Roommate killer was 'incompetent'

By MARY FREEMAN

A Belleville man, accused of murdering his roommate last March, was declared incompetent to stand trial at a hearing in the Essex County Courthouse Friday.

Peter Paul Bokino, formerly of 9 Bellevue Ave., was judged incompetent to stand trial after two psychiatrists testified that he is suffering from chronic brain syndrome, caused either by aging or by chronic alcoholism.

The psychiatrists said it is impossible to determine the cause of the syndrome. Dr. Seymour Kuvin, psychiatrist for the Public Defender's Joel Pisano's office, said the syndrome causes brain tissue damage that is irreversible and permanent. In view of this Bokino's condition will probably continue to regress, he said.

Kuvin and Steven Simiring, psychiatrist for the Essex County Prosecutor's Office, added that they doubt Bokino ever will become competent to stand trial.

Bokino was incarcerated at the Essex County Jail Hospital after he allegedly murdered Martin Hyer, with whom Bokino shared a suite of rooms, on March 27.

Hyer's body was found face down in a pool of blood in the bathroom the two men shared. Police found a hammer covered with blood and matted hair nearby in Bokino's bedroom.

"The defendant knows who the victim

is and knows his relationship to the victim, but he does not have the capability of remembering what happened in detail," Simiring said.

Simiring added that Bokino does not understand what he is accused of, does not remember the events surrounding the crime, is not aware of where he is and cannot remember consulting with an attorney.

"He can communicate on a superficial level," Simiring said. "He is a jolly and friendly elderly gentleman, but cannot rationally comprehend what is going on."

Kuvin concurred, with the diagnosis made by Simiring.

"Bokino offered sparse information when I prodded him during my examina-

tion of him, but he was confused throughout the questioning," Kuvin said.

Kuvin judged Bokino incapable of conferring with an attorney with any reasonable degree of rational understanding.

After the hearing, Public Defender Joel Pisano of Belleville, attorney for Bokino, agreed that it was difficult for Bokino to communicate with him.

Pisano asked Essex County Judge Paul B. Thompson to judge on the defendant's mental status at the time of the crime, but Joseph Michael Nolan Jr., assistant prosecutor for Essex County, preferred to limit Friday's hearing to the defendant's competency to stand trial.

Water supply still OK despite heat

Unlike some neighboring towns, Belleville has no water emergency, Public Works Commissioner Mary Senatore announced Tuesday night.

"Except for asking that fire hydrants not be turned on, we have no restrictions on the use of water," Commissioner Senatore said.

Turning on hydrants not only lowers water pressure, but causes turbulence in the mains.

"When the kids turn on a hydrant, we know about it right away because the neighbors start calling to complain of discolored water," Senatore added.

As the prolonged 100-degree plus heat wave continued, Commissioner Senatore said Belleville has imposed no restrictions on the use of water. "Yes, people can water their lawns," she said.

Neighboring towns, including parts of Harrison, Arlington, Nutley and Bloomfield, reported heavy instances of water discoloration on Tuesday. Generally throughout the area, water consumption has doubled its normal use since last Friday.

"The only problem we've had is the air-conditioning in the Public Works

Building went out of order," Mrs. Senatore said. "She was speaking from her home 'where it's cool.' Public Works employees were dismissed early on Monday and Tuesday of this week."

Tenants might get tax rebate

Tenants in New Jersey supposedly will be entitled to a rebate from their landlords in the coming months, but Belleville Town Hall isn't sure when or how much, if anything, local renters might get.

"We're waiting for more information from Trenton before we begin taking any formal action," Belleville Tax Collector Steve Vogel said yesterday.

The rebate formula for tenants is based on calculations involving local real estate tax decreases, if any, plus consideration for school rebates.

"Supposedly, 65 percent of any savings goes to the tenant," Vogel said.

Please see "Tenant" on page 4.

Honda dealership about ready to run

Once a Shop-Rite, a long-vacant Washington Ave. building is about to become a motorcycle dealership for sales and service.

The new "Belleville-Newark Honda Shop" will be opening sometime during the coming two weeks, reports proprietor John Resciniti.

The Honda Shop location on Washington Ave. previously housed a variety of food stores, none of which were successful, Harry French, executive director of the Belleville Chamber of Commerce recalls.

"I know this shop will make good," Resciniti said. "It's hard to tell exactly why, but I know that I'll be successful here on Washington Ave."

Resciniti feels there's a definite

market for a Honda Shop in the Belleville area.

"There have to be at least 4,000 machines in this area," he said. "My shop will do servicing as well as sales, so existing bike owners will be joining prospective owners in coming to my shop."

Motorcycles won't be the only item offered for sale at the new store. Honda lawn mowers and Honda outboard motors also will be available as will gas generators, of the type often used in construction.

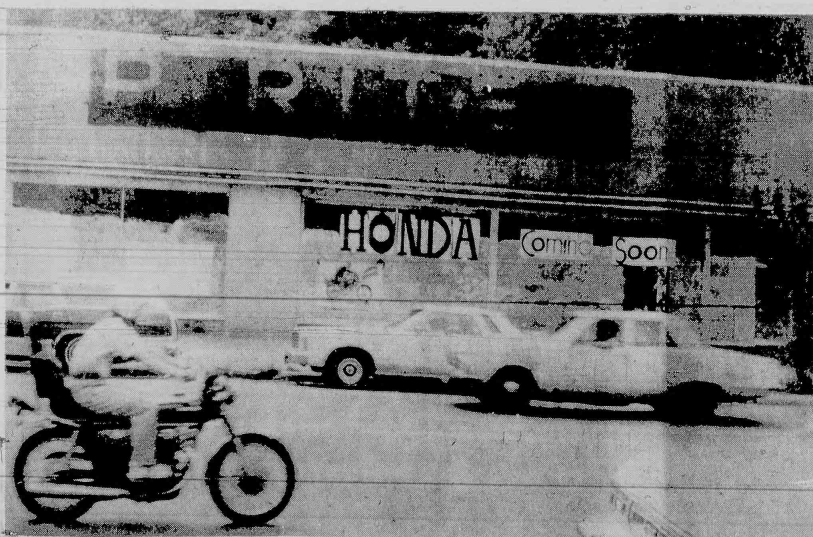

Approximately 12,000 square feet of selling space will be available for the new business, more room Resciniti says than he really needs to begin operations.

Do fence me in

Mike Blair and John Sullivan work to extend the fence around Clearman Field Friday. Adult softball was banned at the field because the fence wasn't high enough to keep balls from hitting nearby houses. The fence should be finished this week.

Cycles on the way

Former site of a Shop-Rite and Pathmark supermarket is about to become an area sales and service dealership for Honda motorcycles and products. Business expects to open in about two weeks.

Next fall's seniors on the road early

Belleville High School students who will be seniors in September may be able to get a head start with on-the-road driver education this summer.

"We have the use of the cars until August 1 and want to make full use of them," Dr. John Greed, superintendent of schools, reported this week.

The final group of last June's graduates of Belleville High are now receiving instruction in driver education, but should be finished using the cars during the coming week, Greed explained.

