

## Greco Will Leave Superintendency With 18% Salary Hike in Last Year

by Ken Moore

Superintendent of Schools Anthony Greco tendered his resignation to the Board of Education Monday night, effective 14 months from now. Just before the Board voted 5-2 to accept his resignation, however, they voted 6-1 to raise his salary to \$37,000, an 18 percent increase for his last year in the Belleville system.

Greco's decision to leave on September 1, 1975 after six years here came as no surprise to the Board members who were aware the superintendent had been considering the move for several months. There is no evidence of pressure to force Greco out of the post, although two years ago a campaign was unsuccessfully mounted within the Board to pressure him in

considering a "number of possibilities" for the future, among them a further career in college education, said the Belleville superintendency had become "no fun any more." He later elaborated, saying, he had encountered "too many personal and professional compromises" in the position.

While Greco had in the past been publicly criticized by some Board members for a strained personal relationship he supposedly had with Assistant Superintendent Michael Rosamilia, Greco's formerly most ardent critic, Board Vice President Caesar Romano, was one of two members who voted not to accept the resignation. Romano completely reversed his position Monday night, saying the addition of Seymour

Grossman last July had caused "real movement in the system. I have seen movement in the past year that cannot be equalled in the next few years and certainly not by a new superintendent."

Greco himself, while declining to comment on past relationships with Rosamilia, admitted that "this past year with Mr. Grossman has been a real eye-opener." Still, there is not enough incentive for Greco to remain, and he confirmed he will investigate the benefits of early retirement allowable at age 55 under a new recently-passed state ruling.

Greco, who started as superintendent here in 1968 at a salary of \$18,000 (reportedly very low for a district of Belleville's size), will leave with

a salary over twice that amount. The Board voted to grant Greco a salary of \$37,000, an increase of \$5,747 (18%) over the \$34,253 he earned last year. Greco contends the hike is not unusual for a departing administrator, and pointed out the salary still puts him only at mid-point on the pay scale for superintendents throughout Essex County.

One reason for the jump was given by Board President Matthew Pica, who said the Board took into consideration many weeks of vacation time Greco had foregone during his six-year tenure. "At the present time," said Pica, "the man has lost a considerable amount of vacation days due to his dedication. He was given a well-deserved increase that was

a little bit of compensation for lost vacation days."

The only opponent of the salary increase for Greco was member G. Fred Burlazzi, who voted against the hike, saying, "I cannot see giving anyone a 20 percent raise in one year." Burlazzi also voted against Greco's reappointment when it was listed with other administrators in another resolution.

Burlazzi took no part in the vote on the acceptance of Greco's resignation, charging the salary increase and the resignation was "a subterfuge." He offered no further comment.

The salary increase and resignation vote were at first listed on the same resolution, but were later separated at the

request of member Richard Maharian, who moved the increase, with Lawrence Schwartz seconding.

Maharian also moved to accept the resignation, with Mrs. Viola Spray seconding. Mrs. Spray voted to accept, with no comment. James Risoli voted not to accept, making no immediate comment. Later, though, he said he did not want Greco to leave because the move "was not timed properly. It would hurt the system if he were to resign and remain as a 'lame duck' superintendent for 14 months."

Burlazzi took no part in the vote, while Schwartz said, "the resignation is certainly accepted, with regret. Mr. Greco has served over the years

One More Year

## Public Safety Pay Passes

An ordinance allowing payment of time and a half for overtime to policemen and firemen passed the Commission 3-0 Tuesday night. Retroactive to January 1, 1974, it will amount to about \$100,000 in the Public Safety budget.

The Commissioners, with Mayor Joseph McGreevy and Commissioner Robert Laterza absent, also awarded a bid to Wayne Bus Sales of New Jersey for 24-seat bus costing \$11,582, about \$3,000 more than an identical bus purchased from the same company last year.

Public Affairs Com-

missioner Vincent Strumolo, who intends to add the bus onto the existing one-bus free route for senior citizens, said the Essex County Office on Aging has committed itself to purchasing a bus for the Town, and has already granted a check for \$8,500, the approximate cost of the last vehicle purchased from Wayne. Strumolo said he assumes the county office will make up the balance, and Belleville taxpayers will not have to foot the bill.

In response to a question from citizen John Charles, neither Strumolo nor Town Attorney John Scott could ex-

plain exactly why the cost of the bus had jumped \$3,000 in a year. "It has been a lengthy period of time, and costs have risen," said Scott.

Like last year, the Wayne Bus Sales Co. was the only company to submit a bid for the bus. The Commissioners Tuesday night had been prepared to appropriate \$10,000 for the purchase, and when the bid was revealed at \$11,582, Strumolo recalled that last year, \$10,000 had been appropriated and only \$8,300 spent on the first bus, leaving a balance of \$1,700, which he felt could be spent

on the new bus. Scott assured Strumolo the arrangement was proper, and the bid was awarded.

A public hearing was held on the Public Safety overtime bill, with no objectors or supporters speaking. The ordinance gives time and a half to policemen and firemen above their normal work week, which is 40 hours for policemen, who are paid a base of \$5.76 to start, and 42 hours for firemen, who receive slightly less.

Commissioner Robert Laterza, reported to be "away on business" Tuesday night, was the sponsor of the bill, which he says, will add \$40,000 to the Department budget, above the \$60,000 to the Department budget, above the \$60,000 which was paid in "straight time" for overtime last year.

A resolution was passed honoring Board of Education Attorney Max Schwartz, who

will be guest of honor at a golf tournament and dinner in his name Sunday. Monday night, the Belleville Board of Education passed their own resolution commending Schwartz on his years of service to the Board. He assumed the position in 1951.

An ordinance was passed to purchase three accounting machines for the Department of Revenue and Finance, not exceed a total of \$27,550. The money will come from the General Capital Fund Reserve for future Capital Projects.

Resolutions were passed for the issuance of plenary liquor licenses. There were no new licenses or transfers.

A resolution was passed to advertise for bids for a catch basin cleaner for the Public Works Department.

The next regular meeting of the Board of Commissioners will be held Tuesday, July 9, at 8:30 p.m.

## New Bus to Run On Town Route

An \$8,500 grant for another senior citizens' bus was given to the Town of Belleville last week by the Essex County Office on Aging.

Director of the Office on Aging Bernie J. Gallagher handed the check over to Commissioner of Public Affairs Vincent T. Strumolo, who announced the new bus

will be running in the fall, and will offer additional service on the existing route, instituted in mid-May. Moreover, said Strumolo, the new bus will cover areas of town not on the existing route.

The Town Commissioners recently appropriated \$10,000 for the purchase of the new bus, with the understanding that the Office on Aging would reimburse \$8,500 of the amount.

The senior citizens' bus which began its four times daily route on May 17 covers most of the town in an hour and 15 minutes. There are, however, some areas in the northern section which will benefit from the added bus. Presently, Strumolo plans to add a 15-passenger station wagon which will pick up senior citizens in the more distant areas and transport them to a bus stop.

Strumolo said the station wagon will be available by "cab service" with seniors able to call the Department of Public Affairs for transportation.

## Senior Citizen Trip Slated

Registration begins today at Town Hall and will run until July 12 for the annual senior citizen bus trip to Asbury Park and the Homestead.

Seniors are asked to register in person at Town Hall between 10 a.m. and 3 p.m., with proper identification, such as a medicare card or a Town Senior Citizen Bus Registration Card. Such identification is necessary for registration on the trip, which is open only to Belleville residents.

## Inside the Times

- Graduation Day — last week's commencement ceremonies are shown in a page of pictures, with reprints of speeches by top students. See page 11.
- Speaking of graduation, our school page coordinator, now a BHS graduate herself, has her own thoughts on the traditional exercises. Page 10.
- And speaking of graduates — details of the Class of '65 10th reunion appear on page 2.

## School Custodians Agree To Contract with Board

The Belleville Board of Education Monday night signed a two-year contract with the 50-member custodians' unit. The pact closely followed the lines of previous agreements negotiated this year.

The custodians were the fourth of five separate bargaining units to sign con-

tracts this year. The last, the 12-member unit representing 10-month secretaries, has reportedly reached agreement with the Board of Ed and will sign their contract at the next special meeting, scheduled for July 1.

The custodians' won a package substantially the same as that gained by the

Belleville Education Association, the teachers' unit whose contract provided the keystone for this year's negotiations. That package provided for a two-year contract with no clause to reopen negotiations after the first year. The teachers got a 15 percent increase, including in-

## Former Refugee Fights The Language Barrier

AUTHOR Stefan Blasko inscribes a set of his textbooks, "ABC Slovak Language" before donating them to the Belleville school system. Looking on is his friend, Ray Smith, principal at Belleville High.

Twenty-seven years ago, Stefan Blasko was a member of Parliament and a Superintendent of Schools in Czechoslovakia. Fourteen years ago, he was a dishwasher and short order cook in a Newark diner. Last Monday night, he presented the Belleville Board of Education with a six-book set of primers on the Slovak language, his third work written since he came to the U.S. as a refugee from Eastern Europe in 1951.

Blasko, 58, has lived in Belleville since 1957, and the Monday-night presentation was part of a gesture which was repeated for the Belleville Library and the local Historical Society, both of which also received sets of the primers, which Blasko wrote, designed and had published on his own. His work will provide an aid to future Slovakian immigrants that he himself didn't have when he arrived here in the 50's.

Blasko's friend, Belleville High School Principal Raymond Smith introduced him to the Belleville Board of Education Monday night, and explained what the man was up against when he first arrived in the U.S. Smith told of Blasko's former positions in Prague, Czechoslovakia, and his early days in America. "He worked as a dishwasher

and at very menial jobs because he couldn't speak English the way he felt he wanted to speak."

Blasko overcame the language barrier, however, and in 1957, worked as a draftsman with HNT&B Engineering Company in Fairfield. He taught the Slovak language at the Slovak National School in New York. In 1967, he was elected first president of the Slovak American Cultural Center of New York. He lectured among Slovaks in America and Canada, and took courses at Seton Hall University and the Montclair State Teachers' College.

In 1954, he had published a booklet titled, "Slovakia in Blood and Shackles," and in 1964, the "Slovak Beginner," a primer which formed the basis for his recent work.

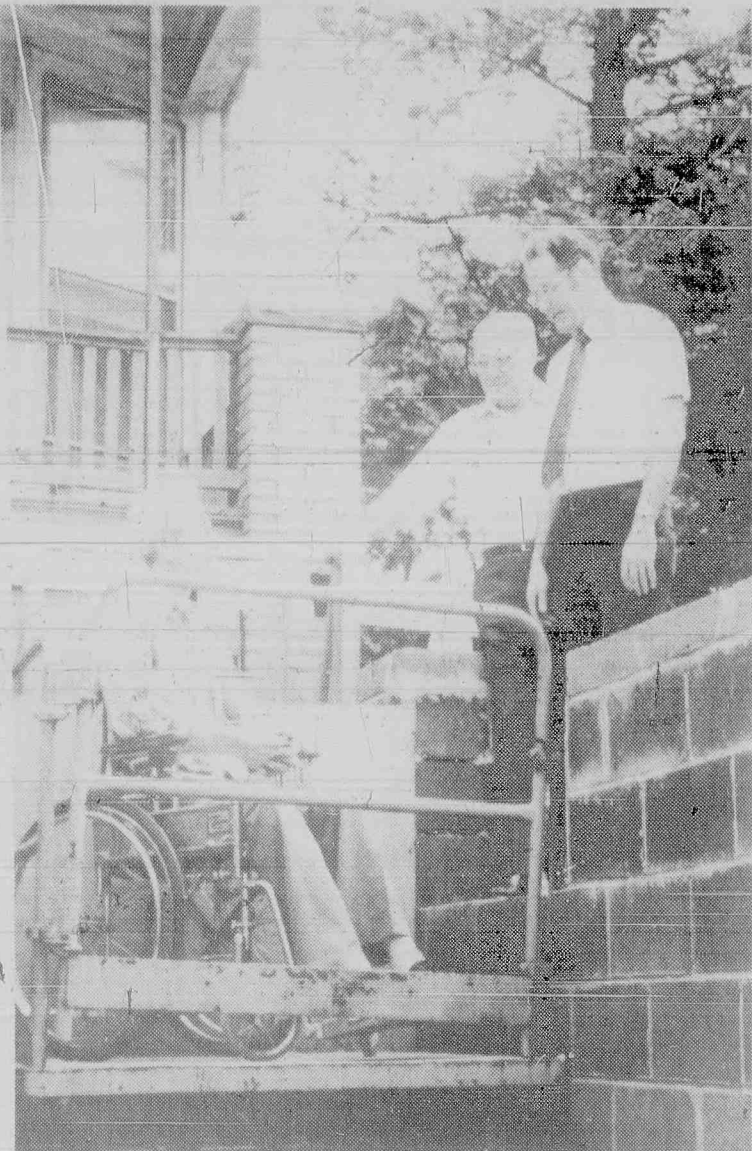

The son of a blacksmith, Blasko was one of eight children. His oldest brother became a teacher and supported Stefan Blasko in his studies for eight years.

Blasko himself became a teacher in eastern Slovakia, educating gypsies' children for a year and a half. During World War II, he taught Slovak children in Hungary, where he was recognized as one of the 10 best teachers in the region, though he was dismissed in 1942 by the

(Continued On Page 5)

## From Street to Door

NEW ADDITION — G. Dewey Imhoff demonstrates a new lift by which he can independently move from street level to his house on Academy Street. Looking on are Craig Fund President Rev. Al Stone (right) and trustee Ernest Arvidson.

Another Craig Fund project neared completion last week as the finishing touches were placed on a new lift and sidewalk installed at the home of recipient G. Dewey Imhoff.

Imhoff, paralyzed from the waist down, is one of four recipients of the fund, which aids handicapped Belleville citizens. The lift at Imhoff's home replaced an older one, which was felt to be unsafe. The installation was arranged by a committee headed by trustee Ernest Arvidson.

First Joe Waters of Hoffman Inc. in Belleville authorized employee Charlie Mailhot to remove the old hoist, with the help of Jim Indley, Michael Duran of

Ferdon Equipment Co. in Union delivered the new lift free of charge, and Hill Electric Co. in Belleville furnished material and made electrical connections free of charge.

Cerami Construction Co. of Belleville provided concrete for the walkway, poured and finished the sidewalk, also for free.

Like other fund projects, the lift replacement and sidewalk construction was a community volunteer effort. The Craig Fund is now selling candles as part of their annual July 4 birthday party for Craig Fabian, held during ceremonies at Municipal Stadium. The candles are currently selling around town.

## Class of '65 10th Reunion In Planning

The Belleville High School Class of 1965 achieved many "firsts." It beat East Orange on opening day of its grid season, a feat done not too frequently during the '50's and '60's. It was the first class to graduate from the "new" Belleville Senior High School. The baseball team won the Group 4 State Championship as well as the heralded Big Ten Crown — and now, it's the first class (naturally) to begin planning a 10-year reunion. The date is October 11, 1975, at the Wayne Manor, but a committee is already at work locating former classmates and making sure that everyone attends.

Members of the committee are Mary Ann (Meola) Ceres, Myra Ceres, Marge Stucka, Elinor (Mostello) Iracane, Bob Iracane, Sue

(Beneziano) Provence, Tom DiBiasi, Len Luongo, Mary Ann Intentola, Marilyn LaLuna, Jerry Brunello, Phyllis (Turturiello) Kata, Frank DeBonis, Tom Giordano, Elaine (Peda) Perna, and Joe Cervasio, Class President.

Prizes, a memorabilia table, laughs, and just a great time is being planned.

Late this summer, the committee will be contacting classmates whose addresses are already known. Members of the class are asked to call Elaine (Peda) Perna at 992-7543 to let the committee know where they're presently residing.

October 11, 1975, is more than a year away, but the committee wants to spread the word so as to assure not missing any former classmates.

## Junior High P.T.A. Installs New Officers

Installation of officers of the Junior High School P.T.A. was held recently at a meeting held at the school.

The 1974-75 officers are: Mrs. Mildred Donahue, president; Mrs. Joyce Frade, first vice president; Mrs. Molly McKinstry, second vice president; Mario Di Maggio, third vice president; Michael Lally, honorary vice president; Mrs. Margarita

Pica, recording secretary; Mrs. Ann Sterlacci, corresponding secretary; Mrs. Phyllis Miele, treasurer;

Mrs. Viola Narucki installed the new officers in a candlelight ceremony and a Junior High orientation program was also given to all sixth grade parents by Principal DiMaggio and Vice Principal Lally.

## Six Students Attend Boys' State Session

Principal, Raymond O. Smith, of Belleville High School has announced six student delegates and alternates attended Boys' State conference at Rider College, from June 16 to June 22.

The aim of Boys' State is to develop good citizens in the U.S.A. by inspiring the youth of New Jersey to take a more active and intelligent interest in the operation of our state and nation, and in the

privileges and responsibilities of citizenship.

The Belleville High School delegates were: Andrew Babi, Daniel Cassese, Martin De Noia, Fred Lardaro, Dominick Mobilio and Marie Spagnoletti.

The delegates were chosen from over 500 Juniors based on grades, citizenship and attitude. The total cost for each delegate is underwritten by American Legion Post of Belleville.

### Seems Only Yesterday

## Rat Pack Sacked; Everybody's Happy

### One Year Ago

The Second Annual Belleville Senior Citizens Bus Ride to Asbury Park was scheduled for Thursday, July 26, the Recreation Department announced. The ride would take Belleville Seniors to the shore resort and to the Homestead Restaurant.

Commissioner Vicent T. Strumolo planned to chauffeur shopping tours for Belleville Senior Citizens, and the Town Commission approved the idea in its weekly meeting, by authorizing the ordinance to purchase the bus needed to do the job. Through Mayor Joseph McGreevy and Commissioner Vincent Laterza were absent and therefore could not vote, the attending commissioners voted unanimous approval for the idea.

### Five Years Ago

The two Belleville detectives who spearheaded the investigation of the Wallace and Tiernan Co. silver robberies were rewarded for their efforts, as six men were indicted at an Essex County grand jury hearing on 21 counts of burglary and conspiracy. Detectives Thomas Ricci and Harold O'Reilly were the key men in bringing the alleged criminals to justice. The detectives were lauded by Essex County prosecutor Joseph P. Lordi for their work in the investigation.

Heckel Street residents were up in arms, and members of the Town Commission and bureaucracy were at each others throats, as the Town was confronted with a monumental rat problem. Or was it? The affair started in traditional comic opera fashion with the announcement that an abandoned house on Heckel Street was to be demolished. Before it could be demolished, however, it was necessary to exterminate the rats that called that house home. But were there actually rats in the house? No there were garbage trucks, that is, residents were afraid that if the house was demolished, Commissioner Mary Senatore would allow a garbage truck owner to park his vehicles on the lot. So, a rumor was started that said that the garbage trucks, that had already been parked there, had infested the area with rats. A demolition crew was assaulted by an angry mob of residents, who were trying to prevent the demolition of the house, saying that they would have to tear them down before they allowed them to tear the house down. Commissioner Strumolo was accused of not caring. He stated Commissioner Senatore was to blame. Commissioner Senatore accused registrar Ralph Risoli of being a liar and the instigator of the whole thing, while he returned the compliment. Town Building Inspector Vincent Mustacchio finally took the blame for the whole thing, but then changed his mind. As all comedies must have a happy ending, the rats (if there were any) were announced destroyed, which was nice for the people, but bad for the rats.

