

THOUGHT OF THE WEEK
Nothing makes one so vain as being told that one is a sinner.
— Oscar Wilde

ORATORICAL CONTEST WINNERS from Belleville High School are shown receiving their winning certificates. Contest, sponsored by American Legion Post 105, was part of national affair. Seen (l-r) are contest coaches Richard Graves and Anthony Cahill with Robert Cohen, second place; Ray Smith, principal; Robert Luongo, first place, and Walter Weiss, Legion chairman.

Board Throws Curve

Teachers Pondering New Two-Year Pact

"A curve from left field" was thrown at the Belleville Education Association team negotiating for a new contract, according to president Thomas Testa. Teachers sat down with the Board of Education for talks Saturday but again a settlement was not reached.

The curve directed at teachers was the introduction by the School Board of a two-year contract. Apparently, the move caught the BEA off guard. Testa seemed a little disappointed that he couldn't come to terms Saturday but the two-year contract move left him surprised. Teacher representatives are now looking into the offer but have not yet decided to accept it.

"I came to the talks with the idea that both parties agreed to what we have been bargaining for but then they pulled that surprise

move," reported Testa. "We didn't want to swallow it immediately but we are looking into the offer. Off hand, there seems to be some interesting items in it."

Another meeting has been tentatively scheduled for March 18, almost two weeks away, but Testa said if the teachers like the two-year offer a settlement could just about be reached over the telephone. Special negotiators are weighing the merits of the package now.

According to Testa, the two sides were less than one percent apart from an agreement when the School Board representatives introduced the two-year pact.

Testa is not happy with the scheduled March 18 meeting. He had hopes that talks

Was A Long Time Coming

Two New Machines Complete High School Printing Program

Two new pieces of equipment for the graphic arts department at Belleville High School, totaling a cost of over \$7,000, has greatly benefited both the vocational program there and the entire school

system. The two new units, a Multilith printer and a huge darkroom camera, complete an offset system there that can print from start to finish the school newspaper. The sys-

tem will also be used by the Board of Education for various periodicals and forms they distribute. According to officials connected with the graphic arts program, they have been requesting the new

equipment for over eight years.

The darkroom camera was purchased for \$1,950 while the Multilith cost \$4,550. The camera produces a negative of the item to be printed and is an integral part of graphic arts production. Before the new equipment was received, the department had to send out to get negatives produced. The Multilith machine, also a basic unit in high speed offset printing, will afford second-year graphic arts students an opportunity to operate the machine.

John Hyde, a Belleville High School teacher for 20 years who heads the graphic arts department, reports that students were, for the most part, working with outdated equipment that is not being used in the printing industry today. Although the department still has a ways to go before it is considered up-to-date, the two new units should benefit greatly the student's chance to learn.

A complete shop for graphic arts would cost about \$14,000 with the largest item needed a Vari-Typer. Setting-up type used for printing is still done by hand by the students, even though that technique is regarded obsolete. The Vari-Typer would mechanize the procedure and give students an opportunity to work on actual equipment used in the printing industry, today. Headlines are set by hand in the Belleville shop. The Vari-Typer retails for about \$5,000 while a headline machine would cost almost \$2,000. According to Hyde, these items are needed to make instruction and study in graphic arts complete.

Even though graphic arts as a subject is growing in popularity in the high

Decision Makes History

School Budget Intact After Commission Vote

For the first time in history here the Belleville Board of Commissioners has left the school budget intact. Town Fathers last week voted unanimously on a special resolution to let the budget remain as it is.

The third and last meeting of the cuts in the school budget was held Thursday at Town Hall with both Commissioners and the Board of Education sitting down to again review line items in the education budget. After one and one-half hours of discussion it was decided to leave the budget intact.

Board of Education members were "surprised by the move" but confident that if they explained their situation to the school board, the Commission would understand. Apparently, School Board president Richard Mahmarian deliv-

ered a good, honest sales pitch and Town Fathers were sympathetic. Mahmarian convinced Commissioners there was "no fat" in the budget, which reflects a 10-point tax hike.

"I'm not happy for myself. I'm happy for the kids in this Town," Mahmarian said. "We were confident that they would listen. This Commission is different than past administrations."

Last year the Board of Commissioners slashed about \$40,000 off the school budget. The year before that, over \$100,000 was taken away from the school system but the funds were reinstated after the Board of Education appealed that Commission decision.

Again Thursday night, the School Board called upon key educational administrators to stress the need for all items in the budget. Ray Smith, high school principal, Sy Grassman, junior high head, and Mike Rosamilia, assistant superintendent of schools explained curricular difficulties in courses.

"This is the first time ever that Commissioners really looked at the school budget," added Mahmarian. "Previously, they would come up

with a predetermined figure and stick with it."

Commissioners Thursday posed many questions about the budget. They especially were critical of the addition of three new teachers for the high school and two new instructors at the junior high. But the School Board explained that the increase in enrollment this coming year made the faculty additions necessary. School administrators pointed out that with

the closing of St. Benedict's High School, Belleville High would realize an increase of about 120 students there and 40 to 50 in the junior high school.

"We showed them statistically in every item that there could be no cuts," said Mahmarian.

The School Budget calls for current expenses of \$4,956,858 to be raised by taxation with a mandatory debt statement of \$202,753 for a total of \$5,159,611.

Chamber Gets Easter Bunny

Just before Christmas Santa Claus came to Town and thousands of youngsters saw him. Now for the first time, The Easter Bunny is coming to Belleville arriving on March 24 in a trailer, which, through the courtesy of the Mayor and Commissioners, will be parked in the Municipal Parking lot next to the Town Hall.

Beginning on Friday, March 24, mothers may bring their children to see the Bunny and have a treated Po-

laroid picture taken from 10 a.m. to 8 p.m.

The Easter Bunny will be at the trailer from March 24 through April 1 during the following hours: March 25,

Band Show Tickets Sell

By Fred Padulo

It's that time of year again...when the snow melts, the birds sing, and the town, and especially school, long for those restful days of summer. But something else happens in the spring. (No, not love) It is the all-new, all-great Belleville High School

The show will be on Friday and Saturday nights, March 17 and 18, at 8:15 p.m. Admission is \$1.50, and members of the Band, twirlers, and color guard are selling the tickets.

Treasure Gallery Art Display For Library

An exhibit of the paintings of the Treasure Gallery Art Workshop artists is on display at the Belleville Public Library, Washington Avenue at Academy Street, now through March 17.

The exhibit includes the work of children and adults

who have developed under the guidance of Mrs. Gladys B. Sherman at the Treasure Gallery, 445 Washington Avenue.

Mrs. Sherman, a professional artist of note, is a graduate of the Newark School of

DeWitt Savings Reelects Annual Slate Of Officers

Robert M. Williams, president of DeWitt Savings, has announced that the annual meeting of the Board of Directors took place on January 10 and at that meeting all Association Officers were reelected.

Williams reported to the Board that a record increase in the assets had been realized during 1971. The Association paid out over \$2-million in dividends and assets increased 18 percent to \$47,423,867.

Williams said. This growth is an all time high and represents the largest single annual advance since the Association was incorporated in 1942.

Officers reelected included: John P. Dailey, chairman, Dailey, a resident of Belleville has served for two years as chairman and six years as president. Prior to that he was Secretary of DeWitt. He is also past president of the Essex County Savings and Loan League and a former presi-

dent of the Belleville Board of Education.

Robert M. Williams was reelected president. This will be his third term in that office. He was previously for five years executive vice president of DeWitt. He is also a past president of the Garden State Chapter 67 of the American Savings & Loan Institute. He is a member of the Belleville Lions Club.

Second Generation Fireman Sworn-In At Ceremonies

NEW FIREMAN, second in a father-son duo now serving the Belleville Department, is sworn in by Town Clerk Eugene Barnett (left) during ceremonies at Town Hall. Also seen is (l-r) Commissioner Robert Laterza, Frank J. Thalheimer, son of Cpt. Joseph Thalheimer, and Fire Chief Carl Hundertpfund.

NEW MULTILITH MACHINE for graphic arts department at high school is viewed by School Board member Caesar Romano (l-r) and students Dennis Boyce

and Fred McCoul. New machine, with darkroom camera, completes printing operation there.

In College Program

Three Students Tour Russia

Three Belleville students at Montclair State College are spending January in Finland and the Soviet Union. Touring Helsinki, Leningrad and Moscow are a two-week study tour are Daria

Call of 10 Spring Street, Frank Bonavita of 219 Garden Avenue and Michael Pig-natello of 33 Centre Street. The tour is part of the college's new Innovative Period and departed January 6 and

will return next Thursday. In Helsinki they will visit Finnish homes. In addition to sightseeing, highlights of the visit to Russia include attendance at five theater performances, including the Bolshoi

Ballet. Informal sessions with University of Moscow students were also planned. The tour was arranged by the Montclair State Office of International and Off-Campus Learning Programs.

College Corner

Steve Inman To Villanova Dean's List

Steven B. Inman was named to a list of Villanova University students attaining high academic averages during the first semester of the 1971-1972 school year, released this week by the Rev. John M. Driscoll, O.S.A., vice president for Academic Affairs.

Known as the "Dean's List" it bears the A names of students who have achieved a mark of 3.0 or more, as an overall record in their studies. 4.0 is considered a perfect record and 3.5 of Villanova's 5,800 undergraduates merited distinction.

The following students from your area were named to the "Dean's List" at Villanova, for the first semester of the current year. (Asterisk indicates perfect 4.0 record.)

Belleville Pair In Rutgers Frat

Two Belleville residents, Nick Brindisi and Dennis Tucci, have been recently initiated as active members of Tau Kappa Epsilon Fraternity at Rutgers University in Newark, N.J. Brindisi, son of Mr. and Mrs. Nick Brindisi of 72 Cedar Hill Avenue, Belleville, is a sophomore majoring in political science.

Poetry Contest Entrant

Marylou Martin, 8 Crescent Terrace, Belleville, a senior at Belleville High School, participated in the Rutgers 34th Annual Poetry Reading Contest Saturday at Conklin Hall, 175 University Ave., here. Preliminary readings will begin at 10 a.m. and semi-finals will be held in the afternoon.

Dr. Edward Huberman, professor of English at the Newark College of Arts and Sciences and coordinator of the annual event, said that more than 40 contestants from high schools throughout the state have entered the competition. While most of the contestants, he added, are seniors, many junior and sophomore students will also compete.

The contest is the oldest continuing event of the State University at Newark. "It provides an opportunity," Dr. Huberman said, "for participants to read favorite poetry in public, in such a way as to bring pleasure from the quietly intelligent reading of good poetry."

Last year's winner was Janet Stanford of Scotch Plains, a student at Scotch Plains-Fanwood High School.

**** Faith and patience / are great assets and wonderful aids if you have them when you need them. **** Discipline is something every child must learn but the lesson requires a wise teacher.

Spinelli Leads Drew University Delegation

The University of Pennsylvania Model United Nations Conference has announced that Drew University was awarded a certificate of merit for placing fifth place in the recent conference.

The Drew team represent-

Strumolo Heads Drive

Commissioner Vincent T. Strumolo, Director of Public Affairs, this week was appointed the 1972 District Campaign Chairman of The Boy Scouts of America, Robert Treat Council.

The director stated no community can rise higher than the realized potentialities of its youth. If a community is to succeed, it is important to develop these potentials.

Scouting is an important step in this development. The boy with scouting becomes the man who is an asset to his community.

However, this costs money. Belleville's goal has been set at \$3,000.00 for 1972.

Area Academy Honors Three From Town

Three honor roll students from Belleville were included in the first semester totals for Montclair Academy. Over 130 boys were awarded honor roll status. In addition, five youths received high honors at the Essex County School.

