246 Washington Avenue, Belleville, New Jersey 07109 - 759-3200

Coaches are always the men in the middle, between the action on the field and the fans. Monday night Bellboy coach Tom Testa, above began his last season as head football coach. Livingston beat Belleville under the lights, 20-0, and Testa and his assistants began planning for the day the sun would shine again on the Blue-Gold gridders.

### United trio

Below, James Cozzarelli, Jr. (right) Belleville Town Chairman of the 1976-77 United Way campaign discusses the business and industry drive with Business Chairman Frank Custode (center) of Fashion Eye-Wear and Robert Knudsen, at left, of Public Service. All three campaigners will be working for corporate and employee gifts. The goal for the 1976 Belleville United campaign is

# Police may appeal recent court ruling

By CHUCK JACKSON

Belleville PBA Local 28 will probably appeal a court order issued last Friday giving the town until November 1 to implement the police contract

Attorney's for the town and the police went to Superior Court last week and appeared before Judge Sherwin Lester on the matter. The court appearance came after the PBA obtained a show-cause order directing the Town Fathers to show

why they should not be held in contempt.

In a hearing that lasted less than 15

minutes, Judge Lester directed the town, through attorney John Scott, to take all necessary steps to have the agreement implemented by November 1

The decision, if not a clear cut victory for either side, was at least a tie favoring the Commissioners. The PBA had hoped, sources said, to have the five department Directors and Town Treasurer Francis McCoy, found in contempt of an earlier judicial directive ordering them to implement the agreement. Judge Lester's order sanctions another 30-day delay.

The Commissioners did not act on the contract at Tuesday's Board meeting, but Town Attorney Scott said he doubted

there would be any legal repercussions. "If they (the Commissioners) start at the next meeting," Scott said, "I am sure it will be all right with the court."

Scott added, however, the November deadline set by the judge was "impossible." According to law, Scott said, the required ordinance would go into effect 20 days after a public hearing and final Please see "Decision" on page 3.

# own mails rebate forms

Belleville homeowners will receive their Homestead Tax Rebate forms in the mail soon and Revenue and Finance Commissioner Joseph F. McGreevy recommends the applications be completed and returned to Town Hall, "immediately if not sooner." The deadline for filing the forms is November 1

The rebate is part of the new state in-

### Vote registration deadline is Monday

Next Monday, October 4, is the final day voters can register and still par-ticipate in the November Presidential election, Town Clerk Eugene Barnett re-

Persons need not re-register if they have not changed their address since last voting, and have visited the polls at least once during the past four years.

Belleville Town Hall will be open to-

day, tomorrow and Monday from 9 a.m. to 9 p.m. to expedite voter registration.

Registration is required for persons who have changed their address, even if Lonly within the town of Belleville, new voters, who must be at least 18 years of age by November 2, and those who have not voted in recent years.

To qualify for the November 2 election, a person must have been a Belleville resident for 30 days, an American citizen and 18-years old.

come tax package and is a result of the bill signed by Governor Brendan Byrne in Belleville last month. Homeowners of property assessed at \$15,000 or more could qualify for up to \$204 in rebates from the state.

Commissioner McGreevy noted the state has charged individual towns with the task of distributing the rebate applications and Belleville has decided on mailing all the forms by October 10. Bellevilleites will receive their forms with all the individual tax information already printed on them. The pre-printed facts will come from copies of the 1976 tax bills filed on county computers.

Each local homeowner will have to sign the form and include the Social Security numbers of the homeowner and spouse, then fill out Schedule "A" where it applies. Schedule "B" must be filled out if the property is multi-owned or multi-family

The job of processing the forms will cost Belleville approximately \$1,400, according to McGreevy. The mailing procedure was decided upon by Commissioner McGreevy and Assessor Peter

Torre as the most economical and expeditious method.

Providing the forms and information from Town Hall would have involved hiring three or four people just to process the information, McGreevy said. The \$1,400 will cover mailing costs and the Hee for use of the county computer

All property taxes must be paid on or before December 31, 1976 in order to be eligible for the rebate. Additional questions can be answered by calling the Tax Assessors office at Town Hall

Only one house can be claimed for the rebate if property owners own two or more. The residence claimed must also be inhabited by the owner, according to Commissioner McGreevy.

Additional rebate amount may be claimed based on the facts the property owner is 65 years of age or older on or before December 31, 1976, or permanently or totally disabled, or the surviving spouse of a person who during his or her lifetime received a Senior Citizen real property tax deduction. Claimants should be prepared to furnish proof of ownership, age, or disability, on request

### Commissioner asks to listen to tapes

ade at the september 14 meeting Town Commission continued Tuesday, when approval of the minutes was tabled

Public Safety Director Rocco Saletta asked that the approval be tabled until he had an opportunity to listen to the tapes of that meeting. His interest apparently centers on a public argument with PBA Local 28 president William Escott.

The minutes indicate a part of that heafed debate was "inaudible" on the

The allegedly unclear portion of the tape, it was indicated, contains Escott challenge to the Commissioner, "If you were half a man, I'd take you out on Washington Avenue and break your as-

Escott was suspended for five days without pay by the Public Safety Director for that outburst.

"I don't understand," said Saletta, "how one section was said to be inaudible when it was clearly heard by everyone in this room and probably by people downstairs. All of a sudden, the part of the meeting which got the most publicity is inaudible. Lwant to listen to this particular tape.

Town Clerk Eugene Barnett pointed dut to Saletta the fact that the minutes were not intended to be a verbal transcription of the meeting, adding, "If we were to get into transcription of the tapes, we would be getting into very heavy duty for the office staff."

Saletta said he realized the problem, adding, "I know a transcription of the tapes would be impossible, but I think in this case, that portion of the meeting should be included in the minutes.'

Escott's comments at the September 14 meeting and his five-day suspension

The controversy over statements from the police force created what many believe may be an uncloseable between the Commissioner and the PBA

> Saletta also took exception to comments made by Escott to the Times/News last week.

> Deputy Police Commissioner Joseph Granese also objected to some of those statements, particularly the PBA president's reference to the Commissioner's 'advisors that consist of a tavern owner and a pizza man.'

> Granese, the tavern owner, called the Times/News this week, and rebutted Escott's statement, saying, "I only want to say, if Commissioner Saletta was taking orders from a bar man, I would suspend him (Escott) for 30 days, and then try and get him dismissed from the police department entirely. I feel that Comnissioner Saletta is well qualified to run his department without any advice from the Deputy Police Commissioner

### Scout 'camporee' is very successful

Belleville Girl Scouts attended their 11th Annual Camporee Madeline, Mulford, Dingman's Ferry, Pennsylvania.

The campers arrived Friday evening at the Pocono Mt. camp and prepared their campsites. Saturday began at 7:30 a.m. with flag raising ceremonies. Troops split up for lessons on lashing to build wish boats and for hiking

In the afternoon, craft lessons in silk screening, making rice paper and tie dying were given by Julie Pallito, Jill Casale, Betty Prieser and Pat Ritter. In the evening the wish boats were decorated and with lit candles were launched on the lake amid song and ceremony.

Troops represented at the Camporee were Junior Troop 476, leader Shirley Scayone, St. Anthony's School; Junior Troop 966, Mrs. M. Stefanelli and Eileen King, St. Peter's School; Junior Troop 954, Dorothy Healey and Pat Ritter, St. Peter's School; Cadette Troop 950, Doris Cxypoliski and Dorothy Minker, Christ Episcopal Church; Cadette Troop 326, Martha Wiess, Bethany Lutheran Church; and Cadette Troop 48, Cathy Bell and Claudia CoCo, St. Peter's School. Sunday the Camporee closed with flag ceremonies at 2:30 and everyone agreeing it was a happy and successful camporee.