### Ten Years Ago

Thomas C. D'Avella resigned after four years of service as Town Attorney. Robert E. Westpy and Ralph A. Casale were elected councilmen to the first and second wards, respectively.

Belleville Board of Education named Seymour Grossman principal of the Junior High School.

Patrolman Michael V. Marotti was elected to his sixth consecutive term as president of the Belleville Patrolman's Benevolent Association.

Joseph G. Biancardi of King Place was sworn into office as a member of the Essex County Welfare Board, at a ceremony held by that organization.

### Fifteen Years Ago

Olympic Bowling Lanes, was opened to the public in a gala bowling event.

The Belleville Board of Education announced the retirement of one of its teachers, Miss Alma Gray. Also, it named three new teachers: Barbara Decker, Jerome Weiss and Philip Pezzino.

The Knights of Columbus, fourth degree, held their annual meeting at the Montclair Knights of Columbus meeting hall. Featured at the meeting of the Father Isaac Jokes General Assembly was the presentation of the years various awards, and the installation of the groups new officers.

The Board of Education, as part of its orientation program for Belleville's new teachers, held a luncheon, in which the new teachers were introduced to key members of the Board and with their future principals and fellow teachers.

Despite many protests, both from residents and from the owners of the property, the Board of Commissioners approved the first revision of the map for the Rutan Estates building project.

### Twenty Years Ago

A change was made in the daily schedule at Belleville High school, to enable a new extracurricular activities period to be tagged onto the end of the day. The period would allow students to pursue their private interests at a reasonable hour for both the students and the teachers who would lead them.

### Thirty Years Ago

Property Owners on Wallace Street and Brighton Avenue won a street improvement assesment reduction demand, and also lawyer's fees, in a court battle with the town.

No public explanation was given for the mysterious kidnapping of Willard H. Elliot, the director of the People's Bank. He had been found in Nutley, after disappearing three days before.

Ernest Slater was elected president of the Police Benevolent Association, and George Wertz was elected treasurer for the third consecutive year.

Mayor Kenworthy recommended grants of land strips at Terry Street to enable the Erie Lackawanna Railroad Company to construct a concrete drive. Commissioner Carragee announced that he would oppose the plan until the railroad agreed to remove the steel girder on Greylock Avenue.

## Minish Calls for Passage Of Senior Citizen Laws

Congressman Joseph G. Minish, 11th District - New Jersey, today called for House passage of two amendments he initiated to improve housing for senior citizens.

"The Congress," Minish stated, "must assign the highest possible priority to the needs of our senior citizens who are so cruelly victimized by the present unprecedented rate of inflation. One major way in which we can help is

through improved housing for the elderly."

The Minish amendments are contained in an omnibus \$10 billion Housing and Urban Development bill,

## DeWitt Announces New Policy

Robert M. Williams, President of DeWitt Savings, has announced that effective with the first business day in July, dividends will be paid monthly on all accounts, certificates or regular passbook savings.

Williams stated that depositors will continue to have the option of having dividends sent directly through the mail or credited to their account. The new policy is also effective on day-of-deposit to day-of-withdrawal accounts provided a minimum balance of \$50, is

maintained until the end of the month.

Dividends will be paid or credited the first business day of each month.

"In December," Williams said, "depositors will receive two dividends. The dividend for November will be paid or credited on the first business day of the month, and the

dividend for December will be paid or credited on the third business day from the end of the month."

The ability to offer this new service is the result of high speed computerized accounting facilities that DeWitt offers to its customers for greater speed, comfort, convenience, and overall im-

proved service.

Williams also stated that effective on July 1 the hours for drive-in banking services have been extended as an additional convenience. The new hours will be from 9 a.m. to 8 p.m. continuously each Monday night with no break for closing during the dinner hour.

11 a.m. — Arts and crafts — handicraft program "Crayon Splashes" — Silver Lake Branch Library, 30 Magnolia St.

## Wilkinson Feted At Testimonial

A surprise testimonial luncheon was held for Thomas Wilkinson, Director of Personnel for Essex County. Wilkinson announced his retirement earlier this month. A group of his friends and admirers gathered at The Fountain Restaurant in Belleville yesterday to honor his many years of service to the public community.

Prior to Wilkinson's becoming involved as Director of Personnel, he was associated with the Federal Bureau of Investigation and

was in charge of personnel and human relations at P. Ballantine & Sons, Newark. Wilkinson received bipartisan support during his tenure as personnel director.

Freeholder Martin G. Scaturro was the chief organizer for the testimonial dinner committee which was attended by such notables as Freeholder, Director Thomas H. Cook, Jr. who spoke in behalf of the Board of Chosen Freeholders. Also attending were Freeholder Harry A. McInroe, Jr., Freeholder Donald M. Payne, Freeholder Harry J. Callahan, County Council Francis McQuade and Michael P. Duffy, Superintendent of the Essex County Hospital Center, Cedar Grove.

The highlight of the proceedings was the presentation of a pastel portrait which was autographed by all those attending the luncheon and presented on behalf of his many friends and admirers. Freeholder Scaturro summarized feelings of the group when he said, "he will long be remembered for his total objectivity and dedication."

**SURPRISE HONOR** — Michael P. Duffy, Freeholder Martin G. Scaturro and Thomas Wilkinson. Michael P. Duffy, Superintendent of the Hospital Center at Cedar Grove shows pastel portrait to Thomas Wilkinson at testimonial dinner arranged in his honor at The Fountain, Belleville.

## Westinghouse Lists Benefits To Employees

Employees of nine plants of Westinghouse Electric Corporation in New Jersey recently received personalized statements that show how much each employee can expect from the Company's various benefits programs.

"Westinghouse was one of the first companies to issue annual Benefits Statements to employees," Thomas W. Landrum, executive vice president, said, "and this year marks the 17th time that our employees have received personalized statements showing the extent of their benefits program."

Plants releasing the statements included Newark, Jersey City, Bloomfield, Trenton, Belleville, Dover, Hillside and two in Edison.

The statement includes information on pensions, insurance, disability, personal accident insurance and any investment the employee may have in the Company's savings program. Also, the statement shows each employee approximately how much it costs the Company to provide all of his benefits.

"The statement not only shows employees that their benefits are a source of protection for themselves and their families, but it also points out the extent to which their benefits coverage has increased since last year," Landrum said.

He pointed out that in 1973 alone employees and retirees throughout the Corporation collected more than \$132 million in insurance and pension benefits. More than \$132 million in insurance and pension benefits. More than 137,000 different insurance claims were paid by the Company last year.

**GERARD J. FERRARA**, Republican Chairman of Belleville, is pictured here on the left, being welcomed to Grant For Congress Headquarters by Commissioner William B. Grant of Montclair, the Republican candidate for Congress in the 11th district. The campaign headquarters, located at 73 North Willow Street in Montclair, held its grand opening last week.

## Grant Headquarters Opens

A large crowd, described by one observer as, "excited and wildly enthusiastic," gathered at 73 North Willow Street in Montclair, late last week to celebrate the opening of Grant For Congress Headquarters. The crowd included an important contingent from Belleville.

William B. Grant, fresh from an unopposed primary victory which gave him the Republican Congressional nomination in the suburban 11th district, was on hand to greet the guests. He termed the unexpectedly large turnout, "a clear indication that the people of the 11th district want a change in leadership this year. This is a new suburban district, and the people in the district want and deserve a Congressman who will give their interests a voice, rather than a Representative who is tied to a special interest group. The people will no longer accept political favor brokering, and public relations motivated calls for 'a study'. They're tired of that kind of thing, and there is no reason why we should have that kind of Congressman in this new district. The nation can no longer stand 'politics as usual'. There is a real need in this district for a

Congressman who will represent the needs and interests of all the people; who will fight for them on such crucial matters as inflation, Congressional reform, confidence in government, taxes, and public ethics and morality. I intend to be that kind of Congressman."

The opening featured free refreshments and entertainment, which included a performance by the "Soul Stompers," a nationally recognized group of young

### Day Care Center Pot Luck Dinner Will Raise Funds

On July 2, the Watseong Community Association Day Care Center located at 49 Lawrence St., Bloomfield will hold its first Pot Luck dinner for the children, their parents and invited guests.

The center, housed in the United Methodist Church has been operating since September 1972. It is a participating agency of the United Fund of Bloomfield and currently has fifteen 3, 4, and 5 year old children enrolled in an all day program. The potluck dinner will be an opportunity for the parents to enjoy the center also.

The center, which is state licensed has recently launched a fund raising program in order to raise 25 percent matching local or state monies in order to qualify for 75 percent Title IV-A funds. The parents are now also busy with plans to redecorate the classroom. Prospective parents are invited to visit the facilities or call 429-9211.

## Flags of America

The following guest editorial was written by Col. R. R. Tourtellott, Americanism chairman emeritus, Fort Monmouth chapter, National Sojourners.

Since earliest times, nations have had their own identifying flags, indicating who they were and what they stood for. So our flag represents us and the things we believe in. Much of our national history began with the flags that have flown from our shores. The first flag to come to America was the Raven flag of the Vikings, which came some 500 years before Columbus. It was a black raven on a white flag. Next came Columbus with the flag of Spain. Then the French brought their Fleur-de-lis flag. Soon came the Royal Standard of England, the Red Cross of St. George on a white field. It was the first flag permanently displayed in North America. It brought the early settlers to Jamestown in 1607 and was flown by the Mayflower when it brought the Pilgrims to Jamestown in 1620.

Early in the 1600's, England and Scotland united and the Red Cross of St. George on a white flag and the white diagonal cross of St. Andrew on a blue field combined to form the Grand Union. This was the basic flag of the Colonies for over 100 years. Then about 1707, the British adopted the Red Ensign, or the Meator Flag — a red flag with a small Grand Union design in the canton.

In about 1764, after the French and Indian War, Britain began oppressing the Colonists and the appearance of the British flags became offensive to Americans. They began displaying their own original flags. Many expressed their

feelings toward England. Some expressed threats, like the rattlesnake flags which said "Don't Tread on Me," some shouted "Liberty" or "Liberty or Death", and some expressed a solemn prayer.

As tension grew, the Colonists determined to fight for the right to govern themselves. Since all were united in their readiness to fight the Mother Country, if necessary, it seemed desirable to have a common flag under which to fight. In the first effort, the Pine Tree flag was adopted. It was white with a green pine tree in the center, over which were the solemn words, "An Appeal to Heaven". As the Colonial forces took on a more national aspect, it became necessary to develop a flag more truly American. In late 1775, the Grand Union, or Cambridge, flag was adopted. It had 7 red stripes, 6 white stripes and in the union was the Grand Union design, indicating they still owed allegiance to Great Britain.

Then on June 14, 1777 the Congress adopted our National Flag. We observe this anniversary as Flag Day. This flag had 13 stripes, alternate red and white, and in the union were 13 white stars in a blue field. Since then, many states have been admitted to the Union and each time a new star is added, so we've had 27 official United States flags.

Our flag is today, as it was nearly 200 years ago, the symbol of all the things we believe in. It's the responsibility of each of us to inspire love of country, pride and respect for our flag. Let us display it regularly, and do all we can to insure that it will always wave, "O'er the Land of the Free and the home of the Brave".

## Gettysburg

The momentous battle of Gettysburg erupted before the eyes of a war torn nation on the first three days of July in 1863 and the result was that, more than any other single battle, it doomed the South's bid for independence.

That was true because this was one of two periods during the Civil War that the South's greatest military leader, General Robert E. Lee, felt strong enough to risk invasion of the North. And of the two efforts (the other was in 1862 and ended in the battle of Antietam) this was the greatest. Although Lee was denied two divisions in the Carolinas he had requested, he moved into Maryland with more than 70,000 men.

Lee and the South had no design on the North. But it was clear that, unless the war became distasteful enough, the North would never agree to independence for the South. Because the U.S. Navy dominated the sea, the South's fading chance was to win in 1862 or 1863, or make the war so unpopular in the North that President Lincoln would lose the 1864 election. By 1864, however, the South was no longer strong enough to mount a serious invasion

attempt, though Lee still fought skillfully that summer in Virginia, defending Richmond and inflicting heavy losses on General U.S. Grant and his much larger army.

This 1863 was really the last long-shot chance for independence achieved by arms for the South. Lee at first meant to attack Philadelphia after crossing the Susquehanna at Harrisburg but when he learned the Army of the Potomac was nearby, he changed his plan and decided to fight an earlier battle — though he didn't plan to fight at Gettysburg.

The desperate struggle began by accident on July 1st and its climax came when Union troops decisively repulsed a Confederate attack led by General Pickett's brigade. It was not one of Lee's best battles and he won many others when even more heavily outnumbered. But it might have saved the Union. It almost certainly saved Baltimore and Washington from capture — that had become Lee's alternative plan. And it reestablished General George Meade as a highly capable Union officer.

## Golden Comments

By James R. Golden

There are indications the Fire-laddies will soon be sporting a spanking-new Fire-Engine, a 12,000 gallon pumper. This one from American-La France, in a breaking away from the old-policy of purchasing Seagraves products. A new Chief... New engines. American-La France enjoys an excellent reputation in the fire-fighting equipment field.

Commissioner Strumolo won a high rating from Amalgamated Transit Union officials for his using local pensioned-off bus drivers to join with local off-duty cops and firemen in driving the Senior Citizens bus and at a rate better than the present prevailing rate for the trade in this area.

You gotta take your hat off to Comm. Mike Marotti, Director of Parks and Public Property, this guy sure has a way about getting things done and at a big savings to the town's taxpayers. What did he do now? ...Simply saved about \$3,200 by buying up at public auction one of the old Public Works trucks and then proceeding to have it completely reconditioned at negligible cost, by expert mechanics, his men painted it up in dazzling blue color and now his department has a much needed big truck to carry out their many chores and all at a little cost and much saving. Keep up the good work Mike. We like it.

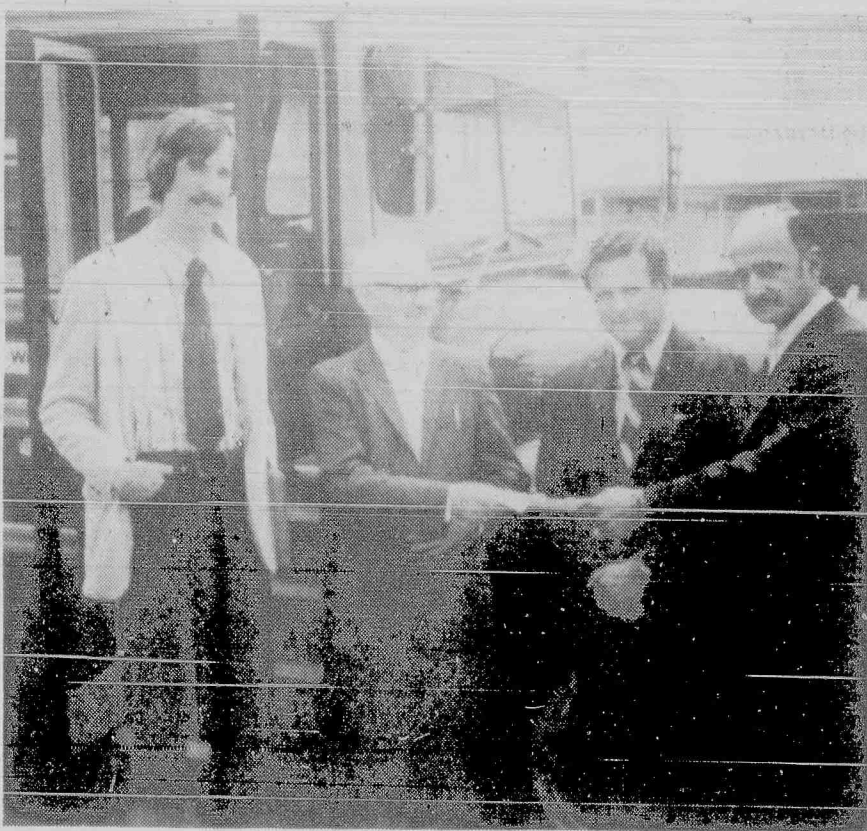

Well that always politically active Jackie Rega is into the main stream of actually becoming an elected office holder. Yep! Jackie is beaming with the first fruits of victory at the polls...this time HIS election...not just the winning

of some candidate he backed in a vicarious triumph. Hailing from Maine many years ago, it is natural he would gravitate to the G.O.P. and there he copped the post of District Leader. Congratulations Jackie Rega may your political star keep rising.

Understand Town Republican Chairman Jerry Ferrara is up-tight over what may have been a surprise move to unseat the long entrenched G.O.P. town leader. Obviously, the move which might have been nurtured by a high local town official died aborning, however, Jerry isn't too pleased about the whole thing and may wreak vengeance in next year's Commission elections. Time will tell.

Small wonder there is so much corruption in government on all levels when one learns of the petty ways some voters try to peddle their votes in a cheap way to better their own ends. Heard a hot-one about the last Primary Election.

A local merchant became a candidate for District Leader, lowest rung on the political ladder; the guy didn't really want nor need the post, but, was urged on by political friends. On election day a customer who owed the merchant candidate \$80.00 sidled up to him and suggested that he'd "deliver" six votes for the candidate from his family, if the merchant would "forget" his 80 buck indebtedness. To the candidate's credit... He won incidentally...he told the vote peddler...GET LOST. Voters, too, sometimes corrupt politics.

COUNTY FUNDS for the purchase of another bus for Belleville were presented to Commissioner Vincent Strumolo last week. Shown here, with the first bus are (l-r) Jim Hession, senior planner, Bernie Gallagher, Director of the Essex County Office on Aging, Freeholder Harry J. Callaghan, and Commissioner Strumolo.

Speak Up!

## Lauds Official For Providing Seniors' Bus

To the Editor:

As you know, no doubt, our very considerate Commissioner Vincent T. Strumolo has provided the senior citizens of Belleville with a bus, to enable us to at least get back and forth to the stores and hospital, and many other places where it has been a great hardship to get to otherwise.

For two years now, since they took away our food stores from Washington Avenue, we have had to trudge all the way up to Franklin Avenue day after day, to carry home a few articles of food, and, after all, how much can one carry? It has really been a great hardship for most of us who live alone and are up in years.

I am writing this because I think Commissioner Strumolo deserves a tremendous amount of thanks. Who else saw our plight and decided that something needed to be done?

Not only is the convenience a great blessing, but you know, most of us get out very little, and we are confined most of the time to our four little walls. This bus gives us a chance to get out for a couple of hours and enjoy even a nice little ride besides getting some shopping done.

I hope others will think about this lovely gesture and think to take time to let Commissioner Strumolo know what it means to them. Don't take things for granted! You know, folks don't have to do these things, they do them because they have the well being of the people at heart.

In closing, let me say a word about the drivers of these buses, too.

