

# Bellboys Wired for Season Opener

By Paul Stern

Belleville head football coach Tom Testa will not be expecting any miracles from his players when they meet West Essex for the season opener this Saturday, 1:30 p.m., in Belleville Stadium. Miracle-making he will leave to The Man Upstairs, while the Bellboys unsheath a cold-blooded, premeditated and merciless offensive.

"War begins now," said Testa Monday as he and his staff began the final days of preparation. "All this week will be West Essex—strictly. We gotta win the first one before thinking of anything else." Considering the opposition, it's not going to be easy.

Despite Testa's heavy emphasis on offense during the last two weeks, fundamental blocking, tackling and conditioning

will be the prime factors in determining the game. New Scarlet Knight head coach Fred Keil will bring to the battle ground a versatile unit which has shown itself in scrimmage to be "quite strong defensively," he says. With both teams about the same size and weight, the players will be hitting hard to establish physical dominance. "We'll just have to see who's going to hold up," remarked Testa, adding that "I anticipate a hard ball

game. I'm just hoping our boys are hungrier. They've been working too hard to let up now."

Both the Bellboys and the Knights are about due for a winning season. West Essex was 3-6 last year, like the Blue-Gold, and after several satisfying pre-season contests, fully expects to turn things around this year. The Bellboys, too, are beginning to feel their oats following last Saturday's scrimmage against Columbia when "they found themselves," as the coach put it.

Tactically, coach Keil says he will be "trying to create a mismatch." The Bellboys and Knights traded scouts at their last scrimmages, said the coaches, and now have a good idea of what the other team will be up to. Both sets of scouts returned to their lines with considerable respect for the opponent's abilities, but each coach is determined to play the game on his own terms. The Scarlet Knights are this year using a "double slot T" offense, which is considerably different from the Bellboy "I" formation.

The Knight method, explains Keil, puts four pass receivers into action, and employs a lot of defender-confusing motion.

Belleville, says the West Essex coach, "is ground oriented. We like to do both."

Testa figures there's no sense tossing the ball around if the opponent can't stop the Bellboys on the ground, and so far, in scrimmage, the team's new offense has "gelled nicely."

Belleville's "I" formation requires precision ball handling and timing, and when properly executed "won't be boring," said the Blue-Gold general. He and his staffers have been drilling hard to put that offensive together, and "it won't be three yards and a cloud of dust" on Saturday.

In the manpower department, each team seems to have key players well-suited to their coaches' style. Main man in the West Essex aerial game is senior quarterback Bob Losasso (5-11, 170) in his second year of command. He will have five target men to choose from, all serving for the first time as starters in the West Essex unit.

In the backfield, coach Keil is pinning his hopes on senior slotbacks Brian Nelson (5-10, 158) and Phil Seligman (5-10, 188). They run, of course, too.

Then there are three split ends who will see action, all of them for the first time as starters. At the left is Lance Cisco (6-2, 177) who will handle that spot alone. On the right end, however, Bruce Schilling (6-0, 175) and Tom Lorenzo (5-9, 165) will alternate throughout the game.

Filling out the Knight backfield will be senior fullback Eric Pierce (5-9, 165) who is the chief component of the West Essex running game. Pierce enters his second year of varsity action.

## Railroad Gate Turmoil Keeps Officials Talking

By Ken Moore

Local officials entered another round of recriminations this week in the wake of a temporary truce called in the dispute over the dismantling of railroad gates at two crossings in Silver Lake.

One controversy has been cleared, however, relating to the timing of the appeal filed by the Town to reverse Commissioner of Transportation Alan Sagner's April 18 order to grant Erie-Lackawanna's request to tear down the two crossing gates on Franklin Street and Belmont Avenue. Commissioner Mary Senatore had charged last week the appeal had not been filed until after the gates were dismantled on May 6. She said a stay of the order should have been requested by Town Attorney John Scott immediately after the order was handed down, and suggested the problem was not brought before the Commission until as late as August, only days before an eight-day protest was launched to block train passage at the crossings.

The Belleville Times has learned that

the petition to appeal Sagner's order was filed on or about May 30, well within the 45-day limit in which the Town could appeal the ruling, but too late to halt the removal of the gates. Erie-Lackawanna's rapid dismantling, without waiting through the 45-day appeal period, may be used by the Town in court arguments when the appeal hearing is held.

On another front, State Senator Anthony Imperiale has contradicted reports by Belleville Commissioners that the Town officials had agreed to stay away from the site of the protests on the afternoon of Wednesday, September 11, after they had failed to convince residents to accept an agreement which had been reached between a morning meeting among Sagner, Mayor Joseph McGreevy, Town Attorney John Scott and Commissioner Mary Senatore. The Commissioners had asked the picketers to clear the tracks and allow train passage.

Mrs. Senatore last week criticized (Continued On Page 4)

## Van Dyk Variance Rejected In 4-1 Vote by Commission

The Town Commission voted 4-1 Tuesday night to strike down a controversial recommendation to grant a variance for the expansion of a Main Street warehouse.

Commissioner Robert Laterza was the only dissenter in the vote which exactly reversed the Zoning Board's 4-1 decision to favorably recommend the variance to the Commissioners. The Van Dyk application was killed as four other Commissioners supported a resolution to reject the recommendation.

Van Dyk's attorney Frank Pomaco had no immediate comment, but said his client will definitely consider an appeal of the Commission decision in court. After the vote was taken, Pomaco made a formal objection to the

negative phrasing of the resolution.

Only about a third of the objectors who appeared for the public hearing on the variance were present to observe Tuesday night's vote, which had been postponed on two previous occasions due to absence of Commissioners.

There was a lack of any visible emotion in the Commission chambers after the vote was taken to culminate a long, often emotional public controversy.

The proposal to add a one-story addition to Van Dyk's existing warehouse at 123 Main Street became the focus of an informal group of objectors who saw the expansion by the chemical manufacturing company as an encroachment by industry onto residentially-zoned property in the Valley section. The property in question, located at 129-131 Main Street, is composed of two parcels of land zoned for one and two-family use, and a two-family house had been on the land before Van Dyk purchased the property in 1973.

After that purchase, the house was vacated and rapidly deteriorated, and Town officials soon ordered it be boarded up, then told Van Dyk it would have to be repaired or demolished. Van Dyk tore the house down, then applied for the variance for the warehouse on the grounds the land was unsuited for residential use.

Before the Zoning Board, Pomaco cited special reasons

for a variance, citing the location of the property across from the concrete wall of Route 21, and building a case for the unsuitability of the property for a one or two-family home.

Residents objecting to the warehouse said the house was allowed to deteriorate by Van Dyk as a prelude to its destruction and the variance application, and said the

property was rendered unsuited for residential use by Van Dyk.

Other objectors, particularly John Grant, of 133 Main Street, who lives next door to the lot where the warehouse addition would have been built, expressed fears that chemicals stored by Van Dyk would prove explosive or otherwise hazardous. Grant, one of the leaders in the

citizens' campaign against the variance told the Commission Tuesday night after the vote, "My faith continues in the democratic process."

Reverend Paul Ruter of Belleville Reformed Church, another leader among the objectors, said Tuesday night, "I think what changed the tide for us was the night the public hearing was held and we had a chance to speak."

## School Board Raps Laterza for 'Inaction'

Board of Education members took turns Monday night criticizing Commissioner of Public Safety Robert Laterza for what they contend is inadequate protection at the two railroad crossings in Silver Lake where gates have been removed by order of the Department of Transportation.

The board members, led by President Matthew Pica, Lawrence Schwartz and Richard Maharian, asserted that Laterza had reneged on a verbal commitment he made to Pica September 9 to cover each of the crossings with two crossing guards at each site. There is at present only one guard at each crossing, located on Franklin Street and on Belmont Avenue, and the board has assigned school custodians to be present to help cross schoolchildren dur-

ing busy hours. School Four and St. Anthony's School are in the vicinity.

Pica was also annoyed that Laterza has not personally contacted him after the Board president had written the commissioner two letters earlier this month on the request for more guards. He said Laterza had answered his messages by requesting that he (Pica) call him back.

"I'm tired of talking to Mr. Laterza," Pica said last night. "I want some action."

Laterza said Tuesday he had told Pica he would assign two crossing guards to each site "if necessary." "I told him I'm not going to let that crossing be left without a guard, and if they need them, they'll get them."

But, said Laterza, until a decision is reached on the future of gate crossings at the

intersections, there will be adequate protection. Right now, he added, there are two officers from the Sheriff's department at each crossing, one crossing guard at each, and one Belleville policeman assigned for both crossings. "They're there to block traffic and hold back the kids when the trains come," he said.

The Board of Education maintains that the Sheriff's men are assigned to keep the peace in case of demonstrations, and said their observers report the officers are not crossing children.

Laterza said when the gates were first dismantled in early May, he had assigned one guard to each crossing. "One guard did the job sufficiently in May and June and nobody said a word. Now they've got four there and they're looking for five."

The author of those lines has a dream — that they may soon be recorded as a song. It's not an impossible dream, either. If everything goes well, the song "By My Window" could appear on an album titled "The Now Sounds of Today," soon to be released by Columbine Records in California. Columbine has notified the author his work has been considered for the record.

It would be quite an accomplishment for Bill Rundle, a 37-year-old patient at the Essex County Geriatrics Center in Belleville. But even if his song didn't make it onto the album, he still has plenty to show for his efforts.

Bill is a poet, an essayist and one-fourth of the staff of "Dignity," the monthly magazine published by patients at the Geriatrics Center. His talent as a writer has taken a long time to come to the surface, and Bill had more obstacles to overcome

## Auto Pollution Testing Offered Free by Town

Vincent T. Strumolo, Director of Public Affairs, has set aside Thursday, October 3, between 10 a.m. and 3 p.m. for a free auto pollution test.

