Contract ordinance comes up Tuesday

By CHUCK JACKSON

An ordinance implementing the town's contract with members of PBA Local 28 is expected to be introduced at Tuesday's town meeting.

The passage of that measure on first reading will be the first step in compliance with a court order issued September 24 by Superior Court Judge Sherwin Lester. The judge, at that time, set a November 1 deadline by which time the town must grant the police officers their raise.

According to Town Attorney John Scott, that November deadline is legally impossible to meet since the ordinance would not go into effect until 20 days after a final reading and public hearing on the matter were held. The required 20-day interim will carry the town past the deadline.

Scott said, since the waiting time is required by state law, he did not believe there would be any legal repercussions, "if they (the Commissioners) start at the next meeting."

Public Safety Director Rocco Saletta is hoping to obtain the funds needed to pay the police officers, approximately \$90,000, through budget transferrals from other departments. If the other Commissioners cannot provide all the money, Saletta may have to seek an emergency resolution appropriating the remainder of the money.

The necessity of passing an emergency resolution looms large, since August budget projections made by the Finance Department indicated at that time little possibility of any large budget transferrals.

Mayor Michael Marotti said this week officials should know "within two weeks" whether emergency funds will be needed.

"In a couple of weeks," said the mayor, "we should have a pretty good idea of what we are going to do. I am go-

ing over my budget now to see if we have enough money, and I have asked the other Commissioners to look over theirs. If we don't have enough money in our budgets, then we will have to go for emergency funding."

The Town Fathers are attempting to reduce as far as possible the amount of money raised by a special appropriation in order to minimize the impact on next year's taxes.

Please see "Budget" on page 2.

School 3 kids to stay longer

School Three students who began classes late this year will be spending extra time in school for the next five weeks.

The Board of Education approved Monday a proposal by Superintendent Dr. John Greed to send approximately 250 students to school for an extra 30 minutes a day to make up for time lost. The students will begin class 15 minutes early and leave school 15 minutes late for the next 24 days, starting Tuesday.

Grades one through four are involved in the move. The students missed the first three days of the school year when complications arose in reading their classrooms. The classes which will put in extra class time are those housed in the 1955 edition of the school.

The School Board also agreed to pay the teachers involved, 11 in all, an extra \$150 for the 24 hours of instruction. That amount, said Dr. Greed, was a compromise figure reached with the Belleville Education Association, the bargaining body of the instructors.

Before asking Board approval of the plan, the school superintendent announced his intention to send the children to longer class sessions at the School Three PTA meeting held Tuesday. He told the Trustees the parents at the school received the news "in a non-committal way."

The decision to put off the start of classes at the 1955 edition came September 7, when the School Board rejected a proposal by Greed and School Three principal Austin MacArthur to hold split sessions at other class locations. The Trustees also defeated a motion by Board member Michael Chieffo to shut down all classes for three days.

Swine flu serum due here next month

The controversy about the actual chances of a Swine Flu epidemic this winter remains but the inoculation program against the disease will get underway in Belleville November 11 and 12.

Public Affairs Commissioner Vincent Strumulo has announced through the Health Department all Bellevilleites 18 and older should take advantage of the free vaccine program. The Commissioner especially urged persons with diabetes to participate in the inoculations. The Health Department estimates more than 25,000 Bellevilleites are eligible for the immunization shots.

Belleville High School is slated to be the site of the inoculation clinic next month. Those who miss the shots for the first two days in Belleville will be able to receive them at an as yet unscheduled make-up day in town or at a regional center in Bloomfield on November 6 and 7. The tentative time set for the high school clinic is from 3 to 9 p.m.

There will be two types of vaccine given under the federal program administered by the state. Persons 18 to 59-years-old will receive a monovalent vaccine designed to prevent the A-New Jersey or Swine Flu. People aged 60 or

over will be inoculated with the bivalent strain of the vaccine to combat both the Swine Flu and the A-Victoria '75 flu that was prevalent last year. The shots will be given from a painless hypo-jet gun capable of administering 1,000 inoculations in an hour. The Belleville clinic will be staffed by a state appointed doctor and monitored by Doctors Leslie Miller and Philip Rispolio of the Belleville Health Department.

Columbus Day parade is set

Bellevilleites will have an opportunity to see Bob Hope, vice presidential candidate Walter Mondale and Governor Brendan Byrne next Sunday when Newark presents its giant Columbus Day Parade.

The march, which will get underway at 10 a.m., will begin at the corner of Broadway and Bloomfield Avenue and tramp its way up Bloomfield Avenue to the Newark-Belleville line.

Ace Alagna, executive director of the Columbus Day Parade, said to be one of the largest in the country, said he expects some 100,000 marchers to take part. Among the bands performing will be Belleville High School's contingent.

The BHS band almost didn't make it, however. Tuesday, School Board president Matthew Pica suggested the band be pulled from the parade, since the Board had not been formally invited to march.

"This isn't the first time this has happened with this parade," said Pica. "We get a casual invitation by word of mouth, and everyone else gets a written invitation. If the Board isn't invited, I think we should pull the band out."

Pica's motion was defeated, 5-1, with only the Board president voting to remove the band.

This year's parade will have twice as many marchers as last year, and is expected to be the largest ever. The parade will have a Bicentennial theme.

Please see "BHS" on page 2.

Retirement time

The Board of Education recently accepted the resignation of Board Attorney Max Schwartz. A longtime servant of the community, Schwartz will go into semi-retirement, acting as consulting counsel to the Trustees. To honor him, the Schoolers have planned a testimonial dinner for November 18. Ticket information may be obtained at the Board offices.

Benefit ball

Pianist Peter Duchin sits by the instrument that made him famous as he talks with Mrs. Robert Lorello, Mrs. Francesco Crocenzi and Mrs. Peter Amirata of the Clara Maass Memorial Hospital Guild. Duchin and his orchestra will perform at the hospital's Centennial Ball October 30.

Joseph V. Donnelly, 68

A funeral mass was said Friday, October 1, for Joseph V. Donnelly, who died Tuesday, September 28, at St. Michael's Hospital, Newark. He was 68.

A lifelong resident of Belleville, Mr. Donnelly retired in January after 10 years as Superintendent of Weights and Measures for the Town of Belleville. He was a member of the New Jersey State PBA, and the Weights and Measures Association of New Jersey.

Mr. Donnelly is survived by his wife, Alice (Hoogendyk) Donnelly; a

daughter, Mrs. Mary Ann Stefanelli of Glen Ridge; a son, William J. of New York City; a brother, John J. of Belleville; a sister, Mrs. Mary Clark of Belleville and five grandchildren.

Funeral arrangements were made through the Kiernan Funeral Home, Belleville, and interment was in Glendale Cemetery, Bloomfield.

Michael Caruso

A funeral mass was offered Wednesday, September 29, at Holy Family Church, Nutley, for Michael Caruso, 82, who died Saturday, September 25, at Clara Maass Memorial Hospital.

Born in Italy, Mr. Caruso lived in Newark before moving here 45 years ago. He was a tailor for Chase Department Store, Newark, for 20 years and retired from there.

He is survived by his wife, Margaret (Poggi) Caruso; a daughter, Mrs. Adelaide Ritacco of Nutley; four sons, John R. of Belleville, Robert of Belleville, Oreste J. of Nutley, and Arthur A., also of Nutley; seven grandchildren and four great-grandchildren.

Funeral arrangements were made through S.W. Brown and Son Funeral Home, Nutley, and interment was in Immaculate Conception Cemetery.

Senior notes

By GEORGE CHENOWETH

The North Jersey Federation of Senior Citizens is backing the Generic Drug Bill, number A2021. There was a demonstration at Hoffmann-LaRoche last Thursday, and officials of that company were concerned enough to ask for a meeting. The news media thought that it was important enough to have representatives on hand and television coverage from two leading channels was there as well as news reporters and camera men from newspapers around the county.

The Generic Drug Bill, if passed, could benefit all the people in the state, not only seniors, and to that end, we continue our participation.

We have been advised by Commissioner Strumolo that the swine flu serum that was expected to be distributed by October 1 will not be here at our Health Department until a later date. For some unknown reason, the federal government has seen fit to by-pass New Jersey and New York and first deliveries will favor Indiana, Massachusetts, California and Alabama. We will keep our seniors and others informed as to when the vaccine will be available and where it will be distributed.

The seniors in the Park Thursday Club enjoyed a luncheon party at Beppy's on Verona Avenue last week. The food was great and a sing-along accompanied by lively music was enjoyed by all.

The Belleville Senior Citizens Club's members and friends enjoyed a card party at the clubhouse last Friday evening. This party was a huge success, thanks to chairlady Isabel Simon and her efficient committee. Thanks also to the many contributors of prizes who, by their generosity, helped make it a very eventful evening.

This event, because of popular demand, will be held again in the not too distant future. Cooperation is the name of the game, and along with cheerfulness and efficiency, most things can be accomplished.

Thanks again to all responsible parties.

Budget transfers may save money

Continued from page 1.

If, for example, a \$70,000 appropriation were necessary to meet the pay raises, \$140,000, or a jump of six tax points, would have to be included in next year's budget.