Belleville boys include 10th grade David Iacangelo, and ninth graders Gerard Iacangelo and Bob Shaughnessy.

ed South Africa and the delegation was led by Larry Spinelli of Belleville.

Spinelli is currently a sophomore at Drew where he also serves as the Treasurer of the Debating Society. He has long been active in local politics and is currently the President of the Belleville Young Democrats.

The Conference is a simulation of the United Nations. It attempts to adhere to both the spirit and the letter of the United Nations Charter. The purpose is educational; they believe that by representing a country other than one's own, one can acquire a perspective on international relations.

There were over 76 countries represented at the conference which lasted three days. Spinelli said he was very pleased with the showing of Drew and that the teams next conference will be in April at Lehigh University.

Case Looks At Apartment Control Idea

Senator Clifford P. Case today said that the extremely low rate of apartment vacancies in New Jersey emphasizes the need for effective rent control. "When there are few available apartments," Senator Case said, "there is no free market that acts to keep rents from rising. In this situation, the tenant must pay the rate asked by the landlord or face eviction."

"There are few vacant apartments in New Jersey. According to 1970 Bureau of Census statistics, New Jersey has an overall adjusted vacancy rate of only 2.2 percent. For medium price apartments, the vacancy rate is 2.8 percent. Tenant lease expirations and apartment preparation time account for much of the 2.8 percent."

"The Rent Board is scheduled to meet on March 1, and consider my earlier proposal for a retroactive percentage ceiling on apartment rents. Such a ruling is especially needed in New Jersey with its tight market rental situation. The existing rent regulations have been ineffective and rental increases of as much as thirty or forty percent have been brought to my attention. It is unfair to allow rents to increase so drastically at a time when salary increases are frozen — and it is especially burdensome for older people who live on fixed incomes. I hope the Rent Board acts affirmatively and enacts a retroactive percentage ceiling on rentals in New Jersey and elsewhere."

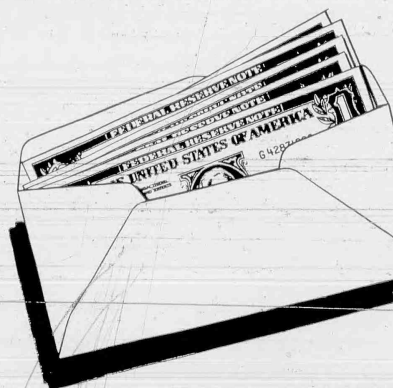

Pharmacy Footnotes Vincent Cozzarelli Reg. Ph.

How do you know that there is a disease present in you or in some member of your family? Of course, one of the surest methods is through body temperature; above 99 degrees Fahrenheit is a symptom of sickness. Chills, dizziness, excessive sneezing or coughing, fatigue or lack of energy, flushed face, headache, nausea, pain, restlessness, sore throat, swollen glands, one or more of these symptoms may be your guide to the detection of the presence of disease; consult your doctor.

If, after consultation, your doctor decides you need a prescription drug bring it to us at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. Open: 9AM-10PM Daily, 9AM-9PM Sundays. Medicare and Blue Cross are approved. Whitman's and Schaeff's Candies... Gift Department.

HELPFUL HINT: Disease is sometimes defined as the reaction of the body to a parasite, such as a cold virus.

JOHN J. BUNEVICH, News Editor

18 Year Olds Are Old Enough

Our Federal Constitution was amended to give 18-year-olds the right to vote—reducing the voting age from 21 to 18.

We think 18 year olds should no longer be treated as minors—that state law should be changed bestowing upon the 18 year olds the status of adulthood. We urge readers who are in sympathy with our position to sign the coupon below and

forward it to Assembly Speaker Thomas Kean, State House, Trenton, New Jersey—the earlier the better.

Frank A. Orechio

To: House Speaker Thomas Kean
State House
Trenton

Dear Assemblyman Kean:

We want our full rights! Please initiate every action to grant 18-to-21-year-old citizens of New Jersey full adulthood. Treating us as "minors" is archaic. We want to be able to make contracts, drink, and be fully responsible for our activities as full law-abiding adults.

We want our rights now! We want action!

Case To Be Challenged?

Recently the Young Republicans of New Jersey went on record urging any Republican to step forward to challenge incumbent Cliff P. Case for the party nomination in the June 6 Primary Election. U.S. Senator Clifford P. Case was originally elected on November 4, 1954 and the undersigned was one of the New Jersey citizens lucky enough to have shared some of the chores in that campaign. We thought then—and think now—that Cliff Case is one of the ablest citizens New Jersey could ever send—or ever has sent to the United States Senate.

There are some votes cast by Case over the past 18 years that we are in strong disagreement with the Senator. However in baseball parlance it's the batting average that counts. And during his three terms in office Cliff Case has an excellent

batting average.

When evaluating public officials one must remember we cannot remake—and should not attempt to remake public officials into our own image. Neither should we forget that the further away we step from a mirror the less perfect mankind is, so—with whatever his imperfections are, we like Cliff Case and will vigorously support him for another term should he decide to seek re-election. Case is a good and decent man—the highest priority on his list of interests is maintaining the dignity of man. His voting record reflects this priority.

Frank A. Orechio

Seems Only Yesterday

14 Residents File Petition For Commission Election

By Helen Auerbach

One Year Ago

Belleville commissioners unanimously adopted the 1971 municipal budget which reflected an overall tax jump of 66 points for the coming year. The new tax was \$5.27. Belleville taxpayers and commissioners calmly discussed, for six and one half hours, the subject of municipal financing. The town officials eventually sliced \$154,273 from the total tax package. Out of over 500 residents who had been present at 8 p.m., only 24 remained when the session finally ended at 2:30 p.m.

Local police raided a Belleville apartment which had been targeted as the headquarters of a million-dollar a year gambling center. Deputy Police Chief Frank Haight said that a man and his wife were scheduled for a preliminary hearing March 25 stemming from three charges made as a result of the raid. Haight said that the accused had been charged with book-making, conspiracy to commit book-making, and maintaining a gambling establishment.

Town Clerk Eugene Barnett reported that 14 residents had taken out petitions for the May commission election, but only two people had officially filed their petitions. Those who had taken the petitions were Ken Smith, Mary Senatore, Joseph McGreevy, Vincent Strumilo, Robert Laterra, Rocco Salatta, James Golden, Michael Marotti, Ruth Dillon, Salvatore LaMorte, Frank Racine, Anthony Fernandes, Julius Minuskin and Nicholas Raimo.

Five Years Ago

The Belleville Community Council elected Richard B. Morgan to the presidency of the five-year-old service organization. Morgan replaced Dr. Jack Grundfest, who had chaired the local civic festival for three consecutive terms. Dr. Grundfest received a plaque honoring him for his "dedicated service." Guest speaker at a dinner meeting of the Council was C. Colburn Hardy.

Cynthia Corris, of 25 Lloyd Place, was chosen for the title of "Little Miss Belleville of 1967." Harry T. French, director of the Chamber of Commerce, the organization which had sponsored the competition, announced that Cynthia had won the contest with a total of 1,884 votes. Judy Donatiello, of 18 Bridge Street, came out second and Kathleen Gino was third runner-up.

Boasting a 52.5 overall record and a 38-2-1 mark through four seasons of dual meet competition, Joe Villano was the most successful wrestler in the five-year history of the mat sport at Belleville High.

Ten Years Ago

A Belleville High School senior was selected as a semi-finalist in the Miss High School of New Jersey Pageant. Barbara Bailey, daughter of Mr. and Mrs. Theodore Bailey of 1 Continental Avenue, was to compete for the New Jersey Title at the

Robert Treat Hotel in Newark. Barbara was an honor student in school, and for two years she had been a runner-up in Belleville's Cherry Blossom Queen Contest.

Fifteen Years Ago

The Belleville Taxpayers Association presented the Town Commission with a definite set of recommendations which would drastically reduce municipal expenditures. Arthur Bloemke, president of the group, said that the ideas would be presented to the Commissioners at a town meeting to be held in the high school. The detailed list of recommendations pointed out that more than \$150,000 could be trimmed from the budget without seriously impairing the services rendered to town residents by the five departments.

Battery "B" of the 109th Anti-Aircraft Artillery Battalion, Belleville's own National Guard Unit, received authorization from the Department of Defense to expand to full strength. The unit had been operating at reduced strength of four officers and 105 enlisted men. Under the new order, the battalion was permitted to recruit up to four officers and enlisted men, the same as the strength of a similar unit of the regular army.

Twenty-Five Years Ago

Application for a license for a pool room to be operated by the Davenport Pleasure Club of 12 Heckel Street was deferred pending an investigation by the Public Safety Department. Director Noll recommended that an ordinance be drawn up covering rules and regulations which pool halls would have to abide by. He stated in his opinion that they should be on the ground floor, with an unobstructed view from the street. Noll pointed out that when he had checked the Davenport Club window blinds had prevented any view into the club from the street.

Forty Years Ago

The Board of Commissioners adopted an ordinance authorizing the issuance of a \$40,000 water bond series dated April 1 and maturing in thirty-five years. The money derived from the sale of the bonds would be used to retire temporary bonds on notes issued subsequent to July 1, 1929 to pay for improvement in and additions to the water systems.

Fifty Years Ago

John Westlake, Thomas Boney, Joseph Noolan, John Ford, Frank Gormley, and Arthur Conlin were appointed to organize the first annual reception and dance of the K. Club which was to be held at Columbus Institute, New Street, Newark.

The Board of Education decided to equip School No. 4 in Silver Lake with additional office facilities and to add a teacher's room to the school.

Speak Up!

Middle Income Man Doesn't Fight Hard

To the Editor:

The middle-income man in New Jersey doesn't fight hard enough. He pays for everything.

The rich man finds loopholes to get out of paying his fair share.

The so-called poor man cries harder every year. "Give me more."

A case in point: Governor Cahill's tax policy committee has called for the enactment of a state income tax, an expansion of the sales tax and a state wide real estate tax.

Who is fighting this? Practically no one. Who is listening to those who are fighting? Certainly not the Governor. Who will suffer if new taxes are enacted? The middle-income man.

Proof of this assertion is what happened in the state of Minnesota. Its state income and sales taxes were increased on the promise (not guaranteed) that property taxes would be reduced and local school taxes would be kept from increasing.

Results: The average homeowner in the state saved \$68.00 on his property taxes, in return he paid \$142.00 in income tax and \$27.00 more in sales taxes, for a net loss of \$101.00.

Middle-income man, if you want to avoid this type of standard operating policy in New Jersey (which is, no matter how much money there is, the state will spend it and ask for more) then you must flood your Legislators in Trenton, with mail, opposing the tax policy committee's recommendations.

Tuition Increase Makes Financial Funds Available

To The Editor:

At the present time the tuition increase of \$250 for the forthcoming academic year looks as though it will not be rescinded.

The State Department of Higher Education is making available additional amounts for financial aid to those who are in need. Those students who need additional financial aid because of the tuition increase should apply immediately to their local college financial aid office for an application blank.

Sincerely yours,
John H. Ewing, Chairman
Assembly Education Committee

Helen's Thing

The Dingalings Have Reached A Milestone

By Helen Maguire

Would you believe that Nora Jean and Erin Louise Maguire were two years old on Sunday? Forgive me for being prejudiced but they are a pair of charmers. Rod and I and indeed the whole family have enjoyed those two little girls so much that it doesn't seem possible they have been with us for two years already. Time has really flown.

They are good if messy eaters, great sleepers, most of the time, easy to get along with

and wild about each other. Each thinks her sister the greatest thing ever fashioned and will demand a second cookie or pretzel or anything eatable so she can share with her companion. They call each other "Baby" or "Sissy" and is really enjoyable to watch them together.

