WATCHING the finishing touches being put on walls of new Health Department building is Commissioner Vincent Strumolo (left) with (center) Ron Mariano and Angelo Serritella, Rec painters.

Vinnie Happy With Building

"The building was made to order for us. It's almost perfect."

With that statement, Commissioner Vincent T. Strumolo, director of Public Affairs, showed that he firmly believes the newly acquired Fisher-Stevens building at the corner of Joralemon Street and Washington Avenue will entirely eliminate the space problems plaguing his Department of Health for years.

According to Commissioner Strumolo, the move by Town Fathers this summer to purchase the building at a bargain price of \$140,000 was a stroke of genius. The 17-year-old building is two stories high and covers 11,110 square feet. Strumolo reports that the building will house the Welfare Department, the Registrars office, the nurses' office, a mini-library, health education programs and other expanded activities.

"With the additional space here we plan to expand the programs and activities offered by the Health Department," added the Commissioner.

Painters from the Recreation Department are now preparing the place for occupancy. Strumolo reports the building should be utilized at the latest by the middle of January. Hopefully, he would like to see his department move in the first week of the new year.

Strumolo the past few weeks has been locked in a battle with the Board of Education on acquiring the entire first floor for use by the Health Department. The Commissioner said that a large room in the building's side wing was at the heart of the issue

Churches Schedule Holiday Services

Belleville's Christian community has scheduled several special Christmas services to celebrate Christmas Eve and Christmas Day, the most popular of which has come to be the Midnight Candlelight Services the night before Christmas.

Wesley Methodist Church will present the Candlelight Service this year as it has done since 1940. The commemoration to Christ which will begin at 11:30 p.m. has been labeled by Pastor Rev. Robert Bedell as a "Service of Song." Carols will be sung by the church Chancel Choir which has been under the direction of Mr. Gerald Allenbach. Among many songs, the choir will sing "Wind Through the Olive Trees," and Allenbach will be the soloist for the traditional Christmas hymn "O Holy Night."

Rev. Bedell will give the sermon on the Meaning of Christmas and how it is brought out through the Scriptures. There will be three candles on the altar, symbolizing the Trinity and proclaiming the Light of the World.

Last Sunday the Ecumenical Youth Fellowship of Wesley and Fewsmith Presbyterian Church went through Belleville singing carols of the season as did 60

boys from the Wesley Cub Scout pack, who traveled around town to sing carols for shut-ins.

Fewsmith Presbyterian will also hold their annual Candlelight Service Christmas Eve, starting at 8 p.m. As parishioners enter the church they will be given an unlit candle. At the end of the service all lights will be out in the church, and as the congregation sings "Silent Night" the Christ Candle in the Chancel will be passed out to the people. The Flame of Christ will circulate through the congregation until at the end of the hymn, all have a lighted candle. Rev. Alfred W. Stone Jr. predicts over 200 to attend the 10-year annual event. On Sunday the church will hold a special family worship service. Church school will not be held that day.

St. Peter's Roman Catholic Church will begin Christmas preparations with a Vigil Mass at 7 p.m. with carols by the congregation. This service will fulfill the Catholic Mass requirement for Christmas.

The Midnight Mass will begin with carols in the church at 11:30. The Boy's Choir, under the direction of Father Richard Groncki, numbers 37 and will lead the singing. Among the scheduled songs are "Song of Joy," by Beethoven, the "Hail Mary," and "Softly the Stars were Shining."

The Mass will be a Sung Mass celebrated by Bishop Costello, the auxiliary Bishop of Newark. His sermon, as pastor, will deal with Christmas in the scriptures. The Church Choir under the direction of Mrs. Felicia Doleish will lead the congregation, and over 700 are expected to attend the Mass.

On Christmas Day Masses

are scheduled for 6, 7, 8, 9:30, 10:45 and 12 noon in the Church.

Montgomery Presbyterian Church also will present the Candlelight Service, but they will conduct theirs a bit differently. The service will be from 11 p.m. to Midnight. Near the end, as the Birth of the Lord is read, candles throughout the church will be lit and parishioners will file out into the street singing Christmas Carols and holding their lighted candles.

There will be no choir as such, but members of the Church Choir will mingle through the congregation to sing together the songs of Christmas. The Story of Christmas will be the main theme of the service, with dif-

ferent scriptures leading up to the climax, The Birth of Our Lord. Pastor Howard Day expects 150-200 parishioners to attend and has found a strong feeling toward the annual service in his seven years at Montgomery.

St. Mary's Roman Catholic Church will feature twin Midnight Masses Christmas Eve in preparation of the coming of Christ. A Mass at 6:15 p.m. will begin the observance and will fulfill the Catholic requirement for the Holy Day, and will set the stage for the double Midnight Mass.

At 11:40 St. Mary's Choir will begin a program of Christmas Carols in the main church. This will lead into the

Auto Mishap Fatal To Tot

Services were held yesterday for Patrick Roberts of Belleville from the Finneran Funeral Home in Newark. The two-year-old resident died Friday morning from injuries sustained in an auto accident.

The son of Mr. and Mrs. Ronald Roberts of 313 Branchbrook Drive, Patrick was riding in a car Thursday evening driven by Mrs. Marion Roberts when she was involved in a three-car accident on Route 3 eastbound in Clifton.

According to police reports, the Roberts auto was hit head on by a car driven by Miss Jill D. Newton, 17 Geneva Court, Wayne, when the Newton auto jumped across from the westbound lane of the busy highway.

Mrs. Roberts is now in Passaic General Hospital after suffering a fractured jaw and injuries to the left leg. Ronald Roberts, 26, a passenger, and Miss Newton, was also rushed to the hospital but the two were released after being treated for minor injuries.

A third car became involved in the mishap when it hit the Roberts car in the rear. The auto was being driven by Norman J. Brandes of 231 Grant Avenue, Nutley.

Besides his parents, young Patrick is survived by grand-

Court Rules

Heroin Charge Goes To Jury

A 31-year old Newark man arrested by Belleville police saw his case referred to the Essex County Grand Jury December 16 in Municipal Court.

Anthony Montalbano of 1245 Lincoln Avenue was arrested September 11 by officer Leland Quinn on several traffic violations. Upon investigation Quinn uncovered 22 bags of heroin in Montalbano's possession.

Montalbano was given summons on traffic charges of driving on the revoked list, delinquent inspection stickers, improper license plates, operating an unregistered vehicle, and reckless driving. In addition to the he-

ron, Montalbano was criminally charged with attempting to elude police.

Warrants were issued on the traffic violations but Montalbano failed to appear in court.

Service To Be Cut On Local Bus Lines

It was announced this week that certain week end, late night and early morning trips on many bus lines running through Belleville will be discontinued in January.

Belleville Commissioners have received notice that Transport of New Jersey

(formerly Public Service Coordinated Transport) will cut down on service here due to a lack of patronage. All discontinued service will go into effect January 8.

The bus company reported that certain Saturday and

NEIGHBORHOOD CHILDREN watch working elves toil with Santa's reindeer in unique Christmas display created and constructed by John Auriemma of 90 Mt. Prospect Avenue.

Huge Display Fun To View

John Auriemma has done it again. Created the most unusual, entertaining, unique and elaborate Christmas display in Belleville and most likely the entire Northern New Jersey area. The 90 Mt. Prospect Avenue resident has been brightening his block with holiday cheer for the past eight years and this season he has more than duplicated that feat.

