## Ordinance in Wings?

# Superior Court Denies Appeal To Move Villa Italia License

A panel of three Superior Court judges voted to turn down May 16 an appeal by the Villa Italia Corporation which sought to reverse a decision by the state ABC preventing the corporation from transferring its liquor license to a Washington Avenue motel.

Though it seems unlikely the officers of the corporation could continue a court battle against the Alcoholic Beverage Control to transfer the license from the Villa Italia tavern at 501 Washington Avenue to the Belleville Motor Lodge at 369 Washington Avenue, it remains for the Belleville Commission to consider an ordinance on the table which would specifically grant permission to the corporation to make the move.

The ongoing controversy was a matter of some concern for Belleville tavern owners and liquor store owners who backed Edmund A. Effenberger, owner of the Princeton Bar and Grill at 89-91 Joralemon Street in his appeal of the original 3-2 decision by the Town Commission in February of 1972 to allow the license transfer. Effenberger and his attorneys successfully won an appeal to the state ABC on the grounds the license transfer to the Motor Lodge would place a tavern well within a 1250 radius of his own establishment, which is contrary to law.

Anthony R. Bencivinni of Villa Italia based his request for the transfer on a hardship he said was caused by lack of parking facilities at the Villa's present location. He said the Motor Lodge afforded ample

parking and had restaurant space available. After Effenberger won a reversal by the state liquor board, the Villa Italia Corporation took the case to the Superior Court.

While that case was pending, Commissioner Vincent T. Strumolo introduced an ordinance to the Belleville Commission which would have changed the minimum distance for separation of alcoholic beverage outlets on

that portion of Washington Avenue affecting the Belleville Motor Lodge from 1250 feet to 200 feet. This, in effect, would have legalized the Villa's proposed license transfer. Attorney Leslie Finch, representing Effenberger, appeared at a Commission meeting and was joined by about 30 tavern and package store owners in arguing against adoption of the measure.

The Commissioners twice

tabled the ordinance, presumably until the case left the Superior Court. In May, attorney Robert Gaccione won a favorable decision from the court for Effenberger.

Since Strumolo's measure remains on the table, the Commissioners are free to vote upon it. At the time of introduction, Strumolo said he intended the ordinance to stimulate business on Washington Avenue.

## It's Official — Seniors' Bus Approved by Commission

The Belleville Board of Commissioners Tuesday night voted unanimously to purchase a 24-seat bus to transport senior citizens throughout Belleville free of charge.

The only hesitation to the ordinance submitted by Commissioner Vincent T. Strumolo came from Mayor Joseph McGreevy, who was concerned the bus may prove to be too small for the needs of the town. McGreevy asked the matter be "investigated more thoroughly" before the mini-bus be purchased.

Strumolo said buying the mini-bus "will give us a start. If we need more money, we can get it from the Federal government." A section of the ordinance passed Tuesday night provides the return of the \$10,000 for the purchase of the bus to the Capital Improvement Fund if money from Washington does materialize.

Strumolo promised to fur-

nish McGreevy with plans for a timetable and the proposed bus routes.

The likely route previously mentioned by Strumolo would take senior citizens through the main shopping area of town on Washington Avenue, to the Pathmark

supermarket in Silver Lake and to Soho Hospital. The bus would probably make two rounds each day, picking up passengers at major intersections around Belleville.

The cost of the bus is \$8,500. Other charges will include insurance of passengers.

# Post Office Shakeup No Threat: McGreevy

by Ken Moore

Although 40 letter carriers were transferred this week to the Main Street Annex from the Washington Avenue office, Mayor Joseph McGreevy said Tuesday night he has received a pledge from Postmaster-Manager Joseph J. Benucci to maintain full customer service on the Avenue.

McGreevy said the carriers were moved because the Washington Avenue office had become too small, but services will be maintained at the building at 415 Washington Avenue for the duration of the Post Office lease there. The lease expires late this year or early next year, said McGreevy, but Benucci promised if no suitable facilities could be found elsewhere on Washington Avenue, the lease at 415 Washington Avenue would be renewed.

The Commissioners unanimously passed a resolution

pushed by Commissioner Vincent T. Strumolo emphasizing their desire to see the Washington Avenue location be retained.

The Avenue facility will continue to provide stamp sales, caller windows and box rentals.

The move of the carrier service to Main Street was made necessary Monday when the postal authorities instituted a new phase here — motorized

carrier service. Each letter carrier on the 29 routes in Belleville will now operate out of a red, white and blue jeep which will carry a combined load of letters and parcels.

Since there is virtually no parking space at the Washington Avenue office for the 29 jeeps, the move to Main Street was necessary. The idea of motorizing the service has met with opposition from some critics who

claim the jeeps will add to pollution and parking problems in Belleville.

Raymond Sinton, superintendent of the Post Office Annex on Main Street said the postal system has to motorize for the sake of efficiency. The pollution effect, he said, will not be excessive, since the quarter-ton jeeps use low leaded fuel and are shut

## Golden Comments

By James R. Golden

Comm. Bob Laterza's comments in justifying the raise voted Town Treasurer Francis McCoy were particularly significant when he said, regarding Mayor McGreevy's comparison of McCoy's salary with others in the County, "I don't know if they're as capable as Mr. McCoy or if they have his background."

While never one to encourage expenses that ultimately increase taxes, it is impossible to understand McGreevy's attitude in supporting raises for all other town employees while espousing the unconscionable, adamant attitude of insisting McCoy, who is widely recognized nationally as one of the best qualified finance officers in the nation, as well as being an instructor of finance at the state university Rutgers should be denied the equal consideration accorded other employees.

Could it be because of deep-seated rancorous, animosity which grew from McCoy's action, properly taken as town treasurer, in hailing McGreevy into the local court for failure to take out a required five dollar VENDING MACHINE license some years ago? Many entertain this belief. Likewise, it is strongly suspected by some that the mayor entertains little love for our magistrate, who found McGreevy guilty and assessed a

## Heat Wave Douses Lights Temporarily

Something was in the air this week in Belleville — heat — lots of it.

Though Public Service officials said voltage drains were not the cause of a brief power failure in Belleville Monday night, there was no doubt that the two-hour loss of air conditioning, lights and television made the muggy evening harder to bear for 200 to 300 families in the northwest section of town.

A public service spokesman said the failure was caused when cooling oil in a transformer at 10 Crescent Terrace caught on fire and killed electrical service from about 8 p.m. to 10:30 p.m. in a 10-block square section of town.

Power failures occurred throughout parts of Northern Jersey Monday, but Public Service officials said the Belleville problem was independent of the rest.

Clara Maass Hospital suffered only a slight dip in voltage.

This week's heat wave posed another problem to local authorities — open fire hydrants. Though the problem has been most severe in the large cities, Belleville Deputy Fire Chief William Fabian Jr. said firemen "have been shutting off 30-35 hydrants each day. We don't have the same area as the cities, but percentage-wise, this is the same amount."

The deputy chief said the open hydrants haven't caused any water pressure shortage yet, although an open hydrant spews 600-900 gallons of water per minute. He added if

any pressure would occur, it most likely could happen in the Silver Lake section, which is fed by water lines from Newark. However, he said, the Newark Department would notify Belleville if a pressure shortage was imminent, and so far, none has developed.

The department has 16-17 sprinkler caps for hydrants, he said, which emit only 35-60 gallons of water, and these are

## Deadline Near For Bus Trip Applications

Applications for the second annual Belleville Senior Citizens' Bus Trip to the shore is Wednesday, July 18.

Applications, which can be found on page two of the Times, must be received on or before that date by the Town Recreation Department in order to place reservations for the bus trip to Ocean Grove.

The trip includes a scenic tour of the Jersey shore with dinner at the Homestead Restaurant in Ocean Grove. Last year, seven buses took seniors on the excursion.

constantly in use. Fabian said the Department is having more sprinkler caps made. He emphasized citizens should inform the department whenever they see a hydrant going red.

Arthur Lenehan of Public Service said there is plenty of power to go around in North Jersey, but the sporadic transmission problems Monday night strained the work crews sent out to take care of them.

Police reported the switchboard at Headquarters was swamped with calls from residents who had lost their power Monday night. Public Service Electric and Gas Company reached a peak of 6,308 megawatts generated on Monday, not quite reaching the record of 6,639, set on June 12.

Nearby North Arlington was hardest hit by the electrical transmission failures Monday afternoon when the power went off for 25,000 customers and in Lyndhurst.

Kearny and parts of Newark were also affected by the disruptions, all of which, said Lenehan, were due to transmission problems and not to voltage reductions.

## Friday Night Fight Is On At Stadium

The twice-postponed meeting between the Golden Gloves championship teams of New York and New Jersey will be held tomorrow night, 8:30 p.m. at Municipal Stadium.

The fights, sponsored by the Veteran Boxers Social Club of New Jersey, Inc., will benefit the Craig Fabian Fund, the Cerebral Palsy Clinic in Belleville and the Little Sisters of the Poor.

Originally scheduled two weeks ago, the event was delayed by a heavy rainstorm which even forced cancellation of the rain date for the next evening.

Tickets will be sold at the gate.

## Calls for Park Bicycle Route

If Environmental Improvement Commissioner Cosmo S. Palaia has his way, there will be a special route in Branch Brook Park set aside solely for the use of bicycle enthusiasts every Sunday.

Palaia has submitted his proposal to the Essex County Park Commission where, he says, it did not receive a very warm welcome. So he is now campaigning among members of the Essex County Board of Freeholders for support of the program.

The Freeholders, says Palaia, are more receptive to the idea, which, according to Palaia, "won't cost a dime — it's just a matter of blocking off a mile and a half stretch of road on the west side of Lake Street."

Palaia was scheduled to meet with the other members of the Environmental Improvement Commission yesterday to garner support for his pilot program, which would set aside the route every Sunday. He said some Freeholders have already promised to back the idea.

Palaia points to similar programs in Central Park in New York and in neighboring Nutley as proof the concept is workable. Nutley's pilot project was so successful, he said, the Town officials extended the length of time for the program.

# Construction Begins on Imhoff Home

Thanks to the work done by the Craig Fund, and the contributions donated by Belleville residents, fund recipient G. Dewey Imhoff will soon have a special extension built onto his home.

Imhoff, a paraplegic since a serious automobile accident in February of 1969, has had to convert the living room of his home to a bedroom and can only move from the second floor of the house to street level without assistance by using a hoist arrangement of his own design.

In keeping with the fund's goal to help each of its four recipients to be self-sufficient, the extension will include a bedroom and bath facilities — allowing him to work and function without supervision.

Imhoff, in his mid-forties, became a fund recipient a little over a year ago, joining Joe Restaino, William and Craig Fabian. Independent by his nature, he was reluctant to approach the Craig Fund, thinking they were devoted only to aiding Belleville's handicapped youths.

The work now being done on his Academy Street home is similar to the extension added onto the Fabian home. In fact, the Fabian construction was the initial project undertaken by the fund.

Outgoing fund president Michael Rosamilia pointed out the financing of the Imhoff project will be different than that used to support the Fabian construction, which included donation of building materials and labor from various merchants and private citizens.

Kearny contractor Angelo Costello has agreed to build the extension at the low cost of \$11,000. The price was far lower than quotations submitted by two other builders and Rosamilia acknowledged "we feel we're getting a break."

The financial worth of the fund is now at about \$14,000, with \$5,000 of that sum on loan.

Rosamilia said the proceeds from July Fourth's Craig Fabian birthday candles sales will bring back about \$3,000 towards paying off the loan. The fund is also due to receive 20 percent of the proceeds from tomorrow night's Golden Gloves confrontation at Municipal Stadium.

