

Board of Ed Votes to Appeal Budget Cut

Schwartz: \$450,880 Slash Means Losing Services

by Ken Moore

The Board of Education Monday night voted to appeal to the State Commissioner of Education to restore \$450,880 slashed from the 1973-74 school budget by the Board of Commissioners after the proposed \$7.4 million package was soundly defeated at the polls February 13.

In making the announcement, Board of Education president Lawrence Schwartz invited citizens to attend a

special public meeting Monday, 8 p.m. at School Eight, when the Board will officially pass its resolution to appeal and explain their actions to interested residents.

The move, if wholly successful would result in an additional tax hike next year representing any funds restored by a successful appeal. Until then, the Board of Education is bound by law to live within the cuts made by the Commissioners, which

brought this year's tax rate in at around \$5.99 per \$100 of assessed valuation.

Schwartz Tuesday declined to comment on the breakdown of the vote cast Monday night, saying members of the Board would voice their personal views Monday night. Six members of the seven-member Board were present Monday night, with Norma McCool being absent. Schwartz neither confirmed or denied the vote was

not unanimous.

The appeal comes only four years after a successful appeal made to State Commissioner of Education Marburger in 1969 by the Board of Education, when the school district protested a decision by the Commissioners to use a large portion of the school budget surplus to reduce the tax rate.

Marburger is scheduled to leave the office at the end of March, and the appeal will most likely be considered by Edward Kilpatrick in the capacity of Acting Commissioner.

Mayor Joseph McGreevy first released the figure to be cut at a March 20 public hearing on the municipal budget. Until that time, neither the Board of Education or the press were made aware of the amount to be cut. The \$450,880 represents about 19 tax points, making the overall tax rate hike for Belleville residents about 35 points, with the town raised about one point, the county, seven points, and the reserve for uncollected taxes, four points.

The two boards met only once together to discuss the

cuts, with the schoolers offering only a cut of \$50,000 for a broken gym door repaired by a volunteer group.

Schwartz said the school board went over every line item Monday night to see if the \$450,880 cut could be

made successfully. "We found that in order to attempt to conform with the budget cuts, we would have to severely cut our services." Among the services which would be affected, said Schwartz, are drivers' education, transportation

(with pupil-busing cut to the state limit of 1.7 miles), athletics ("probably a major sport," said Schwartz), adult school and summer school. Schwartz went on to say the Board would have to refuse the use of the schools to the

Town Recreation Department and parent-teacher and other civic groups after regular school hours.

This would all be necessary, stated Schwartz, because, (Continued on Page 3)

Commissioners Reset Industrial Zoning Law

The Board of Commissioners revised the zoning law Tuesday night to include a new definition of industrial zoning, under an ordinance sponsored by Commissioner of Public Works Mary V. Senatore.

The Commissioners also referred to the planning board a petition from a group of residents from the northeast section of Belleville to change the area of White Oak Terrace, Birchwood Drive, Crest Drive and a section of Bell Street from a B-section

to an A-section, thus preventing the erection of two-family houses there.

The Senatore-sponsored ordinance, passed unanimously by the four commissioners present (Laterza being absent), prohibited the use of land in an industrial zone for "any trade, industry or use which is noxious or offensive by reason of the emission of odor, dust, smoke, gas, noise, vibration, or excessive light, so as to be dangerous to the public health, safety or general welfare."

The measure went on to further prohibit in an industrial zone uses such as an auto body repair shop, a boarding house or hotel, carousels or roller coasters, funeral parlors and crematories, dance halls and pool halls, miniature golf courses, junkyards, rubber manufacture, trailer camps, used car lots, paper pulp manufacture, snack bars and slaughterhouses.

To erect a building for any of the prohibited purposes would require the granting of a variance.

An overflow crowd from the White Oak Terrace area attended the meeting to watch the Commissioners' actions concerning the request for the zoning change. Prior to the meeting, a petition supporting the change was submitted to the Commissioners and was

signed by 170 residents.

The action apparently originated from an attempt by a White Oak resident to convert his one-family home to a two-family building.

Parking Ban Back in Effect This Sunday

Chief of Police Joseph Smith announced this week the town's "street cleaning ordinance" will go back into effect Sunday, providing for alternate side parking on certain streets.

The ordinance is regularly suspended over the winter months to provide for snow removal. On Sunday, police will again begin to enforce the ban on parking in prohibited areas.

Smith said "the Police Department requests residents to heed the signs so that the Department of Public Works will not have to remove parked vehicles."

G. Washington Escaped Here From British

This is another in a series of articles by Belleville Town Historian Allan Crisp relating little-known facts about Belleville's past and the history of the surrounding area.

Today, Mr. Crisp relates a narrow escape by General George Washington from advancing Redcoats.

General Washington came very close to being captured when he and his ragged troops crossed the Passaic River at Acquakunk (now Passaic) above Belleville in their retreat across New Jersey in November, 1776.

When the last of the patriots had safely crossed, a crew of local militiamen under the leadership of Captain Post attacked the heavy timber bridge with axes and felled it just as the advance unit of the enemy arrived, insuring a brief respite which was so sorely needed by the weary Americans.

From Passaic, Washington led his forces directly through Belleville to Newark.

The city itself was divided almost in half, with half of the residents loyal to the English crown. A camp ground was established at what is now Elwood Park (Summer and Elwood Avenues) and those who were interested will find an appropriate marker on a large boulevard at this site.

The bedraggled soldiers were glad to rest, recuperate and restore their sagging spirits for the next few days.

But where did General Washington stay? Therein lies a mystery. History records that he remained in Newark during those five days, for it was here that he mapped the strategy that permitted him to eventually capture the Hessians in Trenton on Christmas Eve.

I have read in at least one old history that he spent at least one night in the Vanclorlandt-Van Rensselaer House, a popular colonial inn located at the corner of Mill and Main Streets, the present site of Wallace & Tiernan, and not far from the Elwood campground.

In any event, Washington led his troops out of Newark on November 28, as the red coats, resuming their pursuit, entered.

Ex-POW Welcomed Here In Ceremony at Town Hall

Former prisoner of war Staff Sergeant Martin Frank came home to Belleville yesterday and was welcomed in a series of ceremonies attended by citizens and town officials.

Frank was greeted on the steps of Town Hall at 11 a.m. and received the key to the Town of Belleville from Mayor Joseph McGreevy. At noon, a luncheon was held in

the sergeant's honor at the Fountain restaurant, where he was presented with another plaque commemorating his service to the country.

A reception at the Belleville High School auditorium followed at 2 p.m.

Frank, 31, was held captive by the Viet Cong for five and a half years and was freed early this month. He was reunited with his parents,

wife, children and other relatives March 8 at Fort Monmouth.

The committee that arranged Frank's welcome home was composed of Harry French, director of the Chamber of Commerce, William Lenehan of the Veterans Council, Raymond Carmaciose of the Belleville D.A.V., Frank Kierman, commander of Legion Post 105,

Nicholas Raimo, former commander of the Italian War Veterans, Vincent Vitty of the Belleville Kiwanis Club, the mayor and the Board of Commissioners, and John Loree, state commander of the Amvets.

Scheduled to sit at the head table during the luncheon were Bishop Joseph Costello, the Rev. Benedito Pascale, Assemblyman Carl Orechio, Representative Joseph Minich, the Rev. Joseph Cesaro, pastor of St. Anthony's Church, Mayor Joseph McGreevy and former majors Isadore Padula and Kenneth Smith.

Frank was presented with a watch by Mayor McGreevy and a life membership in the Amvets by Loree. Father Cesaro spoke at the luncheon.

Attorney Robert Gaccione was toastmaster at the luncheon and Town Attorney John Scott was master of ceremonies at the reception.

Two More Policemen Advance to Top Level

Two policemen were elevated to high-ranking posts in the Belleville Police Department last week as George J. Lister was made Deputy Chief and John J. Dean became Captain.

Lister, 44, is a 20-year veteran of the force and was promoted to sergeant in 1964, lieutenant in 1967 and captain in 1971. He joins two other deputy chiefs, Frank Haught and Harry Tappe.

Captain Dean, 62, joined

the force in 1947, was made sergeant in 1963, acting lieutenant in 1967 and lieutenant in 1968.

Earlier in other officers were appointed the previous week as part of a reorganization of the police force by Commissioner Robert Laterza designed to give top level round-the-clock supervision, along with increased patrols at night.

Four new patrolmen were also appointed last week to replace men promoted to sergeant. The new policemen are Vincent J. Masi, 24, John A. Kerber, 24, Larry E. Missah, 26, and Vincent J. Rizzelli, 25.

With the new patrolmen, the police force will number 83, with five captains, seven lieutenants and six sergeants. The new patrolmen are scheduled to enter classes at the West Essex Police Academy Monday.

