Local Man Declares Freeholder Candidacy

Frank Racanelli
Seeks Freeholder Spot

Frank Racanelli, 40, of 62 Hornblower Avenue, is one of three candidates to appear on the Brendan Byrne Democratic line for the Essex County Board of Freeholder in the June 5 primary.

A six-year resident of Belleville from North Newark, Racanelli has not yet held an elected office, but has worked on the campaigns of various officials.

He joins a ticket headed by gubernatorial hopeful Brendan Byrne and including other Freeholder candidates Shirley Aquart and Carmen Casciano, both of Newark.

Racanelli is a self-employed commercial contractor, and a veteran of the Korean Conflict. He and his wife Virginia, an officer of the School Eight Home and School Association, have three children.

He was selected in late April to run on the Byrne line. Racanelli, who said he once considered running for Commissioner in Belleville, has worked on the 1968 campaign for Assembly of Ralph Caputo and the campaign for Freeholder of Joseph Iannuzzi. Racanelli is presently a member of the North Ward Democratic Organization. He lived in Newark 26 years before coming here.

The Byrne ticket which Racanelli supports includes state Senatorial candidate Gregory Castano and Assembly hopefuls John F. Cali and Michael F. Adabato. Castano and Cali are from Hudson County, while Adabato is a Newarker.

'Illegal,' Says Mary

Greg Castano Defends Two-County Residence

The race for the Democratic State Senatorial nomination warmed up last week as Mrs. Mary Senatore took the occasion of her campaign headquarters opening last Thursday to reveal that her opponent, Gregory Castano, Harrison Tax Assessor, resides in West Caldwell, a town not included in the reapportioned 30th district. She said Castano "is not a true representative of the 30th District."

Castano attended a tea in Belleville Monday night where he responded to the charge, saying he never attempted to hide his Essex residence. Castano said Mrs. Senatore "is not motivated by malice, but she is misinformed and apparently does not understand the laws of New Jersey."

"If she did," he continued, "she would know that in 1960, the Legislature adopted a law that recognized that a man

have two residences and could designate which his main residence. The law further provides that a man may — he does not have to — file a statement with the Superintendent of Elections, indicating he has two residences, describing them and designating which is his main residence. I did this three years ago, long before any legislative districts came into being or were even thought about."

"He's wrong," responded Mrs. Senatore Tuesday. "He has to claim his voting record from the place where he resides with his family," Mrs. Senatore says. Castano is claiming the residence of his parents in Harrison at 313 Cleveland Avenue, while living with his wife and children at 19 Sunset Road in West Caldwell.

Castano freely admits to owning both houses and paying taxes on each. He said he purchased the second home in West Caldwell "because our family doctor insisted that because of allergies my wife and my oldest boy could never enjoy good health unless they were removed from an industrial atmosphere."

Arrest Two After Manhunt

A Belleville-Newark police dragnet caught two brothers from Elizabeth fleeing a fatal Newark shooting early Tuesday morning, after officers traded shots with the pair and tracked them through the Essex Street railroad station area. No one was injured in the incident, which was touched off when Officers Salvatore LoCoco and Joseph Simonetti gave chase to a 1969 Buick speeding down Washington Avenue from Newark at 1:27 a.m. At Washington and Essex Street, the car skidded to a halt and the two suspects fled on foot towards the station. The two officers followed and were joined by about 10 other policemen from Newark and Belleville.

According to Deputy Chief Frank Haight, the suspects then opened fire on the officers, who shot back. No one was hit in the exchange of gunfire and the pair again fled, one leaping onto the railroad tracks and the second running into a wooded section in the area.

Acting Deputy Chief Joseph Lister, Sergeant Philip

Salmon and Officer Joseph Mulvihill discovered and apprehended one suspect shortly afterwards, and found nearby a .38 calibre revolver and a .30 calibre carbine. The suspect, aged 28, is from Elizabeth.

At 5:44 a.m., Officers Mulvihill and Simonetti came upon an unattended cellar door during a check of private homes on Cortlandt Street. After consulting with the homeowner, they called for a backup squad and Sergeant Salmon, Deputy Chief Lister and Officer Robert Senior

Delayed by Freeze

Police, Firemen Ready for Raise

by Ken Moore

After nearly 18 months of negotiation, the Belleville Board of Commissioners is expected to approve a 1.3 percent increase in pay to police and firemen on Tuesday night.

Including the 5.5 percent increase given to all Town employees January 1, this will give the Public Safety

employees a total 6.8 percent increase. The hike had been held up when it was found the total increase would violate Federal wage guidelines, formerly set at 5.5 percent, but since relaxed.

Patrick Moore, president of the Patrolman's Benevolent Association in Belleville, said the members of the group are "very satisfied" with the prospective

increase, and added the boost should bring Belleville "right in line" with other Essex municipalities. In pleading his case before the Commissioners months ago, McCabe had said the starting salaries of Belleville police officers ranked about "fifth from the bottom" in comparison with the other 24 law enforcement agencies in Essex County.

The new salary guide, retroactive to January 1, will range from \$10,709 to \$11,275 for a patrolman and in 1974, that will jump to a range of \$10,749 to \$12,000. This year, police lieutenants and fire captains can expect a raise to \$13,643, while sergeants will earn \$12,403.

Police captains will receive \$15,007 in 1973, while deputy fire and police chiefs will earn \$16,508. The two chiefs of both departments will earn \$18,159 in 1973, and that will be increased to \$19,326 in 1974.

The amended salary ordinance provides for a 10 percent differential between ranks. The draw-out negotiations resulted not from an unwillingness of the Commissioners to grant the 6.8

(Continued on Page 3)

Public Works Show Opens on Wednesday

If a sanitary sewer or a storm drain were to break down in Belleville next Wednesday, there would be an overload of help available to contain the emergency.

Not only will the most modern light and heavy

equipment be brought into the Municipal Stadium as Belleville hosts the annual meeting of the New York-New Jersey Metropolitan Chapter of the American Public Works Association, but the leading heads of Public Works departments from the area will also be on hand.

Commissioner Mary V. Senatore of the Belleville Department and her staff have been preparing months in advance for the event, which is free and open to the public.

The day starts with registration and displays of the equipment at 9 a.m., and will include seminars and lectures on sanitation and environmental protection.

A buffet lunch will be

served at the stadium at noon and invited guests will dine at Branch Brook Manor in the evening.

Among the local officials scheduled to attend are the Mayor and all the Commissioners. Town Clerk Eugene Barnett and Purchasing Agent Thomas McLaughlin, Guest speaker will be Mayor Joseph McGreevy.

It is estimated nearly 35-40 stalls will be filled at the stadium, with some industrial equipment companies renting four stalls to house their displays.

(Continued on Page 3)

Strumolo Appeals For Cancer Fund

Vincent T. Strumolo, Belleville Cancer Crusade chairman said the charity drive has been extended to the end of May in an effort to raise the goal of \$7,800 for the town.

Strumolo said he would like to reach or surpass last year's collection of \$8,187, but said the Crusade this week is only about "halfway there."

"Our workers are doing a good job, but they can't get into every door in Belleville," he said. "Every dollar will help."

He said checks payable to the American Cancer Society, can be sent to the Public Affairs Office at 383 Washington Avenue in Belleville.

"We must consider that cancer allows no one to remain a non-combatant in its ceaseless destruction of human life," Strumolo said. "Its silent attacks are made without consideration of age, sex or social position."

Bellevilles can help the local drive to success by participating in the American Cancer Society Garage Sale

Benefit to be held May 31, June 1 and 2, 10 a.m. to 7 p.m. daily at the Essex County headquarters of the society at 336 South Harrison Street in East Orange.

The group is searching for items to be placed on sale, including all types of furniture and foods. For information call 678-1990.

Merchants Set Sale On Avenue Tomorrow

Local merchants will display their wares on the sidewalks of Washington Avenue tomorrow and Saturday in a unique sale sponsored by the Chamber of Commerce.

Bargain-hunting in the sun will run from 9:30 a.m. to 9:30 p.m. tomorrow and from 9:30 a.m. to 6 p.m. Saturday. Participating stores will be marked with red and yellow banners. Should the sun refuse to shine and the rain decide to pour, the sale will go on next weekend, May 25 and 26.

The event is one of two annual sales sponsored by the Chamber and is considered to be unique in this area. Local businessmen mark down prices on goods left over from the Easter season and specials are found in abundance.

Billed as a "family affair," the sale is expected to see more participating merchants this year than ever before.

One of the major business events of the year in Belleville, the Chamber of Commerce sees the sidewalk sale as a top-level project.

Library Report Lists '72 Activity

Bellevilleites visited the Public Library over 70,000 times during 1972 and borrowed 118,787 items.

These and many other facts about the library are contained in the Annual Report presented to the Library Board of Trustees by Gerard R. Hickey, Acting Library Director.

According to the report, which was adopted by the Board at a recent meeting, at the end of 1972 the library's collection included 68,188 books, 2,034 disc recordings, 186 filmstrips, 86 8mm and 16mm films, 153 periodical subscriptions, back issues of which are available for reference and 81 art reproductions all which may be borrowed by the public.

In conjunction with the library's 16mm film collection, films are also available through the Garden State Library Circuit of which the library is a member and the East Orange Public Library which is a film distribution center for Essex and Hudson County Libraries.

During the year a total of 268 programs ranging from children's handicraft and animal shows to adult book discussions and musical concerts were presented by the library.

Referring to the library building, the report noted a number of repairs such as the painting of the Silver Lake Branch and the installation of new lights and ceiling at the Main Building. Noted also, was the fact that the present library is seriously overcrowded; it provides only one-third the space recommended

(Continued on Page 3)

Times Change; Problems Don't

by Town Historian Allan Crisp

Times change, but problems remain basically the same. Here are excerpts from an issue of the "Gazette," a Belleville paper issued on Jan. 4, 1879, almost 100 years ago:

"The new year has fairly begun and to all appearances will be prosperous... There is no earthly reason why we should, as a nation stand still. The country is rich; the soil is good; the men are smart and the idea that it cannot advance is ridiculous. Some are not satisfied with government, that there are dishonest men at the head, etc., but what has that to do with individual progress? A man must not suppose the country lost because his man was not elected."

"Every man has his good and bad time. When he is prosperous he forgets; when he is poor he learns. Life is as we make it in many instances."

"We have got to where we left off 1860 and if every person will work as hard for his own advancement and for the town's, as he did to free the slave, we will soon be on as good a footing as before the war."

"Don't neglect to put a pane of glass in place of the broken one in the kitchen window because Hayes was elected; do not forget to put the knob on the door because your man was not made Sheriff, or tell your wife it is nonsense to fix or buy anything but what you want because the world may come to an end in '81 but jump in, be merry, and life will become agreeable to you in spite of yourself."

Here are a few items from the "Gazette."
"Mr. Walter Stanton has introduced the new musical instrument 'Trumpette.' He plays it with consummate skill, and the only thing you wonder at when he stops is that he hasn't blown the top of his head off."

"Since the young men of the village have been taking lessons in German of an evening, night-keeps are allowed."

"New Year's day was celebrated in an old fashioned way, good humor triumphing over all other feelings."

"Messrs. Wharton & Van Ripper are about \$50 out of pocket by their carriage breaking to pieces, owing to the miserable condition of the streets."

"More robberies—more thieves—more burglars. No more indignation meetings—no more nothing!"

The following visitors are stopping at Belleville at present:
Mr. Mark Ashton, wife and daughter
Mr. Caleb Hanson and son
Mr. T. Chubb
Mr. D. Bustie
Miss P. Jones

"Miss Minnie Hank, having entirely recovered from her recent indisposition, left on the ten o'clock train last Wednesday evening for Boston."

"John Holmes entertained a number of his friends at a supper given by him at his residence on Christmas

(Continued on Page 3)

Club Shows Work by Blind

ADMIRING HANDICRAFT of blind craftsmen at an exhibit by the New Jersey State Commission for the Blind are three ladies from the Junior Woman's Club which sponsored the visit by the mobile display to Belleville last week. Shown here (l-r) are Mrs. Michael Stoneham, Mrs. Felix Forlenza and Mrs. John McNally.

Golden Comments

By James R. Golden

Welcomed are the caustic complaints of the indignant Senior Citizens of Belleville who carp about the scant consideration they receive in comparison with the rich rewards that are afforded their counterparts in Kearny, N.J.

They forward full-page ads of the grand opening of the Kearny Henrietta Benstead Senior Citizens Center and complain "How about our Senior Citizens of Belleville, or are they forgotten people?"

Editorially another publication extolled the merits of Kearny's Senior Citizen's Bus services at minimal charge for the aged. I am in complete accord with these sentiments which are indicative of the feelings presently pervading our area. In fact in Nutley, our neighbor to the north, operates such an accommodation for its Senior Citizens, without charge, with the town's Mayor, Carmen Orechio, personally driving the van without compensation.

What happens in Belleville is the immediate concern of our local governing officials, not that of this columnist. I'm in complete agreement with the view of our elderly residents, however, the responsibility of doing something about it, is that of our present office holders in town hall. Only they may exercise the power to implement such a progressive program as exists in Nutley and in Kearny. If that is what you Senior Citizens demand... Get after them... They are the ones who are empowered to satisfy your insistent demands. GOOD LUCK! I'm all for it.

(Continued on Page 4)

Sparkling Personality

Step by Step, Susan Santiglia Reached 'Showcase of Stars'

One candidate this week is Miss Susan Santiglia, daughter of Deputy Fire Chief Joe and his wife, Phyllis. The 13-year-old miss entered the Essex County CVO March at Tulare, a grammar school contest held at St. Rose of Lima Church in Livingston. She won that. She then received an application from Talent Expo, Garden State Arts Center for a statewide competition in which 750 youngsters, age 11-18 were entered.

Susan then had to participate in three district runoff competitions and her mother remembers "I drove her all over the place" visiting Livingston, Morristown and on May 7 at Washington War Memorial High School in Sayreville. Susan was one of two winners picked in each category for each division. Susan's division is classical vocal.

On June 2 Susan will be presented in a Showcase of Stars which opens the Garden State Arts Center full statewide coverage. The New Jersey Broadcasting authority will televise the show on its UHF public service channels 52, 53, 50 and 58. The show will start at 8 p.m. and is free.

to the public, groups are invited. Susan has only been taking voice lessons for a year and a half. She studies with Donald Sage of Montclair, yet she recently picked up another honor, receiving the Young Artists Award of the Masterwork Music and Art Foundation. The event is directed by David Randolph and will present Susan in concert on June 24 in Morristown.

Susan is an eighth grade student at Holy Family School, Nutley. Her sisters Joanne, 12 and Cynthia, 5, also attend that school. I am sure many of her large family in-town will be at both events to cheer her on. They include Mr. and Mrs. A. Tagliatella, Mr. and Mrs. Peter Santiglia, Ann and Dave Daniels (Susan's aunt), Mr. and Mrs. Joseph Matera (he's on the Police Dept.), Mrs. E. DeLuca (Erva was a singer, too) and Mr. and Mrs. Mike McGannon (Peggy sings with The Angels). Guess Susan comes by her talent naturally.