It might also be possible to reduce the amount needed by approximately \$4,000 if the town strictly adheres to the police contract. Past figures released by the town concerning the amount of money needed to meet the raise have included projected increases for the police department's Chief and Deputy Chiefs. However, Article I, section 1 of the contract excludes the Chief and his Deputies

from the provisions and agreements contained in the document.

Newark shooter has case referred

The case of a Newark man, charged with shooting at a Belleville resident, was referred to the Essex County Prosecutor during proceedings in Belleville Municipal Court September 23.

The defendant is charged with attempted assault by shooting at John Stamm, 298 Belleville Avenue, Belleville with a rifle on August 25.

Judge Edward Abromson referred the case to the prosecutor. Stamm was the complainant who made the charge.

He with conceit who has drowned his head, feels too much is too little about him said.

Joseph Pieszak

A funeral mass was offered Saturday, October 2, for Joseph J. Pieszak of Belleville, who died Thursday, September 30 in Clara Maass Memorial Hospital. He was 71.

Born in Brooklyn, Mr. Pieszak moved to Belleville 25 years ago. He was a mechanic and serviceman for the Curry Company of New York City for many years. He was a volunteer worker at Clara Maass Hospital.

Mr. Pieszak is survived by his wife, Josephine; two sons, Joseph Jr. and John; a brother, Chester, two sisters, Mrs. Hyacinth Wisniewski and Mrs. Constance Markiewicz and five grandchildren.

Funeral arrangements were made through Frank Halpin's Brookdale Funeral Home, Bloomfield.

Oreste J. Savare

A funeral mass was said Monday, September 27 in St. Peter's auditorium for Oreste J. Savare, a former resident of Belleville.

Predeceased by his wife, Mary (Damiano) Savare, he is survived by his mother, Adelaide Ratti; two sons, Robert W. and Ronald O. Savare; two brothers, Romeo and Joseph Savare and two sisters, Rose Raganese and Florence Cantelmo.

Funeral arrangements were made through the Biondi Funeral Home, Nutley.

'Hall of Fame' names sought for nomination

The Belleville Board of Education is seeking the aid of townspeople in completing research for an athletic Hall of Fame.

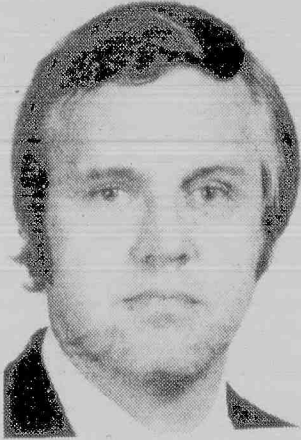

Trustee Michael Chieffo said Tuesday the Athletic Council has almost completed compiling a list of inductees to the Hall, but there are still some gaps.

"We would like the people to help us in finding the names of anyone from Belleville — men and women — who have been named to statewide teams by the Star Ledger

from 1920 to 1976."

Chieffo said the council is seeking in particular athletes who competed in baseball, basketball and football. He asked that the names of any potential Hall of Famers be sent to him, in care of the Board of Education, 383 Washington Avenue.

"We want the names of anyone who was named to the first, second, and third teams in any polls published by the Ledger," Chieffo said.

John J. O'Neill has been appointed general manager of the Great Atlantic and Pacific Tea Company Uniform and Service Center in Belleville. O'Neill began his career with A • P in 1957 and has served in various capacities.

Bob Hope and his wife, Dolores, will, according to Alagna, be the recipients of the Columbus Day Humanitarian Award, which will be presented at a dinner at Biasi's Restaurant that evening. Alagna pointed out that Mrs. Hope is of Italian descent. Her maiden name is DeFina.

Also participating in the march will be Representatives Peter Rodino, Joseph Minish, Matthew Rinaldo and James Florio.

In addition to the Humanitarian award given to the Hopes, several others will be presented. Those award winners are: Fran Aduato of Newark for community service, Tony Zoppi, a former reporter for the Dallas News for journalistic excellence; Ray Ferrara, an officer in Local 1478-2 of the International Longshoremen's Association for his efforts in labor; Bruno Russo of Newark for his work on the parade committee and Don Francello, owner of Don's 21 restaurant. Francello was grand marshal of last year's parade.

Schoolers to meet Tuesday evening

The Board of Education will hold a special business meeting next Tuesday at 7:30 p.m. in the Board offices, it was announced this week.

According to Board Secretary, Mary Shader, the meeting is being called to "hopefully ratify the teacher's contract for this year."

Mrs. Shader said the Trustees would also, if possible, take action on other personnel contracts.

The Board offices are located at 383 Washington Avenue.

Last night, the Trustees met in special public session to discuss the purchase of property insurance for the district, but details of that meeting were not available when the Times/News went to press.

Note: Scale is based on gross income before deductions.

Children from families whose income is at or below those shown are eligible for free or reduced price meals and/or free milk. In addition, families not meeting his criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 per cent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in the school. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility. Applications may be submitted any time during the school year.

In certain cases foster children are also eligible for these benefits. If a family has such children liv-

ing with them and wishes to apply for them, they should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of his race, sex, color, or national origin.

Under the provision of the policy the School Principal will review applications and determine eligibility.

If a parent is dissatisfied with the ruling of the Principal, he may make a request either orally or in writing to The Rev. Francis Blake, Pastor, 28 Brookline Ave., Nutley (667-0026), for a hearing to appeal the decision.

Hearing procedures are outlined in the policy.

A complete copy of the policy is on file in Holy Family School and in the Rectory of Holy Family Church where it may be reviewed by any interested party.

Scucci is poster champ

Robert Scucci, student at School eight, Belleville, was judged the winner of the 1976 Poppy Poster Contest, sponsored by the American Legion Auxiliary Unit 105, Department of New Jersey. His scroll portraying the headgear used in various wars in which our American Forces have participated, took first prize in both local and county contests.

Scucci's poster was awarded a first prize by the Essex County Auxiliary at its Annual Convention held

in June.

School eight's winners included Phyllis Sargentelli, second place, Ronald Young, third place. Honorable mention went to Gina Pasquale and Manar Hirmina.

Poppy Poster Chairman for Unit 105 was Mrs. Eleanor Arthur, teacher at School eight.

Prizes were presented at the Farewell Assembly in June. Mrs. Constance Lenehan was unit president.

From ridiculous to the ridiculous

At the last Town Commission meeting, Public Safety Director Rocco Saletta requested the Town Commission withhold approval of the prior minutes of the meeting because the minutes did not include a comment made by PBA Local President William Escott, a member of the local Police Department.

Saletta is disturbed because Escott's comment, which infuriated Saletta, was reported by the Town Clerk to be inaudible. Saletta says, "I don't understand how one section was said to be inaudible when it was clearly heard by everyone in this room and probably by people downstairs. All of a sudden, the part of the meeting which got the most publicity is inaudible. I want to listen to this particular tape." Town Clerk Eugene Barnett advised Saletta that Commission meeting minutes were not intended to be a verbal transcription of the meeting.

It appears that Saletta is going from the ridiculous to the ridiculous. His action in suspending Patrolman Escott for five days without pay was ridiculous because Saletta contributed as much to the controversy as did Escott. The purpose of Saletta's determination to listen to a tape of Mr. Escott's

remarks remains unclear. Escott apologized publically for his comments, made in the heat of anger, but Saletta, who was the cause of the officer's anger, has yet to apologize to the Police Department for his failure to follow the order of the court and give the policemen a raise awarded to them by an arbitrator via the rules of binding arbitration.

Escott's subsequent comments included a derogatory reference to Saletta's advisors, who included a "tavern owner" and a "pizza man."

We hasten to come to the defense of tavern owners and pizza men. These are good and decent people — sometimes smarter than bank presidents, newspaper publishers, cops, and town Commissioners. No one, least of all Mr. Escott, should downgrade the intellect of tavern owners and pizza parlor owners. We know the reference was said in the heat of passion — and therefore not to be taken seriously. Lives there a person who hasn't said something in the heat of an argument and regretted it later?

Frank A. Orecchio

For the Prosecutor

Two weeks ago we focused on matters which have been bothering Town Treasurer Francis McCoy. One has been brought to the attention of the County Prosecutor's Office — and the other — the failure of the Town Attorney to represent the town in a legal action which resulted in a judgment against the town by default. The first matter involves possible illegal

purchasing practices.

If the Prosecutor is going to take a look at one item that concerns Mr. McCoy, maybe the Prosecutor's office should look at several other items which give McCoy sleepless nights, incidentally, not of his making.

Frank A. Orecchio

Generic drugs

There is a public campaign unleashed to drum up public sentiment in favor of legislation which would permit a druggist to substitute the lowest priced drug available with the same chemical base to fill prescriptions for patients prescribed by their personal doctors.

With all the rhetoric of the campaign to persuade senior citizens the proposed law would reduce the cost of drugs, the effect of the law would substitute the judgment of the druggist for that of the doctor.

We would be making guinea pigs of our senior citizens, the poor, and the welfare recipients.

The cost of generic drugs is a small fraction of the total cost of

health care expenses incurred by peoples of all ages — especially senior citizens.

