

SIGNING proclamation designating November 13 as Homecoming Day for high school class of '62 is Mayor Joseph McGreevy as Pat Barbone, chairman of parade and celebration, looks on. Class will be honored at football game.

At Football Game

Homecoming Planned For Class Of '62

By Bill Hamilton

by Bill Hamilton
The Kiwanis Club of Belleville is planning a Homecoming to be held in conjunction with the Belleville-Kearny Football game to be played on November 13, at Belleville Stadium.

Pat Barbone of the Belleville Kiwanis is chairman of the committee of prominent citizens who are organizing the festive occasion. Among the highlights of the day are a parade featuring floats and the Belleville High School

Band, a trophy presentation to the most valuable players of the Belleville team for the Kearny game, and the presentation of flowers to the Homecoming Queen,

Christ Episcopal Anniversary Set

Christ Episcopal Church, one of the oldest Episcopal Churches in New Jersey will celebrate its 225th Anniversary on Sunday at special services. Founded in

1746 under a charter from King George II, the Church has held services almost continually since that time.

Special Services on Sunday will include Festival Services of Holy Communion with Sermon at 9:15 and 11 a.m. Sunday Morning, and a special Evening Prayer Service of Thanksgiving at 4 p.m. The

Preacher at the afternoon service will be the Rt. Rev. Leland Stark, Bishop of Newark. He will be assisted by the Very Rev. Dillard Robinson, Dean of Trinity Cathedral in Newark, whose parish was begun under the same charter as Christ Church.

(Continued on Page 7)

Oil Bids Rejected By School Board

Belleville Board of Education rejected a resolution Tuesday night that would have granted an oil contract for the town school system because of what was termed "loose bidding procedures."

Following an hour of closed consultation, the board voted unanimously to reserve any decision on a contract until the situation could be further studied. At that time the board approved a resolution which authorizes Northern Oil Company, Newark, to provide emergency fuel oil until the annual bid has been decided.

According to board member Larry Schwartz, bidding procedures by three interested oil concerns "have not been satisfactory, and rather than be forced into a contract we will investigate the matter further."

Board member Cesar Romano explained that the action was a part of general financial tightening up by the board. "We are trying to institute more stringent specifications on an overall basis, closer control over what is being done with our money," he said.

Election Results By Phone

Local and area election results for the first time will be available by telephoning The Belleville Times at 759-3200. The service is being tried Tuesday night as an experiment and if successful, will be continued in the future. Persons are may call The Times' regular number, 759-3200.

Results will be available starting shortly after the polls close. Telephones will be manned until 10:30 p.m. Tuesday.

Candidates Night Scheduled At Legion Post Tomorrow

All candidates for county and state offices have been invited to air their views on the issues when Belleville Post 105 of the American Legion hosts a "Candidates Night" tomorrow, 8 p.m., in the Post Home, 621 Washington Avenue.

The program is being sponsored by the Essex County Committee of the American Legion to acquaint residents with the candidates and their views. As part of the public service program by the Legion, the public is invited to attend. According to Legion

officials, each candidate will get an allotted time for speaking, followed by a question and answer period when questions will be fielded from the audience.

The Legion's Essex County Committee has expressed concern for the Vietnam Veteran Equalization Legislation to be introduced at the next legislative session and officials will center their questioning around this bill. The candidates will be asked to give their views on this question.

According to an official release, the American Legion, Department of New Jersey, deems this an urgent matter. Chairman of the Essex County Committee, County vice-commander Carmine Petti asks that all Legionnaires, veterans and their families attend this important meeting.

Vice-commander Petti said Essex County commander Jack Gorman is giving much attention to the plight of the Vietnam vet this year.

An Editorial

Corruption And Tuesday

By Frank A. Orechio

Next Tuesday, November 2, is General Election Day. Qualified voters have the opportunity to visit their polling places and cast ballots for candidates of their choosing.

Before Governor William Cahill took office, New Jersey was known not only as the home of the brave and the free but also as the national headquarters of organized crime.

In two short years this Jersey reputation has changed dramatically — and much of the credit goes to the leadership provided by Governor Cahill. Without fear or favor official corruption is being routed out of city halls and courthouses. A Republican Legislature with majorities of three to one has aided Governor Cahill in this crusade — this is not to say crimebusters like Judge Fred Lacey and U.S. Attorney Herbert Stern have not done their part to route out official evil. Judge Lacey, and U.S. Attorney Stern, both appointees of President Nixon have achieved unique results in putting behind bars more bigshot members of organized crime over a two-year period than were put to jail since New Jersey became a State. This unique record was achieved with the cooperation of Governor Cahill's office, the Republican Legislature, and New Jersey law enforcement officers working with and through the Republican Attorney General.

Thanks to all these efforts New Jersey's reputation has been redeemed. New Jersey is now known as a State where members of organized crime fear to tread. This status is only one of the reasons why voters should want to elect Republicans next Tuesday as an expression of confidence in Cahill administration.

The Assemblymen and Senators to be elected Tuesday will be faced with serious problems of tax reform, balancing the state budget, congressional redistricting, bond issues to build new prisons, enlarge and update existing state hospitals and institutions. Bond issues may be necessary to finance rapid transit needs of our state.

The Assemblymen and Senators to be elected Tuesday will be faced with penal reform and the question of capital punishment. Aid to non-public schools is high on the priority list for next year's Legislature. No-Fault auto insurance is a major problem to be faced by next year's Legislature. Opposing the adoption of No-Fault auto insurance is the New Jersey Bar Association lobby, trial lawyers and the insurance industry. Citizens skilled in government would be best able to cope with the legislative problems of next year.

At the county level officials must be elected who are more responsive to the money problems of our people. During the past couple of years as a result of a bipartisan effort, a partnership between dissident Republicans and Democrats in the Essex County Court House, needless jobs were created for faithful followers, costing taxpayers hundreds of thousands of dollars. The backbreaking tax burden thrust upon the people of Essex County must be lightened. The record is clear that a Republican Freeholder born in Essex County is the answer to a lighter county tax load. It is for this reason that we recommend for election to the county Freeholder seats present State Senator Genaro Del Tufo, Bloomfield Board of Education member Paul Alongi and Patrick J. Lynch who at 28 is the youngest candidate running for office in Essex County. In two short

(Continued on Page 4)

To Extend Hours

Billiard Ordinance Tabled By Board

Belleville Commissioners tabled an ordinance Tuesday night that would have allowed pool halls in Town to remain open until 2 a.m. Currently, pool halls must close at midnight here.

Residents of the Washington and Overlook Avenue area complained to the Commission that the passing of the ordinance would only "worsen the unbearable condition there." The group pointed to the Guys and Dolls Billiard Parlor, 524 Washington Avenue, as a major problem in the neighborhood.

They complained the Board in a petition, signed by 49 area residents and presented to Commissioner by David Robins, an area resident and operator of the Boston Store on Washington Avenue.

Chris and Ernest Christian, brothers who operate the pool hall, refuted claims that their business creates unnecessary

noise and harbors unsavory characters. They said it was discriminatory to close the billiard parlor at 12 a.m. while the Town's bowling alley and other recreational facilities are open to early morning hours. Dick Dacey, operator of the golf course in Belleville, stated that extending the pool hall hours would help "keep younger people off the streets."

"Mostly couples frequent the hall," he added. "I bring

my family there."

Residents charged harassment from persons frequenting the pool hall. One resident said "they use our streets as toilets." Residents claimed they saw several times persons near the hall urinating in the street there. They said extending hours would create a hardship.

Commissioners Mary Senatore and Vincent Strumolo did not attend the meeting.

Full Election Slate Tuesday

Two local candidates headline the Democrat slate in Tuesday's general election that will see many County and state offices filled. Former Town Attorney Nick Amato is on the ticket for Surrogate in Essex County while lifelong resident and Tax Assessor Peter Torre is running for a state assembly seat.

Voters here will select five State Senate Seats and two for the Assembly. Nutley's Carl Orechio, a former Commissioner, there is running for the assembly with incumbent John Dennis of Verona. The two are Republicans. Democrat Torre is coupled with David Conrad, a Montclair attorney.

Belleville's voter registration is up well over 1,000 since the 1970 General Election with most of the increase coming from the new 18-21 year olds. Town Clerk Eugen Barnett speculates that over 90 per cent of new voters are most likely in the 18-21 bracket. In 1970 there were 16,964

registered voters compared to the 1971 total of 18,161. Barnett said the increase will be even large next year when the presidential

(Continued on Page 11)

Flood Help Unit Here Tomorrow

Residents tomorrow will receive special help in applying for emergency loans from the federal government due to the hurricane and tropical storm that hit the Town earlier this year. A mobile unit from the Small Business Administration will be parked in front of Town Hall Friday, 9:30 a.m. to 4 p.m., to accept applications for loans from residents.

According to Mayor Joseph McGreevy, special emergency loans from flood damage may be secured from the government. He said that on loans up to \$3,000, residents will be required to pay back the first \$500

Seeking Fourth Win

Bellboys To Host Orange

By John Bunevich

The Bellboy secondary is in for another stiff challenge this week when Orange High School quarterback Ralph Sapio leads the Tornadoes to Municipal Stadium Saturday. Game time is slated for 1:30 p.m.

The Blue and Gold defense stopped George Mueller and Co. last week in a tough 10-8 battle when

Irvington failed several times in the second half to put points on the board. After amassing a 10-0 lead in the second quarter, Belleville had to hold on for the victory over the Campers.

According to head coach Rocco Cafone, Sapio of Orange is in the same mold as Mueller of Irvington. He reports that both

schoolboys are excellent quarterbacks who are superior at throwing the ball.

"We have to shut them down and protect against the long pass," commented Cafone. "Last week we limited Irvington to the short reception and protected against the long bomb. We will have to employ the same type of

defense this Saturday." Cafone thinks that Sapio is even more of a threat than Mueller. He said the Orange signal caller is also

capable of running the ball while Mueller had trouble once past the line of

(Continued on Page 15)

SCORE for Belleville in second period came after short Joe Lotruglio ran as official signals touchdown. Bellboys totaled 10 points, then held on for 10-8 over Irvington at Municipal Stadium Saturday.

INSTRUCTIONS are shouted onto the field by (center) head coach Rocco Cafone Saturday while assistant Vince Harris ran players (12) Joe Lotruglio and Tony Portuese (81) watch. Bellboys topped Camper, 10-8.

Auxiliary Police Looking For Men

The Belleville Auxiliary Police are presently accepting applications from civic minded men, 19 years and over, who have an interest in Belleville and would like to participate in helping protect their town, patrol in police auxiliary

vehicles, learn the use of radio equipment, and be part of a very active group. There is also available to auxiliary policemen, membership in the Essex County Pistol Range. Belleville's participation in this activity won them second place in the last

competition. Anyone interested in joining this fine organization may do so by contacting Irene Decker at Town Hall, 759-5100 or Capt. Rocky Landolfi at 759-3144 between 8:30 a.m. and 4:00 p.m. daily.

CAMPAIGN KICK OFF—U. S. Sen. Harrison A. Williams (center) officially launched Essex Democratic campaign last week when he met with candidates for assembly (left) David Conrad of Montclair and Peter Torre of Belleville.

Cocktail Party Is Set At First State Bank

Henrik Tyedt, president of First State Savings will be host at a cocktail party next Thursday night at the Association's new branch building on Belleville Avenue. The official grand opening will be on Saturday, Nov. 6.

Tyedt in proposing a toast to the success of First State's new office expressed great optimism for its future. He stated that the area represented an ideal location in which to operate, and past trends indicated a continuing pattern of thrift and home ownership - the two areas in which a Savings and Loan such as First State can best help the community.

For Children

St. Peter's Lunch Aid Program Set

St. Peter's School Food Authority in Belleville announced a free and reduced price lunch policy for Saint Peter's Parish school children unable to pay the full price.

Local School Officials have adopted a family size and income scale to assist them in determining eligibility. The scale may be obtained at the principals office of St. Peter's School. Interested persons may call the school.

Families falling within these scales or those suffering from unusual circumstances or hardships are urged to apply for free or reduced price lunches for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year.

The form itself is simple to complete and requests information needed to determine economic need based on the income and number of persons in the family and any unusual circumstances or hardships which affect the family's

ability to pay for school lunches. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

Under the provisions of the policy the principal of St. Peter's School will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official he may make a request either orally or in writing for a hearing to appeal the decision. Bishop Joseph A. Costello, pastor whose address is 155 William Street, Belleville, has been assigned as the Hearing Official. Hearing procedures are outlined in the policy.

Vet Observance Period Declared By Mayor

Mayor Joseph McGreevy, in a proclamation last week, has slated two weeks ending November 11 as Veterans Observance Period in Belleville. The Mayor signed a proclamation October 18 setting the two-week period here.

In his announcement the Mayor stated:

"From Valley Forge to Vietnam, American service-men have responded to their nation's call to duty;

"Although that call has often led to loneliness, hardship, danger—and, for

Viet Mail Deadline Set By Postmaster

Christmas packages for servicemen in Vietnam must be mailed before November 5 to insure their delivery before the holidays, Newark Postmaster Joseph J. Benucci warned yesterday. This includes troops in other parts of the world as well as their families and authorized U.S. citizens employed overseas.

The deadline for SAM (space available mail) is November 19 and for PAL (parcel airtail) is November 26. The airmail deadline is December 10.

"All parcels should be securely wrapped in strong containers," Benucci said, "and must have a complete address, with correct ZIP Code, APO or FPO number." For further information call 645-2641.

some, death, American Servicemen have acted with unsurpassed valor and devotion to enemies of freedom all over the world that free men and women will defend the principles of a free society.

"To acknowledge the respect and admiration Americans have for the 27 million veterans, the Congress has designated Veterans Day, and has dedicated it to the cause of world peace;

"The President of the United States has urged the people of this nation to join in commemorating Veterans Day with suitable observances; and

"The Veterans Council of Belleville has voted to have the period from October 25th, 1971 through November 11, 1971 to honor, all Veterans and in particular Belleville veterans; and

"The Veterans Council again this year will hold their Annual Veterans Day Parade on November 11, 1971;

"Now, therefore, I, Joseph F. McGreevy, Mayor of the Town of Belleville, do hereby proclaim the period from October 25, 1971 through November 11, 1971 as

Veterans Observance Period

and request that all public officials, civic and patriotic organizations and private citizens commemorate the occasion with appropriate prayers and participation in the Annual Parade to climax the occasion.

Bargerstock Appointed Montclair State Planner

Dr. Thomas H. Richardson, president of Montclair State College, has announced the appointment of Charles Bargerstock to the newly created post of director of career planning and placement. The new position, which was developed as a result of Montclair State's expansion into a multi-purpose institution, will complement the present student teaching and placement service at the college.

Santa Claus Coming Here

Word has been received at the Chamber of Commerce office that Santa Claus will arrive in Belleville on November 26. Santa will be in Town as part of a parade that day opening the

holiday season.

Santa again this year will ride his sleigh and reindeer atop a float in the annual parade, also featuring the Belleville High School band and twirlers. The parade is

slated to start at 1:30 p.m.

at Greylock Parkway down to Mill Street on Washington Avenue.

The Chamber reports that Christmas lighting on the Avenue will also be turned

on November 26.

General Election Tuesday

(Continued from Page 1)

to be faced by next year's Legislature. Opposing the adoption of No-Fault auto insurance is the New Jersey Bar Association lobby, trial lawyers and the insurance industry. Citizens skilled in government would be best able to cope with the legislative problems of next year.

At the county level officials must be elected who are more responsive to the money problems of our people. During the past couple of years as a result of a bi-partisan effort, a partnership between dissident Republicans and Democrats in the Essex County Court House, needless jobs were created for faithful followers, costing taxpayers hundreds of thousands of dollars. The back-breaking tax burden thrust upon the people of Essex County must be lightened. The record is clear that a Republican Freeholder Board in Essex County is the answer to a lighter county tax load. It is for this reason that we recommend for election to the county Freeholder seats present State Senator Gerardo Del Tufo, Bloomfield Board of Education member Paul Alongi and Patrick J. Lynch who at 28 is the youngest candidate running for office in Essex County. In two short years Essex property owners have been hit with a \$22 million increase in their county tax share—and this is more money than it takes to operate most county governments.

The Republican candidates point to the fact that this is a 34% increase, which means that by 1974 county tax bills will double "unless the Democrats are thrown out of office on November 2."

At the Assembly level the Republican candidates are Assemblyman John Dennis of Verona, running for a third term, and Carl Orecchio who served on the Nutley Town Commission for eight years. The government experience of both men give them the edge over their opponents, thus making them superior choices to tackle the complex problems which next year's Legislature is obliged to resolve. The names of Dennis and Orecchio will appear on Tuesday's ballot on Line B along with the other Republican candidates for office.

For the five Essex County seats in the State Senate last week we endorsed Senators James H. Wallwork, Michael A. Giuliano and Milton A. Waldor for re-election. All are Republicans. Their running mates are Mayor Matthew G. Carter of Montclair and Essex County State Committeeman Frederic Remington, Jr.

The three top Democrat candidates for the State Senate are Ralph De Rose of South Orange, Martin Greenberg, also of South Orange, (both men are successful attorneys) and Freeholder Director Wynona M. Lipman of Montclair.

The third group fielding the ticket is an organization called the Essex Bi-Partisan Group and their most prominent and qualified Senate candidate is John Giblan a Democrat who was refused nomination by the Essex Democrat organization.

The Essex Bi-Partisan Group came into being because Democrat Essex Chairman Harry Lerner refused to knuckle under the pressure of organized labor which insisted Lerner permit organized labor leaders to name their candidate for a State Senate berth. So — the Democrat labor leaders told Lerner "put our man on the ticket or else." On the other side, since Republicans had their own problems, a group of dissidents insisted that Essex County Chairman George Wallhauser, Jr. permit them to name two Freeholders and two Senators. Wallhauser refused this ultimatum as a result the dissident Democrat-Laborites consummated a political marriage of convenience, thus giving birth to the so-called "Essex Bi-Partisan Committee." This group was nothing more than an association of malcontents. They couldn't get what they wanted through regular organization channels so they bolted in an effort to force the regular Democrat and Republican organizations to bow to their demands. We believe the voters best interests lie in making a choice between Republican candidates and Democrat candidates. Such a decision on the part of the voters will serve notice upon future dissidents that legal political blackmail just won't work in Essex County.

On Tuesday's ballot also appears candidates for Essex County Surrogate. The incumbent surrogate is Thomas R. Farley a former Essex County Freeholder and a distinguished attorney. His public record has earned for Farley the right to re-election.

There is an unexpired two-month term Senate Seat up for grabs which will be more of an honorary thing than something more meaningful because the Legislature is expected to meet for one day between election day and the convening of the next Legislature. The Republican candidate is Nicholas La Spina who was elected as an Essex County Coroner in 1967.

Also on the ballot are two key bond issues involving the allocation of funds for higher education and an extension of the Green Acres program. Both referendum questions deserve a yes vote. The needs of education speak for themselves and the development of serious conservation and recreational resources are necessary for the well being of all citizens. We urge a yes vote on both questions.

A third referendum appearing on the ballot concerns itself with a limited tax exemption for senior citizens. We believe this question should have been submitted years ago and we urge readers to vote yes—a favorable vote for senior citizens.

