Local taxpayers land \$1.3 million

By JOSEPH RYAN

Belleville has been granted \$1,391,000 in federal funds under the Local Public Works Capital Development Investment Program. Town officials announced Tuesday.

The Town will have 28 days after it receives formal notice of the Public Works windfall to send a list of priority projects to the Economic Development Administration (EDA) for approval. The law requires work then start on the town project within 90 days of acceptance.

Belleville's first Public Works application, used for this second successful attempt, listed three construction priorities: a new firehouse, a renovated water pipeline system, and an addition to the library.

Mayor Michael Marotti, who signed the grant applications, said Tuesday, Bel-

leville's projects remain the same. The mayor added however, he will schedule a meeting with the Board of Education to investigate its possible uses for the funds.

"We should be able to do something," Mayor Marotti said. "Let's not be foolish and argue over money we're getting. Now we've got to sit down and see what project comes first." The mayor added the School Board has some ideas with what to do with the federal funds and said he hoped the money could be used in the "mutual interest" of the Commissioners and Trustees.

Caesar Romano, president of the Belleville Board of Education, said Mayor Marotti was very cooperative when Trustees went to an official at EDA to investigate making application for Public

Works funds for an addition to Belleville High School. Trustee Romano noted the grant is earmarked for the community of Belleville and "we (the Board of Education) are a part of it. I think it's a good cooperative venture," Romano added.

Bruno Associates, a Newark public relations firm, handled Belleville's application for funds. John Bruno, president of the company, said Tuesday his office first heard Belleville's second bid for the federal money was successful through the office of U.S. Representative Robert Roe. Bruno said he confirmed the million dollar grant to Belleville through the office of U.S. Senator Harrison Williams. "We're very pleased and happy over the fact Belleville received its fair share," Bruno said.

BHS addition is favored

The Master Plan Committee of the Board of Education presented the results of its four-month study to the Trustees Monday night and recommended expansion of the senior high school.

The committee, chaired by Trustee Richard Mahmarian, advises the School Board to apply for federal funds for an addition at Belleville High School to accommodate the ninth grade there. By September, 1979. The report adds, if the

funds are not available by January, 1978, a bond referendum should be presented to Belleville voters.

If money for building at the high school becomes available through either method, the Master Plan committee report recommends the seventh grade be moved back to the elementary system for one year, starting September 1978. The seventh graders would then move back to the junior high facilities in the fall of 1979, when ninth grade could be scheduled in an expanded high school, according to the report.

Board Member Mahmarian said the committee favored a kindergarten to sixth, seventh and eighth grade middle school, and a four-year high school concept. He added the Master Plan Committee advised keeping three grades in the junior high, and three at the senior high if money is not allocated for expansion.

The committee also reported it found the relocation of School Two students to Schools Four and Ten feasible but the Master Plan group declined to recommend any action on the move, while it is currently being studied by the Trustees.

The report of the Desegregation subcommittee contained in the plan submitted to the Trustees recommended no change at School One. The state Department of Education has ordered the Board to desegregate School One but the report

advises status quo to "continue the neighborhood concept and allow students to remain in the neighborhood school. The curriculum of each school is the same and the quality of education is the same in all schools."

The Master Plan report adds, "Parents of School One do not want to

Please see "No" on page 3.

Master planners

The results of a four month study by the Board of Education Master Plan Committee were outlined at Monday's meeting of the Belleville Board of Education. Addressing members was (left) Trustee Richard Mahmarian, chairman of the Board of Education Master Plan Committee and Belleville Junior High School principal Mario DiMaggio.

Parents protest

Members of the School Ten Home and School Association braved the rainy weather Monday to demonstrate for the installation of a traffic light at the Belleville and Fairview Avenues intersection. More than 30 mothers and their children took part in the protest which slowed traffic as many passing motorists stopped to sign petitions showing their support.

Belleville ballots backed Bateman

Less than a third of Belleville's 18,309 registered voters participated in Tuesday's primary elections. Late results Tuesday night indicated that Belleville voters did follow the Essex County pattern however in the gubernatorial races.

Ralph De Rose totaled almost as many votes as his nine Democratic opponents combined in Belleville. De Rose, backed by Essex County and Belleville's Dems led by Mary Senatore, polled 2,021 votes to win the town's Democratic tally in the Governor's race.

Ray Bateman, running without the backing of Essex County Republicans or

Belleville's GOP, lost to Jerry Ferrara, scored a victory garnering 514 votes, 89 more than former state senator Robert Sarcone's 425. Tom Kean ran a distant third with 334 and Angus picked up 48 GOP ballots.

Governor Brendan Byrne, the overall state winner for the Democrats, trailed De Rose in Belleville by 1,322 votes with 699. Representative Robert Roe finished third in Belleville with 515; Representative James Florio tallied 384. Joseph Hoffman netted 84 ballots. Freund, 28; Garraone, 21; Koukos, 1; Zold, 3; and Whaley, 0.

Budget caps curtail staff

Superintendent of Schools, Dr. John Greed has announced six or seven tenured Belleville teachers will handle the class load of students in the state compulsory education classes next year.

Dr. Greed said budget cuts necessitated the replacement of about 14 teachers who were hired on a per diem basis to staff the state required courses. The teachers were hired by the Belleville system on a \$53 a day wage to staff remedial reading and arithmetic classes.

State imposed "cap" spending limits on the Belleville school budgets forced the cutback in staff, according to Dr. Greed. "We don't have enough to do all we want to do," the superintendent said.

K-Mart application approved by Planners

By MIKE COREY

The construction of a K-Mart department store on a six acre tract of land at Main and Jorammon Streets was approved by the Belleville Planning Board at a special meeting last Thursday at Town Hall.

The board, however, stipulated it must approve a landscaping plan before a Certificate of Occupancy is granted.

According to Joseph Doyle a member of the board, the planners are not only asking K-Mart to build attractive landscaping but to also provide shrubbery tall enough to act as an effective buffer in order to protect surrounding houses from headlight beams from cars coming in and out of the parking lot at night.

The 70,000 square foot store, located across Main Street from the new Grand Union, will have 335 parking spaces and three driveways including one on Jorammon, Main and Stevens Streets.

Captain Robert Russomano, chief of the traffic division of the Belleville police, testified Thursday he is seeking from the State Department of Transportation, a traffic signal to ease the flow of traffic from both shopping centers.

Board chairman Joseph Grande also stated all traffic will be channeled in a

southerly direction and left turns on Main Street will be prohibited.

The floor plan of the K-Mart is one of a typical discount shopping center and will include an outdoor garden shop, auto service center and a loading platform on the Terry Street side of the building.

According to board members the store is expected to open by November or December.

"It is unquestionably good for the town to have a developed occupancy," stated Doyle. "And we're satisfied this is the best workable plan."

Inside

Police honors

Belleville's Auxiliary Police Force took top honors recently in Lindenhurst, New York, at an annual competition for Auxiliary forces in the tri-state area. Belleville's volunteers earned the right to host next year's parade, which could be the biggest ever in town. Please see page 10 for details.

Senior notes

By GEORGE CHENOWETH

June 14th is Flag Day. Display our country's flag with pride. Remember what it stands for and honor it with a patriotic gesture by letting it wave in the breeze on this special day.

The Belleville Senior Citizens Club Members who were at Wildwood Crest for five days returned home last Friday. The weather wasn't all that good but the general feeling of the group was that we had a good time in spite of this. Mary and Michael Ciccarele ran the tour and made all arrangements with the resultant usual good job. They are to be commended.

We did get to go to a night club in the North Wildwood area, The Red Garter, where we were royally treated and the only thing that misbehaved was the bus. Something happened to the engine and a replacement bus was brought down from West Orange. The only casualty of the trip was a bump on the head that required three stitches for one of our over-enthusiastic seniors. The boat ride was cancelled and a trip to Atlantic City was substituted, this also was enjoyed by all. We needed the exercise after indulging in such sumptuous dinners. Our hosts also treated us to a noonday cookout and a trip to the movies. Most of the vacationists are looking forward to another trip in September.

The meeting of the Board of Directors of the Essex County Council of Senior Citizen Clubs took place on June 6 at the Civic Center in Bloomfield. The main topic of discussion at the meeting was the recently proposed bill in the state assembly that would allow seniors of lower incomes to have any prescription filled for one dollar and the state would pay the difference between this and the actual cost. A move by the council is underway to alert all of the member clubs to contact their assemblymen and urge immediate favorable action on this bill. Passage will mean benefits to today's seniors and all future senior citizens.

Installation — Members of the Belleville chapter of the American Association of Retired Persons recently held an installation ceremony for new members. The novices got together after the festivities at Fewsmith Memorial Presbyterian Church for this group snapshot.

Players to meet audience

A new dimension has been added to the Children's Theatre to be presented at Montclair State College's Summerfun 1977 Season. Each Wednesday in July, Pushcart Players will present "Once Upon A Feeling" at 1:15 p.m. In addition to the performance, a special package program has been developed.

After seeing the musical play, 150 children will be meeting with the Pushcart cast and staff. The groups of children that have reserved places for the special package program will participate in a song-fest with

Pushcart Musicians, a question/answer group with the cast and a Creative Drama session of exercises and theatre games with the Pushcart staff. Group leaders and counselors are eligible to attend a Seminar in Creative Drama conducted by Pushcart Management.

