Discuss County Planning

Public Invited To Town Hall For Meeting

Members of the Essex County Planning Board will come to Belleville next Thursday night, March 28, 8 p.m. at Town Hall to hold a public meeting on county site plans and subdivisions.

The meeting is one segment of an ongoing program which features similar discussions in Essex County towns. A different topic is examined at each meeting to gather public opinion for use in updating the Essex County master plan.

In Belleville next Thursday, the discussion will center on the status of all open space bordering County roads and highways, said Arthur John Bray Jr., Planning Officer for Essex County.

The Belleville meeting is the second in a series of 10 planned when the County highway system was discussed.

Other talks in the series will center on storm water and sewerage disposal, county facilities, water and sewer, solid waste, mass transit, housing, environmental quality and land use.

The first meeting in Livingston was reportedly heavily attended, and generated much discussion on the subject of the County highway system.

Strumolo Crusade Chairman

Belleville Town Commissioner Vincent Strumolo has been named to a key post in the 1974 Essex County Cancer Crusade, Clair G. Bradley, Crusade Chairman said today that Commissioner Strumolo had accepted the Belleville Community Chairmanship.

Bradley cited his sustained dedication to the American Cancer Society in again accepting the post, noting that Commissioner Strumolo is serving his twelfth year as Community Chairman.

Bradley stressed that the April Crusade would feature a full educational program as well as the raising of funds for cancer care and scientific research.

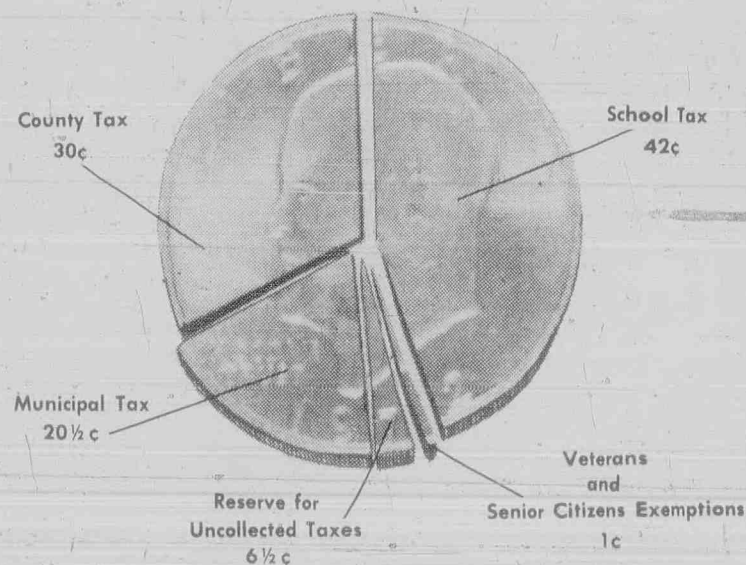

The Belleville Crusade quota is \$7,800.

Who Gets How Much From Your Tax Dollar

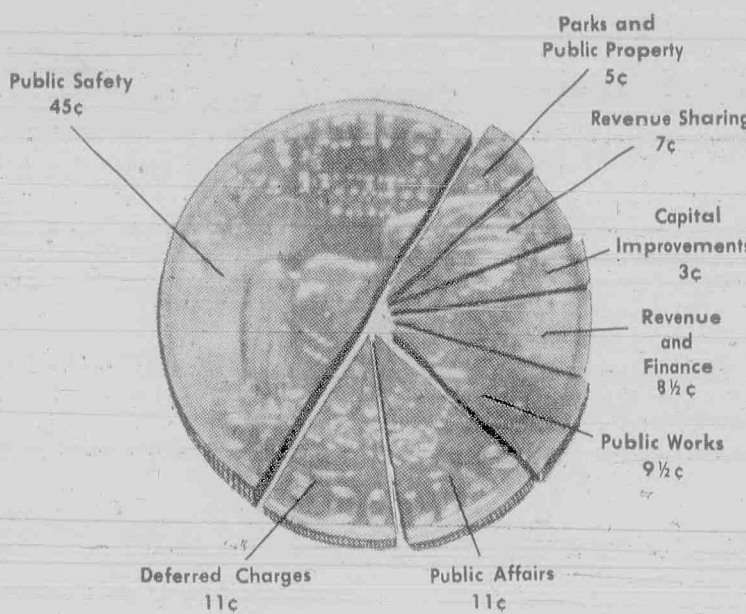

According to the local tax rate likely to be established for Bellevilleites Wednesday night, you'll probably be paying \$6.35 per \$100 of assessed valuation to the local taxman in 1974. The following graphs show how your tax dollar will be divided up among the schools, town and county, and how the municipal government will use your money.

Local Tax Dollar

The lion's share of your dollar will go to Belleville schools, which will be financed by a \$7.7 million budget in the coming year. The 6 1/2c earmarked for Reserve for Uncollected Taxes covers the anticipated losses from delinquent taxes, while 1c is set aside for state-mandated Veterans and Senior Citizens Exemptions.

Municipal Tax Dollar

The above shows the breakdown of appropriations from your dollar to the various municipal departments. Revenue Sharing funds actually come from the government, but the money is applied to lower the total tax levy and must first be included in appropriations. Capital Improvements are major Town building projects, while Deferred Charges cover any emergency funds appropriated over the past year.

At Wednesday Hearing

Public to Look Over Town's 1974 Budget

by Ken Moore

A public hearing on the 1974 municipal budget will be held Wednesday, March 27, at the Senior High School, 8 p.m. The Board of Commissioners will answer questions and comments from the public, and voted whether to approve the \$7.7 million package.

Though appropriations in the municipal budget increased \$440,478 from last year to total \$7,721,302, the town's share of the expected 38 point increase in the town will actually require less taxation than last year, as taxation for municipal purposes will drop, from \$3,100,199 in 1973 to \$3,073,870 this year. In order to make up the difference, the Town had to pull \$1.4 million from the \$1.8 million budget, pump in nearly a half-million dollars in revenue sharing funds and increase miscellaneous sources of revenue, such as franchise taxes.

Even so, the tax rate for 1974 is expected to rise 38 points from \$5.97 to \$6.35 in 1974, due to a 10 percent increase in school taxes (an increase of \$61,532) and an 11

percent hike in Belleville's share of county taxes (\$458,473).

Veterans and senior citizen's tax exemptions, made up through local taxation, this year will total \$182,370, against \$180,450 in 1973. The Town had another break in figuring its costs for 1974, when for the first time in Belleville's history, there were no debts to pay. Only \$5,000 had to be appropriated for debt service in case of emergencies. The Town's Water Department, which last year ran up a deficit of \$37,768, will become self-sufficient in the coming year.

The largest increase in the municipal budget come from salaries and wages, which jumped \$470,485 from last year, while other expenses represent an increase of \$90,985.

The Town Fathers last month agreed to give 143 non-uniformed Town employees a \$750 across-the-board increase in salaries this year, and remained bound by an agreement with the police and fire bargaining units made

last year which awarded the uniformed employees a 6.8 percent increase with 10 percent parity between ranks.

The Public Safety Department budget will increase \$348,202 this year (11.7 percent), with \$113,056 in police salary increases and \$132,084 in firemen's salaries combining to account for \$245,140 of the jump. Public Safety was also hit hard by the rise in the price of gasoline, which has more than doubled in the past year.

The Department of Revenue and Finance will require \$16,268 more this year (2.8 percent), while the Department of Public Works budget will decrease by \$18,948 (also 2.8 percent). The Department of Public Affairs will be up \$34,627 (4.8 percent), while the Department of Parks and Public Property budget will increase \$15,459 (4.6 percent).

All told, the Town's appropriations for 1974 will increase \$440,478 (6 percent). Below are listed the total budgets for the five departments:

Public Safety — \$3,021,200

Revenue and Finance — \$581,004
Public Works — \$637,751
Public Affairs — \$753,543
Parks and Public Property — \$346,465

The Town's capital improvement fund will be raised from \$101,000 to \$200,735, mainly due to a planned project to upgrade the Town's waterpipe system.

After the \$1.4 million in surplus is applied to the tax increase, there will be left \$448,309 remaining in the surplus fund. Besides revenue sharing, other sources of funds to offset the increase were an increase in the franchise tax and in municipal court fees.

Also allocated was \$964,644 as a reserve for uncollected taxes. Since the Town acts as tax collector for the county and the schools, and must make up delinquent taxes for proper allocation, the sum must be budgeted each year.

As delinquent taxes are paid, the Town uses them to apply against the yearly tax increase.

Art-Music Festival Will Return Bigger and Better Than 1970

The artistic and musical talents of Belleville's youth will be on display Monday night when the Art-Music Festival II is launched at 6:30 p.m. at the Senior High School.

The event is of such magnitude that Belleville Mayor Joseph McGreevy this week proclaimed March 25-29 "Art-Music Festival Week." Over 2,500 are expected to attend the festival, which features the work and performances of about 700 local youngsters. Special systems had to be worked out to handle the shuffling of the players back and forth from two stages set up in the high school gym. The Auxiliary Police will be out to direct parking around the school.

The festival is so massive, it can't even be held as an annual event. The performance this year takes place four years after the original

production of the Art-Music Festival in 1970. The top administrators of the school system formed a committee to direct preparations for this year's event. Assistant Superintendents Michael Rosamilia and Seymour Grossman, Music Director Frank Seelba and Art Director Morton Birkin,

Underneath them was a staff of specialists and volunteers who tackled the task of organizing the events of the evening, along with the techniques to pull it off smoothly.

The festival, as in 1970, will be divided into a two-part affair. The first, the art portion, is open to the general public

and will feature the young artists of the school system, along with their work, some of it finished and some to be seen during its creation. The hallways of the school will be decorated by art production classes in a Greenwich Village motif, complete with sidewalk

Commission Sets Rent Talk This Week

The Board of Commissioners is expected to meet today or tomorrow to discuss the recommendations of the Rent Advisory Committee that a rent leveling ordinance be adopted in Belleville, that a master plan be passed and a Federal Housing Authority be established.

Mayor Joseph McGreevy acted Tuesday to convene the meeting, which will not include members of the advisory panel. "If need be, we'll get back to the board," said McGreevy. The panel had twice indicated their desire to meet with the Commissioners to discuss their report of February 20 which advocated the rent measure.

Committee Chairman Edward Mahler said this week the group still seeks the meeting with the Commissioners. Commenting on reports the group will disband if no meeting comes about, he said, "we'll certainly wait until the end of this month before we take any action."

Mahler said the committee has heard "no official word" from the Commissioners since the report was submitted, but added Commissioner Mary Senatore had written to them suggesting a meeting between the two boards be convened.

The Town Fathers this week will consider the two-fold recommendation of the rent committee that a rent or-

inance be passed and a master plan adopted to pave the way to the establishment of a housing authority, which would oversee the subsidizing of rents to senior citizens. The problem of senior citizens living on fixed incomes and faced with rising rents was identified as the single most pressing rent situation in Belleville by the panel.

Their report suggested the ordinance in effect in Bloomfield as a model for a Belleville rent measure, but Commissioners reportedly will examine Nutley's law also, and then draft an ordinance tailored to the needs of Belleville. The Bloomfield bill, as originally passed, allows for rent increases in

line with the rise of the Consumer Price Index from the signing of a lease until 30 days before its expiration date. However, indications show the Commissioners may consider the Consumer Price Index to be so subject to inflationary trends, as to be ineffective as a rent yardstick.

Commissioners reportedly are also wary of the capital improvement surcharges landlords may impose on tenants under the Bloomfield law. No recommendations were made by the Belleville Rent Advisory Committee to make changes in the Bloomfield law, which was offered only as a starting point in drawing a measure for Belleville.

Meanwhile, the panel's secretary, Miss Marion Malcolm, reported she has received a flood of telephone calls from tenants complaining of rent increases made since the panel recommended a rent leveling law in late February. Since then, said Miss Malcolm, complaints have been coming in at a rate of eight to 10 per day.

McGreevy said he expects the Belleville Commissioners "will come up with something more substantial" than the existing ordinances in neighboring towns, some of which have been forced to revise their laws after inflation proved the Consumer Price Index standard to be inadequate to deal with rent increases.

The panel's recommendation to establish a housing authority for rent subsidizing for senior citizens reportedly requires the drafting and adoption of a master plan. Such a project has been stalled in Belleville for several years, but would have to be reactivated before a Federal housing authority could operate here. There reportedly is a disagreement among the Commissioners of the desirability of a housing authority in Belleville.

Kindergarten Signups To Begin This Month

Kindergarten enrollment for next September will begin at Belleville elementary schools through the end of March and the beginning of April, Superintendent of Schools Anthony Greco announced this week.

Greco urged all parents of prospective kindergartners to contact their schools so an

early determination of the September enrollment can be made.