The Camporee Chairwoman was vents and made the a for the camping units

# Helstoski phenomena

the Democrat candidate in the Ninth Congressional District, which begins on the east bank of the Passaic River, across the

Congressman Helstoski has had more than one man's lifetime share of troubles, trials and tribulations. We first became acquainted with him in 1952 during the Harold Stassen-for-President campaign. Bernard Shanley, a confidant of Harold Stassen, asked us to serve as the New Jersey campaign director for Stassen — a job we gladly accepted. In Bergen County we wanted a young leader to assume the thankless task of identifying with a candidate for President who was only expected to garner 5 per cent of the primary vote. For guidance we turned to a Bergen County resident, who at the time was one of America's leading reporters, Chief of the New York State Bureau of the New York Evening News. He was

Guy Savino recommended a young Republican by the name of Henry Helstoski. We met with the young man who eagerly accepted the oddball assignment. A week before the election we gave him \$50 to use as "walking-

Last week Congressman Henry would become a permanent Helstoski won re-nomination as resident of the United States. Low and behold, one day she received in the mail a notice from the United States Immigration Department that she was to be deported within two weeks. Our anguished mother, with whom the young lady lived, called us to report the startling development. We went to Washington, met with Congressmen Joseph Minish and Peter Rodino, as a result of which the following morning we received a telephone call from Congressman Henry Helstoski who said Congressman Rodino requested that he place the call. We explained to Congressman Helstoski the young lady's problem, and that day he dropped a bill in the Congress which permitted the young lady to remain in America until the crooked attorney was caught up

> Helstoski did not have to perform the service for the young Italian girl. We did not live in his district. We could not vote for him - and neither could the Italian girl vote for Helstoski. His interest was based upon his compassion — and these two Henry Helstoski incidents made him grow ten feet tall in our eyes.

We are sorry to observe the shambles being made of his reputation. Indicted he is, but convicted he is not.

In America, there is a victory. A week after the election presumption of innocence until proven guilty. An indictment is not a finding of guilt.

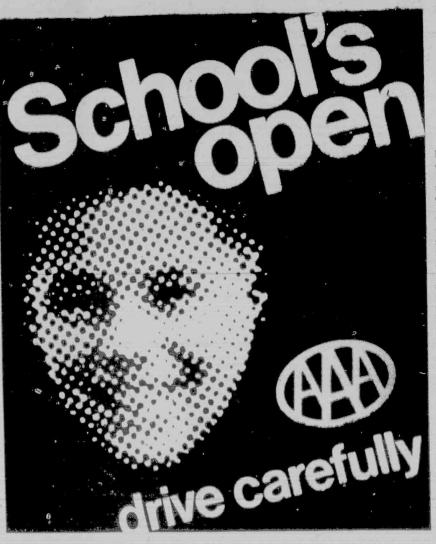

So for this election — Tuesday, November 2nd — the voters of the Ninth District must assume that Congressman Henry Helstoski is presumed to be in-We know of nobody in politics nocent of any wrongdoing. ### Letters

### Woman shares hard lesson

To the Editor:

I'd like to tell senior citizens of my experience about hiring anyone to do a job. I learned my lesson the hard way. I hired a carpenter living in Belleville, thought he would be more reliable.

The total price I agreed to was \$520. He asked me for \$250 down payment to buy the materials. Without thinking, I gave him a check for \$250 and he promised to do the job in a week or ten days. He cashed the check all right the next day and the time went by, two, three, four weeks, no sight of him.

Everytime I called him the answering service got the message but he never returned my call. I was very upset about it. I left a message again: if he doesn't return my call tonight or next morning, I am going to call consumers' protection. I still didn't get an answer, I had no choice but to take action.

I am really proud of our town having consumers' protection and a good man like Mr. Leonard in charge to look after and take care of problems like this for us and not let them get away.

He worked with the guy, he was giving him so many false promises and excuses which weren't of my concern. I gave the money and I wanted the job done as he promised or else return the

It took him almost three months. Finally he paid to Mr. Leonard. When he brought it over I was so happy couldn't thank him enough. I feel grateful to him, God bless him, it is good to have someone like him to protect us from that kind of people.

Sona Farishian 205 Overlook Avenue

### Golden Comments

By James R. Golden

Among the many enjoyable pleasantries one has become accustomed to observing at the convivial annual picnic honoring Mayor Marotti, which is sponsored by his Civic Association, was the amusing and humorous incident of Ronnie Vogler, popular proprietor of Ron's Pub in the south Belleville section of town, apologetically explaining to His Honor the tardy arrival of him and his wife while sheepishly, in an aside to the Mayor, whispering the explanation of why he reeked the aromatic scent of champagne.

As it turned out, just prior to the picnic the softball team sponsored by the genial publican, Ron's Pub, captured the league crown with the enviable record of 16 victories out of 18 contests and then went on to cop the top prize by taking two out of three in the play-offs to win the Belleville league championship.

The victors were presented trophies by Com missioner Mary V. Senatore at the field from which they joyously repaired to Ron's Pub to celebrate with Ronnie, his wife Anne and team manager Freas Willis leading the way. Plentiful libations were served, Ron and Anne thanked team manager Freas Willis and all players on their successful season, the trophies were put on proud display at a conspicuous spot in the avern and then in traditional fashion, all the players literally drenched Ron and Anne with peer and champagne.

Mayor Marotti, displaying his customary understanding and compassion, jocularly ac cepted Ron's apology and everyone went on to enjoy a pleasant afternoon under a clear, sunny The Mayor's picnic was a smashing suc cess. Ronnie wasn't smashed even if he exuded such an aroma and was the easiest guy in the huge crowd to find, the scent lead right to him. He probably won't serve me again for letting the story out but it was too revealing to be kept in wraps. At least let me say Hail to the softball champions from Ron's Pub.

Not to be overlooked was the always colorful annual installation of officers ceremonies at the Belleville Post 105 of the American Legion. This year's event represented the 50th, golden anniversary year of dedicated service for Post 105. This year's incoming officers are: Dominic Turano, Commander; Donald Bellog, Vice-Commander; Jack Arthur, 2nd Vice-President; Janice Stewart, Chaplin, Adjutant; Frank Kiernan, Ritual <sup>9</sup> Service Officer; Patrick Wynn, Historian and Judge Advocate.

The executive committee of the post elected this year consists of Frank Kiernan, Gene Clark, Joe Wynn, and David Martin. Appointed to serve on the committee are Ray Wellen, Fred McGarril, Vic Parker, Frank Kovats and John Medvecky,

The installation was done in precise military fashion. It was brief and impressive. Buffet refections and libations were available in copious supply. The program listed the past post commanders for the entire fifty years going back to 1920. Among the guests notable for their long Legion activities were Jim LaMotta, George Mitchell, John Throckmorton, and old

timer Walter Weiss, a life member of the Post. Newly installed Commander Dominic Turano commented, "We are beginning a new year and I am looking forward to working together with my fellow Legionnaires toward a prosperous and successful year for Post 105. Our goal this year is to see all our commitments to our American Legion Programs are fulfilled so that our purpose for being given the honor of commandership is successful."

Greatly missed from the installation ceremonies was Ken Carragher, Union Delegate at TNJ's Big Tree garage where so many of the Legion Post 105 members work driving those new air-conditioned buses. He had to attend the AFL-CIO convention in

### **EDITOR'S JOURNAL**

### TV debates bring on age of the sector

By CHUCK JACKSON

Those Presidential debates are wrecking my life!

I really wanted to watch Ford and Carter verbally slug it out, but now I am beginning to regret the entire idea.

The problem started with the language the two men used during the debate. I became obsessed with their jargon, a Washington version of Newspeak. I sat down in my living room with my wife, and my friend, Franklin Bodoni, and my best friend, Pabst. I was all set for a perfect

Then suddenly, it all went bad. Everything around me was transformed. I was no longer a person. I was a sector.

For some reason obscure to me, the two candidates repeatedly referred to the "public sector." Slowly it dawned on me: they mean the people. Suddenly the country was broken down into groups, or rather sectors. A few minutes before, there were three people sitting in the room watching television, now the people were gone, and three individual sectors sat there sipping beer. It was very unnerving.

This instant dehumanization has resulted in a complete reexamination of all around me. I have heard business referred to as the private sector. Therefore, if I

work for a business, I must be a member (individual sector) of the public sector working for the private sector.

