Tuesday At Polls

Local Voters Decide Upon Budget, Board

(Continued from Page 1)

statements, Garofalo pledged his service to the needs of the entire community, promised to evaluate every piece of legislation before voting; promised to put his professional, academic and life experience to work for all; promised to bring the level of education to where it can and should be, and wants to provide the best education to all children, handicapped or gifted.

Charles Miele, a 17-year resident, is a first-time candidate for the board. He is manager of purchasing for Matheson Gas Products in East Rutherford.

Miele cited the "major function and crucial purpose" of a School Board serves as his reason for seeking election. Married to the former Phyllis Domenick, the couple has three children, all attending Belleville schools. Miele attended at one time Newark College of Engineering.

His campaign statements have noted that only good administration is good education possible. He believes thoughtful administration is possible in Belleville and all that's needed is leaders to guide the equipment. He cited a sound teaching staff, functioning buildings, interest by the people and faithful consideration of the taxpayer as assets to the town.

G. Fred Burlazzi, a 29-year resident here, is running on a platform of "fundamental principles." A graduate of Belleville High School, he

studied at Midwestern U. Upsala College and Rutgers.

His platform reaffirms the principle that education is a form of discipline and respect for discipline, he claims, will improve our school system. He sees a spirit of cooperation in developing solutions to current problems. Burlazzi also states that taxpayers are already burdened and relief must be found if the community, as he knows it, is to survive. He also sees himself using a conservative approach to current problems.

Currently, an assistant executive director of the City of

Legion Laundry To Get Cleaning

(Continued from Page 1)

ing complaints about the building over the last 10 years but according to Mustacchio, every time the owners were warned to fix the place up, they complied. The owners are Alex Conn and Hans Marx. Neither are town residents. Every time conditions worsen there the owners are notified and they clean up. The town is now trying to pressure permanent improvement.

"In the past they have dealt with us in good faith," the Building Inspector said. He cited an example when 10 years ago a boiler was in need of repair. "They installed a whole new unit."

Much of the irritation by residents comes from a noisy tumble dryer that is extremely loud when in need of repair. Mustacchio said the gears on the machine wear out every two or three years and that is the focal point of the noise.

"They will correct that condition too," he stated.

Mahmorian Gets Support To President

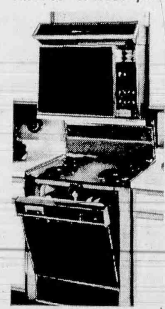

Richard Mahmorian, member of the Board of Education, this week came out in support of board president Leonard Back for reelection this Tuesday.

"After having served two years on the Belleville Board with Leonard Back, I am supporting his reelection," Mahmorian stated. "Mr. Back has the qualities which are necessary for effective leadership in the Belleville School system. He brings to the Board intellect, experience and a personal commitment for better education."

"I personally believe that his wisdom and judgements are necessary for the continual development of our school system," Mahmorian concluded.

Playing With The Budget Endangers His Education

By Mark Rozewski

You might be wondering why we are dedicating this entire page to next year's budget, if you are your answer is to be found in the overcrowded classes without books. (Or, if you haven't got the inclination to visit a school, you might find it on this page.)

I am a senior, this is my last year. To tell you the truth, I wasn't too interested in passing the school budget until I heard what every-

body'd be losing out on. I think it's pretty arbitrary that every time the budget comes up for your approval you knock it down without much of a second thought.

Stop! Take a look at the schools! Look at the junior high, its overcrowding and dilapidated structure. Look at the high school, only seven years old, outdated and overcrowded already.

YOU've got to pass this budget. Even if it doesn't allow for the increases that will

be coming up, you've got to let them have this much. The budget as it stands is preposterous. It won't take care of anything. It cuts everything to a bare minimum. I doubt that YOU'll pass it anyway.

Stop and think! They are your children who are going to suffer. If you knock down this budget, there won't be anything worth going to school for.

Stop and think! The youth of today needs your support.

More Major Problems

High School Heading Down Hill

By Mary Bowden

The Belleville High School is heading down hill. More and more problems are coming about and none are being solved.

Our one major concern is the overcrowding of our high

school. The Senior High was built to hold a little over one thousand students. It now holds over thirteen hundred and next year will hold over fourteen hundred. In the near future the Senior High will become a four year high. The student number will then be close to seventeen hundred. That is seven-hundred more students than the approximate number it was built for. We are in desperate need of help.

The students that sit in the overcrowded rooms will soon be the leaders of America but we can not learn if we do not have the appropriate facilities that we need or the right supplies.

Belleville pays a little over \$800.00 on each student which is next to the bottom of the list. A more common number that is used is over \$1000.00, which isn't very much considering all the things we need. Belleville can

afford to pay a little more to help better educate the youths of their town.

If we don't get more mon-

ey, more things will be cut out and problems will double. Drivers education, sports, clubs, activities and other

things we need will be gone. It will be harder to learn as well as to teach without the facilities we need.

School Board Election

Next Tuesday, February 8, voters will be asked to elect two citizens to the Board of Education.

President Leonard Back is among the candidates. During his three year term Mr. Back has performed in a manner that unites him to reelection. A hard worker, Mr. Back has brought great dedication and superior judgment to the difficult task of upgrading a fine school system within the frugal budgetary allowances.

As president, Mr. Back has maintained a high degree of harmony among his colleagues, presiding with a firm but compassionate hand. We urge Mr. Back's reelection without reservation.

The second seat to be filled is that of retiring Board member Joseph Casale. A lifelong Belleville resident and a product of the Belleville School System, Mr. Casale served only one full term in office but rendered his services to the best of his ability. He performed his duties admirably and the Board will be at a loss without him.

Mr. Casale, in his one term of office, was voted the Board of Education vice president. Being named to that post reflects the respect of his fellow colleagues.

Public spirited citizens offering their services to fill the vacancy are Mrs. Jose-

phine Izzo, G. Fred Burlazzi, Carl C. Garofalo, Charles Miele, and James Risoli.

These names represent a great deal of talent and many years of civic service. It is regrettable they can't all be elected Tuesday.

We know personally Mrs. Izzo, Fred Burlazzi, Charles Miele and James Risoli. They all possess civic credentials and a record of community dedication that entitles them to special consideration by the electorate.

We do not know Carl Garofalo but everything we have heard and read about him leads us to the conclusion he is well qualified to serve on the Board of Education.

Belleville is fortunate in this election. It can't lose regardless of who, among the candidates, win. They possess above-average qualifications.

Frank A. Orechio

High Cost Of Health

One realization which should be squarely faced by doctors, hospitals and pharmaceutical companies is that rising costs of medicine and medical care are bringing closer each day a national health-care program.

It seems now only a question of time until Congress enacts a national health program, perhaps the first Democratic President after President Nixon will be the chief executive to sign such a bill into law. The Democratic convention practically certain to again include national health care in its platform.

Most of the major democracies of the

world—if not all in the West—already have national health programs and none, so far as is known, has ever been abolished after institution. The fact is that in the United States the limited number of doctors and unregulated charging for both medical care and medicines allow many to earn about what they wish, while medical service is sometimes far from what is desirable.

As hospital costs soar, in addition and an unfortunate number of elderly Americans see their life's savings wiped out by illness each year, one end result—national health—is inevitable.

Rail Shuttles

In Rome authorities recently ordered building begun on a rail shuttle between Rome and its airport. In Brussels and in several other large cities such shuttles are already in operation.

Rail shuttles are superior to bus and limousine shuttles for several reasons. Service is faster. Fares are cheaper. Rail shuttles can handle more travelers more efficiently in a short period of time.

Many large cities in the United States will eventually consider or build rail shuttle services to expanding airports. Instead of paying \$5 or \$7 for a ride to or from airports, passengers will perhaps pay fifty cents for a shuttle to the center of town. The trains, often underground, need not stop for lights, traffic jams, etc., and lessen highway congestion.

Seems Only Yesterday

Resident Named To Head Air Force Association

By Elaine Auerbach

One Year Ago

Mrs. Alfred (Mamie) Kinsley of Belleville was sworn in as President of the New Jersey Air Force Association. Mrs. Kinsley was the first woman to head a major New Jersey veterans' organization. The investiture ceremonies were conducted by Judge John Brosky of Pittsburgh, vice-president of the AFA Northeast Region, and Donald W. Steele, AFA National Organization Director.

The Belleville Italian-American Association headed the selection of two Belleville High School students from the class of 1970 to be the recipients of their annual scholarship award. The two students were Josephine Maiorca, of 85 Frederick Street, and Robert Molinaro, of 68 Continental Avenue. They would each receive a \$250 scholarship which would be awarded to them February 26 at the Association's 5th annual Mardi Gras Dinner and Dance at Thomm's Restaurant in Newark.

Five Years Ago

Mrs. Eleanor Bacon-Peck was honored by the Nutley Symphony Society in a surprise ceremony at the orchestra's concert in Nutley High School. The Belleville music teacher was presented with a corsage and a framed scroll of appreciation prepared for the occasion. The symphony society was celebrating its 30th anniversary, and had thought it appropriate to show special appreciation to Mrs. Bacon-Peck, who had been active with the group since its beginnings.

The Chamber of Commerce held its annual dinner dance and installation of officers at the Fountain Restaurant. Installed were: William McDowell, president; Clayton Shepherd, chairman of the board; Charles Chaffier, Aaron Cohen, George Mead, and Eldred Tarry, vice-presidents; Michael Pariso, treasurer, and Harry French, executive director.

When Town Manager John Burnett received the first trickle of election returns, he sensed immediately that the end was in sight. When the votes were all in, 5,054 citizens had voted in favor of the commission form of government and 2,411 had voted to retain the council-manager system.

Ten Years Ago

Raymond E. Mertz, a Belleville insurance broker, was appointed court clerk. Mertz, a lifelong local resident, was the son of a former Parks Commissioner, the late Raymond E. Mertz. The appointment for the \$5,500 a year job had been made and forwarded to Trenton by Magistrate Edward Abrahamson for confirmation. Mertz succeeded Charles Telesco, who had been court clerk for 14 years.

A public hearing was to be held on the proposed land use section of the newly completed master plan. The land use plan was the first section of the plan proposed by the Planning Board. The Board stated that the plan designated proposed uses for various sections of town over a 20 year period. Included in the proposal was the suggestion that the entire Silver Lake area be developed for apartments and be provided with "ample community facilities and parks".

Fifteen Years Ago

In a special meeting the Board of Education appointed Harold A. Dufford as assis-

tant superintendent in charge of business administration for the town's school system. Dufford, 46-year-old business teacher in Belleville High School, was to receive a salary of \$8,000 a year. The Board had previously given final approval to the 1956-57 school year budget, which amounted to \$2,312,893, an increase of \$58,479 over the total for 1955-56.

At the annual dinner meeting of the Belleville Council of Churches, held at Wesley Methodist Church, the Rev. T. Painter Hanson, pastor of Bethany Lutheran Church, was elected president. After having served the Council admirably, the retiring president, Edward Rochau, turned the gavel over to his successor, who told members of his plans and objectives for the good of the Council. The first big event on the Council's agenda would be a music festival of the combined choirs of all churches at Wesley Methodist Church.

Twenty-Five Years Ago

One of Belleville's old landmarks joined the ranks of history when fire gutted the interior of the Veterans' Hall on Belleville Avenue. The building, which dated back to the founding of the first fire companies in town in 1883, was destroyed by flames, despite efforts by firemen who fought the blaze in the sub-zero weather. The building had been used since 1932 as the home of the Younginger-Alden Jr. Post of the VFW.

The Department of Economic Development adopted a resolution in which they went on record favoring homes of a permanent type for veteran housing. Their announcement came on the heels of a statement from Mayor Tully that Belleville had received tentative assurance from the Economic Department that 30 more units of temporary barracks had been granted to the town. Belleville already had 50 barracks, converted to four-room apartments, under construction.

Forty Years Ago

The resignation of Miss Mary Anderson as a clerk in the tax department created considerable furor at a meeting of the Board of Commissioners. Commissioner Williams of the finance department had requested Miss Anderson's resignation on the grounds that she was not a citizen. Former Commissioner Edward Nelson addressed the board, commenting on the "low, contemptible machinations to which some people will stoop to effect political reprisals". Williams had been accused of replacing Miss Anderson with a dose political friend.

The proposed erection of a one-story redistributing depot in Main Street south of Little Street by John W. Planson of the Federal Lease Company brought forth a storm of protests from residents in the vicinity of the Valley at a meeting of the Board of Commissioners. A petition signed by sixteen residents of Davidson Street asked the board to reject the application of Mr. Planson for a change of the zone from residential to industrial.