Driver education was not budgeted in the school program at the start of the past academic because the School Board was unsure of its financial abilities.

"From the time the program was reinstated in February to the close of the school year in June, there was insufficient time to allow all seniors to take the course," he said.

Thus a special extension into the summer months was made for 62 seniors who were unable to complete driver education before June's commencement.

Completion of the entire driver education course means a student must have six hours of on-the-road training with a certified instructor.

"In order to allow the June graduates to complete the driver education course, instructors have been taking individual students out for one hour on six consecutive days," John Westlake, vice prin-

icipal of Belleville High School, explained.

Before they take on-the-road training, students must also take 30 class hours of driver education theory which is taught as part of junior health curriculum.

Driver education on-the-road training is optional, but often lowers a student's insurance rates, Dr. Greed notes.

"Obtaining cars for the program is an expense," Westlake added. "In previous years, auto dealers in the area made cars available to the school at a minimal cost, but this year we were forced to lease the cars."

Bulletin

Belleville's finest finest

Belleville's police squeezed by Newark's Sunday 7-6 to finish the season with a 12-1 record, best in the Essex County Police Slow-Pitch League. The town constabulary's home Sunday morning at 10 for the opening playoff game. What's in store for Belleville's finest is discussed in the lead story on page 9.

A total of 464 students was named to the dean's list at East Stroudsburg State College including *Joan D. Unangst*, 272 Division Ave., who is majoring in elementary education.

Lisa DiVincenzo, 195 Hecker St., is among the early summer graduates of the Berkeley School of Garret Mountain. Daughter of Mr. and Mrs. Jerry DiVincenzo, she was enrolled in Berkeley's executive secretarial program and was a graduate of Belleville High School.

The campus provost and four deans of the Rutherford Campus of Fairleigh Dickinson University headed the list of speakers at the recent induction ceremonies for 151 new members of Phi Zeta Kappa and Phi Omega Epsilon, two of the school's most prestigious honor societies.

Among those taking the pledge establishing new goals for the future were *William Alexander*, *Janice Ameo* and *Antonette Pugliese*.

Mark John Diaguardo, 100 Rossmore Pl., was one of 70 students among the graduates of the Newark College of Arts and Sciences of Rutgers University, to be initiated into the Phi Beta Kappa, New Jersey Alpha Chapter.

More than 74 men and women were recently honored in a special New Jersey Institute of Technology ceremony citing the aid and comfort given to the married seniors of NJIT by their spouses. *Elizabeth C. Lee*, 253 Forrest St.; *Linda Tosiano*, 686 Belleville Ave.; and *Solier Amin Hanofy*, 122 Nollon St., received honorary PH.D. degrees. The designation stands for "Pushing Her Through" the institution.

Richard DelVecchio Jr. wins master's in Fairleigh

Richard Del Vecchio Jr. of Belleville received a master of public administration degree from Fairleigh Dickinson University May 22 at the Rutherford campus. He is the son of Mr. and Mrs. Richard Del Vecchio.

Del Vecchio Jr.

While attending the Public Administration Institute, he specialized in the "Management of Governmental Organizations" under the direction of Dr. Irwin Silverman. His Public Administration Internship was done at the Essex County Hospital Center and his master's thesis was "The Public Administration of a National Health Information-Treatment Center." He is also a member of the American Society for Public Administration.

Del Vecchio is a 1971 graduate of Bloomfield College, with a BA degree in business administration. He was a member of the Delta Phi Chi fraternity and is a 1966 graduate of Belleville High School.

New Jersey Tech lists Belleville graduates

More than 770 degrees were awarded at the first commencement of the New Jersey Institute of Technology on the Newark campus.

The earned diplomas included 377 BS degrees in five engineering disciplines, and 235 BS degrees in related technical areas. Among the latter group were 17 bachelor degrees in architecture marking the first time such a degree was awarded by the Institute.

Bellevillites receiving degrees were: *Paul V. Francischetti*, 517 Franklin Ave.; *Donald Baro*, 184 Bell St.; *Anthony Calabrese*, 481 Dewitt Ave.; *Rocco Cuozzo*, 29 Marion Ct.; *Alexandros V. Gourtzeis*, 219 Little St.; *Brian H. Keelen*, 85 Belvoir St.; *Joseph H. Lee*, 153 Forest St.; *Akbar Mirza*, 300 Belmont Ave.; *Frank G. Papasidero, Jr.*, 43 Hecker St.; *Richard Sufenski*, 26 Plenge Drive, a d Perry J. Troina, 91 Gless Ave.

Four men were awarded special honors at the commencement. *Keneth A. Gibson*, a 1962 graduate, now Mayor of Newark, was presented with an honorary doctor of engineering degree. *Alfred C. Linkletter*, a 1935 graduate and former senior officer of Prudential Insurance Co., was presented with the Weston Medal, the distinguished alumnus honor, while *Eivind G.F. Ramber*, a recently retired teacher and administrator, was given the Callimore Medal in recognition of his 35 years of service to the Institute.

Selected for outstanding teacher was *Dr. Deran Hanesian*, head of chemical engineering-chemistry, who was presented with the Van Houten Award.

The New Jersey Institute of Technology's Division of Technology also recently held its annual academic exercises and presented certificates of completion to 71 students including Belleville's own *Don C. Wittich*, 126 Nollon St.

R. Luongo graduated with Harvard honors

Robert Luongo, son of Mr. and Mrs. Michael Luongo, 175 Beech St., recently was graduated cum laude from Harvard University, Cambridge, Mass.

A graduate of Belleville High School, he majored in social anthropology and was awarded a BA degree from the university during June 16 commencement ceremonies.

While in college he was captain of the Freshman football team and participated in intramural track, street hockey and softball. He was also a committee member of the Lowell House and was a member of the Catholic Organization of Harvard.

Walsh promoted by Prudential

William M. Walsh of Belleville was recently promoted to manager with Prudential Insurance Co.'s Eastern Home Office.

Walsh joined Prudential in 1957 after graduation from Our Lady of the Valley High School in Orange. During his career he has filled a variety of positions and had served since 1968 as an associate manager. He is assigned to the underwriting and claim division in Woodbridge.

Active in the community with the Belleville Little League and the Recreation League, Walsh and his wife, Rosann, have three sons, William Jr., Jeffrey and Mark.

Screams at cops brings out Judge with \$250 fine

A Belleville man charged with causing a disturbance at police headquarters was found guilty during July 13 proceedings of Belleville Municipal Court.

Adrian Potts, 53 Harrison St., Belleville, was arrested Wednesday,

June 29, for interfering with normal police operations at the headquarters building, Washington Ave., by kicking the police desk and shouting profanities at the officers.

The defendant was fined \$250, placed on a year's probation and

handed a 30-day suspended jail term. Presiding magistrate Edward J. Abramson allowed the man 25 weeks to pay the fine.

Complainant in the case was Belleville police officer Leland Quinn, Jr.