Politeness is a virtue that seems to be on the wane these days.

YOUNG TALENT — Susan Santiglia, 13, can be seen June 2 in the 'Showcase of Stars', televised from the Garden State Arts Center.

BHS Lists Honor Roll

Seniors topped the high honor roll for the third marking period at Belleville. High honors as 27 were named, along with 22 juniors and 33 sophomores.

Among the seniors named to the high honor roll were: Carol Fisher, Barbara Meechell, Deborah Belli, Anthony Calabrese, Anne Carollo, Rod Ciccone, James Coppola, Lynn Corina, Betty Coughlin, Nancy Dall'Acqua, Mark DiQuattro, Rose Fiary, Juan Gialanella, Michael Guiliano, Jeffrey Goodfriend, Susan Kelley, Robert Luongo, Susan Malchione, Donald Messina, Karen Mostello, Barbara Perry, Donna Rainone, Suzanne Reynolds, Shirley Russomano, Robert Spalletta, Luan Testa and Susan Winship.

Juniors achieving high honors included: Gale R. Anderson, Debrah Bader, Mary Baurle, Fran Bucklone, Joyce Buckland, Mary Ann Carissimo, Darlene Damato, Dorel De Santis, Jeanne Dobrowski, Elaine Drake, Donna Foley, Barbara Frederick, Christine Fusaro, Barbara Hodgdon, Wayne Kellenbeck, Patricia Kimmel, Mary Jo La Morle, Anne Molloy, Karen Pica, Thomas Sanders, Gail Stone, Jo Ann Greco.

The sophomores named to the high honor roll were: Andrew Babji, Kareq Bergman,

Patricia Bonkowski, Jeannine Cannavina, Patrick Caputo, Susan Cowan, Sandra Cronauer, Gary Dattio, Terry Fredis, May Jane Irzo, Bonnie Low, Mary Maroulakis, Michael McFigue, Costance Meyer, Dominic Mobilo, Mary Morriello, Susan Narucki, Raquel Romero, Costance Sougelas, Mary Splendorio, Joan Stanko, Donna Stone, Donna Tsochbakis.

The list of seniors who achieved the regular honor roll includes: Maria Ancon, Frank Arena, Diane Arli, Jeanne Aquino, George Barrett, Teresa Berrymann, Charles Bogert, Patricia Bradley, Ann Brave, Frederick Brunello, Mary Canyon, Gary Caravita, Arthur Casale, Jo Ann Cavanna, Maria Cerlione, Patricia Cheatham, Maria Christiano, Patricia Cullen, Rocco Cuzzo, Richard Cupparo, David D'Angelo, Deborah De Frank, Ann Dobrowski, Edward Dolan, Robert D'Onofrio, John Fagan, John Fagan, Mary Ferdinando,

Alan Florio, Joanne Garofalo, Susan Gasparini, Michele Giansante, Gail Guiliano, Martin Goor, Susan Griewert, Diane Harper, Barbara Iaroli, Gail Jackson, Theodore Kapuscinski, Jane Klein, Patricia Kryk, Grace Lembo, Ramon Lujia, Anita Masi, Frederick McCool, John McManus, Sandra Megna, Alison Mellich, Arlene Mellich, Marilyn Mobilo, Deborah Montalbano, Donna Monteleone, Deborah Nicosia, Gerald Panaccione, Frank Papisaldero, Carolyn Paterno, Ralph Petruzzi, Alice Jean Pettit, Maialina Raab, Marianna Racanelli, Lynn Keilly, Alfred Restaino, Rose Rinaldi, Joseph Romao, Rocco Saletta, Irene Serio, Janice Sheldon, Jean Skruskie, John Smith, Lois Smith, Susan Sorce, Lynn Stefani, Deborah Tamborino, Cora Towns, Barbara Trabucco, Perry Troina, Vincent Turterriello, Rita Vecchione, Dawn Vincenti, Cynthia Vocaturo, Kathy Waters, Susan Weaver, Josephine Zarra and Marina Zoula.

Charles Rilli, Lorraine Rinaldi, Lisa Ritacco, Cynthia Rosmus, Mark Rozewski, Alex Russomello, Barbara Santangelo, Stephen Scarpello, Joanne Silvestri, Thomas Spooner, Florence Stafford, Angelo Tamburri, Adele Tufarillo, Kathleen Ver Nooy, Barbara Vorrus, Mary Linda Watkins, Beverly Wancho, Margaret Whelan, Veronica Wieners, Roxanne Zaino, and Deborah Zinna.

The list of sophomores named to the honor roll included: Rina Angelino, Alexander Arruti, Candice Austin, Patricia Badalini, Alexander Baglione, Phyllis Beischer, Pamela Bloom, Roxanne Bottitta, Dennis Buckley, Maria Calabrese, Daniel Casese, Joan Cassin, Raymond Castellano, Rosanna Catulli, Mildred Cerami, Chialella, Jeffrey Ciccone, JoAnne Connelly, Stephen Costantino, Anita Corrivue, Eva Covey, Thomas Cuomo, John Dacey.

Also, James Davenport, Felicia DeFalco, Martin DeNoia, Linda Diana, Kenneth Drake, Linda Duetsch, Richard Filipek, Paul Frank, Michael Frieda, Barbara Gaschke, Laura Gagliardi, Betty Gooch, Karen Guastacione, Pamela Grundy, Judith Halbert, Roberta Harlow, Joannmarie Haele, Grace Higgins, Ruth Iselleo.

American Airlines Sets Daily Newark-L.A. Route
A daily non-stop DC-10 flight between Newark International Airport and Los Angeles will be inaugurated by American Airlines on June 1, it was announced today.

Carol Jackson, Cheryl King, Louis Klein, Frederick Lardaro, Janet Liore, Barbara Lopuank, Christopher Manning, Joanne Manzo, Teresa Marcum, David Marra, Maria Masucci, John Magna, Elena Moisenko, Brian Monahan, Carol Montanelli, Barbara Mulcahy, Carol Nerri, George Nicotesso, Leslie Norton, Karen Oberio, Also, Lynda O'Connell, Raymond Pennetti, Michael Perrone, Melinda Pico, Ellen Plante, Antoinette Pugliese, Roxane Renne, Denise Riccio, Leslie Rosamilla, Donna Rouda, James Russomano, Kathy Salerno, Antonio Santinelli, Jacklyn Serrattelli, Janet Smith, William Smith, Debra Sorice, Maria Spagnolotti, Victoria Stanecki, Michael Stefanelli, Edward Stoklosa, Judy Sutter, Jane Taskalos, Pamela Tuccino, Christy Valvano, Lauren Vitello, John Vogel, Kathy Warmach, Colleen Waters, Barbara Weaver, Julia Whelan, Brian Wood.

Library to House Belleville Dragon

Belleville children are invited to join in the creation of the "Belleville Dragon" on Saturday, May 19 at 10:30 a.m., at the Belleville Public Library, 221 Washington Avenue.

The dragon, formed out of chicken wire and papier-mache, will reside in the Children's Room during the summer. Children who wish to join in making the dragon are advised to wear old clothes.

The "Belleville Dragon" will be integral part of the library's summer reading program. A paper scale will be added to the dragon's long body each time a child reads a book, until the dragon is eventually covered in gay pink, yellow, blue and green colors.

Also, each child will receive his own paper dragon and a ribbon upon completing the reading program.

Grab Two In Killing

(Continued From Page 1)

arrived. Mulvihill and Simonetti then entered the basement, where they caught the second suspect without a struggle. The man, who was unarmed, is aged 33 and gave the same address as his brother.

Deputy Chief Frank Haight praised the work of the officers involved and pointed out no one was injured in the capture. "This was excellent police work," said Haight. "It was a good apprehension right down the line."

The two are charged with the fatal shooting of Robert Seges, 30, and the wounding of James Benedetto, 34, both of Newark. Seges died in the shooting, which occurred Tuesday morning in front of a bar on Commerce Street in

Newark. Both suspects are in custody of Newark police.

Both suspects are liable to charges for allegedly firing upon local officers, but as yet, Belleville police have not filed such charges.

Convict Two For Larceny

Two Belleville men were fined \$100 apiece, May 9 in Municipal Court on a larceny charge. Judge Edward Abramson, however, suspended the fines.

Thomas Dymond, 36, 558 Washington Avenue, and Anthony Fusaro, 33, 395 Union Avenue, were found guilty after their arrest February 22 by patrolman Ronald Beverly.

Local Troubles Not So New

(Continued From Page 1) Eve. No spirituous liquors were to be had for love or money. Brother John made a statement of fact, corroborated by figures, wherein he plainly showed that his recently acquired habit of total abstinence from all in-

toxicating drinks - kept by the grace of God in his heart has netted him somewhere in the neighborhood of \$50 cash, which would have otherwise have gone for that which maketh the wise man simple and the fool a knave. Does not this provide beyond a doubt

that religion is not only "good to die by" but a grand think to live by? by God in his mercy open the eyes of the young men of our village to this fact. E.C.B."

Here are some of the advertisements:
"A. H. Osborne, druggist,

Main Street, Full line of Drugs, Chemicals, Patent Medicines, Fancy Soaps, Perfumery, Etc. Paints, Oils, Varnishes, Turpentine, Glass, Putty, etc."

Pay-Raises

(Continued From Page 1) percent increase, but from the apparent violation of the wage freeze. It was not until the guidelines were dropped that the 1.3 percent increase was tacked on to the 5.5 percent boost already granted.

McCabe said the increase will make the Belleville department more attractive to qualified officers and prevent the town from becoming a "training ground" for policemen who would start here and then move to other towns with higher pay scales.

Local Lovelies May Enter

Haitian Carnival Contest

Miss Cheryl Lynn Pietrzak of Belleville is the first contestant for the Miss New Jersey Haitian Carnival of Flowers Pageant sponsored by the Haitian Government in conjunction with American Airlines and Nutley Travel Service.

Cheryl participated in the Miss New Jersey Contest. She will graduate from

Belleville High School next month.

The winner of the New Jersey Haitian contest will participate in the beauty finals to be held in Port au Prince, Haiti during the week of July 1. She will receive an all expenses paid, round trip to Haiti including accommodations in one of Haiti's best hotels and a chauffeured car will be placed at her disposal during her stay in Haiti. During the Haitian Carnival of Flowers Contest the Queen of the Carnival of Flowers. The Carnival of Flowers Queen Contest will also include the selection of three Princesses to the Queen. The winners of this contest will receive a free trip to Europe for two.

If you are a female between the ages of 18 and 25, sort of pretty and enjoy traveling you are eligible to enter the Haitian Miss Carnival of Flowers Contest. More information may be obtained by calling 235-1234.

Library Report

(Continued From Page 1) in the minimum standards for public library buildings -

established by the New Jersey State Library Bureau and the American Library Association.

The number one priority for the future, the report stressed, should be the erection of the addition proposed to the Town Commission.

In light of the forthcoming National Bicentennial Celebration in 1976 and the spotlight it will place on all communities across the land, the report adds, it would be to Belleville's credit if the new addition was completed by the time of the celebration.

How much good are sunglasses? In Grandma's day they were unheard of, but today they are regarded as a normal and even a necessary part of our every day life. Sunglasses do provide comfort. They keep squinting and tired eyelids at a minimum. They protect the eye against excessive glare, especially in the winter snows and on sunny beaches. Sunglasses also protect the eyes from dust and windburn, so you need not apologize to Grandma at all.

Telephone operators never lose their cool.

True

False

Telephone operators are people like everyone else. Subject to good and bad days, human frailties, everyday aches and pains.

And because they are, some occasionally lose their cool. While that's the exception and not the rule, when it happens, no one likes it.

Most are dedicated and committed to helping each and every customer. When they complete a call, telephone operators want to feel assured that

they've done everything possible to satisfy you. Whether it's a routine connection or an emergency call.

Since the telephone operator is probably your primary contact with the phone company, his or her standards automatically reflect ours. That's a pretty big responsibility. And our operators know it. They also know that people expect more from the telephone company. So being good isn't good enough.

Cahill For Governor

Selecting the Republican gubernatorial nominee in the June 5 Primary Election is a relatively simple exercise. The contestants are incumbent Governor William F. Cahill and South Jersey Congressman Charles Sandman.

Governor Cahill is obliged to seek election on his record. And one should ask what is his record?

As to economies in government — Cahill has produced three balanced budgets without resorting to broad based tax increases, meanwhile doubling the property tax exemption for senior citizens.

As to consumer protection — the New Jersey Office of Consumer Protection has saved taxpayers millions of dollars — all through the efforts of a Cahill Administration.

Under Governor Cahill's leadership New Jersey has no fault insurance, a step required to hold down insurance premiums.

As to environmental protection — under Governor Cahill's leadership New Jersey has a Department of Environmental Protection — a division of government which has already demonstrated its need, its usefulness and its effectiveness.

Governor Cahill favors federal revenue legislation. Congressman Charles Sandman voted against the bill. As a result of federal revenue sharing the federal government authorized for Nutley \$278,768 of which \$237,302 was utilized. \$430,375 was

authorized for Belleville, with \$245,929 utilized. The City of Newark utilized \$14,364,000.

Without revenue sharing the federal grants would not have been received by the communities with the result that local real estate taxes would have been increased by the amounts of the federal revenue sharing.

Congressman Charles Sandman also has gone on record opposing offshore environmental controls.

Charlie Sandman is a good Republican and because of his service to the GOP is entitled to consideration for the Party's highest state honor — the gubernatorial nomination. However, Governor Cahill's record as Governor, overall, has been a good one, this despite our disagreement with Governor Cahill with respect to various legislative bills which he either sponsored or approved.

Governor Cahill is an honest person and the criminal acts of people who enjoyed his trust does not diminish the personal integrity of the Governor or our respect for him as a person and a public official.

We endorse without reservation Governor Cahill for re-nomination as a Republican candidate for Governor.

Jet Noise

A problem U.S. cities must eventually solve is that of noisy jet aircraft. In more and more communities unhappy homeowners are bringing suits or pressure to force airport authorities to reduce the noise jets produce.

In some areas homes can't be sold because no one wants to move into a neighborhood with an airport problem. In a number of foreign cities curfews have been invoked to permit residents to sleep. (Washington, D. C. is one of the few U.S. cities with a curfew, for National Airport.)

Some propose even larger jets to reduce the number of planes, others think airports

must be located many miles from cities, etc. The new Dallas-Fort Worth airport solves the problem with distance.

The certain answer to the problem, however, is less noisy engines. And despite the protests of manufacturers and airlines, less noisy engines can somehow be built. Traditionally, in engine evolution, it's claimed noise problems are insoluble. Time always proves there's a way.

Such a way must be found to reduce jet noise in and around the nation's airports, which are likely to grow in number, as will the problem, unless the engine noise is reduced.

Eye Drops, Etc.

