

SIGNING TWO-YEAR CONTRACT for teachers is Belleville Education Association president Thomas Testa (seated, l-r) School Board head Richard Mahmarian and Superintendent of Schools Anthony Greco look on.

Standing (l-r) is George Nucera, head BEA negotiator, with School Board negotiating team of Lawrence Schwartz and Matthew Pica. Teachers settled for two-year pact.

Meets Warm Reception

School Board Receives Mike's Playground Plan

Commissioner Michael Marotti reportedly met with a warm reception last week when he conferred with Board of Education members on possible recreation improvements for Belleville schools.

Along with Commissioner Marotti, Recreation Committee chairman Frank Carraher and committee members Rocco Ferraro and Vic Pasquariello attended the special meeting. Superintendent of Recreation Robert Cook also accompanied Marotti's group.

Little League Opener Gets Another Attempt

A muddy field last week postponed the opening of the Belleville Little League's 1972 season to this Saturday. Ceremonies will begin at noon with the marching of all teams onto Michael V. Marotti Field, 92 Montgomery Place.

Opening ceremonies, to be attended by many dignitaries, will begin with Thomas Mc Enry, a former Amvets team pitcher who underwent a serious operation during off-season, throwing out the first ball to Commissioner Michael Marotti. Leading the parade onto the field will be the Belleville High School Band and twirling unit.

The first game is at 2 p.m. between Riefolo and Belleville Italian American Assn., followed by Landolfi vs. Biancardi at 4 p.m.; Wallace and Tieren vs. Elks at 6 p.m. and Rotary vs. Varsity Club beginning at 8 p.m.

Invitations have been extended to many prominent personalities, including Congressmen Peter W. Rodino and Joseph Minih, Mayor Joseph McGreevey and the entire Commission and to school officials.

Phantom Duo Smashes 20 Car Lot Windshields

BROKEN WINDSHIELD shown by used car lot owner Tom Fahmie at 90 Washington Avenue is one of 20 vandalized Sunday. The \$2,000 damage is not covered by his insurance.

A used car lot was vandalized over the weekend by a wrench-wielding culprit that smashed 20 windshields valued at \$2,000. Worse than that, though, the owner of the lot was uninsured for the damage.

Thomas C. Fahmie of Fahmie Motors, 90 Washington Avenue, was notified by police late Sunday night that two young men had pulled up to his business and calmly smashed 20 car windshields. Total damage estimates ran upwards of \$2,000. Operating in Belleville over six years, Fahmie was puzzled why his lot was struck.

"I can't see a motive for this vandalism," he said. "I have no enemies here. I treat everyone fairly. Things like this have happened to me before but not on such a large scale."

Fahmie explained that due to an oversight in his insurance policy, the damaged windshields were not covered. Of course, he has to replace them, but at his own expense. He is offering a reward for the capture of the culprit.

BEA Ratifies Teacher Pact

The Board of Education officially ratified a two-year contract pact with the Belleville Education Association during a special meeting Monday night. The terms of the two year pact give teachers the right to negotiate for salaries next year.

The contract passed the School Board test by a unanimous 6-0 vote with board member Caesar Romano not attending due to illness. Both Thomas Testa, president of the BEA, and Richard Mahmarian, Board of Education head, expressed their great pleasure with the ratification of the contract and agreed that cooperation between the two groups was "splendid."

Testa further indicated that contrary to recent newspaper accounts, "both parties were harmonious in their decision." The BEA president cited fair play good faith negotiations in bringing the two groups to terms.

Teachers retain the right to negotiate next year for another salary contract, but written agreements in the new pact, including fringe benefits and working conditions, cover two years.

Total Cost Estimated At \$80,000

Division Avenue Area Proposed Site Of Stadium's New Recreation Complex

Plans are now being finalized by the Department of Parks and Public Property for \$80,000 worth of recreation improvements in the Municipal Stadium area. Proposed facilities include a new baseball diamond, tennis courts, a softball diamond and a resodding of the high school football field.

Commissioner Michael Marotti reports that a bulldozer will begin leveling off land in the southeast corner of Municipal Stadium sometime next week for the construction of a new baseball diamond there. According to the Commissioner, the new ballpark, complete with grass infield, home run fence, stands and possibly dugouts should be finished within six to seven weeks. Most of the work will be done by Department of Recreation employees.

Amvets Set Fund Raiser For Mc Enry

A benefit dinner-dance for a hospitalized Belleville Little League will be held May 20 at the Amvets Hall, 100 Newark Avenue. The affair is sponsored by Amvets Post 26 and friends from the Little League.

Thomas Mc Enry underwent a serious operation during the Christmas holidays. He is recovering rapidly but funds are needed to cover medical expenses.

Tickets may be obtained from committee chairman Commissioner Michael Marotti or any committee member, including Pat Barbone, James Catalano, Frank Verani, Tony Bruno, Tony Randazzo, Pete Olivo, John Lorie, John Zacone, Al Pico, Joe Guardapascio, Angelo Serritella or Sal Passafiuma.

'Needs Further Study'

Commission Withdraws Library Addition Bill

Town Fathers Tuesday night withdrew an ordinance slated for passage on first reading that would have appropriated \$365,000 for alterations and an addition to the Belleville Public Library. Commissioners voted by a 4-1 margin to withdraw the proposal for further study after Mrs. Mary Senatore said she needed more time to review the bond ordinance.

This bond ordinance was just presented to me today. I'm not going to vote on it without going through it first," Mrs. Senatore commented after the meeting.

Survey Shows 70% Catholic In Belleville

Results from a Town-wide religious survey taken in late March were released this week. The poll, sponsored by the Belleville Ministerium, shows that almost 70 per cent of residents here are registered Roman Catholics.

The Rev. Albert Aspach and the Rev. Alfred Stone Jr., both officials in the Ministerium said the survey was a success but really didn't show any surprise. About 150 pollsters took to the streets of Belleville Saturday, March 25, in a coordinated effort to show the religious complexion of the town. All totaled, 5,756 door bells were rung, but responses were gained from only 3,140 households.

"Still, we believe we reached enough of the cross-section of the town to get an accurate picture," remarked Rev. Stone.

Officials estimate that some 60 per cent of the households were polled here. The survey showed that church attendance in Belleville is on an even par with the national level. Yet according to the survey, Belleville residents, compared to the national level, are more avid church goers.

"A national Gallup poll figure showed that 41 per cent of the people in the U.S. went to church the previous Sunday. In Belleville, 60 per cent of persons polled said they attended services last Sunday," remarked Rev. Aspach.

(Continued on Page 2)

library space from 6,000 to 12,000 square feet. The Washington Avenue structure would have a basement, an elevator, a grade-level entrance and patio area. The site would be directly in front of the main library on Washington Avenue.

"I'm still hopeful that the ordinance will pass but each time the ordinance is tabled that means a delay in construction," said library director Benjamin Grimm.

Mayor McGreevey, when asked why he has changed his position from two years ago, said the previous proposal would have cost the town upwards of \$1 million and entailed the purchase of property.

Free Rabies Shots Due

The Department of Public Affairs has set its annual free rabies control program for three days next week at three different locations. Residents are urged by Commissioner Vincent Strumolo to take advantage of the free clinic.

"Rabies is a preventable disease spread to humans by contact with a dog, cat or other warm-blooded animal," stated Strumolo. "A bite can cause serious illness."

Next Thursday, May 18, the clinic will be run 6:30 to 8:30 p.m. at the Health Department on 385 Washington Avenue. Friday, hours are 6:30 to 8:30 p.m. at 60 Franklin Street in the Silver Lake section and Saturday, May 20, the clinic will run 1 to 4 p.m. at the Recreation House, 407 Jerusalem Street.

"Rabies is caused by a virus which is carried in the saliva of the infected animal and travels through the bloodstream of the person bitten," added Strumolo. "Last year there were 1,245 dogs vaccinated in Belleville, a new high."

"The Town is now ready to handle this (the current) addition," McGreevey stated.

Mrs. Senatore said she is neither for nor against the addition but needs more time to study the proposal. She said she is protesting the rights of the taxpayers and would like to see where the priorities lie and if an addition at a cost of \$365,000 is really needed.

Only Commissioner Vincent Strumolo voted to keep the measure on the agenda but he was outvoted, 4-1.

Physician Position Filled

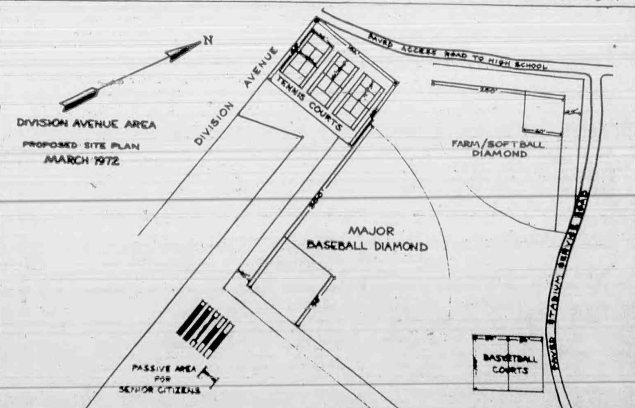

Replacing the late Dr. Donald Brown as schools physician is Dr. Phillip A. Rispoli of Bloomfield, who has private offices in the Clara Mass Professional Building here. Dr. Rispoli will receive \$5,500 per year for his services.

Duties as school physician include an annual physical examination of each child in the system. Dr. Rispoli is also in charge of the school's medical staff and he will work in close cooperation

(Continued on Page 2)

Dr. Phillip A. Rispoli

MAJOR RECREATION COMPLEX proposed for the Municipal Stadium area near Division Avenue may soon become a reality, according to Commissioner Michael Marotti. About \$80,000 is needed to fund the project.

Religious Survey Results Are Interesting

(Continued from Page 1)
Other interesting statistics show that 69.5 per cent of the population here is Roman Catholic, 19.2 per cent is Protestant, 1.3 per cent Jewish, 1.1 per cent Orthodox Christian and 5.5 per cent have no religious affiliation.
"This shows that a large percentage of people here

have a religious affiliation but not all of them are active in their church," added Rev. Alspach.

Pollsters were successful in getting the questionnaire answered about 54 per cent of the time. According to Rev. Stone, when pollsters were not able to get information from a home it was because

the residents were not at home and many very few cases did residents actually close the door and not cooperate. The survey also showed that about 60 per cent of the

As Physician

Dr. P. Rispoli Heads Schools

(Continued from Page 1)
with sports related activities at the high school.

Dr. Rispoli has been operating a lucrative private practice in the area for a number of years. He is also on the staff at Clara Maass Memorial Hospital and is a member of both state and national medical organizations.

Born in Italy, Dr. Rispoli came to the U.S. with his family at a very young age. He resided for a short time in Garfield and Madison, but came to Newark, where he was schooled and raised. Before moving his offices to Belleville, Dr. Rispoli practiced beginning in 1962 on Roosevelt Avenue in Newark. He remained there for several years before coming to Belleville three years ago.

Dr. Rispoli obtained his grammar and secondary school education in Newark. After high school graduation he attended Tulane University and earned his bachelor degree in 1953. He did one year of graduate study at Tu-

laine U. before receiving his medical training in Italy. Dr. Rispoli earned his doctor degree from Bologna University, Italy, in 1962. He interned at Marlton Medical Center, Newark.

Married to the former Miss Cella of Newark, Dr. Rispoli has three children. Gabriel, the oldest, is 12; Lauren is nine and Phillip Jr. is four years of age. Dr. Rispoli's parents, Mr. and Mrs. Gabriel Rispoli, have resided in Belleville for over 25 years.

