Superabundance Of Slugs Evident

Because of all the rain we had in May and June we are experiencing a superabundance of slugs in vegetable gardens.

"Slugs are associated with dampness. Weeds and mulch on vegetable plants make excellent cover for slugs," says William F. Munk, senior county agricultural agent of Essex County.

According to Mr. Munk, slugs don't like the heat of the sun and do their dirty work at night when it's cool and damp.

The best control for these pests is a bait containing metaldehyde which you can buy at most garden supply stores.

Follow the directions on the label, advises Mr. Munk.

Too many eye witnesses usually confuse the story.

Gardeners, Leave Wet Garden Alone

With all this rain there's a tendency for home gardeners to loosen the soil to dry it out and eliminate the excessive water that has accumulated.

The best thing to do is stay out of the garden and wait until the standing water has disappeared. Working the soil when it's too wet will ruin the soil structure, advises William F. Munk, senior county agricultural agent of Essex County.

If weeds are a problem just scrape the surface until the soil is dry and crumbly enough to be worked, says Munk.

When you can get into the garden, cultivating should be shallow and away from the plants. This is especially true if you have sizeable plants such as tomatoes.

"With all of this rain many of the roots will be in the surface soil. Disturbing or cutting the root system will cause the plants to wilt when the sun comes out," explains Munk.

If you are using a mulch such as straw, hay, or grass, rake the mulch away from the plants. Rake the mulch when the soil has dried out.

Munk also suggests that you keep your plants protected with fungicides.

RECEIVING CHECKS—Receiving scholarship checks from Mrs. Carol Burgess (right), president of the Alumnae Association are from left, Susan Walsh, Dolores Fries and Jeannette Dvarackas. Miss Anne Knox, School of Nursing Director, looks on.

Clara Maass Alumnae Award Scholarships

The Alumnae Association Nurse Scholarship Committee of Clara Maass Memorial Hospital, under the direction of Mrs. Carol Burgess, president, awarded scholarships to three student nurses amounting to \$750. Those receiving the awards were Jeannette Dvarackas of Kearny; Dolores Fries, of Williamston and Susan Walsh of Jersey City, Class '74 President.

This is the second time that the Clara Maass Alumnae Association has awarded

nurse scholarships. The money was derived from card parties, fashion shows, dues and other functions.

Three other scholarships were awarded to high school graduates who will start nurses training at Clara Maass School of Nursing namely: Lynn Holck, of Union, scholarship from Suburban Womens Club; Betty Jean Scheckenberger, of Long Branch, scholarship from Allstate Insurance; and Carolann Zatorski, of Kearny, scholarship from the Kearny Rotary Club.

Blossom Rot On Squash Caused By Wet Weather; Fruit Lost

During this extremely wet weather home gardeners are having a lot of trouble with the rotting of young fruit on squash plants.

The cause of this disease is a fungus. Experts call it "a secondary disease." Were it not for the extremely muggy weather the fungus wouldn't stand a chance.

So says William F. Munk, senior county agent of Essex County.

Normally when the flower

is through blooming the petals and stamen (male part) dry up and fall off. Then the young fruit develops, provided it has been fertilized.

During extremely wet, muggy weather the blossoms and parts of the stamen do not drop off but remain "plastered" to the tiny young fruit. The secondary fungus called Botrytis or gray mold enters the dead flower part and then invades the fruit, explains Mr. Munk.

"We can't prevent the disease on the young fruit which is already infected but once we get hot, dry weather the flowers that bloom at that time will produce healthy fruit," advises Mr. Munk. If growers want to spray to control this disease they may use a newly approved chemical called benomyl or Benlate.

Use this compound at the rate of a half pound to 100 gallons of water or one tablespoon in 2 gallons of water. Apply at weekly intervals during the wet, muggy weather.