DADDY IS STILL the love of their lives and no wonder. Who else is willing to bite feet and tickle tummies and let you walk on his shoes and waltz around the kitchen with you as his partner? Their horizons have widened to include the nursery at church where they are left on a Sunday morning and after an initial outburst of tears, settle down and have a fine time. By the summer, they should be "out on the block" (with mother close behind) and ready to find a playmate or two.

Now, let us look at we are raising a couple of angels, let me state emphatically that we are not. No, indeed, we are certainly not raising candidates for a halo. When those girls fight, which they do on occasion, it is a real biting, hair pulling, whacking affair, no holds barred. They scream and yell accusations at each other and even if you can't decipher the exact words, there is no mistaking the meaning.

At supertime, if they are not wild about what is being served, they are not above flinging the dish on the floor and then wondering why on earth someone should get upset enough to whack their tails. The dog is their constant attendant at mealtimes, knowing that she is probably going to be the recipient of something eatable.

THEY ARE INTO anything they can reach, the lunch drawers, the pot cupboard, the plants. Their favorite spot remains the kitchen cutlery drawer which they empty with great regularity, strewn spoons and forks all around and showing great reluctance to pick them up. They are great spillers of anything spillable, milk, water, baby powder, the box of cereal left unguarded on the table, the contents of mommy's pocketbook.

Put them in bed for a nap and they manage to push the cribs together, lower the sides and climb in with each other and you know exactly what they've done by the giggles and chatter coming from the room where the dingalings are supposedly sleeping.

by Frank A. Orechio

FOR THE SECOND TIME IN THREE WEEKS my Fort Lauderdale Eastern Airlines flights have brought me together with one of Eastern's more remarkable young stewardesses. She is hard-eyed, blonde, Jackie Boyd who is completing two months of service with Eastern. She looks much younger than her 20 years. Her light, pleasant manner does not reflect her true deep concern over passenger safety. Jackie says, "Some passengers think the job of a stewardess is to serve food and beverages. My main concern is the passengers' safety and security—subjects that are stressed during our tough training period."

"Emergencies almost never occur," observed Jackie, "but we must be prepared at all times to consider emergencies and this involves the use of oxygen masks, location of exit doors, trays in their proper places, belts fastened as required—there's more to being a good stewardess than just the job of serving meals." Jackie attended Highline Jr. Community College in Seattle, Wash-

ington and majored in Stewardess Preparation.

ON EASTERN'S FLIGHT 407 another young blonde reserve stewardess worked the same trip I flew twice in three weeks. She was pleasant, able, senior stewardess, Sherrill Cundiff. On this flight all three girls had less than one year training among them—and still the service was first-rate. Sherrill was assisted by Debbie Del Sesto and Barbara Spence. Taking it all in was a sweet, intelligent, 15-year-old Sophomore from South Orange, Susan Stern, who was my riding companion sitting in Seat 1-D. Susan, attired in blue jeans, was returning home after visiting her grandparents in Fort Lauderdale.

IT'S GETTING TO BE AN ANNUAL THING with certain Nuteleytes. Recently Larry Verone, Tom Infusino, Joe De Phillips, Joe Cullari, Paul Barabarra, Bill Hamilton and Father Gerard Walsh toured several Fort Lauderdale golf courses enjoying the Gold Coast's eternal sunshine and

revisiting and reliving old memories of fine restaurants. Judging from the looks of the boys after a week in Fort Lauderdale, I judge they were heading home to the cold weather and diets.

DURING THE RECENT SCHOOL BREAK the Tom Infusinos were down at their Fort Lauderdale penthouse for the week. During the Jackie Gleason Golf Classic they dined at Fort Lauderdale's famed Le Club International, having as their guest the Ed and Fred Brunos of Nutley. During the course of the evening, Ed Bruno chatted with Arnie Palmer and it turns out that the Arnie Palmer identification bracelets which were sold at the Golf Classic were made by the Bruno boys in their Cedar Grove plant. They were sold indirectly to Palmer through a California outlet. Quite a coincidence! I was there when Palmer twice insisted that Ed Bruno give Palmer his business card. How is that for making time with the big boys?

THIS WEEK A FORMER MODEL AND PLAYBOY BUNNY, Karen Hanson, joins Ada Carballo, a diminutive beauty, in hosting the Lounge customers at New York's "in" restaurant Casino Russe. Ada has been with the Casino since shortly after it opened in September. Karen's close friend, singing star Tova Porat, is the star of the show where she appears nightly ex-

cept Sunday. Tova brings back memories of Edith Piaf and without pretense one can make the observation that Tova's voice has such fine tonal quality and vibrance that she may even be rated somewhat better than the famed Piaf. For Tova stardom is her destiny. The Casino Russe has three terrific bartenders, Takis and Tony, who keep the bar and the customers humming five nights a week and John Lettiere who handles the day side and pinballs for Tony on Monday nights. Lettiere makes his own bow ties and vest pocket handkerchiefs in various colors. A many-talented man, Lettiere sculpts mermaids, seahorses and almost anything you can think of out of lemon peels.

TOVA PORAT recently appeared on Channel 9 at 8:00 in the morning and is scheduled for a replay Saturday or Sunday during one of the next two weeks.

TED WALES, co-owner of the Kearny Observer, is commuting between Kearny and his Hollywood, Florida home every week, looking after his better half, Rita, who recently was hospitalized and is making a remarkable recovery.

AM HAPPY REPORT three local boys are home recovering from illnesses and an accident. Ralph Gualberto hobbles around with crutches recovering from a broken leg; Rocco Dimichino is home and is headed for a slow but steady recovery according to family sources and School Board Secretary-Business Manager Everett Zabriske has been discharged from the hospital and is on the mend.

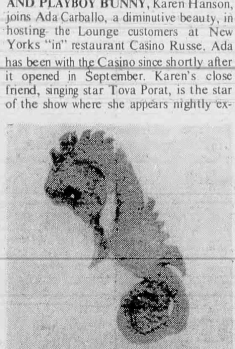

FOR PARENTS WHO HAVE A KEEN INTEREST in the problems of their children, Nutley offers a unique learning center. It is a school called Ebronix. Special attention is given children to overcome learning blocks, gain confidence in solving problems, eliminating bad habits and in-laws later on to succeed in work and play. If your child is having trouble with reading, spelling, arithmetic and you are about to climb a wall, stop fretting and visit the Ebronix Learning Center at 500 Franklin Avenue, Nutley.

After Charge

Grand Jury Gets Gambler

Charges of maintaining a lottery and conspiracy against Richard Buccino, 24, of Belleville were referred by Judge Aaron Napolitano to the grand jury February 24.

Buccino's Branch Brook apartment was raided last January and police confiscated \$2,000 in cash and several gambling receipts.

FLAT ROOFING SPECIALISTS
HARRISON & SON ROOFING CO.
WY 1-3319 WY 1-5497

Buccino was not there at the time and was picked up later. Judge Napolitano is presiding at Belleville Municipal Court for Judge Edward Abramson.

Probation Term For Shoplifting

Carmella Mongrella, of Newark, pleaded guilty to a charge of shoplifting and was given a three-month suspended sentence and placed on probation for one year by Judge Aaron Napolitano February 17 in Belleville municipal court.

She was arrested February 2 after a complaint by the manager of the Path-Mark store on Belmont Avenue.

In a two-nation-wide effort (the United States and Canada) Kiwanis clubs will concentrate their energies, commencing this fall, on "closing the generation gap and the communication gap" with a program, called "Unit for Progress," according to Sig Swiderski, president of the Kiwanis Club of Branch Brook, Belleville.

To implement the new idea, Kiwanis clubs will undertake joint community survey, analysis, and action programs with Key Clubs which they sponsor in high schools, Circle K Clubs, which they sponsor in colleges, and with other youth groups with which they are closely associated, such as Boy Scouts, Girl Scouts, Girls and Boys Clubs, 4-H Clubs, FFA, Camp Fire Girls, and others.

Ranking high in community concerns to be attacked will be the incidence of drug abuse, and problems of the environment. Kiwanis has two established programs which will be adapted to the findings in such fields. "Operation Drug Alert," which is a drug education program and "Project Environment," new program aimed at determining the extent of waste and pollution and at taking steps on a community-wide basis to correct the evils which are found. In announcing his participation in the "Unit for Progress" program, Swiderski described it as a positive effort to combine the enthusiasm, energy and, in some cases, the impatience of

young people with the experience and the ability to "Open doors," which their elders possess. "With real joint effort, from the very start, we can do much to obliterate the often perplexing problems of the generation and the communication gaps," he said. "I believe that people who work together and plan together will be able to achieve together, and that mutual respect and understanding will be inevitable," he added.

"Operation Drug Alert," which is a Kiwanis-sponsored community drug education program, is now in its third year. It has met with outstanding success, according to the local president.

"Project Environment," a new Kiwanis program, will differ from other anti-pollution programs in that it will consist first of studies to determine the presence, if any, of pollution, and the extent and the kind of pollution, followed by the formulation of action directed toward alleviating such problems as may be uncovered.

THIS WATER MEETS CHEMICAL STANDARDS FOR DRINKING WATER POTABILITY. HAS EXCELLENT TASTE, ODOR, AND CLARITY.

Tri-Chem, Inc.

Belleville Firm Sets Record Sales Mark

Saul Skoler, president of Tri-Chem, Inc., Belleville, today reported record sales and earnings for the year ended December 31, 1971. Total sales volume rose eight per cent to \$6,637,421, up from \$6,137,857 for the previous year.

Net earnings rose 25 per cent to a new high of \$482,851, or \$1.01 per share, up from \$387,181, or \$0.84 per share. Per share results are adjusted for the 4 per cent stock dividend paid on February 5, 1972. Mr. Skoler noted that 1971 represented the fifth consecutive year of successively higher sales and earnings.

Tri-Chem is engaged in the manufacture and sale of hobby products. The company markets its line of products directly to the consumer through a nationwide network on the "home-party plan". Through its 56 per cent owned subsidiary, Beauticontrol, Inc., the company also sells a beauty care line of cosmetics on the "home party plan".

Skoler indicated that during the final quarter of 1971 and in early 1972, Tri-Chem introduced two new "arts and crafts" product lines, both to be sold through the "home party plan". Tri-Chem introduced "Create a Candle", which candle making set for creating an array of decorative originals for year-round display and use. The other newly introduced product, "Shape 'n' Paint", utilizes Tri-Chem's specially formulated paints to enable the home craftsman to create an unusual series of decorative pieces such as bowls, lamps, ashtrays, etc. According to Skoler, both of these newly introduced products will be sold through Tri-Chem's nationwide system of instructors.

Postmaster Calls For Stop Of Attacks On Local Mailmen

Newark Postmaster Joseph J. Benucci disclosed today the Postal Service is stepping up its enforcement efforts against armed attacks on letter carriers. The move is being made in the wake of an alarming increase in these crimes reported across the nation.

Robberies of this type have steadily multiplied since 1970. In the first 6 months of 1972—the trend indicates a continued upsurge, according to Benucci.

"I will not tolerate these depredations and attacks on my carriers or any other employees in their attempts to do their duty in serving the public," said the postmaster.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

AMVETS Show Fur Fashions On Wednesday

Daring fur combinations, stunning new designs and "His and Her" fashions will be seen at a fur fashion show sponsored by the AMVETS Auxiliary Department of New Jersey for the benefit of the hospitalized veterans and other service projects at the Mayfair Farms, West Orange on Wednesday, March 15 at 7:30 p.m.

Miss Winifred Heidt will be the commentator for the furs which will be provided by the Flemington Fur Company of Flemington. Miss Heidt has had a long career in the theater, starting in "Call Me Madam" and "Gypsy" and playing roles in other musicals and television.

