

Seeks Organize Tenants For Rent Control Move

A civic-minded Belleville young man who recently took a private survey of landlord-renter relations here is now seeking to form a tenants group here.

Steven Rogers of 27 Rocco Street is attempting to unite tenants in Belleville to force through legislation protecting renters' rights and setting up a rent control law in Town. Next month, states

Rogers, he and his staff will personally be handing flyers out to residents here informing them of the move to form a tenants association.

"On the flyer is a coupon that can be filled out and sent to me," added Rogers. "Those interested in bringing into being a rent control law in Belleville may send for more information."

Rogers said anyone interested in the move may write to him at the following address: N.B.T.A. c/o Steven Rogers, 27 Rocco Street, Belleville, N.J., 07109.

Rogers and a staff of 10 volunteers will be canvassing the Town in the coming month to personally deliver the flyer to anyone interested in formation of the group.

"We are not only restricting the association to tenants," said Rogers. "We want anyone interested to join, including renters, home owners and even landlords."

Earlier this year Rogers, with the help of several assistants, interviewed in depth 100 apartment renters in Belleville. The results of that survey appeared in the Times-News. Rogers claims the majority of tenants in Belleville are being treated unfairly and he says the results of the impartial survey back him up.

"There is no one particular area where tenants here are getting a bad deal. I could name several areas, from faulty wiring to broken toilets, where the renter is being cheated in some way," added Rogers.

Hearing Delay Irks Strumolo

"We're being pushed around by the PUC."

That was Commissioner Vincent T. Strumolo's reaction when he was told a public hearing by the Public Utilities Commission on a request by Transport of New Jersey for curtailment of service on the No. 30 bus line has been postponed indefinitely.

The meeting was to be held Monday night in the Bloomfield Town Hall. Strumolo's Department of Public Affairs had sent seven thousand flyers out to Silver Lake and Soho area residents requesting that they attend the hearing.

The No. 30 bus route travels the length of Franklin Street in Belleville and Strumolo claims discontinuance of the line could adversely affect several residents here. Strumolo had planned to fight Transport of New Jersey by instructing Town Attorney John Scott and the Town's Transportation Committee to attend the hearing on behalf of residents.

Now, instead of holding the hearing, PUC has decided to allow Transport to conduct a trial experiment line replacing the No. 30 until January.

A trial period for No. 60 bus to be diverted once an hour over Municipal Plaza and along Franklin Street

when the No. 30 is not in service has been arranged until the end of the year.

Strumolo, in citing the fact that the discontinuance of the line on Franklin Street, claimed it would affect several senior citizens attending Bingo games in Belleville Saturday nights.

St. Anthony's Church is located on Franklin Street and many seniors, says Strumolo, have no way of attending the games other than by bus.

"Curtailment of service would not only disservice senior citizens but would cut down on the attendance of the St. Anthony's Bingo games."

Mayor's Zoning Proposal Passes

Mayor Joseph McGreevy's ordinance designed to restrict population density requirements was easily passed last Thursday. Town Fathers, at their regular meeting, gave an unanimous nod to the measure by a 5-0 count.

The ordinance is constructed to provide for more adequate parking facilities, open up more air space and greenery and prohibits the erection of apartments in an

industrial zone. The zoning ordinance passed Thursday replaced another McGreevy sponsored measure calling for a two-year moratorium on apartment construction in Belleville. That bill, however, was killed by the Commission and replaced with the density restriction measure.

According to Building Inspector Vincent Mustachio, builders wishing to erect apartments in a

prohibited zone must now apply for a variance and appear before the Board of Adjustment.

"Builders seeking to construct apartments could go for a variance. That's dictated by a state statute and nobody can stop that," Mustachio added.

The ordinance is designed to do three things. First, it will stop "check-by-jowl" construction in B-residential zones. It changed the number of dwelling units allowed there per acre from 27 to 22 units. Secondly, it reduces the size of apartment houses allowed in a multiple-dwelling zone from 30 units to 35 units per acre.

Lastly, it ended the construction of apartment houses in industrial zones. Before the new rule passed 35 dwelling units were allowed. Now, only one and two-family homes are allowed in an industrial zone.

Win One At Rec Dept. Turkey Shoot Sunday

The Annual Recreation Department Turkey Shoot will be held this Sunday at the Town Pistol Range on Juralenon Street, reports Commissioner Michael Marotti. The contest is open to men, women and children 12 years of age or older but minors must be accompanied by an adult.

The Turkey Shoot, run now for the sixth year, will be held 1 to 4 p.m. If inclement weather forces the shoot indoors it will be held at the Recreation Rifle Range in Municipal Stadium on Nolton Street.

Official rules for the Turkey Shoot are as follows: Each participant purchases a random target for one dollar. Based on the highest score, one winner is picked from each flight of six shooters. Each winner will be awarded a certificate for a 12 pound Thanksgiving Day turkey. Guns and ammunition will be furnished by the Recreation Department and a shooter may purchase as many targets as he wishes.

Random targets are used so that everyone has an equal chance of winning. The targets to be used are marked off in numbered squares and each shooter gets three shots at his target. If a shot goes clean into a square his score is the number of that square. If a shot breaks a line between squares the shooter gets both numbers and a shot breaking

the intersection of four squares will score the total of all four numbers. The numbers though, report of officials, can't be seen from the firing line.

By James R. Golden

Discharging my duties as a citizen in serving as a juror has proven a most boring experience, notwithstanding the fact that I have learned the meticulous care that is exercised by the courts to assure complete fairness and objectivity in protecting the rights of the accused in all criminal cases.

If a juror should have a close relationship or a family relative engaged actively in law enforcement, such as applies in my case, whereby my son performs as a state law enforcement officer and often instructs new local police trainees at the several county police academies, that juror is almost certain to be either excused by the judge or challenged by the defense attorney. Result: such a juror sits on few, if any, criminal cases which presently jam the court's calendar.

In civil cases, which are few, the jurors selected are drawn from any of several panels selected on a rotating basis and when assigned to the court room of the various judges their number and name is picked from a well rotated barrel which included all the names of the jurors from that panel. Chance plays a big part in selection which is then subject to the peremptory challenges of the rival attorneys.

There are times when only a few prospective jurors remain from several panels which are not serving on a jury hearing a case, then a hybrid panel is made up from several different panels to provide jurors for a particular case.

The jurors' room is spacious and most comfortable. (Continued on Page 3)

Thomas Testa Inducted Into Hall Of Fame

Tom Testa, recently inducted into the Montclair State College Hall of Fame, is a man who has occupied the unenviable position of coaching the Belleville High Football team while residing in Nutley.

However, the old archrival never presented any serious problems, say Testa, who still teaches physics at Belleville, while holding down a post as defensive co-ordinator for Clary

Anderson's Montclair State eleven. While coaching Belleville through 1962 to 1966, the Bellboys posted a total 31-12-2 mark, and his 1962 team had an 8-1 record, the best in 33 years. "Both Belleville and Nutley had representative teams through those years, and we had some real donkeybrooks. It was considered like the Army-Navy game. Reliable Reports Say St. Nick Soon Coming

Reliable word has been received from the North Pole that Santa Claus with his sleigh and reindeer will arrive in Belleville on Friday, Nov. 24.

The Belleville Chamber of Commerce is again sponsoring a parade that will bring Santa into Town. Slated to start at 1:30 p.m., the parade will highlight the Belleville High School Band and Twirlers. The parade route is down Washington Avenue

from Greylock Parkway to Mill Street and then back to Town Hall, where Santa will be met by the Mayor and Board of Commissioners.

Local youngsters may then meet with Santa in a special trailer to be parked in the municipal lot next to Town Hall, where the youngsters may also have a picture taken with Jolly Ole St. Nick. After that, Santa will be at the trailer various times in the weeks to come.

At Fewsmith Church Joint Service Planned On Thanksgiving Eve

A Community Thanksgiving Eve service of worship will be held at the Fewsmith Memorial Presbyterian Church, 444 Union Avenue, Belleville, on Wednesday evening, Nov. 22, at 8 p.m. The service will be conducted by the Rev. Paul Ruter, Pastor of the Belleville Reformed Church, and by the Rev. Alfred W. Stone, Jr., Pastor of the host church.

The Rev. Albert Albrecht, Pastor of Bethany Lutheran Church, will deliver the evening sermon, "Well, You Asked For It."

A choir composed of members of the participating churches will present two special anthems under the direction of Mrs. Ann Lewis of the Montgomery Presbyterian Church. The organist for the evening is Mrs. Hazel Hulme of the Fewsmith Church. The evening will emphasize

the "giving" dimension of the holiday called Thanksgiving. To highlight this emphasis, worshippers will file forward during the offertory to offer their Thanksgiving gifts. The offering will be sent to help flood-relief victims and western clean up operations in western Pennsylvania in the aftermath of hurricane Agnes. Churches supporting the

service are: Second Baptist Church, Zion UAME Church, Montgomery Presbyterian Church, Bethany Lutheran Church, Belleville Congregation of God, St. Peter's Roman Catholic Church, Fewsmith Memorial Presbyterian Church, Grace Baptist Church, Belleville Reformed Church and Unity Church.

Future Board of Commissioner meetings have been switched from an 8 p.m. to an 8:30 p.m. starting time beginning with the next scheduled meeting, Thursday, Nov. 30.

Commissioners unanimously changed the date so they could caucus the same evening of regularly scheduled meetings. Town Fathers in the past caucused the morning of a Board of Commission meeting but the pre-meeting meeting suffered from poor attendance.

Commission Meetings Get 8 O'Clock to 8:30 Switch

Also, for the second time this month, the regular Tuesday Commission date has been changed to a Thursday. In both cases, municipality conventions interfered with the Tuesday meetings.

The next Commission meeting is scheduled for Thursday, Nov. 30 and the last meeting was held Thursday, Nov. 9. Next month the Commissioners expect to go back on a regular Tuesday schedule.

Bellboy Gridders Slip and Slide to 7-6 Win In the Muck and Mire at Kearny Mud Bowl

Turkey Day Finale With Lyndhurst Next

The Blue and Gold gridders of Belleville have a chance to rest up this week before tackling across-river Lyndhurst at the traditional Thanksgiving Day game in Municipal Stadium. A win on Turkey Day could give the Bellboys a well-deserved 500 season.