Imhoff, a veteran of World War II and the Korean Conflict, a former Legion commander of Post 73 in East Orange, and a Boy Scout official, has worked hard on his own to overcome his handicap, and is noted as one of the fund's most diligent workers, covering miles of Belleville in his wheelchair to collect donations.

In order to overcome the hardships of movement from the second floor of his home, he designed a moving platform to street level which utilized a boat hoist and cables and could be operated by himself from the platform. However, it was still necessary for the Imhoff family, which includes Mrs. Imhoff, two sons in college and a married daughter, to convert the living room to a bedroom. With the extension, designed free of charge by Belleville architect Michael Trotta, fund officials believe the family will now be able to entertain friends more comfortably.

The Craig fund now stands as one of the most successful service organizations in Belleville. Rosamilia said he believes one of the reasons for this is the fact that such projects as the home extensions are visible to the public. "This is something which the people who donate can actually see happening right in their hometown. They can ride by these homes and actually see the results of their contributions."

Fund Vice President Caesar Romano said the projects, and other ongoing work by the fund, "makes the recipients self-sufficient, and that's what we're trying to do as a fund — help these people work and function on their own, whether there's someone else with them or not."

Beneficiaries of the Craig Fund also receive financial aid towards medicine, rehabilitation at Kessler Institute and physical therapy.

New officers for the fund are President Rev. Alfred Stone, First Vice President Caesar Romano, Second Vice President Mary Senatore, Secretary Bob Gaccione, Treasurer Edward Albreton and Recording Secretary Viola Narucki.

The fund was begun four years ago to aid Craig Fabian, 19, who was paralyzed from the waist down in a swimming accident.

FUND RECIPIENTS G. Dewey Imhoff and Craig Fabian watch the recent Independence Day festivities at Municipal Stadium.

## Summer's the Season...

## Scouting Activity Nears Peak

Belleville Cub Scouts and Boy Scouts still have an active summer Scouting program ahead of them, David Haight, district camping and activities chairman has announced.

The town's 720 Scouts, from 30 packs and troops, are

now and will be involved in a variety of programs.

Heading the list will be a one or two-week experience at Camp Mohican, the Robert Treat Summer Camp near Blairstown. The beautiful 1,700 acre land tract located in

the Kittitany Mountains contains some of the best wilderness land of New Jersey. The Scouts (11-17) will be taking part in a variety of activities; among these are ecology, nature, pioneering, hiking, sports, and aquatics. This summer camp will provide the Scouts with an opportunity for earning their skill awards and merit badges towards the completion of the Eagle Progress Award.

The following Troops will be attending Camp Mohican this summer under their own adult leadership. The adult leaders listed have volunteered a week or two weeks vacation to be with the Scouts.

- Troop 301 - Wesley Methodist Church - July 1 to July 15. Leaders are Art Whitman and Joseph Meglio.

- Troop 302 - Bethany Lutheran Church and Troop 307 School Seven O.P.E. - July 1 to July 15. Leaders are H. Max Carroll and John O. Frade assisted by Charles Buccino and Larry Dempsey.

- Troop 350 - Fewsmith Memorial Presbyterian Church - July 8 to July 15. Leaders will be Police Chief Joseph Smith and Charles Hill III.

- Troop 372 - Belleville Reformed Church - July 22 to July 29. Leaders will be Walter Poniken, Bob May, and Jack Ferriera.

- Troop 387 - St. Anthony's Church - July 1 to July 15. Leader will be Thomas Sibilia.

- Troop 304 - School Four

P.T.A. - August 19 to 26. Leader will be Allen Gibson.

Troops 304 - School Four P.T.A. and 387 of St. Anthony's have joined forces to attend the National Scout Jamboree near Moraine State Park in Pennsylvania. That National Jamboree will feature some 30,000 to 40,000 Scouts from across the United States gathered together for fun and fellowship in the true spirit of the Scout Oath and Law from August 3 to August 10.

The Scouts attending are Jack Kelly, Frank Constantine, Steve Lucas, Allen Gibson Jr., Mark Gibson, Luke Suppa, Steve Sylvestro all from Troop 304 and Frank Elefante, John Vizzone, and Ronald Pagnet of Troop 387. The leaders will be Allen Gibson, scoutmaster of Troop 304 assistant scoutmaster.

Troop 375 of St. Peter's under the leadership of Scoutmaster Robert Fersch, will be spending a week from July 8 to 15 on the Delaware River. The Scouts will be enjoying a canoe trip and fishing trip.

Cub Scout Packs will be holding a variety of activities during the summer months as they qualify for the Summertime Pack Award. Among these include pool parties, trips to Scout National Headquarters, and family picnics. The Cub Scout leaders under Thomas Balsamo, cubmaster of Pack 350, conducted a Summertime Olympics on July 7. All Cub Scouts in Belleville were invited to take part.

## School Advisory Group Holds Planning Meeting

The Belleville Public Schools Curriculum Advisory Council held its organizational meeting last week at the Junior High School.

Chaired by Michael Rosamilia, assistant superintendent of schools, the council contains 16 staff members and serves as an advisory arm to the Board of Education. They consider matters related to curriculum improvement, teaching techniques, in-service training, pupil testing and evaluation, research and experimentation, and educational specifications for buildings in conjunction with curriculum changes.

## Reducing Speed Limits

Several states have reduced speed limits on state high-ways in an effort to reduce gasoline consumption and others are considering such a step. There's no doubt reduced speed (and turned off air conditioners) lower fuel consumption.

Those compelled to drive at the upper limit can use the federal highways, where the limit is still 70 m.p.h. That doesn't enable all motorists to continue driving as in the past but the superhighways can accommodate most long-distance travelers and thus lower state limits won't inconvenience everyone. In addition, lower speeds mean fewer accidents and death; this is on the positive side.

Nevertheless, there's something about blanket speed reductions which disturbs

many people. If the gasoline shortage is largely contrived, having been caused by deliberate failure to properly provide for the nation's needs, as many feel, the public is now being forced to react in the way of lower speed limits.

Though lower limits may produce side benefits, Americans are nonetheless forced to comply with a new situation because of inadequate planning and foresight.

If lower limits are desirable that proposition should stand or fall on its merits. The nation, meanwhile, should have adequate fuel at prices not greatly different from those in recent years, and this can be accomplished by vigorous, imaginative cooperation between the energy producers and a federal government using the carrot, and stick.

## Roosevelt & DeGaulle

The late President Roosevelt's personal bodyguard, Michael Riley, died recently at 63. He is remembered for angering secret service officials in this country by writing about his wartime experiences.

The most eye-opening revelation in his book was his description of the intense bitterness between Charles DeGaulle and Roosevelt, as early as 1943 — and herein lies one of the seeds of U.S.-French differences in the post-war years.

Roosevelt angered DeGaulle when the United States recognized General Giraud's authority in North Africa, in 1942. DeGaulle was also embittered because Roosevelt favored independence for

French Indochina (Vietnam, Laos and Cambodia).

Riley wrote that DeGaulle was the only man who had prompted him to draw his pistol, unobserved behind curtains. The occasion was a meeting between Roosevelt and DeGaulle in 1943. The French leader detested Roosevelt, he later wrote, and abused him violently.

Prophetic words! FDR was right about French Indochina — had the President's wish been followed, America would have been spared the awful cost of Vietnam two decades later. And FDR's personal appraisal of DeGaulle as a pompous trouble maker, a man of vanity and visions of grandeur of another time, was also on target.

## American Wine

Time was that when a host or hostess entertained the best, or at his or her best, the choice of wine was almost invariably French, German, Spanish, Portuguese, or perhaps Italian or Hungarian.

That remained true for many years after prohibition ended, in 1933, and the United States had again become a wine producer. U.S. producers had a lot of catching up to do to equal or match foreign quality and standards. But the day of catching up is dawning.

The more impressive producers in this

country have taken to the practice of producing varietal wines, and labeling them as such. These are wines grown from a certain grape. Some of the leading producers have imported vines from France and other countries.

U.S. producers have also duplicated the oak barrel aging process in some cases. Other methods and controls have been adopted so that it's possible today to buy a really fine U.S.-produced wine — white rose or red.

## Holmes' Room

The fans of Sherlock Holmes, that matchless detective who captured the hearts of mystery readers all over the world, will be sorry to learn that his private room in a Swiss castle, maintained by Sir Arthur Conan Doyle's son until three years ago, is to be moved.

Some of the collection of Sir Arthur has been sold to a Swiss antique dealer, though the items associated with his literary career and Holmes' sitting room are being

retained by the Sir Arthur Conan Doyle Foundation.

The Foundation, headed by the wife of Sir Arthur's late son, plans to find new quarters for Holmes' sitting room furnishings (221-B Baker Street). Until now one could visit the Baker Street address at the Chateau de Lucens.

It's inconceivable that the Baker Street sitting room would be lost to the literary world. What would Dr. Watson think about that?

# Belleville Police Asking For Gun Control Law

By Peter M. Clark

### One Year Ago

The 1972 United States Olympic Team was scheduled to race in Nutley for the first annual Tour of Nutley, a fifty mile bicycle race through the heart of town. The Race, officially known as the Jeffery Husse Memorial Race had as entrants the twelve man Olympic Cycling Team, as well as more than 100 other riders competing for trophies and prizes. The race was to be sponsored by the Nutley American Legion Post and the Nutley Bicycle Club.

The Board of Education reversed itself in its weekly meeting by voting to reinstate the pay hikes for Belleville's two top education administrators, Anthony Greco and Michael Rosamilia. However, the Board did reserve to take away the raise as of December 31. While the apparent try for unanimity was evident in the 5-1 vote, it has taken almost two hours of argument for them to finally reach an equitable decision.

After a short but interesting public meeting, the Belleville Commission decided to shelve the matter of whether or not the Pathmark food store chain would be allowed to have one of its stores in Belleville remain open 24 hours a day. Of the ten people speaking about the proposed ordinance to limit the hours that stores might remain open in Belleville, only two agreed with the measure. All of the others stated that they felt that having a store open all day would be of great service to the community, rather than a potential hazard. The Town wanted to limit the hours because of the need for increased police protection.

### Five Years Ago

Belleville Mayor Kenneth D. Smith emphatically stated his opinion on Anthony Imperiale and his crew of "frightened men" who had decided to take into their own hands protection of the Belleville-Nutley area in radio-equipped patrol cars. "These men can most politely be referred to as vigilantes," Mayor Smith stated, for the record and for the press. We don't condone them and we don't want them. We aren't interested in a vigilante group of any kind. We have a very capable police force.

A Belleville Police Department spokesman, in the wake of the slayings of Robert Kennedy and Dr. Martin Luther King, and the formation of Belleville's very own vigilante group, headed by extremist Anthony Imperiale, admonished the Federal Government for not passing some form of gun control law similar to New Jersey's own. He stated that while it would cause much more work, that it was well worth the effort. He also stated that the law would not hamper legitimate persons from purchasing arms, and that it was not necessary to have a permit to shoot or to target shoot.

The Belleville Little League planned to start something new: a softball league for girls between the ages of 9 and 12. It was felt that too much emphasis had been placed on the male sports, and not enough on the so called "weaker sex", which could play "almost" as well as the boys, with practice, 40 girls had already signed up for the league.

### Ten Years Ago

Governor Hughes' \$750 million bond issue seemed to be heading for rough waters. The Governor wanted the money for more state aid to education, local highway aid for improvement of existing roads, and reconstruction of public buildings and welfare programs.

Mrs. Mary Senatore was elected the new Belleville Democratic chairman, or chairwoman, as the case may be. The recognition was placed upon the only elected

member of the Belleville Democratic Committee than by no less an august body than the Essex County Democratic Committee.

An estimated 18,000 turned out to watch the most widely attended Independence Day celebration in the history of Belleville.

