## Town Set to Defend School \$\$ Cut

Mayor Joseph McGreevy and Town Treasurer Francis T. McCoy will give the Town's side of the story on the 1973-74 school budget cut when they testify before hearing examiner Joseph Zach at the Trenton office of the State Commissioner of Education.

At issue is \$450,880 cut from the school budget and though the decision by Acting Commissioner of Education Edward Kilpatrick will come 60 days after the Board of Education and the Commission wrap up their cases, McGreevy stated this week he will appeal the case to Superior Court should the Town lose.

McGreevy said he expects Kilpatrick to rule against the town because of a built-in "prejudice" the Commissioner would have as a top education official considering an appeal by a local school board.

The Mayor said the move to appeal to the courts would be the first of its kind to be enacted by a municipality. Referring to the tendency of the Commissioner of Education to restore to school boards those funds cut out by governing bodies, he said, "Sooner or later, somebody has got to get on firm ground about this. The voters rejected the budget in February, and we had a mandate from the people to cut the budget. Now either we have the right to

cut or we don't."

Board of Education President Lawrence Schwartz this week expressed concern that any money which might be restored can be pumped into the school system this year. He said a scheduled work-study program and a mini-course curriculum have already had to be scrapped, but was confident that, if any funds were restored, some maintenance work could be started and supplies ordered.

Schwartz said if McGreevy does appeal the Commissioner's decision, the money could be tied up for another six months.

The Board of Education has asked for an increase of \$995,000 over the 1972-73 budget, but got a firm denial at the polls in February. After one meeting between the schoolers and commissioners, the Town Fathers enacted the \$450,880 cut in the budget. Since then, the school system has been operating under that cut, and will do so until the issue is settled.

Although the School Board had appealed to gain back the entire \$450,880, there have been repeated overtures from the schoolers to reach a compromise figure, set at

# Wheels Turning On Rent Control

by Ken Moore

The machinery was set in motion for the drafting and adoption of a rent-leveling ordinance Tuesday night when Mayor Joseph McGreevy directed each Commissioner to submit the name of a private citizen for appointment to a study group.

McGreevy said the panel would advise the Commissioners on the rent situation in Belleville and Town Attorney John Scott would then draft a measure. The

panel of citizens will be named and appointed at the next Commission meeting.

The Commissioners Tuesday night also voted to postpone a vote on the variance request to allow a Goodyear tire sales and repair center to be built at 90-102 Washington Avenue. A group of local gas station owners requested the postponement until they engage a lawyer. The vote was postponed until the next Commission meeting on August 28.

The move to create the rent control panel was hailed by resident Steven Rogers of 27 Rocco Street as a step in the right direction. "I feel we are now moving on this," Rogers said. "I'm confident the Mayor and the Commissioners will pass an ordinance granting rent leveling to the people of Belleville in the future. Rogers has advocated rent control in Belleville for the past year, claiming the town is becoming the "apartment capital of the world."

The Goodyear variance bid was tabled by the Commission at the last meeting after a group of service station owners complained that light auto repairs which would be done at the six-bay discount outlet would constitute "unfair competition."

Countering arguments by objectors that the Goodyear outlet would cause traffic congestion at the corner of Washington Avenue and William Street, Robert Gaccione, attorney for the applicant, Thomas Fahmie of Bloomfield, said the outlet would revitalize business on Washington Avenue and said the traffic light on the corner would control traffic.

The Commission also announced receipt of correspondence from U.S.

Senator Clifford Case who enclosed a report from J.A. Matukonis, Congressional Liaison Officer, who gave assurances the U.S. Postal Service intends to maintain full service to customers through the office on Washington Avenue, and the hours will not be changed. The report stated the Postal Service has no plans to discontinue any services there.

The Commissioners voted unanimously (with Commissioner Vincent Strumolo absent) to grant a variance to Mrs. Eva DeComa to allow a physician's office established at 109 Liberty Avenue.

## Second Cable TV Company Woos Town

Another cable television firm has applied for franchise rights to link Belleville with 12 other Essex County communities, setting the stage for a contest between firms for the Belleville license.

UA-Columbia Cablevision Inc. joins Suburban Cablevision, which has filed in 19 Essex towns and three Passaic communities. A public hearing has been tentatively scheduled for Monday, Sept. 17 in Town Hall on the Suburban application.

The firms are vying for the rights to broadcast blacked-out New York Ranger and Knicks games, along with a wide variety of other sporting events and educational programs.

## Laterza Seeks Ban On Drinking in Public

Beer, wine and other spirits will have to stay indoors under the terms of an ordinance introduced by Public Safety Director Laterza at Tuesday night's Commission meeting.

The measure, passed on first reading and scheduled for a public hearing and final vote at the next meeting provides that no alcoholic beverage may be consumed on streets, sidewalks and outdoors on public property.

The proposed law is similar to those enacted by many New Jersey towns recently during the first summer since the state drinking age was lowered to 18.

Laterza says there has been no problem with the behavior of youthful drinkers, except "a number of these youngsters will drink in the playgrounds or on the street and then throw around the bottles and cans."

"This ordinance will

eliminate making the playgrounds look like rubbish areas," he continued, "and besides, I just don't think it looks nice for a group of eight or 10 kids to be on street corners drinking beer. If they want to drink, I think they should drink at home or go to a bar."

Laterza stated police have received complaints from property owners irked by youths drinking in cars parked on the streets in front of their homes. "I think it's

## Approve Purchase Of Friendly House

The Belleville Town Commission voted unanimously Tuesday night to purchase and renovate the Friendly House in the Silver Lake section.

After a legal waiting period of 21 days, Director of Parks and Public Property Michael Marotti will authorize work to renovate the 35-year-old building, which is presently owned by the Silver Lake Baptist Church and will be sold to the town for \$80,000. Another \$20,000 will go towards the needed repairs.

Marotti has earmarked the building for use as a recreational facility. The purchase includes a 105x110 playground and the house already contains a swimming pool, four bowling alleys and a gymnasium. The only contractual work to be done are repairs to the roof and the gutters. Marotti said all other renovations will be handled by men from his own department.

The commissioner said he plans to install a weightlifting room and re-do the pool locker room and 45 by 96 foot gymnasium, which has a stage area. There are other rooms which may be used for handicrafts, ping pong, pool or boxing.

alright if these youths want to have a beer, as long as it doesn't disturb the rest of the town."

He added other towns which have enacted similar laws are experiencing more trouble with young drinkers than Belleville, but he wants "to eliminate any problem before it occurs here."

The proposed ordinance carries penalties of a maximum \$500 fine or a maximum 90-day jail term or both.

Marotti said a permanent facility in Silver Lake was "sorely needed" and said the recreation program in that area has thus far been operating in school buildings. He promised to maintain all existing programs in the Lake area and said Friendly House will represent an expansion of the programs.

## Police Asking for Leads In Hit and Run Fatality

Local police appealed to Belleville residents this week to call in any information which could lead to the arrest of the driver who cut down a 64-year-old Upper Montclair woman on Washington Avenue last week and fled the scene.

Conflicting reports from five eyewitnesses describe the vehicle as a bronze-gold, late model Oldsmobile, either a Toronado or a '98 model driven by a white male.

Miss Da-Ellen Warsnip, a Westinghouse employee since 1950, was struck by the speeding auto at 8:05 p.m. on Wednesday, Aug. 8 while crossing Washington Avenue at Carner Avenue after finishing work.

Deputy Police Chief said one car had stopped for Miss Warsnip but the Oldsmobile, traveling at a high rate of speed, struck her and flung her 100 feet, killing her instantly.

Witnesses said the car never hesitated, but proceeded down Washington Avenue.

Funeral services were held yesterday for Miss Warsnip, who leaves no immediate survivors. Born in Kentucky, she

lived at 526 Grove Street in Upper Montclair after residing in Newark for 25 years.

## Federal Aid for Bus In Red Tape Limbo

Although a representative of the Federal Department of Transportation lauded Belleville's program to provide free busing for senior citizens, a Monday meeting with officials of the Public Affairs Department produced no commitment of funds for the project.

The Department of Transportation spokesman said the implementation \$23 billion mass transit bill signed this week is still not clearly defined and he could give Belleville officials no firm answer on their request for funds. The Transportation representative, however, reportedly was impressed by the initiative taken on the project, which saw \$10,000 appropriated in July for the purchase of a 24-seat bus.

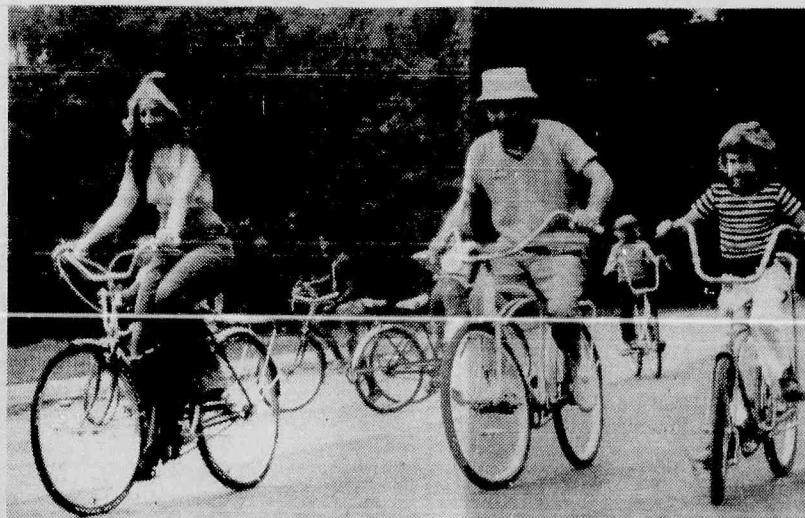

The possibility still exists the Federal Government will grant Belleville another \$20,000 which, sources say, would be used to buy another bus and to pay salaries of drivers. As soon as guidelines for the dispersal of the Federal moneys are firm, Belleville officials can expect a definite answer on their request.

Meanwhile, newly appointed members of the Belleville Transportation Committee, which advises Commissioner Vincent T. Strumolo on the program, were sworn in this week. They are: Michael T. Del Russo of 373 N. 10th Street; Salvatore Marino of 8 Baldwin Place; Mrs. Ida Cordi of 34 Brighton Avenue; Alexander Maccia of 3 Memphis Avenue; and James R. Golden of 62 Tappan Avenue.

## Golden Comments

By James R. Golden

With the adoption by our neighbor, the Town of Nutley, of a rent control board which was sponsored by Mayor Carmen Orchio, many anxious Belleville tenants are expressing concern why similar such action hasn't been taken in Belleville.

The Nutley rent leveling ordinance will be implemented this month with the appointment of two tenants, two landlords, and one citizen-at-large to the board for three year terms. They will be selected from a list of persons nominated for consideration by members of the town governing body.

The rent control board will issue and publish rules and regulations to enforce rent stabilization throughout the town. The frequency of the board's meetings will be determined by the incidence of complaints submitted. Convicted violators of the ordinance can face a maximum \$200 fine or 30 days in jail or both.

In Nutley more than 100 persons attended the Commission session when the measure was officially adopted. It is expected that considerably more would be present here in Belleville were our Town Fathers to give the

## Sparkling Personality

# He'll Leave Belleville Library For Peace Corps in Malaysia

A part time job as a youngster, turned into a vocation for Harry Maglione, Adult Services Librarian at the Belleville Public Library.

Born and raised in Newark, he graduated from Barringer High School, received his BA in English from Seton Hall in

1967 and spent two years teaching in the Newark School system, prior to coming to Belleville five years ago.

