library and organizational programming was swinging sharply upward by the year's end. A-V holdings, possibly including microfilm, will continue to be developed in the foreseeable future.

STAFF

At one point during the year the staff was at nearly

full strength — all professional and clerical positions filled — for the first time in many years. At year's end, however, with the resignation (maternity) of the Children's Librarian in October, the staff consisted of 4 full-time professional librarians, including the director, 4 full-time non-professionals, a full time equivalency of 5.3 part-time clerical help, and 1 full time and 1 part time maintenance worker for a total of 14.7 persons in full time equivalents; there was 1 unfilled position (Children's Librarian) and 1/3 clerical position unfilled.

Another important staff factor was the New Jersey State Department of Education certification of two employees as professional librarians during the year. Mr. Harry Maglione, Adult Services Librarian, was certified as a Masters Degree librarian, and Miss Betty Johnson, now Acting Children's Librarian, was certified on the basis of undergraduate credits earned.

FACILITIES

It was noted in the 1968 annual report: "too much emphasis cannot be placed on the severe restrictions to service to the public imposed by the inadequacies of the present building. The library program, collection and staff are all adversely affected, and operational costs for providing services are correspondingly increased."

The problems of 1968 are still with us but in larger size; the shortage of space and increasing obsolescence of the present facilities become ever more critical as collections and services expand.

During the year eight sections (385 linear feet) of workroom type shelving were added to the adult stack areas — at the expense of reader and study seats — to house the growing collection. By year's end all shelves were again overfull.

Children's programs increased in popularity and attendance to the point where it was necessary either to turn children away from the library or double up (i.e. repeat) each program. Group programs for adults for the most part were held on overtime schedules, evenings or days when the library would not regularly be open, and required conversion of the

front room from circulation, reference, and browsing use to meeting space and back again.

Concurrent programs (Preschoolers/Mother's Groups) were held in what would otherwise be public use areas thus limiting service to individuals during those periods.

In 1968 major decisions were made regarding expanded facilities at the present location of the library. These decisions and goals have since been pursued. During 1970 Messrs. Valk and Keown, Architects, were hired to develop a series of integrated proposals for the remodeling and expansion of the library. In November the architects represented plans and cost estimates for remodeling the present library within its existing shell. This proposal would

increase useable floor area by approximately 3,800 square feet. In December the architects presented schematics and costs of a proposed addition which would integrate with the previously designed remodeling. The addition 7,600 square feet at an estimated cost less than that of the remodeling. The architects' plans were approved for development into a model of the overall proposed project, and it is to be hoped that the year ahead will see rapid progress toward the achievement of the reality of an improved expanded library facility.

FRANK A. ORECHIO, Publisher

JOHN J. BUNEVICH, News Editor

An Assistant Governor

Senate President Raymond H. Bateman who has served over forty days in two years as acting governor in the absence of Governor William Cahill is absolutely convinced the state needs a lieutenant governor to share the responsibilities of the gubernatorial chair.

Presently the New Jersey Constitution provides that a president of the State Senate serve as acting governor whenever the chief executive is out-of-state. Next in succession to the State Senate President is the Speaker of the Assembly. Commenting upon the need for a lieutenant governor Bateman said, "There are a number of serious

administrative assignments he would handle for the chief executive."

Bateman proposes that the people elect a governor and lieutenant governor bracketed as a team similar to the manner in which people cast their votes for president and vice president.

The idea of a lieutenant governor is not new. However, we agree with Ray Bateman that the time is long overdue when New Jersey cannot afford to get along without an assistant governor.

Frank A. Orechio

Again It's Rodino

Monday, Congressman Peter W. Rodino headed a special delegation of members of the House of Representatives that visited Genoa, Italy, to participate in ceremonies in honor of Christopher Columbus.

Rodino was the sponsor of Columbus Day legislation and was instrumental in obtaining its enactment by having the day set aside as a new national holiday. At official ceremonies Rodino read a letter from the President and one from the Speaker of the House of Representatives, both of which were presented to the President of the Regional Executive in Genoa. History tells us that Christopher Columbus was a Genoese navigator who came to the shores of the United States in

1492 and it was due to his nativity that Genoa was the appropriate place for the ceremonies held on Monday. "From the journey of Christopher Columbus to the present day, Italians have played a major role in the life of the New World," noted Rodino.

When one sits in the comfort of a 1971 chair and permits his mind to wander back to the world he could conceive existed in 1492, it would appear that it took a great deal of courage for any man to chance a crossing of the Atlantic travelling uncharted in unknown waters. The perils were great—and at the time Columbus undertook the voyage there was no indication that the event would loom so large in the history of the world.

Nixon's Chance

The success or failure of President Nixon's new economic effort — the wage and price freeze — may determine the fate of the Republican Party, and possibly that of political moderates in the United States for a decade.

From 1932 until 1968 the nation registered more and more Democrats and the drift was only shortly interrupted by war hero Dwight Eisenhower. But Eisenhower was so successfully panned by the liberal intellectual set — who had had their way, generally, for twenty years until he came along — that he was largely discredited.

The highly articulate element which smeared Eisenhower predicted catastrophe in 1968 if Nixon were elected. If Nixon, to the contrary, manages to bring order to the

economy and society in general, he will have, confounded these critics. He probably needs eight years to prove them false prophets; thus the next year is the most critical for him — both economically and politically.

The crux of the Nixon effort may lie in his recent appeal to the American working man, long led by union leaders pretty much in the bag of the Democratic Party. In efforts to appeal to the working man's common sense and patriotism, the President and Cabinet officials begin with many "hard hats" on their side. Thus they threaten to undermine the influence of the in-the-bag union leaders and this effort and the President's success or failure with the wage-price freeze are certain to have far-reaching consequences.

Seems Only Yesterday

Fraternal Organizations

By Elaine Auerbach

One Year Ago

Several fraternal organizations in Belleville were anticipating severe financial crises which would threaten their very existence in the wake of a ruling handed down by the State Attorney which denied them tax exempt status. Town Tax Assessor Peter Torre said he was preparing to tax various organizations in town for 1971 which had previously enjoyed tax-exempt status. Among the local groups declared eligible for taxation were the Elks, the Masons, the Knights of Columbus, and the Woman's Club.

"Despite all the publicity, people for the most part don't know how bad the Passaic River really is, and what it's going to take to clean it up," William Palmer of the U.S. Department of the Interior told local Rotarians. He blamed the Passaic Valley Sewerage Commission for much of the river's pollution. "This Commission still dumps 250 million gallons of raw sewage into New York Harbor every day," Palmer said. "There's no reason in the world why this condition had to exist today; it's happening only because the Passaic Valley Commission simply didn't want to make the needed improvements years ago."

The entire book collection of the School 8 library was moved to a basement faculty room as a final step in effectuating a split in that school's fourth grade from two classes to three. Superintendent of Schools Anthony Greco announced the move and listed the new class breakdown of pupils as 22,22,21. The split was made because the grade had 65 students in two classes, a number which Greco had established as grounds for a division.

Five Years Ago

West Orange Magistrate James Degnan listened patiently for almost four hours as a tape recording was played of the Belleville Town Council meeting of August 22, then overruled the objections of James R. Golden, a former town councilman, who had been arrested and was being tried on a charge of being a disorderly person. The tape was admitted into evidence despite protests by Marvin Waxman, Golden's attorney, that he doubted the legality of a tape that could be inaccurate.

At the annual meeting held at the Fountain in Belleville, Eugene Barnett, town clerk, of 33 Van Houten Place, was re-elected Chairman of the Belleville District Advisory Board of the Red Cross. Robert B. Reilly was elected vice-chairman and Mrs. Herbert Tucker, secretary. The Reverend Robert Slegel gave the Invocation at the meeting, which also witnessed the presentation of service awards.

The Nutley-Belleville area was the scene of more campaigning by candidates of the New Jersey Conservative Party. The most recent group was to be headed by Miss Virginia Elliott of Montclair, Congressional nominee for the new 10th district. On the national level, Miss Elliott was stressing the need for victory in Vietnam. She firmly believed that victory was needed before the United States crumbled beneath her enemies.

Ten Years Ago

The State Department of Education was expected to hold a hearing in Trenton on a charge by the Citizens' Tax Council that the

Board of Education had "misused" funds to support a school construction program. The complaint was to be aired before Eric Groezinger, Assistant State Commissioner of Education. It was learned from an authoritative source in Trenton that officials felt that the Tax Council had failed to make a prima facie case to support their claim.

Dr. Frank M. Durkee pointed out that failure to comply with the state's suggestion to correct "substandard" conditions at Belleville High School could result in the loss of some \$295,000 in state aid to education. He also remarked that if Belleville was forced to house its students in the building on Washington Avenue double sessions would eventually result, causing much more needless expense to taxpayers.

The holes in Belleville's streets had been patched and Belleville Town Attorney, Thomas D'Avella, and the Essex County Prosecutor's office were studying the paving bill, authorized by the Town Commission. At issue was the extension of the paving contract from \$5,737 to \$14,879. The dispute centered on a 100 per cent clause, which town officials said meant that the company would be required to do at least 100 per cent more work at the same unit rate.

Twenty-Five Years Ago

Opposition in the form of a three-man bloc arose at a Commission meeting to Public Safety Director Noll's announcement that he would appoint George H. Browne to succeed Everett B. Smith as recorder when Smith's term expired. Mayor James Tully told Noll that unless he reconsidered his plan to oust Smith, Tully would offer a resolution at the next Commission meeting removing the power of appointment from Noll and placing it under the jurisdiction of his own department. Public Works Director Waters and Public Affairs Director King supported Tully.

Thirteen of the fifteen special policemen who would replace regular police officers on school duty were named by Public Safety Director Noll. It was revealed by Charles Tedesco, chief clerk. The men were working under a regular officer's supervision in controlling traffic while children traveled back and forth to school. Director Noll also put into effect an order that prohibited all left turns at the Belleville bridge at Main and Rutgers Streets.

Chief Crazy Bull, a full-blooded Sioux Indian, was to be the guest speaker at Grace Baptist Church. He was to appear in colorful tribal regalia and would sing in his native manner. He was also to discuss the customs of his tribe and describe the manner in which they had become Christianized. The chief was the grandson of the famous Sitting Bull.

Ledger Statements Out-Dated

To the Editor:

Upon reading the release of the G.O.P. Candidates up for re-election this November 2nd., 1971 General Election, which I read in the Newark Star Ledger, I find these statements to be quite late and out-dated.

Five years ago, much talk was spent on what they, as candidates were going to do for the taxpayers of Essex. What they were going to do about pollution, about the cleaning up of the Passaic River, about flooding, about the benefits each municipalities would receive from the two per cent increase on the sales tax, of what each town would receive in education from the lottery. Well the taxpayers paid the two per cent increase, the lottery referendum was passed, and the taxpayers, still once again, no relief. The very same G.O.P. candidates again, after five years, are still talking about what they are going to do about the Passaic River, pollution and relief to taxpayers.

The conference of Mayors as well as elected officials attended the Essex County Freeholders Budget meeting. A budget which had been prepared a year before by a Republican controlled board, and yelled for relief for each of our municipalities, yet these very same B.O.P. candidates have done nothing to see that the suburban towns are receiving any extra State monies to help relieve our taxpayer's burdens. Each time monies are allotted, each of the six larger cities receive aid and our smaller towns, once again, no relief.

Recently, our town of Belleville was hit twice by floods, then once by a hurricane, these five G.O.P. candidates never came to our aid, but now this release reads, "G.O.P. candidate hopefuls, would step up efforts to secure massive federal aid to clean up the Passaic River and provide adequate flood control measures. I believe these G.O.P. candidates had five years to prepare for the conditions of today.

Something should have been done! Must be done! Something will be done for the Essex County Taxpayers by Voting Democratic, November 2nd.

The present Republican Administration have spent your time and money setting up programs in Trenton, which have never been beneficial to any suburban town. A Youth Program for our town took three months to get off the ground floor, after speaking to at least ten directors with hardly any knowledge of youth programming which we were trying to obtain. Belleville finally realized eleven summer jobs!

Mrs. Mary Senatore
Belleville Town Commissioner
Dept. of Public Works

Driver Training Is Going?

To the Editor:

This year, Belleville High School seniors have been handed a disappointing note. We were told that out of 371 students who requested Behind The Wheel Driver Education, only 100 will be able to receive it. This means that 271 students are left out in the cold. In case you are not aware of the fact, BTW not only helps students to become safer drivers, it gives us 1/15 per cent reduction on our already high insurance premiums. This reduction helps everyone save a lot of money.

The Belleville High office has issued a notice that 100 students will be chosen by lottery. This is ludicrous. School is no place for lottery. We are here to learn and when we request a course, we expect to receive it. This is very unfair to everyone involved.

The first thing we would like would be to have some questions answered. I'm sure the whole town would be interested in where their tax money is going. Why aren't we receiving BTW? What can be done to obtain it.

As you know, it is tough for the student body alone to get something done because no one wants to listen. What we need is people to back us up. Parents, taxpayers, citizens, politicians, everyone please help us receive BTW. We need your help to get the facts, get everything together, and see what can be done. We need answers and we need them fast because time is running out.

We want to do this orderly. We don't want to walkout or boycott school. We just want action the right way. If we fail, then maybe walkout is our only solution. Therefore, people of the town, back us up and let's get something accomplished.

