Three Big Lottery Winners

\$10,000 SMILES — Oscar Glassman, proprietor of Marbach's Delicatessen at 221 Belleville Avenue, and his daughter wear \$10,000 smiles as he accepts a check for that amount from Peter M. Simmons (left), Deputy Director of the New Jersey State Lottery. Glassman sold the ticket which won a "Millionaire" prize for Mrs. Marie Wilson and her daughter, Elizabeth, of 113 Dow Street, Belleville. The Wilsons will receive their prize in \$50,000 annual installments until 1991.

On License Transfer

State Liquor Board Reverses Commission

The New Jersey Division of Alcoholic Beverage Control last Thursday passed a decision by the Belleville Commission to grant a place-to-place transfer of the liquor license of the Villa Italia from 501 Washington Avenue to 369 Washington Avenue.

The appeal, which resulted from a February 22 meeting of the Board of Commissioners, was filed by Edmund A. Effenberger, owner of the Princeton Bar and Grill at 91 Jorammon Street. At the meeting, the Board passed by a split 3-2 vote the resolution to approve the license transfer. Commissioners Mary Senatore, Robert Laterza and Vincent Strumolo voted in favor of Villa Italia, while Mayor Joseph McGreevy and Commissioner Michael Marotti voting against.

In challenging the transfer, Effenberger cited a town ordinance adopted in 1963 which prohibits transfers of liquor licenses to premises within 1250 feet of other licensed premises. Effenberger's establishment is approximately 284 feet from the proposed location of Villa Italia.

When the Board of Commissioners met their decision in February, they had said the same ordinance allows the distance requirement to be waived in cases of "extreme hardship" on the part of the applicant.

The hardship pleaded by Anthony R. Benvenuti, and acknowledged by the Board of Commissioners, acting as the Municipal Board of the Alcoholic Beverage Control, was the lack of existing parking facilities on Washington Avenue. Benvenuti had said his restaurant at 501 Washington Avenue accommodates over 50 patrons and seats a dozen at the bar, but has no parking facilities. He also said the parking situation on Washington Avenue was becoming extremely limited. His new location would be part of a new motel complex which at present has no residents.

War Dead Honored

MAYOR JOSEPH MC GREEVY spoke at Memorial Day observances at the monument on Union Avenue on Monday, citing the "supreme sacrifice made by these soldiers to keep this country free." There were also ceremonies at Rutgers Street Bridge and Town Hall, where policemen and firemen laid a wreath to commemorate those public safety workers killed in the line of duty.

Senior Citizen Bus Outing Being Planned

The Belleville Recreation Advisory Committee has announced that plans are now being formed for a bus ride for the senior citizens of the town, including a trip to the shore and a dinner.

Any senior citizen who wishes to express their ideas about the excursion may contact Mrs. Patricia Venar, secretary of the committee, at 759-9100.

Commissioners United Against All-night Store

Pathmark Policy Spurs Reaction

Support for an ordinance limiting store hours in Belleville is mounting among the Board of Commissioners in reaction to the decision of the Pathmark chain to open their stores, including the one on Belmont Avenue in the Silver Lake section, 24 hours a day.

Four of the five commissioners stated flatly they would vote for such an ordinance. Commissioner Michael Marotti declined to take a definite position until he reads the ordinance, but indicated that he supported some form of limitation.

The matter was brought up by Commissioner Robert Laterza, Director of Public Safety at a May 23 meeting of the Board, when he cited possible problems with police protection which the all-night hours would cause. At that meeting, Town Attorney John Scott was instructed to draw up the ordinance, to be presented at the next meeting on June 13.

There is already an ordinance prohibiting openings on Sundays and there was some speculation among commissioners that Pathmark was about to "test" that ordinance last Sunday. District manager Joseph Sinatra denied this and there was, in fact, no opening on that day.

William Pawson, a spokesman for the Pathmark chain, said "we abide by any local ordinances and will obey any ordinance that is passed in the future, but we hope to have an opportunity to be heard on this matter and we will send a representative to the commission meeting."

He added that the Pathmark chain has encountered "no real problems" from other municipalities where Pathmark has opened stores all night.

Laterza commented on the all-night openings, saying, "there are a number of other places in Belleville that would become involved in 24-hour openings, and in order to do the police work the way we have it set up, we'd have to put on extra patrol cars. There may be a problem with people having cars. There may be a problem with these stores. Of course, there's no way to tell if they would be undesirable, but there would have to be more police."

"I'm not saying that it's just Pathmark, but if we were to allow 24-hour openings, Belleville would be in danger of losing its suburban atmosphere."

Public Works Commissioner Mary Senatore said she opposed the policy because "it's unfair to the other businesses in the area. The stores on Franklin Avenue are already hurting from Pathmark."

Public Affairs Commissioner Vincent Strumolo thought the idea was a detriment to the community, and said "When the good Lord created the earth, He gave us 24 hours, and I believe eight of them were meant for sleeping."

Mayor Joseph McGreevy called the policy "ridiculous. Who's going to go shopping at three or four in the morning? All it will do is create a problem with police protection."

Oberg, Peterson to Get Honorary Doctorates

Two officials at Clara Montali Memorial Hospital, Belleville will be awarded honorary degrees at commencement exercises at Upsala College this afternoon at 4 o'clock.

Herbert V. Peterson of Montclair, trustee and vice president of the hospital, will receive an honorary doctor of science degree. Albin H. Oberg of West Caldwell, executive director of the hospital, will receive an honorary Doctor of Laws degree.

Peterson was a trustee at Upsala for 10 years, serving from 1942 to 1954, during which time he was treasurer of the board, and from 1965 to 1969. He was made an honorary member of the board upon his retirement.

Peterson is the retired vice-president of Hartel Petroleum, Inc., a subsidiary of Tenneco, Inc. of New York City. He is a trustee of the New Jersey Council of Churches and a former trustee and treasurer of the First Lutheran Church of Belleville.

Next Week in Belleville

Fun-O-Rama Is Coming Up!

Nicholas Raimo, commander of the Barbone-Mosco Post of Belleville, has announced that plans have been completed for its annual Building Fund Festival and Fun-O-Rama which will open in Belleville next Monday and close on June 11th.

The last Festival sponsored by the post was held in June of 1962, on the General Motors Field on Franklin Street. The annual affairs of the post had to be discontinued due to the lack of land available in Town, since 1962. The first Festival held by the post was in August of 1955.

This year the Festival will open on the property of Pathmark Supermarkets property adjacent to the Railroad on Belmont Ave., Belleville. Events during the week of June 5 to the 11 will be in operation from 6 to 11 p.m. all week and matinees will be held on Saturday and Sunday from 1-5 p.m.

There will be nine major rides, seven kiddie rides, and special attractions for everyone. There will be nights of fun, and refreshments and extra attractions this year will be the giant coaster.

As in the past the post will entertain orphans from various areas, Cerebral Palsy children, and children from the special classes of the Belleville School system. The post in the past has supplied the children with transportation, rides, refreshments

ANTI-RABIES vaccinations were a tremendous success in Belleville as the last day of the program occurred Saturday. Public Affairs Commissioner Vincent Strumolo watches as Dr. Martin Torres and Joseph Marino vaccinate Candy, a German Shepherd. This year, 1,461 pets were protected against rabies, free of charge. This was an increase of almost 200 over last year.

Polls Open Tuesday For Party Primaries

Belleville citizens go to the polls this Tuesday along with other New Jersey voters in a primary election that sees no interest as far as the battle for the Democratic Presidential nomination is concerned.

Also of interest are the possible side effects of last week's court order mandating that the primary be open to all voters, regardless of previous party affiliation. Formerly, Democrats had to vote the primary and Republicans in their own primary. The only way a registered voter could switch political parties was to skip voting in a primary election for a two-year period. The Federal Courts last week ruled that forcing a voter to wait two years in order to change one's political preference was "excessively too long."

The new ruling could benefit Congressman Peter W. Rodino, who represented Belleville for several years, but is now forced to run in a largely black portion of Newark and the suburbs as a result of a court-mandated redistricting plan. Rodino is involved in a four-way struggle with East Orange Mayor William S. Hart, Assemblyman George C. Richardson and William Kornegay and could collect votes from independent and Republican voters now permitted to vote in the Democratic primary.