Ski-mask bank robber next faces Grand Jury

A Newark man arrested for allegedly taking part in the hold up of a Belleville bank, which netted approximately \$2,500, last month had his case referred to the Essex County Grand Jury during July proceedings of Belleville Municipal Court.

The defendant James Holmes, alias Melvin L. Green, 2 Osborn Terr., Newark, was charged June 22 with the robbery of Metropolitan

Federal Savings Bank, 321 Franklin Ave., on June 14 and with possession of a stolen vehicle, a 1974 Ford, believed to be the getaway car.

Complainant in the case was Belleville detective Michael Petrillo. Presiding was Judge Edward J. Abramson.

According to authorities, three unarmed men, clad in ski masks and goggles, entered the bank at approx-

imately 9:30 a.m. June 14. One man positioned himself at the front door while the other two vaulted the tellers counter and took a pair of cash drawers.

Police said the trio fled through the front door to an awaiting automobile driven by a fourth man also disguised in the same manner.

The case is still being investigated by Belleville police.

Motel room with girl costs five city men \$250 apiece

Five Newark men charged with "carnal knowledge" against a 16-year-old Bloomfield girl in a Belleville Motel pleaded guilty to a lesser offense during July 13 proceedings of Belleville Municipal Court.

The defendants, Mark Hagel, 19, 517 Clifton Ave.; Joseph Boutsekarris, 19, 180 Highland Ave.; Rickey Brango, 19, 165 Garside St.; John Della Luna, Jr., 20, 97 Garside St.; and Gennaro DeSimone, 20, 99 Curtis St., all of Newark, pleaded

guilty to lewdness.

Each was handed a 180-day suspended jail term and a \$250 fine except for Brango who was fined \$200. In addition to the fine and the suspended sentence Hagel was also placed on a year's probation.

Three others charged as material witnesses were found not guilty.

According to authorities, the girl had been standing near her Bloomfield home early the night of July 21 and apparently voluntarily accepted

a ride in a car driven by three of the defendants who took her to a Belleville motel.

They were later joined by five others, stated police.

The girl was later taken back to the vicinity of her home and released. She then notified police, authorities said.

The men were apprehended the same night by investigating Belleville detectives Raymond Caruso and sergeant Martin McNish.

New Jersey's PRESTIGE SUBURBAN DEALER

Who is New Jersey's No.1 taxpayer?

Seventeen cents of every electric and gas dollar you pay goes for taxes... making PSE&G the state's largest taxpayer.

Nobody likes it but everybody pays taxes, including PSE&G. In fact, PSE&G paid over \$2.16 billion in state and local taxes this past year, making it New Jersey's largest taxpayer.

These taxes have an important effect on your utility bill. You may not have realized it, but taxes are reflected in the price you pay for just about anything. A company includes the taxes it pays to local, state and federal governments in what it charges for its goods or services. But unlike a sales or income tax, you never see these taxes directly. In the case of PSE&G, 17 cents out of every dollar you paid for your electric or gas service last year went for taxes.

Where does all your electric and gas tax money go? Most of it goes to local communities. Here's how it works.

PSE&G pays three different taxes levied by the state.

- A **franchise tax** is paid to 300 municipalities for the use of public streets. It is computed at the rate of 5% of gross revenues, and last year the franchise tax amounted to nearly \$65 million.

- A **gross receipts tax** is also levied by the state against PSE&G's facilities and is payable to 339 municipalities in which they are located. Last year's gross receipts tax, computed at 7.5% of gross revenues, totalled over \$118 million.

- A **surtax**, computed at 12.5% of the gross receipts and franchise taxes, goes directly to the state for its own use. PSE&G paid a surtax of nearly \$23 million last year.

PSE&G also pays local real estate taxes directly to 226 municipalities. These alone amounted to over \$10 million last year.

All in all, 9 out of every 10 New Jersey tax dollars PSE&G pays go right to the local municipalities we serve. In fact, last year 33 municipalities each received over \$1 million from PSE&G.

So PSE&G is New Jersey's biggest taxpayer. And those taxes represent a significant portion of your PSE&G energy bills.

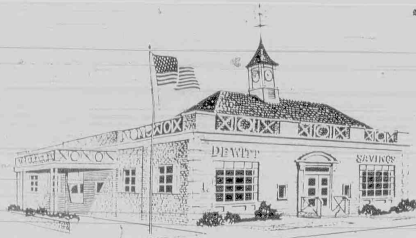

17% of your PSE&G electric and gas dollar goes for taxes.

How taxes are distributed to a community. Let's use the franchise tax as an example. It's computed at 5% of gross revenues. Each of 300 municipalities receives a share of the total franchise tax, equal to the share of PSE&G's investment in that community. If 1% of PSE&G's investment were in Town A, the Public Utility Tax Bureau would direct PSE&G to pay 1% of the total franchise tax to Town A.

New York blackout

Ten days ago the president of New York's Consolidated Edison Public Utility Company said it wouldn't happen again — that is, the City of New York would not suffer another blackout like it did in 1965. Well, within ten days his words came back to haunt him. This time the whole city was in darkness — and we were there.

It was a freakish experience to travel the streets of New York in total darkness — no traffic lights, no neon lights blazing — no anything except countless numbers of civilians directing traffic in the midtown section that we visited.

We saw nothing of the looting we read about in the days following the blackout. We were in a section of the City where the citizens — without request or encouragement from public safety officials — took matters into their own hands, went out into the streets of New York and directed traffic to ensure the

safety of motorists. For New York this was the ultimate experience in community pride and neighborly consideration.

In passing, we might observe that during our two-hour tour of the city, we did not see a single policeman directing traffic. The only time we saw policemen was when a patrol car appeared on the scene.

It happened in New York City — and now the question is — can it happen in New Jersey? We are assured it can not happen in New Jersey. Well, the people of New York City were assured by the president of Consolidated Edison that it couldn't happen in that city — and we all know what happened.

W. Paul Stillman

An outstanding career in public life was brought to a close last week — hopefully temporarily — when W. Paul Stillman, Vice Chairman of the Board of New York-New Jersey Port of Authority, decided to tender his resignation as a member of that body.

The incident that precipitated Mr. Stillman's decision to resign was a request by Governor Brendan Byrne that the new term to which Mr. Stillman was nominated by Byrne last week was subject to a desire on the part of the Governor to limit the normal six-year term to one year by receiving in advance from Mr. Stillman a postdated resignation.

Paul Stillman is one of America's great patriots — he possesses one of America's most brilliant and economic financial minds.

Service on the Port of New York-New Jersey Authority is without pay. Mr. Stillman has served on that body for twenty years — and served with the greatest of dedication and was one of the Authority's bright stars.

Paul Stillman's legendary dedication to the public interest placed him in a class by himself in the State of New Jersey.

Always a gentleman, compassionate, sympathetic with the problems of the underdog, unflinching in business, Paul Stillman represents an inspira-

tion for generations of Americans who believe in the American dream — the opportunity for anybody in America with the determination to become a success in life.

The Port Authority had some outstanding citizens among its membership — but none more competent, more respected — than Paul Stillman.