Seems Only Yesterday

Commission Compromises On Parking Space Law

By Elaine Auerbach

One Year Ago

The Town Commission adopted a compromise ordinance which would increase the number of parking areas required with all future construction in town from one space per living unit to one and a half spaces. The bill had been originally introduced earlier in the summer by Commissioner Mary Senatore, and had asked for a 200 percent requirement, i.e. two spaces per living unit. The 200 per cent figure was thought to be too much in that it would stifle future growth in the town.

The Town Commissioner confirmed the fact that they were considering filling the vacant Parks and Public Property directorship, but declined to speculate who the replacement might be. Although Town Fathers preferred to say very little for the record when interviewed, there was strong indications from other sources that the four officials had discussed the matter behind closed doors.

The Belleville Italian-American Association was to install Aldo Di Chiara as president of the organization. Scheduled for installation with Di Chiara were Vince Vecchione, 1st vice-president; Phil Majorca, 2nd vice-president; Joseph Liloia, treasurer; Joseph Carnevale, corresponding secretary; Domenick Christiano, sergeant-at-arms, and Frank Ceres, public relations.

Five Years Ago

The Board of Education admitted that it had "inadvertently" transported junior and senior high school students to school in violation of a policy limiting school bus transportation to students who lived over 1.7 miles from school. The Board unanimously agreed to authorize transportation for the balance of the school year to the students living a distance of 1.7 miles from the school in order that undue hardship not be forced on the students by removing them from the buses.

A five-member committee of the Belleville Citizens for Commission Government presented Town Clerk Eugene Barnett with a 338 page petition bearing some 4,028 signatures, asking that the Council-Manager form of government be changed to Mayor-Commission. There were 794 more signatures that the 20 per cent of the registered voters required by law. Barnett had 20 days in which to verify the signatures, and another 120 days in which to schedule an election on the issue.

Richard C. Arvidson was to be sworn in to the New Jersey Bar Association on November 1, at ceremonies held in the War Memorial Auditorium in Trenton. The son of Mr. and Mrs. Ernest Arvidson of 178 Floyd Street, young Richard had attended Belleville schools until 1956, when he had graduated and gone to the University of Virginia.

Ten Years Ago

After Hugh D. Kittle, principal of Belleville High School since 1935, submitted his resignation, he said he would be looking forward to retiring at the end of the year and to having the chance to do some fishing. Although the Board of Education held up accepting his resignation in order to discuss it with him, Kittle still insisted: "After December 31, I'm going fishing." Kittle had been in the field of education for 37 years.

The rectory of Saint Anthony's Church was dedicated and blessed by the Most Rev. Walter W. Curtis, Auxiliary Bishop of Newark. The rectory on No. 7th Street had been occupied for a year by Rev. Titian Menegus and his assistants Rev. Joseph Peri, Rev. Joseph Affanoso, and Rev. Edward Scandone.

Two Belleville High School students gained recognition for their achievement in the initial stage of the seventh annual National Merit Scholarship Competition. Grace Hucko and Barbara Underwood were named semi-finalists in the 1961-62 merit program as a result of their outstanding performances on the National Merit Scholarship qualifying test.

Twenty-Five Years Ago

Public Safety Director Noll announced the promotion of five policemen to high posts in line with his program to establish a more efficient department. Heading the list named in the jump in rank was Captain Robert Anderson, who was appointed Deputy Chief. Others promoted were Kenneth Smith, captain; Charles McGinnis, acting lieutenant; Frederick Singer, acting sergeant, and Patrick Dunn, senior fingerprint operator.

The Board of Education approved the hiring of Mrs. Charlotte Gahs as a teacher at the Isolation Hospital at a yearly salary of \$1,500. Mrs. Gahs replaced Mrs. Olive Sharp, who had turned down the board's offer to accept another position. According to the board, the salary for the position was to paid for by the districts which sent children to the institution.

Nelson Sway, a Boy Scout in Troop 388 at Christ Church, received the highest honor in Scouting, the Eagle Scout Badge. The medal accompanying the award was presented to Shaw by his mother, after it was given to her by the Reverend Peter Deckenbach.

Forty Years Ago

Mr. and Mrs. Charles Roehm Jr. of 120 Rutgers Street returned from Cleveland, where they were guests of Mr. and Mrs. John Fatzinger, formerly of Belleville. Mr. and Mrs. Philip Baker of 491 Union Avenue entertained over the weekend Mrs. August Eckhoff and daughter, Alice, of Brooklyn.

Speak Up

She Urges All Voters For Party

To the Editor:

On Tuesday, November 2, 1971, the people of Belleville will be asked to cast their vote for the party of their choice.

I, as Democratic Chairman of the Town of Belleville strongly urge the voters of Belleville to help themselves, by voting the COMPLETE A LINE.

The Democratic platform of the candidates appearing on the A Line are for the people, as well as for their best interests.

The Democrats have the interest of the taxpayer at heart. They have campaigned to let the State take over full control of welfare, as well as all the courts, so as to relieve the municipalities of their tax burdens.

Release the 2 percent increase in sales tax to the towns for the towns' own use, distribute part of the lottery monies to our Board of Education to relieve the Boards of increased budgets.

The Democratic candidates on A line has campaigned on issues such as "Off Track" betting to bring revenue into the States to help defray the rising taxes.

Not one Republican Candidate has campaigned for relief to the taxpayer's pocketbook.

With the County and State controlled by Republicans, have we experienced such high taxes. I say "Help Yourself" by Voting Democratic, November 2, 1971 and "Something will be Done" for you, the taxpayers of Belleville.

Mary V. Senatore
Democratic Chairman
Belleville

Local Firemen Are Lauded By Resident

To the Editor:

On September 29, 1971, at about 11 P.M. I was awakened by a fire in my apartment. It seemed a matter of minutes between the time the Fire Department was called, and the time they were on the scene.

The rear of my apartment was in a complete blaze and their control of the situation was amazing. In a short time everything was under control.

During our thirty-four years of married life, many sentimental articles were amassed, and if destroyed are irreplaceable. Even though a hose was brought into our apartment and many firemen passed through nothing is broken.

These men deserve the greatest respect and admiration of the entire community for their bravery and efficiency in handling a desperate situation.

Our heartfelt, grateful thanks to the Belleville Fire Department.

George Zevator
725 Joralemon Street
Belleville.

Helen's Thing

A Bargain's A Bargain For All That

By Helen Maguire

WHAT IS THERE about the female of the species that makes her seek the eternal bargain? Necessity? Perhaps and certainly in a great number of cases, but I'm willing to bet that even those women who can afford a Dior or Givenchy with no strain are attracted to the "clearance" racks in their neighborhood boutiques.

It must be something else. Satisfaction? Agreed. Few things give as much joy as buying something you want or need and saving money at the same time. What a sense of accomplishment. It's enough to make your day or even your week. The male readers of this column probably think I'm cracking up or exaggerating at the very least, right? But every woman worth her salt knows what I'm talking about.

The Manhattan Shirt Company in Hawthorne holds bi-weekly sales at the factory featuring seconds, irregulars, discontinued items and including some first quality merchandise at substantially reduced prices. Admission is by invitation only and last week, Mrs. Flanagan gave Layne two tickets for the Friday sale. Would I like to go? Oh, would I as soon as I solved a few minor problems like breaking the news to Rod that I was departing at 3:30 and didn't expect to be home much before 7.

EVERYONE WITH ONE child or ten knows that the worst part of the day is between 4 and 6 and my better half did not take too kindly to being left with the four little darlings. Added to that was the fact that Gavin was all excited about joining the "Y" program at Rheinheimer-Perry and Friday was the first day and Daddy was the sole means of transportation. I finally solved the dilemma by decreeing sandwiches for supper and hiring a sitter to assist the man while he trotted back and forth to Passaic Avenue.

We left at half past three with explicit directions for getting to our destination. We got slightly lost enroute due to the fact that I, as the passenger, was in charge of reading the directions and had a devil of a time deciphering Madame Cullen's hand writing.

By Frank A. Orecchio

Connie Francis Continues To Draw Capacity Crowds

SINGING STAR CONNIE FRANCIS opens a two-week performance next Thursday, November 4, at New York City's Copacabana Night Club. Connie has just completed a three-week engagement, covering major cities in the United States and Canada. She mixes the old with the new to the joy of capacity crowds.

RECENTLY I MENTIONED NANCY SARSON, the hostess at New York's

Greek lounge and restaurant, Dionysos, one of Fun City's "in places." In addition to her hostessing chores, Nancy is a professional model and dancer and also was a contestant in the Miss Universe Contest. The item was not accompanied by a photograph and some of our readers have asked, why not? Well here it is.

SAGA MAGAZINE PUBLISHER JOHN PLUNKETT thinks he has discovered a winner in Kathleen Teasdale.

He expects Kathleen to reach the summit with her ballet talent. Kathleen presently teaches ballet, jazz, tap and musical comedy at The Little Theatre School in Brooklyn. She continues her ballet and jazz studies at the Morrelli Company of Ballet and the Robert Joffrey School of Ballet. She is a University of Michigan graduate and has performed professionally as a singer, actress and model. Her stage credits include

appearances in West Side Story, Kiss Me Kate, Damn Yankees, Guys and Dolls and Oklahoma. Her modelling has taken her to the New York Coliseum, fashion shows and Record Album Covers. She has appeared on TV on the Ed Sullivan program and a Ray Anthony special.

THE PARK PUB, Nutley's restaurant where the action is, distributes paper napkins with a few interesting quotes I believe worthwhile passing on to our readers. Entitled "Happy Days" the bits of philosophical observations follow.

Nothing is opened more by mistake than the mouth.

Poise is raising the eyebrows instead of the Roof.

Choose neither a woman nor linen by candle-light.

A Good Wife always hits with the soft end of the broom.

Have you seen Liquor Mortis set in?

No man ever convinced his wife that a pretty stenographer was more efficient than a homely one.

Courting and wooing bring dallying and doing.

When modern girls wear sweaters mothers begin to sweat.

Work fascinates me I can sit and look at it for hours.

An egg is a chicken not yet.

A Rhumba is an asset to good music.

Didja hear about the kangaroo who ran away from home and left his mother holding the bag.

Knees are a luxury. If you don't think so just try to get hold of one.

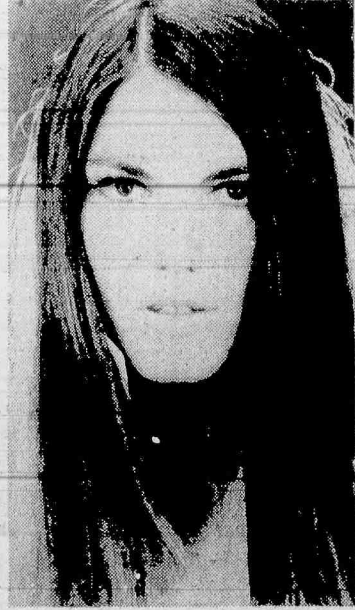

I appreciate the smell of liquor but I don't like to listen to it.

Connie Francis

Nancy Sarson

Kathleen Teasdale

Sunday At Service

225th Anniversary

At Christ Episcopal

(Continued from Page 1)

Many of the parishes on both sides of the Passaic River were started by Christ Church, and the Rectors of those Parishes have been invited to attend the service, and to march in the procession at the beginning of the service.

Members of the Town Commission in Belleville have indicated their plans to attend, as well as Congressman Peter Rodino, Jr. Governor Cahill will send greetings to the service.

The Presiding Bishop of the Episcopal Church, the Rt. Rev. John E. Hines, while unable to attend the service has sent greetings to the Parish. Bishop Hines said, "The span of Christ Church's life covers by far the most exciting period in the life of this church." Bishop Hines is referring to the 150th Anniversary of the Domestic & Foreign Missionary Society, which is the corporate name of the

Protestant Episcopal congregation, dressed in colonial costumes, will follow "the Bishop". The route will be along Main Street to Academy Street and up Academy to Washington Avenue.

Bishop Prince A. Taylor, Jr., Bishop of the New Jersey Area of the United Methodist Church, will be guest preacher at the 180th Anniversary Service of Wesley United Methodist Church this Sunday at 11 a.m.

Bishop Taylor is an honored and renowned leader of World Methodism. Upon his election as Bishop in 1956, he served eight years in Liberia as Bishop of the Methodist Church there and was decorated by the Liberian Government for distinguished service.

His wit, humor, and warm understanding of mankind have been felt by

many. He has a thorough knowledge of The United Methodist Church, especially in its missionary outreach; a firm grasp of world affairs; and a deep feeling for the concern and welfare of the individual.

The service will be followed by a reception for the Bishop and a luncheon for 125 in the church's dining rooms.

Anniversary services will conclude with a social at 3 p.m. to renew old acquaintanceships with four former ministers who are returning for the occasion.

Wesley Celebrates

With Horse Rider

(Continued from Page 1)

until this Sunday morning at 10.

Douglas Cascarella, a member of the congregation, dressed as Bishop Asbury, riding a horse from Boystown in Kearny, will ride from the original church (now a commercial building) at Main Street and Belleville Avenue to the present church on Washington Avenue.

Members of the Church, which is being celebrated also on this coming Sunday through all Episcopal Churches.

Bishop Hines also said "The requirements for Christian witness were no doubt different two and a quarter centuries ago, but

they are over-riding in this century, and at this particular time. I have no doubt, however, but that Christ Church will meet the challenge which is before it, and serve as a salutary, forward looking and healing influence in the life of the community."

The first Rector of Christ

Church, the Rev. Isaac Brown, served both Trinity Church in Newark, and Christ Church, Second River. After a few years he asked to be relieved of the Newark post, indicating that he was receiving more than half his support from the Second River congregation.

Snow Tires Not

Permitted In State

Director of Motor Vehicles Ray J. Marini today reminded motorists studded tires are not

permitted on New Jersey roads until November 15. In the past, studded tires could be used from October 15 until April 15. The new regulation allows them only until April 1.

Vandalism Seen

For Halloween

(Continued from Page 1)

pleasure in destroying the property of others."

In a prepared statement, the Chief added, "This time of year brings to mind the night before Halloween, popularly known as mischief night. The word mischief cannot really be related to the senseless acts of destruction that occur on that night under the guise of 'mischief.'"

"I call upon the parents and children to cooperate so that the trend of destruction will be reversed. The children of Belleville are urged to remain home on that night, October 30."

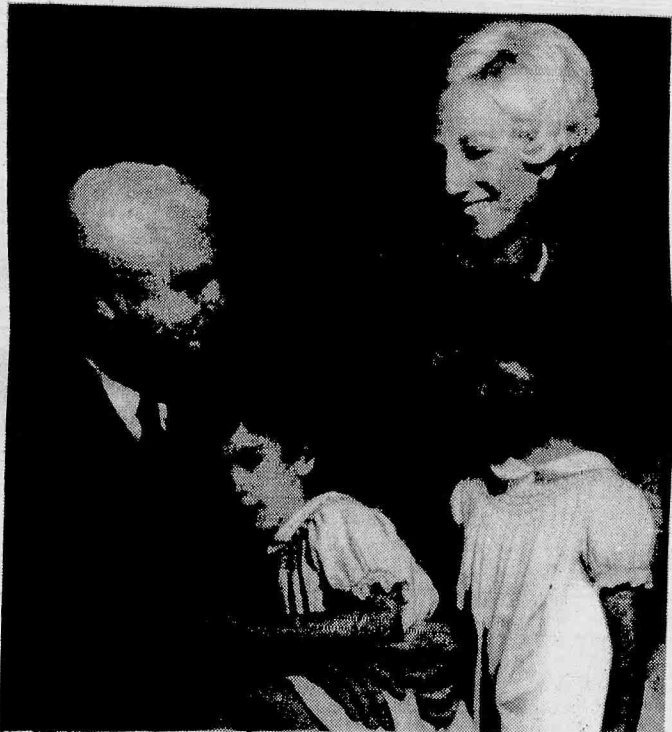

"If it is necessary for

them to be away from home on that night the parents are urged to know where their children are and what they are doing.

"Special details of police will be on the streets both on the night of October 30 and Halloween night with instructions to do their utmost to prevent the unlawful acts of vandalism and to apprehend those responsible for vandalism."

FARLEY MEANS QUALITY!

Tom Farley with his wife, the former Nancy Meyer, and their two children, Meghan 5, and Anne 3.

A STANDOUT

FOR SERVICE

Few in politics draw non-partisan praise. Tom Farley is an exception. His dedicated service to the function of county government has generated widespread commendation in Essex.

"Behind all these moves has been the cause of economy and efficiency, a drive spearheaded by Freeholder Thomas R. Farley, Finance Committee Chairman. Devoting endless hours first to the budget, then to making appearances before State Legislative Committees and researching ideas, Farley has developed a reputation for expertise, sincerity and action—all without political antagonism."

Newark Evening News
April, 1968

"Farley... is one of the most qualified, articulate and personable of the Freeholders. Under his leadership, Essex County was able to get through 1968 without having to resort to an emergency appropriation, an accomplishment unmatched in 13 years."

West Essex Tribune

"Tom Farley treats public office as a public trust. He deserves the vote of every citizen, regardless of political affiliation."

William T. Cahill
Governor of New Jersey

"Government is in desperate need of qualified men of integrity. Tom Farley has brought talent, know-how and action to Essex County."

Walter C. Blasi,
Supervisor, County of Essex

"In my 37 years with Essex County government, Tom Farley was the most able and creative Finance Chairman that ever served the county."

Henry A. Peer
Retired Treasurer, County of Essex

"Tom Farley was always available, straight-talking, fair-minded and a gentleman. He was a primary force in obtaining for Essex County employees long overdue reform measures."

Joseph Fleming, former President
Essex County Employees' Assn.

THIS IS TOM FARLEY

Lawyer, Labor Arbitrator, Navy Veteran and Lieutenant in Naval Reserve. Graduate of Seton Hall Prep, University of Notre Dame and Rutgers Law School. Lifelong resident of Essex County. Formerly Faculty member of Rutgers University, Institute for Continuing Legal Education and St. Peter's College. Partner in law firm of Farley & Rush. Former member of the Essex County Board of Freeholders. Surrogate of Essex County.

A

BILITY

CTION

ACHIEVEMENT

Tom Farley has the Triple A qualities for public office. His rare talent for blending ability and action into achievements came quickly to the forefront as a member of the Essex County Board of Freeholders.

• He served as Finance Committee Chairman in 1968, and Essex

County operated within its budget for the first time in 13 years.

• His study and analysis of the operating costs of the statewide Superior Court focused long overdue attention on the high share borne by Essex County taxpayers and led to corrective legislation.

• He spurred legislative action to ease the lopsided share of welfare costs that burdened urban centers.

• He was the prime architect in devising many reform measures for the benefits of Essex County employees.

• He increased the interest income on Essex County funds from \$85,000 in 1967 to \$219,000 in 1968—an increase of over 150 % in one year.

Belleville Scouts Join In Area School Night

Boys who become Scouts during the 1971 Fall Roundup in the Robert Treat Council, Boy Scouts of America, will gain new experiences that will broaden their skills, attitudes, and knowledge required for tomorrow's citizens.

Frank Rosania, chairman of this year's annual membership campaign, reported that over four thousand boys in this area will join the Boy Scouts of America this fall.

Just over a week ago the council conducted a School Night to Join Scouting in over eighty schools of Belleville, Irvington and Newark. Wilbur Parker, Deputy Secretary, of the Board of Education in Newark gave leadership to this most important event. One thousand and three boys became members on that night, and just as important, 126 adults volunteered to become leaders.

"The volunteer leaders of our Scout troops are studying carefully how they can provide opportunities for boys to make decisions," Rosania said, "and to develop a sense of responsibility for their own growth development."

