

Seniors' Bus Is Detoured Once Again

Another in a series of postponements in the delivery of the senior-citizens' bus has been made by the manufacturer. The bus is now scheduled to arrive on or about May 15, announced Commissioner of Public Affairs Vincent Strumolo this week.

The Wayne Bus company of New York, pleading that a strike in Detroit had forced a late delivery of the chassis of the 28-seat mini-bus, said the vehicle is now being assembled. The delay was one of a series made since early this year.

Strumolo, who is reported to be "very disturbed" by the holdups, has already printed the necessary identification cards for senior citizens and disabled persons who would be entitled to ride the bus free of charge. A route which begins in Silver Lake, and circles the town, touching all major business and shopping areas, has already been designed.

The last postponement had

been until May 1 but investigations by Strumolo's office turned out the new May 15 date, which the bus company said was a dependable delivery date.

Once the bus does arrive, a week will be needed to set up the actual running of the route, checking the schedule for any errors.

The proposed route would begin in Silver Lake, and complete a circle around Belleville, stopping at both the Geriatrics Center and Clara Maass Hospital, major shopping centers, the Health Department, Town Hall, all banks and ending back in Silver Lake, where a connection can be made to the Newark Subway on Franklin Avenue.

Ten thousand dollars was appropriated last year for the bus by an unanimous vote of the Commission. Busdrivers will be off-duty policemen, whose insurance is already covered by the Town.

Teachers' Talks To Be Continued

Negotiations between the Belleville Board of Education and the Belleville Education Association on the 1974-75 teachers' contract dragged on into this week as the opposing parties remained unable to revolve a "technicality" which prevented the planned contract signing last month.

Although BEA representatives could not be reached for comment and Board spokesmen were reluctant to give specific comment, the trustees' chief negotiator, Richard Mahmarian said a May 1 session "narrowed down the one final issue," — reportedly a disagreement over interpretation of pay scales for certain teachers. Last Monday night, Mahmarian reported back to the School Board on the progress of negotiations and said another meeting would be scheduled soon, possibly this week.

In the meantime, said Mahmarian, negotiation with the school system's four other major bargaining units are continuing. A tentative agreement has been reached with the administrators and the 10-month secretaries, but these proposals must first be ratified by the memberships of those groups before signings can be accomplished.

On Tuesday night, Board negotiators were scheduled to meet with teams from the 12-month secretaries group and the custodial and maintenance employees.

On Monday, April 29, the Board of Education adopted a resolution reappointing all teachers in the system to new terms next year. Although no contract has been signed, the move was necessary because of state requirements. A contract was scheduled for signing on April 22, but a last minute check of the contract turned up the disagreement.

It's now up to Board of Commissioners to decide whether a 23-unit apartment building will replace the dilapidated Capitol Theater on Washington Avenue. The Zoning Board of Adjustment last week voted 3-2 to recommend the granting of a variance for the replacement of the theater by apartments.

The Commission may vote on the case as early as Tuesday, provided the necessary paper work is completed. The application by Bloomfield realtor Frank Leo went unopposed by residents near the theater at the recent Zoning Board hearing, and there is likely to be no objections when the Commissioners hear arguments by Leo's attorney Frank Pomaco. Leo needs the variance because the rear portion of the property extends from the commercially-zoned Washington Avenue to Valley Street, which is industrially-zoned and residences are prohibited there. There are also setback and density requirements which aren't fulfilled in the present plans.

Although there was little argument that the apartments would not be an improvement

TIME OUT is declared by this Belleville Little Leaguer as he wolfs down the main course at the refreshment stand at Sunday's opening ceremonies for the season.

Commissioners to Hear Case For Capitol Theater Demolition

over the rundown, vacant theater, two members of the Zoning Board, Rocco Constantino and Anthony Laterza, voted against recommending the variance, but were overruled by Kenneth Nash, Aldo Di Chiara and John Stetz.

The plans provide for a 15-foot setback, where the law requires 20. On the density law, which sets a limit of 35 families per acre, attorney

Pomaco pointed-out to the Zoners that the new apartments would actually be less dense than other new apartments along Washington Avenue which have received variances. All of the 23 units would be one-bedroom apartments.

There was no problem with the planned parking arrangements for the new apartments. However, the Zoners did place two con-

For Luxury Apartments

Zoning Board Grants Wilson Place Variance

The Zoning Board of Adjustment last night approved a variance for a 16-family apartment building on Wilson Place and began hearing testimony on a controversial request to expand a four-family building in Silver Lake.

The variance for property at 43-47 Wilson Place, sought by Lawrence Schwartz and John Morello, was granted after the Board considered the request for the second time in two years. Last year, the Board of Adjustment rejected the bid by a 3-2 vote. The applicants this time submitted a revised plan which featured increased parking facilities. Schwartz, an attorney, argued the case himself against other impediments to a building permit, including insufficient setback and a violation of the density requirements.

The Silver Lake case, adjourned at the 11 p.m. curfew shortly after testimony began, concerned a request by Frank Della Volpe to expand a four-unit apartment at 40 Honiss Street to a six-unit apartment. Several residents of the area were present to voice their objections. The case will be continued at the next meeting of the Zoning Board June 6.

When the Wilson Street case was first rejected last year, the case was appealed to Essex County court, but the opposing parties agreed to a voluntary dismissal with an understanding the matter could be resubmitted to the Zoning Board.

In stating his case Tuesday night, Schwartz pointed out the land had been purchased in 1970 and an architect consulted for plans to erect a 16-unit apartment building. Two years the Town of Belleville passed new laws governing

density and parking requirements and setting maximum density at 35 families per acre. While the density of the Wilson Place apartments would have been permissible under the old law, it was too high for the new. Schwartz pleaded hardship on this grounds.

Only one objector, Poul Krarup, a planner for the Essex County Park Commission, appeared to speak against the apartment building.

Krarup pointed out the building would border directly

on Essex County park land and said the paving of the land would direct a flood of water down the sloping parking lot onto park land during a heavy rainfall, possibly causing severe damage. He rejected statements by architect Edward Centanni that gutters and leadings would divert 90 percent of the rainfall to the front of the building and that a 10-foot by 10-foot drywell would be sufficient to catch the rest. Schwartz said the property owners, like anyone else, would be responsible to heave damage of park land

during a heavy rain.

About the setback, which in the plans is 10 feet, half as much as the requirement, Schwartz said it was not out of line from the average setbacks on the block and reminded the Zoners that the parcel of land is the last on the block before the park and no visual obstructions would be caused.

He said the "semi-luxury" building of 16 one-bedrooms units would bring in a substantial improvement over the one-family and three-family structure presently on the land.

Few Primary Battles Seen for Committees

There will be only a few contests for positions for Belleville representatives on the Republican and Democratic County Committees in the June 4 primary election. In fact, some spots are still wide open on the GOP slate.

All three of the contested spots are on the Democratic side as Town Chairman Mary Senatore's Democratic Party Organization will be challenged by three regular Democrats. Meanwhile Town Republican Chairman Gerard Ferrara says four positions are open to anyone who collects enough write-in votes.

For one reason or another, said Ferrara, the four spots — one in Ward One, District Six, one in Ward Two, District Three and two in Ward Two, District Four — were not filled by nominees by the filing deadline. In the primary election, he said, a write-in candidate with as small a mandate as a single vote could find himself on the Republican County Committee. If no one comes forward for the positions, Ferrara can appoint members with approval of two-thirds of the Town Committee.

Ferrara pointed out that such a vacancy situation occurs more often with the political party currently out of power. Belleville Democrats, for instance, are having no such problems.

In Ward One, District Three, Democratic Party Organization nominees John and Theresa Kieferdorf of 169 Joralemon Street are being challenged by Regular Democrat Stephen P. Newcome of 292 Union Avenue.

In Ward Two, District Three, Thomas and Jean Nisivoccia of 278 Hornblower Avenue, both of the Democratic Party Organization, face opposition from Regular Democrats Henry G. McEnery of 53 Essex Street and Dorothy F. Stepih of 15 Linden Avenue.

The contrasting peacefulness in the Republican Party hasn't always been there, said Ferrara. In fact, he added, "only three years ago, and looking back on it, it was one of the best things that could have happened to the party because we got a good cross-section of the town into the committee."

The Belleville GOP isn't the only branch of the party to have such problems attracting committeemen, he said. East Orange, for example, has over 15 vacancies for committee representation.

In the case of the upcoming Belleville primary, he said, "I encourage write-ins, and I hope it will bring in some more young Republicans to the organization."

He said the position of county committeeman has suffered a certain loss of power over the years, but the candidates are now needed primarily for party organization work.

Locals Convicted For Heroin Deal

Two Belleville men were convicted of conspiracy, sale and possession of heroin after a trial in Federal Court in Trenton which ended Tuesday, April 30.

Vincent DiModica, 42, of 261 North Belmont Avenue and Salvatore Vicari, 56, of 22 Florence Avenue face minimum sentences of five years imprisonment and maximum of 70 years in jail and a fine of \$80,000 and are now in jail awaiting sentence.

The pair were arrested October 20, 1970 in East Orange by local police and special agents of the Bureau of Narcotics and Dangerous Drugs. They were charged with possession of one and three-quarter pounds of heroin which police found in the

trunk and under the front seat of Vicari's car.

The case was prosecuted by Assistant U.S. Attorney Lawrence Horn in a two-week trial before U.S. District Court Judge Clarkson J. Fisher. The Government produced five witnesses, one of them an expert who testified the street value of the discovered heroin was \$140,000. One witness appeared for the defense.

A pre-sentence investigation which may last from five to eight weeks will be conducted before DiModica and Vicari receive their sentences.

The case was handled through the office of U.S. Attorney Jonathan L. Goldstein, who praised Horn and the agents of the Drug Enforcement Administration.

Here's a Good Use for All Those Empty Cans

New Aluminum Recycling Project Will Help Friendly House Repair

Beer and soda drinkers, don't ditch those cans!

The Belleville Junior Woman's Club has a use for them. Beginning this Saturday, and on the coming second and fourth Saturdays of every month, the club will take those aluminum empties off your hands and put them to good use by recycling them. The proceeds from this project will go toward equipment purchases and minor repairs at the Town's newest recreation facility, the Friendly House.

The Junior Women's aluminum recycling project would be a major effort in an area already well-exploited by other towns. Belleville presently has a town-operated glass reclamation at the Town garage on Saturdays, but no breakthroughs have been made in other profitable enterprises, such as newspaper or glass reclamation.

Junior Women are hoping this would be the start of something big. The recycling program is the club's entry in a national competition among the General Federation of Women's Clubs to find the best ongoing project which generates the most community support behind a member club.

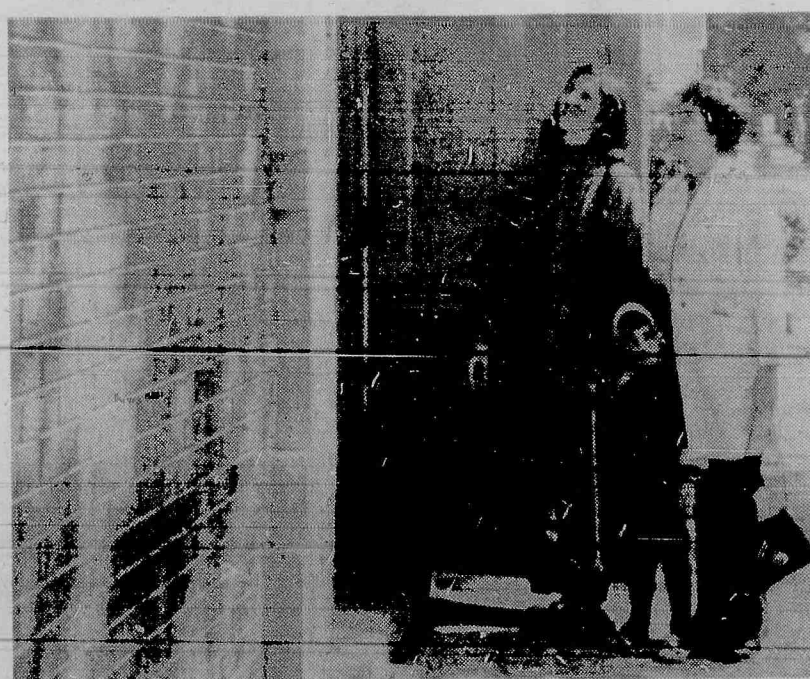

Mrs. Samuel Giuffrida, who co-chairs the

drive along with Mrs. William Sayegh, points out the potential for a reclamation project in Belleville, and says the club will begin with aluminum recycling, "because it's easier to handle than newspaper or glass. This will be a total community project and the more of the community that becomes involved, the better it will be. We hope this will develop to become greater than it starts out to be."

Assisted by the Belleville Jaycees, the club members will collect aluminum at the Recreation House at 407 Joralemon Street on Saturday from 10 a.m. to 3 p.m. They're looking for all clean household aluminum scrap, including beverage cans, snack and pudding cans, frozen dinner and pie pans, aluminum foil and similar items. They ask that only all-aluminum cans be turned in — they have rounded bottoms and no side seams, are lightweight and can be easily crushed. It would be helpful if donors can crush their own cans.

Once collected, the aluminum will be delivered to Reynolds Aluminum Company, which pays a dime on the pound. Mrs. Giuffrida said approximately 23 cans will weigh a pound, so a big turnout can create a

(Continued On Page 7)

IT'S COMING ALONG — Mrs. Sam Giuffrida (left, with daughter Carolyn) and Mrs. William Sayegh of the Junior Woman's Club look over the new facade of the Friendly House, which will benefit from the club's aluminum recycling program beginning on Saturday.

Men in Service

Stephen Bator

Army Captain Stephen R. Bator, son of Mr. and Mrs. Stephen J. Bator, 31 Wetmore Avenue, Maplewood, completed the Chemical Biological and Radiological (CBR) Officer Course at the U.S. Army Ordnance Center and School, Aberdeen Proving Ground, Maryland.

The course is designed to train officers in chemical, biological and radiological defense. It includes training in the employment of chemical agents and CBR defense in addition to a working knowledge of nuclear and chemical operations and biological defensive measures and techniques.

Capt. Bator's wife, Linda, lives at 1 Rutgers Court, Belleville.

Michael Light

Private Michael Light, son of Catherine and Joseph Light of 153 Belleville Avenue is stationed at Parris Island, South Carolina Marine Training Recruit Depot. He will be specializing in motor transport. He entered the Marines in February.

Philip Eisel

Second Lieutenant Philip G. Eisel, son of Helmut Eisel, 607 Belleville Ave., Belleville, has graduated at Keesler AFB, Miss., from the U.S. Air Force administrative officer course conducted by the Air Training Command.

Lieutenant Eisel, trained in administrative policies and procedures, personnel management and Air Force correspondence, entered the Air Force in July 1958 as an enlisted man. He was commissioned last year upon graduation from Officer Training School at Lackland AFB, Tex.

A 1958 graduate of Belleville High School, he received his B.S. degree in management from Mississippi State University. The lieutenant is a member of Phi Kappa Phi and Beta Gamma Sigma.

His wife, Joyce, is the daughter of Mrs. Loraine Kredenski, Cliffside Park, N.J.

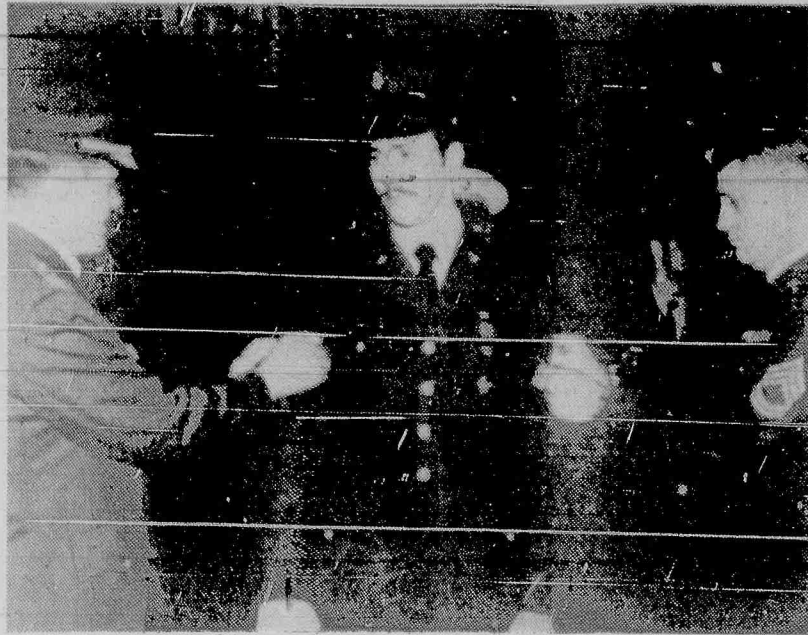

Michael Light

John Henderson

Airman John A. Henderson, son of Mrs. E. Henderson of 428 Washington Ave., Montclair, has graduated at Chanute AFB, Ill., from the U.S. Air Force aircraft mechanic course conducted by the Air Training Command.

The airman, who learned to maintain and serve multi-engine jet aircraft, is being assigned to McGuire AFB, N.J., for duty with a unit of the Military Airlift Command.

Airman Henderson, whose father, W. Henderson, resides at 21 Quinton St., Belleville, N.J., is a 1973 graduate of Montclair High School.

PROMOTED IN EUROPE — James R. Little (center) a Belleville resident is shown at his promotion to Army Specialist Four while serving with the North Atlantic Treaty Organization in Belgium.

