Trustees consider budget cut appeal

By JOSEPH RYAN

Trustees are still considering an appeal on the \$250,000 cut in the School Board budget a week after Town Commissioners passed the spending resolution with a "no appeal" clause.

According to Board President Caesar Romano, the Trustees will probably not appeal but no final decision can be made until Monday night's meeting at Belleville High School. "I think we'll approve it, reluctantly approve it, but it will be ap-

proved," Romano said Tuesday night.

The Board of Education has 20 days after the April 13 resolution of the Town Commissioners to appeal the budget cut to the Commissioner of Education. Belleville Trustees believe they still have the option to appeal despite the wording against a Board protest in the Commissioners' resolution.

The "no appeal" clause of the resolution passed at the April 13 meeting of the April 13 reads, "Be it further resolved, that by unanimous decision of the Board

of Commissioners and the majority vote of the Board of Education that there will be no appeals taken from these cuts."

Attorney Frank Pomace told the Trustees Monday night the Commission's resolution does not preclude a Board of Education appeal. The appeal can still be made according to the Trustees' counsel, irrespective of the Commission resolution, "because that is not our resolution."

Board mulls meditation

A moment of silent introspection or meditation is being considered for the start of each school day by the Belleville Board of Education. A resolution presented by Trustee Michael Chieffo will be before the Board for a decision at Monday's public meeting at Belleville High School.

At this week's School Board session Trustee Ralph Risoli first suggested permitting prayer in Belleville classrooms and challenging the Supreme Court ruling against it. Frank Pomace, attorney for the Trustees, advised the Board, "you are prohibited from having prayer in the public school system."

The Board counsel also told the Trustees that Massachusetts has passed a law permitting silent meditation in schools. The bill survived a challenge against it in federal district court but is still under appeal. Pomace advised the Board Members not to act until the Massachusetts law is resolved or a pending bill in the New Jersey state legislature permitting a silent moment, is passed.

Board member Ralph Risoli suggested Belleville schools ignore the Supreme Court decision. The newest Trustee said the nine-member of court often splits in 5-4 decisions and, "they're only attorneys." Risoli recommended the Board let someone else challenge prayer in Belleville schools and take the case to the Supreme Court. "This is Belleville, New Jersey," Risoli said. "I don't think the Supreme Court knows where Belleville is, or New Jersey."

The possibility the Board had already adopted a resolution favoring a moment of introspection at the option of Belleville teachers was raised by Board Member Chieffo. There was no consensus by the Trustees however, whether or not the introspection resolution had ever formally passed.

Board President Caesar Romano suggested the Trustees could mandate a prayer from the Congressional Record be read every morning. "We won't be reading a prayer we'll be reading a Congressional Record," Romano said. Superintendent of Schools, Dr. John Greed, agreed with Board President

Romano's idea to read the Congressional Record prayers, after noting children might require training in meditation.

Trustee Lawrence Schwartz, president of the New Jersey School Boards Association and an attorney, said voting against prayer would be like voting against motherhood but, "I'm not going to vote for anything that might be illegal."

Board Member Schwartz also told the Trustees the plan to read a prayer from the Congressional Record has, "no chance whatsoever of being approved."

Two high-rise zones okayed by Planners

By MIKE COREY

The Belleville Planning Board ended discussion and unanimously voted to recommend the establishment of two zones which would allow the construction of high-rise office buildings along Washington Avenue, during last week's meeting at Town Hall.

The proposal allows the creation of eight-story high office buildings in two zones including one on the northeast end of Washington Avenue, extending from Greylock Parkway to the Nutley border and one on the southeast end from Wil-

liam Street to Mill Street.

The board's recommendation will be sent to the town commission and a public hearing is expected to be held before the new ordinance is adopted or rejected.

"We need office buildings to act as a buffer zone (between Newark and Belleville) rather than apartments so later on we don't get the influx of a bad element in the town," said Planning Board Chairman Joseph Grande.

Susan's week

Al DiChiara, representing Belleville Mayor Michael Marotti, presents Susan Santiglia, New Jersey's Junior Miss, with a proclamation at Belleville High School Sunday, officially declaring this week as Susan Santiglia week. The local celebrity is slated to participate in the National Junior Miss Pageant in Alabama next month.

Newark woman charged with local bank robbery

A 27-year-old Newark woman, awaiting trial on kidnapping charges, was named last Wednesday as the "mastermind" of a three person robbery of a local bank, last September, which netted \$23,000. Belleville police said last week. Two male accomplices were also named by the police.

Charged with receiving stolen property, armed robbery and conspiracy were Frances DiGiovanni, 33 Poe Avenue, Newark, now being held in New

York federal prison; Joseph "Whitey" Cerrato, 26, 33 Poe Avenue, Newark, and Miguel Lopez, 190 Parker Street, Newark, currently serving time in Dade County Jail, Florida, on another robbery charge, authorities stated.

The charges culminated more than six months of intensive investigation by the Belleville police, Essex County Strike Force and the Federal Bureau of Investigation, Belleville Deputy Police Chief Frank Haight said.

Authorities stated the trio, wearing plastic masks, entered the Tri-City branch of the Peoples National Bank, at the corner of the Belmont and Bloomfield Avenues at 9:07 the morning of September 21.

Witnesses told police the woman involved in the holdup held a revolver on bank employees and customers as her accomplices moved to the rear of the bank. One of the men vaulted a teller's cage and removed money from each of the teller's areas.

Police recovered the getaway car, just over the Belleville line on Abington Avenue, Newark, a short distance from the bank, approximately 20 minutes after the robbery. The automobile, reported stolen the night before from Montclair, was first spotted by Belleville motorcycle police officer Alex Freda.

BELLEVILLE BOARD OF EDUCATION

NOTICE OF CHANGES IN MEETING PLACE FOR THE APRIL 25, 1977 MEETING

The Regular meeting of the Belleville Board of Education for the month of April, 1977, will be held on Monday, April 25, 1977, at 8:00 P.M. in the Belleville High School Auditorium, 100 Passaic Avenue, Belleville.

By: Secretary,
Board of Education

Taxes go up with county boost

Continued from page 1.

Pomaco warned the Trustees however, "It is probably not necessarily in your best interest to give an impression an appeal could not be taken and then to appeal."

School Board Member Richard Mahmarian said this week he did not agree to the no appeal stipulation in the Town Commissioners' resolution. Mahmarian said he agreed to the \$256,000 proposed cut last week and told Romano, "we will look at it at the next meeting to see if we can find \$256,000."

Trustee Mahmarian spoke to Board President Romano long distance from Ohio the night of April 12. Romano was polling the Trustees to find a majority who would go along with the commissioners' proposed spending cuts. Board

Members Lawrence Schwartz, James Risoli, and Romano agreed to \$256,000 that night, evidently with an appeal, but Mahmarian says he only agreed to consider the last figure from Town Hall.

"I will not be polled on the Board of Education on any manner," Mahmarian said in the event of future phone polls.

Monday night Trustee chief Romano did get a formal agreement from four Board Members to consider the \$256,000 budget deduction from Town Hall. Schoolers Schwartz, James Risoli, Romano, and Mahmarian voted to accept and Trustees Pica, Ralph Risoli, and Chieffo did not accept the cut. President Romano said the Trustees against the cuts were holding at \$175,000, \$225,000 and \$500,000

figures. Ralph Risoli campaigned for his seat on the Board advocating a \$500,000 spending deduction.