NEW BUSINESS — The Centre Yarn Shoppe is now open for business and eager to serve Nutley and Belleville residents. The store, located at 80 Centre Street in Nutley opened January 31. Shown above are Mrs. Angie Vocaturo on the left and Mrs. Carole Vocaturo on the right, owners and operators of the new establishment.

Card Party, Fashion Show March 16 at School Seven

The P.T.A. of School Seven will hold its annual Card Party-Fashion Show on Thursday, March 16 at 8:00 p.m. in the school auditorium. The theme of this year's show is *Mardi Gras*. The fashion show will be presented by Janette-Nutley Center and will highlight spring and summer ensembles.

Mrs. Gomes is the former Madeline Amaral daughter of Mr. and Mrs. Jose F. Amaral of Belleville. Mr. Gomes is the son of Mrs. Maria Gomes of Lodi is head planner with Maintenance Dept., Hoffmann La Roche.

Players Group Will Present 'Tom Paine'

The Coffee House Players of Fairleigh Dickinson University will present Paul Foster's tragic-comedy "Tom Paine" 8:15 p.m. March 12 and March 18-19 at the Rutherford campus gym.

"Tom Paine" first presented in 1968 by La Mamma Experimental Theatre in New York, was given a two-year world tour. It was directed by the now-famous Tom O'Horgan, director of "Hair", "Jesus Christ Superstar" and other Broadway hits.

The Coffee House Players, comprised of students, alumni and members of the community, have produced five plays in their year-and-a-half of existence.

Tickets for the performances are \$1 for students; \$2, general admission. They may be purchased at the FDU Student Activities Office.

Under the interim directorship of Martin Rabkin of Clifton, the cast includes Glenn Berman, Allen Finkel, Bobby Goldstein, Joseph Rugo, Etty Shoket, Maria Sorresso and Diane Wilhelm all of Rutherford; Lloyd Conke of East Rutherford; Jo Ann Glacuum of Lyndhurst; Eileen Hanfahan of Nutley; Rita Iwanski of Ramsey; Frank Rohls of Montclair; James Shalk of Kearny; Michele Vaxmonsky of Clifton; Joel Wechsler of Passaic and Jessica Wright of Carlstadt.

We regret to report that many New Year's resolutions have already been forgotten.

FUND RAISER — Mrs. Harry Reitz, chairman of the event and Mrs. Thomas Spillane, president of the Junior Woman's Club of Belleville, pose in front of a Hawaiian backdrop used to accent the theme for the Dinner Fashion Show sponsored by the group on February 9. The affair, held at The Fountain, Belleville, was the club's biggest fund raiser for the year.

Crabapple Trees Are Ornamental

One of the prettiest ornamental trees is the flowering crabapple. Its flowers range from white to brilliant pink and purple. The fruit can be from pea size to two inches in diameter in colors of green, yellow or red. Some varieties have fruit which drops in the fall. Others cling through winter.

Some flowering crabapples are suitable to one-story houses and small yards as well as large estates, parks and highways.

Ask your favorite nurseryman to recommend a crabapple tree suitable for your area.

Religion does not require that a man be blind to common experience.

Essex Catholic Mothers' Club Planning Mass

On Tuesday, March 14, the Essex Catholic Mothers Club of Essex Catholic High School will have its annual night of recollection in the school chapel, preceded by confessions at 7:30 p.m.

Mrs. Eleanor Jacques of Kearny and her committee announced that the mass will be offered by Father Robert Grady of Seton Hall who will be guest speaker. The Mass will be sung by the Essex Catholic Boys Glee Club.

Following the mass refreshments will be served in the school cafeteria. All members and their husbands are cordially invited to attend.

Local Women Attending VFW State Meeting

On Saturday, March 11, the National VFW Ladies Auxiliary President, Mrs. Paul (Frances) Harmon, Omaha, Nebraska, will attend the Department (State) Meeting at the Berkeley-Carteret Hotel in Asbury Park, and will address the delegation which represents more than 60,000 membership from New Jersey.

Mrs. Richard Nebus, Keyport, Department of New Jersey President, will preside, with meeting scheduled to begin at 1:00 p.m. A banquet will be held in her honor also on Saturday at the Berkeley-Carteret Hotel, with an estimated 500 persons in attendance.

Dinner Chairman is Mrs. Joseph Flynn, Barrington, who has served as a Past President of New Jersey, and plans a delightful evening of surprises in keeping with President Harmon's motto, "Together In Harmony."

Representing the local units will be Mrs. Parker Myron, President Dist. No. 4

Mrs. Paul Harmon (Essex) V.F.W. Auxiliary, with her staff of officers, Mrs. Georgina Jinks, Pres., Mrs. 275, and her treasurer, Miss Antonette Monte, of Younginger-Alden, Jr., Belleville; Mrs. Viola Hassler, Past Dist. No. 4 Pres., of Jos. C. Taibi Post No. 6265, Belleville.

There has never been a better time to start saving at Carteret than right now...here's why:

At a time when many financial institutions have reduced their Passbook interest rate, Carteret continues to pay the highest rate in the area.

Our Regular Passbook Account pays a full 5% per year. Deposits made on or before the 10th of any month earn interest from the 1st. After the 10th, earnings start from day of deposit (minimum balance only \$50.). Our Special Investors Passbook Account provides for 5% interest per year from day-of-deposit to day-of-withdrawal (providing \$50. remains on deposit at the end of the quarter). It is ideal for savers who wish to deposit funds for a short time.

Stop in or call our office today. All savings at Carteret are insured up to \$20,000, by FSILIC. And, as an added service, no matter where your account is now located we will transfer it for you without cost or red tape. If you prefer, we will even transfer it without your having to make a personal visit to us or to your present financial institution.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Damurjian-Horvat Nuptials Held In St. Mary's Church

Mrs. Richard Damurjian - nee Joan Horvat

Miss Joan Horvat, daughter of Mr. and Mrs. Andrew Horvat of Belleville, was married March 5 to Richard Damurjian, son of Mrs. J. Damurjian of Fort Lee.

The ceremony was performed by the Rev. Gerard Walsh of St. Mary's Church, Nutley. A reception followed at the Wayne Manor, Wayne.

Escorted by her father, the bride wore a floor length gown of candlelight satin with a cathedral train. The gown was trimmed with Venice lace and fashioned with bishop sleeves.

A headpiece of lace and blossoms held her veil in length.

Miss Marilyn Jacopetti of Belleville was maid of honor. Bridesmaids were Mrs. Angela Horvat of Belleville, sister-in-law of the bride and Miss Marie Easton of Paterson.

James Damurjian of Leonia, brother of the groom, was best man. Ushering were the bride's brother, Drew Horvat of Belleville and Kenneth Kuter of Clifton.

Mrs. Horvat wore a long sleeved floor length gown of blue crepe. The groom's mother was in a short sleeved floor length gown of gold chiffon.

Mrs. Damurjian, an alumna of Belleville High School, is a secretary at ITT Defense Communications, Nutley.

Mr. Damurjian, a graduate of Leonia High School, attended NCE and is now self-employed.

After a honeymoon in Barbados and Antigua, the couple will live in Palisades Park.

Brass Rubbings Exhibit Set In Library Showing

Brass rubbings by Mrs. John A. Lewis will be on exhibit from March 8 through April 3 at the Montclair Public Library, 50 South Clifton Avenue, Montclair.

Miss Joyce Rozek

Rozek-Kotz Troth Is Told: June Nuptials

Edmund Rozek, of 64 Lingham Street, Belleville, announces the engagement of his daughter, Joyce to Ronald R. Kotz.

Miss Rozek, an alumna of Belleville High School, attended Montclair State College and is an art instructor in the Nutley public schools.

Mr. Kotz, a graduate of Irvington High School, attended Fairleigh Dickinson University. He is in sales and is also employed by the State of New Jersey as a basketball referee.

The wedding will take place June 24.

Miss Joyce Adams

Joyce Adams, George Jaso, Are Engaged

Mr. and Mrs. John Adams of Evergreen Avenue, Nutley announce the engagement of their daughter, Joyce Ellen to George N. Jaso, Jr., son of Mr. and Mrs. Jaso, Sr. of Montclair.

The troth was made known Valentine's Day.

Miss Adams, a graduate of Nutley High School, is a key-punch operator with Aircraft Supplies, Nutley.

Mr. Jaso Jr., an alumnus of Montclair High School, attended Manhattan Tech and Voorhees Tech, New York and is a general contractor. He is an Army veteran.

The wedding will be held in October.

Miss Amelia Stripp Is Bride Of Stanley G. Augustowicz

Miss Amelia Marion Stripp, daughter of Mrs. Julia Stripp of Kearny and Stanley George Augustowicz, son of Mrs. Myrtle Augustowicz of 26 William Street, were married February 26 in St. Cecilia's Church, Kearny.

The Rev. Burns performed the ceremony and a reception followed at Order of the Eagles Club, Kearny.

Escorted by Robert Anton Stripp, the bride wore a beaded satin gown with chapel train. A pearl and rhinestone crown held her fingertip veil and she carried a bouquet of white carnations.

Miss Jane Stripp of Kearny was her sister's maid of honor. Bridesmaids included Miss Diane Dzulinski of Harrison and Miss Lorraine Liotta of North Arlington. Junior bridesmaid was the bride's niece, Miss Madonna DeLuca.

They were attired in purple and royal blue velvet gowns with headpieces to match and carried pink and blue carnations.

Stephen Augustowicz of Belleville served his brother as best man. Ushering were Robert A. Stripp Jr. of Kearny and Ronald Grozinski of Kearny.

Mrs. Augustowicz is with Twins Restaurant, Newark while Mr. Augustowicz is employed by Kimball Industries, Belleville.

The couple have made their home in Belleville after a honeymoon in Canada.

Mr. and Mrs. Augustowicz - nee Amelia Stripp

Your Weekly Horoscope

March 11 through March 17
Brought to you as a courtesy of

NICOLS PARK ESSO

ARIES (March 21-April 19): There is one who waits, Ari. This individual is probably of opposite sex and most attractive. He/she waits patiently, as the flowers wait for rain, knowing eventually that you will meef. Advice: Get out and circulate. And smile a lot.

TAURUS (April 20-May 20): Your stability is one of your greatest assets, Taurus, but in week ahead do not confuse stability with plain old stubbornness. Important issue is raised with one close to you. Try to be flexible. You gain in long run. Get out of doors before week ends. Sashay down a boulevard. Saunter through a park. Or simply walk around the block. Anything. Just get OUT.

GEMINI (May 21-June 20): Yours is an air sign, Gem. And air is for intellect. Your ruling planet is Mercury, and you know how fluid the element mercury is. In week ahead, you go up and down, up and down. Best you wear your elevator shoes, dear. By fifth day, events tend to level and dear one seeks to communicate. Listen-with-your-heart-instead-of-your-head for a change.

CANCER (June 21-July 22): In week ahead, Moon-baby, it is important that you be loyal to those with whom you have cast your lot. Stay as close to home as possible. During mid-week, be especially kind and attentive to loved one. On last day, go fly a kite.

LEO (July 23-August 22): You head in new direction in week ahead, Leo. Excellent time for financial growth as well as personal satisfaction. Message is dispatched to you before sixth day. On last day, think FUN. Remember, you are only as old as your arteries.

VIRGO (August 23-September 22): If you are involved in a long drawn-out relationship which seems difficult, do not give up, Virg. Perhaps you desire quick results. If so, this is not your week. Sorry. In days ahead, all seems to be in slow motion. Get fidgety at this point and all is lost. Should this happen, just remember you were warned and don't come whining to old Olga.

LIBRA (September 23-October 22): Energy builds during first three days, Lib, and you bubble with enthusiasm. Plans with associate dovetail and you wind up week cooing. Don't expect to accomplish much on last day, however, for chums will insist that you relax and CELEBRATE.

