## Ta-ta, Tom

Belleville's varsity football coach Tom Testa said his final farewells Friday night at the Varsity Club's annual Football Awards Dinner. The coach, who tendered his resignation before the season started, quipped, "I now know the secret to not getting any angry phone calls. Resign right away." There are more pictures of the yearly event on page 13.

## Ho-ho helpers

Geraldine and John Auriemma have been busy again this year. The couple (right) and the rest of that clan take it upon themselves each Christmas to make their yard available to Santa's work crew. Their Mount Prospect Street display is this year, as always, a big hit.

## Cha-cha seniors

Members of the Belleville Senior Citizens Club gathered at the Branch Brook Manor last week to celebrate the coming holiday by singing some songs and showing off their fancy footwork.

## Treasurer seeks emergency funds

By CHUCK JACKSON

The Town Treasurer has officially asked the Commissioners to pass an emergency appropriation in order to sidestep 1977 budget limitations.

Francis McCoy sent a letter to the department Director's last Wednesday asking that they pass a resolution appropriating funds equal to three percent of the 1976 budget as a hedge against a ceiling placed on all municipal budgets under the new state income tax law. McCoy told the Times/News last week Belleville's maximum increase of \$343,355.95 has already almost been eaten away by increases in insurance premiums, pen-

sion fund increases and raises to the police. He predicted that, unless the emergency appropriation is passed, the town would face "one financial crisis after another in 1977."

The Treasurer said this week a bill introduced by State Senator Wayne Dumont Jr. will help the local governments if it is passed. The bill would exclude from the budget caps all utility bills, insurance premiums and payments into social security and pension funds.

"With all those things-out," said McCoy, "we would know where we are going. As it stands, things are being forced

on us, and we have no local jurisdiction over such things as heating bills and insurance. On one side, we have a cap on our budget, and at the same time, another one is granting rate increases to the utility companies, and the insurance companies."

The Town Treasurer poked fun at the income tax bill, saying, "They said this bill would 'self-destruct' in three years. I guess they took that term for a television show of a number of years ago. They should have taken the name of the show for this bill, 'Mission Impossible.'"

Please see "Town" on page 3.

## Many exceptions listed to right turn on red law

By JOSEPH RYAN

When the State law permitting right turns at red lights goes into effect January 2, 13 intersections in Belleville might be exceptions to the new rule.

Robert Busch, principal engineer-traffic for the Essex County Road and Bridge Department, said a resolution is pending before the county Board of Freeholders that will prohibit right turns

on red being made at corners with school crossing guards.

Seven of eleven county traffic signals in Belleville fall into the category and the town expects to add six more corners to the list of intersections where right turns will be forbidden.

Captain Robert Russomano, chief of the traffic division of the Belleville Police Department, said the county signal at Belleville Avenue and Branch Brook Drive might also be a corner where the turns aren't allowed due to pedestrian safety. Five other intersections with municipal lights will also come under the ban on right turns, if Belleville follows the county and prohibits the right on red at crossing guard streets.

The new law the county and town are making exceptions to will permit right turns on a red light after a driver has stopped and yielded to traffic and pedestrians. It states drivers, "intending to turn right at an intersection where traffic is controlled by a traffic control signal shall, unless an official sign of the State, municipality, or county authority having jurisdiction over the intersection prohibits the same, proceed to make the turn upon a 'Stop' or 'Caution' signal with proper care to avoid accidents after

coming to a full stop, observing traffic in all directions and yielding to all pedestrians and other traffic traveling in a direction in which the turn will be made. Both the approach for and the turn shall be made as close as practicable to the right hand curb or edge of the roadway, unless such intersection is otherwise posted."

Three intersections in Belleville where the red turn on red be permitted will include: Mill Street and Franklin Avenue, Franklin Street and Belmont Avenue, and Franklin Avenue and Chestnut Street.

Captain Russomano said the first few months of the right turn on red system are expected to be a shake-down time to study the results of the new law. Changes could be made on restricted corners to set a time limit when right turns would be permitted.

Thirty-six other states already have right turn on red permitted by law but Captain Russomano said he expects it will take some time for New Jersey citizens to become indoctrinated to the law's requirements of a complete stop, proper observance, and yielding to moving vehicles and pedestrians.

## Santa's workshop is a family tradition

One of the first signs of the approach of Christmas in Belleville for the past thirteen years has been the Christmas display at 90 Mt. Prospect Avenue.

The first night after Thanksgiving, a 10-foot diameter star brightens the roof of the house and can be seen from as far as North Arlington. Then neighbors spot a sleigh drawn by reindeer taking off over Santa's workshop inhabited by Kris Kringle himself and a group busy elves. There's a barn near the shop for the reindeer and it's shared by some exotic birds.

The entire display is centered by a Nativity scene with seven figures grouped around the Christ child. Any passerby can then add lights and music to the setting with the push of a button. The attraction has been so popular traffic has lined the street for more than a dozen years so visitors can watch the elves work, the reindeer fly, and be reminded of the original meaning of Christmas.

John Auriemma, a lifetime resident of Belleville, has created the Yuletide show as a continuation of a family tradition his father started 35 years ago. Since he married his wife Geraldine in 1963, his Christmas decorations on Mt. Prospect have grown to the point of becoming the most prominent Belleville display.

A retired electrical contractor Auriemma credits much of the work done preparing and putting up the scene

with the help of his nephews, Kenneth Scaglione, Kevin Auriemma, Lawrence Auriemma, and Anthony Priolo.

The Auriemma children have also been helping out as they get older. Children are often the most appreciative of Auriemma's Christmas creation and he has received letters from them thanking him for the show.

"I'll always put it up as long as they take an interest in it," Auriemma said. "I don't smoke, it's my hobby and over the years the expense is minimum."

## Inside

### Too much

There was almost more news than we could handle this week, and a lot of it came in late. As a result, we have put the story of Tuesday's Commission meeting where "Editor's Journal" normally appears. Besides, some of the news is good and that's something everybody needs. See the story on page 4.

## Reilly receives medal

Captain John W. Reilly, son of Mr. and Mrs. John W. Reilly of 44 Berkeley Ave., Belleville has received the U.S. Air Force Commendation Medal at Bentwaters RAF Station, England.

Captain Reilly was cited for meritorious service while assigned to the Strategic Air Command Management Engineering Team at Fairchild AFB, Wash.

Now assigned at Bentwaters, the captain serves as commander of Detachment 6, 7200th Management Engineering Squadron, a part of the United States Air Forces in Europe.

Captain Reilly, a 1968 graduate of Belleville High School, received a A.B. degree in business in 1972 from Rutgers—The State University, New Brunswick, N.J., where he was commissioned through the Air Force Reserve Officer Training Corps program.

Captain Reilly

## Two fined \$200 for pill possession

Two Newark men, arrested November 29 for possession of a controlled dangerous substance, were fined \$200 each during proceedings in Belleville Municipal Court December 9.

\* Joseph Anthony Imperiale, 24, 96 Forest Hill Parkway, and Robert R. Mitchell, 21, 716 Clifton Avenue, both in Newark, pleaded guilty to possession of 66 and 20 tuinal capsules respectively.

The two were arrested after 8 p.m. November 29, when Belleville detectives Lt. Raymond Kimble and Sgt. Martin McNish observed a car pulling up to Clearman Field on Union Avenue, according to the Deputy Chief of the Belleville Police Frank Haight.

The police observed one of the defendants drop an envelope at the scene which was discovered to contain the tuinal pills, a depressant. Further search of the car uncovered more capsules in a plastic container, Deputy Chief Haight said.

Judge Edward Abramson imposed \$200 fines on both defendants, six month suspended jail terms, and one year probations. The judge also ordered the defendants, who pleaded guilty to the charges, take drug rehabilitation treatment as a condition of their probation.

Belleville Sergeant Martin McNish was the complainant in the cases.

# McCoy on service stoppage

Despite a pledge by Finance Commissioner Joseph McGreevy that no services to town employees would be cut, the Treasurer's office is still holding out.

Last week, in retaliation for the Commissioner's request that overtime pay be returned by several office workers, Francis McCoy, Town Treasurer, issued a memorandum stating his office "will no longer process any major medical claims, or any claims or inquiries about Blue Cross...nor will our office process any inquiries for...pension funds."

Not only is the Treasurer still holding out, he said this week he could not promise performance of the services "in the foreseeable future."

According to McCoy, his staff will continue to perform only those duties required of them by law, and, he added, "Right now, we are work-

ing shorthanded. One of the women in the office is out after a severe car accident, and we are jammed up. We have no idea when that woman will be back in."

The dispute between McGreevy and McCoy began when several employees worked overtime during the Thanksgiving holidays in order to complete work necessary for an audit of School Board funds. McCoy is Custodian of School funds.

The Treasurer said the original work was "misplaced" after it was given to the auditor, requiring his staff to re-do the financial information. That work has now been completed, but he said the office personnel are now working on the November payroll for the Board.

McCoy said upcoming statutory commitments make it unlikely he will be able to restart the services to the employees. He cited work on the

upcoming 1977 budget, introduction of a new accounting system on January 1, and new work required under the state income tax as reasons for the possible long-term suspension of the services.

According to his own estimate, the halt in handling work could cost the town an additional \$40,000 per year.

Annoyed at McGreevy following their clash last week, McCoy said, "If there is any further interference by Commissioner McGreevy with my statutory duties, I will seek remedy in the courts."

He also said that unless the Commissioner removes his ban on overtime work, "I don't know how we will get the '77 budget finished."

## Board must act before January

Continued from page 1.

According to McCoy, any emergency resolution designed to take some of the possible future financial pressure off the town must be passed by December 31. Since an emergency resolution would not come under the state mandated budget ceiling, the town would gain additional funds to work with in 1977. If the Commissioners decide to follow his advice, they will have to pass a resolution either at the next scheduled meeting of the group on December 28, or call a special session of the Board.

