Aftermath

The Rev. Robert A. O'Leary of St. Peter's Church, which was gutted by fire last March inspects some of the damage which still remains from the blaze. Plans to rebuild have not yet been finalized. Story on page 9.

Grand opening

A new Grand Union will be opening in the Valley section of Belleville Sunday. The giant food shopping outlet is expected to be a shot in the arm for the local community.

Schoolers schedule desegregation talks

Superintendent of Schools, Dr. John Greed has suggested "open enrollment" as a solution to the state-ordered plan for desegregation of School One. May 1 is the extended deadline for Belleville Trustees to comply with the order and state officials will discuss the situation at a public work session of the Board on April 4.

At a Trustee meeting Monday night, Dr. Greed said the Schoolers have run out of extensions to the deadline, originally set for March 30, 1976, and announced the planned session with Harold White, county superintendent of schools and other officials.

School One presently serves a 40 percent minority enrollment, according to

Dr. Greed. The superintendent said state officials want to see the minority students down to 20 percent of the school.

Open enrollment, if implemented by the Trustees, would permit School One students to attend any area school. Dr. Greed noted three schools were within a mile of School One: Schools Three, Eight, and Nine. "If indeed, parents would relocate minority children out of One," the open enrollment plan could comply with state guidelines Dr. Greed said.

The superintendent said he hoped state officials would accept the voluntary aspects of the open enrollment plan. "I thought just the opportunity was sufficient," Dr. Greed said.

When asked about possible funds available for busing students at School One at last week's School Board budget hearing Board Member Caesar Romano said, "We did not anticipate it and we did not budget it."

The April 4 meeting on desegregation will follow the Trustee's annual reorganization session, that will select new Board leaders after Tuesday's Trustee election.

Belleville's Schoolers also endorsed a bill currently in the state legislature to permit a moment of meditation at the opening of each school day.

Trustees test is Tuesday

By JOSEPH RYAN

Every School Board candidate has agreed this year's campaign has been a quiet one but the voters will make themselves heard Tuesday when they go to the polls.

A recent \$10.2 million school budget will be considered by the voters, who will also select three Board Members from a field of four. If past results are any indication of this year's trends, Belleville will return the incumbents and reject the budget.

Ralph Risoli, Town Registrar and administrative assistant to Public Affairs Commissioner Vincent Strumolo, is the only challenger of the incumbents in the race. Matthew Pica, Lawrence Schwartz, and Viola Spray are all seeking reelection. Some political observers believe Risoli has gained ground in the last week but a victory for the lone challenger on Tuesday could be called an upset.

School elections in Belleville are famous for the rejected budget proposals left in their wake. If any issue emerged during this quiet campaign, it was the spending by the Trustees which voters associate with higher taxes.

Risoli has said his knowledge of government will help him eliminate the padding in the budget. The incumbents, who all voted in favor of the \$10.2 million bill, endorse it as an accurate assessment of the school systems absolute needs or admit there are some problems with it. No one has rejected the current expenses and capital outlay budgets will pass.

Board president Matthew Pica is first on the ballot and said the election has been a very quiet but continuously busy five weeks. "It's afforded me the opportunity of meeting many people and hearing the likes and dislikes with education in Belleville," Pica said.

"It gave me a lot of food for thought. I found it enlightening from a standpoint that the people's faith was returning to the Board of Education."

Pica said the openness of the Board in the past two years, in involving more people has contributed to a better understanding of the system. The candidate said he recommended approval of the budget. "It's our moral obligation to advise what we need."

The incumbent candidate said he and his campaign aides, including, John DiStasi, Mrs. J. Macaluso, Anthony

Please see "Expect" on page 3.

Board is in accord against the Concorde

The Board of Commissioners Tuesday night were expected to pass a resolution against the landing of the Concorde SST at Newark Airport.

Mayor Michael Marotti said, in a letter sent Tuesday to Newark Mayor Kenneth Gibson, "I find it rather difficult...to place the health and welfare of our citizens on the line for whatever positive good may accrue in the way of enhancing the airport or bolstering our economy."

The letter also said, "in the interest of the citizens of the Town of Belleville," the mayor wished to go on record against

the noise pollution and other dangers resulting from the SST.

Mayor Marotti said the letter was in response to Belleville's complaints to his office on the possibility of the supersonic transports landing at Newark, a prospect Mayor Gibson has encouraged. Mayor Marotti said the more the plane gets read about and seen on TV, the more calls his office gets against it.

Belleville's opposition now joins the cities of Elizabeth, Jersey City, and Linden, according to Mayor Marotti.

Please see "Preference" on page 3.

Search committee lists Hall of Fame inductees

Dreams of athletic glory and accomplishment, realized in the gym and on the playing fields of Belleville High School will not be forgotten with the establishment of a BHS Hall of Fame.

Inductees will include first, second and third team members from Belleville selected by the Newark Evening News and Star-Ledger. Hall of famers from sports other than baseball, basketball and football will be selected based on criteria determined by the Belleville Athletic Advisory Council.

Blue-Gold grads who excelled in their chosen sports fields will be honored at a dinner planned for the Chandelier Restaurant, although exact time and date for the fest has not yet been announced.

Fred "Chick" Puleo, president of the Advisory Council, and Michael Chieffo, acting as a liaison between the Trustees and the Council, along with the cooperation of the Belleville Board of Education have been going through the record books and library archives researching the potential Hall of Famers.

Anyone with additions to the list of inductees or information as to their present addresses is asked to contact Chick Puleo

(751-5174, 18 Stevens Road Belleville) or Michael Chieffo (759-8689 or 759-8486, 269 New Street Belleville).

The list of former BHS athletes presently planned for induction into the Hall of Fame includes Paul Short (1929-1930 football), Harold Bade (1931-football). Please see "Help" on page 9.

Senior notes

By GEORGE CHENOWETH

The Essex County Sheriff's Department sent representatives Detective Farrell and Detective Farley to the Belleville Senior Citizens Club last Tuesday. There was a talk and a movie followed to demonstrate how to cope with crime against the elderly.

The St. Patrick's Day Party at the Belleville Club was declared a huge success by all who attended. Corned beef and cabbage and Irish music was the order of the day. The specialty group of choral singers were highly acclaimed for their efforts. Speaking of efforts, the committee and their assistants who were responsible for the affair, deserve a great big hand.

Our king and oldest member, Michael Santisieri, is laid up, Mrs. Nardiello and Mrs. Whalen are ill at home, we wish all of the sick speedy recoveries.

We don't think that it is too early to mention the upcoming one day convention of the North Jersey Federation of Senior Citizens at the Plainfield High School on April 14th. This is meant to notify the seniors organizations in the county of the convention and to give them time to appoint delegates. The Federation has been responsible in part for favorable legislation in the state concerning the ceiling on pensions for tax purposes, the passing in the assembly of the generic drug bill, the holding down of utilities rates and more recently, the appointing of a tax task force to work with the state government in restructuring the present tax package to make it more workable before it distracts in July of 1978.

The Essex County Council of Senior Citizens Clubs met at the Civic Center in Bloomfield on Monday. A new slate of officers for 1977-78 was presented by the nominating committee. Further information and the election will take place at the April meeting. All delegates are urged to attend.

Dr. Craig to speak to CMHS auxiliary

The Community Mental Health Services' Woman's Auxiliary will meet for a Spring Tea, Thursday, March 31, 1 p.m. at the Woman's Club of Bloomfield, 10 Clarendon Place, Bloomfield.

Dr. Thomas J. Craig, the new director of the clinic will be introduced to the auxiliary. Mrs. Rosemarie Kramer, Coordinator of the Friendly Visitor Program at the agency, will outline the new adult programs provided at the facility.

Mrs. Elise Yorton, president of the auxiliary, will be on hand to introduce the guests. Mrs. Yorton organized the auxiliary several years ago.

Women interested in attending the Spring Tea to learn more about the auxiliary and the Community Mental Health Services may contact Mary Elizabeth DeMallie or June Moritz in Bloomfield at 338-5773 or 338-7753. Refreshments will be served by auxiliary members.

obituaries

Edith DeChristopher, 65

Services were held Monday, March 14, at Silver Lake Baptist Church for Edith (nee Appleton) DeChristopher, 65, who died Friday, March 11, in Clara Maass Memorial Hospital.

Born in Brockton, Mass., she lived in Orange for six years before moving here nine years ago. Mrs. DeChristopher had worked for the ABC Bakery, Newark, before her

retirement in 1951 and was previously employed as an assembler for the Breeze Corp., Newark.

She is survived by her husband, Ralph; two sons, Ralph Jr. and Fredrick; a daughter, Mrs. Gloria DiMedica; a sister, Muriel Appleton, and seven grandchildren.

Arrangements were through the Zarro Funeral Home, Bloomfield, with interment in Glendale Cemetery, Bloomfield.

Loretta McClure

A Mass of Christian Burial was offered Wednesday, March 23, at Our Lady of All Souls Church, East Orange, for Loretta (nee Melhollan) McClure, 87, who died Saturday, March 19, in the Essex County Geriatrics Center, Belleville.

Born in New York City, Mrs. McClure lived in East Orange before moving here three years ago.

Predeceased by her husband Aaron H. McClure Sr., she is survived by a daughter, Mrs. Elizabeth Wanser; four grandchildren and seven great-grandchildren.

Arrangements were through the Treppau Funeral Home, Orange.

Preference given to local applicants

Continued from page 1.

One of Belleville's SST opponents has been Tom Jackrell, 12 Campbell Avenue, who represents Ecology Action East. Jackrell has written, "we

are likely to be affected by the Concorde," which Jackrell added, "has an approach about two miles from touchdown, approximately the same loudness as takeoff."

Tuesday night the Town Commissioners were also expected to approve residency requirements for police and firemen applicants. First preference will go to Belleville residents, then county, state, and out of state applicants. Mayor Marotti said this ordinance is similar to one already in effect in Nutley.

Library sponsors trivia contests

If you enjoy writing, you may want to participate in the Library's essay Contest for National Library Week, April 18-23, open to students grades 7-12, and adults who have library cards. Entrants may write on the following topics:

1. Libraries are something else.
2. What's new at the Library?
3. Use your library.

All entries must be submitted to the Library on or before Monday, April 11.

The winners, to be announced Wednesday, April 20, will receive Library Gold Certificates and book prizes, inscribed by the library.

Entry forms for the trivia contest, prepared by Barry Stahl, reference librarian, and Adrea Cohen, assistant director, are available and are due for submission, April 11. Winners will also be announced April 20 and will receive certificates and book prizes.

