Italian-American Group Honors Three at Dance

MAN OF THE YEAR — Belleville's Deputy Fire Chief George Sbarra is presented with a plaque by Zoning Board member Aldo DiChiara, as members of the Italian-American Civic Association look on. Shown here (l-r) are Frank Ceres, Sbarra, DiChiara, Emil Casale and Vincent Vecchione.

The Belleville Italian-American Civic Association honored two recent Belleville High School graduates and presented a Merit Award to Deputy Fire Chief George Sbarra at their Annual Columbus Day Dinner-Dance Sunday at the Wayne Manor in Wayne.

A scholarship grant was presented by G. Fred Burlazzi to Donald Messina, Salutatorian of the 1973 graduating class of Belleville High School. Also honored with an Achievement Award was Maria Christiano from the same graduation class.

The feature event of the affair was the presentation of the Merit Award by Aldo

DiChiara, Zoning Board member of Belleville to George Sbarra, Deputy Fire Chief of the Town of Belleville for achievements rendered to the organization and also for his participation in many civic and veteran activities.

Born and raised in Newark, he attended schools there graduating from Barringer Evening High School.

A lifelong member of Saint Anthony's Church where he participated in many fund raising activities, Sbarra was co-chairman of the Arch-Diocese campaign fund drive and was past president

Channel 2 Softballers To Invade

New York City's Channel Two news team will invade Belleville Sunday, Oct. 14 when they challenge local Amvets Post 26 to a charity benefit softball game at Clearman Field on Union Avenue.

Jim Jensen, Tony Hernandez and other WCBS newsmen will play in the game, with proceeds going to the Cerebral Palsy Center in Belleville.

Manager of the Amvets team will be Commissioner Michael H. Pasidero and Jim Messina. Game time is 2 p.m. and tickets can be purchased for one dollar at the gate.

Round to McGreevy In Appointment Fight

by Ken Moore

An angry Commissioner Mary Senatore vowed to take her fellow Board members to court Tuesday night as her renomination of Anthony Agresta to the Zoning Board of Adjustment was knocked down, 3-2.

At the same meeting, Mayor Joseph McGreevy's renomination of Arthur DeFuria didn't get off the ground, nor did his nomination of alternate Zoning Board member Kenneth Nash to take Agresta's place.

The terms of all three officers expired in late July, touching off a battle over the

right of Commissioners to make appointments to the Zoning Board. Mrs. Senatore had moved for Agresta's reappointment, but was blocked by McGreevy, who claimed it was his privilege as mayor to make appointments, and the right to nominate was extended by him to other Commissioners only as a "courtesy"—one which he chose not to extend to Mrs. Senatore.

Mrs. Senatore this week claimed the right of appointment to the Zoning Board of Adjustment and to the Planning Board were in her sole domain, since the Table or

Reorganization drawn up after the 1971 Commission election places, the Board of Adjustment and the Planning Board under the Department of Public Works, which she directs.

Although the Table of Reorganization specifically exempts power of appointment from the Director of Public Works's powers, Mrs. Senatore maintains the Walsh Act, which determines the Commission form of government, allows her the right to appointments to the Boards.

Immediately after the Tuesday night meeting, Mrs. Senatore called a conference with her lawyers to map strategy for the legal fight. She said she would appeal the vote on the grounds she was "discriminated against by being denied my right to an appointment." Mrs. Senatore pointed out at the start of the running controversy that every Commissioner has made an appointment to the Zoning Board but her.

Commissioner Robert Laterza sided with Senatore in the vote, while McGreevy, Michael Marotti and Vincent Strumolo voted against her. Both Marotti and Strumolo said they were also against McGreevy's renomination of DeFuria, with Marotti saying recent controversies over the Zoning Board have convinced him there should be entirely new appointments to the Board.

"Mrs. Senatore deserves her appointment like anyone else," he said after the meeting, "but I think there should be some new names submitted."

After Marotti and Strumolo made their

statements against the Mayor's renomination of DeFuria, it was clear DeFuria would not be approved at the Tuesday meeting, and when the matter came up, it was not McGreevy, but Mrs. Senatore who moved the resolution. In an attempt to force the vote, McGreevy however, refused to second the motion which he had introduced at the pre-meeting caucus, and none of the other commissioners would do likewise.

Pressed for an explanation from Mrs. Senatore, McGreevy declined to comment and the meeting moved on under protest from Mrs. Senatore.

McGreevy said later he would not second DeFuria "because it wasn't my prerogative, since I had introduced him."

The mayor added that Agresta can still serve on the Board of Adjustment until someone is reappointed in his

(Continued on Page 3)

Coming Week Is Dedicated To Clean Air

Clean Air Week will be observed from Sunday, Oct. 14 to October 20, Belleville Director of Public Affairs Vincent T. Strumolo announced today.

As a member town of the Suburban Air Pollution Commission, Belleville will join in activities sponsored by that group.

"Air pollution is a public

(Continued on Page 10)

All Cable Firms Rejected by Town

The Board of Commissioners Tuesday night voted to reject all three applicants for the Town's cable television franchise award.

The three companies — UA-Columbia, Suburban Cablevision and International Cable Company were turned down because the Commissioners felt the 30 days

they were allotted by law to choose a company was insufficient time; because the inspectors sent by the Town to look over two cable operations were not impressed by what they saw; because the Commissioners feel there is not much popular support in Belleville for cable television; and because the Board was reluctant to enter into the 15-year contracts the companies were requesting.

The decision to reject all three was unanimous. Mayor McGreevy said after the meeting the option to seek an extension on deliberation of the cable issue was not open to the Commissioners.

The Board also voted unanimously to pass an amendment to the sanitary code introduced by Commissioner Vincent T. Strumolo which will require heating levels in all homes and apartments to be kept at a minimum of 70 degrees in the day and 65 degrees at night.

The amendment moved the limits up five degrees from their present limits of 65 and 60 degrees and provides for stiffer fines for violators. The

new law carries a fine of \$200 for the first offense and \$400 for the second, double the fine under the old law.

The amendment further states heat must be provided in homes and apartments whenever the outside temperature falls below 50 degrees. Night time heating requirements take effect between 6 and 11 p.m.

At the same meeting, Mayor Joseph McGreevy announced the Town of Belleville has just made its last payment on any debt, leaving the Town "free and clear of all municipal debt as well as free and clear of all water debt."

After Marotti and Strumolo made their

Town Seniors' Center To Be Reality Soon

Construction is expected to begin in two weeks on the Town senior citizens' center on the two-acre Camp Carragher site off Hill Street between Liberty and Chestnut.

Marotti said a 35-foot by 75-foot clubhouse would be erected on the site, with recreational facilities for the seniors. All labor for the project would be done by volunteers, with the cost of materials, estimated at about \$10,000, to come from Mayor Joseph McGreevy's Revenue and Finance budget.

Marotti said plans have been on the boards for the erection of the center for about seven months. The latest move for construction comes almost simultaneously with a movement by a group of seniors to establish a club in Belleville separate from the facilities offered by the Essex County Park Commission.

Marotti added the Camp Carragher site had been earmarked for general recreation in April of 1972, but later plans called for reservation of the facilities for senior citizens.

Besides the clubhouse, which will contain meetings of up to 200 members, the center will include bocce courts, swings and lounges, deck shuffleboard and picnic tables with grills. There will be a kitchen in the clubhouse and the rooms will be air-conditioned.

The two-acre site is dotted with trees and the Third River runs nearby.

The area was set aside by Marotti in April of 1972 after 395 petitioners protested the

Town's intended auction of a small parcel of the land. At the height of the controversy, Marotti introduced an ordinance to dedicate all the land to recreational uses.

Meanwhile, the Commissioner has granted permission to a group of senior citizens to use the Little League clubhouse on Montgomery Place as a workshop for a mailing project.

The group is planning to throw a senior citizens' Christmas party at the Fountain Restaurant December 13, and will attempt to contact all those Belleville residents who participated in last summer's highly successful bus trip to the New Jersey shore.

Seventy seniors recently presented the Board of Commissioners with a petition requesting the Town to name a senior citizen coordinator, a post which was established several months ago, and to establish a new club here.

About 300 Bellevilleites are presently members of the Essex County Park Commission's senior citizen program, and the new group maintains they aren't trying to undermine any County projects, but only want to establish their own group here.

The group had been considering a questionnaire which would be mailed out to poll local seniors on their feelings about the new organization, but Marotti's decision to move on the building of the center has apparently made the questionnaire unnecessary.

Walter Kidde Plant Officials Seek Early End to Strike

Striking workers at the Main Street Walter Kidde plant were served with a court injunction today to limit picket lines to 15 members. Though plant officials voiced optimism for an early settlement of the strike, a union representative said Tuesday

management and labor were "far apart" on several issues.

About 300 workers of the 900-member striking unions picketed two gates at the plant at 5 a.m. Monday morning after labor-management negotiations broke down Saturday after six weeks of meetings.

"The union and management are far apart on severance, pensions and a wage increase," said Robert Marino, chief steward for Local 146 of the United Auto Workers. "They also won't negotiate on past retirees and that's a strong item as far as we're concerned." Company officials would not comment on the status of the strike Tuesday, but acknowledged the plant, which employs 1,

500 workers, has ceased production.

During a meeting Sunday at White Eagle Manor, nearly 600 members of Local 146 voted unanimously to strike and were joined by another union, Local 436 of the UAW, which represents white collar workers at Walter Kidde. Altogether, about 900 employees are on strike.

Marino said the union is "not inflexible" in its demands and is willing to negotiate on all issues "until we reach a favorable agreement for both parties."

Another Walter Kidde plant in Allwood was also picketed.

Walter Kidde Co. manufactures fire detection and aerospace equipment.

Canine Caught in River Needs a Home — Soon

After a six-day ordeal trapped in the Second River, a frightened, emaciated mongrel dog is now at GiGi Kennels in Newark, waiting to be given a home — or to be put to sleep.

Essex County Park Police and Turtleback Zoo workers rescued the dog Friday from its imprisonment in the shallow riverbed, which is walled in by sheer poured concrete sides between Union Avenue and Bridge Street.

One observer described the efforts of the zoo workers and police to help the dog as a "well-intentioned comedy of errors" which saw the skittish animal evade snares, lassos and human hands for three hours until it fled into an 18-inch storm drain and was finally pulled out by a Turtleback Zoo worker.

Miss Esther Wilensky of 350 Joramleon Street, a member of the Belleville Animal League, reported the dog, a female, had then been taken to GiGi Kennels, where it will stay for a week unless the owner claims the dog, or someone arrives to give her a home. After the seven days is up, the dog must be put to sleep, since GiGi, like all other kennels, cannot afford to keep all stray dogs indefinitely.

"She's not a very pretty dog," Miss Wilensky admitted. "She's a short-haired mongrel, and is very thin. But she's gentle, and has very lovely eyes. The kennels would have her inoculated and spayed if an owner were found."

During her entrapment in the river, the dog did find one friend who kept her alive for the six days she spent there — Robert Berkheimer of 12 East Overlook Avenue. Berkheimer had been walking through Branch Brook Park when a passerby told him of the dog's plight.

"I took off my shoes and went down there, and found not only the one dog, but also another." Despite his efforts to help the animals, the dogs remained reluctant to be rescued.

One of the two dogs was apparently taken out of the river by someone, and was last reported to be comfortably housed by a Belleville resident.

But that still left one animal in the river with no way out, and Berkheimer came twice a day with canned dog food which he tossed down onto the small, dry patch of land on which the dog slept. He also lowered a container, into which he daily poured fresh water.

Asked why he didn't call the proper authorities to retrieve the dog, Berkheimer confessed, "I knew they'd only hold her for five to seven days, and then they'd have to give her the needle. The kennels only have so much money, and they can't keep these stray animals. As bad as that dog looked, I could tell it would take from two to three weeks to fatten her up."

Miss Wilensky suspects the two dogs may have been thrown into the river by a

(Continued on Page 3)

Golden Comments

By James R. Golden

Whatever happened to that pregnant pre-election idea to turn the old Capitol movie house into a boys' club? Then Mayor Ken Smith's proposal had much merit which seemingly was forgotten with his loss at the polls.

It is regrettable that this centrally located edifice which once bustled with activity and served as the entertainment center of town during the days when the cinema was the amusement attraction of the era prior to television, should now stand neglected and abandoned with boarded-up doors that present an eye-sore that contributes to the spreading blight of Washington Ave.

Surely a much better fate should be meted out to this old structure than its present role. What would be better than to have the town take over this building, at a

ON STRIKE — Picketers march in front of the gates of the Walter Kidde Company on Main Street as Essex County Police stand by. Negotiations broke down last weekend.