Fifty Years Ago

An assembling building, the first unit in a new plant, for the Kelsey Motor Company on Washington Avenue opposite Hillside Park, was dedicated in the presence of about 700 shareholders.

Speak Up!

Clarifies Position

To the Editor:

A local paper this past week, released an article describing a scene from a play, of which, I was to have taken part. I would like to know, at what meeting this play took place, as I missed the scene he described.

As an honorable elected official of our town, I owe no explanation to the newspaper that wrote such nonsense, but to the taxpayers of our town, unfortunately, I don't believe the other commissionaires should see the resolution I introduced at the last town meeting, or perhaps I should say they didn't want to understand.

In the past four years of this overly programs in our town, the states' share of the program is \$16,000, no matching funds, it only says in this particular contract that the Municipality must spend \$18,390.00, the municipalities share \$18,390.00, the States' share \$16,000.00, the actual cost being \$19,726.00, thus making our cost up 7 per cent over and with \$20,000.00 provided in outlay.

The contractor whoever it may be, is the lowest bidder, does not view the streets upon picking up specifications for the roads, but bids on tonnage, with the streets to be selected by the Director of Public Works and I might add the streets are selected by priority due to their condition.

If the next three years as Director, I can have twelve streets resurfaced for the small amount over the bid, I'm sure along with the \$16,000.00 from the state, the taxpayers would be more than pleased knowing the slight cost to their taxes.

Also, in reviewing the past four years of this overly program; the contract for 1971 was no different than the contract for 1969. In 1971, the Town of Belleville witnessed one of its' worse ice storms in years, therefore salting became necessary, creating many pot holes on the streets, various streets covered by the thin overlay program called for more thickness in pouring of the asphalt, also each road was inspected by the State, plus two of our town employees, who act as inspectors.

In regard to the statement, Commissioner Marotti made, at the town meeting, that a policeman's child was hurt while in a car riding over a manhole. Unfortunately, he was not told the truth, because upon checking out the story, I found the truth! The child was hurt roller skating on Mt. Prospect Avenue, not in an automobile.

Upon conclusion, I would like to inform the other local newspapers that perhaps he feels a dispute or grudge has been brewing since Marotti and Senator. I can only say when I took oath of office, I must what I repeated in my pledge. I shall concern myself with only the Department of Public Works and the citizens of our town and not the other Commissioners or Departments. But I also am making it known to the entire citizenry of our town, that I shall never again be subject to a private caucus, before town meetings with this present board, that anything I have to say at caucus, I shall feel obliged to inform the public openly, at any town meeting.

Mrs. Mary Senator Belleville Commissioner

Helen's Thing

Meetings Taxes And Peddlers

By Helen Maguire

LAST THURSDAY evening was the monthly meeting of the Mothers of Twins Club of Essex County and it was a very interesting session. It was Fathers' Night and all the women who could drag or coerce their mates into coming were there, plus those who left dad at home to babysit or what have you.

The speaker was John Amato of H&R Block, the tax firm with a branch in town and I think everyone learned a thing or two that will help him save money on this year's return. It never would have entered my head for instance that an electric toothbrush or central air conditioning is tax deductible if your dentist or doctor says it is necessary for your good health.

AND IF YOU hold two jobs and go directly from one to the other, you deduct 12 cents a mile for travelling expenses. One was quipped he had four jobs and was told he had a gold mine in savings provided he never went home and just job hopped.

At the end of Mr. Amato's talk, we had a surprise for the men present. Each wife had been asked to bring a snapshot of her husband in his childhood or younger days and it was really funny. We used the Smith opaque projector and screen and were treated to Rod Maguire in his kiddie car, vintage 1934, Ray Kimball as a three year old on Cortlandt Street complete with Easter basket, Bill Mulready surrounded by infant twins. Try it sometime if you get the chance.

BUT HERE I am, halfway through a column and what I really started out to do was a minor happening that really struck home because I'm guilty of the same thing.

AT THE END of the evening, there was some cake left over and one of the hostesses set out to sell it to whomever she could snare. John, the president of MOT steered the cake peddler over to her husband who promptly forked over a couple of dollars for what although delicious, would have gone for much less had it been sold to the women. The peddler returned in triumph, waving her greenbacks and the president, realizing what her man had paid for the cake, flipped her lid.

She confiscated half the money and lacking a pocket, stashed it most effectively on her person to the great glee of everybody around, especially the men. Her husband now, attracted by the commotion, appeared at the scene to see what had agitated his wife and was greeted by a short lecture on the value of money.

Totally amused and not at all embarrassed by the tirade directed at him, he made what was to be considered a classic comment. "The reason she's so upset", he said, "is because it's cash. She would have written a check for three times the amount and not thought a thing about it. To my wife, checks are not money."

By Frank A. Orechio

It's A Beautiful, Sunny Sunday in San Diego, Cal.

shot P.R. boys. How beautifully mistaken we were.

At Dallas, Patty Snow and company turned us over to a new flight crew lead by Senior Debraul Sokon, of Huntington Beach, who was assisted by Sandy Perry of Manhattan Beach, Leslie Clarke of Santa Monica, and Janet Fusco of Redondo Beach.

Our fantastic luck was holding up. Back to back, we were served by two flight crews that were tremendous. Hope our experience flying out to San Diego with us, the passengers, the American Airlines way of life above the clouds. Ahead of us is the return trip to Nutley, and an American Airlines opportunity to prove its flight crews, service, meals, and equipment are always first rate.

Don't remember the author but Patty Snow loves poetry and upon our insistence, after taking care of her other passengers, she recited "The Creed" for us, whereupon I insisted she write it down on paper for reproduction in this space. Thanks to Patty Snow here is—"The Creed"

"I would be true

for there are those who trust me

"I would be pure

for there are those who care

"I would be strong

for there is much to suffer

"I would be brave

for there is much to dare

"I would be the friend of all

for the foe, the friendless

"I would be giving and forget the gift

"I would be humble

for I know my weakness

"I would look up and love and laugh and lift."

Patty Snow has the unique talent to write

SAN DIEGO, CALIFORNIA — Publishers and Management representatives who own computers manufactured by Digital Equipment Corporation of Maynard, Mass., are here at this Pacific U.S.-Naval base for a five-day seminar trying to learn what the other fellow is doing to help us all get more mileage from our equipment.

Saturday and Sunday were full work days. These computer specialists are all business. However Phil White and I had so much fun getting here via American Airlines that we didn't mind in the least the all day-every day (and evening) work sessions.

ORIGINALLY OUR FLIGHT RESERVATIONS were made on another airline, nonstop to San Diego. Because I like Nutley-

yte Tom Quigg very much, (to know him is to like him) I insisted we travel on American even if it meant stops at Baltimore and Dallas. For many years Tom has been American Airlines District Sales Manager. It took us eight hours to reach our destination, almost twice as long as a non-stop. In view of the fun aboard American's 707 jet we didn't care if it took 12 hours.

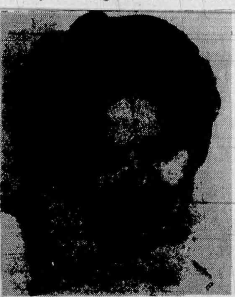

THE FLIGHT CREW WHICH STARTED AT NEWARK with us included Senior Patty Snow, (it should be "Patty Warm") a pretty, blue-eyed brunette who gave up a promising theatrical career to fly for American. Patty did some TV commercials which are still running.

She's happily married to a young, successful Dallas real estate salesman. Proudly she said, "I don't want to see pictures of two really beautiful girls?" To such an invitation lies there a mortal man who would say no? Out comes Patty's wallet, individual shots of two teenage beauties and three photos of Mr. Snow.

Patty has got to be one of America's most popular sex.

The other three beauties were right up there too — Barbie Ray, Donna Norris and Mrs. Florence Levy — perfect teamwork, great service — they made us feel any unhappiness on our part would make them feel sad.

BEFORE BOARDING THE PLANE Belleville's Nicholas Catena, American's efficient, likable Passenger Service Manager at Newark Airport, "warned" us to expect the best. Phil and I thought Nicholas was engaging in the typical talk of the hot

Frank Stanley; In Clara Maass

Frank J. Stanley of 111 Belleville Avenue, died at Clara Maass Memorial Hospital January 15. He was 68.

Born in New York, Mr. Stanley came to Belleville from Nutley 30 years ago. He was a retired supervisor with Sears Roebuck and Co.

He was predeceased by his wife Helen E. Swinn Stanley, and is survived by his brother, Walter S. of Albany, N.Y., and two sisters, Mrs. Joseph Klien of Schenectady, N.Y., and Mrs. Satic Rose of Albany, N.Y.

A funeral mass was offered in St. Peter's R.C. Church, with interment following at Crest Haven Memorial Park in Clifton. The funeral was from the Kiernan Funeral Home, 101 Union Avenue.

Mrs. C. Miele; Was Lifelong Resident Here

Mrs. Catherine Rowe Miele of 36 Washington Street, died January 19 in Clara Maass Hospital. Mrs. Miele, a lifetime resident of Belleville, was 78.

She is predeceased by her husband, Elmer, and survived by four brothers, John, Nicholas and James of Belleville, and Joseph of Caldwell; three sisters, Mrs. Elizabeth Rackett and Elsie Rowe of Belleville and Mrs. Teresa Gureck of Woodridge.

Services were held Saturday in St. Peter's Church from the Kiernan Funeral Home. Rev. James F. Hevey officiated. Interment was in East Ridgeway Cemetery, Clifton.

Stephen Kowalski; Ex-Tool Maker

Stephen Kowalski, of 411 Cortlandt Street, died January 3 in Clara Maass Memorial Hospital. He was 80.

A native of Poland, Mr. Kowalski resided in Belleville 45 years, coming here from Newark. He was a retired tool and die maker of the Keystone Stamping Company of Irvington.

Mr. Kowalski leaves his wife, the former Julia Sienkiewicz, three sons, Edwin of Cranford, Robert of Belgium and Raymond of Cedar Grove, 14 grandchildren and four great-grandchildren.

A Funeral Mass was held January 6 in St. Peter's Church from Kiernan Funeral Home. Interment was in Hollywood Memorial Park, Union.

Mrs. Boleato, 59; Former Resident

Mrs. Helen M. Femicola Boleato, of Kalamazoo, Mich. and formerly of Belleville, died in Ann Arbor, Mich. January 15. She was 59.

Born in Newark, Mrs. Boleato moved to Kalamazoo from Belleville seven years ago.

Mrs. Muench Dead at 78

Mrs. Grace L. Muench of 192 Linden Avenue died suddenly January 22 in her home. She was 78.

Mrs. Muench was born in Newark and moved to Belleville in 1903. She was a member of Wesley United Methodist Church, and a 50-year member of Aremé Chapter 73 O.E.S.

She is predeceased by her husband, Louis, and is survived by a daughter, Grace M. Burden of Belleville, two sons, Edward W. of Toms River, and Robert L. of Tucson, Arizona, and nine grandchildren.

Services were held at Wesley United Methodist Church on Wednesday from the William V. Irvine and Son Home. Rev. Robert Bedell officiated. Interment was in East Ridgeway Cemetery, Clifton.

Pharmacy Footnotes

Vincent Cozzarelli
Reg. Ph.

Environmental sanitation is an important need in any community. Well-trained sanitarians should provide supervision and regulatory services in every community. These people fill the valuable function of assuring houses, hospitals, rest homes, swimming pools, camps, and public rest rooms. They assure safe milk and water supplies, as well as controlling the diseases spread by insects and flies. How efficient are your public officials?

You can be sure of best efficient service when you bring your prescriptions to ROSSMORE PHARMACY, 338 Washington Ave., 759-1946, 759-1954. Your Doctor Knows Us Too. Doctor Trust Us Too. Don't forget Valentine's Day, Feb. 14 - Pick up Greeting Cards, Cosmetics, Tellerettes, Times, Watches or Toy Transistor Radios at Rossmore. Hours: 9 A.M.-10 P.M. Daily, 9 A.M.-9 P.M. Sundays.

HEPPLER HINT: Medical diagnosis for communicable disease should be a function of every public health service.

Mrs. Carragher Dies At Home

Mrs. Catherine G. Davis Carragher, of 26 Lombard Street, Belleville, died in her home January 13. She was 87.

Born in New York City, she has lived here since she was 17.

She was predeceased by her husband, Frank J. Carragher, and is survived by two sons, William M. of Newark and Frank J. Jr. of Belleville; five daughters, Mrs. Teresa Carragher of Belleville, Mrs. Edwin Moniot of Belleville, Mrs. Edward Berke of Nutley, Mrs. Farrell Heffernan of Washington Township, and Miss Catherine Carragher of Brooklyn, N.Y.; 18 grandchildren and 33 great-grandchildren.

