Forte reappointed School One head

By CHUCK JACKSON

School One principal Pat Forte won reappointment to his post following a sometimes stormy Board of Education meeting last Thursday.

The Schoolers voted 6-0-1 in favor of giving the administrator his post and tenure, rejecting a recommendation by School Superintendent Anthony Greco to reassign Forte to a teaching position in the junior high school. Board member Caesar Romano abstained in the vote.

More than 70 parents and teachers packed the Board meeting room in the Public Affairs building to voice their support for the principal. The public meeting, which began at 8 p.m. followed a private personnel caucus which lasted for two hours.

Several citizens spoke in behalf of Forte, including Ralph Risoli, Town Registrar and a resident of the Valley section of town where the school is located. Risoli urged the group to disregard Greco's suggested reassignment of the principal, adding, "I don't believe he should recommend anybody, because a new Superintendent will be taking over soon, and we will still have to live with his

(Greco's) decision even after he leaves."

Several people demanded the Board reveal the reasons for considering Forte's removal, but president Matthew Pica informed the crowd such discussion could not be held for "reasons of legality."

Pica asked several times that questions from the public come to an end so the group could vote on the matter, saying, "You put the members here on this Board because you trusted them. Until we violate that trust, I suggest you have faith in the School Board."

The Schoolers adjourned into private

caucus twice to discuss the matter before the final vote was taken. Board member Lawrence Schwarz voted against the reassignment of Forte, but added, "There are a lot of things Mr. Forte did well, and some things he could have done better. But, the people want him, and I do not feel it is my place to stand in the way. Therefore, I vote no."

Romano abstained from voting on the issue. Later, Romano explained his decision, saying, "I was not convinced I was in a position to make a decision at that

Please see "Romano" on page 10.

Civil Service appeal planned

Public Safety Director Rocco Saletta said he is in the process of filing an appeal with Civil Service in an effort to make two temporary Belleville policemen permanent members of the force.

The Tuesday announcement followed an attempt last week by Saletta, through Town Attorney John Scott, to have a Civil Service test scheduled for last Saturday postponed.

According to the Commissioner, while Superior Court Judge Irwin I. Kimmelman did not stop the test, he was partially successful in his efforts.

"We won a partial victory for the town and the men involved," said Saletta. "We got a stay from the court stopping Civil Service from executing the results of the test against the Town of Belleville."

Saletta said late Tuesday he was attempting to get in touch with Town Attorney Scott in an effort to find out what further steps should be taken. In the meantime, the two officers involved, Peter Fraone and Arthur Connelly, will

remain in the Police Department as temporary appointees.

Scott could not be reached for comment on the case before the Times/News went to press.

The Town Attorney filed papers last Wednesday in Superior Court asking that a restraining order be issued stopping the Saturday test until an appeal through Civil Service channels could be completed. Though the court did not grant the request, Judge Kimmelman's order postponing execution of the resulting Civil Service appointment list may have achieved the end desired by the Commissioner.

Fraone, Connelly and a third man, George Debrowski, now working as an East Orange police officer, were named to the Belleville department last November. Civil Service challenged the appointments, saying the men had been named from an expired list, and therefore could not be made permanent members of the force.

Please see "Saletta" on page 10.

Strolling singer

Sunday, despite dismal weather predictions, turned out to be a beautiful day for the Cherry Blossom Parade. This strolling minstrel was just one of the many participants who came to town to make the sunny day even brighter.

Welcome back

School One principal Pat Forte (right) was reappointed to his post last Thursday at the Board of Education meeting. A large crowd turned out to support the administrator, and following the vote, all gathered around to congratulate. Seated next to Forte is Roy Cosgrove, a representative of the New Jersey Elementary School Administrators Association.

Tests show math weakness

Results of the New Jersey Educational Assessment Testing program released this week indicate the Belleville school system's mathematics education program may be weak compared to those in other areas.

The tests, given annually, were administered last fall to students in grades four, seven, 10 and 12. The final data indicate that while students performed well in language skills, scores for the mathematics portion of the test, particularly on the 12th grade level, were not wholly satisfactory.

The tests are analyzed on the basis of

the community type, the county and also state averages. Communities are also placed in specific District Factor Groupings (DFG), determined by various social and economic characteristics.

Belleville is labeled an urban-suburban community and is included in the northeast educational region.

According to Seymour Grossman, assistant superintendent of schools, the tests are designed to be used as a starting point for evaluating a school system's curriculum.

The tests, said Grossman, were administered to the fourth, seventh, 10th and 12th graders so administrators may determine where the weaknesses in preceeding grades are. For example, a poor rating in the study skills of fourth graders would indicate more emphasis in the area would be needed in grades one through three.

Though the results of the testing were just recently made public, Grossman said teachers were informed of the results earlier this year, giving them a picture of the strengths and weaknesses of individual students. As a result, teachers have already been able to start corrective and remedial work with the children.

The following is Grossman's specific analysis of the test results and his recommendations.

Fourth grade reading test

The assistant superintendent said the reading results for the fourth graders were very good in all areas, adding, "I am pleased to state that Belleville's fourth grade reading results were very good. Our students have shown they have achieved well in comprehension, study skills and are able to read well as compared to the reference groups."

In the seven specific areas — vocabulary, phonetic analysis, structural analysis, word recognition and application, literal comprehension, interpretation and study skills — Grossman rated

the performance as "excellent."

Last year, after reviewing similar test results, Grossman had recommended the "entire area must be re-evaluated." The strong showing this year would seem to indicate corrective measures have been

The annual Cherry Blossom Parade finally took place last Sunday and a large crowd turned out to watch the march. The Times/News was also on the scene, capturing the pomp and circumstance on film. Those of you who couldn't make it might like the pictures on page 5.

No hitter

It was a great week for the Belleville high baseball team, and in particular for John Clarizio. The Blue-Gold junior did what pitchers dream of when he threw a no-hitter against East Orange in his first start of the season. See page 13.

Nice try

Yes sir, it was a big week in sports. The Belleville high crew was also in action, trying to recapture the Goodwill Trophy from Nutley. See page 13.

Borkowski pleads guilty

Continued from page 1.

Borkowski was sentenced to an indeterminate term at the Yardville Correctional Center following psychiatric treatment at West Hospital in Trenton. According to one police official, the youth would probably be released from custody in about four years, or when he turns 21-years-old.

Officials had earlier requested that Borkowski be tried for murder as an adult. Under New Jersey law, it was pointed out, youths between the ages of 16 and 18 may be tried as adults if the state can prove the crime was extremely brutal and the defendant beyond rehabilitation as a juvenile.

Last month, Juvenile Court Judge Donald King rejected such a request by Assistant County Prosecutor James Lacey.

According to police at the time of the crime, an argument over "money to sustain a habit" may have led to the death of the 57-year-old widow. The woman was found dead of an ap-

parent cut throat.

Her 16-year-old son was arrested three hours later and charged with the murder under the delinquency statute.

At the time of the arrest, police said they found a switch-blade knife, believed to be the murder weapon, and \$200 in cash.

Mrs. Borkowski had operated the

Drug possession draws heavy fine

A 22-year old Belleville man, charged with possession of Methadone, was fined \$250 and given a three month suspended jail term during proceedings in Belleville Municipal Court on April 28.

Peter Binkewicz, 9 Bellvue Avenue pleaded guilty in the case in which Judge Edward Abromson also imposed a one year probation on the defendant.

Belleville detective Joseph Simonetti, who arrested Binkewicz on March 26, was the complainant in the case.

Woman shoplifter pays for crime

An East Orange woman was fined \$25 and received a 30 day suspended sentence for shoplifting at the Belmont Avenue Pathmark store.

Irene Henderson, 76 Long Street, East Orange, pleaded guilty to the shoplifting charges filed by a Pathmark employee after the April 9 incident.

Judge Salvatore Intintola imposed the fine and suspended a \$10 fine in court costs at proceedings in Belleville Municipal Court on April 15.

ANNOUNCEMENT OF INTENT TO PERFORM FLOOD ELEVATION STUDY

The Federal Insurance Administration of the U.S. Department of Housing and Urban Development announced today that under authority of the National Flood Insurance Act of 1968, as amended, (P.L. 90-448) and the Flood Disaster Protection Act of 1973, (P.L. 93-234) it will fund a detailed study of the flood hazard areas in the Town of Belleville, New Jersey.

The study will be performed for the Federal Insurance Administration and the Department of Environmental Protection, Division of Water Resources, State of New Jersey by Tippetts-Abbett-McCarthy-Stratton, Engineers and Architects of 345 Park Avenue, New York, New York 10022.

The purpose of this study is to examine and evaluate the flood hazard areas in the community which are developed or which are likely to be developed and to determine flood elevations for those areas. Flood elevations will be used by the community to carry out the flood plain management objectives of the National Flood Insurance Program. They will also be used as the basis for determining the appropriate flood insurance premium rates applicable for new buildings and their contents, as well as determining the rates to be used for the second layer of insurance on existing buildings and contents.

This announcement is intended to notify all interested persons of the commencement of this study so that they may have an opportunity at a public meeting, soon to be announced, to bring any relevant facts and technical data concerning local flood hazards to the attention of the Chief Executive Officer of the community for forwarding to the appropriate representatives of the Federal Insurance Administration.

Byrne will attend senior jamboree

Governor Brendan Byrne will be on hand at 10 a.m. May 19 to greet some 10,000 older Essex County residents as the third annual Senior Citizens Jamboree at the South Mountain Arena, West Orange, opens.