The Trustees are scheduled to meet in private session Monday night at 7 p.m. to discuss the budget. The first hour of the meeting is closed on a Sunshine Law provision permitting private sessions in matters that could go into litigation and the educators are also discussing cuts amounting to \$256,000 that involve personnel, another area that can be secret within the Open Public Meetings Act.

Board President Romano said this week the \$256,000 cuts would be spread throughout the budget.

Finance director Joseph McGreevy said after the Commissioners' resolution the \$256,000 figure reduced the school even spending by

10.7 tax points and evened the decrease at a five-point drop.

The combined Town and School budgets represent a 15 point decrease in Town tax rates. However Director McGreevy said Essex County's rate in Belleville makes the county increase 22 points for a net increase of seven points to the 1977 tax rate. The actual county rate for 1977 is 1.45 but due to the sales rate falling to 60 percent, the equalized rate of 2.47 is applied to Belleville to make up the 40 percent differential.

Commissioner McGreevy added the higher rate for Belleville could have been avoided if "the revaluation was completed in 1975."

Kidnapping suspect awaits charges

Continued from page 1.

Belleville detectives Bart Rossi, Salvatore LaCoco and Sergeant Martin McNish, assisted in the case along with the FBI and Essex County Strike Force.

"The investigation is not over," stated Deputy Chief Haight. According to authorities all three are also suspected to be involved in other recent bank robberies in Essex County.

Cerrato was arrested last Wednesday and was arraigned before Belleville magistrate Edward Abramson. He currently is being

held in lieu of \$100,000 bail pending action by the Grand Jury.

Miss DiGiovanni, unable to post \$100,000 bail, the kidnapping suspect also failed to post an additional \$50,000 bail on the Belleville bank robbery charge police said. Authorities stated the confined Lopez also failed to post \$50,000 bail on the latest robbery charge.

According to police the information which helped authorities in their investigation of the Belleville bank job was supplied by the same person who had aided the FBI in a kidnapping case last month.

Senior notes

By GEORGE CHENOWETH

We have been informed by our Health Department that the nutritional program for senior will be starting soon, probably the last week in April. This will be a weekday occasion at the Veteran's Post on Acme Street. This is a federal and county funded program and a hot meal will be supplied to those who cannot, or for some reason, will not prepare a meal for themselves. This is meant to assure proper nourishment for all seniors. It will be at noon and to have this program prove successful it would be advantageous for many seniors to participate.

The Belleville Senior Citizens Club journeyed to Plainfield last Thursday to attend the one day convention of the New Jersey Federation of Senior Citizens. The name of the Federation was changed at this meeting to New Jersey etc., instead of North Jersey because this Federation has been so successful in their many attempts at improving the plight of the seniors, the other counties of the state have demanded in. The Federation has become wider in scope and is perhaps the largest organization in the state given over wholly to betterment of living for the state's elderly. Officers were nominated and elected at the one day convention and yours truly had the honor of presenting a motion that would allow for Executive Committee expansion and to authorize a draft of needed constitutional changes. This was deemed necessary to cope with the organization's growth. The motion was passed unanimously. There were 42 delegates representing our Belleville Club at the convention.

Election of officers will take place at the Belleville Senior Citizens Club on Tuesday, April 26. All who were members in 1976 and are still members in 1977 are eligible to vote. We hope for a good turnout. There are contests for president, trustees, parliamentary and sergeant-at-arms. Exercise your right, vote for the candidate of your choice and be happy with whom you elect.

Senior broadcasts scheduled for May

In conjunction with Senior Citizen Month, the Essex County Office on Aging will present a series of public affairs broadcasts on subjects of concern to the elderly throughout May, on radio station WFME (94.7 FM). This is the second year in succession that the programs will be presented. The five minute broadcasts, to be aired Monday through Friday at 3 a.m., and repeated at 5:40 p.m., will feature discussions of the many problems faced by seniors. Guest experts from various agencies which work with the elderly will offer helpful information

in the areas of their concern. Subjects to be covered include senior employment, social security, health care, housing, legal services, transportation, crime, etc.

The highlight of Senior Citizen Month will be the Fourth Annual Essex County Senior Citizen Jamboree, South Mountain Area, West Orange, on May 18. Walt Santner, WFME Public Affairs Director, will again host a live broadcast from the Jamboree. Several thousand seniors are expected to attend the Jamboree, which will feature free medical testing, refreshments, a beauty pageant, and other surprises. Governor Byrne has been invited to attend, along with other government dignitaries.

Haynes paintings at public library

The paintings of Richard Haynes, Belleville artist, will be on exhibit at the Belleville Public Library, 221 Washington Avenue, now through April 30. Haynes was graduated from Rutgers in 1971 with a B.A. in Fine Arts having majored in Studio Art.

In speaking of his work, Haynes stated, "I want my art to stimulate the mind as well as the eye. I choose unusual subject matters to evoke a response, whether it is positive or negative is unimportant."

Haynes has also studied with John Moore and Al Hansen.

Good luck Susan Santiglia

Susan Santiglia wears the crown as New Jersey's Junior Miss but she is Belleville's own jewel as she serves her reign. The Belleville High School senior is preparing to compete for the national Junior Miss title in Mobile, Alabama and we are sure she will represent the Town of Belleville, Essex County, and New Jersey with all the intelligence, talent, and charm she has displayed since first appearing in the public eye.

The Board of Commissioners have proclaimed this Susan Santiglia Week and will be in front of Town Hall congratulating Susan on her accomplishments. The Time/News joins with the entire community in wishing New Jersey's Junior Miss the best during her trip to Mobile.

The daughter of Mr. and Mrs. Joseph Santiglia, Susan first won the crown of Essex County's Junior Miss in Nutley last December. Since that achieve-

ment the National Honor Society member has captured the Garden State's Junior Miss title. The responsibilities of the crown have already altered Susan's life style and anyone who has met her knows her laurels have not changed her personality.

Next Wednesday Susan is scheduled to depart for Alabama for a final bit of pageantry. Two weeks of rehearsals and tours will end with the nationally televised finals May 9. The program will be broadcast on WCBS and hosted by Michael Landon.

Whatever the outcome, we know Susan will do her best and hope she has a chance to enjoy some moments of the next frantic two weeks. We are already proud of this young Bellevilleite, whose ambition is to become a lawyer. Besides being bright, talented, and beautiful, Susan is obviously a hard worker, which is probably her most valuable trait.

Golden Comments

By James R. Golden

An interesting note coming out of the impending Democratic primary election for Governor with its wide field of candidates, is the fact that two of the announced contestants hailing from Hudson County are doctors: one Jersey City Mayor Paul T. Jordan, the other Frank J. Primich, MD, a North Bergen physician.

Doctor Primich is an obstetrician who dis-
cusses the idea of using the slogan "Others promise. He delivers." Kinda clever isn't it?

Next Tuesday's meeting of the Board of Commissioners should draw greater attendance than most. The proposed 5.5 percent retroactive to January 1, 1976, pay raise for town employees comes up for public hearing and objections of citizens. Reportedly one position will draw a \$4,000-50,000 per year increase. Just imagine a back pay raise of over a year and a half. When did you ever get such a raise Mr. & Mrs. Belleville taxpayer?

The reaction of the Citizens Union of Belleville, which conducted an exemplary effort to hold down town taxes at the budget hearing, is certain to be heard from on this matter. Not only are they concerned over substantial pay increases for public employees at a time of reduced income for workers in the private sector, they reflect the fear that older Belleville citizens on fixed incomes will be "burnt" by higher taxes they will be unable to pay.

Likewise, the tax union group is not happy over the compromise agreement to only reduce the voter rejected school budget by \$256,000. They felt it should have been cut, at least, \$300,000.

