

THE BELLEVILLE TROT was run recently at Monticello Raceway and over 250 residents turned out for the Town sponsored event. Above (l-r) congratulating the winner are School Board member James Risoli; Mrs.

Connie Strumolo; Commissioner Mary Senatore; horse and driver Robert Camper; Commissioners Michael Marotti and Robert Laterza; registrar Ralph Risoli and John Monahan.

## Shade Trees Urge Locals Save Glass

Belleville's Shade Tree Committee urged residents to save glass bottles for weekly pick-up by Department of Public Works employees. The town-wide project to claim glass containers for recycling is two weeks old but more cooperation from residents is needed, officials report.

Mrs. Mary Senatore, director of Public Works, has asked residents to save glass containers and place them at curbside once a week for collection by Public Works employees. Money realized from the drive will hopefully be used to purchase and plant new trees and shrubs to beautify the Town.

Shade Tree Committee members report that pick-ups will be made Monday in the Valley, St. Peter's and Greylock sections of Town. Tuesday, workers will be in the Forest section and all streets off Garden and Belleville Avenue. Wednesday collections are slated in the Bell Garden West section, Thursday the Silver Lake, Soho and Smallwood sections will have pick-ups and Friday workers will be in the Rutan

## Flood Loans Available

Certain Belleville residents whose property sustained damage from last month's heavy rains and high winds by tropical storm Agnes may be eligible for Small Business Administration Loans, reports Mayor Joseph McGreevy.

The Mayor last week received a memorandum from the Essex County Department of Civil Defense and Disaster Control that federal loans are available in this area as a result of flood damage from tropical storm Agnes.

The Small Business Administration explains that Essex County has been designated as a Class "B" disaster area. This means loans that are now available will be offered at a low 5 1/2 percent interest charge.

Loan applications may be obtained at the Newark Disaster Loan Office, 850 Broad Street, Newark, with a telephone of 645-3973 or 645-3981. The office will be open Monday through Friday between the hours of 9 a.m. and 8 p.m. and on Saturday from 9 a.m. to 5 p.m.

## Chamber Sets Another Special Sidewalk Sale

Stanley Slavin, chairman of the Belleville Chamber of Commerce Sales Promotion Committee, has announced a sidewalk sale here for August 4-5. The rain date will be August 11-12.

Chamber officials report that the sidewalk sale has

## Beginning Next Issue Ex-Councilman Here Writes Weekly Column

James R. Golden — former town councilman and Belleville's best known political critic — will join the Times-News as a regular columnist beginning next week.

"I'm really looking forward and anxious about this new opportunity with The Belleville Times," Golden said today. "Hopefully, I view this as an opportunity to accomplish for our town many of the things I had hoped to do as a public official."

The column will be titled, "Golden Comments" and Times-News Publisher Frank Orechio assures that "Jim Golden will be given a free reign to investigate and report upon municipal activities as he deems fit."

What will the column cover?

## '72 Graduate Benefactor Italian-American Civics Will Award Scholarship

SCHOLARSHIP WINNER last year from Italian American Assn. was Josephine Maiorca, valedictorian of Class of '71. Aldo Di Chiara (left) and Frank Ceres presented award. Group is now choosing recipient for Class of '72.

The Belleville Italian American Civic Association will honor a graduate student of Italian-American extraction from the graduation Class of 1972 from Belleville High School. This outstanding student will be chosen for their scholastic and leadership achievements in the field of education.

A scholarship grant will be presented to the student at the Belleville Italian-American Columbus Day Dinner and Dance which will be held on Sunday, October 8, at the Wayne Manor 1515 Rt. 23, Wayne. At the present time, students are being screened by Board of Education member G. Fred Burlazzi and his committee consisting of Aldo DiChiara, National Commander of the Catholic War Veterans, Emil Casale, attorney for the Zoning Board of Belleville, Carl DeLura, local teacher and Frank F. Ceres, civic leader.

The following members acting on the various committees are Aldo DiChiara, chairman; Adolph Vecchione, co-chairman; Mrs. Lena Carlo, co-chairlady; Mrs. Catherine Zarra, co-chairlady; George Sbarra, tickets; John Carlo, ads; G. Fred Burlazzi, scholarship; Vincent Carlo, entertainment; Ladies Auxiliary.

The president of the organization Vincent Vecchione will be the honorary chairman and he states that the Ad Book will be dedicated to the following members of the organization: Hon. Robert Laterza, Hon. Michael Marotti and G. Fred Burlazzi, all elected officials in the town of Belleville.

As is already common knowledge, Sen. George McGovern was chosen as the Democratic Party's candidate for president on the first ballot in the Wednesday night session of the National Democratic Convention. Thomas Eagleton of Missouri as his vice presidential running mate.

Mrs. Senatore, Town Democratic chairman for 10 years here, voted for Sen. McGovern on the first ballot but she was displeased with the treatment she received from this state's McGovern delegation.

"Within the McGovern delegation there is a lot of youth. They are very knowledgeable people but they don't know how to express it

## Public Cordially Invited Board To Review Pay Controversy Monday

The Board of Education has scheduled a special meeting Monday evening to discuss the controversial salary increases recently granted to superintendent of schools Anthony Greco and his assistant Michael Rosamilia. The public is urged to attend.

Last week School Board member Caesar Romano in a strongly worded dissenting report disagreed with the group's decision to reinstate pay raises to the two top administrators. Romano's written opinion claimed Greco was not functioning properly in his position and that the pair were not working in harmony for the betterment of the school system.

Five of the seven School Board members voted July 6 to grant pay boosts to Greco and Rosamilia with the stipulation that new job classifications drawn up by them would be reviewed in three months. The School Board also stipulated that it reserved to withdraw the raises on or after December 31. In that voting block was President Richard Mahmarian, vice president Matthew Pica, Mrs. Norma McCool, Lawrence Schwartz and James Risoli. Romano was the lone dissenter while G. Fred Burlazzi has been absent the past month with other commitments. Burlazzi has yet to attend a meeting where the salary increase controversy has come up.

Mahmarian, speaking for himself and four other School Board members in sort of a rebuttal to Romano's opinion, offered a public statement to the press this week.

"The Board feels this member's (Romano's) release to the press was basically unfounded, unwarranted and erroneous. The Board

therefore invites all interested citizens to attend the next public meeting, July 24, on this matter. We will allow every board member to speak his own piece on this matter," Mahmarian stated.

Romano this week had no further comment on the controversy but he did say he has received many phone calls and personal comments backing him up on his stand.

Greco was granted an increase from \$28,000 to his current salary of \$29,264 while Rosamilia, who is covered under a contract drawn up with school administrators, now receives \$26,100 compared to his past pay of \$24,780.

## Three Men Rob Bellwood Liquors

A local liquor store was robbed of over \$300 last week when three young men entered the business just before closing and demanded money from the owner-operator. Belleville police said a suspect believed to be involved in the robbery was arrested two days after the crime.

Bellwood Liquors, 573 Belleville Avenue, was the scene of the hold up on Wednesday, July 12, shortly before the 10 p.m. closing time. Mrs. Michael Guibilo, owner and operator of the store, told police that the three men entered the premises and told her to lie on the floor. Although the three did not show a weapon, police report that they did threaten Mrs. Guibilo with bodily harm.

After Mrs. Guibilo was forced to the floor the bandits helped themselves to the cash register and took an estimated \$300 in cash. Police report that the three then fled in a late model car, believed to be parked nearby.

Two days later detective Barton Rossi, with the assistance of other Belleville police officials, arrested a 23-year-old East Orange man and charged him in the robbery.

## Try Again Tuesday Resolving Pathmark Ordinance Question

SPEAKER at public hearing Tuesday on proposed ordinance to regulate food store hours is Clayton Shepard, former manager of Pathmark here. Commissioner Robert Laterza listens.

Tuesday on the fate of a proposed ordinance to regulate the opening and closing of food stores here. After a public hearing, the measure was tabled at the last Commission meeting when Mayor Joseph McGreevy noted that two of the Town Fathers were missing from the meeting.

The measure was initiated by Commissioner Robert Laterza after the Pathmark Food Chain began a policy of keeping all its stores open 24 hours per day. Pathmark operates a store in the Silver Lake section of Town and that is the only business in the municipality to be affected should the ordinance be adopted.

Several residents at last Tuesday's public hearing on the proposed bill spoke against the adoption of such a measure. Most speakers said they saw no legitimate reason why the store shouldn't be open all night and add that

(Continued on Page 2)

## Convention Memories Mixed Mary Sees The Good, The Bad, & The Ugly

By John J. Bunevich

Mrs. Mary Senatore, Belleville's claim to fame at the Democratic National Convention last week, returned from Miami Beach Friday with many happy but also some unpleasant memories of that once in a lifetime opportunity.

The overriding thought in Mrs. Senatore's mind this week was that herself and 21 other uncommitted delegates from Essex County were for the most part mistreated by the McGovern faction in the New Jersey delegation.

As is already common knowledge, Sen. George McGovern was chosen as the Democratic Party's candidate for president on the first ballot in the Wednesday night session of the National Democratic Convention. Thomas Eagleton of Missouri as his vice presidential running mate.

Mrs. Senatore, Town Democratic chairman for 10 years here, voted for Sen. McGovern on the first ballot but she was displeased with the treatment she received from this state's McGovern delegation.

"Within the McGovern delegation there is a lot of youth. They are very knowledgeable people but they don't know how to express it

properly. They can't win the election without the old guard. That is to say, the regular Democratic organization. They were very hostile towards myself and the rest of the Essex County uncommitted delegates," Mrs. Senatore stated.

On the balloting for vice president, Mrs. Senatore chose to vote for New Jersey's favorite son, Rep. Peter Rodino Jr., although she believes Sen. Eagleton will add much to the ticket.

"I think that it's wonderful we have such a youthful candidate now running for a top office," Mrs. Senatore remarked, speaking of Sen. Eagleton. "He's well-equipped and reported to be a hard campaigner. Also, he has the credentials to back him up."

What inspired the Belleville Commissioner the most was Sen. Ted Kennedy's speech introducing McGovern to the Convention late Thursday evening.

"Ted Kennedy and his speech was most impressive. It brought back memories of the 1964 Convention I attended in Atlantic City where the late Sen. Robert Kennedy gave such an inspirational speech," Mrs. Senatore added.

The Town Democratic chairman said she

(Continued on Page 2)

BUSY back at her Town Hall desk is Commissioner Mary Senatore, who returned last week as delegate to Democratic National Convention in Miami Beach. Mrs. Senatore has some interesting views on doings.

## Reactions Are Mixed

## Mary Views Demo Convention

(Continued from Page 1)

will support the McGovern ticket for election in November but that the South Dakota Senator must mend fences if he is to realize success. Apparently, Mrs. Senatore will be watching for McGovern to soften some of his liberal views and develop a more moderate line.

"As Town Democratic chairman I have no choice I must support McGovern. He is the Convention's choice and I have to stand behind the candidate Essex County chairman Harry Lerner supports. But I still don't believe in some of McGovern's principles. He should listen to the older people in the party and not only the youth. Right now he's too one-sided. As a result, there was a reaction by some of the party regulars and a split developed at the convention. I agree with chairman Lerner's move to go out towards unity."

"For the good of the party McGovern has to mend fences. He may be fortunate enough to win in November but he can't win without the help of the party regulars. McGovern needs money for his campaign and he can't get the funds without the cooperation of the regular Democrats," Mrs. Senatore said.

According to Mrs. Senatore, enthusiasm ran high for McGovern at the Convention but that, she said, was because the majority of delegates were supporting the South Dakotan. Mrs. Senatore reports that by far the most cheers came at the conclusion of Sen Kennedy's speech.

The delegate from Belleville also had a special message for residents here. She said the news media on the whole was pro-

McGovern and attempted to cover-up much of the difference in opinion on the Convention floor.

"I want the people up here to realize that what they saw in the press, TV, newspapers and radio was not all together a true picture of what was happening. Much of the press worked with McGovern as not to expose the split in the party," she commented. "The press was favorable towards McGovern."

Although Mrs. Senatore did find time to enjoy some of Miami's famous sun and fun, the majority of the day was occupied by official business. More than 12 hours of every day was reserved for the task of being a delegate. According to the Commissioner, the delegation was on the Convention floor at 7:30 in the evening and for all four days the group didn't arrive at their hotel until 7:30 the next morning. Also, there was a morning and afternoon state caucus to attend every day but most times, reports Mrs. Senatore, the entire uncommitted Essex County slate, including herself, walked out of the special meetings due to friction with the McGovern factions of the New Jersey delegation.

The Belleville Democratic chairman said she will call her leaders to a special meeting where she will brief them on the happenings and her observations on the National Convention. At that meeting Mrs. Senatore also plans to ask the leaders their feelings on the nominations by the party.

On two most controversial issues facing the Convention, Mrs. Senatore split her vote. Once she sided with the McGovern stand but on another vital issue she leaned towards

party hard-liners. Mrs. Senatore voted in favor of seating the full McGovern California delegation but she cast her ballot against the McGovern supporters and in favor of seating Chicago Mayor Richard Daley's delegates.

"These delegations were representatives of the people and were elected by the people," Mrs. Senatore added.

The Belleville Commissioner also was contacted at the Convention by many women's rights groups and she supports females taking a more active role in politics. However, Mrs. Senatore thought it was hopeless cause by certain women delegates in attempting to nominate a woman as vice president.

"The world today isn't ready for a woman vice president," Mrs. Senatore stated.

Other observations and impressions by the

Commissioner included a cordial meeting with New York City Congresswoman Bella Abzug; the handsomeness of New York City Mayor John Lindsay and the tight security.

"You couldn't get to the ladies room without being checked," she added. "The security was excellent."

Obviously, Mrs. Senatore wasn't entirely satisfied with the slate nominated but she says she will do her best to get all Democrats elected in November.

"I believe McGovern will take Essex County but unless some of his platforms and views are changed I don't know what chance he has of being elected president," Mrs. Senatore concluded.

## Howard Smith; Bus Driver

Howard W. Smith of 24 Newark Place, died July 11 in Clara Maass Memorial Hospital after a short illness. He was 61.

Born in Newark, Mr. Smith came here 40 years ago. He was a bus driver for Transport of New Jersey for 35 years, and was Chairman of the Safety Committee at the Big Tree Garage, Nutley, for 15 years. He was also a member of Local 819

Amalgamated Association of Street Electrical Railway and Motor Coach Employees.

He is survived by his wife, Stella (nee Lucas); two sons, Frank G. of East Hanover and Robert S. of Miami, Fla.; two brothers, Roland of Nutley and Lindsey of Lakewood; a sister, Mrs. Ruth Van Ness of St. Petersburg, Fla., and seven grandchildren.

## Antonio Russo, He Was 78;

A High Mass of Requiem was offered July 3 for Antonio Russo, 78, 14 Bellevue Avenue, Belleville, who died June 28 in "Presbyterian Hospital, Newark. He was 78.

Surviving are five daughters, Catherine Maninelli, Grace Travor-

mina, Ann Petronaci, Lucy Russo and Margaret Rogers; four sons, Daniel, Anthony Jr., Joseph and Ben; 13 grandchildren and five great-grandchildren.

Interment was in Holy Sepulchre Cemetery, East Orange.

## Commission To Vote On Pathmark Move

(Continued from Page 1)

it would be more of a convenience to residents rather than a hazard.

Commissioner Laterza, director of Public Safety, has strongly supported the bill and claims that an all night Pathmark opening could endanger the neighborhood and bring undesirable elements into the Town.

Mayor McGreevy received full support of the Commission when he moved to table the ordinance due to lack of attendance by Town Fathers at the meeting. Mrs. Mary Senatore and Vincent Strumolo were absent from the meeting. Mrs. Senatore was in Miami Beach as a delegate to the Democratic National Convention and Commissioner Strumolo was reported to be on vacation.

The ordinance, if adopted,

will levy a maximum \$500 fine and/or 90 days in jail on violators found guilty.

## Local Westinghouse Aids Flood Victims

Nearly eight tons of non-perishable food and cleaning supplies were sent to flood victims of Tropical Storm Agnes today.

The food and supplies were donated by Westinghouse employees in company lamp plants in Bloomfield, Belleville and Trenton. The project was a joint undertaking by the company and unions at the three New Jersey plants.

After the material was collected, Westinghouse employees packed the donations in cartons. The company is providing a huge trailer truck to transport the supplies to a Salvation Army depot in Wilkes-Barre, Pa.

# 'Golden Comments' Set In Next 'Times' Issue

JAMES GOLDEN, former Belleville Councilman and a well-known political critic, will write a regular column for the Belleville Times-News beginning next week.

## DeWitt Savings Offers Free Money Orders For Senior Citizens

Robert M. Williams, president of DeWitt Savings, has announced that the Association will handle money orders for senior citizens at no charge, effective immediately.

