## Exit — Class of 1973

**THEY'RE OFF** — The senior boys of the Class of 1973 stage a "spontaneous" demonstration at the close of graduation ceremonies. Within seconds, the graduates had cleared the field in Municipal Stadium and were on their way into the future beyond Belleville High. (More photos next week).

Diplomas were awarded to 379 members of the Class of 1973 Tuesday evening as officials, parents and friends attended drastically shortened ceremonies held under threatening skies at Municipal Stadium.

The class was presented by Principal Raymond O. Smith and accepted by Superintendent of Schools Anthony Greco.

Class President Rudolph Petrole served as announcer for the presentation of diplomas by Board of Education President Lawrence Schwartz and Vice President Caesar Romano.

Valedictorian Susan Winship and Salutatorian Donald Messina, along with honor student Mark DiQuattro delivered addresses based on Belleville High School and the passage of time. Looking ten years into the past and projecting a decade into the future, the three took stock of the school's progress and voiced optimistic predictions for the future.

The High School Band under the direction of Frank Scelba performed "Pomp and Circumstance" and "Oye Como Va," among other musical selections.

A list of donors to various scholarship funds was read to the assembled well-wishers. Among the beneficiaries listed by Principal Raymond O. Smith was the Class of '73 itself, who donated a check for the purchase of picnic tables, so that future classes may spend lunchtime outdoors in the Spring and Fall.

Board of Education maintenance crews worked throughout the day and into the night preparing and breaking down the elaborate platform surrounded by scores of American flags in the center of Municipal Stadium.

To avoid the seemingly imminent threat of rain, speeches by officials at the ceremonies were either

eliminated or cut short. The rain, fortunately, never came.

Valedictorian Susan Winship, in depicting the years spent by the seniors at Belleville High School, quoted Charles Dickens' "Tale of Two Cities" — "It was the best of times, it was the worst of times. It was an age of wisdom, it was an age of foolishness..." "Each of us can look back over the preceding years and recall a kaleidoscope of events both humorous and sad and times of successes and failures."

She enumerated the "firsts" enjoyed by the Class of '73 — on the academic and athletic levels, and in student travel (the Bermuda Band trip and the overnight senior excursion).

Donald Messina took the audience back to 1963, when the High School was located on the corner of Washington Avenue and Holmes Street. He pointed out the landmarks of BHS history that occurred in 1963 — the founding of the Key Club, the athletic accomplishments in crew and football. He mentioned, however, that in 1963, Belleville High School was in serious trouble after having lost its accreditation two years earlier.

Projecting into the future, Mark DiQuattro saw the Class of 1983 in a brand-new school (to accommodate the ever-growing student body), or attending classes in split sessions. He envisioned freshmen returning to the High School (again, because of overcrowding in the Junior High School).

The 76th commencement at Belleville High ended abruptly and definitely when the last student received his diploma and the graduates faced from the field in a flurry of mopboards flung into the air.

## Coverage On Floods Wants Results Voided

**Is Coming**  
Flood insurance for Belleville residents living in designated areas will be available "in a few weeks," Town Treasurer Francis McCoy said this week.

After waiting since filing in October of 1971 with the Department of Health and Urban Development, the Town is about to be officially sanctioned by the Federal government as an area entitled to low cost flood damage coverage.

Since the initial filing, Mrs. Senatore and other town officials have been kept busy supplying Federal authorities with detailed maps, been kept busy supplying Federal authorities with detailed maps, charts and descriptions of Belleville's flood-prone areas along the Second, Third and Passaic Rivers.

Homeowners will soon be able to purchase the insurance from local agencies after the government officially gives the green light for sale to Bellevilles.

The coverage comes under the National Flood Insurance Act of 1968.

## Senate Files Election Protest

by Ken Moore

Mrs. Mary Senatore, defeated by Harrison Tax Assessor Gregory Castano June 5 in the primary election for the Democratic State Senate nomination in the 30th District filed a petition in Superior Court last Thursday to have Castano's win declared "null and void."

Mrs. Senatore carried out a threat first made on election night when the unofficial tallies showed she had lost the 30th District by a vote of 8,971 to 7,666. Mrs. Senatore charges Castano is "not a true representative of the District since he owns a home in West Caldwell and lives there with his family."

A hearing on the matter has been set for July 16 before Superior Court Judge Ervin S. Fulop. Castano was given 10 days to file his own brief, although as of Tuesday, he reportedly had not been served any papers.

Castano declined to comment on the Senatore charges Tuesday, saying it was "inappropriate" since the matter is

now before the court, but during the election campaign he defended himself, saying a candidate is entitled to have two residences, designating one as a main residence. Castano never denied he held two residences, and said he

Gregory Castano  
His Win Contested

filed three years ago with the Superior Court of Elections to designate the home in Harrison as his main residence.

Castano admits he and his family live in West Caldwell, outside the 30th District, or that his parents occupy the home at the Harrison address.

Mrs. Senatore hopes to gain a new election out of a favorable ruling, but at least one interpretation of statute 18-13-30, amended by the Legislature in December of 1972 holds that if the election were to be nullified, a new candidate to replace Castano would be selected by a meeting of the county committee, representing the affected areas (in this case, Hudson and Essex Counties).

The overriding issue involved in the controversy, however, is not Castano's residence, but the future of the Democratic Party in the

## Library Establishes Summer Story Hours

The Belleville Public Library, 221 Washington Avenue today announced plans for two special summer story hours.

For children four to five years of age, there will be a preschool story hour every Tuesday at 10 a.m., starting June 26 in the Children's Room. Activities will include stories, songs, games, films, and puppets. No registration is necessary.

For children six years and older there will be a unique picnic story hour every Friday at noon starting June 29, outside the Children's Room of the Belleville Public Library, 221 Washington Avenue. Children are invited to bring their lunch to eat while listening. Juice and cookies will be provided for all who attend.

Stories will appeal to all ages ranging from those of Dr. Seuss to shoddy tales, with an occasional puppet show.

In case of rain the picnic story will be held indoors. No registration is necessary.

## Golden Comments

By James R. Golden

How sweet it is to learn that Jackie Gleason, absent from TV for the past three years, except for an occasional golf tournament showing, will come out of retirement to star in a Fall special on CBS. Gleason called his scheduled return "beautiful," saying he would do Kramden, Reggie Van Gleason, Joe, the bartender, dance, sing-do everything."

Redd Foxx, Slappy White and Garry Merrill will appear with Gleason as guest-stars. Gleason remarked that after three years of fun golf playing and touring Europe, he feels like working. We will all welcome the big funny fellow back on the "boob-tube."

Pope Paul VI has named the Most Rev. Jean Jadot, a 63-year-old Belgian priest the Apostolic Delegate to the United States.

The Belgian priest, who is now the Apostolic Pro-nuncio in Cameroon and Gabon, will be the first non-Italian papal envoy to this country.

Because the United States and the Holy See do not have formal diplomatic relations, the Apostolic Delegate has no official diplomatic rank in Washington.

Traditionally, however, the delegate maintains contact with the White House and the Government, and reports

## Before Deciding Project

## Junior Woman's Club Wants Your Opinions

The Junior Woman's Club of Belleville is currently soliciting opinions from town residents to determine the most pressing problems currently facing Belleville.

The results of the survey will be used to help determine the next Community Involvement Project to be undertaken by the club, which will also be co-sponsored by the Federation of Women's Clubs and Sears, Roebuck and Co.

However, the basic thrust of the survey and any action resulting from the findings, will be local. Mrs. William Sayegh, who is heading the study with Mrs. Carol Giuffrida, said, "since this is a community project, the club decided to take the question right to the people instead of simply deciding among

ourselves which project to undertake."

Mrs. Sayegh said the responses to the questionnaire will be studied and discussed throughout the summer, so that the project can be begun in the fall.

"I'm sure we'll find something that is uppermost in people's minds. If it seems to be a big project, we may join with other clubs in town to work on it," added Mrs. Sayegh.

Residents are urged to fill out the questionnaire reprinted here and send it to Mrs. Sayegh at this address:

## Summer School Signup Deadline Draws Near

Registration deadline for Belleville summer school classes for makeup, grade improvement or enrichment is tomorrow, and the last day for registration of grade six students will be Saturday.

Classes will begin Monday, June 25 and will run until August 3. Completed registration forms and fees will be accepted by summer school director Ernest Musmanno today and tomorrow from 2 p.m. at the Senior High School, room 218. All grade six students may register Saturday from 9 a.m. to 2 p.m. in the main lobby of the High School.

The two computer classes will remain the same as last year for makeup and grade improvement courses — \$50 for one and \$75 for two. A subject taken for enrichment is priced at \$25 for one and \$40 for two. Grade six students will be charged \$20 for one subject and \$30 for two.

The curriculum is varied and covers all major areas of study: English, mathematics,

## Computer Act Debuts Soon At Town Hall

The first of two mini computers is slated to go into action this week at the Revenue and Finance Department of Town Hall, according to Town Treasurer Francis McCoy.

The two computers, purchased from National Cash Register for \$65,000, will be eased into the Town Hall routine. McCoy said it will take a year to fully convert to the computer system. "We don't want to rush into it all at once like other towns have with bad results."

The computers will be used to speed up a variety of clerical operations in the department.

science, and social studies will be offered for grades 6-12. Spanish, Latin, French or Italian will be available for grades 7-12 only. If enough students register, classes will also be offered in typing, bookkeeping, stenography, business law and other business education subjects.

Courses for makeup are given if a student fails in the year and wishes to pass the course and earn credit.

## Pugilism Seen Alive and Well; Coming to Municipal Stadium

Boxing isn't dead. It's just been taking the mandatory eight-count.

A group of retired fighters are going to show the public there's still a lot of life left in the age-old sport next week

when they stage what promises to be the biggest and best boxing event in Belleville in 39 years.

At the same time, there's still a lot of life left in the age-old sport next week

New York and New Jersey on Friday, June 29 at Municipal Stadium will generate funds for three worthy charities, two of them based here in town.

The group setting up the night of bouts between the top

young fighters of two states is a group of the top old fighters from this area — the Veteran Boxers Social Club of New Jersey. Their numbers about 50 active members, many of them from Belleville, and they meet regularly at the home of Presidents Ernie Ratner on Malone Avenue here in town.

"After we had decided to donate the proceeds of the fights to charity," said Ernie, "several of us fellows from Belleville — there were about 11 or 12 of us at the meeting — said we thought a couple of the charities in receipt of proceeds should be Belleville organizations. So we decided on the Craig Fabian Fund and the Cerebral Palsy Center. Then we were told the Little Sisters of the Poor are in a little trouble — their homes are very old and they're going to lose a couple — so we decided to donate some of the funds to them also."

The attraction on June 29 will be two-fold: the old and the new. Besides the 12 three-round fights between New York and New Jersey Golden Gloves, the audience will be treated to appearances by some of local boxing's most famous names.

Among the ranking pugilists of yesteryear will be

# YMWCA Youngsters Display Their Talents

The Suburban Unit, YMWCA presented a dancing and piano recital at Fewsmith Memorial Presbyterian Church Monday, June 17.

Budding ballerinas, talented tap-toesters and promising pianists performed for approximately one-

hundred parents and friends. The youngsters have been taking lessons each week under the YMWCA program and there were beginners, advanced, private and individuals on the program, all who elicited a hearty response from the audience.

Miss Kathleen Sheridan

taught the dancers, Miss Donna Tsouhnikas, the piano. Each teacher did an individual solo performance at the close of the evening.

One dance team consisted of three sisters - Sharon, Mary and Cathleen Callahan, daughters of Alice and Jim, and Lisa Piserchia, daughter of Helen and Anthony.

Henry, "Hank" Burden, director of the Suburban Unit YMWCA was on hand to greet the parents. After the program, refreshments were provided.

## Kearny Man Fined for Pot

James Morella, 23, of 14 Midland Avenue, Kearny, was fined \$300 June 13 in Belleville Municipal Court for marijuana possession.

