

ACTING MAYOR Michael Marotti signs proclamation designating the week of March 12-19 as International DeMolay Week. Members of the local organization (l-r) Ron Vanderhoff, Alan Grossman, John Atherton and Edward Hoover look on. Young men were guests at Commission meeting.

With Proclamation

Commissioners Honor Local DeMolay Group

Members of the Suburban Chapter of the Order of DeMolay were honored at the Belleville Commission meeting last week. To touch off the lauding of the local mens group, Mayor Joseph McGreevy proclaimed March 12-19 as International DeMolay Week.

Headquartered at the Masonic Temple, 126 Joralemon Street, Edward Hoover is the master counselor with Fred McCull senior counselor and Jerry Price junior counselor.

Mayor McGreevy, in the proclamation, said "the Order of DeMolay is a character building organization of young men from 14 to 21 years of age, who are seeking to prepare themselves as better leaders and citizens for tomorrow by developing those traits and strengths of character of all good men."

"The organization has carried out the aforementioned goals for over 50 years through programs of athletic competitions, social activities, civic service and char-

table projects.

"All the DeMolay members will observe the year of 1972 as the 53rd anniversary of DeMolay. I proclaim that March 12-19 be observed as

international DeMolay week and call upon all our citizens to join in saluting the young men of DeMolay and in expressing our grateful appreciation of the fine examples

Apartment Complex Gets New Ownership

Louis Schlesinger Company, Clifton Realtors, reports the sale of the Belle View Gardens, a garden apartment complex located at 5 Belle View Court in Belleville.

Belle View Associates, an international investor group, has sold the property to a client of the Investment Department of the Schlesinger firm.

Belle View Gardens, which was erected in the late 50's, consists of 132 units (76 one-bedroom and 56 two-bedroom apartments), plus 48

garages.

The Georgian brick colonial project is located just off Joralemon Street in Belleville, close to the Garden State Parkway, and is situated on four acres.

Paul W. Newman, investment manager of Louis Schlesinger Company, conducted the negotiations.

Paul W. Newman, a native of New Jersey, has for the past several years been active in the real estate investment and syndication field in all parts of the United States.

Religious Tally Set Saturday

Over 200 pollsters from the Belleville Ministerium will canvass the Town Saturday in an attempt to compile the first complete religious survey here ever.

Officials of the inter-denominational group are asking Belleville residents to remain home Saturday until contacted by their representative. The mini-interview, to be asked hopefully at each home, will take approximately two to three minutes. Pollsters will be identified by badges. They will also be distributing a free booklet giving emergency telephone numbers and listings of all churches and their pastors in Town. It is hoped the survey will identify Belleville's religious makeup.

Pollsters, made up of volunteers from most of the churches in Belleville, will use their gathering point. Taking to the streets at 9:30 a.m., they hope to cover the approximately 10,000 dwellings in Town during the day. A continuous prayer vigil for the success of the survey will be held in Fawcett Church.

The 15 to 20 questions asked will include the street and house number of the home. How many people live at this address? How many adults? How many school-age children? Number of years family resided in Belleville? Did you attend church last Sunday? Are you currently a member of a church? Where

is your church located? How would you describe your church attendance? and the approximate age of the person answering the questionnaire.

In Belleville

Senior Citizen Center Opens

The days may be more fulfilling for senior citizens in Belleville with the recent opening of a Senior Center by the Essex County Park Commission. Although those frequenting the center have been made up mainly of men, for the first time this month, a special day has been set aside for women seniors.

The Belleville Center, now offering new programs for seniors, is located at the crest of the hill on Belleville Avenue in Belleville Park, across from the Getty Service Station. The hot pink building has been utilized by the Essex County Park Commission for special use by seniors. Open daily on an informal basis from 9 a.m. to 5 p.m., the center is offered free to all local residents. An unusual activity program for both men and women began this month every Thursday from 1 to 4 p.m.

Special activities on Thursdays include a general meeting, a physical fitness program, refreshments, in-entertainment and guest speakers.

Guest speakers for the month of March will include Jack Squaritto of the Essex County Park Commission and James Smith, representing Turtle Back Zoo. Arrangements are now being made for a speaker from social security. Future speakers will include Neil Owens of the Essex County Office on Aging, a feature movie ori-

For School Kids

Fail To Provide Temporary Buses

Hopes of obtaining buses for the duration of the strike by Transport of New Jersey have dimmed with all avenues to a solution ex-

hausted. About 500 Belleville students must now provide their own transportation to school.

"I have no hope for any other bus company to provide transportation for our students," reported Harold Dufford, business administrator for the school system. "We must consider ourselves fortunate that the elementary school children have been affected by the strike."

The strike by union drivers against Transport of New Jersey, the bus firm which provides transportation for about 500 Belleville students, is now entering its fourth week. Dufford has contacted over ten bus companies in the area to provide transportation for the duration of the strike but he has been unsuccessful on each count.

"None of the companies I

talked with can handle the load," Dufford said. "We need about 14 buses to fulfill our needs but I even tried getting a few buses if only just to transport Belleville students living in distant areas. I've had no success at all."

Schools superintendent Anthony Greco speculated that it was not a lack of buses that prompted the companies contacted to give a negative response, but rather a reluctance to tamper with union dealings.

"I'm not sure that the other companies may want to help. They may not want to cross the picket lines," remarked Greco. "We've tried contacting several bus companies but they all give the same answer. They don't."

(Continued on Page 13)

Easter Bunny Visits Shoppers Tomorrow

Children of Belleville will get the opportunity to visit with the Easter Bunny when he arrives at Town Hall tomorrow. The giant hare will be stationed in a trailer, parked in the Municipal lot adjacent to Town Hall.

The Easter Bunny will be here tomorrow 10 a.m. to 8 p.m. with members of the Belleville Women's Club offering photos of children visiting with the bunny. Proceeds from this venture are slated for the Craig Fabian Fund, a non-profit group here assisting local young men.

Financing the rental of the trailer and other costs are over 20 businesses in Belleville. The stores are also offering a special prize drawing with entry blanks available at participating businesses or at the bunny trailer. Gift certificates will be awarded as prizes. Stationed here until April 1, the Easter Bunny may be visited during the following hours:

March 25, 10 a.m. to 6 p.m.; March 27 to March 30, 10 a.m. to 6 p.m.; March 31, 10 a.m. to 8 p.m., and on April 1, 10 a.m. to 6 p.m.

A Chamber of Commerce Committee headed by Larry Cololillo and Joseph Querino is providing candy for children. They are also handling the details of the visit. Pictures by Polaroid camera are \$1.50 each.

Supporting the project are many local businesses, including the Glass Co., Claire's Children's Wear, the Sun Glo Co., Mill's Photos, De Wit Savings and Loan Assn., Abbott's Drug Store, the Terry Shop, Joseph's Men's Shop, the Belleville Motor Lodge and Belleville Shoes.

Also Vic's Cigo Service Station, Mary Dell Fashion, Karl's Sales and (Continued on Page 13)

EASTER BUNNY, seen here entertaining little Gerard Mansced of Belleville, will be at Town Hall tomorrow. The oversized hare will remain here to April 1 for benefit of local children.

Car Owner Pays

Highway System Costs \$507,000

Car owners in Belleville are beginning to realize that Uncle Sam's 42,500-mile Interstate Highway System, now three-quarters finished, has become a more costly undertaking than expected.

They know that because they, along with the rest of the motoring public, are footing the bill through their purchases of gasoline, tires and other items.

At the present time, the Federal government is collecting some \$507,000 a year from car operators in the local area. The bulk of it is derived from the four-cent tax levied on every gallon of gas.

Not included in this total are the auto-use and gas taxes collected by the state.

The revenue is deposited in the Highway Trust Fund, which pays 90 percent of the cost of construction. The other 10 percent is borne by the states.

For the typical driver in Belleville, who covers 10,000 miles a year and gets 14 miles to the gallon, the annual cost is about \$30 according to government figures. For those who travel more or less than this average, the cost varies proportionately.

Based upon the number of cars in operation in the local area during 1970, it adds up to \$507,000 a year.

The increasing cost is attributed to the expansion of the highway system for the original 41,000 miles to 42,500 miles and to the fact that the expected completion date is now 1978 instead of 1972.

As a result of the changes, the ultimate expenditure will

be about \$75 billion, it is estimated. That is nearly double the figure set in 1956, when the project was started.

Because of the extended construction time, car owners in Belleville will be contributing an additional \$3,042,000 before it is finished.

(Continued on Page 13)

Two middle-aged men, wearing ski masks and armed with a pistol and a shot gun, pulled a successful armed robbery of a tavern in Belleville and made off with an undetermined amount of cash. The caper took place last week at a local bar and grill full with patrons.

The Brighton Bar and Grill, located at 35 Harrison Street, Belleville, had its typical Friday night crowd when the shocking incident took place at the height of its business hours. The two men stormed into the tavern about 8:30 p.m., complete with ski masks, shotgun and pistol. Everyone in the bar froze as one man covered the customers while the other bandit om-

ptied the cash register of its loot.

To add insult to injury, before leaving the men scooped the top of the bar clean of its cash. The customers were thankful though that the armed robbers didn't take time to rob each one of them.

College Board Testing Slated At High School

Deadline to register for the College Board Entrance Examinations, to be held May 6 in Belleville High School, is March 30. Students enrolling after that date must pay a

penalty fee.

