Retirement plaque—Postmaster Joseph Benucci, right, presented a dedicated service plaque to William A. Inderwies upon his retirement after 43 years of government service recently. A Belleville resident, Inderwies served in the Navy from 1934 until 1960 when he joined the Post Office. A resident of 55 Maier Street, Inderwies plans to spend his retirement with his grandchildren, taking care of his garden and doing some boating and fishing.

Rec department and band parents sponsor summer music classes

This summer the Belleville Recreation department in cooperation with the Belleville Music Parents Association is having a Summer Music School. Tuition this year will be \$20.00. Any Belleville student is eligible to attend. Classes and lessons will be geared to meet the needs of the students attending.

The music school will operate for five weeks, from Monday June 27 through Friday, July 29. Classes will

meet daily between 8:30 a.m. and 12:00 noon at School Seven, located on the corner of Joralemon Street and Passaic Avenue. Instructions will be given in the fundamentals of music, beginning wind instruments and strings, intermediate band, advanced band, intermediate strings, advanced strings, orchestra, dance band, etc.

There will be an assembly program scheduled for Friday, July 8, 15, 22 from 11:00 A.M. to 12:00 noon in the All Purpose Room at School Number Seven. Parents and interested persons are invited to attend.

All elementary school children will receive applications for the Summer Music Program. Junior and Senior High School students may receive an application from any music teacher.

Any parent wishing to obtain an application may do so by calling the Senior High School, 759-4700 and ask to speak to Frank Seelba, Director of Music.

Diplomas are earned

Continued from page 1.

the students would not be allowed to march at graduation to receive a blank diploma and earn the credit later. "I don't believe the punishment fits the crime," Pica said.

Board Vice-president James Risoli echoed Pica's arguments and asked, "what harm are we doing to that boy or girl" by not letting them march with their class?

"We have to maintain standards so that everyone who walks down that aisle has earned a diploma," Board President Romano said. "I don't mean to be hard about it," he added.

Trustee Lawrence Schwartz called graduation, "a privilege for those who have accomplished that goal." The president of the New Jersey School Boards Association told the Board he was not saying there are never special circumstances, but Schwartz said he disliked the thought of seniors who decide to take it easy and take a summer course in another system to remove a failure after they participate in graduation.

Dr. Greed told the Board there are built-in securities against seniors failing a last semester course. Students who fail a first semester course and repeat in the second term, the school sends out failure warnings in March, and the faculty extends the benefit of the doubt to borderline cases, according to Dr. Greed.

A resolution proposing the recitation of the Lord's Prayer and one proposing a moment of meditation were both defeated at Monday's Trustee meeting. Board Member Ralph Risoli's proposal called for the voluntary participation of stu-

dents to recite the prayer. The measure lost 3-2, Ralph Risoli's and Board Member Michael Chieffo's were the only yes votes. Trustee James Risoli abstained. Chieffo's meditation resolution, which called for a silent moment, was rejected by a 3-3 vote. Chieffo, Ralph Risoli and James Risoli voted in favor of a moment of meditation. Board Members Romano, Schwartz, and Pica voted against it.

Senior notes

By GEORGE CHENOWETH

The Jamboree at the South Mountain Arena last Wednesday was a complete success in that there were over 10,000 seniors there and a good time was had by all. The entertainment at this huge gathering was by seniors for seniors. There were exhibits of some of the handiwork of our seniors, there were booths for early detection of health problems, there were singing and dancing and there were speeches by several dignitaries including the governor.

One highlight was the Senior Ladies Beauty and Talent Contest, what was lacking in professionalism, was made up for in enthusiasm, this the seniors have in abundance and it seemed to permeate the entire assemblage. The Belleville Seniors were well represented from their various clubs around town.

The Office on Aging deserves a vote of thanks and in particular, Bernard Gallagher and Ben Schaefer for putting on this show and giving the seniors of the county one day of unconfined joy.

The annual Belleville Senior's trip to Asbury will take place again this year for a day in the sun. No specific date has been decided, we will keep you informed.

Thursday, May 26 is Blood Pressure Day at the Belleville Senior Citizens Club, 125 Franklin Avenue. All seniors are urged to take advantage of this all important service.

You can increase your mileage and decrease your footaches if you follow a few simple rules when shopping for shoes. For example, experts say that you should always wear your best fitting shoes; that you can compare the new ones for comfort and fit. Have your feet measured and fit the larger foot. Never accept a substitute size just because you like them. If they do not fit you, you will not like them for long. If you have been happy with the shoes you bought, remember the brand name and store where you got them.

Summer jobs for youth available in Essex Co.

The Essex County Board of Freeholders has been allocated \$1,106,000, for operation of the Summer Program for Economically Disadvantaged Youth under the Federal Comprehensive Employment and Training Act, Freeholder Director Donald M. Payne has announced.

The 1977 funding, compared with \$746,000 allocated for 1976, will permit employment of 1800 young people for the eight-week period starting July 5, during which the program will operate. Participants will work a 25-hour week, and receive the state minimum wage of \$2.50 per hour.

The program is open to persons aged 14 to 21, living in Essex County, outside the City of Newark, who live in families that meet the federal poverty income guidelines approximately \$5500 per year for a family of four.

Applications are being distributed through municipal government offices in each of the 21 Essex municipalities. Applications, to be considered, must be returned before May 27. Screening and eligibility determinations will be made by the CETA staff, and youngsters will be

notified of their eligibility during the early weeks in June.

Staff efforts are now being directed toward location of job-sites in public and non-profit agencies for the assignment of participants.

The SPEDY program this year will also be oriented toward assisting its participants in leaving about the world of work and toward working with the high school graduates in the program in developing more permanent employment opportunities.

A slanderous attack by Kean

From the most unexpected source comes a cruel, unwarranted attack upon a respected, revered member of the Republican Party who happens to aspire to be its gubernatorial candidate.

It is a smear tactic, unprecedented in modern New Jersey Republican politics.

Tuesday, Republican gubernatorial hopeful, Tom Kean, deliberately smeared the G.O.P. frontrunner, Senator Ray Bateman, in a manner calculated to associate Bateman with former public officials convicted of crimes committed while serving in the administration of former Republican Governor William Cahill.