If my company has a defense contract, that means I am a member (individual sector) of the public sector working for the private sector which is working for the government sector.

I tell you, it is maddening.

was still reeling from that blow, when President Ford followed up with another verbal rabbit punch. He referred to coal mining as "the extraction of coal.

Suddenly, all across the country, coal miners disappeared without a trace and were immediately replaced by coal extraction specialists. It happened so fast it probably went unnoticed. It may be discovered later that the 27-minute silence that interrupted the debate was caused by that lone local miner from Pennsylvania who refused to be transformed and ripped out an amplifier as his revenge.

I tried to discuss this problem with Franklin Bodoni, one of the best of those individual sectors grouped in my larger friend sector.

"Franklin, what's going on? How can this happen? We're people, not sectors!

As he started to answer, I noticed a strange, far-away look in his eye. His speech was not the same. It sounded like

he was reciting a formula from memory.
"Why do you worry about this data?" he said. "It is not necessary, for the government sector will make any necessary adjustments. Let us, you and I, repair to that sub-quadrant of the quadrant designated Belleville where alcoholic beverages are served by the bartending secor of the community

I couldn't believe it! They had gotten to him completely. There was no escaping the transformation to a sector. After several futile attempts to bring him out of it, and more fruitless discussions with other sec-

tors at work, I became exhausted. In my exhaustion, it crept up on me and took me over. I have now resigned myself to the fact that I am a sector. After all, I

must be one, if the President says I am Therefore, I will end this report, and return to that quadrant of Belleville which

has been designated as my living place. Perhaps my wife, a really wonderful sector, will repair to that sub-quadrant designated our kitchen and prepare some energy material for my intake.

If she is too tired (sectors tire easily) I will assume the responsibility for preparation and dispersal of the material from the

food sector of this earth.

# Rain doesn't stop Cozzarelli picnickers

### Little cat, hold still a minute

Helen's

I AM NOT very happy when anyone is sick around here but in some respects, I would rather have one of the humans under the weather than one of the animals.

You can reason with homo sapiens, explain that the pill you are about to administer will cure the ill from winen me salfers, that the treatment will not continue for the rest of his life, that, no matter what the medicine tastes like, it is infinitely preferable to the germ he harbors. Although the victim may not agree with you and may think you trying to con him, he will usually accept your assessment of the medicine situation and offer little

IF THE DOCTOR decrees that the person must stay housebound for x number

of days, he may rebel, rant, rave and occasionally scream but he will stay indoors and one will not be forced to keep an ever watchful eye on the door everytime it is opened to make sure that the "sicky" doesn't dissappear into the great outdoors. Also, the human doesn't feel it necessary to hide under beds, on cellar pipes or in other inaccessible places everytime he hears his name called. Not so with the

Lum, a sweet and gentle altered male, is pure white with the exception of a small black spot on the top of his head but a week ago, we noticed that the old boy was showing pink through the white fur. Although he is basically non-combatant, he has definite ideas about what other cats

are allowed on his property and will defend his turf if he has to. Perhaps, we thought, he had gotten into a minor scrap with an intruder. A day later, the pink spot was getting bigger and pinker and mama, enlisting the aid of the two resident boys, haid the cat flat on the table and examined the situation. I hoped a little peroxide and the application of a soothing ointment would cure the affliction and I applied same while Gavin and Ryan valiantly held their own at either end of the cat

IT SOON BECAME apparent that the only thing the ointment was doing was providing Lum with a midmorning snack. may be an optimist but I also know when I'm licked and the next step followed logically, a call to the vet. I borrowed a cat carrier from a friend who, fortunately, had purchased same at the Festival in the Park a scant week before, told Rod he was elected to do the honors and helped him encase the beast, who, he tells me, wailed all the way down to Washington Avenue.

The diagnosis: an allergy. The treatment: pills which must be administered twice a day and an ointment which must be rubbed in twice a day and orders to keep the cat in the house, letting him out, if we must, only for short periods. Letting Lum out for short periods is like opening Pandora's box and expecting to close it again. I'll report next week who has won the battle because that's what's raging around here, one cat against the household.

School System. One cable drop will be provided at no charge for each air channels are available, including ings to over 160,000 homes in school. The company will build a VHF channels, 2, 4, 5, 7, 9, 11 and system that will enable interconnect 13; UHF channels 21, 25, 41, 47, 50 for all Belleville schools.

In addition, Suburban will have and 29 from Philadelphia. internship programs for school students. This will give young people the opportunity to learn first-hand what is involved in the production and taping of a program for cablecasting. Representatives said they are formulating plans whereby students will be able to receive course credits for

work in cable television. Suburban also has video equipment that the schools will be able to borrow for use away from the company's studio. Local programming and educational services receive this consideration and time, representatives said, because it is Suburban's belief that cable television is not only a broadcast medium, but a learning experience and education tool both for the student and local community

The company anticipates it will have service available in Belleville by mid-1977

Suburban is presently serving 13,000 customers in West Orange, Livingston, Maplewood, Irvington and West Caldwell. By year end 1976, it anticipates 20,000 subscribers. It presently holds seventeen cable television franchises in Essex, Union and Hudson Counties.

Suburban Cablevision charges \$7.50 per month for standard cablevision for a customer's first set and \$3.00 for each additional set. This charge includes the remote contral converter. Suburban has a \$15.00 installation fee for the first set and \$10.00 for each additional installation. The company will waive the first set installation fee if one subscribes within 30 days of service becoming available in his area. Suburban offers Home Box Office at an additional charge of \$8.00 per month per household.

Suburban provides 25 channels and later will supplement service to a total of 35. Many channels are available exclusively through cablevision: A Madison Square Garden channel bringing over 100 sporting events, including the home games of the Knicks and Rangers; a 24-hour news channel featuring world, national and state news from the Associated Press; a channel providing financial news from Reuters International and transactions of the New York and American

### raise costs of transfusions Decision

Complications, including costlier of the decision by the American National Clearinghouse agreement with the American Association of Blood Banks (AABB) on October

That prediction was made this week by Robert C. Kammerer, director of the North Jersey Blood Center in East Orange.

Residents who may find that feeoffsetting credit for their donations will not be forwarded here or to any other part of the country are those who participate in the Greater New York Blood Program through their place of employment. Donors through the North Jersey Blood Center should not be affected by the Red Cross policy change Kammerer noted

The National Clearinghouse for 16 years has coordinated the exchange of credit for blood donations from AABB and Red Cross centers to every hospital in the country. The AABB will continue to operate the Clearinghouse through its more than 2,600 member hospitals and 822 independent blood banks, including the North Jersey Blood Center.

The Blood Center provides the total blood supply to all Essex County hospitals and conducts donor drives throughout the county. Kammerer noted that local Red Cross chapters which have long conducted blood drives in cooperation with the North Jersey Blood Center will continue to be served by the National Clearinghouse.

A further complication arising blood transfusions for some Essex from the rational Red Cross decision County residents, may be the result will be the eventual rise in the cost of providing a unit of blood, Kammerer National Red Cross to terminate its said. "Red Cross-supplied blood predeposited or replaced AABB blood, he stated. "Even now there is substantial fee differential between blood. blood processed by the North Jersey

Blood Center and that processed by the Greater New York Blood Program. If we must accept the bulk shipment of blood proposed by the Red Cross as a substitute for the generally costs more than credit system, we may be forced to along to the patients receiving that

The Red Cross opposed the credit sent danger of a blood shortage, we

system because it believes that blood feel that in the absence of a personal without their incurring an obligation to replace it

The AABB argues that an incentive such as the credit system is pass that additional processing cost needed to assure an adequate blood apply for all hospitals, according to Kammerer. "While there is no pre-

should be available to patients motivation to become a blood donor even fewer people will respond," he said. Presently under five percent of

eligible adults give blood. 'I still believe that there is room for our two blood banking philosophies and for the Clearinghouse system which has

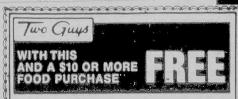

provided a workable mechanism for

mutual exchange," he said. "Meanwhile, Essex County residents can assure their family's local blood protection and arrange for the transfer of credit to another part of the country by giving blood through the North Jersey Blood Center or one of its mobile unit drives.