The Scholastic Aptitude Tests are scheduled for April 15, also at the high school, but the deadline for registration was last week. Students wishing to take the SAT's must pay a penalty fee. Five days should be allowed for applications to reach the Educational Testing Service Center in Princeton. A fee of \$3.50 will be levied for late applicants.

The morning of May 6 is the only day students can take the composite foreign language tests. Other achievement testing will be permitted after the composite test in the first hour.

Alternate Parking Enforced

Police Chief Joseph F. Smith today reminded residents that alternate side of the street parking, suspended during the winter months, will again go into effect April 1. Citizens are urged to obey traffic signs posted on their respective streets.

"The provisions contained in ordinance 1814 are to be reinstated," Chief Smith stated. "Violators will be summoned."

Alternate side parking was temporarily suspended December 15 to help make snow removal during the winter months easier. The ordinance was adopted to facilitate street cleaning.

Two Cops Boost Force

NEW POLICEMEN were sworn-in during ceremonies at Town Hall by Town Hall Clerk (left) Eugene Barnett, Commissioner Robert Laterza watches (l-r) as Anthony La Vio, 27, and Martin Marano, 28, take oath. The two will attend Police Training Course beginning April 10.

One way to become intelligent is not to believe everything you see in print.

R. Rapuano Receives Degree In Dentistry

Ronald James Rapuano, a Belleville High School graduate, was one of 52 seniors at the College of Medicine and Dentistry of New Jersey-New Jersey Dental School who re-

ceived Doctor of Dental Medicine degrees at commencement exercises in Newark.

Dr. Rapuano is a graduate of Belleville High School. He graduated from Rutgers University, Newark, where he was a member of Tau Delta

Phi fraternity and president of the debate society.

At the New Jersey Dental School, he has made presentations at an all-College symposium and at the New York Dental Society meeting. After graduation he plans to go into oral surgery.

DiRugiero Heads Scranton Students

Student coalition—campus government of the University of Scranton College of Arts and Sciences student body, will change hands Tuesday. Included in that group is Ralph DiRugiero of Belleville.

Newly elected officers of the campus governing body will be sworn into office Tuesday evening in brief ceremonies at the U of S Student Center building.

University students picked their coalition leaders in an election held during the week on campus. In that contest the reins of student government were turned over to the ticket of Ralph J. DiRugiero of Belleville, president; Kevin T. Calpin, 3269 Cedar Avenue, vice president, and James J. Garibaldi, Short Hills, social coordinator.

The DiRugiero-Calpin-Garibaldi team defeated the ticket of John Harris Jr., Havertown; Jules Empson, Lester, Pa., and Timothy

Stroyan, Milford, Pa., by a margin of 474 to 240 in the election.

DiRugiero and Calpin follow Joseph Carney of Ardmore, Pa., and Joseph Quinn, 715 River St., in the coalition's highest offices, while Garibaldi, succeeds David Colagrosso of Swiftwater, Pa., to the post of social coordinator.

"Five young men will serve one-year terms of office. They will represent the entire student body of the university's largest division—the College of Arts and Sciences. Currently, there are 1,434 students enrolled in the college.

Kostowicz Graduates State Dental College

Van Steven Kostowicz of Greylock Parkway, Belleville, was one of 52 seniors at the College of Medicine and Dentistry of New Jersey-New

Jersey Dental School who received Doctor of Dental Medicine degree at commencement exercises held March 18 in Newark.

Dr. Kostowicz is a graduate of Newark Academy. He attended Penn State University on a football scholarship and also went to Temple University.

After graduation he plans to attend graduate school to study orthodontics.

He is the son of Mr. and Mrs. Steven Kostowicz of Belleville.

Fidelity Trust Gets Branch In Bahamas

Fidelity Union Trust Company has become the first New Jersey state-chartered bank to establish an overseas branch. According to C. Malcolm Davis, chairman, the new Fidelity office is located in Deamont House, Nassau, Bahamas and is adjacent to the offices of Allied Bank International, a world-wide banking consortium of which Fidelity is a founding member.

Already in operation, the off-shore branch office reports to Robert R. Banks, Vice President of Fidelity's International Department. Its primary function is acquiring deposits in Eurodollars and other Euro currencies and making these funds available to U.S. and foreign borrowers.

Davis explained that Fidelity Union Bancorporation, for which the Trust Company serves as lead bank, has one of the largest lending capacities among New Jersey financial institutions—almost \$10 million to a single customer. However, since 1964 the volume of foreign loans U.S. banks can make has been controlled strictly by the Federal Reserve Board under its "Voluntary Foreign Credit Restraint Program."

Forced Busing

On the recent Florida Presidential primary ballot there was also included a question requesting voters to express their opinion on forced busing of school children to achieve racial integration.

An overwhelming majority of Florida voters voted against forced busing.

Since the Florida primary results became history, President Nixon took to the T.V. screen to tell the nation that he was opposed to the forced busing of school children. The Nixon stand is consistent with his prior positions.

Forced busing of school children to achieve racial integration is the purpose for which our schools were founded. Not too long ago a federal court made law in ordering that the predominantly black schools of Richmond, Va., be integrated with two adjacent counties having schools largely white. A three-county school integration plan requiring as it does, forced busing of school children of all ages is almost unbelievable.

Permitting forced busing of school children in the context of the Richmond, Va.

legal decision would raise havoc with the school systems of Essex County if an attempt was made to move black children out of Newark schools in exchange for white children attending schools like Nutley and Belleville.

We believe busing school children for the sole purpose of achieving racial integration is an evil thing and should be prohibited by law. We have a total commitment to the neighborhood school concept, believing this type of environment has been a major factor in making America one of the world's greatest nations.

We should like to see on the November ballot the question of forced busing of school children to achieve racial integration. Such a plebiscite would resolve for the people of New Jersey a question of where the state stands on the issue of forced busing of school children.

Frank A. Orecchio

Congressional Redistricting

Today the New Jersey Assembly is expected to act on several Congressional Redistricting plans. One was approved by the New Jersey Senate last week and cuts up Essex County like four quarters of an apple pie, thus placing different areas of Essex County into four Congressional Districts, none of which will be dominated by Essex voters. This emancipation job should be voted in the Assembly.

There are other plans, none of which retains the physical integrity of Essex County. Assemblyman Carl Orecchio has planned to introduce a Congressional Redistricting proposal which provides two Congressional Districts for Essex County, thus providing Essex County voters with an opportunity to elect two Congressmen to represent them in Washington. We should settle for no less. Though pessimistic, we hope Carl's Congressional Redistricting plan will see the light of day and be adopted by both major parties as an answer to their redistricting dilemma.

All along the hitch has been the selfish interests of a couple of legislators who are seeking to remake the congressional districts in a manner which would provide them with an opportunity to run for Congress with all the odds in their favor.

Democrat Assemblyman George Richardson of Newark has a plan which essentially would guarantee the election of a black to a Congressional Seat consisting primarily of Newark.

A Morris County Senator is trying to squeeze two Congressional Seats into Morris County where there now exists only one.

Hudson County currently represented by two Congressmen has suffered a substantial decrease in population and as a

result in all fairness Hudson should be represented in Congress by only one Congressman. However the selfish interests of Hudson Democrats will not permit them to treat fairly the subject of Congressional Redistricting. They are anxious to retain what they are not lawfully entitled to -- and that is two Congressmen.

The federal court has established April 3 as a deadline for the New Jersey Legislature to come up with an acceptable Congressional Redistricting map. If the New Jersey Legislature fails to come up with an acceptable plan, the court has threatened to require New Jersey's 15 Congressmen to Run-at-Large. This means that incumbent Congressmen will not be running from their native districts. They would be candidates at the same state level as U.S. Senator Clifford P. Case who is up for reelection in November. If it comes to pass that a federal court orders an At-Large election for Congressmen, such an event should prove a boon to the Republican Party. With President Nixon heading the ticket and Cliff Case right behind him on the ballot, the 15 Republican Congressional candidates will probably be carried in by a Case landslide and a Nixon victory.

Responsible Democrats, in and out of Congress, should recognize this threat to incumbent Democrat Congressmen and should exert every effort with their counterparts in the New Jersey Legislature to adopt a plan that is reasonable and fair.

Frank A. Orecchio

Seems Only Yesterday

Town's Pigeon Population Sparked Council Debate

By Elaine Auerbach
One Year Ago

A Belleville resident's three-year fight to clean-up the air in his neighborhood finally came to an end when the State Department of Environmental Protection ordered a yeast factory to install anti-pollution devices or pay the penalty of a court action. The Universal Foods Corporation, Red Star Yeast Products Division, located at 810 Mill Street, had been the object of Paul Crandall's struggle to eliminate unpleasant odors in the air.

Deputy Mayor James La Motta abolished the top civilian post in the Belleville Police Auxiliary and stated that a further pairing down of superior officers was possible. La Motta, who was Director of Civilian Defense, said that the move was designed to "eliminate the brass in the organization." Ernest S. Arvidson, who had been a member of the auxiliary for 20 years, charged that La Motta's move was a political one. La Motta denied that he was operating from political motives.

Five Years Ago

Belleville's shopping district, according to Harry French, executive director of the Chamber of Commerce, would face fiscal ruin if sufficient parking facilities were not provided. French, expressing confidence that the newly organized Parking Authority would solve the puzzle of parking, commented that once the areas of difficulty were pinpointed the authority should set its sights on the development of off-street parking facilities. An appropriation of \$20,500 had been granted to the Parking Authority by the Town Council to urge the completion of a parking study.