Martin Bogan

Aviation-Machinist Mate Second Class Martin Bogan, son of Mr. and Mrs. Martin S. Bogan of 200 Mill St., Belleville, has been promoted to his present rank during ceremonies held at Point Mugu, Calif.

Petty Officer Bogan is a member of Antarctic Development Squadron Six (VXE-6). VXE-6 provides the aerial support for the National Science Foundation's activities in the Antarctic. Petty Officer Bogan, who joined the Navy in 1967 after attending Lexington Senior High School in Mass., has recently returned from deployment in Antarctica. He is married to former Jeanette Parn of Mohall, North Dakota.

George Kondreck

George Kondreck

Marine Second Lieutenant George E. Kondreck Jr., son of Mr. and Mrs. George E. Kondreck of 53 Van Houten Place, Belleville, graduated from Officer Basic School at the Marine Corps Development and Education Command. During the six-month course Kondreck received instruction in leadership, marksmanship, drill, military law, Marine Corps history and tradition and physical training.

A 1973 graduate of the U.S. Naval Academy, Annapolis, Md., with a Bachelor of Science degree, he joined the Marine Corps in June 1969.

Walt Jackson

Army Private Walter T. Jackson Jr., 18, whose parents live at 26 Watchung Ave., Belleville, completed a 16-week radio relay and carrier attendant course at the U.S. Army Southeastern Signal School, Ft. Gordon, Ga.

During the course, he learned to install, operate and perform organizational maintenance on field radio relay, carrier and associated equipment. He was familiarized with radios ranging from miniature sets to complex sets used on army aircraft.

James Little

James R. Little, 22, son of Mr. and Mrs. John F. Little, 192 Overlook Avenue was promoted to Army Specialist Four while serving with the North Atlantic Treaty Organization/Supreme Headquarters, Allied Powers, Europe (NATO/SHAPE) Support Group in Belgium.

Presenting the insignia, Colonel Allan C. Torgerson, Group Commander, and Sergeant First Class Robert S. Kirkman.

Spec. Little is a military policeman in the group's military police detachment.

Francis Wellen

Francis Wellen, son of Mr. and Mrs. Raymond Wellen of Nutley, graduated from Basic Training with the U.S. Army at Fort Dix New Jersey.

Private Wellen, a Nutley High School graduate will be stationed in St. Louis Missouri where he will receive mechanical training for missile work.

He has a sister, Mary Ann, a brother, Raymond, Jr. His father is the Commander of American Legion Post 105, Belleville.

Francis Wellen

Michael Rogers

Marine PFC, Michael J. Rogers, son of Mr. and Mrs. Linwood F. Rogers of 27 Rocco St., Belleville, participated in the 2d Marine Division close order drill competition at the Marine Corps Base at Camp Lejeune. He is a member of Company A, 1st Battalion, 6th Marines, which placed second in the contest.

Patrick Porcello

Patrick Porcello

Patrick Lawrence Porcello, son of Mr. and Mrs. Gerard Porcello of 17 Walter Street, Bloomfield, formerly of Belleville, graduated from Recruit Training at Great Lakes Naval Training Center, Great Lakes, Ill., in February.

He attended Belleville schools and Bloomfield High School. He is now an airman stationed aboard the USS Enterprise, based at San Diego, Cal.

John Galadz

Marine Lance Corporal John A. Galada, son of Mrs. Loretta Galada of 23 DeWitt Ave., Belleville, has reported for duty at the Marine Corps Air Station at Cherry Point, N.C.

Gennaro Guarino

Army Private Gennaro M. Guarino III, 19, whose parents live at 2 Jerome Ave., Belleville, completed eight weeks of basic training at the U.S. Army Training Center, Infantry, Ft. Polk, La.

He received instruction in drill and ceremonies, weapons, map reading, combat tactics, military courtesy, military justice, first aid, and Army history and traditions.

Pat Wynn

Marine Lieutenant Patrick D. Wynn, son of Mr. Patrick F. Wynn of 70 Overlook Ave., Belleville, is a member of "A" Company, 1st Battalion, 8th Marine Regiment which won the First Marine Division close order drill competition at the Marine Corps Base at Camp Lejeune.

A 1971 graduate of the College of Emporia, Emporia, Kan., he joined the Marine Corps in June, 1972.

David Boyd

Marine Chief Warrant Officer David I. Boyd II, son of Mr. and Mrs. John D. Boyd of 16 Essex St., Belleville, awarded a Certificate of Commendation from the Commandant of the Marine Corps for outstanding marksmanship achievement. He serves with Weapons Training Battalion at the Marine Corps Base at Quantico, Va.

Nab Three After Check Of Automobile

A routine police check of an automobile Friday night led to the arrest of three Belleville residents on drug charges, Deputy Police Chief Frank Haight said this week.

According to Haight, Patrolmen Patrick McCabe and William Escott stopped a vehicle proceeding erratically on Newark Avenue at 12:20 a.m., Friday, May 3, and asked the driver to produce his driver's license and vehicle registration. The driver, an 18-year-old Newark youth, could show none, and a check of the car, said Haight, showed a small quantity of marijuana in the glove compartment, along with a pipe.

The youth was arrested for possession of under 25 grams of marijuana and driving while not in possession of a license. Since the car was not his own, the officers went to the home of the owner to inform him the auto had been taken by police. Haight said the police were invited into the home of the 22-year-old man, and there they saw cigarette papers and a marijuana cigarette on a table. A search revealed eight bags of marijuana, some pills and powder. Another man, also 22, the brother, of the driver arrested earlier, was also arrested at the house for possession of a marijuana cigarette.

Dennis Spencer

Navy Airman Recruit Dennis J. Spencer, son of Mr. and Mrs. Albert S. Spencer Sr. of 36 William St., Belleville, N.J., graduated from recruit training at the Naval Training Center at Orlando, Fla.

A former student of Belleville High School, he is scheduled to report to Memphis, Tenn.

The tests of sincerity is the willingness of an individual to do something without compensation.

Phil Malfettano

Navy Commissaryman Third Class Philip Malfettano, son of Mr. and Mrs. Gabriel Malfettano of 158 Academy St., Belleville, was commended as a crewmember of this destroyer escort for his efforts as part of the U.S. Sixth Fleet task force in the Mediterranean during the October Middle East crisis.

The powerful force stood ready to evacuate American citizens from danger areas and to back up our government's diplomats as they helped negotiate a cease fire.

Public Displays Scheduled At Essex Hospital Center

The Essex County Hospital Center at Cedar Grove, today announced through Committee Chairman Freeholder Donald M. Payne, the celebration of National Hospital Week, to take place at Guy Payne Auditorium. The public is cordially invited to attend. The exposition will take place May 13, 14 and 15, between the hours of noon and 5 p.m. Belleville-Nutley day is set for May 15.

Michael P. Duffy,

Superintendent of the Hospital Center, is making "all necessary arrangements" to have all the disciplines represented in booths. There will be slides lectures, displays of arts and crafts. Many of the items on display available for purchase were made by the patients. Refreshments will be served.

"We have invited the high school bands from the surrounding communities to be part of the program," said

Duffy, and we are looking to involve as many communities as we can schedule in the three day period. The main purpose of Hospital week is to try to acquaint the community with the goals and ambitions of their hospitals and certainly the Essex County Hospital Center is very proud of its accomplishments."

The Essex County Hospital Center at Cedar Grove is the largest county owned psychiatric hospital in the United States, and has been a leader in developing new programs in the mental health field for many years.

"We have invited Senior Citizens Clubs, Boards of Education, Mayors and Superintendents of Schools from the surrounding communities, and we cordially invite anyone interested in becoming acquainted with the functions of a mental health facility to come and see this vital service in operation," said Duffy.

Citizens in the Nutley-Belleville area are invited to take part in the program on May 15, citizens in the Cedar Grove-Verona area are invited May 14 and citizens in the Caldwell area are invited on May 13. These specific days have been reserved for their community.

Chamber of Commerce Sidewalk Sale

The Belleville Chamber of Commerce has announced that the semi-annual Sidewalk Sale will be held on Friday, May 17 and Saturday May 18 (rain date May 24-25).

This sales event is one that hundreds of shoppers wait for. It has become a real family affair, with Mom, Dad, and the kids all browsing for bargains. The merchants use this sale as an opportunity to mark down and clear out all seasonal merchandise.

School 10 HSA Sets Family Night For Tomorrow

On Friday, May 10, at 7:30 p.m. the Home and School Association of School Ten will hold Family Night.

Hansel and Gretel will be performed by the Happy Times Children Theatre. Candy and popcorn will be on sale before the performance.

A raffle drawing for a \$300 shopping spree at Bambergers, first prize, a doll and wardrobe, valued at \$75.00 second prize is slated. As a special a 50-50 will be held at 9 p.m. following the play.

The call of duty, it seems, coincides with the highest salary available.

DOG DAYS — Pets and petowners got together last week for a free rabies clinic. For those who missed it, a makeup day is scheduled tomorrow.

Free Rabies Clinic Continues Tomorrow

Commoner Vincent T. Strumolo announced this week that the Department of Health inoculated the highest amount of dogs, cats, and rabbits in the town's history.

The Director stated that this indicated that the public is aware of the importance of inoculating their pets for the

prevention of rabies. For the convenience of those who missed the program, special arrangements for a makeup clinic will be held on Friday, May 10, at 60 Franklin Street, across from St. Anthony's Church, between 6-8 p.m.

Students Compete In Spelling Bee

The Nights of Columbus, Council 835, Belleville, held their annual spelling bee on Sunday, April 28. Seventeen contestants, all eighth graders, vied for the top three prizes which were \$100, \$50 and \$25 savings bonds.

David Azevedo from St. Peter's School withstood the strong challenge of a fellow classmate, Patrick Sugar, and Charles Covello, representing St. Anthony's School to win the coveted first prize. Charles Covello took second place and Patrick Sugar placed third.

The other contestants and their schools were: Belleville Junior High School - Brian Galada, Gina Nicolette, Elizabeth Frank, Laurie Demgard, June Snyder, Michael Falzarano, Kathleen Krisocki, Patricia Connelly, Joe Flynn and James DePiro. St. Peter's - Barbara Marino and Cindy Corris. St. Anthony's - Barbara Uzolino and Antoinette Russomanno.

Parents and friends of the contestants were welcomed by Robert Nebelung - Grand

Knight of the Belleville Council. The event was judged by Miss Margarita D'Innocenzo-Administrative Assistant of the North Essex Educational Center and Joseph Primiano-Manager of College Services, Essex County College. Thomas Brady, also from North Essex Educational Center, was the pronouncer and the spelling bee chairman was Rocco Saletta.

Auditions Set For Workshop This Summer

Auditions for a free summer theater workshop for students will be held May 21 to May 23 from 7 to 10 p.m. at Fewsmithe Presbyterian Church.

The workshop will be for a production of the musical "Guys and Dolls," directed by Ann and Dave Daniels, who last year conducted a similar program of "West Side Story."

"Guys and Dolls" will be presented in September at Belleville High School.

Daniels' Will Present Opera Music Program

Dave and Ann Daniels, tenor and coloratura soprano, will present a program of opera and operetta music at the Belleville Public Library, 221 Washington Avenue, on Wednesday, May 15, at 8 p.m. and Sunday, May 19, at 3:30 p.m.

Ann, who has performed in operettas such as "Naughty Marietta," "The Merry Widow" and "Die Fledermaus," has also appeared at Town Hall in New York and

Symphony Hall in Newark. While in the Air Force, Dave sang with the Denver Civic Opera Company and later appeared in Bach's St. Matthew's Passion at Carnegie Hall under the direction of Leopold Stokowski.

The Daniels have appeared at the Governor Morris Hotel in Morristown, Buck Hill Inn in Pennsylvania, Mayfair Farms and The Manor.

Kids, Spend Saturday With Paulo the Clown

The Children's Department of the Belleville Public Library will present Paul Klingler as Paulo the Clown for its Saturday Children's Special on May 11 at 10:30 a.m.

Paul Klingler, a longtime resident of Belleville, is no stranger to the younger set of town. He has performed at local schools and hospitals throughout the area, amazing audiences with his tricks and antics. His appearance on Saturday, May 11, is extra special as it will start off this summer's reading program featuring clowns and the circus.

Here is a rare opportunity for all Belleville children to come face-to-face with a per-

forming clown. Remember to save the date of May 11, 10:30 a.m., as a special day in the Children's Room of the Belleville Public Library, at 221 Washington Avenue.

DON'T KNOCK COMPROMISE

Looking for a new house? Then probably what you desire and the going price for such a dream house are mutually exclusive. There is no perfect house, and very few families can afford everything they want. This means compromise.

You might have to trade off certain desirable features to get a house with other more important ones. For example, you may find yourself giving up a short commuting distance to get a house with more land or vice versa. You could give up a family room, say, for a second bath - then add the family room you really want later on, when you can better afford it.

Make a list of your top priorities, such as location, schools, number of bedrooms. This will do double duty. It will steer you to the house that comes closest to what you want now, and one that will also satisfy your probable future needs.

If there is anything we can do to help you in the field of real estate, please phone or drop in at

Recycling in Belleville

While neighboring towns have made great strides and no small amount of profit with recycling programs for aluminum, glass and newspapers, Belleville has lagged behind. Maybe such projects are too troublesome or cost too much in manpower to be run profitably here, but on the basis of successes scored in other municipalities, we think a positive attempt should be made in Belleville.

The Public Works Department does sponsor a glass reclamation for bottles turned in at the William Street garage on Saturdays, but the program isn't widely publicized and was more successful when the drop-off area was located at the People's Bank parking lot. In recent months, no one seems to have been appealing to Bellevilleites to back any recycling programs.

All that may change, if the new aluminum recycling program scheduled to

start this week gets the support it deserves. The Junior Woman's Club of Belleville will take all used aluminum materials at the Recreation House, 407 Joralemon Street, on the second and fourth Saturdays of every month between the hours of 10 a.m. and 3 p.m. The club is looking not only for donors, but for volunteers to take an active role in making reclamation of recyclable materials a reality in Belleville.

The proceeds of this drive will go towards the purchase of equipment for the Friendly House, which seems destined to become the finest recreational facility in Belleville. With the help of interested and active groups like the Junior Woman's Club, that future seems assured.

But the club will need support itself in this worthy endeavor, not only from those with material to donate, but anyone with time and effort to spare. Volunteers can contact the club at 51 Rossmore Place.

K.M.

Inflation, Interest Rates

Whatever the political effect of Watergate, and everyone agrees it is sure to hurt Republican congressional candidates this November, the Nixon Administration is failing sadly in the field of controlling inflation and maintaining reasonable interest rates.

Oil company profits skyrocket, bank profits soar and as price controls are removed over corporations prepare to reap rich rewards. But the average family or couple who would buy a home, and the average American on a salary who buys at the local supermarket and pharmacy, is

being hit hard by high interest rates and sharp inflation. In these areas too the Nixon Administration is inevitably forfeiting votes.

The G.O.P. hope is that interest rates and inflation will have eased by fall, that a big farm crop will have depressed farm prices and that business will be picking up again. That may happen but time is short; November is but five months away. And if it doesn't happen, G.O.P. candidates will be running under a very heavy handicap — Watergate, inflation, record interest rates, and a slowed economy.

The Five Elections

There have been five special congressional elections since the thunderstroke of Watergate. Democrats have won four, Republicans one.

Polls show Watergate has had an effect on the outcome. All five of the seats involved had been held by Republicans, who won with sizeable majorities in 1972.

The four-of-five sweep by Democrats, some of it in traditional G.O.P. territory, has led political experts to predict a disaster for Republicans in November's congressional elections; Vice President Ford fears a one-party dictatorship.

A close analysis of the five races, however, in Pennsylvania, Michigan, Ohio and California, shows they are very close.

The Democratic candidate squeaked by with 50% of the vote (to 49.8) in Pennsylvania's 12th district.

In Michigan's 5th, the margin was greatest — 50.9 to 44.3. In Ohio's 1st the Democratic win was 51.9 to 48 per cent. The Republican won in California's 13th, 53.2 to 46.8 for all Democratic candidates. And the recent Democratic victory in Michigan's 8th was 51.4 to 48.6 per cent.

Considering that the party in power traditionally suffers in off-year elections, that these races were quite close, and that 1972 was a G.O.P. landslide year (when the G.O.P. won all five seats), one cannot yet say they are trustworthy as a forecast of the election result in November.

Golden Comments

By James R. Golden

The column's congratulations are extended to Mr. George H. Chenoweth of 177 Greylock Parkway upon his election as President of the local Senior Citizens group. This active body of mature local residents, being of the "old school," are conservative in their views and completely divorced from politics with a strong determination to reject any such injection into their affairs, as was forcibly demonstrated to one potent local politician by the results of the election outcome.

While discussing activities concerning the elderly it is appropriate to mention that Assemblyman Michael Aduate (D-Hudson-Essex) has introduced in the state legislature a bill to exempt the elderly from having to pay any state sales tax.

Should the bill become law people over age 65 upon presentation of either a Medicaid card or an identification card selected by the state director of the Division of Taxation would be permitted to avoid the tax.

The local senior citizen body should get behind this worthy proposal, since it will require considerably support to get by both houses of the state law making body and receive the Governor's signature.

Scanning Metropolitan Briefs in a recent copy of the staid New York Times we were impressed by New York's Conservative-Republican Senator James L. Buckley's comments in accepting a possible challenge to his Senate seat from sportscaster Howard Cosell.

IMCosell, no slouch in bandying pompous words in a self-styled imperious manner, as any TV sports viewer knows, has met his match with Sen. Buckley, himself an eloquent exponent of grandiloquence.

