Striker

A picket line went up at Wallace & Tiernan last week when Local 370 of the United Electrical Radio and Machine workers went on strike.

Campaigner

Jerry Brown, Governor of California, visited the area on a wet Sunday afternoon to campaign for the Carter-Mondale ticket. He stopped at a Democratic rally in Nutley to "stir a little trouble, say my two cents worth, and get Carter elected."

Celebrators

Concelebrants offered a Diamond Jubilee mass celebrating the 75th anniversary of St. Anthony's Parish last Saturday. Following the High Mass a dinner-dance was held at the Fountain Restaurant.

Commissioners set CMHS meeting

By CHUCK JACKSON

The Board of Commissioners will meet next Wednesday with Nutley officials and members of the Community Mental Health Services to discuss Belleville's intended pull-out.

Nutley Mayor Harry Chenoweth sent a letter to Mayor Michael Marotti requesting the meeting, hoping to convince his Belleville counterparts of the wisdom of continuing participation in the service. Marotti said the meeting would take place November 3, at 7:30 p.m. in Nutley. He did not indicate whether or not it would be open to the public.

Representatives of the Community Mental Health Service (CMHS) attended Tuesday's Board meeting to press their cause. Ruth Cowell, director of the CMHS spoke on behalf of the organization, and answered sometimes hostile questions from Public Affairs Director Vincent Strumolo. It was on Strumolo's recommendation two weeks ago that the Commissioners voted to pull out of the CMHS.

Strumolo is claiming the services are a duplication of those offered by the county at no cost to the town, and he defended his position, saying, "I'm not here to do away with the Community Mental Health Services. I'm here to save the taxpayers' money. The Essex County Guidance Center is available at no cost to our budget. Part of my duty is to bring out this information."

Mrs. Cowell countered Strumolo's argument, saying the waiting list at the county center is six months long, while there is no waiting list at the CMHS.

Strumolo also claimed he had not received a certified audit from the Services, detailing their sources of income other than Belleville's \$30,000 contribution. Patients at the clinic are assessed fees on a sliding scale, said Mrs. Cowell.

from \$1 to \$30 per week, depending on the client's income. She also said such a report had been sent to Strumolo and offered to forward another copy.

As part of his original argument for pulling out of the CMHS, Strumolo said only six Bellevilleites had been treated there. It was learned Tuesday Strumolo had used quarterly figures distributed by the Services.

W&T strikers still on lines

By JOSEPH RYAN

The first management-labor meeting since the start of the Wallace & Tiernan strike October 19 was held Tuesday and the union negotiating committee was scheduled to present the results of the discussions to its membership yesterday.

About 600 members of the United Electrical, Radio and Machine workers, Local 370, struck the Belleville plant after voting against a contract settlement recommended by the union's negotiating committee.

Sources said the union membership was unhappy with the first proposed contract in the area of cost of living and

health benefits. It was the first settlement turned down by members of the union since it was organized at Wallace & Tiernan in 1968.

Both Lyndon M. Keller, president of the Belleville Wallace & Tiernan division of Pennwalt Corporation and Arnold Bernardini, chief negotiator for the union, declined to comment on the progress of negotiations after Tuesday's meeting. Keller said the plant could be re-opened within a day when the strike is settled.

A federal mediator, Martin Killgallen, has been sitting in on the negotiations.

Wallace & Tiernan, one of Belleville's largest employers, produces water treating equipment at the plant at 25 Main Street. The company manufactures water and sewage treatment machinery for municipal use.

Local 370 members work in the machine and assembly areas of the factory on production. The clerical workers are not on strike.

Wallace & Tiernan, a division of the Pennwalt Corporation, has had the location in Belleville since World War I. An independent union struck the facility in 1965 and there was a half-day walk out in 1970 prior to this official strike.

Election hangs on vote turnout

Voter turnout is being pegged as the key swing factor in Tuesday's election by local political heads.

Belleville's polling places will open at 7 a.m. and remain open until 8 p.m. Citizens are being asked to vote for a U.S. Senator, two Congressmen, a sheriff, a surrogate, three Freeholders, and of course, a President.

Voters will also be asked to cast a vote on a number of referendums, including the controversial state constitutional amendment allowing gambling casinos in Atlantic City.

Not surprisingly, both Mary Senatore, Belleville Democratic Chairman and Jerry Ferrara, the local Republican Chairman, are predicting victory for their candidates. The two politicians are coincidentally joined in their support of the casino gambling amendment.

According to both leaders, participation in the election is expected to be light, and Ferrara candidly said the Republicans will have to drum up interest if they are to win.

"We are making a lot of phone calls and hope the people will be out to vote. This year reminds me of the Goldwater election year. If we have a heavy vote, we stand a good chance of winning."

Mrs. Senatore, on the other hand, predicted a Democratic win from the federal level on down, but lamented the apparent voter apathy, saying, "They don't realize this whole election is about bread and butter on the table. If they want to change this economy, they better get out and vote."

The most excitement in this year's voting seems to have been generated by the casino gambling referendum. Though

Board rebuts Risoli

The Board of Education verbally slammed Town Registrar Ralph Risoli Monday for a press release issued to the Times/News last week.

The Trustees charged Risoli with misstating the facts regarding a recent contract settlement, and with failure to research his charges.

The Town Registrar, who was defeated in his bid for a Board seat earlier this year, claimed the teachers had been given a 14 percent pay increase, which he called "an excessive give away program."

Board member Lawrence Schwartz labeled Risoli's figures as inaccurate, and said, "That 14 percent increase figure is not true. This was a two year pact, which makes the increase seven percent for one

year, and that includes five percent in automatic increments, required by statute. That means we only granted a 4.5 percent raise."

Trustee president Matthew Pica also took sharp exception to Risoli's rhetorical question, "Could this be for contemplated support for Pica's reelection to the School Board next February?"

"I don't sell out to anyone," Pica angrily declared. "Anyone who is astute at all in political science knows you go with the majority. If I wanted reelection support, I would have gone over the other way and not voted for the raises. Mr. Risoli should research his facts."

In that release last week, Risoli also said "Pica (was) 'ridiculous' when he stated, 'this Board has worked hard to heighten the level of education in Belleville and at the same time save its taxpayers money; but more important we're here for the children of Belleville, first and foremost.'"

The Board president refuted Risoli's label, ticking off a series of Trustee accomplishments, including, "negotiating some tough pacts with the Belleville Education Association and projections into five and ten year plans," and he added, "I take personal offense at Mr. Risoli's statements."