Raymond Kimble; Was Timekeeper For 32 Years

Raymond R. Kimble of 50 Mt. Prospect Avenue, died January 16 after a long illness in Clara Maass Memorial Hospital. He was 55.

Born in Orange, he came to Belleville 50 years ago. He was employed as a timekeeper for 32 years with the Eastwood Nealey Corp. of Belleville and was a member of Belleville Reformed Church.

Mr. Kimble is survived by his wife, Elizabeth Gilbert Kimble, a son, Raymond R. Kimble Jr. of Belleville; a daughter, Mrs. Carol Pomponio of Belleville; two brothers, Joseph O. Kimble of Cliffwood Beach, and Edgar M. Kimble of Edison; three sisters, Mrs. Lillian Kuhn of Newark, Mrs. Marion E. Burd of Belleville and Mrs. Ruth B. Vryhoff of Newark, and seven grandchildren.

The funeral was from the William V. Irvine and Son Memorial Home, 276 Washington Avenue, with the Rev. Donald Blume, chaplain at Clara Maass Memorial Hospital, officiating. Interment was at the East Ridgeway Cemetery in Clifton.

To hatch a nest egg worth crowing about.

All you need is the money.

Open a savings account today.

Saving is the safest way of amassing a sum of money necessary to provide you with unquestionable security. The doubts connected with other forms of investment have been all too apparent in recent months. If you put some money into savings systematically, you'll find that it doesn't take long to amass a nest egg that would please even a bird of paradise. Systematic savings is really the secret. Why not start by saving a specific amount each month. Or you might want to open a checking account at our bank and let us deduct your savings automatically each month. We're ready to help you.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Little Theatre Presenting 'Alice In Wonderland'

Nutley Little Theatre has begun rehearsing and making production plans for this year's annual children's musical, *Alice In Wonderland*.

Presented for the benefit of the Nutley Community Nursery School, the play will be performed on Saturday and Sunday, February 26 and 27. Both these dates will have 2:00 P.M. matinees and there will be an evening performance on Sunday night at 7:30 P.M. All performances will be in the Nutley High School Auditorium.

Directed by Bruce Long and choreographed by Sha-

ron Baumann, the show's title role will be played by Ginny Craig, who was Anne Oakley in the Town's production of *Annie Get Your Gun*. Ron Haskell will be the show's production manager, Ginny Craig its vocal director, Gary Steele its set designer, and Carol Rutherford its costume chairman.

The Cheshire Cat will be played by Ron Haskell, the Rabbit will be Diane Musco, the Caterpillar will be Frank McCormick and the Mad Hatter will be played by Roy Imhoff.

Miss Jacqueline Townsend

Miss Georgeann Gonnello

Miss Vivian Famiglietti

Miss Connie Maccia

Woman's Clubs Sing At Center

Forty members from the Junior Woman's Clubs of Belleville and Nutley, under the direction of Mrs. Ronald White, State Music Chairman, performed at the Essex County Geriatrics Center in Belleville on December 29.

The group sang Christmas Carols and distributed cookies and cards to the members of the Geriatrics Center. A highlight of the evening came when two members dressed as Santa Claus and his helper for the benefit of all patients.

Miss Townsend, Miss Gonnello Will Marry Mr. Kennedy

Mr. and Mrs. Beverly Townsend of 136 Division Avenue announce the engagement of their daughter, Jacqueline to Thomas James O'Rourke, son of Mr. and Mrs. John O'Rourke of 182 Mill Street.

Miss Townsend, a graduate of Belleville High School, is a telephone operator with New Jersey Bell Telephone Company.

Mr. O'Rourke, an alumnus of Essex County Vocational and Technical High School, is an auto mechanic.

Mr. and Mrs. Lawrence Gonnello of 26 Wallace Street announce the engagement of their daughter, Georgeann to Edward Joseph Kennedy, son of Mr. and Mrs. Edward Kennedy of 45 Hornblower Avenue.

The troth was made known Christmas Day.

Miss Gonnello, an alumna of Belleville High School, is a receptionist for a group of doctors in the Professional Building in Belleville.

Mr. Kennedy, also a Belleville High School graduate, is stationed aboard the USS Davis at Rhode Island.

Miss Cicarelli, James Megaro Are Betrothed

Mrs. Raymond Cicarelli of 43 Little Street announces the engagement of her daughter, Angela Marie to James F. Megaro, son of Mr. and Mrs. Peter Rizzolo of Belleville.

Miss Cicarelli, a graduate of Belleville High School and Roberts Walsh Business College, is a certified shorthand reporter for the Guidetti Reporting Agency in Wayne.

Mr. Megaro, an alumnus of Belleville High School, served two years with the Army and is with Hardmans, Belleville.

The wedding will be held in February, 1973.

Newly Merged Retirees Group Meets Soon

At a meeting held January 10, The Golden Age Club retired members of Local 370, IUE AFL from Wallace & Tieman, merged with Retired members Council 447-1703-400, IUOX CIO AFL, retirees of ITT, Nutley and Clifton.

The next meeting of the newly merged group will be held February 14 at Local Union 447 office, 25 Washington Avenue, Nutley at 2 p.m. Officers for 1972 will be elected. Archer Cole, assistant to the president, William Bywater, of District 3-IUE, will conduct the election.

The meeting will be highlighted by a small Valentine party and all members from Locals 447-1703-400-370 are asked to attend.

PTA Holds Card Party Fashion Show

The P.T.A. of School Number Three presented its annual card party and fashion show in the school's auditorium on January 28.

Highlights of the evening was Plaza Boutique's presentation of the latest fashions and the P.T.A.'s raffling of a Hamilton washer and dryer.

State Senate President At Planning Conference

State Senate president Raymond H. Bateman of Somerset County will deliver the keynote address at the 15th Annual State Planning Conference to be held February 8 at the Holiday Inn, Trenton.

The day-long conference is co-sponsored annually by the State Community Affairs Department's Division of State and Regional Planning and the New Jersey Federation of Planning Officials. This year's theme is "Municipal Issues and Responses."

Girl Scouts Visit Sobo

On December 23, Girl Scout Cadette Troop 950 of Christ Church made its annual Christmas visit to Sobo Hospital. The girls caroled through the corridors and paid personal visits to the men and women patients. After carolling the girls returned to the church for their Christmas party where they were greeted by Mrs. Santa Claus as Santa was too busy getting ready for his ventures trip the next night. The girls received gifts, played games and enjoyed the refreshments which the Mothers' Committee under the chairmanship of Mrs. Robert Jackson had planned.

Hospital Duo At Conference At Kent State

More than 160 educators from Ohio and 17 other states attended the eighth annual Conferences on Nursing Education at Kent State University December 13 to 17.

The first of the two three-day meetings, devoted to measurement and evaluation in nursing education, was attended by more than 100 faculty members from 58 schools of nursing in 17 states and District of Columbia.

Attending the second conference, which focused on counseling in nursing education, were more than 60 educators from 38 schools of nursing in 15 states.

The conferences were sponsored by Kent State's department of counseling and personnel services education. Chairman of the department and the conferences was Dr. Lawrence Litwak.

Nearly 1,000 faculty members from schools of nursing have attended the conferences during the past eight years.

Included in this year's group were Miss Kathleen Sivage and Miss Lillian Weiner, both of Clara Maass Memorial Hospital.

Arrangements are presently being made for a winter sports trip at Hillcrest Farms in the Poconos during the February winter school vacation. A Stanley Demonstration was held recently to help finance the trip, while the girls, independently, are collecting newspapers, baby sitting, and holding various part time jobs to supplement the cost.

Troop 950 is under the leadership of Mrs. Edward Cypoliski and Miss Dorothy Minker assisted by Mrs. Edwin Gasparini.

Mr. La Monica, a graduate of Nutley High School, attended Huron College, Huron, South Dakota and is with The Bank of Bloomfield.

The wedding will be held April 1, 1973.

Miss Tanzola spent her time at John F. Kennedy High School, Paterson.

No one plans to fail — rather some fail to plan.

BEAUTY TIPS

By Justin

1. Always protect your hair with a protective cream. It will keep your hair from becoming dry and brittle. Use it before you wash your hair. Then put it on after you wash your hair.

2. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

3. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

4. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

5. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

6. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

7. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

8. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

9. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

10. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

11. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

12. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

13. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

14. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

15. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

16. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

17. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

18. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

19. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

20. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

21. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

22. If you are using a hairbrush, use a wide-tooth comb. It will not pull your hair out and it will not break your hair.

SANTA HIMSELF—Billy Hossack and James McGuire, both of Nutley, are visited by Santa Claus at Clara Maass Memorial Hospital. Mr. McGuire looks on as Patrolman Dave Coffey of the Belleville Police Auxiliary gives presents to the youngsters. Auxiliary members assisting Santa in his visit to the pediatric unit were Captain Rocko Landolfi, Sgt. Albert Vecchione, Joseph Nicotia and Susan Molen.

Plan New Garden On Paper First

As you thumb through your favorite seed catalog plot your next year's garden on paper now while you have the time, advises William F. Munk, senior county agricultural agent of Essex County.

You might want to consider summer-flowering bulbs. They are easy to grow and do well in all parts of the country. Most of them are grown for their flowers but some are noted for their foliage.

Tuberous-rooted begonias, cannas, dahlias, petunias, lilies and calladiums are among the most popular summer-flowering bulbs.

You can grow some bulbs as potted plants, some as both potted or garden plants and others as garden plants only.

In the garden you can use various kinds of bulbs in front of shrubs, as borders, or in groups for masses of color.

Now is the ideal time to see if summer flowering bulbs might be an attractive addition to your landscape.

Employee's lament: "They talked me into buying stock in the company I work for, and it's made a nervous wreck out of me. I keep worrying about the lousy work I'm turning out."

ENJOYING THE PARTY—Enjoying the festivities at the annual DeJon Studios family musical party were (from left) Diane Ceronini, Isabet Tebesi, Daniel Horst, Neal McNulty, Jody Goldberg, Denise Rubino, Mrs. Lythe DeJon, John Rubino, Mayor Chenoweth, Ronald Young, Mr. Roe DeJon, Roberta Sessa, Santa Claus' helper, Mr. Horace Riggins, Lori Robertazzi, Barbara Boudreau, Lisa Young, Kyle Tintle, Michael Ritacco, Jon Welch, Louise Sullivan, Kim Tintle, John Conway, Elissa Lewan, Jody Grace, Jeanne LoCurcio, Alison Carey, Laura Bouchoux and Marjorie Lewis.

Annual Family Musical Party Celebrated By DeJon Studios

The 15th annual family musical party of the DeJon Studios of Music and Drama was recently held at Grace Church Parish Hall, attended by over 200 parents, friends, students and alumni, with guest-of-honor, Mayor Harry Chenoweth presenting certificates awarded to successful candidates entering the 1971 Trinity College of London examination in Piano/forte, Flute, Theory of Music and Speech and Drama.

The visiting examiners from London, England were Mr. J. E. Eorrest, F.T.C.L., L.R.S.M. (Piano/forte and Flute) and Mr. Gerald L. L. G. S. M. (Speech and Drama).

Ably assisting Mayor Chenoweth was Santa's chief helper, Mr. Horace Riggins who distributed gifts, many brought back by Nutley's well-known world-travelers, Mr. and Mrs. Roe DeJon, from their journeys this past summer to the islands of the Caribbean.

All students participated in the gala musical preceding the awarding of certificates. Piano/forte solos and duets were interspersed with guitar, violin, flute and drum solos. Drama and Speech students Doris Lazur, Marybeth Grace, Isabet Tebesi, Barbara Amoscatto, Kyle Tintle, Neal McNulty and Daniel Horst presented a delightful fantasy, "The Spirit of Christmas" which concluded with the entire audience joining hands with the cast and singing the current favorite "Let there be peace on earth."

An added enthusiastically-received feature of this year's musicale was "Mike Ritacco and his electric piano" comprising a medley of favorite show and "Pop" tunes performed by this talented Belleville High School junior who formerly studied accordion with Mr. DeJon and is presently taking advanced classical piano and harmony with Mrs. DeJon.

Geraldine Palmisano, also of Belleville, the gifted young actress-ballerina, a Drama and Piano/forte student of

Mrs. DeJon for the past nine years, won a special award for the distinction of winning, at age 14, a Trinity College Grade VII in the recent oral examination for Drama and Speech, following outstanding annual results for eight years in former examinations.