Last Saturday the varsity footballers squeezed by a big and tough Kearny team in the mud and mire at the Cardinal's field. Most contests in the area were rained-out but apparently the Kearny football authorities either thought their gridiron was rain-proof or they would enjoy an advantage over Belleville in the muck. The Cardinal boosters were wrong on both counts.

Belleville's stingy defense again played its excellent game, limiting the Cardinals to six points, while the Blue-and-Gold offensive unit managed to grind out a touchdown in the second quarter of the game. Joe Troise's successful conversion on the point-after-attempt proved to be the difference in the contest.

The Bellboy team will be meeting Lyndhurst for the second half of a two-year contract but this may be the last meeting between the two teams. Local grid observers report that the Golden Bears most likely will drop Belleville from their schedule after this season due to new contractual commitments upon entering another high school grid league. That means Belleville will be again looking for a new Thanksgiving Day opponent after battling Lyndhurst for only two short years. Head coach Rocco Cafone believes the athletic department here will pick another Essex area team, tough and big, in keeping with the Big Ten Conference tradition.

Sears Says Victory Mandate From People

President Nixon's overwhelming victory Tuesday was described today by Harry L. Sears, state campaign chairman in New Jersey, as "a mandate not only from a majority of the people, but perhaps from the broadest cross-section of people ever."

In a post-election analysis, Sears noted that New Jersey once again mirrored the national election results in verifying what the professional public opinion polls had "been showing throughout the campaign."

"With 95 percent of the

vote reported, President Nixon received about 63 percent of the vote for about a 700,000-vote "victory over Sen. McGovern," Sears said. "That vote," he added, "came from a broad cross-section of people, from all different voter blocs, Republicans, Democrats, and Independents."

"We had strong support from organized labor, from various ethnic groups, young voters and older Americans. It was truly a mandate from an overwhelming majority of the people," Sears said.

Towne Delicatessen Offers Everything From Bologna Roll to Catered Affairs

The Towne Delicatessen on Jorammon Street, corner of Franklin Avenue is open from 9 a.m. to 10 p.m. 365 days a year, and busy every minute of that time.

It is owned by Hugh and Howard Halpern. Hugh is Howard's dad, and the business started about 16 years ago and continues today in the "Royal Pantry" 690 Mt. Prospect Avenue, Newark. The Towne Delicatessen was opened in 1962 and in addition to the usual delicatessen offered, they do a booming business in catering.

You'll find Howard usually at "The Towne" while dad Hugh maintains business as usual at the "Royal Pantry" which takes catering orders that are filled by the Belleville establishment. The Towne Delicatessen and Catering features everything from a simple bologna sandwich to a fancy catered affair. "Home cooking is our thing," says Hugh Halpern. One feature at Towne is roasting a turkey, carving it and replacing the meat back on the frame in a delicate work of art.

Catered orders may be delivered or you can pick up...brochures are available featuring various types of foods, call Towne Deli at 759-9870, or, if you're in Newark when you read this, call the

Royal Pantry at HU 2-8018. The European cook is George Potamoussis, and all cooking is done on the premises. A severe fire in September 1970 closed Towne Delicatessen's doors, but they are doing business as usual, to everyone's epicurean delight.

Howard Halpern of Towne worked with his dad in the Royal Pantry for many years, then, with his flair for food, opened the Towne Delicatessen at 650 Jorammon St. in 1962. Howard, his wife Joan and daughter Debbie reside in Verona.

So...cooking gotcha' down...call Towne!

Judge Sentences Man to 5 Months

Edward Stafford, 54, pleaded guilty to drunk and disorderly conduct October 12 in Belleville court and was sentenced to five months in the Essex County Corrections Center by Judge Edward Abramson.

Stafford, who has no present address, was arrested by Officer Thurman Davis on Washington Avenue October 11.

Gaccione Speaks At Lions Club

The purpose and operation of the Craig Fund was described by Robert Gaccione at the noon meeting of the Belleville Lions Club on November 9 at the Fountain Restaurant.

Gaccione, a local attorney, is a trustee of the Craig Fund which was founded to provide financial assistance to Craig Fabian who was severely injured and suffered massive disability.

Since the establishment of the fund three other Belleville residents who are severely handicapped physically have been assisted financially. Gaccione reported that special holiday contributions to the fund are being solicited.

Forgery Charges Get Jury Action

Seymour Levy, 51, of 6 Sinclair Drive in Wayne will face possible grand jury indictment for forgery after his case was referred from Belleville court by Judge Edward Abramson October 14.

Levy is accused of having signed the name of Adele Foster of 2 Riverdale Avenue in Belleville to a check for \$1309.10 on December 3, 1970.

Levy has been released on \$500 bail.

Narcotics Possession Cost Him \$100 Fine

Alexander Oleson, 22, of 73 Wilbur Street was convicted of possession of narcotics October 5 in Belleville court. Judge Edward Abramson fined him \$100, sentenced him to a 30-day jail term, which was suspended, and placed him on probation for a year.

Oleson was arrested August 24 by Detective Ronald Thomson and charged with possession of a quantity of pills and tablets and under 25 grams of marijuana.

For the marijuana charge, he was given six months probation.

Garden State Parkway Opening A New Bridge

The Garden State Parkway opens a new bridge today, weather permitting, and thus takes a giant step toward providing a four-lane crossing over Great Egg Harbor Bay by 1973.

Chairman George M. Wallhauser, Sr. of the New Jersey Highway Authority,

which operates the Parkway, said that with the opening of the new span over the Bay, a 16-year-old bridge alongside it will be closed for extensive rehabilitation work. The latter job, to begin immediately, is slated to be completed by next January nine months ahead of schedule.

the Board of Education, says his candidacy in no way affects his fight against unjust landlords.

"When I was taking the survey I saw gross inequities and they appalled me. Something must be done to correct this situation," Rogers added.

The 20-year-old twice has called for the Board of Commissioners to enact some sort of rent control legislation. He spoke at last Tuesday's Commission meeting and asked that Commissioners meet with him after the meeting to dis-

cuss the problem. All but two of the Town Fathers, Michael Marotti and Vincent Strumolo, had other appointments though. Marotti, during the meeting, said he is now studying the feasibility of enacting a rent control measure in Belleville and added that he is looking to a rent measure passed recently in West Orange.

"My talk with the two Commissioners proved promising. They both said they are looking into the situation," added Rogers.

Heywood Felton, 25, of 85 Scherrer Avenue in Newark pleaded guilty November 8 in Belleville court to possession of less than 25 grams of marijuana. Judge Edward Abramson fined him \$200, gave him a 30-day suspended sentence and placed him on probation for a year.

Felton was arrested the day before by Officer Charles Oese of the Belleville Police Department.

There are two T.V.'s, cards and checkers are available as well as magazines and books. Most bring the daily papers and often read about the verdict they had brought in the previous day.

Everything is immaculate and efficiency is displayed everywhere. There are two cafeterias serving a variety of tasty dishes. The Court attendants are neat and impressive in their Sheriff Dept. uniforms. Every courtesy is extended the jurors and the judges stress that during their two week stint they are actually an integral part of the court system.

The ladies seem to enjoy the jury duty much more than the men. They must welcome the relief from household chores and like the chance to get all dressed-up and look dashing pretty. The men, as usual, gripe over the boredom of waiting to be called and many express resentment over having been challenged by the various trial lawyers.

The pay of a juror is a paltry five bucks a day, which is a bad rap for the person who doesn't have the difference from his usual weekly pay made up by his employer. There are many such cases and the jury control officers try to be lenient in such cases and excuse such jurors after the first week.

In the past jurors were only required to come in the first four days of the week, unless they were hearing a case, but now because of the heavy court calendar jury duty consists of the full five days of the week, except holidays. All in all, it is a valuable and interesting experience. Try it!!! YOU MAY LIKE IT!

Seen at the Court House looking trim and smart in his resplendent Court Attendant uniform was popular Bellevilleite Jerry Mansfield. Belleville's John Rush, warden of the Essex County Corrections Center, at North Caldwell, is feeling the exhausting effects of the recent inmate disorders at that penal institution. Mr. Rush has formally requested a four-month leave, stating he is tired and ill after a week of long demonstrations.

A hassle has developed over his replacement. Despite Freeholder Iannuzzi's naming John Trezza, deputy warden of the Essex County Jail in Newark as acting warden; Tony Imperiale indicates, in his column in the Newark Record that, if the Governor ok's a retirement bill for Warden Rush, Dominick Spina, former police director in Newark, is in line for the job.

cousins and you didn't have to psyche up the kids — it was a natural situation. The games were well-disciplined, there was no animosity and I think the rivalry was good for the sport.

Testa lives at 15 Hickory Place in Nutley with his wife, the former Christine Caruso, a Belleville girl, whose parents still live in Belleville. Their stillborn children, Caroline, 17, Thomas Jr., 15 and Edward, 12, attend Nutley High and Junior High.

Testa was born in Montclair and attended school there. He graduated from Montclair High in 1948, playing football on a team that held the state championship in 1946-47. His coach at the time was Clary Anderson, with whom he now works.

At Montclair State, where he majored in chemistry and physics, Testa played offensive and defensive end for the Indians under Allen Coder and was co-captain in 1950-51. His teaching career began in 1952 at Newark's East Side High, where he coached football, Jayvee basketball and baseball.

In 1956, he came to Belleville High and started in as frosh football coach. He also piloted the track squad for six years and the Jayvee baseball team a number of years, giving himself a year-round athletic schedule.

At the same time, he has been compiling credits for graduate course in physics and administration, enough for a master's degree in both areas. He served two years as director of Belleville's adult night school.

Testa is a member of numerous professional organizations, attends Holy Family Church and belongs to the Nutley Elks club. He is also a member of both the New Jersey and Essex County Inter-Scholastic Coaches Associations.

His philosophy of athletic coaching, he says, "is built around what I call the three F's: fairness, firm discipline and fun. I try to conduct my classes the same way, too. I think there is a definite correlation between the athletic field and the classroom."

JUST THE THING for your backyard? Members of Boy Scout Troop 38, St. Anthony's Church, Belleville, instruct passers-by in the delicate construction of a semaphore signal tower during the two-day

Scout Fun Fair held over the weekend at Newark College of Engineering. Scouts from Belleville, Newark and Irvington displayed skills and crafts there.

