

MAPPING ROUTE — Rev. Randall Saxon, director of the Ecumenical Youth Fellowships checks out the walkathon route with Roberta Irvine (left) and Jeff Goodfriend (center), presidents of the Fellowships in the junior and senior high schools, respectively.

Ten-Mile Route

Youths Ready for Walkathon To Benefit Ecumenical Charity

A group of Belleville youths will walk ten miles to Montclair and back on Palm Sunday to raise funds for an inter-denominational Christian program called "One Great Hour of Sharing."

The marchers, members of the Ecumenical Youth Fellowships of Belleville will follow a route from the Wesley Methodist Church at Washington Avenue and Academy Street, beginning at 1 p.m. and will proceed through town, rain or shine, to the Central Presbyterian Church in Montclair. Along the way, they will appeal to local residents for sponsorship

in their drive to raise \$400 for the "Great Hour" program, which aids in world relief, self-development and emergency service. Special community programs are also supported by funds from this group.

Rev. Randall Saxon, youth director of the Ecumenical Youth Fellowship and chief organizer of the march said \$90 has already been pledged before the march. "We know that the people of Belleville will support us even more once they understand what our walkathon is all about." During the week following Palm Sunday, those who

walked will go back to their sponsors to collect the pledges.

"Sponsors are pledging 25 cents, 50 cents, a dollar or even more per mile walked," said Rev. Saxon. "When a member of the youth group approaches you for sponsorship, please give your support."

"We're praying for sun, but we're walking regardless of the weather. This is God's work and we're in it all the way to Montclair and back." After reaching Central Presbyterian Church in Montclair, the walkers, expected to number from 70-80, will rest and then journey south to Fawcett Memorial Church in Belleville.

All persons or businesses interested in sponsoring a marcher may contact Fawcett Memorial Presbyterian Church office at 759-6869 or the Wesley Methodist office at 751-2741. After 3 p.m., contact Mr. or Mrs. Joseph Pospisil at 667-4838.

Some of the sponsors for the walkathon include: Emma Pincus, Harriet's Card Store, James Paone family, Elaine Murnock, Sherman's Children's Wear, Laterza's Drug Store, Don's Florist, Leone's Shoes, Thomas Finetti, Oliver James, Jerry Price, Mary Ross, Ruth Zeitz, Rev. Howard Hageman, Carl John-

Gambling Raiders Resume

Three alleged gambling establishments were raided Monday night by State Police, Sheriff's deputies, the Essex City-County Strikers Force and Belleville detectives, Bart Rossi and Thomas Ricci. Four arrests were made.

A 60-year-old woman was charged with possession of lottery slips, working for a lottery operation and maintaining a place for gambling. She was arrested at a Naples Avenue home and is held on \$1,000 bail.

A man, aged 52, was arrested in a Franklin Street barber shop and is being held on the same charges and an additional charge of bookmaking for \$2,500 bail.

Two arrests were made at a Franklin Street luncheonette. One man, aged 34, was charged with bookmaking, possession of lottery slips and working for a lottery. Another man, also aged 34 and the only one of the four not from Belleville, was charged with possession of lottery slips and working for a lottery. Bail for both is \$2,500.

Second Slip Clogs Sewers

A second industrial accident in recent weeks has clogged Belleville sewers with a troublesome substance. The last time it was molasses; this time — a wax-based solution. Department of Public Works officials said 235 feet of sanitary sewer line were clogged when a valve was left open on a tank at the Van Dyk Chemical Company at 1-11 William Street Thursday. The tank held 700 gallons of a wax-based solution used in the manufacture of cosmetics. After entering the sanitary sewer line, the solution hardened and remained there.

A crew of eight men from the Public Works Department arrived on the scene Thursday and set-up pressure lines to remove the solution. They had to wait Saturday when they worked a total of 24 hours, along with another 12 hours on Monday. Public Works Commissioner Mary V. Senatore said she expects the Van Dyk Company to assume the cost of the overtime put in

by her employees.

The workmen cleared the line by shoveling out chunks of the hardened solution. Department foreman Jack Gilbert said a sewer line at a William Street home had to be completely replaced. Frank Green, plant manager at Van Dyk, said the accident was due to human error, and was the first of its kind in the 30 years the company has been located in Belleville. He said a preliminary estimate of the value of the lost material was \$2,000.

A similar accident occurred recently when a storage tank at the Red Star Yeast Division Plant of the Universal Foods Corporation collapsed and sent thousands of gallons of the sticky fluid oozing through the streets and into Belleville storm sewers on Mill Street near Montgomery Street.

The reasons for the storage tank's collapse have not yet been fully determined. At Van Dyk, said plant manager Green, a workman left a valve open allowing the wax solution to run into the sewers.

Green said Van Dyk is celebrating their 30th anniversary in Belleville this year.

Y's Master Swimmers To Complete in Tourney

The Montclair YMCA Physical Education Committee which has planned the Nineteenth Annual Montclair Public School Free Learn-To-Swim Campaign during the week of spring vacation: April 23 through Friday, April 27 will have volunteers from the Masters Swim Club of the Y.

Belleville's Tax Rate Now Official — \$5.97

Town treasurer Francis McCoy reported today the 1973 tax rate for Belleville residents has been officially set at \$5.97 per \$100 of assessed valuation, representing a tax hike of 33 points over last year's rate of \$5.66.

Monies to be raised by taxation total \$13,971,074.47, said McCoy, with \$4,031,735 going for municipal purposes (including the reserve for uncollected taxes), \$4,030,688 going to Essex County, \$5,728,201 allocated for Belleville schools and \$180,450 for senior citizens and veterans.

The breakdown of allocation of the \$5.97 tax rate is as follows: \$1.72 to municipal taxes (including the uncollected tax reserve); \$1.72 to the County; \$2.45 to the schools and \$0.80 to veterans and senior citizens. McCoy said the final tax rate has been set after being certified by County officials.

Kindergarten Program Pushes Reading Skills

The old image of kindergarten as an advanced nursery school where children are kept amused and out of their parents' way for awhile is rapidly changing.

Although that image may never have been justified in fact, it hasn't been until lately that kindergarten pupils were fully immersed in a learning process that paralleled the primary grades. Often the aim of kindergarten was mainly to accustom the child to a classroom situation, bridging the gap between home and school.

Today, under a relatively new program (now in its second year), Belleville kindergarten pupils are taking their first steps to gaining reading skills and many of them have mastered the alphabet by the time they begin their first year of grammar school.

The program, dubbed "reading readiness," is a compilation of five small books to be used by children in conjunction with projects and magnetic boards to demonstrate reading principles. Three reading specialists in the Belleville school system last week outlined the benefits of the program.

Miss Miriam Gower, Mrs. Mary Torre and Dorothy Havel all hailed the new process as a significant advancement in children's education here. They indicated a firm ground in reading gained in kindergarten would enable children in the primary grades

to develop more easily to their own potential.

They emphasized the kindergarten program is administered according to the pace of the individual child, and each pupil advances through the program at his or her own pace.

The package, entitled the "Scott Foresman Reading Program," takes the child through five small books, the last of which familiarizes the

child with the alphabet.

"In testing some of the children in remedial reading classes in elementary school," said Mrs. Torre, "we found that many of them didn't know the alphabet." She added 60 out of 300 students in the primary grades need classes in remedial reading.

Miss Gower added maturity is a strong factor in early learning development, and (Continued on Page 24)

Golden Comments

By James R. Golden

That huge \$450,880 sum cut from the \$1,019,470 increase sought by the Board of Education for the 1973-74 school budget by the Board of Commissioners may prove to be but a temporary palliative that will only afford a slash of 10 tax points in this year's budget that may have to be made as a mandatory deferred charge in next year's town budget.

S'ould the local school trustees appeal, as is expected, to the State Commissioner of Education for restoration, either in whole, or in part, of the funds cut by the town commissioners and the State Commissioner so decree; whatever sum he orders put back must then be placed in next year's town budget for 1974, as a mandatory deferred charge, together with the school budget funds of the 1974-75 school year, thus hitting the town taxpayers with a double hike in the 1974 tax rate.

Coming just before an election year, scheduled one year hence, this could spell "trouble" for the incumbents bent upon being returned to office.

Home owners are "sick and tired" of being hit with an averaging, devastating \$110.00 tax increase each (Continued on Page 6)

Revamps Hours

Laterza Amends Street Measure

By Ken Moore

Commissioner of Public Safety Robert Laterza introduced an altered version of a parking ordinance first proposed in January.

The new bill, passed on first reading by the Board of Commissioners, with commissioner Michael Marotti abstaining, provides for alternate side of the street parking from 8 a.m. to 4 p.m. instead of 8 a.m. to midnight on certain streets. Laterza said the changes were made because many residents on those streets had complained the former version of the bill would leave them with no place to park after 4 p.m.

The streets on which the parking ban was cut back to 4 p.m. were 40th Avenue, Clinton Street, Cedar Hill Avenue, and Celia Terrace.

The commissioners also passed on first reading by a vote of three to two abstentions (Marotti and Vincent Strumolo) an ordinance to prohibit all residential uses in industrially zoned areas.

Former Board of Education candidate Steve Rogers spoke at the meeting to push for consideration of his rent control proposal and to issue a blast at the Board of Education. Rogers said the schoolers "made a mockery

of democracy" by appealing the \$450,880 cut in the school budget made by the commissioners after the budget was defeated, along with Rogers, in the February election.

Rogers signed off Board of Ed vice president Caesar Romano, the top vote-getter in the election, and said Romano had went against a statement he had made the night of the election.

At that time, Romano said, "I think the people voiced their opinion and I'm willing to abide it. The voters showed they'd rather have the major renovations in the schools deferred."

Romano termed Rogers charges "the babblings of a vindictive child. If Rogers had taken my statement in context he would have seen I was willing to live within the framework of a realistic budget. If the commissioners had only taken out only \$300,000 I wouldn't have voted for the appeal, but it's physically impossible to live with that extra \$150,000 cut."

Rogers said he didn't take a stand on the budget during the election campaign because "it wasn't my budget. If I had been elected, I would have looked at what the people said and fought against the budget."

Local Meat Boycott Follows National Trend

Belleville food shoppers may have followed the national trend in cutting back meat-buying 30 percent last week, but they got the same results — little change in prices.

Frank Tucker, a vice president in the Pathmark chain said although Pathmark is sympathetic to the consumer situation, "the meat boycott clearly did not affect prices." Tucker said he thought the Belleville Pathmark store "actually did more overall business that week," but said he didn't have the sales figures for meat products.

Officials for A&P refused to give any figures at all on sales figures for the week, citing "the competitive nature" of the food industry. Their spokesmen would only point to their "WEO program" as A&P's contribution to consumerism. "We're trying to do the same thing the consumer is," said the

spokesman, who asked not to be identified.

Pathmark's Tucker said, "a week-long boycott is not going to lower prices. If people don't buy meat and stores don't order meat, the farmer will simply hold back his stock." He went on to say a national drive for meatless meals on two days of the week "extended over a period of time would start to balance

the supply with the demand," thus lowering prices. Tucker said several products were heavily bought as replacements for meat last week, including macaroni, spaghetti, noodles, peanut butter and fresh produce.

Pathmark and A&P officials in Belleville told Joseph Donnelly meat sales had fallen off between 30-60 percent.

Police Seeking Baby's Mother

Police are searching for the mother of a week-old baby who was found abandoned by the Erie Lackawanna railroad tracks near 9th Street Saturday and is now in good condition at Presbyterian Hospital in Newark.

The baby boy, apparently no more than 72 hours old, was found at 5:45 p.m. by three boys playing baseball in the area. The boys, Manuel Gonzales, Sal Hughes and Eugene Jackson turned the child over to Mrs. Gonzales, who was walking the baby and notified police. Officers Sheridan and Ward responded.

Deputy Police Chief Frank Haight said a woman, described as white with auburn hair and a blue coat or robe was seen in the area before and after the child's discovery.

After responding to Mrs. Gonzales' call, police took the baby to Clara Maass Hospital. The child was then transferred to Presbyterian Hospital.

The baby was found unclothed, lying face down on a piece of cotton cloth.

Kids Celebrate Library Week

REVIEWING the art and literary efforts of Belleville's youth are (l-r) Gerard Hickey, Belleville Library director and Mrs. Katherine Tilley, who heads the Children's Department.

The Belleville Library this week is celebrating National Library Week with a prominent display of original writings and artwork from local youngsters. A booklet containing the 37 most exceptional pieces has been published and is available at the library.

Also this week the library has been conducting a "telephone story hour" in which a staff member would read a story over the telephone to a youngster.

Director Gerard Hickey said the library had prepared a special display at the request of Clara Maass Hospital officials to be shown at the hospital.

Children's Department head Mrs. Katherine Tilley said any child wishing to claim his or her work may do so during the last month of April.

ANNUAL VISITOR — Victor Russomanno is perched on the lap of the Easter Bunny, who can be found at the municipal parking lot starting tomorrow.

EX-POW S/Sgt. Martin Frank stopped in at Bertha's Tavern at 69 Washington Avenue Saturday night as guest of honor for the evening. Shown here (l-r, bottom) are Sgt. Frank, Bertha Huston, ex-heavyweight champ Tony Galante and (top) Pat Patrick and a member of his band.

School Four Student, 11, Wins Accordion Honors

Cynthia Morel, daughter of Mr. and Mrs. Thomas Morel of 99 Franklin Street in Belleville and a 6th grade student at School Four won first place honors in 11-year-old open duet competition at the recent Accordion Teachers Association of N.J. contest and festival.

The contest was held March 24 and 25 at the Robert Treat Hotel.

Cynthia has won fifth place

in test solo, third place in open combo categories, and second and third place in band competitions. First place honors were also won by her last year in the test solo division and in other categories.

She is a student at the

DeBellis Music Center in Newark. Although music comes first, she also loves art and sports.

Local Historians Hold First Annual Dinner

A very successful First Annual Dinner Meeting of the Belleville Historical Society was recently held at the Christ Episcopal Church. This marked the end of the fiscal year for the society.