Children who reach their fifth birthday on or before December 31, 1974, are eligible for enrollment. When registering their child, parents should bring the child's birth

Strumolo to Lead Cancer Crusade

(Continued From Page 1)

a statement concerning the effort to enlist all Essex County residents in the fight to conquer cancer.

The American Cancer Society offers everyone an easy, effortless way to become an active force in the everyday fight to defeat cancer. With the simple reading of the pamphlet, 'The Seven Warning Signals of Cancer' you become a member of the force equipped with the knowledge of cancer detection and the steps necessary to combat its advance knowledge that remains as the basic and most important weapon in the crusade to conquer cancer.

ACS volunteers will distribute 45 million pamphlets nationwide, while carrying the story of the 7 Warning Signals into every home, personally and through the cooperation of the press, radio and TV.

Our slogan is everyone's dream — "We Want to Wipe Out Cancer in Your Lifetime."

To do it we need your dollars to support vital research and programs of public and professional education, and service, and rehabilitation to the cancer patient.

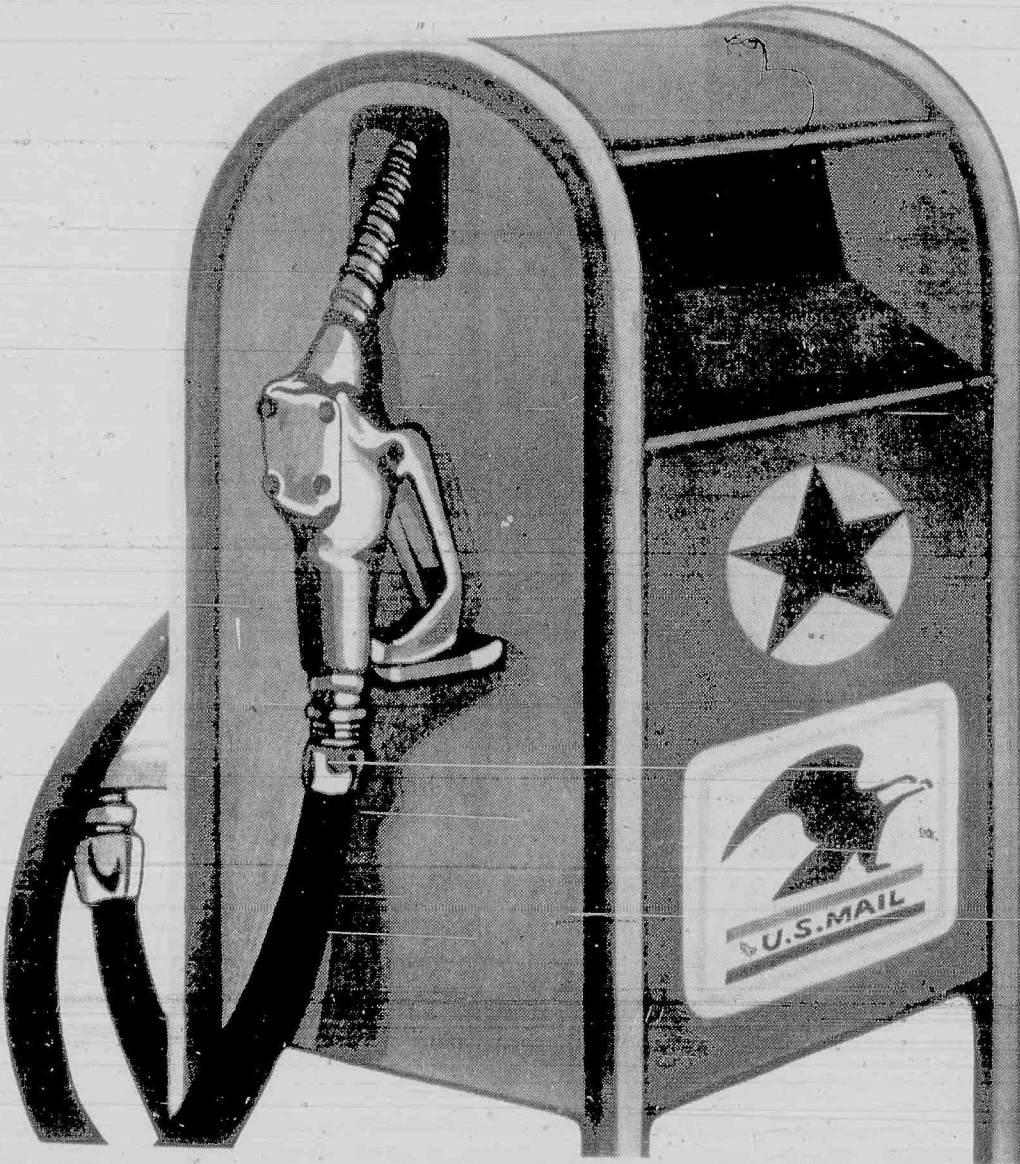

We urge that you fight cancer with a generous Check to the American Cancer Society and a yearly personal Health Checkup," the Chairman concluded.

Four-Day Bazaar Set

The combined societies of St. Peter's Parish will conduct a bazaar on May 1, 2, 3 and 4, in the school hall, to raise funds for the support of their parochial school.

Walter DuBoye has been chosen as general chairman with Patrick Kiernan and Edward Mahler as his co-chairmen.

Others who volunteered to head committees are Bob Frederick, Jim McConnon and Alex Nucci for floor arrangements; Richard Fantin and Lenny Borrell will

handle the finance committee.

Some of the booth captains who are now recruiting helpers are Mrs. Esther Moro, Mrs. Mary Nucci, Mrs. Yvonne Klingler, Mrs. Pat Ritter, Mrs. Peg Gibney, Mrs. Helen Murray, Mrs. Gloria Stefanelli, Manuel Rose, Jim Sullivan, Carl Foscatto, Jim Waters, Joe Scaperrota, George Lynch, Herb Oche, Bill Peck, Mike Dacey, Ed Chelel, John Tague, Tony DeGeorge and T. William Sloan, Bob Nebulung.

Full Budget Gives School Board Elbow Room

(Continued From Page 1) programs in this year's package.

As a result of the full budget being awarded, the high school next year will hire three new teachers at approximately \$12,000 apiece to staff a work-study program to prepare non-college oriented students for post-high school life; a soccer team will be on Belleville fields next fall; the band, cheerleaders and athletic teams will replace uniforms as much as eight years

old; "mini-courses" in history and english, featuring journalism, drama and library science will be taught next year.

A total of 12-14 new staff members will be hired, including two for special

education, four teachers and one counselor to handle increased enrollment in the high school, a reading teacher and a counselor at the junior high, a psychologist and a social worker for a child study team.

Each of the three work

study teachers will conduct a branch of the program, including distributive education for students working in retail stores; office practice for those in secretarial or clerical jobs; and cooperative industrial training for students

employed with local industries.

The new budget will also finance renovations of hazardous areas in many elementary schools, such as repair of windows at School Four, building repairs at Schools

One and Five, retiling of floors in Schools Five and Ten, replacement of wooden doors at School Three with aluminum doors. The Senior High auditorium will be repainted.

Enrollment to Begin For Kindergarteners

(Continued From Page 1) certificate and record of immunization.

Greco said no enrollments are taken during summer months when schools are closed, though one day is set aside before the opening of school for late registrations. However, he said, an effort is underway to estimate the September enrollment so the proper number of staff members can be hired. Last September, a late increase in

registrations forced the hiring of another teacher at the beginning of the school year. "This is one area that the state insists we don't exceed the quota of children per classroom," he said. "If we know beforehand how many will be attending, we'll be prepared to handle all the students."

While enrollment is increasing in the upper grades, it continues to decline in the kindergarten.

DON'T UNDERESTIMATE BUYER

I'm sure you've heard it said, "Why should I sell my house through a Broker? I can sell it myself and pocket the commission. Right? Wrong! This kind of thinking can easily turn out to be financial folly.

Never underestimate the hard financial bargaining ability of the average buyer. Spend one day in the field with any Broker, negotiating and handling offers and counter-offers and you'll appreciate what I'm saying. Frankly, if the typical buyer knows you are not selling through a

Broker, right off the bat he'll expect you to deduct the commission for HIS benefit, before you even START serious negotiations.

Then you're on your own, possibly at a great disadvantage, in the intricate areas of financing, negotiating, and protecting yourself from all sorts of do-it-yourself pitfalls. You've got a lot invested in your home. It makes sense to list it with a Broker. He'll sell it for you - without hitches, for the best price and in the shortest amount of time.

Energy Questions — And Answers

In an effort to keep the public informed of state regulations governing the sale and distribution of gasoline, the New Jersey Energy Office has prepared the following list of questions and answers, based on a sampling of the telephone calls received in our office. If you have a question, or a comment, concerning New Jersey's gasoline rationing program, contact the State Energy Office at 429 East State Street, Trenton, NJ 08625.

Q: I have commercial license plates on my car. Do I get any special exemption from the regulations?

A: Yes, you do. Any New Jersey motor vehicle bearing commercial plates is exempt from the odd-even rationing system. That means you can get gasoline any day of the week, provided you go to an open service station. You are NOT permitted to get gasoline under circumstances where the general public is prohibited from getting gasoline. If there's a line at your station, you have to wait your turn, just like passenger vehicles.

Q: What happens in the case of license plates with all letters, like shortwave call letters?

A: License plates with all letters are treated on ODD-numbered days in New Jersey.

Q: I went to a station the other day which was flying a yellow flag, and the attendant gave the motorist in front of me 12.6 gallons. When I pulled up, he only gave me 5 gallons. Is that legal?

A: Yes, it is, as long as you were given a minimum of 5 gallons. Under the regulations, a yellow flag means that the service station is selling gasoline on a limited basis. The regulations also start that every motorist must, on demand, receive AT LEAST 5 GALLONS of gas-

oline. But the dealer has the discretion to limit some customers to that 5 gallon minimum, and give his regular customers more than the minimum.

Q: Does the same thing hold true under a green flag?

A: No. A green flag means the service station has UNLIMITED gasoline available. The dealer must fill up every car that comes into his station, unless the individual motorist asks for less than a full tank.

Q: I am a dealer, and I don't like the idea of having to stick my head into a car to check the gas gauge for every car. I know I can't serve anyone who has more than a half-tank, so how do I do that without getting the driver angry?

A: The burden of carrying out the law falls as heavily upon the motorist as it does on the dealer. Ask the motorist if he or she has less than half-tank. If the motorist replies that he or she does have less than a half-tank, go ahead and fill the tank. Then, if you find that the motorist actually had more than a half-tank, take down the license number and report the violation to local law enforcement officials. They will enforce the law.

Q: What are the fines for violating the regulations?

A: A motorist who violates any element of the regulations is subject to a \$25 fine for the first offense, \$100 for the second offense and \$200 for the third and subsequent offenses; a retail dealer is subject to fines of \$25 for the first offense, \$200 for the second offense and \$400 for the third and subsequent offenses; distributors and oil companies are subject to fines of \$1,000, \$5,000 and \$10,000 for the first, second and third offenses respectively.

Air Bags

General Motors has introduced air bags in three of its cars as an extra — cost option, the major innovation in the automotive industry in 1974.

One advantage of air bags (which GM calls its Air Cushion Restraint System) is that the driver is not confounded with buzzing noises, flashing lights or a locked

steering column if he hasn't hooked up his seat belt when he attempts to start the engine.

The theory behind air bags, is that in an accident they instantly inflate, thereby providing a cushion which protects passengers from injury resulting from striking the windshield or dash.

Golden Comments

By James R. Golden

The idea of March having come and gone, we now proceed to that mouthing melee known as the public hearing on the town budget. Yep, Wednesday evening March 27, comes 8 p.m., at the local Senior High School, the gong will be sounded for the opening round in the battle of the concerned taxpayer versus the Town Fathers.

Belleville's tax rate reflects a 38 point hike over last year, which was high enough. The reason spelled out simply is boosts of 21 points stemming from increases in the school board budget which was "knocked down" by the voters and is subject to adjustment by the Commissioners which sees Mayor McGreevy attempting to barter with the school trustees on a measure which could become intricately involved with almost precedent setting legal action. The County's "bite" for the town's share in supporting County government represents another 17 point jump, all of which become mandatory obligations beyond the control of local officials.

The slight less than 1 point increase showing in the town's portion of the overall budget might appear favorably encouraging were it not for the fact it was accomplished largely by use of "mirrors," "dancing chairs" and a good bit of budgetary legerdemain which may put us in "poor stead" comes 1975, which just happens to be an election year in town. The taxpayers will yelp and the incumbent Commissioners could get "hurt" politically.

Nutley's tax-rate, with the similar increases in their school budget and larger contributions in the cost of County government, had only a 14 point tax increase this year by following standard budgetary practices, whereas, had not our Commissioners resorted to legal, but

deceptive gimmickry in setting up this year's town budget, the tax-rate increase would have been considerably higher. Next year's budget probably will have to absorb the terrifying shock and impact of the manner in which this year's budget was set up.