Roger Soosa
High School senior

Fire Prevention

Fire Prevention Week, which reminds us cooler weather means accidental fire and resulting death and financial loss for many, is the week of October 3rd through the 9th.

Ever since the famous Chicago fire, exactly a century ago on October 8th, 1871, the danger of fires has been stressed by fire departments and others at this time of year. In recent years the National Fire Protection Association has sponsored Fire Prevention Week the anniversary week of the Chicago fire.

Last year 12,300 Americans lost their lives in fires and the cost was over 2.65 billion dollars. About a fourth of the deaths from fires were those of children, often unable to help themselves.

This is, then, the time of year to check gas lines and pipes, furnaces, chimneys, electric wiring and appliances, etc.

Running For Assemblyman

Belleville Demo Candidate Hits At Cahill Administration Taxes

Assembly candidates David W. Conrad and Peter Torre of Belleville have accused the Cahill administration of "permitting a half-billion dollar rise in local property taxes to preserve the fiction that Republicans alone can effectively control the need for any new state taxes."

The Montclair attorney and the Belleville tax assessor, running as Democratic candidates in District 11-C, stated that "statistics show that local property taxes in New Jersey have risen by \$500 million during the two years since Governor Cahill's election."

"This increase is the price New Jersey property owners are playing to permit the

administration to brag about its careful fiscal management," they said.

"What this half-billion dollars really signifies," they went on, "is the Cahill regime's refusal to develop a broadbased, equitable tax policy. A direct result of that refusal has been a rise of property taxes to confiscatory levels in order to pay for services and facilities that are actually the State's responsibility."

Torre and Conrad said that, as Assemblymen they would support any tax proposal that will "honestly and intelligently shift the

tax burden from the back of the property owner and result in a revenue system

that is fair to, as well as fairly distributed among, all our citizens."

Convicted Holding Drugs

Two Nutley men were convicted in Belleville Municipal Court September 30 on possession of hypodermic needles and possession of legend drugs.

William Lubertazzi of 134 Passaic Avenue and Earl Barber of 456 Passaic Avenue were arrested July 24 in connection with a narcotics raid at 32 Brighton Avenue, Belleville led by detective Edward Malia of the Essex County Sheriff's Department.

Both men pleaded guilty and were given two three month jail sentences to run concurrently with sentences already being served. Lubertazzi is presently serving a seven-year sentence at Annandale Reformatory on an armed robbery conviction while Barber is serving a six-month sentence in Essex County Penitentiary on another narcotics violation.

Miss Arlene Ferris

Arlene Ferris, Robert Iovino Are Engaged

Mr. and Mrs. Joseph A. Ferris of 25 Hunkele Street announce the engagement of their daughter, Arlene Elizabeth to Robert Iovino, son of Mr. and Mrs. James V. Iovino Sr. of East Orange.

Miss Ferris, a graduate of Belleville High School, is with New Jersey Life Insurance.

Mr. Iovino, an alumnus of Clifford J. Scott High School, East Orange, is a truck driver for Goodyear. He is a member of the Air Force Reserve.

The wedding will be held December 10, 1972.

Mrs. Schwartz Speaks To Tri-Town Members

Fifty members and eleven guests of Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley heard Mrs. Elizabeth Schwartz, president-elect of the New Jersey Federation of BPW Clubs, explain the history of the organization, which was founded to elevate the standards and promote the interests of women in business and the professions and to extend opportunities to women through education. She stressed the theme of the National Federation, which is ACTION in this Era of Responsibility - action for passage of the Equal Rights Amendment now before Congress; action for a quality society in the areas of drug and crime prevention, ecology and beautification; and action for peace in the world.

Mrs. Schwartz called for the personal involvement of all in National Business Women's Week to be held October 17 through 23, in the legislative conference to be held in Washington in February, and in the leadership seminar scheduled for the spring of 1972.

The various standing committees of Tri-Town met to discuss the work of their respective committees and then reported to the membership of their plans to carry out the aims of the club and the federation during the coming year.

Tri-Town welcomed three new members - Mrs. Ruth Dillon and Mrs. Viola Mitchell of Belleville and Miss Flora Hess of Nutley. This brings the total membership of the club to 94, with the aim of reaching

Miss Roberta Moore

Roberta Moore Is Bride-Elect Of Mr. Johnson

Mr. and Mrs. Alfred Moore of 306 Little Street announce the engagement of their daughter, Roberta Joan to Frederick C. Johnson, son of Mrs. Charles Johnson of Lake Mills, Iowa and the late Mr. Johnson.

Miss Moore, a graduate of the University of New Hampshire, is an admissions counselor for Barat College in Lake Forest, Illinois.

Mr. Johnson, an alumnus of Mankato State College, Mankato, Minnesota, is currently working toward his masters degree in business administration at Mankato State.

A winter wedding is planned.

Miss Cynthia Ventola

Miss Ventola, Alan Browne Will Be Wed

Mr. and Mrs. Vincent Ventola of Fairway Avenue have announced the engagement of their daughter, Cynthia Ann to Alan Browne Jr., son of Mr. and Mrs. Browne Sr. of Irvington.

Miss Ventola, an alumna of Lacordaire School, Upper Montclair and Villa Maria College, Erie, Pennsylvania, is a teacher in Belleville.

Mr. Browne Jr., a graduate of Archbishop Walsh High School and Rutgers University, attends Seton Hall Graduate School of Education where he is studying speech pathology. He is a teacher in Orange and a member of the New Jersey National Guard.

The wedding will be held July 9.

Dormin is the hospital-tested aid to restful, relaxing sleep. Its proved effective in 9 out of 10 clinical cases—professionally supervised and observed in leading government hospital. 100% non-narcotic. Get Dormin today.

Fall Feeding Enlivens Lawn

Stimulate growth of thin, poorly colored lawns by applying a fertilizer in the early fall.

According to William F. Munk, senior county agricultural agent of Essex County, even those lawns which have a good turf should be fertilized to maintain green color and a dense stand of desirable grasses.

The return of cooler temperatures and the more moist soil conditions of autumn renew grass vigor and life, but fertilizing will provide added stimulation for a better color, vigor, and density.

Apply a high nitrogen fertilizer such as a 10-6-4 (50 percent organic) at the rate of 10 pounds per 1,000 square feet. Repeat in mid-October, Mr. Munk says.

Fertilizer of a different analysis having a similar ratio as 10-6-4 may also be used, but adjust the rate of application to provide an equivalent amount of nitrogen.

Apply fertilizer properly to get satisfactory results. Improper application can ruin a lawn because of burning or produce a pattern of light and dark streaks.

Be certain the rate of application is correct. Don't apply fertilizer when the grass is wet. Spread it evenly and avoid missing areas between spreader widths.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Fochesato-Onofrietti Nuptials Held In Holy Family Church

Mrs. Louis Fochesato -nee Linda Onofrietti

Miss Linda Louise Onofrietti, daughter of Mrs. Ethel Onofrietti and the late Mr. Michael Onofrietti and Louis Anthony Fochesato, son of the late Mr. and Mrs. Anthony Fochesato, were married September 25 in Holy Family Church, Nutley.

The Rev. Paul Viale celebrated the nuptial mass and a reception followed at Florham Park Country Club, Florham Park.

Escorted by Pat Forte Jr. of Newark, the bride was attired in a white silk organza gown applique with Alencon lace and seed pearls on the bodice, train and bishop sleeves.

A matching beaded Juliet headpiece held her cathedral length veil and she carried white roses and a white orchid.

Miss Helene Rosania of Kenilworth was maid of honor. Bridesmaids included Miss Linda Fochesato of Newark, sister of the groom, Mrs. Carol Pinto of South Orange, Miss Angela Amorosi of West Orange, Mrs. Joanne Pallito of Irvington and Mrs. Maryann Rusignolo of Parsippany.

Their gowns of hot pink chiffon featured high necklines, bishop sleeves and white Venetian lace bibs and cuffs. Matching Juliet headpieces held short veils. The honor attendant carried light pink rosebuds and white carnations and the others carried light pink rosebuds.

Mrs. Onofrietti chose a light pink chiffon gown with beaded bodice and matching accessories. Her corsage was a white orchid.

Vincent Purpura of Verona was best man. Ushers were Joseph Onofrietti of Belleville, brother of the bride, George Weiss of Nutley, William Tortorello of Bloomfield, Gary Fochesato of Brooklyn, New York and Mr. Rusignolo.

Mrs. Fochesato, an alumna of Belleville High School and Paterson State College, is with Aetna Life and Casualty Company, Newark.

Mr. Fochesato, a graduate of Nutley High School and Pace College, New York, is chief accountant with Egyptian Lacquer, South Kearny.

The couple honeymooned in Bermuda and are living in Bloomfield.

School 7 PTA Meeting

School No. 7 P.T.A. held its first meeting of the year on Monday evening, October 4 at 8 p.m. The topic for the evening, "How we as parents and teachers can help our children have a successful school year", was discussed by a panel of four teachers.

Refreshments were served by sixth grade mothers.

Mrs. Joseph Scala -nee Mary Ellen Terry

Mary Ellen Terry Weds Joseph Scala

Miss Mary Ellen Terry, daughter of Mrs. Evelyn Terry of 4 Tremont Avenue and the late Mr. William Terry and Joseph Thomas Scala, son of Mr. and Mrs. Thomas Scala of 36 Joralemon Street were married August 14 in St. Peter's Church.

The Rev. James Heavey performed the ceremony and a reception followed at The Galaxy, Belleville.

Escorted by her brother, William F. Terry, the bride wore a white chiffon gown with lace and styled with long sleeves, rolled neckline and long full train.

A petal headpiece held her fingertip veil and she carried white roses centered with an orchid.

Mrs. Jacquelyn Moscicki of Nutley was her sister's matron of honor. Bridesmaids included Miss Sue McCrea, Miss Mary Ann Jiosi and Miss Holly Rauth, all of Belleville.

The honor attendant was gowned in a peacock blue chiffon gown trimmed with white lace. Her headpiece was a matching veil and she carried a cascade of white and aqua carnations. The others were similarly attired in radiant blue.

John Moraski of Belleville was best man. Ushering were Dennis Capriglione, Frank Calabrese and Robert Biezowski, all of Belleville.

Miss Joanne Cullari Is Bride Of Robert Bruce Nagiewicz

Miss Joanna Cullari, daughter of Mr. and Mrs. Nicholas Cullari of 37 Gless Avenue, Nutley and Robert Bruce Nagiewicz, son of Mr. and Mrs. Raymond Nagiewicz of 545 Washington Avenue, Belleville were married August 21 in Holy Family Church, Nutley.

The Rev. Francis Blake performed the ceremony and a reception followed at Ferrara's.

The bride was attired in a white brocade gown with an empire waist. A lace headpiece held her cathedral length veil and she carried white roses and carnations.

Miss Helen Cullari was maid of honor in a peacock blue gown trimmed in white lace. The bridesmaids, Miss Diane Depiro, Miss Susan Nagiewicz and Miss Jeanne Guarino were similarly attired in radiant blue gowns. All carried bouquets of blue roses and white carnations.

Gary Heiny was best man and Donald Boyce, Patrick Delaney and John Restler ushered.

Mrs. Cullari chose a lavender empire waisted gown and the groom's mother was in a light blue dress and coat.

Mrs. Nagiewicz is a clerk at Liberty Mutual Insurance Company, East Orange and Mr. Nagiewicz is a machinist at Belleville Brake and Clutch Exchange Inc.

The couple honeymooned in Canada and have made their home in Belleville.

The couple, alumni of Belleville High School, honeymooned in the Poconos and have made their home in Belleville.

Mrs. Robert Nagiewicz -nee Joanne Cullari

Essex Catholic Mother's Club Monthly Meeting On October 12

The Essex Catholic Mother's Club of Essex Catholic High School will have their monthly meeting on Tuesday, October 12th

at 8:00 p.m. in the school cafeteria.

Election of freshman vice-president will take place and plans for the November card-party will be discussed. Following the meeting there will be a Macrame demonstration given by Miss Barbara DeAnthony of West Orange.

Refreshments will be served by the junior mothers. Mrs. Olga Semler of Newark, junior vice-president is in charge.

Mrs. Rose Rispoli of West Orange is program chairman.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

FASHION MODELS — Mrs. Pat Guarino of Belleville and Jerry Berr of Verona, members of Wayne European Health Spa, are seen modelling the latest in autumn high fashion at a show held at the health club. Women's fashions were provided by Siegel's of West Caldwell and men's fashions were by Rogue's Gallery, Parsippany. Models were Spa members and staff personnel.

CRUISE TO NOWHERE — Mr. and Mrs. Sebastian Italiano of 245 Fairway Avenue and Mr. and Mrs. Anthony Petruzzi of 25 Celia Court are shown together aboard the Greek Lines luxury flagship T.S. Queen Ann Maria just before sailing from New York Harbor bound for a three day weekend sea cruise to nowhere.

TROPICAL HOLIDAY — Mr. and Mrs. Louis Zarro of 40 Cuozzo Street, Mr. and Mrs. Kenneth Zarro of 231 Division Avenue and Mr. and Mrs. Frank Zinna of 592 Union Avenue are shown on the deck of the Home Line's Flagship, S.S., Oceanic just before sailing from the isle of Manhattan to the sunny isle of Nassau in the tropical Bahamas on a week's holiday cruise.