The director stated that now is the time to have your automobile exhaust tested by the State Department Environmental Protection Agency.

The free auto exhaust

demonstrations will be conducted by technicians of the Bureau of Air Pollution Control to familiarize motorists with the test which became part of the annual motor vehicle safety inspection last July 5.

The mobile testing van will be situated in the parking lot of the Senior High School, Passaic Avenue, Belleville, between 10 a.m. and 3 p.m.

It will be equipped with the same type of emissions measuring instruments that is used in the State's motor vehicle inspection station.

Owners of the inspected vehicles will be given information covering chapter 15 of the state Air Pollution Control Code, the results of the emissions test given their car, and suggestions for reducing the emissions.

## Del Tufo Names Manager

Alfred C. Clapp of Montclair, former presiding judge of the State Superior Court, Appellate Division, has been named to manage the re-election campaign of

Freeholder Gerardo L. Del Tufo of Newark, the lone Republican on the nine-member Essex County Board of Freeholders.

Terming Judge Clapp, "a

long-time personal friend and colleague in the fight to provide clean government to the citizens of Essex County," Del Tufo said he "will be providing general direction and counsel on how best to show the need for continued Republican participation on the Freeholder board."

He is a former state senator and a veteran in State and county politics, having served as state campaign manager for U.S. Senator Clifford P. Case in 1960 and the gubernatorial bid of James P. Mitchell in 1961. Clapp is a member of the Essex County Republican Committee in Montclair.

## Young Democrats Plan Registration

On September 10, The Belleville Young Democratic Club held its regular monthly meeting to discuss plans for the upcoming months.

Foremost on its agenda was the club's concern for voter registration within Belleville. Two approaches were urged: first, that the main emphasis of its programing this year be geared to making available the necessary information to the young people of the town who have just turned eighteen and are now eligible to vote; and secondly, to those citizens who have never taken advantage of this right to vote.

dividuals who are in need of transportation or other technical assistance will also be required. To further the effort, information regarding voter registration will be available at the next meeting of the Belleville Young Dems to be held on Tuesday, October 1, 1974 at 8:30 p.m.

Every monthly meeting is held at the Nu Plas, 538 Union Avenue, Belleville. The Club is open to new members during the entire year. Anyone interested in joining need only come to any of the regular monthly meetings.

It was also urged that just giving out information is not enough, but also that rendering assistance to some in-

## Railroad Dispute

Continued From Page 1

McGreevy for returning to the crossings in the afternoon with Imperiale. McGreevy responded he had returned at the request of Essex County Sheriff John Cryan, who had sought to halt the demonstration without making any arrests.

In a press release issued Monday, however, Imperiale asserted that the agreement between himself and Belleville's five Commissioners was just the opposite — that "we all would return to the railroad tracks to inform the people" to accept the truce and allow the town attorney and the Commissioners an opportunity to file a resolution with the state as well as a public hearing. Mayor McGreevy was the only one who appeared at the gates with myself to disperse the people."

Four of the five Commissioners questioned by the Times this week directly or indirectly disputed Imperiale's version of the meeting held that Wednesday afternoon at the Little League Fieldhouse on Montgomery Place.

Mayor McGreevy said "at the meeting it was agreed we all would go back. Then (Imperiale) took off and as we Commissioners were leaving the building we decided we would not return." Imperiale had insisted that morning he would not tell demonstrators to accept the 20-day truce struck by McGreevy and Sagner, and McGreevy said "at the meeting he wouldn't give in to change his position. That's why I was so shocked when he took the microphone at the tracks later and asked the people to accept the truce."

Commissioner Michael Marotti, though, said in the course of the meeting at the fieldhouse, "we told (Imperiale) right then and there we weren't going back."

Commissioner Senatore: "We had an agreement that not one of us would go back to the tracks that afternoon. We didn't care what (Imperiale) thought. I told him that in no way would we go back. I made my stand there before the people that morning."

Commissioner Robert Laterza, commenting on Imperiale's version said, "I can't see where that was said at all. He may have said that he was going to go back to the tracks, but I don't recall the Commissioners agreeing to go."

Commissioner Vincent Strumolo: "I can't say anything on the matter. I'm still under court order to refrain from discussing anything about the crossing situation."

Senator Imperiale's release attacked Commissioners Senatore and Marotti, both of whom last week suggested that Imperiale's participation in the demonstrations was less than beneficial in reaching a settlement.

Imperiale said, "May I remind both of these Commissioners that I am an elected official which represents Belleville and all its residents whether they like it or not. Commissioner Strumolo requested my assistance on a state level as a representative of Belleville."

Mrs. Senatore last week charged that McGreevy was "grandstanding" by showing up at the tracks after, she said, the Commissioners had agreed not to go. "It was not a matter of grandstanding, but he kept his word like a man."

Imperiale denied the demonstrations had "turned into an attempt to shame the Democratic Party," as Mrs. Senatore had said, commenting, "If anyone played politics to protect the Democratic Party, it certainly was Commissioner Senatore, who happens to be the Democratic chairlady in Belleville."

Mrs. Senatore said Tuesday, "I put my position to good use. I'm very happy I was instrumental in getting a new hearing. This is the reward of having a party affiliation, whether it be Democratic or Republican."

Regarding his own role in the picketing, Imperiale said, "for the present and the future, as long as I represent an area and my constituents have a problem, I will involve myself and my office with or without an invitation from any town officials. This is the oath I took to represent my constituents."

## Golden Comments

By James R. Golden

Just what effect a forced change of venue in the preparation of this copy will have is problematical, however, the old matriarch, who like the head of the elephant herd, has decreed that I must vacate my usual study so that she may conduct her seamstress chores. It seems a pity that the so called weaker sex should wield such dogmatic control over household activities... perhaps the guys should get organized to at least attempt to preserve some semblance of that now established fallacious theory of male supremacy... you can't win with the ladies fellows... you just can't win.

\*\*\*

While sharing completely the sofisticated interest of our Silver Lake area parents over the safety of their children because of Transportation Commissioner Alan Sagner's stupid authorization to the Eric-Lackawanna to remove crossing gates and watchmen at two very dangerous railroad crossings, it is the opinion of this writer that much of the confrontation politics type of unhealthy demonstration which was largely stirred-up and inflamed by politicians might have been averted and a more sensible and practical approach taken had our town fathers followed the pattern now being pursued by our neighboring Town of Nutley.

There, is an analogous situation, at the point of Washington Ave. and Centre St. involving crossing of children at two schools, the stultifying stolid decision of Mr. Sagner permits removal of crossing gates and a watchman in favor of a new "stop and flag system," such as created the Silver Lake furor.

Forthwith the Nutley Commissioners made application for a modification or rehearing on the decision and directed their Town Attorney, James Piro, to file suit with the Court of Appeals within the prescribed time limitations, in the event the town's request that the gates and gateman be continued as before, not be granted.

### WHY, THEY, DID THE TOWN OF BELLEVILLE NOT ACT IN LIKE MANNER?

According to published reports, in the Belleville case, the decision by Sagner was dated April 18 and Town Attorney John Scott said the decision reached Belleville April 23. Before the town could move to appeal the decision, Eric-Lackawanna had dismantled the gates and removed the watchman on May 6.

Scott said he needed the approval of all five Commissioners before seeking an appeal, and added he felt Eric-Lackawanna would have waited until the 45-day limit to appeal the decision had it lapsed before tearing down the gates. The railroad, he admitted, had taken the Town by surprise.

### IN VIEW OF THE FOREGOING STATEMENT IT WOULD APPEAR THAT GREAT LAXITY EXISTED AT THE BELLEVILLE TOWN GOVERNMENT LEVEL IN THIS MATTER.

As old Al Smith, the happy warrior, would say, Let's look at the record.

By April 23 the Town knew of Sagner's decision dated April 18. The Town had 45 days from the April 18 date within which to appeal to the Courts. The fact that the railroad dismantled the gates and removed the gateman on May 6 was prima facie evidence of their determination to invoke the authority given them by the Commissioner of Transportation.

The schools were in session during the period from May 6 until their June closing date. The children were obliged to make the dangerous crossing during this period under the new objectionable "stop and flag system."

It is most regrettable that our Commissioners failed to act in availing the Town the opportunity to seek relief from an unfavorable condition through timely court action, when it was possible to do so.

## Health Officer Gives Details Of Resignation

To the Editor:

Regarding your September 19, 1974 page one article and Jim Golden's syrupy comments referring to my friend Bob McCarthy's assumption of duties as Health Officer of Belleville, both made bare mention of the fact that I had resigned that position as of September 1, 1974. I would like to clarify the record concerning the above.

Today, most people upon reading about an unexplained resignation assume that it was forced. Mine was forced in that Mother Nature dealt her inexorable hand. I resigned at the behest of my physician and an officially approved Social Security Disability; an unsuccessful Femoral Popliteal Bypass Graft (right leg) and permanent Cardiac Fibrillations attest to that fact. If you notice someone flying a clipped wing cane around town instead of a P-39 Air-cobra you'll know it is I.

I am happy to have served Belleville for four and one half years (not three) and wish Bob the best in his new job.

Very truly yours,

## Blood Donors Are Thanked

To the editor:

The Belleville Red Cross is very grateful to Mr. Kennelly, Blood Donor Chairman of the Belleville Education Association; Mr. Wilcox, Blood Donor Chairman of Wallace & Tiernan; and to the people in their organizations who responded so promptly to our urgent appeal for ten pints of blood for a nineteen year old Belleville resident in Clara Maass Hospital.

Without a moments hesitation, the two chairmen obtained the necessary donors who so willingly donated a pint of their blood to aid this young man.