Working part time at the Newark Library, Harry felt that the image of the librarian was changing as the scope of services a library offers to the community was expanding. He received his Masters in Library Science from Pratt Institute.

Harry likes people and found immense enjoyment at his part time job with the Newark Library, which changed his goal. No matter how many years it took, he decided he would become a librarian.

In earlier days, a library was looked upon as a luxury in a community...a librarian

only checked books in and out. Today, as evidenced by our own Belleville Public Library, the institution plays a large part in the community by acting as a good source of referral for multitudinous questions from the public. Senior citizens ask where to go for legal help; youngsters have questions on careers or colleges; children participate in hobby activities and adults view films and have cultural programs. Harry Maglione has been part of all this expansion at the Belleville Public Library.

He cites working with Ben Grimm, former library director, as a most interesting and rewarding time in his life, bringing many programs to Belleville citizens.

His title was "Senior Librarian", but his activities cover adult services and if you're interested in Swedish language lessons, or learning how to use a stenotype machine or any other subject in between, Harry Maglione will help you. What impresses the writer about Harry Maglione is his warmth, enthusiasm energy and tremendous interest in helping others. He found time during his busy schedule to help

youngsters find a summer job during 1972, working with Pat Diana. He endeavored to contact all organizations in town so that the Library would have a complete referral list of what's available to join, for newcomers.

Today — August 16 — is Harry's last day as Senior Librarian. He leaves shortly to work with the Peace Corps in Malaysia as an advisor in School Libraries. Our best wishes travel with him, as this "Sparkling Personality" will surely be missed by many.

# Legion Post 105 Installation Sees Wellen Take Command

On Sunday afternoon, August 12, members of American Legion Post 105 and their Auxiliary held installation of officers for 1973-74 at the Post Home, 621 Washington Avenue.

There was standing room only as 150 friends, relatives and Legionnaires from all over New Jersey attended the ceremony. Patrick John Lee was the Master of Ceremonies. He introduced Carmine Petti of American Legion Post 300, who was acting county commander in charge of the installation. Petti was representing American Legion Essex County Commander, Ralph Crisci, who is hospitalized. He introduced members of his staff - Charlie Brown, county adjutant, of Post 10; Wallace Thatcher, vice commander, Post 299; Anthony Faschetti, vice commander, Post 220; Sol Khim, vice commander, Post 189; Pat Wynn, vice commander, Post 105; John Denking, chaplain, Post 70; and Jack Gorman, former Essex County Commander of Post 105 assisted in the ritual.

Incoming officers are: Raymond Wellen - commander, Raymond Kinsley, Sr. - 1st vice commander, Fred Bohlen - 2nd vice commander, John Arthur - 3rd vice commander, Patrick John Lee - finance officer and judge advocate, William McCoy - assistant finance officer, John Wedekind - chaplain, Harry Murph - sergeant-at-arms, John Kapuscinski - historian, Henry Steele - adjutant, Frank Kiernan - immediate past commander, now service and ritual officer.

Lee introduced Mayor McGreevy who spoke to the audience,

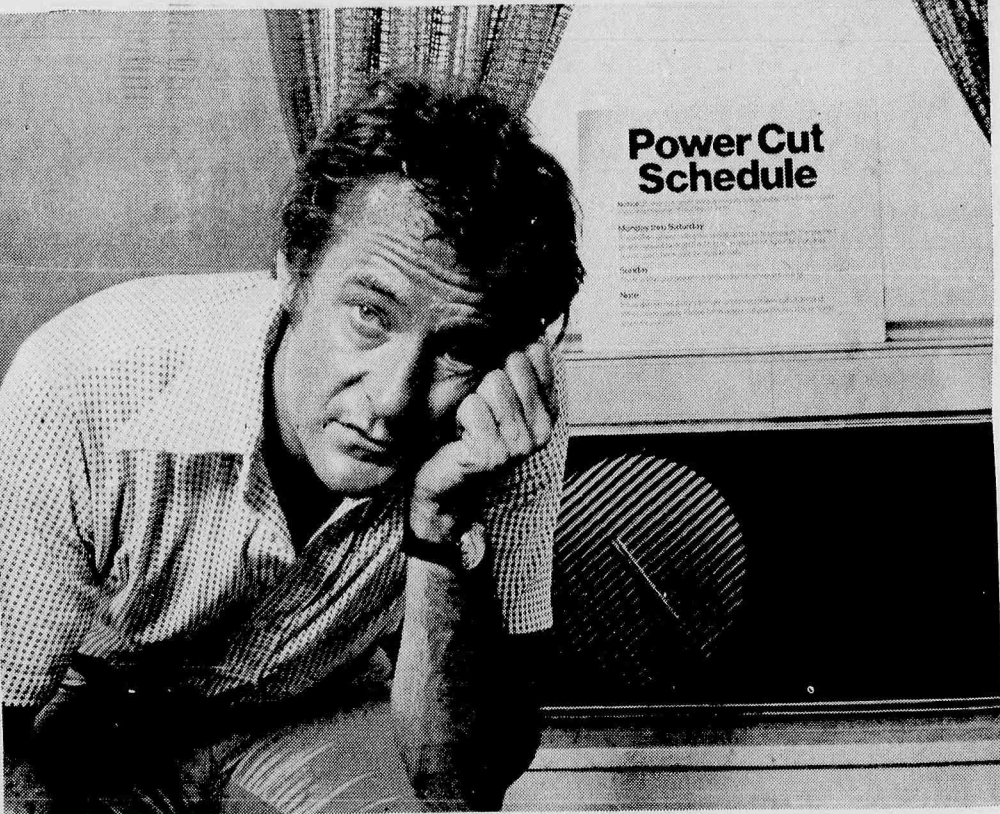

wishing the new officers good luck and said, "I hope this year you build a new building," which caused chuckles in the audience. McGreevy is also a member of Post 105. Frank Kiernan received a past commanders pin, Ray Wellen a commanders pin. George Mitchell introduced all past Post 105 officers present.

The new commander introduced his family, which included his oldest son, Francis, detachment vice commander of the SAL (Sons of the American Legion.) Another guest from the SAL was Thomas Ward who was a charming speaker. Mrs. Ann Schuster, past department president and past national demi chapeau of the American Legion Auxiliary was present as was Wayne Kellenbence, one of the five young men who attended Boys State, courtesy of Post 105.

After the formal ceremonies, the guests, officers and members had a buffet supper.

TWO COMMANDERS — Immediate Past Commander of Post 105, Frank Kiernan (right) congratulates new Commander Ray Wellen.

## Suppose we lose the Energy Race?

Our quality of life would take a giant step backwards.

Living standards and energy are bound together. It's been that way since the beginning of time when primitive man's only energy was his muscle, and survival his only goal. It wasn't until he discovered new sources of power (the wheel, wind, fire, water, coal, oil, natural gas) that he achieved economic well-being, a better quality of life, and the leisure time to enjoy it.

Now our way of life is being threatened by an impending energy shortage brought about by the opposition to nuclear energy plants. Further delays in their construction would open us to catastrophic dangers.

Without nuclear energy, brownouts and blackouts are a certainty in the near future. Electricity will have to be rationed. Power cuts will bring with them great discomforts. We'll breathe dirtier air without clean nuclear energy to provide the electricity. Our streams and lakes will stay polluted without the power to run new sewage facilities. With insufficient electricity to build new homes and cities there will be overcrowding everywhere. There will be no new industries to create job opportunities. Unemployment will reach new highs. Our food and fresh-water supply will also be affected.

President Nixon's scientific advisor, Dr. Lee

DuBridge, summed it up this way: "Without energy, our whole civilization in this country as we know it just comes to a halt."

We are a country that lives on energy. And by the end of the century we will require some 2 billion kilowatts of capacity to generate the power needed to maintain our high standard of living. It is our obligation to the future to provide that energy, but we can't do it without nuclear plants. And we can't build them in time without your support.

If you want to maintain your standard of living and improve that of the less fortunate, speak out for nuclear energy. You will be heard, and we will win the energy race. We must.

## St. Peter's Sets Lunch Guide

St. Peter's School today announced a free and reduced price meal policy for those children unable to pay the full price of meals served in schools under the National School Lunch Program.

Families falling within these scales are urged to apply. Families not meeting these criteria but with other unusual expenses are urged to apply for free or reduced price meals for their children. Acceptable hardship conditions are unusually high medical expenses, shelter costs in excess of 30 per cent of reported income, special education expenses due to the mental or physical condition

of a child, and disaster or casualty losses.

In certain cases foster children are also eligible for these benefits. If a family has such children living with them and wishes to apply for such meals for them, they should contact the school.

Families may apply by filling in the application forms sent home with a letter to parents. Additional copies are available at the principal's office. Applications may be submitted any time during the school year. The form itself is simple to complete and requests information needed to determine economic need based on the income and

number of persons in the family. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.

## Local Scouts Return From Jamboree-East

More than 45,000 Scouts and leaders have made a mass exodus from the 1973 National Jamboree-East and begun their homeward trek.

In one of the fastest disappearing acts ever, the Scouts dismantled their colorful, sprawling campsite in this hilly, forested part 40 miles north of Pittsburgh.

Among the Scout troops that spent seven days at the encampment was Troop 304 of Belleville led by Allen Gibson.

The other half of the encampment, Jamboree-West at Farragut State Park near

Coeur D'Alene, Idaho folded its tents Tues., August 7, after entertaining 30,000 Scouts.

During the Jamboree, every scout had an opportunity to participate in dozens of activities, meet widely-known personalities and see a number of special shows.

Many of the Scouts met and talked with entertainer Danny Thomas, astronaut Charles G. Fullerton,

### Mertz Avenue Charity Fair Is Scheduled

A neighborhood carnival against Dystrophy will be held on Saturday, August 25, at 45 Mertz Avenue, Belleville. Betty Ann Buckley, daughter of Mr. and Mrs. William E. Buckley will serve as ringmaster, assisted by her two brothers and various friends of hers.

The carnival, which begins at 10:30 a.m., will feature such games as bowling on the green, bean bag toss, pot ball, milk bottle drop, and pie toss and all proceeds will go to aid the fight against dystrophy and related diseases afflicting millions.

The children got the idea for staging their event while watching TV personality Bob McAlister who is promoting Carnivals on his "Wonderama" children's show seen on station WNEW-TV.

Last year, in cooperation with Muscular Dystrophy Associations of America, 39,543 carnivals were held by children across the country, and over \$1,172,661 was raised for MDAA's research and patient service programs. For additional information call 759-8360.

Congressman Frank M. Clark, (D-Pa.), Pittsburgh Pirates slugger Willie Stargell, former Miss America Vonda Kay Van Dyke, Presidential Assistant Michael J. Farrell and Kentucky Fried Chicken King Col. Harlan Sanders.

Additionally, Terrence Cardinal Cook of New York and Dr. Thomas Spitz, executive director of the Lutheran Council in the United States, conducted Sunday services.

Special shows were staged by the Army's Golden Knights parachute team, the Navy's Seal parachute team and a group of civilian "skytyping" pilots who wrote scout symbols in the sky above the sprawling campsite.

More important to the Scouts was the opportunity to go canoeing, sailing, rowing, swimming, hiking, shooting and fishing. Additionally, thousands of scouts competed in an eight-event athletic contest and eight individual athletic events.

Others competed in arts and science contests including literature, painting, sculpture, music, chemistry, computer programming, engineering and other disciplines.

What happens to the bodies of space men during their rides in space? According to Patrick Young, well known science writer, all sorts of changes occur. The body craves food less, for example. It turns out that men in space eat about two thirds of what they would eat on earth. Movement is more easily accomplished and brings less fatigue because of weightlessness. A weight loss is almost inevitable for space men. After returning home, the body must again accustom itself to earth conditions which it does within a few short days.