To keep the budget in line this year, \$25,000 more surplus was "plowed" into appropriations which will be very difficult to "rebuild" in view of the fact that anticipated revenues show an increase of \$433,698 over last year. This budgetary maneuver, accounting for close to a half million dollars helps to keep down the town tax rate, but it prevents the likelihood of accumulation of surplus which will be needed next year.

To disabuse any gullible bloke who might get the impression that our town fathers have retrenched or held the tax line let them be reminded the cost of total town operations went up \$561,471 over last which had gone up over the preceding year and how it has been doing for the past 10 years.

Federal Revenue sharing in the amount of \$465,291 also helped to keep down and offset the staggering increase reflected in the overall budget.

The public hearing on the budget can be expected to bring out a small percentage of the affected residents, not because they aren't concerned nor interested, but from past experience, they'll be listened to, have explanations given them and then...come hell or high water the commissioners will adopt the damn thing and we can just hope it won't get any worse next year....BUT IT WILL. IT CAN'T MISS THE WAY THEY HAVE SET UP THIS YEAR'S BUDGET. Time will tell...You'll see.

The Telephone Tyrant

The telephone, unquestionably one of the world's great modern conveniences, can also be a demanding tyrant in the modern home and business.

The trend in recent years has been to install at least one extra telephone in the master bedroom. That translates into being awakened in the middle of the night by a wrong number ring, a crank or someone at a swinging party at two a.m.

In businesses and offices, the customer who drives a mile or so to make a purchase often finds himself interrupted by the chap sitting at home using the telephone. Only one of ten clerks and salesmen is polite enough to refuse a telephone conversation leaving the in-the-store customer cooling his heels.

Part of the answer in homes is, of course, to have a telephone which can be switched off. The answer in business is for clerks and salesmen to be trained to ask callers to wait while store customers who arrived first are served.

The Trolley

Trolley cars or street cars, on rails, had a fascination for millions of Americans. They are still in vogue and doing a good job in Europe and elsewhere, but were replaced in this country (in the name of progress) in recent decades. Now, the nation is realizing it was a mistake.

A recent Senate anti-trust subcommittee study indicates one of the major automobile builders in fact helped along the decision to abandon more than a hundred electric rail systems in over forty cities between 1922 and 1956. The holding company, formed by the automobile company, also belonged, in part, to a rubber company, and oil corporation, among others.

This company, according to the study, bought and scrapped rail systems all over the country. The well-financed process of course, succeeded and the result has become smog and air pollution, dying vegetation (petrochemical smog), congestion (since it drove many from the public transportation system), etc.

Those who liked riding street cars on rails argued in vain in the forties and fifties while high-powered salesmen were preaching their death and selling gas-burning replacements to municipalities. Rail transportation was quieter, had no bad smell and was also smoother; there was no dip, little sway and little noise. But no one would listen to such talk. The vogue was to have what was thought to be the modern thing!

The best, alas, was what we abandoned. Even the tracks are no more to be seen.

Spring, 1974

Denver is to become the first major American city with a massive personal rapid transit system, or PRT. A bond issue was approved last September by area voters and over four hundred million dollars are to be provided by local authorities, with the federal government contributing even more.

The idea is not new. PRT is now operating at three U.S. airports: Tampa, Dallas-Fort Worth and Seattle-Tacoma. It is also in operation in San Francisco, though the Denver network—100 miles, 58 stations and 800 cars—will be the largest PRT system in the nation, perhaps in the world.

SCHOOL EIGHT Father/Son night held this month was a smashing success with over 200 Fathers and sons attending. Some teachers became "dads" for the evening, like Mrs. Eleanor Arthur, escorting five "sons" and John Tortorello, three "sons"...the program was by Phil Grippaldi with: Ciro DeMeola, Louis Nucardo and Frank Vulgarus...coaches Jim "Butch" Toth and Diane Christopherson of Montclair State assisted.

I was impressed with the number of dads who felt it important enough to give up an evening to spend with their sons. Refreshments were from MacDonalds hamburgers which were well received, natch. Mothers doling out refreshments were: Linda Viscido, Lillian Norton, Marie Nufrio, Pat Concato, Betty Schwenk, Marlene Gonnello, Aileen Walker, Dolores Dill, Ginny Racanelli, Doris Nisivoche, Marie Lentz, Pat Galligan, Lorraine Mulhaney, Marie Kimble and Diane Roselli.

Officers of the Home and School Association at School Eight: President - Diane Roselli, 1st v.p. - Jude Gerhauser, 2nd v.p. - Lillian Norton, treasurer - Patricia Concato, corresponding secretary - Dolores Dill, recording secretary - Virginia Racanelli and honorary vice president, principal Nicholas Pettit. A door prize was given that evening — and the lucky winner of two tickets to Shea Stadium was a Mr. Galigan.

LATER ON that evening, I traveled to the Jr. High to view the "Group" production of "Plaza Suite"...you've met the players via this column, all I need add is that they were great and I hope you saw the show...the scenery, in particular, was outstanding. Also met that evening Bob Lefebvre's (Director of "The Group") and now English teacher at Belleville Senior High) mother, Mrs. Anna Lefebvre of Linden with her sisters, Mrs. Evelyn Seibert and Mrs. Eleanor Zeich. Hello, again ladies — you're all most charming. Ushers and usherettes that evening were Sue Mocaffski, Debbie Caputo, Jean Ritschel, Donna Mann, Richie Baker, Peter Liloia, Lee Romano, Linda Mossbacher and Florence Purcell. For the first time, I also met Mike Lally,

vice principal at BJHS who seemed to be everywhere at once, helping one and all. Prompt for the show was health teacher Ruth Shindell...lights were operated by Robert Kosturko and Keith Dixon. We'll be looking forward to the next "Group" production...

UPCOMING DATES — March 22nd the Belleville Reformed Church will hold a fashion show with fashions by The Last Straw. Tickets are \$1.50 and of course, the public is invited....Also open to the public that evening is a card party at School Eight....April 2 is the Belleville Jr. High "Swinging Vegas" Card Party — at The Fountain....April 5 at 7:30 School Three Home and School Association will hold a card party in the School with fashions by Sherman's Children's Wear....April 29 is the Annual Loyalty Day Parade.

WESLEY METHODIST CHURCH members with birthdays or anniversaries include: 9th - The Robert Hodgsons, 10th - Roger Lentz, 11th - Walter Ziel, David J. Meitz, 12th - Mrs. Irene Decker, 13th - Dr. Frank Durkee, 17th - Paul Munro, 18th John Atherton, Anthony Grinnelli, 20th - Daniel Carter 21st and - Aimee Lyn Smith, Rita Karen Robertson, Sandra Buck, the Arthur Nichols and Darren Rounds.

IT'S A GIRL...congratulations to my nephew and his wife, Frank and Carol Durkin of Nutley on the arrival of their second daughter, Carey Ann at CMMH...she's sure to be as charming as their other daughter, Stacey.

GALS, HAVE I GOT a bargain for you...listen closely and be sure to read my "Business Spotlight" this week - it's just what you've been looking for - Richard's Clothes Line - a whopping discount on clothes brought directly from New York and a small intimate salon to take your time in trying on. What's so different about the Clothes Line is the personal service you get - no rushing about looking for a sales person...if you're like me, little time and hating to shop due to busy sales people...do visit Richard's Clothes Line.

CONNIE FRANCIS WE FOUND YOU...about a month ago the Belleville Senior Citizens were looking for Connie Francis to invite her to their Valentine Party....I received a phone call from a nice lady at the Essex County Geriatrics Center who told me Miss Francis and her

mother stopped by to visit a relative...the staff was thrilled, saying she is a "real doll — sweet and pretty"...natch, they all asked for autographs.

NEWS FLASH from the Belleville Chamber of Commerce tells me that the Easter Bunny is coming back to town through the cooperation of the Woman's Club of Belleville E.M.D. (Evening Membership Department). Headquarters will be in a trailer on the parking lot next to Town Hall and pictures will be taken, with proceeds going to charity. Larry Colalillo and Joseph Guerino are co-chairmen...only thing they didn't tell me was the date...watch this paper.

THE MATURE SINGLES club of Nutley has planned a bus trip to Lakewood on Sunday April 21st. The trip includes lunch, sight-seeing, dinner and entertainment at \$15 per person. Sounds like fun. Everyone is welcome. For information and reservations, please phone Bernice Conlon at 661-2725.

I LIKE THAT...each morning on my way to work I usually see Dave Robbins of The Boston Store putting out the United States flag...gives me a little thrill.

WEARIN' O' THE GREEN...John Iannuzzi of Flowerama decorated his windows quite nicely with St. Patrick's Day the motif....welcome aboard, John.

FEWSMITH MEMORIAL news....Florence Fitton, Church Secretary is recuperating at home...get well wishes are in order for Mrs. Robert Jackson, Edward Cypoliski, Leland Moore, Mrs. Marcia Guerin, Mrs. Billie Pizapio, Mrs. Bess Horman and Margie Hill. The Lenten Breakfasts held each Wednesday at 6:50 a.m. are quite well attended and, surprisingly by a lot of teens.

BELLEVILLE HISTORICAL SOCIETY has made some new resolutions. They will have a pamphlet published: "A Historical Tour of Belleville" so that individuals might browse around our interesting sites, referring to the booklet; historical places of interest will be noted by markers and four oldest Churches in town will be honored on June 2nd. Also, a bumper sticker "Booster - Historical Sites" will be sold at \$1 to help the Society defray costs of publishing the book and having the signs made. Contact Mr. Hickey at

the Library for information - 759-9200.

THE O.P.E. of School Seven held their annual card party at The Fountain and what a night it was, with over 500 in attendance! I chatted with Arlene Panullo - lovely lady publisher of "The Telegram" and her husband, Joseph - owner of The Fountain. Theme for the Card Party was "Around the World" and the decorations suitably matched with posters and flowers. The flowers were tagged with the name of the country they represented and I understand chairlady Pat Cardillo made 350 of them!

Let's see who was there...first, my thanks to car jockey Nick Candura - those men do an outstanding job of parking hundreds of cars....Nick just happened to park mine...Saw Rose Marie Sylvestro, Mrs. Viola Spray (looked lovely in all white), Vi Narucki, Lucille Gasiewicz, Larry Schwartz, John Iannuzzi and Mildred Benaquista. Linda Quodomine was the hatcheck girl; behind the bar were Bob and Louis Mondo and Tony Bates.

The Budget and Fund Raising Committee, under the direction of Mrs. Pat Cardillo, responsible for the affair included: Mrs. Betty Digori, Mrs. Rosemary Carnevale, Mrs. Janet Moraski, Mrs. Paula Torre, Mrs. Diane Lombardi, Mrs. Rosemarie Buccino, Mrs. Marie Haight, Mrs. Alba Clemente, Mrs. Annamarie Sozenzo and Mrs. Mary Ann Tomaselli.

OTHERS ACTIVE on the committee included principal Joseph Grosch, Mrs. Carol Butterfield, Mr. and Mrs. Michael Coffin and Gary Carnevale - one of the Imperial Five - on the piano.

Models were: Mrs. Lorraine Bogle, Mrs. Elaine Tornatore, Mrs. Mary Eder, Mrs. Angela Immediato, Mrs. Madeline Fratella, Mrs. Millie Zecca, Mrs. Gail Nevins, Miss B. Convery and Louis DeLia. Assistants: Mrs. Cecilia Fabrizio, Mrs. Rose Bongo, Mrs. Marilyn Pettit, Mrs. Doris Heimrich, Mrs. Nancy Yaniga, Mrs. Cory Filardo, Mrs. Marie Caruso and Mrs. Lorry Tindall. In addition to those already mentioned, the Sweepstakes committee included Mrs. Irene Netti, Mrs. Marie Clarizio, Mrs. Beverly Parran, Mrs. Kathy Nash, Mrs. Jeanne Marino, Mrs. Mildred Romeo, Mrs. Pat Silletti, Mrs. Judy Domenick, Mrs. Flo Labenski, Mrs. Carol Rossi

and Mrs. Joan Schmitt.

From Janette Nutley Center was narrator Nick Mazzolla with Mrs. Linda Fagioli and Mrs. Phyllis Litterio.

WHOOPI! almost forgot some important VIP's... (in writing captions for all the pix I took, I forgot all pix might not appear)...Commissioner Mary V. Senatore was smart in a green pants suit, Commissioner Mike Marotti, Board of Ed Members, Caesar Romano, Matt Pica and James Risoli, John Iannuzzi, and Mrs. Rocky Saletta were some more people seen having a good time.

