

759-1777 — Life Line From Drug Abuse

Modern communications and the desire to help one another have been joined together in various ways across the country when citizens have formed telephone crisis centers to help those in need deal with their problems.

Last week saw in Belleville the opening of the first local telephone service to dispense information on drugs and drug abuse. Operating under the auspices of the Department of Public Affairs, the group is starting small, using one phone manned by Mrs. Cecil O'Toole, a Public Affairs employee.

But the project — called "Life Line" — has been launched, and its sponsors expect it to expand with time. The mechanisms have already been drafted for the operation of the center.

The organizing committee, called the Belleville Drug Abuse Educational Center, is chaired by John Stetz, while the steering committee is headed by Joe Petrillo, a Belleville Junior High School teacher, and Steve Rogers, a candidate for the Board of Education in last month's election. Also on the committee are Carl De Jura, a town resident skilled in drug rehabilitation and Assistant Superintendent of Schools Michael Rosamita.

The number of the present telephone line is 759-1777 and it will be open from 9 a.m. to p.m., Monday through Friday, and 3 p.m. to 9 p.m. on weekends.

The primary purpose, explains Petrillo, is to educate. Right now, a library is being built up, to be at the disposal of the telephone worker who will take incoming calls.

All workers will be given courses in drug usage, but will not directly handle emergency cases.

In the event of an emergency,

"LIFE LINE" — A new anti-drug abuse project, sponsored by the Belleville Health Department was opened last week. Shown here are Public Works Commissioner Vincent Strumolo, project co-chairman Joe Petrillo and Mrs. Cecil O'Toole, who will man the phone to give information on drugs.

cy, the phone worker will immediately call through on a direct line to Clara Maass Hospital, or any one of a number of clinics staffed by personnel trained to respond to such crises.

The service is not designed to handle information on suspected drug pushers. "We don't want to get involved in that," says Petrillo. "We'll refer informants to the police department, but we intend to remain primarily an educational institution."

The "education" the center

will promote is not specific in nature, and workers will attempt to handle virtually any question on drugs. If they don't know the answer, they'll be able to refer a caller to someone who does.

In the event a drug user is seeking rehabilitation, Petrillo says, the center will refer him to a clinic after his third call.

"I've researched this thoroughly," he says, "and I've found this is a common

Senatore Pool Bill Rejected

An angry Commissioner Mary Senatore joined other commissioners Tuesday night in unanimously rejecting an amended version of her own bill designed to regulate construction of residential swimming pools in Belleville. The vote followed a public hearing during which numerous pool owners objected to various portions of the bill.

After listening to several protestors score sections of the bill which restricted drainage and lighting of pool areas, called for four-foot fencing around pools and imposed a five-foot limit by abutting sideyards, Mrs. Senatore suddenly announced she would withdraw the bill. Since the bill could not be withdrawn at that point

Boundary Lines Questioned Commissioners Table Brighton Apartments

The Board of Commissioners Tuesday night voted unanimously to table a decision on the proposed variance to permit the building of 11 basement apartments in a building at 136-146 Brighton Avenue.

The decision to table came after the Board instructed lawyer Henry Sant'Ambrosio representing Luciano Callandra, 49 Dorothea Terrace, to deliver to Town Attorney John Scott, documented evidence to establish Callandra as owner of the lot in question.

An overflow crowd filled the Commission chambers to

observe the proceedings, which came to the Commissioners after the Zoning Board of Adjustment recommended the variance be granted. On February 13, the Commissioners voted 3-2 to table the motion for further study.

At that same meeting, the commissioners rejected by a 3-2 vote a motion to deny the variance.

The controversy Tuesday night hinged on whether the Commission was entitled to investigate the proper ownership of the lot as a condition to the granting of a variance. Sant'Ambrosio told

the Town Fathers such an investigation would be "extremely unfair," adding, "If Mr. Callandra doesn't own the property, someone else must, so he's putting up the building at his own risk."

Both Mayor Joseph McGreevey and Scott based the argument, for the ownership investigation, on the fact the Town of Belleville owns land abutting the rear of the property in question.

"This question should have been resolved a long time ago by the Board of Adjustment," said Scott. "They didn't, and it's about time somebody did."

Sant'Ambrosio challenged the commissioners "to test your memory whether you have ever challenged the ownership of an applicant to land being considered for a variance." The lawyer, agreed, however, to turn the documents of ownership over to Scott on Wednesday.

The commissioners will consider the new evidence and render a decision on the case at the next regular meeting on March 13.

Several objectors sought to reopen the public hearing on the case, though Mayor McGreevey ruled that after the February 13 meeting, whether or not public discussion will be reopened at the March 13 meeting has not yet been determined.

In other action, the commissioners voted to appropriate \$55,000 for 300 new feet of sewer line at Washington Avenue, near Hancock Avenue. The sum represents half the cost of a new line, with neighboring Nutley supplying the rest.

Budget Cutting Will Come — But How Much And Where?

By Ken Moore

An informal Times survey of the five Belleville commissioners this week revealed an intention on the part of the Town Fathers to cut down the school budget before a scheduled March 20 public meeting on the 1973 municipal budget, which includes a record 70-point tax hike.

At the same time, the Commissioners showed a general reluctance to say where they feel cuts should be made. The candor of the town leaders ranged from Public Works Commissioner Mary Senatore's open remark that he would like to see the school budget's proposed 44-point increase knocked down to "no more than 25 points" to Mayor Joseph McGreevey's refusal to state whether he was even agreeable to inspect Belleville schools if invited by the Board of Education.

McGreevey and other commissioners said they would not make specific comment on the \$74 million school budget until, after meeting with the Board of Education, McGreevey said he "would first like to see what the school board is going to cut," before speculating on where he would like to see the budget trimmed.

Asked to comment generally on the claims of school trustees that the 44-point hike is urgently needed for repairs to Belleville schools, McGreevey insisted he would

wait until after the Commission-School Board meeting to discuss the matter publicly.

All other commissioners evidenced a definite dissatisfaction with the 70-point tax hike, which will bring

Hit Defecit Coverage By Board

The Belleville Board of Commissioners Tuesday night unanimously voted to send a letter to the Board of Education protesting the school's decision appropriate \$157,165 in surplus funds in order to cover operating deficits in the 1972-73 budget.

Commissioner Vincent Strumolo proposed the measure, saying "if they had put that money into their new budget, it would have saved taxpayers six points in the increase," Strumolo added, "if they can't live within their budget, then they shouldn't be on the board."

Although the Board of Education unanimously passed the appropriations, it was with much reluctance, since the move left a surplus of only \$15,487 to last until June. Only one quarter of one percent of the budget is left to deal with potential emergencies.

Belleville's tax rate to \$6.34 per \$100 of assessed valuation.

The other four commissioners all said they felt school repairs should be made, but the consensus of the four was that such renovations should be presented to the public in a bond referendum, and not included in current expenses.

Commissioner Senatore, though, said "they don't necessarily need a bond issue. They just need a program for repairs. Six years ago, I suggested they concentrate on repairing two schools each year, but they didn't do that. They should never have let the schools go like that in the first place."

"The school budget increase should be no more than 25 points. The general public is overtaxed as it is, they're choking — they can't take any more," Commissioner Senatore mentioned that senior citizens living on fixed incomes are hit hardest by tax increases.

She added she will first look to see if the school board's request for 10 new teachers is legitimate, and then, she said, she would look to the maintenance account if further cuts are warranted.

Commissioners Michael Marotti, Vincent Strumolo and Robert Laterza, all questioned Tuesday, by a Times reporter two days

before a scheduled meeting with the Board of Education each said they had not had enough time to study

Golden Comments

By James R. Golden

Hey Sheriff John Cryan! How about P.J. McDonald's appointment as Court Attendant? It's long overdue. This popular local lad was in the van pushing your election to your present office. He should be first on your list for patronage consideration.

P.J. is competent and a diligent worker who makes a nice appearance. He would bring dignity and efficiency to the important position in our Court structure.

Sherrif, keeping P.J. out on a limb isn't "Mother Nature's" way of playing politics. Remember you do have to run again and McDonald is a good guy to have on your team.

Air Force sergeant Steven Rogers made a surprisingly strong bid for the post of school board trustee. The 21-year old Belleville High graduate, Class of 1970, scored hell out of the "old guard" school system hangers-on.

His close race, losing by a mere 112 votes, assures us that we will hear much more from this young man who wishes to thank those who supported his candidacy. Jackie Reg helped the cause "plugging" for Rogers all the way. Jackie even "girl-napped" a gorgeous red-head beauty he called "rosebud" that was working for another candidate at the polls. Clever guy, only he took the doll to a tavern owned by her husband. Now what happens?

Students To Revive Cole Porter Musical

Help Us Out

During the next few weeks the editorial staff of the Belleville Times will be closely evaluating the strengths and weaknesses of its publication. The purpose of this evaluation is to determine how the Times can better serve its readership — the citizens of Belleville.

The Times invites its readers to submit any suggestions, or criticisms that might improve the quality of the newspaper to Ken Moore, News Editor, 246 Washington Avenue, Belleville, New Jersey 07109. Letters or postcards need only be signed if intended for publication.

"Anything Goes", the first of the great Cole Porter musicals will be presented at the Belleville High School Auditorium for three evening performances, beginning Thursday, Mar. 8 at 8:15 p.m.