## A Congressional Problem

### United Farm Workers Vs. Teamsters

The United Farm Workers and a unit of the Teamsters Union are engaged in a jurisdictional dispute for representation of farm workers in California.

Lettuce and grapes are the principal farm products that are involved. Recently sympathizers of the United Farm Workers have demonstrated in this area in support of United Farm Workers representation viz-a-viz the Teamsters Union. Caught in the middle are the retailers and the consumers.

Unfortunately the federal labor laws do not apply to farm labor. This situation exists because of pressures exerted over the years upon the Congress by both the farmers and organized labor. Throughout the years at one time or another the farmers or representatives of organized labor were opposed to including farm labor in federal labor legislation.

About nine percent of the national lettuce produced is harvested by employees whose union representation is in current dispute between the United Farm Workers Union and a California Teamsters Local. All of the chain stores in this area are one hundred percent union. In view of this fact

it seems unfair for the Congress to permit a dispute between two unions to spill over and adversely affect both retailers and consumers. Consumers who sympathize with the Teamsters Union should have a right to buy products advocated by the Teamsters. Conversely, consumers who sympathize with the efforts of the United Farm Workers have the right to refuse to buy products harvested by employees who are the subject of organization efforts of the United Farm Workers Union.

We believe the Congress of the United States should amend the Taft-Hartley law and require inclusion under the federal labor statutes of all farm labor throughout the United States. This labor reform measure is long overdue. Failure of the Congress to take affirmative action in this area represents a dereliction of duty, results in unfairness to an important segment of our labor force, to retailers and consumers.

## Sports Deaths

Death and brutality shouldn't be a part of sports. Yet the frying of racing drivers continues. American football brutality continues, boxing continues to inflict permanent injuries and occasionally death on participants, etc.

In Holland recently, Grand Prix race fans saw Roger Williamson crash and burn to death; high octane almost invariably ignites in these crashes. Three, of course, were killed in the recent Indianapolis race in this country. Others are fried regularly.

Announcers and radio and television commentators are now gearing up for a good season of "head-knocking" in football. They use such harmless-sounding terms for the brutal play afield — shoulder

"separations" (bones torn apart), "shaken up" (knocked senseless, often unconscious), the wind knocked out (again knocked cold, possibly badly hurt), etc.

Excitement, violence and thrills have become paramount in some sports where sportsmanship, ability, and skill should be the measures of athletic competition. Big money is involved, and some aren't too keen to differentiate Big money is involved, and some aren't too keen to differentiate between entertainment and thrills and sports. There is, however, no place for brutal violence, drugs making it bearable, permanent injury and death in American sports.

## The Aces

Those pilots who fought the air war in 1914-18 especially and all Americans recently mourned the death, at 82, of "Captain Eddie" Rickenbacker, the greatest of the American fighter pilots in the First World War.

Rickenbacker shot down 22 German aircraft and four observation balloons in

his military flying career between April, 1914 and November, when the war ended (the U.S. was in the war only a year and half). He never duelled with the Red Baron, the greatest ace of the war, who went down before Captain Eddie's time, but he led the 94th Squadron to fame and many victories with a courageous spirit and determination.

## Dog Days

Dog days usually begin in July and can last until September, especially in the South, so August is usually the month with the most dog days.

History shows that people living in more southerly latitudes sometimes lack the industry of people from more northerly

climes, and therefore dog days logically have a slow-down effect on many.

They are often sultry, humid and extremely warm. If one can find no other escape to work, the existence of dog days is a good one, this month.

# Belleville Is Questioning Capability of Fire Dept.

By Peter M. Clark  
One Year Ago

After another "ouch and go" week of last minute planning, local officials gave the go ahead for the planned six hour rock concert to be held in Nutley's Park Oval. Security plans to handle the crowd, which was estimated to number anywhere from 1000 to ten times that amount of people included the uniformed Nutley police and an undisclosed number of plainclothesmen, assisted by 25 Deputies of the Essex County Sheriff's Department. Mayor Carmen Orechio promised to "deal harshly" with persons in the possession of or under the influence of narcotics.

Belleville's workers ruined "what had been the makings of a great science fiction story, when they discovered a logical, rational reason for the sudden appearance of large holes in a Belleville woman's yard, one of which appeared in her swimming pool and drained it, plastic liner and all. Mrs. Mary Senatore's men discovered that Mrs. Senatore of Ogden Street in Belleville had built her house on the cesspool, instead of on the rock, and that was the cause of her, and other neighbor's homes and yards sinking. Mrs. Senatore told the people that they would have to fill in their yards with dirt and rock to keep them from settling further, and that they would have to do it at their own expense, as it was not the Town's responsibility.

Matthew Pica, vice-president of the Belleville Board of Education, in a surprise announcement, called on the Board of Education to radically re-vamp itself with the adoption of a nine member Board and the total end of closed door meetings. The majority of the Board seemed to be in favor of this move, and the Board Attorney was commissioned to look into the matter. Mr. Pica stated that the Board would be better able to control the school system with a larger membership.

### Five Years Ago

A man tried to heist a brand new car from Allen Pontiac, but was foiled, not by the police, but by the car itself. The police noticed that someone was acting suspicious in the Allen Pontiac lot, and sent two cars to investigate, but they could not catch the then escaped thief. The light fingered fiend had to abandon the car when it developed transmission problems. The car was then dutifully sent back to Allen, presumably for work on its transmission, while the police continued to hunt for the robber.

### Ten Years Ago

Because of the antiquity of the equipment, manpower shortages, and possible financial disasters, there was considerable widespread concern over the ability of the Fire Department to cope with major or even minor incidents.

The Fire Chief, who doubles as the Fire Department's mechanic, voiced his doubts about the reserve ambulance, a 1948 Cadillac which had at that time logged 65,026 miles. He also recommended that at least twenty-two men be added to the force. Such a manpower increase could be expected to help improve Belleville's "C" rating from the Board of Fire Underwriters.

Other than the Cadillac ambulance, cited as a most serious worry was the 1939 Arens Fox pumper whose fire fighting ability has been dangerously suspect.

### Fifteen Years Ago

The World's Heavy Weight Championship between Floyd Patterson and a Mr. Harris was to be broadcast by the

Branford Theatre of Newark, New Jersey.

The Belleville Orioles of the semipro Essex County league extended their brilliant winning streak to nine games by whipping the South Orange Giants and the East Orange Generals. The Orioles employed a clutch play which made a world of difference in two one-run decisions. The double win carried the Belleville Orioles to a half game lead over the Nutley Colonels, clear leaders in the league before the Orioles great winning streak.

### Twenty Years Ago

The editor of the Times, Ralph Heinzen urged the local residents to write letters to the citizenry of Italy. Apparently, the hope was to discourage the Italian people from voting for or supporting in any way the growing Communist party. Heinzen was rabidly anti-Communist and felt that the Communists "were the greatest threat American Democracy has ever faced."

The then-youthful director of the Selective Service Bureau, General Hersey, tried to explain why draft quotas would have to go up again after the Korean Conflict was over, even though America was technically at peace, and would thereby logically need fewer soldiers.

Hey, remember those strange cardboard glasses you had to wear when you saw those three-D movies with your girl friend? Well, "Scandal at Sourie," with Walter Pidgeon, Gig Young and Greer Garson was playing, and hundreds of persons flocked to see it.

### Twenty-Five Years Ago

Times Editor continued his series of nearly scandalous assaults on the character of Third Party candidate Henry Wallace by chiding him for advancing a platform of "making peace with Russia on the basis of honest understanding." He asked his reading public "Is Wallace blind, a fool, or a knave?"

How much are you paying for your cigarettes nowadays? Pretty steep price for cancer sticks, huh? Well, twenty-five years ago, a Wilmington, Delaware company claimed that it could produce cigarettes at a \$1.49 a carton, while a nearby competitor dropped the boom on this claim by promising to produce better cigarettes for an even lower rate: \$1.27 a carton.

### Thirty Years Ago

The United States Treasury Department explained skyrocketing taxes to the American consumer (and naturally) taxpayer. The primary expense that the American public was paying for was the high cost of dying, or the arrangement for others to do so, via a visit the U.S. Army in Europe and Japan; that war was setting us back \$240 million a day; approximately 96% of the tax bill went to paying for this. Secondly, the large tax bill was to keep the public's spending power down, so as to curtail demand inflation.

Belleville citizens were very interested in the story of an American plane that was forced to land in Burma. The area, which was inhabited by headhunters, was reached by a supply plane, which dropped colorful trinkets and jewelry, for diplomatic relations with the natives. Local residents questioned whether the jewelry and trinkets which they had dutifully given up to the war effort might have been used to this purpose.

At Newark's Kent Theater, Humphrey Bogart and Raymond Massey appeared in "Action on the North Atlantic." Captain Clark Gable also appeared in "Wings Up." Every Wednesday afternoon, the management promised to show a new Superman cartoon.

## Speak Up!

# Says Belleville Postal Station

To the Editor:

In the past several weeks, petitions have been signed by the residents to keep the Nutley Post Office facilities intact where they are now centrally located for both the Nutley and Belleville people who shop in the area. In spite of many protests the Belleville and Nutley Post Office men have been shifted to the Belleville station on Main Street with the excuse from Mr. J. Benucci, the Postmaster, that it was a better location, with more space, air conditioned, etc., etc.

The other day I had the occasion to visit on business this "ideal" location — I couldn't believe I was in the correct building, it is a run-down, dilapidated mess, with all the comforts of a second-hand steam bath — if the letters you receive lately look like they have been steamed open, it is only because of the temperatures that those poor souls who are sorting your mail have been working in — I'm sure that the Post Office motto of "rain or sleet, hail or snow" would be a welcome relief, about now.

I only hope that the rest of the Nutley services won't have to be relocated also.

(Continued from Page 1)

same thoughtful consideration to this vexing rent problem that besets so many of our town's residents.

The deepest sympathy and condolence of the column is extended the family, relatives and friends of Thomas C. D'Avella and Mrs. Gertrude H. Barriscala who departed this life during the latter part of July.

Both were fine, wonderful people who contributed much to Belleville in the manner of being the type of citizens who leave a hallmark of greatness which earned them abiding love and respect by all who had the opportunity to know them. May they rest in peace.

Mayor Joe McGreevy took much of the joy out of a very pleasant trip to the shore by 14 bus loads of our Senior Citizens when he allegedly advised them...If you think taxes were bad this year...Wait until next year.

These seem like very ominous words coming from the Director of Revenue & Finance. How high is up?

Maybe our Mayor should consider some relaxation of tight restrictions that have been imposed that prevent growth and development of possible ratables that would offset the spiraling tax rate in town.

If much of the suggested programs of the various planning consultants and the suggested Master Plan that gathers dust in the Town Clerk's office were implemented, even at this late date, perhaps we could move forward as other surrounding towns have done, rather than stagnate as we have.

Hedrick Smith, reporting from Moscow in the New York Times, says the recent trip of Leonid Brezhnev to the United States has stirred a desire among many Russians to visit this country.

He believes the visit, and improved Soviet-American relations, has convinced many Russians there will be no war in their lifetime, and that this might pave the way for a new chapter in Russo-American relations.

Two major goals of United States policy, however, remain thwarted even in the afterglow of the Brezhnev visit. President Nixon apparently was not able to pry from his Soviet guest in June concessions concerning a freer flow of American Publications in Russia, nor a more liberal Russian policy to enable more Russians to visit the United States.