### Fifteen Years Ago

Ralph Eric Heinzen, editor and publisher of the Belleville Times questioned Governor Robert B. Meyner on the New Jersey Supreme Court's decision compelling tax assessments at full value in 1959. Editor Heinzen questioned the need and the advisability of such a move, and was told that the state needed the money very badly, if it wanted to "continue to grow and prosper."

Mayor Isadore Padula, of Belleville, reopened the demand of Belleville and Nutley for a Third River Park in substitution for the Passaic Riverbank Park, which had been taken away. Mayor Padula continued to stress the need for more and better play areas for children, stating that they were a necessary part of each child's development. Padula, in demanding the Third River Park, stated that he would reject any alternative offer.

The Board of Commissioners studied a compromise offer by Rutan Estate Inc. to settle its suit against Belleville. The owners offered to settle for 50 percent of the \$51,000 for which they were asking, in exchange for forgetting the entire matter. The Commission decided to take the deal under advisement.

### Twenty Years Ago

The Belleville Teacher Association filed a petition with the Belleville Board of Education asking it to kindly please stop negotiating with special groups and to negotiate with the Association as a whole. It was stated that the Boards policy of negotiating salary raises individually or with just a few teachers was grossly unfair. This resolution was stated by Raymond O. Smith, the President of the Belleville Teacher's Association.

Mayor James J. Tully, a Marine Corps reserve major was on hand at Port Newark to swear in a special Marine Company leaving for training on Parris Island. Among the 200 Jerseyans was Fedele Galioto, a Belleville resident.

C. Brower Woodward, supervisory plant engineer at New Jersey Bell Telephone Company's Northern Essex office, was elected chairman of the Newark Suburban Council of the Telephone Pioneers of America. Woodward, in addition to his phone activities, was also a pioneer in Cub Scout movement and was also an active Boy Scout.

### Twenty-Five Years Ago

A Ford Coupe, a 1939 model was sold at a Public Auction, and brought more than \$460. The auction had been conducted by the Public Safety Department. Another car, a Ford Truck formerly used by the maintenance department, was sold for a pittance, a mere \$250.

Belleville was the first town in the state to strike a blow at high rent costs for housing. The Town amended an ordinance to allow 200 housing units to be constructed with a rent level of 60-65 dollars per month.

Diplomas for participation in the second annual Girl's State, sponsored by the American Legion Auxiliary were presented to eight Belleville High School Girls. 194 girls were presented such diplomas throughout the state, for taking part in a study of local and state governments and how they operate.

# Varsity Club's Organizer Sends Thanks

To The Editor:

The 15th Annual All-Sports Dinner sponsored by the Varsity Club of Belleville was a huge success, due to the combined efforts of many individuals and organizations.

On behalf of our president, Mr. Thomas Mack and myself, special "Thank You" to the Belleville Times and Mr. Ken Moore for the publicity afforded and for the photographic coverage supplied; To the parents of all the seniors for their support in attending and to all our friends who attended to honor our senior award winners, to the High School administration and its staff for the assistance in providing the list of awardees, to the Rev. Benedetto Pascale for his religious and spiritual contribution and finally to all members of the Dinner Committee.

It is this type of community spirit and cooperation that makes Belleville worthy of its name, "Beautiful Village".

# He Says Demand To Declare Party Cut Down Vote

To The Editor:

All primary elections in the United States require that, prior to voting, an individual must declare himself a member of one of the existing political parties. This rule is archaic, as Americans we have the right to vote. The system used should be changed to allow registered voters to lock themselves into a party line once behind the curtain. If you look at the results of the last primary election in our area, you will note that the turnout was very light. This is due, basically, to many people not wanting to declare themselves in any manner, shape or form to anyone.

If you believe that this law should be changed as stated above, take the time to write your county, state and federal legislators asking their assistance in effecting said change.

While you have pen in hand, why not add another paragraph to your letter to our state legislators asking them what "logic" led to placing Belleville in the newly created 30th District consisting of Newark's East Ward and North Ward, East Newark, Harrison, Kearny and Secaucus, when, in essence, we should be categorized with communities of similar background such as Nutley, Bloomfield, Clifton, etc.

five dollar fine in the matter.

Bob Laterza's words were well spoken in justifying his stand in this case. Time will determine whether McCoy gets his money or not, but if you're a betting man I'd say put your money on McCoy. He knows his law as well as he does his municipal finance.

Even the Pope is having difficulty in these troubled times. With the restive demands and undercover revolt among some members of upper echelons of the Roman Catholic church the Pope's office in charge of bishops has issued a directive stipulating that the first duty of a bishop is too "agree with the Roman pontiff" in all matters of faith and morals.

The directive calls for all bishops to be chaste and poor, bequeath to the church any income he receives while in office and avoid public discussion of church problems.

The Pope's action was taken at a time of increasing dissent in the Roman Catholic church among clerics and lay people. Some ecclesiastical authorities, notably in the Netherlands, also have gotten into trouble with papacy over church doctrine and Vatican control.

The Pope's 150 page directive, issued on the eve of Pope Paul's tenth anniversary in office said a bishop could hardly prove to be fully dedicated to the good of his diocese unless he "cultivates" his faith.

"In matters of faith and morals the bishop regards as his duty to be tuned in with the church, to agree with the Roman Pontiff, the directive agreed.

Our town governing officials are very lax in resolving many dilemmas and hardships brought on many of our present and former residents through their neglect in failing to have had promptly settled and closed out local assessments that have been hanging fire for almost 10 years in some instances.

One former resident writes complaining of having \$1040 tied up in an escrow account in a local bank since May 19, 1965 which can't be touched until such an outstanding assessment is settled.

The complaining party says he did speak to Mayor McGreevy on the telephone regarding the matter and was told by the Mayor that he had brought his case up at a meeting of the commissioners without results, allegedly saying there are a couple more cases to be decided, although involving less money held in escrow and for a lesser period of time.

According to the gentleman's letter he was informed that for all these years the town has been trying to make up the figures on the improvement of Greenwich street and was told there is very much time involved in this work, since "nobody wants to do it and nobody likes to be responsible for it."

Should the statement submitted be true, it is indeed a sad commentary on the manner in which town matters are being conducted at town hall. Such unbusiness-like methods demand immediate correction.

# Two Professional Duffers Are Nutley's Native Sons

over 6,500 years. Nobody in the county has ever done it."

An early-rising (7 a.m.) contingent of timers, followers and onlookers (some standing along the fairways still clad in their pajamas and housecoats) watched the former PGA and U.S. Open championship competitor get two birdies (Nos. 7 and 13) and three bogeys (Nos. 6, 8, 11).

Volpe's quickest hole (32 seconds) was No. 9 where he sank a 12-foot putt for a birdie. His slowest was the par-five No. 2 when he lost sight of the ball. It took three minutes and 17 seconds to complete.

"If it hadn't been for that boo-boo on No. 2," Volpe said, "and a few other stray drives on the front nine, I believe we could have done it three minutes quicker. Everything went smooth on the back side."

"Yeah," said his driver, former United Press International Sport Editor Oscar Fraley. "If you hadn't stood around gloating over your drives on the back nine, you would have saved yourself at least two minutes."

Fraley, driving a four-cylinder greens cart, estimated his speed down the fairways at "between 30 and 40 miles per hour."

Volpe had set up his rig so that he could sit in the open bed at the rear with his clubs pointed in such a position that he could easily jump from the cart, pull the right club and hit - all seemingly on the run.

Volpe lost a wedge and two-iron in his rush.

"It was actually a lot of fun," Volpe said. "I bet within a week I'll begin getting all kinds of challenges. And we'll take 'em on if they can qualify. I wouldn't accept a challenge with any more than a 35-minute round. Who wants to sit around and wait on somebody who takes 45 minutes to play?"

Two early golfers teed off just behind Volpe and as Volpe came in on the 18th, the two men had completed only four holes.

Commented one, "Look at that bleep go will ya? Wonder what in the bleep he ate for breakfast?"

Volpe tried to keep his breakfast as light as possible.

"I play better when I'm a little hungry," Volpe said. "It gives me something to shoot for - a big breakfast when I finish. I went to bed early. We did take a couple of short practice runs at it. Other than that, I looked at the whole thing as a fun idea."

Volpe vows he'll try it again.

"Hell, yes. I'll try it again," he said. "Maybe with a few revisions, though. It's hard to say what we could do it in. Maybe in 25 minutes or less."

"That's one thing about golf. There's all kinds of unique things you can think up to try and shoot. I believe things of this kind will catch on. It makes the game a whole hell of a lot more interesting."

**NUTLEY HAS GIVEN BIRTH** to two nationally known professional golfers, both boys a product of the Avondale-Big Tree area of Nutley. John Cafone has been the golf pro at the Manasquan River Golf Course for more than 20 years.

The other active golf pro is Jerry Volpe. Jerry has owned his own golf courses in North Jersey and last winter went to Florida with his wife Kathy and four of their five children where he took over the Crystal Lago Golf Club in Pompano Beach, Florida.

Last Saturday Edith and I visited the Volpes at their Crystal Lago retreat and we discovered a very outstanding golf treat right under our very Fort Lauderdale noses. It was good to see Jerry again after a lapse of many years and one could report that all the Volpes are in tiptop shape and looking forward to greeting their New Jersey friends at Crystal Lago.

Recently the Fort Lauderdale News carried a sports story on Volpe's effort to establish a new world record for playing a round of golf. The Fort Lauderdale News story by Chuck Morley is reproduced in full:

**POMPAÑO BEACH** - "What's the time? What's the time?" Jerry Volpe screamed as

he sailed down the ninth fairway, his hair blown straight out as if he had just received an electric shock.

"Sixteen-thirty nine," came the reply. "We'll have to do better than this," Volpe yelled back. "We're way behind."

Volpe, owner and pro at Crystal Lago Country Club, was a little more than two minutes behind in his bid to set a record for playing 18 holes of golf in the shortest length of time.

He finished the round in 32 minutes, 12 seconds and 73 strokes-one over par-on the 6,591-yard course.

The existing record was recently set on foot by Dick Kimbrough, a North Platte (Neb.) College history professor. Kimbrough toured North Platte Country Club's course in 30 minutes, 10.3 seconds, but he took 107 strokes.

But failing to beat the mark didn't seem to bother Volpe much.

"Let's put it this way. I beat anything Nicklaus or Trevino has shot by at least two hours."

"Listen I'm 59 years old," he said. "I'm no Olympian. I feel shooting 73 in 32 minutes has got to be some kind of record. It's probably the fastest ever shot anywhere

## At Newark State College

# Award Diplomas to 24 Locals

Twenty-four Belleville residents received degrees during graduation ceremonies at Newark State College recently during the 118th commencement exercises held on the College Green at the campus in Union.

Angela Marie Belli, daughter of Mr. and Mrs. Dominic Belli of 62 Wilber Street was awarded a bachelor of arts degree for studies in early childhood education. She had been named to the Dean's List.

A graduate of Belleville High School, Miss Belli was a member of the Senior Senate, the Booster Club, a vice president of the French Club, a member of the poster club and an office helper.

Karen Caputo, daughter of Dr. and Mrs. Carmen Caputo of 379 Union Avenue received her degree in early childhood education.

While at Newark State, Miss Caputo was a member of Kappa Delta Phi, an honor society in education, and was on the Dean's List for three years, graduating cum laude.

She attended Belleville High School, where she was a twirler and a member of the Honor Society and the Baker's Dozen.

She plans to teach elementary school.

Awarded a BA in elementary education was Bernadette Cardinale, daughter of Mr. and Mrs. Stephen Cardinale of 97 Watchung

Avenue. At Newark State, Miss Cardinale was named to the Dean's List and was a member of the Students' International Meditation Society.