In order for this program to be most effective, advance plans must be made for the Matinee/Packagage. Registration will be accepted on a first call/first served basis. Prices for Pushcart Children's Theatre at Summerfun are: Single child-\$1.50, single

adult-\$2.00, Groups-\$1.00 (for 15 or more). For the special Matinee post performance package, add \$.50 per child.

club news

Local clubs team-up to sponsor free tests

The Belleville Lions Club and the Junior Woman's Club of Belleville will once again be offering a free vision and hearing screening test on Wednesday, June 15, from 9:30 a.m.

Annual blood bank slated for June 17

The Annual June Blood Bank sponsored by Belleville Council #835, Knights of Columbus and St. Peter's Holy Name Society will be held at the K of C Hall on Friday, June 17, from 3:00 p.m. to 6:30 p.m.

The Drive will be conducted by the Mobile Unit of the North Jersey Essex County Blood Bank. Blood donated will cover the blood needs of the donor's family for a one year period and the immediate needs of persons hospitalized anywhere in the United States. Additional beneficiaries include hemophiliacs, leukemia patients and other large volume blood users.

Giving blood is simple. The entire process from registration to refreshments takes less than an hour. Anyone who is between the ages of 17 through 66 (17 year olds need parent or guardian written consent) are urged to participate. A complete physical is given before anyone can donate blood.

Make your appointment by calling Gene "Cap Barnett, at Town Hall, 759-9100, or home, 759-9328.

No change at One is recommended

Continued from page 1.
desegregate and made it known at a school board meeting. The committee concurs with the parents because after grade six, all our youngsters attend one junior high school and are together for six years.

Alternatives to the status quo situation at School One for desegregation include redistricting the entire elementary system, or moving the School One boundary above Washington Avenue until the accepted balance between white and minority groups is accomplished.

The Committee report also urged the Trustees to upgrade all school building facilities, "as recommended in the study prepared by the architectural firm of Bouman Blanche and Faridy, dated June 1975." The Master Plan people also noted new facilities must be found by September, 1977, for the Child Study Teams that are now housed in private quarters.

Mahmorian told the Trustees, four months was not fully adequate to prepare a master plan for the schools and the committee has recommended the task be assigned in the future to a committee every five years with a year to complete the work.

Copies of the Master Plan report will be available at the Board of Education office, principals' offices, and each Home and School Association.

Board President Romano thanked the committee and congratulated it on its work. He added the public would have an opportunity to comment on the committee's recommendations at a June 20 meeting of the Trustees.

Members of the Master Plan Committee included:

Richard Mahmorian, Mayor; Michael Marotti, Joseph Grande, Chris Albanese, Joseph Casale, Andrew Colaninno, Eunice Conover, Jim Donahue, John Grant, James Landon, Thomas Mack, Grace Purdie, Sandra Worth, Michael Harvey, Rev. Frederick Long, Gail Boscaimo, Cora Boice, Mary Jo Cardinale, Jose Cortese, Barbara Hill, Joan Holly, Joyce Mulhearn, Mary Patrizio, Jackie Pravata, Mario DiMaggio, Michael Nardiello, Raymond Smith, Bridget DiStasi, Rosalind Musmanno, Ethel Williamson, Francis Ciccone, Dr. John Greed, Seymour Grossman, and Mary B. Shader.

to 11:30 a.m. and 1:00 p.m. to 3:30 p.m. at the Montgomery Presbyterian Church, 638 Mill Street. The test is open to preschoolers from ages 3½ to 5 years old.

The purpose of this program is to discover amblyopia or "lazy eye" and other problems in eyesight, and impaired hearing that may go undetected in preschool years. It is also to alert the parents of the children who have eye and hearing problems to the need for a complete professional eye and hearing examination and necessary follow-up treatment. If not corrected at this age, some of these problems can affect the child's ability to learn in school.

The screening program will be conducted by representatives from the New Jersey State Commission for the Blind and Mountclair Audiology Department. They will be assisted by members of the Lion's Club and Junior Woman's Club.

Donald Bowden of the Lions Club and Mrs. Jane Thompson of the Junior Woman's Club are serving as chairman.

If you have a preschool youngster, you are urged to participate in the free screening program on June 15th.

MacDonald selects Elks' chairmen

Raymond MacDonald, newly elected exalted ruler of the Belleville Lodge No. 1123, B.P. O. Elks, has announced his selection of committee chairman and their members of the coming year, 1977-78.

First named will be chairman, Auditing: Frank Costenbader, Fred Hagin and Thomas Goldrick; Crippled Children: Steve H. Frank, Donald Grewcock and MacDonald; Flag Day: John Crowley, Peter Mack and Grewcock; Indoctrination: James Salmon, August Mitschke and Goldrick; National Service: Vincent Mirra, Thomas Feskanich and John Burke; Membership: Mitschke, Grewcock and Daniel Meccia; Social and Community Welfare: Lawrence Dempsey, Stephen Chynacki and Mac Donald; Publicity: Steve H. Frank, Fred Hagin and MacDonald; Visiting: James Ryan, Edward Jordan and Feskanich; Memorial Day: Joseph Lupo, Patrick Kiernan and Mitschke; Investigating: Grewcock, MacDonald; National Foundation: Salmon, Grewcock and William Kelly; Lapsation: Hagin, MacDonald and Goldrick; Youth Activities: Dempsey, Lupo and Frank; Relief: All Officers.

First Saturday — Members of the First Saturday Club which is planning a world peace pilgrimage June 29 reflect on their "vacation with God." With Belleville Mayor Michael Marotti. Shown (front l-r) are Maria Perrone and Mary Varick (back l-r) Erma Mastro, Mayor Marotti and Lee Maurillo.

Special recognition — Helping to celebrate the 20th anniversary of Volunteer Services at Clara Maass Memorial Hospital recently was Julia Heumer who has given more than 22,000 hours of service to the institution. The Belleville resident was presented with a pin and bar at the adult volunteer awards ceremony by Hospital Chairman of the board of Trustees, Henry C. Pfaff, Jr.

Special anniversaries

Last week the Montclair Chamber of Commerce sponsored a dinner in honor of the 100th anniversary of The Montclair Times.

Last week Carl Ek, chief editorial writer of The Herald News, marked his 50th year with that outstanding publication.

Fifty years with one employer and reaching the age of 100 years are two occasions that invite special attention.

We know Carl Ek. We know him as a highly respected member of the journalism profession. His knowledge and perception of the issues of the day rank Carl Ek among the outstanding editorial writers in New Jersey's recent history. Carl Ek is New Jersey's version of The New York Times' James Reston.

Joseph Cudone and Donald Mulford are the publisher and co-publisher of The Montclair Times and the Verona-Cedar Grove Times. Under the leadership of Cudone and Mulford, these publications rank among America's leading weekly newspapers.

To Carl Ek, we wish him long life and continued happiness in the job he performs so well, and to our business associates, Joseph Cudone and Donald Mulford, we congratulate them upon maintaining the high quality of journalism that is reflected in their publications.

Frank A. Orechio

Camp Fund deserves support

By FRANK A. ORECHIO

Nutley's sixth Annual Marathon Relay is scheduled to commence Saturday, June 18 at 4 p.m. at the high school, an activity sponsored for the benefit of The Nutley Sun/Family Service Camp Fund.

There are 50 runners already signed up. These participants deserve our encouragement and gratitude. Wouldn't it be wonderful if 2,000 people turned out to send them off on Saturday, June 18 at 4 p.m. — and another 2,000 turned out on Sunday, June 19 at 4 p.m. — to let them know that the people of Nutley have a message for them — "a job well done."

The second Annual Music Boosters Association Awards Banquet was held at Gene Boyle's Friday night. It was a wonderful event to behold. The indefatigable worker, Ann Conway, organized the original event last year and she was the spark plug this year. Ann hastens to point out that anything she ever gets involved in and is successful is due to the cooperation she receives from her associates.

No musical event involving Nutley is complete without the presence and participation of our outstanding Director of Music, Dr. Ernest Ersfeld. How lucky Nutley is to claim Dr. Ersfeld as one of its own.

The history of the Music Boosters Association of Nutley is worth noting. Originally known as the Band Parents Association, it was formed in 1955. The change in name was instituted to include the parents of all music students as well as the alumni of the school music organizations and interested citizens.

The objectives of this Association are:

- 1) To inspire and maintain an enthusiastic interest in the Nutley public schools' music programs in our community.

- 2) To lend all possible support — moral and financial — to the many music programs in our community.

- 3) To cooperate with those in charge of the school music programs to the end that the highest possible standard and that our children may look forward to a fuller and richer life through music.

Donations to the Music Boosters Association are used to finance the following activities which the Music Boosters Association is responsible for:

- 1) Provide Nutley students the opportunity to earn scholarships to Nutley Summer Music School and related summer music study.

- 2) Provide service and achievement awards to participating students in the Nutley schools' musical organizations.

- 3) Provide college scholarships in music to participating seniors.

- 4) Generate increasing interest in the opportunities provided by the Nutley schools' music organizations.

In the Friday, June 3 Star-Ledger column edited by the noted business reviewer, John Soloway, a reference was made to a new Nutley advertising firm of Gianettino & Meredith. Soloway's observations are worth noting.

"Ron Gianettino and George Meredith, a pair of bright, idea-filled New Jersey ad pros, yesterday officially put up their shingle. They did it with suitable ceremony and quite a bit of a bash at the new agency's colorful quarters — a one-time bank building with a stained glass dome bordering a tree-lined park smack in the middle of things in Nutley's Town Hall Square.

"But not until Gianettino & Meredith, Inc. was barreling along, after a few brief months, at a claimed billing rate of \$3 million a year with a dozen accounts under the belts of the youthful entrepreneurs.