In his letter to the Directors, McCoy urged them to follow his proposed course, stating, "The Town of Belleville cannot weather another financial crisis on top of the one that occurred in 1976...This is the only way to circumvent the caps and again, the Emergency Appropriations must be passed by resolution prior to December 31, 1976."

No enemy could devise a torture to inflict more pain upon us than we do to ourselves when we hate.

— Daniel Haughan

Should the Commissioners wait beyond the end of this year to pass the appropriation, a change in state law will require them to pass the measure by ordinance, causing a further delay.

If the Commission wishes to act on the long-delayed special emergency appropriation for revaluation, and puts that measure off until January, that too will require an ordinance rather than a simple resolution.

Sources have indicated the Board members may try and push through the resolution this month in order to avoid such complications.

### Holiday prompts early deadlines

The Time/News will come out a day early next week, so shoppers can check our advertising columns for last minute bargains.

Because of the early publication, all deadlines will be advanced. All display advertising must be no later than Saturday noon, and all classified ads must be in no later than 3 p.m. Monday.

The editorial department will not be able to accept any copy later than 10 a.m. Monday morning.

The newspaper will be available for purchase at newsstands Tuesday, and will arrive at subscribers homes with Wednesday's mail.

THE STATE WE'RE IN

## Plan won't meet our needs

By DAVID F. MOORE

A report to Congress from the Office of Technology Assessment warns that, even in 20 more years, planned or hoped-for oil rigs and nuclear generating plants off the New Jersey and Delaware coasts will meet only 20% of the two states' energy needs.

Which brings us to a subject of growing popularity: solar power. That means generating electricity from the sun or wind, or else capturing heat from sunlight, which can either heat or cool a home or other building.

Solar power is one of the options cited by the OTA report which could at least nullify expected growth in "conventional" energy demands in New Jersey during the next 20 years. Other ideas are using waste heat from industries and power-generating stations to generate extra electricity, and to design (and drive) cars which guzzle less gasoline.

One of the mental blocks demonstrated by our culture is that we all tend to think of something revolutionary (like widespread use of solar power) in terms of existing technological practices. Accordingly, most solar power thinking seems to concentrate on developing ways to convert sunlight into electricity to be fed into our giant power grids.

But very little thought should be needed to see the fallacy in that. While it's true that we have the power grids, and will continue to need them, it's not at all true that

solar energy research should be focused on them.

What we need is more emphasis on improving prospects for making individual houses and buildings at least partially independent of the friendly investor-owned utility, the technology for which doesn't need inventing, it's been around for years.

I have great faith in the ingenuity of the average American. When he's goaded by rising energy costs and the peril of a reduced energy supply, he's just liable to start taking advantage of a lot of existing hardware and ideas to make his home or factory more energy-independent.

Fortunately, there are a pair of bills awaiting legislative action in Trenton which could help trigger such creative tinkering. One would exempt from sales taxes any devices to capture or utilize solar energy. The other would exempt them from local property taxes.

Both bills (S-1426 and S-1427) were introduced by Senator Barry T. Parker of Mount Holly. The one on the sales tax (S-1427) passed the Senate 33-0, and awaits an Assembly vote as of this writing. The other hadn't emerged from the Senate Committee on Revenue, Finance and Appropriations.

Relief from taxation on solar power equipment isn't the greatest incentive in the world, but it's certainly easy to accomplish and deserves to become law. And it's not a new idea; quite a few other states have already done it.

## PSALM 94

### A Call to Praise and Obedience

Come, let us sing joyfully to the Lord; let us acclaim the Rock of our salvation.

Let us greet him with thanksgiving; let us joyfully sing psalms to him.

For the Lord is a great God, and a great king above all gods;

In his hands are the depths of the earth, and the tops of the mountains are his.

His is the sea, for he has made it, and the dry land, which his hands have formed.

Come, let us bow down in worship; let us kneel before the Lord who made us.

For he is our God, and we are the people he shepherds, the flock he guides.

Oh, that today you would hear his voice: "Harden not your hearts as at Meriba, as in the day of Massa in the desert,

Where your fathers tempted me; they tested me though they had seen my works.

Forty years I loathed that generation, and I said; They are a people of erring heart, and they know not my ways.

Therefore I swore in my anger: They shall not enter into my rest."

**Santa's helpers** Its beginning to look a lot like Christmas all around the town and these three members of the Parks Department helped get Belleville in a Christmas mood when they decorated the trees in front of Town Hall. Left to right, Santa's helpers are Ralph Chimento, Ron Mariano, and Chris Tremel.

## Letters

### Firemen thanked for saving the day

To the Editor:

I'd like to tell your readers how the Belleville Fire Department made my Thanksgiving a most happy and memorable one.

My mother has been ill with cancer for eleven years and recently had a leg amputated. Nothing would do but to have her to my home for Thanksgiving dinner and to thank God for her health. I live on the third floor which posed a problem.

I phoned the Belleville Fire Department and they sent two wonderful men to carry mom up the three flights and when she was going home to carry her back down. Just another service from

our Boys in Blue who, like our fine Police Department, are continually "on duty."

Sincerely,  
Patricia M. Diana  
104 Overlook Ave.

#### Letters policy

The Belleville Times/News welcomes your comments on local, state, national or human affairs, but again reminds letter writers that it will not publish letters submitted anonymously or without addresses.

The Times/News will withhold names and addresses upon request, but must have them in its possession prior to publication.

Typewrite or print letters whenever possible to avoid misinterpretation and delay.

## Tickets stop

You can shop on Washington Avenue from now until January 2 and not have to worry about your parking meter running out.

The Board of Commissioners voted 3-1 Tuesday to suspend use of the meters from December 15 until just after the new year in order to encourage shoppers to patronize Belleville shops. Commissioner Rocco Saletta, head of the Public Safety Department introduced the resolution, following the example of several surrounding communities.

Mayor Michael Marotti cast the lone dissenting vote on the issue. He said he was opposed to the measure only because he felt it slighted other shopping districts in town by singling out Washington Avenue merchants for special treatment.

"We're not being fair to other parts of town," said the mayor. "I just can't see it for one part of town and not any others." Marotti was referring to Franklin Street in the Silver Lake section of town. Stores there, while there are no meters, they do have limited time parking.

Saletta said it would not be possible to liberalize parking on Franklin Street, since the meters can just be hooded, but signs in the Silver Lake district would have to be erected or the present signs altered.

## Golden Comments

By James R. Golden

Our political leaders implore us to tighten our belts, and, like the nation's economists, warn us of the scourge of inflation. What do they do about it, though?

I'll tell you what they do, they fan the flames of inflation by crying "poor" and tell us how they battle, on exorbitant salaries, three or four times larger than the average person, to keep the wolves away from their doors. They do this while making much more than people in jobs much harder than the cushy positions they luxuriate in with glamor, pomp and trimmings real working people wouldn't even dream of.

Let's borrow the expression of New York State's old "Happy Warrior," Al Smith, who proclaimed, "Let's look at the record." Yeah, let's look at the record.

Headline: "Judges Make a Case for Pay Raise." Three weeks later, there was another front page headline: "Resignations and vacancies, Shortage of Judges Cripples Courts." Why? Because they're starving, of course.

How can they possibly live on a paltry 45,000 to 50,000 smackers a year or about a thousand bucks a week? How would you like to get by on that kind of money? Well! I damn sure would like to get the chance to try, and so would the rest of the people who really had to work for a living.

Poor Dick Hughes, after being Governor and now serving as Chief Justice of the State Supreme Court, just can't make it on a mere \$50,000 a year. He wants another 6,000 berries a year to keep up with inflation. He also wants the same for his other judges because he despairs for their poverty and is afraid they may have to quit their jobs as judges and look for work. (Something they do very little of now.)

Maybe it's because he's another lawyer who, besides his legal practice, also serves as assistant majority leader in the Assembly and has great awe for these black-robed judges he meets in court. But whatever, there is a man, co-sponsor of A2099, a bill calling for a \$6,000 across-the-board raise in all judicial salaries. He is Assemblyman Albert Burstein (D-Bergen) and he claims the present pay of judges is "out of date." He lives in Tenafly. If you think the way I do about these juicy plums these birds hand out, which we have to pay for, perhaps you might like to call him up some evening and let him know how you feel about this needless give-away raise for people who can't get by on 50 grand a year. His phone number is 567-9398.

If the sad plight of our starving judges is not enough, consider the neglected members of Congress. These poor, overworked law-makers who only get about 10 or 12 vacations a year are struggling along on a starvation salary of \$44,600. Now how could anybody stand the rigors and hardship of serving in Congress, and those harrowing trips around the world at the tax-payer's expense? It's almost unthinkable.

But, don't worry, if all goes well these unfortunate Congressmen and women and our Senators will get a little help, like those on Social Security got last July when they received a few bucks more in their checks. They can vote themselves a salary raise from the poverty level stipend of \$44,600 to a modest \$57,500, a small increase of 28.9 percent.

When the hell did any of you people get a raise like these judges and politicians will be getting? Sure inflation is bad, but, they aren't doing anything to stop or discourage it. Besides, they wouldn't feel it anyhow.

Many of us in retirement collect Social Security and possibly a small company pension of around \$4,000, if we're lucky, which one couldn't live on with today's taxes and high prices. If we gross \$7,000 we're considered fortunate and we have to get by on it. With that money, we have to pay taxes, fuel bills, insurance, telephone, gas and electric bills, medical and drug expenses and food costs. But that's all we get and can expect no more. No cost of living increase and no calling on Congress or the State Legislature to give us a raise to cope. We're the forgotten people left to live or die in limbo by greedy, avaricious judges and lawmakers who only think of their own selfish gains and welfare at our expense. It's obvious these hauteur judges and solons care little about us who must get by on "crumbs" while they live in luxury on their fat salaries and ample yearly pensions, some over \$40,000. It should also be noted the New Jersey judiciary operates under a noncontributory pension system (which our taxes pay for) that permits judges to retire at age 60 after 20 years of service; at age 65 after 15 years on the bench and at 70 after 10 years. Damn soft I'd say. I'm sure we would all be happy to have such comfort and security.