Belleville Public Library Adds New Staff Member

Gerard R. Hickey, director of the Belleville Public Library, this week announced the appointment of Kenneth F. Zaleski to the library staff. Zaleski, who is a graduate of Seton Hall University and George Peabody College in Nashville, Tennessee, replaces Harry Magelone who resigned in August to enter the Peace Corps as a library consultant. While in college, Zaleski gained much experience in several areas of library operations. At Belleville he will be in charge of Cataloging and Technical Services and will assist at the reference desk.

Kiwanis Club Begins Program for Elderly

Kiwanis clubs throughout the United States and Canada have launched a program aimed at "making the later years, great years." Entitled "Enrich the Lives of the Aging," the program is the result of extensive research and organizational effort, according to Jack C. Weidlich, president of the Kiwanis Club of Branch Brook, Belleville, N.J. Inc. He added that the facilities of the National Council on Aging have been employed in program preparation, and that the organization has contributed advice and counsel to Kiwanis.

The program will cover a wide latitude of services to older citizens, with individual Kiwanis clubs electing to undertake one or several individual services.

Services included in the program are: Senior Volunteer Program - Senior

Worker Action Program - Older Persons and the Arts Program - Friendly Visitors Program - Telephone Reassurance Program - Meals Programs: Meals and Smiles; Meals-on-Wheels - Transportation Programs: Specialized Minibus; Door-to-Door Service; Reduced Fares - Health Screening Program - Youth Escort Program - The Multi-Purpose Senior Center - Courses and Seminars for Older Persons - Planning for Retirement Seminar.

The Kiwanis "Enrich the Lives of the Aging" program received a challenging endorsement from Jack Ossosky, executive director of The National Council on the Aging, at the time of the Kiwanis International convention in Montreal this

summer where Ossosky was a speaker. He said, "The action taken at the 58th annual convention of Kiwanis International, making services to the aging a priority for the coming year, can bring to bear the vast potential of Kiwanis to meet the challenges and opportunities that increasing numbers of older people present to society in all parts of the world."

BHS Open House

Belleville High School Home and School Association has extended an invitation to all parents of students at Belleville High School to Open House on Wednesday, Oct. 17 from 7 to 9:30 p.m. It will afford parents an opportunity to follow their student's schedule, meet the faculty and friends for coffee. Members of the Belleville High School Key Club and National Honor Society will be on hand to direct parents to the various classrooms. Mrs. Loretta De Santis, President of the Belleville High School Home and School Association, stated membership enrollment will commence that evening.

(PLUS DEPOSIT)

George & Betty's corner

Every Fall many of our friends ask us just what it is that makes Garden State Farms Cider taste like it does. Naturally we welcome the opportunity to hold forth. For one thing, the apples have a lot to do with it. Our cider is pressed from seven different varieties of the freshest, juiciest apples grown in the State of New York. Our cider is, with a few refinements, made exactly the same way as it was 108 years ago when our fine old cider mill first started pressing apples. Pressing is done very slowly under 3,500 pounds pressure. The final product is cloudy in appearance, which is the sign of a pure, unfiltered cider. All of the flavorful pomace remains, and that's what gives our cider its unique flavor. Good, old-fashioned cider has to be made in the good old-fashioned way. It doesn't just happen!

Sincerely, George and Betty

Democratic Headquarters Open Sunday

Belleville Democratic headquarters for the November election will open at 234 Washington Avenue this Sunday, Oct. 14 at 7 p.m.

The Belleville Democratic Committee and Young Democrats this week invited the general public to attend the ceremonies, which are scheduled to include a visit by Democratic candidate for governor Brendan Byrne.

Other local Democratic hopefuls will be present at the "champagne cocktail party, and food and drinks will be provided.

Commission to Begin Workshop on Drugs

The Belleville Drug Abuse Commission will open a series of workshop programs Wednesday, Oct. 17, in conjunction with the Belleville Adult School. Commission Chairman Joe Petrillo announced this week.

"The workshops will acquaint parents and children of Belleville with the question of drugs, their use and abuse and the many problems that are inherent in this growing tragedy," said Petrillo, who emphasized the workshops

will be conducted at no charge to participants.

"The ultimate aim will be to provide the material to enable the parents and children to understand the issues involved and to see clearly how to deal effectively with the problem as it relates to their own particular needs and interests."

The first workshop of the series will be held Wednesday, Oct. 17, from 7 to 9 p.m. in the Belleville High School auditorium. The program will

explore areas such as physical, psychological and social aspects of drugs, legal status, pharmacology, treatment and rehabilitation of drug addicts. The workshops will employ films, lectures, visual displays and discussions.

The Drug Abuse Commission is also working with the Board of Education to arrange Drug Abuse Workshop Clubs in each school in Belleville.

Petrillo also announced a poster contest will be held later this year with prizes awarded to the student creating the best poster on drug education.

Petrillo urged parents and students to take advantage of the free workshop program.

Appointment Fight Still On

(Continued from Page 1)

place. Town Attorney John Scott said DeFuria could still serve, although he was not reappointed, until McGreevy resubmits his name or another Scott said McGreevy must do so within a "reasonable" amount of time, although there is no legal time limit.

Mrs. Senatore said there are several cases on the Board of Adjustment calendar which Agresta has heard as a member. She said if he or DeFuria were replaced, these cases would automatically have to be reheard. She vowed she would fight to have Agresta reappointed, but Agresta would not definitely say whether he would continue to sit on the Board under the present circumstances.

Mrs. Senatore's legal appeal may attack the manner in which the vote was

taken Tuesday night.

Town Attorney Scott had delivered a verbal opinion to the Board at the pre-meeting caucus to the effect that the

power of appointment to the Board of Adjustment lies with the Board of Commissioners as a whole, and not with either McGreevy or Mrs. Senatore.

moned authorities Friday morning.

The first attempts by the men to go down into the river and snare the dog failed, when the cobblestones at the bottom proved too slippery to maintain balance.

Another idea to lasso the dog from above didn't work when the canine simply dodged the loop. Nets and ropes were no good for this particular job.

When the dog fled into the sewer drainpipe near Bridge Street, the Turtle Back Zoo workers saw their chance and one man went to the mouth of the pipe, reached in with a snare and brought out the thin, exhausted and trembling animal.

Miss Wilensky said the Belleville Animal League will

The Treacherous Arabs

Much like the Japs at Pearl Harbor on that memorable December 7, the Arabs and Syrians attacked Israel on the most religious holiday of the year for the Jewish Community, Yom Kippur.

The unprovoked attack upon Israel is another day of infamy in world history. The Israelites, proud and great people, are entitled to the support of peoples throughout the world who believe in common decency and fair play.

It was only a week ago that Secretary of State Henry Kissinger was holding a meeting in New York with Arab leaders who conned him into believing they were seriously interested in resolving their problems with Israel through peaceful means. The incident reminds us very much of the time when the Japanese Ambassador visited the White House reassuring the late President Franklin D. Roosevelt the Japanese had honorable and peaceful intentions in the Pacific — all the while planning a sneak attack on Pearl Harbor.

America made a mistake in 1956 when it refused to support the English-French opposition to the Egyptian takeover of the Suez Canal. America made a second mistake in 1967 when it stopped Israel from driving the Egyptians into the Mediterranean.

It is our hope that America doesn't

make a third mistake this time around. Israel is a nation whose life the Arabs have promised to destroy. For so long as this mentality prevails among the Arab leaders of the world the Middle East will always hold the potential of a prairie fire. The threat to the future of Israel as a nation can be forever extinguished by driving the Egyptians into the sea and hoisting the Israel flag over the Egyptian capitol in Cairo.

We do not believe in war — and as a matter of fact we oppose war — but in this case the Arabs leave no other choice for people who are born free and desire to remain free.

Jews have felt the heel of oppression through generations past and for a number of centuries. It is time all peoples, all nations that believe everyone and every country has a right to exist, ban together and give notice for all time to the Arab world it will not resolve problems between nations by conducting an infamous war.

Frank A. Orechio

Public Apathy and Nov. Elections

The Watergate news out of Washington — Vice President Spiro Agnew's problems — and now the war in the Middle East have all but eliminated from our newspapers election news at every level of government in New Jersey.

On November 6 New Jersey citizens will vote to elect a new governor to replace retiring Governor William Cahill and a new Legislature. Forty senators and 80 assemblymen are to be elected from newly created legislative districts. Legislators elected in November may serve only one year since there is a court edict that legislative districts be revised immediately after this election. This court decision is being appealed but in all likelihood the Appellate Division of the New Jersey courts probably will sustain the lower court decision.

The problems of the state are multiple

and serious.

At the county level we have elections for freeholders and sheriff. At the district level one senator and two assemblymen are to be elected.

At this point in time it appears very few people are interested in the local and state elections. With less than four weeks to go to election day unless both parties make a more vigorous effort to obtain the attention of voters, 1973 may well see the lightest turnout of voters in the history of the state.

Frank A. Orechio

The Tunnel

Since Napoleon's day, Europeans and Englishmen have dreamed of conquering the thirty-mile span of water between France and England. Various schemes have been proposed since Napoleon suggested to the British Ambassador in Paris that the two governments cooperate on a scheme to link England and the continent by a tunnel.

There was talk of a bridge, repeated proposals for tunnels. Now British Prime Minister Edward Heath has opted for the channel tunnel rather than a new, third air-

port for London, and it seems a tunnel will be in operation by 1980.

Construction would take at least five years; railroad cars are likely to be used to carry both passengers and their automobiles. It's thought the project will cost more than two billion dollars and that three tunnels in all will be built, two for rail traffic and perhaps one for motorcars.

It's an ambitious plan; the tunnel will lie under the sea for some 23 miles. But it will at last link England and the European continent and speed up travel, transportation and freight.

Belleville Bulletin Board

The Bulletin Board is a public service of the Times designed to aid local groups in publicizing upcoming events and to help avoid conflicts in scheduling dates. You can have your organization's events listed by writing two weeks in advance of the date to Pat Diana at 104 Overlook Avenue or by calling 751-6861. All corrections must be called in no less than a week in advance of our publication date.

TODAY OCT. 11

8 p.m. Amvets Memorial Post 26 meeting - 100 Newark Ave.
8 p.m. Belleville Italian American Civic Ass'n - to be announced

Speak Up!

Thanks Mayor For Support Against Erie

To the Editor:

I am pleased by the support of our Mayor Joseph F. McGreevy, has given the residents of the Bellwood Park section of Belleville, trying to correct abuses of an agreement made with the Erie Lackawanna Railroad some time ago. Chairman White of the Erie Lackawanna Railroad promised to minimize freight service on the Greenwood Lake Branch of the railroad which runs parallel to Smallwood Ave. Mr. White also promised to curtail the noise and whistle blowing.

Since the impact of heavy freight traffic on the Greenwood Lake Branch has created a disturbance in all our neighboring communities, Mayor McGreevy, together with all the Mayors of the affected towns agreed to meet in conference at the Bloomfield Municipal Building.

Mayor McGreevy invited me to attend the conference held September 28, 1973. The leadership and acumen in planning future action, displayed by Mayor McGreevy, Mayor Kinder of Bloomfield, Mayor Bonastia of Montclair and the Mayors of all concerned neighboring communities, leads me to believe that we can depend on a positive solution to our grievances.

I wish to thank Mayor McGreevy and the elected officials of all the towns on the Greenwood Lake Branch for their vigorous support.

James P. Ceres,
60 Smallwood Ave.
Belleville

Backs Trustees In Their Stand On French Class

To the Editor:

Congratulations to Mr. Pica and Mr. Burlazzi. It's good to hear of their concern for students of Belleville High School and their parents. Mr. Burlazzi is so right. Belleville funds should certainly be spent on Belleville's own school system.

I wonder how many members of the Board realize French I has been cut from the High School curriculum in favor of German I, Spanish I, Italian I. Now who in our western world speaks German except the people in Germany? Spanish, yes - Italian, yes - French, yes. All students signed up for French I in the Spring were told in September there would be no French I course. Why? Surely if we can afford to reimburse transportation costs to our non-public school children, we can afford a French I teacher for our own Belleville High School students. In fact - there can be no argument. They should not be forced to take German instead. It is almost a dead language. The German students are learning English. First things first — Belleville — put taxpayers money in taxpayers schools. It's a must.

Mrs. H. Beresford
161 New Street
Belleville

Golden Comments

(Continued from Page 1)

sacrificial price from its owners, to be renovated and restored as a recreational center for the youth of our town, under supervised guidance, much as it is now being done with the Friendly House in the Silver Lake section of town?

I well recall the old recreation center on Washington Ave. during the dark depression days of the thirties, serving as the youth mecca for all the kids in town. The old building across the street from the old Elks club, now a factory, provided a healthy outlet for our juvenile exuberance with basketball, ping-pong, boxing, wrestling and sometimes a dance which brought the boys and girls together. The kids came from all over town. Most walked, but some took the trolley car which then only cost a nickel.