"Ron Gianettino and George Meredith were associated until early this year with Keyes, Martin & Co. in Springfield, New Jersey's largest ad shop. Ron was Keyes, Martin's senior vice president and account supervisor; George was the agency's vice president and creative director. Now, they're president and executive vice president/creative director, respectively, of their own agency.

"Between them, Gianettino and Meredith have backgrounds of more than a quarter century in New Jersey advertising, most recently with Keyes, Martin.

"During a 14-year affiliation with the Springfield agency, Gianettino was the account supervisor on a variety of consumer, financial and retail accounts including ShopRite Supermarkets.

"He is recognized widely across the country as one of the leading specialists in retail advertising by reason of his innovative work on the ShopRite account. He recently completed teaching a series of High Intensity Retail Advertising and Market Strategy Workshops for Advertising Age, the ad trade publication.

Light traffic—The School Ten Home and School Association, after trying unsuccessfully for the past year to convince officials to install a traffic signal at the Belleville and Fairview Avenues intersection, decided to take their protest to the streets. Officials have told the group the number of cars that travel on the street does not warrant a light. Belleville Avenue is a county road.

Golden Comments

By James R. Golden

Well, now that we know who will be running against whom for Governor in November, whether or not it was the man of your choice, we must seriously ponder the many perplexing problems besetting New Jersey and concentrate upon the most prudent way of solving them and deciding which of the political parties offers the best candidate and program to bring about, at least, a lessening of our unemployment and oppressive taxation dilemmas.

Presently, in our state we've an unsavory situation where unemployed workers collecting unemployment checks are refusing jobs offered them, yet continue to collect. Salary increases in government service, away out of line with those in the private sector, are generously given, while layoffs continue in factories, construction and the building trades. Politicians who are beaten in elections are honored by being placed in high salaried jobs by appointment in return for their political favors or services.

Local school boards truckle to demands of teacher's hobbies and continuously give salary increases to teachers and school administrators, in ranges that exceed many college professors, yet our kids can't read or write. Something is rotten all around, those with cushy jobs with tenure and security cause inflation to soar with comfort and more money while those on fixed income and social security can't keep up with higher prices and taxes raised to pay for these privileged few.

Obviously, the only possible way to lower taxation is to embark upon a Draconian policy of retrenchment. One that eliminates needless jobs, wherever they are, establishes strict economies that cut expenses to the bone and restores the same sane sense of running government, on all levels, in the same prudent manner that private business is operated.

Sure that is the way to bring about a welcome change that would benefit John O. Citizen, people like us, but will it happen? I doubt it. Why? Because that isn't the way you win elections. I know.

The office holder that works hard to keep down expenses for the taxpayers, who incidentally are very apathetic and expect someone to wave a magic wand to provide them with all the things their little hearts desire without costing them a dime and won't even get off their buttocks or elbow pads to cast a vote for their dedicated benefactor, has by his kind deed to keep down the taxes of his constituents so antagonized all the public employees that they do a "job" on him. They denounce the do-gooder taxpayer's friend, revile him and advise all their associates and friends to "bury the bum" which they usually do. This delights the "smart" politicians who gloat over the stupidity of the indifferent voters who either didn't vote at all or listened to the knocks of the workers who didn't want the "block" that wouldn't give them raises around, but worked like hell to get the politicians who voted for their raises, that increased the taxes of the foolish people who were "taken."

There is an old adage in government that says the people get what they generally deserve, the politicians, at times, considerably more. It is most unfortunate that impassiveness and voter stupidity is too often responsible for the election of the least qualified or capable of some candidates. The ultimate victim being the voters themselves.

News sources indicate that at least one-third of newspaper readers can't clearly understand politics as written in the ragbible more, it is because the reading level of political reporting is at twelfth grade level while the reading level of most newspaper readers is at or below eighth grade level. So just how much can we expect in the way of improvement in selecting the best political candidate seeking public office? Then, too, doesn't campaign money often decide the outcome of most elections?

Well! We've got from now until next November to think it over (wonder). Then again, perhaps it might be better if we should decide to pray for Divine guidance. That might give us greater hope, especially in view of the way things have been going in the past few elections.

Letters

Grande defended and attacked

To the Editor:
Re: Mary Ann Wicklowicz 12 Abington Ave. Newark.

How dare you expect an apology from Mr. Grande?

I attended town, Board of Education, budget meetings and recently planning board meetings.

To numerous people I have praised the Planning Board members for their

splendid conduct in explanations and presentation of their agenda.

Mrs. Harris, the secretary Mr. DiBisce, the attorney and the gentlemen of the board are a credit to the persons who appointed them.

They are dedicated Bellevillites who care about our town, who have been instrumental in vitalizing it.

If you were at the meeting you would have known Mr. Grande's remark about undesirable.

As a tax payers of Belleville, I don't want undesirables in my town and I am not a racist!

You claim to love Newark - good! Why don't you help your city with its problems and leave Belleville to the Bellevillites?

In my opinion you owe Mr. Grande an apology!

Betty Barr
96 Chestnut St.

Rega dispenses ices and politics

To the Editor:

Mr. Jim Golden keeps referring to his dear "ole friend Jackie Rega as the "BOSS"

Boss Who? Boss Where? Boss When?

Having proudly lived here all my life I have never known a "Boss Rega" other than a nice guy behind the stand at Jackie's Lemon Ice Corner at Union and Belleville Avenues.

Over the years he has had a variety of ices and candidates, according to the individual taste you still have your choice.

I wonder if Mr. Golden is aware of the fact that the day of "The Boss" is long past? Amen!

Mrs. Vi Narucki
423 Joralemon Street

Stephens requests letter of apology

To the Editor:

The remarks made by Mr. Grande in a recent article which appeared in the Belleville Times and Herald News in another example of the ignorance expressed by those so called intelligent suburbanites.

I quote: "The high rise office buildings would also provide a buffer for the town against undesirable from Newark". What sought of intellectual light weight is this man Grande; granted his intelligence is limited but his ignorance can only be surpassed by those who permitted him to represent them.

The humiliation felt by the people of Newark and other Newark's around the country in the sixties should be a warning to those intelligent responsible persons that reckless statements such as this; serve only to create an atmosphere of hostility between those who it's directed against, and those who make such remarks. The so called undesirables won't stand for such insults.

It is my contention that the persons who are responsible for this careless individual harness his mouth, and write an apologetic letter to those person living in Newark.

Charles N. Stephens
University Senator Rutgers Newark

THE STATE WE'RE IN

Developers ignore environment

By DAVID F. MOORE

With the heady scent of fast dollars making nostrils twitch in and around Atlantic City, thanks to legalized gambling, special interests are wasting no time in trying to crush environmental protection regulations test they get in the way of big and flashy casino construction.

Near Atlantic City, in the Pine Barrens, other interests (or are they the same?) are working hard to deter essential protection of water quality. Blatant public relations pressure is being used in Atlantic City. In the Pine Barrens, it's a legislative attempt to derail protection.

Departure of Environmental Protection Commissioner David J. Bardin for new work in Washington has encouraged both gamblers. Acting Commissioner Rocco Ricci now finds himself being "tried out" like a new teacher, inasmuch as the "smart kids" are testing his ability to keep legislative support on one hand, and to withstand public assaults on existing regulations on the others.

Even without lusts inflamed by legalized gambling, it would be the same. Those who have protection of our environ-

ment for the future because it can impede their short-term profits are a wrecking crew eyeing the protective structure. In Atlantic City, we read that Mayor Joseph Lazarow says his city "will not tolerate" Department of Environmental Protection wetlands regulations which get in the way of massive gambling-oriented construction projects. Several such schemes are envisioned for protected wetlands in undeveloped corners of the city.

The South Jersey Labor Council was more direct after Donald T. Graham, director of the DEP's Division of Marine Services, responded to proposed casinos on protected wetlands by pointing out that legalized gambling had been sold to the public as a way to redevelop beachfront and renew uptown sectors of Atlantic City.

The labor council's spokesman pounced on this as proof that "anti-casino forces" are still trying to halt the golden employment opportunity of legalized gambling. The labor council then called for a meeting with Governor Byrne to talk about Graham and his attempt to do his job.

Back in the Legislature, meanwhile, bills have been introduced in both houses

for a one-year delay in DEP imposition of its water quality standards for the Pine Barrens, due now to go into effect in mid-July. The bills, sponsored by Senator Joseph Maresca and 25 other Senators, and by Assemblyman Francis Gorman and five others, would let four county health departments in the area study impacts of septic tanks, or "on-site disposal systems," on the vulnerable aquifer which underlies the Pine Barrens.

No matter that a more definitive study is already being planned by Rutgers University experts hired by DEP. Or that federal law already calls for such protection. Or that delay in an effective non-degradation policy for the Pine Barrens streams and groundwater aquifers could cost New Jersey its federal water pollution control aid. Or that the Maresca-Borman bills may nullify important advances in the new Water Pollution Control Act.

What the developers pushing the bill hope is that the counties will come up with recommendations more friendly to their development schemes in the Pine Barrens.

Scholarships presented

Many Belleville High School seniors received scholarships and awards from various town organizations at the Sixth Annual Scholastic Award Buffet last Wednesday at the BHS Cafeteria.

Recipients of awards from the top right hand corner and clockwise around the page are Keith Dixon winner of the National Scholarship award presented by Mary Herlick; the Math award Mary Grace DeSantis presented by Michael Lemmgello; the architectural design award William Vecchione presented by Joseph D'Ambola; the Optimist Club award presented by Felix Linfante to Wade Farrar, Joe Pisano and Barbara Santaseri; the National Merit Scholarship to Susan Santiglia; the Michael Marotti Association Award to Grace Ross presented by Mayor Marotti, and the Tri-Town Award to Susan Chimento presented by Toni Marone.