Public Service Lauds DuPont

Joseph DuPont of 190 Linden Avenue, Belleville, is among 61 employees of Public Service Electric and Gas Co. to complete 25 years of service this month.
DuPont will be presented with a gold service emblem in honor of the occasion. He is employed at the Harrison Gas Plant. Gold emblems denote the completion of a quarter-century of service with the company.

Catholics in the Town," explained Rev. Stone. "For Catholics, it is an obligation to attend Mass every Sunday."

The poll showed that 18 per cent of the residents attend church only occasionally while 12 per cent rarely attend services. Ten per cent of those asked gave no reaction to the question.

"We got a good cross-section of the Town. The places we hit were at random so by not concentrating on one area we got an accurate picture," said Rev. Stone. "We hit nearly 70 per cent of the homes but obtained information from only one-third of those households."

Officials rated the survey a success because of the amount of cooperation pollsters received while on the job. Pollsters indicated that the majority of the people were friendly and outward, with

only a small handful slamming doors in their face.
"In most cases, they knew we were coming," added Rev. Alspach.

Detailed results of the survey are available to any

church here that can make use of them. The religious tally is proving valuable to the Belleville Ministerium because it is showing the direction the church in Belleville is going.

Improving the individual remains the cardinal purpose in life.

Commission for the \$80,000 it will require an emergency appropriation. The Commissioner also suggested that a small bond issue may be floated to finance the project. However, the new ballpark will be constructed, no matter what happens, Marotti stated that he has money allotted in his budget for that item.

"Most of the labor for the project could be done by my workers. We could save a considerable amount that way," he said.

The site is now only a fenced-in vacant lot used for dumping. Marotti proposed to level-off the land and construct, besides a baseball and softball diamond, basketball and tennis courts, an area for senior citizens and bocci courts.

recreation committee has been studying the proposal and they are expected to report back to the Commissioner in a week to 10 days.

During the summer months, Marotti also plans to level-off, resod and fence-in the football field.

"Now the Municipal Stadium field doesn't get a rest. They go from football into baseball and track. All three are played on the same field. When this project is complete we will have two separate fields and both of them will have time to rest during the off-season so they will stay in better condition," Marotti stated.

When completed, varsity high school sports will utilize the new fields but the rest of the recreation complex will be open to residents here year-round.

Administrator

Stepney Came From England

(This is another in a series of articles to familiarize residents with the Belleville School System administrators.)

Robert Stepney is Clinical Administrator of the Garden School.

He first came to the Garden School ten years ago. At that time he was employed as a Psychiatric Social Worker. In 1964 he was appointed Clinical Administrator of the school. Before coming to Belleville Stepney worked in a child care residential facility of a private agency in Pennsylvania for four years.

The Garden School was for many years a private facility of the Mental Health Association of Essex County. The Belleville Board of Education

serves on the Committee of Mental Health Services for Children of Essex County. This association studies problems from the state wide point of view.

Stepney states "Recognizing that we are working with children involved with learning disabilities, one strives for an understanding of the nature of the problems." Related to this thought Stepney quotes Virgil, "Happily is the man that understands the causes of things."

Stepney was born in a little town near Windsor, England.

He served in the British Armed forces during World War II. He continued his studies after the war in London University's School of Social Work. He graduated in 1956 receiving his B.A. in the field of Psychiatric Social Work.

After coming to Belleville Stepney continued graduate studies in Newark State College receiving his M.A. degree in Special Education. Stepney has great interest in writing. He has had several professional papers published.

He is a member of the Association of Belleville School Administrators. Stepney is married to the former Ann Pannulla. He has two sons.

Robert Stepney

assumed responsibility for the teaching staff of the school in 1966 and then assumed total responsibility for the school in 1968.

Besides his demanding schedule Stepney is involved with several associations. He is unit chairman of the National Association of Social Workers of Essex, Hudson and Union Counties. He is also chairman of the New Jersey Chapter of the American Group Psychotherapy Association. Stepney also

Judiciary Hearings

ITT And The GOP

Richard G. Kleindienst, the Acting Attorney General, who Nixon wants to make the permanent Attorney General, kicked off Senate Judiciary Committee hearings into his qualifications for the office and the Senate Judiciary Committee extravaganza went on a wild ride trying to prove that Kleindienst was involved in a deal whereby the United States Justice Department favored International Telephone and Telegraph Corporation in matters concerning three anti-trust cases.

The hearings now have come to an end. Kleindienst received the endorsement of the Senate Judiciary Committee. ITT was smeared from one end of the country to the other. The Republican Party was used as a whipping boy by Democrat members of the Senate Judiciary Committee. Out of the Senate Judiciary Committee meetings one fact came through loud and clear—in this Presidential election year, the Democrats were determined to stop at nothing and stoop to anything to destroy President Nixon's chances for re-election. That in the process the Democrat smear brush was used on one of the nation's most important, private, industrial complexes did not matter—who or what was

destroyed in the process of smearing Nixon and the Republican Party was of no importance so long as the fortune of the Democrat Party would be enhanced.

It is regrettable that a respectable major party resorted to such cheap tricks and means in an effort to recapture the Presidential seat now held by Nixon.

We hope the damage to ITT's reputation is of short duration—and maybe this is too much to hope for—that never again will we witness a major political party using a smear brush with reckless disregard for the reputations of respected companies and individuals.

It appears that Richard G. Kleindienst will be confirmed as Attorney General of the United States. If he does win confirmation, the effort to stigmatize ITT's reputation by the Democrats may be too high a price for this country to pay just to get a new Attorney General.

Frank A. Orechio

Why Not Police Women?

To our knowledge, civil service examinations for local police department employees pretty much restrict applicants to the male sex.

Police departments are turning away qualified women despite the fact they are having difficulty recruiting men to fill vacancies. In communities where police departments do employ females, for the most part they end up in secretarial jobs or in work with juveniles. They are deliberately kept out of traffic patrol and de-

tective work.

We think it is high time that our local authorities revise their job specifications to permit females to become full-fledged members of the police department.

Frank A. Orechio

Be Kind To Animals Week

This week is celebrated nationally as "Be Kind to Animals Week."

We think it would be a good idea to be kind to animals every week—as a matter of fact, every day. Compassion for animals is best expressed in a prayer by Dr. Albert Schweitzer.

"REVERENCE FOR LIFE"

"Hear our humble prayer, O God, for our friends, the animals, especially for animals who are suffering; for animals that are over-worked, under-fed and cruelly treated; for all wistful creatures in captivity that beat their wings against bars; for any that are hunted or lost or

deserted or frightened or hungry; for all that must be put to death.

"We entreat for them all thy mercy and pity, and for those who deal with them we ask a heart of compassion and gentle hands and kindly words. Make us, ourselves, to be true friends to animals and so to share the blessings of the merciful."

Frank A. Orechio

Seems Only Yesterday

The Bitter Pigeon Dispute Finally Comes To A Close

By Elaine Auerbach

One Year Ago

Former students and friends were to gather on June 17 at the Branch Brook Manor to honor Miss Frances Williamson and Mrs. Augusta Klein, who had been teaching at School One for over 40 years. Miss Williamson was a graduate of Belleville High School and had started to teach in Belleville in 1927. Mrs. Klein, a graduate of Barringer High School, had taught in Belleville schools since 1929.

Belleville was chosen as a pollution sampling site by the New Jersey Department of Environmental Protection, announced Public Affairs Commissioner Vincent Sirmolo. Local health officer Edward Hillery said that Belleville was one of numerous towns and cities chosen throughout the state by geographic location to provide data on air pollution.

In a surprising outcome, Mayor Ken Smith failed to win re-election to the Board of Commissioners. Visibly shaken by his defeat, the Mayor stated: "We've been defeated before and we've come back to win." Those who were elected were: Michael Marotti, Mary Senatore, Joseph McGreevy, Vincent Sirmolo, and Robert Entenza.

Except for something as unfortunate as pigeon backlash, the long-standing and bitterly fought pigeon dispute came to a close in Belleville. The Town Council, ignoring a last minute recommendation made by Dr. Gerson Ram, local health officer, and Thomas J. Dalton, public sanitarian for New York City, voted unanimously to adopt an amendment to the town sanitation code which set guidelines for the keeping and homing of racing pigeons in the community.

With the Town Council declaring that a week be set aside as "Support Our Boys in Vietnam Week," local officials, townspeople, and civic groups were preparing to participate in a mass demonstration in New York supporting U.S. policies regarding Vietnam. The Council authorized the local Paul J. Mac Donald Association to represent the community in the "Pro Vietnam Parade" down Fifth Avenue in New York.

Ten Years Ago

The Rev. Father Peter Menegus, pastor of Saint Anthony's Church, was to be the guest of honor at a dinner marking his 30th anniversary in the priesthood. Members of the Belleville Council of the Knights of Columbus were in charge of the event, which was to take place at the Robert Treat Hotel in Newark.

None of the 24 candidates for three at large council seats or the two ward seats which had been up for election received enough votes to make the balloting official. Approximately 11,906 voters, or 70 percent of those registered in town, failed to elect anyone to office. The voters did, however, approve a 42-hour work week for firemen.

Mrs. Robert Richardson of 50 Sycamore Drive was installed as president of the Elks Auxiliary, Nutley Lodge 1290, at their annual dinner. Others installed were Mrs. Earl Crawford, vice-president; Mrs. Robert Lewis, secretary; Mrs. Anne Desprez, treasurer; Mrs. Albert Weischel, chaplain; Mrs. Charles Redmond, membership; Mrs. Winnie Ruska, sick committee, and Mrs. Alan Swan, relief.

Fifteen Years Ago

Mayor Isadore Padula revealed that he intended to formally propose that a Planning Board be adopted by the Town. Padula, long a proponent of a centralized planning authority, stated his concern for the need of a planning board after attending a meeting of the Essex County Planning Board Association. Attending the session with the Mayor was director of Public Safety Harry Sullivan, who agreed with the Mayor that there was a need for such a group in town.

The resignation of Arnold Bloom as news editor of the Times News was announced by Ralph E. Heinzen, owner and publisher of both The Times and the Nutley Sun. Bloom had edited the local paper for a year and a half, during which time he had attempted to expand the paper's news coverage to all phases of community activities.

Twenty-Five Years Ago

The Belleville Ministers' Association adopted a resolution at their monthly meeting protesting against the carnival that was scheduled to begin at Edison Field in Silver Lake. The carnival was being run under the auspices of Saint Anthony's Church. The objection from the ministers branded the carnival a "public nuisance" and a detriment to public morals. They also declared that it was a source of juvenile delinquency.

At the election of officers held by the John J. Daly Post No. 18 of the Amvets, William O'Neill Jr., of 83 New Street, was chosen commander to succeed Edward Dunn. Other officers elected were: Peter O'Toole, 1st vice-commander; James McCann, 2nd vice-commander; Martin Hanley, 3rd vice-commander; Martin Leites, post adjutant; Bud Stroud, finance officer; Ed Dunleavy, provost marshal; Ralph White, public relations; Peter Torre, judge advocate; and Harold Valentine, service officer.

Forty Years Ago

Belleville's two-candidates for nomination as county clerk in the two major parties, Mayor Samuel Kentworthy, Republican, and John J. Daly, town clerk, Democrat, were winding up their campaign with an intensive last minute drive before the primary elections. The principal flight in the Democratic party was centered about the county clerk's nomination while Kentworthy was opposed by two Republican candidates, John Scott, incumbent, and Fred Parker, of Newark, who was seeking the nomination as an independent Republican.