While we don't expect the return of the nickel fare, it is not unrealistic to recognize that a building like the old movie-house might inexpensively be converted into a desirable youth center which could do, under proper supervision, much to combat drug abuse and wanton vandalism stemming from youthful boredom engendered by a lack of things to do or a place to do them in.

Why not give the kids a break? The place is well located and would present few problems in the way of disturbed residents, since the area is a business section which might be benefited in the way of increased customers and sales.

Among the stories that "burns-up" this writer is the gross inequity found in so-called justice, which finds special treatment being given to politicians found involved in criminal activities

Take this neat bit about "plea-bargaining" which permits a big-shot to plead guilty to a lesser charge than he would be tried for, in exchange for his freedom.

The whole thing is putrid and foul smelling. It is a sad commentary on our way of justice, setting up, as it does, a double standard of carrying out impartial, fair and honest trials. One is stern, harsh and severe for the common man or woman, but another, benign, generous and kind to the politicians who, it appears, can get away with almost anything, regardless of their crime.

These double standards disgust decent law abiding citizens. Should they be permitted to continue it will surely undermine the public's confidence in the honesty and integrity of its government. A most unhealthy situation to be sure.

THE STATE WE'RE IN

'White Paper' Painted Dismal Pic Of Current 'Energy Crisis' Here

David F. Moore
N.J. Conservation Foundation

THE AMERICAN PUBLIC recently got a three-hour, intensive trip through the so-called "energy crisis," thanks to what is undoubtedly the most ambitious undertaking of television journalism to date. Some viewers reported general satisfaction with the presentation, except that they were left with a feeling of futility insofar as any hope for the environment goes.

IT WAS DISSAPPOINTING from the standpoint that the program did not recognize the changing attitudes of the public about environmental safeguards and the costs which the public is going to be willing to pay. The thrust of the program seemed to be that unless we abandon our demands for a cleaner environment, our economy is doomed. That simply isn't so; environment and economics are thoroughly interrelated, its a matter of properly accounting for the costs, who pays, and when.

Some to whom I've talked regretted that NBC in its "White Paper" on energy did not delve more into ways of

saving energy without too badly bending existing lifestyles. For example, it noted that smaller cars may become necessary without stating that the public is already buying more and more of the economy models because of rising gasoline prices and threatened shortages.

IT COULD ALSO have given a better explanation about fossil fuels (coal, oil and gas) and how they were formed over millions of years by natural storage of sunlight. Not enough emphasis was given to the fact that when these fossil fuels are used up, be it in a year or a century, mankind will have to be ready with alternatives, not only for fuel, but the other things we use hydrocarbons for, like plastics and medicines. Instead, the program concerned itself more with ways in which we can get at what fossil fuels are left.

THAT'S NOT realistic; it does nothing to educate people to the necessity for finding new energy sources

right away. The producers seemed to take it for granted that nothing can be, or should be done about the rising curve of per capita consumption. Nothing was proposed to lower the curve, like changing the electricity rate schedule so as not to give such a break to the bigger consumers, or even to insist on better home insulation to cut down on any kind of heating.

One thing which belonged in the program somewhere was the advantage of resource recovery, or recycling, as opposed to continued ultra-high energy demands through preparation of raw materials. It generally takes less electricity, for example, to recycle something that's already been made. Another item: solar energy certainly needs emphasis on the things that can be done now.

ON THE CREDIT side, the program took telling aim on assertions that the current gasoline shortage is being created by big companies to squeeze out small gasoline and fuel oil retailers, and

it did a magnificent reportorial job on the situation regarding near eastern oil sources.

But it could have gone into mass transit as a way of cutting into gasoline consumption, and it could have delved into the need for a new national philosophy on land use. Land use practices dictate energy consumption patterns in a number of ways.

Fears that too much environmental concern will cost jobs can be offset with the knowledge that new jobs will materialize in environmentally-related areas to replace those jobs which disappeared.

IN TOTAL, it was a very informative program but it still fell short of the best kind of public service because it did little to educate people to the ways in which changes can be made now, and inevitably will be made, by one means or another. It's a matter of choice today - the changes that are coming tomorrow are clearly going to be forced upon us.

She Traded in Her Accordion To Use Brushes and Palette

LOCAL ARTIST Janet MorasRi uses a variety of techniques in her painting, which includes the transformation of rocks and shells into works of art.

With a dash of imagination, tons of creativity and talent, wielding an artist's brush and manipulating nimble fingers, Janet MorasRi of Celia Terrace, has opened a world of beauty and enjoyment for all she meets.

Janet, the daughter of Mr. and Mrs. Sidney Bagan attended School Seven, Arts High in Newark, and graduated from BHS in 1961. She furthered her education at the Newark School of Fine and Industrial Arts and is presently attending the School of Advertising Art at Bloomfield College two nights a week, while employed with Royal Printers of Clifton.

I first met this delightful young lady at the Fun Fair held at School Seven in 1972, where she was painting the faces of many youngsters with roses, hearts and other flowers. She lent her expertise again this year to the Fun Fair held last week as well as assisting in painting some of the larger games.

Janet, who "loves working with kids" spent this past summer employed with the Belleville Recreation Department, where she was supervisor of Arts & Crafts. When she was a youngster, her ambition was to be a musician, but as she approached Arts High in Newark, she was to find out that the instrument she played - an accordion - would not be accepted at the school. So, she was advised to enter as an Art major, and thus began her career.

As most creative people, Janet has a passionate interest in everything and everyone. She uses acrylic paints for her geometric abstractions and has exhibited in shows held in South Orange and Paterson.

She has also made her own Christmas cards, card party decorations and favors. She loves to collect rocks and shells, then wonders what to do with them...so she puts her thinking cap on and a "creation" is born.

Janet's home is colorfully decorated and, in the modern kitchen I spied a painting of bacon and eggs in a frying pan, and the living room boasts two huge abstracts. Her goal is to be an illustrator. Also in the kitchen was a jar, around which was yarn in various colors. It held some handmade flowers, made by pipestems, material and glue.

Janet's husband, Bob, is a fireman in town. In his spare time he coaches the Fountain Football team and the farm league, "Giants" which recently were declared champs. The couple have one son, Christopher, 10, who is a fifth grader at School Seven. The family have 13 gerbils and two goldfish...Janet just recently had tropical fish, too.

Being a wife, mother and career girl is juggled most capably and enjoyably by Janet. She also has put time in as a den mother for cub scouts at School Seven and is an officer of the school organization, OPE.

Rock Group Plays Benefit

"Resin," a local rock group played a benefit concert for the Holy Family CYO Monday night, after placing second in a "Battle of the Bands" Friday night at Belleville High School.

"Rage" took first place in the high school contest, with "For Sale" in third and "Blues Rage" in fourth.

Members of "Resin" include lead vocalist Phil Ross, lead guitarist Paul Ferrughelli, rhythm guitarist Anthony Dillon, drummer Jerry Dillon, bassist Jimmy Lembo and Kevin Noon on keyboards.

The band has been playing together for six months.

Chosen for 'Who's Who'

Ann Michele Licameli

Ann Michele Licameli, daughter of Mr. and Mrs. Michael Licameli of 159 Joralemon Street has been chosen for entry both in "Who's Who in American High Schools" and "Who's Who in High School Honor Society."

A graduate of Our Lady of Good Counsel High School in Newark, in her senior year she was a member of the Honor Society, class representative on the student

council, member of the yearbook staff, prom committee, ecology club and the drug program.

Community Affairs Head Reveals Princeton Grant

Community Affairs Commissioner Lawrence E. Kramer today announced that a grant of \$27,415 has been made to Princeton University to perform a one-year study of the living environment of low and middle income housing for the elderly.

What will you do with your old checkbook now that National Newark & Essex Bank has changed its name to Midlantic?

Use it.

Of course you can use it the same as always. As of October 1st, when you order new checks, they'll have our new name — Midlantic National Bank.

In the meantime, your old checks with the National Newark & Essex name are as good as they ever were. (And you still can use the old checks until they're gone.)

Also, if you are making out a check payable to us, and you happen to make it out to National Newark & Essex instead of to our new name, Midlantic National Bank, don't tear up the check. We'll still honor it.

After all, the only change is the name. The people are still the same. The hours are the same. Your account number is the same.

When we do make innovations, they'll be to improve our service rather than merely change it.

You can bank on our new name.

Browsing Belleville

with Pat Diana
(call me at 751-6861 or write 104 Overlook Avenue)

Members of the Belleville Veteran's Council are busy making plans for the annual Veteran's Day Parade. The parade will be held on November 11, starting from Greylock Avenue at 2 p.m. Rain date is Nov. 12 at 7:30 p.m. Many bands and marching units will participate. The Grand Marshall will be Bill Lenahan, chairman of the Veteran's Council, with Pat DeAngelis of VFW Post 6265 as Parade Coordinator and Ray Carnasciole of DAV #22, Adjutant.

It's that time of year again...members of Belleville's Auxiliary Police are holding their annual dinner dance. These men volunteer many, many hours all year long to protecting our town, by assisting the regular Police Department. Do support their dinner/dance...for tickets call Chief Rocky Landolfi at Police Headquarters. The event will be held October 13 at the Branch Brook Manor - cocktail hour starts at 7 p.m.

If you're like me, many times you say to yourself "I've just GOT to stop smoking...well, if you really want to, Ben Waring, from our neighboring town of Nutley, will help you. He heads "Smoke Watchers", a group that meets at the KC Hall, 150 Chestnut Street on Tuesday nights. Mr. Waring is looking for people who want to kick the habit, as all his former students no longer smoke! There will be a free lecture at the KC Hall, Tuesday, October 16 at 8:00 P.M. For information, call 667-6326.

Nice to see Jr. High English teacher, Bob Leffebine back at work...he had the flu bug....

I'd like to clarify something. I've been referring to the people that meet in Branch Brook Park, as the "Belleville Senior Citizens"...and, I've been in error. They are the Essex County Park Commission's group of Senior Citizens, of whom, some are from town. They have quite a lot of activities going on for Senior Citizens from all over Essex County. Meantime, plans are being formulated to have activities and a meeting place for Bellevilleites only, and membership is now open. This group, of course, would be the "Belleville Senior Citizens". For additional information you may phone Sally Hood at 759-0274. I believe the initial meeting place will be the Little League Field House until the Seniors have their own spot. Right now, reservations are being made for the Belleville Senior Citizens Christmas party to be held Thursday, December 13 from 1 - 5 p.m. at The Fountain. Everything will be offered from soup to nuts for only \$4.00 - again, phone Sally to make reservations.

School No. Three Home and School Association will have a "Getting to Know You" meeting. The principal, faculty and officers of the HSA will be introduced to the parents. Speaker will be Anthony Greco, Superintendent of Schools. Starts at 7 p.m. with the Open House, refreshments, 7:30, meeting at 8.

My "Sparkling Personalities" column featured Anthony Nardiello last week, who was inducted into the New Jersey Boxers Hall of Fame professional name - Ernie Ratner. Unfortunately the last few lines of the article were left out, telling about Ernie and his wife, Antoinette's children...here they are: "Louie and Roseann Nardiello live in Bloomfield and George and Celia Glomb live in Belleville and are expecting their first child. Anthony Nardiello - or Ernie Ratner, whatever you may call him, is a Nice Guy." Ernie's daughters Chetta and Celia recently celebrated their birthdays - Chetta on September 29, Celia on

September 1.

Happy Birthday to my mother, Doris Murphy, who was 73 years young on October 2.

As I write this column, it's the beginning of National Newspaper Week. The first daily newspaper in America, "The American Daily Advertiser" was started in Philadelphia in 1774. There is an exciting history in the development of newspapers - both the dailies and weeklies - one which I usually tell when speaking before local groups. I'd just like to say here - if we had no newspapers at all, can you imagine what the world would be like? Dullsville. It's a two way street - without you, the readers and advertisers, there would be no news...without the publishers of this paper and those in the newspaper profession everywhere - there would be no way to spread the word of happenings. On a personal level, I'd like to say how thankful I am to have the job of local reporting - I meet the GREATEST people - you, the readers.

FUN FAIR

As I approached School Seven on Friday, October 5, I could hear screams of enjoyment from the kids who were riding the whip, swing-a-way, bouncing around on the space walk and riding the ponies. Traffic was being very ably handled on the corner by Mike Toro, one of Belleville's School Crossing Guards. I saw Mrs. Verna Norton and her son John, Mr. and Mrs. Matt Pica, (Matt, along with John DiStasi and 15 cub scouts from Pack 301 were heading to Freehold for camping trip.) Adelaide Fisher and Vinnie Cosenzo, one of Belleville's Finest, whose wife, Ann Marie, was one of the busy ladies working at the Fun Fair.