Tom Kean's slanderous attack was provoked by former Governor Cahill's endorsement of Bateman.

Cahill reasoned that Bateman "has demonstrated greater ability to work with the legislature" plus Senator Bateman's "acknowledged superior appeal to a broad base of voters." (Sometimes Tom

Kean does come off as a snob.)

Was this modest endorsement cause for an otherwise respectable, responsible Tom Kean to indulge in character assassination by association? And committed against a member of his own party?

To stoop to the low level of such a tactic in the closing days of the gubernatorial campaign manifests a degree of desperation. It is so unlike the Tom Kean we have known and respected for 10, these many years. Tom, where is your conscience?

There are ways to win votes. This approach is not one of them.

This campaign tactic is dirty pool. It's taking a cheap shot at a nice guy - Ray Bateman. The wanton attack upon Bateman violates our sense of fair play.

Slander is sometimes known as a weed that grows mostly on a dunghill.

Case's net worth

In almost fifty years in the service of the public and for the majority of those years practicing law, United States Senator Clifford Case has \$745,000 to show for his efforts. Recently Case voluntarily released a Financial Statement disclosing his personal financial affairs — a step that other public officials could very well emulate.

The statement, which Case placed in the Congressional Record, also showed a 1976 income of \$65,736.

Listed among the Cases' assets were \$369,565 in various common and preferred stocks, \$95,732 in various bonds and debentures, \$65,000 in checking and savings accounts, and \$6,604 as the original cost plus capital expenditures on a house in Washington.

Also, \$58,666 in federal retirement funds paid in by the senator, \$58,339 in cash surrender value of life insurance policies, \$16,121 in value of other annuities and \$15,000 in tangible personal property in Rahway and Washington.

Debt securities held by the Cases included \$22,000 in New Jersey Bell Telephone Co. bonds, \$12,000 in American Telephone & Telegraph Co. bonds, \$20,000 in New York City debentures and \$17,000 in General Motors

Acceptance Corp. bonds.

The Cases' stockholdings included 40 shares of DuPont common, 340 shares of General Electric Co. common, 420 shares of General Corp. common, 160 shares of IBM common, 2,760 shares of investors Mutual Inc. common, 563 shares of Marine Midland Corp. common, and 400 shares of Merck and Co. Inc. common.

Also, 600 shares of Warner-Lambert Pharmaceutical Co. common, 1,941 shares of Tri-Continental Corp. common and 1,000 shares of Tri-Continental \$2.50 preferred, 1,413 shares of United Counties Trust Co. common, 1,000 shares of Chubb Corp. common, 200 shares of American Natural Gas Co. common and 44 shares of J.P. Morgan common.

The Cases' 1976 income figure included a net senate salary figure of \$38,957 after allowable tax deductions, \$25,536 in dividends and interest on securities and accounts, and \$1,243 in net longterm gain.

Junior Miss thanks hometown

To the Editor:

My recent return from the National Finals of America's Junior Miss Pageant in Mobile Alabama, is to me, the closing of a chapter in my life, and because this is an ending, it seems the most significant time to publicly thank my hometown and its residents for their heartwarming and considerate interest and support for me.

Firstly, I would like to thank the staff and Editor of the Belleville Times-News, for such complete reporting of my Junior Miss activities, particularly to Mike Corey for accuracy in all his facts.

I would also like to thank the many students of Belleville High School whose backing and support has been a source to continual encouragement to me, and all my teachers for their understanding and enthusiasm.

Many thanks to Pat Diana for her sincere interest and efforts on my behalf. I would also like to thank the Keywanette Club of Belleville High School for the lovely going-away reception sponsored by them.

Thanks also are owed to Kay Shaughnessy for all her interest, help, and marvelous organizational ability. I would also like to thank Mr. Seelba of Belleville High School on behalf of the students who provided the beautiful music at the reception, which received so many compliments. Much appreciation also to Tina for her lovely table arrangement.

A special thanks to high school prin-

cipal Raymond O. Smith for his numerous efforts, unfailing interest and encouragement to me in all my endeavors.

I would also like to thank the Commissioners and Mayor of Belleville. The interest and efforts displayed by Mayor Michael Marotti, Mary Senatore, Vincent Strumolo, Rocco Saletta, and Joseph McGreevy in preparing the lovely proclamation I received at my reception was quite encouraging and gratifying.

Many thanks also to the members of the Board of Education for their pride in all my endeavors, and to the Kiwanis Club of Belleville for their Juvenile Decency Award.

For their generous and thoughtful gifts I would like to thank Mr. Michael Chieffo, Mr. Ralph Risoli, Mr. and Mrs. C. Romano, Mr. Joseph Foranoro on behalf of the Disable War Veterans, The Mary V. Senatore Association, The Belleville Firemen's Mutual Benevolent Association, and the Fireman's Women's Auxiliary.

All of these people, plus an almost infinite list of others, helped to make my involvement in Junior Miss and particularly my departure for Mobile a truly gratifying experience. But, more importantly, it is because of wonderful people like this that, even though my trip to Mobile was educational and enjoyable experience, it's great to be back home.

Byrne and DeRose in race

By FRANK A. ORECHIO

Everyone but the people is talking about politics today. The Democrats are trying to pick a winner from a crowded field. The Republicans are flipping coins all over the state trying to determine whether or not Assemblyman Thomas Kean can head off the front runner, Senator Ray Bateman, as former Senator Robert Sarcone is closing the gap.

At this point in time the Democratic race is almost impossible to predict. Hudson County's changing political fortunes have aided former State Senator Ralph DeRose and incumbent Governor, Brendan Byrne. Congressman James Florio of Camden County is experiencing great difficulty in his attempts to line up big county support in North Jersey. Byrne's former state Labor Commissioner, Joseph Hoffman, has the endorsement of five county chairmen — but put them all together and they add up about eight percent of the Primary vote.

At this stage of the game, professional politicians give the edge to Brendan Byrne and challenger, Ralph DeRose. DeRose has a solid base support in Essex and Hudson Counties. Much depends upon his ability to pick up support in the southern counties which he enjoyed four years ago. Brendan Byrne has a measure of residual strength in every county in the state. By the

same token, Brendan Byrne campaigns under the terrible burden imposed upon him by reason of the enactment of the personal income tax.