I understand that our drivers will be one day a fireman and the next a policeman who will work on their days off.

Well, I have ridden two days. May I say they were the most courteous and understanding gentlemen you could ever wish to meet. The endless questions some people asked were answered with the utmost patience. They treated us as though we were their mothers.

Once again, Commissioner, may I express my thanks and may God bless you.  
Mrs. Dorothy C. Carell  
298 Union Avenue  
Belleville

## Urges Fathers To Consider Varsity Club

To the Editor:

June 7, 1974, at the All-Sports Dinner, President Tom Mack and Varsity Club members presented me with the Presidential Citation Plaque and I want to thank them.

My two sons, Joe and John, have received senior awards from the Varsity Club.

I joined this great club 14 years ago when my oldest son, Joe, played varsity.

I urge all fathers of players and sports-minded men to join our club. Wives, let your man out one night a week. He will meet dedicated men and you will have a better husband for it. Get in touch with Varsity Club officials or members.

I've been in this town over 50 years and have yet to see Belleville High School's football team win all their games.

This year I want to see the football team win all their games under coach Tom Testa. Good luck!!!

Please buy football programs at every home game and attend the two dinner banquets.

Thanks for your time,  
Joseph S. Cernero  
14 Mitchell Street  
Belleville

## Thank Supporters

To the Editor:

We would like to take this opportunity to thank our friends and neighbors plus all who supported us in the June 4, 1974 Primary Election.

Ward 2 District 3  
Henry G. McEnery (Mc Goo)  
Dorothy F. Stepich

## July, 1974

The linden, in the fervors of July,  
Hums with a louder concert.

—Bryant.

July always ushers in the second half of the calendar year. It's the first month of the fiscal year and has more than ordinary importance in the business world.

July is named for Julius Caesar, a change from its former name of Quintilis, changed on the order of Mark Anthony, and was the month in which Caesar was born.

For Americans July is an especially historic month. Our independence is celebrated on the Fourth, of course, and the Battle of Gettysburg was fought during the first three days of July in 1863.

Two of our Presidents were born in July, John Quincy Adams and Calvin Coolidge.

His first admiral in the U.S. Navy, David G. Farragut, was born on July 5, 1801. The Republican Party was founded July 6, 1854, at Jackson, Michigan.

One largely forgotten, though relatively recent day, is July 10th. On that day in 1943 the Allies invaded Europe for the first time in World War II. General Dwight Eisenhower led an amphibious invasion of Sicily.

July, the first month of full-bloom summer, is the month of vacations, holidays, swimming, boating and outdoor pleasures.

By Frank A. Orechio

## Installment Number Thirteen: 'The Dissolution Of Society'

extended. The machine became a substitute for physical labor and the computer supplemented the shortcomings of the human psyche. Man was saved from the day-to-day struggle for preservation and was given abundant time for leisure. Ultimately, he believed he was given the means to immortality when he landed on the moon.

During the exploitation of his know-how, man did not pause to consider the fact that the scientific society must consume the identity of the individual. When it conserves life it contributes to overpopulation. When it replaces man with a machine it destroys pride of labor. When it provides a pain-free existence it forecloses the avenues of recognition. When it reaches the periphery of human expansion it sets the stage for disintegration.

The perimeter of human expansion was reached with the explosion of the nuclear bomb. Since that time civilization has been on the decline because the institution of society has lost its purpose — the preservation of the individual.

When the social organization lost its function the ends of the individual and society became irreconcilable. The individual sought preservation, peace and escape from destruction. The society sought control over its citizenry, extension of its sphere of influence, and nuclear mastery. It was but a matter of time when the individual would come to be regarded as a Radical and the society as the Establishment.

The human energy that produced the Great Society has now turned against it. The individual refuses to accept the role of a non-entity merely to sustain the cancerous need of a social system.

The Establishment, in order to assure its continuation, has sought to appease the individual by the equalization of individual rights. But, here again, it has further reduced the individual to the status of a number because equality is synonymous with anonymity. It has made everyone "as gods".

The break between the individual and society has been labeled by such terms as "alienation" and the "generation gap". The terms simply mean that the individual has rejected all of the values on which the social system is founded. It means that the individual prefers dissolution over a program for living that has no meaning.

It is axiomatic that the Establishment must become more oppressive if it is to compete in the world power struggle. Taxation will increase. Searches without warrants or probable cause will be permitted. The right of privacy will be eliminated. Freedom of speech and of the press will be abrogated. Big Brother will grow to full maturity.

In order to escape oppression, the individual will continue to seek escape through alcohol, drugs, sex and paranoid ideations. He will look for some meaning in his life by returning to nature or joining the Jesus movement. He will adopt the cause of freedom which is nothing to lose.

Man will not be able to hope for freedom until the Big Brother movement has permeated the social systems of the major powers — until social disintegration is complete. At that time man will no longer have to look for his identity in a bottle or in a mirror on a bedroom ceiling. Like Narcissus, he can find it in a pool of water.

(Continued Next Week)

The thirteenth installment of Jack R. Nageley's "The Dissolution of Society" appears below.

Concluding his discussion of man's need for recognition, which began in last week's installment, Nageley asserts that it was this need which caused man to create the concept of God.

This week, Nageley turns his attention to the subject of human identity and claims that signs that people have lost their identities are evincing themselves everywhere. According to Nageley, society lost its basic purpose — the preservation of the individual — the day it exploded the first nuclear bomb. Since that time, says Nageley, society has turned against the individual and sought to subjugate him.

Some persons classify their ultimate need as being a need for "love" rather than recognition. However, it requires only brief reflection to establish the fact the need which is satisfied by the love-relation is basically one of recognition. It offers identity, a purpose, escape from loneliness, and a promise in the future.

In view of the great feeling of alienation that now pervades society, it is self-evident that man has no sense of identity, purpose, or promise in the future. He craves to satisfy his innate need for recognition but social conditions constitute a barrier to gratification. Should it be assumed that society can continue to control the strength

of the need, it must be remembered that the only sensible reason for God's Creation was his desire for recognition.

The transition to anarchy is being evidenced as acts of bizarre behavior throughout the entire world. Children are rejecting parental authority. Hippies and communes permeate the land. Students threaten an educational revolution. Minority factions openly defy government. Persons of all ages are trying to find escape through alcohol, drugs and sex. People are telling each other they have lost a sense of identity.

The problem of identity was announced by the obliteration of Hiroshima and Nagasaki. The individual was to be consumed in a technological revolution.

Life in the technological society began with a drastic change in man's orientation. He knew he could not escape a nuclear holocaust and adopted a doomsday attitude toward life. He realized he would find no god-head in his struggle and adopted a "what for" attitude toward social achievements. He recognized the fact that human life was losing its value and he began to live for today — to hell with tradition or the future.

Notwithstanding the fact that life in the postwar era was characterized by pessimism, civilization rose to its greatest height out of the research and development generated by the war. The infant mortality rate was reduced and the longevity of life

## Leonard Ronco May Head ABC

Leonard D. Ronco

Leonard D. Ronco of Belleville has been nominated by Governor Brendan T. Byrne to head the state Alcoholic Beverage Control division. Ronco will first have to be confirmed by the Senate before replacing Joseph Lerner.

Ronco last year had rejoined the Office of the Essex County Prosecutor under Joseph P. Lordi. A former state assemblyman, he was admitted to the bar in 1951, and in 1971, had served on Lordi's staff as chief trial lawyer.

Ronco was an assistant prosecutor in the Essex County office under Brendan Byrne, and was a state Deputy Public Defender for Essex County.

## Belleville Man Donates Books

(Continued From Page 1)

Hungarians because of his Slovak origins. He remained in Hungary, working for a Slovakian Newspaper, "Slovenska Jednota," and his writings continued to irritate the Hungarian government. While he was still in Hungary, his fellow citizens in Czechoslovakia elected him, in 1944, to the local municipal council in Sobrance. When he returned home in 1945, although he was not a "party man," he was voted secretary of a 52-town district, later appointed president of the District Governing Commission and a superintendent of schools in Sobrance.

In 1946, he was elected to Parliament, polling 93 percent of the votes in his district and receiving the support of 10,000 signers of a proclamation expressing thanks for his work on behalf of the Slovak minority in Hungary. The night before his election, Slovakian Communists organized his kidnapping to the U.S.S.R.

On December 18, 1947, Blasko delivered a speech in Parliament charging brutality against Slovaks by Communist secret police in Bratislava prisons. During the Communist coup d'etat the following February, he was charged with treason, and he defected to England, where he remained until 1951. In that year, he came to the United States, settling in Belleville, where he has remained ever since.

The set of six books he has

recently published were intended first for a class of parochial school children in Bayonne. The Rev. Clement Ockay, pastor of a heavily Slovakian parish in Bayonne had urged Blasko to update and expand his "Slovak Beginner," for use in the school. During the past three years, Blasko typed and hand-lettered the book, besides drawing maps. He added exercises, vocabulary, grammar tables, history and geography of Slovakia, written in English, and Slovak songs. He did it all alone. "Every page of these books are by my own hand," he said. He had invested \$8,000 for the printing of the books, which he sells on order for six dollars per set. On Monday night he reported, "Yesterday was the first day since January first I received no orders. I was getting as many as 35 each day."

Blasko took special care in writing his dedication of the set donated to the Belleville Historical Society. He wrote that he gave the books "as a small token of appreciation of one naturalized citizen of Slovak origin who in Belleville, N.J., composed these books and who enjoyed the freedom and independence established in this country 200 years ago."

The three-year project was a massive piece of work for one man. "I had to know grammar, literature, geography, a little bit of everything. It was exhausting," he confessed.

## The Graduates Three

**KEEN ON KEAN** — The Giordano family of Jefferson Street celebrated three graduations last week — twins Lynn and Jerry from Belleville High, and their mother, Isabelle, from Kean College. Mrs. Giordano attended night school for seven years for a degree in elementary education. Evidently, she gave the school a good recommendation to the kids, because both will start school there in September. The three graduates are shown here at a family celebration last Sunday.

## Hoffman Is Elected To Industry Board

William A. Hoffman, Jr. of Upper Montclair, president of Hoffman International, Inc., in Belleville, has been elected treasurer and a member of the board of directors of the Heavy Specialized Carriers Conference of the American Truck Associations. He will also serve as a member of the board's executive committee.

The elections took place at the Conference's recent annual convention, held in Honolulu, Hawaii.

Active in the trucking, rigging and crane industry for many years, the Hoffman

Company joined the Heavy Specialized Carriers Conference in 1962 and Hoffman served as founding chairman of its Crane and Riggering Section from 1964-68 — a period during which the group tripled in size to 300 member companies.

Hoffman holds a B.S. degree in economics from Lehigh University and master's degrees in business administration from both Columbia University and New York University. During the Korean conflict, he served in the Pacific and Mediterranean as a Naval officer.

Hoffman has also been a lecturer in business administration at Upsala College, East Orange, N.J.; a trustee of the Welfare and Pension Funds of the Newark Teamsters Union; a trustee and executive committee member of Phi Kappa Theta, an international social fraternity; and a member of Alpha Kappa Psi, a national professional business fraternity.

Hoffman resides at 227 Highland Avenue, Upper Montclair.

William Hoffman

## Pharmacy Footnotes

Vincent  
Cozzarelli  
Reg. Ph.

According to recent reports, the migraine headache is closely associated with abdominal pain. In Sweden, researchers have discovered this to be true in thirteen out of one hundred consecutive migraine patients. The thirteen all had a heredity which involved an inheritance of migraine headaches. Abdominal pain had begun in childhood. Whether occurring alone, or with the headache, the pain usually lasted up to six hours, and no other cause could be found for it. If you don't suffer from these symptoms, thank your lucky stars!

Prescription drugs, cameras and film, greeting cards, candies, baby needs and a full selection of gifts can be found at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. Free deliver is available for prescriptions. "Your Doctor Knows Us—Your Doctor Trusts Us". Open: 9am-10pm daily, 9am-9pm Sundays.

## Greco To Quit In Year

Continued From Page 1

in an exemplary fashion." He commended Greco for allowing the Board "ample opportunity to select another superintendent." Schwartz further commented, "I don't see how anyone can vote 'no' against a submitted resignation."

Mahmariun likewise thanked Greco for the year's grace time and said he looked forward to the help the superintendent will provide in preparing the Board's anticipated bond referendum and the search for a new superintendent.

Romano, who allowed there was a time when I was Mr. Greco's most vocal adversary," said the "criticisms" was not directed at Anthony Greco the man. "I think I made that clear at the time," he added, "when I called for his resignation two years ago. I was not opposing Mr. Greco. I was opposing the superintendent. I think he's done one hell of a job with Assistant Superintendent Grossman and I would hope he'll be re-elected by September 15, 1975. I vote 'no'."

Pica told Greco "we'll look to you for guidance" in the coming months and added "I think it's a fellow Board member cannot accept a resignation."

Greco came to the system from Rockaway in 1968 to succeed the stormy tenure of Dr. Frank Durkee.

He earned his bachelor's degree at the University of Scranton, where he was varsity quarterback on the football team. At Rutgers University he earned his masters' and has since picked up 55 to 60 credits beyond that degree. During World War II he served in the armed forces and remains a member of the Somerset County Post 443 American Legion, of which he was a county commander and county committeeman.

After World War II he entered the teaching system, where he taught for two years and served as principal for 11. In 1959, he became superintendent of the Rockaway system, with 1,200 students in the schools there. In 1968, he came from Rockaway to Belleville.

Greco has had several articles published, including works on curriculum development in science, mathematics and early education inclusion of foreign languages.

He is a member of several professional organizations, including the National Education Association, the American Association of School Administrators, the New Jersey Association of School Administrators, the New Jersey Schoolmasters' Club and the Essex County Schoolmasters' Club.

For over a decade, he has been associated with Trenton State and Newark State as a member of the adjunct staffs.

Greco, who said he began to feel "there was no change of pace" in the job, added that "I have always thoroughly enjoyed the innumerable pleasures that can be had from the Belleville parents in all the P.T.A. groups here."

## Messina Manages At B-D

Ralph F. Messina has been named manager, design engineering for the CSI/Radiology Group of the Becton-Dickinson Division of Becton, Dickinson and Company.

Messina joined the company in 1969 and has held several engineering positions in the B-D Division. He was most recently project engineer.

Messina holds B.S.M.E. and M.S.M.E. degrees from Newark College of Engineering. He resides in Belleville.

Ralph F. Messina

**WIZARD CAST** — Members of the cast in School Two's "The Wizard of Oz" recently staged the well-known play for members of the school and invited guests.

**CRUNCH CRUNCH** — Members of the Junior Woman's Club, (l-r), Mrs. Emil Nardachone, Mrs. Philip Ciaravino and Mrs. Robert Gaccione flatten aluminum cans at their recycling project, held every second and fourth Saturday of the month at the Rec House.

### Masterwork Sets Date for Auditions

Auditions for new members on The Masterwork Chorus will be held Monday evening, July 1, at 7:30 at The Masterwork Music and Art Foundation, Morris County Park Commission Cultural Center, 300 Mendham Road, Morristown, New Jersey.

Requirements for membership are a blending voice.

101 UNION AVENUE  
BELLEVILLE, N.J.

**ANOTHER CONTRACT** was signed Monday night between the Board of Education and system employees. This one was with the custodians and maintenance men. Shown here (seated, l-r) are Board member Richard Mahmariun, Superintendent Anthony Greco, Board President Matthew Pica and Vice President Caesar Roman. At the top are (l-r) custodian's secretary Neil Stefanelli, Board Secretary Mary Shader and custodians' President Morris Piserchia.

## School Custodians Sign Contract

Continued From Page 1

crements, spread over two years.

The custodians and maintenance workers will receive a 5.2 percent increase over their base salary plus increments for the coming school year, and another 5.2 percent increase next year.

Signing for the Board of Ed was President Matthew Pica and Secretary Mary Shader. Officers signing for the custodians included President Morris Piserchia and secretary Neil Stefanelli.

The board also voted to reappoint personnel, excepting teachers, who have already been reappointed for 1974-75. Administrators were all reappointed by a 5-1-1

vote, with James Risoli abstaining and Caesar Romano voting "no," both without comment. G. Fred Burlazzi voted "yes" with the exception of Superintendent Anthony Greco. Burlazzi said he voted against Greco because the Superintendent, who turned in his resignation at the meeting, will receive an increase of \$5,747 in his last year, which Burlazzi said he felt is "too high an increase to pay anyone."

The trustees also voted to initiate a work-study program in Belleville High School next year, appointing a three-member staff of teachers to open the program in August. Member Richard Mahmariun pointed out the state will underwrite half the cost of the

program, which features on-the-job training for credits toward graduation for non-college oriented students.

A videotape machine ordered purchased by the Board, for use in Belleville High to replace one stolen last year. About \$1,000 of the \$1,500 machine will come from insurance and the Coaches' Association will raise the

balance, to reimburse the Board. The Coaches' Association raised the funds to buy the first machine, by providing benefit activities for the student body.

The Board also passed rules and regulations for use of recreational facilities at all school playgrounds, including requirements for permits by any organized groups.

BELLEVILLE, NEW JERSEY

## Browsing Belleville

with Pat Diana

(call me at 751-6861 after 6 p.m. or write 104 Overlook Ave.)

A HAPPY wedding anniversary on June 25th was wished to Mr. and Mrs. Patrick Rodino by their niece, Mrs. Rosalie Rossi DeMateo. Mrs. Rodino is the former Miss Connie Rossie, a Belleville native and former receptionist and nurse to her late brothers Dr. Bart Rossi and Dr. Gene Rossi of Bound Brook. She comes from a family of seven brothers and two sisters - all of town - Mr. Anthony P. Rossi of Scotch Plains, a funeral director, Pat Rodino of the Rossi Funeral Home (he's Congressman Pete Rodino's brother) and sister Mrs. Anna Iovine. The couple are planning a weekend in Revere, Massachusetts where they will attend the 50th anniversary of Mrs. Rodino and then return to spend a week at Wildwood with niece Rosalie and her daughter, Marie DeMetro who celebrated her ninth birthday on June 10. Sounds like a real nice family get-together.

More on our Sparkling Personality of last week - Hetty Murray and her husband Walter have two children, Karen Lubertazzi has her mother's middle name, Elizabeth. She also has the Murray's first grandchild, Roxanne. Son Kenneth, has his father's middle name, Scott, and attends Fairleigh Dickinson University at night. Hetty is a person that puts others before herself and therein lies the secret to her happy life - making others happy.

I'M TOLD by Florence DeAngelis, Unit 299 American Legion Americanism chairman, that seventh and eighth grade children entered an essay contest and Susan Smith an eighth grader at BJHS won for Essex County. A medal was presented to her by principal Mario DeMaggio. Susan's essay will next be judged by the Department and then the National Legion at the Wildwood convention in September.

