LUCKY FAMILY — Shown here are the latest Belleville winners in the state lottery — the McCabe family, recipients of \$200,000 in last week's millionaire drawing. Left to right, they are (top) Mr. and Mrs. Patrick McCabe, Mr. and Mrs. John McCabe, (bottom) Maria, Michael and Gina McCabe.

Father-Son Team Collects

Little Maria Asked for Million, But They Settle for 200 Grand

John McCabe and his son Pat have this attitude about figuring the odds in the state lottery — they don't bother trying.

When John won a \$400 prize while he didn't occur to him he'd have any trouble picking up another winning ticket. He was right. So it was that sight of the McCabe clan — traveled to Trenton last week and came home with the first install-

ment of 10 \$20,000 checks. And so far they're keeping up their old pace of ticket-buying, which averages about 10 per week.

"That streak of confidence runs deep through this well-known Belleville family, and even Pat's daughter, Maria, 6, had the winning spirit last week when, on the day of the drawing, she told her father to "bring the million home."

His prize was "only" \$200,000, but Maria didn't have any complaints, and neither do the rest of the McCabes, who haven't yet decided how to spend the prize money.

There were parties, of course, and father and son voted the bill at the tavern of Pat's brother, Jackie on the night of the big win, and his daughter's birthday party last Saturday was a little more elaborate than had first been intended, but so far there have been no major purchases.

"I'm going to take a couple of years to consider any major investments," said Pat, a local Belleville policeman who has been president of the PBA here for the past two years. He said he has no intentions of leaving the job and will run again for his PBA post next year.

John, on the other hand, found his retirement plans, which had been scheduled for October, have been abruptly moved up by his recent stroke of good luck. A shop steward for Adley Express trucking company (now Yellow Freight) for 28 years, his retirement is effective immediately.

The McCabes will split the winnings down the middle and the elder McCabe said "with

the \$10,000 and my pension my yearly income will be as much as if I was still working."

"Except you won't have to work," interjected Pat. "The best thing about the prize is that it will guarantee Pat's kids a college education," said John.

"That's true," agreed Pat.

"It's actually the kids who will benefit most from the money." He and his wife Mildred have three children — Michael, 11, Gina, 8 and Maria, 6.

Neither the younger or older McCabe plans any great changes in their lives as a result of the prize.

(Continued on Page 16)

Youthful Musicians To Play

More than 300 students from Belleville elementary schools will show their musical talents next Thursday night, May 31, at 8 p.m. in the High School auditorium when "Youth on Parade," an instrumental music festival is presented.

Directed by Joseph Sellitti, Bernard Evans and Robert Glaz, the program will feature a three-part repertoire of band and selections, with several students demonstrating their solo talents on various instruments.

Part one of the program will feature six numbers played by beginning students on strings, wind and percussion instruments. Among the songs scheduled are "School Song," "Au Claire De Lune" and "Good Night Song."

The band will be featured in the second part of the show, playing seven songs, including "La Cucaracha" and "Holiday in France."

Golden Comments

By James R. Golden

While it borders upon plagiarism, I just couldn't resist temptation to "spring" the "fishy" expressions from the seafood world which flavor our chats, as cited by Charles McHarry writing in the New York "Daily News," namely, a schemer is a slippery eel; a little guy is a shrimp; and an angry man is a crab. A person of great wealth has lots of claims, and the world is his oyster, a great party is a clam bake; and comes summer, you'll flounder around on the beach until you're as red as a lobster. Think about it, isn't it true?

Fire Captain Leo Killen's wife presented him with another tax deduction a few weeks back, a bouncing baby boy. The proud Captain was generous in passing out cigars to all his buddies at the Fire Station and the "construction" crew from Commissioner Mike Marotti's Parks and Public Building's Department who are completely refurbishing the "living quarters" for the firemen at headquarters in the most modern motif. Mike's men are doing a wonderful job and saving the taxpayers considerable money, since they can do most all the work, without the need of calling in outside contractors who ask

Over Mayor's Protest

Laterza Moves Raise For Treasurer Salary

by Ken Moore

A salary hike for the Town Treasurer was proposed Tuesday night by Commissioner of Public Safety Robert Laterza over the objection of Mayor and Director of Revenue and Finance Joseph McGreevy.

McGreevy contended since the office of Treasurer is assigned to the Department of Revenue and Finance, Laterza had no authority to move a raise for the treasurer.

Laterza countered with a written opinion by Town Attorney John Scott saying the Treasurer works for all the Commissioners and therefore any of the Town Fathers could introduce a raise.

McGreevy assailed the introduction of the amendment to the salary ordinance, terming it an attempt to "usurp" his powers as Director of Revenue and Finance.

He pointed out Scott's latest opinion, issued last week, reversed an earlier opinion by Scott from October of 1972 in which he said, "if any commissioner could introduce a salary ordinance for a person not within his department, it would, in my judgment, cause havoc in the commission form of government."

At the time, Scott concluded a salary ordinance for the Town Treasurer could only be introduced by the Director of Revenue and Finance.

Laterza seeks to increase

the range of the Treasurer's salary to a minimum of \$20,731 and a maximum of \$26,653. Francis McCoy, currently serving as Treasurer, is earning the present maximum of \$21,000. Also on the amendment is an increase for the judge of the municipal court to a maximum of \$13,587 and a minimum of \$11,139.

In casting the sole dissenting vote against introduction of the amendment, McGreevy stated the attempt by Laterza to hike the Treasurer's salary was a violation of the Walsh Act, which covers the commission form of government.

Laterza, in turn, cited various appointments made by Mayor McGreevy to different boards, which Laterza said had been effected without consultation by the mayor with other commissioners.

The Town Fathers also

passed an ordinance granting policemen and firemen an increase of 1.3 percent over their recent 5.5 percent increase last January. The total salary hike, which amounts to 6.8 percent had been held up during the Federal freeze.

Patrolman's Benevolent Association president Patrick McCabe spoke at the meeting to compliment the commissioners on their "good faith bargaining."

Town to Remember War Dead Monday

Belleville veteran and civic groups will observe Memorial Day Monday morning with traditional services at the Rutgers Street Bridge, the Union Avenue memorial and at Town Hall.

The principal speaker for the day, which will honor the town's deceased war veterans and public servants, will be Lt. Col. George B. Warren Jr., Ret., executive director of Essex County Civil Defense.

The Belleville Veterans Council has announced a special ecumenical service will be held at the Silver Lake Baptist Church on Sunday at 3 p.m. The Rev. Benedetto Pascale will officiate, along with members of the clergy representing all faiths in Belleville.

and the service will be closed by William Lenehan.

The Town Hall service, scheduled for 11:30 a.m., will see the placing of wreaths to commemorate deceased policemen and firemen.

McGreevy Meets With Schoolers

The Board of Education and Mayor Joseph McGreevy are remapping strategies in their continuing dispute over the schoolers' appeal of the Commissioner's \$450,880

slash from the 1973-74 school budget. McGreevy and the Board of Ed met Monday in an informal hearing presided over by Essex County Superintendent of Schools Si-mon Moss.

Senatore Rebukes Opposition

Mrs. Mary V. Senatore, candidate for the Democratic nomination for the State Senate this week vigorously denied a claim made here by gubernatorial candidate Brendan Byrne that his ticket would carry Belleville in the June 5 primary.

Moss asked both parties to reconsider their positions and to study the possibility of resolving the dispute at the County level without taking the case to a hearing before the State Commissioner of Education. Moss asked for a report from the two bodies in two weeks.

Mrs. Senatore, who is on a ticket headed by gubernatorial hopeful Rep. Ralph DeRose, said "I'm sure the people of Belleville will be

Both McGreevy and Board of Education president Lawrence Schwartz refused to divulge the events of the meeting to the Times.

McGreevy said he was under a "gentleman's agreement" to keep the proceedings of the meeting secret and said he didn't intend to "hark to the press

Sorting Out Complaints

Consumer Protection Demands Diplomacy

Most jobs in Town Hall come equipped with a set of rules on guidelines to which a new employee can refer in case of doubt. Mrs. Cecilia Sweeney doesn't have that luxury.

Her post in the Department of Consumer Protection demands the fairness of a

judge, the firmness of a police officer, and the tact of a diplomat. Since the department is young, having been created in late 1970, Mrs. Sweeney has been pretty much on her own in sorting out hassles between often irate consumers and sometimes recalcitrant businessmen.

The department is under the supervision of the Department of Weights and Measures, headed by Superintendent Joseph Donnelly, who often helps Mrs. Sweeney out, but most of the responsibility rests on her shoulders.

Unlike the consumer protection departments in most other municipalities, the Belleville department attempts to settle all grievances on the local level, instead of referring them to the state agency. This situation finds Mrs. Sweeney most often in the role of a mediator. As such, she's posted a pretty healthy

(Continued on Page 16)

Guard Against Phoney Deals

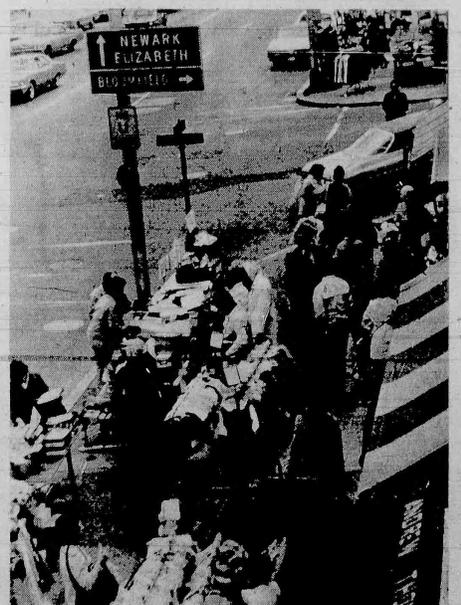

Since Springtime is traditionally the time for homeowners to feel the urge to "redo, renew, build additions or improve their homes and property" in any way, the Division of Consumer Protection for the Town of Belleville has issued these precautions for residents against:

- Being taken in by false promises or guarantees which have no meaning.
- Quick Jobs and bargain prices (offered for a limited time).
- Driveway repairs, or re-surfacing with a substance which never dries.
- Repairs to roofs with non-existent leaks.
- Household repairs, never authorized by the homeowner.

Instead, take the time to read these guidelines. They may ultimately save you time and money, as well as protecting you from disappointment and frustrations.

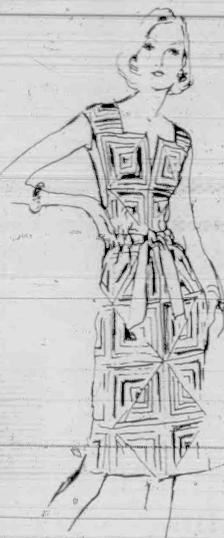

- Get estimates from several contractors, in writing.
- Check the reliability of the contractor you want to use with local merchants and ask for references and names of others in town for whom this contractor has done work recently.
- Read your contract carefully, while it dated and in writing, carefully spell out a description of the work to be done, and include starting and completion dates.
- Be wary of salesmen or contractors who ask you to pay in advance or to pay cash instead of in the usual manner (by check or money order on completion, or in installments as the contract specifies).
- Do not sign a completion certificate — unless the work is done to your satisfaction.
- If there is a guarantee, be sure that it spells out details clearly, including the period for which the guarantee will be in effect.
- Be certain that the contractor will clean up when the job is completed as the contract specifies.
- Check with local authorities regarding a law permitting you to cancel a contract for work to be done.
- Make sure that the contract includes — in writing — all promises made by the salesmen.
- If you need to borrow money to pay for the work, check first with your bank or other reputable financing agencies before you contract for work to be done.
- Discuss the contract with your spouse and/or attorney, before signing. If you feel you are being led on, or cheated, feel free to call, write or visit your Consumer Protection Division, at the Town Hall, 152 Washington Avenue, Belleville, N.J. (759-9100 - Ext. 730).

Library to Offer Puppet Show

Jean Rapicano, well-known puppeteer, will return to the Children's Room of the Belleville Public Library on Saturday, June 2 for two

shows, one at 10:30 a.m. and a repeat performance at 12 noon.

Children will be admitted to each performance by a free

ticket only. These tickets are available now, and should be picked up in the Children's Room of the Library, 221 Washington Avenue, as early as possible. Supply is limited.

Jean's puppets are geared to entertain audiences of all ages. Children adore Zorina the ballerina, Meatball the roller-skating hillbilly and the acrobatic elephant.

Grand Jury Gets Gambling Case

Two Belleville residents and a man from Jersey City had gambling charges against them referred to the Essex County Grand Jury after preliminary hearings in Municipal Court. Judge Edward Abramson found probable cause for the jury to hear the cases of Helen Giordano, 60, 53 Naples Avenue, Albert F. Frederick, 34, 200 Smallwood Avenue, and Isaac O. Hartzog, 34, 356 Forest Street, Jersey City.

