To Hurt Taxpayers

No Additional State Aid In Next School Budget

Schools Superintendent Anthony Greco expressed "extreme disappointment" this week at news of the impending freeze of additional state aid to local school districts.

Under the freeze, to be imposed by Trenton, Belleville will receive absolutely no increase in state aid allotments for education next year. It means whatever increases show up on the new school budget to be presented to voters in February, they will have to be paid for by local taxpayers.

"I'm terribly disappointed by the news," said superintendent Greco. "It doesn't make sense to freeze school aid now. Under the Bateman formula local school districts would be receiving an additional \$30 million in state aid next year. We were promised the money and now the state is backing out. I intend to write to Trenton expressing my displeasure."

Gov. William T. Cahill last week threw his support behind legislation which would temporarily freeze additional state aid. Under the Bateman Bill, passed last May, local school districts were to receive an additional \$30 million in state aid but that move now appears dead.

Belleville was anticipating an additional \$30,000 from the state when they prepare the 1972-73 school budget but now the school board will receive none of that money. The Town will receive the same amount of state aid as last year so any additional monies called for in the budget will have to be paid for by local taxes. Belleville receives 13.9 per cent of the total budget in state aid. Last year's budget saw a \$6,173,000 figure with \$856,473 of that amount coming from the state.

Gov. Cahill threw his support behind the freeze on state school funds pending the release of the Tax Policy Committee report. Many observers believe that report will recommend that all school funding be shifted to the state level, a move which would be consistent with recent landmark court decisions declaring that taxes on local real estate for school support is unconstitutional.

With Cahill's recommendation, local school districts would again receive about \$30 million in additional state aid in 1972 under the formula worked out by a special commission on school aid under Senate President Raymond H. Bateman.

The Bateman formula proposes that the \$30 million added during this year would be doubled in 1972-73 school budgets. Overall, the Bateman Bill ruled an additional \$180 to \$200 million in state aid to local school districts over a five-year period.

School Board To Meet

The Belleville Board of Education will hold its regular meeting next Monday, Nov. 29, in the Board room at School No. 8. The open meeting will begin at 8 p.m.

Board members will have much to discuss at the meeting as several developments affecting the school system have come to the open since the October meeting.

First, members may have a statement on the new office building purchased by the Town which may be used jointly by the Board and its administrative offices. Also, oil bids have again gone out and this week Trenton announced a freeze on additional state aid to local school districts which was dictated by the Bateman Bill.

Central America Trip Made By Businessmen

Two local residents, one from Belleville, the other of Nutley, have recently completed a trade mission with the U.S. Department of Commerce to Central America.

Eugene Muscara of 37 Clearman Place and for many years the owner of Muscara Music on Washington Avenue, and Frank Franko, of 50 Howard Place, Nutley, visited five Central American countries on a trade mission to discuss possible solutions to an increasing water problem in that area.

The trip took 14 days, starting from Florida where the two have become vice president of Aqua-Technic Associates, Inc., since 1967. The company has dealt with the chemical and dispersion effects of water and related water purification problems in the Orlando area.

Renewal Of Rivalry When Bellboys Travel To Lyndhurst's Turf

The traditional Thanksgiving Day contest Thursday morning will see a renewal of a rivalry when the Bellboy gridders travel to Lyndhurst territory for the first time in almost 20

years. Game time is slated for 11 a.m.

At stake for the Blue and Gold, besides a prestige win on the holiday, is a winning season. Belleville shows a 4-4 mark in the standings and the local squad members will be playing long and hard to better that record in the last tilt of the

year. For the Golden Bears of Lyndhurst, it's too late to post a successful mark. They will be looking to salvage another win to add to their present 2-5 record.

The game will mean more than "just a game" for both coaches too. Head coach Rocco Cafone remembers

FBI Agents

Arrest Pair

On Hijacking

Two Belleville residents were among 18 persons arrested last week by FBI agents in connection with several hijacking operations in three states. The indictments on the two were made out in Newark.

Named as defendants along with 16 other persons from the area were Sam Li-quori Jr., 29, and Robert L. Garrity, 31, both of Belleville. The arrests came Wednesday, Nov. 17, while the indictments were returned on Tuesday of the same week.

Among charges placed on the 18 were Robbery, kidnaping, theft of goods from interstate shipment, transportation of stolen goods and motor vehicles, and possession and receiving stolen goods.

\$106,000 Bill Aired Tonight

Town fathers have slated their regular Board of Commissioners tonight at Town Hall. The meeting will start at 8 p.m. Heading the agenda is a public hearing on the appropriation of \$106,000 in Town funds to pay Belleville's share in the relocation of an outlet sewer.

Maintained by the Second River Joint Meeting, the new sewer line will be constructed through Belleville's Branch Brook Park and along the Mill Street section of Town.

According to Mayor Joseph McGreevy, the Town has been a reimbursement of 53 per cent of the \$106,000. The Mayor added that there is a good chance that the Town will receive all monies back through federal aid.

Four Charged

Police Crackdown On Theft Ring

Belleville police reportedly broke up a theft ring last week that was operating out of Newark. The ring, according to local officials, specialized in breaking and entering jobs in Belleville taverns.

Arrested and charged with the burglary of two local bars were two juveniles, an 18-year-old and a 22-year-old. All four suspects are residents of Newark. Complaints were written against the alleged thieves after a week-long investigation by Belleville detectives. One of the bars reported to be broken in to was the Belleville Mayor's business, McGreevy's Tavern, 15 Cleveland Street. The other arrest came after two juveniles were discovered in Pete's Pub, 35 William Street.

The first break in the case came when Belleville Police Sergeant Ray Kimble while on routine patrol discovered a window open in the early morning hours at McGreevy's Tavern. Sgt. Kimble called for assistance. In the tavern he found two 17-year-olds, both reported to be residents of Newark. Kimble arrested both teens on November 14, 3 a.m.

On November 17 police received an anonymous call that two men were observed breaking into Pete's Pub. Sergeant Joseph Tortorello and his special squad were detailed to the scene, where they found a side window of the establishment to be open.

Upon entering the bar police observed and then arrested two more Newarkers. This time a 22 and an 18-year-old. The pair was taken to Belleville headquarters where they were questioned.

Santa Claus And Reindeer Coming To Town Friday

Santa Claus and his reindeer will make their first appearance in Belleville this Friday, Nov. 26, when they board a float centered around a special parade down Washington Avenue. The parade begins at 1:30 p.m.

The jovial Christmas gift giver will board the float with the help of local Cub Scout and Girl Scout Brownies. Headlining the happening will be the Belleville Senior High

School Band and Twirlers. Slated to begin on Washington Avenue, at the corner of Greylock Parkway, the parade will head down to Mill Street and then back to Town Hall where Santa Claus will be greeted by Mayor Joseph McGreevy and the Commissioners.

The Belleville Chamber of Commerce with the Christmas Lights and Parade Committee is sponsoring the affair. Businesses along the

parade route are urged to send contributions to the Chamber of Commerce, 302 Washington Avenue, Belleville.

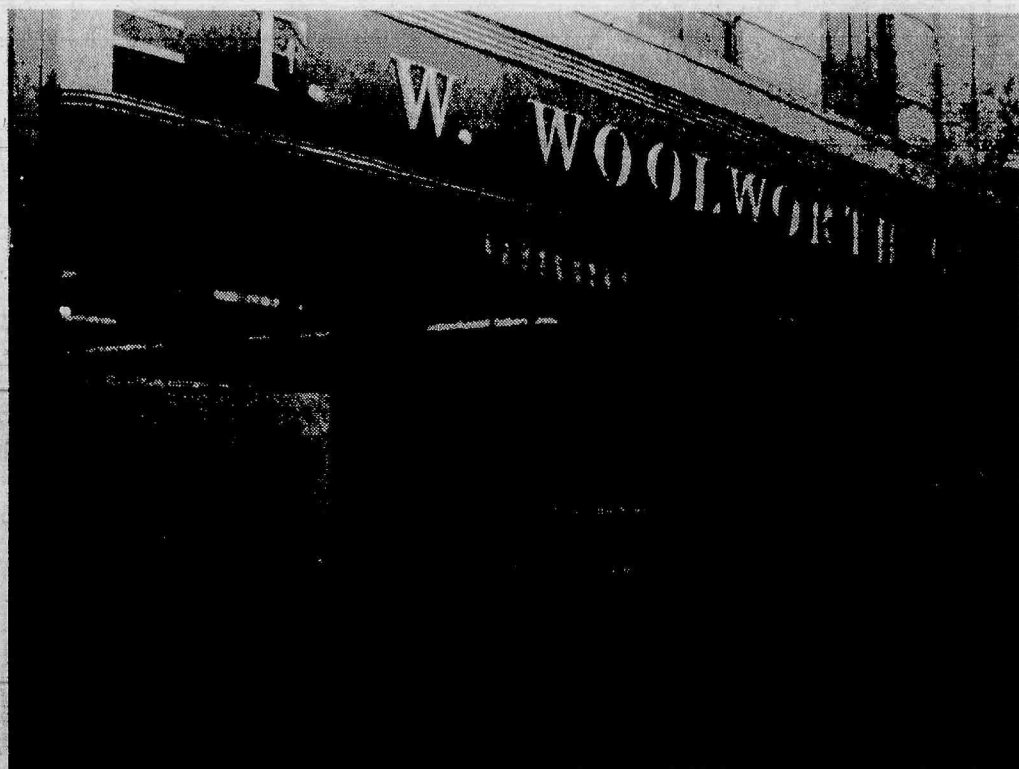

Heading the committee is Aaron Cohen. Other members include Joseph Guerino, John Iannuzzi and Arthur Jackson. The committee reports that this year's design for the Santa Claus was submitted by the Chamber and made by the Bond Parade Float firm.