Thanksgiving, 1972

Our American Thanksgiving Day dates officially from 1863 when the nation was locked in a sectional struggle. At that time Mrs. Sarah J. Hale, who had been proposing a national day of thanksgiving for decades in Boston and Philadelphia as a magazine editor, wrote to President Abraham Lincoln who in October of 1863 issued the first Thanksgiving Proclamation.

There had been earlier thanksgiving days; some date the American observance to the days of the early settlers of the nation who gave thanks for their food supply and the opportunity America offered. The first probably occurred in the Plymouth Colony in 1621.

There have also been observances in

other lands but few countries had adopted annual thanksgiving days prior to the American custom. An international thanksgiving day was held in Washington in 1909, having been conceived by the Rev. Dr. William T. Russell of St. Patrick's Catholic Church.

Thus the American Thanksgiving Day, this year on the 23rd, is uniquely American. In 1972 it finds us blessed with great wealth and hope that peace with honor is imminent.

We can all give thanks for the many blessings all Americans enjoy. In doing so, we can resolve to build a better community and a greater nation for in spite of our blessings and accomplishments, there is still much to be done in the building of our country.

Campus Freedom

A wire service survey during the recent presidential campaign showed college students who supported President Nixon were not as badly mistreated by militant radicals as in 1968. But they still had to battle for the right to express their views on a number of campuses.

Nixon supporters reportedly felt it better to remain silent unless asked their preference at schools such as Harvard, the University of California at Berkeley (the cesspool of juvenile fascism), Stanford and others.

Nixon bumper stickers were quickly torn off automobiles at Stanford in cam-

pus parking areas and Nixon stickers on dormitory room doors at Indiana University were frequently torn off within the hour. A Nixon supporter at Berkeley said Nixon backers had to fight for the chance to advocate what they believed.

Although this year was an improvement over the fascist intimidation of so many in 1968, it is still not good enough to satisfy most Americans. For two centuries this nation has championed the right of everyone to express his or her views freely; this has been especially true at institutions of higher learning, where tolerance is traditional.

Moon News

The last Apollo series trip to the moon will come next month, and the nation is being prepared for the spectacular with press releases about the rocks to be found, the areas to be explored, etc. It will surely be good (and expensive) entertainment, as all moon trips have been.

Of more significance, however, is the recent announcement that U.S. and Russian spacemen will begin training next summer for a cooperative space flight two years later. That program has progressed to the

point where crews are to be named for the first joint space venture in a matter of months.

The people of the world hope U.S.-Russian cooperation in the exploration of outer space will set the tone of this earth's explorations of other planets and outer space. If Washington and Moscow can, by example and leadership, bring about world cooperation in this effort, perhaps in time it will lead to greater cooperation in other areas for the nations and peoples of this earth.

Airman Cycles To Town From the Canal Zone

By Elaine Auerbach

Five Years Ago

Five of the town's top officers in the Fire Department were re-assigned to new duties in a work-shift "to increase greater efficiency within the Department," according to Public Safety Director Kenneth Smith. In addition to the duty change, four new firemen were sworn in at Town Hall. They were: Michael Lane, Kenneth Taras, Vincent Sorrentino and Gabriel Santuoso.

Airman First Class Alan Roman, son of Mrs. and Mrs. Elias Roman of 172 Garden Avenue "Biked" home to town from the Albright Air Force Base in the Panama Canal Zone on a Honda 305 Scrambler. He stopped in San Jose, Guatemala, Lardo (Texas), Baton Rouge, Knoxville (Tenn.), and Roanoke, Virginia. Roman said he would make the trip again on a moments notice, provided he had the money.

Ten Years Ago

More than \$6,000 in overtime pay was to be given to firemen for the last three months of the year. The arrangement was worked out by Town Manager William Sommers. The extra overtime hours was a temporary solution devised by Sommers to effect the 42-hour work week won by the firemen in the May election.

A testimonial dinner was to be given at the Branch Brook Manor in honor of Mrs. Cora Elizabeth Smith, a life-long resident of Belleville who had contributed to the well-being of many youngsters who were in need of help. Mrs. Smith, whose marriage had been childless, had been a foster mother to 68 children of all nationalities, all of whom were grateful for her love and affection.

The Town of Belleville formed its first chapter of Jaycee-ettes. The organization was to be associated with the Belleville Junior Chamber of Commerce and was composed of women whose husbands were members of the Chamber. The members of the Jaycee-ettes were dedicated to their husbands and to the organizations and each member had to promise to assist and aid her husband in any project he undertook for the welfare of the community.

Fifteen Years Ago

Flurence Morey, a town employee for 30 years, 27 of which she had served as Town Clerk, decided she wanted to retire. James R. Golden, present at the Board of Commissioners meeting to confirm rumors that Mrs. Morey was retiring, lauded her as an efficient administrator and a true credit to Belleville's dignity. "In all the thirty years of service to the community," he said, "I guess she has not missed for any reason more than 15 days."

The downtown merchants of Belleville, represented in the person of Saul Smoller of the Mary Oliver Dress Shop, asked the Board of Commissioners to contribute \$250 towards the cost of stringing lights across Washington Avenue as a Christmas project. The assessment against the Town was made because of the location of Town Hall among the retail establishments. The town had

always contributed to the fund, with the merchants supplying the balance. However, Elmer S. Hyde refused to give them the money unless the Town was permitted to help decide what to put up.

By a four to one vote the Board of Commissioners denied the petition presented by G. George Addonizio, Belleville attorney, for permission to erect a service station at 858 Joralemon Street. One of the main reasons that the petition was rejected was based on the fact that the area had been zoned for homes and not for businesses.

Twenty-Five Years Ago

A certificate of merit for saving the life of a girl, companion was to be awarded to Stuart Schulthess of 20 Montgomery Place. The presentation was to take place at the Local Red Cross headquarters and was to be made by William Ross, chairman of the Belleville Red Cross. The high school senior had rescued Jane Levin from the waters of Greenwood Lake after she had fallen from a motorboat.

Two men were slated to appear before Recorder Everett B. Smith to face gambling charges. A police raid had been made in Belleville at the home of one of the men led by Chief Spatz. The police found the men playing poker and confiscated \$8.30.

A request for transportation for children living in the neighborhood of Washington Avenue near the Nutley line, to Greylock School No. 5 was denied by the Board of Education. Joseph Arnold, who was head of the board's transportation committee, had made the recommendation for denial. Ralph Vara had requested the buses, claiming that the children had to walk over a mile to reach school and that in winter the walks were not shoveled and made the going rough for the kids.

Forty Years Ago

The Rev. Neils Christensen, pastor of Montgomery Presbyterian Church, spoke on "Personal Impressions of the Political Situation in Europe" at a banquet of New Jersey Schoolmaster's Club held in Newark.

After considerable discussion, Edward J. Abramson, local attorney, was appointed recorder by a resolution passed by the Board of Commissioners.

Fifty Years Ago

Solemn ceremonies marked the unveiling of the memorial monument in front of the Town Hall. The unveiling was preceded by a parade in which about 5,000 took part.

The Duco Club gave its seventh annual dance at the Masonic Temple on Joralemon Street. John Coogan and Milton Siebold were in charge of the affair.

After months of effort on the part of tax officials of Newark and Belleville, engineers, surveyors, and counsel representing both municipalities and working under the direction of a commission of three members, a boundary line between Newark and Belleville was established.

Local 370 IUE

Thanks Officials

To the Editor:

The members of Local 370 IUE would like to publicly thank the Belleville Board of Education and the Belleville Police Department for their cooperation. Our union election meeting was held at the Junior High School and nearly 400 members were accommodated without incident. It's this kind of cooperation that leads to better relations between different factions within the community.

Sincerely,
Robert J. Mahne

Says Demos Fought Hard

To the Editor:

The Democrats in Essex County fought a hard fight-and in both victory and defeat-we fought together as a team. That we were able to salvage the victory of our local Essex ticket is a tribute to the teamwork of all involved, the forces of Sen. McGovern who proved they were loyal Democrats all the way, the valiant and effective contributions of Mayor Gibson and all the Democratic councilmen of Newark, Mayor Hart of East Orange, in fact all the elected Democratic officials of Essex County.

We Democrats intend to remain as a team, fighting all the way for Democratic principles.

We have the cadre for greater victories to come with our great Congressmen Peter W. Rodino, Joseph G. Minish and our four County winners, Philip C. Rotondo, Donald M. Payne, Sam J. Angelo and Harry A. McEnroe. Together all Democrats will continue to give to Essex County residents the high calibre of service which is the hallmark of Democratic policy.

Thank You,
Harry Lerner
Essex Democratic Chairman

Supervisor Thanks Voters

To the Editor:

Through the courtesy of your news columns, I would like to extend my personal thanks to all those who participated in last Tuesday's election and to those of the electorate who gave me an overwhelming vote of confidence as the new Supervisor of Essex County.

Myself and my Democratic County running mates, newly elected Freeholders Donald M. Payne, Samuel Angelo and Harry A. McEnroe, will fulfill our pledge of keeping Essex County moving forward holding costs to the minimum and at the same time providing the utmost in necessary services.

I also wish to emphasize that my pledge to restore accreditation and programs in our vocational school system will be fulfilled and will fulfill our pledge of keeping Essex County moving forward holding costs to the minimum and at the same time providing the utmost in necessary services.

We also pledge to pursue effective and meaningful county charter reform as a further demonstration of our devotion to the public service.

Sincerely,
Philip C. Rotondo
Director
Essex County Board of Chosen Freeholders

The Stamp Act

One of the more significant dates in American history is November 23rd, 1765. It was on this day, more than two hundred years ago, that the Frederick County, Maryland, court ordered its regular business carried on without the use of stamped papers required by the famous Stamp Act.

At this time, American states were still English colonies. In March of that year Parliament had passed the Stamp Act, recommended by Sir William Keith, a former royal governor of Pennsylvania. The act levied a stamp tax of three pence to ten shillings on legal papers, two pounds on college diplomas, four pounds on licenses to sell wine, two to six shillings on deeds, ten shillings on a pair of dice, a shilling on a pack of playing cards, a shilling for every advertisement in a newspaper, etc.