Successful candidates in the Trinity College examinations were Piano/forte: Grade VI, Michael Ritacco; Grade IV, Barbara Amoscatto, Merit. Grade III, Lisa Cerami (Belleville); Merit. Rose Marie Cozine, Merit. Donna Stecwicz, Merit. Grade II, Jill Ann Schanbacher, Honors. Mary Anne Citrino, Grade Galito (East Hanover) Mary LaDuca, Monique Sessa, all Merit. Grade I, Denise Cerami, Britt Rogers, Michael Valvano, all Merit. Initial Grade: Natalie Atzeri, Suzanne Citrino, Suzanne Cozine, Dianne Cremann, Ann Furey, Frank Segreto (Jersey City), Mary Valvano, all-Honors. John Conway, Daniel Horst, Merit.

FLUTE: Grade IV Marjorie Lewis, Merit. THEORY OF MUSIC: Grade IV James Michael Robertazzi (Clifton), Grade III, Laurie Jaye Smith, Honors. Rose Marie Cozine, Grade II, Honors. Donna Stecwicz, Elissa Lewan, Mary Ann Citrino, Merit; Barbara Boudreau, Grade I, Honors. Monique Sessa, Daniel Horst, Ann Furey, Mary DeLuca, Barbara Boudreau, Jill Schanbacher (Irvington).

DRAMA AND SPEECH: Grade VIII Geraldine Palmisano, Merit. Dog-lover Wants REAL SLEEP—not Cat-Naps!

Bulb, Corm, Tuber They're Different

Can you tell the difference between a bulb, a corm or a tuber?

Knowing the difference isn't going to give you a greener thumb but it may help you make yourself understood the next time you visit your favorite garden center.

William F. Munk, senior county agricultural agent of Essex County, offers the following descriptions.

A bulb is composed of layers of flesh, or scales, that overlap each other like the layers of an onion. A complete flowering plant develops inside the bulb.

Each year, the growing plant replaces the bulb entirely the way a tulip does or it replaces the bulb partially the way a narcissus does.

A corm is a swollen underground stem that grows in an upright position. Each year, the growing plant produces a new corm on top of the old one. The plant grows from the top of the corm. A gladiolus is a good example.

A tuber is a swollen end of an underground sidshoot that has eyes or growing points. Each eye produces a separate plant.

Tubers such as dahlias multiply from year to year and may be cut apart, or divided to increase the number of plants you can have in your garden.

When you divide tubers for replanting, each division must have eyes on it. Tubers without eyes won't grow.

Miss DelGuercio Member Of GSO

Miss Margaret DelGuercio of 10 Jerome Avenue, a student at Montclair State College, has been chosen a member of the newly formed Graduate Student Organization at the college.

She is a representative from the Speech Department and co-chairman of the Problems/Student Interests Committee.

The following students also participated in the Music Program: Laura Bouchoux, Alison Carey, Diane Citrino, Fstelle Clayton, Thomas Donworth, Ronald Evans, Gerald Fazzini, Patricia Fazzini (Belleville) Mary Friesz, Jody Goldberger, Jody Grace, E. Donald Harrison, Jeanne LeCurcio, Robert Musco, Reuben Regner, Rudolf Regner (Jersey City), Lori Robertazzi (Clifton), Denise Rubino, John Rubino, Roberta Sessa, Louise Sullivan, Kim Tintle, Jennifer Utkevitz (Bloomfield) Lisa Young and Ronald Young (Belleville), and Jon Welch of Nutley.

Urges Budget Passage

By Tony Buccino
A decade ago, my parents took the option of giving me a parochial education for the primary reason that I would be more qualified to enter a parochial high school. In-

flation and three other brothers phased this system out of my parents financial range. Thus, in 1970, I became a freshman at the Junior High. There was lack of space, inadequate equipment and I could tell a substantial education was not far off. That was last year and another

budget. Since then things have most certainly not gotten better, if anything it has regressed. Times change, scientists now say I and most members of my generation possess twenty per cent more knowledge than my grandparents did when they were my age. We, your children could quite possibly live on the moon.

Your grandchildren might be born on an orbiting space station. My son or daughter might sign world peace agreements. They have said the free public schools are the cornerstone of our society. Don't they deserve your support? Can you realize that your not just juggling tax points, you're playing with a child's life?

Superman's Message

By Don Kowalski

And now here's the Man of Steel.

"Hello good citizens of Metro...er...Belleville! Coming up for voting soon is your school budget. Please make it your business to cast your vote in favor of it. I realize the average citizen is burdened by heavy taxes in this day and age, but its true that you only get what you pay for. National, state, and local governments all have the same problem how to keep operating costs down while providing increasing service to the public.

"And you people with children in private schools - why not think of the other kids too? They need educational and athletic facilities as much as yours.

Shenton Completes Combat Training

Marine Pvt. William H. Shenton Jr., son of Mr. and Mrs. Richard M. Keegan of 15 Elena Place, Belleville, has completed individual combat training with the First Infantry Training Regiment at Camp Lejeune, N.C. He is a 1970 graduate of Belleville High School.

In Last Election Here

Less Than 150 Defeated Budget

By Kim Scamozze

Upon getting some information pertaining to the Board of Education Election, I found out some startling facts. Out of the total population of Belleville which is 37,629 people, according to the 1970 census, only 17,500 are registered voters. Out of this, approximately 3,902 showed up to cast their votes during the 1971 Board of Education Election. As a result, the proposed budget of 1971 was defeated by 142 against and 1295 in favor. As you can see, the budget was defeated by less than one hundred and fifty people.

In my opinion, if some of the rest of the eligible voters would go to the polls this coming election day and cast a vote for the budget, then there would be no doubt that the budget just might pass.

Apart of the people who did not vote undoubtedly are parents of schoolchildren. If even just parents would go out and vote the budget up, for the sake of giving their own children a better education, then the budget would have a good chance of passing.

Well, you may think you have the perfect reason for not voting, like I can't leave my children. I don't have enough time to go, I'm not registered, or it's only a small town election, it's not important, etc., etc. Now I would like to give you reasons why your excuses are poor. As for your little ones, there are babysitters or dear old grandpa. If a babysitter is not possible, then you can always take your children with you. You don't have enough time? Ladies and Gentlemen, shouldn't the education of children and future generations to come to be placed in the same line of importance

as bridge games, sports, television, and hairdresser appointments? You are not registered?

189 WASHINGTON AVE., BELLEVILLE

Speak Free
The Budget
By Bill Hamilton

Where do I begin, to tell the story of how great a school could be? Let me begin with the facts:

"This proposed 1972-73 Budget represents an increase of \$296,015.00 in our Current Expense Account, and a reduction of \$50,500.00 in the Capital Outlay Account over the previous year. Of the increase in Current Expenses, \$181,379.00 is due to salary increases for staff, \$20,450.00 for increased costs for utilities, and \$55,300 for increased staff members due to higher enrollment.

The net result of this Budget represents a very modest increase in taxes. (this must be considered a very conservative Budget." Leonard A. Bach, President of Belleville Board of Education.

More facts:

Belleville School System is next to last in our area in expenditure per student, something NOT to be proud of! In our county, we are ranked 21 out of 22 in this expenditure per average daily enrollment; in 1970-71, the amount was \$27.92, in a field ranging from \$25.56 low to \$93.46 high. The money was simply not there to help the students. Why? The Budget for 1970-71 was defeated!

It would be impractical to publish here the entire school budget, and it would probably take a Certified Public Accountant to explain it in detail, but one thing is for sure: the Budget has been cut to the bone. I attended a meeting of the Board of Ed. which included the Budget hearing and adoption. Of the 100 people there, I would estimate that about 70 per cent were teachers or the staff of the schools. I doubt if there were more than twenty taxpayers there who were not teachers, staff members, or people somehow connected with the schools. How can the voters of this town have the nerve or stupidity to vote down a Budget that they have no knowledge of. I was shocked by the smallness of this year's budget...this Board has come more than half-way in presenting a passable School Budget.

Let me relate some figures to you. If you own a home valued at \$15,000.00, your educational taxes will result in about \$1.25 a month; a home valued at \$20,000.00 would amount to \$1.66 a month; and for a \$25,000.00 home, about \$2.08 a month; or, roughly, about \$2.00 a year. Such a terrible price to pay for education?

Enough of facts and figures regarding sums of this and amounts of that. The students of Belleville are suffering as a result of the narrow-minded, self-centered defeatists who refuse to help our educational system. If this Budget is defeated, Belleville School System will not improve, nor even remain the same, but it will take a giant step backwards! We cannot afford to take that step.

The gaining and knowledge the youth of America receives now will determine the destiny of all mankind. The very foundation of our nation's greatness has been the always will be determined by our public schools. More is at stake here than a few more tax dollars a year. Do not strangle the students of Belleville High by defeating this Budget.

This Student Page is dedicated to the School Budget. This Page represents a plea from the students to the voters, asking sincerely that they pass this year's, and hopefully the future's, Budget. If the voters choose to destroy the Budget, with it will probably go the Behind-the-Wheel Driver Education Program, Girl Sports Program, and many of the improved facilities that the students and teachers hoped for.

Please, vote "YES" for this year's School Budget; we need your help!

Critical Home Match Today

Oh, How Coach Jim Silvestri Wants To Top The Kardinals

It's all on the line today for coach James Silvestri and his varsity grapplers as they host an undefeated Kearny squad in what has been termed "the biggest match of the season." A sellout crowd is expected in the high school gym for today's 3:30 p.m. encounter.

Over recent years Silvestri and his Blue and Gold wrestlers have built up quite a rivalry with across-the-river Kearny, until the annual match now compares with the bitter Belleville-Nutley duel. Silvestri grew up and still resides in Kearny and he would like nothing better than to down the high-flying Kardinals.

The Bellboys will be on-the-rebound for today's match. Last Friday evening the local club was stunned by a charging Bloomfield team that edged out a 25-23 victory over Belleville. That defeat left the local club 5-3 on the year with an easy touch against Clifton-Tuesday before meeting Kearny today. The Bellboys travel to Caldwell next Wednesday for their last away match of the season. Caldwell, although not considered a powerhouse in Essex County, does possess the tools to pull an upset against Belleville and how the local boys fare in the Cardinal match will have a lot of bearing against Caldwell.

"I really know nothing about this season," remarked Silvestri. "But I do know that they will not be an easy team to beat."

Caldwell, in its four year series with Belleville, has won two and lost two. Last year the Bellboys handily defeated Caldwell but that will not have any bearing on Wednesday's match.

If it's possible, a win over Kearny will give Belleville added prestige. The Kardinals this year are fielding their best team ever, sporting a perfect 9-0 mark. Kearny's previous best was 7-0 last year, before running into Belleville. Already the Kardinals have handled such powers as Montclair and Nutley but the Hudson County school is still ranked below Belleville in the state standings.

"That fact alone should give them added incentive against us," added Silvestri. "We should have the home match edge and I would like to see a good turnout by the Town to help our boys."

Belleville, on the other hand, also will gain should they defeat Kearny. Although the Blue and Gold has dropped three matches, a win over Kearny would show wrestling observers that Belleville is capable of toppling the best teams. The match will also decide who will rank the upper edge in state rankings.

Scouting reports indicate that Kearny fields a strong, physical and well-balanced team with no obvious weaknesses. They are led by defending district champ Joe Reynolds, who is a stand-out in the 98-pound class. Reynolds is also the reigning

champion from the Bloomfield Christmas Tournament. Ramon Lijo will battle Reynolds in the opening match.

Although Belleville finished one spot better than Kearny in the Christmas Tournament, Silvestri still thinks the Bellboys are the

underdogs. Since the holidays, Belleville has dropped three decisions while the Kardinals roll along undefeated. Kearny has shown an even keel but Belleville, at times, has been erratic in its matchups.

Critical matchups today

will be in the 136 and 141-pound divisions, where Belleville is reportedly weak. Other pivotal weight classes are in the 157 and 168-pound areas, where both teams field formidable opponents. One classic matchup, according to Silvestri, is in the 148-pound

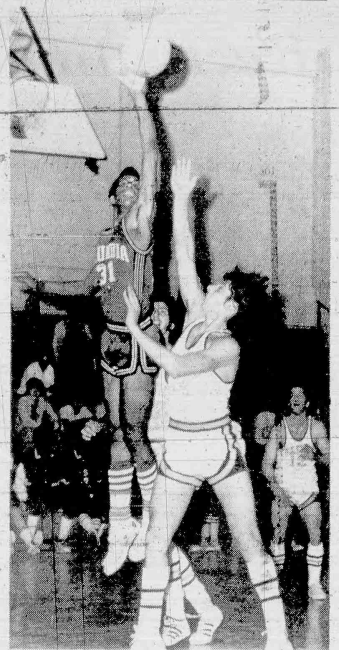

division, where co-captain Walt Bennett faces undefeated Ron Witherspoon.