Proceeds from the show will go towards the school band's proposed trip to Bermuda.

Jeff Stone will portray the leading male role of a man who sails aboard a trans-Atlantic liner on a sudden impulse to keep the girl he loves from marrying a stuffy Englishman.

His romantic impulse forces him to borrow a passport from another passenger who too suspiciously offers him one, and this document turns out to belong to a hunted public enemy. This runs him into one complication after another and many hilarious consequences — especially because the man who offered him the document is not the clergyman he is dressed to represent, but is himself a Public Enemy but with embarrassingly low rank — Public Enemy No. 13.

Joe Onofrietti will have this role of the false cleric carrying a submachine gun in a violin case.

Also in a leading role will be Patty LaMotta as a former lady-evilangel, who has seen the "light" and turned night-club singer.

Patty Kryeh will appear as the self-sacrificing girl ready to marry a dull Englishman to save her family's fortune. Others in the large cast include John Smith (Wallace Tycoon), Sandy Cronauer (middle aged society marion), John Narucki (stuffed English fop), and Bonnie Berkowitz (girl-friend of Public Enemy #13).

Is Belleville Prepared?

Legion Views 'Before The Emergency' And Sees Potentials Of Civil Defense

(This is the first in a series of articles by Times reporter-columnist Pat Diana examining Belleville's ability to respond to possible crises. The series will present the results of an indepth examination of various Belleville emergency squads.)

It's midnight. The road stretches endlessly ahead and the young couple in the car are tired. They are also hundreds of miles away from home and familiar places. The car crashes, the wife is knocked unconscious, the husband badly cut and bleeding. He stumbles from the car and begins to walk along a road, which will take him — where? He finds a house and is allowed in to phone for help, but the dilemma is — he doesn't know who to phone — Police? Fire? Hospital? He finally calls the operator, and help is on the way.

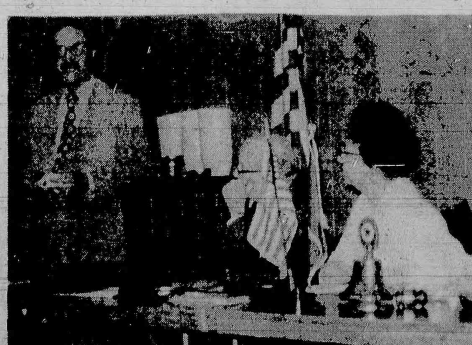

The scene shifts, a schoolbus filled with happy children travels down a highway. The sun is shining and it is a pleasant day. Suddenly a car cuts the bus off and the bus crashes. The children are badly battered,

bruised, cut and bleeding. One plucky youngster gets out of the emergency door of the bus, which has landed on its side. He walks for miles to a telephone and makes one call!

That one call set dozens of people into action — the police and fire departments, the town rescue squad, the hospital. Within minutes people prepared for such a disaster were on the scene, doing what they had been trained to do — "Before The Emergency!"

Which was the name of the film shown by George B. Warren Jr., Lt. Colonel, USA Ret., executive assistant for the county of Essex Department of Civil Defense and Disaster Control. Warren, appearing with local Civil Defense Director, James LaMotta, presented a stirring program on the new image of Civil Defense to members of Unit 105, American Legion Auxiliary and their guests last week. "Ask any person what Civil Defense means," Warren said, "and they will reply — billy clubs and helmets, bomb shelters and the like." The "new image" is for a town, town, to have volunteer properly trained to handle any type of disaster, "Before The Emergency" arrives.

Inexpert handling of injured persons can cause a compound fracture, rather than simple one. It can make the difference in a person using parallel bars for fun — or learning to walk again on parallel bars, the difference between hunting with a dog, or walking with a guide dog, the difference between water skiing, or lying in bed,

COUNTY CIVIL DEFENSE Executive Assistant George Warren, (left) spoke last week to members of American Legion Post 105. At the center is Belleville Civil Defense Director James LaMotta, and at right is Mrs. Joan Laib, president of the Unit 105 American Legion Auxiliary.

Business Spotlight

Men's Store Fashions Keep Up With Times

by Pat Diana
Tucked away at 138 Washington Avenue is the establishment of Michael's Men's Store, one of the top spots in town to shop for men's and boy's wear.

As you enter the store, you are greeted by the owners, Michael and Renee Simon, and the many styles and accessories of men's and boy's apparel.

The Simons have been in business in Belleville for 26 years, the last ten at their present location. From underwear to overalls, to hats, shoes and accessories, everything is available to turn out a best dressed boy or man. Some name brands they feature are Campers and Golden Yee.

and all their items are popularly priced. Michael himself does tailoring, and offers free alterations on most purchases.

In their quarter of a century in this business, I asked the Simons what main changes

were seen in men and boy's style. The response was that the fashion for the males has gone from yesterday's rather quietly dressed, to present day—most colorful and flamboyant, and more interesting. A wide variety of jeans is also available.

MEN'S STORE OWNERS Mr. and Mrs. Michael Simon believe men's fashions have become more colorful over the years and they're found they're stocking a lot more jeans than they used to.

CYO Slates Sunday March Of Dimes Day

The Essex County CYO has designated Sunday, March 4 as its official Annual CYO March of Dimes, although program director Robert Larkin told county officials that any other Sunday in March of Dimes month can be used as an alternate.

Over the years, the youngsters of the Catholic Youth Organization program have played a significant role

in the raising of funds for the March of Dimes.

In 1972, CYO units raised \$1,602 by sponsoring fund-raising events and by collecting contributions outside of churches on March of Dimes Sunday. Last year's top CYO unit was St. Peter's of Belleville, which collected \$338 for the fight against birth defects.

In the past 29 years, the Essex County CYO has turned over \$197,921 to the March of Dimes.

"Over the years," County Director Rev. Peter Cuttolo stated in his letter to member CYO units, "the support of CYO members has saved lives, reduced suffering, and restored some measure of self-sufficiency to many."

The March of Dimes Birth Defects Center at Newark Babies Hospital, along with more than 100 other Special Treatment Centers now being established across the country, will provide a network of knowledge which may someday eliminate crippling.

Legion Post 105 Honors Past Commander Mariani

On Saturday evening, February 24, a capacity crowd filled the halls of American Legion Post 105 to pay tribute to the immediate Past Post Commander, Anthony Mariani, and his wife, Dolly.

Chairman of the event, and master of ceremonies for the evening, was Patrick J. Lee. His committee included George Mitchell, Jack Throckmorton, Jack Gorman, Jim LaMotta and Joe DeBacco.

After the opening address and Salute to the Flag, Chaplain of Post 105 George Mitchell, offered the invocation and a welcome to the assembled guests was given by present Post Commander, Frank Kierian. Guest speaker was Anthony Greco, Belleville Superintendent of Schools and a member of American Legion Post 443, Watchung. Commissioner Mary V. Senatore was on hand and gave a brief, warm speech about Tony and his wife, whom she has personally known for many years.

There was a cocktail hour, with entertainment by accordionist Chris Rollieri, followed by a prime rib roast dinner and dancing to the band of "Uncle Gil". Among the guests were Tony and Dolly's two children, Betty Ann Sheridan and Tony, Jr. The Marianis have four grandchildren, Kim and George Sheridan, Gina and

Tony Mariani.

Greco presented a speech, citing "veterans as the representatives of the entire population of America." He also said that the "American Legion should be the foremost in any town...they have always supported our system of schools—in a quest for adequate education." "We have to instill respect in education in our young people," he continued, "who are the future of America...and give each and every single youngster the best possible education."

"I'm tired of citizens putting down America, we should support our Flag, our country and our elected officials. Legionnaires have contributed to our national strength, education is our first line of defense...make it strong."

Jack Throckmorton then spoke on the many accomplishments under the leadership of Tony Mariani. "The post prospered, the building committee was organized in earnest and we gained a few thousand dollars, a new men's and ladies' room

was furnished and the post was painted and repaired on the outside," to name a few.

Also while Mariani was commander, the oratorical contest was conducted in Belleville schools under the chairmanship of Walter Weiss, baseball managed by chairman Jack Throckmorton, the Legion Chateau was ably handled by chairman Mert Marx and the Post membership hit 355. "Post 105 was recognized as one of the most powerful and highly recognized in the county," Throckmorton said. Hospital parties were conducted by chairman James LaMotta, weekly bingo games held—in which Mariani was most active.

A resident of Verona, Tony was active in the Little League baseball as a manager, a member of the Verona Ambulance Squad and after seven years, he retired as a lieutenant after passing a full first aid course. He was one of a very few who were on 24-hour call for emergencies. Mariani has also been active in the PTA and unity club.

Principal Of School No. Four Initiated Special Ed Classes

by Mort Birkin

The following series, written by Mort Birkin, is designed to acquaint Belleville readers with the administrators who run our school system. Other school officials will be profiled in upcoming articles.

Michael D. Nardiello is principal of School Four in Belleville. He has been working in the school system for twenty-two years. Nardiello started special classes in School Four and taught these classes for thirteen years.

After his teaching experience Nardiello became Belleville's first supervisor of special education. He was appointed principal of School Four after the untimely death of the former principal Frank A. Spotts. At that time he served both as supervisor of special education and principal of School Four.

Now he is also acting supervisor of special education until a supervisor will be appointed.

Nardiello is a graduate of Montclair State College majoring in business education with a minor in physical education.