Belleville teachers were waiting for their April salaries. With the refusal of the Board of Freeholders to aid the Board of Education by releasing any of the State funds dedicated to school use and being held by the county because the town had not paid its 1931 county tax, the situation remained without hope for change.

Fifty Years Ago

The following were prize winners in a popularity contest at the carnival held by the Royal Order of Moose: first, Miss Nellie Stines, a diamond ring; second, Miss Cecilia Boehmer, a diamond lavaliere.

Dorothy Collins was given a party on her eleventh birthday at the home of her father and mother, Mr. and Mrs. John Collins of Tappan Avenue.

Heart Hope

The National Heart and Lung Institute recently announced the first use of nuclear energy to power a living animal's heart. An artificial heart pump was successfully implanted in a calf in Boston and worked successfully for a period of hours before being removed. The Institute also announced successful testing of a mechanical heart.

The artificial heart pump is still large and probably years away from the perfection needed for human use. But officials at the Lung Institute are highly optimistic about future use of smaller heart pumps in humans; some believe they can be in use by the end of the seventies.

The artificial heart itself is also designed for operation with nuclear power though tests thus far have utilized electricity. It too is thought to have a promising future in human beings. Dr. Theodore Cooper, director of the Institute, says development of both the pump and heart are medical milestones. He estimated such devices will one day aid as many as 100,000 Americans annually.

On Time?

Ralph Nader's Aviation Consumer Action Project recently reported that the nation's major airlines often fail to fly on time, without reason or justification, and proposed airlines which pay little attention to time schedules be penalized by the Civil Aeronautics Board.

Anyone who has sat impatiently on U.S. passenger aircraft depending on the time schedule advertised, and witnessed the casual, slow, couldn't-care-less attitude of crewmen, stewards and even pilots, thus missing his future connection.

Those who ride trains in Germany, or England, know passenger facilities can run on time. For some reason little pride or emphasis concerning on-time departures has been exhibited by American trains, buses and planes in recent years. Bus drivers sit drinking coffee and talking at departure time, our trains were notoriously, habitually late, and now our airline schedules are utterly undependable.

Helen's Thing

Of Weekends And Car Keys And Nice Men

By Helen Maquire

I had a very busy weekend which included, among the more mundane things like cooking and making beds and refereeing a battle or two, a political rally, a children's party, a great reception at the beaches and coming up with seven pages of newspaper.

But it's the children's party I wish to discuss although I think discuss is the wrong word. Mothers of Twin

hosts a party once a year for the children of the members, all the kids, not just the twins. And this one was really good. The women in charge outdid themselves with a magician, a house with a garden, a host of games complete with prizes, balloons, pop-corn, clown cookies and hand puppets for everyone.

Gavin, faced with the choice of going with me or going to Scott Rademacher's birthday party, chose Scott's party hands down so I vented over to West Orange with the three other girls and my Delores. We went to the others picking up on the way Delores' Wagon and her identical boys. We got to the church, parked in the school lot across the street and evacuated the car. I was wearing a spring coat and by the time I had extricated Ryan and wrestled the girls out of their car seats, I was really warm so I took off the coat, flung it on the front seat, pushed down the button and locked the last door.

And can you guess what was in my coat pocket? A big bouquet of roses if you opt for the car keys. Fun and games mixed with slight feelings of desperation. Into the party where I borrowed the keys of everyone who owned a Country Squire in the vain hope that one set would match mine. Forget it.

As I tried the last set with fingers and everything else I could think of crossed, next year's club president arrived with her kids and, praise be, her husband. I had brought a metal coat hanger out to the lot with me and Mr. Allen bent it into shape, managed to inch it through a slightly open wing window and tried for a good ten minutes to unlock the door. No luck.

Meanwhile, back in the party room, my twins were in charge of Dolores whom they have met many times in their lives and certainly not recently. I don't know what magic she possesses but I don't think the little demons ever realized Maria was gone.

Finally, Eds Allen gave up with the coat hanger. Instead, the dear man volunteered to come back to Nutley to get another set of keys. I called my ever loving to break the news to him and went back into the party while my rescuer journeyed in search of the keys.

The magician was just winding up his performance when Edson returned. "Did Rod have any comment to me yet?" I asked after I had thanked the man profusely and stowed the new keys in my purse. "Yes," said Mr. Allen. "He said if anything happened to this set, you could walk home."

My trio and I got back to Alexander Avenue around 4:30 where we were greeted by papa who, much to my surprise and delight, said nothing at all about my stupidity and hasn't mentioned it since.

Public Works Bill Gives Boost To High Unemployment Areas

recently was photographed with actor Burt Reynolds who made COSMOPOLITAN MAGAZINE famous. John is also the publisher of IN MAGAZINE, HOCKEY ILLUSTRATED, PRO FOOTBALL ILLUSTRATED, BASEBALL ILLUSTRATED, HUNTING ILLUSTRATED, BASKETBALL ANNUAL, SPORTS HEROES, COMPLETE SPORTS MAGAZINE, WRESTLING WORLD, PRO BASKETBALL ILLUSTRATED, PRO FOOTBALL RECORD BOOK.

Commenting on what kind of person represents an agreeable companion, John quotes Lessing as follows: "...the most agreeable of all companions is a simple, frank man, without any high pretensions to an oppressive greatness; one who loves life and understands the use of it; obliging, alike at all hours, and above all, of a golden temper and steadfast as an anchor." For such a man, we gladly exchange the greatest genius, the most brilliant wit, the most profound thinker."

ONE OF THE FACELESS, HARD-WORKING GIRLS at the Eastern Airlines Computer Center in Woodbridge, is the efficient Maria Townsend. From reports reaching our desk, Maria has the face and figure to match the high-voltage brain power which she possesses and Blair Frost of Nutley Travel Service believes Maria is headed for stardom if she ever crosses the path of a Hollywood talent scout.

ELEANOR BRITTON, sister-in-law of Nutley's Nugent Frost of 225 Park Avenue, is concluding a season as Activities Director at the internationally famous Boca Raton Hotel & Club in Boca Raton, Florida. Below she appears with Bert Stephens, the General Manager of the Boca Raton Hotel & Club. Eleanor expects to be heading toward Nutley come June.

by Frank A. Orechio

THERE ARE MANY REASONS why Easter and Christmas time bear special memories. In our case, one of the joys of the seasons is the spiritual messages sent to us by Terry and Joe Shanahan—both beautiful people.

CONGRESSMAN JOSEPH G. MINISH, 11th District, has cosponsored legislation to expand the Accelerated Public Works program.

The Public Works program provides assistance to high unemployment areas to create work for the jobless. Under the proposal backed by Minish, the program's funding level would be increased by \$200 million and the types of projects funded would be expanded.

TWA'S RITA EASTMAN has a philoso-

phy of life which she has reduced to prose.

"Life goes slow without love.

It moves along unburied.

The sun rises.

The sun goes down.

There are those who pass by

changing the time-cycle

If you're willing to wait.

I am always shy with these journeymen at

and by the time I get to know them

They've gone away.

MY FRIEND, JOHN J. PLUNKETT,

publisher of SAGA MAGAZINE, and

only this week, assumed the post of publisher

for CONSENSUS MAGAZINE, an

800,000 publication distributed to members

of selected clubs throughout the country.

Congressman Joseph G. Minish

Miss Diana Auriemma

Miss Auriemma, Mr. Li Mandri Are Engaged

Mr. and Mrs. Anthony Auriemma of 93 Race Street announce the engagement of their daughter, Diana Lynn to Richard Anthony Li Mandri, son of Mr. and Mrs. Steven Li Mandri of Newark.

Miss Auriemma, attended Nutley High School and is a graduate of Essex County Vocational School. She is with Scala Hairdressers, Belleville.

Mr. Li Mandri, an alumnus of Barringer High School and the Police Academy, is with the Newark Police Department.

Most people can stand tragedy but few can master the small irritations of life.

Miss Maryann Marra

Betrothal Told Of Miss Marra, Dennis Alamo

Mr. and Mrs. Joseph Marra Jr. of Belleville announce the engagement of their daughter, Maryann to Dennis D. Alamo, son of Mr. and Mrs. Robert Alamo of Newark.

The engagement was announced at a party at the Barbone-Mosco Post in Belleville on April 1.

Miss Marra is a graduate of Essex County Vocational and Technical High School and is currently employed as a typist by the Armed Forces Examining and Entrance Station, Federal Building, in Newark.

Her fiancé is a graduate of Barringer High School and is with Fidelity Union Company in East Orange.

The couple will be married in May of 1973.

Miss Charlene Hull

Charlene Hull, Robert Leonia Are Betrothed

Mr. and Mrs. Robert C. Miller Jr. of 278 Greylock Parkway, Belleville, announce the engagement of their daughter, Charlene Ann to Robert V. H. Leonia, son of Mr. and Mrs. Robert J. Leonia of 115 High Street, Nutley.

Miss Hull, an alumna of Belleville High School, is with Sel-Rex Company, Nutley.

Mr. Leonia, a graduate of Marist High School, Jersey City, is a senior at Fairleigh Dickinson University, Rutherford, where he is majoring in business management.

A pretty girl makes a lot of men feel younger.

Mrs. Daphna Spence, William Glatz Wed

Mrs. Daphna A. Spence of Belleville and William Glatz of Irvington were married April 29 in Grace Episcopal Church, Nutley by the Rev. Crawford. A reception followed at Lyle's, Kearny.

Given in marriage by Patrick McDermott, the bride

Legion Post 70 Sponsors Party At Hospital

A chartered DeCamp bus left Nutley April 11 en route to Lyons Veterans Hospital in Millington, for a card party sponsored by the American Legion Auxiliary, Unit 70 of Nutley, assisted by the Legionnaires from Nutley Post 70.

Mrs. Earl Crawford, Chairman of Veterans Affairs handled all the necessary arrangements and the purchasing of refreshments.

Various card games were enjoyed by the patients and members of Unit 70 and Post 70. Auxiliary members of Unit 70 served doughnuts, punch, and jelly beans and canteenbooks were given out to the patients at the close of the evening.

Auxiliary members of Unit 70 who participated were Mrs. Elwood Braun, President of Unit 70, Mrs. Crawford, Mrs. Robert May Sr., Mrs. John Ostroski, Mrs. Herbert Schultz, Mrs. Howard Shuster, Mrs. J. O'Grady, Mrs. Charles Kratz, Mrs. F. Iacane, Mrs. Eugene Niecki, Mrs. J. Cunningham, Mrs. Harvey Nemeyer, Mrs. Carl Horvath, Mrs. Dave McCarthy, Mrs. John Deisinger, Mrs. C. Zetterstrom, Sr.

Legionnaires, Members of Post 70 who participated were Commander Harvey Nemeyer, Fred Mitchow, Phil Angelino, Robert May Sr., Dave McCarthy, Walter Slager, Rudy Berg, and Elwood Braun.

Miss Christine Miller

Troth Is Told Of Miss Miller, Kent Faulkner

Mr. and Mrs. Robert C. Miller Jr. of Upper Montclair, announce the engagement of their daughter, Christine Ann to Kent V. H. Faulkner II son of Mr. and Mrs. Ross H. Faulkner of Upper Montclair.

Miss Miller, an alumna of East Orange Catholic High School, attends Katharine Gibbs Secretarial School, Montclair. Her father is a partner in Meads-Miller Company, Nutley.