Smith and other reporters in Russia say travel restrictions have not been relaxed, and it remains almost impossible for the average Russian to visit this country. Also, American newspapers, magazines and other publications remain barred from Russian newsstands. No significant progress has been made along these lines in the recent Russo-American thaw. Until progress has been won in these fields, the danger of Russian expansion remains, even though the present regime is inclined to peaceful coexistence.

## Broker Fees

Senator Harrison Williams, New Jersey Democrat who heads the Senate subcommittee supervising stock exchanges and the securities business in general, has proposed the Securities and Exchange Commission set a time for ending fixed fees among brokers or bring the industry under federal supervision as a utility.

Williams says he appreciates the financial squeeze affecting many brokerage firms and would support a hike in broker fees of perhaps ten per cent if one of these steps accompanies the hike, which would promise an end to a monopoly-type fixed-fee system, coming under growing criticism.

American Telephone recently announced it would sell its stock to employees directly, rather than forcing them to buy through the brokerage fee system; other major corporations, it is hoped, will do likewise.

In supporting a ten per cent brokerage hike at this time, to stave off failures in the industry, Williams would use the hike to gain pledges of reform from the Securities and Exchange Commission, that the present undemocratic system be reformed; reform is past due.

constitutional philosophy that contended a person is innocent until proven guilty to a new philosophy that a person is guilty until proven innocent. Governmental agencies are probably more at fault than our citizens in producing this change in attitude.

Until the fast-breaking evidence of the last few days Vice President Agnew looked like Mr. Clean and was well on his way to capturing the 1976 GOP Presidential nomination. The allegations coming out of Maryland for all practical purposes seem to have destroyed Agnew as a political figure and maybe it is premature at this writing to make a prediction but I believe Agnew has suffered a fatal blow to his political future.

Agnew's troubles certainly cannot make President Nixon happy. The last thing in the world Nixon needed at this time in his political career was a Vice President being investigated for criminal conduct, bribery and obstruction of justice. The Administration's lies and cover up of the 1969-1970 Cambodian invasion sent a shock and a chill through most Americans. The Agnew developments simply leave us speechless. Everytime something new happens to the Nixon Administration I say to myself, "Well there can't be anything worse" — and no sooner do I conceive the thought than something worse turns up.

**MICHAEL AITKEN...MICHAEL AITKEN...MICHAEL AITKEN...** remember the name. Michael is a 22 year old genius and old friend who is a scientist and inventor of national reknown who has a research lab in St. Johns, Kansas. Michael recently discovered a method to produce artificial skin. He showed me a patent he recently received covering a method to convert solid waste to vapor — and then to pure water. He calls the method "Plasma Jet." Michael is also involved in a procedure to weld human bones. If half the things for which Michael received patents have practical applications everybody associated with him should end up being a millionaire. I have been offered the first opportunity for the installation of a "Plasma Jet" system. If an installation does take place in North Jersey — and it is successful — we need never worry about disposing of our solid waste nor should anyone be concerned about a shortage of drinking water.

**TRAVELLING EASTERN AIRLINES** on the Fort Lauderdale-Newark run is always a pleasant experience. The last time out I had the extra pleasure of enjoying the company of an Eastern Airlines gal who makes possible the efficient operation of Eastern's Woodbridge Electronic Research Center, Crickett English.

Crickett is one of the faceless marvels at Woodbridge who no one ever sees but benefits from by reason of her presence at the Electronic Center. Interesting company, Crickett never ceases to be entertaining.

**NUTLEY IS GETTING TO BE KNOWN** as the money capital of the East Coast. The latest banking institution to join Nutley's family of money dealers is the Trust Company of New Jersey occupying a beautiful new stone, brick and glass edifice at the corner of Vreeland and Franklin Avenue. The able young man in charge is Art Engel, a native Nutleyite who made his mark with the old Bank of Nutley.

**AND NOW COMES OUR FRIEND SPIRO** — that is Spiro Agnew. One may wonder what in the world is happening to the Republican Party's national leadership. The simple charge that Vice President Spiro Agnew is being investigated for alleged criminal conduct while holding the office of a Maryland county executive and as Governor of Maryland impeaches a good man's integrity with a cynical public. It is most difficult to believe that Vice President Agnew is guilty of any implied charges. America has evolved into a nation that has changed a basic

But McGreevy this week, as he has throughout the dispute, made it clear he wants the cut to be enforced to its fullest, as the Commissioners set it.

"I'm as much for education as anybody else, but this is a different thing entirely," he said, referring to the system for appealing school budget cuts.

School officials have testified at the Trenton hearings throughout two sessions, with Board President Lawrence Schwartz, Superintendent Anthony Greco, Secretary Mary Shader and Building Superintendent Edward Brecka speaking. Board Attorney Max Schwartz fell ill during the hearings and has

(write me at 104 Overlook Ave. or call 751-6861)

Happy birthday wishes are in order for Nancy and Allan Crisp. Alan's day to celebrate is August 14, Nancy's the 17th. Have a happy.

Best wishes also to Shirley (Kinsley) Quist who (isn't getting older, she's getting better) had a birthday on August 14. Shirley's husband, Bill, is a volunteer fireman. The couple recently returned from a camping vacation with their two sons, Edward and Billy.

I hope you've been following my publicity on Ann and Dave Daniels, the couple who has been teaching teens free this summer in a Little Theatre production of "West Side Story". Performances are scheduled for September 21 and 22 at BHS, and a supper club engagement at the Branch Brook Manor on Sept. 26. NOTE - The Daniels request all program chairmen of any club or organization in town to contact them and two free tickets will be sent to the club for members to view the shows at BHS. Some letters are being mailed, but in order to make sure the Daniels don't overlook any club, they asked me to put this note in. All you have to do is write to the Daniels, using your organization's stationery, and request tickets for "West Side Story". Write - Ann and Dave Daniels, 1 Rutgers Court, Belleville.

**TONIGHT'S THE NIGHT** the fund raising fashion show sponsored by the Rehabilitation Committee of Unit 299 American Legion Auxiliary...to be held at the Post Home, 118 Belmont Ave., tickets at the door.

I usually try to give good news in this column, but now I've got some bad news. Harry Maglione, Adult Services Librarian at the Belleville Public Library has resigned. After today Harry will be planning to go abroad with the Peace Corps. Belleville will surely experience a loss, as Harry was always one of the first to volunteer his services for any worthy project. He helped me last year on the summer Employment Program, and if you needed to know ANYTHING, Harry would find it for you. In short, he went beyond the call of duty. He instituted many services at the Library and was instrumental in bringing many entertaining programs to town, which were held at the

Library, and open, free of charge, to Bellevilleites. A Newark resident, Harry considered Belleville his home away from home, and was active in many civic activities. I have been trying for years to feature Harry as a "Sparkling Personality", but he has been modest. However, since he is leaving, he has consented and please look for the story in this issue. To Harry Maglione - a world of best wishes in your new venture.

**YOU KNOW**, Ma Bell must be feeling the economy pinch. I questioned a 41¢ call on my phone bill, and the rather "no-nonsense-please" coolish service representative really annoyed me. First they sent me a letter, repeating the number and giving the party's name. I phoned and said no one in my family knew the party. I was repeatedly told it was dialed from my phone and then asked, did I have children? I was asked to hold the phone and when she returned, the service rep told me the party called used to live in Belleville. Now, I may know many people in town, but I don't know EVERYBODY...and, at that, lost my cool and stated, to the effect, I used to be a service rep and if they thought I would go to this trouble to save 41¢, they were badly mistaken. The upshot was I was told I could deduct the 41¢ plus tax from my bill. Come on now, Ma Bell, are things THAT tough?

In meandering the other day, entered the doors of 549 Washington Avenue where a new ethnic program office has been established jointly by the North Essex Educational Service Center and the Essex County College. Called the "Need Center," multi-services are planned to include advice to the returning veteran, the senior citizen who wishes to continue education, the high school student who needs career advice. Cultural films, lecture series and college credit extension courses are scheduled. The phone number is 751-6750 for information. Robert J. Russo is the coordinator with Frank G. Abate assisting. There are also student volunteers.

The Joseph Napolitano Civic Association will hold a dinner and dance in honor of the Standard Bearer on September 21 at The Fountain. The event will begin at 7:30, and two bands will provide entertainment. Tom

Tucci is the chairman. Tickets are \$12.50/person and you may reserve by phoning 748-6011 or 743-7525.

**HELP IS NEEDED** at the Cerebral Palsy Center of Essex and West Hudson Counties. Mrs. Viola Vernick tells me that she had many teenage volunteers in the beginning of the summer, but now there is a real need to request help from some teens. Any 13-14 year olds or older, who can help from about 11 a.m. to 1 p.m. one or more days a week, is asked to phone Mrs. Vernick at 751-0200. What you would be doing, kids, is feeding the handicapped youngsters who cannot feed themselves. Can you spare two hours a day from your summer fun? It's a good feeling to help others.

Please check the Bulletin Board - many interesting projects are being held by the Library - both the main and branch locations. For example, a puppet show will be held at the Silver Lake Branch on August 20th. The kids made these puppets during the summer. On the 22nd, arts and crafts and on the 24th - a chess tournament - all at the Silver Lake Branch.

Speaking of the Bulletin Board - please remember - it's up to YOU to make sure your organization's meeting dates are listed - just phone me.

Happy birthday to Connie Bogart. The date was August 7th. She is the daughter of Mr. and Mrs. Charles and has an older brother, Charlie.

## COMMENTS

Did you see all the advance publicity about the new morning news show on CBS? Featuring Sally Quinn, a former reporter for the Washington Post, with very little said about the anchorman, Mr. Rudd, it was all a device to zonk another gal commentator on NBC. Sounded interesting to me, so at 7:00 a.m. on that eventful morning I decided to turn on CBS and see how gal reporters can rise to fame and glory.

Just a word of caution here...when anybody writes anything, speaks on a subject, or goes on record as pro or con for a cause...it is ALWAYS easier to pick apart for errors, omissions etc. This is human nature.

I was bitterly disappointed with Ms. Quinn. Though she stated she had a fever and cold, I felt she WAS stiff and cold, and maybe a little bit

scared. Surely not my cup of tea to enjoy with my breakfast. I wanted a little bit of warmth and humanness that hour of the day. I switched channels to view the other gal, Barbara Walters (I think that's her name) on NBC and SHE left me cold, being too gracious, condescending and with a pasted on smile.

## First National State Bank Ranked Largest in State

First National State Bank of New Jersey remains the largest individual commercial bank in New Jersey, according to the semi-annual rankings issued this month by American Banker, the national banking publication.

The rankings were based on total assets as of June 30. First National State Bank on that date reported total resources of \$1,189,143,000, one of only two individual New Jersey banks to show assets of more than \$1 billion.

The bank is the lead bank of First National State Bank-corporation, statewide bank holding company, also headquartered here.

## Business Spotlight

# Kiernan Funeral Home Creed Is 'To Relieve Any Burden'

Perhaps one of the longer-established businesses in town is the Kiernan Funeral Home at 101 Union Avenue. George F. Kiernan began his service to the community by opening for business on January 1, 1937. Doing "everything necessary to relieve the people of any burden whatsoever," has been one of the guidelines of Kiernan's.

Joined by his son, Pat, in

1954, another Kiernan creed has been to do "everything according to the family's wishes - we don't have a set routine." The Funeral Home was expanded in 1958 to include parking facilities and a total of three chapels. Pat and his father, George, are on call, via a paging system, 24 hours a day.