Frederick, presently released on \$2500 bail, is charged with three counts making "book" (on horses), possession of gambling paraphernalia, and engaging a messenger for illegal numbers

activity. Frederick was arrested April 9 by State police detective Robert Behr, who at the same time arrested Hartzog.

Hartzog is also out on \$2,500 bail on two gambling counts. He is charged with acting as Frederick's messenger and with possessing materials used for the purpose of gambling.

Giordano, arrested by detective Emil Maiba also of the State Police, was arrested the same day at her residence. She is released on \$1500 bail for allegedly possessing gambling paraphernalia, engaging a messenger, and keeping "a place in which people may engage in gambling practices."

Judge Settles Dispute From Factory Fight

Jorge Romero, 35, was fined \$50 in Belleville Municipal Court May 17 after pleading not guilty before Judge Edward Abramson on an assault and battery charge lodged by a woman from East Orange.

The charge was lodged March 29 by Delinda Woodley, 203 North Maple Avenue, an employee of the Edson Tool Manufacturing Company, 457 Cortland Street, Belleville, where the assault took place. Romero, at the time of the incident, was also employed there.

According to Mrs. Woodley's testimony, Romero threw a metal bracket at her while she was working on the assembly line at Edson Tool. Later, she said, when she approached Romero, showing him the

near her eye that the bracket had made at her, hitting her on the chin.

Romero's attorney, acting as interpreter, said that Romero admitted throwing the rock, but added that he had done so while Mrs. Woodley was swinging at him with a piece of metal. Romero also claimed she had thrown a bracket at him while inside, hitting him in the neck.

Judge Abramson dismissed a counter-charge against Mrs. Woodley after hearing testimony by her, Romero, and two witnesses who corroborated Mrs. Woodley's testimony.

Memorial Day, 1973

Memorial Day, began — as a national observance — during the Civil War, first in Mississippi (Columbus and Vicksburg), Virginia (Winchester) and other states, and by 1865 was observed nationally. That year the Adjutant General of the U.S. Army suggested graves be decorated throughout the country.

Although the war in Vietnam has at last ended for American forces, the military establishment is still abused by many; yet it is nevertheless true that defense will again be necessary to preserve liberty.

Christianity, idealistic and moral principles and philosophies notwithstanding — unless a free nation contains men

willing to fight and die, if necessary, for counting and freedom liberty cannot long survive.

These are the thoughts which should engage us on Memorial Day, 1973. And to all who responded to their duty when their country called, and who gave their lives, the nation is indebted. It is too much to expect each individual soldier, sailor or airman to pass individually on the rightness or wrongness of the foreign policy of his government and act accordingly. This would produce only chaos. Rather, a nation must necessarily depend on brave men who believe, as Robert E. Lee did, that duty is the sublimest word in the English language.

Night Flights

This is the time of year millions of Americans are preparing to be off to Europe and other foreign lands. Most of them will arrive in Europe, and elsewhere, having spent the night in their airline seats.

Most never wonder why they must travel fully dressed all night, even those paying for first class transportation. It isn't first class, of course, sitting up through the night. And after doing so, the first day or two abroad is not so enjoyable.

The airlines aren't catering to the passenger's comfort, in other words. Nor

do they do so on most of their return flights from Europe, which get the traveler into New York or elsewhere at the end of the day — often too late to make connections to other U.S. cities.

What is badly needed are flights departing this country in the morning and up to noon, which put the traveler in Europe that evening, in time to get a night's sleep. Also needed are individual roomettes with beds and arrangements similar to those on trains. This one wonder of the air age is how many more years we must wait for really first-class air service and accommodations.

Little Cigars

Congressman Torbert Macdonald (D-Mass) believes small cigar commercials on television are contrary to the law banning cigarette advertising. Manufacturers say such commercials are legal because the little cigars are wrapped in brown paper, and are thus cigars.

Macdonald thinks they are more like cigarettes than cigars and that manufacturers are taking advantage of this loophole in the law against cigarette

advertising to push the little cigars on television. They are, of course, as harmful as cigarettes if inhaled.

Macdonald proposes further congressional action to ban such advertising; since small cigars are as bad for one's health as cigarettes if inhaled, and since so many inhale them, Macdonald's proposal is in the public interest — especially so in view of the obvious appeal to youth by small cigar advertising.

People - Too Many

A growing number of states have begun to discourage tourists. Florida is having water problems from too many new residents, moving in too fast. California has long had similar fast-growth problems, as have Arizona and parts of Texas.

The latest bit is a printed card from Oregon, quoting the Governor, which reads: "On behalf of the citizens of the great state of Oregon, I cordially invite you to visit... Washington, California, Idaho or Nevada or Afghanistan."

In short, many feel a further population influx will ruin their communities and states. That, of course, would be an American tragedy. Yet the U.S. population continues to grow, not as fast as a few years ago, but still too fast.

The land available to Americans remains the same; as the population grows, the time will soon come, if not already here, when all of us begin to grow poorer yearly because there are too many people for the kind of life we have always lived in this wonderful country.

Seems Only Yesterday

Public Works Vehicles Get Mobile Transmitters

By Peter M. Clark

ONE YEAR AGO

A split 3-2 Commission decision killed the proposed \$365,000 addition to the Belleville Public Library, while at the same time passing unanimously an increase of \$100 a year in the clothing allowance for police, while shooting down a proposed pay raise for the same. Mayor McGreevy and Commissioner Stanzone were the only ones to vote for the library addition, which would have doubled available floor space in the library. Reasons for the cut were differing, from Commissioner Laterza's statement that the addition should be built in the northwest section of the town, to Commissioner Stanzone's statement that more important things were needed, such as tax relief.

Also approved by the council was the controversial ordinance which would charge \$20 for every use of the ambulance by residents who were covered for ambulances costs in their hospitalizations. This bill was passed with a 3-2 split, with Commissioner Senatore and Marotti casting the dissenting votes.

FIVE YEARS AGO

The Belleville Planning Board planned to have a public hearing on the proposed revisions in the Town's land use plan. Hopefully, Belleville would be revisited in the next twenty years, so that residents would have adequate Municipal Parking, large complexes of multi-family dwellings, and more parks and public properties. Residents had complained, however, that they did not want the type of housing that the board suggested, and that the proposed parks would eliminate a large portion of existing housing.

The Public Works Department planned on installing radios in their vehicles, for communication during emergencies. According to the Town Engineer, Thomas Vreeland, the communications network would consist of seven mobile units, and one master transmitter in the basement of the department's garage. The transmitter was to be set up in the garage, so as not to interfere with police signals, originating from Town Hall.

The Belleville Board of Commissioners established an Animal Shelter Committee, becoming the first town in the state to do so. The purpose of the committee was to check the animal shelter in Lodi, to insure that it was treating the animals humanely, and to insure proper disposition of the dogs and other animals impounded in the shelter.

TEN YEARS AGO

A former Belleville High School student, Gerald Sacchiero, was found guilty of the sale of narcotics, and was sentenced to one year in jail, after a two and a half-hour hearing. Magistrate Abramson sentenced the youth to one year in the Essex County Jail, but then gave the boy a suspended sentence, implying that he remain in the jail 30 days before being placed on probation. Sacchiero had allegedly passed golf balls to a girl with instructions to give them to other students. Sacchiero said that this was entirely false, and that the girl was merely "out to get him."

Some 150 blacks and whites attended a meeting sponsored by the Belleville Fair Housing Council, and found that housing was available for the asking. Realtors noted

that blacks could not afford the high cost of housing that was available in the western part of town, and were quick to point out that this was not restricted to blacks alone. All in all, the "minute" racial tensions in Belleville were sloughed to being mere "sensationalism" on the part of reporters from the Newark News, who ran a series of articles about the racial situation in Belleville.

FIFTEEN YEARS AGO

Miss Lois Van Dyke was elected president of the Town-wide Council of the Junior Red Cross. She had held that position for several years. In 1956, she had attended the New Jersey Leadership Training Center, as one of Belleville's delegates. She had also worked in the Red Cross Chapter office for some time as a volunteer.

James Catalano Jr., the nine year old son of Mr. and Mrs. James Catalano, became the first polio victim in Essex County that year. According to his parents, he became listless and ill on April 27, but that it wasn't until a week later that he showed signs of muscle weakness and a stiff back. Richard G. Kirk was run over and fatally injured by his own car in a collision at McCarter Highway and Clark Street. He died of head injuries en route to St. Michael's Hospital. He had driven through a red light, and hit the car of Joseph Culmine. He was then thrown from the car, and was crushed beneath it as the car swung around again. He had been discharged from the Navy the September before.

TWENTY YEARS AGO

The Associated Belleville Artists were making plans to hold their annual exhibit on the grounds of Christ Episcopal Church on Washington Avenue and Essex Street. The following judges were selected: George Schwachs, director of the Creative Amateur Art Society, Bloomfield; Jane Oliver, noted artist and winner of many top awards, and Albert Henross award winning portrait at the Newark Arts Club.

Charles Sparling of Banta Street in Fairlawn was fined \$100 by Magistrate Edward Abramson, for making indecent remarks to a woman driver, who went through a narrowed stop of Division Street and nearly drove him off of the road, while he was driving in the other direction. A construction excavation had narrowed the road to one lane. Sparling pleaded not guilty, but the judge took the word of the woman and found him guilty.

TWENTY-FIVE YEARS AGO

The Town Commission passed an ordinance in an attempt to cut down on the amount of street noise. The new ordinances called for the banning of all sound trucks in Belleville, or any cars or trucks with amplifiers and loud speakers, played either by radio or phonograph.

Belleville police raided a dice game on Belmont Avenue. Several of the crap shooters were awarded \$25 fines, while the so called "ringleader" was given a \$75 fine for gambling and disorderly conduct. The police had reported him as resisting arrest. A playground site for the Silver Lake area of Belleville was approved, and would hopefully be constructed within the year. The 3.8 acre tract of land was being leased to Belleville by the Thomas Edison Company, and was located on Franklin Street.

Speak Up!

Her Poetry Remembers A Kind Friend

To the editor:
On May 9th, Belleville lost a valuable citizen when Mrs. Robert Zimmermann passed away. While giving unselfishly of time and talents, she preferred to do what she could without praise or recognition. The following is my small tribute to someone who has been very special in my personal life and who will be missed by many.

How can we count her virtues?
It's an impossible task at best;
But now her labors are ended
And grief has given her rest.
A neighbor and friend to everyone,
She gave tender loving care,
And whenever help was needed,
She and her Bob were there.
Fosterer with a rare "one-ness"
That's seldom ever found,
They worked for the good of their fellowman
With a devotion that knew no bounds.
Only illness halted her efforts,
And her pain she patiently bore.
Now many friends are lonely,
And many hearts are sore.
We grieve not for the Emmy who suffered,
But for the Emmy we loved;
And we thank God who, in His mercy,
Has called her here to her home above.
We bid you good night, dear Emmy;
May your sleep be sweet and serene,
May you find your well-earned rest,
And dream only the pleasantest dreams.
...Till we meet again, farewell.

Mrs. Walter Murray

Belleville

He Backs Critic Of Local Politics; Condemns Apathy

To The Editor:
It was interesting to read the letter written by Steven Rogers to the Belleville Times on May 17, 1973. What is all the more interesting is the poll he conducted whereas 67 percent of the people polled did not care about the operations of the Board of Education. This is abhorrent, to say the least. As a young citizen of the community I often wondered why Belleville has taken a downhill course. I am beginning to see the reason why: APATHY!

What Steven Rogers is attempting to do is set rid of the old politics in Belleville that is responsible for this downward trend. With only minor exceptions, this Town is one political connection and those who run the government are the links that to the present have been unbreakable. Steven Rogers is making a gallant attempt to break this chain. However, in order to be successful, the people have to rally, not only behind Steven Rogers, but others like him who are interested in making inroads in the existing governmental structure that operates in the community. There is still time to reverse this trend and the time is ripe now for it to take place and bring respect back into the community from within and from the outside. People like Mr. Rogers are significant in a great deal and the least we others can do is show our support for a better reversed! It will be reversed! Good luck, Steven Rogers & Co.

Sincerely Yours,
Rocco Ferraro
350 Belleville Avenue
Belleville

Golden Comments

(Continued from Page 1)

an "arm and leg" to Joe the stint.
Recent meeting of the Granesse Association reelected Jim Ceres as President of the Association and chose Jerry Ferraro as Vice-President, a post that had previously existed. Jerry, Belleville Republican Town Chairman, was reluctant to take on the added responsibilities, but a "draft movement" made the selection of both executives unanimous with the secrecy casting the single ballot.

At the same session of the Granesse Association, Jackie Rega became a bonafide paid-up member of the organization, these are the things that potential candidates for public office so often do in their quest of political victory at the polls. Rega keeps moving in the right circles where he is graciously welcomed.