Wasps Destroy Harmful Insects

Wasps attack and destroy harmful insects around your home and in your garden. Their good deed may be of little consolation to you as you nurse a swollen finger, arm, leg or foot because you suddenly interrupted their mission in life.

Hornets, yellow jackets, Polistes, mud daubers, and the cicada killer are all wasps and can be identified by the nests they build and where they build them, advises William F. Munk, senior county agricultural agent of Essex County. Knowing this may help you avoid future painful experiences.

The cicada killer nests in the ground by digging holes, about a half-inch across, in sloping soil and piles the excavated soil beneath the opening.

Other wasps build nests above the ground. Yellow jackets build their nests both above and below the surface of the ground.

Hornets and Polistes nest in trees, shrubbery and under eaves. Mud daubers nest under eaves, porch roofs and behind shutters.

Paper-like nests in the shape of footballs are the homes of hornets and yellow jackets. Nests that resemble a honeycomb belong to the Polistes.

The old nests are not reused and usually disintegrate or are torn apart by birds or squirrels. These insects are perpetuated by the hibernating queens.

Mud daubers build clay or mud-cell nests. And like the cicada killers overwinter as resting larvae in their nests.

Wasps can be controlled by applying an insecticide.

NEW APPOINTEE — The appointment of Mrs. Ann Mancini to the position of Nursing Utilization Coordinator at Clara Maass Memorial Hospital was announced recently by Mrs. Nancy Masiello, Director of Nursing Services. In this new capacity, Mrs. Mancini will conduct the efficient utilization of patient admissions in the hospital's new 150 bed Continuing Care Center working closely with the Admitting Office, Medical Staff and the main hospital reporting directly to the Director of Nursing Service. A native of Wyoming, Pennsylvania, Mrs. Mancini is a graduate of Mercy Hospital School of Nursing, Wilkes Barre and had three years of Post Graduate studies at the Cornell Medical Center in New York. Mrs. Mancini has served in various administrative posts for the past ten years at Clara Maass. She resides in Verona.

Dr. A. Teaze Appointed To Post At Mountainside

A key position has been filled at The Mountainside Hospital, according to Executive Vice President John C. Imhoff.

Allison Dodd Teaze, M.D. of Montclair recently assumed the title of Director of Medicine and of Medical Education. Dr. Teaze, who has been associated with Mountainside since 1947, is the first to be appointed to this newly created full-time combined position.

Prior to Dr. Teaze's appointment, the medical staff's Department of Medicine was directed by a physician who was elected by the members of the Department of Medicine and who served on a volunteer part-time basis.

In his new position, Dr. Teaze will be responsible for the administrative medical and educational activities of the Department of Medicine. In addition he will direct the intern-resident training programs as well as the continuing medical education program

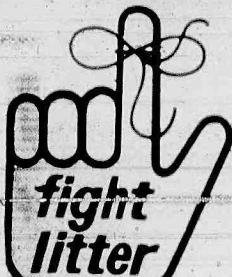

Dr. Allison Teaze for the entire medical staff. A graduate of Princeton University, Dr. Teaze received his M.D. from the University of Pennsylvania Medical School in 1947. He completed both his internship and residency in medicine at Mountainside and then attended post-graduate courses in internal medicine at New York University.

WHAT IS GLAUCOMA?
Glaucoma is characterized by a slow, progressive loss of visual fields followed later by loss of central vision. In a person over forty, it is a real danger. Anyone who requires frequent changes of lenses, has mild headaches, sees halos around electric lights or has trouble adapting to darkness should be suspect.
Using a device called a tonometer, which measures intra-ocular tension, glaucoma can usually be detected. There are many prescription drugs that we have available; drugs called miotics which are useful in helping to control glaucoma. Everyone should have their eyes checked periodically but for older people, it is essential. Uncontrolled glaucoma can result in absolute blindness.
YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Mrs. T. Salmon, 93; Was Native Of England

Mrs. Theresa K. Salmon, a
native of England and
lifelong resident here died
September 10 at home.

The 93-year old retired
regal secretary was born in
Manchester England and
lived at 81 Rossmore Place
until her death.

She had been a member of

the Rosary Confraternity of
St. Peter's Church, and was
a charter member of the
Court Sancta Maria 63 and
the Catholic Daughters of
America.

Mrs. Salmon leaves a
sister, Nellie C. Salmon also
of Belleville.

Services were conducted

September 14 at St. Peter's
Church from the Kiernan
Funeral Home. Interment
was in St. Peter Cemetery.

Joseph L. Paul, 51; Succumbs At Home

Joseph L. Paul of 725
Joralemon Street died
suddenly September 26 at
home. He was 51.

Born in Oswego, N.Y., Mr.
Paul lived in Belleville most
of his life. He had been a
member of Elks Belleville
Lodge 1123.

Mr. Paul is survived by a
daughter, Susan of Cedar
Grove; a brother Philip of

Belleville, and three sisters,
Mrs. Jack Sheuy of Long
Beach, Cal., Mrs. Lucille
Dunn of Upper Darby, Pa.
and Mrs. John J. Barr of
Belleville.

Funeral Services were
September 28 at the
Kiernan Funeral Home.
Interment was in King
Solomon Cemetery, Clifton.

R. Ryer; Was 66

Roger W. Ryer of 19
Berkeley Avenue died
suddenly September 29 in
Clara Maass Memorial
Hospital. He was 66.

Born in Newark, Mr. Ryer
came here from East Orange
40 years ago. He worked as
a clerk for the National
State Bank of N.J. 48 years.

He is survived by his wife,
the former Gladys Hadley;
two sons, Donald of
Belleville and Richard of
Philadelphia, and five
grandchildren.

Funeral services were held
Saturday at the S.W. Brown
and Son Funeral Home,
interment was in Cedar
Ridge Cemetery,
Blairstown.

Public Service Getting More Gas Turbine Units

Public Service Electric
and Gas Company is adding
five more gas turbine units
to its system, which by
next summer will give it a
capacity of more than

2,500,000 kilowatts of this
type generating equipment,
probably more than that of
any other utility in the
nation. The fuel used for
these units is natural gas or
low sulfur oil which is
nearly pollution-free.

We've got to stop sometime. October 29th is it.

After October 29 you
won't be able to pick up
any more china or flatware
from Fidelity.

So, between now and
then, for each deposit of \$25
in a new or existing Fidelity

Savings Account you can
purchase another setting of
either china or stainless for
only \$2.95 plus tax.

We also have a large
assortment of accessory pieces
you can choose from. Just

about everything you'll need
to set up a beautiful table.

Stop into your nearest
Fidelity office to complete
your set. But hurry, October
29 is the deadline.

RCA INTRODUCES

100% Solid State AccuColor

25" diagonal picture

ONE YEAR in-home SERVICE*

XL-100 Table Model FQ-545 Base optional extra.

100% Solid State AccuColor!

Circuitry designed for Extended Life!

XL-100 IS MADE TO LAST. We've replaced all chassis tubes with solid state devices designed to perform longer with fewer repairs. And since RCA's 12 exclusive plug-in AccuCircuit modules control most set functions, most repairs can be done in your home, more quickly and easily. It's color you can count on season after season. The brightest, sharpest color in RCA history! Every XL-100 console and table model has RCA's black matrix picture tube for vivid, lifelike color. The tuning's a snap! Our new automatic tuning system makes color tuning virtually foolproof! And AccuMatic—RCA's new color monitor—automatically locks in color within a normal range with one press of the button.

The COSMOS
Model FQ-505
21" diagonal picture

So Great! it's backed in writing by RCA for one full year

We have such confidence in the reliability of XL-100 we're backing each set in writing for a full year, covering both parts and labor. Here are the basic provisions of our XL-100 "Purchaser Satisfaction" warranty ("PS" for short). If anything goes wrong with your new set within a year from the day you buy it, and it's our fault, we'll pay your repair bill—both parts and complete labor.

You can use any service shop in which you have confidence—you don't have to pick from some special authorized list. If your set is a portable, you take it in for service. For larger sets, your serviceman will come to your home, just present your warranty registration card and RCA pays his repair bill.

If your picture tube becomes defective during the first two years we will exchange it for a rebuilt tube, (we pay for installation during the first year—you pay for it in the second year.)

In short, the warranty covers every set defect. It doesn't cover installation, foreign use, antenna systems or adjustment of customer controls.

Belleville Seaman To Philippines

Men in Service

Navy Seaman Gerard J. Brunello, son of Mr. and Mrs. Gerardo F. Brunello of 21 Howard Place, and husband of the former Miss Margery E. Lordi of 54 Essex Street, all of Belleville, has reported for duty at the U.S. Naval Communications Station, San Miguel, Philippines.

During his tour of duty at the semi-isolated 2,100 acre station, he will have the opportunity to visit Hong Kong, Japan and other parts of the Philippines.

Officer Supports Squadron

Navy Lieutenant Commander Donald T. McCloskey, son of Mr. and Mrs. George R. Arnold of 247 Ralph Street, Belleville is serving with Helicopter Combat Support Squadron Two at the Naval Air Station, Lakehurst.

AIRMAN David J. McMullen, son of Mr. and Mrs. Richard J. Florentine of 113 Birchwood Drive, has completed basic training at Lackland AFB, Tex. He has been assigned to Chanute AFB, Ill. for training in aircraft maintenance. Airman McMullen is a 1971 grad of Belleville High School.

Kevin Killeen Joins Marines

The United States Marine Corps announced that Kevin Mathew Killeen of 59 Hornblower Ave. has joined the corps ranks and is to do his basic training at Parris Island, S.C.

Killeen will be there for ten weeks and then come home for ten days leave. Before entering the Marine Corps, he attended Belleville High School and Newark College of Engineering.

E. DeNoia Begins Study In Medicine

Emanuel P. DeNoia, son of Mr. and Mrs. Emanuel R. DeNoia of Jorammon Street, Belleville, has begun his first year of studies at the College of Medicine and Dentistry of New Jersey-New Jersey Medical School.

A graduate of St. Benedict's Prep School, DeNoia received a B.S. degree from Manhattan College, where he was on the dean's list, Mendelian Society, and the Conservative Club.

There are 111 first year students in the medical school this year, the largest entering class in its history. Last year the faculty of the medical school, in recognition of New Jersey's critical need for physicians and the large number of well-qualified state residents who are applying for admission to medical schools, voted to expand the size of the 1971 freshman class from 85 to 110 students.

Two Local Girls To Honors List

Debra L. Greenfeder and Elaine Marano, both of Belleville, were among students at the Teaneck Campus of Fairleigh Dickinson U. whose grades for the spring semester earned them places on the Honors and Dean's lists.

The dean's list is composed of students whose average for the semester was 82 to 85 per cent. On the honors list are names of students whose average was above 85 per cent.

In Newark
Belleville Man
New Principal

Anthony D'Agostino of Belleville has been named by the Newark Board of Education as the new principal of Mt. Vernon School.

D'Agostino was the vice principal of Fourteenth Avenue School for the past year.

He has been a member of the Newark Schools System since 1957, the year he was graduated from Upsala College with a bachelor degree after majoring in education. His first duty in Newark was to the Madison Avenue School. He also holds a master's degree in supervision and administration from Seton Hall University and has his doctoral equivalency.

D'Agostino participated in football and other sports while attending Upsala College. He was named captain of the grid team there. He was an assistant football coach at Central High School before being named to the coaching staff at West Side High, where he remained for 10 years. At West Side he also coached outdoor and indoor track.

Before he was vice principal at Fourteenth Avenue School, D'Agostino worked under Dr. Edward Pfeffer, Deputy Superintendent of Schools, as Central Office Title I Coordinator.

Mr. and Mrs. D'Agostino are the parents of three sons.

Holy Family Sets
Catholic Mission

A mission designed to renew Catholic dedication is planned at Holy Family Church, Nutley.

The mission will run for five days, October 18-22, and will feature Mass, other the sacraments and discussion groups.

The discussion groups will deal in depth with the

Fireman
Receives
Certificate

Kenneth Bedford, Fireman UFD for the Belleville Department, has received the graduate certificate of the Committee on Injuries of the American Academy of Orthopaedic Surgeons for completing the "Advanced Practical Course on Emergency Care of the Sick and Injured. Fire Chief Carl Hundertpfund made the announcement this week.

The course is sponsored by the Committee in Washington, D.C., last month at the Georgetown University Medical Center.

Award of the certificate was made at the conclusion of the comprehensive four-day course of lectures and work practice demonstrations.

The advanced training is given to improve the skills and knowledge of persons responsible for the emergency handling of sick and injured persons.

Dr. George W. Hyatt, director of orthopaedics, Georgetown University School of Medicine, was chairman of the committee of physicians and police, fire and health officials directing the course.

Honorary course chairman is HEW Secretary Elliot L. Richardson.

Area Man Is Named
N. Essex Chairman

Richard Shapiro of 58 Cleveland Terrace, Bloomfield, has been named North Essex chairman for "Citizens for Carter," a county-wide organization backing the election of Montclair Mayor Matthew G. Carter, Republican candidate for the State Senate.