Congressman Joseph G. Minish is running unopposed for re-nomination in the 10th Congressional District, which now contains Belleville and former senator Milton A. Waldor likewise has no opposition for the Republican nomination, assuring a partisan battle between the two in November.

In the Presidential primary, Richard Nixon runs unopposed for the Republican nomination, but the Democrats will choose between a slate of delegates for McGovern and an uncommitted slate. Representative Shirley Chisholm snafus the election for vice-president, the office vacated by Weiss in his presidential bid.

Two incumbents were re-elected. Virginia Stactale was re-elected as treasurer. Ernest Musman also ran for the office of secretary while Harvey was unopposed. Babb said over 300 teachers cast ballots in the election, held the week prior to May 15.

Belleville Teachers Elect Weiss as Head

Jerome Weiss defeated incumbent Thomas Testa in the race for presidency of the Belleville Teachers Association in a mid-May election, it was announced this week.

Nova Babb, chairman of the election committee, said Weiss, a teacher in the guidance department of the junior high school outpolled Testa, who had held the post for the past year. Sylvio Arminio, a special education teacher at the junior high school defeated Ralph Laconti in the election for vice-president, the office vacated by Weiss in his presidential bid.

Two incumbents were re-elected. Virginia Stactale was re-elected as treasurer. Ernest Musman also ran for the office of secretary while Harvey was unopposed. Babb said over 300 teachers cast ballots in the election, held the week prior to May 15.

"It is indeed laudable that members of much pride and interest in their community. This is one good deed which occurs annually and should not by any means be forgotten."

It would also be a good idea for the National Legislature which set aside various days honoring particular events to mull over a new day, one especially for orphans.

"The members of the organization paid for transportation in some cases and

Belleville Post Hosting Essex VFW Sunday

Belleville will host the annual convention of the Essex VFW Auxiliary this Sunday. Members of the Younger-Alden Post here in Belleville will meet with the Fourth District Chapter of the VFW at noon Sunday. Then

District Commander Edward Mangold of Ocean Gate and Auxiliary District President Mrs. Parker Myron of Roseland, will preside. About 35 posts throughout Essex will be represented including delegates from 25 auxiliaries.

Tri-Chem Profit Up 30 Per Cent

Tri-Chem Inc. of Belleville reports its sales for the first quarter of the year were up 16 per cent. Saul Skoler, president, also reveals net earnings up 30 per cent over the same period last year. The

statistics were included in Tri-Chem's first quarter 1972 report to stockholders.

In actual dollars, sales were up \$1,851,757 from \$1,601,489, and earnings up \$141,142 from last year's \$108,741. Stockholders this quarter received a 29-cent dividend compared to last year's 25 cents.

"The first quarter was further highlighted by significant gains in the recruiting of new in-home salespeople for our line of Tri-Chem hobby products," Skoler told the stockholders. "Management is very optimistic about the future of the company and looks forward to continued progress in 1972."

Tri-Chem, the report notes, has no long-term debt, and as of March 31, had a net value of \$2,836,000.

Senate proponents of stiffer federal gun control have urged quick passage of the long-stalled legislation to ban small hand guns.

National Americanism citation will be presented to John Crevasse, a member of the Newark Board of Education for his untiring efforts in defense of our American flag flying alone in the Newark School System.

Nominations, elections and installation of officers for the VFW staff will also be made. A social, hosted by the Belleville VFW and Auxiliary, will conclude the event which is expected to attract about 300 persons.

Public Service Intends To Ask For Rate Hike

Public Service Electric and Gas Company announced today that it intends to file a petition in mid-June with the New Jersey Board of Public Utility Commissioners requesting a total increase in electric revenues and \$28 million in gas revenues, an overall increase of about 10 per cent.

"The cost of supplying gas and electricity continues to rise," said Edeard R. Eberle, president of the utility, citing increases in labor and maintenance costs, the price of materials, taxes, and the cost of obtaining money to finance a gigantic expansion program.

READY TO SERVE — Belleville Lions maintained its reputation as a leading service club ready to help at a moment's call when members responded to North Essex Child Guidance Clinic, Donald A. Ross (left), Lions presents, \$125 check to Joel Kannengieser, teacher-director at the clinic, to cover purchase of a large, covered sandbox.

Lions Club Donates Sandbox To Clinic

The playground of the therapeutic nursery school at the North Essex Child Guidance Clinic will be much improved by the addition of a large, covered sandbox, to be purchased with a check given by the Lions Club of Belleville, according to Ralph H. Casale, vice president of the board of trustees.

Play therapy as well as specialized education are parts of the program for the two and one-half to five year old

boys and girls in the school. Those accepted for the program indicate early developmental and/or emotional problems such as lack of speech, difficulty in sleeping or relating, hyperactivity or, on the other hand, a state of being withdrawn and inability to respond to others. Some may seem to exist in a world of their own.

Joel Kannengieser, teacher-director of the nursery school, expressed great satisfaction that at least four of the children currently enrolled in the nine-month old school will "graduate" at the end of the term. This means that they will be ready to enter regular nursery schools or kindergartens according to their ages.

Nursery Committee members of the board of trustees from Belleville include Mrs. Ann Robinson and Mrs. Robert Underwood.

Scholastic Gourmet Buffet Presents BHS Awards

A successful scholastic awards buffet was held in the cafeteria at Belleville High School, May 25. Over 100 students and parents attended.

The invocation was given by Ralph Correll, coordinator of student activities and the flag salute was led by Marty Goor, newly elected president of the Belleville High School Key Club. Music was provided by a string ensemble of Belleville High's Music Department under the direction of Mr. Louis Kisma.

*Arrangements for the buffet, decorations and distribution of awards were made by Mrs. Ricky Maurilio, secretary of the guidance department.

Emil Meyer and staff provided a gourmet style buffet. The following awards were presented:

Did you know how important posture is to the correct functioning of the inner organs? The liver, for example, which is usually held in place by a suspensory ligament, may be pressed downward and forward by poor posture which will create a congestion in both liver and gall bladder. Poor posture may also affect the functions of the pancreas and the stomach as well as the intestines and kidneys. These are just a few of the reasons why good posture means good health.

'Vote-Switching' at Primary Election

A three-judge panel ruled unconstitutional last week the present state election law preventing a person from switching political parties in a primary contest for 36 months. The court ruled the law was too broad in scope. The judges directed the office of State Attorney General George F. Kugler, Jr. to notify the county boards of election to restrain election workers from preventing persons from voting in any party primary.

The decision was handed down by U.S. Third Circuit Court of Appeals Judge John J. Gibbons and U.S. District Judges Clarkson Fisher and Lawrence A. Whipple. In their opinion, the judges stated, "We can see no reason why New Jersey requires a voter to wait until two subsequent primary elections have passed after casting a primary vote before a voter in this state can switch parties."

The decision should materially help the re-election chances of incumbent Congressman Peter W. Rodino, Jr. Republican admirers of Rodino now can vote in the Democrat primary.

The vote-switching decision also should

be of help to former Vice President Hubert Humphrey's effort to score a victory against Senator McGovern. Republican admirers of Humphrey now could vote for their hero without giving up their right to continue in the future as a Republican.

The court decision should swell the primary vote.

For our part we believe vote switching is a good thing. There are some states that permit the practice and on balance the voting results of those states usually have served the best interests of the state and the nation.

We like the ruling and we hope the New Jersey Legislature adopts legislation permanently permitting citizens to vote in primary elections according to their dictates.

Ideas to Combat Boredom

More and more firms are turning to innovative work rules and working schedules to fight boredom among workers and create a better bond of feeling between employers and the parent company, plus greater efficiency.

One of the new ideas is the summer practice of giving workers Friday afternoons free. That is usually accomplished by having them report to work earlier on the other four days, either half hour or one hour earlier. Another idea is to offer workers a four-day work week if they wish to work four ten-hour days or four nine-and-a-half-hour days. (The four-day week

has proven the most popular innovation of all according to a study of the trend in Massachusetts.)

Firms have found that absenteeism is reduced by such plans, morale greatly improved and production often increased—thereby increasing profits. Generally speaking, smaller firms with 200 or fewer employees have adapted to the new trend most quickly and successfully. But it seems reasonable to assume more and more business firms, small and large, will take advantage of the mutual benefits inherent in such plans, which can also improve the nation's business-labor atmosphere.