Under the leadership of president Allan Crisp, an encouraging year of progress was reported. The society boasts a membership of 200 charter members, 104 of whom attended the dinner.

Throughout the year members of the society have been busy collecting artifacts. The society acquired seven large murals of the volunteer firemen taken back as long ago as 1890. These were donated by townspeople. Such as a picture of Belleville High School's first football team taken in 1923 which was donated by Ralph Casale. Under the guidance of Ed O'Neil plans are under way for the preservation and framing of the murals and photos.

The society was also able to purchase priceless films taken from 1928 to 1936. No other town has such a historical picture of town life as these which depict early Belleville. These films were shown to the public in August at the Little League Ball Park and in December at Belleville High School.

Throughout the year various tours have been taken in town. Among these were

visits to the Dutch Reformed Church and Cemetery, the Newark Reservoir on Joralemon Street, Hendricks Bridge where the first steam engine was built in the United States and River Haven, the home of Kenneth Spang and his daughter Kay, located on Main and Academy Streets.

The highlight of the meeting was the installation of the new officers with Harry Sullivan, president, Gerard Hickey, vice-president and Mrs. Roger Greenhut, Secretary.

For the coming year there are plans for tours of Christ Episcopal Church and Cemetery, St. Peter's Church, Belleville Park during Cherry Blossom season and other points of interest in town. In addition members are researching possible historical sites which would be so marked.

Certainly the society has enjoyed a successful year and looks forward to the coming year.

AWARDED—At a recent dinner party, Essex Volume 127 40/8 presented their seventh annual nurses training award to Mary Ann Guerra of Belleville, a student at Clara Maass Memorial Hospital School of Nursing. Presenting the award are (l-r) Anthony Mattia, chairman, John Tortorella, Chief DeGare, Miss Guerra, Robert Wacker, Chef DeGare, New Jersey and Edward Kenny, Nurse's Training Chairman.

Health Careers Unit Is Coming

The Auxiliary of Clara Maass Memorial Hospital and the Clara Maass Guild are bringing "The Health Careers Mobile Unit" to Belleville Senior High School on April 13.

This 35-foot long, self-contained van is filled with various equipment, displays and exhibits depicting the more than 200 careers now available in the Health Care Industry. The mobile unit will be parked at Belleville Senior High School for the day, and the 1200 students from the High School will tour the complete facility on a scheduled basis.

"The Careers in Health Mobile Unit" is a project

developed by the New Jersey Association of Hospital Auxiliaries. The \$40,000 Mobile Unit, which is sponsored by this organization and the Hospital Research and Educational Trust of New Jersey, will tour the state visiting secondary schools to spread its important "Health Careers" message.

The unit operates on a rental basis, sponsored by Hospital Auxiliaries who bring it to local public and private senior and junior high schools. Clara Maass Memorial Hospital is the first hospital in Essex County to have its Auxiliaries sponsor the unit at a local school.

WILL HEAD CAMPAIGN — Commissioner Vincent Strumolo is shown here with Rep. Charles Sandman, currently making a bid for the Republican nomination for Governor in the June 5 primary. Strumolo will spearhead Sandman's drive here in Belleville.

Cross Elected To Maass Board

Richard A. Cross, general manager of advertising and community relations of Public Service Electric and Gas Company, has been elected to the Clara Maass Memorial Hospital board of trustees. William R. Harris, Board president, announced recently.

A graduate of Rutgers University with a degree in Marketing, Mr. Cross is active with numerous business and civic organizations. He is a member and past chairman of the editorial advisory committee, Newark Magazine; member of the public relations advisory committee, New Jersey Agricultural Society; chairman of the New Jersey Division of the United States Civil Rights Commission; board of governors, Public Utility Advertising Association; member of the Board and past President, Advertising Club of New Jersey; past president, Civic Clubs Council; former chairman of the Newark Commission on Neighborhood Conservation and Rehabilitation; a member of the direct Mail Advertising Association

and the American Federation of Advertising.

Mr. Cross resides in Upper Montclair with his wife, the former Antoinette Russell of Belleville whose father, Elwood Russell, was the former New Jersey Assemblyman and Freeholder of Essex County, and three children Richard, Pamela and Jacquelyn.

Bellevillites to Attend Drug Abuse Seminar

Vincent T. Strumolo, Director of Public Affairs, Michael Rosamita, Assistant Superintendent of Schools in Belleville, and Steven Rogers, who are members of the Belleville Health, Education, and Welfare Drug Abuse Control Commission will attend a Social Seminar, a drug abuse program, from April 9 to 13 at Glassboro State College in New Jersey.

The State Department of Health, Division of Narcotic

and Drug Abuse Control and the Center of Continuing Education at Glassboro State College has invited the director, along with members of the Belleville Drug Abuse Committee, to participate in this week long presentation of the National Institute of Mental Health's Social Seminar Laboratory for facilitators.

The Director stated that The Social Seminar Training Laboratory is a learning experience carefully designed to accomplish two major goals. The first goal is to provide the participants with an exposure to all of the materials of The Social Seminar and to enable each participant to experience the developmental process of The Social Seminar itself. The second goal is to provide participants with leadership skills and techniques so that they will be able either to train others to become Social Seminar facilitators, or to become Social Seminar facilitators themselves.

Only twenty municipalities from the state were invited to participate in this important program. Belleville was included as participants in this training laboratory.

In March, 1972, a Drug Abuse Council composed of Belleville citizens from various walks of life pledged themselves to helping control the spread of drug abuse and to offer assistance to those who may already be involved.

Commissioner Strumolo stated since the inception of this committee, they have gone a long way in seeking solutions to this menace.

Suppose we lose the Energy Race?

Our environment may become intolerable.

New Jersey is already the most densely populated state in the nation. It's getting more so. An expanding population means greater pollution problems. If we do not have clean nuclear energy to provide the massive amount of electric energy necessary to reverse the trend of environmental decay, we face many health hazards.

Take the air we breathe. Eighty-five percent of the air pollution in urban areas is caused by auto exhaust. What is it going to be like with millions of more cars on the road? (Electrified mass transit, possible with nuclear energy, could help solve the problem.)

Water is also a worry. We cannot hope to clean up our lakes and rivers without building hundreds of new sewage treatment plants. (We'll need nuclear energy to power those plants.)

How about drinking water? The Federal Water Resources Council recently reported that shortages existing today in the Southwest will spread to many other regions before 1990. (We'll eventually need nuclear energy to provide the power to desalt water and to move fresh water from lower levels to higher levels wherever needed.)

Recycling is still another major concern. It is estimated that between now and the end of the century, 19 billion tons of solid refuse will be discarded. That's enough to bury the state of New

Jersey more than a foot deep. (To get rid of solid waste before it piles up we must have nuclear energy to power recycling facilities.)

How are we meeting the challenge to protect our environment? The electric utilities lead all other industries in spending on air and water pollution controls. But this is not nearly enough. To clean up our environment we must build nuclear energy generating plants for all the reasons set forth. And to build them we need your vocal support.

We urge you to learn all there is to know about nuclear energy plants. Answer the critics. With your help we can prevent further construction delays and win the energy race.

Local Historians Hold First Annual Dinner

A very successful First Annual Dinner Meeting of the Belleville Historical Society was recently held at the Christ Episcopal Church. This marked the end of the fiscal year for the society.

Under the leadership of president Allan Crisp, the Town Historian, an encouraging year of progress was reported. The society boasts a membership of 200 charter members, 104 of whom attended the dinner.

Throughout the year members of the society have been busy collecting artifacts. The society acquired seven large murals of the volunteer firemen taken back as long ago as 1890. These were donated by townspeople. Such as a picture of Belleville High School's first football team taken in 1922 which was donated by Ralph Cagle. Under the guidance of Ed O'Neil plans are under way for the preservation and framing of the murals and photos.

The society was also able to purchase priceless films taken from 1928 to 1936. No other town has such a historical picture of town life as these which depict early Belleville. These films were shown to the public in August at the Little League Ball Park and in December at Belleville High School.

Throughout the year various tours have been taken in town. Among these were

visits to the Dutch Reformed Church and Cemetery, the Newark Reservoir on Joralemon Street, Hendricks Bridge where the first steam engine was built in the United States and River Haven, the home of Kenneth Spang and his daughter Kay, located on Main and Academy Streets.

The highlight of the meeting was the installation of the new officers with Harry Sullivan, president, Gerard Hickey, vice-president and Mrs. Roger Greenhut, Secretary.

For the coming year there are plans for tours of Christ Episcopal Church and Cemetery, St. Peter's Church, Belleville Park during Cherry Blossom season and other points of interest in town. In addition members are researching possible historical sites which would be so marked.

Certainly the society has enjoyed a successful year and looks forward to the coming year.

AWARDED — At a recent dinner party, Essex Volture 127 40/8 presented their seventh annual nurses training award to Mary Ann Guerra of Belleville, a student at Clara Maass Memorial Hospital School of Nursing. Presenting the award are (l-r) Anthony Mattia, chairman; John Tortorello, Chief DeGare, Miss Guerra, Robert Wacker, Chief DeGare, New Jersey and Edward Kenny, Nurse's Training Chairman.

Health Careers Unit Is Coming

The Auxiliary of Clara Maass Memorial Hospital and the Clara Maass Guild are bringing "The Health Careers Mobile Unit" to Belleville Senior High School on April 13.

This 35-foot long, self-contained van is filled with various equipment, displays and exhibits depicting the more than 200 careers now available in the Health Care Industry. The mobile unit will be parked at Belleville Senior High School for the day, and the 1200 students from the High School will tour the complete facility on a scheduled basis.

"The Careers in Health Mobile Unit" is a project

developed by the New Jersey Association of Hospital Auxiliaries. The \$40,000 Mobile Unit, which is sponsored by this organization and the Hospital Research and Educational Trust of New Jersey, will tour the state visiting secondary schools to spread its important "Health Careers" message.

The unit operates on a rental basis, sponsored by Hospital Auxiliaries who bring it to local public and private senior and junior high schools. Clara Maass Memorial Hospital is the first hospital in Essex County to have its Auxiliaries sponsor the unit at a local school.

EX-POW S/Sgt. Martin Frank stopped in at Bertha's Tavern at 69 Washington Avenue Saturday night as guest of honor for the evening. Shown here (l-r, bottom) are Sgt. Frank, Bertha Huston, ex-heavyweight champ Tony Galante and (top) Pat Patrick and a member of his band.

School Four Student, 11, Wins Accordion Honors

Cynthia Morel, daughter of Mr. and Mrs. Thomas Morel of 99 Franklin Street in Belleville and a 6th grade student at School Four won first place honors in 11-year-old open duet competition at the recent "Accordion Teachers Association of N.J. contest and festival."

The contest was held March 24 and 25 at the Robert Treat Hotel.

Cynthia has won fifth place

in test solo, third place in open cobbo categories, and second and third place in hand competitions. First place honors were also won by her last year in the test solo division and in other categories.

She is a student at the

Cross Elected To Maass Board

Richard A. Cross, general manager of advertising and community relations of Public Service Electric and Gas Company, has been elected to the Clara Maass Memorial Hospital board of trustees. William R. Harris, Board president, announced recently.

A graduate of Rutgers University with a degree in Marketing, Mr. Cross is active with numerous business and civic organizations. He is a member and past chairman of the editorial advisory committee, Newark Magazine; member of the public relations advisory committee, New Jersey Agricultural society; chairman of the prison reform committee of the New Jersey Division of the United States Civil Rights Commission; board of governors, Public Utility Advertising Association; member of the Board and past President, Advertising Club of New Jersey; past president, Civic Clubs Council; former chairman of the Newark Commission on Neighborhood Conservation and Rehabilitation; a member of the direct Mail Advertising Association

and the American Federation of Advertising.

Mr. Cross resides in Upper Montclair with his wife, the former Antoinette Russell of Belleville, whose father, Elwood Russell, was the former New Jersey Assemblyman and Freeholder of Essex County, and three children Richard, Pamela and Jacquelyn.

Richard A. Cross
Named Trustee

Bellevillites to Attend Drug Abuse Seminar

Vincent T. Strumolo, Director of Public Affairs, Michael Rosamilia, Assistant Superintendent of Schools in Belleville, and Steven Rogers, who are members of the Belleville Health, Education and Welfare Drug Abuse Control Commission will attend a Social Seminar, a drug abuse program, from April 9 to 13 at Glassboro State College in New Jersey.

The State Department of Health, Division of Narcotic

and Drug Abuse Control and the Center of Continuing Education at Glassboro State College has invited the Director, along with members of the Belleville Drug Abuse Committee, to participate in this week long presentation of the National Institute of Mental Health's Social Seminar Laboratory for facilitators.

The Director stated that The Social Seminar Training Laboratory is a learning experience carefully designed to accomplish two major goals: "The first goal is to provide the participants with an exposure to all of the materials of The Social Seminar and to enable each participant to experience the developmental process of The Social Seminar itself. The second goal is to provide participants with leadership skills and techniques so that they will be able either to train others to become Social Seminar facilitators, or to become Social Seminar facilitators themselves.

Only twenty municipalities from the state were invited to participate in this important program. Belleville was included as participants in this training laboratory.

In March, 1972, a Drug Abuse Council composed of Belleville citizens from various walks of life pledged themselves to helping control the spread of drug abuse and to offer assistance to those who may already be involved.

Commissioner Strumolo stated since the inception of this committee, they have gone a long way in seeking solutions to this menace.

LEGAL NOTICE

NOTICE OF APPLICATION FOR SPECIAL EXCEPTION USE

TAKE NOTICE that an Application has been filed by South Orange Federal Savings & Loan Association (now Liberty Savings & Loan Association), with the Board of Adjustment of the Town of Belleville, for a Special Exception Use, pursuant to Section XII of the Belleville Town Ordinance, on the premises known as a Condominium, at 321 Franklin Avenue, Block 560, lots 111 and 112, Tax Map 67 of the Town of Belleville, at the corner of the intersection of said avenues, in the Town of Belleville. The Applicant proposes to locate a savings and loan association branch office on the said premises. A hearing has been scheduled by the Board of Adjustment for April 17, 1973, at 8:00 P.M., in the Municipal Building, Washington Avenue, Belleville, New Jersey. The Belleville Times, April 12, 1973. Golden Comments

By James R. Golden

(Continued from Page 1)

succeeding year, without any visible sign of improvement in the quality of education for their children. Excesses in needless town expenditures should be curtailed.