Judge Edward Abramson imposed the fine following Morella's arrest March 26, by officer Patrick McCabe.

## Resident Graduates Annapolis

George E. Kondreck of 53 Van Houten Place, received a bachelor of science degree and was commissioned a second lieutenant in the Marine Corps after graduating from the U.S. Naval Academy here.

He is a graduate of Essex Catholic High School.

'Talking Doll' - The McCully Chapter of the New Jersey Bell Telephone Pioneers of America recently donated a 'talking doll' to the Speech Department of the Cerebral Palsy School in Belleville. The toy is equipped with a two-way radio which allows a therapist in another room to speak to children through the doll. Dave Davis of Newark, Stephanie LaBella of Bloomfield and Walter Sari, president of the chapter, listen intently while therapist Mrs. Sylvia Friedman demonstrates. Russel Bridge, chapter treasurer, smiles approval.

## Garden Director Speaks to Class

Robert Stepney, executive director of the Essex Child Development Center (Garden School) Belleville, was guest lecturer Wednesday during a regular session of "INTRODUCTION to SOCIAL WORK" a course taught by Emma Quartaro, coordinator social work planning, Seton Hall University.

Stepney discussed mental health services for children with emphasis on the special needs of the children of New Jersey and answered questions about the social work issue in this state as well as the latest developments in the National Association of Social Workers.

Both laymen and the professional members of the community were invited to attend. The course, offered in the evening to accommodate people employed through the day, has attracted a mixed group of young, not-so-young, new comers and highly experienced personnel in the fields of nursing, psychology, and social work.

## Teens Start Tonight With One-Act Plays

The teenage summer theatre workshop, under the direction of Robert Lefebvre, English teacher at Belleville Junior High School, assisted by Mrs. Carolina Furno and Mrs. Cynthia DeBontis and sponsored by the YMWCA, Suburban Unit, will hold their first production this evening, featuring a series of one-act plays.

"Run Thiel Run" and "Goodnight Caroline" are produced by special arrangement with the Dramatists Play Service Inc. of New York. "The Lesson" and "The Mice Have Been

Drinking Again" are produced courtesy of Samuel French Inc. New York.

"Run Thiel Run" is a suspense thriller, starring Shawn McCabe, Richard Cavanaugh, Mary Ruth Cavanaugh and Patti Klinger, with Mike Palazano as student director and June Wagner, stage manager.

"Goodnight Caroline" is a comedy and features Hermonio Gionio, Joe Sutula, Donna Jacobelli and Anthony Nicotia. The student director is Diane Williams, with stage manager Nancy DiMaggio.

"The Mice Have Been Drinking Again" is another comedy with Stephen Donald, Pamela DiPasquale, Jeff Dooley and Joe Sutula. Debié Long is the student director and Nancy Long, the stage manager.

"The Lesson" is a comic drama with Kevin Gauspohl, Patti Connolly and Vivian D'Alessandro.

June Snyder is the student director with Barbara Simone, student manager. "The Lesson" will join the lineup of plays on June 28.

Six performances will be held, June 21, 22, 23, 28, 29 and 30, all at Montgomery Presbyterian Church, 638 Mill Street. Showtime is 7:30 p.m. for all performances except June 23, which will be at 2 p.m. Tickets may be purchased at the door and are \$2 for adults and \$1 for youngsters.

On Thursday evening, June 28, the performers will be judged by well-known Bellevilleites and awards will be presented in various categories.

Any junior or senior high youngster interested in participating in the summer workshop for future productions, may contact the YMWCA, 751-5420.

## Belleville Girl Is Selected To Spend Fall in England

Miss Mary E. Beischer, daughter of Mr. and Mrs. Philip Beischer of 59 Campbell Avenue in Belleville, has been chosen to spend the fall semester 1973 abroad in England. She is a 1971 graduate of Belleville High School.

Miss Beischer has been attending the Fashion Institute of Technology in New York City in the two-year Buying and Merchandising program. She has been in the Merchandising Club and on the Dean's List since she enrolled in FIT in January of 1972.

To apply for the semester in England, it was necessary for the students to submit an application to a special com-

mittee supplying grades, school and community activities, and an essay on what they hope to get out of the London term. From these applications, semi-finalists were selected and finally after interviews, four students were chosen to attend the College for the Distributive Trades in London in the Management Department.

As far as future plans are concerned, Miss Beischer would like to seek employment in the merchandising division and also continue doing volunteer work. She is presently a volunteer at Clara Maass Hospital and a member of the choir at St. Mary's Parish in Nutley.

## Wise Owl Nursery School Plans Summer Workshop

Wise Owl Nursery School (617 Washington Avenue, Belleville) is making plans to reopen its Summer Arts and Crafts Workshop for children ages three to 10. Nancy Spatola, who instituted the workshop last year, will again be heading up the program. An open house is scheduled for next Wednesday and Thursday.

The course is a combination of learning and play and those children who took part

in the program last summer would probably agree that it's a happy combination. Most of the two and a half hour session spent introducing the children to a wide range of crafts, including ceramics, sandcasting, clay sculpture, candle-making, paper mache, origami, sand painting and many, many more.

After a refreshing snack for everyone, the younger children break loose for free play and story times while the older ones try their hands at a new craft, sit down for an art lesson, or enjoy the opportunity for free self-expression. And of course all the children make good use of the nursery school facilities - large playrooms filled with toys for all ages, a puppet theatre and the children will staff themselves, a library of children's books, and a large, sunny yard complete with slide and sandbox (which, incidentally, is the setting for a few of the more adventuresome crafts).

"Miss Nancy", as she is known to her Wise Owl students, is an expert in the field of arts and crafts, especially those which can be

most enjoyed by children. The weekly crafts which are a part of the nursery school curriculum have been a major source of her "on-the-job" training. "Creativity is a natural, spontaneous trait in most children," she says, "but it must be sustained and nourished in our sometimes too logical world. The best nourishment a child can get is the materials to work with, a push in the right direction, and respect for what he creates."

And this year, due to its expansion, Miss Nancy will be getting a professional assist from Theresa Wester, a graduate of Newark State College and a teacher at Wise Owl Nursery School for the past year. Miss Terry should be a great asset in lending her training and knowledge toward helping the children get the most out of their craft and play experiences.

Anyone who is interested, either in joining the workshop or just looking at the various crafts which will be on display, should drop in at Open House on June 27 and 28 from 2 to 5 p.m. or call 759-6155 for more information.

## The Democrat Mr. Byrne

Democrat voters selected former Superior Court Judge Brendan T. Byrne as their nominee for the Governor's chair at the November election.

Brendan Byrne won a major victory competing against formidable foes, Essex County State Senator Ralph DeRose enjoyed a substantial and broad-based support among organization Democrats, Assemblywoman Ann Klein of Morris County achieved a remarkable vote because of her industrious campaigning and eloquence in expressing her stand on issues of immense interest to the voting public.

Despite the aggressive campaigns of Mrs. Klein and Senator DeRose, Brendan Byrne walked away with the election and now is considered a favorite to win the Governorship in November.

Mr. Byrne achieved this status without taking clear-cut positions on campaign issues. It will be different in November.

Republican nominee Congressman

Charles Sandman is a forceful advocate in the things he believes. Congressman Sandman is a tough foe and relentless in his pursuit of the opposition.

There are some political pros predicting a landslide Byrne victory. Maybe so. As President Nixon has learned through the crucible of battle, the summer "victory" could very well be a winter defeat.

It is our judgment at this writing Charlie Sandman is the underdog. However it is known the American voter often times embraces the underdog and rejects the favorite. It remains for Mr. Byrne to convince the November voter that his June popularity and appeal remain just as valid in the winter time.

## Energy and The Future

If inflation is currently the nation's number-one domestic problem, the energy shortage is probably the number-one long-term domestic problem. And it seems clear the federal government must move on several fronts to insure adequate energy for the American people in years to come.

Since there's little time to lose (a start should have been made several years ago), the Nixon Administration, it seems obvious, should mount an all-out effort to produce within this country approximately ninety per cent of the nation's energy needs because national security demands that we not become overly dependent on foreign oil.

To accomplish this more cost must be

mined, and used. We have more than ample reserves. More oil and gas must be produced in this country, some perhaps on federal lands. More nuclear power must be developed. Conservation should be preached and practiced, and engines burning less fuel and producing less pollution are desirable for our automobiles. These are general goals almost everyone agrees on; it is now up to the Nixon Administration to have them translated, by experts, who appreciate that the public interest and national security are our primary consideration, into a practical program. How the President meets this crying need will, at least in part, determine history's judgment on his second term.

## Cutting Calories

In a recent issue of "Reader's Digest" Ann Williams-Heller offered readers tips for reducing the intake of calories. Because so many Americans face a weight problem, which can affect their health, the best tips are worth repeating.

A salad dressing which reduces calories by 60 per tablespoon is made of a cup of tomato juice, half a cup of bouillon-cube broth and unseasoned grapefruit juice, with half teaspoon of garlic powder, a dash of Worcestershire sauce and red and white pepper to taste. One serving of this salad dressing, chilled and well shaken, is only six calories.

Meat is preferably broiled, roasted or braised, not fried nor coated with bread crumbs or eggs; it can be improved by basting with club soda or wine (no alcohol

remains). A reducer's gravy can be made by wrapping a cube of ice in cheesecloth, which is swished around in the meat's liquid; the fat solidifies on the ice cube and is lifted off.

Another calorie-saver is pricking the skin of fat poultry with a fork before roasting on a rack; the fat pours out and the process is helped if cooks baste the fowl once or twice with hot water while cooking. This will also help produce a desirable brown color.

Other tips, such as drinking skim milk rather than whole, buying water-packed fruits, vegetables and fish when possible, using less fat, eating high protein foods and less refined sugar and sweets and starches, etc., can make you and other Americans healthier, and live longer.

The Belleville Town Commission would test the power of Commissioner Robert Laterza, when it would vote for the final time on two bills of major importance to Belleville. The bills would call for all municipal employees to be legal residents, and to siphon funds amounting to \$18,500 from the capital improvement fund, in order to purchase a new ambulance for the Town. The board was expected to vote unanimously in favor of both bills.

The Rev. Gerald J. Rounds was established as the new pastor of the Wesley United Methodist Church in Belleville. He came to Wesley from the Montvale Methodist Church, where he had served as an associate pastor.

The Tuttle Peace Center planned to picket ITT on Washington Avenue in Nutley, for its activity in war industries. The rally was to include a speaker labor union movement, and a vigil for the Indo-Chinese dead. All was part of a major operation to bring to the public eye the atrocities of the Vietnam War.

A census showed that 290,000 people in the northern New Jersey area have television sets, and that more than 90% of them watched them more than ten hours a week.

William Barelo was found guilty of assault upon a detective in the Belleville police force, while in Police Headquarters. The Police had picked Barelo up originally, when Dr. Frank Noonan of 272 Holmes Street pressed fraud charges against him. These charges were dismissed by Judge Abramson when Noonan and Barelo agreed to settle the matter privately.

Ten Belleville fourth grade students and four chaperones were involved in an accident in the Lincoln Tunnel. The bus had stopped for traffic mid-way through the tunnel when it was struck from behind a tractor trailer. The bus had apparently then slid into a passenger vehicle in front of it.

Arnold Palmer, who had already set a record the year before by becoming the first man ever to win the Thunderbird Open Golf Classic would attempt to complete the hat trick by copying the open for the third time running. Palmer was expected to win more than \$30,000 by taking the event.

Charles H. Crockett was appointed vice-president of manufacturing, Chicago and Belleville, for the American Tag Company. He had previously held the title for Belleville only. Crockett was fully responsible for all manufacturing operations for both the Western and Eastern plants, one of the top jobs in the company.

The Clara Maass Memorial Hospital Nursing School held a seminar dealing with critical nursing shortage, which extended all over the New Jersey and New York metropolitan areas. The seminar was scheduled to last three weeks, and would feature speakers from all over the area, covering both the medical and administrative angles of the problem, and the possible solutions to it.

