

Triple-Duty Courtroom Will Have New Identity

"TWO WEEKS, RUTH" — Commissioner Marotti estimates the completion date for repairs to the Belleville courtroom and points out to Court Clerk Ruth Spangler the future location of Judge Edward Abramson's new bench, while workmen size up the task.

Going to court may never be an altogether pleasant experience for anyone, but regular visitors to Belleville's hall of justice will soon notice a marked improvement in the decor.

Likewise, followers of the Town's Commission scene, and the Town Fathers themselves will be doing their work in style.

Belleville zoners, as they suffer the slings and arrows of outraged citizenry, will be able to take heart in a more harmonious environment in the coming months.

All this will be accomplished in one fell swoop when renovations are completed on Belleville's triple-duty courtroom — which is also used as chambers for the Board of Commissioners and the Zoning Board of Adjustment, Commissioner of Parks and Public Property Michael Marotti opened the project in mid-

January and work will continue for another two weeks, after which the room will virtually have a new identity.

Using men from his own department and working himself, Marotti plans to bring the project in at a cost of about \$5,000, with another \$3,200 going to D&D Millwork for construction of a new magistrate's bench.

The "bench" actually more than a literal bench, of course, or it wouldn't merit a \$3,200 contract. The new addition stretches clear across the courtroom and provides seating not only for Judge Edward Abramson, but for the five commissioners or zoners when they convene.

All walls in the room will be paneled, and the ceiling will be lowered to 15 feet from the floor. With the new seating arrangement for the judge and commissioners, plus the addition of a new

Tickets For Jets On Sale

Tickets for the February 17 cage battle between New York Jets and the Craig Fund All-Stars are now on sale at various stores around Belleville.

Scheduled to appear this year for the Jets are Ed Bell, Rich Caster, Bob Tucker, Emerson Booser, Ron Johnson, Roger Finnie, John Dockery of the Steelers, Phil Villapiano of the Raiders and Bob Davis. Tentatively scheduled is Matt Snel.

Tickets will be sold at \$2.50 and may be purchased at Flowerama, Jolly Cleaners, Belle Maide, Zig Zag Bar, Circle Bar, McGreevey's Tavern, Sportsman's Haven, Guys and Dolls, DeBacco Brothers, Rosebud's Sweet Shop, Stanton's Confectionary, Olga's Bar and Grill, P.J. McDonald's Bar, Vee Bee Esso, Rossmore Pharmacy, Ross's Tavern, Brighton Tavern, Belmont Tavern and Frenely's Tavern.

Tickets for students will be sold at Belleville High School. Boosters, to be listed in the program, will be sold at one dollar for a single name, and two dollars for all others.

Proceeds from the game will again go to the Craig Fund, an organization formed to aid Belleville's handicapped. Presently, Craig Fabian, Billy Greco, Joe Restano and Dewey Imhoff benefit from the fund.

Last year's contest was a sell-out and a cliff-hanger, with the All-Stars snatching a narrow upset from the Jets. That loss, one of the few suffered by the gridgers in their off-season tour of local gyms, will no doubt add fuel to the upcoming match.

Forums This Week

Board of Ed Campaign Goes Into High Gear

The three candidates for the Belleville Board of Education this week will intensify their drives to capture the two seats up for election February 13.

Candidates' forums will be held on four nights in the coming week: tonight at School Eight; Monday night at School Seven (for Schools Three and Seven); Tuesday night at School Nine (for Schools One and Nine) and Wednesday night at the Junior High School. The time for every forum is 8 p.m.

Though the two incumbents, Board President

Richard Mahmabrian and Caesar Romano, and the challenger, Steven Rogers, have already been speaking at various candidates' nights and teas, they have been unable, or unwilling, to focus on any single issue.

The two incumbents, prodded by the growing threat from Rogers, a 21-year-old Air Force sergeant, have lately been issuing stronger statements. Rogers, undaunted, each day grows more confident of victory at the polls.

Rogers said this week he intends to propose a new set of

incentive programs for the school system's maintenance employees — whom he calls the system's "forgotten workers."

He further reported the results of a poll, taken by his campaign staff, which he claimed showed him to be favored by 95 percent of Belleville's young voters and 68 percent of the adults.

Mahmabrian said this week, "There is a lot of work to be done in our schools right now. The voters should look to those with the experience, background, and the wisdom to lead the school

system in what will be a very crucial time."

Mahmabrian most strongly identifies himself with the repair program the Board has embarked upon in the budget adopted Thursday night. "The educational system is sound," he said this week, "but no Board president has in recent years spoken out louder than I have about the deteriorating condition of Belleville schools."

Asked if he thought irate taxpayers may associate his candidacy and the maintenance appropriations with the 15 percent increase in the proposed budget, Mahmabrian replied flatly, "I'm not ashamed to be associated with the repairs, and I'm going to keep on pushing for repairs in our schools."

Board member and candidate Romano had a similar answer to the same question. "I'm not forcing anyone to vote for the budget," he said, "I'm just telling them what's wrong with our schools and what it will cost to repair them. I don't like to pay taxes either, and I don't like to see them go up. But I don't want to see our schools in disrepair. Also, the state is mandated next year to find a better way to fund our schools, so the tax burden will be lifted."

Romano further said one issue he is raising in the campaign is that of accountability. "I'd like to see all the administrators in the system be made accountable to the total program. For example, a school principal should not be responsible just for his school, but he should look at how his school affects the entire school system."

Board Takes Bids On Electrical Jobs

The Belleville Board of Education held a special meeting Monday night to receive bids for electrical work on three schools.

Five companies submitted bids ranging from \$14,000 to \$20,250 for the contracts for work on wiring in Schools Five and Ten and in the Junior High School.

In Schools Five and Ten, work would be contracted to repair or replace feeder cables outside the buildings. None of the electrical work would directly affect lighting inside the school.

At the Junior High School, the proposal was for electrical

renovations in the woodworking shop.

For the three combined proposals, the low bidder was Beaver Electric, which turned in an estimate of \$14,000, \$240 lower than the next lowest, Electrocraft.

The bids will next be submitted to the school system's engineers to be checked for their technical correctness, and then sent to Board of Education attorney Max Schwartz, who will examine the bids for legality.

Jaycees Search For New Members

Belleville Jaycees will continue their reorganization with a meeting tonight, 7:30 p.m. at the Fountain restaurant to introduce prospective members to the group.

All officers of the organization will be on hand at the orientation and will explain to interested young men the aims and goals of the Jaycees on all levels, from local to international.

One of the Jaycees' February projects is a proposed contest to find the best snow sculpture in Belleville.

Food Store Inspections Are Going to Tighten Up

Belleville Health Officer Edward G. Hillery said this week his department should have no trouble adapting to recent revisions in the state sanitary code.

Hillery said a new Chapter 12 has been added to the code, calling for "stricter and more comprehensive" examinations

of food establishments by local authorities.

Hillery said the Belleville department, unlike some other towns, has been working under state auspices for many years, and should be ready to adapt to the new system, which will also require the posting of grading sheets near the entrance of each food establishment.

The revisions in the state code will bring all local health departments under state supervision and every town will be subject to spot checks by state inspectors.

Hillery said the state health department is mainly interested in sanitary violations and enforcing safety measures.

"We haven't had too much trouble with these types of violations in Belleville," said Hillery, although he added his goal of two inspections per year of every food establishment is "nearly impossible to meet. Including fruit and vegetable stores along with restaurants, there are about 250 retail food stores in Belleville and Hillery's staff includes only two sanitary inspectors.

"That's a lot, we realize that," said Mahmabrian, "but this increase is for items that we need, and need very much."

Explain \$7.4 Million Package

Budget Planners Stand Firm: 'School Repairs Can't Wait'

By Ken Moore

The Belleville Board of Education unanimously adopted their proposed \$7.4 million budget for the 1973-74 school year after a sparsely-attended public hearing at School Eight January 25.

The hearing this year in-

cluded a slide show designed to show the voters just where most of the 15 percent increase over last year's budget would go — into repair of Belleville's deteriorating schools.

In line with tradition, the public hearing was a sales ef-

fort on the part of the Board to convince the voters to accept the increase. The thrust of their argument was that school maintenance has in the past been deferred in order to provide moderate budgets. The Board told the audience Thursday night, in effect, this year they would have to pay the price in order to provide moderate budgets. Board members said all possible money-saving resources had been "used up" to produce those austerity budgets and this year taxpayers would have to assume a 44 point increase to keep the schools in repair.

In looking for areas to cut the budget, said Board members, certain areas were closed: salary increases for 469 employees represented by five bargaining units amounted to \$567,490, well over half of the \$995,000 increase; fixed charges and tuition, expenses determined for the most part by the county and the state amounted to another \$74,737 hike; debt service, which includes mandatory payments for previously incurred bonded debts, came to a \$30,185 increase.

Board member G. Fred Burlazzi pointed out that about 85 percent of the budget falls into these categories.

Also mentioned were the increased costs of heat and utilities, transportation and supplies.

Board President Richard Mahmabrian admitted the tax

Local Doctor Elected To Hospital Committee

Dr. Frank J. Noonan of 272 Holmes Street, Belleville, has been elected to represent the associate attending staff on the executive committee of Clara Maass Memorial Hospital of Belleville, New Jersey. Dr. Noonan was elected by the members of the associate attending staff of the hospital. The executive committee of the medical staff makes policy decisions which effect the entire administration of this hospital. At present there are over 300 physicians on the staff at Clara Maass Memorial Hospital.

Dr. Noonan attended Georgetown University and was graduated from the medical school of Georgetown with honors. After graduation he served his residency at Marlard Medical Center in Newark. Following completion of his internship he served in the U. S. Navy as medical officer with the Mine Force of the Atlantic Fleet. Dr. Noonan has maintained his private

Golden Comments

By James R. Golden

Very sorry to learn Commissioner Mary V. Senatore stepped aside to pave the way for Bloomfield's Martin G. Scaturro's appointment to fill the unexpired term of former Freeholder Board member Philip Rotundo, who last November was elected County Supervisor.

Our lady Commissioner has a lot of political savvy and probably moved wisely with an eye to future advancement in the Democratic Party ranks.

Her graceful withdrawal from consideration for the position for which she was strongly considered has won her much acclaim among the big-wigs of the party. There is little doubt that when future tickets are made up, Mrs. Senatore's name will appear in the Democratic column of the ballot.

Mayor McGreevey doesn't realize how right he is when he warns his Commission colleagues that they'd all be RECALLED if the vote to grant another 1% raise over and above the 5.5% increase just granted all the town-help.

The proposed additional increase, sought by the local police P.B.A. and Fire F.M.B.A., would up the total increase for both these bodies to a 6.8 percent total hike that would cost the town's taxpayers about an additional \$70,000, over and beyond the raises just voted by our generous Commissioners, because it would include a formula whereby the increased percentage would be based upon not the base pay of the police and fire personnel, but their overall earnings, including longevity, paid holidays, overtime, etc. All these "goodies" for the boys in blue to be increased proportionately in a proposed contract for 1974.

It is to be noted that by comparison Nutley includes all earnings of its police and fire personnel in its base pay schedule, whereas, Belleville does not. This produces an illusion which does not indicate the true picture of Belleville's base pay, since it does not include longevity, uniform allowance, overtime, paid holidays, etc.

Suppose we project an average outline of what the rank and file Belleville Policeman and Fireman would cost our taxpayers, under the proposed schedule by the year 1974, which is just before the next election year.

Salary	\$12,000
Uniform allowance	250
Overtime Time & Half - (estimated)	750
Paid Holidays - (estimated)	750
Longevity (2% every 5 Yrs. to 10%) Max.	1,200
Paid directly	\$14,950
Half of pension fund (estimated)	600
All Blue Cross & Shield (estimated) (Family Policy)	600

Struck In Auto Accident; She Dies At Intersection

A Nutley woman died Saturday night after she was struck by an auto in Belleville at the intersection of Washington Avenue and Van Hook Place.

Mrs. Mary T. Griffin, 73, of 125 Columbia Avenue of Nutley, was pronounced dead on arrival at Clara Maass Memorial Hospital where she was taken after she was hit by a car driven by Walter E. Cole Jr., 17, of 9 Campbell Avenue in Belleville.