Yes, the adoption of the proposed legislation might save a few pennies but at the risk of taking a few lives. The gamble simply isn't worth it. For the protection of senior citizens, the poor, and the disadvantaged, the generic drug substitute legislation should be defeated at all costs. There is no way the judgment of the family pharmacist could be substituted for the judgment of the family physician.

Suburban exec knocks Golden

To the Editor:

Recently an article appeared in your columns by James R. Golden, that, in part, reported an alleged controversy over the choice of a cable television company to serve Belleville. Mr. Golden reports (accurately) that, at the final bell, there appeared a dissenting opinion that did not support the majority recommendation for Suburban Cablevision. Is it news that everyone doesn't agree on certain issues even after careful consideration? Not usually. It might be news if the process were suspect & which this one is not. In any event, Mr. Golden reports there was extant a minority opinion in the choice, and we take no exception to that fact.

We do take exception, however, to his treatment of financial comparisons and the reporting of "abstract" financial data used to draw inferences that one company is financially stronger than another. I can only conclude that Mr. Golden means "abstractly" stronger, since he is quoting what he believes to be "abstract" data. As most accountants will admit, numbers taken out of context, without benefit of the as-

sumptions, are meaningless.

In the real world, Suburban Cablevision, based on historical performance, expects to achieve a 50 percent penetration potential in Belleville within five years. This is conservatively represented in our projections at 42.5 percent. To represent more than history has shown is "Mickey Mouse." An important fact, frequently overlooked in financial comparison, is the responsibility of the parent to its subsidiary. In the Belleville situation, the other applicant was not UA-Columbia, but Micro-Cable, a New Jersey subsidiary corporation, that, by law, cannot require its parent to guarantee its financial commitments.

As for the reference to buy American, we think this truly an abstract argument & by someone who, statistically, drives a Volkswagen and has a Panasonic radio or two around his home. Buy American is a World War II expression (or older), and in any event, inaccurate. Mexicans, American Indians and Canadians will be quick to correct this misnomer, as will the Americans at Suburban Cablevision. Robert Bilodeau Suburban Cablevision

...and Riepe follows suit

To the Editor:

Mr. Golden is very adept at providing afterthought criticism of other people's actions. Such was the case when he denounced our committee's recent report on the cable television companies which had vied to receive a CATV franchise in Belleville.

Rather than present his views at the town meeting prior to the Commission's four to one approval of Suburban Cablevision, he chose to sit back and await the decision, at which time, he began taking cheap shots at both the citizenry and governing body of this town. In doing so, he presented a distorted picture of our report, using misinformation and erroneous facts.

Rather than present a point-by-point clarification of Mr. Golden's inaccurate and biased analysis of our study, I would instead suggest that he re-examine the facts. I would also suggest that he hear both sides of our committee's opinions before he casts disparaging remarks against us and tries to undermine our efforts.

One factor which Mr. Golden may

not be aware of is that our group was not appointed by the Commission, nor were we in any way involved in the decision-making process. Our group was formed prior to the applications for CATV service, and our purpose was to promote better educational services for our schools and a better communications structure within our town.

From the onset of the CATV proposals, our group spearheaded the drive to gain widespread acceptance of a new media for the people of Belleville. For this reason, we voluntarily resolved to determine which company would better serve our community. Our ensuing report and recommendation was the result of a long, careful look at the qualifications of both companies. Our choice was not an un-American one, as Mr. Golden suggests, but a realistic evaluation of the hard facts.

We stand by our choice of Suburban, an Essex County CATV company, and we commend all five Commissioners for voting their own minds.

Golden Comments

By James R. Golden

In view of the latest developments in the efforts of the local police to get their court ordered pay raise, it would appear that additional delaying tactics are in the works from reported news stories of the planned strategy of our governing officials.

Although the Commissioners failed to move on the latest court order to implement the sanctioned raise by November 10, the Town Attorney commented he doubted there would be any legal repercussions. He said, "If they (the Commissioners) start at the next meeting I am sure it will be all right with the court." A rather presumptuous statement, in this columnist's opinion, in view of uncertainty of the court's attitude toward the continued defiance of our town's governing body to comply with court orders, such as in the matter of reassessment and this police raise controversy.

The Town Attorney, in disclosing the November 1 deadline was impossible to meet, also spelled out the probable approach the town will legally be required to pursue to implement the policemen's raise. All of which will entail much time consuming discussion and debate.

The Town Attorney pointed out the required ordinance would go into effect 20 days after a public hearing and final reading of the measure. This means it will be close to Thanksgiving if then, before the boys in blue ever see their raise.

A look at the time schedule indicates that, should the town fathers introduce an ordinance at next Tuesday's meeting to increase the salary ranges of those now at maximum, upon passage, the ordinance would have to be advertised pursuant to law indicating that a public hearing on the subject would be held at the following town meeting, allowing any local citizen to voice their views on the matter.

Goodness only knows what might come out of such a public hearing. But whatever, the date will be October 26, and should the new salary ranges be adopted by the Commissioners, an interval of 20 days, within which a taxpayer's suit could be instituted to halt or delay the effective date of the ordinance, would have to expire before the wheels could start moving to give the cops their raise. That would then be November 16.

Even then, the big question persists what about the money that the town contends it hasn't got to pay the raise. Passing a salary range ordinance by itself doesn't produce the money. Without it there can be no raise.

Unless the town can come up with the transfer of funds after November 1, in sufficient amount to pay the raise, this columnist feels the solution can best be found by passage of an emergency appropriation resolution.

This whole hassle can be laid at the doorstep of the Commissioners. It was poorly handled from its inception. It has cost the town much more than money. It has engendered animosity and rancor between the police and their Director which is unhealthy. The cops won a fair fight, the court has ordered them paid and only now, at this late date, is there a semblance of action to give the men what they won.

THE STATE WE'RE IN

The idea is to cut down emissions

By DAVID F. MOORE

The New Jersey glass industry, chafing under the severity of planned pollution restrictions in America's most cancer-ridden state, appears to be headed for relief in the form of relaxed emission standards, compliments of the New Jersey Department of Environmental Protection.

There will be a hearing Sept. 29 from 9:00 a.m. to 5:00 p.m., in the State Museum auditorium, Trenton, on some "rewording" of still unenforced particulate emission standards.

A DEP spokesman explains that it is estimated that glass plants in the state now emit 2,800 tons of particulate pollution per year. The revised standards would permit total emission of about 1,800 tons, 100 tons more than the 1,700 tons now permitted.

That may seem like a trivial amount, taken in the context of the total messiness of the New Jersey environment. But it's not trivial to those for whom it might make the difference between lung cancer or no lung cancer.

And it's not trivial if one can visualize 100 extra tons of

microscopic grit floating around in the air we breathe.

How about sulfur emissions? There will be a hearing Oct. 12 at 10:00 a.m. in the Salem County Courthouse, Salem, to permit another six months of increased sulfur emissions from the glass industry, until July 12, 1977.

Some time ago, DEP granted temporary rights to glass plants in Salem, Cumberland and Cape May counties to rise above the maximum allowable 1 percent sulfur content in the fuel oil they burn. Some got permission to go to 1.5 percent, others up to 2 percent and others to 2.5 percent, depending on their needs.

DEP is supposed to be controlling air pollution, and won nationwide attention for the way it began attacking that problem a few years ago. Reducing emission standards isn't the way to do it. How many other kinds of industries will be able to cry "Favoritism?" if they don't get the same kind of special treatment as the glass industry? One wonders about the future of the good job which was begun by DEP.

There's no doubt that some revisions in standards are in

order to make them more enforceable, but one has to doubt the logic of permitting more pollution somewhere just because the air happens to be cleaner than somewhere else. That's one of the arguments for adding to southern New Jersey pollution, but I don't buy it.

Changes in regulations which encourage recycling of glass, which spells less pollution, less energy use and less solid waste disposal, are certainly to be applauded. But not changes which weaken air pollution standards.

Industry complains about the cost of pollution controls, making for higher product costs. I'd rather pay more for products than for medical and funeral expenses.

Mentioning particulates again, they are bad enough in our lungs. But did you know that toxic substances like arsenic can cling to the surface of the particulates?

DEP people claim they are making for more uniform regional standards by allowing upward changes in particulate or sulfur emissions. That may be true, but that doesn't mean it's a good thing. The idea is to cut emissions, not raise them.

Principals sponsor scholarship

A competition in which 102 high school seniors will share \$116,500 in scholarships was announced recently by the National Association of Secondary School Principals (NASSP).

The Century III Leaders Scholarship Program is the 1976-1977 successor to the Bicentennial Seniors Scholarships which were awarded to the class of 1976. Top national award will be a \$10,000 college scholarship. Two winners from each state and the District of Columbia will get \$1,000 scholarships, and

the nine national finalists will receive an additional \$500 scholarship.

The 102 state winners will participate in a four-day Century III Leaders meeting in Colonial Williamsburg, Virginia, in March, 1977, in which national education, business and government leaders will conduct seminars about current issues. At the completion of the conference, the national winner will be selected.

Winners will be selected on the basis of performance in a specially prepared current events examination conducted in each school; the student's participation in school and community activities; and a "Projection for Innovative Leadership." This projection must be a written statement of the student's ideas about how Americans can meet the nation's needs and challenges during its third century.