Nobody "runs" a store when he finds that the "help" is making more than he is, despite his investment. Intelligent reasoning would call for better management and keener leadership. Perhaps that is what is needed most.

That sticky molasses mire that flooded the intersection of Mill and Montgomery streets with about four inches of goo after a tank gave way at the Red Star Yeast Division Plant of the Universal Foods Corp. in town wasn't "sweet" for Belleville.

One of our fire trucks was badly damaged by the sticky goo that fouled up the brakes and perhaps caused other serious damage to our town equipment. This was not a fire, but our fire vamps were called in to clean up a mess, apparently caused, as suggested by Deputy Fire Chief George Sbarra, because of the tank's age and the weight of the molasses being filled from a tank truck.

If the Deputy Chief's speculation is correct, why was not this condition detected by proper inspection of the local Building Inspection Department?

The who will pay for the necessary repairs to our town's fire-fighting equipment? Surely, it should not be borne by the local tax-payers. We pay enough, as it is. We don't want another storage tank collapse like they had in Staten Island a few weeks back. Let's get on the ball!

All the leading newspapers are "kicking hell" out of Governor Cahill, as they should, over his recalcitrant veto of the press shield bill sponsored by Essex County Senator Jim Wallwork.

The gist of the editorials "rap" Cahill for insisting upon a controlled press that would have to "knuckle under" to governmental control. In other words, don't hit what we politicians do or we'll "clobber" you.

The best avenue to information of the questionable dealings of our politicians is the close scrutiny they are subjected to by the searching press that looks into their dealings.

Perhaps it was best put by the Newark Star-Ledger's editorial comment when it wrote, "The real problem, as a matter of fact, is the difficulty that newspapers have in prodding officials to act on information" which newspapers bring to their attention.

Warning from State Senator Wayne Dumont (R-Warren) that proposed legislation mandating a number of safety features in school buses could cost local school boards as much as \$40 million to install. Think about it.

James R. Golden

Kohl Plows Through Snow Fund Confusion

Transportation Commission John C. Kohl said today that various newspaper accounts have generated a wide misunderstanding of the status of monies presently not expended by the Department for snow and ice control during this past, unusually mild winter.

Not made clear is the fact that there is no separate "snow fund" which can be returned to the State Treasury in the form of surplus as indicated by an editorial in the Newark Star Ledger for March 30.

Snow and ice control are operations classified under a general budget category of "Roadway and Bridge Maintenance" (Account No. 93100). Other operations in this category include the necessary activities to maintain a safe highway system - patching of potholes, shoulder surface treatment, cleaning drainage elements, bridge repairs, and similar items.

An appropriation is made by the Legislature to this account for the current year - this is \$5.5 million. This amount was estimated as adequate to cover, only the most urgent maintenance in

addition to the expense of snow and ice control for a "normal winter."

When there are "savings" as a result of mild winter weather, the balance of the account is allotted to needed work deferred until after the snow season. If an unusually severe winter occurs and there is no balance in the maintenance fund, it is necessary to request a supplemental appropriation about April 1 to fund the other necessary work through the end of the fiscal year, June 30.

The winter of 1972-73, which was characterized by heavy rains following record rainfall last summer and fall, imposed a heavy burden upon drainage facilities. Shoulder sections also have been severely damaged by the run off and accumulated moisture. Thus, there is no let-up in the need for maintenance; the so-called "savings" will be productively used, and no supplemental appropriation is needed for such maintenance will be needed this year.

Kindness has never yet done anyone serious harm.

Ten Girls Vie for Title As Miss Montclair State

Ten comely contestants vie for the title of Miss Montclair State in the college's 1973-74 Scholarship Pageant Friday, April 6, at 8 p.m. in Memorial Auditorium. Tickets are a \$1 each. Proceeds go toward a scholarship for the winner. In addition to the scholarship, the new Miss Montclair State will be given a trip to Cherry Hill for the Miss New Jersey Pageant.

Budget Slash Harms School

by Robin Bressman

At a recent public meeting held to discuss the Commission's severe cut in the school budget and the school board's appeal of that cut, citizens of Belleville were given the opportunity to list their views on the various comments on this very subject, and contribute some as well.

I attended this meeting which consisted of members of the Board of Education, members of the press, and citizens of Belleville. Many did voice feelings on the budget, but unlike fellow students who accompanied me, Miss Barbara Mitchell, who made the initial courage to rise, state my name, and comment on this very complex problem. Therefore, in compensation for my silent efforts of that night in school Eight, I am taking a second opportunity to say what I have on my mind.

The main problem among the citizens of Belleville which was so clearly pointed out at this meeting was that many did not seem to understand why this cut was to be so severe, and why the educational needs of the town were to be so drastically reduced.

Every year, Belleville citizens have been trying to impress upon the town officials that they want lower taxes, by voting against the school budget; the only budget they are given the chance to vote on.

Therefore, this is the main factor involved when reasoning out why the school budget is knocked down, year after year. It's not that the people of Belleville want to hurt the kids, or ruin the schools, they just want lower taxes, so as not to get hurt themselves.

Another point which arose at this meeting was that Nutley is supposedly the number one school in the area. I strongly disagree with this statement. I disagree when people say Belleville is no good. What makes one school better than the next is not necessarily measured by the courses it may offer, or the size of the building. Of course, it does have its advantages, though. What makes a school number one, is when a child attending that school can stand back and say to a child of another, "This school is best in the finest condition; the faculty is happy to be employed here, and people are proud of it." That is what contributes to making a school number one. Belleville High, I'm sorry to say, is not number one, but it is surely not because Nutley has secured that position. Nor any other school surrounding the town of Belleville.

Belleville residents are being deprived, neglected, and cheated of the educational necessities they deserve. Electrical repairs are a definite must, as are the repairs on the plaster of the ceilings of the schools. Not to mention the strong demand for more supplies, and that this cut will no doubt take away our Drivers' Education, adult school, summer school, sports activities, recreation, along with severe cutbacks in supplies, books, and services.

This is not just an educated guess as to what the future holds for the town of Belleville, if the cut in the school budget is enforced, this is a promise. It's out of the people's hands now; it was out of their hands the minute 1,553 citizens voted against the budget. If others continue to wash their hands of the entire matter, year after year, then it will be out of anyone's hands before long, thus making every year more detrimental than before. Don't let it happen again. Belleville deserves the best, and there is no reason why we should not be able to attain it!

POW's Return to Hometown Sparked Controversial Opinions

by Joan Petti

At the program honoring P.O.W. Martin Frank of Belleville, many speeches were heard in Belleville High School Auditorium. The speeches, of course, pertained to the memorable return of our P.O.W.'s from Vietnam. Some of the subjects discussed were public opinion, the future leaders of America, and the cost of freedom and the statements made were

very impressive on the citizens and students who attended the program.

Probably, Mayor McGreevy's speech, which was filled with a controversial expression of opinion was the most lengthy. At one point he stated that anti-war demonstrators angered the United States soldiers in Vietnam. He continued by saying that these protesters did so, because they did not have the

"guilt" to fight. It is my opinion that the demonstrators have the right to express their opinion, providing it is done in a peaceful manner. If it hadn't been for these protesters, who represented a large segment of public opinion, President Nixon would not have been so pressured to take action with the Vietnam situation. As has been repetitiously proven in history, public opinion plays a major role in decisions made

by the President and Congress.

Another comment made was that 99 percent of the young people today are "good". This could be a slight exaggeration, but I will agree that the majority are not violators of the law or extremists of our society. The future of the United States does lie in responsible hands.

One point made by one of the speakers was the cost of freedom. It was said that freedom is a right which is taken for granted by most Americans. It is those people such as Martin Frank, which at one time were denied freedom that appreciate the privilege. Our servicemen have given so much for the cause of freedom and the cost cannot be measured in dollars, but only in lives, torture, and imprisonment.

Aside from the criticism, they may have received, the statements made remain with the spectators as food for thought. I'm sure those who attended the program left quite impressed with the tribute and honor given to Martin Frank.

Questionnaire Studies Attitudes of Students

by Barbara Mitchell

Recently, a questionnaire was distributed to some of the students in Belleville High School to discover how they feel about the legal age being moved up to 18. Their answers proved to be remarkably intelligent and reasonable.

Almost all of them believe that just reaching the age of 18 does not constitute maturity; that depends on individual. They conceive that 18-year-olds are physically and legally but not necessarily mentally and emotionally mature, mainly because they lack experience. Some perceptive students claimed many individuals are not even mature at 40. A few feel these new privileges of making decisions will help make them more mature while others say that maturity depends on how a person was brought up.

A very large majority also feels that just reaching the age of 18 will not change their attitudes toward their friends. They do not understand how one's birthday can alter a person's opinions about the people around them. The few that say their feelings would be affected

assert that it could only be toward themselves.

One heartwarming fact that I found was that a majority have no desire to leave home at 18, although they do feel they are legally able to do so, because they are quite content at home. A few felt that leaving would hurt their parents who might not understand their need for independence and mistake it for ingratitude. Other realists will remain at home because of financial reasons. The minority who will leave

home either do not get along with their parents or claim that they are being smothered by their over-protection. These young people only asked to have their individuality and maturity recognized and when they are denied this, they believe that the only way to cultivate their independence is to be on their own.

All things considered, these youths already seem quite mature and should be commended.

School Chorus Slates Concert

The Belleville High School Choral Department, under the direction of Mr. Thomas Finetti, will hold its annual Spring Concert along with the orchestra on Thursday, April 12 at 8 p.m. in the Belleville High School auditorium.

The choral groups performing will be the Concert Choir and the Mixed Chorus. The featured works will include the "Sinfonia Sacra" by Daniel Pinkham, "The Heavens Are Telling" by Haydn, and a rock cantata, "The Creation". The program will include vocal and instrumental soloists as well.

Recently, the Concert Choir was invited to perform at the Spring Festival sponsored by the Port of New York Authority. On March 26 and April 3, the newly formed Madrigal Singers performed for the Belleville Women's Club and the United Presbyterian Women of Fawcett Church respectively.

In the near future, the Concert Choir will be performing in the annual Belleville High School Band Show on May 11 and 12, which will also be presented in Bermuda.

Orchestra To Play April 12

The Belleville High School Orchestra, under the direction of Mr. Louis Kosma, will perform in this year's Spring Concert on April 12. The concert will be held in Belleville Senior High School auditorium. The program will include "Andante" from the Surprise Symphony by Haydn, two selections from the "Ballet Parisien" by Offenbach, and "Midnight Beguine" by Grandman. The orchestra will also be joined by the chorus in "Ave Verum Corpus" by Mozart and "Alleluia and Hymn" by Palestrina.

The Orchestra has held several night rehearsals in order to prepare for its upcoming performances. As well as the Spring Concert, the orchestra will entertain the youngsters at three elementary schools in town.

On March 8, the orchestra provided dinner music for a meeting of the Secondary School Principals Association, held in New Brunswick, N.J. The string ensemble was well received and numerous letters were sent to the high school praising their program. Hunterdon Central High School in Flemington, N.J. invited the orchestra to play assembly programs for the students. Mr. Kosma is hopeful that a tentatively planned program at Hunterdon Central will take place in the near future.

Accommodation is an unknown quality so far as some folks are concerned.

Chec-King

If you're still paying service charges for a checking account, and worrying about your balance whenever you write a check, maybe your money's in the wrong bank. Here at National Newark & Essex, we handle both these things for you with an account called Chec-King.

You get automatic stand-by credit of \$500 to \$5,500. Now you don't have to worry about buying the things you want or taking a vacation just because you don't have the money in your account. You just write a check to the limit of your stand-by credit; we'll pay it.

And there's a free checking account to go with it. When you qualify for this stand-by credit, whether you use it or not, your checking account is absolutely free of monthly maintenance or per-check charges. And, because there's no minimum balance requirement for you to worry about, it frees your money for other ventures. Or adventures.

Chec-King with free checking account privileges is available now. Come into any National Newark & Essex office and talk to us about it. Your money will love it here.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Miss Rosemary Palmieri Wed In Rites At St. Francis Xavier

Mrs. Robert Molinaro - nee Rosemary Palmieri

Miss Rosemary Palmieri of Belleville, daughter of Mrs. Lucy Palmieri and the late Rocco Palmieri, Sr., became the bride of Robert Molinaro of Kearny, on Saturday, March 17.

The Rev. Charles V. Scanlon performed the ceremony at a Nuptial Mass at St. Francis Xavier Church, Newark, with the reception following at the Branch Book Manor, Belleville. Escorted by her brother, Rocco Palmieri, Jr., the bride wore a gown of silk organza, trimmed with lace appliques and white seed pearls, fashioned with a high neckline, empire waist and cathedral train. She wore a matching mantilla headpiece and carried a bouquet of daisies and baby's breath.

Miss Anne Freda, cousin of the bride, was maid of honor, with the Misses Carole Degrazio and Maria Giuliano as bridesmaids. Junior bridesmaids were the Misses Donna Marie and Paula Marie Iannia.

The attendants wore gowns of orchid voile, a crown of white baby's breath, and orchid flowers with matching bouquets.

Anthony Molinaro, brother of the groom, served as best man, with Rocco Palmieri, Jr., Kenneth Giuliano and Michael Limone, ushering.

Mrs. Molinaro is secretary to the clerk of the Essex County District Court in Newark; Mr. Molinaro is a printer at International Ticket Company, also in Newark.

The couple honeymooned in Acapulco, Mexico, and have made their home in Kearny.

Miss Josephine Mancino

Miss Adele Gioia

Miss Mancino, Troth Is Told Donald J. Toye Of Adele Gioia, Will Be Wed, Frank O'Neill

Mrs. Eugenio Mancino of 41 Magnolia Street, Belleville announces the engagement of their daughter, Josephine M. To Donald J. Toye, son of Mr. and Mrs. Thomas Toye, of Bayonne.