They, with reason, look to the firm position taken by the Nutley governing officials in dealing with salary demands of town workers, while contrasting it with the generosity of our elected officials.

Certainly, they can not be faulted for trying to hold the tax line with the hope of establishing a stabilized rate of taxation while assuring job security and appropriate living wages for municipal employees who enjoy perquisites and advantages seldom found in private employment.

This active and informed group has comported itself with dignity and respect. They are divorced from politics in the sense of seeking aggrandizement or intent to get somebody's membership roll consists of several prominent businessmen possessive of eloquence and suasive power. It is a healthy component part of our community and its voice should not only be heard, but heeded.

It is no secret that in government once any agency comes into a windfall of additional money from any source, be it subsidy, federal revenue sharing, state school aid or whatnot, immediately they find ways of spending it. How come they never think of plowing it back in the money coffers to help the taxpayers who ante-up the dough in the first place?

That's the kind of help the people are searching for and haven't yet found in the general run of politicians and office holders we've got today.

With warm kudos to Assemblyman Carl A. Orechio for his strong stand against the New Jersey Education Association's position opposing mandatory retirement of teachers at age 65. Orechio suggested the NJEA officers examine the large number of young certified teachers who are unemployed, begging for a chance to do the job they trained for. He said, "these young teachers are obviously not dues-paying members of NJEA and as a result the NJEA could not be less interested in their welfare."

Health plan extended

By SEN. HARRISON WILLIAMS

The Senate Committee on Human Resources, which I chair, recently took a step toward promoting better health care for all American men and women by approving legislation which will extend for one year most of our nation's major health programs.

The action by the committee authorizes over \$3.2 billion in federal funds for a wide range of health programs from community health service to cancer and blood disease prevention. In New Jersey, many of our most successful health programs in local communities operate with funds provided by this kind of legislation.

The federal government's involvement in promoting better health care is important to every single American citizen. We have a responsibility to insure that all Americans, regardless of their financial situations, can afford adequate and comprehensive health care.

Legislation approved by the Human Resources Committee moves closer to this goal by maintaining our current level of support for vital health programs. Many of these programs will lose their federal funding if Congress does not act to extend them. By continuing these programs for one year, we will also give President Carter the time he needs to evaluate our national program for health care.

Health programs affected by the Committee's action include: comprehensive public health services; migrant health; family planning; community health centers; hemophilia programs; cancer control; heart, lung and blood disease prevention; and rape control. I am proud to have been able to play a leading role, both as a Senator and as Chairman of the Human Resources Committee, in developing many of these programs.

At the same time the Committee acted on the health legislation, it also reauthorized programs of the National Science Foundation at a level of \$892 million for the 1978 fiscal year and \$1.05 billion for the 1979 fiscal year. This action increases funding for graduate fellowships, science education and scientific programs for women, minorities and handicapped persons. Many of these funds will go to projects and people in a variety of colleges and institutes in New Jersey.

The House of Representatives has already passed legislation similar to the measures approved by my Committee, and I am hopeful that the Congress will soon make it law. And that will be welcome news for those who care about these vital national efforts in health care and scientific research.

Request inspector identification

To the Editor:

I note with interest the news item appearing in your March 10th issue of the Times, "Court-ordered revaluation inspections have started."

"Court ordered program...conducted by assessors of the Realty Appraisal Company...expected to take 10 months to complete. Realty appraisal inspectors have been provided with a letter of identification containing the signature of the Commissioner of Revenue and Finance and a photograph of the inspector. All residents should ask to see this identification and not permit anyone without proper credentials to enter their premises."

Every Belleville resident and taxpayer should go one step further in their request for identification — that being to request to see proof that the individual assessor or inspector possesses the qualifications and the knowledge to perform the required duties. A complete assessment of the properties requires an inspection of both the inside and the outside of all properties and this work — requiring onsite inspection — calls for very certain qualifications and should only be performed by qualified personnel. Therefore, let us insist that those who come to perform those duties — that is — inspect, assess and appraise our individual properties — are fully qualified to recognize property values. I feel certain they would only be too proud to exhibit such qualifications!

The State Uniform Construction Code Enforcing Agencies, recently adopted by new Jersey cities and towns, Belleville included, has a section wherein is stated, "each official position created...shall be filled by a person

qualified for such position." Should we, Belleville property owners and taxpayers, settle for less qualifications? Therefore, let us make very sure that those inspectors and personnel assessing and revaluating our individual properties here in Belleville carry the proof of their qualifications and knowledge covering the work they are hired to perform!

Respectfully yours,
Sally F. Hood

Parent decries special privileges

On April, a flyer was sent home with my child. It told us that a two dollar discount would be given to all children for their class trip, whose parents attended three out of five Home and School meetings during the School year of 1976 and 1977. Under this was a list of names of the children who qualify for this discount.

I as a parent and member of the Home and School of number 2 resent this means of discrimination and exploitation of these children to get parents to come to the meetings.

There are many parents who have supported the Home and School both financially and physically, but for some reason or other could not attend the meetings. I for one have not attended any meetings, but if I was asked to do something for the children I would not have refused.

Is this the thanks our children get for it? If so I will no longer support (Continued On Page 5)

YOU AND YOUR PET

By ROBERT STEAR D.V.M.

The key to establishing and maintaining a thriving aquarium can be summarized briefly: proper food, water quality and stocking.

Of the three, water quality is probably the most important, and the secret lies in preparation. Water straight from the tap, containing chlorine or fluoride compounds, is not suitable for most tropical fish. Tap water for an aquarium should be in an open container for two or three days so that the chlorine will evaporate. Aging, however, will not eliminate fluoride compounds. These can be neutralized by adding a chemical compound available in stores.

Most fish prefer soft (slightly acidic) water. You can modify standard tap water chemically or collect rainwater, which is usually quite acidic. If you do use rainwater, wait to collect it until several minutes after the start of a storm, so that dust and dirt have been washed from the air. A pH kit will help in determining the acidity of the water in your aquarium. Many factors, including the addition of water to compensate for evaporation or waste products from plants and fish, can change the water's pH. It should be checked once a month and corrected, if necessary.

Water temperature is also important to the health of tropical fish. Your main concern should be with temperature extremes and temperature fluctuations. Frequent changes in temperature, even within the favorable range of 70° to 85° F., can force fish to make adjustments that leave them weakened and susceptible to disease. An aquarium thermometer and heater can aid in keeping the tank at the proper temperature.

A properly balanced aquarium needs regular small additions of aged water to compensate for evaporation. There should be no need to replace the entire volume of water at one time. Cloudy or greenish water is best controlled by correcting the underlying problem — overfeeding, excessive sunlight, rather than by periodic emptying of the tank's contents.

Overfeeding is a common cause of cloudy water. Leftover food spoils quickly contaminating the water and encouraging the growth of harmful bacteria. If there is any food left on the water surface of on the tank bottom ten after feeding, you are providing too much. Your fish should be hungry enough to feed actively and search for stray particles in the water before you feed again.

Although some fish will thrive on a steady diet of the same dried food, an occasional meal of live food helps keep them in top condition. This is especially desirable if you wish to breed your fish. Brine shrimp eggs (hatched at home) and white worms are generally available at pet shops; mosquito larvae and daphnia (also called water fleas) can be caught in shallow ponds or swampy areas. If none of these are available to you, scatter a bit of very finely diced fish in the aquarium once or twice a month.