Seven Belleville youngsters, in a fit of philanthropic piety, held a carnival for the American Cancer Campaign. The boys had been given information about the dread disease in their classroom, by their teacher, who was a coordinator in Belleville for the 1963 Cancer Campaign.

U.S. Marine Corps recruit, Technical Sergeant K.D. Leibolt, and his comrade Naval recruit, L.R. Kraszyk, announced

renovations on their mutual offices in the Bloomfield Post Office. The office had been open only three days a week previously to the renovation, but now would be open five days a week, and a half day on Saturday. This news was received with cheers by the Belleville residents who were being processed through their office. It was now felt that they would be better able to serve people in the area.

Sergeant Leibolt and Kraszyk, in a news conference later this week, offered the opportunity to all Belleville young men to swell the ranks of those hurrying to their office to find out about enlistment benefits. "The patriotism of the young men in this area is astounding," Sergeant Leibolt stated.

More than 1,000 persons in the Belleville Nutley area took advantage of the free chest X-ray, held in the two towns. The event had been sponsored by the Belleville-Nutley Tuberculosis Association. Nutley reported more than 600 men and women had taken part in the program, while 400 Belleville residents had allowed themselves to be X-rayed. The program was part of a larger nationwide one in order to help spot tuberculosis and other lung and chest ailments before they reached the fatal stage.

# She Blasts At 'Bossism' In Election

To the Editor:

This is an open letter to the voters of Belleville.

First of all, I would like to sincerely thank the thousands of voters who came out to support the entire A line in the primary election. It is always difficult to get citizens to come out to vote on a Primary Day. For the first time in history of our town over 6,000 citizens of both parties came out to vote. However, it is a sad commentary on the apathy of our citizens that out of 19,107 citizens registered to vote, only 6,342 voted.

Our campaign for the election of the A line was run extremely well, with malice towards no one. Unfortunately the minority group, led by a Stephen Newsome, desired run down Belleville with dirty politics.

Three days before election a letter was sent out by Newsome alleging that we were elected State Senator without the earnings \$2,500 a year, when he knew well that I had issued a release stating I would resign my position as Secretary to the Essex County Planning Board of \$10,600 a year.

His lies only helped towards my "victory in Belleville." When he saw that I could not support a candidate from Belleville out of Hudson County, as I do not reside in the district I can only feel his unconcern for our Townpeople.

The Hudson County machine who sought to defeat our A line in the Primary used every sort of Nazi tactics that I ever saw in my 18 years in politics to defeat us.

Our contest ended, but for any of us running in Hudson, had to be held outside of the District because of the constant fear they are faced with daily through the "Hudson Bossism."

I firmly feel Hudson County does not belong with Belleville as a District and I urge all voters of Belleville to write your legislatures to redivide Belleville out of Hudson County, as this war will be held every two years with Belleville citizens always on the end of the stick.

My opponent, in the primary, has admitted that he does not live in Harrison, but votes from his father's home. He has admitted he lives with his family at 19 Sunset Road. I feel this is illegal, as I could do the same, get an apartment in Bloomfield, use the address and run in another district. It is wrong; that is why I am contesting this election as I feel a judge has got to decide once and for all if a person has the right to vote from his domicile or residence.

Lastly, I can never forget the enthusiasm, the effort and energy that what existed on the A line behalf, as well as the candidates on the A line. To all who participated, please accept my sincere and humble thank you.

to the Vatican on American affairs. Father Jadot replaces Luigi Cardinal Raimondi, who is now in charge of the Vatican department that investigates candidates for sainthood.

Guests at the christening soiree of Fire Captain Leo Killen's new son, Leo Killen, Jr., besides enjoying themselves at a very convivial party had an opportunity to witness the devout dedication of some of Belleville's own fire ladders.

When the alarm of a large scale fire came in on the two fire hand trucks turned out to both Newark and Belleville, which is turned on during all off-duty hours the Captain is at home, blared out the message alerting the Belleville vamps of the location and nature of the conflagration; Captain Killen, members of our fire reserve and Civilian Defense Director Jimmie La Motta who were present as guests immediately excused themselves, donned their rain gear, dashed out in the heavy downpour and took off to the fire that the Belleville forces were helping the Newark fire-fighters control.

Their wives notwithstanding their accustomed familiarity with these emergencies, courageously displayed an outward calm, despite the natural concern and tenderness aroused within them over the safety of their men, under such hazardous conditions. Returning to the party about an hour or so later, drenched, disheveled and reeking of smoke, returned these truly dedicated men who so readily respond to the call of duty. Needless to say, their wives' faces bore the reflection of relief in the knowledge of their men's safe return from another bout with the destructive elements of fire.

To personally observe this deep dedication of our fire buffs is inspiring and the alarm signal is sound.

Surprising is the transformation of Commissioner Vinnie Strumolo's old snack bar on Franklin Street, in the Silver Lake section of town, into a sumptuous restaurant called Sperduto's which features Italian cuisine in the most enticingly environment served by pretty Beverly Yoshida and prepared by Angelo, the chef. The address is 80 Franklin Street. It must be a good spot, since the Commissioner, no longer in that business, eats there himself at times.

Jupiter Pluvius, the rain giver, certainly has put the kibosh on many planned Spring time events. Memorial Day ceremonies, back yard barbecues and major sporting events.

It seems very strange to me that almost every time they shoot those astronauts or Skylabs into outer space we get drenched with unprecedented deluges and unending rains.

I don't know how the scientists feel about it, but I sure am of the opinion that these blasts into outer space may have something to do with it. What do you think about it?

THE BELLEVILLE TOWN COMMISSION by a 3-1 vote has granted Belleville Town Treasurer Francis McCoy a raise effective January 1, 1974. Mayor Joe McGreevy opposed the increase on grounds that as Director of Revenue and Finance he alone has the authority to grant raises to Town employees assigned to his department. Town attorney John Scott

McCoy is one of the smartest municipal finance men actively engaged in the business. He does more than just oversee the keeping of books and records. His knowledge of fiscal affairs, his special knowledge of Belleville finances substantiates special consideration for McCoy.

Student Symposium

# Was Death of Mini-Courses Caused by Budget's Rejection?

By Robin Bressman

Very recently, it was confirmed that mini courses would be available next year for those students interested in replacing the traditional English and History majors.

of the Drama, Modern Economic Inquiry, Modern Social Inquiry, Political Systems, and Modern International Crisis were to be on the agenda for History.

The students had responded quite happily when schedules were finally made out and many chose mini's as a replacement to the once mandatory courses. Nothing was said to the students after they had made the selections and each was confident of what the following year was to be like.

However, it had been made known to the students last week that these new courses were to be cancelled, and guidance was the center of mass confusion as students poured in from out of classrooms on request, in order to make the necessary changes.

Many means could be heard by the students and the general attitude of both students and counselors was of complete disgust.

Being one of the students, I find it very depressing to have been promised these courses only to have them taken away before getting a taste of them. It is not in my power to state the exact reasons for this unfortunate situation, but school officials have implied the

cancellation of these mini's is definitely due to the lack of money to support them, a result of the town people voting down the budget proposal.

"We as students, are well aware that in order to have these courses, teachers must be paid, supplies and substantial facilities must be furnished, and Belleville High just doesn't have the money."

However, we, on the whole, should not be promised something which can not be granted. As of now, this is a problem, and it is revolving around the students, and no one seems to know why this is happening.

Money is the root of many a problem, this being one of those, and it always has been a problem; as it probably will continue to be.

But, someone has to tackle it, not alone, and not with a few, but with everyone. The town of Belleville was able to get together on election day, at least enough to vote against the budget. Why can't the same amount of people take a good look at their kids, the ones attending school, and the ones who have yet to start. Then, maybe one person will take the initiative to rectify the situation, and possibly

others will join in the action.

Until then, we will continue to get hurt, and disappointed, and as long as this one promise has been broken, as others have been in the past, more disappointment is sure to follow. Who has it in his power to correct this, is beyond me, but I know that someone can at least make a reasonable and decent enough effort to try.

However, they are all appreciated for contributing their valuable time and effort to the page and I wish to thank them all for making my work a lot easier to tackle!

Thanks again, Robin

SEE YOU AGAIN IN SEPTEMBER!

## Letter from Graduate Asks Help for BHHS

by Joan Petti

What seemed to be four endless years has now come to a rapid end.

The class of '73 has seen many changes during its high school years. We have witnessed the changing of the dress code, the opening of the senior lounge, walk-outs of the student body, and occasional civil gym classes. The class of '73 itself has been the first to take a successful overnight class trip and as juniors changed the traditional place for the prom. On an international basis, we have witnessed the momentous welcoming home of the P.O.W. Martin Frank and the end of the Vietnam war. For the first time, we as 16-year-olds are privileged to vote, so we have already seen that it is a rapidly changing world and society.

Belleville High has offered plenty to some students and to others it has offered very little, depending upon the individual. It is my hope that in the future Belleville High will expose its students to many more academic and extra-curricular programs. Already, the administration and faculty are at work offering new courses such as a special course working behind the scenes on the yearbook staff. Instead of the standard English and History courses, there will hopefully be several diversified classes offered in their place. The administration has taken definite steps in widening the curriculum.

The high school has great potential which should be recognized. It appears that the students and teachers are not as involved in school activities as they should be. Certainly the school offers a

variety of sports, some of which have received great recognition, such as the wrestling team. Although some clubs are active, many lack interested members. Class leaders should take the due responsibility of trying to initiate new and different clubs and motivating the existing ones. Involvement in more activities would cause the students to have a greater feeling of oneness and help contribute to his education. A high school education through the college is therefore more emphasis should be placed on student relationships and accomplishments through cooperation with other students.

The administration, Town Fathers, parents, and taxpayers should realize that they are molding the future society. It is their responsibility to see that its adolescents receive a proper and fulfilling education. The school and its students have the potential. The decision rests with its leaders whether to take the initiative to recognize the areas of change, or not. It is the people of the town who mold the town government and the administration of the schools.

Belleville High School has many things to offer its students and it is the responsibility of each student to seek a substantial education. Participation of the students would demonstrate to the administration interest and if the students seek change, the administration will become more aware of their needs. It then depends upon the administration and the Board of Education whether or not these needs will be provided for.

## Home Ec 11 Is One Course To Offer Food for Thought

by Robin Bressman

This year, Vocational Home Economics 11 has been taught.

Instructed by Mrs. Elizabeth Agnoli, this course has one advantage over any other in Belleville High, and that is, you can eat what you learn, literally.

Students of Mrs. Agnoli's third and fourth period class have displayed great enthusiasm and extended interest. Says Gay Masterson, one of two boys in the class, "I love Home Ec., Why not I love eating."

Other students taking the course are Ethel Barletta, Joell Casale, Laurie Codomo, Camille Gigerelli, Rose Marie Giordano, Sharon McCarthy, Linda Micchelli, Mary Ann Slater, Kathleen Smith, and Glenn Sutton. Practically all of these students either have jobs now, relating to the course, or plan on future employment in the field of Home Economics. For instance, Ethel Barletta and Laurie Codomo are waitresses, Joell Casale, Glenn Sutton and Kathleen Smith are employed in a nursery. Sharon McCarthy works at the Y.M.C.A., and Gary Masterson simply "cooks at home."

This class performed many duties that enabled them to get "on the job training," says Mrs. Agnoli. Her class spent about one-third of the year assigned to the cafeteria to help with the preparation of food for both students and faculty, to see how food is prepared on a much larger scale.

A "Spanish Festival" was also given in honor of the Spanish classes, and the students were able to put their Spanish talents to work preparing such Spanish dishes as Tacos.

Very recently, a brunch was given for both students and faculty, where the students were able to cook for a larger number of people, serving the foods, banquet style. This was most successful.