A boy's new experiences as a Scout may come through the advancement program, during outdoor activities, or as a leader in his patrol and troop."

Court Clerks Hear Dudkin

Mrs. Ruth Spangler, Belleville Court Clerk, attended the monthly meeting of the Municipal Court Clerk's Association of New Jersey held on October 19 at Michele's Restaurant in Garfield. Guest speaker was Harry Dudkin, asst. prosecutor of Essex County.

Dudkin spoke on the increase of crime in the State and the programs that are being instituted, to alleviate the burden of work on the County Courts, by giving more jurisdiction to the Municipal Courts, in certain types of cases and also more extensive aid by the Prosecutor's office to the local Police Department, in more thorough preparation of the cases for faster processing, so defendants may be brought to trial as soon as possible.

Many of the Court Clerk's had the Judge's of their Courts as their guests at this meeting.

The next regular meeting of the Association will be held at the Annual Convention, November 17, 18 and 19, at the Sheraton Deauville Hotel, Atlantic City. All court personnel, Judges, Attorney's and friends are welcome at our Hospitality room.

Senator Williams To Lead Municipalities Conference

Senator Harrison A. Williams, (D-N.J.), five Congressmen and four State cabinet members will lead the list of top government leaders who will participate in the 56th annual conference of the New Jersey State League of Municipalities which meets November 16-17 in Atlantic City.

Williams will speak on "National Health Insurance" before members of the New Jersey Health Officers' Association, one of sixteen functional groups affiliated with the League. Speaking on the same agenda will be Dr. James R. Cowan, Sr., State Commissioner of Health. Congressmen Edwin B. Forsythe (R-N.J.), Dan H. Rostenkowski (R-Ill.) and Bob Steele (R-Conn.), members of President Nixon's Revenue Sharing Task Force will speak at a League session on Wednesday (Nov. 17) of the Conference week. The Task Force will also appear that day on a program sponsored by the Municipal Finance Officers' Association of New Jersey.

Rosania explained.

"We know from recent studies that there are three general outcomes from a boy's experience in Scouting," Rosania said. "They are citizenship, character, and personal fitness."

The citizenship outcomes

which are achieved through the Scout program provide a growth experience and participation in the community in which the Scout learns his responsibility and makes a practical application of group skills.

The character outcomes provide growth experiences in which a Scout acquires desirable personality traits, and personal fitness outcomes give a Scout the opportunity to develop and improve himself in the areas of physical, mental, moral

and emotional fitness.

The new Scouts this fall will also have the opportunity to take part in special activities that are part of the program of the Robert Treat Council or one of its nine districts. These events will include

Operation REACH, camporees, Scout Fun Fair, 1972 Summer Camp, etc. "When a boy becomes a Scout in a neighborhood troop, he finds that Scouting is a game for boys under the leadership of boys under the direction of a

man," the Fall Roundup chairman said. "The Scoutmaster gives to the boy ambition and desire to learn for himself, and he deals with the individual boy rather than just the large group."

As a part of the Fall

Roundup, the Robert Treat Council also expects to organize over twenty new Cub Scout packs and Scout troops, in cooperation with community groups that will use the Scouting program as a part of their own youth program.

THREE BELLEVILLE COMMISSIONERS are backing Republican Thomas Farley for Surrogate. Above, shown (l-r) include Commissioner Vincent Strumolo; Town Attorney John Scott; Farley; Mayor Joseph McGreevy and Commissioner Michael Marotti.

Stink Bomb Mars T. Farley Rally Here

The Knights of Columbus Hall in Belleville had to be cleared for almost one-half hour last Thursday due to a

terrible odor in the building. An unknown person reportedly threw a "stink bomb" during an affair held for Thomas Farley, Republican candidate for Essex County Surrogate.

Over 250 persons attended the rally, attended by three Belleville Commissioners. Mayor Joseph McGreevy, and Commissioners Vincent Strumolo and Michael Marotti backed the Republican, along with Town Attorney John Scott. Officials reported that a large number of Democrats also attended the affair.

Rally officials reported that the affair was marred by the "stink bomb" consisting of a liquid chemical thrown on the floor by what witnesses say was a young woman. Officials added that despite the fact that a heavy stench covered the entire hall for over one-half hour, all the guests remained seated and the entire hall was full by

the start of the program.

Mayor McGreevy said Farley is an outstanding candidate who deserves to continue in public affairs. Farley is the present County Surrogate. Both Strumolo and Marotti pointed out that Farley is also strong in Democratic circles throughout the County.

"Farley will be a lot stronger in Belleville than most people realize," speculated Marotti.

Officials said there was wide speculation as to who was responsible for the bombing. Police have yet to apprehend the culprit.

On November 13

Kiwanis Club Sponsors School Homecoming

(Continued from Page 1)

Class of 1962, which graduated ten years ago. Many of that class will be in attendance at the game and will march in the parade.

Nicholas Juliano will be the master of ceremonies. The day promises to be an

enjoyable and memorable one, offering a great time

for all, both young and old.

Earlier this week Mayor Joseph McGreevy, in honor of the occasion, signed a proclamation declaring the date as the Homecoming event.

In his proclamation, the

Mayor stated "The Kiwanis Club of Belleville is establishing Saturday, Nov. 13 as the Annual High School Homecoming Football Game.

"This Annual Homecoming Football Game is honoring the 10-year class of 1962."

De Camp drives you sane.

(Keep your cool without the toll costs, the parking costs, the traffic snarls, and the wear on your car and nerves.)

Save your energy for the city. You have a big day ahead so don't let horns, traffic jams, and parking tickets ruin it before you start. One of De Camp's luxurious new Vista-Cruisers is the relaxing way to travel. Air conditioned comfort going and coming. We promise you a pleasanter trip, and a nicer day in town. De Camp's ready to go whenever you are.

Some places are not ready for nuclear energy plants.

We are.

It's a question of people. Without people, who needs power? Conversely, the more people there are, the more energy we must generate. It's a simple case of supply and demand.

And that's the problem.

The enormous demand for electricity will someday outdistance our present levels of power supply if we do not plan ahead. Should that happen, brownouts and blackouts may occur with alarming frequency. Industry, with electricity as

its lifeblood, may have to slow down production. Our economy will suffer.

That's why we are in an energy race right now. That's why we must build nuclear-fueled energy plants. Twenty-one nuclear plants are already generating electricity in the United States. About one hundred others are being built or are in the active design stage. It is estimated that nuclear plants will produce approximately 25% of our total energy demands by 1980, 50% by the year 2000.

Through nuclear energy, we will be able to deliver dependable electric power to an ever-increasing population. We will have power in reserve to handle any peak demand period. We'll do it all without exhausting our other natural fuel resources (oil, natural gas, low sulphur coal) and without disturbing our precious environment.

There is a real need for clean, safe nuclear energy now. It may be impossible to win the energy race without it.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Mr. and Mrs. Wm. Carlucci Are Honeymooning In Aruba

Mrs. William Carlucci-nee Phyllis Tondo

The wedding of Miss Phyllis Ann Tondo, daughter of the late Mr. and Mrs. Philip Tondo of East Orange and William Russell Carlucci, son of Mr. and Mrs. William Carlucci of Belleville, took place October 23 at St. Joseph's Church, East Orange.

The Rev. Msgr. Samuel Bove performed the ceremony and a reception followed at Friar Tuck Inn, Cedar Grove.

The bride makes her home with her brother and sister-in-law, Mr. and Mrs. Victor Tondo of Union. Mr. Tondo escorted his sister down the aisle.

Her Victorian gown was of Italian silk trimmed with beaded appliques. A lace headpiece held her veil and she carried white roses.

Miss Rose Ann Truppo, cousin of the bride, was maid of honor. Bridesmaids included Mrs. Curt Koeppen, Mrs. Peter Aromando, Miss Marie Pinto and Miss Susan Merlucci.

They wore off-white Victorian gowns with purple metallic knit bodices and carried lavender and pink carnations.

Albert Viviani, brother-in-law of the groom, served as best man. Ushering were Toby D'Ambola, James Carlucci Jr., James Testa and Anthony Matturi.

Mrs. Carlucci graduated from East Orange Catholic High School and is a data operator for the Dole Company.

Association Opens Year With Meeting

The James G. Shawger Home and School Association held its first Home and School Meeting on Tuesday evening, October 19th in the All Purpose Room. Mr. Michael

Nardiello introduced the faculty and outlined the new school program. Mr. Anthony Greco, Superintendent of Schools, also spoke on the various new concepts being introduced into our school curriculum.

The School Choir, consisting of the fifth and sixth grades, under the direction of Mr. Joseph Hastick provided the evening's entertainment.

R MOST KIDS ARE STILL PRETTY NICE

Isn't it time we all stopped knocking the kids so much. Sure there are the relatively few that might be considered bad but a great many youngsters patronize our pharmacy and the great majority of them are pretty decent. Sure, they go through stages and fads but if we think back we did just about the same things.

We feel that most of today's youngsters will grow up into responsible adults. They will be concerned with things that we currently worry about such as parenthood, good health and drug abuse. The people in our pharmacy really enjoy serving our younger customers.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

Miss Lorraine DeMico
Miss DeMico, Mr. Nochimson Will Be Wed

Mr. and Mrs. Joseph DeMico of 40 Jefferson Street, Nutley, announce the engagement of their daughter, Lorraine to Louis Steven Nochimson, son of Mr. and Mrs. Stanley Nochimson of Clifton.

Miss DeMico, an alumna of Nutley High School, is with Walter Kidde, Belleville.

Mr. Nochimson, a graduate of Clifton High School, is employed by Rogers Peet Fashion Center, Paramus. ****

Old fools are not more foolish than young ones: they just look sillier.

Miss Theresa Alice Bruder Bride Of Keith G. Berkheimer

Mrs. Keith Berkheimer-nee Theresa Bruder

Miss Theresa Alice Bruder, daughter of Mr. and Mrs. William P. Bruder of Keamy became the bride October 16 of Keith G. Berkheimer, son of Mr. and Mrs. Earl K. Berkheimer of Union Avenue.

The ceremony in Grace Methodist Church was performed by the Rev. O. Price Taylor and followed by a reception at San Carlo Restaurant.

Given in marriage by her father, the bride wore a silk organza gown trimmed with beading and lace and fashioned with long bishop sleeves. A matching headpiece held her floor length veil and she carried a white orchid and white roses.

Mrs. Ronald Maynard of Nutley was matron of honor. Bridesmaids included the bride's sister, Miss Connie Bruder of Keamy, her cousin, Miss Bonnie Bruder of Belleville and Miss Geraldine Dinverno of Newark.

The honor attendant was attired in a gold chiffon gown with Schiffl embroidered bodice. Her headpiece was a gold veil bow. The others were similarly attired in moss green. All carried baskets of yellow carnations and roses.

Lance Berkheimer of Belleville served his brother as best man. Ushering were another brother, Kevin Berkheimer of Belleville, Michael Crapanzano of Nutley and Mr. Maynard.

Mrs. Bruder chose an aqua chiffon dress with rhinestone bodice and silver accessories. The groom's mother was in apricot chiffon with a rhinestone bodice and silver accessories. Corsages were white

College Art Center Head Speaks At Alumni Meeting

Gerald Freund, Hunter's acting dean of humanities and arts and director of the new Arts Center, will be guest speaker at the second Executive Council meeting of the college's Alumni Association on Monday, Nov. 8.

The meeting, which will be open to all alumni, will be at 6:15 p.m. at Roosevelt House, 49 East 65th Street, New York City.

Pharmacy Footnotes

Ever wonder why mouth-to-mouth rescue breathing really works? The truth is that the air you breathe is not "spent." It contains enough oxygen to save a person's life even while you are exhaling it! If you breathe twice as deeply as usual, your exhaled breath contains more than enough oxygen for any adult victim. When each inflation expands the victim's chest, you can be sure that the patient is receiving enough oxygen. Remember, however, that an adult's chest must be inflated at least 10 times each minute. Infants require smaller and more frequent inhalations at least 20 times a minute.

Require prescription service? You'll be assured of prompt attention when you come to ROSSMORE PHARMACY, 338 Washington Ave. 759-1968, 759-1956. Free Delivery if desired. Hours: Daily 9 AM-10 PM, Sundays 9 AM-9 P.M. "Your Doctor Knows Us—Your Doctor Trusts Us". Camera and Film Department for all your needs.

HELPFUL HINT: A heating pad will sometimes give temporary relief to an aching tooth.

Childrens' Shelter Plans A 'How-To' Workshop

A "How-To" Workshop will be held at the Children's Shelter of Essex County, Franklin Avenue, Belleville on October 30 between 10 a.m. and 3 p.m. The special program, sponsored by the Shelter Pre-School and School staffs, is open to all interested individuals. Visitors will have an opportunity to work with school materials, see

demonstrations, talk with staff and tour the new school facilities and pre-school premises.

The Workshop is under the general direction of Mrs. Helen Knowlton, Shelter Pre-School Consultant and Dr. Gary Chanowitz, Consultant Psychologist. Both Mrs. Knowlton and Dr. Chanowitz will be on hand for discussion and guidance.

Kingslands Honored On Golden Year

Mr. and Mrs. Robert H. Kingsland of 17 New Street celebrated their 50th wedding anniversary at the Town Tavern, Little Falls. The reception was arranged by their son and daughter-in-law of Cedar Grove.

The Kingslands are long time residents of Belleville. Better known as Hap, Mr.

Kingsland played baseball with the old Woodside A.C. in North Newark and was also a fine bowler. He is retired now after 28 years with the Newark News.

The couple is proud of their two grandchildren, Robert, a student at Bradley College and Nancy, a sophomore at Cedar Grove High School.

Greylock School Sets Card Party, Chinese Auction

Greylock School No. 5 will hold a Chinese Auction and card party at The Fountain on Monday, November 15 at 8 p.m.

Tickets may be obtained at the school or by contacting chairman, Jean Barbone at 759-2995 or

ticket committee co-chairmen, Audrey Taskalos at 759-6985 and Anne Leone at 759-4153.

If we had no faults, we should not take so much pleasure in noting those of others.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

PLANNING SESSION--S.R. Mountsier, III, Howard Fonz and Mrs. Frank J. DeRosa, Nutley members of the Board of Trustees of the North Essex Child Guidance Clinic, meet with Mrs. Ruth Cowell, second from left, executive director of the Clinic, to discuss plans for the Open House in November.

OpenHousePlanned By Guidance Clinic

An Open House has been planned by the Board of Trustees of the North Essex Child Guidance Clinic for 3:00 p.m. to 5:00 p.m. on Sunday, November 21 at the clinic located at the Essex County Geriatrics Center, Franklin Avenue, Belleville. Essex County Freeholders, municipal officials, ministers, pediatricians and other doctors, school officials board of education members and other groups from the three towns of Belleville, Bloomfield and Nutley served by the clinic have been invited to the event. Interested individuals are urged to attend also.

Howard Fonz, Nutley, president and Ralph H. Casale, Belleville, vice-president of the Board of Trustees have stated that the purpose of the Open House is to give the people of the three communities an opportunity to become better acquainted with their clinic and with innovations it is making for

constant improvement of service. According to the clinic officials the special Nursery begun in September is an attractive, useful feature of which the public will want to know more. "There is only one other clinic in that state having a similar nursery," the trustee officers said.

The dedication of a room in the Nursery to the late, Mildred Levin of Nutley, a former vice-president of the Board of Trustees, will be an occasion of the Open House. Mrs. Ruth Cowell, Executive Director of the clinic spoke of the unusually fine contribution which Mrs. Levin made when she was a member of the Board.

The Nursery Committee headed by Mrs. Ann Robinson and Mrs. Robert Underwood, Belleville and the Public Reactions Committee, with Mrs. William Taffet, Belleville, in charge have been responsible for preparations for the Open House.

Girl Scout Calendar Sale Starts Monday

Girl Scout calendars, one of the largest selling calendars in the country, will go on sale in Belleville beginning November 1.

Produced by the national Girl Scout organization and distributed by local Girl Scouts door to door, the calendars are 45c a piece with profits filling individual troop treasuries.

Chairman of the sale, which will continue through November 30, is Mrs. Robert Metcalfe. Persons wishing additional calendars may contact her at 759-2342.

Catholic Women Set Card Party For This Evening

The Catholic Women's Club of Our Lady of Mount Carmel Church will hold its annual card party in the Parish Hall tonight at 7:30 p.m.

Mrs. Guy Foresta is chairlady assisted by Mrs. Peter Babushik, acting chairlady and Mrs. Chester Przewodek, co-chairlady. Committee members include Mrs. Chester Malinowski, Mrs. Michael Sendekci, Mrs. Leo Palkevicz, Miss Lillian Huk, Mrs. Leonard Cirillo, Mrs. William Oertel, Mrs. Vincent Woodkotch, Mrs. Edward Saputa, Mrs. Theodore Bukowski, Mrs. Joseph Auerbach, Mrs. Anthony Susinski and Mrs. Theodore Kucinsky.

Tri-Towners Will Observe 'Bosses' Night'

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley will hold its regular monthly dinner meeting on Thursday, October 28th, at the Park Methodist Church, Broad and Park Streets, Bloomfield, at 6:30 p.m.

Capt. Bill Dunleavy of the

STORK CLUB

Michael J. and Mark A. Vecchio

Twin sons, Michael Joseph and Mark Angelo were born to Mr. and Mrs. Robert T. Vecchio of 379 Chestnut Street, September 30 at Clara Maass Memorial Hospital. Birth weights were 6 pounds and 6 pounds, 2 ounces. They join: Robert Alexander, 2. Mrs. Vecchio is the former Frances Lupo, daughter of Mr. and Mrs. L. Spano of 79 Passaic Avenue. Mr. Vecchio son of Mr. and Mrs. Alexander Vecchio of 459 Bloomfield Avenue is a maintenance manager with Fluid Chemical Company, Lakewood.

Thomas F. Pepe

She joins Patricia Ann, 11, Lynn Marie, 7 and Pamela Jean, 2. Mrs. Farinella is the former Dolores Langfield daughter of Mr. and Mrs. F.E. Langfield of Islen. Mr. Farinella son of Mr. and Mrs. J. Farinella of Bloomfield is a bridge painter with New Jersey Turnpike.

Few individuals dispute those who assert that they have unusual talent.

Miss Stacy Yaskell Ends Teaching

Miss Stacy Ann Yaskell will terminate a 48½ year career in the teaching profession at the end of October. Of this total, 42½ years have been spent at School No. 4 and School No. 8, Belleville. Prior service was given in North Carolina and Pennsylvania. Born in Wilkes Barre, Pa., her family moved to Burgaw, North Carolina, where she attended elementary and high schools. A graduate of Bloomsburg, Pa. State Teachers College, she received her B.A. Degree at Rutgers University.

Her plans include many leisure years at Gulf Harbors, Florida, where she and her brother Adam, with whom she makes her home, will live. Another brother Peter, and his wife Marion, already reside in Gulf Harbors. Sister Matilda, (Mrs. Leonard Jarvis), a recently retired registered nurse and her husband have purchased a home in Holiday, a near-by community. Another brother, Leonard, is a resident of Southport, North Carolina, which he has served as postmaster and mayor.

A Farewell Dinner honoring Miss Yaskell will be held at the Galaxy, Friday, October 29, at 7 p.m.

Sisterhood Rummage Sale November 2, 3

The Sisterhood of Congregation Ahavath Achim will hold its semi-annual rummage sale Tuesday Nov. 2nd and Wednesday, November 3rd from 10 a.m. to 4 p.m. at 125 Academy St. Belleville, N.J.