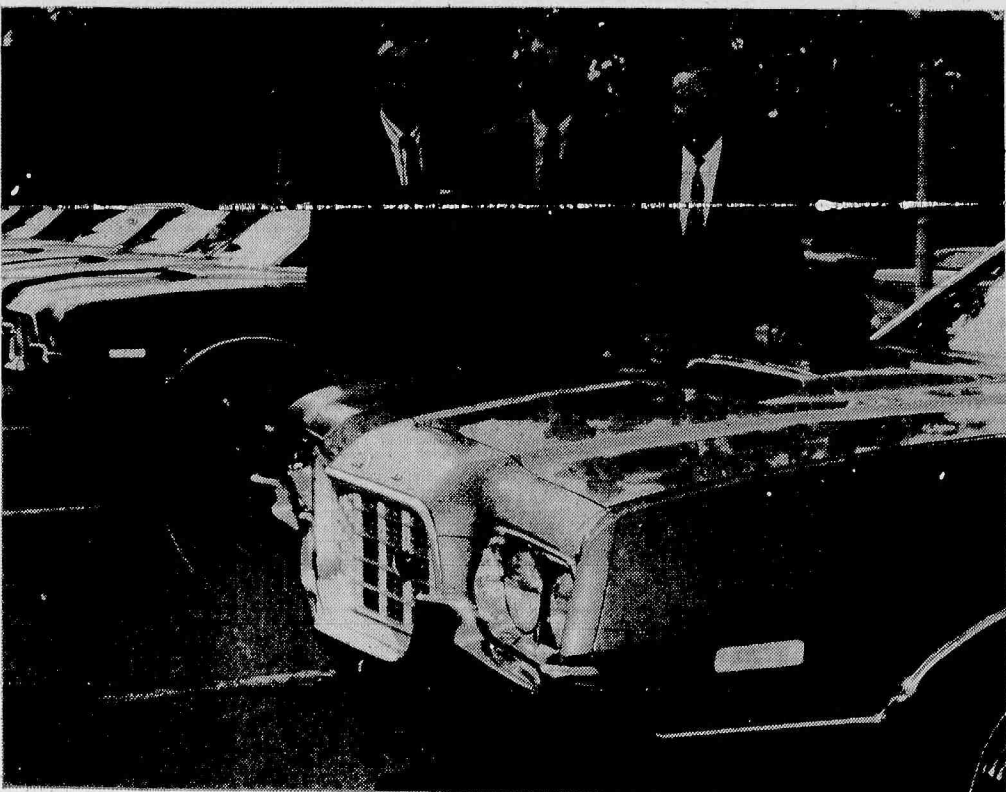

Appointment of Shapiro to spearhead the Carter drive in his area was announced yesterday by "Citizens" co-chairmen Grant M. Gille and the Rev. William H. Gray of Montclair. The North Essex campaign area is composed of Bloomfield, Nutley, Belleville and the North Ward of Newark.

In accepting the campaign post, Shapiro said: "One of my primary interests is in honest government. I am pleased to be of service in the campaign to elect Matt Carter because to me he is

the type of man we need in public life today. He has done an impressive job as mayor of Montclair and I think he ought to be encouraged to go further and make even more contributions to the good of our communities and our state."

Shapiro is director of distributions for the Linden division of Food Fair Inc. He has served as president of the Bloomfield Republican Club and as chairman of the Bloomfield Republican Central Committee.

He is also a former vice chairman of the Town of Bloomfield Transportation Committee and past president of the Bloomfield PAL. He is past president of Northern Essex Lodge, B'nai B'rith and is treasurer of Troop 16, Boy Scouts of East Orange.

TESTED TORINO —George Mead Sr. (right) and George Mead Jr. of George H. Mead, Inc., Belleville, were among 70 Ford dealers who joined S.J. Obringer (center), Ford Newark district sales manager, at a dealer introduction to the 1972 Torino at Tammy Brook Country Club in Cresskill. Dealers drove new Torinos over a measured course of varying road and operating conditions. Company said Torino is most improved Ford car of 1972.

Belleville Girl Scouting Begins
Season With Troop Meeting

Girl Scouting in Belleville began its 1971-1972 season last month with its initial organization troop meetings, it was announced by District Chairman, Mrs. A. H. Verhagen.

Final arrangements for the sixth annual town-wide camporee to be held at the So. Mountain Reservation on September 17-19 have been completed. Fourteen Junior, Cadette and Senior troops participated in this event.

The first Community Association meeting for all registered adults was held at the Fewsmith Church, on Wednesday, Sept. 22, 8 p.m.

For girls 7-17, Girl Scouting has always been a strong force complementing and adding to activities and values acquired through the school, church and home.

During the fast pace of the seventies, it continues to offer young girls an arena for self development, self expression and awareness of others.

Events planned and executed by the girls under the guidance of trained adult volunteers include service projects, educational and recreational trips, travel, camping and exchange of thoughts and ideas.

There were 1,000 members registered in Belleville last year. All girls, aged 7 or over, are eligible for membership and may obtain further information by calling Mrs. A.H. Verhagen, District Chairman at 759-6079.

For adults Girl Scouting provides opportunities for work with young people.

Youth Fined
for Curfew

Six Belleville youths were fined for being in Belleville Park after curfew.

Judge Edward Abromson issued \$10 fines for being in the park past the 10:30 p.m. limit to Cheryl Napolitano, Louis Fiorellino, Fred Ferrara, Daniel Mena and Bruce Duva, all of whom pleaded guilty to the charge.

Virginia Nappi, also arrested for curfew violation pleaded not guilty. She was fined \$20.

Gridders Seeking Victory Over Arch-Rival Maroon

(Continued from Page 1)

scoreboard. The Bellboys' cause was hurt Saturday when a punt return set up one Bengal touchdown and a fumble led to another score.

The Blue and Gold offense came to life in the closing minutes of the Saturday home game to put eight points on the board. But it was too little and too late to salvage the win. Belleville quarterbacks Joe Lotruglio and Phil Bruno alternated in the 77-yard touchdown drive with Bruno passing to Steve Russimini for the score.

With Barringer Forfeit

Distance Runners Cop First Season Victory

Belleville's distance runners recorded their first win of the season last week when they took a decision by forfeit over Barringer High School at Branch Brook Park. Tuesday the squad faced Kearny, one of

the better teams in the area. The harriers will be looking for two more wins in the coming week over "considerably easier" foes than they have faced earlier in the schedule. The Bellboy runners are scheduled to run

against South Side High School of Newark tomorrow in Branch Brook Park before returning home to Belleville Park Tuesday afternoon to entertain a reportedly weak West Orange squad. Last year one of Belleville's few wins was against West Orange.

Bill Goodwin, the local club's top runner, was listed as doubtful for Tuesday's encounter after aggravating an injury to his left heel.

During the past week's action Belleville lost by its slimmest margin of the year to Montclair, October 1, in Branch Brook Park by a 20-36 count. The team saw the loss as an improvement over recent meets.

Four of Belleville's runners finished in the top ten. After the first place time of 14:20 was Bill Goodwin, a sophomore in fourth place at 14:53. He was followed by Frank Salerno, starting his first meet of the year, who was fifth with a 15:15 time. Behind Salerno was Steve Budrick in seventh place timed at 15:31. Bob Cozzarelli was ninth and Rocco Cuozzo placed eleventh in the two and one half mile race.

Coach Ray Haneke is looking forward to this week's "easier opponents" and hopes to add more wins to the Belleville side of the ledger.

is in excellent fettle for the Saturday encounter. The Maroon relies on the passing of Gary DeGrazio to wide receiver Vern Shepard. The rushing is bolstered by John Cafone, who is an exceptionally hard hitter banging out extra yards after being tackled. "Our scouting reports show that Belleville has a tough defensive squad," remarked Maroon coach Federici earlier this week. "Looking at both ball clubs, I would consider it an even game."

Pre-season reports showed that Nutley was supposed to be superior in the passing department while lacking in the running game. Just the opposite has occurred as the Maroon runners have outshone the aerial attack. "We are still looking for our passing game to materialize," added Federici. "I expect our boys to be 'up' by Saturday."

Both Federici and Cafone have no pre-planned pattern going into the game and expect the situation at hand to dictate the offensive maneuvers. Belleville offers a "six-one" defense while Cafone reports that the Maroon's "four-four" defense is "extremely tough to crack."

"They have a defense that shows no weaknesses," added Cafone. "It will be extremely tough to run against. If our running plays go it will open the passing game up but I can't say now if we will run or pass because we are going to let the situation at hand dictate the style of play."

Cafone noted that Nutley has "big defensive tackles" that are very active. Offensively, the coach respects Cafone, Shepard and DeGrazio, the three that make the Maroon offense go.

"I've never known Nutley

Local Archer Wins State Championship

Russ Stivers, 101 Little Street, won the New Jersey State Bowhunters Championship for the second year in a row.

The tournament sight was in Towaco at Camp Henry Dawson, hosted by the Lincoln Park Archers.

The tournament is consistently the best attended championship in New Jersey and attracts all of the states finest archers.

Stivers won it going away with a total 169 over three time winner Charley Hocknell of South Jersey. Don Keady of Secaucus shot 158 and was good for 3rd.

The shoot is comprised of 56 targets, at unknown distances at three dimensional laminated cardboard animal type targets.

or a Federici-coached team to be soft and we are preparing accordingly. It's true that Nutley will be the smallest team in physical size we will face this season but if it wasn't for a couple of bad breaks they could be 2-0 now."

Belleville also could have a win under their belts. Saturday against Bloomfield they played their best game of the young season and sustaining that style of defensive play could enhance their chances of winning Saturday. If the offense could show more power Belleville may be able to notch their first victory. Cafone reports that he will continue to shuffle his backfield again Saturday. Against Bloomfield, eight

players were used in the backfield.

"A great deal of the material we have is compatible," said Cafone. "We have no super-stars on the team."

The Bellboys will add nothing new to their style of play Saturday, according to the coaching staff. Daily practice sessions will be devoted to going over assignments.

"The boys are still green and we would like them to work with the plays they already know," the coach explained. Cafone can run and we'll have to respect him. We also realize that DeGrazio can throw, even though he's really shown nothing so far this year," the head coach explained.

DEFENSIVE INSTRUCTIONS are given by line coach Vince Harris as linebacker Bob Luongo, boss of defense, listens to advice. Bellboy defense held up well against a high scoring Bengal eleven.

Driscoll Named Trustee At Fairleigh Dickinson

Former Governor Alfred E. Driscoll, now serving as chairman of the New Jersey Turnpike Authority, has joined the Board of Trustees of Fairleigh Dickinson University.

He was named to fill the unexpired term of Dr. Harold S. Sloan, who is retiring following a long association with the University. Dr. Sloan has been a Trustee since 1963 and served F. D. U. for nine

years prior to that in various capacities.

Board Chairman Fairleigh S. Dickinson, Jr., in announcing Dr. Sloan's retirement and Governor Driscoll's appointment to the Board, said: "We sincerely regret Dr. Sloan's retirement and hope that all goes well for him. His counsel over the years has been wise and beneficial. At the same time, we extend the warmest of welcomes to Governor Driscoll. His record of achievement over the years speaks for itself."

Bellboys Improve Against Bengals

INTERCEPTION here is being made by Bellboy defensive back (35) Ralph Lukowiak as (28) Joe Cancelliere looks on. Interceptions stopped Bloomfield drive but Belleville offensive was unable to capitalize on the mistake.

CO-CAPTAINS TEAM UP on this play to set up Belleville touchdown as Mike Picci (53) is ready to block Bengal lineman, clearing the way for Joe Lotruglio, quarterback, eight yard gain. Two plays later Bellboys scored on pass play.

Bruno Featured Quarterback Gets Extra Points Too

Phil Bruno is the second half of a duo of experienced quarterbacks for Belleville this season that has led coach Rocco Cafone to split the signal calling duties.

Cafone has said that both Bruno and Joe Lotruglio are almost "equal in ability" and he plans to utilize the two in remaining games. Bruno's showing last Saturday against Bloomfield should lead him to see more time in the Bellboy backfield. The 17-year-old helped engineer Belleville's only score of the year when he threw a touchdown pass to receiver Steve Russimini.

The 5-9" Bruno carries 150 pounds on his slim frame. As a transfer student to Belleville High School in

his junior year he has found a home with the Blue and Gold. Bruno studied two years at St. Benedict's Prep in Newark.

"I get along better with the players here in Belleville High School," said Bruno. "I enjoy the atmosphere here more."

Bruno played two years with St. Benedict's when he performed both for the offense and defense as a freshman and was named the second string varsity quarterback as a sophomore. He also quarterbacked the St. Benedict's jayvee games.

Bruno saw plenty of action with the Belleville varsity squad last season and was the first string signal

caller for more than half the season. He took over quarterbacking duties when Joe Lotruglio was injured. Bruno started in the Irvington, Garfield, West Orange and Kearny game in addition to playing in the Passaic and Orange contests.

"I feel that both Joe and I have something to add to the team," Bruno remarked.

Bruno's specialty on the varsity is kicking extra points. Although he has yet to receive the opportunity to kick the "point after" this year, he has already proved his ability. Last season, after missing his first two conversions, he successfully booted his next 15 of 16 extra points.

"I have no fears about kicking this year because I've already proven myself," he said. "I feel comfortable when kicking the point."

Fred Caruso Helps College Frosh Squad

Montclair State College's freshmen football eleven will open its 1971 season here at Schoellkopf Field last Saturday afternoon meeting the Cornell Frosh eleven.