Death for The Crows

One of the nation's best-known racing drivers was recently killed in a crash at Indianapolis while practicing and another competitor there afterward criticized the United States Auto Club's new rule allowing the wings of the race track to be higher and wider, thereby increasing speeds.

While Jim Mulloy was dying in the hospital, race driver Wally Dallenbach told a reporter speeds have gotten too high, that the new wings at Indianapolis, which will increase speeds further, should be eliminated. Dallenbach said something

should be done to save humans, car engines (which cost about \$25,000 each) and cars.

As Dallenbach says fans can't tell the difference between cars going 160 and 180. "I don't think we need speeds of 190 m.p.h. here or anywhere else," Dallenbach said.

The East Brunswick, New Jersey, veteran is to be commended for his courage in speaking out. The desire for thrills, the craving of fans for excitement and danger, has already cost the lives of too many drivers.

Bamberger's Warehouse Nearly 25 Years Old

By Elaine Auerbach

One Year Ago

Belleville was ordered by the State Department of Environmental Protection to demolish Hendricks Dam and lower the soil level of the Second River to alleviate flooding conditions in Bloomfield. The state's instructions were a result of a formal complaint filed by the Town of Bloomfield which charged Belleville with narrowing the stream by dumping debris in it.

A taxpayer's suit to determine once and for all whether Michael Marotti's position as a Belleville Police Detective was a conflict of interest with his duties as a town commissioner was suggested by former Councilman James R. Golden. Golden told The Times that he was initiating such action, but he said he would help residents who were interested in getting the matter to court. Marotti had drawn severe criticism from several people, including Commissioner Mary Santoro, for remaining in the Police Department after winning a Commission post in the May election.

Following the Belleville High School Band's triumphant return from Canada, the group was invited to participate in the Miss America Beauty Pageant in the fall. The communication was received by Robert A. Wing, band director, who intercepted a letter from the assistant director of the pageant. Wing said that the band would accept the offer to appear at the event.

The movement to halt county government from erecting a vocational school on the land in the Soho section of town continued to grow. Members of the Bellwood Park Homeowners Association, a flourishing group who were in opposition to the plan, were intensifying their efforts to obtain signatures on petitions which vigorously condemned the construction of the building on property which had been allotted solely for the use of Soho Hospital. The Town Council had sent a resolution to the county censuring the school plan.

Ten Years Ago

The Board of Education tabled a resolution to extend a contract with Dr. Felix McCormick, educational consultant, to continue work in connection with multi-purpose rooms at Woods One and Two. Mrs. Norma McCool said that the Board would make its own study of the situation and then proceed according to its findings. "School 4 is a Blemish in our school system," said Mrs. McCool, "and we should know exactly what is going on."

Wilford Yudin was to be installed as president of congregation Ahavath Achim. Also to be installed were: Dave Robbins, first vice-president; Lou Chaiken, second vice-president; Nathan Weiss, treasurer; Henry Creditor, financial secretary; Don Tuchman, corresponding secretary; and Mrs. George Sosin, recording secretary.

Fifteen Years Ago

The Town Commission accepted an ordinance paying \$59,000 for water mains in the Rutan development. The ordinance, which had been tabled at a previous meeting of the board, received its strongest opposition from Commissioner Robert Gruhn, who stated that the town shouldn't pay for the water, but rather that the company should.

In opposition to Mr. Gruhn, Max Sherman related that it was stated as law that any municipality should meet the regulations of the proposed ordinance, without charge.

At a regional conference of Essex suburban municipalities with members of the New Jersey Highway Authority in Bloomfield, Mrs. Katherine White, chairman of the authority, agreed to study a new proposal to retain the disputed tollgate at Belleville avenue on the Garden State Parkway but to restrict the outside northbound and southbound lanes to local toll-free traffic using the ramps at Hoover avenue to leave and enter the Parkway. The proposal had been made by Nutley Commissioner John Lucy and Public Works Superintendent Dudley Shepard as a compromise plan after the Authority had refused to move the tollgate to a new site.

Twenty-Five Years Ago

News leaked out that L. Bamberger and Company was planning to construct a large warehouse in the Silver Lake section of Belleville. At a commission meeting, two men had conferred secretly with the board prior to its regular meeting. It was reported on good authority that one represented Bamberger's and the other Thomas Edison, owners of the property the Newark department store was interested in.

Public Safety Director Noll announced that a survey would be undertaken in Belleville concerning the possibility of extending parking meters on Washington Avenue from Mill Street to Greyclark Parkway, with the exception of a short block between Essex Street and Division Avenue. Noll appointed Captain Ken Smith to head a committee which would check several systems used in surrounding communities.

Finance Director Williams criticized persons who had been buying town-owned property and using it for speculation. Williams said that the town was only too willing to give a purchaser as much of a "break" as permissible. He commented that he did not like to see the land bought and then resold for a couple of hundred dollars profit.

Forty Years Ago

A second fire within two months caused considerable damage to the loft and roof of the barn at Lampert's Dairy at 482 Joramoon Street. A previous fire had damaged two milk trucks. Fireman Harry White was overcome with smoke at the blaze and had to be revived by his companions who carried him from the building.

Charles L. Steel Jr., principal of Belleville High School, announced that the June graduating class would number approximately 125. There was an increase of sixteen over the class of 1931, which had numbered 109. Mr. Steel said that all indications pointed to a class of 150 graduates in 1933 and 200 in 1934.

Twenty members of the Christian Endeavor Society of the Reformed Church attended a picnic and inspection given by the C.E. Union at the Fresh Air Home near Roseland.

A Few Initial Impressions From o' Freshman in Trénlon

With my first session coming to a close, I would like to very briefly tell you of some of my experiences as a legislator representing Assembly District 11—C which comprises Belleville, Nutley, Bloomfield, Montclair, Verona, Glen Ridge. I am sure everyone is aware we got off to a very slow start having had a problem organizing the Assembly. Recognizing the problem and in an effort to get the show on the road, our Republican leadership took the bull by the horns and arranged, with the cooperation of a few Democrats, to finally and formally organize the Assembly. In this 1972-1973 Legislature, there are 24 Republicans and 16 Democratic Senators. In the Assembly we have 40 Democrats, 39 Republicans and one Independent.

Since then and up to this date, the Legislature has introduced about 2500 bills. The mere introduction of a bill does not mean much until and unless the sponsor asks that it be moved out of committee. The committee at that point studies the bill and if it feels the bill is in the best interest of the citizens of the state of New Jersey, it will release the bill for a floor vote or in the alternative, will offer amendments.

If the bill is passed in the Assembly, it goes to the Senate where the same procedure is followed. If it is approved in the Senate, it then goes to the Governor for his signature or veto.

Insofar as I am concerned as a freshman Assemblyman, I have to date, introduced 25 bills. Among the bills I have introduced are the following:

- Tenants Bill of Rights Law
- School Districts — Optometrist requires Leased Cars — Lessee violation
- Travel Agencies — Regulates
- Mandatory Rubella Vaccinations
- Parental Obligation
- Liquor Prohibited — Institutions
- Explosives Act
- Nutley Volunteer Fire Department Apptment
- Municipal Police & Firemen — Residency
- Municipal Traffic Regulation
- Redistricting
- School Buses — Itemize
- School Crossing Guards — Examination
- Consumer Protection
- Prohibit Motor Vehicle Parking — Private Property
- Adoption
- Publication of Tax Assessments
- Motor Vehicle Sales Contract
- Municipal Tree Removal
- Bill to Create Second & Third River Flood Control Commission
- Prohibit State Income Tax
- Create Commission to Study Elimination of Toll Booths — Garden State Parkway
- Identifying Str. Citizen Buses
- Commission to Study Pre-school Programs
- Handicapped Children Program

I have asked for movement of every one of these bills. The four months that I have served, have been very interesting, challenging, exciting and very often extremely frustrating. Unfortunately, quite a number of the legislators, like myself, are freshmen and it seems some of them must think they are on T.V. or radio because it appears they are putting on some kind of a show — very often being repetitious or repeating what another Assemblyman has already said — or speaking for the benefit of the press. More often than not, the press does not carry their comments and they are just wasting an awful lot of time.