SCORPIO (October 23-November 21): Long-forgotten memories nag in week ahead, Scorp, but you will be wise not to give in to moodiness. Memory brings back only the echos of old voices. Better to listen to the voices which you hear today. They are your life, Scorp. And they are your tomorrows.

SAGITTARIUS (November 22-December 21): A bit of gossip may be whispered into one of your ears before fourth day, Sai. If so, let it go right out the other ear. There is one who finds delight in having you worry. Don't give this person the satisfaction. You are a banked fire, and it doesn't take much to get you raging. Week ends on a note of frippery.

CAPRICORN (December 22-January 19): You lead two lives, Cap. Your public life and your private one. Like two sides of the same coin, they are ever so close, yet they never meet. Perhaps this is good. But in week ahead, you have mental confrontation, and the gymnastics which follow may leave you emotionally drained.

AQUARIUS (January 20-February 18): It is the little things in life which are important to you, Aquari. And in days ahead, you enjoy, enjoy. A little pat on the back. A little unexpected gift. And perhaps even a little love. On last day of week, let everything go to blazes and do a little fooling around.

PISCES (February 19-March 20): You may feel that injustice exists in your private little world, Pisces. If so, bring it into the arena and have it out. This may generate tension, but how else can situation be remedied? In any event, constructive tension is necessary for growth. On last day, you fold like an old card table.

News

THE STAY POWER of Bellboy Walt Bennett is demonstrated here as he stays in the superior position against tough Montclair foe, Jim Bright, in the 148 division.

A FIRM HOLD is seen by 148-pound Bellboy Walt Bennett, who puts a leg lock on Jim Bright, Bennett handily defeated Montclair's Bright, 5-2, on his way to region championship. Bright, a heavy favorite at 148 pounds, was seeded first while Bennett was unseeded.

Travel To Princeton Next

Mustacchio, Bennett Crowned Wrestling Region Champions

Two of Belleville High School's seven wrestlers traveling to the regions last week came back home with top honors while two others received second place honors. The local grapplers shattered all existing records here for their prowess in regional competition.

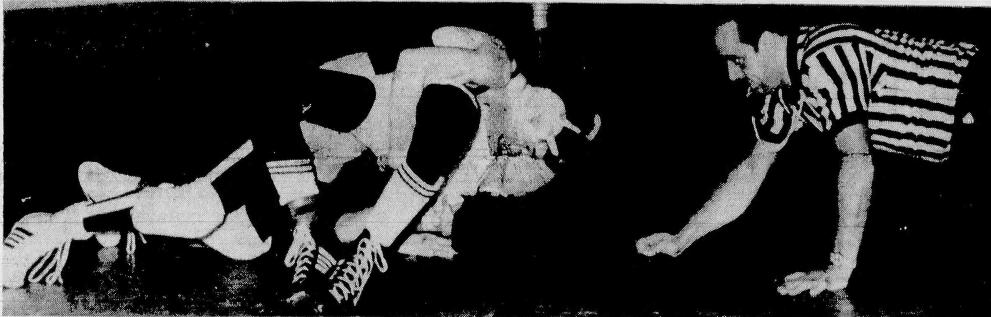

John Mustacchio in the 130-pound class and Walt Bennett at the 148-pound level will make the trip to Princeton tomorrow to compete in the state championships. Both performers garnered top laurels in the regions.

Coach James Silvestri, who tutored the pair the entire season, was overjoyed with the win and said all his wrestlers were "terrific."

"Neither of the boys surprised me with their number one finishes," said Silvestri. "Every one of our wrestlers had a good shot at it. I don't know how well they will do in Princeton but I can say that they have as good a chance as any wrestler there of becoming state champs."

Belleville's wrestling history shows only one regional championship before Saturday. Now the Town can boast of two more, and these two in the same season. Another sports record was overcome when the Belleville team had four of its members qualify for the regional finals.

State championship competition begins 7 p.m. tomorrow in Princeton University's Jarwin Gymnasium when both the preliminary and semi-final rounds will be

EASY VICTORY came to John Mustacchio as the Bellboy captain gained top honors in last Saturday's region competition, held in Paterson Kennedy High School. Mustacchio is shown in complete command here with a near pin in the

wrestled. Finals to determine state championships will be held Saturday after the consolation rounds.

Besides Bennett and Mustacchio, Chico Lijo in the 98 and Brian Banda at the 123-pound class gained a spot in the finals. Fred Arena, Belleville's district champion in the 115-pound division, was the disappointment of the regionals when he failed to make weight. Gary Falkman in the 168 division was eliminated in the preliminaries while heavyweight John Smith, only a junior performer, was awarded a bronze medal for his third place finish.

Belleville High School Faculty Bows To Disc Jockey All-Stars, 82-75

By Tony Calabrese

A sellout crowd at Belleville High School had an evening of fun last Wednesday as they watched the Belleville High School Faculty drop an 82-75 decision to the WWDJ All-Stars in a ballgame played for the benefit of charity.

The All-Stars, who represent the radio station from Hackensack that carries the same name, are made up of some of the discjockeys from the radio station, and also quite a few former college stars who contribute to much of the attack for WWDJ.

The All-Stars have been formed about a month, and in that time they have lost only one game, to the faculty of Clifton High School, therefore the Belleville High teachers really had the odds stacked against them going

into the game.

However, the faculty played a fine ballgame and were led in scoring by gym teacher Paul Szem who had a game high of 26 points. Szem's performance however was overshadowed by the play of fellow faculty member Dan Grasso whose aggressive play excited the fans all evening. Grasso scored 20 points—while also forcing many steals on defense as he was the smallest man on the floor at 5 feet 5 inches tall.

A back and forth first quarter saw WWDJ take a 19-16 lead after the first quarter. Grasso and Szem contributed 6 points each to the faculty attack, while Bob Palma who is the Belleville High basketball coach added the other 4 points. The All-Stars had a well rounded attack in the period as DJ's Gary Russell and Al Brady paced the way with 4 points apiece. Russell was the only one of the actual disc jockeys that distinguished himself as he played a fine ballgame while scoring 8 points.

The second quarter saw the ballgame remain close as the Grasso and Szem tandem each added 8 points to the attack. Grasso scored a lay-up late in the quarter that tied the game at 33 all. However, WWDJ scored the last seven points of the quarter to take a 40-33 halftime lead. Former collegiate star, Ed Sargan, a six foot six inch performer led the All-Stars as he controlled the rebounding added six points to the attack.

Pete Tierney, a former college star from FDU, paced the WWDJ team in the third quarter as the visitors upped their margin to 12 points at 60-48. The All-Stars ended the quarter leading 64-54. Tierney with eight points and Al Culuko with nine points paced the All-Stars while Szem, Grasso, Palma and

Ralph LaConte balanced out the faculty scoring in the quarter.

For a while in the fourth quarter, the faculty had a tough time getting back in the ballgame. However, late in the game the faculty made a comeback that cut the margin to three points at 76-73 with a minute and a

half to go in the ballgame. However, key foul shots down the stretch by Barney Schulman and Al Culuko pulled WWDJ out of any further trouble.

Sargan added eight points to the All-Star scoring in the quarter, while Palma led the faculty with eight in the quarter and finished with 19

points for the night. LaConte added six more for the faculty, including a rarely seen 4 point play midway through the period. However, try what they may the faculty just didn't have enough to win. The teachers had nothing to be ashamed of though and really represented Belleville High School proudly.

In Rec Action

Laker Victory For Juniors

The Lakers took over sole possession of first place in the Belleville Junior League by beating the Royals 28 to 20 while the Knicks just edged the Suns 26 to 24 and the Bullets ran over the Bucks 33 to 21. The Junior League is sponsored by the Belleville Recreation Department.

The Royals found it tough to penetrate the Laker zone defense and were forced to take shots from the outside while underneath, Bob Tosi and Ron Krych pulled down any stray attempts for the Lakers.

Frank Morell was the Royals' most consistent shooter hitting for 10 points while Greg Pettie tallied five. Doug Stone had four and Steve Stanzione one, all below their seasonal averages. Ron Krych had a big day offensively for the Lakers as he finished with 12 points as did Mike Cancelliere. Robert Tosi scored the remaining four points in the Lakers big win.

With the score tied at 24 all, Alan Cervasio sank a 28 foot jump shot at the final buzzer to lift his Knicks to a 26 to 24 win over the Suns. The win put the Knicks in fifth place ahead of the Suns who suffered their sixth. Alan was also the games high scorer with 18 points, while the Suns' James Fusaro finished with 14 points.

The Bullets picked up their fourth loss by a score of 33 to 21. Surprisingly enough, the game was tied at the end of three quarters but the Bullets outscored the Bucks 15 to 3 in the final period to put the game away.

FRANK GODINO of Belleville, competing as a sophomore for Seton Hall, won the West Essex High School Tournament in the 168-pound division. He resides at 16 N. 9th Street here.

Royals Bounce Basketball

The Royals bounced back after their loss last week to the Lakers by swamping the Bucks 42 to 28. The Lakers continued their winning ways with a 34 to 17 win over the Knicks while the Bullets rolled easily over the Suns 29 to 10. The action took place in the Belleville Recreation League for seventh and eighth graders.

The Royals unleashed a hot shooting offense as four starters finished with eight points apiece just behind the ten points of playmaker Greg Pettie. Doug Stone, Chip Bufone, Fran Morell and Steve Stanzione each enjoyed a fine day as they each tore up the Buck defense for eight points. Joe Dunn scored 15 points and Vito Guarino finished with 13 to account for all of the Buck scoring.

The Lakers once again got fine performances from their two big guns, Bob Tosi and Ron Krych, to double the point output of the Knicks. Krych led all scorers with 13 while Tosi closed with 12. Mike Cancelliere scored five points just ahead of Nick Zarra and Joe Luciano who scored two points each.

The Knicks only trailed by two, 15 to 13 at the half but were outscored 18 to four in the second half. Ron Fraga led the Knicks with 10 points, Ron Marshall had three while Steve Servo and Tom Conklin finished with two each.

SCORING A BUCKET over the outstretched arms of several WWDJ performers is this unidentified Belleville High School faculty member. Although the teachers fought valiantly to pull out a victory, they were defeated last week by the out-of-town discjockeys, 82-75.

THE UPS AND DOWNS of wrestling is shown here as Chico Lijo (left) tries to gain the advantage. Lijo coasted to the finals but was pinned there for second place finish.

See Father, Sons Sport Is Hosted By School No. 8

The Home and School Association of School No. 8 held its annual Father and Son Sports Night on Thursday, March 2.

Program Chairlady was Mrs. John DiStasi and guest speaker for the evening was Rocco Cafone, Belleville High School Football coach. Accompanying Cafone were football players Bob Luongo, Allan Frank and Mark Cervino. Cafone and the players opened the program to a question and answer period. A film was shown of the Belleville-Lyndhurst Football game.

Home and School president Charles Miele was happy to see 120 boys attend with their fathers. The boys were treated to ice cream and orange drink. The boys were given a white baseball as a gift. Coffee and cake was served to the fathers.

Upsala College Gets Baseball Scheduling

A 17-game baseball schedule for Upsala College was announced today by Donald Walker, beginning his 26th year as coach of the team.

The Vikings, who last year won the championship of the Middle Atlantic Conference and took the northern division title for the third straight year, open their season on March 25 against Newark College of Engineering at home.

The rest of the schedule follows:

March 29, Newark Rutgers, at home; April 1, Stevens at home; April 4, Wagner at home; April 8, at Albany; April 11, at Drew; April 15, at Wilkes; April 17, Washington, at home; April 20, Elizabethtown, at home; April 22, Susquehanna (2) at home; April 26, at Delaware Valley; April 28, Moravian, at home; April 29, Scranton (2) at home; May 2, at Philadelphia Textile; May 9, PMC at home, and May 13, at Montclair State.