I don't believe any congressman or judge that can't get along on \$45,000 to \$50,000 a year deserves to hold such a responsible position.

## TRAVEL TALK

By Ralph DeMono

This is an introduction to a series of articles I will be writing on travel. During this series we will visit fascinating countries and cities throughout the world, inform you of fare changes and be generally informative.

To stimulate interest in Travel Talk, we welcome letters from you the reader and armchair traveler, on topics you would like discussed or questions and opinions on articles which have appeared. Occasionally letters will be answered in this column with your name unless it is specified you would like your name withheld.

Best Wishes from Cosmic Travel and its staff for a Happy Holiday

## Knuppel named to union post

Herman Knuppel, Director of Student Personnel Services for the Belleville Public Schools has been named a member of the Essex County Teachers Federal Credit Union Board of Directors.

The credit union, which is celebrating its 40th anniversary, has a membership which consists of teachers and other employees of Boards of Education in Essex County. It is governed by the Board of Directors, elected by the members at the annual general meeting. Each member has one vote regardless of shares held. The Board in turn elects its officers and committees.

The Essex County Teachers Federal Credit Union, located at 155 Broad Street, Bloomfield, in the Board of Education Building, has over 3,000 members and assets of \$2,500,000. Dividends are compounded semi-annually.

Celebration starts 9AM, Saturday, December 18th!

## This week was not my week

### Helen's thing

by Helen Maguire

THERE ARE many things that annoy me and at certain hectic times of the year, I tend to get more annoyed than usual and nobody's going to tell me that I'm alone in that. Monday was a banner day for annoyances. Standing with a number at a deli counter, waiting for the lone clerk to reach me, I was appalled, when, at the appearance of another salesman, a woman two numbers behind me, pushed her way in and got waited on. The woman whose number came before mine was equally annoyed and why one of us didn't open our mouths is more than I can imagine at this point. But we didn't. We just stood there, looking daggers at the intruder who was completely nonplussed by the whole thing. ANNOYANCE number two came when

I got home with the slipcover I had purchased for the couch and discovered that same was wretchedly put together, with seams sewed on the wrong side and visible holes in one of the cushions. Since the package wasn't marked irregular or seconds or damaged goods, I think I had every right to expect to open it and find something I could use instead of something I must take back and exchange. Readymade covers are hard to come by, especially when you want a particular color and since the couch has seen far better days, I refuse to indulge it in an expensive new wardrobe. Now, however, I must return to the store where I purchased the article, wait in an exchange line and then wait again in a check out line which will

mean at least another half hour since I am convinced this particular place of business doesn't hire a cashier unless he has proved he can operate at no faster than dead slow.

ANNOYANCE number three was the discovery that the new portable television we purchased doesn't fit the stand we already have, misses it by a mere inch and a half. That's nobody's fault but our own since neither the Irishman nor I realized that portables are not standard sizes. Since the set we discarded and the set we bought were the same size as far as the screen went, we naively assumed they were the same size as far as everything else went. Not so.

At this point, the television rests secure-

ly on the top of a tea cart I picked up a few months ago at a garage sale for the minuscule sum of one dollar. It will serve the purpose nicely until the holidays are over and one of us has enough presence of mind to measure the set and go out and purchase a new stand.

ANNOYANCE number four was Rod's realization that the beautiful blue wallpaper we had selected and carted home for the living room, was the devil's own to hang, ripping at every touch. The first piece went up and down three times as I sat there with my fingers crossed, thanking the kind providence that had made us purchase more paper than we needed. It's up, though, Hallelujah, hallelujah!!

**Tea For More Than Two** — A few members of the Committee for Mental Health share a laugh at a recent afternoon discussion-meeting. From (l-r) Ruth Cowell, Executive director; Millie Hacker, Elsie Yorton, June Moritz and Jacqueline Imhoff.

### Caroline H. Ross, James Bernarducci engaged to wed

Mr. and Mrs. B.M. Ross of London, England, announce the engagement their daughter, Caroline Heather to James Gerard Bernarducci, son of Mr. and Mrs. Salvatore Bernarducci of 80 Mt. Prospect Avenue.

The troth was made known in September in Chiswick, England. The wedding will be held in Somerset, England next summer.

Miss Ross, an alumna of Exeter University, Exeter, England, is a dental nurse at Chiswick Dental Clinic.

Mr. Bernarducci, an alumnus of Kean College, Union, is a musician playing with a group called Bittersweet. He is a member of the Reserves.

**Golden Wedding** — Mr. and Mrs. Anthony Paul of 30 Cedar Hill Avenue celebrated their golden wedding anniversary November 7 at a dinner hosted by their children, Mr. and Mrs. William Fritz and Mr. and Mrs. Frank Arena at San Carlo Restaurant, Lyndhurst. Among the 120 guests were three grandchildren and Mr. Paul's 89 year old mother. Mr. Paul, president of Belleville Park Senior Citizens, retired from Transport of New Jersey after 41 years.

### Miss Sharon Ann O'Malley to marry Edwin R. Gasparini

Mr. and Mrs. James P. O'Malley Jr. of Livingston have announced the engagement of their daughter, Sharon Ann to Edwin Richard Gasparini, son of Mr. and Mrs. Edwin A. Gasparini of 156 Crest Drive.

Miss O'Malley, a graduate of Livingston High School, attended the University of Delaware and is currently enrolled at Montclair State College completing a bachelor's degree in mathematics. She is a computer programmer with Prudential Insurance Company in Roseland.

Mr. Gasparini was graduated from Belleville High School and Rutgers University with a B.A. degree in English. He is currently completing an M.A. degree in English. He is a public relations consultant with Bruno Associates of Newark.

The couple plan to be married in March, 1977.

### Community Choir concert tomorrow

The Nutley Community Choir will present its annual Christmas concert on Friday evening at 8 p.m. in St. Paul's Congregational Church, Franklin Avenue, Nutley.

In addition to the traditional performance of the Christmas portion of the Messiah, the choir will sing Benjamin Britten's A Ceremony of Carols. Guest soloists will sing solo parts of the 'Messiah,' and Colley Ballou, dancer and choreographer from Nutley will perform liturgical interpretations in movement for the Britten work.

Admission to the concert is free.

### Belleville-Nutley Hadassah meets Monday at Temple

Belleville-Nutley Chapter of Hadassah, presided over by Rosette Halpern and Roselle Kirshenblut, will hold a Paid Up Membership Meeting Monday at 8:15 p.m. in Nutley Temple B'nai Israel.

All members will be honored and New Annual, New Life, and New Male Associates will be inducted.

Allan Grundfest, former "Hadassah Husband of the Year", will present film for a "Night of Nostalgia." Refreshments will be served.

### Tri-Towners meet tonight to enjoy Christmas party

The Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley, will hold its regular monthly meeting tonight at 6:30 p.m., at the Park Methodist Church in Bloomfield.

The club will also be enjoying its annual Christmas party with a gift exchange grab-bag.

Entertainment will be the "Mel-low Marshes" of Bloomfield.

\*\*\*  
If we could peel the skin from all men the difference between them could only be discernable by the goodness or badness of their souls.

— Daniel Haughian

**Gift to Hospital** — A check for \$6,000 was presented to Clara Maass Memorial Hospital president Albin H. Oberg November 22 at the hospital's Auxiliary meeting. The amount represents proceeds of various fund-raising activities undertaken by the group. Above, Mrs. William Kropp (left) and Mrs. Ruth Blair, co-presidents of the Auxiliary, make the presentation.

### Gregory Club Christmas dance December 17

The New Jersey Gregory Club will hold a gala Christmas Dance December 17 at 9 p.m. at the Commonwealth Building, 551 Valley Road, Montclair. Single adults are

invited to an evening of refreshments and dancing to live music. Admission to the general public is \$3.50.

Serving on the committee are Miss Mary Cipolla, Miss Edith Ahrens, Tony Lander, John Forte and Charles McLaughlin, all of Nutley.

**Future and Past** — Linda Iadimarco of Belleville, Cynthia Eskdale of Bloomfield, Sharon Mougel of Belleville and Denise Meola of Nutley, admire a portrait of Clara Maass which hangs in the reception area of the Clara Maass Memorial Hospital School of Nursing where the girls have entered the freshman class. The hospital and nursing school were renamed in 1952 as a tribute to the young nurse who died in 1901 as a volunteer in yellow fever research. She was an 1895 alumna of the then Christina Trefz Training School at Newark German Hospital.

**Ms. Deborah Jarow presented paper at fall meeting**

Ms. Deborah Jarow, psychiatric social worker at the Community Mental Health Services for Belleville, Bloomfield and Nutley, presented a paper entitled "Family Treatment in the Home with the Nursery School Age Child" at the annual fall meeting of the New Jersey Chapter of the National Association of Social Workers.

Ms. Jarow's paper explained how family treatment in the home may be used as one effective therapeutic modality in work with the pre-school child and his/her family.

At the Community Mental Health Services agency, her responsibilities include clinical work, development of consultation and education programs in the community, and student supervision. Ms. Jarow has been with the agency for the past two years.

**Pragmatic training** — Members of the distributive education class at Belleville High brush up on some retailing techniques at the grand opening of the student-run store, located in the school, offers everything from note book paper to cough drops. The program was designed to give the students practical experience in the business world.

## Students hear Bell talk

Some of the marvels of the science of communications were combined with feats of magic in a program presented recently for the Distributive and Industrial Education classes at Belleville High School.

In a program entitled "Science Is Not Magic," New Jersey Bell Public Relations Supervisor George Young talked about some of the latest work being done by Bell Laboratories scientists and engineers to improve communications services for telephone customers.