Owen B. Kiernan, executive secretary of NASSP, says the com-

petition will begin at local participating high schools where one winner will be selected for a Certificate of Recognition and an opportunity to win a state scholarship.

Any graduating senior in an accredited public, private or parochial high school can enter the competition by submitting an application to the school principal before the deadline of October 15. NASSP has sent complete information to the principals of all accredited high schools.

Local winners will be announced by their schools by November 1, and state winners will be notified by December 26.

Last year's national winner was Shelley Smith, Crestwood High School, Cresco, Iowa. She is attending the University of Minnesota on her \$11,000 state and national scholarships.

The Century III Leaders Scholarships Program is administered by NASSP and is funded by the Shell Oil Company.

Duchin plays for Maass

The inimitable Peter Duchin and his orchestra are providing the music for the Clara Maass Centennial Ball Saturday, October 30, at Caldwell College.

Guests will dance to the sophisticated Duchin rhythms in a Victorian setting, executed by scenic designer Bob Roberts of Verona to recreate the era during which Clara Maass, whose 100th birthday the Ball is honoring, reached the zenith of her career as a nurse. Miss Maass, 29 when she died as a volunteer in China, her research was the subject of a U.S. commemorative stamp issued in August at Clara Maass Memorial Hospital.

The gala benefit, which officially

Walsh Academy holds entry tests

Villa Walsh Academy, Morristown, will conduct entrance examinations and scholarship tests for both academic and music students on Saturday, October 16, at the Academy.

The Catholic girls college preparatory high school, on a 125-acre campus just outside of Morristown, emphasizes individualized instruction in a well-rounded program of academic, fine arts, and music.

The entrance and scholarship test will be given at Browne Hall at 10 a.m. All prospective students of Villa Walsh must take this test. The test will also serve as a basis for judging scholarship applicants. Three \$300 scholarships will be awarded.

closes the Clara Maass Centennial year, is sponsored by the Clara Maass Memorial Hospital Guild to raise funds for the hospital's Cancer Treatment Center, which will open in 1977. Mrs. Robert Lorello, a Short Hills resident, is president of the Guild. Nutleyite busted for drugs

A 38-year-old Nutley man has been charged with possession of a controlled dangerous substance with intent to distribute. Belleville Deputy Police Chief Frank Haight has announced.

Gerald A. De Angelo, 54 King Street, Nutley, was arrested September 29 in Belleville after attempting to make a sale of one gram of THC to an undercover agent, police sources said. A combined search by the Belleville and Nutley police revealed six more grams of THC, according to police who said the street value of the confiscated drug was about \$600.

Deputy Police Chief Haight said following the suspect's charge in Belleville he was held in lieu of \$500 bail for an October 14 court appearance and turned over to the Nutley police to be charged with possession.

Sergeant Martin McNish, Lieute-

nant Raymond Kimble, and detective Raymond Caruso of the Belleville Police Department were instrumental in the arrest, authorities said.

Keyers collecting old newspapers

Mrs. Thomas Di Biasi - nee Patricia Curren

Di Biasi - Curren Wedding Held in Calvary Church

Miss Patricia Curren, daughter of Mr. and Mrs. Lamont Curren of Bloomfield and Thomas S. DiBiasi, son of Mr. and Mrs. Salvatore DiBiasi of Belleville, were married September 18 in Calvary Church, Essex Fells.

The Rev. Anthony DiQuattro of Belleville officiated.

formed the ceremony and a reception followed at The Manor, West Orange.

Given in marriage by her father, the bride wore a gown of candlelight chiffon with Queen Anne neckline and long accordin pleated bishop sleeves with deep lace cuffs. The skirt was also accordin pleated and fell into an attached chapel train.

A Juliet cap of matching beaded lace held her bouffant illusion veil and she carried a cascade of white roses, stephanotis, babies breath and ivy.

Miss Nancy Curren of Bloomfield was her sister's maid of honor. Matron of honor was another sister, Mrs. Laura Randazzo of Montvale. They were attired in apricot jersey gowns with full capelike sleeves and empire bodices. They carried cascades of matching roses, white mums and babies breath.

Dr. Anthony DiBiasi of Bronx, New York served as best man. Ushering were Robert J. Citrino of Nutley, Bruce Curren of Bloomfield and Patrick Randazzo of Montvale.

Mrs. Curren chose a dusty rose Qiana gown with jeweled neckline and long fitted sleeves. The groom's mother was in a pale pink Qiana gown with a chiffon cape. Her corsage was of pink sweetheart roses with babies breath.

Mrs. DiBiasi, an alumna of Katharine Gibbs, is a legal secretary in Hillsdale.

Mr. DiBiasi, a graduate of Rutgers University, magna cum laude, Phi Beta Kappa and the University of Pennsylvania Law School, is a partner in the law firm of Citrino, Balsam and DiBiasi, Nutley.

The couple have made their home in Glen Ridge following a honeymoon in California.

Holy Family CYO will hold a wine and cheese card party on October 15 at 8:00 p.m. in the school auditorium. Tickets are \$3.00 and may be purchased at the Rectory on Brookline Ave. Proceeds will go to the youth activities of the Parish.

Patricia Marback engaged to Carmine A. DeMaio III

Mr. and Mrs. Richard J. Marbach of Bloomfield announce the engagement of their daughter, Patricia Ann to Carmine Anthony DeMaio III, son of Mr. and Mrs. DeMaio Jr. of Fairfield.

Miss Marbach, a graduate of Bloomfield High School, is a senior at Kean College of New Jersey.

Mr. DeMaio, an alumnus of Belleville High School, is a district supervisor for Stop Convenience Stores.

An August 1977 wedding is planned.

Miss Patricia Marback

HONEYMOONING at the Caribe Hilton in San Juan, Puerto Rico, are Mr. and Mrs. Drew Darata of Belleville. Mrs. Darata is the former Patricia Henry, daughter of Mr. and Mrs. R. Henry. Mr. Darata is the son of Mr. and Mrs. A. Darata of Lodi.

Mrs. Nickolas F. Monteforte - nee Mary Beischer

Mary Beischer weds Nickolas Monteforte

Miss Mary Elizabeth Beischer, daughter of Mr. and Mrs. Philip Beischer of Florham Park, formerly of Belleville and Nickolas F. Monteforte, son of Mr. and Mrs. Salvatore Monteforte of Secaucus, were married July 17 in St. Mary's Church.

The Rev. Peter Galdon performed the ceremony which was followed by a reception at Elks Lodge, Lyndhurst.

The couple were given in marriage by their parents. The bride wore a white chiffon gown accented with Alencon lace and fashioned with bishop sleeves, empire waistline and attached train. An Alencon lace cap held her veil and she carried daisies, roses, ivy, stephanotis and babies breath. The bride's gown, the honor attendant's and Mrs. Beischer's were all made by the bride.

Miss Phyllis Beischer of Florham Park was her sister's maid of honor. Bridesmaid was Miss Linda Ritchie of Staten Island, New York.

Their gowns were of orange, green, yellow, beige floral chiffon

print with cap sleeves and crew neckline. The honor attendant had a green straw picture hat while the bridesmaid had yellow. They carried fireside baskets of daisies, Fuji mums and ivy.

Henry Muller of Denville was best man with the groom's brother, Gary Monteforte ushering.

Mrs. Beischer chose a mint green crepe gown with organza jacket. Her corsage was of roses, daisies and ferns. The groom's mother, in a peach knit gown with matching jacket, had an orchid corsage.

Mrs. Monteforte, a graduate of Fashion Institute of Technology, New York City, is working for teacher certification at Montclair State College.

Mr. Monteforte, an alumnus of St. Peter's College, Jersey City and Seton Hall Law School, is a captain in the U.S. Army Reserve. He is a deputy attorney general assigned to the Department of Transportation, State of New Jersey.

The couple have made their home in Morris Plains after a honeymoon in Cape Cod and Massachusetts.

Mrs. Walter Beresford — nee Dianne Walker

Dianne P. Walker bride of Walter M. Beresford

St. Mary's Church was the setting May 2 for the marriage of Miss Dianne Phyllis Walker, daughter of Mr. and Mrs. John Walker of 143 Bell Street to Walter M. Beresford, son of Mr. and Mrs. Howard Beresford of 161 New Street.

The Rev. Peter Galdon performed the ceremony which was followed by a reception at Friar Tuck Inn, Cedar Grove.

The bride was escorted by her father. Her sister, Miss Karen Walker of Belleville was maid of honor. Bridesmaids included another sister, Mrs. Edward Rebenack of Lake Hopatcong, the groom's sister, Miss Ellen Beresford of Belleville and Miss Jean Montalbano of Belleville.

Richard Beresford of Belleville served his brother as best man. Ushers included another brother, Edward Beresford of Belleville, Edward Rebenack of Lake Hopatcong and Nicholas Berkey of Belleville. Ringbearer was the bride's nephew, Edward Rebenack.

Mrs. Beresford, a graduate of Montclair State College, received her master of science degree at New York Medical College. She is a nurse practitioner at Lyons Veterans Hospital.

Mr. Beresford, an alumnus of Belleville High School and Montclair State College, is with the Belleville Fire Department.