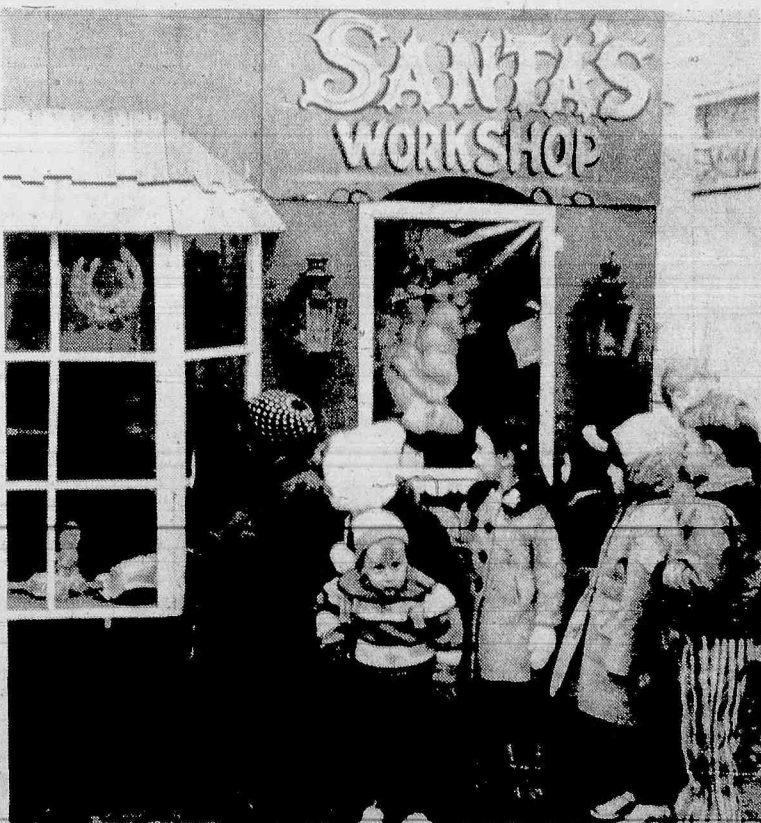

Auriemma, according to the person closest to him, his wife, takes the two-month effort to create the display each year simply "because he loves the holidays."

"John began work on this year's display near the end of October," said Mrs. Auriemma. "He completed it only a couple weeks ago. Sometimes he worked several hours per day with the actual construction of the displays."

The Auriemma showcase is actually a multi-unit, comprised of many displays. The whole yard scene is set off by a recreation of the nativity complete with the babe in the manger and giant statuettes depicting the Three Kings. The manger scene is set towards the front of the yard. Santa and his reindeer are suspended in mid-air as if to leap directly onto the Auriemma home. One of the most delightful exhibits is Santa's Workshop, complete with moving elves, always a favorite of the children. Choir boys that light at night stand outside the make believe workshop, as if to guard it.

Tucked in the rear yard is a bird sanctuary that features pheasants and other colorful varieties of winged fowl.

New to the Auriemma Christmas extravaganza
(Continued on Page 5)

SANTA'S WORKSHOP is viewed by members of the Auriemma family, including Charles, Diane, John and Nick. Also seen looking with fascination at unique holiday display are Donald and Mary Ann Stabile and Lenore Wozac.

College Degree For All

Last week the New Jersey Board of Higher Education approved a plan to create an experimental college that would permit students to obtain degrees without a formal education.

New York State is pioneering with such a plan, and the New Jersey program is almost identical to the New York plan where the program is identified as the Regents External Degree Program.

Governor William Cahill is enthusiastic over the proposal and it appears that the plan will become a reality in 1972. The program would be administered by the proposed Edison College, named for Thomas Alva Edison, the West Orange inventor who lived in New Jersey and who had only three months of formal schooling.

Edison College would have neither a campus nor classroom and no full-time faculty. Its staff would consist primarily of administrative officers. The college would provide study guides and give examinations toward college credit and degrees for students. The program is designed to serve the individual needs of persons who have read books on their own, received on-the-job training in the army, in industrial firms or in other

fields but were unable to get degree credit for their education. This would include servicemen, housewives, institutionalized patients and prisoners, all of whom would be eligible to receive credit at Edison College.

Chancellor of Higher Education Ralph A. Dungan said the proposed agreement with New York State "will be one of the first substantive programs of interstate cooperation in higher education in this country." The off-campus degree program would increase educational opportunities for residents of both states.

This is a great step forward in the educational field and we applaud the leaders of this effort to bring to those among us who thirst for a college degree the opportunity to obtain one. In many cases today employers won't even talk to job applicants unless they possess a college degree. This new educational program will provide greater job opportunities for industrious, ambitious people who were unable to complete their formal education.

Gibson Should Apologize

Recently Newark's Mayor Kenneth A. Gibson made the observation that some police officers are shirking their duty. Joseph R. Rox, President of the Superior Police Officers' Association, declared that Mayor Gibson's comments "were sure to do extensive damage to morale." Cox said his organization attempted to find some basis for the Mayor's comments and even attempted to make an appointment with Gibson but his group was informed that the ever-travelling Mayor was in the State of Delaware.

Rox and his fellow officers are angry—and rightfully so. Mayor Gibson has maligned men who should

be applauded. Mayor Gibson has made insinuations, allegations and innuendos adversely reflecting upon the integrity of police officers. If Mayor Gibson can support his reckless charges with facts, then why doesn't he do something about it?

We still get the uneasy feeling that Mayor Gibson's public comments are made primarily to gain favor with the public rather than serve the needs of Newark's future.

State Lottery Scores Big With Belleville Residents

By Elaine Auerbach

One Year Ago

Lawrence Schwartz announced his candidacy for the February Board of Education election. The Belleville attorney, who had been named to fill the unexpired term of the late Dr. Frank Di Ruggiero, was the first to declare his candidacy among the three board members whose seats were up for grabs. Board president Rocco Saletta and three term member Mrs. Norma McCool both told The Times that they were undecided about seeking re-election.

A Belleville car dealer was named "Citizen of the Month" by the Detectives Clinic of New Jersey and New York. Jerry Seiden, of Bigelow Motors, 50-64 Washington Avenue, was honored at a luncheon in the Neptune Inn in Paramus for being cited top citizen in the metropolitan area. Accompanying Seiden to receive the honor were Police Chief Joseph Smith, Police Chief Frank Haight and Officer Marty McNish. In all, 250 people attended the affair. Previous winners of the award included Governor Nelson Rockefeller and Mario Procacino.

Enthusiasm in Belleville for the first New Jersey State Lottery was so great that agents found themselves scrambling back to distributors for more tickets six hours after sales began. Most of the agents however found that additional tickets were not immediately available and they had to turn away citizens seeking easy fortunes. The first to run out were the two drug stores in town—Laterza's drugs and L&S drugs. A supply of 1000 tickets to each store were sold within six hours after sales had begun.

Ten Years Ago

Edward Berlinski, football coach at Belleville High School for fifteen years, was relieved of his coaching duties by action of the Board of Education on the recommendation of the general athletic council. The board also acted at its meeting to relieve assistant coaches of their duties until a new head coach could be appointed. Berlinski was to remain as a baseball coach and physical education instructor for seventh and eighth grades.