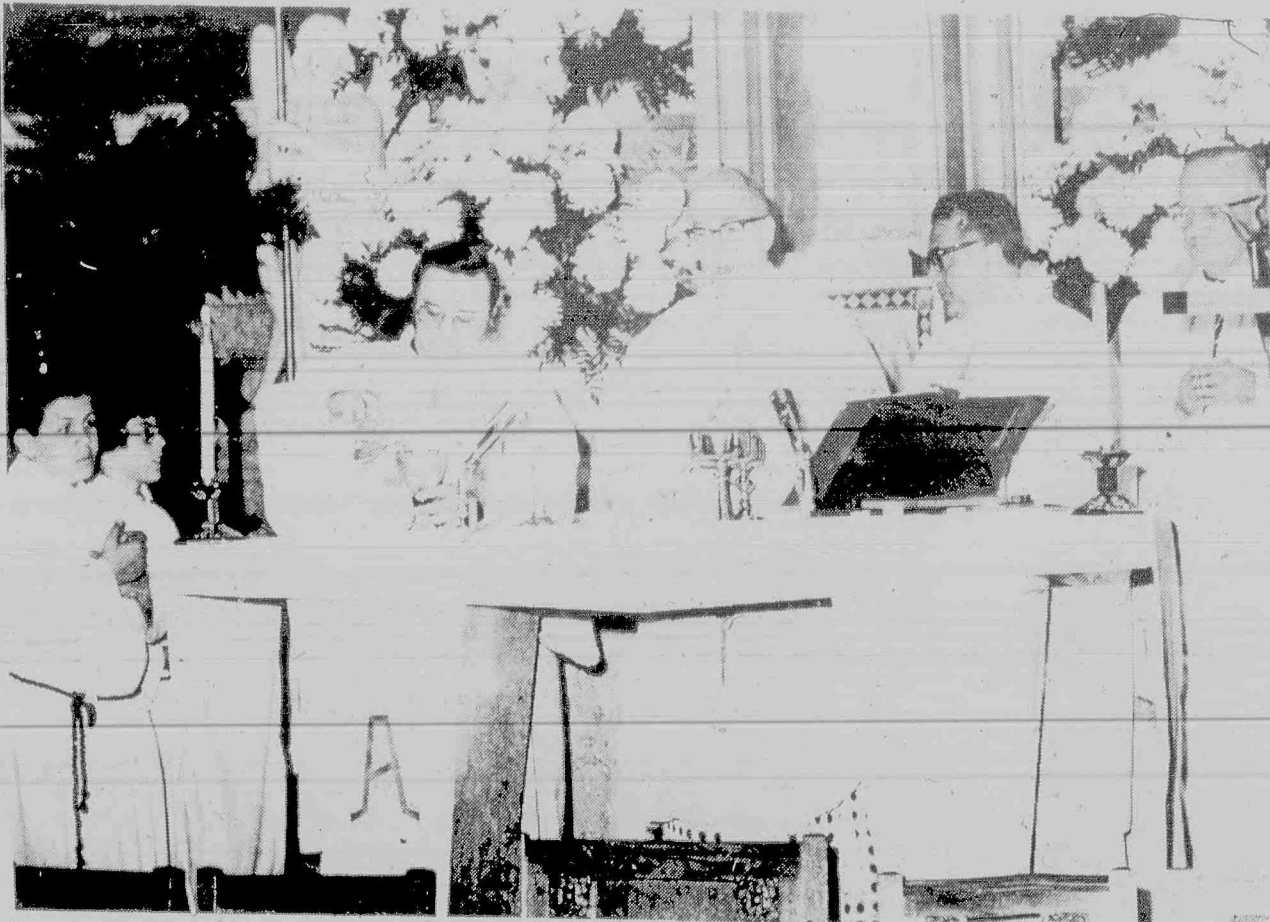

Pica's fellow Board members also came to his defense. Trustee Schwartz said of Risoli's statements, "I think it is crass to insinuate these actions were done for support. We put a lot of hours into negotiations, and I take it (Risoli's press release) as a personal affront."

Discordant notes

The "Editor's Journal" which ran last week apparently struck a sour note with a number of people in town, including the Director of Music, band members, and even some members of the Board of Education. See the letters on pages 4 and 5 and this week's response by the editor.

By GEORGE CHENOWETH

Every member has an obligation to find out the facts about the candidates in this year's election. On election day, every member has the right to vote as he or she thinks best. How you vote is your secret. Your vote is a priceless privilege. Don't let anyone confuse or mislead you into voting against your best interests.

"The Full Life," the Essex County Senior Citizens Newsletter for October contains what is perhaps a most concise and comprehensive outline of the provisions of the New Jersey income tax as it concerns senior citizens. The article covers rates, taxable income, exemptions, allowance for medical expenses, credits for tenants and much more information. We have a limited amount of copies for ready reference.

Another milestone has been reached in the history of The Belleville Senior Citizens Club, Incorporated. The members celebrated their third anniversary with, what all proclaimed, was a most pleasant and successful party. The locale was the Branch Brook Manor and the date was last Friday. We were honored with the presence of Mayor Marotti and Commissioner McGreevy, the other Commissioners could not attend but sent their regrets.

This group of people know how to enjoy themselves. We have never had an unsuccessful party and now we are looking forward to the next one.

Rheumatism is actually a group of diseases which produce an inflammation of body tissue. Rheumatic diseases are not one of the newer afflictions of mankind. As a matter of fact, the Java man, who lived some five hundred thousand years ago, and the Neanderthal man, of some twenty-five thousand years past, were both victims of arthritis. another casino measure was defeated two years ago, supporters of the new one hope limiting the scope to Atlantic City will increase voter support.

Many clergymen, however, have come out strongly against the

measure, including members of the Belleville Ministerium. (See "Letters," page 5.) Observers are predicting a close vote on the measure, but most seem to believe the proposal will be defeated.

Republicans have, according to Ferrara, been making a big push

against the now all Democratic Board of Chosen Freeholders. "Our candidates have been working very hard. They have been out ringing doorbells, and have gotten a good reception from the people."

Both local organizations are planning breakfasts Sunday, and both leaders say they expect large turnouts. They are hopeful these final affairs and hard work by district leaders will hike voter interest.

According to Ferrara, the Republicans will provide transportation to the voting booths for senior citizens and anyone else needing a ride. The Democrats, said Mrs. Senatore, have no such plans.

Ferrara also pointed out the possibility of senior citizens using the

Pica said the Board had saved the town \$500,000 with teacher layoffs. Board member Richard Mahmorian also supported Pica, and added, "I would like to have the taxpayers look into the increases in the Department of Public Affairs and see how much that has gone up as compared to the Board's."

Several Trustees labeled Risoli's

statement an early start to a campaign for a Board seat.

Next year, Board members Pica, Schwartz and Mrs. Viola Spray will be up for reelection, and observers expect Risoli to challenge the incumbents for a seat.

Newarkers fined for purse snatching

Two Newark men, arrested October 6 for purse snatching, were fined \$400 each, during proceedings in Belleville Municipal Court October 20.

Hector Rosario, 181 Woodside Avenue, and Francisco F. Rodriguez, 774 Mt. Prospect Avenue, were arrested for stealing the purse of Kathleen Mercado containing \$80.

Judge Edward Abromson imposed a \$400 fine on each defendant while handing down six month suspended sentences and two years probation for each of the accused.

Belleville police officer Anthony LaVista was the complainant in the cases.

President Ford

Making a presidential choice Tuesday, November 2 is not the most difficult decision we have faced in our lifetime.

In fact it is easy to come by. President Gerald Ford should be re-elected because — he has restored integrity to the White House — he has restored the prestige of America throughout the world — he has restored the confidence of grass-roots America in the presidency — he has eliminated double-digit inflation — he has eliminated most double-digit interest rates.

Ford is compassionate and decent, and despite Mr. Carter's Southern rhetoric, Ford is concerned over unemployment and Senior Citizen problems.

Mr. Carter's solution to unemployment is to create a Civilian Conservation Corps of the type that existed during the great depression of the 30's. Government spending to make

jobs in order to take people off the unemployed rolls is no way to secure the future fiscal strength of America — and if we are fiscally weak we are in danger of losing all of our strengths.

Mr. Carter speaks of a divided America. This is ancient history. America today is no longer divided, witness the Bicentennial Fourth of July celebration throughout this great land of ours.

Frankly, we do not trust Mr. Carter. Even though President Ford may not be too inspiring, he is competent, honest, and dedicated to a renewal of trust in government.

In a word — WE CAN TRUST FORD.

Cryan for sheriff

Incumbent Sheriff John Cryan has done as much as any single public official to stamp out drug traffic in Essex County.

Under Cryan's leadership the Sheriff's Department has become a professional appendage to Essex County government.

Cryan has raised the level of his office's performance. Ever mindful of the taxpayers' dollar,

Cryan has prudently handled public funds. Cryan's record reveals a public servant who views his office as a public trust. Cryan has earned the right to be re-elected.