Police said Mrs. Griffin was crossing the intersection at 7:25 p.m. Saturday as Cole was driving south on Washington Avenue. Police said there is no traffic light at the intersection and rain had decreased visibility. No charges were lodged against Cole, who was driving at

a normal rate of speed.

Mrs. Griffin was born in New Brunswick and came here from Newark. She was employed for 20 years as a secretary with the American Hardware Casualty Company years ago.

She is predeceased by her husband, the late William B. Griffin, and survived by her brother, Vincent J. Sharkey of Nutley; two sisters, Mrs. Winifred T. Maguire of Maplewood and Mrs. Veronica Battaille of Morristown; six nephews and one great-grandnephew.

A funeral Mass was held Wednesday at St. Joseph's Church in Maplewood from the James T. Caffrey Funeral Home in Irvington.

Belleville's schools. The slides showed cracked walls, seepage-marred, dimly-lit classrooms, rotting electrical wires and numerous other ills. Romano intends to delete some excess slides from the already-impressive selection before taking the show around to PTA and Home-School groups during the coming campaign.

Board member Lawrence Schwartz reminded the audience taking the show around to PTA and Home-School groups during the coming campaign.

Then breakdown of appropriations for each of the schools with a mention of some of the major repairs included is as follows:

School One — \$15,075, mainly for repair of seepage and falling plaster in classrooms; plastering and painting.

School Two — \$3,334 for installation of fire doors, a

cancel one session. We're all working under adverse conditions and smiling through it." She added she and her staff are enthusiastic about the changes and expect the chambers to be "much nicer" once the project is completed.

Marotti, who has initiated numerous repair and refurbishment programs since he took office last year, had wanted to work on the courtroom earlier, but he said, "I found that I couldn't do so, I held off on it. Next I'd like to work on the stairwell in Town Hall."

Stern and Elmer H. Kinsman, Newark District Director of the Internal Revenue Service said at a joint press conference the three members of the Sica firm, and the others charged in the indictment, entered false deductions for their clients, enabling the clients to receive large refunds when they were entitled to small ones or none at all.

Stern said if convicted, the defendants face possible imprisonment for five years and a fine of \$10,000 for conspiracy and imprisonment for three years and a \$5,000 fine for the tax charges.

Kinsman emphasized the Internal Revenue Service is not trying to discourage the patronage of return preparers by the public and said the IRS recognizes that honest and professional tax preparers provide a necessary and valuable public service as many citizens need professional help and advice with their tax returns.

Herbert J. Stern, United States Attorney for the District of New Jersey, says the indictment names dates on which the three prepared false returns for specific clients in 1970 and 1971.

Local Music Major Reaches Dean's List

Toni M. Spooner, daughter of Mr. and Mrs. Anthony Spooner, 61 Preston Street, was recently named to the Dean's List at Marywood

College, Scranton, Pa., with an average of 3.25.

Miss Spooner, 18, in her junior year at Marywood College, majoring in music education. She has just finished doing her junior observation in Bloomfield.

Miss Spooner is a piano major and a harp minor. Her activities at Marywood include being secretary of the Scranton chapter of the Music Educators National Conference; a member of the Marywood Singers, and the Marywood Choral, playing harp with the Marywood College Orchestra, and playing harpsichord with the Marywood Chamber Orchestra. In her spare time, Miss Spooner gives lessons on piano and brass.

Miss Spooner has been seen in a number of public and television performances and will be giving her public recital on March 18.

Senior High — \$64,000 chiefly for new folding divider in gym, painting, replacement of lights.

The above-mentioned repairs represent only a partial listing of major renovations covered under the budget.

A large portion of these repairs were put into the capital outlay area of the budget, which totals \$102,200; a \$52,000 (or 106.9 percent) increase over last year.

Though the attendance at the public hearing was small, numbering only about 70, there was little serious objection to the budget, although one man did question the amount of spending \$18,000 to move the Board offices from School Eight to the Public Affairs Building on Washington Avenue at a cost of \$18,000.

Mahmorian said the saying in classroom space at School Eight would far outweigh the cost of moving to the new offices, which will be supplied rent-free.

All Board members were united in urging citizens to work for passage of the budget in the February 13 election, mainly so the necessary repairs can be made on the school buildings.

Ten of the past eleven school budgets have been rejected by voters at the polls. If the budget is voted down, it is brought to the Belleville Board of Commissioners, who will look for areas to cut.

At that stage, if the Board of Education were to remain firm in their desire to keep the budget intact, and were not satisfied with cuts made by the Town Fathers, they would have the option of appealing to the State Superintendent of Schools.

If this failed, or if the School Board declined to

make that move, they could try to fund the repairs through a special bond referendum.

Board President Mahmorian has already expressed his approval for this method.

Last year, voters turned down, by a slim 33-vote margin, a budget that included an increase of only 4.8 percent. Some interpreted the rejection as a reflex protest against high taxes, while others felt many voters believed the package to be inadequate.

Union College Schedules New Courses for Adults. College Unlimited, Union College's innovative program of short-term courses geared to adult tastes and interests, will offer seven courses in its Spring Semester, it was announced today by Dr. Frank Dee, dean of educational services.

The eight to ten-week courses include Advanced Creative Writing, Drawing and Painting, Drama, Improvisation, Psychology of Personality, and Adolescent Psychology.

College Unlimited has been designed to meet adult needs for intellectual stimulation in an atmosphere uncluttered by the restrictions of a traditional semester-long credit course, Dr. Dee stated.

Mahmorian said about that budget, "It was in the words of some people, a very miserly budget. Some called it a 'do-nothing budget.'"

At least two people in the

audience Thursday night expressed active support for the new budget, and one man vowed he would go on a door-to-door campaign to seek its passage.

Essex County Red Cross Chapter Volunteers Served At Recent Presidential Inauguration

Five Red Cross volunteer drivers from Essex Chapter including a Belleville resident, were among nearly 300 working volunteers and staff from 30 Red Cross chapters across the country serving at the Inauguration of President Nixon in Washington on January 20.

Mrs. Joseph Penn, Harrison, a veteran Red Cross driver, headed the contingent which included Mrs. Grace Conner of Bloomfield, Mrs. Carol Millison, Fairfield, Natalie Fanonea of Belleville and Lance Hafter, an Upsala College student from Philadelphia, Pa. Each of the volunteers drive an Essex Chapter Red Cross station wagon.

The five wagons left Essex Chapter headquarters in East Orange for Washington on Thursday afternoon. They joined 70 other Red Cross vehicles in the Capital, including 20 ambulances. Their assignment was to transport disabled veterans and hospitalized

servicemen from veteran's homes and military hospitals in the D.C. area to and from the Inauguration parade and other ceremonies. Vehicles and Red Cross volunteers from New Jersey's Montclair and Trenton Chapters also took part.

According to Red Cross officials at the Washington, D.C. Chapter which served as headquarters for the visiting volunteers and supervised their Inauguration activities, the working group included drivers, nurses, canteen workers, dispatchers and first aid personnel. Five Red Cross First Aid stations were set up and manned along the route of march and seven rowing canteens provided the disabled veterans, servicemen and others involved in the parade with hot coffee, soup and sandwiches.

The Essex Chapter contingent returned home on Sunday, January 21.

CHECKING LAST MINUTE instructions prior to departure from Essex Chapter's East Orange headquarters for the Inauguration in Washington are (left to right) Mrs. Carol Millison, Fairfield; Mrs. Grace Conner, Bloomfield; Lance Hafter, Upsala College, East Orange; Mrs. Joseph Penn, group leader from Harrison; and Natalie Fanonea, Belleville.

Doctor Carroll Will Direct Dental Health Week

Dr. Merwyn A. Carroll of the Livingston Mall, with appropriate exhibits during Children's Dental Health Week, February 4 - 10. Winners will be announced and prizes awarded during the week.

Dr. Carroll will direct activities of the Dental Society aimed at calling attention to the key rules of good dental health: The correct use of dental floss, the importance of proper diet low in sweets, the need for brushing after eating, the importance of regular dental check-ups, and the use of fluoride.

Some of the local programs include demonstrations, lectures, bus cards, signs in strategic spots, and highway billboards. The Dental Society will also sponsor a School Age Art Contest as a classroom project for elementary and high school students. The contest is being co-sponsored by the Livingston Mall Merchants' Association, and examples of the students' artistic talent depicting a dental

theme will be on display at the Livingston Mall, with appropriate exhibits during Children's Dental Health Week, February 4 - 10. Winners will be announced and prizes awarded during the week.

Local schools, the school nurses and dental hygienists are assisting the dentists in the

programs — and local, civic, government and business leaders are expected to join in the promotional activities of this special week.

Dr. Carroll is a graduate of New Paltz High School in New Paltz, New York; Colgate University, and Columbia University School of Dental and Oral Surgery.

Will Try Burglary Suspects

James Lambo, 21, of 16 Wilson Place, and William Boyer, 21, of 52 Irving Street, Belleville, waived their right to a preliminary hearing January 25 before Judge Edward J. Abramson in Belleville Municipal Court. The two men were arrested Monday, Jan. 22 on charges of breaking into Belleville High School and stealing \$4,200 worth of typewriters and microscopes.

Boyer is now released on a total of \$2,000 bail, though Lambo is still in custody at Newark jail. Grand Jury trial is set for February 7 in Newark.

Senior Scouts Hold Winteree

Senior Scouts of the Girl Scout Council of Greater Essex County held their fourth cood winter weekend January 26-28 at Camp Mogica at Amherst on the Delaware River in Glen Spey, New York.

Called Winteree by the council's Senior Planning Board which sponsored the trip, the weekend will include skating, sledding, hiking, games and "haute cuisine."

Chairman of the winter outing is Robert L. Carlow of Belleville. Anita Corriveau, also of Belleville is assistant chairman. Other members of the coordinating committee include Anne Heine and Kathy Macbree both of Cedar Grove. Planning Board adviser Mrs. L.E. Sutton and her husband will attend the Winteree.

Senior Scouting is open to girls 14-17 and involves girls in community activities, service projects, special educational trips as well as events such as the Winteree. Girls interested in further information about Girl Scouting should contact the council offices at 120 Valley Road, Montclair, New Jersey at 746-8200.

School Board Election

Apparently the current school board race is finally developing differences in candidates' positions.

The current school board policy is to leave each school's rate of development up to the school administrator. Defending the present system are incumbents Mrs. Adele Jaworek, current board president, and vice president John Clayton.

Candidate Gerard Restano, Sr. expressed the belief that the advice of parents in each school district should be sought before any decisions are made. With respect to the topic of guidance counseling, in response to a question, Restano replied, "The guidance department has done a terrific job for my youngsters, Period."

Candidate Carl Perez states he would like to see an intensified guidance program. On the subject of "open classrooms," Perez believes the present board policy is going along just well.

Candidate Peter Frazza believes open classrooms and other innovative educational procedures should be left for the public to decide, through the Board of Education. With respect to the school board's guidance department, Frazza said his own son had gotten help from the

system and he has no reason to complain.

Candidate Joseph Malanga, an education major at Ramapo College, believes open classrooms should be maintained throughout the entire school system. Malanga believes the current guidance program in the school system is inadequate and should be expanded. He suggests that each student be required to meet with his counselor on a regular basis just to rap on any subject.

It appears public meetings are now providing a forum where candidates are coming to grips with the nuts and bolts of our school system. Public debate and discussion add greatly to the voter's knowledge of the various candidates, their philosophies and their private positions on educational matters.

We urge the voting public to take every opportunity to attend public meetings where the qualifications of the various school board candidates can be compared.

Legislative Redistricting

A bipartisan commission has been working with a court-directed legislative redistricting plan.

One of the proposals under serious consideration would divide Newark into four districts. The one that bothers us is a proposal which would put the proposed Kawanda Tower project in with the Nutley-Belleville legislative district.

We understand this proposal originated with Essex Democrat State Senator Ralph DeRose.

Newark is a separate entity and should be treated as such. There is adequate population in Newark to subdivide the city in

such a manner so that its legislative representatives would be Newark-based residents rather than from the suburbs.

It is common knowledge at the State House the prime thrust of legislative redistricting is to create safe legislative districts for incumbent state senators. This objective represents a bad faith start for the redistricting commission.

Nondegradation

The newest battleground in the war on air pollution is that over what is called nondegradation.

The term applies to the proposals of major air polluting industries to simply spread their polluting over greater areas. Conservationists bitterly oppose the process, because it really doesn't lessen total pollution.