Alligator wrestling a snap

Helen's thing

by Helen Maguire

THERE ARE MANY jobs I know I could never fill and countless hundreds more I could fill and wouldn't want to. During the summer between my junior and senior years in college, I worked for an insurance firm in Newark in the Automobile Underwriting Department. Seated next to me was a little lady who had sat in that very same seat for the past 29 years, doing the very same job, sorting the dailies and separating them roughly into categories.

Her job seemed to me the very epitome of boredom and she was in just deeply stuck into a rut. Her mother, long deceased, had brought her down to the big city when she was in her early twenties, found her a room in what was then a very nice of Newark and a job with the in-

surance company. Mama's PARTING words, which the little lady would relate when anyone questioned why she didn't ask for a transfer at least, were, "Pearl, you have a nice room and a nice job. Stay in them." And she did, though the section of town she inhabited was rapidly becoming unfit for human habitation.

IT IMPRESSED ME as a very sad situation indeed. At that minute, I eliminated sorting anything for 29 years from my list of jobs. Through the years, I have eliminated several more. I have absolutely no wish to do anything of a mechanical nature nor pilot a taxicab through New York City nor wash windows on the Empire State Building nor paint the George Washington Bridge nor hurl

myself into space ensconced in a capsule of any description nor run a restaurant nor do landscaping of any kind.

I can't deal with anything electrical since I have no concept of even the basic principles involved and the swiftest way to blow up the lab would be to let me loose with a few random chemicals. I got through high school physics by the skin of my teeth and college gym the same way so there goes anything involving pulleys, weights etc. or athletics.

YESTERDAY, HOWEVER, I got a faint clue that, if pressed, I might be equipped for alligator wrestling. Sam, the new canine in residence, developed a wild rash on his stomach and when home remedies did nothing, I carted him to the vet for

treatment. He wailed like the Hound of the Baskervilles in the waiting room, setting every other dog there to howling as well and embarrassing the person on the other end of the leash, namely me.

The fun began after his initial problem had been resolved and I asked the doctor to clip nails. Oh, what folly! I knew we were in for fun when he tried to bolt, the premises at the sight of the clippers and my worst fears were realized as the first nail was cut. Holding him with two hands did no good and the end result was a funny sight to behold — me prostrate across the squirming beast with the doctor hanging valiantly on to a paw and wielding his instrument. Bring on the alligator!

Mr. and Mrs. Joseph Melillo — nee Diane Russell

Honeymoon in Bermuda for Mr. and Mrs. Melillo

St. Joseph's Church, Maplewood, was the setting April 30 for the marriage of Miss Diane T. Russell of Union to Joseph S. Melillo of Belleville. The Rev. Bernard Peters officiated at the nuptial and a reception followed at Blue Shutter Inn, Union.

The bride is the daughter of Mr. and Mrs. Charles C. Russell. The groom is the son of Mr. and Mrs. Salvatore T. Melillo of Malone Avenue.

Escorted by her father, the bride had her sister, Carol R. McAloon as matron of honor. Bridesmaids included Anne Ardito, Elizabeth Ardito, cousins of the groom and Sherry Smiley. Lisa Ragonese, cousin of the groom, was junior bridesmaid. The bride and attendants carried flowers especially designed by the

groom's brother, Salvatore T. Melillo.

Salvatore T. Melillo was his brother's best man. Ushers were John Ardito, cousin of the groom, Andrew McAloon, brother-in-law of the bride and William Ragonese, cousin of the groom.

Mrs. Melillo, an alumna of Union High School and Nancy Taylor Secretarial School, is a secretary with Amerace Corporation, Union.

Mr. Melillo, a graduate of Essex Catholic High School and Montclair State College, is corporate secretary to the Board of Directors and savings coordinator of Colonial Savings and Loan Association, Roselle Park.

The couple are living in Roselle Park after a honeymoon in Bermuda.

Peace Pilgrimage benefit tickets are available now

A group of approximately 250 handicapped men and women, most of whom are on welfare or live in nursing homes, gather the first Saturday of each month to offer prayers for peace in the world.

The members of the group, afflicted with polio, muscular dystrophy, multiple sclerosis, blindness, paraplegia etc. have been praying and strengthening each other for 20 years since they were organized by Mrs. Mary Varick, a handicapped Newark widow.

The group has made several trips to different parts of the country and the world to pray for peace in accordance with the instructions prescribed the Blessed Mother at Her apparitions at Fatima. This year, their dream is to go to Russia to gather for the first Saturday mass and rosary in July, the 60th anniversary of the apparitions. This World Peace Pilgrimage will be a grueling one but they are preparing themselves for it with courage and joy.

Money has been next to impossible to raise to secure their passage. A benefit has been planned for June 15 at Westmount Country Club with tickets priced at \$100 a couple. Only 750 will be sold and may be obtained from Erma Mastro at 667-4430 or by making a check payable to First Saturday Club and sending it to P.O. Box 296, Nutley, N.J. 07110. Tickets are tax deductible.

Stork Club

Brian N. Veneziano

A second child, a son, Brian Nicholas was born to Mr. and Mrs. Charles Veneziano of 60-58 Carner Avenue May 10 at Clara Maass Memorial Hospital. Birth weight was 8 lbs. 7 ozs. He joins Michael, 2 and a half.

Mrs. Veneziano is the former Becky Swartz, son of Mr. and Mrs. Del Swartz of Nutley. Mr. Veneziano, son of Mr. and Mrs. Michael Veneziano of Nutley, is an operations analyst with ITT, Clifton.

Beth I. Cicurillo

A daughter, Beth Irene was born to Mr. and Mrs. Carmine Ralph Cicurillo of 201 Garden Avenue May 20. Birth weight was 8 lbs. 10 ozs.

Mrs. Cicurillo is the daughter of Mr. and Mrs. Bernard Ozowski of Bayonne. She is a nurse in the Coronary Care Unit at Mountain-side Hospital. Mr. Cicurillo, son of Mr. and Mrs. Carmine Cicurillo of Caldwell, is a reading instructor at Newark Adult Learning Center.

Speedreading demo at Montclair YW next Thursday night

The YMCA Image Center of Greater New York will bring a six-session course, READFAST, to the Montclair-North Essex YWCA this summer, on Thursdays from 7:15 to 10 p.m. beginning June 23.

READFAST, speedreading-effective study, uses the renowned hand pacer method with which thou-

Cakes for sale — In the background are cakes for sale. In the foreground Tony Casale, Jennifer Menzel, Marlynn Perna, Elaine Perna and in front, Christopher Kayser and Vito Casale.

Bake sale profits buy playhouse cube for nursery school

A "playhouse cube" was responsible for a bake sale sponsored by the parents of students at Sandy Lane Nursery School, 634 Mill Street, Belleville. Not in the original school budget, the cube's purchase will be possible because of the parents' decision to raise funds toward its purchase.

The May 27 sale, which featured cakes, cookies, breads, cupcakes and muffins baked by the parents, raised \$85. Sandy Lane will contribute a balance of \$115 to order the city square cube from the Creative Playthings company.

The cube can be used as a post office, gas station, firehouse or anything else the children can imagine, offering fun and learning experiences in preparation for later life situations.

Directed by Elaine Perna, the school houses a day care center, nursery school and kindergarten for children aged two through six. Activities and educational experiences abound, and include a recent trip to the circus at South Mountain Arena, visits from "Raggedy Ann" and the police and fire departments.

Taught by certified teachers, classes are divided by age to provide the best learning atmosphere for each child. Parents are encouraged to participate in school activities and to contribute their talents and ideas. A working relationship between parents and school results in benefits to the children, as the purchase of the playhouse cube illustrates.

sands have tripled their speed. READFAST is accredited by the ACE program at Queens College, and recommended by college deans, particularly for teachers and students of all ages who need efficient study skills as well as for responsible corporate, business and service agency staff burdened with required reading.

Donald Duck — Leona Adessa, teacher of 4 year olds, and Elaine Perna, director, display Donald Duck, ready to be eaten.

Belleville juniors welcome nine into club membership

Members of the Junior Woman's Club of Belleville were pleased to welcome into their membership nine members at a candlelight installation ceremony. The ceremony was conducted by Mrs. Annabel Nardachone, membership chairwoman, and Mrs. Barbara Doyle, first vice-president.

Received into membership were Mrs. Denise Lande, Mrs. Sylvia Lynn, Miss Susan Drake, Mrs. Liz Sebben, Mrs. Sandy Zampino, Mrs. Eileen Luongo, Mrs. Clara Clamp, Mrs. Meredith Johnson, and Mrs. Kathleen Maher.

Each new member received a red carnation, the club's flower as a memento of the evening.

Membership in the Junior Woman's Club of Belleville is open to young women between the ages of 18 and 35 who are interested in serving their community. The next business meeting of the Belleville

Juniors will be June 13 at 8 p.m. at 51 Rossmore Place. For further information please contact Mrs. Nardachone, membership chairwoman, at 751-5478.

Mature Singles meet June 16 for food demonstration program

Mature Singles of Nutley will present "Parties on Parade," a demonstration and slide program by the PSF&G on easy home preparation of food for parties June 16. Also included will be a demonstration and

hints on freezing foods for home consumption.

The presentation will begin at 8 p.m. in St. Mary's School basement, Monsignor Owens Place, Nutley. Admission \$1.50, everyone welcome, refreshments will be served.