Woolworth Store To Close Doors At End Of December

Belleville's first and only five and dime store, the F.W. Woolworth Co. branch at 179 Washington Avenue, will close its doors to residents December 31. W.C. Pierce, regional vice president, made the announcement last week.

"The company regrets closing the store after so many years of service to the community and the pleasant association it has had with customers here. However, the requirements of efficiency and economic operation make the closing necessary," Pierce stated. Woolworth's in Belleville was opened May 22, 1941 and for over 20 years has been the Town's only variety outlet. According to one longtime employee, the business enjoyed immense popularity during the 1950's and early '60's but business has been on the decline in recent years. The Belleville branch improved over the years, adding new lighting, counter space and air conditioning, as the times dictated, but recently the F.W. Woolworth Co. has sought to bring out a new

image. As one company executive stated, "the Belleville store just didn't fit in with our new look." Of late the store has not improved and when the

lease will expire in December the company will not renew. "It would not be feasible to rebuild the store in our image," said district manager David C. Blessing. "Economic conditions dictate our position."

Although executives of the business are planning to move some of the store's merchandise to other branches, most of the store's stock will be liquidated. Woolworth's is planning a "going out of business sale" for the month of December with reductions on prices from

30 to 50 per cent.

The building is owned by Davis Mand of Kearny. Some of Woolworth's employees speculate that a Mande Shops store may move in that location but nothing definite has been revealed. Mande Shops, reportedly run by Davis Mand, specializes in ladies' wear.

The building was constructed in early 1942 especially for the Woolworth chain. It was about 7,000 square feet of floor space but executives refused to comment on monthly business turnover.

"All we can tell you is the store of late hasn't been doing well economically," Blessing said.

Next closest branch to the Belleville Woolworth's is the downtown Newark store, third largest in the entire Woolworth chain. Woolworth's also has stores in Bloomfield and Rutherford. All totaled there are 3,700 stores nationwide, compared to 900 in 1942, when the Belleville business was started.

"Woolworth has now immediate plans to open a new store here, but the company is continually

investigating all areas for future expansion," Pierce stated. The vice president said that personnel would be offered transfers to other Woolworth stores.

The Belleville branch had first planned to close December 24 but district manager Blessing now has extended that date to December 31, after the Christmas season.

Local Pair Returns From Central America

(Continued from Page 1)

"We were sent down there through our company in co-operation with the Department of Commerce to talk with the Central American governments about their emerging water problems," Franko explained on their return, "and we came back convinced of the tremendous potential their countries have for water development."

Muscara and Franco arrived in Costa Rica September 15 from Miami and immediately were impressed by the people. "We knew very little Spanish," Muscara recalls, but when we landed there was a reception committee and interpreters. Everywhere we went the people were truly hospitable and warm."

From Costa Rica the "ambassadors" went to Nicaragua, San Salvador, Honduras and Guatemala, spending about two days in each country. "We visited with the president of each place, along with the leading businessmen

and always our ambassador," said Franko.

The two men spent their days reviewing existing water use situations and using the experience they had gained from their business in Florida, a comparable climate, to set up or rework requirements for water purification. The advent of less clean water, more swimming pools and industry made the trip, paid for by their companies, necessary.

"We would like to go to Brazil, a country we missed on our first trip, in the near future and tackle the industrial waste and water problems there," Muscara said. While their company might indeed become internationally known as a result of this trip, both men feel that they will remain in this area to live as well as keep their home operations in Orlando, saying that while the trip was "fantastic experience" they believed that it enabled them to see our way of life better.

The two travelers have filed a report with accompanying recommendations with the Department of Commerce and based on that report will make other environmental voyages to Central America.

Nick Amato May Be Youngest Surrogate

Essex County's newest Surrogate, Nicholas Amato, may very well be the youngest man in the state to ever hold that office.

Elected November 2 in New Jersey general elections, the Belleville attorney brings an impressive list of credentials to his new job.

Born in Newark, Amato moved to Belleville at the age of two and went through the Belleville school system, graduating from the high school in 1957. He attended St. Peter's College, Jersey City, and was graduated in 1961. He received his law degree from Seton Hall Law School in

June of 1964, and went to work as Probation Officer throughout Essex County.

Shortly thereafter, Amato was authorized to plead before the State Supreme Court, and in 1968, he signed the National Roll and was accepted as a practicing attorney before the U.S. Supreme Court.

Amato joined the law firm of Gleason, Hanson and Pantages and from 1965-67 worked also as legislative secretary to former State Senator Nick Fernicola. In addition, Amato during this time acted as special counsel to the Essex County Legal Services Society.

In 1968 at the age of 27, Amato was named Town Attorney, another post in which he might have been the youngest in the state to serve. It was during this time that Amato opened his own practice in Belleville.

Since that time he has served as attorney to the Essex County Correction Officer at the Essex County Penitentiary and Jail, and as counsel to United Auto Workers, 141, at Walter Kidde.

Amato lives at 4 Arthur Street with his parents, Mr. and Mrs. John P. Amato. He also has a brother, Cyrus, of North Caldwell.

A Libel Against Cahill

During the past two weeks we have witnessed a malicious effort by certain ambitious political figures to downgrade the standing that Governor William Cahill has in New Jersey's Italian-American community because Governor Cahill announced that he would urge the newly elected Republican members of the New Jersey Legislature not to make a deal with Assemblyman-Elect Anthony Imperiale in order to organize next year's new Legislature. Certain Italo-Americans have accused Governor Cahill of being anti-Italian. This is the lowest form of political damogoguery known to man. It is the transparent effort of some people to gain the favor and support of the Italo-American community by projecting a public image of defender of the Italo-American community's aspirations.

There was nothing in Governor Cahill's comments concerning Assemblyman-Elect Imperiale's participation in the organization of the new legislature that could lead anyone to the conclusion that Cahill's comments were a reflection of an anti-Italian sentiment.

Governor Cahill's objection to a deal with Mr. Imperiale is due to the fact that Cahill believes Mr. Imperiale's political philosophy is not compatible with Cahill's or the kind of Republican that Cahill wants to lead in New Jersey. And that is the simple truth.

But Cahill detractors are not satisfied with the truth. With unmitigated gall they do violence to the truth, corrupt the facts, distort the record, commit slander and libel, all for the purpose of gaining a credit card with the Democrat party and at the same time attempt to lead Italo-Americans into believing they are champions of Italo-American interests.

It is even demeaning to respond to a false charge that Governor Cahill is anti-Italian. But demeaning as the exercise is, the record covering this scurrilous attack

against Governor Cahill must be complete with a response from sources that have direct ties with the Italo-American community. It is for this reason we publicly condemn those detractors of Governor Cahill who have accused him of being "Anti-Italian."

Governor Cahill had a perfect right to express his opinion concerning Assemblyman-Elect Imperiale's participation in the organization of next year's legislature. Since Imperiale ran as an independent, previously being defeated in this year's primary election for a Democrat County Committee Seat, Governor Cahill properly concluded that the record was enough for him, as leader of the New Jersey Republican Party, to clearly make known to the Republican Legislators-Elect that he didn't believe it to be in the best interests of the Republican Party to accept the support of Imperiale in order to give the Republican Party the patronage benefits that flow from a Republican-organized New Jersey Assembly.

One of Governor Cahill's detractors has the temerity to ask Governor Cahill to apologize for his comments concerning Assemblyman-Elect Imperiale. This is the most ridiculous thing that we have ever heard.

Governor Cahill needs no defense by anyone, especially the undersigned. His private and public records speak for themselves—and it is clear from the reading of those records that Governor Cahill is not a biased or prejudiced man. We regret that the incident took place and any apology owing to anyone should be to Governor Cahill by those who have falsely accused him of being biased against Italians.

Nixon And Moscow

The announcement that the President would visit Moscow next year is the latest in a series of diplomatic and political rabbits Mr. Nixon has pulled out of the hat in 1971. Coming on top, of the announcement that he would visit China before May, news of the Moscow visit is especially significant.

For one thing, it means Mr. Nixon already knows the Moscow meeting will be productive. Otherwise he wouldn't go. It means the USSR has extended to Nixon an invitation former President Lyndon Johnson sought and which former President

Eisenhower received and then lost, in the U-2 controversy.

Politically, it means the President will be visiting China and Russia in election-year 1972. These visits, if all goes well, are sure to enhance the President's image in the eyes of many voters.

Having gained organized labor's cooperation, along with that of business and most other Americans, in his economic program to check inflation, Nixon's foreign policy efforts indicate he is sure to be a formidable reelection candidate in 1972.

Garbage Contract Bids Presented To Commission

By Elaine Auerbach

One Year Ago

Bids on a new municipal garbage contract were expected to be presented at the regularly scheduled meeting of the Commission on December 14. After holding a special caucus, the Commissioners had drawn up the specifications for the contract and agreed to advertise for bids. The present contract, which was to expire in December, was a five year package costing \$240,000. Owner of the contract was Lorenzo Pucillo & Sons of Belleville.

Senior citizens were told not to panic if they were confused about their tax exemption status under the forthcoming new state law. Apparently causing some of the confusion was that eligibility requirements under the new law had not been released by the state. According to Joseph McGreevy, finance director, the senior citizens were to file for tax exemptions under the old system, but would be able to file for a readjustment as soon as the new law went into effect.

Seniors on the Bellboy football team, many who had played side-by-side since their freshman year, were to play together for the last time when Belleville met Orange on Thanksgiving Day. Playing their final game, which would add to a 6-3 record for the team, were: Michael Albertine, Ricky Caruso, Mark Bradley, Jim Miele, Doug Brown, Joe Papisidero, Vito Marcollese, Charlie Ziegler, Camen Russomano, Tom Jones, Ron Muscara, Dan Vitiello, Don Black, Joe Valvan, Tom Vitiello and John Atherton.