Other individual battles will see Charlie Rilli against Chopper Marino at 106; Mike Resciniti facing Scott Kaphail in 115; Brian Banda battling John Bin-

schetti in the 123 class; Bill Mazza against Azcar Hail at 130; Boff Musacchio facing Butch Magee in 136; Rich Sulenski wrestling Steve Biner at 141; Bill Natale with Mark Churchman at 157; Gary Falkman against Charlie Baumgartner in 168; Joe DeBucco pining "Killer" Kane Popick at 178 and heavyweight battlers Bob Luongo or John Smith; both of Belleville, facing Gary Gnidzigo of Kearny.

Kardinal coach Mike Romeo and Silvestri are friends and although they won't have a direct confrontation on the mats, they will pit their coaching skills to maximum capacity.

Belleville will be the Pen- (Continued on Page 12)

BEING OUTJUMPED on this play is this Belleville performer, beaten to the leap by Columbia counterpart. The Bellboy quintet prevailed though in thrilling overtime contest.

WRESTLING STANDOUT for Belleville, Walt Bennett, shows great form in keeping his Barringer High School opponent close to the mats in this match last week. Bennett won and entire team fared just as well by thoroughly beating the Newark school on Belleville mats.

Free Tennis Lessons Set By Recreation

Free tennis instructions for all senior-high school aged students are scheduled to begin on Monday, Feb. 7, at seven in the evening, in the Boys' Gym of the Junior High School on Washington Avenue.

The classes, instituted by the Belleville Department of Recreation, will be coed. The only prerequisite for joining in the first "is tennis racket of any vintage," according to Robert Cook, Recreation Supervisor; all other equipment will be supplied.

Evelyn Hannon, lifelong resident of Belleville and a known tennis instructor in the North Jersey area, is scheduled to teach the classes. A freelance writer and editor by profession, Miss Hannon has made an avocation of her interest in athletics for "too many years to enumerate."

She received her basic training with Cook himself as a playground director from 1954 to 1957 and as an aide in organizing and overseeing a teenage girls' basketball league and evening gym classes.

Most recently, she worked with National Indoor Tennis, teaching clinics and private sessions at their indoor facilities and, while employed as an instructor at the Bronx campus of New York University, taught tennis and coached the girls' varsity team there.

A member of the USLTA and the Arlington Players' and Montclair Beach clubs, she served as secretary of the East Orange Tennis Club for two years, as tennis committee woman at the Montclair club, and is currently involved in planning a North Jersey Tennis League for women.

In line with these activities, she has aided in founding and organizing various tournaments, acted as a volunteer tennis teacher for youngsters in Newark, and holds or has held several club and league championships. In summer, she can be observed giving private instructions on courts in the Newark, Montclair, Clifton, and Wayne areas.

Delighted over the town's (Continued on Page 12)

In Rec League Play

Sr. Italian Stallions Gallop To Cage Title

A forfeit win over the Bucks gave the Italian Stallions their seventh straight victory against no defeats, and sole possession of first place and the league title in senior basketball action. With their season now completed the Stallions will be putting their unbeaten streak on the line in next Tuesday's opening round of the Belleville Recreation Play-offs.

With both teams tied for Fifth place, Pogo edged McDonalds by four points 28 to 24 to take fifth place and put McDonalds into sixth. The Nets took hold of third place as they trounced the boys from Ten 57 to 33.

The loss was the sixth for Ten and put them into seventh place. In a thrilling contest, Charlie's Friends edged Charlie's Corner 58 to 56.

For their sixth win of the season and second place.

The Friends met the Corner in a tough, but well-played game that saw the lead see-saw back and forth until the fourth quarter when Anthony Carr intercepted a few misjudged passes and turned them into eight points to give the Friends the game. Both teams used their height and size to great advantage to control the backboards and keep their teams in contention.

Although the Corner lost by two points they had the games high scorer in John Visco with 31 points. Mike Egidino had the range from the outside and hit for 13 points. Steve Senatore and Bob DeLorenzo combined for the remaining Corner's points. Anthony Carr was

held to six points in the first half but rallied the Friends with 20 in the second half. Besides his many rebounds Kent Robinson poured in 17 points. Rounding out the Friends scoring were Marcie Coleman, Abdel Anderson and Ken Ferris with 6.5 and 4 points respectively.

In the battle for fifth place Joe Matten controlled the boards and scored 18 points to pace Pogo to a 28 to 24 win over McDonalds. Rich Gallella hit for two goals and a free throw for five points while Tony Dillon and Richard Cuppuro each had two points.

Allen DeMasi and John Godleski led McDonalds with eight points a piece, while Tom Nisivocia scored six and Pat Antonelli hit one goal.

Belleville record dipped to 4-12 on the season with the loss.

Head Coach Bob Palma hopes to make the most of the remaining three contests this season but the local squad will be facing the likes of East Orange and Bloomfield with a tough Kearny team sandwiched in the middle. The Belleville quintet hosts powerful East Orange, Big Ten Conference leaders, tomorrow afternoon in the high school gym. Palma hasn't revealed his strategy for the tilt but many teams in the past have used slow-down tactics against the Panthers.

The varsity five plays host again Tuesday afternoon.

when the Kardinals hit the Belleville hardwoods. The team travels to Bloomfield for their last scheduled contest.

Belleville center Ken Zoppa chipped in with 24 points against Irvington. Mike Petronaci totaled 11 in the losing cause that saw only five Bellboy players break into the scoring column. The Campers' George Mueller was high for Irvington with 17.

After an early 5-5 tie in the first quarter, Irvington broke the contest wide-open with a 13-2 burst. Contributing during that time was Mueller with five points and Greg Fenner also with five. Fenner, a senior, finished with 10.

Fencing Competition Newest Offering Here

In response to a recent recreation interest survey conducted by the Belleville Youth Council at Belleville High School, the Recreation Department offered fencing for high school students starting on Tuesday, Jan. 25.

This new activity will be at School Three and under the very capable instruction of Walter Hauber. Both boys and girls are welcomed in the program. To be known as the Senior Fencing Club, the program will start at 8 p.m. and run until 9:30 p.m. Necessary equipment will be furnished and participants will be instructed in all facets of this thrilling Olympic sport. Recreation Girls fencing for junior girls, which meets the same night will be moved back to 6:30 p.m. until 8 p.m.

As the senior fencers develop they will have club championships and an opportunity to enter open competition.

At School 7

Town Twirlers In Performance

Boasting a present enrollment of over one hundred and fifty girls, the Recreation Twirlers have just marked the mid-point of this season with a beautiful display of their talents. The exhibition was given at School Seven for their proud parents and friends.

Three separate groups performed, beginners led by Dominique Butterfield, intermediates led by Brenda Salone and advanced twirlers led by Elizabeth Coglia. Annette Nardone and Yvonne Santora pleased the spectators with their special routine.

Recreation Twirlers, who were last seen in the Veterans Day Parade, will next be seen publicly in the Spring when they will have another show and again, march in a Belleville Parade. The Marching Twirlers are led by their Captain, Dianne DeMayo. In the meantime the girls meet each Wednesday and Thursday at School Seven and each Saturday at School Four where they are instructed by Miss Kathy Fornatotto who, in turn, is assisted by Miss Annette Salvato. Girls who are interested are always welcome at any one of the three sessions.

By Tony Calabrese

The Orange Tornadoes upped their season record to 12-3 this past Friday afternoon by soundly defeating the Belleville cagers by a count of 102-64 in a game played in Orange. The loss dropped Belleville's season record to 4-11, and despite the loss Belleville remains tied for eighth place in the Big Ten Conference with Columbia.

Orange had five players who scored in double figures in this ballgame, and were paced by a 20 point performance from sophomore guard Don Wells who popped in some real long shots. Three other Orange starters, all seniors, Walt Wright, Kevin Hart, and Larry Hill, all had fine games and each in his own way helped to lead the Bellboy cause away. Belleville had a couple of double figure scorers of their own in co-captains Ken Zoppa and Mike Petronaci, and Zoppa was also game high scorer with a total of 25 points.

All five Orange starters hit the scoring column in the first quarter as the Tornadoes built a 25-11 first quarter lead, after tearing away from the starting gate with an 11-2 lead. Wright with 8 points led the outburst, and he was helped out by 6 points from Hill and 5 from Hart. Zoppa had 6 of the 11 Belleville points in the quarter to lead Belleville.

The second quarter was the best one of the day for Belleville as they outscored Orange in the period 20-19 and got as close in the ballgame as they were to get for the rest of the day. Midway through the quarter the

Bellboys had the Orange lead down to 30-24. However the Orange backcourt duo of Hill and Wells was able to combine for a total of ten points and pull the Tornadoes out of danger with a 44-31 halftime lead. Zoppa's seven points and junior Vin Turturiello's five points were sparks in the period for Belleville.

In the last meeting of these two teams Orange blew the ballgame wide open in the third quarter and today the Tornadoes did the same thing as they ruined any hope of a Belleville comeback. A 31-18 Orange dominated third quarter saw Wells score 10 of his 20 points in the period while senior Hart came up with a 9 point effort. However, it was the consistent long range accuracy of Wells which had the most effect in breaking the Bellboys backs. The 18 Bellboy points in the quarter were scored by seven different ballplayers as Zoppa and Mark Corino led the way with 4 points each.

In the fourth quarter both coaches substituted freely as the Tornadoes were keeping a secure hold on their second place position in the Big Ten. Orange hit the magic 100 mark late in the quarter when junior Rick Whittle dropped in a couple of foul shots. The quarter also saw Ken Zoppa go over the 300 point scoring mark this season when he put in a lay-up off an offensive rebound midway through the quarter. With a season total of 305 points, Ken is averaging 20.3 points per ballgame and has a good chance at some post season honors from the area newspapers.

DRIVING TOWARD basket for clutch two points in late stages of recent Columbia game is fast-moving Bellboy guard Joe Lotruglio, surrounded by Toughs. Blue and Gold won overtime tilt.

Recreation Gridders Honored With Trophies

THE CHAMPIONSHIP Fountain Restaurant team, winners in the middle weight division of the Belleville Recreation Football League, is seen after receiving trophies during recent honor ceremonies held in the Knights of Columbus Hall here.

You can usually measure one's brain by the mouth, inversely.

BECK'S COLUMN
MAX BECK
The writer was invited recently to visit a color TV tube factory. It turned out to be a very interesting visit.
A color TV picture tube is one of the most complex consumer electronic products ever developed. It is built to very precise standards in surroundings of controlled climate and extreme cleanliness. Much of the time one had the impression that one was in an operating room rather than in a factory. The workers were dressed in white, lint-free gowns and wore face masks during some parts of the work process. To begin with the glass bulb is a special composition to withstand high temperatures and stress during manufacturing and use. The face plate is over an inch thick. There are 3 electron guns whose beams light up the red, green and blue phosphor dots on the screen. These guns have about 70 individual pieces, many of which have to be assembled with tolerances as close as 1/10th of one thousand of an inch. The most amazing operation is the application of the phosphor dots. The screen consists of 400,000 triads of red, green and blue dots on the face plate. Each triad contains one dot of each of the three colors for a total of one million two hundred thousand dots, and each dot is surrounded by a black light absorbing material. We could continue at length to describe the many other operations. After the tube is assembled it has to be exhausted to an almost complete vacuum. The test procedure is extremely rigid and any tube that does not pass the severe test is culled. It is no wonder that a color TV picture tube is expensive.
We service what we sell.

PRESENTING TROPHIES at honor ceremonies for teams in the Belleville Recreation League was Warren Ceres, assistant superintendent of Recreation, seen above with Bob Haug, coach of the Kiwanis squad.

Silvestri Wants Nothing Better Than That Victory

(Continued from Page 11)
The last Friday night was almost inexcusable. According to Silvestri, the Bellboys went into the match "overconfident and cocky" and their attitude was reflected in the final score.
"Bloomfield wanted the win more than we did," the coach added in a classic understatement. "I warned our boys that Bloomfield would be no pushover, and I was right."
The loss dropped the Bellboys to 5-3 with Kearny and Nutley still waiting in the wings. The disappointing Bengal loss may help the Blue and Gold by showing them that they have to put forth a top effort to win.
The match began with Lijo outpointing Bill Hamilton, 4-0 but then Belleville's Lijo dropped a 2-0 decision to Jay Holbeck. Resciniti lost his duel but Banda gave Belleville the early lead with a pin at 4:20. Mazza lost at 1:30 but Mustachio duplicated Banda's feat with a pin of his own at 3:15. Sulenski lost at Bennett won Belleville's Natale dropped a close decision 5-4 and Gary Falkman tied at 1:08. Joe DeBacco was outclassed by 10-1 and Lungo fought to a 4-4 in a disputed match which saw no points awarded for riding time. The jayvees also lost to complete the evening.
The Bellboys clobbered Barringer High School on January 26 for their fifth win of the season.

win more than we did," the coach added in a classic understatement. "I warned our boys that Bloomfield would be no pushover, and I was right."