POLICEMEN HAVE A BALL...PBA, Local 28 held their annual dinner dance at The Branch Brook Manor last Saturday. Over 350 attended, (see pix this issue) let's see who was there: John and Rose Marie Scott, Mrs. Viola Spray (this time in a smart floral gown), Commissioner Mary V. Senatore (this time, she was all in white) with her daughter and son-in-law, Rosemary and Joe Ciccone, Caesar and Barbara Romano (she was stunning in a red and white dress), Nick Amato, Commissioner Mike Marotti, Vin and Mrs. Strumolo (first time I met his wife, isn't she charming?), James Risoli, Essex County Freholder Joe Iannuzzi and Carol Zinno, Mr. and Mrs. Gene Muscara, Mr. and Mrs. John Iannuzzi, Mr. and Mrs. Vic Fazzari, Mr. and Mrs. Robert Gaccione, Rev. Benedetto Pascale.

I put my foot in my mouth when I didn't recognize Congressman and Mrs. Joe Minish (now you see why I'm only a part-time reporter). Ann and Hank Olivieri, Wilma and Robert Williams and Mr. and Mrs. Angelo Venezia were at one table, found Irene and Bob Decker at another table, and Commissioner and Mrs. Robert Laterza were there, too. Dan Meccia, past Exalted Ruler of B.P.O.E. 1123 was there and he tells me that he and his wife are the new owners of "Meccia's Towne House" - formerly Peg and Ben's Restaurant in Nutley - good luck. Also met Det. Thomas Ricci and a few hundred other boys in blue - who weren't in blue that evening. The Misty Five provided excellent entertainment. The men are: Artie LaPara, Vito Nole, Weddy Tramutola, Don Mobile and Jerry DelGuercio. Smashing evening — everyone had fun!

Sparkling Personality

Watchful Mrs. Gamba Protects Your Kids

What started to be a part-time temporary job, has turned out to be a career, twelve years later, for school crossing guard Mrs. Irene Gamba.

Born and raised in Newark, she graduated from St. Augustine School and then St. Cecelia's in Kearny. She was employed by Prudential for eleven years, during which she met her husband and they had two children, Robert an NCE graduate, now a civil engineer and Mariann, a secretary at Wallace & Town.

The Gambaz's moved to Belleville in 1955, both children graduated from Belleville High School. In 1962, Irene decided to try her luck as a school crossing guard, since it would only take a few hours of her day. You've probably seen Mrs. Gamba at street crossings around town, as her post changed from the Silver Lake section to DeWitt and Joralemon and presently she will be found at the corner of Washington and William. Irene is one of 22 women and 12 men crossing guards, under the direction of Policeman Irv Holley. Their duty is to see that children get to school safely, and the school crossing guards are also not deterred by snow, rain, nor dark of night - they are ALWAYS on the job.

tension of being a mother, children need shoes tied, coats buttoned, lose their lunch money and, complain about homework. She says: "getting to know the children and have them depend on me" is the best part of her job. Frequently, young mothers and fathers come up to Irene Gamba and introduce their children to her, saying: "Mrs. Gamba used to cross ME when I was your age".

It's not just being friendly with children, the job of a school crossing guard calls for having a quick presence of mind and devotion to detail, especially on busy streets

when people are hurrying to work and 30/40 children are playing on their way to school. Inclement weather doesn't help, either, as crossing guards have to man their post without an opportunity to walk around and get warm. Belleville parents can feel secure when sending their youngsters off to school.

Irene's husband, Vincent Gamba, is employed by Westinghouse; her mother is Mary Shannon. Irene Gamba loves her job, she also feels a deep sense of devotion as wife and mother and has been active in PTA and St. Peter's Church.

TOWN TOURIST — Mrs. Irene Gamba has seen a lot of Belleville from various corners as a school crossing guard.

Easter Bunny to Meet Belleville Youngsters

Once again the Easter Bunny will be in his trailer headquarters in the municipal parking lot near Town Hall where the Womans Club of Belleville E.M.D. will take photos of youngsters with the Bunny beginning Friday, April 5 and continuing until Saturday, April 13.

Proceeds from this operation will go in to the Womans Club Charity Fund and will be, as last year, used to help

some Belleville youngsters in need of prolonged medical care.

The trailer is provided by Designed Leasing Facilities of Elizabeth.

The Chamber of Commerce extended thanks to the Department of Parks and Public Property and the Department of Public Safety both of which will render assistance in jacking up and installing electrical connections for the trailer.

Seniors to Travel To Pocono Spot

Robin Bressman

The class of '74 will soon be saying good-bye to Belleville High School, some with relief of finally leaving, others with a few tears in their eyes. However, the majority of seniors will be elated beyond words, and soon they will begin the start of all the activities that are so anxiously awaited by most.

The senior trip is the second activity of the year that the seniors will be able to call their own, the first being the Senior Dinner-Dance which was held at the Fountain last December.

This year, as did the seniors of last year, the class of '74 will enjoy a two day stay at Fernwood, in the Poconos, on May 9, and 10. The price of the trip is \$40, but those students who helped with the poster campaign will get a certain amount deducted from the cost, depending upon the amount of sales made.

There must be 100 students going to have the trip, but it is approximated that 250 will attend.

The \$40 will cover a luncheon on Thursday, 12 noon, which will consist of a complete Chicken-in-the-Basket, soda, and dessert. Then, at 5:30, a dinner consisting of sliced sirloin, fresh fruit cup, salad, two vegetables, soda and dessert, will be served. Then, to top the evening off, a dance will take place from 8 to 11 P.M., with a rock band (On the guarantee of 100 students). Free soda will be served all through the evening.

On Friday breakfast will be served at 8 a.m. with juice, scrambled eggs, bacon, toast, beverage.

Before departure, a luncheon will be held, where meat loaf, macaroni and cheese, soda and dessert will be served.

All facilities such as an indoor pool, health sauna baths, ping-pong, volleyball, baseball, etc., will be available, but there are nominal charges for the various sports.

It is sure to prove exciting and the more people to sign up, the better it will be.

Chorus Will Sing In D.C. Cathedral

by Rocco Westpy

From March 30 to 31, the Belleville High School Concert Choir will travel to Washington, D.C. to sing at the Washington National Cathedral. This cathedral, still under construction, will be one of the largest in the world when completed. The Choir will sing as a prelude to the 11 a.m. service on Sunday, March 31.

The chorus will leave Belleville at 6:00 A.M. Saturday morning. Approximately 1:30 a.m. they will arrive at Marymount College in Arlington, Virginia, their overnight lodging. After lunch, they will go to the cathedral and rehearse for an hour.

At 3 p.m. they will embark on a three-hour tour of the capitol, the monuments and the Smithsonian Museum. After their return to Marymount College for dinner, the evening will be capped by using the indoor pool from 8 to 10 p.m.

After an early breakfast on Sunday, the group will return to the cathedral for a brief rehearsal and warmup, followed by their half-hour performance.

After lunch at Marymount College, the chorus will have free time until 2:45, when they depart for the Martin Luther King Library for their second scheduled performance of the trip. Following the performance, the busses will return directly to Belleville, arriving approximately 10:30 p.m.

For this trip, the choir under Mr. Finetti's direction will employ a program of a sacred nature for the cathedral performance, since it will occur deep into the Lenten season. The selections include the "Kyrie" from Schubert's "Mass in G", with Robert Di Stasi (the seventh grade student who played the title role in "Amahl and the Night Visitors") as soprano soloist. Other works to be presented are "Ave Verum Corpus" by Mozart and "Cantate Domino" by Pionti, to name a few. In addition to the regular program, the group will perform the rock cantata "The Creation" at the Library concert. This work is 15 minutes long, and is very popular among the students. It is based on the book of Genesis and written in the rock idiom, with piano, guitar, bass, and drum accompaniment.

The Washington trip was financed by the proceeds from the Christmas and Winter Concerts, Mr. Finetti's production of "Amahl and the Night Visitors", and a gift of \$400 from the Music Parents Association.

The chaperones for the trip are a combination of Belleville High School faculty members and parents of students in the music program.

Put your car on a salt-free diet!

Nothing damages your car like accumulated road salt. Salt pits the paint and the chrome. Salt dulls the painted surfaces and ruins the vinyl top. And salt takes years off the life of your car and dollars off the trade-in value.

MENTAL HEALTH MATTERS

Bertram S. Brown, M.D., Director
National Institute of Mental Health

Energy Crisis
The energy crisis is likely to cause major changes in the American way of life and add stresses that will affect the mental health of millions. Our total environment and all the conditions under which we live — including economic, social, and personal factors — have definite bearing upon the state of our mental as well as physical health. Research has shown that mental health in the United States, as statistically measured by mental hospital admissions, improves or deteriorates according to the state of the economy. In New York, for example, number of admissions to mental institutions rises in a predictable fashion with the unemployment rate. Dr. M. Harvey Brenner of the Johns Hopkins University School of Hygiene and Mental Health has studied the Nation's economic health and mental hospital admissions from 1922 to 1972. "When the economy is up, admission to mental hospitals are down," he said. "When the economy is down, admissions to mental hospitals soar." Will the American people experience the energy crisis as something like wartime emergency privations, or as the hardships of an economic recession — whether or not there actually is one? The U.S. Department of Health, Education, and Welfare issued a statement predicting effects of the energy shortage on health. It included this comment: "Experts are of the opinion that behavior of the American public during the present energy crisis will follow the model of economic recession rather than wartime emergency privations." Each spring is the most beautiful of all.

Loyalty Day Parade Plans In The Works

Springtime Is Spraytime For Trees; Shrubs

Trees and shrubs should be sprayed in spring to prevent disease that may not show up until midsummer. The warm weather and rain that start plants growing in spring also start a new cycle of fungus diseases that have been dormant during winter, explains William F. Munk, senior county agricultural agent of Essex County. Most leaf spot or leaf blight diseases on ornamental trees and shrubs start to attack the Black Interest Program On Public Broadcasting The second in a new series of programs geared towards New Jersey's black community will be televised March 26 at 8 p.m. and March 29 at 8:30 p.m. on Channel 50.

Tri-Towners Hear Priest, Enjoy Dancing

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley, N.J. Inc. were the hostess club for the District 3 meeting of the N.J. Federation of Business and Professional Women's Club on March 16th at the Holiday Inn, East Orange. Those attending were privileged to hear Father James A. Pindar of Seton Hall University Faculty. Father Pindar was ordained a priest in 1954 and has held such positions as Asst. Pastor of St. Mary's, Bayonne and St. Brigid's, North Bergen. Director WSOUFM, Priest's Personnel Board-Archdiocese of Newark. He is at present also on the Editorial Board of "The Advocate" and Director Radio/TV Office-Archdiocese of Newark. Tri-Town BPW held its regular monthly dinner meeting on February 28, at Park Methodist Church, Bloomfield at which time members and guests were entertained by The Mary Stewart School of Highland Dancing, Kearny. Mrs. Stewart is a member of the British Dance Teacher's Association, an Official Board Judge and a U.S.H.D.A. Representative. The dancers were the Misses Margaret Morrison, Alexis Hislop, Joanmarie Hemphill and the Misses Ann Marie, Linda and Kathleen Woods, all of Kearny; Miss Felicia McAngus of Cedar Grove and James Graham of Belleville. Mrs. Morrison of Kearny, described the dances among which were Scottish National Dances, The Sailor's Hornpipe, Barracks Johnnie, Irish Dances and the Scottish Version of the Irish Jig. It was a delightful program and these young people are to be greatly

for Business Banking expertise.*

*expertise (def.): Personalized approach with maximum accomplishment.

Just as First National State—together with other segments of the financial community—was able to help the State of New Jersey finance the \$302,000,000 Sports Complex, despite the boycott by the New York banks, so First National State is able to help you and your business.

The nine member banks of First National State Bancorporation have much to offer business. We are New Jersey's largest multi-bank holding company, with 95 convenient offices and an unparalleled record of expertise in meeting New Jersey's business needs.

Through the innovative and imaginative Commercial Lending departments of Bancorporation's member banks, you can negotiate business loans of all types to meet your specific needs. We're as comfortable with the local corner store as we are with the largest multi-national corporations in the world.

Our International Banking Department is the leading import-

export, foreign exchange and foreign lending organization in New Jersey.

Our Corporate Trust Department can act as your stock transfer agent, registrar and dividend disbursing agent, as well as handle corporate trusts such as pensions and profit sharing plans. We are also experienced in serving as trustee, registrar, transfer agent and paying agent under bond indentures.

Your company can also share in the benefits of equipment leasing through FNSB Leasing Company...and gain substantial tax and cash flow advantages.

Our Data Processing Center can offer you computerized payroll, general ledger and account reconciliation services, among a wide range of accounting and statistical programs.

Our Cash Management services speed transactions,

save time in transit and help you obtain an accurate picture of your cash position.

Our money desk can assist you in making your excess cash work for you through investment in Treasury bills, Certificates of Deposit, Commercial Paper, Federal Agency Securities, Eurocurrency placements and other Short Term money market instruments.

We would like the opportunity to demonstrate to you that New Jersey's banks in general, and First National State in particular, can handle even the most sophisticated business banking need. There is no more need to cross a river—not even the Hudson or the Delaware.