The tussle with the Big Red freshmen team marked the third game in the series. Last year Cornell won 39-0 and in 1969 the home team also triumphed 35-12.

Coach Dick Hapward is encouraged about this team's outlook and while a victory over the Red frosh unit, considered to be one of the best in the Ivy League this year, would be a tremendous upset, the first year MSC unit figures to give a good account of itself.

Craig Hugger, former Rahway High School signal caller, opened at quarterback for the Indians while Paul Pignatello of Clifton and Fred Caruso of

Belleville were the halfbacks. Hugger is six feet tall and 175 pounds and has looked good in practice.

Pignatello, 5-11 and 170 pounds, and Caruso, 5-9 and 160, are quick backs while Ray Vandermay of Cedar Grove six feet and 200 pounds, will be the fullback.

Hapward's opening offensive line will have John Gillen of Lodi and Robert Haddad of Cranford at ends, David Janosz of East Paterson and Robert Korcik of West Paterson at tackles while Joe Matusewicz of Brick Township and Tim Kelly of Cliffside Park will be the guards. Mike McGaughan of Jersey City will be the center.

The offensive line is the biggest in MSC's freshman history with Janosz going 245 and Korich tips the beam at 220. McGaughan at center is the other big man at 210. The ends, Haddad and Gillen, weigh 195 and 182 while the guards, Kelly and Matusewicz scale 175 and 180 each.

Hapward feels that his defensive unit this year will be much improved over last season.

The Indians defensive line will have Fred Daniel of Rockaway and Gary Martin of Oakland at ends with Art Auger of Wyckoff and Ian Forman of Matawan at Tackles.

Hapward also plans to use Bob Hall of Bricktown as number one backup to Auger. Daniel goes 195 pounds while Martin is 190. The tackles, Auger and Hall on the leftside go 205 while Forman is 210. Nick Tenk of Paterson is the middle guard and goes 185.

Ken Miller of Jersey City (N.J.) and Jim Ellis of Pequannock figure to be the starting linebackers. Miller is the biggest man on the defensive unit at 6-2 and 220 pounds while Ellis is six feet and 190 pounds.

The Indians secondary will include John Torre of North Arlington Pete Emmons of Highland Park Richard Kull of Bricktown and Al Nejme of Hawthorne.

Indian Harriers Opening

Montclair State College opened its 28th intercollegiate cross-country season September 23 when Coach George Horn took his hill and dale squad to West Point for a dual meet with the United States Military Academy.

Horn in his sixth season with the Indians views the coming campaign with considerable optimism. The Indians have posted 7-6 and 6-5 marks in dual match competition and appear ready to have a big year.

Horn's strength will come from Vic Mizzone, a senior from Totowa, Kevin McGrath, a senior from Montclair, Steve Schappert, a senior from Boonton and Eugene Weiss, a junior from Butler.

Mizzone, one of the best cross-country runners to be developed at Montclair State, placed first in nine of the 11 meets the Indians took part in last year. In addition he finished third in the Collegiate Track Conference Meet in New York City.

McGrath and Schappert are steady performers who are headed for their best campaigns. Weiss, who placed second in the National Collegiate Athletic Association College Division 880-yard run, is also a proven hill and dale runner.

Two transfer students, Bill Lowing, a junior from Union and Joe Konarkowski, a junior from Bloomfield also figure to help the team. Rounding out the roster will be Allen Johnson and Bruce Scott and several promising freshmen.

Belleville Proved Tough Foe Saturday Against Bloomfield

Bloomfield's Bengals successfully invaded Municipal Stadium last Saturday afternoon but when the game came to a close they left Belleville with more than they bargained for.

In absorbing their second straight loss of the season 13-8, the Blue and Gold showed that they can hold a potent offense to a minimum of scoring. The low scoring affair saw Bloomfield capitalize on mistakes by the Belleville offense. A good run back on a punt and a recovered fumble led to the two Bengal scores while a last-minute drive by the Bellboys was capped by an 18-yard touchdown bomb by the quarterbacking of Phil Bruno.

Bloomfield was both bigger and stronger than Belleville but the muddy field and some crisp defensive hitting kept the Bengals at bay most of the afternoon. Bloomfield came to Belleville off an

impressive win over strong Seton Hall 21-0. In blanking the Seton Hall club, the Bengals got a top notch effort from sophomore sensation Wayne Ripley. But Ripley was held by the Bellboys to 24 yards in eight carries. The damage was done by a speedster from Bloomfield Felix Flores.

Early in the second quarter of the contest Belleville was forced to punt. The Bellboys' Joe Lotruglio kicked the ball to Ripley, who ran it 10 yards to the Belleville 41-yard line. On the first play from scrimmage Flores swept around the right side of the Belleville line and scooted almost untouched into the endzone. The Bellboys came back to block the extra point but the Bengals led 6-0 at the half time break.

The third quarter saw both defenses in superior efforts as neither team could mount a drive. But the decisive break came when the Bloomfield line jarred loose the ball on a running play.

Bill Frazzano of Bloomfield pounced on the fumble. The Bengals had the ball on the Belleville 25-yard line in perfect scoring position to add to their margin. Flores again hit the Belleville line and in five plays the ball rested at the eight-yard line. The period ended with Bloomfield deep in Belleville territory.

Frank Marra hit the left side on the opening play of the final stanza for the score. Costa Popademetriou

added another point. Belleville's offense showed it could move the ball when they engineered a 77-yard play with only minutes remaining. After quarterback Lotruglio scrambled for valuable yards

Phil Bruno came in with a screen pass to Steve Russimini for 28 big yards. Bruno again hit Russimini near the goal line for the Belleville six-pointer. Bruno added another two points on a fake-kick.

BECK'S COLUMN

MAX BECK
On and off we have written about the coming use of electronics in our daily lives. A new "Town of the Seventies" is going to be built near Chicago. It will be equipped with the ultimate in electronics service. It is going to be the Dream City of the future.
A large master antenna system will make it possible to receive exceptionally clear and ghost free television and the viewers will have the largest possible selection of programs.
Business establishments are going to display their wares on the home TV set, in color, of course. Automobile traffic is going to be electronically controlled in order to avoid overloads of the traffic arteries and, if necessary, provide detours. Electronic sensors will be used for fire and property protection.
The largest use will be made for audio — visual presentation for education. It is understood that all town records are going to be kept by computer and that all of these can be displayed right on the TV set in the home.
Orders for money transfers go directly to the bank. The inhabitants of this new city do not have to bother to write checks. People who are employed in the city do not even get a pay check, the money goes directly to the account. Any time they want to know how they stand they can see the ledger card on the TV screen.
These are just a few of the things, there are many more.
We service what we sell.

In Tough 13-8 Contest Here

Bengals Defeat Bellboys In Stadium Mud

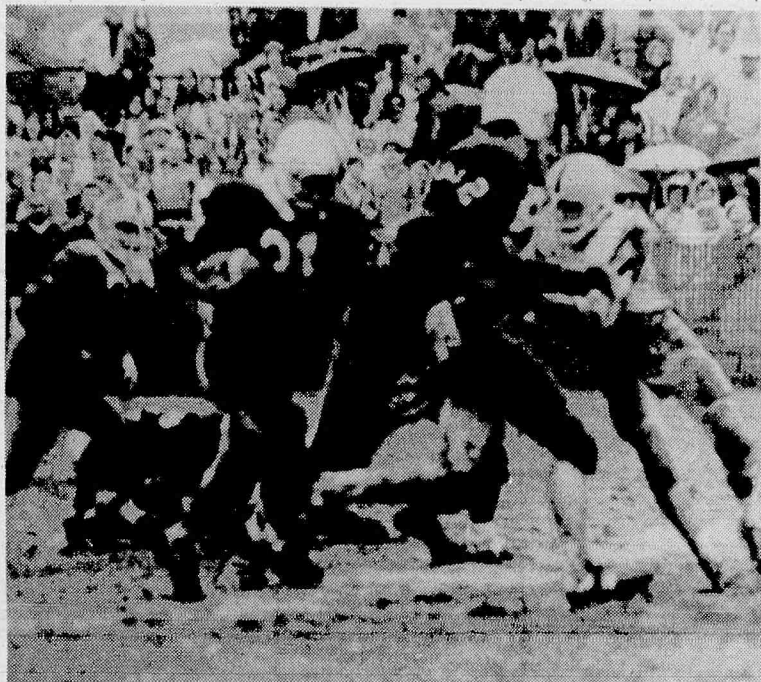

THROWING a pass to the left flat late in the fourth quarter of Saturday's game at Municipal Stadium is Bengal quarterback (17) Todd Tripuka. Pass was off target to (33) Felix Flores, partially hidden above by Bellboy line.

ON RECEIVING END of Phil Bruno's short swing pass in the third quarter of Saturday's game is (18) Joe Treise, who picked up four yards on the play, short of a first down. Treise caught two passes in the contest for 13 yards.

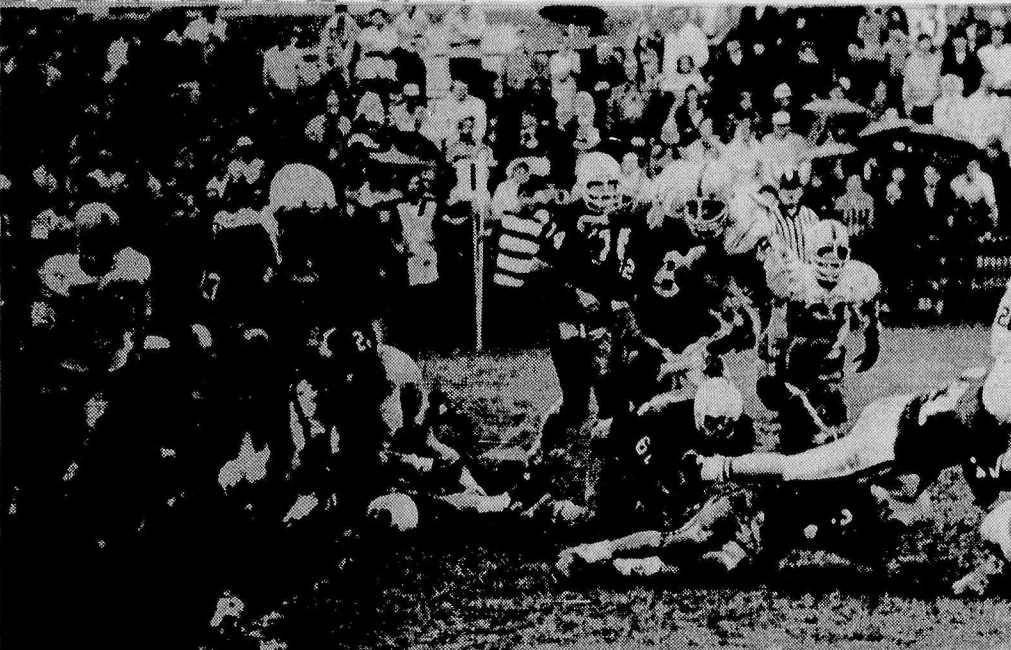

GOING OVER the top of Bellboy line in first quarter Saturday is Joe Treise, who fell short of first down marker on third down play. Treise had only four yards in six carries.

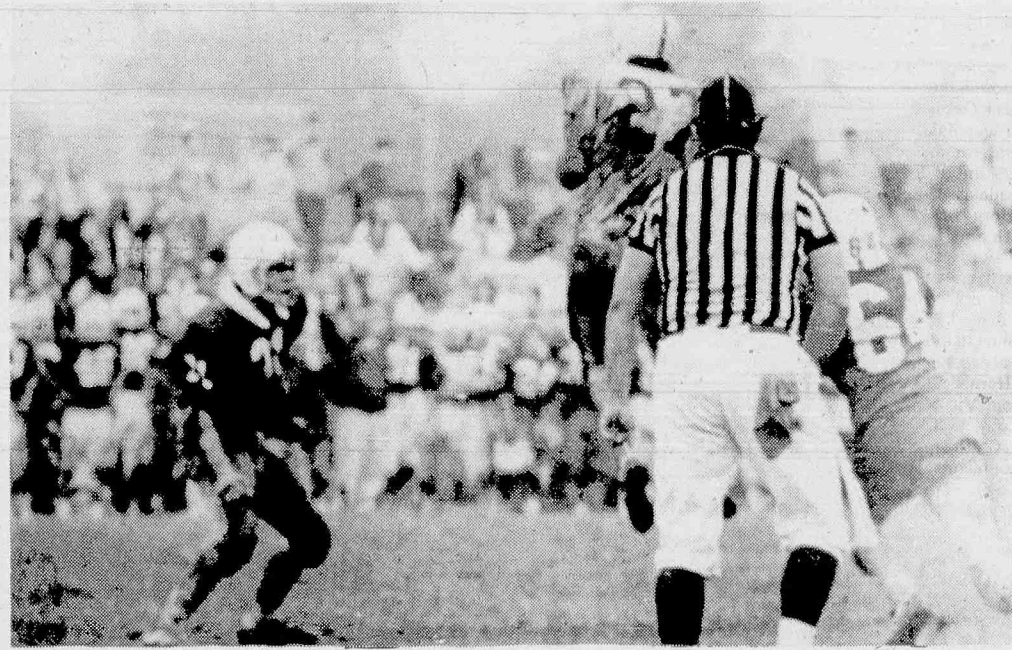

SCORING from eight yards out early in the fourth quarter is (31) Frank Marra, who took the trip around the left end. Touchdown run put Bengals ahead by comfortable 13-0 margin with only minutes to play.