Unfortunately, industry won the first round in the battle, having convinced the Environmental Protection Agency to accept the concept of spreading pollution over a wider area.

The Sierra Club, a conservation group, challenged the E.P.A. decision in the courts, claiming it was contrary in spirit to the 1970 environment protection law. And the Sierra Club won its case in lower courts.

E.P.A., however, appealed to the Supreme Court, which is expected to rule on the case later this year; the hope of most Americans, almost certainly, is that E.P.A. will be forced to bar nondegradation, to insist that industry take the necessary steps, and spend the necessary money, to stop polluting the air.

Construction Contracts Awarded For BHS Work

By Elaine Auerbach

ONE YEAR AGO

Michael Marotti, director of Parks and Public Property, had less than 30 days to decide to surrender his seat on the Commission or give up his post as juvenile detective. Superior Court Judge Brendan T. Byrne ruled that holding the two jobs was "incompatible." Town Attorney John Scott, acting as Marotti's private counsel, was petitioning the court for a stay of the order and a possible continuance of the case.

Commissioner Mars Senatore vowed never again to attend a private Commission caucus and pledged to air views publicly. Mrs. Senatore charged that "nothing constructive" takes place at caucus meetings, held regularly prior to their Tuesday night public meetings. She indicated that she wished to do things in the public's eye and not in private chambers.

Both sides on the calls on a new contract for Belleville teachers had an official "no comment" to make concerning a tentative settlement with school administrators. Richard Maharian, the school board member acting as chief negotiator, refused to reveal any exact figures in the tentative agreement. Maharian added that until ratification, no exact settlement in dollars and cents would be revealed.

FIVE YEARS AGO

Following a brief hearing on the school budget for 1968-69, the Board of Education adopted the financial plan without alteration. A quiet audience of under 30 residents met with the school board to discuss the budget. The total was set at \$4,578,262. Town voters were to decide whether to accept the figure or not at an election in February.

From his sick bed at Mountainside Hospital, Montclair, Mayor Kenneth Smith issued a call for a special town meeting to clarify the role of the Town Commission with respect to the Planning Board and the master plan for the future development of Belleville. "I am gravely concerned," Smith stated, "with the citizen's interpretations of a meeting to review the master plan and the authority of the Planning Board with respect to zoning laws of our community." Smith commented that he was afraid that residents had misunderstood the role of the Planning Board and had become confused.

Eugene Reilly was honored by the Kiwanis Club at the annual Kiwanis Past Presidents dinner held at The Fountain Restaurant. Reilly was presented with a plaque by John Zepka for his outstanding leadership and achievements, for the year 1967 when he had served as head of the group.

TEN YEARS AGO

Westlake-Belleville, Inc., a New Jersey development group, announced their plans to build the Belleville Plaza Shopping Center on lands formerly known as the Plenge Farm. The Belleville Plaza was to have approximately a 28,000 foot W.T. Grant with additional stores to be erected to the individual requirements of the tenants. Most of the Plaza's adequate parking facilities were to be in front of the stores. The opening date of the Plaza was set for September 1.

Board of Education members awarded some \$2,324,842 to six contractors for construction of the proposed 1,900 student high school to be erected at the stadium site at Greylock Parkway and Norton Street. Actual construction was to begin before the end of February. The awarding of the contracts marked the end of 12 years of planning, the defeat of two referendums and approval of a third, and indictments of schools officials for alleged malfeasance in office which added up to a loss of accreditation to Belleville.

High

Florence Kurzman, president of B'nai B'rith Women, Business and Professional Chapter, announced that playwright Dory Shary had been named chairman of the 50th anniversary observance of B'nai B'rith's Anti-Defamation League. Former Senator Herbert Lehman, added Mrs. Kurzman, was named vice-chairman.

FIFTEEN YEARS AGO

The Brotherhood Committee of the Belleville school system met to make plans for its observance of National Brotherhood Week. Seymour Grossman, principal of School Seven and chairman of the group for almost a decade, reported that all but two members had served for that length of time also. Members of the committee along with Grossman were: Mrs. Geneva McCumber, Mrs. Augusta Klein, Mrs. Mildred Clarke, Mrs. Mae Mazza, May Murray, Mrs. Louise Tracklenberg, Mrs. Anne Shaddecker, Mario Di Maggio, Mrs. Eleanor Arthur, Mrs. Anne McManus and Silvio Armeno.

Mrs. Anthony Verhaegh of Harnbrower Avenue was elected president of the Belleville Girl Scout Council at their meeting held at the Woman's Club. Other officers chosen were: Mrs. T. Patterson, Mrs. A. Moro, Mrs. C. Yocum, Miss I. Hess, Mrs. J. Rosania, Mrs. H. Reynolds, Mrs. C. Hilderhaus, and Mrs. M. Simko.

The Belleville Citizens Tax Council Committee For The Municipal Budget presented Mayor Isadore Padula with a definite set of recommendations which would drastically reduce municipal expenditures with the Revenue and Finance Departments. George Turello, chairman of the committee, said that the list of recommendations pointed out that approximately \$20,000 could be cut from the existing budget.

TWENTY-FIVE YEARS AGO

Mayor James Tully announced the appointment of Deputy Police Chief Kenneth Smith as Local Fuel Coordinator to serve with Governor Driscoll's Conservation Committee. The appointment, made upon the recommendation of the Board of Commissioners that a member of the Public Safety Department serve in the capacity, followed a conference of the Board. The local fuel coordinator was to be responsible for all fuel distribution in the town.

Belleville Cub Packs, Scout Troops and Senior Units were busy preparing for the celebration of the 38th anniversary founding of scouting in America. Building around the theme - "The Scout Citizen at Work, In His Home, In His Country, In His Nation, and In His World," a program had been developed for the Robert Treat Council which had gone to all unit leaders.

FORTY YEARS AGO

The "La Nadle Lee" Girls held a meeting at the home of Millie Garrison. Those attending were Pearl Elshalt, Maureen and Helen Field, Julie Malarkey, Marie Feitag, Grace McCarthy, Mabel O'Brien and Ebel Young. George E. Stewart, chairman of the citizen's survey committee, which had recommended a 15 per cent salary cut after deducting a \$900 exemption, was to talk on measures necessary to the town's financial recovery.

FIFTY YEARS AGO

The Semper Paratus Club met at the home of Miss Florence Dow for games and dancing. The highlight of the evening was Helen McFarland's "Crazy Legs Waltz."

Sr. Citizens Need Some Extra Chairs

To the Editor:

Now that the Branch Brook Park Extension Senior Citizens club building has been expanded there has become a great need for chairs for the club. An order is in for some new chairs, but there is no indication they will be received in the near future. Anyone who has old chairs that are still sturdy and safe for the seniors to sit in are asked to drop them off at the Extension building or to call Mr. Schaffer at the Essex County Park Commission - 482-6400, and he will pick them up.

Now that the Extension is a larger building, which now has ladies day each Tuesday from 1 to 3 P.M. Any ladies who would like to join in on the activities on Tuesday are welcome too.

A piano is also needed for the Belleville Senior Citizens Club. The new Belleville Park Senior Singers could use one.

Ben Schaffer

Park Commission

1973 Films

A recent UPI dispatch from Hollywood tells us the new year will see more crime, melodrama and action-violence films. There will be fewer comedies and musicals.

Comedies, it's said, are being done so often on television Hollywood is shy of making them; musicals have become too expensive to produce.

Unfortunately, more pictures are to be made for U.S. television consumption, likely to be released to film theaters abroad. (Many foreign television systems bar the U.S. shock violence, degradation film output.)

On all counts the recent trend is distressing. Movies made for television are disappointingly puerile, silly, and nonsensical. There's too much sadism, depravity, vulgarity and degeneracy in both TV and Hollywood films.

In addition, many movies today are admittedly aimed at minority groups (blacks make up forty per cent of today's theater goers, because of their concentration in cities, where so many theaters are located). These films are too often transparent exploitation of the black, for profit, or political vehicles rather than entertainment.

We Must Unite to Save Post Office

To the Editor:

About our Post Office. Federal government can't handle it. Private enterprise can't handle it.

Well dear people — don't sit there. Do something — Get involved. It's your're mail.

Could a town citizen's group be organized? Think about it.

Lisa Oscar,
Essex County Hospital, Belleville

Thanks Offered By Duva Family

To the Editor:

In our moment of grief and deep sense of loss, the condolences offered by all of you were most gratefully appreciated.

The personal tragedy of our Tommy's untimely death was somewhat lessened by the knowledge that he touched so many lives.

It is our sincere hope that each of you can enrich your own life by his passing and in so doing make his memory more meaningful to us.

Sincerely,
The Duva Family

Golden Comments

(Continued from Page 1)

Total cost overall \$16,150. Under the proposed schedule, after the new wages are established, then the proposed ordinance provides for a 10% above parity differential for superior offices. This would be like a 25 per cent increase for the Chief in each Public Safety department. Their salary alone, without the other benefits, would be \$19,326.

It is to be noted that as salary ranges increase all other benefits, as longevity etc., go up proportionately adding to the increased burden of the taxpayer.

From observation of all the facets, one will discern that our boys in blue even now are being well remunerated for their hazardous services.

Jackie McCabe's bistro on Cortland St. near Joramelon in the Valley section is rapidly becoming one of the town's brighter spots. Jack's sharp Irish wit and jovial nature is attracting many former habitués of other local oases.

Civil Service looks mighty silly declaring Tax Collector's position unclassified now, after recognizing town's ordinance and having authorized payrolls these many years with the position regarded in the classified division.

Looks like a court battle may have to determine final outcome of another Civil Service mix-up that could well stand the fragrance of fresh air.

She's Making Commitment To Save Bell Tower In Italy

Gerard Place, Nutley, are shown in front of the Capitol Building in Washington, D.C., during President Nixon's Oath of Office ceremony. Mrs. Mastro accompanied her husband, who was assigned to photograph Mr. Peter J. Brennan, Secretary of Labor, at a

reception given by the International Longshoremen's Association and the United Paperworkers' International Union. Mr. Mastro is a freelance photographer for Labor Publications and Mrs. Mastro is in real estate sales with Records Realtor in Nutley.

5 FT., 8 IN., BLONDE, NANCY ANN SARSON, a starlet of the Town Ward Agency in New York seems to be the main attraction at the New York Coliseum Boat Show this week. One look at Nancy should leave no doubt that even the most expensive cruiser on display at the Coliseum has tough competition from Nancy.

MRS. FRANCES PIGNATARO OF MONTCLAIR has made a total commitment to an effort to raise funds to maintain a beautiful bell tower located in Messina, Italy. The tower contains one of the world's largest and most

complex clocks. Every day at noon, gilded bronze figures representing Messina's ambassadors to the Virgin Mary, the city's patron saint, revolve on the 180 foot tower which also features a perpetual calendar and planetarium that indicates the phases of the moon. The Sicilian parish is too poor to raise the funds required to maintain the unique tower, hence the effort by Frances Pignataro and her co-chairman, Domenec Darrigo, to promote various fund raising drives to raise the money necessary to maintain this unique property.

HAPPY COUPLE's Mr. and Mrs. George Doeffinger, extremely active workers in the community. Mrs. Doeffinger is seen as this week's "Sparkling Personality."

Sparkling Personality

Community Work
Is Her Specialty

By Pat Diana

Betty Doeffinger is president, Joseph G. Carat Post Unit 299 American Legion Auxiliary.

She's also wife, mother, businesswoman, civic worker, involved in scouting and church activities.

Betty and her husband, George, have five children. George, Jr., 25, serves with the U.S. Army in Japan. Lisa, 22, attends Jersey City State. John 14 is a Jr. High student and Tom, 12 and Karen, 10, attend #10 School.

This reporter first met Mrs. Doeffinger when starting the teenage summer employment program last year. Volunteers were hard to get-and keep-in the three phase project, but Betty Doeffinger assisted on the interviewing committee, telephone squad, and, at the weekly car wash where daughter, Lisa, and son John and Tom often accompanied her.

What impressed me most, is that Betty is unapproachable. With such a heavy schedule, she remains calm when most people would have pressed the panic button. Before her term as president of Unit 299

Assemblyman Asks
Restore Confidence
In Our Government

The legislative commission set up to formulate conflict-of-interest legislation and codes of ethics for New Jersey local government is considering some stringent controls over the political and financial dealings of local officials, reports Nutley Assemblyman Carl A. Orechio.