One of the galling features of the good life in America is the ridiculously high prices of many drugs, medicines and pills. Those who travel abroad see first hand how high, comparatively, U.S. prices are for many of these items.

Eye drops come to mind as an example. To buy one of today's leading eye drop solutions one pays a dollar or more for half an ounce! One suspects production costs of the solution are about ten cents or less.

That brings to mind a famous breakfast drink — priced for a long time now almost

as high as coffee. At last several chain stores began offering a competing product, which looks and tastes the same, for much less, with a nice profit still figured in. We know too that the public has long been bilked by cereal prices, perhaps ten cents more being charged for cereals with nutritional value (vitamins added) vitamins which cost the producer a penny or two.

In the present inflationary atmosphere to many prices have no relation to costs; let the buyer think, and beware.

By Frank A. Orechio

(continued from last week)

Central meat processing is in various stages of development, held back only by union restrictions in some areas, including several major metropolitan areas.

WHAT ABOUT PRICE CONTROLS?

Phase III of our nation's economic control program is a government-mandated price control on just about everything. An exception is food ("raw agricultural products" are not controlled; price controls begin at the point where food undergoes processing). This means in terms of food prices at the supermarket is that wholesale price increases can generally be passed along to retail prices, but operating cost increases, unless mandated by government decree, cannot be passed along. This includes such operating costs as labor, utilities, equipment, bags and supplies, maintenance, and all other elements in a super market's "margin."

In actuality, super markets have generally held back from matching wholesale price increases, primarily due to competitive reasons. That explains why wholesale prices

of beef went up 18.2% from October, 1972, to January, 1973, while retail prices climbed 8.4% during the same period — or less than half of the wholesale price increase.

THE "HOLDING BACK" THEORY

It sometimes is charged that a "conspiracy" exists to boost beef prices by holding cattle from the market, thereby creating shortages in supply.

"That idea is preposterous," declares Dr. Don Parberg, Director of Agricultural Economics of the U.S. Department of Agriculture. "Such loose talk comes only from people who are ignorant about the business. A beef animal must be slaughtered when its weight is approximately 1,000 pounds. Thereafter, the weight it gains is fat, muscle and bone that are not usable for human consumption. It just costs the rancher or feedlot operator money to feed a steer or cow without bringing an increase in the price he gets.

"Beef is sold fresh. Packers and super markets don't have the refrigerators or storage space to hold back beef and rig a false shortage. Ten to 14 days after an

Seeks Support For His Blast At Schoolers

To the Editor:
Citizens of Belleville:
As all of you know, there has been very much controversy developing over the allegations I have made concerning the Belleville Board of Education. I will make an attempt to clear up some of this controversy.
I do believe the citizens of Belleville do have a right to know what is going on in their school system, however, in order to protect the innocent, specific sensitive information should not

and will not be made public.
First, my reason for bringing this issue to the attention of the general public was to make you, the people, aware of the fact that certain wrongdoings were going on and these wrongdoings were going to effect our schools, our teachers and our children.
Second, I did make an appointment to see the proper authorities; however, because of new light that has been shed I have decided not to go to the prosecutor until all roads have been fully

investigated answering all questions.
Third, my reason for requesting a private meeting with the Board was simply accepting their private individual invitations to keep the issue home, obviously I was misled, for the Board rejected my request. Certain individuals have rumored that I am using this issue as a political primer for next year's election, also that I am a very bitter old man's election. If you read the newspapers which were printed after last year's election you will see that it was not I who was bitter, but it was someone else. In conclusion, I believe I know there are many of our young people have decided to leave Belleville. The politics has not only taken your dollar, but has taken your minds and freedoms. The most discouraging factor of this entire episode is the results of the following poll which was taken last week asking the following question to 100 people: "Do you think there are some irregularities on the Belleville Board of Education?" YES - 32 percent, NO - 1 percent. I don't care - 67 percent. Unfortunately, public apathy is killing Belleville and may very well kill this case, but I, for one person, will not abandon my efforts. I will continue to research and investigate until we have gathered concrete solid evidence.
The people of Belleville have to wake up, for I as one of my honest believe that in the very near future Belleville will no longer live for it, it will ultimately become Newark, and when that happens you will know why.

Belleville

Seems Only Yesterday 2 Belleville Shutterbugs Win Photo Competition

By Peter M. Clark

One Year Ago

Four Belleville residents were arrested on gambling charges in conjunction with a tri-county raid by the Organized Crime Strike Force in Newark. The arrests, netted over \$40,000 in gaming receipts. All told, the raiders made 22 arrests at 24 locations in Union, Essex and Bergen Counties, and were initiated upon information received by Belleville police.

An ordinance which would assess a \$20 fee for all ambulance service in Belleville was to come before the Town Commission. According to Commissioner, Laterza, the bill would help rather than hinder local taxpayers. Laterza claimed that there was a gross misunderstanding among townspeople concerning the plan, which would bill only those people who had ambulance costs covered in their hospitalization insurance.

A mysterious, paste-like substance was dogging the Belleville sewer system along Main Street, resulting in back-up problems in several homes. The substance was discovered after several complaints of sewer problems, and samples of the strange blue substance were sent to the Passaic Valley Sewage Commission for analysis, so that whoever was to blame for the gunk could be found.

Five Years Ago

Belleville police cooperated with police from Bloomfield and Newark, in the rounding up of a trio of men half an hour after two of them had a Bloomfield housewife, her 20-year-old daughter and a neighbor at gun-point, while they searched their house for money. One of the suspects was shot by Bloomfield police. The robbers fled their way into the house when the daughter of Mrs. Doris Topetto answered the door. Two men brandished guns and shoved their way past her, and ordered Mrs. Topetto, her daughter and a neighbor to stand against a wall. The men then threatened to shoot her and her daughter. If she did not reveal the location of the money. Suspicious neighbors, who had seen the men enter, phoned the police, who shortly thereafter surrounded the house. One of the bandits was shot while trying to escape through the rear of the home and was taken to Clara Maass hospital. The robbers were held without bail.

Ten Years Ago

Two amateur Belleville photographers were among the winners of the New Jersey Tercentenary Photographic Competition. Alphonso Velti placed third in the color slide division, with a picture of the Cherry Blossom Queen, and Dennis Simonetti placed third with a picture of a surf fisherman, in the black and white print class. George Adams was named editor of the Belleville Times. Adams, a full-blooded Pawnee Indian, was born on a reservation in Oklahoma, and served in World War II as a Sergeant in the 82nd Airborne Division,

where he started his career as a newsman. Mary Senatore, former vice-chairman of the Board of Adjustment, was named chairman at Town Hall. She had been served under Dominick Lally. Her vice-chairman was Ralph A. Allaire.

Eleven Years Ago

Three Jersey City youths were arrested by Belleville police at a service station on Belleville Avenue. The trio had planned to burglarize gas stations in two counties, but were only successful in getting away with \$3.70.

Senator Donald C. Fox, in a spontaneous action in defense of Nutley, Belleville, Bloomfield, East Orange and Irvington, sent a letter to D. Louis Tont, executive director of the New Jersey Highway Authority, advising him that he would fight any legislation intended to close the Garden State Parkway to non-toll payers.

Fire Chief Harry White retired from the fire department, for reasons of health. He had joined the department in 1919, as a volunteer, and became a paid member in 1930.

Twenty Years Ago

A testimonial dinner was given Mrs. Florence Morey, the Town Clerk. This was to honor the completion of 25 years of service to her community. The dinner was held in the Forest Hills restaurant, with more than 200 of her close friends attending.

Members of the Cub and Boy Scout Troops at St. Peter's Church had a father-son Communion breakfast. Members of Troops 375, 376, and 377 were present, and the boys in Troop 375, went to mass with their fathers.

A blood donors assembly was sponsored by St. Peter's Parish. Rev. John Wightman was acting as recruit chairman for the banquet.

Twenty-Five Years Ago

Board of Commissioners granted approval of a permit for the construction of a doughnut shop. The Building was to take the site of former Junior Achievement program building, which had been moved to Newark. Two Jersey City men started the business and used a new doughnut mix introduced by a national food concern.

Local children were being urged to make reservations for the summer session at Camp Ro-Li. Many applications had been received from out-of-towners, but the commissioners felt that Belleville children should have the priority, since the camp was Belleville sponsored.

An ordinance to establish a central purchasing bureau in Belleville was tabled at the meeting of the Board of Commissioners. The proposed ordinance was brought up by the Town Taxpayers Association which said that the idea had been successful in many other communities, and that it was good business practice. The Commissioners said that they would take the item under advisement, that they would vote on the idea when they had a full board, and when they had had the opportunity to study the proposal.

It comes to the attention of this scrivener that many influential personalities of this municipality are "fed-up" with the apparatus of government by the local Board of Education in hiring out-of-town teachers; rather than equally qualified and certificated local members of the teaching professions, because of what appears the political influence of personalities who might be able to "throw their weight around" in giving favorable notice to some of the Board members who might show preference to those desired for appointment by the purveyors of "good press copy."

Golden Comments

Learn that Anthony "Whitey" Laterza, brother of the Public Safety Director, seems "fed-up" with politics, and isn't aspiring for reelection as District Leader in the Fourth District of the First Ward.

Roger Caloroso, "Boss" Rega's niece's husband, is seeking the vacant spot. Wanna bet the "Boss" brings the new-comer "in"? Keep your eye on the ball. Belleville politics moves in strange ways. Rega might just become more than just "a little" king. He's got a lot of political "smarts."

While local police response to calls for assistance is prompt and helpful, usually it is after the occurrence of some sad incident which might have been averted, had the cars been prowling in the vicinity. It is sadly disturbing to observe a police car parked in gas stations or car sales lots when they should be prowling their assigned area. Any observation of such conduct should be reported to Chief Joe Smith, even if anonymously, during Commissioner Noll's administration such conduct would have "earned" the guilty officers a five day suspension.

Did Steven Rogers' guarded charges of school board politics open up a real Pandora's Box? Depending upon the outcome of his promise to communicate with officials empowered to investigate such matters we may learn the true motives and facts of what could become a very ugly situation. Oddly enough, Brendan Byrne's resignation as a Superior Court Judge, where he served as assignment judge for Morris County, and his entry in the primary race in the Democratic Party for the office of Governor may have many overtones that will affect the outcome of elections involving candidates for lesser offices. Belleville's candidate for the office of State Senator, Commissioner Mary V. Senatore, presently will be caught in the vortex of a bitter intra-party fight, where the forces of Essex County's Democratic Chairman Harry Lerner, who is backing State Senator Ralph DeRose for Governor and Mrs. Senatore for the senate post, will be pitted against the powerful Democratic political machines of County Chairman Michael J. Breslin, Jr. in Bergen County and Francis G. Fitzpatrick in Hudson County.

The alignment of the newly created district places most of the voters of the district in the Bergen and Hudson portion, thus, tending to give an advantage to the candidate hailing from that area. Running against Mrs. Senatore will be Harry Tax Assessor Gregory Castano who will have the blessing and support of the combined strength of the Bergen and Hudson machines who were the ones most instrumental in influencing Brendan Byrne to give up his secure position on the Bench to make the risky race for the State's highest office. Congressman Henry Helstoski, who had considered making the race, withdrew. His expected many of his followers will support Byrne which also should strengthen the Byrne ticket. In fact, it is reported that Byrne had considered the pledged support of the Hudson-Bergen Democratic Chairmen as the minimum requirement for his throwing his hat into the gubernatorial contest.

A hefty political-brawl looms in the offing and causes one to conjecture if all this in-between, inter-party-in-fighting doesn't enhance the chances of Independent Senatorial Candidate Anthony Imperiale, becoming the State Senator from this District.

Is There A Conspiracy To Boost Meat Prices?

animal is slaughtered the meat is on the super market counter."

No one can blame the housewife for fussing an fussing over high beef prices. It does little good to tell her that the price she is paying for beef is less than that paid by her counterpart in other countries. Nor does it help much to know that she is spending less of her disposable income for food than she would in other countries. What really matters is that her dollar is shrinking, and she sees the results regularly at her checkout counter.

Who is to blame? This paper has attempted to show that no one in the beef-making process — from range to counter — is profiteering.

The rancher, who gets approximately \$1.08 from the \$2.00 spent for beef at the retail counter finally, after years of operating at a loss is receiving a fair return on his investment, perhaps fair enough to justify increasing his production. That's the only way supply can meet demand.

The feedlot operator, who gets about 40¢ of that \$2.00, in fattening the cattle, not his

pocketbook, and the cost of those fattening ingredients — corn and hay, silage and protein supplements — is skyrocketing.

The packer, who gets about 4¢ out of that \$2.00, gets his profit out of what is left after he has cut and processed the steer down to marketable size. It's the hide, the fat, the bone, the blood, that keep him in business.

The super market operator, who gets 44¢ for cutting the beef, packaging it, refrigerating it, and having it displayed when the shopper wants it, ends up with little more than the satisfaction that he has provided something that is desired.

To round out that \$2.00 add in 4¢ for transportation — the journey of beef through the channels of distribution — and you have the total picture.

People do want beef, and only when supplies can meet demand is there a chance for the prices to level off and perhaps go down. No one can accurately predict when that might happen, just as no one can accurately predict now what the weather might be like next fall, or winter, or spring. And always it seems, there's that thing called inflation.

Teacher Interviewed Enters Health Classes First Time This Year

By Linda O'Connell
Mr. James Steele, a graduate of Seton Hall University has been a physical education teacher at B.H.S. for five years. Presently however, he is teaching health classes for the first time this year.

When asked what his feelings are towards the students at Belleville High, Jim Steele replied, "I feel the students here are very warm and friendly. They are children of hard working parents, parents who are so concerned about their needs. This shows in the student."

Mr. Steele also stated, "These past five years have been the happiest days of my life because it gave me the chance to share experiences with todays youth." Mr. Steele feels that teachers must love their work as well as their students in order to gain the pupil's trust and respect.

Since this is Mr. Steele's first year experiencing what it is to teach a health class he had much to offer to the question "Do you enjoy teaching health?" "I do enjoy it, immensely because it gives me the opportunity to deal with young people and young peoples problems." Mr. Steele feels strongly that because today's youth has so much leisure time it is so easy for them to go astray. "In this mind the student must be exposed to the modern problems of drug abuse, the age old problem of tobacco and alcohol, the ever-rising problem of venereal disease and other aspects of health education."

Mr. Steele stated that

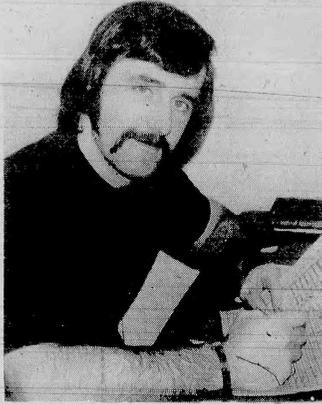

probably the most rewarding aspect in teaching for him is learning a great deal from the students in-class discussions and by their enthusiastic participation.