Chatting briefly with the school's principal, Mrs. Viola Spray, I was escorted by the OPE (Organization of Parents and Educators) president, Mrs. Gilda LaVecchia, to view all the games and booths that were set up on the school grounds.

What impressed me most was the diversified ideas the group came up with in the way of games - and the countless hours they spent in making them, such as a ski ball, egg cartons, colored in which you threw a small ball in - three of the same color won a prize and many many more.

Here's what I saw - children at one table, making bookmarks, using liquid embroidery...scouts selling candy...prizes hidden in big sandpiles, many bean bag games, little boats floating in a basin, turn one up with the right number - you're a winner...kids eating cotton candy.

There were tables with home-made aprons, jars of jams, jellies, cheeses, barrels of pickles, plants, books, pictures - everything you could imagine. One group of scouts from troop 307 had made their own pictures - burning wood with a blowtorch, sanding down, pasting on a picture, then shellacking - finally they applied a screwdriver and hammer - to give the antique effect. Those youngsters were Jim Cali, Sean Donohue, Mike Frade and his brother John.

The refreshment stand where everything was available to eat had many busy fathers and mothers working, including: Bill Lillis, Tony DiPaolo ("my whole family's working here today"), John Martin, Mike Bongo, Charles Buccino, George LaVecchia, Tony DeVito, John Frade, Pat Lombardi, Bob Cassin, Joe DiGori, Terry DiPaolo and Linda Cossin.

And Effect on the Heart

Maass Nurse to Explain Diet

Miss Veronica Rempusheski, R.N., instructor in nursing at Clara Maass Memorial Hospital, will be guest speaker at tonight's meeting of the Northern New Jersey Chapter of Dysautonomia Association to be held at 8 p.m. at Temple Shomrei Torah, 910 Salem Avenue, Hillside.

"Eat To Your Heart's

Content", the subject of Miss Rempusheski's address, will cover the minor changes in daily habits that can reduce the risk of heart attack. "Some meats and dairy foods are high in saturated fats; egg yolks are high in cholesterol. These foods tend to raise the level of cholesterol in the blood, and high blood cholesterol level may increase

the risk of heart attack", Miss Rempusheski advises.

Miss Rempusheski, a graduate of the Clara Maass Memorial Hospital School of Nursing, is a member of the Essex County Heart Association speakers bureau and an alumni of the S.S. Hope.

Business Spotlight

His Machines Start Mail on Its Way

Finding the fastest and most economical way to mail, whether for large firms, with a list of thousands or the smaller business with requirement of a few hundred names, Thomas J. Jameson, Jr. must be doing something right...his firm - Addressing Machine Sales of 24 North 7th Street, is in its 25th year of service.

The firm was founded in Newark, by his father, the late Thomas J. Jameson, Sr. and Charles Affitto. Addressing Machine Sales moved to their present location in Silver Lake thirteen

years ago, and because he keeps on top of the changes and innovations in the field, Tom offers a diversified service of typing, mailing, renting, selling - new and rebuilt Addressograph machines - as well as servicing them. He also has pertinent equipment such as graphotypes, cabinets and trays as a full circle offering.

A new addition is the use of a Cheshire computer. If a business doesn't wish to do

their mailings by Addressograph plates, Tom will compile their list on tape. Addressing Machine Sales has the flexibility to perform small club mailings on a con-

tinued basis or, conversely, meet the requirements for processing a huge mass mailing as many times a year as necessary.

With his business in town, Tom has devoted many hour civic endeavor. He has the charter member and president of The Kiwanis Club of Branch Brook Belleville Inc., and is beginning his third term as Lt. Governor of the Kiwanis for the State of New Jersey. He has chaired numerous committees and participated in annual outings or picnics for youngsters at

The Children's Shelter.

You'll often find Tom's mother, Marv, helping out at the office. Her other son, Charles, heads Cockfair Moving Company of Bloomfield.

Tom and his wife, Sally Ann, live in Glen Ridge with their daughter Catherine. For information on mailings, phone Tom Jameson at 759-3110. When he's not busy working, volunteering with The Kiwanis, Tom enjoys collecting baseball score cards and has over 1,000 Yankee score cards.

Thomas J. Jameson Jr.

YMCA Will Reorganize Hazomir Choral Society

The YM-YWHA of Metropolitan New Jersey, 760 Northfield Avenue, West Orange, takes pleasure in announcing the revival of the renowned Hazomir Choral Society. The chorus, which meets on Mondays between 8 and 9:30 p.m., is open to the public. The only requirements are a blending voice and some ability to read music.

Lions Hear Talk On Essex Clinic

Richard Grumbach described the work and activities of the North Essex Child Guidance Clinic in Belleville to the Belleville Lions Club at their noon meeting at the Fountain Restaurant on September 27th.

The clinic aids emotionally disturbed children from Belleville, Bloomfield and Nutley, and is supported by the municipal governments of three towns and the state.

The Belleville Lions Club

has donated equipment to the clinic and underwritten several camperships for the summer day camp which has been operated by the clinic the last two years.

Grumbach who was head counselor and administrator of the camp last summer, showed a movie film of some of the activities.

The Lions have scheduled a golf tournament for October 24 at the Knoll Country Club in Boonton.

County Demo Women To Meet at Seminar

The Essex County Democratic Women's League will hold a day-long Political Seminar highlighted by a Luncheon at the Robert Treat Hotel in Newark on Saturday, Oct. 20.

The seminar will include workshops covering "Voting Is People Power or Organize for Victory," "Problems-Know Your Rights Before You Go To Vote," "Getting Out The Vote in Your District" and "Selling The

Democratic Candidates, in '73."

Guest speakers will be Essex County Freeholder Thomas C. Cooke who will discuss "County Government - It Can Work", and State Senator Frank (Pat) J. Dodd will discuss "State Government and You". Other speakers will include State Senator Wynona Lipman, Evelyn Dubrow, Consumer-Legislative Lobbyist of Washington, D.C.

Census Target: School Population

A sample of households in this area will take part in the Federal Government's annual survey of school enrollment to be taken the week of October 15-19 by the Bureau of the Census, part of the U.S. Department of Commerce's Social and Economic Statistics Administration.

John C. Cullinane, Director of the Bureau's Data Collection Center in New York, said that interviewers will visit homes to obtain information

about household members attending school, from nursery school through college, including those taking vocational, technical, or business courses.

Results of the October 1972 survey showed that 60.1 million persons 3 to 34 years old were in school. Elementary school enrollment (kindergarten through eighth grade) had declined by about 1.4 million since the fall of 1971 because of a decline in the number of births during the 1960's. Although college enrollment had increased considerably in the years since 1962.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

St. Mary's Church Is Setting For Turek-Rozzo Ceremony

Mrs. Edward Turek - nee Joanne Rozzo

Engargiolas Feted On Anniversary

Mr. and Mrs. Mario Engargiola of 20 Carmer Avenue, Belleville celebrated their 50th wedding anniversary with a mass at St. Mary's Church, Nutley and a party at San Carlo Restaurant, Lyndhurst, on August 4.

The party, preceded by a cocktail hour, was hosted by their two children, Mr. and Mrs. Anthony Maffia of Nutley and Mr. and Mrs. Paul Martino, also of Nutley. Many friends and relatives attended the happy affair.

The couple were married in New York on August 6, 1923 and moved to Nutley in 1925. They have lived in Nutley and Belleville ever since.

Mr. Engargiola was an employee of George LaMonte and Son for 40 years and retired in 1965. He is now a part time employee of Park Shop-Rite.

Mr. and Mrs. Engargiola, who have seven grandchildren and two great-grandchildren, have recently returned from an extended trip to Europe.

Wedding vows were exchanged September 29 in St. Mary's Church by Miss Joanne Rozzo, daughter of Mr. and Mrs. Vincent Rozzo of 29 Howe Avenue and Edward Joseph Turek, son of Mr. and Mrs. Stephen Turek of Lyndhurst.

The Rev. Galdon performed the ceremony and a reception followed at San Carlo Restaurant, Lyndhurst.

Escorted by her father, the bride wore a gown of chiffon and sculptured lace with bishop sleeves. Her floor length veil was held by a matching cap and she carried white pom poms, pink roses and babies breath.

Miss Susan Rozzo of Nutley was maid of honor. Bridesmaids included Miss Janet Rozzo, Miss Donna DeBella and Miss Patricia Sargent all of Nutley and Miss Nancy Rose of Kearny.

Their gowns were of pink roses on beige backgrounds with matching long sleeved jackets accented with antique lacing. Headpieces were pale pink picture hats. The honor attendant carried a basket of pink miniature carnations and white roses. The others carried baskets of white carnations and pink roses.

Louis Zollo of Lyndhurst was best man. Ushering were Pellegrino Tremonte of Passaic Park, Frank Liscio of Little Falls, Nicholas D'Agosta of Saddle Brook and Donald Morello of Lyndhurst.

Mrs. Rozzo was in a pink chiffon gown with a pink bodice while the groom's mother was in emerald green. Corsages were of white cymbidium orchids.

Mrs. Turek, a graduate of Nutley High School, is with Terminal Construction Corp., Wood-Ridge.

Mr. Turek, an alumnus of Lyndhurst High School, served in the Army and is with United Parcel Service, Secaucus.

The couple honeymooned in Puerto Rico and St. Thomas and have made their home in Kearny.

ORT Fair This Sunday In Bloomfield

The Bloomfield Chapter of Women's American ORT is sponsoring a Handicraft Fair on Sunday, October 14th, from 11 a.m. - 5 p.m., at the Demarest School, 465 Broughton Avenue, Bloomfield.

A wide variety of original, one-of-a-kind handcrafted items will be on display and for sale. Among the items exhibited will be leather goods, ceramics, jewelry, macrame, metal sculpture, stitchery, and stained glass.

Free parking will be available. Snacks and sandwiches may be purchased at the refreshment counter.

Mrs. Elliot Karlin and Mrs. Lester Zenack are co-chairmen of this project which supports ORT's School Building Fund. A donation of 50 cents is requested at the door. Children under 12 will be admitted free.

Work by Israeli Artist On Exhibit at Y Gallery

Over thirty paintings by one of Israel's best known artists, Andre Kielczynski, is now on exhibit in the gallery of the YM-YWHA of Metropolitan New Jersey, 760 Northfield Avenue, West Orange, through October 30.

Mrs. Guy Snow - nee Lillian Paradise

Lillian Paradise, Guy A. Snow Wed

Miss Lillian Ann Marie Paradise, daughter of Mr. and Mrs. Joseph Paradise Sr. of 78 Florence Avenue and Guy Alan Snow, son of Mr. and Mrs. George Snow Sr. of 29 Rossmore Place were married August 11 in Holy Family Church, Nutley.

The Rev. Francis Blake performed the ceremony and a reception followed at The Manor, West Orange.

Escorted by her father, the bride wore an organza gown appliqued with Alencon lace on the sleeves, bodice, hemline and train and trimmed with seed pearls.

A tiara of lace and beads held her chapel veil and she carried phalaenopsis orchids, ivy and babies breath.

Miss Sandra Zvolensky of Belleville was maid of honor. Bridesmaids were Miss Lisa Doeffinger of Belleville and Miss Grace West of Basking Ridge, niece of the groom, flower girl was Gina Benevento of Valley Cottage, New York.

The attendants were attired in gowns of aqua taffeta and chiffon with a bib of white lace and daisies. White bow headpieces held blue veils. The honor attendant carried a basket of yellow roses, carnations, snaps and babies breath while the others carried carnations, snaps and babies breath.

Paul Vaccari of Belleville served as best man. Ushering were Robert West of Basking Ridge, brother-in-law of the groom, Valentino Potenzoni of Genoa, Italy, cousin of the bride. Steven Paradise of Toms River, nephew of the bride, was ringbearer.

Mrs. Paradise chose an apricot shantung gown with hand beaded pearls on the bodice and front. Her corsage was of yellow orchids.

Mrs. Snow is an alumna of Manhattan School of Music and Montclair State College.

Mr. Snow, a graduate of Pratt Institute of Technology, New York City, is with Campus Sweater and Sportswear,

New York City. The couple honeymooned in St. Croix, Virgin Islands and have made their home in Belleville.

Mr. and Mrs. A. R. Sylvestro Honeymoon In The Bahamas

Wedding vows were exchanged September 23 in St. Peter's Church by Miss Terri Phillips, daughter of Mr. and Mrs. John Phillips of Bloomfield and Albert R. Sylvestro, son of Mr. and Mrs. Albert Sylvestro of 98 Magnolia Street.

The Rev. Mink performed the ceremony which was followed by a reception at Royal Hawaiian Palms, Lyndhurst.

Escorted by her father, the bride wore a gown of white jersey satin. Her headpiece was a lace mantilla and she carried white baby pompons and miniature white roses centered with an orchid.