Vinnie Misses In Title Shot At Tournament

Vinnie Mustacchio, the first sophomore in Belleville High history to claim a Regional title, was defeated Tuesday in the preliminaries of the state tournament's 101-lb. competition.

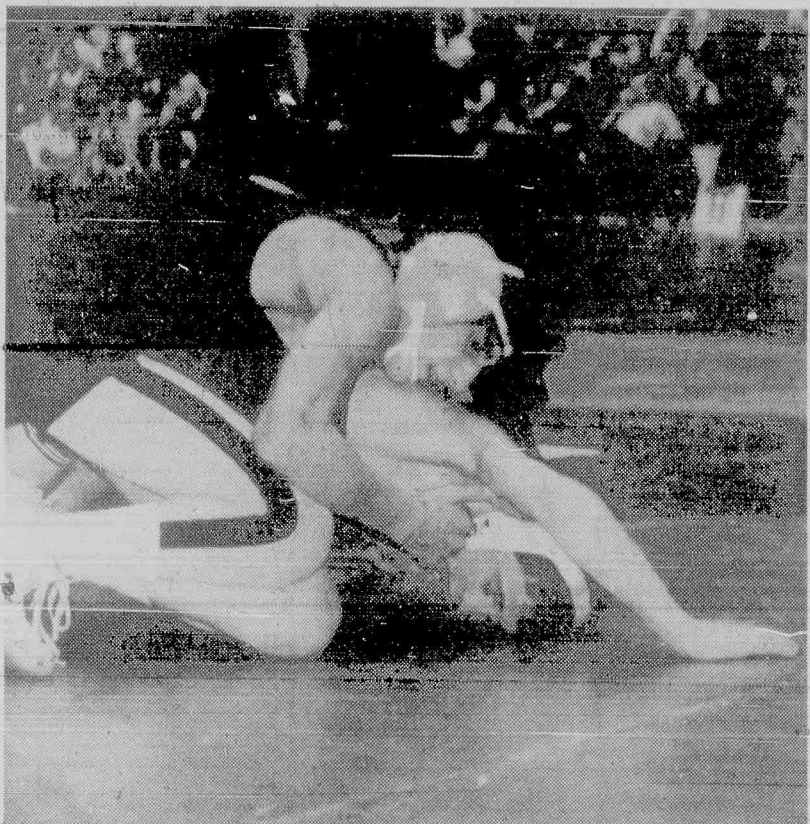

Mustacchio lost, 11-2, to Hunterdon Central freshman John Mulligan, who himself was later beaten out for the title. "Vinnie started out very good," reported head coach Jim Silvestri. "He took Mulligan down, but then was reversed, and at the end of the first period, the score was 2-2. In the second period he was reversed again, and he never really picked up again. He didn't ride well for most of the match."

Still, said Silvestri, "Winning the Regionals was a great accomplishment for his first year on the high school level. I thought he'd have a good season, but I never really knew he'd go as far as he did in the first year. Vinnie's a hard, conscientious worker, and his ambition is to win the state tournament. He knows he's got to work, but he's got a couple of years left."

Mustacchio compiled an 11-2 record for the season, including the loss to Mulligan, who may again be his competition next year if both wrestlers remain in the same weight class.

Mustacchio's brother John is a Regional champion from 1971.

In the Regional tournament held at Paterson-Kennedy High School, Vinnie decided Antonio Guzman of Essex Catholic to win the title.

Haneke's Track Team Tryouts Attract Largest Crowd to Date

The Belleville High track team is two weeks away from its April opener against Passaic. In the mean time, the cindermen are preparing for what may be the most promising spring season in quite awhile.

The track team, coached by Ray Haneke, has one of the largest turnouts for this spring sport. Over 50 candidates report daily to practice for the opener. Many of the runners are returning from last year's team as the team was only lightly hurt by graduation.

Gone are John Fagioli, Mike Greenfeder, and Bob Loungo from the weight team as the field events are perhaps the hardest hit by June graduation. However the gymnasium hope to counter with Tom Sanders, Paul Havrick and Jim Lanno in a hope to

bolster the weight corps. The weights, incidentally will be coached by first year man Jon Semcer.

A good part of this year's team will be comprised of players from the cross country team, who finished with an encouraging 9-5 record. These runners, all of them going out for the distance events, will be paced by seniors Bill Goodwin, and Steve Budrick. Also expected to contribute heavily to the team will be Mike Fortino and the three "super sophs" of the fall, Jim Beck, Nelson Seda, and Doug Wamsley.

In the hurdles, Bob Sanders and Ken Drake will again lead Belleville's chances in this event. They will however, have to compete in a new event that according to

Haneke will be one of the better additions to track. The race, the 33 yards intermediate, will be the new challenge to the hurdles. "The 150 low hurdles were becoming a sprint race," the coach has said. "This will add spice to the hurdles race."

The pole vault event will be spearheaded by senior John Dougherty who has done very well in the opening weeks of practice. Also showing much promise are new comers to the sport, Barry Dunleavy and Frank Frederick, two who can turn into good, consistent vaulters. These three can lead the Bellboys to their best season in the vaults, something that they have not fared too well in the past.

In the 440 run, one of the most gruelling sprint races,

the team will be paced by Bob Cozzarelli, Wayne Kellenbence, and Ralph Castellano. These three returnees from last year's team will hopefully bring home those vital points.

Competing in the 100 and 220 yard dashes, will be four runners who are competing for three starting spots. They are Gregory Funch, Bob Cohen, and gridders Al Cervasio and Gerald Hickey. It is from this group that Coach Haneke will hope to improve on Belleville's chances in the sprints.

It is a very optimistic group that prepares for its opener against Passaic. All things considered, this will probably be one of the most exciting springs in a long time in Belleville.

Rebuilding Needed By Diamond Squad

by Pat Caputo

Charlie Travers, coach of the Belleville varsity baseball squad, has a difficult chore ahead of him.

He must rebuild a team that has lost to graduation seven starters and two valuable reserves. The ace of last year's pitching staff, Rich Centanni, is gone. Also lost are starting outfielders Ronnie Borgo and Joe Ross,

along with reserve Rich Cuparo. The infield loses Alan Frank at third base, Mark Cervasio at second base, Frank Papasidero at first base, and utility infielder Rich Giordano. Durable catcher Phil Cuzzi is also gone.

When the season opens during the first week in April, Coach Travers will have to build his team around his seven returning lettermen, especially the two returning starters. Senior Vin Lipoma is back at shortstop again and senior Joe Cancelliere, last year's right fielder may return at third base this year, which is a position Joe had played earlier in his career. Catcher Joe Arminio, a senior, is a returning letterman. The other returnees are senior hurlers Joe Cerza, Dennis Nadzan, Jerry Hoban, and junior Steve Senatore. Cerza saw some action at first base, too, last year and led the team in home runs although he normally didn't start until the end of last year's campaign.

Practice for the team, originally scheduled for March 1, was delayed until the fourth due to inclement weather. Of the 30-plus boys who tried out for the squad, Travers plans on keeping fifteen. He does not enjoy making the cuts, but the mentor points out that it is essential to find his team as soon as possible and work with them in order to prepare for the regular season. Travers is well aware of the situation on hand. He has referred to his boys as "talented but inexperienced." In order to try and gain that experience he has arranged to numerous scrimmages. At the end of last

week and the squad had completed three scrimmages in three days, with more planned for the forthcoming week. Travers, commenting on his squad after Saturday said "they boys are making definite progress."

Competition for this year's Bellboys will continue to be the strong Big Ten Conference. Last year Belleville finished second, one-half game behind Kearny and one-half game in front of Bloomfield. Kearny was ranked number two in the state last year and Bloomfield number four. Belleville was not ranked.

Other tough competition for Bellboys will be the Greater Newark Tournament, which boasted its winner as number one in the state, Valley, who beat Belleville in the semi-final round 1-0. Final cuts will be established probably by the end of next week. A brief sketch of all the boys who make the team will be featured in next week's edition, along with the official schedule for the 1974 Belleville baseball season.

Tough Breaks in Close Games Kept Final Cage Mark at 4-16

Now that the 1973-74 Belleville varsity basketball season has gone by the boards, this is the time that the followers of the season usually sit down and discuss the events of the previous months.

Things looked very bright as the season began. There was reason for this positive outlook as the team had seven returning lettermen to form the nucleus of this team's cager squad. There was also a new head coach as one-time Belleville and St. Joseph's (W.N.Y.) assistant took the reins. Dan Grasso, who had served his internship under notable instructors, such as present head coach of Fairleigh Dickinson University Al LoBalbo, carried into the season a strict commitment to playing defense.

"Defense will be an intricate part of our game," Grasso had said at the beginning of the season. "We'll work very hard on it this year."

Grasso's defensive philosophy turned many people into believers as Belleville won its first two games of the year. In convincing style they knocked off the Alumni 75-55. In that game, there emerged an individual who would attract a lot of attention. Abdel Anderson scored 33 points that night.

The season improved to 2-0 as Belleville fought from

Rowers Prepare For Uphill Battle

Pre-season practices are extra-intense at the Belleville High crew boathouse on the Passaic River these recent weeks, as an inexperienced group of rowers prime themselves for a tough slate of competition.

Head Coach Sam Giuffrida, now entering his fourth year at the helm, reports "this is the greenest team we've had yet, but the boys have got a tremendous attitude. They're really gun-ho, and I'm proud of them all already. Even the sophomores know they have a chance at the varsity boat, and there's a surprising number of good sophomores putting on quite a show."

The sophs have good reason to be optimistic—this year only three lettermen will return to be varsity squad, and two of them aren't in the best of health.

Besides senior Joe Vazquez, co-captains Craig Davis

and Brian Bedford are scheduled to return this spring. Bedford, though, is still battling the tail-end of a bout with mononucleosis, and Davis is still plagued by the same back injury that hindered his last crew season and virtually sabotaged his wrestling fortunes this past winter.

"I haven't been able to work with either of them until this week," said Giuffrida, "and we'll have to take it easy with both of them. But they've been to every practice so far, helping out and working with the younger boys."

Already, the coach has resigned himself to fielding a considerably smaller boat than in previous years, and is developing a strategy to counteract the disadvantage. "There's no really big, heavy kids, so instead of overpowering our opponents, we're going to outcondition them. The boys know they'll have to

work extra hard and extra long this year, and it's starting to pay off already.

"The team knows it's an uphill battle, and they'll need to gain some confidence because we are exceptionally green. Definitely some sophomores will be coming up, and especially with the unstable condition of Bedford and Davis, we're really working on some of the bigger sophomores. If we're fortunate and the two captains are all right, we'll be able to drop these fellows right into the jayvee boat."

Last year, a crew laden with long-time veterans compiled an 11-1-1 record, though they lost the Goodwill Regatta to Nutley. Giuffrida this spring will pick from a crop of about 60 candidates, including one girl trying out for coxswain.

No changes in last year's (continued on Page 12)

3 Seniors Sparked Bellgirls' 11-2 Record

Completing another successful season, the '73-74 girls basketball team compiled impressive statistics as they posted an 11-2 regular season record, and a 12-4 record with tournament play. The losses suffered by the Belleville team indicated the high caliber of play because never were they outclassed, losing only by the slimmest of margins.

Against a good Lyndhurst team whose record was 15-1, the girls registered an impressive win and were the only team to defeat the Bears until Lyndhurst lost in the final round of the North State

Tournament. For the three years of interscholastic competition, the Bellgirls have won over 80 percent of their games against good competitors.

Under the guidance of Coach Karen Fuccello, the Blue and Gold employed a tenacious zone defense which allowed their opponents an average of only 34 points per game, while only committing 10 fouls per game. Although the Belleville team was always at a height disadvantage, the Bellgirls boxed out well enough to hold an edge in rebounds, outrebounding their opponents 706 to 614.

Individually, in this aspect of the game, senior forward Susan Paul was outstanding as she came up with 186 rebounds for the season. Sue started varsity this year, and never relinquished her position. Her part in team play was essential as she was always reliable and got the job done well. Sue averaged five points a game, and she also set the individual rebounding record for one game by taking 22 missed shots in a game against Lyndhurst.

Co-captain Joyce Buckland, in her second year of varsity competition, emerged as this year's high scorer as she accumulated 242 points setting a record for most points scored in a single season. Joyce averaged 11 points a game and had 10 rebounds per game. Her most impressive statistics were during the three tournament games played this season when she hit for 59 points and pulled down 50 rebounds. Joyce's greatest asset to the team was her unbelievable ability to perform at an effort of 100.

Co-captain and guard Donna Foley has been a varsity starter for all three years of her high school career in basketball and has led the Bellgirls, in scoring for two of her three years. Her ability to score has helped the Bellgirls to remain successful as she accumulated a total of 562 points. Her leadership during the pressing full court press proved invaluable. Donna averaged 11 points this year and averaged 5.5 assists per game. She holds the record (continued on Page 12)

Wrestling Finish Ends MatMaid's Season Too

With the close of the wrestling season, it isn't only the boys who have had to find ways to occupy their after-school hours. And it isn't only the boys who will be awarded varsity letters for their efforts through the past winter.