Paul Stillman is one of the men we admire most in our lifetime. He did it the hard way. Paul Stillman is Chairman of the Board of the largest bank in New Jersey — the First National State Bank, and Chairman of the Board of the Mutual Benefit Life Insurance Company, one of the world's largest insurance companies. By the dint of hard labor and personal skill and ability, Paul Stillman fathered both giants.

New Jersey was lucky to have Paul Stillman serve as one of its members on the Port Authority.

His dignity, his self-respect, led him to make the decision he made last week — and for Paul Stillman — his character and personal integrity would not permit him to do otherwise.

We salute a gallant and honorable man. New Jersey has lost the services of one of its finest public servants.

Prayer for today

Strengthen me, O God, by the grace of Thy Holy Spirit; grant me to be strengthened with might in the inner man, and to put away from my heart all useless anxiety and distress, and let me never be drawn aside by various longings after anything whatever, whether it be worthless or precious; but may I regard all things as passing away, and myself as passing away with them.

For nothing is lasting under the sun, for all things are vanity and vexation of spirit. O, how wise is he who thus regards them.

Grant me, O Lord, heavenly wisdom, that I may learn to seek Thee above all things, and to understand all other things as they are, according to the order of Thy wisdom.

Grant me prudently to avoid the one who flatters me, and patiently to bear with the one who contradicts me; for it is a mark of great wisdom not to be moved by every wind of words, nor to give ear to the wicked flattery of the siren; for thus we shall go on securely in the course we have begun.

Golden Comments

By James R. Golden

As we lazily drift into the dog-days of mid-summer, with most of us expousing an air of insouciance, the caldron of political uncertainty and uneasiness, pervades the behind-the-scenes plugging problems besetting the Carter administration. Potomac fever it's called.

Though the Congress will embark on its month-long Summer vacation, not to return until after Labor Day, we sadly learn that the drop in value of bank stock of one of Jimmy Carter's closest confidants Bert Lance, director of the Office of Management and Budget, has squeezed his worth and raised the possibility that the man assigned by the President to balance the federal budget might be finding difficulty balancing his own budget.

A waiver of conflict-of-interest guidelines requiring him to sell his huge bank stock holdings by year's end has been sought by President Carter and, no doubt, will be extended. Reportedly, Lance was keeping Carter informed of developments, and one White House source quoted the President as telling the budget chief: "Don't worry about it."

Allegedly, the bank's stock, which was selling at more than \$17 a share in 1975, dropped to around \$15 in January and has since plummeted to around \$9. This means that stock that Lance and his wife bought for more than \$3.3 million now is worth roughly \$1.7 million. A substantial loss.

With all the fuss and emphasis placed upon the energy crisis by the administration, an embarrassing, realistic situation will be creeping into the supply of oil in the coming months. An oversupply and glut of oil will leave plenty of the black liquid gold — probably too much — flowing for the next three years, due to new supplies for the North Slope and North Sea.

J. Wally Hopkins, an international expert in Paris, who monitors supply and demand for industrialized nations, observed: "The surplus presents a very real problem today because of the lean times involved in ensuring that we have oil in the future." The arrival of supplies from the North Sea and Alaska give us very welcome breathing space.

New ideas on how to finance government, schools in state

To the Editor:

Now that the Primary is over, Mr. Byrne, re-nominated as expected due to a large field of Democratic candidates, still wants to keep his state income tax, which is harmful to all young men and women. Their take-home-pay will continue to shrink.

Mr. Bateman twice voted for the state income tax, knows it will no longer be approved in Trenton, now says (I quote the Star Ledger) he will let it expire but he will raise the sales tax by an extra penny. That tax brings in nine hundred million dollars a year.

He has also stated he will increase the property tax by one billion dollars. This does not include revaluation ordered by the County, which leaves the taxpayers at the mercy of the politicians.

This is not the way to solve the mess in this state. It will only create more serious problems for all the people who must now choose wisely in November to protect themselves against the harmful acts.

I am offering a solution for consideration to those in power that would benefit all the people and give new hope to the cities to solve their own problems. Without any new taxes. It would prevent riots, strikes, violence, uprisings, layoffs and keep

industry here instead of flying the coop.

Abolish all inspection stations. That will save the state a few million dollars. They can be operated by private stations for a fee to the state for one hundred dollars per year. The owners of all vehicles to pay a fee of one dollar to the stations.

The sales tax should be collected by each city and used to keep property taxes down. The millions in revenue from the race track should be used to finance the schools. Under the law it is illegal for the home owners to pay the school tax. The \$50 dollar non-insured fee should be brought back. The insurance premiums are too high and out of line.

Mr. Bateman also stated he may discard the \$160 dollar tax-rebate known as the homestead act for all homeowners and replace it with something new.

There is no better way to bring peace and harmony to a state that has many problems than can be cured under my plan. The people must elect good candidates that will listen to their wishes to the Senate and the Assembly where the laws are enacted. I endorse two the best on their records: Orechio and Imperiale.

energy planners have a prickly political problem to deal with — a period of several years when the world's excess capacity in oil production will increase sharply. An event that will deepen skepticism about whether painful measures, such as Carter suggests, are needed. Likewise, it will discourage investment of private capital in development of new oil wells or alternative sources of energy. The surplus will flash a red light to American consumers, also, who are already very skeptical about the claimed shortage.

One major oil company official aptly said, "That's going to be Carter's biggest problem, convincing the people to conserve when he is awash in crude oil. It should be a concern to everybody in this town (Washington). When the surplus comes, it's going to come really hard and fast."

An Administration energy official explained: "That's why it is important to get as much legislation through now as possible — before your credibility gets undermined, at least temporarily."

Under the rules of economics, prices are supposed to drop when supply exceeds demand. Perhaps that's why Carter declined to "swap" Alaska "pipeline oil" with Japan for Arab oil consigned to the orient, even though it would have been cheaper and much more practical.

There are more than a few weak points showing up in Carter's presidential armor and this one on his chemical oil shortage scare is a glaring one. He should be reminded of the words of one of his great predecessors who admonished that "you can't fool all the people all the time."

Tenant rebates still confusing

Continued on page 1

ings to landlords is to be returned to tenants," Vogel notes. "However one set of guidelines we've received say if the rebate comes to an average of less than 50 cents a month, or \$6 a year, then the tenant would receive nothing."

Vogel also says Belleville has not been able to win clarification on how to apply school rebate checks to the formula.

Locally, schools and municipal taxes went down this year but the Essex County rate jumped enough to push the overall tax burden on Belleville citizens upward. Town Hall is attempting to learn whether the overall tax increase disqualifies tenants here from rebates, or whether that complicated 65 percent formula considers only local municipal and educational costs.

In any event, Vogel will be required at some point to certify to each landlord the amount of funds, if any, which must be divided among tenants of record during all or a portion of 1976.

Owner-occupied single, double and three-family homes would be exempt from the rebate program. All units with four or more families would qualify for any rebates which might be due, Vogel said.