The newly elected board of the Organization of Parents and Educators at School Seven recently held a softball game with three classes of sixth grade girls against the officers of the OPE. Diana Lombardi, president of OPE pitched, with Lorraine Bogle, Elaine Tornatore, Jo Scarpelli, Jean Pagno, Linda Coffin, Lu DeStefano, Carol Butterfield, Alba Clemente and Rosemarie Buccino, all pitching in to help. The score was 8 - 10, and won't tell you who won. Principal Joe Grosch served refreshments with Mrs. Chirco, Mrs. Palumbo and Mr. DiLea helping. By the way, best wishes are in order for publicity chairman Carole Butterfield who will be moving from Belleville shortly...good luck.

The Belleville Chamber of Commerce welcomed new members - A & R Gym and Sal's Luncheonette...new board of director member is J.D. Crowley of Belleville Wire Cloth Company.

THE KIWANIS Club of Branch Brook Belleville wished happiness to Louis and Susan Ceres who celebrated a wedding anniversary June 7th...Joe and Rose Gonnello, June 19th, Curt and Jeannie Buttell - June 20th and Ernie and Agnes Dyson, June 24th...birthday congrats to Mike Prezioso, June 22nd.

BHS really does things up nicely. Seems that Martha "Marty" Pilchman, has been a pen pal with Claudia Munch of Saarbrücken Germany for the past 3-1/2 years. Miss Munch recently visited with Marty and her parents Morris and Terry and, during Marty's graduation ceremonies the young lady from Germany received an honorary diploma from principal Ray Smith and also wore a cap and gown. What was so special about the occasion is in Germany they don't celebrate graduations like this. Miss Munch is the daughter of Gesela and Willi and will be returning home July 7.

On July 9 the Belleville Historical Society will meet at Christ Church at 8 p.m. The public is welcome as are new members. Movies will be shown.

Congrats are in order for Lois E. Gross, daughter of Mr. and Mrs. Thomas J. Gross of Dewitt Avenue. She graduated June 15 from William Paterson College where she majored in Special Education and minored in Speech Therapy. Big brother Eric and his wife the former Barbara Lynn Vadasz of Shark River were quite proud of Lois.

Claudia Munch (l) and Marty Pilchman (r)

Marianne Goldrick is a bouncing bubbly blonde at Hoffman International who does a smashing job in the accounting department. Just wanted to spread the word her husband, R. Goldrick Trucking, recently opened for business...he has an 48 cu. yds Ford truck...if you need Rich call 235-1043...

TWENTY-SEVEN scouts and ten adults of Troop 301 BSA, Wesley Methodist Church had a four day trip to Gettysburg, Pa. combining education and fun.

The Lavalette Expedition of Group 7, Areme Chapter 73, Order of the Eastern Star members traveled to the home of Mr. and Mrs. Wm. C. Smith, chauffeured by Mrs. Uno Anderson. In the group were Mrs. Louis Long, Mrs. Harold Lee, Mrs. Walter Shafer, Mrs. Walter Murray. Joining the group at the Smith's home were former Bellevilleites, Mr. and Mrs. Anthony Grinnelli and from afar came Mr. Smith's sister, Mrs. Matt Wade from St. Petersburg, Florida.

And finally, but not least, members of Wesley Methodist Church who had a birthday or anniversary this month: Miss Gladys McGowan, Mrs. Linda Carter, Mrs. June Macek, Dr. Samuel Peck, Mrs. Myrtle Grinnelli, Brenda Yurkanin, Mrs. Margaret Welch, Robin Forsyth, Mrs. Edna Farr.

The VFW Post 275, 17 Belleville Avenue is having one of their special rummage sales...June 30 from 2-6 and Monday July 1 from 7 - 9.

A very happy 50th wedding anniversary is wished to Charlie and Florence Zimmer, July 2nd is the actual date but the couple was feted by their children and friends on June 30th at the Lithawian Club in Kearny. Their children are: Mrs. Michael Flynn of Belleville, Mrs. Rita DiCostanzo of Springfield and Charles Zimmer, Jr. of Morristown. The Zimmers have nine grandchildren...God bless.

### PAT'S FUNNIES

What local merchant insulted a fella by saying - "man, you're abnormal, never saw a foot that size"?

The Monday 150 Ladies' group was very disappointed when they elected to hold their banquet at a local eatery...not only were they not afforded privacy, they had to pay for a band, and also had to forgo their band to listen to the eatery's group...that wasn't nice and sorry about that, they'll never be back.

They used their neighbor's driveway - without permission. But the sad fact is they kept hitting the fence and the building and then left the scene of the accident without notification - what if it had been a child? After all, that's who they're supposed to be taking care of.

## Sparkling Personality

# Quiet and Unassuming, Lorrie Tindall Manages to Get a Lot Done — and Fast

She's quiet, unassuming, humble yet, by dint of determination and grit, manages to accomplish more in a shorter time than the average woman. Mrs. Bernard Tindall ("Lorry" as she is known to one and all) was born in

Elizabeth and has spent the past twelve years in town, making ripples which result in waves, which result in major accomplishments.

## A. La Grutta Ends Army Signal Course

Specialist 4 Anthony G. La Grutta, son of Mr. and Mrs. Nicholas La Grutta of 86 Bremond Street, was selected as an honors graduate of his course in multi-channel communications repair at the United States Army Southeastern Signal School at Fort Gordon, Georgia.

Sp/4 La Grutta entered the 23-week self-progressive course in November of 1973, and set a new school record by finishing in 13 weeks.

He is an alumnus of Bloomfield, Tech and is now on a tour of Germany.

Nine years ago, a swimming accident put Lorry in crutches. With her avid interest in her own family, Kath now 15 going in to BHS, Barbara 12 going into the Junior High and Patric 6, who will be a first grader at School Seven, and all other kids everywhere, Lorry became involved in the "We Must Care" program and, with crutches and all, toured Essex County schools as a representative of the program, teaching children to beware of strangers and what to do in an emergency. A poster contest was held and winners traveled to Washington D.C. to lunch with Representatives. Lorry wore a knee brace for three years, but it didn't hinder her activities. She worked for the Essex County Blood Bank, and more recently she and her husband took a course on CPR cardiopulmonary resuscitation.

In 1972-73, Lorry became a board member and the public relations and publicity chairman for the Organization of Parents and Educators at School Seven. She also started the school newsletter and instituted a bulletin board which listed current events of the school. This past year she has been recording secretary of OPE and in her spare time has worked for the "Right to Life" program opposing abortion.

Lorry also works as public relations head for the New Jersey Candy and Tobacco Company and, in her spare time bowls, writes short stories and shares her love with a variety of animals from cats to dogs to rabbits hamsters and gerbils. In fact, when a bill was to pass through Congress to outlaw gerbils as a family pet, Lorry got to work to defeat the bill. Her major hobbies are writing and reading and you'll often find her talking to her plants which are of the orange, grapefruit and lemon variety in short — anything you can eat.

"SMILE!" — An inveterate animal lover, Mrs. Lorrie Tindall is shown here with her pet rabbit, Samantha.

Lorry feels Belleville is a very friendly town and people should get more involved. She has an innate love of her fellow man and raises her daughters to help others. She and her daughters made Easter favors for patients in

Soho Hospital.

Lorry, Tindall won't talk much about herself, but ask any of her numerous friends what she's like and they'll say, "She is one person who is there any time, to any one, any place."

## Colannino Named President Of Remodelers' Association

Andrew F. Colannino of Belleville has been appointed President of the National Remodelers Association of New Jersey with headquarters in Somerset. Colannino served as Vice President of the National Remodelers Association of New Jersey with headquarters in Somerset. Colannino served as Vice President of the trade association and moved into the presidency upon the resignation of Martin Zients of Somerset.

Colannino is Vice President of Modern Millwork Company in Belleville. He has been with the firm since 1965 when he received his BA degree in business management from Bloomfield College. Colannino is Vice

President of the Belleville Lions Club and a member of the Reserve Officers Association of the United States. With his wife Nina and his children Andrew III age 8 and Vincent age 4, he is a resident of Belleville.

Modern Millwork Company has been located in Belleville for the past 27 years. The firm specializes in kitchen design and remodeling. It also has a commercial division that manufactures desks, laboratory tables, countertops and custom cabinetry.

Colannino began his duties as President of the National Remodelers Association of New Jersey by officiating at the June 5 meeting at the Ramada Inn in Clifton.

Andrew Colannino

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Mr. and Mrs. David Ruppell Are Living In Rhode Island

Mrs. David Ruppell — nee Joyce Weitemeyer

Andover Bible Chapel, Andover, Massachusetts, was the setting June 1 for the marriage of Miss Joyce Cleverly Weitemeyer, daughter of Mr. and Mrs. Howard Earl Weitemeyer of Nashua, New Hampshire, to David Charles Ruppell, son of Mr. and Mrs. Charles Frederick Ruppell of 435 Prospect Street.

Dr. Terrelle B. Crum, professor at Barrington College, Barrington, Rhode Island, performed the ceremony with a reception following at The Lanam Club, Andover.

Given in marriage by her father, the bride wore a candlelight silk organza gown over taffeta with a scooped hertha neckline with double ruffles forming the sleeves. It featured a full chapel train with Venise lace appliques.

A Juliet cap was trimmed with Venise lace and held her full length illusion veil. She carried baby pink roses, stephanotis and miniature carnations.

Miss Linda Katherine Wehr of Baptistown, New Jersey, was maid of honor. Bridesmaids were Miss Gay Breen of Clifton and Miss Susan Musgrave of Upper Saddle River.

Their gowns of aqua print chiffon over taffeta were accented with deep purple picture hats and baskets of purple flowers.

James Ruppell of Nutley was his brother's best man. Ushers were Robert Price of Bloomfield and Robert Pierson of Worcester, Massachusetts.

Mrs. Weitemeyer chose a deep rose gown with matching lace jacket while the groom's mother was in a blue gown with white lace trim. Corsages were of pink roses.

Mrs. Ruppell is a senior at Barrington College where Mr. Ruppell received his degree this May. He is employed at the college.

The couple are living in Barrington after honeymooning in Bermuda.

Mrs. Richard McGaughey — nee Susan Kensett

## Miss Kensett Wed To R.R. McGaughey

Honeymooning at Long Beach Island and in the Poconos are the former Miss Susan Diane Kensett and Richard Robert McGaughey, who were married June 8 at the First Presbyterian Church, Chanute, Kansas. Parents of the couple are Dr. and Mrs. James W. Kensett of Chanute, and Mr. and Mrs. Edward C. McGaughey of 29 Race Street.

Dr. Robert E. Bailey assisted by the Rev. Carl B. Orr, performed the double ring ceremony. A reception followed at the Kensett home.

The bride's formal gown of ivory satin lace organza over polyester satin, which she had

designed and made, featured a sheer fitted bodice encircled with Alencon lace at the neck, shoulders and waist. Full sheer sleeves were banded at the cuff in lace. The soft fullness of the skirt widened into a chapel length train.

Her veil was of ivory illusion edged in matching lace, attached to a fitted cap of lace and seed pearls. The bridal bouquet was a cascade of white roses and baby's breath.

Becky Evans, St. Louis, was maid of honor and Norman Gourley, Kansas City, was best man. Bridesmaids were Miss Carolyn Kensett, Mrs. David Crawford of Lawrence, Kansas, sisters of the bride, and Mrs. Roe Carter, Pittsburg, Kansas. Groomsmen, all of Kansas City, were Clarke Stokes, Jack Salek and Douglas McGaughey, brother of the groom.

Wearing apricot picture hats, the bridal attendants were all in floor length gowns of floral printed organza in shades of apricot and orange, and carried baskets of orange miniature carnations and baby's breath.

The bride's mother was in a formal gown of apricot polyester satin with a matching fringed stole caught on the shoulder with a corsage of white gardenias. The groom's mother was in a blue and white floral gown of chiffon and wore a corsage of cymbidium orchids.

Mrs. McGaughey was graduated last month from Park College with a degree in political science and German. President of the Student Senate the past year, she was named Outstanding Parkite 1973-74 and given the Parker Memorial Fund Award. She is listed in Who's Who Among Students in American Universities and Colleges. A 1969 graduate of Chanute High School, she will be employed as Assistant to the Registrar at Park College.

Mr. McGaughey is an Admissions Counselor at Park and July first will assume the duties of Director of Student Activities. A 1969 graduate of Nutley High School, he was graduated from Park College in 1973 with a degree in Sociology.

The couple will be Head Residents in Hawley Hall, Park College, Kansas City, during the next school year.

## Miss Deborah Baxter-Green Married To William Furlong

Miss Deborah Lynn Baxter-Green, daughter of Mr. and Mrs. Alvin Baxter-Green of 373 Hillside Avenue and William Furlong, son of Mr. and Mrs. Joseph Furlong of Bayonne, were married May 25 in Grace Episcopal Church, Nutley.

Officiating at the ceremony were the Rev. Wade Renn of Grace Church and the Rev. Peter Galden of St. Mary's Church, Nutley. A reception followed at San Carlo's Restaurant, Lyndhurst.

Given in marriage by her father, the bride wore a gown of silk organza trimmed with lace and pearls and fashioned with a chapel train. A pearl and lace headpiece held her fingertip veil and she carried carnations and daisies.

Mrs. Maureen Zavor of Nutley was matron of honor. Bridesmaids included Miss Jill Magnusson, cousin of the bride and Miss Susan Kuzicki, both of Nutley. Miss Sherry Baxter-Green, sister of the bride, was junior bridesmaid and Donna Garrett of Bayonne, niece of the groom, was flower girl.

The honor attendant was attired in a yellow floral print gown with a wide brim natural straw hat and basket of spring flowers. The others were similarly attired in pale green.

Joseph Furlong of Bayonne was best man for his brother. Ushers were Scott Baxter-Green, brother of the bride, William Magnusson, cousin of the bride, both of Nutley and Timothy Sexton of Clark, cousin of the groom.

Mrs. Baxter-Green chose a pale green chiffon gown while the groom's mother was in aqua polyester. Corsages were of orchids.

Mrs. Furlong, a graduate of Nutley High School, is with New Jersey Bell Telephone.

Mr. Furlong, an alumnus of Marist High School, Bayonne, is with New York Telephone Company.

The couple honeymooned in Bermuda and are living in Bloomfield.

Mrs. William Furlong — nee Deborah Baxter-Green

## Roberta Sessa, Arthur Masi Earn Awards

Roberta Sessa, daughter of Mr. and Mrs. Louis Sessa of 125 Alexander Avenue and Arthur Masi, son of Mr. and Mrs. J.J. Masi of 10 Mitchell Street, Belleville, received high ratings at the 1974 National Playing Auditions held June 15 at Montclair State College.

Roberta played in the Elementary B group and was awarded a gold star with an excellent plus rating. Arthur

submitted works by Bach, Beethoven, Schubert and Gershwin for superior rating.

Roberta and Arthur are students of Mrs. Elizabeth Hoffer of Manhattan Court. With others, they were gold star winners at the earlier auditions of the Music Educators' Association held May 9 at Montclair State College.

These auditions are given to develop goals and awards for piano pupils of all grades. They are based on individual merit, not competitiveness and are heard and rated by highly qualified examiners sent all over the country by the Piano Guild USA.

## Debra Candura, Troth Is Told Joseph Girgenti Of Miss Smith, Will Be Wed Joseph Maccia

Mr. and Mrs. Louis Candura of 16 Washington Street announce the engagement of their daughter, Debra to Joseph Girgenti, son of Mr. and Mrs. Sylvester Girgenti of Newark.

Miss Candura is a 1974 graduate of Belleville High School.

Mr. Girgenti, an alumnus of St. Benedict's, is with New Jersey Bell Telephone, East Orange.

Mr. and Mrs. Donald Smith Jr. of 63 Bell Street announce the engagement of their daughter, Corinne Susan to Joseph Donald Maccia, of 117 Rutgers Street, son of Mr. and Mrs. Domenick Maccia of Newark.

The troth was made known May 18 at the bride-elect's home during her parents' 25th anniversary party.

Miss Smith, an alumna of Belleville High School, is a personnel secretary with Alexander & Alexander Inc., New York City.

Mr. Maccia, an alumnus of Seton Hall University, is head fabric designer with West Point Pepperell, New York City.

The wedding will be held October 13.

Miss Maureen Madara

## Miss Madara, James Phillips Are Engaged

Mr. and Mrs. William E. Madara of 24 Parkview Avenue announce the engagement of their daughter, Maureen Patricia to James C. Phillips, son of Mr. and Mrs. William Phillips of River Edge.

Miss Madara, a graduate of East Orange Catholic High School and Montclair State College, is with Hahn's Montclair.

Mr. Phillips, an alumnus of River Dell High School and Ball State University, Indiana, is an industrial arts teacher at River Dell Jr. High School, River Edge.

The couple will be wed April 4, 1975.

Miss Debra Candura

## Earls Retire, Move To Florida

Mr. and Mrs. L. Earl, Belleville residents for 45 years, have retired and moved to Largo, Florida.

A farewell party was held May 26 at the home of Mrs. Earl's sister in Clifton.

Mr. Earl retired from the

Miss Corinne Smith

Borden Milk Company after 45 years of service. Mrs. Earl was with Lady Jane of Bloomfield.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Miss Karlene Gintella Bride Of Anthony Peter Schettino

Mrs. Anthony Schettino - nee Karlene Gintella

Miss Karlene Patrice Gintella, daughter of Mr. and Mrs. Anthony Gintella, was married June 2 to Anthony Peter Schettino. The Rev. Kelly performed the ceremony at the Chanticleer where a reception followed.

Miss Barbara Cavelli of Kearny was maid of honor with Miss Diane Zapata of Newark as bridesmaid. Henry Sarnas of Kearny was best man with James Risoli of Belleville ushering.

Mrs. Schettino, a graduate of Montclair State College, received her degree in math and is certified from kindergarten through 12 grade.

Mr. Schettino, born in Stigliano, Italy, is the son of Mr. and Mrs. Rocco Schettino. He attended Newark College of Engineering.

The couple are on a five week tour of Hawaii.

## Linda Coppola, Steven Tissot Plan Wedding

Mr. and Mrs. Coppola of Lyndhurst announce the engagement of their daughter Linda to Steven Tissot, son of Mrs. Marjorie Peterson of 70 Mapes Avenue and the late Mr. Wilbur Tissot.

Miss Coppola is an early childhood major at William Paterson College. Mr. Tissot is with Arbee Equipment of Nutley.

A June 15, 1975 wedding is planned.

Miss Linda Coppola

This Saturday

## Diabetics' Camp To Open Season

The dedication of a new recreation and dining facility, Caspersen Lodge, on June 29, will officially open the 17th season of camping at Camp Neveda, the only camp in New Jersey for children with diabetes.

Camp Neveda, operated by the Camp Neveda Foundation, Inc. and sponsored by the New Jersey Diabetes Association, is located high on a hill overlooking Saddle Bag Lake in a wooded knoll in colorful Sussex County. Besides the lake, there is a large swimming pool on the camp site.

A vacation at Camp Neveda is a complete all around camping experience for children with diabetes. The Camp Program provides informal active outdoor living, land sports, overnight hikes, canoeing, swimming, folk dancing, arts and crafts, dramatics and many forms of recreation planned for the campers. A special thrill are the overnight canoe trips on the Delaware.