The Bellboys clobbered Barringer High School on January 26 for their fifth win of the season.

The Belleville Recreation Department honored the winners of the recreational football leagues recently in the Knights of Columbus Hall. This year there were four teams recognized as champions because of a tie in the heavy weight division.
Each player and their respective coaches received a trophy designating them as true champion, for the past season.
Kiwanis, coached by Bob Haug and A. Pugano, were the winners in the light weight division. This team has the distinction of being undefeated and unscathed upon, they also had the only player, Mark D'Amico to kick on extra points.
The Fountain walked away

willingness to support the interests of youngsters in this particular sport, Miss Hanon explained that her goal in these classes will be to provide sound groundwork in the sport, in strokes and rules strategy, and counsel in how to gain the greatest fun from the game.

Freshman Schedule Released

A 20 game schedule including meetings with Yale, Princeton, Army, St. John's and Columbia, has been announced for Montclair State College's 1972 freshmen baseball team by Bill Dioguardi, Director of Athletics.

The schedule:
March 30-Burlington Junior College;
April 1-At Morris County, 5-At Yale, 6-Rockland C.C., 8-At Brooklyn College, 10-Brookdale C.C., 13-At St. Peter's, 15-At Princeton, 17-At Fairleigh Dickinson, 20-At Rutgers, 22-At Army-At University of Pennsylvania, 26-Stevens Institute of Technology, 28-St. Peter's, 29-At St. John's;
May 1-At Manhattan, 6-At Queens, 8-City College of New York, 10-Essex County Community College, 12-At Columbia.
Captain Joseph A. Nawrocki, commander of Troop D, who reported the figures to the Turnpike Authority, said his men on the road played the initial role in providing assistance to motorists in trouble.

Burke & Barry

Burke & Barry is a true Kentuckian. By nature and design. An old-fashioned, charcoal-filtered sipping kind of whiskey. Which means that it's polished, mellow, and smooth. So it tastes great straight. And its reasonable price makes it a natural for mixed drinks. But you be the judge. Try Burke & Barry Blended Whiskey. And taste one of the good things of Kentucky.

Bell Telephone's Northern Area Sees Organizational Changes

Four organization changes in New Jersey Bell's northern area were announced by Robert B. Tuttle, the company's northern area general manager.

Mrs. Jacquelyn L. Brassell of Wayne, manager of New Jersey Bell's Totowa business office. She succeeds Charles J. Weiss Jr. of Parsippany, who was transferred to Newark as planning staff supervisor.

Named to succeed Mrs. Brassell as manager of the Totowa business office is Howard R. Ellis of Wayne, who had been manager of the company's Pompton Lakes business office.

Robert W. Magee of Pompton Lakes, manager of New Jersey Bell's Morrisstown sales office, succeeds Ellis as manager in Pompton Lakes.

Mrs. Brassell, a graduate of Pompton Lakes High School and the Sherwood Secretarial School, began her telephone career in 1950 as a service representative in Paterson. She held the titles of instructor, business office supervisor, assistant staff supervisor and assistant manager before being named in Totowa in 1969. She lives at 65 Hazen Court, Wayne.

Weiss, an alumnus of Princeton University, joined New Jersey Bell in 1966 as a staff supervisor in the company's Morrisstown district. He managed company business offices in Phillipsburg, Pompton Lakes and Dover before being named manager in West Morris in 1970. He and his wife live with their two daughters at 200 Baldwin Road, Parsippany.

Ellis, a graduate of Hasbrouck Heights High School, started with New Jersey Bell

as an exchange assigner in 1948. He advanced through various assignments including communications consultant, assistant manager, staff supervisor and sales staff supervisor to manager in Pompton Lakes in 1971. Ellis

is married and has a daughter and two sons. They live at 30 Clifford Drive, Wayne.

Magee, who is attending evening classes at Rutgers University, began his telephone career in 1952 as a splicer's helper in Paterson. He served as a customer sales representative, assistant manager, staff supervisor and sales staff supervisor before becoming sales manager in Morrisstown in 1969. He is married and has two sons and two daughters.

Belleville PBA Sets Annual Dinner-Dance

President Patrick McCabe, local No. 28 of the Patrons Benevolent Association, announces that the 61st annual "Policemen's Dinner-Dance" will be held on February 26 at the Branch Brook Manor located at 13 Washington Avenue, Belleville.

Cocktail hour from 7 p.m. to 8 p.m. followed by filet mignon dinner. Music and dancing will be continuous from 8 p.m. till closing.

This year's committee is as follows: dinner chairman Phil Salmon; ticket chairman Ray Kimble; committee John Marti, Carmen Pedalino, Joe Sooy, Bill Escott, Bart Rossi, Charles Oese, Joseph Kissel, Frank Ward.

Tickets can be obtained by contacting any member of committee or by calling Police Headquarters, 759-4600.

Humor depends largely upon whether you're the maker or the receiver of the joke.

the same way.
While Montefusco and his clients were outwardly pleased, Marotti showed "shock, disappointment and surprise" with the ruling. Al most angry, Marotti still maintained he sees "no conflict of interest" and claims he is doing an outstanding job as Commissioner "putting in as much time with the Town as with the Police Department."

"I still believe it is unconstitutional not to permit me to hold both jobs," Marotti stated.
Scott, viewing the matter from a legal standpoint, feels he is entitled to a reargument. The Town Attorney cited the Union City case of O'Conner-Calandrillo where a police officer took the post of Public Safety director as grounds for him to enter his

reargument petition. Scott maintains that Judge Sam Lerner of the Hudson County Superior Court ruled against the Union City cop only two days after his pretrial hearing on the Marotti matter. In claiming the O'Conner-Calandrillo decision weighed too heavily on Judge Byrne's ruling, Scott would like the opportunity to argue the differences between the Union City case and the Marotti matter. Scott maintains he had no chance to enter into his brief

the results of the Union City suit because it was not resolved at the time.
Should his reargument fail, Scott indicated he would bring the case into the Appellate Division of Superior Court. Foremost in the attorney's mind now is getting a stay order granted so Marotti does not have to surrender his post with the Town. If a stay is granted, Marotti would function as both Commissioner and detective until all appeals are exhausted.

"If a stay order is granted we will meet immediately to have it rescinded," warned Montefusco. "I don't think it's a very good idea for them to pursue this thing further."
Montefusco seemed extremely confident that the order would stand as is. He cited "the common law" as the basis of his conclusion. According to Montefusco, in his brief, he pointed to 12 decisions over the years backing up his argument. The first of the 12, he states, dates back to 1846.

"I believe why no one has pursued this type of case to higher courts is fear of losing more than they have already lost," he speculated.
As to the results to date, Montefusco is "ready to let it lay as it is." He offered "re-lic" that the case is hopelessly over, and added that "it took a long time to bring this thing to a head and even longer to get a decision."

Others named in the Marotti suit were Police Chief Joseph E. Smith and Commissioner of Public Safety Robert M. Laterza. The pair was named defendants after they failed to give a hearing on the matter at the municipal level. On the Town ledger at the time of Marotti's election was a law stating no police officer could take part in political activity, except to

vote, but that rule was repealed by the Commission in August. With the regulation off the books the suit against Smith and Laterza became a mute question.
In the event Marotti does vacate his Commission seat, the Walsh Act dictates that Town Fathers must appoint another resident to the post within 30 days.

Mayor Disappointed With Court Decision

(Continued From Page 1)
alation growth in the decades since World War II. Belleville is really a small town. Almost everyone goes to the same high school, the churches cooperate with one another and intermingle and by the time a person grows up, he probably knows an in-

credible amount of townspeople on a personal level," he said. I know Mike for years. I know him from the time he used to come around to me and the other businessmen in town requesting contributions so that he and others could run all types of special programs for the youngsters. I know him as a policeman, as a detective.

"I know him to be a man who gives 120 percent of effort at anything he does, a man who talks plain and carries on his life in an unusually honest fashion.

"Sitting on the commission with me, I have seen the careful manner in which he handles town business. If anything, his background as a policeman has probably helped him to know how to study a situation or a resolution better than most men. He's thorough and he never jumps to conclusions. He always waits until he has all the information, and he sees to it that he gets all the facts.

As mayor, I have also been in a position to note his work as a member of the police force. Everyone in town hall knows that he puts in a lot more hours than he has to, but that's Mike.

"His volunteer work with the young people of this town is so well-known that it would be ludicrous of me to even comment on it, other than to say that he has displayed an incredible amount of energy and stick-to-it-iveness.

"I said at the outset that I don't believe any conflict of duties existed in this situation. The jobs as commissioner of recreation and detective on the force were if anything complementary, not conflicting. Furthermore, I

know that because of this case and because of his desire to be fair, Mike said that if he felt any prejudice might come to bear on a vote within the commission, he would abstain. If anything, Mike treated the possibility of his own error a lot more carefully than most people would have.

Improved Tunnel Traffic For Two Holland Tubes

An improved tunnel traffic signal system, permitting individual lane control, was put into operation in both tubes of the Holland Tunnel at 12:01 a.m., Monday, Jan. 17. The Port of New York Authority announced today. The new signal system, which cost \$500,000, is the final portion of an extensive modernization of the electrical systems at the Holland Tunnel.

The new signal fixtures, located directly over each lane, can display red, amber, green or flashing amber.

You'll Love the Change!

WEIGHT WATCHERS
now makes
a great program
even better!

The New Weight Watchers Program

The NEW Weight Watchers program is the result of the most advanced scientific information available on health & nutrition. Our Staff Medical Advisor and our Nutritionists have carefully designed a program that has the best of everything in food: variety, nutrition, and balance.

Wider Variety
Satisfying foods added to our program that weren't there before.

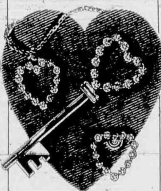

New Food Products
We've evaluated many available foods, and put new ones on the program.

3-in-1 is actually a triple bonus plan—3 programs in 1:
*First, a weight reducing plan to get you down to your goal weight.
*Second, a leveling plan when you're within ten pounds of your goal gives you added incentives.
*Third, the maintenance plan helps you stay at your proper weight while you're enjoying an exciting variety of foods.

If it comes from Weight Watchers... you know it's right! Join club nearest you today!

Turnpike Authority In Nutley Marks Anniversary

This month marks the 20th anniversary of service to the motoring public by the New Jersey Turnpike. And as an anniversary celebration, there will be no fanfare—only the recognition that its record of achievement speaks for itself.

Today, two decades since the first customer drove northward from Deepwater to Bordentown, the Turnpike has been a monument of continuing change to meet the demands of Garden State and interstate travelers.

State Studies Three Sites For Airplanes

Transportation Commissioner John C. Kohl today announced that three sites in Hudson County have been selected for further study for the possible location of a new aviation facility in the North-New Jersey metropolitan area to accommodate aircraft with very short takeoff and landing (V/STOL) capabilities. Two of the indicated possibilities are in the Meadowlands and the third is on the Jersey City waterfront.

The sites were selected by the New Jersey Department of Transportation, the Federal Aviation Administration and the Port of New York Authority from a list developed from numerous sources and reviewed by a consultant team headed by the engineering firm of Parsons, Brinckerhoff, Dunn and Douglas, New York.

The three sites to be given further study are:

1-East of the New Jersey Turnpike Exit 16 and south of Route 3, mainly in North Bergen and partly in Secaucus. This site offers good highway access potential, utilization of possible Penn Central access to Penn Station, New York and Newark, and an unused area for a V/STOL pad.

2-Near the new Postal Service facility under construction; mainly in Jersey City and partly in Secaucus. Advantages are, similar to Site 1, but with a large land area for other uses and proximity to the existing V/STOL pad.

3-In the vicinity of Exchange Place and the Central Railroad yards on the Jersey City waterfront. While this site is close to developed and redeveloping areas, and understanding raises serious questions among Jersey City officials and the community, its proximity to PATH, which affords excellent access to Manhattan, Journal Square and Newark, and its unique waterfront location dictate that it should be objectively evaluated.

Commissioner Kohl said numerous criteria were applied in narrowing the choice from among the many locations variously proposed to the three sites to be given further study. Among the major factors reviewed were the character of the immediate areas and plans for development, environmental impact, accessibility to Manhattan, Newark and other commercial centers, suitability of air space and a rough indication of probable costs.

"Because of the serious concerns expressed by residents and officials in the areas to be studied, particularly by Mayor Paul T. Jordan of Jersey City, and because it is imperative that any such projects be acceptable to the community in which they would be located, the consultant has been directed to work closely with local officials and will organize a committee of representative citizens to serve as an information resource in carrying out the study," he said.