Beck's Column

This is the last FOUR days of the MAGNAVOX factory sponsored ANNUAL Sale. The response by the public has been unprecedented, because the public knows this sale presents a bonafide savings opportunity to buy MAGNAVOX products at a reduced price. MAGNAVOX prices are fair-traded and strictly enforced during the balance of the year.

Although some models have been sold out, we still have a fair selection available. On some sets we revised our prices, because we want to clear them out. This is the real purpose of a genuine sale, to correct one's buying mistakes. It is impossible to buy exactly the correct number of sets and models during the span of a whole year. Everything can be sold when the price is right. This once-a-year MAGNAVOX sale is entirely different than the so-called "sales" that some stores conduct every week during the entire year. MAGNAVOX does not have a sale every week. It is a once-a-year sale. This is the real purpose of a genuine sale, to correct one's buying mistakes. It is impossible to buy exactly the correct number of sets and models during the span of a whole year. Everything can be sold when the price is right. This once-a-year MAGNAVOX sale is entirely different than the so-called "sales" that some stores conduct every week during the entire year. MAGNAVOX does not have a sale every week. New College Coach Named To Head College State Indians

Larry Sciacchitano, the holder of a host of all-time Montclair State College records, has been appointed head varsity wrestling coach at Montclair State College, it has been announced by Bill Dioguardi, Director of Athletics.

Sciacchitano, a 1964 graduate of MSC, is replacing Tim Sullivan as wrestling coach. Sullivan had been the Indian's coach since 1967. He will continue to assist.

The new Indians coach is returning to Montclair State after seven years as head wrestling coach at the New York Maritime Academy, (N.Y.). In making the announcement of Sciacchitano's appointment Dioguardi said, "I am delighted that we have been able to secure the services of one of the country's top wrestling coaches in Larry Sciacchitano. He is recognized as one of the best instructors in the country and I am sure that he will be able to rebuild our program."

In his intercollegiate days at Montclair State, Sciacchitano, wrestled at 190 and heavyweight, posted a career mark of 64 wins and 11 defeats. He still holds three all-time MSC records including most wins in a season (23), most wins by decision in a career (39) and best mark (64-11).

Bellboy Pair Gains Position For State Wrestling Crown

(Continued from Page 11)

Mustachio, already rated a favorite going into regional competition with his first place seed, had the easiest time of all the local performers in gaining his region crown. Boff drew a bye in the opening round and faced a reported strong foe in Bratton of West Essex in the semi-finals. Boff made easy work of Bratton by outpointing his opponent, 9-0. A final round was also a laugher as the 130-pound champion made easy work of Blakey of Paterson, Kennedy, 14-0, to register his second shutout of the regions.

Bennett, in gaining his crown, found the going alittle tougher. Unseeded going into region competition because of his second place finish in district competition, Bennett had to face the 148-pound number one seed in preliminary round. Jim Bright of Montclair had been district champ the last two years and he was a heavy favorite to take Bennett down. The varsity squad co-captain showed that he came to win as he outpointed Bright, 5-2, for the surprise of the competition.

"I always thought Bennett could win it all. He faced his toughest foe in the opening round so if he got past him I knew he could go all the way to the championship," remarked coach Salvetti. "No, Bennett's win didn't surprise me."

Bennett, after finishing off Bright, defeated an easy Richfield Park foe, 7-0, before entering the most exciting match of the Paterson competition. Essex Catholic's Villano was rated a strong favorite to beat Bennett in the finals but the match to determine the champion in the 148-pound class was tied, 1-1, after regulation time had expired. Bennett then outdistanced his opponent by gaining a final point in overtime to win, 2-1.

Lijo, who also made it to the finals before bowing to Pans of Leonia, had two easy victories in both the preliminary and semi-final rounds.

Chico topped his Nutley opponent, Horvath, in the opening round, 7-0 and again registered a shut-out win in the semi-final, 6-0, over a Passaic Valley foe. Lijowas trailing, 4-0, to Pansi when the Bellboy stand-out was pinned to the mat in the third period.

Banda had a struggle in reaching the finals, where he bowed to old foe Gary Thunell of Essex Catholic. It was the third time this season Banda lost to the Eagle star. Banda, in the opening action, outpointed his Ft. Lee opponent, 3-2, and gained the

right to compete in the finals by defeating Hayspell of Paterson, Kennedy, 2-1, in a

very close match. In the shut-out by Thunell, Banda was beaten, 1-0, but the Essex

Catholic performer was awarded another point for riding time.

Cager Heads Board

Frank "Pep" Saul, one of the finest basketball players in Seton Hall University history and a six-year veteran of the National Basketball Association, was named last week as the sixth member of the Essex County CYO's Board of Directors.

The Rev. Peter M. Cuttito, county CYO director, announced that Saul will join Frank Tripucka of Bloomfield, Philip McLaughlin of West Orange, John McLaughlin of Kearny, Thomas P. Higgins of Harrison and Frank Romano of Livingston as board members.

Saul, who resides at 23 West Harrison Place, Livingston, is married and the father of four boys and four girls. He also has two grandchildren.

"Pep", former chairman and 7-year captain of Livingston Recreation and Park's Department's Advisory Council, first flashed on the New Jersey basketball scene as a star with Holy Trinity High School in Hackensack. He went on to earn All-American honors as a backcourt man with Seton Hall University, graduating from the South Orange school in 1949.

Saul played in the N.B.A. with the Rochester Royals, Minneapolis Lakers and Milwaukee Hawks.

ICE ACT is seen as Mary Jo and Dan DeSantis rehearse a scene in preparation for Funorama on Ice which will be presented April 22-23 at South Mountain Arena, West Or-

ange. The brother and sister live at 83 Magnolia Street, Belleville, and are members of Essex Skating Club, producers of benefit.

Smith Attends Pollution Talk

Joseph F. Smith, Belleville Police Chief, participated in an air pollution orientation seminar sponsored by the Essex County Association of Police Chiefs at the Turtle Brook Inn, West Orange, on March 1.

The program was conducted by Thomas A. Pluta, executive Director of the Suburban Air Pollution Commission, West Orange, and Andrew Bara of the New Jersey Department of Environmental Protection. The Commission is a regional air pollution control agency serving 11 communities in Essex County.

Michael Festa, Verona Health Officer & chairman of the Commission's Education

Committee, indicated the innovative effort is "intended to develop a better understanding of the workings of the local police departments and the Commission in order to improve coordination of control activities for our mutual benefit. The effective implementation of existing and proposed air pollution regulations requires the use of available local manpower."

Association president William C. Peto, Maplewood Police Chief, indicated, the program was developed in cooperation with Henry T. Lyon, director of the Essex County Police Academy; Peter G. Connell of the Police Training Commission; and P.A. Defazio, West Orange Police Chief and chairman of

the Association's Education Committee.

The program presented current air pollution problems in terms of their source, transport, effect, and control. The organization and responsibilities of local air pollution control programs and the scope of local air pollution codes was discussed. The role of the local police official during air pollution emergencies and police enforcement responsibilities relating to motor vehicle air pollution regulations was also outlined.

The orientation program will serve as the basis for future in-service training programs for local policemen conducted at the Essex County Police Academy.

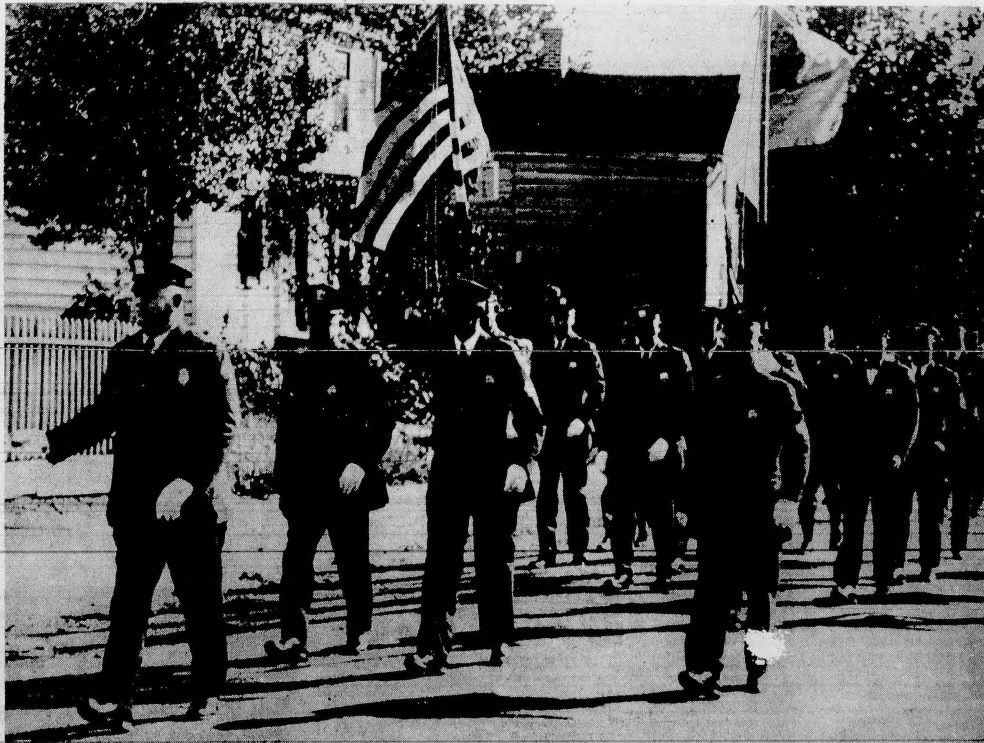

Teacher Negotiations See Two-Year Pact Proposed

(Continued from Page 1)

could be scheduled sooner. "I would like to see a settlement but if they are in no hurry then we will go along with that," the BEA president added.

Testa feels that a contract will come way before the September school opening but he added that "schools will not be opened in the fall" if teachers have no contract.

"We will not work without a contract," he concluded.

POLICE DEPARTMENT MARCHES down Dow Street south of William Street in this 1933 Belleville parade. Names of

Two Youths Pay Penalties For Drinking

In two unrelated cases February 23 in Nutley Municipal Court, Judge Edwin J.C. fined minors for possession of alcoholic beverages.

Sal Mino, 18, of 11 Taft Street, received a fine of \$50.

In another case, Louis Metro, 19, received a fine of \$25. Charges against Diane Viviani, 18, and Dennis Moncivelli, 20, were dismissed. The incident occurred on January 28 at 9:08 p.m.

N.J. Bell Asks Hike In Rates

New Jersey Bell Telephone Company has filed with the Public Utilities Commission a two-part request for higher intrastate telephone rates.

The company asked for an immediate "catch-up" increase of \$67 million, about 11 percent in additional revenues.

Robert W. Kleinert, president of New Jersey Bell, said: "This interim increase is essential to enable us to earn at the level set by the Public Utilities Commission in January, and to help us catch up with known additional costs of doing business."

In its January rate order which authorized a 7.93 percent rate of return for the company's intrastate operations, PUC characterized its decision as one which would provide "only the barest bones of revenue absolutely required to insured expansion without deterioration of service."

The company also requested a further increase of \$70 million, which would not become effective until full hearings before the Public Utilities Commission were completed.

The company said the second amount will be needed to reach an earnings level that will support the massive construction programs it must mount in order to meet New Jersey's expanding communications needs in the years ahead.

"Our estimates show that we will have to invest \$2.5 billion in construction in the 1972-1977 period," Kleinert said. "This means we will more than double our total plant investment—build a New Jersey Bell—in six short years."

The combined increase the company is requesting would total about \$137 million. The full amount would raise the cost of individual line residence service by an average of \$1.75 a month, and individual line business service by an average of \$3.70 a month. Increase charges for certain intrastate toll calls and other services are also included in the company's proposals.