Laterza said the aim of the

new table of organization is to provide full coverage of the detective and juvenile divisions six nights a week and to have closer and more frequent patrols at night.

The new officers and patrolmen were sworn in during ceremonies at Town Hall Friday morning.

Return Engagement For Easter Bunny

The local Chamber of Commerce and the Belleville Woman's Club will again co-sponsor a trip by the Easter Bunny to Belleville from Friday, Apr. 13 to Saturday, Apr. 21.

The Bunny will be housed in a trailer in the municipal parking lot next to Town Hall, where parents may bring children to be photographed with the Easter visitor. Proceeds from the operation will be donated to the Woman's Club Charity Fund.

Coupons will be available in local stores where drawings will be held for prizes. No purchase will be necessary to receive a coupon.

The program will begin Friday, Apr. 13 at 10 a.m. and continue to Saturday, Apr. 21 at noon. Between those dates, visiting hours will be 10 a.m. to noon and 1 p.m. to 5 p.m.

Fails to Open Up Board Caucuses

A move by Board of Education member Matthew Pica to open the Board's executive sessions to the public was defeated for the second time Monday night by a 4-2 vote. Pica said he would reintroduce the resolution again, vowing "I don't give up that easily."

The only support Pica received for his resolution, which would have limited closed meetings to "problems involving personnel," was from Board vice president Caesar Romano. Opposing was president Larry Schwartz, Richard Mahmahrian, G. Fred Barlazzi and James Risoli.

In introducing the measure, Pica said it would prevent the spread of "erroneous statements in the press and added after the meeting such a rule would force Board members to "back up their spoken words during meetings."

Pica first entered the resolution last August. At that time, Romano was the only Board member to give a positive vote.

"The public has a right to question every resolution considered by the Board," Pica said last night.

Golden Comments

By James R. Golden

It is more than gratifying to learn that a large out-of-town daily newspaper that gives wide coverage to Belleville, is taking interest in the disgraceful traffic mess at the intersection of Washington Ave. and Belleville Ave.

This needless congestion has been tolerated too long. I've been "plugging" for about a year now to have this matter cleaned up; perhaps now when the big-time news media gives the politicians a hefty boot in the tail we may expect some amelioration of a very messy condition.

As a result of a clever bit of budgetary prestidigitiation and an announced cutting of the school budget by the Commissioners, which may be disallowed by the Commissioner of Education, a sizeable reduction in the tax rate may be realized this year.

Should the Comm. of Education restore most of all of the cut it will become a deferred charge that must be applied to next year's budget only to come back to "haunt" us in much the manner of the sword of Damocles.

Obviously there seems to be little love lost between the Commissioners and the School Board trustees. That's the way it is in Belleville.

In a modern times saga just before the Ides of March the Grim Reaper snuffed out the lives of three of this area's most prominent, distinguished and venerated citizens namely George J. Haney, Walter D. Van Riper and Dennis Carey.

All were giants in their respective fields. All had made valuable contributions to the betterment of society and improvement of mankind. They will be sorely missed.

Despite the fact that Atlantic City Commissioner Arthur Pontzio was convicted in Camden of extorting kickbacks and faces a maximum penalty of 200 years in jail and \$160,000 in fines, a verdict which no doubt will be appealed, he was badly defended by Johnnie

Officials To Meet For Show

The Department of Public Works under Commissioner Mary Senatore is currently taking reservations from leading national companies for space at the Annual Public Works Association show to be hosted by the Belleville department at Municipal Stadium May 23.

Commissioner Senatore said she expects 500-600 municipal engineers, supervisors and directors to attend the show, which will see top equipment manufacturers displaying their wares.

The department is now allocating spots for the companies, and is making arrangements for refreshments and meals at the stadium. The show will be capped by a dinner and panel discussion at Branch Brook Manor that evening.

Mrs. Senatore noted this would be the first time in Belleville's history the yearly show will be put on here.

Mrs. Senatore predicted some beneficial side-effects for Belleville, especially in terms of prestige, and said, "The show will give the superintendent and directors of several departments to get to know one another."

Organization Doings

Anchor Clubbers Are Diversified

Members of the Public Service Anchor Club meet the Third Wednesday at the Knights of Columbus clubhouse on Bridge Street. Officers include: Chaplain - Rev. James F. Heavy; President - Albert P. Carragher; Secretary - Herman V. Chelci; Supreme Director - George J. Reister; and Branch Contact Officer is again Herman V. Chelci who

may be contacted at 101 Continental Ave. Belleville.

The Anchor Club movement is a national organization and consists of men from all walks of life who have banded together, usually because they are interested in Catholic Action and live in the same general area. You will find doctors, lawyers, policemen, transportation workers, electrical, sanitation and maritime employees meeting together with the common background of being Catholic and members of the Knights of Columbus.

As Knights of Columbus under the Anchor Club standard, they become a more closely knit unit exerting a tremendous influence for good within their respective spheres of activity. The Supreme Anchor Club of America was formed February 24, 1933 and subordinate branches embrace several different professions and occupations throughout the country. A two-day national convention is held each year and Miami, Florida will be the host city this year on October 5 and 6.

The local group, PS Anchor Club #77 was organized in 1954. Their primary fund raising activities through the year benefit St. Joseph's School for the Blind and the Mt. Carmel Guild. For the past five years they have also sponsored an annual picnic for blind veterans and, upon learning of a nun being blinded, they purchased a Braille typewriter.

Those interested in more information or who desire to start their own Anchor Club may contact Mr. Chelci.

A & A LANDSCAPING

Schoolers to Explain Appeal Monday

(Continued from Page 1)

"under the law, to provide an efficient educational system, our first priority would be the scholastic aspect of education. The school board president said even if \$200,000 in

proposed maintenance and 10 new teachers were eliminated from the budget, increased costs in electricity, heating, supplies and transportation would make it "impossible" to run the school system efficiently.

Schwartz claimed the suggested cuts by the Commissioners were trimmed "down to last year's level" in several vital areas, including supplies.

Mayor McGreevy had little to say about the decision to

appeal, but he commented the prospect of the Board of Education seeking a bond referendum for maintenance while appealing the cuts amounted to "having their cake and eating it, too."

Asked if there could have been an alternative to the appeal said, "They (the school board) didn't tell us one single area we could cut. They said they wouldn't cut a nickel."

Monday night the Board of Education also passed a resolution urging legislation providing that the Board of Education be entitled to a proportionate share of surplus tax revenues resulting from added assessments.

The added tax assessments represent taxation on new buildings erected in town. The idea behind the schoolers' resolution was to invest their share of the money and build the depleted school budget surplus.

Town Treasurer Francis McCoy said Tuesday the added assessments for last year amounted to \$82,383, and this sum was "wiped out" by \$161,001 in taxes remitted, abated or cancelled by the County last year.

McCoy summed up the logic of the Board's resolution as "fallacious," since the amount to be gained is minimal and would be "cancelled out."

Much of the support on the

Board of Education for their high budget increase this year was to bring a badly-needed major maintenance program into Belleville schools. The commissioners deleted \$34,341 of the \$102,200 capital outlay account, but the feeling

of the majority of the commissioners has been that the school board should seek the major repairs in a bond referendum.

After the official resolution is voted on Monday night, the Board of Education will file

their appeal petition with the State Commissioner. The Board of Commissioners will follow with an answer and a hearing date will then be set. Appeals of this nature generally take several months for final settlement.

KENNETH MOORE, News Editor

April, 1973

The second quarter of the year begins with April, which also contains April Fool's Day, Easter (on the 22nd this year) and happy tax-paying day on the 15th, when millions of Americans must take final income tax payments for the year 1972.

On the 6th in 1917, Congress declared war on Germany, which contained the Kaiser and the German monarchy and eventually, indirectly, produced Adolph Hitler. On the same day in 1830, the Mormon Church was founded. (The Greeks in America celebrate the 6th as the Anniversary of the Greek war for independence.

On the 9th in 1865, General Robert E. Lee finally surrendered his Army of Northern Virginia, perhaps the most ably led in the nation's history, at Appomattox, Virginia, to a generous U.S. Grant. The

10th is the birthday anniversary of the founder of the Salvation Army, William Booth.

The famed Halifax (N.C.) resolutions, calling for independence, date from the 12th in 1776, and largely influenced the Continental Congress later that year to follow the Halifax example. One of the greatest Americans and for eight years (1800-1808) President, Thomas Jefferson was born at Shadwell, Virginia, on the 13th in 1743.

The Huguenot Society observes the 13th, the day of the signing of the Edict of Nantes, halting the persecution of Protestants in France in 1598. Henry IV signed this act of freedom; Louis XIV revoked it in 1685, and Protestants were again persecuted.