The couple honeymooned in Jamaica and are living in Rockaway.

New turtle house to open Sunday

The Essex County Park Commission's, Turtle Back Zoo has a new exhibit. Opening up on Sunday, October 10 will be a Tortoisry Building housing a variety of turtles from around the world. To celebrate the tortoisry opening on that day, Turtle Back Zoo will be having a special program and ribbon cutting at 3 p.m. in the zoo's Education Building. Mr. Richard Ryan, zoo director, will highlight the afternoon's program with "Turtle Talk," using live turtle specimens. The public is invited to attend.

The opening of the tortoisry will kick-off "Chelonia Month," dedicated to the theme of turtles, with a schedule of fun and interesting programs, activities, films and weekend games for children to play and win prizes.

Chelonia Month will begin on Sunday, October 10 and continue through Sunday, October 31.

All programs are free to zoo visitors and members of the Zoological Society of New Jersey.

Bloomfielder fined \$250 for fleeing

A 27-year old Bloomfield man, arrested August 14 for attempting to evade police, was fined \$250 during September 22 proceedings in Belleville Municipal Court.

Thomas Mennicucci Jr., 221 Watessing Avenue, Bloomfield was charged in August with knowingly trying to elude police by driving at speeds exceeding 65 mph and trying to run the police car off the road.

Judge Edward Abramson imposed the fine after the defendant pleaded guilty to the charge and also handed down a 15 day suspended jail sentence.

Officer Joseph Mulvihill of the Belleville Police Department was the complainant in the case.

Students to participate in Bell quiz program

The Senior Distributive Education Class of Belleville High School will participate in a New Jersey Bell Telephone Company quiz program, "Ten Seconds for Safety," which entertains while it helps make audiences more safety conscious.

The safety quiz is played in two ten-minute parts. Teams, selected from the audience, compete for points in answering four different categories of questions on safety. Included in these categories are ques-

tions on first aid, and on home, auto, and vacation safety. Speed and accuracy are required in answering.

Student store to open soon

By JUNE PISAURO

After some delay, the Belleville High School store, under the supervision of Ralph LaConte, Distributive Education Coordinator, and assistant supervisor, William Trimmer, business teacher, has a projected opening date of December 1.

The delay has been due to the administration changes in the system and investigation into some important problems involving the store operation.

The store hours will be from 7:30 a.m. to 8 a.m. and it will rotate its closing hours to accommodate the students.

At first, the store will stock school supplies such as pens, pencils, notebooks, looseleaf paper. Later in the year, its supplies will also include novelty items and possibly sportswear. Mr. LaConte says, "It will grow with the needs of the students."

Mr. LaConte hopes the store will be self sufficient with any profits going towards the program such as financing the Annual Distributive Education Club of America (DECA) Convention in March for any interested Distributive Education (DE) student.

The students enrolled in the DE program will now be able to receive on-the-job training in the school store. Workers in the store will include senior members of Mr. LaConte's DE class as well as junior members of Mr. Trimmer's DE class.

Mr. LaConte hopes the school store will be a success and a welcomed addition to the high school.

Girls' tennis: a sports first

By JULIE SISTA

Advantage — girls! The creation of a Belleville High School varsity tennis team and tennis club, initiated by Karen Fuccello, physical education teacher, marks the first time a varsity sport has been available to girls before it has been available to boys.

Even though BHS has girls' varsity baseball and basketball, those sports were available to boys long before they were available to girls.

The boys will have the opportunity to play tennis in the spring.

With a large turn out of 40 girls, 15 were selected for the varsity team. The participants are as follows: Eileen Apicella, Mary Connelly, Pat Connelly, Donna Fantacone, Margaret Gilday, Lu Ann Graffeo, Nicolina Guarino, Wendy Hesford, Denise Juliano, Sue Klein, Tina Ogilvie, Suzanne Reiman, Karin Sciacca, Leonora Suibis, and Toni Sparduto.

The other 25 girls are members of the tennis club which will begin its program in the spring.

Miss Fuccello said she views it as "a building season and a projection towards the future with a stress on group leadership."

"It's unfortunate that we do not have the facilities to accommodate all the girls who tried out for tennis," commented the coach. She also added, "I would have liked to have seen more freshmen come out for the club or team."

Miss Fuccello noted, "This is only the third girl varsity team created at BHS and since the interest was so high, we can look towards the future when there might be more varsity sports which can offer more girls the opportunity to compete."

School inaugurates new English class

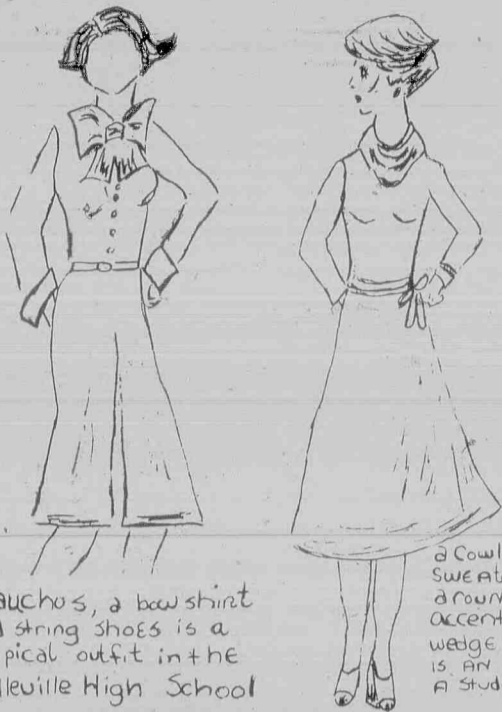

By GRACE VALLARIO

A specialized English course stressing individualized language has been instituted this year, under the direction of Leonard Marciano, English Department co-ordinator.

Of the twelve students enrolled in the course, seven are foreign born. These students, from Ecuador and Italy, are learning to adjust to the American language.

In his class, Mr. Marciano teaches language pronunciation, basic English grammar and reading comprehension.

Mr. Marciano is happy with his students and feels that they are progressing well.

Fashion takes new turn

By DOREEN D'ANDREA

After a good look around Belleville High School this year, many will notice the change in the student's taste in dress.

The biggest trend is the gauchito, in a variety of styles such as the western, dungaree, and corduroy look. Other dress styles include genie pants and midi skirts.

The fashion in shoes is the wedge, espadrilles, and string shoes. The hair has changed from a short straight look to a more wavy and curly sophisticated appearance. The wedge, feather back, D-A, and afros are also popular styles.

Liz Gilbert, senior, comments, "I would feel uptight if I wore a dress last year, and this year it is the extreme opposite. If I am not dressed nicely, I feel out of place."

John Klotz, English teacher, said he notices the students this year are more dressed up than casual.

Marianne Biesiadicki, senior, said, "Girls are starting to wear less make-up and wearing it in a natural way." She also explains that hair styles have changed this year. "Hair is much shorter and styles such as the wedge, the 30's look, afros and waved styles are what people seem to be wearing."

Paula Minardi, senior, explains how, for the girls, "It is a sweeter more feminine look of class."

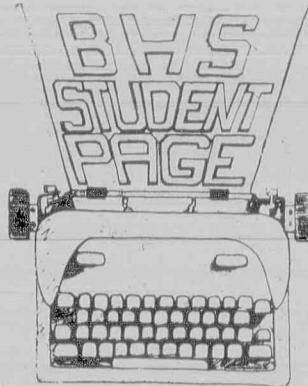

People are also taking more interest in their clothing. Jewelry is being worn more frequently now, and many boys are wearing it also.

Margaret Moscatello, home economics teacher, said that she sees a wide variety of fashion this year. "The one big change that is now in style are the gauchos."

Debbie Scheder, junior, said, "Last year I would get dressed up, but not nearly as much as I am this year. There are days when I feel like

just wearing something comfortable, but yet look nice, so I'm glad there are gauchos."

As a whole, the outlook on clothes this year at BHS, from the opinion of many students, is a dressier approach.

Nutley clash is Saturday

By JOSEPH RYAN

The last time either high school football team won a game in the Belleville-Nutley series was 1974. The Maroon Raiders took the contest two years ago 7-3 and since then the teams have remained deadlocked.

Last year in typhoon conditions both the Bellboys and Raiders sloshed their way to a 0-0 decision. The tiebreaker begins Saturday afternoon at 1:30 and both squads will be eager to put the first winning score on the board in two seasons.

Belleville Coach Tom Testa touts the rivalry as an Army-Navy type confrontation with players on both sides knowing each other and a Bellboy victory could be a real shot in the arm to cure the team's slow start.

It's also the first match for the Blue-Gold with competition on their own level, according to Testa. "I think we're in our league now," Testa said. He noted both of the Bellboys' previous opponents,

Livingston and Bloomfield, had outmaneuvered the Blue-Gold gridders and participated in tournaments. Now the Nutley game will presumably pit Belleville against a comparable squad and the result should be indicative of the Blue-Gold chances for victory the rest of the season.

Testa said some changes will be made on the starting Bellboy squads for Saturday's contest. Most of the new faces will be on the defensive platoon. Last week

there was more platooning of offense and defense but the shifts didn't stop the Bengals so there'll be some more adjustments made during practices this week, according to Testa.