Since Belleville High does not have a strict dress code, the young teacher had this to say on the subject of dress. "I feel that it is not the apparel of the student that matters, but most importantly the person in the clothes."

Besides the responsible job of teaching at B.H.S. Mr. Steele also enjoys swimming,

fishing, collecting antiques, hiking and camping with his wife in the great Smokey Mountains, along with coaching sophomore football.

To conclude the interview with Mr. James Steele the question was asked "What is your goal in life?" His reply was certainly an original one as well as beautiful. "My goal in life is to completely restore a log cabin that is so dear to my wife and I, and to see Elaine, my wife, in front of the fireplace rocking our future child."

JAMES STEELE, a five-year physical education teacher at Belleville High, is conducting health classes for the first time this year.

Yearbook Spotlight Senior Poll Winners

by Joan Petti

Next to being on the cover of the Rolling Stone, most students consider it in great esteem to have been chosen to appear in their yearbook as winners of the senior poll. Traditionally, the senior poll in Belleville High School is an annual event which took place for the class of 1973, in the fall.

The editor for the 1973 yearbook, Josephine Zarra, originally began with fifteen categories, to be placed on the poll, two of which were made obsolete. By reasoning them to be unnecessary, the editor has eliminated personality plus and Best Dancers.

Chosen by the students of the class of 1973 were the categories of Best Dressed - Gloria Giordano and Michael Ritacco; Nicest Smile - Debbie Belli and Anthony Goglia, Best Looking - Maria Anomen and Alan Frank, Most School Spirit - Debbie Malone and Robert Luongo, Class Clowns - Joann Falcone and Michael Marra, Most Versatile - Jeanne Austin and Robert Luongo, Class Artists - Joan Brennamer and Carmen D'Allegro, Class Musicians - Susan Griwert and Michael Cicero. Class

Couple - Bernice Rossetti and Frank Arena, Most Likely to Succeed - Susan Winship and Robert Luongo, Class Flirts - Michele Marola and Robert De Lorenzo, Class Athletes - Joann Falcone and Robert Luongo, Friendliest - Elaine Zippo and Robert Luongo.

The votes, which were tallied by the editor, assistant

editors, and other members of the staff in several categories were nearly tied between two students.

Pictures of the winners of the senior poll appears as one of the main features of the yearbook. The final names will be when yearbooks are distributed and the pictures have been exposed.

Home and School Association Brings in New Slate of Officers

Installation of Officers for the 1973-1974 school year of the Belleville High School Home and School Association took place on May 9 with a candlelight ceremony conducted by Mrs. Narucki.

This special ceremony was written by Mrs. Narucki and has been used by many local organizations. As each officer is presented with the lighted candle they are reminded of their duties to the organization.

Those officers installed were Mrs. Lugetta DeSantis, president; Mrs. Esther Parillo, vice president; John Westlake, second vice president;

Raymond O. Smith, honorary vice president; Mrs. Rita Kellenbeck, recording secretary; Ann Sylvestro, corresponding secretary and Marie Lembo, treasurer.

Mrs. Jean Giordano was presented with a corsage as a small token of appreciation for her services on the Executive Board since she will not be returning next year.

Mrs. Grace Purdue was presented with a gift by the Association as the outgoing president after serving two terms of office.

It was announced that the Home and School Association Scholarships will be

awarded on May 24 at the Awards Dinner, as well as certificates of appreciation to the National Honor Society and Key Club for services performed throughout the year in assisting the Home and School Association.

The program for the evening consisted of a Make-up Clinic presented by Marie Louise, Inc. Both students and parents were shown proper skin care, make-up application, etc. The products sampled were available for purchase and part of the proceeds were turned over to the Home and School Association.

It was a festive ending to a most rewarding year for those associated with the Home and School Association. Although the association is only two years old, it has become a most effective and productive organization.

Fellow Teachers Observe J. Alan Gavitt's 'Good Idea'

Capitalism flourishes at Belleville High School, where students are learning how to turn a profit while gaining credit in U.S. History.

"We've stimulated interest in our social studies course by putting a little fun into it," says J. Alan Gavitt, a young instructor who has developed a game colonial trade.

With a playing board, a few "penalty" cards and some blocks of wood, Gavitt's students have quickly grasped a better understanding of Colonial trade between America and England during the 1700's.

Gavitt described and demonstrated the game at the annual Good Ideas Conference sponsored by the New Jersey Education Association at Monmouth College.

"The game really is an attempt to overcome two problems in our U.S. History I course," says Gavitt. "First, we are limited in the amount of time allowed for study of trade during colonial times. Secondly, we discovered that most students do not understand mercantilism, capitalism or how the American colonies prospered during this period of history."

"The game gives the students a graphic picture of the colonial trade period," he says, "and allows them personal involvement in a class project."

Gavitt divides his class into American and British sides, with the students choosing whether they wish to role-play a merchant or a shipper. Each is given an amount of capital in either a ship or a warehouse.

As shippers, they must ply designated trade routes between England and five principal American ports: Boston, New York, Philadelphia, Norfolk and Savannah. The value of their cargo varies, depending on

what they ship and their ports of call.

As shippers and merchants, the students negotiate and attempt to arrange the most profitable deal. After contract terms are reached, a shipper draws movement cards to proceed on his route. If he lands on a black square, he must draw a penalty card.

"Early penalties are not severe," says Gavitt. "They may only deprive the student (or shipper) of a turn at play. This is because the first part of the game reflects trade prior to 1763, when shippers and merchants made considerable profit. After 1763, when the British tightened control over the colonies, trade became more difficult. New penalties then are added to the game, including possible loss of cargo, or even ship and cargo."

The students are permitted to make their own deals, to learn the significance of competition, profit and loss, and capital investments. They

must keep accurate records and be prepared to discuss these contracts and their economic implications with the class.

Gavitt has taught the history course for four years at Belleville High. The game has been used only a year in approximately 10 classes, ranging over the four levels of U.S. History I. Usually the game is played for only a week during the term.

"The staff who've used the game have had great success with it," Gavitt says, "and the response from students has been gratifying."

Most of the high school juniors and seniors benefit from the economics being taught, he says, while the ninth graders grasp the historical significance of trade routes, geographical areas and products grown near the shipping ports.

Dollars and sense lay the foundation for fortunes.

New "Bathroom Planning Kit" helps you plan remodeling

Our beautiful 6-part kit tells all about remodeling your bathroom. Includes full-color illustrations, decorating and floor plan ideas, easy-to-use fixture cutouts and grid sheets. Even a handy color selector and pocket catalog. The new kit from American-Standard is an easy way to start planning your new bathroom. To make it as attractive and convenient as the rest of your home.

Stop by and pick up your "Bathroom Planning Kit" for only \$1.00. Or call us and we'll drop one off to you.

DON'T MOVE... IMPROVE!

LAZUR-HEIGHTS
CONSTRUCTION CO., INC.
106 PARK AVE. NUTLEY, N.J.

Sometimes it costs less to buy a new car than to fix the old one.

We have nothing against mechanics. In fact, if your car's in trouble, drive or push to the closest one.

But, on the other hand, if your car seems more at home in his garage than yours, you might be better off investing in a new car. Before there's nothing left of the old one for a trade-in.

If your car's been telling you it's that time, National Newark & Essex can help by giving you an auto loan, even before you go looking around for the best deal. We'll hold the cash in reserve for you for 90 days. At no charge to you.

We offer low bank rates and we have experienced financial people to give you guidance and counsel.

If you're the impulsive sort who's already picked out the car you want, we can get the money for you fast. Often your check will be ready for you within 24 hours. Sometimes, you can pick it up the same day you apply.

You can even apply for your loan over the phone. Give us the information, and we'll call you back to tell you your money is ready.

We can also include the cost of collision and liability insurance in your loan. And, if you have a checking account with us, we can arrange to deduct your payments from your account automatically.

When you need us, any one of our 36 offices can fix it up. Drive over and see us some morning. If your car will start.

We're your size bank.

SORRY TO REPORT that Bill Lenahan of American Legion Post 105 is in Clara Mass Memorial Hospital after an auto accident. A get well card might cheer him - hope you feel better, soon, Bill - at least you have an excuse to have forgotten Mother's Day.

With last week's paper, you may have noted there are now two groups in town who are trying to get programs going over the summer to interest the teens. A little clarification may be in order. Ann and Dave Daniels will hold trysts for "West Side Story" at Feusmith Church May 21 and 22 at 7:30 p.m. They will teach 12 year olds through young adults at no charge everything they need to know to put on this show in the fall.

The YMCA is also conducting a summer teenage workshop in drama at Montgomery Church, 638 Mill Street on Wednesday and Thursday evenings at 6:30. Trysts have been held, but there are still openings. A \$10 fee is charged, \$5 of which goes toward "Y" membership. The workshop will produce a series of one act plays under the direction of Bob Lefebvre, Junior High English teacher. For information on the Y - which has now established an office in Belleville at 751-5420 - Montgomery Church, please call 751-5420. For information on the program by Ann and Dave Daniels, please call 759-4913. Clear??

On Sunday, May 6, attended the "Teenage Volunteer Awards Presentation" at Clara Mass Memorial Hospital. The event was held in the Lounge - Kinross Hotel School at Nursing Auditorium. Mrs. Donna Prior - now Acting Director of Volunteers (Mrs. Fox resigned to move out of state) did a splendid job moving the ceremony along nicely. Also present were Albin Obert, Executive Director of CMMH and Harold C. Waldman, Public Relations Director. Donald Blum, Chairman, spoke the Invocation. Another notable was Miss Marie DeAssandri, former director of volunteers now administrative assistant at CMMH. My daughter, Sue, received a pin for 100 hours of volunteer work. There were 50 hour, 100 hour, 250 hour awards made. Debbie VanOrmer received a 500 hour bar and Lillian DeLuccio and Deborah Iaria were noted for 750 hour bars. One young man, Victor Rozycki had the grand total of 1000 hours volunteer work - also, candy stripe caps were presented for 200 hours.

MANY PARENTS and friends were there and entertainment was provided by the Goshin Karate Academy. Of this group, one was a young lady who seemed to delight in knocking those big guys down and hitting them harder, again and again, much to the delight of the audience. Refreshments were provided and, as it read in the program, "I sincerely thank you all for your participating in the Clara Mass Memorial Hospital Volunteer program."

Two girls have said they would like to see you for lunch...Kay Logan and Margie Mancuso. They are waitresses at the Princeton Hotel. Not many of you know that the Princeton Bar was owned by a fabled Ed Effenberger, has a restaurant completely separate from the bar where you can enjoy a fast, delicious lunch and trade gags with the gals. It's located conveniently at 91 Joralemon St. - so look for the sign "Princeton Bar". Lunch is served daily from 11:30 - 2. Ed's wife is Virginia, the salad maker and Tom Brown and Joe Bradley are on hand for drinks and food. Tell Margie I sent you!

GLAD TO SEE my comments are read and remarked upon. I stated that during the recent Cherry Blossom Parade I was again disappointed at the lack of interest. Old Glory I won't say no, but I received a copy of my comments and the photo which appeared in the paper. A circle appeared around Caesar

Business Spotlight

Branch Brook Manor Offers Many Services

Romano who, out-of-eight dignitaries on the reviewing stand, was the only one saluting. The cute comment on the photo said: "Pat-goes pains or salute?" The Memorial Day Parade is coming up, let's all join Caesar! (P.S. I wasn't saluting at that particular moment, either...)

The Kiwanis Club of Belleville will hold a Flag Sale day, on May 19 during the Washington Avenue sidewalk sale.

The Metropolitan Organ Club of NNJ will hold their May meeting on the 26. The program will be "The Christian Wedding." Brides-to-be are encouraged to attend and get ideas to help plan a wedding - Check the Bulletin Board for time and place. Birthday members this month are Rita Smith - 4; Dorothy DaConceicao - 10 and Theresa Passelli - 22.

MET TWO interesting ladies this week - hello again to Mrs. Mary Kimlock of the Woman's Club of Belleville and Mrs. Jean Nicol.

On May 19, 300-400 Junior High School students will participate in the March of Dimes Walk-a-thon, scheduled to cover Essex County for 20 miles, starting at Maplewood Junior High. Mrs. Bess Elsthatthou, Science Department, Chairman of the Jr. High is assisted by other teachers in the Science Dept. - Bruce Kemis (7th grade) Vincent D'Anton (8th) and Dennis Villano (9th) in getting the kids from Belleville to the Maplewood location. Any parents that can help with car pools to take the kids on this worthwhile endeavor, please contact Mrs. Elsthatthou at the Jr. High - pronto! The Walk-a-thon will not go through Belleville, but the students seek local sponsors for the 20 mile, 6 hour event. I'm sponsoring my daughter, Sue.

Mrs. Elsthatthou also took some 45 students to Washington recently to visit the Smithsonian and other highlights, teachers really go beyond the books at the Jr. High.

The Belleville Education Association will hold its annual Retirement Dinner on Friday evening, June 1 at the Friar Tuck Inn to honor all members who are leaving this year. Among those to be honored are Nova Babb of the High School and Pauline Shapiro and Lena Falco of School No. 4. Mrs. Eleanor Arthur, 8th grade teacher at School 8 is the Chairman.

HAPPY 25th WEDDING ANNIVERSARY

A surprise wedding anniversary was held for Judy and Angelo Couzza last Sunday at American Legion Post 299. What a nice Mother's day present! The couple thought they were celebrating the birthday of friend Mike Borgia, but were ecstatic to be greeted by more than 60 friends and relatives. The actual 25th anniversary date was May 15. The couple has three children, Jane, Jim and Joanne. In addition to the party, the kids presented mom and dad with a one week trip to Las Vegas! How about that. Judy's brothers are Bob and Patrick Kelly. Her sisters are Freda Kelly, Pat Caruso, Betty Keesler, Norma Summerer and Delores Burgess. Her mom and dad were there, too - Mr. and Mrs. Arthur Krietemeyer. The couple that stood up with them 25 years ago, Frank and Dorothy Mazza were also there, and Angelo's mom, Mrs. Rosa Troina and brother Joe Troina with sisters Minnie Martiro and Jennie Curch. Music was by "Tiny" Despajo and the food was catered by Pete Oliva. (Of Pete's Inspot at Olga's). And a very happy 25th wedding anniversary to Judy and Angelo Couzza.

quiet, but fastidiously clean and gleaming. "The Manor" is located in a prime spot on the Avenue and it is not unusual to find diners coming from Jersey City and beyond over the Belleville Turnpike to hold their banquets and dinner dances, or just to take the family out to eat at the "Manor". A family type atmosphere prevails in the restaurant and John says the main reason for the "Manor's" popularity is his great staff, of which there are about 20 - more when a banquet is being held. Dinner in the restaurant is served from 4 - 12:30 during the

week, and until 2 a.m. on the weekends, closed on Monday.