Miss Stacy Yaskell

Junior Women Gave Assistance In Walk-a-thon

The Junior Woman's Club of Belleville, gave its assistance in the March of Dimes Walkathon held on Saturday, October 2.

The group manned that station in Branch Brook Park, Newark, where approximately 152 young people, completing 11.5 miles of their journey, paused for rest and refreshments before reaching their final destination point, Seton Hall College. The total distance of the Walkathon was 21.5 miles.

The marchers had obtained sponsors, who had pledged each walker a set amount of money to be donated to the March of Dimes.

Mrs. Robert Harvey, Chairman of the Social Service Department, headed the committee, along with Mrs. Thomas Spillane, Mrs. Daniel Riordan, Mrs. Carl Clemente, Mrs. Thomas Baber and Miss Jeanne Benedetto.

"BEAUTY TIPS"

BY JUSTIN

To minimize prominent veins on backs of hands, practice keeping hands relaxed. Tension distends veins, makes them look heavier. For sporting fun this season, protect your pretty eyes with gray, brown or green sunglasses lenses — the ONLY colors that act as sun-screens.

Lengthened, accented eyes break up a round face nicely. Use more mascara at outer corners, or add extra eyelashes there.

Do you have 20 or 30 pounds to lose? Much easier if you set a reasonable goal of five pounds a month — instead of worrying about that BIG number.

Bright colors cheer you up. If there's no red hat, yellow rain slicker or bright blue scarf in your wardrobe — buy one!

Did you know?

That you can buy a complete curling iron set with rollers, clips and brush at Justin's Discount price of 14.95.

JUSTIN'S BEAUTY SUPPLY CO.
"FOR ALL YOUR BEAUTY NEEDS"
16 BELLEVILLE AVE.
BLOOMFIELD, N.J.

OPEN THURS. TILL 10 P.M.

This way to save money.

Dial calls yourself.

Here is a pointer on how to save money on out-of-state phone calls:

Dial them yourself without the services of an operator.

No matter what other state you call (except faraway Alaska and Hawaii), it always costs less when you dial station calls yourself. Especially on weeknights and weekends when savings are big.

For example. During weekend bargain-calling times*, a 3-minute coast-to-coast station call costs \$1.40 plus tax—if you use the services of an operator.

But the same call is reduced even more—way down to 70¢ plus tax—if you dial it yourself without the services of an operator.

So, dial your own station calls without an operator. And save.

*From 8 a.m. till 11 p.m. Saturday, and from 8 a.m. till 5 p.m. Sunday. Dial-It-Yourself Rates do not apply to coin, credit-card, collect, person-to-person, and hotel-guest calls, or to calls charged to another number.

New Jersey Bell

Saturdays at A&P Market

Girl Scouts Expand Reclamation Drive Here

Girl Scout Troop 688 in Belleville reports that the first two weeks of its glass reclamation drive have seen an amount of success. The Troop has its collection point Saturday mornings at the A&P on Franklin Avenue in Town.

"Our second Saturday in operation was fairly good with approximately 65 people depositing bottles, aluminum cans and paper," stated an official of the troop.

Officials, who have added aluminum cans to their reclamation drive, said they filled six large barrels at their last drive.

The troop is accepting only glass containers such as jars and bottles. Broken glass and any other forms of glass such as glass windows will not be accepted because of the danger involved. Residents bringing containers to the center are urged to rinse out bottles before bringing them for reclamation.

Girl Scouts for the first time last week were accepting aluminum cans. They report that the cans can be identified by the absence of a side seam. Aluminum cans are also lighter in weight than steel containers.

Scouts participating in the current drive include Catherine Cavanna, Joanne Connelly, Sandra Cronaver, Cynthia Cronaver, Debra Noia, Janet Lilore, Barbara Lopusnak, Phylis Willett, Constance Meyer, Victoria Stanecki, Valerie Raio, Marianne Shuepline, Debbie Long, Rosanne Santangelo, Cathi Teuscher, Sharon Zanelli, Barbara Miller, Barbara Lonie, Susan Cowan and Janice Ferro.

Other interested youths include Joanne Grigonis, Donna Tsouhnikas, Mary Jane Izzo, Patty Connelly, Mary Kay Connelly, Dianne Cici, Petrina Cici and Gina Carbone. Troop leaders are Mrs. George Teuscher and Mrs. J. Cavanna.

GOP Group Meets

The G.O.P. County Committee met recently and announced the opening of their new headquarters at 235 Washington Avenue, in Belleville.

Gerard Ferrara, chairman of the Belleville's Republican County Committee, has requested that Republicans do not place stickers or banners on public utility poles or local trees as this tends to detract from Belleville's town image.

The Belleville Republican County Committee met on Tuesday, Oct. 19 to plan for Candidates' Night held on October 26 at the Princeton Grill, 91 Joralemon Street, at 8 p.m. Assembly candidates, Carl Orechio and incumbent Assemblyman John Dennis were on hand, together with Thomas Farley, incumbent Surrogate.

It was expected that Senators James Wallwork, Michael Giuliano and Milton Waldor, will attend as well as candidates for the Senate Fred Remington, Nicholas La Spina and Mayor Matthew Carter and Freeholder candidates Senator Gerardo del Tufo, Paul Alongi and Patrick Lynch.

A second new voters meeting was scheduled for October 10, at 8 p.m. at the Headquarters.

EMPLOYEES of the Belleville Department of Public Works pick up barrels of filled glass for storage, until they can be shipped to Jersey City glass reclamation plant. Pick up truck from the Town is used in job.

GIRL SCOUTS from Troop 688 in Belleville set up table Saturday at A & P parking lot on Franklin Avenue to help in weekly glass reclamation drive there. Scouts report program successful.

DEPOSITING used glass jar in barrel as part of reclamation drive by Girl Scout Troop 688 is Buddy Scalera of Crescent Terrace, Belleville. Last Saturday saw largest turnout for drive yet.

Three-Month Prison Term For 20-Year-Old Newarker

A 20-year old Newark man was given a total of over three months in prison sentences stemming from a wild police chase on route 21 last month.

William White, of 886 South 16th Street, Newark, pleaded guilty to four traffic violations and one criminal count before municipal court judge Edward Abramson October 20.

He was arrested September 17 on the local highway by Belleville officer Leland Quinn, after White was observed going south at a high rate of speed.

Quinn chased and tried to

pull the car over but White didn't slow down, and attempted to get away from the police car. He was charged with attempting to elude a police officer, a criminal offense.

White was also charged with reckless driving, driving while on the revoked list, presenting a false identification and requiring a delinquency inspection.

He was given three month sentences for the criminal charge, and for the phony I.D., 30 days for reckless driving and driving on the revoked list, and 10 days for the delinquency charge.

Abramson directed the

sentences to be served concurrently.

High School Students Set At Union College

Union College will welcome high school juniors and seniors and their parents to two Saturday morning open houses at the Cranford Campus to acquaint them with the College's educational program and facilities, it was announced by George P. Lynes, director of admissions.

The Open Houses will be held at 10 a.m. on November 13 and December 4.

De Camp drives you sane.

(Keep your cool without the toll costs, the parking costs, the traffic snarls, and the wear on your car and nerves.)

Save your energy for the city. You have a big day ahead so don't let horns, traffic jams, and parking tickets ruin it before you start. One of De Camp's luxurious new Vista-Cruisers is the relaxing way to travel. Air conditioned comfort going and coming. We promise you a pleasanter trip, and a nicer day in town. De Camp is ready to go whenever you are.

election will be seen.
Republican Senate incumbents James H. Wallwork, Michael A. Giuliano and Milton A. Waldor are all seeking reelection. Joining them on the GOP Senate ticket are Montclair Mayor Matthew G. Carter and Bloomfield State Committeeman Frederic Remington Jr. Rounding out the Republican slate is Nicholas LaSpina, running for an unexpired senate seat and Thomas R. Farley for Surrogate.
Democrats are running Martin L. Greenber, Dr.

School Association Starts Heart Project

The first meeting of the School Number Two Home and School Association was held last Tuesday evening. Mrs. Joanne Veniero, president of the Association, introduced the officers and committee chairman to the membership. She presented a gift of welcome to the new principal of School Number Two, Arthur Pico. "Project Heartbeat" was officially announced, a program which will benefit all of the elementary school children in Belleville. The Association will purchase the Phono Cardio Scan, an instrument which will detect heart abnormalities in children. The instrument was especially developed so that it can be operated by non-professionals.
Two films were shown, one on Rheumatic Heart Fever and the other film demonstrated the actual screening method to detect heart defects. The Phono Cardio Scan was also on view for inspection and orientation.

Inflation, like some diseases, is dangerous because of its after-effects.

OPEN LETTER TO BELLEVILLE VOTERS

ROBERT A. GACCIONE
ATTORNEY AT LAW

53 Princeton Terrace 751-0207 Belleville, New Jersey

Dear Belleville Voter:

Assemblyman John Dennis of Verona and former Nutley Commissioner Carl A. Orechio are candidates for the Assembly in our District 11-C.

Assemblyman Dennis has compiled an outstanding record over the past four years, representing Verona, Montclair, Glen Ridge and Bloomfield. Nutley and Belleville have been added to our revised Assembly District.

Carl Orechio has spent his lifetime in the Belleville-Nutley area having attended Belleville School #5 as a youth. His "get the job done" record during his eight years of dedicated service on the Nutley Commission has drawn the repeated praise of his former colleagues and is common knowledge to area residents. Belleville Republican leaders, Governor Cahill, Senators Wallwork, Giuliano, Waldor, Del Tufo, Matturri and the entire delegation of Republican Assemblymen, including Assemblyman Ralph Caputo, have endorsed Dennis and Orechio.

Both Assemblyman Dennis and Orechio pledge to seek additional welfare reforms, more state and federal aid to senior citizens, more state aid in the maintenance of our Superior Courts, our penal system, our county bridges and our ever-expanding educational needs. Both are concerned with the problems of our local real estate taxpayer and are determined to tackle them head on.

They need and deserve our support. Their names are on LINE B on the voting machine. Elect the "BEST FOR ESSEX" by voting for Dennis and Orechio and the rest of the candidates on LINE B, Tuesday, November 2, 1971. Let's ask our friends and relatives in District 11-C to do likewise.

Obligingly yours,

Robert A. Gaccione

Robert A. Gaccione
Campaign Manager for Dennis and Orechio

Demo Breakfast

The Seventh Annual Campaign Breakfast given by the Belleville Democratic County Committee, will be held at Pappo's Restaurant this Sunday, Oct. 31 at 10 a.m.

Chairman of the Breakfast, Emanuel Rose, announced Democratic Headquarters will be open each evening from 8 p.m. to 10 p.m. for anyone wishing to purchase or pay for their tickets before the breakfast.

A capacity crowd is expected to hear Senator Frank Guarini speak on behalf of the Democratic

Candidates running for election on November 2.

Nancilee Davis Kelley Blood Bank Display

A show of recent paintings by artist Nancilee Davis Kelly will be on display at the North Jersey - Essex County Blood Bank during the month of October.

The abstract works, done in acrylics on canvas, are described by the artist as "some organic, some of hard-edge, geometrical design." Also included in the show are some acrylics on paper, mounted under glass.

St. Mary's Knights to Mark 50th Anniversary in February

A dinner dance next February will mark the 50th anniversary of St. Mary's Council 2346 Knights of Columbus.

Announcement of the Knight's golden anniversary plans were made last night in Nutley by Past Grand Knight Edward Bill who will serve as chairman. The anniversary celebration is set for February 4 at the Manor in West Orange.

Part of the celebration will be the distribution of a souvenir journal depicting, in photos and copy, highlights

of the Knights' accomplishments in Nutley during the past half-century.

"Committees are already hard at work on the souvenir journal," Bill reported.

"We're proud of the Knights' many achievements in such activities as youth work and we want to celebrate those achievements with the rest of the community," the chairman said. Among the youth activities in which St. Mary's Knights have played a key sponsorship role are Boy Scout Troop 151 (which also will mark its 50th anniversary

shortly), Cub Pack 151, and Troop and Pack 159 for handicapped boys.

The troop and pack 159 units are among the few Boy Scout organizations in the nation devoted entirely to retarded youngsters. Nutley Council 2346 - also has played an active role in the activities of the championship Bonnie Scots Color Guard. The Knights have, for a number of years, co-sponsored a dinner-dance with the Nutley Masonic Lodge with proceeds benefiting the North Essex Child Guidance Clinic in Belleville. The clinic serves

emotionally disturbed children in the Nutley-Belleville area.

Grand Knight Robert Rush told The Sun that St. Mary's Council hopes it make its 50th year "the most successful ever in terms of service to the towns of Nutley, Belleville and Bloomfield from which it draws most of its membership."

Pair Arrested For Car Theft

Two New York City young men were arrested by Belleville police last week after local authorities were called to the scene on a routine check.

The two New Yorkers, a 20-year-old and a

24-year-old man, were charged with possession of a stolen auto by Patrolmen John Hanley and Joseph Simonetti. The two officers found the car to be stolen after a routine check with the Belleville headquarters.

Belleville police checked the license of the car and found it was stolen a few days earlier in New York City. The two were arrested at the scene, the corner of Washington and Overlook Avenue.

The two men have to post \$500 bail, pending a Belleville Municipal Court hearing today with Judge Edward Abramson presiding. The pair was arrested October 25, at 11:25 a.m.

REPRINTED FROM The Star-Ledger EDITORIAL PAGE, FEBRUARY 24, 1968

SPEAKING OUT

A freshman Republican state senator from Essex County brings a refreshing candor and perspective with the new young breed of politicians, a legislator who speaks his mind on subjects of possible embarrassment to his party.

Even as he gets his feet wet in the legislative gristmill that is Trenton, Milton A. Waldor has looked into the ranks of his own political party and doesn't like what he sees... the infiltration of the John Birch Society, the extreme right wing group, into the GOP.

The senator says they have moved into the New Jersey and national Republican organizations, and, more important, they have influenced the party's thinking on the national level. What Senator Waldor is now articulating has been apparent for some years, since the first show of Birch strength and influence surfaced in the acrimonious atmosphere that attended the nomination of Barry Goldwater at the 1964 national convention in San Francisco.

It is doubtful that the extremist element is going to find an equally congenial asylum when the Republicans assemble to pick their Presidential candidate for the 1968 election. The three established front-runners, former Vice President Richard Nixon, Michigan Gov. Romney and the unannounced candidate, New York Gov. Rockefeller, are hardly likely to evoke any warm response or fervent embraces from Birch elements in the party.

None of this should be taken to mean that Birchers, like old generals, have faded from Republican ranks. It is possible that some may drift into the ideological compatibility of former Alabama Gov. Wallace's third party, but most prefer the more vigorous political milieu of the GOP.

Senator Waldor does not deny them their right to belong to the GOP or to speak out, but he firmly believes that moderate and progressive Republican elements should minimize their influence for the good of the party. Other responsible Republican leaders would serve the party well if they followed the Essex senator's frank appraisal of the potential dangers that still lurk in the extremist fringes.

Orange Is Next Opponent

Dual Threat Signal Caller To Visit Bellboys Saturday

(Continued from Page 1)

scrimmage. "If Sapio's protection breaks down he can take off," added the coach. "We will have to put pressure on the quarterback."

Last fall Orange scored a last minute victory over the Bellboys and the local club will have that in mind when they take the field Saturday. Belleville was leading most of last year's game but Sapio found the mark in the second half and exploited Belleville through the air. The Tornadoes scored their victory when Belleville's Joe Lotruglio was caught in the endzone for a safety during the last minute of play.

"I called the pass last year," admitted Cafone. "The score was tied and we were going for the win. The pass protection broke down."

Cafone labeled Orange as much the same club as last year. He said they are similar in play to Irvington.

"But Orange may have the edge in running," added Cafone. "They have two good runners that can go for big yardage if they get the blocking."

Orange coach Dom Calabria will have in the backfield tailback Larry Hill and halfback Robert Jones. Orange dropped a 24-14

decision last Saturday to once beaten West Orange. In that game Sapio ran for one touchdown.

Still, Belleville is favored in that game. Although Orange will have the edge by being bigger than the Bellboys, the local club has more talent and is more physical.

Again this week the Bellboys will have to rely upon their defense to stop the aerial attack. Last Saturday the secondary stopped the long bomb and Belleville came out on top. Cafone is hoping for the same result this week.

The Belleville coach feels his offense should have scored more points against Irvington but breakdowns and mistakes in key situations plagued the squad.

"I was disappointed to see only 10 points on the board," said Cafone. "I told the boys prior to the game that this could be an easy one if we just execute and avoid breakdowns."

Cafone cited the Bellboy fumble inside the seven-yard line and penalties in key situations. He also thought two long penalties called against Belleville, a clipping and a holding charge, could have been disputed.

"We could have put a lot more points on the board if it weren't for the penalties,"

said the coach.

All totaled, Belleville amassed more than 100 yards in penalties. They also fumbled once and had one interception. The defense

again did an outstanding job. Although they couldn't get to the quarterback most of the game, they stopped Irvington from the long gainer.

A bright spot in the game was the kicking of Phil Bruno, who also is the number one Belleville signal caller. Bruno hit on his first field goal of the season

when he booted a 25-yarder in the first quarter.

Cafone reported he will be going more to the field goal this season.

SCREEN PASS from Phil Bruno to (12) Joe Lotruglio is good for 16 yards and a first down in second quarter action Saturday at Municipal Stadium. Big Frank Papisidero (70) blocks on the play. Bellboys topped Irvington, 10-8.

Harriers Prep For Big Ten Meet

Injuries Plague Squad's Success

Belleville's cross-country runners will be prepping this week for tomorrow afternoon's Big Ten Conference Championship meet to be held in Branch Brook Park. The local club will send seven competitors to the run.

The harriers will be without the services of top sophomore runner Bill Goodwin. The underclass star, will be lost for the remainder of the season due to a cyst on his left heel. Goodwin, after missing two weeks of action, had x-rays taken last week and the growth was discovered. He competed in only three meets this year but finished on top of all Belleville runners in each meet. Rich Sulenski, senior and captain of the squad, is expected back this week after mending from a turned ankle. Sulenski missed over two weeks of action.