Medical Care

According to public opinion polls most Americans have come to the conclusion federal health insurance is desirable if not necessary to provide the standard of health care U.S. citizens wish to enjoy.

The shift in public sentiment has been steady over the past twenty years, brought on in part by high doctors' bills, high hospital bills, a shortage of doctors and ever-rising costs of federal participation and the other favors private insurance. Both Democrats and Republicans now agree a federal program is desired. In general, more Democrats favor a massive and expensive federal program which would care for citizens in more ways and more Republicans favor a proposal sponsored by the White House which would

lean heavily on private insurance programs plus a new government program.

What is certain is that it is no longer permissible in the richest nation in the world that either the elderly or the poor be wiped out financially by sickness and disease. Nor is it permissible that any citizen not receive vitally needed dental or health care. Too many other democratic countries have been providing such services too many years for Americans to go without any longer.

The 93rd Congress should decide what program fits the nation best at this time, which program the nation can afford, and enact it. Every citizen who wishes to express his or her view should write his or her Congressman or Senators, or all three.

Auto Makers and Pollution

The automobile makers have launched a massive public relations campaign to persuade Congress and the public more time is needed to meet federal clean air standards — now scheduled to become compulsory in 1975.

Such action had been expected by critics of the industry, who believe the industry could have met requirements of the new pollution law if manufacturers had long ago accepted the requirements as a must.

Be that as it may, the industry is now asking for a year's extension (to 1976) for compliance, and also for less strict

requirements. If the industry doesn't meet federal clean air standards by 1975, what is the federal government to do? (Few think car sales would be halted.)

In short, car makers are applying considerable pressure on the government, through both special interests and in a public relations campaign costing millions. Only if the executive branch makes it clear, that the present law's high standards are to be enforced, come what may, either in 1975, or 1976 if a year's extension is granted, will the nation get pollution free automobiles at that time.

FDA Stirs

The Food and Drug Administration, for years quietly insensitive to many of the nation's nutritional needs, continues to show signs of awakening.

Its latest stirring is the long-overdue announcement it will begin to set nutritional standards for prepared foods. The first

category of such foods to come under FDA guidelines will be frozen dinners.

The idea is to prevent food producers from marketing prepared foods with no nutritional value or next to none which the public has no way of knowing.

Golden Comments

(Continued from Page 1)

Noonan - Former Bellevilleite, when he served as an Assistant State's Attorney-General.

Noonan is prolific both as a lawyer and as a father. He has seven children and a vast law practice. Having known John for many years, I was much impressed by his legal forensic talents when I read in the New York Times account of the trial his quoted summation charge accusing the prosecution would have the court believe that Atlantic City was a "Carnegie" and at the head of the table sits a wicked King Arthur, Arthur Ponzo.

Mr. Noonan contended that Nathan Heyman, president of City Motors in Atlantic City, had when he testified he gave Mr. Ponzo more than \$22,000 in payoffs.

"The money Heyman said went to Arthur Ponzo into his own pocket," Mr. Noonan declared. He said the contractors' income - tax problems were washed away in a bath of immunity from prosecution in return for testimony against Mr. Ponzo, his client.

Noonan's eloquent rhetoric should not go unnoticed. It made me feel proud that I had "seconded" his nomination as town attorney during my term on the town Council a few years back.

Assemblyman Peter G. Stewart (D-Essex) who is Mayor of Caldwell and a lawyer will "push" a bill to dismiss all traffic violations that cannot be proven as legally enforceable.

"Too many people are being dragged into court for illegal sign and signal violations, he said, and when they get there, the burden of proof is on them. It should be on the state."

Under Stewart's bill, if a motorist pleads not guilty to other than statutory charges — the municipality would have to provide him with evidence that the alleged violation is legally enforceable. Should the municipality not be able to provide a record of passing and receiving state approval of the particular ordinance, the summons would be dismissed automatically without the need for a court appearance.

Stewart said all signs should be uniform and legally approved to spare motorists of unnecessary court appearances. This might be a good time for Belleville to go into a program of reconditioning of all its old ordinances to bring them up to date.

Just a reminder that pesky Income Tax Return must be filed not later than April 16, 1973 or Uncle Sam will invoke a penalty tax for delinquency.

So, sharpen up those pencils and get "figgering." There's only a little better than two weeks to whittle down that tax bite.

In fact, I'd better cut this column short right now and get down to the damnable, annoying task. Boy do I hate taxes! Even the figuring of them, especially the "figgering" of them. Don't we all.

Youngsters Will Be Walking For \$1 Per Mile in Charity

with Pat Diana

(write me at 104 Overlook Ave. or call 751-6861)

CAROL YUDIN, president of The Painters and Sculptors Society of New Jersey invites you to attend the 32nd Annual National Exhibition which starts Wednesday April 4 at 7:30 through April 28 at the Jersey City Museum, 472 Jersey Ave., Jersey City.

So much was cut out of last week's column, I'm not sure which will appear where, but I did want to alert you that the Ecumenical Youth Council are planning a Walk-a-Thon on Palm Sunday to raise funds for disaster relief. The youngsters hope to get businesses or individuals to pay, say \$1 per mile walked per youngster. It's for a good cause, so please contact Rev. Stone at Fewsmitth Church for how you may help.

Do you miss the smiling blonde school crossing guard in front of School #8? Well, Lois Servidio is not feeling too well, and get well wishes are winging her way - to send a card, she lives at 214 Ralph St.

Also sorry to report Ray Nagiewick of Belleville Brake and Clutch has been at CMHM - maybe a cheery card to him would help.

Another "notable" you will find among the missing for awhile is Ray Kinsley, Sr. Ray is in Columbus Hospital, 13th St., Newark - believe the room number is 524. Ray is employed by Beiler Weidman Co. of Cortland St. and will be hospitalized for quite a few weeks...do hurry and get well. The Sabre Cadets miss you (also, members of American Legion Post 105).

The Belleville Bulletin Board is growing by leaps and bounds...I try to list at least one month ahead of "future dates," but thought you might like to know that on May 19th, at 8 p.m., the Belleville Italian American Civic Association Ladies Auxiliary will hold their fifth Annual Dinner and Dance at Bepi's. Object is to raise funds for two scholarships. For tickets or information, contact club president, Clem Christiano at 759-7428.

HERE'S SOME nice news...Mrs. Vera Ventrella of New St. was given a surprise dinner party at her daughter's home in honor of her 60th birthday. Her husband, Peter, and daughter, Sally Lisani with her husband Joseph of town and Diane Johnson with hubby Donald of Caldwell with Lillian Norton and husband Joseph of Belleville were guests...also joining the festivities were Mrs. Ventrella's six grandchildren - Elaine and Joseph Lippa, Walter Johnson, Joseph, Peter and David Norton - a good time was had by all and Mrs. Ventrella was really surprised.

At the Olympic Bowl the other night, during the American Legion Bowling tournament, Lou Long, night manager, made like Johnny Carson and announced birthday greetings to: Nick Graniche, Kay Lane, George Nardon, Mitch Wojcik, Bruce Gunther, Lou Samara and Ann Richardson. It was a happy 70th birthday on March 17 for Toni Massaro, daughter of Joe and Marylou...she is a fourth grader at #4 School. Helping her blow out the candles

was big brother, Steven. Mom staffs the Times office in town.

The Essex County Education Association will hold its annual Legislative Dinner, Wednesday, April 11 at the Patrician. All educators, administrators, town officials, parents and friends of education are invited. Each county elects the legislators at this annual function and legs numbers of interested citizens attend. Belleville Education president, Jerome Weiss; vice president, Silvio Armento; treasurer, Michael Harvey; secretary, Virginia Stackfleth and negotiator William Kennedy with many committee chairman and school representatives plan to go. Tickets may be obtained by contacting Mrs. Eleanor Arthur at School No. Eight, which the Bulletin Board for reminder.

THE BELLEVILLE Travel Agency will move across the street and be opened for business on April 2 at 129 Washington Ave. The Dasaro brothers operate the firm and will gladly tell you what to go...when you want to get away from it all that's Jim, Joe and Mike.

You're in for a treat tonight, Jan Zepka will host a fashion show at The Fountain for members of The Kiwanis Club of Belleville. Understand the male models will include Jim Dasaro, Commissioner Robert Laterza and Joe Marra.

The three color guard groups in town participated in the Royal Eagles Drum and Bugle Corps' first Annual Color Guard contest at Xavier High School in Brooklyn

last Sunday. The show was titled: "Youth in Harmony" and all three groups came home with a trophy. Understand the Scarlet Cadets, sponsored by American Legion Post 299, won second place as well as "best captain" awards. The other groups were the Sabre Cadets and Cardinal Belles.