A Bicentennial parade of the seniors, many dressed in costumes depicting their lands of ancestral origin, will announce the governor's arrival. Byrne will then sign a proclamation declaring the month of May as "Older Americans Month."

For the more than 150,000 older persons residing in Essex County, this is the spectacular event of the year. It is a program which has received a nationwide acclaim as being a first of its kind for seniors.

Offered free will be continuous entertainment, refreshments and various types of dance exhibitions. A "dry goods emporium" will display and sell various items handcrafted by senior citizens and more than 50 non-profit senior citizen support organizations — public and private — will man booths providing information on their respective services.

The highlight of the day for many participants will be the free medical testing which is made available each year. In a cooperative effort, the Essex County Health Officer Association

tion together with the Hospital Center at Orange, Municipal Health Departments, Community Nursing Service, New Jersey Optometric Society and West Orange Lions Club, will provide extensive on-the-spot examinations to detect any auditory, visual, pulmonary, dental, hypertensive, diabetic or podiatric problems. A booth to register for the medical testing will be set up at a convenient location in the Arena.

Heading the entertainment will be the Danny Hope Orchestra of Newark. Hope, a senior citizen and professional musician, will play throughout the day for dancing and pure listening pleasure. His playing will be supplemented by a parade of talented non-professional senior performers. Demonstration of aerobic and square dancing will round out the planned program.

The Jamboree will run from 10 a.m. to 4 p.m.

Saletta group plans elections

The Rocco H. Saletta Civic and Welfare Association will meet Wednesday, May 12 at 8 p.m. at Parrillo's Restaurant, at which time election of officers will take place.

The organization, a newly formed group of men and women citizens, was formed for the welfare and betterment of Belleville citizens and their immediate families.

At Wednesday's meeting, tickets will be available for the Friday, June 18 dinner-dance at which installation of officers will take place.

Members are urged to attend the meeting and to bring their friends. Concluding the meeting refreshments will be served.

St. Peter's reveals bazaar plans

St. Peter's annual school bazaar will be held in the school auditorium tonight and tomorrow night, from 7 until 11 p.m., and Saturday night from 3 p.m. until 11 p.m.

In addition to the various booths and games, a roast beef dinner will be served in the school cafeteria on Saturday night from 5 p.m. until 8 p.m.

Serving as chairman of the bazaar is Walt DuBoyce.

Marotti association offers scholarship

The Michael V. Marotti Civic Association is now accepting scholarship applications from Belleville residents who will be graduating from high school this year.

Basic criteria weighed by the scholarship committee will be class rank and financial need in addition to other essentials.

Anyone interested in applying may obtain an application from Herman Knuppel at Belleville High School.

Stray dog sought in biting

The Belleville Health Department is trying to locate a stray, brown longhaired female dog. The animal has a limp in its right front paw and a scar on its body about one inch long.

This stray bit Raymond Delaney on the right ankle in the parking area of Bamberger's Warehouse, 169-171 Franklin Street.

The animal was apprehended by the Belleville Police Department in the dog cage behind police headquarters, and it was scheduled to be picked up by the Humane Society. When the time came, however, it was discovered the dog was missing.

If a citizen sees the pooch, he or she should contact the Belleville Health Department or the police so it can be placed under quarantine.

Elks install others

Trustees August Mitschke and James Salmon, two officers of Belleville Lodge 1123, B.P.O. Elks, were participants in installation ceremonies at Montclair Lodge 891 this past week.

Also attending the affair was Steve H. Frank.

Mitschke, in addition to being a trustee, is vice president elect of the New Jersey State Elks Association.

Another recent visit by Past Exalted Elks Ruler Raymond Mac Donald and Elks James Ryan and Steve H. Frank was to Brother Walter Fink, Past Exalted Ruler of the lodge, who is confined to the Veterans Hospital, East Orange.

Sisterhood dinner to feature humorist

The regular meeting of the Sisterhood of Congregation Ahavath Achim was held yesterday evening.

Mrs. Bette Berkowitz, presiding officer said earlier Mrs. Kate Dunsky, program chairman, was arranging for Public Service to present a Bicentennial program featuring George Washington in New Jersey during "the heroic days of the birth of our country."

The Annual Donor Dinner of the Sisterhood will be held next Wednesday, May 12, in Sisterhood Hall. Dinner will be served promptly at 6:30 p.m., according to Mrs. Berkowitz.

Mrs. Ruth Low is chairman of the dinner, which will feature entertainment by Morris Ossen, raconteur and humorist.

Ossen is a member of the staff of Kutshers Hotel in the Catskills and will be on leave from the hotel for just this one evening. He is widely known, said Mrs. Berkowitz, for his delightful presentation of Jewish wit and humor.

Husbands are invited to attend the entertainment portion of the program.

Fletcher Knebel speaker at writer's conference

Fletcher Knebel of Princeton, author of the best-seller "The Bottom Line" and former Washington columnist, will be the featured speaker at Union College's second annual writer's conference on Saturday, May 15.

Opinion

Mother's Day special

This week we visited a local establishment to visit a lifetime friend whose display case bore a card over an attractively packaged box of chocolates which read, "Mothers' Day Special—\$5.95."

Sunday is Mothers' Day—and looking at the sales legend on the card promoting the chocolates, we wondered if the legend should not have read—"Special for Mothers' Day."

MOTHER—the most beautiful word in the English language—and Sunday we honor her in a special way.

There are some among us who are most fortunate to have our Mothers with us. Too-often MOTHER is taken for granted by her children.

We know MOTHER is always there.

There are some among us who remember MOTHER in our daily prayers. This is as it should be, for MOTHER deserves a daily tribute—a tribute that should not be reserved for a special day in the year.

Today we pause in our daily labor to thank MOTHER for a lifetime of dedication and moral inspiration—a major influence in producing the inner peace which we are privileged to enjoy.

Michael Giuliano: a great loss

For more than half a century, Newark, Essex County, and New Jersey have benefited from the civic dedication of a family bearing a famed and proud family name—the Giulianos, whose home base is Newark.

Last week death claimed Michael Giuliano, a member of the Passaic Valley Sewage Commission, former State Senator and a former Assemblyman. He was age 60—too young to die—a point in life when he saw down the road a retirement day which meant obtaining the opportunity to spend time with his family he loved so much. Fate decreed otherwise—and Michael is no longer with us.

Michael's public service was in the best tradition of public servants. He gave his all and asked nothing in return. But—anyone familiar with any one of the Giulianos, deceased or liv-

ing, well knows the benchmark of the Giuliano name is civic service.

Michael's late uncles, Joseph and Anthony, and former Essex County Assignment Judge James R. Giuliano, all set for Michael the most noble examples of public service.

For more than half a century, a proud family, concerned over the welfare of their neighbors, has done God's work on earth, leaving in their path legions of grateful hearts. Yes, the Giulianos have built a proud family reputation that will endure long after they have retired from public service or answered the last call.

Golden Comments

By James R. Golden

We are glated to learn that popular Barney O'Connor the town's Plumbing Inspector has come out first in the Civil Service examination for town Building Inspector. His dad had been Belleville's Plumbing Inspector for over 35 years before Barney, his son, succeeded him.

Naturally, Barney, who is a veteran, has given the proper notification to all the affected department heads of his intention to accept the Building Inspector position. Since Civil Service regulations provide that "in open competitive examinations . . . the veteran whose name is first in the certification must be appointed . . ." This implies clearly Mr. O'Connor should be appointed with promptitude and dispatch . . . There is no excuse for delay in filling the position. The only snafu that might "crop up" is the possible desire of Commissioner Mary Senatore's aim to retain her present acting, B.I., Mr. Liberman, on the job. Should she persist in her procrastination in holding off Barney O'Connor's appointment, we have learned she is respectable . . . Barney is an Irishman and fighting is instinctive with Irish gentry . . . you had better make Barney's appointment soon Mary.

A special note to all Belleville Senior Citizens and all other local residents who might welcome some recognition of the praiseworthy things that have been achieved and worked out to the benefit of our townfolk . . . Listen tonight at 6:10 P.M. to radio station WFME 94.7 on your FM dial.

We observe that greedy teachers union, New Jersey Education Association, is back "plugging" to put over a state income tax to assure more state funds for education to assure more positions and higher salaries for its members by again, as they always do, using the kids a pawns in their clever game of placing large ads in the newspapers and "spot" announcements on radio stations clamoring. Let's not move backwards, suggesting how good our schools are and how the teachers care about the schools . . . and about the children they teach. Perhaps, however, tests conducted by authorities prove our kids generally can't properly read, write nor do arithmetic . . . that they have to be instructed in college, if they get there, what they should have been taught in elementary school. The fest must go through life without this necessary learning.

The NJEA, working for a state income tax that their friend Gov. Byrne wants in the hope of gaining the teacher's support, wants us to write our state senators—and we should to DEFEAT, not vote for an unpopular state income tax to fatten the pocketbooks of already overpaid and in many cases incompetent educators whose work year consist of 180 days against what the average worker puts in for far less in both money and security. Don't let them use your concern for your children as a ploy to "suck you into buying" their sanctimonious pretentious of concern for the schools or your kids . . . its more jobs and money they're after. The money well have to "shell out" with another tax that will prevent offering any relief or benefits to us taxpayers if the educators get the most of it.