After yesterday's East

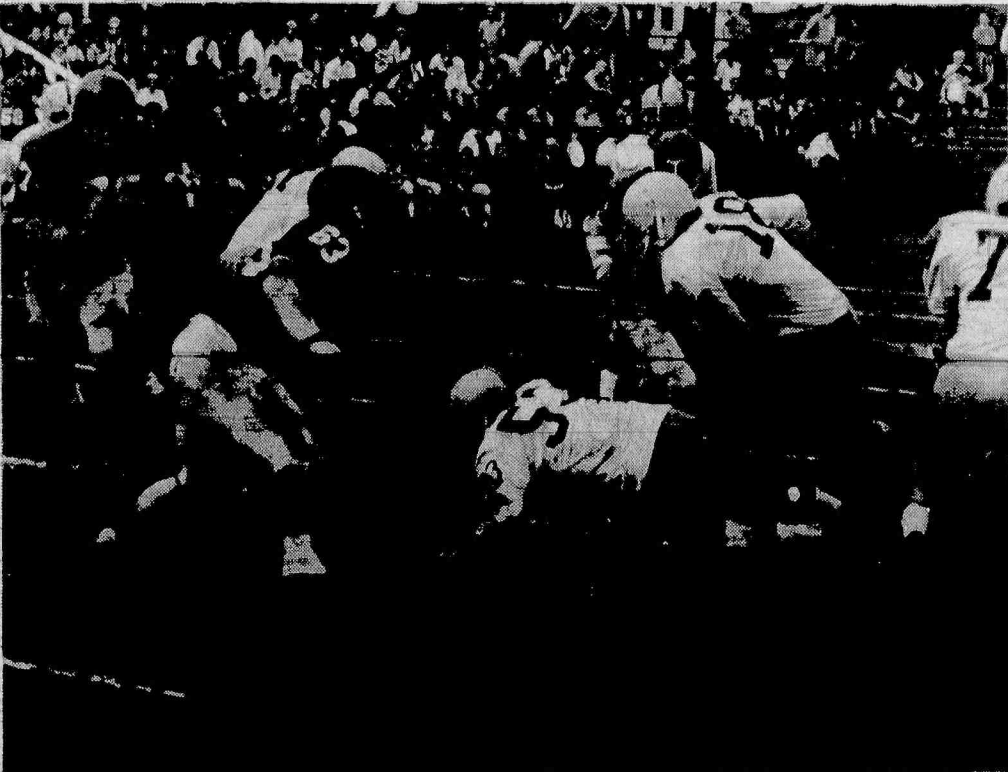

Orange meet, to be in West Side Park Newark, Belleville travels to the Essex County Championships November 3, again to be held in Branch Brook Park. The Bellboys finished ninth in the Big Ten last year and in the County Meet, only the now graduated John McCarthy finished in the high 100's.

Last Tuesday Belleville hosted Nutley in Belleville Park with the Bellboys being shut out by a 15-50 total. Nutley took the first seven places to record the shut out win. Mark Appel captured first place in a 13:14 time. In eight place was Belleville's Frank Salerno at 14:05. The next Bellboy runner was Rocco Cuozzo in 18th place.

The local harriers met Glen Ridge last Friday, again at home, and they dropped another; this one by a 17-41 score. Winning the meet was Glen Ridge runner Peter Chester.

GETTING READY for the start of the two and a half mile race are team members of the Nutley and Belleville cross-country squads. The annual rivalry was won by Nutley, who captured the contest by a 15-50 score.

GAINING SEVEN YARDS on this first and ten play in the second quarter is Belleville rusher Joe Troise (18). The Bellboy kick off specialist had 25 yards in eight carries for the game. Mike Pici (53) makes body block on the play.

LONE TOUCHDOWN for Irvington came in the second stanza when lanky George Mueller (15) tossed a strike to Mike Travisano (20) in the endzone. Bellboy secondary neutralized Mueller for most of the day in scratching out a 10-8 victory.

NEUTRALIZED from throwing the bomb last Saturday was Irvington quarterback (15) George Mueller. Bellboy secondary let Mueller have the short pass, like on above good for six yards, but put pressure on against the long gainer. Bellboys topped, 10-8.

By, 10-8, Total

Bellboys Win Tough Game Over Irvington

The Belleville varsity eleven won its third straight of the season last Saturday at Municipal Stadium over Irvington. In recording the victory, the Bellboys tallied 10 points in the first half and held on in the final stanzas.

Although most grid observers rated the tilt an offensive battle, after the first half, Belleville and Irvington saw a scoreless third and fourth period. Phil Bruno, Belleville's quarterback who doubles as kicker, booted his first field goal of the season in the initial stanza. The 25-yard kick came after secondary man Ralph Lukowiak intercepted an Irvington pass and ran it back over 30 yards. The Bellboys marched 50 yards before being halted. They had to settle for the field goal.

Belleville's top rusher, Joe

The greatest of faults is to be conscious of none.
-Thomas Carlyle.

Cager League To Start

All teams that participated in the Mens Recreation Basketball League last year and want to re-enter a team this year are to have their captain report to the Belleville Recreation House on Wednesday, Nov. 3, 1971 at 7 p.m. for a meeting.

There might be a few spots open for men teams, if anyone has a team and is interested they are to report to this meeting also. This is not a commitment by the Recreation Department that your team will be entered, returning teams have first preference.

Each team will be required to pay an entry fee.

Lotruglio, was held this week to 100 yards on the ground. The scrappy senior rushed for 56 yards but it took him 24 carries to do it. Bruno was good in his passing as he completed four tosses in nine attempts. The Bellboys specialized in the long pass as Bruno's aeriels were good for 105 yards.

In opening the gap to 10-0 in the second quarter, Belleville drove 64 yards on a sustained march in seven plays. The big play was Bruno's 48-yard bomb to Sal Cicalese. Lotruglio drove two yards for the

touchdown and Bruno converted on the extra point.

Irvington came right back with its lone score as George Mueller, the rangy 6'-4" signal caller completed four passes in a 63-yard drive. He capped the march with a four-yard strike to Mike Travisano. Travisano then ran two yards for the extra-points, making the total 10-8.

Belleville practiced ball control in the second half and although the Campers threatened several times by Mueller's aeriels, the Bellboy defense halted them short of the goal line.

Offensive Guard Comes To Play

Team mates and opponents alike will tell you that Montclair State College offensive guard Jerry Caputo of Union City comes to play the game of football.

Caputo, 5-10 and 192 pounds, is a product of one of the most industrialized areas in New Jersey, Hudson County. The senior Industrial Arts major cut his football eye teeth under the direction of Coach John "Pep" Novotny at Emerson High School in Union City.

Novotny is known for his sound football players who know how to win. Having been a winner at the high school level, Caputo found it very easy to continue in that groove when he moved to Montclair State.

Over his two and one half varsity seasons, Caputo has played a key role in building a fine 18-4 record. While his labor in the center of the offensive line is overlooked by a great many fans, Caputo's work does not escape the keen eye of Anderson and line coach, Tim Sullivan.

Anderson is extremely high on Caputo. "Jerry is a compact 190 pounder with speed, drive, aggressiveness and ability. He has tremendous determination and motivation and easily gets himself up for the game. Jerry is also outstanding at getting his teammates 'up' for a contest", Anderson points out.

Halloween Contest Set By Recreation

Commissioner Michael V. Marotti announced this week that the annual Recreation Halloween Costume Contests will be held this year tomorrow at

4 p.m. If the weather is fair one contest will be held at School Four out of doors and the other contest will be held at the Municipal Stadium out of doors.

In case of inclement weather the School Four contest will be held in the all-purpose room and the Stadium Contest will be held in the lobby of the stadium.

Judging will again be done by the members of the Belleville Womens Club and the members of the Evening Division of the Womens Club. There will be at least four prizes given at each site and there will be lollipops for all. In the past the judges have seemed to lean toward home-made costumes and have weighed originality very heavily.

BECK'S COLUMN

MAX BECK

There are presently 3 tape recorder-player systems in use. One is the reel to reel type, where you have to thread the tape yourself. The second is the cassette. This is very easy to use. All you have to do is push in the container that holds the tape. On either of these 2 systems one can record and play. The third system is called the cartridge. Until recently, it was not possible to record on the cartridge, one could only play. Recently this system has been changed so that one can also record. However, it is very difficult to do this. It is quite involved to explain why this is so. It has to do with the continuous running of the cartridge system, also with the automatic shift from the lower to the upper position on the tape and vice versa. If you are interested to see how it actually works, please come in and we will be glad to show you how it functions. For the best possible tone quality the reel type surpasses the other 2 systems, but it is a little more difficult to handle. There are 2 speeds on the reel to reel type. The lower speed is good for talk and some types of music, where fidelity is not important, while for the best quality sound one would use the higher speed.

Both the cassette and the cartridge system have one speed only and it is the low speed. Consequently the tone quality is not equal to the quality on the reel to reel type on the higher speed setting.

All of this sounds confusing. If you intend to buy a tape recorder and tell the salesman how you intend to use it, he will be able to advise you what would be the best for your needs.

Difference In Score Is Bruno Field Goal

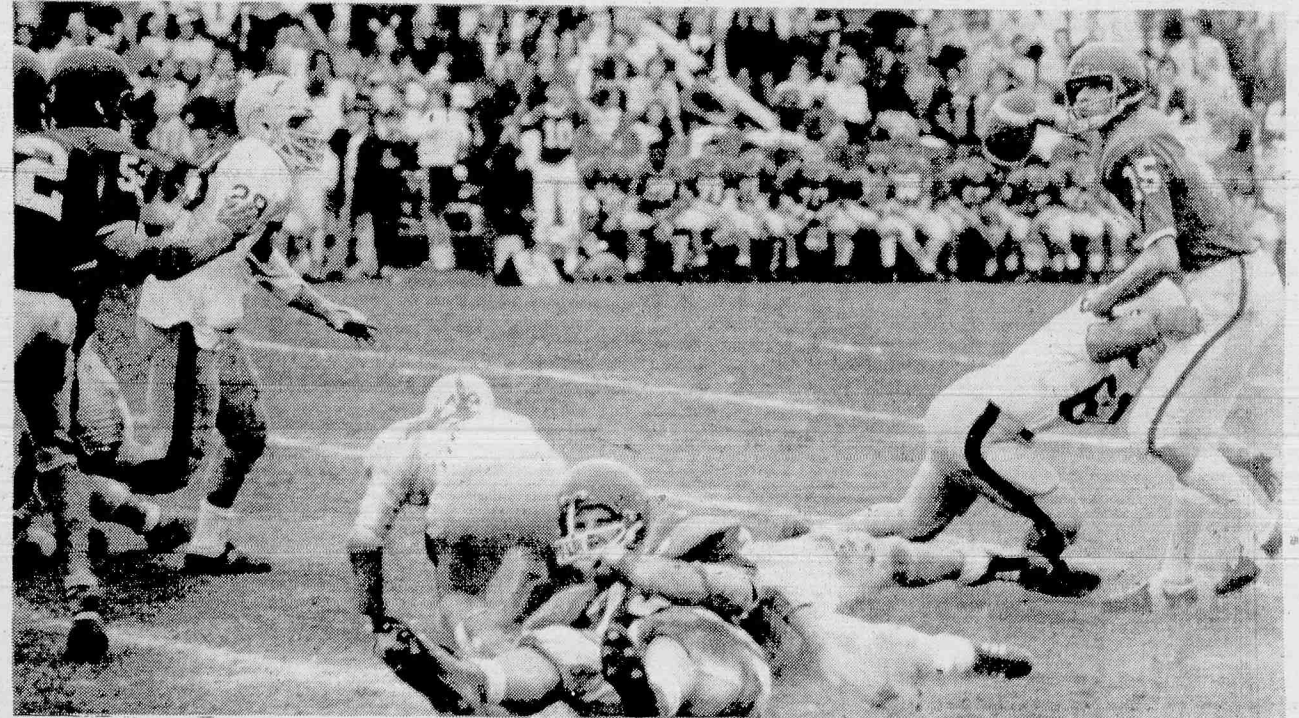

FIELD GOAL for kicking specialist Phil Bruno (15) shown here was first of the year, good for 25 yards and three points. M. Tannanbaum (85) of Irvington tries for block while (12) Joe Lotruglio holds. Goal was difference in scoring.

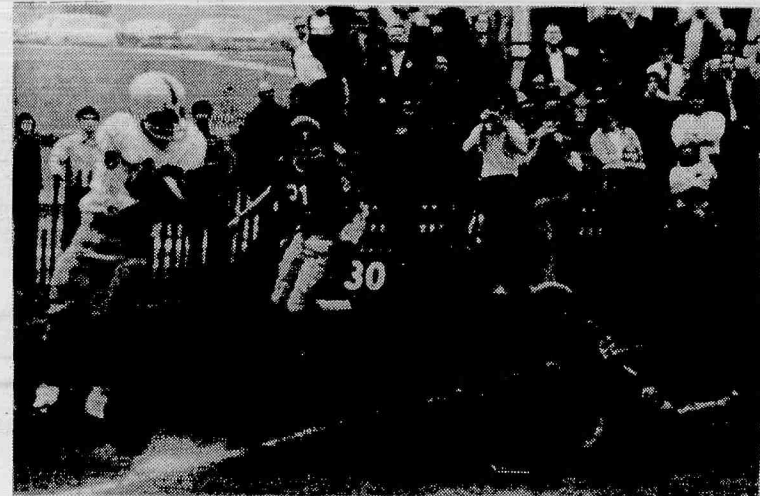

INCOMPLETE PASS was to (10) Belleville's Sol Cicalese in first quarter as Irvington's M. Travisano defends on play. Cicalese caught long bomb later in the game.

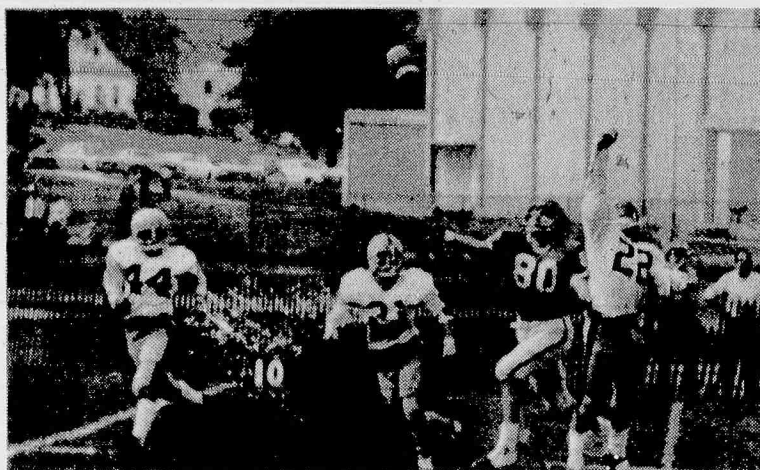

WRESTLED TO THE TURF by Irvington defender (21) B. Bonanno is Bellboy Joe Lotruglio in first quarter. Lotruglio gained only two yards on this first down play.

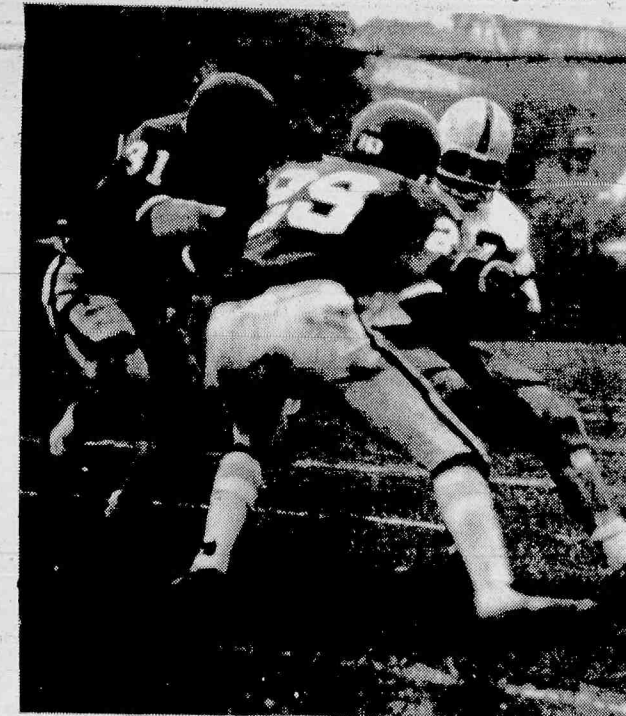

THROWN FOR A LOSS is (15) Camper signal caller George Mueller as Bellboy defensive guard (61) John Ciallella refuses to let go. Mueller was dumped for nine yards on this third down play in fourth stanza. Ciallella sacked quarterback twice in contest.

DRILLED PASS to (18) Joe Troise from Phil Bruno was good for 20 yards and a first down in this third quarter play. Bellboys elected to throw the ball on this third down play, needing five yards.

THE BIG LEAP proved unsuccessful for both offense and defense as Irvington's (80) S. Lombard jumps for the ball, surrounded by three Bellboy defenders on the play.

TRAPPED behind the line for a seven-yard loss is Belleville's Joe Lotruglio, as he tries to avoid charge of two Irvington defenders. Play was in final seconds as Belleville ran out the clock for the win.

FIRST DOWN SCAMPER is by Belleville's top running back, Joe Lotruglio, who totaled 56 yards in game with 24 carries. Action is in the beginning of the third quarter.

Bellboys Halt Campers For Third Straight

PAYING THE TOLL for intercepting a pass is Belleville defensive back Ralph Lukowiak, who grabbed Irvington pass on second play of the game and returned it over 30 yards. Here he's at end of run, sandwiched by several Campers.

PUSHED BACK behind the line of scrimmage is (12) Joe Lotruglio after net gain of one yard in third quarter. Lotruglio turned out to be the workhorse of the Bellboy rushing attack with 24 carries and 56 yards. Host of Irvington defenders stop play.

New Center For Senior Citizens Here

A new Senior Citizens Center was opened by the Essex County Park Commission on Wednesday, Oct. 27, in Belleville Park.

The new Belleville Center, situated on Belleville Avenue in the park, was the third senior citizens center in the Essex County Park System. Facilities have also been opened in Vailsburg Park and in Branch Brook Park, both in Newark.

The new center, converted from a former field house, has a large central room in which senior activities will be held.

On hand for the 9 a.m. opening ceremonies were members of the Essex County Park Commission and representatives of the Belleville senior citizens organization.

Prizes Offered

Opening Is Set At First State

Henrik Tvedt, president of First State Savings, has announced the Grand Prizes that will be available for lucky winners of the drawing to be held at the Grand Opening of the First State's new Belleville Avenue branch on Saturday, Nov. 6.

Eight Grand Prizes will be awarded Tvedt said. The top prize will be a \$200. Savings Account at First State. Second Grand Prize will be a \$100 account. Two \$50. accounts and four \$25. accounts, will also be included.

Everyone is eligible to participate in the drawing Tvedt said and there is no obligation nor are there any strings attached. One does not have to be a depositor or customer of First State to participate.

Other valuable prizes will also be available for the opening of new accounts or for holders of lucky "Magic Cards" which were mailed last week to all homes in the immediate area of the Belleville Avenue Branch.

CATCHING AN ENDORSEMENT—Yankee coach Elston Howard was in Nutley yesterday to offer his endorsement to Assemblyman John Dennis (left) and Carl Orechio (center), both candidates Tuesday for the N.J. Assembly. Orechio, in thanking former Yankee catcher, quipped, "With Ellie calling the signals, the Democrats can't do anything but strike out."

OBITUARIES

Joseph W. Curran;

Joseph W. Curran of Ventnor, formerly of

Belleville, died October 13 at Atlantic City Hospital. He was 68.

Born in Belleville, Mr. Curran had been a bartender.

Survived by the former Dorothy Reinhardt, he leaves three daughters; Mrs. Joyce Nolan of Pompano

Beach, Fla., Mrs. Margaret Schuhmann and Mrs. Barbara Tully of Stockholm; two sons, Joseph of Newark and William of Connecticut. Four sisters, Mrs. Helen Porkney and Mrs. Fred Withum of Milltown, Mrs. Irvin Kraft of Hackett-

town, Mrs. Ernest Fitz Randolph of Piscataway, and 15 grandchildren. Services were October 18 at Our Lady of Good Counsel Church, Newark,

from Kiernan Funeral Home. Interment was in Immaculate Conception Cemetery, Montclair.

Great men's faults are never small. -John Clarke.

Mrs. T.H. Peterson; Formerly of Belleville

Mrs. Theodora Hume Peterson of Ormond Beach, Fla., and formerly of Belleville, died October 11 in Daytona Beach of heart failure. She was 74.