Our heartfelt thanks to all these wonderful people who participated in this life saving emergency.

Sincerely,

## Co-Located Media Ownership

The Justice Department has proposed that newspapers which own broadcasting stations in the same community be required to divest themselves of these media facilities within a period of eight years.

The American Newspaper Publishers Association has strongly opposed the proposal, claiming such ownership doesn't necessarily prevent diversity of media viewpoints and sources and that forced sales might end local ownership offshoots.

Despite ANPA objections, there is a strong case in many U.S. cities against joint ownership. In cities of less than a million population, there are examples where newspaper ownership of the major

television station is contrary to the interests of the community.

Rules, of course, apply to all and no doubt there would be cases, if newspaper ownership of broadcasting stations in their community is gradually eliminated, where divestiture brought no advantages. But newspapers are not to be barred from broadcast ownership — only ownership in cities where the newspaper is located.

Thus it would seem the interest of the public could be best served if newspaper ownership of these stations is phased out; after all, the newspapers affected can probably swap for or acquire other stations comparable to those sold in an eight-year period.

## Good Trains

Amtrak has proposed Congress spend a billion and a half dollars in the next five years improving road beds and rails so that U.S. trains can travel safely at faster speeds, thus improving schedules and train service.

Amtrak thus far has been a disappointment. It operates few trains and no first-class ones. While the latest proposal is sound, what Congress should do is direct Amtrak to bring in experts from countries where deluxe train service is available and have them inaugurate similar service in America.

That would cost money but it would revitalize trains, interest in train travel, and preserve a vital transportation system critical to national security. Excellent rail passenger service is available today in Japan, certain European nations, South Africa, and elsewhere.

The new blue trains in South Africa, for example, offer suites — twin-bed sleeping room,

full bathroom, and lounge. They offer room service meals — gourmet food. Telephones are in each sleeping room or lounge. Passengers have a choice of listening to music, a running commentary on the scenery outside, or news.

The train's car are beautifully furnished, fully carpeted and modern engineering features silence all noise — even the clackety-clack of the wheels on the rails below. (This is done with air springs; the blue trains also have completely sound proof walls for guest rooms, plus disc braking, and individual thermostats in each room).

Good train service still has enormous potential in the United States as the Metroliners have demonstrated. The trouble is Americans don't have good train service. Amtrak services have certainly not yet attained that distinction. Congress should see to it that they do.

the Bellboys had had in years, head coach John Amabile had high hopes for an upset against the team which had lost only one football game in the previous three years, while on the way to capturing two state titles. Bellboy defenses had rocked four pre-season foes in exhibition games, with a brand of football known as hard-nosed contact. Led by senior defensive end Joe Ritacco, whom Amabile referred to as his "best all around player," the defense had stimulated a new phenomenon in camp thus far: a winning attitude.

Judge Edward Abromson sent a letter to the State Director of Motor Vehicles, requesting patrol of Route 21 by state troopers. The action came in the wake of a near fatal accident on the highway three weeks previously. "I think that we've had far too much trouble on Route 21, and something has to be done about it," stated the judge in his chambers at Town Hall. In his letter, Judge Abromson said "I am sure that Route 21 is an extremely dangerous road. It is the scene of many deaths and accidents. For some time in the past, state troopers have patrolled this road and have kept the traffic under control. However, recently troopers have been removed and sent to other areas. I am therefore suggesting that you send a patrol team for traffic control and supervision in this area."

## Construction Cuts

Public Service Electric and Gas Company announced this week that it will cut construction expenditures by \$688 million over the next five years. Work will proceed, however, on nuclear power units already under construction in order that more lower-priced nuclear power can be made available to consumers. The overall construction budget will be reduced from \$2.6 billion to \$1.9 billion for the years 1974 through 1978. The utility's new construction schedule was reviewed and approved by the Board of Public Utility Commissioners last week.

## Two Achieve Promotions At Wallace and Tiernan

The Wallace and Tiernan Division of Pennwalt Corporation has announced two promotions here.

The company declared the promotion of Robert P. Johnson of Belleville to Supervisor of Systems Assembly at its facilities in Belleville.

Wallace & Tiernan is a world leader in the manufacture of equipment for metering and controlling gases, liquids and solids; as well as in

the manufacture of instrumentation for water and pollution control systems.

Johnson joined Wallace & Tiernan in 1944 and he has worked in various operations. In his new position he is responsible for the assembly of chlorinations systems, lime slaking equipment and related items.

He is married to the former Margaret McNulty and they reside in Belleville.

The company also an-

nounced the promotion of Eddie B. Noble of Newark to Plant Supervisor at the Belleville location.

Noble joined Wallace & Tiernan in 1969 in its Plastics Manufacturing operation. In his new position he is responsible for all plastics production on the Plant's second shift.

Noble is a Vietnam Marine Corps veteran. He is married to the former Darlene Dubose and they have two children, a son, Reginald and a daughter, Rosalyn.

# Raising Money for School May Involve Thinking Big 'Harvey' Is Set At Meadowbrook

Families whose hopes of putting a son or daughter through college appear stymied by inflation should not abandon hope, nor should they expect to solve the financial pinch with some magic formula, Warren L. R. Ress, president of the New Jersey Society of Certified Public Accountants, said today.

"Tight money is as much a reality for students as it is for corporations," Ress stated. "Since a student is unlikely to raise all he needs from any single source, he should do what corporations do and gather needed capital by tapping all available sources," he added.

Ress continued: "A company in need of capital will explore all the possibilities. It might make a

try for equity financing — selling stock in the company itself. Or it might issue bonds, mortgage some of its assets, sell some assets and lease them back, or borrow against accounts receivable.

"The most likely procedure, however, is to put together a 'package' including several of these elements."

The potential sources may be different for a student seeking funds for tuition, fees and college living expenses, the NJSCPA president said, but they are just as diverse and consist of family resources, the student's own earnings, scholarships and loans.

"Few students manage on just one of these, and most depend on two or more," Ress states. "With college costs

continuing to rise, many students are unable to obtain a scholarship or loan, or even a combination of the two that will meet all their requirements. They must look further."

Ress noted that New Jersey CPAs have been involved with clients' capital difficulties for several years, as professional advisors on money matters. They have drawn on this expertise to offer the following suggestions to prospective college students:

● Survey needs by drawing up a simple statement of financial condition. This would include how much has been saved, how much can be earned during summer vacations and by working part-time during the school year, how much can be ex-

pected from the family; and any scholarships, however small, for which the student may qualify.

● Add all of these, and subtract them from estimated college costs. This will provide the student with an indication of how much will have to be raised through remaining sources of funding, such as loans.

The Society president stated that the adverse feeling once held by most families toward borrowing to pay for a college education is disappearing.

"We are all beginning to realize that higher education is an investment in one's own personal future," he said, "and experience has shown it to have a strong likelihood of paying off."

"As a result, it is deserving of borrowed capital, just like any other form of investment," he added.

Ress indicated that finding any agency willing to lend tuition funds in today's tight money market may prove to be a test of the student's determination to attend college.

He said: "The ideal starting point for research sources of loans is the financial assistance officer of the college the student hopes to attend."

"If that school is too far away for a drop-in visit, however, try a school nearer home. Most financial assistance officers are willing

to supply information and provide you with necessary application forms and other required background.

**Candidates for Congress Offered Television Time**

The 58 candidates running for United States Congress have been offered free prime television time on New Jersey Public Broadcasting.

Frank Thompson, Jr. (D) of Trenton, seeking to represent district 4 will speak of his candidacy during a 30 minute program Thurs., Oct. 3 at 8:30 p.m. on Channels 52 and 53.

Candidates from districts in the southern and central portions of New Jersey will appear on Channels 23 and 52. Candidates from districts in Northern New Jersey will appear on Channels 50 and 58.

## 'Harvey' Is Set At Meadowbrook

All the wonderful nonsense that starts when an engaging man has a thirst for bar rooms and people, happens in "Harvey," which will open at the Meadowbrook Theatre Restaurant in Cedar Grove on Oct. 2 for a five week run.

The charm of the Mary Chase play is not only its sense of fantasy, but its consistent ridiculousness — Elwood P. Dowd, the most lovable lush, played by Pat Paulsen, persuades the world that his rabbit, Harvey, is real.

Actually, his over six-foot rabbit never appears but he is always there in the imagination of the viewer as well as in Elwood's. One may be a skeptic

as the Dowd family and the doctors at Chumley's Rest as to the big rabbit's existence. However, when even the head of the sanatorium is convinced that he has seen Elwood's chum, the inclination to agree with him grows.

The presentation of "Harvey" at the Meadowbrook makes a complete turnabout in philosophy from the last production, "The Wayward Way," which depicted in such entertaining melodramatic style, the evils of drink. By contrast, in "Harvey," a taxi driver tells how much more friendly people are on their way to the rest home, which takes care of inebriates.

## For Cancer Charity

# Kiwanians Are Ready to Give The 'Shirts Off Their Backs'

Newly-elected Belleville Kiwanis Club President Lawrence Gonnello has announced Thursday, October 3 as the kick-off date for the club's annual Cloth for Cancer collection drive. The

meeting will begin at 6:30 p.m.

As in past years, club members will literally take the "shirts off their backs" to initiate the charity drive. The Kiwanians will spend a month

gathering cloth of any color to be made by volunteers into dressings for cancer patients. Last year, enough cloth was collected to make dressings which would have cost hospitals \$80,000 on the open

market. The Cloth for Cancer drive originated in Belleville several years ago and has since been duplicated by other clubs.

Collection boxes will be placed at various locations throughout town, where the public can deposit their lint-free used cloth, such as shirts and sheets of any color.