Since children with diabetes require medical supervision, qualified doctors and registered nurses reside on the premises at all times. The medical program is under the supervision of doctors of the New Jersey Diabetes Association. Campers learn how to maintain control of their diabetes through individual and group instruction taught by the medical and nursing staff. The camp counselors are oriented to the care of children with diabetes in a camping program.

The child with diabetes discovers that he is not too much

Mrs. John Vitkovsky - nee Sharon Griffin

## Vitkovsky-Griffin Nuptials Are Held

At a June 23 Nuptial Mass in St. Nicholas R.C. Church, Passaic, Miss Sharon Griffin of Passaic became the bride of John Vitkovsky of Belleville.

The bride, daughter of Mrs. Joseph M. Griffin, and the late Mr. Griffin, was escorted by her grandfather, Cornelius Struyk of Bricktown.

Miss Alice Menegus was maid of honor and Miss Kathleen Yellen and Mrs. Eileen Rashid were bridesmaids.

The groom, son of Mr. and Mrs. John A. Vitkovsky, of 47 Parkview Avenue, had his brother, Charles, as best man. William Parry and Frank Saia served as ushers.

After a reception at the Cameo in Garfield, the newlyweds left on a trip to Bermuda.

Mrs. Vitkovsky is a music teacher in the Fort Lee school system. Her husband, a member of the National Guard, received his Master's Degree on June 9, at Montclair State College. He

is a music teacher and assistant band director at Nutley High School.

## Honeymoon On The West For Mr. and Mrs. Immediato

Miss Lorraine Bernardo, daughter of Mr. and Mrs. Steven Bernardo of 474 Centre Street and Fred Immediato, son of Mr. and Mrs. John Immediato of 4 Corsay Road were married on April 28 in Our Lady of Mount Carmel Church.

The Rev. Henry Junciewicz performed the ceremony which was followed by a reception at the Branch Brook Manor, Belleville.

Escorted by her father, the bride wore a gown of organza and english net, trimmed with peau d'ange and Venice lace with matching veil, and carried a cascade of gladioli and orchids.

Miss Theresa Bernardo of Nutley was her sister's maid of honor. Bridesmaids included Mrs. Angela Immediato of Belleville, Mrs. Carol Vigilante of Belleville, Miss Diane Sudol of Nutley, and Miss JoAnn Erickson of Iselin.

All were attired in light pink dotted swiss halter gowns with matching capelets and carried bouquets of light pink gladioli.

John Immediato of Belleville, brother of the groom, was best man. Ushering were Michael Anzovino, Anthony Donadia, Joseph Riccio all of Nutley, and Joseph Radosti of Passaic.

Mrs. Bernardo chose a green chiffon gown while the groom's mother was in shocking pink chiffon. Corsages were orchids.

Mrs. Immediato, a graduate of Nutley High School, is a dental assistant

Mrs. Fred Immediato - nee Lorraine Bernardo

for Dr. John Heindel in East Orange. Mr. Immediato, a graduate of Nutley High School is Dairy Manager with the Nutley Shop-Rite. The couple honeymooned in California and Las Vegas and are living in Nutley.

## Tri-Towners Annual Dinner This Evening

## Stuart Edgar Post, Ladies Install Slates

The installation dinner of Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley N.J. Inc. at Robin Hood Inn this evening will be the start of the 21st year of the club's existence which was founded in May, 1953. The entertainment for the evening will be an accordionist, Mr. Fred Fog of Bloomfield.

From its beginnings as a small club, Tri-Town has now grown to a membership of 95. Over the years, the club has received awards from both National and State Federation of BPW Clubs. The club also participates in civic activities and bi-annually co-sponsors a Baby Sitting Course in conjunction with Clara Maass Memorial Hospital. The sewing group makes stuffed animals during the year which are given at Christmas to the Essex County Children's Shelter in Belleville and Nutley Family Service. Many of the members do a great deal of volunteer work. In April of each year, Tri-Town sponsors a card party, with the proceeds used to present three scholarships and three typing awards to a deserving high school senior in each town.

## Time To Start Tomato Spraying

Most hoe gardeners plant their tomatoes before commercial growers are willing to start theirs in the field. Because of this, the home gardener should start spray schedules a little bit sooner, according to William F. Munk, senior county agricultural agent of Essex County.

Controlling anthracnose, the disease that causes target-like spots on ripe fruit, must start quite early. This disease attacks the fruit when it is quite small and still green.

In addition to fruit spots there are several diseases of leaves which cause spotting and defoliation. Target-like brown spots are called early blight. The tiny little gray spots are referred to as gray leaf spot.

All three of these serious tomato diseases are controlled quite readily with simple spray programs. The materials are available at any garden supply store, says Mr. Munk.

Any fungicide that contains one of the maneb, zineb or

More than 6.3 million pounds of honey were produced in New York in 1973. This is up 25 per cent from the relatively small crop of 5.1 million pounds of honey in 1972. Even the estimated number of bee colonies increased one percent to 122,000 statewide.

## The cost of everything is going up these days!

We don't like higher electric and gas bills or increased rates any more than you do. But we are faced with the same inflation problems as everyone else.

The biggest single item in the cost of electricity to you is the fuel used in our generating stations. And over half of the electricity you use is generated from oil. Since 1969, PSE&G's cost of oil has increased more than 500% despite every effort to purchase this valuable fuel as economically as possible.

Even coal, which is a great deal cheaper than oil, has increased in price 250% in the last five years.

The additional costs that PSE&G pays for fuel to generate electricity are reflected in your bill each month as a "billing factor."

This factor actually protects you because it assures that no profit can be gained by PSE&G whenever fuel costs increase. (Although fuel cost decreases are unlikely these days, the savings would also be reflected in your bill if the price we pay for fuel goes down.) Unfortunately, during recent years fuel costs have continued to go higher and higher. The same situation exists with the gas PSE&G buys from three interstate pipeline suppliers. The price we pay has jumped 32% in the last five years.

Unfortunately, natural gas is in short supply and deliveries to PSE&G have been curtailed in increasing amounts since 1971. All indications are that these cutbacks and resulting price increases will continue in severity.

These additional costs which PSE&G must pay for gas from pipeline companies as well as gas from other sources are also reflected in your bill.

## We don't like it any more than you do!

**Inflation forces us to ask for higher rates.** Spiraling costs for labor, material, and supplies play a major role in the need for increased rates. Costs for everyday items continue to go up. For example, a ton of asphalt used in construction increased 40% last year. Paint went up 10%. Electric service wire increased 65% over a three year period and a single wood utility pole increased over 50% in one year.

It's understandable, then, why we are asking for an increase in rates. PSE&G's history has been one of holding the line on prices. But facts are facts. It's costing a lot more to keep you supplied with energy. The days of cheap, abundant energy are gone. Gone forever. For everybody. We don't like it any more than you do.

# Graduation: A Student's Thoughts

by Robin Bressman

On June 18, 411 students graduated Belleville Senior High at its 77th annual graduation ceremony.

The sun shone brightly, and the weather was warm, as parents, relatives, friends and Belleville residents poured onto the football field and filled the stands for the great event. Inside the gym, the graduates fixed one another's caps, collars and gowns, as they anticipated what it was going to be like when they got out there. Everything was a rush, but time was still found to talk of what parties were being given after the graduation, and who was planning to attend. Some had tears in their eyes, while others had all they could do to keep from bursting from joy. Still others talked of the future, while the rest didn't speak at all.

As one of these graduates, I too had much to think about. Perhaps my major problem was where to put my 8 ounce package of confetti, under my right sleeve, or under my left, and where and when I was to throw it in the air. My second most urgent problem was whether to blow up a green balloon or a yellow one, since I would be seated in the front row and would certainly not want to look conspicuous in any way. My final disturbance was to be with my glasses, I didn't know whether to put them on my face, or bury them in the confetti. Either way, I was going to have a problem. However, we all had our problems, but at the hour of 6:00, we forgot them all as we took our places, to wait at the head of the stairs by the stands, and at the start of the music, make our entrance onto the field.

As we waited impatiently, screams of "Good-luck," "Don't be nervous," "Get ready, they're starting," and "It's time, girls", came from all around us. The anticipation was soon over though, as the band began to play and the line began to move. As I neared the top of the stairs, I could see the cameras flashing, heads turning, hands clapping, and voices cheering, as we, the "stars" made our entrance onto the stage, and the show began. It was to be our last performance and we were enjoying it immensely. We were careful to keep in time, and as we stepped onto the grass on the field, it seemed that time had started to speed.

That morning, rehearsal had dragged, but now, it seemed as though everything was going so fast. At one point, when someone in back of me said "It's all going so quickly", I wanted to say, "stop the music, let's start it all again." But, I knew that it was going so fast, because we waited so long, and I decided to enjoy it at my own leisure, even though I had lost a few moments of consciousness.

When we could finally sit down, I slipped the confetti and balloons out from under my sleeve, and underneath my chair. Promising all the girls a handful of the confetti, I sat back, adjusted my cap, which constantly shifted around, and looked for a familiar face in the crowd. When I finally saw one, my heart skipped a beat, and I looked to see if everyone was around me that I knew.

Throughout the ceremony, my mind traveled far, as I half listened to the speeches being

made, and half remembered those speeches already given. I remembered the first day of school in my sophomore year, and I remembered how frightened I had become when I had to face the fact that I had two more years after that. I thought of how nervous I was when I became a working girl on my first job at the library. Memories of taking S.A.T.'s filled my head, as I recalled the worry I had experienced over taking them. I remembered too, how excited I was to inherit the position of editor of this page in my junior year, and how frightened I had become at the thought of failing in that endeavor. And I remembered how all my friends never let me down or allowed me to do anything but succeed. I thought of all those hours I spent working on college applications, and how my counselor always found the time to help, even when she too had a lot to do. Finally, I recalled the happiness which overcame my entire being when I received the letters of acceptance to all the colleges.

As a senior, I enjoyed my last year most of all. I looked back on the day when I, as a member of the Honor Guard, gave tribute to the Seniors on graduation, and thought of how hard it was to say good-bye to all my senior girlfriends and boyfriends. I remembered it all and I thought of how wonderful it was to be able to say, "Now, I am graduating, and tribute is being paid to the class of '74!"

As the time neared to be called up to accept my diploma, I gathered a handful of confetti, and told someone good luck. I knew we all felt the same, although we all were thinking something different, but as we neared the end of the program, I knew that when we finally threw our caps in the air, we were all proud to cheer the class of '74. Like everyone before us, like every class ahead of us, we were the most important people at that moment and we rose with our caps in unity, as if to say, "We did our best, and now we leave it all behind!"

Now, we are all going our separate ways. Some of us will be furthering our education in the state of New Jersey, while others will leave for another surrounding. Many will be going directly into the field of employment, while others will do both.

I will first join the group which is furthering its education, and then I will hope to join the others sequentially. In saying goodbye to the Class of '74, and the page of which I am editor, I can only hope that we will all make the right moves in our lives. So many times we plan, only to see our hopes and aspirations crumble before our very eyes, and we forget all to soon how to pick up the pieces and assemble them back together again. We all have a dream of one kind or another, and growing up in the world today is a difficult deed to accomplish, unless we have the kind of faith that school has instilled in us.

Next year, the class of '75 will be taking on where we left off, and they too will be feeling the mixed emotions that we have been experiencing. Here's hoping that the following class is able to throw their hats up to a beautiful blue sky, a radiant sun, and a multitude of dreams that someday, will be fulfilled to the end!

ON TO THE FUTURE — Senior girls file onto the field at Municipal Stadium last week for their final school function — graduation. Each, no doubt, viewed the ceremony with different reactions. School Page coordinator Robin Bressman gives hers at left.

This page is written and edited by students of Belleville High School.

## Smoking Privilege Given to Students

by Ann Spera

Smoking privileges were granted to Belleville High School students recently by the Board of Education. Five regulations were given, and are as follows:

Smoking will be permitted only in designated areas listed below:

Underneath the Administrative Office during periods 1, 2, 3, 4 and 10.

For seniors only — area outside the cafeteria during lunch periods 5, 6, 7, and 9.

ID cards must be carried at all times and must be shown at the request of a staff member.

Cleanliness of the area must be maintained by the

students.

Privilege may be revoked at any time because of disciplinary action.

The privilege is extended only during study periods and will be limited to seven minutes. Each teacher will be permitted to excuse one student and when that student returns, another may be excused.

Smoking in the school was one of the major problems during this school year. Students who wish to smoke were asked to obtain a permission slip that had to be signed by both parents.

Hoping the students follow the rules given to them this year, the smoking privilege might be continued next year.

**FORMER DROPOUT** Vinnie Scoca, who recently earned an associate degree at Essex County College, was named as a guest of honor.

## Joanne Greco States, 'Our Time Is Now!'

Honored guests, administrators, faculty, parents, family and friends, welcome to this 77th annual commencement exercise of Belleville High School. We are proud to see that so many have come to share in this memorable experience with us.

We have gathered here tonight for two special reasons. First, to formally say goodbye to a way of life we have come to know so well. This ceremony marks an end to our days at Belleville High. I know there are a few seniors who thought this moment would never come, yet I know that one day we will all miss high school much more than we now realize.

Secondly, it is a time to introduce ourselves to an unfamiliar way of living. Although graduation is an end to so many things, it is, more importantly, a beginning. From now on, each senior here must take on an important and crucial responsibility. Each must decide where they are going in this life, and which path will lead them to a fulfilling and successful future. Our time is now. This land is in our hands, and however complicated it may seem, it is up to us to expand and improve all the possibilities set before

**Joanne Greco**  
Valedictorian

us. It is now time for us to take the knowledge and experience of high school life, and apply them out there in the world, where it really counts. We must begin now to leave an everlasting mark on the course of its future.

With so much controversy about the youth of today, it might seem hard to believe in the words I have been saying. All that we ask is to be given a chance. For with this chance, we may explore every positive hope for the years to come.

## 'Friends to Discover,' Says Joyce Buckland

There are many relevant national and world situations I could have chosen to speak upon today at this, the commencement ceremony of the Class of 1974. I have not chosen such a worldly topic. Rather, I have decided to speak of us, the students who are presently preparing to mark the end of our high school years, of us, the students, who will be entering a new stage in life where we will be considered adults whether we are ready or not, where we will be called upon to make our own decisions and plan our own future, where we can find our greatest happiness. Whether we find this happiness is dependent upon what we, the Class of 1974 have become during these our high school years, what we have learned, and what we have experienced.

At times we have been spoken of as apathetic of our academic studies and of many aspects of our school lives. Yet, we have also been spoken of as too serious, too thoughtful for our young age. Perhaps we are both, perhaps we are neither.

If we do seem apathetic of our academic studies, it is because we are not the same as students of the past. Our values have been reshaped, not destroyed as some would believe. We are students shaped by the world around

us. It is a world of more words yet less understanding, of more people yet greater alienation. We, as students, reflect these times in our attitudes. We are not willing to accept so readily any and all information presented to us. We will not blatantly be told what is and what is not, what will be and what will not be. We question what is presented as our education. We challenge it and sometimes reject it. We want more than to be given an education; we want it to become a part of us. If we seem too serious, too thoughtful, it is because we have a lot to be concerned with. First we were worried about coming to the high school. Would we like it? Would we be accepted? Our next concern was the junior prom. Would there be one? Would it be a success? Finally, we worried as seniors. Would graduation ever come? None of these questions seem very serious yet each was important to us. We have not, as a class, had any profound effect upon Belleville High School. We have tried to lessen the gap between the student and the teacher and help each to see the other as an individual. Last of what we have accomplished has been individual. Many of us have been greatly influenced by teachers and underclassmen. Some of us have deeply affected others. We have learned to accept one another as separate individuals, and to understand that we have no right to expect people to conform to our ways. The Class of 1974 may not long be remembered. We can only hope that each of us has somehow touched someone else and made a difference. This is the most important part of our high school years, more important than any of our studies or classes. We will remember this as we face vocations, jobs, or college. As we prepare to leave, we do so with anticipation. As Antoine de Saint Exupery said, "We have friends to discover and a great many things to understand."

**Joyce Buckland**  
Salutatorian

**JUBILANT GRADS** spring to their feet as the last diploma is presented at ceremonies at Municipal Stadium, Tuesday, June 18. Four hundred ten seniors were graduated, of which about half will go on to college. The ceremonies were the 77th in the history of Belleville High School.

## Helpers Remembered

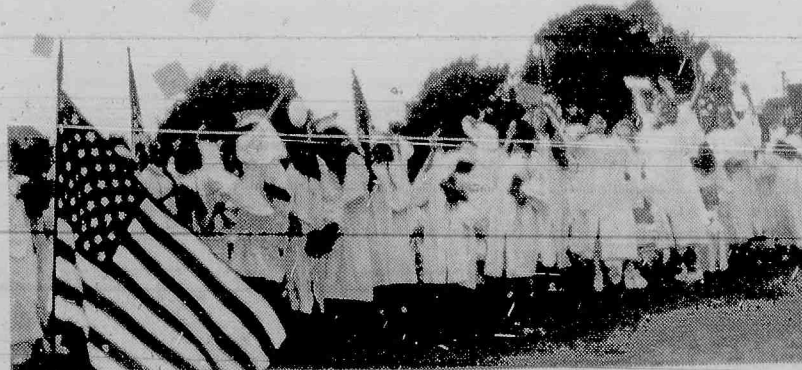

It would be impossible for this graduating class to think all of the people who have helped us to be able to step into these caps and gowns tonight. There are hundreds of nameless people who have given their time and effort to accomplish this small feat and the class thanks them. We thank our parents for their encouragement and interest. We thank the Board of Education not only for their work but for giving us equal time to say

what we thought needed change. We especially thank all of the poor taxpayers for smiling as they give from their hearts and their pocketbooks.

We should thank the teachers too for pushing, pulling and guiding us through twelve years of school. Some of these teachers went above and beyond their call of duty, not only as teachers but as people concerned for other people. These are the teachers who gave us not only the scientific theories and geometric rules but their respect and friendship too.

We have more than the teachers to thank for our education because we learned from each other too. In a world that seems to live in war and scandal the people of this class learned to solve their own problems, troubles, and misunderstandings peacefully. Even though there are different types of people in this class we still know each other and understand each other. We have formed friendships that will last for years after the diplomas have been packed and gathering dust.

If we are weak we learned that we can always try harder. If we are strong we learned that we must always give more. Our teachers have taught us to understand the finer arts and our classmates have taught us to understand each other. With this combination the Class of 1974 will find both success and happiness.

**FLYING HATS** erupt from the senior girls' section at the end of the ceremony. School officials discourage the practice and one girl was injured when struck by a hat.

I remembered too, how excited I was to inherit the position of editor of this page in my junior year, and how frightened I had become at the thought of failing in that endeavor. And I remembered how all my friends never let me down, or allowed me to do anything but succeed. I thought of all those hours I spent working on college applications, and how my counselor always found the time to help, even when she too had a lot to do. Finally, I recalled the happiness which overcame my entire being when I received the letters of acceptance to all the colleges.

As a senior, I enjoyed my last year most of all. I looked back on the day when I, as a member of the Honor Guard, gave tribute to the Seniors on graduation, and thought of how hard it was to say good-bye to all my senior girlfriends and boyfriends. I remembered it all and I thought of how wonderful it was to be able to say, "Now, I am graduating, and tribute is being paid to the class of '74!"