A graduate of Belleville High, she plans to enroll in a teacher training course in transcendental meditation at the Mahatishi International University in Spain. She is a teacher of the science of creative intelligence, whose practical aspect is transcendental meditation.

Patricia Ciccone, daughter of Mr. and Mrs. O. Ciccone of 120 Crest Drive graduated magna cum laude with a bachelor of arts degree in elementary education. She is a member of Kappa Delta Pi Honor Society. She is also a member of Nu Theta Chi Sorority and was a cheerleader at Newark State.

She is a graduate of Belleville High, where she was a member of the National Honor Society and captain of the cheerleading squad.

She is presently enrolled in the master's program at Newark State.

Mrs. Jelsia Caprio Cortese of Belleville received a diploma in elementary education while graduating magna cum laude.

At Newark State, she was a member of the Renata Club, and is presently an officer-at-large of Kappa Delta Pi Honor Society.

Mrs. Cortese is a graduate

of Berkeley Secretarial School and Barringer High School, where she was secretary of the Latin Honor Society and a member of the Italian Honor Society, the National Honor Society and the Social Dancing Club.

She is seeking employment as a teacher-librarian. Mrs. Cortese has two sons who attend Belleville Junior High; she was active in the PTA of School Three for nine years and was president of that group for two years. She was a volunteer worker at the School Three library for six years, and in the next year will serve as historian for the Senior High School Home and School Association.

Patricia Delano, daughter of Mr. and Mrs. Thomas Delano of 235 Overlook Avenue earned a bachelor's degree in elementary education. She was named to the Dean's List and was a member of Kappa Delta Pi Honor Society. At Newark State, she participated in S.C.A. T.E. tutoring service.

While attending East Orange Catholic High School, she was a member of the glee club and was listed on the honor roll.

Miss Delano has been a student teacher at Spring Garden School in Nutley.

Angelo John De Tata of Belleville, son of Mr. and Mrs. Dominick De Tata of Bloomfield, was awarded his master's degree in administra-

tion and supervision. He holds a bachelor of science degree from Seton Hall University.

His master's thesis was titled "The Effect of Teacher-Board Negotiations Upon the Administration of Public Schools in New Jersey."

He is a graduate of Essex Catholic High School where he was a member of the debate club, the history club, the track team, bowling team, the baseball team and was listed on the honor roll.

He intends to attain a doctorate in board-teacher relations and is seeking employment in a local school system.

De Tata is a member of the Belleville Jaycees and manages a local farm team.

Sharon Joy DiQuattro, daughter of Rev. and Mrs. Anthony DiQuattro of 100 Rossmore Place graduated summa cum laude with a degree in elementary education.

She was named to the Dean's List for four years and was a member of Kappa Delta Pi Honor Society. Miss DiQuattro was also president of the Inter-Varsity Christian Fellowship.

While attending Belleville High School, she was president of the Honor Society, assistant editor of the yearbook and a member of the chorus.

Lynn Louise Haege, daughter of Mr. and Mrs. Herman C. Haege of 40

Princeton Terrace received a bachelor's degree in elementary education. At Newark State she was active in the Theatre Guild for four years and was historian of the Executive Board.

A Belleville High graduate, she was a member of the Honor Society, the French Club, the Booster Club, the Future Teachers' Association and worked on the newspaper and the yearbook.

She has been employed at the Belleville Public Library.

Dorothy DelNegro Havel, daughter of Mrs. Marie DelNegro of Troy Towers, Bloomfield, received a master's degree in reading specialization.

A graduate of Barringer High School, she is a special reading teacher in Belleville and has taught in the system here for 20 years.

Linda La Para, daughter of Mr. and Mrs. Angelo La Para of 163 White Oak Terrace was awarded a degree in fine

arts education.

While attending Newark State she was active in art workshops. She is a graduate of Belleville High School. She is seeking employment as an art teacher.

Susan Anne Ross, daughter of Charles Ross of 102 Malone Avenue received a bachelor of arts degree in early childhood education. At Newark State she was a member of Beta Delta Chi sorority.

A graduate of Our Lady of the Valley High School in Orange, where she was a member of the yearbook staff, the glee club and the twirlers.

Patricia Ann Santoli, daughter of Mrs. Frances Santoli of Florence Avenue was awarded a degree in special education.

At Newark State, she was president of Beta Delta Chi Sorority and a member of the Council for Exceptional

## Suppose we lose the Energy Race?

Our quality of life would take a giant step backwards.

Living standards and energy are bound together. It's been that way since the beginning of time when primitive man's only energy was his muscle, and survival his only goal. It wasn't until he discovered new sources of power (the wheel, wind, fire, water, coal, oil, natural gas) that he achieved economic well-being, a better quality of life, and the leisure time to enjoy it.

Now our way of life is being threatened by an impending energy shortage brought about by the opposition to nuclear energy plants. Further delays in their construction would open us to catastrophic dangers.

Without nuclear energy, brownouts and blackouts are a certainty in the near future. Electricity will have to be rationed. Power cuts will bring with them great discomforts. We'll breathe dirtier air without clean nuclear energy to provide the electricity. Our streams and lakes will stay polluted without the power to run new sewage facilities. With insufficient electricity to build new homes and cities there will be overcrowding everywhere. There will be no new industries to create job opportunities. Unemployment will reach new highs. Our food and fresh-water supply will also be affected.

President Nixon's scientific advisor, Dr. Lee

DuBridge, summed it up this way: "Without energy, our whole civilization in this country as we know it just comes to a halt."

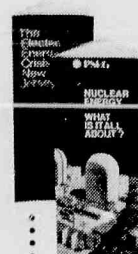

We are a country that lives on energy. And by the end of the century we will require some 2 billion kilowatts of capacity to generate the power needed to maintain our high standard of living. It is our obligation to the future to provide that energy, but we can't do it without nuclear plants. And we can't build them in time without your support.

If you want to maintain your standard of living and improve that of the less fortunate, speak out for nuclear energy. You will be heard, and we will win the energy race. We must.

I attended the "Christmas in July" party at the home of Mrs. Rose Brosius on July 3. What fun! The rec room had a Christmas tree, Christmas tablecloth and napkins, hanging mistletoe and Christmas Carols on the record player. The food, too, was of that season and I met some real nice gals that evening - Mrs. John Bordonaro, Mrs. Lucille Luongo, Mrs. Lenore Prato, Mrs. Marianne Chickene, Mrs. Marie Mundy, Mrs. Phyllis Tambourino, Mrs. Rose Biondi and Mrs. Fay Fulcoli.

Next thing I knew, Santa Claus walked into the room...with a ho...ho...ho and a sack full of gifts for the guests. The Brosius children can now sing: "I Saw Daddy Kissing Santa Claus!" For those of you who didn't read this column last week, Mrs. Brosius decided to give this unique party as she had just finished creating nativity figurines in her ceramics class. The animals were breathtakingly beautiful...as the guests left the party, a "Hapy New Year" and Merry Christmas" was wished to one and all...

I delightfully shocked some people later that evening at American Legion Post 105 when I quipped: "I just came from talking to Santa Claus!"... Happy birthdays were wished to Ray Wellen, commander-elect and Ken Carragher. In addition to Ray, other officers to be installed on August 25 are: Ray Kinsley, first vice commander, Fred Bohlen, second vice commander, John Arthur, third vice commander, Harry Murphy, sergeant at arms, John Kapucinski - historian, P. Lee, finance officer, Hank Steele adjutant, Fran Kiernan, immediate past commander will

head the offices of ritual and service. Congrats to Pat Wynn of the Post on being elected Essex County vice commander...he is a former commander of Post 405. Whoops - just found out - John Wedekind will be installed as chaplain and the executive committee consists of Pat Wynn, J. Gorman, J. Throckmorton, M. Marx and Frank Kiernan.

Speaking of Pat Wynn, understand his son, 2nd Lieut. Pat, is at Ft. Benning, Ga. with his bride, Cynthia. Young Pat has three more "jumps" to finish training and, out of a class of a few hundred, Pat is fifth in his class standing.

Nice going.

### DRAMA NOTES

Well, the "Y" Theatre productions have finished their first performances. The kids had a good time as did the adults. You probably noted in last week's paper that one of the one-act plays walked away with all honors - "Good Night Caroline," as judged by some pretty well known people - Grace Purdue, Carol Yudin, Jim Dasaro, Andy Robinson, Jim Cozzarelli and - our own editor-Ken Moore. After the judges finished the hard task of deciding the winners, but before the announcement - Bob Lefebline presented them with a hand-lettered plaque of appreciation, already mounted in a picture frame. Mrs. Carolina Furno, art teacher at the Junior High did the intricate lettering. All this took place at the June 28 performance.

On the last evening of the show, the youngsters surprised Mr. Lefebline, Mrs. Furno and Miss DeBonis with some huge gifts, and the adults had to wade through

about three boxes of old newspapers to get down to the gifts - moonshine for Lefebline - a plant for Mrs. Furno and a wallet for Miss DeBonis. Also at the last performance Mr. Lefebline presented a plaque to Hank Burden of the "Y" for his participation. Oh, yes - who were the winners? Best actress - Herminio Gioia...best actor - Raymond Williams...best student director - Diane Williams and Best All Round Play - "Good Night Caroline"...the youngsters will be preparing for their next production during the summer.

### THE FOURTH

I guess nobody went out of town on July 4th, as there were a few hundred thousand (it seemed) people who jammed the stadium to view the circus and fireworks. Selling candles for the Craig Fabian Fund were Mrs. Ceil O'Toole, Mrs. V. Narucki and Mrs. V. Spray. Some others I saw that evening were Lois and Gus Servidio, Betty Rosamilia, Toni Fazzari. It was thrilling to see all those people in the stadium stand up at the sounds of our National Anthem and all the policemen saluting. Another sight to cause shivers was the lighting of the candles as "Happy Birthday" was sung to Craig Fabian. Looking around, children were on dads' shoulders, young moms were rocking babies and three-year-old boys were playing "dead" with each "boom" of the fireworks. During the festivities, understand that the fire department and police auxiliary were applying first aid to youngsters and the fire truck had to put out a small fire. It really was a nice night and great to see all of Belleville together on something...howcum we can't get all those people out to vote?

### SEP

Please - for all odd jobs consider hiring a teen this summer. Available are dog walkers, groomers, babysitters, typists and mothers'

helpers. Also - pool cleaners, sign painters and party-cleaners. Just think - if you have a barbecue or whatever, you can relax and enjoy yourself if you hire a teen to do the cleanup. By hiring a teen you keep a youngster busy, off the streets and are helping him learn responsibility. You may call me on Saturdays, 10 - 2, to line up a teen for the following week. Thanks ever so much.

I'm happy to say I have a volunteer to help me find jobs for the kids this summer - Mrs. Betty Burns. The other of five daughters, Mrs. Burns works from 9 - 4 in Newark, but said if anyone wishes to call during the week to hire a teen, they may contact her at 482-0106. As busy as she is, Mrs. Burns notes a lot of programs going on for kids in Newark and she feels the SEP in her own town deserves some of her time. Thanks, Betty, and welcome aboard! So, remember, if you can't reach me, you may call Mrs. Burns at work.

### REMINDER

Some of the boys have asked me to remind you that Friday July 13, 8:30 P.M., the Veteran Boxers Social Club of N.J., Inc. will hold the Golden Gloves event at the stadium - remember this is for charity and many celebrities will be there...don't disappoint - Ernie Ratner, Les Fusco, John Nelson, Frankie Bove, Willy Skidmore, Tom Foselli or the rest of "the boys"...see you!