In any event, regardless of who wins the nominations of either party, New Jersey residents will end up the winner for the very simple reason that in the partisan nomination campaigns, the electorate is faced with the unique choice of selecting a nominee of integrity and dedication. (See editorial "A Slanderous Attack, Tom Kean.")

About a month ago I had the pleasure of flying north with Eastern Airline's Commander-in-Chief, former astronaut, Frank Borman. He is quite a guy. I asked him why Eastern didn't have a commuter ticket for flights between Newark and Fort Lauderdale. His reply was that Eastern had made the effort, but it was turned down by the Civil Aeronautics Board.

Speaking of Eastern brings me to my round trip this weekend. My flight south was aboard Eastern Flight 759 with Captain George Miller in command. The passengers' needs were attended to very adequately by Senior Stewardess Kathy Haack and her assistants, Sara Panatier and Patty Heaps. At the Newark departure counter, I was greeted by that old reliable, Eastern Customers' Represen-

Golden Comments

By James R. Golden

I didn't know that America has but one resort hotel exclusively for members of the armed services and their families. Yep. It's Hale Koa, which means House of the Warrior, a sumptuous hotel that cost \$20 million and is situated on one of the choicest stretches of Waikiki Beach which opened a year ago.

Since it isn't advertised anywhere except in military publications, few civilians have knowledge of its luxurious appointments which cost but one-third as much as surrounding posh hotels.

Profits from worldwide Army, Navy, Air Force, Marine and Coast Guard military clubs, post exchanges, bowling alleys and theaters paid for Hale Koa. Not one penny of taxpayers money was put into the construction of the beautiful edifice.

Room prices range from \$17 to \$29 per couple, the highest, a corner room on the top floor which offers the best view. Servicemen who avail themselves of the opportunity to use this ideal vacation spot are impressed with the feeling that they "have paid their dues and that this is one benefit they've earned for themselves."

In keeping with the strictly military motif the site of Hale Koa is on 72 acre Fort DeRussy, which was a coast artillery fortification in both World War I and World War II. Then army officers decided after World War II to establish the area as an armed forces recreation center, a place where military families could come to enjoy the beach. Eventually this first class resort hotel was built, a military first.

A military ID card is required to book a room at the Hale Koa and retired armed forces personnel who have completed at least 20 years service may also stay at the "House of the Warrior."

There has been some changes made by ABC News department which had become much disturbed by its one point drop in ratings since Barbara Walters, the million dollar baby, joined the news program with Harry Reasoner.

Roone Pinkney Arledge, the president of ABC Sports who is responsible for the successful World of Sports, has been put in charge of the network's news division. It might be noted that it was Mr. Arledge who hired a little-known New York lawyer back in 1965 by the name of Howard Cosell, today one of the nation's foremost sports announcers.

The flair and drive of Arledge has contributed much to ABC's sport coverage ratings with his introduction of Monday night football and baseball coverage and the same can be expected that he will build one of the best news organizations consisting of the best informed news people in a more appealing innovation setting. He promises to spend more money, offer more technology, but not dancing girls.

While he succeeds former ABC News President William Sheehan, who last year hired Barbara Walters for \$1 million a year to co-anchor the Evening News with Harry Reasoner, Mr. Arledge will retain his sports job. Sheehan is being relegated to the post of senior vice president for news.

An embarrassed John Elaton, who heads the state program at the Department of Environmental Protection, with a red face confessed that his car failed the air pollution emissions testing. At least no favoritism was shown.

At last, it is being acknowledged editorially in the state's most influential papers that liberal infusions of taxpayer money have not been able to reverse the highly disturbing deficiencies in public education.

This is a lesson that more school board Trustees might better learn. For too long they have been wasting taxpayer's money on a lost cause. Far too many of them can't control their own house, as they should, but become puppet that yield to every demand of teacher's union officials.

Both Niedenstein and Dunbar over the past eleven years have made Eastern Airlines feel like home to me. Gracious, accommodating, cool, and compassionate men like Niedenstein and Dunbar make me realize that even an airline has heart. On the trip back I had another great flight. Senior Steward Vincent Docclo, Stewardess Georgia Brown, an old friend, and Stewardess Pegi Strohmetz contributed immeasurably to the joy and comfort of the ride back to Nutley, New Jersey.

Inspiration — Religion places certain obligations upon one. A sincerely religious person cannot do certain things others may do. For instance, he cannot advance himself at the expense of others; he will not speak unkindly about others; he cannot take all that he wants for himself when others must go without. It is also true that those who seek to make religion a vital force in life must do certain things that others may not do, such as going the second mile, acting justly, loving mercy, and walking humbly with God.

23 acts sparkled in "Variety 77"

By STEVEN MISSAGGIA

How would you like to see Barbara Streisand, Twinkle the Kid, and the Big Fig, all in one big show? If you had been at "Variety 77" you would have had your chance. Members of the BHS Drama Club presented the annual talent review, "Variety 77," on May 5 and 6. The show offered a variety of 23 individual performances.

The show was hosted by senior Debbie DeNoia, who held the audience's interest by her humorous introductions, which included her appearing as the Big Fig, the Thanksgiving Turkey and Twinkle and Kid.

One of the highlights of the evening was the performance by senior Kim Venezia. Kim sang three songs, "Breaking Up is Hard to Do," "Susan" and a song she wrote, "Superstar." For Kim's last performance in BHS, she sang "Superstar" with a farewell affect, which stunned the audience by her exceptionally captivating voice.

John Salvatorelli accompanied several performances on the piano. John is in his third year at Montclair State College. Although not always acknowledged, John's accompaniment deserves a standing ovation for his constant assistance in the past three years.

Barbara Streisand did appear, through an interpretation by senior Janice Nazzola. David Miller, a female impersonator from New York, assisted Janice with her make-up. Janice also sang a medley of Streisand's hits.

Senior John Capella self choreographed "Gypsy in My Soul" recorded by Shirley MacLaine. Both the choreography and performance

were outstanding. The intriguing steps added to John's professional ability.