Vacationers — Mr. and Mrs. Nick Morgera, of 28 Emmett St., Belleville, are stopped to pose for the cameraman on the deck of the Home Line's flagship, "S.S. Oceanic," just before sailing out of New York on a week's holiday cruise to Nassau, capital of the Bahamas.

Congregation sets officer installation

A joint installation of officers of Congregation, Sisterhood and Men's Club of Congregation Ahavath Achim of Belleville, will be held during Friday night services on June 10 at 8:30 p.m. Irving Berkowitz, outgoing President, will be the installing officer.

The officers to be installed for the Sisterhood are: David Robbins, president; Kurt Lemberger, first vice president; Martin Resnick, second vice president; Henry Creditor, financial secretary; Mrs. Ruth Low, recording secretary; Mrs. Benjamin Belinf, corresponding secretary; Mrs. Seymour Fischer, treasurer; and Irving Berkowitz, Martin Lande, Seymour Grossman, Mrs. David Schreier, Mrs. Gloria Jackson, Dr. Michael Roachvarg, Mrs. Henry Denner and Robert Grahn, trustees.

The officers to be installed for the Men's Club are: Mrs. Seymour Fersko, president; Mrs. Martin Lande, fund raising vice president; Mrs. William Halpern, program vice president; Mrs. Gloria Jackson, membership vice president; Mrs. Charles Rosenberg, recording secretary; Mrs. Samuel Panansky, corresponding secretary; Mrs. Benjamin Belinf, financial secretary; Mrs. Jack Orlinsky, treasurer; and Mrs. Henry Creditor, Mrs. Seymour Fersko, Mrs. Jack Novik, and Mrs. Donald Tuchman, Sisterhood representatives to Congregation Board.

Free cancer tests offered at Maass

Over 100,000 adult Americans will be stricken with cancer of the colon during 1977. Recent statistics by the American Cancer Society show of these 100,000, approximately 40,000 cases will occur in the rectum.

Yet, a simple test, taking only a few minutes could save many lives. These frightening figures about cancer of the rectum can be fought by a quick and painless rectal examination. Unfortunately, many individuals are unaware that early detection is most important in successful treatment of this disease.

Clara Maass Memorial Hospital in Belleville is offering a free clinic for rectal screening, for both men and women, on June 23 and June 24, in the hospital's clinic to detect signs of cancerous conditions in the rectum.

Members of the hospital's medical staff will conduct the simple test and volunteers will assist with completing the necessary information forms. Personal physicians of those tested will be notified of the test results.

The Clara Maass clinic will be held from 2 p.m. to 8 p.m. on Thursday and Friday, June 23 and 24.

No advance registration is required. For further information about the rectal screening program contact Mrs. Lois Werner at 751-1000, extension 881, between the hours of 1-3 p.m. on Wednesday, June 22.

obituaries

Bomina Maria de Bartolo

The Rev. James F. Heavey of St. Peter's Church, Belleville, officiated at services Tuesday, May 31, at Holy Family Church, Nutley, for Bomina Maria de Bartolo (nee Gollina), who died Thursday, May 26, in Clara Maass Memorial Hospital. She was 88.

Born in Italy, Mrs. de Bartolo lived in Nutley before moving to Belleville 65 years ago. She was a communicant and parishioner of Holy Family Church and a communicant

of St. Peter's Church.

Predeceased by her husband, Giuseppe Sr., she is survived by two daughters, Mrs. Catherine Boichio of Clifton and Mrs. Louise Scarpelli of Newark; two sons, Salvatore of Belleville and Angelo of Iselin; 14 grandchildren and 17 great grandchildren.

Arrangements were through the Kiernan Funeral Home, Belleville. Interment was in St. Joseph's Cemetery, Lyndhurst.

Eleanor M. Calello, 57

A Mass of Christian Burial was offered Wednesday, June 1, in St. Peter's Auditorium for Eleanor M. Calello, formerly of Belleville, who died in Greater Freehold Area Hospital, Freehold, Tuesday, May 28. She was 57.

Born in Newark, Mrs. Calello moved to North Freehold Township from Belleville six years ago. She had been employed by RCA Company as an assembler before her retirement.

She is survived by a son, Richard Grozinski of Nutley; a brother Frank of Metuchen; a sister, Mrs. Madeline C. DeVingo of Freehold, and two grandchildren.

Arrangements were through S.

W. Brown and Son Funeral Home with interment in Holy Cross Cemetery, North Arlington.

Mrs. Edith Ward

Services were held Thursday, June 2, in Our Lady Queen of Peace Church, North Arlington, for Mrs. Edith W. Ward, 68, who died Monday, May 30, in St. Barnabas Medical Center, Livingston.

Mrs. Ward was a member of the Rosary Society of St. Peter's Church and the Belleville Senior Citizens Club.

Surviving are two daughters, Miss Mary Ward of Belleville and Mrs. Josephine Kosenski of Lavallete; two sons, Daniel of Belleville and James of North Arlington, and 11 grandchildren.

Yard sale—Members of the Belleville Women's Club, 51 Rossmore Place, recently held a yard sale. The event proved a great success and by the end of the day only a few plants were left unsold.

George Vogel, 79

A Mass of Christian Burial was offered Friday, June 3, at St. Peter's Auditorium, for George A. Vogel, 79, who died Tuesday, May 31, in Clara Maass Memorial Hospital.

A metal spinner for Ewertsen Company, Hillside, for 20 years, Mr. Vogel retired in 1957. He was born in New York and came to Belleville from Newark 69 years ago.

He is survived by a brother, Frederick of Belleville.

Arrangements were through the Kiernan Funeral Home with interment in St. Peter's Cemetery, Belleville.

Charles Lomauro

A Mass of Christian Burial was offered Saturday, June 4, at Holy Family Church, for Charles Lomauro, 87, who died Thursday, June 2, in Chestnut Hill Convalescent Center, Passaic.

Born in Italy, Mr. Lomauro lived in Passaic and Newark before moving to Belleville 20 years ago. He was a stationary fireman for Flood and Conklin Company, Newark, for 25 years before his retirement in 1962.

Surviving are his wife, Lena (nee Del Bagno); two daughters, Mrs. Marie Vocaturo and Mrs. Antoinette DeNicola, and six grandchildren.

Talented acheivers presented awards

By STEVEN MISSAGGIA

The Emmys? The Oscars? The Grammys? No, it's the first BHS Drama Awards for outstanding achievement. The awards were presented on May 6, after the final performance of "Variety 77."

Recipients of the award were BHS seniors Donna Boehmle, John Burlazzi, Steven Dempsey, Patti Meyer, Janice Nazziola, Lee Romano, Kim Venezia, and junior, Kevin Waters. Two honorary awards were given to Mary Jane Izzo, BHS graduate, for her assistance with set design, and John Salvatorelli, junior at Montclair State College, for his piano accompaniment in various productions.

The awards were explained by

director, Mr. Robert Leffebine, "These are people who have been involved in one shape or form in theatre during a ten show period."

The award was a personal gift, given and chosen by Mr. Leffebine. The recipients received a plaque engraved, "BHS Drama Award for Outstanding Theatrical Achievement."

Patti Meyer, one recipient commented, "Since a small group of us began in the Drama Club, three years ago, I have devoted all my time and love to the club and its members. The only award I ever expected to receive was the applause of an audience. With this award, I can now say, assuredly, that none of it was done in vain."

Writing winners — Mary Vazquez presents the Journalism Class School Page Award to Julie Sista and Steven Missaggia at the Sixth Annual Scholastic Award Buffet at Belleville High Cafeteria last Wednesday.

Transcendental thinking is a mind refreshment

By DOREEN D'ANDREA

Transcendental Meditation is a process of sending the mind into a deep source of thought for the purpose of profoundly refreshing one's self, both physically and mentally.

TM is practiced every morning and evening for a few minutes as one sits in a comfortable position with eyes closed. During this period, the mind experiences different states of thought which only can be expressed by the individual participating in the daily process.

A person, after meditating, has now an increased feeling of pep and awareness, without having to feel any stress or strain from the process.

After practicing Transcendental Meditation for a few weeks, one should realize that he has a more profound knowledge of life, ex-

panded awareness span, and is acting in a creatively intelligent and more loving manner.

Psychological evidence proven by scientific investigation shows that one gains a deep state of rest while the mind remains awake and in a responding manner.

The natural affects the process has on one's mind have been distinguished from all other techniques which involve effort, control, hypnosis, or auto suggestion.

When practicing Transcendental Meditation regularly, it insures the balanced and harmonious development of life.

According to the pamphlet, "Transcendental Meditation as taught by Maharishi Mahesh Yogi" (copyright 1973, Student's International Meditation Society), "This technique is a very ancient one and the complete knowledge, at this time, is presented as the Science of Creative Intelligence and is being brought to the world by Maharishi Mahesh Yogi."

CIE gives students on-job experience

By MICHAEL DEFEO and JULIE SISTA

"Cooperative Industrial Experiences (CIE), a course instituted for the student who has no solid plans for the future, places students in jobs which they are capable of handling, and which will be of service to the community," said Nick Grande, CIE coordinator.

CIE is a senior course which consists of CIE I, II and III. CIE I is for the highly technically skilled student while CIE II is for the less technically oriented student. CIE III is a special education program for handicapped students.

The CIE student's week is broken down into three activities. The first two days are set aside for general activities. During these two days, the students discuss all phases of a working person's true life function. The following two days consist of relating activities to individual needs. In these two days, students learn all aspects of their individual job requirements. The last day of the week is "grape day." On this day, students have discussions on problems they may face in future or on the job.