Blocking and tackling will be stressed before the Raider game as Testa said he will be emphasizing the basics with the Blue-Gold. He stresses the team that makes the less mistakes will take the ballgame and the Bellboys have been making too many mental mistakes in their

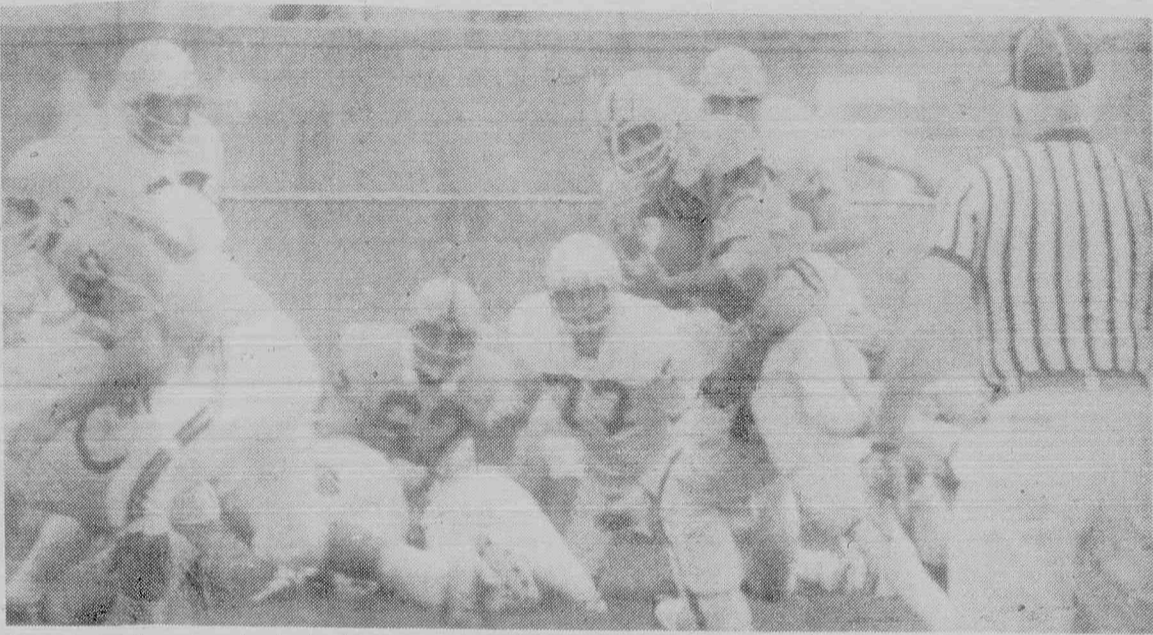

first games to succeed.

Nutley skipper Mario Cocchiola says his team has displayed a "good ground game" this season helped by good blocking up front. The Maroon Raiders are 1-1 with a loss to Irvington, 14-0, and last week's victory over Passaic, 19-0. "We hope we're getting better each week," Cocchiola said. "The secret to success is improving the team all the time."

Cervasio carries —Running back Chris Cervasio toted the ball 22 times during the Belleville-Bloomfield grid game and coach Tom Testa was impressed with his perfor-

mance. His efforts highlighted an otherwise disappointing game.

Defense best offense in second soccer win

The Bellboy soccer team downed East Orange 2-1 last week for the squad's second victory of the season and then lost a close contest to undefeated Kearny last Friday, 2-0.

Tomorrow the Blue-Gold booters will host undefeated Essex Catholic at 3:45 p.m. at Clearman Field. Nutley will also travel to Belleville for an afternoon match next Monday. The Bellboys met Bloomfield at home on Tuesday but the results were in too late for this edition of the Times/News.

The Belleville booters' second victory came against East Orange last Wednesday in a contest coach Tony Cahill said was "a very even game." The Panthers put on most of the pressure in the first quarter but both of the teams remained scoreless in the first period.

East Orange drew first blood when they scored in the second quarter but they were soon tied when Bellboy Joe Coscarelli scored his fourth point of the year on an assist from senior Mike Polega at left wing.

Blue-Gold frosh Galo Calvache was playing at right wing in the third quarter

for the Bellboys and helped score the winning goal when he assisted Hernan Borja to give Belleville the deciding goal.

Cahill pulled back extra men to help

on defense in the last quarter and while it kept the pressure on goalkeeper Tony

Broncos undefeated after three contests

The Belleville Bronco defense once again held their opponents scoreless when Our Lady of Mercy of Jersey City was toppled Saturday night by the Bellevilleites, 21-0. The defensive unit has not been scored upon in the first three games so far and have yielded their opponents an average of 47 yards per game.

Angelo Centanni and Sam DeCapua led the offensive squad for the Broncos. Centanni scored once and gained 56 yards while DeCapua also ran for a touchdown while gaining 60 yards.

After a scoreless first half that saw Bronco efforts hampered by numerous penalties, the Bellevilleites started their

scoring late in the third quarter. Mark Mendolla returned a punt to the Mercy 36 yardline. On the second play from scrimmage Angelo Centanni sprinted 23 yards for the touchdown. Frank Fazzini passed to Mendolla for the extra point.

The Broncos moved the ball to the Mercy 44 yard line halfway through the fourth quarter. Then from the 32, Sam DeCapua raced around left end for the Broncos second touchdown. Ken Constantino then lofted a pass to Bob Scucci for the extra point to give the Broncos a 14-0 edge.

Late in the last quarter the Broncos drove for their last score when Bellevilleite Bob Scucci dashed 13 yards to pay dirt. Constantino again passed to Scucci for the extra point and made the final score, 21-0.

Kards down BHS runners

The BHS cross country runners were defeated 15-50 last week by the highly ranked Kearny Cardinals in the team's third meet of the season.

Today the Bellboy harriers will race Orange home at Belleville Park at 3:45 p.m. Another home meet will take place Monday afternoon against East Side and a heavy schedule will take the Blue-Gold on the road next Tuesday for a contest against Montclair. The Belleville distance men competed against Columbia this Tuesday but the results were in too late for this edition of the Times/News.

Kearny swept the first seven spots in last week's race. Ray Dugger finished first for the Cardinal harriers with a 16 minute 35 second course run. Belleville coach Rich Ruffalo estimated the Kearny course at about three miles but said it was hard to tell if his runners' times have improved. The BHS coach added he expects to get a better impression of the progress of the individuals on the squad

Raiders 'love' Bellgirls

The women's net set at Belleville High School inaugurated the varsity girl's tennis program against Nutley last week and lost, 5-0, to the Maroon Raiders' fifth year varsity team.

Nutley will travel to Belleville for a return contest next Tuesday and the Bellgirls are looking for an upset. Tomorrow the racketeers will visit Montclair to face the country club set for their third varsity match. Yesterday the Bellgirls faced Columbia on the courts but the results were in too late for this edition of the Times/News.

Tennis coach Karen Fucello said the 5-0 loss to Nutley was not indicative of the competition the first year court coeds provided for the Maroon Raiders. The new team was shutout but did manage to make its points in the individual matches.

Sophomore Toni Spurduto was ranked first for the Bellgirls and faced Brenda Lupo across the net losing, 6-0, 6-1. Pat Connelly, a junior for the Blue-Gold, lost to Diana Powell, 6-3, 6-3. LuAnn Graffeo, also ranked in the top Belleville three, lost to Barbara Amoscatto, 6-0, 6-0.

The doubles contests were also taken by the Nutley net set. Bellgirl sophomores Denise Juliano and Donna Fantacone lost to Robin Cocchiola and

Karen Downey, 6-1, 6-1. Rose Haines and Cathy McNamara downed Bellevilleites Karin Sciaccia 6-4, 6-0. Coach Fucello said she will try different combinations of Bellgirls in the doubles sets until she finds the team that works best together. Doubles players work best together as a result of a long process and it will take a while for the rookie Blue-Gold team to find the right two.

Most of the team members are sophomores so the future should be bright for the Bellgirls on the courts. Coach Fucello said Nutley's coach Pat Keating was impressed with the sportsmanship of the Blue-Gold squad. The Bellgirl leader was also encouraged by the play of Toni Spurduto who tied both matches before losing.

The rest of the first Belleville girls team includes Tina Ogilvie, Mary Connelly, Peggy Gilday, Nikki Guarino, Sue Klein, Suzanne Reiman, and Leanora Siubis.

Future matches for the first season include Irvington, away, October 15; Columbia, home, October 19; Immaculate Conception, away, October 21, and home October 29; Irvington, home, October 26; and East Orange Catholic; home, November 3.

Gelpi nabbed —This was the scene all too often during the Bengal versus Bellboy game when the Bloomfield defense cleared quarterback Joe Gelpi's defenders and charged him before he could pass. The plays that were completed did make a good impression with the coaching staff as far as Gelpi's progress is concerned.

Inexperienced grididders made costly errors

Continued from page 11.

Belleville lost the toss and Limongelli began the game by kicking the ball into the Bengal end zone. Bloomfield started on the 20 and with three first downs worked the ball to the Blue-Gold five before giving up possession when the Bellboy defense held tight at the goal line.