School 8 presents awards to students, honors principal

Nicholas R. Petti, School #8 principal, presided over the annual Awards Assembly held at the School Auditorium recently.

Patrol boys and girls were awarded certificates and pins for their service to the school and the maintenance of school safety. John Tortorello made the presentations.

Mrs. Eleanor Arthur awarded the county first prize trophy which was won by Maria Gioino, for her Poppy Poster, which had previously won the first prize in the local contest. The contest is sponsored by the American Legion Auxiliary each year to call attention to the poppy sale on Memorial Day. A.L. Auxiliary Unit 105 chose Maria Gioino's poster to represent the unit in the county contest, where it again took first prize.

Other awards were presented to Donna Campana, Donna Jinks, Dawn Pensado, and Cynthia Winters for their entries, all outstanding.

Robert Succi, currently at the Junior High School, was given his cash award as winner of the second place in the state Poppy Poster Contest, as announced at the N.J. State American Legion Convention last fall. Robert had previously won local and county top prizes also.

Following the presentations, Mr. Petti shared with the students his recent experiences as a TV personality, to the great delight of the youngsters.

Closing the program was a safety warning by the principal and good wishes for the summer to come.

Mr. Petti was honored by the school faculty members and staff at a luncheon at Don's 21 recently. Mr. Petti was presented a desk clock and calendar, suitable engraved, to commemorate his tenth anniversary as a school principal at Schools #9 and #8. All faculty members and special teachers attended the luncheon on the final day of the school year.

Miss Paula Cajohn was presented a wedding gift and cake at the luncheon.

Lucy C. Burns, 66 after lengthy illness

A Mass of Christian Burial was offered July 8 at Holy Family Church, Nutley, for Lucy Cairo Burns of Newark who died July 5 in United Hospital of Newark after a long illness. She was 66.

A homemaker, Mrs. Burns had lived in Newark all her life.

She is survived by a daughter, Dolores Nicolette of Belleville; a son,

Albert (Bucky) Cairo of Belleville; five sisters, Rose Nottage, Josephine Nottage and Julie Isola all of Belleville, Louise Hunt of Newark and Anna DiMeio of Lyndhurst; three brothers, Alfred and Joseph Cairo of Belleville and Anthony of Haledon; five grandchildren, and a grandchild.

Funeral arrangements were handled by the Irvine-Cozzarelli Memorial Home, Belleville. Interment was in Glendale Cemetery, Bloomfield.

Vincenza Mazza, retired seamstress

Services were held Tuesday at St. Lucy's Church, Newark, for Vincenza (Moscaritolo) Mazza who died Saturday in the Newark Extended Care Facility. She was 86.

Born in Italy, Mrs. Mazza lived in Newark and Elizabeth before moving to Belleville a year ago. She was a seamstress for 30 years with Atlantic Romper Co., Linden, before her retirement in 1957.

Predeceased by her husband Vito, she is survived by three sons, Ben, Michael and Vito Jr.; four daughters, Mrs. Carmella Moscaritolo, Mrs. Phyllis DiVizio, Mrs. Lena Rodriguez and Mrs. Genevieve D'Allegro; 23 grandchildren, and 24 great grandchildren.

Arrangements were handled by the Spatola Funeral Home, Newark.

Joseph Repac, 62; platform worker

A Mass of Christian Burial was offered July 8 at Holy Family Church, Nutley, for Joseph C. Repac, 62, who died July 5 in St. James Hospital, Newark.

Born in Newark, Mr. Repac had lived in Belleville 12 and a half years and was a member of Teamster Local 478. He had worked 15 years as a platform worker for Branch Motor Company before retiring in 1975.

He is survived by his mother, Mrs. Maria Zembajk Repac of Belleville; a brother, Charles, of Newark; and two sisters, Mrs. Pauline Bradley of Newark and Mrs. Irma Kurdyla of Belleville.

Funeral arrangements were through the Kiernan Home, Belleville. Interment was in Holy Cross Cemetery, North Arlington.

Ernest Stricker; was musician

Services were held Sunday at the Johnesee Nutley Home for Funerals, Nutley, for Ernest A. Stricker, 67, who died Thursday at home.

A lifelong Belleville resident, Mr. Stricker was a musician with many major dance bands throughout his career. He was a member of the Association of Musicians of Greater New York and the Association of Musicians of Miami.

Survivors include his mother, Mrs. Elizabeth Stricker; and a sister, Mrs. Madeline Williamson.

Raymond Harris, 20

The Rev. Frederick Long of Christ Episcopal Church officiated at services Saturday for Raymond W. Harris, Jr. who died in a vehicle accident in New York City Tuesday, July 5. He was 20.

Born in East Orange, Mr. Harris had lived most of his life in Belleville and was a member of the Belleville Fireman's Auxiliary.

Survivors include his parents, Mr. and Mrs. Rayon Harris of Belleville and two sisters, Jill and Susan Harris of Belleville.

Arrangements were handled by the Kiernan Funeral Home, Belleville.

William Van Emburgh; moved here 24 years ago

Services were held Tuesday for William B. Van Emburgh, 21 Van Reyer Pl., who died Friday in St. Barnabas Medical Center, Livingston. He was 73.

Mr. Van Emburgh was a sales broker for three years with J. Van D'Cor Inc., Mountainside. He was previously executive vice president for eight years with Federal Sweets and Biscuit Co., Clifton, and before that served in the same capacity with Weston's Biscuit Co., Passaic. Born in Kearny, he moved to Belleville 24 years ago.

He was a member of Adoniram Highland Lodge, the Grocery Manufacturers of New York, the New York-New Jersey Weights and Measures Association, and the Knights of the Grip, New York-New Jersey.

Surviving are his wife, Sarah; three daughters, Mrs. Adeline Brehm, Mrs. Dorothy Goodrich and Mrs. Marilyn Arzberger; a sister, Mrs. Ruth Schweizer, five grandchildren, and two great grandchildren.

Wallace Howard

Funeral services were held June 30 for Wallace H. Howard, 87, who died June 28 in Clara Maass Memorial Hospital after a short illness.

Mr. Howard worked as a sewing machine repairman with Singer, Inc., until his retirement. He was also employed as a school crossing guard for many years until 1974.

Born in Newark, Mr. Howard moved to Belleville 20 years ago.

A brother, Charles of Florida, and a sister, Mrs. Antoinette Farrugan of Pemberton, survive.

Arrangements were through the

John D. Crane and Sons Funeral Home. Interment was in Arlington Cemetery.

Celebration continues at Spencer Savings

Spencer Savings and Loan Association is continuing to celebrate the grand opening of its Lyndhurst office, at Kingsland and Riverside Ave., until August 12, stated Charles R. Dues, president.

The celebration began Saturday and according to Dues hundreds of local residents have already visited the new office to open savings accounts and take advantage of the many other financial services.

"We sincerely thank all those who already came out and made our new Lyndhurst opening such a great success," said Dues. "To those who have not yet stopped to open an account with us, we extend a cordial invitation to do so."