As the date drew near for the referendum on the proposed new high school, students of Belleville High aired their feelings concerning the issue. A group of about 50 students gathered outside the school after a basketball game to hang a stuffed dummy from a lamp post on Washington Avenue, to signify the Belleville citizens who "are hanging education." In a more constructive effort, a group of students had organized "to wake up the town" and plea for a yes vote on the referendum. A spokesman announced that students would provide transportation and baby-sitting service to help

get voters to the polls.

John Bass, prominent civic leader and president of the Rutan Estates Home Owners Association, demanded that Mayor Isadore Padula enforce the violations section of the municipal building code. Bass had been prevented from speaking at a Town Commission meeting by reason of Padula's enforcement of a ten-minute gag-rule.

Five veterans were chosen to serve as a screening committee for the temporary housing project. They were to consider all applications and choose the most deserving cases for the apartment 3, six of which were to be ready for occupancy. The committee had named two veterans to the site, but only in an unofficial capacity, as all applicants had to be ratified by the state housing authority.

A party sponsored by the Mayor Tully Association was held at the Rec House on Joralemon Street where about 220 children were there to take part in a Christmas Party. Michael Dacey played the part of Kris Kringle at the festivities. The kids were treated to candy and all received a gift. In another pre-Christmas visit at the Veteran's Hall, Public Safety Director Noll hosted 300 children, with Joseph Oldham playing the role of St. Nick. Entertainment was provided by William King, local magician.

Wayne R. Parmer, Belleville Superintendent of Schools, was elected Worshipful Master of the Belleville Lodge No. 108, Free and Accepted Mason, for 1947. The induction ceremonies were held at the Masonic Temple on Joralemon Street. Mr. Parmer succeeded Wilber H. Hart as head of the group.

On New Year's Eve Mr. and Mrs. Jesse Saul of Greylock Parkway entertained their bridge club including Mr. and Mrs. Floyd Stager, Mr. and Mrs. George Davis, Mr. and Mrs. Charles Thompson, Mr. and Mrs. Arthur Ackerman, and Mr. and Mrs. Malcolm Budd.

Mr. and Mrs. J.C. Kroesen of Belleville Avenue motored to Asbury Park for Christmas dinner. Mrs. Kroesen was Worthy Matron of the Areme Chapter.

To the Editor:

The rebuttal of my article, presented by Mr. Vanderzwan and Co., warrants an explanation on my part.

Briefly, my article attacked the town for their negligence in enforcing the dog ordinance concerning loose or stray dogs. I more or less blamed the town for the premature death of our family pet since it was the stray male dogs which caused the excessive pregnancies and ultimately her death. The following week a rebuttal by the concerned involved neighbors of our block appeared. The neighbors were primarily interested in undermining the facts by which my argument was based. Mr. Vanderzwan, the reputed leader and representative of the neighbors concluded that the premature death of our dog was not to be blamed on the towns negligence but, in fact, our own. He openly denied the fact that our dog was raped in the privacy of our yard, and went on to say that our dog habitually ran rampant through the neighborhood.

In the midst of all these bankrupt accusations and indictments I'll try to uncover the true picture regarding our late family pet, CoCo. It is worth reiterating from my original article that our dog had eight litters in nine years of life. True, some of the mating transpired outside our completing fenced in yard. However, the last three or four litters were a result of literal rape. Our dog was getting old and wished to be left in peace the last few years of her life. As far as the decisive or final impregnation taking place outside the yard, it is untrue. Mr. Vanderzwan asserts that it was witnessed by someone he failed to mention which conflicts with the fact that I, personally, witnessed the final impregnation squarely in my back yard. In retrospect, I'd have to say the Mr. Vanderzwan and Co.'s article was very much misleading, so much that the true facts were obscured.

Finally, let me say that the sympathy expressed is unheeded and let me also comment on the possible motives behind their rebuttal. The fact that neither Mr. Vanderzwan nor his allies own any dogs at all astonishes me. It seems ironic that none of the male dog owners had anything to say but non-owners did. Could it be that Mr. Vanderzwan and friends conspired with the motive of not defending the dog warden but with the ulterior motive of disparaging the family which I represent. Needless to say, their attempts were futile. Personally, I don't know whether to laugh or cry at such people. Their rebuttal exemplified their idiocy. Also, next time you attempt to belittle my family, leave our deceased family pet out of it, let her rest in peace.

Thank you,
Richard Carbone

Helen's Thing

It's Christmas-Hectic, Fun And Blessed

By Helen Maguire

IT'S BEEN quite a week. Hectic but lots of fun. Thursday night was the Mothers of Twins annual Grandmothers' Night which Erma and I were in charge of having been picked as program chairmen for this year. Before the evening was half over, we both announced that next year, we wanted something easy. This was enjoyable but good grief, a millign and one details to worry about.

We almost struck out when it came to finding someone who would lend us Bingo cards for the evening. We needed about 130 and they proved hard to come by. Fortunately, the Catholic Daughters of America came to my rescue and the game was saved.

I REACHED HOME about midnight, went to bed 45 minutes later and rose at 5:30 the next morning. Dennis was graduating from basic training at Fort Dix and his drill sergeant, may he know nothing but joy, suggested that parents and the like reach the post no later than 8:30 a.m. to be assured of parking space and a seat. I dumped the dingaling sisters on Layne at 7, we arrived at Fort Dix at a quarter to nine, certain we were late. Would you believe the ceremony started at 11 o'clock?

We got home about 4, I retrieved my twins, fed everybody and put the little ones to bed and then worked on the Nutley Sun and Belleville Times until 11 when I collapsed in bed. There was a sale at Lady Manhattan Saturday morning and as we drove off at 7 a.m., Layne and I agreed that the female of the species will really do anything for a bargain.

WE CAME HOME laden at 9:15 and found everyone in both households still abed. Lazy-bones! The rest of the morning was devoted to finishing the Times and by 2 o'clock, Rod and I and the four youngest Maguires were over at Big Tree for the childrens' Christmas party run by the perennial Santa Claus, Larry Dempsey and his crew. The kids had a great time. They all ended up very dusty and stuffed with ice cream, cake and soda.

AND NOW CHRISTMAS is almost upon us. The other night, someone in the club mentioned that Santa Claus was going to be in her husband's studio this week and I remarked that perhaps I would bring the children over when I went to pick up something I had ordered. "Fine", she said, "but it's a 'soul Santa Claus.'" "What difference does that make?" I thought. If there's one gift I would like to give my children this year, it would be the ability and the common sense to look beneath the color of a man's skin, whatever it might be and see the person inside.

Merry Christmas to all of you from Helen, Rod and all the Maguires.

I WAS SHOCKED TO LEARN the Women's Campaign Committee, which traditionally endorses and supports a female for election to the Nutley Board of Education, has taken a position not to endorse anyone in the upcoming Board of Education election. It was reported in the press that a majority of the representatives of the organizations represented at the last meeting of the Women's Campaign Committee voted against an endorsement of Dottie Duke. There was a suggestion in the action of the Women's Campaign Committee that Mrs. Duke did not possess the qualifications re-

quired of candidates by the Women's Campaign Committee. I met Dottie Duke the other night for the first time. Frankly I was much impressed with her intelligence and grasp of local problems. She is not a college graduate but I wonder if such a prerequisite is necessary for a good, decent, interested citizen to serve successfully on the Nutley Board of Education? Some of the best members of the Board of Education have never attended college. Mr. Duke states that his wife would make a good member. I agree.