GUESS WHAT? Elaine Lipani, a junior at BHS, who "didn't quite make it on the slope" has made it on the road. She is now the proud owner of her own driver's license. Understand you may recognize her as the cute blonde driving a blue Chevy and she always has a passenger. The young lady quipped: "This is really great, I don't think I'll ever walk anywhere again." Her mom and dad, Sally and Joe, may never see the family car again. Congratulations, Elaine.

It's a happy birthday to Pete Spira - March 24th. He and his active, busy wife, Ann, have four children...so how many looks up to 21?

Santa Claus called me this week...seems a few years back, some lovely ladies were dining at the Marriott in Saddle Brook. "Santa" picked up the check, and I was deluged with phone calls as to who Santa was. Well, Cor Vanderzwan, alias Santa, told me the word slipped out when his wife opened a bill from the Marriott (which is a motel as well as famous dining spot) to the tune of \$58! He had to confess he was Santa...or he would be riding his sleigh, looking for a new spot to park...Cor has a great sense of humor as does his wife, but now you know.

Prom Problems Finally Solved

by Joan Petti

Spring has sprung! There's a fever spreading through Belleville High School. Girls are whispering to each other, "Are you going?" "Have you been asked?" "Oh, and 'Aahs' can be heard in the halls as these age old questions are answered. What is everyone chattering about? The prom, of course!

Some guys still aren't sure why they'll ask. The reason is that they have been waiting for the release of the details about the prom. The prom, which is run by the junior class, has been a mystery to most students this year. It seems the committee has been late in publicizing the prom.

Being on last year's prom committee myself, I realize that the organization of such an affair is difficult for 16 and 17-year-old students. The prom is quite a burden to the junior class officers, since they are criticized for their actions by the administration as well as the students. Many people don't realize the complications involved in such a situation.

The prom, which will be held on April 24, will be at the Manor in West Orange in the Regency Room. The place of the affair was previously settled, since last year's junior class signed a two year contract, when the 1972 prom was booked. Since the date was set, the biggest problem was to raise money. Unfortunately, the treasury was empty. If there was to be a prom, money was needed.

The junior class officers immediately began to organize fund raising projects, such as the corsage sale for Thanksgiving, a dance, a Battle of the Bands, a shirt sale with the class year on it, and other programs still in progress. Since the bids at \$35.00 seem to be just enough to cover the cost of a couple, what was this extra money needed for? The money raised was needed immediately for deposits on the Manor and the entertainment. A considerable amount was needed for the Brooklyn Bridge, who will perform at the prom.

Commuters Serenaded by BHS Choir

by Kathleen Fitzgerald

Spring came to Port Authority last week with the Belleville High School Concert Choir's "concert for commuters."

The choir, which performs annually at Port Authority during Christmas, gave their first Spring performance on March 20.

Selections included Bobrowitz's "The Creation," a rock cantata, two Rock Gospels, and Bacharach selections that kept the atmosphere light for Spring.

The concert could be heard throughout Port Authority, and attracted the attention of numerous passersby who paused to listen.

Accompanying the choir was a rock ensemble and two pianists, Donna Tsouhnikas and Susan Griwert.

Featured soloists included James Dahlquist and Jeff Stone, who performed a tenor duet, and Kathy Gill was the soloist for "The Creation."

On April 12, both the concert choir and the orchestra will perform a Spring Concert at Belleville High at 8:00.

Rafferty Interviewed

Senior Class Advisor Respects Colleagues

Mr. Brian Rafferty has been an English teacher at Belleville High for five years. He graduated St. Joseph's College in Philadelphia and received a Bachelor of Science degree in English and Philosophy. He went on to achieve his Masters degree in Guidance from Jersey City State.

For the past two years, Mr. Rafferty has been a senior class advisor with Mr. D. Grasso. He does his best to guide the seniors for productive year. Mr. Rafferty feels that their last year in high school should be a memorable one. He not only helps by giving good advice, but also gets as involved as possible in school and community functions. Each year, along with Mr. Grasso and the seniors, Mr. Rafferty accompanies the children of the Essex County Shelter to the Bronx Zoo for a day of fun. The traditional Senior Class play that is performed by the seniors was exceptionally unique this year. The seniors themselves along with help from their advisors wrote the play, and it was directed by Mr. Rafferty.

Apparently, town meetings can be quite frustrating and the Belleville residents attending received no satisfaction, but in a town of 38,000 where taxes are supposedly a problem, there was only 200 people at this meeting. People of Belleville, if you don't care where your tax dollars go, how do you expect the commissioners to? With the high cost of living today, a housewife will drive all over town to save a few pennies while food shopping, but is not interested where hundreds of her tax dollars go.

'Intolerance' Director Recreated Babylon

by Joseph Romano

Picture yourself in ancient Babylon, surrounded by the hanging gardens and the primitive opulence in which the ancients lived.

It's difficult, you say? Not if you saw the latest presentation of Mr. Klotz's classic movie series, D.W. Griffith, "Intolerance."

Intolerance is the story of the fall of Babylon and the valiant efforts of a mountain girl, played by Constance Talmadge, to save the city. Griffith created one of the most elaborate and gigantic sets ever made, for "Intolerance." It was one mile long and costed \$2 million to build in 1916; today it would cost \$30 million.

Unfortunately, D.W. Griffith died in obscurity in 1948; but one wonders at his prowess and wishes he were alive today.

and Mr. Grasso.

When asked to compare enthusiasm between the two classes, to whom he has been advisor, he stated that the two classes were equally enthusiastic, however this year because of his experience he was able to offer more. Mr. Rafferty stressed the point that as long as he and Mr. Grasso have been advisors there have been no problems.

Mr. Rafferty considers Belleville High a beneficial

school. He knows that the faculty tries its best to become close with the students. In fact, Mr. Rafferty feels Belleville High is better than other schools because the teachers show students the importance of being responsible human beings. He added that it is better to teach pupils the responsibility of life and its experiences rather than a subject matter. "The more students show their worth the more privileges they will receive," he stressed.

BRIAN RAFFERTY, senior class advisor, feels Belleville High teachers help show students "the importance of being responsible human beings."

Telephone operators never lose their cool.

True

False

Telephone operators are people like everyone else. Subject to good and bad days, human frailties, everyday aches and pains.

And because they are, some occasionally lose their cool. While that's the exception and not the rule, when it happens, no one likes it.

Most are dedicated and committed to helping each and every customer. When they complete a call, telephone operators want to feel assured that

they've done everything possible to satisfy you. Whether it's a routine connection or an emergency call.

Since the telephone operator is probably your primary contact with the phone company, his or her standards automatically reflect ours. That's a pretty big responsibility. And our operators know it. They also know that people expect more from the telephone company. So being good isn't good enough.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Marylou E. Santoro Is Bride Of James Patrick Garrett

Mrs. James Garrett - nee Marylou Santoro

Miss Marylou Elizabeth Santoro, daughter of Mr. and Mrs. Michael V. Santoro of 21 Fenton Place became the bride March 4 of James Patrick Garrett, son of Mr. and Mrs. James William Garrett of Wood-Ridge.

The Rev. James Halligan, cousin-of-the groom, performed the ceremony in Holy Family Church with a reception following at the Fiesta, Wood-Ridge.

Escorted by her father, the bride wore an ivory satin and peau d'ange lace gown with beaded lace yoke and Juliet sleeves. A Camelot headpiece held her chapel train and veil and she carried a prayer book with yellow tea roses and babies breath.

Mrs. Robert Perrotta of Nutley was matron of honor. Bridesmaids included Mrs. Salvatore Pulitano of Nutley and Mrs. Joseph Bauer of Little Falls.

They were attired in mint green gowns with dark green velvet trim and dark green hats. All carried yellow roses with dark green ribbons.

Daniel Garrett of Clifton served his brother as best man. Ushering were other brothers, Edward Garrett of Wood-Ridge and Thomas Garrett of Lynhurst.

Mrs. Santoro chose a hot pink French matelasse gown with beaded yoke, waistline and hemline. The groom's mother was in a brown and gold brocade gown with maribou feathers at the hemline. Corsages were orchids.

Mrs. Garrett, a Nutley High School graduate, is a private secretary with Veritron Medical Products, Carlstadt.

Mr. Garrett, an alumnus of Queen of Peace High School, will graduate in June from Fairleigh Dickinson University Evening Division. He is a personnel representative with Port Authority of New York and New Jersey.

The couple honeymooned in Acapulco and are living in Carlstadt.

Holy Family Church Setting For Bush-Esposito Wedding

Holy Family Church, Nutley was the setting February 17 for the marriage of Miss Mary Ann Esposito, daughter of Mr. and Mrs. Angelo Esposito of 69 Center Street to Vincent M. Bush, son of Mrs. Helen Bush of Passaic and the late Mr. John Bush.