To qualify, Williams said, the individual must show proof that he or she has, or will have, reached the age of 65 during 1972.

Upon presentation of such proof to any officer of DeWitt Savings, the person will receive a special numbered coin for future

identification and personal use each time a money order is purchased.

The individual can then purchase, as many money orders as desired without the usual charge upon personally showing the coin to a DeWitt teller, according to Williams.

Williams stated that he welcomes inquiries concerning this new Senior Citizen policy and he or any other officer of DeWitt will be available to answer questions or implement the plan for interested parties.

(Continued from Page 1) and won election once, as a councilman under the now defunct Council-Manager form of government. "I was the only councilman then who finished out a full four-year term," Golden laughed, recalling the heated political campaigns of the late 60's. For years, he never missed a session of the Belleville Commission. He was there either as an elected official, or as "Belleville's most famous town critic."

The column's name, "Golden Comments," is not a creation of the 1970's. "I once wrote a column under that title when I was running for office a long, long time ago. Only then, I had to pay for the space. Things have certainly changed for the Belleville Times since the days of its former owners," Golden smiled.

Golden said he would strive to serve the public interest with his new column. "My purpose is not solely to criticize, but to foster community enthusiasm and interest through constructive comments. I shall not criticize merely for political reprisal. My purpose in short shall be to provide another means to enable the citizens of Belleville to become more acquainted with town affairs."

The first edition of "Golden Comments" will appear in next week's edition of The Belleville Times-News.

## 24-Hour Shopping

The Belleville Town Commission has tabled a measure which would regulate the opening and closing of food stores throughout the town.

We believe the adoption of such a law infringes upon the rights of citizens. If a store owner wants to keep open his establishment at 3:00 in the morning, why should not a local citizen have the right to shop at 3:00 in the morning.

Public officials are elected to serve the people and their needs.

We believe Belleville Commissioners would be upholding their oath of office in a

more responsible fashion by permitting stores to remain open 24 hours a day if this is the desire of the store keeper. There are two main points involved in the present proposal—freedom of private enterprise to open and close its doors and freedom of the buying public to do its shopping at hours convenient for itself and at hours to meet the public's needs.

*Frank A. Orechio*

## Hooray For Our Side

This week the New Jersey Assembly defeated a state personal income tax proposal by a vote of 52-23.

The income tax bill was the cornerstone of 55 separate bills intended to put into effect a tax "reform" program which would allegedly relieve the real estate owner of the heavy tax burden.

We opposed the tax reform package. It was, and is, our opinion the tax proposals would not relieve the property owner of an increasing tax burden. It was our further opinion that the final result of the tax package would end up placing an additional tax upon our already overburdened citizens.

It is to the credit of our two Assemblymen, John Dennis of Verona and Carl Orechio of Nutley, both Republicans,

that they voted against a state personal income tax.

Both Dennis and Orechio acknowledge that tax reform is necessary. Both Dennis and Orechio believe the real estate tax burden should be reduced. But both Assemblymen believe the tax package proposed this week would not serve the best interests of New Jersey and its people.

Three cheers for the people and their Assembly representatives.

*Frank A. Orechio*

## The Alimony Racket

American courts continue to allow smart alimony lawyers to exploit and victimize men who have divorced, or been divorced by, their wives. In nine cases out of ten the man is saddled, perhaps burdened for life, with alimony payments because he, as the law sometimes requires, assumes the role of the guilty party.

The law of probability alone is that the man is not primarily guilty more than fifty per cent of the time but the American male rarely gets the benefit of the odds or facts. Some countries now allow men to gain custody of their children but it is extremely difficult for a man to gain custody of his children in most U.S. states, even when he had obviously been the more responsible parent.

How ironic continuance of this racket

is in a country where women are so loudly claiming discrimination, demanding equality and entry in every field, and getting tiffen getting equal rights and keeping traditional advantages!

There is a current surge of common sense sentiment in favor of no-fault automobile insurance and it should and does logically include sentiment for new laws and customs based on no-fault divorce.

Lawyers long highly skillful and profitable in the alimony and custody rackets, like lawyers long profiteering in automobile accident litigation, can and should apply their talents to more equitable and humane pursuits.

### Seems Only Yesterday

## Belleville Spared Racial Violence In Newark Area

### One Year Ago

Commissioner Michael Marotti said he would not install bacci courts on town-owned property on Watching Avenue because the residents of the area did not want them. Marotti stated that people in the neighborhood had asked him to install swings and basketball courts instead. The Commissioner said that he was conducting a survey of the neighborhood before placing anything in the town-owned land.

Mayor Joseph McGreevy was unhappy with Belleville's official census figure and said he would take the town's case to Washington D.C. The Mayor was upset that the final population figures were lower than the preliminary tabulation by nearly 5,000 people. The difference, according to McGreevy, would cost Belleville a \$15,000 reduction in state aid for the Health Department in 1972.

Commissioner Vincent Strumulo said he would fight the Erie-Lackawanna Railroad's proposed discontinuance of a crossing guard on Franklin Street. The railroad's petition was before the state Public Utilities Commission. Strumulo said that the railroad wanted to replace the guard with an automatic warning light. Strumulo felt that a custodian for the crossing was needed. "The mechanical system can fail," stated Strumulo, "and I feel that with a man there he can at least get out and warn people."

### Five Years Ago

Tina Maria Poros of 283 Stephens Street was a finalist in the sixth annual "Little Miss America" contest. The pageant, sponsored by Topper Toys, was to be held at Palisades Amusement Park. The five-year-olds were judged in party dresses on the basis of beauty, poise, charm, and personality. The winner of the contest was to receive an all-expenses paid trip to Florida.

The Town of Belleville considered itself lucky. The urban-fringe community was spared the more bitter consequences of racial insurrection which had ravaged the city of Newark. In less than a week, Newark had become the armpit of the state—a scene of unimaginable violence, destruction and slaughter. Although Belleville was spared the disasters of the Newark riots, officials and citizens of the town were alert to the possibility of a spread of the lawless activity. All bars and package stores were ordered closed. The Police Department detailed 30 cars to patrol the town with not equipment.

Carpenters and electricians invaded the Town Hall to begin renovation of the building. According to Commissioner William Cullen, final plans for the \$30,000 renovation were expected to be approved without much difficulty. Most of the work was to include improvements on the large work office on the second floor across from the courtroom.

### Ten Years Ago

The Police Department acted quickly following an inauguration pledge made by Mayor Robert Laterza to drive the narcotics peddlars out of Belleville. Two alert detectives nabbed five youths in a car at Belleville Avenue and Smith Street and confiscated eight decks of heroin, a hypodermic needle, and other narcotics equipment. Two of the youths were juveniles and were released in the custody of their parents.

When the Town Council held its second

meeting, the new administrative code was expected to be one of the most important items on the agenda, but whether it would be ready for adoption was a matter of conjecture. Mayor Robert Laterza said that he hoped it would be ready by the time in such a lengthy document containing possible points of disagreement among the Councilmen that it was unlikely.

### Fifteen Years Ago

Air raid sirens sounded in Belleville and throughout the nation for a 90 minute period to signal participation in a Civil Defense exercise. Traffic was brought to a halt and pedestrians took cover. As part of "Operation Alert-1957," mock bombing raids were staged over a number of eastern cities and defense installations.

Gary Glass, son of Mr. and Mrs. Charles Glass of 30 Mt. Prospect Street, was chosen to play Bo Decker, the lead in the Theatre Encore production of "Bus Stop." Gary's show business career had begun when he was five years old when he was a member of a magicians act with his parents. After studying piano and graduating from Belleville High School, Gary started studies at the American Academy of Dramatic Arts and appeared in several productions at the American Shakespeare Festival in Stratford, Connecticut.

Chief of Police George Spatz warned that with few exceptions all New Jersey registered vehicles were required to display a valid number inspection sticker on their windshield. According to Spatz, those who did not display a sticker were subject to arrest.

### Twenty-Five Years Ago

Petitions demanding the recall of Public Safety Director Noll were being circulated in town. It was learned from a reliable source that many citizens were receiving the petitions through the mail.

A.D. Usery, Plant Superintendent of the Liquid Carbonic Corporation, stated that steps had been taken to eliminate the noises that had drawn the complaints of neighbors in the area. As a result of a survey made by a group of engineers from Chicago, two heavy silencers had been added to stop the noise charged to the plant's operations.

### Forty Years Ago

With a decision over Young Terry, the Trenton leatherpusher, dangling from his belt, Vince Dundee, pride of Belleville, was eager for a match which would place him as the middle-weight champion of the world. Max Waxman, manager of the Fairway Avenue boy, was negotiating for a meeting with either Mickey Walker, the titelholder, or Maral Thel, French middle-weight, who was claiming a right to the crown.

Representatives of three widely known bakery concerns which operated wagon routes in Belleville appeared at a Commission meeting to protest against the raising of the license for each route from \$4 to \$30 a year. The three concerns contended that such an increase was excessive.

### Fifty Years Ago

Ground was broken for the erection of a new factory by the Thomson Machine Company, the main building to contain 48,000 square feet.

Mr. and Mrs. Charles Collard of Floyd Street returned from several months' automobile trip through the Southern states.

## Where Does Lottery Money All End Up?

"What did they do with all the lottery money?" is one of the questions most frequently asked - and answered - in state government.

It's a good question, and since the lottery program represents one of the best bargains the citizens of New Jersey receive, it's a question we invite.

A detailed accounting of the expenditures of income from the lottery is contained in the budget for the 1972-73 fiscal year, but it is such a bulky and formidable-looking document that few people would attempt to wade through it.

Allocation of the funds has received some newspaper publicity, but apparently not enough since many requests for the information are still received.

Undoubtedly, many people had the impression that income from the lottery would result in tax reductions. To the extent that it helped prevent greater tax increases, this is so. But to be literally correct, it would be necessary that state expenditures be stopped at the level they reached two years ago. It would mean that no one receive salary increases, no matter how deserving; that there be no additional aid for our schools and colleges; no new highway programs; no further attempts to help our poor, our old, our infirm; no improvements in our prisons; no remedies for the pollution of our land and air and waters. We would even have to default on some of our obligations.

All of these things represent the legitimate demands our citizens have made on state government in the past several years, over and above what was previously being provided. And they are demands that we attempted to meet. We were able to use lottery funds for the demands of education and institutions, thus making regular state revenues available for the programs in the other vital areas of state government.

The unprecedented success of the state lottery in its first 2 1/2 years will have opened the doors to more than 44,000 New Jersey young men and women for college education - a significant accomplishment.

Nearly 25 cents of every 50-cent lottery ticket sold is being spent for education and state institutions. Almost the entire remainder goes directly back to the purchasers.

More precisely, on the basis of the number of 50-cent tickets sold since the lottery was launched on December 16, 1970, it has been calculated that gross receipts and interest earned by June 30, 1973 will have amounted to \$319.9 million.

During that 2 year period, net profits amounted to \$114.4 million. To the state and institutions will have totaled nearly \$151.4 million. While the law requires that a minimum of 30 per cent of gross lottery receipts go to the state, actual net profits to date have averaged 47 per cent.

Regulations require that 45 per cent of lottery receipts go back to the public in prize money and five per cent is distributed as commission to the agents who sell the tickets. These two items account for \$158.6 million in the 2 1/2-year period. The balance of only \$9.9 million will have been spent for administration, operating and promotional expenses.

The detailed accounting of these funds in the current budget shows that \$114.4 million in lottery funds has been allocated this fiscal year. This will provide for substantial increases in state aid to local school districts and private elementary and secondary schools. It will also be used for essential improvements in our state institutions for the retarded and mentally ill as well as for our correctional institutions.

Examples of these allocations are the \$34.2 million appropriated to finance the second phase of the Bateman school aid program which will help relieve hardpressed local property taxpayers. Also, \$10 million is provided to help non-public schools to keep operating in the face of mounting financial problems.

The \$114.4 million of lottery funds applied in this budget, breaks down to 81 separate allocations, which, of course, is too many to list here. However, this is available in pamphlet form, and will be sent to anyone requesting a copy.

## Title I Director Thanks Firemen

To the Editor:

On behalf of the faculty and students in the Belleville Remedial Instructional Program, I would like to take this opportunity to thank the Fire Dept. and its officers for the program they presented at School Number One on May 13.

The children enjoyed seeing the fire trucks and hearing about the fire-fighting techniques. I'm sure this experience will help to show each child that the fireman is his friend, and will always be there when he is needed. The Sparky coloring book will serve to remind them of this occasion.

Sincerely,  
Frank Carapezza  
Director - Title I

## Calculations Made It Clear Income Tax Would Have Hurt

NUTLEY'S POPULAR MARIO ZINICOLA of Zinicola Bakery fame is scheduled for an operation this week. He has been confined to Clara Maass Hospital building his energy to undergo the operation. I know all his friends join me in wishing Mario a successful operation and a speedy recovery.

MAYOR CARMEN ORECHIO visited his friends at Clara Maass Hospital this weekend and was surprised to be hailed by a voice coming from one of the private rooms. It turned out the voice belonged to St. Mary's Place's popular Jimmy Fusaro, a member of a pioneer Nutley family, who was a schoolmate of mine. Jimmy is at Clara Maass Hospital with a minor problem and is expected to be released soon.

DEMOCRAT CONGRESSMAN JOSEPH MINISH, whose district lines were changed to include Nutley and Belleville, was expected to have an easy time

of winning re-election this November. That is - before McGovern's Miami Convention. Students of political science believe that McGovern's candidacy has changed things around for Congressman Minish and the expected easy race that he was looking forward to in November could very well end up being a very, very tight race.

Former State Senator "Mickey" (Milton) Waldor is the Republican candidate against Minish. Waldor is an aggressive campaigner and could be expected to push Minish to the limit. Both Minish and Waldor are clean campaigners and anybody interested in learning campaign techniques should make every effort to join the campaign staff of Minish or Waldor. This contest will probably be the best fought Congressional campaign in the United States. It presents two of the best qualified men running for Congress in a district that can go either way simply because of the Nixon - McGovern fight.

by Frank A. Orechio

REV. GERARD WALSH, formerly with Nutley's St. Mary's Church, has written to tell me that the idea of becoming pastor of the church's West New York originated with him and not with the Archdiocese hierarchy.

Father Walsh is a very noble human being. And, his desire to help his fellow man is no surprise to anyone because this has been his total life.

Despite Father Walsh's indication that he asked for the pastore, Nutley people want him back in Nutley and it would seem to me to make a little bit of common sense for the Archdiocese superiors to have their ears cocked toward the direction of the grass roots. There are certain inalienable

parishioner rights-and one of those rights is to express affection, devotion and love of and for their spiritual leaders.

REVENUE AND FINANCE DIRECTOR BILL JERNICK is entitled to the thanks of the Public Safety Building and the pocketbooks of Nutley citizens. Bill Jernick's calculations made clear that adoption of the state income tax and related legislation would hurt every Nutley citizen. My hat off to Bill for his well-documented statistical analysis.

NUTLEY'S OFFICE OF CONSUMER PROTECTION DIRECTOR, BILL Callanan - believe it or not - has no private office as of this hour since the reorganization of the City Commission on Tuesday, May 9. Bill has a desk and chair on the second level of the Public Safety Building and a casual passer-by might mistake Bill Callanan for a sentinel waiting "at the ready" guarding the door to the Mayor's office and opposite it, the door to the ladies room - and all this service without air-conditioning. Mayor Carmen Orechio's office is so stifling hot, the humidity so unbearable, that it can't be used during 90-degree weather days.

STEVE SAMONA, Nutley's man about town, has been confined to a bed at Belleville's Clara Maass Hospital for the past ten days. It appears the sustained heat wave was too much for our Steve and as we go to press, our best information is that Steve will be obliged to spend another two weeks at Clara Maass. Steve's friends can send him a card in care of Clara Maass or use the telephone. His number is 560, 661-1000.

Commissioner William Jernick

Congressman Joseph Minish

Senator Milton Waldor

Representatives of three widely known bakery concerns which operated wagon routes in Belleville appeared at a Commission meeting to protest against the raising of the license for each route from \$4 to \$30 a year. The three concerns contended that such an increase was excessive.

### Fifty Years Ago

Ground was broken for the erection of a new factory by the Thomson Machine Company, the main building to contain 48,000 square feet.

Mr. and Mrs. Charles Collard of Floyd Street returned from several months' automobile trip through the Southern states.

## The Governor's VIEW

By Gov. William T. Cahill

### Where Does Lottery Money All End Up?

"What did they do with all the lottery money?" is one of the questions most frequently asked - and answered - in state government.

It's a good question, and since the lottery program represents one of the best bargains the citizens of New Jersey receive, it's a question we invite.