He received his M.A. degree in special education from Seton Hall where he also

received his six year advanced certificate in administration and supervision.

Although he has a very busy schedule Nardiello manages to keep very active in other community work.

He is an active trustee of the North Essex Child Guidance Clinic appointed by Mayor Joseph McGreevy. He is also a committee member of the Craig Fund.

His special interests are

golf and travel. As a golfer he played in the undefeated varsity golf team of Montclair College. The team was undefeated for three successive years.

He has traveled widely including summers in Italy, Spain and Africa.

Incidentally, Nardiello was

a student at School Four. At that time James G. Shawger was principal. The school was named after Mr. Shawger.

A great friendship existed for many years between Nardiello and Frank Spotts, the late principal.

He is married to the former Marion Caparoso. They have one married daughter.

Pelaia Takes Oath Of Office As Children's Shelter Trustee

Joseph Pelaia was recently sworn in as a member of the Board of Trustees of the Essex County Children's Shelter. Mr. Pelaia was appointed to this position by the Essex County Board of Chosen Freeholders.

At his ceremony, attended by his wife, family, many friends as well as various county officials, Pelaia stated, "I am very honored that I have been given this wonderful opportunity by the

freeholders to use my knowledge and experience in the field of education to help the children of Essex County. During my tenure as a

Trustee I am also very hopeful that I will be able to bring about a greater awareness and understanding of the importance of the Shelter to all the people of this country."

The new board member received his B.A. degree from Rutgers University and is

presently employed in the field of education of handicapped children. Pelaia is also president of the Jersey

Alert Citizens Association and is currently completing work on his Masters Degree in special education.

Transport Department Plans Railroad Repairs

The Department of Transportation has filed a preliminary application with the U.S. Department of Transportation for capital grant to finance major rehabilitation of the Erie Lackawanna Railway electrified lines and new equipment to cost \$141,137,500. The application is for \$94,091,666, two-thirds of the cost, to be provided under the Urban Mass Transportation Act as amended through 1970. The State would provide \$47,045,834 from the 1968 Transportation Issue.

Jury Convicts Postal Employee

United States Attorney Herbert J. Stern announced today that Isaac Wayne, 35, of 299 Clinton Avenue, Newark, was found guilty by a jury of embezzling a portable television set from the United States Post Office Annex at Belleville, New Jersey on March 22, 1972, where he was a postal employee.

Visiting Federal Judge Herbert P. Sorg of Pittsburgh, Pennsylvania presided at the trial. The case was prosecuted by Assistant United States Attorney Lawrence S. Horn.

Wayne was arrested by United States Postal Inspectors on March 22, 1972 and was released on bond by United States Magistrate Jerome Schwitzer. He was indicted by a Federal grand jury on July 5, 1972. Wayne is free on bail pending sentencing.

A Democrat Slings Mud

Last week Democratic State Vice Chairwoman Mrs. Ann C. Martindell said that Essex County Democrat Senator Ralph DeRose's gubernatorial candidacy is based upon an ethnic appeal — an appeal to the Italo-American community for its vote in the Democrat primary.

Nowhere in Senator DeRose's private or public life is there any evidence to indicate that Mr. DeRose has ever made an appeal for votes based upon his ethnic origin. Since Mrs. Martindell recently endorsed Mercer County Democrat Chairman Richard J. Coffee it is not too far fetched to assume that the young lady made a gutter-type effort to cut down front-runner DeRose.

Senator DeRose is an eminent member of the New Jersey Bar and during his brief term in the New Jersey Senate has compiled a public record that lends credibility to his claim that he knows government.

Mrs. Martindell's slander of Senator DeRose is an insult to the Italo-American community of New Jersey. We think it is high time people like Mrs. Martindell recognize that names of ethnic origin are not to be associated with second-class citizens. Senator DeRose was born in Newark, New Jersey. We are sure that he is proud of his Italian heritage. We are also confident that Senator DeRose is equally proud to be a native born American. There is nothing incompatible with a person loving his father's country and the country where he was born.

Senator DeRose is a good American. His private and public lives reflect good citizenship at its best. Mrs. Martindell unwittingly is handicapping the candidacy of the man she publicly endorsed, Mr. Richard J. Coffee of Trenton.

We believe Mrs. Martindell owes an apology to Mr. DeRose and the Italo-American community of New Jersey.

Phony Disclosure Bill

Last week the New Jersey Assembly adopted what some of its sponsors refer to as a campaign disclosure bill.

A similar Senate measure sponsored by Republican Senator William Schluter was more to the point but apparently too strong for the Lower House to adopt. Senator Schluter's bill would have made candidates criminally liable for evasions and abuses of the proposed law.

We believe no campaign disclosure bill could be tough enough. A candidate with nothing to hide should want to make

More over Mr. Coffee should rid himself of Mrs. Martindell and people like her, for anyone who raises the ugly ethnic issue is not entitled to the patronage of a man who wants to be Governor of New Jersey.

DeRose detractors are not limited to Mrs. Martindell. Within the Italo-American community there are a couple of malcontents who have raised their voices against Senator DeRose. Their opposition to DeRose is based upon an alleged description of the Italo-American community by Senator DeRose. The campaign to "get" DeRose from this quarter is based upon the failure of malcontents to obtain favors from the Democrat Party.

Whatever else one may say about Mr. DeRose he cannot be accused of being un-American or pro-Italian. From what we have seen and heard of Mr. DeRose he impresses us as being a young, clean-cut, American reflecting the best traits of American citizenship and manhood. We have not agreed with some of his legislative positions but such disagreement will not preclude us from favorably considering Mr. DeRose in the Democrat Primary.

At this stage of the Democrat gubernatorial race it is interesting to note that Democrat leaders of Essex, Union, Camden, Atlantic and Burlington Counties have endorsed Mr. DeRose. He has also received strong endorsements from South Jersey Teamster's President John Greeley and Charles Marchionte, state AFL-CIO president. Quite impressive support — stretching from one end of the state to another. It speaks louder than Mrs. Martindell's slur.

public disclosure of all the funds he, his workers or his committees receive in furtherance of his candidacy — unless of course the money comes from soiled sources — or some sources that expect a quid pro quo.

We think no legislature is better than the one passed in the Lower House.

Municipal Engineer Says Belleville Avenue Unsafe

By Elaine Auerbach

ONE YEAR AGO

A six-point decrease and a \$147,000 savings in the municipal budget was the end result of a marathon public hearing at the high school auditorium. The hearing saw a small turnout of about 75 persons, far smaller than a meeting in 1971 when 500 had turned out to protest the budget. The new tax rate was set at \$5.75 per \$100 assessment.

The Belleville Blue and Gold was to send seven representatives into regional competition at Kennedy High School in Paterson. The Bellboys finished second into the defending champions of Essex Catholic in the district matches. Chico Ligo, Fred Arena, Boff Mustachio, George Falkman and John Smith were the district champs from the Bellboy squad.

A ruling handed down by the Belleville Town Commission, acting as the local exercise board, was in the process of being appealed by a local tavern owner to the State Alcoholic Beverage Commission. The Commissioners had voted 3-2 to allow the Villa Italia to transfer its liquor license to the Belleville Motor Lodge, going against two ordinances in which the applicant was in violation. Edward Effenberg, owner of the Princeton Bar and Grill, appealed the Commission's decision.

FIVE YEARS AGO

The Belleville Italian-American Civic Association honored two young residents of Belleville at its second annual Mardi Gras Dinner and Dance held at the Holiday Inn. Receiving awards were Mary Liliu and Myra Ceres. They were chosen from among Belleville High School valedictorians who had shown leadership and scholastic ability following their graduation from high school.

The Department of Public Works and the municipal engineer reported that Belleville Avenue from Franklin Avenue south to Newark Avenue was unsafe. The caving in of portions of the pavement caused officials to issue a warning that traveling on the road would be hazardous. The damage to the road was thought to have resulted from its being used by heavy-weight trucks.

The Rev. Richard Bevinetto, Belleville's full-time health officer, was finally to be paid for his work. The Board of Commissioners finally endorsed Commissioner Vincent Strumolo's long term request for a full-time health officer. At the same time that action was taken on Strumolo's resolution, Commissioner William Cullen announced that two recreation facilities would be expanded.

TEN YEARS AGO

Belleville firemen saw red when PBA officials complained of their individual effort to gain a pay raise from the Town Council. All pay increase petitions were to be a joint effort according to Fire Chief Hundertpfund, and the cops had betrayed the firefighters by making their own request. Michael Marotti, president of PBA, said he had no comment to make on the matter.

Judy Underwood was named the winner of the Annual Oratorical Legion Contest sponsored by Belleville Post 105. In addition to a 425 Savings Bond, Miss Underwood received the American Legion

Oratorical Medal. Marcia Peck placed second in the contest and Marilee James third.

FIFTEEN YEARS AGO

The Board of Commissioners voted to permit the construction of an \$800,000 Bowling Alley, denied permission for the construction of a 36-family garden apartment and found John Carpell innocent of the charges of selling liquor to a minor.

The school budget was defeated for the second time by a 2 to 1 margin by the voters of the community. Angered by an increase of 46 points in the tax rate for 1958, 1,639 citizens came out to reject the proposed budget. The budget was to be turned over to the Board of Commissioners for revision.

Nick Rapana was elected chairman of the Young Republican Club. Others elected were: Michael Crawford, vice-chairman; William Carter, treasurer, and Barbara Hart, secretary.