Naturale and Andrew Pica were optimistic about Tuesday's results. However, Pica added, "we're never confident of victory until the votes are counted."

"It's been very quiet. That's bad or good, I don't know but I've campaigned strenuously," candidate Risoli said this week. His candidacy which started as what Risoli called a "last minute decision" has centered around the \$10.2 million spending and the entrenchment of the incumbents.

"How much time do these men on the School Board want to learn the needs of our children?" Risoli asked. "I have the time. I'm here everyday, if necessary I'll make it a full time thing. If I have to come down here every night to achieve these goals, let's do it. I don't believe in taking on the responsibility just for the glory of it. There's too much at stake for that sort of thing."

Risoli stresses the importance of Tuesday's voting because it is on the biggest budget in history. "Knock it out," Risoli said. "I will personally recommend to the Commissioners what we can operate with."

Lawrence Schwartz is seeking his third elected term on the Board and is the third name on the ballot. The candidate is a Belleville lawyer, who also serves as president of the New Jersey School Boards Association. Schwartz said he agrees the campaign has been basically quiet, "although I think it picked up toward the end. The campaign is going quite well. I'm enthused with the amount of people coming to my teas and enthused with the reception."

Schwartz said voter interest has generally been in the performance of the Board and "where we're going in the future."

Although he voted for the budget, Schwartz said, "I think there are problems with it. Some more economizing could be affected but I think the taxpayers will really not feel a great benefit until the state does take over more of the burden."

"Funding of education is a state problem," Schwartz said. "Decision

Bob Drummond Inc.

TV RADIO HI FI SERVICE ALL MAKES

667-0068

25 YEARS EXPERIENCE

and policy making are local responsibilities."

"I think every candidate has run a good campaign and its up to the voters to decide who the most qualified and most dedicated is to serve the community and students," Board Member Schwartz said. "I feel I am still dedicated to the job and if I am reelected, I pledge my continued interests to move the system forward and to attempt to move the state to properly fund education."

Mrs. Viola Spray is seeking her second term as a Trustee and is a veteran of 50 years in the Belleville school system. She stresses her service and dedication to the district and her Board duties as strong points for her reelection bid.

"I've only missed one Board meeting and I've made decisions on my own," Mrs. Spray said. "In Belleville we have the kind of people who will recognize qualifications and experience over everything else."

Concerning her vote of approval for the proposed budget, Mrs. Spray said, "I'm a taxpayer, my increase is going to be the same as everybody's increase. We got it (the budget) as low as we possibly could. If the public feels they don't want this budget, we'll cut it. But they can't ask for comparable education with other towns."

"We are morally bound to present the needs of the school system as we see them," Mrs. Spray added.

Cleaning ordinance in effect April 4

Captain Robert Russomano of the Belleville Police Department's Traffic Division advises motorists that the street cleaning ordinance temporarily suspended for the winter months will be enforced starting April 4.

Motorists are requested to voluntarily comply with posted restrictions to help "Keep Belleville Clean."

Captain Russomano also advises motorists that during the Cherry Blossom display in Branch Brook Park, parking will be banned on Sundays on the following streets: Mill Street from Washington Avenue through the park and Union Avenue from Newark line to Belleville Avenue.

opinion

The school election

Tuesday, voters are being asked to visit the polls and elect three citizens to the School Board and take action upon the school system budget.

There are four candidates for the three School Board seats. They are: Mrs. Viola Spray, Lawrence Schwartz and Matthew Pica, incumbent School Board members.

Matthew Pica is the current President of the School Board. Mrs. Spray, Lawrence Schwartz and Matthew Pica have served well the school children and the

taxpayers of our community.

On the basis of their individual records, the Belleville Times/News without reservation endorses the re-election of Spray, Schwartz and Pica.

As for the School Board Budget, we believe it should be defeated because the teachers' salary raise provided for in the budget is more than the taxpayers can absorb.

Frank A. Orecchio

Filling a void

Welcome to the Sunday Herald News." Prior to the advent of this additional publication, area residents were limited to reading Sunday papers with minimal local coverage.

The "Sunday Herald News" fills that void. With only a limited track record of three editions, it may be too early to render judgment, but we believe the "Sunday Herald News" is a much-needed publication to

satisfy the Sunday reading requirements of our area residents.

To the "Sunday Herald News," we say welcome and good luck, and to the able, industrious staff, we say — a job well done.

Frank A. Orecchio

Let's keep Smith!

Essex County College Trustees are trying to replace College President J. Harry Smith which has led the institution since 1971.

Smith's tenure has been outstanding. During his six years of service his leadership has never been questioned.

We are unequivocally behind the reappointment of Harry

Smith as President of Essex County College. His continuation in office best serves the educational needs of the Essex County College students.

Frank A. Orecchio

D.O.T. — a bad neighbor

What used to be the Public Service Bus Company is now owned by the New Jersey Department of Transportation. Whoever is responsible for the buses that use Glendale Street and Passaic Avenue as a terminal-waiting-point is a bad neighbor. Buses are parked along the curb with idling motors keeping citizens awake at two o'clock in the morning. Not only are we confronted with a waste of gas, but worse — waking up Nutley citizens who have a right to sleep — but can't because of the noise from the

roaring motors. There is a law in Nutley that prohibits a nuisance. If the law does not cover this situation, then it justifies the enactment of a new law. Since the culprit is a parked vehicle which disturbs the tranquility, and injures the health of our people, it appears it is a health matter; and we invite our health authorities to get on the ball and give our citizens the relief to which they are entitled.

Compare, contrast — Dr. John Greed has released this chart comparing Belleville's average 1976 spending with other county and state school districts.

Letters

Guglicelli urges reject school budget

To the Editor:

I am appealing to the people all over town for a large No vote on the school budget.

Let us show the Governor, who must be grinning like a Cheshire cat, for the way he put over the state income tax, that we will no longer remain silent.

We are now at the bottom of the barrel. What is he doing with the extra billions taken in by the state at taxpayers expense?

The crumbs he gave us disappeared with the wind, with his unpopular state income tax.

All the politicians that voted for it should be defeated at the polls to protect ourselves from future taxes by the cities, county, and the state.

This is no time to stay home. The evils of bad Government must come to an end, or we too will end up like N.Y.C.

Under a decision handed down by the highest court in the state, the school tax paid for by all property owners is illegal and should have been removed from the tax bill.

The Governor has stated he would close the schools unless his state income tax was approved.

Why are we still paying an illegal school tax when the school budget under the law is now the responsibility of the state?

It is the duty of all School Board members to demand the ten million dollar school budget be paid for by the state income tax as promised.

It will not be illegal for them to say they will close the schools until they receive the funds from the state to keep them opened. The law is on their side.

Are we going to let the politicians who created this mess use us again as guinea pigs?

We still have a voice at the polls, let's use it now before more factories decide to close their doors and move away, increasing the ranks of unemployed and the relief rolls.

Albert Guglicelli
75 Lake St.
Belleville, N.J.

Salvato endorses Ralph M. Risoli

To the Editor:

I have been following the school board election with great interest and concern.

I am proud to discover we have one person in the community of 40,000 who really cares.

I refer to our Municipal Registrar, Ralph M. Risoli.

I have followed Ralph's civic career in Belleville for many years and have found it to be one of dedication, excellence and concern for our school system.

Ralph deserves our support. You can be sure when elected he will watch out for your tax dollars.

Golden Comments

By James R. Golden

Angry, aroused tax conscious citizens of both Nutley and Belleville have been turning out in droves at public hearings on school budget issues their ire and show their fears against mounting town tax rates caused by the over generous yielding of school trustees to the unconscionable salary demands of school teachers and administrators.

The New Jersey Educational Association (NJEA), the labor lobby of educators, goods its members to clamor for smaller classes of less than 25 pupils while insisting upon constant raises; notwithstanding the fact salary guides provide graduated increments periodically. Longevity is demanded with resultant salaries of \$18,000 to \$20,000 not uncommon in many school districts for a 180 day school year. Working on an incentive plan, they provide for convention expenses are sought and while their long summer vacation is not paid for, just how many of you people make that kind of money for 180 days of work under ideal conditions with all the holidays and Christmas and Easter week long vacations?

Now come that lack in the days when teachers were dedicated and gave most thought to the pupils learning to read and write and handle figures than they did of fancy salaries they could teach forty to fifty kids in a classroom? In fact, we might ask how come that, even today, parochial school instructors can teach with good results much larger classes than in public schools, and the kids can read, write and do arithmetic, or else they would not be passed on or graduated?

The public who has to pay the freight for this "kid glove" treatment of educators and teachers are fed up to the ears with school board members who ignore the taxpayers while giving teachers some thing they don't need. This time we get out to these school board elections and vote down school budgets that provide fat pay checks to school teachers and administrators while our kids aren't getting the quality of education that that kind of money entitles them to.

Now could be made of the comment one Belleville citizen made at a public hearing on the school budget when he commented that teachers who were not pleased with the salary they receive from the Belleville Board of Education "get the hell out of Belleville, and teach somewhere else."

With the school board election coming up Tuesday, March 29th, we should all get out to vote on the budget and for three positions on the school board. This could be the opportunity to show our concern about soaring taxes brought about by ever increasing school costs brought on by salary raises for teachers. Maybe we can come up with some new blood on the school board: Someone who will stand up to the teachers and put their foot down and vote no to salary raises, when the people who pay the bill don't earn anything like the salaries teachers and school administrators are getting.

The best proof that there is some need for a change was the stand-up vote of Board Member Dick Mahanian who cast the only dissenting vote against the extravagant \$10.2 million budget which was protested by many indignant citizens at the public hearing.

Mr. Mahanian stated he objected to the budget due to the teacher's contract approved this year. "I am diametrically opposed in terms of what the teachers want," he said. The school board will receive a 7.5 percent salary boost this year which he voted against when the contract was negotiated. He also stated he opposed allowing a re-opening of the wage package for the teachers permitted by the board. All of which is conclusive proof that we might well need a change in the composition of the present school board who voted for these unnecessary teacher's raises.

THE STATE WE'RE IN

Develop beaches with caution

By DAVID F. MOORE

The National Park Service is completing plans for utilization of the new Gateway National Recreation Area, which it will administer. Unfortunately, I'm afraid it will go ahead and repeat mistakes already made elsewhere in permitting overuse of fragile environments.

It's the plan for utilization of the Sandy Hook section of the Recreation Area, most of which has been off limits to the public because it's in the Fort Hancock Military compound.