Perhaps the most entrancing object which causes many brides-to-be to hold their wedding reception at the "Manor" is the "bridal staircase". From behind a glittering red curtain the new couple make their first appearance as husband and wife to the world. The Branch Brook Manor can accommodate 150, and a recent addition to the huge room is a lovely cascading waterfall of water over rocks, which many people, says John, throw coins in to make a wish.

GEORGE LAVECCHIA, 9, is shown here with trophies he garnered at the recent Accordion Teachers' Association Contest held at the Robert Treat Hotel.

Accordionist, 9, Wins Top Place

George Lavecchia Jr., nine-year-old son of Mr. and Mrs. George Lavecchia, Joralemon Street, Belleville, won first place honors in the seven to nine year old Free Bass solo competition at the 14th Annual New Jersey Accordion Teachers' Association Festival held at the Robert Treat Hotel recently.

In addition to the first place solo award, George received first place honors in band competition and second place honors in the combo division. George studies at the Major School of Music in Irvington under the instruction of Charles Nunzio.

June Week Set Aside To Pate Horse Industry Governor William T. Cahill has designated the period from June 9 to June 17 for the third annual observance of the Week of the Horse in New Jersey.

In a proclamation signed in the presence of equine activity leaders, the Governor noted the importance of the horse industry to New Jersey from the standpoints of economy, ecology and recreation.

Power Cut Schedule

Suppose we lose the Energy Race?

Our quality of life would take a giant step backward.

Living standards and energy are bound together. It's been that way since the beginning of time when primitive man's only energy was his muscle, and survival his only goal. It wasn't until he discovered new sources of power (the wheel, wind, fire, water, coal, oil, natural gas) that he achieved economic well-being, a better quality of life, and the leisure time to enjoy it.

Now our way of life is being threatened by an impending energy shortage brought about by the opposition to nuclear energy plants. Further delays in their construction would open us to catastrophic dangers.

Without nuclear energy, brownouts and blackouts are a certainty in the near future. Electricity will have to be rationed. Power cuts will bring with them great discomforts. We'll breathe dirtier air without clean nuclear energy to provide the electricity. Our streams and lakes will stay polluted without the power to run new sewage facilities. With insufficient electricity to build new homes and cities there will be overcrowding everywhere. There will be no new industries to create job opportunities. Unemployment will reach new highs. Our food and fresh-water supply will also be affected.

President Nixon's scientific advisor, Dr. Lee

DuBridge, summed it up this way: "Without energy, our whole civilization in this country as we know it just comes to a halt."

We are a country that lives on energy. And by the end of the century we will require some 2 billion kilowatts of capacity to generate the power needed to maintain our high standard of living. It is our obligation to the future to provide that energy, but we can't do it without nuclear plants. And we can't build them in time without your support.

If you want to maintain your standard of living and improve that of the less fortunate, speak out for nuclear energy. You will be heard, and we will win the energy race. We must.

Wesley Methodist Calls Homecoming

Homecoming Sunday, also known as Heritage Sunday in the United Methodist Church, welcomes all members and friends of Wesley United Methodist Church from both far and near this Sunday, May 20.

Highlighting the festivities is a special Worship Service using John Wesley's Order for Morning Prayer, dating back to 1784. It was in this type of worship that was in use when the original Methodist Class met in the home of Margaret Dow in 1792. The sermon for the morning is "Our Worship Heritage."

The Service will be concluded by the Dedication of "The Margaret Dow Memorial Room," the newly renovated Church School Fellowship Hall - Office complex. Constructed with funds from the Tribute Fund, with most of the work being done

Will Install Junior High PTA Officers

The Belleville Junior High School PTA will meet Wednesday, May 23 at 8 p.m. when officers will be installed for the 1973-74 school year.

Refreshments will be served.

N.J. Education Journal Says The Report Card Is Not Dead

The "death" of the report card is periodically announced, prematurely. The report card is neither dead nor dying, says the journal of the New Jersey Education Assn., but it is undergoing widespread change.

"New practices in grading and reporting come chiefly as a result of new concepts about teaching and learning and about the role of parents and the home in educating children," says an article in the current issue of the NJEA REVIEW excerpted from a new publication by the National School Public Relations Assn. of Arlington, Va.

Because 19th Century teachers used stiff cardboard to report student grades, the traditional device is called a report card. In daddy's day, students usually brought one home on the last school day of each month, had a parent sign it, and returned it promptly to school.

The "ideal" reporting method, says the NJEA journal, is the conference between parent and teacher, during which progress and problems can be frankly discussed. This technique began in the primary grades and is spreading rapidly in elementary schools.

Congressman Joseph G. Minish, 11th District, reported that the Army Corps of Engineers is scheduled to complete a report on flood conditions in Nutley, Belleville, and Bloomfield within the next three months.

District office of the Corps will submit its findings on the Third River flooding problem to the North Atlantic Division in July of this year.

Army Corps Nears Completion On Flood Conditions Survey Here

Congressman Joseph G. Minish, 11th District, reported that the Army Corps of Engineers is scheduled to complete a report on flood conditions in Nutley, Belleville, and Bloomfield within the next three months.

District office of the Corps will submit its findings on the Third River flooding problem to the North Atlantic Division in July of this year.

Minish said the New York arranged a meeting last October between the Corps and local officials from the affected areas.

Minish said the New York arranged a meeting last October between the Corps and local officials from the affected areas.

Today's reporting medium is often not a card, the NJEA REVIEW reports. Instead, it can be a conversation, a personal letter from the teacher, or a computer printout.

Not all of today's cards require already placed into the school's files.

Today's student does not always himself deliver the report. Some school systems send it home through the mails.

These changes in the medium have been accompanied by changes in the message. The NJEA REVIEW says the traditional grades - a numerical percentage or letters ranging from A to F - have been replaced by a variety of alternatives. The most common is the marriage of rating scales to checklists, giving the teacher the chance to put ratings such as "Outstanding," "Satisfac-

Public Service Asks Interim Rate Relief

The New Jersey State Board of Public Utility Commissioners will hear arguments May 16 on a motion by Public Service Electric and Gas Company for interim relief. The company says it needs the interim relief pending a final determination of the company's request for an annual rate increase of \$127 million.

PSE&G asked for an increase of \$95 million last June 16. It amended that request on December 1, 1972, asking for an additional \$32 million, bringing the total request to \$127 million.

The utility has informed the PUC that immediate and substantial rate relief is necessary to offset rapidly rising operating expenses and interest charges which are threatening the company's ability to properly finance its enormous construction program. The program calls for an expenditure of nearly \$300 million during the remainder of this year and a total of about \$3 billion in the next five years.

How To Stop Obscene Mail

Postal patrons who object to receiving advertisements for materials they consider to be "erotically arousing or sexually provocative" can ask the post office to direct the mailer to stop sending material of this type. Newark Postmaster-Manager, Joseph J. Benucci said today.

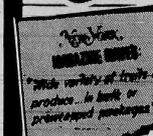

The mailer also is directed to remove the patron's name from all mailing lists the mailer owns or controls.

Those who wish to make a complaint are asked to forward the objectionable advertisement in which they are depicted to the post office, together with a request to halt the mailing. The request can be made on a form provided by the post office or in a letter. The complainant also should write on the mailer to delete the words: "Request for Prohibitory Order."

The law gives mailers 30 days from the date of the order to remove the complainant's name from his mailing list. If the mailer fails to respect the Order the U.S. Attorney's Office will seek a federal court order directing compliance.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Mr. and Mrs. Luke Lyons Jr. Honeymooning In Hawaii

Mrs. Luke Lyons Jr. - nee Diane Massimino

Miss Diane Massimino, daughter of Mr. and Mrs. James Massimino of 62 Campbell Avenue, Belleville, was married May 12 to Luke Lyons Jr., son of Mr. and Mrs. Luke Lyons Sr. of South Amboy.

The ceremony was performed in St. Mary's Church by the Rev. Peter Galdon and a reception followed at Veterans of Foreign Wars, South River.

The bride, escorted by her father, wore a gown of white sate-peau trimmed with guipure and Venice lace and fashioned with a high crown collar, bell sleeves and chapel train.

Her headpiece was a chapel length mantilla bordered with scalloped Venice lace and held by a Juliet cap. She carried Stephanotis and phalaenopsis orchids.

Miss Elaine Massimino of Belleville was her sister's maid of honor. Bridesmaids included another sister, Miss Jamie Massimino of Belleville, the groom's cousin, Miss Jacqueline Kaluzny of Parlin, Miss Johanna Desiderio of Rahway, Miss Joan Connolly of Kearny and Miss Celeste Cernerio of Belleville.

The honor attendant's gown was of blue voile trimmed with cluny lace and fashioned with bishop sleeves and flounced hem. A wide brimmed picture hat was trimmed with netting and she carried pink daisies and blue carnations.

The others were similarly attired in pink and had blue daisies and pink carnations.

John Bell of Parlin was best man. Ushering were Steve Nebus of Belleville, Robert Welton of Leonardo and the groom's cousin, Richard Kaluzny of Parlin, Jerrold Paczkowski of Sayreville and Paul Zibbro of South Amboy.

Mrs. Massimino chose a green coat gown of crepe knit trimmed with pearls and appliques. Her corsage was of green cymbidium orchids. The groom's mother was in an apricot floor length coat gown of chiffon trimmed with silver sequins. Her corsage was of apricot cymbidium orchids.

Mrs. Lyons Jr., a graduate of Belleville High School, is with Compensating Tension Controls, Orange.

Mr. Lyons Jr., an alumnus of St. Mary's High School, South Amboy and Drake's College, served in the Army and is with Terminal Freight Company, North Bergen.

The couple are honeymooning in Hawaii and will make their home in Kearny.

DiMassimo-Nardiello Troth Is Made Known

Mr. and Mrs. Frederick DiMassimo of 286 Franklin Avenue, Belleville, announce the engagement of their daughter, Susan to Louis V. Nardiello, son of Mr. and Mrs. Canio Nardiello of 119 Adelaide Street, Belleville.

The troth was made known April 21.

Miss DiMassimo, a graduate of Belleville High School, is a clerk-typist for Associated Book Service, Bloomfield. She is an honorary sister of Sigma Kappa Phi sorority at Newark State College.

Mr. Nardiello, an alumnus of Belleville High School, is a junior at Newark State and a brother of Sigma Theta Chi fraternity. He is majoring in sociology.

The wedding will be held in October of 1974.

Troth Is Told Of Miss Irwin, E.J. Wyrsh

Mr. and Mrs. Gilbert Irwin, Sr. of 125 Lakeside Drive, Nutley, announce the engagement of their daughter, Carolyn Mary, to Edward J. Wyrsh, son of Mr. and Mrs. William Wyrsh of Bloomfield.

Miss Irwin received her undergraduate degree from Caldwell College and a master's degree from Rutgers, The State University. She has taught on the faculty of Caldwell College and is currently Assistant Director of Admissions at that institution.

Mr. Wyrsh is a graduate of Seton Hall University, and holds an MBA from Fairleigh Dickinson University. He has served in the U.S. Army, Military Intelligence Branch in West Germany and is employed at the Corporate Headquarters of Hertz Corporation in Manhattan.

Miss Carolyn Irwin

Miss Susan DiMassimo

Miss Mary Skorupski

Miss Joanne Fusella

Miss Skorupski, Mr. Garrabrant Are Engaged

Mr. and Mrs. Walter Skorupski of 143 Brookfield Avenue, Nutley, announce the engagement of their daughter, Mary Paige to Robert Garrabrant, son of Mr. and Mrs. Christopher Garrabrant of 119 Union Avenue and the late Mrs. Margaret Garrabrant.

Miss Skorupski, a graduate of East Orange Catholic High School, and Seton Hall University, is a claim adjuster with Home Insurance, East Orange.

Mr. Garrabrant an alumnus of the same schools, is a general accountant with Otto B. May Inc., Newark.

The wedding will be held November 3.

Miss Fusella Is Bride-Elect Of S.G. Knott

Mr. and Mrs. Gerardo Fusella of 89 Race Street, Nutley announce the engagement of their daughter, Joanne Marie to Stephen Gerard Knott, son of Mr. and Mrs. Andrew Knott of Newark.

The troth was made known New Year's Eve.

Miss Fusella, a graduate of Nutley High School, is with Hartford Insurance Company, Newark.

Mr. Knott, an alumnus of St. Benedict's High School, is with International Terminal Operators of Port Newark, Elizabeth.

The wedding will be held March 31, 1974.

Miss Mary Ann Spirko

Miss Mary Ann Pawlikowski

Miss Spirko, F.S. Hammond Will Be Wed

Mr. and Mrs. Nicholas Spirko of 50 Chase Street, Nutley announce the engagement of their daughter, Mary Ann to Fredrich S. Hammond, son of Mr. and Mrs. John A. Hammond of 138 Garden Avenue, Belleville.

Miss Spirko, a graduate of Nutley schools and Park Beauty School, Newark, is with Joseph Coiffures, Bloomfield.

Mr. Hammond, an alumnus of Belleville High School and Lincoln Technical Institute, attended Fairleigh Dickinson University. He is a service technician with General Electric Company.

Available for sale. Exhibits from Conservation organizations, park commissions, Rutgers University, and clubs as well as demonstrations and flower arranging, pruning and other horticulture subjects will add educational interest. The Garden Fair Daze will be held rain or shine as most of the booths will be located indoors.

Vehslage - Mc Coy Nuptials Held In St. Peter's Church

Miss Marilyn McCoy, daughter of Mrs. Ellen McCoy of Belleville and the late Mr. William McCoy became the bride April 28 of Richard F. Vehslage, son of Mrs. Caroline Vehslage of Nutley and the late Mr. Harry Vehslage.

The ceremony in St. Peter's Church, Belleville, was performed by the Rev. Francis A. Ignacino assisted by the Rev. William G. Mink. A reception followed at Jackson's Auditorium, Harrison.

Escorted by her brother, Raymond McCoy, the bride wore a Victorian styled gown of organza and Venice lace. A coronet of pearls and rhinestones held her tier on tier illusion veil and she carried a Canterbury bouquet of white daisies, babies breath and lily of the valley with pink and white streamers.

Mrs. James Mulligan of Clifton was matron of honor with Mrs. John Bonnell of Irvington as bridesmaid.

The honor attendant was attired in a full length mint green gown with matching bow headpiece. She carried a basket of yellow daisies and babies breath with streamers. The bridesmaid was similarly attired in light blue and carried a basket of pink daisies and babies breath with streamers.

Harold Vehslage of Hamburg served his brother as best man with Walter Hartom of Belleville ushering.

The groom's mother was attired in a powder blue dress with white accessories. Her corsage was a white orchid.

Mrs. Vehslage, a graduate of St. Michael's High School, Newark and St. Mary's Hospital School of Nursing, Passaic, received her bachelor of science degree in nursing from Seton Hall University.

Mr. Vehslage is with Wallace & Tiernan Division, Pennwalt Corp., Belleville.

The couple honeymooned at Pocmont Lodge in the Pocono Mountains and have made their home in Belleville.