Frank A. Orechio

Williams for U.S. Senator

Over the past 22 years U.S. Senator Harrison Williams has compiled a Congressional record which he is asking voters to evaluate and re-elect him to the U.S. Senate on November 2.

Senator Williams, known to his intimates as "Pete," has been a very effective Washington voice for the people of New Jersey. Both Republican Clifford P. Case, the senior U.S. Senator, and Pete Williams have similar voting records. Both Case and Williams have been re-elected time after time—because of those very records.

We think Republican U.S. Senate candidate David Norcross

is a good, decent young man. He suffers from lack of money, lack of exposure, a non-existent statewide Republican organization—and most of all—his greatest handicap is the personal strength of incumbent U.S. State Senator Harrison Williams.

We believe U.S. Senator Harrison Williams has earned re-election, and we endorse his candidacy without reservation.

Frank A. Orechio

Joe Minish for Congress

Congressman Joseph Minish has something in common with U.S. Senator Harrison Williams. They have been excellent Washington spokesmen for the people they represent.

Personal integrity is a rare commodity in Washington political circles. Both Pete Williams and Joe Minish are recognized by their peers as men of personal integrity, dedication

and competence.

Joe Minish is a courageous Congressman, daily serving the people of the Eleventh Congressional District. We have the greatest admiration and respect for Joe Minish as a man—and as a Congressman. He is our choice to succeed himself.

Frank A. Orechio

Those terrible Freeholders

Every year voters are asked to elect three Freeholders, and every year — at election time — we are told how badly the Democrat Freeholders perform. And every year — in recent times — voters have regularly reelected and elected Democrat Freeholders.

The results make it obvious that voters time and again have rejected Republican campaign rhetoric and look beyond cam-

paign promises to the performances of Democrats in office.

On the basis of the performance of the Democrat Board of Freeholders, we endorse Freeholders Peter Stewart, Martin Scaturro and Russell Fox for reelection.

Column called 'irresponsible'

To the Editor:

As Music Director of Belleville, I feel I must respond to your article "Music Lovers Deserve a Break" which appeared in the "Editor's Journal" column of the Belleville Times/News dated October 21, 1976.

Constructive criticism in its proper perspective is always received positively. However, irresponsible and uninformed opinion without proper research is damaging to the community and unfair to the music students who work diligently for their town.

According to Robert Wing, the high school Band Director, the high school does not and never has "commanded fees" for local community performances. In truth, representatives from various organizations have approached him in the past asking for service and volunteered payment. As years have passed, these services have become automatic and the various organizations have seen fit to send larger amounts to the Belleville High School Band Fund.

Because all groups must assume financial accountability, it has been necessary for the Band Director to sign receipts for this money. These receipts have been in the form of vouchers or contracts both. I can understand that civic organizations do naturally rotate their officers from year to year and during the course of years, misconceptions could arise concerning payment of services.

Concerning your personal opinion that "commercial jingles are insidious," you naturally have a right to your own opinion. However, your reference that the band played "the Pepsi Generation" song and Coca-Cola's "It's The Real Thing" is incorrect since the band does not list these selections in its repertoire. The song which you refer to as McDonald's "You Deserve a Break Today" was played. Please be advised that this song is correctly entitled, "You, You're The One" and as such, it is the perfect song for a football game or a political rally.

Traditional college fight songs and the 1812 Overture are examples of music that was readily accepted by

audiences in the past. The current sounds for high school groups clearly shows the movement toward "pop" and bugle corp sounds, as was witnessed at the recent Clifton High School Stadium where forty-five high school bands participated for three evenings. In fact, it is possible you heard the famous Pepsi, Coca-Cola, McDonald and other commercial jingles at the Festival when indeed these selections were performed complete with field routines and done brilliantly. I am enclosing, for your information, literature received by me recently which lists "The Year's Top Marching Band Tunes." Please note the titles, which mention only "today" sound songs being played all over the United States:

"The Hustle"
"Theme From 'S.W.A.T.'"
"Loony Tunes, Charges and Cheers"
"Feelings"
"Fly, Robin, Fly"
"Fanfare for a Celebration"
"That's The Way I Like It/Get Down Tonight"
"Free Ride"
"Malaguena"
"Love Will Keep Us Together"

Mr. Jackson, you have been most kind to our high school band students who put in much extra school time in order to perform for the satisfaction of the people of Belleville. They, and their parents, were entitled to an editorial which was properly and unbiasedly researched.

My office was, and is, at your disposal and I suggest you contact me personally so that I may explain the total music education program and its philosophy. Properly informed, you can be a great service to the community in creating positive public relations and thereby enjoy a town that is ever growing and a town in which you can be proud.

In all fairness to those concerned, I ask that you print my letter in its entirety. After all, our "Music Students Deserve a Break."

EDITOR'S JOURNAL

A response to many responses

By CHUCK JACKSON

Well, it looks like I'm the "heavy" in the eyes of some people in town.

It only took one column, and I have been accused of "irresponsible" and "haphazard" reporting, and also been called "pathetic." All this the result of my comments last week on the music played by the Belleville High School Band.

In a way, I suppose I deserve some criticism, since I apparently failed to make my position crystal clear. But I still don't think my comments were "way off base," as one caller put it.

My remarks about the music the band has been playing, commercial jingles, were not meant as a put down of the student musicians. I have no doubt the men and women in the group know how to play their instruments and know how to play them well. I am sure they work hard at it and deserve a lot of credit for the time they put into the band.

What I was asking for was an oppor-

tunity for them to show this talent by being given a variety of music to perform. I don't think there is anything wrong with that.

My gripe was with the selection of the music only, not its performance. So, if blame has to be laid at anyone's doorstep, it would go to the person who selects the music, the Band Director.

I'm not going to belabor this point, and in fact, I agree with Music Director Frank Scelba in believing the less said about all this the better. The goal of that column was to air my opinion and also to make others think. I am pleased to see I succeeded in the latter, since I have received numerous comments on the column, both pro and con.

As a preface to that column, I mentioned discussion at the Board of Education concerning money paid to the band for performances. I am now told the band is not paid, but receives donations.

It was in connection with this part of the column that I received a call from a member of the Board of Education accusing me of "haphazard" reporting. I will

Golden Comments

By James R. Golden

The flurry of political campaign rhetoric being heard these days brings to mind the story of the candidate who, after delivering a long, but what he considered a stirring, fact-filled speech, looked out at his audience and with confidence asked, "Now, are there any questions?"

"Yeah," came a voice from the crowd. "Who else is running?"

In Belleville's politics there are things which, were it not for their seriousness, might be looked upon as jokes also. For instance, the hassle over the Commissioners voting 4-1 for a resolution to pullout from the Community Mental Health Service clinic, then, a week later, indicating the reconsideration of the matter would reverse the earlier plan to drop out of the clinic.

Without considering the relative merits of Belleville's participation in the clinic, which it admittedly performs as a worthy humanitarian service, it is sad to note how ill-prepared and uninformed some of our Commissioners are when called upon to vote on such matters. Don't they know what they are voting for or against and the resultant repercussions their vote might engender?

Another political gaffe (blunder or tackless remark) occurred at the Optimist Club installation of its new President Joe Raimo. Commissioner Saletta, the out-going President, was unable to attend the affair due to a previous business commitment set up by his employer and some wag, seizing on the opportunity, got to the affair early and conspicuously placed on many tables, before the guests arrived, placards containing remarks disparaging to Saletta's political position. Neither the Optimist Club nor Commissioner Saletta look favorably upon such "dirty tricks."

It is also being rumored in some political circles that Mrs. Maria Clarizio, wife of Zoning Board member Peter Clarizio, is flirting with the idea of running for Commissioner the next time around, with strong support coming from her husband who had played a strong supporting role in facilitating Commissioner Saletta's last election.