The pigeon population of the town was responsible for a three-cornered debate which was expected to take place at a Council session. Directly involved in the unusual infight were about two dozen pigeon fanciers, represented by Robert Thaler, Dr. Gerson Ram, a local health officer, and the Council itself. The problem centered around a proposal that an amendment be adopted to the sanitation ordinance which would set restrictions for the housing of pigeons. Pigeon lovers felt the amendment was too strict, while Dr. Ram claimed it was ineffectual.

Ten Years Ago

George T. Lees was named acting principal of Belleville High School and Joseph B. Grosch, principal of School Nine, at a Board of Education meeting. Grosch's appointment came after an eight-month fight by parents of School Nine pupils for a full-time principal. The vote was six to one for the appointment. Lees, who had been acting principal of the high school following the retirement of Hugh D. Kittle, was appointed to his position at a salary of \$11,500.

Belleville High School students were to attend classes on a split-session schedule. In an attempt to alleviate overcrowding, the Board of Education adopted a plan calling for a longer school day with half the students beginning classes at the end of the first period. The high school plan for split session was to remain in effect until the new school was completed in September, 1963. The only negative vote against the plan was cast by Mrs. Norma McCool, who insisted

that it would present "innumerable problems" both disciplinary and administrative.

Fifteen Years Ago

It was rumored that Belleville's tax rate for 1958 could drop as low as 7.83. Although there had been no confirmation of the report, there was every indication that the rate could drop about ten points. Belleville's aggregate true value reduction of ratables was from \$135,082,250 to \$121,790,563 as a result of the Essex County Board of Taxation determination that for tax purposes its ratio of assessment should be 44.38 per cent rather than the 40 per cent figure that had been used in the revaluation program.

The Saint Peter's Building Fund Campaign Committee held its second general report meeting and an additional \$36,905 in gifts was reported by the campaign workers. The total for the fund was \$152,280, which was an oversubscription of \$2,280 of the minimum goal of \$150,000. The Rev. Francis Ignacino, administrator of the church, paid tribute to the campaign workers for the outstanding work that they had accomplished.

Twenty-Five Years Ago

Five Belleville High School students were among the 200 winners of regional writing awards in the competition sponsored by the Newark News in cooperation with Scholastic magazines. The winners were Doris Wright, Marty Bucco, Alison Pitman, Patricia Graham and Harvey Truman.

Rumor was strong in certain circles that opposition to ordinances introduced by Mayor Tully at a commission meeting would arise at an open meeting of the group. The ordinances were related to the appropriation of \$1,500 to be used for the drawing of plans for a civic center and the appropriation of \$850 for an addition to town hall.

Forty Years Ago

The Board of Commissioners adopted a resolution appointing Patrolman Richard Nourse as clerk to Recorder Fitzsimmons. Patrolman Nourse was to take complete charge of all court records. He was to serve without a salary. Commissioner William Clark, director of Public Safety, had introduced the resolution.

Charles S. Tate of 87 Belmoir Street was elected vice-president of the American Bowling Congress at the annual meeting of that organization in Detroit. Tate, also president of the Greater Newark Bowling Association, was well-known to local bowlers. He had previously led the Belleville American Legion League in individual averages with a mark of 195.

Fifty Years Ago

A house, three barns and sheds were destroyed by a fire which swept through Continental Street off Franklin Avenue. The fire started in the woods in the rear of the buildings and spread through the grass and underbrush to the structure.

One hundred and forty persons attended the Consistorial dinner at the Reformed Church. The address of the evening was given by the Rev. Lester H. Cle, of the Rutherford Baptist Church and the Rev. J. Garland Hamner of the Belleville Reformed Church acted as toastmaster.

Speak Up!

Legion 105 Against Cahill Tax Proposal

To the Editor:

At a recent meeting of Belleville Post 105, the American Legion, a report was read from Governor Cahill's Tax Study Committee, headed by Harry L. Sears.

The report proposed that the veterans in the State of New Jersey lose their \$50 property tax deduction and that Veterans homes, be taxed. Once again it seems someone in Trenton is anti-veteran. Does Gov. Cahill really want the veteran to lose the property tax deduction? The \$50 was granted years ago by Gov. Meyner and the legislators. In fact the Legion and other veterans groups have been trying to get this increased. Surely tax increases and inflation has shrunk the \$50.00 to one-half.

The taxing of veterans homes would be the last straw. The veterans Post are in most cases the results of hard work, many projects to raise funds to build a building where the vets can meet. In many communities Legion homes are used for many purposes at no cost to the group using it. In Belleville this is no exception. We loan our building to over two dozen groups for various purposes so they can carry on some local Belleville project. We of Post 105 welcome the opportunity of helping out. After all, we are part of Belleville, for a better town.

Across this great nation the American Legion is held in high esteem. Its members are people who left their homes, families for two, three, four years to defend America against its enemies. Many sacrificed much to serve and now find themselves with a state administration that wishes to take away what little we already have.

Belleville Post 105 along with many other posts led Legion Baseball teams, Oratorical Contests for High School youngsters, Hospital parties for disabled VETS, many worth-while charities are being out. If Gov. Cahill and his group can tax Veterans Homes these things will cease in many cases.

Members of Belleville Post are urged to attend the April 10th meeting where an important announcement will be made on this subject. Come on Gov. Cahill say it isn't so.

George K. Mitchell
Post Adjutant

They Appreciate Commission Stand On School Budget

To the Editor:

On behalf of the Belleville High School Home and School Association Executive Board, we wish to extend our appreciation to all the Commissioners for seeing the needs of the Belleville School System and allowing the budget to remain in its entirety.

We sincerely hope that this is the beginning of harmony within our town and that together we can make Belleville a town that can be proud of its Educational System.

The Belleville High School
Home and School Association
Executive Board

Red Cross Lauded By Fire Dept.

(The following letter by the Belleville Fire Department was sent to Mrs. S. Bade of the Belleville Red Cross, Ed.)

To the Editor:

I wish to extend the heartfelt appreciation of the men and officers of the Belleville Fire Department for the very prompt service and assistance rendered by your Comfort Wagon on Saturday, February 5, 1972.

Most of us never realize the lift your crew of efficient members give us in our time of need a hot cup of coffee, a piece of cake or cookie and a very warm smile and words of encouragement.

Thanks again for your very welcome assistance.

Yours truly,
Carl Hundertfund
Fire Chief

Sabre Cadets Thank Town

To the Editor:

The Sabre Cadet's and the Sabrettes would like to say "THANKS" for the support that they received on the snowy night of their color guard contest. Even though there were very bad road conditions we were able to hold our show.

To the Mayor and the Commissioners who were able to attend, hope it was worthwhile to see what our young crew do. To the Belleville A.P. and the Belleville Fire Dept. thank you for your assistance.

Thank you,
Carol Nendze
Asst. Director
Sabre Cadets

Fine Coverage Reported For Unity Service

To the Editor:

On behalf of the Belleville Ministerium, I should like to thank you for the fine coverage you gave our "Service of Unity" at St. Peter's on January 23rd. The success of the day was due in a large part, we feel, to your fine work.

Sincerely yours,
The Reverend Albert E. Albrecht
Chairman, Belleville Ministerium

Humanizing The Internal Revenue Service

by Frank A. Orecchio

RIT BY RIT, DECREE BY DECREE, during the Nixon Administration the U.S. Internal Revenue Service is showing more concern for the human side of their business. Take for example the latest statement from the New Jersey IRS Director, Roland H. Nash, Jr. According to Mr. Nash, the Internal Revenue Service is starting a "Return Correction Program" in which mistakes can be corrected by mail when the government feels the taxpayers can't possibly win. Mr. Nash suggests the system may save taxpayers much time and money.

There are certain allowable items on federal income tax returns which innocently and out of ignorance are claimed as deductions. These will be identified and corrected in IRS Service Centers.

The new program, which complements existing IRS audit activities, will eliminate the necessity of having taxpayers appear in district offices for audit reviews," Nash said this week. The Director further observed that if allowable items are not corrected before April 17 taxpayers will not be subject to interest charges. We are happy to take public notice of the warming up process which has infected the Internal Revenue Service since the dark, ruthless, cold days of Bobby Kennedy.

RUMORS AROUND AGAIN that the Newark News will be publishing within two weeks. We have heard this report so often that we place no credibility in it. It is our belief that the Newark News already has been purchased by the Newhouse interests. All of the available evidence indicates the Richmond, Va. corporation which owns the Newark News has made a deal with the

Newhouse people which included the sale of the daily Newark News as well as the Sunday News.

THE THREE-WEEK OLD STRIKE of the Amalgamated Transit Workers' Union which has stalled New Jersey buses is almost criminal. It is apparent that the union wants a state take-over of the statewide bus transportation system. Perhaps this is the way to go -- and if it is -- the state should move with all due haste in acquiring the property and get the buses back on the road again. Too many of our senior citizens -- too many of our daily commuters -- too many of our school children are being inconvenienced -- and too many, in fact thousands, of bus drivers' families are hurting financially. The bus company has recently served notice upon the bus drivers Blue Cross, Blue Shield, Rider J, and major medical coverage will be terminated March 31. Cutting off these important benefits and no take-home pay is a monumental tragedy.