The following students are part of this program:

Judy Accunzo, Francine Benenato, Mark Binkewitz, Joe Brooks, John Caccia, Joe Campione, Steve Carfagno, Brian Copey, James DiModica, Albert Fanelli, Richard Galada, William Lippolis, Patrick McNish, William Sands, James Santangelo, William Schroeder, Artie Sutphen, Ronald Unis and James VerNooy.

Cheer squad set for next year's yells

By GRACE VALLARIO

Results are in! The 1977-78 Varsity cheerleading squad for football, basketball and wrestling has been selected.

Returning cheerleaders are juniors Joni Campbell, Corrie Costa, Liz Goglia, Susan Lopusnak, Angela Sabatino, Donna Shafer and sophomore Donna Malanga.

Five new girls joined the squad, junior Gina Nicoletti, freshmen Geri Angeline, Dawn Castelli, Lisa Marzella and Cheryl Casale. Sophomore Maria Aiello and freshman Roseann Fortunato are alternates.

The cheerleaders are under the supervision of Maggie Moscatello, home economics teacher.

Law requires report suspected child abuse

By DOREEN D'ANDREA

Child abuse is the repeated injury done to a child by a parent or guardian. Such signs of child abuse include broken bones, burns (mainly from lit cigarettes), skull fractures, and an increasing amount of scars, cuts, and bruises.

According to the pamphlet,

"Child Abuse and Neglect" (by Citizens Committee for Children of New Jersey, CCCNJ, 251 Park Street, Montclair, N.J., 07043), the law states, "Any person having reasonable cause to believe that a child has been subjected to child abuse shall report the same promptly to the Division of Youth and Family Services, by telephone or otherwise."

Commissioner congratulations — Public Safety Director Rocco Saletta congratulates third-year Deputy Police Chief for leading the Belleville auxiliary force to the top prize in the recent Tri-State Auxiliary Police Parade. Commissioner Saletta and Police Chief Joseph F. Smith also attended the Long Island competition.

Top volunteer cops — Members of Belleville's Auxiliary Police Division pose with the trophy the group won when it participated in the Tri-State Auxiliary Police Parade recently. The local unit was judged the best in a group of 5,000 participating from New Jersey, New York and Connecticut.

Auxiliary police honored on Island

The Belleville Auxiliary Police Division has won the annual competition in the Tri-State Auxiliary Police Parade and the honor has earned the local volunteer unit the right to host next year's march.

The focal part-time men in blue participated May 15 in the parade at Lindenhurst, Long Island. Belleville Police Chief Joseph Smith said approximately 5,000 men marched in the competition last month, including Belleville's unit of 20 against New York City's 500 auxiliaries. If Belleville decides to host next year's competition, the town would play host to the largest parade in the history of Belleville.

Belleville triumphed in the sixth annual Tri-State parade against volunteer divisions from New Jersey, New York, and Connecticut. It was the local unit's third parade under the Auxiliary Deputy Chief Rocco Landolfi, Public Safety Commissioner Rocco Saletta and Police Chief Joseph F. Smith, also joined the Belleville volunteers in the line of march.

The victorious parade for the Belleville started early Sunday, May 15 when the auxiliaries took the two hour trip to Lindenhurst. Following a picnic lunch provided by the unit, the contingent assembled in the staging area and then proceeded into the line of march. There were check points set up along the march route manned by teams of independent judges whose purpose was to select the most outstanding group for first prize.

"The Belleville Unit shaped up very nicely," Belleville Police Chief Joseph Smith said. "The color guard was snappy, the members sharp and the vehicles tip-top appearance."

An early morning phone call, May 16, notified the Belleville policemen they took first. Belleville auxiliaries were presented with a four feet high first place trophy and a blue ribbon for their accomplishment.

Little League play in full swing

Belleville Little League action continued last week with Riefolo notching its sixth consecutive victory by shutting out Varsity, 11-0.

Riefolo punched out 12 hits including two home runs, one by Danny Palumbo (his sixth of the year) and another by Bobby Walker (his second), to gain the win.

Pitcher Mark Frahm was credited with the victory. He received relief help in the fifth from Mike McGreevy.

Diamonders close with 18-15 record

By MIKE COREY

The Blue-Gold diamonders closed out the 1977 season with a pair of birdies last week to post a final record of 18 wins and 15 losses.

Belleville's varsity baseball club dropped a 7-1 decision to the eagles of Essex Catholic, at home, last Thursday but rebounded to clip the Kearny Cardinals, across the Passaic River, 6-3 on Friday.

"We played all the seniors against Essex Catholic with the hope of denying them a co-championship in the Big Ten," said Belleville coach Ralph LaConte. "We just had a very flat game. We fell behind early and were never able to catch up."

The Newark school scored its first run in the top half of the initial frame but the outcome could have been much worse for the Bellboys.

Essex loaded the bases with nobody out but only produced one run when center fielder Dave D'Angria hit a sacrifice fly to score short stop Dave Narvaez who had led off the game with a double and had advanced to third on a walk and an infield hit.

The Eagles struck again in the sixth loading the bases once more with a walk, an error and a single, but this time D'Angria doubled to notch two more ribbies and third baseman Bob Getz drove in another with a sacrifice fly to left field.

An infield miscue allowed the fourth run of the frame to cross home plate.

Belleville mimicked the Eagles methodology in their half of the sixth and tied the sacks with no outs. Mickey Limongelli singled, Rocco Balsamo walked and Frank Mozeika singled to load the bases but the Blue-Golders were only able to manufacture one run which crossed the plate while Essex was turning over a double play.

Essex scored twice more in the seventh on a single by Reto, a double by Mellilo and a base hit by designated hitter Mike Pelligrino.

Continued on page 12

Crew leaves a long wake

This year was one which the Blue-Gold crew had a lot to live up to. Last season's "Excalibur" oarsmen were undefeated in the eight shell and took top honors in the Poughkeepsie Regatta.

This year's club had the strength to repeat the '76 performance but one of the question marks Belleville coach Sam Giuffrida admitted was did it have the maturity. A listing of the 1977 crew's accomplishments leaves little doubt as to the kind of season it has been.

The Bellboy oarsmen closed out the year with a 6-1 dual meet record in the eight shell losing by two seconds to Poughkeepsie in the first half of a double dual meet on the Passaic River about one-third into the season.

The loss, however, may have been a blessing in disguise pointed out coach Giuffrida. "We think it was the turning point of the season," said Mr. "G". "One of the question marks we had was a lack of maturity in the shell and with that loss we grew up a lot."

The Blue-Gold made the finals of every regatta they entered into including the Stotesbury and the nationals.

In the Stotesbury the varsity four-man shell finished fifth in the finals and the junior four crossed the line sixth in the final.

A Goodwill Trophy wasn't given out

this season due to some confusion between the clubs as to the ground rules; nonetheless, the Blue-Gold eight boat took a first beating Kearny by 15 seconds.

Within the Passaic River boathouse itself shared by Belleville, Nutley and Kearny, the Bellboys beat the Cardinals twice but lost to the Raiders three times.

The maturity the coach was alluding to early in the season came full circle, however, in the nationals at Princeton when the varsity four shell placed third in the finals making them one of the top three boats in both the United States and Canada.

As a bonus the four-man shell finished

ahead of the Maroon boat by 13 seconds.

"It was unquestionably one of the highlights of my coaching career to finish two places away from being the best crew in both the U.S. and Canada," stated Giuffrida. It was the highest any Belleville crew has finished in the Princeton Regatta since 1952.

The varsity four will be losing three seniors this season to graduation. The trio of Rich Budrick, Paul Denning and Paul Melchione have been instrumental in some major accomplishments in the last three years.

Continued on page 13

Cinderellas break tape of initial year

Belleville's Cinderellas sprinted into the home stretch and crossed the finish line of the season last week with a pair of losses to close out the first year of girls track at BHS with a 3-8 record.

The Blue-Gold track women were beaten, 28-81, by Bloomfield last Tues-

day, and defeated by the Maroon Raiderettes, 25-93, last Thursday in Nutley.

Although the regular high school track season has ended the Bellgirls were slated to compete in an Amateur Athletic Union meet yesterday at Randolph High School.

"All summer long the AAU sponsors meets," said Blue-Gold track coach Debbie Meola. "And we're hoping if we at least expose the team to one of them now, the girls will go on to compete in others on their own and supply the motivation needed for the girls to stay in shape."

Continued on page 12.

Girls end softball season with 15-8 win

A barrage of hits and runs highlighted the Belleville girls softball season finale last Thursday as the Blue-Gold team defeated Lyndhurst 15-8 to end the year with a 9-12 mark.

"We thought the game was going to be a lot easier than it turned out," stated girls softball coach Eve Lautenschlager. "We really weren't to win it until the last inning." Lyndhurst posted a 1-9 record on the year.

The Bellgirls scored three runs in the second frame on a base hit by Denise Zarra, a single by Phyllis Longo and a fielding error by Lyndhurst.

Lyndhurst came storming back in the home half of the third scoring five runs aided by a pair of walks and four Bellgirl miscues in the field.

The Belleville bats continued to thunder, however, and the Blue-Gold took a 6-5 lead in the top of the fourth when Joanne Conte, Denise Juliano, Dolores Palodino and Longo all singled.

Toni Sperduto led off the visitor's fifth with a base hit to set up another run. Zarra followed with a single and Juliano laced a double to provide the inning's offense.