There is always the temptation to overstock your aquarium. In a tank with no aeration system, calculate one inch of fish (excluding tail) per gallon of water for proper spacing. A good air pump will let you double the stocking capacity of the tank since moving water will absorb a great deal of atmospheric oxygen. The fish you stock should be compatible in size and temperament. With a little reading, you will discover individual differences in varieties — those fish that do best in pairs and those that tolerate other smaller fish.

Even with the best environmental conditions and proper stocking, there may come a time when you notice a fish with a scattering of suspicious white spots, or one with limp fins that stays near the bottom,

anything that goes on with the Home and School at number 2.

Let me remind everyone that the Home and School is for the benefit of each and every child equally not just to be shared among a few. If this cannot be done in a proper fashion then there is something wrong someplace and should be corrected now.

I am hoping that this will never happen again in a public school.

Chenoweth regrets Spray's defeat

To the Editor:
Just a brief note on the recent school board election. We were saddened by the fact that Viola Spray did not get elected to that board. We did not express a choice before the election for fear that it would reflect on the Belleville Senior Citizens Club as a political organization, which it is not. Now that the election is over, we can feel free to express an opinion on this matter.

We had hoped that Mrs. Spray would have retained her seat on the board. Mrs. Spray is a senior citizen and has probably spent more time in schools as an administrator and teacher than all other other candidates put together. Who better could know the inner workings of a school system? Speaking in a general sense, there are not enough senior citizens in high places. We need more seniors in all levels of government, seniors whose minds are uncluttered by the struggle of making a living, who have retired and have the time to give to any office to which they may be appointed or elected. What a shame to allow all of those years of learning and actual experience go to waste.

George Chenoweth

Voter enthusiasm was inspiration

To the Editor:
I want to express my warmest thanks to the voters of Belleville for helping me achieve a dream come true on March 29, 1977.

The enthusiasm of the people was a source of inspiration to me during this particularly arduous campaign.

I shall always be grateful for their confidence and their tremendous effort on my behalf.

This was no my victory, but the people's victory — and above all a victory for those principles for which I stand.

You may be sure I shall do all possible to live up to these principles and to your trust in the three years ahead. Again, thanks for giving me an opportunity to serve the children and the people of Belleville.

Open door policy extended shoppers

To the Editor:
I was one of about 40 women who were invited to The Fountain by executives of Grand Union.

We were given the opportunity to present our questions, comments and ideas toward making the new Grand Union in Belleville "our place to shop."

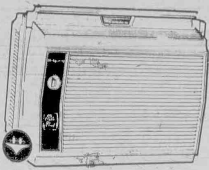

The impression was given that Grand Union would maintain an "open door" policy toward consumers and would welcome suggestions/criticisms at any time.

I'd like to say "thank you Grand Union" for the delightful lunch, the opportunity to offer my suggestions for your new store and Welcome to Belleville!

Sincerely,
Patricia M. Diana

Free pap smear at Mountainside this weekend

A free Pap smear, along with pelvic and breast examinations, will be given at The Mountainside Hospital, Saturday and Sunday, April 23 and April 24 from 8:30 a.m. to 2 p.m.

Women 18 years and older are eligible to come to the hospital's Ambulatory Services Department for this testing, co-sponsored by the Essex County unit of the American Cancer Society.

This is an annual effort by the Essex County Task Force to Conquer Uterine Cancer. Its goal, as defined by the national task force, is to detect cervical, uterine, and breast cancer at an early stage, and to educate women about the need for a yearly examination.

A movie on breast self examination will be shown continuously and instructors will help women learn to perform this simple, but important check.

Doctors from the 322nd General Hospital Unit of the United States Army Reserves, headed by Col. Christine E. Haycock, M.D., will perform the tests as they have in past years. More than 400 women took advantage of this screening program last year, says Christine O'Connor, coordinator for Mountainside's in-service nursing education and head of the Essex County task force.

"Women should be tested every year," says Miss O'Connor. "Those not tested are taking an unnecessary health risk."

She explains that the Pap test involves collecting cells on a cotton swab from the cervix, the mouth of the uterus, and later examining the cells under a laboratory microscope. Evidence of cancer can be immediately followed-up by more extensive tests. "Early detection can lead to a complete cure," says Miss O'Connor.

Women interested in receiving these free tests should enter the hospital through the Ambulatory Services Department entrance on Highland Avenue next to the emergency room. Women are reminded not to douche for three days prior to the exam.

Country Club, West Paterson.

Proceeds of the gala affair benefit the Family Service Bureau which provides counseling to families living or working in Nutley.

The clothes promise to be most exciting. Mrs. Mancin has gathered the latest in spring and summer apparel from her extensive collection. Her shop, always avant-garde, has been in Nutley for 20 years and she has frequently done shows for community organizations, including last year's NFSB Luncheon.

Ten Auxiliary members are among the models including Mrs. Colley Ballou, fashions chairman, Mrs. Donna Korkala, co-chairman, Mrs. Fennell, Mrs. Sally Goodson, Mrs. Mary Ann Kominski, Mrs. Cornelia Lovell, Mrs. Donna Piro

Circus performance to benefit Clara Maass Cancer Center

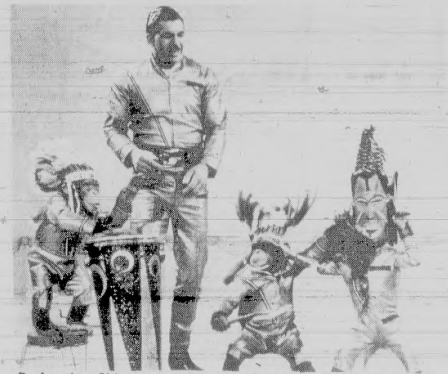

Now that the most miserable winter imaginable is a thing of the past, what could be a better way to welcome spring than a circus? The All-American Circus is holding a 1 p.m. performance April 30 at the South Mountain Arena, West Orange, for the benefit of the new Cancer Treatment Center soon to open at Clara Maass Memorial Hospital.

This performance, sponsored by the Auxiliary of Clara Maass, promises an afternoon of fun and thrills. It's an extravaganza for children of all ages and features a three-ring show with trapeze, high

wire and cycle artists, as well as clowns, performing elephants, tigers, chimps, horses and trained dogs.

Tickets are \$3.50, \$4.50, \$5.50 and \$6.50. For further information about the circus, contact the Volunteer Services Department at Clara Maass (751-1000, ext. 860).

Because the proceeds of this show will benefit Clara Maass Memorial Hospital, reservations must be made in advance. If you cannot attend, please send a tax-deductible donation to the new Cancer Treatment Center, c/o the CMMH Auxiliary, 1-A Franklin Avenue, Belleville, N.J. 07109.

Performing Chimps — Burger's Performing Chimps will raise the laughter level several decibels with their hi-jinks during the All-American Circus benefit performance for Clara Maass Memorial Hospital. Tickets are available by calling the Volunteer Services Department at 751-1000, ext. 860.

Professional couples to discuss marriages

"Professional-Married Couples: Does It Work?" will be one of the subjects under consideration at the April 27 session of Wednesday noon programs at the Montclair State College Women's Center.

The program will feature a discussion by a married couple and two other panelists. Taking part will be Virginia Oliver Sobocki, a social worker with the New Jersey Division of Youth and Family Services, and her husband, Jon Sobocki, counselor of uncommitted students at Montclair State. They will be joined by Patricia Haney, acting director of Career Services, and Dr. Raymond Stover, associate dean of students, both at the college.