The tax outraged many Americans, who felt that only their own state assemblies had the taxing authority over them. Patrick Henry in Virginia managed to get a defiant resolution adopted by the Virginia General Assembly, so much so that it was expunged from the record the day after it was passed. Aroused citizens in many states destroyed the stamps which had been sent from England.

The bitter reaction was so widespread wise heads in London favored repeal of the law. Benjamin Franklin, the American agent in London, was summoned before the House of Commons and wisely warned members that if the act were enforced with arms the enforcers would not find rebellion but "may make one." The act was repealed, four months after the Maryland court's defiance. But it had sparked such resentment and such a surge of nationalism many historians believe it helped appreciably to bring about the Declaration of Independence a decade later in 1776.

THE STATE WE'RE IN

The Concept Of Linear Parks Gains A Foothold In County-Wide Planning

By David Moore

It's good to see the concept of linear parks gaining such a foothold in regional, or at least county-wide planning. Recently Hunterdon, Monmouth and Morris Counties have come up with open space elements for their respective master plans which hinge greatly on these long fingers of green which can reach through the most densely populated areas as well as what soon will become population centers.

Maybe an arterial system is more descriptive than fingers, especially when one recognizes linear parks as centers of future hiking, biking, nature study, picnicking or merely plain sitting up against a handy tree. Especially also when we realize that most such park proposals follow streams and rivers.

I can't help but point out that the North Jersey Conservation Foundation, with which I am associated, has been one of the groups instrumental for the past six years in creating a pioneering version of a linear park in the Morristown area. In fact it's called "The Patriots' Path", although not for that reason.

Its name came about because it penetrates an area rich in American history. For its seven mile length along the Whippany River it passes close to General George

Washington's Revolutionary Headquarters, the building in which the telegraph was perfected and first publicly demonstrated, an old mint where New Jersey issued its own copper pennies, and the ironworks where America's first cast iron plow was made, as well as machinery for the first trans-atlantic steamship, the S.S. Savannah.

The concept of these "shoestring" parks, miles long and sometimes only yards wide, falls neatly in with a lot of important priorities which are emerging in open space considerations.

For one vital thing, their very location means that flood plains can become parks. This in turn means that innocent people can be hoodwinked into building houses where tragedy can strike with some future downpour. It can mean that the best agricultural bottomlands can be kept for that purpose.

It surely means that natural growth left along a stream will impede the passage of surface pollution into our waters.

And, something to which I've already alluded, it can put the parks where the people are, or soon will be. With the kind of growth destined to happen in New Jersey's

rural counties, it won't be many years before a network of linear parks can spell the difference between urban squalor and retention of amenities which make life more worthwhile.

There's still another argument for linear parks, and it can spell big future savings for taxpayers. This is the fact that, gravity being what it is, the most logical place to put the trunk sewer lines which are soon going to be growing widely in this state we're in is along but not too close to streams. It will be a lot cheaper if the land in which they are buried is undeveloped, publicly owned property.

In Monmouth, bikeways are shown, along with linkages along railroad and power line right of ways, as well as along major streams. In Morris County the planners have just issued an open space element which calls for linear parks along the South and North Branches of the Raritan River (also in Hunterdon's plan), the Musconetcong, Pompton, Whippany and Rockaway Rivers.

In Hunterdon they have targeted their part of the Musconetcong the same way, as well as the Delaware River, Rockaway Creek, Nishisackawick Creek, Neshaunk River, Alexauken Creek, Wickcheoke Creek, Pleasant Run, Hottland Brook and

the Lamington River.

I hope that Sussex and Warren Counties act to safeguard their sections of the Musconetcong River opposite Hunterdon and Morris Counties. The opportunity is there, with inter-county planning, to preserve a riverfront park, almost unbroken from the Delaware River to Lake Hopatcong.

Speaking of Warren County, I've heard lately that some people there are advocating the same kind of linear park concept for the bed of the old Morris Canal. This canal carried freight and coal between the Delaware River at Phillipsburg to tidewater in Essex and Hudson Counties as recently as the 1920's, and most of its length in suburbia has long since fallen prey to the bulldozer. But out in Warren County, much of it is intact and could be refilled with water for fishing and wintertime ice skating. Its towpath could be restored as a hiking and biking trail along a watercourse which interestingly would offer sit high on hillsides to provide vistas which are unknown from a natural waterway.

These are the kinds of opportunities which are still available to farsighted planners and officials. But they've got to act quickly if development of various kinds isn't going to harden all these areas once and for all.

Bridge Urges Legislation Protecting Press

Reporter Peter Bridge of Belleville, formerly with the now-defunct Newark Evening News, was a guest luncheon speaker at the New Jersey Press Association's 117th Annual Convention held at the Cherry Hill Inn, Cherry Hill, N.J., who spent 20 days in the Essex County Jail for refusing to reveal the sources of a news story to the Essex County Grand Jury, stressed the importance of passing

federal and local legislation granting newsmen the right to remain silent about their sources for stories. "Absolute immunity is important," said Bridge. "Qualified immunity is no immunity at all."

He advised the publishers assembled not to minimize the impact of his case or other cases like it in this country and said that if they are allowed to continue, there will be no free press in this country.

Bridge and his attorney plan a second appeal of their case to the U.S. Supreme Court.

Another highlight at the convention of the nation's oldest newspaper organization was the installation of its newly elected officers and directors.

The new president of the New Jersey Press Association is H. Seely Thomas, publisher of the Hunterdon County Democrat. He succeeds Harry Anderson, formerly with the Newark News.

Other officers elected were: Vice presidents - James J. Dougherty, business manager of the Trenton Times; C. Palmer-Bateman, Jr., publisher of the Somerset Messenger-Gazette.

Assists Flying Club With Wooden Craft

By Pat Diana

Dave Daniels of Belleville, who recently appeared in this paper with his wife, as "Sparkling Personalities" is in the news again.

A teacher in Newton, Dave is helping the Newton High School Flying Club construct an airplane - in a classroom!

The Bowers "Fly-Baby" has been in the planning and early construction stage for over two years. Of all wood and fabric construction the 28-foot wingspan, single seat, single engine aircraft will cruise at 110 mph at a maximum altitude of 12,000 ft.

bytown, Pinebrook.

The plane cost \$1,200 to construct, but when completed could sell for four to five thousand dollars. Many projects were started to raise money for metal fittings, etc., such as a candy sale. Daniels hopes that local merchants and businessmen will help in underwriting the project, then the remainder of the club could obtain their licenses at a cost of less than \$2 an hour as opposed to \$8 or \$12 at a regular airport.

Parentetically, Daniels says: "Everyone moans about 'kids getting high'. How about helping us get these great kids HIGH in a plane?"

Last year the club members, three of whom possess their private pilot's licenses, built exact scale models of the "Fly-Baby" and, along with the model completed by Dave Daniels' Newton High Distributive Education Coordinator they now appear at the famous Hook Mountain Model Museum at Rich's Hob-

Beef Thief Butchered

Barry Rainford, 22, of 765 Broadway in Newark was convicted of stealing four roasts of beef from Pathmark store on Belmont Avenue and fined \$250, given a 60-day suspended sentence and placed on probation for a year by Judge Edward Abramson November 9 in Belleville court.

Rainford was charged with the theft of the meat, valued at \$22.16, by John Bullock, a Pathmark security agent.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Mr. and Mrs. William Park Honeymooned In Bahamas

Mrs. William Park - nee Anne Marie Dove

Miss Anne Marie Dove, daughter of Mr. and Mrs. Franklin W. Dove of 30 Funston Place, Nutley and William Thomas Park, son of Mr. and Mrs. James Park of 24 King Place, Belleville were married October 28 in St. Mary's Church, Nutley.

The Rev. James Healey of St. Peter's Church, Belleville, performed the ceremony which was followed by a reception at Robin Hood Inn, Clifton.

Escorted by her father, the bride wore a 3-line gown of white shantung trimmed with seed pearls and Austrian lace and fashioned with a high neckline, and long tapered sleeves.

A lace trimmed mantilla fell from a matching Camelot hat and she carried white phalaenopsis orchids and Stephanotis.

Mrs. Ralph Martucci of Edison was matron of honor for her sister Bridesmaids included Mrs. William Pekol of Belleville, sister of the groom, Miss Maureen Kieran of Nutley, cousin of the bride and Mrs. Charles Backman of Clifton.

Their gowns were fashioned with light blue crepe bodices and midnight blue velvet skirts. Fresh flowers were worn in their hair and they carried blue and white miniature carnations with the honor. Attendant's bouquet centered with blue lily buds.

Edward Hill of Belleville was best man. Ushering were Mr. Martucci, Mr. Pekol and R. Madara of Belleville.

Mrs. Dove chose a shocking pink chiffon gown in the Grecian style trimmed with seed pearls and beads. Her purse corsage was a white phalaenopsis orchid. The groom's mother was in a green gown with a beaded bodice and had a phalaenopsis orchid wristlet.

Mrs. Park, a graduate of Nutley High School and the University of North Carolina, attended the school of dental assistants, is with Dr. Frank H. Picazio of Cedar Grove.

Mr. Park, an alumnus of Belleville High School, attends the School of Drafting and Blueprinting. He is with Yerg Printing, Belleville.

The couple honeymooned in the Bahamas and are living in Bloomfield.

Overbrook Fair Today, Tomorrow In Cedar Grove

Essex County Hospital Center (formerly called Overbrook) in Cedar Grove will hold its Annual Occupational Therapy Fair on November 16th and 17th. Articles made by the patients throughout the year in their therapy sessions will be on sale.

Tickets and/or information are available from the Retarded Children's Association at 62 N. Walnut Street, East Orange or call 676-8070.

Miss Daria Cali

Troth Is Told Of Daria Cali, Frank Bonavita

Mr. and Mrs. Victor Cali of 10 Springfield Street announce the engagement of their daughter, Daria, to Frank Bonavita of Belleville.

Miss Cali is a senior at Montclair State College where she is majoring in social studies. She is a member of Theta Chi Rho sorority.

Mr. Bonavita, son of Mr. and Mrs. Frank Bonavita of 219 Garden Avenue, is also a senior at Montclair State College where he is majoring in economics. He is a member of Psi Chi Fraternity and vice chairman of College Life Union Board.