Added to this, the class provided refreshments for clubs, such as the Belleville

Golden Adversary Club, and the Business and Industry Advisory Council.

Mrs. Agnoli stressed that the facilities at B.H.S. were excellent, and this was an important factor for a most successful year.

The many nationalities covered this year through foods were French, Russian, Chinese, Italian, Japanese, Spanish, German, and of course, American.

Inflation has been at a high this year, and Mrs. Agnoli chose to enlighten her students on how to control inflation in their own homes. Along with the sales class, under the direction of Mr. Ralph LaConte, Mrs. Agnoli took her class to three separate markets, and they got prices on many foods. Then, the prices were tabulated according to price per unit, and comparisons were then made between the assorted brands. A taste test was also performed on such items as chocolate chip cookies, brownies, and frozen pizza. Mrs. Agnoli stated that the results proved that one could not generalize, but it was imperative to try each brand, because the cheaper was not always the poorer tasting, as was the more expensive, not always the better tasting.

The students all agreed that the boys were equal to the girls and they were just as interested. Said one female student, "The boys are very helpful." Mrs. Agnoli added that "a class like this helps the kids to get along, cooperate with each other, and produce."

The kids are graded according to their tests, how well their notebooks are kept, and their over all effort.

Mrs. Agnoli stated that all were average or better in her class, and this was due to the non-apathetic attitudes that each individual had.

They all agreed they'd miss this class, as did Mrs. Agnoli, a teacher for eight years and Head of the department. "I will also miss the class of '73."

## Traveling Puppet Show Delights Local Youngsters

by Robin Bressman

Patricia Kimmel, presently a junior in Belleville High, as been performing the famous "Punch and Judy" play all over Belleville.

Working with puppets she constructed by hand, Patty visited schools Number One, Two, Three, Four, Five, Seven, Eight, Nine and Ten, and in addition, the Essex Child Development Center. Patty, however, started with Belleville High, going around to numerous classes during the day.

Patty first got interested in doing the puppet show this past October, though she has been interested in puppetry for many years, and she chose this particular play mainly because she felt it as being, "one of the most famous plays in the world." She went on to add that there are many

"Punch and Judy" plays, all different, and she chose three separate plays, then selected the parts she wanted and proceeded to compile them into one play.

There are many political themes to this play, but the main theme is one of escape. Patty explained that one other reason she chose this play is because it can relate to all audiences, simply because of its content. For children, it shows many funny puppets, hitting each other on the head. For adults, who will more naturally want to dig deeper than that, it shows a type of social development which involves people of all different types, engaging in all the things that people can't and don't usually do. Thus, showing the satirical side of life.

Patty got the designs for

A present of 30 caricatures was given to 30 seniors of Belleville High's period 5/6 gym class. "I wanted to give them a remembrance of their last year," states Mrs. Worley, gym teacher of the class.

The class gathered in a circle as Mrs. Worley introduced the artists Patty Snyder and Roseanne Palumbo, and then explained each caricature and had a class identify each one. Laughter and thank-yous were exchanged by all of the participants.

# His Profession Is Teaching English, But He Makes Theatre His Avocation

His profession is English; his avocation the world of the theatre. Since the fall of 1968, fresh out of Jersey City State College where he received his BA in Secondary English, Bob Lefelbline has been teaching ninth grade English at Belleville's Junior High School.

Bob was born in Elizabeth and raised in Linden, where

he graduated from Linden High School in 1964. His major subjects were English and Drama. Belleville citizens have flocked to the Jr. High to view "The Group" productions directed by Bob for the past few years, which includes "The Impossible Years," "Don't Drink the Water" and "George Washington Slept Here."

He was recently selected as

Bob Lefelbline  
Local Director

the director of shows for the YMWCA teenage drama workshops which hold rehearsals twice weekly. The first performance by the students will be held this evening at Montgomery - Presbyterian Church, 638 Mill Street, tickets available at the door. (Please check the Bulletin Board for future dates.)

Bob also wrote, produced and directed two mini-musical-comedies at JHS: "Peter Pan" (revisited) and "Three's a Crowd" of student performers. Quite active in little theatre amateur productions, his stage credits as a performer include: "The Odd Couple," "The Star Spangled Girl," "Barefoot in the Park" and many others.

Additional directoral credits are "Kiss Me Quick, I'm Double-Parked," "Good Night Caroline" and "The Lesson." When Bob has time for his hobbies, in addition to all aspects of theatre work, he likes to read, listen to records, write and paint.

He also found time recently to act as one of three judges in selecting cheerleaders at Madison Township Junior

High School for a friend and former teacher from our Junior High - Margo Marone. Bob feels that the stage is a great outlet for youngsters and an opportunity to "become involved" for those who are not "sports oriented."

He also feels that the theatre builds self-confidence and offers an opportunity for creativity in many areas for youngsters. "Appearing on the stage," Bob said, "is an inflexible feeling. You've been rehearsing, all of a sudden it's opening night and, all too soon, it's closing night."

Bob is like many "Sparkling Personalities" who goes beyond the call of duty and spends countless hours devoting his energies and talents towards building character in our youth.

Disappointments are inevitable if you have ambition or hope.

Too many people work themselves to death in an effort to retire.

# Resident Will Graduate Trooper Training Course

The 88th Recruit Training Class will graduate tomorrow at 1:30 p.m. at the State Police Training Center in Sea Girt according to an announcement today by Colonel B. Kelly, Superintendent of State Police. Frank Patrick McNulty of Belleville is among the graduating class.

Joseph P. Lordi, Prosecutor Essex County, will deliver the graduation address. Colonel Kelly will present the badges and Major Eugene Olaf will administer the oath of office. Captain Thomas Tyrrell, Training Officer, will present the class, and both the invocation and benediction will be given by Reverend John A. McHale, State Police Chaplain.

The new members will then be granted leave of absence until 9:00 a.m. Monday, June 25, when they will report to their assigned Troop Headquarters for their respective station assignments.

The ceremony marks the

end of the intensive pre-service training program which began on March 18. The probationary Troopers will not be placed under the

individual control of Trooper-coaches for a period of two months during which time they will return to the Academy for two weeks of in-service training. This system provides a total of twenty-two weeks of training before final assignment.

## Assemblyman Will Ask Legislation To Keep Kids In Nearest School

Assemblyman Carl A. Orechio (R-Essex) today said he will introduce legislation to require boards of education to assign children in grades 1-6 to the school "nearest" to where they reside.

"The safety of our young children is my only concern," Orechio stated. "It only stands to reason that the shorter the distance they have to travel, be it walking or riding, the less chance there is of anything happening to them or of their being involved in accidents."

"The aim of the Bill is to keep the younger public school pupils as close to home as possible provided, of course, the closest neighborhood school can accommodate them."

"Although I am opposed to basing solely for the purpose of achieving racial balance,

my bill has nothing to do with this question—a problem to be resolved in the Federal Courts. The bill addresses addresses itself specifically to improved safety for our younger children."

"This bill is in the same

spirit as A-992 which I introduced requiring that all school crossing guards pass annual physical and mental health examinations."

Orechio currently represents the six suburban communities of Belleville,

Bloomfield, Glen Ridge, Montclair, Nutley and Verona. He is seeking reelection in the newly drawn District 27, which will include Caldwell, Cedar Grove and Essex Fells, but exclude Belleville.

## Those Delayed Tax Refunds May Get Back To You Faster

New Jersey taxpayers expecting refunds from Federal income tax returns filed more than ten weeks ago can now have their refunds expedited. If they have not received refunds or explanations for their delay,

they may file duplicate returns which will be processed immediately.

In announcing this expedite procedure, Elmer H. Klinsman, IRS District Director, emphasized that duplicate returns must be

complete with copies of all W-2 forms and supporting schedules attached. Clearly legible photo copies may be used but they must have original signatures. Photo copies signatures are not allowed.

Returns filed must be marked DUPLICATE in heavy block letters across the top front of the return. They should be mailed directly to the Internal Revenue Service, 1040 Waverly Avenue, Hottsville, New York 11799.

## Minish Wants Dealers To Repair Free

Congressman Joseph G. Minish, 11th District - New Jersey, today announced that he will introduce legislation shortly to require auto makers to repair safety defects without charge to the owner.

Under present law, Minish explained, the Secretary of Transportation may require a car manufacturer to send a defect notice to the first purchaser of a vehicle. However, the manufacturer is left to decide whether he or the owner should pay for the necessary repairs.

Minish's bill will provide that the manufacturer must repair or replace at his own cost any safety related item on a car, which is found to be defective. If the defect cannot be repaired or replaced, the manufacturer would be compelled to provide the owner with a new car or refund the defective car's purchase price in full.

"Since 1966," Minish pointed out, "over 36 million motor vehicles have been recalled due to the presence of safety-related defect. This year has accelerated recently, with 12 million cars recalled in 1972 alone. In fact, more vehicles were recalled during 1972 than were built in that same year."

"In the interest of safety on our highways," Minish argued, "it should be as attractive and convenient as possible for a consumer to invest the energy and the time necessary to get his or her vehicle fixed. At stake is not only the welfare of the owner of the vehicle himself, but also other persons who might be injured or killed as a result of an uncorrected defect."

"Statistics compiled by the National Highway Safety Administration," Minish said, "prove that owners of defective vehicles are much more likely to have the problem remedied when the manufacturer absorbs the cost. One study showed that 75 percent of drivers brought their cars in for needed repairs when the manufacturer paid the bill, while less than 8 percent had their problem corrected when the were asked to pay the cost themselves."

Minish said that the auto industry generally has a good record of correcting, and absorbing the cost, of safety related defects. "However," he said, "there have been a number of notable exceptions to this general policy in recent years."

## Future Physicians Schedule Program

Young members of Essex County Future Physicians' Clubs may still register to attend the special program in their honor at the American Medical Association convention in New York City on Wednesday, June 27.

Members of the 42 clubs in the county should register with school advisors, said Dr. S. William Kalb, MD, chairman of the Essex County Medical Society's Future Physicians Club Committee, and founder of the nationwide movement to attract youngsters to medical and health careers.

This is the first time the AMA has invited youngsters to an national convention, said Dr. Kalb. Among the program for the day are tours of scientific exhibits with physicians as guides, movies, and different medical seminars and lectures.

Miss Edith Philicione American Holly Will Drop Leaves

The native American Holly (Ilex opaca) is becoming more popular in New Jersey. Landscapes every year.

Today, it is common to see at least two of them (you need a male and a female to produce berries) on thousands of home grounds. If you're a proud owner of a new holly and you see all the attractive green leaves turning yellow and drooping to the ground, don't panic. It's the natural thing for a holly to do, says William F. Munk, senior county agricultural agent of Essex County.

## Belleville Scout Will Participate In "Tote N Trek"

Roberta Hallow of Belleville has been selected to participate in a Girl Scout summer project in the Girl Scout's National Center West, Ten Sleep Wyoming. It was announced by the Girl Scout Council of Greater Essex County Program Department.

Chosen following a rigorous selection process that began over a year ago, Roberta will attend "Tote N Trek," August 10 to August 23.

Sponsored by the Girl Scouts of the USA, the event will feature backpacking across primitive wilderness areas in the Big Horn National Forest of Wyoming.

Roberta has been a Girl Scout since Brownie days and has had extensive camping experience both with the Senior Troop 981 and her family. A sophomore at Belleville High School, she plays the glockenspiel in the high school band and the violin in the orchestra.

Girl Scouting is open to girls 7 to 17 and strives through its activities to enable girls to participate in opportunities like "Tote N Trek."

## Hon. Mae Mazza Assumes Post With Democrats

The Essex County Democratic Women's League's new officers for 1973-74 include Hon. Mae Mazza of Belleville as an executive Essex County State Committee woman.

The League has many plans for the ensuing year and its main feature will be a Political Seminar to be held in October at Rutgers College Campus in Newark. The committee for this event will meet at the home of the Seminar Chairman, Mrs. Connie Woodruff of West Orange on June 21, to formulate final details for the Seminar.