The exchange of words went like this: Cosell in a speech at the U.S. Naval Academy at Annapolis, Md., said he was considering running for Mr. Buckley's Senate seat in 1976. Asserting, "There are not 10 people

in the United States better qualified to run for the Senate than Howard Cosell."

Mr. Buckley, with a wry smile appearing on WABC-TV — where Mr. Cosell works — on the program "Eyewitness News Conference" commented, "I'd like to see the other nine people on his list."

What's happening to the efficiency in the local tax collector's office in regards to returning receipted tax bills after payment? Sent check on April 8 for fourth quarter tax payment and haven't as yet on April 27, 21 days later, counting in the weekend hiatus, gotten my receipted tax bill, notwithstanding, fact my bank acknowledges check was cleared well over two notwithstanding, fact my bank acknowledges check was cleared well over two weeks ago. Sure looks like something is amiss in the Mayor's department these days.

Could it be an outgrowth of that longstanding vendetta between His Honor and Town Treasurer McCoy, brought about many years ago when, on the orders of his boss, Town Manager Burnett, McCoy, duty-bound, had to direct than Tax Collector Friel to sign a complaint in the local court against tavern owner McGreevy for failure to have a vending machine license for a cigarette dispensing unit?

That stupid snafu about holding up all the department employee's pay, besides looking stupid in the newspapers, certainly didn't win the Mayor any friend. Besides, we feel McCoy will bring his case to court and win his battle where it counts.

The failure of Comm. Senatore to appoint Steve Rogers to the Rent Leveling Board didn't have any redolent aroma about it. If she thinks she may have won over a former fee by her appointment, which is conjectural, she knows now she gained the wrath and scorn of Mr. Rogers and his friends. Some business eh Mary?

Woman's Club Installs Officers

On April 8th, after the monthly board meeting of the Woman's Club of Belleville, the officers and department chairmen enjoyed a delicious V.I.P. luncheon prepared and served by the President, Mrs. W. Douglas Clark, in her home, assisted by Miss Ruth Hogan.

The regular business meeting was held in the Club House, 51 Rossmore Place, followed by the annual reports and installation of officers. Mrs. John E. DeNike officiated and installed the new officers.

The newly installed officers are: first-vice president, Miss Linnea Andree; corresponding secretary, Miss Frances Zeiss; assistant treasurer, Mrs. Maurice Welch; Club House trustees: Mrs. Ernest Arvidson, Mrs. E.E. Buras, and Mrs. G.J. Ferrara. Chairmen of Committees include

By Laws, Mrs. William Chapman; Year Book, Mrs. Gerard Ferrara; Club Woman, Mrs. David Parry; Publicity, Mrs. William Kinloch.

Delegates to New Jersey State Convention: are Mrs. W. Douglas Clark and Miss Ruth Hogan, Mrs. Herbert Tucker, EMD. Alternates: Mrs. David Parry and Miss H. L. Andree.

he hostesses in charge of the afternoon refreshments were Mrs. John DeNike, Mrs. Charles Maise, and Mrs. Russell.

Mother's Day

The observance of Mother's Day is a recent one in the United States, beginning only in 1907. Then it was the idea of Miss Anna M. Jarvis, a Philadelphia school teacher, formerly of Grafton, West Virginia, that at least once a year sons and daughters should pay tribute to mothers. Miss Jarvis arranged for a special church service and suggested white carnations be worn by those attending.

The observance, on the second Sunday in May, has rapidly spread to every part of the United States and the fact that it became custom in all the states only four years after it had been suggested testifies to the sentiment for such an observance in this country.

In later years, the custom of wearing a white carnation on Mother's Day was changed and those whose mothers were still alive wore red flowers, instead of white. First observed in the United States, Mother's Day has become an international occasion and mothers in every area of the world are now honored each year on Mother's Day.

More than anyone else, the mother who cares for both home and her children is destined to influence the character and future of the country. And often this responsibility is combined with a back-breaking and steady ordeal of sewing, washing, mending, cleaning and teaching. It is to this mother, who dedicates her life to her home, her family and children, that the country owes a debt of gratitude. It is this mother who represents the finest in our civilization.

FDA Fizzle

The Food and Drug Administration has, in effect, taken the side of producers against that of consumers in the debate over food labeling. The FDA recently pleaded it had no authority to grant the request of thirty-seven members of Congress and several consumer groups — compelling food producers to warn prospective buyers when all ingredients had not been listed on the label of a product.

The FDA, in effect, tossed the ball back to Congress (where the food packing industry will have a chance to bring pressure on local Congressmen). Congress should respond by promptly enacting the necessary legislation.

This is, however, a long process and one which could be snagged at various points. Currently two bills are being given serious attention. One is sponsored by those who urged FDA action (and who failed in an effort to get the Supreme Court to hear their case). The FDA sponsors another.

Atlantic Chemical President Salutes Police, Firemen

To the Editor:

My purpose in writing this letter is to pay public tribute to the intrepid skill and conscientious professionalism exhibited by the Nutley Public Safety Department — particularly the Firemen, Police and the First Aid Squad.

Their prompt and efficient response speaks volumes for these people dedicated to public service.

Yours very truly,
 Bernard Rabinowitz,
 President, Atlantic Chemical

School No. 2 Plant Sale Starts Today

The Home & School Association of School No. 2, Montgomery Street, Belleville, will hold its annual plant sale on Thursday, May 9th and Friday, May 10th, 9 a.m. to 3 p.m. It will be held outdoors, weather permitting. The price of the plants range from 35¢ to 75¢.

LOCAL SCOUTS of Troop 364, sponsored by the Elks are shown displaying the troop flag at a recent gathering.

Publish Sixth Installment Of 'Dissolution Of Society'

One of the relationships in which man seeks equality is that of knowledge. The relationship, as well as the need for equality, is demonstrated by the reaction of society to the Theory of Relativity.

In 1906, Albert Einstein propounded his first theory of Relativity. In 1929, he received some measure of acceptance for his contribution. In the thirties, the citizenry became aware of the theory and were agast that a theory had been propounded which few persons could comprehend. In 1945, the theory became reality in Hiroshima and Nagasaki. Now, in the space age, every television owner understands relative speeds. What once had been incomprehensible became a day-to-day necessity.

When one pauses to deliberate upon his own relations with others as regards knowledge, the duality of the struggle for social-survival becomes evident. One does not necessarily want to endure the "pain" required to attain superiority of knowledge. Nor does one want to endure the pain of being less than equal to the intermediate level of learning in the particular society.

Just as man struggles for equality of might and knowledge, he must struggle for equality in every other particular. Thus, the sum-total of man's labor is directed to finding the god-head and, the labor of the individual is directed to finding equality within his group. In all events, the individual and the society must become equal to each new demonstration of superiority by another.

No one will gainsay that man has not been successful in his struggle. He has built a

technological society out of wilderness. Nevertheless, his need for equality has had its final resolution. Equality will be the death of civilized existence.

Man has sought financial equality and his labors have been rewarded by inheritance taxes, income taxes, and now a guaranteed minimum income.

Man has sought economic equality and has received the poverty war, the office of equal economic opportunity, and a welfare state.

Man has sought sexual equality and has produced an emasculated male, homosexuality, and a coiffure of equal lengths.

Man has sought racial equality and has had to endure riots, contempt for heritage, and defiance of judicial authority.

Man has sought military equality and now supports timid leaders, an inept United Nations, and a storehouse of nuclear fear.

Man has sought religious equality and now has a moribund God, a purposeless existence, and contempt for the value of human life.

Man is at the peak of his struggle. He has won the battle for equality only to find he can no longer struggle in harmony with his fellow man. He is now having his rendezvous with destiny — to learn his energy can no longer be transformed into work in an equal social system, it is as though the struggle of man has been governed by the Law of Entropy — that all of the entropy of the Universe tends to a maximum at which point energy is equally distributed and life is impossible.

By Frank A. Orchio

In this week's installment of his book, "The Dissolution of Society," Jack R. Nageley asserts that man's struggle for survival is based upon competition as well as his need for equality. Nageley views man's attempt to seek equality through competition as a disastrous duality which will eventually destroy civilized society.

It is important to the understanding of the social aspect of the struggle for survival that the individual in any society acts only from necessity. The "pleasure" which man is said to seek is no more than the avoidance of the pains which are induced by physiological deprivations and social inadequacy.

Whereas it is easy to understand that all persons seek to avoid that pain which is presently induced by a particular deprivation, it is not so easy to understand the need to escape the pain of social deprivation. However, a few examples of conduct which are normal to any society operate as an aid to understanding.

History shows that "have-nots" have always sought equality with the "haves". Minority factions have always sought equality with the majority. Subservient nations have always sought equality with the dominant. Even now, China seeks equality in the world-society.

The need for equality is not peculiar to the civilized society. It was in evidence among

ancestral man.

Early man developed the flint stone in order to project his physical inferiority as to animal specie as well as his fellow man. When the lesser specie ceased to be a threat to dominion, man then had to acquire those weapons of combat that were developed by his fellow man. On went the struggle until the present time when all societies express the need for the hydrogen bomb.

It must be remembered that in all instances of the struggle for social survival, man did not act out of pursuit of "pleasure". He acted only from the painful need to be equal in society.

The need for equality is incident to every social endeavor. No man will tolerate dominion if such dominion transcends his threshold of pain. As it is with the individual, so it is with the society.

The need for equality on the part of society is — at this moment — in evidence in the world society. Each nation seeks the nuclear bomb so that in the event of war it will be capable of equal reprisal. And, should an even greater force be harnessed, every nation will seek to include such a force in its arsenal.

The quest for equality in every facet of social endeavor is not restricted purely to combat and warfare. It is natural to every social relation.

Browsing Belleville

with Pat Diana

(write me at 104 Overlook Ave. or call 751-6861)

GOOD DEEDS deserve notice, which is why I told you about the Star Ledger newsboy who returned a lost wallet last week. Received a phone call from John McElroy (I knew him as "Skip" in the days we both grew up in Kearny). John is the district manager for Star Ledger newsboys and he was happy to read about what one of "his kids" had done, but he also told me of another newsboy, Richard Cowan of Union Avenue, who found \$40 that another newsboy had lost. Richard returned it. Three cheers for these kids and their parents who raised them to be honest.

The Belleville Italian American Ladies Auxiliary will hold their sixth annual dinner dance at Beppy's Restaurant this Saturday. Chairlady is Mrs. Connie Masters, for tickets (at \$10 each) phone Helen Carlo 661-0567 or Lucy Vecchione 759-2622. President of the group is Mrs. Lee Carlo.

I met P.J. (Paul) McDonald the other night who looked ten years younger, sporting a mustache and the popular long-haired look... he says "hi" to all.

Carol Collins of Hoffman International knows the most interesting people, she introduced me to Edna and Tom Banks of Nutley. Tom is a designer of commercial kitchens and his firm, Thomas Banks Associates may be reached by phoning 661-2020. His wife, Edna, works with Lazor's Home Improvement Center, also in Nutley.

Our "Sparkling Personality" of last week was shorted by a paragraph or two... speaking about Barbara Welter — she has three sisters and two brothers, all born and raised in town. She gives credit to her mom and dad — Mr. and Mrs. Ray Kinsley, Sr., for their teaching of family solidarity, yet reaching out to help others and says: "They are two of the best parents any girl could have."

ATTENDED a Tupperware party at the lovely home of Barbara LaMotta last week. These are the products you see advertised on TV — everything for the home. Our demonstrator was Rose Ann Nessine, and she is really expert at her job... need some items for your home? (and, who doesn't?) call Rose Ann at 751-1236.

May 18 is the date for the Sabre Cadet Square Dance to be held at Jackson's Auditorium, Harrison... there will be beer, food, dancing and lots of fun. For tickets, phone Ray Kinsley at 759-5351.

Best wishes to Jim and June Margretts on their 36th wedding anniversary this past week.

The Seventh Annual Pancake Breakfast, hosted by the Branch Brook Belleville Kiwanis was held April 28 at Parrillo's Restaurant. This annual fund-raising affair has the guys turning the tables and being cooks, while their wives are waitresses. Chairman was Frank Pitt, ad chairman, Neil Fitzpatrick. Sig Swiderski and Len Condon headed tickets. In the kitchen we found Stu Hutchison, Steven Fox, Ernest Duson, Harvey Gardner, Bill Hettenbach and Anthony Narciso. Rounding out the committee were Randy Rossilli, Bill Pirk and Tom Jameson.

At the event saw Kate and Joe Burke, who celebrated their 24th anniversary on April 27. They have a son Joe and his wife the former Edith Padula and three grandchildren. Also seen were Mr. and Mrs. Neil Fitzpatrick's children Kelly Ann and Kathleen, and Cath Jameson. (Sally was at home minding a new arrival). Selling cakes were Lillian Condon, Rose Gonnello, Margaret Weidlich and Ruth Hutchison. Bernie O'Connor was on hand, as were Commissioner and Mrs. Robert Laterza and, from the Veteran Boxers Social Club Ernie Ratner, Frankie Bove and Pal Donahue.

May is Senior Citizens Month nationally... a few of our local celebrities who celebrate a birthday this month include: Vito Del Guercio, Mae Dempsey, Mae Friel, Josephine Gammara, Mary Gilchrist, Helen Iannicelli, Margaret Landon, Angela Marsiano, Francis Melchionne, Louis A. Meyer, Leonard Parlapiano, Alice Rushe, Anna Saade, Harry Smith and Catherine Tronicke... may each and every one of you enjoy "your day."

FIRST NOTICE the 1965 class of Belleville High School — the first class to graduate from the new building — is planning a reunion in the fall of 1975. There should be a great crowd, as this class had lots of "firsts" — in football, they beat East Orange on opening day... the baseball team won the Big 10 with 22 wins and five losses, of group four section two state championships. So, all you moms, dads and relatives, start telling the '65 graduates the push is on... some of the committee include Joe Cervasio, Bob Iracane, Myra Ceres, Eleanor Mostello, Tom DiBiasi and Leonard Luongo... more news later.

School Seven Budget and Funds committee is holding a Mother's Day Flower Sale at the school. Diana Lombardi is the chairlady and all in-season plants as well as tomato, egg and pepper plants will be on sale. Today and tomorrow — May 9 and 10 — from 9 — 3:30 at the school.

Reminder — May 13 will be the last OPE meeting this year with the fifth and sixth graders entertaining plus installation of new officers.

Received a nice letter from Mrs. J. Marino who told me about the Belleville Elks installation of officers for the coming year. They are: James J. Salmon — Exalted Ruler, Ray McDonald — Leading Knight, Harry Campbell — Loyal Knight and Warren Natusch — Lecturing Knight. About 100 people attended the solemn ceremony and then enjoyed a lovely meal prepared by Mrs. Colleen Salmon.

SPEAKING of the Elks, one of their past Exalted Rulers, Dan Meccia, opened his Town House (formerly Peg & Ben's) at 118 Franklin Ave. Nutley. Stopped in to see Dan and how the action was... some changes have been made and Meccia's Town House offers business luncheons from 11:30 — 2:30 daily, family dining until 9, after theatre snacks 9-1 a.m. with the cocktail lounge open from 10 to 2 a.m. He also offers an "all-occasion room" for showers, business meetings, etc. "Your Hosts" are Dan and his younger brother Vito... do stop by or phone 667-9870 for info.

I received a phone call about a couple celebrating their wedding anniversary. Didn't think it too unusual UNTIL I phoned the couple, who are most interesting and delightful. Congratulations on their 41st wedding anniversary are in order for Charles C. and Madeline Trivisano. The couple have two sons — Frank Joseph, who received three scholarships to John Hopkins and then attended the University of Maryland and is presently a doctor practicing open heart surgery.

He and his wife, Patti live in Harrisburg, Pa. and have two sons — Frank Charles, two and Michael Joseph, one. Charles Peter, the Trivisano's other son received five scholarships graduated Seton Hall Prep at the young age of 15, then attended Drake Business School, was quickly snapped up as being the highest in his class by Public Service and then attended college at Fairleigh Dickinson for six years. He is an office supervisor for PSE&G. He and his wife Mary Ann, also have two sons — Nick Charles, 8 and Charles Scott, 5. The Trivisano's also have 47 nieces and nephews.

Anyway, what their children did for their wedding anniversary was to send them on a trip to Italy, via Pan Am. On board the plane, they heard their names being paged, and the couple received a beautiful cake which they shared with other passengers. They toured Rome, Serento, Capri, Florence, Emolfi, Venice and Milan and embarked for home via Frankfurt Germany.

Mr. TRIVISANO is a most interesting personality who, though retired, keeps active in realty with Frank Taylor & Sons. He had a career as a police reporter, national advertising manager and promoted WNJR prior to being public relations and sales director for Frank Taylor where he also headed the Panther Valley conference center... I'll be telling you more about Charles Trivisano soon.

Belleville Chamber of Commerce members, take note. Mrs. Helen Oertel forwarded information on a "Mile long art show and craft fair" recently held in Clifton. Artists exhibited and sold their paintings and no charge was made, but it certainly is a good chance to get people out. Belleville abounds with many well-known artists... and, didn't we have a similar side-walk show? Mrs. Oertel would be happy to tell you how it can be done, and it would bring people to Washington Avenue.

A few weeks back, the Times had the wrong phone number for me at the head of this column and I wondered if I would miss any calls. One I found out was from Betty Schwenk, who, when she couldn't reach me at the phone number ("who the heck is Pat Diana?") wrote to advise that a Mother's Day Flower Sale will be held May 11 from 10 a.m. to 4 p.m. by the Women's Guild of the Belleville Reformed Church, Main and Rutgers Street. There will also be a number of small items for kids to purchase for moms.