Using scientific equipment, a simulated laboratory and a little magic, Young explained how customers' communications needs are developed into communications services by Bell Laboratories, and then manufactured by Western Electric and put into service by New Jersey Bell and the other operating companies which comprise the Bell System.

Young demonstrated one of the Labs' most recent experiments—optical communications — which uses hair-thin glass fibers to channel light from one place to another to carry voice, data and video signals. He also showed the BHS students a waveguide tube which is capable of

transmitting 230,000 calls simultaneously and is being evaluated in Morris County.

"Much work still remains to be done," Young said. "To realize the promise of optical communications and other technological developments Bell Labs will be working closely with its partners at AT&T, Western Electric and the operating companies to create, manufacture and install working communications systems."

"The Bell System supports basic research and developments in many fields," he added, "because the knowledge gained from that research might one day be a valuable service for our customers."

## Belleville trio achieves honors

Belleville School Five's Christmas program will be held next Wednesday, December 22 at 7:30 p.m. in the school auditorium.

Fourth grade students will present "Christmas Around the World," and a chorus of fifth and sixth grade students will lend its vocal talents to the event.

All parents are invited to attend.

## Students participate in terminal singing

Belleville High School students will present choral performances at Newark International Airport and the Port of Authority Bus Terminal in New York City as part of the traditional Christmas program presented by the Port Authority.

The students, under the direction of Thomas Finetti, will be at the airport Wednesday, December 22 from 4:30 to 5:30 p.m. and at the bus terminal Thursday, December 23 at 4 p.m.

The musical program began Monday and is presented solely for the enjoyment of commuters, shoppers and long distance travelers. A total of 80 choral groups will participate, and in addition to Newark Airport and the bus terminal, there will be singing groups at the PATH-World Trade Center Terminal, the Journal Square Transportation Center and John F. Kennedy International Airport.

## School Five show is next Wednesday

Juniors Michael Rauth and Stephen Semienick and freshman Peter Zazzali, all of Belleville, were named to the Honor Roll for the first quarter at Seton Hall Preparatory School, South Orange, it was announced recently.

To attain this recognition, Rauth, Semienick and Zazzali were required to achieve an "A" average for the marking period.

# Pharmacy Footnotes

Vincent Cozzarelli  
Reg. Ph.

Physical fitness is to some extent measurable. In the physically fit person there is 1.) A slower pulse rate during the working period and a faster recovery to normal at the conclusion of the task. 2.) A slower rise in blood pressure during the physical exercise and a quick return to normal. 3.) A lower intake of oxygen during the exercise. This is the result of a better-conditioned oxygen transportation mechanism. Remember that physical fitness is never a gift, nor is it static. Fitness must be maintained.

Remember us at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956 when you need prescription service. "Your Doctor Knows Us — Your Doctor Trusts Us." # Landon opens office here

James A. Landon, a registered Architect in the State of New Jersey, has to announce the opening of his office at 87 Adelaide Street, Belleville. He has been a resident of Belleville for over 30 years and a project manager for more than 15 years in private industry.

His design experience ranges from television studios for Channel Two (CBS) to experimental pilot plants and high-rise housing for the

elderly. His construction and engineering background ranges from a process water treatment plant in Meredosia, Illinois for National Starch & Chemical Company to an office complex for the consultant firm of Raymond Eisenhardt & Sons in Oakland, New Jersey.

He received his architectural education in the graduate school of Columbia University and his business-engineering education at

Fairleigh Dickinson University, Clemson University, and Newark College of Engineering.

In the last two years he has designed a manufacturing and administration complex for Shaklee Cosmetics Corporation in San Francisco, a research and development laboratory building for Harshaw Chemical Company in Cleveland, Ohio, a senior citizen housing development in Scranton, Pennsylvania and performed space analysis for BASF Wyandotte Corporation in Parsippany, New Jersey.

He is in the process of opening a planning and design studio (1977) in Rockland County, New York called Site Planners, Incorporated. This organization will service industry's economic problems in today's construction and design programs.

## Paparatto named officer by Raritan

Milton Saltzman, Chairman of the Board of Raritan Valley Savings & Loan of East Brunswick has announced the election of Joseph S. Paparatto as President and Chief Executive Officer of the Association.

Paparatto, 28, formerly of Belleville, is the son of Mr. & Mrs. Sam Paparatto who reside at 600 Union Avenue, Belleville.

He is a graduate of Seton Hall University Graduate School of Business and has been with the Association since 1972. He resides with his wife in Piscataway, New Jersey.

Raritan Valley, with assets of \$41 million, has just completed the conversion to a stock chartered association which is the first in New Jersey. Under this plan, the depositors are given an opportunity to purchase capital stock in the Savings & Loan.

Joseph Paparatto

## Stamp gift sets available

The Newark Post Office and its affiliated Stations, Branches and Offices throughout the Sectional Center now have Gift and Stamp Paks available, announced Postmaster/Manager Joseph J. Benucci.

If you are looking for an inexpensive gift for a boy who wants to go to the moon or be a great ball player, or a girl who wants to be a nurse, or even a dear friend who wants to know the history of the world, get a Christmas Gift Pak at any of our Post Offices.

"We have most anything for both the beginner and the most sophisticated collectors," said the Postmaster, "and prices range from \$1.00 through \$15.00."

The \$15 Gift Pak, which contains six philatelic items, will be available in limited quantities. It includes a Bicentennial Mint Set containing 30 mint-condition stamps that commemorate the 200th Anniversary of the United States, a 32-page hard cover album designed for storing and displaying the stamps which depict various events such as the Boston Tea Party and the Battle of Bunker Hill, and four Bicentennial Souvenir Sheets.

Other Gift Paks include a 240 page, paper back primer, "Stamps & Stories" for stamp collectors printed in four-color process which gives basic stamp information and contains a special glossary of philatelic terms.

"For The Fun Of It" another handy reference, which is a compact, vividly illustrated brochure designed especially for youngsters.

A huge, four-color 30x40 inch Bicentennial Commemorative Stamp Poster suitable for framing.

Treasury of Stamps, a four-page folder which briefly describes issues scheduled for 1977 and provides space for mounting the series of stamps.

## Jewish singles set dance for Sunday

The Jewish Collegiate & Professional Young Adults of New Jersey will hold a "Winter Festival Dance" at the Rib 'N Sirloin Restaurant in the Red Carpet Inn at 211 Route 17 (Southbound) in Paramus, on Sunday evening December 19, at 8 p.m. to 12 a.m. This is located at Garden State Parkway Exit 163 using the Midland Avenue Overpass.

A live disco band will provide music for your dancing pleasure. This event is planned for Jewish Single men and women from 20 to 45 years of age.

The group's objective is to provide a proper, pleasant and comfortable atmosphere in which Jewish single men and women can become acquainted on a social basis.

## Isn't 12 minutes with your mother worth \$1.79?

The sound of your voice is always a delightful surprise to someone who loves you. And chances are you can make that happy kind of call for a lot less than you think. For example:

A 12-minute call to Minneapolis.  
A 12-minute call to New Orleans.  
A 12-minute call to Magnolia, Arkansas.

They each cost just \$1.79 from anywhere in New Jersey, when you dial the call yourself, and call during the lowest bargain calling times. Bargain rates are in effect all day Saturday. On Sunday till 5 p.m., and every day from 11 p.m. till 8 in the morning. Not applicable to calls to Alaska or operator-assisted calls such as credit card, collect, third number billed, person-to-person, and coin phone calls. So go ahead...make someone happy today.

There's always a right time for a long talk New Jersey Bell

## Kids learn new ways

The kindergarten children of School Number Ten are involved in many learning activities. Mrs. Ponzio the teacher there, has seen remarkable progress in learning the alphabet because of dai-

ly individual instruction by herself, the use of flash card games and the other visual aids and with the use of cassette tapes and earphones. These activities reinforce the structured lessons on letter formation, she reports.

**Learning** — The kindergarten children at School 10 are learning the alphabet through games in a new approach to teaching. Here, teacher Mrs. Ponzio uses flash cards with a group of children. The game introduces beginning sounds of words while reviewing the letters themselves.

## Youngsters are chemists

School Two's sixth graders are enjoying an introduction to basic chemistry under the direction of their teacher, Mrs. Dolores Pacelli.

At the onset of the program, Mrs. Pacelli provided the students with a substantial "safety first" lecture and then commenced the basic chemistry program with a highly experimental approach.

The students learned by "doing," observing and drawing conclusions from the experiments.

Some interesting experiments performed were the following: The students observed physical changes by: melting paraffin or an ice cube and by boiling water. Chemical changes were performed by: applying heat energy to wooden splints or

sugar, and the substances changed to carbon. The compound, iron sulfide, was made by applying heat energy to the elements, iron and sulphur. The compound, carbon dioxide, was made by mixing baking soda and vinegar together. Litmus paper was used to test various substances for acetic or alkaline content.

## Video experiment proves successful

The Closed Circuit Television Committee of the Junior League of Montclair-Newark has recently completed a three-year work agreement with the Cerebral Palsy Center of Essex and West Hudson Counties in Belleville. The project was initiated by Junior League volunteers to demonstrate the potential importance to the Center of videotape techniques. The use of videotape techniques has now become such an integral part of the Center's program that they have formed a television committee and recently purchased video equipment of their own.

During the three-year period, League volunteers held weekly taping sessions of children in physical therapy, speech therapy and play activities as well as of pre- and post-surgical cases. The tapes were then used by the staff for diagnostic purposes.

In the past year, the staff has also initiated an innovative program with videotapes to teach parents of cerebral palsied children the Center's methods for use in the home. Both teacher-child and parent-child sessions were taped for these classes. A further product of this program is a demonstration tape for similar institutions on the planning and conduct of a parent training course.