Preliminary planning by the Park Service would have three intensive beach developments on the ocean side of Sandy Hook. This raises the probability that the oceanfront just won't be able to stand so many footsteps, with the result that a fragile environment will be overwhelmed by the sea.

ALTHOUGH ONLY about 20 miles in distance separates the tip of Manhattan Island from Sandy Hook, in terms of time it could be 20 centuries.

That's because patterns of warfare in simpler days dictated that New York Harbor should be guarded by the big

guns of Fort Hancock on Sandy Hook. Thus the fragile ocean and bayfront ecosystems have survived for many years in an outdated military compound while urbanization spreads across the surrounding landscape.

But overuse of beachfronts makes them shortlived, as has been demonstrated elsewhere. Better than the nearly three miles of virgin oceanfront and a rare forest of holly trees be restricted to more limited and cautious recreational exploitation.

I concur with the New Jersey Chapter of the Sierra Club, which has called upon the National Park Service to limit beach centers to only two, instead of three, and to make them smaller.

ANOTHER GOOD IDEA is to make passenger ferry service available to Sandy Hook, rather than putting a superhighway up its middle. The boats would also be an extension of the recreational experience.

The holly forest and surrounding features should be managed as a unified natural area, and not broken up into segments as proposed by the Park Ser-

vise. Nor should any major recreational facilities be allowed within the natural area.

Something needed is installation of better mass transit facilities to the base of Sandy Hook, which is already a seething mass of cars on summer weekends. Add the Gateway section, and things will really get snarled.

One idea which has been shoved at the Park Service from many well-meaning sources is mooring of the World War II battleship New Jersey in a cove on the Raritan Bay side of Sandy Hook. While I think a lot can be said in favor of the patriotic and recreational values of keeping the great ship available to the public, that's no place to put it.

Keep the natural areas natural, and let the ship be berthed in one of the waterfront sections of Gateway.

People wanting to make last-minute inputs to the planning process for Gateway can do so by writing to: Superintendent, Gateway National Recreation Area, Floyd Bennett Field, Headquarters Building 69, Brooklyn, New York 11234.

campaign trail Spray offers a second chance

Pica: triple-threat man on the side of the voter

Many Americans tend to forget that the priceless heritage of democracy that they enjoy today was hard won and that it took generations of effort to establish viable democratic institutions, and that among those institutions one of the most unique and probably most important is its free public schools. As taxes rise, the voter is inclined to question "how free?" Yet dollar for dollar, considering the number of young the Belleville schools serve, at least in this town today, it is still an incredible buy for the money spent. It has become that for Belleville because of men like Matthew Pica.

Matt Pica, candidate for reelection to Belleville's Board of Education, is a taxpayer in this town. He is also a parent with children in the school system, and he was once a student in that system himself. So, it might be said, he is a triple-threat man on the side of the voter. His record in the six years he has been a member of the Belleville Board, twice its president, has been impeccable, even those who have disagreed with him at times know him for being honest, outspoken, and to the point. But if no one, friends or foe, were to say a word, his record would speak so loudly for itself that a rock band in a small room would sound like a whispering string quartet.

An aggressive advocate for open Board meetings and a strong supporter of the Sunshine Law, Matt Pica stands out for his efforts to make certain that there could be no secrecy in the actions of the Board of Education, and, what is more, that all actions of the Board would be so well-publicized that everyone in the town would be apprised of what was happening. Small wonder, he welcomes citizen attendance and comment at Board meetings. He wants their input.

He knows that Belleville taxpayers must get a dollar's worth of service for a dollar spent. So he has supported mini renovation projects rather than massive building programs, and he has been a guiding influence in achieving one of the most open construction programs in Belleville's history: the rebuilding of School Number 3.

This school year (1976-77) Belleville citizens saved three tax points through sound and careful Board of Education budgeting. Matt Pica's private profession is financial

manager for Joseph Raia and Sons. He knows what he's talking about when it comes to facts and figures, and he knows how to get what the taxpayer needs — a break.

Matt Pica also has a long record of service to his community; active membership in Crew Parents Association, Music and Parents Association, Wrestling Parents Association, Blue and Gold Half-Timers, Varsity Club; trustee of the Craig Fund; former member of the Belleville Educational Advisory Council, Belleville Health and Drug Program, and the Committee for Cub Pack 301. He is also a member of various professional organizations: past vice president and past treasurer of the New Jersey Lumber and Building Materials Dealers and chairman of the New Jersey Concrete Association and the Association of Credit Managers.

Most important, Matt Pica favors the acceptance of government funding, but only so long as the community can retain tight control on its school system. He knows that new programs like the Thorough and Efficient Education Act will be instrumental in achieving such ends and must be supported by policy makers on the Board.

He wants a sound Belleville school system financially and a school system of which the community can be proud. He is dedicated to making certain that no youngster leaves the Belleville School improperly equipped for the future.

Matt Pica wants Bellevilleites to be involved in Belleville schools. He wants their criticism for his mistakes; their input for new ideas, and their support for good programs. He wants the schools to reflect the community and the community to become a healthy reflection. And he thanks all those citizens who have attended his teas and meetings, who have opened their homes to him to promote his point of view, and who, he knows, will brave any weather to make sure their votes are counted on, so important a subject as the schools and their Board of Education.

The public school system is the backbone of democracy. Keep democracy alive in Belleville. Go to the polls on March 29 and vote for a man who is ready, willing, and able to do the job for you. Vote Matt Pica (IA) for re-election to the Board of Education.

Every now and then people get the second chance in life, a chance to try again. Even towns get a second chance at life — a rebirth. For Belleville, Viola Spray has been its second chance.

Belleville, a town inclined to political upheaval and general dissatisfaction with its governing bodies, is a long last achieving some confidence in the operation of its government, and in the case of the Board of Education, that somewhat quieter atmosphere is allowing new, sturdy, healthy programs to evolve, programs that are benefiting Belleville taxpayers and children now, and promise even greater benefits in the future. That change is largely due to having people like Viola Spray in positions of authority.

Obviously, Vi Spray's long suit is her background as an educator. With more than fifty years of experience working in Belleville schools, she knows the difference between what is absolutely necessary and the things that would be nice to have, the way to measure the effectiveness of a program, administrator, or teacher, the importance of selecting the appropriate supplies, and knowing how to order them and how to distribute them. In short, she is a "thorough and efficient" educator herself.

So, Vi Spray has been a leader in promoting and helping to implement the Thorough and Efficient Education Act. It is she who represents the Board of Education in the coordina-

tion of committees of school administrators, parents, and children to ensure that T & E education is what Belleville gets.

But T & E is just one of many programs that Vi Spray has supported and gone sleepless for to see that Belleville's education is quality education. Over the years, she has served on endless panels to improve reading; guidance, grading, and purchasing in the school systems. She was the Board's representative to the Special Education Evaluation Committee, the Adult School Committee, the Citizens' Committee for Selection of a new Superintendent, and the Educational Advisory Committee. She is an active member of the NJEA (both teacher and principal groups), a life member of NEA, and a member of the Essex County Elementary Teachers Association and Principal Association. She is presently serving as secretary to the Essex County School Boards Association.

At her teas, there is a noticeable hush when she gets up to speak. Those who attend are instantly aware that this is a woman who knows what she's talking about. She is totally appreciative of their attendance and concern and wants to thank them for it, as well as those who have brought these little groups of citizens together to hear her. There is a natural warmth and a modesty that comes with certain kinds of expertise.

According to her: "Only through the encouragement and support of the people can the educational system in this town continue to move forward."

The people of Belleville can show that support and encouragement on March 29 by setting aside a half an hour to go to the polls and ensure

that this town doesn't blow its second chance. Support a woman who can do the job: the taxpayers, the parent, and the child all want done. Vote for Viola Spray, (4A), for Board of Education. Polls are open from 2-9 p.m. Polling places have changed because of too many votes in some schools and because of School 3 fire. Check before you go!

Risoli recommends rejection of budget

In reviewing the 1977-78 school budget of \$10,175,688.50 which is an increase of \$797,407.50 over last year's budget, I have found once again many discrepancies, inaccuracies of presentation, and false figures.

At the budget hearing I questioned the Board regarding the contents of the proposed budget. They were evasive or didn't have answers.

I have found many areas in this budget that could be cut without any hampering of the educational process of our school system. I personally believe that the Board has, as in the past, exaggerated the 1977-78 budget.

They are once again anticipating the defeat of the school budget by the

voters and the eventual action by the Town Commissioners (which will, of course, level off their needs).

Therefore, as a matter of general principle, I strongly recommend to the people of the municipality the defeat of the 1977-78 budget until, and when it is prepared in a manner which is understandable by the citizens who foot the bill.

Of course, teachers' and employees' salaries and wages are statutory and must be provided for.

It must be understood by the people of this community that the Board received the sum of \$8,851,300 in State Aid this year. Let us assume that this money will not be available next year. Do you realize what your tax rate will jump to?

Home Improvements Start Here!

Borrow up to \$10,000 with 12 years to repay at Bloomfield Savings Bank

Do something nice for your home... a new roof, a more modern kitchen, a finished basement, an extra room, aluminum siding or even central air conditioning. Make it brighter, make it bigger, and at the same time, worth more!

Why wait? If you qualify, a Bloomfield Savings Bank Home Improvement Loan will make it possible to tackle any repairs or improvements now!

Come in to discuss your requirements with one of our experienced loan officers.

Lost books, supermarkets, suggestions

ODDS AND ENDS.

The easiest way to find a number of things you didn't know were lost in the first place is to lose something you must have and conduct a search for same.

Erin's speech book has disappeared and that's the only word for it. She remembers seeing it up in her room a week and a half ago, doesn't remember taking it out of there or moving it to another place or stashing it in one of her innumerable hiding places. And Erin is the only one of my children who usually knows where all her possessions are. She is an original little pack rat.

ANYWAY, WHEN the daughter dissolved in tears and wailed that she was in "big trouble" if she didn't find said book before Tuesday's speech class, I instituted

a search of my own. I couldn't get a definition of "big trouble" out of her but having met the teacher and been impressed with not only her skill but her lovely manner, I couldn't imagine anything drastic happening to the little one.

I emptied all the bureau drawers and found, in the process three outgrown sweaters I thought had gone to Goodwill long ago, six unmatched socks of varying sizes and colors, the missing piece of the drawer front, three shirts that belonged to the boys, a pair of my own pajamas and daddy's comb. The toy box yielded the Stottlemire baseball knickers, assorted pieces of games, two missing puzzle parts and a belt I had written off a long time ago. Considering the toy box is supposed

to hold only sports equipment, it was quite a neat haul.