The Belleville Red Cross Chapter is desperately in need of volunteer drivers, on full or part time basis, to help them in their efforts to transport handicapped local residents to nearby health institutions for treatment. Such assistance need only take as little as two hours a day and schedules can be arranged to suit the convenience of the volunteer drivers who would operate the Red Cross insured and mechanically perfect vehicle. The appeal is made for both men and women drivers.

Anyone willing to lend their services to this worthy organization and aid them in their helpful assistance to our aged and infirm should call Mrs. Sophie Bade, District Administrator, of the Belleville-Bloomfield Chapter of the American Red Cross between 9 a.m. and 4:30 p.m. Phone number 676-1616. Your concern will be appreciated.

Times have indeed considerably changed, especially in the field of morality. Taken from a column "Capitol People," by Dean Reed: "PLAYTIME: That magazine is now on the newsstands, and the giggling isn't so much about the infamous Jimmy Carter interview as interviewer Robert Scheer's remarks about the young Carter staff."

"They are, at least some of them, as hard-drinking, fornicating, pot-smoking, free-thinking a group as has been seen in higher politics," Scheer reports. He tells of an exchange he taped with Carter campaign director Hamilton Jordan. Q: "Given the purity this campaign has projected, I find it odd that few of your guys go to church, that you all drink and mess around and some of you even smoke dope. Isn't there a contradiction?" A: "No, Jimmy's not self-righteous. He's very tolerant. If he weren't, he just wouldn't have people like me and Jody (Powell) and (Gerald) Rafshoon around him."

From the above from a reliable Star-Ledger Washington Bureau correspondent, it sure makes Jimmy Carter look more fuzzy than ever. What kinda President would he be if he goes for this stuff?

Editor shocks student

To the Editor:

I was deeply shocked and enraged when I read Mr. Jackson's article on the Belleville High School Band. At first, I was so shocked and disbelieving, I had to read the article approximately five times.

The Belleville High School Band, and when I speak of the band, I include the Color Guard, Twirlers, and Flag Squad, has always been a bright spot in the history of the school. This year, the band has undergone a great change in the way of last year's seniors graduating, and new members joining this year. This is, more or less, a "rebuilding" year for the band.

Incidentally, what we call and consider a "rebuilding" year, would most likely be a good year for most other bands in this area.

I question the editor's knowledge of the selection of contemporary tunes, commercial or non-commercial, and also of the tunes we actually do play. In our entire repertoire of songs we have precisely three so called "commercial" songs out of 25 or 30 which we are capable of playing.

As for the editor's statement on the band not playing any college songs, I would like him to know that all band members have a complete book which contains a number of these college tunes, such as "On Wisconsin," "The Notre Dame Victory March," and many others. In fact, the title of this book is "The College Songbook."

As for the editor's statement on the band playing a "higher grade of music," I would like to invite him to band practice to show him the hard work and time that it takes to play these songs of the "lower grade of music."

Questioning the band director's choice of music is, in my mind, like questioning the football coach's calls on the plays. The band has always

been something to view and enjoy, not to criticize and call commercialistic.

The editor proved that his experiences in music are limited, when he provided the "1812 Overture" as an example of good entertainment. I do not feel that fans at a football game would truly appreciate the editor's taste in music. A selection like that should be saved for an indoor concert which the music department provides seasonally. In fact, that same "1812 Overture" Mr. Jackson refers to, was performed approximately two years ago.

Again, I must reaffirm the fact that we play music for it's musical value and quality which is why the band director chooses them. Some of the so called commercial songs are written by famous contemporary composers and have lyrics of their own, such as "Look Up America." We did not play any of the songs mentioned by Mr. Jackson, by the way.

His idea to make money by asking companies to pay us, is absolutely absurd. We choose all of the music, the companies do not. However, the money we do make from parades and local activities is a contributing factor towards our annual band trip, which so far has spread the good name of the band as far as Bermuda and Florida.

In Paramus, I was proud to play for the President. A fellow band member told me he was questioned as to what town the band was from, because we played so well. He PROUDLY replied "Belleville."

I am very annoyed that the editor feels the way he does, but I hope that every citizen of Belleville is as proud of the band in this year as I am. And I hope that they will continue to be in future years.

Ministers opposes casinos

To the Editor:

Election Day, November 2, is the time for voting, which is a precious responsibility for each of us. We must protect this right by casting our ballot on all of the major issues before us.

Included in the total ballot this year is a re-run of the referendum to legalize casino gambling in New Jersey. The first referendum vote was a definite rejection just two years ago.

The forces pressing for casino gambling have as their immediate goal the single location of Atlantic City. It is our firm belief that once Pandora's Box is opened the winds

released cannot be stayed.

The arguments are many against the referendum. We have an anxious concern for our young people, our families and for all New Jersey communities. The containment of crime and vice is weakened with the permission of casino gambling along with the associated life-style that prevades a gambling community. This opportunity to reject the development of a gambling presence in our midst can be, and must be sustained by a strong popular vote, "NO."

The following members of the Belleville Ministerium urgently ask the voters of Belleville to definitely reject this attempted inroad by voting "NO" on the Referendum to Legalize Casino Gambling in New Jersey.

Juniors brighten Geriatric Center patients' lives

Sharing the 300 patients at the Essex County Geriatrics Center located in Belleville is this year's Eighth District Project. The project, now in its fifth year, is being chaired by Mrs. Marie Vicchiarello of the Nutley Junior Woman's Club.

The 14 Junior and Sub-Junior Clubs are combining their efforts in this service project to provide social activities for the center. The District's Juniors are responsible for conducting weekly games on a rotating basis in the center's cafeteria. These Thursdays are special for the 50 patients who participate in the games because the Juniors always manage to socialize with the patients. Afterward the patients receive "Chits" redeemable at the patients' boutique. The clubs also donate hundreds of items ranging from radios toiletries throughout the year to stock the boutique.

Tray favors commemorating a holiday for the month are also donated by each of the Junior Clubs. The Junior Woman's Club of Belleville will be making tray favors for the month of June.

Recently Mrs. Rose Mary Hood, District Advisor, Mrs. Marie Vicchiarello, District Project Chairman and Mrs. JoAnn McGough of Belleville, District Home Life Chairman, had the pleasure of presenting 15 afghans that were made the previous year to Mrs. Sweetwood, secretary to the Medical Director, and Raymond Slabile, secretary to the Superintendent of the Center. The afghans which will be distributed to the patients consist of 40 crocheted or knitted squares each. All of the clubs participated in making the squares and then helped join them into the finished products.

Future plans of this continuing project include a joint Christmas Caroling party by the Belleville and Nutley Juniors. In February, the District Music Festival chaired by Mrs. Cathy Fitzpatrick of North Arlington will be presented at the center. Also, the Sub-Juniors of Arlington, Clifton, and Nutley are formulating plans for their own projects in the coming months.

The Eighth District Juniors are sharing themselves with 300 others through this project.

Belleville in '30s is subject of film

The Belleville Historical Society is going to show its film "Belleville in The 1930's," on Friday evening December 6, at 8 at Belleville High School.

This film shows what it was like to live in Belleville in the '20's and '30's. It depicts a large variety of subjects, from sports to the run of the last trolley car on Washington Avenue.

A list of personalities of the day will be shown such as Mayor Kenworthy, Commissioners "Bill" Williams, Pat Waters and Frank Carragher, Police Chief Flynn and Sergeant Pearl standing in front of the Town Hall with the Belleville Police Force; Fire Chief Hirdes and Assistant Alex Reid and shots of their Dalmation mascot climbing up a ladder in front of the Firehouse on Washington Ave.

Shots of racing on the Passaic River and highlights of the Belleville-Nutley and East Side games in 1928 will also be shown.

It will also show what Belleville looked like from the air in 1930.