Mr. Faulkner attended Tulane University and is a probationary patrolman with the Town of Montclair.

The wedding will be held next spring.

Miss Elizabeth Bartley

Miss Bartley, Daniel Crowley Plan Wedding

Miss Robert R. Bartley of Bloomfield announces the engagement of her daughter, Elizabeth Ann Bartley to Daniel Thomas Crowley of Belleville.

Miss Bartley, also the daughter of the late Mr. Bartley, is a graduate of Bloomfield High School, Wesley College in Dover, Delaware, and Katharine Gibbs School of Montclair. She is a secretary in the Research Division of Schering Corporation in Bloomfield.

Mr. Crowley is the son of Mr. and Mrs. John F. Crowley, Sr. of Belleville. He is a graduate of Belleville High School and an Air Force Veteran. He is employed by Brief, Linn and Brief, Accountants and Auditors, of Maplewood, and is a junior at Seton Hall University, South Orange, majoring in Accounting.

Plans are in progress for an April wedding in 1973.

Sunday Social At Mt. Carmel

Miss Joanne Arrietta Bride Of Donald Ramon Barone

Miss Joanne Carmella Arrietta, daughter of Mr. and Mrs. Anthony Arrietta of 123 Garden Avenue, Belleville, became the bride April 9 of Donald Ramon Barone, son of Mr. and Mrs. Joseph Barone of 35 Clement Street, Nutley.

The Rev. Mink performed the ceremony in St. Peter's Church with a reception following at Robin Hood Inn, Clifton.

Escorted by her father, the bride wore a gown of silk organza with embroidered front and French cuff sleeves. A Juliet styled headpiece held her veil and she carried roses.

Miss Beverly LaLuna of Belleville was maid of honor. Bridesmaids included Miss Karen Arrietta and Miss Sharon Arrietta of Belleville, sisters of the bride, Miss Lucille Barone of Nutley, sister of the groom and Miss Loraine Paduano of Bloomfield. Flower girls were the bride's nieces, Debra and Dawn Borlogiov, of Oakhurst.

They were attired in rainbow colors of blue, yellow, green, lilac and pink with matching picture hats and bouquets.

Thomas Barone of Nutley served his brother as best man. Ushers were other brothers, Richard Barone and Dr. Joseph Barone Jr., the bride's brother, Frank.

A friend is someone who doesn't expect any favors.

The trouble with most interviews is that a man rarely says what he really thinks.

Mrs. Donald Barone-nee Joanne Arrietta

Arrietta and Robert DiBiasi of Belleville High School while Mr. Barone is an alumnus of Nutley High School. He is with Nutley Transmission Specialists. The couple are living in Belleville after a honeymoon in Puerto Rico and the Virgin Islands.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

ALCOHOLISM CLINIC—A free Alcoholism detection clinic will be offered at The Mountaineer Hospital. The clinic will be held in the Outpatient Department on Monday and Tuesday, May 15 and 16 from 7:30 to 9:30 p.m. and on Wednesday from 2 to 4 p.m. A confidential detection test, films and professional consultations with physicians and social workers will be available. Reviewing the program are from left Dr. Paul C. Fagan, Medical Advisor to Mountaineer's Alcoholism Treatment Center, Mrs. Kathleen Mason of the National Council on Alcoholism and Donald W. Klopfer, Casework Supervisor for Mountaineer's Alcoholism Treatment Center.

A First Safari For Historians Great Success

The Belleville Historical Society held its first Safari at the Belleville Little League Field, April 15. Ed O'Neill was the chairman of this event. The feature around the field held various photographs and other bits of historical memorabilia from an earlier Belleville. Many of those who attended enjoyed looking at the photos, picking out friends from their childhood. A few of those who attended were even able to find pictures of themselves.

After the photos had been viewed by everyone, the group went into the clubhouse where Alan Crisp, president of the Historical Society, gave a short welcoming speech. Neil Horne showed and narrated motion pictures of the town that he had made in the late 20's and early 30's.

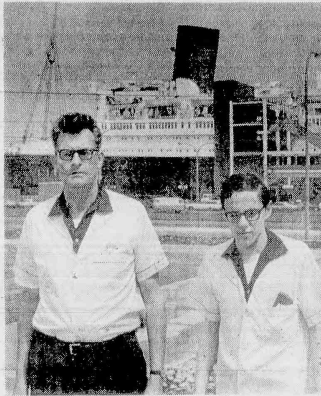

To those who are old enough to remember the trolley cars on Washington Avenue, or the beautiful homes that once lined the present district, the films surely brought back fond memories. But to those who are not old enough to remember these things, the films serve as a vivid reminder that our town does have a significant past that deserves to be preserved. It also showed a much more innocent period in our town's past. It showed the youngsters a time when thousands would line the Passaic River bank to see the shells racing on the river. It showed a time when our once beautiful Passaic was not the polluted dumping ground it is today.

Many of those who attended also enjoyed seeing the familiar faces, places, and events shown in the films. One woman saw a frame of an automobile accident that her father had been involved in in 1934. Tom Spillane, Sr. saw himself as a wrestler and a basketball player.

Former Councilman Ralph Casale brought an exciting film of Belleville High School football in 1928 and 1929. The 1928 game was the Belleville-Nutley game played at Clearman Field before a crowd that numbered more than 10,000. Nutley won the game by a score of 13 to 7. The film showed some very good action while also getting some good shots of Coach Steele of Belleville and Coach Stanford of Nutley. The rest of the film was devoted to the 1929 season which saw Belleville lose only one game all season while scoring 122 points to only 20 points for their opponents for the entire season.

Veteran's Group, Auxiliary Earn First Place Award

Firen's Post No. 1851 and their Ladies Auxiliary, Veterans of Foreign Wars have been advised by the Department (State) of New Jersey V.F.W. Community Activities Chairman, Charles Moore, Paramus, N.J. and Mrs. Andrew Mazer, East Brunswick, N.J. that the Record Book of Community Activities for the period April 1, 1971 to March 31, 1972 receives first place award.

VISITING A QUEEN—Recent visitors to the Queen Mary at her berth in the Port of Long Beach, California, were Jim Durkin of Newark and Leonard Tooley of Belleville. The Queen Mary is open for tours of the museum, Jacques Cousteau's Living Sea and upper deck areas. The deluxe Lord Nelson restaurant, the Observation Lounge, two coffee shops and 40 specialty shops are in operation.

Generation Gap Dance Friday At High School

A "Generation Gap" Dance will be held at the Belleville High School Gym on May 12 at 8:00 p.m. The night will feature Sal Minardi's "Salt Marsh" Band as well as the Belleville High School Dance Band under the direction of Mr. Bob Wing. Specialty numbers will also be performed by many of the teachers at the High School, as well as by several students.

Refreshments will be served and drawings will be held for some excellent door prizes. Tickets are \$1.00 pre-sale and \$1.25 at the door. Raffle tickets are also available for the drawings that night.

The final meeting of the 1971-1972 Home and School Association will be held on May 30, at 8:00 p.m. in the High School. A special program and installation of new officers. All members Please try to attend. Visitors welcome!

Miss Vecchione At Career Day

Miss Marie Vecchione of 669 Joramelon Street will discuss industrial, research and development as a career at a day-long Career Day program at Albertus Magnus College, New Haven, Connecticut on May 11. Miss Vecchione is an alumna of the college.

Any V.F.W. unit who wins the award statewide for three years may keep the monom trophy. This is the second time Firen's have received the honor.

Post Commander is Robert E. Wallace, Wallington and his Ladies Auxiliary President is Mrs. Russell Oliver, Newark. Community Activity Chairman for the Post is Past Commander, P. Russell Oliver, and his Auxiliary Chairmen are Mrs. Angelo Chirvra and Mrs. Thomas A. O'Neill, all of Newark.

Chiropractic Society Sets Annual Benefit

The Women's Auxiliary of the Garden State Chiropractic Society will present their second annual benefit dinner and fashion show for men and women at the Cameo Restaurant, 546 River Drive, Garfield, on Thursday evening, May 18 at 7 p.m.

Last year's fashion show attracted approximately 600 people. All proceeds from the benefit will be used for public education on chiropractic and to support and maintain the use of the Health Mobile Unit which travels throughout the state educating the public on chiropractic.

The latest women's and men's fashions will be modeled by doctor members of the Garden State Chiropractic Society and professional women models. Fashions will be from Zimmermann's Men's Clothing of Rutherford and the Mannequin of No. Haledon.

Mrs. Robert Tamamoto of Rutherford, auxiliary president, stated that accommodations for 900 guests have been made to exceed last year's phenomenal success. Mrs. Raymond St. Miklosy of River Vale is the chairman

Kids' Program This Saturday At Library

George Jamieson, veteran children's entertainer, will appear at the Children's Room of the Belleville Public Library on Saturday, May 13th at 10:30 a.m. and 12:00 noon.

Jamieson's program will include Punch and Judy puppets, magic, entertaining and informative chalk talks and balloon sculpture.

Because of space limitations it will again be necessary to limit the audience. Free tickets to either show are available to any Belleville youngster at the Children's Room of the library, corner of Washington Avenue and Academy Street.

Jamieson, from Hackettstown, will be making his first appearance in Belleville, and children are urged to pick up their tickets early. Lucky volunteers will participate in parts of the program and be awarded with Jamieson's clever and fascinating balloon sculptures.

Dr. Arnold Taub of Nutley is the local chairman and may be contacted at 661-0500 for further information.

ANNIVERSARY CRUISE—Mr. and Mrs. Frank Paterno of 85 Emmet Street are pictured on the deck of the Home Line's luxury liner, S.S. Homeric just before sailing from New York Harbor bound for a holiday vacation cruise to the sunny ports of the West Indies. The couple celebrated their 25th wedding anniversary during the cruise.

Stork Club

Adrienne M. Basile

Woman's Club of Belleville Earns Top Honors at Festival

The Woman's Club of Belleville took top honors at the Eighth District Drama Festival which was held at the Grace Episcopal Church, Rutherford. The prize winning play was "Women of Nazareth" by Mae Howley Barry, directed by Lorena Clark.

In the cast were: Lorena Clark as Conceicao, Lise Kropp as Francesca, Ruth Hogan as Zefa, Eudora Parry as Maria and Linnea Andree as Josephina. The Best Actress went to Lorena Clark and also the Best Director award.

This play also received the award for having the best stage set.

The best supporting actress award was presented to Irene Nunziato for her performance as Abby Baxter in "The Anchor" presented by the Evening Membership Department of the Woman's Club of Rutherford.

The third play presented was "Consolation" by the Evening Membership Department of the Woman's Club of Belleville. Judging the plays were Mrs. Robert Billies, Tenally, Mrs. James Crawford, Cranford and Mrs. Robert Frederickson, Little Silver.

Honored guests were: Mrs. John Rock, Wyckoff, 1st Vice President New Jersey State Federation of Women's Clubs, Mrs. William Mulert, Rutherford Eighth District Vice President; Mrs. Robert Matthews, Rutherford, State Literature Chairman; Mrs. George Freeman, Franklin Lakes, North Vice Chairman of Drama; Mrs. Laurie Bouwmeester, Southern Vice Chairman of Drama from

Shrewsbury; Mrs. Charles Benter, Sea Girt, Librarian and Official Timekeeper; Mrs. Alfred Hamer, Rutherford, Club President; Mrs. Arthur Kipple, Jr., State Evening Membership Chairman and Mrs. Orville Emmons, State Drama Chairman.