WHAT IS A MOTHER? There have been many interpretations, but my own is that she is the Captain of the ship, steering her children through uncharted waters toward the foreign shores of adulthood. She is also the woman behind the man in her life and can make a "house" into a "home" of love, warmth and humor. Being a mother is by no means easy. It is a supreme test and challenge, sometimes sad, sometimes funny, but all times interesting.

I think my mother, Doris Murphy, for putting up with me all these years and still being there when I need her. I thank my mother-in-law, Frieda Bohlen, for letting me take care of her son, Fritz. I thank God, for letting me be a woman and a mother, to give me two daughters like Linda and Susan, who, with His help, will someday be happy women and mothers. We don't all have mothers around to help celebrate Mother's Day... and, there are some lonely women, who don't have a family to remember them.

Through your Church, organization, or friends — reach out a hand of "thanks" to someone who is alone. To all mothers everywhere, God bless. The hand that rocks the cradle rules the world.

READY TO GO — Twenty-four hours a day, Hilltop American towing service gets people and cars out of trouble. Shown here are Gerard Gerasa and Kindy Chirico.

Business Spotlight

Hilltop American Goes Anywhere

With a motto of "we go anywhere" Hilltop American Service Inc. at 69 Union Avenue is fast picking up the reputation of speedy, special handling in regard to their towing services. Owned for the past eight years by Joe Monochio, who is presently in Clara Maass Memorial Hospital, the facility offers gas (when they have it), and minor repairs such as brakes and electrical work.

In speaking with Gerard Gerasa and Kindy Chirico, the towing division of Hilltop is a 24-hour business and they have gone as far as Georgia and North Carolina to pick up cars in trouble. There are three tow trucks constantly on the road, called out either by Bigelow Motors, Learned Chevrolet, G & S Auto Body or the Belleville Police

Browsing Port Newark?

A Report from the Derrick 'Century'

by Pat Diana

I was launched... (not into society, but via Hoff an International's derrick barge century) recently. For a city dweller who has only seen a rowboat close up, it was quite an experience.

It was a beautiful day for my first visit to Elizabeth Bay in Port Newark — cold, yet shiny. The occasion was a first — for Hoffman and the Port of Newark and New York... it seems a 400 ton stator for an electrical generator arrived from France on a German Motor Vessel, the Nordseesand. The Century was going to lift this piece — the heaviest piece of equipment to travel through Port Newark — and place it aboard a special railcar which would take it to Pennsylvania... hence, the interest.

As I gingerly approached the ship (wondering if I should yell Ahoy! as no one seemed to be about), the

German vessel was next to the pier. I had to board that first and THEN... get aboard the Century, which seemed to be listing about 90 degrees. (actually, it was only 10 degrees). The men (after they got over being shocked to see a gal approaching) gallantly offered to hold a ladder so I could descend. I told them to turn their heads as I was coming

aboard. (I was wearing a skirt of all the darn things)... I made it! Once both feet were planted on the deck of the Century I felt quite secure, as I had read all about this great lady.

There were cables, anchors, etc., laying all over the deck and I jumped blithely around each impediment... I had to walk like Peg-leg Pete, as

with the listing, I was quite off balance and felt dizzy. (don't you DARE say it)... the men gave me coffee in the galley and I traveled up yet another ladder to the engine room where I met Ben Patrone and Bruno Gustavson. My guide was Lars Vik.

The engine room was gleaming with many cabinets that looked like computers, color-coded levers and wheels, and spanking-clean. This was the nucleus of all action and I watched Ben and Bruno — by a flick of the wrist — move the heavy boom of the Century this way and that. Bells were ringing, cables groaning and squealing and it was magnificent to view the mechanism controlling the lift of a 400 ton piece of equipment.

Meantime, a 140 ton capacity truck crane (travels on land, as opposed to the

derrick Century — on the sea) moved in to take off some lighter-weight cargo, a mere 90-tons each. What was funny, heretofore I had looked at these truck cranes in Hoffman's Belleville yard and thought they were big... but they're tiny compared to the Century.

When the Century stopped listing, and seemed level again, I could then jump from one ship to another — egads! I felt like a kid! After I jumped about five steps down on to the German vessel, one workman said: "Hey — you! you think you're a kid or somethin'?"

The television and newspaper media had been invited to see this event (not me... the lifting of 400 tons) but we were pre-empted by a kidnapping in Jersey. Maybe we should've stolen the Century to steal the show.

ON BOARD the derrick "Century" engine room workers Ben Patrone and Bruno Gustavson provide the power.

Pharmacy Footnotes

Vincent Cozzarelli Reg. Ph.

Acne has many causes, but the best defense is absolute cleanliness. Use soap and water several times a day. In very serious cases, a doctor or specialist should of course be consulted. Change your clothing frequently to avoid re-infection. Try not to eat greasy or fatty foods, cut down on carbohydrates and oils, get plenty of exercise and fresh air. The regularity of washing can keep your complexion clear and at its best.

The best of service is yours at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. Our prescription department has a full line of the newest drugs and we provide for free delivery service. Timex Watches, Transistor Radios, greeting cards, Whitman's and Schraff's Candies and other gifts are stocked for your Mother's Day needs. Hours: Daily 9am-10pm, Sundays 9am-9pm.

HELPFUL HINT:

According to doctors, a fever of low degrees can often be more dangerous than one of 105, since it may indicate a symptom of a serious condition.

"The Achievers"

59 Inducted into Honor Society

by Robin Bressman

The following students were inducted into the National Honor Society on Thursday, April 11.

Seniors were Janice Ameo, Gale Roberta Anderson, Brian Bedford, Bonnie Berkowitz, Robin Bressman, Robert Cozzarelli, Barry Dunleavy, Mary Kathleen Dunn, Theresa Fiarchild, Julie Flocke, Barbara Hodgden, Arthur Katz, Patricia Kimmel, Peggy Klein, Nicoletta Leone, Ellen Lewis, Anne Molloy, Pamela Natale, Joseph Onogrietti, Geraldine Palmisano, Arthur Reslak, Elizabeth Primamore, Lisa Ritacco, JoAnn Silvestri, Pamela Touch, Adele Tufariello, Barbara Vorrius, Beverly Wanch, Debra Zinna.

Juniors included Andrew Babji, Patricia Bonkowski, Dennis Buckley, Maria Calabrese, Jeannine Cannavina, Susan Cowan, Sandra Cronauer, Gary D'Atrio, James Davenport, Martin DeNoia, Kenneth Drake, Richard Filipek, Teresa Freda, Barbara Gaschke, Judith Halbert, Mary Jane Iz-

zo, Carol Jackson, Barbara Lopusnak, Maria Masucci, Michael McTigue, Constance Meyer, Dominick Mobilio, Elena Moissenko, Mary Morriello, Susan Narucki, Raquel Romero, Anthony Santinelli, Janet Smith, Donna Stone, Donna Tsouhnikas.

INITIATION CEREMONY for new members of the Honor Society included a march down the auditorium aisles by society members bearing symbolic candles.

The program began with the members of the Honor Society, as the girls entered from one door of the auditorium, and the boys from another. Each student carried a candle which lit the darkened room and each awaiting face in the audience. As they assembled at the front of the stage, Mr. Smith, principal, led the salute, and MaryJo LaMorte, president of the National Honor Society began the calling of those students inducted into the group.

As each name was called, heads turned to see in the direction of the student, as he stepped into the aisle, awaiting the arrival of the usher with the envelope containing the name. A spotlight came upon the student and was able to catch the excitement, shock, and terrific embarrassment all rolled into one for the whole audience to capture.

Each student was then ushered to a platform at the foot of the stage where a signature was needed in the book, and girls were to be given a petite yellow rose corsage. Following that, the students took a seat on the

stage until the final name was announced.

Mr. Smith led the oath to be taken by all students inducted, and the program came to a close as Mr. Smith went on to add what an honor it was to have been accepted into the society, and then concluded that "these were the achievers". The audience applauded and Mr. Smith beamed at the way the students in the crowd had handled themselves. The girls on stage stared at their flowers as the boys joked about how the girls received

flowers, and they did not.

All in all, it was one of the most memorable happenings of this year. Even the parents were awoken with the exciting news as most of the students rushed to the phone to call home.

A very nice party was given for the new members by the already existing ones, and as the party ended, and the new members were able to return to class, as the old members remained to clean up, one student yelled, "This time, it was really worth getting up so early in the morning!"

Winners Named In Poetry Contest

by Rea Spagnoletti and Anne Spira

Barbara Hodgen took first place with her winning poem in a poetry contest sponsored by the Junior Woman's Club of Belleville.

It was open to all Senior High School students and entitled "Spring Awakening." Second place was awarded to Maria Spagnoletti. The girls

were asked to participate in the Cherry Blossom Parade by Mrs. Fulda of the Junior Woman's Club. They accompanied the members in the MacDonald's Bus. At the town hall, both received a bond and a certificate.

The Junior Woman's Club has sponsored a few contests during this school year, and we hope that they will continue to sponsor contests in future years.

Hopefully, a better turnout of students participating in these contests will be evident. Many are not familiar with the contests that were this year. Next year, we plan to publicize them much more.

Quote of the Week

Those who educate children are more to be honored than those who produce them; for these only gave them life, those the art of living well.

DANCING to the sounds of Tommy James and the Shondells, however belated, was the highlight of the BHS Junior Prom, thought to be one of the best in the school's history.

At the Manor

April's Junior Prom Called 'Total Success'

By Robin Bressman

The Junior Prom, held on April 16, at the West Orange Manor, proved to be one of the most beautiful affairs Belleville High has ever seen.

Beginning at 8 p.m., a buffet was opened to the guests from Belleville High School, while those students who wished for their pictures to be taken, could do so. As the time arrived to sit down in the main room, the band began to play as the dinner was started.

It began with fruit cocktail,

followed by prime rib, baked stuffed potato, and string beans. Dessert followed as the president of the junior class, Chris Manning cut the cake along with his date, Maria and the entire room applauded the tradition.

Finally, after a long waiting period, Tommy James came on stage. It took quite a long time for the group to warm up, and it was not until almost 12 that the group began to play, and the room began to swing to such songs as "Crimson and Clover." In answer to the question of why it took so long for the group to warm up, Chris Manning explained, "On the day of the prom they picked up their equipment which had just been repaired after being in the van during an accident two days before. This accounted for the extended tuning-up period. However, Tommy James did play for an hour, as previously planned." Regardless, the waiting period seemed well worth it, as more people were on the

dance floor than not. As one of the guests, I feel that a prom in itself is a cherished memory, but having a prom such as this one given by the class of '75, makes all the expense and time put into it worth the effort. The Manor was certainly up to par, and even the weather was on our side for that night, as well as the following day.

Said Chris Manning, "I feel that the prom was a total success, and I hope everyone enjoyed it as much as I did. There were no problems and the Manor gave us the best they had to offer."

Buying a new house isn't the only way to have a new home.

How about a luxurious, step-in, soaking tub? Or, maybe just fixtures that don't leak and a place to stash the towels?

If you need another bedroom, bathroom, playroom or fireplace room, add it on without adding to your mortgage.

Whether you want more room, more luxury, or repairs to catch minor things before they blossom into major disasters, we can give you a loan to improve your home.

We'll arrange very livable monthly payments and if you have a checking account with us, we can deduct your payments automatically.

Meanwhile, you'll have made an investment you can enjoy living in while the value's growing. And you get to have your new house without a new mortgage, new neighborhood, new taxes and new problems.

Come in and talk to us about a home improvement loan at any office of Midlantic National Bank or call us at 266-6000.

With your imagination and our money, we can do beautiful things.

We're your size bank.

OBITUARIES

John W. Gabriel, 78; Was Safety Engineer

Funeral mass was held May 6 in the Church of St. Bernadette, Northfield, for John W. Gabriel Sr., 104 Overlook Avenue, who died May 2 in Clara Maass Memorial Hospital. A Belleville resident 51 years, he was 78.

A native of Pittstown, Pa., Mr. Gabriel came to Belleville from Newark. Prior to his retirement in 1964, he was employed as a safety engineer for the Continental Insurance Company, Mr.

Gabriel was a veteran of World War I.

He is survived by his wife, Mrs. Nellie Greblusky Gabriel; two sons, John W. Jr. of Northfield and Richard T. of Spotswood; a brother Joseph of Cedar Grove; 12 grandchildren and one great-grandchild.

Services were handled by the Kiernan Funeral Home and interment was in Holy Cross Cemetery, Mays Landing.

Alexander R. Tobia; Employed by Hospital

Funeral mass was held May 4 in St. Peter's Church for Alexander R. Tobia of East Orange who died at home May 1. A former Belleville resident, he was 43.

Born in Orange, Mr. Tobia was employed by the Essex County Hospital Center in Cedar Grove. He is survived by his wife, Mrs. Barbara Sotis Tobia; two daughters, Anne Marie and Cheryl Ann Tobia at home; a son, Alex-

ander T. at home; his parents, Mr. and Mrs. Alexander J. Tobia of Belleville; and four sisters, Mrs. Theresa McGuire of Belleville, Mrs. Lillian Sisto of Nutley, and Mrs. Dolores Postlewaite of Wayne.

The Rev. William G. Mink officiated the services handled by the Kiernan Funeral Home. Interment was in Immaculate Conception Cemetery, Montclair.

Theodore D'Amato; Resident 25 Years

Funeral mass was held April 26 at Holy Family Church for Theodore G. D'Amato, 175 Centre Street, who died suddenly April 23 at the East Orange General Hospital. A Nutley resident 25 years, he was 56.

A native of Newark, Mr. D'Amato was proprietor of a Gerard Express, Incorporated

of North Bergen, and was a member of the Nutley Amvets Post 30.

He is survived by his wife, Mrs. Elizabeth Caputo D'Amato; a son, Theodore of Nutley; a daughter, Mrs. Joseph (Marilyn) Marino of Elmwood Park, and a brother, Frank of Bloomfield.

Junior Woman's Club Plans To Recycle Used Aluminum

(Continued From Page 1)

The idea for the project came after the Junior Woman's Club had run a survey in the Belleville Times

seeking suggestions for a community project, then read about the purchase of the Friendly House as a Town recreation facility.

Besides donating the

recycling proceeds to the Friendly House, the Club will also be rolling up their sleeves to do some badly-needed interior renovations, like scrubbing down the swimming pool there. They may seek donations of fabrics from local merchants to make drapes for the windows, and they have scheduled a garage sale this weekend.

Other residents of Belleville, besides the Jaycees have already begun pitching in and Miss Bonnie Cook's high school art production class has been making posters to publicize the reclamation drive.

Director of Parks and Public Property Michael Marotti welcomed the efforts of the club. The friendly House, located in Silver Lake at 29 Frederick Street, has already been given a new artificial brick facade, and work on the interior has been proceeding at a steady pace.

Clara Weegar; Was Resident Of Newark

Funeral services were held April 23 for Clara Jane Weegar, 65 Jay Street, Newark, who died April 20 in Presbyterian Hospital. She was 62.

A resident of Newark, most of her life, Mrs. Weegar is survived by a daughter, Mrs. Nicholas (Lillian) Piacenza of Newark; a sister, Mrs. Elizabeth Schaller of Florida; and four grandchildren.

Attends Session In D.C.

Hon. Mae Mead Mazza, Essex County State Committee-woman from Belleville attended the recent National Conference of Democratic Women held at the Sheraton Hotel, Washington, D.C.

The conference was called "Pacesetter" and featured prominent women in politics such as former Congresswoman Helen Gahagan Douglas, former secretary to Mrs. Lady Bird Johnson, Congresswoman Bella Abzug. The women were addressed at a luncheon by National Democratic Chairman Robert Strauss.

Accompanying Mrs. Mazza from Essex County were, Mrs. May Maher, Essex County Vice Chairman and Mrs. Virginia D. Jones, Vice Chairman of the Central Ward, Newark, Mrs. Jeanne Schultz Vice Chairman of Verona and Mrs. Gloria Weber, Vice Chairman of South Orange.

Natural enemies kill National Forest timber

According to Forest Service data, trees containing about six billion board feet of National Forest sawtimber — timber suitable for manufacturing lumber and plywood — are killed each year by insects, disease, fire and wind. This is equivalent to about half the total volume of timber harvested from Forest Service lands in fiscal year 1972, and is enough to build some 400,000 homes.

NOTICE TO PUBLIC SERVICE ELECTRIC AND GAS COMPANY CUSTOMERS

PROPOSED RATE INCREASES

Public Service Electric and Gas Company filed a Petition with the New Jersey Board of Public Utility Commissioners on April 30, 1974 requesting a general increase in the charges for electric and gas service. The Company has also petitioned for authority to change the rates of depreciation presently being used.

Despite constant efforts to cut operating expenses, the cost of supplying electricity and gas continues to rise due to increases in the costs of labor, material, maintenance, environmental requirements and taxes. Furthermore, the cost of obtaining money to finance a vital expansion program is high. We plan construction expenditures of approximately \$2.8 billion for the 1974-1978 period. Most of this amount will have to be raised by the sale of stocks and bonds, the latter at interest rates that have nearly doubled in recent years. Our construction expenditures will reflect the cost of keeping pace with New Jersey's demand for energy, while minimizing the impact of our operations on the environment.

The Company has requested an overall increase of 19.98%, providing for electric revenue increases of 21.52% and gas revenue increases of 16.45%. The tabulations below show the proposed monthly increases for residential customers that would apply to various dollar amounts.

EFFECT OF PROPOSED RATE INCREASES ON RESIDENTIAL CUSTOMERS

RESIDENTIAL ELECTRIC SERVICE

If You Use Up to 300 Kilowatt-hours Per Month

... and Your Present Monthly Bill Is:	... Your New Monthly Bill Would Be:
\$ 5.00	\$ 6.81

31.92
37.01
47.19
57.37

Above examples include current energy and/or raw materials adjustment charges.