During a special meeting of the Board of Education at School 8, Superintendent of Schools Dr. Frank M. Durkee was to accept an offer to resign from the school system for some \$26,000 in back pay and personal damages. Dr. Durkee said he had agreed to the offer "because it's been going on a long time, and I have to think of the people involved." He pointed out that the legal fees were mounting and he had a daughter in college to support.

A rare opportunity was being offered to Belleville boys by the Recreation Department. A Basketball clinic was to be run at the high school from 3 p.m. to 5 p.m. on Saturday throughout the basketball season. Directing the clinic would be Belleville's basketball coach Al Lo Balbo, who would be assisted by former basketball coach Herman Wische. Bob Cook, recreation superintendent, said that the clinic would provide the boys with the best possible introduction to the sport.

Rocco Saletta, a member of the Board of Education, suggested that the Board look into the matter of abandoning the cafeteria at Belleville High School and instituting a catering service to provide students with their noontime meals.

Ten Years Ago

The State Board of Education warned Belleville that unless something was done to improve the high school building, students would receive nothing more than a second-rate education. In a report about the school system, the State repeated its

earlier warning that approval was being granted only on a temporary basis. William A. Wamer, state director of secondary education, issued the report after a committee had toured the school to see if it met minimum requirements.

Miss Lillian Sartori of 583 Union Avenue was crowned Italian-American Queen at the 38th annual Woman's International Exposition held at the 71st Regiment Armory in New York City. A graduate of Belleville High School and Caldwell College, Miss Sartori was in the Education Department of the Newark Museum.

The Essex County Board of Taxation was asked to investigate property purchased by Commissioner Robert Gruhin, which had appeared on tax records as Tax-exempt. The property, purchased in 1960, had belonged to Congregation Ahavath Achim. Gruhin had insisted that the purpose of the building had not been changed because the group still had possessions there. David Robbins, vice-president in charge of synagogue property, said that anything left in the building was "garbage."

In a game featured by stellar line plays, Belleville succumbed to a last minute period drive by a heavily favored Nutley team and copped their sixth game of the year by a score of 7-0. The hard charging Zebra line, hitting low and fast, stymied the Maroon attack throughout the majority of the fray. Despite the fact that the Belleville squad was defeated, its defense, composed of Lou Vitelli, Joe Cancelliere, Joe Grande, Angelo Tibaldo and Charley Macaluso held Nutley in check.

Mayor James J. Tully announced he would reappoint Everett B. Smith to the town recorder's post, effective December 1, for a two year term. Belleville was in the unsure position of having two recorders. Earlier in the month, Public Safety Director Noll had sworn in George Brown to the post. However, Mayor Tully had successfully pushed through a resolution removing the position from the appointive capacity of the Public Safety Director.

The outstanding sensation at the National Association of Popcorn Manufacturers convention was a popcorn machine placed on the market by the Viking Tool and Machine Corporation on Mill Street. According to Edward Leeson, general sales manager, the company had been swamped with orders at the Chicago unfolding of the machine. Popcorn growers and representatives of the vast multi-million dollar industry besieged the Viking Booth at the convention with all kinds of offers for the machine.

Speak Up!

Defends Newark Mayor

To the Editor:

If it is "scandalous behavior" for the mayor of Newark to criticize President Nixon (since, in fact, his city must bear the burden of Federal incompetence), then it is equally so for Mr. Orechio to accuse Mr. Gibson of political exhibitionism. By holding up President Nixon as the paradigm of America, you imply that Mr. Gibson is in some sense UnAmerican because he would question the judgement of such a sacrosanct figure.

Housing policies do not alleviate ghetto conditions, but neither are they caused by the people who live in them. If you are born into poverty, (black or white), forced to attend an inferior educational system, discriminated against because of intellectual political muscle owing to financial legerdemain, and offered no alternatives but demeaning labor or government handout, you will find yourself trapped in a subculture more expediently brushed aside than dealt with. In this sense, Appalachia does not differ from intercity Newark, migrant farm workers from poor blacks, Spanish-speaking from Indian Americans.

The flight of the middle class from the city is an example of racism. The culture of poverty is so debilitating that most middle class families do not want to expose themselves to it. By leaving they deplete the tax base crippling existing city services which must be expanded not cut. Let's not kid ourselves this middle class is white. What they are afraid of is the outgrowth of an economic system which is less and less able to absorb minorities because it can no longer provide jobs for unskilled or semi-skilled workers. Any personal responsibility for the middle class lies in the obvious area that these minorities are non-white and unable to speak bureaucratic english, and hence are the subject of epithet, slur, and dehumanizing myth. If President Nixon is contributing to racism by strengthening any underlying facets of it, Mr. Gibson's remark has some validity while Mr. Orechio's editorial criticism of Mr. Gibson is unfounded, irrelevant (party considerations being merely buck-passing), and, dare I say it, quasi-racist.

Sincerely yours,

John Weiss

Here Hate Brings Pot To A Boil

To the Editor:

While a popular old song goes "Love Makes the World go 'Round," it doesn't seem to apply to that one bizarre bit of the mundane known as Belleville; Here Hate seems to steam the cauldron to an intense boil, especially, when it comes to politics.

The outcome of the recent election, as applied to Belleville, showed the utter futility of the G.O.P. cabal which banded together four local Commissioners, some of whom had been Party "fence-jumpers," with Republican town chairman, Jerry Ferrara, in their effort to wrest control and patronage from Democratic town Chairman, Comm. Senatore.

Comm. Senatore's control over the town's most formidable political group, coupled with the defection of Jackie Rega's previous allegiance to local Republican causes helped spell the disaster which befell the hopes of the newly found combine to "run" Belleville politics from the citadel of the Republican Party high command headquarters.

Not unlike many sincere Republican supporters concerned over the success of their Party and its candidates, Jackie Rega's role is no enigma, why would he desert, at this point, the G.O.P. cause? There must be a reason. Could it be the same, as many former loyal Republicans who frown upon the gracious influx into the Party ranks by Town Chairman Ferrara of pseudo Republican "fence jumpers" whom he "hoped" would build up his prestige because they were local office holders?

Rega is no fool. During the last Commission election, at Mayor Smith candidacy announcement festival, the omission of a "little white carnation" for his lady and himself, helped spell the defeat of the former Mayor.

Could it be that Rega's resentment of recognition of false G.O.P. leaders incurred his wrath and forced his demonstration of a show of strength that contributed to the defeat of the Republican candidates, except Carl Orechio, whom he backed? Likewise, does the ignominious debacle of Belleville Republican Town Chairman Ferrara and his newly found cohorts spell their expulsion to the proverbial political "scrap heap" as far as Belleville political leadership is concerned?

The future destinies of this community's political future may well be determined by the outgrowth of the significant developments of these significant outcomes.

Respectfully submitted,
James R. Golden

World Is Getting Gayer-- At Least on Florida Flight

National has given each of its planes a female name. The gay boys contend this is discrimination against males and they want the courts to order National to mix in some male names with the females. All I can say is our world is getting crazier and apparently gayer.

PETE FRAZZA, the former Nutley patrolman on 100% disability income has announced that he will seek election to the Nutley Town Commission next May. Already critics are saying "if Pete is well enough to hold down the exhausting job of a Town Commissioner, how come the town is providing him with 100% disability payments."

CAPTAIN GUS NEGRA OF THE NUTLEY POLICE DEPARTMENT is being badgered by friends to consider seeking the Republican nomination for sheriff in 1973. Up to this point Gus is turning down the overtures and insists he wants to continue doing the good job he is at his first love — the Nutley Police Department. Perhaps by 1973 enough pressure may be exerted upon Captain Gus to lead him to change his mind. Certainly Gus is well qualified to hold down the job of county sheriff. It is known that local Republican leaders are keenly interested in Negra who is popular and enjoys a large following.

SOME OF NUTLEY'S GERARD ROAD residents are up in arms because a house in their neighborhood is allegedly being used as a warehouse and the garage is used for the storage of crates and junk overflowing into the yard and junk stored in a "wreck of a truck which has been parked for years half in the driveway, half on the lawn." The neighbors claim that the truck

has no license, is an eyesore and is abandoned. They also claim that the owner of the property owns a second truck which allegedly is illegally parked on the street "at least half of the time without being ticketed." The neighbors even claim that the owner boasts "that no one can do anything about it." The interested Gerard Road residents properly claim their neighborhood is supposed to be a Class "A" neighborhood. They point out that ordinances are on the books to correct such problems and they insist the town fathers do something about the condition. One eyesore in Nutley is one too many. Certainly an eyesore that involves abandoned trucks, storage of junk in yards which offend neighbors should not be countenanced. If there isn't a law against such goings on there should be.

NEW YORK YANKEE FIRST BASE COACH Elston Howard is in Santo Domingo, commissioned to reorganize the local "major" league ball club. Elston writes that they have great potential for a real professional ball club. The owner is the brother of the Santo Domingo Ambassador to the United States. Elston says, "The people are very nice, they are taking good care of us, meaning (Mrs. Howard and Elston)."

children's lives have been enriched." Martie is a lovable guy, without an enemy in the world, and the just praise which I received is not unexpected. Knowing Martie as well as I do and for the length of time that I do his performance as Referee and Chairman of the Nutley Juvenile Conference Committee is typical of the high personal standards which have marked Martie's everyday life.

I RECEIVED A NOTE FROM Nutley's Andrew Ruffo who expressed personal pride in living in a community like Nutley.

I RECEIVED A LETTER FROM a concerned citizen complaining that the railroad property between Washington School and St. Mary's School is in a messy, dirty condition. The prime concern appears to arise from the debris left after the loading and unloading of freight cars. To remedy this condition is a very simple matter, providing of course the appropriate town officials take action.

IT IS WITH REGRET THAT I LEARN that the Nutley Animal Welfare League is unable to continue its service to the Town of Nutley. Sara Wilkinson and Mary Gravatt are the two stalwarts who have given their days and nights to the welfare of homeless animals. Pet lovers should bear in mind these two very fine ladies, for without the benefit of brass bands and one inch headlines these girls have gone about their business tending to the cares and woes of cats and dogs without homes. The burden for picking up and housing strays will now revert to the Town of Nutley which means the town will be obliged to hire a dog warden. Animal lovers are cautioned to keep a wary eye out to make sure a compassionate dog warden receives the job.