As the time neared to be called up to accept my diploma, I gathered a handful of confetti, and told someone good luck. I knew we all felt the same, although we all were thinking something different, but as we neared the end of the program, I knew that when we finally threw our caps in the air, we were all proud to cheer the class of '74 like everyone before us, like every class ahead of us, we were the most important people at that moment and we rose with our caps in unity, as if to say, "We did our best, and now we leave it all behind!"

Now, we are all going our separate ways. Some of us will be furthering our education in the state of New Jersey, while others will leave for another surrounding. Many will be going directly into the field of employment, while others will do both.

I will first join the group which is furthering its education, and then I will hope to join the others sequentially. In saying goodbye to the Class of '74, and the page of which I am editor, I can only hope that we will all make the right moves in our lives. So many times we plan, only to see our hopes and aspirations crumble before our very eyes, and we forget all too soon how to pick up the pieces and assemble them back together again. We all have a dream of one kind or another, and growing up in the world today is a difficult deed to accomplish, unless we have the kind of faith that school has instilled in us.

Next year, the class of '75 will be taking on where we left off, and they too will be feeling the mixed emotions that we have been experiencing. Here's hoping that the following class is able to throw their hats up to a beautiful blue sky, a radiant sun, and a multitude of dreams that someday, will be fulfilled to the end!

ON TO THE FUTURE — Senior girls file onto the field at Municipal Stadium last week for their final school function — graduation. Each, no doubt, viewed the ceremony with different reactions. School Page coordinator Robin Bressman gives hers at left.

This page is written and edited by students of Belleville High School.

## Smoking Privilege Given to Students

by Ann Spera

Smoking privileges were granted to Belleville High School students recently by the Board of Education. Five regulations were given, and are as follows:

Smoking will be permitted only in designated areas listed below:

Underneath the Administrative Office during periods 1, 2, 3, 4, and 10.

For seniors only — area outside the cafeteria during lunch periods 5, 6, 7, and 9.

ID cards must be carried at all times and must be shown at the request of a staff member.

Cleanliness of the area must be maintained by the

students.

Privilege may be revoked at any time because of disciplinary action.

The privilege is extended only during study periods and will be limited to seven minutes. Each teacher will be permitted to excuse one student and when that student returns, another may be excused.

Smoking in the school was one of the major problems during this school year. Students who wish to smoke were asked to obtain a permission slip that had to be signed by both parents.

Hoping the students follow the rules given to them this year, the smoking privilege might be continued next year.

## Joanne Greco States, 'Our Time Is Now!'

Honored guests, administrators, faculty, parents, family and friends: welcome to this 77th annual commencement exercise of Belleville High School. We are proud to see that so many have come to share in this memorable experience with us.

We have gathered here tonight for two special reasons. First, to formally say goodbye to a way of life we have come to know so well. This ceremony marks an end to our days at Belleville High. I know there are a few seniors who thought this moment would never come, yet I know that one day we will all miss high school much more than we now realize.

Secondly, it is a time to introduce ourselves to an unfamiliar way of living. Although graduation is an end to so many things, it is, more importantly, a beginning. From now on, each senior here must take on an important and crucial responsibility. Each must decide where they are going in this life, and which path will lead them to a fulfilling and successful future. Our time is now. This land is in our hands, and however complicated it may seem, it is up to us to expand and improve all the possibilities set before

**Joanne Greco**  
Valedictorian

us. It is now time for us to take the knowledge and experience of high school life, and apply them out there in the world, where it really counts. We must begin now to leave an everlasting mark on the course of its future.

With so much controversy about the youth of today, it might seem hard to believe in the words I have been saying. All that we ask is to be given a chance. For with this chance, we may explore every positive hope for the years to come.

## 'Friends to Discover,' Says Joyce Buckland

There are many relevant national and world situations I could have chosen to speak upon today at this, the commencement ceremony of the Class of 1974. I have not chosen such a worldly topic. Rather, I have decided to speak of us, the students who are presently preparing to mark the end of our high school years, of us, the students, who will be entering a new stage in life where we will be considered adults whether we are ready or not, where we will be called upon to make our own decisions and plan our own future, where we can find our greatest happiness. Whether we find this happiness is dependent upon what we, the Class of 1974 have become during these our high school years; what we have learned, and what we have experienced.

At times we have been spoken of as apathetic of our academic studies and of many aspects of our school lives. Yet, we have also been spoken of as too serious, too thoughtful for our young age. Perhaps we are both, perhaps we are neither.

If we do seem apathetic of our academic studies, it is because we are not the same as students of the past. Our values have been reshaped, not destroyed as some would believe. We are students shaped by the world around

us. It is a world of more words yet less understanding, of more people yet greater alienation. We, as students, reflect these times in our attitudes. We are not willing to accept so readily any and all information presented to us. We will not blatantly be told what is and what is not, what will be and what will not be. We question what is presented as our education. We challenge it and sometimes reject it. We want more than to be given an education; we want it to become a part of us. If we seem too serious, too thoughtful, it is because we have a lot to be concerned with. First we were worried about coming to the high school. Would we like it? Would we be accepted? Our next concern was the junior prom. Would there be one? Would it be a success? Finally, we worried as seniors. Would graduation ever come? None of these questions seem very serious yet each was important to us. We have not, as a class, had any profound effect upon Belleville High School. We have tried to lessen the gap between the student and the teacher and help each to see the other as an individual. Last of what we have accomplished has been individual. Many of us have been greatly influenced by teachers and underclassmen. Some of us have deeply affected others. We have learned to accept one another as separate individuals, and to understand that we have no right to expect people to conform to our ways. The Class of 1974 may not long be remembered. We can only hope that each of us has somehow touched someone else and made a difference. This is the most important part of our high school years, more important than any of our studies or classes. We will remember this as we face vocations, jobs, or college. As we prepare to leave, we do so with anticipation. As Antoine de Saint Exupery said, "We have friends to discover and a great many things to understand."

**Joyce Buckland**

## Helpers Remembered

It would be impossible for this graduating class to thank all of the people who have helped us to be able to step into these caps and gowns tonight. There are hundreds of nameless people who have given their time and effort to accomplish this small feat and the class thanks them. We thank our parents for their encouragement and interest. We thank the Board of Education not only for their work but for giving us equal time to say

what we thought needed change. We especially thank all of the poor taxpayers for smiling as they give from their hearts and their pocketbooks.

We should thank the teachers too for pushing, pulling and guiding us through twelve years of school. Some of these teachers went above and beyond their call of duty, not only as teachers but as people concerned for other people. These are the teachers who gave us not only the scientific theories and geometric rules but their respect and friendship too.

We have more than the teachers to thank for our education because we learned from each other too. In a world that seems to live in war and scandal the people of this class learned to solve their own problems, troubles, and misunderstandings peacefully. Even though there are different types of people in this class we still know each other and understand each other. We have formed friendships that will last for years after the diplomas have been packed and gathering dust.

If we are weak we learned that we can always try harder. If we are strong we learned that we must always give more. Our teachers have taught us to understand the finer arts and our classmates have taught us to understand each other. With this combination the Class of 1974 will find both success and happiness.

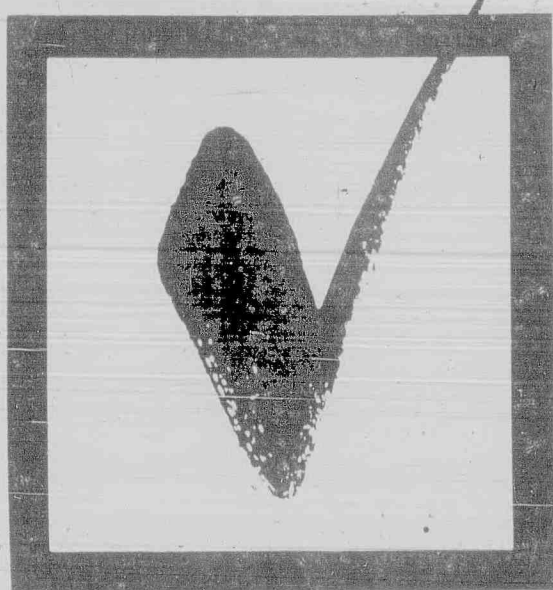

**Joan Buckland**  
Salutatorian

**FLYING HATS** erupt from the senior girls' section at the end of the ceremony. School officials discourage the practice and one girl was injured when struck by a hat.

# Check Fidelity

**If you write checks freely,  
Regular Checking lets you  
write them for nothing.**

As long as you maintain at least \$300 in your account, Regular Checking is free.

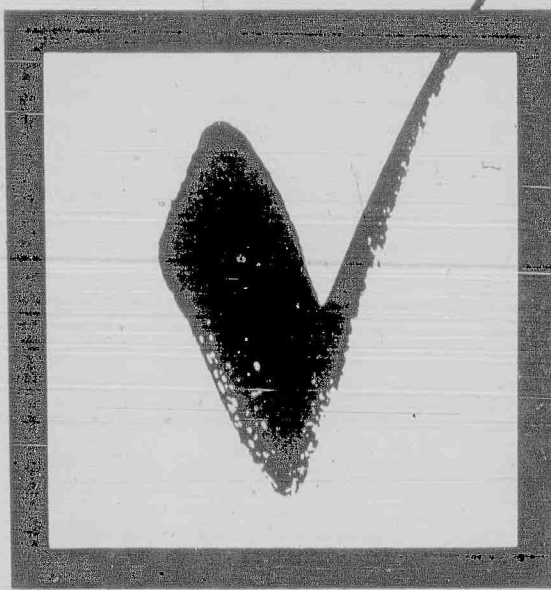

There's no monthly service charge.

And there's no charge per check—you can write as many as you like.

If you write a lot of checks each month, our Regular Checking account can probably save you a lot of money.

And, if your balance should drop below \$300 some month, the service charges are small:

Minimum Balance	
\$300 or more	Free
\$200 to \$300	\$1
\$100 to \$200	\$2
Under \$100	\$3

**If you keep bigger balances,  
Executive Checking may be  
a better deal.**

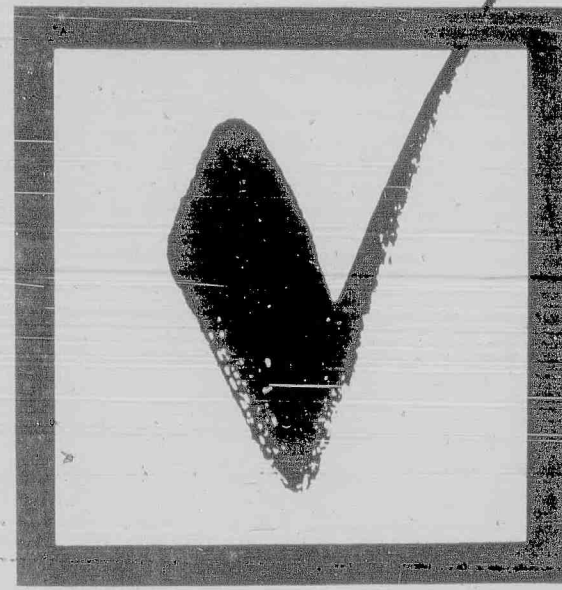

Especially useful for people who are paid monthly, Executive Checking is free as long as your average balance is \$800 or more.

(The average balance is the sum of the daily balances for the month divided by the number of days in the month.)

So even if your balance gets very low for a few days, Executive Checking is still free as long as your average balance for the month is \$800 or more.

And for balances below \$800, services charges are reasonable:

Average Balance	
\$800 or more	Free
\$600 to \$800	\$1
\$400 to \$600	\$2
Under \$400	\$3

**If you do very little checking,  
Special Checking lets you  
check for very little.**

There's absolutely no minimum balance required in Special Checking—the ideal account for people who do a minimum of checking.

You only pay for the checks you write: 10 cents per check plus a monthly service charge of 75 cents.

No matter which type of account is right for you, you'll find that keeping a personal checking account at Fidelity is easy, convenient, and pleasant.

And your cancelled checks will automatically provide the receipt of payment that's so vital in our lives today.

Stop in at any of our 21 offices.

And check into Fidelity checking.

Tourney, Banquet  
To Fete Schwartz

A golf tournament honoring Max Schwartz, Board of Education attorney will be held Sunday, June 30 by the Branch Brook Golf Club.

Entries can be made until tee-off time at 10 a.m. Sunday morning, for a donation of \$10. A buffet dinner will be held following the tournament, at the American Legion Hall in Nutley.

The Belleville Times

News

Men's Recreation Softball Play  
Nears End of Second Round

From Commissioner Marotti's office comes a report of interesting action in the Recreation Mens Softball Leagues as they near the completion of the second of three rounds.

The big game of the Monday League was the Ceramis - I.M.A. contest. Ceramis average a first-round loss to this strong I.M.A. team and put themselves into a tie for second place with their arch rivals. So far Ceramis have

lost one to Viola Bros. Meanwhile, Violas only loss came at the hands of I.M.A. Garden Liquors holds fourth place, Paramount Bakery has fifth and Wallace & Tiernan still seeks their first win.

Circle Bar holds the lead in the Tuesday League having lost only to Rosellis. Rosellis are in second place with losses to the Belmonts and to Corine Motel. Both Rosellis and the Circles were winners last week with Circles defeating

the Belmonts in a tough 14-12 contest and Rosellis winning over Corine. Last place Frankies posted their first win by defeating the Who's It team.

Park View House continues to dominate the Wednesday League as they defeated the Circle II team. Garden State scored their first win when the beat Edson Tool. Landolfs, by defeating the Chip Inn created a three-way tie for second place. Each of these teams is just two games of the

pace and with one whole round to go they must all be considered threats to Park View.

Branch Brook Manor, in the Thursday League is the only remaining undefeated team in the Leagues. Last week they had a surprisingly difficult time with last place Belleville Shoes. Murrays Pub, with a win over Salvatores, established themselves in second place. In third place are Salvatores and the Third Rail who beat the Corner team.

Come From Behind  
Legion 9 Hang Tough;  
Grab 1 Tie, 1 Win

A "never-say-die" attitude brought the Belleville Legion Post 105 baseball squad a tie and a win last week as they defeated Millburn, 5-3, and tied Verona, 4-4, before the game was called for rain.

The Legion team, now at 2-2-1, had fallen behind 4-0 in the first inning against Verona. After a shaky start by pitcher Joe Cerza, who

gave up all four runs on three hits, the hurler toughened up, holding the Veronians to one hit for the rest of the game.

In the third inning, the Belleville bats began to pound out the hits, with Vic Pasquariello singling to center-field, then stealing second base, Joe Cancelliere reached first on an error, and Cerza was hit by a pitch. Next up was Lou Grasso, who clobbered a tape measure blast to deep right center field for a triple, driving in three runs.

Belleville tied up the game in the fourth inning, with Ron Goy singling to left. Vinnie Lipoma hit into a fielder's choice and the Millburn pitcher threw to second to get Goy. The second baseman then threw wild to first and Lipoma moved to second on the error. Vic Pasquariello singled in Lipoma to tie the game.

The score stayed at 4-4 until the bottom of the sixth inning, when rain forced an abrupt cancellation.

Timely hitting and clutch pitching gave the Legionnaires their second win of the season, against Millburn. Greg Petite earned the victory after pitching five innings before yielding to Rickie

Lloma. John Guarino and Vic Pasquariello both knocked in two runs, while Joe Arminio accounted for the other in the 5-3 game.

Millburn pitcher Brian Moore looked tough in the first two innings, but in the third Greg Petite opened with a line drive single to left, and Chipper Biatore sacrificed Petite to second. Vic Pasquariello drove Petite in to score on a single. Joe Cerza singled to center and Joe De Franza walked to load the bases. Joe Arminio's walk forced in a run and John Guarino ripped a single to score the third and fourth runs.

In the fourth inning, Belleville got a much-needed insurance run when Biatore scored on a single by Pasquariello.

Millburn didn't give up as they added one run in the fifth and two in the sixth. Rickie Lloma was called in to pitch after Millburn's Pete Hardin doubled in two runs. In one and two thirds innings of relief, Lloma gave up one hit. The big play of the game came in the sixth inning, when Millburn's Ed McGlynn hit a "sure" double to right center. Joe De Franza hustled to get the ball and rifled a "strike" back to Vinnie Lipoma, who put the tag on McGlynn.

Summer Cage  
Clinic Ready

Commissioner Michael V. Maroli, Director of Parks and Public Property, approved the creation and structure of two new summer basketball Leagues.

The Junior League is for boys 12-14 years of age. In the beginning of the season a clinic will be held for these boys under the direction of Mar, Corino, a former outstanding player with Belleville High School.

All boys who are interested and would like to participate in this league are to meet at the Belleville Recreation House, 407 Joralemon Street at 6 on Friday, July 5.

The Senior League will be for players 15-19 years of age. Their 20th birthday cannot fall before July 2. This league will be under the guidance of Don Grasso, head coach at Belleville High School. All groups that are interested have to have their rosters (10-12) players in by July 2. No rosters will be accepted after this date. After the rosters are received at the Belleville Recreation House, 407 Joralemon Street, a schedule will be made. If you have any questions regarding this league, please contact the Recreation office at 759-3142.

Belles to Retain  
Softball Crown

The Belles have scored a repeat as Champions of the Recreation Department Ladies Softball League. The Champions went through the season with no defeats although they were tied once by the Sluggers.

Members of the 1974 Championship team are: Audrey Roll, Captain, Edith Biatore, Lucille Burlazzi, Maureen Doll, Janet Fazzari, Edith Graziano, Ruth Kempainen, Flo Labenski, Doris Lowry, Marilyn Mack, Julie Polito, Marianne Stetz, Rose Wallace. Lucille Montemarano, Betty Rosamilia, Colleen Salmon,

Gloria Pellegrino and Andrea Morel.

In their closing two games, which were both with the Wizzards, the Belles had some trying moments. The Wizzards, last place in the League, showed great improvement and really played well. On last Tuesday the Wizzards got out to an early lead to which they tenaciously clung until the last inning. Then those big bats of the Belles went to work for five runs including a grand slam by Captain Audrey Roll. Final scores was 12-7. Again, on Tuesday the Wizzards gout out in front first only to be overtaken by the Belles.

Tied for second place in the League are the Sluggers and the Dazzlers.

Town Golfers  
Battle Today

The elite of Belleville's golfers match their skills at Hendricks Field today in the annual townwide golf tournament sponsored by the Department of Parks and Public Property. Tee-off time is 11 a.m.

Seven trophies will be awarded for various categories, from overall tournament winner to the golfer with the longest drive of the day.

Jayvee 9 Surpasses  
Last Season's Mark

by Dennis Buckley

The Belleville jayvee baseball team terminated the 1974 season with a 17-3 won-loss record. This record surpasses that of the previous superior height of an 18-4 final in 1971.