The Essex County Democratic Women's League is open to any woman who believes in the principles of the Democratic Party. They should contact Mr. Bernice Edwards, Membership Chairman, 123 So. Mann Ave., East Orange, N.J., to apply for membership or Mrs. Jean Schultz, League President, 84 Durrell St., Verona.

Also on the agenda of events is a fund raising bide to Monmouth Race Track on Saturday, July 21.

## VFW Ladies Auxiliary Is Holding Convention

New Jersey VFW Ladies Auxiliary will hold its annual convention June 20-21 in Wildwood with over 800 members attending. State VFW Auxiliary President, Jean Cramer of Bergen County will preside at all functions including the business meetings. Mrs. Rosemary Mayor of E. Brunswick is leading candidate for the state presidency in the coming elections in June.

Past National VFW Auxiliary President Erline Mayberry of Elkin, No. Carolina and Kansas City, Mo., will attend the four day convention as national representative. During her year as president of the 492,000 member organization, Miss Mayberry traveled 92,000 air miles on behalf of the auxiliary, visiting every state and making a good will tour around the world.

Miss Mayberry, as National Auxiliary secretary-treasurer, heads a staff of 30 at the national headquarters in Kansas City. She directs the administrative affairs of one of the largest organizations of women-volunteers in the world. Before accepting her new post, she was a long-time employee of Chatham Manufacturing Company and managed its two retail stores in the Elkin area for 15 years. Miss Mayberry will bring the greetings of National President Lola Reid of Minneapolis.

Mrs. Cramer will end an outstanding year in which she led the 283 VFW auxiliaries in the ten point VFW program including aid to veterans, cancer, community service and supporting the national president's special project, for all auxiliaries throughout the country to actively participate in their communities in combating drug abuse.

Mrs. Cramer will speak on her special project for the year to raise \$10 thousand to augment the scholarship fund at the VFW National Home in Eaton Rapids, Mich., which is sponsored by the auxiliary for children of deceased or hospitalized veterans.

Mrs. Jean Cramer

Miss Erline Mayberry

The four day convention will include election and installation of new officers for 1973-74, memorial services, luncheon honoring past state presidents, reception of Mrs. Cramer and State VFW Commander George Heichel, a parade and a drum corps competition. Miss State VFW will be selected from candidates of the 20 districts of the state.

# Veteran Boxers Don't Just Reminisce; They're Using the Sport for Charity

In 1969, a group of former boxers decided to band together to "keep in touch." From that modest beginning, Ernie Ratner, Roy Lazar, Pasquale (Pat) Ruggiero and Les Fusco have seen the organizationThe Veteran Boxers Social Club of New Jersey, Inc. grow to approximately 60 members who not only socialize, but are now putting into effect their goals of fund-raising for charities.

Previously, their charitable endeavors have been kept within the "ranks" - helping other boxers or their families. For the first time, on June 29, they will stage an event to raise funds for three outside charities - the Craig Fabian Fund, Cerebral Palsy Center and the Sisters of the Poor. (See article this issue on the June 29 boxing event at Municipal stadium.)

The veteran Boxers Social Club of N.J. Inc. meets at 3 p.m., the first Sunday of each month at the home of Ernie Ratner, 177 Malone Ave. The members are former flyweights to heavyweights and now are in business as salesmen, newspaper dealers, employees of Belleville and a Newark Housing Authority

inspector. Some are retired from business, but the delicious flavor of hygone class lives again at the monthly meetings and at such events as an annual Christmas party to raise funds for the handicapped and needy.

Officers are: Ernie Ratner - president, Les Fusco - first vice-president, Dick Lewis - second vice president, Mario Centi - secretary, George Cabot, assistant secretary, Pat Ruggiero - treasurer and Roy Lazar and Willy Skidmore - sergeants-at-arms.

When interviewed, the committee for the boxing event on June 29 was holding a special meeting. Members of the committee are: Ernie Ratner, Les Fusco, Pat Ruggiero, Mario Centi, Tom Foselli, Jerry Donnelly, John Nelson, Frankie Bove, Willy Skidmore, George Cabot, Frank Corse and Dick Lewis.

The men mentioned that when they were youngsters, there was no "street-corner-hanging-around," as they were usually camped out in the nearest gym, training for fights. There are tentative plans at this point, to help

Belleville boys in the fall, by teaching them the intricacies of the body and character building in the sport of boxing.

The members of the Veteran Boxers Social Club of N.J. Inc. did want to mention a great big thanks to Commissioner Michael Marotti, for his assistance in obtaining the Municipal Stadium for the June 29 event.

Former boxers, or those interested in the club, may contact Ernie Ratner, 177 Malone Avenue, 751-2260.

Former boxers, or those interested in the club, may contact Ernie Ratner, 177 Malone Avenue, 751-2260.

VETERAN PUGILISTS include (l-r, rear) Tommy "Mac" Foselli, Johnny Nelson, Mario Centi, Frankie Bove, (front) Pat Ruggiero, Ernie Ratner, Lester Fusco and Willie Skidmore.

# Belleville Music Student Attends Carolina Festival

Among the some 200 student musicians to arrive Saturday at the twelfth annual Eastern Music Festival on the campus of Guilford College is Don De Hagara, son of Mr. and Mrs. Nicholas De Hagara of 79 New Street.

As in past years, this summer's festival, which will last through August 4, will again enable young instrumentalists aged 12 to 20 to study with the some 70 professional teachers and performing artists-in-residence. Thirty-eight states and four foreign countries have been represented since the first season in 1962. Students participating in the festival have continued their studies of music in virtually every one of the country's major schools of music.

During the six-week season, students are involved in an intensive curriculum which includes private lessons, theory, conducting, chamber music, composition, master classes and weekly in-depth seminars entitled "Art and Society" where students and faculty confront the problems of art and the artist in America.

Eastern Music Festival is unique in that it is one of the few summer programs of its kind which boasts a professional orchestra in residence during its entire season, as well as two student

orchestras. In all, 35 concerts will be presented, including student ensemble and recital performances.

Guest artists on this season's roster include pianists Veronica Jochum and David Bar-Illan and Hungarian violinist Miklos Szenthevi.

In addition to performing on the Guilford College campus, students are able to play for audiences throughout the Greensboro community in an art outreach program called Project LISTEN. Not only does this community service plan enable young student musicians a chance to perform more often, but it brings live classical music to audiences in such places as

parks, hospitals, prisons, day care centers and nursing homes - those persons who might not otherwise have the opportunity to take advantage of the EMF musical offerings.

From a first-year figure of \$22,000, the EMF budget has grown to \$200,000. Less than a third of the total budget comes from student tuition and fees, while the remainder comes from individual contributions and support from foundations, corporations, and community and state arts councils.

Character is never established in a single year.

Poor health is an alibi more often than a fact.

Here's some nice news—Francis Wellen, son of Ray and Sis, (the was just elected Commander American Legion Post 105) was made state vice commander, SAL (Sons of the American Legion). Fran is a sophomore at Nutley High School, has a sister, Mary Anne and a brother Ray Jr.

**HAPPY ANNIVERSARY**  
June 13 marked two years of marriage for Mr. and Mrs. Peter Vazquez. She is an English teacher at BHHS and her husband graduated from Seton Hall Law School on June 3. Mrs. Vazquez, daughter of Mr. and Mrs. Stanley Dopart, has a sister, Marjorie, who attends seventh grade at BHHS. Pete is the son of Mr. and Mrs. Joseph Vazquez, many happy returns.

You know we can get under the moon, under the sea, and perform many other miracles. It's astonishing to me, tho', that last week during the severe heat, Com Edison and Public Service had to "brownout" (hold back on electric power) in order to prevent a "blackout" ... howcum?

Best wishes to members of the Metropolitan Organ Club, who celebrated birthdays this month - Carmela Farano - fifth; Bessie Tirone - sixth; Joseph Siena seventh; Michael Galdi Jr. 15th; Connie Simeone 22nd; and Ingeborg Haus 27th.

I'd like to alert you that the Belleville Public Library will be holding a few interesting programs for the kids this summer. Please watch the Bulletin Board for schedule. Youngsters may earn a "Royal Dragon Ribbon" if they read and list 15 books between June 25 and August 31. Ribbons and certificates will be given at the Grand Banquet Party in September—so, remember—watch the Bulletin Board.

I'd also like to alert you to watch the Bulletin Board for listings of the Union Summer Services of the Wesley Methodist, Fessmith Presbyterian and Grace Baptist Churches, starting July 1.

**TEACHERS FETED**  
On June 14, what was once Flag Day, members of O.P.E. (Organization of Parents and Educators) from School Seven honored the teachers with a lunch. Since the OPE is only one year old, it was the first luncheon the group gave to the teachers in the school; however, it is a yearly event.

The auditorium was patriotically decorated in red, white and blue in honor of Flag Day. Mrs. Verna Norton, outgoing president of OPE, was in charge of the event and credits also to go to hospitality hostesses Mrs. Nancy Yaniga and Mrs. Rose Bonzo - the ladies did an outstanding job, the food was catered by Belle Maid. Approximately 65 attended the fete, two guests were yours truly and Dave Lieberfarb, editor of the Belleville Telegram. Dave and I were elected to pick names out of a hat for winners of the table prizes - a lovely rose in a vase.

Mrs. Norton opened the luncheon with thanks to one and all for their help during the year. She then introduced school principal, the effervescent and charming Mrs. V. Spry who thanked one and all for their work and a most successful year by OPE members. In addition to Mrs. Norton and Mrs. Spry, at the head table were Florence Labenski - recording secretary; Rosalind Mussano - corresponding secretary; Beverly Wilkerson vice president; Mrs. Gilda LaVecchia incoming president of OPE and Rosanne Walsh, vice president.

Mrs. Norton presented two VIP (very important parent) pins to Mrs. Mary Nevelund and Mrs. Isabelle Giordano who will be leaving the OPE as their children are moving to Jr. High. Others I saw that day included Mrs. Michael Rosamilia, Mrs. Robert Frade, Mrs. Judy Dominick and Frank Carapezza,

speech teacher. I was pleased to see Mrs. Haviland former teacher at School Eight who is now teaching at School Seven.

**WELCOME ABOARD**  
At this time of year, most groups have just changed officers, would like to remind all groups, when planning for publicity, please try to notify me at least two weeks in advance of the date, to make sure your publicity will be in, and, good luck and welcome aboard to new publicity chairmen.

The Y.M.W.V. is sponsoring an early morning exercise class...do believe I mentioned it. Registration is Monday evening, June 25 at Montgomery Church, 638 Mill St. from 7-9 p.m. Any questions, please call the "Y" at 751-5420.

Spent a lovely afternoon at the home of School principal, Thomas Gryczka and his wife, Henrietta in Wayne last week. The occasion was the annual lunch the Gryczka's host for the Library Mothers at School Eight. I was taken on a tour of the gardens which included many trees, shrubs and flowers which Mr. Gryczka tends with a loving hand. He also has two victory gardens where he grows vegetables. The luncheon was supreme and everyone had a grand time. For the first time I met principal of School Ten and his wife - Mr. and Mrs. Henry Minasian. Also at the event were Library Mothers and former library mothers - Dot Dalla Riva, Pat Concato, Lois Conklin, Marie Costa, Delores Dill, Dot Paone, Betty Lardina, Lillian Norton, Carol Bonaniti, Jean Broo (school secretary Eight) Shipley Leardo, Katherine Tilley (Belleville Public Library), Anthony Greco - school superintendent, Pat Marzella - secretary, and a man employed by the Waldorf - Chris Theodosopoulos whose grandchildren attend Eight School. Mrs. Broo toasted Gryczka, saying: "Many have known you a long time, some for a short time, but we will all remember you a lifetime." Dot's nice and true. It was also the first time I met Mr. Gryczka's better half, and she is just as charming as he and was unflappable in having all of us for lunch. Good luck, T.G.