The home club got the run back in a hurry in their half of the frame with the help of two walks and two Belleville errors.

Lyndhurst made it close with another run in the bottom of the sixth on two hits and a pair of walks but the Bellgirls effectively put the game out of reach with seven runs in the last inning highlighted by a grand slam by center-fielder Conte.

The home team scored one more time in their last at bats on one hit.

Belgirl pitcher Phyllis Longo got the win striking out four and allowed four

hits. Most of the runs scored off the senior right hander, competing in her final contest for the Blue-Gold, were unearned.

Freshman third baseman Gini Fornarato was forced to leave the game in the first inning when she broke a finger fielding a hard hit ground ball.

Carlo scores 16 in finale

Belleville's John Carlo scored half the team's points as Nutley out paced the Blue-Gold trackmen, 32-99, on the BHS cinders in the last meet of the year.

Carlo gained a first place finish in both the long jump (20 feet one-half inch) and the quarter mile (55.7). The Belleville athlete also took a second in the 100 yard dash (10.8) and the 220 (26.5).

Senior Rich Drake placed first in the high jump and Pasquale Mastroila and freshman line second and third respectively in the mile (5:12 and 5:16).

Frosh John Vaccaro took a third in the 220 (26.9) and a third in the 440 (56.5) while Joe D'Agostino notched a second in the shot put with a toss of 40 feet two inches to close out the final meets scoring.

Bellboy runners John Carlo with 147 and one quarter point, Rich Drake, 71, and Joe D'Agostino, 68, were the top three point scorers for the Blue-Gold this season.

Freshmen Tom Graham (37) and Vaccaro (33) also placed highly on the list of the year's point getters for BHS boding well for the future of the sport here.

Relay run

Above Sue Smith takes the baton from Jackie Wis and starts down the track in the mile relay event at Nutley last Thursday.

Discus toss

Left, Belleville's Karen Doessinger watches the flight of the discus after sending it down field at the Bellgirls last meet of the season against the Maroon. The local trackwomen fell to the Raiderettes 25-93.

Long jump

Below Senior Patty Gudaitis competes in her final meet for the Blue and Gold in the broad jump against Nutley. The Bellgirls wound up its initial season at BHS with a 3-8 mark.

Record breakers—Belleville's freshman baseball club which established the best winning percentage in BHS history, poses after Saturday's tournament game in Clifton. Pictured (l-r first row) are Coach Carl Corino, Lenny Mendola, Robert Labruzzo, Michael Rainone, Richard Vitiello, Joe Guarino, Joseph Tramata and Coach Jim DiGiovanni. Back (l-r) are Michael Nicosia, Alex Petrillo, Anthony Renna, Eddie Aulisi, Tom Agosta, Gary Loma, John Norton, Dom Vazzano, Eric Davis, Steven Coffey, Ralph DiPasquale, Kenneth Barnett, Les DeLufo and (not shown) Jerry DiGori.

Girls cross season's finish line

Continued from page 13

Belleville's Dorothy Widish took a third in the hurdles in the Bloomfield meet last Tuesday at BHS stadium while Sue Kosterko capped a first (6:08) and Linda Maffon a third (6:45) in the mile.

Finishing in second place, in the two mile run, versus the Bengals was Mary C. Connelly who clocked a time of 14:32. Peggy Gilday also notched a number two spot only this one in the 440 yard race with a 1:08 time.

In the 220 Anna Marie Fredericks took a third with a time of 31 seconds while Sue Smith finished ahead of the field with a 2:36 in the 880.

The Blue-Gold's mile relay team ran off, so to speak, with the top spot, for the first time in the young squad's history, clocking a 4:37. The relay quartet includes Peggy Gilday, Jill Harris, Jackie Wis and Sue Smith.

Melinda Amorosi hurled the discus 65 feet seven inches to take third in the event and took another third in the shot put with a toss of 24 feet and a quarter. Karen Sciacca placed ahead of her with a heave of 24 feet

one and a half inches.

Jackie Wis finished third in the long jump with a leap of 15 feet two inches and Karen Portuese threw the javelin 99 feet one inch to log a first in the spear chucking competition.

"Nutley and Bloomfield both have had teams for the past two or three years," stated coach Meola.

"Both squads are large and the athletes can specialize in particular events where as we have a small team and a lot of the girls have to compete in three or four events."

Against the Maroon Jackie Wis scored a third in the high hurdles with a time of 17.6, her best time ever. "Jackie has improved in every meet throughout the season," said the coach.

The mile race saw Sue Kosterko take a second with a 6:06. Peggy Gilday (1:06) and Patty Gudaitis (1:07) came in first and third respectively in the 440 dash.

"Peggy originally came out for the team as a sprinter," said the coach. "Ever since we switched her to the quarter mile she has scored points in almost every meet." Only a sophomore the Bellgirl will return to

the club next season.

Sue Smith failed to finish first in the 880 for the first time this year against Nutley. She finished second but did run her best time ever a 2:29.1. "A junior, Sue is a very dedicated athlete and if she sets her mind to it she will be able to get her time down to 2:23 or 2:22," said coach Meola.

In the discus Melinda Amorosi placed second with a hurl of 62 feet nine inches and also took a third in the shot put with a throw of 26 feet four and a half inches.

Jackie Wis took a second with a 13 foot four inch leap in the broad jump while Patty Gudaitis finished third with a 13-foot two and a half inch jump.

Karen Portuese climaxed the season with her best effort ever in the javelin, tossing the pointed stick 100 feet eight inches. "Karen has demonstrated steady improvement all season in the javelin," stated the girls mentor. "She had set 100 feet as her goal for this season in the event and she accomplished it." A sophomore she also will be returning to the squad next year.

"We can't be too disappointed with our record this season," added coach Meola. "We have to remember we will lose only two seniors this season and should have a stronger and experienced team next year."

Frosh set season baseball mark but lose in tourney

Heritage Junior High of Livingston scored a pair of unearned runs in the first inning and an earned run in the fifth to blank the Blue-Gold frosh, 3-0, in the finals of the Clifton Freshmen Invitational Tournament, last Saturday, at Clifton Stadium.

The loss was one of the few dark moments on what has been the most successful freshman baseball season

in the history of Belleville High.

The Bellboys won 15 out of their last 16 contests after getting off to a 6-3 start, to establish the record setting 21-5 mark.

"It was a tremendous season," said Carl Corino who along with Jim DiGiovanni has co-piloted the ninth grade Belleville diamond clubs the past three years.

"The squad had depth," added

Corino. "We had a 20-man roster and everyone played. It was truly a team effort."

The 1977 freshman club took the unofficial Big Ten title compiling a 12-2 mark losing only to Irvington and Essex Catholic in the ninth grade division. It was the third year in a row the Bellboy frosh have posted the best record against Big Ten rivals.

Bellboys beat Cardinals but fall to Essex Eagles

Continued from page 13

Anthony Gammario was saddled with the loss. He pitched all the way striking out six and walking three while allowing seven hits to finish up the season at 4-6.

"Anthony pitched well enough to win," stated LaConte. "But he's been a hard luck pitcher of the staff all year. Most of the runs scored off him this season were unearned. His earned-run average was under two which is a good indication of the lack of hitting we've suffered through all year."

Things were a bit brighter for the Blue-Gold Friday as it polished off the season on a winning note.

"In the Kearny game we went with the underclassmen," stated LaConte. "We started four sophomores."

The Bellboys scored first in the game with a run in the top half of the initial inning. Scott Ochse led off with a walk and Pat Nufrio followed with a single but when Limongelli doubled there was a mix-up on the base paths and Ochse was tagged out at the plate.

"With runners on second and third, Balsamo drove in the first run of the contest, hitting behind the runners grounding out to second base.

Belleville posted another score in the second. Balsamo singled, stole second, Jerry Fazzini walked and Tim Nardin sacrificed both runners along

setting up the rbi opportunity for Ochse who took advantage and singled in the run.

The Blue-Gold's Chris Cervasio led off the fourth frame with a walk and was advanced to second on another perfect sacrifice bunt by sophomore centerfielder Nardin. The sac proved academic, however, when Gammario clubbed an inside the park home run.

Belleville scored its final runs of 1977 in the seventh when Balsamo reached on a walk, with one down, junior Jimmy Tennfield tripled and Mozeika singled.

Danny Borgo pitched the distance to up his record for the year to 6-3. He allowed eight hits and five walks while striking out nine. With two down in the last inning he gave up three runs to spoil his shutout bid.

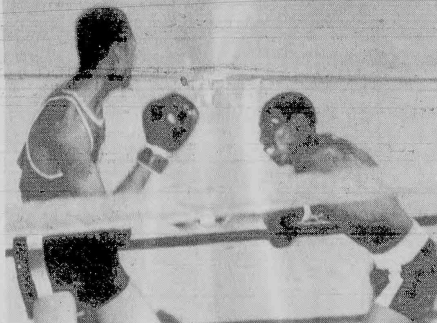

"Danny did a very good job," said the coach. "He had Kearny shutout for six and two-thirds innings but after getting the second out he was hit in the back part of the leg by a ball hit up the middle and it might have affected his delivery."

"We're very happy with the performance of the underclassmen against Kearny," added coach LaConte. "With the jayvee squad finishing up with a 15-8 record and the freshmen at 20-5 it points to a brighter future."