Because of a very busy schedule and wanting to get as much work done as possible, the Speaker will very often put on the board what he thinks are non-controversial bills, resulting very often in long and needless debates along party lines.

At our May 11 session, we had 80 bills on the board to be voted upon. We managed to vote on 18 of them including an Appropriations bill for over \$2,000,000,000. This bill took four hours of debating before it was finally passed, the vote being 42 to 7 with 41 required for passage.

The Assembly did not adjourn until 9 p.m. We were advised that this session would end on May 18, the day our Governor made his recommendations regarding the tax policy commission report. It is my further understanding that after a number of hearings are held on this subject throughout the state, the Legislature will be convening again in June, at which time the governor expects it to vote for some form of tax reform.

It is my intention to continue to write about some of the things that happen in Trenton. I will appreciate hearing from anyone who has any thoughts about any legislation that will improve our way of life as citizens and taxpayers.

Until next time, Let me hear from you.

Cahill's Tax Plan Could Scare Away Big Business

by business through local real estate tax cuts.

"Let's take a look at our situation — after extending the increase in the corporate income tax, the extension of the sales tax to previously exempted areas, the increase in the corporate personal property taxes, and the so-called 'throwback' in real property taxes, we can honestly tell you that our company's taxes to be paid within the state of New Jersey will increase by about 25 percent. If the reductions in the real property tax is taken away this increase then becomes about 30 percent. Since we are concerned here about millions of dollars, we think you will have to agree with us that this can hardly be called a 'windfall.'"

"Further, part of the Governor's recommendations include a corporate income tax measure referred to as the 'sales throwback rule'. The rule would cause businesses that are selling products to customers in states other than New Jersey to incur a corporate income tax increase in the state of New Jersey. This type of income tax allocation factor has been utilized in one state to my knowledge, and is being fought through the courts. The rule is bad tax legislation because the business and corporations in this state will study tax structures of other states, and if they find by qualifying in those states they can pay less taxes there than the equivalent New Jersey tax, then that is exactly what many will do. This would then discourage New Jersey businesses."

"If we were to add this 'sales throwback tax' to those we have already mentioned, our increase would then be about 40 percent. If other businesses and corporations find themselves in the same position as we do, you can imagine the economic impact that this 'tax package' will have all over the state of New Jersey."

We realize that the tax structure of our

state must be changed and certainly recent court decisions have reaffirmed this belief. However, when it appears that in changing this structure we are shifting the tax burden almost entirely to the business community, then we should not be surprised if this results in economic hardships for business, and possibly to many taxpayers. This type of economic impact may cause businesses to relocate and discourage new businesses from moving into the Garden State. Furthermore, austere company budgets, caused by these tax increases, might result in additional unemployment.

In conclusion, I would like to state that my colleagues and I are in favor of a restructuring of the New Jersey taxes and support the concept of improved services and an equitable tax structure. However, we would like to suggest the following changes in the Governor's "Tax Package."

1. Reduce the proposed increase of the New Jersey corporate tax.
2. Abolish the "Excess Gains Tax" concept except to insure that all businesses and companies, after totaling all New Jersey taxes, are equitably sharing the tax burdens.
3. Eliminate the "Throwback rule" in regard to the New Jersey corporate income tax. I have identified that particular measure as bad tax legislation in my remarks.
4. Restudy the tax on leased property to see that it is equitable for all types of business.
5. "We understand that the complete gubernatorial Tax Package is encompassed in 53 bills and 3 constitutional amendment resolutions. Of these only a few are available, so that it is impossible to know of all the ramifications that these bills might have on individuals, corporations and businesses. If there are other measures and changes that we would like to comment on or recommend at a later date, we shall be happy to participate in one of the public hearings to be held around the state."

MY FLIGHT SCHEDULES required me to go to Boston last Friday and to Fort Lauderdale I switched from Eastern Airlines to Northeast. Senior Stewardess Nancy Mulligan, New York based, was added by Lorraine Di Sabato who was an extra flying out of Miami. I must say the Northeast service these girls provided was more than satisfactory. Lorraine Di Sabato is a hazel-eyed, brunette beauty who was runner up in the Miss Miami Airlines Contest held in February. At the JFK stopover, Lorraine returned to the plane with jets of joy in her eyes for she had learned that President Nixon had approved the merger of Northeast Airlines with Delta, one of the most prosperous airlines in the world. The merger permits Lorraine to visit her boyfriend in Houston without any airline cost since Delta flies into Houston from Miami. Lorraine plans to marry Jim York, Houston's right-handed pitching ace.

GOVERNOR WILLIAM CAHILL'S "Master Plan for Tax Reform" which includes the levy of a statewide estate tax, a personal income tax and a takeover of local and private local school systems at the state level has been the subject of favorable and critical reviews.

A critical presentation was made Tuesday night at a public forum held in the Nutley Town Hall sponsored by Essex County Senator James Walkwork and Assemblyman Carl A. Orechio. One of the principal responses came from Hoffmann-La Roche Administrative Vice President Walter W. Weller, Jr., a C.P.A. and a fiscal expert enjoying a national reputation.

Because of the importance of the topic, this week this column reproduces the com-

plete text of Mr. Weller's address. "My name is Walter W. Weller, Jr., and I am a resident of West Orange in Essex County, New Jersey. I am employed as the administrative vice president by Hoffmann-La Roche Inc. in Nutley, New Jersey. Our company is in the health care business. Roche has 10 locations within 7 counties of the state of New Jersey and we are subject to various property taxes, the New Jersey and other states' sales taxes, and the New Jersey corporate business tax. We employ 6,225 employees in the state of New Jersey. "A short time ago the New Jersey Tax Policy Committee issued its report making certain recommendations which would radically change the tax structure of our state. Last week Governor Cahill, after studying these recommendations, made his report to the State Legislature and with some changes in these measures has urged the passage of this "Tax Package" by our State Legislature. We would like to make some comments upon this proposal even though all its ramifications are not yet known nor understood.

"During the many weeks in which these tax proposals have been discussed the words 'business windfall' came into common usage. We think most people, who have heard this expression used or read it in the newspaper, have been led to believe that the corporations and businesses of this state would reap great savings in their total taxes paid to the municipalities, the counties and the state of New Jersey because of proposed changes in the real estate taxes. Even the Governor evidently believes this to be so, since he has proposed an "excess gains tax" for a period of three years on monies saved

Family Night Sponsored By School Group

The Home and School Association of School No. 10 sponsored a Family Night on Thursday evening, May 18 in which the students and their families got together for a fun-filled night of entertainment.

To begin the show, the 5th and 6th grade choir performed several selections led by Mrs. Ann Chalemi. Mr. Conrad Woyce of Conrad's Marionettes then presented his production of The Runaway Rocket which took place in the school auditorium.

Following the puppet show, everyone gathered on the school grounds where hot dogs and soda were on sale.

Car Inspection Hours Extended For Motorair

Director Ray J. Manni today announced the Motorair Motor-Vehicle Inspection Station will be open Tuesday evenings until 8 p.m., beginning this week.

The station had been operating Monday through Saturday, 8 a.m. to 5 p.m., and Thursdays until 8 p.m.

"We are extending Motorair's hours of operation to accommodate motorists who previously used our East Orange Station," Manni explained.

Alane Schreier On Dean's List

Miss Alane Schreier, 133 Smallwood Avenue, has completed her sophomore year at the Eastman School of Music of the University of Rochester on the Dean's List.

Miss Schreier, a music education major, while actively engaged in several symphonic music groups at Eastman, also found time during the year for extra curricular activities as well. As a result, she has been elected vice president of the Eastman Sigma Theta Chapter of the Sigma Alpha Iota Sorority and vice president of the Eastman Chapter No. 50 of the Music Educators National Conference for the coming year.

In addition to these two newly acquired positions, Alane has been nominated for state officership of the Music Educators National Conference. She is looking forward to her Junior year at Eastman with much anticipation.

Warm Water Increases Life Of Cut Flowers

You can enjoy cut flowers in your home for a longer time if you give them proper care, advises William F. Munk, senior county agricultural agent of Essex County.

If the flowers appear a little wilted cut the ends off the stems and place them in warm water that is about 100 to 110 degrees before you arrange them.