"Our record in holding down the price of telephone service in the face of rising costs is a remarkable one," Kleinert said. "Few if any companies have done better. The cost of telephone service to New Jersey Bell customers has risen only 2.5 percent since 1958, while the Consumer Price Index has jumped 42 percent."

"But we can no longer hold the line. We must seek higher rates to enable us to maintain the high standards we have set for telephone service in New Jersey," he said.

Port Opportunity Council Provides Minority Training

The formation of the Council for Airport Opportunity, to provide more training, educational and employment programs for minorities at Kennedy, LaGuardia and Newark Airports, was announced today by Frank C. Wiser, president of Trans World Airlines and Harry S. Wheeler, director of manpower for the City of Newark who are co-chairmen of the Council's Board of Directors. The Board includes leading representatives of the aviation industry, labor unions, community organizations, as well as federal, state and local governmental agencies in the New York-New Jersey metropolitan area.

The Council's efforts will be directed toward increasing the opportunities of minority airport workers for employment and advancement. When fully established, the Council also will operate employment centers, offer consulting services to minority entrepreneurs providing goods and services to airport companies, and offer occupational training. Financial support of the Council will be shared by the airlines, the aviation service companies and the Port Authority.

Belleville Man May Have Solved Oil Spill Problem

The chief research affiliate of the Standard Oil Company of New Jersey hopes it has found the way to prevent, or at least minimize oil spills from tankers in distress by solidifying the cargo.

The gelling process is expected to avert the escape of

oil from a damaged compartment. Oil-soluble organic chemicals react with each other to form a polymer that physically entraps the oil. There is no chemical change in the crude oil itself.

Esso Research and Engineering Company, Linden,

received patent 3,634,050. Development of this process is being financed in part by the Environmental Protection Agency.

Heading the project is Dr. Edward Corino, a former Belleville resident, working along with Dr. Corino are en-

gineers Edward Broderick and Gerard Canavari.

Dr. Corino was graduated from Belleville High School in 1954. He continued his education at Newark College of Engineering and was graduated from there in 1958 with a BS degree in Chemical En-

gineering. Upon his graduation he was employed by Merck Company of Pennsylvania for one year.

He resumed his education at Ohio State University, Columbus, Ohio as a graduate assistant and received his MS degree. He was then

awarded a fellowship from the National Science Foundation Institute and went on to receive his PhD.

Dr. Corino is the son of Mrs. Jennie Corino of 32 King Street, Belleville and the late Carlo Corino. He is

married to the former Marlene Davis of Rutherford, New Jersey, a registered nurse. Dr. and Mrs. Corino have four children, a son Edward, and three daughters Dawn, Suzanne, and Kelly. He and his family now reside in Succasunna, New Jersey.

Major Ward Helping Kids

Marine Major Richard T. Ward, son of Mr. and Mrs. Richard F. Ward of 236 Little Neck, Belleville, helped to make life a little easier for children at the Colegio Oriental Adventista Orphanage in Naguabo, Puerto Rico.

His unit, Beaufort, S.C., based Marine Fighter Attack Squadron 451, has donated 1,500 pounds of children's clothing, toys and school supplies to the 40 children of the

Petersen Finishes Advanced Training

Army Private Daniel M. Petersen, son of Mr. and Mrs. Rudolph W. Petersen of 90 Joralemon Street, Belleville, recently completed eight weeks of advanced individual training at the U.S. Army Armor Center, Fort Knox, Ky.

During the training, Petersen learned the duties of a tank crewman, including the firing of the tank's armament and small weapons. He also received instruction in field road operation, map reading and tank maintenance and repair.

The 23-year-old soldier received his bachelor's degree from Seton Hall University at South Orange. He is a member of Tau Delta Phi Fraternity.

J. Iadimarco Sees Cruise

Navy Petty Officer Second Class John M. Iadimarco, son of Mr. and Mrs. Anthony E. Iadimarco of 207 Belleville Avenue, Belleville, has returned to homeport at San Diego after a two-week cruise in the Western Pacific aboard the destroyer USS Rupertus.

He is a 1967 graduate of Belleville High School.

orphanage, managed by 70-year-old Mrs. Carmen Diaz. The donations were gathered by Ward, the men of his unit and concerned citizens of the Beaufort, S.C. area, and was the second group of gifts to be flown down.

Ward and his squadron were in Puerto Rico for routine training operations and have now returned to homebase at the Beaufort air station.

He is a 1960 graduate of Seton Hall University, South Orange.

Air Force Promotion For Esel

Philip G. Esel, son of Mr. and Mrs. H. H. Esel of Belleville, has been promoted to Technical Sergeant, U.S.A.F.

He is presently in charge of cadet personnel at the A.F.R.O.T.C. on the Mississippi State University campus.

T/Sgt. Esel has been stationed overseas in Africa, Germany and the Philippine Islands. His State assignments were Arizona, Cal., The Pentagon and now Mississippi. He is also majoring in Business Administration at M.S.U.

T/Sgt. Esel is married to the former Joyce Coleman of Belleville. They have five children, Pat, Randy, Gregg, Tim and Wendy.

Dwelling Damaged By Smoke, Flame

A two-and-one-half story frame dwelling was "moderately damaged" by fire, smoke and water February 6.

Walter Worrall Re-elected Head Of Quality Weeklies

Walter Worrall, head of Worrall Publishing Company of Maplewood and of Worrall Publications of Orange, was re-elected president of Quality Weeklies of New Jersey at its recent meeting.

Quality Weeklies is the national advertising representative for 43 newspapers in 13 northern New Jersey counties. Worrall acquired the News-Record of Maplewood and South Orange in 1968 and the East Orange Record-Orange Transcript, West Orange Chronicle last year. His entire business career has been in newspapers, first as a compositor with the Paterson Evening News, then as advertising manager of the Citizen of Morris County for ten years prior to taking over the Maplewood-South Orange paper. He received a degree in business administration from Rutgers University and lives in North Haledon.

Worrall's papers are charter members of Quality Weeklies, which was founded 29 years ago. The association offers the economy of scheduling advertising campaigns in many papers at one time on a one-order, one-invoice, one-check system, strengthened by regional merchandising and marketing services and long-term rate guarantees. The office is at 543 Valley Road, Upper Montclair.

John A. Sullivan III, advertising manager of the Progress of Caldwell was re-elected vice president. Also elected a vice president was Carter J. Bennett. Bennett is

editor of the Item of Millburn and Short Hills and associate publisher of the Cranford Citizen and Chronicle. Donald L. Mulford, executive vice-president and associate publisher of the Montclair Times and executive vice-president and secretary of the Verona-Cedar Grove Times, was re-elected secretary. William M. Litvany, general manager of the Bloomfield Independent Press and the Glen Ridge Paper remains as treasurer.

Pat Faiella, general manager of Quality Weeklies, reported that 2,124,745 agate lines of advertising were placed with member newspapers last year.

Mayor Proclaims Red Cross Month

Mayor Joseph McGreevy this week proclaimed the month of March as Red Cross month in Belleville.

His statement follows: WHEREAS, in our Town of Belleville, our State of New Jersey, and around the world, The American Red Cross symbolizes the rendering of neighbor to help neighbor, and

WHEREAS, The American Red Cross has assumed the leadership role in the fight against poverty and actively serves and involves the entire community, and

WHEREAS, The American Red Cross provides around the clock assistance to our servicemen and women in Vietnam and around the world, and

WHEREAS, The American Red Cross stands ready to provide immediate aid to the victims of flood, fire, storm or other catastrophe, and

WHEREAS, The American Red Cross provides to hospitals, agencies and physi-

Stephen Wiley Named United Fund President

The United Community Fund and Council of Essex and West Hudson has a new president as a result of their annual meeting held on February 17 at the Robert Treat Hotel in Newark.

Peter Carmell, president of Fidelity Union Trust Company and president of the UCF for the past two years, announced that the Fund has changed its name to United Way of Essex and West Hudson, and completely restructured its organization and administration.

Under the new structure, the board of trustees will have 37 members rather than the customary 75 and all func-

tions of the organization will be divided into three areas: campaign; agency relations and allocations; community planning and development.

Carmell stated that the new streamlined structure "will produce many positive results in increased efficiency, meeting real priority needs, and stimulating better understanding and confidence on the part of the public."

Reporting on his two years as UCF president, Carmell noted that this year brought the second consecutive successful fund raising campaign which involved more than 10,000 volunteers who worked to exceed the

\$4,150,000 goal. John B. Stoddard, Jr., senior vice president and general counsel for Prudential Insurance Company, served as campaign chairman for the drive which raised the greatest amount of money ever realized in a UCF campaign and accomplished it in less time than ever before.

Carmell, on leaving the presidency, will become United Way treasurer and chairman of its finance committee.

Stephen B. Wiley, a partner in the law firm of Meyer and Wiley, was elected United Way president at the meeting. He is a former vice president and trustee of the UCF and served as campaign vice chairman in 1969 and chairman of the first successful campaign in 1970. He served as counsel to the Governor of New Jersey, 1960-1962, was president of the Community Chest and Council of Morris County, 1964-1965, and was the first president of the United Fund of Morris County, 1965-1966. He is a trustee of the United Way of Morris County; a member of the Committee of Managers of the Morris County, chairman of the board of Morris Catevision; and associate editor of the New Jersey Law Journal.

The United Way campaign committee will be headed by Charles R. Bergmann of Westfield.

Local Girl Scouts Return From Winter Field Trip

Cadet Girl Scout Troop 950, Christ Church, Belleville, journeyed to Hillcrest Farms, Stroudsburg, Pa. in the Pocono's for a three-day winter sports trip.

The girls left early Monday morning, Feb. 21, and winding their way up the mountains were struck in the snow only once on the way for about fifteen minutes until help arrived in the form of the county cinder trucks, and pulled the bus out.

Everyone enjoyed themselves skiing, sleighing, to-

bogganing, and especially swimming. It's a strange feeling to be in a nice warm indoor pool and looking out through frost stained windows to the snow outside. They were greeted warmly and fed

hearty. Evenings were spent in the main lodge singing "around the campfire."

Feb. 22, being Girl Scout Thinking Day, a short skit was performed by the ninth grade members of the troop on the life of Juliette Low, the founder of the U.S. Girl Scouts, and donations were made to the Juliette Low World Friendship Fund which furthers international opportunities and the advancement of the Girl Scout movement throughout the free world.

J. Mallack; Served Here As Custodian

John F. Mallack of 254 Joralemon Street died February 21 at St. Michael's Hospital in Newark. He was 69.

He was born in Belleville and lived here all his life, working as a custodian of School No. 3. He was a veteran of World War II.

He is survived by his wife, Alice V. Clark Mallack and his brothers, James of Toms River and Joseph of Belleville, and three sisters, Mrs. Mary Lawlor of Florida, Mrs. Margaret Carraher of Edison and Mrs. Ruth Bride of Belleville.

A funeral Mass was celebrated at Saint Peter's Church and was officiated by Reverend Richard J. Groncki under the direction of the Kiernan Funeral Home.

Interment was at the Immaculate Conception Cemetery in Montclair.

Mrs. Frank Connolly, 61

Mrs. Olive Harriet Connolly of 1140 Broad Street in Norwalk, Cal. died February 5 in Norwalk at the age of 61.

She is survived by her husband Frank, her nephews,

Bernard O'Connor, Joseph and Gerald Stuhls, all of Belleville and her nieces, Mrs. Rosemary Little and Mrs. Lorraine Bartholomew of Belleville. Mrs. Kathleen Little of Nutley and Mrs. Maureen Demard of Bloomington.

Funeral Services and interment were in Norwalk, Cal.

Interment was at St. Peter's Cemetery.