Many of the more staid, pious local citizens in attendance at the last town commission meeting to protest against Belleville's soaring tax rate were agitated and astounded by the spate of ribald profanity emanating from the lips of irritated, irascible commissioner Rocky Saletta when the irate crowd shouted him down for defending a member of the town's official family.

Unaccustomed to such a display of impetuous, indecorous conduct by a public official at a meeting even his colleagues seemed taken aback by the Public Safety Director's questionable demeanor which tends to indicate he has a "low boiling point" temper with a short fuse.

Apathy is the real problem

To the Editor:

We constantly hear from our elected officials, not only local, but on higher levels, all the problems that face our society today.

However, unless I have missed it, I have heard very little, if any, discussion on a very basic problem today. That is apathy.

If we take a look at the voter turnout right here in Belleville, we hear that the percentages in the neighborhood run from 30 to 40. Rarely do we see it reach 50 or higher. This is a real tragedy. How can a town, a state, or even a country advance unless all the people are participating in the process?

No town chairman should be satisfied with their district leaders unless they can get at least 95 percent of the voters out to the polls. Only then, can the programs being presented by the elected officials stand the true test of public approval.

I know, myself, that since I reached the age to vote, I have never heard from my district leaders on what is going on and why one candidate is better than another. I wonder how many people can say the same?

I know several people throughout the town who are not registered to vote. I questioned them as to whether their district leaders have approached them on this situation and their answers were

an emphatic "No."

It seems to me that we are trying to accomplish, "B" "C", and "D" without first trying for our foundation point "A". We all know what would happen to our homes if we built them with a poor foundation. It can only be the same result with our town.

I propose that action be taken immediately by all town chairmen and chairwomen to get all the people involved in the process of governing this town, state and country, before it is too late.

Auxiliary Police receive praise

To the Editor:

I was never aware of the function of the Auxiliary Police. Recently I attended the Bob-Shoo-Bop revue at the senior high.

The men and women of the auxiliary did an extraordinary job of keeping order. They were courteous and worked well together.

I felt I should let the people of Belleville know that they can certainly feel at ease when our Auxiliary Police are in charge.

OPEN LETTER

Commission accused of subterfuge

Dear Commissioners,

I think the people of Belleville are entitled to know how you deliberately disregarded their opinions and feelings by abusing your power under the technicalities of law. Let us review the facts.

On the evening of April 13 at the high school, there was an open hearing on the proposed budget. The Citizens Union and other speakers, before a packed house, told you they did not want any further tax increases and presented constructive suggestions on how this could be accomplished.

The first subterfuge you practiced was to suspend the meeting until the next day, to be held at the Town Hall at 5 p.m., thinking, perhaps, that this early hour would discourage citizens from attending. However, this did not work because again we had an overflow of citizens.

The second subterfuge, at this meeting, was to prohibit citizens from talking. This was based on a technicality that the citizens' hearing had been conducted the previous evening and Mr. Scott, the Town Attorney, gave his opinion that the citizens could no longer be heard.

You agreed with Mr. Scott's opinion, even though the citizens could no longer be

heard. You agreed with Mr. Scott's opinion even though the citizens did not agree, nor do other attorneys I have since talked with.

Nevertheless, the imposed silence on the citizens, despite several outbursts, made it possible for you to announce that \$250,000 would be cut from the present budget and a verbal explanation of the affected departments and appropriations was given. Although we were not satisfied, it was felt that another public hearing would be held and we, the citizens, could express our feelings later. In the meantime, without the people knowing the facts, a modified budget was approved by you and sent to the Director of Local Government in Trenton for state approval.

However, this modified budget was completely different from that which had been promised to the people at the Commission meeting of April 14.

In this case, you practiced subterfuge number three, cloaked under the provisions of the law, which says that if any item of appropriation is not increased by more than one percent nor decreased by more than 10 percent, the budget can be approved without further public hearing.

The facts will show this is exactly what

was done! You went down the list of appropriations for each department and cut them within the legal limits and completely disregarded the citizens' recommendations and your own promises given at the meeting of April 14.

We do not practice dictatorship in the United States! Yet that is exactly what you have done!

I, for one, am very disappointed, because I am a firm believer in efficiency in government and integrity of word, on the part of public officials.

Actions like yours, are the reason why the public is disillusioned with public officials and have lost much respect for them. After the Watergate incident, what we need throughout the country are examples of dedication and sincerity on the part of public officials. It is only in this way that confidence in democratic institutions can be restored and maintained.

I would appreciate an open reply to my letter from the Commission explaining and justifying your actions, on the basis of ethics and integrity of public officials and not on subterfuge of the law. I believe the public is entitled to an explanation and I await your reply.

The Cherry Blossom Capital of the World celebrated its trees and the nation's Bicentennial last Sunday. The 15th Annual Cherry Blossom Parade finally got underway after being postponed due to rain. Marchers, bands and floats traveled the parade route down Washington Avenue. Cub scouts, twirlers, police and firemen, local politicians, and civic and business organizations all participated in the traditional gala. The Philadelphia-style Denville String Band won the award for best marching unit in the parade. Fidelity Trust took top honors in the float category. A colonial theme was evident in many of the parade's floats. Many town organizations participated in the event with floats including, the Junior Women's Club, the Belleville Chamber of Commerce, the Tri-Town Business Women's Club, Jaycees, the Park Senior Citizens, Fidelity Trust, Wesley Church, and the Dutch Reformed Church. Mayor Marotti, commissioners Senatore, and Saletta, and Schoolers Pica, Chieffo and Schwarz reviewed the parade from the bleachers at town Hall.

Belleville students perform well in reading tests

Continued from page 1.

very successful.

Fourth grade math

Though the fourth graders scored fairly well in the mathematics portion of the tests, there were some "depressed scores" in certain areas. Students were slightly weak in addition, subtraction of numbers of more than one digit, multiplication, and equations, inequalities, sets and fractional numbers. The students performed well in the areas of number and operation, numeration geometry and measurement.

In order to correct the weak areas, Grossman has recommended, among other steps, third grade teachers be made aware of the low areas, individual and small group instruction, and more emphasis in general on the weaknesses.

Seventh grade reading

Grossman assessed the tests for reading in this grade as indicating "an upward trend." He said, overall results in the various areas "are indicative of the success of our current reading programs conducted throughout the first six years of our elementary education."

The areas in which there are some weaknesses, such as interpretive skills, have, Grossman noted, been brought to the attention of the principal, area coordinators and teachers. In general, however, the students scored, in Grossman's words, "on a par or better" than similar reference groups.

Seventh grade math

Test results showed Belleville students scoring favorably compared to their peers in similar communities, and also indicated an improvement over last year's results. The test included portions on whole numbers, fractions, decimals, measurement and denominate numbers, number and operation, word problems and graphs and geometry and percent.

"Our district scores are above last year's scores on an average of six percentage points," said Grossman. "This can be attributed to more subject emphasis and exposure in the primary grades, an easier test, or an academically better group of students. Whatever the reason, the results are encouraging."

Tenth grade reading

Belleville's first year high school students scored well in the reading portion of the test, Grossman noted, and the scores were, he added, "a marked improvement" over last year's findings. He attributed the students' ratings to "the success of the current reading program and the awareness in reading that now exists among our teachers."

The assistant superintendent noted some work would be needed in the areas of word recognition, some areas of reading comprehension and study skills, but the overall performance, he stressed, "indicates we are substantially above the County and District Factor Grouping and on a par with or slightly below the Community type and State reference groups."

Tenth grade math

Grossman noted that the scores in this area are improved compared to last year's findings, but work is needed in almost all the areas in order to bring the students up. In the area of decimals and percents, Grossman pointed out the scores "are slightly below all reference groups, indicating the need for re-teaching most items." This was the only area

in which student scores were consistently low, and in all other areas, Grossman recommended more emphasis on particular areas of weakness.

Even though the mathematics skills are slightly substandard, Grossman noted, "Compared to the district scores of last year, the scores of this year have increased on the average of nine percentage points."

The improvement is certainly encouraging."

Twelfth grade reading

Seniors at Belleville High School showed strong reading skills. Though the seniors were not tested last year, and therefore no yearly comparison could be made, Grossman said he was pleased with the results relative to those of the other reference groups.

The students scored high in reading comprehension, but there were some areas of weakness, Grossman noted. He pointed particularly to low scores in test areas dealing with supporting detail, making inferences from material read, drawing conclusions and sequence of events. He set correction of these weaknesses as "our immediate objective."

"Attention will be given to making

a concentrated effort to review the skills in this area," Grossman said.

Twelfth grade math

The mathematic skills of the seniors, compared to all other areas of testing, appear to be the weakest link in the educational chain. Scores in almost all areas tested — whole numbers, fractions, decimal and percent, algebra, geometry and measurement and problem solving

— were "significantly below all reference groups."

Grossman recommended re-teaching in almost all areas tested, and also recommended stronger emphasis on subjects and small group reviews.

Grossman said the low scores "have alerted us to recognize our strengths and weaknesses."

A good standing posture can be determined by using the plumb-line test. The test is conducted from a side view. The body is in good alignment if a straight line can be drawn from the ear through the shoulder, elbow, hip and knee joints, and to a point just in front of the ankle bone. By the time he is six years old, a child's leg should be straight. By the age of ten, the average youngster carries his head, neck and shoulders in good balance. The posture of adolescents needs the most attention. Their growth is rapid, and muscles are changing.