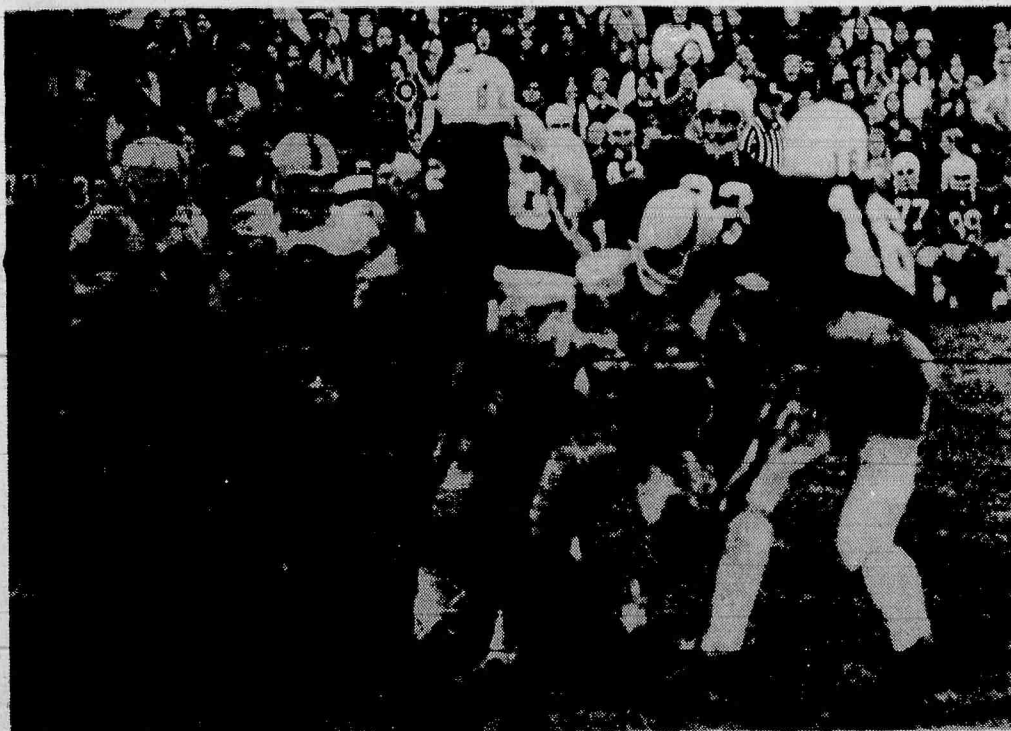

INJURED in fourth quarter play is Belleville strong safety Mike Egidio, who received bad bump on head. Assisting him off field is (37) Pat Dunn and (60) Sam Venezia. Also helping is coach Rocco Cafone (right) and Dr. Anthony Steffaneli.

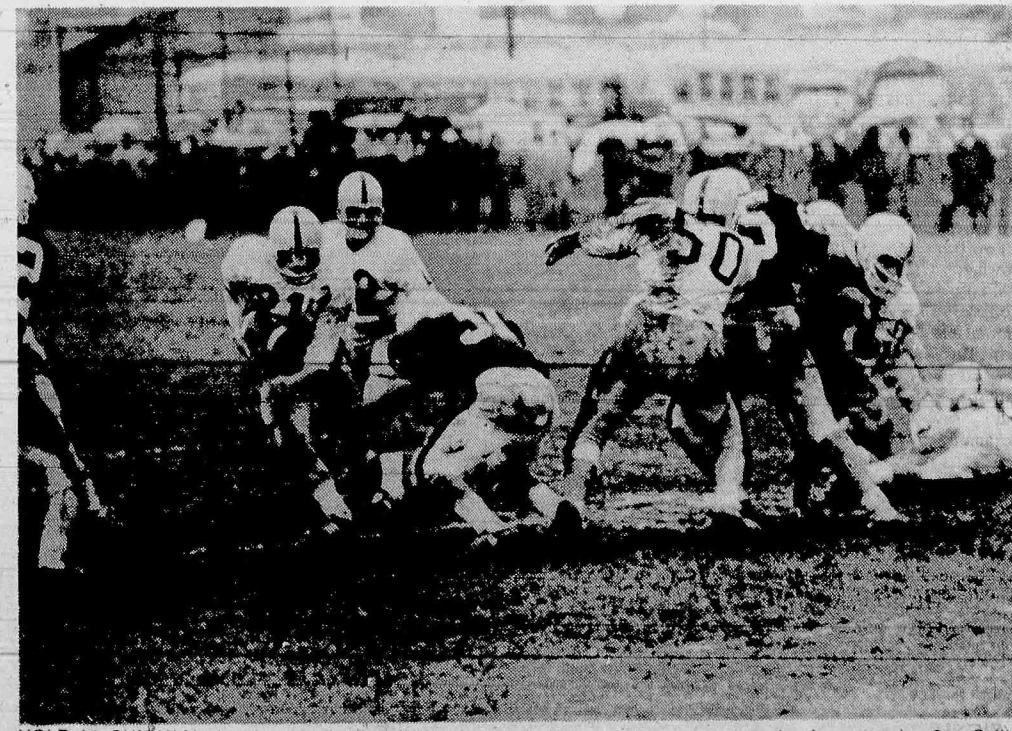

TOUCHDOWN JAUNT for 31 yards by (33) Felix Flores put Bellboys in a hole in the second period, 6-0. Flores' run was around right end and he scampered almost untouched into the endzone.

PASS RECEPTION by Belleville's Mike Porecco (27) helped set up only score for Bellboys. Reception put ball on Bloomfield 12-yard line. Porecco caught two passes during game for eight yards.

LOOKING TO FIND daylight in the line is Belleville's Joe Treise (18) with interference being led by (12) Joe Lotruglio, quarterback. Treise found room for only two yards in this third period play.

HOLE IS QUICKLY closed on Belleville's Richard Ciallella (31) in this first quarter play immediately after Bellboy interception of Todd Tripuka pass. Bellboys couldn't move ball until fourth period. Ciallella had three yards in three carries.

Receives Painting Award

(Continued from Page 1)
discouraged but kind words by many people kept my spirits up."

Mrs. Jockel is a "mood painter." She won't take to the easel for days but then something comes upon her and she dives head first into her painting.

"It's then that I neglect my household," she confided. "I just paint and paint and the hours seem to drift away. The housework isn't done and the supper isn't made and I don't even realize it until my husband steps in the door, coming home from work."

Her husband, Mrs. Jockel reports, doesn't seem to mind the neglect of the home when she is painting. In fact, Mrs. Jockel says her husband is one of her best supporters.

"The housework does eventually get done," she added.

Mrs. Jockel is into painting because "there is a lot of relaxation in it" but she does want to make a name for herself. She would like to see her paintings sold and is looking forward to having her own private showing in the future.

Already, last year, she had her work put on display. The West End Business Association sponsored her show at the National Community Bank in Rutherford. The one week show was put on last October.

"I didn't realize what it was all about," she said. "A woman came up to me and asked if she could purchase a painting. I was shocked."

The talent of art, sketching, and oil painting in particular is almost a family trait. Her brother for years dabbled in oil painting but Mrs. Jockel at the moment is the only member of the family that makes painting a serious hobby.

"My children have grown up and I was looking for something to occupy my time," she remarked.

"Several neighbors suggested that we enroll in an art course and everything has snowballed since then."

Mrs. Jockel always knew she had a talent for painting. It only had to be developed. Several years ago she attended the Newark Academy of Art but after her marriage, raising and caring for a family was her

NON - PARTISAN ASSEMBLY - Assembled here are some Democrats and some Republicans, two of whom are opposing one another for the N.J. Assembly race next month. Photo was taken at the Clara Maass Hospital dedication two weeks ago and included, from left, Belleville Tax Assessor Peter Torre, Democratic candidate for Assembly, Belleville Commissioner Mary Senatore who is also town Democrat Chairman; former Nutley Commissioner Carl A. Orechio, a Republican seeking election to the Assembly, and Mayor Joseph McGreevy who is presiding over this non-partisan group.

first concern.

She said that it was her son-in-law's idea to enter her painting in the State Fair contest. The Bizjack's picked up an application for their grandmother while they were attending the fair three years ago but it wasn't until last year that Mrs. Jockel entered her first painting. She won first prize her first time in the contest and this year was awarded a Best In Show Ribbon.

Born in Dover, Mrs. Jockel was raised and educated in Irvington and Newark. She has been a

resident here for 19 years.

"The first year I entered the contest I hesitated because I was afraid of not succeeding," she said. "But this year I had more confidence."

Mrs. Jockel visited Woodgate Station, depicted in her painting, last summer. She took a camera slide of the old New York State abandoned station and worked from that.

"I always work from slides," she added. "When you work with a photograph the colors aren't always true and sketching

out the scene on a daily basis creates problems. The light changes from day to day so you can't get that true perspective."

All totaled, Mrs. Jockel

has completed about 40 paintings. Many of them now hang in her home. She is hoping that in the near future they will be hanging in an area gallery.

Bad Checks Brings Jail

A Harrison man was convicted of cashing fraudulent checks Thursday in Belleville Municipal Court.

Charles W. Curry, of 104 Second Street, was given a nine month sentence in the Essex County Penitentiary on charges of cashing a counterfeit check at the Belleville branch of Fidelity Union Trust.

Judge Edward Abramson assigned the term to run concurrently with a sentence presently being served by Curry in the penitentiary.

Rules Of Hitch-Hiking Are Told

By Don Kowalski
(Many people say that hitch-hiking is dead. They point out that it is against the law in many places, that the public opinion is strongly against it, and that drivers and hitch-hikers alike seem to be nothing but sadists, fruitcakes, and thieves. Okay, so nobody's perfect. But I'll tell you the real reason why many think hitch-hiking has declined.

It's technique, or lack of it. Today we're spoiled by modern life with all its ease and simplicity. Yet in the hopes of reviving true technique again, I put down on paper the basic rules. They must be carried out completely if one is to achieve his goal—a ride. It is a fact that clean, respectable, middle-class people simply do not pick up hitch-hikers. Most rides are furnished by hippies, students, and queers. Remember this.)

The procedure:
After safely positioning yourself on the roadway, turn to face the oncoming traffic. You can remain in a stationary position or slowly walk backwards to your destination. Now you are ready to begin.

Method No. 1. Hand Movement. This method contains three basic parts. They are: 1) Pre-Decision Period. This is the time when a motorist first spots you. The right thumb should be extended in an outward fashion to the vehicle. Eyes clearly upon the driver, you should convey the message that you need a ride. 2)

Decision-Making Period. This is the most critical time of all. Here, in the space of forty yards between the driver and you, the motorist is making up his mind. It is at this time when many hitch-hikers come on too strong, thereby turning off the driver. Actually, one should turn his thumb up and down repeatedly, in the manner of the Roman emperors, when they were

to decide on the life and death of some worthless Christian. In this way you are showing the driver that he is the boss, that the decision is his, and that you yourself are powerless. 3) Post-Decision Period. Sad but true, there are times when a motorist will pass up the opportunity of having you as a guest in his car. When this occurs, immediately position

yourself on the roadway so as to be seen in the passing motorist's rear-view mirror. At this time, every hitch-hiker displays his own special hand-signal that represents displeasure. Some prefer holding their thumbs to their noses.

By Editor

Opinions Are Voiced

By Bill Hamilton

With the passing of Beth Fitzgerald (to college, that is), I have been given the task of co-ordinating this "student page" of the Belleville Times. This page, conceived by Beth and with her as its first co-ordinator, received much attention but few contributions. I hope to change that fact of the past and begin this second year with a revision of policy regarding the content and writers of this much needed and highly read page. Often the individual student in Belleville High is stifled in his or her attempt to voice an opinion or make a suggestion or comment regarding the youth of this community. This page, I hope, will provide an outlet for intelligent ideas to be proposed and deserved criticism to be voiced. Not only will school organizations be able to announce achievements and plans here, but the individual will be given an opportunity to be heard. You, the reader, may not always agree with what another has written, but each has a right to their opinion and all have the chance now to reveal that opinion. The only requirement is that the article must deal with some phase of youth. Students are urged to make use of this opportunity and I urge the residents of Belleville to read the future articles written by the youth in an attempt to bridge the infamous "Generation Gap" which is nothing more than a lack of understanding.

I hope to institute a weekly editorial column on this page which will reflect the views of myself and others concerning the issues of the community, and perhaps those of the nation. Another feature that may become a part of this page is a series of articles dealing with humorous aspects of life, particularly the life of young people today.

I cannot stress enough the fact that this is not going to be a page only for the students of Belleville High School to read, nor only for the youth of Belleville, but rather this is to be a place for youth to share ideas with everyone young or old. If you agree or disagree with something appearing on this page, even if you are not a student but simply a concerned individual, you are free to submit comments, for publication or not, to the Senior High School Office and I will see to it that they reach the proper person.

I hope to make a beginning here; to create a mutual understanding between the young and not-so-young, and in achieving this goal, we may all understand ourselves that much more.