TWENTY-FIVE YEARS AGO

A contest sponsored by The Times to pick the best-dressed girls in Belleville High School was scheduled to begin. All Belleville High students were eligible to vote. The purpose of the event was to encourage school girls to trade their dungarees for skirts, to brush their hair, to keep their nails cleaned and polished and to wash out their bobby sox at night. It was not essential that the candidates be expensively dressed but rather that good grooming be the basis for the choice of the winner.

Assemblywoman Grace Freeman was asked to address the Belleville Woman's Republican Club. The topic of her talk was to be "Schools and You." Since the opening of the legislative session, Miss Freeman had introduced four bills concerning teacher's pensions. Esther Adams, president of the Republican Club, was to conduct the meeting.

The Bellboy basketball team won the County Basketball Tournament when they defeated Immaculate Conception in the finals of the contest, 28-23. Over 3,000 fans sat in on the spectacle to watch a thrilling battle that went down to the last minute. Tommy Cuomo led the Belleville scoring, hitting for ten points. Stu White had 7, Frank Cuozza 5, Tick Petrin, 4, and Joe Grosso deuce.

FORTY YEARS AGO

A movie benefit was to be held by the Belleville Chapter of the Order of the Eastern Star at the Capitol Theatre. Miss Laura Phelps was in charge of the affair, assisted by Elsie Carter, Madeline Vosburg, Elsie Ili, Frances Juras and Clara Phelps. A local woman's Republican Club was planned at a meeting of GOP adherents at the home of Mrs. John F. O'Brien. Temporary officers selected were Mrs. O'Brien, Mrs. William Dwyer, Mrs. Edward Mutch, Mrs. Harry Walker and Mrs. James Alexander.

FIFTY YEARS AGO

Governor George Silzer was the principal speaker at a testimonial dinner given in honor of School Commissioner George Fitzsimmons. Arrangements for the affair were made by a committee under the leadership of Frank Neary.

Ben Becker, William Anderson, and Ray Demgard spent the weekend in Atlantic City.

TAXing Problems

By David Spal

Certified Public Accountant

QUERY: Due to the heavy rain on February 2, 1973, my basement had two feet of water. Rugs, clothes and other times that were stored in the basement were completely destroyed. Can I deduct these losses on my income tax return and am I limited as to the amount I can deduct?

P.R., Nutley

ANSWER: Your losses, due to the February 2, 1973 rainstorm, would be reflected in your 1973 return which would be filed from January 1, 1974 through April 15, 1974. The present filing period for the majority of taxpayers is for the calendar year 1972.

However, if you had personal property that was stolen or damaged by storm, fire or accident you may be able to deduct your loss or part of it, if you itemize your deductions on Schedule A. While you are not limited as to the amount you can deduct, you can only deduct the amount over any insurance or other reimbursements plus \$100. The first \$100 loss for each casualty or theft loss is not deductible. Generally the loss is measured by the difference between the Fair Market Value prior to and subsequent to the date of the casualty. It is advisable to have an expert appraise the value of the damaged goods before the storm and its value after the storm.

You should complete and attach Form 4684, Casualties and Thefts, with your return.

the budget and could not make specific comments. They all, however, ventured the opinion that the budget increase was too high, and that substantial cuts should be made in the face of the overwhelming rejection of school budget by Belleville voters February 13.

Public Affairs Commissioner Vincent Strumolo said, "The school board should be looking to help out the taxpayers. I cut my own budget to the bone and we're still maintaining our services for the people."

(The Public Affairs budget for 1973 provides for a decrease of \$7,946 from the \$201,313 increase the Times had reported last week. The Times reported a figure that had not accounted for a 1972 emergency transfer of funds for hospital aid.)

The Board of Education has reportedly been considering inviting the Commissioners on a tour of the school system in order to show where repairs are needed. Asked about the idea, Strumolo said, "They shouldn't be trying to educate us about the problems. They should propose these repairs in a bond referendum and educate the people."

Commissioner of Parks and Public Property Michael Marotti said he was willing to tour the schools with the school trustees.

Commissioner of Parks and Public Property Michael Marotti said he would welcome a tour of the school system with the trustees, and added, "I'd like to see with my own eyes just what work has to be done." Marotti said he is well aware of the extensive disrepair in Belleville schools but remarked, "This year the voters came out strongly against the school budget. It's clear that 'has to be' has to be."

"I'll go through the schools any time they want," said Public Safety Commissioner Robert Laterza. "I think if there are repairs that are needed, they should be made. But they can't put it on a bond issue to extend over five or ten years if it's that big a problem?"

Golden Comments

(Continued from Page 1)

All indications point to a very devastating and gloomy tax increase looming for local taxpayers.

From Nutley's announced figures it becomes evident the County has dropped the ratio rate for Belleville and Nutley which will mean a projected 13 points which will have to be increased to satisfy the County's demands.

The school budget, unless cut, shows a 44-point hike over last year and should the Commissioners follow the town's past practices we can anticipate another 13 points added on to give Belleville an expected 70 point tax raise over last year's rate which was high enough. Then, only kept this low by using almost all our surplus.

This becomes confiscatory taxation that most Belleville homeowners can't carry. Let's look at what such a tax bite would represent in additional dollars that would have to be paid for 1973 taxes over last year.

On a home assessed at \$140,000, the tax increase would be:

\$20,000	\$140.00
\$25,000	\$175.00
\$30,000	\$210.00

How come Nutley's tax rate increase was only 33 points? That town is growing and shows progress while Belleville is taking a reverse trend.

If you can understand budgets you'll observe all the plentiful surplus in the water utility budget of past years has been "poured down the drain" and is gone.

From the looks of things I guess we can also expect a hike in the water rates pretty soon, notwithstanding that they are the highest in this area even now. In Nutley the minimum rate per 1,000 gallons is \$3.25. In Belleville the minimum rate is \$5.15 per 1,000 gallons. WHY DO WE ALWAYS PAY MORE HERE IN BELLEVILLE?

From the looks of things, it is pretty well established that in the past ten years our home taxes have been increased on an average of over \$100.00 each year under our return to Commission Government.

On the brighter side, comes a great day for the Irish on March 18th, when the St. Patrick's Day Parade will be held in Newark. The parade dedicated to Archbishop Thomas A. Boland of Newark, will feature the Peggy Smith Harp and Shamrock dancers who will dance at the reviewing stand.

The food at El Greco East is prepared by one of Greece's best head chefs, James Kretsozakis, who served both King Paul and King Constantine. The El Greco East features a tremendous show which includes international night club singer Louisa Dimitriou, a mezzo soprano from Athens, Greece. Also on the program is a husband and wife team, singers Nick Papadatos and Zanet Litsa. A five member combo known as The Five Greeks provide show and dancing music. A dance team is arriving direct from Paris this week to

N.J. Turnpike To Hike Tolls By Next Year

For the first time in its 21 years of operations, the New Jersey Turnpike Authority has voted an increase in its toll rate schedule by raising the minimum toll to 25 cents, effective April 15, 1973.

The new policy is limited only to the minimum 25-cent toll that will affect only those interchange-to-interchange trips now costing 10, 15 and 20 cents. There are 49 such trips out of a total of 1,600 trips possible.

The Authority disclosed, that based on current operating expenses (exclusive of bond interest and sinking fund charges), the average cost to operate the Turnpike is 27.57 cents per revenue vehicle.

A resolution adopted by the Authority cited the General Bond Resolution giving the Authority the power to "increase toll rates upon the recommendation of the traffic engineers.

Woman's Club Hears Program On Clinic

As an introduction to the clinic and its work, Mrs. Witkin showed a ten-minute sound and color movie describing the work of young college men in the clinic's Extended Care program. Made by Seton Hall students, the movie shows how five or six college men participated on a course credit, partly volunteer basis, in a program of relationship therapy with young patients.

In her talk Mrs. Witkin described the busy out-patient clinic for school age children and their parents, the therapeutic nursery for young children from two and one-

Planned Parenthood Launches Fund Drive

Many local residents will take part in the 1973 campaign to raise funds for Planned Parenthood-Essex County, a non-profit health agency.

"Private donations are vital to Planned Parenthood," says Mrs. Wallace H. Cox of Chestnut Street, the Nutley Chairman. "Federal funding is always uncertain and can only be used to begin new programs, not to maintain established ones."

Planned Parenthood, located in Newark for more than 40 years plans for the future.

"Keeping up with the times is our principal job," says Mrs. Mary Singletary, executive director, "and that means changing to meet community needs. We are growing in every direction - in the number of clinics, in the expansion of our health services to include cancer detection and V.D. testing; and in the training of professionals. We are in education on every level."

In 1972, Planned Parenthood served 12,500 patients. In addition to the two existing clinics in Newark, an extension was opened in the Ironbound section.

Donna has written to Maj. Curtis' family telling them about the bracelet she has worn for over a year.

half to five and the summer camp for many youngsters unable to function in regular camp.

Since prevention work consumes much of the time, the young social worker showed many consultation-education services the Clinic offers for groups in the communities who deal regularly with children. A question and answer period followed Mrs. Witkin's presentation.

In Montclair, after a year in operation, the center there is already overcrowded. Planned Parenthood has been asked by several of the target firms in Newark to offer its health services at on-site clinics. The first clinic is open and already fully utilized by insurance company employees.