President Gonnello, of 26 Wallace Street, assumes office October 1, succeeding outgoing President Seymour Grossman. Elected as new first vice president was Commissioner Robert Laterza. The new second vice president is James Dasaro, and Vincent Sorrentino will take over as treasurer.

## Kearny Boystown Sets Open House

Open House will be held on Sunday, September 29, 1974 from 2 p.m. to 6 p.m. at New Jersey's Boystown, 475 Belgrove Drive, Kearny.

A guided tour of all the buildings will be included. The ladies of the Boystown Guild will serve refreshments and also will conduct a cake sale and a Hand-Made Sale.

NEW PRESIDENT of the Belleville Kiwanis Club, Lawrence Gonnello (left) is congratulated by outgoing President Seymour Grossman (right) and treasurer Vincent Sorrentino and vice president Robert Laterza. Not shown is vice president James Dasaro.

(write me at 104 Overlook Ave or phone 571-6861 after 6)

Congratulations are in order for Lewis Candura who celebrated 45 years with Wallace & Tiernan on September 17. Lewis enjoys working there so much, he told his family about W&T and the result was his wife Leona worked there awhile, his sister Rose Eibelheuser, brother Henry and son Nicholas all work there. During the summer Lewis and Leona's daughter also worked at Wallace & Tiernan. The Canduras have six children — Thomas, a police officer in Newark, Nick at W&T, Louis, a typesetter, Debra and 15 year old twins, Sadie and Sally.

School Three Home and School Association will hold its first meeting October 7 at 8 p.m. in the All-Purpose Room. There will be an open house at 7 p.m. and refreshments will be served at 7:30. "Getting Together" will introduce the principal, faculty and HSA officers and Anthony Greco, Superintendent of Schools. On October 7th, 8th and 9th a Book Fair will be held in the All-Purpose room from 9-3. Parents are invited to browse and see the books their children may purchase. All profits are used for School Three Library.

The Junior Woman's Club will meet October 7 and 21 at The Woman's Club of Belleville home, 51 Rossmore Place. Women age 18-35 are invited to participate.

I've had some people ask me if the Belleville Directory I started last spring is ready yet. Well, to tell the truth I was disappointed that more merchants and businesses didn't join the list. However, I am now looking for someone who would like to undertake the expense to print the directory which lists all civic, service, social and veteran clubs that are in town. If you want to be included there is still time. Send a stamped, self-addressed envelope to me for a Questionnaire. Churches are also to be included, so do hop on the band wagon. Let's get it all together what Belleville has to offer. Perhaps the Chamber of Commerce or some club would like to underwrite the expense, which should be nominal. Contact me, please.

The Nutley Art Group Workshop has lots to offer and I usually list their activities in our Bulletin Board. Put on your calendar for October 26th a "S10,

under and up Sale" which will be held at the Nutley Museum, 65 Church Street. Here you can select paintings, sketches, sculpture or crafts for a Christmas gift. The group is also seeking artists to join them in their workshop every Monday evening from 8-10 at the Nutley Museum where they do portrait and life models. For information Marie Hochman, president at 338-7525 or Terry Sullivan 338-4499. During the month of October from 2-4 every Sunday the Nutley Art Group Workshop will exhibit their paintings at the Nutley Museum.

Aha! something new has been added. At the Belleville Adults School a "Theatre Workshop" a get-on-stage, fun course for those 18 and older, would-be actors and actresses invited. Here is a chance to get on stage, learn basic stage techniques, scenes from Broadway productions, etc. The director, Bob Lefebvre, English teacher and head of dramatics at BHS says, "I can't guarantee you a part in a Broadway play, but at the end of the course, I guarantee you'll have had fun!" Registration by mail for the Adult School ends September 30th — adult classes start October 10th, I think, so call the high school and join the fun.

### PAT'S FUNNIES

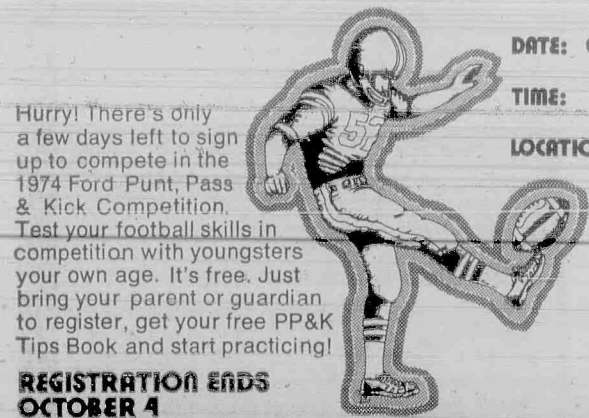

What three men, pretty well known in town, go into a local bar, order one drink and, if there's enuf booze in that drink, then order two more? They then order one sandwich and split it three ways... sounds like they've had experience keeping money down — maybe by preparing a budget? P.S. There is not a pickle left in the joint when they've left.

It's going to happen — a musical show put on with no music — that's if the powers that be approve. Do hope they can overcome the petty beauracracies in the system, as talent should have a chance to perform without the two groups fighting for one to get paid.

He came, he saw, he conquered, he thought, Methinks he cut his own neck, but then he was never particularly to bright.

A word of advice — you're being too possessive, honey — he will soon slip through your clinging fingers.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Vincenza Magnifico Is Bride Of Eugene James Montrone

Mrs. Eugene Montrone — nee Vincenza Magnifico

Miss Vincenza Magnifico, daughter of Mr. and Mrs. Fred Magnifico of North Arlington and Eugene James Montrone of Bloomfield, son of Mr. and Mrs. Patrick Montrone of Lyndhurst, were married September 7 in Queen of Peace Church, North Arlington.

The Rev. Joseph Quinlan performed the candlelight ceremony which was followed by a reception at Westmount Country Club, West Paterson. Vocalist was the bride's cousin, Miss Peggy DeMarie.

Escorted by her father, the bride wore a gown of silk organza appliqued with Alencon lace and seed pearls. Her Juliet cap, accented with pearls and sequins, held French net veils and she carried phalaenopsis orchids, pompoms and ivy.

Mrs. Marie King of Kearny was her sister's matron of honor. Bridesmaids were the bride's cousins, Miss Caryle Falcone of Nutley, Miss Nancy Vadyka of Garfield, Miss Anna Maria DeJura of Bloomfield, and Miss Sharon Ellis of Jersey City. Junior bridesmaid was the bride's sister, Miss Jo Magnifico of North Arlington.

Their haltar gowns with matching cardigan jackets were of beige with floral prints of rust, gold, orange and green. Beige picture hats and bouquets of bronze and gold pompoms, daisies and ivy completed their outfits.

Anthony DeJura of Bloomfield was best man. Ushering were Doug Jaegers of Bloomfield, Emil Solimine of Newark, Joseph Rizzo of Belleville and Louis Tenore of Nutley. Junior usher was Vincent Stivala of Fairfield.

Mrs. Magnifico chose a green and gold silk print gown trimmed with rhinestones while the groom's mother was in a beige gown accented with gold and silver sequins. Corsages were of cymbidiums orchids.

Mrs. Montrone, a graduate of Jersey City State College is a teacher at Yantacaw School, Nutley.

Mr. Montrone, a Marine Corps veteran, is president of Instant Air Freight, Bloomfield.

The couple honeymooned in Spain at the Costa del Sol and have made their home in Nutley.

and help them to answer the question, "Should I go back to school?" Miss Jacqueline Beusse, former Marketing Executive for Johnson and Johnson and presently Director of Development and Planning at Caldwell will speak on "The Woman Executive Today and Tomorrow."

Mrs. Eugene Wroblewski — nee Carol Haurey

## Carol Haurey Weds Mr. Wroblewski

Holy Family Church was the setting September 7 for the marriage of Miss Carol Haurey, daughter of Mr. and Mrs. D. Haurey of Irvington to Eugene Wroblewski, son of Mr. and Mrs. E. Wroblewski of Detroit, Michigan.

The Rev. Kevin Hanbury performed the ceremony which was followed by a reception at Robin Hood Inn, Clifton.

The bride was escorted by her father, Mrs. Margaret Utracchi of Nutley was matron of honor. Bridesmaids included Mrs. Joyce Tarricone of Neptune, Mrs. Judy Vallani of Newark

## Mr. and Mrs. R.J. Gaccione Honeymooned in Puerto Rico

Wedding vows were exchanged September 1 in Holy Family Church by Miss Mary Ann Pawlikowski, daughter of Mr. and Mrs. Alex Pawlikowski of 57 Evelyn Place and Richard J. Gaccione, son of Mr. and Mrs. Louis A. Gaccione of 124 King Street.

The Rev. Michael Saltarelli performed the ceremony and a reception followed at Edison Country Club.

Escorted by her father, the bride wore a gown of organza appliqued with lace and fashioned with long illusion sleeves and an A-line skirt. Her Camelot headpiece held a triple veil and she carried baby roses, stephanotis and babies breath.

Miss Janice Pawlikowski of Nutley was her sister's maid of honor. Bridesmaids included Miss Chris Gingerelli of Belleville, Miss Denise Buffardi of Nutley, Miss Lisa Kysielewskyj of Bloomfield, cousin of the bride and Miss Debra Gaccione of Nutley, cousin of the groom. Flower girl was the bride's cousin, Michele Hopkins of Nutley.

Their haltar gowns were in rainbow colors and white picture hats were banded with sashes to match the gowns. Wicker parasols were accented with assorted flowers.

Robert Gaccione of Nutley served his brother as best man. Ushering were Bill Carpenter of Delaware, Thomas Buffardi of Nutley, Steve Heinel of Pennsylvania and Mark Pawlikowski of Nutley, brother of the bride. Ringbearer was the bride's cousin, Robert Pachana of Newark.