A detailed accounting of the expenditures of income from the lottery is contained in the budget for the 1972-73 fiscal year, but it is such a bulky and formidable-looking document that few people would attempt to wade through it.

Allocation of the funds has received some newspaper publicity, but apparently not enough since many requests for the information are still received.

Undoubtedly, many people had the impression that income from the lottery would result in tax reductions. To the extent that it helped prevent greater tax increases, this is so. But to be literally correct, it would be necessary that state expenditures be stopped at the level they reached two years ago. It would mean that no one receive salary increases, no matter how deserving; that there be no additional aid for our schools and colleges; no new highway programs; no further attempts to help our poor, our old, our infirm; no improvements in our prisons; no remedies for the pollution of our land and air and waters. We would even have to default on some of our obligations.

All of these things represent the legitimate demands our citizens have made on the state's resources. The past several years, over and above what was previously being provided, And we are demands that we've attempted to meet. We were able to use lottery funds for the demands of education and institutions, thus making regular state revenues available for the programs in the most vital areas of state government.

The unprecedented success of the state lottery in its first 26 years will have opened the doors to more than 44,000 New Jersey young men and women for college education - a significant accomplishment.

Nearly 25 cents of every 50-cent lottery ticket sold is being spent for education and state institutions. Almost the entire remainder goes directly back to the purchasers as prizes.

More precisely, on the basis of the number of 50-cent tickets sold since the lottery was launched on December 16, 1970, it has been calculated that gross receipts and interest earned by June 30, 1973 will have amounted to \$319.9 million.

During that 2 year period, net profits turned over to the state for aid to education and institutions will have totaled nearly \$151.4 million. While the law requires that a minimum of 30 per cent of gross lottery receipts go to the state, actual net profits to date have averaged 47 per cent.

Regulations require that 45 per cent of lottery receipts go back to the public in prize money and five per cent is distributed as commission to the agents who sell the tickets. These two items account for \$158.6 million in the 2½-year period. The balance of only \$99 million will have been spent for administration, operating and promotional expenses.

The detailed accounting of these funds in the current budget shows that \$111.4 million in lottery funds has been allocated this fiscal year. This will provide for substantial increases in state aid to local school districts and private elementary and secondary schools. It will also be used for essential improvements in our state institutions for the retarded and mentally ill as well as for our correctional institutions.

Examples of these allocations - are the \$34.2 million appropriated to finance the second phase of the Bateman school aid program which will help relieve the increased local property taxpayers. Also, \$10 million is provided to help non-public schools to keep operating in the face of mounting financial problems.

The \$111.4 million of lottery funds applied in this budget breaks down to 81 separate allocations, which, of course, is too many to list here. However, this is available in pamphlet form, and will be sent to anyone requesting a copy.

## Title I Director Thanks Firemen

To the Editor:

On behalf of the faculty and students in the Belleville Remedial Instructional Program, I would like to take this opportunity to thank the Fire Dept. and its officers for the program they presented at School Number One on May 13.

The children enjoyed seeing the fire trucks and hearing about the fire-fighting techniques. I'm sure this experience will help to show each one that the fireman is his friend, and will always be there when he is needed. The Sparky coloring book will serve to remind them of this occasion.

Sincerely,  
Frank Carapezza  
Director, Title I

by Frank A. Orechio

REV. ERARD WALSH, formerly with Nutley's Mary's Church, has written to tell me that he idea of becoming pastor of the church in West New York originated with him as not with the Archdiocese hierarchy.

Father Walsh is a very noble human being. And, his wife to help his fellow man is no surprise anyone because this has been his total life.

Despite Father Walsh's indication that he asked for the pastore, Nutley people want him back in Nutley and it would seem to me the children in most U.S. states, even when he has obviously been the more responsible parent.

parishioner rights-and one of those rights is to express affection, devotion and love of and for their spiritual leaders.

REVENUE AND FINANCE DIRECTOR BILL JERNICK is entitled to the thanks of the Nutley community for his analysis of the Cahill tax package's effect upon the pocketbooks of Nutley citizens. Bill Jernick's calculations made clear that adoption of the state income tax and related legislation would hurt every Nutley citizen. My hat off to Bill for his well-documented statistical analysis.

NUTLEY'S OFFICE OF CONSUMER PROTECTION DIRECTOR, Bill Callanan - believe it or not - has no private office as of this hour since the reorganization of the City Commission on Tuesday, May 9. Bill has a desk and chair on the second level of the Public Safety Building and a casual passer-by might mistake Bill Callanan for a sentinel waiting "at the ready" guarding the door to the Mayor's office and opposite it, the door to the ladies room - and all this service without accreditation. Mayor Carmen Orechio's office is so stifling hot, the humidity so unbearable, that it can't be used during 90-degree weather days.

STEVE SAMONA, Nutley's man about town, has been confined to a bed at Belleville's Clara Maass Hospital for the past ten days. It appears the sustained heat wave was too much for our Steve and as we go to press, our best information is that Steve will be obliged to spend another two weeks at Clara Maass. Steve's friends can send him a card in care of Clara Maass or use the telephone. His number is 360, 661-1000.

## Calculations Made It Clear Income Tax Would Have Hurt

NUTLEY'S POPULAR MARIO ZINCOLA of Zincola Bakery fame is scheduled for an operation this week. He has been confined to Clara Maass Hospital building his energy to undergo the operation. I know all his friends join me in wishing Mario a successful operation and a speedy recovery.

MAYOR CARMEN ORECHIO visited his friends at Clara Maass Hospital this weekend and was surprised to be hailed by a voice coming from one of the private rooms. It turned out the voice belonged to St. Mary's Place's popular Jimmy Fusaro, a member of a pioneer Nutley family, who was a schoolmate of mine. Jimmy is at Clara Maass Hospital with a minor problem and is expected to be released soon.

DEMOCRAT CONGRESSMAN JOSEPH MINISH, whose district lines were changed to include Nutley and Belleville, was expected to have an easy time

of winning re-election this November. That is - before McGovern's Miami Convention. Students of political science believe that McGovern's candidacy has changed things around for Congressman Minish and the expected easy race that he was looking forward to in November could very well end up being a very, very tight race.

Former State Senator "Mickey" (Milton) Waldor is the Republican candidate against Minish. Waldor is an aggressive campaigner and could be expected to push Minish to the limit. Both Minish and Waldor are, clean campaigners and anybody interested in learning campaign techniques should make every effort to join the campaign staff of Minish or Waldor. This contest will probably be the best fought Congressional campaign in the United States. It presents two of the best qualified men running for Congress in a district that can go either way simply because of the Nixon - McGovern fight.

Congressman Joseph Minish

Senator Milton Waldor

Commissioner William Jernick

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Local Couple Renews Vows On Anniversary

On Sunday, July 9, in honor of their 25th wedding anniversary, Mr. and Mrs. Edward Cypolinski of Springer Street, renewed their marriage vows at Christ Episcopal Church. The Rev. Dr. Frederick Long performed the ceremony.

A coffee hour for the parishioners and guests followed in the undercroft of the church.

Their daughters, Mrs. David Bundas of Newark, Delaware, and Miss Lynn Cypolinski and Mrs. Cypolinski's mother, Mrs. William Reilly of Nutley hosted a surprise family dinner party at Thomm's Restaurant, Newark. The guests included Mr. Bundas, their son-in-law; Harold Brennan of Parlin, N.J. and Mrs. Everett Baumer, Lakewood, and Mrs. Howard New and Messrs. Bruce and Paul New of Bloomfield, Mrs. Fred Weigmann, Belleville, and Mr. and Mrs. Gordon Wieseman, Carteret, and Mr.

## Iannuzzi-Licameli Nuptials Held In Holy Family Church

Miss Patricia Licameli, daughter of Mr. and Mrs. Michael Licameli of 159 Joramelon Street and Raymond Iannuzzi Jr., son of Mr.

and Mrs. Raymond Iannuzzi of 79 Floyd Street were married June 24 at Holy Family Church, Nutley.

The nuptial mass was celebrated by the Rev. Robert Cozzini and a reception followed at San Carlo, Lyndhurst.

Escorted by her father, the bride wore a beau de soie gown covered with Alencon lace. Lace leaves trimmed with pearls decorated the bodice and the train was also applied with lace. An Egyptian style headpiece held her veil and she carried white roses, stephanotis and babies breath.

Miss Louise Licameli of Belleville was her sister's maid of honor. Bridesmaids included another sister, Miss Anne Michele Licameli, Mrs. Joyce Russomano, sister of the groom, Miss Janet Pezzutti and Miss Janice Scheumeister. Miss Marylou and Judith Ann Petrozelli, cousins of the bride, were junior bridesmaid and flower girl respectively.

The attendants' dotted Swiss gowns were in rainbow colors of mint green, yellow, lavender, blue, pink and orchid. They wore picture hats and carried pastel colored daisies, white carnations and babies breath.

Vincent Iannuzzi served his brother as best man. Ushering were Herbert Iannuzzi, cousin of the groom, Vincent Tiriello, Ben Abbuzzo, Michael Santasari and Michael Licameli, brother of the bride who also served as altar boy during the mass. Ringbearer was the bride's cousin, Mauro Terone.

Mrs. Licameli chose an off white coat and dress ensemble trimmed with bead clusters and an orange tea rose corsage. The groom's mother was in a blue chiffon gown with beaded bodice and a pink rose corsage.

Mrs. Iannuzzi, a graduate of Good Counsel High School, received her degree in elementary education from Felician College, Lodi.

Mr. Iannuzzi, an alumnus of Essex Catholic High School and Seton Hall University, is completing his last course for his masters degree in physical education.

The couple are on an extended European honeymoon and will live in Belleville.

Trackless Transit Again, Resumes Essex Service

Transportation Commissioner John C. Kohl today announced the resumption of bus service by Trackless Transit and Mountain Coaches, Inc., in Essex County. Service will resume as soon as buses can be made ready for operation.

## Mr. and Mrs. R. S. Doeringer Honeymooning In Bermuda

Church of the Little Flower, Berkeley Heights, was the setting July 15 for the marriage of Miss Cindy Ann Cuomo, daughter of Mr. and Mrs. Thomas A. Cuomo of Berkeley Heights to Richard Shalcross Doeringer, son of Mr. and Mrs. Russell C. Doeringer of Mountaineer.

The Rev. Kevin Ashe performed the ceremony which was followed by a reception at Chantier, Millburn.

Escorted by her father, the bride wore a candlelight gown of silk organza with a bodice of lace and pearls and long full sleeves. Her headpiece was a lace mantilla and she carried a bouquet of white roses and stephanotis with a rose for each mother in her bouquet.

Miss Faith Ann DeLuca of Berkeley Heights was maid of honor. Bridesmaids included the groom's sister-in-law, Mrs. Lisa Doeringer, Miss Stephanie Ann Meyer and the bride's cousin, Miss Donna Torsiello. Claire Bouton Donnelly of Anderson, South Carolina was flower girl.

All were attired in gowns of wildflower print and carried bouquets of wild flowers.

Paul Doeringer served his brother as best man. Ushering were another brother, Dr. Russell Doeringer, Robert Karwaski and Vincent Dimiceli. Chris Cuomo of Phillipsburg, cousin of the bride, was ringbearer.

Mrs. Doeringer, is a sophomore and Mr. Doeringer a junior at Kentucky Wesleyan College where she is majoring in elementary education and he in business administration. Mr. Doeringer's fraternity is Sigma Alpha Mu.

The couple are honeymooning at Elbow Beach, Bermuda and will live in Owensboro, Kentucky.

## Aphids Sap Plant Vigor

Curled or crinkled leaves, stunted, yellowed plants are all signs that aphids may be sapping the vigor of tomatoes, peppers, beans, melons, or most any other vegetable plant, according to William F. Munk, senior county agricultural agent of Essex County.

If close inspection of plants reveals tiny black, green or pink insects, control is necessary since delay may result in the death of the plants.

## Timely Advice For Recent Brides

Roland H. Nash, Jr., District Director of Internal Revenue, has some timely advice for recent brides.

Mr. Nash says, "Visit your local Social Security Administration Office and ask to have a social security card issued in your new name. This is particularly important if you worked and filed income tax returns before your marriage."

The same advice should be followed by divorcees who resume the use of their maiden names or by any taxpayer whose last name has been changed.

Income tax returns are identified by a combination of social security number and the first four letters of a taxpayer's last name. Whenever a name and number do not match, Internal Revenue asks both the taxpayer and Social Security Administration for correction and verification. Tax returns cannot be processed and refunds cannot be issued until this verification has been completed.

Taxpayers retain the same social security number from birth to death, regardless of the number of times their names are changed.

The 1971 tax refunds of nearly 20,000 New Jersey residents were delayed because of errors in social security numbers reported on Federal tax returns. A large percentage of these errors were made by brides who neglected to have their names changed on Social Security records.

Raymond Iannuzzi Jr. - nee Patricia Licameli

## colyn Marie Rudko Wed Harry Conway

and Mrs. William of Elizabeth announce engagement of their daughter, Carolyn Marie to Robert Conway, Jr., son of Mr. and Mrs. Conway, 35 DeWitt Avenue.

The bride to be is a graduate of Berkeley

Secretarial School, East Orange. She is a secretary for the assistant personnel director of the Great Atlantic & Pacific Tea Co., Newark Division.

Her fiancé attended Essex County College, Newark. He is also employed by The Great Atlantic & Pacific Tea Co., Paterson Division.

A June 30th wedding is planned.

Mrs. Carolyn Rudko

Combat Deaths Down Saigon—The U.S. command in South Vietnam has announced that American combat deaths, since the first of this year, have been reduced to less than 15 percent of the total for the comparable period last year.

Mrs. Richard Doeringer

There're times when the price to be paid for making money isn't worth it.

## Diane Carissimo Wins Good Citizenship Medal

Diane M. Carissimo, daughter of Mr. and Mrs. Raymond Carissimo of Belleville, was awarded the 1972 DAR Good Citizenship Medal at Holy Family School. Diane received her award during the Eighth Grade Graduation Mass at Holy Family Church on Thursday evening, June 15th.

The Good Citizenship Medal may be awarded to the boy or girl who has outstandingly demonstrated the qualities of honor, service, courage, leadership and patriotism. It is given in schools nationwide and is a project of the National Defense Committee of the National Society of the American Revolution. The schools select their own recipient by whatever method they choose. The medals are given, not in the sense of a prize, but as a recognition of efforts put forth by the young people in the field of American Citizenship. Diane's medal was provided by Yanticaw Chapter DAR of Nutley.

At graduation, Diane received First Honors scholastically. She enjoys sports, singing, music and especially cheering. She will attend Belleville High School in the Fall.

Miss Diane Carissimo

## Stork Club

Steven W. Kyzima

A first child, a son, Steven Walter was born to Mr. and Mrs. Walter Kyzima Jr. of 261 Rutgers Place, June 9 at Clara Maass Memorial Hospital. Birth weight was 8 pounds, 3 ounces. Mrs. Kyzima is the former Patricia Bevere daughter of Mr. and Mrs. Bevere of Nutley. Mr. Kyzima Sr. of Woodbridge is in the Army stationed in Germany.

Nancy D. Petrick  
A second child, a daughter, Nancy, Dawn was born to Mr. and Mrs. Thomas Petrick of 15 Duncan Place, June 10 at Clara Maass Memorial Hospital. Birth weight was 7 pounds, 3 ounces. She joins Mark, 10. Mrs. Petrick is the former Eleanor Woods daughter of Mr. and Mrs. John P. Woods of Nutley. Mr. Petrick son of Mrs. Josephine Petrick of Nutley is an operations officer with First National City Bank, New York City.

## Brownie Troop 486 Winds Up A Big Year

Brownie Troop 486 of Greylock School Number 5, wound up a highly active year last month after setting records for candy sales, charity collections and troop excursions.

A highlight of the year was the troop's first mother-daughter dinner, held in Thomm's Restaurant, Newark, May 23. Mrs. Anne Bridge is troop leader.

The troop also saw the special Easter play at Paper Mill Playhouse, Millburn, shot archery at Butts' N Bows in Belleville, and had a bowling outing at Brunswick Lanes, Belleville. The cost of the activities was paid from proceeds of a hugely successful candy sale at the beginning of the year, Mrs. Bridge said.

The troop began its year last September by accepting as new Brownies, Lori Ann Racioppi and Suzanne Stetz. Miss Janice Kleiner, third grade teacher at School 5 was made an "honorary Brownie."

The first year girls' first assignment was to make "sit ups," and "dunking bags," which were used at later activities. The entire troop later made special Christmas gifts for their parents-individually decorated dinner plates for hanging on the wall which were manufactured in Texas after the girls completed their individual designs.

On February 15, the Brownies put special embroidered edging on hankies as Valentine Day gifts for their mothers. During that month, the girls collected 120 bars of soap for donation to St. Joseph's Home for the Blind, Jersey City. The troop collected the third highest number of soap bars in Belleville.