I'd like to correct a mistake I made in telling about a forthcoming event. On June 29th, at Belleville Municipal Stadium an amateur boxing night featuring 1973 New York Golden Gloves vs. 1973 New Jersey Golden Gloves will be held, sponsored by the Veteran Boxers Social Club of New Jersey. The proceeds will go toward the Craig Fabian fund, Cerebral Palsy and Sisters of the Poor, so please make every effort to attend. Rain-date is June 30, \$5 for ringside seats and \$3 for bleachers. Many boxing dignitaries will be present, refreshments will be available for a small fee, so enjoy hotdogs, soda and crackereps and come on out to the Amateur Box night...for tickets, please call Ernie Ratner, 751-2260, 751-0436 or call John Nelson at the Belleville Town Hall.

Hardly was the ink dry in typing last week's story on Business Spotlight (Irvine Cazzarelli Memorial Home) when Jim Cazzarelli raked up another award...He is a member of the Belleville Lions Club for less than a year, but was presented with a special award for bringing in two new members...nice going, Jim.

Happy Birthday to the lovable, genial Irishman, Joe Wynn...understand he received a singing telegram in addition to all his other well-wishes.

Sorry to report Fay Checchetto is hospitalized at Clara Maass Memorial Hospital...get well wishes are winging your way from your friend, Dotte. (and me, too.)

Summer is here and I am sure there have been some changes in club-meeting dates, won't you please check the Bulletin Board and advise me of changes? Thank you.

Team Captain

Local Fencer Feted At Fairleigh Dinner

Joe Castellano of Belleville was recently named Fairleigh Dickinson's top fencer at the college's annual Sports Presentation Dinner.

Castellano, a junior and co-captain of the team, compiled a 20-12 win-loss.

Paul Sutphen, who has captured four indoor and outdoor track championships as a freshman, was selected as Fairleigh Dickinson University's Outstanding Athlete for the 1972-73 season. Sutphen is a native of Clifton.

Sutphen, a hurdler, also was chosen as the top performer on the indoor track at the dinner which honored 142 athletes from 11 varsity sports.

Also picked as most valuable members of their respective sports were Richie Conrad (Clifton), basketball;

Rick Murray (Lyndhurst), baseball; Edward Donovan (Dumont) cross-country; Edward Gonda (East Rutherford), bowling; and Elliott Zieky (West Hartford, Conn.), golf.

Mark McKenna (Franklin Square, N.Y.), lacrosse; Lutz Hoemke (Fair Lawn), soccer; Jeff Posner (Bronx, N.Y.), tennis; Larry Zwick (Clifton), outdoor track; and William Espinoza (Clark), wrestling. Three other special awards also were presented. Richard Nash (Wantagh, N.Y.), a senior lacrosse player, was named the Alumni Association Award for athletic ability, leadership and sportsmanship on and off the field. Larry Mainieri (Valley Stream, N.Y.), a sophomore cross-country runner, won the Al Graf Award symbolic of team

spirit and dedication, and McKenna also received the Eastern College Athletic Conference Medal for Academics, Scholarship and Athletics. A business major, he has a 3.1 grade average out of a possible 4.0.

Sutphen, who will compete in the I.C.4-A, championships May 25-26 in New Brunswick, has won the New Jersey State, Metropolitan and Coast Guard M-60-yard high hurdles indoor titles, and the New Jersey outdoor 120 yard high hurdles crown.

He tied or broke the existing meet record at every competition but the Coast Guard Relays. Sutphen also was a semi-finalist at the I.C.4-A, indoor meet and was one of the few freshmen who qualified for the National

Legionnaires Edge W.O., 5-4

Busy Schedule Set This Week

by Tony Calabrese

The Belleville American Legion baseball team evened their season record at 1-1 this past Friday evening when they defeated the West Orange Legion team by a score of 5-4 in a game played in Belleville.

The Legion has a busy schedule for the next few days. After a game last night with Bloomfield, which will be reported in next week's Belleville Times, the hallclub will play against Maplewood in Belleville tomorrow night. On Monday, the hallclub will play their first road game when they travel to Livingston, and on Tuesday they will again be on the road, this time playing in Millburn. All these games will start at 6 p.m.

On Friday evening the combined pitching of Sergio Rodriguez and Rich Centanni, and some long ball hitting by Rodriguez, along with 10 walks from West Orange pitching all helped into contributing to the Belleville vic-

tory. Rodriguez pitched the first five innings in picking up the victory allowing all four runs (two earned), on three hits while striking out three and walking four.

Centanni, recovering splendidly from his poor performance in the Montclair game, picked up the save, pitching two innings in which he allowed no runs and no hits while striking out four and walking two. Tony Paoletto and Kevin McCarthy the West Orange pitchers, combined to give up five runs, six

hits, while walking 10 batters and striking out six.

Belleville scored once in the first inning. Joe Ross hit a ground-rule double, one bounce over the right-centerfield fence. Mark Cervasio followed with an infield hit to shortstop and when the West Orange shortstop Ken McNiel threw the ball wild to first, Ross scored to make it 1-0.

They went up 4-0 after the second inning. Alan Frank and Joe DeFranza opened the inning with back to back walks, and after an out, Sergio Rodriguez got a hold of a two ball, two strike pitch and rocketed it over the left field fence on a solid line. Things stayed that way up-

til the fourth inning when West Orange scored three times. McNiel walked, Steve Hensler hit one which resulted into a two base throwing error and a walk to Tony Paoletto, loaded the bases with no outs. A sacrifice fly by Rich Conger got one run home and after the bases were reloaded on a walk to Mike Bressman, John DeHenedetto lined a two-run double to left-center, but the Belleville margin to 4-3. However, a fielder's choice and a force play got Rodriguez out of further trouble as no more runs scored in the inning.

In the bottom of the fourth Belleville scored the winning run. Phil Cuzzi walked, and then was forced at second on Rodriguez's bunt. Joe Ross

walked. Mark Cervasio was hit by a pitch and then on a two ball two strike pitch, Kevin Goy swung and fouled the ball off, however, West Orange catcher Frank Call interfered with Kevin's swing and so on the catcher's interference, Rodriguez scored.

West Orange got their final run in the fifth inning. A single by McNiel, a force play with a resulting throwing error, a groundout and another error meant the run. West Orange came up with one more threat in the top of the seventh. With one out a walk to McNiel and Hensler's sacrifice was thrown away for an error. However, Centanni struckout Paoletto and Conger to send the Belleville and their fans home happy.

Jayvees Fought Off Slump To Post Winning 12-4 Mark

by Pat Caputo

The Belleville Junior Varsity baseball squad completed the 1973 season with a highly successful 12-4 mark. This included their last seven victories in a row.

Coach Ralph LaConte attributes this accomplishment to the team's "pride and desire to win". He goes on to claim "at one point in the season we were in a slump, but the boys bounced out of it and won their last seven games. These boys never gave up, and once they started playing the baseball that they are capable of playing, they had to win."

The season started back in early April, and lasted until June. It can be divided into three sections: the first part being the first three victories, the second part was the slump when the team went 2-4, and finally the last third being the seven game winning streak.

Opening the year at Bloomfield, the Junior Bellboys defeated a good Bengal squad with their most balanced attack of the season, 9-5. Nine different players scored one run apiece. The initial home contest was mercifully shortened to four innings by a hapless Passaic bullpen since the score was already 14-0. The two pitchers, Jim Rosali and Bill Telesco, shared in the no-hit, no-run effort. On

Friday the "thirteenth", the Belleville Jayvee hung on to a 2-1 victory over arch-rival Nulley. At this point the Junior Bellboys were 3-0.

However, over the next six games, the Belleville Jayvee could win only two times. Sandwiched around a victory over lowly Orange (0-2), were losses to Kearney (a heartbreaking 6-5 decision), and Montclair 7-0. At Columbia, it appeared as if the Jayvee nine had broken their slump, beating the South Orange

club, 5-3. However, that was followed by another shutout to Bloomfield (0-0), and a loss to Irvington 5-1. Two days later, Nulley went down again to Belleville, 8-1. In that stretch of four days, the local Jayvees won three times. After another long layoff because of rain, the Junior Bellboys beat both Orange and Columbia again, 5-2 and 5-3 respectively. That weekend, the Belleville Jayvee won their last road game and also

Montclair Shuts out Legion 9 in Opener

The Belleville American Legion baseball team, representing Post 105, got off to a poor start in their season opener a week ago last Tuesday evening. In a game played in Belleville the Legion lost to the Montclair Legion squad by a score of 10-0.

"It was a night when not a thing went right for the Bellboys both at bat and in the field. On the attack the Bellboys did manage seven hits and two walks off of Montclair hurler Greg D'Alessandro, a fellow who was the ace pitcher for the Montclair High School squad this past year, however, D'Alessandro also struckout 10 Belleville batters while pitching out of trouble leaving nine runners on base. Meanwhile, Montclair managed to hit just about everything thrown up to them. A couple of Belleville errors, 12 hits and four walks added up to one thing, 10 Montclair runs.

The fellow who had to suffer through much of that hitting barrage was a man who very rarely, if ever was hit that hard before, Rich Centanni, the ace right-hander of the Belleville High School baseball team. Centanni just didn't have it, giving up eight runs and seven hits in just 1 1/2 innings. The Montclair batter

who proved to be the most trouble to Rich was first baseman Steve Fortunato, who drove in six runs, with a two run double and a grand slam homer.

Montclair started things off with two runs in the top of the first inning. Jim Venezia walked, and then Lou Racoppe followed with a slow chopper down to Belleville. First baseman Frank Papasidero, Papasidero tried for a force play at second base, however, the umpire ruled that his throw to shortstop Kevin Goy was too late, and so Montclair had runners on first and second. One out later Dale Berra walked and then Fortunato cracked his two-run double to right-center and so Montclair led 2-0.

In the second inning Montclair scored six times to break things wide open. Brian Scantlebury started things with a single and he moved to second when the ball was kicked around in the outfield. A bunt single by D'Alessandro led runners at first and third. Tom Bonard's double left runners at second and third, after scoring Scantlebury with the third Montclair run. A bloop single by

Toyota Team Ties Tuesday

Cerami Construction, in the Recreation Department Men's Softball Leagues, stopped the charging J&F Lunch last week to continue their undefeated record in the Monday League. J&F had just handed out defeats to Frenchy's and I.M.A., both powerful teams.

Frenchy's and I.M.A., each won their contests last week so this league line up: Cerami 5-0, Frenchy's 4-1, I.M.A. 3-2, J&F Lunch 2-3, Clara Maass 1-4 and Wallace & Tiernan 0-5.

In the Tuesday League the strong Roberts Toyota Team defeated Roselli's and put the Roselli's into a tie with the Belmont Tavern and Frankie's, the Belmonts defeated McCabe's and Frankie's beat the Circles, so these top three teams all stand at 5-2. Toyota owns fourth place with 4-3 and the Circles and McCabe's follow with 1-6 each.

The torrential downpour knocked out the Thursday League so there are no changes.

HURLER Sergio Rodriguez smashed a homer to help him on his way to his first win of the season over West Orange.

JOE ROSS, already a familiar face after a successful season with the Bellboys, blasted a ground rule double against W.O. when he cleared the right centerfield fence on a bounce.

NEW PILOT Fred "Chick" Puleo shouts encouragement to his team during the game with West Orange. Puleo and the rest of the team are outfitted in new uniforms purchased by general manager Bill Lenahan.

## Named Fairleigh's Top Swordsman

(Continued from Page 13) tremendous progress this year," said FDU track coach Walt Marusyn. "You never know how a freshman is going to react in the heat of com-

petition. But he has just done superbly."

Sutphen, who was undefeated this spring in the high hurdles in the Knights' dual meet schedule, also set a new University mark in the 120 high with a time of 14.2.

Here is a brief rundown on the other Most Valuable athletes:

Rich Conrad, a sophomore guard - Averaged 16.0 a game and was selected to the first team of the New Jersey University Division All-Star team.