The Closed Circuit Television Committee of the Junior League currently serves two other Essex County Agencies, the North Essex Child Guidance Clinic in Belleville and United Hospital Center in Newark. At the hospital, volunteers are working with the Outpatient Department to produce patient-education tapes to be used in hospital clinic areas and in the community at large.

## Marotti association elects new officers

The Michael V. Marotti Civic Association elected a new slate of officers for the oncoming year. At a meeting held at the Amvet Post 26 headquarters last week, Aldo F. DiChiara was elected to the office of president. He succeeds Michael T. Rosamilia, who completed a successful two year term in this office.

Other officers elected to serve with DiChiara are: Anna Marie Cosenzo, first vice-president, Michael Nardiello, second vice-president, Joseph Guarino, recording secretary, Patricia Verian, corresponding secretary, adn Frank Zatorski, treasurer.

The Michael V. Marotti Civic Association will round out the current year in keeping with the festive mood while celebrating the culmination of a rather successful and productive calendar with a Christmas party for members and their wives on Sunday, December 19, at the Amvets Post 26, headquarters.

## Post 299 to help Belleville's needy

The Joseph J. Carabat Post 299 of the American Legion will have its Community Service Program Monday, December 20.

The post will distribute Christmas baskets to the needy of Belleville. The gifts will consist of a full size turkey and all the trimmings and "many other goodies."

Michael Nardiello, principal of the James G. Shawger School, and Vincent Strumolo, Commissioner of Public Affairs submitted the names of the families to receive the baskets.

Manny Comito is serving as chairman of the event.

## Irvine-Cozzarelli Memorial Home

## Student probes drug abuse

By LIZ GILBERT

Drugs are hitting hard in all parts of the United States, from the sunny shores of California to the hippy streets of New York. From coast to coast, drugs have become as much a part of American society as hot dogs and football games.

According to the National Institute of Mental Health, America has a quarter of a million heroin addicts, between 10 and 30 million marijuana smokers, and up to 25 million alcoholics.

The problem stems from the attitude of the American society that the solution to every problem is just a swallow away.

Drugs creep into big cities, but they also slip into small and isolated cities and towns. An over-abundance of drugs makes access to them easy. The most popular ones are marijuana, hashish, THC, sedatives, amphetamines, LSD, cocaine and heroin.

What are the major causes of drugs?

A method of escape is one. This is a reasonable explanation, because too many people have too many problems.

A second problem is curiosity. If one's peers are egging one on to "try it," the individual does not want to be called "chicken." Also, kids often rebel against their parents because of

the "generation gap."

Another, and probably the most frequent reason, is boredom. Drugs help give kids something to do. Lack of recreational activities can therefore create drug problems.

What to do about the drug problem?

In their anxiety over drugs, parents often panic and create unnecessary crises. They often act radical and as a result, their children become their enemies. But much drug abuse is casual and experimental. Most adolescents who use less harmful drugs do not use them self-destructively, and many have a sound sense of their own limitations.

What is the best method of preventing drug abuse?

Parents, teachers and others who come in contact with teenagers should be informed about drugs, how they are used and most importantly why are they used. If a child has a drug problem, a parent should sit down and talk it over with him, not accuse him. Then find him some kind of help.

Drug abuse is a medical problem and should not be treated as a criminal offense. Though rehabilitation programs have recently closed in surrounding areas because of the state budget, counsel can be found at a hospital or with a psychiatrist or some other qualified person.

## Christmas calendar

December 16 — Belleville Public Library presents "The Christmas Concert," tickets are available at the library.

December 21 to January 2 — The Joffrey Ballet will present its first holiday season at City Center, 55th Street Theater.

## Junior high to start releasing honor roll

Mario DiMaggio, principal of Belleville Junior High School has announced that the junior high will be instituting an honor roll for the 1976-77 school year. Its purpose will be to promote further academic motivation and achievement among students.

The addition of an honor roll to the junior high directly ties in with the recently enacted "Thorough and Efficient Bill" which requires that all students in New Jersey receive a thorough and efficient education through goals set up by the educators, community and students.

One goal of the honor roll is academic motivation, which should encourage students to work to their highest capabilities, and then reward their efforts if they achieve the grades needed to make the honor roll. Another goal is the recognition of academic progress, which should be evident if students strive to improve their grades each marking period.

According to Mr. DiMaggio, the educators of Belleville feel directly responsible for encouraging the students to do their best. This should allow the students to realize the most from their education.

The following criteria will be the basis for the honor roll:

1. Any student achieving all "A's" in all areas will be listed on the High Honor Roll.
2. Any student achieving any

combination of "A's" and "B's" or all "B's" will be listed on the Honor Roll.

## Pep assembly inspires spirit

By JULIE SISTA

A wrestling and basketball pep assembly was held in the BHS gymnasium on December 9.

The cheerleaders, led by captain Cheryl Manning and co-captains Donna Marchese and Leslie Zarra, opened the show with a "Hello" cheer.

James Silvestri, athletic director followed with a talk to the students and the introduced Dan Grasso, boys' varsity basketball coach.

Mr. Grasso introduced the starting team, led by captains Richard Baker and Ronnie Krych. The team members performed some of their basketball drills.

Karen Fucello, girls' basketball coach, talked about the need for fan support and her hopes for a good season. The senior leaders are Ellen Schultz, Kathy Stone and Lydia Damato.

Gene D'Alessandro, new head wrestling coach continued the program by saying he has enjoyed his first three months at BHS. He then introduced his starting team led by captains George D'Alessandro and Ronnie Grolimond.

# obituaries

## Henry J. Maguire, 77

Funeral services were held Monday, December 13, for Henry J.

## William Price Sr.

A funeral mass was offered recently in St. Francis Xavier Church, Newark, for William H. Price Sr. of Belleville, who died in Clara Maass Memorial Hospital. He was 67.

Born in Newark, Mr. Price moved to Belleville six years ago. He was employed for 30 years as a bus driver for the Transport of New Jersey, retiring from there five years ago.

He is survived by his wife, Antoinette; five daughters, Mrs. Carol Spinelli, Mrs. Grace Marino, Mrs. Josephine Palermo, Mrs. Judith Belotti and Miss Ann Price; two sons, William Jr. and Wallace Price and eight grandchildren.

YOU'RE GOING DOWN THE ROAD WITH ANYTHING BUT A CLARION  
YOU'RE GOING IN THE WRONG DIRECTION.

Most car stereos do exactly what they're supposed to do - play back cassettes and cartridges with terrific fidelity.

On the other hand, a lot of them do things they're not supposed to - like fall apart after a few thousand miles on the road.

But then being a car stereo isn't easy. From the day it's installed to the day it retires, it's subjected to the constant shock and endless vibrations of bad roads and mean streets. Because whatever a car has to go through a car stereo has to go through.

Clarion car stereos aren't built simply for short Sunday drives on perfect highways - they're made to take whatever the worst road or the meanest street can dish out. Which is why we back our entire line of car stereos with the best warranty in the industry. A warranty which guarantees that when your customers go down the road with a Clarion - they'll keep going for a long, long time.

## Senior notes

By GEORGE CHENOWETH

We believe that if Senator Russo's bill in the state legislature passes, it will be a boon for seniors and a way of saving money both for seniors and the state.

The bill would allow senior citizens to ride without charge within certain hours within the state. Governor Byrne has announced publicly that it is costing the state more to have half-fare for seniors than it would if there were no fare charged. This we can partially understand because of the bookkeeping involved with the half-fare package. Therefore, the simplest and most economical way for all concerned would be the no fare for seniors.

Another item that comes to mind is the generic drug bill. This, if passed, would benefit all state residents; but the ones who use prescription drugs would be the greatest beneficiaries of this proposed plan. This would put seniors at the top of the list.

We have heard and read about the pros and cons of the name brand drugs, and drugs dispensed under their generic names and we hope this all important piece of legislation will pass.

The Belleville Senior Citizens Club members attended their third annual Christmas Party at the Branch Brook Manor last Thursday. We were entertained by Jimmy Russo and his three piece novelty band. Santa took care of the members with gifts, and the food was good. Commissioner Mary Senatore was an honored guest, and the mayor and other Commissioners, because of previous commitments were unable to attend and sent their regrets.

A good time was had by all. We are still accepting gifts for the needy at the clubhouse. Christmas baskets will be made up at the Welfare Department to be distributed before Christmas.

## Jaycees host speaker

The Belleville Jaycees held their December meeting at the Fountain Restaurant recently and guest speaker for the evening was Mrs. Nancy Rubin, coordinator of the Hike-Bike for 1977.

Mrs. Rubin explained the idea of the Hike-Bike is to have youths and adults walk or ride their bikes for the retarded and ask for pledges for the mileage they cover. The contributions will help create additional op-

portunities for the retarded citizens in New Jersey. It will, she said, accelerate public awareness and concern for the retarded.

The hike will be conducted by the New Jersey Jaycee local chapters and the New Jersey Association for Retarded Citizens. The Jaycees and the NJARC are interested in the welfare of the mentally retarded, a spokesman for the club said.

# Bellboys saluted by Varsity Club

The Varsity Club of Belleville ended the lackluster Bellboy football season with a flourish by sponsoring its 32nd banquet in honor of the gridgers.

Clockwise from upper left, Bill Ellis presents the club's trophy for the outstanding Blue-Gold player of the season to Scott Ochse. The senior Bellboy was cited for his consistent efforts throughout the year.

The Bellboys posed for a team photo after receiving trophies from the club along with color pictures of themselves in uniform. Flanking the Bellboys are Varsity Club members, Charlie Grasso on the left, and Tony Cervasio on the right.

Coach Tom Testa and his staff were all presented with trophies commemorating the season by the Bellboys. Pete Liloia gave assistant coach John Senesky his award from the squad.

Tom Longo, the guest speaker for the night, told the Bellboys he was familiar with their adversity due to his past experiences as a New York Giant.