According to Dues, Spencer Savings offers the highest savings rates allowed by law in the nation, including a regular passbook savings account which returns 5.74 per cent annual yield on 5.25 per cent a year, compounded daily, payable monthly, from day of deposit to day of withdrawal. Savers never lose a single day's earnings as long as \$50 remains on deposit until the end of the month, added the president.

A four-year Savings certificate offers an effective annual yield of 7.9 per cent on 7.5 per cent a year, compounded daily, with a minimum deposit of \$1,000. Other high-earning savings plans are also available, he stated.

Spencer Savings maintains offices in Garfield, Lodi, Wallington, Saddle Brook and Clifton, and is a member of the Federal Savings and Loan Insurance Corporation which insures accounts up to \$40,000.

For an individual to move, he must have fuel which can be oxidized by the body tissues to produce energy, which in turn results in motion. Motion, however, is not limited to external movements such as walking, writing, or talking. Activity is going on continuously within the body as long as one spark of life remains. Internal activities which require energy include the beating of the heart, functions of the nervous system, breathing, digestion, hormone production. The energy demands of activities go on whether you are awake or asleep.

Senior notes

By GEORGE CHENOWETH

Notes of the Belleville Senior Citizens Club: Music lessons will resume at the Clubhouse on August 5th and 19th, later dates will be announced, "Ramblin' Sam" is the teacher and is scheduled to be there at 9:30 a.m.

One short note about the Friday Bingo Games for members, this has proven to be one of the more favorable and entertaining programs that we have come up with. The volunteers are doing a fine job, however they could use some more players. Come on out, the people are cheerful and the climate control assures us of comfortable surroundings.

Volunteers are still needed to fill a demand for hosts and hostesses during the week. The pay is small but the rewards are great. Evelyn Phillips will sign you up, yes we are open during the hot weather, the Belleville Senior Citizens Club is the in place to go.

One of our members, Chester E. Kraft of 237 Rlaph Street has reached the magical age of 80 years. Mr. Kraft was one of the original paper boys, along with William Krnise, of this paper the Belleville Times. The paper stand was at the Rutgers Street bridge and will probably be remembered by some of our seniors. Mr. Kraft was recently honored on his birthday by a congratulatory card from President and Mrs. Jimmy Carter. Mr. Kraft deserves further praise for serving in the Belleville Police Reserves for thirty years. His retirement from active business life occurred in 1965 and Hoffman-LaRoche remembers him as one of their most trusted and competent employees.

Cops nip Newark to post best mark

By MIKE COREY

Belleville's finest edged Newark's, 7-6, Sunday to close out the regular season with the best record (12-1) in the Essex County Police Slow-Pitch League and guarantee a home field advantage for the playoffs.

The sabbath day contest was forced to be played at Monsignor Owen's Field in Nutley, because extension to the top of the left field fence at Clearman Field, the local lawmen's customary home grounds, had not yet been completed.

The Belleville School Board had suspended adult softball playing at Clearman until the fence was raised higher to protect houses on Union Avenue on the opposite side of Union Avenue from batted balls.

The second and third place teams in each division are slated to meet in a single elimination playoff contest Saturday to decide who will meet the division winners in a best two out of three series.

The local lawmen will lock badges Sunday at Clearman Field with the victor of Saturday's Orange-West Orange confrontation. All weekend games get underway at 10 a.m.

The clubs will battle one another again next Saturday and if necessary next Sunday to decide a divisional playoff winner. Divisional winners will then meet, some time in August, for the league championship.

Outstanding defensive play by both clubs highlighted Sunday's contest

between the two top teams in the league.

"It was the best defensive game we've played all year," said Belleville playing-coach George Sheridan.

Sheridan himself made a key defensive play to halt a Newark rally in the eighth inning. With men on first and second, the Belleville short-stop went deep in the hole on the left side of the diamond to snare a grounder. His toss to third for the force out ended both the frame and the visitor's scoring threat.

There were no home runs in the game and no one on the Belleville squad had more than two hits.

Both division leading clubs, who have been pounding the ball all season, were robbed time and time again by outstanding defensive plays.

Belleville took the early lead in the contest with a pair of runs in the home half of the initial frame but the city

lawmen rebounded to knot the exhibition in the bottom of the third with two runs of their own.

The Belleville enforcers took the lead once again with two more runs in the bottom of the fourth and never trailed again.

Newark's defense tightened up more and more as the game progressed and the local police were held scoreless for the last three innings.

Belleville high arger Richie Fatone was credited with the victory and first baseman Ray Kimble turned in a sparkling day with the glove.

Sunday's win provided the Belleville team with the best winning percentage for the regular season in the three years the club has been competing in the league.

Newark finished out the season with an 11-2 mark second to only Belleville.

Bruins slip back one-half game

Defensive lapses took their toll as the Belleville Bruins recorded a loss and a tie to slip a half-game behind the top spot in the Essex County League standings.

The Belleville clubmen were outpointed, 4-1, by Livingston at BHS Field

Thursday and played 10 innings against Verona-Cedar Grove to a 5-5 standstill.

The Bruins travel to South Orange tonight for a 6 p.m. contest before returning home to take on Verona-CG in a 5 p.m. game Sunday.

Next Tuesday the local diamonders are slated to host Livingston between the foul lines in another 6 p.m. start.

Yesterday the Bruins were scheduled to brave the 95 plus degree temperature to lock bats with Livingston but results were not available as the Times/News went to press.

Belleville mound ace Gus Hernandez suffered his first set-back of the season, against four wins, Thursday against Livingston. The right hand hurler pitched the entire seven inning game allowing just three hits, striking out nine and walking one.

The Bruins drew first from the scoring well with a run in the home half of the second frame. With one down, left fielder Danny Dunn laced a single and promptly set himself up in scoring position by stealing second. John Guarino followed with a base hit to drive in the shutout breaking run and give the Bruins the early edge.

The home squad's lead, however, was short-lived as Livingston took advantage of a throwing error by Hernandez to collect all of its four runs and three hits of the contest in the top of the fourth frame.

Legal hassle halts Post 70 playoff bid

By JOHN JURICH

"Rule 306. The manager shall report to the umpire any change in the lineup and the positions that they take."

For the last decade, writers, social commentators and fans have decried the intrusion of courtrooms, contract disputes and politics into the once reasonably pure world of sports.

The fungus of legalism this week filtered down to American Legion baseball and knocked the Post 70 team out of the playoffs.

On June 24, the Legionnaires beat Vailsburg 2-1 at Msgr. Owens Field. In the fifth inning the son of Vailsburg Coach Mike Shepard came up to pinch hit but was called out by the homeplate umpire for batting out of turn because Shepard had not bothered to report the lineup change.

Shepard furiously protested the call and subsequently the game. After considering the matter for three weeks, the Legion district committee decided in Shepard's favor. Post 70 Coach Al Gargiulo protested to the five-man state committee, and in a stormy, four-hour meeting Saturday in Lyndhurst, the committee upheld Nutley's position. That meant the local Legionnaires, with a record of 8-5-1, had finished the regular season in fourth place in the 16-team league and so had just qualified for the playoffs.