Miss Mancino graduated from Belleville High School and Berkeley Secretarial School, East Orange and attended Montclair State College. She is employed with Eastern Airlines in New York.

Mr. Toye graduated from Bayonne High School and served in the Navy. He is with Eastern Airlines in Woodbridge.

The couple plan to be married on June 24th.

Mr. and Mrs. Ernest T. Gioia of New Jersey have announced the engagement of their daughter, Adele, to Frank O'Neill, son of Mr. and Mrs. Frank J. O'Neill, of Belleville.

Miss Gioia is an alumna of St. Aloysius High School, Jersey City, and is a senior at Jersey City State College majoring in Special Education.

Her fiancé was graduated from Essex Catholic High School, Newark and St. Peter's College, Jersey City. He is employed by Kraft Foods, Hillside, and is a graduate at Fairleigh Dickinson University.

Mr. and Mrs. R.A. LiMandri Are Honeymooning In Hawaii

Miss Diana Lynn Auriemma, daughter of Mr. and Mrs. Anthony Auriemma of 93 Race Street, Nutley became the bride April 8 of Richard Anthony LiMandri, son of Mr. and Mrs. Saverio LiMandri of 83 Tiffany Boulevard, Newark.

The Rev. Michael Saltarelli performed the ceremony in Holy Family Church and a reception followed at Wayne Manor, Wayne.

Escorted by her father, the bride wore a gown of ivory tulle with lace and the chapel length train was accented with a veil.

A matching lace Camelot headpiece held her veil and she carried her mother's prayer book with orchids and Stephanotis.

Mrs. Marianne Franks of Nutley was her sister's matron of honor. Ushering were Mrs. Susan LaMotta and Mrs. Lorraine Lewis of Belleville.

Their purple and white floral printed gowns were of boucle jersey with matching hoods. Bouquets were of carnations.

Gus Lewis of Elizabeth was best man. Ushering were Robert Marelli and Rocco Apollonio of Newark.

Mrs. Auriemma chose a pink chiffon gown with beaded bodice while the groom's mother was in a green sleeveless chiffon gown, also with beaded bodice. Carriages were of matching colors.

Mrs. LiMandri, an alumna of Nutley High School, is with Scala, Hairdressers, Belleville. Mr. LiMandri, a graduate of Barringer High School and Newark Police Academy, is with the Newark Police Department.

The couple will live in Nutley after honeymooning in Hawaii.

Mrs. Richard LiMandri - nee Diana Auriemma

Faust - Levy Engagement Told; June Wedding

Jacob Faust of 293 Greylock Parkway, Belleville, has announced the engagement of his daughter, Eleanor, of NYC to Mr. John Conco Levy, son of Mrs. Estelle Conco Levy and the late Mr. John Hezekiah Levy of New York. Ms. Faust is the daughter also of the late Mrs. Hedda Faust.

A graduate of Belleville H.S. and Simmons College, Boston, Mass., Ms. Faust attended the University of Buffalo, where she was a member of Alpha Lambda Delta national honor society for University Women. A journalist, her articles have appeared in a variety of publications, both in this country and Israel, among

them, the Newark News, Jerusalem Post, Jewish News, etc. A member of the Foreign Press Ass. in Israel, she is currently Managing Editor of the OFT Reporter.

Her fiancé, who holds a Doctor of Laws degree from Brooklyn Law School, is a graduate also of Columbia Preparatory Grammar School in N.Y. and the University of Virginia. A partner with his mother in the firm of Levy and Levy, he is also associated in trial litigation with the firm of Newman, O'Malley and Epstein.

His maternal grandfather, the late Rev. Joseph Gross, served as Minister of Congregation Shearith Israel, Spanish and Portuguese Synagogue, in New York, the oldest congregation in North America. His late father, a former Asst. District Attorney in New York, was founder and president of the Sephardic Jewish Community of New York.

A June 3 wedding is planned.

Miss Eleanor Faust

Miss Nancy Taylor

Miss Susan Camassa

Nancy Taylor Bride-Elect Of Kevin Cox

Mr. and Mrs. Daniel Taylor of 76 New Street announce the engagement of their daughter, Nancy Anne to Kevin Joseph Cox, son of Mrs. Winifred Cox of North Arlington and the late Mr. Clifford Cox.

The troth was made known February 14 at Lee's Hawaiian Islander, Lyndhurst.

Miss Taylor, an alumnus of Nutley High School, is with Mutual Benefit Life Insurance Company, Newark.

Mr. Cox, a graduate of Queen of Peace High School, North Arlington, is also with Mutual Benefit.

The wedding will be held June 22, 1974.

If you can express yourself, try not to overdo it.

Susan Camassa, C.J. Kintscher Are Engaged

Mr. and Mrs. Ciro Camassa of 147 Franklin Avenue announce the engagement of their daughter, Susan Marie to Christopher J. Kintscher, son of Mr. and Mrs. Gustav Kintscher of Whippany.

The troth was made known March 25 at the Playboy Club, Great Gorge.

Miss Camassa, a graduate of Nutley High School, is cashier at Gene's Market, Nutley.

Mr. Kintscher, a graduate of Hanover Park Regional High School, is grounds and building supervisor for the Hanover Park Regional High School District.

The wedding will be held August 4.

A winning smile isn't necessarily sincere.

A philosopher is a man giving other people advice about troubles he hasn't had. Housekeeping would be ideal if there were really little fairies to do the work.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

WINNERS ALL — Karen Pepek, Charles Clark, Christine Herb and Nancy Jean Tripp (left to right) were first place winners in the Essex County CYO Talent Contest held March 9 in West Orange.

MORE WINNERS — The quartet shown above were also winners just by doing such a fine job representing their school in the grammar talent contest. Shown from left are Michael Pellegrino, Donna Kunz, Michele Bottitta and Susan Santiglia.

Dessert-Fashion Show-Card Party Planned By AAUW For April 13

Mrs. Robert J. Citrino and Mrs. Kenneth Rosa, co-chairmen of the Dessert-Fashion Show-Card Party being given by the Nutley Branch of the American Association of University Women, announce that there are still a few tickets available to this exciting evening which will benefit the A.A.U.W. Education Fund. They can be obtained at the door or by calling 667-9458.

Cherry tarts, fashions by the Melburn Shop at the Paramus Garden State Plaza, and a fabulous weekend at "the Hideout" are only some of the highlights of this event at Radcliffe School on Friday the 13th of April at 8 p.m. The winner of the "Weekend for Two" at the Hideout, a recreation community in the Poconos, will stay two days and two nights at the Hilton Inn in Scranton, receive two breakfasts and a dinner for two and use the lush facilities at the Hideout, including tennis courts, heated pool, saunas and gymnasium.

Holy Family Teenagers Earn Laurels In Contest

Essex County C.Y.O. held its annual talent contest on Friday March 9 at Our Lady of Lourdes Church in West Orange. Holy Family entered seven teenagers in the contest and won four first place prizes.

The winners in the Senior Division were Charles Clark on the drums and Nancy Jean Tripp in the vocal group. The Junior Division was won by Karen Pepek in a dance number and Christine Herb in a vocal number.

A first was held on Saturday, March 10, with the grammar talent contest. This was held at Blessed Sacrament in Roseland and Holy Family entered four students from their grammar school. Susan Santiglia won first place in the vocal division and Michele Bottitta won

Club Sponsors Annual Pictures With Bunny

Chicks and ducks and bunnies were the topic of conversation at the Mar. 21st meeting of the Evening Membership Department of the Women's Club of Belleville. Mrs. John Schenke, chairman of the American Home Dept. had all the members busy making Easter baskets for the Children's Shelter. This had become a yearly project and is looked forward to with great pleasure every year. Starting from scratch the ladies make the baskets, decorate them using their own ideas and then fill them with straw and candy. The baskets will be taken to the children by the "Easter Bunny" before Easter.

The Club is also sponsoring the annual pictures with the Easter Bunny starting on Friday, April 13th to Saturday, April 21st. The "Bunny" will be available for pictures from 10 o'clock in the morning till 5 o'clock in the afternoon. He will also be there on Thursday, April 19th and Friday, April 20th from 6:00 p.m. to 8:00 p.m. He will be stationed in the Mobile Truck in the Town Hall parking lot. Price of the pictures is \$1.50.

This project is again being made possible through the combined efforts of the Belleville Chamber of Commerce, the Recreation Dept., the Police and Fire Depts., and the Women's Club of Belleville Evening Membership Department. The proceeds from this event will go to benefit a local youth who is ill.

A new slate of officers was elected for the year. They include: Chairman, Mrs. Joseph Biesiakowski, Vice chairman, Mrs. Herbert Tucker, Recording Secretary, Mrs. John Schenke, Financial Secretary, Mrs. Joseph DiPani and Corresponding Secretary Mrs. Arthur Engel. Guests were Mrs. Douglas Clark and Mrs. John Nolter.

Hostesses for the evening were Mrs. William Morrison, Mrs. Michael Lilioja, Mrs. Howard Beresford, Mrs. John Keiferdorf and Mrs. L.J. Visco.

Rodino Ladies Card Party April 27

The Peter W. Rodino Ladies Auxiliary is sponsoring its annual card party and fashion show on Friday Evening, April 27, at Thomm's Newark.

Chairman is Mrs. Dorothy Todaro and co-chairman is Mrs. Angela Gerardi. Tickets can be obtained at \$3.50 by calling Mrs. Kay Botone, 484-6444.

Kingstons' Anniversary Celebrated

Mr. and Mrs. Thomas D. Kingston of 10 Stewart Avenue, were feted recently at a surprise reception celebrating their 40th wedding anniversary at the home of their daughter and son-in-law, Mr. and Mrs. (Betty Ann) Charles M. Dunn of Parsippany. There were about 70 guests, including relatives,

some friends and members of the original wedding party. A buffet supper was served. Mr. and Mrs. Kingston also have three sons, Perry, Thomas and Donald.

Mrs. Kingston is the former Betty Kingston of Vailsburg and Mr. Kingston was from Little Falls, New York.

They were married in the Sacred Heart Church,

CRUISING — Mr. and Mrs. Peter Dasaro of 124 Carpenter Street are pictured on the Lido deck of the Italian Line's luxury liner, Raffaello, just before sailing out of New York Harbor on a vacation cruise to the sunny Caribbean. Mr. Dasaro is with Belleville Travel.

Bolshoi Ballet Coming To State Arts Center

The Garden State Arts Center today announced that the Bolshoi Ballet will be the July 24, 25 and 26 attraction listed previously as the Russian Dance Gala. Commissioner John B. Townsend said that the Sol Hurok organization had confirmed that all artists in the 3-day engagement would be those that appear with the famed Bolshoi Company of Russia.

Commissioner Townsend, who has been with the Center since its start in 1968, said, "this is a tremendous group of performers that we're proud to bring to New Jersey as part of what I feel is the best classical programming at the Arts Center since its beginning."

Executive Director John P. Gallagher cited the booking of opera for the first time at the Holmdel amphitheater, which the Authority operates on the Garden State Parkway. He also called attention to the scheduling of two of the nation's most outstanding symphony orchestras offering a more serious classical

series, he pointed out its purpose in the classical area "is to develop a greater classical following."

"We have indications from the public," Director Gallagher continued, "that our 1973 classical programming is the best since the inception of the Arts Center in 1968. We regret that it became necessary to get symphonies other than the New Jersey Symphony but the latter declined the available dates. We are happy that we were able to contract for such outstanding orchestras as the National Symphony and the Pittsburgh Symphony."

Tri-Town Card Party May 5 At Bloomfield

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley, N.J. Inc. will hold its annual card party on May 5, at the Bloomfield Senior High School at 8:00 p.m. The theme of the card party will be "East Meets West."

Mrs. John Westcott of Belleville, will serve as the general chairman with Mrs. John Simon of Belleville as co-chairman. The following members will also serve: Miss Alice Fleming of Wayne, decorations: Helen Hunt of Glen Ridge, finance: Miss Marion Johnson of Nutley, on premise raffle, door prizes and trading stamps: Mrs. J. Bohlender and Mrs. V. Paxton of Bloomfield, off premise raffle: Miss Eleanor Stover and Miss Ann Donovan of Nutley, grab bags: Mrs. Frank Robustello of Belleville, loot bags: Miss Gwen Struble and Miss Mildred Spatz of Bloomfield, food baskets: Mrs. H. White of Bloomfield and Mrs. C. Kecheisen of Belleville.

has announced the following programs, which include changes from those previously listed: July 15, James DePriest conducting, with Claude Frank, pianist, in an all-Belmont program: Egmont Overture, Piano Concerto No. 1 and Symphony No. 3.

July 29, Imre Pello conducting, and Rose Marie Freni, mezzo soprano, in "Opera Night", including Rossini's Overture and aria from La Cenerentola and "Non piu mesta", Respighi's Fontane di Roma, Intermezzo, Sinfonico and "Aria 'Vo lo Sapete' from Cavalleria Rusticana: "Mon coeur s'ouvre a ta voix" from Saint-Saens', Samson et Dalila, and the following excerpts from Bizet's Carmen: Habanera, Prelude Act 1, Card Scene, Prelude Act 2, Seguidilla, Prelude Act 3, and Gypsy Song, J. Jerses, Prelude Act 4.

August 12, Everett Lee conducting, and Jerome Lowenthal, pianist in all-Mozart program: Overture "The Impresario", Eine Kleine Nachtmusik, Piano Concerto No. 9 in E-flat, K. 271, and Symphony No. 40, K. 550.

"We tried to space our programming so no two events come in any one week so our classical patrons could enjoy the once a week series as our popular subscribers do. We hope the combination of this and better programming results in better support so we can increase the classical series in years to come," concluded Commissioner Townsend.

"We have indications from the public," Director Gallagher continued, "that our 1973 classical programming is the best since the inception of the Arts Center in 1968. We regret that it became necessary to get symphonies other than the New Jersey Symphony but the latter declined the available dates. We are happy that we were able to contract for such outstanding orchestras as the National Symphony and the Pittsburgh Symphony."