A July wedding is planned.

School Observes Education Week

Catholic schools are a vibrant segment of the community and the nation. This was the theme of Christian Education Week, observed this year from September 17-22.

As participants in the observance of this week, the pupils of Saint Peter School, Belleville, held panel discussions, art displays and fashioned banners and posters to proclaim to the public several key concepts. These included the idea that in this year of the individual, Catholic schools provide a real important alternative to parents seeking their children's education. These schools are striving to meet the special needs of each student.

In addition, the Catholic schools are seeking to reach out to the community and become an integral part of it. These schools are eager and able participants in civic acts such as Fire Prevention Week, food and clothing drives. In many cases, they seek to help further adult education through special classes.

Finally, the students sought to point out that Christ's Education molds the whole person X spiritually, intellectually, and physically — thus providing the nation with discerning, knowledgeable citizens.

Miss Sharon Di Paolo

Sharon DiPaolo Is Bride-Elect Of Paul Bove

Mr. and Mrs. Alphonso DiPaolo of Forest Street, Belleville, have announced the engagement of their daughter, Sharon Anne, to Paul J. Bove, son of Mr. and Mrs. Joseph Bove of Randolph.

Miss DiPaolo is a graduate of Katharine Gibbs School, Montclair, and is a secretary with the Marketing Research Department of Hoffman-LaRoche Inc., Nutley.

Mr. Bove is a graduate of Newark College of Engineering, Newark, and is an assistant civil engineer with the Process Control Section of New York City's Department of Water Resources.

The couple plan a November, 1973 wedding.

VFW Groups Plan Meeting For Tuesday

The Ladies Auxiliary and the Men's group of The Veterans of Foreign Wars, Stuart E. Edgar Post No. 493 of Nutley will hold a combined business meeting on Tuesday, November 21, at Post Headquarters, 271 Washington Avenue, Nutley. The meeting opens at 8:00 p.m.

Holy Family Church Setting For Barone-Guarino Nuptials

Wedding vows were exchanged October 21 in Holy Family Church by Miss Maria Ann Guarino, daughter of Mr. and Mrs. Vincent Guarino of Nutley and John Gerard Barone, son of Mr. and Mrs. Amadeo Barone of Union.

The Rev. Robert Cozzini performed the ceremony with a reception following at Town and Campus, Union.

Escorted by her father, the bride wore a white organza gown trimmed with lace and fashioned with cuffed long sleeves and detachable train. A headpiece of lace bows held her veil and she carried white carnations, roses and babies breath on a Bible.

Miss Kathy Galioto of Nutley was maid of honor. Bridesmaids included Miss Kathy Bott and the bride's sister, Miss Vicky Guarino of Nutley, Mrs. Barbara Lombardi of Newark and Miss Chris Ramsey of North Caldwell. Beth Barone was flower girl.

Their gowns of light purple crepe were the old fashion style with lace trimming on neckline, bodice and sleeves. They carried baskets filled with roses, mums, babies breath and daisies.

Ronald Lombardi of Newark served as best man. Ushers included Sam Iorio of North Caldwell, Donald Spino of Nutley and David Gerard Barone of Union. Daniel Eames of Newark was ringbearer.

Mrs. Guarino chose a long pink crepe gown with silver accessories. Her corsage was a pink orchid. The groom's mother was in a mint green gown with silver accessories and a mint green orchid corsage.

Mrs. Barone, a graduate of Nutley High School is a department processor with Hoffmann-LaRoche.

Mr. Barone, an alumnus of Seton Hall University, is an auditor analyst with Hospital Service Plan of New Jersey.

Rosary Altar Society Meets Next Sunday

St. Anthony's Rosary Altar Society of Belleville, will hold its monthly meeting Nov. 19, after the 7:30 p.m. evening mass in the blue room.

The Public Service Electric and Gas Co. will send a guest speaker, topic trimming and Christmas lighting. All are invited. Please bring groceries for the Thanksgiving baskets.

Water Evergreens Before It Freezes

Cooler weather and more rain have helped to ease some effects of the drought in the garden.

However, evergreens will need more water now before the ground freezes to help prevent drying out this winter, advises William F. Munk, senior county agricultural agent of Essex County.

Evergreens continue to lose moisture through their leaves and needles throughout the winter.

'Fiddler' Performance To Aid Retarded Kids

A rare treat is awaiting local theatre goers when, on November 19th, Sunday evening, at 6:30 p.m. on the stage of Mt. Hebron Junior High School in Montclair, the Montclair Opera Club's Fall production of "Fiddler on the Roof" will be presented for the benefit of retarded children of Essex County. The proceeds from the show will benefit the children served through the facilities of the Essex Unit, New Jersey Association for Retarded Children, a private, nonprofit, charitable organization operating programs for the retarded throughout the county.

The Montclair Opera Club has been widely acclaimed, since its founding in 1925, for excellence in musical productions that are rarely equaled.

The warm and touching story of "Fiddler" is filled with laughter and tenderness. The story was written by Joseph Stein, the music by Jerry Bach and the lyrics by Sheldon Harnick. The action takes place in Anatevka, a poor peasant town in Tsarist Russia, populated primarily by hard working families of Jewish background. The people of the town are simple and close to earth and they hear

little of the outside world. Their lives are governed by the age-old law of tradition. At the close, we see the safe, beautiful and simple world which Teve has struggled so hard to build for his family, receive its greatest blow, and the family move on.

The lead role of Teve will be played by Joel N. Kramer, a professional actor from New York. Judith Brenner, also an Equity actor, will play the role of his wife, Opertta. Club members will complete the cast.

Chairman for this event is Daniel Marese of Nutley. Ticket Chairman is Mrs. Kenneth Luby of Montclair. Orreste Caruso of Nutley heads the Ad Journal committee. Barry Cohn of East Orange is the staff liaison person. Other committee members include: Marion Lee of Belleville; Mrs. Sidney Goldman of West Orange; Mrs. Arthur Bergman of Livingston; Mrs. George Waters of Essex Fells; Mrs. Walter Graf of Bloomfield; Mrs. Cyrus Lewis of Maplewood and Mrs. Howard Muldrow of Newark.

Tickets and/or information are available from the Retarded Children's Association at 62 N. Walnut Street, East Orange or call 676-8070.

Belleville Girl Scouts Enjoy The Camporee

JERRY PALMISANO of Senior Troop 981 teaches a few knots to Junior troopers, Michelle LaTorre of #467, Camille Marodan of #591, Mary Connelly of #321 and Kathy Burton of #321.

TROOP 961 plans on hamburgers for lunch and Karen Place, Patty Bogin and Cathy Fabian are elected to do the cooking over the charcoal grill.

BETSY MEEHAN and Linda Winsky of Troop 950 cook Sunday breakfast for their fellow scouts. A Catholic mass and Protestant services were an important part of the activities on Sunday.

Rolandellis Post Auxiliary Celebrate Anniversary On Activities

Fremen's Post No. 1851 and their Ladies Auxiliary, Veterans of Foreign Wars of the U.S. report that their members, Mr. and Mrs. Eugene Rolandelli of Newark, celebrated their 25th Silver Wedding Anniversary, November 4 at Firemen's V.F.W. Post Home, 100 Grafton Avenue, Newark, with a party given by their three children.

Married on November 8, 1947, the couple have one married son, John P., of Newark and Eugene P. and the Maryann, both at home. The ceremony took place at Our Lady of Good Counsel Church, Newark, and was followed with a reception at Jones' Hawaiian Palms, Harrison.

The Ladies Auxiliary of the Veterans of Foreign Wars, Stuart E. Edgar Post #493 of Nutley recently held a Towel Social. It was conducted by Marie Stankewitz of 168 Prospect St. and Agnes Blair of 71 Center St. The proceeds of these affairs are used to give hospital parties for the aged veterans at Menlo Park, and can be attended by the general public.

We wish to thank anyone who sent Betty Crocker coupons in answer to our appeal via this newspaper. The organization intends to donate our current supply to Nutley's First Aid Squad so that they may obtain a new two way radio. The organization is geared to help their community if they are able.

We recently sent 1900 cancelled stamps to St. Joseph's Home for the blind and 500 Redemption coupons to Deborah Hospital to help defray expenses. Some of the members work in conjunction with the Dutch Reform Church on cancer dressings. We also make Leger bandages, work at the poles at election time and one member has helped with the X-Ray machine of Essex County.

TROOP 950 scouts, Beth Rovell, Nancy Idenden and Lisa Record cook breakfast pancakes on tin can stoves at the Camporee which was held September 15, 16, and 17.

SUSAN SMITH from Troop #326 receives her Camporee badge from Mrs. Verhagen, district chairman of Belleville Scouts.

BHS Key Club Assisting United Way Drive Here

After a late start, the Belleville United Way campaign is off and running with the assistance of 50 boys from the Belleville High School Key Club. Marty Goo, president of the Key Club, organized the team and distributed workers who have shown great determination to help Belleville reach 100% of its \$8,000 goal for this year. The Key Club team is under the direction of Commissioner Vincent T. Strumolo and his able office staff. Commissioner Strumolo has also appealed to all Belleville residents to support the campaign which benefits the financially needed Belleville agencies.

The total United Way drive in Essex and West Hudson, which includes corporate leaders, employee leaders, commerce and industry, government, civic, major gifts and business and professional divisions, as well as the suburban division of which Belleville is a part, has reached 72.9% of this year's goal to date. The drive will continue until December 20.

Three Are Guilty Of Alcohol Usage
Three youths pleaded guilty October 25 in Belleville court to charges of possession of alcoholic beverages and were given fines of \$50 by Judge Edwin J.C. Joerg.

James Morris Jr., 18, of 202 William Street, Valerie Ann Bennett, 18, of 170 Franklin Street in Verona, and Robert Edward Lane Jr., 18, of 90 Plenge Drive were arrested by Officer Charles Ouse October 14.

Invests 2 Million In County

Drinking Age Change

State Police Remind 18's of New Privilege

Senate Bill 992, which becomes law on January 1, 1973, strikes a balance between the new rights and responsibilities for person eighteen years of age and older. The new law deals with the rights to sue and be sued, serve on juries, marry and adopt children, etc. More importantly though, the new law provides the right to sell, purchase and consume alcoholic beverages. And since they already have the right to drive motor vehicles, the new adults have a very serious highway safety responsibility thrust upon them.