Masons elect Grand Master

Richard S. Gulian of Matawan has been elected Grand Master of the Grand Lodge of the Most Ancient and Honorable Society of Free and Accepted Masons for the State of New Jersey, it was announced last week.

Gulian succeeds John R. Rutledge Jr. of Beachwood.

Election and installation ceremonies were held at Convention Hall in Atlantic City April 29 at the conclusion of the two-day 189th Annual Communication of the New

Jersey Masonic Grand Lodge, attended by more than 2,600 Masons, mostly Masters, Wardens, Past Masters, Past Grand Lodge Officers and Past Grand Masters of the more than 260 Masonic Lodges in New Jersey. The total membership of all

the lodges in the state is 85,000.

Also in attendance were many Masonic dignitaries from all parts of the country. Installation of the Grand Master and other Grand Lodge Officers immediately followed, at which time the convention

was opened to families and friends.

Gulian, the new Grand Master is of Armenian descent and was born in Paris, France. He resided in Bayonne most of his life prior to his retirement when he took up residence in Matawan.

Sue, Lou, you're quite a pair!

I DON'T THINK last week was my week. Consider the case of the smoking Volkswagen. Last Wednesday was the annual luncheon, fashion show of the Nutley Family Service Bureau Auxiliary. Nine of us piled into the blue bus for the ride to the Westmount Country Club and no sooner were we on the highway than the four occupants of the rear seats began to mention the presence of a rather strange odor. It smelled, they thought, like something burning. Comforting, no?

Emerging from the vehicle at the Westmount, the nine of us beat a hasty retreat to the rear and sure enough, the portenders of gloom were right. There was smoke alright but it wasn't coming from the engine. It wasn't coming from the exhaust either, it was coming, a quick look by the

mechanical one of the group determined, from the vicinity of a merry little oil leak which had sprang up from nowhere and as we watched, a merry little puddle increased in size on the macadam.

HAVING DISCOVERED the source of the smoke, Sue now investigated the engine compartment in the rear and lo and behold wasn't there a merry little crack in the fan belt. Those of little faith now began to cast their eyes around to spot a familiar face with whom they might be able to hitch a ride home. None of them were too thrilled at the prospect of returning to Nutley in a leaking, fan belt cracked Volkswagen. Neither was I!

However, we had forked over a grand total of \$72 for tickets for the affair and nobody was getting any enjoyment out of

standing in the parking lot and so we climbed the incline and went inside the Westmount where Sue headed for a phone booth and called her husband, cut from the same cloth as she as far as understanding the mysteries of a car is concerned. He would come, he said, at 2 p.m., prepared to tow the monster back to town if necessary, but he didn't fancy towing it with the combined weight of the nine of us inside and suggested most strongly that someone scout around for alternate transportation. Fine. No problem. Half of Nutley and surrounding area was milling around in the lobby. On to lunch and it was really delicious. I'm not so sure what I ate, something scrumptious called crepes a la reine and when 2 p.m. approached, Sue went out to await her spouse and I followed soon after.

WHAT A GLORIOUS sight! Lou Mangravito, flat on his back, head narrowly missing the now considerable puddle of oil, as he surveyed the situation and concluded that the smoke was caused by the oil hitting the hot pipes under the car. Nothing was going to explode. We would probably make it back home even with the cracked belt and if we didn't, he would come to our rescue on the highway. The immediate danger was running out of oil and to circumvent this, he left his wife the spout and a can of oil with instructions to add some before departure.

Passersby were quite intrigued, nay appalled, an hour or so later to see this lovely girl in this beautiful pale cream dress adding a quart of oil to my vehicle. C'est la vie!

Shirely Evans - Donald Hulme

Donald Hulme will appear in Craig Fund benefit June 1

A benefit concert will be presented for the Craig Fund, an organization which was founded to aid handicapped persons in Belleville, June 1, 8 p.m. at Belleville High School.

A feature of the evening will be the re-appearance of Donald Hulme, world champion accordionist. This will be the second appearance of Hulme for the Fund, the first successful concert presented in 1970. Since that time, Mr. Hulme has received the Musician's "Man of the Year" Award in Washington D.C., has appeared twice as soloist at Radio City Music Hall in N.Y., and has toured extensively in the U.S.A. and the Far East. His present tour will end on May 28, when he will return to Belleville to present this concert.

Appearing with Mr. Hulme for this program will be his partner, Shirley Evans, of London, also an accordionist. Miss Evans has a long list of appearances in her background, including T.V. shows all over the world. She has given three command performances, namely for Queen Elizabeth II at Buckingham palace, The Shah of Iran, and King Hussein of Jordan.

Listed with the accordion team on the program will be Pamela Coon, soprano, who was also part of the 1970 benefit show. Miss Coon, who in private life in Mrs. Wallace Black, Jr., is well known in the local area for her performances in opera and

with the Wayne Symphony Orchestra in 1973. She was formerly soloist at Fewsmith Memorial Presbyterian Church in Belleville.

Making their first appearance for the Craig Fund will also be Albert Hemmerlin, violinist, and James Clamp, tenor. Mr. Hemmerlin, a former student at the Paris Conservatoire, soloist in England and with Winifred Heidt of the Metropolitan Opera Co., has made many local appearances in concert and recital.

James Clamp came to Belleville from Colorado Springs with a degree in music education from Colorado College. He earned his masters from the Manhattan School of Music in N.Y., in Opera Theater. He has sung 30 operatic roles and is presently soloist at the Third Church of Christ, Scientist, in Brooklyn, and at the R.C. Church of St. Cecelia in N.Y.C.

Making her second appearance also for the Fund will be Hazel Hulme, pianist, who will accompany Miss Coon, Mr. Hemmerlin and Mr. Clamp. Mrs. Hulme is the organist of Fewsmith Memorial Church and will be remembered for her co-sponsorship of the "Music To Enjoy" concert series in the 1950's.

Tickets for this concert are \$2.00, and all of the proceeds will be donated to the Fund. They may be obtained from Lew Vanderhoff at George H. Mead Inc. (Ford), 515 Washington Ave.

Annual flea market, craft show May 8 at St. Mary's gym

The 4th Annual Flea Market and Craft Show will be held indoors at St. Marys Gym at 16 Msgr. Owens Place, May 8, from 10:00 am to 5:00 pm.

Fifty dealers will highlight this Mothers Day Weekend Show featuring crafts, hobbies and homespun articles for sale. Admission and parking are free and refreshments are available. The Show is sponsored by the St. Marys Knights of Columbus 2346 of Nutley.

Romano abstains on reassignment vote

Continued from page 1. point. I had some serious reservations which had to be ironed out, and they have not as yet. "I felt, however," he added, "that since the rest of the Board had

high regard for Mr. Forte, and to express my discontent would have been a disservice."

At the meeting, Romano said, in reference to the Forte issue, "We'll hear more about these issues, because I intend to raise them."

Board member Richard Maharian cast the deciding vote on the reappointment, following fellow Schoolers Viola Spray, James Risoli, and Schwarz. Board president Matthew Pica and vice president Michael Chieffo also voted against the reassignment.

The assembled Forte partisans broke out into applause after Maharian's vote. Pica, the last member of the group to vote on the resolution, addressed Forte, saying, "I think you were congratulated too early, because, after my vote, I think the confidence of the full Board is more important than just four votes."

After the meeting, Forte thanked

the Board and those who attended the meeting. Tuesday, Forte commented on the event, saying, "I am happy the Board had confidence in me and I thank them. I also want to thank the people in the Number One School area and throughout Belleville who supported me."

Though he appeared red-eyed following the private caucus with the

Board last week, Forte denied being worried about the vote. "I was confident because I didn't do anything wrong. I have been trying, and will continue to try to give the children of School One good educational opportunities. Judging by the number of people who came out to support me, I must be doing something right."

Saletta calls order 'a partial victory'

Continued from page 1.

Saletta said no date for the planned appeal had been set yet.

Last week, the Commissioner told the Times/News he would support a referendum to abolish Civil Service appointments in Belleville if his appeal was not successful. Public Works Commissioner Mary V. Senatore has indicated she too would support such a referendum.

Saletta said he is filing the appeal in behalf of the men because, "They gave up lucrative positions to become Belleville police officers and now may become unemployed. I don't believe that is right."

Students perform in annual concert

The Belleville High School Chorus and Orchestra will present their annual Spring Concert Thursday, May 13 at 8 p.m. in the Belleville High School Auditorium.

Proceeds of the concert will go towards expenses for the Chorus and Orchestra trip to Alexandria, Virginia on May 14 and 15 where they will perform in Market Square prior to the opening of their bicentennial program.

The chorus, under the direction of Thomas Finetti, will include in its program songs spanning 200 years of music. Representing the nations bicentennial musically, the chorus will begin with "When Jesus Wept," by colonial composer William Billings and progress to an American folk song, "Coffee Grows on White Oak Trees," to a Negro spiritual, "Dis Train." Concluding numbers will include a contemporary collection of Simon Garfunkel's songs including "Sounds of Silence," "Feelin' Groovy," and "Bridge Over Troubled Water."

The orchestra, also with a program of songs representing 200 years of musical history, will play "America," by colonial composer William Billings, "Rhapsody in Blue," by George Gershwin, with a piano solo played by Thomas Finetti, and will conclude with the "Love Theme," from the movie, "The Godfather." Orchestra direction is under Lois Kosma.