The Mat Maids, Belleville High's unique crew of feminine wrestling managers, have closed up shop after their third season of timing and scoring matches, doing odd jobs around the gym and generally providing encouragement for the local gladiators.

The dedicated band of girls form an official school club advised by physical education teacher Mrs. Grace Worley, who helped them get on their feet three years ago when the membership was only two girls. Now there are at least 10, with as many as 15 girls working a match at once. And they find plenty to do. "The girls started by working on the scorebook at the junior varsity match, then they moved to the varsity table," said Mrs. Worley. "They work the clocks, both for riding time and the scorebook and keep the book. They also tape and wash the mats, and cut oranges for the wrestlers."

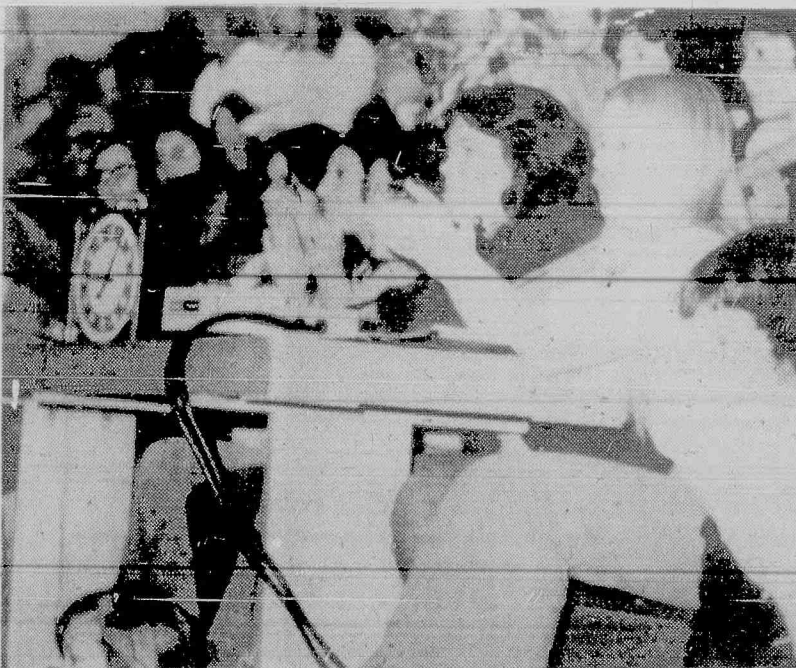

They've been an excellent help to me," commented head coach Jim Silvestri. "I can't commend them too much. I used to have trouble finding people to do this work. There was no consistency with the assignments. But the girls came on and have done a great job since then."

"The girls are mainly interested in keeping the stats and doing odd jobs," Mrs. Worley said. "This frees the boy managers to do more work in the wrestling room with the wrestlers."

Last year, Donna Rainone became the first girl to win a varsity letter for managing a boys wrestling team. "Just like on the team, the girls have to work a certain percentage of the matches in order to get a letter, and we try to give everybody an equal chance," said Mrs. Worley. All the girls wear jackets and T-shirts (bought by themselves) marked with their title.

Though the girls are hard workers, they harbor a great enthusiasm for the home team fortunes, and they're far better educated in the sport than the average wrestling fan. "Sometimes they get too interested in the match itself," said Mrs. Worley. "They know takedowns, reversals and all the moves because they have to in order to work the boards. They're supposed to be non-partisan, but it's hard for them just to be spectators sometimes."

Officers of the Mat Maids include Karen Pica, president, Donna Pessini, vice president, Adele Tusariello, treasurer and Barbara Mulcahey, secretary. Among the other members are Colette La Placa, Diane Gian-santi, Ann Spera, Janice Gatti, Gerri Dooley, Eileen Reilly, Gardenia Lijo, Donna Berrigan, Jeanne Reiman and Maryann Bucchino.

MANAGER-BOOSTERS — The Mat Mates are shown above as they closely follow a match, watching for points scored and riding time. The club enjoyed its largest membership this year.

Savings & Loan Sets Baseball Competition

Robert M. Williams, president of DeWitt Savings & Loan, announced that the Association will sponsor an Annie Oakley Baseball Contest starting Monday, March 25, and ending Friday, April 12. Twenty-four lucky contestants will win two free tickets each to the Mets-Pirates game on Sunday, April 21. Williams said that the tickets will include free round-trip bus transportation to and from Shea Stadium and DeWitt's parking lot. The bus will leave at 12 noon.

All winners will be contacted by mail and asked to pick up their tickets at the Association. Williams said that all are eligible to participate in the contest, fan and non-fan alike, young or old, male or female. Contest forms can be filled in at the Association. Any DeWitt teller can provide further information. DeWitt's office is located at 463 Washington Avenue, Belleville, and is open daily from 9 am to 4 pm, and Monday evenings from 6:30 to 8.

making key defensive plays, it resulted in a 69-62 Belleville win.

Following the win were three more losses as the big win failed to fire up the squad. But then Columbia came to town, and Belleville greeted them with a 72-60 thrashing. The game belonged to Abdel as he established a home court scoring record with 38 points on 18 for 21 field goal shooting.

In the following game against Orange, Abdel scored a total of 43 points while grabbing 19 rebounds. He outclassed every other player on the court that afternoon. In two games he had scored 81 points, and people were beginning to talk about the 6-

6 junior from Belleville.

Four games remained in the scheduled season. It ended at 4-16 but now the state tournament remained. In a first round game at Battin High School in Elizabeth, Belleville nipped Jefferson 45-44 in a highly exciting game. Then came a second round game against Linden. Despite giving Linden one of their best efforts, the Group IV favorites outscored Belleville 71-49, as Belleville cashed in its chips on the 1973-74 season.

So the Bellboys ended up at 5-17 and many people were beginning to write off the year as a typical Belleville season. That is hardly the case. It is true the team suffered its share of losses, but every

game was exciting, as the Bellboys were rarely out of a ballgame.

One avid fan wrote a letter to Mr. Herman Wische, Belleville Athletic Director, expressing his views on the completed season. Wische made the letter available to the Belleville Times and excerpts of that letter certainly contained the feelings of many other people. "I have attended about every varsity basketball game in Belleville and I must say that this is one of the most exciting basketball teams that Belleville has had in awhile," wrote the fan.

"I realize that the won-loss record does not reflect this, but I also realize the team has also lost many of its games by one or two points.

229 points scored this year, or 11 per game. Next was Gary Tufo with a 6.8 average. The other leading senior was Harry Baumgartner with 5.3. Sophomore Joe Dunn with 3.2 was next followed by a 2.9 and 2.5 scoring average respectively by Bob DiQuattro and Bob Sanders.

There will be seven graduating seniors from this year's team and they all helped shape the basketball program. Gone will be: Tom Della Torre, Lauman, Goon, Bob DiQuattro, Bob Sanders, Harry Baumgartner, Gary Tufo, and Anthony Cotugno.

"They were certainly appreciated," Grasso said obviously knowing the value of a hard working team.

schedule are expected, and the first school on the slate, Blessed Sacrament of New Rochelle, is expected to show up here March 30 for the first race. The date is tentative. Last year, the veteran Bellboys overwhelmed a green Sacrament squad by a 22-second margin. "This year the situation will be exactly reversed, since they'll have the experience," noted Giuffrida.

Meanwhile, the crew is putting in 12 to 15 miles on the water each day, with as much as 20 on Saturdays. "The boys know they really have to work this year," said Giuffrida. "If I tell them to run four laps, they'll do five. Their spirit is great."

for the most points scored in a single game, scoring 24 points in a game during her sophomore year.

Offensively, the Bellgirls proved explosive at times and maintained a 49 point average for their sixteen games. From the foul line, the girls outshot their opponents 150-points to 57 points providing the difference in some of their close games, and averaging over 50 percent from the free throw line. Junior Linda Diana, center Carol Jackson, and Susan Paul held a percentage from the foul line of 71, 68, and 67 percentages respectively.

Beck's column

Beck's Column.

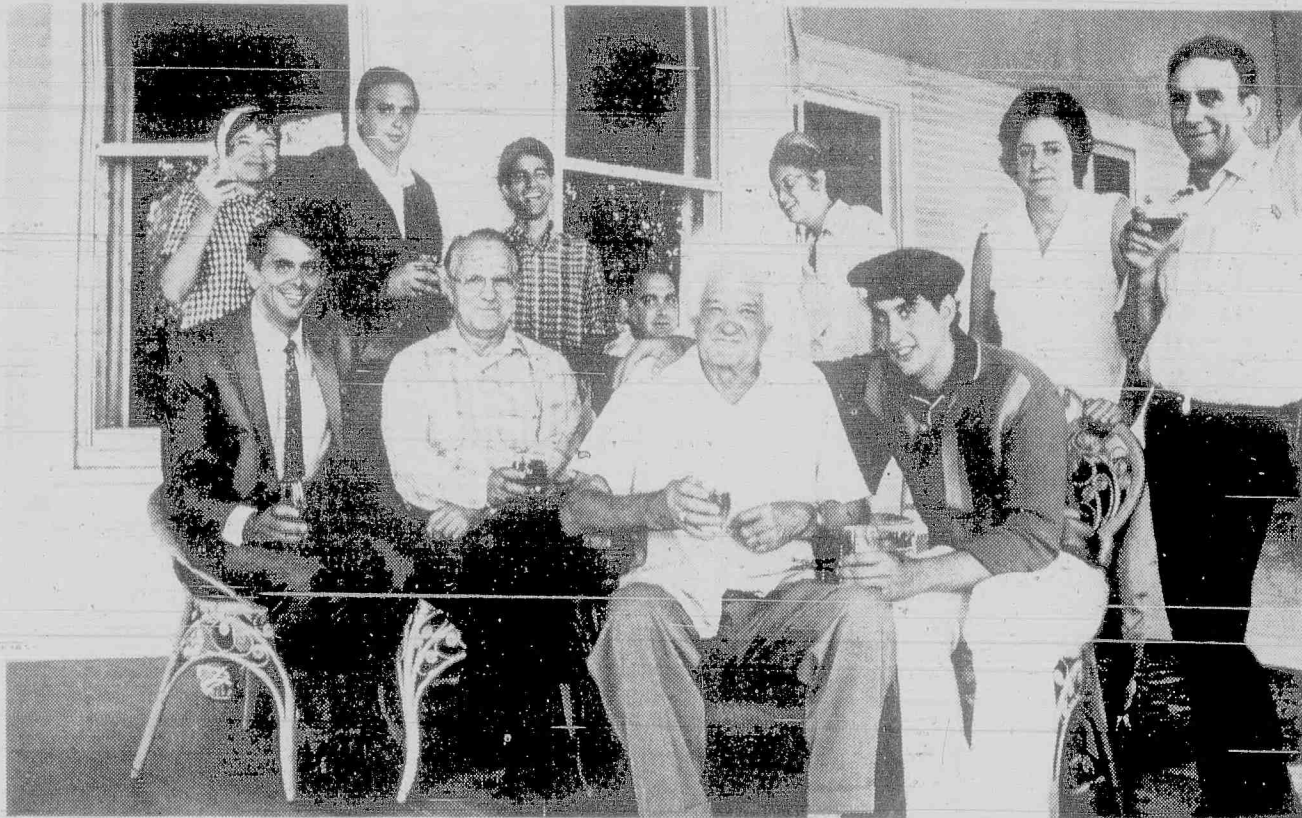

Again this year the "Farmer's Almanac," which are based on the established fact that weather goes in cycles.

According to the Almanac, we are in for some really hot and humid times this summer. They predict that there will be a bad period beginning by the end of June, going quite a while into July. Again there is supposed to be a real hot spell in August and September. We call it real "air conditioning weather." When it gets hot, people run out in a hurry to buy a unit, and they have plenty of company, everybody wanting it "right away" of course. They forget that no business can afford to keep enough mechanics on hand to install these units right away when everybody wants them. If you are in the market for an air conditioner, we strongly urge you to buy it now, before it gets hot. Probably you will save some money to boot. Everybody in the air conditioning business is confronted with the same problem. For this reason we much prefer to give an inducement on the price now instead of losing a sale later when we can not handle it because "everybody" wants it.

Don't make the mistake many people found out they made becoming a self styled "expert" when it comes to buying an air conditioner. According to the advertising it is an easy matter to choose the right unit. This is not the case, as many disappointed purchasers found out. Ask the advice of an expert. We offer to make a survey of your situation. There is no charge or obligation of any kind attached to this offer. If you follow our advice, we guarantee that it does the job. The fact of the matter is, that we refuse to sell air conditioners unless we can make a survey before. Don't hesitate to call us.

There was a Grand American who called his family together on July 4th, 1961.