Mrs. Hume, born in Booth Bay Harbor, Maine, came to Belleville in 1922 and moved to Florida ten years ago.

While here she was active

as a member of Wesley United Methodist Church, and the Arene Chapter OES of Belleville.

Mrs. Peterson leaves her husband, Chris Peterson; a son, Donald of Scotch Plains; a sister, Mrs. Vivian Rau also of Scotch Plains, and two grandchildren.

Services were October 16 at the William Irvine and Son Memorial Home. Interment was at East Ridgeland Cemetery, Clifton.

T. Cataldi Succumbs; Printer

Thomas J. Cataldi of 347 Union Avenue died October 14 in Clara Maass Memorial Hospital. He was 47.

Born in Newark, Mr. Cataldi came to Belleville as a child and lived here since. He had been employed as a printer with National Printing Company.

During World War II, Mr. Cataldi was a sergeant with the 475th Infantry Regiment and was a member of Merrill's Marauders. He operated primarily in headquarters for the China-Burma-India Theatre, and worked under General Robert Stillwell. He also aided in the cutting of the Burma Road, during the war.

Mr. Cataldi attended Grammar School Number three, and was graduated from Belleville High School in 1941.

He is survived by his parents, Mr. and Mrs. Alfonso Cataldi of Belleville, and a sister, Mrs. Mary Trotta, also of Belleville.

A Mass of Christian Burial was offered at St. Peter Church October 18 by the Rev. James F. Heavey. Services were from the Kiernan Funeral Home, and interment was in Immaculate Conception Cemetery, Montclair.

LEGISLATIVE ELECTION: A Recap

SENATOR CASE — Assemblyman John Dennis (center) and Carl Orechio (right) of Nutley were endorsed this week by U.S. Senator Clifford P. Case. The Republican Assembly ticket was called "a strong one" by Case who asked voters to continue New Jersey's progressive government by selecting GOP candidates.

BELLEVILLE CANDIDATE — Congressman Peter W. Rodino Jr. (center) discusses campaign plans with Peter A. Torre Jr. (left) of Belleville and David W. Conrad, Montclair attorney. Torre and Conrad's candidacy for the N.J. Assembly has been endorsed by Congressman Rodino.

LABOR LEADER — Martin Greenberg, Democratic candidate for the State Senate, discusses the Essex campaign with AFL-CIO President George Meany at a recent labor conference in Washington. Greenberg is a counsel to an AFL-CIO affiliate and serves on the national union's General Counsel's Panel.

Orechio-Dennis Pledge To Work for Lowering Of Essex County Tax

Although seeking state offices, Republican Assembly candidates Carl Orechio of Nutley and Assemblyman John Dennis of Verona have been stressing county rather than Trenton issues.

Four press releases issued by the candidates all dwell on the need for lowering tax rates in Essex County.

Specifically, Dennis and Orechio note that Essex taxpayers foot the bill for the maintenance of the movable bridges over the Passaic River. "The laws of the state requiring our county to bear the cost of construction and maintenance of these bridges are archaic and outmoded," Dennis and Orechio say in their statement.

They report the present maintenance cost is about \$500,000 annually. Bridges include the Belleville Bridge, Nutley Avondale Bridge, Jackson Street, Bridge Street and Clay Street Bridges in Newark.

A second release issued by Dennis and Orechio is critical of Essex County's assessment for the state-wide Superior

Court System. They say Essex taxpayers are "being forced" to pay more than 90 per cent of the court's operating costs.

"Ironically, from the Chief Justice down, there is general agreement that the Superior Court should be a state responsibility. Yet, just as in welfare, we have not succeeded in convincing the state legislature that the Superior Courts are a state responsibility," the candidates said.

Orechio and Dennis noted Superior Court fees go to Trenton and not to Essex. Both said they would work toward state administration of the court system.

A third release from Orechio and Dennis dwelled upon the welfare problem. They urge a number of administrative reforms.

"We think it's time we took a page out of New York's book and require all welfare recipients to call in person at designated offices where they can properly identify themselves before receiving their checks," Assemblyman Dennis and candidate Orechio said. "Secondly, in situations where recipients are able-bodied and capable, they should be required to perform some kind of work in the municipalities in which they reside."

Both candidates said they would work "to induce the state to underwrite the entire cost of our welfare problem. This would be the first step toward a federally-funded program which is where, in our opinion, the financial responsibility for welfare belongs," they said.

The press statement points out that "it may come as a shock to Essex County residents...that here in Essex, one out of every nine residents is receiving welfare in one form or another."

Torre-Conrad Charge Demos Needed to Stop Trenton Rubber Stamp

The Republican-controlled Legislature is merely a rubber stamp for Gov. Cahill, at least according to Democrat Assembly candidates Peter R. Torre of Belleville and David W. Conrad of Montclair. Torre is Belleville's tax assessor.

The two candidates haven't as few releases to the press than their Republican counterparts. Torre and Conrad stress the need for Democrats to be elected to Trenton to stop Gov. Cahill from "exercising both the executive and legislative roles of state government."

Torre and Conrad suggest Cahill merely sits in his office "and pulls the voting levers in the Senate and Assembly."

Conrad, a Montclair lawyer, calls attention to the fact the Legislature is Republican dominated by a 3-1 majority and states the Senate and Assembly "invariably and unhesitatingly votes for any Administration-sponsored bill. There is an appalling disregard of the traditional tools of effective government — debate in the legislative chambers, research by

committees and public hearings," Conrad and Torre said.

Documenting their charge, Torre and Conrad said that "a prime example of the Governor's interference in legislative matters occurred during the spring term when Sen. Alfred W. Beadleston (R-Mon.), one of the 'Cahill cronies,' engineered the virtually secret passage of a narcotics measure through a doctored legislature. "Sen. Beadleston later told the press he was not 'qualified' to discuss the bill," Torre and Conrad state, "and admitted having introduced it only at the Governor's request," the candidates say in their press release.

The Beadleston bill repealed a 1952 measure requiring the registration of drug addicts. Torre and Conrad say the practice of registering addicts was "one of the most effective tools in keeping track of illicit drug traffic."

The release from Conrad and Torre concludes by saying "When public business is conducted in this manner, like a private club, people become cynical about the very idea of representative government. Clearly, it's time to elect legislators who will bring some independent and critical thinking to Trenton."

GOP Promising Balanced Budget For Freeholders

Republicans running for Essex County positions this week blamed the Democrats for the skyrocketing tax rate.

The Board of Freeholders, now dominated by Democrats, did not balance the budget last year. Sen. Gerald L. DeLufo, headliner on the GOP Freeholder ticket next week, declared "election of a Republican ticket to the Essex Freeholder Board will mean a balanced budget with no new taxes for the people of Essex."

DeLufo, who is running with Patrick J. Lynch and Paul Alongi, is telling suburban groups that "it is time the people of Essex realize their tax problems are serious only insofar as the Democrats maintain control over our county government."

"What the Democrats did in increasing taxes in Essex County is not so different from what they did in the state when they ran us into a \$300 million deficit," DeLufo declared. "But we correct their mistakes in Trenton and we'll correct them in Essex with the election of Republicans to the Board of Freeholders," Sen. DeLufo said.

Demos Blame GOP for Rise In Essex Tax

The three Democratic candidates for Freeholder today accused the Republicans of fostering a record high county budget on Essex County taxpayers.

The Republicans, in their own press release (recapped elsewhere on this page) blame the Democrats for the skyrocketing Essex budget.

Democrat candidates, Herbert Gladstone, Harry Callaghan and Joseph Iannuzzi, say that despite the fact Democrats control the county board, the Republican-dominated N.J. Legislature is to blame for Essex' problems.

"Last year, the Republican-controlled Legislature ordered mandated costs increased by \$9 million and this year, there are mandated costs of \$49 million," say the Democrats.

Mandated costs are items that the State Legislature orders counties to finance, such as welfare and the courts. The Freeholders have no legal control over these costs.

"Thus, we are all paying higher taxes because of Republican extravagance with the taxpayer's dollar," said Gladstone, a West Orange attorney. Iannuzzi is a Newark school teacher. Callaghan is a banker from Orange.

The Democrat freeholder slate also said that the last time Republicans controlled the Essex board, the GOP spent \$4 million more than had been appropriated in the budget.

The three Democrat candidates, all of them home owners, said they are making only one promise in the campaign: "To take a hard line on spending because all of us, regardless of party affiliation, can no longer afford soaring tax rates."

Rodino Backs Torre, Conrad

Congressman Peter W. Rodino Jr. has endorsed the candidacy of Democrats Peter Torre of Belleville and David Conrad of Montclair for the N.J. Assembly in District 11-C.

Rodino called Conrad and Torre "worthy and dedicated candidates" and urged voters to consider their qualifications seriously in an election which, he said, "will determine the course that New Jersey will take for sometime to come."

Adult Population Unaware Of N.J. Legislative Election

With elections to the New Jersey Legislature less than a week away, 85 per cent of the state's adult population does not even know that state senators and assemblymen are up for election.

This is a major conclusion of the first New Jersey Poll, a new endeavor of the Eagleton Institute of Politics at Rutgers University, New Brunswick.

Stephen Salmore, director of the poll, described the results as "depressing but not really surprising as there is generally a low level of knowledge of state government."

Bi-Partisans Blame Taxes In Essex on Both Parties

"Blame for the runaway costs of the Essex County budget must be shouldered equally by both Democrats and

Republicans," the Essex Bi-Partisan Ticket charged today.

Ralph A. DeVino, candidate for Freeholder, issued a press statement showing the Republicans joined with the Democrat majority in voting for this year's \$111 million county budget, a 27 per cent increase over the previous year.

"If the result wasn't so tragic, it would be laughable to see the Republicans blaming the Democrats for the budget pole-vault and the Democrats pointing the finger at the Republicans when in fact the two parties acted in concert in foisting the confiscatory budget on the already reeling home owners of Essex County," DeVino said.

The Essex Bi-Partisans say both Republicans and Democrats "have broken faith with the Essex taxpayer." They ask that "a new voice and a new era" be initiated with the election of the Bi-Partisan ticket.

Some Essex Candidates Favor Public Tax Vote

Sixty-two Senate and Assembly candidates in N.J., equally divided between both parties, now favor a constitutional amendment permitting voters themselves to decide by referendum whether or not they want a state income tax. This fact was announced by the Federation of N.J. Taxpayers following a special survey of candidates for the group.

From Essex, those favoring such a state-wide referendum were, for Senate — Ralph C. DeRose (D), Frank Dodd (D), Nicholas LaSpina (D), and for Assembly — Carl A. Orechio (R) in 11-C, Ralph D'Ambola (R) in 11-B, and Elbridge Hawkins (D) in 11-D.

DEMOCRATS — About 300 persons turned out for a Sunday morning breakfast a week ago at Belleville's Branch Brook Manor. The attraction: meeting and greeting the candidates. Seated here, from left, are Bernard J. Gallagher, Nutley Democratic chairman; Mrs. Rita McDonald, Essex County Democratic Committee vice chairlady; Congressman Peter W. Rodino, and Essex Chairlady Gertrude L. Clamurro. Standing, from left, are Nutley Commissioner Carmen Orechio; David W. Conrad, candidate for State Assembly and his running mate, Peter A. Torre Jr. of Belleville and local tax assessor; William L. Callahan, the breakfast's master of ceremonies; John J. Rooney, long associate of Rodino and a local resident; and Maruice M. Veneri of Nutley, N.J. Labor Council president.

CANDIDATE HAS A LADY — Patrick J. Lynch, one of the youngest candidates to seek a N.J. Senate seat, and Miss Donna Diane Garofalo of West Orange were married this past Sunday afternoon in Orange. The bridegroom's post-wedding plans included a week of campaigning. He is a Republican candidate.

NUTLEY PICNIC — Sen. James H. Wallwork and his daughter, Lyric, do a little bit of campaign work in Nutley at the recent Republican picnic in Nichols Park. Lyric is passing out campaign pot-holders for her dad to Agnes Harbison of Church Street and Josephine Minturn of North Road. Sen. Wallwork is seeking reelection Tuesday to his Trenton post.

BREAKFAST — Frederick Remington Jr. (second from left) is running a busy campaign for a N.J. Senate seat. A campaign breakfast earlier this month attracted Sen. Clifford P. Case who flew in especially for the occasion. Pictured here, from left, are Nutley Republican Town Chairman William Searle, Remington, Sen. Case, and Carl Orechio of Nutley, who is seeking a Republican Assembly seat.

TOPIC WAS POLLUTION — Belleville's Robert Gaccione (left) meets with candidates along river bank to point out concern for pollution. Gaccione is the Essex campaign manager for the Assembly ticket of Nutley's Carl Orechio and Verona's Assemblyman John Dennis. The team here includes (from left), Gaccione, the Essex manager; Carl Miele who is Belleville's chairman for the Orechio-Dennis ticket; Orechio; Dennis, and John M. D. Walsh who is directing the Nutley campaign for the two Assembly candidates.

UNITY — Essex Republican Chairman George Wallhauser Jr. (right) "welcomes back" Assemblyman Ralph R. Caputo (center) who opposed the Essex slate in a bitter primary election. Caputo has "returned" to direct the Essex Assembly campaign. A resident of Belleville, Caputo went out of his way to point out his endorsement of Assemblyman John Dennis and Carl Orechio, the candidates he himself opposed in the primary. At left is Assemblyman Thomas H. Kean, House Majority Leader, who is up for reelection in the Livingston area.

Political News

Bi-Partisans Oppose State Income Tax

The senate campaign of the Essex Bi-Partisans is pledged to no state income tax. The candidates, in a press release, accuse both Republicans and Democrats with "evasion and double-talk" on the state income tax issue.

"All 20 Essex Bi-Partisan candidates for state legislative and county offices reaffirm their 'unalterable pledge' against the imposition of a state income tax," the statement declared.

Joseph R. Bradley, one of the Bi-Partisan candidates for the N.J. Senate, suggested Gov. Cahill needed more revenues that would be provided by an income tax to finance new jobs for his Republican friends.

"The governor has already placed on the state pad," Bradley says, "the present Essex Republican Chairman at \$30,000 a year, namely George Wallhauser Jr., and his predecessor, William T. Yeomans at \$17,000. He named Wallhauser to the part-time post of State Public Utility Commissioner and his buddy and mentor Yeomans to the do-nothing job of Registrations Commissioner in Essex."

NICHOLAS AMATO, a Belleville resident and former town-attorney there, is a candidate for surrogate on the Democrat ticket. Amato practices law in Belleville and represents several labor locals in the Essex area. He was legislative secretary to the former State Senator Nicholas Fernicola. Joint Council 73, International Brotherhood of Teamsters, recently endorsed Amato's candidacy, along with Joseph L. Iannuzzi, Democrat candidate for freeholder. The endorsement was sponsored by Joseph Biancardi of Belleville who is president of Teamster's Local 97 and a trustee of the executive board of Joint Council 73. The council represents 90,000 teamsters in New Jersey.

The Bi-Partisans have made other "wild" charges as well: they have suggested that firms have been permitted by Trenton to violate pension agreements, that the Republicans favor non-union shops in the state and finally with using a list of county vendors "to build up the subscription roster for the Republican's \$100 per person cocktail party."

The only of the Bi-Partisan candidates to issue his own press statement is Dr. S. Louis Casta of Verona who is seeking a senate seat. Dr. Casta came out strongly in opposition to a statewide property tax for education.

Dr. Casta noted that under such a plan, every property owner in New Jersey would be assessed an equalized tax rate with the funds flowing into a state agency. The funds would then be divided among all school districts in the state.

The obvious disadvantage of the plan, Dr. Casta says, "is that local control of the educational system would be a thing of the past...The further danger is that such a move could precipitate a breakdown of school district boundaries which would be in violation of the concept of home rule."

NICHOLAS LaSPINA is the GOP's candidate for the unexpired seat in the N.J. Senate. He made his first bid for public office in 1967 when he polled the highest plurality in the primary and went on to a resounding victory in the general election for Essex County Corner. La Spina owns a barbershop in the National Newark & Essex Building, Newark, and also is secretary to the State Board of Beauty Culture Control. He has also been a lyricist, a theatrical manager, a columnist and a publisher. He believes the present N.J. Legislature is "one of the most enlightened legislative bodies in the country." He is running on a pledge of "no new taxes."

Democrats Pledge Deeds, Not Words

The Democrat Party campaign for N.J. Senate seats in Essex has not centered around any one issue. Press releases cover a wide variety of topics with a common denominator that charges the Cahill Administration with making "excuses...one after another and promises...that's all we get from our do-nothing legislators."

"How often must we hear Senators talk about the problem of pollution and what we should be doing about it; and how New Jersey ranks near the bottom in state aid to schools while at the same time it fails to seek out federal aid just waiting for applications to be filed," ask Ralph DeRose, Wynona Lipman, Frank Dodd, Martin Greensberg and Henry Smolen, the Democrat candidates for Senate.

The press releases do not suggest solutions to the problems of "pollution, high taxes, unemployment and all the other issues which are of crisis proportion this year." The Democrats state, however, that "something must be done...and it is our pledge to do it with action and not words."

Two of the Democratic candidates supplemented the organizational press releases with their own. Dr. Wynona M. Lipman, who is Essex County Freeholder director, issued a statement on the Republicans' suggestion for day care centers in Newark. And Frank Dodd also released a number of statements asking for mandatory jail sentences for dope pushers, opposing the Tocks Island plan and proposing a bill of rights for children.

Lipman's release on day centers

was prompted by Montclair Mayor Matthew Carter's suggestion that Newark initiate a pilot program for infant day care centers. Both Carter and Lipman are Montclair residents and are involved in an intense campaign.

On the day care centers, Dr. Lipman charged that her efforts as Freeholder Director to expand the Day Care Centers now in operation were "actually sabotaged" by the Republicans.

Although Dr. Lipman's press release then continues three more pages, she does not specify how the "sabotage" occurred. She criticizes the GOP, instead, for "taking credit" for making \$1 million available for child care "which is not true."

Dodd's opposition to the Tocks Island plan is based on his fear that the program would harm the ecology and that the entire project is unnecessary. He said there is still time to stop the Tocks Island dam project if enough pressure is exerted on the Governor and the "insensitive Republican-controlled Legislature."

Dodd's press release on drug abuse suggests one way of alleviating the problem is "to stiffen the penalties for selling narcotics. If an individual is found with thousands of dollars worth of drugs in his possession, he should not be placed on probation," Dodd said. "There should be a mandatory period of incarceration for such people," the Democratic candidate continued. "If we don't overcome this sickness afflicting many youth, can we honestly say that there is a future?" Dodd asks.

Cahill's Programs Stressed by GOP

The Republican campaign for the State Senate is one which centers around the accomplishments to date of the Cahill Administration. Press releases from Republican Headquarters stress progress made by the GOP Legislature in welfare reform, long range environment and flood protection programs and a call for county government reorganization.

Senate candidates for the GOP include incumbents James H. Wallwork, Michael A. Guiliano, Milton A. Waldor, and Montclair Mayor Matthew G. Carter and State Republican Committeeman Frederic Remington Jr. of Bloomfield.

Sen. Waldor credited the GOP Legislature in a statement today with saving taxpayers \$15 million through a comprehensive program of welfare reform.

The welfare changes, Sen. Waldor asserted, are "in the spirit of embracing your fellow man when he is down...to give him the help he needs in time of distress, and the moral support necessary to rebuild his dignity." Waldor suggests, however, that welfare has "become a fountain of prosperity for those who prefer to be idle rather than to work."