Colonel D.B. Kelly of the State Police, said, "We feel that it is essential to call attention to title 39:4-50 of the State's Motor Vehicle Statutes which deals with drinking and driving. In

keeping with this concept, the State Police are cooperating with the State Association of Chiefs of Police and the New Jersey Office of Highway Safety in a special drinking-driving educational program in high schools, colleges and civic organizations geared to those young people who will benefit by the age of majority law."

Title 39:4-50 provides for the arrest of a person operating a motor vehicle while under the influence of

alcohol or drugs, or permitting someone else to operate while under that influence, or even operating while his ability is impaired by alcohol or drugs. The law also implies the consent of a licensed driver to submit to a scientific breath test to determine blood/alcohol percentage.

The law carries substantial monetary or imprisonment penalties, which increase with multiple offenses, plus loss of driving privileges for from six months to ten years depending upon the specific charge.

Tune In To Browsing Belleville

With Pat Diana
759-3200

DID YOU ENJOY the Parade sponsored by the Belleville Veterans' Council with the cooperation of our town officials? It surely was a nice evening, not too cold, and — wandering around, I saw: Marie Rummel, Mrs. Jim Teary, Marilyn Casale and her parents Mr. and Mrs. Emil Casale with their friend, Mrs. Anne Potto. Marilyn is teaching music in schools, 2, 4 and 7; the family was there to watch for Marilyn's sister who marched with the Recreation Department. Also saw Belleville Policemen Jim Munday and Joe Tortorello as well as a host of auxiliary police members. — Frank Slanko and his family were there. Marching in the parade I recognized John (Jake) Loree, the state commander of the Amvets, David McCarthy, commander, American Legion Post 70 and Jeannette Braun, president Unit 70, American Legion Auxiliary, Betty Doeflinger, president Unit 299 Auxiliary American Legion, Vi Tortorello, Cecil Ohmhardt, Fred Labriola and Benny Schiavo of American Legion Post 299. — Cathy Nendzke, Ann Speria, Carol Swinski and Barbara Welter appeared with the Sabre Cadets.

HAPPY BIRTHDAY. Sig Swiderski — Oct. 30. Sig is the past president of the Kiwanis Club of Branch Brook Belleville, Inc.

Here's some kids up to some good on Saturday, Oct. 21. Gene Marino, 9 — Tommy Casiano, 10 — Douglas Ritschel, 10, helped by a few other boys, held a Carnival for Muscular Dystrophy at 78 Perry Street. The boys had a dart booth, ball-and-tire game, refreshments and games of skill. A number of local businesses donated merchandise for prizes, proceeds were given to Muscular Dystrophy.

Watch it! Kathy Smith, per, blonde daughter of Don, Jr. and Toonie, is driving. Cathy Loreto, I apologize, knew all along you worked for Abbott's Drugs, but crossed my typewriter keys and in

advertently said Larders...oh, well, I got the address right. Happy Birthday to Pat Rudden of Bremond Street...

DON'T FORGET November 26th at the Galaxy, 338 Franklin Avenue when the World Coin Collectors Club will hold a coin show, open to the public, at no charge from 11-8.

That popular young group "People" (formerly the Underground Lightbulbs) is really getting rave they are in this month's Teen Photo magazine, and will appear on November 18th with the Four Seasons at the Country College of Morris, Rt. 10, Randolph Township Dover. The youngsters hail from Belleville, Newark and Bloomfield. Something new has been added, they are now sponsored by Musca Music of Belleville. There will be two shows that date, 7:30 and 10, tickets \$4.50. "People" consists of: Michelle Desmond, Wayne Desmond, Pam Sciale, Phil Denziano, Jeff Kinder and John Mancini. — not to miss this great event.

News from Wesley United Methodist Church, Thanksgiving Eve Service will be held in the Synagogue, 8 pm, with Rabbi Herbert Horowitz as Host. Rev. Gerald Roundwill give

the evening message, with Allan Crisp as Congregation Leader. — a Fellowship Hour will follow at Wesley. The Nov. 26 Service at Wesley will be "Stress, Strain and Stamina" (Matthew 7:24-27), one of the oldest such services given. The WSCS members have been visiting the Essex County, N.J., Geriatrics Center, this year for Christmas. — the women of Montgomery Presbyterian Church have made over 100 small socks to be distributed Christmas morning, they seek small items to put in them, such as toothbrush, cologne, etc. please, if you can help, contact either Wesley or Montgomery Church, prior to December 11-18 WSCS Christmas Fair & Dinner, November birthdays and anniversaries. — Mrs. Polly Folk, 3rd — Mrs. Joan Hall, 5th — Linda Welch, 6th — the Andrew Douglis, 8th — the Irvin Folks, 11th — Mrs. Mary Daniels, 12th — Howard Fisher, 15th — Mrs. Carol Wallasky and a 50th anniversary for the Chester Kralls on Nov. 16.

SORRY to report that Mrs. Mae Hager passed away, it said in the paper she had no immediate family, but her many, many years of volunteer service at Clara Muess Memorial Hospital and Redeemer Lutheran Church, she built up quite a large "family" who will long remember her thoughtfulness. — I'll never forget the first time I met Tony and Diane Rica — it was at a Moonlight Bowling program with the Kiwanis Club of Belleville. Saw Tony many times after that, as he was quite active in town and he introduced me to his nephew, Larry Colallo who owns the shoe shop. Tony was also campaign manager for Bab Laterza. Am terribly sad, Tony died this week. To Diana and his family, I can only say how sorry I am — he was a good man and will be greatly missed.

OPEN-FIELD TACKLE is made upon Belleville runner Napolitano had excellent 125 rushing compiled for day's (33) Joe Napolitano after he rushes for long gain Saturday. Kearny's (68) D. Forbes rushes up on play.

TACKLING THE BALL as well as Kearny runner (36) H. Magee is Belleville's Jerry Frunzi (52) in this heads-up play.

Rain Didn't Dampen Spirits

Bellboys Slide and Slosh to Win As Kardinals' Tail Salted in Slop

ROBERT LUONGO, Bellboy all-state candidate, watches sadly from sidelines Saturday. Luongo missed game with leg injury but is hopeful for Thanksgiving encounter.

BELLEVILLE SCORE came on this play in the third about to signal touchdown. Bellboys, after scoring, held on quarter on a one-yard run by Joe Napolitano. Official is for a 7-6 victory in Mud Bowl at Kearny.

AERIAL INTENDED for Belleville receiver (82) Mark Cosenzo went incomplete in the first quarter. Bellboy

offense did generate a score to hold onto 7-6 victory.

THIS PASS by (11) Bill Telesco is headed for (82) Mark Cosenzo. Senior receiver caught one pass for five yards.

PUNT RETURN by Kardinal (24) J. Pendlebury in second quarter netted only two yards before several Bellboy defenders closed down on this play.

BELLBOY DEFENSE CLOSES the hole on this play as (32) C. Turro is tackled after two-yard gain. Defense held

up enough for a 7-6 victory in the mud Saturday at Stadium in Kearny. When Kardinals did score a touchdown, Bellboys

came up with big play to stop a two-point conversion.

FIRST QUARTER action Saturday saw clean uniforms and visible numbers as this Kardinal runner breaks through line for short gain. Gridiron was in playable shape and slippery but not mired. Things soon changed though.

FOURTH QUARTER footballers were slopping in the muck and mire of the mud in Kearny Stadium. Above, Phil Cuzzi (30), just about recognizable through mud, picks up short gain. Field play was ruined when rains came.

Bellboys Aim At Golden Bears Next

(Continued from Page 1)

successful record in many years. Lyndhurst is undefeated at seven wins and no losses and already have the Passaic Valley Conference title under their belts. However, the Bergen County school will meet its toughest opponent of

the season Saturday when they hook-up with East Paterson High School. The Crusaders, along with Lyndhurst, are rated as among one of the top schools in the state and an amazingly easy victory over Nutley two weeks ago, 29-6, proves that point. Lyndhurst though, is no slouch team in compiling a 7-0 mark and their encounter Saturday with East Paterson will be one of the top encounters in the area.

How does this affect Belleville? Well, obviously Lyndhurst will have little time to prepare for Belleville. The Golden Bears originally were to play East Paterson last Saturday but heavy rains washed out that plan. With the Lyndhurst-East Paterson hookup this Saturday the Bears will have less than a

week to study Belleville. Also to the advantage of Belleville is the time the Blue and Gold will, in turn, have to prepare for Lyndhurst. It's almost two weeks. While coach Cafone and his charges are skulking up on the ways of Lyndhurst, the Golden Bears must concentrate on stopping the Crusaders.

However, all that time may backfire for Belleville. The local squad could easily fall out of its weekly habit of game-conditions playing while Lyndhurst, like it or not, will be strictly thinking football for the next two

weeks. It's up to Cafone to keep his boys sharp. Lyndhurst has to stay sharp with a game Saturday.

The outcome of the Lyndhurst-East Paterson game could determine a lot of the complexion of Belleville's contest with the Golden Bears. Depending on what team wins Saturday, Lyndhurst could be either 'up' or 'down' for its Thanksgiving Day contest with Belleville.

The Bellboys, at this point, show that they will be ready for a top effort against Lyndhurst. The Blue and Gold offense looked good in

rolling up almost 200 yards of offense against a much larger Kearny team while the Belboy defense held its opponent to six slim points, even without the services of its captain and monster man, senior Robert Luongo.

Luongo is still a question mark for the Thanksgiving game though he says he most likely will be ready. The all-state candidate from Belleville sprained an ankle in the Seton Hall contest two weeks ago and must receive the nod from the team doctor before joining the squad for the Lyndhurst finale.

According to Cafone, the Belboy running game against Kearny looked as good as it has all season. The Belleville coach reports the line blocking was as crisp and strong as it has been all season while the blocking of backs Phil Cuzzi and Joe Troise sprang junior Joe Napolitano for several long gainers. Napolitano, who over the course of the season has developed into Belleville's most feared runner, ran up an excellent 125 yards of rushing in the mud Saturday. The

total was high for any Belleville runner this year.

The Belleville team must enjoy playing in the rain as some of their best efforts this season have come in the muck and mire. Coach Cafone is puzzled by this.