The chorus and orchestra, together, will present "God Bless America," and a medley of songs from the movie "Porgy and Bess" which will feature soprano soloist, Susan Santiglia; tenor soloist, Ronnie Fraga, and baritone soloist, John Dillon.

Varsity crew wins but still no cup

By JOSEPH RYAN

A one second difference in a race cost Belleville the trophy in the seventh annual Goodwill Regatta on the Passaic last Saturday.

The Nutley crews edged the Bellboy rowers four points to three to win the cup over Belleville and Kearny. Nutley compiled the points by qualifying three boats and winning the jayvee race.

The Blue-Gold team qualified with two boats and won the varsity competition but the jayvee team lost a close race to the Nutley boat by one second.

In an unofficial race the Belleville junior four-man shell downed the

Maroon Raiders' junior four by seven seconds. The race didn't count for regatta points because Kearny does not compete with a four man crew. If it had counted, Belleville would have tied Nutley for the Goodwill trophy.

This weekend the Blue-Gold rowers will travel to Poughkeepsie again, this time for the Mid-Hudson Regatta.

The Bellboys won the varsity trophy at the Goodwill last Saturday with their third win of the season over Nutley. The Bellboy varsity finished a decisive 11 seconds in front of Nutley to end their Passaic season undefeated at 10-0.

The BHS shell men who took the var-

sity trophy were seniors, Keith Waddell, Don Paterno, Mike Barbone, Mike Davis, and Mike O'Connor; juniors Paul Denning, Paul Melchionne, and Rich Budrick; along with sophomore Doug Dorival.

Rowing coach Sam Giuffrida said while he wasn't happy with the overall result of the meet he was very pleased with the "substantial" varsity win over the Maroon Raiders. The coach said the 11 second win "proved a point, the last win over Nutley wasn't a fluke."

Giuffrida added the varsity men in

Clarizio fires no-hitter

Coach George Zanfini was trying to develop depth on his pitching staff in preparation for the busy tournament schedule so he gave junior Bellboy John Clarizio his first varsity start on the mound.

Clarizio threw a no-hitter at East Orange, striking out seven and walking one batter in the 10-0 Belleville victory last Friday. That's depth of talent.

The pitching staff continued its display of depth on Tuesday when Ricky Loma hurled a three hit shutout against Columbia in a 4-0 Blue-Gold win.

The Bellboys of spring are loaded in

all areas of talent. Now 11-1 for the season, Zanfini says he has yet to find a weak spot on the club.

Tomorrow the Belleville batsmen will meet Bloomfield at home at 3:45 p.m. Saturday the top-ranked baseball team in the state will meet Wayne Valley away. Then on Tuesday the Blue-Gold will have a return match against Irvington the only team to beat them this year. The game will be home at 3:45 p.m.

The state and Greater Newark tournaments will probably be scheduled in the open days next week, according to Zanfini. The first games, if Belleville doesn't draw a bye will probably be played in Belleville Zanfini said.

Bellboy Loma threw for his third win of the season by striking out four and allowing only three hits in the 4-0 Belleville victory over Columbia on Tuesday. Zanfini called Loma's pitching exceptional. Loma has now allowed seven earned runs and has struck out 19 while giving up 11 hits in 21 innings on the mound.

Blue-Gold diamonders Bob Giordano and Chipper Biafore each collected two hits and Anthony Speer tripled to account for the four Belleville runs on five hits against Columbia.

Coach Zanfini said while the hitting wasn't at its best for the East Orange

game, "defensively we sparked."

Belleville hurler John Clarizio had pitched very well in four relief innings this season before he got his first start last Friday at East Orange, according to Zanfini. The coach added Clarizio was a little nervous at the start of the game but as it progressed "he got better."

Clarizio improved so well, 24 Panther batters who faced him at the plate were stymied in their attempts to get on base. Clarizio walked one East Orange man but the efficient Bellboy defense cut down the Panther attempting to steal.

Coach Zanfini singled out two plays as examples of the defensive back-up of Clarizio's no-hitter. Shortstop Biafore caught a line drive that was moving away from him by deflecting it with his glove and catching it after he fell to the ground.

Rightfielder Anthony Speer made what Zanfini called a "major league play" at the end of the game. Speer, according to Zanfini, caught a ball that was clearly over his head by turning his back to the plate, running and reaching with the glove to catch the fly for the out. "When things go right they go right all the way," Zanfini said.

Belleville has entered the state and

Dismal day

Despite the foul weather, Belleville, Kearny and Nutley crew teams took to the Passaic River in the quest of the Goodwill Regatta cup. Nutley edged out the Bellboys to take the win, making the day even darker for the Blue-Gold men. Above, Coach Sam Giuffrida sends off his victorious varsity eight shell with the Belleville power salute. Below, the men pick up their rain drenched shell and head for the dock. Despite the loss, the coach said he was proud of all his men and praised their efforts.

Girls smash East Orange

The Bellgirl softball team has qualified for the state tournament and coach Eve Lautenschlager says her outlook is "hopeful" for tournament wins.

The diamond Bellgirls defeated East Orange last week 24-22, but lost to Columbia, 25-4 on Tuesday.

This week Lautenschlager's ladies, 5-4 for the season, will travel to Bloomfield tomorrow in hopes of avenging a one run loss to the Bengals earlier in the season. The Bellgirls will also be on the road next Tuesday when they play at Irvington seeking to repeat their season's opening victory.

Denise "Ernie" Zarra debuted on the mound for the Bellgirls in the win over East Orange last Friday. Coach Lautenschlager called Zarra's throwing efforts the most consistent yet on the makeshift mound staff.

Freshman Toni Sperduto is another pitching frosh who saw mound duty in the East Orange victory. Coach Lautenschlager said Sperduto, Zarra, and sophomore Michele "Abner" Giordano were the three best players on the Bellgirl team because the trio could play any position well and they are "excellent baserunners."

Lautenschlager said Giordano has been the most consistent hitter for the Bellgirls and backs up her batting with fine defensive work at first base.

The defense fell apart in Tuesday's loss to Columbia but Lautenschlager praised Zarra's catching work for holding her ground at the plate and making three put outs.

Linksmen gain ground

The Bellboy golf team has won its last two matches for the first Belleville victories on the links since the season started.

The golfers, now 2-4 on the year, will meet Montclair home at Forrest Hill tomorrow at 4 p.m.

Golf coach Mike Salzarulo said the early season losses were against teams that comprised the toughest part of Belleville's schedule.

Back to back wins against Kearny have helped swing the team and clubs in the right direction for the second half of the link competition. Coach Salzarulo noted the recent victories and said he expected the Bellboys to improve with experience.

Last Friday's win over Kearny, 15½-2½, featured six points compiled for the victory by co-captains Joe Casesse and Hugh Mallack. Coach Salzarulo said Casesse is the first ranked golfer on the

team though just a sophomore and the coach added most of the Belleville sophomores were good and had potential for the future.

Junior Bellboy Mallack, according to Salzarulo, is a steady player with the ability to score in the high seventies low eighties range.

Other golfers mentioned by Salzarulo were Ed Reynolds, a senior in his third year on the team; Dan Tribune, a junior; Joe Widuch and Mike Flynn, sophomores; and Tom Zarra, a senior Bellboy linksmen.

The teams record as it stands now consists of the first match lost to Columbia, 9½-8½ on April 9; a loss to Bloomfield, 6-12, on April 23; an April 26 5½-12½ loss to Nutley; and defeat by Essex Catholic 8-10 in a close contest.

Belleville finally moved into the victory column with two easy wins over Kearny, 14½-3½ and 15½-2½,

seconds better than any of his previous races.

Last week the BHS runners and jumpers lost two meets, one to Mountain 66-56 and another to the Irvington Campers, 79-43.

The Bellboy cindermen could have beaten Mountain, according to Ruffalo, if the Blue-Gold ranks had not been depleted by team members who were on vacation. The coach said he expected the team to improve on its 3-4 dual meet record in the three home meets within a week.

Ruffalo pointed out the contests this week against Orange and East Orange matched the Bellboys with two comparable teams. "I hope to get two wins out of them," the coach said.

After the Big Ten Championship the Belleville record for their dual meet season was 3-4. Last year the Bellboy runners put together a winning season for the first time in fifteen years. To follow up the winning season with another, coach Ruffalo is hoping his runners will start scoring points along with the talented field competitors.

BHS low in Big Ten meet

The rain-delayed Big Ten Championship track meet was held Monday and the Bellboy cindermen improved their score from last year by totaling 13½ points.

Today the Blue-Gold runners and jumpers will meet East Orange home at 3:45 p.m. On Monday, they will host a 3:45 p.m. meet with Newark Tech. The Bellboys faced Orange at home yesterday, but the results were in too late for this edition of the Times/News.

Doug Jackson and Fran Morel turned in what coach Rich Ruffalo called "excellent performances" at the Big Ten Championship at Nutley on Monday.

Jackson and Morel each placed in two events to accumulate 12½ of the team's 13½ total for the day.

In the high jump, Jackson leaped four inches higher than any of his previous jumps of the year by clearing the bar at six feet. A third place finish in the long jump for Bellboy Jackson gave him more than half the BHS total at the cham-

pionship meet.

Morel, another versatile Bellboy, took a second place in the pole vault by catapulting 11 feet. A long jump by Morel of 18 feet 8 inches put him in a tie for fourth and gave Belleville 5½ points earned by Morel at the meet.

Vito Guarino provided another point in the Belleville effort with his fifth place shot put heave of 45 feet.