"Our outreach workers give talks in factories, hospitals, well-baby clinics, housing projects and other social agencies," says Mrs. Singletary. "They account for more than fifty percent of our new patients."

A teen-age health program stresses facts about V.D., responsible parenthood and general health information. It is offered in Newark schools and to community youth groups. So many suburban agencies are asking for similar programs that, funds permitting, it will be expanded to the rest of the county.

Planned Parenthood uses volunteer help to write its annual appeal letters. Mrs. Paul W. Nease of North Spring Garden Avenue, is co-chairman of the Nutley campaign.

Carol Yudin is again in the spotlight, exhibiting her graphics in the Twin States Group Show at the Caravan House, Galleries 132, East 45th Street, New York City. The show runs now through March 10.

Ron Nazario of the Metropolitan Organ Club became engaged... Best wishes.

The volunteers at Clara Maass Memorial Hospital put out a very interesting newsletter — Mrs. Donna Priore has been promoted to the position of Assistant to the Director of Volunteers.

Mrs. Lenora Keeney was at the Boys Club Dinner held at Thomms Restaurant, honoring New Jersey athletes, including Joe Paterno and Rich Allicco, both of whom she knows real well. Mrs. Keeney is "busier than ever" since she retired from her school teaching job.

ON A WALK down Washington Avenue one cold day last week, saw Policeman Bernard Tindall missing from his usual corner at Belleville and Washington intersection. Patrolman Anthony Lavista was shivering filling in for Bernie... get well wishes to Bernie Tindall, and meantime, let's wish for spring weather for Pil Lavista.

When you call the Belleville Times you'll be greeted by the

cheery voice of Dolores Viniello, our new switchboard operator. She's a very pleasant gal and will do all she can to assist you... welcome aboard!

Had a surprise visitor from Rev. John Maif and his wife, Anne, this week. They both look great and send their regards to all. John was the former minister at Grace Baptist Church. The family now live in upstate New York. They were in town to attend a dinner dance being given for the graduates of Mountainside School of Nursing... daughter Valerie is one of the new Florence Nightingales.

I WAS TOLD to say, "happy back - the gals miss you" to Policeman Harry McHearty... sorry to hear he was in CMMH for awhile, best wishes for a speedy recovery.

Met some lovely lassies the other evening. You know, being a waitress can be fun... but it is a difficult job. Speeding around to fill the many customers' orders at the Lynhurst Diner, yet still having time to flash a smile, were Sue McGarrell, Ann Yorlita — both of town and Kathleen Daley of Kearny.

Swing along with the Sheridans. Most of you know the Sheridan family, long time town residents. Jim Sr. and Jim Jr., have put out the welcome mat at their new establishment — a tavern in Irvington... many plans are being

made for food, etc., so watch this column, dew drop in to quench your thirst at "Hearty's" 915 Stuyvesant Ave... good luck, fellas.

Happy birthday to Miss Susan McGarrell, daughter of Fred and Sue, who was six years old on Feb. 28... also, "Ray-Ray" Weller (his nickname), son of Ray and Sis, is six years old today - March 1. Remember "Sai LaMorte"? He and his wife, Chickie, now residents of Toms River, have added a baby girl to their family... welcome to Miss "Sally Ann".

WELL, SORRY to report the Bell-Girls lost in their second game of the state tournament, but we've got high hopes for next year... Miss Karen Fuccello did a grand job... and the kids say "thanks".

The Home and School Association of the Senior High School will put on a talent show, March 14. The week's vacation made it difficult to contact the kids and find entries... so, if your youngster is in the Senior High, do tell them about the show... watch next week's paper on full details.

Congratulations... Scout Troop 301 celebrated its 55th anniversary at the Annual Charter Dinner in February. The Club Pack 301 renewed their charter at the Blue and Gold Dinner held last week, and all scouts and cubs participated in the Worship Service held at Wesley United Methodist Church.

Don't forget testimonial dinner for Essex County Auxiliary president, Mrs. Violet Tortorello, to be held April 14. Cut off dates for tickets — which are by reservations only — is April 1. Contact Mrs. Sis Omacht, 282 Amperce Parkway, Bloomfield, 07003 for details. The Junior Woman's Club of Belleville will hold their Dinner Fashion Show at The Fountain, March 8, 6:30. Tickets are \$6.50, proceeds being used for a BHS scholarship.

The next day, March 9, Ann and Dave Daniels will appear in a benefit for the Church of Religious Science at the Governor Morris Inn. There will be a fashion show, cocktail hour and dinner. Contact Peter or Doris Torre

at 751-0866 for details... The Daniels' will entertain with selected songs from their repertoire.

ANOTHER DATE to remember is April 6 when the Second Annual Card Party will be given by Our Lady of Mt. Carmel Columbianettes, No. 6195 at Holy Family School auditorium in Nutley. Contact Mrs. Frances Gilbert for tickets, 751-5155.

March 4 — the Metropolitan Organ Club will hold a concert at First Baptist Church, 1 Washington St., Bloomfield, featuring Kenneth Medama, composer, singer and pianist. Time - 6 p.m. School Seven OPE (Organization of Parents and Educators) will hold a card party on March 15 - at The Fountain, marking the first time the event will not be held on school premises... so c'mon out and make it a big thing.

Don't forget this Saturday

evening, the Sabre Cadets will hold their color guard competition at the high school - 7 p.m... an evening of entertainment for the whole family.

Ron T. Mizewski celebrated his birthday this week - the wrong way... he had the flu! Ron and brother Stan work for their mom, at Olga's Bar and Restaurant, a very popular "in-spot"... another family birthday member was their pet dog, Nipper... and a happy bow-wow and woof-woof, Nips... Ron, get better, Arnold Palmer is waiting.

QUITE OFTEN I wish I had the time to write rebuttals to what I read or see on TV... this week was no exception. Did you read "How to Avoid Fixing Anything" in last week's Sunday New York News? Natch — it was written by a man, and tells husbands how to get out of the job wife has planned... hmph! If you are a Johnny Carson fan, did you

see the show where a female doctor had written a book "The Manipulated Male" — in which all manhood is exploited by we sweet, lovely, convincing women? According to this gal, "Women have too many privileges already"... I'll just have to read this book to get my licks in.

For The Kids Remember, the YM/YWCA offers programs... today, Thursday. Welcome to a new family in town — Mary Ann and Ronald Therien. The couple moved from Lake Hiawatha to Belleville with their three children — Mary Ann (Mimi) a 9th grade student at the Jr. High, Ronald, a 6th grader at Number Five School and Michelle, one and a half years old.

They thought they were just going out to dinner with their son, but when Mr. and Mrs. Michael G. Frunzi of 900 Franklin Ave. arrived at Biase's Restaurant, they found more than 15 people gathered to help them celebrate their 43rd wedding anniversary.

Seven Matmen Place In Districts

Although Essex Catholic handily retained control of the District "Seven" crown after last weekend's tournament, Belboy coach Jim Silvestri later said he expressed no great regrets with the competition, and pointed with pride to seven of his wrestlers who will go on to the Regional tournament Friday night at Paterson-Kennedy, where they'll try for greater glory.

Two Belboy grapplers — the biggest and the lightest — walked away with first place wins at the District competition. Rocco Cuozzo (98) and John Smith* (heavyweight) both won decisions in the finals to win their weight class titles.

Blue and Gold runners-up who also earned a trip to the Regionals are Ralph Fabiano

(148), Brian Banda (130), Bob Willette (123), Tony Villano (115) and Chico Lijo (106), a District champ last year.

Essex Catholic, virtual owners of the District title for the past seven out of eight years, easily outdistanced second-place Belleville Saturday by 91 points to the Belboys' 61. Becton High followed far behind with 31, Kearny carried 31 and a half,

Lyndhurst, 27, Bloomfield, 25 and Glen Ridge, 2.

Belleville's Ken Villano (148) was one of Essex's six winners, having earned a hard-fought 8-2 decision from Ralph Fabiano in the finals.

All district champs are seeded one to four in the Regional preliminaries, scheduled for 7 p.m. Friday night at Paterson-Kennedy. Semi-finals will begin Saturday at 1 p.m., consolations at 6:30, with the finals to follow Saturday evening.

Rocco Cuozzo (98), seeded fourth, will meet Ken Kromyack of Hasbrouck Heights, a wrestler with a 10-8-1 record. Lijo will go against John Ponzi of Leonia, undefeated in 13 matches. As luck would have it, Ponzi is the same grappler, who denied Lijo, a district champ last year, a regional crown last year when Ponzi won the final match.

Tony Villano is slated to meet Lou Lazzari of Cliffside Park. Lazzari, another undefeated wrestler, has won 15 and tied two. Bob Willette (123) will go against Gary Kano (10-8-1) of Hasbrouck Heights.

Brian Banda (130) is scheduled to meet Lodi's Steve Pinto (14-3), and Ralph Fabiano is up against Nutley High's Steve Stoute, who has posted a mark of 16 wins and one loss.

Heavyweight John Smith will meet Bill Sotos of Fort Lee. Sotos stands at 17-3, while Smith is undefeated for the year.