The Kiernan Funeral Home is a red brick and white

edifice of charming and simple sophistication. The interior, decorated largely by Mrs. George Kiernan, is of red paneling, accented by white and off-white decorator's items. A quiet elegance prevails throughout and brings dignity to a time of life which must be faced by all.

George Kiernan is a former commissioner, a trustee of St.

Peter's Church, past president and past secretary of the N.J. State Funeral Director's Association, past president of the Essex and Union County Funeral Director's Association, member of the Elks and chairman of the Board of Trustees for the Essex County Children's Shelter. He and his wife have five sons and a daughter - George Jr., Ray, Jim, Richard, Pat and Janice.

## Sweet Adelines Plan Picnic Today

The West Essex Chapter of Sweet Adelines, Inc. will host a "picnic" at the Union Congregational Church, Cooper Avenue, Upper Montclair, today beginning at 8:30 p.m.

Sister Sweet Adelines from the Sparta, Manhattan and Garden State Chapters will be joining the 65-member West Essex chorus for an evening of fellowship, barbershop singing and "box lunches." The Chairman of the Interchapter Party, Mrs. Ida Planten of West Caldwell, has planned entertainment to be supplied by the hostess chapter chorus and quartets, as well as by the visiting choruses and the quartets they will bring.

# ...because no two homes are alike.

A generation or so ago phone service meant simply having a phone. It was black and had a rotary dial.

But times have changed. Today, convenient phone service means having the right phone, in the right place. That's why we have different phones—all kinds—so you can choose the ones that are just right for you, as well as your home and family lifestyle.

Look around your home. Do you have phones where you need them most—where you live, work or simply spend a lot of your time?

Consider the phones shown here in relation to your home. If you think some changes are in order or want some advice, get in touch with your Service Representative. A call to your local Telephone Business Office will do the trick.

1. Our basic dial phone comes in wall and desk models — in decorator colors at no extra charge.
2. Modern Touch-Tone® service makes calling twice as fast, twice as easy. Available at a special bargain price if you need three or more.
3. The sculptured Trimline® phone puts everything right in the palm of your hand. Since you don't need the base to make a call and because it comes with a longer cord, you can tuck it in an out-of-the-way place.
4. Our stylish, practical Princess® phone. Soft 'night light' dial and compact size make it ideal for the bedroom.
5. The speakerphone lets you carry on a conversation 'hands-free.' Amplifies both sides of the conversation.
6. Card Dialer. It's a telephone... it's a memory bank. Frequently called numbers are recorded on plastic punch cards. To make a call, put the card in the slot and press a button.
7. Wall phones in various sizes, shapes and colors. Including our designer panel phone for the architectural built-in look.
8. If you have difficulty using the telephone, we have special equipment to make calling easier and more enjoyable. Including this phone — it helps you hear better.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Mr. and Mrs. John Triarsi Are Living In Roselle Park

Mrs. John Triarsi - nee Phyllis Pittrelli

Miss Phyllis Joan Pittrelli, daughter of Mr. and Mrs. George Pittrelli of 15 Rossmore Place was married August 3 to John Salvatore Triarsi, son of Superior Court Judge and Mrs. Jacob Triarsi of Elizabeth.

The Rev. R. Grady of Seton Hall University and St. Peter's Church and the Rev. Bregolato of St. Anthony's Church, Elizabeth, celebrated the nuptial mass at St. Peter's Church. A reception followed at The Chanticleer, Millburn.

Escorted by her father, the bride wore a gown of chantilly lace over silk shantung with a high neckline, full lantern sleeves, train and scalloped hemline all embroidered with tiny pearls.

A Camelot headpiece held her elbow length illusion veil and she carried a prayer book with a baby orchid and babies breath.

Miss Georgette Pittrelli of Belleville was her sister's maid of honor. Bridesmaids included Mrs. Marilyn Zoppa of West Milford and Miss Pauline Pepitone and Miss Paulette Salerno, niece of the bride, both of Belleville. Flower girl was another niece, Cheryl Knodel of Belleville.

Their gowns were of yellow dotted swiss with bishop sleeves. Daisies were embroidered on the cuffs and on the neckline. The honor attendant carried a basket of yellow daisies and babies breath.

Joseph J. Triarsi of Roselle Park served his brother as best man. Ushering were John Hanley of Roselle, Raymond Bolanowski of Elizabeth and the groom's cousin, Joseph Bruno of Union.

Mrs. Pittrelli chose a gown of light pink silk embroidered with pearls. The groom's mother was in a deep rose pink matte jersey gown. Corsages were of white orchids.

Mrs. Triarsi, a graduate of Caldwell College for Women, is a teacher at Union High School.

Mr. Triarsi, an alumnus of Seton Hall University and Seton Hall Law School is in private practice with the firm of Pisano, Triarsi & Triarsi. The couple honeymooned in Bermuda and are living in Roselle Park.

Mr. and Mrs. Daniel Schroeck - nee Barbara Zeck

## Miss Zeck Bride Of D.L. Schroeck

Belleville Dutch Reformed Church was the setting July 26 for the marriage of Miss Barbara Ann Zeck, daughter of Mr. and Mrs. Stanley Zeck of 543 Joralemon Street to Daniel Louis Schroeck, son of Mr. and Mrs. Albert Redding of 53 Joralemon Street.

The Rev. Rutter performed the ceremony which was followed by a reception at Copper Hood Inn.

Given in marriage by her father, the bride wore a white lace gown with long sleeves and high ruffled collar. A cathedral train fell from the waist.

A lace and crystal spray held her three tier elbow length veil and she carried a heart shaped bouquet of gladiolas and carnations centered with an orchid corsage.

Miss Diane Zeck of Belleville was maid of honor. Bridesmaids included Miss Carolyn Zeck of Tuckerton, Miss Diane D'Aleonzio of Bloomfield, Miss Barbara Zeck of Secaucus and Miss Donna O'Shea of Nutley. Junior bridesmaid was Miss Catherine Zeck of Belleville.

The attendants in the rainbow wedding wore gowns in powder blue, apricot, Nile green, orchid, yellow and aqua. Multi colored hats were

banded with ribbon to match the gowns and they carried carnations and gladiolas.

Dennis Dries of Bloomfield was best man. Ushering were Steven Zeck of Tuckerton, Robert Schroeck of Piscataway and Vincent Abbott, Anthony Bove Jr. and Elio Gabriel of Belleville.

Mrs. Zeck chose a tan gown accented with brown. Her corsage was of yellow roses. The groom's mother was in a pink gown and had a corsage of pink roses.

Mrs. Schroeck, a graduate of Belleville High School, is with Mutual Benefit Life Insurance, Newark.

Mrs. Schroeck, also a Belleville High School graduate, is with the Star Ledger, Newark.

After a honeymoon in the Poconos, the couple are living in Bloomfield.

### Claims Job Placement Saved Over \$1 Million

A Department of Community Affairs program saved state and county governments more than \$1.2 million in welfare payments during the past fiscal year, it was announced today by Commissioner Lawrence F. Kramer.

## Holy Family Church Is Setting For Moreno-Ludovico Rites

Miss Madeline Ludovico, daughter of Mr. and Mrs. Albert Ludovico of 23 Belmont Avenue was married May 5 to Gerald Moreno, son of Mr. and Mrs. Patrick Moreno of 14 Federal Street.

The ceremony was performed in Holy Family Church by the Rev. Robert Cozzini. A reception followed at White Eagle Manor, Bloomfield.

Escorted by her father, the bride wore a satin high necked gown with bishop sleeves. A cluster headpiece held her three tier veil and she carried white magic mums with a removeable corsage.

Mrs. Patrick G. Moreno, sister-in-law of the groom, was the matron of honor in a light blue dotted swiss gown and hat. She carried light and dark blue mums.

Other attendants included Miss Mary Ann Lanzafoma, cousin of the bride and Miss Linda Benenato, Donna Migliara, niece of the bride, was flower girl. They were similarly attired and carried magic mums also.

Patrick G. Moreno served his brother as best man. Ushering were Cyrus N. Moreno and Vincent Moreno, other brothers of the groom. Michael Lyman, the groom's nephew, was ringbearer.

Mrs. Ludovico chose a baby pink chiffon sleeveless gown with beaded waistline and had a gardenia corsage. The groom's mother was in a sleeveless turquoise gown with a beaded waistline and a double orchid corsage.

The couple are alumni of Belleville High School. Mr. Moreno is also a graduate of Rutgers University and is attending the Rutgers Graduate School of Economics.

They honeymooned in San Juan, Puerto Rico.

Suggestion: When the cost of living drops, your wages will drop faster if you don't look out.

Mr. and Mrs. Gerald Moreno - nee Madeline Ludovico

## Earwig Comes During Summer

The European earwig is hard, reddish brown and nearly an inch long with a pair of sharp pincers at the end of its body. The male's pincers are larger and more curved than the female's. The front wings are very short with the hind wings folded beneath them.

However, earwigs seldom fly, says William F. Munk, senior county agricultural agent of Essex County.

Female earwigs deposit their eggs during the early spring in the soil. They watch

over their young for a period of time and later leave the nest to deposit another batch of eggs. Young earwigs feed on green plant shoots and ear holes in the leaves of many different vegetables and flowers.

Home gardeners should use either carbaryl (Sevin) or malathion for earwig control. Several applications at weekly intervals may be necessary for adequate control, advises Mr. Munk.

If you don't know the answer, don't answer the question.

## Berkowitz-Sosin Rites Performed

Mrs. Frieda Sosin of Belleville, widow of Mr. George Sosin and daughter of the late Mr. and Mrs. Max Bell of Passaic, was married last evening to Irving H. Berkowitz, son of Mrs. Lillian Berkowitz of Belleville and the late Mr. Morris Berkowitz.

Rabbi Herbert Horowitz performed the ceremony at Congregation Ahavath Achim of Belleville where the reception was also held.

Escorted by her brother-in-law, Richard Brateman of Fair Lawn, the bride wore a gown of blue silk organza trimmed with Alencon lace and fashioned with a scoop neckline and bishop sleeves. Her headpiece was a matching bow with a short veil and she carried a cascade of orchids.

Miss Carol Anne Sosin was her mother's maid of honor in

a white and blue print organza gown with high neckline, bishop sleeves and empire waist. She wore a matching picture hat and carried a nosegay of white roses and blue carnations.

Max N. Schwartz of Belleville, uncle of the groom, was best man.

The groom's mother chose a pale pink chiffon gown with matching lace jacket and had a white orchid wristlet.

Mrs. Berkowitz is with New Careers Systems Institute Inc., New Brunswick.

Mr. Berkowitz is self employed as Thrifty Fabrics, Belleville and is president of Congregation Ahavath Achim.

The couple are honeymooning in Scandinavia and will make their home in Belleville.

## Marie Cioffi Engaged To Kevin Michael White

Mr. and Mrs. Frank Cioffi of 428 Belleville Avenue announce the engagement of their daughter, Marie, to Kevin Michael White, son of Mr. and Mrs. Patrick White of Elizabeth.

Miss Cioffi, an alumna of Belleville High School and Newark State College, is an English-reading teacher at Eatontown Board of Education.

Mr. White, a graduate of Roselle Catholic High School and Newark State College, is with Good Bros. Inc., Floor Covering.

The wedding will be held April 6, 1974.

Miss Marie Cioffi

## Flemington Fair Features Award For Chestnut

Presentation of an award for the largest living native American Chestnut tree in New Jersey will be a feature of Flemington Fair this year.

The New Jersey Nut Growers are currently conducting a competition to find the number one tree in the Garden State, with Flemington Fur Company contributing a \$50 gift certificate for the largest, plus correspondingly lower prizes for the next four in order.