Coach Ruffalo noted the field division of the team scored all the Blue-Gold points and said he was looking for the track contingent to improve in the future. The coach added he was pleased with individual performances of some Bellboys who did not place in the championship meet.

Freshman John Carlo won his heat in the quarter mile relay and competed in the 220, and the first leg of the mile relay. Ruffalo called Carlo "one of the bright spots coming up."

Ruffalo said junior Craig Lordigyan did a good job in the half mile race with a two minute 15 second run that was five

Bellevilleite jailed, fined for drugged driving

Belleville resident Frank S. Pedalino, 30, was sentenced to three months in jail after Nutley Criminal Court Judge Edwin J.C. Joerg found the Hilton Street resident guilty of driving under the influence of drugs. Conflicting testimony by town physician Dr. Albert Gaydos, Nutley police sergeant George Gerrity and the defendant marked the hour-and-a-half hearing.

Gerrity arrested the Belleville man November 4 on Park Avenue after observing Pedalino operate his motorcycle erratically. The sergeant told the judge he was forced to drive his patrol car onto the sidewalk to avoid hitting Pedalino, who was driving into on-coming traffic.

Jayvee team keeps on winning

The Bellboy jayvee baseball team extended its season's record to 8-0 by defeating East Orange last Friday 5-0.

The win was the 28th game in a row without a defeat for Belleville's jayvee team.

The junior Blue-Gold's first shutout of the season was pitched by the combined throwing of Ted Serritella, Bill Murphy, and Mike Limongelli, who picked up the win.

Batting performances were highlighted by Ralph Amiano's two-run homer in the seventh inning. Mike Limongelli pounded out three hits in his trips to the plate and Pat Nufrio had two hits in the victory over East Orange.

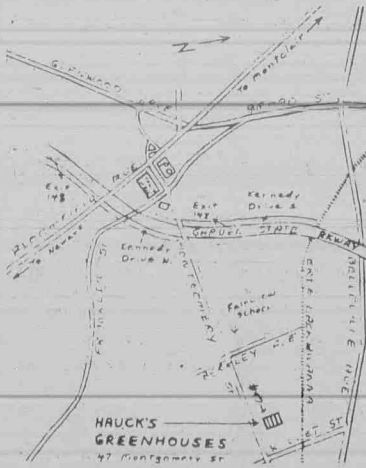

Coaches confer — Nutley coach Ray Chapman discusses the weather and river situation with Belleville crew coach Sam Guffrida before the Goodwill Regatta. The rain calmed the river but the storm generated floating debris that had to be cleared before the races started. Chapman's rowers won the regatta but the Bellboys took the varsity trophy.

Mid-Hudson is next

Continued from page 13.

"Excalibur" had rowed better miles but under the poor weather conditions the "kids rowed an excellent race."

The jayvee race between Nutley and Belleville was the most exciting of the Goodwill meet. The lead changed continuously throughout the mile. Coach Giuffrida said the Belbojy junior varsity lost the race in the last 60 yards when Nutley pulled

ahead to win.

Giuffrida noted the Blue-Gold jayvees gave up eight to nine years experience to the junior Nutley shell. The Maroon Raider boat consisted entirely of juniors while the Belleville jayvee rowers are all sophomores. The coach called the young jayvees performance "excellent."

The sophomores who manned the oars in the jayvee boat were John Stefanelli, Mauro Tucci, Joe Donnamaria, Sam Fusaro, Bill Giuliano, Ted Nagy, Phil Sainze, Jeff Dunn, and coxswain Pat Barbone.

The junior four man race was won by Belleville with a seven second margin. The junior four-man shell defeated Nutley twice in three meets this year. Rowing in the junior four crew were Joe Donnamaria, Paul Denning, Doug Dorival, Paul Melchionne, and coxswain Pat Barbone.

The start of the Goodwill Regatta was delayed because of the rainy weather on Saturday. The coaches were waiting for the possibility of a break in the clouds and were also concerned about debris in the river. The races were started in the rain after floating debris had been cleared.

Now the regatta season is fully underway. Saturday's Mid-Hudson meet will be followed by a second trip to Philadelphia for the Stotsbury Regatta and the National Championships on May 22 at Princeton.

Coach Giuffrida called the final three weeks the hard point of the season and added, "for once we're going into the regattas as one of the teams to beat."

The varsity rowers will row at the Mid-Hudson meet according to Giuffrida and there is a possibility of racing a four man shell if there are no qualifying heats for the varsity race. The coach added he was looking forward to competing against Atlantic City and Roosevelt boats that will be entered in the Mid-Hudson Regatta.

Ladies' softball begins

If you're tired of dusting, ironing and mopping the floor, take some time out.

The Recreation Department is still on the look-out for women soft-

ball players to play on the Ladies daytime softball teams.

Anyone interested in playing is asked to call the Recreation Department at 759-3142 for additional information.

Bellboys are number one

Continued from page 13.

Greater Newark tournaments but the schedules had not been decided in time for this edition of the Times/News. Zanfini said the maximum number of games to be played

to win the Greater Newark Tourney was four.

Zanfini said the whole team is "sky high" about their top ranking but the coach added his job is "trying to keep their feet on the ground."

Bicentennial maps available

To help potential travelers spend their time usefully, Ford dealers are offering, free of charge, a Bicentennial Road Map of New Jersey, New York and Pennsylvania.

One side of the full-color antique-looking map, which measures 19 by 25 inches when open, shows all the easiest routes and roads to use to get

to Revolutionary War sites within a few hours drive. The other side illustrates and gives mini histories of important Revolutionary people, places and events. To locate the spots which would be most interesting to the individual, you simply match the number that's near each site's name with the same number on the map side.

Hugo Bartell

Accountant Bartell given CPA post

Hugo J. Bartell of Belleville has been named assistant director of the New Jersey Society of Certified Public Accountants, Leonard S. Brown, president of the society has announced.

Before joining the NJSCPA staff, Bartell was a senior accountant with the international accounting firm of Hasking & Sells, New York. He was with the firm for three years, entering after receiving a BS degree in Business Administration from Seton Hall University, South Orange. He recently completed and passed the New Jersey CPA examination.

Bartell is married to the former Lynda Jordan of Newark. They have two daughters, and live at 46 Madison Street, Belleville.

The New Jersey Society of Certified Public Accountants is the professional organization of CPAs in New Jersey and is one of the oldest professional bodies of public accountants in the country. Its membership has grown from five when it was founded in 1898 — only two years after the enactment of the first American law concerning public accountants — to its present level of more than 4,800, each of whom must be licensed by the State of New Jersey in order to practice his profession.

'Forum' will open tomorrow night

Tomorrow evening at 8, the Family Playhouse, 28 Brookline Avenue, Nutley, will bring up the curtain on the zany musical comedy "A Funny Thing Happened on the Way to the Forum." A cast of approximately 20 will sing the popular opening number "Comedy Tonight," and the audience will be in for an evening of laughter and sweet song.

There are many crazy scenes and a lot of funny moments. One of the outstanding show stoppers is a musical number entitled "Everybody Ought to Have a Maid." Another very humorous portion is when the character of Hysterium, who is always hysterical during the play, sings a song called "I'm Calm."

From Nutley, Alexander Oleksij will be playing the character of Senex. Oleksij was seen at Family Playhouse in "The Miracle Worker," and also "A Man For All Seasons."

Robert Yanuzzi, a Nutley High School freshman, will be seen as a Protean. Joe Sutula of Belleville and Ron Stockmann will also play Proteans. John Dillon, also of Belleville, will be playing Hero and Susan Malizia of Nutley will portray Gymnasia. Bob Molloy will direct the play.

The musical will run May 7, 8, 14, 15, 21, and 22 at 8 p.m. and May 23 at 3 p.m. For ticket information, call 997-5626.

'Cancer Crusade' still being waged

The American Cancer Society's Cancer Crusade, which began during April, Cancer Control Month, is now in full swing throughout every community in Essex County, including Belleville.

However, Vincent Strumolo, Belleville Crusade Chairman, indicated the town's goal of \$8,000, which helps fund the society's programs in education, research, and patient services, is still a long way off.

"So far this year," said Strumolo, "we have collected \$2,667.21. Last year at this time, we had collected \$3,462.45 and were well on our way towards our goal. What many people fail to realize is how important their contributions are."

He noted that besides funding research, each community's contributions support educational programs which teach people how to detect cancers early — when they are most curable. In addition, local dollars provide patient services to the cancer victim and his family.

"675,000 Americans will contract cancer this year. Local dollars will help the American Cancer Society wage the battle against cancer on three fronts," said Strumolo.

obituaries

Patrick D. Guarnaccia

Funeral mass was said in Holy Family Church, Nutley, yesterday, for Patrick D. Guarnaccia, 61, who died April 25 in Clara Maass Hospital.

Mr. Guarnaccia lived in Belleville 30 years, having come here from Jersey City, which was his place of birth.

He was employed as a butcher by Acme Super Market, East Orange, and was a member of Younginger-

Alden, Jr. Post 275, VFW, Belleville. He was an Army veteran of World War II.

Survivors include his wife, Catherine; three daughters, Mrs. Antoinette Intveldt and Mrs. Lucy McHale, both of Belleville, and Mrs. Patricia Bottone of Bloomfield; one son, Dominick of Belleville; a brother, Michael of Jersey City; two sisters, Mrs. Ann D'Elia and Mrs. Carmella Amorosa, both of Jersey City, and four grandchildren.