On the basis of available evidence there is little doubt that many individuals are not eating the recommended amounts of essential nutrients for optimum functioning of the human body. In some cases this is due to lack of knowledge about the nutritional needs of one's body, and in still other cases to a failure to apply the information to meals prepared or bought ready-made. Many individuals recognize that their diet is not adequate, but they are unable to select a plan for a well-balanced diet. There are many nutrition aids and books on the market to help them.

When you need help with prescriptions come to us at ROS-SMORE PHARMACY, 338 Washington Ave., 759-1988, 759-1956. We handle the sale and rental of a full line of convalescent aids including walkers, wheel chairs, crutches and canes. For Mother's Day see our selection of gift items and greeting cards. BHS report cards due

Friday, April 22, all of the students attending Belleville High School will receive their third marking period report cards which will include their mid-year examination grades.

All parents should be aware that it is the responsibility of the student to bring the report card home, and the parent can contact the Guidance Department of the high school at 759-4338 if there is any problem.

On June 1, at 6 p.m. the Belleville High School Home and School Association is providing the funds to conduct the Sixth Annual Scholastic Awards Buffet in the high school cafeteria. All students who are to be honored as recipients of awards, and their parents, will receive invitations about a week before the buffet.

Nursery school has open house

Wise Owl Nursery School of Belleville is combining an open-house and an exhibition of pre-school creative art on Saturday, April 30. All the work presented has been created by the 3 and 4 year old children attending Wise Owl. On display will be tempera, watercolor and finger paintings. A selection of arts and crafts, clay sculpture and some really unusual pieces created from unexpected sources will be featured.

Everyone is welcome to visit the open-house. It is a chance for parents and children who are interested in nursery school next fall to see the facility.

The Nursery School staff will be there to answer your questions about the pre-school experience.

Coffee, juice and cookies will be served and gifts will be given to all pre-school children.

The April 30 open-house and exhibit will run from 9:30 a.m. to 2:30 p.m.

Students of parents with low incomes have also been informed about the importance of applying for Comprehensive Employment Training Act summer jobs as soon as possible.

All students and parents are invited to use the new Computer Terminal installed in the guidance office. The terminal is used by students to solve mathematical problems and also is available for students who

need assistance about schools, and colleges, career opportunities and financial aid. Forms are available in the guidance office for students and their parents to use to request specific information.

Final exams in Belleville High School will be June 7 through June 10 for seniors and June 14 through June 17 for underclassmen. The last day of school will be Friday, June 24, 1977.

Jr. Women and Trustees present school workshop

The Belleville Board of Education in cooperation with the Junior Woman's Club of Belleville will sponsor its second Belleville Workshop on Wednesday, April 27 at 7:15 p.m. in the Belleville High School Cafeteria, 100 Passaic Avenue, Belleville.

Six separate workshops covering various topics will be conducted during the two sessions allowing each person to attend any two of his choice.

The topics and speakers are as follows: "The Preschool Child" with Debbie Jarow from the Community Mental Health Center; "Exploring Academic Difficulties" with Charles A. Weening of the N.J. Department of Education; "Sexuality and the Adolescent" with Bruce Boltech, of

Bergen Pines Hospital; "The Law and You" with Emil Nardachone Esq. of Belleville; "Alcohol in Today's Society" with speakers from Alcoholics Anonymous; and "Drugs" with Detective Joseph Pariso of the Essex County Sheriff's Department. (This workshop will only run in Session B).

The workshops are open to all interested citizens free of charge. Parking is available in the rear of the high school.

Mrs. Barbara Doyle of the Junior Woman's Club has served as chairwoman for the workshop. She has been assisted by Mrs. Janet Pickover of the Junior Woman's Club and Seymour Grossman, Assistant Superintendent of the Belleville Public Schools.

Moundmen power diamond triumphs

By MIKE COREY

Belleville shutout East Orange, 1-0, Tuesday; nipped Hillside, 6-5, last Wednesday; lost to Kearny, 3-1, Friday; and blanked Passaic, 5-0, in Indian territory Saturday.

The Bellboys matched up with Bloomfield in an away confrontation, Tuesday afternoon, but results were not available for this edition.

Belleville crosses the foul lines in Newark tomorrow to take on Essex Catholic at 3:45 p.m. and come home again Saturday to play a twin-bill against West Essex beginning at 11 a.m.

The Blue-Gold diamonders' travel cross town to Nutley to meet the Raiders in a Tuesday matinee before returning home on Wednesday for a rematch against Passaic.

"The pitching has been excellent and the defense has been good," said Belleville baseball mentor George Zanfini. "In 66 innings our pitchers have allowed only 11 earned runs. You can't ask for much more than that."

The Bellboy bats also came alive in Passaic Saturday as the Blue-Gold slammed out 13 hits and scored five runs.

Southpaw sophomore Dan Borgo marked up his second victory of the year

allowing the four hits, striking out seven and walking four.

Passaic hurler Barry Wills, despite notching the loss, gave the Belleville baserunners fits. The Indian left hander picked four Bellboys off first before he was ejected from the game for throwing a bat in the sixth inning.

The Blue-Gold scored two runs in the first frame, when Doug Stone singled, Scott Ochse doubled and catcher Rocco

Bakamo's single combined with a Passaic error.

Belleville's offense scored three more times in the fifth. After two men were out, center fielder Anthony Speer walked. Ochse doubled once again and Nicky Limongelli singled.

Ochse's flying second base for the Bellboys Saturday, batted in three of Belleville's five runs and scored two others. Continued on page 12

Cindermen seeking first season victory

Despite individual improvement in most events during last week's competition, Belleville's varsity cindermen still seek their first meet victory.

Last Thursday the Bellboy trackmen lost to Columbia on the Cougar's turf 119-12, and were beaten by both Passaic, 78-42, and West Orange, 90-31, in a double dual meet at Belleville Stadium Friday.

The Blue-Gold runners competed in the Big Ten Relays at Kearny Tuesday afternoon and raced Mountain in an away dual meet Wednesday but results of both were in too late to make this edition.

Today the Bellboy tracksters step up to the starting line against Orange here and meet East Side Monday at 3:45 p.m. in another home exhibition.

Belleville track coach Rich Ruffalo intends to take some of his squad over the bridge and across the river on Saturday to compete in the Krulik Invitational at Kearny.

"Almost without exception every runner has been able to improve his time at each new meet," said the Bellboy coach.

Branch of Passaic stole the show at Friday's double dual meet. The athlete scored 20 points for his team taking first place in the 100 yard dash, the 220, intermediate hurdles and the long jump.

"Branch's four first place wins meant the difference of 40 points," said Ruffalo. "The 20 points he won and the 20 point we didn't win."

Against Passaic the Blue-Gold runners swept the 120 yard hurdles. Finishing in the first position was Don DeHagara (20:2), in second was Rich Drake (20:4) and third Nitin Chitnis (21:2).

The event marked the first sweep of any of the competitions Belleville has had during the young season. "When we get out timing down to three strides between each hurdle the times will improve," stated the coach.

Trackwomen outpointed by Cougar Cinderellas

The Bellgirls of track opened up the home season on the wrong foot last Thursday, falling to Columbia, 74-36, at Belleville Stadium.

The women racers faced North Arlington Tuesday in another home matchup but results were in too late to make this edition of the Time-News.

This afternoon the Blue-Gold run against Orange in a coeducational meet in Belleville at 3:45. Saturday some of the Bellgirl squad are slated to compete in the Krulik Invitational at Kearny.

Last Thursday's meet saw Anna Marie Fredericks take a third in the 100 yard dash with a 13:2 time and Sue Kusturko take a second place in the mile event with a 6:18.