Mrs. Pawlikowski chose an aqua print haltar gown with sequined jacket and wore a corsage of baby orchids and aqua roses. The groom's mother, in a pink chiffon gown, had a corsage of baby orchids and pink roses.

Mrs. Gaccione, a graduate of Nutley High School, is with Nutley Savings & Loan Association.

Mr. Gaccione, an alumnus of Nutley High School and the University of Delaware, is an auditor for Western Union, Upper Saddle River.

The couple honeymooned in Puerto Rico and are living in Nutley.

## Eye Exams Are Urged By Juniors

Members of the Junior Woman's Club of Belleville are strongly urging all Belleville residents who are 35 years or older in joining with them in observing and supporting Eye Health Week during the week of September 29-October 5. The Eye Health Service of the New Jersey Commission for the Blind and Visually Impaired and other public health minded organizations are cooperating in this sight saving service.

The free eye screening test is available to anyone who is 35 years or older and is not currently under medical care. The test is a simple, quick test for distant vision, also the eye is inspected, and most important a pressure test for glaucoma is done by an ophthalmologist. Taking advantage of this opportunity is a step in preventing blindness.

Mrs. Joseph Doyle, Braille Department Chairman for the Junior Woman's Club of Belleville along with other club members will be assisting at the screening.

The free eye screening tests will be held at Clara Maass Memorial Hospital, Belleville, on Wednesday, October 2, between 2 p.m. and 6 p.m. All residents are encouraged to participate in this program which strives to detect blindness.

## Nutley Juniors Will Aid Cancer, Marie Nasello

The Nutley Junior Woman's Club members are once again out selling raffles. This year it is for a \$1,000 trip to anywhere. The Nutley Juniors can be found just about anywhere in town and out at anytime.

This year the proceeds will benefit CANCER CARE, INC. and The Marie Nasello Fund. The Cancer Care program is self-explanatory and the Marie Nasello fund is for a little girl from Belleville who was struck by a car and bus and was left with much damage to her body. She has been and will be hospitalized for a long time.

If you happen to see these young women out selling their raffles won't you do your part and help them to help those less fortunate. All that you do is always greatly appreciated by the Nutley Juniors and their charities.

The raffles are being sold in conjunction with the annual dinner-fashion show sponsored by the Nutley Junior Woman's Club. The show will be held at the Westmount Country Club on February 26, 1975. Anyone interested in attending the show or in helping sell raffles please contact Mrs. William Quigley-235-0204 or Mrs. Donald Fuller-667-2457.

## Baby Bottle Can Cause Decay In Young Teeth

Do you pacify your baby with a bottle of milk, sweet juice or even sweetened tea? This practice, while it has many advantages, can lead to tooth decay, according to Dr. Charles W. Riley of Montclair, president of the Essex County Dental Society.

Although this baby-bottle feeding after the child has reached the age when he should be eating foods does have a pacifying effect, Dr. Riley said, the baby often falls asleep with pools of liquid around his teeth. And, warned Dr. Riley, these pools are rich in carbohydrates and forms an ideal environment for the growth of acid-producing bacteria.

Thus, baby-bottle pacifying can lead to the need for dental care before the usually recommended age of two, Dr. Riley said. He noted, though, the whenever dental care starts, children should make regular visits to the dentist after the age of two.

The Essex County Dental Society is comprised of 800 practicing dentists devoted to the art and science of dentistry.

## A Golden Year For The Gerinos

Mr. and Mrs. Frank Gerino, of Belleville, celebrated their 50th wedding anniversary June 23. Reverend Francis Blake gave the blessings at Holy Family Church in Nutley.

Following the church ceremony, a reception was held at San Carlo Restaurant in Lyndhurst. Father Blake attended, along with Mrs. Gerino's 87 year old mother, Mrs. Anna Muzzicato. Also celebrating with them were the couple's six daughters, four sons-in-law, ten grandchildren, five sisters, and 17 other guests.

Mrs. Mary Mohr, the couple's eldest daughter, gave the toast, which wished them many more years of wedded life.

Mrs. Gerino has lived in Belleville since childhood, and Mr. Gerino, since their marriage. They were the former owners of the Pioneer Liquor Store, in Belleville.

Mr. and Mrs. Leonard Pietrzak (Mrs. Pietrzak is Mr. and Mrs. Gerino's eldest grandchild) provided the couple with photographic memories of the occasion.

SCHOLARSHIP AWARD — Mrs. Ann Dambra presents a scholarship award to Linda Smith on behalf of the Belleville Fire Department Ladies Auxiliary. Also awarded a scholarship but not present, was George Villano. Scholarships are awarded each year to sons and daughters of members.

## Alliance Francaise Announces October's Meeting Schedule

The Alliance Francaise of Montclair met September 23 at the home of Mrs. A. A. Tarrant, Jr., Montclair in its first reunion of the new season.

The Alliance was founded in Paris in 1883 with its principle goal being the spread of the French language, as well as the understanding and furtherance of French culture. There are over 1200 new chapters throughout the world. The Montclair chapter dates back to 1911.

Regular monthly meetings are held generally the first Monday of every month from October through June at which time members and friends hear lectures or presentations given by University professors, or artists, each specialist in his own field. The program is then followed by a tea. Two weeks later a meeting or "causerie" is held where the members converse in French on a topic arrived at in advance among themselves.

In the middle of the month a get-together at the Montclair library provides for an exchange of books and magazines provided by the members or sent to us by the Alliance of Paris.

A most important part of the years' activities is the awarding of a scholarship for one year's study in France, as well as certificates of excellence in the study of French to students of Montclair and surrounding schools.

Here are the details of the October meetings:

October 7, Monday, 8:00 p.m., St. Luke's Parish House, S. Fullerton Ave., Montclair. Speaker: Mr. Gabriel Asfar, of Princeton University, who will recount and discuss some of the famous legends of Africa.

October 16, Wednesday, 10:00 a.m., Montclair Library "French corner". Discussion headed by Mrs. O. Lienhard.

October 23, Wednesday, 2:30 p.m., general meeting at the home of Miss Barbara Hendrian, 105 Ridgewood Ave., Glen Ridge.

All members and friends are cordially invited to attend. Anyone wishing more information on the Alliance may call Mrs. J. DeFaymoreau, president, 667-8518.

BEVERLY WANCHOW of Belleville is greeted by Albin H. Oberg, executive director of Clara Maass Memorial Hospital, at the School of Nursing Orientation Tea for incoming freshman nursing students. Looking on are Anne C. Knox, School director and Frank Pesveye, vice-president of the Board of Trustees.

## Future Nurses Begin Studies At Clara Maass

Forty-one future nurses began their studies recently at the Clara Maass School of Nursing in Belleville. Loaded down with pillows, parents, stuffed animals, and enough clothes to last a lifetime, the freshmen moved into Louise C. Kidde Hall.

An Orientation Tea, where the new students met Albin H. Oberg, hospital executive director, Frank Pesveye, hospital trustee, and other hospital personnel, highlighted their first day.

The freshmen also met the junior and senior classes as well as the nursing instructors.

The Class of '77 is one of the largest to enter the school in recent years, and also exemplifies how the school of Nursing's reputation has spread. Two freshmen are from out-of-state Sue Wilkinson of Fairfax, Virginia, and Elisa Peccianti of Martinez, California.

## Hadassah Plans Antique Show, Flea Market

Bloomfield Chapter of Hadassah will sponsor one of the area's largest indoor Antique Show & Flea Markets at Upsala College Gym in East Orange on Sunday, September 29th from 11 a.m. to 6 p.m., according to Mrs. Charles Goldstein, president.

More than 45 dealers will man booths featuring every type of collectable item — an assortment of antique jewelry, gold watches, chains, political memorabilia, Oak and country furniture, trunks, glassware and silver, art nouveau, and art deco objects, country core items, coins, photographic, dolls and toys, books and Victorian jewelry are just some of the delightful treasures to be found by buyers and browsers alike.

Tickets are available at the door at \$1 each, or may be obtained, at a discount from all Bloomfield Hadassah members and many local stores.

Fund-raising vice president is Mrs. Morris Grossman.

## Season To Plant Trees, Shrubs, Bulbs Is Here

The fall planting season is just about here, but we are going to need some rain before planting can be done, says William F. Munk, senior county agricultural agent of Essex County.

Evergreens and bulbs can be planted in September and October. deciduous shrubs, shade and flowering trees in October and November after the leaves have colored and dropped.

Evergreens should be well established by winter. This will reduce the chance of wind-burned foliage in late winter since new roots can replace moisture lost during winter winds.

Avoid planting evergreens in normally wet areas or near downspouts where water accumulates.

Be careful to plant your evergreens the same depth they were in the nursery. Excessive water or deep planting may cause the roots to rot.

Loosen the burlap of balled and burlapped plants, after you have set them in the ground and place half of the soil around the root ball. This will permit water to penetrate the ball when plants are watered.

Take container-grown from their containers and loosen the roots slightly so they will grow outward in the new soil.

Water newly-planted trees and shrubs every week during dry periods this fall and next summer. Muleh the plants with wood chips, pine bark, licorice root, or other coarse material to retain moisture and keep the soil temperature constant.

Stake trees for at least a year to keep the roots secure during storms, recommends Mr. Munk.

Mrs. Watkowski is the former Katherine Kent, daughter of Mrs. Hilda Kovell of Belleville. Mr. Watkowski, son of Mr. and Mrs. Zigmund Watkowski, is a carpenter with Michael Harris Construction, Fairlawn.

## Teacher Exam Test Dates Are Announced

College seniors preparing to each school may take the National Teacher Examinations on any of the four different test dates announced today by Educational Testing Service a nonprofit, educational organization which prepares and administers this testing program.