Sen. Wallwork this week updated newspapers on work in his charge to bring massive federal aid into New Jersey and Essex for long-range flood control programs. The GOP Legislature, Sen. Wallwork notes, only recently appropriated \$4.1 million for flood aid in the Passaic River Basin which embraces 19 of the 22 Essex County municipalities.

Mayor Carter issued a statement calling tensions which led to the Attica Prison tragedy as being "alleviated in New Jersey through advanced educational and training programs for prisoners." Carter credited Gov. Cahill's administration with launching a two-year college program for prisoners — "the only program of its kind in any prison throughout the world."

In another statement, Carter called for state action to reform county government "which has become an expensive anachronism we can no longer afford." Carter noted there have been suggestions that county government be abolished entirely. He said he disagreed with such suggestions. "I believe there is a place for county government, but not as it is operated today," Carter said.

Remington's campaign has stressed the need for improving higher education in New Jersey. The Senate candidate urged support for the higher education bond issue appearing on next week's ballot.

"We've made substantial progress in providing an opportunity for college education to children of white-collar and blue-collar working families that otherwise wouldn't have been able to afford it," Remington said. "In the past two years, the number of students receiving state loans increased by 9,000; scholarship recipients by 5,000, and educational opportunity grants by 6,000."

Other GOP releases from Carter this week call for a pilot program of infant day care centers in Newark, his personal pledge to "concentrate" on attacking the root causes of the "cancer" of welfare afflicting large cities and the entire state, and, finally, the Montclair Mayor called for closer tabs on the Essex Board of Freeholders' spending.

So long, Bugsy!

The mob still doesn't know what hit 'em. Suddenly some of the key rackets bosses found themselves in jail. Suddenly it wasn't so easy to take over legitimate businesses. Suddenly public officials who took their payoffs found their names in headlines. Suddenly indictments started raining down on their crumbling empire. Suddenly New Jersey was no longer "home sweet home" for organized crime. It happened because New Jersey got a Governor who kept his campaign promise to rid our State of gangsters.

It happened because we now have an Attorney General who put the heat on—and intends to keep the heat on—every one of the mob's operations, from numbers to narcotics. It happened because we now have tough-minded Republican Legislators who are out to legislate the mob right out of business in New Jersey. Now it's your turn to act. By sending Republican lawmakers back to Trenton.

Keep up the fight against organized crime. Keep the Cahill Team.

Sen. Case Endorses Entire Republican Ticket in Essex

U.S. Senator Clifford P. Case this week endorsed the entire Republican ticket in Essex county.

"It is a pleasure to commend the Republican team to the voters of Essex County," Case began.

"Vigorous, experienced and dedicated to the public interest, the candidates for the State Legislature will give Essex County the

strong voice it should have in Trenton. On the county level, too, the Republican slate is a strong one.

"I believe a vote for the Republican candidates means a vote for responsible and progressive government, and I hope they can count on your support," Sen. Case concluded.

PBA Unit at Essex Jail Gives Endorsement To Democrats

Local 153 of the New Jersey State Patrolman's Benevolent Association has endorsed the entire slate of Democratic candidates in Essex County.

Another Democratic endorsement came from Essex County Sheriff John Cryan. He's backing Assembly candidates Frank Megaro and Paul Policastro in the North Ward of Newark.

The PBA's endorsement covers all Demo-

crat candidates. Cesare Caprio, PBA president which represents the correction officers at the Essex County Jail, said the PBA feels the Democratic Party must be given the opportunity to complete the many programs that have been instituted so as to begin alleviating the many problems that have beset the institution and its officers in the past.

The endorsement, Caprio said, was unanimously accepted upon the recommendation of the PBA's political action committee.

Independent Dr. J. Santiago Lists Platform For Senate

Dr. Joseph A. Santiago, an independent candidate for the N.J. Senate, is calling for a national chain of drug rehabilitation centers.

Dr. Santiago is a N.J. physical therapist and operates a chiropractic health center under his name on VanBuren Street, Newark.

A brief press release from his campaign

manager, Marie J. Chaplinski, states the doctor favors "strongly" the drug rehabilitation centers, better housing for senior citizens, better educational methods for young people, the easing of tax burdens on one and two-family homes, and the "investigation of the gouging landlords toward the minority tenants."

Howard Savings Christmas Club Payout Is Largest Ever There

The U.S. Department of Health, Education and Welfare has awarded the New Jersey Public Broadcasting Authority a \$367,000 grant toward the construction of transmitting facilities for Channel 50 at Montclair State College.

Dr. Edward J. Meade, Jr., chairman of the NJPBA, said the grant is part of \$4 million granted by HEW to help establish or improve 15 noncommercial radio and television stations in 13 states.

"The largest payout of a Christmas Club in the history of The Howard Savings Institution will take place over the weekend," stated William J. Hyland, vice president in charge of banking.

Checks in excess of \$5 million, which include bonus payments on all completed clubs, are being mailed to the bank's more than 25,000 club members. The bank's bonus payment plan has been in operation for the last seven years.

"Although the Christmas Club savings were originally intended to help with

Christmas season expenses, today it is fairly well recognized as an all-purpose club. Endorsements on returned checks often show that the money was used for tax payments, furniture purchases, and many other uses not directly associated with Christmas buying," Hyland said.

Based on past history, the bank could expect an average return of about \$2 million of Christmas Club money in the form of deposits to existing savings accounts or used to open new accounts.

BELLEVILLE HIGH School News

Can Achieve

By Bill Hamilton

This column has thus far stated several pressing problems involving Belleville High School and the youth of Belleville, but this week will be different. Instead of stating a new problem, which would not be difficult considering the circumstances, I am going to state the solution to a problem of the past, or, more exactly, the accomplishment of a goal.

Several years ago, and specifically last year, the Seniors at Belleville High suggested the possibility of setting up a Senior Lounge in the school, providing a place for the upperclassmen to go during studies or before and after school. It was met with great opposition almost every step of the way, and the Class of 1971 went as far as staging an unprecedented "walk-out" in an attempt to gain the Lounge and various other requests. Mr. Smith, principal of the High School, investigated the possibility of setting up the Lounge in a storage area known as the "bomb shelter", and he eventually had the room paneled and purchased tiles for the floor. These tiles were laid by Pat Antonelli and Mark Stabinski. Now all that remains to be done is the buying of furniture for the room. The students themselves did much of the work for this project, and, beyond its value as a place for Seniors to relax, it serves as proof to the Board of Education and the School Administration that the students of B.H.S. can and will work for their own goals and not abuse what they have. The Senior Lounge of B.H.S. stands in tribute of all those who fought for a chance to build, a chance to create, a chance to handle responsibility. This chance they gained, through all their efforts, has worked and has been a success. They have not struggled in vain. When the Senior Lounge is opened in mid-November, I trust that all those privileged enough to use its facilities will respect them, not only for their own sake, but for the sake of all those who worked to achieve this in B.H.S. We have accomplished something great; let us not abuse it.

Conductor Spends Summer Playing Bass In Wyoming

By Marty Pilchman

Born in Philadelphia, Pennsylvania, Louis Kosma, who is the Belleville High School's first Orchestra conductor, attended William Tennant High School in Bucks County. He also attended Temple University where he received his Bachelor Degree in Music Education with Applied Concentration in Double Bass.

Through he is in his third year of teaching, he has achieved much toward his

goal. During the summer, he plays the String Bass in the Orchestra Festival in the Grand Teton Mountains in Wyoming. Throughout the remaining months, he plays in Pennsylvania, New York and New Jersey.

When asked what he would like to accomplish in life, Kosma said, "I'd like to be healthy and to give experiences to kids that they've never had before."

In his spare time, Kosma

likes to be with his friends and making household items, his latest being a chandelier for his living room. He also enjoys playing and practicing with his wife, the former Karen Rosner, who is a professional Cellist. They both enjoy playing Chamber Music together.

He hopes to give one or two recitals this year, which will be open to anyone at the high school.

By Susan Stone
The Fewsmith-Wesley Senior High Ecumenical Youth Fellowship has resumed its activities for the year with a continually increasing membership of about forty teen-agers. It was formed two years ago in 1969 when the Fewsmith Fellowship and Wesley Fellowship combined as a result of interaction between the ministers of the two churches, Reverend A.W. Stone, at Fewsmith Memorial Presbyterian Church, and Reverend R. Bedell of Wesley Methodist Church, thought about fusing the two fellowships for three reasons.

More could be done with a larger group, a youth director could now be hired with the combination of funds, and integration and cooperation between teen-agers of the two churches would hopefully lead to more mutual understanding and interaction between congregations. Since then combined fellowship was open to all Christians, it gradually became a mixed group and several denominations of Protestant and Catholics are represented in the membership.

Rev. Bedell and Rev. Stone had a specific set of objectives laid out for the fellowship when they hired a youth director. They wanted it, first of all, to develop a sense of unity, fellowship and group identity among the young people. Secondly, it was hoped that the group would minister to the generation gap. Adult church members would know that the teen-agers were doing something constructive and

in turn the young people would come in contact with adults who advise and participate in some of the activities and programs.

The two pastors also wanted to get boys and girls into the life of the congregation, to become a part of it with the rest of the church members. Thirdly, the fellowship was supposed to make Christian faith relevant to the lives of young people and to real situations they might encounter. Another objective was to make the teen-agers aware of things outside the church, especially some of the social problems that exist in the world today.

Lastly, Rev. Bedell and Rev. Stone wanted the kids in the fellowship to develop their own self-direction and to be able to handle things by themselves in the group.

So far these objectives have been successfully acted upon first under the leadership of Mr. Paul Stadelman, who was the youth director in 1969-1970, and then Mr. John Nesbitt who is presently holding the position. Aiding him are adult advisors, Mr. and Mrs. Charles Hill, and Mr. Doug Cantarella. Although goals

have been met, the fellowship is still growing and hopefully improving to make an even more successful third year possible.

At the first meeting of the fellowship held on September 26th, Susan Stone was elected Chairman; Pam Gatti became the elected Secretary; and Lynn Hosley was elected Treasurer. A steering committee was appointed and consisted of two representatives from the tenth, eleventh and twelfth grades. This committee plans the format for all programs, projects, and recreation that take place throughout the year.

The weekly programs commenced with a discussion concerning situation ethics led by Don Black and Ray Horman. It was followed the next week by a recreation night planned by Cindy Fabian, featuring volleyball, ping-pong, bowling and basketball, with background music. The next week Mr. Casale, Mr. Romano and Mr. Pici, members of the Belleville Board of Education, were invited and the young people asked questions pertaining to school administration and

operation. Bill Hamilton and Susan Winship led the discussion.

The steering committee is planning more diversified programs in the future, including films, special games, speakers, and a host of other ideas which, hopefully, will be

interesting. Aside from the weekly meetings, however, there are other activities planned which concern community service, money raising projects, and just having fun. Two to four "retreats" are a popular way of getting to know one another and there are

several on the schedule for this year. Some recreational events in the near future are a Halloween Party, a hayride, a dance, a basketball game between either the boys and men, or the girls and women, of Fewsmith and Wesley Churches.

Halloween Eve Is Dangerous

Trick or treat or trick and treatment?

Which will it be Sunday night as neighborhood ghosts and goblins make their annual Halloween pilgrimage in search of candy and other long anticipated treasures?

For the children it is an evening of great fun and adventure but for some it can turn into a night of tragedy and sorrow.

Each year too many children are injured and killed Halloween Eve by motorists unable to see them as they dart unexpectedly into the street. Still others are badly burned as their costumes are ignited by flames from lighted candles and lanterns. This does not have to be if

parents will observe rules of good sense and safety, such as the following suggestions. Use only bright costumes. A white sheeted ghost is much more easily seen by passing drivers than a black

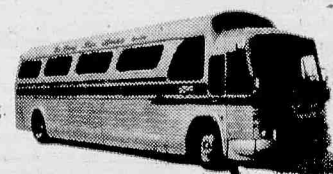

clad witch. But even a brightly clothed child may be hard to distinguish as the evening darkens so a florescent strip, which would make him even more visible, is suggested.

VOTE. BI-PARTISAN LINE C. GIBLIN-SENATOR. "Abe Experienced Legislator". Paid for by Don Benedetto.

De Camp drives you sane.

(Keep your cool without the toll costs, the parking costs, the traffic snarls, and the wear on your car and nerves.)

So long, Buggy!

The mob still doesn't know what hit 'em.

Suddenly some of the key rackets bosses found themselves in jail.

Suddenly it wasn't so easy to take over legitimate businesses.

Suddenly public officials who took their payoffs found their names in headlines.

Suddenly indictments started raining down on their crumbling empire.

Suddenly New Jersey was no longer "home sweet home" for organized crime.

It happened because New Jersey got a Governor who kept his campaign promise to rid our State of gangsters.

It happened because we now have an Attorney General who put the heat on—and intends to keep the heat on—every one of the mob's operations, from numbers to narcotics.

It happened because we now have tough-minded Republican Legislators who are out to legislate the mob right out of business in New Jersey.

Now it's your turn to act. By sending Republican lawmakers back to Trenton.

Keep up the fight against organized crime. Keep the Cahill Team.

Mayor Assails Freeholders

Mayor Joseph McGreevy this week in a prepared statement assailed the County freeholders on what he called reckless spending.

His statement explaining his position follows:

"At the 1971 County Budget hearings Dr. Lipman and the freeholders promised that they would hold the line of spending and temporary jobs. They have done just the opposite. After adoption of the budget, they negotiated pay raises for all county employees and made temporary appointments by the hundreds.

"The Sheriff's department have over 100 temporary appointments and he is in office less than a year. This one department will have almost \$1,000,000

expended for temporary help. They appointed a \$25,000 salary plus \$10,000 expenses or \$35,000 liaison man between the County, State and Federal governments. Appointed an Assistant/County Purchasing Agent. Added numerous County Detectives, Investigators, Assistant Prosecutors plus making the Prosecutor and his assistants all full time employees.

"The County tax rate for the past four years has risen at a total of 37 per cent.

"1968 under the Democrats it went up 13%.

"1969 under the Republicans it decreased 1%.

"1970 under the Republicans it increased 4%.

"1971 under the Democrats it went up 21%.

First State Gets Two New Officers

Eugene Kowalski, who has been manager of First State Savings' Belleville Avenue Branch, will continue in that post when the

Association opens its modern new office on Belleville Avenue, according to Henrik Tvedt, president of First State.

The new office is scheduled for a grand opening celebration on Saturday, Nov. 6. The new building is directly across the street from the present branch office.

At the same time Tvedt stated that Mrs. Winifred Howley, who has been assistant manager of the Belleville Avenue Branch, will continue as assistant manager at the new office.

Kowalski, a resident of Fairfield, has been with First State since April 1971. He is a graduate of Don Bosco High School and St. Louis University in St. Louis, Mo. where he received an A.B. degree in political science.

Mrs. Howley has been a resident of Bloomfield for 31 years and has been with First State for the past three-and-one-half years. She is the mother of three children and has four grandchildren.

Mrs. Winifred Howley

Make your savings work harder for a living

It's sad, but true. Your savings will only work as hard as you make them work. That's why we designed Carteret 6% Savings Certificates to make savings work as hard as possible.

HERE ARE THE FACTS:

1. They offer the nation's highest rate permitted by law — a full 6% a year.
2. They offer absolute security, being insured up to \$20,000.
3. They offer a guarantee for 2, 3, 4 or 5 years (depending on the term of the certificate) to pay the full 6% a year.
4. They offer considerable flexibility, being available in any amount, starting as low as \$500.

All in all, Carteret Savings Certificates offer the smartest, safest haven for hard-working savings. So, forget fluctuating stock prices and interest rates. Instead, make your savings work harder for a living — in Carteret 6% Savings Certificates.

OCTOBER 28, 1971

Paid for by Mr. Robert Gaccone, Campaign Manager
53 Princeton Terrace, Belleville, N.J.

Connie Francis Endorses Carl Orechio And Assemblyman John Dennis For Assembly Seats 11C — (Tuesday, Nov. 2)

Connie Francis

Former Nutley Commissioner Carl Orechio and Assemblyman John Dennis, candidates for the two Republican nominations for Assembly District 11C; this week were endorsed by Connie Francis, the famed singer who is Belleville High School's most illustrious graduate.

"I don't normally involve myself in election campaigns," said Miss Francis, "but since I have known the Orechio family for a long time I am making an exception and would like publicly to endorse the candidacy of Carl Orechio to the New Jersey Assembly from District 11-C."

"Carl Orechio has a rich background of government experience acquired during

his eight years of service as a Nutley Town Commissioner which I know will be helpful to him when he assumes the burdens of legislative office in Trenton. I have known his running mate, Assemblyman John Dennis, and am satisfied his record in office has earned Mr. Dennis the right to reelection," concluded Miss Francis.

Miss Francis has attended several White House functions at the personal invitation of President and Mrs. Nixon. During the last Presidential campaign, Miss Francis made several appearances in behalf of President Nixon.

Miss Francis opens a two-week engagement at New York's Copacabana Thursday, November 4.

The Mark Of Obsolescence

Inspecting Essex County's new jail in photo, right, Republican Freeholder candidates Patrick Lynch, Paul Alongi and State Senator Gerardo L. Del Tufo find the facility is already obsolete only several months after formal opening.

"It is apparent," said Lynch, Alongi and Senator Del Tufo "that the clean outside walls of the jail built at a great expense to Essex taxpayers harbor the same violently overcrowded conditions inside which existed at the old jail."

The three Republican Freeholder candidates said the jail was also built to be "escape-proof," but in the short time that it has been open, a tragic jailbreak occurred involving three prisoners, two of whom died.

Lynch, Alongi and Senator Del Tufo described the multi-million dollar institution as a "cornerstone to obsolescence, a trademark of Democratic controlled government in Essex County which not only has been inept but which also has squandered taxpayers' money without planning properly to see how it should be spent."

The Freeholder candidates said "citizens of Essex County who saw the new jail as something of a milestone in prison reform were sadly let down by this one."

Taxpayers Urged Dems Impeached, Davis Says

The long, hard fight by Essex County mayors to have the Democratic Board of Freeholders trim fat from the county budget received another shocking jolt when Wynona Lipman, the board's director, handed out \$48,000 to a New York consulting firm for a study of county government.

The mayors, pressing hard for reductions which would lighten the tax burden on Essex residents, called for a "blue-ribbon" study that could have been done without cost to the county.

The refusal by Dr. Lipman and the Democratic controlled board to honor their request is further evidence of spending without reason which has caused such intolerable tax levies in Essex.

"The majority of the mayors favored the 'blue-ribbon' approach," according to Bloomfield Mayor Walter Davis, "because it represented a quick and thorough airing of all the problems and headaches which have beset the county under its present administration."

Davis charged the Democrats put off the study, however, "because of the embarrassment it would cause to Democratic officials on the Freeholder

Board." "Finally," he said, "when the Board knew the results would not be reported until after the election, a study was authorized; but still," Davis said, "it appears to be one that will do less harm to the Board."

Davis, vice president of the New Jersey Conference of Mayors, declared "the problem of Essex county government has been highlighted in the last few years because of the tremendous increase in operating costs which the county is demanding."

He pointed out that this year's county budget of \$111.2 million is nearly double the \$60.9 million it was five years ago. The tax table above bears this out in a clear, graphic manner.

In depicting how much the county levy has increased for each municipality, it appears the Essex county mayors have a solid purpose for demanding a top-flight probe of operating costs within the county framework.