Troop 486 was first in the amount of money collected for the Juliet Low fund when it turned in \$23. Soap and Juliet Low collections were presented at the Girl Scout Birthday Party in the Junior High School April 18.

The Mother-Daughter dinner was held May 23 in Thomm's. Each mother received a corsage specially tinted in the Brownie colors. The flowers were donated by Pannella Florist of Newark. Mrs. Angela Brower was chairman of the event.

Thomm's donated the centerpiece for the tables and a large cake which was served as dessert. Mrs. Millie Tippy, Brownie consultant for Belleville, was guest of honor at the dinner.

In March the troop held its first "visitation" meeting, designed to familiarize first graders and encourage them to join Brownies the following year. The visitation is a requirement for the troop to receive its piper award.

On June 3, the girls attended the Brownie Playday in Riverbank Park, Lyndhurst, and then held its own picnic on the school grounds on June 6. Piper patches and attendance and uniform awards were presented at the picnic. Rebecca Bridge received the attendance award and Dawn Kolbush the uniform award.

Mrs. Isadore Padula produced a troop poster that was displayed during Girl Scout week, March 12 through March 18. Other troop posters were also displayed in local stores. The

merchants that agreed to display the signs were: The Glass Co., The Boston Store, I-Hot's Drug Store, all on Washington Avenue.

Mrs. Padula also provided the decorations for the "bridging ceremonies" held March 28, and for the Brownie "Flyup" held at the last meeting of the year. The "bridging" was held with Junior Girl Scout Troop 710 with Mrs. Julie Polito as leader.

Eight Brownies "flew up" to the Girl Scouts in the ceremonies held in the school at the last troop meeting. Mrs. Joseph Zarras, assistant leader of Troop 906 accepted the new girls. She was assisted by Mrs. Paul Goris. Mrs. Bridge helped the girls fly across a specially-constructed bridge. At mid-point, Junior Troop Patrol leaders Cathleen Callahan, Lou Ann Graffeo, Andrea Goris and Denise Zarras took the girls by the hand to the troop leader.

The Brownies who graduated to the next step in scouting were Rebecca Bridge, Dawn Kolbush, Sharon Callahan, Patricia Thornton, Michele Sirni, Kathleen Brower, Sandra Nardone and Donna Domrowski.

Refreshments served at the event included three cakes shaped in the numbers "486" and decorated in brown frosting with orange lettering the Brownie colors. The girls were awarded their Troop pins and Brownie wings at the flyup.

The troop 486 girls each wrote a description of the year's activities which were submitted to the Brownie Reader for publication.

In addition to the above described activities, Troop 486 during the year also marched in the Cherry Blossom Parade April 23; learned to mend socks so they could assist their mothers in such chores; made pencil holders as Father's Day gifts and constructed special artificial flower plantings for Mothers Day.

## Odyssey House Given Donation By League

The League for the Handicapped has presented a \$300 donation to Odyssey House, a national drug-free therapeutic community for the treatment of drug addiction which has a residential facility at 61 Lincoln Park, Newark.

Mrs. Catherine Kubiuk, president of the 75-member League, formerly known as the Sister Kenney Polio Foundation, in making the presentation said: "We singled out Odyssey House for this donation because we know of the fine work it is doing in rehabilitating those residents of Essex County and New Jersey who are addicted to drugs." The League has headquarters at 410 Prospect Street.

Odyssey House, which relies primarily on private contributions, also operates facilities in New York, New Hampshire, Michigan, Connecticut, Utah, as well as New Jersey.

A thin rarely pays any attention to the moral principles of his victim.

## Mrs. Diane Palmer Is Promoted At Clara Maass

Mrs. Diane Palmer, R.N. was appointed Assistant Director of Nursing Services at Clara Maass Memorial Hospital Belleville by Mrs. Nancy Mastello, Director of Nursing Services recently.

Mrs. Palmer is a graduate of Columbia University, Department of Nursing, Faculty of Medicine, New York City. Prior to her appointment as Assistant Director, Mrs. Palmer served in the Emergency and Pediatric Departments of Clara Maass Memorial Hospital.

Mrs. Palmer has been an active member of the American Cancer Society and served as their chairlady for four years.

The former Diane Cerone, she lives with her husband, Victor and their two children Kim, 12 and Mark, 10 in Glen Ridge.

## Six Local Residents At Capitol Convention

Six members of the American Association of Retired Persons from Belleville and Nutley have returned home after attending the group's biennial convention in Washington, D.C.

They are Mr. and Mrs. Frank Wolenski, Mrs. Elsie Kessels, Mrs. Elizabeth McCann and Mrs. Margaret Wasyke, all of Belleville and

## Linda Miller On Dean's List At College

Miss Linda Miller of Belleville has been named to the Dean's List at Keuka College for the 1971-72 academic year.

She is a member of the class of 1972. Students must earn a 3.1 grade point average on a 4.0 scale for courses taken throughout the year, and carry a full class load to be listed.

Miss Miller is the daughter of Mr. and Mrs. William Miller, 51 Campbell Avenue. Keuka is a private four-year college for women located on Keuka Lake in the Finger Lakes region of New York.

Tombrock College, Names New Admissions Director

Sister Rose Claire Gonzalez, president of Tombrock College, has announced the appointment of Mrs. Mary F. Mansey to the position of director of admissions.

Mrs. Mansey will now serve the college in the dual capacity of registrar-director of admissions.

## Firemen's Post, Auxiliary Earn First Place For Press Book

Firemen's Post No. 1851 and their Ladies Auxiliary, Veterans of Foreign Wars, report that their Press Book entered into State competition, was awarded first place citation and check. The check, returned to the units' treasury, will be disbursed to benefit three "Fresh Air Funds" by Evening News, Worrall Publications and The Nutley Sun.

The award was given through the cooperation of the local newspapers, and so will be donated to the newspapers' annual Fresh Air Fund Drives to help needy children. For excellence in reporting Rehabilitation Activities, Mrs. Henry Gottschalk, East Orange was awarded a travel alarm clock, with engraved plaque attached.

The Community Activities Recordbook of Firemen's V.F.W. Post and Ladies Auxiliary also took first place Statewide, and Past Commander, Robert E. Wallace, Wallington and Past President, Mrs. P. Russell Oliver, Newark, hopes that it will score well in V.F.W. National competition. Most popular activities are projects related to government, health, safety and recreational facilities for young persons, assistance to schools and churches, by aiding the needy, fund raising for civic causes, and providing aid and services for veterans and their dependents.

As a direct result of a recent bus ride and day at the races at Monmouth Park, Oceanport, the units were able to donate a check to the Vahsburg First Aid and Ambulance Squad, Newark.

Father John Judge

## Father Judge New Chaplain At Mountainside

The Mountainside Hospital announces that Father G. Judge has been named its new Catholic Chaplain. Assigned to Mountainside by the Archdiocese of Newark, Father Judge most recently served as Assistant Pastor at Our Lady of Lourdes parish in West Orange.

Mountainside's Chaplaincy Program encompasses the services of both a Protestant and a Roman Catholic chaplain. Father Judge will be working in conjunction with the Reverend Donald H. Allen, Protestant chaplain, to provide pastoral care for both patients and employees at the Hospital. The Reverend Allen's services are administered by the Protestant Chaplaincy Council of Montclair. Together, Father Judge and the Reverend Allen work in close liaison with area clergymen of all faiths.

Father Judge is a graduate of Seton Hall Preparatory School and Seton Hall University, with a degree in theology from Immaculate Conception Seminary in Darlington, New Jersey. He is currently enrolled in the graduate program in psychology at Seton Hall University. From 1969-1972, he served as Catholic Chaplain at Montclair Community Hospital.

Father Judge succeeds Father John P. Brady who has been assigned to Bergen Pines Hospital in Paramus.

CONGRATULATIONS- Maude Ziegler of Adelside Street recently celebrated 35 years with United Hospitals of Newark. Mrs. Ziegler is the Hospital's chief nurse anesthetist. Congratulating her during the Hospital's 18th Annual Service Awards Luncheon is (left) Robert P. Hazlehurst Jr., president of the Board of Trustees and Peter R. Haviland, Director of United Hospitals.

FOR SERVICE- Lorraine Tourian, LPN, of Union Avenue recently celebrated 20 years with United Hospitals Orthopedic Center. Miss Tourian is shown receiving congratulations from Peter R. Haviland, Director of United Hospitals, during the 13th Annual Service Award Luncheon.

SHOPPING SPREE- Belleville residents, Mr. and Mrs. Louis Delisio (third left) of 21 Sanford Avenue enjoy a shopping spree in Nassau's colorful straw market with other visitors on the Goombay Summer vacation. Left to right: Mr. and Mrs. Hy Rabinowitz of Bayside, New York, Mr. and Mrs. Paul Koerner of Bronx, New York, Mr. and Mrs. Delisio, Mr. and Mrs. Steve Rockman of Monsey, New York and Mr. and Mrs. John Giedeman of Monsey, New York. They were all guests at the oceanfront Nassau Beach Hotel. The colorful shirts and other bonuses were part of the program during their one week visit to the Bahamas capital.

African Exhibition Spots Museum Events  
"People of African Angola," an exhibition of photographs by Jorge Guerra, opens in the Community Gallery of the Newark Museum, 49 Washington Street on July 22, continuing through September. Mr. Guerra, both a photographer and filmmaker, has had exhibitions in London, Montreal and New York. His "Angola Series" was made in 1961, when his sympathies were aroused by the plight of the native Africans. Using special techniques, he worked to achieve a grain quality relating to the dramatic nature of his subject.

## You And Your Pet Healthy Skin and Haircoat With Care and Judgement

By Raymond Minor DVM

The ancestors of today's household dogs and cats were hunters. Through their prey, they were richly supplied with vitamins and minerals.

They naturally were well exercised and received a great deal of sunlight, and they supplemented their diet with a few green leaves. So long as food was plentiful, the vigor and health of the hunters were reflected in their rich, lustrous and healthy haircoat.

Today's pet, living with thousands of other dogs and cats in our cities, encounters many hazards that were unknown - or presented a lesser problem - to their ancestors.

These include intensified concentrations of parasites, dietary deficiencies, restricted exercise, and even artificial heating and cooling in their homes and kennels.

However, with good care and judgement, your pet can still have a healthy skin and haircoat.

Because of the number and complexity of conditions that affect the health of your dog or cat, regularly scheduled examinations by your veterinarian are important to your pet. Professional examinations will often reveal problems which could become serious if neglected.

Many skin conditions appear similar, but have different causes. Indiscriminate treatment wastes time and may even be harmful.

External and internal parasites, dietary deficiencies and hormonal imbalances are among the more common causes of haircoat and skin problems.

Fleas, lice, ticks and various kinds of mange mites live on or near the skin. They cause severe itching, inflammation, poor health and even death.

Internal parasites, such as roundworms, tapeworms and hookworms, may also result in haircoat problems.

Skin afflictions and rough, dull haircoats may result from conditions such as anemia, vitamin or fatty acid deficiencies, and overfeeding of protein and carbohydrates.

Your veterinarian's examination may reveal the need to change the diet, to supplement it with minerals or vitamins, or to increase the supply and absorption of fatty acids.

Scaliness is only one of many causes of alopecia (loss of hair).

Dry, scaly, thickened skin and even the loss of hair may result from an underactive thyroid, tumors or malfunctioning pituitary and adrenal glands.

Other causes of skin and haircoat problems include

## Crabapple Scab Running Rampant

Many ornamental apple trees or crabapples have lost most of their leaves due to a fungus disease called scab. The excessively wet weather we've had this spring and summer has been ideal for the rampantly spreading fungus.

Homeowners who have experienced the battle of scab before and started spraying with a fungicide in early spring should have control of the disease, says William F. Munk, senior county agricultural agent of Essex County.

However, homeowners whose trees are now shamefully naked can do nothing until new growth appears again this year.

# Newark College Of Engineering Graduates

Rocco Palmieri Jr.

John A. Cernero

Michael A. Maglio

At its 56th commencement exercise, held Friday morning, June 2, Newark College of Engineering awarded degrees to 850 candidates taking part in the ceremony. Those receiving academic degrees from this area were:

Robert B. Boxer, 35 Division Avenue, Belleville received a Bachelor of Science in Civil Engineering.

Son of Mr. and Mrs. Raymond Boxer, he was a member of Tau Delta Phi Fraternity and the Interfraternity Council Treasurer. The former Belleville High School graduate will continue to work for his Masters degree in Transportation Engineering. He is currently employed by Edwards & Kelcey Consultants.

Carl J. Bressan, son of Mr. and Mrs. Renato Bressan, of 109 Malone Avenue, Belleville graduated as a Civil Engineer.

He was a member of the Tau Kappa Epsilon Fraternity. Within the fraternity he served as Pledge Committee Chairman, Fraternal Committee Chairman, and Finance Committee Chairman.

He was also an active participant in all athletic activities sponsored by the fraternity.

John Angelo Cernero also received a degree in Civil Engineering. His major course of study was Civil and Environmental Engineering.

Resident of 14 Mitchell Street, Belleville, he was active in Tau Delta Phi Fraternity as Historian. He also participated in the Scuba Club, Intramural Sports and the Pentecost Students Fellowship.

He graduated from Belleville High School where he was active in football, crew, track, wrestling, and Key Club.

Joseph Nicholas Chiapinelli, son of Mrs. Ann Chiapinelli graduated with a BS in Electrical Engineering.

Chiapinelli was a dean's list student for three years.

He was a member of Tau Epsilon Phi Fraternity.

He formerly attended Essex Catholic High School where he was active in Radio Club, Sports and the Honor Society.

Resident of 76 Bremont Street, he will be employed by

Public Service Gas & Electric Utility.

Chiapinelli plans to be married in July to Kathy Kapchus of West Caldwell, New Jersey.

Michael Anthony Maglio, 87 Frederick Street, Belleville graduated with a Bachelor of Science in Mechanical Engineering.

Son of Mr. and Mrs. Michael Maglio Sr. he was twice named to the dean's list.

## Messina Participates In Stevens Program

Seven Essex County residents are participating in a six-week program in college mathematics and computer programming for high ability high school students at Stevens Institute of Technology.

Residents from Belleville include Donald Messina, 91 Cedar Hill Avenue, the son of Mr. and Mrs. Dominic Messina, and a senior at Belleville High School.

They are among the 71 students selected from applicants from high schools throughout the country to take part in the program. The program began June 25 and

A 1968 Belleville graduate, he was captain of the varsity crew team, and a member of the Key Club.

He plans to resume studies in the fall at Newark College of Engineering's graduate division.

Harold Kenneth Maltz, 41 Race Street, Belleville was awarded his Master of Science in Civil Engineering. He formerly held his BS in Civil Engineering. His major

interest is Transportation Engineering.

He was a member of Chi Epsilon, Civil Engineering National Honor Society.

Maltz is presently employed as a Civil Engineer with the firm of Edwards &

Kelcey, Newark. He plans to pursue studies in Business Administration in his part time.

Rocco Palmieri, Jr. 48 Heckel Street, Belleville was awarded his BS in Civil Engineering.

## In Medicine

## He Receives Doctor Degree

Philip High Maguire, son of Mrs. Grace Maguire of 8 Lloyd Place, Belleville, became a doctor of medicine at Cornell University Medical College in New York City. He will spend the next year serving as an intern at Milton S. Hershey Medical Center in Hershey, Pennsylvania. Dr. Maguire, who is a graduate of St. Benedict's High School and St. Peter's College, is married to the former Willie McCafferty, of Kearny.

Ninety-one graduating seniors received the M.D. degrees at the 75th com-

mencement of the Medical college, which was held on the lawn of the New York Hospital-Cornell Medical Center in the presence of more than 1,000 persons. Mr. Dale R. Corson, President of Cornell University, conferred the degrees at the May 31 exercises. Since its founding, the Medical College has graduated 4,880 physicians.

Dr. Maguire hopes in the future to enter into a family practice.

## Jersey City Commences 7 Locally

Residents of Belleville received undergraduate degrees from Jersey City State College on May 14. The commencement exercises were held in Roosevelt Stadium.

Among those to receive degrees were:

Bernadette Warnke, 7 Rutgers Court, Belleville received her BA from the School of Nursing and Health Education.

She is also a graduate of Saint Michael's Hospital school of Nursing in Newark.

The former Bloomfield High School graduate is currently employed at Saint Barnabas Medical Center in Livingston, New Jersey in the Coronary Care Unit.

Philip Maguire

## Pharmacy Footnotes

Vincent Cozzarelli  
Reg. Ph.