Miss Cathy Phillips of Bloomfield was her sister's maid of honor. Bridesmaids included the groom's sisters, Miss Donna and Miss Carol Sylvestro, the bride's cousins, Miss Patricia Liloia and Miss Marianne Galli and Miss Mary Ann Gleavy and Miss Jean DelleMonache, all of Belleville.

They were attired in beige polyester gowns trimmed with brown lace and wore brown hats. The honor attendant's bouquet was of bronze and yellow pompoms with yellow roses and the others carried pompons.

Gerald Sammarco of Toms River was best man. Ushering were Tom Lappostato, Joe Markese, Pat Antonelli, Tony Christiano, John Abidelli and the groom's cousin, Rickie

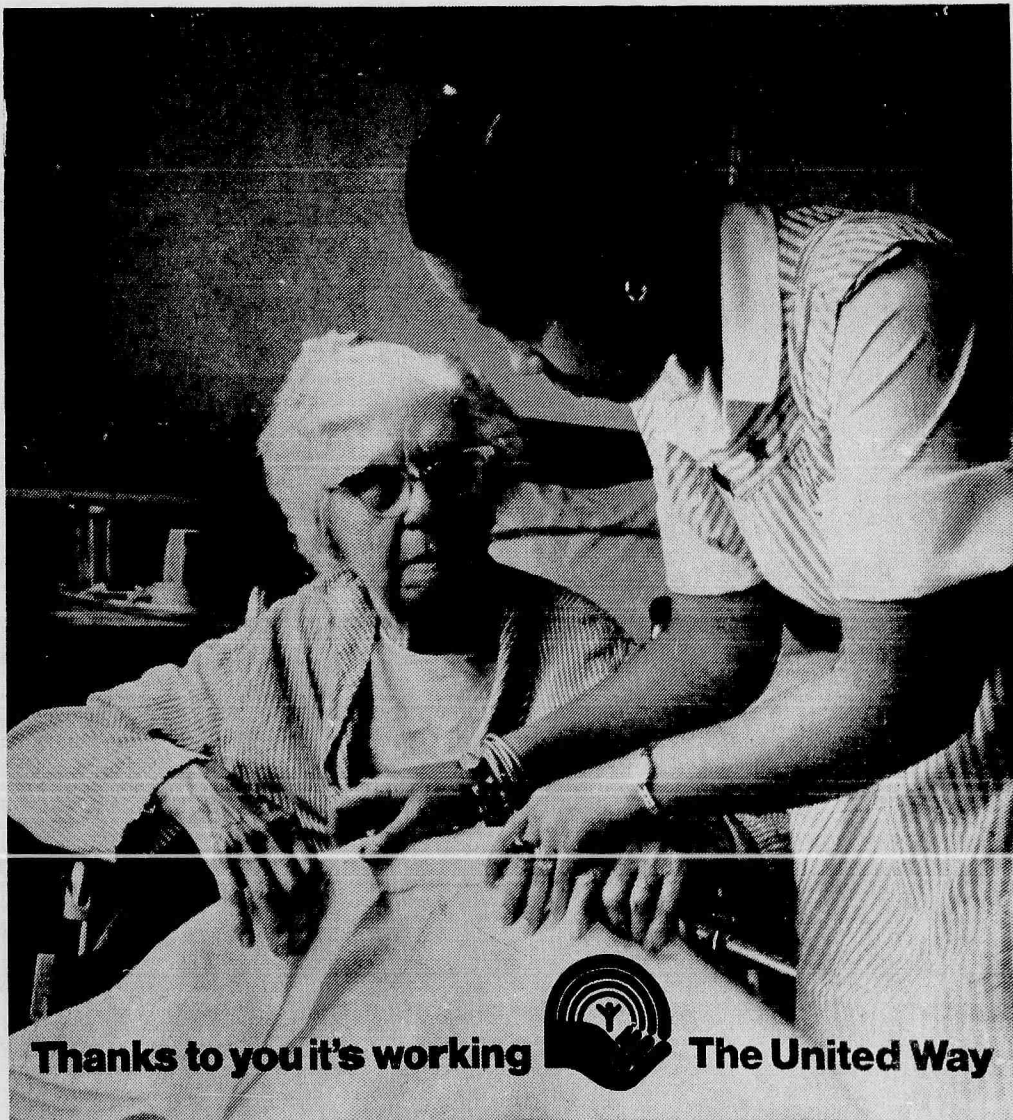

Mrs. Albert Sylvestro - nee Terri Phillips

Sylvestro. Mrs. Sylvestro chose an apricot and peach chiffon gown while the groom's mother was in a cinnamon polyester gown with beading. The couple honeymooned at Paradise Islands, Bahamas.

Wanting to help others is a healthy attitude.

A soft heart is healthier than a hard heart. And happier. Helping the helpless is great soul therapy. It's probably the reason you'll never see unhappy United Way workers. They're doing what they do for the love of mankind. Love is what the United Way has plenty of. Money is something else. The United Way must reach its financial goal to support over 100 agencies and community services that comfort the sick ... attend the handicapped ... befriend the lonely ... counsel the troubled ... aid the victims of disasters. And that's not the half of it. It's a big job. A never-ending job. So once a year we ask for your contribution. Your one gift works many wonders. One of those wonders is the inner glow you get from helping others. Caring is sharing. And healthy.

Thanks to you it's working

The United Way

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

GOODBYE AND GOOD LUCK — Six honor graduates of the DeJon Studios of Music and Speech whose attendance total 50 years of teaching, were feted at a recent Barbecue Garden Party at the Studios. From left, Barbara Bouchoux, Laurie Jaye Smith, James Robertazzi, Mrs. Lythe DeJon, Michael Ritacco, Doris Lazur, Mr. Roe DeJon and Geraldine Palmisano.

Special Honors Are Awarded To Six DeJon Studios Graduates

Six senior students of the DeJon Studios of Music and Speech, whose combined attendance represented over fifty years of teaching of Pianoforte, Theory of Music, Drama, Speech and Instrumental Music by Roe and Lythe DeJon, co-directors of the studios, were recently honored guests at a Barbecue Garden Party held at the Studios.

The coveted Certificate of Special Merit awarded by Trinity College of Music and Speech, London, England to students successfully passing all annual examinations from Grade I through Grade VIII, practical and written, was awarded to Michael Ritacco (Belleville H.S. now a freshman at Villa Nova College, Pa.) for Pianoforte and Harmony, and to Doris Lazur (Nuttley H.S. now attending University of Hartford) for Drama and Speech. Both students studied with the DeJons for nine years and are now eligible to enter Diploma examinations leading to Fellowship and Doctorate degrees from Trinity College of London, accepted by leading colleges, conservatories and universities throughout the world.

Certificates of Distinction in Pianoforte and Theory of Music were awarded to Laurie Jaye Smith (N.H.S. - Fairleigh Dickinson University) James Robertazzi (Clifton H.S.) Laura Bouchoux (N.H.S.-Jersey City State) and Geraldine Palmisano (Belleville H.S.) for Drama and Speech.

Former students Ellen DeRosa (Upper Montclair) and Marie Stefanelli (Belleville) assisted as hostesses at the Barbecue, serving the young invited guests, present students of the DeJon Studios. These included: Natalie Atzeri, Barbara Amoscatto, Allison Carey, Lisa Cerami, Denise Cerami, John Conway, Diane Citrino, Mary Anne Citrino, Suzanne Citrino, Vicki Citrino, Robbie Citrino, Michelle DeAngelo, Donald DeHagura, Noelle Drollas, Tony Drollas, Nicholas DelGiodice, Ronald Evans, Gerald Fazzini, Patrice Fazzini, Mary Friesz, Debra Galioto, Joey Goldberger, E. Donald Harrison, Cathleen Hickey, Daniel Horst, Marjorie Lewis, Victoria Minturn, Robert Musco, Michael Moscara, Marie Moscara, Lisa Patuto, Daniel Quinn, Denise Rubino, John Rubino, Ruben Regner, Joey Robertazzi, Lori Robertazzi, Roberta Sessa, Lisha Simmonds, Ricki Simmonds, Carl Schuller, Kim Tintle, Kyle Tintle, Jennifer Utkewicz, Biff McDaniels, Lisa Young, Ronald Young.

Mr. and Mrs. Washington Suydam

65th Anniversary For The Suydams

Mr. and Mrs. Washington Irving Suydam of 84 Wilber Street celebrated their 65th wedding anniversary September 23. A church service was held in Montgomery Presbyterian Church with the Rev. Richard Shanlin of Chatham Township officiating. The Rev. Howard Day, minister of the church, read the scripture.

A reception, followed in Demerest Hall adjoining the church. Over 80 relatives and friends attended from New Jersey, New York and Connecticut including a cousin, Mrs. Augusta Wright of New York who was in the wedding party 65 years ago and Dr. and Mrs. Hillard Mann of Belleville. Dr. Mann is their family physician.

Mr. Suydam and the former Ann Storm were born in Brooklyn, New York. He worked for Western Electric for 40 years before retiring in 1952. The couple came to Belleville in 1927 and raised a son, George and a daughter, Mrs. Daniel Riepe Jr. They also have four grandchildren and eight great grandchildren.

Mr. and Mrs. Suydam were married at home by the Rev. Thomas J. Whittaker of Bushwick Avenue Baptist Church, Brooklyn. Mrs. Suydam as a volunteer for the American Red Cross and Mr. Suydam is member of the Pioneers.

Mountainside Auxiliary Pays On Pledge

The Women's Auxiliary of The Mountainside Hospital opened their first meeting of the year recently with the presentation of a check for \$20,000 to John C. Imhoff, executive vice president of the hospital.

The check is toward a \$50,000 pledge the Auxiliary has made to the hospital's Focus on the Seventies capital campaign. In 1971, the Auxiliary completed a previous pledge of \$87,500.

Mrs. Paul B. Thompson of Montclair, president of the Auxiliary, announced that the next meeting will be on December 5.

The meeting began with a sandwich luncheon in Mills Home at the Hospital's School of Nursing, and then Auxiliaries toured sections of the new Schumann Pavilion, which was dedicated in formal ceremonies on September 23.

Tooth Problems

Most dogs have all their permanent teeth by the time they are six months old. Normally — if they eat a well balanced diet — they will have no real trouble with their teeth until they are older.

Among the most common canine tooth problems are pits, discoloration, worn enamel, breaks and tartar.

Though they are not harmful in small amounts, large accumulations of tartar can lead to dental trouble like recession of gums and bacterial infection. The infection, in turn, could lead to heart trouble or arthritis.

Thus, an effort should be made to remove the tartar. You can try to do it yourself by washing your dog's teeth with a piece of cotton dipped in a solution of table salt.

If you are unwilling or unable (unless he had been trained from birth a dog may not want to sit still for a tooth cleaning), see your veterinarian. Your veterinarian will probably administer an anesthetic and then polish your dog's teeth until they gleam like a toothpaste advertisement.

As for pits or stains that have developed because of illness, there is little that you can do. Distemper, for example, can permanently stain or pit teeth — even if the attack was so mild it was not even recognized at the time.

There is also little that can be done about worn teeth except try to convince your pet that his mouth is not a pair of pliers. But broken teeth are another matter. If your pet cracks a tooth, see your veterinarian immediately; often, the tooth can be saved.

And if salvage is impossible, then the tooth should probably be extracted before it causes infection and great pain.

Another dog dental problem is bad breath. Bad mouth odor may mean a tooth problem — in which case a good cleaning is called for. Or it may be an indication of a digestive ailment, in which case the odor is really originating in the stomach.

One way to help avoid tartar and bad breath is to encourage your dog to gnaw on a hard biscuit or a very hard bone. Be sure the bone is hard; if it isn't it can cause more harm than good.

In checking your dog's mouth, you may notice a tumor. If you see any growth or if your dog has difficulty eating, have your veterinarian check your dog's mouth.

Junior State Conference Held In East Orange

"Our Tribute to New Jersey" was the theme of the 1973 State Fall Conference of the Junior Membership Department of the New Jersey State Federation Women's Club. Seventeen members of the Junior Woman's Club of Belleville attended the Conference on Saturday, September 22nd at Upsala College in East Orange. More than 1200 young women from all over the State attended 22 workshops to exchange ideas and learn more about Federation work. These Jersey Juniors also paid tribute to their State to which they have contributed so many worthwhile projects.

Special guests for the day were Mrs. Donald T. Bixby, President of the NJFWC and Mrs. William H. Winsemann of Ft. Lauderdale, Florida, National Director of Junior Clubs. Mrs. Bixby, Mrs. Winsemann, Dr. M. Dorothy Schneider, Academic Dean at Upsala College and Mrs. Lillian Kawut, Spaulding for Children, were guest speakers at the luncheon, which was held in historically decorated Viking Hall.