Browsing Belleville

with Pat Diana

(write me at 104 Overlook Ave. or call 751-6861)

On the evening of April 25 and the afternoon of the 29 Ann and Dave Daniels will appear at the Belleville Public Library to again enchant audiences with their vocal renditions of such operas as "Garmen," "Die Fledermaus," "La Traviata" as well as the popular tunes from "The King and I," "My Fair Lady," "Oklahoma" and "Carousel." I was asked to pass the word along that Ann and Dave, as a tribute to senior citizens, will arrange free transportation for any senior citizen for either date. The show is about one hour (not including the two guest songs) and is scheduled. One Wednesday, Barbara Platt will play the flute, and on Sunday, Susan Santiglia will sing. To arrange for free transportation please call Harry Maglione at the Belleville Public Library 759-9200.

WELCOME BACK to Policeman Bernie Tindale, who is smilingly directing traffic from the corners of Belleville and Washington Avenues, nice to see you!

Check the Belleville Bulletin Board for this evening's April Spring Concert Chorus and Orchestra show to appear at the Sr. High. Thomas Finetti directs the chorus, and Louis Kosma, the orchestra. Tickets may be purchased at the door. Some of the delights planned are a rock concert by "The Creation," Porter and Bobowitz, "Can-Can Music" by Offenbach and "Theme and Variation from the Surprise Symphony" and "The Heavens are Falling" - both by Hayden.

Welcome back to Myrna and Gil Paul, who flew to Curacao and then browsed around the Caribbean on an eight-day cruise.

RECEIVED a phone call on March 23 from John Zepka - member of The Kiwanis Club of Belleville. He mentioned that exactly one year ago he underwent open heart surgery. I put a note in my column and he received 238 cards! Glad to hear how well you're doing. Also, incidentally, if you read the Star Ledger fashion pages, and note the name "Jan Zepka," it is John's daughter and she recently conducted a fashion show for men at the Kiwanis Club, with Jim Dasaro, Case Van Dam, Bucky Cairo and Lou Bruno as the models. John also has a son, Gary and an intended daughter-in-law Vivian Hess who works for Newsweek magazine, originally from Ohio, she now lives in South Orange.

Sorry to hear that Sam Pearl of Newark Light is in Beth Israel Hospital...get well wishes are winging your way...

Also cherry wishes are sent to Barbara Kierman (Pat's wife)...believe she is in the hospital, but not sure which one, so your best bet is to drop a note to her home.

A few weeks back, attended the opening of "Pet's Innspot at Olga's"...it was hectic to say the least. Joan Norris of our advertising department was there with friends and somehow or other I didn't get their names in the column. Last night I found one of my business cards with their names on it, sorry about that...the folks all from North Arlington, were: Mr. and Mrs. George Casiano and Mr. and Mrs. Edward Malanick.

ONE OF THE MOST popular programs in town seems to be the YM-WCA Learn-to-swim which takes kids to the Newark Y after school on Thursdays. Met Sharon McCarthy, "Y" counselor, Sharon Alexander, a parent, Antonio Dilella, Alan Brown, Maria De Sologuren - all counselors traveling with the kids.

Would you like to meet the members of the Belleville Junior High School vocal Ensemble? The youngsters study real hard, and recently visited the Port of Authority in New York and are planning to tour the grammar schools as part of their annual spring program. They are: Michele Mundy, Mary Ann Therien, Jill Vogel, Susan Mocarski, Fran Morel, Gary Chazewski, Debbie Fox, Maryann Duba, Sheri Villone, Grace Ross, Olga Martorelli, Josie Foroneda, Kathi Hannell, Nancy Iden, John Dillon, Beth Rovell, Ellen Schultz, Connie Rogert, Karen Warnasch, Joe Brosius, Linda Winship and Patricia Connolly.

Also, Linda Fabian, Wanda Thompson, Doreen DeVogt, Mary Pastirk, Terry McEvoy, Leo Arthur, Lee Romano, Ron Fragg, Joanne Wehmeyer, Tom Coughlin, Donna Mann, Nancy Haight, Willie Muniz, Ellen Ventura, Maureen Dulski, Nancy Trombo.

And, last but not least, Mary Jo DeSantis, Robert Irvine, Priscilla DeMoine, Debby Ragogni, James DePiro, Susan Diana, Cheryl Record, Janet Spinelli, Gail Calabrese and Debby Caputo.

WE HAVE a budding writer in our midst...one of the kids, Jill Vogel, wrote the following story:

"The Junior High School Annual Spring Choral Concert will be held on Tuesday, April 17 in the school auditorium. The program will begin at eight o'clock. The tickets are only \$1.00 and may be purchased from any music student. Tickets will also be sold at the door. It will be a thrilling night for the whole family. Bring your friends, too."

"Three talented music teachers will take part in this program: Ronald Hacking, Robert Gizzi, and last but not least, Thomas Finetti."

"Each teacher has worked many hours with his group striving for perfection. Ron Hacking and Bob Gizzi have worked together

with the 7th grade chorus and with the BHS rock and roll band. Ron Hacking also worked with the 8th grade chorus and the vocal ensemble."

"Tom Finetti worked with the 9th grade chorus. The featured soloist for the evening will be Lori Lopomo. I guarantee you will enjoy every minute of the concert."

THANKS Miss Vogel - ok folks - you have it right from one of the participants - sounds like a nice evening out.

The last paragraph in my story on the return of POW S/Sgt Martin Frank was omitted last week. I think it's important enough to print here (Frank is speaking to the audience at Belleville High School). He closed his speech with: "One thing I want you all to remember...we come from the greatest country in the world. You, the citizens of the future, have to defend this country and keep it strong." After the applause died down, Sgt. Frank smiled shyly and said: "Thanks a lot, gang."

A LOT of parents wonder what their children do at the Belleville Jr. High School all day long. Accepting an invitation from Principal Sy Grossman, I spent two hours touring the five-story facility. After a delicious salad lunch, I walked into classrooms where German, Italian, typing, science and English were being conducted. The kids were quiet and well behaved, and the teachers weren't sitting behind their desks, they were moving among the youngsters encouraging discussions. One teacher I met, Miss Elsternburg, was most interesting. Her classroom, complete with hamsters, fish tanks and plants. Sy asked her where the boa constrictor was...and, turning a pale shade of green, I told him I really didn't want to see it...or him...or...she...whatever the case may be. (I faint at the sight of a garden snake). It seems the harmless animal had passed away - thank heaven for blessings. I also met Miss Hedwig Atherton, homemaking teacher and toured the classes where cooking is held. There are individual kitchens - complete with sink, stove, etc. - everything necessary to duplicate the home.

I also viewed the wood shop and print shop and met Mr. Forina who showed me some of the things the boys make, such as a "BHS Freshman banner." Mr. Forina's wife, Linda, teaches in the Physical Education Department. I also met Eve Lautenschlager and a number of other teachers, all seemed friendly and dedicated to their work. Some of the classrooms had the most interestingly decorated bulletin boards, and I understand the Art Department of the Junior High will co-sponsor with local merchants in painting store windows for the Easter holiday, sometime before Good Friday.

GROSSMAN and his vice-principal, Mario DiMaggio, told me of the minicourses available, where the girls study clothing and music a certain number of weeks each and the boys - mechanical drawing, wood and bench shop and art and music. Eighth graders have typing twice a week. There are three different choruses - Ron Hacking teaches 7th, Bob Gizzi the 8th and Tom Finetti, 9th. I asked Mr. Grossman if sports isn't overemphasized in our school system and he agreed, but praised our music department for their many contributions which allow a great number of students to participate. He also said students work on the school paper and yearbook.

Of course, when the buzzer rings for change of classes, it's everyone for themselves - watch out! The school has 1451 children and 70 teachers and the youngsters are not allowed to leave the school during the day, a form of safety for themselves. Grossman did say he would like to see an area which could be fenced off, with tables and chairs so the youngsters could leave the building, yet be supervised.

Grossman has been principal at the facility since 1964, and, in touring the halls, it was interesting to note he knows most of the students by their first name - not an easy task, but an impressive one.

HE ALSO said if any parents wish to avail themselves of the opportunity to tour the school, they should feel free to contact him. There are trouble areas, of course, and youngsters who are difficult to handle, yet Sy Grossman says he is at the school each morning about 7 a.m., just to be available "should a kid need someone to talk to." He and Mario DiMaggio are constantly traveling the five floors of the BHS in an effort to keep the kids moving in an orderly fashion and avoid trouble.

So, any questions about your youngsters education at the Jr. High, request Mr. Grossman to take you around - you'll be impressed.

Glad to report, by the time you read this, Ray Kinsley, Sr. is home from the hospital recuperating.

HOW DID YOU meet the meatless week? The following is to tickle your T-bone...We gave up steaks, chops, frankfurters... Hoping that it would help, as we all knew. The prices are getting ridiculously high. So, to meat, for a week, we said bye-bye. Tuna fish, spaghetti and peanut butter. Were the words the checkout clerk would utter.

Sparkling Personality

Taught by Principals, She Now Helps Them

This gal is peppy, pert, petite and, promotes that old standard: "busy hands are happy hands." Mrs. Russell (Grace) Purdue was born and raised in Belleville, graduated from Belleville High School and Berkeley Secretarial School.

The daughter of Mr. and Mrs. Frank Russell, all her family reside in town, and, including mom and dad, her two brothers, Frank and Bob and her sister, Clara Wujciak.

Grace is completing her second term as president of the Home and School Association at Belleville Senior High School. She is employed as a secretary to Bob Kent the District Manager of Standard Safety Equipment Company in Belleville. She and her husband, a route salesman, have one son, Russell Jr., and Grace became active in cub scouting for Pack 307 at School Seven through her son. She also was awarded a citation for "Services rendered to cub scouting" by the leaders of pack 307.

Her interest in working with the schools began at School Seven, as a classroom mother, library chairman and followed by her election to vice president and then president of the School Seven PTA. She then moved upward and upward to become vice president of the Belleville Junior High School PTA. An interesting note is that all the principals Grace worked with on the PTA or Home and School Association, were her teachers during her education. Mrs. Spray, taught geography at School Four, Sy Grossman taught English at BHS and Ray Smith was her history teacher at BHS.

The busy lady is also a member of the newly formed Belleville Music Parents Association and was instrumental in its beginning. She plans to serve as a

chaperone when son, Russell, travels with the band to Bermuda. She smilingly remarks, "My husband will come along to chaperone the chaperone."

She was appointed to the Board of Education to the Belleville Education Advisory Council to the Board, a group which meets five or six times a year to discuss problems in the school as well as curriculum choices. Grace was a member of the steering committee which changed the Belleville High School PTA to an HSA and has seen many

accomplishments made by this group, including scholarship donations to students, during her two-year term.

In her spare time, she likes to read and embroider, but mentions that when her brother Frank was getting married, she started to embroider a tablecloth as a wedding present. She finished it recently. Frank also celebrated his tenth wedding anniversary. "Better late than never," quips the ever-busy Grace Purdue.

Library To Show Animals

A live animal show for youngsters ages 4 to 11, will be presented at the Children's Room of the Belleville Public Library, 221 Washington Avenue, on Wednesday, April 25 at 10:00 a.m.

The show will be repeated at the Silver Lake Branch of the Belleville Public Library, 30 Magnolia Street, at 1:00 p.m. The animals are from the Turtle Back Zoo in South Orange which has delighted many children in our area in the past.

This display of live rabbits, owls, snakes and other small creatures will take place during Easter vacation and young animal lovers are urged to attend. Admittance is by ticket only. Tickets are available on a first-come first-served basis, available now.

Montclairians Will Fete State College President - Montclair State College and the Town of Montclair will join in paying tribute to Dr. Thomas H. Richardson, president of the college, at a testimonial dinner on Monday, May 7. Dr. Richardson, who has headed the college since 1964, has resigned, effective Aug. 31.

The affair will be held at the Robin Hood Inn, Clifton, with a social hour at 6, followed by dinner at 7.

Youth Director Addresses Lions

Henry L. Burden, community program director for the Newark YM-WCA, recently addressed the Belleville Lions Club at their noon meeting at the Fountain Restaurant.

Burden described the extension of the Newark Y programs to neighboring suburban communities and especially those conducted in Belleville. Programs are being offered at Fewsmith Presbyterian Church, Grace Baptist Church and Montgomery Presbyterian Church and Learn-to-Swim programs are offered regularly with children transported by Y buses from Belleville

Public School locations to the Newark Y and returned. In addition to the youth programs there are programs for adults.

Burden reported it is intended to establish the headquarters for the suburban Y program at the Montgomery Presbyterian Church in Belleville sometime in July.

Burden is a member of the Roseville Lions Club and before joining the Y-M-WCA as a professional director he was employed by the Prudential Insurance Company. He resides in Belleville and has two children in the public school system.

Special Meeting Will Examine Second, Third River Flooding Conditions Here

A public hearing on the historic flooding problem of the Second and Third Rivers in Essex County has been scheduled at the Bloomfield Municipal Building on Wednesday, April 18 at 8 p.m.

Assemblyman Carl A. Orechio of Nutley, chairman of the Legislative Commission created to study flooding of the two Passaic River tributaries and to recommend a solution, said he anticipates "several" significant proposals to come from those public officials and interested citizens offering testimony. "The flooding of these rivers," Orechio declared, "has caused immeasurable losses, untold suffering and most recently the loss of a life in Bloomfield. Improvements to these streams are necessary to protect the health and welfare of all those citizens within their area of influence."

"The Commission will consider, among other things, the flow of both rivers at high and low periods, their bottoms, banks, adjacent terracing and landscaping, such man-made features as embankments and storm drains, and all factors contributing to flooding and erosion."

As part of our final report to the full Legislature, we plan to introduce legislation to alleviate flooding conditions, including proposals for the expenditure of funds

Get Info On Missing IRS Forms

"I didn't get a W-2 form from my employer. How can I file my federal income tax return?"

This question, reports Elmer H. Klinsman, N.J. District Director of the Internal Revenue Service, is being asked of IRS Tax Assistants more frequently as the April 16 deadline for filing Federal income tax returns draws closer.

Employers have moved, gone out of business or just can't be located.