The Blood Center is located at 45 South Grove Street in East Orange.

### Handicapped rights 8 to be protected

Legal rights of the mentally handicapped will be protected under a special pilot project of the New Jersey State Bar Association.

The new program will initiate legal assistance to patients of community treatment centers and previously-institutionalized individuals who are returning to com-

The State Bar Association's Committee on Rights of the Mentally Handicapped will open the special service program in January, 1977, in Essex County

The American Bar Association has awarded a \$20,000 grant for the project. Additional operating funds are being sought from the State Bar Association, foundations, and civic and business groups

"Community care and reintegration of former patients into full community life is the new wave of mental health reform," notes Committee Chairperson Mary L Parell of Newark. "It is appropriate that this also becomes the new wave of legal advocacy.

The Project will work to: develop a model program for legal services to mentally disabled persons in community care programs:

involve mental health professions and students, law students, legal paraprofessionals, and the organized bar in provision of such services;

identify legal barriers to reintegration of the mentally disabled into normal community life;

stimulate elimination of such bar-

Specific problems may include such topics as zoning and housing difficulties, job and credit discrimination, and complicated family

The staff will consist of an attorney, social worker, two law students, two social work students, and faculty advisors.

Staff members will locate potential clients in consultation with community mental health care facilities. identify their legal problems, and refer clients capable of benefiting from traditional legal services to private attorneys or legal services of-

In addition to coordinating direct services to the mentally disabled, the staff will conduct workshops for attorneys on related current issues.

"During the next three months, we will be seeking additional funding from all available sources," Mrs. Parell notes. "We will also be employing our staff, completing arrangements with related institutions and agencies, and developing detailed guidelines for the project's operation."

Individuals interested in supporting the Committee on the Rights of the Mentally Handicapped may write to Mary L. Parell, in care of the New Jersey State Bar Association, 172 West State Street, Trenton, New Jersey 08608.

# Bengals next on battlefield

Bloomfield lost to Seton Hall last week, 19-14, and according to Bengal coach Sam Cavallaro, he doesn't have a football team. "If we had any good football players we would have won. We don't have anything."

If the tale of woe is familiar, its almost exactly what Cavallaro said last year before the Bengals beat the Bellboys, 15-14. Last year's Belleville-Bloomfield confrontation was a close struggle with the Bellboys dominating in, every statistic except the score. Cavallaro found some football players in time for the game.

Some of the Bengals will be back on the attack. Bengal co-captain Charlie Woods is one of the tigers the Blue-Gold will keep an eye on. Woods, a senior halfback is one of the better Bengal runners and will be r3membered by Belleville fans for nearly breaking through for a touchdown on the first play last year.

The cross town rivalry will start Saturday at 1:30 p.m. at Bloomfield and coach Cavallaro has announced his probable starting line-up. Returning senior Anthony Lembo, (6-1, 200) will start at center. Co-captain Brian Regan, (6-1, 200) will be at the guard spot for the Bengals. Paul Tortorello, (6-1, 220) is a hefty senior in the right tackle position for the Bloomfield squad.

The offensive right end for the Bengals is Lou Alterie at 5-9, 160 pounds. A junior Steve Boylan, (6, 175) will be in a starting guard slot. Craig Epley, (6-2, 210) is the Bengal left tackle and a starting junior. Jim Ellmers, (6-3, 210 will take the left end assignment for

Lou Paradiso, (6-2, 175) is the senior quarterback who will try to make the Bengal home field as much a paradise as possible on Saturday. Woods, (6, 170) at left halfback has speed and will be watched by the Bellboys. Paul Martino, (5-11, 175) is a junior with the Bengals offensive fullback assignment. Right halfback Bob Tartantola, (5-10, 155) is another junior in the Bloomfield offense.

Many of the Bengals also play defense like some of the ironmen Bellboys. This probably means fatigue will be much less of a factor in Saturday's contest than it might have been against Livingston. The Lancers with their large contingent were able to keep a fresh squad on the field while the Blue-Gold contingent fought on

Continued on page 12.

# times/news

The Bellboys were wringing wet and somewhat Belleville, looks on as the Blue-Gold offense takes its turn emotionally wrung out by the end of the Livingstion drubb-ing Monday night. Above, Scott Ochse, defensive end for

# Coach Cahill's men hit solid Cougar wall

by Columbia, 6-0, Monday to put the early season Blue-Gold record at one win and two losses. The Belleville booters topped Orange in overtime, 5-1, to begin the season and lost their second contest, 2-1, to Montclair.

The team will host Kearny tomorrow for its home opener, 3:45 p.m. at Clearman Field. The Kardinals are undefeated so far this season and the rivalry is expected to produce some exciting competition. Bloomfield is scheduled for BHS away on Wednesday. The Bellboys met East Orange Wednesday afternoo but the results were in too late for this edition of the Times/News

Columbia is one of the best teams the Blue-Gold booters will meet all year and

their performance Monday showed it However, coach Tony Cahill said the soccer men failed to take advantage of Columbia's weaknesses. Belleville's strategy was to play the ball on the outside but the Bellboys tried to work the ball up the middle and the Cougars held off 16 shots on goal.

Columbia scored in the first quarter and the Bellboys managed to hold them off until the second half when the Cougars zipped five by Belleville's substitute goalies.

Cahill called the play of Bellboys Bob in the loss. The coach characterized the two seniors play as outstanding and designated them captains of the Bellboys for the East Orange contest

### Minnesota Twins sign Frank Petite

The Minnesota Twins have signed Bellevilleite Frank Petite and the Montclair State grad will report to the Twins minor league training base in Florida this March

Petite signed September 22 and will play for the Twins farm club at Wisconsin Rapids in the Class A league.

The Belleville ballplayer was named New Jersey College Division Player of the Year this spring and was also picked for the Worth All-America Division 3 first team. Petite batted .349 this season with seven homers and 29 RRIs Defensively Petite made only six errors on 148 chances at third base for Montclair.

Petite has manned three different infield spots for Montclair in the last three years and has been selected for the New Jersey College Division All-Stars each time. His lifetime average at Montclair state was .365 and he slugged at a .393 clip with 35 RBIs in 1975

Petite, 22, said he has always wanted a chance to make the majors and his Twins contract is his first step to the big leagues. Belleville was Petite's training ground and the local athlete hails the town's programs for developing talent.

The town is "building and building" as far as athletics and facilities goes, according to Petite. He noted the start of a soccer recreation program as a sign of development and called Belleville's baseball program, "one of the most complete around.

Livingston's strength in their numbers

and the fact many members of the Lancer squad picked up experience in last year's competition. Testa said he saw Belleville's weaknesses mainly in inexperience and lack of depth. Many of the Blue-Gold gridders play both offense and

The soggy first half saw Livingston control the ball for 31 plays to Belleville's 31 but the Lancers led at the gun, 7-0. The first touchdown came with seven minutes left in the half when senior Lancer tailback Bob Brower returned a BHS punt 35 yards and crossed the goal line for six points on the second down. Livingston quarterback Greg Gennaro followed with a good extra point attempt to put the Lancers in the lead for the

Both soaked squads stuck close to the ground during the first half rains. Gennaro connected once with Brower for five yards and Bellboy quarterback Joe Gelpi tried three air attacks with two incomplete and one intercepted.

The interception ended the Bellboy's first drive of the night. Chris Cervasio ran for Belleville's first down of the night and was followed by a 54 yard gallop by Gelpi for the Bellboys longest gain of the game. The senior quarterback was caught by the last Lancer and his attempt

### Harrier team running uphill The Bellboy cross country team is

running uphill this year hoping to reach the peak of their form in a year or so when the young racers have gained experience. This year the Blue-Gold harriers have started their road to the future with two losses. Essex Catholic beat Belleville, 15-49, and Mountain proved insurmountable downing the Bellboys, 15-

The Bellboys opened their season with

dramatic overtime victory against

Orange, 5-1. Both teams held off scoring

attempts in the first quarter but Orange

opened the door with a goal in the second

Continued on page 13.