Any final rate relief found by the Board to be just and reasonable may be allocated by the Board for consistency with the provisions of N.J.S.A. 48:3-4, and for other good and legally sufficient reasons, to any class or classes of customers of the Company. Therefore, the average percentage increase in individual final rates may increase or decrease based upon the Board's decision.

It is expected that the New Jersey Board of Public Utility Commissioners will schedule hearings on our rate increase request. Present electric and gas rates will remain in effect until the Board approves new rates.

Copies of our Petition to the Board showing proposed increases in electric and gas rate schedules for all classes of customers, are available for review in every Public Service Electric and Gas Company Commercial Office.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Charlene Lorraine Moench Bride Of Robert Henry Batt

Miss Charlene Lorraine Moench, daughter of Mr. and Mrs. Charles Moench of 65 Howard Place and Robert Henry Batt, son of Mrs. H.V. Batt of Dublin, Ireland and

Mrs. Robert Batt — nee Charlene Moench

the late Mr. Batt, were married April 28 in Church of the Holy Name of Jesus, East Orange.

The ceremony was performed by the Rev. Peter

Galdon of St. Mary's Church, Nutley and a reception followed at The Wedgwood Inn, Morristown.

Escorted by her father, the bride wore a white chiffon and Venice lace gown styled with a high neckline, long sleeves and empire waist.

A wreath of white silk anemones held her fingertip veil and she carried an heirloom wedding bouquet of pink silk roses, anemones and babies breath.

Miss Karen Moench of Nutley was her sister's maid of honor in a pale pink sleeveless gown with a white Bertha collar decorated with miniature white lace roses. She carried a nosegay of pink silk anemones, statice and babies breath.

Max Schonberg of Newtown, Connecticut was best man with Chandler Weich of Bloomfield as ring bearer.

Mrs. Batt, a graduate of Newark State College, is employed by the East Orange Board of Education.

Mr. Batt, an alumnus of St. Peter's College, Jersey City, is with a men's fashion house in New York City.

The couple will make their home in Glen Ridge following a wedding trip to Virginia.

Mrs. Michael Clemente - nee Carol Sosin

Carol Anne Sosin Married In April

Miss Carol Anne Sosin, daughter of Mr. and Mrs. Irving H. Berkowitz of 489 DeWitt Avenue, Belleville and the late Mr. George Sosin, became the bride April 17 of Michael H. Clemente, son of Mr. and Mrs. James Clemente of 49 Hillside Avenue, Nutley.

Rabbi Irwin Fishbien of Westfield performed the ceremony at Richfield Regency, Verona. A reception followed.

Given in marriage by her parents, the bride wore a white sata-peau gown trimmed with Brussels lace and seed pearls and fashioned with bishop sleeves, tucked bodice, full skirt and attached train with double lace ruffled hem.

A matching lace headpiece held her cathedral veil and she carried orchids and small white carnations.

Miss Ilene Berkowitz of Belleville was maid of honor. Bridesmaids included Miss Kathy Clemente of Nutley, Miss Robin Brateman of Fair Lawn and Miss Valerie Mair of Tarrytown, New York.

The honor attendant was in a light blue matte jersey halter

gown with removable jacket. Her headpiece was of light blue lace and she carried a nosegay of blue and white carnations with babies breath. The other's gowns featured powder blue voile bodices and plaid skirts with matching plaid jackets. Powder blue lace headpieces and nosegays of blue and white carnations completed their outfits.

Robert Sommes of Nutley was best man. Chris Sasso, Ron Ruggiero and Bill Santella, all of Nutley, ushered.

Mrs. Berkowitz chose a blue maracaine gown with matching jacket while the groom's mother was in a pink gown with matching jacket. Wristlets were of orchids.

Mrs. Clemente is an alumna of Belleville High School, Monmouth College at Fairleigh Dickinson University.

Mr. Clemente, a graduate of Nutley High School and Tombrock College, West Paterson, is with Montclair-Bloomfield Ford.

The couple honeymooned in New England and are living in West Paterson.

Mr. and Mrs. DiGiovanni Jr. Are Honeymooning in Hawaii

Wedding vows were exchanged May 4 in Our Lady of Mount Virgin Church, Garfield, by Miss Lorraine Ann Moaba, daughter of Mr. and Mrs. Emil Moaba of Garfield and Frank DiGiovanni Jr., son of Mr. and Mrs. Frank DiGiovanni of T Wallace Street.

The Rev. Anthony DePalma performed the ceremony which was followed by a reception at The Cottillion, Garfield.

Escorted by her father, the bride wore a gown of white sata peau embroidered with seed pearls and Alencon lace and fashioned with full bishop sleeves and pleated ruffled hemline.

Her headpiece and mantilla veil were embroidered with pearls and lace and she carried white orchids and stephanotis.

Miss Janet Moaba of Garfield was her sister's maid of honor. Bridesmaids included her cousin, Miss Joanne Mamola of Maywood, Miss Elizabeth George of Clifton, Miss Patricia Szczygien of Garfield and the groom's cousin, Mrs. Phyllis DiGiovanni of Belleville.

Their gowns were of yellow chiffon with matching picture hats. The honor attendant carried a basket of yellow miniature carnations, white daisies and stephanotis. The others had baskets of yellow and white carnations, white daisies and babies breath.

Richard Martino of Belleville was best man. Ushering were the groom's brothers, Joseph and Jerry DiGiovanni, his cousin, Paul DiGiovanni and Sam Barbieri.

Mrs. Moaba chose a pink chiffon gown and matching jacket accented with maribou feathers. Her corsage was of pink roses. The groom's mother was in blue with matching jacket and a corsage of white roses.

Mrs. DiGiovanni, an alumna of Garfield High School and Montclair State College, is with New Jersey Bell Telephone Company, Passaic.

Mr. DiGiovanni, a graduate of Belleville High School, served in the Marine Corps and is with R.D.S. Trucking, Bloomfield.

The couple are honeymooning in Hawaii and Las Vegas and will live in Belleville.

Lynn Kondroski, R.C. Peterson Are Engaged

Casimer Kondroski of 62 Johnson Avenue announces the engagement of his daughter, Lynn Anne to Richard C. Peterson son of Mr. and Mrs. Charles Peterson of 6 Sunset Drive West.

Miss Kondroski, a graduate of Bloomfield High School and Berkeley Secretarial School, is a supervisor with Gateway Insurance Company.

Mr. Peterson, an alumnus of Nutley High School, is with Executone/N.J., Bloomfield.

The wedding will be held November 16.

Marilyn Lisante Will Play Part In Fashion Show

As part of her Senior year accomplishments, Marilyn Lisante, daughter of Mr. and Mrs. Carmine Lisante of Belleville, will take part in a showing of Spring and Summer Fashions for the Laboratory Institute of Merchandising.

The show will be held in the Grand Ballroom of the Plaza Hotel in New York at 3:00 p.m. on Friday, May 10. Miss Lisante is on the Fashion Coordination Committee.

Mrs. Frank DiGiovanni Jr. -nee Lorraine Moaba

Hesselberg-Rath Troth Is Told Betrothal Told; Of Ellen Velez, June Wedding Stephen Tremel

Mr. and Mrs. John Hesselberg of Nutley announce the engagement of their daughter Diane to Ethan S. Rath, son of Mr. and Mrs. William Spencer of Boulder, Colorado.

Miss Hesselberg, an alumna of Nutley High School, is a secretary accountant with Hoffmann-LaRoche.

Mr. Rath, formerly of Florida, is a graduate of Largo High School and general manager of Swiss Components, Whippany.

A June wedding is planned.

Mr. and Mrs. Henry Velez of Jersey City announce the engagement of their daughter, Ellen Patricia to Stephen John Tremel Jr., son of Mr. and Mrs. Tremel Sr. of 449 Greylock Parkway.

Miss Velez, an alumna of St. Aloysius Academy, Jersey City, is a junior at Jersey City State College.

Mr. Tremel Jr., a graduate of Belleville High School, is also a junior at Jersey City State.

The wedding will be held in the summer of 1975.

Miss Diane Hesselberg

Miss Ellen Velez

Junior Women Will Sponsor Garage Sale

Calling all bargain hunters to the Garage Sale being sponsored by the Junior Women's Club of Belleville on Friday, May 10, and Saturday, May 11. Choose a treasure from the numerous items compiled of antiques, bric-a-brac, and contemporary styles. This is the third year for this successful fund raiser whose profits will be donated to local charities.

Come to 160 Crest Drive (corner of Union Avenue), Belleville, between 10:00 a.m. and 4:00 p.m. on May 10 and May 11.

Happiness is in part the conclusion that you can't remake people or the world.

Avavath Achim Sisterhood Meets Tuesday, May 14

The next meeting of the Sisterhood of Congregation Avavath Achim of Belleville, will be held on Tuesday, May 14th, at 8:00 p.m. in Sisterhood Hall of the Congregation at 125 Academy Street, Belleville.

The program for the evening will be a talk by Joseph Puzo, who is Congressman Minish's top aid. He will speak on the Russian Crisis, Wheat Deal, Loans to Russia and Immigration of Jews to Israel. A question and answer period will follow.

Mrs. David Dunskey is program vice-president and Mrs. Irving Berkowitz will preside over the meeting.

Seton Hall Chapel Is Setting For Joseph-Sauer Wedding

Immaculate Conception Chapel of Seton Hall University was the setting April 28, for the marriage of Miss Salley Jane Sauer, daughter of Mrs. John Sauer of Thrumont Rd., West Caldwell and

the late Mr. Sauer to Paul Charles Joseph, son of Mr. and Mrs. George Joseph of Kenzel Avenue.

Rev. Michael Kelly of Seton Hall Preparatory School officiated at the

ceremony and concelebrated the nuptial mass with Rev. Michael Quinlan OEM, also of Seton Hall. A reception followed at Town & Campus of West Orange.

Escorted by her uncle, Edward J. Carton of Middletown, the bride wore a gown of white chiffon and pead'ange lace trim fashioned with a high stand up neckline, long bishop sleeves, high rise waistline and an A-line skirt. Her ensemble was completed by an attached chapel-length train and a full length mantilla of Chantilly lace.

Mrs. Richard F. Berk of Caldwell was her sister's matron of honor. Bridesmaids included Mrs. Gunner Braodwick of Bloomfield, Mrs. Craig Maziarz of Verona, Miss Sarah Zimmer of Paris, Kentucky, and Miss JoAnn Joseph of Nutley, the groom's sister.

Serving his brother as best man was John Joseph of Nutley. Ushering were the bride's brothers, Stephen E. and John P. Sauer of West Caldwell, R. Douglas Joseph of Bloomfield, the groom's cousin, and Mr. Berk.

Mrs. Joseph attended Lacordaire High School, Upper Montclair and is a graduate of Bloomfield High School. She also attended Felician College, Lodi, and is a dental assistant with Dr. James V. Sordill in East Orange.

Mr. Joseph, a graduate of Essex Catholic High School, attended Seton Hall University where he was a member of the Triphibian Guard. He is a department supervisor with Kraft Container Corp., Bayonne.

After a wedding trip to Bermuda, the couple will reside in West Caldwell.

Mr. Joseph is the grandson of Dr. Paul Kroemer of Nutley.

**** Faith in one's self is the foundation of success.

Garden Club Will Feature Illustrated Talk On Terrariums

On Friday, May 9, at 8:00 p.m., the Garden Club will feature the growing of terrariums. A representative of Mother Earth will show the audience many plants growing in glass bowls and will welcome any questions regarding them.

The club will have many

flowering annuals and vegetables plants for sale and any questions on the working of a home garden will be answered immediately following the meeting.

Refreshments will be served and the meeting is open to the public. It will be held at the Museum, 65 Church Street.

Tri-Towners Represented At Conference

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley, N.J. Inc. was represented at an all day conference of working women at Brookdale Community College, Lincroft, N.J. on April 20th. The conference, entitled "Women: Power and Potential" was co-sponsored by the New Jersey Federation of BPW Clubs Inc., the Community College and the Women's Bureau, U.S. Dept. of Labor.

Tri-Town members attending were Miss Marion Hansen, President, residing in Bloomfield; Miss Marion Johnson, 1st Vice President, residing in Nutley; Miss Edna Anselm of Verona and Mrs. Paul Theisz of Bloomfield.

Several outstanding speakers were featured at the conference. Namely: Mary Tobin, head of the Women's Bureau of the U.S. Dept. of Labor; Morag Simchak, special assistant to the U.S. Asst. Secy. of Labor for Employment Standards; Anne C. Martindell, N.J. State Senator from District 14 and Dr. Virginia Bennett, Dept. of Psychological Foundations, Rutgers University. The principal speaker at the noontime luncheon was John J. Riley, Vice President and special assistant to the president of the N.J. Bell Telephone Company.

Following the luncheon, three workshops were conducted for the women. These included "Working For You," "Treads and Retreads" and "Up to the Individual."

The conference and workshop is one of the several projects which the N.J. Federation of BPW Clubs conducts during the club year. Interested in the welfare of women, the BPW works toward improving the status of women in employment.

Membership in the BPW is open to any women employed in the business and professional fields or who is currently employed in any field. Applications for membership may be obtained through Miss Ruth Williamson, Membership Chairman of Tri-Town BPW, 125 Union Ave., Belleville, N.J. 07109.

Tri-Town Business and Professional Women held its regular monthly dinner meeting at Park Methodist Church, Broad St., Bloomfield.

Perform a death-defying act. Have your blood pressure tested.

UJA Sponsors Walk-A-Thon On May 19

On Sunday, May 19, 1974, the United Jewish Appeal of Metropolitan New Jersey will sponsor KADIMA '74 — a Walk-A-Thon in support of Israel.

The sponsors of the Walk-A-Thon said that KADIMA will serve a two-fold purpose: to raise money for the people of Israel and to demonstrate — through participation — solidarity with the people of Israel at a time when most of their humanitarian programs depend to a large extent on the support of the American Jewish community.

KADIMA '74 is an exciting community event for all ages, and all members of the community are urged to take part in it, and to help insure its success.

Complete information on all aspects of the Walk-A-Thon, including volunteer service for adults, may be obtained by calling KADIMA '74 Headquarters at 673-6800.

CO-SPONSORS of a career counseling mobile unit which is touring schools in New Jersey are the Clara Maass Hospital Guild and Auxiliary. Mrs. Julia Huemer (left) representing the Auxiliary and Mrs. Heidi Amirata, president of the Guild, sign the contract with James Savage of the New Jersey Hospital Association.

Unitarian Church Flowers And Fun Fair This Saturday

Flowers and Fun will have a come-hither look at the spring fair on the lawn of the Unitarian Church, 67 Church Street, Montclair, from 10:00 a.m. to 3:30 p.m. on Saturday, May 11.

Mother's Day gifts may be selected from the gift certificates done up by Mrs. Merrill Morris of Nutley. Arts and Crafts collected and arranged by Mrs. Sandy Bachtel of Verona or the White Elephant surprises of Mrs. Rosemary Hickey of West Caldwell.

Herbs, vegetables, annuals, house plants, nursery items, flowers and seedlings will be displayed in abundant profusion as well as garden accessories, pots and vases. Mrs. Adriania O'Toole and Mrs. Miriam Pennington of Montclair will fashion fresh flower nosegays suitable for all mothers and sweethearts.

Fun will be everywhere. It will be under the spreading umbrellas adding shade and color. It will be in the interesting diversions planned by Mrs. Magdalene Constant with special activities for children. Another Montclairite, Mrs. Jackie Streisinger, will make the afternoon fly with her skillful portraiture work with children, and elsewhere there will be shopping for children with no adults admitted.

One-spot foods such as hero sandwiches, hot dogs, cold and hot drinks, will keep Mrs. Patsy Weren, Glen Ridge, hopping to fill orders. At another booth a second Glen Ridge resident, Mrs. Marilyn Brewer, will have tempting home-made items, pies and marmalade, for at-home treats.

"It's an Everybody Flower and Fun Fair," according to general chairmen, Mr. and Mrs. Myron Doherty, Cedar Grove, Mrs. Elise Yorton, Nutley, is helping to publicize the gala event.

Give the other man credit for some sincerity of purpose and you might be able to understand him better.

MENTAL HEALTH MATTERS

Bertram S. Brown, M.D., Director
National Institute of Mental Health

Good to Know

It's Good To Know About Mental Health is the title of a new publication from the Federal Government's mental health agency — the Alcoholism, Drug Abuse, and Mental Health Administration of the U.S. Department of Health Education, and Welfare.

The pamphlet offers an overview of the major matters not only of mental health but also of mental illness.

Since the positive values of life ought always to be accentuated, the new pamphlet starts out with a discussion of just what mental health consists of — and gives "two important tips" for your guidance.

It's Good To Know About Mental Health goes on to tell you what to watch for to protect mental health and cope with mental illness.

"You can help yourself and your family and friends a great deal," the publication says, "by knowing some of the warning signs that may indicate deeper and more complex problems for which help may be needed."

It discusses these signs which include undue and prolonged anxiety or depression, and abrupt changes in mood and behavior.

The causes of mental disorders and the "kinds" of

mental illness are explained in understandable terms. Neuroses personality disorders, and psychoses are covered in the discussion of types and kinds of mental illness.

The publication also points out that mental illnesses can be treated and summarizes some of the methods of today's therapies.

Practical advice is offered in a section entitled "Helping Yourself to Mental Health."