AS WE GO TO PRESS it appears that

Women's Committee Move Is Shocking Realization

Board of Education President Ed Lenihan will not seek re-election in February. Excellent candidates with fine credentials have already announced their plans to seek election to the School Board. Only three seats are available. At this writing there are more qualified candidates than there are seats available, this, despite the fact that the three incumbent members whose terms expire will not be candidates for re-election. The development is a good omen for Nutley. Unusually and highly qualified citizens are stepping forward to contest for a Board of Education Seat which pays no money and requires long hours and hard work. It is this kind of civic interest that makes me proud of our town and our people. Nutley is a great place, thanks to the desire of its citizens to serve without pay at every level.

THE NEW "IN" RESTAURANT in New York is the Casino Russe. The Russian restaurant opened three months ago and is fabulously successful, despite the stiff tariff and minimum charge. Dining and dancing music is fantastic, the Russian show is very entertaining and the star of the show is Tova Porat, an Israelite, who appeared in leading Parisian night clubs before performing at the Russe. Tova sings in Hebrew, Spanish, French, German and English. Tora is a dynamic personality with unlimited talent. Standing five feet in her stocking feet this chick is ten feet tall in talent. The Casino Russe's Maitre d' Mario is one of the finest hosts in the restaurant business and hails from Leonia, New Jersey.

TWO OF THE PRETTIEST, AGREEABLE AND GRACIOUS cocktail waitresses that can be found in New York City are to be seen at Ann Rapoport's Spindletop on West 47th Street. Blonde Anne Thorne has been with the Spindletop for

eight years and she is ever pleasant—never a scowl or a curt comment. A newcomer to the Spindletop dining scene is five feet nine, attractive blonde, Patricia Hudson who is part Indian—and this you would never know from her features.

FOR ITALIAN FOOD, my priority place for 20 years is Mercurio's on West 53rd Street. For steaks, chops and good-old-fashioned American food on the East side it's Les Champs on East 40th Street. For the same quality and kind of food on the West side it's the Spindletop. Both Les Champs and the Spindletop have swinging bars and dinner music.

Maitre d' Larry at the Spindletop knows most of his customers by their first names. Maitre d' Armando at Mercurio's has risen from waiter to top banana and has developed a fine memory. Les Champs' Maitre d' Jerry Zell has more grace than Grace Kelly and a casual observer realizes that Jerry Zell takes no customer for granted. To Jerry Zell everybody is important!

FOR MANY OF US 1971 has been a trying year. Deputy Chief Sal Dimichino tells a story about the marksman—who was boasting of his prowess with a rifle. The hunter took aim on a lone duck overhead and told Sal, "Watch this." He fired, and the bird flew on. "My friend," he said with awe, "you are now viewing a miracle. There flies a dead duck!"

RALPH GUALBERTO, Nutley general contractor with a statewide reputation, tells the one about the bricklayer who his foreman was interviewing for a job. The bricklayer said, "I'd like to work here but I can't find a place to park my car." Gualberto's foreman replied, "I guess you won't do. We want only bricklayers with chauffeurs.

Christmas Display Is Favorite

(Continued from Page 1)
this year is a genuine miniature red barn that houses Santa's reindeer, including Comet, Cupid, Donner and

Vixen. The reindeer are tended by elves that also move. Huge buttons attached to a fence surrounding the display command the elves' moves.

The Auriemma home during the holidays can be spotted from blocks away as a huge lighted star and enormous Christmas balls strung across the property guide the way to visitors.

Hundreds of people are attracted to the exhibit each year. Everything is automatic but still the over-curious many times wish to quiz Auriemma on his creations.

According to Mrs. Auriemma, they don't mind answering the door if the questioners come at a decent hour.

"After 9 p.m. we put a sign out not to ring our bell," said

Mrs. Auriemma. "We have four small children that need their rest."

Mrs. Auriemma also states that her husband's love of the Christmas season extended even before their marriage eight years ago.

"He had been doing this type of thing even before I had known him," she remarked.

The Auriemma family was cited last year in a special letter by then Mayor Kenneth Smith for the wonderful contribution they add to Belleville during the holidays. Several times the display has received feature coverage from daily newspapers and special Sunday editions in the area. A scrapbook is kept by the family to serve as a permanent record of the constantly changing display.

Of course, the main recipients of the Christmas display are the Auriemma children, who seem to enjoy their father's work more and more with each passing year. Mrs. Auriemma said her husband John creates the exhibit not only for the family, but obviously for whatever youngster wanders by or are driven to the scene by thoughtful parents. And many a parent takes the opportunity to treat a child or children to the wonders of the display.

The best time to view it is at night, when the full beauty is accentuated by hundreds of multi-colored lights, strung from scene to scene.

Snow adds much, although Belleville has had a lack of the white stuff to date. Most families take photos to keep for their own scrapbook.

John Auriemma is a life-long Belleville resident. He is married to the former Geraldine Cerchia of The Bronx. The couple, most appropriately, have four children with a fifth on the way, due in March. Charles is the oldest at six, while Diane is five years old and attends kindergarten at Number Eight School. John is three and Nick two years old.

HOLIDAY DESSERT—As an alternate for the traditional holiday fruit cake, do try this nutmeg and rum flavored cake, elegant enough for festive dinners.

STUFFED MUSHROOMS — Stuffed mushrooms are delectable tidbits, ideal for holiday entertaining. Well seasoned pea puree makes a great stuffing.

A Delicious Dessert Spices Holiday Eating

During this Advent season the most tantalizingly spicy aromas drift about in kitchens in the upper Midwest, where homemakers are happily occupied with the Christmas baking.

This part of the country was settled by immigrants from northern and middle Europe, from Germany, Scandinavia, the British Isles, from Belgium, the Netherlands, Finland and Russia. In families of German extraction, cookies would seem the preferred Christmas treat. Centuries ago in Germany, they began hanging pretty cookies — or amusing ones — on the Christmas tree for the delight of children. Spicy ones, too, for most spices came to Germany at the same time as the Christian religion.

Cookies and lavish holiday breads come from Scandinavian ovens, as often as not redolent of cardamom, a favorite spice in the land of the midnight sun, and still in great demand for Christmas baking. Mince pies, for the British, symbolize the magnificence of the gifts of the Wise Men.

The Belgians and the Dutch make big, charming, nutmeg-spiced cookies cut into the shape of Santa Claus. These they call Speculoos. Finnish Christmas baking is a good deal like that of Sweden, Norway and Denmark. In Russia, Christmas sweets in days gone by included spiced honey cakes and a sweet nut bread.

From this part of the United States comes this recipe for Eggnog Cake, tested by home economists of the American Spice Trade Association.