THE DOLL HOUSE also housed a deck of cards, three pencils and a juice glass from who knows when. After searching on my knees under the bed and bureau and on the closet floor, I concluded that the speech book was somewhere else if it was anywhere because it certainly wasn't in that room. Two more futile days of looking and I was forced to write a note to the teacher which big trouble took reluctantly to school. The book is still among the missing.

I have been invited to a luncheon to offer, with many other people, my suggestions for a new supermarket opening in the area shortly. I can tell you right now my three main peeves with stores of any

description: goods that are not marked at all or unclearly marked; checkers who ask another checker the price of an item instead of verifying it and shelves stacked so high that it is impossible to reach the merchandise you want. I make a mini career out of asking taller homo sapiens to reach an item I need and don't have a hope of getting.

IN A CONVERSATION with my editor the other evening, I opined that I was finding it more and more difficult to write this column and he suggested that I pull a "Rhoda," divorce Rod, begin a whole new life and garner a new wealth of ideas. Not even for the Nutley Sun, Belleville Times am I prepared to go that far, dear sir.

by Helen Maguire

District Auxiliary will meet Tuesday at Bloomfield Post

Ladies Auxiliary to the V.F.W. District 4 (Essex County) will hold its next meeting at Miles A. Suarez Post, #711, Bloomfield March 29, at 8:00, with J. Claire Szczecinski president.

A Certificate of Appreciation will be presented to Detective Joseph Parisio of the Essex County Sheriff's Dept., Narcotics Information Bureau, for his work in drug abuse through education. Sheriff John Cravan has been invited to witness the presentation.

Attending from Nutley Stuart E. Edgar Post #493 Ladies Auxiliary will be Imelda Beyer, president, Kay Johnson, treasurer, Frances Sentner, and Lois Bauderman.

Attending from Belleville Younginger Alden Post Ladies Auxiliary will be Theresa Singer, treasurer.

Hostesses for the next business meeting of the Stuart E. Edgar Post #493 Ladies Aux. April 12, at the Nutley Post Hall will be Stella Palkevicz and Theresa Ferrante.

Hospital Chaplaincy Program — The Protestant Chaplaincy Council of Montclair and Vicinity, elected new officers. Above, Mrs. Paul B. Thompson of Montclair (right), chairman; John Benkenhoff of Glen Ridge (left), secretary/treasurer; Mrs. Richard G. Pettigill of Montclair, vice chairman. Seated: The Rev. Donald H. Allen full time chaplain at Mountainside and Montclair Community hospitals. Through this Council, area churches support the chaplaincy program of Rev. Allen and part time assistant, the Rev. Thomas Anderson.

Mrs. Rosemarie Kramer

Woman's Club of Belleville welcomes four new members

Four new members were welcomed into the Woman's Club of Belleville at its meeting March 14. Mrs. Henry Lubben transferred from the Evening Membership Department and Mrs. Herman C. Mueller, Mrs. Sabath Napp and Miss D. Marguerite Crippen joined the group.

Officers were also elected and will be installed in May by Mrs. Kenneth H. Burles, Eighth District vice president. Mrs. Betty Rufalo spoke on remedial

reading citing background, causes and effects of poor reading skills in students today. With experience as teacher, teacher-trainer and para-professional trainer for 22 years, she is now working in the Newark Department of Community Affairs.

Hostess for the meeting was Mrs. Richard Shafter with Miss Linnéa Andree, Miss Ruth Hogan, Mrs. Arthur Homick, Mrs. Jesse Sparkman and Mrs. A. Glatz on the committee.

Heart Association presenting prevention program tonight

Tri-Town Business and Professional Woman's Club of Belleville, Bloomfield and Nutley Inc., will sponsor a presentation by the Essex County Heart Association this evening at Park Methodist Church, Broad and Park Streets, Bloomfield. Dr. Otto Neurath will speak on reducing heart attacks and show a film, "Better Odds for a Longer

Life." Dr. Neurath is president of the Essex County Heart Association and professor of medicine at New Jersey College of Medicine and Dentistry in Newark.

Tri-Town is part of the New Jersey Federation of Business and Professional Women's Clubs whose aims include the promotion of interests of business and professional women. The group is open to all women engaged in business or the professions. For more information, contact membership chairman, Mary Pat Desmond at 235-9379.

Try new ryegrasses for attractive lawns

The attitude toward the use of ryegrasses in lawn seed mixtures has changed considerably over the years. Once considered unsuitable because of their coarse texture, stemminess and yellowish-green color but nevertheless used because of fast germination and relatively low cost, the use of ryegrasses in desirable lawn seed mixtures is now encouraged, says William F. Munk, senior county agent of Essex County.

Extension research has resulted in the development of a new group known as the fine-textured turf-type ryegrasses. Manhattan ryegrass developed at Rutgers University is one of the varieties in this group that features fine-textured blades, leafiness, a darker green color, slower growth habits, and easier to mow. Other varieties are Citation, Diplomat, Derby, Yorktown, and Pennfine. These new ryegrasses are used in seeding new lawns, reseeding old lawns, and repairing bare or thin areas. They germinate and establish quickly, have a degree of shade tolerance, and may be seeded alone or in combination with Kentucky bluegrass and fine fescues.

However, Mr. Munk suggests that one or more of the improved ryegrasses included in a seed mixture should not exceed 20 percent by weight.

The next time you buy grass seed specify the variety instead of asking for "some ryegrass."

Stork Club

A first child, a daughter, Katie was born to Mr. and Mrs. Joseph M. DeLuca of 35 Arthur Street March 6 at Clara Maass Memorial Hospital. Birth weight was 8 lbs. 8 ozs.

Mrs. DeLuca is the former Arlene M. Colombo, daughter of Mr. and Mrs. James G. Colombo of Modesto, California. Mr. DeLuca, son of Mr. and Mrs. Joseph F. DeLuca of Belleville, is a musician with Theater New, New York City.

A third child, a son, Thomas Patrick was born to Mr. and Mrs. William Escott of Belleville March 1 at Clara Maass Memorial Hospital. Birth weight was 9 lbs. 10 ozs. He joins William Jr., 6 and Michael, 3 and a half.

Mrs. Escott is the former Cecilia Margotti, daughter of Mr. and Mrs. Michael Marotti of Belleville. Mr. Escott, son of Mr. and Mrs. William Escott of Carbondale, Pennsylvania, is a police officer with the Belleville Police Department.

A second child, a son, Christopher James was born to Mr. and Mrs. Ronald Bailey of Washington March 10 at Hackettstown Community Hospital. Birth weight was 7 lbs. He joins Michael Wade, 1.

Mrs. Bailey is the former Diane Cuff, daughter of Mr. and Mrs. Howard Cuff. Mr. Bailey is the son of Mr. and Mrs. Theodore Bailey of Belleville.

Hospital guild luncheon today will feature clothes, music

All new fashion looks will be presented in a Bahia theme during today's Clara Maass Memorial Hospital Guild Luncheon at Naninas in the Park, Belleville.

Presentations of the clothes will be done in a Festival in Rio mood. Loretta McManus, a professional fashion coordinator, has arranged a most exciting, free-flowing show designed to complement the many outfits which will be previewed during the luncheon show.

Models will Samba through the afternoon in trend-setting summer clothes coordinated in a Bahian fashion. Fresh flowers, large hats, sandals and bare feet will set the pace.

Music will be strictly Samba.

Mary Gabriele headed Sodality's trip to Clinic

Mary Gabriele was chairman of the St. Lucy Filippini Sodality's recent trip to the Communications Research Clinic in Englewood Cliffs. The group is affiliated with Holy Family Church, Nutley and added to their treasury by testing products and viewing television commercials.

The Sodality expresses its thanks to Ms. Gabriele for all her effort in its behalf.

Bucknell Alumni cocktail party April 1 in West Orange

Bucknell University's Alumni Chapter of Northern New Jersey will hold a cocktail party from 7 to 9 p.m., April 1 at the Montclair Golf Club, 35 Prospect Avenue, West Orange.

oriented. The Rogers Dance Studio will provide the highlight of the show with a flamboyant finale displaying a special design presented for the first time.

Participating stores will be Barbara Eclectic, Millicent Gallet, Woman's Haberdashery, Laufer Bros. Shoes, Vitti Jewelry and Smith's Florist from Upper Montclair. Keith from the New York City will design the models' hair styles and the pace of the show will be coordinated with the Rogers Dance Studio and musical accompanist John Seebey. Also working in this special show will be John at the Top in Rutherford and Joanna Originals from Caldwell.

This annual Clara Maass Memorial Hospital Guild Luncheon/Fashion Show will benefit the Marianne B. Forline Scholarship Fund for the Clara Maass School of Nursing. Advance reservations for the show are available by contacting the Public Relations Department at 751-1000 (ext. 817).

Program to reassure aged has begun at health services

Mrs. Rosemarie Kramer of Scotch Plains has been named coordinator of the Volunteer Friendly Visitor and Telephone Reassurance Program of the Community Mental Health Services for Belleville, Bloomfield and Nutley. The program, which is funded by the Essex County Office of Aging at no additional cost to the three communities, began this month.

The Friendly Volunteer Reassurance work is to be carried on by trained volunteers who will visit home-bound senior citizens of Belleville, Bloomfield and Nutley once weekly and telephone them daily at an agreed-upon time. The object is to offer friendship and understanding to lonely people who cannot get out and to give them an opportunity to talk and to know that somebody is concerned about them. The volunteers

will be supervised by three part-time outreach workers.

Mrs. Kramer, the program coordinator and mother of seven children, was graduated magna cum laude from Seton Hall in May 1976 with a B.A. degree in sociology. She began her college work by attending even classes at Union College in Cranford nine years ago, when expecting her seventh child. Mrs. Kramer believes that a well-organized on-going program for maintaining regular contact with shut-ins will be of much help to our communities.

More volunteers are needed of all ages from high school and college students through senior citizens. Interested persons should call Mrs. Kramer at the Services agency (751-1630).

with Pat DeAngelis, and Kay Giesen as ticket chairladies.

Attending from Nutley Stuart E. Edgar Post #493 and Ladies Auxiliary will be Imelda Beyer, president, Kay Johnson, treasurer, Maureen Doll, secretary, Irene Ackley, Marie Stankewitz, Theresa Ferrante, all past presidents of Aux. #493. Frances Sentner, Mr. and Mrs. Raymond Bauderman, and Frank Kvidahl, past-commander of Post #493 presently serving as junior vice-commander of District #.