He'd come from the old country with nothing but his honor, his pride, and an aptitude for hard work. Now his family included railroad men, teachers, builders, businessmen, truck drivers, scientists, clerks, paperboys and mothers, young and old. All shared his sense of honor, his sense of pride. All had his aptitude for hard work. All were good, honest Americans. Schenley was there that Fourth of July, part of the celebration. It was the best doggone whiskey they could get then. And it still is. It still has the classic smooth taste of Schenley, the unique honest flavor, the heritage of celebrated good times. And it's 100% American whiskey, the Grand American Whiskey.

Schenley

The Grand American Whiskey.

We've shared some good times together. Let's share a few more.

6 WAYS TO SAVE GASOLINE!

DeCamp Bus Lines give you the solution to your travel problems!

- Commuting!** Hop aboard, the price is right and the gas is on us. Save it for that Sunday drive or the supermarket. We're cheaper by the gallon and our schedules are just right for you.
- Shopping!** Macy's, Gimbels, Lordo's, Bloomies, Altman's, Saks, Bergies, Bonwits, Orbach's, Madison Avenue Boutiques... save your energy - take a DeCamp bus to New York to shop. Your husband will love you.
- Theatre Parties!** Your very own chartered bus... figure 49 people times the gas you'd use... and you'll really enjoy that hit show, that lunch. Remember, buses use a lot less energy than you do!
- Ski Trips!** Bromley, Killington, Mt. Snow, Powder Ridge, Sugarbush, even Jay Peak... we've got room for your party, your skis... and the bus is yours scheduled just the way you want it. Save your energy for the slopes.
- Group Outings!** That big event... the show at the Coliseum, the Alumni Meeting, the Antique Show, the Auto Show (if you'd really want to go)... wherever it is... go DeCamp... the bus is yours!
- Sports Events!** Pick your favorites... Knicks, Nets, Rangers, Islanders... the Mets, the Yanks... your college... your high school. The big varsity bus is ready to go... you can join the 49'ers (capacity, not team)... and conserve energy for your team!

Parkway Gas Stations To Open On Sundays

Vice Chairman Joseph C. Irwin of the New Jersey Highway Authority today announced that the Garden State Parkway gasoline stations will be open on Saturday nights and all day Sundays for the next three weekends, "because of the cooperation of the State Office on Energy and assurance that State Energy Administrator Richard W. DeKorte, gave to our executive director, John P. Gallagher, that we will be given additional gasoline for the remainder of March."

"We are grateful to Mr. DeKorte and the Energy Office for making the additional gasoline available," Vice Chairman Irwin said, "because the voluntary Sunday closings through the winter months of December, January and February were very difficult on the motoring public. With the good weather coming, and greater traffic on the Parkway, it is necessary that we return to a 24-hour service seven days a week."

"We will still retain a limited sales policy of a maximum of \$3 or \$2 worth of gasoline to a customer, depending on the location of the station, but because of the assistance of the State, we now are able to accomplish our objective of all service 24 hours every day of the week at least for the balance of March."

"As far as April is concerned," he added, "we are unable at this time to guarantee Sunday service for that month. We will not know what we can do in April until we determine the amount of gasoline made available by the oil companies supplying the stations on the Parkway and whether the State will be able to assist us as it has in March."

The stations have been closed from 9 p.m. Saturday to midnight Sunday in cooperation with the President's call for a voluntary Sunday closing during the energy crisis.

Instructional Councils Spread through State

A new educational movement reflects the professional interest of New Jersey teachers in curriculum and instruction. Instructional Councils are spreading throughout New Jersey.

The Instructional Council is a forum that lets both teachers and school-system representatives work together to identify classroom problems, solve them, and improve the educational program for the school children of the district, explains the NJEA review, the monthly journal of the New Jersey Education Assn.

Six years ago, no instructional councils existed in New Jersey. "In many instances," the NJEA review reports, "teachers were systematically excluded from instructional studies and decisions." Where they were consulted in the improvement of instruction, their involvement was "advisory" and "ineffective."

"Involving teachers in decisions is a basic tenet advocated in every respectable text on school administration," the NJEA REVIEW comments.

The tide turned in 1968, when the State Legislature enacted the N.J. Public Employment Relations Act, giving teacher associations the right to negotiate on the terms and conditions of employment. The act was passed at a time when many teachers were frustrated over changes being made in their schools by administrative edict without regard to the value or the validity of the

new methods, materials, or programs.

Using the 1968 law teachers began using the bargaining table to win a voice in the improvement of curriculum and instruction — the "what" and the "how" of every school's educational program.

Now the NJEA Review reports, more than one-third of the negotiated teacher-board contracts in the state provide for an Instructional Council. Under different names, the "curriculum council" or the professional study committee achieve the same goal.

The spread of the Instructional Council has not stopped. NJEA expects it to continue until just about every local school district has one.

"No profession can function effectively when its members are denied the right to make basic decisions regarding their work," the NJEA Review comments. NJEA expects the spread of the Instructional Council "to strengthen the education program through research, recommendations, implementation, and evaluation by the school administration and the teacher association to best meet the needs of students, schools, and community."

It's very easy for people to persuade themselves that they are being mistreated.

Accommodation is an unknown quality so far as some folks are concerned.

Comedy Films Set At Area Library

Three comedy films will be shown in the mid-day movie series presentation of Reel with Laughter at 11:45 a.m. and 12:45 p.m. on Thursday, April 4, in the 4th floor auditorium of the Newark Public Library, 5 Washington Street.

The film program will include "Helpmates" with Laurel and Hardy along with "Horse Feathers" and "Duck Soup" with the Marx Brothers.

Admission is free and everyone is invited.

Art Show and Sale Set By Columbian Foundation

The Ladies of the Columbian Foundation will hold an art exhibit and sale on March 23, 24 and 25 at the Mansion on the Fairleigh Dickinson University campus in Madison.

The art show and sale, called Renaissance 1974, will include exhibits of works by such internationally acclaimed artists as Richard Anuszkiewicz of Englewood, Clarence Carter of Millford, Werner Groshans of Weehawken, Jacob Landau of Roosevelt, Reginald Neal of Lebanon, Maxwell Stewart Simpson of Scotch Plains, Lynd Ward of Cresskill and the late Louis Lozowick of South Orange and Ben Shahn.

More than 100 New Jersey artists, including painters, sculptors and printmakers, will also exhibit their works, according to Miss Elvira Adorno of Union, general chairwoman of the event.

Honorary co-chairwomen are Mrs. Brendan T. Byrne, wife of the Governor, and Mrs. Joseph Muscarelle, wife of the prominent Hackensack builder and philanthropist. The purpose of the exhibit and sale is to help raise funds for the construction of a cultural center, called for the Forum, in northern New Jersey.

According to Mrs. Betty Ciangio of West Orange, president of the Ladies of the Columbian Foundation, the exhibit will foster the cultural renaissance movement now occurring around the world.

"We have excellent artistic talent in New Jersey," she said, "and the exhibit provides the perfect showcase for this talent."

In addition to the exhibit and sale, two demonstrations are scheduled. David Kwo, a well-known Chinese artist, will give a demonstration in Chinese Brush painting on March 23 at 7 p.m. in the Mansion.

Mr. Kwo, a resident of Nutley, has had many one-man exhibitions of his work in museums throughout the United States, England and Taiwan. His work is included in the permanent collections of the Art Institute of Chicago, Imperial Institute in London, Museum of Fine Arts in Boston, Commonwealth Institute in London, Museum of Oriental Art in Germany and Princeton University Art Museum.

Montclair artist Fom Vincent will give a lecture-slide presentation on "The Evolution of an Artist" on March 24 at 2 p.m. in the Mansion.

Mr. Vincent is a member of the American Watercolor Society and the United Scenic Artists of America. His work has been exhibited at the Museum of Modern Art, Corcoran Gallery, New Jersey

State Museum, Montclair Art Museum and Springfield (Mass.) Museum.

Both Mr. Kwo and Mr. Vincent are exhibiting work in Renaissance 1974. Hours for the public exhibition and sale are from 10 a.m. to 9 p.m. on March 23 and 25 and from 1 p.m. to 9 p.m. on March 24. The general public is invited to attend the exhibit and demonstrations free of charge.

Scandals" she returned to Broadway in "Mame" with great acclaim. Known for her gowns and her love of parties, opening night promises to be a glittering affair!

Other members of the cast include Coley Worth, Leonard Drum, Isabelle Farrell, Louise Kirtland, Fred Miller, Spencer Davis, Ronald Young and Barbara Heuman.

Subscriptions to "Anything Goes" and "South Pacific" with Betsy Palmer and Jerome Hines at 10 reduction will be available until March 22. Ticket prices will be raised \$1 after March 25.

Stiller and Meara will be at the Playhouse through March 24 with only a very few seats still available.

Performances for "Anything Goes" and "South Pacific" will be Tuesday, Wednesday, Thursday, Friday at 8:30; Saturday at 5 and 9:30; Sunday at 7:30; Thursday matinee at 2 except the opening weeks of both shows when there will be a special Sunday matinee at 3.

Ann Miller Headlines 'Anything Goes' Run

The glamorous Ann Miller will tap and sing in a revival of Cole Porter's hit of the 30's, "Anything Goes," opening at the Paper Mill on March 27 for six weeks.

Cole Porter's music and fitting lyrics are set against a script by Guy Bolton, P.G. Wodehouse, Howard Lindsay and Russel Crouse. (This show was Lindsay/Crouse's first collaboration.)

The musical belongs to an age of glamorous and nostalgic ocean crossings by ship, musical extravaganza with improbable plots but music to sing and tap to. Music that still lives such as "I Get a Kick Out of You," "You're the Top" and "It's Delovely, It's Delicious, It's Delovely."

IMann Miller has tapped her way through some 40 movies since she first landed a part in "New Faces of 1937." "Tap dancing is a lost art," says she. "I can't even buy the kind of taps I use — they don't make them any more."

Exactly 30 years after she was a hit in "George White's

Scandals" she returned to Broadway in "Mame" with great acclaim. Known for her gowns and her love of parties, opening night promises to be a glittering affair!

Other members of the cast include Coley Worth, Leonard Drum, Isabelle Farrell, Louise Kirtland, Fred Miller, Spencer Davis, Ronald Young and Barbara Heuman.

SIX SIMPLE STEPS FOR CARPET BEAUTY

Carpets and rugs give so much to a room—beauty, warmth and color—and all they need in return is a simple care routine to keep them looking beautiful.

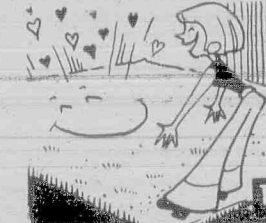

Here are six simple suggestions from the carpet-cleaning experts at Glamorene Products Corp. to keep rugs and carpets beautiful longer.

- 1) PICK UP crumbs and other surface litter as often as necessary by carpet sweeping or vacuuming.
- 2) REMOVE embedded dust and soil with a thorough once-a-week vacuuming, using long, slow strokes, forward and backward several times. Be sure your vacuum has enough power to do the job, and is in top working condition.
- 3) CLEAN carpets several times a year, to get rid of the dulling, greasy dirt that clings to fibers. Vacuuming alone cannot remove this kind of soil, but a new no-scrub rug cleaner can — Spray 'n Vac from Glamorene. It sprays on in minutes and then the foam does the work, loosening and lifting the greasy soil to the surface where it can then be vacuumed off easily, about one hour later. It's

that simple—no scrubbing, bending, sponging or machines are required.

- 4) REVERSE rugs occasionally to distribute wear more evenly. Try covering heavy traffic areas occasionally with a small area rug to protect them from constant abuse.
- 5) COPE quickly with accidental spills and spots, blotting up liquids and scraping solids off with a spoon.
- 6) RAKE shag rugs and other high-pile carpets, especially on heavy traffic areas. This lifts up the pile matted down by constant foot pressure. Use either a special shag rake or an ordinary garden rake with rounded teeth.

With this simple care routine as a guide, relax and enjoy your rugs and carpets knowing they will stay beautiful longer.

Signs One Million Contract

Aaron Batting For Magnavox

Baseball immortal Henry Aaron has signed a \$1 million contract with The Magnavox Company to become an official spokesman for that corporation. The Contract calls for Aaron to engage in a variety of promotional and public relations activities, including television and radio commercial, starring in TV specials, personal appearances in the United States and other countries where Magnavox operates. A complete line at Magnavox merchandise is featured at Beck's Radio & TV in Nutley.

According to an announcement made today by Alfred di Scipio, President of the Magnavox Consumer Electronics Company, the contract will extend initially over five years.

Aaron, 39-year old superstar of the Atlanta Braves, will become the leading, all-time home run hitter early in the 1974 season when he clouts number 715, breaking the venerable Babe Ruth's once seemingly unassailable record of 714.

The outfielder-first baseman's assault on the mark of the legendary Bambino fell one short in 1973, as Aaron finished the season at 713.