Helping with the activities of the day were members from the Woman's Clubs of Hoboken, Lyndhurst, Lyndhurst and Rutherford Evening Membership Departments, Carlstadt and Rutherford. In the Doll Contest which was judged by Mrs. Freeman, Mrs. Bouwmeester and Mrs. Benter the following members won awards: in the Television category Mrs. Raymond Dermer, Rutherford EMD won first place for "Jeanne" from the television program "I Dream of Jeannie"; Movie category first place went to Mrs. Charles Assenheimer for "Judith Garland" (As Esther Smith) in Meet Me In St. Louis; Second place was awarded to Mrs. Douglas Borton for depicting Vivian Leigh as Scarlett O'Hara; Mrs. Assenheimer and Mrs. Borton are members of the Rutherford EMD.

Another second was awarded to Mrs. Nellie Laporte Rutherford for Carmen Miranda in "Flying Down to Rio"; third place winner was Mrs. Kurt Kuenzle, Rutherford EMD, for "Roslyn" in "As You Like It."

First place winning dolls will be sent down to the Convention in Atlantic City next month for final judging.

Mrs. Edward Maleko, Rutherford Evening Membership Dept., District Drama Chairman was chairman of the day and presided at the Festival.

AIDING RESEARCH—Mary E. McCarthy (4th left), vice president Essex County Unit American Cancer Society, receives \$1000 check from Margaret Zarro, proceeds of the Zarro Civic & Welfare Association of Belleville's Dinner Dance Benefit for the American Cancer Society Leukemia Research. The presentation committee members are from left, Joseph Zarro, Rose DelPresto, Ann Restano, Joseph Corruza, dinner chairman, Rita Zarro, James P. Ceres, president and Angelina Ippolito. The dance, attended by over 600, was held at the Westmont Country Club, West Paterson. A benefit is held annually by the Association for a charity selected by the membership.

Ferben Spray Aids Pachysandra

Pachysandra is one of our most beautiful ground cover plants for growing under trees and around foundation plantings. But if plants are neglected, a disease may build up and kill large sections of the beds.

If dead plant stems are scattered throughout the beds, a close examination will be necessary to determine why they died. If the dead plant stems stand erect and are covered with brown, pimple-like growth, and if the dead stems resemble sandpaper, your plants are in trouble, says William F. Munk, senior county agent of Essex County.

Pachysandra canker disease attacks the plants early in the spring. The brown pimples produce thousands of spores of the disease, and your problem can spread this spring unless you do something now. To control canker, spray the pachysandra beds just as soon as new growth begins, Munk advises. Repeat twice at 10 to 14 day intervals. Use one of the ferbam fungicides in the gallon of water, add just enough sprayer-water or detergent, to make the solution slightly sudsy.

When you spray, force the nozzle down under the leaves so that stems and new shoot growth receive a coating of the disease-control chemical.

Ask your Essex County Agricultural Extension Service for a free copy of Leaflet 328-B, Tree, Shrub, and Flower Pest Control for the Homeowner, a complete guide to pest control on all ornamental plants. The address is 900 Bloomfield Avenue, Verona, New Jersey 07044.

Christian living means obeying your good impulses every day, and not waiting for Sunday services to come around.

Junior Woman's Club Group To Convention

Representatives of more than 140 Junior Clubs and Sub-Junior sections throughout New Jersey will gather in Atlantic City on May 12, 13 and 14 for the 45th Annual Spring Convention of the Junior Membership Department of the New Jersey State Federation of Women's Clubs.

Mrs. P. Barry Brock of the Junior Woman's Club of Belleville is chairman of the Convention that is expected to be attended by more than 1600 civic-minded young women. "Camelot" is the theme of the Convention.

The Junior Woman's Club of Belleville will be represented by Mrs. Thomas Spillane, president, Mrs. Roger Ellis, Miss Jean Benedetto, Miss Regina Ventura, Mrs. Nicholas Landolfi, Mrs. Sandra McNally, Mrs. Harry Reitz, Mrs. Catherine McNally, Mrs. Carl Clemente, Mrs. Felix Forlenza.

The official opening of the festivities will begin on Friday evening at 9 p.m. when Mrs. John J. Quigley, Jr., chairman of the Junior Membership Department, will conduct the business session titled "Night of the Roundtable." At this time members of the current Junior State Board will report on the club's achievements during the 1971-72 club year.

Mrs. William Haddock is currently serving as State Project chairman. Mrs. Haddock will report on the Junior's Current State Project, the Ruth Gotscho Kidney Foundation.

Club delegates will vote for candidates to serve on the 1972-73 State Board. Mrs. William Haddock is a candidate for membership chairman.

Saturday morning there will be Club Yearbook Program, Membership, Sub-Junior and Presidents' Workshops. At the same time there will be "working" exhibits presented by the American Home and Art Departments, Mrs. Nicholas Landolfi, Mrs. Michael Adubato, Mrs. Louis Scaleria, Mrs. Felix

Forlenza, and Mrs. James McCann will submit entries for this contest.

The luncheon "Round the Maypole" will feature presentation of scrapbook, pressbook and individual awards. Guest speakers will be Miss Joan Buchanan, National Director of Junior Clubs and Mrs. George F. Weinheimer, Jr., immediate Past President of the New Jersey State Federation of Women's Clubs. There will also be a fashion show of outfits made by Juniors.

The banquet on Saturday evening, "The Shining Hour," will be the highlight of the Convention. Mrs. Donald T. Bixby, new president of the N.J.S.F.W.C. will be guest speaker. Awards will be presented by the State Department chairman to the clubs who have done outstanding work in department areas.

The climax of the evening will be the naming of the "Diamond Dozen", the twelve most successful clubs in the State. The Chairman of Nominations, Mrs. James M. P. Moore, will announce the results of the election installed by Mrs. John J. Quigley, Jr. Miss Jean Port of the Totowa Juniors is the endorsed candidate for the office of chairman. Following the banquet there will be a reception for all Juniors and a party for the Sub-Juniors. Serving as pages from the Belleville Junior Woman's Club will be Mrs. Harry Reitz, and Miss Jeanne Benedetto.

Club delegates will vote for candidates to serve on the 1972-73 State Board. Mrs. William Haddock is a candidate for membership chairman.

Saturday morning there will be Club Yearbook Program, Membership, Sub-Junior and Presidents' Workshops. At the same time there will be "working" exhibits presented by the American Home and Art Departments, Mrs. Nicholas Landolfi, Mrs. Michael Adubato, Mrs. Louis Scaleria, Mrs. Felix

Miss Della Torre Sorority Officer

Laura Della Torre, daughter of Mr. and Mrs. Vincent Della Torre of Belleville, has been appointed vice-president for the 1972-73 year of the CHI DELTA PHI sorority at Alphonse College, Woodcliff Lake.

A freshman majoring in elementary art, Laura is a member of the Public Relations Club, Art Editor for the yearbook and also Art Editor for "The Collegian Call," the school newspaper.

Recent Doings Of Association At School 10

The Home and School Association of School No. 10 presented a special program for the sixth graders leaving for junior high school at the May 2 meeting.

Officers for the coming year were installed, after being presented to the group by the Association president, Mrs. Lois Malfitano.

Kathleen Burns On Dean's List

Kathleen T. Burns, daughter of Mr. and Mrs. Edward J. Burns of 8 Belmont Street has made the Dean's List at the University of Dayton.

Miss Burns is in the College of Arts and Sciences and has achieved an academic point average of 3.785 out of a possible 4.0.

A missionary to foreign lands deserves the greatest respect.

McGovern Campaign Headquarters Opens On Washington Ave.

George McGovern's populist campaign for the presidency came to Belleville last Thursday with an organizational meeting of the Belleville Citizens for McGovern. The twenty local residents attending the

meeting at the home of municipal co-ordinator James McCann mapped out a vigorous campaign aimed at bringing the South Dakota Senator's message to the voters in the June 6 New Jersey Democratic primary.

To this end, plans were made to open a local McGovern Headquarters at 172 Washington Avenue, adjacent to the "Path-Mark parking lot." Those wishing to participate in the campaign

have been urged to contact this office.

McGovern has emerged as the major candidate in this year's complicated Democratic race for the presidential nomination - con-

founder supposed experts and professional politicians with the success of his common-sense appeal to average American. McGovern has won decisive victories in the Wisconsin and Massachusetts primaries. His

remaining rival for the perennial candidate Hubert Humphrey; George Wallace's name does not appear on the New Jersey primary ballot.

PROJECT HEARTBEAT, run by Home and School Assn. of Montgomery School No. 2 exceeded its goal of \$5,000 as members of fund raising team view new heart-scan machine. Shown (l-r) are principal Arthur Pico, Mrs. Alfred DeLuccio, Mrs. George Veniero, Mrs. John Allum, Mrs. Ralph Estelle, Mrs. Albert Chiappinelli, Mrs. Joseph D'Adamo and Mrs. Frank Fontana.

Frank Bangert; TNJ Workers Restless

Ex-Resident

Frank Bangert, 816 Minnesota St., Lantana, Fla., died May 7 in J.F. Kennedy Memorial Hospital, Lakewood, Fla., after a long illness. He was 72.

Mr. Bangert was born in New York, and lived in Belleville until 1964. A World War I veteran, he was a Past Commander of Belleville Post American Legion; a member of International Brotherhood of Electrical Workers; and a member of Lodge 108 F&AM. He was a retired electrician.

Joseph Ellis; Ex-Salesman In Business

Joseph Ellis of 7 So. Wilber Street, died Sunday in Clara Maass Memorial Hospital after a short illness. He was 74.

Born in New York City, Mr. Ellis was a long time resident. He had been employed as a salesman for business firms.

He is survived by his wife, Florence (nee Loeb); three sons, Ira of Old Bridge, Howard of Nutley, and Gary of Belleville, and four grandchildren.

Services were held Monday with Rabbi Herbert Horowitz officiating. Interment was in King Solomon Cemetery, Clifton.

Mike's Plan Is Received By Schools

(Continued from Page 1)

School No. 3s, lighted playground, basketball court and tennis courts at School No. 10 and at School No. 8 Clearman Field plans call for the lighting of the field, two basketball courts, a tennis court and the utilizing of the field house for service and storage.

Marotti, who said funds needed for the playground improvements would be taken from his budget, also called for night supervision at the lighted areas. The Commissioner expects to save money on the project by using Town workers in as many areas as possible in the construction of the project.

Public Transport's Big Tree Garage on the Nutley-Belleville line could well be the scene of violence, striking bus workers have told The Sun. Thirty-one men have been laid off and notices announcing the complete cancellation of routes numbered 28 (Nutley-Newark), 15 (Nutley-City Subway) and 18 (Belleville-Newark) were posted early Monday at Big Tree.

Two major problems developed here immediately: first, most of the 31 drivers laid off Monday are blacks who lacked union seniority; second, those senior drivers who once had the "plush" routes 15 and 28 which involve easier schedules and less demanding traffic, were ordered to operate the 13 line which runs from Nutley to downtown Newark and then

west up Clinton Avenue to Irvington.

Some of the drivers say they have been warned that should they take No. 13 buses through the black Clinton Hill neighborhood in Newark, there would be trouble.

Black drivers yesterday set up a picket line at Big Tree. Meanwhile, the senior drivers, mostly whites but including several blacks, have told Public Transport they would not switch from the 28 and 15 lines to run the 13-Broad line.