### GOOD NEWS

Received word from Jim Dasaro that the great group "People" (formerly Underground Lightbulbs) appeared at the Garden State Arts Center a few weeks back with Frankie Avalon and Charles Callas, providing entertainment at the Italian Festival. Jim is the musical director of the group, treasurer of The Kiwanis Club of Belleville, former "Sparkling Personality" and most recently, a judge at the "Y" Theatre Production performance.

## Belleville Boy Scout Is Heading for Idaho

Scout David Neglia of Belleville is a member of the New Jersey Provisional Jamboree Troop, No. 3331, which will take part in the National Scout Jamboree - West at Farragut State Park, Idaho, August 1 to 7. The Troop is sponsored by Tamarack Council, Boy Scouts of America, with offices in Rutherford.

The 38 Scouts and three adult leaders of the Provisional Troop recently completed their second and last training weekend. The weekend was devoted to further sharpening their camping and cooking skills, putting finishing touches on Troop and Patrol equipment, and designing the gateway for their campsite.

This year for the first time the National Scout Jamboree will be held in two locations simultaneously. Thousands of

New Jersey Scouts will be going to Jamboree - East at Moraine State Park, Pennsylvania, but only the New Jersey Provisional Troop will truly represent the state at Jamboree - West at Farragut, site of the 1967 World Jamboree and the 1969 National Jamboree.

These most adventurous and ambitious Scouts in the state will be departing July 26 for a four-day tour of the State of Washington before arriving at the Jamboree.

Scoutmaster of the Provisional Troop is George Magdich, a high school mathematics teacher from Rutherford. His adult Assistant Scoutmaster in charge of program is Michael Donovan of Lyndhurst; his adult Assistant Scoutmaster in charge of physical arrangements is Robert Kern of Carlstadt (all Bergen County).

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Stephanie Kelemen Married To Thomas Francis Pescatore

Mrs. Thomas Pescatore - nee Stephanie Kelemen

Montgomery Presbyterian Church was the setting May 13 for the marriage of Miss Stephanie Ann Kelemen, daughter of Mr. and Mrs. Stephen M. Kelemen of 30 Melwex Street and Thomas Francis Pescatore Jr., son of Mr. and Mrs. Pescatore Sr. of Newark.

The Rev. Howard B. Day Jr. performed the ceremony and a reception followed at Landmark, East Rutherford.

Given in marriage by her father, the bride wore a gown of silk organza and Alencon lace trimmed with beaded and beaded lace appliques. The gown featured a scoop neckline and cathedral train.

A matching headpiece held a two tier veil and she carried glamelias, babies breath, carnations and stephanotis.

Mrs. Sharon Kaplan of Bloomfield was her sister's matron of honor. Bridesmaids included the groom's sister, Miss Patricia Pescatore of Newark, Miss Diane D'Elia and Miss Roberta Kaplan.

Their gowns were of mint green organza embroidered with flowers. Wide brimmed hats matched the gowns.

Anthony Pescatore served his brother as best man. Ushers were Manny Kaplan of Bloomfield, John Carney of Belleville and another brother of the groom, Joseph Pescatore of Newark.

Mrs. Kelemen chose a pink silk worsted coat dress trimmed in light pink and silver. Her corsage was a pink double glamelia. The groom's mother, in a blue chiffon gown trimmed with silver beading, had a double blue glamelia corsage.

Mrs. Pescatore Jr. is an alumna of Belleville High School and Rutgers University. She and her husband are with Electro-Protective Corp., Newark.

The couple honeymooned in Bermuda and are living in Belleville.

Mrs. John Aquilante - nee JoAnn McCumsey

An Hawaiian Trip For The Aquilantes

Miss JoAnn Christine McCumsey, daughter of Mr. and Mrs. Donald L. McCumsey of Verona was married recently to John Charles Aquilante, son of Mr. and Mrs. Carmine L. Aquilante.

The ceremony in Our Lady of the Lake Church was performed by the Rev. John B. Martin. A reception followed at the Memorial Room of the VFW Post, Cedar Grove.

Escorted by her father, the bride wore an empire gown of peau de gaze lace with a white satin sash accenting the bodice. The gown featured an attached train and bishop sleeves.

Her Camelot headpiece held a floor length veil and she carried a cascade of white roses, babies breath and ivy.

Mrs. Joseph Aquilante was matron of honor. Bridesmaids were Mrs. Douglas Miller, Miss Gail McCumsey and Miss Donna McCumsey. Miss Elizabeth McCumsey was junior bridesmaid.

The honor attendant was junior bridesmaid were in apricot floral gowns with bolero jackets and apricot picture hats. The others were similarly attired in yellow.

The attendants carried arm bouquets of roses, daisies and ivy while the junior bridesmaid had an umbrella full of daisies, roses and ivy.

Joseph Aquilante served his brother as best man. Ushering were John Santos of Belleville, Douglas Miller of Nutley, Jackie Mascio of Pennsylvania and James McCumsey of Belmar.

Mrs. McCumsey chose a Nile green chiffon gown with puffed neckline and had a white rose corsage. The groom's mother was in a melon chiffon gown with a melon rose corsage.

Mrs. Aquilante, a graduate of Verona High School, is

Miss Diane Cuff

Diane Cuff, Ronald Bailey Are Betrothed

Mrs. Elsie Cuff of Harrison announces the engagement of her daughter, Diane to Ronald J. Bailey, son of Mr. and Mrs. Theodore Bailey of Belleville.

Miss Cuff is a graduate of Harrison High School and was formerly employed by Lewis Advertising Agency of Newark.

Mr. Bailey, a graduate of Seton Hall University, now resides in Hackettstown and is the Assistant Golf Professional at Tamiment, Pennsylvania.

Mary Ann Corino Is Bride Of James Michael Intintola

Miss Mary Ann Corino, daughter of Mr. and Mrs. Frank Corino of 3 St. Mary's Place, Belleville, became the bride May 12 of James Michael Intintola, son of Mr. and Mrs. Emilio Intintola of Newark.

The ceremony in Holy Family Church, Nutley, was performed by the Rev. Francis Blake. Vocalist was the bride's cousin, Mrs. Linda Temple of Clifton. A reception followed at Wayne Manor, Wayne.

Escorted by her father, the bride wore a gown of peau de soie and chiffon featuring a belted empire silhouette with a crown illusion ruffled neckline trimmed with beaded Venice lace, full bishop sleeves and chapel train.

A matching Camelot headpiece was also trimmed with beaded lace and satin ribbon and held a chapel length French illusion veil. She carried an oval cascade of white daisies, carnations, stephanotis and babies breath centered with a white orchid.

Miss Janice Corino of Belleville was her sister's maid of honor. Bridesmaids included Mrs. Marlene Joanow of Harrison and the bride's cousins, Miss Donna Biondi of Nutley, Mrs. Virginia Wallace of Bayonne and Mrs. Judy Davenport of Wildwood.

Mrs. James Intintola - nee Mary Ann Corino

Miss Lucille Barnett R.N. Honored On Promotion

The Veteran's Administration Hospital in East Orange, New Jersey honored Miss Lucille Barnett, R.N., daughter of Mr. and Mrs. Walter Barnett of Bloomfield, in a farewell dinner at the Rock Spring Inn, West Orange on her transfer and promotion to Assistant Chief Nurse at the Veteran's Administration Hospital in Tuscaloosa, Alabama.

Miss Barnett graduated from Belleville High School. She received her diploma in Nursing from Jersey City Medical Center, School of Nursing, her B.S. Degree in Nursing Education from Fairleigh Dickinson University and in February, she received her Master of Arts Degree in Nursing from Teachers College, Columbia University, N.Y.

The Barnett Family wishes to extend its most heartfelt gratitude to everyone for the beautiful gifts and fabulous dinner party that was given their daughter and relatives.

Miss Lucille Barnett

**GOP Golden Dome Ball Will Toast the Sandmans**

The Fifth Annual Republican Golden Dome Ball which this year will honor the GOP's gubernatorial candidate Congressman Charles W. Sandman, Jr. and Mrs. Sandman will be held Saturday, July 28 at the Governor's Mansion in Sea Girt.

In announcing the gala event, former Governor Alfred E. Driscoll, who was named Chairman of the Golden Dome Ball Committee, said more than 1,000 Republicans and GOP supporters from across the state are expected to attend the 7 p.m. cocktail reception and the 8 p.m. candlelight dinner-dance.

## Mental Health Effort Is National Concern

### Children: Our Future

The child, to be a healthy, productive, responsible adult, needs the support of all of us. Children are our future.

It is up to us to assure that our children, with their needs, feelings, fears, and joys grow up healthy — physically, mentally, emotionally, and socially healthy.

This is not easy. It does not come just by wishing. But it is possible to attain. We do have the resources, in today's state of knowledge, to do it. Because we understand as much as we do today about causes of behavior, we can prevent many development problems.

Most of us would willingly accede that we are doing "everything" for our children. But there are instances when we are not doing enough. For example:

Michael is a depressed five-year-old who sits dreamily in his classroom. His father died two weeks ago and he was sent to stay with an estranged aunt. Michael could become one of the 20,000 children admitted to mental hospitals each year.

Ann is a teenager who continually disrupts her class, even though she is bright and her IQ is in the upper 10 percent. She is the youngest of seven children. Her parents, in their sixties, cannot give her the attention she needs. Ann could become one of the 10 percent of our young who have psychiatric treatment at least once before they are 25.

John is a 10-year-old who always lies and sometimes steals "for the fun of it." His mother leaves him with a babysitter who spends all her time on the telephone. John could become one of the 900,000 children, aged 10 through 17, who are brought before juvenile courts each year.

Something can be done about these and many other kinds of problems before they fester or explode. Our schools have a tremendous potential for child mental health. To help develop it, the National Institute of Mental Health has just embarked on a new program for teachers, called "One To Grow On."

For information about it — or any other aspect of child mental health — write to the National Institute of Mental Health, Room 15-9, Rockville, Maryland 20852.

## Union Lawyer to Speak On Divorce in Jersey

The outside of bones is made up of a hard material known as compact bone. Another kind of bone, found only inside the bones, is spongy bone. It is called this because of the many little holes in it. In long bones the spongy part is found at the rounded ends. The hollow part is filled with marrow. As your body grows older, your bones grow thicker. When a bone is broken, healing takes place through the action of the bone making cells in the bone and its covering membrane. Make ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968 your prescription headquarters. In addition to our complete prescription department we handle cameras and film, watches, transistor radios, baby needs, greeting cards, Whitman's and Schraff's candies. "Your Doctor Knows us—Your Doctor Trusts Us". Free prescription delivery. Open: Daily 9 a.m. - 1 p.m., Sundays 9 a.m. - 9 p.m.

THEY'RE ALIVE — Live animals were one of the big attractions at the Holy Family School Science Fair. Here several parents and students view the living creatures.

BIOLOGY SECTION — Many parents and students visited the biology section at the science fair where emphasis was put on proper care of the human body.

## Student Projects, Collections At Holy Family Science Fair

Holy Family School students recently engaged in a Science Fair, under the Direction of Sr. Dolores Jensen, M.P.F. Sr. Dolores is just completing her first year at Holy Family. During this short time she has succeeded in building the science program

extensively.

Displayed at the Fair were many of the students' projects, along with the various shell, rock, plant, and fur collections which Sister and cooperative children procured throughout the year.

Highlighting the event were live animals the children have been caring for.

Joint enthusiasm among students and parents encourages plans for the coming year. As Sister says "We've only just begun."

WEATHER WORKS — Parents and students are interested in several weather and climate projects displayed at the Holy Family Science Fair held recently.

## Public Service Revises Electric Sales Forecast

Forecasts of electric sales and construction expenditures were revised downward July 5 by Public Service Electric and Gas Company at an underwriters' information meeting in New York City.