Among proposals under discussion, according to the Acting Chairman, are the following:

1. Requirements for full disclosure of financial interests and sources of income by certain office-holders.
2. Limiting political fund-raising by certain elected and appointive officials whose powers and influence may exert undue pressure on some lower-echelon government employees to "contribute."
3. Prohibiting the simultaneous holding of some combinations of elected or appointive positions by the same person.
4. Setting up qualifications by which to screen proposed appointees to planning and zoning boards, so as to guard against undue influence upon such boards of certain business interests which may have a stake in some of their decisions.

According to Assemblyman Orechio of Essex County, who has headed the Commission since its original chairman, former Senator Joseph J. Maraziti, was elected to Congress, the Commission hopes to hear the reactions and specific suggestions of public officials who might be affected by such restrictions.

"Everyone agrees," Orechio said, "that some fairly drastic steps must be taken to restore public confidence in government. That means that local officials are going to have to learn to live with certain restrictions."

"At the same time some witnesses at our Commission hearings have warned us not to be unrealistically strict, or else we may drive out of local government many fine and highly qualified persons who are willing to perform public service but whose primary interests are in their private businesses or professions."

"These warnings have been

What is cholesterol? It is an alcoholic fat which is present in many foods especially butter, milk, meat and eggs. The body needs cholesterol to digest and synthesize vitamin D. Large amounts of cholesterol are known to cause arteriosclerosis. Polyunsaturated oils help reduce the amount of cholesterol in the blood stream and lessen the risk of too much cholesterol. This is why it is important for everyone to have a diet balanced in all necessary nutrients.

Auxiliary Sponsoring Health Careers Contest

Clara Maass Memorial Hospital Auxiliary is sponsoring a Health Careers Poster Contest, locally for Belleville, Bloomfield and Nutley High School students in grades 10, 11 and 12. Mrs. William Krupp of Nutley, president of the Auxiliary and Miss Marie D'Alessandro Hospital Administrative Coordinator, will be working on this project with the schools.

The local judging from the best entries submitted by the three high schools will take place at the Hospital after February 15th. The judges are Mrs. William D. Clark, Mrs. Ruth Keenan, and Mrs. Gladys Sherman—all professional artists in this area.

Three first prizes (\$10.00 each) and three second prizes (\$5.00 each) will be awarded by the Clara Maass Auxiliary. The judges will select one grand prize winner from the three first prizes which will be sent into the New Jersey Association of Hospital Auxiliaries in conjunction with the New Jersey Health Careers Service.

Winners in the State com-

petition will receive U.S. Savings Bonds and will have their entries submitted to National American Hospital Association poster contest—a competition won last year by a New Jersey youth, Phil Silvestri of West Milford.

Youngsters interested in participating in the poster contest should contact the art director at the school for further information.

The poster competition is but one facet of NHA's overall career education and recruitment program.

A 35-foot long mobile unit—filled with equipment and displays depicting the more than 200 careers now available in health care—will be cruising the state with its important message.

The unit, a New Jersey Association of Hospital Auxiliaries project, will visit secondary schools throughout New Jersey, hosted by auxiliaries and their hospitals. The unit—the first of its kind in this country, will eventually feature the winning posters as selected by representatives of NHAHA and the New Jersey Health Careers Service.

Mrs. Philip G. Eisel Is Named An Outstanding Young Woman

Mrs. Joyce Coleman Eisel of Starkville, Mississippi, daughter of Mrs. Lorraine Coleman of Overlook Terrace and the late Mr. Joseph Coleman, has been named an Outstanding Young Woman of America and will be included in the 1972 edition of that publication.

The "National Awards Program" recognizes young women for their ability, accomplishments and service.

Mrs. Eisel, the wife of Philip Gordon Eisel and the mother of Patrick, Randall, Gregory, Timothy and Wendy, is a graduate of Belleville High School, attended Upsala College, East Orange, and earned a bachelor of science degree with distinction in home economics extensive education at Mississippi State University, where she was a President's Scholar. Bayley Seton League Card Party Saturday

In a setting of red, white and blue, the Bayley Seton League of Seton Hall University, South Orange, will hold its annual card party on Saturday evening, February 3, at 7:30 p.m. in the Galleon Room of the student center on the campus.

Committee members along with the decorating chairman, Mrs. Matthew McLoughlin of West Orange and Mrs. Gordon Pannullo of South Orange have been working with much love for the highlight of the evening will be a "Love, American Style."

Decor will boast huge hearts, friendly cupid and graceful bows. The prizes for the special drawing will be a colored television, an unusually beautiful Edward Marshall Boehm porcelain

bird and a silver tea service.

According to the co-chairmen, Mrs. Edward Robinson and Mrs. John McLoughlin of South Orange, preliminary arrangements for this annual fund-raising gala indicate that this year will have a record attendance.

Bayley Seton League, one of the oldest service organizations is dedicated to the financial growth and stability of the University. Over the past 30 years, the league and its memberships have donated more than \$400,000 through their voluntary efforts. Members of the administration, faculty, personnel, parents and community friends unite in a labor of "love," to assure the success of the annual benefit.

State College auditorium, Upper Montclair.

This year the Chorus will present SING! SING! A "fun-filled" two act Broadway musical comedy done in bachelorette harmony.

Miss Kathleen Barbara Is Bride Of Seaman Thomas Caulfield

Miss Kathleen Barbara, daughter of Mr. and Mrs. Alexander Barbara of Belleville became the bride December 9 of Seaman 2nd Class Thomas Caulfield, son of Mr. and Mrs. Michael Caulfield of Belleville.

The Rev. Hanbury performed the ceremony in Holy Family Church, Nutley and a reception followed at Friar, Tuck Inn, Cedar Grove.

The bride's Victorian gown was of sate peau embroidered in sea pearls and crystals and trimmed with Alencon lace. It featured bishop sleeves and a cathedral train edged with lace.

A Camelot cap held a tulle veil and she carried white carnations, roses and holly.

Miss Teresa Blydenburgh was maid of honor for her cousin. Bridesmaids included Miss Marianne Barbara, sister of the bride; Miss JoAnn Lovito and her cousins, Miss Donna, Miss Christine and Miss Denise Balderose. Karen Testa, cousin and Godchild of the bride, was flower girl.

The attendants were in emerald green crushed velvet gowns trimmed with white lace. Headpieces were matching velvet coronets with tulle veils and they carried red and white carnations and holly.

Dewey Imhoff was best man with the bride's brother, Robert Barbara, her cousins, Michael Hallack and Joe DiLesso, the groom's cousin, Dennis McGhee and Bruce Veltre and John McDonald ushering.

Mrs. Barbara chose a gown of shocking pink trimmed with silver beads and crystal while the groom's mother was in a radiant blue gown with tulle trim.

After a honeymoon in Florida, the couple will make their home temporarily in Puerto Rico where Mr. Caulfield is stationed.

Family Musicale Held By DeJons

The 16th annual family musical party of the DeJon Studios of Music and Speech was recently held at Grace Church Parish Hall, attended by a capacity gathering of parents, friends and an unusually large number of college students, both present pupils and alumni. Guest-of-honor, Commissioner Harry W. Chenoweth, once again graciously presented certificates to successful candidates entering the recent Trinity College of London examinations in Piano/forte, Violin, Flute, Theory of Music, Speech and Drama, practical and theoretical.

The visiting examiners from London, England, were Mr. David Newbold, M.A. Jesus College, Cambridge, Conductor, Music Critic, Professor of Harmony at Trinity College, and Miss Alice Stirrup, Hon. F.T.C.L. and A.L.A.M. (Acting and Public Speaking), Festival Adjudicator.

Assisting Commissioner Chenoweth was Mr. Edward Carey, Santa's chief helper, who distributed gifts, many from the British Isles or Oriental Russia brought back by the well-known world travellers, Mr. and Mrs. Roe DeJon, from their travels to these distant lands.

All students participated in the festive "musical" Piano/forte solos were interspersed with guitar, violin, flute, oboe, accordion and drum solos. Outstanding features of this year's party were provided by the talented musician, Raphael Rudd and the brilliant young ballerina, Geraldine Palmisano, both former students of the DeJon Studios.

Successful candidates in the Trinity College examinations were: PIANO: Grade VII Merit, Michael Ritacco, Grade V Merit, Barbara Lisa Cerami, Grade III Merit, Mary Anne Citrino, Raphael Rudd, Pass, Debra Galioti (East Hanover)

PERFECT SCORE — Donald G. deHagana, son of Mr. and Mrs. Nicholas deHagana of New Street is presented a certificate from Trinity College of Music, London, England, for a perfect paper in Theory by Commissioner Harry W. Chenoweth of Nutley. His teacher, Mrs. Lythe DeJon, director of the DeJon Studios in Nutley, congratulates him.

Local Creates New Invention

Anthony P. Yankowski, of 117 Brighton Avenue, has developed a new invention which is now in the process of being introduced to manufacturers.

The invention consists of a magnetic shock absorber mechanism which prevents bottoming of springs under shock loads or replaces springs or hydraulic shock absorbers. It consists of two magnets which create a repulsive force between them to limit impact forces without physical linkage between parts. Maintenance, wear, friction, temperature and corrosion are eliminated.

Yankowski, now is negotiating for the sale or licensing to interested manufacturers with the assistance and guidance of The Raymond Lee Organization.

Senior Citizen Club Phase Two Will Include Free Art Lessons

Phase two of the Belleville will begin February 6 at the club's center located off Belleville Avenue in Belleville. The program is called Adventures in Art for Senior Citizens.

It will consist of free art instructions to all the local senior citizens. The program will be taught by the very talented Jean Standish, who has years of experience and training behind her.

Miss Standish spoke at the last club meeting to encourage the seniors to get involved. She pointed out that, "Art is fun and everyone should try it. It is better to be a 'doer' than a 'looker' and

a lot more rewarding she pointed out. Many of Miss Standish's works were presented to club members. The Belleville Club has gained a reputation as a very active and busy group.

'Seven' Top League Ranks

As the Senior High Recreation basketball season came to a close, two top rivals, "The Magnificent seven" and "The Suns", finished one — two respectively in the standings. The Seven finished undefeated (7-0) while the Suns compiled a 6-1 record.

Seven was spearheaded by the consistent high scoring of Phil Cuzzi (guard) and Alan DeMasi (forward). Together, they helped their team manage a 52-41 victory over their rival, Suns, and victories over every other team.

- Final Standings
- 1) Seven 7-0
 - 2) Suns 6-1
 - 3) Poco 4-3
 - 4) J. & Co. 3-4
 - 5) B. Chips 3-4
 - 6) Knicks 2-5
 - 7) Nets 2-5
 - 8) Cougars 1-6

Belleville Cage Quintet Dies Against Columbia

The Columbia Cougars took an early lead against the blue and gold Tuesday afternoon at Columbia and held it until the end of the 53-47 contest.

The Bellboys were never able to come close to the Cougars, who managed to keep a distance of 10-20 points between them and Belleville throughout the game. Belleville was done in by an offensive inertia and the sharp hands of Barry Adams and

Rich Broskie of Columbia. Tomorrow, the Bellboys host Big Ten conference leaders Orange, who earlier this season humiliated the Belleville cagers, 118-61, when they met them at Orange.

Tuesday afternoon, Columbia jumped out to a six-point lead before Adams' netted two layups and Pat Giordano scored on two fouls. Belleville's listless offensive,

which has averaged only in the mid-30's for the past three games, was unable to click again. No real offensive effort was mounted throughout the game, although an exceptional performance was turned in by co-captain Vin Tarturiello, who hampered by touch of the flu, hustled throughout the afternoon and poured in 19 points, nearly half the Bellboy total.

Junior Bob DiQuattro put in a strong performance in reserve and may be seeing some starting action before the season ends.

During the first half of the game, Columbia's Barry Adams did most of the scoring. When the second half opened, Mark Canyon had been taken off the job of guarding Adams and was replaced by the taller Tony Colugno. The move freed Columbia's Broskie to bombard the basket with a series of jumpers that kept the Cougars far out in front of the Bellboys.

Tomorrow, one of the top teams in New Jersey will arrive on the Belleville court. Orange, highly-rated, leads the Big Ten, three full games ahead of the nearest contenders — Montclair, Orange and Bloomfield — all tied for second place.