Copies of the new pamphlet are now available, at 25¢ per copy. Order It's Good To Know About Mental Health, Stock Number 1724-00337, from Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

Firemen's Post Sponsors Party Announces Plans

The Ladies Auxiliary of the Firemen's Post No. 1851, Veterans of Foreign Wars sponsored a "Spring Thing Cocktail Party and Get-together" on Sunday afternoon, April 28. Miss Margaret Keppler, East Orange and Mrs. Andrew Galbles, East Orange served as hostesses under the guidance of Chairman Miss Judy Gottschalk, West Orange, with proceeds of the affair to benefit the Community Activities Funds.

Miss Gottschalk also put on a "One-Woman Show" at the Post Home May 7th, at the close of the Business Meeting.

If the family is going on an extended vacation, crops that have a short harvest period should be omitted or else planted to mature before or after vacation.

Geranium Sale Starts Today At Mountainside

Geraniums and hanging baskets will abound at the Women's Auxiliary's annual Mother's Day geranium sale, Thursday and Friday, May 9 and 10, at Mountainside Hospital.

The sale will be in the lobby and on the front lawn from 9 a.m. to 4 p.m. All proceeds will go to the hospital.

Stork Club

Jersey Employment Rose During Month of March

Nonfarm wage and salary employment in New Jersey rose by 18,000 in March announced Joseph A. Hoffman, Commissioner of the N.J. Department of Labor and Industry.

Tri-Towners Will Attend Federation Convention

Members of Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley, N.J. Inc., with more than 400 other working women from New Jersey, will attend the 55th Convention of the N.J. Federation of Business and Professional Women's Clubs from May 17 through 19, at the Holiday Inn in Atlantic City.

Registration will take place on Friday morning and will be followed by the opening of the session and workshops on Friday afternoon.

Highlights of the convention will include special workshops, election of new officers for the club year of 1974-1975, presentation of awards, a memorial service for deceased members and a special tribute to three New Jersey young career women.

New Jersey has 62 clubs throughout the state and is affiliated with the oldest and largest organization dedicated to the welfare of working women.

National, State and Local clubs have carried on a 30 year campaign for the passage

of the Equal Rights Amendment (ERA) which is nearing ratification. New Jersey was the 11th state to ratify the amendment following its passage by Congress 2 years ago.

The delegation from Tri-Town BPW will be headed by its president, Miss Marion Hapsen, residing in Bloomfield.

Tri-Town Business and Professional Women's Club sponsored its annual scholarship dessert card party on April 27th in Bloomfield High School Cafeteria. The proceeds from this very successful affair will be used for scholarships to a deserving high school senior in each of the three towns. There will also be three typing awards for girls going into the business world.

Miss Margaret Mostica, chairman, residing in Nutley and her co-chairman, Mrs. John Westcott of Belleville, would like to publicly thank the members of the committee for their untiring efforts in helping to make the party such a great success.

Rose Society Will Discuss Insect Damage

"Protecting your roses from damage by insects and diseases" will be the topic to be discussed at the meeting of the North Jersey Rose Society to be held at the First United Methodist Church, 24 North Fullerton Avenue, Montclair, on Tuesday evening, May 14, at 8 p.m.

The speaker will be Mr. Paul Wiedemann whose experience with Ortho Division of Chevron Chemical Company serves him well in presenting the subject of control and prevention of problems which are common to most rose growers.

It's very hard not to fool yourself about yourself.

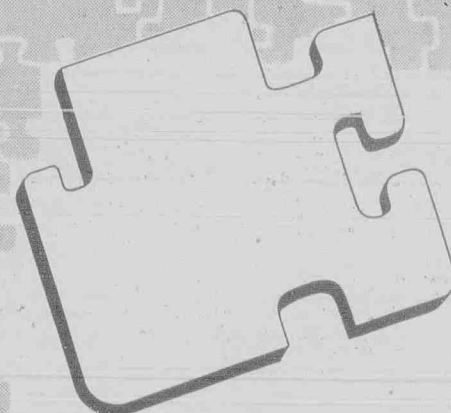

Achievement Medal Given To Lt. Perras

Lt. Jg. Wayne I. Perras Glastonbury, Connecticut, has received the Navy achievement medal for his meritorious action while serving with RVAH-6 aboard the aircraft carrier U.S.S. America in Vietnam.

His wife, the former Alice Whitney, of 71 Bremond Street and son, Ryan, are residing in Glastonbury until they join Lt. Jg. Perras, presently serving with the Air Wing aboard the U.S.S. Forrestal deployed in the Mediterranean Sea.

CHAMPAGNE TASTES

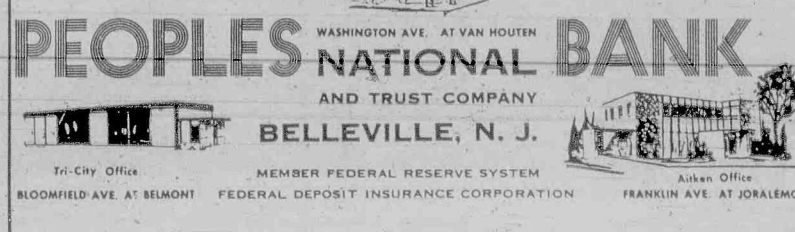

The United States imported 3.9 million bottles of champagne from France last year, according to the Producers' Association.

Red Cross Elects New Office Slate

Melvin V. Gibbons of Maplewood was re-elected to a second term as chairman of Essex Chapter, American Red Cross at the chapter's eighth Annual Meeting, held last night at the Holiday Inn of Livingston.

Re-elected to the post of chapter treasurer, was Robert A. Klein of South Orange.

Charles W. Poole, Summit and Miss Lucille Verleden, East Orange were elected vice chairman and secretary, respectively.

Also re-elected to three year terms as members of the chapter's Board of Directors were Miss Debra Haumacher, Maplewood; John J. Kile, East Orange; and Robert W. Powell, Newark.

Newly elected to three year terms on the Board were Ralph Berger, Basking Ridge; Philip Kaltenbacher, South Orange; Mrs. Isabelle Kirehner, New Providence; Miss Constance Woodruff, West Orange; and Dr. John Winslow, Maplewood and Dennis DeCarlo, Bloomfield.

Ward Herbert of South Orange and Eric Stromberg of West Caldwell were elected to fill Board vacancies.

Those elected to fill three year terms as Community Advisory Board representatives to the chapter Board from its five Service Centers included Joseph Grosch, Belleville; Mrs. Mary Paula Gauthier, Bloomfield; Mrs. Rosa L. Nancy, Talmadge Mercer and Mrs. Dorothy Wescoat for Newark; Thomas Brennan for the Oranges and Maplewood; and Mrs. Justus von Lengerke for West Essex.

Gibbons has been an active Red Cross volunteer for twelve years and formerly served as chairman of the Oranges and Maplewood Service Center Community Advisory Board. He is a retired executive of the Mobil Oil Corp.

PS Asking Rates Boost

Public Service Electric and Gas Company filed a petition with the New Jersey Board of Public Utility Commissioners requesting an overall revenue increase of 19.98 per cent.

The petition asks for a 16.45 per cent increase in gas revenues which represents an annual increase of \$64,500,000 and a 21.52 per cent increase in electric revenues representing an increase of \$192,923,000 annually. The total increase in annual revenues requested is \$257,423,000. Of this amount, the company will be required to pay approximately \$140,000,000 in federal, state and local taxes.

Lung Assn. Sets Annual Meeting

Dr. James Fitzpatrick, executive vice-president of the Hospital Research and Educational Trust of New Jersey, will be the featured speaker at the Annual Meeting of the American Lung Association of New Jersey. The meeting will be held on Wednesday, June 5, at the College of Medicine-Rutgers Medical School, Piscataway, and will begin at 12 Noon. It was announced today by Frank Pesveye, Nutley, chairman of the Association's Annual Meeting Committee.

Dr. Fitzpatrick will speak on "Monitoring Health Care."

In addition to his present appointment, Dr. Fitzpatrick is a clinical assistant professor of medicine at the College of Medicine. He is a graduate of Jefferson Medical College in Philadelphia and is a member of the American Thoracic Society, the Association of Hospital Medical Education, the Academy of Medicine of New Jersey and numerous other professional societies.

The Lung Association's luncheon meeting is the 68th Annual Meeting of the Christmas Seal Association. Prior to the luncheon the membership will hold its annual business meeting.

A special day long meeting entitled "Services for the Patient with Lung Diseases" will also be held on June 5 at the College of Medicine. This meeting is designed for social workers and others interested in the needs of the lung disease patient.

The public is invited to attend. Reservations may be made with the Lung Association office in Union or by telephoning 201-687-9340.

Legion Slates Tryout Times

The Belleville American Legion Post 105 will conduct its first tryouts for its baseball team on Sunday, May 12 at 1 p.m. at the Belleville Municipal Stadium.

All young men who will not reach the age of 19 before August 1 of this year are eligible to try out.

The second tryout will be held on Sunday, May 19, at 1 p.m. also at Belleville Municipal Stadium.

This year's team will have a new coaching staff headed by Mike Limongelli and assisted by Vinnie Lipoma and George Zanfini.

All eligible young men are welcome to try out. If there are any questions please contact Mike Limongelli at 751-2395 between 10 p.m. and 11 p.m.

Golf Team Cops Year's First Win

by Mike Monagas

The Belleville High School golf team came home for the first time this season last Friday, and captured its first win of the season against Montclair. When the golfers played Montclair away on Monday, however, they reverted to their losing ways.

The away losses have plagued the team all year, as can be seen by their 1-5 record. Every loss has been away. Two matches that were scheduled at home during that stretch, were rained out, while four of the first six matches have been played in the rain and win. Clearly then, Mother Nature has not favored the duffers. The only bright spot that remains for the team, is that no matter what happens from now on, every remaining match will be played at Forest Hills Field Club, the team's home course.

In the duffers home victory, Co-Captain Al Ciccone and Carmen Minardi led the way by shutting out their men. Kaz Widuch scored 2½ points, Dan Cassese 2 points, and Co-Captain Mike Monagas scored 1½ a point. All totaled, the combined team score was 11-7.

In the loss at Upper Montclair Country Club, Mario DeVoogt and Kaz Widuch were high men with each scoring 2½ points respectively, while the team went down in defeat by a 10½-7½ margin.

To take a realistic look at the rest of the season, the team's chances do not appear very bright. Tomorrow, the team plays a dual match against Bloomfield and Nutley, the top two teams this year in the Big Ten. In their previous matches with them, the duffers have been

(Continued On Page 12)

For Third Year

Bengals Conquer Bellboys—Again

By Pat Caputo

For the seventh time in a row, a Bloomfield base-ball team defeated Belleville, the most recent coming last Tuesday, in Bloomfield, 4-2. Belleville will try again on Monday, when they face this same Bloomfield team in the opening round of the Greater Newark Tournament. A victory here would be the first for Belleville over Bloomfield since April 1971.

Bloomfield is just one of possibly nine teams the local diamonders will face in a span of eleven days, barring rain. Starting this Tuesday, the Bellboys faced arch-rival Nutley and yesterday, they played Irvington, a game too late for the Times to cover. Kearny invades Belleville tomorrow, and the Bellboys are on the road again Saturday, for a morning game with Wayne Valley.

The following Monday, Bloomfield hosts Belleville in the opening round of the GNT. Tuesday, May 14, Montclair comes to town seeking revenge. Wednesday is the tentative date for the first round of the state tournament game, as yet no opposition or site has been chosen. Closing out the busy schedule are two home games, Thursday with Seton Hall and Friday with Passaic.

Bloomfield continued their three-year trend of defeating Belleville when they came across with timely hits in order to score their runs in bunches. They put tow hits and a walk together in the third inning to break a scoreless tie and take the lead 2-0. Joe D'Argeni walked with two out. Lead-off hitter Wayne Wallace singled to right. Tom Debold then clouted a full-count pitch to

left-center field to drive in both runners, who were moving on the pitch.

Those were the only hits off Belleville starter Dennis Nadzan until the fifth wehn they received an infield hit. However, in the bottom of the sixth, Bloomfield added what looked like insurance runs when Tom DeBold homered for his third run batted in of the game. With two gone in the same inning, Sal Rosamilia singled to left, Bob Morton followed with a single to right as did Mike Casale, driving in Rosamilia.

Nadzan went all the way for Belleville, allowing seven hits, but six of them came in innings where Bloomfield scored. He is 1-2, Belleville is 6-4.

Belleville on the other hand wasted four hits and two walks in the first six innings, before scoring in the seventh. With one out, pinc hitter Steve Senatore drew a walk and vin DeNotaris ran for him. After two were out, Steve Gerard slammed a John Stanford pitch over the left field fence and into the river to account for the two Belleville runs. It is Gerard's first home run of the year and

Belleville's first since opening day.

John Stanford had held Belleville scoreless for 13 innings in the two times he has faced them, before Gerdd connected for the home run in the

With Two Wins

Trackmen Snap Loss Streak

by Bob Cohen

The Belleville High Track team snapped its losing skein at five as the local runner bounced back to topple East Side and Orange last week at Belleville.

These two straight wins have now set the seasons slate at 4-5 as the Bellboys completely dominated East Side by the score of 87-35, and handing the Tornadoes the short end of a 66-56 outcome.

Today at 3:30, the cindersmen are looking to even

up their record at an even .500 as they play host to the Irvington Campers. Then on the following Monday, Belleville will play host to Newark Tech. The time of the first race is also 3:30.

Everything that could have possibly happened right did so in this meet against East Side. First of all, the hurdlers recorded their first sweep of the season in the 120 highs. Coming in first was Ken Drake at 16.6, Bob Sanders at 18.8 and sophomore Nick

Semaka scored his first varsity point as he finished third at 18.1.

Next came the 100 yard dash and Belleville's Greg Bunch and Bob Cohen finished first and third respectively although they were both clocked at the identical times of 10.9. In a situation such as this the very lean of the runner determines the winner in this race.

The second sweep of the day was chalked up in the mile as Mike Fortino, Nelson

Seda, and Jim Beck finished one, two, three. Their times were 4:55.1, 5:01, and 5:06.9 respectively.

Running and winning in the 440 was junior Brian Wood who finished up with a time of 55.5. Third for Belleville was Wayne Kellenbence at 56.9.

Competing in the 330 intermediates, Sanders and Drake again copped the top positions as they ran at 45 and 45.3 respectively.

The East Side meet also

(Continued On Page 12)

The Goodwill Trophy Is Back!

The Goodwill trophy is back in Belleville after one year out of town. The Bellboys rowers reclaimed the cup from Nutley after defeating that team and Kearny in three exciting races Saturday.

Belleville took both the jayvee and freshman races, but lost the varsity contest to win the Goodwill Regatta with four points, while Nutley claimed three and Kearny two. The Regatta marked the end of eight-man shell competition for the Bellboys. This Saturday they will enter two four-man shells in the Poughkeepsie Regatta.

Head Coach Sam Giuffrida said he and his team were "happy to have the Goodwill trophy back. We were looking forward to it and the win was a total team effort."

Giuffrida said he was pleased by the outcome of the jayvee and freshman races, but "disappointed" by the varsity race, which saw the Belleville and Kearny shells tangle oars only a few yards from the finish line.

Giuffrida, who said the Kearny shell "veered over" and wrapped oars with the Blue-Gold rowers, breaking a Belleville oar. "Our boys just about stopped rowing," said Giuffrida, "but it's really academic now."

The foulup enabled Nutley to three seconds ahead of the Bellboys, while Kearny beat Belleville by a half-second. Nutley finished the mile in 4:45, Kearny in 4:47½, and Belleville in 4:48. In the Bellboy boat were Walter Cole, Ted Perih, John Kelly, Tom Della Torre, Ken McDonald, Joe Vazquez, Brian Bedford, Bob Falco and Billy Smith.

Summing up the 2-6 season for the varsity, Giuffrida said, "They were a team that really improved a lot through the season, and I have a lot of admiration for the way they stayed with it."

The jayvee's biggest problem Saturday seemed to be getting off the starting line as four starts were ruined by drifting boats on the choppy Passaic River, snarled oars and other false starts. Once the race did get off, it was nip and tuck until the Bellboys put on a powerful sprint in the third quarter, outdistancing Kearny, their closest competitor, by two and a half seconds. The final times were Belleville, 5:02, Kearny, 5:04½, and Nutley, 5:06½. Manfing that Belleville boat were John Forlenza, Gerard Garramone, Keith Wadell, Matt Miele, Donald Paterno, Frank Hildebrand, Mike Davis, Mike Barbone and Mike O'Connors.

The frosh had the "easiest" day of all, as they clinched the trophy for Belleville by outdistancing Nutley by seven and a half seconds. The times were Belleville, 5:00, Nutley, 5:07½ and Kearny, 5:28. The frosh crew was made up of Bill Stefanczyk, Mike Russomanno, Bernie Dalcortivo, Paul Melchionne, Frank Koehler, Rich Budrick, Paul Denning, Steve West and Guy Westpy.