Mr. and Mrs. Richard Vehslage - nee Marilyn Mc Coy

Legal Secretaries Annual Dinner To Be Held May 25

The Essex County Legal Secretaries Association will hold its 16th Annual Installation Dinner at the Cobblestones Restaurant, 1170 Bloomfield Avenue, West Caldwell, on Friday, May 25th, at 6:45 p.m.

Newly elected officers for the year 1973-74 will be installed and the crowning of the "Legal Secretary of the Year" will be highlights of the evening. All Legal Secretaries are invited to attend. Reservations may be made by contacting Mrs. Dorothy Rowlette at 926-6068 after 6:00 p.m.

OES Chapter Card Party This Evening

A card party will be held this evening, May 17, at the Masonic Temple, 126 Joramelon Street, Belleville, at 8 p.m. It is sponsored by Belleville Chapter #262 OES. The public is welcome.

Chairman is Mrs. Susan Sulerley, assisted by Mrs. Aline Hall, in charge of door prizes and Mrs. Margaret Small, refreshments.

Don't expect everyone to agree with you, variety of opinion makes the world more interesting.

MAY WE HELP YOU WITH THAT HOLE IN YOUR POCKET?

Not that we're equipped to sew it up (our "full service" doesn't yet include mending) - but we do have ideas on how to keep your money from slipping away.

One of them is to open a savings account with our bank. Another is to buy U.S. Savings Bonds on a regular basis - and here you'll find our Bond-a-Month Plan, which transfers money from your checking account for automatic Bond purchases, very helpful.

You'd probably be surprised at how much of your cash disappears without a trace. With a regular savings program those odd quarters and dollars would be accomplishing something for you. Instead of getting lost they'd be building security for your future.

Handling and protecting your money is our business. Stop in soon, and let us show you how savings accounts and U.S. Savings Bonds can end that "losing" streak.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

DOUBLING UP — Things came in pairs at the Essex County Mothers of Twins' Children's Party held May 5 in West Orange. Row 1 includes Barbara and Karen Greening and Catherine and Steven Mulready, all of Nutley. In the middle, Lisa and Linda Kimble of Belleville, Nora and Erin Maguire of Nutley and Mrs. August Mitschke of Belleville with Nancy and Jennifer. High men on the totem pole, George and Jonathan Walsh of Nutley. Twins of all ages attended the annual affair with their singleton brothers and sisters. The club is open to all multiple birth mothers.

Clinic Psychologist To Address Auxiliary At Clara Maass

The Auxiliary of the Clara Maass Memorial Hospital will have as its guest speaker Miss Sheila Hoffman, staff psychologist of the North Essex Child Guidance Clinic, at its regular meeting to be held at 8:00 p.m. on Tuesday, May 22, at the Kiddie Auditorium, School of Nursing.

Miss Hoffman will talk about the basic outpatient psychiatric service to emotionally disturbed children and their families of Belleville, Nutley and Bloomfield as the core of the Clinic's program. She will tell also of special projects as the therapeutic camp which is expected to furnish a place for hard-to-manage youngsters again this summer. The special nursery which is ending its second year of work with disturbed children aged 2½ to 5

VFW Ladies Hospital Guild And Men Give Annual Dinner Set For May 21

The Ladies Auxiliary of the Veterans of Foreign Wars, Stuart E. Edwards Post #493 of Nutley joined by the men gave a hospital party for the aged veterans at Menlo Park.

Augusta Frotten of 82 Stager Street, Nutley acting as chairlady, with the help of Maureen Doll of 669 Joramston Street, Belleville, baked cakes to be served as refreshments.

The hospital has 175 patients, 15 of whom are diabetic. The V.F.W. also had a sugar-free refreshment for them.

The aged veterans played Bingo. When they won they received a prize of either cigarettes or a quarter.

Helping the aged veterans to play Bingo and serving refreshments were Theresa Ferranti, Emelda Beyer, Theresa Hoffman, Bessie Kohler, Auxiliary president Sue Streib, Mr. and Mrs. John Stankewitz and daughter Kathy. Mr. and Mrs. Arlie Ackley, Mr. and Mrs. Earl Blair, Mr. and Mrs. Robert Martin, Mr. and Mrs. Victor Gutbosi, Mr. and Mrs. Steven Sheeder and Post Commander Frank Kriedel.

Honored guests will be William R. Harris, president, Hospital Board of Trustees and Albin H. Oberg, Executive Director.

Mr. Oberg will install the following officers: Mrs. Peter Amirata, Roseland, president; Mrs. Robert Lorelo, Short Hills, 1st vice president; Mrs. Charles E. Ashb, Belleville, 2nd vice president; Mrs. Laurence Scheininger, Maplewood, 3rd vice president; Mrs. Francesco Crocenz, Montclair, treasurer; Mrs. William Reiser, Jr. Verona, recording secretary; Mrs. Tina Nitto, West Orange, financial secretary and Mrs. James Agresti, North Caldwell, corresponding secretary.

Mrs. Agresti, Chairman of the affair, will honor past presidents in a candlelight ceremony.

Rosary Nursery Guild Installs Officers Tonight

The Holy Rosary Nursery Guild will hold its annual Installation-Dinner Meeting tonight at 6 p.m., at Don's 21 Restaurant, Newark.

Rev. Fuino Celebrates His 25th Anniversary

The Very Rev. Crispin Fuino, O.F.M. Conv., celebrated the 25th anniversary of his ordination to the priesthood on Sunday, May 6th, in St. Anthony's Church, East Newark.

The Concelebrated Mass of Thanksgiving was followed by a dinner in his honor at Bisse's Restaurant, Newark, attended by the family and friends.

Father Fuino is the son of Mrs. Marie Fuino of Harrison, and the late Salvatore Fuino. He has four brothers, George, John, Joseph all of Harrison and Patrick of Nutley, a sister Mrs. Marie Affitto of Nutley and the late Mrs. Rose Mucina of Newark.

Born in Harrison he attended schools there, Seton Hall College and St. Francis Seminary, Staten Island. He later attended the Major Seminary, St. Anthony on Hudson at Kenseletar, N.Y., and was ordained May 22, 1948, in the Cathedral of the Immaculate Conception in Albany, N.Y.

He served as associate pastor of the Church of St. Francis, Hoboken for seven years and in 1955 was

Rev. Crispin Fuino

elevated to the pastorate of that church.

In 1966 he assumed the pastorate of Our Lady of Angels Parish in Albany and in 1969 was reappointed and elected as one of the Franciscan Provincial Definitors.

A concelebrated Mass will be offered at his Parish, Our Lady of Angels Church, later this month. The mass will be followed by a luncheon at Valle's Steak House, Albany.

FOR CHARITY — Mrs. Betty Renna (center) is the winner of an Easter egg raffled off recently at Umberio's Coiffeure of 547 Washington Avenue. The raffie brought in \$70 which was doubled by Umberio and donated to the Orphanage of Adolorato of Castelprosa in Italy. Nina Poto (Umberio) congratulates Mrs. Renna as Lavinia DeCroce holds the egg.

Stork Club

Scot A. Boyce

A second child, a son, Scot Anthony was born to Mr. and Mrs. Gary Boyce of 232 Sighans Street, April 21, at Clara Maass Memorial Hospital. Birth weight was 8 pounds, 12 ounces. He joins Ricky 4. Mrs. Casalo is the former Joann of Calabar daughter of Mr. and Mrs. Salvatore Calabro of 76 Fairway Avenue, Mr. Casalo son of Mr. and Mrs. Emil L. Casalo of 85 Fairway Avenue is a title searcher and law student at Seton Hall Law School.

Theresa A. Fredo

A third child, a daughter, Theresa Ann was born to Mr. and Mrs. Martin Fredo of 38 Washington Street, April 20 at Clara Maass Memorial Hospital. Birth weight was 7 pounds, 11 ounces. She joins Pamela Ann 6, Carole Ann 15 months. Mrs. Fredo is the former Carol Ann Taxter. Mr. Fredo is a self employed painter.

You And Your Pet Swimming And Pets

By Raymond Minor, D.V.M.

Despite what you may have heard, not all dogs swim instinctively.

But swimming is enjoyable exercise for your pet, and some dogs that don't take to water easily can be taught to swim and enjoy it with a little perseverance on your part.

Before starting the swimming lessons, it would be a good idea to check with your veterinarian; he can tell you if there is any reason why you shouldn't proceed.

In teaching your pet, you need not be concerned with the stroke or timing. His "dog paddle" is much like walking. He doesn't have to learn it.

What the non-swimming dog has to be taught is to keep his body upright and his chin above the waterline.

A good way to get a balky dog into the water is to toss his favorite ball. Make sure you start him in shallow water. Then push the ball slowly out past the dog's depth. If you are lucky, your dog will start swimming right away.

If he doesn't start swimming, don't push. Let your dog play in shallow water and get used to his new environment. After a while you can guide him beyond his depth, keeping your hand under his chest.

Then you can take him into deeper water always turning him toward shore before letting him loose.

Choose your spot for swimming lessons carefully. Make sure there is a graded exit — a bank he can scramble up to get out of the water. A dog cannot pull himself up out of a straight-sided pool. If he is not watched, he may drown, or become so frightened by his inability to get out of the water that he will refuse to go in again.

You must also be prepared for the unforeseen emergency. What if, despite your precautions, your dog nearly drowns? Immediate medicine help is the best answer. But if such assistance is not instantly available, there are some steps you should take.

How To Send Insect Specimens For Identification

Many times homeowners are plagued with insect problems that require the identification of the pest involved.

In the metropolitan area there are about 16,000 different species of insects. In order that a positive identification of your problem can be made, specimens must be in good condition on arrival.

William F. Munk, senior county agricultural agent of Essex County, lists these points that should be followed in preparing insect specimens for shipment:

- * Insects may be sent dead or alive, although it is usually better to kill them before shipment.
- * Hard-bodied insects should be confined in a small box with cotton or cushioning material.
- * Soft-bodied insects should be placed in a tightly stoppered bottle or vial of alcohol.
- * Plant specimens should be selected to show typical injury. Wrap the specimen in waxed paper, plastic film or other moisture-proof wrapping.
- * Wood specimens should show typical damage and should be large enough to include some undamaged material.
- * Remove specimens from soil before shipping.
- * Pack to avoid crushing.
- * Always send an accompanying letter giving the circumstances of the problem and telling exactly where the specimens were obtained.
- * Send letter and specimens to The Essex County Agricultural Extension Service, 900 Bloomfield Avenue, Verona, New Jersey 07044.

Mental Health Effort Is National Concern

Aiding Indians

Training programs geared to the needs of American Indian communities are getting underway in five schools of social work as a result of new grants totaling nearly \$350,000 awarded by the National Institute of Mental Health, of HEW's Health Services and Mental Health Administration.

Members of the American Indian communities involved played an important part in the planning and development of each of these innovative programs.

In cooperation with the Pacific Indian School, Arizona State University at Tempe plans improvement in educating Indians in boarding schools and in training social workers to serve in the Rocky Mountain Southwest region.

Down in Florida, Barry College of Miami Shores aims to develop leadership potential among Seminole Indians and to aid Indians in Southeast Florida.

In Oklahoma, Indians are to be recruited, educated, and supported to become social workers for their people; this training, through the University of Oklahoma, will provide field experience in eastern Oklahoma.

By employing Indian faculty and recruiting Indian and native Alaskan students, the Portland Oregon State University seeks to provide increased educational and career opportunities in the field of social work.

The School of Social Work of the University of Denver will utilize its grant to help finance a program designed to enhance social work educational opportunities not only for American Indians, but also for Mexican Americans and the black community.

Two additional NIMH projects, now in their second year, also focus on increasing training opportunities for American Indians in social service, through programs at the University of Utah and through the State University of New York.

Control Worms With Fumigation

One of the best ways to get rid of nematodes in your vegetable garden is to fumigate, advises William F. Munk, senior county agricultural agent of Essex County.

Tomatoes, peppers, eggplants and other vegetable plants often have their growth drastically stunted by tremendous populations of these tiny worm-like pests. Roots of injured plants often have galls ranging in size from a pinhead to one inch in diameter, or tiny feeder roots may be brown and shriveled, according to Mr. Munk.

Fumigating in the spring with 5 percent Nemagon granules will control nematodes all season.

Before you start, clear the area to be treated of all plant refuse. The soil should be moist enough for seedling, and the soil temperature should be 50 degrees or above at a 6-inch depth.

Put a half teaspoonful of granules in a 6-inch hole and cover with soil immediately.

Fairleigh Offers Classes In Reading For Adults

The Learning Center of Fairleigh Dickinson University is offering summer evening classes in Reading Improve-

ment for high school graduates, college students and adults at both Teaneck and Rutherford Campuses, announces Dr. Rita Fass, Director of the Center.

The Belleville Times

News

MIKE GREENFEDER follows the path of his discus throw in a meet against Newark Tech Monday. The weightman placed third behind Tom Sanders and Bob Luongo.

'Oursized' Oarsmen Fall Back in Regatta

Belleville oarsmen were "outpowered and outsized" at the Poughkeepsie Regatta Saturday, said coach Sam Giuffrida, who added "they rowed well and gave it their best shot."

The Belloys made it through a field of 12 schools to the finals where they placed fifth in a field of six, defeating Poughkeepsie High School.

Holy Spirit of Atlantic City successfully defended their title, sweeping every event at the Regatta, except for freshman races won by a powerful squad from neighboring Nutley.

Giuffrida said the Poughkeepsie race is used as a "testing ground" to determine prospects for future national

regatta. Based on the Belloys showing Saturday, he said, the crew will not enter the Stotesbury Regatta for the Nationals.

He said the Holy Spirit shell had finished a full eight seconds ahead of their closest competition, and the next four boats were spread over another eight seconds at the finish, leaving Belleville about 16 seconds behind the victorious Holy Spirit crew. "If it had been another five or six seconds closer we would consider other regattas," he said, "but we just didn't have the size."

Giuffrida remarked, "We have a nice-sized team, but we were the smallest there at the Regatta." Belleville's varsity crew averages about six feet, one inch, 180 pounds.

Some of the top schools in the East traveled to the Regatta, including Liverpool High School from Syracuse, New York, Roosevelt from Connecticut, Holy Spirit and Poughkeepsie.

Belleville finished in front of Poughkeepsie and one and

a half seconds behind Roosevelt, a crew which raced the Belloys to a tie earlier this season on the Passaic.

Belleville's freshman crew turned in a good showing, ending up second behind undefeated Nutley frosh. The Belleville team has so far posted a mark of 12-3, including regatta.

"The third eight," made up of junior varsity and 135-pounders also made it to the finals where they finished fifth. Giuffrida said they also did "a tremendous job" while under the same size handicap as the varsity.

The next scheduled competition, also the last, for the Blue and Gold oarsmen of 1973, will be the annual Goodwill Regatta, featuring boatworn rivals Belleville, Nutley and Kearny. Because none of the schools "are entering the national competitions, the regatta has been moved up to May 26.