English teacher Arline McFarland sang a beautiful rendition of "Somewhere" from "West Side Story" and surprised her students by revealing her hidden talent.

Other student talent included performances by Donna Boehmler, John Burlazzi, John Cozzarelli, Linda Fabian, Felicia Falzarano, Randy Fusaro, Beth Higgins, Gerard Illaria, Patti Meyer, Kevin Stevenson, Vito Tambouri, Bernadette Turano, Kevin Waters, Liz Widuch and a rock group, Neon. Back up musicians included Glenn Hagin, Art Mas, Joann Postilla, John Salvatorelli and Eric Westby.

Other talents by teachers included Tom Gardner, Linda Grancanolo, Robert, Leffebine, Robert McDonough, Patty Sena, and Mary Vazquez.

The show was directed by English teacher, Robert Leffebine, and assistant director, Joan Dellano. Mary Jane Izzo, graduate of BHS, worked with lighting and scenery. Technical director was senior Lee Romano, and student director was senior Steve Dempsey.

Senior Liz Widuch sang "Everything" and "Woman In the Moon" from the movie "A Star Is Born." She was so happy to be a part of "Variety 77," and said, "I am sorry to have to leave behind the stage of BHS and all the wonderful people who produced all the programs which kept me busy doing the things I like to do best."

The show was successful despite the lengthy three hour program, which had to be cut for the May 6 performance.

Promptness is the key in VD treatment

By LIZ GILBERT

Venereal disease (VD) is the general name given to those diseases caused by organisms (germs) which are transmitted from person to other persons through sexual contact. Venereal disease is on the increase. According to a pamphlet printed by Young Drug Produce Corporation, gonorrhea is the leading reported communicable disease in this country and syphilis is third. Venereal disease strikes someone in the United States every 12 seconds, five new victims every minute!

Syphilis is a disease of the blood. The untreated victims of syphilis will become permanently crippled heart victims. Some will go insane or lose their eye sight. An overall ratio of the victims will become permanently crippled.

Gonorrhea is a disease of the sexual organs. This may cause victims serious physical damage such as sterility, heart trouble, arthritis and blindness.

No person has immunity to venereal disease. A person can be re-infected again and again. Unfortunately, no one can tell whether a person has venereal disease. There is no definite pattern of change to be recognized to the uneducated eye.

The early signs and symptoms of syphilis begin two to six weeks after exposure to the affected person. The first sign is a painless sore, where the germ has entered the body. This sore is called a chancre. The chancre will disappear even without treatment but means the disease has gone deeper into the body.

The secondary stage of syphilis includes skin rashes, baldness, sore throat, fever and headaches. Even these symptoms will disappear without treatment. This is the final stage which leads to such problems as crippling the nervous system, syphilitic insanity, heart disease and death.

The signs and symptoms of gonorrhea appear two to eight days after contact with the infected

person. In the male, the symptoms consist of a discharge of puss, painful inflammation in the urinary canal, and frequency in urination. With females, gonorrhea can go undetected. It may begin with a burning in the genital area, also a slight discharge which most often can be attributed to other routine problems.

British punkers dress in street chic

By GRACE VALLARIO

The British Punkers are those who dress in messy, baggy, ripped-up clothing. Punk is a new fashion phase to hit London. It started with Punk Rock, and the clothes are the most aggressive, outlandish, freaky, anti-establishment styles ever to hit England.

The British Punkers are as shocking as the "hippies" were in 1967. They dress in anything old and dirty. The males dress in black leather pants and ripped, bloody tee-shirts. Their jackets range anywhere from army/navy to bondage suits (straight jackets). The females, also in black, are decorated with pins and razor blades. The female punkers have carrot red, turquoise, plum or green hair. The makeup is charcoal black

eye shadow and two-tone purple lip stick.

High prices seem to be the reason for the trend. One English fashion designer, Zandra Rhodes, says, "The over-all reason for the revolution seems to be that clothes are too expensive. This is a new way of treating old things."

Airports, 'Oliver' and such

PROOF POSITIVE AGAIN that I shouldn't be let out alone and fortunately wasn't.

A family friend whom we haven't seen in 20 years was arriving from London last week for a three week visit, coming into JFK at 1 p.m. She would be staying with aunts in Nutley and I volunteered to pick her up, accompanied, luckily, by a relative with a far better memory for faces than I.

We left at 11 a.m., crawled through New York City, arrived at the airport entrance in good time and spent ten harrowing minutes trying to match airlines with numbers and follow numbers to terminals and parking areas. Still got there with 40 minutes to spare, just enough time for lunch and were waiting at the proper

place when the plane discharged its passengers. And then the fun began.

Left to my own devices, I would have come home with two complete strangers, so positive was I that two other people were the long awaited Mary. I actually started pursuing one and was stopped only by a voice suggesting rather strongly that, granted height and hair color and raiment were similar, this was not the person we were out there to meet. Was I convinced? Not a whit! In fact, I felt I had scored a point when the object of my pursuit, after looking around in vain for some familiar face, sat down to wait for somebody. Finally, my aunt, realizing there was only one way to convince her dingbat niece, approached the unsuspecting woman and confirmed that she was not the object of

our search. Nothing daunted, I fixed my eye on another traveler. Negative. When Mary finally arrived, I didn't recognize her. Fortunately, my companion did!

I DON'T KNOW if I was born thrifty but I have certainly tried to acquire the habit. The posters for "Oliver" displayed around town have made the kids and me anxious to see the production (especially since one of the characters will be wearing Gavin's knickers plus his own shirt, father's socks, brother's shoes and the hat of a neighbor!). But when I added up the cost of admission, I gave second thoughts to attending the musical. Four kids plus an adult or two would have played havoc with my budget.

I guess the producers of Oliver are budget conscious too because they have

come up with a dilly of an idea to draw a crowd for the Saturday matinee and benefit some deserving citizens as well. The price of admission for the May 28 performance which begins at 1 p.m. is two food items per person or two paper products per person, adults and children alike. Only hitch is that the adult must be accompanied by a child. Fortunately, scrounging up enough kids is no problem for me. I could rent out a few.

The kids in Oliver, by the way, have been instructed NOT to let their mothers wash the costumes either before or during the run of the play. They're supposed to look sort of dusty. That would be no problem for me either. We specialize in dust!