A RECORDING ARTIST LEADS THE BALALAIKA QUARTETTE at New York's internationally known Casino Russe. He is Sasha Polinoff, who not only is a talented musician but he's entitled to star billing as an entertainer and comedian. Sasha was born in Manchuria, China. His group is rather unique. It has no musical routines -- everything it does is impromptu. Sasha was telling me the other night that Russian songs are popular in Israel and Israeli music many times finds its origin in Russian songs. Speaking of his variety show at the Casino Russe, the eloquent Sasha says, "Soul is the character of the room."

LAST WEEK I ENJOYED A VERY UNIQUE EXPERIENCE. I witnessed a figure ice-skater doing his thing on a linoleum floor. Incredible! Well, Irv Abramson, "Mr. Big" of the International Longshoremen's Union New York office, is president of the corporation which exclusively handles the new flooring called SLICK. SLICK is a vinyl floor product. A special conditioner is applied for ice-skating. When the conditioner is removed RLCA provides a firm footing for any normal use. Basketball players for example report that SLICK is an excellent surface for running, dribbling, pivoting and quick stops. It also minimizes floor burns. SLICK is also used for a dance floor, hockey, badminton, volleyball, shuffleboard, tennis -- the uses are endless. Abramson's installation is in the Vanderbilt Club in New York's Grand Central Station at 15 Vanderbilt Avenue. I couldn't believe my eyes as I saw this figure skater on ice skates doing his thing on a linoleum floor. It sure is one for Ripley. The price to install a SLICK floor is unbelievably cheap.

A VERY FRENCH RESTAURANT, one of the best in New York City, is le Vau d'Or Restaurant at 129 East 60th Street. It's French, French, French. Most diners speak French although their nationality may be American, Swiss, Italian.

A RESTAURANT FEATURING NEAPOLITAN CUISINE in downtown New York is the Villa Marbona. The food is excellent and the service leaves nothing to be desired. It is located at 55 East 10th Street and usually it isn't difficult to park in the area.

Upsala Choir Readies Show

The Upsala College Chamber Choir, which completed a 3,000 mile tour through the mid-west in January, will present a concert at the Bethany Lutheran Church in Belleville on April 7.

The choir, one of the most orthodox of its kind in the

United States, specializes in mixing various types of media in an attempt to bridge the generation gap through music. Flashing lights, multiple motion picture films, quadraphonic sound, slides and acting all complement the group's singing.

TWO FRONT WINDOWS were removed from Jolly Cleaners, 300 Washington Avenue, to allow entry of the New "Adjust-a-drape" machine which guarantees length and even hemlines in drapery cleaning and fold finishing.

This service, along with new custom drape manufacturing, is offered at business. Observing are (right) owner Art Jackson and son, Bruce.

Controls Sel-Rex Company

Lieberstein VP At Oxy Metal

James L. Clifford, president of Oxy Metal Finishing Corporation, which includes Sel-Rex in the Nutley-Belleville area, has announced the appointment of Stanley H. Lieberstein to vice president and general counsel. He has also been elected a member of the Board of Directors.

Oxy Metal Finishing Corporation is a subsidiary of Occidental Petroleum Corporation and is comprised of the Udylite, Sel-Rex, and Parker companies, well-known firms in the metal finishing in-

dustry. In his new position he will assume responsibility for the legal affairs of the Udylite, Sel-Rex and Parker companies as well as their international affiliates. He will administer the general and patent law departments and supervise a staff of five attorneys.

Previously Lieberstein served as an attorney for Hoffman-La Roche and Union Carbide Corporation and as a law clerk to a Federal Judge in Washington, D.C. He is a lecturer for the Amer-

ican Management Association and the Practising Law Institute in New York and has published in legal journals and business magazines.

Finance Branch Here Reports All-Time High

L.J. Holroyd, president of American Finance System Incorporated, announced

outstanding loans and contracts passed the half-billion dollar landmark for the Company at December 31, 1971, reaching \$502,552,493 compared to \$487,640,150 for 1970.

In Belleville, the Company's branch office, American Finance Corporation, is located at 228 Washington Avenue and is under the direction of Joseph-Demato, manager.

An all-time high net income of \$8,358,221 was reported also. After allowance for preferred dividends, these earnings are equal to \$1.73 per share on the 4,318,551 average number of common shares outstanding during the year. This compares to net earnings of \$8,091,115 for 1970 or \$1.67 per share on an average number of 4,317,268. 1970 earnings have been adjusted to reflect reclassification of the former Class A and Class B common stocks into a single class of common stock in 1971.

The company's common stock and six percent cumulative preferred stock are listed on the New York and Philadelphia-Baltimore-Washington Stock Exchanges.

American Finance System Incorporated, through subsidiaries, operates 747 small loan offices in 44 states and the province of Ontario, Canada. Other subsidiaries are engaged in credit life insurance, rediscount operations and community antenna television (CATV).

Jr. High Concert Featured Ensemble

The Belleville Junior High School music department presented its annual choral concert March 21.

The performing groups included the eighth grade mixed chorus, the ninth grade girls' chorus and the Ensemble, conducted by Thomas Finetti. The seventh grade chorus and the Rock Ensemble, conducted by Ronald Hacking, was also featured.

The scenery for the concert was designed and constructed by Mary Jane Izzo and Denise D'Agostino.

There has never been a better time to start saving at Carteret than right now...here's why:

At a time when many financial institutions have reduced their Passbook interest rate, Carteret continues to pay the highest rate in the area.

Our **Regular Passbook Account** pays a full 5% per year. Deposits made on or before the 10th of any month earn interest from the 1st. After the 10th, earnings start from day of deposit (minimum balance only \$50.). Our **Special Investors Passbook Account** provides for 5% interest per year from day-of-deposit to day-of-withdrawal (providing \$50. remains on deposit at the end of the quarter). It is ideal for savers who wish to deposit funds for a short time.

Stop in or call our office today. All savings at Carteret are insured up to \$20,000 by FSLIC. And, as an added service, no matter where your account is now located we will transfer it for you without cost or red tape. If you prefer, we will even transfer it without your having to make a personal visit to us or to your present financial institution.

Veterans Selling Easter Candy For Charities

Firemen's Post No. 1851 and the Ladies Auxiliary, Veterans of Foreign Wars of U.S. will sell Easter Candy to benefit the V.F.W. Cancer Aid and Research Fund and Multiple Sclerosis Service Organization of N.J., as a Community Service Activity. The units also report that they are saving cancelled postage stamps (10c and 15c) and bag labels for therapy at convalescent homes and aid to Indian Children Missions throughout the States.

Cancer Chairman, Mrs. Henry Gottschalk, East Orange, requests the general public save torn sheets and pillow cases for the Cancer Class she conducts every Tuesday in co-operation with the Essex County Chapter of the American Cancer Society, East Orange. Hospital Chairman, Eugene Ball, Harrison and Miss Lynn Wallace, South Orange, are looking for volunteer talent to present a "Variety Show" for the veterans patients of Veterans' Administration Hospital, Tremont Avenue, East Orange, N.J. on Loyalty Day, May 1, in the third-floor Auditorium at 7:00 p.m.

Blood Bank Chairmen, Mr. and Mrs. Michael Barrett announce that the next V.F.W. Blood Bank Class will be today, Thursday, March 23, at the Essex County Blood Bank, East Orange.

Membership Chairmen, Thomas A. O'Neill, Jr., Carmine D. Volpone, Sr. and Frank Thomas for the Post and Mrs. Robert Miller, Glen Ridge for the Auxiliary announce that membership is 100% plus as of the March Meeting.

We guarantee length, even hemlines with Adjust-a-Drape drapery cleaning.

It's our guaranteed drapery cleaning process that gives you five services in one:

- Cleans as fresh as new, restores colors
- Guarantees draperies to be exact length as received
- Makes hems perfectly even
- Keeps linings in place
- Finished with elegant decorator folds

You'll see our Adjust-a-Drape

Flags Presented To CDA Group By Auxiliary

The Ladies Auxiliary to Post No. 275, Veterans of Foreign Wars, of the U.S., Younginger-Alden Jr. Auxiliary, presented the American flag to the Catholic Daughters of America, Court Santa Maria No. 61 of Belleville, on March 14 at the K of C Clubhouse, Belleville. The Auxiliary held its regular business meeting March 16 at the Post Home, 17 Belleville Avenue, Belleville.

Miss Siena, Dominick Mellace Married In Newark Ceremony

Miss JoAnne Siena, daughter of Mr. and Mrs. Ferdinand Siena of 132 Tappan Avenue became the bride March 18 of Dominick Mellace, son of Mr. and Mrs. Joseph Mellace of 125 Tappan Avenue.

The Rev. Albert W. Earle performed the ceremony in Bethel Assembly of God, Newark. A reception followed at San Carlo Restaurant, Lyndhurst.

Given in marriage by her father, the bride wore a princess styled satin gown with appliqued Alencon lace trimming the front. It was fashioned with a high collar, long puffed sleeves and detachable chapel train.

A camelot headpiece held her two tier Ellington veil and she carried a cascade of white baby roses centered with a white orchid.

Mrs. Edward Leib, sister of the bride, was matron of honor. Bridesmaids included Miss Sandi Siena of Marlwood, cousin of the bride, Miss Maria Ranieri of Newark, cousin of the groom and Mrs. Raymond D'Atorio of Lakewood. Flower girl was the bride's niece, Janice Leib of Belleville.