Spaulding for Children is the 1973/74 State Project of the New Jersey Juniors. Mrs. Winsemann, Mr. Joseph Köhn, Eye Institute of New Jersey; Mrs. Simpson, a Drama Tournament Judge; Mr. John Scagnelli of the New Jersey Association of Retarded Children; Mr. A. Bertalotti, Kidney Foundation; Mrs. Florence Leon, American Field Service; Mrs. Ruth Ann Burns, a free lance writer; Mrs. Lillian Kawut; Mrs. Phyllis Gold, Spaulding for Children; Mr. Kemp, Easter Seal Society; Mr. Cionoscenti, Cystic Fibrosis; Mrs. Elizabeth Cole and Mrs. Ann Wilson, Bureau of Children's Services; David Reinert, Abigail Martin Co.; Mrs. Joan Quigley; Miss Joan Buchanan; and Miss Dody Krivancik were speakers who addressed various workshops that were conducted by members of the Junior State Board.

The following members of the Junior Woman's Club of Belleville attended the State Fall Conference: Mrs. Robert McGough, president; Mrs. Thomas Spillane, Federation secretary and reservation chairman of the Conference; Miss Jeanne Benedetto, second vice-president; Mrs. Feliz Forlenza, first vice-president; Mrs. Anthony Veneziano, recording secretary; Mrs. Jesse Todd, third vice-president; Mrs. Joseph Doyle; Mrs. David Fulda; Mrs. Sam Giuffrida;

SHARING AUTHORITY — District #4 Commander Frank Thomas, Veterans of Foreign Wars and his Ladies Auxiliary President, Mrs. Ronnie Daly of Newark, will preside over meetings throughout Essex during the next year. District #4 comprises 35 Posts and 23 Auxiliaries.

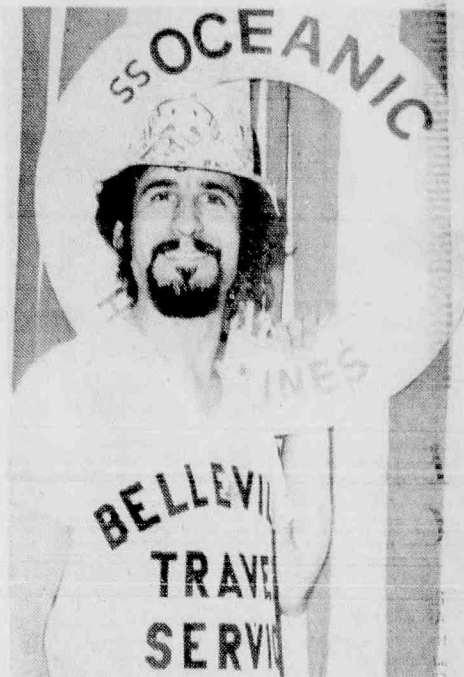

Sisterhood's Rummage Sale October 15, 16

The Sisterhood of Temple B'nai Israel, Nutley will sponsor its Annual Rummage Sale on Monday and Tuesday, October 15th and 16th from 9 a.m. to 5 p.m. The sale will be held in the Social Hall of the Temple at 192 Centre Street.

Used clothing in good condition for men, women and children will be featured and there will also be a large selection of toys, games, appliances, kitchenware and bric-a-brac at very nominal prices.

Mrs. Robert Sayegh; Miss Regina Ventura; Miss Catherine Mc Nally; Mrs. Andrew Colanino; Mrs. Nicholas Landolfi; Mrs. Robert Landolfi; Miss Joan Luisi; and Mrs. George Preiser.

Mrs. Peter Ruddy of Tenally was Conference chairman. She was assisted by Mrs. Ernest Wahlers of Dover Township, Conference vice-chairman, and Mrs. Alfred Meneva, chairman-at-large. A committee of 19 also assisted Mrs. Ruddy.

CRUISE TO NASSAU — James Desaro of North Arlington is pictured on the deck of the Home Lines flagship S.S. Oceanic just before sailing out of New York Harbor on a week's cruise to the sunny isle of Nassau, capital of the Bahamas. Mr. Desaro is owner of Belleville Travel Service.

Bellevilleite Is Promoted At Prudential Insurance

Gerald Olivero, 141 Holmes St., Belleville, has been appointed senior research analyst in the personnel department of Prudential Insurance Co., Newark.

Dr. Olivero joins Prudential after two years as a research associate in the Center for Vocational and Technical Education at Ohio State University.

Gerald Olivero

Commissioner Urges Fight On Pollution

(Continued from Page 1)

hazard which can be prevented through intelligent action on the part of government, industry and the education of the general public," stated Strumolo.

"The main purpose of Clean Air Week is to promote educational programs working toward cleaner air for the benefit of our greatest asset — health. These reasons constitute the abatement of all air pollution to be of the utmost concern to every citizen.

"Clean Air Week is a good time for all citizens to become more aware of community, regional and state efforts toward cleaner air through public support of individuals and organizations and through personal efforts for a better environment."

Commissioner Strumolo strongly urged all citizens and organizations to participate in the observance of Clean Air Week and "to make, it the beginning of a year-round campaign to abate destructive air pollution from all sources."

Mrs. J. Cox Is Consultant At Prudential

Mrs. James Cox, 14 Cortlandt Street, has been promoted to assistant acceptance test consultant in the computer and insurance services department of Prudential Insurance Co., Newark.

Mrs. Cox joined the company in 1966 and was an acceptance test coordinator before her promotion.

She is active in the Cub Scouts and is a member of the Ways and Means Committee of the Parents Guild of St. Peter's School, Belleville.

Mrs. Cox is the former Jean Hall of Montclair. She and her husband have two children.

Pharmacy Footnotes

Vincent Cozzarelli Reg. Ph.

It was William Harvey in 1628 who discovered the circulation of the blood. Until then, beliefs about the blood had been confused, and medicine had done too much blood-letting. But it wasn't for three decades that the capillary system, which is part of the blood circulation system, was discovered. This time by an Italian physician Marcello Malpighi. Half a century later, however, blood-letting was still a common practice in many communities and led to many premature deaths.

Bellboy 11 Wounded by Raiders; Circle Wagons for Indian Attack

by Ken Moore

Bellboy gridders will try to put stormy weather behind them and head into the season's open water when they host the Passaic Indians at Belleville Municipal Stadium Saturday at 1:30

p.m. A Columbus Day marauding by Nutley's Maroon Raiders left the ledger at 1-2 after the 21-8 beating.

Although the past three bouts were expected to be the roughest hunk of the schedule, head coach Rocco

Cafone vowed this week the squad won't let up in prepping for the unranked Indians, who will be followed by an undistinguished Irvington team.

"They can hurt us if we give them the chance," said Cafone, who feels Passaic has a well-equipped offensive arsenal, with a lot of height, but not the bulk of previous Belleville opponents.

Both teams will enter the fray with similar records. David Brower's Indians grabbed their first win in three starts Monday when they defeated Weequahic, 26-14 after a 31-0 thrashing by Don Bosco and a 27-0 shutout at the hands of Nutley.

"We looked reasonably good for the first time all season," said Brower about the Weequahic contest. "But Belleville will be a much tougher and much more cohesive unit." Eight returning lettermen are back from the squad which last year handed Belleville a 14-13 loss.

The Passaic offense comes out in an I-formation, shifting into various pro-type setups. Their running game is sparked by Bart Allen, who ran up 270 yards and four touchdowns against Weequahic Monday. "Up until yesterday, our pass was the only thing that was working," said Brower, "but against

Weequahic our offense was very good and our defense was super against a huge team."

Brower said the critical factor in the game will be ball control, and once again Belleville will face a grinding struggle for good field position against a foe.

Tuesday's Nutley Park Oval scene saw the Bellboys dominated in nearly every aspect of the contest as Nutley scored in 13 plays on their first drive, aided by a 15-yard penalty against Belleville and a 14-yard pass to the corner three yards from the goal. On his second attempt, Maroon quarterback Bobby Della Luna dove across for the score.

The two teams battled back and forth during the half, with the defensive units controlling the play, until speedy Raider Mark Cafone scooped up a Belleville punt already considered down by the Bellboy unit, but not by the referees. Catching the Blue-Gold unaware, Cafone made a 70-yard dash for the goal and the extra-point was converted to put the score at 14-0 at half-time.

Though coaches and players disputed the referee's call, an official ruled that the two Belleville players who touched the ball downfield had not firmly established possession before the whistle was blown, and the ball was live when Cafone snatched it.

Coming back into the third quarter, Belleville received but saw their initial series wrecked when Steve Senatore fumbled and Nutley recovered. The Blue-Gold defense blunted an eight-play Nutley drive at the Belleville 26-yard line, and Senatore took the ball back out for a 15-yard run. Turning to the passing attack in earnest, Bellboy quarterback Bill Telesco tied two, thrown in the face of heavy Maroon pressure. The second toss fell incomplete after Telesco was dropped for a loss on the first try, in one of four sackings he suffered during the afternoon.

As the Raiders took over, Cafone again stood out, as he gathered in a 36-yard pass to put Nutley on their way to the third score, which came when Don Kiwor ran untouched into the end zone. "They ran a counter on us, and caught a couple kids out of position," coach Cafone explained.

In the fourth quarter, the Nutley defense again stopped

the Bellboys twice, but surrendered the ball in the closing seconds of the game, leaving enough time for end Vinnie Lipoma to snare two passes from Jim DiModica and run 65 yards as the clock ran out for a touchdown. DiModica took the ball across for a two-point conversion.

Cafone had predicted the game would be a line battle and was forced to concede this week "they just beat us off the ball. We had done nothing but practice that all week, but we're a young team compared to Nutley, and I guess the inexperience problem is still with us."

Though the Nutley passing game had been a big question mark before Belleville met them, Della Luna put a fat period on the matter Monday when he used an aerial at critical points to set up TD's. "We had expected them to go to the pass," said Cafone, and it worked against us because we had to use our linebackers to protect against their runners."

Passaic's best passing combination is quarterback Keith Lee to halfback Donald Lee, and while Cafone concedes Keith Lee "can really throw the ball," he's primarily concerned with the running threat, particularly, Bart Allen "a very quick scat-back."

After analyzing their showing against Nutley, Cafone concluded that the Raiders' 27-0 score over the Indians didn't tell the whole story, since Passaic had penetrated inside the Nutley 10-yard line twice.

Cafone has been working this week on the same basic strategy instituted early in the season. "We're not going to become erratic because of our two losses," he said. "We'll stick to what we have and work hard on it."

Likening the situation to the last year's early stages, when the Bellboys travelled a

rocky road and exploded after their first three battles, Cafone is convinced it will happen again. "Last season, we got the experience under our belts during the first three games and the kids really came along after that."

Besides the problems on the line, Cafone said there were mishaps in the offensive backfield that will have to be cleared up by Saturday.

Among the Bellboy standouts against Nutley, Cafone singled out co-captain Joe Napolitano, "who did a fine job on kick off returns and end sweeps and also came in at defensive end."

Cafone said he'll be relying on help from Napolitano and co-captain Joe Cancelliere in helping to bring team spirits back up after the Nutley loss.

Fortunes Rise

Harriers Fell Three, Get on Winning Side

Bob Cohen

The Belleville High School cross country team concluded a vital segment of their schedule last week when they held four races in a period of ten days. In those races they faced top flight competition from the teams of Kearny, Glen Ridge, Bayley Ellard, and Mountain High School and fared very well by winning three of four. It was a week which saw Belleville lose to Kearny 25-34, upset previously undefeated Glen Ridge 25-30, destroy Bayley Ellard 19-42 and nip Mountain 27-28.

This week they will pit their record of 4-3 against Irvington on Friday and take on East Side Monday. Both races will be held in Belleville Park beginning at 3:30 p.m.

Last Tuesday, Kearny coach Tom Krulik took his harriers to Belleville Park where they prepared to take on the Bellboys who were preparing to run in their home opener. Krulik was very apprehensive going into this meet, and most of his concern came from meeting a different type of opponent from Belleville as opposed to last year's squad. He also feared the home course which is hilly, as opposed to the Kearny track which is basically flat.

The race started off with Kearny jumping off to a quick lead. The first eight runners for the first third of a mile were all from Kearny. However the great equalizer proved to be the hills as Belleville slowly made up ground. With a mile and a half completed, the outcome of the race was slowly taking form. Captain Bill Goodwin was challenging Cardinal Steve Caputo for undisputed possession of first place while sophomore Jim Beck, who was hampered by a cold, made an attempt for third. Nelson Seda was in the sixth position. As the runners neared the end of their 2.9 mile jaunt, it was clear to all that Goodwin was the best that day, pacing himself to a 30 second advantage and a 15:28 finish over Caputo his nearest foe. Beck didn't succeed at taking third but he did settle into fourth at 16:13. Nelson Seda held off a futile attempt by Kearny's Joe Edminton to take a two second advantage plus sixth place with a time of 16:22.