Even though you haven't a W-2 form from your employer or from one of your employers, you still must file a Federal tax return which includes your earnings from the employer who failed to give you a W-2 form.

Figure your earnings and the amount of Federal income tax withheld to the best of your ability from memory or from any records, pay stubs, pay envelopes, etc., that you may have.

Report the earnings and take credit for the tax withheld on your tax return.

'Name' To Play Saturday

On Saturday and Sunday, April 13 and 14 at 8:30 p.m. in St. Mary's auditorium, Nutley, "Name" will visit. She will be presented by St. Mary's Theatre Guild, its 14th annual Spring show. Tickets are \$2.50 at the door. "Name" will be Debbie Greenfelder of Belleville, who has done vaudeville shows with the St. Benedict's Group. Her dear friend Vera will be played by Alice Burke who has been active with the Theatre Guild since its inception. The downy Agnes Gooch will be played by Brita Auerbach of Bloomfield. She has sung with Verona-Cedar Grove Chorus and the Gettysburg Chorus.

by the appropriate federal, state and local officials."

The Second River flows through the Essex Municipal Building in West Orange, Montclair, Glen

Ridge, East Orange, Bloomfield, Newark and Belleville, the Third through Montclair, Glenridge, Bloomfield, Belleville and Nutley.

In addition to Orechio who

sponsored the bill to create the four-member bipartisan body, other members are Senator Wynona M. Lipman of Newark, Vice-Chairman Senator Michael A. Giuliano

of Bloomfield, and Assemblyman Peter G. Stewart of Caldwell. Orechio and Giuliano are Republicans, M.Lipman and Stewart, Democrats.

Little Theater to Show An Original Musical

The Nutley Little Theater will present its 10th annual Children's Theater production with an original musical version of "Rumpelstiltskin" on April 28 and 29 in 2 p.m. performances at NHS. All

tickets are \$1.00 and for group sales call 338-0254 or 667-0793.

The original script for "Rumpelstiltskin" was conceived by Nutley's Marlene Cocchiola, a longtime NLT

member. Principal players include Patricia Andriola, Mrs. Cocchiola, Frank McInerney, and Lee Moore, all of Nutley, and Robert Molloy of East Orange.

Local Rowers Face Big One

Belleville High oarsmen will face their first big test of the season Tuesday when they host powerful Roosevelt High School of Hyde Park, N.Y. on the Passaic at 3 p.m.

Coach Sam Giuffrida has been using this week's practice sessions to concentrate on technique after last Saturday's curiously unimpressive sweep of four races against two Philadelphia schools, Harrison and Upper Merion High Schools.

The varsity shell turned in a time of about 4:57 in the race on the Schuylkill River, edging the Harrison boat by three and a half seconds — about one boatlength — and leading the Upper Merion crew by a full 18 seconds. "We won the race but we didn't really row as well as we wanted," said Giuffrida. "The boys were happy to win, but a little disappointed in themselves."

(Continued on Page 14)

In Diamond Debut

Bellboys Stumble on Bengals; Held to Two Hits by Southpaw

by Tony Calabrese

Belleville varsity baseball team ran into a fine two-hit performance by the Bloomfield Bengals Armored Sasso last Friday afternoon and wound up losing their opening game of the 1973 season by a score of 5-0 in a game played in Bloomfield.

The Bellboys, who have not played a game in the last five days, get back into the swing of things starting today coming up with an early season stretch which will involve four games within the next six days. Today the Bellboys will be at Passaic to take on the Indians in a non-conference game which will start at 3:45 p.m.

Tomorrow the starting time will be the same as the ballclub travels to Nutley's Park Oval to take on the Maroon Raiders in a Big Ten Conference game. Two more Big Ten contests are scheduled for this coming Monday and Tuesday at 3:45 p.m. both scheduled at home at the brand new Belleville Varsity baseball field. Kearny is Monday's opponent in a make-up of last week's rainout, while on Tuesday the Orange Tornadoes will be the Bellboy opposition.

Last Friday's game between the Bellboys and the defending Big Ten champion Bloomfield was a pitchers' battle for the most part. Rich Centanni, the hard throwing senior right-hander pitched into the sixth inning for Belleville and did quite well in spite of being charged with the loss. Centanni struckout

eight batters, while walking but two, giving up six hits (three of which were infield hits) and allowed all five runs, although some poor fielding were in the most part responsible for the last two runs. Sophomore Steve "Stife" Senatore also pitched well for the Bellboys in one inning of relief walking one, striking out one, while giving up no runs and no hits.

However, the pitching star of the day was Bloomfield's, Armond Sasso, a senior left-hander, who in shutting out the Bellboys on two hits, struckout ten batters while walking but two. Not one Belleville baserunner got by second base all day. Sasso, as many Bellboy fans may

Local cindermen failed in their attempt to follow up on their winning season debut when they lost a heartbreaker to West Orange Friday by a 6-3-59 score.

The Blue and Gold were

leading, 59-58 with only the mile relay left to be completed by runners. Wayne Kellenbence, Brian Wood, Ralph Castellano and Ed Utter.

The pressure was put on sophomore Ed Utter running anchor leg, when Ed found

himself starting with a ten-yard deficit against West Orange's experienced Sylvester. Ed caught Sylvester at the 330-yard mark but couldn't pass him and ended in second place.

One strong reason contributing to the loss of the relay was Junior Bob Cozzarelli's inability to perform because of a swelling in his right leg. "Cozz" is the Bellboys' best 440-man and was sorely missed in the relay. About Friday's meet, coach Ray Hanke said, "Some performances need improvement, and I'm not satisfied with the lack of depth on the squad."

For the second straight meet, star sophomore Ken Drake placed in his three events. Drake won both the high and low hurdles and then went on to capture third in the long jump.

In the sprinting events, the Blue-Gold was outclassed as the Cowboys took first place in the 100 and 220-yard dashes and the quarter-mile. The 100 saw weightman Tom Sanders second with a time of 11.2, while the 220

had Greg Ottalagano also in second. Three runners — Brian Wood, Wayne Kellenbence and Ed Utter tied for second in the 440-yard dash.

The local distance runners posted two winners — Steve Budrick in the half-mile and Bill "Goody" Goodwin in the two-mile. Budrick ran a 2:14 for the 880 yards, while "Goody" easily won the two-mile in a 44-second margin, clocking an 11:02.

The one-milers took second, third and fourth places — Mike Fortino, Steve Dyba and Dan DeSantis respectively.

Once again the dominating weightmen outscored their opponents 13-5, by sweeping the shotput with Robert Luongo, Mike Greenfelder and Paul Haverick. Luongo threw an excellent 45 feet, nine inches to win. The discus was a little different with West Orange's Sharless throwing 131 feet for the victory. Robert Luongo had a 128 feet, seven inch fling for second with Mike Greenfelder

(Continued on Page 14)

FAR AHEAD by 44 seconds, Bill "Goody" Goodwin handily defeated all comers in the two-mile event against West Orange.

Bellgirls Inaugurate Softball By Whipping Caldwell, 12-7

DEBBIE SHERIDAN crosses the plate for one of the 12 runs scored against Caldwell by the fem diamonders.

The newly-formed Bellgirl softball squad opened their season with a stunning 12-7 victory over Caldwell Friday.

Though the successful debut was encouraging, coach Karag Fugello conceded a lot of work lies ahead for the young team — 10 of the 15 girls on the team are sophomores, as are seven of the 10 starters.

Coach Fucello said fans can expect a shakeup in the starting lineup when the Bellgirls host a strong visiting team from neighboring Nutley Friday, commenting, "I'm not satisfied with the infield yet." She added Nutley is expected to be the toughest challenge the fem softballers will face this season, along with West Orange.

About Friday's opener, coach Fucello said pitcher Gloria Barbone "showed

good control, but needs more speed." Hitting performance was termed "weak," with many of the 12 runs coming on walks. The only batting standouts were Donna Stone, who knocked out two singles and Terry Freda, who produced a double.

Coach Fucello said since this is the first year softball is featured as a regular sport, some inexperience is expected. "The girls show fantastic potential, and they've played before, but we're spending a lot of time breaking bad habits and reteaching fundamentals. "We're a young team," she continued, "and we're going to make mistakes. The important thing is to learn from those mistakes."

The distaff softball team carries 15 players from the 38 who turned out for the varsity team.

BHS Grad College Duffer

Richard Villano of 132 White Oak Terrace is a member of the 1973 golf squad at Rutgers Newark College of Arts and Sciences.

Villano, a graduate of Belleville High School, won a varsity letter in the sport in his senior year.

He is a pre-pharmacy major and plans to go on to professional school after completing his work at Rutgers Newark.

Steve Senko, golf coach at Rutgers Newark, considers his team prospects as good, based on the squad's average shooting in the "high 70s or low 80s." The team will play all its home matches on the Rutgers University course in Piscataway (Middlesex County).

Teen Skiers Up Against Swiss

New Jersey's best high-school skiers will soon find out if the slopes of the Garden State can fit them for competition against seasoned Swiss students.

The Town of Flims, in the Alpine Canton of Grisons, has invited an all-star team from the New Jersey Interscholastic Ski Racing League to compete against Agrisons High School team in the third week of April.

The team will consist of six boys and five girls, according to Larry Joline, acting chairman of the New Jersey League. He said the team, with chaperone, coach, and manager, will be guests in the homes of Flims residents, and will be flown to Switzerland and back by Swissair.

The invitation, said Joline, was relayed to the League from F. Norman Reid, New Jersey District Manager of Swissair, through the office of Ronald M. Heymann, New Jersey's Commissioner of Labor and Industry. The Labor and Industry Department Division of Economic Development has been promoting New Jersey's dozen ski areas as part of the State's attractions for tourists and businessmen.

Joline, ski coach at Blair Academy, said the League consists of teams drawn from some 74 public and private high schools throughout the State. Practice sessions are held at most of New Jersey's ski slopes, and official meets are held weekly at Great Gorge Ski Area, McAfee.

The pending meet with Swiss students could become an annual international event, said Joline. He said management of the Playboy Club-Hotel at Great Gorge has offered to host a Swiss high school team next year, and that Great Gorge ski area has offered use of its facilities and personnel for the return event.

Herman C. Simonse, New Jersey's Director of Economic Development, said Swiss officials have expressed a "definite" interest in helping to promote annual student ski competition between Switzerland and New Jersey.

"They've advised this offer," said Simonse, "that they are preparing a perpetual 'Swissair Trophy' to be held for a year by the winning team. And all students participating will be given a replica."

Simonse said the annual event could conceivably stimulate tourism of mutual benefit to both Switzerland and New Jersey.

New Diamond Is Still Rough

Avoiding rainouts during the usually wet month of April is a lot tougher when you're trying to put together a diamond to play on in the first place.

Director of Parks and Public Property Michael Marotti reported this week bad weather has stowed work on the new baseball field behind the high school nearly to a standstill and the completion date, first scheduled for April 3, was rained out twice and now will be moved to "the latter part of the month," Marotti said he may have to ask athletic director Herman Waite to postpone at least two games scheduled for the new field.

"I'm about three-quarters of the way finished work there. If I could have a week's good weather, we'd be all right."

The commissioner said the infield has all been sodded and the backstop is nearly erected. "But every time we get ready to put up the fence, it rains. Every time we get ready to seed the outfield, it rains," Marotti lamented.

The two games in question are against Orange on Tues., Apr. 17 and Montclair on Thurs., Apr. 19.

Football Mentor To Be Honored

Henry Schmidt, veteran Montclair State College athletic coach, will be tending a testimonial dinner on Tuesday evening, May 15 at the Robin Hood Inn, Clifton. It has been announced by Al Coder and Jerry De Rosa, co-chairman of the dinner committee.

Schmidt, who will retire on June 30th from his teaching and coaching duties at Montclair State, has been associated with athletics in New Jersey for 36 years since graduating from Montclair State in 1937.

Recently inducted into the Montclair State College Athletic Hall of Fame, Schmidt was a standout athlete at Paterson Central High School and Panzer College before entering MSC in 1935. While at Montclair State he starred in basketball and baseball and is one of the

few athletes in the school's history to captain both sports in the same year.

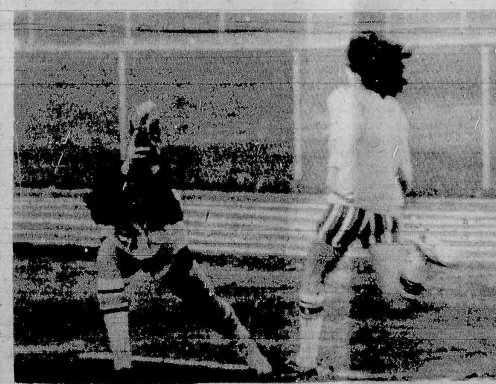

Following graduation from Montclair State in 1937, Schmidt served as athletic director, baseball and basketball coach at Paterson State (now William Paterson College) until 1943 when he was commissioned an Ensign in the United States Navy.

He returned to Paterson following his discharge in 1946 and spent three more years at the school before being recalled to active duty with the Navy during the Korean War.

Following the Korean War he came to Montclair State as director of athletics and head basketball coach. He coached the Indians for 11 years in basketball developing a number of outstanding

(Continued on Page 14)

PITCHER Gloria Barbone showed good control against the Caldwell foes in the Friday confrontation, but needs to work on a faster delivery, said coach Fucello.

OUT AT FIRST is a Caldwell runner as Linda Diana holds down first base and takes the peg to hold back the Caldwell threat.

Area Golf Course To Host Top Tourney

For the first time since 1936, and the sixth in history, the United States Women's Amateur Championship will be played in New Jersey this summer. The 73rd Women's Amateur Championship will take place August 13-18 at the Montclair Golf Club, located on First Mountain in West Orange.

One of nine national championships conducted annually by the United States Golf Association, the Women's Amateur is the premier event for women amateur golfers. Last year, Miss Mary Budke, Dayton, Ore., defeated Cynthia Hill, 5 and 4, in the final at the St. Louis Country Club.

One hundred and fifty players with handicaps not exceeding five are expected. Likely New Jersey par-

ticipants include Mrs. David M. Johnston, Montclair Golf Club and former New Jersey champion; Miss Janet Aulisi, West Caldwell; Marie Nobis of Morris County and Mrs. Mark Porter of Cinncinnamin, winner of the 1949 Women's Amateur Championship.