BHS Band Is Already Swinging

By Don Messina

The Belleville High Band has already begun its 1971-72 season. During the summer the organization, under the direction of Mr. Robert Wing, has practiced many of the tunes and routines to be used during this year's football season. The Belleville Band is not

merely a group of students playing music. Beside Mr. Wing, there is what is known as the Cabinet. This year's president is Bill Hamilton (who was last year's vice-president) and his vice-president Peter Gasiewicz. Class representatives are Laurie Fuchs for the Senior class, Don Messina for Juniors, and Bob Cozzarelli for Sophomores. The Band is ably conducted by Drum Major Lynn Sutula.

However this organization is not restricted to the football season. On Sunday, September 19th, they performed at Clara Maass Memorial Hospital for the dedication of the new Continuing Care Unit, along with the Twirlers. Beside that, they will be doing numerous parades, a Band Show in spring and a Band Trip in summer.

The Band Trip is the largest production of the year. Last year they spent a five day trip in Cape Cod, Massachusetts and did performances from Provincetown to Chatham.

The entire group did their second presentation at Bayonne on Friday night, September 24th at eight o'clock P.M. when the Bellboys faced Bayonne.

For Coming Year

Activities Are Outlined By Student President

By Bill Hamilton

Sporting a heavy mustache and appearing to be a man in his late twenties, Mark Stabinski, President of the Student Government Organization at Belleville High, is a student with very positive ideas and goals. His basic policy is to promote activities geared to the interests of the students of Belleville.

Probably the major concern of the inhabitants of Belleville High is that of the Student Lounge. A large storage room at the High School has been converted into a lounge area with paneling. The floor tiles, already ordered and received, simply must be laid by maintenance men within the next few weeks. Furniture is to be bought with money left by last year's senior class, who did much to secure the lounge facility for the High School.

Another idea which Mark is currently working on is open study halls, where those students who wished to study or do homework would go to one room, while those who wished to talk with their friends would be assigned another room. Mark has also finalized the idea of showing feature movies in the auditorium on Friday nights, with profits going to the SGO treasury. Cost of admission would be low and refreshments would be available. This will probably

School Key Club Elects Officers

By Tom Toto

The Belleville High School Key Club started off the 1971-72 school year with an official meeting on Monday, September 27, 1971. The officers were introduced at the start of the meeting and they are as follows: Bill Hamilton, Lieutenant Governor, Steve Rovell, President, Mark Stabinski, Vice-President, Tony Calabrese, Secretary, Frank Arena, Treasurer, John Mustachio, Senior Representative, and Martin Goor, Junior Representative.

President Rovell would like all members involved in activities useful for our school and community. He would like to follow much of what was done last year such as: ushering school

activities, student tutoring, maintaining bus shelters, organizing fund raising activities and many others. He would also like to introduce new plans, and has asked the club members for their opinions and ideas.

Last year the Key Club had possibly one of its finest years; however, this year we are hoping to do different, useful, and more imaginative things. We hope to work together with other students and townspeople instead of on different levels.

I believe I can safely say that, under the leadership of President Steve Rovell, the Belleville High School Key Club will be doing new things of great importance that will benefit the school and community.

College Representatives Attend Parents' Information Night Slated Tonight At High School

Over 20 representatives of institutions of higher learning will be at Belleville High School tonight. The program is slated from 7:30 to 9:30 p.m.

This program, report officials, will be a variation from the usual college night because parents will meet in classrooms with the representatives of each individual school and have the opportunity of asking them questions pertaining to admission.

From 7:30 to 8:30 p.m. all parents will meet in the auditorium and receive information about financial assistance available. From 8 to 9:30 p.m. there will be three chances to give the parents the opportunity to meet with three different college representatives.

High School seniors are welcome to attend the Parents' Information Night, if accompanied by an adult or parent.

Schools represented tonight include Alphonse College; Berkeley School; Bloomfield College; Clara Mass Hospital School of Nursing; Edward Williams College; Essex County College; Fairleigh Dickinson

Lombardo Directs College

Victor Lombardo, formerly of Belleville, has been appointed director of the educational media center at Evangel College, Springfield, Mo.

For the past three years Lombardo was special education teacher in the Cedar Grove public schools. He is author of a book, "Teacher, May I Leave the Room," and two educational series, "The ABC's of Getting and Keeping a Job" and "Enjoying the World Around You."

Lombardo taught at Title I School, Newark, in 1967-68, and was part-time director of the adult continuation program in special education at Newark State College at the same time. He was an intern under a clinical psychologist at the Occupational Center of Union County, Elizabeth, in 1966.

A graduate of Belleville high school, Lombardo earned his B.A. in elementary education and his M.A. in mental retardation at Newark State College. He holds a certificate to teach the emotionally disturbed and socially maladjusted.

Lombardo is a member of the International Platform Association, the National Education Association, and other professional organizations. He has been a cartoonist for "Family Scholar," published by Scholar Publications, Charlotte, N.C.

Library Open On Holiday

The Belleville Public Library will be open Columbus Day, Monday, October 11 from 9 a.m. until 9 p.m.

Young Residents Fined By Court For Curfew, Consorting Violations

Three Belleville residents were fined in Municipal Court last Thursday for violation of curfew. Two of the three were also found guilty of consorting.

Judge Edward Abramson found Charlene Trimarco,

21, of 74 Prospect Street; Edward Littig, of 133 Cedarhill Avenue, and Robert Murphy of 82 Adelaide Street guilty of violating the town curfew ordinance on a complaint signed by park police detective John Longo dated

August 20. Longo testified on that date the three defendants had been observed in a crowd in Belleville Park, and were subsequently arrested. Fines were \$25 in each case. In addition, Abramson

found Littig and Trimarco guilty of associating with persons of known criminal records, or consorting. They were given three month suspended sentences, and a one year probationary period.

Fuel Oil
Standards
To Change

The New Jersey Department of Environmental Protection today issued a reminder that on October 1, 1971, the final sets of standards designed to control air pollution from sulfur dioxide caused by the burning of fossil fuels go into effect.

The standards pertaining to sulfur in fuel oil, together with their respective deadlines, were made public at the time that the New Jersey Air Pollution Control

Local Educator
Attends Meeting

Mrs. Virginia A. Tomlin of 27 Kierstead Avenue, Nutley, head of the home economics department at East Orange High School, attended the Annual Home Economics Fall Conference at the Holiday Inn, Trenton, on September 24 and 25.

The theme of the fall conference was "Career Education and Changing Family Patterns."

Your Weekly Horoscope

October 9 through October 15, 1971

ARIES (March 21-April 19): Try not to feeler during first two days, Ari, or by midweek you'll be a tottering wreck. It is good to keep moving, pet, but there is more than up and down. There is back and forth, and around and around — not to mention over and out. Use your noodle and by end of week you will be moving in the right direction — AHEAD.

TAURUS (April 20-May 20): If you're an older Taurus, you wonder what has become of yesteryear, don't you? When you and the world were green. Well, cheer up, dear, the sun will shine again, and the moon, too. And when that time comes you will be in an even better position to take advantage than when you were younger. You'll warm in the sunshine and bask in the moon glow.

GEMINI (May 21-June 20): Love is on its way. Gem, and Olga's advice is to accept, accept. A little love will certainly raise your sagging morale, and at the same time it may prove healthful, by lowering your blood pressure.

CANCER (June 21-July 22): You run, Moonlove, but there is no escaping one who pursues. There are not enough places left to hide. Perhaps a confrontation is in order, on neutral ground, of course. To protect your best interests, invite a third party to accompany you. One whose judgment and sense of fair play are respected by your daily associates.

LEO (July 23-August 22): Don't be depressed in week ahead, Leo-honey. Leo is NEVER a loser, at least not in the final shuffle. Check carefully into your affairs(?) and no doubt solution to what's bugging you will be found. Week in general is rather tacky. Sorry, love, but you can't expect to lick the frosting bowl EVERY time a cake is baked, you know.

VIRGO (August 23-September 22): If last few days have been lemons, Virg, perk up. Weeping and wailing won't help one whit. However, if put on a cheery face and go forth and spread a little joy, you may be in for a nice surprise. Like maybe finding someone rather jazzy across a crowded room.

LIBRA (September 23-October 22): Ideal week for you, Lib, to take care of broken fences, and promises. Key to success is tenderness. You are at heart a gentle, loving person. In days ahead, give. But give without reserve, as the beautiful autumn flowers give of their fragrance, asking nothing in return.

SCORPIO (October 23-November 21): Memories haunt in week ahead, Scorp. Stabs of pain are relieved from time-to-time by tiny stabs of pleasure. Do not lean on daily associate for emotional support. This oaf has the backbone of a piece of cooked spaghetti. YOU are the strong one, Scorp. Share your strength with weak-kneed buddy.

Code Chapter 10 (Sulfur in Fuels) was promulgated on January 12, 1968. Fuel oil merchants and consumers have had the intervening three years in which to prepare for the October 1 compliance deadline.

By October 1, the sulfur content of Numbers five and six and heavier fuel oils sold and used in New Jersey must not exceed 0.3 percent. These oils are used mostly in power generating stations, big industrial furnaces and in heating systems of larger commercial installations. The sulfur content of Number four oil, used in apartment buildings, commercial buildings and small industrial furnaces, must not exceed 0.3 percent, and the sulfur content of Number two oil, used in residential heating and small commercial establishments, must not be in excess of 0.2 percent.

Also on October 1, new standards for sulfur content in coal (regulated by Chapter 10-A of the air pollution control code) go into effect. On and after that date, the allowable sulfur content of both bituminous and anthracite coal is 0.2 percent.

Seven rural counties are exempted from the October 1 sulfur-in-fuel regulations (both oil and coal). They are Atlantic, Cape May, Cumberland, Hunterdon, Ocean, Sussex and Warren. In all other parts of the state, however, no fuel may be sold or used which does not meet the new standards.

Overnight Retreat Set
For Church Group

The Christ's Ambassadors Youth Group of Nutley Assembly of God will be conducting an overnight retreat on October 8 and 9 at the New Jersey Assembly of God Camp at Schooleys Mountain.

Upon arrival on Friday Evening there will be "snack and chat" time around an open fireplace on one of the camp lodges, followed by devotions before retiring.

The next day will consist of three hearty meals for "outdoor appetites," outdoor and indoor games, hiking and a ball game. In the afternoon, a rap session will take place consisting of questions and answers between the kids and Dave DeMola, who is the featured guest and youth director of the Christian Church of North America.

Rev. D. DeMola

The day will end with a special program of interest to youth with Dave DeMola presiding.

SAGITTARIUS (November 22-December 21): Now look, Sag, you had your little fling last week. But your fling has been long and now it's back to business. And not the monkey-type either. REAL business, baby. Otherwise, Good Time Sag will be in a mess beyond compare. So knuckle down.

CAPRICORN (December 22-January 19): Cap, if you have not been taking good care of yourself, not getting enough rest, or not eating properly, prepare to accept the consequences. You may deceive your family and friends, but CRASH, RUMBLE, BAM. It's not NICE to fool Mother Nature.

AQUARIUS (January 20-February 18): If romantic involvement appears to be withering, cut it from the vine, Aquari, thus you salvage your pride, at least. And though your heart may be heavy, walk away. Quickly and with style.

PISCES (February 19-March 20): Don't ever worry about drowning in your own tears, Pisces. There is not a chance. Being a fish, you're an expert swimmer. In week ahead, you'll float like a cork even though domestic waters may be rough. In fact, when December 31 rolls around, you'll look back on 1971 as a vintage year. Wait and see.

State Symphony Gets Top Pianist

Alicia de Larrocha, one of the great pianists of our day, will appear as guest soloist with the New Jersey Symphony Orchestra in the opening concerts of the 1971-72 season at Montclair High School on Friday, Oct. 15 and on Saturday, Oct. 16 at Millburn High School. The concerts will be conducted by Henry Lewis, the Symphony's music director, and will begin at 8:30 p.m.

Miss de Larrocha will perform Schumann's Piano Concerto in A Minor and Nights in the Gardens of Spain by De Falla with the orchestra.

Everywhere Miss de Larrocha has played, both here and abroad, critics have lavished extraordinary praise on this virtuoso from Spain. After an appearance at Carnegie Hall, Harold Schonberg of the New York Times wrote, "She has a technique that can be classified as stupendous."

Concert Series For Essex Is Scheduled

An expanded series of concerts will be presented in Essex County by the New Jersey Symphony Orchestra as part of its 1971-72 season.

The Essex concerts will consist of five at Montclair High School, five at Millburn High School, two at Essex High School, North Caldwell, four at Newark's Symphony Hall, and a new series of two concerts at Columbia High School, Maplewood. They were announced by Benson E. Snyder, general manager of the orchestra, as part of a schedule presenting series in 10 different communities in Northern New Jersey.

The orchestra's season will be its most ambitious ever, with about 120 programs being planned including series, single concert dates and a heavy schedule of student concerts.

The season will include appearances at the heralded Kennedy Center for the Performing Arts in Washington, D.C. and at Carnegie Hall, New York.

Jersey Cancer Crusade Breaks All The Records

The American Cancer Society's New Jersey Division has broken all former records with a total of \$1,811,676 in Crusade contributions for fiscal 1971, it was announced last night at the Division's 26th Annual Board of Trustees meeting held at the Spring Lake Country Club.