The following Tuesday, again at home, the Bellboys will meet Irvington, an average team who thumped the blue and gold, 76-53, on the Irvington court earlier this season. Though the Campers had played exceptionally throughout the first half of that contest, the Bellboys matched them throughout the second stanza, and a win for Belleville is well within reach Tuesday.

The opening round of the state tournament will be played at Belleville February 26, though the Bellboys have not yet been assigned an opponent.

WALT BENNETT, former Belleville High wrestling co-captain and 1972 regional champ, is on the mats for Boston University this season. Walt is undefeated in six matches and has played a leading role in the Terrier's drive to the Yankee Conference crown.

DeMolay Five Win Two Games

Belleville's Suburban Chapter Order of DeMolay won its first two basketball games, 43-8 and 47-31, over Alexander Hamilton Chapter, from North Bergen, N.J., and Nutley Chapter, at the Belleville Junior High School Gym.

Against Alexander Hamilton Chapter, Belleville could do no wrong, as they shut out A.H. until the closing seconds of the first half, leading 17-2 at half time. The trend continued in the second half as Belleville, freely substituting, easily breezed to its first victory, 43-8, against no defeats Bill Klein and Ron Schulz combined for 30 points, Klein being high scorer with 16.

Belleville was tested greatly against Nutley's DeMolay Chapter. In the first quarter,

it was very close, with the score 8-6 at the end of the quarter, Belleville on top. In the second quarter, Belleville pulled away behind the shooting power of Ron Schulz, who scored 11 points in the quarter and 30 points in the game. The second half saw Belleville and Nutley exchange basket for basket, with Belleville winning in the end by the final score of 47-31.

Union Cage Five To Face Rivals

The Union College varsity basketball team will start off the court fare for the coming week with a non-league clash in Brooklyn to be followed by two very important Garden

State Athletic Conference outings. The intercollegiate wrestlers will also be seeing action against an Empire State foe before going into their most vital GSAC confrontation of the season.

Coach Wynn Phillips' cagers, sporting their revamped lineup, will be going up against Kingsborough Community College at 8 p.m. tonight in the independent contest. The Owls will then have one day to rest before playing host to Garden State Athletic Conference rival Somerset County College on Saturday, February 3, at 4 p.m. The two clubs will be facing each other for the first time during the current schedule. A year ago Union came away the victor

by Tony Calabrese. The Belleville High School basketball team would rather forget their first trip ever to Hillside High School last Saturday afternoon. In the initial meeting between these two clubs the Comets put up a tremendous defensive front against the Bellboys, all of which resulted in a 55-23 final score, the lowest total scored by a Belleville team in a varsity game in quite a number of years. Hillside forced the local cagers to hit only 20% of their shots from the floor, and it was heard said by players after the game, "They knew exactly what we were going to do at all times, every cut, every move, everything."

Meanwhile on offense, as

Fem Court Squad Knock Harrison

In a game marred by sloppy play, the girl's varsity basketball team of B.H.S. picked up their eighth victory of the season by defeating Harrison High School 47-34. Patty Kryeh sunk the first basket for the Bellgirls, and Joyce Buckland followed with a quick interception and 30 basket. The Bellgirls were leading Harrison by a margin of our points at the end of the first quarter.

Darlene Damato retrieved the jump ball and assisted Patty Kryeh in a Bellgirl score. Donna Stone went to the foul line to add an additional point to the score. Harrison scored eight consecutive points until Joyce Buckland went to the foul line and sunk one of two free

Smash Victory Over Montclair Was a First

By Ken Moore

Belleville's first wrestling win over Montclair turned out to be a romp Friday afternoon as the Bellboys hosted the Mountie and buried them, 47-8.

It was the highest score racked up this season by coach Jim Silvestri's grapplers, with the least amount of points allowed to the opposition.

Today at home the matmen face a team reported to be less of a threat than the Montclair visitors — Irvington. In fact, when the Mounties came to Belleville, they brought a 1-6 record, with

the single win posted against Irvington. "I had been told Montclair would be weak," said Silvestri after the Friday match, "but I didn't expect to beat them that badly. Of course, we were helped by two forfeits."

The forfeits came when Montclair had no one to put up against Bob Cote (44) and co-captain Ramon "Chico" Lijo, who extended his undefeated streak to nine straight for this season.

Rocco Cuozzo also raised his record to 8-1 for the season when he pinned his Montclair foe in the 98-pound competition. Anthony Villano (115) followed with a resounding 18-0 victory

and Bob Willette drew at 123 pounds, 1-1.

Co-captain Brian Banda (130) took his match, 17-5. Don Lijo, a sophomore who has been recently called up from the Jayvee 123-pound class to fill in for the injured Mike Resciniti, was pinned for the only Bellboy loss.

Ralph Fabiano (148) won convincingly, 10-1. Joe Vasquez held onto a slim 10-9 victory at 157 and Jim La Conte had a 3-0 victory at 168.

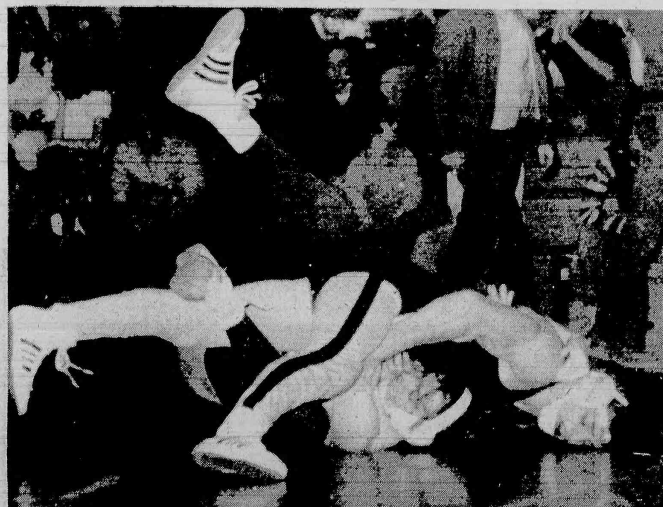

In the 178-pound class, there was a change in the Bellboy lineup as Jim Mauncle, a sophomore, came up from the Jayvees to replace Craig Davis and win his match, 7-4. Davis

suffered a muscle spasm in his back early in the season, and had been competing ever since, until the injury was aggravated in his battle against a tough Paterson-Kennedy foe January 23.

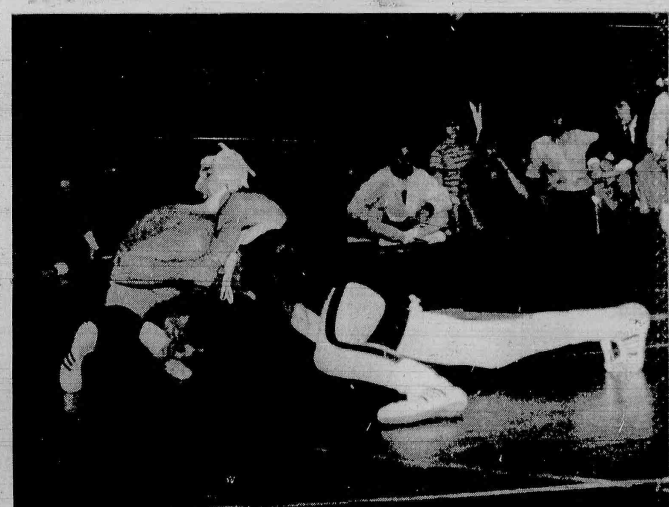

Heavyweight John Smith extended his pin record to eight in a row and his undefeated string to nine. (Smith tied in his debut match of the season.)

Montclair, once a great grappling power in the Big Ten, had an undefeated streak in the high 30's up until the middle of last season, when internal problems reportedly crippled the team.

(Continued on Page 12)

BANDA ON TOP — Grappler co-captain Brian Banda gains the advantage during his match at 130 pounds against a Montclair opponent Friday. Banda bested his foe, 17-5, to up his record for the season to 7-2.

CLOSE STRUGGLE — Bob Willette (123) narrowly holds the advantage here during the Montclair match, and fought his way to a draw. The Bellboys shattered the Mounties, 47-8, winning or drawing all but one competition Friday.

Auxiliary Sponsoring Health Careers Contest

Clara Maass Memorial Hospital Auxiliary is sponsoring a Health Careers Poster Contest locally for Belleville, Bloomfield and Nutley High School students in grades 10, 11 and 12. Mrs. William Krupp of Nutley, president of the Auxiliary and Miss Marie D'Alessandro Hospital Administrative Coordinator, will be working on this project with the schools.

The local judging from the best entries submitted by the three high schools will take place at the Hospital after February 15th. The judges are Mrs. William D. Clark, Mrs. Ruth Keenan, and Mrs. Gladys Sherman—all professional artists from this area.

Three first prizes (\$10.00 each) and three second prizes (\$5.00 each) will be awarded by the Clara Maass Memorial Auxiliary. The judges will select one grand prize winner from the three first prizes which will be sent into the New Jersey Association of Hospital Auxiliaries in conjunction with the New Jersey Health Careers Service.

Winners in the State com-

petition will receive U.S. Savings Bonds and will have their entries submitted to National American Hospital Association poster contest—a competition won last year by a New Jersey youth, Phil Sikovski of West Milford.

Youngsters interested in participating in the poster contest should contact the art director at the school for further information.

The poster competition is but one facet of NJAHA's overall careers education and recruitment program.

A 35-foot long mobile unit filled with equipment and displays depicting the more than 200 careers now available in healthcare—will be cruising the state with its important message.

The unit, a New Jersey Association of Hospital Auxiliaries project, will visit secondary schools throughout New Jersey, hosted by auxiliaries and their hospitals. The unit—the first of its kind in this country, will eventually feature the winning posters as selected in representatives of NJAHA and the New Jersey Health Careers Service.

Mrs. Philip G. Eisel Is Named An Outstanding Young Woman

Mrs. Joyce Coleman Eisel of Starkville, Mississippi, daughter of Mrs. Lorraine Coleman of Overlook Terrace and the late Mr. Joseph Coleman, has been named an Outstanding Young Woman of America and will be included in the 1972 edition of that publication.

The National Awards Program recognizes young women for their ability, accomplishments and services.

Mrs. Eisel, the wife of Philip Gordon Eisel and the mother of Patrick, Randall, Gregory, Timothy and Weneca, a graduate of Belleville High School, attended Ursula College, East Orange and earned a bachelor of science degree with distinction in home economics, extensive education at Mississippi State University where she was a President's Scholar, a member of Kappa Omicron Phi honorary society and the MSU Home Economics Club.

At the moment, Mrs. Eisel is teaching at the First United Methodist Church, Kindergarten in Starkville, a membership chairman of the Starkville Parent Teacher

Mrs. Philip G. Eisel

Bayley Seton League Card Party Saturday

In a setting of red, white and blue, the Bayley Seton League of Seton Hall University, South Orange, will hold its annual card party on Saturday evening, February 3, at 7:30 p.m. in the Gallen Room of the student center on the campus.

Committee members along with the decorating chairman, Mrs. Matthew McLoughlin of West Orange and Mrs. Gordon Pannullo of South Orange have been working with much love, for the highlight of the evening will be "Love, American Style."

Decor will boast huge hearts, friendly cups and graceful bows. The prizes for the special drawing will be a colored television, an unusually beautiful Edward Marshall Boehm porcelain

bird and a silver tea service. According to the co-chairmen, Mrs. Edward Robinson and Mrs. John McLoughlin of South Orange, "preliminary arrangements for this annual fund-raising gala indicate that this year will have a record attendance."

Bayley Seton League, one of the oldest service organizations is dedicated to the financial growth and stability of the University. Over the past 30 years, the league and its memberships have donated more than \$400,000 through their voluntary efforts. Members of the administration, faculty, personnel, parents and community friends unite in a labor of "love," to assure the success of the annual benefit.

Family Musicale Held By DeJons

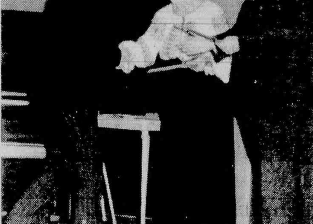

The 16th annual family musical party of the DeJon Studios of Music and Speech was recently held at Grace Church Parish Hall, attended by a capacity gathering of parents, friends and an unusually large number of college students, both present pupils and alumni. Guest-of-honor, Commissioner Harry W. Chenoweth, once again graciously presented certificates to successful candidates entering the recent Trinity College of London examinations in Piano/Flute, Violin, Flute, Theory of Music, Speech and Drama, practical and theoretical.