HIRE THE VET was the call during October as Gov. William T. Cahill designated last month as "Hire a Veteran" month. Above he is seen with representatives of several veterans groups as they joined the Governor in the proclamation signing. Al Pico, past state commander of the AMVETS, who resides at 93 Hooker Street, Belleville, can be seen in group standing, back row, third from left).

Local Airman Is Assigned To Lackland

Airman Frank V. Nessine, son of Mr. and Mrs. John A. Nessine, 169 DeWitt Avenue, Belleville, has received his first U.S. Air Force duty assignment after completing basic training at Lackland AFB, Tex.

The airman has been assigned to McGuire AFB, N. J., for training and duty in air traffic control. Airman Nessine, a 1970 graduate of Belleville High School, attended Fairleigh Dickinson College in Rutherford.

Resident Graduates From Naval Center

Navy Seaman Apprentice Alan J. Schwartz, son of Mr. and Mrs. Alfred Schwartz of 368 Belleville Avenue, Belleville, has graduated from recruit training at the Naval Training Center, Great Lakes, Ill.

Schwartz attended Essex Catholic High School, Newark.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Holy Family Church Setting Wedding Vows Exchanged For Virgilio-Lofrano Nuptials By Miss Wormann, Mr. Deak

Mrs. Anthony Virgilio -nee Genevieve Lofrano

Holy Family Church was the setting September 11 for the marriage of Miss Genevieve Frances Lofrano, daughter of Mrs. Madeline Lofrano of 100 Warren Street, Nutley to Anthony Michael Virgilio, son of Mr. and Mrs. John Virgilio of West Orange.

The Rev. Francis Blake performed the ceremony with vocal music by Mrs. Richard Scutari. A reception was held at Blue Shutter Inn, Union.

Escorted by her brother, Frank J. Lofrano, the bride wore a silk organza gown trimmed in Alencon lace and fashioned with short puff sleeves, high neckline, A-line skirt and detachable chapel train.

Her headpiece was of lace buds trimmed in pink and she carried an old fashioned bouquet of white roses accented with pink roses, babies breath and stephanotis.

Miss Jamie Lofrano of Nutley was her sister's maid of honor. Bridesmaids included the bride's cousin, Miss Mildred Streiter of Totowa, the groom's sister, Miss Lucille Virgilio of West Orange, Mrs. Thomas Neglio of Belleville and Mrs. Ralph DeToma of Bloomfield.

Their linen empire gowns featured pink bodices and champagne skirts. Pink daisies held shoulder length veils and they carried pink carnations and babies breath.

Vincent DeSimone of West Orange was best man. Ushers were Mr. DeToma, Mr. Neglio and the groom's cousins, Anthony Virgilio of Orange and Sal Licata of Pittston, Pennsylvania.

Mrs. Lofrano chose a light blue chiffon gown trimmed in silver beading and silver accessories. Her corsage was a white orchid tipped in blue. The groom's mother was in a brown and champagne silk worsted gown with matching coat and brown accessories. Her white orchid was tipped in gold.

Mrs. Virgilio, a graduate of Belleville High School, was a secretary with Mutual Benefit Life Insurance, Newark, prior to her marriage.

Mr. Virgilio, a graduate of West Orange High School, is a sergeant in the Air Force stationed at Norton AFB, San Bernardino, California, where the couple will make their home. They honeymooned in the Poconos.

Academy Fine Arts Opens With The 'Itch'

Under the auspices of the new Montclair Academy Fine Arts Department, the "Itch of the Witch of Wur," an anti-passivity fantasy play for children, will be presented in the Academy's Weiss Arts Center on Friday, Nov. 19 and on Saturday, at 7:30 p.m. Further performances will be scheduled on request for elementary school children, church and youth groups, as well as for disadvantaged children.

Wedding vows were exchanged October 9 in St. Mary's Church, Nutley, by Miss Kathleen Wormann, daughter of Mr. and Mrs. Edwin F. Wormann of 296 Greylock Parkway and Josef Deak Jr., son of Mr. and Mrs. Deak Sr. of Garfield.

The Rev. Peter Galdon performed the ceremony and a reception followed at San Carlo Restaurant, Lyndhurst.

Escorted by her father, the bride wore a long sleeved organza gown trimmed with floral appliques and fashioned with a high neckline. A Camelot headpiece held her floor length veil and she carried carnations and stephanotis.

Miss Carole Iaroli of Belleville was maid of honor. Miss Mary Ellen Wormann of Belleville and Miss Victoria Staselis of Clifton were bridesmaids while Cecilia Ann and Janet Wormann of Belleville were junior bridesmaids and Beth Ann Wormann was flower girl.

The honor attendant and flower girl were attired in apricot chiffon gowns with apricot bow headpieces. The others were similarly attired, in yellow. All carried nosegays to match the gowns.

George Deak of Waterville, New York, was his brother's best man. Ushering were Frederick Kopec and Charles Castriunas of Garfield.

Mrs. Wormann chose a sleeveless pink brocade dress and coat ensemble and pink accessories while the groom's mother was in a short sleeved yellow lace dress with black accessories. Corsages were white orchids.

Mrs. Deak Jr., a graduate of Holy Name Hospital School of Nursing, Teaneck, was employed at East

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Miss Susan Barbara Restaino Bride of Charles G. Verwilt

Mrs. Charles Verwilt -nee Susan Restaino

Miss Susan Barbara Restaino, daughter of Mr. and Mrs. Carmine Restaino of 306 Division Avenue became the bride August 14th., of Charles Gary Verwilt, son of Mr. and Mrs. Albert Verwilt of Highlands.

The Rev. Paul Viale performed the ceremony in Holy Family Church and a reception followed at Wayne Manor, Wayne.

Escorted by her father, the bride wore an A-line sheath of organza with a removable redingote-effect train in front extending into a wattleau train in the back and connected at the sides and shoulders. The crystallized and beaded bodice had a high sculptured neckline and full leg-o-mutton sleeves.

A matching headpiece held a short bouffant veil and long court veil and she carried a nosegay of roses and stephanotis with a blush pink orchid.

Mrs. Barbara Armstrong of Clifton was matron of honor. Bridesmaids included the bride's cousin, Miss Joyce Hock of Matawan, Mrs. George Schermond of Eatontown and Mrs. Linda Johnson of East Orange. Junior bridesmaid was the groom's niece, Miss Allison Turner of Oakhurst.

They were attired in baby pink dotted swiss empire waisted gowns with pink flowers embroidered on white lace outlining the bib bodices and edging the high necklines. The honor attendant carried a nosegay of pink carnations and white daisies while the others had nosegays of white carnations and pink daisies.

Mr. Schermond was best man. Ushers were the bride's cousin, Glenn Hock Jr. of New Monmouth, Terry Huxford of Union, Kenneth VanVallen of Dumont and James Coleridge of Belford.

Mrs. Restaino chose a champagne gown of imported silk worsted, beaded in gold while the groom's mother was in a yellow chiffon and silk worsted gown trimmed in crystal and pearls. Corsages were orchids.

The couple are alumni of Newark State College. Mrs. Verwilt was secretary in the advertising department at Airwick Ind., Carlstadt and Mr. Verwilt is a teacher in Fairhaven. He served three years in the Navy as aircraft mechanic and flight engineer.

The couple are living in Oakhurst following a honeymoon in Canada.

Eileen Meola, Paul J. Rollereri Are Married In St. Peter's

Miss Eileen Meola, daughter of Mr. and Mrs. Philip Meola of 26 Columbus Avenue and Paul J. Rollereri, son of Edward Rollereri of Newark and the late Mrs. Rollereri, were married November 20 in St. Peter's Church.

The Rev. Eugene Marcone of St. Francis Church, Newark performed the ceremony which was followed by a reception at The Fountain, Belleville.

Escorted by her father, the bride had her sister, Miss Deborah Meola as maid of honor. Bridesmaids included the bride's cousins, Miss Francis Laudadio of Nutley, Miss Cheryl Rosania of Kenilworth and Miss Paula Petrole of Belleville.

Edward Rollereri of Westfield served his brother as best man. Ushering were Michael DiChiara of Newark and the groom's cousins, John Caprigione of Belleville and Alfred Prosperi of Newark.

Mrs. Rollereri, a graduate of Belleville High School, is secretary to the vice president of Security

Expectant Parents Invited To Tour Mountainside Unit

Expectant parents are invited to attend an orientation program and color slide tour of the maternity unit at The Mountainside Hospital on Monday, November 29, 1971. The program will begin at 7:30 p.m. in the hospital's private dining room.

Miss Helen Sroczyk, R.N., Maternity Supervisor, will explain the various aspects of the mother's stay at the hospital. Hostess for the program is Miss Marguerite Wardell, Patient Representative.

During the evening, expectant parents will be informed of the procedures at Mountainside, from the time of admission until the infant and mother are ready to go home. The slide program presents many areas of the maternity unit, including the labor and delivery rooms and the nurseries.

In addition to this slide tour, Mountainside offers two other classes for expectant parents, Preparation for Childbirth and Baby Care and the New Family. November classes have already begun and the next series is scheduled for January, 1972.

Mountainside's expectant parents' program has been made possible through the cooperation of the Nursing Service, the School of Nursing and the Medical Staff's Department of Obstetrics and Gynecology, Dr. J.B. Skelton, Chairman.

Mrs. Paul Rollereri -nee Eileen Meola

National Bank, Newark.

Mrs. Rollereri, an alumnus of Barringer High School and Monmouth College, is with the East Orange Police Department.

The couple are honeymooning in Aruba and Puerto Rico.