New Jersey Ranks First In Poppy Sale

The State of New Jersey ranked first in national sales of the V.F.W. Buddy Poppy for 1972. Citations and pins will be awarded Poppy Chairman Norman Glendinning, Guttenberg and Mrs. Albert Bartocci, Cranford. The Department Commander, Thomas Lynch, East Brunswick and his president Mrs. Richard Nebus, Keyport, whose terms were just completed at the State V.F.W. and Aux. Convention, Wildwood, will receive a National Plaque from Buddy Poppy Director, Lowell Eastland, National Headquarters, Kansas City, Missouri.

Each year an average of 15 million Buddy Poppies are sold nationally. The Dept. of New Jersey accounted for \$50,000 in 1972. Proceeds from the organizations only direct financial appeal to the public go to relief and rehabilitation funds, to hospitalized veterans who assemble the flowers and to support of children of deceased or disabled veterans living at the V.F.W. National Home, Eaton Rapids, Michigan. The red flower symbolizes the V.F.W. motto: "To honor the dead by helping the living."

Firemen's Post Commander, Robert Miller, Glen Ridge, has appointed Joseph Price, Bloomfield as Poppy Chairman, and President Mrs. Robert Miller, has appointed Mrs. Alice Redmond, to again serve this year. Retiring District No. 4 (Essex) V.F.W. Auxiliary President, Mrs. Parker A. Myron, Roseland, has been named State V.F.W. Auxiliary Buddy Poppy Chairman by President Mrs. John Cramer, Fallston Md. for the ensuing year. Mrs. Myron was also named one of the outstanding Districts Presidents in the State of New Jersey for 1972.

Powdery Mildew Attacks Lilacs

If the leaves of your lilac have a white coating on them and are starting to curl, your plant is being attacked by a fungus disease called powdery mildew.

Many plants are susceptible to this fungus but none worse than lilacs and phlox, says William F. Munk, senior county agricultural agent of Essex County.

Ignoring the mildew to the point where the leaves drop off will not only give you a leafless plant but will reduce the number of blooms you'll have next year.

"It's the leaves that manufacture food for the plant and only healthy plants produce a good flower crop next year," advises Mr. Munk.

Spraying with a chemical called benomyl, sold under the trade name of Benlate, at the rate of one tablespoon to 2 gallons of water does a very effective job.

The spray should be applied at 14-day intervals from mid-July to September. This amounts to about four applications.

"This fungicide is more expensive than the sulphur that has been recommended in the past, but it does an excellent control job and does not have to be applied every week," says Mr. Munk.

The harm of pressure groups is the suppression of individual thinking.

"BEAUTY TIPS"

By Justin

If your face is a combination of dry patches and oily areas, beauty-treat it this way. Use mild cleansing lotion, then dab freshener on oily areas to close pores and tone skin. Smooth moisturizer on dry places. Key down prominent eyelids by stroking brown shadow from lashline to crease, then white highlighter above. Gentle sunburn-soother, mix milk and water half and half, chill it then saturate gauze and use for compresses. A popular model says blusher and mascara are her favorite cosmetics, always go with her in her handbag. "That's all you need to pull your face together."

Temperature And Rain Affect The Home Gardens Disastrously

Cool, wet weather is affecting the fruit set and plant growth of tomatoes, eggplants, and peppers.

"When the night temperatures fall below 58 degrees and the day temperatures go above 85, particularly when there are hot, dry winds blowing, the blossoms will fall off and there'll be no fruit set," advises William F. Munk, senior county agricultural agent of Essex County.

"Also, under these cold abnormal conditions plant growth is very, very slow."

If home gardeners see the blossoms of their tomatoes, eggplants, and peppers falling off, this is the reason. What's the answer? Mr. Munk says, "There's no control; just pray for sunshine and warm weather."

Only Nine Players Show Up

Makeshift Legionnaire Team Ends Season With 8-8 Tie

By Tony Colabrese

Belleville's American Legion team ended their season this past Monday evening in Maplewood by tying their opponent 8-8. While this game was far from an artistic success, it will go down in Belleville Legion history as a classic.

This was due to the fact that injuries, and other outside reasons have decapitated the Legion team so much that Monday evening coach Charlie Craig had to

put on the field only nine players that showed up for the game. This arrangement made for some unusual player positions for some of these boys, and also called for the team to stick together under some pretty stiff odds against them.