Joint dinner dance to honor presidents

District #4, Veterans of Foreign Wars and Auxiliaries will honor District President J. Claire Szczecinski and District Commander Richard J. Heller April 1, at a Joint Testimonial Dinner-Dance at "The Fountain," 46 Watessing Ave., Belleville, at 7:30 p.m.

Josephine Farrington is chairlady

Elks install officers

The installation of officers for the 1977-78 year of the Belleville Lodge No. 1123, B.P.O. Elks will be held at the Elk's Lodge, 254 Washington Avenue, Belleville, April 1 at 8:30 p.m., as announced by Exalted Ruler of the lodge, James Salmon.

Past Exalted Ruler Raymond MacDonald stated that a delegation of at least ten members of the Bel-

leville Lodge attended the dinner-dance at the Orange Lodge No. 135, for the benefit of the North Central District Crippled Children's Fund, Saturday, March 19.

New Jersey Vice President August Mitschke, Steve H. Frank, and MacDonald attended the District Crippled Children's Committee meeting, Wednesday, at the North Arlington Lodge No. 1992. Fred Hagin and Mitschke attended

the State meeting at the Plainfield Lodge No. 885 on Sunday while Frank attended the affair of the Harrison-East Newark Lodge No. 2326 and Park Ridge Lodge No. 2234. The event of the Harrison Lodge was held at the Moose Hall because of the recent fire in the Elks lodgerooms.

Plans for the dinner-dance honoring N.J. State Vice President Mitschke are progressing. This affair will be held at the Belleville Lodge on April 16.

Toll evasion summonses total 365 on Turnpike

State Police patrols issued 364 summonses for toll evasion on the New Jersey Turnpike during 1976, it was announced today by Captain William Galik, commander of Troop D.

Toll evasion is illegal under Turnpike Authority regulations and state law. Eviders face a fine of \$25 plus court costs.

"With this procedure and the heavy fine, it is foolish for any driver to try to beat the Turnpike out of a toll which is considerably cheaper by comparison."

Nuclear power is best answer

The use of electric energy is growing in New Jersey and the best way to meet the demand is with nuclear power, John F. Betz, executive vice president of Public Service Electric and Gas Company, testified at Public Utility Commission hearings on future electric energy needs.

He predicted electric energy needs will grow at the rate of four percent annually and noted why PSE&G had chosen nuclear energy to meet those needs.

"Our decisions are based on the economic interest of our customers," said Betz. "Our studies show nuclear to be more economic, and we believe that nuclear energy is more environmentally sound than coal-fired plants. We do not have the option of adding any base load oil capacity. And, as our nuclear plants come on line, we will be cutting our oil consumption, thereby reducing dependence on foreign supplies."

Juliet Low Money, Honey — Michele Marotto reads a poem to an assembly of girls at a Scout-a-Rama held March 12 at Belleville Junior High. Michele had just presented Troop 906's Juliet Low money, money used to support several Girl Scout retreats worldwide. Juliet Low founded the organization.

Citizens' Union meets Monday

The Citizens Union of Belleville, a local tax group, is holding its meeting on Monday, March 28, 7:30 p.m., at the Junior High School, Washington Avenue.

Angelo Veneziano, president of the group, suggests that members mark the date on their calendar to attend this important Union meeting. Veneziano has also invited all Belleville citizens and taxpayers to the meeting.

New collective bargaining course free to workers

A new course, "Collective Bargaining in the Public Sector," will be offered in the department of economics at Montclair State College during the spring semester. As a public service, the course would be open to qualified government employees and administrators as well as MSC students.

Kean sponsors nurse lectures

Mary B. Ryan, Executive Director of the National Council of Alcoholism in North Jersey, and Detective Joseph M. Pariso, Essex County Sheriff's Office, will be among the speakers at a three-day workshop for nurses sponsored by the Center for Continuing Education at Kean College of New Jersey.

Entitled "The Nurse, Society and Drugs," the workshop will be held on April 20, 21 and 22 on the Kean College campus and at Turning Point, an alcoholic rehabilitation center in Verona, and at Integrity House, a drug rehabilitation center in Newark.

The workshop has been approved by the New Jersey State Nurses Association and assigned thirty recognition points. Fee for the workshop is \$45. Registration deadline for this limited enrollment is April 6. For registration information call 527-2163 or 2210.

Brownies help welfare agency

School Seven Brownie Troop 964, represented by Dorcas Sente and Karyn Whyche, and Brownie Troop 255, represented by Cindi Ann Ruggiero and Susan Fisher, have presented paper products donated by the two troops to Mrs. Cecilia O'Toole of the Welfare Department.

Each month a different Girl Scout Troop donates a box of paper products, to be given to people who cannot purchase these items with Food Stamps.

Aronoff announces St. Peter's readies plans election eligibility

In a statement issued today, Commissioner of Registration Joseph Aronoff stated: "I wish to alert all citizens of Essex County who wish to vote in the June 7, 1977 Primary Election, to be cognizant of the Election Laws which require a voter to be a member of a political party 50 days before the Primary Election."

The Commissioner continued, "Voters who intend to vote in a political party other than their last Primary vote, must file a Party Declaration by April 18.

Aronoff further stated, "The only voters who need not file are those voters who shall vote in the same political party as their last Primary vote; and those voters who registered to vote since May 11, 1976."

Aronoff went on: "Declaration Forms may be obtained from my office or from the Municipal Clerk's Office of the voter's municipality, either in person, by writing, or by telephone. My telephone number of 961-7664. I cannot emphasize too

strongly the importance to voters who wish to vote in the June 7 Primary, to file the Voter Declaration Form within the 50 day period as prescribed by law."

Architectural plans for the reconstruction of St. Peter's Church which was gutted by fire last year are awaiting finalization before work can begin.

The new liturgy of the Catholic Church has changed the contemporary set up of most modern churches in order to correspond with the dictates of Vatican Council II which among other things strive to bring the church closer to the people.

"As soon as a decision is made as to the type of architecture the interior of the church will be, construction will begin," stated Rev. James P. Heavey assistant pastor of St. Peter's. "Right now things are up in the air but we do expect a decision in the next few weeks."

Ever since fire swept through the church March of 21 of last year the parish has been utilizing the school auditorium for masses, wedding and funerals.

"We have not had a wedding here since last April and some people it is true are reluctant to have a funeral held for a loved one in an auditorium," stated the assistant pastor.

The pews of the church have been refinished and only await the final coat of paint which will be determined by the color tone of the inside of the church noted Father Heavey.

According to a spokesman at St. Peter's there is enough money on hand at the present between the fire insurance and the Building Fund drive last spring to pay for the reconstruction.

A new roof has already been completed over the structure and a choir loft has been moved back several feet from its original position to provide

additional room for parishioners. The basic Gothic architecture of the Church however, makes it difficult for many of the newer liturgical functions to be adopted but a new Baptismal and Reconciliation Rooms have been constructed. "There's no doubt there are some people who are upset we have not started to rebuild," said Father Heavey. "A year after the fire many people think we should be half-way finished with it. But the people of the parish have been great and we hope to have a decision as to the rebuilding plans and begin work shortly."

Grand Union company organizes management

The Grand Union Company has announced a major restructuring of its Supermarket Division to take effect at the beginning of its 1977 fiscal year on April 3.

James Wood, President and Chief Executive Officer, said the corporate reorganization involves a number of new promotions and appointments.

Thomas R. Doyle has been promoted to Executive Vice President and Chief Operating Officer of the company. He previously served as Executive Vice President in charge of the Supermarket Division.

Patrick A. Deo, formerly Senior Vice President in charge of Operations, replaces Doyle as Executive Vice President - Supermarkets.

Deo's management team within the Supermarket Division includes Ernest H. Berthold who has been named Senior Vice President in charge of Supermarket Operations and Alan C. Goulding who has been promoted to Senior Vice President in charge of Supermarket Merchandising. Berthold had been Senior Vice President in charge of Merchandising while Goulding had been Regional Vice President in charge of the company's 175-store New York Region.

Caryle J. Sherwin has been appointed Regional Vice President in charge of the New York Region. He had served as Regional Vice President in charge of the company's 184-store Northern Region headquartered in Waterford, New York.

Grand Union's New York Region includes its Jersey, Long Island, Metropolitan and Suburban Divisions with stores in metropolitan New York, New Jersey and Connecticut.

Although the appointments are not effective until April, Wood said the men would begin to phase into their new duties immediately. All five men maintain their offices in the company's corporate headquarters in the Elmwood Shopping Center at 100 Broadway in Elmwood.

A part of the restructuring, Wood also announced a reorganization of the Northern Region which

had included the Empire and Central Divisions.

Under the new set-up, the Empire Division has been split into two divisions, Empire North and Empire South, each with 76 stores. The existing 32-store Central Division remains intact.

Joseph J. McCaig, formerly Empire Division Vice President, has been promoted to Regional Vice President in charge of the Northern Region.

McCraig is currently in charge of the company's 175-store New York Region.

There's a New Bank in Town — And it gave away two new Panasonic TV sets as part of its Grand Opening Celebration recently. The bank is Bankers National Bank, on the corner of River Rd. and Park Ave. The winners (with arms on sets) were James McGuire, Nutley, and Minelia Caraballo, Belleville. The bankers (standing behind the winners, l-r) are Assistant Manager Vincent Zollo and Vice President and Manager S. Anthony Angelello.

Kidde records best return in 60 years

Walter Kidde & Company, Inc. has reported the highest operating results and net income in the 60-year history of the company.

Income before extraordinary items rose to \$48.5 million compared with \$43.2 million in 1975, resulting in primary earnings per share of \$4.49, up from \$4.19. On a fully diluted basis, earnings per share before extraordinary items were \$4.25 compared with \$4.00 the previous year.

Net income for 1976 amounted to \$61.5 million, including extraordinary items of \$13.0 million, consisting of a credit of \$16.9 million related to United States Lines, Inc.

and a charge of \$3.9 million in connection with settlement of a class action suit brought against the Sargent division. Resulting net income per share amounted to \$5.75 primary and \$5.36 fully diluted.

Kidde chairman Fred R. Sullivan said that 1976 growth was led by the company's consumer and commercial products group which reported a near doubling of operating profit as a result of increased consumer spending, new products and increased productivity. This outstanding performance was led by the Progress, Faberware, Spartus and Rexair division.