The ceremony was performed by the Rev. Saltarelli and a reception followed at The Fountain, Belleville.

Escorted by her father, the bride wore a princess style gown of ivory dainty satin and Alencon lace on English Net. It featured a full wattleau back and lace teacup sleeves and yoke.

A matching Camelot headpiece held a fingertip length illusion veil and she carried a nosegay of white roses and babies breath.

Miss Barbara Ferraro of Belleville was maid of honor. Her gown was of Kelly green crepe trimmed with dark green velvet. She carried a cascade of greens.

James Hutchison of Passaic was best man.

Mrs. Esposito chose a gown of shrimp polyester peau de soie trimmed in gold braid with matching jacket. The groom's mother was in a gown of shocking pink silk and worsted with color matched beading and rhinestones. Corsages were white cymbidium orchids.

Mrs. Bush, a graduate of Belleville High School, received her bachelor of arts degree from Newark State College. She is a teacher in the Belleville school system.

Mr. Bush is a graduate of Passaic High School and Fairleigh Dickinson University. He is employed by S. Rachels of Passaic.

The couple honeymooned in Aruba and are living in Kearny.

You And Your Pet Easter Pets

By Ruvmond Minor, D. V. M.

With Easter just around the corner, many parents are thinking of buying baby chicks or ducklings as pets for their children.

These pets can bring much joy into the home at Easter-time because of the delight they give small children. However, I would like to offer a few words of caution about these pets and salmonella.

Salmonella infection comes from the family of bacteria that cause food poisoning and gastrointestinal upset in animals and man.

There are over 200 types of salmonella bacteria, one of which causes typhoid fever.

Public health authorities have indicated that baby chicks, ducklings and turtles are notorious carriers of salmonella, and are also vehicles of infection.

According to these officials, ducks and chicks "are recognized as one of the largest reservoirs of salmonella" and can predict with certainty, a marked increase of salmonella infections in children in the weeks following Easter.

In young birds, signs of salmonella include droopiness, weakness and diarrhea. Ducklings become dehydrated, begin trembling and die.

Symptoms of the salmonella infection in man include fever, stomach cramps, vomiting and bloody diarrhea. Often this infection can result in extended hospitalization.

Generally, salmonella is not a fatal disease for humans. However, the infection can be quite dangerous for infants and elderly adults.

Children, who often spend more time playing with baby chicks and ducklings, are more susceptible to the disease.

Salmonella is a com-

municable type disease that can be spread to other members of the family and friends. Children ranging in age from three months to six years usually have personal hygiene habits that contribute to the spread of contamination and infections.

Kissing a pet, a popular habit of children, should never be allowed.

Both children and adults who are chronic finger nail biters, have become seriously ill with the salmonella infection after handling or close association with ducklings and baby chicks.

Parents and teachers should always insist that children who handle these pets wash their hands after each contact.

Also, any person responsible for the care of the pet should learn how to properly wash and sanitize their hands, clean the pet's food bowl and other equipment, to avoid contaminating the household environment.

There is no easy test for salmonella and pet stores that sell baby chicks and ducklings during the Easter season are required to guarantee the pets are free from the disease. However, if the baby chick or duckling you have purchased begins to show any of the signs of salmonella, check with your family veterinarian immediately to guard against the spread of this disease in your household.

DR. MINOR REGRETS THAT HE IS UNABLE TO PERSONALLY ANSWER LETTERS FROM PET OWNERS. HE RECOMMENDS THAT READERS CONSULT THEIR OWN VETERINARIANS WHEN THEIR PETS HAVE PROBLEMS.

Juniors Add Five Members

The Junior Woman's Club of Belleville would like to announce that it is five members richer as of March 12.

Mrs. Gail Landolfi is the mother of two boys and resides at 10 Mary Street, Belleville. Besides taking care of her youngsters and her husband Bob, she manages to keep up with fashion correlating and narration, reading, and gourmet cooking.

Mrs. Pam Van Holland lives at 142 Mill Street in Belleville with her husband and child. In her leisure, Pam enjoys sewing, crafts, and bowling.

Mrs. Ciel Ciaravino resides at 5 Charles Street, Belleville with her husband and two children. Ceramics and bowling comprise her extra-curricular activities.

Miss Joan Luisi lives at 23 High Street Belleville. Her interests range from sewing, knitting, crocheting, painting, to the theater guild.

Mrs. Margaret Saych resides at 11 Tremont Avenue Belleville with her three sons and husband. During her spare time she enjoys bowling and the theater.

Anyone wishing to join the Junior Woman's Club of Belleville may call Mrs. Barbara Spillane at 759-0219 or she may attend our meetings held at 950 of Christ Church, Monday of the month at The Woman's Club, 51 Rossmore Place, Belleville, at 8:00 p.m.

Scouts Enjoy Winter Trip To Pennsylvania

With high hopes for snow, which never came, and cold weather, Girl Scout Cadette Troop 950 of Christ Church, Belleville, set out on a winter trip, Feb. 19, 20, 21, to Hillcrest Farms in the Poconos, Stroudsburg, Pa. On the way the 21 girls and six chaperones were delayed by a bus breakdown. The tour was delayed in front of a service station operated by the brother-in-law of Grace Ross, one of the Scouts, who took the opportunity to pay a surprise visit to the family.

The girls didn't mind the delay, they kept bus singing and dancing. The group of Girl Scouts do whenever they get together.

When they finally arrived they found themselves just a little disappointed that there was no snow, but they soon cheered up when they saw ice skating and an indoor swimming pool. Unfortunately the ice skating took its toll, when Debbie Scheder fell and broke her arm. That's not the way to start a vacation, as Debbie found out.

With the vast amount of food served and the bedtime parties, most went home a few pounds heavier than upon arrival, even though many hours were spent ice skating, swimming, playing tennis and basketball, and hiking in the quiet winter mountains of the Poconos.

Kathleen Bel, Laurie Demarg, Linda Fabian, Lauren Fratella, Eileen Hagen, Lisa Hayes, Susan Harlow, Janine Hill, Candy Hollander, Nancy Ildenden, Betty Meelan, Donna and Michele Munday, Cheryl and Lisa Record, Grace Ross, Beth Rovell, Debbie Scheder, Susan Smith, Laura Snyder, and Linda Winslow were among those on the trip.

The Troop was chaperoned by Mr. and Mrs. E. Cypselioti, Mr. and Mrs. E. Gasparini, Miss Dorothy Minker and Mrs. R. Rovell.

When you run into a chronic worrier you are wasting time on a loafer; busy people have little time for worrying out loud.

Westcott of Belleville: Miss Margaret Mottica of Nutley and Miss Marion Hansen of Bloomfield.

Birth weights were 4 pounds, 9½ ounces, 5 pounds, 2½ ounces. They join Robyn 9. Mrs. Mitschke is the former Judith Laux daughter of Mrs. Lola Laux of Hackensacktown. Mr. Mitschke is son of Mr. and Mrs. August Mitschke of Bloomfield is a carpenter.

Juniors Host Workshop On Reports

On February 14 the Junior Woman's Club of Belleville hosted their Club's Eighth District Report Writing Workshop and the President's Council at the Woman's Club, 51 Rossmore Place.

Miss Jean Portie, Junior Chairman of the New Jersey State Federation of Women's Clubs, conducted the annual Report Writing Workshop. Department Chairmen from Junior Women's Clubs in the Eighth District were given instructions and information regarding the writing of reports that will be submitted to the New Jersey State Board of Women's Clubs.

The Presidents from the Eighth District Clubs participated in a separate session gathering information so that they may return to their respective clubs with the necessary State report instructions.

Belleville Duo Are Recognized At Berkeley

The Misses Shirley Russomano and Maria Cerlione, both students at Belleville High School, are among high school students whose achievements were recognized at an awards program sponsored by The Berkeley Schools of East Orange and Ridgewood.

Two hundred and sixty-one students from throughout the state, with their parents and teachers, assembled for the program held on March 24 in the Imperial Room of The Manor, West Orange. The outstanding business students, selected by their respective high schools, were awarded laminated plaques.

Guest speaker for the occasion was Charles J. Irwin, who is engaged in general practice of law in the firm of Irwin and Post, Newark. A former New Jersey Assemblyman from Union County, he served as director of the New Jersey Division of Consumer Affairs. He is a former member of the Committee on State and Local Government Cooperation, an appointment which he received from President Richard Nixon. Mr. Irwin received degrees from Syracuse University and Harvard Law School.

Art Students Will Study With Miss Day

Students registering for the spring session of the Montclair Art Museum's advanced painting-workshop will have the opportunity of studying with the noted American artist Worden Day and of preparing, under her instruction, for the student outdoor exhibition in June.