Of course the strange fielding positions were bound to cause a gang of problems and Belleville huffer, Mario Malfitano had to suffer the brunt of 10 fielding errors made behind him.

In the final account, only one of the eight runs which scored against Mario was earned, so he really had to go through a lot. Mario gave up only five hits while striking out five and walking two. He finished the season with a pitching record of 2-0-1.

Offensively Belleville gave him more support than may have been expected as between some poor Maplewood fielding (they made four errors themselves), some sharp hitting against Maplewood

pitcher Joe DeCroce, and taking advantage of some of DeCroce's wildness they managed a threat in almost every inning.

Belleville scored two runs in the first without benefit of a baserun. Two walks, three errors, and four stolen bases gave Belleville a 2-0 lead.

However, in the top of the second (Belleville acted as home team due to a pre game agreement) a single by Rich Cimirro, a triple by Matt Jamer, and two errors accounted for two runs. Wayne Pierce led off the third inning for Maplewood with a double and two errors brought him around. Cimirro was intentionally walked to load the bases.

A sacrifice fly by Jamer scored one and another scored on an outfield throwing error. An infield hit by Chris Klemm scored another run. That made the score 6-2 Maplewood after the top of the third.

In the bottom of the third Belleville scored three times to make the score 6-5. A walk to Kevin Goy, a single by Frank Petite, and a stolen base by Petite set it up for Joe DeFranza to single in two runs with a base hit up the middle. A little later on in the inning Gary Soldo lined a double to right field which scored Dennis Nadzan making the score 6-5.

Belleville tied the score in the bottom of the fourth. With two outs Petite, reached on a force play, stole second, went to third on a wild pitch, and scored on a hit by the big catcher for Belleville Joe DeFranza, who normally played right field this season.

After that everything fell into place for Belleville. The fielding for a time got better. Gary Soldo, playing third base for the first time in his life, made a play on a line

drive by Cimirro, that even Brooks Robinson would envy.

In the process Belleville went on to take the lead in the

Recreation Instructing Handicrafts

The highlight of the crafts program this week is flower-making with fun-film. Fun-film is a liquid plastic which, when a pre-shaped wire is dipped into it, makes a colorful transparent shape.

The children can twist and bend the wire into any shape they desire to make hearts, sunglasses, butterflies, and abstract objects. Making flower petals and wiring them to make a flower is the most popular item all over town. Each flower is unique and attractive whether it be made by a six-year-old or a 20-year-old. Officials have had many requests to bring this material around again next week.

Some of the playgrounds are still working on the macaroni vases from last week. These provide a suitable vase for the flowers they are now making. Various playgrounds have caught on to the Ivory Snow and water sculptures invented by the Stadium kids, such as playground number 2.

Workers can steal by doing nothing when they are supposed to be working.

Defeat Caldwell But Drop Vailsburg Game

Belleville's American Legion baseball team were involved in two shutout games, two weeks ago. One had a

bottom of the fifth inning. With one out Soldo walked. Mike Dondarski then followed with his first Legion hit ever, a solid single to left field. Soldo went on to steal third from where he scored the go ahead run on an infield hit by pitcher Malfitano.

Dondarski later scored when Joe Ross hit a fielders choice grounder which was mishandled for an error. From there Belleville held their lead to the top of the seventh.

A walk and an error got Mario in trouble with one out. From there Frank Petite came in to try and nail things down. However, an infield single and a dropped throw at home plate for the tenth Belleville error of the game, ended the season right there for the team with a record of 0-6-1.

was his third of the year, a five hit performance in which he struckout six and walked four.

Kalucki of Vailsburg allowed only two singles by Joe Ross, and a base hit each to Kevin Goy and Frank Papasidero in a fine pitching performance. He struckout with plenty to spare.

Softball Leaders Register Victories

In each of the four Recreation Men's Softball Leagues the leaders picked up wins last week to open their leads.