New dates for the testing of prospective teachers are: November 9, 1974 and January 25, April 5, and July 19, 1975. The November and January tests will be given at the Staten Island Campus of St. John's University, as well as at nearly 500 locations throughout the United States, ETS said.

Results of the National Teacher Examinations are used by many large school districts as one of several factors in the selection of new teachers and by several states for certification or licensing of teachers.

On each full day of testing, prospective teachers may take the Common Examinations which measure their professional preparation and general educational background and an Area Examination which measures their mastery of the subject they expect to teach.

## Local Residents Graduate At NCE Commencement

Five Belleville residents were among 850 students who received degrees at the Newark College of Engineering commencement ceremonies last spring.

Among them were Neal Yee-Che Cheng of 104 Celia Terrace, Ramzi A. Kahalifa of 110 Division Avenue, Ellen A. Nagy of 356 Stephens Street, Anthony J. Nocera of 424 Greylock Parkway and James T. Walsh of 132 Linden Avenue.

Anthony Nocera, son of Anthony and Gloria Nocera of 424 Greylock Parkway was awarded a B.S. degree in chemical engineering. At NCE he was named to the dean's list every semester, and was a member of Tau Beta Pi, the national Engineering Honor Society, Omega Chi Epsilon, the national Honor Society for Chemical Engineers, and Omicron Delta Kappa, the national Leadership Honor Society.

He was a member of Tau Delta Phi fraternity, of which he was treasurer and financial chairman, and recruiting and scholarship chairman. He was a staff writer for the school newspaper, a student council representative, a student leader in the freshman orientation program and played in the intramural and interfraternity council basketball leagues.

He is employed as a chemical process engineer at American Cyanamid in Wayne, and will attend graduate school for a master's degree in chemical engineering.

Newark College of Engineering held an academic exercise to present certificates of completion of a three-year course of studies to 73 men and women enrolled in the school's Division of Technology. A Belleville

resident, Narendra S. Patel of 181 Branch Brook Drive, was presented with a certificate in plastic technology.

The son of Sam and Sak of A'bad, India, he holds degrees in chemistry and law from India.

# Bellboys Host West Essex On Saturday

Continued From Page 1

and along with quarterback Losasso and center Steve Tober, serves as a team captain.

Tober, (6-3, 195) is one of Keil's "main keys," he says, serving both ways. On defense the team captain is right linebacker.

On the West Essex line, Keil's most experienced players work the right side, but a good amount of talent handles the left. Right guard Mike Ferranella (5-10, 180) and right tackle Steve Lambusta (6-3, 205) are both returning veterans. On the left will be two-way tackle Ray Mignone, a junior (6-3, 210) but one of the best qualified and largest players on the team, reports Keil. Next to him will be left guard Barry Kann (6-1, 180), another senior who goes both ways. On defense, however, Kann is left end.

Both slotbacks, Nelson and Seligman, also play a part in the tough West Essex 5-3 defense, which is full to the gills with experience.

Here's how the Belleville starting teams stack up:

Up front, smack in the middle at center will be senior Angelo Guarino (5-10, 190) who served as backup center last year. Guarino, says Testa, specializes in being a tough guy.

In the guard slots are Vince Casale (5-11, 195) and Keith Ziegler (5-11, 185) who as a pair might be billed as "heady" and "steady" respectively. "I'm very pleased with the guards," noted the coach. Casale, says Testa, is a thinker, and like Ziegler, likes to hit. Ziegler "is a man of action and few words," and a good trapper.

John Valvano (6-0, 210) will go both ways as a tackle. With some varsity experience last year, the junior this year will be putting his power to best use. At the other tackle post will be senior James Mauncele (5-10, 200) who has "some pretty good beef," says his mentor, but will handle only offensive work for the time being.

Split end will be Joe Panlone (5-9, 160), a senior who possesses "the ideal credentials of a good split end." He has good speed and could see action as a punt returner, too. Testa says he likes to put everyone's little talents to best use.

Tight end is senior yet Mark Cosento (5-11, 200), whose biggest asset is size. Beside being a good pass receiver, Cosento is very able to mow down potential tacklers before they have a chance.

The Belleville backfield has both new and veteran players, led by quarterback Steve Gerard (5-9, 175) in his first year at that post. The Blue-Gold senior saw some quarterback work as a freshman, but not after that, and this year, says Testa, "he came to me." Gerard's performance earned him the spot, added the mentor, who points to Gerard's intelligence and ball handling abilities as his greatest strengths. Gerard knows how to throw the ball, too, and up to now has been getting good protection.

Belleville's fullback this year is Vinnie DeNotaris (5-10, 185) who was a linebacker last year. "He's quick, strong, and not afraid to hit," remarked Testa about this senior. "I like his running."

Then there's senior wingback Tony Nicosia who will also work as a safety. "He's an athlete," says his coach, with emphasis on the "ath" — meaning Nicosia is a dangerous blocker, receiver, and runner, with the experience he needs to finish off with a banner year.

Most Belleville fans know about "the Big tailback," senior Steve Senatore (6-1, 212) who will undoubtedly be doing a lot of ball carrying, most of it through, not around, the competition. Senatore was personally responsible for 533 of Belleville's 916 rushing yards last year, and it is clear Testa will be depending on a similar performance this time around. "His attitude," says the coach, "is exceptional."

Belleville's 5-3 (and sometimes 6-2) defense is staffed by a fairly murderous set of Bellboys, all of them tough as nails in the finest local tradition.

Senatore will work as a defensive end, while Larry Maccia (5-11, 190) takes the same spot on the other side. Maccia, a senior, "is coming along," says his coach, "learning technique." By Testa's standards, that means Maccia has already mastered bone-breaking, and is now learning how to select which ones.

While Valvano and Cosenzo take care of the tackle spots, George D'Alessandro (5-10, 215) will be the defensive guard. D'Alessandro is only a sophomore, but makes up for his inexperience with "size, mobility and hostility," points out the coach.

Linebackers in opening game will be Michael Ferrara (5-9, 175) and Roger Luzzi (5-8, 175) who just moved up from a backup position this week. Ferrara, says Testa, "is our kind of football player. This boy likes to hit." Luzzi has been concentrating on the same, apparently.

In the secondary will be John Guarino (5-10, 170) who as a junior sees his first full-time action. He will be aided by two-way man Nicosia, and "ball hawk" Anthony "Chipper" Biafore (5-9, 165). Biafore goes for the ball, and has the intelligence to see it coming from a long way off. Finally, there's senior Dominick Cicalese (5-8, 160), probably the hardest hitting Bellboy of them all. Though not too big, "he has been the hardest hitter in all the scrimmages," says his coach, "and anyone who wants to get past him will have to hit harder."

Though Belleville, like most high school teams, cannot withstand any great amount of injury before damage is done, Testa does have a few additional players that are willing and able to fill any gaps. Among them are Alan Cervasio (5-10, 175) who is quite a runner and defensive man. "He's too good an athlete to sit out," says Testa, and fans can expect to see him out there in the fray. Joe Pizzi (5-8, 165) is another capable backfield man, both ways.

On the line, Emanuel Kyriotis (5-10, 180) at guard, and Anthony Alvino (5-11, 200) show promise, as do ends Jerry Hykey (5-11, 160) and James Russell (6-1, 170) who are working very hard.

DEFENSIVE LINEUP — The tentative roster set for this Saturday includes (bottom, l-r) Larry Maccia, end; John Valvano, tackle; George D'Alessandro, guard; Mark Cosenzo, tackle; Steve Senatore, end; (top, l-r) head coach Tom Testa; Anthony Biafore, back; Dominick Cicalese, back; Roger Luzzi, linebacker; Michael Ferrara, linebacker; John Guarino, back; Anthony Nicosia, back and assistant coaches Anthony Sorrentino and William Trimmer.

## Baseball Coach Travers Resigns

Charlie Travers, a basketball and baseball star at Belleville High School who returned to coach the school's diamond squad, has resigned his position after eight years.

Travers, who suffered only one losing season as head coach but was never able to capture the Big Ten conference crown he shot for year after year, pinpointed no specific reasons for his resignation, but indicated the job was simply becoming too much of a physical and mental burden over the years. He will remain in his position as a physical education teacher at Belleville High, and will retain his posts as a basketball and soccer official, and as a member of the executive board of the Essex County Coaches' Association. "I'm not going to divorce myself completely from baseball or any other sports," he said.

There was no sign of any organized movement to unseat Travers, and Athletic Director Herman Wische said this week, "he wasn't under any more pressure than the average coach." Wische said he had already posted for applicants for the head coach position, but added, "there won't be any immediate decision." Candidates for the job must first be reviewed by the Athletic Advisory Council, then referred through Wische to the Board of Education.

In discussing Travers' decision, Wische said, "he's been coach for quite a few years now, and baseball's a very trying season for a coach. It runs from March, April, May and into June, six days a week, and the coach doesn't get home until seven o'clock at night. I guess he felt he'd just had enough of it."

Travers always pointed a respectable record at season's end, with only one losing team in his second year. He estimates his career record at Belleville to be about 104-79. "Our principal concern was always the Big Ten championship," he told the Times this week. "We may not have won it, but we were always in contention year after year.

We finished second three years in succession. We're a highly respected school among players and coaches."

A 1951 graduate of Belleville High School, Travers excelled at basketball and baseball, was named captain of both teams in his junior year and was designated an All-State basketball player.

He earned a B.S. in physical education at Seton Hall University, and a master's degree in administration at Seton Hall. An Army veteran, he was hired as a teacher at BHS in 1959.

Travers coached jayvee basketball for five years, beginning in 1960, and jayvee baseball starting in 1961. In

1967 he took over as head baseball coach.