Miss Day is a painter, printmaker, and sculptor. Her work is represented in many major museum collections including the Museum of Modern Art, the Whitney, Brooklyn, and Metropolitan Museums in New York, the Philadelphia Museum of Art, and the Yale University Art Gallery. Several of her graphics and two sculptures are owned by the Montclair Art Museum and her work was exhibited here in 1970 as part of a two-month show.

The advanced workshop is one of a number of courses given by the museum art school in the spring session. Classes for adults will be held in painting, portraiture, watercolor, drawing, ceramics and weaving. Instructors are Scott Duncan, Seymour Geller, Thomas Greenback, Frances McQuillan, Edwin Havas, W. Douglas Pizer, Alta Turner and Tom Vincent.

Children's classes in painting and sculpture are given by Frank Angelucci, Jr., Richard Dames, and Grant Peterson. Creative classes for children aged five to six are taught by Diana S. Naspo.

All students will be included in the outdoor exhibition. Spring classes start the week of April 3. Students may register by calling the museum art school, 746-5555.

Burglary Insurance Now Available Here.

Congressman Joseph G. Minish, 11th District, today announced that residents and businesses in New Jersey are now eligible to buy burglary and robbery insurance under the Federal Crime Insurance Program.

Minish was a cosponsor of the 1970 law which authorized the crime insurance program. The program is administered by the U.S. Department of Housing and Urban Development.

The Federal crime insurance policies, Minish said, may be purchased through any licensed New Jersey property insurance agent or broker.

Minish explained that the low-cost federal policies will be available to residents and businesses throughout the State of New Jersey, regardless of location, and cannot be cancelled or non-renewed because of losses.

Stamp Dealer Bourse Slated

The Holiday Inn is located on Central Ave., Exit 145 of the Garden State Parkway, and is easily accessible from New York, Northern and Southern New Jersey.

Additional information may be obtained from: R. Sas, 4 E. Palisades, Englewood, N.J. 07631; Fairidge Stamp Co., P.O. Box 221 Ridgewood, N.J. 07451, Ph. 201 444-1114; G. Robson, 31 Chestnut Street, Mahwah, N.J. 07430, Ph. 201 891-1875.

Livingston Station Checking Autos Against Pollution

Director Ray J. Marini today announced the Livingston Inspection Station began auto pollution testing on March 14 as part of New Jersey's campaign for cleaner air.

This new, 30-second test in the inspection procedure will check cars for emission of visible smoke, excessive carbon monoxide, and excessive hydrocarbons.

The Director emphasized that most well-maintained cars should pass the pollution test. Emission standards have been set according to the date the vehicle was manufactured. Older cars must conform to less stringent standards than newer cars with factory-installed, pollution control devices.

Before July 1, 1973, motorists whose cars fail will not be required to make the necessary repairs and return for reinspection. However, the Division is hoping they will.

On this date, the program becomes mandatory. Cars which do not meet emission standards will be rejected and must be repaired and reinspected.

Political Donations Through IRS

Fewer than 30,000 New Jersey residents who have filed 1972 Federal income tax returns have asked to have a dollar of their tax given to the political party of their choice to help finance the 1976 Presidential Election Campaign.

Elmer H. Klinsman, New Jersey IRS-District Director,

feels that one of the reasons is that taxpayers do not realize that the dollars they designate are not deducted from their potential refund nor added to their tax liability.

All that a taxpayer has to do to have a dollar given to the party of his choice is to complete a simple form on which he indicates his choice

of the party or receive a dollar. A husband and wife filing a joint return can have their two dollars given to the same party or they can split their ticket.

Campaign dollars cannot specify the name of a particular candidate. They may be allocated to any recognized political party or to a non-

partisan general account. The Form 4875, used for this purpose, was included in the tax booklets mailed to taxpayers in January. It is also available at all IRS offices in New Jersey as well as in most banks and post offices. The complete form should be attached to the 1040 or 1040A tax return filed by taxpayers.

Seasoned Diamonddeers To Open With Kearny

by Tony Calabrese

At 3:45 p.m. this coming Tuesday afternoon an umpire will hold a "Play Ball", and that will signal the opening of the 1973 baseball season for the varsity baseball squad of Belleville High School. The Bellboys will be playing against the Kearny Cardinals in the season opener at the Cardinal home field.

Originally this game, as many of you may know, was scheduled to be a home game for the Bellboys, but since construction isn't quite completed in the brand-new Belleville varsity complex, the field site was shifted to Kearny, and later on in the year when the teams play a second time they will play that game in Belleville. After Kearny three regularly scheduled road games come up, April 6 against defending Big Ten champion Bloomfield, an April 12 out of conference game at Passaic, and then on April 13 the team travels to Park Oval to take on archrival Nutley.

Belleville's home opener should be on Tuesday afternoon, April 17 when Orange comes to town.

To combat the rigors of this beginning stretch of what is to be a 22 game regular season schedule, head coach Charlie Travers has selected a 17 man squad to represent the Belleville blue and gold varsity team. The squad is a veteran type team made up of nine returning lettermen. Four other boys have also seen some sort of varsity action in their baseball lifetime. A breakup of the squad shows 10 seniors, six juniors, and one sophomore. It is a team of which Coach Travers and the players themselves expect to do a lot with, one which should be a strong contender for the Big Ten title, after last

year's near miss at the title against Bloomfield. On talking to Coach Travers this week, this reporter received from the head coach a probable starting line-up for opening day, and the coach also mentioned that although all these boys have made the squad, a few of them might see some of their playing time with the junior varsity, especially in the earlier stages of the season when the games are much more spaced out than they are in May. The following line-up is of course not final as injuries or other outside circumstances could have some sort of effect on changing it. The line-up consists of:

Frank Papisidero, First Base: A senior and a returning letterman, this amiable young fellow has always been an outstanding hitter, who gets on base a lot and is also probably the most powerful Bellboy hitter. Led team in four offensive departments last season, while tying for the lead in still another, also effectively gets the job done with the glove, making only two errors in 130 chances last year. Bellboys need big year at the plate from Papis to have a good season this year.

Mark Cervasio or **Rich Giordano**, Second Base: This senior returning letterman fighting for a spot that they shared last season. Cervasio who played his ball mainly in the second half of the year last season, is the Bellboy's premier base stealer, possesses a fine glove, while at the plate is at his best when he is hitting line drives or trying to beat out leg hits. Cervasio is not a power hitter. Giordano can hit the baseball for distance but is also at his best as a line drive hitter. Rich has good baseball intelligence and is the only Bellboy to start

varsity the last two years. Giordano has of yet failed to put it all together for an entire season, but the talent is there. This may just be his big year. Who starts at Kearny, may be decided by Travers at gametime.

Vin Lipoma, Shortstop: A junior, who is known more for his glove than his bat, he has been one of the big surprises at the plate for Travers, as he is stroking the ball well in scrimmage games. Saw a lot of varsity time last year in the crucial stretch drive, and proved to be cool under pressure. As mentioned a fine fielder, Coach Travers will be happy to receive a halfway decent year at the plate from Lipoma, as long as his glove work remains strong.

Ron Borgo or **Joe Troise**, Left Field: A battle royal wages here as senior returning letterman Borgo tussles with fellow senior Troise for the starting nod. Ron batted .346 for last year's Belleville squad and is an outfielder with a strong arm and a flair for the dramatic. Borgo played from the third game on last year ironically as a replacement for Troise who left the team due to personal problems. Joe is a natural athlete who can hit, run and throw. His big problem is to control his emotions when he isn't doing well. Travers related that he feels if the season were to

Bellboy Rowers Cast Off Saturday

Coach Sam Giuffrida's 1973 crew will cast off for their opening race on the Passaic River Saturday morning against a tough team from Blessed Sacrament of New Rochelle. While Giuffrida praised his squad's enthusiasm for the coming race, he was cautiously optimistic about chances for a win.

None of the lineup in Giuffrida's first boat — with the exception of coxswain Fred Arena — has had the benefit of a full season of varsity competition. The status of returning veterans Craig

Davis and Allen DeMasi, both weakened with back injuries, was undecided until week ago, when Giuffrida opted to place them in the newly-activated four-man shell along with Joe Cerami and Anthony Dillon. The four-man shell is scheduled to debut against Blessed Sacrament Saturday.

Giuffrida named his seating arrangement for the eight-man shell as follows:

Coxswain — Fred Arena
Bow — Charlie Maior
Second — Brian Bedford
Third — Joe Vazquez
Fourth — Russ Vaccaro

Fifth — Joe Cerami
Sixth — John Smith
Seventh — Anthony Dillon
Stroke — Vinnie Calante

Coach Giuffrida was reluctant to remove veterans Davis and DeMasi from the eight-man shell, but since the two are still recovering from strained muscles, the coach had to select two replacements.