Frenchys in the Monday League picked up wins over Olgas and Ajax Motor. Olgas in turn defeated the third place Toyotas. Frenchys are now 10-2, Olgas 7-5, Toyota 6-5, Parkway 6-5, Ajax Motors 4-6, and Wallace and Tiernan 0-10. No Frenchys in the Tuesday League again and if they win, will have the Monday League wrapped up.

In the Tuesday League Rosellies overcame both Frankies and Local 426 to assume an 11-1 lead. McCabe hung on, however with wins over the Circles and the Delmonts. This league now lines up Rosellies 11-1, McCabe 9-2, Frankies 7-5, Circles 4-7, Belmont 3-8 and Local 426 0-10.

DeBaccos continue to dominate the Wednesday League as they pick up wins from Laterazs and second place Garden Liquors. Garden Liquors did stay alive however, by defeating the NuPlas. Third place Landolfs dropped one to Laterazs, and then defeated Garden State. In this league it is now DeBaccos 10-1, Garden Liquors 8-3, Landolfs 7-4, Laterazs 4-7, NuPlas 4-7, and Garden State 0-11.

Things remained in the same order in the Thursday League with each of the top teams taking a win from one of the bottom three. The second games of the scheduled double-header last week were rained out. It's still Parkview House in front at 9-1, then the Manor 8-2, Joly Cleaners 7-3, Third Rail 3-6, Hudsons 2-7, and the Shamrocks 0-10.

Rich Centanni Hurls Belleville Legion To 9-6 Conquest Of Irvington Squad

Belleville's American Legion baseball team behind the five-hit pitching of Rich Centanni and Dennis Nadzan, and a 13 hit attack handily defeated an Irvington legion team by a score of 11-2 in a game played at Irvington.

The win upped the Belleville season record to 9-6. For Centanni it was his fourth pitching victory of the season. Belleville started early against Irvington pitcher Sal Giampino and never quit. In the very first inning they

scored when Frank Petite lined a homerun past a diving center fielder of Irvington, Jim Belli. It was the first homer hit by a Legionnaire this season.

In the second inning Belleville scored on a single by Joe DeFranza, a sacrifice by Dennis Nadzan, and a single by Ron Goy. They added three more runs in the third inning when Centanni and Joe Ross hit back to back singles, and both scored on a double to left by Petite. This

hit scored what proved to be the winning runs. Joe DeFranza soon followed with a single which scored Petite and at the time made the score 5-2.

Belleville took a rest in the fourth inning, but went back to the job of scoring runs in the fifth. A single, walk, and error, and sacrifice fly, and a fielders choice brought home the three tallies Belleville scored three more in the sixth inning.

Little Leaguers Star In Tourney

The Belleville National Little League All-Stars have registered three tournament victories to qualify for play against the Livingston Americans for the District Seven Championship.

The local Little Leaguers defeated Bloomfield in the first contest, then conquered neighboring Nutley and finally topped the Livingston National team to put them in the finals.

Belleville's first victory saw them upend Bloomfield Northern by a five to four score in eight innings. Belleville, behind by one run in the last three innings, came back to tie the game and then win the contest. Local slugger Bob Raccioppi singled in the margin of victory from second base. Raccioppi had three hits in the contest, including a home run. Rock Balsamo and Phil Graffeo each had two hits for Belleville.

In the second tournament contest, Belleville came from behind twice to tie and then

finally pulled ahead to stay in the fifth frame. Bob Raccioppi and Mark Venerio each had a home run for Belleville, followed by Phil Graffeo with two hits. The score of the Nutley-Belleville contest was 6-5.

Belleville defeated the Livingston Nationals by the

score of 7-4. The local squad fell behind in the first inning when Livingston went ahead by two runs. Livingston scored two more tallies in the third inning to go ahead 4-0. Belleville answered with two runs by Rocky Balsamo and Frank Scarpelli where the big hits of the game.

Checkerboard Football Tilt Highlights Recreation Dept. Playground News

This week at No. 3 playground Tara Sherman defeated Anne Poonella in the Kaloh tournament. Volleyball was played and enjoyed by all those participating, and to end the week the children

found relief from the heat with a lemonade.