The dispute here couldn't be ironed out this week and the overall union membership was called in and the strike

renewed. Public Transport on Monday told workers that routes 15, 18 and 28 had been cancelled. Nutley Public Affairs Commissioner Carmen Orechio learned of the report and called Public Transport direct. "They told me the discontinuance is only temporary, until they can get their rolling stock in operation," Orechio said. At Big Tree, however, union workers say Public Transport has no intention of reinstituting vice

access to the subway line. Service on the 15 line had deteriorated noticeably in recent years.

access to the subway line. Service on the 15 line had deteriorated noticeably in recent years.

How to knock on the wrong door for a Realtor.

It's easy, if you don't know how to recognize a Realtor in the first place.

He has a sign—the Realtor seal. Just like the one we've illustrated for you in this advertisement.

It's the way to know that there's an expert behind the door. Not just anyone in real estate—but someone who is pledged to a strict code of ethics. Someone who'll look after your best interests.

So if you want to open a Realtor's door, look for the seal before you knock. Only a Realtor has it.

Bloomfield, Glen Ridge, Nutley, Belleville

News

Cindermen Get Orange Juice

Belleville's track team lost to the Orange high school team last Tuesday, 69-48, at Municipal Stadium in Belleville. Head Coach Ray Hanneke was quite disappointed with the loss due to the poor times and distances.

Orange has not been beaten by the Bellboys in several years. Last year the Tornado squad beat Belleville by only five points.

In the high hurdles, Orange's senior Harold Shaver took first place. Second and third places were taken by Belleville seniors Donald Kowalski and Tony Portuese, respectively. Portuese, who has been unable to practice the last two weeks, will be

improving in future meets. The 100-yard dash was won by sophomore Jones from Orange. Second place was taken by another Orange sophomore. Third place was taken by sophomore Bob Cozzarelli of Belleville. Cozzarelli's time was 11.4 seconds. He seems to be getting quicker all the time.

Both first and second places of the mile run were taken by Orange trackmen Wall and Riley. Third place was taken by Belleville junior Chucky Hill in 5:32. Rocco Cuozzo, who is Belleville's best miler did not run in the race.

First place in the two mile (Continued on Page 14)

Kearny Blanks Bellboy Nine

By Tony Calabrese

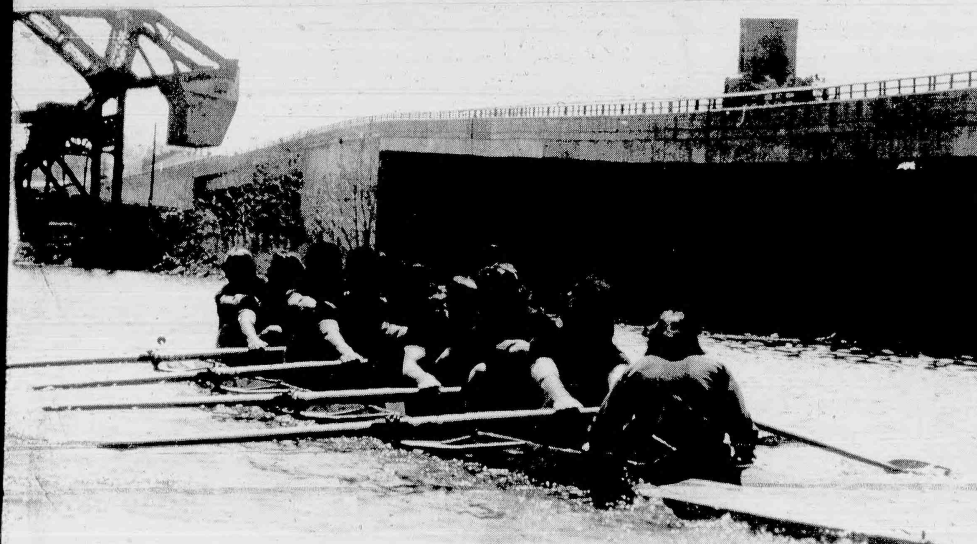

The Belleville Varsity Baseball Team's record dropped to 6-4 last Friday afternoon, as they were shutout by the Kearny Cardinals by a score of 30-0 in a game played in Belleville. The shutout was the second one pitched against Belleville in less than a week.

Kearny's junior righthander Bob Ostrum, also held the Bellboys to only four hits. Ostrum struck out five, and walked five in hurling a complete game victory. The victory was Ostrum's fourth of the season against one setback.

Gary Soldo hurled for Belleville, and he only gave up six hits while striking out three and walking four. However, three of those six hits came in the fourth inning and that was when Kearny scored the only three runs of the game. Ralph Landi led things off with a walk. Bob Stanley then singled to right field putting runners at first and third. Dave Malefsky then attempted a suicide squeeze bunt, and bunted the ball so perfectly that he beat the play out for a baseshit. This play scored Landi with the

Varsity Oarsmen power their way to victory in the last quarter of Saturday's race with Nutley on the Passaic River. Undeclared varsity shell consists of cox Fred Arena, captain

Angelo Sanzaro, Gary Haight, Alan DeMasi, Joe Covey, Craig Davis, Jim LaConte, Henri DeFrance and

Mike Olivieri. Performers travel to Poughkeepsie Regatta on Hudson River this Saturday.

Oarsmen Still Undeclared

Mid-Hudson Regatta Next Test After Sweeping Rival Maroon

Three divisions of Belleville's crew teams remain undefeated this week. Heading the list of the unbeaten is the varsity shell, which has posted a 5-0 mark. Since dual meet competition ended for the season Saturday when the

Bellboys topped arch-rival Nutley, the local oarsmen for the first time in many years have gone through the dual meet season unbeaten.

Only regatta racing and the national championships in Middleton, Del., remain on

the current schedule. Belleville this Saturday travels to Poughkeepsie, N.Y. to compete in the Mid-Hudson Invitational Regatta. The Belleville varsity shell is rated among the top four favorites to take top honors in the 12-

boat competition. Other neighboring communities sending representatives to that regatta will be Nutley and Kearny.

Last Saturday on the Passaic River, Belleville swept Nutley on all four racing levels, continuing its supremacy over the arch-rival Maroon. While the local varsity won by five seconds with an excellent 5:35 time, the jayvees squad even bettered that mark by defeating their Raider rival by 17 seconds in a good 5:39 time for the one mile course. The freshmen too managed to remain undefeated by defeating the Nutley frosh by nine seconds. Even the Belleville third boat registered a needed win by defeating their rival by two seconds.

"I'm especially proud of our jayvee boat," remarked head coach Sam Giuffrida. "We expected our toughest race on the jayvee level and they won by the largest margin."

Giuffrida called Nutley good opponents but he added that the Belleville varsity "simply outpowered" the Nutley crew.

"We got good, good races from all our crews," he commented. "We knew the varsity race was going to be close

and it was. Still, beating Nutley by five seconds is quite a margin."

At the varsity level, Nutley good off to a good start and had a half length lead by the end of the first quarter. At the half-mile, the Bellboys narrowed that gap to a three-

(Continued on Page 16)

Play Raiders Tomorrow

Duffers Add Two More Wins To Boost Excellent 6-2 Mark

Belleville's golf team has added two more victories to their record over the past week. Last Monday Belleville crushed Kearny High School, 14 to 4, at Green Meadow Country Club, meeting them for the first time. On Friday, the local squad hosted Irvington High School at Forest Hills,

beating them 15 to 3. This was the second match against the Camper team, being defeated by Belleville both times.

The Maroon Raiders will travel to Forest Hills Country Club, where the local golf team will host them, tomorrow. This will be the second match between the

two arch rival schools. In the first clash of the bordering towns, Belleville won 14 to 4. According to Dominick Palamara, number three shooter, they will dump the Maroon again.

Boasting their six and two record is head coach Michael Salzarolo and team mates. Number three

shooter, Dominick Palamara, attentively brought it to my attention that it is one of the best records any varsity sport at Belleville High has had. Coach Salzarolo's early team predictions are steadily coming true for the team

(Continued on Page 14)

FRESHMAN CREW, seen winning race with Nutley, has Bill Smith as cox, followed by Ted Periah, Frank Stephanelli, Frank

Hildbrande, John Kelly, John Malfitano, Mike Napiello, Bob Falco and Bob Romano.

Bengals Offset Belleville Track Talent

Thinclads Host Campers In Stadium Meet Today

By Robert Luongo

Belleville's track team was beaten by Bloomfield High School, last Monday, 74 to 48 at Foley Field. Thursday's meet against East Side was rained out, but a rain date is supposed to be made so the meet will take place next week sometime.

Today the cindermen host Irvington High School at Municipal Stadium. Belleville beat the Campers last year, but this year's squad is much tougher.

Last Saturday, Belleville High participated in the Big Ten Relays at Woodmen Field in Montclair. Two runners, throwers, and jumpers represented the local school at the Ten school meet. The only two events that were not entered were the pole vault and the long jump. At the relays, the competition is tough and the times are very fast. Although only one Belleville performer placed, the experience is very beneficial. Senior standout, Michael Petronaci took a fourth in the quarter mile run. Petronaci, on top of placing fourth, tied the second record with his scintillating run. Running the event in 51.2 seconds, "Pet" tied the old record which was set seven years ago.

Against Bloomfield, in the high hurdles, senior Don Kowalski took first with 16.9 second timing. Kowalski, not

only leads the team in first places but also holds first in season total points. Second place was taken by Tony Portuese, who did not run a real fast time, however, it was good enough for second. Third place was taken by Al Westerfield of the Bengal squad.

In the 100 yard dash, Bloomfield's Greg Armas took first with a 11 second run. Once again, second and third places were taken by reliable Belleville speedsters Bob Cozzarelli and Greg Ottalagano. This is the fourth meet this season that the two Belleville road runners have taken second and third. Next year, they should be taking first and second at every race.

First and second places in the mile run were taken by the powerful Bengal distance men. The time of the first place run was 4:41. Third place was taken by Belleville's Steve Dyba. Dyba, only a sophomore has placed in three dual meets this season and he shows great promise for future seasons.

In the two mile run, Bengal runners once again, took the advantage. First and second were taken by Giordano and Merullo of the Bloomfield team. Third place was taken by Mike Spillane of the Belleville team. Spillane is another potential sophomore that has placed in

(Continued on Page 14)

OUTSTANDING BELLBOY in the 440 dash, Mike Petronaci finished strong four at the Big Ten Conference quarter mile run last Saturday afternoon.

LEADING THE TRACK team in first place finishes and total points for the season is (right) "Killer" Don Kowalski who is seen copping second honors against Nutley's Larry Rose in low hurdle event.

See 74-48 Total

Bloomfield Overcomes As Tracksters Bow

(Continued From Page 13)

In the 440 yard dash and quarter mile run, Belleville stalwart Michael Petronaci took first with a 52.3 second run. Petronaci has only lost one dual meet race this year, quite an outstanding feat. As previously mentioned in the article, "Pet" tied the school record with 51.2 second run at the Big Ten Relays. Second place was taken by Bloomfield's Davis. Third was taken by Belleville's senior Robert Drake.

Bloomfield's Greg Armas took first in the 220 yard dash. Second and third places were taken by junior gaelle Greg Otagalanga and senior stand out John O'Donnell. O'Donnell ran the race in 25.7 seconds which is his best season time. The low hurdles were taken by Don Kowalski

This was his second meet first. Second place was captured by senior Bengal Boone. Last place was taken by senior Tony Portuese.

In the half mile event, Bengal strider Pete Mottugh took first with a two minute eight seconds. Second place was taken by sophomore stand out Steve Budnick. Budnick is the most promising of all the sophomore striders, placing in almost every meet this season. Third place was taken by Bloomfield distance man, Ozaskin.