Giuffrida declined to predict the outcome of the Goodwill Regatta, saying "I've seen upsets galore in those races."

Second Time Belloys Clipped By Nutley, 2-1

by Tony Calabrese

The Nutley Maroon Raiders came to Belleville this past Monday afternoon to administer the second consecutive defeat at home that Belleville had suffered in the past week, defeating Belleville by a score of 5-4 in a game which took eight innings to play.

The pitching of Paul Stefan, plus the longball power of Don Kivor, Mike Condar and Mike Calicchio, all of who socked solo homers were the main factors in the Nutley victory.

Nutley saw its record soar to 10-4 on the year overall, and 7-3 in the Big Ten Conference, while Belleville which started the day in first place in conference play saw their record fall to 9-4-1 overall, and to 7-3-1 in the conference. If Belleville was to remain in first place as determined Monday afternoon in a game at Kearny between the Cardinals and Columbia, too late for the Times to report before going to press, but should Kearny have won, then the Belloys would be all alone in second place.

Joe Cerza was the Belleville pitcher in Monday's contest, while Paul Stefan hurried for Nutley. Cerza in his eight innings of work gave up all five

runs on seven hits, striking out nine, and walking four. Stefan by contrast gave up four runs on eleven hits, striking out eleven batters while walking seven. Both pitchers pitched a courageous game, with runners on constantly, proven by the fact that Nutley left seven batters on base, and Belleville stranded 10.

Nutley scored one tally in each of the first three innings. In the first Lou Alessio singled, stole second, went to third on a sacrifice by Al Donatiello, and scored on Kivor's infield hit. In the second Mark Carey doubled to right, went to third on a sacrifice by Calicchio, and scored on Stefan's fielder's choice.

Tracksters Split Two With Campers, Tech

by Frank Salerno

The Belleville tracksters salvaged their third win of the season Monday after they overcame their ninth loss of a disappointing season.

After losing to Irvington Thursday by a convincing 93-29 score, the "Inchids" bounced back to beat Newark Tech 53-0 on Monday.

Belloy efforts were completely nullified against Irvington as they were able to take only one first place while Irvington swept the pole vault, the 440 and the mile.

Mike Greenfeder captured first place in the shot put with a good 45-foot throw. Robert Luongo also tossed the shot

well and took third.

Hunter Robert "Stach" Sanders capped seconds in the high and low hurdles. "Stach" ran a 2:11 time in the 120 lows, his best all year. Ken Drake held up third in the low hurdles.

Distance runners Steve Budrick and Bill Goodwin were able to take second places in their respective events, the half-mile and the two-mile.

Tim Sanders sprinted to third place in the 100-yard dash and Robert Cozzarelli equaled his pace in the 220 "Cozz" ran a 25.4.

Tommy Sanders also placed second in the discus, throwing 111 feet, and Robert Luongo threw for the third spot.

In the high jump and the long jump events, the Blue-Gold only managed third spots as Brian Wood cleared five feet and Ken Drake jumped 17 feet.

The Campers won the mile relay by ten yards to add the finishing touches.

Against Newark Tech the Belloys had five first place and easily won the mile relay for the victory.

Led by the weightmen, who swept the discus and shot put, the cindermen made up for the lack of hurdlers.

Tom Sanders threw 138 feet, by far his best of the season, to win the discus event. Tim was followed by Mike Greenfeder and Robert Luongo. Luongo threw 128 feet while Greenfeder had a 121-foot toss.

Greenfeder also won the shot put with an excellent 47-foot throw.

Newark Tech swept only the high hurdles. Belleville did not have anyone competing due to the band trip early this week. With the loss of Sanders, Drake and Davenport, Robert Cozzarelli volunteered to compete in the low hurdles. "Cozz" took second place, in his first race

over the road. Cindergirl Kathy Waxnash placed fourth and just missed her first varsity point.

"Cozz" also finished second running the 220-yard dash. Greg Bunch copped three thirds, performing in the 100-yard dash, the 220-yard dash and the long jump. Tom Sanders placed in the 100 "Stoggs" ran a 19.7.

The distance runners had a good day as they posted two winners, the winners being Steve Budrick and Bill Goodwin. "Bud" raced to a 2:19 clocking in the half, while "Goody" easily won the deuce in 10:48. Walter Sibus raced behind "Goody" for the second spot. Miltie Mige Fortino and Steven Dyba crossed the finish line in second and third respectively.

Legion Ball Tryout Sunday

The Belleville American Legion Post 105 will conduct its first tryouts for its baseball team on Sunday, May 20, at 1 p.m. at the Belleville Municipal Stadium.

All boys who will not reach the age of nineteen before August 1st of this year are eligible to try out.

The second tryout will be held on Saturday, May 26 at 1 p.m. The third and last tryout will be held on Sunday, May 27.

This year's team will have a new coaching staff headed by Fred Chick's Palio and assisted by George Zanfina and Bob Malkack.

Any eligible boys are welcome to tryout. If there are any questions regarding tryouts, please contact Fred Palio at (751-5174).

Girls Bow To Nutley In Shutout

The girls' varsity softball team dropped their fourth game of the season when they were shut out by Nutley on May 7 by a score of 11-0.

Nutley showed their superiority from the very beginning of the game by scoring six runs in the first inning. Although they were unable to score in the next three innings, they rallied again in the fifth inning adding five more runs to their total.

Nutley's pitcher Andrian DeMatteo pitched a beautiful game, as the only pitcher to be able to score in the next three innings, they rallied again in the fifth inning adding five more runs to their total.

Nutley's pitcher Andrian DeMatteo pitched a beautiful game, as the only pitcher to be able to score in the next three innings, they rallied again in the fifth inning adding five more runs to their total.

Jayvee Nine Settles Score with Kardinals

Pat Caputo

The Belleville Jayvees avenged an earlier defeat from Kearny by coasting to a 15-3 victory at Belleville last week.

The Junior Belloys again jumped to an early lead when Steve Gerard reached on an error and stole second, vice Pasquariello bunted for a hit, and then stole second leaving two men in scoring position.

Coach Ralph LaComte had his clean-up hitter bunt, and the suicide squeeze brought in the first run. Arminio's bunt completely surprised Wayne Valley and Gerard scored easily. Vin DeNotaris scored. Vic when the short-stop could not handle his wicked ground ball.

The winning runs were scored in the fourth inning after two were out. Gerard Mango walked and Anthony

Romandetto ran for the score tied at two. Jim Zaccone singled him to third and "Zac" took second on the throw. Keith Ziegler delivered a pinch infield hit for the third Total.

(Continued on Page 12)

7. Verona fell to the good girls of Belleville, 13 and a half - 4 and a half, and arch rival Nutley was defeated 11 and a half - 6 and a half.

Rainy weather had postponed these matches earlier in the season. Even though it was convenient to reschedule the matches all on the same day, the golfers did not like the idea because a bad day could have meant three losses. However, the golfers did attain an abundance of points at their home course.

John Dacey, avenged his only personal tie of the season from Montclair by capturing two points against Bloomfield and three points each against Nutley and Verona. As the number one shooter, this sophomore has yet to lose a match this season, and has 31 and a half out of a possible 36 points.

Neil Simoneau, the number two golfer, came back from losing six matches in a row by defeating Verona and Nutley with two and two and a half points respectively.

Junior Mike Monagas, number four shooter, received 7 and a half points on the day with shutouts against Verona and Nutley. He now has 28 points on points. Dan Cassese shut out his Verona opponent.

This was Belleville's first match against Verona; they have defeated Nutley twice, and have lost to Bloomfield twice.

Before the tri-match, Montclair averaged an early 49-50 loss, and Nutley had defeated six-match winning streak with a 10-8 decision up

Locals Edge Out Tough Kearnyites

The Belleville varsity baseball team, for the second time this season behind the pitching of Rich Centanni, knocked off a very highly regarded Kearny club, ranked by area newspapers as fifth best in the state, by a score of 2-1 last Friday afternoon in a game played in Belleville.

The win put the varsity record at 9-2-1 on the year, and 7-2-1 in the Big Ten Conference, a mark that left them one point ahead of Kearny and Bloomfield in the conference standings, as Belleville took over sole possession of first place for the first time this season.

For Rich Centanni, who hurled a four-hitter, this was his fourth victory of the year against one defeat. The senior righthander struck out eight and walked but was in the contest. The run scored off of him was the first run earned. Rich has now gone 28 consecutive innings without allowing an earned run. Centanni had to be good, for his opposite number in the top of the third, Rob Landi got an infield hit off of Centanni's glove, stole second, went to third on a wild pitch, and scored when Bob Ostrom's two out infield error was mishandled for an error.

However, the deficit did not last long as in the bottom of the third Belleville got both of their runs, and all four of their hits in the inning. Centanni started things with a single to left field. He moved to second on a sacrifice by Alan Frank. Joe Ross followed with a hit to left, however, Centanni was out down at the plate on a line throw by Steve Binder to give Kearny two outs and a man on second as that is where

Kearny scored its only run off of Centanni in the top of the third. Rob Landi got an infield hit off of Centanni's glove, stole second, went to third on a wild pitch, and scored when Bob Ostrom's two out infield error was mishandled for an error.

Homers Step Up In GNT Round

The Belleville varsity baseball team got off to a good start in their opening round game in the 41st annual Greater Newark Tournament by defeating the Montclair Mounties by a score of 11-4 last Thursday afternoon in Montclair.

By winning, the Belloys move off to the quarterfinal round, at 11:00 am they will journey up to Millburn to take on that ballclub.

This year for the first time, the GNT is restricted only to Essex County teams (previously anyone in the state was eligible) and so the Belloys as the fifth seeded club of the tourney had to go the unseeded Mounties home field, as the Belloy home base was too wet from previous rains. However, since they were the visiting team at the field Belleville under GNT rules was allowed to bat last.

Joe Cerza pitched the entire

game for the Belloys, and the tumor right hander saw his record on the year go to 3-4-1, as he struck out two and walked four in his first complete game effort ever. Joe gave up three earned runs, and a total of seven hits to the Mounties batters.

On the other hand had pitching problems, as through illness, injury, and a sequence of a heavy schedule depleted the staff to the point that Mountie manager Connie Egan had to use his regular shortstop, Dale Berra, as his starting pitcher. This arrangement didn't work out as Berra not only had trouble finding the plate, but also couldn't keep from hurling his tosses into the backstop and so after five batters Egan had to replace Berra with Bill Wilson, an outfielder by trade, and although he pitched the rest of the contest, striking out nine, he wasn't

The Wayne Valley Indians, rated as the number one team in Passaic County, came to Belleville last Saturday morning to break the Belloys three game winning streak, as they came to Belleville by a score of 5-3.

Wayne Valley with the win saw their record raised to 13-5 while Belleville's mark fell to 9-3-1. The Indians built up a steady 5-0 lead over the first 5 and a half innings against Belleville and their pitcher Dennis Nadzan, and by the time Belleville was able to score three times in the sixth inning, it all turned out to be too little, too late.

Nadzan, a junior, pitched a fine game for Belleville, allowing six hits, striking out 11 and walking but two. His main problem on the day was to avoid Wayne Valley from getting the long hit, as four of the six Wayne hits were extra base hits.

The Wayne Valley pitching combination of Perry Cancelliere and Tim Bauer also did a strong job as they combined to allow three hits, along with the three runs, striking out five and walking four. Cancelliere the starter

win with four strong innings, allowing two runs, but neither were earned. Bill Tellesco picked up the save with the eighth inning when he struck out Zaccaro and Jim Risoli, who ran for Ziegler. Jim Zaccaro earned the

Kearny Beaten

(Continued from Page 11)

Ross wound up on the throw to score. Phil Cuzzi followed with a booming double to left field off the fence, to tie it at 1-1. And Cuzzi soon followed to score the winning run as he was driven home on a hard hit single to center field by Frank Passidero. That was the last Bellboy hit or threat of the day.

Back's Cullum.

For Kearny though there was still one grand opportunity to score and this came in the fifth inning. Dave Malesky started problems by singling to right-center. Centanni then tried to pick the runner off first base, but his throw was wild, allowing Malesky to go all the way to third base. Runners were soon at third and first when Binder walked.

With Rob Landi at the plate, Kearny tried a suicide squeeze, a play on which Cuzzi called for a pick-off, and wound up picking Malesky off of third, with Binder taking second on this action. Landi reached base on an error; a grounder to Alan Frank, and his throw home to Cuzzi was the play in plenty of time to cut down Binder. Centanni really bore down now as he struck out Gregg Malesky to get out of trouble.

Your Party is a sure winner

at Monticello Raceway - from start to finish!

You've picked a winner when you pick Monticello for your group's next party. We'll throw you a party you'll never quite get. It starts with a delicious full course (and lots of excitement in between) which includes:

- Admission to the track for 9 races (3 perfectas and the Trifecta)
- Full course dinner (with complimentary after dinner cordial) on the lovely 1300 sq. ft. Terrace
- Meeting facilities
- A race picnic after your group
- An announcement honoring your group over our P.A. system
- Your group's name welcomed in lights on our message board
- Gratuities
- Free parking for your bus

And in addition to all this, you get a crack at the exciting new Monticello Trifecta. Just name the first three horses in their exact order of finish and your \$3 bet you could win more money than you ever imagined.

Call Monticello Raceway for information or reservations today. We'll send you our Group Brochure immediately.

N.Y. Direct Wire: **WA 4-2345** Offer good Mon. to Fri. nights (post time 8:30 plus 12 Sat. 9:00) afternoons (post time 2:30)

Peewee Diamonders Hit Full Stride

Amvets and Kiwans lead the National League with 2 & 2-0 records. Both teams received good pitching and timely hitting to win their games.

B.I.A.C.A. and Rifolfo lead the American league with 2 & 0 records. B.I.A.C.A. won their games on good pitching, while Rifolfo beat getting good hitting along with pitching.

Amvets defeated P.B.A. by the score of 10-3. Bill Murphy had two hits each for the winners. Both pitchers had trouble finding the plate as most of the runs were scored by walks.

Kiwans Club scored three runs in the last inning to defeat the Lions Club by the score of 6-5. Frank De Lorenz drove in two runs with a hit in the sixth. Anthony Donatelli and Ted Zangari had two hits each for the winners. Mike Raimone had two hits for the losers.

Joe Lipoma pitched a one-hit ball game for B.F.A.C.A. to defeat the Elks by the score of 1-0. The only hit was a tri-

Pass First Tourney Rung

(Continued from Page 11)

exactly the most artistic of pitchers, and Belleville hit him quite freely for the rest of the contest.