This columnist didn't take too well to President Nixon's jingoistic, bravado in saying that, "Hanoi risks renewed war with the U.S. unless it lives up to the ceasefire pact and withdraws its troops from Cambodia and Laos."

Seems to me we have a most difficult time to get our boys out of that sad mess that most every newswoman and commentator deplored our participation in, in view of the political corruption and lack of will to fight by the Hanon opponents who looked to "Uncle Sam" to bail them out with our men and money.

Was that the ultimate aim of an overambitious Richard Milhous Nixon, who had gained majority approval on the Supreme Court of the land? Was he about to entrench himself and his "political heirs" behind the Western influence of "smart" political entrepreneurs who were to replace the staid, practical Eastern stalwarts who had brought the G.O.P. back into power after many lean years?

Did Dick Nixon secretly entertain "dreams" of serving as a dictator in the White House? Did his arrogant insistence upon "executive privilege" to bar those around him from testifying before the committees of the Senate constitute the invoking of a decree "shroud" to cover-up things he might have had knowledge of, that would have alarmed and aroused the ire of the people?

Perhaps it was best inferred by American Society of Newspaper Editors President, J. Edward Murray, associated editor of the Detroit Free Press, when he called Watergate "President Nixon's Waterloo is his long war with the Free Press."

The Governor's VIEW

By Gov. William T. Cahill

THIS IS a busy time of year in State government, and with the avalanche of information that threatens to engulf us, important new regulations, laws and programs made public in the last few weeks might just escape notice.

I'll describe some of the important ones here, as far as space will allow.

THE FIRST is the new regulations, announced by the Division of Consumer Affairs, to protect the consumer against false or misleading advertising in the sale of automobiles. I mention this first because it directly affects the vast majority of our citizens. Next to their home, an automobile is the most valuable investment many people ever make. And often it is an investment that is made every few years.

The new regulations require: any advertisement of a price reduction to list the manufacturer's suggested retail price so the customer will have a nationally uniform price for comparison to determine if a bargain is

being offered.

Advertisements of limited numbers of bargain cars must state how many vehicles are available at that price and how long the sale will last. This will eliminate "bait" advertising.

STANDARD EQUIPMENT cannot be advertised as something special. Warranty advertising has to spell out what is offered in the warranty or any other kind of guarantee. The seller would have to prove any advertised claims that his prices are the lowest or lower than anyone else in the area.

These new regulations were worked out in cooperation with the New Jersey Automobile Dealers' Association. Honest dealers are anxious to have regulations which curb dishonest dealers. Such regulations help the entire industry.

THESE REGULATIONS are expected to go into effect sometime in July after public hearings in late June. I recently signed into law several bills

Consumer Protection Bill Bolsters State Regulations

to aid our senior citizens. One provides for half fares on buses during off-peak hours. The half fares would be available on Saturdays, Sundays and holidays and on weekdays, except from 6:00 a.m. to 9:30 a.m. and except from 4:00 p.m. to 7:00 p.m. The State Commissioner of Transportation has 120 days from the signing of the bill on May 10 to establish this program.

A SECOND bill permits pharmacists to legally sell drugs and medications to senior citizens at discount prices or with rebates. This was forbidden under the previous law.

The third bill permits senior citizens organizations to conduct bingo games to raise funds to finance their activities. This bill implements the Constitutional Amendment approved by the voters last November.

I HOPE these measures will help demonstrate to our senior citizens that their efforts in the past to provide what we enjoy today are appreciated and that

they are neither forgotten nor forsaken.

Because it affects so many of our citizens, I think all should be aware of the recent Federal court decision which will bring New Jersey an additional \$231 million this year to be used for water pollution control funds. When added to this year's original allotment of \$154 million, it means that we in New Jersey have available for this purpose this year, \$385 million.

THIS WILL permit action on 43 local water pollution control priority projects this fiscal year. It means that construction can go forward on sewerage systems that serve 2.7 million of our residents. Next year, more than a billion dollars would be available if this ruling stands. It has already been announced by Federal officials that the ruling will be challenged in an attempt to have it over-turned.

I am hopeful that challenge will be unsuccessful.

Business Spotlight

Wilfred Yudin Recalls Working Gryczka Headed Four Schools During 47 Years in Belleville

Sunlight floods the premises of 114 Washington Avenue, through the front store windows of Yudin's. For 63 years the firm has been located in Belleville, serving the decorator and artist's needs. There are three departments in Yudin's, owned and operated by Wilfred Yudin, son of the founder. (1) Paint, (2) Wallpaper and (3) Art.

When asked how long he had been working in his dad's store, Mr. Yudin replied he could remember when he was a toddler and his mother Anne ran the shop, while dad painted. At that time, the artist recalled fondly, that one day a man came to the store asking for "putty." It was the first English word his mom learned and no matter what, she would never correct the pronunciation in honor of this first word.

Yudin's features Ox Line in the paint department and from this foundation sprang the Art Department, now under the management of Mrs. Rebecca Jones, where such items as art books, brushes,

Sparkling Personality

Gryczka Headed Four Schools During 47 Years in Belleville

One of the most impressive figures in town is Thomas Gryczka, principal of School Eight. An era will end, when Mr. Gryczka retires next month, having racked up 47 years of service to the town under the direction of 35 different superintendents of schools.

Gryczka attended Mansfield State College, Cortland State College, both in New York and taught 8th grade arithmetic in Glensville, New York. He then attended Columbia Teachers College in New York City where he obtained his Bachelor's and Masters degrees.

High School Auto Team Places Fifth

John Tobia and Anthony Porcelli of Belleville High School placed fifth from a field of 24 at the annual Auto Trouble-Shooters contest held Saturday at Newark State College in Union.

The two students were trained by Belleville High auto shop instructor Victor De Pauw, using a new car built by Metro Motors of East Orange.

Thomas Gryczka Instituted Class Trips

He taught at One and Three schools and was a teaching principal at School Nine. For a time, he was a principal for both schools One and Nine, and then was full time principal at School Nine prior to becoming principal of School Eight in the fall of 1956. He is, perhaps, one of the last teachers serving now who was in the profession during the great Depression.

He instituted class trips such as to Washington and Philadelphia and smilingly says: "I'm more remembered for those class trips than any teaching of arithmetic or history." Indeed, one mother in town remembers Mr. Gryczka taking the youngsters on a trip and he paid for more than one child out of his own pocket.

Gryczka is also in charge of the film library available to all elementary schools. He emphasizes use of the library as children would find supplemental teaching aids. "The library at School Eight," he said, "is extremely fine and teacher aids (mothers) give one half day a week to help out."

For the past 40 summers, Gryczka has been a traveler/employee, on shipping lines and his avocation is gardening and landscaping. He has landscaped several schools in town and said that the President of Cortland State College used to landscape that campus, which gave Gryczka the interest.

He remembers teaching children whose parents he

light, and said his greatest joy is that "one day I'll be explaining 6 percent interest to a youngster, and a few days later, he will understand it. That made me happy."

Feature Teacher

Robert Palma Enjoys Showing Practical Uses of Mathematics

by Linda O'Connell

Presently teaching mathematics and coaching basketball at Belleville High School for the past three years, is a graduate of Newark State College, Mr. Robert Palma.

Mr. Palma, a young, ambitious teacher stated that probably the most rewarding aspect of teaching for him is

helping to ease the burden of mathematics on the student. "Students today, taking a subject such as geometry or algebra, I have found are not only college bound students."

However, quite a few seem to be going on to the business world. I enjoy helping these general students see the need for everyday practices of mathematics.

and working in wood crafts. Mr. Palma was also a professional guitar player in New York a few years ago.

Mr. Robert Palma's goal in life seems to be a simple one.

TEACHER-COACH Robert Palma enjoys several interests outside of Belleville High School and once was a professional guitar player in New York.

Survey Shows Six Out of 10 Smoked Grass

by Barbara Mitchell

Is there a drug problem in Belleville High School? In an effort to answer this question and others, a survey was taken among a portion of the students.

Although everyone in all of the New Jersey school systems has been subjected to the drug program in order to inform the students about drugs and their abuse, most of them feel that this has done nothing to help the situation. They considered the drug program tedious and boring since the same things were taught every year. One senior made a typical remark. "This was not drug education, this was a comedy show." It was only a small minority that said that it was of any value at all.

Out of the students who answered the questionnaire, 50 percent confessed that they had smoked marijuana. When asked why, most of them said that they did it just for enjoyment or out of curiosity. Some have smoked to escape from reality. Two students gave very distressing reasons why they smoke it. "To get high. Real life is boring," said one senior, and a junior admitted that she smokes when she is "bored and depressed and thinking that no-one cares." Fortunately, these are not common answers.

Even though 49 percent of those who answered the questionnaire did not smoke marijuana, only 23 percent were against the legalization of it. Most of the students felt that it is not harmful or at least not as harmful as tobacco or alcohol which are legal. Besides this, the students know that the law doesn't stop anyone from using it anyway. Even the ones who do not smoke themselves think that people should be able to do what they want.

Bio Experiment

Do BHS Plants Dig The Stones or Bach?

by Kathy Fitzgerald

Young students, under Mr. Raymond Blanke, have spent the last six scientific experiments a little while by devising their own methods to study such phenomena as the effects of rock music on plants, and the effects of drugs.

Students were required to research a "hot" subject and perhaps original experiments based on what they had learned. They were given two months in research and experiment. Then, they presented their results and conclusions orally to the class.

Mr. Blanke assigned the project "To give students an opportunity to perform research and actual scientific inquiry."

Clara Meyer studied the correlation between plant growth and sound. She played rock music in some plants, classical music in others, and spoke to her another

group, and read in Italian. In still another group, she said she read to them in Italian because "it was as hard to think of things in any language as their feelings, but they don't talk back to you."

Many have also grown plants under colored light, and "with some difficulty" it seemed that to one soil cultured antibiotic, as she commented by painting clear antibiotics. "The research was really interesting. I learned a lot about light that I didn't know before."

One of the most interesting experiments for the accelerated high school seniors was the "chicken eggs" experiment. They constructed these conditions, and the eggs hatched at record breaking speed.

Some Law attempted to prove that photosynthesis took, and stemmed from the fact that the weather was cloudy. "I proved to myself I could do the same."

When asked the question "What are your feelings towards students at Belleville High?" Robert Palma had this to say in reply. "The students here have very good attitudes and strong incentives in achieving success. They seem to be interested in what's happening not only within the classroom but also within the school. Thus showing curiosity so some of the circumstances that might affect them as they pursue either a career or a college diploma."

Mr. Palma has many outside interests other than teaching. In his spare time the young math teacher also enjoys coaching basketball at Belleville High, tennis, golf,

and working in wood crafts. Mr. Palma was also a professional guitar player in New York a few years ago.

Mr. Palma has many outside interests other than teaching. In his spare time the young math teacher also enjoys coaching basketball at Belleville High, tennis, golf,

Student Craftsmen Awarded

Tom Belleville students won prizes for their projects displayed at the Sixteenth Annual Student Craftsman's Fair held last week in the Garden State Plaza Auditorium in Paramus.

First prizes went to Ted Kapuscinski for an architectural model and to Gary Dunn for detail and assembly drawing in vocational drafting. Joe Cerami also won a first prize for his architectural model.

Second prizes went to Richard Caputo in the furniture design for his coffee table, in woodworking, Ted Cimbarino won second place for his chess set, and Tom Stern was awarded second place in silk screening for his work on a sweater.

Michael Sabinelli won a fourth prize for his efforts in mechanical drawing.

From the Junior High School, Scott Gray was awarded second prize in silk screening for work on a T-shirt, while Richard Onis took third place in silk screening.

'Talkies' Growth Explored in Film

by Joseph M. Ramico

Two films about the development of the film arts, were shown in Belleville High School English classes, by Mr. John Kutz as a part of the "History of the Film" series he is presenting.

Ever wonder how talking movies came into being? Well, the first film viewed, actually a segment of the old "20th Century" television program, traced the development of sound from a hand-crank piano in the theatre, through Thomas Edison's cylinder record machine, all the way up to Lee de Forest's present-day system of magnetic tape and voice synchronization. The film was interesting if you're a Walter Cronkite fan.

Do you thrill to the "Panic of Pauline" or an out-loud, hysterical cliff-hanger? If so, do you would have enjoyed this movie as much as the writer of the feature, "Guns in Danger," this film gives the audience a glimpse of such silent heroines as Gloria Swanson, Lillian Gish, and Jeanette Joy. These stars were directed in their performances by such greats as Cecil B. De Mille, Mack Sennel, and D.W. Griffith. For a bit of excitement, a segment of a film with Lillian Gish is shown where she is captured from the clutches of death by the hero after a great struggle.

This short symbolizes the whole industrial viewpoint of entertainment which would change shortly after with the advent of talking pictures.

Sometimes it costs less to buy a new car than to fix the old one.

We have nothing against mechanics. In fact, if your car's in trouble, drive or push to the closest one.