In the field events, performances were quite grim. In the shot put, the Bengal throwers were too powerful, for they took all three places.

In the discus, sophomore Tom Sanders took first with an outstanding throw of 124 feet. This is Sanders' best and is only nine feet from the sophomore record. Second place was taken by Bengal

thrower Sam Carollo. Tod Tripica of Bloomfield took third.

In the pole vault, Belleville's silent superstar, Dave "Pooh" Pepe took first for the Bellboys with a ten foot jump. Second and third places were taken by Bengal vaulters Skinner and Jones, respectively.

In the high jump, first place was taken by Bloomfield's Sinnenberg. Second place was taken by Belleville's Robert Drake with a jump of five foot three inches. Drake, is one of the best all around performers the squad has. He competes in three events and has the capabilities of performing in three. Third place was taken by Belleville's John O'Donnell.

The broad jump, first place was taken by Bengal cinderman Ed Young with a 19 feet two inch jump. Second place

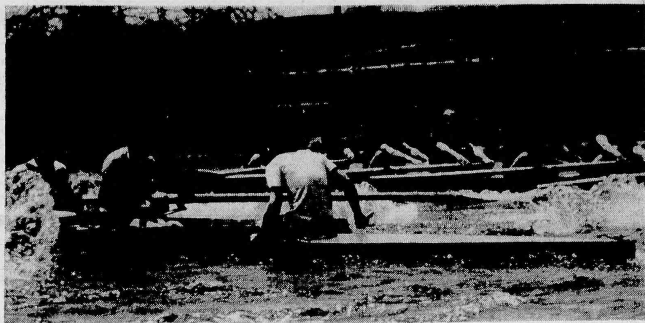

was taken by Dave Skinner of Bloomfield. Third was taken by Tony Portuese with an 18 feet four inch jump. This was Portuese's third meet where he took a third.

During this meet, another event was added, the mile relay. In this race, four boys ran a quarter each. The point distribution for this event is just five points for the winners. Bloomfield took the event capturing the final points for their victory.

(Continued From Page 13)

has a terrific chance to play in the states.

With six victories under

BELLEVILLE JAYVEE crew team, undefeated this season, is seen background already ahead of rival Nutley only seconds after start of race Saturday. Boat has cox Steve Dona van, with Dan

Dominguez, Brian Bedford, Ed O'Connell, Joe Cerami, Tom Spooner, Anthony Billon, Charles Mallot and Russ Vocaturro.

Golfers Now Preparing For Arch-Rival Nutley Tomorrow At Forest Hills Club

his belt the coach feels he can replace some of the steady shooters with inexperienced sophomores and juniors. He weighs all the golfers equally trying to give them a fair hand so he devised a rotation system for the next four or five matches. Fifth or sixth position each match will be replaced by a green shooter, giving him a chance to earn a letter and also to get future experience.

Against Kearny, season point leader, Larry DiMiro shut out his opponent, three to nothing. Larry, only a junior, has been doing a terrific job and looks forward to the rest of the season. Later that week, against Irvington, he held his opponent to a scoreless match, three to nothing. This is Larry's fifth season shut out, a phenomenal feat for most shooters.

Dominick Palamara, another senior stand out shot at the number two spot against Kearny. Palamara's opponent was undefeated un-

til Dominick shut him out. Against Irvington he shot at the number three spot again fighting his opponent to a shut out victory. Palamara is second in season total points.

Shooting only against Irvington is female shooter, Cindy Ferro. Cindy shut out her Camper opponent three to nothing. Cindy has shut out three of the four opponents that she has faced.

shooters. Richard "Weasel" Villano shot at the number five spot against Kearny. Villano captured three points, scoring his opponent to a scoreless match.

Senior Jesse Damato scored two points against Kearny last Monday. Jesse, has contributed enough

points to earn his letter this year.

Sophomore Mike Monagas, making his debut against Kearny scored one point. This point marks the beginning of his competitive career.

Your Party is a sure winner

at Monticello Raceway — from start to finish!

You've picked a winner when you pick Monticello for your group's next party. We'll throw you a party you'll never forget! It starts with a delicious full course dinner, complete with wine; and finishes with 9 thrilling races (and lots of excitement in between!).

And if you bring 40 or more people, you're eligible for our extra low group rates, which include:

- Admission to the track for 9 races (3 perfectas and the Superfecta)
- Full course dinner (with complimentary glass of wine) on the lovely Ichabod Crane Terrace
- A race named after your group
- An announcement honoring your group over our P.A. system
- Your group's name welcomed in lights on our message board
- Gratuities
- Free parking for your bus

And in addition to all this, you get a crack at the most exciting form of wagering ever invented.

SUPERFECTA

Just name the first four horses in their exact order of finish and for your \$3 bet you could win more money than you ever imagined.

Call Monticello Raceway for information or reservations today. We'll send you our group brochure immediately.

Beck's Column

Did you know that the viewing public spends over one billion dollars a year for its favorite pastime, television? This fantastic development took place in about 25 years. The beginning of the TV era was the year 1939. The war brought an interruption, of course.

According to a recent survey, TV sets outnumber telephones, refrigerators, and bathtubs. At first this seems hardly believable. However, if one rides along the countryside, one sees many TV antennas on houses and sheds which do not have these other facilities, obviously.

You know, of course, that TV is called the "boob tube" or America's favorite "public tranquilizer." That much is clear, it is by far the biggest means of entertainment. It also is the most complicated piece of technical equipment in the hands of the public.

It is hardly believable that we are on the verge of a major change, cable TV, which is expected to gradually almost replace the present over-the-air system. More and more houses every day are being wired in on cable TV. For most of which reception is greatly improved, sooner or later the cable TV stations will also supply their own programs. This development will be fought by the existing TV stations with all means at their disposal. It will be a fight for their existence. This won't come today or tomorrow, but the fight is on already for several years.

We service what we sell. Bell Radio-TV-Hifi Nutley 667-4225.

Our Cindermens Juiced By Orange High School

(Continued From Page 13)

run was taken by Orange senior Wise. Second place was taken by sophomore Robert Spillane of Belleville. Spillane, who is a good long runner holds mold for a very profitable future for the team. Third place was taken by Orange.

In the 440, Orange's Britt

took first with a 52.9 run. Senior star Mike Petronaci took second. Petronaci, who is Belleville's best long sprinter ran the race in 53.2. Third place was taken by Orange's Steve Hammond.

Senior Star Donald Kowalski took first place in the low hurdles. Kowalski, who is leading the team in season

firsts ran the hurdles in 17.9 second. Second place was taken by Jesse Shaver of Orange. Third place by another Orange trackman.

In the half mile, Orange's star Parker took first place. Steve Budnick, Belleville's outstanding sophomore took second by about ten feet. Third place was taken by an Orange runner.

In the field events, Coach Jay Gavitt's field men swept in one of the five events. Belleville competed against Orange with the absence of the leading discus and shot putter, Robert Luongo.

First place in the shot put was taken by Tomado thrower George Milton with a throw of 45 feet one inch. Second place was taken by Belleville's Michael Greendfeder. Third was taken by Orange senior Robertson.

In the discus, Belleville's sophomore Tom Sanders took first place with 114 foot throw. Sanders possesses great potential talent in the disc and hopes soon to become the number one thrower. George Milton of Orange took second and third place was taken by John Fagoli. Fagoli, since last year, has improved greatly in this event.

Our advice to you this week is to take care of your heart and live a while longer.

Malifitano, Centanni Combine For A Victory

Behind a fine combined pitching performance by Mario Malifitano and Rich Centanni, and some timely hitting, the Belleville Varsity Baseball Team was able to win their third straight game without a loss as they defeated their archrival the Nutley Maroon Raiders by a score of 2-1 in a game played in Belleville last Wednesday afternoon. Both Malifitano and Centanni allowed only two hits each to the Nutley batters, and the two young hurlers also combined to strikeout 13 Nutley batsmen. Malifitano started and went four fine innings in which he struckout six and walked only one. Centanni in his three inning relief stint picked up his first win of the season as he struckout seven and walked

two. In addition he scored the winning run in the fifth inning of the ballgame.

For the first three innings Malifitano and Nutley hurler Ed Melillo matched serves as each one allowed only one hit and stymied the opposing batters. However, in the top of the fourth inning Nutley

broke into the scoring column against Malifitano. With one out Don Kiwor singled to right center field. Kiwor then proceeded to steal second base, and later on he moved over to third on a wild pitch.

Al Alfano followed all this action by drawing Malifitano's only walk of the day.

Al Donatiello followed by bouncing a ball down to Alan Frank at third base. Frank was able to get the force play on Alfano at second, however on the play Kiwor was able to score, and Nutley led 1-0. They did not have the lead for long. In the bottom of the fourth the Bellboys were able

to tie it after two were out. Frank Papisidero got things going by beating out an infield hit. Phil Cuzzi followed with a perfect hit and run single putting runners on first and third. Gerard Mongrella then hit Melillo's next serve into left field for a base hit and the game was tied at one

apiece. After Centanni struck out the side in the top of the fifth inning the Bellboys then went on to score the winning run in the bottom of the fifth. With one down Centanni singled to left field. Joe Ross then put runners on first and second with a hit to left. Then while

pitching to Alan Frank, Melillo committed a balk, thusly moving both runners up a base.

Frank then proceeded to hit a fly ball to left field. Kiwor, the leftfielder made a fine play on the ball, however, Centanni tagged up and scored after the catch and

Belleville was in front to stay. From there on it was easy, although Nutley was able to muster a threat in the seventh when Steve Ogden singled and Frank Bogday walked. However, Centanni struckout Melillo for the last out of the game and thus Belleville had beaten the archrival.

Varsity Defeats Mounties

By beating the Montclair Mounties 8-1 last Friday afternoon, the Belleville Bellboy baseball team took over undisputed possession of first place in the Big Ten Conference. Belleville now owns a 4-0 record, and is one full game ahead of defending Big Ten champ Columbia, and also one game ahead of a spirited Kean club who until last Friday's loss to Irvington had been tied for first with Belleville.

The Montclair game was the first "laugher" of the year for the Bellboys as they scored their eight runs on eleven hits, one of which was the first Bellboy homerun of the season, a fourth inning blast by rightfielder Joe Ross. On the mound Coach Charlie Travers was able to give four members of his talented pitching staff some work, and the four responded to hold the Mounties to only four hits.

Montclair did lead once in this game, as they scored their run in the very first inning. The Mounties' Steve Ruccio lined a Gary Soldo pitch between the outfielders in right center and while the ball kept on rolling in the outfield, Ruccio was making his way around the bases with a homerun. Despite this blow, though, Soldo pitched well in his three innings of work, striking out 5, giving up two hits and walking nobody. Mario Malifitano, who was credited with the win pitched a fine fourth inning allowing only one hit in the inning.

Malifitano was aided by an outstanding diving catch by leftfielder Ron Borgo, who robbed Ruccio of an extra base hit in the inning. Rich Centanni pitched the fifth inning, ran into a few control problems, but retired the Mounties without a run or a hit. All-County performer Frank Pettie hurled the final two innings, and he picked up a save giving up an extra base hit, striking out three Mounties.

Montclair pitcher Dave Orr was able to hold the Bellboys hitless over the first two innings. However, Belleville was able to register four tallies in the third inning, taking over complete control of the game. Consecutive singles by Alan Frank, Phil Cuzzi and Frank Papisidero produced the tying run. Phil Cuzzi then loaded the bases by laying down a perfect bunt single. Gerard Mongrella then drove in what proved to be the winning run with a sacrifice fly to left field.