Ralph Amiano kept his thank-you speech short when he presented a watch to Bill "Doc" Ellis, the trainer for the BHS squad and the co-chairman of the dinner.

The best Belleville fans received flowers from the team and Varsity Club. Rocco Balsamo pinned a corsage on his mother at the start of the banquet.

Ken Nicosia presented the team trophy to outgoing coach Tom Testa while Balsamo prepared to present another to assistant coach Anthony Sorrentino.

Joe Casale drew the task of handing the Belleville-Nutley trophy to a happy representative of the Nutley Third Half Club.

## times/news sports

# Cagers lose games and players

The Bellboy basketball team has started the season with some of the same tribulations that plagued the squad last season, injuries and illness.

Tommy Smith, a junior starter and high point man in the opening loss to Columbia, missed the losing effort against Orange on Tuesday because of a fever. Coach Dan Grasso said Smith was a doubtful starter for the next contest because of illness.

Dean Campana missed action in

the last half of the 65-41 defeat by Orange when he gashed his chin diving for a loose ball.

All healthy Bellboys will face Irvington tomorrow night in an away contest at 8. Perennial Big Ten Champ East Orange will travel to the Belleville court next Tuesday for a 3:45 p.m. match.

The BHS cagers journeyed to Orange Tuesday and were downed by the Tornadoes, 65-41. The Bellboys missed the foul shooting and rebounding of Smith against the tall

Orange men.

Ron Krych led the Blue-Gold scoring effort with 11 points and Rich Baker tallied 10. Kevin Rodgers of Orange took the scoring honors of the contest with 19.

Orange's control of the boards, dominated by Rodgers and Reggie Mason, helped the Tornadoes overcome poor shooting by turning

rebounds into points.

The Bellboys trailed 21-10 going into the second quarter but rallied briefly on lay-ups by Baker and Rick Thomas, plus two free throws by Paul Donahue. Nice passing by Thomas and Campana set-up baskets for Bellboy teammate Krych, to keep Orange from ex-

Continued on page 15.

## Battered Bellgirls start bouncing back

Last Friday the Columbia Cougars trounced the Bellgirls in this season's basketball opener but the Bellevilleites bounced back to challenge the Orange Tornadoes in a 62-48 loss Tuesday.

Coach Karen Fuccello said the Blue-Gold hardcourt girls played better the second time around, especially junior Michele Giordano, who tallied 14 points and pulled down 24 rebounds.

Karen Portuese went to the basket for 13 points and Karin Sciacca compiled 12 points in the game and grabbed nine rebounds off the boards.

skills. The Bellgirls missed 16 shots from the foul line while they sunk 18.

Sophomore Portuese was a strength for the BHS squad on the foul line hitting nine in ten attempts. The Belleville coach said she hopes the starting soph takes more outside shots in the future.

Orange kept a four to five point lead for most of the game according to Fuccello, until the Tornadoes broke open the contest in the final quarter. The turning point came in the third period however, when Orange kept the lead despite scoring only eight points the entire quarter.

"Our mistakes hurt us again," Fuccello said. "We shouldn't have had so many travelling calls. Orange pressed but it wasn't a demanding press."

The improved BHS squad will next do battle home, against Irvington tomorrow afternoon at 3:45. Monday the girls team will travel to Kearny for a contest at 3:45 p.m. and the Bellgirls will stay on the road to meet East Orange next Tuesday, away at 3:45.

Coach Fuccello said the Bellgirls still didn't have enough outside shooting in the Orange game but noted the players had sharpened their shooting and rebounding abilities. The Bellgirls went to the basket better during the action however, and Fuccello wants the cagers to improve their free throw

The opening game, a 70-23 loss to Columbia, was hardly a contest. "We got blown off the court," Fuccello said. "It goes back to the fact these kids from Columbia have been playing ball since third grade. They knew where to be and when. We just don't have the court sense these people have. It's something you can't teach. It comes with experience."

"We were intimidated and dominated," Fuccello said. "They missed a shot and had three or four more tries. We missed a shot and it was all over."

Portuese was a bright spot in the loss for the Bellgirl coach. "Man to man, she can take anybody to the hoop with her fakes," Fuccello said.

### Rec twirlers show is next Thursday

The Belleville Recreation Twirlers will present their annual Christmas show at School Seven next Thursday night at 6:30.

Everyone is welcome to attend the December 23 event which is performed for free.

The girls have been practicing since September for various parades and shows they take part in during the year. The Rec twirlers will also participate in competition this February. They will be judged by individual routines they create themselves, and the winners will be awarded trophies.

Annette Bucci and Susan Antolini are Recreation twirling instructors.

## Irvington is foe tomorrow

Continued from page 14.

panding its lead, which was 35-23, at the half.

Campana was lost in the third quarter because the injury and the zone press of Orange grew more effective. The Tornado lead was 19 points at the end of the third quarter action.

Joe Norton, who subbed for Smith in the co-test, scored six points in the final period with assists by Donahue. The Blue-Gold cagers just couldn't slice the Orange margin however and the Tornado team swept the game, 65-41.

Coach Grasso lamented the absence of starter Smith but said he was pleased with the performance of Donahue and Smith.

The Bellboys lost the first contest of the year when the height advantage of the Columbia cagers overcame the Bellevilleites' hustle to win, 61-51.

Tommy Smith, the Bellboy's tallest starter at 6-1, had the hot hand for BHS last Friday night leading the Blue-Gold scoring with 19 points. Unfortunately the junior starter was playing with a 101 fever and wasn't as effective as he might have been healthy. Belleville started well against the Cougars taking an early 7-2 lead, as Krych tallied a lay-up and a foul shot to start the scoring. The Bellboy attack was disciplined in the early minutes and BHS guard Donahue was able to handle a pressure defense by Columbia.

Baker contributed to the Blue-Gold cagers total with six first quarter points and the hardcourtiers took a slim 13-12 lead into the second period.

The big men began to make the difference in the second quarter when the Cougars grabbed six points on buckets by 6-7 Chris Klotz, 6-4, Gus Henningburg; and 6-2 Scott Harvey. Three successive baskets by the tall Columbians gave them a 20-15 lead which they never relinquished.

The Cougar defense blanked the Bellboys for more than three minutes into the second half when the BHS cagers went scoreless. A free throw by Thomas broke the ice for Belleville but Columbia led 36-22.

The Cougars built their advantage by dominating the backboards and using a tight zone defense. The Belleville hardcourtiers also gave up points by hitting less than half of their free throws. Going into the final quarter the Cougars held a 47-27 advantage.

Maybe the 20 point difference spurred the Bellboy to greater effort in the last minutes when they hit for 24 points. Smith led the Bellevilleites charge but Columbia stayed in control to take the victory, 61-51.

Coach Grasso noted the Bellboys made 21 of 37 shots while the Cougars won on 27 for 61 accuracy. "I was generally pleased with the team's effort," Grasso said. "We handled the ball well and had some good percentage shots but simply couldn't convert them."

## D'Allessandro won't predict

Wrestling coach Gene D'Allessandro said he was not a man of predictions on the eve of the first Belleville match but added the Bellboy squad was "enthused and ready to go."

Morris Hills was the first opponent for the Blue-Gold grapplers last night but the results were in too late for this edition of the Times/News.

Saturday the Bellboys will meet Becton, home at BHS, at 1 p.m. Essex Catholic will be the third challengers for the BHS matmen in an away meet next Tuesday afternoon at 3:45.

Starting wrestlers for the Blue-Gold squad in the Morris Hills meet included: Frank DiLorenzo, 101

# Jayvee coach is optimistic

By Rich Caravetta

The Belleville junior varsity basketball team has been working hard, preparing for this season's schedule under its new coach, William Trimmer. This year's jayvee squad consists of 13 cagers who will be assisted by some varsity bench men expected to see some action.

"Every boy has given a great effort from the first day of practice," said Trimmer. "We're optimistic about our chances this season."

Practices have stressed fundamentals. The team will use a tenacious man to man defense, like the varsity. The jayvee offense will also follow the senior Bellboy program by emphasizing controlled, patterned play.

Like the BHS varsity, the jayvee cagers will be smaller than most of their opponents. Coach Trimmer hopes to overcome any height disadvantage with strong basic basketball and a limited number of mistakes.

"Our main objective is to build a winning attitude among the players," noted Trimmer. "We feel Belleville can have a successful basketball program on the jayvee level."

Junior varsity games will precede senior Bellboy night action and follow afternoon varsity contests this year. The members of the 1976-77 Bellboy jayvee include: Bart Bini, Dan Borgo, John Calderone, Barry Delaney, Mike DeMayo, Lou DiPasquale, Mark Hahn, Keith Isler, Scott Jackson, Bob Keesser, Tom Mack, Joe Riaccio, Don Roll, and managers Anthony Rocafort and Larry York.

## Former Bellgirl leads Seton Hall

Sue Paul, a Belleville High School grad, is this season's team captain of the Seton Hall women's basketball team.

The former Bellgirl credits BHS coach Karen Fucello with being the greatest inspiration in her court career. "She gave me the will to play and taught me the basics," Paul said.

The 5 foot, 7 inch forward said being the Seton Hall captain is an important role on the team. "It shows that the other players have faith in me and I hope to keep team unity and a good atmosphere on the court."

Paul hasn't been a starter the past two years but has maintained the role of coming off the bench to help the team in various ways. Buc coach Sue Dilley called Paul's defensive skills her greatest contribution to the squad. "She works hard on defense and being in the right place at the right time," Dilley said.

"Sue has been a consistently steady and improving player since her freshman year," the coach added. "She must give more time off the court working with me and be available to the other players. She is intelligent and conscientious and will do a good job."

Miss Paul is a Physical Education major and aside from her athletic involvement at Seton Hall, she has coached both basketball and softball and has been a swimming instructor.