Rick Murray, a junior second baseman - Batted .250 in the fastest FDU time at the Garrett Mountain (N.J.) course, 24.49, and the second fastest Knight time Van Cortlandt-Park (N.Y.), 26.10. Only a sophomore.

Edward Gonda - a senior and captain of the bowling

team, who had a 192 a game average.

Elliott Zieky - the number one man on the golf squad, whose best score was 72 this spring. A junior.

Mark McKenna - A senior, who led the lacrosse team in scoring with 34 goals and 17 assists.

Lutz Hoemke - Selected as the Metropolitan Conference All-Star goalie as a junior.

Jeff Posner - Number three player on the tennis team, A-senior captain.

Larry Zwick - performed in five events (120 and 440 yard hurdles, 100 yard dash and 440 and mile relay teams). Also a senior and tri-captain.

William Asposito - Set an FDU mark for most punts in a season (7). Had a 94.1 dual meet record. Finished third in the Metropolitan Championships at 190 pounds.

revenge with Irvington, 3-0. Jim Zaccone pitched brilliantly to record the Junior Bellboys only shutout this year. Completing the season at home, Bill Teleco two-hit Hillside as the Belleville Jayvee won their seventh straight, 6-1.

As the season unfolded, many bright spots were noticed. Vic Pasquariello, a sophomore led the team in hitting at .355 and played shortstop all the other infield positions too, whenever needed. Sophomore Mike McGuire played great defense behind the plate and hit .267. Another sophomore, Tom LaMin, started occasionally and filled in as the utility infielder. Dante Pantalone was used as a defensive move at first base late in the games.

In the outfield, Joe Parlone played errorless ball in center-field and batted .304. Right field was handled by scrappy Vin DeNotaris who batted .306 and led the team in stolen bases with fourteen. Left field was alternated every game. Part-time varsity player Bob DiQuattro, a junior, played a few innings a game before going up to the varsity field. Another junior, Bill Teleco hit .323 and played left when he was in the lineup. Sophomore John Megna and Anthony Romandetto also fielded out there. Megna for

defensive reasons and "Rome" because of his speed, was used as a pinch-runner often.

When Joe Arminio wasn't with the varsity club, he caught. Also behind the plate was Anthony Nicotia and Keith Ziegler. Arminio is a junior and Nicotia and Ziegler are sophomores.

Bill Teleco was the ace pitcher and this junior won five games without a defeat. Junior Jim Risoli won two and lost one and had a save. Sophomore Jim Zaccone was 3-0 with three saves and "Zac" had the only complete game shutout on the staff. Another part-time varsity player, Jerry all twelve games for the Belleville Jayvee squad.

Varsity Coach Travers may

have lost seven starters and ten men to graduation, and building from almost scratch is never easy, but next year he will be full of young talent capable of winning. This year

Racioppe made it 4-0, and after an intentional walk to Pepe Fente and a strikeout by Berra, Fortunato struck again this time depositing the baseball over the centerfield fence for the grand slammer 8-0 lead. That was all for Centanni as both Sergio Rodriguez and Jerry Hoban followed him to the mound with the other two Montclair tallies coming in the fifth inning as unearned markers off of Hoban.

Belleville's best threat of the game came in the fifth inning, when they loaded the bases with one out on singles by Joe Cerza, Ron Goy, and Vic Pasquariello. However, a strikeout and a pop out got D'Alessandro out of trouble. After six innings the game was ended by the umpires because of darkness.

## Beck's Column

Every year about this time TV merchants have a house cleaning sale. This is in preparation for the fall, when the industry traditionally comes out with new models. In order to clear out the inventory, the Magnovox Company allows the dealers to reduce the prices. TV sets have been cut from \$50.00 to \$100.00 and stereo merchandise, consoles as well as components have been reduced up to \$100. This figure applies of course to the higher priced merchandise. Probably you know that Magnovox is fair traded. Except when the factory authorizes a price reduction, Magnovox cannot be bought cheaper. So here is an opportunity to save some money on Magnovox TV and stereo sets. It is understandable that the dealers gradually reduce their inventory so you may find the selection not as extensive any more than during the height of the selling season. For this reason it is advisable to come soon if you want to take advantage of this opportunity.

Practically everybody hates to go through a proctoscopic examination. Frankly, for a moment, it's uncomfortable, even embarrassing. But it's as important to examine your colon and rectum as to examine your heart and lungs. Especially if you're over 40. Anything suspicious the procto will show and the sooner it's spotted, the better. You could stand a few moments of discomfort, couldn't you, if it could save your life? Remember...it's what you don't know that can hurt you.

# Olga Knows

## This Week's Horoscope

(June 23 through June 29)

**ARIES (March 21-April 19):** Change looms on horizon. An, and your career takes a turn. Family matter can be partially settled as you find it easier to accept new role. Through charity, you transcend obstacle which divides you from dear one. Good week to pitch outmoded ideas into the dustbin.

**TAURUS (April 20-May 20):** A toe-to-toe, nose-to-nose confrontation apt to occur and could concern money. One who triggers brouhaha is motivated by self-interest. What else? Keep this in mind and act accordingly. Before end of week you hear tender words from one who is strong for you. Taurus. Finish week with a flourish.

**GEMINI (May 21-June 20):** Cash/credit crunch should be handled with both honesty and adroitness. Interesting stranger comes tip-toeing into the spotlight. Keep your dancing slippers handy, for a duet is highly probable.

**CANCER (June 21-July 22):** Personal problem you have been wrestling with can be solved in days ahead. One who is stronger but wiser holds keys. Don't permit foolish pride to keep you from asking for advice. Patterns emerge. What has been fragmented can be pulled together. Week ends on key of B for Bubbly.

**LEO (July 23-August 22):** Excellent week to put original ideas into motion. Leo, And don't fuss and stew about what others will think. You can take giant step forward. Simon says. So does Olga. Now, move, doggone you. MOVE.

**VIRGO (August 23-September 22):** If you are an average Virgo, you are anything but average. You are w-a-a-y ahead of your associates when it comes to lacking what appears to be the impossible. Gold you are panning for is closer than you think. Keep pursuing and you just may strike the mother lode.

**LIBRA (September 23-October 22):** Your passion for absolute knowledge could backfire. Lib, in your digging you may uncover truth which is hard to bear. There are times, Lib, when a soothing deception is preferable to a truth that hurts. This is one of those times. Advice: Let status remain quo.

**SCORPIO (October 23-November 21):** Concerning relationship with dear one, compassion is key which unlocks door to better understanding. Mutual goals can be achieved if you do your part, and your part will be more than just fifty per cent.

**SAGITTARIUS (November 22-December 21):** No time for secret brooding in days ahead. Sag, Work, play, sing and you e-x-p-a-n-d. Don't conceal emotions. Mind Olga and by end of week your mug spills all over the place. A happy-but messy-situation.

**CAPRICORN (December 22-January 19):** In the interlocking of emotion, you and partner/mate come to sudden understanding. Plans, dreams can mesh. Common goals are highlighted. You, Cap, can make this one of the most important weeks of entire summer. On last day, go play in the daisies.

**AQUARIUS (January 20-February 18):** You are a complex person, Aquari, a multiplicity of selves. This adds richness and dimension to your personality. However, this richness often results in chaos. In days ahead, out of chaotic conditions, a sparkling, new idea emerges. Act on it.

**PISCES (February 19-March 20):** Dear Pisces, if you're in the mood for romance, and you usually are, be alert in week ahead. Signal may be ever so shy. Perhaps the mere touch of a hand. In any event, be a good scout and "Be Prepared."

## Boxing Coming To Town

(Continued from Page 1)

Tony Galento of Orange, Mickey Walker of Elizabeth, Tippy Larkin of Garfield, former welterweight champion Freddy "Red" Cochran and Freddie.

The club is also counting on George Forrester to be a big attraction. Forrester has been a middleweight contender. The bouts will begin at 8:30 p.m. with the singing of the national anthem by Marlene Ver Plank. A group of local Boy Scouts will form an honor guard.

A special ring will be brought in and set up on the track at Municipal Stadium, with seating in the concrete stands and on bleachers. Ringside seats cost five dollars; all others, three dollars. Tickets can be bought at the gate, or purchased in advance by calling Ernie Ratner at 751-2260 or Frankie Bove at 751-0436.

"We've been helped greatly by Joe La Vista, who is arranging the fights and will get the ring," said Ernie, "but Commissioner Mike Marotti has been especially good to us, allowing us to use the stadium and helping in other ways. Without him, we wouldn't be having the fights."

Ernie says the last professional fight in Belleville was held 34 years ago. "It was at the Belleville Elks Club. I fought Louie De Napoli and Johnny Nelson fought the star bout against a fellow named McWilliams." Nelson, another mainstay of the Veteran Boxers Club, lives on Jerome Place in Belleville.

In contrast to the 17-19 year-old Golden Glovers who will fight it out June 29, the Veteran Boxers average about 62-63, with the oldest being Mickey and Phil Griffin of Newark, aged 65 and 67. The club members have fought in every class from flyweight heavy.

The rain date for the match is June 30, and again, the numbers to call for advance ticket sales (reported to be going fast) are 751-0436 and 751-2260.

## DiBiase Becomes Intern

Anthony P. DiBiase, 79 Cedar Hill Avenue, Belleville, one of 104 Medical College of Wisconsin graduates received his doctor of medicine degree at ceremonies held at the Performing Arts Center Ulehn Hall on May 27.

Dr. DiBiase received his bachelor of arts degree in biology from Seton Hall University, South Orange. He will serve his internship at Montefiore Hospital, affiliate of Albert Einstein School of Medicine, Bronx, N.Y.

Dr. DiBiase plans to serve a general surgery residency and possibly practice plastic surgery. He is the son of Mr. and Mrs. Anthony DiBiase. He graduated from Essex Catholic High School, Newark.

## Elect Hutchinson As Grand Knight

Queen of Peace Council 3428, Knights of Columbus, elected James J. Hutchinson Jr. of Belleville, as Grand Knight Tuesday evening, June 5.

Hutchinson resides at 114 Adelaide Street. He is a parishioner of St. Mary's Church in Nutley, and is employed by Spector Motor Freight of Secaucus.

Officers elected to serve with Hutchinson were: Joseph

Davis, Deputy Grand Knight; Gerald Helm, Chancellor; John Helm, Chancellor; John Hulik, Warden; Arribas Jensen, Inside Guard; John Meehan and Leonard Kaiser, Outside Guards; Philip Reinhart, Treasurer; Judge James Petrella, Advocate; Donald Helm, Trustee; Frank Gorman, Recorder; John Di Filippo, Bergen County Delegate; and Richard M. Taylor Alternate Delegate to the Bergen County Chapter.

## Coverage Coming

(Continued from Page 1)

The cost of the insurance are currently available.

On a one-family house, insured for \$17,500, it would cost about \$43.50 to insure the building and about \$60 to insure the contents. A garden apartment, insured for over \$60,000 would require about \$210 to insure the building and about \$270 for coverage on the contents.

Working through Centennial Insurance Company as a wholesaler, the Federal government will now authorize the sale of flood coverage to local residents.

## NEED Center Opens

**JOINING HANDS** — J. Harry Smith (center) president of Essex County College congratulates Bob Russo (left) and Frank Abate on the opening of the NEED Center in Belleville. The Center is a college counseling service directed by Russo, who said Russo this week, "is geared to serve all the people of North this week the program "is geared to serve all the people of the North Essex area, of whatever background and whatever age."

## Senatore Files Protest

(Continued from Page 1)

30th District, Hudson and Essex Counties were joined in the District last spring after the new reapportionment plan went into effect.

Mrs. Senatore says whether she wins or loses the contest, she will continue to

appeal for a separation of the two counties. "Two years from now, when another election comes up, Essex and Hudson will have this same war," she said. "It's not good for either county. There is a geographic difference between Essex and Hudson, some of

the towns are more industrial than others, and have different problems than the others."