An ensuing overthrow after Mongrella's sacrifice fly, scored Papisidero with the third run of the inning. Rich Giordano singled to center scoring Cuzzi, and the Bellboys ended the inning leading 4-1.

Ross then scored the fifth Bellboy run of the day in the next inning when he flied a solid pop over the head of Mountie centerfielder Terry Burns' head for his homerun. The Bellboys made it 7-1 in the fifth when Papisidero singled. Cuzzi walked, Giordano doubled home a run, and Malifitano scored one with an infield single. The final run came across in the seventh, when Giordano scored on a wild pitch.

The truth is often less sensational than rumor or gossip and the latter seems preferred.

Crew Will Travel To Poughkeepsie

(Continued from Page 13)
seat lead. The Belleville oarsmen made their big move in the second half and stretched the distance to five seconds

by the finish line. This weekend Belleville will have a full day of racing at the Poughkeepsie Regatta. Defending champion Holy

Spirit of Atlantic City will be back and along with Roosevelt, those two teams will be the ones Belleville has to beat. Belleville will race in

the preliminary rounds in the morning. The local squad will race again in the final round in the afternoon, if they make it.

Wednesday's scheduled tri-

race with Roosevelt and Arlington was postponed due to fog conditions on the Hudson River. According to Giuffrida, the Belleville squad traveled the 75 miles to

Poughkeepsie only to have fog drift onto the racing course, cancelling the competition. But Belleville will meet those two schools Saturday in the regatta.

DISCUSSING PRE-RACE strategy with varsity crew captain Angelo Sanzaro prior to meet with Nutley Saturday on Passaic River is head coach Sam Giuffrida.

RECEIVING GOOD LUCK shake prior to important race against Nutley Saturday on the Passaic River is varsity oarsman Gary Haight, who, along with other crew members, defeated Maroon.

One might call this the era of the investigation.

State Educational Media Conference At Seton Hall
Audio-visual specialists from school systems throughout New Jersey will attend the Third Annual Northern New Jersey Educational Media Conference at Seton Hall University in South Orange May 17 and 18.

In addition to workshop-seminar sessions and commercial audiovisual exhibits, the conference will include a multi-media display from the U.S. Office of Education featuring new education programs and associated products, to be shown for the first time in New Jersey.

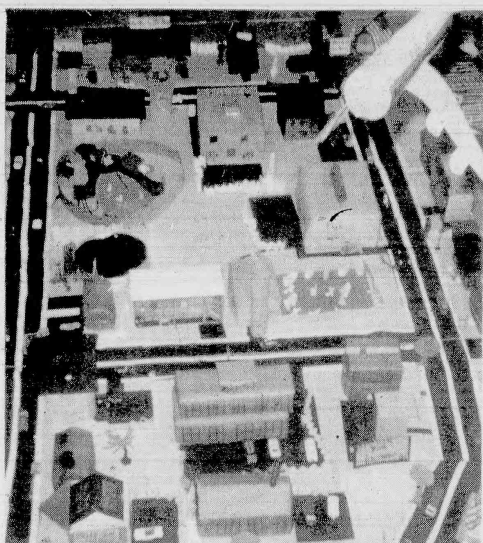

Pharmacy Footnotes

Vincent
Cazzarelli
Reg. Ph.

Any arthritic or rheumatic victim should not hesitate to consult with his family doctor immediately. If he is conscientious about doing this, chances are that the type and origin of the disease can be determined quickly and the proper treatment prescribed. Hospitalization is sometimes recommended for the sufferer on the best place for him to rest. He can also recommend many places in the United States where the best possible care can be given to the patient at a relatively low cost. If you are one of these sufferers, don't delay—see your doctor soon!

If you have a prescription to be filled, don't delay—see us at ROSSMORE PHARMACY, 336 Washington Ave., 759-1968, 759-1956. Medicare and Blue Cross Approved. For Mother's Day, May 14 we have a complete stock of Cosmetics, Times Watches, Transistor Radios, Cameras and other gifts. Open Daily 9 AM-10 PM, Sundays 9 AM-9 PM.

HELPFUL HINT:
The Arthritis and Rheumatism Foundation will supply on request lists of clinics and doctors who are specialists in rheumatic diseases.

MINIATURE BELLEVILLE, complete with Town Hall, Post Office and fire house, was constructed by a third grade class at School No. 7. Children received new learning concept with project.

At School 7

Pupils Build Mini Town

"Building A Community" a social studies project started about a month ago in Belleville School Seven with the third grade students in Mrs. A. Immediato's class, saw a new learning concept.

Children drew blueprints of the town with its clean and winding streets, homes and buildings. The Town Hall, newspaper office, parks, fire station, High School, library,

banks, School Seven, stadium, churches, Post Office, gas station, reservoir and Clara Maass Hospital were constructed. Planes, clouds and a sun hung above the town—supported by a thin plastic string. Various things were brought in by the children to add to the realism, such as cars, trucks, telephone poles and tiny dolls for people.

The building of this community was a learning experience in many ways. They were able to see and construct what they were actually studying about. The children became more aware of the division and planning which have to be studied to create a livable community.

Individuals are often generous in big things and stingy in little ways, and vice versa.

LEGAL NOTICE

SUPERIOR COURT OF NEW JERSEY
DOCKET NO. A-16116-71
TO: JOHN LEO MECOLUCK

Golden Certificate Received

DeWitt Savings, Loan Official Honored At Annual Convention

Ten Essex County savings and loan officials were honored during the 63rd annual convention of the New Jersey Savings League held in Hadron Hall Hotel.

Six received a silver certificate attesting to the completion of 25 years of service to the savings and loan business, and four received golden 50-year anniversary certificates. They were presented by Warren Hill, of Scotch Plains, president of the state trade organization.

The golden anniversary certificate recipients included Harry Grifflinger, attorney, DeWitt Savings and Loan Association, Belleville.

In announcing the awards, Hill noted that this is a record of which each can be proud. "It is people like those who have played a major role in the prosperity and growth of their community, Essex County and the state," Hill continued. "They have given unselfishly of their time and energies, their knowledge and

business ability in the service of the people of their home communities who utilize the facilities of their respective associations."

NEWTON SEWING CENTRE

204 Ampere Hwy. Blm'd Home Serv. co. After 4 P.M. 429-9532

2. CARD OF THANKS

DEVOTED Deeming it impossible to personally thank everyone, I wish to take this opportunity to thank relatives, friends, Kiwanis Funeral Home, The Belleville Police and Fire Dept., Belleville Post Office, the American Legion for their kindness and sympathy during the illness and death of Walter Devo.

Bereaved wife Mrs. Hazel Devo

CHIMENTO, ANGELO - The wife and children of the late Angelo Chimento extend our thanks to the Nutley Fire Aid Squad and Police Department for their services extended to our husband and child at his time of need.

Christina Chimento and children

The Pru. Your First Job. And You.

Your first positions shouldn't be just a job, but the first step in your career. That's why, when you think of your future, you would be wise to think about Prudential.

Yes, at the Pru we offer good pay, even while training... we provide excellent benefits... we have a pleasant atmosphere with friendly workers. But, at this point in your life, your well-earned high school diploma should pay off with even more... a bright and rewarding career of the Pru.

Just look at this list of career opportunities we have available.

Clericals/Secys

HI, THERE!

WE'RE YOUR NEW NEIGHBOR!

We've just moved into Fairfield, and we've brought our welcome wagon full of jobs with us!

Day jobs (8:45 am - 5 pm). Night jobs (4:30 pm - 12:30 am). Part time, too (10:00 am - 3:00 pm). For all the secretaries, video operators (we'll train), typists, clerk-typists and general clericals in the neighborhood.

Drop in next week. You don't need an appointment to see us; and we'll make YOU feel right at home in our new beautiful surroundings.

Pick a good job from our welcome wagon, neighbor!

Hadassah Installs Tomorrow Night

Hadassah will install officers tomorrow night at 8 in a Temple B'nai Israel service conducted by Rabbi Hyman Danzig and assisted by Cantor Avrom. Mrs. Aaron Lewis will be the installing officer.

Being installed are Mrs. Milton Koster, president; Mrs. Harold Kirschenblut, vice president for administration; Mrs. Israel Sonnenschein, vice president

for education; Mrs. Frank Edelman, vice president for fund-raising; Mrs. Irving Blank, vice president for program; Mrs. Joel Cofsky, corresponding secretary; Mrs. David Stein, financial secretary; Mrs. William Halpern, recording secretary; Mrs. David Hoffman, treasurer, and Mrs. Jerome Hamburger, donor awards.

Rabbi Danzig's sermon topic will be "Israel's 24th Anniversary."

The organization's presidents, Mrs. Frank Edelman and Mrs. Nathaniel Robin, will present annual reports. The entire session will take place in the Temple sanctuary.

Old age consoles itself by giving good precepts for being unable to give bad examples. -La Rouchefoucauld.

Talent Show Participation For Taylor

Keith Taylor, 235 Nutley Avenue, Nutley, was among 36 Aurora (Ill.) College students participating in 1972 "Freshman Follies" Feb. 18.

Taylor is the son of Mr. and Mrs. Allen R. Taylor. He enrolled at Aurora last fall after graduation from Nutley High School.

Freshman follies is an annual talent show written and produced by Aurora Frosh. The two-hour February program drew about 200 fellow students, staff and friends who soundly applauded the freshman talent at the show's conclusion.

Aurora is an accredited four-year senior college of liberal arts located 40 miles west of Chicago. The co-educational college has been affiliated with the Advent Christian Church since it was founded by the denomination in 1893.

State Symphony Will Kick Off 50th Year

The New Jersey Symphony Orchestra will kick off its 50th anniversary year on June 18 with its gala benefit concert at the Garden State Arts Center in Holmdel.

The orchestra, now under the music direction of Henry Lewis, made its debut in 1922 as a string orchestra and added wind instruments two years later.

The benefit concert will star the Metropolitan Opera divas Joan Sutherland and Marilyn Horne in selections from bel canto operas by Bellini and Rossini.

Lewis will share the podium with Richard Bonyne. The concert, which will start at 9 p.m., is being presented in addition to the four previously announced series concerts scheduled by the orchestra June 14, 17, 21 and 23.

Highlights of the orchestra's growth during the last half-century have been its merger in 1928 with the Haydn Orchestra, its tradition of offering famous guest artists, started the same year, and its emphasis on programming concerts for students, begun during the 1940's.

Its initial conductor was Philip James, who was succeeded in 1929 by Rene Pollan. Frieder Weissman held the post from 1939 to 1948, when Samuel Attek was appointed as music director. Upon Attek's death in 1958, a series of trial conductors were engaged until the appointment of Kenneth Schermerhorn in 1962. Lewis succeeded him in 1968.

College Offers Program On Computer Diagnosis

A look into the future of modern medicine will be presented at Newark College of Engineering late in May when NCE, in conjunction with three other agencies, presents a one-day symposium on "Computer-Aided Medical Diagnosis."

The program will be held at the NCE's College Center, 150 Bleeker St., Newark, on Wednesday, May 31, beginning at 9 a.m.

Cooperating sponsors include NCE's Division of Continuing Engineering Studies, the New Technical & Scientific Activities committee of the Institute of Electrical and Electronics Engineers (New York section), the Medical Society of New Jersey, and the College of Medicine & Dentistry of New Jersey at Newark, department of surgery, division of neurosurgery.

Occasionally one learns that it's much smarter not to talk so much.