It's not necessary to use a thermometer. Water that feels warm is about right.

Munk also suggests using a flower preservative. Such a mixture contains dextrose or Sucrose, a material to acidify the water, and a material to control the growth of micro-organisms in the solution. Your favorite florist or garden center should have a preservative.

By using it you won't have to change the water as frequently, says Munk.

Personally, we don't care what you think about phone service.

True

False

On the contrary, we do care what you think about our service. And every month we call thousands of phone customers throughout the state to find out.

We want to know if you get a dial tone fast enough, if you call go right through, and whether you can hear and be heard every time you call.

We talk to people who've recently had a phone installed or

repaired to find out if the work was done on time and to their liking. And whether or not we were courteous and seemed to be interested.

What have you been telling us? That there are still a few trouble spots needing extra work. But that service in other areas is generally good. We'll be working to improve that, too. Because to our way of thinking, being good

isn't good enough. If you've never been asked for your opinions, and would like to let us know how you feel about

any aspect of our service, drop us a line. Send your letter, or a postcard, to Customer Service, Room 1702, New Jersey Bell, 540 Broad Street, Newark, New Jersey 07101.

We'd like to hear from you.

Spray Now To Control Destructive Peach Rot

Brown rot is one of the most destructive peach diseases in this area. But fortunately for the peach lover, the research plant pathologists at Rutgers University have an answer for the disease.

Experiments have been conducted for many years to determine not only the best chemical to stop brown-rot, but also the most effective time to apply the sprays.

The disease does not rot the fruit until it is almost ripe, and this might lead you to believe that sprays are most important during mid-summer. But research has proved that the disease gets its start when peaches are in blossom, according to Mr. William F. Munk, senior county agricultural agent of Essex County.

Commercial peach growers

start brown-rot sprays early in the spring. They apply the first one when pink color first appears in the blossom. Additional sprays are put on every 3 or 4 days during the blooming period.

Disease control sprays can then cease off until peaches start to mature, but you must resume sprays at that time.

Mr. Munk says that a schedule applied according to caption will assure a good commercial crop of peaches.

And even if you have just one or a few trees, the Rutgers spray schedule will assure a good crop for you.

Ask your Essex County Agricultural Extension Service, 900 Bloomfield Ave., Verona, New Jersey 07044, for the free instruction sheet, "Peach and Nectarine Spray Schedule for New Jersey Home Orchards."

Newark Library Reference Center For This Area

More than 28,000 books in 22 foreign languages are available to Library patrons in Newark and throughout New Jersey at the Newark Public Library.

The largest and most comprehensive publicly accessible collection of its kind in the state, the Newark Library's foreign language collection serves book borrowers throughout the Garden State under a state grant.

Titles are represented in the following languages: Arabic, Armenian, Czech, Dutch, Danish, Estonian, French, German, Greek, Hungarian, Hebrew, Italian, Lithuanian, Norwegian, Polish, Portuguese, Rumanian, Russian, Spanish, Swedish, Ukrainian and Yiddish.

As the metropolitan reference center for northern New Jersey, the Newark Library was chosen to house the collection because of the ethnic diversity and the amount of foreign business conducted in the northern portion of the state. Last year, 8,000 foreign language books were transferred from the State Library in Trenton to augment Newark's collection as the

central depository for books in foreign tongues.

Most of the foreign language books at Newark are fiction and general literature. The Children's and Schools Department offers books in 15 languages, and is especially strong in Spanish, Portuguese, French, German and Italian titles.

The foreign language collection is supplemented each year with the purchase of 800 to 1,000 books in addition to donations from individual and groups. Last year nearly 600 volumes in Portuguese were donated to the Newark Library by the Gulbenkian Foundation through the Portuguese Consulate.

Books in foreign languages can be borrowed by any person holding a Newark Library card. And any branch and public library in the state can request a three-month loan of 25 to 30 books in one language.

According to James E. Bryan, Director of Newark Library, the foreign book collection answers real needs of New Jersey residents.

The criminal is a criminal whether he is rich or poor, regardless of what society failed to do for him when he was young.

IN NEW POST — William E. Medford, re-elected Essex Chapter chairman of the American Red Cross, congratulates Robert B. Reilly of Belleville, right, on his election as assistant treasurer of the Red Cross group at the chapter's 6th annual meeting.

House Plants Really Thrive Under Fluorescent Lights

You can save decorative plants in your home, even in dark corners, by adding fluorescent light to your planter. The trick is to know how much light to use, and when and how to water and fertilize the plant.

Mr. William F. Munk, senior county agent of Essex County, offers the following suggestions for growing plants in dimly lit areas in your home.

Illuminate the plants with fluorescent lamps 12 to 16 hours daily. Give uniform illumination over a wide area, and keep the light at least six inches from the plant to prevent heat damage to the leaves.

Fluorescent lamps must burn in special fixtures. Don't try to build the frame for the lamps yourself. You can get mounting fixtures at an electrical supply store. They consist of a metal frame, connectors, and built-in ballast to regulate power input. A clear shield in front of the lamp will prevent plants from touching the hot lamps.

Place the planter where the temperature during the day is about 70 degrees and 65 degrees at night. Avoid hot or cold drafts.

Watering and fertilizing will depend on the type of plant you have.

Ask for Extension Bulletin no. 337 entitled "Care of House Plants", and also for G-187 en-

itled "Landscape Gardens with Controlled Lighting." Address your request to the Essex County Agricultural Extension Service, 900 Bloomfield Avenue, Verona, New Jersey 07044.

Minish Makes First Belleville Talk at Dinner

Democratic Congressman Joseph G. Minish made his first public appearance in Belleville during the inclusion of this town in his 13th Congressional District under the court-ordered redistricting plan when he addressed a group of Jaycees at a dinner Saturday night at the Fountain Restaurant on Watessing Avenue.

Minish welcomed the opportunity to meet his new constituents and "tell a little about himself" as he explained some of the work done by the Banking and Currency Committee, of which he is a member, and fielded some tough questions from the audience.

His speech concentrated on some of the banking scandals uncovered by his committee, especially those involving banks and finance companies that specialized in preying on servicemen purchasing new cars. Minish said he was dismayed to find during the course of the investigation, "that a number of generals and admirals were on the boards of these banks."

He mentioned a bill up before the House that contained a provision stating that towns would be offered public housing according to a "standard metropolitan statistical area" (SMSA) program. He said if a town were to turn down such an offer, "it would have trouble in other areas," Minish said he had opposed

this, and that the situation is now "under control."

Minish also spoke on current house-buying scandals that have erupted in various parts of the nation, citing one organization that had managed to make a \$10,000 profit on a house in a single day. "That kind of hanky-panky will be done away with," he said.

Speaking of the revenue-sharing bill currently being considered by Congress, Minish said he hopes to "open up" the bill with an amendment, since in its present form it favors those states which have state income taxes.

taurant or bar facilities, but has ample parking space. The decision of the State Alcoholic Beverage Control revolved around the question of "extreme hardship". They found, in examining the ordinance, that an applicant was entitled to transfer his license to a premises no more than 650 feet from his existing premises if hardship was found. The Villa Italia Corporation would have moved approximately 1,500 feet.

Moreover, they said, "Despite the inadequacy of parking facilities both on and off the street, available to respondent Villa Italia, its business has increased and the extreme hardship described is merely inconvenience to its patrons and particularly to those patrons coming from the motel to which transfer was desired."

The report on the Alcoholic Beverage Control hearing from Director Robert E. Bower said the Board of Commissioner's intention to encourage newer and enlarged restaurant facilities in the community was "laudable", but ruled that this could not be done in the manner employed.

Ignacio Gomes, 72; Originally of Portugal

Funeral services were held Saturday for Ignacio Gomes of Belleville who died last Wednesday of a heart attack in his home at 20 Hornblower Avenue.

A funeral mass was offered at St. Peter's Church with interment in Holy Cross Cemetery, North Arlington. The funeral was from the William J. Irvine & Son Memorial Home, 276 Washington Avenue.

Mr. Gomes was born 72 years ago in Portugal. He resided in Newark 20 years before coming to Belleville where he has resided the past 23 years. Mr. Gomes was a welding inspector with the Worthington Corporation.

Harrison. He was a member of the Portuguese Continental Union of the United States.