But, on the other hand, if your car seems more at home in his garage than yours, you might be better off investing in a new car. Before there's nothing left of the old one for a trade-in.

If your car's been telling you it's that time, National Newark & Essex can help by giving you an auto loan, even before you go looking around for the best deal. We'll hold the cash in reserve for you for 90 days. At no charge to you.

We offer low bank rates and we have experienced financial people to give you guidance and counsel.

If you're the impulsive sort who's already picked out the car you want, we can get the money for you fast. Often your check will be ready for you within 24 hours. Sometimes, you can pick it up the same day you apply.

You can even apply for your loan over the phone. Give us the information, and we'll call you back to tell you your money is ready.

We can also include the cost of collision and liability insurance in your loan. And, if you have a checking account with us, we can arrange to deduct your payments from your account automatically.

When you need us, any one of our 36 offices can fix it up. Drive over and see us some morning. If your car will start.

We're your size bank.

Public Service President

United Way Named Campaign Chairman

Robert I. Smith, president of Public Service Electric & Gas Company, will serve as general chairman of this year's United Way of Essex and West Hudson campaign which will be conducted this fall in Newark, the Oranges and Maplewood, Nutley, Belleville, Irvington, North Arlington and West Hudson. The drive will benefit more than 100 participating services of the United Way. These include recreation and health services, programs for the aged and handicapped, day care for children of working mothers, mental health, emergency services through such organizations as The Salvation Army and the Red Cross, and community hospitals.

conducts the annual fund raising campaign but includes community planning for services and the development of new programs to meet current needs, as well as the disbursement of campaign funds through its volunteer allocations committee.

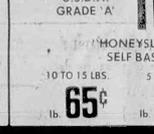

Smith, a resident of Livingston, holds an Sc B degree in engineering from Brown University. He is a trustee of Newark College of Engineering, United Hospitals of Newark, and is chairman of the Salvation Army Long-Range Planning Committee. He holds membership in numerous other civic and service organizations including the Economic Club and the Engineers Club, both in New York, the Essex Club in Newark, and the American Society of Mechanical Engineers.

Post Office To Close For Memorial Day

The Newark Post Office, stations and branches will be closed for Memorial Day, Monday, May 28. No regular window or delivery services will be available. Collections will be made from street boxes on holiday schedules, and will include pick-ups from "Air Mail Only" boxes. Special Delivery service will be provided as usual. Postmaster-Manager Joseph J. Bennett said, and the lobby of the Main Office will be open as usual for customer's access to locked boxes.

Is Crime, Pollution Linked?

Can air pollution cause an increase in crime? A senior medical student at the College of Medicine and Dentistry of New Jersey-New Jersey Medical School says he has evidence supporting that idea and has presented his findings May 7 at the annual meeting of the American Psychiatric Association in Hawaii.

Last Summer, working on a student research project funded by the National Institute of Mental Health, Robert G. Jarmon of West Long Branch, studied police records and other retrospective data to analyze crime in Newark. His paper, entitled "Factors Influencing Criminal Behavior in Newark: A Local Study in Forensic Psychiatry," considers such environmental factors as pollution, phase of the moon, day of the week, weather conditions and dates of welfare and social security checks as variables connected with the crime rate.

"Our biggest surprise," Jarmon said, "was a very high correlation between the levels of oxidants in the air (primarily due to automobile emissions) and the rate of assaults on a day-to-day basis from June 1, 1971 to May 31, 1972." Jarmon emphasized that the correlation was such that it could have only occurred through chance one time out of 10,000 and, therefore, was statistically highly significant. Jarmon said monthly averages were then tabulated for oxidants and assaults. The resultant graph showed an amazing degree of correlation, differing only for the month of December.

Blood Bank Sets Chinese Brush Painting Display

The Chinese brush paintings of Doris Volz will be on display at the North Jersey-Exsex County Blood-Bank in East Orange during the month of June.

The exhibit is open to the public between 9 and 5 on weekdays and from 9:30 to noon on Saturdays. The Blood Bank is located at 45 S. Grove Street, just east of Garden State Parkway exit 145.

A resident of North Caldwell, Mrs. Volz has studied at Caldwell College under the well-known Chinese artist David Kuo. She has long been an admirer of Chinese culture and arts, especially painting and calligraphy.

According to Mrs. Volz, "I have concentrated mainly on Chinese brush painting, the so-called Hsieh-Yi school, which is a simplified, free style depicting flowers, birds, and other aspects of nature."

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Miss Gloria Jean Passerini, Terence Pellegrino Married

Miss Gloria Jean Passerini, daughter of Mr. and Mrs. August Passerini of 15 Bayard Street and Terence Lee Pellegrino son of Mr. and Mrs. Sam Pellegrino of Little Falls, were married May 19 in Holy Family Church, Nutley. The Rev. Robert Cuzzini performed the ceremony with a reception following at Birchwood Manor, Whippany. Escorted by her father, the bride wore a white satin and

Alencon lace gown embroidered with seed pearls. It was fashioned with a chapel train and long sleeves. A shoulder length veil was held by a lace headpiece and she carried a cascade of white orchids with phalaenopsis and stephanotis.

Mrs. Joey Helmrich of Pinewood Park was matron of honor. Bridesmaids included Mrs. Elizabeth Pomponio of Little Falls, Miss Nancy Rice of Kearny, Mrs. Carol

Gillette of Whippany and Mrs. Patricia Rice of North Arlington. The bride's niece, Doreen Passerini of Byram Township was flower girl.

The honor attendant's gown was of emerald green silk organza over taffeta fashioned with long sleeves and neckline trimmed with organza ruffles as was the hemline. She wore a picture hat with green flowers and pink, yellow and blue appliques on the ribbon. Her bouquet was of pink and yellow lilies, daisies and baby's breath.

The other brides were similarly attired but their gowns were sleeveless. The flower girl wore flowers in her hair and carried yellow, pink and white mums.

Joseph Pellegrino of Paterson served his brother as best man. Ushering were Edmund Pomponio of Little Falls, Fred Frontz of Fair Lawn, Martin Tuma of Cedar Grove and Jerry Warcholik of Little Falls. Ringbearer was David Passerini of Byram Township, nephew of the bride.

Mrs. Passerini chose a powder blue chiffon gown trimmed with crystals and pearls. The groom's mother was in a pale orchid chiffon gown. Corsages were white orchids.

Mrs. Pellegrino, a graduate of Nutley High School, is with the New Jersey Department of Civil Service in Newark.

Mr. Pellegrino, an alumnus of Passaic Valley High School, attended Jersey City State College and Passaic County Community College. An Army veteran, he is a fire captain with Paterson Fire Department and owner of Garden State Ignition Supply.

The couple are honeymooning in Bermuda and the New England States and will live in Wayne.

Mrs. Terence Pellegrino - nee Gloria Passerini

Miss Strauss, G.A. Hampson Are Engaged

Mr. and Mrs. Jacob Strauss Jr. of 85 Chestnut Street announce the engagement of their daughter, Jacquelin Ruth to Gregory Alan Hampson, son of Mr. and Mrs. Robert Hampson of 18 Maple Place.

The troth was made known April 18.

Miss Strauss, a graduate of Nutley High School, is a freshman at Morningside College, Sioux City, Iowa.

Mr. Hampson, also a Nutley High School alumnus, is a sophomore at the same institution.

Miss Jacquelin Strauss

Troth Is Told Of Miss Talbot, Richard Rice

Mrs. John J. Talbot of Nutley announces the engagement of her daughter, Mary Beth to Richard E. Rice, son of Mrs. Robert J. Rice of Brooklyn, New York and the late Mr. Rice.

Miss Talbot, daughter also of the late Mr. Talbot, is a graduate of East Orange Catholic High School and Essex County Vocational School for Medical Assistants. She is a medical assistant in Elizabeth.

Mr. Rice, an alumnus of Riker High School, is a senior at St. Joseph College, Brooklyn.

The wedding will be held in August 1974.

Miss Mary Beth Talbot

Mrs. Nicholas Candura - nee Alexis Falcone

Candura-Falcone Nuptials Are Held

Miss Alexis Falcone, daughter of Mr. and Mrs. Leo Falcone of Newark, became the bride of Nicholas A. Candura, brother of the groom, Nicholas Falcone, brother of the bride, Michael Dunlavy and Thomas Palumbo, both cousins of the groom; and Mary Hanly.

A reception was held at the Fountain Restaurant, Belleville. The newlyweds are now honeymooning in Hawaii and California.

Mrs. Candura is with N.J. Bell Telephone Co., East Orange, as a business office supervisor. Her husband is a senior draftsman with Wallace & Tiernan, Belleville.

Lewis Candura served as his brother's best man. The ushers were Thomas Candura, brother of the groom, Nicholas Falcone, brother of the bride, Michael Dunlavy and Thomas Palumbo, both cousins of the groom; and Mary Hanly.

A reception was held at the Fountain Restaurant, Belleville. The newlyweds are now honeymooning in Hawaii and California.

Mrs. Candura is with N.J. Bell Telephone Co., East Orange, as a business office supervisor. Her husband is a senior draftsman with Wallace & Tiernan, Belleville.

Mental Health Effort Is National Concern

Suicide Taboo
Suicide is taboo in American society. But a percentage of the population probably has latent attitudes of acceptance towards it under certain circumstances.

At least this is what is indicated in a study by a Tulane researcher supported by a grant from HEW's National Institute of Mental Health, Health Services and Mental Health Administration.

The study was one of the first attempts to develop a technique to measure the "suicidality" of a nonclinical population, consisting of people other than those found in clinics.

Randomly selected college undergraduates, physicians, and college alumni living in the same area were surveyed. The student group was included because suicide is a leading cause of death among students. Also, students are generally concerned with questions about religion, philosophy, meaning of life

and death, and other factors which affect attitudes toward suicide.

Physicians were surveyed because they are "helpers and gatekeepers" for potential suicides as well as a high-risk suicide group themselves. The alumni formed a comparison group.

The study showed that most of the total population surveyed were against suicide but that some felt that there might be circumstances (such as hopelessness, prolonged illness, social isolation, great suffering) under which suicide might be considered justified or at least understandable.

The study also indicated that one of the strongest deterrents to suicide is religious belief. Several of those queried reported that they themselves had weathered suicidal crisis with "an abiding faith in a sustaining God."

Wedding Vows Exchanged By Miss Ludwig, Dr. DiBella

Mrs. Mary Ludwig, daughter of Mr. and Mrs. Alfred Ludwig of Secaucus became the bride April 29 of Dr. Louis DiBella Jr., son of Mr. and Mrs. Louis J. DiBella of 159 White Oak Terrace.

The Rev. Bernard Mohr performed the ceremony in Immaculate Conception Church and a reception followed at The Manor, West Orange.

Mrs. Maryann Schnauz was matron of honor with Mrs. Marge Schoch, Mrs. Diane Mahoney, Mrs. Peggy Ludwig, Mrs. Lola Amato, Mrs. Agnes Vargo and Miss Pat Logan as bridesmaids.

The bride was in a silk organza gown trimmed with Alencon lace and seed pearls and fashioned with bishop sleeves and chapel train. A Camelot headpiece held her veil and she carried tea roses, orchids and baby's breath.

The attendants were in white and orchid floral printed gowns and carried orchid carnations and pom-poms.

Robert Duglia was best man with Dr. Cyrus Amato, Dr. David Dershwitz, William Sutton and John Toto ushering.

Mrs. Ludwig chose a peacock blue chiffon gown with bishop sleeves and rhinestone trim while the groom's mother was in a cecily green chiffon with beaded neckline.

Mrs. DiBella, a graduate of Weehawken High School, is secretary to the president of The Universal Folding Box Company.

Dr. DiBella, an alumnus of Belleville High School, Rutgers University New Brunswick and New Jersey College of Medicine has completed his internship at Marlboro Hospital, Newark and his urology residency at the same institution.

The couple honeymooned in Aruba and have made their home in Belleville.

Mrs. Louis DiBella - nee Mary Ludwig

Miss' Montesano Is Accepted Into Association

Miss Gail Montesano of Belleville, has been accepted into membership by the Bergen County Hairdressers and Cosmetologists Association, an affiliate of the New Jersey Master Hairdressers and Cosmetologists Association and the National Hairdressers and Cosmetologists Association.

The Board of Directors approved Miss Montesano's

application on March 26, she is entitled to all privileges and benefits of this professional association.

Miss Montesano is manager-operator, and owner of The Hair Company, 289 Franklin Avenue, Nutley. The Bergen County Hairdressers and Cosmetologists Association is dedicated to the higher education of professional hairdressers and to the protection of the people they serve. The Bergen Affiliate maintains a volunteer beauty salon at the Bergen Pines County Hospital.

DiNicolas-Francisco Rites Performed In Christ Church

Mrs. Vincent DiNicolas - nee JoAnn Francisco

Christ Episcopal Church, Belleville, was the setting March 23 for the marriage of Miss JoAnn Francisco, daughter of Mr. and Mrs. Nicholas Francisco of 62 Hope Street to Vincent M. DiNicolas, son of Mr. and Mrs. Michael DiNicolas of Jackson.