Many thousands of people each year die by fire. Most of these deaths are the result of carelessness, however, and could have been prevented. Here are some safety rules that it is only common sense to follow: 1. Avoid smoking in bed, or when sleepy, or when lying down; 2. Always check a match in half before throwing it away; 3. Keep matches in covered containers and out of the reach of children; 4. Always carry a fire extinguisher in your home; 5. Avoid carrying loose matches in clothing.

When you have a prescription that needs to be filled it makes sense to bring it to the pharmacists at ROSSMORE PHARMACY, 338 Washington Ave., 759-1948, 759-1956, where they always receive quick attention. Hours: 9 am - 10 PM daily, 9 am - 9 pm Sundays. Sale and rental of unscented pads and we give free delivery service.

## HELPFUL HINT:

Be sure that every live cigarette or cigar butt is completely out before discarding.

Unfortunately the world isn't interested in good excuses.

## Dean Honors Eunice Beers

Robert F. Carberry, Dean of Academic Affairs at Flagler College, has announced that Miss Eunice L. Beers, daughter of the H.L. Beers, 275 DeWitt Avenue, Belleville, is on the dean's list for the Spring term of the 1971-72 academic year.

Miss Beers, who has completed her fourth year at Flagler College, is to be congratulated on this academic achievement. She was graduated in May with a Bachelor of Arts degree. Flagler is a small four-year co-educational liberal arts college located in historic St. Augustine, Fla.

## Linda Miller Now Nurse

Linda Miller of 51 Campbell Avenue, Belleville, was graduated on June 11 from Keuka College, N.Y., and received her bachelor of science degree in nursing. She also was named to the dean's list and was graduated with honors in the nursing department.

Miss Miller has been a member of the Navy Nurse Corps since her sophomore year and was commissioned as ensign in January of this year. She was home until July 3 and then reported for basic training at Newport, R.I., for six weeks. Her tour of duty will begin at Camp Lefebvre, N.C.

Linda Miller

## Young Republicans Rap Income Tax Plan

Terminating a state income tax, "a blank check for the special interests," an Essex Young Republican task force claimed yesterday existing taxes can finance property tax relief for the state's big cities. "Much state and federal aid to cities has been used to create add-on, make-work projects," said task force co-chairman David B. Ford. "Rechanneling this money directly to the cities' budgets for the sole purpose of reducing property taxes would accomplish true reform without creating a new, open-ended tax that will surely snowball."

Newark has gained \$385 million in federal and state aid in the past two years, Ford noted. "If only a quarter of that were applied to reduce property taxes instead of funding ineffective projects apparently intended to create jobs with which to buy off radicals and build a new political machine—Newark's tax rate would be reduced by more than a third."

Ford, an Assembly candidate last year and chairman of the Verona Young Republicans, termed the statement in "interim report" timed to coincide with the Assembly meeting this week to consider the income tax proposal.

"An income tax would be

expensive to collect and expensive to administer," Ford said. "Much of the money would be skimmed off to pay for the new bureaucracies that would be created to shuffle funds from one level of government to another."

There's no way to accurately predict how people will vote, Ford said.

## Gerald Ferrara, Mrs. McCarthy

## 2 Belleville Residents Named To GOP Advisory Committee

A broad-based Campaign Advisory Committee, comprised of Republican leaders representing all facets of Essex County politics, has been appointed by GOP County Chairman George M. Wallhauser Jr.

In Belleville, the municipal chairman is Gerald Ferrara and the vice chairlady is Mrs. Nancy McCarthy.

Louis Cohen, Hon. William Grant, Hon. C. Stewart Hausmann, Philip Insabella, Nicholas Joya, Hon. John Kinder, Leo Koslowski, Robert Latero, Hon. Marie Maibert, Hon. Hyman Mintz, Hon. David Dowd, Hon. Robert Sarcone, Donald

Scott, Hon. Kenneth Welch, Hon. George M. Wallhauser, Sr., Hon. Robert W. Kean, Jane Burgio, Ruth Stevenson, Goldfarb, who has stated that he will manage a "people oriented" campaign said, "This advisory group is representative of all facets of

the Essex Republican Party. The members of the committee are experienced in winning campaign efforts. They will function in close concert with our campaign committee which will be comprised of representatives from all 23 municipalities."

## Now Pathmark's Mark of Value helps you be an even better shopper.

### Pathmark Reminder

A regular, round-the-clock Pathmark price. A reminder box for you to checkmark if you need the item that week. With these boxes, every Pathmark Value Planner and newspaper ad serves as your handy, weekly shopping list.

### Price Reduction

We checkmarked it. To make certain you don't miss any extra savings that come along. When a manufacturer runs a special, we want you to benefit. And you will. Every time you see this checkmark.

### Budget Helper

Double checkmarked because it points out your budget helper in a particular category. For instance, if beef prices go sky-high, we'll remind you of our USDA Grade A whole 2 1/2 lb. pound fryers. Good eating and good value.

Making ends meet is tough today. We at Pathmark know that as surely as you do. Which is why we... keep looking for ways to help.

From now on, our Value Planners and we'll carry this Mark of Value... a handy checkmarking system which reminds you of best buys and special values at a glance.

We know it won't solve all your problems. But it will help your food dollar go further week after week.

### Store Hour Information

## GOOD NEWS FOR SENIOR CITIZENS

Starting immediately DeWitt is introducing a new service and convenience for our Senior Citizen friends. It's a NO-CHARGE MONEY ORDER plan that will mean new savings for you.

To qualify, just show proof to any DeWitt Officer that you have, or will have reached 65 during 1972 — and you will receive a special "Courtesy Coin" entitling you to personally purchase unlimited money orders without the usual service charge.

Come on in and ask about this new friendly service from DeWitt.

**DeWITT**  
 THE FRIENDLY SAVINGS  
 AND LOAN ASSOCIATION  
 Belleville, N.J. • 751-2800

Open Daily, 9 A.M. to 4 P.M.; Mon. Eves., 6:30 to 8 P.M.

## Men in Service

## He Joins Marines

John Andrew Galada, son of Mrs. Marie Galada of 23 Dewitt Ave., Belleville, has enlisted in the Marine Corps, his recruiter has announced.

He joined the Marine Corps under the 180-Day Delay Program which affords him the opportunity to take care of his personal affairs before reporting for active duty. This 180 day delay program also goes toward completion of his military obligation and date in service for pay purposes.

## Sanders Finishes Training

Airman Michael R. Sanders, son of Mr. and Mrs. Michael R. Sanders of 485 Union Avenue, Belleville, has completed his U.S. Air Force basic training at the Air Training Command's Lackland AFB, Tex. He has been assigned to Chanute AFB, Ill., for training in aircraft maintenance. Airman Sanders attended Belleville High School.

Airman M. Sanders

## Perrine Gets Air Instruction At Texas Base

Airman Nicholas J. Perrine, son of Mrs. Josephine L. Perrine of 215 Caton Avenue, Jersey City, has completed his U.S. Air Force basic training at the Air Training Command's Lackland AFB, Tex. He has been assigned to Keester AFB, Miss., for training as an administrative specialist. Airman Perrine attended Snyder High School. His father, Nicholas M. Perrine, resides at 311 Greylock Parkway, Belleville.

## Toussaint Sees Carrier Duty

Navy Petty Officer Second Class Arthur S. Toussaint, son of Mr. and Mrs. Arthur W. Toussaint of 54 Beach Street, Belleville, has completed a visit to Hong Kong aboard the attack aircraft carrier USS Hancock, and is now back in the Gulf of Tonkin aboard the carrier with the Seventh Fleet.

## Pietrzyk Completes Navy Trade School

Navy Petty Officer Third Class Stephen M. Pietrzyk, son of Mr. and Mrs. Stan Pietrzyk of 7 Carolyn Road, Belleville, has completed the Tradesman School at Millington, Tenn.

Tradesmen install, maintain and repair training aids

such as flight simulators and audio-visual equipment. He attended Belleville High, and Lea College, Albert Lea, Minn.

One's intelligence can often be measured by how much he keeps his mouth shut.

## Lt. L. Izzo Is Assigned To Chemical Corps Unit

Army Second Lieutenant Leonard A. Izzo, 23, son of Mr. and Mrs. Anthony C. Izzo, 33 Van Houten Place, Belleville, recently completed a nine-week chemical officer basic course at the U.S. Army Chemical Center and School, Ft. McClellan, Ala.

The course prepares a newly commissioned officer for his first duty assignment in a chemical corps unit. His training includes instruction in administration, chemical procedures, medical training and support, intelligence, and logistics.

Lt. Izzo is a 1967 graduate of Belleville (N.J.) High School and received a Bachelor's Degree in Chemical Engineering in 1971 from New York University at Bronx. He is a member of Phi Gamma Delta fraternity.

## Airman Bogan With Antarctic Squadron Six

Navy Airman Martin S. Bogan, son of Mr. and Mrs. Martin S. Bogan of 200 Mill Street, Belleville, is on duty with Antarctic Development Squadron Six, at the Quonset Point Naval Air Station, Quonset Point, R.I.

Airman M. Sanders

## Perrine Gets Air Instruction At Texas Base

Airman Nicholas J. Perrine, son of Mrs. Josephine L. Perrine of 215 Caton Avenue, Jersey City, has completed his U.S. Air Force basic training at the Air Training Command's Lackland AFB, Tex. He has been assigned to Keester AFB, Miss., for training as an administrative specialist. Airman Perrine attended Snyder High School. His father, Nicholas M. Perrine, resides at 311 Greylock Parkway, Belleville.

## Toussaint Sees Carrier Duty

Navy Petty Officer Second Class Arthur S. Toussaint, son of Mr. and Mrs. Arthur W. Toussaint of 54 Beach Street, Belleville, has completed a visit to Hong Kong aboard the attack aircraft carrier USS Hancock, and is now back in the Gulf of Tonkin aboard the carrier with the Seventh Fleet.

## How to look for a Realtor in all the wrong places.

It's simple, if you think that a Realtor is just anyone in real estate, which he isn't. He's the professional. So if you want a Realtor—you'll look for the Realtor seal. It's always displayed at his office. And only a Realtor can show it. Once you've met him—you can relax. Because you've got an expert to take care of your best interests. Someone with experience, who subscribes to a strict code of ethics. Now that you know what a Realtor is, and how to recognize him, you'll have no trouble finding him.

Bloomfield, Glen Ridge, Nutley, Belleville  
BOARD OF REALTORS  
Call 743-5273 for  
Office nearest you

Your Realtor®  
Someone good to have working for you.

You can recognize your Realtor by this seal. A Realtor is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local and state boards and of the National Association of Real Estate Boards, 1300 Connecticut Ave., N.W., Washington, D.C. 20006.

**Your Weekly Horoscope**

July 22 through July 28

Brought to you as a courtesy of

**NICOLS PARK ESSO**

**ARIES** (March 21-April 19): Helter-skelter days ahead, Ari. Circles within circles and mirrors within mirrors. Be stout of heart. Take one day at a time. Seek advice concerning career/money matter. Pieces of puzzle fall into place. On last day, your mug runneth over.

**TAURUS** (April 20-May 20): Travel highlighted, Taurus. Map plans with care. Keep cash on hand to a minimum. Use checks and credit when ever possible. Newcomer makes friendly overture. Be receptive, it may lead to romance. And Taurus is entitled to a summer romance just about now.

**GEMINI** (May 21-June 20): New association makes week ahead somewhat more than just average. You are motivated. You catch passing parade. And by last day, you find yourself woozy out in front. Rum, turn, te tum.

**CANCER** (June 21-July 22): Old problem is solved, but new one takes its place. Nature abhors a vacuum, you know, and especially where Moon-baby is concerned. Take firm stand concerning relationship which has you gnashing your teeth. You will be respected after initial shock waves diminish.

**LEO** (July 23-August 22): Good week for you, Leo, to a bit of silent stalking. What you have found elusive is just around the nearest corner. And that's no jazz. Be lion-hearted, love, and last two days of week can be just great.

**VIRGO** (August 23-September 22): Virg's Low states: If anything CAN go wrong, it WILL. However, you are blessed with unusual strength as well as wit. In days ahead, you will be called upon to exercise both. Others come around to your way of thinking and by last day you are the chooser. Not the beggar.

**LIBRA** (September 23-October 22): Put on your sneakers, Lib, for in week ahead you will be challenged by change, and fancy footwork will be your only salvation. Message of intrigue dispatched. Your heart goes pitty-pat. On last day, relax and have a tea party.

**SCORPIO** (October 23-November 21): New phase shaping up. Scorp. Unseen forces at work. You benefit. Key is to keep eyes and ears open, but wallet and trap shut. You will understand. By end of week, you breathe easier and know that every thing is going to be all right.

**SAGITTARIUS** (November 22-December 21): You will be questioned in week ahead, Sag, concerning very personal matter. Not wise to tell everything at this time. Answer with vague generalities. Virg plays key role. Study advice to Ari.

**CAPRICORN** (December 22-January 19): Sweep the floors, fluff the pillows, and chill the wine, Cap, for a visitor is due. You learn important lesson. Others are content merely to exist but you, dear friend, LIVE. Oo-la-la!

**AQUARIUS** (January 20-February 18): Concerning present romantic situation, you Aquari, were the thief. You stole the first kiss. Remember this in case relationship is beginning to pall. Let partner down if you must, but do so ever so gently.

**PISCES** (February 19-March 20): Daily associate knows your Achilles heel, Pisces, and in week ahead will attempt to take advantage of your weak spot. Know this and turn to Taurus for strength. Together, you and Taurus make a terrific team.

Repairs Can Be Charged

"Charge it!" instead of "How much do I owe you?" will be the new way of paying for repairs on the spot when motorists run into trouble on the Garden State Parkway. According to Chairman John P. Gallagher of the New Jersey Highway Authority, all 48 trucks which service the Parkway will have portable Mastercharge and Bank Americard recording devices which the truck operator will have available in the truck. Previously, if a motorist desired to use a charge plate to pay for repairs he would have had to follow the repair man back to the garage to have the credit card validated.

The garages themselves, of course, will continue to honor a variety of other credit cards if a motorist does return to the service station.

Chairman Gallagher pointed out that the Parkway is unique in the nation in offering "pay on the spot" charge service. He also noted that delay time when a vehicle does break down is also shortened because all of the tow trucks are radio equipped. When a disabled car is seen by a state trooper, or is reported by a passing motorist, a call for aid is sent out by radio.

Sometimes the truck might be at the garage, but there are many times when a tow truck is on the road, in the vicinity of a car in need of help, and through the use of radio, aid is only minutes away. "It seemed a needless waste of time," said Chairman Gallagher "to have a truck expedite repairs, and then force the motorist to have to return all the way to a garage."

The Plan came to fruition when Parkway officials learned of a firm that deals in the portable type credit card imprinter. The unit, which replaces the large cumbersome machines normally used, can be carried in a jacket pocket or in the glove compartment of a truck.

The portable credit card imprinter will also do away with truck drivers carrying cash, will circumvent payment by check and procurement of collateral.

We're informing the public right now," said Chairman Gallagher, "if they don't want to carry cash for one reason or another they don't have to. They are certainly welcome to charge it. In addition, someone who meets an unexpected emergency headed, for example, for the shore on a weekend won't have to worry that he'll have no cash left to enjoy his holiday." The Chairman concluded, "It's just one more way we try to make the Parkway a little more enjoyable for our patrons."

State To Get 2 Million In Highway Safety Field

Ray J. Marini, Governor Cahill's Highway Safety representative, today announced New Jersey will receive \$2.15-million in Federal Highway Safety funds to be used by State and local agencies in their continuing battle to curb deaths and injuries on the State's roadways.

"The Federal funds, together with \$200,000 in State appropriations, will be used by the New Jersey Office of Highway Safety to put its 1973 program into operation," Marini said.

# Orechio Says Tax Reform Not Dead Issue

"Tax reform is not a dead issue in New Jersey," Assemblyman Carl A. Orechio (R-11 District) said today. Orechio, who had been an outspoken critic of the tax reform package, voted again passage of the income tax measure in the N.J. Assembly Monday evening.

However, the Nutley Assemblyman revealed today he has already introduced a

concurrent resolution calling for appointment of a 24-member committee to continue the study leading to tax reform.

"The trouble with the Governor's proposal was that it was not a meaningful tax reform. It was viewed by most of us in the Assembly as just another tax, and one without any substantial relief to the already over-burdened

property taxpayers," Orechio said today.

"There are some, including Gov. Cahill, who say tax reform is now a dead issue. I disagree as do many other Assemblymen. I think now with all the input the legislature has gained as a result of the Sears Tax Report

that we can come up with some palatable alternatives."

Orechio's resolution, which will be made public in Trenton today (Thursday) calls for an equally divided Republican and Democratic committee of 24 members with the Democratic committee of 24 members with the Governor,

the Senate President and the House Speaker each naming eight appointees. The committee's final recommendations would then be referred back to the Legislature for study before finally being presented to all New Jersey voters "at the next general election," the

Orechio plan proposes.