They were attended in gowns featuring ivory crepe bodies with embroidery trim and emerald green velvet skirts. Camelot headpieces held bouffant veils. The honor attendant carried pom-poms.

Robert Mellace of Belleville served his brother as best man. Ushering were another brother, Joseph Mellace Jr., Robert Siena, brother of the bride and Robert Mooney, all of Belleville.

Mrs. Siena chose a candy pink crepe gown trimmed with ivory lace and a headpiece of rosebuds. Her corsage was of pink cymbidiums. The groom's mother was in a moss green karate gown trimmed with embroidery and had a corsage of green cymbidiums.

Mrs. Mellace, a graduate of Belleville High School and a Victor's Comptometer Business School, is with Birmingham & Small Arms Company, Verona.

Mr. Mellace, an alumnus of Essex Catholic High School and Rutgers University, attends Virginia Polytechnic Institute where he is working for a master's degree in wildlife management. He is now serving in the U.S. Army Reserve.

After honeymooning in Florida, the couple will make their home in Blacksburg, Virginia.

Miss Candura In Copenhagen For Semester

Fourteen Montclair State College students left February 3 for a semester of study at the University of Copenhagen in Denmark. The Montclair students are among 39 New Jersey State College students participating in the program, now in its sixth year. Among Montclair State participants is Sandra M. Candura of 15 Washington Street.

Mrs. Dominick Mellace-nee JoAnn Siena

VFW Auxiliary Sets Towel Social

The Ladies' Auxiliary of The Veterans of Foreign Wars will hold a Towel social on Tuesday, April 25, at 8:00 p.m. at Post Headquarters, 27, Washington Avenue, Nutley.

Chairladies for the affair will be Bessie Kohler of 61 Lakeside Drive, Nutley, N.J. and Josephine Lupone of 119 Highland Lane, N.J.

Not every militant is news.

Model Says

HER SECRET IS MORE SLEEP

"Best beauty secret I know is to get enough sleep—good restful sleep. Any night when I can't get to sleep, I take a Dormin Capsule. Dormin doesn't give you drugged sleep... it gives you restful sleep. Next morning you'll feel—and look—like a million."

Dormin is the hospital-tested aid to restful, relaxing sleep. Its proved effective in 9 out of 10 clinical cases—professionally supervised and observed in leading government hospitals. 100% non-narcotic. Get Dormin today.

Lapinski-Thaller Nuptials Are Held

Wedding vows were exchanged December 26, 1971 in St. Mary's Church, Nutley, by Miss Frances June Thaller, daughter of Mr. Mrs. John S. Thaller of 176 Beech Street and Michael Walter Lapinski, son of Mr. and Mrs. Michael W. Lapinski of Titusville.

The Rev. Charles P. Grandstrand performed the ceremony which was followed by a reception at the Galaxy, Belleville.

Escorted by her father, the bride wore a white satin gown with illusion yoke and trimming of Alencon lace and seed pearls. It was fashioned with a high neckline, A-line skirt and detachable train.

A matching lace and satin headpiece held her elbow length silk illusion veil and she carried a Bible belonging to her paternal grandmother.

Mrs. Vera Miller of Levittown, Pennsylvania, was matron of honor. Bridesmaids included Miss Barbara Lapinski of East Brunswick and Miss Eleanor Zyk of Ringoes.

Their gowns of red velvet were trimmed with white lace, and headpieces were matching bows. Bouquets were of red and white carnations.

Cadet Gary Paul Thaller of the Air Force Academy, Boulder, Colorado, served as best man. Ushers were John Spencer Thaller Jr. of Belleville and Peter Housman Jr. of Flemington.

Mrs. Thaller chose a light blue dress with matching jacket and a corsage of red and white carnations. The groom's mother was in a gold crepe dress with a corsage of orchids.

Mrs. Lapinski, a graduate of Rutgers College of Arts and Sciences and Mr. Lapinski, an alumnus of Seton Hall University, are students at the College of Medicine & Dentistry of New Jersey.

They have made their home in Belleville.

Auxiliary Meets April 11 at 8 P.M.

The Ladies' Auxiliary of The Veterans of Foreign Wars, Stuart E. Edgar Post No. 493 will hold a business meeting on Tuesday, April 11 at 8:00 p.m. at Post Headquarters, 271 Washington Avenue, Nutley. Refreshments will be served after the meeting.

Hostess for the evening will be Theresa Hoffman of Washington Avenue, Nutley, and Kathryn Johnson of 162 Ohlson Avenue, Nutley. An election of officers will be held.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

NEWLY ELECTED—The newly elected officers of the Clara Maass Memorial Hospital Auxiliary are from left, Mrs. John Condon, Mrs. William Kropp and Mrs. James Todd.

Women's Auxiliary Installs Officers

At a recent meeting of the Women's Auxiliary of the Clara Maass Memorial Hospital, Chaplain Donald Blume installed the newly elected officers.

Mrs. William Kropp of Nutley was re-elected president. Others installed were Mrs. Peter Rudbeck of Nutley, third vice-president, Mrs. John Condon of Kearny, corresponding secretary and Mrs. James Todd of Belleville, assistant treasurer.

The other officers whose terms will not expire until

Flower Sale At School 9 March 28-30

The P.T.A. of School Nine will hold an Easter flower sale on March 28, 29, and 30

from 9 a.m. to 3 p.m. in the school auditorium. There will be lovely lilies and tulips, and beautiful smelling hyacinths at reasonable prices.

Mrs. D. Boice, budget and finance, will head the committee. Everyone is welcome.

A fanatic is simply an individual who knows that he's right.

Easter Bunny In Belleville Next Week

The Easter Bunny will be in Belleville next week at his Trailer Headquarters on the Parking Lot next to Town Hall on March 24th from 10:00 a.m. to 8:00 p.m., March 25th from 10:00 a.m. to 6:00 p.m., March 27th from 10:00 a.m. to 8:00 p.m., and April 1st from 10:00 a.m. to 6:00 p.m.

For \$1.50 you may have your child's photo taken with the Easter Bunny, the proceeds of which will be benefiting the Craig Fabian Fund. This fund has for the past few years offered financial assistance to handicapped young people in our community.

Bunny Headquarters is being sponsored by the Belleville Chamber of Commerce in an effort to encourage community shopping and the Evening Membership Department of the Woman's Club of Belleville as a part of their Community Welfare Program.

Participating merchants are awarding gift certificates and blanks may be obtained at the various shops as well as Bunny Headquarters.

Elin Unger Post Aiding Shelter With Toys, Gifts

Washington's Birthday was celebrated by the Elin-Unger Post No. 273 by giving its monthly toy drop. Larry Singer (Hillside) Child Welfare Chairman for the post delivered a huge quantity of toys to the Essex county Children's Shelter, Belleville. Mrs. Kings in charge of volunteer service for the Shelter accepted the gifts from the post.

The Elin-Unger Post is dedicated to an all year round program of furnishing the shelter with toys, gifts and entertainment so that children who are less fortunate than ours can enjoy life a little better.

Any individual who desires to contribute toys and games in good working order may do so by contacting Larry Singer, 1600 Maple Ave., Hillside, Martin Kaufman (Hillside) is Commander.

The Elin-Unger Post No. 273 is the first J.W.V. post organized after the Second World War. The Jewish War Veterans is 75 years young.

Kerrigan's Back From Graduation

Firemen's V.E.W. Post 1851 and their Ladies Auxiliary report that their members, Mr. and Mrs. Gerald Kerrigan, are back from the graduation ceremony of the U.S. Marine Corps Basic School, Quantico, Virginia. Their son, Lt. Timothy P. Kerrigan motored back with them for a few days at home, 44 Carolina Avenue, and then he will proceed to Camp Lejeune, North Carolina for 12 months of Advanced Training, then ship out to Okinawa for a 13 month tour of duty. Tim, a graduate of St. Leo's Grade School, Irvington and Vailsburg High School, Newark, is also a graduate of Monmouth College.

Alane Schreier In Solo Recital At University

Miss Alane Schreier of 133 Smallwood Ave., 1970 graduate of Belleville High School gave a solo recital performance on the Clarinet, March 13, in Kilbourn Hall, at the Eastman school of music of the university of Rochester.

Miss Schreier, a sophomore at Eastman, included in her recital pieces such as "Arabesques" by Paul Jean-Jean, accompanied by Miss Paula Lennertz on piano; duet No. 3 in E-Flat Major, for clarinet and Bassoon by Ludwig Von Beethoven, accompanied by Miss Constance Salamon on Bassoon and Sonata for clarinet and piano, opus-120, No. 2 in E-Flat Major by Johannes Brahms accompanied by Miss Cynthia Siebert on piano.

Miss Schreier is a music education major at the Eastman School and is liaison between the faculty of Eastman and the music educators national conference. She is also an active member of the Eastman Musicale Sorority. At the present time, Miss Schreier is playing first clarinet in the Eastman Symphony Band, as well as participating in the Eastman Wind ensemble and the Eastman school symphony Orchestra.

Belleville Duo Given Awards By Berkeley

The Misses Rosemary Zinna and Patricia Nilsson, both students at Belleville High School, are among outstanding high school business students from throughout New Jersey receiving awards from The Berkeley Schools of East Orange and Ridgewood.

The awards will be presented at The Manor, West Orange, on March 25 at 2 p.m. The students, chosen by their high schools, will receive certificates.