"It isn't to our advantage to play in the mud because we are always smaller than our opponents but our playing in the rain seems to be working well though," remarked the coach.

Cafone believes a bigger team should have the advantage in the mud because that team could rely more on sheer strength whereas Belleville relies more on precision and quickness. Mud may help the Belleville defense though because the Blue and Gold defenders like to move around and stunt a lot, making blocking assignments more difficult...and even more difficult in the mud.

"I can't see why teams like to play in the mud," concluded Cafone. "It doesn't always work out to their advantage." Obviously not.

If a card holder desires to skate but once a week at a free session, a savings during a skating year would amount to approximately \$75. Should the person skate more than once a week, or participate in any specialized skating classes, as many do, the savings indeed become an impressive figure. There can be no greater bargain in all Essex County.

Beck's Column

The Public has become very demanding as far as furniture styling is concerned during the last few years. Today's color TV sets look like a piece of furniture. The first color TV sets were very bulky because of the length of the picture tube. Since the tube has been shortened so much, it is easy to make good looking cabinets.

Some of the furniture styles require elaborate carving, particularly the various mediterranean forms. This carving can not be done by machines, it has to be done by hand. The prices would be prohibitive. Most of these elaborate decorations today are plastic. They are done so perfect, that in better quality merchandise it is not possible to see whether it is wood or plastic. Like everything else, there is good and bad quality plastic and the difference is readily discernable. The cheap material is not used in the better quality TV or stereo sets, you will find in low priced merchandise, mostly in little known brands.

The plastic material holds up and wears excellent so you do not have to be apprehensive that it may not stand up. Chances are that it will out-last wood.

We service what we sell.

Conference Winners To Meet

Sunday's Touch Playoff A 'Battle of Unbeatens'

All the suspense and drama of a "dream game" will be culminated this Sunday in a battle of the unbeaten between Orechio's (10-0) and Alphonzo's (9-0-1). The game is a replay of last year's contest when defending champion Alphonzo's nipped Orechio's 7-6 on the final play of the game. The conference winners will meet at Belleville Municipal Stadium at 10 a.m. Sunday to determine this year's league champion.

In the first game of the semi-final round, Orechio eliminated Edward's Lounge 23-16 with strong efforts by three former N.J. All-Staters and a high school all-American. It was Edward's however that drew first blood when Q.B. Jim Freeman hit wide receiver Seldon Childs with a 17 yd. pass early in the 1st quarter. On the ensuing kickoff Orechio's Ass. started its drive with fine passing from Q.B. Jim Corino and excellent protection provided by Lenny Luongo (B.H.S. '65 Allstate). Corino hit Ralphie Lilore (St. Benedict's '63 Allstate) with a 35 yd. scoring strike. At the onset of the second quarter Corino again hit Lilore on a crossing pattern from 20 yards out.

With Orechio in front 13-7 and minutes remaining in the half, Edwards knotted the score when Freeman drilled a pass to split end Hillyard Wright. With 15 minutes remaining in the game, Seldon Childs put Edwards in front 16-13 with a 23 yd. field goal.

With time becoming a factor and behind by 3 points Lilore again provided the punch this time with a field goal from 35 yards out to knot the score at 16. It seemed as though sudden death was imminent when Edward's was forced to punt from midfield with 2:15 remaining. In an all out rush Donald Selari (N.H.S. '63 Allstate) blocked the punt giving Orechio possession on goal.

State Meets Glassboro Saturday

With the chance to pick up two football conference championships, Montclair State College (invited) John Page Memorial Field here Saturday afternoon to take on Glassboro State. Kickoff time will be 1:30.

The matching of the Indians and the Profs will have double meaning since both teams play in the Eastern Football Conference and the New Jersey State College Conference. Montclair State currently leads the NJSCAC with a 3-0 mark but must defeat Glassboro State to pick up its fourth straight title.

In the Eastern Football Conference, all four loop teams stand at 1-1. The EFC schedule for Saturday sends Central Connecticut against Southern Connecticut State in addition to the Montclair State - Glassboro State clash.

the Edward's 40 yard line. With 1:40 remaining in the game Corino this time found Richie Luzzi (B.H.S. '63 All-American) with a perfectly executed 35 yard post pattern

for the go ahead score. It was Luzzi again who gave the "coup de gras" when he intercepted a Freeman pass to extinguish any hopes of an Edward's comeback. The second game found Alphonzo's having a tough time against Derio Old's squeaking out a 14-12 victory.

Derio Old's completely dominated the first half

before the defending champions put their game together. Alphonzo's Q.B. Jim Barrick settled down to business as he brought his team back from behind with a good mixture of

passing and running plays which seemed to catch the Derio defenders off guard. The former Camden H.S. basketball star hit his favorite receiver Nate Brown with

passes of 30 and 50 yards. The tall (6'7") Barrick calmly tossed strikes for the all important conversions which proved the winning margin in the game. Try to make this

week's game at Belleville. You'll see two well drilled teams which possess outstanding athletes that will provide an exciting game. Admission is free.

Our bodies are built to be active. There is nothing better than exercise to keep the body thriving. Vigorous physical exercise is absolutely necessary to keep the body healthy. Games, sports, conditioning exercises: these are all helpful in building up the endurance of the heart, lungs, and muscles. Exercise stimulates the liver and kidneys, reduces joint tensions, promotes well-being in general. Games and sports are a fun adjunct to conditioning exercises: a little activity keeps you also looser.

There's nothing better than the service you receive from all of us at ROSSMORE PHARMACY, 1318 Washington Ave., 759-1956, 759-1968. Guest speaker for the Encounter Day will be Rev. Charles Miller of Our Lady of the Valley parish in Orange.

Registration fee of \$2.00 per teenager will cover the cost of a buffet supper, films and a discussion period. Mass will be celebrated at 6 p.m.

Teens who will be attending the session are requested to advise Wannemacher, the council's spiritual chairman, by writing to him at 7 Grand Ter., West Orange, N.J. 07052.

Floridian Sees Belleville Jail

Walter Stanley Malena, 20, of 7140 Northwest 11 Court in Plantation, Florida pleaded guilty to unlawful use of a motor vehicle in Belleville court October 18. Judge Edward Abramson sentenced him to the time Malena had already spent in jail, which amounted to six days.
Malena was arrested October 13 by Officer Carmen Pedalino for possession of a 1964 Corvair belonging to Henry Corvair of Rutherford.

Study may provide intelligence but it takes thinking to develop wisdom.

LEGAL NOTICE
SUPERIOR COURT OF NEW JERSEY
DOCKET NO. 14-20486-71
STATE OF NEW JERSEY
To Elizabeth A. Bodewalt, Defendant.
By virtue of an Order of the Superior Court of New Jersey, Chancery Division, made on the 12th day of October, 1972, in a civil action wherein Emanuel E. Bodewalt is the plaintiff and you are the defendant, you are hereby required to answer the complaint of the plaintiff on or before the 13th day of December, 1972, by serving an answer on Salvatore A. Simone, Esquire, plaintiff's attorney, whose address is 589 Central Avenue, East Orange, New Jersey, and in default thereof such judgment shall be rendered against you as the Court shall think equitable and just. You shall file your answer and proof of service in duplicate with the Clerk of the Superior Court, State House Annex, Trenton, New Jersey, in accordance with the rules of civil practice and procedure.
The object of said action is to obtain a judgment of divorce between the said plaintiff and you. Dated October 24, 1972

Shooting Here To Grand Jury

George Ganaway, 32, of 281 Ridgewood Avenue in Newark faces possible indictment by the Essex County Grand Jury for the shooting of a Newark girl on East Overlook Avenue October 17. Belleville court Judge Edward Abramson referred the case to the grand jury October 18. Ganaway is charged with shooting Miss Deborah Bright, 21, of 121 Vassar Avenue in Newark.
Miss Bright was treated at Newark City Hospital on the evening of October 17 for a wound in her right shoulder. The following night, Ganaway came to Belleville Police headquarters and turned himself in to Detective Kenneth Place.

Success Has Changed U.S. Driving Champ

Time - and Success - have changed Joe Leonard.
He was once known as a hell raiser who was gruff and loud and unpredictable as the weather. That, however, was luck when pants had cuffs and D.A. haircuts were in vogue.
Times - and styles - have changed. So has Joe Leonard.
Last year, the ruddy-looking race car driver from San Jose, California won the United States Auto Club driving championship, this becoming the first man to win both the national motorcycle and championship car crowns.

SUNTANNED & VICTORIOUS - Defending U.S. Auto Club driving champion, Joe Leonard, joins wife, Diana, after collecting \$83,330 for winning the Pocono 500.

This year, Joe and his Samsonite-Castrol Motor Oil racer have all but clinched the USAC championship again and have a healthy lead on a second straight Triple Crown triumph, with the California 200 at the tario Motor Speedway, the last big stop on the 1972 season.
However, back in the '60s, Joe Leonard drove nothing but motorcycles. And he typified the reputation of motorcycleists.
Later, he changed to four-wheel racing. Still he kept the wild ways to which he was so accustomed.
On a recent weekend at a Castrol sponsored victory brunch following the Pocono 500, Joe Leonard, driving champion, was a bit mellower and much in demand.
He spoke of future appearances at shopping centers on behalf of his huge sponsor. He mentioned various photo sessions for advertising layouts he was involved in.
"Things have been hectic. But this brunch is a change. I haven't been able to just stand and talk without being mobbed in a while," Leonard said, softly.
The "society" part is the new Joe Leonard. When he received his Triple Crown Award - earlier this year in Philadelphia, even the microphone had trouble pick-

ing up his slightly-above-a-whisper "thank you" speech.
At the Pocono affair, Joe Leonard again spoke a more debel above a whisper as he conversed with sponsor Marty Donahue, president of Castrol Oil. "It's a lot different from the old days. I never realized what being the national champion involves. I just can't seem to get home."
Donahue was a young regional salesman when he first provided Leonard with an occasional supply of oil so he could go motorcycle racing some 20 odd years ago. At the brunch, he was just glowing at his old buddy because Leonard had impressively introduced Castrol's new GTX motor oil with a third at Indy and back-to-back victories in the Michigan 200 and the Pocono 500.
"Joe's a classic," remarked Donahue to a bystander. "He's a very, very competitive driver. He's got to be right in there with Mario Al and Bobby. He has a seat-of-the-pants feel. You've got to place him in the top six drivers going."