"Davis and DeMasi are okay," explained Giuffrida, "but I don't want them on double practice right now. If things go right, we'd like to keep our luck until the weather breaks."

Giuffrida said the biggest problem has been "we haven't had set boats until recently, and this has put us about a week and a half behind in practice. We've got to overcome the lack of opportunity to build conditioning and timing."

The coach added the set lineup is into their second week of practice together and "this Friday and Saturday they had particularly good workouts."

He termed the perennially tough Blessed Sacrament crew "an unknown quantity."

Sale Slated

The Belleville Sea Scouts will hold their annual rummage sale on Saturday, Mar. 31 from 10 a.m. to 5 p.m. at the Sea Scout Base at 935 Passaic Avenue, Kearny. The funds they raise will go to the operating and repairing expenses of their boat which they wish to use during the cruising season.

An inherited fortune convinces some people they are a little better than others.

There's time to play, as well as a time to pray, but some people never try either.

CREW COACH Sam Giuffrida (standing) urges his rowers on during a practice session on the Passaic. The oarsmen open their season Saturday morning against Blessed Sacrament of New Rochelle.

Cindermen Display Potential In Intra-Squad Track Meet

Belleville High track coach Ray Haneke said this week most of his squad, with the exception of the pole vaulters, are ready for their first meet of the new season against Passaic Tuesday, Apr. 3, at Passaic.

Haneke reported the team participated in the annual Blue-Gold intra-squad meet March 20 and "ran well, considering the condition of the track and the cold weather."

Volunteers Active In Rec Program

The girls in the Silver Lake area have been treated to some great recreation activity during the past winter season. A group of young ladies who were interested in keeping themselves active and making a contribution to the youth of the community got together and offered their services to the Recreation Department. They were put in charge of the girls' gym program every Monday and Wednesday evening and serve girls from age ten to 18.

Volunteers taking part in the program were Joanne Andreotti, Grace Constantino, Jane Hahn, Mary Jane Hartwick, Maryclaire McMahon, Barbara Zaccone and Angela Zarra.

Because of the multiple skills of this group of leaders the girls in the program were taught a lot of games, tumbling, basketball, volleyball, dodgeball etc. This has proven a great way for the young ladies to fulfill two ambitions, that of being personally active and that of helping others. Supt. of Recreation Bob Cook has expressed his appreciation for the outstanding work of this group and announced that the program will continue until Daylight Saving Time begins.

TIME OUT for a picture. Some of the girls in the program at Number Two School include (back) Gene Foranato, Joan La Stella, (front) Silvana Badalamenti, Collite Crandall, Chris Crandall and Gena Troise.

the quarter-mile race with a 60.6 with Wayne Kellenbena only two seconds behind the leader. "Cozz" won the 220-yard sprint. The 100-yard dash was decided by sophomore Greg Bunch, who did it in 11.4. Greg O'talungano also performed the same time, but Bunch was over the string first.

The high and low hurdles were all Ken Drake. Drake easily defeated his competition in the highs, but in the lows just squeaked by second-place finisher "Satch" Sanders.

The field events, under the supervision of assistant coach Jay Gavitt, did not show many good performances. The best event seemed to be the discus with junior letterman Tom Sanders throwing 125 feet, while Robert Luongo copped second place with a throw of 121 feet.

The shot put was won by Mike Greenfeder with a 43-

Monday Deadline Is Set For CYO League Entries

Sports Director John O'Connor of West Orange announces that applications have been circulated throughout Essex County for the Essex County CYO's annual Grammar School Boys' Baseball League program.

The deadline for reserving a spot in the highly popular league has been set at Monday, April 2. At this time,

participating parish CYO units must submit a \$15 deposit towards the \$75 league entry fee.

The league is open to boys in grades six, seven and eight, as long as they have not reached their 15th birthday by April 2. Non-Catholics will be permitted to play, as usual, if they attend parochial school, or if there is no parochial school in their area.

Rosters may include up to 20 players, and teams must be attired in complete baseball uniforms, or a parish Tee shirt and baseball cap.

League games will be played between 4 and 6 p.m. on Sunday afternoons at ballfields throughout Essex County.

For additional information, parishes should contact the Essex County CYO Office, 425 Bloomfield Ave., Montclair, N.J.

1972-73 State College All-Star Team Named

Led by top vote getters John Celentano of Jersey City State and Don Carrera of Glassboro State, the 1972-73 New Jersey State College Conference All-Star basketball team was released today.

Joining Celentano and Carrera on this year's first team all-star unit were Steve Schindler of Jersey City State, Tom Dux of Montclair State and Al Cousins of William Paterson College.

Schindler was the only holdover from last year's first team unit to repeat in 1972-73.

Celentano and Schindler, the key reasons for Jersey City State's winning the New Jersey State College Conference basketball championship for the first time in eight years, are unique in the fact that they never played varsity basketball in high school.

Celentano, a 6-2 forward junior out of West New York, averaged 20 points a game at the NJSCAC in scoring. Selected by his teammates on the Gothicks coaching staff as the most valuable player on the Jersey City State team this year, Celentano was a 48 percent shooter from the floor and a 65 percent foul shooter.

He averaged 10.1 rebounds per game for Jersey City during the regular season and had the single best scoring effort in one game this season in the NJSCAC with 33 points against Newark State.

Carrera, a junior out of Haddon Heights led Glassboro State in seven of 10 key categories. Besides being the team's top scorer, Carrera led the Profs in field goals attempted (316), field goals made (151), foul shots attempted (64), foul shots made (40) and assists (89).

The 6-0 guard was in double figures in five of the last six conference games including the win over William Paterson that clinched a tie for second place with Montclair State.

Diamonddeers Prep for Opener

(Continued from Page 11)
start tomorrow instead of Tuesday, then Troise would definitely get the starting nod. Joe Ross, Center Field. Last year's starting right fielder moved back to his natural position. Ross is a

good defensive outfielder and has the most accurate arm from the outfield. The only lefty batter on the team, Joe is coming off a horrible year at the plate, a condition that both he and many others feel will be rectified as he dons

glasses at the plate full time this year. Joe's infectious team spirit, plus all around year at the bat and in the field will be needed for Belleville to win big.

Rich Cupparo or Joe Cancelliere, Right Field: A battle of the senior letterman Cupparo an outfield reserve from last year, and the ever hating junior and a most dedicated performer. Joe received a taste of varsity ball last year and "according to Travers may be the most intelligent in baseball sense on the team. Good fielder, not too bad hitter, possessor of some speed, and ever hustling can also contribute a much

needed spark to any ballclub. Junior **Bob DiQuattro** is yet another outfield candidate who will spend the beginning of the year with the junior varsity, but who can be expected to make his presence felt in the outfield situation before the season is over.

Phil Cuzzi, Catcher: Without a doubt the best defensive catcher in the Big Ten Conference, Phil will be trying hard to raise his

average at the plate this year. Cuzzi when he makes contact can hit the ball a long way, and somehow or another contributes to many a Belleville rally. He cuts off many an opposition rally, by gunning down those brave enough to steal on him. Junior **Joe Arcego**, who will see some action with the jayvee will handle the backup catching duties.

Rich Centanni, Pitcher: Senior letterman, last year's

leading pitcher in victories, strikeouts and winning percentage among other things will start at Kearny. Centanni has always averaged better than a strikeout an inning and is a right-hander. He is considered among one of the five best pitchers in the conference. If he should falter, or should Travers not decide to let him go all the way, Coach Travers has three hard throwing right handers backing him up, juniors Dennis Nadzan and Gerry Hoban, and sophomore Steve "Stife" Senatore. These three must join along with Centanni throughout the season to produce the hurling Belleville will need for any sort of title, being that the pitching staff is the least experienced part of the Belleville team with only Centanni having seen varsity competition.

Ahavath Achim Joins Archeological Talks

Congregation Ahavath Achim of Belleville is participating together with Temple B'nai Zion of Bloomfield in presenting Dr. Hildreth York, chairman of the Art Department of Rutgers Newark, College of Arts and Sciences, on Sunday, Apr. 8, at 8:30 p.m. at Temple B'nai Zion, 430 Franklin Street,

Bloomfield. Dr. York will speak on the topic "Archeological Digs in the Negev."

Dr. York was site supervisor for the Summer of 1972 at Tell Arad Dig in the Negev. She is quoted as saying, "An Archeology excavation is not a treasure hunt. It is a very carefully coordinated painstaking and scientific analysis of the past." "Archeology is a science and a rare mystical experience." "Ancient civilizations have a contribution to make to ours, and how lucky we are to be training people how to discover and understand that contribution."