"Most of the people in the system cooperated with me, and the Board of Education cooperated, and the Town built the new baseball field which should help the program in Belleville in the long run," said Travers. "The kids have been great. The kids here are very good kids. They work very hard and it's a pleasure to see them go on to college and further themselves."

He admits that, although "I may have lost a little oomph," he also feels by next baseball season, "I may miss it a little bit."

## Broncos Win Number 2 Over North Arlington 11

The undefeated Belleville Broncos won their second game of the season last Saturday, as they downed North Arlington by the score of 19-13.

The game was thrilling from beginning to end as both teams were hitting very hard. Belleville opened the scoring in the second quarter as Mike DeMayo swept left end from four yards out to climax a 46 yard drive. The pass for the extra point was incomplete. Broncos, 6-North Arlington, 0.

North Arlington came back and scored on a four-yard run by quarterback Gregg Flora. Flora then passed to Pete Zalewski for the go ahead point. North Arlington 7-Belleville 6. With 15 seconds to go before halftime, Jerry Fazzini passed five yards to DeMayo who ran 30 yards down the left sideline to put the Broncos ahead. Fazzini

passed to Mark Hahn for the extra point and the half ended with the Broncos ahead.

Fazzini passed to Mark Hahn for the extra point and the half ended with the Broncos on top 13 to 7.

North Arlington took the second half kickoff and ran the ball to Belleville's 45 yard line. On the first play Ernest Palmasano took a pitchout and behind some good blocking raced 45 yards around right end to tie the score at 13-all. The extra point was no good. The rest of the quarter was fought near midfield as neither team threatened.

With six minutes left in the game the Broncos drove 63 yards to North Arlington five yard line. On the next play Jerry Fazzini scored on a sweep to the left side. Sam Cerasiello picked up 36 yards during the drive. The extra point was missed. There was no further scoring although it took a pass interception by

Fazzini on Belleville's eight-yard line to insure victory.

Leading rushers and receivers were:

Mike DeMayo: 15 carries for 61 yards; one pass, 35 yards.

Same Cerasiello: eight carries for 48 yards.

Jerry Fazzini: eight carries for 46 yards.

Anthony Dondarski: four carries for 30 yards; three passes, 26 yards.

Mark Donatiglio: two passes, 39 yards.

The Bronco defense was led by ends, Angelo Santenelli and Feliz Rodriguez and linebacker Mark Donatiello.

Total yards rushing: Broncos 185 yards.

Passing: 6-9 100 yards.

Next Sunday the Broncos travel to Bayonne. The game will be played at Veterans Stadium, 25th Street and No. Bay.

Game time is 11 a.m.

# Soccer Debut Hopes Aided By First Taste of 'Combat'

Belleville High's new soccer team — when all its fledgling members are graduated and gone — can look back and say they made it against tough odds.

After some initial scrambling to find a decent-sized practice field, they played together as a unit against another squad on a regulation-sized field for the first time Saturday, and next Tuesday, 10 days later, they'll open their official season against Kearny — one of the most skilled and experienced clubs they could face this fall.

All things considered, the 5-0 defeat they took at the hands of the St. Cecelia varsity

Saturday was not a bad indicator to head coach Tony Cahill, who noted that four of the St. Cecelia goals came in the first half of the contest. Belleville held them to one score in the second half. The difference, he said, was made as the Bellboys became used to playing in game conditions on a regulation-sized field.

"At first, they stayed bunched up," he said, "and they were playing the ball, not position. In the second half, they started to spread out."

The scrimmage, Cahill added, turned out to be a little rougher than he expected a scrimmage to be, but again, this, will help the team to prepare for the "real thing."

Nobody's writing off a Bellboy win next Tuesday at Schuyler Field in Kearny, but the jayvee club there is part of a long-established soccer program, and the rival team may be stocked with a couple former varsity candidates dis-

placed from the first team by the transfer of top-drawer players from St. Cecelia's.

Cahill's 11-man starting lineup was still tentative as the Times went to press, but he mentioned the following players as possible openers: at fullback, Mike and Robert Freda, Jeff Mack, Fred Lardaro and Steve Dempsey; at halfback, Herman Borja, John Pontella, Liberatto Iannitelli and Frank Frederick; at forward, Mario deVoigt, Gary Serio, Mike Polega, Marc Romanell and Tony Cordaro. The goalkeeper position is still wide open and Cahill is trying out four candidates for the starting position.

"The experience is the big factor that we've gained from the St. Cecelia's scrimmage," said the coach, who is trying to arrange one more practice run with another school before taking on Kearny. This week we've been working on what we did not do right on Saturday." One of those problems, obvious by the absence of a Belleville goal, was the inability to mount an offensive attack, something which Cahill feels will come with more team play through the season.

The Kearny game is expected to start at about 4 p.m. Tuesday. All Belleville soccer games will be held away this fall.

## Kelly Brothers Seize League Championship

The Belleville Recreation Summer basketball league was ended with the Kelly Brothers beating the Nets by a decisive score of 74-58. Abdel Anderson paced the winners with 27 points and Ken Zoppa had 19 points for the Nets. Kelly Brothers beat the Silver Lakers last Thursday night in the semi-finals by a score 53-45. The Nets won their round in the semi-finals by beating Charles 8th Corner 48-40. In the Championship game, Kelly Brothers were off to a big lead at the end of the first quarter by a score of 17-7. The Nets came back with Kenny Brown scoring 10 points in the second quarter

and John Megna contributing four points. At the beginning of the fourth quarter with the Kelly Brothers leading 47-41, Kenny Brown fouled out which was a big loss to the Nets in the scoring department. The Nets cut the score to 47-44 when Abdel Anderson and Lauman Goon scored consecutive baskets to up the score to 51-44. Ken Zoppa picked up the scoring slack when Brown fouled out, by scoring nine points in that quarter, but the Kelly Brothers continued to score effectively using their running game. Don Grasso, the League Director, was gratified with the league play and the interest of the players. It was very pleasing to see so many spectators at the games every Tuesday and Thursday night, he said.

## Is Ju-Jitsu too masculine for women?

# No!

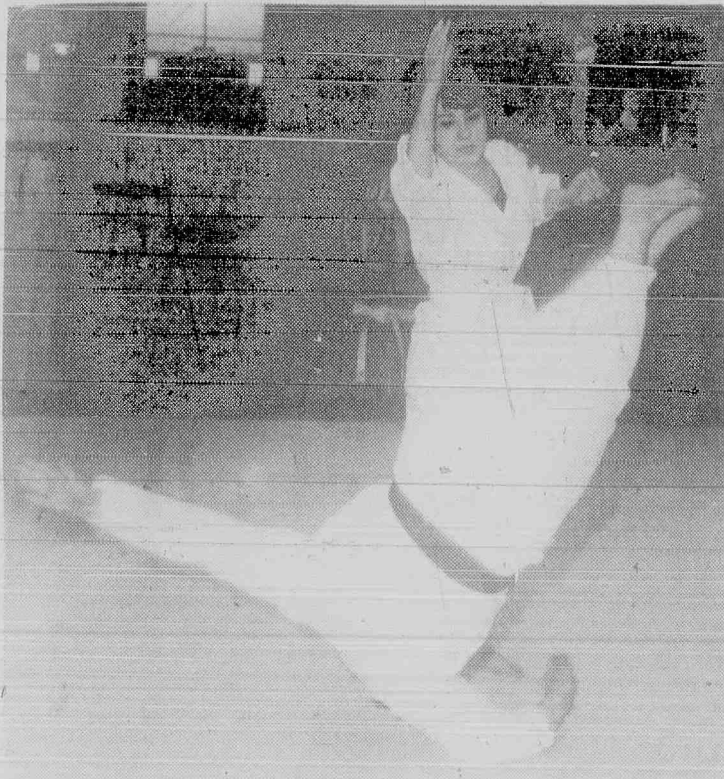

Many women feel that Ju-Jitsu is too masculine for them and hesitate to begin instruction. Let us assure you our program is safe and enjoyable. Ju-Jitsu will help you to relax, gain poise and grace, increase suppleness, firm flabby muscles, improve posture and help you feel more confident in your femininity.

Sometimes women feel a little shy about starting lessons. If you feel this way why not encourage a friend to begin with you. You'll be doing her a service as well as yourself. If you have any questions please do not hesitate to call us. We will be happy to answer any questions you might have.

If you are a man and you read this, pass it on to your wife, mother, sister or any female you know. Remember women need defense most when alone. You probably will not be there when they need defending. Diploma awarded upon completion of course.

## JU-JITSU IS

the MOTHER of all the Martial Arts. Consequently, it utilizes Karate as well as Judo techniques. GEN-LEE Ju-Jitsu not only utilizes Karate and Judo but also Savate, the powerful and deadly French style of kicking in addition to Aikido, the youngest of the Oriental Arts, calling upon the mind to work in harmony with an opponents direction of power, keeping him off balance and placing you in complete control of the situation.

The use of Ki, the inner power which completely overcomes the strength barrier is taught so that even a slip of a girl can throw a man twice her size and weight, as demonstrated in the picture at your left. Note the serene look of effortless ease on this girl's face. Picture was taken in her sixth lesson.

Protect yourself in any situation with a complete course in Ju-Jitsu. Never be afraid again! Regardless of size or strength, you can protect yourself.

Women's courses will be held once a week for two hours for 16 weeks. However, you may come in throughout the week for practice and extra help. Lessons will cost \$8. per week.

## The cost of everything is going up these days!

We don't like higher electric and gas bills or increased rates any more than you do. But we are faced with the same inflation problems as everyone else.

The biggest single item in the cost of electricity to you is the fuel used in our generating stations. And over half of the electricity you use is generated from oil. Since 1969, PSE&G's cost of oil has increased more than 500% despite every effort to purchase this valuable fuel as economically as possible.