The next road race for the Bellevilleites is away against Columbia on Tuesday. The Bellboys will then host Orange at home in Belleville Park, Thursday at 3:45 p.m. Tuesday the runners faced Kearny but the results were in too late for this edition of the Times/News.

Coach Rich Ruffalo is pleased with the progress of his young team. Even though the Bellboys lost both meets, their times improved between the first and second competition. The Belleville coach reported Mountain's coach Al Paganelli, told him the Blue-Gold harriers looked 'good for newcomers.'

Essex Catholic took the first dual meet at Belleville Park, 15-49. The score is compiled by the rank each team's runners finish. First place wins one point, second place, two the team with the least points wins. Essex Catholic kept their total slim by taking the first six places. The fastest time on the 2.86 Belleville Park course was 16 minutes one second

Sophomore Mike Graham finished first for the Bellboys in seventh place with a 17:11 time. Craig Lordigyan, a senior, finished second on the Blue-Gold team with an 18:20 run. Rich Cavanaugh followed with an 18 minute 23 second course jog and Tom Graham, Mike's brother, turned in an 18:37 time.

The Mountain meet was away on a Continued on page 12.

Sideline strategy - Assistant Belleville coach Anthony Sorrentino, above, calls in some spot corrections to the Bellboys from the bench. The Blue-Gold team needed all the e merst they could get in their effort to turn back the Livingston title

### BHS will seek revenge for loss

Continued from page 11.

Tom Bella, (6-2, 175) is the starting defensive end for Bloom-field. Pat Castiglia, (5-10, 175) is the other senior slated to stop the Bellboys from the end spot. Tortorello, the Bengal offensive right tackle will also look to pound the Blue-Gold on the defensive team. He will be joined by another man from the Bengal offense Craig Epley.

Anthony Terellorrilo, (5-10, 170) will be the defensive guard for the Bengals. Offensive guards Regan and Boylan will also make appearances on the field in defensive

double on the defensive squad positions for linebacker assignments time

on D. Another offensive halfback, Bob Tarantola will work at safety on defense and will be teamed with junior Rich Zantune to round out the double duty defense Bengal team.

Blue-Gold coach Testa said Tuesday his starting line-up was only tentatively set but said he expected Anthony Gotto to get the starting assignment at split end. Gotto, (6, 180) has a three inch height advantage over Anthony Speer who Testa wants to concentrate on defense.

Bloomfield runs out of a wishbone offense and a 5-4-2 defense. Testa thought Bloomfield is a different type of team than Livingston and the Bellboys will go Woods and Martino will also at them with the same basic strategies only with the emphasis on trading their halfback and fullback making the plays work for points this

Silvestri surveys - Belleville High's new Athletic Director, Jim Silvestri, turned out in the foul weather Monday night to inspect the night game facilities and cheer on the Bellboys. The lights were fine, but Livingston

# Testa says 'best team won'

Continued from page 11.

was about as close as the Blue-Gold ever came to the line.

Belleville went for the yards on the fourth down following the long run but when Gelpi put the ball in the air it was nabbed by a Lancer and downed on their nine yard line. Livingston picked up a first down with three runs from senior fullback Frank Kling. But the tenacious Belleville defense of the first half kept the Lancers on the 35 and they were forced to punt.

The BHS gridders were held on three running plays at the end of the first quarter and kicked back to Livingston with the score 0-0.

The Lancers moved the pigskin from the 47 to the two yard line on runs from Brower and Gennaro and with a first down seemed to be on the verge of scoring until a fumble Belleville recovered on the two. William Giuliano and Chris Cervasio both took turns at trying to move the ball out of Lancer land but following a penalty for too much time in the huddle Mike Limongelli punted for Bel-leville from behind the goal line out

Coach Testa characterized Limongelli's punting throughout the game as "outstanding" and said if it wasn't for a couple of the junior Bellboy's boots, the score could have been much worse for the Blue-Gold.

Livingston returned the punt 35 yards however to set up their first TD five minutes into the fourth quarter.

The Bellevilleites were held fast again by the visitors and punted following offsetting penalties to both sides. Again the Bellboy defense stymied Livingston on three plays and they punted. It looked like the first half could end on a bright note when the Bellhoys recovered a Continued on page 19.

fumbled part to Livingston. Anthony Dondarski picked up the loose ball for Belleville and gave the squad field position on the 49. Gelpi was able to gain a first down by reaching the 37 but the half was over with Livingston enjoying a 7-0 lead.

The second half started with a quick Belleville pass from Gelpi to left end Ken Nicosia for a first down. It was the last first down for the Bellboys in the game. Pete Liloia picked up two yards but Gelpi was next thrown for a 12 yard loss and after a short run by Cervasio, the Blue-Gold

Gennaro completed a pass to Brower but the Lancers were held again and the Bellboys were given another opportunity to tie the score. Cervasio gained six yards from the Belleville 43 and Nicosia run but a Gelpi pass to Anthony Speer was incomplete and the Bellboys punted

Livingston drove for their second touchdown combining three first downs in 14 plays. Gennaro combined runs by Brower, Bob Roma, and Doug Brandt with passes to Greg Morgan, Bob Mansfield, Brower, and Kling for the Lancers second six points. Gennaro booted an extra point with seventeen seconds to go in the third quarter to give the Lancers a 14-0 edge.

Belleville attempted to go to the air in their next series after a holding penalty put them on the 19 with first and 25, Gelpi found Nicosia on second down for thirteen yards but the Lancers blitzed on the next play and were forced to boot back to the

Gennaro kept the ball on the ground down by their own 20 yard line and punted to Belleville after the

### Distance men persist

Continued from page 11.

longer course, 3.1 miles, so coach Ruffalo said he was pleased with many of the improved times the Blue-Gold runners turned in for their second performance. Mountain topped the field of harriers with a 16:28 time by Matt Palmeri. Five more Mountain men finished behind Palmeri and Craig Lordigyan took seventh for Belleville with an 18:09

Bellboy harrier Mike Graham placed eighth at 18:16, Rich Cavanaugh came in ninth, 18:48; Tom Graham, tenth, 18:58; and John Vaccaro finished with a 20 minute 24 second time.

Ruffalo was encouraged by the fact five Bellboys finished at Mountain with times below 19 minutes. "They looked a little better and they're getting in shape," Ruffalo said. The coach also looked for the upcoming race against Kearny to be a tough match. Sue Smith, the only Bellgirl member of Ruffalo's runners was also expected to be able to face her first female competition at

The coach said the Blue-Gold cross country team is a very enthusiastic bunch with good team spirit. "They're improving and getting there," Ruffalo said. "But as far as wins and losses, we'll have to be judging by individual times.

Members of the 1976 BHS cross country squad include: Mike Graham, sophomore; Craig Lordigyan, senior; Rich Cavanaugh,

junior; Tom Graham, freshman; John Vaccaro, freshman; Vinnie Celfo, sophomore; Rich Drake, senior; Sue Smith, junior; Pasquale Mastrolia, sophomore; Mike Ciriello, junior; Dave White, senior; Dave Fitton, freshman; Paul Bowles, sophomore; Adam Frank, freshman, and Joe Oberto, sophomore.

### W. Hancock Says Essex 'Inefficient and Wasteful'

William E. Hancock, a Republican candidate for a seat on the Essex County Board of Freeholders, has charged that government in Essex is "inefficient and wasteful" when compared with the administration of the state's 21 other counties because it is "the last stronghold of Democratic bossism' in the Garden State

# Petite bound for Florida

Petite said his own baseball career started in Belleville's farm league about 15 years ago. His talent was so obvious even then that he was allowed to compete in the little league a year before he was actually old enough. From the little league his abilities were honed through the Belleville recreation leagues, and the high school teams and the Belleville

Mayor Michael Marotti was one of Petite's first coaches and he credits the mayor with being one of his better teachers. Coach Woods of the intermediate league and former coach Marotti of the little league were two of Petite's most instructive leaders, the batsman said.