But Sunday at 6 p.m., Gargiulo got a call from state committee chairman John Hartigan who said the committee had been overruled by Commissioner George Rualon, national director of American Legion baseball. Shepard had somehow

Playground action heats up the town

Despite record breaking hot temperatures the youngsters around the town have been able to maintain their cool by participating in the many activities offered during Belleville's summer playground program.

Under the direction of handicraft supervisor, Mary Anne Dondarski and assistant Jo Ann Conte, youngsters constructed burlap banners. The children glued rice and parsley on pieces of burlap in order to form the letters of their names.

School One playground enjoyed a watermelon party last week courtesy of the Belleville Recreation Department, for having the cleanest playground. Partaking of the mouthwatering spoils, along with 20 other youngsters, were Rhonda Edwards, Cory Wells and Simone Edwards.

Three-legged race highlighted Number Nine playground activities as Sal De Franco and Gigi Giordano emerged as the champions of that competition. Tony DeFranco won a championship of another kind by beating Perry Corbo, 21-16, in a horseshoe tourney to take the crown in that event.

Fairway celebrated Billy Prosper's birthday as all the children of the playground chipped in to throw a flying

saucer Carvel ice cream party for him. In other action at Fairway Gary Nobil's knock-hockey winning streak came to a halt when Frank Biafore outpointed him.

The winner of Kelly's ping pong tourney was Joe Holler who had beaten out Joe Mustacchio in a best two out of

CBS All-Stars meet PBA club

Newscaster Jim Jensen and his WCBS-TV Allstars invaded Monsignor Owens Field Tuesday night to battle the Belleville PBA softball squad, under the lights, in a charity contest.

Results of the confrontation were in too late to make this edition but George Sheridan, playing-coach for the local men in blue, promised his team was looking to even things up after suffering a loss to the Jensen club last year.

Proceeds from the event will go to the Belleville Cerebral Palsy Center.

The softball game, sponsored by the Belleville-Nutley Amvets and the Belleville Kiwanis Club, was the fourth annual duel between the PBA team and the CBS squad.

Tennis Tip — Seven-year-old Danny Sorenson, of Belleville, a patient at the Children's Hospital unit of United Hospitals of Newark, gets some tennis pointers from Carolin Stoll, one of the participants in the Mutual Benefit Open slated for July 31-August 8 at the Orange Lawn Tennis Club, South Orange. Proceeds from the opening day of the tourney, featuring pro-celebrity matches, will benefit the children's unit of the hospital. Tickets are available from Lydia Harvey at the hospital.

Errors plague Belleville

Continued from page 9

The visitors began the uprising with a base hit. A sacrifice bunt attempt ended up putting runners at second and third when the Belleville pitcher's hurried throw to first sailed over first baseman Dennis Astrella's head.

Livingston took advantage of the opportunity and cashed in with a double and a home run to close out its scoring for the day which proved enough to gain the victory.

Sunday the Belleville diamonders and Verona-Cedar Grove played until dark to a 5-5 stalemate as southpaw Dan Dunn made his first appearance on the mound for the Bruin squad.

Belleville once again put points on the score board first, posting four runs in the top half of the initial inning.

Tommy Weiss began the Bruin rally with a single and third sacker Tony Roselle kept it alive with another single but Weiss was picked off at second when he over ran the bag eluding the local team's scoring effort.

Turn about became fair play, however, when catcher Tom Scull reached on a fielding error and Dunn singled to load the bases. John

Guarino banged a double to clear the bags and came all the way around to score when the ball went through the left fielder's legs.

Verona got a run back in the home half of the third when a Belleville fielding error put a man on second. He scored on a base hit.

Verona tied things up in the fourth with three runs but Belleville managed to regain the lead in the top of the seventh. With two down, Weiss singled, stole second and scored on a single by Scull.

The home team bounced right back to knot things up at five apiece in the eighth with a walk, a single and a Bruin error accounting for the score.

Dunn, in his initial start of the year, went four innings on the 98 degree day. He was relieved by Steve Whacker in the fifth.

An all right — handed Belleville

mound staff contributed to Bruin coach Dennis Sasso's decision to start Dunn.

"Verona has seven lefty batters in the lineup and Danny has a real good curve ball," said Sasso. "We expected him to go about four innings and we were pleased with his performance."

Sunday's tie was the Belleville club's third of the season. It has played both South Orange (once) and Verona (twice) to a standstill. Both are the Bruins closest rivals in the battle for top honors in the league.

Tie ball games will be replayed but encore dates have not yet been announced.

"There's a long way to go in the season," added the Bruin mentor. "And we've got five games left to play with both South Orange and Verona."

Hall of Fame Dinner tickets now available

Tickets for the Hall of Fame Induction Dinner, planned for the Chandelier Restaurant, Friday, September 23, are now available and

may be obtained by calling Fred "Chick" Pulcio at 751-5174 or Michael Chieffo at 759-8689 or 759-8486. Tickets are priced at \$17.50 per person.

Inductees into the Hall will be the guests of the Belleville Athletic Achievement Committee but others wishing to attend are urged to make reservations early.

More than 300 people, including 71 inductees, are expected to attend the fete which hopes to become an annual event.

Some of the great Blue-Gold athletes of the past expected to attend the September affair are Jack Schwab, Tony Zuzzio, John Jockher, Jim Caruso, Henry Petrin, Stu White, Don Miller and Paul Kraft.

New additions to the original list of inductees published in the March 24 edition of the Times/News include Joe Ritacco, 1969-Football, and Bernie McManus, 1943-basketball. Anyone with information concerning the whereabouts of McManus is asked to contact the committee.

Going Home — Bobby Hayes scampers home with another run in the Belleville National Little League squad's win Saturday. The local American League all-star club was also successful Saturday notching a 16-0 victory over Nutley. Both squads were slated to compete in Nutley Wednesday. A win will set up another all-star confrontation Saturday at Nutley's National Little League Field.

three series. Other action saw six-year-old John Cerza lead the playgrounders in a game of wiffle ball.

Although the humid weather slowed action at School Four Caesar Ferrara was still able to emerge as checker, champ of the playground. His brother Peter kept it in the family by taking the knock-hockey championship and their sister Dawn completed the hat trick by winning the stickball crown.

In the meantime, School Four's Sai Silvestri, Mark Slater, Glen and Lynn McKinstry and Lizzie Hoben were all in the thick of a battle to decide the ping pong king, the outcome of which will be posted next week.

Touch football seems to rank as the top sport at School Eight. John and Joe Bordello, Joe Fischer, Frank

Racanelli and Chris Paoello are all participating in the pigskin madness. At the same time, Bob Grog and playground Four director Dennis Buckley are vying for the ping pong championship and knock-hockey aces Donald Gualioti and Ronnie Young tune up for the paddle sport's playoff action.

The Junior Softball League at BHS stadium enjoyed its second victory in a row by defeating School 10. Dave Starr was perfect for the day, going four for four at the plate while Frank Snyder clubbed in the winning run with a base hit. Billy Cook emerged as ping pong champ at the BHS playground while Brian Cook took top knock-hockey honors.