EGGNOG CAKE
2 cups sifted cake flour
2 teaspoons baking powder
1/2 teaspoon ground nutmeg
1/4 teaspoon baking soda
1/4 teaspoon salt
1/2 cup butter or margarine, softened
1 cup sugar, divided

2 eggs, separated
1/2 cup orange juice
1/2 cup light rum, divided

1 1/2 teaspoons grated orange peel
1 teaspoon pure vanilla extract
*Eggnog Cream Filling
**Chocolate Bittersweet Frosting

Sift flour with baking powder, nutmeg, baking soda and salt; set aside. In a large bowl cream butter with 1/4 cup of the sugar until fluffy. Add egg yolks; beat well. Blend orange juice with 1/4 cup of the rum, orange peel and vanilla extract. Add alternately with flour to the butter mixture. Beat egg whites until soft peaks form; gradually beat in remaining 1/4 cup sugar until stiff but not dry. Fold into batter. Turn into two buttered 8 or 9-inch round cake pans lined on the bottom with waxed paper. Bake in a preheated moderate oven (350° F.) for 25 minutes or until cake tester inserted into center comes out clean. Cool in pan 5 minutes, then invert on wire rack, peel off paper, and cool thoroughly. Split each layer crosswise. Sprinkle each layer with remaining 1/4 cup rum. Spread with Eggnog Cream Filling between the layers. Frost top and sides with Chocolate Bittersweet Frosting. Sprinkle sides with chopped walnuts, if desired.

YIELD: 19-inch layer cake
***EGGNOG CREAM FILLING**

1 1/4 cups milk
5 tablespoons flour
1 cup butter or margarine

3/4 cup sugar
2 teaspoons rum
1/2 teaspoon ground nutmeg

In a small saucepan combine milk and flour. Cook, stirring constantly, until mixture thickens. Cool. In a small mixing bowl cream butter and sugar until light and fluffy. Stir in rum and nutmeg. Add cooled flour mixture by the spoonful, beating until light and fluffy.

****CHOCOLATE BITTERSWEET FROSTING**
4 squares unsweetened chocolate, melted
1 1/4 cups sifted confectioners' sugar
3/4 teaspoon ground cinnamon
1/8 teaspoon ground nutmeg
2 tablespoons hot water
2 eggs
6 tablespoons butter or margarine, softened

In a small mixing bowl combine chocolate with sugar, cinnamon and nutmeg; beat well. Gradually add hot water, blend until smooth. Beat in eggs, one at a time. Add butter and blend until smooth.

In ancient Egypt, false beards were sometimes worn by QUEENS, as well as kings!

To tone complexion for New Year's Eve party, try a mask of strawberries and apples, pureed in blender, mixed with sour cream.

We would like to wish all our readers a Merry Xmas and a Healthy & Prosperous New Year.

Fire Retardant Greens' A Necessity

Christmas trees and greens in the home can be a fire hazard if allowed to dry out or preventive measure are not taken to avoid a holiday disaster.

William F. Munk, senior county agricultural agent of Essex County, offers a simple formula for a fire-retardant that you can spray on your tree and Christmas greens. It produces a shiny, transparent, colorless coating.

Mix nine parts by volume of sodium silicate (water glass), which you can buy at most drug stores, with one part of water containing a wetting agent such as Drest, Vel, or Breze. Use about one teaspoon of the wetting agent for each quart of water. You can apply the solution by using a garden sprayer, vacuum cleaner or paint sprayer, or you can dip whatever you want protected in the solution.

This way to save money.

Dial calls yourself.

Here is a pointer on how to save money on out-of-state phone calls: Dial them yourself without the services of an operator.

No matter what other state you call (except faraway Alaska and Hawaii), it always costs less when you dial station calls yourself. Especially on weeknights and weekends when savings are big.

For example, During weekend bargain-calling times*, a 3-minute coast-to-coast station call costs \$1.40 plus tax—if you use the services of an operator.

But the same call is reduced even more—way down to 70¢ plus tax—if you dial it yourself without the services of an operator.

So, dial your own station calls without an operator. And save.

WHEN OLD IS REALLY YOUNG

How many times have you heard it said of an older person that they do not look or act as old as they really are? These are usually people who have maintained a zest for life and are determined to enjoy it to the fullest extent that they can. It is always stimulating to be with people that act this way.

These people are also usually very conscious of their health and believe in taking good care of themselves physically as well as mentally. They do not neglect symptoms of an illness nor do they ignore any recurring symptoms. They see their doctors regularly and faithfully follow the advice they are given.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

New Yearbook Outlines American Agriculture

This new Yearbook outlines how rural America and U.S. agriculture can help make living good for all Americans of the next century. It cites programs designed

to encourage redistribution of the population over the next 30 years and take some of the pressure off the metropolitan centers through the creation of new growth centers around the smaller cities and towns of rural America.

The 80 chapters in the 416-page, clothbound publication are grouped in four major sections - "Space for living", "Services for living", "Production Resources for living", and "Issues for the Future".

Stores Show Increase In Christmas Volume

New Jersey department stores' Christmas sales for 1971 show an overall increase thus far this season as compared to 1969 and 1970. Ronald M. Heymann, Commissioner of the New Jersey Department of Labor and Industry, said today in reporting on a special survey made this week.

Said Commissioner Heymann, "The projections of Christmas sales in this special report are certainly encouraging. It looks like one of the best seasons for New Jersey in recent years. Needless to say, I am hopeful this kind of positive activity will help relieve the unemployment situation. From this and other indications I have received, it may very well be that we are moving on the upswing again in New Jersey."

In the recent survey covering 90% of all major retail chains throughout the State, the Office of Business Economics of the Department found that Christmas sales are up as much as 4% over 1970. These major chains

represent name stores that are throughout the Middle Atlantic Region and represent both discount outlets and department stores.

In general, conditions reported in the survey indicate that there are big shopping crowds and these crowds are using more cash than ever before. In the past, the tendency has been to charge items, but this has not come about automatically. Stores report using heavy promotions and advertising. The merchandise that had the greatest impact has been "off-price" reduced items.

The report shows that shoppers are leaning toward lower prices but stressing and insisting upon quality. An example is that there is a switch to higher-priced costume jewelry items rather than expensive jewelry. Luxury items are not back in style. Shoppers are leaning toward the practical and functional items.

Specifically, the stores indicate that sales are up at least 4% over 1970 and that the current unemployment situation has had no visible effect on the market place.

The quality of Christmas part-time help is much higher this year compared to 1970 with few difficulties in obtaining individuals to fill jobs and were not willing to settle for part-time Christmas employment.

As for merchandise procurement from suppliers, the survey showed stores indicate they are having no delivery problems. They report that the supplies of inventories are higher than last year (25%) in anticipation of a better season. This is in contrast to low inventories and the depletion of many items throughout the State before the end of the season in 1970. Many items were impossible to get or simply not available last year.

When questioned about which lines were selling the best, stores surveyed reported little difference between hard or soft goods. Shoppers are

buying usable items, i.e. clothing, ~~stereos, radios, T.V.'s~~, radios, T.V.'s, small appliances, and the like; not luxury items, i.e. furs, expensive jewelry, and perfume.

Bellboy Quintet Drops Third Tilt; To Entertain Orange Club Today

By Cris Farley

Nutley dealt Belleville its second loss of the young season Friday at Nutley 60-54, but the win, Nutley's first against three losses, did not come without a strong fourth quarter comeback by the Bel-

lboys.