Kean confers—Assemblyman Thomas H. Kean, Republican candidate for Governor, got a chance to listen to the views of some Bellevilleites recently at a Youth for Tom Kean meeting at the Upper Montclair Women's Club. Above, Kean chats with Belleville residents Sandra and Robert Molinaro.

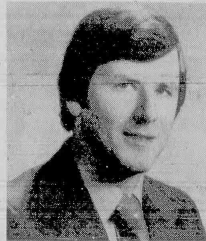

Bellevilleite Riepe runs for Assembly

Republican Assembly candidates Daniel Russo and George Riepe have launched their final campaign drive before the June 7 primary election. The drive will culminate a two month pre-election effort by the candidates.

Dan Russo, a resident and businessman of Newark, is making his second bid for the Assembly. Running two years ago on an anti-tax platform, Russo narrowly lost to the two incumbents who voted for the present state income tax.

desire "to see our government run in an organized manner, like any good corporation, showing a profit at the end of the year."

Russo and Riepe are candidates in the 30th District which includes Belleville, the East and North Wards of Newark, East Newark, Harrison, Kearny and Secaucus.

George Riepe

George Riepe, a Belleville resident, is an engineer with the Public Utilities Commission and a real estate sales associate with the Berg Agency. Riepe is also an active participant in many civic affairs.

Russo and Riepe have jointly stated that they "advocate the repeal of the state income tax and want to put an end to the gross mismanagement of our state government."

Carrying the point further, both candidates have expressed their

Sarcone calls T & E destructive to schools

C. Robert Sarcone, Republican candidate for governor, today warned that New Jersey's thorough and efficient education law will thoroughly and efficiently destroy public education if it is allowed to continue.

Calling the law and its "top-heavy enforcement" "legalized mass brainwashing," the candidate charged that educators, administrators and superintendents "have been robbed of all creativity under the law."

Rather than improve the quality of education in New Jersey, said Sarcone, "It is forcing our schools into a state-mandated homogeneous mold."

"Instead of expanding education, it is limiting it. It threatens to turn our children into robots who can pass a test at the flick of a switch, but will never go beyond that point."

Sarcone said education, by definition, is the constantly expanding quest for knowledge.

"But the T & E law, by its nature, halts that quest at the limits of so-called 'goals and objectives.' It forces education into a rigid mold by evacuating all substance."

Sarcone, "is the dictatorial authority granted to the State Commissioner of Education to force change in his own image."

"Commissioner Burke has demonstrated no particular expertise in public education," said Sarcone. "In fact, he has not demonstrated much interest in education, either."

Sarcone insisted the State Education Department "should never exist for the sake of running the schools, because the only way it can do that is by making every school, every teacher the same as every other one."

"At that point it ceases to be education and begins to be an assembly line. That philosophy in education is in direct conflict with the intent of the schools."

Sarcone said he will not join with the hundreds of others who have called for Burke's resignation, "because it's like yodeling in the Swiss Alps. You just hear your voice coming back to you."

"Burke will be gone in January, anyway," said Sarcone. "The damage he has already done is all the damage he will be allowed to do."

"I only hope it doesn't take us long to repair that damage."

Rodino introduces bill to improve eye care help

Rep. Peter W. Rodino has introduced a bill to improve the delivery of eye care services throughout the nation.

"Millions of Americans suffer from visual disorders and diseases which threaten to permanently harm their sight — some will lose the gift of sight entirely, while others, by means of early and effective diagnosis and treatment, will be spared this tragedy. Unfortunately, there is now a great lack of broad spectrum eye treatment available in our country, and many of the facilities that are available need improvement," Rodino said.

Metric Week was observed at One

During National Metric Week, May 9-13, the sixth grade Math class at School Number One began a series of several lessons on Metric Measurement.

Each child was given a personal activities folder prepared by their Math teacher, Miss Gonnella. They learned about the "new way to measure" through oral and silent reading and active experimentation with metric rulers and meter sticks made with their own hands.

The experimentation began with the students measuring their height in centimeters and recording it on a classroom chart. They measured such things as their smile, articles of clothing, favorite toys, and various furniture items and equipment in their classroom.

Using kilometers, they compared traveling distances to and from various cities in the United States.

In conclusion, the boys and girls played a game which they and their teacher adapted from the television quiz show, "Hollywood Squares."

Liberty testimonial—Howard Dornbusch, center, president of Liberty Fuel Oil Company, recently chaired the Milestone Testimonial dinner for Belleville residents Salvatore Verano, left, and Carmine Silvestri, right. The dinner attended by all employees of Liberty's affiliated companies, honored the two Belleville residents for 30 and 25 years of service.

Bellboys snap slide advance in tourney

By MIKE COREY

Belleville's struggling varsity nine continued to exhibit overt signs of a dual personality winning two and losing two over the past 10 days of baseball action.

Last Tuesday, the Blue-Gold snapped a four game losing streak with an extra inning, 6-5, victory over Irvington and repeated the performance the following day with a 3-2 win against Rocking-Hill.

The Nutley Raiders reversed the winning trend Friday outmussling the Bel-

lboy diamonders at home, 5-1, and Our Lady of the Valley kept the new skein going pinning an 11-0 shutout on the local batsmen.

Belleville began part two of the New Jersey State Tourney against Scotch Plains Tuesday but results of the away match were in too late to make this edition.

The Bellboys circle into final stages of the regular season meeting Montclair between the Mountie final lines Friday afternoon and taking on Essex Catholic in Belleville to close out the schedule.

The Blue-Gold boosted its record to 17-12 when it received word an earlier contest with Orange postponed because of rain was being forfeited by the Orangemen.

"It's all very frustrating," said Belleville baseball coach Ralph LaConte. "We're still not playing up to our potential. Each individual is trying to do it all by himself."

Coch LaConte is still filling in for regular varsity baseball pilot George Zanfini who has been sidelined the past month with a slight case of hepatitis. It is expected he will miss the remainder of the season.

On the brighter side, last Tuesday versus Irvington the Bellboys were able to combine timely hitting and strong pitching to nip a span of four consecutive losses.