Some environmental changes will take place with nuclear energy plants.

Like cleaner air.

Nuclear fuel is our cleanest source of energy. Nuclear energy plants do not emit smoke, soot, or sulphur fumes into the atmosphere. In fact, they contribute virtually zero air pollution.

Other environmental effects also take place around a nuclear energy plant. There are no unsightly stacks. Noise and traffic are lessened. In essence, the area's much more attractive and healthier.

As for danger from radiation, there simply isn't any. Fear on the part of a few is based on misinformation. The truth is that if you were to spend every second of your life at the boundary of a nuclear power plant site, drinking the discharge water, eating fish from the same water, and breathing the air, it would take you 50 years to absorb the same dose of radiation that you get from one chest X-ray.

Here's another truth. We are now facing a serious challenge. Extremely serious. Our natural fuel resources (oil, natural gas, low sulphur coal) are in short supply and cannot be counted on to meet our increasing demands for electric energy. If we hope to satisfy the enormous power requirements of the '70s, including the growing needs of industry for greater productivity, we must have nuclear-fueled power plants.

There is a real need for clean, safe nuclear energy now. It may be impossible to win the energy race without it.

"BEAUTY TIPS"

Good call-trimmer: lie on bed on your back and lift leg upward as far as comfortable. Pull toes back toward head. Relax toes and return leg to bed, keeping knee stiff throughout. Alternate legs.

Carry a small tube of men's shaving cream in purse. A tiny squeeze produces enough "slop" for a good hand wash, so you avoid harsh ladies' room soaps.

What shade of eyebrow makeup to use? Strike happy medium between hair color and color of lashes.

When buying perfume, don't sniff more than three kinds in a row. After that, it's hard to tell the difference.

If you have small hands, pale, pearly or translucent nail polish shades make fingers look longer.

DID YOU KNOW? That you can buy a hand blow dryer with stand, imported from Italy at Justin's discount price of \$9.95.

How to avoid contracting those difficult fungus diseases that make feet so miserable? For one thing, the use of well ventilated shoes, especially during hot weather, is a necessity. A mild foot powder which will keep your feet dry is also a great help. Change shoes and stockings when they become wet. Wear moisture absorbing hosiery such as wool and cotton socks. Always keep your feet protected, and wear shoes and slippers, especially in rooms which are open to the public.

One thing you'll always find at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956 is courteous helpful service. We maintain a complete prescription department in addition to stocking convalescent aids, baby needs, film and greeting cards. "Your Doctor Knows Us—Your Doctor Trusts Us"... Open: Daily 9 AM-10 PM, Sun 9 AM-9 PM. Free Delivery Service.

HELPFUL HINT: Non-alkaline soaps are sometimes helpful in aiding foot comfort.

Try outs for the girls basketball team were held on October 27, November 2 and November 3. Approximately 50 girls competed. They were tested by Miss Fucello on shooting, dribbling, agility, and foul and lay-up shots. The secondary testing was on the girls' playing ability.

The returning seniors are Susan Chamberlain, Cindy Ferro, Debbie Meola, Marty Peldunas, and Karen Smith. The returning juniors are Jo Ann Falcone, Susan Gaspirini, Patti Krych, Debbie Maloney and Susan Winship. The seniors that made the team this year are Ann McCoy and Susan Stone, and the juniors are Karen Healy and Chris Kyriotis. The sophomores are Debbie Bade, Joan Buckland, Joyce Buckland, Rosalie Chiarieff, Jo Ann Corda, Darlene Damato, Donna Foley, Diane Frazier, Claire Healy, Susan Marano, Susan Paul, Joyce Risimini, and Barbara Smith.

Thanksgiving Lunch Served by Students

By Bill Hamilton

Belleville High School certainly has reason to give thanks this year for the work done by the students of the two Vocational Home Economics II classes.

A Thanksgiving lunch was served in the High School library by these classes which proved to be an exceptional feast. On Thursday, November 18, the fine meal was provided by the cafeteria, which included turkey and dressing, salad, vegetables, and an assortment of pies for dessert. Among the guests who attended was the school administration, department heads at the High School, the members of the Home and School Association, the Board of Education, and several students.

Mrs. Agosti, teacher of the Home Economics courses at BHS, was largely responsible for the great success of the day.

Expectations

By Bill Hamilton

This is not The New York Times. I suppose that I was wrong to expect it to be. I have fallen prey to the great affliction of all those who seek to cure the ills of the world. . . Idealistic ideas. Who am I to ask for opinions and comments on the important issues of today. . . and tomorrow? Why bother speaking—or writing—your mind? Things will take care of themselves without you getting involved. Things took care of themselves without you getting involved. Things took care of themselves in Russia with Lenin. . . things took care of themselves in China with Mao. . . and Romania, Bulgaria, Cuba, Chile; all over the world, things have been taking care of themselves with our Joe Citizen getting involved. It is too late to get involved in those places. How about here? Are we to sit back and leave things in the hands of others? I have stressed, perhaps to the limit, in this column the virtue of getting involved. I have offered my column open to opinion; anyone's opinion. Still there is silence.

It is not my purpose in this column to be a philosopher, even though there seems to be a shortage of that profession in our society. . . at least in the case of philosopher's who take some sort of action. But I find a serious lack of an invaluable element in both the school and community. Perhaps it is the lack of this human resource that causes the problem I stated above. This element is pride. Sure, Belleville has its share of problems, but most of you reading this paper live here. Why not take pride in yourself and your family enough to care about the place you live? This is your home. Students spend some six or seven hours a day, five days a week in the schools. . . give a damn about what goes on there. A school or town can only be as good or as bad as you make it.

Progress Is Reported?

Executive Council, Board Meet

By Rosemary Morra
Secretary, S.G.O.

On November 15 at 8 p.m., the School Executive Council and the Board of Education met together in the new Senior Lounge.

After introductions by President Mark Stavinski of the S.G.O., the meeting was conducted to ask the Board of Education for financial aid and opinions on certain ideas. First on the agenda was the problem of Behind-the-Wheel driving for next year's Seniors. The problem rests with the overcrowding of our school. Mr. Smith, principal of the High School proposed his plan for having the six hour course during vacations and summer months. However, the resolution was left unanswered by the Board. The next subject was athletics. Mr. Wische and Mr. Smith spoke of a Girl's Athletic Program for 1972-73. Mr. Wische made a suggestion to submit a budget to the Board, but the Board left the subject open.

The question of a soccer team was

submitted since Belleville lacks this sport in interscholastic athletics. Presently, Belleville High has a soccer club which is coached by Mr. Gavitt, a teacher. He feels it would be worthwhile to make this club an official sport. This question led to a discussion of adding tennis courts to our school grounds.

This the Board felt was being solved by the building of these courts adjacent to the stadium. However, the Board fails to recognize the fact that these tennis courts will not be built for quite some time. Therefore, it was plain to see that our problems were left undecided.

The answer to these problems, the Board and Council felt, rested in the School Budget. If the budget is passed, then we may have these much needed items. The Executive Council, consisting of the leaders of the school, also believe that the budget must be passed in order to secure proper education and activities in Belleville.

Mr. Smith then proposed a suggestion for a flag-squad added to the football half-time show. Since the Board and Council was undecided, the matter was left open.

Finally, the question of a smoking lounge in the high school was raised. The Council listened while each of the Board members stated their views. The Board felt that this program would not be educational. However, is every thing in our school programs educational? Shouldn't students be allowed to exercise their rights in school?

The students would be required, though, to bring in permission slips by their parents allowing them to smoke. The conclusion to the problem was that a survey would be issued to students and members of the executive council would visit other schools to see how they cope with this problem. However, the executive council was left with their questions and problems unanswered.

Orechio Takes Touch Honors

The first Belleville Touch Football Association season was completed on Sunday, Nov. 14, with the Orechio Association taking championship honors with an excellent 6-0 season mark.

The playoff games were scheduled for last Sunday, Nov. 21 with Pete's Pub versus Booker's Tavern at 9 a.m. and Landolfi's taking on Orechio's at 10:30 a.m. Both games are at Clearman Field. The league championship game will be played next Sunday, Nov. 28 at 10 a.m.

Final regular season standings showed Orechio with 12 points and a 6-0 record. They were followed by Booker's at 3-1-1 and seven points. Landolfi's was third with 3-2-1, also taking seven points. Pete's Pub had one win against two losses and three ties for five points. De Ballo's was 1-4-0 for two points. American Legion was in the cellar, winless in five outings with only one tie and one point.

SENIOR BELLBOY GRIDDERS will be playing their last game together Thursday when they face Lyndhurst High School in season finale. Seen above (standing, l-r) are Joe Lotruglio, Mike Porecco, Joe Govev, Sal Cicalese, Phil Bruno, Augie La Luna, Gary

Falkman and Bob Cook. Seated (l-r) include Anthony Portuese, Henri De France, Tony Pigrinelli, Michael Pici, David Pepe, Mike Olivieri, Pat Dunn and George Caravas. Not pictured are seniors Mike Edigio and Stan Lukowiak.

In Renewal Of Rivalry

Turkey Day Finale To See Gridders Facing Lyndhurst

(Continued from Page 1) watching the annual Thanksgiving Day tilts of the past between Belleville and Lyndhurst when they were meeting on a regular basis in the 1940's. Cafone was still in grammar school then. Lyndhurst coach Joe Cipolla was playing for the Golden Bears against Belleville in the '40's, and though he didn't know it at the time, Cafone must have been viewing Cipolla on the field of play.

This year, Belleville and Lyndhurst have had two common opponents in Kearny and Passaic. The Cardinals handily topped both clubs, but Belleville

beat Passaic while Lyndhurst bowed to the Indians. Passaic lost to the Bellboys by a touchdown. Lyndhurst, in a 14-12 game, was driving for the winning TD late in the final quarter when they fumbled the ball away, insuring Passaic the win.