The Nut Growers will have an exhibit in the State Agency's tent at the Fair, which opens Tuesday, August 28 and runs for seven days and seven nights through Labor Day. The exhibit will include the uses of various nuts, advice on nut growing in New Jersey, and a display of American chestnut wood, trees, nuts and chestnut wood carving.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Mr. and Mrs. John T. Papa Honeymoon In The Poconos

Miss Carol Ann Luzzi, daughter of Mr. and Mrs. Frank Luzzi of New Street and John Thomas Papa, son of Mr. and Mrs. John Papa of Bloomfield, exchanged wedding vows June 16 in St. Peter's Church.

The Rev. James Heavy performed the ceremony which was followed by a reception at Town & Campus, Union.

Escorted by her father, the bride wore a white chiffon gown appliqued with lace flowers. Ruffles accented the neckline, sleeves and hemline and trimming was of seed pearls.

A Camelot headpiece of lace and pearls held her veil and she carried a bouquet of daisies, yellow roses and babies breath.

Miss Kathline Natale of Belleville was maid of honor. Bridesmaids included Miss Marilyn Sica and Miss Michelle Rossie of Belleville, Miss Diane Papa of Lyndhurst and Mrs. Mary Tritto of Toms River. Miss Maria Papa of Linden was junior bridesmaid.

The honor attendant was in a mint green chiffon gown embroidered with yellow, green and white daisies. A Camelot headpiece held a long veil and she carried a basket of daisies, carnations and babies breath. The others were similarly attired in yellow.

Anthony Papa of Bloomfield was best man. Ushering were John Scilla and Anthony Commarto of Bloomfield and John Resciniti and Michael Ibaiza of Belleville.

Mrs. Luzzi chose a pale pink gown accented with beading. Her corsage was a purple orchid. The groom's mother was in a hot pink chiffon gown and had a white orchid corsage.

Mrs. Papa, a graduate of Belleville High School, is an IBM operator with N.J. Bell Telephone Company, Glen Ridge.

Mr. Papa, also an alumnus of Belleville High School, is a technical illustrator with Monroe, The Calculator Company, Orange.

The couple honeymooned in the Poconos and have made their home in Belleville.

## Day Treatment Center Opens For Disturbed

The fall opening of The Child Development Center, a non-profit day treatment facility for emotionally disturbed children, was celebrated recently at a reception given by Dr. and Mrs. Robert Latimer of Montclair. Actress Betsy Palmer, guest of honor, told some 30

area residents attending the reception of her personal interest in the Center and urged their support of its activities. The Child Development Center, which has the approval of the New Jersey State Department of Education to receive students from the public schools, is scheduled to open on September 10 at 60 West Street, Bloomfield.

Every citizen complains about the taxes he has to pay.

Mrs. John Thaller - nee Diane Dickler

## Thaller-Dickler Nuptials Are Held

Miss Diane Louise Dickler, daughter of Mr. and Mrs. Raymond A. Dickler of East Orange and Shore Acres became the bride June 23 of John Spencer Thaller, son of Mr. and Mrs. John S. Thaller of 178 Beech Street.

The Rev. Thomas McCann performed the ceremony in Holy Name of Jesus Church, East Orange. A reception followed at Galloping Hill Inn, Union.

Escorted by her father, the bride wore a gown of silk organza over satin accented with Alencon lace. A Juliet cap of satin, lace and seed pearls held her veil and she carried white roses.

Mrs. Michael Lapinski of Belleville, sister of the groom, was matron of honor. Bridesmaids included Mrs. A.J. Wozniak of Caldwell, and the brides cousins, Miss Ellen Sharkey of Toms River and Miss Dolores Carr of Bloomfield. Miss Mary Quaglia of Fanwood, and Johann Benz of Forked River, also cousins, were junior bridesmaid and flower girl.

The honor attendant wore a white gown embroidered with violets and green leaves over lavender. It was trimmed with green as was her picture hat. The others were similarly attired with gowns and hats trimmed in lavender. The flower girl was in a white eyelet pinafore over a lavender dress and had a lavender ribbon in her hair. All carried spring flowers.

Raymond A. Dickler Jr., brother of the bride, was best man. Ushering were Mr. Wozniak, Mr. Lapinski, Gary Thaller of Belleville, brother of the groom and Daniel Quaglia of Fanwood, cousin.

## Neighborhood Carnival Set For August 31

A Neighborhood Carnival Against Dystrophy will be held on August 31 at 104 Howard Place. Rhonda Alvine, daughter of Mr. and Mrs. John J. Alvine will serve as Ringmaster assisted by Steven Kalucki, Jimmy Viola, John Alvine, Matt Polito, Laura Poole, Pam Moench, Lynne Park, Andy Ruffo and Robert Fitzsimmons.

The Carnival which begins at 12:30 p.m. will feature such games as Haunted Mansion, Sponge Toss, Disc Toss, Candle Put-out and Pitch-a-Penny. All proceeds will go to aid the fight against dystrophy and related diseases afflicting millions.

## Elaine Anne Benucci Is Wed To Bernard J. D'Avella Jr.

The Cathedral of the Sacred Heart, Newark, was the setting August 11 for the wedding of Miss Elaine Anne Benucci, daughter of Postmaster and Mrs. Joseph J. Benucci of Newark, and Bernard Johnson D'Avella, Jr., son of Mr. and Mrs. Bernard J. D'Avella, also of Newark. Presiding at the ceremony was Monsignor Joseph Doyle, who officiated at the wedding of the bride's parents here in 1942.

Given in marriage by her father, the bride wore a gown of candlelight double silk organza trimmed with princess lace and pearl embroidery. Her headpiece was of princess lace and pearl embroidery and her long veil was of silk illusion. She carried white roses.

Mrs. William Rengier of Lancaster, Pa., was matron of honor. The bridesmaids were Mrs. Gary Anderson of Union, Miss Francine Barcellona and Mrs. Frank Centanni of Newark, Mrs. Raymond Hermo of West Orange, Mrs. Joseph Komorowski of Westfield and Miss Cabrina Potente of East Orange.

Serving as best man was John D'Avella, brother of the bridegroom. The ushers were John Blanchard of Malvern, Pa., Randall Kelly and John Poggi of Brooklyn, N.Y., Richard Magliacane of South Orange, and Kendall Wilson of Chevy Chase, Maryland.

Following the ceremony, a reception was held at the Manor in West Orange.

Mrs. D'Avella is a graduate of Immaculate Conception Junior College and the Berkeley School. She obtained her degree in education from Newark State College in 1969 and is presently a teacher in the Newark School System. Her father is Postmaster of Newark and Manager of the Newark Postal Sectional Center.

Mr. D'Avella, who received his Juris Doctoris degree from the University of Pennsylvania.

The couple honeymooned in Florida and are living in Meshopen, Pennsylvania.

Mrs. Bernard D'Avella Jr. - nee Elaine Benucci

sylvania Law School in May of this year, was graduated from Newark Academy and did his undergraduate work at Princeton University, where he was president of the Glee Club in his senior year. His father is owner and operator of D'Avella Pharmacy in

Newark, and a founder and vice-president of the James Drug Company of Linden.

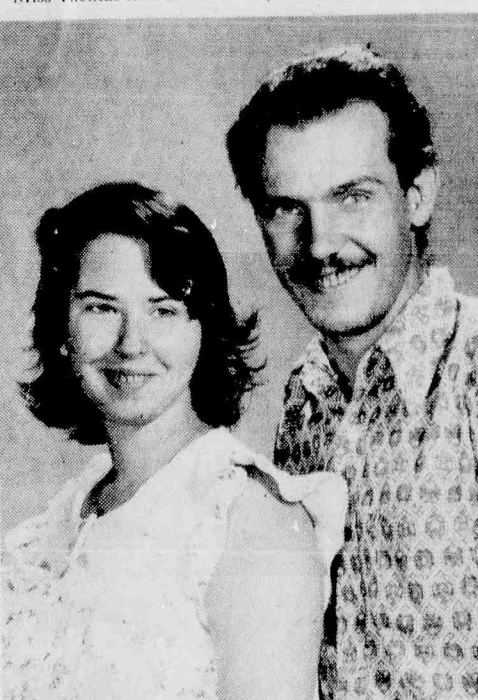

The bridal couple will honeymoon in Europe. On their return, Mr. D'Avella will join the Newark law firm of Hanoach, Weisman, Stern and Besser.

**MODERN DANCE** was also entertainment fare. Director Michele Moretti is shown here leading dance routine to "Soul Maruska."

**FRIENDLY HOUSE** directors Mary Ann Dondarski and JoAnn Raimo watch as a customer sends a well-aimed ball towards the goldfish of his choice at this event which demanded skill and a love of little fish.

**"DRAW, PARDNER"** — School Nine playground directors Mark Bradley and Marcia Gilbert equip sharpshooter Pam Owens with a pistol and darts, with the object being to knock a ping pong ball off one of the lip of a bottle.

**TAKE A CHANCE** — Playground directors Lucille Burlazzi and Janice Rosania buy a chance for a spin on the kids' wheel of fortune. Everything was strictly on the up and up at this carnival, and all proceeds went to a good cause.

**RECREATION HOUSE** erected a chance wheel with prizes at their booth, supervised by Louisa Licamelli and Rose Ann Satriano.

## Belleville Rec Dept. Roundup

by Kathy Fornarotto

Frisbee has become a popular game at Fairway Playground, especially with Frank Ameo, Maria Prosseri, Gail DeLaurentis, Dave Marra, and Chet Prosseri.

A new game at School Nine Playground is "Batting-off the Wall." Steve Annichiarico has remained champ all week. A chess tournament is planned for next week.

A special event at School Four Playground was a dog show. With the help of their owners, each animal displayed his talents. Anthony Ferrara is the leading scorer in a fierce O.U.T. competition. A frisbee tournament was held and Mike Esposito was unbeatable.

Dawn Castelli and Dolores Kuriger enjoy playing "Keep-Away" at the Stadium. Anthony Santisuri, Janice Manzo, Eileen Coughlin and Mark Cardone have been helping to prepare for the carnival for Muscular Dystrophy.

At School Three Playground embroidery was initiated and in a little time beautiful designs were sewn on jackets, jeans, and handkerchiefs. Christine Herb and Mike Mello produced interesting results with colored thread.

Last week the children of School One Playground, along with director Sandra Cheatham, took a field trip to Belleville Park. After a picnic lunch the children played badminton, softball, and kickball.

A "Hit-the-Stick" tournament was held at Kelly Playground, and Richie Wilks became champion. Beautiful flowers were made by Carmen Rodriguez, Bobby Drumm, Toni Wilks, Dawn Frahm, Michele Kolesar, Valerie Goleski and Elinor Orr. They will be displayed at the Handicraft Exhibit and sold at the Carnival.

Tournaments were held at School Eight Playground. Stephen Cosentina was the winner in Nok Hockey. Sandra Colombrito won the Kalah championship, and Anthony Bell became the Ping Pong champ.

Children at the Friendly House made decorative plaster plaques. Each child imprinted his hand in a plaster mold and later painted the finished project. Included were Steve Dondarski, Peter Franzi, Tony Ciancuilli, Tina Charles, Camille Labar, Joe Siciliano, Leonard Iannia, Ronald Charles and Paul Iannia.

Children at School Two Playground enjoyed arts and crafts, especially painting. Beautiful water color prints were produced by this group.

Four dogs and a goldfish were the participants in a pet show at School Ten Playground. First prize was awarded to Samantha, a dog owned by Suzanne Verian. Bobby Gingerelli's dog, Tabby, placed second. The fish, named Myrna, was entered by Lisa Glogozza and was the only contestant who could hold its breath under water.