Bellboy John Clarizio was credited with the extra inning game victory. He came in in the sixth inning with one down to relieve starting pitcher Jerry Fazzini who made his first appearance on the mound this season.

Anthony Ganimaro knocked in the winning run in the home half of the eighth frame for the Bellboys with a sacrifice fly to right which scored Danny Borgo from third.

The Blue-Gold experienced a small amount of revenge by beating Barringer here last Wednesday to knock the city club out of the state tourney. Barringer had returned the favor in advance two weeks before by clubbing the local hardballers, 10-2, and eliminating them from

Crews capsized in regatta finals

There was good news and bad news at the 51st running of the Stotesbury Crew Regatta in Philadelphia last week.

The good news was both the Belleville senior and junior four man shells qualified for the finals, which featured many of the top teams in the country. The bad news, although really not that bad, was the senior boat crossed the finish line fifth and the junior sixth in the Saturday finale.

Both Blue-Gold boats travel to Princeton Friday to compete in the crew national championship. The qualifying heats are scheduled to get underway at 3 p.m. tomorrow and the finals are set to begin at noon on Saturday.

"Friday we expect the senior shell to row the race of their lives," said Belleville crew coach Sam Guiffrida. "It will be the last race they will be competing in for the high school and they want to go out rowing their best."

The Bellboy boaters seemed to peak in the qualifying round of the Stotesbury. The junior four notched a first in its opening heat and the senior oarsmen posted the second best time of the day in the initial competition.

The Blue-Gold crew under the direction of Mr. "G" have advanced to the finals in the Stotesbury six of the last

seven years. The local rowers missed out the coach's first season at the helm.

"Last year the junior four won the Regatta," stated Guiffrida. "The very fact we are able to get into the finals each season is a good indication of the type of athlete and the kind of program we have here in Belleville."

In Saturday's finale it was a case of the senior boat being a little too cautious. "We didn't row well," said the Blue-Gold pilot. "We worried about rowing too high and did just the opposite. We came out too low."

Blue-Gold runners fall to Cardinals

Kearny's trackmen outdistanced the runners of the Blue-Gold Thursday, 87-43, on the home diamonds, as the Belleville harriers round the final turn and head into the stretch of the dual meet season.

Belleville was slated to square off against Bloomfield on the Bengal turf Tuesday, in a contest originally set for to-

day, but results were not available as the Times/News went to press.

The Bellboy runners trip up to Hawthorne to compete in the Herald News Invitational Saturday.

Belleville's John Carlo put points in the Blue-Gold coffer placing third in the 100 yard dash with an 11:2 time against the Cardinals last Thursday.

Mike Graham increased the Bellboy point total running a 4:54.5 mile to place second in the event and Rich Vaccaro notched a second spot across the finish line of the 440 yard heat.

A ninth grader, Vaccaro shattered the old BHS record for the quarter-mile with a 54.8 at the Essex County Invitational last Saturday. The old mark set by John Carlo was 55 seconds flat.

The Blue-Gold placed a pair of runners in the top three in the 220 yard sprint. Carlo, with a 26.6, finished second and Vaccaro, 26.9, finished third.

Belleville's Kent Hatfield clocked a 48.5 in the 330 hurdles, to finish third in the competition.

The birds of Kearny took the mile relay event with a 3:52.5 time but the Bellboys ricocheted to post points in the field events.

Bellgirls post best times but lose meet

Although many members of the Blue-Gold girls track squad posted their best times, when the smoke cleared from the Kearny meet last Thursday the Cardinal women had outpointed the Bellgirls, 65-

44. Monday the local Cinderellas were beaten, 85-39, by Mt. St. Dominick at home.

The Belleville trackwomen took on Bloomfield here Tuesday but results were in too late for this printing.

The Bellgirls cross starting guns with the Maroon Raiderettes in Nutley Thursday at 3:45 p.m.

"Mt. St. Dominick is a large team consisting of between 25 and 30 girls," said the Blue-Gold girls track coach Debbie Meola. "And we did not realize just how strong they were." The Belleville running club is made up of 19 athletes.

Essex eagles clip Bellboy racket squad

The Eagles of Essex Catholic swooped onto the Blue-Gold courts with its talons high and its wings spread, last Wednesday, and when it returned to its Newark nesting place it left behind a 1-4, loss on the record of the Belleville tennis squad.

The Bellboy racket squad (1-8) took to the home courts yesterday to volley the Nutley Maroon Raiders but results were too late for this edition.

Belleville is slated to play its final scheduled match of the season against Irvington this Wednesday on the Camp-towners home base lines.

Last Wednesday's singles action versus the Essex Catholic netters saw Gary Guancione win the opening set 6-4 before succumbing to his parochial school opponent, 4-6, 2-6.

Blue-Golder Anthony Satriano, in second solo play, dropped, 2-6, 1-6 deci-

sions while Anthony Coliserto, appearing in third singles, was shutout in straight sets, 0-6, 0-6.

The doubles combo of Mike Goor and Mauro Tucci was edged, 4-6, 4-6, in the first of the dual matchups but Mike DeMayo and Adam Frank teamed to put the home team in the scoring column with a 2-6, 6-4, 6-4, victory in the last contest of the day.

The final match, won on a tie breaker, marked the first time DeMayo and Frank had paired off together for doubles.

"They looked very good," stated the Belleville coach. "Adam, a freshman, needs to improve his concentration on the ball a little more but he has the interest and desire to become a real good tennis player."