He is survived by his wife, Mary Gozzerelli Gomes, a daughter, Theresa Roman of Belleville; two sons, James of Scotch Plains and Joseph of Belleville; a brother who resides in Portugal, and two sisters who reside in Portugal. Mr. Gomes was the grandfather of six children.

Business Moderation Economic adviser Herbert Stein has reported the government will try "to moderate the future pace of the accelerating business expansion to avoid reviving inflationary pressures."

Court Permits Crossovers In Tuesday's Primary Polls

(Continued from Page 1)

Chairman Mary Senatore is one of those delegates running as an "uncommitted District Delegate."

"It is my personal belief," Mrs. Senatore said in a statement this week, "that a designation as 'Uncommitted,' found under the names of the fourteen District Delegates, as well as the eight District Alternates, indicates that

Sen. Lipman to Address Tombrock's Commencement

State Senator Wynona M. Lipman will be the keynote speaker at Tombrock College's Ninth Annual Commencement exercises, to be held on June 3 in Activities Hall on the West Paterson campus.

Dr. Lipman, representing District 11, is the only woman senator of the forty member state senate. A member of the Health, Education, and Welfare Steering Committee, she also serves on the Senate Appropriations Committee; and during her first month in office, was the primary sponsor of major social legislation particularly in the areas of child-care, prison reform, and drug rehabilitation.

each candidate, if elected, to attend the national convention, will listen to the platforms of each of the Candidates seeking the Presidency of the United States; thus affording the opportunity to attend the Convention with an open mind, and being able to cast, as a group vote, to the Presidential Candidate offering the most benefits for the citizens of the United States."

Mrs. Senatore urged voters to cast their ballots for the entire A-line - the uncommitted delegates to the convention.

There are no contests this year for county committee seats, which is a factor expected to decrease interest

and the voter turnout in this election. There are 18,023 voters registered in Belleville for this election, a figure which Town Clerk Eugene Barnett says is "about usual."

Although there was some confusion as late as Tuesday of this week in Essex County over ballot-mixing between Republicans and Democrats, the policy of the Federal court ruling seems clear. Most probably, those showing up at the polls Tuesday will be asked to express a preference between the two primaries. Once an individual has so chosen, he or she will be able to vote only among the candidates for the specified political party.

12-4 Conference Record

Win Over East Orange Panthers Moves Bellboys to Second Place

By Tony Calabrese

The high-flying Belleville Bellboys won their twelfth game of the season last Friday afternoon when they defeated the East Orange Panthers 4-1 at East Orange. The win upped Belleville's Big Ten Conference record to 12-4, (the team is 12-7 in overall record), and puts them one point behind Big Ten leader Bloomfield.

Third place Irvington beat Kearny this past Monday afternoon, and moved into a tie for first with Bloomfield so as the conference entered its final week of play the top three teams were separated by one

point and each team had two games left on their Big Ten schedule.

One of these for the Bellboys was scheduled against Bloomfield in Belleville for the end of the week, and if all went well for the Bellboys until then, the Bloomfield game could be the most important one in the Belleville baseball history in the last six years.

As for the ballgame with East Orange itself, Belleville did not play one of its best ballgames of the year but still had enough left to get by the lowly Panthers. Again Belleville scored early in the game and depended on the pitching to carry them the rest of the

way.

Against East Orange the pitching was supplied by both Gary Soldo and Mario Malitano, and the two senior right-handers managed, to hold East Orange to a total of three hits. On offense for Belleville, the Bellboys managed a smack out 11 hits and receive five walks from East Orange hurler Mike Imperatrice.

Belleville scored twice in the very first inning and those runs proved enough to win the ballgame. Imperatrice started off by walking both Alan Frank, and Frank Papasidero. Frank Pettie's sacrifice bunt moved both run-

ners up a base. Ron Borgo's single scored Alan Frank with the first run, and Papasidero scored the second when Borgo was thrown out trying to stretch his single into a double.

Belleville managed a third run in the second inning when Mark Cervasio scored on a single by Alan Frank who leads the Bellboys in hitting on the season with a .383 batting average. Cervasio scored a fourth Belleville run in the fourth when he doubled and later scored on an infield hit by Papasidero. The only East Orange run was scored by Chip Humphrey in the fourth when he rode home on a base

hit by Russ Plant.

The real moment of crisis in this ballgame came in the bottom of the fifth with the score 4-1. The Panthers loaded the bases on Malfitano with two outs in the fifth on an infield single by Tom Lynch, and walks to Bill Beverett and Chip Humphrey. However, Mario got out of the jam when he got Mike Reed on a fly ball to Gerard Mongrella in center field. Belleville coasted in after that knowing that mighty important contests were still left against Kearny and Bloomfield in the coming week.

RICH CENTANNI, hurled a two-hitter against Montclair Friday to up his season record to 5-2. The rest of the team backed him up with seven hits delivered at the right time for a 4-2 victory.

A BELLOBOT BATTER prepares to blast the oncoming pitch from Montclair hurler Delasandro. Depending on the outcome of yesterday's game, played too late for the Times to report, the Belleville diamonders have a good chance to win the Big Ten crown this season.

Centanni Throws Two-Hitter For 4-2 Victory Over Mounties

By Tony Calabrese

Behind the two-hit pitching of Rich Centanni, and some timely hitting, the Belleville Bellboys were able to defeat the Montclair Mounties by the score of 4-2 in a game played in Belleville last Wednesday afternoon. For Centanni the victory was his fifth against two setbacks. The junior right-hander struck out seven while walking three in hurling his fourth complete game.

Belleville scored the first three runs of the game in the second inning against Mountie starter and loser Greg Delasandro, and these proved enough to win the ballgame. Two Bellboys were retired Gerard Mongrella started the uprising with

a single to center field.

Gerard then proceeded to steal both second and third base. The excellent baserunning payed off when Mongrella soon scored on an infield hit by Mark Cervasio. Cervasio went on to steal second base and continued on to third when the throw from Mountie catcher Carl Warner went into center field.

Cervasio scored when Centanni's ground ball was mishandled for an error, and Rich eventually scored the third run on a single to left by Alan Frank. The fourth Belleville run was scored in the third inning by Ron Borgo, who came across home plate on a single by Mongrella, who has been Belleville's hottest hitter over the last seven

ballgames.

After getting their runs Belleville managed only one hit the rest of the way, however things were well in hand at this point. Montclair did manage to score an unearned run off of Centanni in the fourth when two infield errors and Brian Scantlebury's single produced the tally. The final run of the game came in the sixth when Montclair's Steve Ruccio hit a triple just inside the right field foul line, and Ruccio later scored on Ken Byrne's groundout. However, Montclair managed to tie the score off of Centanni as his control was excellent and his fastball was too overpowering for the Montclair batters.

All-Sports Dance Successful

The Belleville Coaches Association recently held their semiannual "All Sports Dance" at the senior high school. The dance, which was successful, was held to raise money for a video-tape machine to be used by all the high school teams. Other efforts to raise money are being considered.

The highlight of the evening was the traditional crowning of the "All-Sports Queen". This year's crown went to Roxanne Zaino, a sophomore at the high school. Besides the crown she also received a beautiful trophy which was donated by DeBacco's Sporting Center.

The runners-up for the title are Nanette Visicaro, Joyce Puttorack, Mary Anne Petrillo and Nancy Della Riva.

"The entertainment was provided by two of the schools best groups, 'Bout Time and Salt Marsh'. The crowd hoped that the addition of the famed 'instant replay' recorder will benefit the teams by correcting almost instantly the mistakes of the players. With the addition of both the universal gym and the recorder the schools fans should see a lot more competition coming from the benches.

Wallace and Tiernan Top American League

Wallace & Tiernan leads the American League with three wins followed by Biancardi with 2 wins. Wallace & Tiernan seems to have a solid ball club. They have good hitting, pitching, & defense. This should be their year.

P.B.A. is the strong team in the National League with 2 wins. Manager George Lister has a good ball club and should be the National League choice.

Mills photo defeated Jolly Cleaners by the score of 12-2 behind the three-hit pitching of Danny Borgo. Cesar Casale had three hits followed by Jolly with two hits for the winners. Phil Graffeo had two hits for the losers.