A reception was held at The Manor, West Orange.

Given in marriage by her father, the bride wore a gown of ivory sata peau in the Victorian style with a crown illusion neckline. The gown was appliqued with pearl and crystal embroidered Alencon lace and featured a chapel train.

A Camelot headpiece of lace held her three tier bouffant veil and she carried baby orchids, babies breath and stephanotis.

Mrs. Kathleen DiNicolas of Belleville was her sister's matron of honor. Miss Lois Fortunato of Bloomfield was bridesmaid.

Their gowns were of mint green taffeta with leg-omutton sleeves and ruffled trim. Headpieces were Juliet hats with veils and they carried baby pink roses, carnations and babies breath.

Mrs. Kathleen DiNicolas of Belleville served his brother as best man. Joseph D'Urso of West Caldwell, cousin of the groom, ushered.

Mrs. William Hahn - nee Kathleen Melady

Kathleen Melady, Wm. J. Hahn Wed

Miss Kathleen Elizabeth Melady, daughter of Mr. and Mrs. Howard Melady of 482 Joralemon Street and William H. Hahn, son of Mr. and Mrs. William J. Hahn of Bloomfield, exchanged wedding vows May 19 in Holy Family Church, Nutley.

The Rev. Hanbury performed the ceremony and a reception followed at Friar Tuck Inn, Cedar Grove.

The bride, attired in candlelight lace, was escorted by her father. Miss Carolyn Butler was maid of honor with Mrs. Edward Fastnacht, Mrs. Jerome Oiskey and Mrs. Kenneth Kubecka as bridesmaids.

William Barnes was best man with Mr. Kubecka, Larry Shapiro and Edward Hanselman ushering.

Mrs. Hahn is a graduate of Archbishop Walsh High School while Mr. Hahn is an alumnus of Bloomfield High School and Newark State College.

The couple are honeymooning in Bermuda and will make their home in Bloomfield.

Miss Mary Ann Rolandelli Is Bride Of Peter Travaglio

Mrs. Peter Travaglio - nee Mary Ann Rolandelli

Miss Mary Ann Rolandelli, daughter of Mr. and Mrs. Eugene Rolandelli of Newark, became the bride of Peter Travaglio, son of Mr. and Mrs. Peter Travaglio of Newark, on Sunday, May 6.

The Rev. Robert Patterson performed the ceremony in Our Lady of Good Counsel Church, Newark, with a reception following at Westmount Country Club, West Paterson.

Escorted by her father, the bride wore a peau de soie gown with applied lace embroidered with seed pearls, fashioned with long sleeves and train. A matching Camelot headpiece held her hip length veil and she carried baby white roses.

Mrs. John Rolandelli of Newark, sister-in-law of the bride served as matron of honor, with Mrs. Victor Macagnano of Belleville, Mrs. Michael Mastrogianni of Bloomfield and Mrs. Carmella Teresi of Lyndhurst as bridesmaids.

Their gowns were of aqua jersey and they carried presentation bouquets of pale pink carnations.

Mrs. Mastrogianni was best man. Eugene Rolandelli, brother of the bride, Robert Turbett of West Orange and Joseph Bianchini of East Orange ushered.

Mrs. Rolandelli wore a rose colored chiffon, trimmed with pale pink, with jeweled buckle and matching accessories, while the groom's mother chose a mint green-trim with beaded trim and matching accessories. Corsages were orchids.

Mrs. Travaglio is a graduate of Good Counsel High School and attended Newark State College. She is employed at Fidelity Union Trust Company.

Mrs. Travaglio is a graduate of Vailsburg High School and is employed at Fidelity Union Trust Company.

Mr. Travaglio is a graduate of Vailsburg High School and is employed by Prudential Insurance Company.

The couple are honeymooning in Hawaii and Las Vegas, and will take up residence in Newark.

Miss DeVona, Samuel Fortino Will Be Wed

Mrs. Theresa DeVona of 25 Adelaide Street announces the engagement of her daughter, JoAnn, to Samuel Fortino, son of Mr. and Mrs. Frank Fortino of Newark.

The betrothal was made known April 24 in a notation in the *Belleville Times*.

Miss DeVona, daughter of the late Mr. Joseph DeVona, is a graduate of Belleville High School and a senior at William Paterson College where she is majoring in elementary education.

Mr. Fortino, an alumnus of Arts High School, Newark, will graduate this year from Newark College of Engineering with a degree in electrical engineering.

The wedding will be held, May 28, 1974.

Miss JoAnn DeVona

Miss Gintella, Mr. Schettino Are Betrothed

Mr. and Mrs. Anthony Gintella of 608 Washington Avenue announces the engagement of their daughter, Karlene Patricia to Anthony Peter Schettino of Belleville, formerly of Nutley.

The betrothal was made known at a reception at the Jade Fountain Restaurant, Clifton on May 12.

Miss Gintella, a graduate of Mt. St. Dominic Academy, Caldwell, is a junior at Montclair State College where she is majoring in mathematics.

Mr. Schettino, an alumnus of Belleville High School, attended Newark College of Engineering and is employed in Fairfield.

The wedding will be held in June 1974.

Miss Karlene Gintella

Clifton High Class Of '44

Essex Child Guidance Plans Fair

A fun-filled festive day for the family is planned by the auxiliary of the North Essex Child Guidance Clinic for Saturday, June 2, on the grounds of the Geriatric Center, Belleville and Franklin Avenue, Belleville. At a membership tea held on May 17 at the home of Mr. and Mrs. S. Rush Mountsier Jr. of Nutley, plans were discussed and tickets distributed to new and attending members of the auxiliary which is composed of women from Belleville, Bloomfield and Nutley.

Among the unique features of the "One-Stop-Fair" will be an antique exhibition and sale at which will be shown old and unusual clocks, Victorian dolls, dollhouses and doll furniture along with some fine examples of pewter. Of particular interest to food fanciers will be an International Food Festival featuring Polish, Ukranian, Italian dishes along with the ubiquitous American hot dog. For the younger set there will be amusements and games available.

Other booths at the fair will feature a white elephant sale, cake sale, mini-flea market and there will be a 50-50 raffle on the premises. The Fair will be moved indoors in case of rain and tickets will be available at the gate.

Reverend Celebrates 25 Years

Rev. John M. Golding commemorated his 25th Anniversary of Ordination on Sunday, May 20. A celebrated Mass at Holy Name Church in East Orange was followed by a reception in the Gymnasium at East Orange Catholic High School.

Reverend Monsignor William A. Daly, Superintendent of Schools for the Archdiocese of Newark gave the homily at the Mass. Entertainment was provided by East Orange Catholic High School's Glee Club under the direction of Mr. William Yates. Reverend Gerard Walsh, pastor of Saint Joseph Parish, West New York spoke at the reception and tribute was given by Sister Mary Anne Kattlack, Principal of East Orange Catholic High School.

A buffet supper was catered in the cafeteria after the reception. Father Golding was curate at Saint Mary's Parish for twenty years. In 1966 Father Golding was named Director of Secondary Religious Education of the Archdiocese and Chairman of Religious Studies Department at East Orange Catholic High School.

Rev. John M. Golding

Browsing Belleville

with Pat Diana
(write me at 104 Overlook Ave. or call 751-6861)

There have been some changes made, namely I moved to the YMCA has been having programs for grammar school kids and teens? Well, they have finally moved an office to town; known as the Suburban Unit, YMWCA (Young Men's Women's Christian Association). The office is located in the rear of 638 Mill Street - Montgomery Church. The Belleville phone number for information on programs is 751-5420 and Hank Burden is the Senior Program Director. Some of the "Y" dancing and piano lessons classes will hold a recital on June 11, 7-30 p.m. at Fawcett Memorial Presbyterian Church, and summer sessions will be held at St. Mary's, Montgomery and Wesley United Methodist Churches for four hours a day, starting July 9. Lots going on for the kids.

IT WAS A happy 20th wedding anniversary for Fred and Sue McGarriff of Branch Brook Drive. The date was May 19th.

Arlene Bade, daughter of Leonard and Sophie, graduated from Glassboro College yesterday. She is a Spanish major and will spend the summer earning credits towards her Masters degree and working, under the young miss won't a special award, but at the time of writing this column, I didn't have the exact information...congrats, Arlene.

I was unsuccessful in contacting Mrs. Geri Cerbone of the Belleville Senior Citizens, but I understand she was the guiding light and chairman of the float decorating committee for the group's entry in the Cherry Blossom Parade; She is also chairman of the Art committee for the Seniors.

LOU LONG of Olympic Bowl celebrated his birthday on May 25...the rest of his family had a "happy" in May also - to wit: Mrs. T. Riccio (his sister) - 2nd; Fred Riccio (nephew) 12th; Harry F. Long (Lou's son) and Arthur Berson (uncle) 19th; Mrs. Harry Fredericks (mother-in-law) 27th and - ~~Elizabeth Gramercy (sister) on May 28th, dot's lot of birthdays.~~

A mistake was made - apologies to John Nolter of American Legion Post 705 - his birthday was May 14th, not 4th.

Steve Rogers told me of the surprise birthday party held for his dad, "Bud" Rogers. Buddy thought the party was being held at Don's 21, but it was held at the home of his daughter and son-in-law, Madeline and Jim Perrone. Eighteen people attended including Buddy's wife, Ann, and their other children Steve and Mike.

Jim and June Margris celebrated their 35th wedding anniversary on May 5. The couple has two children - Richard and his wife Linda, and Christine and hubby Joseph Ciriello...they also have two grandchildren, Jim and Kim Margris.

UNDERSTAND some more teachers from BJHS are helping Bob Lefelbine coach the teens in the YMWCA summer theatre workshop - they are Mrs. Caroline Furno (art teacher) and Miss Cynthia DeBosis, a substitute teacher. The class is taught two evenings a week, see the Bulletin Board.

The Kiwanis Club of Branch Brook/Belleville has some happy people - anniversary greetings to Sig and Mary Swiderski - May 7th and Randy and Pat Rossilli - same date. Birthday boys this month were Joe Donnelly - 23rd; Joe Gonnello - 25th and Harold Camisa - 29th.

I had written last week before attending the 25th anniversary celebration for Judy and Angelo Cocuzza...now I can tell you what a great time it really was. Met some great people, including Judy's sister, Freda Kelly and Marie Heinze. There was a young gal visiting from New Orleans, too - Miss Connie McBride. Also, as an anniversary gift, the Cocuzza's three children - Joanne, Jim and John, sent them to Puerto Rico for a week (not Las Vegas). Other teens I met that night were Pam Stenger, Diane Floria, Joe Mansalki, Theresa Patti, Lauren Mansueto, Eddie DePriore, Eddie Keesler and Jennifer Keesler.

The 25th anniversary was held at Post 299 American Legion. So, I broke bread with Benny B. Schiavo. Happy to report that John Toronello - in Citta Maura Memorial Hospital - can now have visitors. Very happy to report that Post 299 is adding on to their building. Post and Unit members hold so many functions that they needed more space. A cocktail party will be held on June 25th from 4 - 7 p.m. Tickets are \$3.50 and may be ob-

tained from any Unit or Post member. Can't wait to see the addition all finished, the driveway paved and inside redecorated. Nice going fellas...see what can be accomplished when members of any group work together!

PLEASE REMEMBER that any changes or additions to the Bulletin Board should reach me at least one week prior to the date...last minute calls cause YOU to lose out...also, remember I'm open to suggestions for my other columns "Sparkling Personality," "Organization Doings" and "Business Spolite". These are people or businesses referred by you, the reader to me for special recognition, ok? Thanks.

Best wishes to Peter and Jean Gentile and their son Mike...the family moved into their new home on Bell Street last week...Peter is a member of American Legion Post 105 and a painting contractor - see in this paper.

Have you seen the addition to the Garden State Parkway? You may now take an exact change booth and still receive a receipt! All done by machines, of course, but I was pleased to see that one time the machine didn't work...guess machinery won't replace men...yet!

TEENS SEP
Last year, as a community service, I instituted the Teenage Summer-Employment Program. I've had numerous requests to continue it this summer, but there are some problems. First, we're looking for people who need teens to help them by taking leaves, cleaning out pools, painting, babysitting or other odd jobs. Really, anything that can be done to create income for a teen is needed.

Second, I need some volunteers to work with the program. Last year I had the Junior and Senior High help by giving the teens an application form. Any teen who signed up last year and was interested in '71, should please call me to be put on our 1971 active list. Some applications were forwarded to me too late by the Senior High and those teens did not have the opportunity to be interviewed...nevertheless - if interested, please call me. Any teens who didn't sign up last year, but are interested - same thing me.