The children at No. 10 playground invented a new game called checker football. It is played by using a checkerboard as the field and red

and black checkers are men on each team. They are moved by using the players' knowledge of football strategy.

A chess board appeared at No. 4 playground and Antho-

ny Dondarski is defending his title. A watermelon party finished the week. Tom Della Torre was the winner of the bike race at No. 2 playground. Mark Lukowiak was the final winner of the checker tournament. Anthony DeMaio was the winner of the Nok-Hockey tournament.

Under the supervision of the directors, the children at the Rec House are cooling off under the fire hydrants. Cheryl Contratto, Diane Densler, Sandy Turo, Shane Malone and Terese McCarthy are among those who enjoy the sprinkler. The week ended with a pizza party.

This week at No. 9 playground the children had a watermelon party. The children were divided into two teams for relay races and the team with the best out of five races was the first to receive watermelon. The members of the winning team were Tommy Lento, Dave Palumbo, Diane Dolph, and Norman Roberts.

Basketball teams were formed at Kelly-Playground and No. 1 playground and a game was played between the two. Both teams played well but Kelly was victorious. Kelly's team consists of Steve Marr, Abedel Anderson, Lauren Goon, Sherman Goon, Mark Canyon and Eddie DeMingus.

A crazy hat party and contest was held at the Stadium. Some original creations were displayed by Gina Nicolette, Kim Santangelo, Mary Friese, Joey Santangelo and Paul, Eric, Matthew, Gail and Pala Hochstahl. All entries were rewarded with an icepop.

The children at Fairway playground mixed ivory snow and water and molded figures from the mixture. Wayne

WATERMELON is offered at the No. 3 Playground in the Belleville Recreation Department and (l-r) these local youngsters are taking full advantage of the situation at hand.

DUFFY DYER, hard-hitting catcher of the N.Y. Mets, will be a special guest at the DeWitt Savings and Loan 30th anniversary party this Monday. Dyer will be on hand to sign autographs for the kids.

Local Legion Nine Stumbles In Dropping Two Of Three

The Belleville American Legion team continued to stumble along last week as they managed an impressive

Caldwell Nine Defeated But Vailsburg Wins

(Continued from Page 9) four and walked no one as Belleville could not get a runner past first base all evening.

In this game Rich Centanni was not as sharp in the Caldwell game as he gave up all six runs on nine hits. Vailsburg scored three in the fourth inning.

The big hits of the inning were a bases loaded double by Nick Castellano that scored two runs and a single by Kalucki that scored another.

5-1 win in Millburn, however, dropped two other close decisions at the hands of Verona and Vailsburg.

Verona was a very tough one to drop for the team, a 1-0 encounter in which the only run of the ballgame was unearned. In Vailsburg the team lost a five inning rain and darkness abbreviated game by a score of 2-1, in which Vailsburg scored their runs in the last of the fifth inning.

In Verona, Frank Petite hurled a three hitter for Belleville. He struck out nine and walked five. One of these walks was damaging though because the man who received it in the bottom of the first inning scored the only run of the game.

George Mackey led off with Petite's first walk. He moved to second on Bobby

Caputo's sacrifice bunt. Mackey came in to score when Petite dug his own hole and threw on a ball hit by Tim Bannon for a two base error. After that Verona managed three other threats but never scored.

On offense Belleville had a very rough time with Verona hurler Jimmy Cross. Belleville got their only two hits of the game in the second inning on singles by Joe DeFranza and Dennis Nadzan. After that the team could manage only two more baserunners.

Recreation Dept. Playground News

(Continued from Page 9) demon party was held on Friday.

This week was filled with tournaments for the children of Kelly playground. Liza Pizzella was the winner in Kaloh and Joseph Downey won the most games in the Nok-Hockey tournament.

In the Basketball Foul Shooting Tournament Gary Wilks made the most shots that went into the basket. Annette Laurence and Rickie Wilks were the fastest children in the running race.

the rest of the night on walks and both of these men were picked off of first by Cross.