Interment took place in Immaculate Conception Cemetery, Montclair, following a funeral from the Kiernan Funeral Home.

Mabel Morris

Funeral services were held April 27 for Mrs. Mabel Morris, 80, of Belleville who died April 16 at home.

Mrs. Morris was born in Franklin Township and lived there for 66 years before moving to Belleville 14 years ago.

There are no immediate survivors. Mrs. Morris was predeceased by her husband, William.

Interment was at Laurel Grove Memorial Park following services from the Santangelo Funeral Home, 635 McBride Avenue, West Paterson.

Michael Villaggio

Funeral mass was said in Immaculate Conception Church, Newark, May 5 for Michael Villaggio, who died May 1 in Clara Maass Hospital.

Mr. Villaggio, who was 83, was a native of Italy, but lived in Belleville most of his life. He retired in 1952 after having worked for 27 years as a landscaper for the Newark Water Works.

He was predeceased by his wife, Serafina, and is survived by three daughters, Mrs. Philip (Mary) Longo of Union, Mrs. Pat (Rose) Leone of Belleville and Mrs. Michael J. (Carmela) Martino of West Caldwell; six sons, Joseph of Belleville, Daniel of Garwood, Rocco of Woodbridge, Gerald of Newark, Nick of California and Salvatore of West Caldwell; a sister, Philomina of Italy, 13 grandchildren and 11 grandchildren.

Burial was in Gate of Heaven Cemetery, East Hanover, following a funeral from the Kiernan Funeral Home.

Harold J. Cavanaugh, 70

Funeral mass was April 29, in St. Peter's auditorium for Harold J. Cavanaugh who died April 25 in Clara Maass Hospital.

Mr. Cavanaugh, 70, was born in Mt. Vernon, New York and lived in Belleville for the past 51 years, having come here from Newark.

Mr. Cavanaugh was an attorney for Carteret Savings and Loan Association, Newark, and retired this

past March after having worked for that organization for the last 16 years.

He leaves his wife, Florence; a daughter, Joan A. Cavanaugh at home; a son, James F. of River Vale and three grandchildren.

Funeral arrangements were handled by the Kiernan Funeral Home and burial took place in Holy Cross Cemetery, North Arlington.

Miss Ruth Denike

Private funeral arrangements were made for former Belleville librarian Miss Ruth Denike, 67, who died April 26 in Columbus Hospital, Newark, following a lengthy illness.

Miss Denike was a life-long Belleville resident and worked at the Belleville Public Library for 36 years prior to her retirement about 10 years ago.

She is survived by a brother, Philip Denike of Fort Lauderdale, Fla.; a sister, Mrs. Elsie Green of Rock Tavern, N. Y. and 14 nieces and nephews.

Private arrangements were made for the funeral and cremation was April 27 in Hawthorne. The family wishes contributions in Miss Denike's memory be made to the New Jersey Boy's Town in Kearny.

The Ocean Gate transmitting station in Ocean County for ship-to-shore telephone service was opened January 15, 1931, 45 years ago. The station still beams messages to and from ships on the high seas and on the intercoastal waterways.

Anthony Ballotta

Funeral mass was said May 1 in St. Valentine's Church, Bloomfield, for Anthony J. Ballotta, 66, who died April 27 in Clara Maass Hospital.

Mr. Ballotta was a clerk for H. N. Whitney Goadley and Company, stockbrokers, New York City, for 47 years.

He is survived by his wife, Susan; a daughter, Mrs. Mary Jo Colasurdo; a son, Phil. His mother, Mrs. Jennie Ballotta, and four brothers, Philip, Edward, Francis and John Ballotta.

The funeral was from the Megaro Funeral Home, Newark.

Emma LaCross

Funeral mass was said this morning in St. Peter's auditorium for Emma I. LaCross, 83, who died April 26 in Clara Maass Hospital.

Miss LaCross, who worked as a domestic cook, was born in Winooski, Vermont and came to Belleville from Burlington 20 years ago.

She was a member of the Rosary Confraternity of St. Peter's Church. Surviving is a niece, Mrs. George (Adeline J.) Mitchell of Belleville.

Interment was in Crest Haven Memorial Park following a funeral from the Kiernan Funeral Home.

Anna D'Ambola

Funeral mass was held May 3 in St. Anthony's Church for Mrs. Anna D'Ambola, 73, who died April 28 in Clara Maass Hospital.

Mrs. D'Ambola, who was born in Newark lived most of her life in Belleville.

She leaves a daughter, Mrs. Marie Sciaraffa; four brothers, Louis, Al, George and Michael Giordano, and two sisters, Mrs. Lena Caruso and Mrs. Sadie Capece.

Funeral arrangements were handled by the LaMonica Memorial Home, Bloomfield.

Senior notes

By GEORGE CHENOWETH

The big news this week is the election of officers at the Belleville Senior Citizens Club. This took place at the clubhouse on Tuesday, April 27.

The following members were elected:

George Chenoweth, president; Anthony Sardo, first vice president; Helen Reynolds, second vice president; Ann Buonopane, treasurer; Della Jackrell, recording secretary; Mary Cicerale, corresponding secretary; Viola Spray, parliamentarian; Nicholas Mauncele, sergeant-at-arms and trustees Mildred Harlow, Eunice Conover, and Anthony Bove.

The hosts last week were Adelaide Gatto and Joseph Pisapio.

The club will be having many rides this summer, and in the near future are trips to the Essex County Hospital at Cedar Grove for Belleville Day, May 12. Also coming up are the Senior Citizen Jamboree at the South Mountain Arena, May 19 and, of course, the five day excursion to Wildwood Crest the first week in June.

Mary Cicerale is the trip chairlady, and she is the one to see if you want to sign up and go on any of the trips.

Thief sent to Grand Jury

The case of a 28-year-old East Newark man charged with a Belleville break-in totalling \$6,000-worth of stolen property was sent to an Essex County Grand Jury during proceedings in Belleville Municipal Court April 28.

Lawrence Osborne, 38 Searing Avenue, East Newark, was arrested April 6 for a break-in and theft at a

109 Washington Avenue apartment in Belleville.

Judge Edward Abromson sent to case to the Grand Jury and the defendant was held in lieu of \$1,000 bail.

The complainant in the case was Belleville detective Sergeant Martin McNish.

Cousin Bruce...

'Genesis' Deserving Of 2-Day Sellout

By Bruce Morrow
WNBC 66 Personality

TICKETS went very quickly when the "Genesis" concert was announced. The sold-out sign was displayed happily by the Beacon Theater in New York City for the two day event. The Genesis fans were finally going to see and hear what they have been waiting for...the new and untitled "Genesis". After many years, their lead vocalist left the group. Peter Gabriel claimed that he wanted a change and so he left to develop his own career. The boys in the band (pardon the expression) had to find a replacement. They told me that they auditioned approximately 400 singers...not one of them had what they needed...Phil Collins (Genesis drummer) wife came up with the solution...she suggested that Phil take the lead vocals...they tried it and it worked...so you see, behind every great group there is a woman, etc., etc., and so forth.

"GENESIS" new album was released... "A Trick Of The Tail," on the ATCO label. The album was good and the Genesis followers accepted it, and the music critics applauded it...but the real test was to be the Beacon Theater appearances. Phil Collins told me during my Newscenter 4 interview, "You can work and work, produce a terrific record, but until you step out on the stage and perform...that's where the real answer lies...a fine performance." "Genesis" was a smash at The Beacon...their emotional "progressive" music filled the old walls of the Beacon...The laser light effect, the slides (3,000 of them), the fog effect and most important of all "Genesis" was again very together as a group.

PYE Records released an interesting series of albums... "The PYE History of British Pop Music"...each album features one English group of performers. So far I have received "The Seekers," "Donovan," and "The Kinks." The albums are very well produced and contain most of the big "oldie" hits of the talent, as well as some of the more exotic stuff. The British musical invasion of the mid-60's, caught the American music industry with their guitar strings down...more than sixty per cent of the weekly music charts were British songs. The English groups had suddenly taken over.

WNBC's "Pledge A Job" Week was a tremendous success. More than 4,000 jobs were raised for the City's unemployed. This perhaps sounds like a drop in a quickly emptying bucket, but, it certainly is a good start. Thousands of employers rallied 'round New York and offered all kinds of jobs. And the Pledge A Job Week served another important purpose: it made thousands of people aware of the major plight of our City (and cities).

Unemployment has reached epidemic proportions. It was time to act...and WNBC and its listeners did...4,000 jobs!

Thanks for the time...have a nice week...see you next week.

I remember young people calling me and talking with British accents. Clothes and hair styles were all influenced by the British. If it wasn't British, it wasn't. Our everyday language was affected by The Mother Country. Words like "mod" and "gear" were heard very often. In those early days, however, the British were singing (generally) our songs. Their own writing talent (aside from Lennon and McCartney) had not developed. Music experimentation lacked quality and The British groups looked toward their American cousins for material.

This lack of experimentation eventually led to the return of the musical form to the United States. However, I must note, there is new wave of vibrations coming from Britain. The Rock babies of the 60's have grown up and they are writing and producing real English Rock...and there is experimentation and much of it is interesting and capturing the imagination and pocketbooks of American audiences. Groups like "Queen," "Led Zeppelin," "Sweet," and "Genesis" are all introducing something that we perhaps have been looking for...imagination...be on guard America...there might be another British Musical invasion!