AS I SAID, this was started as a community service (the teen or whoever employs him is not charged any fee - the employer pays the teen only for the work done. So please think if you can hire a teen this summer and phone me. If enough jobs come in and enough teens sign up, and I get some volunteers to help - the results would be to keep the teens off the street and busy besides earning money, and it is an opportunity to get those "odd" jobs done. Last year, with the help of volunteers, 41 teens were placed in a job. Doesn't sound like much, but remember this can only be done by you, dear reader, hiring a teen.

IN SYMPATHY
Last week, Mrs. Emmy Zimmerman passed away. Friends recall her as giving a lifetime of service to everyone. Many can also recall her as canteen chairman for the Belleville Red Cross and no matter the time of day or night, or what kind of weather, if there were a fire, Mrs. Zimmerman was always on the job dishing out coffee and donuts, while her husband, Bob, at home, would be making more coffee. The couple also spent many days at East Orange Veterans Hospital helping the patients celebrate their birthday and, during the strike at Essex County Geriatric Hospital, they helped out there, too.

Mr. and Mrs. Zimmerman moved to Belleville in 1929 and Emmy gave a helping hand and words of encouragement to all in need. She also worked as the Red Cross blood bank and was a member of the Order of Eastern Star, Arme Chapter 73, where she was chairman of the cancer dressing unit for many years and a member of Wesley United Methodist Church. According to Hetty Murray who lived next door to Emmy, "Emmy was a friend, confidante and comforter to all."

NICE PEOPLE
I met an author and an artist - all in one breath. Ruth Keenan of Nutley (friend of Mert and Jo Marx), recently had published "Fire and Gold" - an inspiring compendium of wisdom for living and loving. The book is published by Exposition Press, and Ruth is certainly one of the better known gals in our neighborhood town. Her talents include fashion, design, display and advertising. I was pleased to receive one of the first editions of "Fire and Gold," duly inscribed by Ruth who is a modest, charming lady. Actually, I was invited to meet her mother, 95-year young Ella C. Keenan, who started a business of designing and painting her own original greeting cards.

Local Nine Moves Up In Newark Tourney

by Tony Calabrese

The Belleville varsity baseball team moved to the semi-final round of the 41st annual Greater Newark Tournament this past Saturday morning when they defeated Milburn by a score of 2-1 behind the four-hit pitching of Rich Centanni at Milburn.

This Saturday afternoon, Belleville will play Valley, a parochial school from Orange, a team which is the top seeded team in the tourna-

ment, and as of this writing has a 15-2 record. This semi-final game will start at 2 p.m. at the Verona High School baseball field, in Verona.

Saturday afternoon the fifth-seeded Bellboys travelled to play fourth-seeded Milburn in a couple of rather adverse conditions for the Bellboy club. First of all they were in the midst of a three game losing streak, a period of time which saw the club play some of its worst ball of the year. Secondly, their coach Charlie Travers was unable to be with the ballellads due to a death in the family. Therefore, the club was put in charge of jayvee coach Ralph LaConte, and coach LaConte made it clear to the boys that they would dedicate this

balgame to Mr. Travers.

Therefore, with a great team spirit, (the entire Belleville team, especially the bench, constantly hench jockeyed the entire Milburn team all day, definitely upsetting the Milburn squad, and coach LaConte credited this part of the game as vital a contribution to the victory as the actual playing itself.) Belleville went out and scored two runs in the very first inning. Batting last, under GNT stipulations, Belleville got off to a quick start when leadoff hitter Alan Frank, who appears ready to break out of a season long slump, tripled to deep left field. Joe Ross followed with a fly ball to center field which was caught by Pete Horn of Milburn, however, Frank tagged up and scored after the catch, and with the sacrifice fly Belleville led 1-0.

Continuing the attack, Phil Cuzzi singled hard to left field, Frank Papisidero singled sharply to right, and when Ron Borgo's slow roller, between first and the pitcher's mound was through high to first by a very upset Milburn pitcher named Dick Thierry, Belleville had the bases loaded. Mark Cervasio followed with a base hit to right that scored Cuzzi with what proved to be the winning run.

Although Belleville didn't score any more on the day, they didn't have to. That was because Rich Centanni as per usual pitched an outstanding ballgame. The Bellboy ace allowed one run, (which was unearned), four hits, while striking out eight and walking three. The only Milburn run scored on him came in the sixth, which proved to be his

(Continued on Page 14)

On Passaic Saturday Crew to Defend Goodwill Crown

An all-senior boat will be featured in the varsity race during the Goodwill Regatta Saturday when Belleville defends its crown against boathouse rivals Nutley and Kearny.

Coach Sam Gufrida said he has moved Ed O'Connell up from the Jayvee boat in order to have a full complement of seniors manning the varsity shell in their last race.

Craig Davis, who has been alternating with senior Alan DeMassi in the first boat throughout the season, will move to the Jayvee boat, along with Brian Bedford. Gufrida praised the "valiant gesture the two boys made in allowing the seniors to row together in the last race of the season."

Gufrida added the moves will strengthen both the varsity and Jayvee shells, bringing a little more size to the varsity and more experience to the Jayvee.

The regatta, which will begin with a freshman race at approximately 10:30 a.m. will see the following lineup in the varsity shell:

- One — Charlie Mailot
- Two — Ed O'Connell
- Three — Alan DeMassi
- Four — Ross Vocaturro
- Five — Joe Cerami
- Six — John Smith
- Seven — Anthony Dillon
- Eight — Vinnie Galante
- Coxswain — Fred Arena

Belleville has defeated both Nutley and

Kearny previously this season, and is favored in the varsity race. The undefeated Belleville frosh have the edge in that competition, though the Blue and Gold freshmen have given them scares in past meetings.

The crucial race of the day, said Gufrida, is the Jayvee competition, and the Bellboys should be considerably aided by the addition of Bedford, Davis and Joe Vazquez, all of whom have considerable experience in the varsity level. Vazquez has recently recovered from illness, and is back at his position as Jayvee manstay. With the return of his formerly-injured rowers and the move of varsity oarsmen, Gufrida said he'll have five new men in the shell — "almost a brand-new boat."

The coach emphasized "we want to win the total, overall regatta this year," and said the Bellboys had a good chance to sweep. Nutley is regarded as the most serious threat to Blue and Gold Goodwill dominance (Belleville has won the trophy for the past four years) but Gufrida termed Kearny an "upset crew" and said they would come up with a winning team.

The coach cited the psychological factor as being strong in the annual race, with seniors rowing in their last schoolboy competition against teams from neighboring towns which share the same boathouse facilities on the Passaic.

JOE ROSS, one of Belleville's biggest hitters this season, takes a cut at the ball during the game with Seton Hall last week.

INFIELD CONFERENCE — The interior squad of the Bellboy nine meets on the mound with pitcher Steve Senatore. Shown here (l-r) are Vin Lipoma, Alan Frank, Mark Cervasio, Frank Papisidero and Senatore.

FORCE OUT — Bellboy third baseman looks to first base and a potential double play as he tags the bag to force out a Seton Hall runner. The throw to first, however, was not in time. The loss to Seton Hall was the fifth of the season for Belleville.

HE MADE IT — Mark Cervasio, (left) reached first on an error as Seton Hall first baseman Joe DeGeorge had to scramble to field Cervasio's grounder and pitcher Jack Moran was slow to cover the bag.

Dual Season Ends

Tracksters Trounced By Kearny, 112-10

by Frank Salerno

The Belleville tracksters last week competed in their last dual meet of the '73 season against Kearny and then traveled to Woodman Field, Montclair to par-

ticipate in the Essex County meet.

Against Big Ten champions Kearny, Belleville suffered its worst defeat in recent years: the final score was an 112 to 10 trouncing, which left the

Blue-Gold dual record at 3-10 for the season.

The only undermen who placed for the Bellboys were Bill "Goody" Goodwin, Mike Greenfeder, Steve Budrick and Steve Dyba.

Goodwin battled three Cardinals until the gun lap and completely outkicked his competition. Bill copped the only first place of the day for the Bellboys, with an excellent 10:34 clocking, by far his best in the two-mile.

Mike Greenfeder threw the shotgun 45 feet, eight inches for the only second place, while Steve Budrick also battled three Kearny members the whole half-mile. "Bud" found himself in third place, with his best time ever, 2:05.7. First place was 2:04.1 and fourth place was 2:05.9, to show how close the race really was.

Steve Dyba edged teammate Mike Fortino for the third spot in the mile run. Dyba ran at a 5:17 pace.

Last Saturday, the Bellboys competed in the Essex County meet. They went against 26 different schools and did not score a point compared to first-place Essex Catholic, which tallied 46 points.

Steve Budrick improved his time to 2:04.5, over a full second better than the Kearny runner, and will attempt to break the school record, which is 2:02, at the State Sectionals Saturday.

The field men threw par, with most consistent shot-putter Mike Greenfeder throwing 45 feet, six inches and Tom Sanders throwing the discus 125 feet.

The Blues-Gold track season will officially end Saturday, if no members finish in the first five places of each event.

Seton Hall Batters Outclass Bellboys

The Belleville Bellboys saw their season record drop to 9-5-1 last Thursday afternoon, when they dropped a 9-6 decision to Seton Hall Prep in South Orange.

For the first time all season

Belleville did not receive strong pitching as three Bellboy hurlers combined to surrender nine hits, seven walks and a hit batsman to Seton Hall.

On the other hand Belleville

was able to get some run production against three Seton Hall hurlers, scoring their six runs on the aid of eight hits and six walks. However, after gaining an early first inning lead, Belleville had to battle from behind all day, falling as far back as 9-2, before closing up matters with three runs in the sixth and one in the seventh.

Belleville's run in the first off of Seton Hall starter Jack Moran came around when Joe Ross walked, Phil Cuzzi sacrificed him to second, and after stealing third Ross scored on Frank Papisidero's infield single. However, in the bottom of the first Seton Hall crossed the plate three times.

Two walks and a single by Jerry McCormick produced one run and also saw the departure of Belleville starter Steve Senatore, who was pitching his first game after a good deal of arm trouble, and after the first three batters it was obvious to all that Senatore has not completely recovered from his injury.

Dennis Nadzan replaced Senatore, and after getting

(Continued on Page 15)

Blue-Gold Blasted By Clark Ball Club

The Bellboy diamonds headed back into Big Ten competition tomorrow against Orange after they were summarily eliminated from any title hopes Tuesday when they traveled to meet Clark High School in Union County and were blown off the field, 18-2.

The loss came at the beginning of the state tournament for Belleville. It was their first and last game in the tourney. Yesterday the Bellboys hosted Montclair, too late for the Times to report the outcome. On Saturday they enter the semifinals of the Greater Newark Tournament when they travel to Verona to meet Valley High School from Orange, a team ranked sixth in the state. Tuesday they meet Irvington away.

The Clark team blasted pitcher Dennis Nadzan for six runs in the first inning, five in the third, three in the fourth and four in the fifth.

Belleville scored on a sacrifice fly by Frank Papisidero in the fourth and in the seventh inning, Rich Giordano came in as the bases were loaded and a Belleville batter was hit by a pitch.

The Orange team Belleville faces tomorrow was previously defeated by the Bellboys this season in a 12-1 ball game.

Sports Dinner Details Settled

Ed Carney, chairman of the Varsity Club's All Sports Dinner, recently reported to the members that the program for the annual affair has been completed.

Tom Macky will welcome the guests. Bob Cassano will be the master of ceremonies and Reverend Benedetto Pascale, Pastor, Silver Lake Baptist Church, will give the invocation.

The Goodwill Regatta Trophy will be presented by representatives from the Varsity Club, The Nutley Third Half Club and the Kearny Cardinal Club to the high school crew organization garnering the most points in the Goodwill Regatta Saturday.

The Regatta was begun several years ago to promote interest in crew in the three towns which share the same boathouse on the Passaic River in Kearny.

The trophy which is 40 inches high, is awarded on a point system that recognizes the outcome of the varsity, junior varsity and freshman races of the three competing high schools.

Men's Softball Season Opens

Every Monday through Thursday the action is set at Belleville Park — Mens Soft-

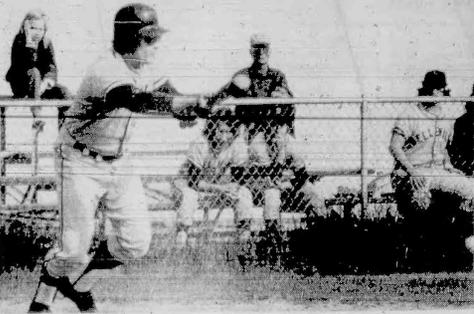

ball action, that is. Twenty-four teams have entered into the fifteen-week battle for play-off positions and the town-wide championship.

Most of the teams are veterans and have won a few years ago. All of the teams have made it evident that they have come to play the ball.