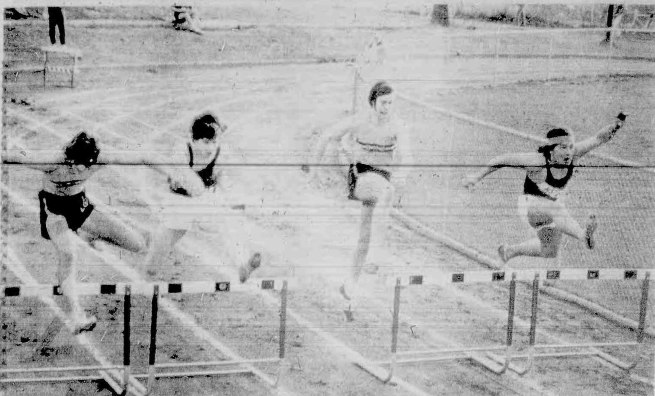

Montclair Golf Club is one of the oldest in the country, having been formed in 1893. It moved to its present location in 1899 and has 36 holes in addition to tennis and paddle tennis facilities, a swimming pool and a beautiful clubhouse. The course is unusual in that each of the four nines starts and finishes at the clubhouse. The Women's Amateur Championship will be played over the third and fourth nines, which will

measure 6,060 yards and will have a par of 37-36-73 for this championship.

General chairman for the championship is Kenneth T. Gordon of Essex Fells. He is a former president of Montclair Golf Club and the Metropolitan Golf Association and is a member of the Executive Committee of the USGA.

Applications for a \$12.00 season ticket, which includes clubhouse privileges, may be obtained by writing the club, P.O. Box 104, Montclair, N.J., or calling the club office at 293-1800.

Entry forms for the championship are available at USGA headquarters in Far Hills, N.J. and at USGA member clubs.

LOW HURDLES — At the outset, sophomore Ken Drake (left) takes the lead on his way to a win. Second from right is Bob Sanders. Drake's win was his second in two meets for the Blue and Gold.

TOM SANDERS, also a sprinter, shows his form in the discus competition with a mighty effort.

FOLLOWING THROUGH with an effort, Bob Luongo watches the course of his discus toss, which won him the event.

CINDERWOMEN — Feminine hurdlers Aida Stefanelli (left) and Kathy Warnasch ran in their second official meet on the formerly all-male track team Friday against West Orange.

EFFORT shows on the face of Tom Sanders (second from right) as he strains at the end of the 100-yard dash to overtake his Cowboy opponent. Sanders had to settle for second. At the left is Greg Bunch.

Cowboys Edge Out Thinclads

(Continued from Page 13)

reaching 111 feet, nine inches for third.

One of the big surprises of the day was the pole vault, where Bellboys John Dougherty and Chuck Hill both cleared eight feet and were awarded second and third places while West Orange's only vaulter won.

Rich Filipek again placed second in the high jump as he cleared 5 feet, two inches.

On Monday, the Bellboys face a visiting squad from Vailsburg in a meet at Municipal Stadium.

Diamonddeers' Debut Fizzles into Shutout

(Continued from Page 13)

runners on first and third. When Stanford followed with an infield hit deep in the hole between short and third, Puleo scored the first run of the game. In the fifth inning the Bengals went two up. Bill Flannery started things with a single to left field. Sasso's sacrifice bunt moved him to second base. A wild pitch got Flannery over to third base, and he scored on Barry Shier's sacrifice fly to deep right field.

Most of what followed after this was anticlimax. Sasso

who had a perfect game through five innings, saw it go by the boards when Mark Cervasio led off the sixth inning for Belleville with a double to become the local club's first baserunner of the young season. A little later on in the inning Phil Cuzzi walked leaving runners on first and second with one out. However, a pop foul and a groundout got Sasso out of trouble.

Bloomfield got their last three runs in the bottom of the sixth, using three hits and three Bellboy errors to gain a

5-0 advantage in the score. Belleville tried one last threat against Sasso in the seventh inning when Joe Cancelliere singled and Vin Lipoma walked with one out. However, a strikeout and a fly ball ended the contest and left the Bellboys still searching for their opening victory of 1973.

'Taster Supper' Planned By Georgian Courtesiers

Good food, well prepared and served, is the attraction on Wednesday evening, May 2 at a "Taster Supper" planned by the Northern New Jersey Chapter of the Georgian Court College Alumnae Association. Beginning at 7 p.m. at the Maplewood Women's Club, 60 Woodland Road, Maplewood, the buffet tables will feature a variety of appetizers, main dishes and desserts designed to satisfy every palate generously.

Beck's Column

The Magnavox Company has come out with several burglar alarm and one fire detection device specifically designed for home use. The prices are relatively low, in the \$100-range and the apparatus are easy to install.

Every minute of every day one American home catches fire, and four are burglarized. Just look and ask around your neighborhood. It is surprising how many homes are "hot" these days. The newspapers are full of reports of burglaries, and who knows, your home or apartment may be next. The surprising part is that so many apartments are burglarized as homes. Every home and apartment needs this protection.

Since so many wives work these days and the homes or apartments are without any kind of supervision for hours every day, burglars take their time and make thorough search, leaving a terrible mess. It is well known that a burglar will run at the slightest sign of difficulty. A burglar alarm system will scare them off. There are plenty of homes and apartments without alarms, they have lots of choices. They won't even go near a place where they only suspect that there is an alarm system.

Some insurance companies lower the rates if a fire protection and burglar alarm system has been installed. In such cases the saving in premium may well pay for the cost of the apparatus.

We have a display of these systems and invite you to come in and look them over. The purchase of one of these devices may well turn out to be a good investment.

We service what we sell. Beck's Radio, TV, Hi Fi Nutley 667-4223

Blue and Gold Oarsmen Sweep 4, Need Practice

(Continued from Page 13)

stroke was too high — about 37 or 38 strokes per minute.

"The power and endurance are there," Giuffrida continued, "but we're going to have to have some long workouts to build technique." The coach attributed the problems to the relative inexperience of the oarsmen, most of whom are in their first full year of varsity competition.

Seniors Craig Davis and Alan DeMasi Saturday rowed in their first varsity race of the season after recuperating from pre-season back injuries. The two veterans replaced Joe

Vazquez and John Smith in the first shell.

The Jayvee shell defeated Harrison by five seconds with a time of 5:10. Upper Merion trailed again. Giuffrida commented the competition was "a good race in rough water."

The coach went on to say the 135-pound shell "rowed the best mile of the day — very smooth, very strong," as they posted a time of 5:18 to come in at least 30 seconds ahead of Harrison — a lead of seven boatlengths. In that race, the 135-pounders also defeated Upper Merion's Jayvee oarsmen.

"The freshmen race was a

real thriller," said Giuffrida, "with our boys taking the lead and Harrison coming back very close at the end of the first quarter." The freshmen, racing against Harrison sophomores, won their first competition of the season by five seconds with a time of 6:00.

Looking ahead to Tuesday, Giuffrida said, "we expect to find out just how good we are," when the crew goes against Roosevelt, described by the Belleville coach as "a real powerhouse." He added, "Roosevelt has consistently good crews, and the sport is one of the largest they have at the school. They were national champions about four years ago and they have an excellent coach (Scott Sanford)."

The same lineup as rowed against Harrison will cast off in the Roosevelt race, said Giuffrida. This week will be spent with an emphasis on technique, as Giuffrida will concentrate in lowering the stroke in the varsity shell.

Montclair's Schmidt To Be Feted in May

(Continued from Page 13)

players including Pete Capitano, Paul Szm and Nick Petti.

During his years at MSC, Schmidt has also coached the cross-country and tennis teams.

Schmidt has played a major role in Montclair State's athletic growth over the years to its present status as one of the leading College Division colleges in the East.

He founded the Eastern

Football Conference and played a major role in the founding and development of the New Jersey State College Athletic Conference.

Schmidt will move to Cape Cod, Massachusetts following his retirement in June.

Tickets for the Schmidt dinner are \$7.50 and may be purchased through "H.E. Schmidt Testimonial," Athletic Office, Montclair State College, Upper Montclair, New Jersey 07043. Stags or couples are welcome.

Organization Doings

Music Parents Group Funds Young Talents

The Belleville Music Parents Association was organized in September 1972, at a suggestion by Music Director Frank Scelso. The group has over 100 members and function as an adult advisory fund raising committee for youngsters active in Belleville's music department. This first year, their efforts were concentrated on the BHS band, twirlers, color guard and orchestra. Two fund raising events were held. "The Sound of Music" presented by the Willowbrook Players and a spaghetti dinner at Fewsmith Church. By now, all should know that the youngsters from BHS will be going to Bermuda during the week May 14-19.

Membership in the Music Parents Association is not restricted to those who have children in the music department. For information, you may contact the president of the group, Bill Donival at 751-0605. He tells us that 26 adults will be accompanying the BHS youngsters on their trip and about 15 of those are members of the Music Parents Association. The group will stay at the Army barracks, Camp Warwick, and plan to give two possibly three, shows to the schools in Bermuda and at the U.S. Naval Air Station. Donival will be going on the trip, as will his son, Robert, a trumpet player in the BHS band.

Other officers include Jim LaMotta - vice president, Mrs. Roxanne Flocke - corresponding secretary, Renee Morel - treasurer, Mrs. Betty Della Torre - recording secretary. Also - Mrs. Elsie Winslip - membership chairman, Mrs. Clotilde Westpy - hospitality chairman, Sam Zaccone - ways and means

chairman, Mrs. Jennie Cassin - program chairman and the next meeting will be May 23 at which the nominating committee will present the slate of officers for 1979-80.

other month at the Senior High School and the next meeting will be May 23 at which the nominating committee will present the slate of officers for 1979-80.

Cub Scouts Visit Armor Battalion

Local Cub Scout Pack 377 and parents recently visited the second Battalion 102 Armor, Lt. Col. Peter P. Angelos Jr. commanding, located at 1315 Pleasant Valley Way, West Orange, and about 100 people attended.

The day had a twofold purpose. First, it provided an educational experience for the Cub Scouts, allowing them to see and study the equipment that the Armor Battalion employs; secondly, it provided a means of informing the parents of the activities of this Battalion.

The day began at 9:15 a.m. with a lecture in the Grill Room. It consisted of the history of the National Guard, and its role and function within the community, and its role in our national defense.

The Cub Scouts and their parents were then served a lunch and broken down into groups of 10 to 15 individuals and escorted to different displays located throughout the armory. These exhibits consisted of a display of small arms, communications display, mock-up of M48 tank turret, vehicle display, and a tour of the arms and supply rooms, as well as the orderly rooms.

Once outside, they were escorted through the motor pool where jeep and tank roles were provided for the scouts and their parents. There were experts and demonstrators at each display. These rides and displays were set up and maintained by the men of Company C and combat support company.

After having toured the displays, the visitors were then Soprano and Baritone To Join Link Singers.

Viscountess Thalia Vamvakas, lyric soprano, and Arthur DeCandia, baritone, will join the 100-voice Link Singers in a concert in the auditorium at the Caldwell College Center, Caldwell, on Sunday, May 13 at 4 p.m.

The concert has been designed to satisfy a wide range of tastes. There will be music by Cesar Frank, Mozart, Puccini, Verdi and Handel, as well as selections from Oklahoma.

escorted back to the Grill Room where they were shown two films on "Orientation on Armor" and "Armor Mobile Forces-Firepower Demonstration." This was followed by a 15-minute talk on the role of the second Battalion 102 Armor and its role in today's armed forces structure.

Scout officers expressed thanks to the officers of the second Battalion and McDonald's Restaurant on Newark Ave. in West Orange for supplying the food for the scouts luncheon.

Convicted For Using False Slip

Fulton Beck, 22, of 33 Waverly Avenue, Newark, pleaded guilty in Belleville Municipal Court March 28 to a false pretenses charge, and was sentenced by Judge Edward A. Abramson to the time he had spent in Newark Street Jail pending trial.

Judge Abramson also placed the defendant on two years' probation, beside sentencing him to the 16 days he had been locked up after defaulting jail set at \$100.

Beck was arrested March 12 by Belleville detective Ronald Thompson.

Fined for Holding Weapons

Walter S. Malena, 366 North Grove Street, East Orange, March 24, pleaded guilty to possessing two dangerous weapons, and was sentenced by Judge Edward Abramson to the time he had already spent in jail.

The 20-year-old was also fined \$250 for possessing a switchblade knife and a starting pistol, and was placed on one year probation. In lieu of bail Malena had spent 17 days in Newark Street Jail while awaiting trial. He was arrested March 17 by Belleville officer Richard Gough.

WINNERS — Lisa Giovanello and Cynthia Livingstone, both 12, recently took third place honors in a contest held by the Accordion Teachers of New Jersey. Both are students at James G. Shawger School.

Advances At Maass Hospital

Mrs. Andrea Hanlon, R.N., B.S. has been appointed Acting Head Nurse of two South at Clara Maass Memorial Hospital. Mrs. Nancy Massello, Director of Nursing Services announced recently.

Mrs. Hanlon is a graduate of Georgetown University, Washington, D.C. and a member of the Sigma Theta Tau National Honor Society for baccalaureate nurses. While attending Georgetown University she submitted a technical paper and lectures at a seminar on Lead Poisoning. Through these efforts the U.S. Public Health Dept. re-opened hearings on the subject of lead poisoning and appropriated additional funds for areas affected by lead poisoning.

Mrs. Hanlon is the former Andrea Fedoruk of Point Pleasant Beach, N.J. and now resides in North Arlington with her husband Edmund.

AN EQUAL OPPORTUNITY EMPLOYER

SECRETARY

(For Our
Bloomfield Location)

WHO CAN HANDLE
ADMINISTRATIVE DUTIES...

and even screen publications and maintain a small
departmental library — in addition to secretarial
duties, existing Corporate Planning Manager. At
least 5 years of experience, with excellent typing
and steno skills, is required; plus ability to work in-
dependently, taking care of many administrative
details. An interesting, varied job, this will use your
full abilities and initiative.