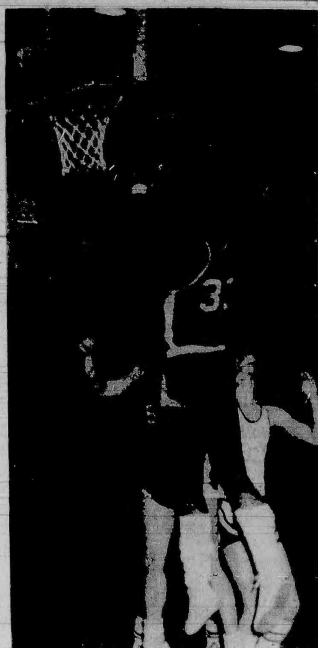

Coach Silvestri admitted

after the district competition there was little hope among the wrestlers of taking the tournament from the Essex powerhouse, who won heavily over Belleville in a dual match earlier this season. "I was quite pleased with my wrestlers' performances, though," said Silvestri. "We have seven going to the Regionals. We wanted to get as many in there as possible, and I think many of the boys who are going have a good chance of taking it."

Though no Belboys met any Essex wrestlers in the preliminary rounds, there were four such face-offs in the finals, all of them won by Essex grapplers.

"I don't think the boys were as keyed-up for the Districts as they could have been," said Silvestri. "I think a lot of them were content just to place for the Regionals. There's a lot more spirit among them this week as we're preparing for the Regionals."

Essex coach Gene D'Allesandro said his team was fortunate to cash in on the breaks when Essex and Belleville met head-on.

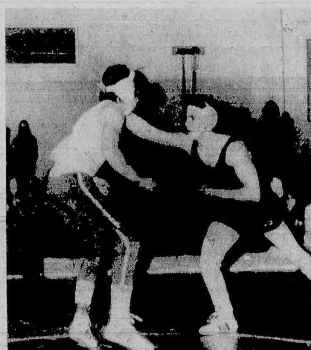

UNDER THE BOARDS, Bob Sanders is beaten out for a rebound by a Vailsburg opponent — but that wasn't the pattern of the game, as the Belboys passed the first rung of the state tournament ladder.

ON TO REGIONALS — At tourney's end, this lineup showed who would be moving on to heavier competition. Among the Belboys pictured here (l-r, in light outfits) are Rocco Cuozzo, Ramon Lijo, Anthony Villano, Bob Willette, Brian Banda, Ralph Fabiano and John Smith. (Photo by John Mc Manus)

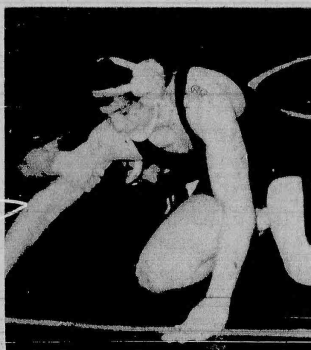

PREPARING his opponent for a tumble, Joe Vasquez twists to get the proper leverage.

CO-CAPTAIN Brian Banda and Vince Bellarin of Essex Catholic go through assorted moves and fakes before getting down to the heart of the matter. (Photo by John Mc Manus)

HEAVYWEIGHT John Smith is on top of the situation in this semi-final match against an Essex Catholic foe. Smith stayed on top throughout the tournament and emerged a district champ.

MIKE RESCINTI (136) followed a rocky road during the district tourney, and was unable to place for the regionals. Mike is shown here during his semi-final match.

THE CLINCH — Ralph Fabiano takes a head-on charge from an opponent during the Saturday semi-finals in the Belleville gym. Fabiano, however, lost in the finals, though he'll get a shot at the regional crown.

West Essex Next

Vailsburg Bows, 51-37, Local Five Advances

by Tony Calabrese

The Belleville Varsity basketball team proved mighty successful in the first opportunity at state basketball tournament competition this past Monday evening, when they defeated Vailsburg of the Newark City League by a score of 51-37 at the Belleville High School gymnasium.

By winning, Belleville stayed alive in state tournament competition, and moved on to the second round of the tourney last night by playing the West Essex Knights up in West Essex, a game which was played too late for the Times to report on this week, but which will be discussed in full in next week's issue.

West Essex is a far superior

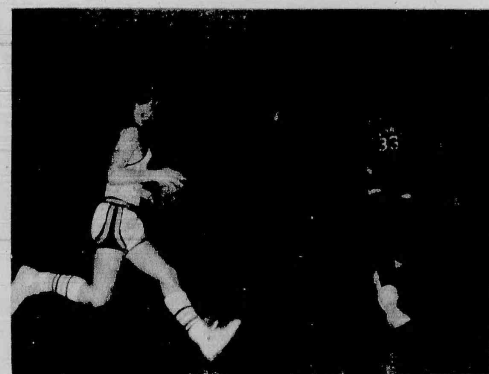

team to what Vailsburg was, winning 19 out of 25 games as of this writing, and there was no doubt in anyone's mind that Belleville would be severe underdogs in this game.

However, Monday evening the Belboys proved mighty successful, breaking the team's 11 game losing streak (the last win was the surprise upset over mighty East Orange in early January) upping the season record to 3-16. Vailsburg ended their season at 1-16.

However, the visitors from

Newark came into this game with far more state tournament experience than Belleville as they were the Group Two state champions just last season. This year, like Belleville they were moved up to Group Three and looked far from a championship team Monday night. The Belboys also did not play well Monday except for one man, and he was the one who made all the difference in the ball game. That was Belleville's sophomore center star Abdel Anderson, who

scored a career high of 23 points, pulled down 16 rebounds, blocked about a half a dozen shots, and hit 10 of his 12 shots taken from the floor. He was an intimidating factor to Vailsburg on both offense and defense all night. In fact the only other player that scored anywhere near Abdel or had as much effect as he, was Vailsburg substitute forward-center Bob Street who tossed in 16 tallies, high for his team. Belleville never trailed in

STREAKING for the basket during Monday night's confrontation with Vailsburg is Harry Baumgartner, who is about to meet an obstacle in the form of a Vailsburg defender.

All-Stars To Meet Sunday

Essex County CYO Sports Director John O'Connor has announced dates for the annual Grammar Boys' All-Star Basketball Game and Foul Shooting Contest, and for Girls' All-Star Basketball Game and divisional grammar boys' playoffs.

The All-Star games and foul shooting competition will be held on Sunday afternoon at Our Lady of the Valley High School gymnasium in Orange. The grammar boys' foul shooting contest will begin at 1:30 p.m. It will be followed at 2:15 p.m. by the Grammar Boys' All-Star game, and at 3:15 p.m. by the Grammar Girls' All-Star contest.

Coaches from teams throughout the county have been asked to select one player for the All-Star game, and two performers for the foul shooting contest.

Admission charges will be \$2 per family, \$1 per adult and 50 cents per youth.

The Junior Boys' basketball playoff is tentatively scheduled to be played this evening at Essex Catholic High School in Newark. It will match a pair of Newark squads, Queen of Angels and Blessed Sacrament, both of which compiled 6-1 season records.

In Grammar Boys' play, Division A winner Stella Wright will play Division B champ (either St. Paul's, Irvington or Our Lady of Sorrows, South Orange) at 1 P.M. on Sunday, March 11 at Essex Catholic. At 2 P.M., Division C winner St. Aloysius, Caldwell will test Division D champ Blessed Sacrament, Newark. Holy Spirit, Orange, Division E titlist, drew an opening round bye.

Cagers Move Ahead In State Tournament

(Continued from Page 1)
this game, jumping off to an early 7-0 lead. Vin Turturiello opened the scoring with a jumper. Anderson hit a foul shot and soon followed with a layup. A little while later Turturiello made a layup to cap the streak, before Street put in an uncontested lay-up with 2:50 left in the quarter. At the end of the quarter Belleville led 13-7. Anderson's five tallies, Turturiello's four, and

buckets by co-captain Mark Corino and junior Bob DiQuattro made up the Belleville scoring, while five by Street and two by Bob White accounted for the Vailsburg scoring.

In the second quarter Belleville opened it up to a 19-11 before a five point run by Vailsburg left them only trailing by three. Baskets by Hughes and Vincent Thomas sandwiched around a Street foul shot made up the burst. At half-time Belleville led 21-18. In the second quarter Street led Vailsburg with five tallies, while Abdel and most of the Belleville scoring, putting in six of the eight Belleville points in the period.

Early in the third quarter three Anderson baskets were traded between a Street bucket and two foul shots

which made the score 27-22. Then Belleville ran off eight points that made the score 35-22, opening things up for good. A lay-up by Bob Sanders started it, followed by a Turturiello jumper, then a Mark Canyon lay-up, and things were capped on a jumper by Abdel. Vailsburg did close the margin to 37-27 after three periods when Bob White put in a three point play in the waning seconds of the quarter.

Belleville maintained the big margin throughout the fourth quarter. Harry Baumgartner hit two jumpers for Belleville early in the period which made the score 41-27 and the Bellos took things from there. They out-scored Vailsburg 14-10 in the fourth quarter. Baumgartner led Belleville with six points in the quarter, while Vince Thomas and Al Hughes had four apiece for the losers.

Montclair's Sciacchetano Double-Times To A Title

There was little doubt that when Larry Sciacchetano took over the direction of Montclair State College's wrestling program the Indians would become a College Division powerhouse.

However, the best estimates were that it would take at least two years or even longer to get the job. Sciacchetano is not a man to wait long for anything in wrestling and he has proved this again in his first year at the helm of the Indians.

Against the toughest competition, the Indians have posted a fine 11-5-2 mark and took the last nine dual matches in a row.