The college all-star pitched for the freshman and varsity teams and played the infield at Belleville High School. Ed Berlinski coached Petite's freshman squad and Charlie Travers was the skipper of the BHS varsity during Petite's stay

"We always had a solid team but we never won the Big Ten title," the former Blue-Gold co-captain said. "Belleville has always had good baseball talent," he added.

It was during his years as a Bellboy Petite said he decided to pursue the possibility of a baseball career. "Once Lmade up my mind, I decided to go out and do what I could and started to work at it," Petite said. high school when he was named to

After talking to Clary Anderson at Montclair State, Petite decided to go there. Montclair was one of the

rogram began to pay off during Petite's four years when they qualified for the College World Series twice in two years. Last spring the Indians finished fourth in the country an accomplishment that directed major league scouts to the team and to Bellevilleite Frank Petite

The infielder is the fourth Montclair player to win a contract with the majors. Both the Phillies and the Twins looked him over for the free agent draft in the spring but both clubs reached their quotas before calling up Petite.

After going through a Phillies tryout without being picked, the Belleville ballplayer was disappointed but was still under the eye of Twins scout Ed Dunn, who eventually signed him for \$500 a month and a chance at spring training.

The Twins don't have an extensive farm system and Petite is hoping. his abilities will be noticed that much quicker in their organization. He has always been a Yankees, Phillies and Red Sox fan but admitted, "I guess now my favorite team will have to be the Twins.

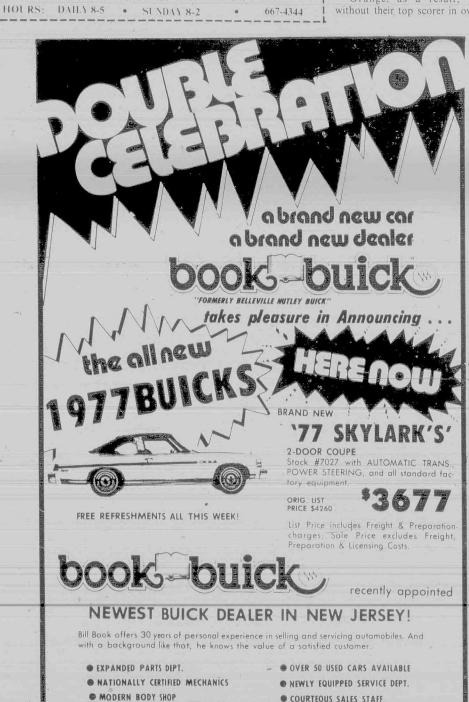

The aspiring major leaguer realizes the odds against making the majors and is aware his shot at the top includes the possibility of a free ticket home. Without a baseball career Petite would start looking for work in Recreation Administration, the field he majored in at Montclair State. The local resident worked with Bob Cook of the Recreation Department as part of his field experience for school. He said his time with the Belleville program was informative and Cook was a good teacher who became a good friend.

It's the work of the constantly Continued on page 19.

# REPEAL NEW JERSEY STATE INCOME TAX

On Saturday, September 18, 1976, approximately ten thousand New Jersey taxpayers marched on our open State House in Trenton to demonstrate and show that we DO NOT WANT A STATE INCOME TAX IN NEW JERSEY, and demanded that this dictatored man-made monstrous tax rip-off be REPEALED WITHOUT DELAY.

Hopefully, this demonstration did not fall upon closed ears, and it was most unfortunate that Governor Brendon T. (T. for Tax) Byrne was not in Trenton that day (by coincidence, or purpose?). We, the taxpayers of New Jersey cannot stop at this point, or become complacent, but rather continue even harder and stronger to voice our total disapproval of the passing of this obnaxious tax measure by a small majority of our state legislators, who totally disregarded the wishes of their respective constituents.

To get involved (and numbers are most important) we must join and affiliate ourselves with one of the many anti-income tax organizations throughout the state. In our area there is the TAX REVOLT ASSOCIATION INC. (TRA) in Clifton.

Below is an excerpt from a recent TRA bulletin, plus TRA membership application form, which I personally urge you to fill out and get involved in a mavement, of the people, by the people and for the people — the already over-taxed and appressed people in the State of New Jersey: Inited we must stand — let the powers-to-be in Trenton know that we want the New Jersey State Gross Income Tax (and it is a GROSS TAX)

P.S. And let us not forget those legislators who did vote for the state income tax, regardless of political party, when 494 Franklin

'In 1971, the taxpayers in Connecticut also had a state income tax imposed on them. Eight weeks after that tax passed, 5,000 Taxpayers took ad ontage of the fact that their state house would be open on a Saturday ... instead of sitting back and doing what people usually do on a Saturday , they narched 5,000-strong on their state house. Just like N.J. the citizens of Connecticut work during the week and because they do, they were never able to nstrate their opposition to that tax when the Legislature was in session. Their Governor immediately called the Legislature into emergency session

> FOR OUR. PROGRAM RESPONSIBLE, ECONOMICAL & RESPONSIVE GOVERNMENT:

### Broncos top Colts; remain undefeated

undefeated after another strong 0. defensive effort resulted in their setry for three in a row when they host Stadium, 8 p.m.

both Bronco scores on a pass in- territory the whole second half. terception for a touchdown and a 32 yard run. Scheuplein finished the game with an outstanding performance, gaining 75 yards on 11 car-

The first Belleville touchdown came half way through the opening quarter, when Scheuplein stepped in front of the East Orange receiver, intercepted the pass on the 36 yard line zone. The Bronco extra point attempt failed.

Early in the second quarter with the Broncos at the East Orange 32 of New Jersey. yard line, Schueplein bolted through the line and scampered for his second touchdown. The extra point try

### Belleville grad on Moravian squad

Belleville High School graduate, Vito Guarino, is competing as a freshman for a berth on the Moravian College football team. The former Bellhoy athlete is a pre-med student at the Bethlehem, Pennsylvania college.

Guarino, is a 195-pounder being tried at the offensive guard position. Moravian coach Rocco Calvo, in his 22nd year at the college, said "could possibly break into our starting lineup. He's an aggressive player and we look for him to be an asset to our line.

The Greyhounds, 6-2-1 last year. compete in the Southern Division of the Middle Atlantic Conference.

Moravian freshman Guarino, is the son of Mr. and Mrs. Vito Guarino, 22 Mary Street, Belleville.

Vito Guarino

The Belleville Broncos are still failed again but the Broncos led, 12-

The defensive squad of the cond win of the season, 12-0, against Broncos again demonstrated their the East Orange Colts. The team will prowess as they held the Colts to 17 yards for the game. The Bronco big Our Lady of Mercy of Jersey City D, led by Phil Cerza, Anthony Saturday at Belleville Municipal Svehla, Bill Walsh, Angelo Centanni, and Mark Mendolla, stopped Paul Scheuplein accounted for East Orange from entering Bronco

### Lions sell tickets for college game

Bellevilleites will have a chance to inspect the Meadowlands Sports Complex October 23 and help thousands who can't see at the same time.

Proceeds of the first college footand raced untouched into the end ball game that day between Rutgers and Columbia Universities at the new staduim, East Rutherford, will benefit the Lions Sight Foundation

Andrew Colannino, president of the Belleville Lions Club, has announced more than 11,000 New Jersey Lions are selling tickets for the contest at the Stadium.

The Rutgers-Columbia game will be the first opportunity for thousands to see this stadium which will be dedicated October 10 when the Giants face the Dallas Cowboys," Colannino said.

"It's one of the world's finest centers for sports with 78,000 unobstructed seats, all chairbacks. Visibility is tops from every section and 24 escalators and gently-sloping ramps reach all levels.

"In addition to admitting you to the game, tickets also will entitle you admission at adjoining Meadowlands Racetrack after the game.'

Members of the Belleville Lions Club will be selling tickets for the Rutgers-Columbia clash at the Meadowlands.