Millburn was the sight of an excellently pitched game by Mario Malifano. Malifano gave up only three hits and the only run he gave up was unearned. Mario struck out seven while not walking a person. It was his second victory of the year and both have been against Millburn.

On the attack Belleville scored the first three runs of the game in the third inning. Walks to Phil Nicastro and Ron Goy started things. Both

runners moved up a base on a sacrifice bunt by Malifano. Kevin Goy doubled to score two runs, and Kevin came around to score on a single by Frank Petite. The final two Belleville runs of the evening scored in the fourth with the big hit of the inning being a single by Nicastro.

In the Vailsburg game Gary Soldo of Belleville and Steve Kalucki of Vailsburg held their opponents scoreless over the first four innings. In the top of the fifth, Belleville managed to score the first run of the ballgame when Gary Soldo led off with a booming double to left-center, a drag bunt single by Joe Ross moved him over to third, and a single by Kevin Goy delivered Soldo with the run.

However, Vailsburg managed three runs off of Gary in the bottom of the inning. Singles by Vince Ferrara, Rich Cerone, and Frank Zazzaro loaded the bases. A groundout scored one run, and a single by Steve Martucci delivered the two game winners. At this point with darkness and rain both falling the umpires called the ballgame.

Handicrafts Stresses Creative Art Design

This past week has been a good one for the crafts program, despite the heat.

The project of the week was relief assemblage with golden foil, a creative medium by which one glues a cardboard design on to a piece of masonite which is then covered with a piece of golden foil. The goldenfoil is then folded into the cardboard design with the use of a pointed wooden tool.

The piece may be finished by covering it with magic marker or by rubbing the desired portion with steel wool, thus bringing out the silver underneath the gold which has a very attractive effect. The playground kids had a good time picking

through the cardboard shapes to compose new designs, especially since being "copycat" was outlawed by the handicraft director from the start. The kids were left more or less on their own to create after they were taught the "how" part of it, and what they turned out was excellent. It was very rewarding to watch children put their imaginations to work in an age where most of the toys do everything but wind themselves up.

A side attraction this week was telephone wire art. This type of wire is found in thick cables used by the telephone

company. It is a very light gauged, colorful rubber coated copper wire which may be bent into an endless number of shapes. The most popular project is ring-making but the kids have come up with all sorts of ideas. At Kelly Playground it was used to glue onto bottle caps while at No. 4 the creative Savastano brothers designed monograms, an idea which caught on throughout the playground.

Again this week the playgrounds were taking turns with the fun-film kit and will probably continue until it runs out.

Nationals, Americans Play

Rotary, Kiwanis Head Belleville Little League

This week's standings in the Belleville Little League shows the Rotary Club leading the American Division while Kiwanis heads the Nationals.

The Wallace and Tienan club hold down third place in the American League with a 4-1 record, only one half game off the pace of Rotary. In third place the Varsity Club and Biancardi holds down the fourth position at 3-2. Riefolo has the fifth spot at

1-2 while B.I.A.C.A. is in sixth at 1-3. In seventh place and yet to win is Landoff with 0-3 and the Elks occupies the basement, sporting an 0-5 mark.

Closely following Kiwanis

in the National League is the Lions Club with a 5-1 record. The P.B.A. is far behind in third place with a poor 1-2 mark while Jolly Cleaners is in the cellar and have yet to win in three outings.

Kiwanis took advantage

of the wild pitching of the Amvets in the first two innings and scored five runs to defeat the Amvets by a 7-2 total. Jerry Sorce had two hits for the winning team and both pitchers in the contest allowed

only three safeties. Riefolo beat a young scrappy B.I.A.C.A. team by the score of 9-2. Joe Brooks lead the Riefolo team with three hits and scoring three runs for the losers was Joe

Brooks. Mark Roll had four hits and Butch Rodriguez three safeties for the winners. Joe Wolf did some fine fielding and all the players showed a good game in this contest. Biancardi put a run across

in the top of the sixth inning to defeat the Elks by the score of 4-3. Charles Rinaldi had two hits for the winners while Joe Cassese, Chuck Broo and John Razziti had two apiece for the losers.