Of the five dual match losses suffered by the Indians, three were to such outstanding teams as Wilkes (Pa.), Indiana State and the defending National Collegiate Athletic Association College Division champions, California State Poly.

The amazing part of Sciacchetano's great success is that he accomplished the feat with nearly the same material that last year posted a 5-10 mark in dual match

competition. The top winner for Sciacchetano in dual competition has been Craig Spencer of Wayne. A transfer student from New York Maritime Academy where he wrestled for Sciacchetano, Spencer has posted a 20-5-1 mark and is just three wins short of tying his coaches' all-time record of 23 victories in a single season set back in 1964-65.

Wrestling at 118 and 126 pounds, Spencer has already established a new MSC all-time mark of most wins by decision in a single season. His present mark of 17 is one better than the old mark of 16 set by Tom Stark in 1966-67.

Larry Hayspell, a senior from Paterson has the second best overall mark with 13-1-2. The record is the best of Hayspell's four years of competition at MSC and brings his career mark to 35-13-2.

Typical of the wrestlers who have found a new life under Sciacchetano is heavyweight Bob Giaquinto of Hawthorne. Giaquinto wrestled only once in varsity

competition last year and lost. Mickey Jurcin, a senior from Clifton, has posted a 12-7-1 record and is second on the squad in decision wins with 11. Other important contributions to the Indians success this season have been made by Ed Alber (118-126) 9-2-2, Ken Welter (126-134) 8-3-0, Oscar Zavala (150-171) 10-5-0 and Mike Di Piano (190) 10-6-1.

Wiry Jon Vlachos Plans Long Career

Morristown's Jon Vlachos plans to play hockey until the younger players start pushing him out. That won't be for some time.

"I couldn't give it up now," says the offensive star of the South Mountain Rockets. "I'm having too much fun playing with the Rockets to even think about retiring. I'll give that some thought when some of the younger, quicker players start pushing me off the ice."

It'll take some doing since Vlachos has established himself as one of the area's top forwards.

"Jon is a pure scorer," says Warchol. "He knows intuitively what to do with the puck. He'll get you the goals."

That's the reputation Vlachos has developed since his schoolboy days. Vlachos first stepped on the competitive ice as a member of the Essex Hunt Club at seven years old. Seven years later he was a veteran playing in his first organized league with the Essex Cubs. But, "it wasn't as organized as now," he recalls.

Vlachos moved into bigger times when he became a member of the Morristown Prep high school team entered in the North Jersey Scholastic Hockey League. He left quite a mark there during his three varsity seasons.

The wiry youngster saw limited action as a soph but the next year he was instrumental in helping Morristown capture the state title and the following season Vlachos led the team in scoring as they retained their state crown.

Individual accolades came his way after the season including being named the NJSHL's most valuable player.

When Vlachos singled out Norwich, a military school in Vermont, as his next port of call, the big question throughout his home town as well as the NJSHL was whether he would come back after College to play with the Rockets. The question was left unanswered at the time as

This is the last FOUR days of the MAGNAVOX factory-authorized ANNUAL sale. The response by the public has been unprecedented, because the public knows this sale presents a bonafide savings opportunity to buy MAGNAVOX products at a reduced price. MAGNAVOX prices are fair-traded and sincerely bargained during the balance of the year.

Although some models have been sold out, we still have a fair selection available. On some sets we revised our prices, because we want to clear them out. This is the real purpose of a genuine sale, to correct one's buying mistakes. It is impossible to buy exactly the correct number of sets and models during the span of a whole year. Everything can be sold when the price is right.

This once-a-year MAGNAVOX sale is entirely different than the so-called "sales" that some stores conduct every week during the entire year. MAGNAVOX prices are fair-traded during the balance of the year. However, during this once-a-year sale, it is "open season". If you are in the market for a TV or Stereo, you might as well take advantage of this opportunity to buy top quality merchandise at a real savings. This Sale ends on MONDAY, MARCH 5th.

Is Belleville Prepared For All Emergencies?

(Continued from Page 1)
pulling yourself up to a triangular bar, the difference between being a lifeguard in a poolside chair, or sitting in a wheel chair. What makes the difference? The individual! The determination, preparation, training and numerous rehearsals "before the emergency" will have a town able to meet any disaster, or it will have a devastated town.

There was quite a question and answer period, following Warren's presentation. John Monahan, Civil Defense coordinator, along with Auxiliary Police Members Mike Landolfi, Bill Hoy, Sal Baretta and George Kupp fielded questions presented by the audience. One question posed from the floor was the involvement of women in the Civil Defense, and according to Warren, "there are no

restrictions," and Monahan said no woman has come forward in the past year to get actively involved.

If your group wishes to view the film, "Before The Emergency" it is suggested you contact local CD director, James LaMotta at 759-8648.

Belleville has many resources, Auxiliary Fire and Policemen, as well as a communications group. In a series of articles, this reporter hopes to answer the question, "Is Belleville Prepared?" If not, why not? What are our strong points, our weaknesses... what do we need, to be prepared, "Before The Emergency?"

she, cast a vote against it.

In making her decision, she directed a barb at the objectors. "I intended this ordinance to protect the health and safety of the children of this town," she said. "I know I can say I tried to bring safety to the children. I think some of the people in this audience are more concerned with their rear yards."

The original measure prepared by Commissioner Senatore would have limited pools to no more than 50 percent of a rear yard. She agreed to amend the bill after objectors cited the restriction as too binding on residents with small yards.

Another feature of the bill provided for four-foot fencing to be erected around all pools. That feature, said Mrs. Senatore, was the main thrust of the measure.

Open Center To Combat Drug Abuse

practice among telephone centers. It proves the caller is sincere, and that's the most important element in rehabilitation — the user has to want to stop."

Among the referral agencies from which the center can draw aid are Oldessey House, Liberty Village, the Mount Carmel Guild, Clara Maass Hospital and Integrity House directed by De Jura.

Petrillo says the center would like to establish their own offices, possibly in a local church, and run the center with high school volunteers.

"As we train our personnel," he says, "we'll be able to handle a greater variety of situations — possibly interview children and parents of children with drug problems." He emphasizes that all interviews and phone calls will be held "in the strictest of confidence."

The center is currently operating on a budget of \$1500 from Commissioner Stramello's department. Most of the funds are going towards procuring books for the library.

Assemblyman Wants Locals Hired as Cops

Assemblyman Carl A. Orchio (R-Essex) today said he will continue to push for the enactment of bill A-810 to permit municipalities to give preference to hometown residents for original appointments to police and fire departments.

Orchio, sponsor of the measure which lacked a majority on a preliminary vote two weeks ago, said he has written to those assemblymen who either opposed the bill of abstained "to clarify the provisions of A-810 and eliminate any misunderstanding that it would negate S-452 passed into law last year."

"My bill is permissive legislation giving each municipality the right to adopt an ordinance requiring residency, perhaps for two years, as a condition of employment only in order to qualify for an examination in those communities operating under Civil Service."

"The intent of S-452 was to permit police and firemen the option of living outside their municipality of employment and to face up the reality that a number of them, for whatever reason, were already living in other communities."

"I have no quarrel with this concept at all. But I do believe."

Minish Bill Asks Congress Direct P.O.

Congressman Joseph G. Minish, 11th District, has introduced legislation to bring the U.S. Postal Service back under congressional control.

Minish said he has been "extremely dismayed by the deteriorating quality of our nation's mail service."

The New Jersey lawmaker also has urged the House Post Office Committee to conduct an in-depth investigation of the Postal Service. Minish said the Committee chairman, Rep. Thaddeus Dulski of New York, has assured him that such an investigation will take place this year.

Minish's legislation provides for annual authorization by the Congress of funds to operate the Post Service. "In this manner," Minish maintained, "the Congress will be better able to monitor and improve postal operations."

Under present law, the Postal Service will automatically receive a set percentage of funds from the Congress through 1984, with no review by the congressional authorization committees.

"The Postal Service," Minish argued, "has failed to provide the improved service we had all expected to result when it became an independent corporation. Indeed,"

Minish said, "postal service has declined, rather than improved, since the Postal Service Corporation was established in 1971."

Environmental Council Offers Local Funding

Need financial help for your environmental education program?

The New Jersey State Council for Environmental Education is encouraging school districts and community groups to apply for funds through the Environmental Education Small Grants Program. Amounts up to \$750 are available on a matching basis for environmental education program development.

"The Council hopes these grants will assist the many communities which have indicated an interest in establishing local environmental education programs," noted Dr. Edward J. Ambry, the Council's Director. "The funds can be used to train teachers, develop curriculum or to encourage the development of environmental education advisory boards and community based environmental education master plans."

Essex CYO Schedules Annual Spelling Bee

The Essex County CYO has revised its 24th annual invitation to seventh and eighth grade students throughout the county to compete in the upcoming Spelling Bee. The competition will be held Sunday afternoon, Mar. 4 at 2 p.m. in the Caldwell College Student Center, Caldwell.

Elementary schools are asked to hold their own spelling bees, and to enter their two top spellers in the Bee. Each CYO unit in the county is permitted to enter two students — preferably one boy and one girl.

Practice spellers may be obtained at the Essex County CYO Office, 425 Bloomfield Ave., Montclair. They are on sale at 50 cents apiece.