Kidde-Comptometer merger considered

An agreement in principle for the merger of Victor Comptometer Corporation into a newly organized subsidiary of Walter Kidde & Company, Inc. has been announced by Fred R. Sullivan, chairman of the board and chief executive officer of Kidde, and James Sheridan, president and chief executive officer of Victor.

Under the proposed terms, the holders of Victor Comptometer common shares, other than the 382,341 shares owned by Kidde, may elect to receive \$11.75 per share in cash for up to a maximum of approximately 1.8 million of the approximately 3 million Victor common shares outstanding not owned by Kidde. Each Victor common share not acquired for cash will be converted into one-half of a new Kidde Series D Convertible Cumulative Preference Share. The new Series D shares will pay an annual dividend of \$1.64 and will be convertible into Kidde common shares at 110% of the average market price of such shares for the ten-day period prior to the merger.

Each of the 77,545 outstanding Victor Convertible Preferred Shares will be exchanged for one share of

Kidde's existing Series C Convertible Cumulative Preference Shares. The Victor common shares and Kidde's common and Series C shares are listed on the New York Stock Exchange and application will be made to list the new Series D shares on the New York Stock Exchange.

Sullivan stated that the 382,341 Victor shares owned by Kidde were purchased for \$11.75 per share from two major stockholders.

Victor Comptometer, headquartered in Chicago, is a well known supplier of business machines and also produces recreation products including sporting goods and toys. Victor had 1976 sales of approximately \$227 million.

Kidde is a diversified manufacturing company with principal operations in consumer and commercial products; safety, security and protection products and services, and industrial equipment. Headquartered in Clifton, New Jersey, Kidde operates more than 180 manufacturing plants and other facilities worldwide. Kidde's 1976 sales were approximately \$1.2 billion.

Public speaking course designed for managers

"Public Speaking for Managers," a course designed to help the new or experienced manager inform and keep an audience, is being offered by the Kean College Center of Continuing Education on six Monday evenings beginning April 11 at 7 p.m.

The course will be taught by Dr. Donald Lumsden, associate professor, speech and theatre media, Kean College.

Fee for the course is \$50. Registration deadline is April 1. For registration information call 527-2163.

Class sessions will be used for practice presentations. Participants will develop abilities in preparing and presenting a speech, organizing materials and supporting and developing ideas.

Public Service earnings set at \$2.87 share

Public Service Electric and Gas Company reports earnings for the 12 months ending January 31 were \$167.7 million, equal to \$2.87 a share, compared with \$131.6 million, or \$2.40 a share for the same period a year earlier.

ShopRite has... the Double Coupon!

Come to ShopRite and redeem any manufacturer's "Cents Off" coupons by purchasing items at ShopRite and we'll give you double the savings designated on the coupon.

This Double Savings Coupon Program does not apply to "Free" or other retailer's coupons. Offer effective from March 16 thru March 26, 1977. Excluding: N.Y. City, Long Island, Conn., Penn., Trenton and South N.J.

Redeem all manufacturer's "Cents Off" coupons by buying the items at ShopRite and we will double the value stated on the coupons. Our Double Savings Program applies to manufacturer's coupons you clip from newspapers and magazines - not "free" or other retailer's coupons. (Excluding cigarettes, milk, tax, lottery tickets, prescriptions and any item prohibited by law.)

During the course of this offer, there is the possibility of unusual demand for a particular manufacturer's coupon item. If the item does become temporarily unavailable, please request a ShopRite "Rain Check". This entitles you to "Double Savings" on the manufacturer's coupon item when purchased within the expiration date of the "Rain Check".

Wrestlers finish successful year

By MIKE COREY

The 1976-77 Belleville High School wrestling season was one of success and accomplishment. The Blue-Gold squad sent seven of its 12 men to the District tournament, four wrestlers to the state finals, was ranked 11th in New Jersey (recording a 15-1 mark) and had its head coach named tops in the Region.

"In the beginning of the season I never would have believed we were going to have the kind of year we had," stated Bellboy matman coach Gene D'Alessandro. "But it is a good indication of the type of athlete we have here in Belleville and it is a reflection on the people of the

community who came out and supported us."

The coach also praised the wrestling program organized by Jim Silvestri (Belleville athletic director) along with Dennis Villano (freshmen wrestling coach) and Joe Zarra (jayvee coach).

"There's no doubt in my mind that in a different town we would not have done as well," said D'Alessandro. "The whole thing just seemed to snowball."

Wrestling for the Blue-Gold in the 101 pound division was sophomore Frank DiLorenzo compiled a 15-7-1 record and was Essex County and District champ.

"One of the high points of the season was his wins in both the Districts and the County tournament," added the Bellboy coach. "Frank will be back with us next year although he may be wrestling in a higher weight class."

Junior Ed Lijo is also expected to return to the mats next season for the Blue-Gold. Competing in the 108 pound division he posted a 14-1 dual meet record and captured second place in both the Bloomfield Christmas Tournament and the Essex County Tourney along with taking third in the Districts. His Continued on page 14.

Baseball opener nears

Buds begin to open on the flowers, Robins appear in the trees and the clank of aluminum bat meeting a cowhide ball echoes through the air. Another spring and another baseball season at Belleville High School is ready to start.

This year's club has huge footsteps to trample in following in the wake of the previous season's successful campaign which saw the Blue-Gold diamonders compile the best record (24-4) in the school's history and capture the Big Ten championship flag.

"You can't live in the past," stated

George Zanfina beginning his third season as coach of the Bellboy baseball club. "We are practicing hard and doing all we can to have as good a season as we had last year."

The 1976 club won its final 20 games during the regular season, had a team batting average of .328 and made only 51 errors in 28 ball games.

Belleville lost 10 of its players from last season through graduation last June but will have the advantage of some experience on the club as eight players are back from the '76 Varsity campaign.

Returning lettermen include seniors Rocco Belasmo (catcher), Doug Stone (first base), Scott Ochse (second base), Chris Cervasio (third base), Anthony Steer (center field), Frank Mozeika (left field), Anthony Gammaro (pitcher) and John Clarizio (pitcher).

"The Bellboys have been playing in as many scrimmage games as they have been able to arrange and already have had contests with Clifton, Immaculate Conception and Verona under their belts."

"I believe scrimmages are good in the early part of the season," said coach Zanfina. "It's not too important at this stage whether we win or lose but I think it is much better for a team to compete against another school, in an actual game situation, rather than to play each other in intra-squad games. We are able to shift players in and out of the lineup and better observe our strengths and weaknesses."

According to the coach the team has been doing a lot of good things during these pre-season encounters. "Our defense has looked strong but we haven't been sticking the ball the way we are capable of hitting it."

Erratic weather, however, has played a large part in impeding the progress of the Bellboy's batmanship and the coach admits once the weather warms up perhaps the bats will also and the Blue-Gold's offensive game will start to click. Continued on page 15.

Trackwomen ready for historic season

The Belleville cinderwomen are still churning round the track in preparation for the opening day of the season set for April 7 against Montclair in an away meet. The girls are slated to initiate the home season at the BHS stadium April 14.

"I'm very pleased with the way the practices have been going," said Bellgirl track coach Debbie Meola. "The girls are working hard and doing what they have to do to prepare for the start of the season."

Although a pre-season meet scheduled against Caldwell was postponed because of the muddy condition of the infield, making field events too dangerous, a tentative lineup matching the Belleville girls with events they will be competing in has been announced.

"I hope the scrimmage can be rescheduled," stated the coach. "I think it will be good for our team if they have the opportunity to face competition before the regular schedule begins."

Three sophomores, Ann Marie Frederick, Karen Portuese, Peggy Gilday and junior Marianne Daougo will compete in the 100 yard dash along with senior sprinter Linda Mallon. Continued on page 15.

Cindermen season filled with questions

The Belleville varsity cindermen have been pounding in between the track lines at BHS stadium for the past few weeks in preparation for the opening of the outdoor season set at home against Montclair April 17.

"The athletes are really working hard every day trying to develop their skill as much as their abilities will allow," said Rich Ruffalo beginning his third season as head coach of the outdoor runners.

The Belleville mentor admits he is not looking so much for wins this season as he is looking for individual improvement. "If every kid does the workout as best he

can and extends himself as much as he is able there is no doubt he will improve," states the coach. "The stop watch doesn't lie."

With no letterman returning to this season's squad from the '76 team the Blue-Gold is definitely competing this year with an eye to the future.

"I know it may be a cop-out which all coaches use," said Ruffalo. But this is a rebuilding year for us."

Approximately 50 candidates for the team were on hand for the first day of practice. The runner roster is Continued on page 14.

BHS boatmen eager to begin competition

Belleville's crew team has been stroking up and down the Passaic River in preparation for the opening of the season next Saturday. The Blue-Gold oarsmen will face Blessed Sacrament at home, April 2, to kick off the year as they hoist anchor and set sail for another season.

"Our rowers are champing at the bit and are anxious for some real competition," stated Belleville crew coach Sam Giuffrida. "We've been racing the varsity team against the jayvee but what we really need is to meet another school."

The Bellboy boatman squad had hoped to arrange a scrimmage during the pre-season but was unable to line up another team to compete against.

To date the Belleville boaters have been able to stay away from injuries and hope to have a healthy squad on board when the season gets underway.

"The club's in good condition," stated coach Giuffrida. "They've been having some really rough workouts." It is not

unusual for the crewmen to row between 20 and 25 miles during a Saturday practice.

This season's team has a big wake to follow in. The club of 1976 posted an undefeated season in the eight man shell and took top honors at the Poughkeepsie Regatta.

Only three seniors will be returning to the varsity eight shell oar boat when the starting gun fires signaling the beginning of another campaign.

Returning to the oars for the Blue-Gold are Mike Barbone, Paul Henning, Rich Budrick, Paul Melchion, Bill Juliano, Jeff Dunn, Phil Sainz and Sam Lusaro.

Belleville plans to enter a four man boat into every meet this season with the exception of Arlington and Poughkeepsie.

Catching call — Bellgirl Toni Speduto signals for an in field fly during a girls softball practice session on Monday.

Coach credits community

Continued from page 13.

record this season was 21-4. The Bellboy coaching staff expects Lijo to also wrestle in a higher weight class next season.

"Usually as the athletes get older they put on weight and are able to move up to a heavier division," stated the Belleville coach.

Although not able to close out his wrestling career at Belleville High with a winning record, senior classman Bob Freda (115) was credited with providing leadership to the Blue-Gold squad. Bob's pin of his opponent at Seion Hall was a turning point of our season," stated the Bellboy coach. "It turned the meet around for us and sent us on our way."