Even coal, which is a great deal cheaper than oil, has increased in price 250% in the last five years.

The additional costs that PSE&G pays for fuel to generate electricity are reflected in your bill each month as a "billing factor."

This factor actually protects you because it assures that no profit can be gained by PSE&G from fuel cost increases. (Although fuel cost decreases are unlikely these days, the savings would also be reflected in your bill if the price we pay for fuel goes down.) Unfortunately, during recent years fuel costs have continued to go higher and higher. The same situation exists with the gas PSE&G buys from three interstate pipeline suppliers. The price we pay has jumped 51% in the last five years.

Unfortunately, natural gas is in short supply and deliveries to PSE&G have been curtailed in increasing amounts since 1971. All indications are that these cutbacks and resulting price increases will continue in severity.

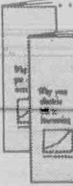

These additional costs which PSE&G must pay for gas from pipeline companies as well as gas from other sources are also reflected in your bill.

## We don't like it any more than you do!

Inflation forces us to ask for higher rates. Spiraling costs for labor, material, and supplies play a major role in the need for increased rates. Costs for everyday items continue to go up. For example, a ton of asphalt used in construction increased 40% last year. Paint went up 10%. Electric service wire increased 65% over a three year period and a single wood utility pole increased over 50% in one year.

It's understandable, then, why we are asking for an increase in rates. PSE&G's history has been one of holding the line on prices. But facts are facts. It's costing a lot more to keep you supplied with energy. The days of cheap, abundant energy are gone. Gone forever. For everybody. We don't like it any more than you do.

### Beck's Column

Beck's Column.  
In its constant endeavor for improvement and cost cutting the TV industry through a development by RCA has come up with a major improvement in picture tube design.  
The new picture tube is called the "in-line" system. Without going into technical detail, we would like to point out some advantages. The tube is 1.8" shorter. It is easy to install. The picture tube design which has been in use up to now, and probably will be for quite a while in the larger sizes, is called the "delta" design, because the three electron guns are arranged in this fashion, while the guns in the new design are arranged as the name implies, in line. Instead of a large number of phosphor dots on the screen of the delta tube, the in-line tube has horizontal lines, which light up in color as the electron beam hits them. The deflection yokes, which are on the neck of the tube, are permanently fastened to the in-line tube, while they are separate with the delta design. The separate deflection yoke necessitated for the delta tube, the adjustment for the so-called dynamic convergence, which was done by the adjustment of a number of magnets, coils and controls. As far as the picture quality is concerned, there does not seem to be any decided difference. Some people think it is better than the delta tube, others don't, indicating that there is no real difference which would be immediately noticeable.  
There are 2 other "in-line" tubes in use, one by GE and one by Sony. Although the price for the new development at present is not much different, in due time it is bound to result in lower prices for TV sets.  
We service what we sell.

## Watson Current, at Age 88; Was Board of Ed President

Funeral services were held yesterday for former Board of Education President Watson Current, who died Sunday, September 22, at the River-view Nursing Home in Hanover. He was 88.

A founding member of the Belleville Rotary Club, he served on the Board of Education here from 1923 to 1930, and was board president from 1924 to 1930.

Mr. Current was born in

McAfee, but lived in Belleville most of his life until moving to Chatham two years ago. Before his retirement, he was employed by State Mutual Life Insurance Co. of Worcester, Mass.

He was a former executive secretary for the New Jersey Association of Insurance Underwriters, and Past Master of the Boiling Spring Lodge, F&AM, Rutherford.

He is survived by two sons, R.S. and Watson E.; a daughter, Mrs. Elizabeth Gately; and nine grandchildren.

Funeral services were held at the Paul A. McDonough Funeral Home in Newark.

## P. Pucciarello; Was Cocktail Lounge Owner

Funeral mass was held September 21 in Holy Family Church for Patrick Pucciarello, 285 Prospect Street, who died at home September 19 after an extended illness. A Nutley resident 25 years, he was 71.

Mr. Pucciarello came to Nutley from Newark, where owned the Caravan Cocktail Lounge.

He is survived by his wife, Mrs. Marie Andes Pucciarello; a daughter, Mrs. Patricia Siegenord of Passaic; four sons, Dominick, Anthony and Gerald, all of Nutley, and John of Belleville; two sisters, Mrs. Antoinette Casale and Mrs. Mary Troiano of Hillside, and four grandchildren.

## T.J. McEnery; Postal Clerk, WWH Veteran

Funeral services were held Monday for Thomas J. McEnery who died at his home at 56 Tappan Avenue, Friday, Sept. 20 at age 57.

A lifetime resident of Belleville, he was employed as a postal clerk for 22 years, and was a veteran of World War II, serving as an Army sergeant with the 547th Signal Base Depot.

He is survived by his wife, Agnes McCarthy McEnery, and his daughters, Mrs. Joseph McNish of Belleville and Miss Philomena McEnery of Belleville; a brother, Henry of Belleville; two sisters, Catherine McEnery and Mrs. Rose Curley of Belleville, and a third sister, the late Margaret B. McEnery; and one grandchild.

A funeral mass was held at St. Peter's Church from Kiernan Funeral Home.

Interment was at Immaculate Conception Cemetery.

## James Coppola, 19 Student at Montclair

Funeral services were held yesterday for James P. Coppola, who died September 22 at Clara Maass Hospital. A resident of 19 Bremond Street, he was 19.

Mr. Coppola was a student of Montclair State College. Born in Glen Ridge, he lived here all his life, attended Belleville High School, where he was a member of the National Honor Society and the Key Club, graduating in 1973.

He is survived by his parents, James J. and Nancy Torre Coppola and his

brother, Peter, all of Belleville; and his grandmother, Mrs. Anna Torre of Belleville.

A funeral Mass was held at St. Peter's Church from Kiernan Funeral Home.

Interment was at Holy Cross Cemetery in North Arlington.

## Margaret B. McEnery, 62

A funeral Mass was held at St. Peter's Church September 23 for Margaret B. McEnery, who died Friday, September 20, at her home at 53 Essex Street. She was 62, and a lifetime resident of Belleville.

She is predeceased by her brother, the late Thomas McEnery and survived by another brother, Henry G. of Belleville; and two sisters, Catherine and Mrs. Rose Curley, both of Belleville.

Services were held from Kiernan Funeral Home.

Interment was at St. Peter's Cemetery in Belleville.

## J. Mancuso; Industrial Engineer

Funeral mass was held September 20 in St. Peter's Church for Joseph Mancuso, of Belleville, who died suddenly September 16 at Clara Maass Memorial Hospital. An industrial engineer for I.T.T. in Nutley, he was 56.

## Russel S. Stout; Retired Supervisor

Funeral services were held September 13 for Russel S. Stout, 23 Baldwin Place, who died September 10 in Clara Maass Memorial Hospital. A Belleville resident 45 years, he was 74.

Born in Lambertville, Mr. Stout came to Belleville from Newark. Prior to his retirement, he was employed as a supervisor at the Pittsburgh Plate Glass Company.

Mr. Stout was a member of the St. John's Forest Hill

Lodge I.F.&A.M., and served with the 28th Infantry division during World War I.

He is survived by his wife, Mrs. Amelia Pribyl Stout; a daughter, Mrs. Edith Mattoon of Belleville; five grandchildren and three great-grandchildren.

Chaplain Harold B. Lawson officiated the services held at the Kiernan Funeral Home. Interment was in Glendale Cemetery, Bloomfield.

## BHS Paper Drive

On Saturday, October 5, Belleville High School Key Club will hold its second paper drive to raise funds for the 1974-75 program.

The Key Club recognizes that the salvage of old news paper represents an important

contribution to the nation's conservation effort. Well organized paper drives can save up to 5 million trees a year.

The Key Club is grateful for the cooperation received last June, and members an-

ticipate that same cooperation from students, teachers and Belleville citizens again. The collection period will be from 9 to 12 a.m. with the pickup point in the rear parking lot of the Belleville High School.

If you can answer 2 out of 3 of these questions, you don't need our booklet.

Q: When can you get a \$5 credit on your phone bill if you're moving?

A: If you qualify for our Take and Save program, just cut the phone cord and take your phone with you to your new address (Within New Jersey only.)

Call your service representative to find out if you're eligible.

Q: What are our two types of busy signals and what do they mean?

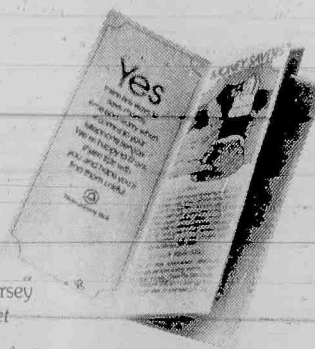

A: If the number you're calling is busy, you'll hear a signal that buzzes once every second. A signal that buzzes twice as fast means the circuits needed to complete your call are busy.

Q: How can you call California (or anywhere else on the West Coast) for just 35¢ (plus tax)?

A: Make a special one-minute, night rate call. Call between 11 p.m. and 8 a.m. Dial it yourself. And talk for one minute or less.

These answers, along with 38 other money-saving, time-saving, worry-saving questions can be found in the New Jersey Bell booklet *Telephone Tips*. And the booklet itself can be found at your local telephone business office... free, of course.

Just call, or drop by for your copy soon. After you've read it, you'll know we at New Jersey Bell really mean it when we say: we want you to get the most out of your phone service.

IN EVERY WAY.**

Americans come in all sizes and shapes. They vary widely in their personal, working and recreational needs. So when it comes to choosing cars, their desires range across a broad spectrum of sizes, styles, colors, performance characteristics and equipment. All of those are reasons why Chevrolet offers Americans such a great variety of models to choose from.