The company's new electric

sales forecast projects sales to grow at an average annual rate of about 5.9 percent over the next 10 years. This is down from the company's previous forecast which projected electric sales to grow at an average rate of approximately 6.4 percent per year over the same period.

## Holy Family School Board Elects Slate

The Holy Family School Board of Education held its last meeting of the season on June 12th in the St. Joseph Center.

Officers elected for the coming school year are: chairman, Anthony Giallo; vice chairman, Mrs. John Gierla; secretary, Mrs. Thomas Cecere; corresponding secretary, Mrs. Michael Ozyowski.

Newly appointed members of the board who were welcomed included Mrs. David O'Brien, Edward Arguelles, Gerald Amorose, Salvatore Musco, and the newly elected president of the PTA, Nicholas Molinaro.

The meeting included a review and discussion of the philosophy and objectives of Holy Family School. A high point of the meeting was a visit to the Holy Family School Science Fair which included many interesting displays set up by the students of the school.

Refreshments were served with good-byes to the retiring members and the Board was adjourned until September.

## Nutley Post Burns Belleville, 3-0 In Independence Day Encounter

RIDE 'EM COWBOY! Post 105 first baseman Joe Cerza lost his balance on an unsuccessful pick-off attempt, landing on Post 70's Greg Liddell.

RICH CENTANNI took the loss for Belleville, though two other pitchers saw mound duty in the July 4th game.

WEARY WINNERS — Winning pitcher Paul Stefan (third from left) is congratulated by teammates (l-r) Mike Calicchio, Joe Rosola, and others as he strides off the Nutley Park Oval behind Nutley catcher Greg Liddell. Stefan went the route fanning nine, walking two, and allowing only five singles.

FIRST RUN for Nutley came when Greg Liddell crossed the plate on a hit by Al Alfano. Belleville catcher Phil Cuzzi waits — but no throw came.

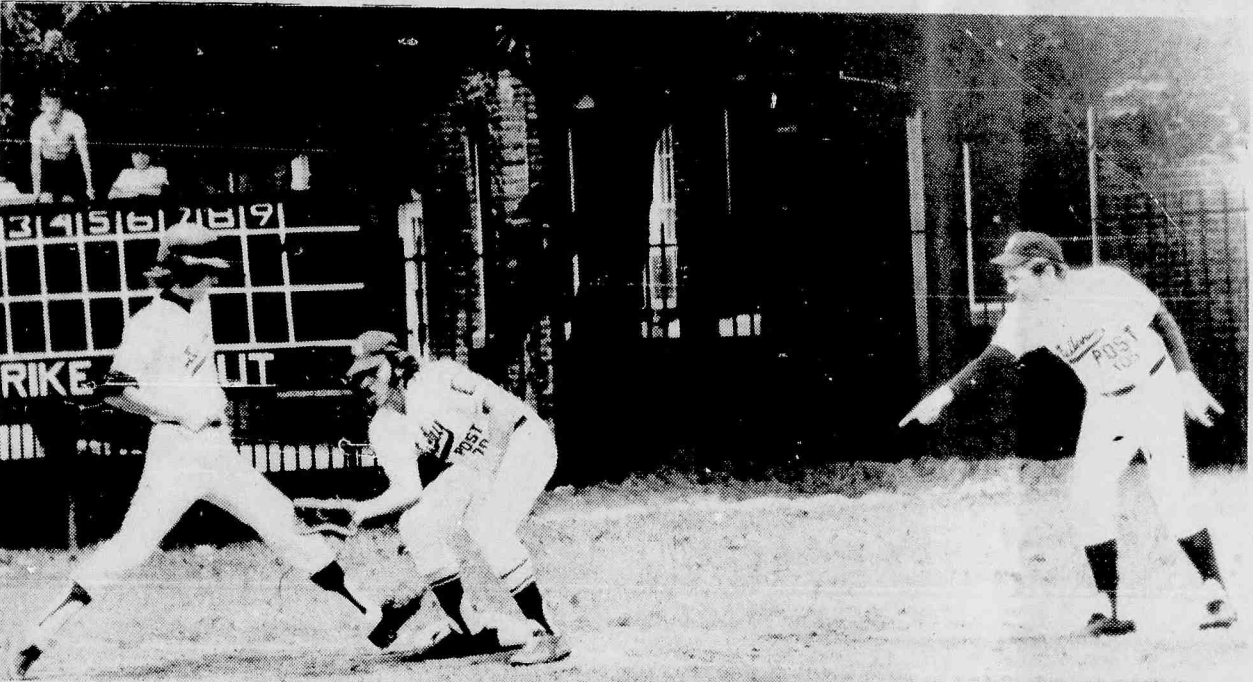

GOT THIS ONE — Nutley's Mike Condur is caught in his attempt to steal by Post 105's second baseman Kevin Goy. Vin Lipoma backs up the play which was a hard pill for the Nutley squad to swallow.

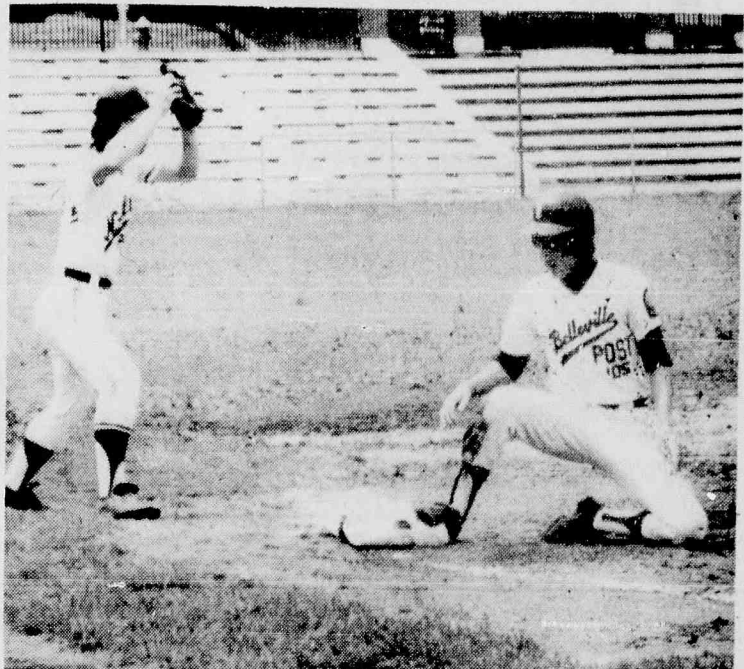

TABLES TURN as Goy almost gets nailed by Nutley second baseman Mike Calicchio. Calicchio later worked a perfect double play for his club.

A LEVEL CUT — Belleville's Joe Ross takes a mighty swing at a Nutley pitch, but no one from Post 105 could tag one for extra bases.

NARROW ESCAPE — Belleville first base coach Bob Mallack hastily warns Kevin Goy to get back on the bag. Nutley first baseman Al Alfano has the ball already, and would just love to tag somebody with it. Fortunately for Belleville, the foot was quicker than the hand.

OFF THE MARK — Nutley's Joe Rosola snares this high throw which came to late to stop Kevin Goy from making third. The busy Belleville runner never made it home, however.

AIRBORNE, Nutley's Don Kiwor slides into third while Alan Frank closes his glove over the throw. Belleville's

Kevin Goy backs up the play when a split second later...

WHADAYA MEAN HE'S OUT? Post 70 coach Tony Greco points at his man who in his opinion slid under the tag. Not so, said the umpire, and you know what that means.

## Two Playgrounds Added This Year

The 1973 Playground season opened with the addition of two new playgrounds. The first is located on Joralemon Street at the former Belleville Pistol Range. Children from Rutan Estates are learning new games and handicrafts with the help of directors, Cindy Olivio, and Lisa Tucci. Joey De Feo edged out Michael Siciliano to become the first nok-hockey champ at the new playground.

The other new playground is located behind the Friendly House on Florence Avenue. A new set of swings greeted the eager children. Tournaments were held and Danielle Vitiello became hopscotch champion.

Handicrafts were popular among the children at school ten playground. Popsicle sticks were transformed into jewelry boxes and banks, then decorated and painted.

Toppleball is a new addition to the playground and especially enjoyed at school nine. Douglas Till defeated all competition in the stick-hockey tournament.

Children at school eight tried something new and had an onion dip party. Tournaments were held and winners were John Farese, Monique Ciallella and Eddie Colombrito.

Nok-hockey continues to be a favorite at the Recreation House, especially for Joey Du Boyce, Ronnie Yaiser and Chris Moraski. Jimmy Cali and Michael Mauriello were the best collectors in the scavenger hunt.

At the stadium, directors

Janice Rosania, Lucille Burlazzi aided the children in making figures from soap flakes. Children enjoying the playground are Nicky Amato, Janice Manzo, and Ed Aulisi.

A major event of opening day at Fairway Playground was a nok-hockey tournament. Dave Marra proved to be the best player by defeating semi-finalist Sal Freda.

At School One Lisa Wells defeated a list of worthy contenders to become champion of nok-hockey. Chucky Wells, Craig Walker and Rich Thomas are in a three way tie for the basketball championship.

The girls softball team was organized at School Two playground. Members are Joyce Iacullo, Valerie Vitiello, Lisa Della Torre, Diana Hickman, Lisa Vitiello, Connie Simpson, Joanne Chiappinelli and Susan Iacullo.

At School Four Ross Muschio has acquired 15 wins in games of O.U.T. Soccer is also popular and Steve Donarski is high scorer. Children also enjoy modern dance and gymnastics.

Children at Kelly playground enjoyed making "Fun-Film" flowers. Original ones were created by Trudy O'Connell, Lisa Stefanelli, Randy Stefanelli and Carmen Rodriguez.

A One-on-One basketball tournament took place at School Three playground. Participants were Robert Freda, Gary Chamberlain, Gene Chamberlain, Robert Ilaria, Mike Betz and Billy Sauer.

The recent rainy weather did not dampen spirits on Belleville's Playgrounds. The field day scheduled for July 4 has been postponed to Wednesday, July 11 at 10:00 a.m. at the Stadium.

Speedball is a favorite at School Four playground, especially with Mark Veniero and Pat Fata. The girls are busy practicing their dance routine. Included are LuAnn Kressler, Diane Olivio, Bernadette Porter and Sandy Heniz.

## Diamonds and Girls - Still Best of Friends

### Ladies' Softball Successful

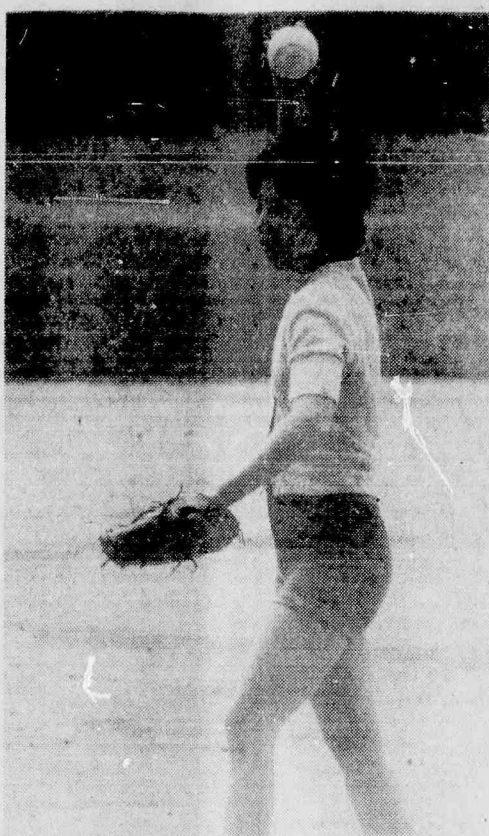

It may not be Women's Lib, but it's definitely something new to Belleville.