What destroyed Belleville's chances for vic-

tory was a complete void of Bellboy finishers from the seventh to eleventh positions. Steve Budrick was home with the flu, also hampering their attempt. It was difficult to say what the outcome might have been if "Bud" did race, but likely the race would have been very close.

Mike Fortino took 12th place at 16:49, Walt Siubis 14th at 16:56, Doug Wamsley 16th at 17:07, Steve Dyba 17th at 18th place and Pete Fitzpatrick 20th and last at 18:48.

Coach Krulik left Belleville slightly relieved over the victory, but wisely aware of the potential of the young Bellboy squad.

Last Thursday was sunny and fair, also an apt description of Belleville's chances against a strong, undefeated squad from Glen Ridge. And as the weather is sometimes unpredictable, the results of a race may not be correctly forecasted, especially when the opponent is thinking upset.

Belleville calmly stuck to its meet strategy, which again was to run in a pack. And as the race ended, Bill Goodwin again took first place, this time at 15:40. Bob Alworth of Glen Ridge took second at 16:01, Nelson Seda third at 16:23, and Jim Beck fourth at 16:29. After Glen Ridge took fifth and sixth and seventh, Walt Siubis took 8th at 16:51 and ninth at 16:53 was taken by a returning Steve Budrick.

The key to victory was two-fold. It is important to capture the top spots, which Belleville did, but it is also important to grab those lower slots which Belleville also did and the result was victory. Had Budrick and Siubis not have finished as they did, the victory might have belonged to Glen Ridge. The visitors were not far behind. Mike Fortino finished seventh at 16:56, Doug Wamsley 12th at 17 flat. Steve Dyba took 16th at 17:44 and Kevin Bradley last at 18:56.

On Saturday against Bayley Ellard, the cross country team recorded an easy victory as they totally outclassed their opponents from Madison. Belleville, for the first time this year took first, second, and third places,

(Continued on Page 12)

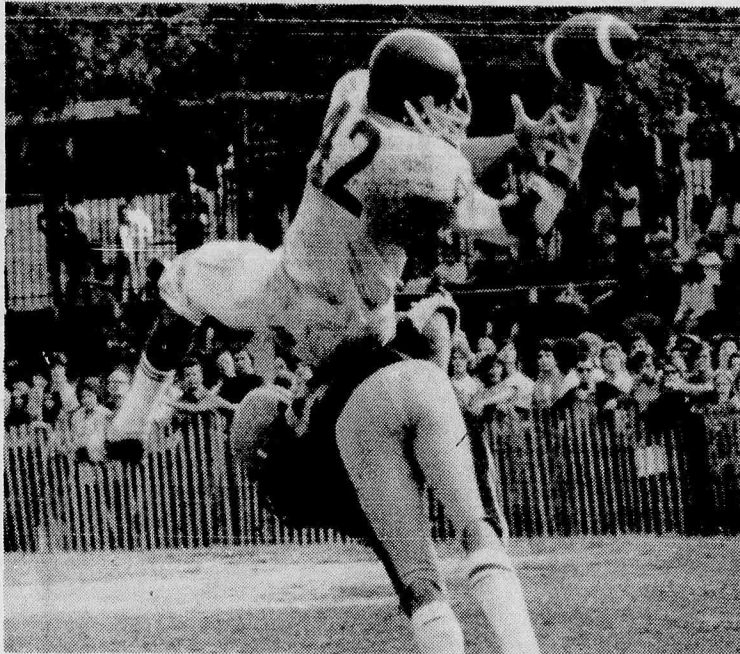

INCOMPLETE AERIAL in second quarter sees Joe Napolitano leap to grab a pass from Telesco, who looks on at left with Steve Senatore (22). Pressure from Maroon linemen dropped Telesco behind his line on four occasions Monday.

Top Bellboy

JOE NAPOLITANO, Bellboy co-captain, was selected by the BHS coaching staff as the top griddier in the game against Nutley. Napolitano is a senior, stands 5-10 and weighs 195 pounds.

A KISS AWAY — Nutley's Lou Alessio can't quite hang on to this third quarter spiral as Jerry Giordano bowls him over. The Maroon Raiders bowled over Belleville, however, 21-8, in a rough and tumble contest.

WIN!

What's the Score?

HOW TO PLAY
Simply predict the winner of each week's game by filling in the boxes for the final score and each quarter's score. Then predict the total yardage gained by the Bellboys. Ties will be broken on the basis of the quarter score prediction, and, if necessary on the basis of the most accurate yardage prediction.

Mail or bring your entry to The Belleville Times, 246 Washington Ave., Belleville, on or before the Friday preceding each Saturday's game. (Coupons will be published one week in advance to allow plenty of time to complete and return them.)

Each weekly winner will be awarded prizes from participating local merchants, and will also become eligible for the grand prize drawing to be held at the end of the football season.

Team	1st QUARTER	2nd QUARTER	3rd QUARTER	4th QUARTER	Final Score
BELLEVILLE Bellboys

**Freshmen
Undeclared
After 3**

The Belleville freshmen football team meet Orange Saturday morning, 9:30 a.m. at Orange in hopes of adding another win to their three-game streak.

The frosh have already blanked Nutley, 14-0, crushed Columbia, 44-8, and shaded West Essex in the season opener, 8-6.

Offensive backfield standouts on coach George Zanfini's squad have been Kenneth Nicosia and John Clarizio, who divided the scoring between themselves in the effort against Nutley.

Looking ahead to Orange, Zanfini said, "They're a wide-open outfit. If they're going to beat us, they'll do it with a big play. They can't sustain a drive, but they can be explosive."

Zanfini said the team has "prided ourselves on our defense, but we've also been scoring pretty well, although Columbia was sort of a mismatch, since they only started their freshman team a couple years ago."

In the Nutley game, the defenders held up particularly well, said Zanfini, as Nutley held the ball within the Belleville 30-yard line three times, but "our defense held up until we got our offense straightened out. We were really proud of that."

immediate, assuring a Bell-boy victor. Bill Goodwin again was the first place finisher at 15:34, while the sophomore duo of Seda and Beck finished at 16:08 and 16:11 respectively. After a finish by Jean Cass and Ron Rundsten at 4th and 5th positions, the Bellboys came with Walt Siubis, Steve Budrick, Doung Wamsley, and Mike Fortino whose 6th through 9th place finishes were recorded at times of

16:54 to 17:06.

In a situation such as this one where a team does not place at least five finishers among the first twelve, then a system known as displacement goes into effect. This is where the victorious team will forfeit or displace its last finisher who finishes 12th or below. So Steve Dyba of Belleville who finished eleventh, forfeited his eleven points to Bayley Ellard.

The race against Mountain was truly a Columbus Day special as the barriers squeaked past the West Orange runners 27-28. Belleville took first, third, fourth, ninth and tenth, while Mountain finished second, fifth, sixth, seventh and eighth. Again it was Bill

Goodwin who took first place honors at 15:34, Seda and Beck with times 16:11 and 16:20, and Fortino and Wamsley at 17:23 and 17:28 respectively. Fred Peters of Mountain finished second at 16:07.

The real story is the progress that this squad has made. Their four victories this year are more than they won in the previous two seasons. Also the performance of Goodwin has been incredible. In the last four meets against tough competition, Goodwin has finished first every time. It is becoming a familiar sight to watch "Goody" sprint to a commanding lead over his opponents while his teammates battle for vital positions.

61 FRANKLIN AVE.
NUTLEY, N.J.**Expect Annual Report
From Montclair Museum**

For the first time in its sixty year history, the Montclair Art Museum is publishing its annual report. K. Philip Dresdner, President of the Museum, announced this week. The booklet will be distributed to members at the annual meeting on October 16.

At the same time, Mr. Dresdner announced another "first-time" brochure: "A Guide to Giving," which explains the means by which members and other friends may support the Museum.

Beck's Column.
There is general misunderstanding about the 2 year warranty on the picture tube. We would like to clear this up.

The tube as such is guaranteed for 2 years, but this does not include the labor to replace it. The charge for labor varies. Some manufacturers include the labor for 90 days. Some supply the labor for one year. In the second year the customer pays for the labor. It is a rather big job to replace a picture tube.

We offer complete coverage for any repair or adjustment under a contract agreement. The charges are low for the first year, because all the parts are guaranteed by the manufacturer. With the exception of the picture tube, which carries 2 years guarantee, all other parts are out in the second year. Consequently the price for a service contract is higher than in the first year. There is a price change again in the third year, because all the manufacturers guarantee is off.

There is no question about it, in the long run it is by far the best policy to have a service contract. The price of the picture tube alone pays for more than a couple of years of complete service. If you have a service contract, you call us at the first sign of trouble. Your set works good all the time. Even if you do not call us, we take care of everything at the time of our periodic check ups, because it is best for us (as well as for you) to keep your set in tip top shape. The proverbial stitch in time often saves nine.

After a number of years you probably will wind up with the same expense, whether you pay as you go or with a service contract. The difference is that one often lets things go and procrastinates, while you will call at the first sign of trouble if you have a contract. It costs over \$200. - just to replace the picture tube, which is a rather large sum to pay. It is much easier to stretch this over the years and have complete coverage.

We service what we sell.

Another Rugged Foe Deals Loss to Bellboys

BELLEVILLE'S LOSS, NUTLEY'S GAIN — Third quarter fumble at the Bellboy 42 yard line broke the back of the Belleville drive. Bill Telesco (11) went for it, but

SPECTACULAR CATCH — Mark Cofone (23) makes 36 yards out of this third quarter reception that he picked off at the Belleville 40 yard line. The play set the Maroon up for its third and final touchdown three plays later. Cofone scored earlier on a 70 yard punt return.

Napolitano	1	30	30

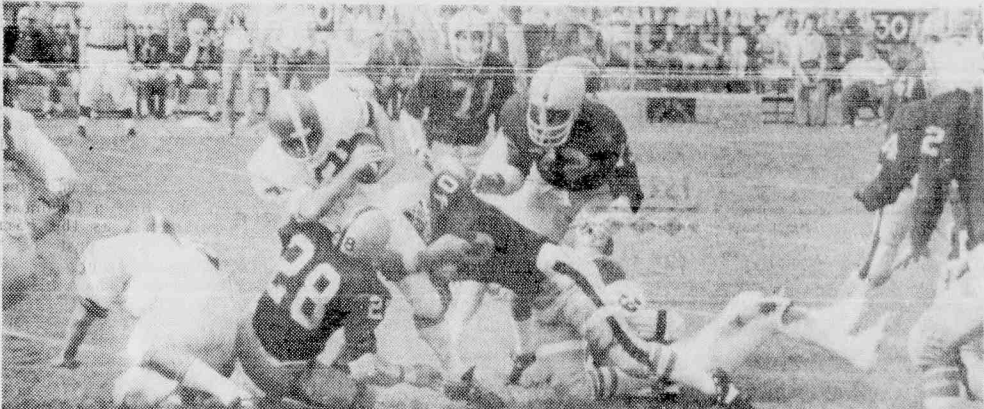

A SLIM GAIN was accomplished via this fourth quarter pass to Dave Verdi (far right) from Bobby Della Luna. Nutley picked up two yards on the play near midfield, later giving up the ball after failing to make a first down. Joe Napolitano (33) applies pressure for Belleville.

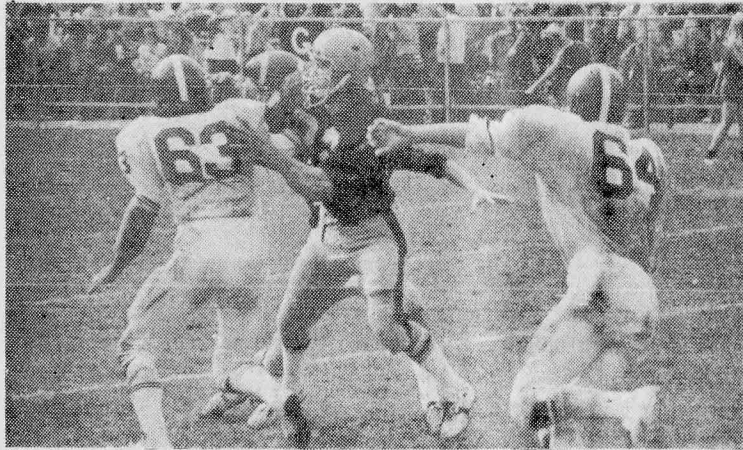

CLOSING IN for the third Maroon TD, Lou Alessio (42) snags this pass for 10 yards following Cofone's snare (above) in the third stanza. Alessio moved to the Bellboy 30 yard line, stopped by (47) Joe Panlone.