The total was reported by C. Victor Rone of Vineland in his last official statement as chairman of the Division's 1971 Crusade. Rone, who was later installed as president of the Division, said that the final figure surpassed the Division's 1971 Crusade goal by \$61,676.

This tiny Spanish woman is pianistically flawless, with infallible fingers, brilliant sonorities, steady rhythm, everything."

Alicia de Larrocha began

Alicia de Larrocha her piano studies at the age of four under Frank Marshall, a former pupil of the composer Granados. She gave her first concert at the age of five and went on to win the Grand Prix du Disque and the Paderewski Memorial Medal among other prizes. Having had the mantle of the "Granados Tradition" passed on to her, Mme. de Larrocha is now a Director of the Marshall Academy in Barcelona, which was founded by her former teacher.

During the 1971-72

season, Alicia de Larrocha will also appear with the New York Philharmonic; the Philadelphia Orchestra; and the Cleveland Orchestra, among others, and will play more than 30 recitals from coast to coast. She has been heard in concert many times in the music capitals of Europe: Paris, Edinburgh, Geneva, Brussels and Lausanne to mention a few of the cities

where audiences have acclaimed her performances.

Also included on the Montclair - and Millburn program is Beethoven's Symphony No. 4 in B Flat and Ravel's Alborado del Gracioso.

Tickets for these performances may be purchased now at the Symphony box office at 1020 Broad Street, Newark, or by calling 624-8203.

"Across the Street Under-The-Tent!"

PROCLAMATION by Mayor Joseph McGreevy (center) declaring week of October 24-30 as American Education Week in Belleville is seen by Superintendent of Schools Anthony Greco (left) and Thomas Testa, president of Belleville Education Association.

School Officials And Mayor Issue Education Proclamation

Fueled between the Belleville Board of Education and the Board of Commissioners may be a thing of the past. This week Mayor Joseph McGreevy declared October 24-30 as American Education Week.

Also, a meeting of the two Boards is slated for an unnamed date in the near

future to discuss plans to move the main School System offices into the newly acquired Health Department Building at the corner of Washington Avenue and Joralemon Street.

Both Greco and McGreevy agreed that American Education Week should

draw attention to the education system here.

In the proclamation, McGreevy stated "The schools represent the best efforts of the community, the state, and the nation to improve the quality of life for each individual and for all mankind."

"Each citizen, in order to

contribute to such efforts, must have an opportunity to learn about and understand the progress, problems, and potential of the schools. The public schools constantly strive to bridge the gaps that threaten the unity and strength of the nation."

Fairway Avenue Helped

Mayor Joseph McGreevy revealed at Tuesday night's commission meeting that bulldozers should be working in the Fairway Avenue area soon in an effort to correct flooding conditions at the Third River there.

Residents of the Fairway Avenue area again appeared at the Commission meeting with complaints that Sunday's rain storms created more flooding.

Mayor McGreevy also said that he would like to see a joint meeting called between area communities to discuss what can be done about the Third River. He suggested that Belleville, Bloomfield and Nutley, along with municipalities such as Clifton and Montclair, become involved with the problems of the River. The Mayor said "maybe these Towns could get together with the Army Corps of Engineers and work something out."

Workers from the Department of Public Works, headed by Commissioner Mary Senatore, pick up the glass after the 1 p.m. Saturday deadline. The glass, in turn, is picked up by Recreation Department workers, who store the barrels in a room at Municipal Stadium. The glass will stay there until 5,000 bottles are collected. Then they will go to the reclamation plant in Jersey City.

Joanne Connelly, although she initiated the project, had help from many citizens in Town in her efforts to start the glass reclamation project. With the encouragement of her science teacher Vincent D'Anton in the Junior High

(Continued on Page 3)

Program Is Initiated For Glass Reclamation

Through the efforts of a 14-year-old Junior High School girl, two Town Departments and a local supermarket, a glass reclamation drive has been initiated in Belleville.

The project, sponsored by Girl Scout Troop 688 out of Montgomery Presbyterian Church, started last Saturday in the parking lot behind the A & P Foodmarket on Franklin Avenue. Over four large barrels and 15 boxes of glass containers were collected by the Scouts. The discarded glass will eventually reach the Metro Glass Co., a Jersey City recycling plant.

The program will be run every Saturday from 9 a.m. to 1 p.m. It is the brainchild of 14-year-old Joanne

Connelly of 24 Walnut Street, a Junior High School student who for many years has been interested in ecology. Her concern for the environment, and Belleville in particular, brought her to the reclamation project.

"But that is secondary in our venture," said Joanne. "First of all we want to clean up Belleville."

CONTRIBUTING to the glass reclamation drive here is two-year-old Geanne Lee, being assisted by Joanne Connelly, founder of project. Citizens may drop off glass at A & P lot on Franklin Avenue Saturdays, 9 a.m. to 1 p.m.

By Almost 4 Per Cent Crime Down In Town Say State Authorities

Crime in Belleville during the past year was down 3.9 per cent, according to the 1970 Uniform Crime Report recently released by the New Jersey State Police. Statewide, crime was up 13.8 per cent, while Essex County showed an increase of over 14 per cent, according to the annual survey.

Police officials in Belleville in part attribute the decrease here to increased patrolling of crime areas and a beefing up the local police force.

The figures are based on reports submitted under the Uniform Crime Reporting Program during 1970. This is the fourth year the state has issued the publication "Crime in New Jersey."

According to the publication, crime was up in neighboring Nutley and Newark, while being slightly down in Bloomfield.

It was reported that murders in 1969 and '70 were the same with one in each year while Belleville had two manslaughters in both years. Forcible rape was up in 1970 from one to three. Robbery here showed an increase on one, from one to two. Total assaults also increased in 1970 over

'69 from 38 to 47. Reflecting the increase was non-atrocious assaults from 30 to 42 while the more serious atrocious assaults dropped from eight to five. Breaking and entering incidents in Town also increased from 185 in 1969 to 229 in 1970. Showing the biggest decrease in the

crime area in Belleville was auto thefts. There were 148 thefts in 1969 compared to a total of 113 in 1970. The larceny figure too was slightly up with 309 to 316. Larceny of over \$200 decreased along with the under \$200 range, but there was a big increase in the under \$50 larceny.

Traffic Survey Slated For Joralemon Area

Town Fathers Tuesday night promised a group of Joralemon Street residents in the Franklin Avenue area that a traffic survey of their side of Town would be taken.

Five residents complained to Commissioners at the

Tuesday night meeting that traffic in their area creates "a dangerous and hazardous condition." They also claimed that the area "is dirty and hardly ever cleaned."

One woman claimed she

personally "several times cleaned the street there" in an effort to keep the neighborhood looking respectable. Robert Laterza, Commissioner of Public Safety, told residents he would handle the problem.

Gridders Top Nutley

Host Passaic Next

By John Bunevich

After disposing of arch rival Nutley last Saturday in a 7-6 squeaker at the Park Oval, the Bellboy varsity gridders return to Municipal Stadium to host a bigger Passaic High School club. Game time is slated 1:30 p.m. Saturday.

The Blue and Gold coaching staff, headed

by Rocco Cafone, is viewing the game as a pivotal contest on the schedule. The Bellboys sport a 1-2 record now and a win Saturday would put them at the .500 mark. Two wins could give the local club the momentum to successfully carry them through the remainder of the fall slate.

"We can't take

Passaic lightly," remarked Cafone earlier this week. "We know we can beat them but we have to avoid a letdown after the big Nutley game."

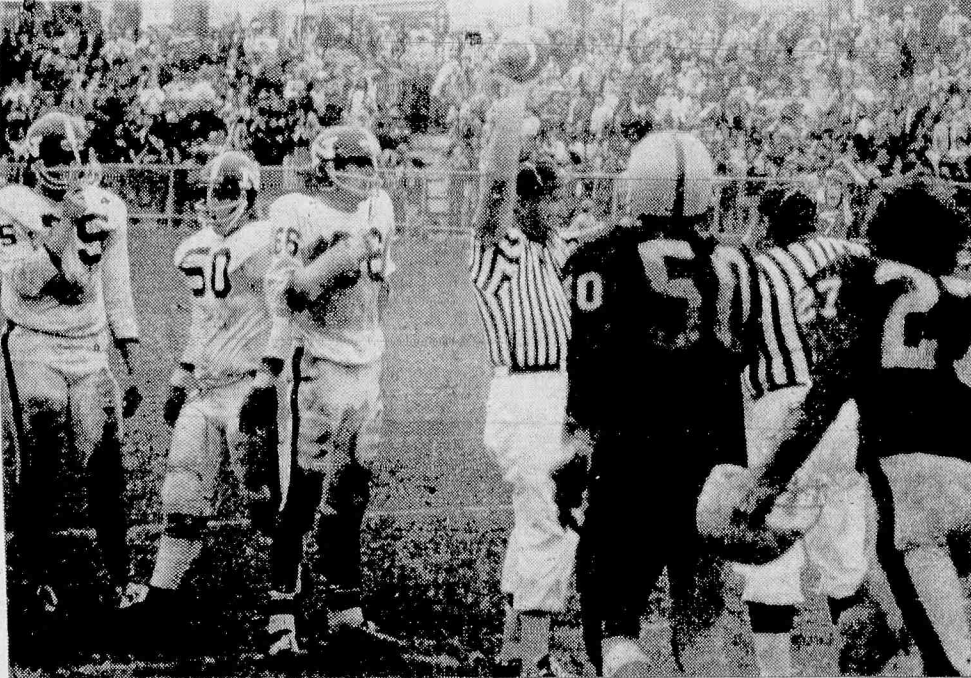

Again this week Belleville will be facing a club that is physically superior to them. In the Bellboys' past contests, Bayonne and Bloomfield, the

opponents utilizing their size played a large part in the outcome of those games. The varsity lost both the contests before meeting Nutley on even terms, physically.

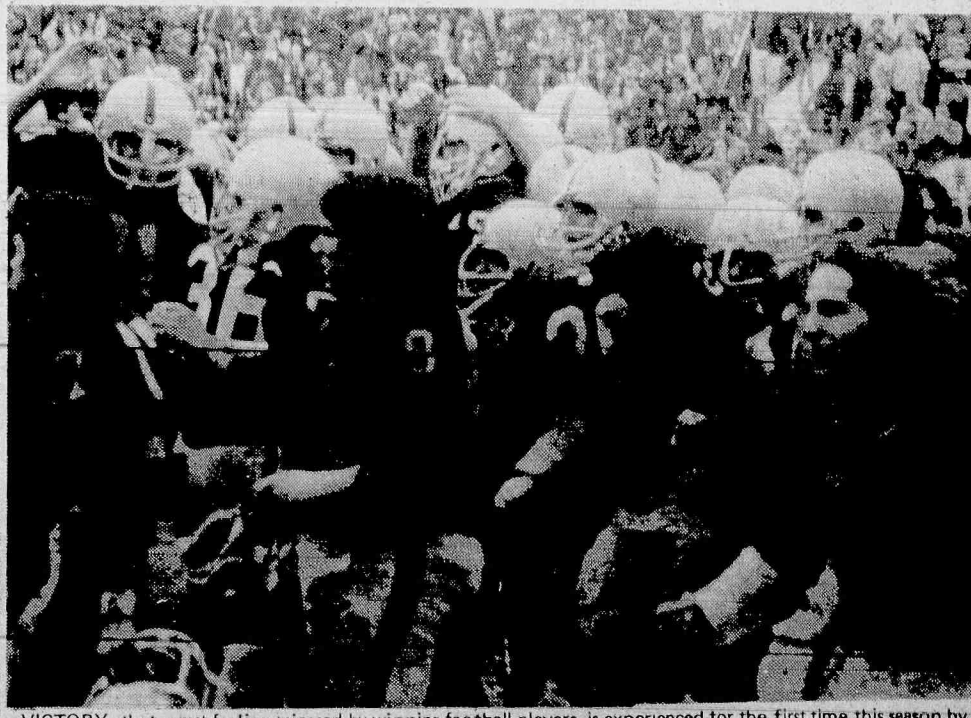

Cafone said that his interior line has to follow-up with another

Belleville is to even their season mark. The

GAME IS OFFICIALLY ruled over by ref, as he extends ball over his head. Maroon was threatening but Bellboy defense stiffened to stop last second drive. Here, Bob Luongo (50), and (27) Michael Porecco, rush to extend post-game handshake with three stunned Nutley players.

VICTORY, that great feeling enjoyed by winning football players, is experienced for the first time this season by a host of Bellboy gridders, seen above. Local club posted hard-fought 7-6 win over arch rival Nutley.

Bellboys Pick Up W. Essex

Belleville has dropped Bayonne from its football schedule in favor of West Essex High School. The announcement was made last week by Athletic Director Herman Wische.

The West Essex gridders will travel to Municipal Stadium next fall to meet the Bellboys in their first home date. The regional high school draws from the Towns of Fairfield, North Caldwell, Essex Fells and Roseland. Fairfield is the home of Belleville varsity head coach Rocco Cafone.

Wische and high school principal Raymond O. Smith made their decision after taking into consideration the unfortunate events that took place after the Bellboys' first varsity game this fall. Belleville traveled to Bayonne for its first night game in many years but the contest was marred by fights in the stands.

"I think we've picked up