In the Monday League the Zazzaro lf team has had the most wins over the powerful Frenchys team, the very strong I.M.A. squad and the newcomers, Clara Maass, Frenchys' and I.M.A. share the second slot with two wins

(Continued on Page 14)

Jayvees Conquer Columbia

A TAPPER — Bellboy pitcher Dennis Nadzan fays down a bunt against his Seton Hall counterpart during last week's game. Nadzan was one of three hurlers who pitched against Seton Hall.

Diamonders Reach Semis

(Continued from Page 13) singled to lead off the inning, and after Centanni got Thery on a pop up, Cuzzi came up with what was the roughest inning of the halldgame. Dean Springmeyer

probably the biggest play of the game when he gunned down Springmeyer trying to steal second. This proved important as soon after Jeff Terraci reached on a two base outfield error, and Pete Horn followed with a double to drive in the run. However, Centanni bore down to strikeout pinchhitter Tony DeSpirto to end the rally.

That was it as Belleville earned a hard fought team victory. And as a little something special after the game, the entire team autographed a game ball for the man this victory meant the most to, Coach Tracy.

by Pat Caputo

Among the recent engagements of the Belleville Jayvee diamonders were a victory over a strong Columbia squad, and defeats suffered at the hands of Bloomfield and Irvington.

The impressive Columbia team' defeated only their second in seven games as the Belleville JV rose to 5-2.

Jerry Hoban pitched a fine game to pick up the win and Jim Zaccone was credited with his second save of the year. The junior Bellboys scored first in the fourth inning when Hoban singled, stole second, was sacrificed to third by George Mango, and scored when Bob DiQuattro squeezed him home.

Columbia's weakness rested in their defense of bunts as both Mango and DiQuattro reached base due to the confusion of the infielders. A double steal left both runners in scoring position. Bill Telesco delivered the big hit of the inning with his base hit to right field, driving in two runs.

However, Columbia countered with two runs in the home side of the fourth on a walk, a double, and an outfield error to bring in two Columbia runs. The game remained 3-2 until the seventh inning when the junior Bellboys came through with two more insurance runs to open the game up a little.

George Mango led off with his second walk of the day. Coach Ralph LaConte let speedy Anthony Romandotto run for Mango. He took se-

cond on a ground out and scored via Joe Panlone's single up the middle. Panlone took second when Romandotto beat the throw home. Vic Pasquariello drove home Panlone with a hit to left. Vic had another perfect day, going three for three with a walk including a wasted double in the first.

However, the Belleville Jayvee screamed "Mayday" on the first of the month as Bloomfield beat the junior Bellboys 6-0, at Belleville. The Bengal's Kealy checked the Belleville Jayvee, now 5-3, on two hits and he recorded 15 strikeouts. Belleville mounted only two threats during the game, but both were spoiled by strikeouts.

The third, John Megna and George Mango walked. But the top of the order went down on three successive strikeouts. In the fourth inning, Joe Armani and Steve Gerard singled with none out. Tom LaMin, running for Armani, was thrown out stealing and two more Bellboys went down swinging. Keany did have fits of wildness, walking six men, but his erratic curbball managed to stifle five junior Bellboys twice and five more once via the strikeout. His record rose to 3-0, as Belleville's Jim Risoli, who took the loss, saw his record go to 1-1.

Irvington traveled to Belleville on May 4, and handed the Belleville Jayvee with their second loss in a row, 5-1. It marked the first

time this year that the junior Bellboys have lost two in a row. Belleville got off to a good start scoring a run in the

Rec Twirlers Stage Show

Did you see a flash of blue and white in the Cherry Blossom Parade? It probably was the Belleville Recreation Twirlers. These 50 girls again displayed their talents to spectators along the parade route.

Number Seven School was the place for more entertainment when the girls performed in their annual Spring Twirling Show. There was much ability and originality to be seen. Included in the show were: Donna Marturri, Fran Sauers, Lorraine Kempanin, Carolyn Cetrulo, Valerie Castrovilla, Diana Castellano, Michele Salvato, Rhonda Racioppi, Felicia Falzarano, Kathy Lally and Terry Yaizer.

The instructors for the Belleville Recreation Twirlers are: Kathy Fornarotto and Annette Salvato.

Nothing increases the admiration of children for their parents like a large estate for division among the heirs.

first inning. Joe Panlone singled, took second on a bad throw, and third on a wild pitch. Panlone scored when Steve Gerard grounded out to the right side of the infield. Dennis Nadzan was perfect for four innings for Belleville. He allowed the tying run in the top of the fifth on a walk, an infield single with some poor throwing by the infielders advancing the runners into scoring position, and an unmetly ball. The winning run was scored in the sixth on two doubles of Jerry Hoban.

Belleville had a chance in the bottom of the sixth. Joe Panlone led off with a double

with the score 2-1. However he was later caught down in a rundown between third and home after an infield grounder. Irvington pushed across to three more runs in the final inning on three hits, a walk and an error. In the home side of the seventh, the junior Bellboys loaded the bases with two out on a walk to John Megna, single by Tom LaMin, and a walk by Dante Pantelone. The threat ended when Pantelone grounded out to the pitcher. The game was no fault of Joe Panlone though, as he was the only Bellboy to get two hits against Irvington's wacker.

Golfers End Up With 9-4 Season

by Rod Ciccone

Four members of the golfing six contributed shutouts against Kearny last Friday to establish a 12 - 5 victory in the last golf match of the 1973 season. The golfers attained a 9 - 4 season record.

Forest Hills Field Club, home course for the golfers, proved tough competition for the weak Kearny squad in the nine-hole match.

Seniors Neil Simeone, the number two golfer, and Warren Beck, and sophomores John Dacey and Dan Cassese each shut out their opponents. This was Belleville's second victory over Kearny this season because they had defeated them earlier in the season 14 - 3.

As the golfers walked to the club house from the thirteenth hole, some players

acknowledged themselves for a very successful season. John Dacey realized that he had gathered 34 out of a possible 39 total points. He did not lose one match the entire year. Mike Monogas recalled his 28 total points, out of a possible 36. Neil Simeone, winning his last four matches, totaled 16 points. Warren Beck finished his year with 21 points. Junior Allyn Ciccone finished with 16 points.

The golfers realized that they duplicated the 1972 record, but they felt it was possible to have achieved an 11 win season. Belleville lost its opener to Columbia 11 - 7, lost twice to Bloomfield 13 - 4 and 11 - 7, and had a rough day against Montclair 10 - 8. Above all, Belleville's golf team had two sophomores on their roster: John Dacey and Dan Cassese.

In addition, Warren Beck and Rod Ciccone had only played one match apiece last year and Mike Monogas and Al Ciccone had only two appearances each last year. Neil Simeone finished his third complete season.

Softball League Kicks Off

(Continued from Page 13)

each. Third place is shared by J. & F. and Clara Maass while Wallace & Tiernan still seek their first win.

Roselli's and Frankies have taken command in the Tuesday League with unbeaten records of 10 - 0. Records: McCabe's, Foyota and the Belmonts each have one win and the Circles are winless. Frankie and Roselli's do not face each other until the last game of the round.

Only two games have been played in the Wednesday League. Garden Liquors and Park View House have each won both of their games. Belleville Shoe and Belleville Post Office have split, each with one win. Garden State and Landoff Home for Funerals have yet to pull one out.

Also with only two games played the Thursday League has three teams with unbeaten records. Salvatore's, the Manor and Jolly Cleaners share first place. However the Shamrocks, the Third Rail and Hudson County Deaf are all competitors who will be out to topple the giants of this league.

If you have not done it already, it is time to get your air conditioner ready for the work it is expected to perform within the coming months.
A few drops of oil cleaning up the accumulated dust and dirt and replacement respectively cleaning of the filter is about all that has to be done. The clogging around the window of frame also should be checked for leaks.
Since the compressor and motor are one piece and permanently sealed, there is nothing to be done with it. The unit has several switches and relays with contacts which are apt to cause problems.
Many fan motors are permanently lubricated. The type that needs lubrication should be cleaned first around the bearing and then get a few drops of oil. Do not dose it. Most units have replaceable filters. It is of utmost importance that the filter is clean. If it is clogged with dust and dirt the unit is not going to cool properly. A few years ago some air conditioners had so-called permanent metal filters. These have to be washed thoroughly and sprayed with a certain type of sprayer, sticker or to which the dust adheres. Do not use ordinary oil for this. One can wait for years. Unless it is plastic material, the bottom of the pan in time is apt to rust. There is a rule a small piece of tubing for the condensate water in the front to be cleaned or, otherwise the water accumulates and the unit leaks in the front.

record. The department has handled about 50 cases since the beginning of this year alone, and in the entire two-and-a-half year history of the office, only one case has ever gone to court.

Oppose Truckers In Valley

Valley residents jammed the Town Hall Zoning Board of Adjustment chambers Monday night to protest the proposed variance for an oil trucking firm at 52 Academy Street. The voters voted \$30 to deny the variance to Cedar Hill Oil Company.

Over 250 residents of the area signed petitions opposing the demolition of a two-family home on the lot to make way for a garage to house the firm's trucks.

Paul Russo, vice president of Cedar Hill, said the trucks would be out of the garage from 7:30 a.m. to 5:30 p.m., and no fuel would be stored on the premises.

After hearing testimony from area residents, the voters voted down the request.

The voters then voted to approve a variance for Ludore Patalis to erect three two-family homes on under-sized lots on Ralph Street.

Lottery Luck For McCabes

(Continued from Page 1)
result of their winnings, and are taking events in stride. They've been in Belleville since 1950, think it's a great town, and don't plan on moving. John figures he will be taking an "extended vacation" but other than that, he says, "I'm just going to live my life the way I have been before."

The family, well-known and popular here in Belleville, has received no petty harassment or crank calls, since their win. "We've only heard from well-wishers," said Pat, and with working and all the phone calls, they have been pretty hectic around here.

They've encountered, of course, the expected ribbing from friends. Pat was on duty early this week in front of the People's bank on Washington Avenue and, he said, he took his share of jokes. "People I know would pass by and ask me if I was guarding my money."

have to go to court, it's usually because one of the parties won't give an inch."

Mrs. Sweeney handles complaints from Belleville citizens or against local firms and if the matter is out of her area of jurisdiction, she'll refer the matter to the proper authorities. "When a complainant calls or comes in, I take down all the facts and ask to see documents involved," she said. "Then I get in touch with the other party, and make sure I hear the other side of the story."

Admittedly, Mrs. Sweeney has to "play it by ear," but she says that are the facts speak for themselves. If the consumer has a fair complaint, "I'll tell the businessman I think so. A local merchant will usually go out of his way to correct the situation if there's been a mistake made on his part."

Often, she said, the problem comes down to a "personality conflict" between the consumer and the businessman. In such cases,

she said, it takes a fair amount of amateur psychology to resolve differences. "I learn a little more each day on this job," she said.

Patented decisions sponsored by the state office regularly.

Dougherty, who as Superintendent of Weights and Measures, has powers of arrest, often helps out in the more difficult cases or when there is a suspicion that outright fraud has taken place.

Mrs. Sweeney can also draw on a state staff of legal advisors in Newark if it appears there will be a court case coming up.

Primarily though, she sees her position as that of a mediator between unhappy consumers and usually reputable businessmen.

"Sometimes people can't present their own problem, and they're very upset and they need someone in the middle to help out."

"We're handling more cases now that consumerism is bigger than ever before."

Mary Blasts Byrne Ticket

(Continued from Page 1)

much aware that Byrne was hand-picked as a candidate by Hudson County bosses and by reading over his list of contributors, they'll see that many of them are from the old guard also hand-picked by the bosses.

Mrs. Senatore also lashed out again at her opposition for the Harrison nomination saying Harrison Tax Assessor Eugene Castano "has never specified the statute which says he may run in the 30th District while he lives with his family in West Caldwell, which is not in this district."

Mrs. Senatore's blast also included Byrne and Castano workers here in Belleville. "They are motivated by self-interest," she said, "and have not put in the years of work the regular Democratic leaders have."

Byrne, Castano and Assembly candidate Michael Aduabio spoke in Belleville last week at the opening of their headquarters on Washington Avenue.

At the time, Byrne said his opposition's qualifications would be given the County Board of Education any official warning of the size of the cut.

While Moss said he is "hopeful" the appeal can be resolved on the county level, it appears unlikely McCree will do this. He said he will draw from the \$450,880 figure he was instrumental in having cut.

Even a newspaper man hesitates to give the problems of the universe on the eve of the usual commencement oratory.

"WHY I'M RUNNING FOR GOVERNOR" by Ann Klein

acquisition of state land for recreation and conservation.
"Giving citizens the right to sue for protection of the air and water."
"providing funds for the demonstration of new techniques for recycling solid waste."
"authorizing the Department of Environmental Protection to develop and maintain a comprehensive Master Plan for the acquisition and use of open lands."

And I strongly supported the following legislation:
"a bill broadening the municipal conservation commissions, giving them authority to preserve open spaces to control air pollution, to manage water resources and solid waste, to control noise, to protect soil and landscape and marine resources."
"The Flood Plains Act", which would regulate the use and development of land to minimize the dangers of flooding.