These films are old and brittle. They will have to be reproduced so that future generations of Bellevilleites will be able to see them. The cost will be near \$1,000. The society is charging \$1.00 a ticket in order to meet this expense. Tickets can be obtained by contacting Viola Mitchell 759-8361 or the Belleville Public Library, 759-9200.

Doors will open at 7 P.M. and entertainment will be provided before and during intermission.

Blood bank seeks volunteer workers

The Belleville/Bloomfield Red Cross is appealing for volunteers to work at blood banks making hemoglobin determinations.

Banks are held at various nearby locations several nights a week between 7 and 9 p.m. They are also held weekdays and on weekends, according to Mrs. Rosemary Cobianni, blood chairman.

This is an excellent opportunity for registered nurses and medical technicians to volunteer their services, to assure that ample supplies of critically needed blood are available. But those without previous experience can also help. Although North Jersey Blood Center must certify all hemoglobin determiners, for R.N.'s, certification takes only a few minutes' time. Others are given training to obtain certification.

The blood bank is also in need of volunteers to register the donors, and record a preliminary medical history. Volunteer canteen workers are also needed.

Anyone willing to serve on a regular or part-time basis is urged to call the Belleville/Bloomfield Red Cross at 676-1616 to register, or visit the Red Cross office at 324 Belleville Avenue, Bloomfield.

GOP hopefuls blast Dems

The three Republicans seeking seats on the Essex County Freeholder Board have sharply criticized the present board for its failure to construct a sorely-needed replacement for the obsolete County Youth House and their "vain efforts to save face" by financing \$500,000 in renovations that have still not rendered the facility escape-proof.

"This is the result of the mismanagement that comes from having an all-Democratic freeholder board," said William E. Hancock, Dr. John F. Donato, and Matthew Carracino. "The current board members are so deluded with self-satisfaction that, although they vote themselves a raise of \$3,000-a-year, they claim they cannot afford to construct a Youth House secure enough to prevent the escape of hard-core offenders who could endanger Essex County residents."

The GOP candidates noted that two years ago, truants, runaways, and minor offenders were moved from the Youth House in Newark to

the facility for Juveniles in Need of Supervision (JINS) in Verona. As a result, they said, the Youth House on Sussex Avenue in Newark "really presents a problem, because it holds tough, street-wise young criminals who are often able to escape."

Five years ago, the Board of Freeholders refused to follow advice from members of the Youth House Board of Trustees, who called on them to build a new facility. Instead, they spent \$500,000 to rehabilitate the existing detention center, but members of the trustee board contend it is still not secure enough to hold the toughest type of inmate.

Several escapes are reported to have occurred over the past few years, the Republican office-seekers said.

"And to make it worse, these unsatisfactory efforts at rendering the Youth House more secure may have caused the county to violate New Jersey Supreme Court regulations by placing juvenile offenders in the Essex County jail," Donato, Hancock, and Carracino explained.

Paper drive guide published

A free guide to fund-raising through collection and sales of old newspapers for recycling has been published by Garden State Paper Company, Incorporated.

"The Newspaper Drive-A Moneymaker For Your Group," is aimed at volunteer organizations which need to raise money and want to perform a useful public service while doing so, a company spokesman said.

Among benefits of newspaper recycling are reduction in the volume of a town's solid waste, energy savings and reduced pollution inherent in recycling, and preservation of forest resources for many essential uses other than papermaking.

Garden State Paper is a subsidiary of Media General, Incorporated, and is the world's largest recycler of old newspapers into fresh newsprint. The company last year recycled more than 300,000 tons of used newspapers at its mills in Garfield, and Pomona, California.

The 12-page booklet is available by writing to the Paper Stock Procurement Department, Garden State Paper Company, Incorporated, at Park 80 Plaza East, Saddle Brook, New Jersey 07661.

Grossman named T&E coordinator

The Belleville Board of Education has appointed Seymour Grossman, Assistant Superintendent, as the T&E coordinator for Belleville. Every school district in New Jersey is required to develop an educational plan according to specific directives outlined by the State Department of Education. The Belleville Board of Education has adopted a policy that is consistent with provisions for the implementation of a Thorough and Efficient education as defined by the New Jersey Administrative Code.

The plan was described by Grossman in detail and following approval of the plan, methods of selecting the steering committee will be discussed. Grossman will work with the committee which will involve the Superintendent, parents, students, teachers, member of the Board of Education and administrators.

The T&E system includes: Goal Development, Goal Assessment, Program Improvement, Evaluation.

The initial step in Belleville has been to disseminate information to the school administrators who in turn will train the faculty and then form its own task force. Each school will begin to develop its own goals and objectives and after they have completed this first phase, the dis-

trict goals will be determined by the steering committee.

The T&E program will take five years to complete; however, each year there will be an evaluation of goals, needs, program improvement and program implementation.

"We believe that our schools exist to provide a good program of general education to our youth to help them become effective citizens," said Grossman. "We, in Belleville, have always had a comprehensive curriculum and improvement has always been a continuous process."

Bellevilleite fined on assault charges

A 49-year old Belleville man charged with two cases of assault on August 22 was fined a total of \$200 during proceedings in Belleville Municipal Court October 20.

Anthony S. Santilli, 429 Union Avenue, was arrested August 22 for assault and battery upon a Belleville Police officer and assaulting Audrey Santilli and her daughter. The defendant was also accused of tearing a telephone from a wall, breaking a TV antenna, and an ironing board.

Judge Edward Abramson, Belleville Municipal Court, imposed a \$100 fine for assaulting a police officer after Santilli pleaded not guilty to the charge. He levied two additional \$50 fines for the other charges.

Audrey Santilli, 263 Hornblower Avenue, Belleville and officer Edgar Panier, Jr., Belleville Police Department, were the complainants in the case.

'Fiddler' to open at local theater

Family Playhouse, 28 Brookline Avenue, Nutley, will present "Fiddler on the Roof" beginning November 5 for a three week engagement.

Three performances are already sold out, November 12 & 13, and the November 20 performance has been taken by the Clifton Chapter of the Deborah Hospital. Early reservations for the remaining performances are strongly recommended. For further information call 997-5626.

Floating defense —The Bellboy defense jumped into action at Irvington in an attempt to block a kick Saturday. The Camper offense kept the Blue-Gold defenders busy all day in the 28-2 loss. Members of Belleville's flying brigade include, left to right, William Giuliano, Joe Gelpi, Ralph Amiano, John Gotto, and Scott Ochse.

Eagles arrive on Saturday

By JOSEPH RYAN

The Eagles will land at Belleville Municipal Stadium Saturday with an impressive 4-1 record. Essex Catholic has met and dispatched from the gridiron, Harrison East Side, Patterson Kennedy, Don Bosco, and Morris Knolls. Only East Orange has defeated the Eagles in an opening day win. The Bellboys will face a definite challenge.

Eagle coach Vic Golat expects the game to be the kind in which the record books can be discounted because of the rivalry between the schools. The second year coach notes many Essex Catholic players are from Belleville and both schools have a cross-over student population. "The two schools are very close," Golat said. "Belleville will be psyched and our kids will be psyched."

Saturday's competition will also be the first Bellboy-Eagle match for the players on the field. Belleville can expect the Eagles to come at them full force for there will be no familiarity to breed contempt. Coach Golat isn't underestimating the Bellboys either.

The Eagle's coach has seen the Blue-Gold gridders in action this year and states, "I think they're a tough team physically. They're big. They hit very well."

Golat also said he noted the throwing talent of BHS quarterback Joe Gelpi earlier in the season and the punting ability of Mike Limongelli.

The passing game will be emphasized in preparation for the Eagle confrontation, according to Bellboy coach Tom Testa. He noted the defense will inevitably wear down if the offense can't sustain a drive. Belleville must learn to mix the plays if a good offensive game can be created. "We have to put the ball in the air," Testa said. The coach is hoping for the healing of Joe Gelpi's sore hand. "The rest is academic."