Often today glasses are considered an ornament as well as a necessity. Often they improve a person's appearance. Try on many shapes before you choose the glasses for you. Your glasses become as much a part of your face as the color of your eyes or the shape of your mouth. The right frame can draw attention to a good feature or line in your face, and help disguise a bad one. If your face is round, choose frames that break up the roundness — upward, diagonal lines, or a frame that sweeps to a wide point at each outer corner.
Prompt attention is given to your prescription needs when you come to us at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. We are Medicare and Blue Cross approved and handle the sale and rental of convalescent aids, Greeting Cards, candles, cameras and film, watches, radios, and many other gift items are available for both graduations and Father's Day. Open: Daily 9am-10pm, Sundays 9am-9pm.
HANDY HINT:
The top rim of your glasses should flow with your brow line, but not conceal it.

Belleville shellmen invited to try out for U.S. squad

Continued from page 13

Their achievements include winning the Goodwill Regatta twice (once by 11 and once by 15 seconds), being

crowned Mid-Hudson Regatta champ. last year, winning the Statesbury Regatta last year and

competing in the national finals the last three years in a row.

Returning to the Blue-Gold boats next season will be coxswain Pat Barbon, Doug Dorval, Sam Fusaro, Phil Sainze, Bill Juliano and Jeff Dunn.

"Of course its must too early to tell who will be in next years shells," stated coach Giuffrida. "There will be a lot of growing over the summer and we expect a battle for all the seats.

The freshmen posting a record of 5-6 in the eight shell came on strong at the end of the season and coach "G" admits many of the frosh have the potential to break into the varsity in '78.

The coach adds this season was sort of a rebuilding year for both the freshmen and the jayvee (4-7) squads but is very optimistic about next season.

"It's hard to compare one season with another," stated the Blue-Gold helmsman. "But this season's shell was one of the finest boats we've ever had."

Based on their performance and come from behind victory in Princeton two week's ago the members of the Belleville four man shell were invited down to Philadelphia to try out for a national team which will compete against European shell this summer.

Annual Golf Day set for next week

A large of contingent of local linksmen are expected to participate in the Annual Belleville Golf Day set for Thursday, June 16, at the Branch Brook Golf Course.

Golfers will match their skills for the coveted Mayor Michael V. Marotti Trophy, awarded to the golfer shooting the low gross score for 18 holes. Athletes will also vie for trophies donated by Town Commissioners Mary V. Senatore, Joseph F. McGreevy, Rocco Saletta and Vincent Strumolo.

Prizes will also be awarded for the longest drive and nearest to the pin, as well as a hacker prize for the duffer with the highest score.

The annual affair will conclude with the traditional full course dinner at the Chandler Restaurant when prizes and trophies will be awarded.

For further information call Pat Verian or Tom McLaughlin at 759-9100.

Blue-Gold junior takes golf crown

Belleville High Junior classman Joe Cascese captured the Essex County Junior Championship last Sunday, May 15, at the Weequahic Golf Course with scores of 68 and 76 for the two day competition.

Cascese, 117 Fairway Avenue, shot a 79 Monday, May 16, to place second in the New Jersey State Interscholastic Athletic Association Tournament.

Biafore named outstanding frosh

Anthony Biafore, a 1976 graduate of Belleville High School and a Blue-Gold diamond star, was awarded the "1977 Outstanding Freshman Trophy," at the Monmouth College Annual Baseball Dinner May 17.

Monmouth College coach Bob Sprague presented the award to the Belleville athlete for his achievements this season as a first year player on the school's varsity baseball squad.

Rec League action hits halfway mark

Tight defense and solid hitting have marked the first half of play in the Belleville Men's Recreation Softball League this Spring at Branch Brook Park.

The balance and competitiveness of each squad is reflected in the league standings. Monday night league play shows a triple tie for first place with DeBacco's, Garden and Circles all sharing the top spot.

Roselli's and Spas are neck and neck in the Tuesday league with Joe's Alignment leading in Wednesday play and Hess setting the pace in Thursday action.

Ten pin wizards—The "Pussy Cats" of St. Peter's (l-r, Teresa Feriero, Mary Beth Willis and Frances Dollinger) took the top spot in a recent parochial school roll-off at Olympic Bowl on Washington Avenue. The trophy for the event was donated by Carmen Argese, program director of Olympic Bowl.

5 years.

That's the exact time it takes for a U.S. Savings Bond to mature. Unfortunately, most people still think it takes 10 years. Or 7. Wrong. It's exactly 5 years.

If course, if you want to keep your money earning, there's a 10-year extension privilege beyond maturity.

We'd appreciate it if you'd help us clear up the confusion. Next time somebody tells you it takes 10 years for a Savings Bond to mature, smile indulgently. And then show him this ad.

By virtue of the above stated writ of Execution, to me directed, I shall expose for sale by Public Auction, in the Sheriff's Office, Essex County Courts Building in Newark, on Tuesday, the 21st day of June next, at one-thirty P.M., (Prevaling Time) all that tract or parcel of land, situate, lying and being in the City of East Orange, in the County of Essex, in the State of New Jersey.

1. Application of James M. Pro, for permission for a use variance for Robert Elliott to build a two unit dwelling on Hilltop Street, known as the official map of Nutley or Block 102, Lot 22, Belleville Block 586, Lot 33.

2. Application of James M. Pro, for permission for a use variance for Robert Elliott to build a two unit dwelling on Hilltop Street, known as the official map of Nutley or Block 102, Lot 22, Belleville Block 586, Lot 33.

3. Application of Mrs. Clarice E. Nelson of 16 Conall St. for permission to open a retail establishment at 72 King Street, Nutley and known on the official map of Nutley as Block 377, Lot 2.

4. Application of Mr. Walter Souther, of 126 Coeyman Avenue, Nutley to enlarge said dwelling known on the official map of Nutley as Block 213, Lot 14.

5. Application of Mr. Mario DiMaggio of 747 Centre St. for permission to change the existing first floor area from office use to residential use. 151-155 Bloomfield Ave. and known on the official map of Nutley as Block 41, Lot 109.

6. Application of Mr. Anthony Bostardi to enlarge the existing patio at 47 Crestwood Ave. and known on the official map of Nutley as Block 708, Lot 24.

A public hearing of these applications has been held for June 20, 1977, at 7:30 P.M. in the Commission Chamber, Town Hall, Kennedy Drive, Nutley, N.J., at which time any person interested may appear, either in person or by agent or attorney, and present any objection he may have to the granting of this appeal.

THE REALTY ROUNDUP with MICHAEL MOSCARA
 Who says there has to be a window behind those curtains? Use draperies, shutters, and cornices where YOU want to create effect.

Couple near San Francisco converted an old, old schoolhouse into a comfortable home. Principal's office is now the master bedroom.

If you're tired of rough sand finish on walls, there is an answer. Rent a belt sander and sand it down until the surface is fairly smooth. Paint or, better yet, wallpaper.

Large, wall-hung mirror serves as effective headboard over a bed.

If you don't have room for a big swimming pool, consider this one: three adjustable water jets at one end enable you to swim against the current on an 8 x 12-foot pool is adequate for exercise.

Want a big estate with a swimming pool? Or a little cottage with a playroom? We've got lots of wonderful homes just right for your needs. Bring your dreams to

Becky's Bombers under the direction of Rebecca Loftus, will perform in "A Little Bit of Everything" on June 11, at the Belleville Senior High School, 7:30 p.m. Above from left to right are: Donna Costa, Michelle Malfatto, Esther Alagna, Sally Ann Dalton, Dawn Romano, Traci Janik, Linda Wijciak, and Dawn Van Houten.

Beauty and the Beast at the Family Playhouse

The children's play, "Beauty and the Beast," concludes its run at Family Playhouse this weekend. Performances are scheduled for 2 p.m. Saturday and Sunday on the playhouse stage, 28 Brookline Ave. All seats for the children's tale are \$1.50 and can be obtained at the box office prior to the performances. Among those in the cast are Jane Malizia, Judy Bashwiner and Susan Deredes, all of Nutley, and Sam DeRogatis of Belleville. "Beauty and the Beast" is the enchanting story capturing all the glowing simplicity of the fable, appealing to the inherent idealism of children as well as their love of magic spells, the romance and mystery of long ago times and far away places. Young children are able to understand a parable about good and evil, and to comprehend the difference between exterior and interior beauty when they are presented with dramatic clarity and woven together by the spell of imagination.

"Guys and Dolls" continues hit run

Peter Mirabella of Showcase Productions announced recently that his production of "Guys and Dolls" the musical fable of Broadway by Frank Loesser, on stage at the world famous Meadowbrook "music theatre-in-the-round" Restaurant, will be held over thru July 13.

ShopRite has... the Double Coupon!

Come to ShopRite and redeem any manufacturer's "Cents Off" coupons by purchasing items at ShopRite and we'll give you double the savings designated on the coupon.

This Double Savings Coupon Program does not apply to "Free" or "Other Retailer's" coupons. Offer effective from June 5 thru June 11, 1977. Effective in N.J., Pennsylvania and Rockland County, N.Y.

Redeem all manufacturer's "Cents Off" coupons by buying the items at ShopRite and we will double the value stated on the coupons. Our Double Savings program applies to manufacturers' coupons you clip from newspapers and magazines — not "Free" or other retailer's coupons. (Excluding cigarettes, milk, tax, lottery tickets, prescriptions and any item prohibited by law.)

During the course of this offer, there is the possibility of unusual demand for a particular manufacturer's coupon item. If the item does become temporarily unavailable, please request a ShopRite "Rain Check." This entitles you to "Double Savings" on the manufacturer's coupon item when purchased within the expiration date of the "Rain Check."

Example:
Here's how you can double your savings with MANUFACTURERS' COUPONS at ShopRite.