Speaker for the occasion will be John E. Kraeger, assistant professor of office administration at Michigan State University, East Lansing. He received his B.A. and M.A. degrees from Michigan State University. He was a member of the faculty of Jackson (Mich.) High School.

Mr. Kraeger is a past president of Alpha Lambda Chapter of Delta Pi Epsilon. He is a member of the Administrative Management Society and North-Central Business Education Association. He was formerly associate editor of the Michigan Business Education News Bulletin and vice president of the association.

Some Suggestions For City Gardens

If you live in the city, your gardening areas may be somewhat limited in size. For that reason you might not be able to plant all the trees, shrubs, and flowers you'd like to. But you can still do some planting.

A flowering tree might be just the thing for the center of the patio or at the edge of your garden. Just remember to plant the tree where it will give the most shade during the hot summer months, suggests William F. Munk, senior county agricultural agent of Essex County.

THE LIGHT TOUCH

BY LOUIS E. SICA

Some drivers are in such a hurry to get to the next town, they end up in the next world.

His wife prepares the finest meals you ever thought of.

Old stockholders never die, they just have trouble with their tickers.

What this country needs are some colleges that teach everything the students think they already know. You don't need a college education to find your expert help for your income tax headaches.

CONGRATULATIONS—Mr. Albin H. Oberg, executive director of Clara Maass Memorial Hospital congratulates Miss Claonia Corriden R.N., upon her 43 years service and retirement.

Miss Corriden Retires From Clara Maass Staff

Miss Claonia Corriden, R.N. of Newark retired February after 43 years of nursing service at the Clara Maass Memorial Hospital, Belleville.

Miss Corriden graduated from Hanemann School of Nursing, Scranton, Pa. and started work in the medical surgical unit of the old hospital, then called Newark Memorial Hospital. She later worked in the Clinic and when the hospital moved to Belleville she was advanced to supervisor in the new emergency unit. When asked if she would do it all over again as emergency room nurse, she said "You bet I would."

Over 200 employees and doctors wished her well at a coffee hour reception and

Belleville Educational Advisory Council Reports

The Belleville Educational Advisory Council has received reports from the Related Arts Committees indicating substantial progress in that area, for the benefit of the Belleville High School students. The council will meet next Thursday, March 30.

A welding booth, a 1250 Multilith, a light table and a Robertson Horizontal Process Camera 1518 have been installed in the Industrial Art Shop. Auto Mechanic Shop has gone through a complete clean-up with disposal of the

cars in the driveway. Mrs. Elizabeth Agnoli, head of the Home Economics Department reported on a luncheon given at School Number Seven by the Vocational Home Economics classes with money given to them by the Belleville High School Home and School Association through its president, Mrs. Grace Purdue.

Reports submitted by committees explaining that guards had been installed on the light in the Girls' Gym at the Belleville Junior High School. Students involved

with the Office Occupation Cooperative Work Experience have received favorable evaluation reports from employers. All employees were impressed with the training and quality of the workmanship of students sent to them. The report went on to say they were a credit not only to themselves but also to the school. Mrs. Muriel Cerami, head of the Business Department is in charge of the program with about twenty-five girls participating.

Michael Rosamilia, assistant superintendent, explained to the council members about the concept for

earlier schooling in a pre school or nursery school exposure. The Bateman Bill was also discussed and it was made clear that Belleville can not expect any additional funds in the near future.

Right here in New Jersey, we average 1,042 calls a year for every man, woman and child. More than any other state in the nation. More than any nation in the world.

We think we've done a pretty good job of meeting those pace-setting demands.

But we know that being good isn't good enough.

We must continue improving

today's service while getting ready to meet tomorrow's demands.

To do this we'll be spending \$1.3 billion every working day this year on new and expanded facilities.

That's a lot of money. But not as much as we'll have to spend in the years to come.

We see the need to put another \$2.5 billion into construction in the

next six years alone. In effect keeping ahead of your growing service demands by building another New Jersey Bell inside and alongside the present one. That's what it will take to do the job right. We've set a high standard for communications service in New Jersey. And we're doing our best to live up to it.

"Ecology is the most important thing in the world..."

Auxiliary Police Get Zykowski As Treasurer

Inspector Joseph A. McDonough Jr. of Newark Auxiliary Police, and president of the Newark Chapter 672 of the American Federation of Police announced today the installation of Thomas S. Zykowski of Belleville as treasurer of the chapter.

Zykowski is presently an acting sergeant with the auxiliary police unit and is also a first year law student attending Seton Hall Law School.

Zykowski resides with his parents, Mr. and Mrs. Stanley Zykowski, at 23 Washington Street, Belleville.

According to the American Medical Association, about 12,000,000 Americans have some form of rheumatic disease. That is, about one person out of every 20. Rheumatic diseases are by far the most commonly occurring chronic illnesses in this country—or in the world. In the United States there are twice as many people with rheumatic diseases as have the next most common chronic ailments: heart disease. It is estimated that rheumatic disease costs the nation 1,500,000,000 dollars a year!

When prescriptions are part of your doctor's treatment you can be assured of receiving prompt attention at ROS-SHORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. Conscientious Aids are rented and sold and we give free delivery service. Open: Daily 9 AM-10 PM, Sundays 9 AM-9 PM, Times, Watches, Transistor Radios, Cosmetics, Toiletries.

HEALTHY HINT: There are about 50 different rheumatic diseases. Be sure to consult your doctor for treatment.

*Interior Secretary Rogers Morton

Should the lights go out in an energy crisis, ecology would lose its importance simply because most of our efforts in an ecological direction depend on the use of power. Furthermore, all the monumental social and economic problems created by a serious power shortage would make our present environmental concerns extremely small by comparison.

The point is this. We are all worried about our surroundings—and rightly so. Something must be done to reverse the trend of our environmental decay. But what isn't right is the view of a few that to improve our environment we must put restraints on the use of electricity.

Ecology and electric energy are not incompatible. This is not an either/or proposition. In fact, to improve our environment we have to increase our supply of electricity. And to increase our supply, we must build nuclear energy plants.

Nuclear plants, for example, will help

to solve the serious environmental problems of solid waste recycling and sewage treatment. How? Both increased recycling and hundreds of new sewage treatment facilities will need massive quantities of power to perform their vital functions—making our water purer and helping to clean up the cities while, at the same time, conserving our resources.

Nuclear plants will benefit our environment in many other ways. No smoke, soot, or sulphur fumes are emitted from a nuclear generating station. There are no unsightly smokestacks. Nuclear plants are architecturally attractive and modern. Many are landscaped like parks and offer the public recreational opportunities. Noise and traffic are lessened, too. Infrequent fuel delivery eliminates the constant parade of rail cars and ugly fuel storage yards. A nuclear plant is a clean neighbor. That's very important, too.

And the lights will stay on!

Free! "Nuclear Energy. What is it all about?" PSE&G booklet gives straightforward answers to the important questions on nuclear energy. Write: Public Service Electric and Gas Company, Box A-9, 80 Park Place, Newark, New Jersey 07101

Administrators

Wische Was Hailed Coach

(This is another in a series of articles designed to familiarize residents with the administrators in the Belleville School System.-Ed.)

Herman B. Wische is the director of physical education, health, athletics and safety education in the Belleville Public Schools.

During his thirty-five years in the Belleville Public School System, Wische has been a teacher in the physical education department, assistant coach in football, basketball and baseball. He later be-

came head coach in basketball and golf.

In 1956 Wische received his directorship. Because he is involved in so many varied areas Wische's work week quite often extends into the weekends. He is involved with sports activities which are held during holiday periods and many evenings.

In addition to his busy schedule Wische takes time occasionally to play golf.

Before coming here, Wische taught in the physical education department of Newark for five years.

Past experiences have included five years as instructor in football theory at Panzer College (where he was also head football coach).

Wische is also considered one of the top basketball, football and baseball officials for the past thirty years.

Wische recalls moments in his past experiences when he played professional football and basketball playing such top teams as the New York Giants, Chicago Bears, and the Philadelphia Eagles.

In his college days at Panzer and Upsala he played basketball and football.

Herman B. Wische

Coach Travers Optimistic

Bellboy Baseballers Expect To Field Strong Squad Again

Once again, Belleville High School's varsity baseballers would provide tough competition in this spring's race for the Big Ten title. The Bellboys capped second place in 1971 and pitching this season should peg them as one of the top contenders.

Although head coach Charles Travers has yet to choose his 14 or 15 men outfit to comprise the varsity squad, he is optimistic on his chances for another "good" season with some strong re-

turning lettermen. But at least four starting positions remain open in the varsity lineup and these spots must be filled with clutch hitters and able defensive standouts if the painted optimistic picture is fulfilled.

The Bellboys have suffered through June graduation losses. Five varsity starters were graduated from Belleville High School in June. Hurt most is the hitting power of the Bellboys. All-star short stop Joe Papasidero,

left fielder Jim Miele, right fielder Charles Ziegler, first baseman Rocco Marotti and pitcher Sal Mineo are gone. The five graduates leave big

gaps in the Belleville outfield and up the middle of the infield.

As of early this week coach Travers did not yet make the

final cut but he was scheduled to do so yesterday. Team captains were also chosen yesterday. About 30 boys turned out for the varsity but

the numbers have dwindled since practice and tryouts began on March 1. All total-

(Continued on Page 12)

Cub Bowlers Thrive

The only sanctioned Cub Scout League in the county is alive and well in Belleville.