Scouting reports for the Blue-Gold note Eagle quarterback Tyrone Balkum is also capable of a good passing game and Testa noted Balkum also likes to run with the ball on the option. The line from the Belleville scouts on Essex Catholic is the team has good size but isn't as fast as Irvington. The most important assessment can probably be made from their record, 4-1.

Eagle coach Golat laments the loss of seven of his players to injuries but his survivors seem to be compiling an enviable win-loss record for themselves. The coach also calls his Eagles small but his standards for size must be high.

Tyrone Balkum is set to start at quarterback and stands 6-2, and weighs 190. Golat points to Balkum, a senior as one of his offensive stars who shares the spotlight with junior running back Dave D'Andrea, (5-9, 170). Gilbert Wright, (5-10, 165), is a senior Eagle who will also

Campers clip bruised Bellboys

"We've learned to live with adversity," coach Tom Testa said after the 28-2 Bellboy loss to the Irvington Campers last Saturday.

The adversity included a 50 percent effective quarterback with a sophomore back-up leader and the absence due to injuries of George D'Alessandro and Chris Cervasio. Despite the adverse physical conditions the Blue-Gold fielded a team but were drubbed by the talented Campers.

Testa said Irvington was certainly a "solid club" with the "fastest backs we've faced." The fleet Camper backs accumulated 237 ground yards and distributed the gains among seven runners. Senior Camper back Stan Jones led the Irvington charge by compiling 86 yards for the day including a touchdown run. Joe Gelpi put in time running for the Bellboys and led the team with 43 yards.

Gelpi returned for the Irvington game to offensive duties. The senior Bellboy started at quarterback and took carrying assignments while Fazzini ran the team. Gelpi's yardage convinced Testa his ailing quarterback's offensive and defensive performance was the highlight of the

Distance runners are victorious

The Belleville cross country harriers ran more than 30 miles this year before they earned their long awaited first victory of the season.

The Blue-Gold racers finished nine runners in the first 12 to down Columbia at a tri-school meet last Thursday in Belleville Park. Bloomfield also ran placing nine runners in the top 12 to beat the Blue-Gold team.

Monday the victorious cross country squad will travel to Passaic to race the Indians for the last scheduled dual meet of the year. Tuesday the harriers faced East Orange in an away duel but the

results were in too late for this edition of the Times/News.

"It's nice to win one instead of having to lose all the time," cross country coach Rich Ruffalo said after the Columbia victory. "After all this hard work it's nice to have something in the win column. It's a rebuilding year and now we have something to rebuild on." Ruffalo added he might schedule meets against Orange and Glen Ridge to give his young harriers more experience. The addition of Columbia to the Bloomfield meet was part of the coach's program to let the Blue-Gold

Tennis team topped

The Bellgirl racket squad continues to court experience by meeting opponents with better skills but no more desire than the first year girl's tennis varsity. The apprenticeship led last week to two more defeats, 5-0, by Columbia and 3-1, by Immaculate Conception.

The season ends with two more matches for the Bellgirls. Tomorrow the racketeers travel to Immaculate Conception for a contest and next Wednesday the Blue-Gold racketeers will close out the year by hosting East Orange Catholic at home. The Belleville net set met the Irvington Campers of the court this Tuesday but the results were in too late for this edition of the Times/News.

Columbia shut out the Bellgirls, 5-0, last week. The Columbia team has only one loss this season to Westfield, the top ranked team in the state. Despite the fact the Blue-Gold team was overmatched, coach Karen Fuccello admitted, "we played poorly." The girls coach said she believed an idle week between matches was what hurt the Belleville net set the most. The weather was lousy for tennis but Fuccello said, "it was cold for them

(Columbia) too. The weather wasn't as bad for the Immaculate Conception contest it just got too dark to play tennis, such are the hazards of the fall season.

Toni Spurduto won the first singles match, 6-4, 6-2, over Tricia Kenny. Fuccello called the sophomore's performance, "the best match she's ever played." The coach said Spurduto, the top ranked Bellgirl, played with intelligence, using spin shots and keeping her opponent moving on the other side of the net. Spurduto played aggressively attacking the net and the "tremendous win" was "a coach's dream."

Meg Powers of Immaculate Conception defeated Bellgirl Patty Connelly in the second single match. Fuccello said Powers looked like the opposition's strongest player. Junior racketeer Connelly only needs a little more consistency to her game to come out on top, according to Fuccello.

Fuccello noted sophomore LuAnn Graffeo continues to show improvement in her game.

Bleak week for soccer

It was a bleak week for the Bellboy soccer team. In seven days Montclair, Columbia, and East Orange all conquered the Blue-Gold booters, eliminating the chance for Belleville's entry into the county and state tournament.

The 5-8 soccer men can now strive to finish in fourth place in the Big Ten a goal within reach if the final three games go better than last week's efforts. Tomorrow the booters travel to Bloomfield for an afternoon game at 3:45. Next Friday the Bellboys will end their second varsity soccer season in Nutley with a contest at 10 a.m. Yesterday the Bellevilleites

visited Kearny for a return match but the results were in too late for this edition of the Times/News.

A scoreless first quarter started the 4-1 loss to Montclair last week. Vito Tamborrino started as goalkeeper and successfully held off scoring in the opening period. The Mounties scored twice in the second quarter however and Tamborrino took a shot on the knee that prevented him from playing up to his full potential so coach Tony Cahill replaced the injured Bellboy with Tony Cordaro. Tamborrino had 12 saves in the game.

The Bellboys began to ease the pressure away from their own net as evidenced by the fact Cordaro was challenged by eight shots to Tamborrino's 14. Hernan Borja put the Bellboys on the board in the third period with a penalty kick that was good but Montclair stayed on top to win 4-1.

"We exerted pressure but couldn't make up the difference," Cahill said. "The game was pretty much played at

midfield. I don't think anybody dominated."

Perhaps the toughest loss for the Blue-Gold booters all year was the 1-0 loss to top ranked Columbia last Friday. "Defensively, it was the best game we played all year," Cahill said. The BHS coach praised the defensive work of sophomore fullback Rudy Fabiano and senior Jeff Mack for their work stopping the best Columbia scorer center forward DeVivo from putting the ball in the net. The two Bellboys did a "very, very, good job on DeVivo," Cahill said.

The single Columbia score came in the third quarter when the opposition booted in a penalty kick. Cahill said the official's call was "a little mysterious." He noted a pushing penalty against the Blue-Gold was called by an official 65 to 70 yards away while the ref in the immediate area did not call it. Also, the official could not identify which Belleville player committed the foul. Columbia

Speedy Campers rush to win

fourth loss. Joe stood out on the entire Belleville squad and added something to our offense" Testa said.

"Overall they displayed a lot of courage," the BHS coach said of his battered Bellboys. He pointed out every Camper back played on the

team last year and with the depth of talent the opposition gave the Bellboys a constant pounding. Due to injuries and the small size of the gridder squad this year, Testa said the available Belleville manpower has been "quite slim, but we've got to hang in there."

The Bellboys first break in the game came when the Campers kicked off and the ball went out of bounds and the Blue-Gold started with the ball on their own 40 yard line. Prospects for the day looked good when the Bellevilleites picked up a quick first down in two plays.

The gain was practically negated though when the Bellboys incurred a penalty for an illegal forward pass but the team picked up again when the Campers were charged with an offside call. On third and four the Bellboys were stopped on their own 36 so Mike Limongelli boomed a 54 yard punt into the end zone to start the Campers on their own 20.

Another break to the Blue-Gold's advantage went down the drain when Belleville found themselves on the Irvington 22 due to a holding penalty against the Campers. On fourth and one the Bellboys failed to gain the

first down and Irvington took the ball on their own 24.