The visiting examiners from London, England, were Mr. David Newbold, M.A., Trinity College, Cambridge, Conductor, Music Critic, Professor of Harmony at Trinity College, and Miss Alice Stirrup, Hon. F.T.C.L. and A.L.A.M. (Acting and Public Speaking), Festival Adjudicator. Assisting Commissioner Chenoweth was Mr. Edward Carey, Santa's chief helper, who distributed gifts, many from the British Isles or Oriental Passia brought back by the well-known world travelers, Mr. and Mrs. Roe Delon, from their travels to these distant lands.

All students participated in the festive musicale. Pianoforte solos were interspersed with guitar, violin, flute, voice, accordion and drum solos. Outstanding features of this year's party were provided by the talented musician, Raphael Rudd and the brilliant young ballerina, Geraldine Palmisano, both former students of the DeJon studios. Raphael Rudd captivated the audience explaining the structure of his magnificent \$5000 handmade Minerva Italian harp before performing delightful harp solos. Geraldine Palmisano, who recently won an ovation from the New York Woman's Press Club audience, for her outstanding performance as Princess Aurora in Tchaikovsky's "Sleeping Beauty" ballet, repeated this charming solo for the students, preceded by the talented ten-year old Lisa Young, who performed The Cat Dance from the same ballet.

Successful candidates in the Trinity College examinations were: PIANO: Grade VII: Merit, Michael Ribaico, Grade V Merit, Barbara Lisa Cerami, Grade III Merit, Mary Anne Citrino; Raphael Rudd, Pass, Debra Galidto (East Hanover); Monique Sessa, Grade II Merit, Raphael Rudd, Grade I Honors, Ilsebet Tebesli, Allison Carey, Merit, John Conway, Kim Tintle, Pass, Suzanne Citrino, Initial Grade: Honors, Ilsebet Tebesli, Merit, Laura Bouchoux, Allison Carey, Merit, John Conway, Mary Friesz (Belleville) Roberta Sessa, Lisha Simmonds, Kim Tintle, Pass, Patrice Fazzini (Belleville) Denise Rubino, John Rubino, Kyle Tintle, FLUTE: Grade V Merit, Marjorie Lewis, VIOLIN: Initial Grade, Honors, Rubin Regner (Jersey City) SPEECH AND DRAMA: Grade VIII Merit, Doris Lazur, Grade VII, Pass, Marchbeth-Grace, Grade IV Merit, Ilsebet Tebesli, Grade I and Initial, Merit, Jody Grace, THEORY OF MUSIC: Grade IV Honors, Barbara Amosato, Barbara Boudreau, Pass, Bryan Majkrzak, Grade III, Perfect paper (100%) Robert Musco, Honors, Barbara Boudreau, Mary, Anne Citrino, Bryan Majkrzak (Pass), Merit, Ilsebet Tebesli, Kim Tintle, Grade II Honors, Laura Bouchoux, Barbara Boudreau, Lisa Cerami, Donald de Hagara, Patrice Fazzini, Marjorie Lewis, Bryan Majkrzak, Ilsebet Tebesli, Kim Tintle, Merit, Daniel Horst, Daniel Quinn (Belleville), Grade I Perfect papers (100%) Laura Bouchoux, Allison Carey, Suzanne Citrino, Donald de Hagara (Belleville) Bryan Majkrzak, Michael Moscar, Ilsebet Tebesli, Kim Tintle, Honors: John Conway, Mary Ann Crowley, Patrice Fazzini, Suzanne Lewis, Daniel Quinn, Lisha Simmonds, Louise Sullivan, Kyle Tintle, THEORY OF SPEECH AND DRAMA (written) Grade VII & Grade VI Merit, Doris Lazur, Grade V Pass, Marchbeth Grace.

The following students also participated in the Music and Speech program: Natalie Azzeri Denise Cerami, Diane Citrino, Vicki Citrino, Anthony Drollas, Noelle Drollas, Gerri Fazzini (Belleville) Debra Friedman, Joey Goldberger, E. Donald Harrison, Cathleen Hickey, Marie Mascara, Neal McNulty, Lisa Patuto (Belleville) Rudolph, Jr., (Jersey City guest accordionist) Lori Robertazzi, James Robertazzi, Joseph Robertazzi (Clifton), Carl Schuller, Bela Schwartz (guest clarinetist), Ricky Simmonds, Laurie Joy Smith, Jennifer Ukewicz (Bloomfield) and Ronnie Young (Belleville).

PERFECT SCORE — Donald G. deHagara, son of Mr. and Mrs. Nicholas deHagara of New Street is presented a certificate from Trinity College of Music, London, England, for a perfect paper in Theory by Commissioner Harry W. Chenoweth of Nutley. His teacher, Mrs. Lythe DeJon, director of the DeJon Studios in Nutley, congratulates him.

Clinic Head To Speak At School 1

Mrs. Ruth O. Cowell, Executive Director, North Essex Child Guidance Clinic, will be the speaker at the Parents and Teachers Meeting of Public School No. 1 at 8:00 p.m. on Tuesday, February 6. Located on the grounds of the Essex County Geriatrics Center on Franklin and Belleville Avenues, the Clinic serves the three towns of Belleville, Bloomfield and Nutley.

As an introduction to the Clinic and its work, Mrs. Cowell will show a ten-minute sound and color movie describing the work of young college men in the Clinic's Extended Care program. Made by Seton Hall students, the movie shows how five or six college men participated on a course credit or volunteer basis in a program of relationship therapy with young patients.

In unfolding the exciting and diversified program of the Clinic, Mrs. Cowell will tell of the busy out-patient Clinic for school age children and their parents, the therapeutic nursery for young children from two and one-half to five, the summer camp for many youngsters unable to function in regular camp and the extended care service as described in the movie.

Moreover, she will show how the Clinic provides preventive-type programs, many of which are carried on outside Clinic headquarters, which offer consultation-education services for others who deal with children regularly.

Local Creates New Invention

Anthony P. Yankowski, of 117 Brighton Avenue, has developed a new invention which is now in the process of being introduced to manufacturers.

The invention consists of a magnetic shock absorber mechanism which prevents bottoming of springs under shock loads or replaces spring or hydraulic shock absorbers. It consists of two magnets which create a repulsive force between them to limit impact forces without physical linkage between parts. Maintenance, wear, friction, temperature and corrosion are eliminated.

Yankowski now is negotiating for the sale or licensing to interested manufacturers with the assistance and guidance of The Raymond Lee Organization.

The Raymond Lee Organization is a subsidiary of the company.

Institute Honors Burlazzi

G. Fred Burlazzi has been awarded the RM (Residential Member) designation by the Governing Council of the American Institute of Real Estate Appraisers at its annual meeting held in Honolulu. Membership in the American Institute is limited exclusively to professionally designed appraisers and the Institute is the oldest and largest organization in North America of appraisers.

Burlazzi is presently the Assistant Executive Director of the City of Passaic Redevelopment Agency. He has also been teaching at Rutgers for over 12 years.

Senior Citizen Club Phase Two Will Include Free Art Lessons

which specializes in the development and introduction of inventions to industry.

According to founder-president Raymond Lee, no idea is too small to be considered for development.

Phase two of the Belleville club's center located off Belleville Avenue in Belleville. The program is called Adventures in Art for Senior Citizens.

It will consist of free art instructions to all the local senior citizens. The program will be taught by the very talented Jean Standish, who has years of experience and training behind her.

Mrs. Standish spoke at the last club meeting to encourage the seniors to get involved. She pointed out that, "Art is fun and everyone should try it. It is better to be a 'doer' than a 'looker' and

a lot more rewarding she pointed out. Many of Miss Standish's works were presented to club members. The Belleville Club has gained a reputation as a very active and busy group.

'Seven' Top League Ranks

As the Senior High Recreation basketball season came to a close, two top rivals, "The Magnificent seven" and "Suns", finished one — two respectively in the standings. The Seven finished undefeated (7-0) while the Suns compiled a 6-1 record.

Seven was sparked by the consistent high scoring of Phil Cuzzi (guard) and Alan DeMasi (forward). Together, they helped their team manage a 52-41 victory over their rival, Suns, and victories over seven other teams. The Suns, however, seek vengeance to that game played earlier in the season. Leaders Dave D'Angelo (forward) and James Coppola, (forward) along with (tremendous team effort, hope to gain a rematch in the final playoff game.

The playoffs will feature all eight teams. In the quarter-finals, the matchups will be: Seven vs. Cougars, Suns vs. Nets, Poco vs. Knicks, J. & Co. vs. Bongo Chips.

Steve Meger averages over twenty points per ballgame for the Nets and leads an improving team to the playoffs against the Suns. The Bongo Chips depend on the scoring of Ron Borge in facing Bill Telesco's J. & Co. the stretching arm of Joe Mattern of Poco will prove

tough against foe Charles Mailot and Knicks, while the Cougars will try an upset against the Seven.

Final Standings
1) Seven 7-0
2) Suns 6-1
3) Poco 4-3
4) J. & Co. 3-4
5) B. Chips 2-4
6) Knicks 2-5
7) Nets 2-5
8) Cougars 1-6

Belleville Cage Quintet Dies Against Columbia

The Columbia Cougars took an early lead against the blue and gold Tuesday afternoon at Columbia and held it until the end of the 53-47 contest.

The Bellboys were never able to come close to the Cougars, who managed to keep a distance of 10-20 points throughout the game. Belleville was done in by an offensive intransigence and the sharp hands of Barry Adams and

Rich Broskie of Columbia. Tomorrow, the Bellboys host Big Ten conference leaders Orange, who earlier this season humiliated the Belleville cagers, 118-61, when they met them at Orange.

Tuesday afternoon, Columbia jumped out to a six-point lead after Adams netted two layups and Pat Giordano scored on two fouls. Belleville's listless offensive,

which has averaged only in the mid-30's for the past three games, was unable to click again. No real offensive effort was mounted throughout the game, although an exceptional performance was turned in by co-captain Vin Turturiello, who hampered by touch of the flu, hustled throughout the afternoon and poured in 19 points, nearly half the Bellboy total.

Junior Bob DiQuattro put in a strong performance in

reserve and may be seeing some starting action before the season ends.

During the first half of the game, Columbia's Barry Adams did most of the scoring. When the second half opened, Mark Canyon had been taken off the job of guarding Adams and was replaced by the taller Tony Cotugno. The move freed Columbia's Broskie to bombard the Bellboys with a series of jumpers that kept the Cougars far out in front of the Bellboys.

Tomorrow, one of the top teams in New Jersey will arrive on the Belleville court. Orange, highly-rated, leads the Big Ten, three full games ahead of the nearest contenders — Montclair, Orange and Bloomfield — all tied for second place.

The following Tuesday, again at home, the Bellboys will meet Irvington, an average team who thumped the blue and gold, 76-53, on the Irvington court earlier this season. Though the Campers had played exceptionally throughout the first half of that contest, the Bellboys matched them throughout the second stanza, and a win for Belleville is well within reach Tuesday.

The opening round of the state tournament will be played at Belleville February 26, though the Bellboys have not yet been assigned an opponent.

DeMolay Five Win Two Games

Belleville's Suburban Chapter Order of DeMolay won its first two basketball games, 43-8 and 47-31, over Alexander Hamilton Chapter, from North Bergen, N.J., and Nutley Chapter, at the Belleville Junior High School Gym.

Against Alexander Hamilton Chapter, Belleville could do no wrong as they shut out A.H. until the closing seconds of the first half, leading 17-2 at half time. The trend continued in the second half as Belleville, freely substituting, easily breezed to its first victory, 43-8, against no defeats. Bill Klein and Ron Schulz combined for 30 points, Klein being high scorer with 16.

Belleville was tested greatly against Nutley's DeMolay Chapter. In the first quarter,

it was very close, with the score 8-6 at the end of the quarter. Belleville on top. In the second quarter, Belleville pulled away behind the shooting power of Ron Schulz, who scored 11 points in the quarter and 30 points in the game. The second half saw Belleville and Nutley exchange basket for basket, with Belleville winning in the end by the final score of 47-31.