"I hope to get a job teaching on the elementary or secondary school levels and also coaching basketball on these levels," the Blue-Gold grad said. "I feel that I have already gained valuable experience." The Bellgirl-Buccaneer's other activities include playing intramural softball, volleyball, and tennis at the Hall.

## Saturday mat meet is home at BHS

Continued From Page 15

pounds; Ed Lijo, 108 lbs.; Bobby Freda, 115 pounds; Mark D'Amico, in the 122 weight class; 129 pound Mark DeGiacomo; Ed Camuso grappled in the 135 pound class; Bob Racioppi wrestled the 141 opponents; Bellboy co-captain Ron Grolimond sought the advantage at 148; Joe Savastano stepped on the mats at 158; Mark Savastano competed in the 170 category; Bernie Dal Cortivo grappled at 188; and Belleville's heavyweight was George D'Allessandro.

The Blue-Gold grapplers will wrestle with jayvee A and jayvee B squads. Coach D'Allessandro said the A and B junior teams will wrestle prior to home matches as often as possible.

The mighty matmen of Belleville beat Becton last year but D'Allessandro warned against taking them easy. "Everybody's tough," he said.

Essex Catholic, always a tough mat opponent, will face the Blue-Gold men Tuesday. Johnny Aaron coaches the Eagles and D'Allessandro called him "quite a coach." "I have high respect for him," D'Allessandro said.

Everybody sings "Nestled in the fold of Jersey..." The head table joined with the crowd singing the Belleville alma mater. Vocalists from right to left included: Dr. John Greedy, Superintendent of Schools; Athletic Director Jim Silvestri; Charles Grasso, president of the Varsity Club; Tom Longo, guest speaker; and Joe Grosch.

**Class of '52** The Varsity Club of Belleville has been honoring the Belleville High School varsity since the 1940s and the original guests of honor are now returning to the affairs for 25 year reunions. Above, former Blue-Gold coach Ed Berlinski poses with members of the Bel-lyboy varsity of 1952 and guests.

## Optimists announce oratorical competition

The Belleville Optimist Club has announced an oratorical contest open to boys and girls in the 7th, 8th, and 9th grades of Belleville.

"Together We Will" is the designated title of all contestants' speeches, which are to run not less than four minutes. A contest date has not yet been finalized by the Optimists.

Orators will be judged on personal qualities, material presented,

delivery, and organization. Trophies will be awarded by the Optimists to first, second, and third place winners. The top finalists will be eligible for further competition.

Applications for the speech contest will be available at Belleville Junior High School. For further information on the Optimist orators contest, please contact Tom Mullen at 759-0156.

## BHS sports boosters organize in 1945

Scott Ochse was named the outstanding Bellboy varsity football player at the 32nd annual Varsity Club dinner last Friday night at the Robin Hood Inn.

The senior Blue-Gold griddier was honored along with his class of '77 teammates at the club's fete. Every Belleville senior received a trophy and color portrait of themselves from the Varsity Club.

The BHS sports service organization also provided corsages for each player to present to his mother.

Tom Longo, a former New York Giant and Notre Dame football player, was the guest speaker for the event and exhorted the Bellboys to bounce back from a disappointing season.

Varsity Club members who arranged the dinner were Bill Ellis, Wayne Worley, Jerry Bonavita, Fred Campana, Bob Cassin, Joe Cernero, Dick Covey, Tony Cervasio, Joe Ferreri, Joe Grosch, Vito Guarino, Mike Limongelli, Tom Mack, Fred Racioppi, Paul Santenelli, and Ernie Stefanelli.

The officers of the Varsity Club are: Charles Grasso, president; Richard Covey, vice-president; Joseph D. Ferreri, Treasurer; Michael Swinarski, corresponding secretary; and Wayne Worley, financial secretary.

The Varsity Club of Belleville was first formed by an undergraduate group of lettermen in Belleville High School in 1932 under the guidance of their coaches. Circumstances such as the depression and World War II hampered the activities of this group and most of the men drifted apart.

The organization was revitalized in 1945 when a group of former Blue-Gold athletes met in the Recreation House and organized the Belleville Varsity Club, which was then incorporated.

The objects and purposes of the Varsity Club are to bring together socially and fraternally all sports-minded citizens who are interested in BHS sports, to provide an incentive for participation in athletic events, to help worthy students, to pay tribute to the boys and girls of BHS for their

endeavors in the field of sports and associated activities, and to foster cooperation among citizens, officials, and other organizations of the Town of Belleville for these purposes.

Since football was the most popular sport of the time, the club held their first banquet in the high school cafeteria in honor of the 1945 football team and coach, Bill Chapman. The dinner grew in popularity and had to be held in such places as the Four Towers, Donahue's, and the Robin Hood Inn. The dinner became the social event of the year for many of the sports minded townspeople.

There was just one special award at the first banquet. Now at each dinner every senior letterman receives a trophy and an award is presented for the most outstanding player or players.

An All Sports banquet is now held in June to honor members of the basketball, baseball, wrestling, golf, track, crew, bowling, girls basketball and baseball, and soccer teams. Senior members of the band, cheerleading, color guards, and twirling squads are also honored.

The Varsity Club also supports Little League baseball and participated in the construction of the boat house for the crew team. The club invites all sports minded citizens to become members of the Varsity Club to support their children and the future of Belleville.

Meetings are held at the Little League Clubhouse, Montgomery Place, on the second Thursday of each month at 8:30 p.m. Additional information can be obtained by writing Belleville Varsity Club, P.O. Box 121, Belleville, New Jersey, 07109.

### Transactional analysis topic of new course

"Getting to know you" might be the best single description for three courses dealing with the mind that will be offered in Union College's Winter Session, a special offering of non-credit courses beginning Monday, January 17.

**LEGAL NOTICE**  
NOTICE IS HEREBY GIVEN THAT at a regular meeting of the Board of Commissioners of the Town of Nutley, County of Essex, N.J., held December 7, 1976, the following ordinance was introduced and passed on first reading, and that said ordinance will be taken up for further consideration and final passage at a meeting of the Board of Commissioners to be held in the Commission Chamber, third floor, Town Hall, Kennedy Drive, Nutley, N.J., on December 21, 1976 at eight (8:00) o'clock, P.M. (prevailing time), or as soon thereafter as said matter can be reached, at which time and place all persons who may be interested therein or affected thereby may be given an opportunity to be heard concerning the same.

**EUNICE P. DRAKE**  
TOWN CLERK  
AN ORDINANCE OF THE TOWN OF NUTLEY ESTABLISHING A STATE UNIFORM CONSTRUCTION CODE ENFORCING AGENCY, A CONSTRUCTION FEE SCHEDULE AND A CONSTRUCTION BOARD OF APPEALS PURSUANT TO CHAPTER 217, LAWS OF NEW JERSEY 1975 AND TITLE 5, CHAPTER 23 OF THE NEW JERSEY ADMINISTRATIVE CODE.

BE IT ORDAINED by the Board of Commissioners of the Town of Nutley in the County of Essex and State of New Jersey, as follows:  
SECTION I.  
a. There is hereby established in the Town of Nutley a State Uniform Construction Code enforcing agency to be known as The Nutley Code Enforcement Department, consisting of a construction official, building code official, plumbing code official, electrical code official, fire protection code official, and such other subcode officials for such additional subcodes as the Commissioner of the Department of Community Af-

fairs, State of New Jersey, shall hereafter adopt as part of the State Uniform Construction Code. The construction official shall be the chief administrator of the enforcing department. All subcode officials, their assistants and staff for the purposes of the Regulations and their enforcement are subject to the procedures and policies of the enforcing agency and are primarily responsible to the construction official.

b. The official positions as created by subsection a shall be as follows:

1. Construction Official: PAT INTINDOLA — SS #145-26-1633  
2. Building Subcode Official: PAT INTINDOLA — SS #145-26-1633

3. Plumbing Subcode Official: RALPH PEPE — SS #140-16-1140

4. Fire Protection Subcode Official: MAURICE STAGNER — SS #158-20-8828

5. Electrical Subcode Official: To be performed by private third party on-site inspection pending final determination by January 1, 1978.

The Municipal Engineer shall act in the capacity of the construction official in his absence.

c. A central permit office, under the direction and supervision of the construction official will be located in the Municipal Building, 1 Kennedy Drive, Nutley, N.J., to be open during the hours of 9 a.m. to 5 p.m. on normal business days of the municipality.

SECTION II.  
a. There is hereby established a Construction Board of Appeals to hear appeals from decisions by the enforcing agency. The Board shall consist of five members which shall contain among its membership a registered architect or licensed professional engineer of building construction experience, a member qualified as a plumbing subcode official, and one as qualified as an electrical sub-

code official. No more than two board members shall be selected from the same business or profession. Each board member shall have had at least three years experience in construction, design or supervision as a licensed engineer or registered architect, or in the alternative, five years experience in construction, design or supervision as an architect or engineer with a bachelor's degree in architecture or engineering, respectively, from an accredited institution of higher education, or, as a further alternative, ten years experience in construction, design or supervision as a journeyman in a construction trade or as a construction contractor, subcontractor or inspector.

b. The Mayor shall appoint the board members and any alternate members. For the members first appointed, the Mayor shall designate the appointees' terms so that one shall be appointed for a term of one year, one for a term of two years, one for a term of three years, and two for a term of four years. At the expiration of such terms and thereafter, appointments shall be made for terms of four years. Vacancies shall be filled for the unexpired term.

The Mayor shall appoint such number of alternates, as may be appropriate, for terms not to exceed four years, or may in the alternative, appoint alternates on a case by case basis. No regular or alternate board member may be a member of the enforcing agency, the decisions of which are subject to the review of the Board.

c. Neither regular or alternate members will be compensated for their services, but they shall be reimbursed for all necessary expenses incurred by them in the performance of their duties. The construction official shall designate a clerk from the enforcing department to serve as secretary to the Board and to maintain its records.