It's the Ladies' Softball League, formed by the Belleville Recreation Department at the suggestion of Mrs. Jessie Castelli and Mrs. Julie Polito. The idea caught on quickly and 67 Belleville women have joined four teams to compete for the league crown.

The season opened last week for the girls as the Belles captained by Audrey Roll defeated Carmella Meglia's Whizzers and Jessie Castelli's Dazzlers were victorious over the Sluggers, piloted by Gerry Paoletto.

Recreation Department officials report that the playing techniques were not the most polished to be seen on the baseball fields of Belleville, but they expect improvement to show as the season progresses.

"After all, quipped one official, noting the enthusiasm of the ladies, 'diamonds are a girl's best friend.'"

ACE "HERLER" Kathy Sternick winds up to pitch during a Rec Department Ladies' Softball League game.

## Legion Slump Continues With Four More Losses

Over the last eight days, Belleville American Legion has continued their slide by losing four games to Cedar Grove 6-0, North Newark 4-1, Nutley 3-0, and Caldwell 7-0.

Tom Intiso pitched Cedar Grove to their sixth victory without a defeat with a four-hitter. He walked one, and struck out five. Intiso was only troubled in the seventh inning when Kevin Goy singled and moved up on a walk to Joe Cerza with one out. However, Intiso struck out the final two batters to record his third victory without a defeat.

Cedar Grove scored once in the third, and five times in the fourth. A two run double by Bob Ferrazza and a hit by Al Rinda proved to be the clutch hits of the home side of the fourth.

North Newark Belleville American Legion returned home to face a Legion representing North Newark and lost 4-1.

The lone Belleville tally was the result of one-out home run by Joe Ross in the home side of the fourth.

Ross wallop to the left-center field alley matched a

home run by all-stater, Jerry Spiga in the first, Spiga, who was the all-state first baseman for Barringer High during the high school season, rocketed another home run in the last inning. Also scoring as a result of the home run was Phil Minieri, who was hit by a pitch.

The only consolation besides Joe Ross' home run, was a triple-play in the seventh inning. After a double and two walks, Alan Frank relieved Jerry Hoban with none out. Bob Pace lined a shot to second where Mark Cervasio caught it, threw it to first where Joe Cerza threw to Jack Marzella at third to complete the triple play.

Caldwell The Belleville Legion skinned reached seven when they lost at Caldwell 7-0. Bob Lassaso threw a three hitter as the Bellboy were blanked for the sixth time. The only time the Bellboys came close to scoring was in the sixth inning. With two out, Alan Frank reached on an error but was thrown out at the plate trying to score after successive singles by Jack Marzella and Joe Ross.

Bill Doron paced

Caldwell's nine hit attack with a double and a single, and scored two runs. The loss dropped the Legion Bellboys to 2-8.

Too late for this paper to cover were games with Verona, home on July 9, and Irvington, away on July 11. Thursday, July 12, the Belleville American Legion will host Orange, and conclude the season on Friday, July 13, at Vailsburg. All games start at 6 P.M.

### Jersey Turnpike Work To Finish In Fall of '74

A major step was taken today June 26 toward completion of the New Jersey Turnpike Authority's \$125.5-million construction program to widen the toll road from six to 12 lanes between Interchange 10, Edison, and No. 9, New Brunswick.

Three lanes of southbound traffic were switched over from the original roadway, built in 1951, to a new three-lane stretch between the Raritan River and the Route 18 bridge. On completion of the "10-9 Widening" program during the fall of next year, the newly opened lanes will be used for northbound traffic.

New Jersey State Police and members of the Turnpike's Traffic Engineering Department conducted a planned slowdown, without disrupting traffic, to enable the simultaneous opening of the new lanes and closing of the old ones at 2:10 p.m.

## Nutley Shuts Out Belleville Nine

by Pat Caputo  
The Belleville American Legion Post 105 fizzled out on the Fourth of July, losing to Nutley, 3-0, at the Park Oval.

The Bellboys managed eight base-runners on six hits and a pair of walks, but failed to score. Belleville threatened in five of the seven innings, but the clutch hit was missing.

In the top of the first, Kevin Goy singled with one out. He stole second and took third on an error by the catcher. However Joe Ross popped up and Joe Cerza struck out to strand Goy at third. Incidentally, Nutley ace Paul Stefan struck out ten batters.

The Belleville starter Rich Centanni helped himself when he caught Dwayne Zoppi off second base to end the first inning. Zoppi had doubled with

one out. In the Belleville second, Phil Cuzzi was left after a two out walk. In the third, Kevin Goy stranded after his second single.

Nutley put an unearned run on the board in the second. Lidell reached on a two out error, stole second, and rode home on Al Alfano's single to right field.

Rich Centanni left the game in the third due to arm trouble. Sergio Rodriguez relieved with a man on second with none out and retired the side on a strike out and two ground outs.

However, Nutley reached Sergio for two runs, one earned, in the fourth. Mike Condur led off and reached on an error. An infield hit by Lidell and a bunt single by

Alfano filled the bases. Joe Rosalo put down a suicide bunt for the first run without a ball leaving the infield. Mike Calichio singled home the second run of the inning, and also ended the scoring.

Belleville mounted a major threat in the fifth. Cuzzi singled and Cervasio's bunt single left runners at first and second. Jack Marzella reached on a grounded to third that forced Cuzzi. Alan Frank walked to load the bases. Kevin Goy sliced a hard grounder to second that turned into a double play to end the inning.

A one-out single by Joe Cerza and a two hit by Ron Goy were wasted in the sixth.

## Cerami, Frankie's Combat Threats

In the Recreation Monday Softball League the I.M.A. team with a big 15-8 win over the powerful Frenchy's team, put themselves in a tie with that adversary at 5-2 for the season. That victory paved the way for Cerami Construction to resume sole possession of first place with win over Wallace and Tiernan that gave them a 6-1 standing. Cerami's only loss was at the hands of I.M.A. In the other game J. & F. Lunch defeated Clara Maass in 7-6 squeaker.

Frankie's continued in command of the Tuesday Mens Softball League with 9-8 win over the Belmonts. This dropped the Belmonts from being tied for first place with Frankies to a tie with Rosellis

for second place. Rosellis ported a win over the Circles. McCabes drubbed Roberts Toyota 10-3 in the third game of the evening. Toyota remains in third place with McCabe's in fourth and the Circles at the bottom.

Park View House continued to dominate the Recreation Wednesday Mens Softball League as they won over the Garden State Deaf. Park View is undefeated in six games. Second Place Garden Liquor was involved in an upset when they lost to Belleville Shoe. Belleville Shoe continued in a tie for third place with Landolf Home for Funerals who scored over Belleville Post Office.

In the Thursday League double headers were played to pick up a rained out game. The league leading Branch Brook Manor stretched their lead to 9-0 with wins over Salvatores and Hudson County Deaf. The Jollys lost one to the Third Rail and won from Salvatores to put their standing at 6-3 and second place. The Third Rail dropped their other game to the Shamrocks. This put the Third Rail standing at 5-4 and third place while the Shamrocks have closed in to a 4-5 standing with a second win for the night over the Hudsons. Salvatores are in fifth place and the Hudsons are at the bottom.

The Yankees and Braves dominated the first half of Intermediate League baseball action. The Yankees, under pilot Danny Evans, finished with a perfect 6-0 record as first half champs. They were the only team to beat Bob Mallack's Braves and drop them into the second place slot. The Restaino family had a hold on third place as the Cubs coached by Joe, Sr. and the Pirates coached by Joe, Jr. each won two games.

The Cubs emerged on top of a wild scramble for first place in the first half of Senior League play. Patsy Fata's boys took one of their six contests while the Pirates of Coach Frank Giordano finished in second place with four wins. The Braves, under the direction of Vinnie Marchese, finished with an even three wins against three losers for sole possession of third place. Dom Servidio's Yankees won two games to finish fourth while Fred Marra's Giants occupied fifth place with only a big upset win over the Cubs in their win column.

**Beck's Column.**  
Every once in a while the writer goes on a shopping tour just to find out how other people do business. Our experience was appalling. If you can get any information at all, more often than not it is wrong. The service of selling - and properly done it is a distinct service to the customer, has disappeared.  
The so-called "discount", highway and department stores seem to take the attitude that you are on your own, like the typical self-service operation. This is all well and good if you buy cans, groceries, a shirt or a loaf of bread. However, if it comes to the purchase of an item for several hundreds of dollars, one certainly has a right to expect advice or at least have a knowledgeable person on hand to answer questions.  
In one department store in Clifton we waited 10 minutes. Nobody showed up. We asked a salesgirl in an adjoining department whether she could get a salesman. She answered she did not know where he is, he was there in the morning. The time was before 11 a.m., way before lunch time. The girl made no attempt whatsoever to get a supervisor or help us in any way. After waiting another 5 minutes, we left.  
The next stop was in a shopping center. A salesman was sitting on a desk, reading a newspaper. As we went from one set to the other, turning a set on here and there, he did not show any interest. Finally we went over to him and asked him a specific question. He did not even get up from his chair and answered: "Everything is written on the tag on top of the set." The only tag was a price tag, no other information was supplied. So we left this unhospitable place in a hurry. (Continued next week.)

# Now you can lease a car from a bank.

# Ours.

National Newark & Essex introduces another first—customized car leasing. We are the first bank in New Jersey to offer such a service.

Why lease?

Because you can avoid all the inconveniences of buying a car. And most likely we'll save money for you.

And monthly payments are often lower than borrowing to buy a car. That's because the principal payments are based on the difference between the purchase price and the estimated resale value of the car, not on the full purchase price.

As for the purchase price, we buy in volume. So chances are, we get a better price on the car you want than you can.

Since our expertise is financing, you know we'll be able to give you the best possible rate. In addition, there's no middleman. And since our people are bankers—not car salesmen—there's no salesman's commission involved.

There is an added tax benefit for professionals and business people who use a car in their work: lease payments can be a deductible business expense. Check with your tax consultant to see if you qualify—and to what extent.

It's really easy to lease a car from us. Just tell us what car you want—Mercedes, Mercury, Porsche, Pinto, anything. With all the options you want. And how long you want to lease it: 12, 24 or 36 months. We'll tell you the exact monthly payment. And once your application is approved, most likely you will have your car the very same day.

Frankly, we don't know of a nicer way for you to get a car as often as you want. That's why we've added car leasing to the many personal services we offer you. And if you find you can't come to the bank, just call 266-8300. We'll come to you.

Scot Tenor Booked  
For Arts Center Fest

Kenneth McKellar, inter-  
nationally known tenor, will  
make a special flight from  
Scotland to perform in the  
first Scottish Heritage  
Festival at the Garden State  
Arts Center on Sunday after-  
noon, September 23.

The festival program, with  
McKellar heading the cast,  
was announced today by  
James D. Aitken of Kearny,  
general chairman of a  
Statewide committee in  
charge of the event. He noted  
that though McKellar has  
been performing all over the  
world, his appearance at the  
Holmdel amphitheater will be  
his first United States perfor-  
mance in eight years.

McKellar is virtually syn-  
onymous with Scottish folk  
music, but he also is known as  
Mr. Versatile of the singing  
world because he is at home in  
opera, operetta, oratorio and  
popular works as well as the  
ballads of his native land. His  
tenor voice with its  
remarkable range has brought  
acclaim in every entertain-  
ment medium — radio, televi-  
sion, motion pictures, record-  
ings and the stage.

Best of all, he enjoys  
singing before a live audience,  
whether it be in Scotland or  
any other place in Europe,  
Australia, New Zealand,  
South Africa or America.