Davis declared the tax increases this year were so out of proportion to what most Essex County property owners expected that some mayors were even called upon "to impeach the Democrats."

How Republicans Scored In Trenton

Started All-Out War On Crime And Corruption

The mob is on the run in New Jersey and corrupt politicians are going to jail. That is the record of the Cahill Team in the law enforcement field.

In just two years, State and federal law enforcement forces and a Legislature willing to act have begun to change the image of New Jersey as a haven for the corrupters and the corrupt.

The Republican Legislature enacted a whole series of tough new criminal laws which have significantly strengthened the Attorney General's powers to combat organized crime.

New county prosecutors have been appointed and their offices in the large urban counties have been upgraded to full-time status.

Strong new laws have been passed against loan sharking and to prevent the invasion of legitimate business by organized crime.

A new Division of Criminal Justice has been established, giving the State Attorney General wide powers to coordinate law enforcement efforts Statewide.

The result of all these new initiatives is already visible and re-election of a Republican Legislature will insure vigilance and continued action in this fight against crime.

Balanced Budget Without New Or Higher Taxes

When Governor Cahill took office he had less than 30 days to overcome an inherited \$300 million budget deficit. With the help of a responsible Republican Legislature that deficit was overcome and a balanced budget was achieved.

This year, by combining strong economy measures and improved overall efficiency of State government with a successful State lottery, the State budget was again balanced - and without the need for any new or increased State taxes.

Of all the States in the Northeast, only New Jersey was able to hold the line on State taxes in 1971, a tribute to the determination of the Cahill Team to provide quality government at the lowest possible cost.

Another solid reason to keep the Cahill Team by re-electing a Republican Legislature.

A MILLION-DOLLAR WINNER - Gov. Cahill rejoices as Mr. and Mrs. Fred Wedemeyer hear exciting news that they just won a million dollars in New Jersey's state lottery. In first six months, the lottery provided over \$33 million in new state funds for loans, scholarships and grants to 10,000 students and helped to provide space for 28,000 more students on New Jersey campuses. Another major GOP accomplishment without hiking taxes. (New Jersey Newsphotos)

Cahill Team Makes Touchdown; Giants Are Coming To N.J.

Because of the vision and quick action of the Cahill Team, the New York Giants are coming to New Jersey - and with them will come some 12,000 new jobs and the prospect of further development of the invaluable Meadowlands area.

The Sports Complex has

re-awakened the pride of New Jersey residents in all parts of the State. It has shown people across the country that New Jersey is no longer prepared to settle for minor-league status, in this or any other field. And it has been accomplished without pledging any of the State's credit

and with no funds from the general treasury.

Another striking example of what a progressive Governor and the cooperative Republican Legislature have accomplished. And another reason to stay with the Cahill Team.

A Fight For Better Living 20 Steps Against Pollution

No State in the nation has moved so fast or so far in just two years as has New Jersey. The Cahill Team has taken no less than 20 major steps to protect the State's environment and stop the polluting of New Jersey's air and water.

The "Wetlands Act of 1970" will have far-reaching effects on the preservation of tidal marshlands from Sandy Hook to the Delaware Bay.

The "Clean Oceans" law provides a start in the battle against the dumping of waste off New Jersey's shore.

A new Department of Environmental Protection has been established. Action has been taken to ban the discharge of industrial wastes into the State's waters and penalties have been increased for pollution of drinking water.

The Republican Legislature

authorized - and strongly supports passage this fall - of the "Green Acres Bond Act of 1971" which would provide \$80 million for the acquisition of open space for recreational use and the preservation of streams and rivers.

Enormous strides have already been made. And the re-election of a Republican Legislature will mean continued progress in the entire environmental field.

Waged Massive Attack Against DRUG Abuses

The Cahill Team has launched a massive attack on the menace of drug abuse.

The Republican Legislature appropriated \$800,000 for 50 additional State troopers to be assigned full time to narcotics enforcement duties. Another \$100,000 was provided to train municipal police in drug control work. Penalties for pushers were greatly increased, and closer regulation of the manufacture and distribution of drugs was required.

New legislation requires drug education to be a part of every school curriculum and teachers throughout the State have been given intensive training in handling the drug problem. This new program is in effect in our schools now.

A Statewide system of Drug Abuse Treatment and Counseling Clinics has been created. Treatment centers have been established and enlarged. Methadone maintenance programs have been expanded. And intensified efforts are underway to aid returning veterans who have fallen prey to drug addiction.

Governor Cahill and the Republican Legislature intend to lead the nation in dealing with the drug menace. Re-election of a Republican Legislature will insure that the fight will continue.

Less Talking, More Action On Welfare

After years of talk by others about the "welfare mess," the Cahill Team has acted.

Through a combination of legislative and administrative actions, the Governor and the Republican Legislature moved quickly to curtail the most wasteful inefficient parts of the old welfare program.

Dollars have been re-directed to the most needy; incentives, including job training and retraining, have been provided to work for relief. The net result is a sounder welfare program at a saving to taxpayers of \$40 million over projected cost estimates before the reforms took effect.

The Cahill Team is determined to stop welfare fraud and to break the chain of welfare dependency. Humane welfare reform can be achieved. Re-election of a Republican Legislature will keep up the fight against welfare abuse.

Cahill will stump for the Essex GOP

The Essex County Republican Club, that Essex is a "key" election county where victory "is essential" to continue GOP accomplishments in "holding the tax line."

Essex GOP chairman George Wallhauser Jr. said Cahill's appearance tonight will be the first in a series of campaign stops the Governor has planned before election day on behalf of a 20-man Republican slate for state and county offices.

Wallhauser said Cahill is expected to tell an "overflow" Republican gathering at the \$100 per person fund-raiser in Newark's Downtown

Essex senators urge rent subsidy

Senators James H. Wallwork, Michael Giuliano and Milton A. Waldor, who are seeking re-election next month, described their rent subsidy program "as a measure of security for older persons confronted with high living costs, but whose incomes have remained at the same level."

Park Police PBA For Republican Ticket In Essex

New Jersey PBA Local 54 Patrolmen Benevolent Association, of the Essex County Police has endorsed Essex County's full Republican ticket for the November election.

Case Sees GOP Win

Senator Clifford P. Case yesterday predicted a Republican win in the State and county because "people are sick and tired of hustlers—people who are out for only what they can get." The State's senior

County's Tax Rate Is Providing Campaign Issue For Republicans

Essex County Republican Chairman George M. Wallhauser Jr. said today that he sees the slogan of the Republican county ticket as the sign of candidates who will provide

Chairman, addressing party delegates at the GOP headquarters in East Orange, drove hard into a Democratic county budget which he said "represents a spending program at the taxpayers' expense unlike

GOP Claims 'Best For Essex' Drive

recoiling from the tax program. "Each page of the Democratic story is more chilling than the other," Wallhauser said. "The final chapter for the

GOP trio blisters 'galloping' tax rate

The three Essex County Republican freeholder candidates have warned taxpayers that a "galloping" tax rate approved by the Democratic-controlled board of freeholders could nearly double tax bills for thousands of "unsuspecting" Essex property owners by 1974.

"However grim the news may be," State Sen. Gerardo L. Del Tufo (R-Essex), Patrick J. Lynch and Paul Alongi said in a statement yesterday, "it is imperative that voters understand now the full financial dilemma of the county in order to defeat the go-for-broke policy of the Democrats."

The GOP hopefuls based their prediction on the 1967 county tax rate which went up 10 percent, a figure they say the Democrats will repeat.

The candidates said the full impact of a tax program geared to the acceleration they forecast can only result in the "slow strangulation" of the county.

They said the "galloping" tax rate under the Democrats will become a story of the galloping ghost for Essex. A vacuum of industry and wealth, a vacuum of good homes and good community spirit, created by the Democratic hand for more money and less services.

Claiming that "already a feeling of financial insecurity exists in many areas of our county," the freeholder candidates assured Essex voters "that Republicans will restore their government to fiscal sanity whereby the leap from the cities to the suburbs will not become the journey from oblivion."

Wallwork Hits Back

State Senator James H. Wallwork (R-Essex) said yesterday that "no amount of political doubletalk can hide the fact that Essex Democratic Freeholders and Democratic office seekers are being provided with a limousine fleet at taxpayers' expense."

Waldor lauds GOP on welfare reforms

An incumbent Republican state senator from Essex County yesterday credited the GOP-controlled Legislature with saving taxpayers \$15 million through a "comprehensive program" of welfare reforms.

In a campaign swing through 12 Essex municipalities, incumbent GOP Sen. Milton A. Waldor denounced "welfare gyps and chiselers" and said it was "Republican courage and guts that drove them from the relief rolls."

A MESSAGE FROM YOUR GOVERNOR

Governor William T. Cahill

STATE OF NEW JERSEY
OFFICE OF THE GOVERNOR
TRENTON

WILLIAM T. CAHILL
GOVERNOR

To the People of Essex County:

Since 1970, when my Administration assumed office, we have achieved significant progress in attending to the problems which affect the lives of those who live in Essex County -- as well as all New Jerseyans.

Recognizing the overwhelming need for improved mass transit facilities we have successfully demanded that the Port of New York Authority meet its responsibility; we have established sound fiscal practices without the burden of new taxes; we have worked to bring about long needed improvements in our educational system, and provided greater opportunities for New Jersey students to receive a college education; we have taken steps to meet the growing demand for more housing; and, we have adopted legislation to remove the possibility that legislators and other elected officials will be in conflict of interest.

The new laws that have been passed, the programs that have been expanded or implemented and the direction that has been taken to provide an efficient and sound governmental operation, have been accomplished through the cooperative efforts of the executive branch of government and the Legislature. It is vitally important, if New Jersey is to continue progressing, that this cooperation not be impaired and that our Republican candidates for both the Assembly and the Senate receive from the public a mandate at the polls in November to continue the job we have begun together.

I believe that this Administration and our Republican officials who served in the Legislature have demonstrated responsiveness and responsibility toward the public good. I ask that you return to office these men and their new running mates who are dedicated to an era of excellence.

Sincerely,

William T. Cahill
GOVERNOR

Republicans: Willing And Able

THE SENATORS — In shirt sleeves, and ready, willing, and able, Essex County's Republican State Senate ticket meets on strategy for a victory on November 2. Seated, left to right, are incumbent GOP senators Michael A. Giuliano, James H. Wallwork, and Milton A. Waldor. Standing, L to R, are Montclair Mayor Matthew G. Carter, Frederic Remington Jr., and Nicholas La Spina. The Senators point out the Republican Legislature in the Cahill Administration is recorded as one of the most enlightened legislative bodies in the country. A \$300 million deficit inherited from the Democrats was turned into a balanced budget, and new sources of revenue — without increased taxes — poured additional aid into critical areas. A big difference from the 34.12 per cent tax jump in Essex.

Senators Urge Subsidy To Help Senior Citizens

Michael A. Giuliano

Milton A. Waldor

Incumbent Republican Senators James H. Wallwork, Michael A. Giuliano and Milton A. Waldor will sponsor legislation to give rent supplements to senior citizens living on fixed income.

The three senators said the new program will have much the same effect as the \$160 property tax exemption which the Legislature approved for senior citizens who live in their own homes.

Wallwork, Giuliano and

Waldor described the rent subsidy proposal as a measure of security for older persons confronted with high living costs but whose income has remained at the same level.

The Republican lawmakers said several approaches are presently being studied under which the subsidy program could become effective.

One of them, the senators said, is a direct payment plan to senior citizens who would meet the eligibility requirements.

Case Predicts GOP Will Win

U.S. Senator Clifford P. Case predicted Republicans will win in Essex County and the state because

Sen. Case

"people are sick and tired of hustlers—people who are out for only what they can get."

The senior senator from New Jersey made his victory pronouncement during the first of several campaign appearances he plans in Essex on behalf of the full 20-member Republican slate.

Speaking to some 400 persons at a breakfast for GOP Senate candidate Frederic Remington

Jr. in The Manor, Case emphasized that maintaining control of the State Legislature and regaining control of the Essex County Board of Freeholders is a "crucial matter."

Case also said he is confident that the beginning of the 18-year-old vote in this election will help the Republican cause because the "young people have their eyes open."

"I'm sure," he said, "that they know it is Republicans who provided more aid to higher education, and that it is Republicans who are continuing to flow the proceeds from a significantly successful lottery into more classroom space and greater educational loans, grants

and scholarships."

Remington was accompanied to the breakfast by his 18-year-old son, Frederic Remington III, whose birthday occurred just before the September 23 registration deadline for new voters.

The GOP senatorial candidate introduced the Republican ticket and asked support in the November 2 election "to keep fiscal sanity in the state and to return it to the County."

Case declared that politics in itself is a form of government, and as such, it is the platform on which all people can be represented. He urged the full exercise of the vote on November 2 and a full Republican victory.

CONCERNED FOR THE FUTURE — Matthew G. Carter, left, Republican Senatorial candidate and Mayor of Montclair, meets with GOP Assembly candidate Donald J. Scott, center, and State Health Commissioner Dr. James Cowan, on health and housing problems. Both Carter and Scott favor block by block renewal to overcome plight of ghettos.

HELP FOR SENIOR CITIZENS — Republican Senator James H. Wallwork in a moment of bliss with one of New Jersey's senior citizens. Wallwork is chairman of the Senate Public Health Committee.

La Spina A Top Vote Getter

NICHOLAS LA SPINA, Republican Senate candidate, polled the highest plurality in the 1967 primary when he ran for County Coroner and he went on to a resounding victory in the general election. He believes the Republican tide will prevail on Nov. 2 and new horizons will result from a GOP Freeholder Board and a GOP Legislature.

BEST WISHES — GOP Senatorial candidate Frederic Remington Jr., left, gets support from Gov. William T. Cahill and U.S. Secretary of the Interior Rogers Morton. Remington, GOP State Committeeman, was instrumental in Republican Senate victory in 1967.

Wallhauser Blasts Dem Voting Record

George M. Wallhauser Jr.

Essex County Republican Chairman George M. Wallhauser Jr. said today the negative Democratic voting record in the Legislature is a prime example why Essex County voters should send a full GOP legislative delegation to Trenton.

Wallhauser pointed out the Democratic minority failed to even go along with the

Appropriations Bill for 1971-72 by which Republicans and the Cahill Administration delivered a balanced budget for New Jersey without cutting services or increasing taxes.

Other legislation which provided Jerseyans with a greater stake in the future but which Democrats did not endorse include the following, Wallhauser said.

- * Creation of the Meadowlands Sports Complex.
- * Welfare reform and assistance to families of the working poor.

- * Creation of a New Jersey Mortgage Finance Agency.

- * Establishment of County Special Services School Districts for the education of handicapped children.

- * Medical and Dental Act to provide more doctors.

- * Increased penalties for water polluters.

- * \$2.5 million for the purchase of buses to be leased to companies serving mass transit needs.

- * Local Tax Authorization for Newark which permitted the city to raise critically needed revenues for meeting daily operating costs.

Way Out Taxes Peril County

Thomas R. Farley

Essex County Surrogate Thomas R. Farley sees the present accelerated tax rate in Essex as a peril to middle income families who are staggering under the biggest tax increase in the history of the county.

A candidate for re-election on the Republican Line B ticket, Farley is also the former finance chairman of the County Board of Freeholders, who delivered with Republicans, the first balanced budget in the county in 13 years.

Fiore, D'Ambola Gear Campaign

Assemblyman C. Richard Fiore and former Essex County Sheriff Ralph D'Ambola, running mates in District 11B, are aiming their campaign into the heart of Essex County's dilemma: high taxes under the Democrats.

In vigorous campaign swings through Newark, the GOP candidates are pointing to what could be the collapse of the county's credit rating unless Republican control is restored on the Board of Freeholders.

On the other hand, Fiore and D'Ambola are urging voters to look at the Republican legislative record which achieved an era of excellence while still holding the tax line.

Fiore

D'Ambola

GOP Victory Gives Essex Next Speaker

Essex County will get its first Republican Speaker of the Assembly in 21 years with a Republican victory on November 2.

The coveted spot, reserved for the third highest ranking state official, will go to Majority Leader Thomas H. Kean of Livingston.

As Speaker, Kean would assume chief executive powers in the absence of the governor and the President of the Senate.

The duties and responsibilities of the Speaker cover a wide range of legislative activity. He is in control of all legislation in the lower House and appoints all Assembly committees and committee chairmen.

The Speaker also determines the priority of bills and the order in which they are placed on the calendar for a vote.

He also decides what bill goes into what committee.

The last Republican Speaker in the Legislature was Percy H. Miller who served in 1951. State Senator Gerardo L. Del Tufo, a GOP candidate for the Essex

Thomas H. Kean

Board of Freeholders this year, was Miller's secretary at the time.

Kean will also be the youngest Speaker to serve New Jersey. At 36 years of age, he has already served two terms in the Assembly.

GOP Holds Tax Line Kaltenbacher Declares

Assemblyman Philip D. Kaltenbacher, representing District 11E, said the creation of the Office of Fiscal Affairs which will oversee state expenditures is one of the most important single steps taken by the Legislature to make the legislative branch a truly co-equal partner in state government.

"With annual expenditures of nearly \$2 billion," Kaltenbacher said, "it is essential that the Legislature be fully informed of the success or failure of programs being funded at the state level."

Kaltenbacher said the OFA, serving as a watchdog agency over public funds, will not only strengthen state government but will result in greater efficiency by eliminating waste or duplication.

Kaltenbacher, a co-sponsor of the OFA bill with Assemblyman Kenneth T. Wilson of District

Philip D. Kaltenbacher

11D, also pointed out that \$16.7 million has already been saved through the Governor's Management Commission.

The Republican Assemblyman said the gains are significant examples of what the Republican Legislature and the Governor has done to hold the tax line in Trenton.

Wilson, Trezza: A Team

THEY WORK FOR YOU - Assemblyman Kenneth T. Wilson, left, chairman of the Air, Water Pollution and Public Health Committee and Orange Commissioner John F. Trezza, running in Assembly District 11D, have a view toward future progress for Essex County. They're part of the GOP Best for Essex team.

Dennis, Orechio Voice Leadership In Government

John N. Dennis

Assemblyman John N. Dennis and former Nutley Commissioner Carl A. Orechio, add more experience in state and local affairs to the Best for Essex Republican ticket.

Dennis is a member of the powerful Joint Legislation Appropriations Committee and is chairman of the sub-committee on Federal Aid. He is also a member of the Assembly Banking Committee, and the commission to study state and federal housing for senior citizens.

A life-long resident of Essex, Dennis is on the board of Directors of Integrity, Inc., a drug rehabilitation center, and a member of the Board of the

National Council on Alcoholism.

Orechio served as Director of the Department of Parks, Public Property and Recreation during his eight-year tenure as a Commissioner in Nutley.

A civic leader, Orechio has been deeply involved with the Nutley Lions Club, Chamber of Commerce, Loyal Order of Moose, the Elks, Holy Name Society and the K of C.

He is a member of the Board of Trustees of the Nutley Jaycees Foundation, the Board of Directors of the Passaic-Clifton YMCA, and a Director of the American Red Cross. He is also the head of an insurance and real estate agency which bears his name.

Carl A. Orechio

Mikuli Praises GOP Stand

Albert Mikuli, GOP Assembly candidate, credited Republican leadership today with saving Newark

Mikuli

from total destruction after the city was plundered by a corrupt Democratic Administration.

But Mikuli, who is running in Newark's 11A Assembly District with Donald J. Scott, said that greater Republican representation is needed to make Newark a prosperous city of the future.