Union Cage Five To Face Rivals

The Union College varsity basketball team will start off the court fare for the coming week with a non-league clash in Brooklyn to be followed by two very important Garden

State Athletic Conference outings. The intercollegiate wrestlers will also be seeing action against an Empire State foe before going into their most vital GSAC confrontation of the season.

Coach Wynn Phillips' cagers, sporting their revamped lineup, will be going up against Kingsborough Community College at 8 p.m. tonight in the independent contest. The Owls will then have one day to rest before playing host to Garden State Athletic Conference rival Somerset County College on Saturday, February 3, at 4 p.m. The two clubs will be facing each other for the first time during the current schedule. A year ago Union came away the victor

Girls Fall, 44-38, To Kearny Team

The Bellgirls traveled to Kearny Friday where they suffered their third defeat, 44-38.

In the first twenty seconds of the game, Susan Winslip sunk the first basket. Donna Foley made a quick interception and drove down for a score. At the end of the first quarter the Bellgirls were ahead 8-4.

Debbie Maloney was assisted by Donna Stone for the first score in the second quarter. This was followed by two consecutive baskets made by Kearny. At the end of the half, Belleville was still leading 18-16.

In the third quarter, the Bellgirls outscored Kearny in points and rebounds. The Bellgirls also intercepted three passes which helped to add points to their score. At the end of the third quarter, the Bellgirls held a slim margin of three points over Kearny.

Joyce Buckland scored the first basket in the fourth quarter, but it was the last Bellgirl score from the floor. Debbie Maloney and Donna Stone were sent to the foul line for two consecutive points each. Kearny then scored eight straight points before Belleville added to their score. Kearny held on to the lead by hitting on two of the foul shots.

The final score found the Bellgirls on the short end of a 38-44 ball game. Joyce Buckland and Debbie Maloney led the Bellgirls with nine points apiece, followed by Donna Stone with seven points.

and Bob Willette drew at 123 pounds, 1-1.

Co-captain Brian Banda (130) took his mat, 17-5. Don Lino, a sophomore who has been recently called up from the Jayvee 123-pound class to fill in for the injured Mike Resciniti, was pinned for the only Bellboy loss.

Ralph Fabiano (148) won convincingly, 10-1. Joe Vasquez held onto a slim 10-9 victory at 157 and Jim La Conte had a 3-0 victory at 168.

In the 178-pound class, there was a change in the Bellboy lineup as Jim Manceale, a sophomore, came up from the Jayvees to replace Craig Davis and win his match, 7-4. Davis

suffered a muscle spasm in his back early in the season, and had been competing ever since, until the injury was aggravated in his battle against a tough Paterson-Kennedy foe January 23.

Heavyweight John Smith extended his pin record to eight in a row and his undefeated streak to nine. (Smith tied in his debut match of the season).

Montclair, once a great grappling power in the Big Ten, had an undefeated streak in the high 30's up until the middle of last season, when internal problems reportedly crippled the team.

Smash Victory Over Montclair Was a First

By Ken Moore

Belleville's first wrestling win over Montclair turned out to be a romp Friday afternoon as the Bellboys hosted the Mounties and buried them, 47-8.

It was the highest score racked up this season by coach Jim Silvestri's grapplers, with the least amount of points allowed to the opposition.

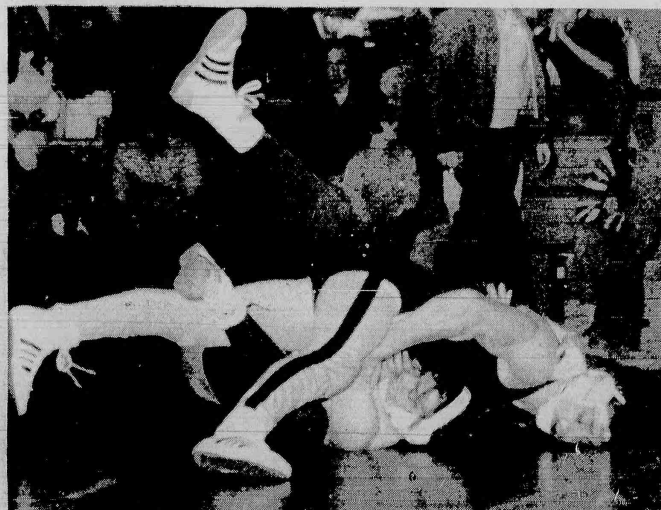

Today at home the matmen face a team reported to be less of a threat than the Montclair visitors — Irvington. In fact, when the Mounties came to Belleville, they brought a 1-6 record, with

the single win posted against Irvington.

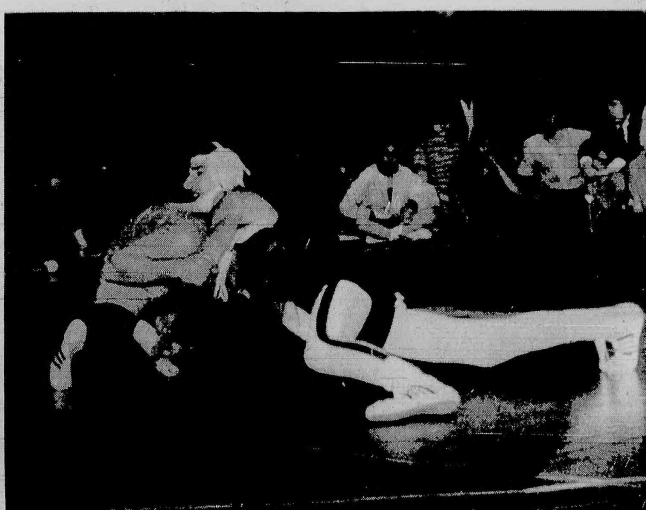

"I had been told Montclair would be weak," said Silvestri after the Friday match, "but I didn't expect to beat them that badly. Of course, we were helped by four forfeits."

The forfeits came when Montclair had no one to put up against Bob Cote (41) and co-captain Ramon "Chico" Lijo, who extended his undefeated streak to nine straight for this season.

Rocco Cuzzo also raised his record to 8-1 for the season when he pinned his Montclair foe in the 98-pound competition. Anthony Villano (115) followed with a resounding 18-0 victory

BANDA ON TOP — Grappler co-captain Brian Banda gains the advantage during his match at 130 pounds against a Montclair opponent Friday. Banda bested his foe, 17-5, to up his record for the season to 7-2.

CLOSE STRUGGLE — Bob Willette (123) narrowly holds the advantage here during the Montclair match, and fought his way to a draw. The Bellboys shattered the Mounties, 47-8, winning or drawing all but one competition Friday.

Ice Skating This Year Is Mostly Indoors

FALLING IS FUN at the Branch Brook Ice Center, where much of this season's ice skating action has been taking place. Shown here are two local lasses, (left) Diane Formato, 15, of Nutley, and (right) Jeanette

Post, 15, of Belleville. Unseasonal weather for the greater part of the winter has kept most area skaters off local ponds.

JUST LEARNING — Miss Terry Breslin of Belleville doubles as baby-sitter and skating instructor for the English sisters, Mary, 7, and Denise, 5, on a Sunday afternoon at the Branch Brook Ice Center.

Comets Trounce Blue and Gold

(Continued from Page 11)

Harvey Wooten had five points of his own in the period while Reynolds added four more. Belleville, in their most point productive period of the day, received four points from co-captain Corino, a bucket by Anderson, and two foul shots by Tony Cotugno, and a single free throw by Mark Canyon. The halftime score read, Hillside 29, Belleville 11.

The third period wound up with Belleville on the short end of a 17-8 score. Hillside's Wooten had his best period of the day scoring 8 of 10 points, on four bombs from 20 ft. or more. Barnett contributed four more to the attack. For Belleville their scoring came on a basket by Vin Turturiello, off a pass from Cotugno, and by six points by Abdel, four of which were on lay-ups off of Corino assists. Abdel may have finished with a higher scoring total on the day, except that while he was picking up points

he was also accumulating personal fouls, and was forced to make an early fourth quarter exit because of this fact, as did Corino who picked up his fifth personal before the fourth quarter was a minute old.

For the most part the fourth quarter was played by the substitutes, and they managed a grand total of three field goals in the fourth quarter. Two by Belleville's Bob "Satch" Sanders, for Belleville's only tallies of the final period. Hillside got three points a piece from Al Carasio, and Carl Lee, two by Mike Atkinson, and a free throw by Mike Maddalena, to complete the Hillside domination.

Tickets Are Available For Gregory Lecture

Tickets will be distributed on a first-come, first-served basis to students and the general public alike for a lecture by Dick Gregory at Union College's Cranford Campus on Friday evening, Jan. 26, beginning at 8 p.m.

Matmen Whip Mounties, 47-8; Psyched for Irvington

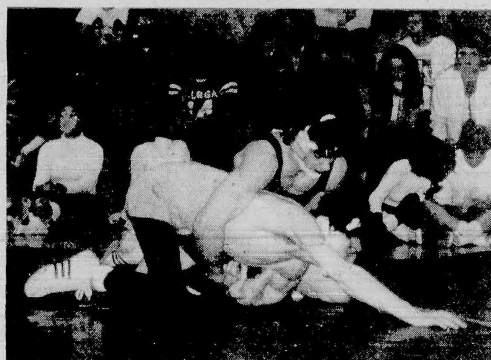

(Continued from Page 11)

Belleville is once again fourth-ranked in the region, behind Essex Catholic, Paterson-Kennedy and Passaic Valley. The Belbooy record is now 7-2.

The best indicator of Irvington's strength is the fact they were beaten by Montclair, but Silvestri refuses to predict a big win for Belleville, adhering to his theory that anything can happen in any given match.

Caldwell will visit here February 7. "Caldwell's a scrappy team," said Silvestri. "They always put up a good show no matter how weak they are."

Last year, Belleville defeated both Irvington and Caldwell, crushing Irvington in a 45-18 rout.

FIRST WIN — Brian Banda looks for a hold on a slippery Montclair grappler during the Friday match. The big blue and gold victory marked the first time in Belleville's mat history that Montclair fell to the home team.

throws. At the end of the half Harrison was ahead 20-19.

The Belgirs were determined not to be left behind and they scored a total of 23 points to Harrison's four points in the third quarter. Donna Stone retrieved the jump ball and drove down for the first points of the fourth quarter. Harrison scored eight points, they Joyce Buckland broke their streak with a Bellgirl score. The final score was 47-34.

Elnne DeBenedetto from Harrison led all scorers with 17 points. Joyce Buckland was the high scorer for Belleville with 12 points, followed by Darlene Damato with eight points.

Union Casers Will Travel To Brooklyn

(Continued from Page 11)

in both tries against the Somerset quintet.

The Owls' Cranford Campus Center Gymnasium will again be the scene when on Tuesday, February 6, Middlesex County College comes in for an 8 p.m. visit. This battle shapes up as a tough one for Union, since its opponent has been improving steadily in recent games. One of the best efforts turned in by Middlesex was in a losing cause when the Edison-based eagles dropped a close and

hard-fought decision to unbeaten and nationally-ranked Mercer County Community College.

When the whistle blows on Tuesday, Union will be seeking revenge against the only two-year college representative to down the Owls during the last campaign. Coach Phillips' charges were easy conquerors in their first get-together but Middlesex reversed that result the next time around.

Coach Jerry Pardue's wrestlers will entertain guests from across the Hudson River on Saturday, February 3, when the matmen from John Jay College, a branch of the City College of New York, will come to Cranford for a 6 p.m. pairing. Although the Owl grapplers will be going out to win this non-conference contest, they will nevertheless be looking ahead to Wednesday, February 7. It is then that the league leading, undefeated wrestlers of Middlesex County college will be on hand in the Owls nest for a 7:30 p.m. battle.

Union's GSAC record now stands at four wins and one loss. Coach Pardue's matmen had gone undefeated until January 18. It was on that evening that Brookdale Community College's Owls toppled the Owls from the unbeaten ranks with a 32-36 victory during a triangular match.

Beck's Column

We write repeatedly about a new dimension in sound: 4 channel stereo. The conventional stereo system has 2 channels. If you want to play around with this new system without investing a considerable amount of money for completely new equipment, you can now do so, provided you have a regular 2 channel stereo.