Cervasio then began his busy day for Belleville by running for a first down with three and eight yard runs. An illegal procedure flag was dropped on the Bengals but despite the five yard boost the Bengals stopped Cervasio and Belleville punted with Gelpi's 53 yard boot.

A 12 yard Bloomfield pass play was brought back on a Bengal clip and following two more unsuccessful pass attempts the Bengals punted from their six yard line. The kick by junior booter Paul Martino only went about four yards and the Bellboys took possession ten yards from par dirt.

Gelpi carried on first down for six yards and on second and four Cervasio got the pigskin for another two yards. A run play on third down made it to the line of scrimmage and Gelpi called time to confer with the coaches. The sideline decision was to give the ball to Cervasio and the Bel-

leville work horse responded by scampering three yards for the first Bellboy touchdown of the season. Limongelli kicked the extra point and the Blue-Gold had a 7-0 lead with 2:15 left in the first quarter.

Limongelli kicked a 50 yard return to the Bengals that was put into play on the host's 21 yard line. Bloomfield moved the ball 32 yards on the ground with two first downs before the quarter ended. They continued their attack in the second period in the air but both passes were incomplete and they punted 46 yards into the Bellboy end zone. Cervasio lost the handle on the first play and the fumble was recovered by Bengal Robert Tarantola on the Blue-Gold 26.

Three running plays by fullback Timothy O'Connell were followed by a 14 yard run by Tarantola for the first Bloomfield TD of the day. The snap for the extra point was bungled so Belleville kept a narrow lead with ten minutes to go in the first half.

Cervasio returned the Bengal kick-off 16 yards to the Belleville 26 but on the first play, a long pass from Gelpi to split end John Gotto, Tarantola intervened for Bloomfield with an interception.

The bengals were only able to

move about three yards in four plays and Cervasio returned their punt four yards to the Belleville 24. The senior runner for the Bellboys then took the ball ten yards on two plays for a first down. Cervasio took the ball on the next three plays as well picking up six more yards but on the last of the series Belleville incurred a 15 yard holding penalty and faced a two and 24 situation. Gelpi ended up running with the ball on second down and took to the air on the third to Greg Grasso. Grasso was hit hard by Charlie "Ace" Woods and shaken up a bit. The Bellboys were still well short of a first so Limongelli punted and the Bengals received possession of the ball on the Belleville 43.

After a run attempt that failed Bengal Quarterback Paradiso handed off to Woods who passed to Paradiso for a sixteen yard first down play. Another pass from Paradiso to senior end Lou Altieri gained 17 yards and put the Bengals within striking distance on the Bellboy 14. Tarantola, Paradiso, and Woods gained nine yards on three plays before the Bengal quarterback connected with Charlie Woods in the end zone for Bloomfield's second

score of the game. This time Paradiso succeeded in going for two extra points and the Bengals led 14-7 with 1:24 remaining until halftime.

Cervasio returned the kick-off 18 yards to the Belleville 27 and the stage was set for the disappointment the Blue-Gold took to the lockers at the half. Gelpi carried the ball 73 yards down field for a TD on the first play from scrimmage only to have it called back because of a clipping violation called on one of his blockers. Pete Liloia carried the ball for nine yards on the next two plays but the half ended with the Bengals out front, 14-7.

Ken Nicosia returned the third quarter kick-off 11 yards to the Belleville 32 but three ground plays by Cervasio and Liloia fell just short of a first and the Bellboys gave up the ball. Paradiso ran nearly 66 yards on third down to set up the Bengal's third TD from the 19. Bloomfield scored with six running plays the last

a one yard plunge by O'Connell. A high snap from center foiled another extra point but the Bengal's led 20-7 with 6:48 left in the third quarter.

Nicosia returned the kick-off 20 yards for the Blue-Gold to the 26 but after the Bengals recovered a fumble Belleville had a tough time getting back into the game.

Bloomfield started playing conservatively with their 13 point lead staying on the ground. After holding the Bengals after eight plays the Blue-Gold made a first down on a pass from Gelpi to Nicosia. The local grididders picked up another first on a two yard run by Cervasio but were stopped by the Bengal tigers. Following another exchange of possessions, Bloomfield scored again on a 77 yard drive featuring three first downs and a 14 yard pass play to O'Connell from Paradiso. The TD was a pass to Altieri backed up by another un-

successful extra point attempt.

Belleville got the pigskin for another four down but lost yardage and had to punt from the end zone. Bloomfield took the ball on the Bellboy 25 and John Gagliardi ran 20 yards on the first play. Quarterback Richard Travaglini fumbled the ball on the three yard line but Bengal Thomas Hunt, a halfback picked it up and moved in for another touchdown. This time Bloomfield made the extra point and with 33 seconds left in the game the scoring for the day ended, Bloomfield 33, Belleville 7.

Eagles face booters Friday

Continued from page 11.

Cordaro it paid off with the Panthers remaining scoreless in the final minutes. Cordaro made 24 saves so he was busy during Belleville's second victory. The Bellboys made about 14 shot attempts in the contest.

The first home match saw the undefeated Kearny Cardinals keep their record clean by beating Belleville, 2-0. The Cardinals are ranked seventh in the state but the Blue-Gold was able to hold them pointless in the first two periods of play.

The first Cardinal point was scored in the third quarter when they kicked a shot into the net that wasn't "a picture goal" Cahill said. The Belleville booters' boss said the Kearny man barely had the Blue-Gold fullback beaten on the shot. The second visitor's point was scored in the last period when a direct shot

on goal was deflected off a Bellboy defender for another point for the winning 2-0 margin.

Senior keeper Cordaro posted 25 saves against the Kearny team in a performance Cahill called "excellent." The Bellboy leader said Cordaro was in "the right place at the right time" and made no mistakes on the two Cardinal shots that were good.

Bloomfield and Essex Catholic loomed as two more undefeated squads the Bellboys had to face after the Kearny game and Cahill said he planned to alternate halfbacks more often to keep his men fresher on the field. He noted the halfbacks in the Kearny game were unable to get back in time to support the Bellboys with the ball last Friday.

Once again the Blue-Gold coach praised the defensive efforts of the Bellboys in the East Orange and

Kearny contests. He pointed to the field work of Bob Freda and Jeff Mack as being instrumental in shutting off the middle against the opponents and said the defensive pair did a "very, very, good job."

when they return home and he can compare their times to their earlier runs through Belleville Park.

Rich Cavanaugh finished first in the Bellboy contingent in eighth place at the Kearny meet. His time was 19:24 followed by John Vaccaro's 20:07 run. Third for Belleville, in tenth place at the meet, was Tom Graham with a 20 minute ten second run. Senior Bellboy Craig Lordigyan, a senior at BHS posted a 20:22 race. Vinnie Celfo finished twelfth taking the course in 20 minutes 27 seconds.

Coach Ruffalo said neither team turned in any great performances at West Hudson Park for the Kearny match but added a win in the future for the Bellboy harriers will be no

The Bellboy freshman football squad will be going for its third win of the season when the Blue-Gold meet the Maroon Raiders 3:45 Friday afternoon at the Nutley Oval.

The young grididders beat Livingston, 20-8 in their season opener and clouted Columbia, 14-8 in their second contest.

Bronco defense forms solid front

Continued from page 11.

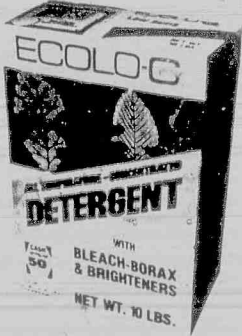

The Broncos received some great blocking from their front linemen, consisting of centers Tim Hoban and Joe Martinez, guards, Joe Cecere and Mark Montemarano, tackles Rich Racioppi and Phil Cerza. Second team members also contributed to the third win including Russell Mazza, Louis Greco, Jeff Cotugno, Gerald Knapp, and Dan Palumbo.

The Broncos hope to continue their win streak this Saturday night at Belleville Municipal Stadium 7:30 when they face the tough St. Paul's of Jersey City.

High point —Above, during one of the few happy moments for the Bellboys last Saturday, Mike Limongelli celebrates a Belleville score. Coach Testa praised Limongelli's and Gelpi's punting ability after the game.

Raiders next

Continued from page 11.

The Maroon Raiders are appraised by Testa as basically a defensive minded team that lacks an explosive offense. Belleville's strategy will be to stop the Raiders' ground game first and then defend against the air attack. Belleville scouting reports have noted the strengths of Nutley's quarterback William McDonald and the running ability of senior halfback George Kruse. While aware of Nutley's talents, Testa notes the Raiders "haven't really blown any ballparks apart yet."

Cocchiola said he couldn't compare Belleville to Irvington or Passaic but added "we never underestimate our opponent, we're looking forward to a good football game."

The Nutley coach said he was especially pleased with the work of Alexander Sicignano, George Miller, Daniel Purciello, and George Kruse, so Belleville fans should look for them in the midst of the fray Saturday.

Kruse is a 6-1, 190 pound senior who ran for 27 yards against Passaic as a halfback last week. Purciello was the work horse for the Raiders, the 5-10, 175 pound senior carried the ball 22 times for 94 yards against Passaic. Miller works on offense and defense for Nutley and stands 6-2, at 190 pounds. Sicignano (6, 190) is another two way senior for the Raiders.