SECTION III.  
a. The fee for a construction permit shall be the sum of the subcode fees listed in (1) through (3) hereof and shall be paid before the permit is issued.

(1) The building subcode fees shall be:

a. For new construction \$0.035 per cubic foot of building or structure volume; with a minimum fee of \$25.00.

b. For renovations, re-roofing, re-siding, alterations, repairs, swimming pools, air conditioning, and refrigeration, \$4.00 per \$1,000.00 of estimated cost of the work; with a minimum fee of \$6.00.

c. For additions, \$0.035 per cubic foot of building or structure volume for the added portion; with a minimum fee of \$20.00.

d. For combinations of renovations and additions, the fee will be the sum of the fees computed separately.

e. For installation of oil and gasoline storage tanks a fee of \$10.00 per tank.

f. For installations of oil and gas burners a fee of \$3.00 per heating appliance.

g. For the installation of retaining walls and fences a fee of \$3.00.

h. For the installations of antennae structures for private radio or television reception in excess of twelve (12) feet in height, a fee of \$3.00.

(2) a. The plumbing subcode fee shall be \$2.00 per plumbing fixture, device, and plumbing stack to be installed with a minimum fee of \$10.00.

b. The fee for a permit for sewer connections will be a flat fee of \$10.00 per connection.

(3) a. The electrical subcode fees shall be determined at a future date.

(4) The fee for plan review shall be twenty percent of the amount to be charged for the construction permit and shall be paid before the plans are reviewed. The amount paid for this fee shall be credited toward the amount of the fee to be charged for the construction permit.

(5) The fee for a permit for demolition of a one or two family structure shall be \$25.00; for all other use groups, the fee shall be \$50.00 per structure. A partial demolition shall be \$5.00.

A deposit of \$250.00 shall be required for all demolitions, except partial demolitions.

(6) The fee for a permit for the removal of a building or structure from one lot to another or to a new location on the same lot shall be \$3.00 per \$1,000.00 of the estimated cost of the moving, for new construction and for placement in a completed condition in the new location; provided that the minimum fee shall be \$25.00. All other costs incurred shall be borne by the applicant.

(7) The fee for a permit to construct a sign shall be \$5.00 per square foot of the surface area of the sign, with a minimum fee of \$10.00.

(8) The fee for a permit to erect an awning and canopy shall be \$5.00.

(9) a. The fee for a certificate of continued occupancy shall be \$5.00.

b. The fee for a certificate of occupancy and use of a building or structure enlarged, renovated or altered shall be \$5.00.

c. The fee for a certificate of occupancy granted pursuant to a change of use shall be \$5.00.

d. The fee for a multiple certificate of occupancy shall be \$3.00.

(10) The fee for a certificate of occupancy and use of new construction and additions shall be 5% of the new construction permit fee with a minimum fee of \$15.00.

(11) The fee for a permit for installation of elevators, dumbwaiters, moving stairways, moving walks and special hoisting and conveying equipment shall be \$75.00.

(12) The fee for inspections of elevators, dumbwaiters, moving stairways, moving walks and special hoisting and conveying equipment shall be \$20.00.

b. The construction official shall, with the advice of the subcode officials, prepare and submit to the Town of Nutley bi-annually, a report recommending a fee schedule based on the operating expenses of the agency and any other expenses of the municipality fairly attributable to the enforcement of the State Uniform Construction Code Act.

c. In order to provide for the training, certification, and technical support programs required by the Uniform Construction Code Act and the Regulations, the enforcing agency shall collect, in addition to the fees specified above, a surcharge fee of \$0.0006 per cubic foot of volume of new construction. Said

surcharge fee shall be remitted to the Bureau of Housing Inspection, Department of Community Affairs, on a quarterly basis for the fiscal quarter ending September 30, December 31, March 31, and June 30, and not later than one month next succeeding the end of the quarter for which it is due. In the fiscal year in which the Regulations first become effective, said fee shall be collected and remitted for the third and fourth quarters only. The enforcing agency shall report annually at the end of each fiscal year to the Bureau of Housing Inspection, and not later than July 31, the total amount of the surcharge fee collected in the fiscal year. In the fiscal year in which the Regulations first become effective, said report shall be for the third and fourth quarters only.

SECTION IV.  
Fire limits shall be established pursuant to N.J.A.C. 5-23 by ordinance prior to July 1, 1977. The construction official shall prepare and submit to the Board of Commissioners bi-annually, a report re-evaluating the delineation of the fire limits. This report shall indicate the recommendations of the construction official, the building subcode official, and the fire subcode official regarding those areas which should be designated as within fire limits, with the reasons therefor.

SECTION V.  
This ordinance shall take effect on January 1, 1977. The Nutley Sun Issue of: December 16, 1976  
N468

### Dog's Diet

For a long time, it was generally believed that one year of a dog's life was equivalent to seven years in man. However, recent data compares: a six-month-old dog to a ten-year-old child; a one-year-old dog to a fifteen-year-old, and a two-year-old dog to a 25-year-old human. By the time a dog is ten, it is approaching retirement age, and a 21-year-old dog would be celebrating its hundredth birthday if it were human.

As a dog ages, its basic need for good nutrition, exercise and attention remain the same. But fulfillment of these needs should be altered slightly to accommodate the gradual slowing of bodily functions and overall weakening of organs and muscles.

For instance, since a dog's digestive system becomes less efficient with age, your pet may do better with two or three small servings of food during the day, rather than one large meal at night. Also, spicy or greasy tidbits (ham or cold cuts) which your pet may have formerly relished may upset his stomach and have to be eliminated from the diet.

As your dog ages, he will gradually become less active and need fewer calories per day. To allow your pet to continue to receive optimum nutrition and still avoid "middle age spread," make an effort to introduce more meat and vitamins into the diet while slowly decreasing starchy foods and carbohydrates.

If you are uncertain about the proper diet or weight for your pet, don't hesitate to check with your veterinarian. The veterinarian can suggest a suitable weight range based on the breed background, temperament and current physical condition of your pet.

While a diet should be tailored to

meet your pet's individual needs, here are several general rules to follow.

Try to keep an older pet off a regular schedule; a change in routine or feeding time may cause him to refuse needed food or vitamins for several meals. Introduce new foods gradually, so there will be less chance of upsetting the digestive tract.

# New bank to open Saturday

Provident Savings Bank, the first savings bank to locate in Belleville, will open this Saturday, December 18 at 9 a.m. at 208 Washington Avenue, one block north of the Belleville Pike. The new bank will have two drive-in lanes and customer parking facilities. Founded in 1839, Provident is the oldest savings bank in New Jersey.

Known as the "Old Beehive," Provident will offer a complete range of family banking services, including passbook savings at 5 1/4 percent a year, from day of deposit to day of withdrawal, compounded daily and

paid monthly; regular and special checking accounts; savings certificates; installment loans for personal, auto, home improvement and personal needs; vacation and Christmas club accounts; home mortgage loans; direct deposit of Social Security checks; safe deposit boxes; free checking for senior citizens; and the new bank account which provides a combination of savings, checking and bill paying telephone services, as directed by the account holder, including many optional and free services.

A four week celebration will feature weekly drawings for a total of \$10,000 in free Provident gift checks good at any Belleville merchant or service. A new, weekly drawing will be held each Wednesday at 10 a.m. at the bank, commencing December 22. Anyone can enter and win. Winning names will be posted at the bank and winners will be notified by phone or mail. The first drawing of \$3,000 in gift checks will be held December 22, with two weekly drawings of \$2,000 on December 29 and January 5. The final drawing of \$3,000 will be held on January 12.

Depositors opening new accounts can pick a free gift, depending on the amount of the deposit. With a deposit of \$200 or more, depositors can choose from a Beacon stadium blanket and case, men's or ladies' self-folding nylon umbrella or a Detecto bathroom scale. For new accounts depositing \$1,000 or more, depositors can select from a Waring "Clean Opener" electric push-button can opener, an all-weather lantern with 4-way flasher and stand, including battery, or a Thermal-Weave 72" x 90" non-allergenic blanket. For \$5,000 or more, depositors can choose from a B & D 1/4 inch double insulated power drill with trigger lock, Mirro-matic Colormode 22-

cup party percolator, a Lady Vanity Potpourri Crock, a Proctor-Silex automatic two-slice toaster with Select-Ronic control, a Conair "Pro 1000" hair styler-dryer with two position temperature control or a Waring 12-speed hand mixer with dial control. All visitors attending the opening will receive a souvenir. On Saturday, from 9:30 a.m. to 1:30 p.m., Paulo the Clown will entertain the kids with his magic routines and free colorful balloon characters.

The Provident, with 16 offices in Bergen, Hudson and Essex Counties, has assets of over \$500,000,000. It is

a mutual savings bank operated solely for the benefit of its depositors under the direction of a Board of Managers. It has no stockholders. Accounts are insured under membership in the Federal Deposit Insurance Corporation. Each depositor is insured to \$40,000. The Provident Passbook is good at any Provident office. The Belleville office will be Provident's first branch in Essex County.

Office banking hours will be from 9 a.m. to 3 p.m. daily and Thursday from 6 to 8 p.m. The drive-in will be open daily from 9 a.m. to 5 p.m. and Thursday from 9 a.m. to 8 p.m.

## Gift Ideas FOR A MERRIER CHRISTMAS

Olympie SEP electric typewriter  
versatile...durable...portable

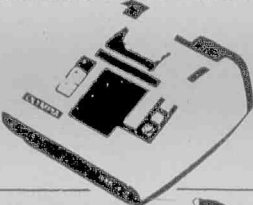

The Olympia SEP electric portable is an outstanding typewriter. It combines the ease and touch of a full size electric keyboard with the operational ease and touch of an office machine. All without the slightest compromise on quality. The SEP is precision-built to last: Its type bars, carriage rails, margin rack and frame are all constructed from high-quality steel to provide a consistently superb performance long after other typewriters give in.