Magnavox among several other manufacturers has come out with an adapter which can be easily hooked up. The price is about \$30. In addition to this adapter you need 2 more loudspeakers. The adapter separates the information contained in the 2 channel system and filters it to the additional speakers.

Admittedly this new dimension is more for the "far out" sound enthusiast. It should be mentioned right here that the positioning of the speakers in relation to the listener is critical for the best performance. You may listen to this set up in our store.

Will Hold Special Olympics

Representatives of programs for the handicapped in Northwest New Jersey will meet today at Montclair State College to make plans for the 1973 New Jersey Special Olympics meet in their region. Essex, Morris, Passaic, Sussex, and Warren Counties will be represented.

The New Jersey Special Olympics Program was originated last year as a voluntary, non-profit undertaking dedicated to the stimulation and development of physical education, recreation and athletics for the handicapped. It is a year-round program with training programs and workshops scheduled from September through March, county meets in April, regional meets in May, and the State meet in June.

Tim Sullivan, a member of the Montclair State physical

education faculty who is serving as regional director, points out that the Special Olympics Program is a supplementary aid for schools and communities now conducting physical education and recreation programs. It is also helpful, he said, as a planning guide for those without such programs.

All children, youth and adults who are classified as handicapped under the Bessie Act are eligible for participation in the Special Olympics Program. There are no age restrictions, but the program is geared to children eight years of age and older.

The Special Olympics offer track and field events and swimming in four categories: mentally retarded, learning disabilities, visually handicapped, and orthopedically handicapped.

Bowlers Defeat Essex After Downing Glen Ridge

The Belleville High bowling team won two games and lost one to Essex Catholic, the defending champions of the North Jersey Interscholastic Bowling League Thursday.

After winning the first, the Belleville keglers were nipped by one pin in the second, despite a 203 by Howie Evans and the team came back to handily take the finale.

The high rollers against Essex were Bob Greco with 530, Howie Evans with 522

and Jim Dahlgren with 511. Earlier in the week, the Belleville keglers had won two out of three from Glen Ridge. An 870 won the first game, spurred by Greg Revelle's 201, and the keglers won big in the second by

rolling an 872, led by Warren Beck's 219. In the third game, the Belleville team went down by 30 pins.

The high bowlers against Glen Ridge were Warren Beck (511), Bob Greco (506) and Howie Evans (501).

Belleville High School Didn't Escape the Flu

By Linda O'Connell
The so-called "London Flu" has certainly made its mark on Belleville. This flu, which tends to last about 3 days or more and effects the respiratory system, seems to

be rapidly spreading throughout our Belleville schools.
An enormous number of teachers and students have been missing from their regular posts due to this

epidemic. Substitute teachers have been called in but it hardly seems worthwhile teaching a class of 12 that usually consists of 20.

In the Belleville Senior High alone, approximately 18 percent of the students were absent on Tuesday, Jan. 16. And on Monday, Jan. 15, 20 percent of the faculty and administration were absent. These two dates were said to be rated the highest among absenteeism.

Mr. Westlake, vice-principal at the Belleville Senior High recalls that 12 years ago the "pre-Hong Kong flu" invaded Belleville. The absentee rate was said to be 45 percent of all students attending the senior high but only 5 percent of the administration.

Facts show that this "London flu" began to take effect on all Belleville schools around the second week in January.

During the past few days, however, the absentee rate has lessened. Students' and teachers are slowly getting back into the swing of things. Other schools in different towns seem to have suffered from this flu also.

Cahill: Some Students Work Beyond Ability

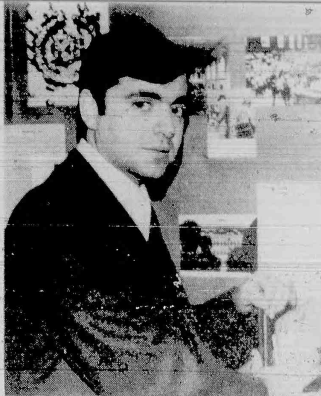

By Judy Verdecchio

I began my interview with Mr. Cahill by asking as he put it "a standard question." I asked him how long he was teaching at Belleville High School and in general and the answer to both was five years.

The interview started off a little awkwardly since I did not know him well.
Mr. Cahill said of the students at Belleville High, "It seems that they have much apathy among them and they just don't care about things." He added however, "Not all of them." He admires, on the other hand the ability of the students to cope with situations that they may not have been ready to handle. A little later I asked him if more interesting courses were offered at school would it help rid the kids of their apathetic behavior. After pondering over the question for a minute he replied, "For some students this will help, but for the majority I don't think so."

I was curious to hear Mr. Cahill's views on the permissiveness among teens today as compared to those of the fifties. He seemed to be genuinely concerned about the subject and wishes there was more time during class to

talk with kids and try to help them if they want it. He also added, "There is a time and place for everything."
Mr. Cahill is married and resides in West Orange. Belleville High School is lucky to have him on the staff, as are the students to have him as a friend.

CONCERNED — Belleville High's Mr. Cahill believes that many, though not all, of the school's students are apathetic, and some would welcome more interesting courses.

Thinks Students Are Able To Handle Responsibility

By Bob Greco

Belleville High School has a definite need for responsible students. But, this can only be made possible when the students are given something to be responsible for, and right now, there is very little responsibility placed in the hands of the students at Belleville High.

There is no "working" Student Council to work on selecting things right for the students. A group should find student interests and add more relevant courses for the students to choose from. It is already proven with the new

cafeteria system that the students are quite capable of such tasks.

"It can not be said that Belleville High is just like every other school. The fact is that our neighbor, Nutley High, is different in many ways. For example, there are

open study halls and lunches, permitting students to leave school, then come back for classes. Nutley High also offers more interesting courses such as philosophy and mass media. So, it is not impossible for needed changes to take place.

English Class Views Film On Hollywood

By Joseph Romao

You could almost hear the director's cry of "Lights! Camera! Action!" as Belleville High School's English classes viewed "Hollywood: The Golden Years," a documentary concerning the only true American art form to develop in the twentieth century, the movies. The scenario on silent films was shown on January 22 & 23, Parts I & II, respectively.

One of a series of movies presented by Mr. John Klotz, English and Speech teacher at Belleville High, the film delighted the student audiences with glimpses of the "celluloid-heroes" — Chaplin, Fairbanks, Valentino, Barrymore, Garbo, and Swanson showing their talents through a window to yesterday; film. Memorable moments were unearthed with scenes of Mack Sennet's mad slapstick comedies and the star's lavish way of lives.

Asked the purpose in presenting the films, Klotz said, "I feel that it's a part of the English course to present the mass media; so the students take as much advantage of the present mass media. Also, it is an advanced look at a tentative course next year, dealing with the mass media."

Personally this writer can only concur with Mr. Klotz's views and hope for more excellent presentations from this fine instructor.

with nostalgia. For others it will show the satirical side of teenage life and music in that period of time.

This play which centers around rockin' roll in the 1950's, featuring hobbys socks, pony tails, and black leather jackets, is sure to hit some older members of the audience.

"The Nifty Fifties" is written, produced and directed by Mr. Daniel Grasso and Mr. Brian Rafferty, both teachers at B.H.S., and with the vital help from a few members of the cast.

Blood Drives Mobilize To Aid Disease Victims

Five hemophiliacs and a young leukemia victim will be among the beneficiaries of blood drives planned throughout the month of February through the facilities of the North Jersey-Essex County Blood Bank. In all 25 banks are planned, sponsored by schools, business, labor and industry, fraternal organizations, and community groups. Five of these banks will take place at the Blood Bank's headquarters at 45 So. Grove Street, East Orange. The remaining 20 will be conducted on-location for the sponsoring groups by the staff and mobile unit of the North Jersey-Essex County Blood Bank.

The first of the hemophiliac drives will be for Frederick Delafan of Warren. It will be held on Friday, February 16 at Our Lady of the Mount

Parish, Mt. Bethel Road in that community between 3:30 - 7:30 p.m.

Two southern hemophiliacs, Ron and David Koeber of Parsippany, 12 and 9 years old, will be recipients of a blood drive on Saturday, February 17, sponsored by the First Lutheran Church, 1337 Van Houten Avenue, Clifton. Hours there will be between 10 a.m. - 2 p.m.

Vague Unemployment Law Will Soon Be Explained

More than half the appeals filed on unemployment insurance claims involve disqualifications for voluntary job quitting rather than discharge because claimants misinterpret the language of that section of the New Jersey Unemployment Compensation Law.

To clear up these misunderstandings, the N.J. Department of Labor and Industry is starting a special information program to explain this and other disqualification provision of the law in the Jersey City, Paterson and Passaic Unemployment Claims offices. Each claimant who is disqualified from benefits because of a voluntary quit will be given a printed circular which details the disqualification provision. In addition, he will be given an oral examination on the law's application to his claim by the local office representative making the determination.

The law provides that an individual shall be disqualified from benefits for the week in which he has left work voluntarily without good cause attributable to such work, and for each week thereafter until he has earned in employment at least four times his weekly benefit rate.

Inside Critics
Coffee breaks are supposed to build up the workers, but end in a rub-down for the boss.

Weekly Restaurant
Specialty Of The House
At Europa's is Sea Feast

When you take a quick-smiling Irishman and mix well with a hard-working Portuguese restaurateur, you have the ingredients that make the Europa Bar and Restaurant at South 4th Street, Harrison, more than the average eating establishment.

Art Adams, the Irish partner who has spent the last several years as a mixologist, for as he says "some of the nicest people on the face of the earth" is responsible for the American touches in the menu. Manuel DeSilva, Adams partner, is the influence for the variety of unusual Portuguese, Spanish and Brazilian foods. The menu contains over 30 varieties of fish alone.

The specialty of the house is the Paella Valenciana which is the pot sea food feast. In it are a whole lobster, mussels, clams, shrimp, scallops, chicken and rice. Better bring a hearty appetite and a hungry friend! The Paella is served with a green salad and Portuguese dinner rolls. You can have one of the European wines from the wine list or try the specially prepared Sangria made with whole fruit.

The owner's long day begins at the wholesale market at 7 a.m. where they select the fresh fish and produce for the day's business. The kitchen staff is made up of three European trained cooks, a jolly group who enjoy their work.

The Europa is open seven days a week and the congenial staff will be happy to assist you in making a selection from the vast menu. The restaurant opens for the businessmen lunch and stays open for late night snacks till 1 a.m.

Town's Christian Churches Unite in Worship

ORGANIST Mrs. Hazel Hulme of Fewsmith Memorial Church accompanies a vibrant choir in the opening hymn of a service for Christian Unity, held at St. Peter's School auditorium. The services which were well-attended brought together members of 14 Belleville churches.

REVEREND PAUL RUTER of the Belleville Reformed Church gives the intercessor prayer, asking "that we may overcome barriers of race, nationality and economic position."

RANDALL SAXON, a youth director for two Belleville churches, read verses from Isaiah.

CLERGY of 14 local Christian Churches officiated at the service. Among them were the Rev. Henderson Goldston, the Rev. Benedetto Pascale, the Rev. Frederick Long, the Rev. Albert Alspach, the Rev. Gerald Rounds, the Rev. J.D. Douglas, the Rev. Alfred W. Stone, the Rev. Anthony Di Quattro, the Rev. Howard Day, the Rev. Joseph J. Cestaro,

the Rev. Colabelli, the Most Rev. Joseph Costello, the Rev. James Heavey, the Rev. Richard Groncki, the Rev. William Mink, the Rev. Paul Ruter, and the Rev. Helen Crombie.

GUEST SPEAKER was Dr. Norman Pease, Professor of Religion at Bloomfield College, who said "the Gospel transforms any pettiness."

ENTERING with a banner (left) Brian Monohan and (right) John Finn, who assisted at the service.

READING from the Acts of the Apostles is the Rev. Gerald Rounds of the Wesley Methodist Church.

THE ORGANIZERS of the service get together for refreshments afterward. Shown here are (l-r) the Rev. Gerald Rounds of Wesley United Methodist Church, the Rev. Richard Groncki of Saint Peter's Church, the Rev. Paul Ruter of Belleville Reformed Church and the Rev. Alfred Stone Jr.

BELLEVILLE CONCERT CHOIR, under the direction of Thomas Finetti, performed modern gospel music, including "Ain't That Good

News," and a version of "Put Your Hand in the Hand," with a drum accompaniment.