Nutley led throughout the game moving just before the half to a 42-23 spread, but the Maroon Raiders were outscored 16-8 in the final period and a runaway almost became an upset. Nutley, playing at home, jumped out

to a quick 10-4 lead at the outset of the game on two buckets and a foul shot by soph Rich Clark, starting his first varsity game. Belleville came back on a corner shot by Mike Petronaci and two fouls by Joe Lotruglio. A jumper from the foul line at

the buzzer put Nutley ahead 14-8 at the end of the opening period.

Nine Nutley points around two foul shots by center Ken Zoppa gave the Maroon Raiders a 23-10 lead halfway through the second quarter before Belleville began to

move the ball. Lotruglio and Vin Turturiello picked up a couple loose balls to score two quick layups, but Mike Calicchio hit a 20-foot jumper and a charity shot on a technical foul on the Bellboys to keep Nutley ahead 26-14.

Senior Nutley center Kevin

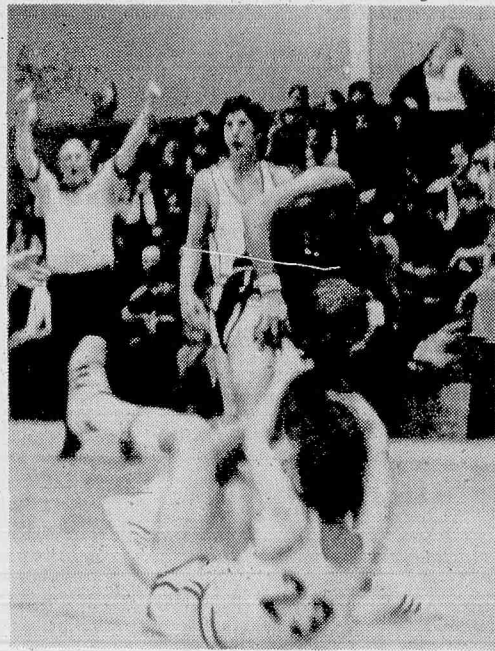

Salters, improving with each game, took a quick pass from Pete Frazza for a layup. Petronaci drove the length of the floor for a bucket and hit two fouls to put Belleville within ten at 1:20 but Vern Shepard, averaging over 17 a game for Nutley, put in a loose ball

(Continued on Page 14)

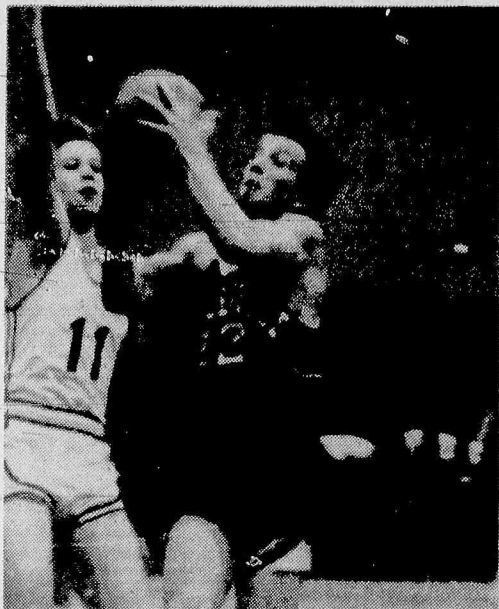

READY FOR SHOT from the line is Nutley's high scorer Vern Shepard. The game was still close at this point as can be seen from the scoreboard, but Shepard

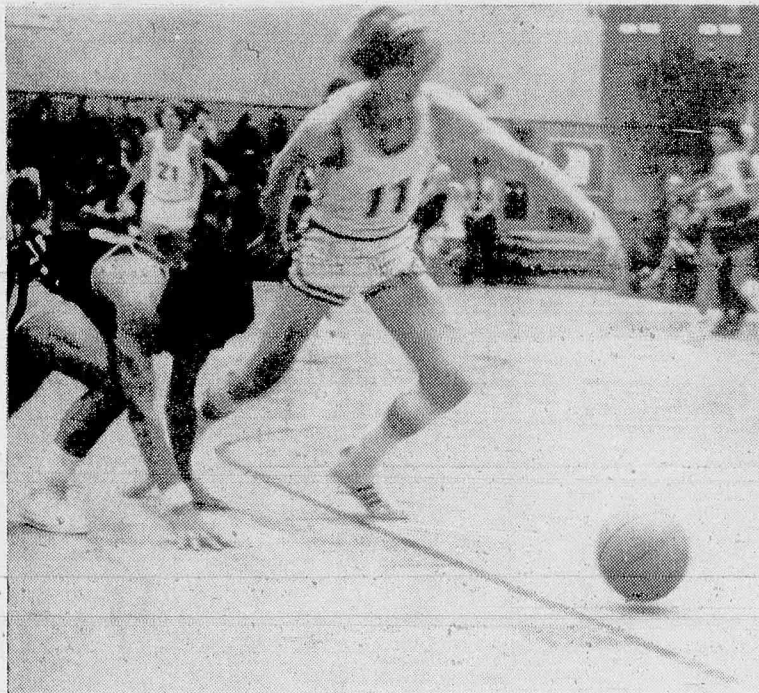

missed and Vin Turturiello (14) recovered for the Bellboys. Guarding Shepard here is Mike Petronaci (21).

JUMP BALL says the ref as Nutley's Jim DeWolfe and Belleville's Ken Zoppa fight for the ball. Zoppa won the jump but the Raiders won the game 60-54.

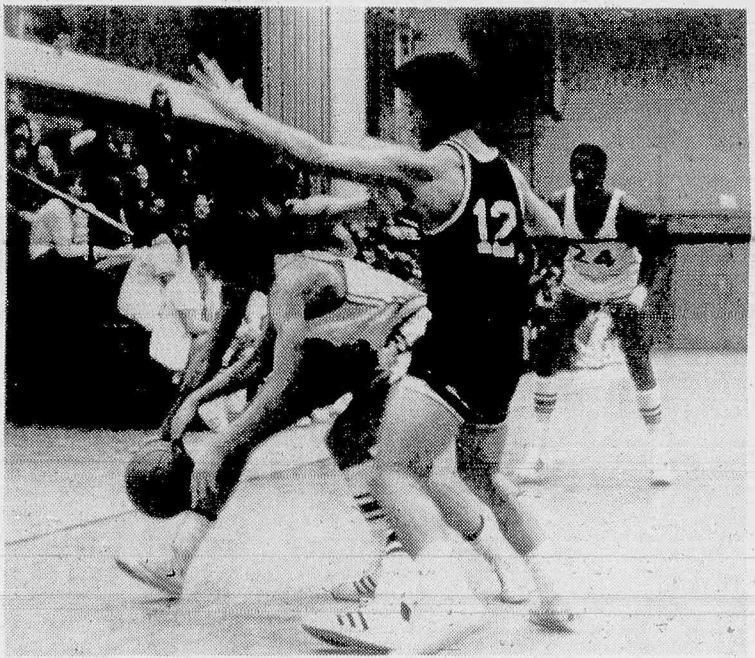

DRIVING for a shot midway through the fourth quarter is Belleville's grid quarterback and basketball guard, Joe Lotruglio. Rich Clark of Nutley (11) stopped the play.