Although the Golden Bears show an unimpressive 2-5 season mark, the statistic is misleading. Cafone has respect for Lyndhurst, known for years as "a football town."

"We could easily have been 5-2 at this point if it weren't for some bad breaks," remarked Lyndhurst mentor Cipolla. "Fumbles and

penalties in key situations have hurt us."

Cipolla pointed to the recent Saturday game when Lyndhurst was battling Paterson, a powerhouse in the Passaic Valley Conference, on a televised game on WPIX-TV as an example. Again, late in the fourth quarter the Golden Bears were driving for the winning score when they fumbled the ball away deep in East Paterson territory. Lyndhurst last year met East Rutherford on Turkey Day but that team dropped them for a different league affiliation. Belleville last season met Orange High School on Thanksgiving. Garfield was dropped from the schedule this season and Orange was moved into the spot vacated by Garfield, leaving an open Thanksgiving date.

Cipolla reports his team as young and inexperienced, comprised mostly of juniors and sophomores. The squad is lead by signal caller Frank Vuono, himself a sophomore. The Lyndhurst backfield is their strong spot with players such as Wallace, Daley, Bobalacca and D'Elassio alternating in the backfield, much the same as Belleville alternates their backfield on given plays.

"I feel certain players are better suited for certain plays," added Cipolla, espousing the theory held also by Cafone. "The runners on my squad are almost equal in ability."

The Belleville offense will most likely experience difficulty with the "stand-up" defense of Lyndhurst. Unique in the area, the "stand-up" defense has the entire defensive squad including the interior linemen, standing up at the snap of the ball. According to Cipolla, it makes for better maneuverability and easier pursuit.

"My defenders can see the play developing better and they can stunt faster," Cipolla added.

Cafone has his offensive squad practicing this week against the "stand-up" defense hopes to have the Bellboy players familiar with it by Thursday. According to Cipolla, the Lyndhurst defense has been the backbone of the Golden Bear squad. As a result Lyndhurst, much the same as Belleville has been involved in many low scoring games.

Although they are stacked differently, the Belleville defense is much the same as Lyndhurst. Both teams are reported to be tough against the run while at times yielding yardage to the "long bomb."

"I'd say we have not given up many yards on the ground," said the Lyndhurst coach. "There have not been too many sustained drives against us but at times we have been hurt by the long bomb."

Offensively, the Golden Bears are reported to be quick with speed in the backfield. Cipolla remarked that many touchdowns this season have come as a result of long gainers.

"But we have been hurt by fumbles," he added. "We have fumbled several ballgames away this season."

Cafone said that at times this year opponents have "thrown against the Lyndhurst defense."

"He (Cipolla) must be working hard on the secondary lately because

our scouts say they have been improving against the pass," the Belleville coach said.

But Belleville is expected to throw against the Golden Bears. In several games, Phil Bruno, Bellboy quarterback, has put the ball in the air more than 20 times and again Thursday he is expected to do the same.

The Golden Bears, as usual, will be a bigger team physically than Belleville. Most of their size comes from the middle of the line where All-County candidate Tony Marotti bolsters the squad with his 535 pounds on a six-foot one-inch frame.

Cafone is pleased to renew the Lyndhurst rivalry and he believes the two clubs will bring the battle to even higher planes in the years to come.

"The two teams are very similar so this could develop into quite a rivalry. We play Lyndhurst in other

sports. The towns themselves are much the same with about the same population. Lyndhurst should prove to be quite a foe," said Cafone.

Cafone reports that both Belleville and Lyndhurst are "second-half" ball clubs.

What poses as Belleville's biggest problem is coping with the "stand-up" offense.

"I've told our boys to face the man just as he would meet a linebacker," the coach said.

Thriller Game In Intermediates

Sunday, Oct. 31 was one of the most exciting intermediate league games shown this season to the fans at Belleville Stadium and what should be added fine sportsmanship by the boys on both teams.

In a topsy turvy scoring which started with little Bobby Freda in a quarterback keep around left and for six points followed by Tony DeVirginia plunge for the extra point and a 7-0 lead. Auxiliary came back fast with a pass to Tim Smith but failed on the extra point and a 7-6 game at the quarter's end. Again, Auxiliary scored in the early second quarter with a run by Joe Falcone for a 12-7 lead. Vee Bee then came back before the half ended on an interception by Tony DeVirginia for a 30 yard score. The half ended at 13-12 Vee Bee ahead.

An early score in the third by Auxiliary's Joe Falcone made it 18-13. Quick retaliation by Vee Bee by little Bobby Freda's quarterback sneak to make the final score 19-18.

Once again a wonderful game played by two teams.

WRESTLING SQUAD LEADERS John Mustacchio in 123-pound division; Bill Natale at 157 and Walter Bennett in 148 class improve upon basic moves at Bellboy practice session this week at high school.

Varsity Cage Outlook Filled With Optimism

Basketball practice began last week at Belleville High School and reports to date from head coach Robert Palma are optimistic. If pre-season factors have any

bearing on the regular campaign, the Blue and Gold cagers should better last year's dismal mark of 2-17.

"Of course we are going

to win as many as we can," remarked coach Palma. "But more important, we want to stay close in as many games as we can."

What Palma means is his club battling the likes of perennial powers such as East Orange, Bloomfield and Orange on even terms, or at least near even terms. Palma doesn't expect to win all the time against such basketball powerhouses but he does feel his club has the strength to pull an upset or two.

To that old enemy of high school coaches, June graduation, Palma has lost three starters. Gone from the Blue and Gold is the high-scoring Rocco Marotti, star forward of last year. Also lost is Rich Caravetta, a starting guard. Bob Visco, last season's center, is still walking the halls of the senior high school but he is ineligible to play basketball because of his age.

Bolstering the Bellboy attack in their season opener December 10 at Garfield will be co-captains Ken Zoppa and Mike Petronaci.

HELPFUL CAGE TIPS are given by Bellboy basketball coach Bob Palma (right). Listening to advice are Ken Zoppa and Mike Petronaci, co-captains of current squad.

Bellboy Wrestlers To Start Rebuilding After Last Season's Great 12-1 Mark

Wrestling coach Jim Silvestri may be struggling this season to duplicate last year's excellent 12-1 mark. The Bellboy grapplers have lost eight starters to that old nemesis, June graduation, and the varsity grapplers may find themselves in the midst of a rebuilding year.

"We still have more than a month until our season opener so it's still a little early to make predictions," said Silvestri. "But I do

realize that we have many weight classes to fill."

Last year and its glory is gone so now Silvestri has the weighty task of regrouping his depleted grappling ranks into another top-notch squad. Only a body-bending loss to Montclair, 25-19, spoiled last season's glory. Belleville in 1969 finished third in the highly regarded Christmas Tournament and second in the area districts.

Again, Silvestri reports a good turnout for wrestling. The coach believes wrestling in Belleville is still on the rise in popularity and skill. The current squad should be anchored by John Mustacchio, wrestling in the 123-pound class; Walter Bennett, another returnee who wrestled last season in the 136-pound division but currently is listed in the 148-pound weight class, and Bill Natale, who reportedly

has nailed down the 157-pound class coming off an excellent 13-0 record with the jayvees.

Gone from the squad is district champion Angelo Zoppi at 106; Vito Marcoliese, 130; Ed Dunkley at 141; Brian Waddell, 148; Carmen Russomanno, 168; Frank Staviano, 157; Frank Morano, 178, and heavyweight starter John Atherton. While Zoppi

placed first in the sectionals, all the other grapplers mentioned scored second place finishes.

Over 40 prospective wrestlers came out for this season's squad with 15 more boys expected from the varsity football team. Leading candidate of the gridders is Mike Edigio, who didn't go out for wrestling

New Fencing Coach Won Title In Belleville

William Dioguardi, director of athletics at Montclair State College, has announced the appointment of Rocco DeCicco as head fencing coach. He replaces Dean Cetrulo, who tutored the Indian fencers last year.

DeCicco, a 51-year-old resident of Linden, assisted Cetrulo in an unofficial capacity last year and has been coaching privately in the Essex County area for some years.

He also was a fencing coach while serving with the U.S. Air Corps in Puerto Rico in 1943 and 1944. While stationed there, he won the 55th Air-Warrior Battalion silver title.

DeCicco first learned fencing at the age of nine under the late Gerald Cetrulo Sr., who was a world champion fencer in 1906. He later competed under Cetrulo's son, Gerald, while a student at Barringer High School. Then he switched to Newark Central High and became that school's first fencing captain, in 1937.

He became the first New Jersey to win the Giorgio Santelli Saber championship in 1957, and, in 1959, won the New Jersey Saber title at Belleville. Santelli was a former U.S. Olympic fencing coach.

DeCicco becomes the fifth head varsity fencing coach.

for MSC since the sport was introduced on a varsity basis in 1964.

Heavy Hitting Lifts Hopes In State Fall Baseball Schedule

The heavy hitting of Stu Richter, a freshman from Somerville and Charlie Williams, a junior from Montclair highlighted the successful Montclair State College Fall baseball schedule.

Richter was the top batter for Coach Alex Tornillo's nine with a lofty .481 batting average while Williams hit a solid .344.

In 27 appearances at the plate, Richter belted out 13 hits while Williams had 11 safeties in 32 official appearances.

With Rebuilding Grapplers Start Practice Sessions

(Continued from Page 13) in his junior year but was a varsity starter in his sophomore season. Edigio is

expected to hold down the 130-pound class. Brian Banda will be seeing action in the lighter classes. Last year he wrestled full-time in the 115 division. Fred Arena, who last season bolstered the 98-pound division, has grown and is expected to compete at the 106-pound level.

The Indians posted a 6-3 record during the Fall season with wins over Fairleigh Dickinson, St. Peter's twice, Manhattan, City College of New York and Morris County Community College. The defeats were at the hands of Baruch, Lafayette and C.C.N.Y.