Scherer, a major pharmaceutical/health care com-
pany active worldwide, offers good salaries,
excellent facilities, and very liberal and complete
benefits. We emphasize conditions that enhance
personal growth and job satisfaction.

Howard powered means the highest interest rates allowed by law
 You just can't beat these yields:

TIME SAVINGS	REGULAR SAVINGS
<p>6% = 6.27%</p> <p>a year effective yield</p> <p>This high effective annual yield is yours on all 6% Time Savings Accounts with maturities of from 2 to 5 years when you deposit as little as \$500. Continuous compounding does it. (Account subject to FDIC regulations.)</p>	<p>5% = 5.20%</p> <p>a year effective yield</p> <p>Tuck your savings away knowing that you're getting the highest effective annual yield. Continuous compounding, monthly dividends, day-of-deposit to day-of-withdrawal interest. Just leave \$10 in till the end of the month.</p>

LEGAL NOTICE
propriated the sum of \$56,000, said sum being inclusive of all appraisations, heretofore made therefor, and including the sum of \$2,800 in the down payment for said improvement, heretofore made therefor by and now available therefor by virtue of provision in a resolution of the Board of the Town previously adopted.
Section 2. For the financing of work improvement or purpose and to meet the part of said \$56,000 up-propriation not met by said down payment, negotiable bonds of the Town, made by the Town for the improvement, are hereby authorized to be issued in the principal amount of \$53,200 pursuant to the Local Bond Law of New Jersey in anticipation of the issuance of said bonds and to temporarily finance said improvement or purpose, negotiable notes of the Town in a principal amount not exceeding \$53,200 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Law.
Section 3. (a) The improvement hereby authorized and the purpose for the financing of which said obligations are to be issued is the improvement of DuMau Park by the installation of a complete lighting system on all tennis courts and the installation of an underground sprinkling system and including, therefore, all necessary or incidental work or materials, and all in accordance with the plans and specifications, therefore, prepared or to be prepared, and filed in the office of the Town Clerk.
(b) The estimated maximum amount of bonds or notes to be issued for said purpose is \$53,200.
(c) The estimated cost of said purpose is \$56,000, the excess thereof, over the said estimated maximum amount of bonds or notes to be issued therefor, being the amount of the said \$2,800 down payment for said improvement.
(d) The said purpose described in Section 3 of this bond ordinance is not a current expense and is a property or improvement which the Town may lawfully acquire or make as a general improvement or for the improvement or purpose for which the Town may make an appropriation and no part of the cost thereof shall be specially assessed on property specially benefited thereby.
(e) The period of usefulness of said purpose, within the limitations of said Local Bond Law and according to the reasonable life thereof computed from the date of the said bonds authorized by this bond ordinance, is fifteen (15) years.
(f) The supplemental debt statement required by said law has been duly made and filed in the office of the Town Clerk and a complete executed original thereof has been filed in the office of the Director of the Division of Local Government Services, in the Department of the Treasury of the State of New Jersey, and such statement shows that the gross debt of the Town as defined in said Law is increased by authorization of the said obligations provided for by this bond ordinance by \$53,200 and that the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Law.
(g) An aggregate amount not exceeding \$1,120 for items of expense mentioned in and permitted

LEGAL NOTICE
NOTICE OF PENDING ORDINANCE
The Bond Ordinance published herewith was introduced and passed upon first reading at a meeting of the Board of Commissioners of the Town of Nutley, in the County of Essex, New Jersey, held on April 3, 1971. It will be further considered for final passage after public hearing thereon, at a meeting of said Board of Commissioners to be held in the Commission Chamber, third floor, Town Hall, Kennedy Drive, Nutley, N.J., on May 1, 1971, at 8:30 o'clock P.M., prevailing time, and during the week prior to and up to, and including the date of said meeting, copies of said ordinance will be made available at the Clerk's Office in the Town Hall to members of the general public, who shall request the same.

LEGAL NOTICE
NOTICE OF PENDING ORDINANCE
THE BOARD OF COMMISSIONERS OF THE TOWN OF NUTLEY, IN THE COUNTY OF ESSEX, NEW JERSEY, NOT less than two-thirds of all the members thereof, affirmatively concurring, DO ORDAIN AS FOLLOWS:
Section 1. The improvement described in Section 3 of this bond ordinance is hereby authorized as a general improvement to be made or acquired by or on behalf of the Town of Nutley, in the County of Essex, New Jersey, for the said improvement or purpose stated in said Section 3, there is hereby ap-

LEGAL NOTICE

under Section 40A:20-20 of said Law, has been included in the foregoing estimate of the cost of the improvement or purpose by virtue of provision in a budget or budgets of the Town previously adopted.

Section 2. For the financing of said improvement as purpose and to meet the part of said \$56,000 not met by said down payment, negotiable bonds of the Town, which to be known as "Improvement Bonds" are hereby authorized to be issued in the principal amount of \$53,200 pursuant to the Local Bond Law of New Jersey, in anticipation of the issue of said bonds and to temporarily finance said improvement or purpose, negotiable notes of the Town in a principal amount not exceeding \$53,200 are hereby authorized to be issued pursuant to and within the limitations prescribed by said Law.

Section 3. (a) The improvement hereby authorized and the purpose for the financing of which said obligations are to be issued is the improvement of DeMuro Park by the installation of a complete lighting system on all tennis courts and the installation of an underground sprinkling system and including, therefore, all necessary or incidental work or materials, and all in accordance with the plans and specifications, hereby prepared, or to be prepared, and filed in the office of the Town Clerk.

(b) The estimated maximum amount of bonds or notes to be issued for said purpose is \$53,200.

(c) The estimated cost of said purpose is \$56,000, the amount over the said estimated maximum amount of bonds or notes to be issued therefor, being the amount of said \$56,000, the amount over the said \$53,200 down payment for said purpose.

Section 4. The following matters are hereby determined, declared, rectified and stated:

(a) The said purpose described in Section 2 of this bond ordinance is not a current expense and is a property or improvement which the Town may make an appropriation and no part of the cost thereof shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of said purpose, within the limitations of said Local Bond Law and according to the reasonable life thereof computed from the date of the said issue of said bonds or notes, is fifteen (15) years.

(c) The supplemental debt statement required by said Law has been duly made and filed in the office of the Town Clerk and a complete executed original thereof has been filed in the office of the Director of the Division of Local Government Services, in the Department of the Treasury of the State of New Jersey, and such statement shows that the gross debt of the Town as defined in said Law is increased by authorization of the said obligations provided for by this bond ordinance by \$53,200 and that the said obligations authorized by this bond ordinance will be within all debt limitations prescribed by said Law.

(d) An aggregate amount not exceeding \$11,200 for items of expense mentioned in and permitted

T. DeLorenzo; Lifelong Resident

A funeral mass was held April 5 at Holy Family Church for Thomas DeLorenzo, 111 Bloomfield Avenue, who died April 1 at Clara Maass Memorial Hospital. He was 66.

Born in Nutley and a resident here his entire life, Mr. DeLorenzo was an elevator operator at Soho Hospital, Belleville until retiring ten years ago.

He is survived by his wife,

Mrs. Anna Valenti DeLorenzo, two daughters, Miss Barbara Ann and Miss Philomena both at home, two sisters, Mrs. Catherine Triano and Mrs. Anna Miele both of Belleville, and a brother Anthony of Arkansas.

The Rev. Robert Cuzzini officiated the service which was handled by the S.W. Brown & Son Funeral Home. Interment was at Glendale Cemetery, Bloomfield.

Augusta Burkhardt

Funeral services were held April 7 at St. Peter's Church for Mrs. Augusta Burkhardt Hughes, 9 Van Rensselaer Street, who died April 5 in Columbus Hospital, Newark. She was 76.

Mrs. Hughes was born in Belleville and lived here most of her life, spending some time in Newark. She was predeceased by her husband the late Joseph H. Hughes.

Mrs. Hughes is survived by three daughters, Mrs. Mary Varone of Wayne, Mrs. Vera

Molinaro of Parsippany, and Mrs. Theresa D'Alessandro of Newark; five sons, Joseph A. of Roselle, Daniel J. of Nutley, James J. of John Hughes, and Francis M. all of Belleville, and by 23 grandchildren and one great-grandchild.

The Rev. James F. Heavly officiated the services handled by the Kierman Funeral Home, 101 Union Avenue. Interment was at St. Peter's Cemetery, Belleville.

Mrs. Nash, Here Since 1942

A funeral mass was held April 6 at St. Peter's Church for Mrs. Julia A. Forsythe Nash, 93 Dow Street, who died April 5 at Clara Maass Memorial Hospital. She was a resident of Belleville since 1942.

A native of Newark, Mrs. Nash was predeceased by her husband the late Reginald Nash, and her son, the late

George M. Nash. She is survived by a daughter Mrs. Doris Loguidice, Oxford, and by five grandchildren and seven great-grandchildren.

Services were officiated by the Rev. Richard J. Gronki and were arranged by the Kierman Funeral Home, 101 Union Avenue. Interment was in St. Peter's Cemetery, Belleville.

Drunken Drivers Getting the Heat

Statistics may not tell the whole story but they are showing enough to warrant a special task force of State Troopers conducting an intensive campaign against drinking drivers and other flagrant violators of motor vehicle laws on the Garden State Parkway.

Commissioner John B. Townsend of the New Jersey Highway Authority, which operates the Parkway, today said the task force issued 111 summonses to drinking drivers in its first nine months of operation.

The task force, a six-man unit of State Troopers in unmarked, unrelabeled cars, was established last June 1 as an arm of Parkway Troop E to take particular aim at drinkers behind the wheel and others whose driving creates traffic perils.

In the nine months since the task force was established, it has issued 111 summonses to drinking drivers and 14 criminal complaints and assisted in 56 criminal investigations.

Behind the figures attesting to the effectiveness of the unit, Commissioner Townsend said, is another important ingredient in the Highway Authority's efforts to combat the alcohol menace on the Parkway: the "fear of arrest" factor.

Captain Joseph S. Szoja, commander of Troop E, said announcement of the statistics is timely because the unseasonably warm weather has been bringing out more and more motorists.

Commissioner Townsend noted the unit has issued 2,286 summonses, including 2,224 for hazardous violations. The figures include 1,632 summonses to speeders.

The special force covered 169,240 miles, handled 119 traffic complaints and 742 traffic investigations, picked up 21 individuals driving while on the revoked list, apprehended 12 reckless drivers. Besides, it recovered four stolen cars, three with occupants, and initiated 14 criminal complaints and assisted in 56 criminal investigations.

Behind the figures attesting to the effectiveness of the unit, Commissioner Townsend said, is another important ingredient in the Highway Authority's efforts to combat the alcohol menace on the Parkway: the "fear of arrest" factor.

Captain Joseph S. Szoja, commander of Troop E, said announcement of the statistics is timely because the unseasonably warm weather has been bringing out more and more motorists.

BUSY LEARNING — Kindergarten teacher Mrs. Anita Schulz watches the progress of students at School Eight as they pore through their Scott Foresman books. Children shown here are (l-r) Stephen Tyburski, Anthony Rock, Anna Marie Nardone, Renee Scucci and Cynthia Mathews.

Belleville Kindergartens Bring Reading into Children's Hands

(Continued from Page 1)

one child may be ready to develop reading skills while

another is not. She said she favors early entrance to kindergarten for children

proven to be capable of grasping reading skills, but who have not yet reached the legal age of admission (five years). "We do have to be selective in some way," she said, "but there should be tests given to those children where there is a question of their readiness."

"That way a child wouldn't be punished by having been born too late," added Mrs. Havel.

"In kindergarten, even a few months is a large difference in age," stated Mrs. Torre.

"The point is that we're trying to consider each child individually," said Mrs. Havel. Miss Gower and Mrs. Torre both agreed this is the

"ultimate goal" of kindergarten education.

The specialists pointed out that in no two classes are children on the same reading level. There is no great pressure on a child to start or move on to a higher level. At the same time, said Miss Gower, "there is a good deal of direction. It's not that the children go to the corner of the library and read. They're enjoying the learning process, and that's important too."

"The aim of the entire program is to give a foundation to learning to read in the first grade," she concluded.

"At the same time," said Mrs. Torre, "the kindergarten pupils really enjoy the program."

Junior Woman's Club Slates Window Painting

On April 19, 20, and 21, the Junior Woman's Club of Belleville will sponsor an Easter Window-painting contest.

Fourteen local merchants on Washington Avenue have cooperated with this venture by allowing eighth and ninth grade Belleville Junior High students to decorate their windows with pictures which reflect "The Joy of Easter."

The initial part of the contest will begin in school when the students will choose the fourteen best pictures created by their peers.

The final judging will take place on Saturday, Apr. 21. A

Town official, a member of the Junior Woman's Club of Belleville, and a member of the Woman's Club of Belleville, will comprise the judging committee. The Parks and Recreation Department will donate prizes to the winners.

There are many smart people but few students.

Symphony to Present All-Beethoven Night

An all-Beethoven program, to include his Violin Concerto, his Eroica Symphony, and his Fidelio Overture, will be presented by the New Jersey Symphony Orchestra on Sunday afternoon, April 15, at Montclair High School. The concert, which begins at 3:30 p.m., will be the final one of the Symphony's 1972-73 series at Montclair High.

Isaac Stern will be the soloist in the performance of the Violin Concerto, while Henry Lewis, Music Director of the Symphony, will conduct this season-closing concert.

The occasion will mark the orchestra's first performance of Beethoven's towering Eroica, or Third Symphony, in more than a decade and first ever under the baton of Lewis. The Eroica, considered by some to be the most profound and beautiful of Beethoven's creations for the orchestra, was composed at the time in his life when deafness first began to afflict him. The inner turmoil which beset him because of it is revealed in parts of this great symphony.

Your Party is a sure winner

at Monticello Raceway — from start to finish!

You've picked a winner when you pick Monticello for your group's next party. We'll throw you a party you'll never forget. It starts with a delicious full course dinner, complete with wine, and finishes with 9 thrilling races (and lots of excitement in between!).