Children at the Rec House made clay jewelry. Pam Sincoc and Sandy Sincoc produced pretty results. A banana split party was enjoyed by all.

A frisbee was a new addition to the Pistol Range and immediately gained popularity. Football is also a playground staple.

Life is so arranged that the more you have, the more you want; that's what keeps man going.

## Whip Branch Brook, 28-11

# Park View Captures Softball League Title

The Recreation Department Townwide Softball Championship was claimed by Park View House Monday when they finished a playoff series with Branch Brook Manor in a 28-11 dusting.

Both teams, undefeated except by each other throughout the entire season and the playoffs played to the hilt Monday, and the tone of the game was set when the first pitch to Park View's Venancio was cracked for a sharp single. Crupi then doubled and was followed by Salveson's single which drove in two runs. Butch Pavel then belted a long homer with two men on base and the sixth run of Park View's half of the first inning was driven in by Nylander's single.

In Branch Brook Manor's half, Bob Haug walked and Joe Di Giacomo singled. Both runners advanced on Rich Lowak's sacrifice fly with Haug scoring. Di Giacomo scored on Tom Joyce's single. Jack Lowak produced a base hit, as did Bob Savare, driving in Joyce. Lowak came home on a hit by Art San Filippo and the inning ended with Park View ahead, 6-4.

Park View continued to pound the ball in the second inning with Crupi and De Simone singling to be brought in by a long homer by Salveson. Bivona got on, only to be picked off at second on a drive by Pavel. Liola next doubled; he and Pavel were driven in by Krause to build the Park View score to 11-4. Branch Brook Manor was unable to score in the inning despite a three-bagger by Bob

Haug.

Two more runs came to Park View in the third on doubles by Crupi and Di Simone and a single by Pavel. Once again, the Manor was unable to score.

After having their first two runners put out, Park View got Vennancio on with a single. Crupi then doubled and he came across the plate along with Vennancio on a DeSimone single. After a single by Salveson, DeSimone was driven in by Bivona to pile the score up to 16-4. Fortune still failed to smile on the Manor in the fourth inning.

Park View poured it on in the fifth inning. Liola got on base, but was picked off at second when Krause singled. Krause went to third on Canning's double and then came home after tagging up on Nylander's long fly. Canning was driven in by Vennancio, Iazetti singled and DeSimone doubled to bring in Vennancio. Three more singles by Salveson, Bivona and Pavel brought Salveson in. Then Liola drove out a double to score Bivona and Pavel and run the Park View total to 24.

Branch Brook Manor came to life in their half of the fifth. With one out, Rich Lowack singled, and was followed by Tom Joyce's single. Jack Lowack then hit a smart double which drove in his brother Rich. Bob Savare belted out a big homer that scored Joyce and Jack Lowack. After Art San Filippo and Russ Pagano singled, the last out was scored when San Filippo was tagged out at home.

Continuing their scoring

spree, the Park View House pulled down four more runs in the sixth inning built on a Nylander single, a Vennancio single, a DeSimone double, a Vennancio single and a Salveson triple.

Branch Brook Manor never stopped trying and although they were scoreless in the sixth inning, they tightened their defense and put Park View out one-two-three in the seventh. In their turn at bat, they started off with singles by Dave Rothwell and Tom Joyce.

Beck's Column.

We had occasion to have a preview of the color TV sets which the industry is going to sell beginning this fall. Not surprisingly, many manufacturers raised prices. There are a few exceptions and we are glad to report, that Magnavox, the product line which we sell, is one of them.

More and more sets in the lower price ranges are going to have the automatic tuning feature, which they did not have before. There will be hardly any tube sets left, they almost all have transistors, except for the lowest priced sets.

The only really new feature of a group of as yet smaller size sets is the new "in line" picture tube, which makes smaller cabinets possible and also cuts down a little on the weight. Still the portables are not really "portable", they still are much too heavy. More and more the term "portable" is being applied to smaller size sets, regardless of the weight factor. Magnavox was the first factory to incorporate an automatic brightness control feature in last year's sets. This year some other manufacturers will have it also. Otherwise, essentially, it is "the same old thing", as one colleague whom we met at a show, put it.

Picture quality on color TV sets during the last couple of years was very good. Gradually the bugs are being worked out of the transistor sets. Some people are of the opinion that there won't be any more problems with such sets. This not the case. The one great advantage of the use of transistors is that many repairs can be done right in the house, which formerly had to be taken to the shop. Still there are some troubles like a burned out transformer for instance, which have to be done in the shop, regardless whether the set has tubes or transistors.

We service what we sell. Beck's Radio TV HI FI Nutley 667-4225

## Rep. Minish Introduces Bill To Aid Endangered Wildlife

Congressman Joseph G. Minish, 11th District - New Jersey, has introduced legislation to protect endangered species of fish and wildlife.

"We must move swiftly," Minish said, "to increase the controls which are needed to prevent the destruction of several species which are threatened with extinction due to pollution, damage to natural habitat, and the growing pressure of trade and commerce in endangered species."

The legislation would remove distinctions in the present law between protections for native American and worldwide endangered species, and would extend current controls to cover wildlife likely to be threatened with extinction, as well as those most immediately in danger of extinction.

"A recent International Convention on Endangered Species," Minish said, "found that there are 375 types of animals threatened with extinction throughout the world, and another 239 species not yet directly threatened, but likely to fall into that category in the near future."

The legislation would extend to the Department of the Interior authority to control exports of native endangered species, just as it now controls the importation of foreign endangered species. "This provision," Minish declared, "will allow us to do as much for our own animals as we are

doing for foreign species." Other sections of the legislation would require an annual review of the endangered species list, allow States to adopt their own programs to protect endangered species, and

authorize a study of State and Federal roles in this area.

"Passage of this legislation is necessary," Minish concluded, "if we are to conserve, protect, and propagate our valuable fish and wildlife resources."

## County Reviews Recycling Program

A solid waste reduction and reclamation program blending the best aspects of existing recycling systems has been recommended to the Essex County Improvement Authority by the newly organized combined Waste Management Advisory Board.

The Board, comprised of representatives of the Essex County Environmental Commission, the County Conference of Mayors, the West Essex Joint Committee One for Solid Waste Management, the County Planning Office and a sub-committee of the Improvement Authority

met on several occasions with state and federal advisors in discussions on the feasibility of incorporation waste reduction systems.

Initial response from both the federal and state offices indicate that the utilization of various aspects of existing solid waste systems will

probably be the solution to finding an acceptable method in reducing County solid waste problems within a practical time period.

The proposal of blending various systems into one effective process was developed by Arthur J. Bray Jr., County Planning Officer,

and Gerard M. Simons, Chairman of the Essex County Environmental Commission and solid waste management advisor to the Improvement Authority.

## Essex County Studies School For Workers

Freeholder Joseph L. Iannuzzi, chairman of the Personnel Committee and Angelo Castucci, director of Grants at Essex County Community College, this week announced a proposal for the creation of an Institute for Careers in Public Service to offer "in-service" and "post-entry" training programs to be available to Essex County Employees, effective January, 1974, expanding the role of the Institute of Public Administration and Business Community Affairs now in operation.

According to Iannuzzi, the program will be designed to offer refresher courses, professional credential, and Civil Service exam preparation to up-grade personnel skills for county clerical, supervisory and executive level employees.

"Private industries have made major commitments to the up-grading of employees skills and, in connection with the County College, we are planning to make a similar commitment for public employees. Many county departments can benefit from the variety of courses and programs offered by the County College and if adequate funds can be generated for the proposed institute, we are informed that 80 percent of the tuition costs can be reimbursed to county employees from federal and state sources. In addition, those who enroll may be eligible to earn an Associate of Applied Science degree in Public Administration. This program can be effective, we feel from our experience with the Essex County Criminal Justice Institute, initiated in June of 1972 at the Essex County Corrections Center, where 125 correction officers and inmates are currently enrolled and matriculating," said Iannuzzi.

## Census Team Coming Here

During the week of August 20-24, the U.S. Bureau of the Census will conduct its regular monthly survey in this area on employment and unemployment, according to John C. Cullinane, Director of the Bureau's Data Collection Center in New York.

Local households in the survey are part of the 50,000 across the country that have been scientifically selected to represent a cross section of all households.

The survey is taken by the Bureau for the U.S. Department of Labor. It provides monthly information on conditions in the labor force, a prime indicator of the economic health of the Nation. For example results of the June survey showed the unemployment rate to be 4.8 percent, the first time in three years that it has been below 5 percent.

Highway Dept.  
Sets Auction  
Of Machinery

Looking for a used but ser-  
viceable bulldozer or tractor?  
Grader or front-end loader? A  
snow plow? Even a snow  
melter?  
If you are, you'll find them  
among many used but useful  
pieces of heavy equipment the  
New Jersey Highway  
Authority will offer at its next  
surplus sales at 2 p.m.  
Thursday, August 30, at its  
executive offices in Wood-  
bridge.

Commissioner Joseph C.  
Irwin of the Highway  
Authority, which operates the  
Garden State Parkway and  
the Garden State Arts Center,  
today announced that the  
general public, dealers,  
governmental agencies and  
contractors are invited to take  
part in the sale, which will  
offer 69 items. Sealed bids  
will be received and the equip-  
ment on sale will go to the  
highest bidder, he pointed out.  
The snow melter should be  
of particular value to a county  
or municipal agency, Com-  
missioner Irwin noted. It is in  
excellent condition but is not  
suited to the present needs of  
the Authority, he said.

Among other equipment to  
be offered are a 1966  
bulldozer, two graders, three  
front-end loaders, three snow  
plows, three industrial trac-  
tors that are used primarily to  
pull mowing and other equip-  
ment, 27 pull-type mowers,  
two power mowers, four  
asphalt tar kettles, a traffic  
line maker, a two-wheel  
trailer, a farm sprayer, two  
fertilizer spreaders, a disc  
harrow, a lane cleaner.

Olga

This Week's Horoscope

(August 18 through August 24)

**ARIES** (March 21-April 19): Vague feeling of  
abandonment may cloud first part of week Ari.  
However, if you are gentle with daily associates,  
and do some reaching out, last days can be won-  
derously fulfilling. Key to success is in giving. Sloe-  
eyed sweetie plays paramount role.

**TAURUS** (April 20-May 20): Take as much re-  
laxation time as possible in days ahead. Taurus.  
You know, just slouch about in your comfy old  
threads. Spend a little on one you hold dear. How  
about a picnic at the beach? Or perhaps a quiet  
lunch at a country inn? And never underestimate  
the impact of a single rose. Given with a smile, of  
course.

**GEMINI** (May 21-June 20): Lie back and let life  
just happen, Gem. All that your little heart desires  
will come your way, if you are patient and recep-  
tive. (Well, maybe not ALL, but a whole bunch.)  
Unspoken message sure to be dispatched. Listen  
with your heart.

**CANCER** (June 21-July 22): If you wish to ex-  
ercise old ghost, Moonbaby, then choose one day in  
week ahead to reach out to dear one and offer  
love. Just love, nothing material is needed, or even  
wanted. Response you get will astound you. Week  
passes quickly.

**LEO** (July 23-August 22): Desire apt to be  
strong to seek newer, greener pastures, Leo. Move  
gingerly. You will be observed by one who hangs in  
the shadows. This polecat has 20-20 vision when it  
comes to the affairs of others, and a mouth that  
would put the Grand Canyon to shame. You get the  
message.