At the meeting of the committee for the upcoming Varsity Club Football Banquet, Mike Marotti and Bill Frank expressed satisfaction with the progress reports. The affair is set for Friday, Dec. 3, at the Robin Hood Inn, Clifton.

A change in format for the presentation of special awards was approved by the committee. This year recognition will be given for outstanding defensive play and outstanding offensive play. In previous years special awards were given for the most improved player and the most valuable player.

The committee has asked Paul Simpson to contact the member of the 1947 football squad for a twenty-fifth reunion at this banquet. The 1947 team was the first team to win the Belleville Nutley Game Trophy for its victory over Nutley that year. Coach Ed Berlinski will be on hand to reminisce about his first football team at Belleville High School.

The banquet in honor of the high school football team and coaches will be held on Friday evening, Dec. 3, at the Robin Hood Inn in Clifton.

Rider College Wrestlers Set For Season

Rider varsity wrestling coach Barry Burnett has the Middle Atlantic Conference's 118-pound champ. He also has a powerful young man who has to push himself away from the dinner table to stay close to his normal grappling weight of 300 pounds.

In between the two extremes there also appears to be enough experienced talent to give the Broncos at least a good shot at matching last year's 11-3 season.

The 118-pound MAC titlist is junior Rich Swanger (Mechanicsburg, Pa.) who is undefeated in 25 regular season matches over two years and who already holds three Rider wrestling records. He was slowed by a pre-season illness but Burnett is hopeful he'll be ready in time for the opening of a 12-meet season.

The 300-pounder is freshman Bill Devine from Williamstown, who lost only two matches last year in high school. He already has supplanted senior veteran John Barluff (Union) in the unlimited class. "He's improving rapidly," he's sort of hard to move around," says Burnett of Devine.

The Broncos lost their 126-pound MAC champ Mario Ianni but Burnett feels he has an adequate replacement in sophomore Brian McGourty (Annandale) who saw just limited action a year ago behind Ianni. "He would have wrestled regularly at a lot of other schools," says Burnett.

Junior Dave Wise (New Holland, Pa.) was 12-2 in the 190-pound class a year ago and set new school fall marks by pinning opponents in 30 and 24 seconds. Burnett feels he'll develop into one of the best in his class in the East this winter.

The 167-pound class also is in capable hands with junior Joe Vento (Pennsauken) returning. He's lost just four times in two seasons and posted an 11-2-1 mark a year ago. Glenn Anderson (Union) wrestled at 177 pounds last year but he's being shifted to the 158-pound class where Burnett says he could be one of the Broncos' best.

Junior Jack Shepherd (Matawan) was the Broncos most improved wrestler a year ago, posting an 11-2-1 record in the 150-pound class. The 134, 142 and 177 pound classes are wide open. Junior veteran Woody Faust (Nazareth, Pa.) was 9-3-1 as a 142-pounder and was termed the most underrated Bronco wrestler by Burnett. Junior Jeff Smith (Washington, N.J.) also returns in the 142-pound class and former Ewing (Trenton) wrestler Mark Kern will bolster the squad in the middle-weight area after the soccer season. Junior Len Lock (Harrisburg, Pa.) and sophomore Terry Wickman (Westlawn, Pa.) provides additional depth.

Bidding for the starting 177-pound class spot are freshmen Rick Chandler

(Bridgewater, N.J.) and Mike Dezelon (Johnstown, Pa.) both former high school district champs.

"We should have a better balanced squad this year. All of our regulars have that extra year of experience and all are coming off winning seasons," says Burnett.

An appearance in the East Stroudsburg Open on November 19-20 opens a season which also includes a trip to the prestigious Hofstra Invitational on Long Island December 28-29 and a quadrangular meet at Trenton State which also will include New York University and Seton Hall.

BECK'S COLUMN

MAX BECK

About a year ago we wrote about a new dimension in sound reproduction, the 4 channel system. The idea is to recreate the natural sound, as much as possible. The monaural (one channel) sound of the 50's gave way to stereo (2 channel) in the 60's. Now, in the 70's another dimension is being added, 4 channel sound.

Four channel is intended to give a listener a feeling of being totally immersed or surrounded by sound, to create the impression of being actually at a live performance. This is achieved by the simultaneous playing of 4 speakers, each one with its own, slightly different sound track. This difference actually exists in a music hall. It is due to the fact that it takes time for the sound to travel the distance of the hall plus the bounces, echoes etc., which is called collectively in the trade "reverberations". One could place 4 microphones in different parts of a music hall and record these on a tape. If this tape is played back by 4 speakers and one sits in the exact center in a room where one speaker has been placed in each corner, then one is supposed to hear the sound just as if one would be in the hall.

The reverberation effect can be created electronically. This was the great rage some years ago, but it petered out again.

As we have stated in this column numerous times, it is impossible to recreate "natural sound". Of course some people will give us an argument on this. A man was listening to an expensive console in our HI FI studio. We let him adjust the controls himself and he turned everything to the deepest bass, cutting off all high tones. Then he sat back and said: "Isn't this beautiful, better than real music." The writer told him not to waste his money on the expensive set he was listening to. His needs would be served just as well by a second hand jukebox with a boomy bass only, which he could buy for about \$50. As you can see, everything is relative.

We service what we sell. Beck's Radio TV HI FI Nutley 667-4225

Coeds Put Pressure On State Linebacker

The women's liberation movement will probably blow its collective wigs but four coeds from Montclair State College really do not care too much since they firmly believe in their cause, linebacker Pete Contaldi, as much as the lib girls do about women's rights.

It all started two weeks ago when four attractive young ladies paraded into the office of Sports Information Director Dick Stahlberger and announced that they were wet-

ting up headquarters for "Contaldi for College Division All-American".

Stahlberger, a long time bachelor, is never one to stand in the way of four ladies, agreed to the young ladies request with the understanding that all ideas would be cleared through his office.

Three of the gals, Mary Jean Grande of Teaneck, Pat Roberts of Pequannock and Beverly Steinen of Rochelle Park are members of the Indians cheerleading squad. The fourth, a pert slip of a girl, Peggy Kelleher of Moorestown, happens to be engaged to Contaldi.

The girls, who are extremely knowledgeable about football, have the Contaldi for All-American campaign already off the ground. Buttons have been ordered bearing the slogan "Contaldi for All-American".

The buttons will be distributed to Montclair State students and members of the press.

Much in the style of a high powered publicity campaign for a candidate for public office, the girls are currently writing every sports writer in the country about Contaldi's feats at Montclair State.

FEMALE PIPERS high-step it in the Vet's Parade held recently in Belleville. Distaffers were part of drum and bugle corps from an area regional high school that joined in march.

LOCAL GROUP represented above is the Sabre Cadets, DRUMMER from New Jersey Boystown in Kearny booms out the beat at Belleville Vet's Parade. Drummers above anchored the group.

BALLOON VENDORS like the one above catered to the needs of the youngster in the crowd on Washington Avenue. Chap here is just about to untie balloon for local youngster.

IT WAS ALMOST A STRUGGLE but this teen from one of the many drum and bugle groups managed to play and carry his huge load down Washington Avenue without incident.

TOWN FATHERS viewed the Veterans Day Parade from a special stand erected in front of Town Hall. Here high officials from area vet's groups announced details while (l-r) Commissioner Robert Laterza, Mayor Joseph McGreevy, Commissioner Michael Marotti, and Town Clerk Eugene Barnett watch.

Memorial Concert Is Held For Curate At Holy Family

On Passion Sunday 1971, a Memorial Concert of the "Via Dolorosa" was held in Holy Family Church, Nutley, as a tribute to the late Rev. Anthony T. Benti. Father Benti had been a former curate at Holy Family. He died on October 27, 1970, after a chronic kidney ailment.

As a Lenten devotion, while at Holy Family, he worked with the parishioners to put on "Via Dolorosa"; a Passion play.

When he was transferred from Holy Family to Our Lady of the Assumption in Bayonne, he continued to stage the performances during Lent. His cast then included parishioners from Holy Family and Our Lady of the Assumption Church.

Shortly after his death, a group of his friends formed

a committee to stage "Via Dolorosa" in concert form. The committee consisted of Rev. Michael A. Saltarelli, Moderator of Holy Family Choir, Mr. & Mrs. Vincent Lessa, Mr. & Mrs. Peter Musco, Mr. James Festa, Mrs. Thomas Narucki, Mrs. Edna Traeger, and Mrs. Frank Rovell. Mrs. Vincent Lessa was Choir Directress, and Mr. James Festa was Director of the Concert.

Recently money realized from the Concert was given

to Mrs. Thomas (Helen) Paserchia, a parishioner at Holy Family Church, who must receive dialysis treatment twice a week.

Kidde Issues Quarter Report

Walter Kidde & Company, Inc. and Subsidiaries has issued its 1971 second quarterly report. Kidde, which owns a division of Belleville and the Work-O-Lite Company, in Belleville, reports a 17 per cent increase in income before extraordinary items.

Income for the period ending June 30, 1971 was \$13,063,000 on sales and revenues of \$345,207,000. For the comparable period a year earlier, Kidde had a net income of \$11,125,000 on sales and revenues of \$405,070,000. Figures for the year earlier include the results of selling United States Lines, which is still pending and awaiting further action by the federal agencies and courts involved.

In the 1971 period Kidde had extraordinary income of \$7,056,000, including a gain of \$6,416,000 resulting from the public offering of a minority interest in LCA Corporation, an 80-per-cent owned Kidde subsidiary, and gains totaling \$640,000 from the sale of two marginal units. Net income in 1971 totaled \$20,119,000.

Primary earnings per share in 1971 increased to \$1.20 before and \$1.88 after extraordinary income, against \$1.04 in 1970. Earnings per share on a fully diluted basis were \$1.15 before and \$1.77 after extraordinary income in 1971 against \$0.99 in 1970.