"Although Sue came in second place she improved her time in the mile by 10 seconds," said Belleville girls track coach Debbie Meola.

Jill Harris finished second in the 440 with a 1:13 while Patty Guiditis took third in the same event with a 1:16. "This was the first time Patty had competed in the 440," said her coach. "And based on Thursday's performance she has shown she has the ability to perform in the track events as well as the field."

Sue Smith won the 880 yard run with a 2:39, an improvement of three seconds from last week's Montclair meet and Barbara Hagin took a third with a 3:06, also an improvement over her showing against Montclair.

In the 220 yard event Jackie Wis took second recording a 30 second time. The

Blue-Gold trackster shaved two seconds off her previous best on Thursday.

Karen Portuese grabbed a second place finish in the javelin with a throw of 72 feet while Jackie Wis took third with a spear chuck of 63 feet five inches.

Closing out the field events for the day, Melinda Amorosi captured top honors in the shot put with a heave of 27:8 and Patty Guiditis snared a second place in the long jump with a leap of 13 feet 10 inches.

Golfers post two wins

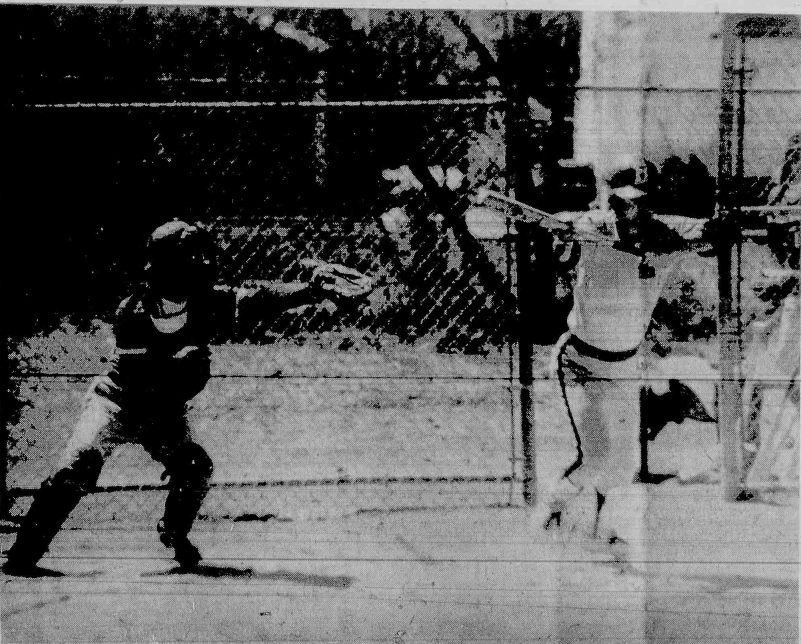

The Belleville golf season is in full swing with the Blue-Gold linksmen already compiling a 2-1 record.

The Bellboy golfers defeated Caldwell, 10 and a half to seven, opening up the year, beat Kearny, 15 and a half to 2 before losing to Essex Catholic Monday, 11-7.

Belleville faced Bloomfield Tuesday at Glen Ridge but results were not available as the paper went to press.

The local driving squad meets Columbia on the Cougar's course this afternoon and tee off against Nutley at home Monday.

This year's Belleville team boast a young lineup. Competing in the first three matches for the Bellboys are junior co-captain Joe Cassese, senior co-captain Hugh Mallack, Dan Duham along with a trio of sophomores including Chris Lowry, Pete Vuckunus and Wayne Witman.

Bellboys meet Eagles Friday

Continued from page 11.

"We hit a lot better at Passaic than we have at any time so far this season," stated the Blue-Gold coach. "During practice Monday we were hitting the ball with much more authority and we hope we can start scoring some runs now."

Friday saw Kearny break a scoreless pitching duel, between Belleville's Anthony Gammara and Kardinal Joe Wett, in the top of the sixth by pushing across a run with a safety combined with a pair of Bellboy fielding miscues.

The Blue-Gold managed to get one run back in their half of the sixth when Chris Cervasio reached first on a sacrifice bunt by Speer, and scored on a single by Ochse.

Kearny knocked Gammara out of the box in the seventh when its lead-off man singled to open the inning. John Clarizio came in as relief and allowed the final two hits of the day giving up one run.

Gammara allowed Kearny seven hits while striking out four and walking two in the six innings he worked. His record, as of Monday is 2-2.

Belleville managed three hits off Kearny moundsman Wett. He struck out nine batters. "With a few hits at the right time the outcome of the game could have been different," said Zanfini. "When you're not scoring runs you can't afford mistakes on the base paths or in the field."

The Blue-Gold continued a mini-winning streak of four games last

Wednesday beating Hillside at home 6-5.

The visitors took the early two run advantage and a hit batsman sandwiched around a stolen base and a Bellboy error.

The home team got one run back in the bottom of the inning when Ochse walked, advanced to third on two wild pitches and scored on a balk.

Belleville scored four more runs in the second when Doug Stone singled with the bases loaded followed by a triple by Ochse.

Hillside retaliated with one run in the top of the third and scored again in the fifth to trail 5-4.

The Blue-Gold managed to open up some breathing room in the home half of the sixth scoring one run on a single by Limongelli, a stolen base by Speer who had reached first on a fielder's choice, and a double by Ochse.

The visitors scored once more in the top of the seventh to make it, those but the game just ran out of innings for them.

Chris Cervasio started for Belleville and allowed three runs on four hits, striking out one and walking one. He was relieved in the third with one down by Limongelli, who notched the victory, striking out eight and giving up four hits.

Last Tuesday the Bellboys, behind the pitching of Dan Borgo and the running of center fielder Speer, slipped past East Orange, 1-0, despite being held hitless by the Panthers.

Speer walked in the first inning, stole second, advanced to third on

Stone's sacrifice bunt and tagged out and scored on Ochse's fly ball to right field.

Borgo, relying on a moving fast-

ball, throughout the ballgame, chalked up his initial win of the year striking out 12 and walking two. He allowed only two hits.

Batgirls face Lyndhurst here

Continued from page 11.

The Blue-Gold notched three more runs in the top half of the fifth on a double by Fornorato laced together with East Orange errors.

East Orange got one run back in the bottom of the fifth but Belleville nullified the Panther solo score with a three run outburst in the sixth.

The home club made things in-

teresting in the final frame scoring four runs in the seventh.

The future looked bleak for the Bellgirls in the last inning. The Panthers had scored four times had no outs and two women on. But one base runner was called out for leaving the bag too soon and Belleville got a break when a Panther base runner failed to tag up on an outfield fly and was doubled up to end the game.

Broncos hold coaches clinic

The Belleville Broncos Junior Football Organization will conduct a Youth Football Coaches Clinic Saturday, June 4 from 8 a.m. to 5 p.m. at Belleville High School. A fee of \$12 will be charged per coach.

All aspects of football will be taught by the clinic staff which is under the direction of Joe Gardi, special teams coach of the New York Jets. Speakers will include Fred Hill, head coach at Montclair State College; Pete Carmichael, head coach at the U.S. Merchant Marine Academy; Jim Gilrain, head coach at Carteret High School; Jack Jones, head coach at DePaul High School, and John Gardi, head coach at Central Regional High School.

Admission price includes coffee in the morning and a hot and cold Italian buffet lunch. For more information, contact Fred Puleo, Belleville Broncos business manager, at 751-5174 or write to him at 18 Stevens Rd., Belleville, N.J. 07109.