Other probable starters include quarterback McDonald (6, 175) who as a senior is in his first year leading the Raiders. Arthur Scavone (5-11, 195) is a defensive linebacker for the Nutleyites. Bruce Humiston (5-8, 165) will start in the offensive backfield for the Raiders. Last week Humiston carried the ball nine times and gained 21 yards.

Robert Schmidt (5-9, 175) is a probable defensive backfield starter. Patrick DeCotiis (6, 190) should also see some action this weekend as a starting offensive end. Carmine Castellano (5-10, 170) gets the nod from coach Cocchiola in the defensive cornerback position. John Frotton (5-8, 190) will see action as one of Nutley's offensive guards.

John Salamon will be a defensive guard and measures 5-10, 185

pounds. Thomas Potter (5-8 19p 10, 185 pounds. Thomas Potter (5-8 190) gets the starting offensive guard assignment and is one of the few starting juniors on the Raider team. Tom McDonnell (6, 200) is a large senior defensive tackle. Frank Olivo (5-11, 215) is an offensive tackle and Albert Zaleski (6, 190) will be on the line for the Raiders as an offensive end.

The two teams appear to be fairly evenly matched with perhaps some momentum in favor of Nutley coming off the Passaic victory. However last week's games won't count on the field this Saturday and the game is up for grabs.

Coach Testa has stressed the importance of possession of the ball for the Bellboys, "you can't win without the football" and predicted the team that wants it the most will triumph Saturday.

"If we want to play ball, we can beat Nutley," Testa said.

All 5% interest rates are not created equal.

Although these four savings accounts all give a 5% interest rate, they each earn different amounts of money. Because they each compute the interest differently. Midlantic Bank computes its 5% interest using the "Day-of-Deposit to Day-of-Withdrawal" method. As you can see, this is the one that earns the most money for you.

Another advantage of our 5% savings plan is that it doesn't require a passbook. Instead, you receive a statement in the mail every three months that shows you everything a passbook would.

Come in and we'll be glad to assist you in opening a 5% Day-of-Deposit to Day-of-Withdrawal Savings Account and answer any questions you may have on why our 5% interest rate is just a little more equal than some other banks' 5% interest rate.

Cousin Brucie...

Vacation Bound
For 'The Boot'

By Bruce Morrow

WNBC Radio & TV Personality.

The Suites in the Park Lane Hotel in New York City are pretty nice...The door to the suite opened... "Come on in"...there he was, the guy that I grew up with...Jerry Lewis... "Hi ya Brucie"...but wait a minute...something is wrong...Jerry is sitting behind a typewriter looking very serious. "Jerry", says I, "where is the fun, the silliness, the nonsense? You're serious Jerry...you're a business person". Jerry Lewis reacted quickly... "Comedy is a serious business. It takes months of preparation to do an 85 minute live show." Jerry appeared recently at The Westbury Music Fair on Long Island.

My TV crew and I spent several hours with the comedy superstar. He was without a doubt the most cooperative and astute performer I have ever interviewed. The interview covered Jerry's early career and we spoke

about the Jerry Lewis of 1976. Jerry is preparing his pet project for the world. Since he was five years old...according to Jerry...he has wanted to appear in his own production on Broadway. The dream

becomes a reality in January. "Hellz-a-Poppin'" is two hours of absolute madness which will open in New York. Jerry is producing and starring in the show.

Stamp dealers hold '76 bourse

The New Jersey Stamp & Coin Dealers Assn., Incorporated announces its second Stamp Collectors Bourse for 1976-77. This is the tenth season of successful bourses for philatelists. This will be held at the Sheraton Heights Hotel, Terrace Avenue, Hasbrouck Heights, N.J., on Sunday, October 10, from 10 a.m. to 5 p.m. Admission and parking are free. Many of the leading dealers of this association will be on hand to assist stamp collectors in their search for quality material. Also collectors desirous of selling their holdings will find dealers to advise them. Additional information may be obtained from Paul Nixon, 83 Stillman Avenue, Bergenfield New Jersey, 07621, or Ed P. Bennett, 34 Tuckahoe Avenue, Tuckahoe, New York, 10707.

Open auditions planned

Pushcart Players, a professional theatre company for young audiences, will hold an open audition for men only on Tuesday evening, October 12, at 8 p.m. at Pushcart Players' headquarters at 470 Mountain Avenue, North Caldwell, New Jersey. Pushcart Players is a non-profit professional company now beginning its third season. The company performs original musical plays for children year round and has been highly acclaimed for its unique and

Wine Anyone — Cast of "Scapino" in rehearsal this week at Family Playhouse. From left are Janice Nazzola and John Notani (seated) and Albert Nalzan and Dominick Granese.

'Scapino' opens tomorrow

Family Playhouse of Nutley is readying its next presentation, the hilarious comedy farce "Scapino," for three weekends of Friday-Saturday-Sunday performances beginning October 8. The high-spirited story takes place in Naples where two stingy fathers attempt to marry their sons off after planning a match. But the young men don't fancy their fathers' choices and persuade Scapino, a friend, to help them out of their traumatic situation. Scapino plays many tricks on both fathers and uses his intelligence to save his bachelor friends. The play

is full of fast movement with many zany chase scenes. The weekend performances are at 8 p.m. Fridays and Saturdays and 3 p.m. on Sundays. Show dates are October 8, 9, 10, 15, 16, 17, 22, 23 and 24. Ray Napolitano, who last directed "Godspell," is again guiding the final week of rehearsals.

N.J. State Arts Council matches \$5,000 grant

The New Jersey State Council on the Arts, in cooperation with the National Endowment for the Arts, has awarded a \$5,000 matching grant to the Newark Museum. In acknowledging the grant, Museum Director Samuel C. Miller expressed appreciation to the Council and noted that "this support enables us to continue offering to a diverse audience programs that are both entertaining and informative, and of a high calibre." The funding will be used to defray expenses of the Museum's 1976-77 programming. The upcoming schedule for fall and winter includes monthly live entertainment programs for children, the Sunday afternoon concert series featuring New Jersey artists, and films and lectures related to the Bicentennial exhibition, "Making Movies in New Jersey." Monies from the fund were also applied to the 1976 Newark Black Film Festival and to this past summer's noonhour programs on art, crafts and the sciences.

Skate specials offered

South Mountain Arena in West Orange and Branch Brook Ice Center in Newark will offer a host of Essex County Park Commission ice skating specials during "Not-So-Ordinary October!"

The West Orange facility will offer free skate rentals—a savings of \$1 per visit—to anyone who buys an admission to a public ice skating session throughout the month.

South Mountain skaters will also be treated to a free beverage with a purchase of a hamburger or cheeseburger in the facility's full service luncheonette. The rink will continue its September offer of a free beverage to anyone who purchases a resident adult or student discount skating card. Skaters can sign up all month for

the "Ice Stakes," a special raffle drawing to be held during the rink's Halloween Party October 31. First prize will be a resident discount card.

The ladies will have their day every Wednesday night, with free admission to the 8 to 10 p.m. public session. Children accompanied by their parents to the Saturday afternoon session will receive free admission and free rentals.

The rink will also host a Halloween Party October 30 with a special Costume Contest.

Close-knit — You couldn't find a closer group of actors than this. The Yates Family Players — including both parents and nine children — will perform "Peter Pan." The play is being staged by the Belleville Junior Women's Club.

'Peter Pan' to benefit charities

Peter Pan and his friends are off to Never-Never Land but not without a stop in Belleville.

The Junior Woman's Club of Bel-

leville will sponsor the Yates Family Players in two performances of "Peter Pan" on Saturday, October 23 at Belleville High School, Passaic Avenue, Belleville. The performances will be at 11 a.m. and 2 p.m. Tickets are \$2 each.

A limited number of tickets will be available at the door. Large groups may get reserved seats if ordered in advance. For further information regarding tickets please call Mrs. Pickover at 751-5149 or Mrs. Rosalie Van Dam, 751-1315.

Williams leaves DeWitt

The board of directors of DeWitt Savings has announced the resignation of Robert M. Williams as president and director of the association effective September 28. Simultaneously, John P. Dailey, chairman of the Board was elected chief executive officer. Dailey will continue to serve as chairman in addition to his interim responsibilities in the top management post.

Williams' resignation was due to ill health, bank officials said, accompanied by the continuing and intensified pressures of his duties as President. Williams suffered a heart attack in February of this year.

Dailey, on behalf of the board, expressed appreciation for Williams' fine services to DeWitt as president and in previous positions he has held in the association since 1954.

Dailey, a long time resident of Belleville, has been associated with

DeWitt for twenty years, both as an officer and director. He was the third president of the Association, serving from 1964 through 1969. He has spent over thirty-five years in banking.

Attractive women and men have healthy skin, and a healthy skin is dependent on a well-nourished body, vigorous physical exercise, cleanliness. The face should be washed with a mild soap and warm water each day. In case of dry skin, application of face cream can be helpful. Pure preparations of rouge, lipstick, and powder can be harmless if scrupulous rules for cleanliness are followed. At no time should cosmetics be employed to disguise skin disorders. Mild or severe cases of acne or other skin blemishes should be treated by a dermatologist.