Mark D'Amico, wrestling in the 122 pound division all season, posted a 14-1 mark in dual meet competition. A junior the Belleville matman will return to the club next year. He finished second in the Essex County Tourney, first in the Districts and second in the Regionals before being eliminated from the State Tournament in the initial round. His overall record was 25-2.

"Mark had a superior season," stated coach D'Alessandro. "He is a wrestler with many talents and we also expect him to move up a weight class or two by next season."

Nothing an overall season total of 22 wins and eight losses was Bellboy grappler Ed Camuso competing in the 129 pound class. The BHS senior won first place honors in the County and the Districts and went to the first round of the State Tournament by finishing second in the Regionals.

"Ed presently intends to attend Newark Rutgers University," said the Blue-Gold coach. "He had a very fine year and we hate to lose him."

The 135 pound weight division was represented on the Belleville High School varsity grappler squad by Mark DiGiacomo. He took fourth place in the Bloomfield Tournament, a third in the District meet and compiled an overall season record of 13-8. "A junior, he is looking forward to Mark being a big winner for us next year," said the coach.

Bob Racioppi, wrestling in the 141 pound division, finished second in the District Tournament and earned a final 12-9 record for the year. Only a junior, the Blue-Gold matman will be returning to the team next season.

Competing at 148 pounds, Ron Grolimond finished second in the Bloomfield Christmas Tournament, is Bloomfield Christmas Tournament, was both Essex County champion

and District champ, finished second in the Regionals at Upsala College and went on to wrestle in the opening round of the State finals at Princeton University. A senior, the Blue-Gold matman closed out his last high school season by posting a 24-5 overall mark.

Senior Joe Savastano also will be leaving the hallowed halls of BHS this year. The 170 pound grappler finished the season with a 13-6-1 record. He won a third place trophy in the Districts.

His brother Mark Savastano (170) took third in the Essex County Finals, captured first place honors in the Districts and managed an overall season record of 16-6-4.

"Mark showed improvement with each and every match," stated the Bellboy matman mentor. "We were very very pleased with his performance in the Districts and we are going to miss both of the Savastano brothers next year."

Another senior classman who wrestled his last match in the uniform of the Blue and Gold is Bernie DalCorvito. The 188 pound grappler was an Essex County and District champion closing out his BHS career on the mats with a 24-4 record. "Bernie was a very consistent wrestler for us this season," stated coach D'Alessandro. "And he improved with every match as the year went on."

Rounding out the Bellboy team as he has all year is heavyweight George D'Alessandro. Finishing second in the Bloomfield Christmas Tourney, the senior grappler was Region Two champion and notched a 26-3-1 won-lost record. He went on to compete in the State Finals but

lost in the quarterfinals, the only Belleville wrestler to advance that far in the tournament. The bulwark of the Blue-Gold club, D'Alessandro was recently named to the first team of the Herald News All-area wrestling team.

"This has been one of the most enjoyable years I've experienced as a coach," said the veteran coach of 15 previous high school campaigns. "It was enjoyable not only because we won but because of the fine bunch of athletes we were working with. A coach's job is not so much to win as it is to make the kids appreciate the sport."

"I firmly believe you could take the same team we had this season and place it outside the community of Belleville in another town and we would not have done as well," added D'Alessandro. "The wrestlers just seem to perform better when they know there are people sitting in the stands pulling for them."

With the loss of seven members of the Blue-Gold club the future of Belleville wrestling depends upon the athletes coming up to the varsity. From the freshman and jayvee squads.

"There is nothing guaranteed next year," stated the Belleville coach. "We have many spots opening up and who fills them depends on how much preparation and dedication each athlete is willing to put in."

Some varsity prospects looking to latch onto the top club next season include junior Bill Gallagher (expected to move into the heavyweight division), sophomore Angelo Iannitelli, wrestling in the upperweights, and fellow sophomore, Joe D'Agostino and Ken Miel who is slated for the lighter weight classes.

7th grade cagers' tournament begins

The Belleville Seventh Grade Intramural Basketball Tourney, jumped off to a fast start with 14 homerooms competing for the number one ranking.

Results of games played so far include Fazzini hitting for 20 points as homeroom 004 defeated 005; Joe Iacona paving the way for 006's victory over 105; Lopusnak pacing 007 by 108, and Ron Young leading 109 past 008.

Fred Dato, Bill Corbals and Bill Cook were the highpoint men for 003 as it knocked off 106, 35-13.

The program, under the direction of junior high teachers Michael Palard and Anthony DeAquino, is slated to continue throughout the week.

Speedster roster emphasizes youth

Continued from page 13.

down to about 35 athletes which includes seven freshmen, 15 sophomores, six juniors and seven seniors.

"What I would like to do is get more of the younger students involved in all the events and the program itself," stated coach Ruffalo.

Following on the coattails of last year's 6-7 record this season is a series of question marks for the Blue-Gold tracksters.

Slated to compete in the sprinting events and the quarter-mile is sophomore John Carlo. "He had a good freshman season," stated his coach. "And we are looking forward to see how well he does this year."

Another sophomore to watch is Mike Graham. The Bellboy was a member of this year's cross-country team and will be competing in the half-mile for the Bellboys.

Other events which bear watching are the hurdle with senior Rich Drake leading the way; the sprinting events featuring Mike Sicilia and the long jump and the pole vault with John Cozzarelli.

Some of the stonger events for the Blue-Gold, at this early stage of the season, seem to be the sprinting and short distance competitions such as the 100 yard dash, the 220, 440, quarter-mile and half-mile. In the middle distances, like the mile and the two mile races many question marks remain to be answered.

"What we have this season is a lot

of ifs," states the coach. "Right now I'm not concerned too much about winning or losing. What we intend to do is expose each athlete to competition. All we ask is each kid give it everything he has everytime he goes out on the track. You can't ask for much more than that."

The field events, including the newest entry into the cindermen's arsenal the javelin, all need improvement said the track coach. Two of the weaker events of the field competition at least in this early part of the season looks to be both the high jump and the discus throw.

Vaileburg was added to the runners' schedule. The meet is set for April 26.

A scheduled pre-season meet with Caldwell slated for Monday was canceled because of the muddy conditions of the infield at the BHS track.

Rec baseball league due by tomorrow

Applications are now available for the Intermediate and Senior Baseball League at all Belleville Schools and the Parks and Recreation Department.

All youngsters who will not be 13 years old until July 31 are eligible for the Intermediate loop while players, ages 14 and 15 and who will not be 16 before July 31, can compete in the Senior circuit.

Completed applications must be returned to the local schools or the Belleville Parks and Recreation Department before Friday, March 25.

Why Did 30,000 Homeowners Switch To OIL HEAT Last Year?

1. Because electric heat already costs twice as much as oil, and electric rates will keep on soaring upward.
2. Because electric power is often knocked out by snow, wind, or overloads — just when heat is needed most.
3. Because the gas shortage is growing worse every day, and gas rates are expected to double soon.
4. Because your best bet — now and for the future — is safe, dependable oil. Call us today about reducing your heat bills.

NEW! COMPLETE ACTING PROGRAM FOR MEN & WOMEN

Cinderellas open April 7th

Continued from page 13.

The quintet of dashers will be joined by frosh Dinah Arrae and Jackie Wis in the 220-yard event. Jill Harris, a junior, and Maralyn McCaffrey, a freshman, should be the two Blue-Gold entries in the 440-yard competition.

A sophomore, Barbara Hagin, and a junior, Sue Smith, will be competing in the half mile while Mary Connolly and Sue Costurko both sophomores along with junior classwoman Lori Clark, will be taking the turns in the mile.

Three freshmen, Dinah Arraez, Dorothy Widuch, Jackie Wis and sophomore Patty Dagin have been practicing in the hurdles and should be the representatives of the Belleville club in that event when the season opens.

A trio of ninth graders, Lisa Gessner, Melinda Anzorai, and Maureen Danksi will join forces with junior Debbie Scheder in the shot put event and Debbie Scheder, Patty Guditis and Jill Harris will be hurrying the discus this season for the Bel-girl trackwomen.

Competing in the newest of the events at BHS, the javelin, is slated to be Karen Portuese, Jackie Wis and Dinah Arraez. "Throwing a javelin demands a similar technique as throwing a softball," stated the Belleville coach. "And any girl who demonstrated she could toss a softball we allowed to try the javelin."

In the long jump the tentative entries include Marie Herte, a sophomore, Debbie Scheder, Patty Guditis, Jackie Wis, Jill Harris, Linda Malton and Dinah Arraez. High jumpers for the Blue-Gold are Marie Herte, Dorothy Widuch, Maralyn McCaffrey and Karen Doeffinger.

The field events for the girls should not present as much of a problem as first anticipated. "It looks like we will be able to do all-right in both the javelin throw and shot-put, although they both need work," stated coach Meola.

The philosophy of the girls team

this initial season has been one of stirring interest in track with an attempt to build a competitive team for the future. Final records, for the most part, will not be a true indicator of the type of year it has been for the Bel-girls.

"Positions and events are of course not definitely set," stated the Bel-girl coach. "For now the lineup of what event each girl will be competing in can still be changed as the season progresses and we are able to

get a better idea of what our strengths are." The girls track team's 1977 schedule calls for the club to compete in eight dual meets including contests against Montclair, Columbia, Orange, Irvington, East Orange, Kearny, Bloomfield and Nutley.

Swinging time — Monday's spring weather brought out the girls softball team for an outdoor practice in preparation for their opening game at Columbia April 1.

Diamond Bellboys have 8 veterans

Continued from page 13.

"I think when we begin to play outside consistently in warmer weather the team's hitting will develop," said the coach.

It is still too early to tell what type of ball club the BHS will have. Many of the returning players to the varsity only saw limited action last year so the Blue-Gold coaching staff has still not been able to really evaluate and lay out the real character of the team.

One of the question marks, in the preseason, of last year, however, was the hitting, but once the year began in earnest everything began to fall into place.

"We are at about the same stage of development as we were at this same time last season," stated coach Zanfani. "But every club is different and you have to mold a club to the talents available. If you have a strong pitching staff you can play for just one run and know the pitcher will be able to hold the lead. Right now we are still evaluating what we have and what type of strategy we will use."

The return of pitcher John Clarizio, who pitched a no-hitter for the Blue-Gold last season, should bolster the Bellboy staff. The '76 hurlers posted a 1.5 earned run average.