Blue Cross sets deadline April 30 for Sr. citizens

Senior citizens who have not yet enrolled in the "Blue Cross and Blue Shield Medicare Complementary" program have one month left to join the almost 300,000 Blue Cross and Blue Shield members covered under this program that pays for certain health care expenses not paid by Medicare. The Plans' three-month enrollment period ends April 30.

Enrollment in the Complementary program is available to persons age 65 and older enrolled under Part A and Part B of Medicare; those covered by Part A who enrolled in Part B during the recently concluded Medicare enrollment period conducted by the Social Security Administration; and persons who will become 65 by April 30 and intend to enroll in both Part A and Part B of Medicare.

No medical examination or health statement is required. The starting date for benefits, in most cases, will be July 1, but can be earlier depending on the date of the applicant's 65th birthday.

'Health Education Day' proclaimed for May 10

Gov. Brendan Byrne issued a call for preventive medicine today, proclaiming Tuesday, May 10, as the second annual Health Education Day for New Jerseyans.

He asked the College of Medicine and Dentistry of New Jersey (CMDNJ) to provide expertise and guidance to a statewide program.

Mound huddle — Belleville mentor George Zanfani and Bellboy of pitchers against Kearny Friday. Infielder Scott Ochse get together with the umps during a change

Trackmen home today

Continued from page 11.

Sophomore Pasquale Mastroiolo took a second in the mile with a 5:19 and John Carlo grabbed a second in the quarter-mile notching his best time ever for the event, 55.1.

DeHagara captured a second place in the intermediate 230-yard hurdles and Rich Drak captured a third in the same event.

Mike Graham won the 880 yard race with a 2:09.6 time and John Carol, Belleville's leading point scorer of the day, recorded a 25.9 time for the 220.

In the field events sophomore Joe D'Agostino finished second in the

discus with a toss of 101.01; Rich Drake took a second in the high jump with a 5 foot 2 inch, and Alec Koster (108.7) and Terry Corbo (107.3) finished second and third respectively in the javelin.

Carol wrapped up the action scoring a second with a 18.3 and three quarter inch leap in the broad jump.

Against West Orange the individual times of the Bellboy runners were the same although the amount of points accumulated as well as the final place of the athletes may be different.

Other runner scoring their best times for Belleville this season,

although not scoring any points during last week's meets are eighth grader Brian A. Ilun (2:83) and senior Fred Chale (2:35) participating in the half mile and freshman Tom Graham (12:05) competing in the two mile, shaving 12 seconds off his previous best time.

THE DIET SPECIALIST

Diet Control Centers Inc.

(A Public Company) EXECUTIVE OFFICES: LINDEN, N.J. 07036

The smartest place to start a diet.

As in your head and at Lean Line. Because once you get your mind to control your mouth, you'll lose weight all over.

And that's exactly what Lean Line does. We teach you psychologically how to lose weight physically with Lean Line's "Behavior Modification Technique."

Backed up by an easy-to-use diet that even lets you eat spaghetti, turkey, and peanut butter. So we don't change what you eat as much as we change how you eat.

It's simply a case of mind-over-matter.

FISH NOT ESSENTIAL

Howard plans bill payments

The Howard Savings Bank will soon offer a pay-by-phone service called "Dial 'N' Pay." Howard customers will be able to pay many bills by merely calling a Dial 'N' Pay teller instead of writing and sending checks.

Customers will also be able to transfer funds between savings and checking accounts. The bank expects to introduce the service this fall.

According to Murray Forbes, Howard president, the decision to offer "Dial 'N' Pay" was based on the simplicity of the actual service and the great convenience it will offer depositors.

"Since the telephone is such a basic and familiar communications instrument, it seems natural to allow customers to use it to pay bills and do routine banking transactions," Forbes said. "In effect, it will allow our customers to do much of their

banking from their home or office telephones."

Consumers in other states are currently using this service to pay their Bank-Americard, Master Charge, American Express, electric, gas and telephone bills, as well as bills from department stores and local merchants simply by making a phone call.

Crew association plans flea market

A giant outdoor flea market, sponsored by the Belleville Crew Parents and Alumni Association, will be held in the Belleville High School parking lot Saturday, April 23.

Admission is free and proceed will go to the Belleville Crew Scholarship Fund.

April 30 has been set as an alternate date in case of bad weather. Further information may be obtained by calling 751-0602 or 759-2378.

Paterson boxing finals scheduled for channel 50

New Jersey Public Television sports department brings all the ringside boxing action Saturday, May 7 on Montclair channel 50, when it broadcasts the New Jersey Invitational AAU Open-Class Boxing Championship Finals from the Kennedy High School Gym in Paterson, beginning at 1 p.m.

NJPTV brings the AAU finals, taped tomorrow, in which 10 classes in three 3-minute rounds compete for the titles and a chance to represent New Jersey at the National AAU Championships in Winston-Salem, North Carolina.

For many young boxers in the qualified rounds it will be the first step on the road to a possible berth on the 1980 Olympic U.S. boxing squad competing in Moscow for the bulk of the Olympic boxing team is made up of AAU, Golden Gloves and Armed Forces champions.

Special olympics meet Wednesday

A Special Olympics Track Meet will be held Wednesday, April 27, in Brookdale Park, Bloomfield.

Anyone interested in volunteering their time or wishing to enter an educable or trainable mentally retarded child or adult, ranging from age six and up, is asked to contact Janice Torpey at 256-1454 or 991-5983 or Richard Dalli at 661-3500 or 759-7211.

The events slated for the meet include the 50 yard dash, the 220, the 440 relay, standing long jump, high jump and softball throw.

we're having a fantastic LOAN SALE

LOW, LOW RATES ON ALL TYPES OF INSTALLMENT LOANS

The Money You SAVE Is Your Own ... Loan Sale Ends June 30, 1977!

Peoples Bank is reducing the rates on all types of installment loans: new and used car loans; home improvement loans; personal loans; loans for any worthwhile purpose. These lower rates can save you money. Qualified applicants will receive fast loan approval. Take advantage of our fantastic "loan sale" ... you'll see it makes sense to borrow — and save — at Peoples Bank.

Apply at any office or call 759-1000 for fast approval.

COMPARE AND SEE HOW PEOPLES BANK CAN SAVE YOU MONEY.

TYPE OF LOAN	Personal	New Car	Used Car	Home Improvement	Second Mortgage
ANNUAL PERCENTAGE RATE*	9%-12%	7%-10%	9%-11%	9%-12%	9%-12%

*Actual rate is determined by the term of the loan.

For example: For a new car with a cost of \$4,500 and a minimum down payment of \$500, a loan of \$4,000 financed at 9% for 36 months would cost \$1,272.20 in monthly payments.

The total loan would be \$4,572.20, including FINANCE CHARGES of \$572.20. Does not include any charges for credit life or disability insurance.

IMPORTANT — These special rates are available until June 30, 1977 to all qualifying applicants.

YOUR "RIGHT-TO-KNOW" LAW

The Right-To-Know Law was enacted to provide citizens maximum access to government-held information, to the extent that vital functions of government would not be impaired and that individual privacy remain inviolate. "Access," as defined denotes units of government, i.e., public bodies, agencies, political subdivisions of the state, counties and municipalities, also, officials and custodians acting for or on behalf thereof. "Access" is further defined and provides for the inspection, copying, and the purchasing of copies of a "shredding list" of public records and documentary materials.

Get an actual reproduction of the Right-To-Know Law. Send \$2.00 with stamped, self-addressed envelope to Belleville Times, Box 97, Belleville, N.J. 07109.