Joe Leonard, as usual, wore dark glasses. Maybe he's unconsciously trying to hide his identity. It works in New York where few sports writers get to the races, but it doesn't work many other places.
He also does things inconspicuously. Nice things. Like turning over a \$1,000 check to the children of the late Jim Malloy, the driver who died of injuries during a practice run for this year's Indianapolis 500.
Joe Leonard quietly ate his meal and disappeared shortly thereafter. The black leather jacket and blue jeans are in the past, along with the wild nights, the loud gruff voice and the who-gives-a-damn attitude. Joe Leonard is a professional race driver now.
Years and success can change a person. It changed Joe Leonard.

Home Steam Bath Offers New Way To Health Spa Living

A health spa steam bath, offering invigorating vapor-pure steam, can be built into any existing shaft shower or tub enclosure. Unlike a sauna, an extra room is needed.
In-home steam baths are turning ordinary bathrooms into health resorts. The home steam "room" provides a constant flow of vapor-pure steam into any existing stall

shower or tub enclosure at the flick of a switch. Its secret, a compact, electronic generator that is quickly installed with 2-minute planning and electrical connection. Total cost including installation is a few hundred dollars in most cases.
The steam bath is not only ideal for dieters, and sufferers of arthritis, bursitis, rheumatism, but an enjoyable way for

anyone to stay healthy.
For a free booklet about the steam bath, write: Midland Manufacturing Corp. 162 East Industrial Court, Deer Park, New York 11729.
The man who knows it all is as dangerous as the man who knows nothing.

The helpful smile...

With Irene Hooper, that's not just a platform manner. She enjoys helping you with your banking needs. And she's part of the friendly team at First National State Bank of New Jersey.
Mrs. Hooper is an officer at our Franklin branch at 350 Centre Street, one of First National State's four offices in Nutley. She's an expert at arranging a vacation loan, opening a Christmas Club, seeing that your securities are safeguarded, and scores of other services. And she'll smile while she does it.
A former Girl Scout troop leader at Spring Garden School, she's now treasurer of both the Nutley unit of the American Cancer Society and the Nutley service unit of the Salvation Army. She's a member and former officer of the Nutley Tennis Club. Professionally, she's a member of the National Association of Bank Women and also of the Tri Town Business and Professional Women's Club. And in her leisure time, you're likely to find her at one of those regular bridge club sessions.
There's a little more of that leisure time for Mrs. Hooper and her husband, George, now that Marie, Joan and Elaine have all graduated from college. But not too much, now that granddaughter Renee has come along. And there are all those friends accumulated in more than 35 years in Nutley.
A graduate of Drake Business College, Mrs. Hooper attended Rutgers and Boston University and the American Institute of Banking. She's been with the bank for two decades, give or take a short leave or two.
You'll find her smile as warm as her heart. So, if you'd like assistance with a loan or a legacy, come into First National State, the "Whole Bank", where our helpful Mrs. Hooper will put our full range of services at your command. And cheer you up while she does it.

Another service from the WHOLE bank!

Get an "ace in the hole" when you join the WHOLE Bank 1973 Christmas Club.
This year when you join First National State's Christmas Club you not only start saving for Christmas 1973, but you'll be able to make a Personal Loan at 15% off our already low bank rates. You'll be saving money two ways - through your Christmas Club and when you come in for a Personal Loan.
Here's how it works. When you open your Christmas Club, you will receive a preferential personal loan rate card. Then when you want to make a loan - from \$1,000 to \$5,500 - present the card at any office of First National State Bank of New Jersey. The loan you receive will be at the special low rate. You can make your loan at any time between now and December 31, 1973. However, to receive the 15%-off Rate Card, you must open your Christmas Club by January 31, 1973.
What does this mean to you in terms of money? It means a savings of \$27.00 each \$1,000 borrowed from us in a savings of as much as \$245.88 on a \$1,000 loan from most loan companies.
Don't wait! Open your 1973 Christmas Club now and get your Christmas Club Credit Card. With these two things in your hands, you'll really start the New Year with your finances under control.
*Loans subject to credit acceptability.

Organizational Doings

Local Political-Social Club Supporting Many Charities

Way back in 1932, a group of less than ten men formed the Belleville Political/Social Club, meeting in each others' homes. Eventually they rented a meeting place on Belleville Avenue until 1949 when they purchased the present building. The Political/Social Club meets the second Tuesday of each month, 8 p.m. at 210 Belleville Avenue.

Membership now numbers 72, with 30 honorary members, those who have moved out of state, etc. Age requirement to join this organization is 21, and the accent is not on the political, but on the social side. The group, as a whole, supports no special political affiliation but any seeking office are invited to speak before the membership. The prime activity is supporting such charities as Muscular Dystrophy, March of Dimes, etc. Once a year a children's Christmas party is held for neighborhood children, with "the best Santa Claus ever." Presents are also given to nearby Orphanages.

Let's meet the officers: Don Ciallella - president, Carmen Fortunato - vice president, Joseph Omalsky - treasurer, Robert Russo - financial secretary, Phil Romeo - sergeant-at-arms, with Nick Natale, Jack Lowack, Frank Fortunato, John Buccarelli, Edward Bergman and Vincent Fortunato on the Board of Trustees.

Set Blood Bank Day At Hospital

There is a continuing and critical need for blood, not only at Clara Maass Hospital, but throughout the country. To help relieve this shortage and to insure an ample supply of blood the hospital is participating in a joint community Blood Drive.

For residents here, Monday, Dec. 11, has been designated as Clara Maass Blood Bank Day. Co-operating with the Essex County Blood Bank facilities, it will be available in the School of Nursing Auditorium between 8:30 pm and 11 pm. Enter from the Newark Avenue by Professional Bldg.

Census Bureau Survey Here Will Provide Voter Profile

Did you vote November 7? Were you registered but did not vote?

will ask these and other questions about voting activity in the 1972 national election of persons 18 and older in

a sample of households in this area during the week of November 20-24.

of the Bureau's Data Collection Center in New York, stressed that no questions will be asked about party affiliation or for whom a person voted. The survey will provide a profile of the typical American voter and non-voter: age, sex, residence, education, labor force status, and family incomes, and in white-collar occupations.

The voting questions are in addition to the usual ones asked in the monthly survey on employment and unemployment conducted nationwide by the Bureau for the U.S. Department of Labor.

Results of this monthly survey provide a continuing measure of the economic health of the country. The September survey showed that employment continued to rise, while unemployment was essentially unchanged. The September unemployment rate of 5.5 percent was about the same as in the previous three months, but below the 6-percent mark around which it had fluctuated between late 1970 and May 1972.

Information supplied by individuals participating in the survey is confidential and results are used only to compile statistical totals.

THE NAKED LOOK OF QUALITY

You'll recognize it immediately when you see one of our GRANDFATHER, GRANDMOTHER, BRACKET or SCHOOLHOUSE CLOCKS. It is as evident in our finely hand-crafted, assembled cases and completely finished clocks as it is in the West German movements that fit them. And that unique quality comes in all sizes - from our tall 85-inch Grandfather Clocks to our handy 18-inch Bracket Clocks. It's particularly apparent in our kids' which feature precision time-cutting (including more cuts) and sub assemblies. The biggest surprise is that even with all this amazing quality at all the clocks are remarkably low priced. Clock kits start at \$39.50. Fully finished clocks from \$56.

Guilty of False Tax With Belleville Firm

Herbert J. Stern, United States Attorney for the District of New Jersey today announced that Leonard Sallustro, 32, of 1 Tabor Court, Livingston, and Richard Raffa, 32, of 14 Troy Drive, Livingston, each pleaded guilty before the Honorable Lawrence A. Whipple in federal district court, Newark, to filing false income tax returns for a Belleville firm with the Internal Revenue Service.

According to Stern, Sallustro and Raffa were indicted on November 11, 1971 in an eleven count indictment charging the filing of false returns with the Internal Revenue Service to avoid payment of income taxes.

Stern stated that Sallustro

and Raffa pleaded guilty to filing a false income tax return for Delavan Construction, Inc., 8 Lawrence St., Belleville, for the fiscal year ending April 30, 1969. Stern stated that the Delavan Construction, Inc. tax return had indicated that the corporation had run at a loss of \$5,508.48 for the taxable year. Sallustro and Raffa admitted in Court that not only was that statement of a loss false, but that the corporation had taxable income of an amount "substantially in excess" of the reported loss. The actual corporation income was over \$37,000.

Stern stated that Sallustro and Raffa face a maximum penalty of 3 years imprisonment

and a \$5,000 fine or both.

Stern praised the work of the Special Agents of Internal Revenue Service headed by Special Agent John J. O'Hara for their work in connection with the case.

The case was handled for the Government by Marc I. Dembling, Assistant United States Attorney.

Colder Weather Increases Mishaps

Cold weather brings a double threat to New Jersey residents, but many don't realize it, says the Insurance Information Institute. It not only exposes them to icy walks and slippery roads but also increases exposure to household hazards by driving them indoors.

Last year, home accidents in the U.S. killed 27,500 persons including 789 in New Jersey many during cold weather when residents forget their indoor surroundings can be just as treacherous as the harsh outdoors.

Accidents in the home in 1971 disabled more than four million persons - nearly twice as many as were disabled in work accidents, and cost Americans nearly \$3 billion.

Most injuries occur when people least expect them during child's play or when

attention is on cooking, housework or do-it-yourself repairs.

Most deaths in the home are caused by fire and poisonings, says the Institute.

During cold months, fire is one of the greatest hazards. As people spend more time indoors, increased use of heating units and electric appliances places extra strain on power systems.

Faulty electrical equipment is the leading cause of building fires in the U.S., says the Institute. "When preparing for the cold outdoors also check indoors for defective heaters, chimneys, stoves, plug-in appliances, power tools and wiring."

Falling or tripping is the leading home killer accounting for more than one-third of all home accident deaths, says the Institute.

THROUGHOUT THE YEAR the staff at Clara Maass Memorial Hospital practice proper fire drills and procedures. During October demonstrations, the care

and application of various fire extinguishers are given to employees. Above, Ken Bedford instructs Ronald Carter.