The Campers then mounted a 76 yard scoring drive on the ground capped by a 10 yard run by Jones into the end zone. The Campers picked up four first downs in the drive including runs by Jones, Kane, Larry Fascenelli, and Jack Fiorenza. Fascenelli ran successfully for an extra two points and with 10:45 remaining in the second quarter the Campers were out front, 8-0. It was all they needed.

The breaks for the Bellboys did not return. The Camper kick-off was called dead on the Belleville eight yard line. The gridders drove 40 yards from the line of scrimmage on six plays with two first downs but were forced to punt from the 48. Joe Gelpi highlighted the drive with a 21 yard run.

The Irvington offense was now in gear and they promptly started another 76 yard march for the points. Fascenelli opened the advance with a 30 yard gain through the Bellboy defense. Quarterback Jemas connected with Kane for an eight yard air gain and the Campers picked up an additional 15 yards on a Belleville face mask penalty.

Jemas took to the air again to Al McDonald for a 20 yard gain that put Irvington on the Belleville 2. Jones scampered two yards and after the extra point attempt was missed,

the Campers led 14-0 with 1:38 remaining in the half.

Bellboy Louis Valenti recovered a Camper fumble the second play after the second half kick-off but the Bellevilleites fumbled and lost the ball back to the opposition. Again Irvington ran for the goalposts on nine ground plays through the much worked Belleville defense. Kane went 10 yards for the TD and Gibki converted the extra point kick and the Campers led with 5:49 remaining in the third quarter.

The Blue-Gold offense once again showed signs of life after a Camper touchdown by rolling 53 yards with two first downs but couldn't sustain the attack. The series included an 11 yard pass play from Gelpi to junior Joe Salters and a 14-yard gain by Gelpi.

Irvington took possession on their own 14 and when the Belleville defense forced a punt from the 17 they set up the Camper miscue that led to the only points of the day for the Blue-Gold. The Irvington center hiked the ball over the head of the punter into the end zone and Belleville got two points on the board with 8:01 remaining in the game.

Belleville received a free kick but punted in three downs. Once more the Campers ran for six points going 69 yards in nine plays. Gibki's extra point kick was good and the Campers chalked-up their 28-2 victory with 1:12 left in the game.

Local weightlifters take home trophies

The Belleville Barbell Club garnered a lion's share of individual victories in recent AAU competition.

At the Open Meet in Reading, Pennsylvania, Belleville lifters won two first places and two thirds in their respective classes. Placing third in the 198 pound class was Ray Lavender, who snatched 270 and clean and jerked 325.

Belleville lifter Brian Derwin took first place in the 242 lb. category with a 310 lb. snatch and a 400 lb. clean and jerk, while teammate

Bruce Klemens got third with 260 and 330.

Terry Manton won the superheavyweight class with 270 and 370.

Best lifter trophy for the entire meet was awarded to Brian Derwin. Belleville coach Bucky Cairo feels with continued hard training, Derwin can make the 1977 U.S. world championship team. Derwin placed sixth in the Olympic Trials this year.

A week later, the club's less experienced lifters got a chance to prove themselves in the Norristown, Pennsylvania Novice Meet, open to lifters who have never won a contest. Two Belleville barbell men now no longer fit into this category.

John Plaskon won the 165 lb. class with a snatch of 195 and a clean and jerk of 255. Dave Stern easily outdistanced the field in the 181 lb. class, making 235 and 300. Brendan Higgins was third in the same class, with lifts of 225 and 285. Stern won the overall best lifter trophy.

Frosh footballers shut Irvington out

The freshman Bellboy gridders downed the Irvington underclassmen squad Saturday with a 20-0 victory to improve Belleville's class of '80 record to 3-1-1 for the season.

Essex Catholic will be the next team to challenge the young Bellboys home on October 30. Future competition includes unbeaten Montclair, away November 6 and Kearny, home on November 13. The frosh play all their games at 9:30 a.m.

The previous two contests before the Irvington win saw the Bellboys lose 14-8 to Nutley and tie undefeated Seton Hall, 6-6. Both games were disappointments because the Bellevilleites physically battered both teams. Crucial penalties and injuries overcame the frosh in the two battles that might have been victories.

Ed Aulisi has been leading the freshmen with excellent abilities in the quarterback slot. Mike Nicosia, Bob La Bruzza, Dante DeNotaris, Ralph DiPasquale, Lenny Mendola, Rich Vitiello, Joe Garafolo, Carl Lordi, Russ Pagno, Dan Amadeo, Joe Delorenzo, Chris Mussmanno, Mario Colombrito, Dennis Forlenzo, Anthony Capella, Frank Swain, and Dom Juliano, have been steady performers for the Belleville freshman squad.

handle running back chores.

Dave Seiler, (5-10, 180) a senior, will center on the offensive line. Guards for Essex Catholic will include Pete Caggiano, (5-9, 205) and Bill Mathias, (5-8, 185). Both guard men are seniors.

Two Eagle co-captains will start at offensive tackle positions. Bob Palestina, (5-9, 195,) and Larry Melillo, (5-8, 200) will try to stop the Bellboy defensive rush.

Ends of the Eagles are Rich Stefanelli, (5-10, 1—0) and Kevin Lane, (5-8, 150). Lane is a starting junior.

The only starting soph on the offensive Eagle line-up is slot back Chris Braxton, (6, 180).

Bob Palestina an offensive tackle doubles on defense at the end slot. He is joined there by Eagle Pete Kiernan, (5-11, 185) a senior. Larry Melillo is another two way man working as a tackle on both platoons. His partner on defense is Carmen Albanese, (5-9, 205) an Essex Catholic junior griddy.

Both defensive linebackers are Eagle specialists. Phil Walker, a sophomore is 5-6 and weighs 145. He is joined at the position by Steve Semler, (5-6, 160), a junior. Dave D'Andrea also handles some linebacker tasks.

The deep men on the Eagle defense include Gino Valente, (5-7,

170), a senior co-captain; Reggie Owens, another senior (5-7, 170) Carmen Suriano, (5-5, 155); and Fred McClurkin, a 5-7, 175 pound sophomore.

Golat said co-captain, Al Uricoli, 5-7, 170, was a doubtful starter due to an injury.

The Bellboy schedule seems to be conspiring against the Blue-Gold in the last half of the season. The teams aren't getting any easier while the squad accumulates the lumps and injuries sustained in any competitive season. Coach Testa has told the team he admired its courage against

Irvington. The coach also said he plans to keep shuffling his line-up to look for the football players. Testa doesn't want complacency. He is ready to use younger players who show a desire to prove themselves. The ones who show some spirit will be given the opportunity to "show what they can do," Testa said.

So the Bellboys have been out this week working on a passing game and hoping for a healed hand for Joe Gelpi. Hopefully they will be as psyched Saturday as Golat predicts, so when the Eagles land they won't get the chance to take off in victory.

Bronco squad tops

The Belleville Broncos have maintained sole possession of first place in the Essex Junior Football League by posting a 13-0 win over Montclair. The Bronco gridders capitalized on several Montclair miscues to sweep to their sixth win in a row.

Sunday the local footballers will travel to East Orange to try for the seventh in a row in a 2 p.m. contest at Martens Stadium.

An alert Broncos defense completely throttled Montclair by intercepting three passes and recovering two fumbles. This outstanding unit also held their opponent to 23 yards rushing and 50 yards for the entire game.

Middle guard Anthony Svehla recovered a Montclair fumble at the visitor's 31 yard line to begin a Bronco scoring drive. The running of Sam DeCapua and Paul Scheuplein advanced the ball on the ground before DeCapua went over from the six for the first Belleville touchdown of the game. An extra point pass fell incomplete but the Broncos led at the end of a hard fought half, 6-0.

The pigskin got a bit slippery for

the Broncos in the third quarter as they fumbled three times, once at the Montclair goal line. However, early in the last quarter the Broncos mounted another attack after Sam DeCapua intercepted a pass at the Montclair 25 and returned it to the Belleville 48 yard line.