Seems that three years ago, 350 had an outing at Olympic Bowl and liked what they saw.

That trip has now blossomed into a Ten Team League with four scouts to a team. Average ranges from 125 (Jeffrey O'Neill) down to 42 with most boys hitting in

the 60-89 range. Mrs. Phyllis Servidio serves as coach.

On Saturday afternoons, the Bantams (7 to 12) congregate. Some of the Cub Scouts have entered Essex County Doubles and Singles Tournaments and are planning on competing in state playoffs in Matawan and Trenton.

"You would be surprised at how serious most of the boys are about bowling," said secretary Mrs. Barbara

O'Neill, and how many own their own bowling balls. Maybe it will even foster some stars of tomorrow.

Jim Donahue and Tom Balsamo have a training program for adults at Fewsmith Presbyterian Church. The next two training programs will be March 21 and 28 at 7:30 p.m. Congratulations to Tom Balsamo for completing the Training Recognition Plan

for the Scout's Key. Keep up the good work Tom.

Boy Scouts of America are holding an Open House Week-end-departing from March 13 to the 17 in Belleville. This is an opportunity for boys in grades three thru six to join the scouting program. Many boys would like to join this program but often are never asked, and this will give them an opportunity to come into Scouting.

Final Tryout Is Set

The Belleville Little League will hold its final tryouts on Saturday, March 25, at Clearman Field. The Little League has been having their tryouts for the past three weeks in school gyms thru out town. This will be the final week for indoor practice.

All boys are requested to report on Saturday March 25 at Clearman Field as scheduled.

**** Faith and patience are great assets and wonderful aids if you have them when you need them.

BATTING PRACTICE is a daily affair when weather permits at the Municipal Stadium baseball field. Here Gary Soldo handles the hurling chores. Final cuts on the varsity are expected to be made this week and

practice sessions are taking on a serious look in preparation for the April 4 season opener against West Orange. Bellboys should field another strong squad this spring.

At Branch Brook Park Center

Ice Skating Popular With Belleville Youths

SKATING INSTRUCTIONS are given to Nancy Ritschel, 4, of Belleville (second, left) as part of Tiny Tots skating program at Branch Brook Ice Center in Newark. Guard Bill Dacey watches as

her instructor Carl Wick aids Chris De Flippis, 3. Thomas Kelly, 4, seems happy on his own. New series of ice skating classes begins April 6.

JUNIOR SKATER enjoying the benefits of instruction at Branch Brook Ice Center in Newark is Andrea Rob-

inson (left) of Belleville. The Program, run by the Essex County Park Commission, will begin a new series April 6.

Varsity Nine Long On Pitching But Hitting Still Question Mark

(Continued from Page 1)
ed, almost 100 hopefuls turned out for this spring's baseball program and although it wasn't a record, Travers called it "a good turnout." Heading the jayvee team again is Ralph La

Conte while George Zanfini has freshman chores. Travers, a native of Belleville, is in his sixth season as head coach here.
The current varsity club will revolve an apt pitching nucleus headed by Gary Soldo, Mario Malitano, Alan Frank, Rich Centanni and Frank Petite. Junior Cen-

tanni looks like of the most promising pitchers after joining the varsity last season. Already he has a seven-inning no-hitter to his credit. Petite and Frank also double as infielders where they have the most experience. Petite, who is in his third varsity season, is expected to again lead the club

in hitting.
Mark Cersavo and Rich Giordano should also see in-field duty for the varsity while Gary Falkman, also in his third year with the varsity, is the team's top catcher. Travers will be looking for help in the outfield and he hopes Jerry Mongrella will be the key there. Frank Papusidero is also expected to help with hitting chores. Travers will be tapping many players from the jayvee ranks as the Belleville underclassmen race behind Columbia. Oddly enough, Belleville breezed past the stronger Big Ten teams but fell to lesser rivals. They defeated top ranked Columbia and Nutley twice but bowed to lowly Montclair two times. The Bellboys were 12-6 in the conference, a big improvement of the previous year's dismal 7-1 record.

New Activities

Sports Programs Offered At YWCA

In addition to the new swim program being done in conjunction with the YWCA of the Oranges, the Montclair-North Essex YWCA will offer several other new activities this spring.

Every Friday morning at 10 a.m. beginning April 7, Mrs. Judith Scarpone will teach a class in creative dramatics for children 4 and 5 years of age. In the belief that

early childhood is a time of great creative and imaginative growth, Mrs. Scarpone will develop and cultivate these natural abilities through improvisation, mime and story-telling.

Ceramics for boys and girls 9-14 years old will meet Monday and Thursday from 4-5:30 p.m. under the direction of Mrs. Terry Last. Children will learn all of the basic techniques required to make many different objects of art.

A ceramics class for adults will meet every Wednesday, 7:30-9:30 p.m. beginning April 5.

Girls 8-10 years of age who are interested in forming a girls club and in planning their own activities and trips should come to the YWCA on Wednesday, April 5 at 3:30 p.m.

Gymnastics classes for 8th grade through high school girls are scheduled on Monday and Friday 5:15-6:15 p.m. Now is the time to prepare for cheerleading try-outs. The instructor Mrs. Gene Hinds has successfully prepared many cheerleaders in Essex County communities.

Exercise classes for women are offered morning and evening Monday, Tuesday, and Wednesday. Yoga on Thursdays, 9:10-10:30 a.m., and 7-8 p.m. All of these classes are scheduled immediately prior to a swim session at the YWCA of the Oranges.

On Wednesday, April 26, a representative of Vanda Beauty Counselor will give a "Guide to Beauty" demonstration at 10:10 the YWCA of the Oranges.

Registration for spring term can be made at the YWCA, 159 Glenridge Avenue, Montclair, during the week of March 20. For additional information please call 746-5400.

Beck's Column

One of the deficiencies of the cassette and cartridge tape recorders has been the lower over all tone quality compared with the higher speed reel to reel tape recorders. Gradually this deficiency is being corrected.

Great improvements have been made in the general design for the steadiness of the tape transport mechanism, particularly of cassette players. The cartridge players are used much in automobiles, where there is always a certain amount of motor and road noise present. Better quality tapes and most of all lately a noise reduction circuit make a great difference in overall quality so that the best cassette tape recorders come pretty close to the quality of open reel to reel tape recorders. Still for the best tone quality serious listeners still use the open reel higher speed tape recorders. We wrote recently about 4 channel stereo, which is the latest fad. This requires open reel 4 track tape recorders, so for there are no cassette tape recorders for four channel systems. It is expected that it won't be long until they are available for cassettes. Some people in the industry predicted that records will be replaced by tape in the not too distant future. According to the number of records produced last year, it rather looks as if records are bought more instead of fading out. The record industry had a "renewed" high production and expects to repeat this year.

Burke & Barry is a true Kentuckian. By nature. And design. An old-fashioned, charcoal-filtered, sipin' kind of whiskey. Which means that it's polished, mellow, and smooth. So it tastes great straight. And its reasonable price makes it a natural for mixed drinks. But you be the judge. Try Burke & Barry Blended Whiskey. And taste one of the good things of Kentucky.

We bottle Kentucky

66 Proof. 7% straight whiskey 5 years old, 13% straight whiskey 5 years old, 15% straight whiskey 4 years old, 65% grain neutral spirits. Burke & Barry Distilling Company, Owensboro, Kentucky.

Can't Provide School Busses

(Continued from Page 1)
have the busses is what they tell us.

Belleville has been able to get transportation for special Title I students attending Saturday classes but they need only one bus once a week. About 45 special students are enrolled in the program and transportation to School No. 1 is provided by Community Lines in Clifton on Saturdays.

"The best I've been able to do is get transportation for the Title I students. We may be able to get a bus for high school teams needing transportation to a sports event," added Dufford.

Both Greco and Dufford

agree that all methods of obtaining transportation for the duration of the strike have been exhausted.

Meanwhile, school attendance has returned to normal while parents have organized car pools to bring children to school. Drivers went on strike March 1. Attendance at the junior and senior high school dropped but within four days returned to about normal.

Highway Construction Costing \$507,000

(Continued from Page 1)

ished, six years hence. There is special interest in

DeMolay Chapter Gets Week In Their Honor

(Continued from Page 1)

set by these young leaders in contributing to the welfare and character of other young men in this community, thus aiding in the development and leadership of tomorrow."

Some of the recent achievements of the Belleville group include participation in

the 1970 Veterans Day Parade, placing second in the state in DeMolay softball; the local Chapter Sweetheart, Miss Cindy Austin, was one of six finalists in the state sweetheart contest at Atlantic City and the group's bowling team placed third in the state finals, also garnering awards for individual achievement.

Building good citizenship, useful leadership and a better and cleaner environment is the goal of the Order of DeMolay, an international

young men's organization founded March 18, 1919, in Kansas City by Frank S. Land and nine teenagers.

The organization was named for Jacques DeMolay, the last grand master of the Knights Templar, who was captured, and rather than betray his brethren to the inquisition, chose death. He was burned at the stake March 18, 1314. Today members strive to carry on the fine ideals for which Jacques DeMolay gave his life.

The Highway Trust Fund at this time because of the demand by many civic groups that it be used, in part, to support some public needs that they consider more urgent.

They contend that there is a pressing need to refurbish other transportation facilities, such as railroads, airports and mass transit generally, and that some of the money should go in that direction.