A funeral Mass was officiated by the Rev. Richard J. Groncki under the direction of the Kiernan Funeral Home.

Interment was at St. Peter's Cemetery.

19-I. LANDSCAPING

AMERICAN LEGION Post 105 in Belleville Tuesday evening celebrated its 53rd year by honoring three new life members. Post commander Anthony Mariani (right) presents gold life member cards to (l-r) Jack Gorman,

Essex County commander; Jack Lee, past county commander and past vice commander and Mrs. Gene Milano, who accepted card for father, former Mayor Kenneth Smith.

Red Cross Drivers Needed

The Belleville Red Cross is appealing to the people of Belleville for volunteer drivers to assist them in serving the people of our community who need transportation to doctors offices, hospitals and clinics for necessary medical attention.

Their workload is increasing drastically and they are doing everything in their power to fulfill these needs but they desperately need additional volunteers.

Experienced drivers, male or female who have any available time regardless how little are urged to call the Belleville Red Cross 759-4610.

Public Works Benefits

Two Officials Explore Federal Funds Assist

A pair of Belleville Commissioners are now exploring ways of obtaining federal funds to initiate two Public Works projects in Town which would alleviate flooding at Municipal Stadium and increase water pressure in the Valley section.

Mrs. Mary Senatore, director of Public Works, is sending a letter to Essex County Freeholder Harry J. Callaghan asking that Belleville be included under a federal program designating Essex County eligible for public works funds under Title I of the Public Works and Economic Development Act of 1968.

Commissioner Michael Marotti on the other hand, besides exploring the method to obtain funds through Freeholder Callaghan, is hoping that legislation in congress proposed by Reps. Peter W. Rodino Jr. (D-10th Dist.) and Joseph G. Minish (D-11th Dist.) to expand the accelerated public works program will ultimately help Belleville.

Mrs. Senatore, if she obtains the federal funds, would like to use the money for installation of a new water main in the Cortlandt Street area. The main would increase water pressure in the Valley section of Town. Town Fathers have already okayed a resolution to begin the project and contract bids will go out next week. Mrs. Senatore states that the cost will be about \$90,000 but if federal aid can be obtained, it will split the cost of the main on a 50-50 basis.

In a joint venture, Commissioner Marotti and the Public Works Department would like to improve flood conditions at Municipal Stadium. That project hinges on the success of the Town to obtain federal funds. According to Marotti, a severe flood condition exists on the west side of the auxiliary football field at Municipal Stadium.

He would like to alleviate that condition.

"There is terrible drainage around that section of the field," remarked Marotti. "If we can obtain these federal funds I would like to develop that area for a soccer field. Also, the football team would be able to practice there."

But the stadium plan is entirely contingent upon receiving federal aid. Marotti said he may be able to get funding on an 80-20 basis with the federal government paying the majority of costs.

Freeholder Callaghan for months has been trying to get

Transport Bids Out

Bus Strike Solution Sought By Educators

By John J. Bunevich

About 500 Belleville students affected by the Transport of New Jersey bus strike may get relief this week.

The Board of Education is now accepting bids from area transportation firms in an effort to hire busses for the duration of the strike.

Union negotiators met with representative of the struck-bus company yesterday to resolve differences but as of early this week both sides seem far from a settlement. Transport of New Jersey formerly Public Service Co., just four months ago turned from a public to a profit-making organization and it may take months to come to terms with the union.

Harold Dufford, Belleville business administrator for the school system, has sent letters to eight area bus firms informing them that the Town is now accepting bids on transportation for the duration of the strike. The companies range from as far out as Whippany to Paterson, Clifton and Jersey City. The School Board will accept bids on a per diem or contractual basis.

"Hopefully, we will get a favorable response. We may have busses as early as next week," remarked Board of Education member Caesar Ramano.

Ramano, who has been

for the Board of Education to see how the strike has affected schools and classroom at-

(Continued on Page 3)

CAR POOL shown above is one of many set up at Belleville Junior High School to transport students during the bus strike. Here (l-r) Peter Haenchen and friend

Mike Vorgias get into auto driven by Mrs. Marita Haenchen. She drives six students on two trips per day.

Patrolman Pair Foils Armed Robbery Caper

Two alert Belleville patrolmen foiled an attempted armed robbery last Thursday and within 24 hours of the crime two prime suspects were arrested.

Apprehended at the scene, was a 20-year-old Newark man and the following evening another 20-year-old Newarker was arrested in his home by Belleville detectives.

The attempted armed robbery took place about 10:30 p.m. last Thursday, March 9, on Belmont Avenue. Samuel James, 64, was reportedly resting in his 68 Belmont Avenue apartment when two men entered the premises.

According to Deputy Chief Frank Haight, the two men held a six-inch switch blade knife to James' throat and demanded his money. A neighbor, report police, heard the disturbance and notified police. Meanwhile, the two robbers took James' cash and fled.

Patrolmen Robert McDonald and Charles Oese were dispatched to the scene and arrived just as the two suspects were leaving the apartment house. The two cops immediately caught one suspect but the other man successfully fled on foot.

After a short investigation, the two officers obtained the name of the other suspect and the following evening Belleville detectives Martin Natale and Frank Falcone, with the assistance of three Newark detectives, arrested the man in his home.

The suspect arrested at the scene is now being held in lieu of \$3,500 bail in Newark Street Jail pending a March 22 Municipal Court hearing.

Juveniles Nabbed In Siding Snatch

Two Belleville juveniles were arrested Sunday evening by police after a day-long surveillance outside the National Siding Co. on Stevens Street. The pair has been charged with "breaking and entering the premises."

A charge of juvenile delinquency has been leveled against a 14-year-old and a 16-year-old, both from Belleville. The two youths have been released into the custody of their parents.

Police officials report that James Clark, owner of the National Siding Co., 55 Stevens Street, came into headquarters Sunday morning after he discovered an overhead side door on his business had been forced open. Clark told

police a quantity of aluminum siding had been taken from the firm and placed outside, against a nearby fence. Clark said the aluminum siding was valued at over \$1,000.

Kindergarten Registration

Anthony J. Greco, Superintendent of Schools, announces that efforts are now being made to determine kindergarten enrollment for September. All children who will reach their fifth birthday by December 31 are eligible for enrollment.

Parents of eligible children are urged to see the elementary school in their district as soon as possible.

Washington Ave. Slated For New Traffic Lights

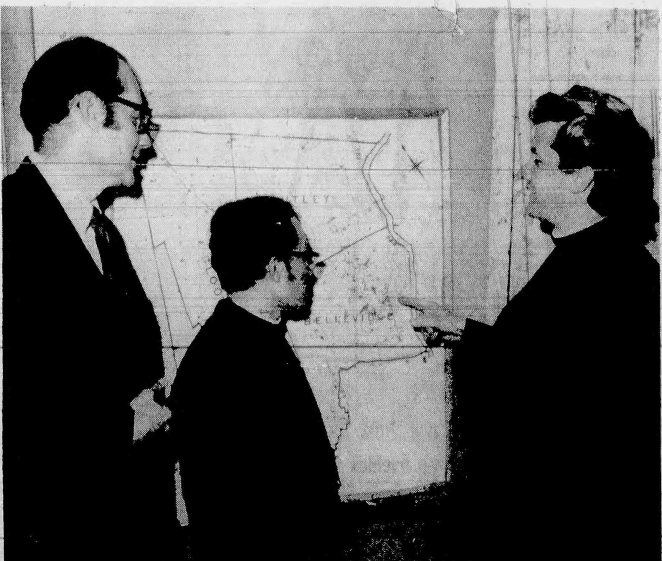

Nine traffic lights at intersections along Washington Avenue may have new equipment installed under a federal program, reports Robert Laterza, director of Public Safety. Commissioners Tuesday night unanimously resolved to allow the change.

According to Laterza,

many traffic lights here are of the station type. Under state law, all highways are required to have overhead lights. Washington Avenue is a state highway. The Topics program allows for the federal government to pay for 100 per cent of the costs with the State Highway Department

installing the new lights. Intersections involved include Mill Street, Little Street, Division Avenue, William Street, Belleville Avenue, Holmes Street, Joralemon Street, Greylock Parkway and Overlook Avenue. Also changed will be the Joralemon and Main light.

Ministerium Plans Religious Survey For Entire Town

MAP OF BELLEVILLE is eyed by three members of the Belleville Ministerium, an organization of all churches in Town which plans to conduct religious survey here on Saturday, March 25. Studying map (l-r) is the

Rev. Alfred Stone Jr., with the Rev. Vincent Avenola of St. Anthony's and the Rev. Albert Aspach, chairman of Ministerium.

Set Next Week

Members of the Belleville Ministerium are now finalizing plans for the first religious survey to be taken in Belleville. Officials are now enlisting the services of 200 volunteers to canvass the Town Saturday, March 25, in a unified attempt to unravel Belleville's religious makeup.

Residents are asked to stay near home March 25 to answer about 15 questions about their religious practices. The pollsters, made up of volunteers from most of the churches in Town, will take to the streets 9:30 a.m., March 25, and will carry on until the approximately 10,000 dwellings have been covered. Each pollster will be wearing an identification badge and will take only two minutes of the responder's time, according to the Ministerium spokesmen.

In addition to a questionnaire to be filled out, volunteers will distribute a free booklet comprised of emergency information. The booklet, besides listing all churches in Town and their

(Continued on Page 14)

Belleville Living In The Gay 90's

By Allan Crisp
Town Historian

Town Historian Allan Crisp takes a hard look at Belleville 76 years ago, in the gay nineties, when prices were lower, taxes were almost non-existent and the pace of life in Town was much slower. Opposed to today's multi-million budget, the Township's total tax rolls in 1898 garnered only \$50,668, and that amount was more than sufficient to run affairs.

In these days of high prices, and high taxes, it might have therapeutic value to look at the annual report of Belleville's Township Committee on April 1, 1898, seventy-six years ago.

Members of the Township Committee were: Henry W. Underwood, Chairman; James T. Boylan, Treasurer; J.A. Finan, Dr. Edward O. Cyphers and Pierre Black; John J. Hannan, Clerk.

Tax collections were \$50,668, miscellaneous collections (including the sale of \$21,168 in school bonds) and a \$5 item covering the "Sale of Old Desks", brought total receipts to \$94,692.

Expenses totalled \$65,876, including an "Incidental Account" of \$6,410 to cover a number of interesting items.

D. Malague, putting up election booth \$40.00
Board of Fire Commissioners, rent of hose houses for election 40.00
Board of Fire Commissioners, one length of hose 27.50
GAR celebration, Memorial Day 75.00
Frank Carragher, putting up street signs 40.05
Sunday Call, advertising reward 69

James Smith, clearing snow from sidewalks 3.00
John Scaine, ditto 6.00
Patrick Daly ditto 3.00
William Powers, and others, clearing snow from crosswalks and culverts 37.50
O.H. Perry, Town Counsel 100.00
J.J. Hannan, Services Town Clerk 198.00

Each member of Town Committee 100.00 (plus \$10 as member of Board of Health)
Eight "inmates" of the Town House (now the Recreation House) and 28 families were assisted on a budget of \$2,000, which included \$400 for John Mulligan, Overseer of the Town House. Disbursements included such items as: Henry Reeves, carriage taking Mrs. Mulday's children away to Home 1.00
Matthew McManus, 6 days work around Town House 9.00
Board of Health 90
Seed 1.00
Repairing chairs 5.25
Wine

It cost slightly under \$25,000 to operate Belleville's schools in 1898. Teachers' salaries totalled \$8,454, janitors \$834, textbooks and stationery \$803, enlarging and repairing \$1,761, account new schools 7,855 and incidentals \$1,810.

Before you start wishing for "the good old days"—just think of Matt McManus working around the Poor House for six days and being paid \$1.50 per day!