Frank Fazzini, the Broncos quarterback, completed a pass to Mark Mendolla for 21 yards and several plays later Paul Scheuplein went around left end for 5 yards and the touchdown. Fazzini then hit Sam DeCapua with a pass for the extra point and the score read 13-0 Broncos.

On the last drive the Broncos were led by the fine blocking of Rich Racioppi and Joe Cecere. The game ended with the Broncos attempting to score again as time ran out when they were at the Montclair six yard line.

This outstanding Bronco team by winning their sixth game in a row have registered four shutouts while holding their opposition to 32 yards rushing per game, truly a remarkable effort by the team and their coaches: Rich Luzzi, Len Luongo, Mike Lemongelli, and Dom Cicalese.

A harrier? —No, it's Sue Smith; the only Bellgirl runner on the cross country team. Sue has scored points for the Blue-Gold in recent meets and is probably the forerunner of a future Bellgirl harrier squad.

Tourney hopes dashed

Continued from page 11.

The fourth quarter was another stand off, so the penalty kick was the difference in the game. "It's unfortunate it happened that way," Cahill said. The Bellboy leader praised goalkeeper Tony Cordaro's 23 saves in the game. "He played a super, super ballgame," Cahill said.

"We didn't get blown off the field by any stretch of the imagination. We did play very well defensively against them," Cahill said. The coach also praised the work of the Bellboy fullbacks and added "everyone felt very down the way they ended up beating us."

St. Peter's joins North Warders

The seventh and eighth grade boys basketball teams at St. Peter's will be participating in the North Ward Grammar School League this year. The competition is scheduled to start early next month and should provide a preview of what the squad will do in the Grammar Independent League action which starts the Sunday after Thanksgiving.

Bob Conway coach of the St. Peter's cagers and Bob Mallack will handle assistant coach chores.

Lou Toscano, who has served the past few seasons as assistant to Conway and Mallack will assume the head coaching job for the 5th and 6th grade ball club this year.

Rose Toscano, Anne Pontrella, and Cindy Corris, after taking over in mid-season last year, are back this fall in charge of the cheerleaders.

After the narrow loss to Columbia the Bellboys started a game Monday against East Orange somewhat sluggishly. The Panthers scored almost immediately at the start when the Belleville goalkeeper slipped and a shot went by him. The East Orange booters struck again in the second when a tall Panther used his head to guide in a score.

The second half started with the Panthers in the lead, 2-0. Belleville came back into the fray however with a more aggressive attitude. Cahill said a good feature of the team all year has been its never say die approach. Freshman booter Galo Calvache scored for Belleville at the start of the third quarter on an assist from Joe Coscarelli. It was the first varsity goal for the frosh booter.

The Bellboys had many opportunities in the second half to score but the Panther goalkeeper always managed to be in the right place to stop them. Meanwhile East Orange scored one more to take the win, 3-1. Both squads had 26 shots on goal. Tony Cordaro made 21 saves for the Blue-Gold, most of them in the first half.

The last three contests looming this week will be tough ones. Kearny and Bloomfield are both among the best soccer teams in the area. Nutley has been improving. Cahill noted the Bellboys have always performed best this year against the most talented opponents while becoming inconsistent against teams that weren't so good.

The outlook might not be as pleasant as it was before the three losses but the Blue-Gold still has a chance to finish in the top division.

The Brothers Graham —The BHS cross country squad features two long distance brothers this year Mike and Tom Graham. Both of the Bellboys have been finishing high in the pack throughout the season. Above, Tom Graham races in Belleville Park during the victory over Columbia last week.

BHS harries down Cougars

Continued from page 11.

BHS harries met all available competitors.

Mike Graham finished first against Columbia for Belleville with a 16 minute, 30 second time. He was followed in the triumph by Craig Lordigyan at 16:55. Tom Graham took third, crossing the line at 17:59. Bellboy John Vaccaro completed a Belleville sweep of the top four spots with an 18:31 race.

Taking more points for the Blue-Gold, Pasquale Mastrolia was clocked at 19:01 for eighth place in the contest versus Columbia. Rich Drake won ninth place with 19:46 time. Sue Smith, the lone Bellgirl harrier, ran a 20:08 race that was good enough for tenth place. Senior Dave White took eleventh at 20:45 and Dave Fitton finished twelfth for the Bellboys in the race at 22:08.

Ruffalo said the windy conditions on Thursday weren't the best conditions for running but added, "we'll take the win."

Can you afford Jimmy Carter?

How much will he increase your taxes?

During the campaign, Jimmy Carter said he would increase the taxes of everybody earning over the median income — which is only \$13,000 per year. He now says he really didn't mean that. What did he mean? Certainly the spending programs that he proposes will have to be paid for by someone. Has it ever been anyone other than you?

How much will he increase the cost of living?

Even Jimmy Carter's own chief economic adviser has publicly admitted that the rate of inflation will take a jump if Carter's big spending economic policies go unopposed. President Ford has held the lid on spending by use of the veto. He has cut inflation in half. Let's think of what would happen under a "President" Carter to the cost of those meat and potato items that you buy every day.

Will you be able to afford a home?

Jimmy Carter has proposed that the home mortgage deduction be eliminated from the income tax. This is the same deduction that enables millions of Americans to own their own home. Senator Henry Jackson, a fellow Democrat, declared that Carter's proposal "threatens the destruction of the working and middle class American family." If Jimmy Carter has his way, American homeowners will pay \$6 billion more in taxes.

What will his spending programs cost you?

Jimmy Carter has endorsed the Democratic platform, which he and his supporters helped to write. According to independent estimates, it would cost the taxpayers well over \$100 billion the very first year. Taking the lowest possible figure — \$100 billion — this platform would cost a family of four earning \$15,000 an additional \$600 per year.

The more Americans think about it, the more they realize that they can't afford Jimmy Carter for even one year, much less four. On November 2nd, they'll be voting for President Ford.

Schwartz testimonial is next month

A testimonial dinner will be held November 17 at 7 p.m. for Max N. Schwartz, retired School Board Counsel. The Dinner will be held at the Chandelier Restaurant on Franklin Avenue in Belleville.

Schwartz was born in Hoboken on August 2, 1901, and his family moved to Belleville in 1908. He attended School One until the third grade, and then transferred to School Three. He was valedictorian of the

Belleville High School graduating class of 1919.

Schwartz was graduated from the New Jersey Law School in Newark in 1923, and passed the New Jersey Bar the same year.

In 1944, Schwartz received a certificate of appreciation from President Franklin Roosevelt for services rendered in the Administration of the Selective Training and Service Act during the Second World War. He

served in this office after he tried to enlist in the army and was turned down because of his age and because,

as the officer in charge of enlisting said, "Mr. Schwartz, we want to fight this war, not argue it." He also served as Chairman of the Rent Control Commission in Belleville after the war.

In April of 1957, Schwartz went to Washington, D.C. to be sworn in as Attorney and Counsellor of the Supreme Court of the United States of America.

Schwartz is a member of the Essex County Bar Association and the New Jersey Bar Association, he is a charter member of the Branch Brook Golf Club and he is a member of the New Jersey Bridge League which he helped to organize around 1934-35 and served as their Attorney for many years. His greatest loves have been Law, Golf, Bridge and serving his fellow man.

Cake sale is set for election day

The people at School Five have a couple of events coming up in the near future they would like everyone to know about.

Next Tuesday, the school will hold an election day cake sale. The homemade cakes will go on sale at 8:30 a.m. outside the voting area.

Number Five's annual Book Fair will be held on November 8, 9 and 10.

Anyone wishing to purchase children's books may do so during school hours, or during the PTA meeting on Monday, November 8. The sale will be conducted in the school art room.