"Such a Community Resource Committee," Commissioner Kohl stated, "will be expected to participate actively at appropriate stages of the study and to act as a liaison between the Consultant team and the people of the communities represented."

He added that the committee is expected to be organized quickly so that the three sites can be examined more closely during the next three months to determine accurately as possible their relative advantages and disadvantages.

"A dominant factor in the evaluation must be compatibility with the community," the Commissioner said.

Since that opening day on November 5, 1951, when the first 53 miles of roadway opened, the Turnpike has:

- Become the safety leader among major U.S. toll roads.
- Constructed the nation's longest 12-lane stretch of dual/dual to further that safety.

- Dredged through the New Jersey Meadows to build a westerly extension as a by-pass of the Lincoln Tunnel to facilitate northbound traffic for the George Washington Bridge and New England.

- Begun work to further improve the safety factor by confining the dual/dual another five miles, between Edison Township and New Brunswick.

- Undertaken a four-year program to beautify the northern right-of-way with trees, plants and shrubs.

- Built or replaced 12 interchanges, expand provided new facilities for several of the Turnpike's eight maintenance districts.

- Modernized its service areas and established the first charter bus stop with pleasant restroom and cafeteria facilities.

- Adopted a radio-controlled sign system that will be supplemented in the near future by a computerized control and surveillance system.

- Increased its mobile two-way radio communications and reviewed by a consultant team headed by the engineering firm of Parsons, Brinckerhoff, Dunn and Douglas, New York.

- More than doubled its State Police complement to 167 now with Troop D.

- Reduced the head-on, cross-over accident potential by providing full-medium guardrail protection.

- Built two extension to connect with the Holland Tunnel and the Pennsylvania Turnpike.

- Stayed on top of the phenomenon that has seen traffic increase from 17,948,325 vehicles in 1952, the first full year of operation, to near the 100 million mark in 1971.

- Computed a grand total of more than one billion vehicles in the 20 years.

- And recorded those traffic volumes with ever-increasing advanced data processing equipment.

But these milestones do not tell the whole story of the New Jersey Turnpike's growth. There is the human factor as well.

The Turnpike's entire operating staff on opening day totaled less than 100, many of which were hastily recruited toll collectors.

But with each extension of the road—40 more miles to Woodbridge on November 30, 1951; another 16 miles to Newark Airport December 12, and the final nine mile leg to Richfield Park on January 15, 1952—the manpower grew to meet the demands of an increasing traffic volume.

It was a landmark achievement in the New Jersey history, and then Governor Alfred E. Driscoll was its leading advocate, as he still is today as the Turnpike Authority chairman.

Eighty-two Turnpike employees who ushered in that new transportation era 20 years ago are still working full-time on the nation's busiest toll road.

Dave Brubeck To Headline Artist Series

Pianist Dave Brubeck and his Trio plus guest artist Gerry Mulligan, baritone saxophonist, will headline the next concert on Newark Symphony Hall's International Artist Series on Sunday, February 6, at 3 p.m.

The program will begin with the New York area premiere of Brubeck's cantata "The Gates of Justice." Louis Hocker, who conducted the New Jersey Schola Cantorum and soloists Cantor Harold Orbach, tenor, and McHenry Boatwright, bass-baritone, who have sung every performance of the work with Brubeck and the recording.

The Brubeck Trio, which includes New Jersey's Jack Six (of Point Pleasant) on bass and Alan Dawson on drums, will be joined by Mulligan for such jazz selections as "Take Five," "Mexican Lullaby," "S. Louis Blues," and "The Duke" for the second half of the concert.

Sullivan Plans Temple Speech

Sisterhood of Temple B'nai Israel is honored to have as its guest speaker Commissioner Richard J. Sullivan, New Jersey Dept. of Environmental Protection, who is a member of Governor Cahill's cabinet. His subject will be one which the entire country is very concerned about—the pollution of our environment and what can be done to correct this situation before irreparable damage is done.

The community is urged to attend this most important discussion which will begin with a short business meeting at 7:45 p.m., Monday, Feb. 14 at Temple B'nai Israel, 192 Centre Street. Commissioner Sullivan will speak at 8:30 p.m.

He is a graduate of Stevens Institute of Technology and has degrees from Seton Hall University and Columbia University. From 1950 he has been in the government's programs of air pollution control, radiation protection, industrial hygiene and was head of the Bureau of Engineering and Safety. For four years he was on the faculty of Seton Hall as a lecturer in English Literature.

*** The reason truth makes such slow progress is that it's in competition with pretense.

Richard Sullivan State Commissioner

JOHN B. STODDART, general chairman of the United Community Fund campaign of Essex and West Hudson, places the last piece of the scoreboard jigsaw puzzle in place to denote the drive's "over the top" conclusion. Nutley went over the top also for the second time in nine years.

Gov. Cahill Proclaims Jaycee Month Here

Governor William T. Cahill honored the New Jersey Jaycees recently by officially proclaiming the month of January as "JAYCEE MONTH" throughout New Jersey. In attendance for the ceremonies held in the Governor's office, were James A. Jeffries, state president of the New Jersey Jaycees, and Earl Ellsworth, state public relations chairman.

The Governor commented on the great work that over 8,000 Jaycees throughout the state have accomplished during 1971. He cited the efforts of Matawan and other local chapters who have helped to build a two-mile artificial reef in the Atlantic Ocean.

Cahill said that the Annual Football Classic sponsored by the Jaycees was a fine example of the work done by these young men and noted that all the net proceeds were donated to various charities throughout the state. It was also noted that there are two Jaycee prison chapters in New Jersey, with plans to extend charters to other prisons in New Jersey. The Institutional Chapters operate under the same by-laws as set forth by the State and National organizations.

These are only a few of the thousands of community service projects accomplished by the Jaycees in their own communities.

"With complicated problems confronting our nation and world today, we need more men between the ages of 21-35 to get involved in their community as well as participating in state and national activities."

Oratorical Contest Set By Essex CYO Group

"What Do You Ask of the Church?" This is the question about which Essex County teens will expound when the Essex County CYO sponsors its annual Oratorical Contest on Tuesday evening, Feb. 15 at Our Lady of Lourdes School in West Orange.

Competition will be held in two divisions. Ninth and tenth grade pupils will vie in the Junior Division, while high school juniors and seniors will compete in the senior division. Male and female champions will be selected in each division.

Essex County's four winners will advance to the Archdiocesan Finals, which are scheduled for Friday evening, Feb. 25 in Hudson County. Archdiocesan champions will be invited to advance to the 44th annual National Oratorical Contest, slated for April 15 and 16 at the Sheraton Hotel in Washington, D.C. First prize in the nationals is a four-year tuition scholarship.

Speeches must be original for the county finals, and must extend for between six and eight minutes. Notes will be permitted on index cards only in the county competition.

The deadline for submitting an entry for the Essex competition has been set for Monday, Feb. 7.

Additional information may be secured from the Essex County CYO Office, 425 Bloomfield Avenue, Montclair.

Italian Festival Slated For Garden Arts Center

A second annual Italian Festival of entertainment will be presented at the Garden State Arts Center on Sunday afternoon, June 18.

Chairman John P. Gallagher of the New Jersey Highway Authority, which operates the Arts Center on the Garden State Parkway, today announced that New Jersey's Italian-American community will again sponsor and arrange the June 18th event as it did the first Italian Festival held last Columbus Day.

The Italian-American program will be staged again as a benefit for the Garden State Arts Center Fund, which finances free performances for New Jersey young people. Sponsors at the Parkway showplace. It will be one in a series of ethnic events planned for the Fund at the Arts Center this year, a Polish Festival having been previously scheduled for the Sunday afternoon of June 4.

Alphonse A. Miele, former president and executive secretary of Union National, is general chairman of the June 18 program, serving in the same capacity he occupied for the 1971 "America's Italian Style" event. A resident of West Orange, he is a Bloomfield Insurance executive.

Miele, who heads a large statewide committee working on the plans, said another outstanding program will be arranged for June 18. The

1971 Italian Festival featured both classical and popular music performers including TV and stage star Enzo Stuarti and the Orchestra Albano with the Orchestra and chorus of the Opera Theatre of New Jersey under conductor Alfredo Silipigni.

The Highway Authority under chairman Gallagher last year introduced the concept of ethnic entertainment to broaden the Arts Center appeal for New Jersey's citizens. The first event was an Irish Festival on July 24, followed by the Italian program on October 11. Both drew heavily in attendance and support for the Fund.

Jazz, Opera Offerings Mark Student Series

Twenty student programs, including symphonic and chamber music, opera, jazz, children's theater, visual arts, films, and Karate, are scheduled for the second semester at Newark Symphony Hall, beginning Friday, Jan. 25 with a concert by the New Jersey Symphony Orchestra under Henry Lewis. The program will be repeated Feb. 10.

Other highlights are first-time appearances by the great composer and orchestra leader Duke Ellington (April 20); the widely-acclaimed Newark Boys Chorus (March 21); young Brazilian pianist Joao Carlos Martins, who will narrate his program in both Spanish and English (March 13); and Newark's own Salome Bay, star of the off-Broadway musical smash "Love Me, Love My Children," in a program of song, dance, and poetry to open Black History Week on February 7.

The popular children's musical "Babes In Toyland," which sold out four times last spring, will return April 25. Other theater events are "Young Abe Lincoln" (February 8); "Opera Comes Alive," which takes the audience backstage as well as onstage (March 16); and "The American Indian," a documentary pageant narrated by Catwaba-Iidian Chief Red Thunder Cloud (April 13).

Children themselves will have an opportunity to participate in "Carnival of the Animals" on March 1. Every school has been invited to submit poems describing the various animals, and the best will be read at this concert.

East Orange artist Florian Jenkins will narrate "Art, A Mirror of Life," encompassing visual art, costume, and music, on February 25. Newark's Kurriem Allah and his School of Martial Art will demonstrate Karate and Judo on February 15.

YOU WILL STOP SMOKING ON MARCH 15th

If you join the JACQUELYN ROGERS SMOKEMEN Seminars starting in your area... lot of course, you may stop smoking without SMOKEMEN, if you'd rather.

He trick is HOW YOU FEEL AFTER YOU STOP. If you want to stop without "climbing the walls" and with a feeling of Reward... and best of all, WITH A SMILE... then come to find out about the JACQUELYN ROGERS SMOKEMEN METHOD.

...and bring your cigarettes! Remember, this is the method that requires you SMOKE AS MANY CIGARETTES AS YOU WANT to break the habit. In small, manageable segments, step by step.

At risk of being totally unbelievable, we'd like to mention that SMOKEMEN'S is FUN, too. It's hard to imagine quitting being fun, isn't it?

So come to a FREE Explanatory Meeting in your area. (No kidding — FREE — to find out more about this method. PUSH A SMOKER into quitting. We don't push. But let us warn you: Most smokers who come to find out about the JACQUELYN ROGERS SMOKEMEN Method find it a lot of sense, and they can't wait to start.)

...if you happen to miss the FREE Explanatory Meeting, come to a FREE Mini-Briefing 15 minutes before the Seminar Starts — and decide then.

And if you won't put a bid. We think smokers are great and treat them with fondness and respect. You see, we were all smokers ourselves who did it with SMOKEMEN'S. SO COME, but don't expect any of the scare tactics or "Willpower" stuff. And bring your friends. They may thank you for a lifetime...

Location	Free Explanatory Meeting	Seminar Starts
BELLEVILLE, Belleville Motor 371 Washington Ave. corner of Jordan.	Thursday February 10 8 PM - 10 PM	Friday February 17 8 PM
KEARNY, Kearny Health Center 645 Kearny Ave.	Tuesday February 8 8 PM	Tuesday February 15 8 PM

THOUGHT OF THE WEEK

"Only aim to do your duty, and mankind will give you credit where you fail."
— Thomas Jefferson

Budget Released Tax Rate Gets \$5.80 Figure

Should Belleville's new \$13.4 million budget for 1972 be adopted by Town Commissioners, taxpayers here will be expected to pay \$5.80 per \$100 of assessed valuation. Exact figures were released this week by Mayor Joseph McGreevy, director of Revenue and Finance.

The commenting upon the

inative package, Mayor McGreevy called the budget "tight," and in line with the picture of the national economy. A public hearing on the municipal budget has been scheduled for February 29 at Belleville High School.

The total budget sees a \$13,403,423 figure compared to last year's \$12,161,287

which reflects an increase of a little less than 10 per cent. About \$3.4 million must be raised for county purposes, with \$5,232,748 for schools and \$4,853,688 on the municipal level. The municipal figure also includes \$68,000 under the Emergency Employment Act. All totaled, the budget picture will have a rise of about 55 tax points.