Swing man

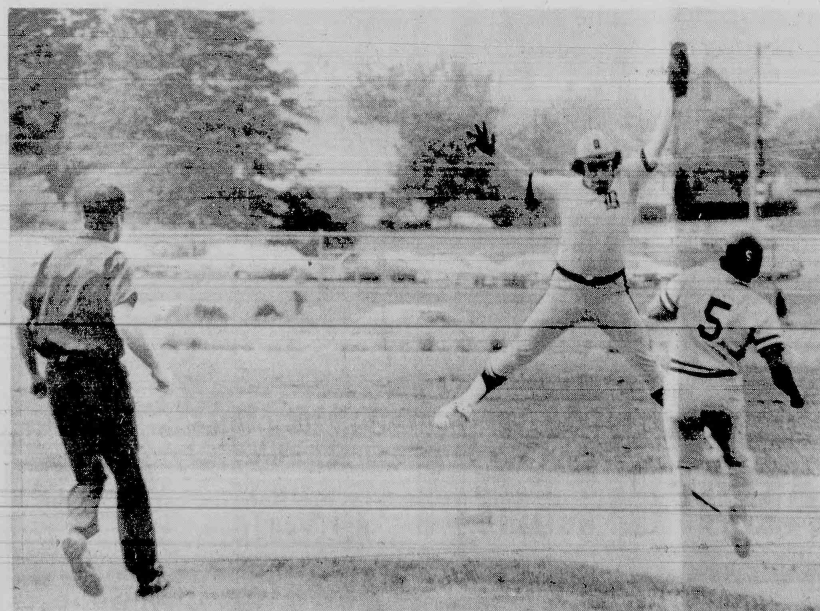

Belleville's Frank Mozeika steps into a fast ball during Friday's contest with Nutley. Three home runs in the top of the third frame by the Raiders supplied the decisive firepower as the Maroon toppled the home club 5-1.

Fielder's choice

Scott Ochse digs one out at shortstop and prepares to fire to first against the Raider rivals. The Bellboys snapped a four game losing streak last Tuesday beating Irvington, in extra innings 6-5.

Circus catch

Blue-Gold second baseman Anthony Ganimaro speers the throw moments before he slips the tag on Raider catcher Anthony Diamante midway through Friday's contest.

Blue-Gold faces Mounties Friday

the Greater Newark Tournament. The Newark school posted the first score of the afternoon with a pair of runs in the initial inning and Belleville pulled within one with a solo tally of its own in the bottom half of the fourth frame.

The Belleville bats came alive in the fifth exploding for five runs and gave the Blue-Gold a commanding lead in the contest.

Frank Mozeika singles to lead off the eruption and Phil Agosta was the first to pinch run. Gammara followed with a bunt safety and Jim Tesfeld, just up from the jayvee squad, was sent in to run for the versatile senior.

Centerfielder Frank Biafore notched an rbi with a bunt single to break into the inning's scoring column and Scott Oehse followed suit with a double and another run batted in.

When Pat Nufrio loaded the bags with a walk Barringer brought in a fresh arm to face Micky Limongelli. The Bellboy greeted the new hurler with a two base shot which sent a trio of *Blue-Gold runners across the plate.*

The home team scored one more time in the last of the sixth on singles by Gammara, Biafore and Nufrio. Biafore collected three hits and one rbi on the afternoon and Gammara who pitched the distance evened his record at 4-4, striking out three and walking three.

Three home runs in the third inning helped power the Maroon Raiders of Nutley past the Blue-Gold Friday.

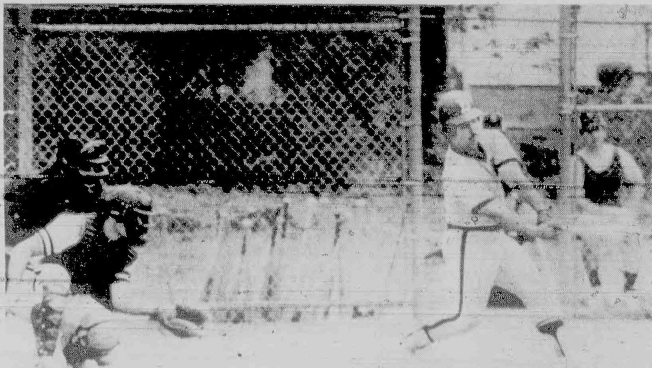

Belleville's only run of the contest came in the home half of the sixth inning when Limongelli led off with a double, advanced to third on a single by catcher Rocco Balsamo and scored on a throwing error by the visitor's third baseman.

The Maroon had broken the proverbial ice in the top of the third when Mike Dugan, Anthony

Diamente and Bell McDonald all slammed round trippers.

"We still have a chance to salvage some of this season and at least win 20 games if we work together the remainder of the year," said coach LaConte.

Lack of self-discipline and a failure to pull together as a team has been cited by many observers as the primary reason for the clubs spotty effort the second half of the year.

Making contact—Belleville catcher Rocco Balsamo powers a base hit through the middle against Nutley Friday on the BHS diamond.

Batgirls stop streak

Belleville's girls softball squad broke a five game losing streak Monday defeating West Orange, 4-2, at home.

The Blue-Gold squad (7-11) takes on Montclair tomorrow in the final home contest of the season and meets Lyndhurst Tuesday to close out the year.

West Orange pushed one run across in the top of the second to

Bellboy trackers compete in Hawthorne Saturday

Continued from page 11.

The Blue-Gold's Joe D'Agostino captured first place in the discus with a hurl of 107 feet two inches. "Only a 10th grader, he is really looking good in the event," said Belleville track mentor Rich Raffalo.

Belleville's Longo with a 91 foot two inch toss took the third position in the discus competition.

D'Agostino again placed points

Student fine arts exhibition continuing at Kean College

"Major Works 77," the annual Fine Arts student exhibition is continuing through June 9 at the Kean College Gallery, Vaughn-Eames Hall, Union. The exhibition features paintings, sculpture, drawings, prints, photographs, ceramics, weavings, and video presentations.

"Major Works" is planned and executed each year entirely by students. It affords faculty and students alike the opportunity to end the academic year by displaying their creations in a professional setting.

The College's museum training class designed the installation and lighting and organize catalog information. Students involved include Pamela Harris of Berkeley Heights, Mary Beth Borkoski of Elizabeth, Alice Abel Franklin of Mt. Vernon, Jean Schroeter of Chatham, Donna De Salvo of Union and Florence Tafara of Maplewood. Gallery hours are 10 a.m. to 2 p.m., Monday through Friday.

on the board for the Bellboys, putting the shot 42 feet seven and a half inches for his best distance yet and a first place finish.

In the broad jump Carlo copped a second with a leap of 19 feet and three and a quarter inches and in the pole vault John Cozzarelli orbited eight feet for first while Ron Dunleavy rocketed seven for a second.

Rich Drake made off with second place honors in the high jump with a four foot 10 inch mark.