In his announcement at a New York press conference held today, di Scipio said: "Magnavox is delighted and indeed honored to be associated with Henry Aaron, baseball's greatest attraction and unquestionably one of the sports worlds most admired heroes."

"This is truly an historic agreement. For it is unique in that it reflects probably the

CAUGHT A CONTRACT — Alfred di Scipio (left), president of the Magnavox Consumer Electronics Co. and Hank Aaron hold up number 715, the home run Aaron will hit this year breaking Babe Ruth's record. Aaron has joined Magnavox as a spokesman.

most broad-gauged relationship ever established between a major corporation and a leading sports celebrity, both in terms of the length of time of the agreement, and the wide range of activities in which Hank Aaron will be involved with Magnavox.

"The extensiveness of the agreement reflects both Hank Aaron's historic long-range accomplishments as well as its expected effectiveness in serving as a continuing total retail merchandising program. Perhaps most importantly, Henry Aaron is the type of person with whom Magnavox would be proud to associate in

its business activities had he never hit a home run."

The Hank Aaron/Magnavox promotion continues di Scipio's plan to develop creative marketing programs that act as highpowered sales producers for the Magnavox network of retail dealers. The first of these major programs occurred in November, 1973, in the form of a one-hour television special starring Frank Sinatra, marking that superstar's first public performance in more than two years.

Aaron stated that he was most pleased "to be associated with Magnavox, a

Company that has long been recognized for the superior quality of its products and for its reputation in the business community."

Deal was negotiated for Aaron by Berle Adams, President of William Morris Agency Sports, Inc.

Honey bees are vital to much of the world's agriculture and are used for pollinating some 45 crops in New York State. But they also produce a sweet, natural substance which man has been completely unable to synthesize.

MAYNARD FERGUSON continues the Colony Three policy to bring the big bands back to New Jersey as Ferguson, one of the best trumpet players in the business, makes an April 4 appearance at the Nutley lounge, located on Washington Avenue. The Colony success in its Big Band policy has seen the return March 10 of Buddy Rich here. Drummer Rich started the Big Band Colony trend in December of last year. Lee Harris and The Sound Machine II is featured Sunday evenings at the local lounge.

This Week's Horoscope

(March 23 through March 29)

ARIES (March 21-April 19): Secret message dispatched. Keep your ears scrubbed so you won't miss a single word. After all, you can hardly expect a secret to be delivered via an electric bullhorn, you know.

TAURUS (April 20-May 20): Self-discipline is in order, Taurus. Now don't roll your beautiful eyes heavenward and start sighing. You know very well that emotionally you are quite primitive. Separate business from monkey business. Review personal goals. Week clunks to a noisy close.

GEMINI (May 21-June 20): Fight depression in week ahead, Gem, and don't permit emotional hassle to get you down. Tell those who peddle negative advice to jump in a polluted pond. By last day the rosy-fingered dawn should be just a little rosier than usual.

CANCER (June 21-July 22): Personal questions may put you into vulnerable and uncomfortable position. Don't permit inquisitor to bully you into answering. As week draws to an end, face the sun and all the scary shadows will fall behind you.

LEO (July 23-August 22): In an affair of long standing, it is quite possible, Leo, that you are living in a fool's paradise. Wake up, dear friend. These are changing days. Patterns shift. And given enough time, even the worm turns. Message clears.

VIRGO (August 23-September 22): Daily contacts can prove beneficial to your career. You gain confidence, so feel free to flit and flirt and flatter. Just make sure you don't fall flat on your fanny while performing these feats.

LIBRA (September 23-October 22): Look around you Lib. What's shabby (work/surroundings/home relationships) must be not only changed but exorcised. You are a person who cannot not-care. There is always time for good taste and good sense. Week ends on paradoxical note.

SCORPIO (October 23-November 21): Avoid local blabbermouth, Scorp, or words will wear you away. Concentrate on business which demands top priority. Take time to circulate socially and you say bye-bye to the blahs.

SAGITTARIUS (November 22-December 21): Topsy-turvy week ahead, Saji. Dinky problem may loom as monumental. You survive and flourish only if you stick close to your natural habitat. Your batteries need re-charging. Week jumps to a close.

CAPRICORN (December 22-January 19): One with emotional problem may reach out. If you think individual is foundering, offer help in form of reassurance. Maintain objective viewpoint and avoid becoming inextricably involved. On last day, relax and go gallivanting.

AQUARIUS (January 20-February 18): Snake-in-the-grass waits patiently, Aquari. Be on guard and don't fall for ancient line. Your natural idealism is your Achilles' heel. Toe the old straight and narrow, dear heart, and you end week with a chuckle.

PISCES (February 19-March 20): Get chores done early in week and then split. Map plans with care. Tuck a few extra shekels in your wallet. Take a warm jacket. Avoid unsavory places of amusement and don't talk to strangers. Otherwise, Pisces, have a real blast.

4th Italian Festival Planned for Summer

The fourth annual Italian Heritage Festival will be presented at the Garden State Arts Center on Sunday afternoon, June 23.

The date of the event was announced today by Commissioner Joseph C. Irwin of the New Jersey Highway Authority, which operates the Arts Center on the Garden State Parkway. He noted that New Jersey's Italian-American community will sponsor the event — as it did the three previous Italian programs at the Holmdel amphitheater.

A Statewide committee, which has begun meetings in preparation for the festival, has selected Frank A. Campione of Freehold as general chairman and Paul Brienza of Morristown as co-chairman. Alphonse A. Miele of West Orange, general chairman for the first three Italian festivals, will remain on the executive committee as chairman emeritus.

Paterson College Slates "Occult Week" Lectures

Supernatural phenomena and the occult will be the subject of a four-part series of guest lectures and discussions at William Paterson College March 19 through March 22.

Sponsored by the cultural affairs committee of the student government association, "Occult Week", will include lectures and demonstrations by astrologer Isabel Hickey; Karla La Vey, high priestess of the Church of Satan; Ed and Lorraine Warren, investigators of paranormal activities, and Dr. Raymond McNally, an authority on Dracula legends.

Tickets, \$2.00 for the general public and \$1.50 for senior citizens, may be purchased at the student activities office in the college center. Each program is scheduled for 8:00 p.m. in Shea Auditorium on the William Paterson College campus, 300 Pompton Road, Wayne.

Farm Milk Price Rises 14¢ During February

A uniform farm price of \$8.79 per hundredweight (46.5 quarts) for February milk deliveries to pool handlers under the New York-New Jersey marketing orders was announced today by Thomas A. Wilson, market administrator. The uniform price was \$8.65 in January and \$6.72 in February 1973.

Danny Hope of Newark has been named producer, and Renato Birbin of South Plainfield is ticket chairman, with Sol Saffer of Linden co-chairman. Other chairmen are: Rev. Charles B. Casale of Paterson, Mass. committee; Mrs. Patrice Stango of Westfield, art exhibit; Mrs. Kay Saffer of Linden, hostess committee; Mrs. Anne J. Ferguson of Westfield, amateur talent; Mrs. Peggy Campione of Freehold, reception; and Mrs. Pauline Pagoulatos of Linden, piazza committee.

Co-chairmen include Louis DiGirolamo Jr. of Holmdel, publicity; Mrs. Louise Sciarillo of Hillside, hostess, and Mrs. Diana Allen of Livingston reception. Mrs. Rosemary Conway of Westfield is secretary of the executive committee.

The Italian event is one of a series of heritage festivals that will be staged this year for the benefit of the Garden State Arts Center Cultural Fund, which sponsors free programs at the Holmdel amphitheater for New Jersey senior citizens, school children, summer youth, disabled war veterans and the blind.

The Statewide committee working on the June 23 festival is in full charge of the event, including the selection of talent, arranging of the program, handling of ticket sales and promotion. It expects to announce shortly the headliners for the main portion of the program to be held in the amphitheater starting at 1 p.m. There will be morning activities too on the mall and these will feature festivities with old country flavor.

Betty Parsons Show Scheduled at Museum

A major retrospective exhibition of the work of the New York artist and art dealer, Betty Parsons will open at the Montclair Art Museum, Montclair, New Jersey, on March 31 to continue through May 19.

The exhibition is the most extensive ever mounted of the artist's work. It will include some 40 pieces of her wood sculpture, 40 oil and acrylic paintings and 25 watercolors. Some of the works — certain early paintings, done in the 1930s, and some of the very latest — have never been publicly shown.

Also shown for the first time will be 60 pages from Betty Parsons' private journals containing sketches and commentaries. A selection of the artist's unpublished poems will be mounted and included with the exhibition.

Born in New York, Betty Parsons lived in Paris for ten years where she studied sculpture with Bourdelle, Bernard and Zadkine. During this period, she spent summers in Brittany studying watercolors with the English painter Arthur Lindsey. Upon her return to the United States, Mrs. Parsons lived in Hollywood and in Santa Barbara where she studied with Archipenko.

She returned to New York in 1936. Ten years later she opened her gallery. Having already established a reputation as a painter and sculptor, she became famous in the next few years as a pioneering art dealer discovering the gifted artists of her time. Her own creative work during these years was overshadowed

by the success of the Betty Parsons Gallery. Recently, however, her work has returned to wider attention.

The Montclair exhibition will provide an opportunity to see the entire range of Betty Parsons' work. An accompanying catalogue will carry essays by Thomas Hess, art critic and former editor of Art News; William Rayner, editor for Conde Nast Publications, and Lee Hall, Chairman of the Art Department at Drew University in Madison, New Jersey.

A limited edition of a serigraph made by the artist especially for the catalogue will be available at the Montclair Art Museum.

Schedule Program Of Indian Dances

A special program of classical and folk dances of India will be given as a cultural awareness presentation on Saturday, April 6.

Sponsored by the New Jersey chapter of the Association of Indians in America, the program will be held in the auditorium of the North Junior High in Bloomfield, N.J., beginning at 6:30 p.m. on April 6.

Performing will be Padmini and Her Troupe, an admired dancer who has made only limited appearances in the metropolitan area. Donations are required for admission to the performance and may be obtained at the door by individuals or in advance for groups.

Reservations or other program details through Dr. Raj Misra (226-2228) or Dr. A.P. Gupta 828-2418.

Ed Center Has Free Tutoring

The North Essex Educational Center ("Need Center") of Essex County College, located at 549 Washington Avenue, Belleville, has initiated a program of free tutoring in all high school, college and elementary school subjects.

Bob Russo, "NEED Center" coordinator announces that experienced, supervised college tutors are available Monday thru Saturday from 10 a.m. to 6 p.m. to help with Math, English, Social Studies, Languages, Science, Art, etc. Students of all age levels with problems in any of these subjects should contact staff members Margherita D'Innocenzio, Frank Abate, Ed Duroy, Joe Cook, or Gerry Kelly at the "NEED Center" at 751-6750.

Board Assn. Still Opposes Tenure Rights

Two bills that would extend some tenure rights to non-tenured teachers were opposed this week by the New Jersey School Boards Association in testimony before the Assembly Education Committee.

William Rosenberg, vice president of the School Boards Association, voiced the association's opposition to Assembly Bills 929 and 960, seriously questioning their underlying intent rather than their seeming appropriateness.

"On the surface, both proposals appear to be forthright and reasonable," said Rosenberg.

A-929 states that every non-tenured teacher receive four evaluations per year. Failure of compliance by a board of education would require a board to rehire for the following school year.

"We sincerely believe it is the duty, as well as the responsibility of the board of education to direct the effective evaluation of all its staff," he said.

However, Rosenberg noted that if a board, operating with only its present administrative staff, is required to perform four observations, evaluations and follow-up conferences for all its non-tenure teachers, it could well be forced to evaluate some teachers too often and some not enough.

The association strenuously objects to legislation that would make the lack of four formal evaluations of non-tenured teachers the sole basis for renewal of a contractual commitment," he stated.

Rosenberg cited a technical deficiency which would grant tenure by default if the conditions of the act were not met in a teacher's third year of employment. Such a case erroneously exalts procedure over sound educational policy," continued Rosenberg.

Speaking to A960, which provides that a statement of reasons be provided for dismissal and that each teacher receiving such reasons be entitled to a hearing before the board of education, Rosenberg stated: "This proposal is directed very clearly at extending the protection of tenure to employees during the probationary period and effectively changing the status of non-tenure teachers."

Rosenberg stressed that the association has no objections to an employee knowing the reasons for non-renewal of his/her contract. However, he pointed out that reasons for dismissal should be known through the evaluation process.

"This legislation is unnecessary if its sole intent is to provide reasons for the non-renewal of non-tenured teachers, because the evaluation process should clearly supply those reasons, and an avenue for appeal on constitutional questions has already been established. On the other hand, this legislation is objectionable if its intent is to erode the balance between job protection and the public's right to a probationary period," said Rosenberg.

In summing up, Rosenberg stated that the NJSBA believes by and large that the present system has functioned satisfactorily and that there is no justification for the major changes that could result from the enactment of A929 and A960.