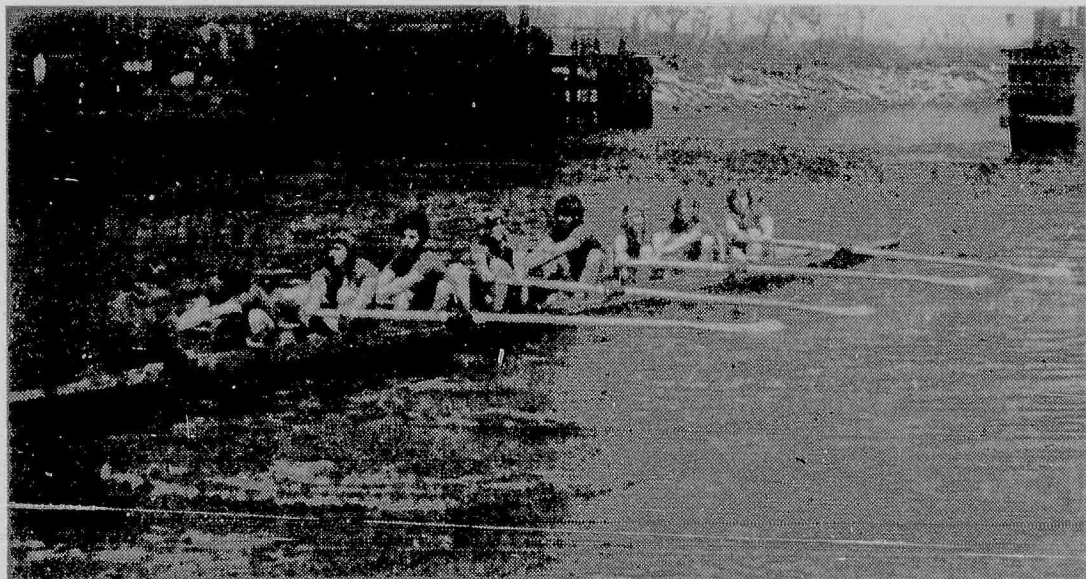

Eight to ten crews are slated to compete in Saturday's Poughkeepsie Regatta, including Belleville, Nutley and Kearny. Belleville will send two four-man boats, one made up of seniors Tom Della Torre, Joe Vazquez, Brian Bedford and Ken McDonald. The other crew has not yet been decided.

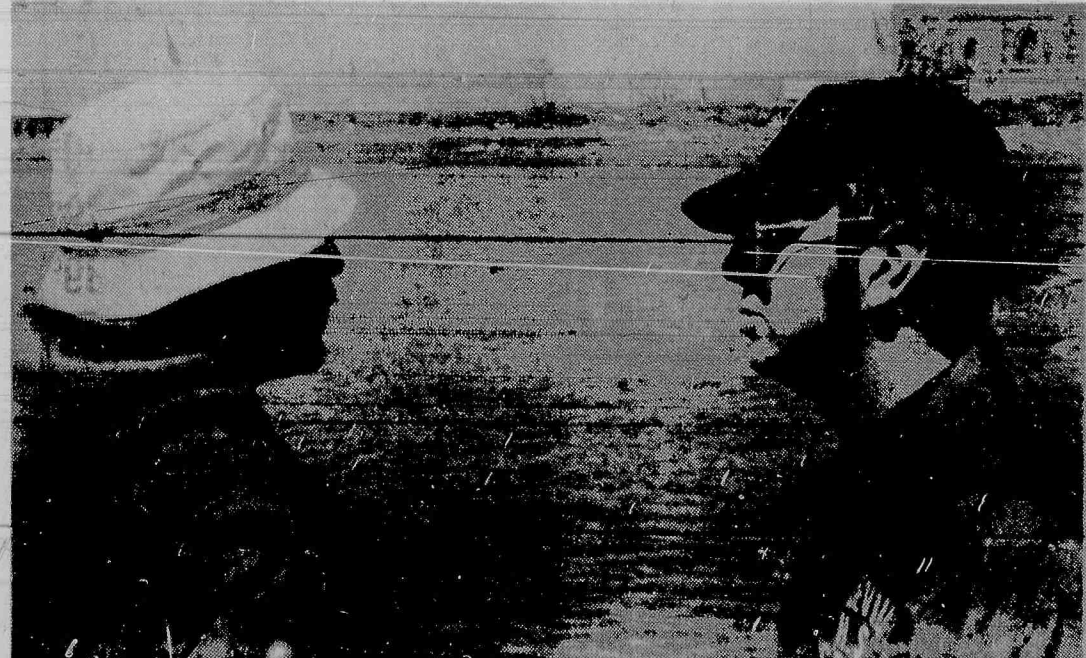

WITH THE PRIZE — Some members of the Belleville crew team are shown with the Goodwill trophy, returned to Belleville after a year in Nutley.

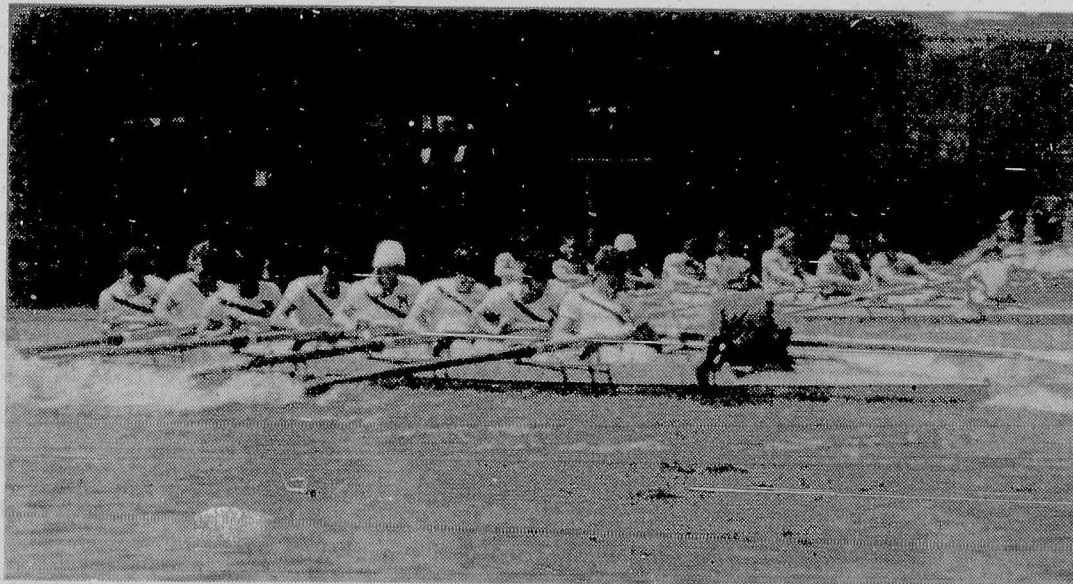

LAST MINUTE repairs on the launch engine are made by pilot Joe Lipani just before the crew race.

CASTING OFF — The Bellboy varsity shell leaves the dock to head for the starting point of their race during the Goodwill Regatta. They were beaten out by both Nutley and Kearny, hampered by a collision with the Kardinal boat near the finish line.

COACHES CONFER — Head crew coach Sam Giuffrida (right) and assistant coach Tony Sorrentino (left) survey the Passaic to assess race conditions. A brisk breeze cut across the river, making chaos out of the start of the Jayvee race.

AT THE BRIDGE' the Belleville jayvees (background) have taken a clear lead over Nutley. They put Belleville off on the right foot as they won the initial race of the day, by a margin of two ½ seconds ahead of Kearny.

CUTTING ALONG the Passaic, the frosh team is viewed from a vantage point on the Rutgers Street bridge, as they head for a win over Nutley and Kearny, to wrap up the regatta for Belleville.

La Conte's Winning Ways

by Dennis Buckley

Coach Ralph La Conte of the Belleville Junior Varsity Baseball squad is a victor. From May 11, 1973 until

April 27, 1974 La Conte has coached 15 straight victories including a triumph over Millburn by a score of 2-1 last year in a varsity State tourna-

ment game.

The last seven games of the 1973 season were won by several members of the current varsity squad. This year's Jayvee team started on the right foot by winning its first seven games before being defeated on Saturday, April 27 by West Essex by a score of 6-5. This loss occurred in the second game of a doubleheader.

The coach would like to commend these two Jayvee teams for helping him to achieve this aim.

La Conte is hoping that a new winning streak will start on Tuesday at Bloomfield. Despite the one loss to West Essex, La Conte is confident because the players show a great desire to win.

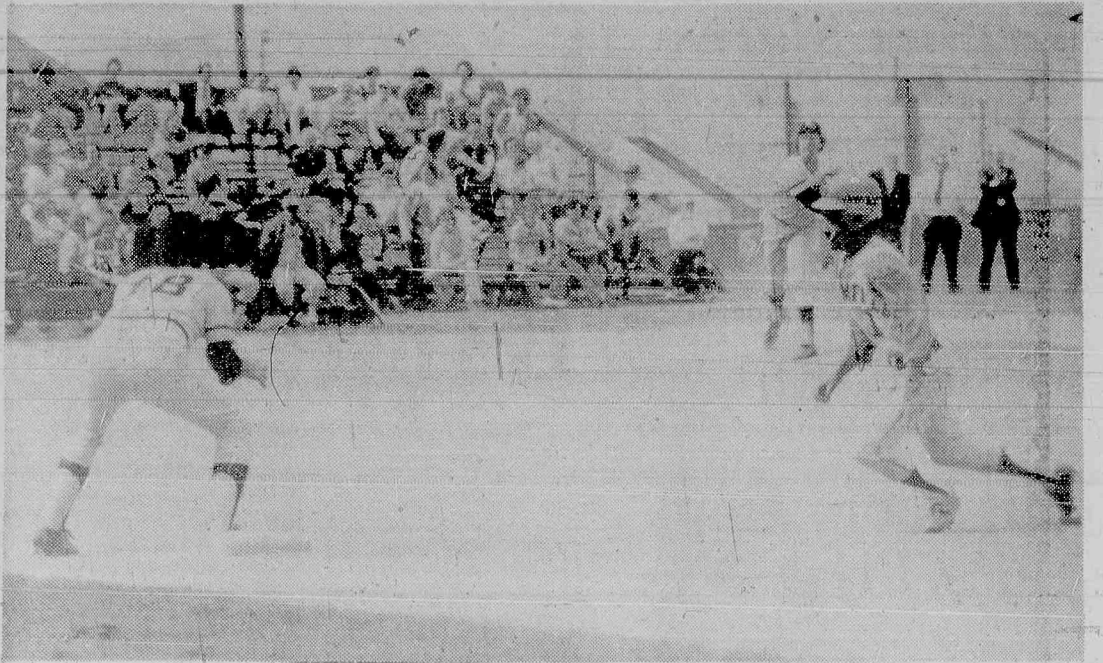

Bellboy Nine To Try Again Vs. Bengals

(Continued From Page 11)

seventh. Stanford struck out eleven this time, after fanning eight in his first outing at Belleville. Belleville managed five hits off the big right-hander, after being held to just two hits their first-time against him. Stanford is 3-0. Belleville helped him out by stranding seven baserunners. They had runners on in every inning of the game.

The day was especially frustrating for Bill Telesco. Leading off for the first time this season, Bill collected three hits, but was left on base very time.

A good note for Belleville was the marked improvement of their team defense. Only one error was committed and that was a difficult pop up dropped by the catcher. The infield handled twenty one chances without an error.

ATTEMPTED PICKOFF X Dennis Nadzan throws to first baseman Joe Cerza in an unsuccessful attempt to pick off a fast Bloomfield baserunner. The Bloomfield jinx continued as Belleville dropped the game, but they'll have one more shot at the Bengals on Monday.

clobbered. Coach Michael Salzarullo has resigned himself to a "building for next year" attitude, and the team members themselves are discouraged.

No one has stated it out right, but the general feeling exists that this years Co-Captains have not come through as expected. The Monagas-Ciccone tandem last year combined for 50½ points, while with half a season gone by this year, the two have only collected eight points. Admittedly then, they're lack of scoring punch has hurt the team.

In their defense however, Ciccone has moved from three to two man this year, while Monagas has jumped from four to one man, a very difficult transition for both.

by Dennis Buckley

On Saturday, April 27, the Belleville Jayvee baseball team suffered its first loss of the season in the second game of a doubleheader at West Essex.

In the opener, the junior batsmen beat the West Essex Knights by a score of 7-3. Vin De Notaris came down from the varsity team to play left field and he led off the game with a homerun to centerfield. Lou Grasso, another member of the varsity squad, drew a walk and scored on a double by catcher Greg Dunleavy.

West Essex scored once in the bottom half of the inning on two errors and a single.

In the Bellboy half of the third, Grasso walked and advanced to third base on John Guarino's double. Grasso and Guarino scored on Nicky Cancelliere's single. "Cance" safely stole second before the catcher's throw went on through the infield and passed

the centerfielder. This blunder allowed Cancelliere to come on home with another run.

The Knights retaliated with one more run in their half of the inning on a single, walk, and the run-scoring double.

In the fifth, Biafore and Dunleavy both walked, advanced one base on a sacrifice bunt by Nick Cancelliere and scored on Mike Cancelliere's single.

A futile attempt to come back was seen in the bottom of the seventh when a walk and a double produced only one more Knight run.

Jim Zaccane (1-0) sparked on the mound, striking out three in the first complete game victory on the Jayvee level in 1974. Zaccane allowed three runs, one of which was unearned. Zaccane gave up five hits and walked six.

In the nightcap, Belleville's Jayvee diamonders lost a "squeaker" by the score of 6-5.

The Knights' rightfielder Villanova led off by reaching

base and found daylight to score on an error by first baseman Lou Grasso.

Two more runs crossed the plate in the Wessex half of the second. With one out, short-stop Rawlins walked and stole second base. He reached third on a wild pitch by Belleville starter Larry Maccia. Rawlins and second-baseman Senchaic both scored.

The next scoring action came in the top of the fifth with a one-out double by Mike Cancelliere who, in turn, scored on Nicky Cancelliere's double.

In the bottom of the fifth inning, Fred Racioppi relieved Maccia. Knight left-fielder Donnmaria reached base on a force out. He stole second and scored on a double by centerfielder Lore.

Belleville came alive in the top of the sixth when John Guarino singled and advanced to second base on Chris Tremel's single. Chipper Biafore reached base and went to third as Guarino and Tremel scored on Grey Dunleavy's double. Mike Cancelliere squeezed home so that Biafore could score.

West Essex struck again in the bottom of the sixth on two runs, one of which proved to be the winning run. Guarino came in to pitch and he allowed two doubles and the game-winning single. Joe Baccaro, then, put out the fire.

In the last inning, Fred Racioppi walked and went to third on Luke Suppa's double. Both men, however, were taken off the basepaths on a double play resulting from a rundown. Bobby Giordano doubled and scored on John Guarino's double. Unfortunately, Chris Tremel flew out to deep left field to end the game.

Said an anonymous member of the Belleville squad, "The second game of the double-header was lost on sloppy fielding and unalert baserunning."

Cindermen Beat Orange Dominate East Side High

(Continued From Page 11)

marked the first time this season that Steve Budrick failed to finish first in the 880. The Belleville star half miler had his streak halted at seven consecutive victories. Steve Prystark from East Side came in first at 2:04.6. Budrick was clocked at 2:06.5. Sophomore Jim Mallack was third at 2:17.

Bob Cohen broke the string first in the 220 as he finished up at 25; second was Brian Wood at 26 even.

Racing in the two mile, Bill Goodwin continued his

mastery of this event as he finished at 10:20.8. Frank Salerno, using his famous finishing kick took third with a time of 11:17.1.

Tom Sanders has amassed ten points in the race as he sent the discus flying a total of 142'5", one of the best throws recorded in dual competition this season. He also jumped 9'6¼" in the long jump. Paul Haverick finished third in the discus at 125 feet and Doug Jackson was third in the long jump at 18'11¼". In the shot George Vechos was third with a toss of 43'5½".

The Bellboys did not take first in the high jump but held on for second and third as Jackson and Rich Filipek each reached 5'6".

In the final sweep of the day, John Dougherty, at 9'6", Barry Dunleavy, nine even and Glen Mogelesky nine even scored for Belleville. Belleville was awarded five points in the mile relay as East Side scratched in this event.

Against a small but tough Orange squad, Belleville had to get some good performances in order to clinch this victory.

Running uncontested in the high hurdles, Drake, Sanders and Semaka crossed the line in that order with the times of 16.7, 17.1 and 17.7.

Greg Bunch ran a 10.7-100 but it was only good for third place as Orange runners Fortier and Holmes ran and identical 10.5.

Mike Fortino ran a good race, but it came down to the wire as he edged his way to the victory at 4:53.4. Nelson Seda at 4:59.4 was third.

Orange proved to be extremely tough in the sprints as evidenced in the 440. Brian Wood at 55.2 could only come away with third place.

One of the most impressive runners on the track that day was junior Glen Allen of Orange. This young man took three first place finishes.

The first of his victories came in the 330 intermediates as he ran at 43.8 Second was Bob Sanders at 45.4 and Ken Drake at 46.9. In the long jump he reached a phenomenal 22'3¼". Bob Sanders and Doug Jackson were second and third respectively at 19'3¼" and 18'10¼". Then in the high jump, Allen, reached 6'2", for his third first of the day. Jackson at

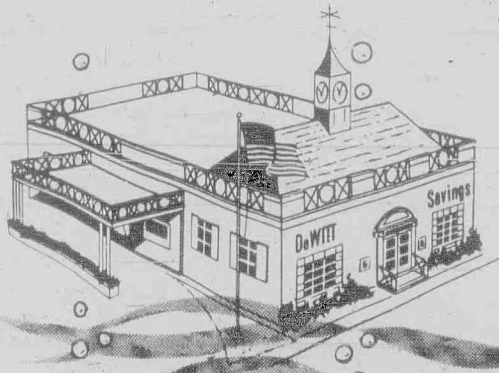

Softball Squad Seeks Games

Beck's Column

The time of the year for air conditioners is around again and we would like to give some pointers if you have a unit.