Mrs. Senatore said similar disputes over reapportionment are going on throughout the state, particularly in Morris County.

# Now you can lease a car from a bank. Ours.

## CALL ON THE GOOD-NATURED WHISKEY

### IT MIXES WELL

We take the time to gentile the taste, to make our whiskey a sip smoother than the rest. That's why Imperial is so popular. Its rich taste comes on light and goes down easy. In any drink. Even the price is good-natured.

\$11.25

Half Gallon

BLENDED WHISKEY • 60 PROOF • 30% STRAIGHT WHISKERS  
70% GRAIN SPIRITS • HIRAM WALKER & SONS, INC., PEORIA, ILL.

National Newark & Essex introduces another first—customized car leasing. We are the first bank in New Jersey to offer such a service.

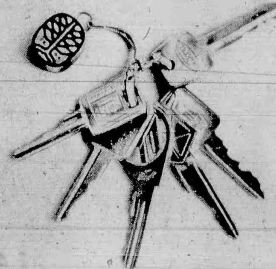

### Why lease?

Because you can avoid all the inconveniences of buying a car. And most likely we'll save money for you.

And monthly payments are often lower than borrowing to buy a car. That's because the principal payments are based on the difference between the purchase price and the estimated resale value of the car, not on the full purchase price.

As for the purchase price, we buy in volume. So chances are, we get a better price on the car you want than you can.

Since our expertise is financing, you know we'll be able to give you the best possible rate. In addition, there's no middleman. And since our people are bankers—not car salesmen—there's no salesman's commission involved.

There is an added tax benefit for professionals and business people who use a car in their work: lease payments can be a deductible business expense. Check with your tax consultant to see if you qualify—and to what extent.

It's really easy to lease a car from us. Just tell us what car you want—Mercedes, Mercury, Porsche, Pinto, anything. With all the options you want. And how long you want to lease it: 12, 24 or 36 months. We'll tell you the exact monthly payment. And

once your application is approved, most likely you will have your car the very same day.

Frankly, we don't know of a nicer way for you to get a car as often as you want. That's why we've added car leasing to the many personal services we offer you. And if you find you can't come to the bank, just call 266-8300. We'll come to you.

## Midsummer Concerts See More Additions

Three more soloists and a choral group have been added to the list of featured artists who will appear with the New Jersey Symphony Orchestra in its series of "Midsummer Serenades" to be held July 12, 17 and 19 at the Paper Mill Playhouse in Millburn.

In addition to the Paper Mill concerts, the Symphony will perform this summer at Watervoor Village and in the Washington, D.C. area.

Henry Lewis, music director will be on the podium for all summer concerts.

The three added soloists, all to appear in a performance of Act II of Mozart's "Marriage of Figaro" on July 12, are John McCurdy, a bass-baritone, a native of the Metropolitan Opera; soprano Leona Mitchell, who has been engaged for next season by the San Francisco Opera Company and Olivia Stapp, mezzo-soprano who performs with the New York City Opera Company.

The choral group is the

Mannmouth Civic Chorus, which will perform on the night of July 19 in Schubert's "Song of the Spirits over the Waters" and in Beethoven's Chora Fantasy Op. 80.

The Paper Mill series opens July 12 with violinist Berl Senofsky, soprano Eleanor Steber and baritone Robert Goodloe, soloists previously announced, in an all-Mozart program.

The July 17 concert will feature an all-Mendelssohn program with pianist Rudolf Firkusny as soloist.

The July 19 program will present Malcolm Frager as piano soloist in a Beethoven and Schubert program.

All three concerts will start at 8 p.m.

Tickets may be ordered through the Paper Mill box office.

The Symphony's Waterloo concerts will be presented June 30 and July 21 with Peter Nero and Ella Fitzgerald as soloists on the respective dates.

## Clergyman Celebrates 25 Years Of Priesthood

The Rev. Clotus (William) Gillson, former Belleville resident, celebrated the 25th anniversary of his ordination last week during a two week return home from his congregation of Mexican Americans at Our Lady of Victory Church in East Los Angeles, Cal., where he lives and works.

Son of the late Francis E. Gillson, and the late Mrs. Emily Stryker Gillson, Rev. Gillson has many relatives in Nutley. His brother, John E. Gillson, and three sisters, Mrs. John (Emily) Reilly, Mrs. James (Frances) McGreevey, and Mrs. Harry (Mary) Sneyers are all Nutley residents.

Born May 20, 1919 in Belleville, Rev. Gillson received the habit of the Missionary Servants of the Most Holy Trinity after training for the priesthood at Holy Trinity, Alabama. He made his vows January 1, 1940. Prior to that he had graduated Good Counsel Grammar and High Schools in Newark.

On June 8, 1948, Father Gillson was ordained at the Shrine of the Immaculate Conception by the late Bishop John McNamara. The ordination followed study at the Marist Seminary in Washington D.C., the Catholic University of America.

During his theology training, Rev. Gillson was co-director of the Holy Trinity Guild, a mission group that works to support apostolates among the poor. He was also active as counselor and camp director of the community's Camp Trinity of Cecilton, Maryland.

Immediately following ordination, he was assigned to a new mission in Harlan, Ken., having the unusual honor of being appointed by Bishop Molloy of Covington the first pastor of a new Trinity Mission, St. William's in London, Ken. where he worked for ten years to attain a master's degree in social work.

Rev. Gillson was then made custodian and became director of Fides Neighborhood House in Washington D.C. There he worked until September 1966 establishing new services and a credit union still in operation. He was then assigned as Pastor of St. James Missionary Cenacle in Charles Town, West Virginia with missions in Shepard-Town and Harpers Ferry. After his work in this neglected area, he chose to go to work with the Mexican-Americans in East Los Angeles where he is now.

## Jonah Jones to Play At Playboy Club-Hotel

The wailing music of the  
veteran trumpeter Jonah  
Jones and his Quartet will be  
filling the 300-seat Playmate  
Bar at the Playboy Club-  
Hotel until July 1.

Jones, who has been  
playing his special brand of  
music around the world,  
began with Wallace Bryant's  
jazz band aboard a  
sternwheeler riverboat that  
sailed up and down the Ohio  
and Mississippi between Cin-  
cinnati and New Orleans, a  
long way from the new resort  
complex at Great Gorge in  
McAfee, N.J.

He joined Horace Hender-  
son (Fletcher's brother) in the  
early-1930's while a teenager,  
then joined Jimmie  
Luncheon and, soon after,  
Stuart Smith.

Jonah Jones helped the  
Onyx Club in New York turn  
52nd Street into "Swing  
Street" with an 18-month  
engagement.

As the "hi-de-ho" man for  
Cab Calloway's big swing-  
band in 1941 through 1952,  
Jones was established as a  
success.

He has moved through  
Dixieland to Modern Jazz  
with equal facility.

Jonah Jones' next step was  
a stint at the jazz mecca, The  
Embers.

Through the years he and  
his men have appeared on  
most major variety shows on  
television and continue their  
concert, nightclub and record  
efforts.

**Set Olympics  
For Jersey**  
The weekend of June 22-24  
promises to be one of the  
most eventful and rewarding  
weekends in New Jersey's  
history.

The New Jersey Special  
Olympics on June 23 and the  
New Jersey Tournament of  
Champions on June 24 will be  
held at Monmouth College in  
West Long Branch. These  
programs are athletic meets  
bponsored by the New Jersey  
Department of Community  
Affairs for the mentally  
retarded and physically handi-  
capped youngsters of the  
State.

Governor William T.  
Cahill is scheduled to attend  
both events. Also attending  
will be many of the U.S.  
Olympians from New Jersey,  
past as well as present. These  
Olympians will assist the  
youngsters at the meets,  
march with them in the  
opening ceremonies and con-  
duct various sports clinics.

## New Meadowbrook Musical Defends an Old Tradition

Marriage appears to be a  
firmly established institution  
despite assaults by non-  
conformists of every genera-  
tion and continues to be a sub-  
ject of perennial interest both  
in and out of the theatre.

At the Meadowbrook  
Theatre Restaurant in Cedar  
Grove, the portrayal of 50  
years of marriage in the  
enchanting musical comedy,  
"I Do! I Do!", opened with  
an audience that seemed  
about to burst the seams of  
the house. The perennially  
engaging Van Johnson stars  
with Constance Towers  
playing opposite him as his  
wife the two comprising the  
full cast.

The musical, based on the  
Broadway success of the early  
'50s, Jan de Hartog's "The  
Four Poster," is by Tom  
Jones and Harvey Schmidt,  
authors of "The Fantasticks,"  
and is a joyous account of the  
lives of a married couple over  
a span of 50 years. A series of  
scenes with song and dance

celebrate the ups and downs  
of their marriage, the special  
happy times and the hours of  
crisis.

From the opening scene  
with the hesitation and em-  
barrassment of their bridal  
night, through the happy ad-  
ditions to their family, the  
quarrels, the jealousy, the  
marriage of their daughter, to  
old age, both Van Johnson  
and Miss Towers perform  
with the greatest sensitivity.

For Van Johnson, this  
musical seems a perfect vehi-  
cle for his versatile talents and  
displays his keen understand-  
ing of many nuances in  
marital relationships. There  
can be few men who will not  
identify with him in in-  
numerable situations, finding  
laughter, frustration and  
anger, and complete enjoy-  
ment in it all. Also Van John-  
son, as a song and dance man,  
offers a different slant of the  
actor's abilities.

Miss Towers, somewhat  
fragile in her type of lovely

beauty, speaks for all  
wifehood, and must seem like  
the most desirable of all  
spouses to male viewers. Her  
transitional development  
from the shy bride through  
the years to a slightly  
quivering old lady is handled  
with the greatest finesse. She  
is an actress of the first order.

"I Do! I Do!" is a useful  
and merry piece of propaga-  
nda for the married state, and  
offers an evening of pleasure  
that is sheer delight.

Stuart Bishop's direction is  
up to his usual high standard.  
James Smock is the  
choreographer, Larry Aumen  
has provided a set, simple in  
needs, yet with the im-  
aginative touches for which he  
is known. The musical direc-  
tion is by Jerry Goldberg.  
Associate Producer Marvin  
Sprague stage managed the

# Saturday Ceremony Slated To Dedicate Spruce Run

The Spruce Run Recreation Area, the state's newest major day-use facility, located in the rolling hills of Hunterdon County, will officially be dedicated at a ceremony on June 23. In event of inclement weather the event will be held on June 30.

Presiding over the 11 a.m. ceremony will be Commissioner Richard J. Sullivan of the state Department of Environmental Protection (DEP) whose agency has been responsible for planning and development of the recreation area.

Invitations have been extended to Director James G. Watt of the Bureau of Outdoor Recreation, and to other federal, state, county and municipal officials who have been involved with the development of the facility. The North Hunterdon Regional High School Band will provide musical entertainment.

The new recreation site is located on 115 acres at Spruce Run Reservoir, three miles north of Clinton. It can be reached from the south via Route 31 and from the northern metropolitan area by Route 78. Visitors should travel north on Route 31 from

Route 78 and turn left onto Van Syckles Road, which leads to Spruce Run.

Commissioner Sullivan said considerable care has been taken to make the recreation areas esthetically pleasing in its architectural design. Most state-owned and operated recreation areas were developed, but the Spruce Run unit is the first built completely new from the ground up. Considerable care was taken to blend the architectural design with the natural aspects of the site.

The recreation area will have an eventual capacity for 2,500 visitors per day and can accommodate over 400 cars.

Unique features include an artificial pool area the main

entrance, modern architectural design of the entrance plaza, concession building, beach pavilion, wading pool, change rooms showers and sanitary facilities. The area is completely lighted and each light standard is equipped with weather-resistant system providing music. A focal point for the pavilion area is a fountain centered with a piece of modernistic sculpture created especially for Spruce Run by Sahl Swarz, a prominent sculptor from Clifside Park.