A breakdown on the municipal level shows a three-point rise attributed to the Emergency Employment Act while an anticipated decrease of \$56,000 in Town revenue brings it up another two points. Capital improvements adds another point the budget. Causes for the decrease in Town revenue are seen in a downward trend in building permits and tax searches. Also, monies received from the sales tax is down, along with state aid for roads here.

Both the Public Safety and Revenue and Finance Departments saw about five per cent with figures of \$117,183 and \$121,571 respectively. Public Works has a four per cent jump at \$93,836 while Public Affairs get the smallest rise, up only \$32,753. The Parks and Public Property Department is up two per cent, jumping \$54,705. A total of the five departments sees a 17 per cent boost at \$420,050.

Burlazzi, Risoli Elected

Budget Nixed By 32 Votes

By John J. Bunevich

Shouts of bullet voting, the political machine and unconcerned parents here echoed through the School Board Chambers Tuesday night as both the education budget and incumbent Leonard Back went down in defeat. G. Fred Burlazzi and James V. Risoli finished a respective one-two in voting while the budget nixed by a mere 32 votes.

Back, the School Board president, finished a distant fourth to the top spot 634 votes off the mark, took his defeat graciously but indicated that political machinery in Town may have been behind some of the balloting. The board will reorganize Monday.

"I wish the winners the best and hope they have a good future. They have a tough job ahead," remarked Back. "I hold no bitterness but as an incumbent I'm surprised by the outcome. I have

rumors that there may have been machine politics behind this election."

Current Board of Education members, who were almost exclusively behind Back's reelection, were even stronger in their remarks of a "machine-type" election, but none of them made public statements. They were, however, very vocal in the budget defeat, and to the last man expressed their displeasure with the "unconcerned parents in our Town."

An unofficial tally showed Burlazzi-1798; Risoli-1355; Charles Miele-1196; Back-1164; Carl C. Garofalo-502; and Mrs. Josephine Izzo-319. The current expense budget portion received no-1342 to yes-1310 with capital outlay at no-1353 to yes-1170. A complete district by district rundown of results will appear in next week's Times-News.

Rich Risoli, a technician for Public Service Gas and Electric, and Burlazzi, a real estate dealer with offices in Town, were unavailable for comment.

Anthony Greco, Superintendent of Schools, expressed "terrible disappointment" with the budget defeat. He blamed "a lack of parent interest" as one of the main reasons for the budget vote. Greco pledged to cooperate with the new board members. "We had a tight budget, up only 10 points compared to the county's 20 and the Town's 25 points. I can't understand it. There must be a lack of interest by parents," he concluded.

Second River Floods Halted

Work is now underway on the Second River near Mill Street to alleviate flooding conditions there that resulted in the discharge of raw sewage into the stream this past summer.

Sponsored by the Second River Joint Meeting, the construction of an 1,100 foot retaining wall to reinforce the left bank of the river will not cost the Town anything. The project is fully funded through the federal government, which recently released to the state emergency monies after severe flooding here during the months of August and September.

Currently, the LaFera Construction Co., Newark, has a back-hoe and bulldozer in operation on the Second River. Already working there two weeks, construction of the wall will not be completed until sometime next month.

Beginning at the site of the Hendricks' Dam, the wall, at times reaching 12 feet in height, will extend 1,100 feet. In addition to the construction of the wall, the project also calls for changes in the bed of the stream. James Soldo, administrative assistant in the Belleville Public Works Department, inspects the site daily.

"Hendricks' Dam is almost gone now. Although the project will alleviate flooding in the area, the Second River Joint Meeting is constructing the wall (Continued on Page 2)

VIEWING RESULTS Tuesday's election results at Board of Education Chambers in School No. 8 are right board member Richard Mahmarian, who came out with public statement in support of

incumbent Leonard Back (middle), and Superintendent of Schools Anthony Greco. Back, board president, finished fourth in balloting.

Cops Make Bust Same Night

Girl, 10, Murdered In Cellar; Construction Worker Arrested

A 19-year-old construction worker is awaiting Grand Jury action in the death of a

10-year-old School No. 1 pupil, found murdered Monday evening in the basement of her Cortlandt Street home.

James Lamar Richardson of 243 Wainwright Street, Newark, has been charged with homicide in the strangulation death of Sheila Carr, 66 Cortlandt Street. Arraigned in Belleville Municipal Court Tuesday morning by Judge Carl Stier, Richardson is being held without bail.

Sheila's body, badly beaten about the face and neck and clad only in a sweater, was found under a disordered mattress in the basement of their two-family home by her 15-year-old brother, Anthony. Police have not ruled out rape in the case but officials must wait for an official autopsy before a definite determination. Death was attributed to strangulation by a cord or other rope-type object.

Belleville police, led by detectives Martin Natale and Frank Falcone with the assistance of officials from the prosecutor's office, arrested a prime suspect in the killing less than four hours after the

death was reported. Richardson was charged with the homicide shortly after 2:20 a.m. Tuesday, when he appeared in police headquarters.

In piecing the crime together, Deputy Chief Frank Haight reported that Willie

Carr, Sheila's father, came into police headquarters 10:30 p.m. Monday to report his daughter missing. Carr told police he had last seen Sheila at about 5 p.m. when he left the home to pick up his wife. Carr was apparently (Continued on Page 2)

Town Will Sell Land Tickets Still Available

Commissioners, at their public meeting Tuesday evening, authorized sale of a small plot of Town-owned land for auction. The vacant lot, measuring 25 feet by 50 feet, will be offered to the highest bidder February 22, 8 p.m., at a special sale.

Located at 76-78 Hill Street, the minimum bid the Town will accept is \$500. The auction is public and anyone may bid for the plot, although according to Mayor Joseph McGreevy, a Franklin Avenue property owner has already expressed an interest in purchase. The unnamed party who reportedly owns property located at 471 Franklin Avenue, directly in the rear of the tract to be sold, will be obligated to petition for a subdivision should he decide to build a home there.

Fabian Fund Benefit Sees Jets Saturday

Craig Fabian

Officials of the Craig Fabian Fund, Inc., are hoping for a sellout crowd Saturday night when 10 members of the N.Y. Jets professional football team entertain here in a charity basketball benefit. Starting time is 8 p.m. at the Belleville Senior High School.

Besides being sold at the door, tickets are available at several convenient locations in Town. The Craig Fund is a non-profit group helping three disabled young men in Belleville. Duets for the fund are \$2.50 each.

After climbing into basketball uniforms and presenting a pregame show, the Jets will play the Craig Fabian all-

stars, a group of top hoopsters from the Belleville Senior Recreation League. The two teams will play a regulation contest on the hardwoods. Post-game activities will include a special autograph session with members of the Jets.

Craig Fabian is a 17-year-old resident and the initial benefactor of the Fund. Because of the success in helping Craig, the Fund soon began helping two more local young men, Bill Greco and Joey Restaino. Greco, a father of two, was injured two years ago in a freak accident, and Restaino, 23, was a senior at Montclair State College.

How Much It Costs Parents Rearing Child

The general figures on the cost of rearing children in the United States, released recently by a presidential commission, raises the question: "What does it cost in Belleville?"

How much does the average local family spend in raising a child from birth to age 18?

The report, based upon a study made by the Commission on Population and the American Future, estimates what it would cost the typical family. It notes that the cost varies widely from area to area and from family to family. The chief controlling factor, in most cases, is income.

In Belleville, as well as in every other part of the country, it takes considerably more than it did in earlier years to provide children with their basic needs.

For example, according to the Health Insurance Institute, the current cost of

food alone for a youngster, from birth to age 18, averages \$8,500. If breaks down to \$8,700 for boys and \$8,100 for girls.

That is more money than was necessary 25 years ago for their food, clothing, education and medical care combined.

Today, based on the government report and on other findings, the amount spent in raising a child to age 18 ranges from 2.9 to 3.6 times the net earnings of a family in one year.

In Belleville, where the average net income is between (Continued on Page 2)

Public Works To Be Reviewed

Again this year Commissioner Mary Senatore, director of the Public Works Department, is sponsoring a special committee of taxpayers to review the 1972 budget. The meeting will be held next Wednesday, Feb. 16, 8 p.m., in Town Hall.

"I have selected a cross-section of about 20 Belleville citizens to review the budget in detail but the meeting is

open to the public. Anyone who wishes may attend," Mrs. Senatore said.

This is the second year the Commissioner is sponsoring the Citizens Budget Committee with the express purpose of reviewing, and if possible, deleting line items which may prove unnecessary to the Department. Acting moderators of the program (Continued on Page 2)

Michael Marotti And His Ordeal Seen Through Eyes Of A Friend

[The following article was submitted to the Times-News this week by James A. Messina of 252 Belmont Avenue, Messina, a construction foreman, is a lifelong friend of Commissioner Mike Marotti. In light of the recent Superior Court decision stripping Marotti of one of his two Town positions and the controversy surrounding the event, the news staff thought it appropriate to publish this warm, one man's view. Messina depicts Marotti truthfully, as he sees him, through a friend's eyes.—Ed.]

Everybody knows Mike Marotti. The cop.

Some recognize him best in a tee shirt, swinging a pick or a shovel — building something for the kids, of course.

And anyone who's ever been around a Little League diamond and hasn't tuned in to his gravel-throated bark doesn't know what a baseball fan is.

Well, Mike's not gonna be a cop anymore — anyway, not for a while. And it's kind of strange the way it all came about, the way Mike was forced to give up one of his loves — being a cop — for another — helping kids. Anyhow, here's how it happened.

Mike was born in Passaic, way back in 1921, about the time that the "Manassa Mauler," Jack Dempsey, was bringing boxing its first million-dollar gate, and a big old horse named Man o' War, was

saying so long to the turf, Mike was born on January 2.

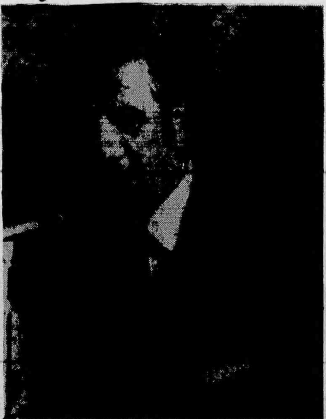

When Mike was six, it was an even better year. Not cause 1927 was so great, but that's when Mike moved to Silver Lake, Belleville — as we used to call it then.

Silver Lake was pretty crowded, even in those days. Not the way it is now, of course, but there wasn't a heck of a lot of room for kids to run and play, and it didn't look like anybody who could do something about it really cared much. So, ya know, all the guys who wanted to taped up their ratty old baseballs and moved in on any open area there was to knock 'em around.

It wasn't great, but it was okay. I guess Mike figured then that someday somebody ought to do something better than that for the kids.

It wasn't so bad the playing baseball, but a guy could really tear himself up something fearful playing football in those lots. We were tough, though — anyway we thought we were tough — and that's half the battle. We took our bloody noses, and dealt out a few, and we grew up.

Mike really did it all in high school. I guess now you would say he was pretty cool in those days. He played, you know, letterman (baseball, basketball, and foot-

HAPPIER DAYS have been seen by Commissioner Michael Marotti, as he is seen here addressing crowd on opening day of Little League season. Marotti now has to choose one of two Town posts.

Sunday Snowstorm Here Creates No Inconvenience

Although Sunday's snow created hazardous driving conditions in Town with 10 accidents reported within a 24-hour period, both police and Public Works officials consider themselves fortunate.

While measuring about two inches here, the Sunday storm came at a time when traffic was light with most residents either just polishing off a big meal or reading the Sunday papers. The Public Works Department was on the streets with two salters at 3:30 p.m., concentrating on the Town's main thoroughfares. The four-man crew quit at 10 p.m. but were ordered back on the road at 3:30 a.m., Monday.

Mrs. Mary Senatore, director of Public Works, was on the road the whole of Sunday evening supervising snow operations. She didn't quit it until about 5 a.m., Monday morning, when it was learned the storm was subsiding.

"I didn't order our plows onto the road because I saw that the County men were having difficulties. The snow wasn't deep

enough to plow and sparks were flying from their plows," she said.

Two light snow falls during the past two weeks cost the Town a little over \$4,000 and hardly put a dent in the supplies. To date, plows have not been needed on Belleville Streets.

Deputy Chief Frank Haight reported 10 minor accidents during the storm, but indicated that the figure usually runs much higher.

"We were fortunate that the snow came on a Sunday afternoon. If it had snowed just before the week-day rush hour the situation would have been entirely different. As it was, the residents had ample warning to stay home," Haight said.

The worst areas for driving were Jonakmon Street, between Franklin and Hoover, and Rutgers Street, where writers had to put up barriers until salt could be laid down. Most of the "fender bender" accidents were on major streets in Town and were directly attributed to slippery conditions.