Belleville dancers in ballet spectacular

Shirley Reeve and Zina Moiseenko of Belleville will join a glittering array of Ballet superstars for Garden State Ballet's Silver Jubilee Dance Spectacular in Newark's Symphony Hall on Sunday May 1 at 3 p.m.

The 25th anniversary celebration of Fred Danieli's Newark based professional troupe will headline world renowned New York City Ballet stars Patricia McBride, Jacques d'Amboise and Jean-Pierre Bonelous as well as Dance Theatre of Harlem stars Susan Lovelle and Paul Russell.

Miss Reeve, a soloist of the Garden State Ballet, will perform the leading female solo role in choreographer Wilma Curley's classic to jazz comic spoof "Mothers Mozart" and the demi-soloist role in the George Balanchine masterpiece, "Symphony in C." Miss Moiseenko will also perform in the Bizet classic, "Carmen." With orchestra conducted by Fedor Kabin, Fred Danieli has planned a program jam-packed with brilliant dancing. The "one of a kind happening" will also showcase celebrated Garden State Ballet alumni, former pupils of Fred Danieli, now rising young stars of the New York City Ballet, Victor Castelli of Cedar Grove, Christine Redpath of Montclair and Marjorie Spohn of Livingston.

Patricia McBride will head up the popular George Balanchine ballet "Who Cares?" opposite Mr. d'Amboise and will make a later appearance opposite her husband Jean Pierre Bonelous in the breathtaking "Tchaikovsky Pas de Deux." Paul Russell acclaimed as the "black Nureyev" will perform with Susan Lovelle in the showstopping "Coraire Pas de Deux."

Zina Moiseenko's professional career started during her years of training under Fred Danieli and the Garden State Ballet school faculty. She joined the Garden State Ballet performing company through the 1970-71 season tours. From there she won a contract with the New York City Opera Ballet where she has performed in New York and has toured extensively, before rejoining Fred Danieli's company beginning with the spring season.

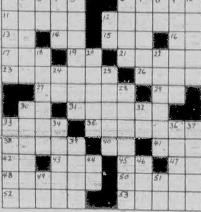

Five Jersey poets read at Montclair

Five New Jersey poets Madeline Bass of Upper Montclair, William J. Higgins of Paterson, Charlotte Mandel of Cedar Grove, Penelope Scamby Schott of Rocky Hill, and Rod Tulloss of Lawrenceville, will be featured at an open reading sponsored by the Journal of New Jersey Poets on Saturday, April 23 at 2 p.m. in Room M9 of the Mansion on the Florham Madison Campus of Fairleigh Dickinson University.

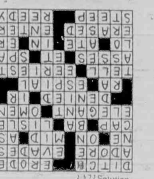

These readers are the five poets under final consideration for a special issue of the Journal devoted exclusively to a collection of the work of an individual poet of exceptional merit.

kitchen ahoy — The "Chauncey M." once a Hudson Bay Liner will become the newest dining spot in the Meadowlands in mid May. Renamed the Aratus Supper Club the ship will boast four dining areas, two bars and a steamboat museum display. It will be located at the foot of the ramp at Meadowlands Parkway, accessible from the east or west by way of Route 3 and the Meadowlands Parkway exit.

Symphony benefits youth concerts

On Sunday afternoon May 1 at 2 p.m. in Montclair High School, the New Jersey Symphony Orchestra will present a unique program entitled, "The Composer — A Child of His Time." On the podium will be the distinguished musicologist and broadcast personality Karl Haas. Sponsored by the Montclair Chapter of New Jersey Symphony Orchestra League, the concert will be a benefit to raise funds for a series of similar weekend concerts for young people next season in the Montclair area.

The program will consist of Beethoven's "Egmont Overture," Dvorak's "Carnival Overture," the "Overture to Candide" by Bernstein and Wagner's Prelude to "Die Meistersinger." Featured soloist will be cellist Pierre Djokic, the nineteen-year-old first prize winner of the NJSO's First Annual Young Artists Auditions last season. Concerto in D by Franz Josef Haydn.

Haas will provide a running commentary throughout the program, similar to that radio listeners are familiar with from his syndicated radio program, "Adventures in Good Music." Haas, who is also an accomplished pianist, will be heard in several solo piano works as well.

Local consultant honored by college

At a Founder's Day luncheon at Douglass College on April 13, Grace C. Harris, Executive Director of The Planning Association of North Jersey, was one of five alumnae honored by being named to the Douglass Society. The award to Ms. Harris is based on her "outstanding career in the urban planning field." The award is cosponsored by Douglass College and the Associate Alumnae. It is the highest alumnae award for distinguished achievement.

Ms. Harris' career in community planning spans 27 years. She presently serves as executive director of The Planning Association of North Jersey, a position she has held since 1961. The Association is a private, non-profit corporation which conducts a citizens planning program and maintains a technical staff which provides professional planning services to North Jersey communities.

Ms. Harris has served as the planning consultant for the cities of Passaic and Clifton since the 1950s and is presently directing the work on preparing new master plans for both cities. She also is presently serving the Planning Boards of Passaic County, Belleville, East Orange, Lincoln Park, Lyndhurst, Rutherford, Weehawken and Wyckoff. The Association has served more than 30 communities over the years.

Ms. Harris is a licensed professional planner, a full member of the American Institute of Planners, a member of the American Society of Planning Officials and the National Association of Housing and Redevelopment Officials. She is an associate director of the N.J. Federation of Planning Officials and a member of their Local Response Committee.

She is a member of the Passaic League of Women Voters, Passaic-Clifton Y.W.C.A., Passaic-Clifton Zonta Club and a trustee of the Botana Area Redevelopment Corporation. She resides in Clifton.

Blood pressure tests set for May

Vincent T. Strumolo, Director of Public Affairs, has set aside the month of May as "high blood pressure month," a time of year when the Belleville Health Department will work to educate the general public about a disease which may contribute to as many as 100 deaths each day.

The Director stated that high blood pressure is a major health problem and unfortunately most people don't realize how serious untreated high blood pressure can be. It's a leading contributor to stroke, heart disease and kidney failure. Far too many people who know they have high blood pressure ignore it because they may feel fine. Since the disease usually has no symptoms, they tend to disregard their doctor's advice. This is a tragedy because medication exists to control this disease and add as many as 10 years of productive life to a person who detects his high blood pressure early and treats it regularly. In some cases just a pill a day is enough to keep blood pressure within a normal, healthy range.

The Commissioner went on to say that during high blood pressure month we want to reach the many residents who have high blood pressure and either don't know it or aren't doing anything to treat it. We want to convince them of the danger of this disease and the extreme importance of early detection and treatment. Too many people may learn that they have high blood pressure take medication for a while and then stop. We've got to reach these treatment "dropouts" and get them to resume their medication, today and for the rest of their lives.

For the convenience of our citizens, Commissioner Strumolo stated that nurses will be available at our Health Department, 383 Washington Avenue, Monday through Friday from 9 a.m. to 3:30 p.m. No appointment necessary.

The Commissioner recommends that all our citizens take advantage of this free service.

Amnesty granted overdue readers

There will be no overdue book fines charged at the Belleville Public Library during National Library Week, which ends Saturday.

"The action is being taken," said Gerard R. Hickey, Library Director, "as part of our National Library Week celebration and to encourage the return of library materials in the hands of patrons for an extended period of time."

"We feel certain," he continued, "that the public, realizing the purpose of our action, will cooperate and take advantage of our program for the free return of overdue materials."

Auto-sight—Joe Palmieri looks in wonderment at the cars racing down the track at the Pinewood Derby held Sunday at Fewsmith Church.