Belleville scored six runs in the first inning. Walks to Joe Ross, Phil Cuzzi, Frank Passidero and Ron Baggio meant one run and the exit of Berger from the mound. Mark Cervasio followed with a groundball to Berra who had now taken over at short, and his throw at the plate was not only late, but wild and it allowed two runs to score, leaving Borgo at third, Joe Cervasio at second. After Joe Cancliere walked, Cervasio beat the only Belleville hit of the inning a double to deep right field that scored three

String Unravels

(Continued from Page 11)

the season, against a loss. Nadzian, who also saw his record enter the fourth, gave up three doubles and two runs in the second inning. The hits by Mark Shapiro, Chris Johnston, and Dana Taylor, all were hit very well. A third Wayne Valley run scored in the third. Cancliere walked and Len Fraci pinch ran for him. Fraci scored run, but he was out on a single to right by Frank Palmeri.

Much the same route was used to end the fourth. Wayne Valley run home in the fifth. Chris LaSala walked, stole second, went to third on another balk, and scored on an infield groundout by Palmeri. The final Wayne Valley tally in the sixth came across plain and simple. Power hit Mark Shapiro took one swing and hit a long homerun over the right field fence.

With the score 5-0 against them, and held to two hits over the first five frames, Belleville made a run at

INSURANCE

Prudential
has immediate openings for full-time employees in the following positions:

TRAINEES: If you have a high school or partial college background and qualify for our Special Training Program we will start you at a level commensurate with your background and qualifications. You will then be moved up to higher level assignments at an accelerated rate to advancement.

SECRETARIES: Positions open for both experienced Secretaries and recent grads. Good sten and typing skills required.

KEYPUNCH OPERATORS: Experience necessary, but a reasonably good typing skill is required.

CLERKS: No experience necessary for active File, Mail and Service Clerk positions.

Excellent starting salaries. Wide range of benefits, including a TUITION REFUND PLAN.

For an interview please visit our Employment Bureau any time between 8 A.M. and 2:30 P.M. Monday through Friday.

Pop, Opera Performers At Italian Arts Festival

Performing artists of a wide range of talents, from Metropolitan Opera greats to stars of the popular stage, will be featured in the third annual Italian Festival at the Garden State Arts Center on Sunday, June 24.

Festival Chairman A. A. Miele today announced the following performers will be on the big amphitheater stage: Frankie Avalon, vocal favorite of 20 years standing, with roles in more than 40 films, hundreds of television programs and recording galore.

Dana Valery, winner of the Milan Song Festival, star of stage and television from South Africa by way of London to Broadway, will demonstrate her ability to perform as brilliantly as her well-known brother, Sergio Franchi.

Louis Sgarro, outstanding bass-baritone, and Rita DeCarlo, lovely mezzo soprano, and a cast of fellow Metropolitan Opera stars will perform highlights from the "Barber of Seville."

Charlie Callas's rubber-faced, stringbean comedian, who blends rapid-fire humor with a whimsical style that has made him a well-known Italian-American entertainer on the night club circuit.

Two of New Jersey's own, popular vocalist Mary De Rose and pianist Ray LaRocca, who helped brighten the first two Italian Festivals at the Arts Center, will return, and will be joined by a rising young soprano, Gloria Patrizio.

Chairman Miele said the afternoon program featuring the above artists will begin at 1 o'clock. In addition, he said, there will be morning activities on the Arts Center mall, starting with the celebration of the Holy Sacrifice of the Mass at 10 o'clock.

Telegraph Hill Park, where the Arts Center is situated, the chairman pointed out. It's ideal for a family holiday, he added.

The Italian Festival is one of a series of heritage events of the New Jersey Highway Authority has scheduled to give various groups opportunities to salute their cultural backgrounds and at the same time raise money for the Garden State Arts Center Cultural Fund. The Authority operates the Arts Center at Exit 116 of the Garden State Parkway and administers the Cultural Fund, which provides free entertainment for New Jersey school children, summer youth, senior citizens, disabled veterans, orphans and the blind.

A talent show featuring New Jersey teenagers of Italian descent will be presented on the mall at 11 a.m. There also will be an exhibition of sculpture, paintings and other artistic crafts by Italian-American artists of New Jersey.

Refreshments will be sold and picnic facilities will be available on the grounds of

Four 'Dirty Old Men' Are Paper Mill Hits

From now until June 3, the longing glances and sly smirks of dirty old men are stopping the show at Paper Mill Playhouse, Millburn. Supporting Bill Binnant, Jill Corey and Jerry Lanning in "Promises, Promises," these characters are close friends on stage, but they have come from as far away as Kentucky, England, and as close as Columbia High School, Maplewood, to get that way.

Alex Reed, who plays "Mr. Doblich," one of the bees with secretaries on his mind, has traveled the country over, just to return "home" by appearing at Paper Mill. Reed was a teacher during the late 40's and early 50's at Columbia High School. At that time, he was active as actor/director in community theatres. Since becoming a professional, Reed has appeared in "Lost in the Stars" on Broadway, "1776," Hobson's Choice in Manchester—Centerville Nine in Boston and "Arsenic and Old Lace" in Houston.

Joining Reed in the fecherous quartet is Geoffrey Webb, as "Kirkoby," who was born in Keyworth, England. Webb came to

America with a Victorian Music-Hall Revue and visited Paper Mill last as director/choreographer/leading man in "The Boy Friend."

Allan Dellany, cast as girl-chasing "Jesse Vanderhof" is back home at The State Theatre; he was born right here in N.J. His last performance for a home-state crowd was in the Playhouse-on-the-Mall version of "Forty Carats."

The Gourmet Adventures of

DAVID GIOVACCO

How to use a finger bowl is very simple! The finger bowl is set on a thin doily and served on the dessert plate with the dessert silver. Both bowl and doily are removed by each guest and placed above and to the left of the place setting. The silver is placed at either side of the plate. Finger bowls may sound like an unnecessary nuisance but they are actually quite a pleasant addition to a meal, especially if fingers have touched the food.

At THE PUB, 965 Allwood Rd., Clifton, 773-2110, quality food and quality service are always yours. And you can choose from an extensive menu of mouth-watering continental-American cuisine. You may wish to begin with our onion soup a la Francaise, then peruse our roast prime ribs of beef, done to perfection and served with delicately seasoned au jus. Reservations suggested, except Sat. Closed Sun. holidays

HELPFUL HINT: Fruit knives are put on the table only as the fruit is served.

Actors Cafe Offers 'Godot' For 6 Weeks

The world famous "Waiting For Godot" by Samuel Beckett will open a six-week run at the Actors Cafe Theatre, South Munn and Central Avenues, East Orange, on Friday, and will play every Thursday, Friday and Saturday at 8:30 p.m. through June 22.

The cast consists of David G. Kennedy, Bob Ritt, Dale Carman and Charles Blumenthal with Mr. Kennedy also serving as director.

Following this will be a six-week run of "A Funny Thing Happened On The Way To The Forum" June 28 through August 4, and a five-week run of "Happy Birthday Wanda June" August 10 through September 8. Box office reservations can be made by phone by calling 675-1881.

Andriorio; Engineer

Funeral services were held May 4 at St. Peter's Church for Charles Andriorio, 78 Malone Avenue, who died suddenly April 30 at Clara Maass Memorial Hospital.

A native of Avellino, Italy, Mr. Andriorio came to Belleville four months ago from East Orange. Before his recent retirement, he was a cost engineer for the Irvington Corporation, serving that company 37 years.

Mr. Andriorio is survived by his wife the former Anna Lee Cook; a daughter, Anne, at home; a son, the Rev. Vincent Andriorio of Chicago; a brother, Thomas Andriorio, of Verona; four sisters, Mrs. Ann Annunziata, Mrs. Elizabeth Pallante, and Miss Josephine Andriorio, all of Union, and Mrs. Marie DeLorenzo of Irvington.

Funeral arrangements were handled by the Landolfi Home for Funerals, 503 Union Avenue, and interment was in Holy Cross Cemetery.

Joseph Mee

Funeral services were held April 23 at St. Mary's Church for Joseph P. Mee, 32 Wharton Avenue, who died suddenly April 18. He was 47.

Born in Newark, Mr. Mee lived in Nutley 17 years and was a mechanic for the Northern New Jersey Oil Co. Before working with that company he was co-owner of the New Parker Cocktail Bar in Newark. Mr. Mee was also a member of Teamsters Union Local 478.

He is survived by his wife, Mrs. Eva Mee; two daughters, Miss Lorry Mee, of Belleville, and Miss Phyllis Mee at home; two sons, Joseph P. Jr. and John, both at home; two brothers, Jeremiah and John; three sisters, Mrs. Constance Christian, Mrs. Helen Mackenzie, and Mrs. Kathleen Caproni.

Funeral services were arranged by the McDonough Funeral Home, Newark, and were officiated by the Rev. Peter Geldon. Interment was in Glendale Cemetery, Bloomfield.

OBITUARIES

E. Zimmerman; Here Entire Life

Funeral services were held May 11 for Emma Zimmerman, of the Eastern Star, Arcane of the Eastern Star, Arcane of home May 9. A resident here nearly her entire life, she was 69.

Rounds of Wesley United was in the Lutheran, Methodist Church, Interment Cemetery, Maspeth, N.Y.

Born in Germany, Mrs. Zimmerman was a member of the Eastern Star, Arcane Chapter 73, and was also affiliated with the Belleville Red Cross.

She is survived by her husband Robert Zimmerman; two nieces, Margaret Santucio and Gertrude Fenton; and two nephews, Robert and Fred Krocher.

Services at the Irvine-Cozzarelli Memorial Home were officiated by the Rev. Peter Geldon.

Dedicated To Dignified Service

We anticipate the family's every need, while offering the utmost in service, experience and convenience within the means of all.

"WHY I'M RUNNING FOR GOVERNOR"

By Ann Klein

The key to more and better mass transit: the Port Authority

Everybody agrees that the problem with transportation in this state and across the country has been that mass transit has been neglected in favor of the building of more and bigger highways. Yet in spite of this awareness right now in New Jersey we are spending twice as much on highway construction as we are on bus and rail service combined! Besides, being inefficient (as someone once commented, it seems foolish to use 2 tons of steel to bring home a loaf of bread) cars are creating more and more air and noise pollution and are literally choking the streets.

Current expenditures less than half of what's needed

The National Transportation Needs Study, presented to Congress early in 1972, outlined the needs of the country as a whole and was used by the New Jersey Department of Transportation to prepare its own Master Plan. The total cost to the state, over 20 years, for proper transit planning was estimated at \$2.7 billion, or 134.5 million a year. Yet in 1971-72, the annual expenditure was just \$72 million, or half what was recommended. And in 1972-73 it will be cut back even further. It is obvious that at this rate we will simply be in worse shape in another 10-20 years.

Port Authority has the money, the organization, the mandate

The right and obvious place for the planning, the money and the organization to come from is the Port Authority. It was created, after all, to provide transportation for New Jersey and New York. Yet with its billions in assets and millions in surplus, it was allowed to build the World Trade Center, probably one of the most extravagant and wasteful buildings ever to rise on the New York skyline. The PA was not required to build desperately-needed mass transit facilities, which would be a genuine service by a public service corporation. The reason they were able to do this is because of a covenant drawn up between the states of New York and New Jersey and the PA back in 1962. Austin Tobin, then Executive Director of the PA, knew that mass transit would never be self-supporting or show a profit. (He was right.) So he agreed to take over the Hudson Tubes only if the states

would give the PA the right to operate only in self-supporting projects. New York, realizing what a loophole this was, repealed the covenant last year.

I introduced such a repeal bill in the New Jersey Assembly, but Cahill blocked it. Instead, he joined last week with Rockefeller to lay down a smoke screen obscuring his record of inaction in mass transit. The rail links they described are not designed to provide inexpensive mass transit, but to finance themselves through high fares and amass more surpluses for the PA.

Run Port Authority like the public authority it is

If I were Governor I would make certain that the Port Authority stopped being just a moneymaker for its bondholders and became instead the focus for mass transit planning and construction. It has the talent, the assets and the organization. If a single Authority would be responsible for overall coordination of transportation systems, badly needed improvements such as police protection, closed-circuit television monitoring and park-and-ride facilities would be possible.

People will use good mass transit

If I were Governor I would start projects like the Lindenvold Rapid Transit Line which links Camden and Philadelphia. That line, modeled as a model for the nation, attracts 70% more people than the buses because, a University of Pennsylvania study found, it is less affected by weather, it is more comfortable, it is quieter, it has closed-circuit tv monitoring in the stations and it uses subway tunnels in the cities while the buses crawl on the congested streets.

If I were Governor I would be very wary of what effect highway construction has on surrounding communities and make every effort to avoid doubtful projects like the extension of Interstate 195 from Jackson Township to Wall Township in Monmouth County. Those residents justifiably fear the loss of tax rates, the increased traffic resulting in increased air pollution, the possible contamination of their water supply and for some elderly residents, the loss of their homes.

Those are just some of the reasons "why I'm running for Governor" and why I'm asking all voters, regardless of party, to vote for me in the primary on June 18.

Palmisano;

Funeral services were held May 8 in St. Mary's Church for Armand Palmisano, 4 Spurr Place, who died suddenly, May 4, in Newark. He was 66.

A native of Newark, Mr. Palmisano lived in Nutley 32 years. Before his retirement, he was employed by I.T.&T. for ten years, and prior to that was the owner of Park Hardware & Electric Company in Nutley. He was also a member of the St. Mary's Knights of Columbus, and of Nutley Sons of Italy Lodge.

Mr. Palmisano is survived by his wife the former Estelle Carbone; a daughter, Mrs. Constance Cifelli of Bricktown; a son Armand of Parsippany; two sisters, Miss Louise Palmisano and Mrs. Jean Ascoli, both of Belleville, and six grandchildren.

Anthony Carino, 54;

Funeral services were held May 11 at Holy Family Church for Anthony Carino, 54, of St. Mary's Place, who died May 9 at Clara Maass Memorial Hospital after a long illness.

Mr. Carino lived in Nutley for his entire life and was employed by the Eastern Molding Company, Belleville.

He is survived by his father, Carmine Carino, husband of the late Mrs. Maria Carino; four brothers, Frank, Angelo, and James, all of Belleville, and Thomas of Nutley; three sisters, Mrs. Margaret Luglio of Wildwood, Mrs. Josephine Biondi of Nutley, and Mrs. Rose Scafiro of Long Island.

Services were arranged by the S. W. Brown & Son Funeral Home, and interment was in St. Joseph's Cemetery, Lyndhurst.

J. Jones

Funeral services were held April 30 for Joseph Elwood Jones of 155 Hillside Avenue, who died at home April 27. He was 96.

Predeceased by his wife the late Cora King Jones, and by a daughter Mildred Jones Hackack, Mr. Jones is survived by a daughter Helen R. Jones of Nutley; a son, Dr. Elwood K. Jones of Fairfield, Conn.; a sister, Mrs. Lida Dill of Felton, Delaware, and four grandchildren.

The Rev. John Wightman of St. Paul's Church officiated the service at the Stanton Funeral Home. Interment was in the Evergreen Cemetery, Hillside.

DATSUN SAVES

Ingenious gas-saving device.

Driving a new Datsun 1200 Sedan is one way to save gasoline...and your money. It delivers around 30 miles per gallon (over twice the national average).