WNBC's "Pledge A Job" Week was a tremendous success. More than 4,000 jobs were raised for the City's unemployed. This perhaps sounds like a drop in a quickly emptying bucket, but, it certainly is a good start. Thousands of employers rallied 'round New York and offered all kinds of jobs. And the Pledge A Job Week served another important purpose: it made thousands of people aware of the major plight of our City (and cities). Unemployment has reached epidemic proportions. It was time to act...and WNBC and its listeners did...4,000 jobs!

Thanks for the time...have a nice week...see you next week.

SHE'S ENGLISH...she's lovely...and boy can she sing...her name...Maxine Nightingale. Maxine started her career when she was 16 years old. Today, 23, the young gal has a tremendous hit on her hands and years of the musical stage under her belt. The hit "Right Back Where We Started From" is currently riding Number One on the WNBC Radio music survey. Maxine has a strong belt'er out voice. She's visiting the States on a record promotion tour. "Max" appeared on you Cousin Bruce Newscenter 4 new feature. Her new album will be released soon and promises to be quite spectacular.

THE CHIEFTANS were in town a couple weeks back at a completely sold-out Carnegie Hall and Ave. Fisher Hall. The Chieftans are Ireland's greatest musical export. Their sound is not what you would expect...all they are a combination of Renaissance dance ensemble and a Bluegrass band. We filmed the Chieftans at the Irish Pavilion on East 57th Street. The group is receiving international recognition for their soundtrack music to film "Barry Lyndon". Their music not only has an Irish influence...listen to The Chieftans and hear Greek, Russian and Far Eastern soul. Their albums are available here in the colonies. The Irish Pavilion would be a nice place to have dinner one night and sell beautiful Irish sweaters, hats and g... Irish whiskey.

Belleville girl tours Presley plane

By BUD RODGERS

Coeds have been making the trek to Florida every spring break to visit the beaches made famous by the movie "Where the Boys Are" for almost 20 years now. Karen Healy, 9 Grove Street, a student at Murray

University in Kentucky, found this year she didn't have the funds to make the journey and was left behind by her friends.

When she realized she had a lot of time to kill until classes resumed a week later, she decided on a trip to Memphis to visit Graceland, the es-

tate of Elvis Presley, whom she idolized.

"When I arrived at Graceland I was greeted by a large crowd that indicated to me that Elvis was indeed home." Karen waited patiently with the crowd as they longed for a glimpse of Elvis that never came.

What did come however was a thunderstorm, whose large pellets of rain finally drove off even the most fanatical fan and caused Karen to retreat to her car.

"Most people ran for their cars and drove off, it was around supper-time and I guess they had families to feed." Karen, too, sought shelter in her car parked across the street from Graceland. And it was while she sat there eating barbecue purchased at a nearby stand thinking about the occupant of the mansion above her that she noticed the rain dancing in the lights of what looked like a 3 wheel motorcycle on the hill above. As it descended Karen remembered reading that Elvis had one as it passed through the gate she certain that it was him gave chase.

Karen unwittingly had entered, the moment she saw the cycle headlights, the private world of Elvis, a world that previously could only be entered by using a dream as a vehicle. Such a dream vehicle had been used by millions of young women around the world throughout the 50's and 60's and is still used today. But, Karen had entered the world in the realm of reality. A feat accomplished by so few and almost always dictate by lady luck and that lady was to accompany Karen tonight.

"The bike stopped and I drew along side the rider turns his head towards me and smiled, it was Elvis! He looked great! As the light changed Elvis entered a gas station and I followed along with another car that had joined in the chase. We all jumped out of our cars and ran towards the parked cycle. When I came up alongside of him he looked at me and mentioned something about his bike in a manner as if he knew me all his life." Elvis talked to them all standing there in the rain on subjects ranging from football to having his plane reupholstered. I was an inquiry about Elvis' new plan by the young couple, a plan of which he is most proud, that was to serve as Karen's ticket to a much longer conversation with Elvis aboard his plane.

Elvis then invited them all to see the plane he had just acquired. The plane that bore the name Lisa Marie after his daughter. Karen stated, "I didn't believe this was happening to me but what I was about to experience made it much more easy to believe at a later hour." At the airport Karen couldn't get over the size of the plane and the fact that its entire crew had turned out. She felt a little uneasy at the thought that this people could home with their families on this rainy night but instead partially because of her presence they had to be out in such conditions. "As Elvis showed us through his plane pride was evident in his voice," Karen stated.

The plane was tastefully laid out and had a recreation room, conference room, equipped with conference table at the head of which sat a chocolate brown teddy bear who seemed to be in command of all he surveyed. Then Karen entered Elvis' bedroom and combination dressing room. The bedroom was laid out in shades of blue, Elvis' favorite color.

After the tour Elvis told the group to be seated in the lounge and with drops of rain still dripping from his leather jacket sat down among them to begin what would be a four hour rap session.

Beside herself with excitement, Karen Healy, 9 Grove Street, stands next to her rock idol, Elvis Presley, as he shakes hands with her friend, Bud Rodgers.

Fewsmith cub pack holds bowling banquet

Billy Cook, a cub scout with Pack 350, Fewsmith Memorial Presbyterian Church, received an award for being the high score bowler at a recent bowling banquet held at Brunswick Lanes.

Cook took high series with a score of 525.

The first place team was the Low Rollers with Larry Ottenstroer, Richard Ottenstroer, Amro El-Helw

Sanford Hertz still wows them

Sanford Hertz, a Belleville resident and professional musician from the age of six is still busy wowing audiences with his versatile organ renditions.

Possessed with an extremely alert sense of audience age, "Sandy," as he is called by his many friends throughout the entire U.S., can please both senior citizens and teenagers alike. There is no special music Sandy likes—he loves it all, from Guy Lombardo-type dance music to the "rock and roll" popular with the younger type dancer.

Although having gained popularity for the melody of the great song hit, "Cry," and his own song, "My Heart Is Yours," one of the greatest contributions that Sandy has made to the population is the Hertz number and letter system which is used internationally by all leading chord organ music publishers.

Sandy, who was one of the youngest members of the American Federation of Musicians, has written over one hundred books for the electric and electronic chord organs, and in addition has written numerous books for some of the world's largest chord organ manufacturers. He had appeared with stars such as Connie Francis, Bobby Darin, Roy Hamilton, Wilbur Harris, Little Richard, Vivian Blaine, and many more.

He can be seen and heard at various nearby locations and most recently has begun a stint at Lyle's, Kearny.

Miss J. Kiernan picked by scouts

Jacqueline Kiernan, daughter of Mr. and Mrs. Patrick J. Kiernan, 101 Union Avenue, has been selected to attend Tote 'N Trek, a national girl scout wider opportunity event scheduled to take place at Girl Scout National Center West, Wyoming.

Jacqueline, with 47 other scouts from all over the United States, is due to arrive in Wyoming June 21 when they will immediately begin exploring the West. The Tote 'N Trek participants will backpack over unmarked trails, discover the solitude of sage flats, deep forests and lush canyons and eventually backpack and hike into the Big Horn National Forest.

Jacqueline, a member of Troop 48 of St. Peter's Church, has been a counselor for the girl scout day camp program for the past two years, and has participated in all phases of scouting during the past eight years.

The scout is a freshman at Belleville Junior High School.

Paraphenalia case heard in court

A 31-year old Belleville man charged with unlawful possession of narcotic paraphenalia was given a six month suspended jail term at proceedings in Belleville Municipal Court on April 28.

William Goldrick, 476 Joralemon Street was also given two years probation by Judge Edward Abromson after the defendant pleaded guilty to the charge.

The complainant in the case was Belleville detective Joseph Simonetti who arrested Goldrick on March 26.

Academy entrance test scheduled in September

Senator Clifford P. Case today announced plans to hold a Civil Service examination on a day to be selected during the week of September 17 through September 25 to assist him in making his nominations to classes entering the U.S. Air Force, Military, Naval, and Merchant Marine Academies in 1977.

The examination is open to legal residents of the state of New Jersey. Those who have already applied will be informed of the exact date and other details by mail. New applicants who wish to take the test should write to Senator Case, Russell Office Building, Washington, D.C. 20510.

To be eligible for a nomination to a service academy applicants must be at least 17 years old and have not reached their 22nd birthday by July 1, 1977.

and Hesham Attewa.

The Strikers came in second with William Corbalis, Joseph Corbalis, Mike Carbone and Mike Caravella.

Swat placed third with Chris Tortorello, David Fulda, George Davis and William Huamani.

Fourth place went to the Pin Ball Wizards with Brian Cook, Billy Cook, Anthony Insano and James McGuire.

Competition for first place scorer was keen, with David Rogers taking second place with 478. Third and

fourth places went to Billy Corbalis, 460, and John Savegh, 410.

Joseph Corbalis had high game for the season with a score of 224; Richard Ottenstroer, second-high game at 199; Larry Ottenstroer, third with a 178, and Brian Cook,

fourth, with a score of 170.

Billy Cook held high average, 127; Joseph Corbalis, 126; Billy Corbalis, 125, and David Rogers, 121.

Other individual awards went to Henshan Attewa and John Savegh with 75 over patch, and Anthony

Paone with Young Batham 125 game.

Fifty pins over patch were awarded to the following boys: James Paone, Brian Woods, Thomas Lowe, Joseph Corbalis, Mike Carbone and Billy Corbalis.