Orechio favors tax reform but the Essex Assemblyman says, "Tax reform must include substantial relief to the small property owner." He noted that in several Essex suburban towns, the Cahill plan would have cost in-

dividuals more than is presently being raised for state, county and local educational costs.

"All the Assembly voted upon Monday was the income tax which was pegged as being the cornerstone of the tax proposal," I disagree completely. And although I voted against the Cahill proposal, I don't think for one minute that we in Trenton are going to forget the entire matter. I think the Legislature is charged with the public trust

of coming up with an alternative," Orechio continued.

He listed other "prime reasons" for the defeat of the Cahill plan Monday as a "credibility gap between the Governor's office and the Assembly, too many ambiguities in the overall tax package, and insufficient guarantees that the plan's adoption would offer any stabilization of our already overburdened property tax structure in New Jersey."

## Poll Shows Nixon Leading In Election

President Nixon enjoys "a lead of landslide proportions" over either Senator George McGovern or Senator Hubert Humphrey in a pre-convention poll of New Jersey voters announced here today by the state's newest polling firm.

William J. Kohn, president of the newly formed Attitude Analysis and Research Services, Inc., said the poll, conducted by telephone during a four-day period ending July 1, showed Nixon leading McGovern 49 to 28, with 23 undecided. Nixon enjoyed an even larger lead, 52.5 to 26 over Senator Humphrey, with 21.5 undecided.

Kohn said a total of 620 persons, selected at random from all of the state's 21 counties, were interviewed. Only registered voters who said they intended to vote in the general election were questioned.

The Paramus public relations executive, who is associated in the new polling venture with writer Frank Sherry of Westwood and John Squillacca of Hackensack, said the Nixon lead is "staggering" even when the undecided vote is apportioned equally. "The lead then mushrooms to 60.5 percent for the President and 39.5 percent for Senator McGovern. The Nixon lead over Humphrey becomes 63 percent versus 37 percent."

Kohn said Nixon's lead is directly traceable to the large number of Democrats who said they plan not to vote for either McGovern or Humphrey, and Nixon's apparent continuing popularity among Republicans and Independents. "Only among the 18-29 year-old voters does McGovern lead Nixon and then only by a 39-41 percent margin, with 20 percent undecided," Kohn commented. "Among senior citizens Nixon enjoyed a four to one margin over McGovern."

Kohn said the reason Humphrey would not do as well as McGovern, at this point in time, is that the same young voters would not vote for Humphrey. "In this trial run, Humphrey received 28.5 percent of the 18-29 year-old vote in contrast to McGovern's 41 percent. Although Humphrey fared somewhat better than McGovern among older voters, this was not sufficient to make up for defections among the young set.

Kohn said the AARS poll also examined the question of what effect a third party effort by Governor George Wallace would have in New Jersey. Asked to choose between Nixon,

McGovern and Wallace, those interviewed gave Nixon 41.5 percent; McGovern, 23.5 percent; Wallace 15 percent, and 20 percent undecided, indicating that the President would still maintain a lengthy lead in a three way race. Wallace, according to the poll, drew slightly more votes from Nixon than McGovern.

The results in a three-way race substituting Humphrey for McGovern resulted in Nixon receiving 46 percent; Humphrey 23 percent; Wallace 15 percent; and 16 percent undecided.

Kohn concluded: "It is important to keep all trial runs, including this one in the proper perspective. The conventions have not been held, the campaign has not been conducted, and many influences will be at work on all voters between now and November. My associates and I are confident, however, that this statewide sampling accurately describes the mood of the New Jersey voter on the eve of the conventions and the campaign. We will be polling between now and the fall and just prior to election, and we will make these results public at that time."

## First National Bancorporation Reports Income

First National State Bancorporation today reported net operating income before securities transactions of \$2,356,000 or 86 cents per share for the three months ended June 30, 1972. That compares with \$2,148,000 or 77 cents per share for the same period of 1971.

Net income after securities transactions for the three months ended June 30, amounted to \$2,421,000 or 89 cents per share, compared with \$2,155,000 or 77 cents per share a year ago.

Net income after securities transaction for ended June 30, amounted to \$2,421,000 or 89 cents per share, compared with \$2,155,000 or 77 cents per share a year ago.

First National State Bancorporation is the parent holding company of five New Jersey Banks.

For the six months ended June 30, 1972, consolidated net income before securities transactions was \$4,737,000 or \$1.72 per share, compared with \$4,710,000 or \$1.68 per share a year earlier.

Consolidated net income after securities transactions for the latest six months was \$4,899,000 or \$1.78 per share, compared with \$4,966,000 or \$1.77 per share in the same period a year earlier.

Consolidated net income after securities transactions for the latest six months was \$4,899,000 or \$1.78 per share, compared with \$4,966,000 or \$1.77 per share in the same period a year earlier.

# A REPORT FROM YOUR HOSPITAL

SUMMER  
1972

CLARA MAASS MEMORIAL HOSPITAL  
1A FRANKLIN AVE.  
BELLEVILLE, N.J. 07109

Archie C. Barbata

### PRESIDENT'S REPORT

The CLARA MAASS MEMORIAL HOSPITAL, now over 100 years old, continues its leadership role as one of New Jersey's finest community hospitals. From 1868 to 1957 it was located in Newark and was noted for its good patient care and scientific advancements. Since moving to Belleville, we have continued to grow in service to the community.

In 1957 your hospital relocated and increased in size from 100 beds to 300 beds. Since that date, we have grown from one building to seven and are now a medical complex of 570 beds. Last year, a 150 bed Continuing Care Center was opened—a new concept in hospital care. This Center for out-of-bed patients on the road to recovery has been well received by the patients and the community.

The Board of Trustees is not content with what we did yesterday. We are looking to the future to provide you, your family, your neighbors and friends with the services needed. CLARA MAASS MEMORIAL HOSPITAL is one of the most important buildings in town; and with your support it will continue its leadership.

**ARCHIE C. BARBATA** PRESIDENT  
BOARD OF TRUSTEES

### EXECUTIVE DIRECTORS MESSAGE

We are living in a fast-moving world where it sometimes seems like an impossible task to keep pace with change. Hospitals are no exception. Therefore, it is important that we anticipate not only what will happen today but tomorrow, next week, next year and the years to come.

The Hospital Board of Trustees, the Medical Staff and the Administrative Staff, working as a team, are making long-range plans for the future, so that your hospital will continue to provide the finest facilities and equipment for your care.

To our volunteers, Guild and Auxiliary members and the First-Aid Squads who make daily visits to our hospital, I extend thanks for the patient care you are rendering and for assisting us as we plan for the future.

Your support and the community support which we have received in the past, together with your continued interest in our community hospital, will make possible those goals which sometimes seem impossible. "The skies of tomorrow are always dark. The stars will light the way."

**ALBIN H. OBERG**  
EXECUTIVE DIRECTOR

Albin H. Oberg

### MEDICAL DIRECTOR

The Medical Director with the President of the Medical Staff coordinates, pursues and expands programs in the fields of patient care, studies the utilization of hospital facilities, and directs the medical education programs.

Presently, our Medical Staff numbers 370 physicians, providing services in every branch of Medicine. The hospital's Emergency Room is staffed by fully licensed physicians, working around the clock every day of the week to serve our community.

Many educational programs have been instituted during the past year, all of which are designed to help keep your doctors informed about the latest diagnostic and treatment techniques and developments in Medicine.

Everyone is concerned about the efficient use of hospital beds. Physicians are constantly reminded to see that hospital stays are not unduly prolonged as beds must be kept available for emergency cases. The community is also involved in the provision of adequate blood for patients in need of transfusions. It is expected within the next few months there will be a coordinated drive for this purpose.

Clara Maass Memorial Hospital is a community hospital, requiring the cooperation not only of the physicians, nurses and other hospital personnel, but also for the people it serves.

**WILLIAM GREIFINGER, M.D.**  
Medical Director

William Greifinger, M.D.

# PEOPLE WHO

**SPIRITUAL**—One important element within the daily operation of your hospital is the spiritual needs of the patients. Services are conducted by clergymen from Protestant, Catholic and Jewish faiths "live" direct from the hospital's chapel via closed circuit TV to all patient rooms. Patients may also meditate privately in the Continuing Care Center Meditation Room or in the main hospital chapel.

**HIGHLY SKILLED PERSONNEL**—Different kinds of health care specialists work together to provide the best care for patients at your hospital. Together, this team illustrates what makes a hospital special. **WHO CARE**—All of whom are dedicated to your health.

## INTENSIVE CARE UNIT

## CORONARY CARE UNIT

**EMERGENCY ROOM IN ACTION**—This is one of the busiest departments in the hospital. Staffed by licensed doctors and professional nurses 21,700 patients were treated during 1971, an increase of 25% over the previous year. Trained specialists are within minutes of your home or place of business and they are prepared to meet any emergency. The Poison Control Center too is an important function.

## HOSPITAL 1971

### ADMISSIONS:

Adults and Children	14,674
Newborn-Infants	2,169

**TOTAL ADMISSIONS** 16,843

# OVER 100 YEARS OF

# HOSPITAL CARE

—A cross section of the many  
nurses and volunteers that serve the  
hospital great—PEOPLE  
dedicated to excellence.

**BREATHE EASIER**—The attention to respi-  
ratory diseases and functions is not new to your  
hospital except that a Department has been estab-  
lished to assist you in minimizing functional respi-  
ratory loss with sophisticated pulmonary equip-  
ment.

**NURSING SERVICE**—Our major concern is patient  
care but this can not be accomplished without a staff of  
well qualified personnel. During the year the professional  
nursing staff was increased by 26%. These nurses were  
trained in 155 different schools throughout the world.  
Intelligent long range planning and recruitment will pro-  
vide for an even greater number of nurses within the very  
near future not only for the day shifts but evening, nights,  
weekends and holidays as well.

### CONTINUING CARE CENTER

**PREPARING FOR THE FUTURE**—The existence of  
educational programs generates an atmosphere of intellectual  
keenness which improves the quality of patient care.

During 1971, 39 students grad-  
uated from the School of Nurs-  
ing, School of Radiology and  
Respiratory Training, many of  
whom remain with the hospital  
after graduation. Approxi-  
mately 30% of the nursing staff  
are Clara Maass graduates.

# DEDICATED SERVICE

# FINANCIAL REPORT

**RISING HOSPITAL COSTS** are of great concern for these costs must be passed on to you the patient if the hospital is to survive. Under the watchful eyes of Emil I. Horak, Assistant Executive Director, and Humphrey Smith, Comptroller, every service, every purchase invoice and every expenditure is carefully reviewed to reduce operating expense without sacrificing quality patient care.

## GOING HOME

**COMPUTER CENTER**—The new Computerization Center came to your hospital during the early part of 1972 after almost a year of thoughtful planning. With this shared service, patient billing and payroll can be accomplished more effectively and economically—Another step in controlling the inflationary trend. As time progresses computers will play a more important role in promoting cost saving measures.

## FINANCIAL REPORT FOR YEAR ENDED DECEMBER 31, 1971

We Received from Patients

\$11,950,489.

We Expended or Provided:

For Salaries, Fees, and Fringe Benefits	\$8,051,551	
For Medical Supplies, Food and Other Expenses	3,874,985	
For Mortgage Payment and Improvement of Facilities	<u>758,912</u>	<u>12,685,448</u>

Excess of Expenditures Over Patient Income

\$734,959

We Also Received:

Donations	\$ 34,088	
Bequests and Operating Grants	66,093	
Other Income	<u>420,594</u>	<u>520,775</u>

Therefore, Expenditures and Provisions  
Exceed our Income by

\$214,184

**VOLUNTEER SERVICES—**

Volunteers range in age from 14 to 84 who gave almost 60,000 hours of their time during the past year assisting in many areas of the hospital.

Some volunteers work several full days a week serving as patient escorts, assisting visitors at the Information Desk, visiting patients with the Hospitality and Library Cart, and an assortment of patient related activities depending upon their interests and availability.

We have 270 adult and 75 teenage volunteers. If you are interested in joining our corps of friendly volunteers, please call the Volunteer Office.

Mrs. Elizabeth Fox  
Director, Volunteer Services

**GUILD—**

We celebrated our 19th anniversary in 1971. One of our functions, other than social, is to assist the hospital in raising funds for their various projects that will help to provide some advanced equipment for patient care. To date, we have raised \$126,130.00 and will be pledging additional amounts soon.

Closing out the year, the Guild had 77 members. We meet September through June on the fourth Monday of every month and welcome you too to become a member of the Guild.

Mrs. Heidi Amirata, President

**AUXILIARY—**

The fund raising projects of the Women's Auxiliary of the Clara Maass Memorial Hospital during the past year have included the completion of the payment of their pledge for the Meditation Room of the Continuing Care Center and a gift to the School of Nursing of \$5500 to provide additional audio-visual equipment for the students' library.

Support of scholarships for the School of Nursing continues. Many in-service hours are given to varied volunteer tasks by auxiliaries and out-services include making tray favors, bibs and puppets. Regular meetings are held in the School of Nursing Auditorium 8:00 p.m. on the fourth Tuesday September through November January through June.

Mrs. William Kropp  
President

**EXPLORER SCOUTS-BSA—**

The Medical Explorer Post, now in its fifth year at Clara Maass, gives young people of high school age an opportunity to learn about careers in medicine or related fields. Present membership of the Post is 20—about equally divided between boys and girls.

The Post meets on the first and third Thursday of each month from 7:00 p.m. to 8:00 p.m. in the Doctors' Lecture Hall. Among the programs this past year have been: demonstrations and lectures by doctors and others on various medical specialties; visits to hospital departments such as laboratory, x-ray, physical medicine and medical records; a field trip to a drug rehabilitation center; and films on a variety of medical subjects.

Information about joining the Post can be obtained by calling 751-1000, ext.889.

Humphrey Smith, Advisor

**MATERNITY TEAS—**

Clara Maass Memorial Hospital offers a Tea and tour of the Obstetrical Department for expectant mothers who plan to have their babies at our hospital. The "Maternity Tea," instituted in April of 1960 enables these young women to familiarize themselves with our hospital facilities and to meet some of the people who will give them tender loving care during their stay at Clara Maass Memorial.

During the social tea hour, the expectant mothers are prepared for the birth of their baby and are informed of the hospital's history. At the conclusion of the lecture, they have the opportunity to visit the O.B. Dept. and ask questions.

Maternity Teas are held September through June on the third Wednesday of every month. Invitations are sent out at the beginning of each month.

## THEN AND NOW

1957

1971

On August 18, 1957 the great move took place. A steady stream of private automobiles, ambulance squads, the Red Cross and countless others transported patients and equipment from Twelfth and Newton Streets, Newark to 1A Franklin Avenue overlooking Branch Brook Park, but one unexpected patient arrived. Before the doors opened, Mrs. Elizina Nunes came to the new hospital and Clara Maass Nunes was the first baby born at the hospital.

Since that day 23,087 babies were born at Clara Maass Memorial Hospital, 2,169 of them were born in 1971. As Clara Maass Nunes grew so did the hospital. The original one building, 300 bed hospital now consists of a 7 building medical complex with facilities for 570 patients.

Clara Maass Memorial, dedicated in 1868, is a non profit, general, community hospital organized on the broad principle to admit anybody regardless of their race, creed or ability to pay.

Those were the words that were spoken during the dedication ceremonies back in 1868. Pastor Lehlbach, keynote speaker, also paid tribute to the public spirited citizens who made the new hospital possible by giving not only of their time and energy, but their financial support as well. Over one hundred years later the ideals emphasized by the original Board of Trustees still holds true today for patients, employees, volunteers, trustees, medical staff members and friends of the hospital come from all walks of life. Your modern medical complex has grown tremendously and this growth has required heavy mortgaging in order to finance buildings and equipment to keep up with the times.

Your tax free contributions will help immeasurably to reduce this financial obligation and to provide an even better hospital in the future.

## SUPPORT YOUR COMMUNITY HOSPITAL

## School Board Reiterates Pay Boost Position

### Greco, Rosamilia Supported, Though Some Citizens Dissent

By John J. Bunevich

A three-hour discussion, which gradually dissolved into an argument and finally deteriorated into a shouting match between two public officials highlighted a special Board of Education meeting Monday evening.

The meeting was originally called to air views on the controversy surrounding the granting of pay raises to two top school administrators, but by the time all opinions were reported, about 11 p.m., both sides were firmly entrenched in their ideas with no one making concessions. The school Board reiterated its position of July 6.

Each of the Board of Education members present made a public statement backing his position in voting for or against salary boosts granted to superintendent of schools Anthony Greco and his assistant Michael

Rosamilia. Five Board of Education members favored the pay boosts while one member, Caesar Romano, thought the increments should not have been granted. Mrs. Norma McCool did not attend the meeting.