"More improvement is needed in both the 880 and two mile races," stated the Belleville coach. "We were progressing for awhile in those events but now we seem to have slackened off."

School champs — Dawn Pensada, Kim Bindero, Bonnie Hall and Dana Perrotta display the championship trophy the quartet of keglers from School Eight captured in the elementary league roll off competition at Olympic lanes Saturday morning.

School Eight captures Elementary League crown

School Eight's "Sharp Shooters" captured the Belleville Elementary Bowling League championship in keglers action at Olympic Bowl, 679 Washington Avenue, last Saturday.

The winning quartet of Dawn Pensada, Kim Bindero, Bonnie Hall and Dana Perrotta, took the title in a roll off competition in which teams from Schools One, Three, Five and Eight participated.

A parochial school roll off is slated for tomorrow at Olympic Bowl at 4 p.m. Teams from St. Mary's of Nutley, St. Peter's and St.

Anthony's with battle for the top spot.

The league, under the direction of Diane Lombardi, began back in September.

Also competing in last Saturday's roll off were (from school Five) Mar-

cia Gaeta, Gerald Cassilli, Vincent Pucci, Renee Jeannotte, (from School Three) Francine DeMasi, Brenda Groome, Lisa Groome, Cathy Hoffman, (from School Seven) Rico Conte, Raymond Torella, Renee Soriano and Joann Conte.

State convention State clubs honor Mrs. W. D. Clark

Mrs. W. Douglas Clark, President of The Woman's Club of Belleville was honored at the Annual Convention of the New Jersey State Federation of Woman's Clubs in Atlantic City.

At the morning session on Thursday, May 12, Mrs. Clark was presented to the convention and her name placed on the State Honor Roll by the Woman's Club of Belleville, the Evening Membership Department and the Junior Woman's Club of Belleville.

The tribute, composed by Mrs. William R. Kropp and read by Miss Ruth J. Hogan, cited Mrs. Clark's distinguished leadership, and notable service in Creative Arts Chairman and as Drama Chairman of the Eighth District of the N.J. State Federation of Woman's Clubs.

Mrs. Clark's talents as administrator, author, actress, artist and teacher have benefited the Federation. The Woman's Club of Belleville, the Grace Baptist Church and the community of Belleville.

4-man shells sail tomorrow

Continued from page 11.

The senior shell had its stroke down to between 30 and 31 strokes per minute about four pulls less than what it would have liked.

The older Belleville shell stayed bunched together with the third, fourth, fifth and sixth place boats and the last 500 meters down the stretch was able to make up some ground to pull ahead and finish number five.

The junior four showed their nervousness and inexperience in its finals contest, said the coach, and brought up the stroke too much rowing at a 38 per clip.

"The junior crew were a little apprehensive and got the stroke up a little more than we had wanted," stated Giuffrida.

Competing in the senior four was bowman Paul Melchione, two man Doug Dorval, three man Rich Budick, stroke Paul Denning and coxswain Pat Barbone.

The junior four crew features bowman Bill Juliano, two man Joe Ferreras, number three man Phil Sanz, stroke Sam Fusaro and cox-

swain Anthony Longo.

"Generally we are very happy with the teams performance in the Stotesbury," said the Belleville coach. "We did make the finals and consider ourselves one of the top six teams in the country."

"We've bounced back before and we feel we can do it again in the nationals," said Giuffrida. "This crew has worked hard all year, losing only one dual meet the entire season,

and has given me many pleasant memories. It has made the finals of the Stotesbury and we are looking forward to making the finals in the nationals."

More than 50 crews participated in the Stotesbury, the largest number ever to compete. St. Andrew's of Delaware finished on top in the junior four boat competition and Chestnut Hill of Philadelphia took top honors in the senior race.

Cinderellas face Nutley Raiders next

Continued from page 11.

Against the Cardinals in Kearny last Thursday, Belleville's Dorothy Widish notched a first place in the high hurdles with a 17.2 time while Jackie Wis compiled an 18.8 clocking good enough for a second.

In the 100-yard dash seventh grader Cecelia Graham, although not eligible to score points for BHS because she is in junior high, posted a time of 12 seconds and nine-tenths, the best mark recorded by any girls on the Blue-Gold squad.

Linda Mallon finished third with a 6.28 in the mile race and Sue Smith placed in the top three in the 880-yard event with a 2.29.

The 440 saw Peggy Gilday take top honors with a 64 second run and Anna Maria Fredericks notches a third in the 220 with a 30.5 running of the 220.

Belgiri Melinda Amorosi placed in the discus event with a toss of 72 feet and one and a half inches finishing first in the shotput with a heave of 27 feet 11 inches.

Peggy Gilday with a leap of 13 feet six and a half inches placed in the first trio of competitors in the broad jump event.

"Many of the girls did compile their best times in particular events," stated the Belleville coach. "The ideal condition of the Kearny track plus the tough competition the girls faced were chiefly responsible for the individual improvement."

Sue Smith is the only athlete on the Belgiri track squad who is undefeated in dual meet competition.

Review of weather in March recalls record temperatures

"March wind doth blow" and that it did this past month, according to Raymond J. Daly, director of Union College's U.S. Cooperative Weather Station.

"This was a windy March with nine windy days, three with damaging winds," Prof. Daly reported in his monthly meteorological summary to the National Weather Service.

"Beauty and the Beast" scheduled for playhouse

Four local residents will appear in Family Playhouse's production of "Beauty and the Beast" opening June 4 and running through June 12, at the Playhouse, 28 Brookline Ave., Nutley.

The local residents are Sam De Rogatis of Belleville, and Jane Malizia, Judy Bashwiner, and Susan Dereles of Nutley.

"Beauty and the Beast" is the enchanting children's story capturing all the glowing simplicity of the

fable, appealing to the inherent idealism of children as well as their love of magic spells, the romance and mystery of long ago times and far away places.

Young children are able to understand a parable about good and evil, and to comprehend the difference between exterior and interior beauty, when they are presented with dramatic clarity and woven together by the spell of imagination.

"Beauty and the Beast" will be presented on Saturday and Sunday June 4, 5, 11, 12, at 2 p.m. Admission is \$1.50. There will be no reserved seats for this show. For further information consult box office at 977-5626.