Probation Violator To Jail

David Carpenter, 64, Union Avenue was convicted of violating terms of his probation and was sentenced to six months in Essex County Corrections Center for drug rehabilitation and psychiatric treatment March 9 in Belleville Municipal Court by Judge Edward Abramson.

Carpenter was sentenced to a six-month suspended sentence for a narcotics violation January 27. He was given probation on the stipulation that he finish a drug rehabilitation program with Integrity.

Probation Officer Joseph Caputo said that Carpenter showed up nine days later, that he left without completing the program and changed his address without notifying him.

Both Carpenter and his stepfather asked that he be given psychiatric treatment instead of jail and the judge included this in sentencing.

Route 21 Speeders Warned

Judge Edward Abramson initiated a crackdown aimed at speeding on Route 21 March 1. He revoked the licenses of three men and levied fines against them.

Anthony Constabile, convicted of traveling 90 miles per hour in a 55-mile zone had his license revoked for 30 days and was fined \$115 dollars plus \$15 in court costs.

John Browarski, arrested for driving 82 mph in a 55-mile zone also had his license lifted for 30 days and paid \$100 plus court costs.

Louis Lopez, arrested for traveling 65 m.p.h. in a 25-mile zone, was fined \$50 plus costs and lost his license for 30 days.

Afro Flick Showing Set For Today

Africa's heritage will be explored in a film-lecture in Memorial Auditorium, Montclair State College, today, March 23, at 1 p.m.

The film, "The Ancient Africans," was produced by Julien Bryan and directed by his son, San Bryan, who will be present to comment on it.

It features maps by Philip Stapp intercut with location photography of the ruins of Kuch and Axum, life today in the ancient Sundanic kingdoms and Benin, and the stone walls of Zimbabwe.

Sheridan Named As Essex Cancer Crusade Head

James Sheridan, Litton Industries executive, has been named chairman of the 1972 Essex Cancer Crusade, it was announced today by Joseph J. Ippolito, president of the Essex County unit of the American Cancer Society.

Sheridan, who is president of Litton Industries Monroe Division in Orange and corporate vice president of Litton Industries, set the opening date of this year's Crusade for April 30.

"This is the year of the three A's in the fight against cancer," Sheridan said. "Awareness, Alertness and Action, a powerful combination that will bring all persons to the realization that cancer can be conquered if the danger signals are known and the potential victim acts fast on the alert."

"This information and education is the No. 1 priority followed by the need to raise funds necessary to continue fundamental research into the origins of cancer and the clinical means to relieve and excise the scourge," Sheridan explained.

He set the 1972 quota in Essex at \$225,000, including donations from all sources, legacies, corporate giving, payroll deductions and house to house solicitations.

"This goal is very modest but its attainment is a cooperative mission as well as the imparting of vital cancer warning information as for the raising of funds," Sheridan said. The Crusade chairman said he would appoint area and community chairmen for the Crusade within the next 10 days in order to expedite the drive and issued a call for volunteers to register at the Essex County Crusade unit office at 336 So. Harrison St., East Orange, telephone 678-1990.

Sheridan, a resident of Essex Fells, was named president of the Monroe Division in 1970 and last year was also elected corporate vice president of the parent firm, Litton Industries. He has been associated with Monroe since 1947, rising through the ranks from sales trainee to vice president in charge of marketing before his election as president.

A Navy veteran of World War II, he is a member of the Advisory Board of the National Newark and Essex Bank, a member of both the Newark and New Jersey Chambers of Commerce and a member of the Business Equipment Committee of the New Jersey Manufacturers Association. He is also chairman, 1972, of the President's Congress for Orange Mountain Council, Boy Scouts of America.

Sheridan is married to the

James Sheridan

Third Class Mail Rates Are Hiked

Postmaster Joseph J. Benucci announced today that all third class mail deposited for mailing after midnight March 11 will cost more.

The minimum postage amount per piece for regular bulk rate third class will cost five cents. The hike will also affect the cost of single piece from a minimum 1 cent to 8 cents up to and including 15 ounces.

The new increase also affects third class postage rates for printed matter destined for both Canada and Mexico in the same manner.

Postage rates for qualified nonprofit organizations remain unchanged, added Benucci.

The increase came as a result of a decision by the U.S. Court of Appeals for the District of Columbia, which overturned an earlier ruling preventing the increase.

ITT Avionics To Get \$4.9 Million Contract

The Avionics Division of International Telephone and Telegraph Corporation in Nutley has been awarded a \$4.9 million contract to develop an advanced miniature defensive electronic countermeasures system for use by Navy tactical aircraft, announced Ernest H. Manuel, president of the Avionics Division.

The award for this MINI-TRACKBREAKER was made by the Naval Air Systems Command in Washington, D.C. ITT Avionics Division will design and produce service test models of this airborne defensive ECM system.

Manuel further stated that

this contract, a direct result of the significant company investment in internal R&D programs over the past three years, represents a major entry of ITT Avionics into the airborne tactical field. The system, consisting of a control box, a transmitter and a receiver, employs all the latest techniques permitting un-

usual operational flexibility. The Avionics Division, a member of ITT's Defense Space Group, is a leading military supplier of Electronic Defense and Navigation Systems. The company is headquartered at 390 Washington Avenue, Nutley, with production facilities in Clifton.

Art Mini-Grant Deadline Nears

New Jersey artists have until March 30 to submit their applications for the second annual series of mini-grants sponsored by the New Jersey State Council on the Arts, announced Edward A. Ring, chairman.

Created to support the efforts of individual artists, mini-grants of up to \$1,000 each are available to visual artists, photographers, composers, choreographers, film makers, writers, multi-media artists, video artists and others.

Bell Co. Head Predicts Double Tele Volume

The prediction that New Jersey Bell Telephone Company will need to double its investment in communications facilities in the next six years — the equivalent of building a whole new telephone company — is contained in the company's 1971 annual report.

According to Robert W. Kleiner, company president, who made the report today, "All signs point to a period of sustained growth for New Jersey in the coming years, and adequate communications are essential for growth."

Our forecasters now estimate that we will have to double our investment in communications facilities by the end of 1977, the equivalent of building a whole new telephone company in about six years. This means that our construction program during that period will be about \$2.5 billion.

"But we cannot meet this objective," he said, "unless our earnings are sufficient to justify the investment of the massive amounts of new capital that will be needed."

The report shows a decline in earnings from \$1.65 share in 1970 to \$1.55 per share in 1971, on \$8,473,500 shares outstanding. In 1970, there were 53,473,500 shares outstanding.

Kleiner pointed out in the report that the downward trend of earnings, the lowest per-share since 1957, must be reversed to fulfill the goal of New Jersey Bell — "the constant improvement of telephone service in the state, now and in the future." He attributed the decrease in earnings to the fact that company expenses have increased at a faster rate than revenues.

"Total revenues in 1971," Kleiner said, "rose to \$743 million, up \$32.8 million or 7.68 per cent over 1970, while operating expenses were \$477 million, up \$49.6 million or 11.6 per cent over the previous year."

Net income declined to \$85.5 million, however, from 1970's net of \$88 million, he noted. This, he said, reflects the escalation of operating expenses due to new wage contracts negotiated in 1971, and to other rising costs. Total wage and benefit payments during the year added up to \$326 million.

The report reveals New Jersey Bell's 1971 construction budget was \$287.2 million, a rise of \$21.2 million over 1970, for improvement and enlargement of the company's statewide communication network.

During 1971, the company added 182,000 telephones to its network for a year-end total of 4,860,000 telephones in service. Residents made about 23,396,000 calls on an average business day.

The record construction program was partly financed by the sale last year of \$125 million of public debentures at an interest cost to the company of 7.26 per cent and the sale of \$80 million in capital stock to AT&T.

At the year's end, the total amount of outstanding debentures was \$560 million. Short term debt amounted to \$151.4 million and capital stock was \$935 million. The company plans, the report notes, to issue \$125 million in debt securities and \$60 million in capital stock in 1972.

The company filed for a \$79 million rate increase in September, 1970. The Public Utilities Commission granted an increase in January, 1972 of \$48,563,000.

"While any rate increase is helpful in bringing revenues and expenses into better balance," Kleiner said, "the amount allowed was inadequate, in view of the rapid escalation of operating expenses due to the 1971 wage contracts and other rising costs."

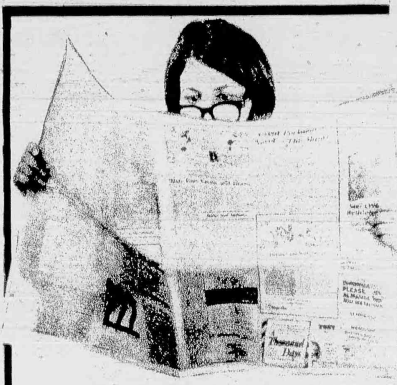

"Short term needs have been met, but at the expense of earnings levels. In the long run, no business can serve its customers well and provide good wages, benefits and working conditions for its employees if it does not earn well."

"In the 16 months our rate increase was pending, our costs continued to rise sharply, and have, in fact, gone up more than the total amount of the increase," he said.

Cernero Assigned Supply Ship Duty

Navy Petty Officer Third Class Thomas N. Cernero, son of Mr. and Mrs. Nunzio Cernero of 229 Kingsland Street, participated in operation "Springboard 72" with the combat store ship USS San Diego in the Caribbean Sea.

Few members of women's lib seek equal combat duty.