The controversy developed when School Board member Romano two weeks ago in a strongly worded dissenting report disagreed with the School Board's decision to

reinstatement pay raises to Greco and Rosamilia. In his written opinion, published in a previous issue of the Belleville Times-News, Romano claimed Greco was not functioning properly in his position and that the two administrators were not working in harmony for the betterment of the school system.

Greco was granted an increase from \$28,000 to his current rate of \$29,642 while

Rosamilia is receiving \$26,100 compared to his past pay of \$24,780. The School Board June 26 voted unanimously to freeze the pair's salary but two weeks later that same Board acted to reinstate the raises.

Board president Richard Mahmarian agreed that Romano had a right to disagree with the Board but he further stated that "this member's release to the press was basically unfounded, unwarranted and erroneous."

Several residents attending the Monday meeting aired their views and the majority of those speaking objected to the granting of the raises to the two administrators.

One citizen, a 20-year-old ex-Belleville High Schooler, presented the Board with a 40 signature petition denouncing the Board's decision. Steven Rodgers, 27 Rocco Street told Mahmarian that it was "an insult to the intelligence of residents here" to reinstate the raises. Rodgers directed several questions to Mahmarian and the Board president gave his interpretation to Rodgers of the happenings of the past month in regards to the controversy. Rodgers claimed that "there were set standards of education in Belleville" and Greco invited the young man to sit down with his guidance people and

**SPEAKING HIS PIECE** in defense of superintendent of schools Anthony Greco is Board of Education president Richard Mahmarian. Greco's pay raise came under attack Monday. Greco (right) ponders situation.

#### Police Activities Covered

## Commissioner Laterza Releases Annual Public Safety Report

Commissioner Robert Laterza this week made public his annual report of the Department of Public Safety. The report covers the activities of the police and also lists statistics in the municipal court.

The Commissioner noted in his report that the number of parking tickets saw a decrease over last year's figures, but

summonses for moving violations rose. Over 15,000 tickets were issued by police and the municipal court processed more than 15,000 summonses and complaints.

The Fire Department, also covered in the annual report, showed that fire losses in Belleville amounted to over \$75,000 but this, Laterza noted, was approximately \$100,000 less than the previous year. The ambulance squad also showed an increase in calls this year of over 100 and all totaled, about 1,600 emergencies were answered.

tersections in the Town of Belleville, some of which are in the process and we hope will become a reality through the use of federal and state funds," stated the Commissioner.

The Commissioner's annual report, in its entirety, follows:

The Traffic Report for the period of one year shows summonses issued for a total of 15,650. Of this total, approximately 1 1/2 tickets per

day were issued for improper licensing and registration, approximately one per day was issued for moving violations and the remainder of the tickets were issued for various types of parking violations.

The Traffic Squad checked a total of 850 cars as being abandoned. Owners of these vehicles were notified to remove same. Summonses were issued for abandoned vehicles and 100 abandoned vehicles

A spokesman in the Public Affairs Department said Tuesday that the Commissioner is due back in two weeks and keeps in phone contact on almost a day to day basis. According to the spokesman, Strumolo will not interrupt his vacation "unless something critical arises."

Seen at the Tuesday Commission meeting were two Pathmark officials but the pair remarked that they were aware that the bill would be tabled again.

## Nutley Will Share Sewer Construction Costs Here

After a two-year delay, Nutley and Belleville are ready to undertake construction of a new 30-inch sewer line designed to alleviate flooding here on the lower end

of Bloomfield Avenue. Cost of the project, estimated at \$50,000, will be shared equally by Nutley and Belleville.

Public Works Commissioner John H. Lucy hopes to introduce enabling legislation and advertise for a public hearing next Tuesday, "but certainly no later than our Commission meeting of August 15."

Need for the new line was discovered in 1967 and 1968 after areas of Bloomfield Avenue in the vicinity of Harrison Street began flooding, especially during heavy rainstorms. Engineers discovered that Belleville had constructed a 30-inch line at the Nutley line to carry flow coming from a larger 36-inch pipe under Bloomfield Avenue.

Belleville balked at the idea of installing a larger line which forced Nutley to initiate suit, charging Belleville with "continuing a public nuisance." Belleville, in turn, then sued Nutley, charging it was this town's fault for "improperly installing" the original Bloomfield Avenue line in 1931. While all the legal debate continued, so did the flooding along Bloomfield Avenue in Nutley.

The case went as far as a pretrial hearing in April 1971 before Nutley and Belleville agreed to share the expense of a new line which will run from the boundary at Reinheimer

Park, south along Bloomfield Avenue to Hoover Avenue and then to Joramelon Street in Belleville.

For the past year, however, the work was held up while Belleville sued a Crestwood Avenue homeowner for a needed easement. Belleville Town Attorney John Scott informed local officials this

(Continued on Page 3)

## Cycling Program Tomorrow

The Belleville Recreation Department tomorrow will sponsor a bicycle safety day at Clearman Field beginning at 1:30 p.m. Trophies will be awarded to the winners.

The program, according to officials, has been divided into four categories. Bicycles will be checked for safety and a short course will be offered explaining safety rules of the road. The third phase will cover different types of bicycles. Climaxing the day will be a contest to determine the skills of the riders and the condition of their bikes.

Robert Cook, president of the Miami University Bike Club and an active member in the North Jersey Bicycle Club, will head the program. Cook pedals approximately 300 miles a week and is an avid cyclist.

**ON THE ATTACK** at special Board of Education meeting Monday is Lawrence Schwartz, who angrily disagreed with fellow Board member Caesar Romano.

#### On Apartment Parking

## Former Town Attorney Asks Ordinance Defeat

After listening to a former Belleville Town Attorney condemn a proposed ordinance changing parking requirements for multi-dwellings to 200 per cent, Commissioners Tuesday night tabled a final vote on the bill until next meeting.

Commissioners here have before them a measure which

would require multi-dwellings to provide 200 per cent parking. Currently, zoning laws state a 150 per cent parking space is needed. The proposal was tabled after Commissioner Mary Senatore asked for more time to study the measure.

Of the three residents speaking at the public

hearing, two were against and one was in favor of the bill. Newark attorney Jack J. Soriano, who served as Belleville Town Attorney during the 1960's, spoke against the measure for his client, reported to be the Barbetta Agency, located on Washington Avenue.

Soriano called the proposed ordinance extremely discriminatory since it names only multi-family dwellings as culprits.

Soriano said "you'll find that the average one-family home takes up more parking spaces than the average unit of apartment houses," he added.

Soriano spoke to the Commission in October of 1970 and successfully convinced Commissioners then to amend an ordinance stating a 200 per cent requirement for multi-dwellings to its present form of a 150 per cent requirement.

#### In Belleville Park

## Plan Band Concert For Sr. Citizens

Residents here are invited to attend a band concert in Belleville Park tomorrow at 6:30 p.m.

The concert provided mainly for the area senior citizens is presented by the Essex County Park Commission. The audience is asked to bring their own chairs or to just sit under the trees and listen.

The band is provided by the American Musician Guild of Essex County.

"The band members most of whom have played with many of the country's major orchestras at one time or another, are well experienced musicians with a real talent for providing the kind of music the audience loves," states Lou Mallet, president of the American Musician Guild.

Conductor for the evening

will be Alfred Longo. The repertoire will include a few semi classical and a lot of popular songs.

Although the concert is provided for mainly senior citizens, all ages are welcome. The location of the concert in Belleville Park is just off Belleville Avenue next to the Belleville Senior Citizen Center building.

## Chamber Marks Special Sidewalk Sale Saturday

Local residents will be able to take advantage of a sidewalk sale this weekend as several Belleville merchants will be selling their wares at discount prices. The sale is sponsored by the Belleville Chamber of Commerce.

Hours for shopping are 9:30 a.m. to 9 p.m. tomorrow and 9:30 a.m. to 6 p.m. on Saturday. The sale, developed and operated by the

Sales Promotion Committee of the Chamber of Commerce, has proved in the past to be one of the most popular sales events in Town. Participating stores can easily be identified by a red and yellow poster displayed in their window.

Many special sales will be offered by local merchants both tomorrow and Saturday. Rain date will be August 11-12.

## Old Belleville Fire Engine Still Going Strong After Its Restoration By James Murray Jr.

**OLD BELLEVILLE PUMPER**, a 1939 model Ahrens its competition. The showpiece, owned privately by a Fox Fire Engine, competed recently in New York at a former Belleville resident, is in excellent condition, pumping contest and garnered a second place award for

## Wins Pumping Contest Prize

An antique pumper fire engine, operated by a Belleville resident, showed its still holding its worth as a firefighter by recently placing second in a contest in Valhalla, N.Y.

The 1939 model Ahrens Fox Fire Engine, disregarded by Belleville in 1965 in favor of three new models, competed in a pumping contest at Kensico Dam Plaza. The old engine, which still looks as new as the day it was purchased, is owned by James Murray Jr. of Belleville. Murray repaired and rebuilt the old engine to its present condition.

In 1965 Belleville bought three new Seagrave Fire Engines. The "Fox" was traded and then purchased by Murray of Belleville who started a project of repairing and rebuilding the old girl. Parts, sometimes quite hard to find, were slowly located and now the motor is almost rebuilt but a search is still on for some hard to find gears. The rig is still owned by James Murray now of Staten Island who is a member of the

(Continued on Page 16)

# Greco Supported By School Board Members

(Continued from Page 1)  
they would disprove this remark.

Mahmorian also explained to Rodgers that the Board, in granting the raise to Greco, wanted to stay within the 5.5 per cent guideline but that Greco initially "wanted more." Mahmorian related to Rodgers and on the job ex-

perience which could prove similar to the situation the Board was in.

"We gave a young man at work a raise two months before we fired him," said Mahmorian. "We were evaluating him but we did not take punitive action before we dismissed him. Punitive action does not always pay." Another resident objected

to Greco's salary, saying it was too high but Board member G. Fred Burlazzi interjected, saying "Greco is the head of the system and his pay must be kept in relationship to the salaries of other personnel here. In my opinion he is doing a good job."

Speaking in defense of Greco was principal of the Junior High School Seymour Grossman and vice principal Mario DiMaggio. Grossman said "Greco is doing a top-notch job" but DiMaggio was much more elaborate in his comments.

"Tonight we have lay people evaluating a superintendent without even entering the schools," DiMaggio stated. "It takes weeks, months, even years to evaluate people. By innuendoes we can pull down this entire system but Mr. Greco and Mr. Rosamilia can rise above this. The ones being hurt are the kids in this system. I'm proud to work in this system."

Vincent Moller of 225 Stevens Street, another resident attending the hearing, took exception to DiMaggio's remarks and said "if we the people did shut up we wouldn't have this country today. I resent the fact that we are being accused of tearing down the school system. I can't see why we can't change things. People have to disagree once in a while."

The most heated debate of the evening came when Romano and School Board member Lawrence Schwartz entered into a shouting match over whether certain statements in Romano's dissenting report were libelous and slanderous.

Speaking of Romano's minority report, Schwartz hinted that a certain Board member may be purposely making a spectacle in an election year. Schwartz added that the minority report "has accomplished nothing but polarization and has done nothing but exaggerated the situation."

"He does not know or care about any legal ramifications and cares nothing about libel," Schwartz remarked. "When a public official forgets his duty he is no longer a public official."

Romano answered by saying "all this rhetoric goes for naught and we should make the best of this unfortunate situation."

Romano also said he was "threatened by the Board" and it was at this point when president Mahmorian said he will seek legal counsel to that remark. Mahmorian later said "I am going to seek legal advice as to whether Mr. Romano's statement was slanderous. I want to see if this statement may have hurt my personal or business reputation."

Romano explained that he took his dissenting opinion to the School Board to see if it could quietly be read into the minutes but that the Board, because of some statements they thought may be libelous, advised him to revise certain statements in the report. It was then that Romano hired an attorney. Romano's council was with him at the past two meetings and he also accompanied Romano when that School Board member presented his minority report to the governing body.

Both Schwartz and Mahmorian expressed disappointment at the way the controversy had been handled by the press. Mahmorian suggested that the whole thing may have been blown out of proportion while Schwartz, even stronger in his comments, said "Belleville always gets rotten publicity."

First and foremost this is an internal problem and it should not have been aired in the press," he said.

Schwartz also vehemently defended superintendent Greco and remarked that the Belleville superintendent in some circles was held in higher esteem than Dr. Robert Fleisher, superintendent of Schools in Nutley.

"Mr. Greco has a more difficult job than Dr. Marburger," added Schwartz. "And I'm going on the record with that statement."

Dr. Carl Marburger is the state Commissioner of Education.

Also speaking as a resident Monday night was Ernest Arvidson, a former member of the Board of Education who served with that body when Greco was hired. Arvidson was against hiring Greco as superintendent and said that the superintendent promised to move into Town if he got the position here.

Arvidson also remarked that "Greco had no experience dealing with the high school" and that basic feeling of the School Board that hired Greco was that he would work in conjunction with Rosamilia, who did have high school experience.

"But I see nothing has changed. This was going on when I was serving on the Board and nothing has changed in six years," said Arvidson, commenting on the reported disharmony between the two top administrators.

Board member Matthew Pica brought up what he thought was an imperative point. Pica reported that if the Board had held back on the pay raises the two administrators may have brought the School Board to court and in the end result it may cost taxpayers more

money than by giving them their increments. Pica arrived late at the meeting and for the most part stayed out of the heated discussion. However, at one point Pica suggested that Romano "cut out the policies and do his damn job."

"Cut out all this garbage," he said.

Pat Barbone, a Belleville resident, attacked Romano as doing a terrible job in his capacity as public relations manager for the School Board but Romano rebutted that he was relieved of that position by president Mahmorian and had nothing to do with recent publicity depicting School

System buildings as in deplorable condition.

"You're the PR man and you did a sloppy job," said Barbone, who may be considering running for a School Board seat this February.

Board members James Risoli and Burlazzi were more reserved in their opinions with Risoli in a prepared statement saying "Greco has been performing his duties."

Burlazzi objected to "handing our dirty wash out to the community and the state" and said he firmly believed Romano was sincere in what he was doing, though he disagreed with the way he was

going about it.

"I don't believe there have been any acts of negligence or poor leadership...It is not proper to deal with professionals by exposing them to public criticism...To my knowledge this man (Greco) is doing a competent

job and is well-liked. I would feel very uncomfortable if I had to sit in his seat and be badgered like this...I can't say this meeting tonight was constructive," Burlazzi concluded.

# Public Safety Report Released

(Continued from Page 1)

were towed away.

The number of fatalities in Belleville totaled 6. Five were with fixed objects, not another vehicle.

Motor vehicle and injury accidents accounted for more than one injury per accident.

Our radar check-ups issued 60 summons for the last year.

Auxiliary Police in the period of June 1971 to June 1972 performed approximately 8500 hours in special police time, in patrolling various activities and locations in town, where disturbances could have occurred, if we had not had extra uniformed men available. Included in these acts were hurricanes, storms, parades, school patrol, and Civil Defense school studies.

The Municipal Court, for the year 1971 to 1972 processed more than 15,764 summons and complaints. Of these, approximately 35 percent were for moving violations and more than

\$75,000 was received by the town. The number of parking violations were less this year, than the previous year, however the moving violations increased.

Organized Crime Section of the Police Department conducted approximately 25 investigations, with regard to gambling in the town, and of these investigations, confiscated in play, over three-quarter million dollars and in cash over \$35,000. As a result of these raids, 26 persons were arrested. Our crime division works in cooperation with the Organized Crime Task Force and the Prosecutor's Office.

There were two cases of rape, two cases of homicide, and twenty cases of assault. These were all cleared by arrests.

The Narcotics Bureau had a total of 32 arrests for adults and 3 juveniles. They investigated 21 complaints and our Narcotics Bureau worked in conjunction with the Essex County Prosecutor's Office and had arrests for distribution of heroin, five arrests for use of heroin, and four for possession of heroin. The Narcotics Bureau is continuously advancing its needs to meet the requirements of drug abuse, by attending various seminars and giving lectures in various cities

groups and in schools. This service is available to any civic group or service organization that may be interested.

The Juvenile Dept. handled approximately 200 cases, in which over 350 young people were involved. Of these approximately 50 were remained to Juvenile Court. Over 100 were handled by our own Officers, without recourse to Juvenile Court.

The Legal Dept. headed by our Town Attorney appeared at 88 court appearances, representing the Town of Belleville.

The Fire Dept. answered 785 alarms. The total fire losses in Belleville were \$72,000.00. This is approximately \$100,000 less loss than the previous year.

Our Ambulance Service had an increase of over 100 extra calls this year as compared to the previous year. They now make about 1600 calls per year. This is for all kinds of services, accidents, emergencies, etc.