SCRAMBLING AGAIN for a loose ball Friday in the Belleville-Nutley game were Frank Petite (1) of Belleville and Soph. Rich Clark of Nutley. The home team

made fewer mistakes and hit key shots to take home their first 1971 victory. Belleville is 1-2.

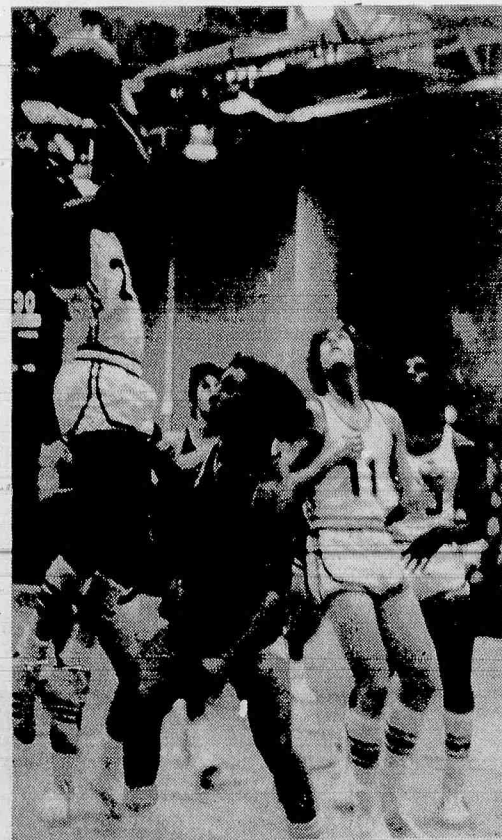

WILD PLAY overcame cautious basketball at times Friday. Here Mike Calicchio for Nutley and Belleville's Mike Petronaci go after a loose ball in the

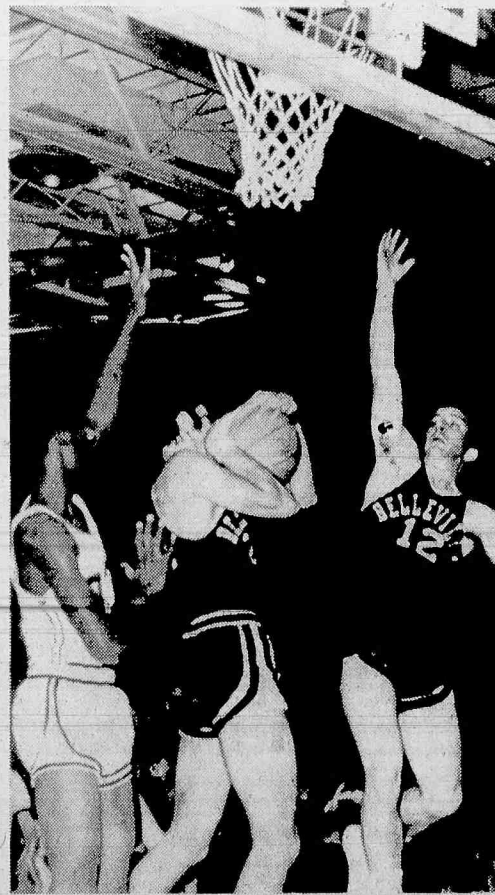

fourth quarter. Joe Lotruglio (12) and Vern Shepard wait in the wings for their turn.

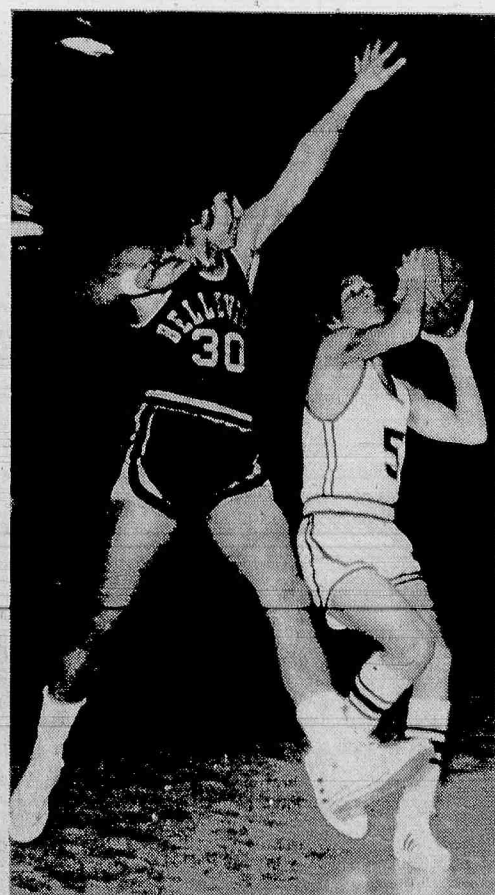

CO-CAPTAIN Ken Zoppa pulls down a defensive rebound for Belleville in the first period. The senior center got into foul trouble early and his absence hurt the Bellboys later in the game.

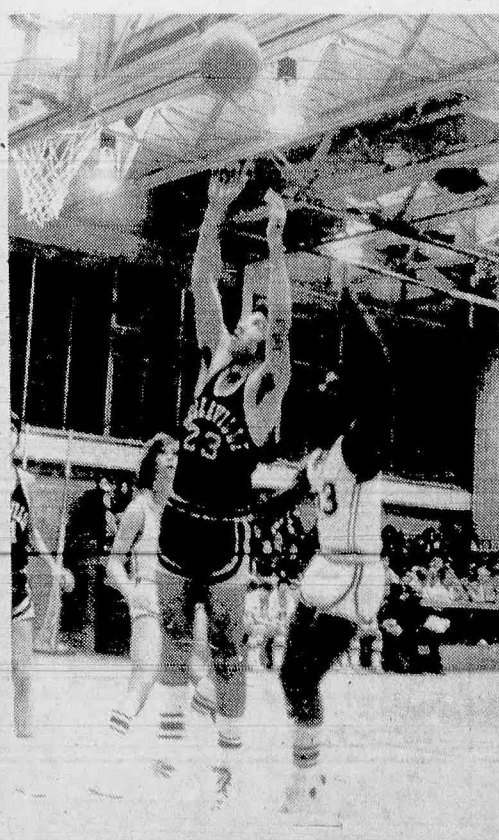

SCORING on a 5-foot jumper just before the end of the first half is Nutley co-captain Vern Shepard. The bucket gave Nutley a 32-18 lead at intermission.

ZOPPA GETS ANOTHER rebound for Belleville as the Bellboys fought back from a 19 point deficit in the final period to lose 60-54. Kevin Salters (33) goes up for Nutley.

SOPH BALLHANDLER Mike Calicchio of Nutley showed he could shoot as well Friday, hitting four nice buckets and a pair of fouls. Here Calicchio tries to shoot over Frank Petite of the Bellboys.

BOXING OUT Nutley's Kevin Salters for a rebound in the second quarter is Cary Grobstein (33) of Belleville.

Cagers Drop Contest To Maroon

under the home basket and scored a short basket to put Nutley ahead 32-18 at the half.

Although there were substantial miscues and fouls on both sides, Nutley appeared

to hit key baskets through the first half. Belleville was not able to move the ball to Zoppa, and the Raiders seemed to be in control. In addition, the Belleville center got caught for three personal fouls and had to be taken out.