Wallace & Tiernan defeated Riefolo by the score 4-2. Biancardi scored three runs in the top half of the 6th inning. Varsity scored two runs in the bottom half, and the final out made when runner over ran third base. Jim Cleggman & Mike Cerra both pitched good ball games & defense was great on both sides.

Mallack defeated Rotary by the score of 5-1. Tom Smith had three hits for the winners while Scott Ochsche had 2 hits for the losers.

Rotary Club banged out 16 hits for 12 runs to defeat Landolfi by the score of 12-3. Scott Ochsche pitched a 3 hitter for the winners. Pete Burton, Frank Pizzi & Scott Ochsche had three hits for the winners, Ed Lowery, Pat Nuffrio & Jerry Calabrese had 2 hits apiece.

F.M.B.A. defeated Jolly Cleaners by the score of 3-1 behind the two hit pitching of John Lupo. F.M.B.A. had 7 hits. The biggest hit was from Rocco Balsamo who had a triple, bringing in a run in the 4th inning.

Passaic River Basin Contract is Awarded

Acting under legislation that makes \$4.1 million in state aid available for flood plain delineation and river channel clearance, the state Department of Environmental Protection has awarded contracts to begin a two-sided program to help control flooding in the Passaic River Basin.

Belleville 440 Runner Enters State Tourney

By Bob Luongo

The 1972 Belleville Varsity Track season ended last Monday with the Essex County Invitational Tournament, at Woodman's Field, Montclair. The only Bellboy participant who earned recognition was the super speedster 440 man, Michael Petronaci. At the meet "Pet" took third out of the entire Group Three area. Receiving a medal for his accomplishment was not after hearing that he broke the school record. Michael, the new 440 record holder remarked astonishedly, "I don't believe it". Petronaci ran out-

standingly at 51.4 seconds. Petronaci will be traveling to the state finals next week, hoping to cap a place in the state tourney. This is the farthest that any runner has gone under Coach Hanke's guidance.

Head coach Raymond Hanke looks at the season quite successfully. Although the

team record is five wins, eight losses, the performances themselves were individual accomplishments.

Opening the season against Passaic and West Side created a very successful image for the team. They won both meets. As the meets of the season came, the local Cindermen took the defeats sportingly but harshly. Those beating the Bellboys were Orange, Vailsburg, Columbia, and East Orange. At this point the season looked rather grim. Coach Hanke, never giving up, kept the morale of the boys sky high.

Weight coach, Jay Gavitt had a rather successful year. Returning are the powerful throwers Robert Luongo, Tom Sanders, John Fagioli and Michael Greenfeder. With this material Coach Gavitt feels the throwing events should be handled not greatly but with satisfactory performances. The other field events should some day

successful jumpers. Brian Dunleavy shows promise in the pole vault, while Bob Cozzarelli should be terrifying in the broad jump.

In the running game, under Coach Hanke, Greg Otagaldero, Bob Sanders, Steve Budrick, and "Goody" Goodwin hold his eye. All these runners hold potential to become outstanding strikers.

Getting back to the season, the team record was two wins and three losses when the real match came up - "Nutley". The archival team was stronger than ever; therefore, the two coaches worked the boys hard. Defeat was the result of a real cause - distance events.

It seems that the whole year had problems in the long events such as the half, single, and the two mile. We were fortunate to have super strikers, Michael Petronaci in the 440. He lost only one dual meet competition all year.

Later that week, Bloomfield beat the local Cindermen. They were really itching for a win toward the end.

Success came the Belleville team's way, beating East Side and West Orange. Closing up the season the Bellboys lost to Irvington and Kearny. These two schools were their strongest competition.

Coach Hanke and Coach Gavitt have increased the popularity and respect of the track team over the past years. Unlike most coaches, Mr. Hanke prefers a small season with good competition.

He often refers back to the saying "quality over quantity". Next year the coach hopes to have a really successful season. According to him, many inexperienced sophomores were performing and doing fair. Next season, they will be more experienced and doing well, making the season hopefully successful!

Varsity Club to Host Athletes At All-Sports Banquet June 9

Tom Mack, chairman of the Varsity Club All Sports Banquet, reports that the program for the annual affair is complete. The banquet will be held at the Robin Hood Inn on Friday evening, June 9, 1972.

Bill Ellis, president of the club, will welcome the guests. Joe Casale will be the master of ceremonies and Reverend William Mink of St. Peter's Church will give the invocation.

Belleville Wins Goodwill Regatta

Belleville oarsmen captured first place in three levels of the annual Goodwill Regatta last Thursday and Saturday as their varsity finished eight seconds ahead of Nutley's crew and 16 seconds ahead of Kearny.

The annual race, with the three schools sharing the same boathouse on the Passaic competing against each other, saw the Maroon Raider's boat lead for the first half of the race, only to be overcome by the heavier Belleville rowers. Kearny, though never a threat in the varsity and jayvee races, won by nine seconds in the freshman level on Thursday.

The Belboys posted a time of 4:48, followed by Nutley with 4:55, their best time on the home course this season, and Kearny with 5:03. The jayvee shell from Belleville actually ran a better time (4:45) than the varsity, but Coach Sam Giuffrida explained that this was "not a good measuring stick, since the Passaic is a tidal river and the current is faster as the tide changes."

On Thursday, the Belboys lightweight jayvee boat won their race against the two others, giving Belleville three firsts and a second out of the Regatta, as the freshmen lost to Kearny by one second. Coach Giuffrida said this was the highest point total scored by Belleville in any Goodwill Regatta.

Size was the principal factor working against the Maroon, as the average weight of the oarsmen was 165 pounds, compared to 180 for the Belboys. The jayvee heavyweights raced very well, losing by only four seconds to their Belleville opponents. Previously this season they had lost by a full 17 seconds, and Coach Ray Chapman said the decrease "bodes well for next season."

Boatings for the Nutley and Belleville varsity and heavyweights jayvees are as follows: Nutley varsity: coxswain, Greg Neer; stroke, Pat Strollo; seven, Tony Marano; six, Ed Marano; five, Gary Gerald; four, Rich Wilson; three, Tom Evans; two, Kevin Keaton; bow, Pete Olson. Time 4:55.

Belleville varsity: coxswain, Fred Arden; stroke, Angelo Sanzaro; seven, Gary Haught; six, Graig Davis; five, Joe Covey; four, Allen Demacy; three, Mike Oliveri; two, Henry De France; bow, Jimmy Laconti. Time 4:47.

Nutley jayvee: coxswain, Joe Jennetti; stroke, Paul Van Honie; seven, Ted Evans; six, Ken Mattia; five, Jeff Lewis; four, Joe Morano; three, Chuck O'Mara; two, Kevin McDonough; bow, Roger Smith. Time 4:49.

Belleville jayvee: coxswain, Seven Donaron; stroke, Dan Diminguz; seven, Brian Bedford; six, John Smith; five, Anthony Doherty; four, Ed O'Connell; three, Russ Vaccaro; two, Tom Spooner; bow, Steve Ravell. Time 4:45.

Both the Belleville and Nutley teams were heavily- Mental Health Group Sets June Meeting

Brian O'Connell, executive director of the National Association for Mental Health, will speak at the 22nd annual meeting of the Mental Health Association of Essex County on Monday evening, June 12 at Scott's Manor, Orange.

His topic will be "Today's Mental Health Scene—Can Citizens Make a Difference?"

Chairman of the event is Mrs. Thomasina Fitz Roy of East Orange, aided by Mrs. Don Thomas of Orange.

dominated by seniors. "We had seven senior oarsmen and the coxswain," said Chapman, "so the boys really wanted to win this one. But all the teams did their best and all things considered, this regatta closed a good season. They were a good bunch of

boys to work with." The final varsity record was 8-4. Jayvee was 7-3.

In the Belleville shell were five seniors. "The guys were pretty excited because it was the last race for most of them and they wanted to go out as winners. Also, some of them

had never been on a winning crew in the Goodwill Regatta. We didn't take either Nutley or Kearny lightly and they rowed well. It was a pretty good team effort." Belleville also ended a winning season, with an 8-3 record on the varsity level.

The Cardinals from Kearny had been the underdogs of the regatta, having been beaten by both Nutley and Belleville previously this season. When the Belboys and the Maroon had met earlier this spring, the Belboys had come out on top by five

seconds in the varsity race and went on to sweep in all the other levels.