Other candidates vying for a berth on the varsity roster include seniors Ron Krych (first base) and Ted Serritella (pitcher); juniors Pat Nufrio (third base), Nick Limongelli (catcher), Dean Campana (pitcher), Mark Vincinio (pitcher), Frank Bialore (outfield), and Phil Agosta (outfield); sophomores Jerry Faziani (short-stop) and Danny Borgia (pitcher).

"We'd like to trim the squad down to about 15 players by the time

the season opens up," stated the Belleville coach.

Belleville will be facing a long and arduous schedule this year. The season begins with a home contest April 1 against Columbia. The team shifts into second gear the next morning with an 11 a.m. Saturday contest versus Barringer.

"We play 29 games this season and while it seems like a lot I wanted to schedule as many games as we could," said coach Zanfani. "As long as we have to practice we might as well play."

we're having a fantastic

LOAN SALE

LOW, LOW RATES ON ALL TYPES OF INSTALLMENT LOANS

The Money You SAVE Is Your Own ...
Loan Sale Ends June 30, 1977!

Peoples Bank is reducing the rates on all types of installment loans: new and used car loans; home improvement loans; personal loans; loans for any worthwhile purpose. These lower rates can save you money. Qualified applicants will receive fast loan approval. Take advantage of our fantastic "loan sale" ... you'll see it makes sense to borrow — and save — at Peoples Bank.

COMPARE AND SEE HOW PEOPLES BANK CAN SAVE YOU MONEY.

TYPE OF LOAN	Personal	New Car	Used Car	Home Improvement	Second Mortgage
ANNUAL PERCENTAGE RATE*	9%-12%	7%-10%	9%-11%	9%-12%	9%-12%

*Actual rate is determined by the term of the loan

For example: For a new car with a cost of \$4,500 and a minimum down payment of \$500, a loan of \$4,000 financed at 9% for 36 months would cost \$127.20 in monthly payments.

The total loan would be \$4,579.20, including FINANCE CHARGES of \$579.20. Does not include any charges for credit life or disability insurance.

IMPORTANT — These special rates are available until June 30, 1977, to all qualified applicants.

CARD OF THANKS

DARDEN WILLIAM M.

The family wishes to express its sincere thanks to the many friends and neighbors for the kindness extended to us during William's illness. We are also grateful for the kind expressions of sympathy and for the many gifts given to us at the time of his "Home Going."

We also wish to thank the Pastors and members of the various churches for the encouragement, prayers, gifts and also for their participation in the service. Among these are: Rev. D.M. Owens - St. James A.M.E. Church, Newark; Rev. Robert B. Dukes of 2nd Baptist Church, Patterson; Rev. Lawrence Roberts of 1st Baptist Church, Nutley; Rev. Arthur W. Jones of Pilgrim Baptist Church, Newark; Rev. Raymond Andrews of John Wesley Meth. Church, E. Rutherford; Father William Gable of St. Andrews Episcopal Church, Newark; and Mr. Thomas Gilghey of Nutley.

Prague Chamber Orchestra performing this Sunday at 3

The Prague Chamber Orchestra on its sixth American tour will perform at Montclair High School this Sunday as part of the Unity Concert Series. The performance is set for 3:30.

The Prague, an ensemble of 36 virtuoso musicians who perform without a conductor, made a tremendous impact when they first visited this country in 1964.

THE PRESS ACCLAIM of earlier tours indicates the quality of this ensemble. It has been said the Prague "demonstrates the highest form of artistic discipline, not blind and passive discipline to the conductor but an enlightened and conscious one." The fact that the orchestra requires no conductor in concerts is not a musical "gimmick," but reflects the consummate musicianship of the members whose knowledge embraces not only performing but also the orchestrations and relationship of each part to the whole scheme of the work.

From the very beginning all

Family Playhouse presents 'Becket'

Family Playhouse, 28 Brookline Avenue, Nutley, will bring up the curtain tomorrow evening March 25 on the powerful drama "Becket." "Becket" will run March 25, 26, 27, April 1, 2, 3, on Fridays and Saturdays at 8 p.m. and on Sundays at 3 p.m.

On Broadway "Becket" was a very successful drama. It won critical acclaim and received a Tony award for best play. As a motion picture "Becket" also was a large success. "Becket," an emotional drama, explores the changing relationship between King Henry II of England and his close friend Thomas Becket. Starting as inseparable companions they become estranged during the course of the drama, culminating in Becket's death, decreed by the king.

Bob Quinn of Jersey City will be seen as Thomas Becket, Dan Drew of Newark will be seen as King Henry. From Nutley, Bob Malloy and Michele Paskas will be seen in the drama. Actors taking parts in the play from Belleville are John Codomo, Dennis Faenza, and Buddy Rogers.

Ray Napolitano, Family Playhouse founder, will direct the play. He has directed such playhouse hits as "West Side Story," "Godspell," "A Man For All Seasons," and "Oliver."

Tickets for "Becket" are \$4.00 and \$3.50 with special rates for senior citizens and students. For information call 997-5626.

Jewish adults dance slated

The Jewish Collegiate & Professional Young Adults of New Jersey will hold a "March Hustle Dance" on Sunday evening March 27, at the Marriott Motor Hotel in Saddle Brook, N.J. This is located at the intersection of Route 80 and Garden State Parkway 159.

A live disco band will provide music for dancing pleasure. The dance will start at 8 p.m. and end at 12.

This event is planned for Jewish single men and women from 20 to 45 years of age. The group's activities provide a proper, pleasant and comfortable atmosphere in which Jewish single men and women can become acquainted on a social basis. All activities are open to the public and membership is not required to participate.

For additional information on this and other future Spring activities please write to: Jewish Singles, P.O. Box 196, Rayway, N.J. 07065.

Montgomery hosts choirs' "Gloria"

On Palm Sunday afternoon, April 3, 1977 at 4:00 p.m., the combined choirs of the Montgomery Presbyterian Church and the Greater Newark Choral, will perform Antonio Vivaldi's "Gloria," at the Montgomery Presbyterian Church, 638 Mill Street, Belleville.

Featured in the "Gloria" are four-part choral sections, solos and choir accompaniments.

In addition to the performance of the "Gloria," the choirs will individually present liturgical selections pertinent to the Lenten season.

The musical director will be Richard Allen Foard of Newark. Foard is organist and choirmaster at Montgomery Presbyterian Church and director of the Greater Newark Choral.

An offering will be received for the work of both choirs. Refreshments will be served to all who attend.

'Barefoot' auditions set for playhouse

Family Playhouse, 28 Brookline Avenue, Nutley, will hold open auditions for "Barefoot in the Park" on March 31 at 7:30 p.m. at the playhouse.

The show requires 4 males and 2 females. The production will open on May 13 and run through May 29, 1977. For further information and directions, call 997-5626.

Benihana. For the fun of it.

Giving people a good time is serious business at Benihana. Which is why our chefs never smile until you're satisfied. From your front row seat at the famed hibachi table, you'll thrill to drama, suspense, incredible sleight-of-hand as your personal chef turns grilling a steak, succulent shrimp and tender chicken into theatre. There's comedy as the maitre d' smoothly high fives you as you leave the table. What other restaurant gives you a show you can enjoy almost as much as the meal itself? Visit Benihana soon, for lunch or dinner. And while the sizzle lasts, get a free Benihana button to wear just for the fun of it.

Advanced training starts for Drake

Navy Ensign Robert G. Drake, son of Mr. and Mrs. Richard H. Drake of 21 Reservoir Place, Belleville, N.J., recently completed the basic Naval Flight Officer Program at the Naval Air Station, Pensacola, Florida.

He received 26 weeks of extensive instruction in the functions, capabilities and operation of all systems aboard a jet training aircraft. In addition, Drake studied navigation, meteorology, electronics, plus flight operations and procedures.

He has now progressed to advanced training, which entails another 16-weeks of instruction and will lead to his designation as a Naval Flight Officer.

A 1972 graduate of Belleville High School, and a 1976 graduate of Kean College of New Jersey, Union, with a bachelor of arts degree, he joined the Navy in March 1974.

Parachute course completed by Celico

Army Private First Class Oscar Celico, son of Mr. and Mrs. Carmelo Celico, 38 Carner Ave., Belleville, recently received a Parachutist Badge upon completion of the three-week airborne course at the U.S. Army Infantry School, Ft. Benning, Georgia.

During the first week of training, students undergo a rigorous physical training program and receive instruction in the theory of parachuting. The second week they receive practical training by jumping from 34-foot and 250-foot towers. The final week includes five static-line parachute jumps.

PFC Celico entered the Army in September 1976. He is a 1976 graduate of Belleville High School.

Pvt. Frank Ayres is armor crewman

Army Private Frank J. Ayres, son of Mr. and Mrs. David Ayres, 184 Franklin St., Belleville, recently completed training as an armor crewman under the One Station Unit Training (OSUT) Program at Ft. Knox, Kentucky.

OSUT is a 13-week period which combines basic combat training with advanced individual training.

During the training, students learn the duties of a tank crewman, including the firing of the tank's armament and small weapons. They also receive instruction in field radio operations, map reading and tank maintenance and repair.

Pvt. Ayres entered the Army in November 1976.

Capt. John Sierchio draws Hawaii duty

Marine Captain John M. Sierchio, son of Hilda Sierchio of 824 Main St., Belleville, has reported for duty with the First Marine Brigade, Kaneohe, Hawaii.

A 1976 graduate of the University of California at Davis with a bachelor of science degree, he joined the Marine Corps in October 1970.

Bellevilleite's case sent to Grand Jury

A 30-year-old Belleville man, arrested for carrying a concealed weapon and having a dangerous drug in his possession, waived his right to a probable cause hearing in Belleville Municipal Court March 16 and will present his case to the Essex County Grand Jury.

The defendant was charged February 22 with unlawful possession of a .25 calibre Astra automatic pistol containing six rounds of live ammunition, a Clerke .32 calibre revolver and an unidentified illegal drug in the form of a pill.

Complainant in the case was Belleville Detective John A. Tamburro and Judge Edward Abramson presided over the proceedings.

Assailant fined \$250 for attack

A Belleville man, charged with assaulting a Harrison woman June 23, was fined \$250, placed on two years probation and handed a six month suspended jail term during a March 17 session of Belleville Municipal Court.

Michael D'Erico, 98 Little Street, Belleville, pleaded guilty to assaulting the woman by grabbing her by the throat, pushing her and spitting in her face.

Judge Edward Abramson, presiding in the case, allowed the defendant one year to pay the fine.