### Rec dept. begins women's sports

The Recreation Department has announced plans for the start of women's volleyball and indoor ten-

Teams are now being formed for the 1976-77 Wornen's Volleyball League. Anyone 18 or older is eligible to join. Games will be played on Tuesday night at the Friendly House.

Team captains should submit a roster with a minimum of seven players to the Recreation House, 407 Joralemon Street by October 15.

Anyone interested in playing daytime tennis should attend a meeting at the Friendly House, 21-23 Frederick Street on October 18 at 1

All questions regarding this activity will be answered at that time.

LOST DOG - GERMAN SHORT HAIR POINTER Male, 2 yrs old, name "Sergeant." Brown head with white stripe, brown patch on both sides of body, white & brown ticking fur short tail with white tip. # All 5% interest rates are not created equal.

Although these four savings accounts all give a 5% interest rate, they each earn different amounts of money. Because they each compute the interest differently. Midlantic Bank computes its 5% interest using the "Day-of-Deposit to Day-of-Withdrawal" method. As you can see, this is the one that earns the most money for you.

Another advantage of our 5% savings plan is that it doesn't require a passbook. Instead, you receive a statement in the mail everythree months that shows you everything a passbook would.

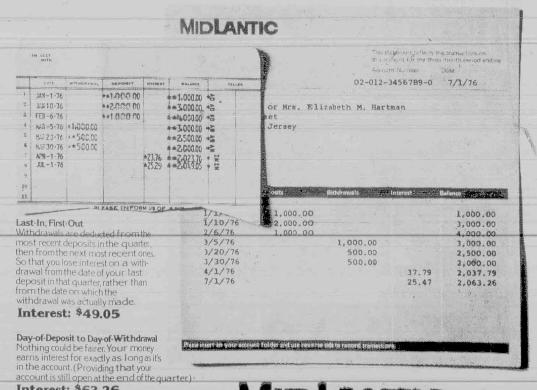

Come in and we'll be glad to assist you in opening a 5% Day-of-Deposit to Day-of-Withdrawal Savings Account and answer any questions you may have on why our 5% interest rate is just a little more equal than some other banks' 5% interest rate.

Interest is paid only on the smallest amount of money that was in the account during the interest period. Interest: \$37.64

First-In, First-Out
Withdrawals are deducted first from the starting balance of the interest period and then, if the balance isn't sufficient, from later deposits. This means that you lose interest on withdrawals from the start of the interest period, rather than from the dates on which the withdrawals were actually made. Interest: \$43.99

Interest: \$63.26

### Unity Concert Opens Series

"Blow the trumpets, bang the brasses, ten-tan-ta-ra, tan-tara!" The Unity Concert Series opens its 57th season Friday, October 8, 8:30 p.m. in Montclair High School auditorium with "The World of Gilbert and Sullivan," a company of singing and dancing actors on

its eight American tour. This unique band of Savoyards has enchanted audiences in the United States and abroad with its sparkling anthology of Gilbert and Sullivan favorites. Cheering crowds of buffs and just plain concert goers have echoed the critical acclaim accorded these six stylish and witty artists for their delightful potpourri of songs and scenes. With consummate musicality and an unerring sense of theatre they recreate, without the need for costumes, scenery or props, the elegance, the zest, the satire and the sub lime nonsense of the world

of Gilbert and Sullivan. Thomas Round, principal tenor with the D'Oy ly Carte Opera Company for many years, a director of the World of Gilbert and Sullivan, previously sang with the Sadler's Wells Opera, and has appeared in films and television. Donald Adams, principal bass with D'Oyly Carte, was one of their great personalities, and played the Mikado in the American production of that film. John Cartier, also principal with D'Oyly Carte, began in oratorio and concert and is a famed singer of Sullivan songs in cabaret. Anna Cooper was a principal with the Sadler's Wells Opera and is currently under contract to the Royal Opera at C vent Garden. Marilyn Hill Smith has performed at the new Sydney, Australia,

that the Ordinance entitled, "AN ORDINANCE TO REGULATE AND CONTROL THE FIRE DEPARTMENT," as amended and supplemented, be amended and supplemented specifically as LEGAL NOTICE regards Ordinance No. 1717 adopted April 7, 1970, as fol NOTICE IS HEREBY GIVEN that at a meeting of the Board of Adjustment of the Town of Nutley, held on September 20, 1976, the following determina-SECTION 1. Section 7 is here by amended to read as follows

The Chief of the Fire Departtion was made: ment shall receive compensation Appeal No. 1976-31. Anthony for the time spent in the performance of his duties to be com-L. Apostolico, Applicant. Property located at 32 Shepard Place (Block 185, Lot 11). Apputed at the rate of \$1,800.00 per year. SECTION 2. Said compensa plication for variance to permit installation of in-ground swimm-

ing pool lacking side-yard space, GRANTED. tion shall be paid retroactive to January 1, 1974. SECTION 3. All ordinances of The above determination has been filed in the office of the Town Clerk, the office of the parts of ordinances inconsistent with the provisions of this or dinance are hereby repealed. Board of Adjustment, Town Hall, SECTION 4. This ordinance shall take effect upon final adoption Nutley, N.J., and is available for

win before they faced Montclair last Thursday and lost, 2-1. Montclair beat BHS in two matches last year but had lost 2-0 to Columbia so the meeting was expected to be close. Cahill said neither team did a sparkling job on the field, especially in the first half. Belleville did penetrate the Montclair defense a little better in the second quarter however.

The Bellboys were first on the board with a third quarter score by Coscarelli helped by the assist leader Hernan Borja. Belleville maintained the lead into the third quarter until Montclair tied with a goal that deflected off a Bellboy fullback. The winning Montclair point passed Vito Tamborrino in the same period and Belleville faced their first loss of the

The defeat came on the heels of some injuries that depleted the BHS talent. Mike Licamelli, who played the entire Orange contest including overtime, was out with a bruised muscle. Four men tried to fill his

position in the contest and goaltender Tony Cordaro aggravated an injury from the Orange game and was replaced by Tamborring in the second half

Cahill did not blame the injuries for the first loss however. "We didn't execute well and at times we looked lethargic," Cahill said. "Anyone watching the game would not have been impressed with either team.

### Frank Petite goes pro

Continued from page 13.

improving Recreation Department that impresses Petite most about local athletic scene. His one gripe concerns over-zealous little league parents. "The parents are the greatest influence on the young yet their behavior at some of the leagues where the youngsters are involved is revolting. It's not all the parents but the vocal ones make it look dis-

"I wish there was a way of changing it, making it a lot more fun and a lot more beneficial for the one's that are playing," Petite said.

Weightlifting is part of Petite's conditioning program until March. He expects to play tennis and basketball as well to keep in shape. An offseason job with the Style Construction Company, West Orange is also expected to help keep him in shape "without realizing it.

Belleville's major league prospect lives at 53 Nolton Street with his 8 p.m. Fridays and Saturdays and 3 parents, Mr. and Mrs. Frank Petite, and his brother Greg.

Wine Anyone - Cast of "Scapino" in rehearsal this week at Family Playhouse. From left are Janice Nazziola and John Notani (seated) and Albert Nalzan and Dominick Granese.

### 'Scapino' opens next week

Family Playhouse of Nutley is Napolitano notes. The comedy was a readying its next presentation, the hilarious comedy farce "Scapino," for three weekends of Friday-Saturday-Sunday performances beginning October 8. crazy, and if you beginning Ortober 8. crazy, and if you beginning of the high-spirited story takes you are inhuman.

place in Naples where two stingy fathers attempt to marry their sons young men don't fancy their fathers' choices and persuade Scapino, a friend, to help them out of their traumatic situation.

Scapino plays many tricks on both fathers and uses his intelligence to save his bachelor friends. The play is full of fast movement with many zany chase scenes.

The weekend performances are at p.m. on Sundays. Show dates are October 8, 9, 10, 15, 16, 17, 22, 23 and 24.