Air conditioners are very reliable, given just a little attention. Before starting the unit up again, it has to be checked over. If you do not do this, you ask for trouble. First of all, the filter should be clean. If it is clogged, the flow of air is restricted and it can not cool properly. In severe cases of blocking the flow of air, the unit will freeze up. The fins in the front and in the rear should be checked for obstructions. Some fans have to be lubricated; some have permanent lubrication. You can't do anything on the compressor so leave it alone. Remove rust and dirt from the pan that collects the condensed water. On some units there is a small tube that connects that condensation catching pan in the front to the reservoir in the rear. If this tube is clogged, the front pan will overflow and wet the window sill and the floor. If you see any loose wires, check the connections. Some wires are attached with clips which may lose tension and fall off. That is about all that is needed. It should be mentioned that the space between the air conditioner and the outside window sill seems to be a favorite nesting place for birds so look if you have acquired unknown tenants.

Planning a group outing?

PICK YOURSELF A WINNER

You've picked a winner when you pick Monticello for your group's next party. We'll throw you a party you'll never forget. It starts with a delicious full course dinner, complete with wine, and finishes with 10 thrilling races (and lots of excitement in between!)

And if you bring 40 or more people, you're eligible for our extra low group rates which include:

- Admission to the track for 10 races (2 perfectas and 2 Trifectas)
- Full course dinner (with complimentary wine) on the lovely Ichabod Crane Terrace
- Meeting facilities
- A race named after your group
- An announcement honoring your group over our P.A. system
- Your group's name welcomed in lights on our message board
- Gratuities
- Free parking for your bus

And in addition to all this, you get a crack at the exciting Monticello Trifectas. Just name the first three horses in their exact order of finish and for your \$3 bet you could win more money than you ever imagined.

Call Monticello Raceway for information or reservations today. We'll send you our brochure immediately.

MECHANIC
EXPERIENCED ONLY
Call: 941-1460

Make the Switch

At the Eastern Division of GTE Sylvania, Make The Switch means becoming involved in the development of the most advanced Computer Controlled Circuit and Message Switching System ever conceived.

On April 16, 1974 the Eastern Division, because of its demonstrated superior technical expertise, was awarded a major communications contract to develop a tri-service computer controlled circuit and message switching system that will for the first time ever... permit the switching of digital voice communication.

This next generation system will utilize all applicable current, state-of-the-art technology... optimize existing design techniques and in fact will be an outstanding system design and integration achievement.

The selection of the Eastern Division to undertake this major long term program clearly establishes our engineering organization as the world leader in this technology, a technology that has practically unlimited future application.

At the Eastern Division, The Switch represents the beginning of a new era in the field of major electronic systems programs.

We invite professionals of demonstrated ability in computer controlled circuit and message switching systems and data communications to investigate major career opportunities.

The Eastern Division is unquestionably the place to be.

Right now, we are seeking highly qualified professionals with experience in the following disciplines.

SYSTEM ENGINEERING ELECTRICAL ENGINEERING MECHANICAL ENGINEERING SOFTWARE ENGINEERING MATHEMATICS INDUSTRIAL ENGINEERING MANUFACTURING ENGINEERING

Technical areas encompass tactical circuit and message switching systems; data and voice transmission and processing; systems engineering and design; real time systems integration; test planning; simulation; traffic analysis; secure digital voice switching; information processing; and LSI including MOS and CMOS.

Please forward your resume outlining SALARY HISTORY to
J. Paul Costello, GTE Sylvania, Eastern Division, 77 "A" Street,
Needham, Mass. 02194.

CYO Summer Camp Is Now Registering

The Essex County CYO is accepting applications for its extremely popular Summer Day Camp program for boys and girls between the ages of 6 and 13. This year's camp season will extend from July 1 to August 23, and will be divided into two four-week sessions.

Once again, the camp site will be Muller's Park in Oakland, and the CYO will

provide round-trip transportation for campers throughout the county.

A competent staff will supervise youngsters in all phases of swimming, arts and crafts, softball, basketball, baseball, ping-pong, horseshoes, volleyball, shuffleboard and nature study. Special events and overnights for older boys will also be featured.

Most of Blue Cross Money Goes to Members' Benefits

Last year, of each premium dollar received by Blue Cross of New Jersey, only four cents was used for operating expenses and the remainder went into members' benefits and a contingency reserve against rising future health care costs.

This was highlighted in the organization's 1973 annual report, published today. The report indicates that Blue Cross received more than \$350 million in premium income and paid over \$325 million for members' health care services and operating expenses. The Plan's reserve at year-end was \$42.6 million. The report recalls that the Plan's Board of Trustees on February 28 approved a reduction in the reserve through a refund for subscribers, as a one-time rate credit to be applied against 1974 premiums. The amount and the mechanics would be determined in conjunction with the Department of Insurance.

However, with the prospect that federal economic controls will expire on April 30, the cost of hospital care could increase 16 or 17 percent this year. This will be a major fac-

tor in determining what, if any, portion of the reserve can now be refunded. Last year the cost of hospital care in New Jersey increased only 9.7 percent. This was largely due to the effectiveness of federal price controls backed up by state review of hospital budgets and Blue Cross cost-control measures.

The report notes that a sound financial position at year-end enabled the Plan to defer a contemplated rate increase for community rated subscribers until 1975 and to reduce the risk factor charge for experience rated groups with 100 or more subscribers. The reserve also allows Blue Cross to absorb rising hospital costs and to introduce new benefits.

These new benefits include development of New Jersey's first Health Maintenance Organization which opened in Trenton last July; payment for atomic powered pacemakers; coverage of the federal government's increased Medicare deductibles at no increase in premium, and payment of blood processing charges under a Blue Cross blood program which starts May 1.

The report also discloses

that Blue Cross of New Jersey membership topped the four million mark with the addition of more than 200,000 new members in 1973. Included were more than 10,000 persons accepted for nongroup membership regardless of their health, an opportunity made possible by the Plan's sound reserve position.

Other 1973 highlights pointed up in the report:

- The monthly administrative cost per contract for Blue Cross of New Jersey was 68 cents. The National Blue Cross average was 91 cents.

- A saving of \$1,708,306 was achieved through Coordination of Benefits (COB) which assigns primary responsibility for payment of hospital bills when two insurance carriers are involved.

- Over 300,000 written requests for information were answered.

- Over 534,000 phone inquiries were logged, of which nine out of 10 were handled without a return call.

Members of the public desiring a copy of the report may write to the Blue Cross public relations department, 33 Washington Street, Newark 07102.

Concert Features Medieval Music

The Montclair State College Collegium Musicum will present its second concert of this season on Sunday, May 12, at 4 p.m. in the college's McEachern Recital Hall. The program is open to the public at a nominal admission charge. Ticket information may be obtained by calling 893-5231.

The Collegium Musicum, a group of musicians interested in authentic performance of Medieval and Renaissance music, meets informally each week with Professor Thomas Wilt, its director, to study and play works of the 15th, 16th, and 17th centuries. Such music, according to Prof. Wilt, utilizes many old instruments which until relatively recently were found only in museums.

In the concert performing on May 12 Prof. Wilt, who plays bass and treble viola da gamba, and alumni Edward Moderacki on recorders, sackbut, and krumphorns and Donna Jean Schutz, soprano, will be joined by three undergraduate music students: Heather Hall, recorders and cross flute; Michele Prew, recorders and krumphorns; and Kent LaRue, lute and percussion.

"This music" says Prof.

Wilt, "has great charm and beauty and is reaching more of the general public each year."

NOTICE CLEAN-UP WEEK

Pursuant to a resolution passed by the Board of Commissioners of the Town of Nutley, the week of May 20th to 25th, 1974, has been designated as "CLEAN-UP WEEK" in the Town of Nutley.

The accumulation of general rubbish in cellars, attics, lots and elsewhere is unsanitary and a deterrent to the promotion of good health.

All such trash and rubbish will be removed if placed in containers at the curb line on the regular refuse collection days. NOTE - No collections will be made of large stones, tree trunks, large tree limbs or building materials from demolition, renovation or construction by the Town scavenger. However, materials not picked up by the Town scavenger will be picked up by the Department of Public Works.

All property owners, householders and merchants are urged to cooperate in this important program.

Harry W. Chenoweth
Director of Public Affairs
Robert W. McCarthy
Senior Sanitary Inspector

NEW HIGH RATE

7.25%

annual rate on 4 to 7 year savings certificates yields

7.22%

a year when interest is left on deposit. \$1000 minimum.

This is the highest interest rate we are permitted to pay by law. Interest is guaranteed, and compounded daily. Considering today's economic uncertainties, our 4 to 7 year certificates could be the very best place for your money.

Note: federal law prohibits the payment of a time deposit prior to maturity unless three months of the interest thereon is forfeited and interest on the amount withdrawn is reduced to the passbook rate.

Free Arts Center Concert

Free Arts Center Concert
Features Rutgers Glee Club

A concert Sunday, May 26, paying tribute to Memorial Day and featuring the widely-hailed Rutgers Glee Club will open the 1974 Spring series of free programs at the Garden State Arts Center for New Jersey senior citizens, disabled war veterans and the blind.

It will mark the first Arts Center appearance for the Rutgers Glee Club, which has had eight highly successful major concert tours, including six in Europe. As part of its repertoire, the college group will sing "The Testament of Freedom," based on the writings of Thomas Jefferson.

The May 26 event, which also will offer a program of patriotic band music, will start at 1 p.m. Memorial Day actually falls on the following day, Monday, May 27.

The entire Spring set of free shows for senior citizens, disabled veterans and blind persons was announced today by Commissioner John B. Townsend of the New Jersey Highway Authority, which operates the Arts Center on the Garden State Parkway. The series will be sponsored by the Garden State Arts Center Cultural Fund, which raises resources through public donations and special events.

Returning by popular demand, Commissioner Townsend said, will be Earl Wrightson and Lois Hunt

singing "The Best of Broadway" and the Turnau Opera Company presenting the Manhattan Savoyards in "H.M.S. Pinafore" by Gilbert and Sullivan.

The Wrightson-Hunt team, which thrilled large crowds in 1972, will perform on Monday and Tuesday, June 17 and 18, each day at 1 p.m. The Turnau group, which won hurrahs for its staging of the "Mikado" last September will perform on Monday and Tuesday, June 24 and 25, at 1 p.m.

The other events in this free series are the New Jersey High School Music Festival at 8 p.m. Friday, May 31; the Garden State Drum Corps Preview at 8:15 p.m. Friday, June 7; and the 1974 Talent Expo "Showcase of Stars" at 8 p.m. Saturday, June 8. The top performers in Talent Expo's statewide search for promising, young entertainers will take part in the "Showcase of Stars." Limited numbers of free tickets are available for these three programs.

Invitations to the free events have been sent to all groups of senior citizens, disabled veterans and blind people, as well as eligible individuals, on the Highway Authority Mailing lists. Others who qualify are invited to call the Highway Authority offices at 442-8600 between 9

a.m. and 4:30 p.m. any weekday for information or application forms. Commissioner Townsend said. He pointed out that reservations are made only on the application forms and none are accepted by telephone.

Italian Heritage Festival
Includes Lineup of Stars

Vocalist Buddy Greco, comedian Corbett Monica and Metropolitan Opera stars Louis Sgarro, Carlotta Orsassy and Charles Anthony will headline the fourth annual Italian Festival program at the Garden State Arts Center on Sunday, June 12.

The opera artists will present highlights from Mascagni's Cavalleria Rusticana and will be supported by the Villa Walsh Academy Choir of Morristown, which won acclaim in last year's Italian Festival.

In announcing the program, festival general chairman Frank A. Campione of Freehold today said that there will be other highlights in addition to the entertainment on the giant stage of the Arts Center amphitheater. One will be a parade of fashions created by Italian-American clubs from across the State.

Still another highlight will be the American performers specially selected to display their talents in the festival.

As an added attraction, a portion of the Arts Center plaza will be set aside and designated as the Plaza Di Giardino, with a colorful street cafe that will serve cafe espresso, Italian pastries, tortoni and spumoni, complete with music and young people dancing versions of the Tarantella.

Soviet Diplomat to Speak

George S. Schukin, Chairman of KAMA Purchasing Commission will be the principal speaker at the luncheon of the Seventh annual World Trade Conference on Wednesday, May 22, at the Ramada Inn, Clark.

He is the second ranking Soviet Diplomat in the United States, following Ambassador A. Dobrynin.

Arts Center Attraction Turnpike Oases Earn \$6 Million
Is Eddy Arnold Show

The New Jersey Highway Authority today announced its sixth popular subscription attraction at the Garden State Arts Center in the 1974 season will be the Eddy Arnold Show, featuring country and western star Eddy Arnold.

Arnold will perform on six nights; Monday through

Saturday, August 26 through 31, in his first Arts Center engagement, according to the announcement by Commissioner Joseph C. Irwin of the Highway Authority, which operates the Arts Center on the Garden State Parkway.

"We are delighted with the addition of Eddy Arnold to the all-star cast that will be featured in the subscription series this year," Commissioner Irwin said. "He probably still is the leading country and western singer today — as he has been for a great number of years. We feel he ideally balances out the popular schedule that previously listed top attractions in a diversity of entertainment fields."

Eddy Arnold brings an impressive set of credentials with him to New Jersey. The 48-year-old Tennessean has sold 70 million records, an array that places him fourth on the all-time list in that category. He set an all-time high attendance record at the Houston Show and Rodeo when 46,433 paying customers greeted his performance there. His appearances across the country usually reach the sold-out stage ahead of time.

"The other attractions in the popular subscription series are: Tony Bennett and Lena Horne, week of July 1; Burt Bacharach, week of July 8; Sammy Davis Jr., week of July 29; Andy Williams, week of August 5; and Johnny Mathis and the Pointer Sisters, week of August 19.

On the popular side, there are six subscription series — one for each night of the week Monday through Saturday.

Area planners Set
For Working Session

"Changing Concepts in Planning and Zoning" will be the theme of the 26th Annual Meeting and Conference of The Planning Association of North Jersey, May 28th. There will be workshop sessions starting at 4 p.m. followed by a dinner. The Conference will be held at the Pennington Club, Passaic.

The conference is being designed as a real working session with the emphasis on discussion by the participants. Each workshop will have a moderator and two experts but there will be no speeches. The participants will discuss a series of prepared questions with the aim of reaching decisions on some issues; referring some issues to the Planning Association staff for further research; and referring other issues to Association study committees.

The conference is being planned by an Association committee chaired by William Houthuysen, Clifton architect. Other members of the Committee are William Papke of Public Service, Lee Van Gorden of 1st National Bank of New Jersey and Grace C. Harris, executive director of the Association.

Ray Charles will be at The Waldorf Empire Room this weekend. Will you?

Far fetched, no. Far out, yes. And why not? You owe yourself (and family), a weekend at the Waldorf. Special weekend rate includes all the family (with special children's room service and menus and baby-sitting service available) in a luxurious double room and easy access to the excitement of New York — "The Big Apple."

Olga Knows
This Week's Horoscope
(May 11 through May 17)

ARIES (March 21-April 19): Hot dog! At last you are about to have a rather decent week, Ari. And let's face it, it's about time. First two days for swinging to and fro. Use remainder of week for resting, recuperating, planning. Perhaps a little scheming too.

TAURUS (April 20-May 20): Want to cut out and do something that is funsie, Taurus? Like go fishing or gallivanting? This is good week to break old patterns. You've been so beastly good lately that you owe yourself a change of pace. If others object, tell them Olga gave you written permission. So there.

GEMINI (May 21-June 20): Difficult favor may be asked of you, Gem. Ponder your decision well. If you find you must refuse, do so with grace. You're good at that. Don't allow memories of things past to put you in a blue funk. Today — this very minute — is what really counts.

CANCER (June 21-July 22): Desire to gamble will be strong, Moonbaby. Go ahead. However, if you lose your jeans don't come whining to Olga. On the other hand, should you win the pot, just remember that Olga told you to go ahead. Week jiggles to a crazy close.

LEO (July 23-August 22): Leo, Leo, you are indeed the Peter Pan of the Zodiac. It is with great reluctance that you grow up. Others are charmed by your childlike play. In week ahead, you re-live old memories. Member of another generation would like to share your memories, so don't be silently stingy. Week flies to a finish.

VIRGO (August 23-September 22): If you have secret plan to plug into fun and games, Virgo, just don't let plan leak. If you do, you are sure to be short-circuited. Week ends on a rousing note.

LIBRA (September 23-October 22): A good week to live up to your sign, Lib. You're the stable one of the Zodiac and in the next few days while others are flapping around like decapitated chickens, you will keep your head — and your cool. It will save the day, and end of week will bring reward!

SCORPIO (October 23-November 21): Unexpected message sets events in motion which just could tide you over for remainder of spring. Before end of last day, you have chance to get your own way concerning personal matter. By hook or by crook, but better by hook.

SAGITTARIUS (November 22-December 21): You get a dose of the truth in days ahead, Sag. Fun it won't be. In fact, it will be about as pleasant as a spoonful of castor oil. You would rather, perhaps, hear 50 lies?

CAPRICORN (December 22-January 19): Change is in store, Cap, and you have chance to learn. Be open to advice and opinions of others, for only a fool never changes his mind. On last day, try to get away from the herd and think for yourself. You'll discover pieces of jigsaw puzzle fall neatly into place.

AQUARIUS (January 20-February 18): Week ahead brimming with possibilities, Aquari. Personal problem can be partially solved. Courage is the touchstone. As week draws to a close, relax and enjoy the majesty of every moment.

PISCES (February 19-March 20): What's been concealed from your mind is revealed to your heart. One little bird in particular sings just for you. Grab last joy-filled day and wring it until it's completely dry.

WOODSY OWL HOOTS:
More bicycles and shoe leather... Less smog.

GIVE A HOOT. DON'T POLLUTE