Coach Ralph La Conte is proud of this feat. La Conte has been successful in priming the players in developing a winning attitude. The jayvee mentor commends the players on their achievements and he encourages others to recognize the ability and ac-

complishments of these athletes. "These boys made coaching a pleasurable job," said La Conte, "they possess sort of a 'baseball savvy.'" They all show great promise for the future and Coach Charlie Travers of the varsity squad will have the cream of the crop next year. La Conte hopes that "these fellows carry the winning attitude and sportsmanship with them on and off the field."

The highlight of the season undoubtedly was the victory against Irvington in nine in-

nings that put an end to the Camper eighteen-game winning streak they carried into that game with them.

This Belleville club also exhibited a seven- and an eight-game winning streak.

Special thanks for a successful season to the varsity members who contributed to the winning cause, to the fans who supported the team, and to the scorekeepers, Donna Berrigan and Deni Lijo, without whom this article couldn't have been written.

Leaders Keep on Winning  
In Little League Action

The Belleville Italian-American Civic Association in the American League and Milt's Photo in the National League continued their winning ways as Little League raced moved along another week. Milt's Photo defeated Joly Cleaning 15 to 1. Mike Nicosia pitched a one hitter coming into the last inning. Mike also had a home run, and Steve Coffey and Dan Borgo had four hits each. Ken Constantino had the only hit for the losers.

B.I.A.C.A. defeated Rotary by scoring three runs in the last inning. Jim Guilianno had three hits and three RBI's followed by Ken Miele with two hits. Paul Scheuplein had three hits for Rotary followed by Lou Ritacco, Jim Kelly and Mark Montemarrano. All had two hits apiece.

K of C scored six runs in the last inning to defeat Kiwanis 14-10. Robert Barbara led the K of C in hitting with two homeruns and eight

runs batted in, Mike Peterson also had three hits. John Norton, Joe Biase and Bob Brave all had two hits for the losers.

Lions defeated Jolly Cleaners by the score of 19-5. The Lions banged out 12 hits with David Haight, Mike Rainoie, John Carlo, Pascal Morel and Howie Anderson all having two hits each. On the losing team Ken Constantino and Anthony DeMeola also had two hits each.

Rotary Club came up with

# Milt's B.I.A.C.A. Maintain Pinnacles

(Continued From Page 13) five runs in the fourth inning, enough to defeat Landolfi 7-2. Steve Kearney and Anthony Maksymo had two hits each. For Landolfi, Jim Kelly had three hits for the winners each had a homerun.

Riefolo came from behind with four runs in the fifth and one in the sixth inning to defeat Varsity 11-10. Joe DeFillipo and Bob Baglione had three hits apiece for Varsity. Brian Dunn had four hits including a homer for the winners followed by Joe

Mustacchio with three hits. Amvets banged out 14 hits and scored 11 runs to defeat F.M.B.A. 11-0. Jesse Marchese and Mike Greene had three hits to lead the hitting followed by Richard Caruso, Kevin Murphy, and Dan Lane with two hits apiece. Jesse Marchese also pitched a three-hitter for the winners.

The Elks defeated Biancardi by the score of 11-4. Both teams had 4 hits apiece, but loose play and walks by Biancardi made the difference. Pompaio Pasquale

had two hits for the winners while Rich Gashke had three hits for the Biancardi. F.M.B.A. defeated the Lions 12-10. F.M.B.A. came up with nine runs in the fourth inning to take an 11-5 lead, but the Lions almost pulled the game out with four runs in

the last inning. Les Del Tufo had three hits for the winners followed by Jim DeAngelis and Bill Zeimer with two hits. Dave Haight led the Lions with three hits. Mike Rainone, John Carlo and Howie Anderson had two hits each.

**Kiwanis Club Set To Show Trophies**

Starting July, the Belleville Kiwanis Club is displaying trophies and awards they have received, in the windows of Belleville merchants.

These various awards will be on display for a period of two weeks in each merchant's window, starting with the Belleville Travel Agency located at 129 Washington Avenue.

**Seagram's. The perfect martini gin. Perfect all ways.**

## Beck's Column

Some time ago we told you about our store and the different departments, our parking facilities right in the rear of the store and our own budget plan, which has the lowest rates, besides offering our customers the convenience to make payments every day much later than the banking hours and twice a week, on Monday and Friday, when the store is open until 9 p.m.

Today we would like to talk about our service. We service only the merchandise which we sell. Since we carry one line of TV and stereo sets, one line of appliances respectively one line of gas ranges, our technicians are very much familiar with the merchandise. This also makes the problem of keeping replacement parts easy. If a store sells half a dozen brands of TV sets and as many lines of appliances, it is impossible to stock the required number of replacement parts for so many different brands. Our key men are with our company for 28, 23, 21, and 11 years respectively. Our customers know them all very well. This makes a big difference. We try to assign one technician to a customer. Occasionally we can not send the same technician, if a customer should call for service on this particular man's day off. We have 5 service trucks. If your call for service comes in before 1 p.m., you will get service the same day. Many new customers at first do not believe it, when we tell them this. Most of them say they never heard of anything like this. Almost all stores give you a number to call if you need service. Not so with us. We do the service ourselves. No doubt you have experienced yourself or heard from others that they stayed home all day and nobody showed up. This can not happen at Beck's. If a TV set has to go to the shop, we supply a loan set, at no cost, of course, for the duration of the repair, if requested. There are numerous other services. We are most anxious to please you, so you are satisfied with whatever you purchased from us. These are not mere promises, they are facts. Customers who had dealings with us, will verify this.

We service what we sell.

## Rogers To Head Americans

Russell Rogers, Essex County College track coach, has been selected by the Amateur Athletic Union to be an assistant coach of the junior track team competing in the 1974 USA-USSR Junior Dual Track and Field Championship June 28 and 29 at Austin, Texas.

Since coming to Essex County College in 1969, Russ Rogers has coached the track team to three Garden State Athletic Conference Championships, three Region 19 Championships, and three All Eastern Championships. The team holds seven national junior college records, has won the National title twice and has finished twice in second place. Also to his credit, Coach Rogers has trained 22 junior college All-American competitors and two Olympians.

During his own competitive career, Russ Rogers has been on two Pan American Teams, in 1963, and as co-captain in 1967. As a competitor in the high and intermediate hurdles, he was rated among the top ten in those events from 1962-1969, and in 1965 as a member of the U.S. team he competed against the Russians in a dual USA-USSR meet.

For the past three years Russ Rogers has been named coach of the year for Region 19 and the Garden State Athletic Conference and in 1973, he was elected National Coach of the year by the Junior College National Association.

Russ Rogers

## MSC Golfers Close Season With Victory

Montclair State College's golf team closed out its season on a winning note as the Indians shaded Newark College of Engineering.

The win, only Montclair State's fourth of the season compared with eight losses, snapped a seven-match loss skid. The Indians wrapped up the victory when Gary Wolf, a freshman out of Morris Knolls High School in Denville, defeated John Defaulty, 3-0.

After suffering an opening day setback to Seton Hall University, coach Jerry DeRosa's Montclair State team won its next three matches. Included in the victories was an exciting 10-9 sudden death win over Rutgers University at Newark.

Junior Bob Nitkewicz of Newark, who was defeated during the regular match, 2½-2½, came back and beat Rick Westwood on the fourth hole of sudden death with a 25-foot birdie putt.

## Lacrosse Squad Provided Surprise

Despite working with a new head coach and mostly inexperienced players, Montclair State College surprised many by producing its best lacrosse season in its brief two-year history.

The Indians finished with a 7-2 record under Glen Brown and gained a share of the Knickerbocker Conference championship. The Indians lost their hopes of gaining a post-season tournament bid when it dropped a 13-4 decision to Kean College, Kean and Dowling College, whom Montclair State defeated in its season opener, 8-3, also tied for the conference crown.

Montclair State strung five wins after its first loss of the season to Fairleigh Dickinson University at Madison. Included in the victories was a thrilling 11-10 sudden death win over New York Maritime Academy.

Senior center-midfielder Franklin Walker from Jersey City led the team in scoring with 32 points. He tallied 28 goals and assisted on four others.

News

**PERMANENTLY MARKED** — Police Captain Robert Russomano engraves a registration number onto Brian Cook's bicycle at the Jaycee bike rally Saturday. The service, like all others at the rally, was free.

**STURDY ENOUGH?** — Joe Catalano of R & S checks Louis La Medica's two-wheeler out as external Jaycee vice president Steve Andrascik notes any deficiencies.

**ALL SET** — Jaycee President Joe Doyle issues a safety registration card to Rocco Balsamo after he and his bike passed a series of tests and inspections.

## Bikes Checked, Riders Tested As Jaycees Hold Initial Rally

A Bike Rally, sponsored by the Belleville Jaycees, attracted close to 200 bicyclists of all ages to School Seven last Saturday.

Following official police registration and inspection of bikes, participants were rated on a safety quiz and a four part skill course.

Marie Clarizio, 11, scored the highest total of the day with 197 points out of a possi-

ble 200. Runner-up was Wayne Graziano, 13, with 196. Both top winners were awarded first-place medals and prizes.

Others receiving medals in the 12 to 17 year old age group, were Don Loungo, 13, second place with 195, and John Sasso, 13, third place with 193.

In the category, 11 years and younger, second place

winner was Richard Antolini, 8, with 195; and a third place tie between Maria Cifelli, 9, and Wayne Mc Kay, 10, who both scored 192.

In the adult category, over 18, first place winner was Mary Ann Terres, with 189; Eileen Primavera, second place, 180; and William Nankervis, Sr., 170.

Bicycle inspections and maintenance tips were provid-

ed by Michael Lyach of Cycleland, and two representatives of R & S Home and Auto Stores, as well as by the Jaycees.

Captain Robert Russomanno of the Belleville Police Department handled registrations and set up the skill course. He was assisted by regular and auxiliary police.

"Although we are very pleased with the turnout," stated Angelo DeTata, rally chairman, "many more bicycles in Belleville need attention, and riders need safety education."

Captain Russomanno noted many bicycles were in very poor condition and not safe to operate. "We hope these riders gained something from the rally," he said.

The Jaycees, using inspection forms provided by the Automobile Association of America, told each owner the results of the inspection. The forms were held, however, and will be mailed to each parent.

"Our members were very enthusiastic about this project," said Joe Doyle, president. "It was something truly worthwhile for everyone. I wouldn't be surprised if the Jaycees develop other bike programs and hold another rally during the next school year."

Some of the 30 prizes awarded by drawing at the rally were provided by R & S and Grant City. Other safety materials were provided by Schwinn Bicycle Company.

## 'Lovers' Opens This Weekend

If you haven't already bought your tickets for Neil Simon's smash comedy hit, "The Last of the Red Hot Lovers," don't dismay — some tickets will be available at the box office at performance time this Friday, June 28, and Saturday, June 29. This is Nutley Little Theatre's last production of the current season, and it promises to provide plenty of laughs when the curtain rises at 8 in the Franklin Junior High School auditorium, 325 Franklin Avenue, Nutley.

The central figure of the play is Barney Casman, reasonably successful, reasonably well-adjusted, and thoroughly monogamous. And therein lies the problem, as Barney sees it. He decides he ought to break loose, kick

up his heels and swing a little. To that end, he arranges three different rendezvous with three different lady-friends, at his mother's apartment, no less, for the purpose of ...well, you can guess the rest, but come see the fine points for yourself.

Nutley Little Theatre, in its fortieth year of serving the community, contributes much to Nutley and neighboring towns. In addition to the obvious service NLT renders by way of enriching the theatrical and cultural life of the area, the organization benefits many groups representing diverse segments of the populations of Nutley and environs. For instance, NLT productions have financially benefited the First Aid

Squad, the Nutley Community Nursery School, the Nutley Family Service Bureau, and Deborah of Clifton. Free tickets to the annual children's show have been given to Head Start and the North Essex Children's Guidance Center. NLT has cooperated with UNICO and the town of Nutley Recreation Department in benefits for senior citizens. Finally, NLT sponsors a scholarship for a qualified student of theatre arts, and indeed welcomes all high school and college students at NLT meetings and workshops.

The director of "The Last of the Red Hot Lovers" is Bob Bielecki, and the cast includes Tony Betta, Marlene Cocchiola, Lee Moore and Carole Wechter. Tickets for the show are on sale at the Nutley Sweet Shop and the Plaza Bootery, Franklin, Nutley, for \$2.50 each, \$1.50 for senior citizens. For information or reservations call 748-1332.

## Bank Tops \$300M

The Bloomfield Savings Bank, one of the largest savings banks in New Jersey has topped the \$300 Million mark in assets as of April 30, 1974. The actual amount is \$301,164,296.97. The announcement was made yesterday jointly by M. Harold Higgins, Honorary Chairman of the Board and James K. Feely, President.

On April 30, 1964, the total assets of the 102 year old Bloomfield Savings Bank were \$149,067,442.08. Thus the assets are now more than double the total of only ten years ago.

Messrs. Higgins and Feely praised the evident increasing thrift and savings habits of more and more people each year as a healthy sign in holding down current inflationary tendencies. The bank now has over 72,500 depositors.

They also stated present trends indicate the people want a safe investment paying

a good return in dividends which does not fluctuate.

The gain is all more remarkable because it has been achieved without merger of any kind, Messrs. Higgins and Feely pointed out.

The Bloomfield Savings Bank has three offices in Bloomfield: Main Office, 11 Broad Street at the Bloomfield Center; Brookdale Branch, 1260 Broad Street and the Ampere Branch at 100 Bloomfield Avenue.

The bank is a member of the Federal Deposit Insurance Corporation.

### Record Fund Goal Set By Cancer Care, Inc.

A record campaign goal of \$3,500,000 was voted for the 1974-75 fiscal year starting July 1, by the board of trustees of Cancer Care, Inc. and The National Cancer Foundation, Inc. at their annual meeting held on June 12.

# CITY FEDERAL SAVINGS

## New Jersey's Leading Family Financial Center is....

### Big, Bigger, Biggest

**7 1/2%**

Not only does City Federal Savings have a **Big** interest in each and every community we serve—but we, as New Jersey's Leading Family Financial Center, have an even **Bigger** interest in the financial needs of the many families that make up each of the 40 communities we serve. And, as New Jersey's Largest, we pay the **Biggest** interest on the savings that are on deposit in our Savings Certificates and Passbook accounts.

Big as we are, 40 locations in New Jersey with over \$840 million dollars in assets, we still remain your neighbor, where you can always get that personal service you deserve.

### Certificates

4 to 10 Years! \$1000 minimum. Interest from day of deposit! Compounded daily.

Interest check available monthly.

Substantial interest penalty is required for early withdrawal.

**5 3/4% Passbooks**  
\$750 minimum—compounded quarterly  
90 day qualifying

is your  
experience  
adding up to the  
career you deserve?

Take a long look ahead.  
If you're certain that the position you  
hold now promises ample rewards for  
capable effort — now and in the future  
— we advise you to stay right where  
you are. But if you're doubtful about  
your chances to move ahead, consider  
what we have to offer.  
First National State begins by paying  
excellent salaries and providing une-  
qualled benefits for savings and com-  
mercial tellers. But that's only the start!  
What we're looking for is banking  
talent, people who want a future com-  
mensurate with their abilities. Busy,  
dynamic First National State with its  
headquarters in Newark and 30 branch  
offices is building its future on people of  
talent. With our rapid growth and our  
policy of promoting people from within,  
there is plenty of room for you to soar.  
The future may be closer than you think.  
Please apply any weekday  
9:30 A.M. to 3:30 P.M. at our  
Personnel Dept.

Salary commensurate with experience. For early appointment call:

484-4141, Ext. 53

**SECRETARIES We Need You!**

... and it shows in a dozen different ways. To name just a few of our inducements for capable secretaries

- An attractive salary ... and the chance to earn more in high positions
- Interesting work in pleasant surroundings with enough variety and challenge to make the days fly by
- Grand people to work with
- Many benefits from weeks long vacations to 12 paid holidays, insurance, and a hospitalization plan that cushions you against the heaviest bills

If you're good at steno and typing, the red carpet is out for you in Newark and in many of our 30 branch offices. Some of our suburban openings may be right in your town.

Please apply any weekday 9:30 A.M. to 3:30 P.M. at our Personnel Dept.

**Telephone Solicitor Full or Part Time**

Local newspaper is seeking experienced telephone solicitor for classified advertising department.

Call Mrs. Bradley for Appointment

10 AM to 2:30 PM

667-2100

**TELLERS is your experience adding up to the career you deserve?**

Take a long look ahead. If you're certain that the position you hold now promises ample rewards for capable effort — now and in the future — we advise you to stay right where you are. But if you're doubtful about your chances to move ahead, consider what we have to offer.

First National State begins by paying excellent salaries and providing unequalled benefits for savings and commercial tellers. But that's only the start! What we're looking for is banking talent, people who want a future commensurate with their abilities. Busy, dynamic First National State with its headquarters in Newark and 30 branch offices is building its future on people of talent. With our rapid growth and our policy of promoting people from within, there is plenty of room for you to soar. The future may be closer than you think.

Please apply any weekday 9:30 A.M. to 3:30 P.M. at our Personnel Dept.

Insurers Ask

# How Much Would It Cost To Replace Your Home?

Do you know what it would cost to replace your house today?

Before you answer, consider how long ago you tried to make such an estimate.

Even if it was as little as a year ago, your figures probably are out of date, according to the Insurance Information Institute.

A brief look at some elements of the Consumer Price Index of the U.S. Department of Labor show why.

For instance, these statistics show that \$100 worth of construction in 1967 would have cost \$152 in December, 1973, an increase of more than 50 per cent.

Later CPI figures for specific areas of home construction and maintenance paint an even darker picture.

For instance, \$100 worth of house maintenance and repairs in 1967 would have cost \$162.20 in March, 1974.

Figures for the same period show that the cost had risen to \$145.10 for the commodities used in house maintenance and repair; \$169.60 for the services needed in house maintenance and repair; \$179.80 for repainting living and dining rooms; \$180.50 for resingling roofs, and \$159.50 for residing houses.

With these skyrocketing costs, the Institute says that you may find yourself faced with repair and reconstruction costs that far exceed your insurance coverage. This would be particularly true if you have not checked your coverages for several years.

This spiraling inflation has been aggravated by the shortage of petroleum, which is a necessary ingredient in and the basic primary fuel used for the production of such things as heating and electrical insulation, plumbing materials and roof tiles.

It is surprising how many homeowners fail to realize that their insurance protection is inadequate. An analysis of fire losses on homes in one state, for example, reveals that only one homeowner in three carried enough insurance to cover even one-half the replacement value of his house.

Assuming that it would cost \$30,000 to replace your house at today's swollen prices, how much insurance should you carry on it? Since you will collect no more than the face amount of your policy should you have a total loss, it is easy to see the advisability of not having coverage in excess of your home's full value.

Most persons who own their own homes have them insured under a special package policy commonly called a homeowners policy. This policy is also available to those persons who rent homes or apartments and thus need insurance only on their personal property or to protect them against any liability which they may incur as the result of anyone being injured in their home.

Within the package of coverages in the homeowners policy is a clause called the

replacement cost provision.

This provision gives the property owner an added advantage when it comes to claims for partial damages to his house. If he carries insurance at 80 per cent of value or more (in the case of a \$30,000 home this would be \$24,000) claims involving damage to the building are settled on the basis of the full cost of replacing or repairing. In other words, no deductions would be made for depreciation, as is customary in settling insurance losses.