Public TV Is A Step Closer To This Area

New Jersey Public Television has come a step closer to arrival in North Jersey by the late Spring of 1973. They will join Channel 52 in Central Jersey and Channel 23 in South Jersey to complete the New Jersey Public Broadcasting Authority network.

The two North Jersey public television stations are expected to begin telecasting by the late Spring of 1973.

Ozzie And Harriet Nelson Booked At Meadowbrook

Ozzie and Harriet Nelson join the procession of stars who make an engagement at the Meadowbrook Theatre Restaurant in Cedar Grove as a highlight of their year's work.

Within the past two years, such greats as Howard Keel, June Lockhart, Bill Bixby, Jane Russell, Van Johnson, Ann Southern, Edward Mulhare and Joan Bennett have appeared on its stage-in-the-round. Eve Arden is the last to "thread the boards" before the arrival of the Nelsons, whose showings will be "The Marriage-Go-Round," the musical adaptation of "The Four Poster."

A pioneer and with a long history in the dinner theatre business, the Meadowbrook has been a part of the "wide world of Broadway." Opening its doors in 1959 as the first dinner theatre in the United States, it is still the largest, with a seating capacity for 820 persons; and is the most respected and emulated.

But the history of the Meadowbrook begins much earlier. During the big band era, Frank Dailey made Meadowbrook a household word. The walls of its Victorian decor fairly burst with memories of the greats who have lived the existence of both young and not so young. Such greats as Glenn Miller and the Dorsey Brothers (a private room is named for the brothers who used to while away time playing cards there); Charlie Spivak, Harry James, Artie Shaw and Benny Goodman, Frank Sinatra, Doris Day, Bob and Ray Eberle and Helen O'Connell. There are memories, too, of skirts and sweaters and saddle shoes, zoot suits, Saturday afternoon band concerts,

swing, jitterbug and the Lindy.

For the artists, the Meadowbrook was a jumping off point to a major career and afforded them a wide audience through radio and, later, television broadcasts.

'Mary, Mary' To Run With An All-Star Cast

A revival of "Mary, Mary" starring Betsy Palmer and Robert Moore, Howard St. John, Richard Clarke and Jill O'Hara has opened at the Paper Mill for a four-week run until March 18.

The play is Jean Kerr's longest-running comedy hit. Ms. Kerr, both playwright and author of "Please Don't Eat the Daisies" and other humorous books, has just opened a new play, "Finishing Touches," on Broadway.

"Mary, Mary" is the story of "Bob," a very square book publisher, played by Robert Moore, whose divorced wife "Mary" (Betsy Palmer) meets him after an interim of nine months to go over some income tax returns at the invitation of their lawyer (Howard St. John) on the eve of Bob's marriage to a girl (Jill O'Hara).

Enter an ex-Navy buddy, turned movie star and would-be author (Richard Clarke) who thinks that wise-cracking Mary is very attractive but doesn't know it and is embarrassed at accepting a compliment. Bob doesn't like the movie idol's interest in his former wife, and has second thoughts about a second marriage but is begged by Mary's flip, humorous comments. "I must keep my big mouth shut, I must keep my

Ozzie And Harriet Nelson Booked At Meadowbrook

Ozzie and Harriet Nelson join the procession of stars who make an engagement at the Meadowbrook Theatre Restaurant in Cedar Grove a highlight of their year's work.

Within the past two years, such greats as Howard Keel, June Lockhart, Bill Bixby, Jane Russell, Van Johnson, Ann Sothern, Edward Mulhare and Joan Bennett have appeared on its stage-in-the-round. Eve Arden is the last to "tread the boards" before the arrival of the Nelsons, whose showcase will be "The Marriage-Go-Round," the musical adaptation of "The Four Poster."

A pioneer and with a long history in the dinner theatre business, the Meadowbrook is and has been a part of the "wide world of Broadway." Opening its doors in 1959 as the first dinner theatre in the United States, it still is the largest, with a seating capacity for 820 persons, and is the most respected and emulated.

But the history of the Meadowbrook begins much earlier. During the big band era, Frank Dailey made Meadowbrook a household word. The walls of its Victorian decor fairly burst with memories of the greats who have lived the existence of both young and not so young. Such greats as Glenn Miller and the Dorsey Brothers (a private room is named for the brothers who used to while away time playing cards there); Charlie Spivak, Harry James, Artie Shaw and Benny Goodman, Frank Sinatra, Doris Day, Bob and Ray Eberle and Helen O'Connell. There are memories, too, of skirts and sweaters and saddle shoes, zoot suits, Saturday afternoon band concerts,

swing, jitterbug and the Lindy.

For the artists, the Meadowbrook was a jumping off point to a major career and afforded them a wide audience through radio and, later, television broadcasts.

'Mary, Mary' To Run With An All-Star Cast

A revival of "Mary, Mary" starring Betsy Palmer and Robert Moore, Howard St. John, Richard Cuske and Jill O'Hara has opened at the Paper-Mill for a four-week run until March 18.

The play is Jean Kerr's longest-running comedy hit. Ms. Kerr, both playwright and author of "Please Don't Eat the Daisies" and other humorous books, has just opened a new play, "Finishing Touches," on Broadway.

"Mary, Mary" is the story of "Bob," a very square book publisher, played by Robert Moore, whose divorced wife (Betsy Palmer) meets him after an interim of nine months to go over some income tax returns at the invitation of her lawyer (Howard St. John) on the eve of Bob's marriage to a girl thirteen years younger than he (Jill O'Hara).

Enter an ex-Navy buddy, turned movie star and would-be author (Richard Clarke) who thinks that wise-cracking Mary is very attractive but doesn't know it and is embarrassed at accepting a compliment. Bob doesn't like the movie idol's interest in his former wife and has second thoughts about a second marriage but is bugged by Mary's flip, humorous comments. "I must keep my big mouth shut, I must keep my

The first nationwide radio broadcast of dance music originated at the Meadowbrook and also the first nationwide telecast.

Ozzie and Harriet Nelson will be at the Meadowbrook through April 15.

Actors Cafe Theatre Plans College Tour

THE ACTORS CAFE THEATRE, 263 Central Avenue at South Munn Avenue, East Orange, after over four years of continuous presentation of serious drama, is now expanding its operation to include the touring of schools and colleges and clubs in New Jersey with plans for expansion into the Northeastern part of the United States in the future.

The company will be made up of paid, non-equity actors headed by David G. Kennedy, producer, director and actor of the Theatre. The company will offer a choice of several one-act plays and half a dozen full length plays, all of which have been done at the theatre in the past. Plays will include The Zoo Store, The American Dream, The Lesson, Krapp's Last Tape.

SAL Installs Top Officers

by Pat Diana

Last week, the Sons of the American Legion, Post 105, held installation of officers at the Post Home, Washington Avenue.

The group has recently been organized under the direction of Jack Gorman, past Essex County Commander, American Legion. New officers are: Francis Wellen, commander, age 47; Eugene Marx, vice commander, 42; Raymond Nendze, adjutant, 42; Ernest Welter, chaplain, 48; Raymond Wellen, sergeant-at-arms, 6; and Vincent Kuffrin, Jr., finance officer, 43.

By action of the Fourteenth National Convention of the American Legion, September 12-15, 1932, in Portland, Oregon, the establishment of the Sons of the American Legion was authorized, with their own constitution and by-laws.

A very definite place in the work and programs of the American Legion is provided for the male descendants of Legionnaires. There are Ten Ideals for members — patriotism, health, knowledge, training, honor, faith, helpfulness, courtesy, reverence and comradeship. There is also a five point program of service —

patrolism, citizenship, discipline, leadership and Legionism.

According to Jack Gorman, eligibility for membership is from one year old to one-hundred years or more, with the qualification of a boy's father being a Legion member. SAL 105 is seeking members, and welcomes any youngster from surrounding areas, whose father belongs to any Legion Post, if there is no SAL post in his vicinity. The next meeting will be March 9, 7:30 at American Legion Post 105.

Also participating in the formal ceremonies last week were George Mitchell and Jack Throckmorton, members of American Legion Post 105. Guest speaker was Tom Wilson, SAL Alternate National Executive Committeeman. In the audience was his mother, Mrs. Ernie Wilson, Sr., member of Unit 152 American Legion.

Many proud parents, friends and Legionnaires were on hand to see the new officers of SAL 105 installed. Tom Wilson formally charged each new officer with the importance and duties of his post. At the head table were Frank Kiernan, commander,

American Legion Post 105, and Mrs. Joan Liab, Unit 299 Auxiliary president, with George Mitchell, himself an

SAL member and past adjutant American Legion Post 105.

Each dignitary made a

short speech and SAL commander Francis Wellen, then introduced his new officers to the audience.

Chec-King

If you're still paying service charges for a checking account, and worrying about your balance whenever you write a check, maybe your money's in the wrong bank.

Here at National Newark & Essex, we handle both these things for you with an account called Chec-King.

You get automatic stand-by credit of \$500 to \$5,500.

Now you don't have to worry about buying the things you want or taking a vacation just because you don't have the money in your account. You just write a check to the limit of your stand-by credit: we'll pay it.

And there's a free checking account to go with it.

When you qualify for this stand-by credit, whether you use it or not, your checking account is absolutely free of monthly maintenance or per-check charges.

And, because there's no minimum balance requirement for you to worry about, it frees your money for other ventures. Or adventures.

Check-King with free checking account privileges is available now. Come into any National Newark & Essex office and talk to us about it.

Your money will love it here.