Belleville had also won the Regatta last season, taking first place in three levels but losing the jayvee race when the shell's rudder broke at the three-quarter mark.

Defends Crown Against Nutley, Kearny Crews

THE WINNING BOAT was manned by Bellboys Fred Arena, Angelo Sanzara, Gary Haight, Craig Davis, Joe Covey, Allen Demacy, Mike Oliveri, Henry De France and

Jimmy Laconti. Posting a time of 4:47, they established their superiority in the annual regatta between the three schools sharing boathouse facilities on the Passaic.

HUDDLING before the race are members of the Maroon varsity, as Coach Ray Chapman gives reminders on strategy. Outweighed by an average of 15 pounds by the Bellboys, Nutley was overpowered in the last half of the race.

COXSWAIN Greg Neer prepares to help Pat Strollo and Tony Marrazza as they lower the shell into the river. The three boys, like most of the Nutley varsity are seniors and the Goodwill Regatta was to be their last race.

THE JAYVEE RACE ended with Belleville ahead by four seconds. In the victorious shell were Steve Donovan, Dan Diminguz, Brian Bedford, John Smith, Anthony Dillon, Ed O'Connell, Russ Vocature, Tom Spooner and Steve Ravell.

COACH SAM GIUFFRIDA of the Belleville crew supervises the placement of the jayvee shell. Giuffrida celebrates his second Goodwill trophy in two years as head coach.

AT THE FINISH Bellboy rowers (background) display exuberance at exhaustion. The Maroon finished eight seconds behind the Bellboys their win, while their Nutley opponents show disappointment and varsity shell, even though they posted their best time of the season.

AT THE START, the maroon shell takes a slight lead which they were able to hold for only the first half of the race. The Kearny shell (foreground) was never able to make a real bid for the lead.

MANNING THE MAROON shell are varsity members coxswain, Greg Neer, captain Pat-Strollo, Tony Marrazza, Ed Viscius, Gary Gerald, Rich Wilson, Tom Evans, Kevin

Keaton and Pete Olson. Olson is the only underclassman on the varsity boat.

RAY CHAPMAN, Nutley coach, gives his varsity crew some last-minute encouragement as they leave the dock. Chapman closed another winning season, as the Nutley crew posted an 8-4 record for the varsity.

SECONDS BEFORE the finish, the Belleville crew, margin. The crowd lined the Rutgers Street bridge to shown at right, leading Nutley (left) by a substantial watch the end of the annual regatta, which had Belleville

capturing the trophy for the second year in a row. It was also Belleville's second win over Nutley this season. The Bellboys finished the year with a record of 8-3 on the varsity level.

Hawaiian Islander Dining Gives Polynesian Effect

Bergen County's newest and most unique Polynesian restaurant - Lee's Hawaiian Islander - has opened in Lyndhurst, complete with its own waterfall.

Decorators spent more than two months in creating the 25-foot high 45-foot long waterfall, and landscapes which cover entire walls. The finished product is one of the most beautiful Chinese-Polynesian restaurants ever built.

Bamboo plants, water, rocks, gardens, and lush decor combine to create an exotic island decor. The 2-story restaurant even has an outdoor terrace.

Stanley Din, a veteran of 25 years in the restaurant business, is the proud host for the restaurant which has Hawaiian Island specialties, Chinese Cantonese selections, and American selections. Stephen Louis, co-host at the epicurean emporium, presides over the bars, which turn out the most exotic drinks this side of the Pacific.

Chin, well known in Bergen circles, whips up some delectable drinks.

The exotic drinks range from the \$1.50 Lover's Gold Cup (a romantic blend of lime juice, Myer rum and dark Puerto Rican rum served with snow ice) to the \$2.35 Sorcerer (which has a gardenia perfume).

Family dinners for two or more persons are priced at \$4.25 per person and include choice of soup, appetizer, main course, and dessert. There are also a multitude of a la carte items in Cantonese or American selections.

Lee's Hawaiian Islander also offers Polynesian delicacies. The \$4.95 Tahitian Pearl, priced at \$4.75, consists of breast of chicken meat with sliced ham dipped in a thin batter, topped with mushrooms, peas and corn, and prepared in a special chef's sauce.

floating in it) There is also the conventional wine and liquor list as well as domestic and imported beers.

Chief Chat Gong Leong, a native of Hong Kong who has been in charge of restaurants in New Jersey and New York, is the Number 1 chef at Lee's Hawaiian Islander.

Complete dinners range from the Boneless Chicken Cantonese, boned chicken deep fried in seasoned batter and served over Chinese vegetables and mushrooms, to the \$1.95 Mignon prepared with special tangy sauce, at \$6.75. There is a wide range of seafood, poultry, beef and meat and seafood combinations to delight every palate and every pocketbook.

Big PBA Competition On Oval This Saturday

A gala evening of drum and bugle corps competition is set for Nutley's Park Oval this Saturday night starting at 8 o'clock. Groups from throughout the Metropolitan area will be participating including the fabled Boston (Mass.) Crusaders' Junior Drum and Bugle Corps.

The night of fun will benefit the Policemen's Benevolent Association's Death and Retirement Fund. Tickets are \$2.50 for reserved seats and \$2 for general admission.

Challenging the Crusaders for top honors will be the Blessed Sacrament "Golden Knights," Garfield Cadets, Hawthorne Muchachos, St. Andrew's "Bridgemen" and the Ridgemen of Brooklyn, N.Y.

Actual competition Saturday night will be to six of the nation's finest corps in what constitutes the "PBA Invitational Championships."

The Assemblyman felt it was unfair for the Governor, the League of Women Voters or anyone else to expect the Legislature to be prepared to vote on a tax package whose implementing bills have not even been seen yet. Assemblyman Oreschio said, "I understand that 55 bills are needed to implement the Governor's recommendations, of which to date only 22 have been printed. How can any responsible person expect the Legislature to vote intelligently under these circumstances. It is absolutely ridiculous."

N.J. Historical Head To Address Society In Nutley Tonight

Robert M. Lunney, director of the New Jersey Historical Society, will address a group in Nutley tonight. The public is invited.

Tonight's session is the regular June meeting of the Nutley Historical Society

and will get underway at 8 p.m. in the Museum Building, 65 Church Street. Lunney's topic tonight will be the plans now taking shape regarding an addition at the State Capital Building in Trenton.

Minish is running unopposed in Tuesday's Primary Election. The veteran Congressman will be opposed in November by former Republican State Senator Milton A. Waldor.

Tonight's appearance by Rep. Minish is set for 8 p.m. in the Nutley VFW Hall, 265 Washington Avenue. Robert Semple, president of the Democratic Club, invites all townpeople to this evening's event. "Congressman Minish will also entertain questions from the floor," Semple notes.

Tonight's appearance by Minish will be his first "political" visit to Nutley. Minish was elected to the 88th Congress in 1962 and has since been reelected four times. A resident of West Orange, he is 56 years of age, married and the father of three children.

Minish to Speak Tonight in Nutley

Congressman Joseph G. Minish of West Orange, who will be replacing Congressman Peter W. Rodino as Nutley and Belleville's representative, will address the Nutley Democratic Club in a public session tonight. Minish is running unopposed in Tuesday's Primary Election. The veteran Congressman will be opposed in November by former Republican State Senator Milton A. Waldor.

Carl Oreschio Will Oppose Income Tax

Assemblyman Carl A. Oreschio, Republican - Essex 11-C said today that he will vote against Governor Cahill's tax package in its present form, if the bill comes up for a vote on June 15, the day the Legislature is scheduled to convene. The Essex Assemblyman said he is not satisfied that income tax is the answer to the state's fiscal problems. He stated further that, in his opinion, the Legislators will not have had enough time to thoroughly study the Governor's proposals which were the result of a two-year study by the Tax Policy Commission and a further three-month study by the Governor and his staff.

The Assemblyman felt it was unfair for the Governor, the League of Women Voters or anyone else to expect the Legislature to be prepared to vote on a tax package whose implementing bills have not even been seen yet. Assemblyman Oreschio said, "I understand that 55 bills are needed to implement the Governor's recommendations, of which to date only 22 have been printed.