Our future projects for the Dept. of Public Safety involves applying for Slepia Funds from the State of N.J. so that we can improve our law enforcement practices, both in equipment and safety. This will include crime, nar-

cotics and highway patrol.

We hope to get better traffic control at many dangerous locations and intersections in the Town of Belleville, some of which are in the process and we hope will become a reality, through the use of

Federal and State Funds. The Commissioner will continue to make a search to see if Federal and State Funds are available to ease the burden of the tax payer. The purpose of this yearly report is to ask the public to give us cooperation

whenever they notice anything suspicious or questionable activities going on in their area. This will aid us eventually in continuing to lower any types of crimes or narcotics or gambling that may be committed in our Town.

## Frank Sinatra — An Outrage

As all the world knows, Frank Sinatra made an appearance before the Congressional House Select Committee on Crime to answer questions which the Congressmen wanted answered regarding allegations made against Sinatra concerning the Mafia.

When the final word of testimony was in it was clear to any fair-minded observer that Sinatra was requested to testify only because his name was Frank Sinatra. The information the Congressional Committee

selfish interests of the Congressmen who undertook the investigation.

What the Congressmen were looking for was page-one billing and they didn't care at whose expense they got it. Well Sinatra told them off and we think the Congressional Committee owes Sinatra a public apology for permitting a character assassination to become part of their proceedings. A few more incidents like the Sinatra case involving prominent Italian-Americans may lead to serious repercussions from the ethnic community which keeps on being insulted by otherwise respectable, responsible people. It is about time Sinatra was left alone for he has been dragged back and forth across this country, his name smeared in Mafia legend, with no crime investigating committee coming up with a single iota of evidence that would connect Sinatra with organized crime. The New Jersey State Crime Investigating Committee had a go at Sinatra and it came up with a big fat zero.

We are 100 per cent for getting the guys involved in organized crime and placing them in jail where they belong but we can't see the reputations of admired people being smeared by convicted murderers, rape artists, and others of that ilk while elected officials smugly sit in the seats of power hoping that lightning might strike producing evidence that would make the investigators heroes instead of bums.

Frank Sinatra

sought was available to the investigators by a simple phone call to Sinatra's lawyer. But such a procedure would not serve the

## Nixon, McGovern and Hanoi

We hear all kinds of predictions concerning the upcoming Presidential election. Some Nixon admirers already have written off McGovern.

McGovern-lovers see it another way—they see their champion winning in a walk.

Somewhere in between there are others who feel so violently against both major candidates they hope neither wins. If the election were held today it is probably appropriate to conclude that President Nixon would easily win reelection. However the election is not to be held today—it is scheduled for Tuesday, November 7—and many things could happen between July 27 and November 7. It is our belief the Presidential election may not be determined by American voters but by Hanoi.

McGovern already has publicly stated that if he is elected President the American Vietnam adventure in Southeast Asia would come to an end—all military actions would cease and troops and equipment would be returned home. The question therefore

arises, what logical reason would Hanoi have to negotiate in good faith with the U.S. representatives in Paris before November 7? If Hanoi could get everything it wants without giving up a single, solitary thing why not wait until November 7? And to ensure McGovern's election, what's to stop Hanoi from unleashing a four-prong offensive October 10, four weeks before election day? Hanoi could foul up the American election process by unleashing an attack upon South Vietnam, Laos, Thailand and Cambodia three or four weeks before election day. Such an event would require President Nixon to counterattack. An action of this kind no doubt would last through election day and probably would ensure the defeat of President Nixon.

A military move of this magnitude by Hanoi in October frightens us for it will represent interference with American elections in its most evil and ugliest form dealing as it would with human lives.

In view of the foregoing analysis it doesn't surprise us that we read about

## Seems Only Yesterday

# Norma McCool Argues Against Redistrict Plan

By Elaine Auerbach

### One Year Ago

A 10-unit apartment building was okayed by a 3-2 Commission vote. The building, which was to be located at 538-542 Joralemon Street, came to the Town Fathers with unanimous approval from the Zoning Board of Adjustment. The variance went to the Matricoli Corporation. When asked why he voted against the measure, Commissioner Michael Marotti commented: "I'm interested in maintaining the suburban image of Belleville." He also feared that there would be parking problems in the area.

Town Fathers unanimously passed a \$95,000 bonding ordinance for the construction of a water main along Cortlandt Street in the Valley. The approval was expected because of increased pressure being placed on the Commission by several large industrial firms in the Valley who were facing serious insurance problems because water pressure in the area was "dangerously low." The Belleville Board of Education was considering the joint purchase of office space with the local Health Department. School Board President Leonard Back said that he had discussed the possibility with the Commission and was waiting for their decision. The board hoped to house its administrative offices and those of the special education department in the facility.

### Ten Years Ago

The Town Council made three controversial appointments. It named Peter A. Torre Jr. assessor for one year, replacing Emanuel DeNoia Jr. It reappointed Thomas D'Avella town attorney for one year, and also reappointed Eugene Barnett town clerk for 30 days. The naming of Barnett was a point of high controversy. Supporters of a movement to appoint him for four years were among those who packed the Council Chamber as the appointments were made.

Board of Education member Norma McCool argued for only an hour at a special meeting of the board in an effort to have a redistricting resolution rescinded. Mrs. McCool received the support of Ernest S. Arvidson. The other members of the board were critical of her position on the matter. Mrs. McCool stated that parents who wished to become involved should be encouraged to do so and added that those who had no interest in redistricting should not be forced to act. Dr. Frank DiRuggiero commented that "the favoritism of the past is just what we're trying to eliminate."

A luncheon was held at the Hill-Hills Restaurant in honor of H. Willard Sawyer, executive vice-president of the Baker Process Company, who was to retire at the end of July to round out a career that had begun before the parent company of Wallace and Tiernan had been incorporated. The Baker Company manufactured equipment for the production of paper. H. Willard Sawyer, chairman of the board of Wallace and Tiernan, addressed the guests and friends assembled at the luncheon.

### Fifteen Years Ago

Belleville suffered through the hottest weekend in two years with the highest temperature over 100 degrees. The heat wave ran hotter than a five-day torrid spell in June when temperatures in the 90's occurred each day. The State Department of Agriculture explained that the heat wave

and the lack of rain had ruined many crops. Tomatoes, corn, potatoes and green vegetables as well as apples and peaches were hit hard by the extremely arid climatic conditions.

Mayor Isadore Padula said that he would propose that the Essex County Park Commission approve and develop about 12 acres of land south of Joralemon Street, near the Third River, as compensation for park land lost to the Route 21 freeway. Padula said that if his plan was accepted, the county would assume the cost of flood control for all but 200-foot section of the Third River, since most of the river flowed through the land that was proposed as the county park site.

Dr. Frank M. Durkee, chairman of the Belleville Chapter of the American Red Cross, announced the appointment of Mrs. Herbert "Winnie" Tucker to the important position of chairman of volunteers. Her duties were to include surveying the need for service and recruiting training and recognizing all Red Cross volunteers. Dr. Durkee also appointed Walter Karatz as chairman of First Aid.

### Twenty-Five Years Ago

Climaxing a hectic, stormy two-hour session, Public Safety Director Noll received a vote of confidence from the Board of Commissioners as Mayor Tully cast the only dissenting vote. A three-way clash between Tully and Commissioners Williams and Noll highlighted the meeting. Tully declared he would not vote for the confidence resolution because he questioned the statement that Noll had operated his department efficiently.

Harold H. Roach of 276 New Street came off with the highest mark in the Civil Service examination for appointment to the Police Department. Joining Roach were two other World War II veterans who came out on top in the examination for the fire department. Highest average went to Edward S. Dunleavy while James S. Lee Jr. was the top of the list because he was a disabled veteran.

### Forty Years Ago

"It's all right for lovers and such to carve their initials in trees or fence posts," Commissioner Frank Carragher complained at a board meeting. "But I don't think they should gorge the backs of benches in the Commission chamber." Commissioner Carragher, who worried constantly about the condition of various municipal properties, told his fellow commissioners that he had to spend \$30 of his appropriations to have the benches refinished.

Thirty-six couples and five boys going "solo" were carrying on the Walkathon dance marathon at Riviera Park at a late hour. Sixty-five couples had started in the gruelling contest and of the remaining entrants, the majority seemed fresh and in good condition at the end of the first week.

### Fifty Years Ago

Directors of the Central Building and Loan Association went on a fishing trip to Beach Haven. Those in the party were George Taylor, Henry Morgan, Daniel Mellis, Fred Mose, Edward Mutch, Streeter, Joseph Jule, Robert Williams, C. Lynn Denison, J.T. Telfair and Charles Denison.

Max Nellie Carey and daughter Helen sailed on the Celtic to visit Mrs. Carey's parents in Ireland.

## Golden Comments

# And Then Came A Call From Frank

By James Golden

Hi Neighbors! It has been a long time since I've come knocking at your door. The first guy he'd think of to "clobber" since he has done it so often. Well Frank and I have known each other many years and have engaged in many vitriolic, acrimonious arguments. I have always known that there dwelled beneath the surface a mutual respect for each other's talents but likewise a grudging reluctance to manifest it.

Yea! That must be it I surmised. He was about to berate me verbally over the phone because it would satisfy his appetite for vengeance. His boss (he is married you know) probably blamed Frank for the oppressive heat and the violent thunderstorm which I attributed it to the warmth of the weather, but then realizing the torrential shower had cooled things a bit I took serious note of Mrs. Orechio's suggestion I call him the next day at his office.

NOTE: DEAR DIARY MONDAY JULY 17, 1972  
Alarm: 4:00 A.M. Work until 1 P.M. Freshen up hot, muggy day. retrospection - Had I suffered from a nightmare?

Did I really talk with Mr. Orechio without an argument? Was it true I'd better call to confirm what seemed a dream. Made call. Mr. Orechio would like to see me at his office. It was no hallucination. Had conference with Mr. Orechio. Result: Drafted into Fourth Estate. Dear Diary: SOME DAY. The things that can happen.

Yes. Mr. Orechio convinced me that a column in his paper related to local matters could offer an opportunity to better serve in bringing enlightening and informative news to many of his readers who might otherwise remain benighted and unaware of significant events unfolding in their town.

I have always admired and respected the lofty ideals and traditions of the American press. I pledge and dedicate myself to the strict observance of all its commendable principles. Anyway, polls show that next to used car salesmen, politicians are the least trusted of all business or professional people.

So with the next copy I'll be trying to get into the swing of being a news columnist. Mr. Orechio assures me of an unfettered hand, within the bounds of propriety, and he has demonstrated a sincere desire to bring to his paper a new and novel motif.

I am both flattered and grateful for the opportunity of being given this challenging assignment. It serves to supplement many of my past endeavors designed to foster more economical and efficient governmental administration both at Town Hall and within the educational field.

The wide circulation of the news media encompassed within the framework of an established paper which advances progressively much as TV newscasts which channel their presentations with panelists specializing in classified subjects offers a new format to its readers, while projecting the panelist into the realm of a stratified reporter. Indeed it presents a more forceful and meaningful opportunity to reach the public than an occasional "Letter to the Editor" although they too must be encouraged.

Belleville is OUR town. We all have a stake in it. Let's make it better, cleaner, more efficiently run and if possible, without raising our taxes \$100,000 every year, as has been the case for the past six years.

I'm looking for all the help I can get to make this column what you people would like it to be. Write me or give me a call. Let me have your ideas and tell me your gripes. That way we may be able to better recognize many of the shortcomings or abuses which may exist. The only purpose of this column is to better protect and defend the rights and privileges of all our citizens. The political aggrandizement of no individual will be aided or abetted in any way.

P.S. It's a very hot humid day. I hear what seems a buzzing suppressed laughter. It keeps twitting me into wondering if Frank is snickering at the satisfaction that could be his with the knowledge that the peaceful, serene life I was learning to enjoy has now escaped me. This assignment can be tough.

by Frank A. Orechio

"He is out driving the bus." That was the response I received when I asked to speak to the Mayor, my brother Carmen. And what's the bus? It's a vehicle to transport senior citizens to and from a regularly scheduled meeting. It seems that my brother Carmen has been engaged in this activity for a couple of years and it is probably one of the best kept secrets in town. It was not important that I was trying to reach him. What was important to him was the obvious obsession he has of wanting to be of service to people who need help in any form. So if you see the Mayor of Nutley driving a bus around town, it isn't because he's making some extra pocket money.

RECENTLY I ASKED OUR BOOKKEEPING ACE, June Nutley High School graduate, Judy Wilhelm to put down in writing her impressions of the Democratic National Convention in Miami two weeks ago. Here is Judy's first effort in what may be the beginning of an outstanding journalistic career.

THIS BEING my first year of eligibility to vote, I was very interested, at the beginning, of what went on at the Democratic National Convention. But, with the withdrawal of Senators Muskie and Humphrey it was quite evident, to me, that the McGovern forces had things pretty much their own way. It was apparent that Senator McGovern would be nominated on the first ballot as the presidential hopeful for the Democratic Party (making allowances for the few delegates who preferred to play games and delay the nomination).

"I personally thought the Convention was

nothing more than a farce and a complete waste of time. It was boring. (I found myself falling asleep), confusing, and all together a huge marathon. To my way of thinking the only ones who seemed to enjoy themselves were the delegates who were having a ball in Miami Beach.

"I have nothing against George McGovern. I feel he has some sound ideas and knows and appreciates the value of compromise and reconciliation. But on the other hand, I disagree on many of his proposals and reforms. He is emerging from a badly damaged political party and I believe he has a tough battle ahead of him. For example, organized labor, in particular George Meany, president of the AFL-CIO, wants nothing to do with McGovern and neither does Mayor Richard Daley of Chicago.

"In my opinion, politics is like a game of chess—juggling the pieces (people), moving them here and there and blocking the position that is getting too strong, with each side thinking only of their own welfare."

Judy Wilhelm

I HAVE RECEIVED A COUPLE OF LETTERS from people who take exception to my suggestion that Father Walsh ought to be returned to Nutley's St. Mary's Church Parish. One thinks my suggestion is an offense to Msgr. John Feeley who is in charge of the parish. Another writer thinks I should leave well enough alone since Father Walsh expressed a desire to head up a parish of his own.

Regardless of what interpretations readers place upon my written feelings, and with all respect to Msgr. John Feeley—and

## Have You Seen Our Mayor Driving Around in A Bus?

with due respect to the two letter writers, one who didn't have the courage to sign the letter, I still believe it would be in the best interests of the Catholic Church and Nutley if Father Walsh came back home to the house he served so well and to the people who love him so much. I don't want to get into church politics and I am not a betting man, but it would be my best guess that most of St. Mary's Parishioners would love to see the return of Father Walsh. Maybe I ought to get up a petition to prove somebody else is right or that I am wrong.

COMMISSIONER ERIC MAYER, member of the Nutley Shade Tree Commission, appears to be a descendant of European royalty. While in Fort Lauderdale this weekend I read in the local paper the history of the Mayer name. So that Eric's friends and neighbors realize that the man next door is a piece of royalty, I am reproducing the article on the Mayer family name.

The fleur-de-lis is one of the most ancient of symbols found on coats of arms. It was a conventional form from the beginnings of armor and plentiful in France, especially among the French kings.

Although there are more than forty

known grants to the name of Mayer, the coat of arms displaying the fleur-de-lis was the first to be awarded. The shield is silver with blue embellishment.

The name of Mayer originated in France and Germany and became quite prominent in the history of these countries under the rule of the Holy Roman emperors. Several noble families are found in Germany, France and Poland where they had migrated as knights in the 13th century. The name later became an important Jewish name as well.

Mayer originated from the German word "Meier" meaning steward, bailiff and later designated a farmer. The Old French word was "Maire," meaning a mayor or magistrate of a town, which was a more important position in France than in England, where the term was limited to mayors of boroughs. The Latin word is "major," meaning "the nobler."

When the name was brought to England by the Normans, William le Maier was one of the earliest recorded with the name in 1243 in Somerset. Bartholomew le Mayre lived in Norfolk in 1275 and Alan Mair appeared on the Northumberland tax rolls in 1279.

Thomas Mayer arrived in Hingham, Mass. in 1638 from Norfolk, England. Robert Mayer was an early settler in America in 1683 and Henry Mayer resided in Boston in 1686.

Louis B. Mayer brought prominence to the name in America as a pioneer of the motion picture industry.

MARIO ZINOLI did not undergo an operation last week as was indicated in this column. I received erroneous information. There is no change in Mario's condition. He is still holding his own.

STEVE SAMONA, that gay man about town with the ready smile, was released from Mass. General Hospital. The first thing he did was to reclaim his seat on the bench in Nichols Park. Everybody is happy to see Steve back.