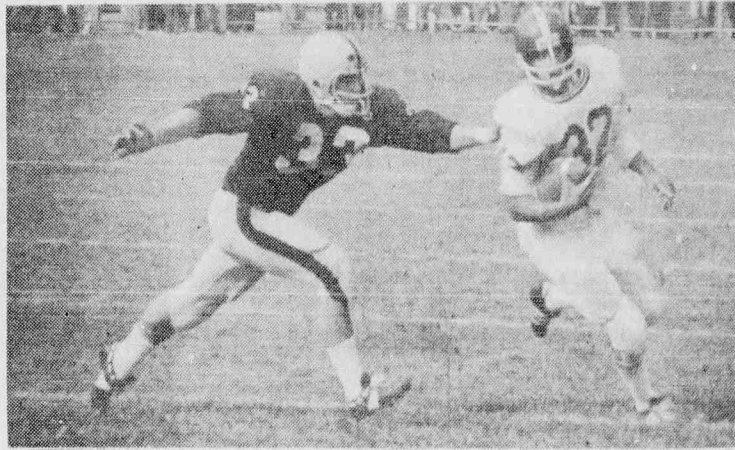

LAST RALLY — Bellboy Vinnie Lipoma (83) snags pass for 15 yards in final minute of play. Next play he went 65 yards to score the only Belleville TD. Dziablenski makes this tackle.

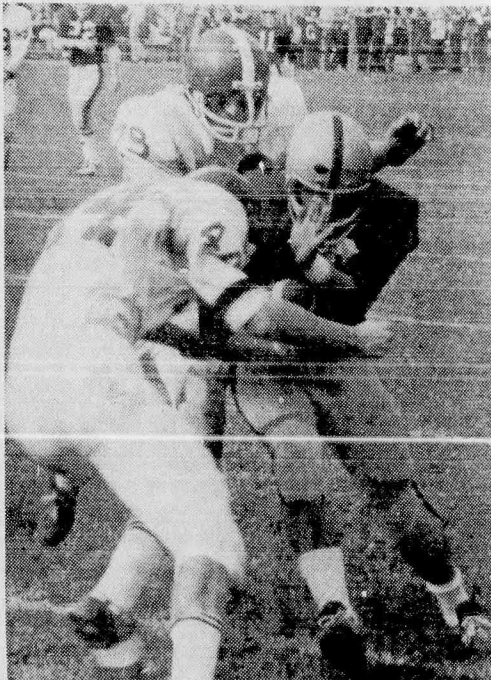

SURROUNDED by Belleville tacklers, fullback Dave Moscara drives for four yards and a first down to the Belleville 33 yard line late in the second quarter. Bellboys (28) Joe Cancelliere, (72) Anthony Kirkman, and (40) Vinnie DeNotaris combine efforts to bring him down. Moscara was good for a total 60 yards.

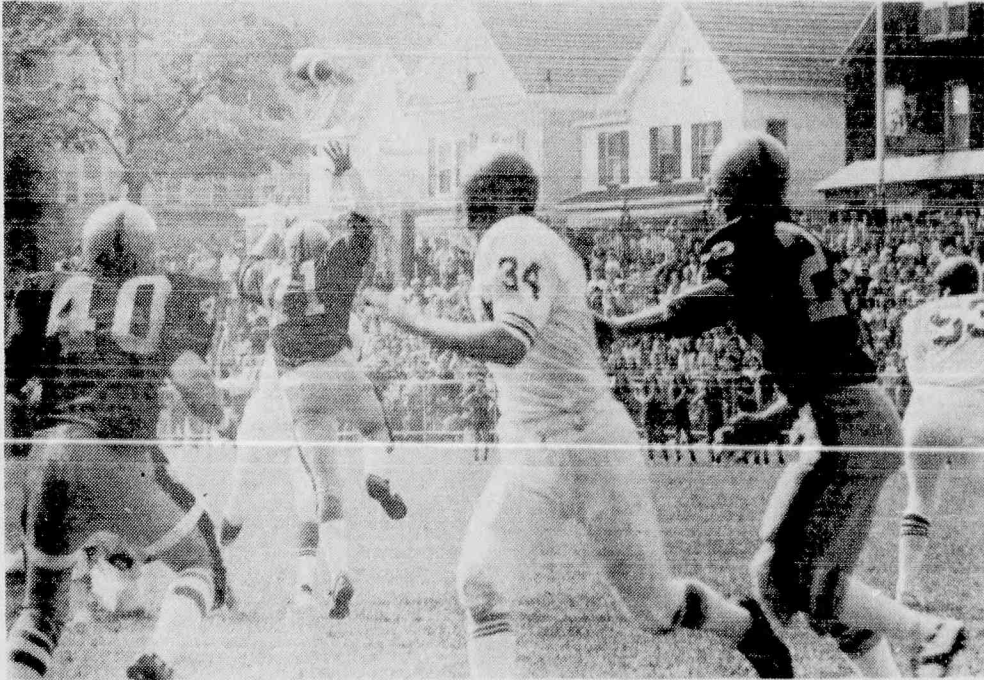

RAIDER DEFENSE set Bill Telesco back a total 34 yards during the game. Here, in the third stanza, (63) Carmine Alessio and (64) Frank Gabriele, don't have a chance to get the quarterback (hidden behind 33, Napolitano) but the pass was incomplete.

NAILED FOR A LOSS, by Bellboy Joe Napolitano, Nutley's Dave Verdi was tackled at the Belleville 31 yard line late in the third quarter. The next play saw Nutley score TD number three on a 34-yard run by Don Kiwor.

JOE NAPOLITANO meets resistance from Rich Clark (44) but still gains 12 yards in final quarter. No first down, though, as the Bellboys needed 16.

NO DICE, NUTLEY — Don Kiwor (34) never got his hands on this one near the goal line in the second quarter. Coverage by Belleville defensive men (71) George Mango, (22) Steve Senatore, and (40) Vince DeNotaris was too effective. Nutley punted on the next play.

Composer of 'Instant Opera' To Come Back to Jersey

The noted Australian composer Malcolm Williamson will return to New Jersey next month for a second series of instant-opera creation sessions with school children under the sponsorship of Opera Theatre of New Jersey.

Last year Williamson spent a week in early November touring schools from Belleville to Trenton for Opera Theatre, taking a group of children at each stop and helping them work out their own "production" of his mini-opera "Knights in Shining Armor."

This year, from October 29 through November 2, the composer will work with New Jersey school children in the staging of his mini-opera "The Stone Wall," a work commissioned by the British Broadcasting Corporation (BBC) for a "Last Night at the Proms" telecast from London's Royal Festival Hall.

Williamson's mini-operas are designed equally for

adults and children, and have often been used for audiences with large age spans.

After learning the two or three simple melodies by small groups, the entire group of people decide how to choreograph and stage their opera.

Then each small group acts out a part while singing its lyrics, with the various melodies eventually coming together to form a more sophisticated musical whole than the participants may have thought themselves capable.

In "The Stone Wall," three groups are involved — Englishmen and Scotsmen who are building a stone wall between their two countries out of hatred, and Vikings who threaten from the sea and unite the English and Scots in a common cause of defense

(the stones from the wall end up being tossed at the Vikings).

The idea for Williamson's mini-operas is that everyone is a participant, so there actually is no audience in the usual sense of the word.

The form is unique to him, and the concept has proven successful both as entertainment for adults and an educational tool for children.

SALUTATORIAN of The Belleville High Class of 1973, Donald Messina receives a plaque commemorating his winning the Italian-American Civic Association's annual scholarship. Shown here, (l-r) are President Vincent Vecchione, Messina, Board of Education member G. Fred Burlazzi and Ladies' Auxiliary President Mrs. Dominic Christiano.

CONGRATULATING Maria Christiano, this year's winner of the achievement award are (l-r) past winners Myra Ceres, Josephine Maiorca and Dinner co-chairman Christie Albanese.

PRESENT OFFICERS of the Italian-American Civic Association are shown with Board of Adjustment member Aldo DiChiara (far left). Bellevilleites Eligible For Theater Grant

Belleville high school students are eligible to apply for the Nutley Little Theater scholarship for post high school training in theater.

Will Discuss Methods Of Employee Motivation
"Motivating Employees — Theories of Human Behavioral Motivation" will be discussed at the third of five management seminars co-sponsored by Midlantic National Bank (formerly National Newark & Essex Bank) and Montclair State College.

An October 31 deadline has been set for filing applications for the Nutley Little Theater scholarship. NLT officials said this week.

The \$100 scholarship in post high school training in theater will be awarded in June 1974. Applications are available at all area high schools or interested students can contact Nutley Little Theater, 47 Erie Place, Nutley.

Applicants for the scholarship must be active members of Nutley Little Theater. Membership forms can be obtained when filing scholarship applications.

Nutley Little Theater is offering this scholarship for the first time in its history to encourage local theatrical talent.

Ital-Americans Stage Dinner With Awards

(Continued from Page 1)
of the Saint Anthony's school Parent Teacher Guild.
He served in the New Jersey National Guard and later enlisted in the United States Army in 1940.

Married to the former Rose Papa Sidero, they have four children.

After service, he became active in veterans affairs and their programs. He joined the Pvt. Joseph C. Taibi Post 6362 Veterans of Foreign Wars and has held every office on the post level, serving three terms as Post Commander.

Sbarra joined the Belleville Fire Department in September of 1948. He participated in a course of study in the science and technique of fire prevention, protection and extinguishment from the Delehanty Institute, New York.

He was promoted to Captain in the Belleville Fire Department in December of 1953. Serving as Acting Deputy Chief in 1957, was then promoted to Deputy Fire Chief in July of 1958. While serving in this capacity he has attended many seminars relating to Fire Department and holds two certificates for courses attended and completed from Rutgers University: one in arson and arson investigation and one in the principles of fire administration. He has served for the past five years on the Athletic Advisory Council of Belleville. He belongs to many Civic and fraternal organizations and fire organizations.

At the present time he serves as Trustee and is on the Board of Directors of the Belleville Italian American Civic Association.

Serving on the various Columbus Day Dinner-Dance committees were: chairman, Christie Albanese; co-chairman, Adolph Vecchione; co-chairlady, Mrs. Lee Carlo and Mrs. Adolph Vecchione; tickets, George Sbarra, Bing Campanella, Vince Carlo and Vit' Masi; ads: Frank Simeone, Paul Massa and Mike Marotti; raffles, Phil Maiorca and the Ladies Auxiliary; decorations, Mrs. Christine Christiano, Mrs. Lee Carlo, Mrs. Adolph Vecchione, Mrs. Marie Vecchione, Mrs. Rae Ruglio; reception, Frank Ceres, Pat Rotondo, Clara Campanella and Aldo DiChiara; scholarship award, G. Fred Burlazzi; civic award, Aldo DiChiara, Emil Casale, Vincent Vecchione, Frank Ceres.

The president of the organization is Vincent Vecchione and president of the Ladies Auxiliary is Clementine Christiano.

OBITUARIES

Thomas Higgins, 47 Father Lives Here

Funeral services were held August 17 at the Irvine-Cozzarelli Memorial Home for Thomas Higgins, 1408 Weld Avenue, Cherry Hill, who died August 14 at the Cherry Hill Medical Center after a short illness. The son of Mr. and the late Mrs. John J. Higgins of Belleville, he was 47.

Mr. Higgins was a life insurance salesman for the Franklin Life Insurance Company. He is survived by his wife, Mrs. Jean Walker

Higgins; two daughters, Karen and Kathryn Higgins, both of Cherry Hill, two sons, Kevin and Thomas, also of Cherry Hill, a brother John of West Caldwell; and his father, John J. Higgins, of Belleville. Services were held at the Trinity Arlington Church, Kearny; and interment was in Arlington Cemetery, Kearny.

Mrs. Talignani;

Funeral services were held at Holy Family Church for Mrs. Florence Antonietta Talignani, of Belleville, who died August 25 in Clara Maass Hospital after a long illness. A wire welder for ITT, she was 41.

A native of Michigan, Mrs. Talignani is survived by her son, David of Belleville; her parents, Mr. and Mrs. Girolamo Cocco; two brothers, Livio and Leo, both of Belleville; and a sister, Mrs. Elsa Rennie of Bloomfield.

Services were handled by the Irving-Cozzarelli Memorial Home, and interment was in Immaculate Conception Cemetery, Montclair.

Wins Promotion At Clara Maass

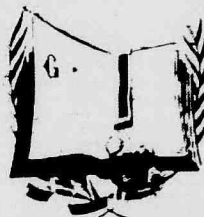

Miss Cheryl Lesko, RN has been appointed Acting Head Nurse of the Psychiatric Unit of Clara Maass Memorial Hospital, Belleville, announced recently by Mrs. Nancy Masiello, Director of Nursing Services.

A recent graduate of the Clara Maass School of Nursing, Miss Lesko is currently studying at Montclair State Teachers College working toward her degree in Psychology. She is a resident of Kearny and lives with her parents.