"The League for Conservation Legislation and the New Jersey chapter of the Sierra Club both came out for these bills and thanked me for my support. Senator De Rose, on the other hand, abstained from voting."
"the bill establishing the New Jersey Ocean Sanctuary, which is designed to keep heavy industry away from what is left of our undeveloped coastline."
"the act prohibiting the construction of a deep-water petroleum port or related facilities on or adjacent to the New Jersey coast. (Again Senator De Rose abstained from voting.)"

As Governor, I will do more.
"I cite my actions on these measures to give you some idea of what I have already done about protecting our environment. If elected Governor I will, of course, be in a position to do much more. I will see that we have a strong Department of Environmental Protection I will see that we develop regional planning for sensible, long-range use of our land. I will see that we have the money for adequate sewage treatment. (This year more than 100 of our municipalities will have slow-downs or building bans because of inadequate sewage treatment facilities.) That is one of the reasons why I'm running for Governor."

What I've Already Done
To prevent this kind of damage to our environment, I have sponsored, co-sponsored and supported the following bills in the Assembly:
"to require the board of public utilities to consult with the Department of Environmental Protection before granting a franchise or privileges to any utility."
"to appropriate \$10,000,000 for the

Careful, long-range planning and zoning are vital. This planning cannot be done by municipalities. It must be regional. It must be state led and supported.
A sad and dramatic example of why municipal planning doesn't work is the Hackensack Meadowland, 21 thousand acres of land, encompassing 14 municipalities in Bergen and Hudson Counties. For years much of this land has been used for dumping garbage. "Sanitary land fill" was the euphemism for filling in the marshes. Vile, stinking garbage was the fact. On a recent visit I saw a ten-acre "lake" of oil sludge created by a single industry. I saw a barrel reclamation operation pouring green, red, yellow and black chemicals into the river. With the recent creation of a new Authority having jurisdiction over 600 acres, some of this mess will be cleaned up and developed into a race track and sports arena. Extra millions will be needed because of the thoughtless past.

KOREAN DISCUSSION: Father William O'Leary, M.M., a veteran missionary from Korea, appearing on the WNBC-TV program "Maryknoll World" Sunday, (May 20) is interviewed about his experiences by two students from the Holy Family School. From left to right, Father Ron Saucchi, host of the show, Father O'Leary whose home town is West Orange, Mark Arcuti, son of Mr. and Mrs. Angelo Arcuti, of Nutley, and Jo-Anne Carolla, daughter of Mr. and Mrs. Anthony Carolla, of Belleville. Father O'Leary returned to the United States recently when he was elected a member of Maryknoll's General Council. The show, which is produced by the Maryknoll Fathers, is televised every Sunday morning at 8:45 on Channel 4 in New York.

Mead Salesman Hits 300 Mark

L.H. Vanderhoff of George H. Mead Inc., Belleville, has been named a member of Ford Division's exclusive 300-500 Club, an organization of top Ford salesmen. Membership in the club was gained through individual sales success during the 1972 calendar year.

He is among more than 240 Ford salesmen in the Newark sales district who will receive awards, which will include nine Top Hatters and one 23-year membership award. In addition, 26 special sales awards will be presented to salesmen whose achievements earned the Top Hatter level.

The presentations will be made at a dinner on May 20 at the Concord Hotel in Kiamasha Lake, N.Y.

The Top Hatter award is the division's highest salesman award.

Westinghouse Issues Employee Statements

Belleville Westinghouse employees were among nearly 10,000 employees of nine New Jersey plants who recently received individualized statements that show how much each employee can personally expect from the company's various benefits programs.

"We were one of the first companies to issue annual Benefits Statements to

employees," Thomas W. Landrum, Westinghouse executive vice president, said.

"But until this year the statements included only information on the pension and insurance benefits."

The expanded statement also gives information on disability benefits, personal accident insurance, and investment the employee may have in the company's savings program.

OBITUARIES

Mrs. Anne H. Gabriel; Was Demo Leader

Funeral services were held May 17 at Holy Family Church for Mrs. Anne H. Gabriel, 107 Celia Terrace, who died May 14 at the Hartwick West Nursing Home, Cedar Grove, after a brief illness. She was 55.

Born in Rhode Island, Mrs. Gabriel (nee Bryant) lived in Belleville for 25 years, and was a clerical worker for the Essex County Welfare Board's Newark office. She was also a member of the Rosary Altar Society of Holy Family Church, a member of the Patrick J. Scanlon Association Inc., the John Cryan Association, and was a Democratic District leader.

Predeceased by her husband the late Daniel Armand Gabriel, and a son, the late Daniel T. Gabriel, Mrs. Gabriel, her mother, Mrs. Elizabeth Bryant; and two brothers, Thomas of Lodi and John of Bloomfield.

The Rev. Michael Saltarelle officiated the services arranged by the S.W. Brown & Son Funeral Home, Nutley, and interment was in Immaculate Conception Cemetery, Upper Montclair.

Stanley Godleski, 68; Ballantine Employee

A funeral Mass was held May 12 at St. Mary's Church for Stanley Godleski, 32 Tremont Avenue, who died May 9 at Clara Maass Memorial Hospital after a long illness.

Mr. Godleski is survived by his wife Mrs. Theresa Ostrowski Godleski; a daughter, Mrs. George (Joan) Sadlock of Clifton; two sons Frank of Miami Fla., and Charles of Belleville; a brother Joseph of Belleville; four sisters, Mrs. Anna Barski of Paterson, Mrs. Nellie Jastrzemski of Belleville, Mrs. Joan Nesbitt of Clark, and Mrs. Josephine Rahl of Bloomfield, and five grandchildren.

Services were handled by the S.W. Brown & Son Funeral Home, Nutley, and interment was in Holy Cross Cemetery, North Arlington.

William Rock; Watchmaker

Funeral Mass was held May 16 in St. Mary's Church for William J. Rock, 751 Washington Avenue, who died May 14 at home after a long illness. He was 87.

Born in Finland, Mr. Rock came to Belleville from Newark four years ago. Before retiring he was a watchmaker for the Royal Silver Plating Company, Newark.

Predeceased by his wife the late Mrs. Lucia Delakat Rock, Mr. Rock is survived by his step-daughter, Mrs. Helen Christian of Belleville, and a step-grandson Leo Christian Jr.

The S.W. Brown & Son Funeral Home, Nutley, handled the services. Interment was in Immaculate Conception Cemetery, Upper Montclair.

He was 68.

A chauffeur for P. Ballentine & Sons, Newark, Mr. Godleski was born in South River, moving to Belleville from Newark 38 years ago.

He was a member of the International Brotherhood of Teamsters Local 843, Union.

Services were handled by the S.W. Brown & Son Funeral Home, Nutley, and interment was in East Ridgeland Cemetery, Clifton.

John Kastner

Funeral services were held May 14 at St. Peter's Church for John J. Kastner, 811 Holmes Street, who died May 10 in East Orange Veteran's Hospital. He was 50.

Mr. Kastner was a lifetime resident of Belleville, and worked as a plumber. He was a veteran of World War II.

Predeceased by his parents Mr. and Mrs. John Kastner, Mr. Kastner is survived by a brother Eugene of Bloomfield.

Belleville Bulletin Board

The Bulletin Board is a public service of the Times designed to aid local groups in publicizing upcoming events and to help avoid conflicts in scheduling dates. You can have your organization's events listed by writing two weeks in advance of the date to Pat Diana at 104 Overlook Avenue or by calling 751-6861. All corrections must be called in no less than a week in advance of our publication date.

SECRETARIES TELLERS
PART-TIME TELLERS & CLERK TYPISTS

Bank positions for VIPs

At First National State Bank the red carpet is out for Very Important People. We're especially partial to capable secretaries and we show our regard in a dozen different ways — a handsome salary and a chance to earn more in higher positions; interesting assignments; grand people to work with. Won't you let us treat you like the VIP you are?

Are you a VERY IMPORTANT PERSON? If your experience adds up to the career you deserve? If you're doubtful about your chances to move ahead, consider what we have to offer. An excellent salary and a wide horizon for future growth. You're a VERY IMPORTANT PERSON? It's our reckoning and we view your career with us in that light.

Housewives, retirees—you're high on our list of VIPs. If you can spare some time for us as a part-time teller or clerk-tylist, you can pick your own hours. Some openings are in offices that may be minutes from your house. Try us. Your earnings will be excellent.

Our benefits are on a VIP scale, too—weeks-long vacations, 12 paid holidays, generous insurance and all-providing hospitalization.

Please apply any weekday
9:30 A.M. to 3:30 P.M.
at our Personnel Dept.

SECRETARIES TELLERS
PART-TIME TELLERS & CLERK TYPISTS

Bank positions for VIPs

At First National State Bank the red carpet is out for Very Important People. We're especially partial to capable secretaries and we show our regard in a dozen different ways — a handsome salary and a chance to earn more in higher positions; interesting assignments; grand people to work with. Won't you let us treat you like the VIP you are?

Are you a VERY IMPORTANT PERSON? If your experience adds up to the career you deserve? If you're doubtful about your chances to move ahead, consider what we have to offer. An excellent salary and a wide horizon for future growth. You're a VERY IMPORTANT PERSON? It's our reckoning and we view your career with us in that light.

Housewives, retirees—you're high on our list of VIPs. If you can spare some time for us as a part-time teller or clerk-tylist, you can pick your own hours. Some openings are in offices that may be minutes from your house. Try us. Your earnings will be excellent.

Our benefits are on a VIP scale, too—weeks-long vacations, 12 paid holidays, generous insurance and all-providing hospitalization.

Please apply any weekday
9:30 A.M. to 3:30 P.M.
at our Personnel Dept.

First National State
BANK OF NEW JERSEY
650 Broad St., Newark
Equal Opportunity Employer

SECRETARY

If you have 4-5 years experience, enjoy a challenge and can stand the pressure of working on your own, we may have just the job for you existing a high level executive.

If you are qualified you will receive a good salary and excellent benefits including Blue Cross/Blue Shield, Major medical, dental, prescription and life insurance coverage.

Interviews daily at our first floor employment office between 9 A.M.-4 P.M. No appointment necessary.

Now get Howard powered in three unbeatable ways!

An unbeatable 6.27% effective annual yield on 2-5 year Time Savings

An unbeatable 6% effective annual yield on 1 year Time Savings

An unbeatable 5.20% effective annual yield on Regular Savings

6% 5 3/4% 5%

SAVINGS BANK

the Howard

Member FDIC

For safety, convenience, flexibility and yield--get Howard powered.

On Time Accounts--
Minimum deposit only \$500. Additional deposits of \$500 or more (this may extend your maturity date; ask for details). Interest guaranteed to maturity. Maturities fall on the last business day of the month in which the account matures. Quarterly dividends on two to five year accounts, monthly on one year accounts. Accounts are subject to FDIC regulations, of course.
Open your unbeatable savings account at any of these offices or by mail.

Coming soon to Closter
Telephone 643-1000 for all offices

On Regular Accounts--
Monthly dividends. Interest credited from day of deposit to day of withdrawal if you leave at least \$10 in till the end of the month.

On all accounts--
Dividends mailed to you on request, if your balance is \$2500 or more. Effective annual yields apply when dividends are left on deposit for the full year, because you get interest on your interest.

ONE-STOP-FAIR — Mrs. George Manning, Jr. of Belleville, outgoing president of the auxiliary of the North Essex Child Guidance Clinic, Mrs. William Darden of Nutley, steering committee member and Mrs. John F. Goodson of Nutley, new president of the auxiliary look over a poster announcing the June 2 "One-Stop-Fair" which will benefit the clinic.

Dinner to Honor Retiring Principal

Thomas C. Gryzka, principal of School Eight, Belleville, since 1956, has announced his retirement at the end of the current school year. For 47 years, Gryzka has served the Belleville school system as teacher, teaching principal and principal of Schools Three, One and Nine, before coming to School Eight.

Tickets at \$13.00 may be purchased through any of the School Eight faculty members.

Dinner Committee includes Mrs. K. Strick, Mrs. B. Tague, Mrs. E. Arthur, Mrs. J. Broo, Mr. M. Harvey, Mr. J. Tortorello, and Mrs. A. Grasso.

Landscape Bids Awarded On Turnpike Face-Lifting

The New Jersey Turnpike Authority has awarded two low bids, two major landscaping contracts in Bergen and Hudson Counties in keeping with its beautification program.

At Interchanges 16E, 17 and 18E, along the easterly alignment of the Turnpike in Secaucus, Hudson County, the Authority has contracted for the planting of 372 deciduous trees, 968 evergreen trees and 851 deciduous shrubs at a cost of \$66,012. Many of the trees and shrubs are of the flowering variety and all plants have been carefully selected for their ability to withstand environmental conditions in this area.