The two units sold by Kidde had aggregate sales of \$23 million in their last full year as part of Kidde. Their disposition is expected to increase Kidde's future profit margins, on the reduced sales base.

Largest first half profit gains among Kidde's major continuing operations were made by LCA, manufacturer of lighting products and housewares; Grove Manufacturing, mobile hydraulic cranes; LeFebure, bank security equipment; and Dura Corporation, automobile safety inspection equipment and automotive components.

The business outlook for Kidde's continuing operations during the second half

Abramson Is Award Winner

Realtor William Abramson of Belleville, has been selected by the Board of Realtors of Bloomfield, Glen Ridge, Nutley & Belleville as its Realtor of the Year - Community Service Award Winner.

Horace F. Knox, president of the local Board of Realtors, said that Abramson is one of 36 winners from the 39 local Realtor Boards comprising the New Jersey Association of Realtor Boards who are participating in the program, under the chairmanship of Albert Rubin, Newark.

The Community Service Award program originated in 1955 under the co-sponsorship of NJARB and the Franklin Capital Corporation, Newark, honors realtors for outstanding efforts rendered their communities civic participation which often goes unrecognized.

The Community Service Award Luncheon at the 95th Annual Convention of NJARB at the Chalfonte-Haddon Hall, Atlantic City, December 9th will honor all Board winners. William Brown, president of the National Association of Real Estate Boards will present each winner with an engraved plaque and announce the name of the state winner, who will represent New Jersey at the National Convention next year.

The outstanding panel of judges for this year's contest includes: Mrs. George F. Weinheimer, Jr., president of the N.J. State Federation of Women's Clubs; John Kerr, Jr., president of the N.J. Taxpayer's Association; and John J. McGovern, president of the N.J. State Chamber of Commerce.

Your Weekly Horoscope

November 27 through December 3, 1971

Brought to you as a courtesy of
Nicols Park Esso

ARIES (March 21-April 19): Much action behind the scenes. One in authority has a bead on you, baby. Hoe the straight and narrow, for a change. Thus you avoid unnecessary harassment. Get money matters in order and week will end on a note of folderal.

TAURUS (April 20-May 20): Newcomer presses buzzer which opens secret door, Taurus. You benefit. Plans concerning future are forming. Message/advice comes your way from distance. Ponder it well. Week ends on joyous note.

GEMINI (May 21-June 20): Week ahead could wear you to a nub, Gem, so pace yourself. Take one day at a time. Problem you anticipate due to dissolve. On last day, slouch about and be casual. Any old cap beats a derby, dear.

CANCER (June 21-July 22): Make special effort to accomplish that which must be done as far as career/family is concerned. Mindless activity could drain energy and leave you floating in a sea of boredom. Write letters. Return calls. Arrange meeting with one who has been on your mind lately. Week ends quietly.

LEO (July 23-August 22): Sequence of events may cause you to contemplate ending relationship with partner/mate. Some change is due, but be wise and give negative vibes the boot. Much is still worth salvaging, Leo baby, but it is YOU who must think creatively. A baseball bat is not needed to get rid of a gnat.

VIRGO (August 23-September 22): Frustration threshold low first part of week Virg, so steer clear of those who hassle you. Time for Virg to take care of Virg. Establish priorities. Review goals. By fifth day, energy returns and you take ego trip. Bon voyage, love.

LIBRA (September 23-October 22): You are about to be dealt a new hand, Lib, but it will still be the same old game. To be certain cards are not marked, demand a fresh deck. Heaven knows you deserve a winning streak, but still you must remember you are betting against the house. And the house is in business for one reason, only — to win.

SCORPIO (October 23-November 21): You may stumble in week ahead, Scorp, but if you behave in true Scorp fashion, you will NOT grumble. That which you desire seems to be clogged somewhere along the line, and never quite makes it to you. Nevertheless, you muddle through week without any major setbacks. (Your forecast may not be much this week, but it's better than a poke in the eye with a sharp stick.)

SAGITTARIUS (November 22-December 21): Wild week ahead, Sag. Your intellect will be assaulted. Keep mental dukes up at all times, dear, and with your glib tongue and natural intelligence, the match ends in a draw. No sense grousing, Sag, you can't expect to win EVERY bloody bout, you know.

CAPRICORN (Dec 22-January 19): You have terrific potential, Cap, and in week ahead you would be foolish to waste energy on nonsense. Goals you hope to achieve will be emphasized. Advice comes from older, wiser person. Heed it. Use your wits concerning money, Cap. Blow your bundle now, baby, and you have the rest of December to rue it.

AQUARIUS (January 20-February 18): One of your greatest delights is to rub the pretense from those who are pretentious. And in week ahead you will no doubt rub-a-dub-dub. Last two days ideal for fun. So grab a little.

PISCES (February 19-March 20): Have a ball in week ahead, Pisces. Dine on mince with slices of quince and eat with a runcible spoon. You've endured your share of aggravations in the past, pet, and now is time to make up for them with fun. Where is it written that Pisces should make ALL the sacrifices?

All men grapple with the questions...
Why poverty in a land of plenty? Why loneliness
in a world that would join hands? Why war when
the impulse of the heart is to love? The aching
chasm between the real and the ideal, everywhere
provokes the question...

WHY?

In a world looking for answers maybe God is the place to start.
God is hope. God is now.

Thoughts for a Happy Thanksgiving this Thursday from Everyone at the Sunbank Newspapers.

RIDING HIGH — Elissa Lewan of Nutley has just returned from a visit to Asian lands. She witnessed the ceremony seen here among the Ami tribe in Hualien, Taiwan, as young bridegrooms carry

their brides on their backs in a ritualistic, colorful ceremony held during the tribe's annual fall harvest festival of thanksgiving. (Associated Press Wirephoto)

Nutley HS Senior Back From Tour To Taiwan, Korea

Elissa Lewan, daughter of Mr. and Mrs. Stephen M. Lewan of 83 McKinley Street, a Nutley High School senior, has recently

Elissa Lewan

returned from six weeks of study and travel in Taiwan and Korea, where under the sponsorship of the World Youth Crusade for Freedom, Inc., she studied the socio-political and economic situation in Free Asia.

Together with 36 American high school and college students and teachers, she attended a three-week Seminar at the National Chengchi University in Taipei, Taiwan, living with Chinese students and learning the basic Chinese language, for which she received two academic credits.

A series of lectures was also given by famous Chinese professors, notably Dr. Lin Yutang on comparisons between Eastern and Western cultures. Some of the interesting places Elissa visited in Taipei were the National Palace Museum, the resort of Wu-lai and the National Taiwan University. During their visit, the students were frequently entertained at dinners, luncheons, fashion shows, and visits to Chinese movies and opera. Sometimes they had the opportunity to join in Chinese folk dancing and singing.

Three weeks of comprehensive study was followed by a grand tour of Taiwan, "land of the seven dragons," via train and plane. Highlighting this tour was a visit to beautiful Sun-Moon Lake and the ancient city of Hua-Lien where they witnessed the colorful tribal ceremonies in an aboriginal village; climaxed by a visit to Quemoy, the off shore island within range of communist ruins.

This exciting tour was not without its anxious moments, notably when a typhoon swept the island and later, the dilemma experienced by the entire group when President Nixon's proposed visit to communist China was announced.

"The trip to Korea, "land of the morning calm", was highlighted by a visit to the truce village of Panmunjom on the DMZ and a viewing of the notorious Bridge of No Return, which was crossed by the survivors of the infamous Pueblo incident. This memorable journey ended for the students, with a brief visit to Japan. Tour leader for the group, was Elissa's brother William Lewan.

Joseph Mallack; Active in Boxing

Joseph Mallack of 235 Broad Street, Newark, died November 8 at home after a short illness. He was 75.

Born in Poland, Mr. Mallack lived in Nutley 21 years before moving to Newark. He had worked as a molder for the Meeker Foundry, Newark, and was a member of the Veterans Boxing Association of Orange.

He is survived by four

brothers, Walter of Toms River, Frank of Colonia, Stanley of Elizabeth and Anthony Malachuk of Newark, and one sister, Mrs. Mary Durkin of Newark.

Services were conducted November 10 at the Johnesee Home for Funerals. Interment was in Mt. Pleasant Cemetery, Newark.

Antonio Pannese; After Brief Illness

Antonio Pannese of 73 Passaic Avenue died November 10 in Columbus Hospital, Newark following a short illness. He was 74.

A native of Italy, Mr. Pannese came here from Belleville in 1933. He was a retired fireman and had worked with the Waldrich Co. of Clifton. He was a member of Holy Family Church.

Mr. Pannese is survived by

his wife, the former Theresa Fusaro; a daughter, Mrs. Anna Stabile of Plainfield; two sons, Angelo and Carmen Capezzano of Nutley, nine grandchildren and 15 great-grandchildren.

A Mass of Christian Burial was offered November 13 in Holy Family Church from the S.W.Brown and Son Funeral Home.

Two NHS Girls In Pageant Finals

Two Nutley High School students will be competing this Sunday in the 1971 finals of the Essex County Junior Miss Pageant. The girls will be at Millburn High School and like the contest itself, are sponsored by the Nutley Jaycees.

The two Nutley girls in the competition are JoAnn Tomasulo and Ellen Memesnyik. They are among 17 young ladies in the pageant which seeks the high school senior who best typifies the ideal American teenager. Winner of the pageant will receive a \$250 scholarship

and other prizes, and will also represent Essex County in the state finals.

Miss Memesnyik, who lists her favorite subject as humanities, plans a career in genetics research. She is editor of this year's Exit, the high school yearbook.

Miss Tomasulo says drama and public speaking are her favorite subjects. She wants to become an airline stewardess "because I enjoy meeting people." She also likes dancing, swimming and skating.

PERT VIRGINIA Seidel again charms audiences at Meadowbrook Theater Restaurant, Cedar Grove, in role of Minnie Fay in "Hello, Dolly." The musical will run until December 19.