In addition to McKellar,

the afternoon program start-  
ing at 1:30 P.M. will present  
the Alexander brothers,  
singers and instrumentalists  
popular among Scots of the  
United States and Canada as  
well as the homeland; the  
Mary Stewart Dancers,  
winners of numerous awards  
in New Jersey and elsewhere;  
Margaret Lamb, Scottish-  
American coloratura  
soprano; and Peter Roberts,  
radio personality, who will be  
festival master of ceremonies.

The Alexander Brothers  
are well established among  
the top-liners of Scottish wit.  
After making their mark on  
the stage in Scotland, the two  
brothers gained added success  
with a long-running television  
series and a long run of high  
sales in recordings.

Margaret Lamb has sung  
with opera companies in  
Europe and this country and  
was with the "Voice of  
Firestone" TV shows.

Roberts is the radio  
newsmen noted as the friendly  
and humorous partner of  
John Gambling on his daily  
WOR programs. He hosts his  
own Sunday "Rambling with  
Roberts" shows.

FAIR Plan Insures  
Inner City Property

More than 52,000 New  
Jersey property owners and  
tenants who used to have dif-  
ficulty obtaining important  
insurance coverages because  
their homes and businesses  
were located in deteriorated  
inner city areas are now in-  
sured routinely through the  
New Jersey FAIR Plan, a  
special facility set up to  
provide these averages.

T. M. Boyd, president of  
the New Jersey FAIR Plan  
(Fair Access to Insurance  
Requirements) - X whose par-  
ticipants include all com-  
panies writing basic property  
insurance in the state - X made  
this observation in noting the  
first anniversary of the plan's  
conversion to a method of  
operation which improves ser-  
vice to policyholders.

Previously each par-  
ticipating company handled  
such details as issuing policies  
and servicing claims. Now all  
the work, except the sales  
function, is done in a central  
location by the FAIR Plan.  
The change, according to  
Boyd, has resulted in  
"substantial dollar savings,  
better control and ease of  
operation."

Property can be insured  
against loss or damage from

Boyd estimates the FAIR  
Plan will have \$1.5 billion of  
insurance in force at the close  
of the fiscal year which ends  
Sept. 30, 1973. About 30 per-  
cent of this total is for prop-  
erty owners in Newark by far  
the largest amount of in-  
surance for any municipality  
in the state.

Nothing that premiums this  
fiscal year are expected to  
drop to \$15 million, as com-  
pared with \$19.1 million the  
previous fiscal year. Boyd  
said he believes this reflects a  
greater availability of in-  
surance in the regular market.

The FAIR Plan provides  
insurance regardless of loca-  
tion as long as the property  
and premises are able to pass  
a physical inspection. If the  
inspection discloses that the  
property fails to meet  
reasonable underwriting stan-  
dards, the applicant is advised  
in writing of steps necessary  
to make the property in-  
surable. Certain properties,  
such as those in danger of  
collapse or which are unoc-  
cupied and accessible to un-  
authorized persons, do not  
qualify for insurance.

Property can be insured  
against loss or damage from  
fire, lightning, explosion, riot,  
riot attending a strike, civil  
commotion, aircraft or vehi-  
cle damage, smoke damage,  
vandalism and malicious mis-  
chief.

Property owners en-  
countering difficulty ob-  
taining coverage in the  
regular market may apply  
through an insurance agent or  
broker or directly to the New  
Jersey Insurance Underwriting  
Association (the official name of the New  
Jersey FAIR Plan) office at  
744 Broad Street in Newark.

Policies are issued for one-  
year terms only. Premiums  
are charged in accordance  
with rating schedules on file  
with the New Jersey Depart-  
ment of Insurance.

Burglary and robbery in-  
surance coverages for  
business and homes can also  
be purchased through the  
FAIR Plan. Again, to qualify  
for coverage the property  
must be inspected and meet  
certain standards.

Since these coverages can  
also be purchased through the  
Federal Crime Insurance  
Program prospective insureds  
should compare the costs of  
both programs.

Local Hospital Opens  
Pacemaker Facilities

Clara Maass Memorial  
Hospital, Belleville, has kept  
abreast of advanced patient  
care by installing and opening  
one of the most modern  
pacemaker operating rooms  
on May 29. This convenient  
and well equipped room  
provides efficient service  
facilities for pacemaker im-  
plants.

Clara Maass Memorial  
Hospital has approximately  
100 recipients per year. They  
are of all ages and implants  
include all types of

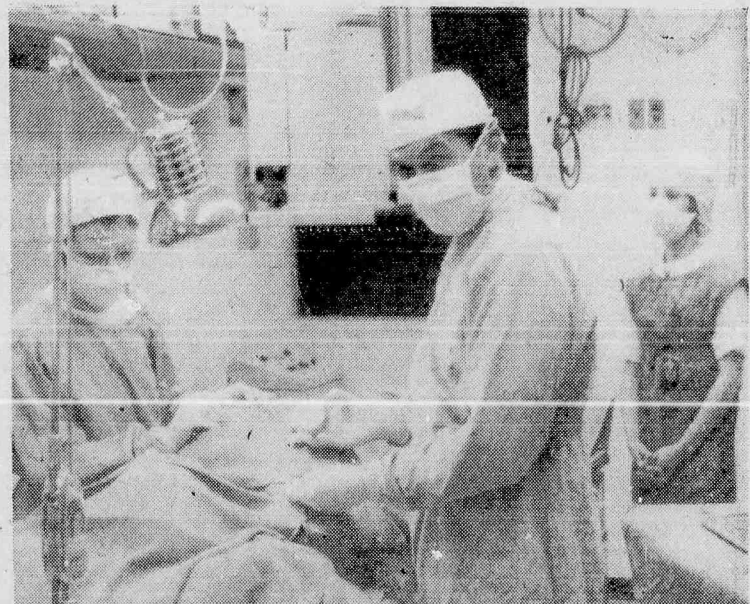

pacemakers. The new  
Lithium-powered pacemaker  
was implanted for the first  
time at Clara Maass  
Memorial Hospital last  
month. It has a battery life of  
6 to 8 years as compared to  
the usual two year type.

The pacemaker field has  
developed to an amazing  
degree since 1950 when  
medical specialists first  
successfully used artificial  
pacing of the heart.

The human heart has its  
own pacemaker and

pacemaker fibers. It is when  
these fibers are interfered with  
that the heart pacemaker no  
longer functions properly.

This pacemaker keeps our  
hearts pumping at proper in-  
tervals determined by our rest  
or activity. For years medical  
scientists have been aware  
that by attaching wires to the  
heart muscle it could be  
stimulated at a paced rate.  
The pacemaker itself is a  
package of transistorized  
batteries which stimulate elec-  
trodes.

Franklyn Gerard, M.D. of Glen Ridge is assisted by Mary Dowrick, R.N. of North Arlington, assistant head nurse, left, Gail Macrae, R.N., of Bayonne, head nurse, right and Claire Sasak, R.N., of West Paterson, assistant head nurse, (not shown).

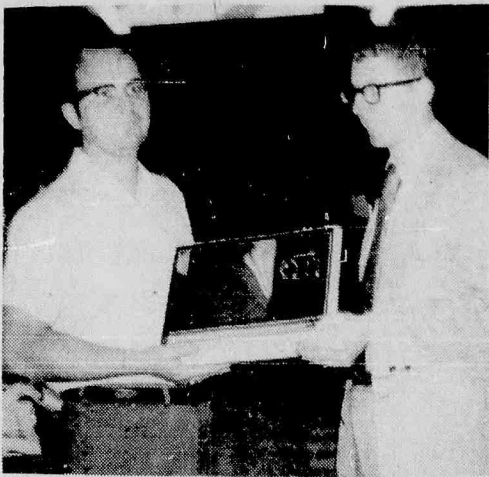

# Summerfun Two Comedy

"Never Too Late", the third production of the Summerfun Two season at Montclair State College, Upper Montclair, is now being presented at the college's air-conditioned Memorial Auditorium through Saturday, July 14 at 8:30 p.m.

Hailed by critics during its New York run, "Never Too Late" has been entertaining audiences across the country with its hilarious plot and endearing characters ever since. The comedy hit, authored by Sumner Arthur Long, challenges the expected course of events and provides

"unexpected expectations" on the wrong side of the generation gap!

The Summerfun production of "Never Too Late" is under the direction of William Gimbel who is with the Summerfun Company for the second year. He is credited with numerous directorial accomplishments including Summerfun's last season production of "Mousetrap", "Not Now Darling", and "The Impossible Years", and "Play It Again, Sam" SUMMERFUN TWO'S opening show for this season. Summerfun Two is the summerstock company at Montclair State College

## Midsummer Concert Series Opens Tonight

The New Jersey Symphony Orchestra opens a series of three "Midsummer Serenades" under the direction of Henry Lewis tonight at the Paper Mill Playhouse, Millburn.

An all-Mozart program will be presented at tonight's concert.

Next Tuesday (July 17) the orchestra will perform an all-Mendelssohn program with

Rudolf Firkusny the soloist in the Piano Concerto No. 1 in G Minor.

The final concert in the series will be offered Thursday, July 19, with the music of Beethoven and Schubert. This concert will present pianist Malcolm Frager in Beethoven's Choral Fantasy, together with the Monmouth Civic Chorus under William Shoppell Jr.

Tonight's concert will present soprano Eleanor Steber and other vocal soloists in the second act from Mozart's "Marriage of Figaro," plus violinist Berl Senofsky in the Concerto No. 5.

The concerts will start at 8 p.m.

Ticket information is available at the Paper Mill box office.

The complete programs

are:  
July 12: Mozart — "Eine Kleine Nachtmusik"; Divertimento for Winds, K. 166; Divertimento for Flutes, Trumpets and Kettledrums, K. 187; Overture and Act II, "Marriage of Figaro."  
July 17: Mendelssohn — Overture "Midsummer Night's Dream"; Octet for Strings in E flat, Opus 20; Piano Concerto No. 1.

## Local Mail Deliveries Motorized by Jeeps

(Continued from Page 1)  
down whenever possible. The  
one-ton parcel post trucks  
they replace, said Sinton,  
often had the engines running  
constantly throughout a  
delivery man's route. "Pollu-  
tion will be alleviated, if  
anything," said Sinton.

As for demands of the  
"energy crisis," he pointed  
out the jeeps are "low con-  
sumption vehicles."

Under the "parking loop"  
system, a carrier will leave the  
Annex in the morning with a  
full day's work in the jeep.  
Previously, said Sinton,  
carriers were limited to a 35-  
pound load and had to wait  
for relay mail deliveries once  
they finished a load.

Sinton said special parcel  
post deliveries will be com-  
pletely eliminated. A  
will deliver letters and  
packages alike from the jeeps.

The name "parking loop"  
is given the system because  
the carrier drives to his route,  
parks and walks a small loop  
around a given area,  
delivering the mail. He then  
moves on to another location.

Asked about any parking  
problems the 29 jeeps might  
cause, Sinton stressed that all

vehicles are "governed by all  
municipal laws and each  
driver will be held liable to  
those laws." He added the  
jeeps "will never tie up a  
parking spot for a long period  
of time." All drivers received  
a four-hour course to train for  
the jeep routine.

Frank Ricigliano, assistant  
superintendent at the  
Washington Avenue office,  
moved to the Main Street  
Annex where he directs all  
carrier operations.

Sinton said this week the  
carriers will operate with the  
same letter delivery as before  
the coming of the jeeps and  
next week they'll phase into  
parcel delivery.

The Main Street Annex  
already was a bustling opera-  
tion before the arrival of the  
40 carriers from the  
Washington office. The annex  
processes all second and third  
class non-preferential mail  
for the Newark Sectional  
Center, which includes a large  
portion of North Jersey.

Sinton said he expects it  
will be possible to eliminate  
three present parcel post  
routes, but any displaced  
carriers will be reassigned to  
other jobs.