Electric Consumption Is Up Four Per Cent

Sales of electricity by
Public Service Electric and
Gas Company in the first six
months of 1972 reached 12.9
billion kilowatt-hours, 4 per-
cent greater than the like
period of last year; sales of
gas in the period totaled 1.2
billion therms, about the same
as in last year's six-month
span.
Operating revenues of \$495
million in the six-month
period of 1972 were 7 percent
ahead of revenues in the same
period of 1971. However, net
income in the first half of
1972 declined 18 percent from
the year earlier period.
Earnings available for
Common Stock in the first
half of this year were \$1.29
per share on the 39,475,486
average shares outstanding in
the period, compared with

35,974,638 average shares.

Shore Road Named Driscoll Expressway

It will be called the
Governor Alfred E. Driscoll
Expressway.

The 38-mile Toms River
Extension to be built by the
New Jersey Turnpike
Authority will bear the name
of turnpike chairman and
former governor Driscoll by
formal resolution of the New
Jersey State Senate, passed
unanimously yesterday.

The Turnpike, the Senate
resolution stated, "has proved
to be a facility of outstanding
utility to the people of this
state and has served as a
model of successful highway
planning and construction
throughout the world."

Following up on the Senate
action, Turnpike vice chair-
man Robert J. Citrino today
called a special meeting of the
Authority to implement the
Senate resolution. Chairman
Driscoll was in Ohio on per-
sonal business. The Com-
missioners voted unanimously,
officially designating the
Toms River Extension as the
"Governor Alfred E. Driscoll
Expressway" and for pur-
poses of signing, as the
"Governor Driscoll Ex-
pressway."

The Senate resolution
received bipartisan spon-
sorship from Senators
Richard R. Scott and Joseph
Azzolina of Monmouth, and
William V. Musto of Hudson
and Norman Tanzman of
Middlesex.

It honors a public official
during whose governorship in
1948 the State Legislature
enacted the law creating the
New Jersey Turnpike
Authority, resulting in the
construction of the State's
first toll road of modern
times, opened to the public 20
years ago.

Governor Driscoll was
cited in the Senate resolution
for his "many services to the
people of this state," which
includes service on the Board
of Education and Borough
Commission in his home town
of Haddonfield, and in the
State Senate, where he was
majority leader before being
elected governor in 1946.
When re-elected in 1949, he
became the first governor of
New Jersey to succeed himself
in over 100 years.

As governor, he succeeded
in revising the State Consti-
tution, reorganizing the judi-
cial system and executive branch,
reforming prison and parole
systems and State's mental
institutions, expanding park
and recreational facilities and
developing a toll road
network of Turnpike and
Parkway.

The Turnpike extension
was described by the Senate
as a "significant public work
closely connected with one of
the major projects of his ad-
ministration." Planning is
now underway for this major
improvement, two years after
Alfred E. Driscoll became
Chairman of the Turnpike
that he instituted during his
governorship.

The Legislature last May
authorized the Toms River
project to extend from the
Turnpike at South Brunswick
to Toms River where it will
connect with the Garden State
Parkway.

Now what do you do?

First of all, cheer up. You've done everything right so far. Your tire went flat and you drove on until you could pull completely off the road. Oh, you probably ruined the tire. But you also may have saved your life.

Our safety experts have learned some other things that can help a lady in distress.

Never stop where your car is exposed to on-coming traffic. Keep driving until you find a safe spot on the right side of the road. When help isn't immediately available, chances are it won't be long before a police officer comes to your aid. To help him see your problem—and to warn other motorists—turn on your parking lights or emergency flashers and raise your hood tie a white handkerchief to your radio antenna.

Then, it's best to place road flares 100 and 200

feet to the rear. In fast traffic, stand well off to the side and about 15 feet to the rear of your car. In light traffic or where you are safely away from on-coming traffic, wait inside your car with the doors locked. Above all, stay where you are. Accepting a ride can make a big problem out of a very minor one.

It's all good advice from your new car dealer. And the people waiting at home would agree with us.