Pharmacy Footnotes

Most people take being healthy for granted. No one remembers the statistics on accidents in and around the home, some of which can be very serious and even disabling. Do not take your health and that of your family's for granted. Make it a practice to know what to do in an emergency. There are courses available in first aid, home nursing, water safety, and accident prevention. It is worthwhile for everyone to take these courses enabling them to be skillful when it really counts!

Carteret offers you 3 different savings plans to meet your specific needs

5% Regular Savings Account

- 10 days grace period each month (deposits made on or before the 10th earn interest from 1st. After 10th, earnings start from day of deposit)
- Interest is compounded quarterly. If desired, interest checks mailed each quarter.
- Minimum of only \$50.
- Ideal for people who save regularly and do not want their money tied up for prolonged periods. Grace period is also attractive to periodic savers.

5% Day-In, Day-Out Account

- Earns interest every day from the time you put it in until the day you take it out
- Earns full interest with as little as \$50. In the account at the end of the quarter.
- This type of account is ideal for those who want to deposit funds for a short period (such as the extra money in your non-interest bearing checking account)

6% Savings Certificates

- For periods from 24 months to 60 months (you pick the date of maturity)
- Guaranteed interest rate
- Automatically renewable
- Minimum of only \$500. to open an account
- Provides a safe convenient form of savings with guaranteed interest — ideal for retired or fixed income people

Each savings plan is available to individuals and all corporations. There are also other Carteret savings plans available to meet particular needs and all are insured to \$20,000. by FSLIC. Call or stop in at the office nearest you and they will be happy to discuss all of our plans in complete detail. As an added service we will also handle the transfer of your account from another financial institution without any inconvenience, or charge.

Here's how quickly your savings will grow in a 6% Savings Certificate Account:

Amount	1 Year	2 Years	3 Years	4 Years	5 Years
\$1,000	\$1,126	\$1,195	\$1,268	\$1,346	\$1,426

Two Locals Win In Talent Search

In the Essex County CYO-sponsored 1973 Talent Search Friday, March 9, St. Anthony's Parish, Belleville, was honored with two winners!

Neil Cramer won first place in the Instrumental category, playing the accordion. A freshman at Seton Hall Prep., he studies music at De Bellis Music Center.

Neil Cramer
First Place Winner

Michael Simini, a senior at Essex Catholic, won first place in the comedy category.

Honorable mention went to Nicky Inaugurato who also played the accordion.

DeWitt Savings Sets New Policy

Robert M. Williams, president of DeWitt Savings & Loan has announced that the Association will go on a "day in-day out" dividend basis effective with the first business day of April 1973. The new policy means that DeWitt will pay dividends on all regular savings accounts from the day of deposit to the day of withdrawal.

DeWitt credits 5 percent per year in dividends on regular savings accounts, paid and compounded quarterly. The Association also pays 6 percent per year on Two-Year Savings Certificates with a \$5,000 minimum and 5 3/4 percent per year on One-Year Certificates with a \$1,000 minimum. The dividends on the Certificates are also paid and compounded quarterly.

The value for the saver is that funds can be withdrawn from an account at any time during a quarter without losing the dividend that has accrued to the amount withdrawn during that quarter.

To qualify, a customer must maintain a balance of at least \$50.00 and keep the account open.

The new policy has been made possible by new State regulations and by the fact that DeWitt's operations are now completely computerized permitting accelerated accounting procedures, faster service, and increased benefits

Will Walk To Raise Funding

On Palm Sunday afternoon, April 15, the Ecumenical Youth Fellowships of Fewsmithe Memorial Presbyterian Church and Wesley United Methodist Church will participate in a Walk-a-Thon under the direction of Randall Saxon, a student at Princeton Theology Seminary and the Youth Minister to the group.

The goal will be to raise funds to support special programs of the United Presbyterian and United Methodist denominations for World Relief, Self Development of people and Emergency Service. The gifts are used to respond creatively to people's needs in times of disaster around the world.

Youth Fined For Loitering

William A. Currid, 18, of 124 Cortlandt Street, was fined \$25 in Belleville Municipal Court March 15 after pleading guilty to a charge of being drunk and loitering.

The fine was imposed by acting Judge Aaron Napol. Currid was apprehended at the corner of Howard Place and Dow Street.

GUESTS AT RUTGERS NEWARK — Dr. Horace J. De Podwin, center, acting provost of the Rutgers Newark Campus, discusses program with Sharlene Watts of Nutley, second from left, and her mother, Mrs. Edward Watts, and Maria Felicia Christiano of Belleville and her father, Dominick, at an open house for high school seniors and their parents held by Newark College of Arts and Sciences last Saturday (March 17) on the Newark Campus. More than 600 prospective students and their parents attended the session.

Hirschhorn Is Sales Rep

Steve S. Hirschhorn, a Belleville native and former basketball star at the University of Tennessee, has been appointed sales representative for the New Jersey area for the Sporting Goods Division of Converse Rubber Company, according to Gib Ford, Division National Sales Manager.

While at Tennessee last year, Hirschhorn was selected for two All-American squads, the Southeastern Conference All-Star Team and

the North-South All-Star Team. He was also granted several awards by the University. As the squad's assist leader, he was chosen outstanding team player by the Knoxville Journal.

Before joining Converse, Hirschhorn was a graduate assistant basketball coach at Tennessee with responsibility for recruiting, scouting and coaching.

DiGiacomo;

Funeral services were held March 23 at Mt. Carmel Church for Gennaro Jerry DiGiacomo, 72 Newark Avenue, who died March 19 in Clara Maass Memorial Hospital after a long illness. He was 62.

A native of Newark, Mr. DiGiacomo lived in Belleville for the last nine years. Mr. DiGiacomo is survived by his wife Mrs. Grace Cicalese DiGiacomo; a step son Anthony Uzzolino of Newark; two sisters, Mrs. Jennie DiPasquale and Mrs. Josephine Pascal, both of Newark; and three grandchildren.

Services were arranged by the Biondi Funeral Home, Nutley, and interment was in Holy Cross Cemetery.

E. Mougeli; 70

Funeral services will be held at 10 a.m. today at the Irvine-Cozzarelli Memorial Home, 276 Washington Avenue, for Eugene C. Mougeli Jr. who died March 26 at his home at 23 Lavergne Street. Mr. Mougeli, 74, was a 70-year resident of Belleville, and by two grandchildren.

Born in Hoboken, he served the Belleville school system as a custodian for 38 years before retiring. He is survived by his wife Mrs. Edith M. Mougeli; a son, Eugene C. Mougeli III of Belleville, and by two grandchildren. The Rev. Dr. Frederick Long of Christ Church, Belleville, will officiate the services, and interment will be in Glendale Cemetery, Bloomfield.

Sparkling Personality

Multi-Talented Dasaro Is Town Music Man

James ("Jim") Dasaro could well be called Belleville's Music Man. He plays the piano, organ, guitar and bass and has appeared with a band since the age of 11. Jim has also performed for many years with "The Sound Investment," a band composed of Belleville young men.

He has devoted quite a bit of his time, as a member of The Kiwanis Club of Belleville, to theatrical

productions, including a mock "Romeo & Juliet" and plans are under way for a vaudeville production which will include the Kiwanis ladies. He is a member of the Boys & Girls committee and the reception committee. Jim gives all his spare energy and enthusiasm to The Kiwanis club, which, he says, "I am most proud to be a member of." In 1969 he was cited as Kiwanian of the Year for service to the group.

For the past six years he has been the Musical Director of the "People" group, consisting of six youngsters formerly known as "The Underground Lightbulbs".

He is a hard taskmaster, supersharper critic and listens to every note, perhaps this diligence to training has assisted "People" in their climb up the ladder, making records, appearing in Photoplay magazine, and most recently, appearing with The Four Seasons at The County College of Morris.

When not exercising his expertise in the field of music, Jim is vice president of the Belleville Travel Agency. The firm has been located in town seven years and will move across the street to 129 Washington Avenue. There will be a "Grand reopening" on April 2.

Chec-King

If you're still paying service charges for a checking account, and worrying about your balance whenever you write a check, maybe your money's in the wrong bank.

Here at National Newark & Essex, we handle both these things for you with an account called Chec-King.

You get automatic stand-by credit of \$500 to \$5,500.

Now you don't have to worry about buying the things you want or taking a vacation just because you don't have the money in your account. You just write a check to the limit of your stand-by credit; we'll pay it.

And there's a free checking account to go with it.

When you qualify for this stand-by credit, whether you use it or not, your checking account is absolutely free of monthly maintenance or per-check charges.

And, because there's no minimum balance requirement for you to worry about, it frees your money for other ventures. Or adventures.

Chec-King with free checking account privileges is available now. Come into any National Newark & Essex office and talk to us about it.

Your money will love it here.