If his insurance equals less than 80 per cent of value, he will receive less than replacement cost but in no event less than actual cash value (replacement cost less depreciation.)

To illustrate further how the replacement cost provision works, let's see how it would apply to a specific situation.

Assume that painting and other interior decorating in a house has a life of 10 years. Also assume that smoke damages the interior of a house decorated five years earlier. Under the replacement cost provision, the full costs of repainting and redecorating would be paid by the insurance company. Without the provision, the insurance company would pay

## This Doctor Does Make House Calls

This doctor makes house calls. The doctor is Doctor Tony Bennett. That title was just bestowed on Tony by the Berklee College of Music in Boston, Mass. The "House Calls" of course refer to the "houses" of music where Tony appears. He'll be making one of those calls at the Garden State Arts Center from July 1 through July 6. Tony will be appearing with Lena Horne on the same bill.

The doctorate bestowed on Tony by the college is the first ever bestowed on a singer. The highly renowned school of music has given this highest award to musicians, but never before to a singer. According to college officials, "Tony Bennett was singled out for this award because he has devoted his energy, time and talents to benefit hundreds and hundreds of thousands of people. In this respect Tony Bennett's very productive life has brought happiness to so many people." Previous Berklee Doctorate degrees have gone to musical giants, such as Duke Ellington and Arthur Fiedler.

Berklee College officials also cited Tony's work with young people. In recent concerts Tony utilized young musicians and in some instances when he played university dates he used full college orchestras as his backup musicians. This is most unusual as top entertainers make it a point to obtain the services of top musicians for their concerts. Tony Bennett has faith in the ability of young people and

only one-half of the loss because the value of the decorating would have depreciated to one-half of its original value.

The amount of coverage you purchase on your dwelling becomes the basis for determining amounts of coverage which are automatically assigned to appurtenant private structures (garage), personal property, and additional living expenses while your house is being repaired.

If you have chosen the Broad Form of the homeowners policy and your house is insured for at least 80 per cent of its replacement value (in this example \$24,000) your other private structures are now insured for \$2,400 (10 per cent of the dwelling); your personal property for \$12,000 (50 per cent of the dwelling); and you have an allowance of \$4,800 (20 per cent of the dwelling) for additional living expenses you may incur if you're forced to find temporary housing after a fire.

The Institute suggests that if you are not sure of the replacement cost of your home, have your insurance agent give you the name of someone who can appraise it and provide you with this useful information.

also believes in giving an opportunity to talented youngsters that they might ordinarily never have.

Tony has recently combined talents and forces with Lena Horne in a series of concerts across the country. The "dynamic duo" will appear at the Arts Center for six performances the first week of July and seats are still available. For ticket information, whether for price, seat location or the location of 85 ticket outlets in New Jersey, phone (201) 264-9200.

# Public Service Road Test For 3 Electric Vehicles

Three electric work vehicles are being road tested by Public Service Electric and Gas Company as part of a program in which 55 utilities throughout the nation are participating.

Primary purpose of the program is to obtain research data which will develop useful electric vehicles and assist utilities in planning for the significant number of electric vehicles expected to be on the road in the 1980's.

PSE&G will use the three vehicles for meter work, carrying light loads and for other tasks that involve short trips.

Power is provided by self-contained, easily-removable battery packs, especially designed to permit around-the-clock operation. One person can change the battery packs in less than five minutes.

The batteries can be charged slowly — overnight — or more rapidly. There are advantages and disadvantages in each of these methods, both from the view of the battery life and from the effect on electric power supply systems. Research is needed to determine which method is more desirable.

The vehicles are designed to do a full day's work between battery changes. They have a range of 50 miles at 20 miles an hour, 40 miles at 30 miles an hour and 30 miles at 40 miles an hour.

Built for everyday use, the vehicles are walk-in, van-type trucks. The body, mounted on a 94-inch wheelbase chassis, has an interior height of 63 inches. The overall length is 145 inches and the width is 78 in.

The vehicles weigh 5,800 pounds and can carry a payload of 800 pounds.

Each vehicle will be instrumented to register operational data. Records of performance will be maintained.

The vehicles will be used to develop operating experience under a variety of conditions, to obtain economic data, and to advance electric vehicle technology.

panies, large and small, are

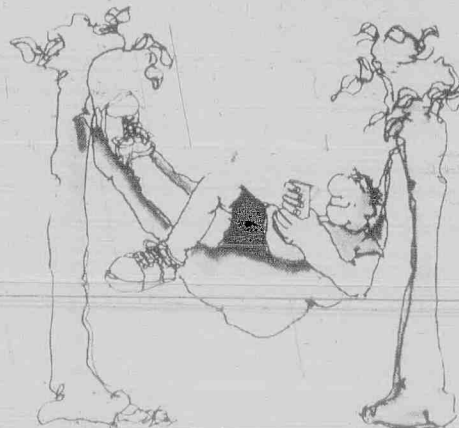

The data developed will help the company determine the impact on its system that the growth in the number of electric vehicles will have as new users of electricity.

During the past few years electric vehicle development has begun to move forward at an accelerating rate. A growing number of U.S. com-

working on electric cars. By 1990, according to the Federal Power Commission's National Power Survey, there will be 38 million electric vehicles in use.

The three PSE&G vehicles were produced by Batronic Truck Corp., a division of Boyertown Auto Body Works, Boyertown, Pa.

## This Week's Horoscope

(June 29 through July 5)

**ARIES (March 21-April 19):** Get out the trowel and cement, Ari, for you have chance in week ahead to pave the way for new adventure. Others who are less adventurous will follow meekly. Week skids to an abrupt halt on key of B, for Bodacious.

**TAURUS (April 20-May 20):** Time ideal for you to begin to execute The Master Plan concerning very personal affair. Flack of daily associate should be ignored. Tell this person to go play in the nearest swamp — preferably one filled with weeping crocodiles.

**GEMINI (May 21-June 20):** You usually know exactly how to get what you want, Gem. However, in matters romantic, you often discover to your dismay, that once you've gained your goal, it is not what you wanted after all. Teasing is a cruel weapon, Gem, which in week ahead could boomerang!

**CANCER (June 21-July 22):** Don't cling to what's gone, Moonbaby. The past is over — finished — kaput! You have great capacity to give and receive love. Know this and act accordingly. Anxiety fades as week shimmies to a capricious close.

**LEO (July 23-August 22):** One who enjoys conquering is apt to come sniffing about in your private garden, Leo. Don't rely on your tattered, old scarecrow to frighten. This rascal has about as much subtlety as Genghis Khan. Draw firm territorial lines.

**VIRGO (August 23-September 22):** Most people think of you as being "neat but not gaudy" — and don't you just get sick-to-death of it, Virg? In week ahead, be rumpled and flamboyant. Let others peek at the other, often hidden, side of your personality. They may act shocked, but they will probably be secretly delighted.

**LIBRA (September 23-October 22):** Did you know, Libra, that when you are properly mated you are the most romantic lover in the Zodiac? True. Absolutely. You are not only exciting, but most imaginative as well. Time ideal (when isn't?) for you to use your talents. Let me know how it goes.

**SCORPIO (October 23-November 21):** Because you are strong, Scorp, you tend to despise weakness in others. Try looking at it this way: If there weren't some weak Nellies around, you wouldn't appear so beastly strong. In week ahead, try a little tenderness toward loved one. You can't afford not to.

**SAGITTARIUS (November 22-December 21):** Since your sign is that of The Archer, in days ahead you would be smart to aim for more honesty in dealings with loved one who is difficult to reach. Aim true and you may score.

**CAPRICORN (December 22-January 19):** Your need for affection is often hidden behind icy facade. Permit the summer sun to melt your seemingly frosty exterior, Cap. Be bold. Risk rejection. Five will get you ten you wind up week purring.

**AQUARIUS (January 20-February 18):** Week ahead apt to be a heller, Aquan. Behavior of daily associates will test your mettle. Advice: Screw cup on vinegar jug and get out pot of honey. You'll catch more than just a few measly flies. Week flits to busy close.

**PISCES (February 19-March 20):** Love's sweet bait hangs from a dangerous hook, Pisces, so do be careful. Angler knows all the angles. Not to mention the curves.

## Cold Day Hit Record During Month of May

Despite generally warm days during the month of May, a record for the chilliest May day in the Union County area was set at the Union College Meteorological Station, a cooperative station of the U.S. Weather Bureau.

In his monthly summary to the National Weather Service, Prof. Patrick White notes that on May 5, 1974, the thermometer dropped to an all-time low of 26 degrees. The lowest daily average for the month was also recorded on May 5 at 43.5 degrees.

Overall, however, May 1974 brought typically sunny days to the local area. Prof. White states. The mercury hit the month's high of 91 degrees on May 17 while May 23 brought the highest daily average of 73 degrees. The mean temperature for the en-

tire month was 59.2 degrees, Prof. White said.

Rainfall, which was measured on eight days during the month of May, totallled 4.17 inches, which is .53 inch above normal. The greatest amount during a 24-hour period fell on May 10 when 1.2 inches was noted at the Union College station. Thunder was also part of the weather picture on May 10 as well as May 25 while fog settled over the local area on May 24 and 25.

Prof. White also notes in his report that May 1974 brought a serious tornado watch in the New Jersey area from 5 to 10 p.m. on May 12.

The total precipitation through May 1974 measures 16.18 inches. At this time last year, rainfall totalled 24.46 inches.

## Booklet Hits Fem Rights About Laws

Who is responsible for family support? What are the grounds for divorce in New Jersey? Does a wife have the right to work outside the home and use the money she earns in any way she wishes? Can a woman keep her out-of-wedlock child? What is equal pay for equal work? Are women employees entitled to a maternity leave when pregnant? Can a woman obtain credit in her own name? The answers to these and many other questions are now available in a booklet titled "Laws of Special Interest to Women in New Jersey" prepared by the Women's Rights Committee of the New Jersey State Bar Association, along with the New Jersey State Commission on Women.

The booklet, in which questions and answers are printed in both English and Spanish, covers the areas of marriage and divorce; a married woman and her property; social security; women and their children; women who work; and women as citizens. Rosemary Higgins Cass, an attorney from Bloomfield and head of the State Bar's Women's Rights Committee, reports that the success of the project resulted from mutual cooperation and dedicated effort between her own committee and the State Commission on Women.

"Women should be aware of those laws which most affect their lives," said Mrs. Cass. "In addition, we feel that since the booklet is in both English and Spanish, its value to all the women of our state is enhanced."

## Sunshine Duo In Spotlight At Paper Mill

Jack Gilford and Lou Jacobi, who recently played "The Sunshine Boys" on Broadway with much acclaim, will shine again at the State Theatre of N.J., the Paper Mill Playhouse, from July 9 to August 4.

This 12th-in-a-row Neil Simon hit has scored many laughs on Broadway and promises to be as popular with New Jersey audiences, also. Stars Gilford and Jacobi are the best ever in the parts of "Willie" and "Al," two old vaudevillians whose characters Simon based on the unforgettable team of Smith and Dale.

"Jack Gilford and Lou Jacobi are flawless," stated Clive Barnes in a Times article of April 4. "Mr. Gilford's performance in particular is a glorious example of comic acting. He uses every old vaudeville trick in the book, but with such style and such timing...as his partner, the stiff and lumbering Mr. Jacobi is the perfect complement."

Both stars have played roles from low comedy to high drama. Gilford, commended particularly for his role in "A Funny Thing Happened on the Way to the Forum," "The Diary of Anne Frank" and "Catch 22" on film. Jacobi, for "Come Blow Your Horn" (both play and film) and "Don't Drink The Water."

The rest of the Paper Mill cast will include Jeremy Stevens as "Ben," Rosetta Lenore as the "nurse," and Donald Waters as "Eddie."

A few seats for the last week of "South Pacific," starring Betsy Palmer and Jerome Hines, are available by calling the box office at 376-4343.

## 'Wayward Way' Played for Fun

The very mention of the play, "The Wayward Way," the musical version of "The Drunkard," brings smiles to the faces of those who either have seen it or heard about it, for this is the show that played 10,000 times in Hollywood and hundreds of times in other places since then, including off-Broadway.

The unrestrained fun of audience participation in the stilted and stylized performance is peak enjoyment to look forward to at the Meadowbrook Theatre Restaurant in Cedar Grove beginning July 24. Where else can the viewer hiss and boo the villain and advise and applaud the hero, except at "The Wayward Way?"

To add to the spirit of this period piece, the decor of the Meadowbrook will be transformed into that of the Victorian era. Table settings will be changed, hostesses will appear in bathing suits of the '90s, curled villainous mustaches will be supplied to the men, and ladies who have costumes of the Victorian

years will want to array themselves in the modes of the time. Dancing, following the performance, will be to the strains of a Gay '90s Banjo Band.

"The Wayward Way" tells the story of Edward Middleton, a collegian, who suffers every variety of degradation through his fondness for Demon Rum, until his final redemption. The villainous Lawyer Cribbs tempts the hero to ever-greater excesses to achieve his fiendish purposes — overwhelm the pure and virtuous heroine who is pining for her fallen husband. However, in the nick of time, the foster brother-in-law of the heroine comes to the rescue.

Meadowbrook has scheduled "The Wayward Way" through Aug. 31, with performances Wednesday through Saturday.

The current attraction, starring Kurt Kasznar in "Fiddler On the Roof," will run through June 30.

## 'Shamrock' Astronaut Will Attend Festival

Apollo 15 astronaut James B. Irwin, who carried shamrocks to the moon in honor of his Irish father, will join the wearers of the green for a special guest appearance at the fourth annual Irish Festival at the Garden State Arts Center on Sunday, June 30.

Astronaut Irwin served as lunar module pilot for Apollo 15 on the historic journey of July 16 to August 7, 1971, the fourth manned lunar landing mission and the first to visit and explore the moon's Hadley Rille and Appennine Mountains. His companions were David R. Scott, spacecraft commander, and Alfred M. Worden, command module pilot.

Their lunar module, "Falcon," remained on the moon for 66 hours and 54 minutes, and Scott and Irwin logged 18 hours and 35 minutes in extra vehicular activities during three separate excursions onto the lunar surface.

Since August 1, 1972, astronaut Irwin has been president of High Flight Foundation of Colorado Springs, Col., a non-profit organization which he founded to share his faith in God and serve humanity through speaking engagements, publications, retreats and training activities. He has said that the special presence of God and answers to prayers on the moon were instrumental in his decision to spend full time in the ministries of High Flight.

The appearance of the astronaut with such strong religious beliefs will add to the spiritual atmosphere that will be given to a midday phase of the festival — a concelebrated Mass for peace in Northern Ireland. The Most Rev. Peter L. Gerety, D.D., Archbishop-designate of Newark, will be the principal celebrant of the Mass, which will start at noon.

After the religious service, the main program of entertainment will be presented on the Arts Center stage. It will feature Mary O'Dowd, songstress starring at the Irish Pavilion in New York, with Oliver Egan lead guitarist; Michael "Jesse" Owens, Dublin-born singer, musician and humorist, with James Keane, thrice winner of the all-Ireland championship on

## Legislators Oppose Tax, Says Survey

The Federation of New Jersey Taxpayers has released a poll taken this week indicating that New Jersey legislators are opposed to Governor Byrne's proposed State Income Tax in a ratio of three to one. Returns show 26 lawmakers unequivocally opposed and two others opposed with qualifications. Only two are pro tax without any "ifs," "ands" and "buts," while seven are pro tax with some reservations. Five are undecided. One recommends that the voters decide the issue by statewide referendum, as proposed by ACRH pending in the Assembly.

That the total of responses falls far short of eighty is regarded as significant. The percentage rate of replies is far lower than the rate last summer when FNJT conducted a similar poll among candidates for the Legislature. This change is interpreted as showing that whereas candidates wish to cater to the public by apprising if of their views, many incumbents no longer feel responsible to the voters or else hesitate to go on record as differing with Gov. Byrne, the leader of their party.

Although the FNJT questionnaire did not call for names, most opponents of the tax freely appended theirs. Conversely, only two tax supporters identified themselves.

"It is a small wonder," observed Mrs. Gertrude Christiansen, president of the Federation, "that proponents of a State Income Tax prefer to remain incognito, since support of so unnecessary and excessive a burden on the taxpayers may signal the end of their political careers. The 'reluctant dragons' should also be reminded that the taxpayers are voters and have long memories."

## The Art of Pizza-Making To Be Revealed on TV

The art of making pizza dough, sculpture and a film about the Feast of St. Carmel will be among the topics featured on "Jewsey Weekend," Wednesday, July 10 at 10 p.m.; Thursday, July 11 and Friday, July 12 at 8 p.m. on Channel 50.

The 30-minute program focuses on places to go and things to do in New Jersey in the summer. Hosts are Lynn Hackerman, 197071 Miss New Jersey; Don Amendolia, actor, singer and dancer and David Lloyd of Glassboro, professor, poet and folklore buff.

## Bob Hope to Appear At Caldwell College

A legend in his own time, Bob Hope will appear at Caldwell College's "Theater-on-the-Hill" on Saturday, Nov. 30, according to an announcement made today by Jacqueline Beusse, Theater Chairman.

Hope, who undoubtedly has been awarded more honors than any entertainer in history, including the Distinguished Public Service Medal by the U.S. Department of Defense, the "Man of the Year" award by the National Academy of Television Arts and Sciences, and was named as "The Entertainer of the Year" by the American Guild of Variety Artists for two consecutive years, will be accompanied by 14-piece orchestra at the 8:30 p.m. program.

Following Bob Hope's appearance, "Theater-on-the-Hill" will present, on Feb. 1, the fabulous Count Basie and his world-famous 16-piece orchestra, known as "The Most Explosive Force in Jazz." Frank Sinatra says of him, "The Count gets better with age and his music is ageless."

Completing the 1974-75 Season will be the Big Band Nostalgia of the Jimmy Dorsey Orchestra, conducted by Lee Castle and starring vocalists Helen O'Connell and Bob Eberly. Of Castle,

Jackie Gleason says, "I have heard the greatest and Lee Castle is one of them." And, who can forget the incredible talent and beauty of Helen O'Connell singing "Amapola," "Green Eyes," "Tangerine" and "Yours" as she will be doing at "Theater-on-the-Hill" on March 8th.

Tickets can be obtained through Miss Beusse at Caldwell College's "Theater-on-the-Hill." Phone (201) 228-4424, or write "Theater-on-the-Hill," Caldwell College, P.O. Box 96, Caldwell, N.J. 07006.

## \$10,085 Grant Helps Buildings For The Elderly

A \$10,085 state grant has been approved to promote the construction of buildings that are accessible to the handicapped and elderly.

Community Affairs Commissioner Patricia Q. Sheehan said the grant will be used to continue a statewide informational program on the need to design buildings with the handicapped in mind.

The program is being sponsored by the Easter Seal Society for Crippled Children and Adults of New Jersey. Commissioner Sheehan noted that traditional building patterns, which are basically designed for the able-bodied, present serious obstacles for New Jersey's 900,000 handicapped people.