Ray Napolitano, who last directed "Godspell," is again guiding the final week of rehearsals for Scapino's opening a week from

Scapino is a fun show for all ages,

big hit on Broadway and was nominated for a Tony Award as the best play of the year. One New York critic wrote: "If you miss it, you are crazy, and if you let your kids miss it,

### fathers attempt to marry their sons off after planning a match. But the Acting classes scheduled

Avenue, Nutley, has announced formation of acting classes for children and adults.

Creative dramatics for children, ages five through 12, will include movement and theater arts.

Ray Napolitano, founder and harge of the program and will teach Kearny the theater arts portion of the class.

times a week in the theater for eight also for motorists, commuters and November 22. The fee is \$60 and a munities," Sen Scardino concluded

### Tough battle lost

Continued from page 12.

fourth. The Livingston blitz was still on and Gelpi was sacked three plays in a row. The Lancers won possession of the ball again on Belleville's 19 and scored on 17 and two yard runs by Brower. The extra point attempt failed but the Lancers had capped their total for the night at 20-0.

Belleville behind with four minutes left went to the air and stayed there for their last two series. The surprise was seeing Livingston

### Scardino Welcomes News Of Rail Service to Giants

"The improvised railroad spur and bus link between Northwest Bergen, Morris and Essex counties to the Meadowlands sports complex and cleanest teams they've faced. agreed upon between Conrail and the state Department of Transportation is welcome news," said state Senator Anthony Scardino Jr. this week.

"It is expected to be ready for action by the first Giant home game October 10 at the new stadium, This will certainly accomplish a great deal to alleviate the potential unnecessary traffic congestion in the area," Scardino, who is also Mayor of neighboring Lyndhurst added.

"I share the hopes of Sports Authority Executive Director Jack Krumpe that it will induce thousands of sports fans to use mass transit into the Meadowlands rather than to joust with other motorists on the highways. I would urge that this Family Playhouse, 28 Brookline alternate means of transportation receive maximum publicity." Sen. Scardino suggested.

"It is pleasing and instructive to learn how fast the Department of Transportation can act when it is music appreciation, dance and body faced with a crisis. I trust DOT will act with equal dispatch in constructing the Rt. 17 extension south director of the Playhouse, will be in five miles to connect with Rt. 280 in

"I consider this one of DOT's most vital mandates, not only for the Children's classes will meet three convenience of sports enthusiasts but including the week of residents of the Meadowlands com-

pass for yardage in the closing minutes. Gennaro stayed in the game with an agressive air attack evident even with less than two minutes remaining. Maybe the Lancers were throwing for the polls as well as the

Coach Testa said Livingston had 'good basic execution' and the Lancer defense (overpowered the Blue-Gold offensive line. He acclaimed his squad for not being quitters and said the loss was no dis-

Coach Allen Jacobson, the Lancer leader said after the game, "I want to compliment the Belleville kids for playing a hard-hitting football game." The Lancers called the Bellboys one of the hardest hitting Jacobson said. "I think the Belleville community has a right to be proud of their kids," Jacobson added.

### Turtle Back willopen new tortoisry buidling

sion's Turtle Back Zoo will officially eat, sleep, and live in their natural open its new Tortoisry Building, habitat. Sunday, October 10.

To celebrate the occasion there will be a special turtle program by Richard Ryan, Zoo Director and ribbon-cutting ceremony starting at p.m. at the Zoo's Education Building. The general public is invited to attend both events.

Commenting on the importance of the new Tortoisry to Essex filtration system, water-heating and County, Park Commission president Bernard A. Kuttner states, "True to its name, Turtle Back Zoo has always had one of the outstanding turtle collections in the nation. In fact, many experts rank it as the plants. finest such collection in the East. However, the physical limitations of the previous exhibit area were restricting the ability of the public to enjoy the turtles, as well as the future growth of the collection itself. The new and expanded tortoisry solves these problems, and has every promise of attracting thousands of additional visitors to Turtle Back every year.

The new Tortoisry was designed by Jerry M. Johnson, of the Boston firm of Jerry M. Johnson, Inc.; and was built by John Mazzella, Turtle Back Zoo's own Exhibit Specialist. The Tortoisry occupies an attractive, wood-finished, walk-through building with glass-enclosed exhibit areas on either side.

Behind the glass on one side is a simulated tropical environment of exotic plants, rocks, shrubs, and ledges, plus a 650-gallon pool. This area houses up to 25 turtles, representing a variety of turtle species from as far away as Africa and India and as close-to-home as West Orange, New Jersey. Visitors

### Dr. Rose Prystowski will address parents

The Association for Children with Learning Disabilities of Essex County will meet in Nutley Thursday, Oct. 7, at 8 p.m. in the Nutley Savings 'Loan Bldg., 371-Franklin Avenue. Dr. Rose Prystowski will speak on the learning-disabled child and his self image.

A question and answer period will be featured and copies of laws governing youngters' education will

### Key Club seeking old newspapers

The Belleville High School Key Club is holding a paper drive on Saturday October 16, between 8 and 12 am. Anyone having paper can deposit it in the High School rear parking lot during this time.

### Stolen motorcycle costs driver \$100

A 29-year old North Arlington man, charged in a July 2 summons with possession of a stolen motorcycle, was fined \$100 and given a six month suspended sentence during proceedings in Belleville Municipal Court September 22.

Al Caldwell, 118 Stevens Place, North Arlington, pleaded guilty to the charge of possessing the stolen bike valued at \$1,300.

Judge Edward Abromson imposed the fine, suspended jail term and also handed down a one year probation sentence.

Detective Salvatore LoCoco, Belleville Municipal Police, was the complainant in the case.

### Poekel again challenges Minish to campaign debate

Charles A. Poekel Jr. Republican candidate for the House of Representatives, today called upon his opponent, Democrat Joseph G. Minish, to follow the decision of the Republican and Democratic Presidential nominees and to agree to particiapte in a series of debates. Poekel stated that Minish has yet to accept his proposal to debate which was presented to him this past June

I've waited two months for a response from the Congressman," Poekel said, "and time is getting late for the making of the arrangements

if we are to have any debates at all." Poekel termed his opponent's refusal up to now to debate "a disgrace" and added that he feels that the voters wanted and were entitled to hear their Congressman discuss and debate the substantive issues fac-

The Essex County Park Commis- can watch the turtles as they swim,

The opposite side of the Tortoisry is home to two huge Aldabra Tortoises who hail from the Aldabra Islands. These Tortoises are strictly land animals, and live on a diet of meat, fruit and vegetables. At times, they can reach the old age of 100.

The self-contained Tortoisry Building includes its own water ventilation systems, separate work area and feeding station, plant sprinkler system, and a skylight to permit the entry of natural sunlight that is beneficial to both turtles and

The opening of the Tortoisry will also kick-off "Chelonia Month" at Turtle Back Zoo, with special events scheduled from October 10 through October 31

For additional information, contact the Turtle Back Zoo, which is located at 560 Northfield Avenue in West Orange, New Jersey, (201) 731-5800. The Zoo is open Monday through Saturday from 10 a.m. to 5 p.m. and on Sundays and holidays from 11 a.m. to 6 p.m.

### Red Cross offers first aid course

A new series of Standard Multimedia First Aid courses, of fered for persons in the Business and Industrial fields, will be offered at the Essex Chapter Headquarters of the American Red Cross, 106

Washington Street, East Orange. The first series of classes will be held Wednesday, October 13, from 9 a.m. 'till 1 p.m. and Friday, October 15, at the same times. Interested par-

ties should register by October 6. The second series of classes will be held Monday, October 18, from 9 a.m. 'till 1 p.m. and Wednesday, October 20, at the same times. The registration cutoff is October 8.

The Standard Multimedia First Aid course seeks to foster an interest in safety and to familiarize the participants with the basic First Aid principles, information and skills needed to face most emergency situations. National Red Cross Certificates (valid for three years) will be issued to students successfully completing course requirements.

Instruction is provided through film, sound, and personal guidance. Time is allotted for actual "handson" experience. Textbooks, plies and equipment are provided for the nominal cost of \$10 per student.