**VIRGO** (August 23-September 22): Strange bird  
may try to invade your territory, Virg. Don't let fan-  
cy feathers intimidate you. Squawk loudly. If a sor-  
tie seems unavoidable, leave someone you trust to  
guard the nest. Week screeches to a halt. Finally.

**LIBRA** (September 23-October 22): A closed  
door can be opened, Libra my love. Turn the knob  
and allow fresh summer breezes to revitalize your  
spirits. However, along with the breezes will come  
the inevitable flies. Curl up with a good book (or  
friend), and put underling in charge of swatting.

**SCORPIO** (October 23-November 21): Situation  
very apt to arise before third day which will trigger  
Pavlovian reaction on part of partner/mate. One  
who rings bell is local ding-dong. Deal with this  
person firmly. You're quite a gabber, Scorp, but by  
end of week you find yourself uncommonly quiet  
and reflective.

**SAGITTARIUS** (November 22-December 21):  
The simplest assignments may prove difficult in  
week ahead, Sag. If energy is low, don't push. And  
for the love of heaven, don't pull. Before week's  
end, your tattered ego is stitched back together in  
an unexpected way.

**CAPRICORN** (December 22-January 19): Jeal-  
ous individual could snarl the works for you before  
end of third day. It is all part of game you are  
playing. Role you have been assigned requires  
carefully calculated action. And reaction. Just this  
once, be cool, Cap, and rational. Before end of last  
day, you can take giant step toward self-under-  
standing. Taurus may be involved.

**AQUARIUS** (January 20-February 18): In your  
relentless search for truth, dear heart, you have  
been led down many a blind alley. However, in  
week ahead, you encounter one who is willing to  
share a smattering of truth. For a price. Pay it will-  
ingly, for you will benefit. Personal relationship  
reaches point of diminishing returns. Should you  
decide to finish it, let your firmness be generously  
laced with gentleness.

**PISCES** (February 19-March 20): Ideal week for  
you, Pisces my pet, to visit one you hold dear. And  
do take flowers. They needn't be from a florist, you  
know. A lovely bunch of wild flowers will mean just  
as much. Probably more, if YOU gather them.

New Stamps Commemorate  
Lifestyle of Rural America

Newark Postmaster Mgr.  
Joseph J. Benucci said today  
that he has been advised by  
the U.S. Postal Service that a  
series of three com-  
memorative postage stamps  
honoring aspects of life in  
Rural America will be issued,  
the first stamp in the series,  
saluting the 100th anniversary  
of the introduction of Angus  
cattle into the United States,  
will be issued in 1973. The  
remaining two stamps will be  
issued in 1974.

One of the 1974 issues will  
observe the 100th anniversary  
of the introduction of Kansas

Hard Winter Wheat into the  
United States. The other will  
mark the 100th anniversary of  
the establishment of the  
Chautauqua, which made a  
major contribution to the  
cultural life of rural America  
by bringing lecturers, orators,  
concerts and many celebrities  
of the Arts to smaller com-  
munities. Further details  
about these two stamps will  
be announced at a later date.

The 8 cent Angus stamp  
will be issued on October 5 at  
St. Joseph, Missouri, with the  
first day ceremony at the  
headquarters of the American

Angus Association.  
The design shows Angus  
cattle from Scotland and  
Longhorn cattle in a prairie  
setting. It was adapted from a  
painting by F.C. "Frank"  
Murphy, of Chicago, Illinois.  
The modeler was Frank  
Waslick and the engraver was  
Joseph S. Creamer, Jr., both  
of the Bureau of Engraving  
and Printing. Yellow, red,  
green and tan will be applied  
by offset, with blue, black and  
red being added by Giori  
press. There will be one plate  
number, and there will be 50  
stamps to a pane.

Collectors desiring first day  
cancellations may request  
these from "Angus Stamp,  
Postmaster, St. Joseph, Mo.  
64501," enclosing 8¢ per  
stamp desired and with the  
request postmarked no later  
than October 5.

Beauty Show  
Transferred  
To Wildwood

The Miss New Jersey -  
World Beauty Pageant has  
been transferred to the  
Wildwood Convention Hall,  
Wildwood, New Jersey, and  
will be held at 8 p.m. Mon-  
day, August 27, announces  
Guy Muziani, Mayor of  
Wildwood.

Among the prizes awarded  
will be a one-year tuition-free  
scholarship valued at \$1,500  
to the New York Academy of  
Theatrical Arts; five Clairol  
personal care appliances; a  
weekend at the Landmark  
Resort Motel in Wildwood;  
and an opportunity to com-  
pete for the title "Miss  
World-U.S.A." televised on  
ABC-TV's "Wide World of  
Entertainment". September  
25 with Dick Clark and  
Meredith MacRae co-  
hosting, and Bob Hope, the  
show's special guest star.

Parkway's New Lane  
Eases Sunday Traffic

Sunday evening traffic has  
been running smoothly on the  
Garden State Parkway  
northbound between the  
Asbury Park and Raritan  
Toll Plazas since a fourth lane  
was added in a section leading  
to the latter plaza and the  
five-lane Raritan River bridge  
is now available.

The northbound roadway  
was expanded for three to  
four lanes between the Route  
9 entrance ramp and the  
Raritan Plaza in time for the  
first Sunday in June. Since  
then, as travel increased  
among motorists on their way  
home from shore resorts,  
there have been no major  
back-ups considering the  
heavy traffic, Commissioner  
Sylvester C. Smith, Jr. of the  
New Jersey Highway  
Authority said today.

"The combination of the  
added fourth lane and the  
earlier work which expanded  
the river crossing from three  
to five lanes in each travel  
direction served well in im-  
proving the traffic flow,"  
Commissioner Smith said.  
"The vehicular volume on  
Sundays kept piling up since  
June 3 without any serious  
slowdowns.

"Reports from State  
Troopers and Authority staff  
personnel on Sunday duty  
show that travel was par-  
ticularly free of tieups from  
the Asbury Park Toll Plaza  
northbound to just below  
Interchange 117. There were  
some minor slowdowns to the  
north of that interchange as  
motorists reduced speed so as  
to view the results of con-  
struction or accidents, but  
none of these created any  
serious traffic bottlenecks.

"The heavy merge of  
traffic as northbound vehicles  
enter the main line from  
Interchange 117 has an effect  
on traffic at times, but this

and other adverse conditions  
will be alleviated when new in-  
ner roadways are completed  
in the area."

The Highway Authority,  
which operated the Parkway,  
is building the inner roadways  
to expand the toll road from  
six to ten lanes between the  
Raritan and Asbury Park  
Plazas, and even though no  
work is carried out on  
weekends, many motorists  
slow down to look at what's  
being done — as do many  
when accidents occur.

"We ask motorists to  
refrain from 'rubbernecking'  
there and elsewhere," Com-  
missioner Smith said. "This  
would provide for a more  
expeditious trip, as anyone  
who has been trapped in a  
'rubbernecking' slowdown  
knows from experience."

When the inner roadways  
are completed, the Parkway  
will have five continuous lanes  
for travel in each direction  
from the Asbury Park Plaza  
to Interchange 129, which  
connects with the New Jersey  
Turnpike.

# A Great Grandmother Receives a Pacemaker

While state medical history was being recorded at Clara Maass Memorial Hospital recently, Mrs. Ida Bignataro of Campbell Ave., Belleville, extended the hospital's record for a patient to receive a pacemaker implant at the age of 95.

When asked how she keeps so spry and young looking, she remarked "I keep very active with family gatherings, entertaining, sewing, reading and have strong faith and trust in God."

Mrs. Bignataro is the former Tarsy born in Italy and resided in Brooklyn before moving to Belleville 16 years ago. She had eight

children of which four are living, Dr. Alfred; has three boys of which one is married and has two children; Rudolph, has a boy and girl;

Lillian, single and Marie Parente who has a daughter married — Mrs. Yolanda Giuffra (granddaughter) who has three children.

FRANKLYN GERARD, M.D. of Glen Ridge, Director of Thoracic and Cardio-Vascular Surgery at Clara Maass Memorial Hospital, Belleville, congratulates 95 year old Mrs. Ida Bignataro, great grandmother, upon her recent pacemaker implant by him.

## Curses Policewoman, Draws Jail Sentence

A 26-year-old Belleville woman was sentenced to 60 days in the Essex County Correction Center last Wednesday after pleading

guilty in Municipal Court to verbally assaulting a Belleville policewoman.

Judge Edward J. Abromson gave the sentence to Barbara Ann Tinger, 450 Washington Avenue after convicting her of saying "I'll knock the s---t out of you and I will get you and I don't care if I wind up in jail for life," to police officer Eleanor Nye.

The sentence is to run concurrently with a 90 day imprisonment imposed two weeks ago on a gun possession charge. The threat charge was lodged July 31.

## Grand Jury Will Consider Truck Theft

Breaking and entry, and possession of stolen property charges were referred to the Essex County Grand Jury August 9 against George Patterson, 22, 249 16th Avenue, Newark.

Judge Edward J. Abromson sent up the charges by detective Kenneth Place and officer Ronald Beverly charging Patterson with possessing a stolen truck belonging to the Newark News Dealers Supply Company, and with unlawfully breaking and entering the B&E Raaser Warehouse at 373 Courtlandt Street. Patterson is presently released on a total \$750 bail.

## Fined \$50 For Assault On Local Cop

Michael David Roberts, 16, of 404 Belgrove Drive, Kearny, was fined \$50 August 8 in Municipal Court after pleading guilty to assaulting a police officer.

Judge Edward J. Abromson imposed the fine when the 18-year-old admitted assaulting Belleville officer Richard Gough while being stopped for a motor vehicle violation.

## Sunny Sales Day

WASHINGTON AVENUE was the scene of its second sidewalk sale of the year last week as Belleville shoppers, undeterred by the heat of the day, turned out to hunt for bargains.

## Local Airman Assigned to Okinawa Base

Airman Marshall A. Marshall Jr., son of Mr. and Mrs. Harold A. Marshall Sr. of 119 Cortlandt St. has graduated at Lowry AFB, Colo., from the U.S. Air Force air armament mechanic course conducted by the Air Training Command.

The airman, now a specialist in the F-4 Phantom jet fighter-bomber weapon control systems, is being assigned to Kadena AB, Okinawa, for duty with a unit of the Pacific Air Forces.

Airman Marshall, a 1968 graduate of Belleville High School, attended North Carolina College and William Paterson College, Wayne.

## "I'm going to the Orient and Indonesia. And it's in places like that I find Barclays Travelers Cheques so valuable."

Don Criqui, News and Sportscaster talks to Mr. Bernhard Schaefer about Barclays Travelers Cheques.

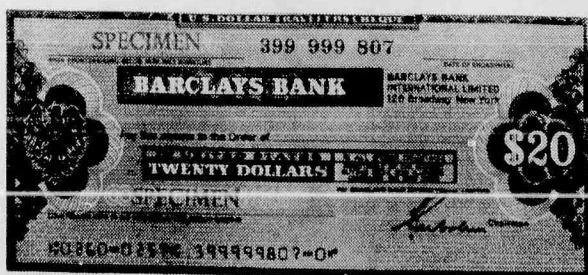

D.C. You've been using them for some time?

B.S. I have—for the past three years and I find Barclays Travelers Cheques particularly helpful in most places in the world. They are readily accepted without question and I find a great prestige connected with a presentation of a Barclays Cheque.

D.C. Barclays is the fourth biggest banking group in the world with assets of over 23½ billion dollars. Where are you going with them?

B.S. Now, I'm going to the Orient, and particularly Indonesia. And it's in places like that I find Barclays Cheques so valuable.

Barclays Travelers Cheques are the experienced traveler's choice...shouldn't they be yours, too?