Bellgirls Lose Maroon Game

Belleville's Girls Varsity Basketball Team was handed its first defeat of the young season by the Nutley Raiderettes. The 18-16 loss came after it was announced the Boys Varsity had lost. The game was played in two overtime periods.

The end of the first quarter saw the Bellgirls ahead 7-6, with scoring by Cindy Ferro, Joanne Falcone, Susan Winship, and Helen Healy.

There was no scoring in Bellgirls Drop One

Nutley opened the second half like it was a continuation of the second quarter with Salters scoring a quick two from underneath, and a soft jumper from 10 feet. Turturiello, however, converted a three-point play and Petronaci, Belleville's best shooter, scored from the corner to make the score 36-23.

Nutley then ran six on baskets by Salters, Shepard and Dan Bouton to open the biggest margin in the game, 42-23.

With four minutes to go in the quarter, the Bellboys took advantage of Nutley foul trouble to narrow the gap somewhat. A pair of baskets and two foul shots by Zoppa,

a short bucket by Gary Soldo made the score 44-31, but Calicchio hit a long shot, scored

on a break and Clark made a jumper from the foul line to open it up again 52-31.

Four Nutley fouls in the last minute gave the Bellboys five gift points, Zoppa hitting four foul shots in as many attempts, to make the score 52-38 going into the fourth quarter.

At this point, however, Calicchio, Salters, Clark, Frazza and Jim DeWolfe

were in foul trouble, and Nutley slowed things down, hoping to nurse their lead. With the score 56-40, play became sloppy again, and Zoppa hit two fouls off Salters fourth personal, those two fouls started a Belleville comeback as Nutley continued to play cautiously.

To Manage Stores

Three promotions to management positions at Garden State Farms are announced by George A. VanHouten, vice president-marketing of the dairy store firm.

Thomas H. Lyness has been advanced to head supervisor, Michael Sandag to personnel manager, and Richard B. Vautin to a stores supervisor.

Lyness, 1-29 35th Street, Fair Lawn, joined Garden State Farms 10 years ago as a store manager, and has since served as a supervisor and personnel manager. Previously, he had 25 years retail store management experience with Great Eastern stores and Ramapo Valley Co-op. He is a native of Paterson.

Sandag, 65 Sylvan Terrace, Wayne, joined Garden State Farms as a store manager supervisor in 1965 after holding supervisory posts with Acme Markets for 15 years. A native of Passaic, he

has taken special food merchandising courses from Cornell University.

Vautin, 15 Rock Ridge Road, Haskell, came to Garden State Farms as a store manager in 1963. VanHouten said the Passaic native has proved exceptionally successful in applying the firm's

unique retailing techniques for milk and other products in the stores he has managed.

The promotions of Lyness, Sandag and Vautin fits into Garden State Farms' long-range planning for continuing growth of its jug milk stores in northern New Jersey, according to Van Houten.

Local Firm Gets Agency

William Hoffman, president of the Hoffman Companies, Belleville, announced the appointment of the Craspe Agency for advertising and sales promotion. The agency will represent Hoffman in all media in addition

to assisting the director of marketing, Frank Sheehan.

Hoffman is a major leaser of huge 200 ton mobile cranes as well as being a sales agency for these cranes. The Hoffman Companies are

comprised of an International Division which is currently engaged in various projects all over the world, a Maritime Division which is represented in many of the major ports of the U.S. with crane installations and crane

rentals, a Construction Division which rents and sells cranes to users in the construction industry, and a Heavy Hauling Division which in addition to cranes and various other equipment, has one of the largest vehicles

in existence.

This 'vehicle' is used to move extremely heavy or difficult loads over the road. In its largest configuration it rolls on 54 huge truck tires, and is pulled by a 1,000 h.p. tractor.

Views Health Building

(Continued from Page 1)

between him and the School
Board. Educators wanted the
room to house special educa-
tion classes while Strumolo
requested the room for a multi-
purpose center for the Health
Department. The
Commissioner got his way
last week when Commissioner
Michael Marotti ruled that
the Health Department
needed the additional space
more.

The most unfortunate part
of the ruling is that now the
School Board may not move
its administrative offices into
the Fisher-Stevens building.

"If the Board doesn't move
in we will probably rent out
the upstairs offices. Commis-
sioner Marotti may even use
the space for a recreation
center," Strumolo said.

To Strumolo's knowledge,
the School Board has not yet
determined whether it will
move its offices.

The Health Department
will use the room for three
good purposes, according to
Strumolo. He has scheduled
special senior citizen's pro-
grams for the area. Also, he
plans to have inspectors from
the Health Department use
the room, in addition to using
it as a conference room for
the nursing staff.

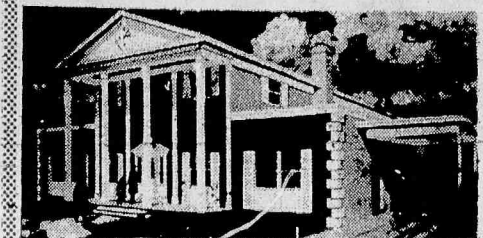

Bus Line Cuts

(Continued from Page 1)

evening trips on the No. 116
line from Dover will be
stopped and many Saturday
trips on the No. 28 Summer
Avenue Bus Line will be dis-
continued.

Also, Transport of New
Jersey advised that due to
lack of patronage, certain
late night and early morning
trips on the No. 29-114 New-
ark, Bloomfield, Butler Bus
Route and the No. 126-128
Paterson, Bloomfield-New-
ark Line will be discontinued
effective January 8, 1972.

Why is it so hard to discuss the POW question?

NOT only is the prisoner-of-war question a thorny problem at the peace talk sessions in Paris. It seems an explosive issue in homes around the world, even here in America.

Why?

Because we are in a complicated and baffling and frustrating war. Because it is an "unofficial" war and many people wonder what rules apply. Or possibly, if any rules apply. Because nobody wants the war but the two sides can't agree how to end it.

The prisoner-of-war issue is caught up in this maelstrom of intellectual confusion and emotional voltage.

It's a pity that it is. It's a pity for the men who are being held prisoner. It's a pity for their families who live in fear and doubt. Indeed, it's a pity for the nations involved and those who only watch. They have allowed the multiplicity of issues to cloud the human issue.

This message speaks not of the political side of the prisoner-of-war issue but of the human side.

It speaks for the families of the prisoners and for all the peoples of the world whose conscience hasn't been covered over by the smog of confusion.

Of course, we all want the war to end and the prisoners of war to be released as soon as possible.

But meanwhile there is no need for Hanoi and its allies to delay even a day in answering this plea:

Open your prison camps in North Vietnam, South Vietnam, Laos and Cambodia to official neutral observers. Let the world know who the prisoners are, where they are and whether they are being humanely treated in accordance with the standard of civilized nations.

That's all. Certainly there can be agreement on that part of the POW question.

In fact, there is no need for consultations. Hanoi, unilaterally and

without consultation, can solve the problem.

Then, at least, the minds of millions in America would rest easier. And perhaps those in other parts of the world, too.

SUPPORT OUR PLEA TO HANOI AND ITS ALLIES:

Clear away the doubts — Open your prison camps to neutral observers... now!

We ask no more than we give. All American and South Vietnamese prison camps are inspected regularly by official neutral observers — The International Committee of the Red Cross.