The Senior School Two softball squad celebrated its second win of the summer, season, outslugging Number One, 10-4. Friendly house cut the winning streak short,

however, when it defeated the sizzling club later in the week. Other events included a bike race in which eight-year-old Craig Stampe took first place.

Joe Cicala was the knock-hockey champ at School 10 playground where a pizza party was held. Chowing down on the sausages and sauce were Joanne Scheupolin, Steven Tice and Toni Cical.

A bike decorating contest was held at the Friendly House last week. P.J. Olivio and Camille La Bar were judged the best decorators although Tina Charles, Laurie Dondarski, Michael Wirth and Steven Mancuso made it a close finish.

After more than a week of preparation, the Pistol Range treated themselves to a Hawaiian luau. The playground was decorated with palm trees, lantern and hula skirts.

Participating were Cheryl and Dawn Pieretti, Patti and Lisa Caravella, Missy and Kristie Bogie, Tommy Lisi, Sharon De Stefano, Debbie Sim, Joey Cahill, Dawn Al-lum and Pam Catina. The selection of food available included pineapples, watermelon, and coconuts, as the parents of the children also joined in on the event.

Legionnaires end season of protest

Continued from page 9

gotten into contact with Rualon, who lives in Kentucky, and the Bowie Kuhn of the story had taken Vailsburg's side.

The reason for Rualon's decision apparently was that although American Legion Rule 306 states a manager must report lineup changes to the umpire, there are no penalties in the rule if he does not. Therefore, it was decided, the homeplate ump in the June 24 game had no legal right to call Sheppard's son out.

The game was taken up again at the point of controversy Monday night at Msgr. Owens Field. Play began in the top of the fifth with Post 70 ahead 2-1. With a Vailsburg runner on base, Sheppard's son hit into a double play. Second baseman Scott Ochse made a beautiful stop of young Sheppard's grounder to make the poetic justice possible.

In the sixth, George D'Urso hit a triple with one out, and it looked as if Nutley might have an insurance run. Nobody could bring D'Urso in however, and in the seventh, Vailsburg got three scratch hits off Mike Lilioia and scored two runs to win the game 3-2.

Vailsburg, already in first place, did not need the victory over Post 70 to get into the playoffs. However, the loss knocked the locals' record down to 7-6-1 and squeezed them out of post-season competition.

Steve Michalek's walk, Anthony Gammario singled Diamante in.

In the next inning, Ochse reached base on an error, Diamante walked and Michalek doubled them both in. A single by Bellevillite Rocco Balsamo scored Michalek.

In the third, an error put Al Restaino on, Ochse singled and another error that allowed Diamante to reach base also let Restaino score. Chip Bialore's single drove in Post 70's final runs. Cedar Grove scored two unearned runs in the sixth. Belleville import John Clarizio scattered four hits for the win.

Thursday, the Legionnaires thought they were tuning up for the playoffs when they beat Clifton away in a practice game 8-2. Michalek blasted a three-run homer and Balsamo a two-run shot to lead the attack. Young lefty Mark DenBraven allowed only four hits.

Modern teaching methods are utilized in Belleville elementary school system

Helping Hand — Robert Alfonso, a fifth grader at Belleville's Number Two School, identifies the main idea of several paragraphs he has just read as part of a learning skill reading program earlier this year. Helping develop this primary learning tool is Mrs. Albates, a teacher at School Two.

Tuning In — School Two kindergarten teacher, Mrs. Penzie, and her student Scott Foreman are shown busy with one of the many learning activities presented during the past term to help stimulate oral language and listening skill along with number and letter recognition.

Reading is fun at School Eight

The students of Mrs. Rae Saulino's first grade class, at Belleville School Number Eight, were taught many of the basic learning skills this year through the use of the Learning Center.

The centers were established to provide a review of basic concepts which will serve the student throughout his or her life. The project utilizes both tape recorders and records so the children can listen to what they are reading.

According to Mrs. Saulino the program allows for variety as well as independent growth. The children recorded their lessons on charts especially made for each learning experience.

The children enjoy reading as an extension of the spoken word and the Learning Centers enable the children to progress independently, review individually and strengthen weaknesses, said Mrs. Saulino.

The youngsters in Mrs. Rosalind Musmanno's second grade class at School Eight, this past year, learned that reading can be fun.

The children, utilizing the Scott-Foreman reading program, used tape recorders to play a game called "Find a Friend." The game encourages the students to look for words having the same beginning sound.

The tape recorder is also used to tape and play back stories which the children act out.

There are many other games which make learning to read fun, stated Mrs. Musmanno. Some of them, she explained, like "vowel owl," stress the recognition of vowel sounds while others reinforce the use of compound words by using cards.

"The age of technology has changed our lives," commented Mrs. Musmanno. "There is no reason why it can't be used in the classroom to improve the reading process."

BHS graduate wins scholarship

Seventeen-year-old Arthur Masi, son of Mr. and Mrs. Jerry J. Masi of 10 Mitchell St., Belleville, has recently been awarded a scholarship to the Manhattan School of Music.

An honor student at Belleville High School, he was a member of the 1977 graduating class. He plans to major in piano.

For the past nine years, the local teenager has studied with Mrs. Elizabeth Hoffer of 51 Manhattan Ct., Nutley.

Last April he was co-winner in the "Mostly Bach," competition sponsored by the Music Educators' Association of New Jersey.

The Belleville musician won his part of the award for his performance of Bach's "Chromatic Fantasy and Fugue." It was the second straight year Arthur had won top honors in the contest.

The last four years he has been given "superior" ratings in the National Piano Teacher's Guild Auditions.

While attending Belleville High, Arthur played flute in the band, violin in the orchestra and was the accompanist for the school chorus.

"I want to be a well-rounded musician for my own pleasure," stated the scholarship winner. "And to give pleasure to others through my music. I hope I will find a place for myself someday in the music world."

Bluegrass music show features banjo pickers

Banjo pickers and fiddle players today take over the Morris Stage, 100 South St., Morristown, as Barnett Lippmann in association with the Englishtown Music Hall present the second in a series of three summer bluegrass festivals.

Presenting a different selection of artists on each of the three evenings, the shows are a creation of Englishtown Music Hall producer, Geoff Berne, who will also serve as emcee.

*Each show features a total of six

bands and are designed as a total experience of bluegrass variety," stated Berne.

Fiddling, clog dancing (a dance in which a performer, wearing heavy

shoes, beats out a clattering rhythm on the floor) and two of the east coast's most electrifying bluegrass banjo artists, Ted Lundy and Roger Sprung, are the highlights of the night's show.

Chapel features film series, waives admission for public

Evening services at Trinity Chapel of the Christian and Missionary Alliance Church include a series of films this summer.

"The Long Way Back" previews there July 24. It details the path to freedom from demon worship, drugs and Eastern mysticism.

The series opened July 10 with "

Jesus is the Answer," the true story of Nicky Cruz, a New York gang leader, and tells of the changes Jesus wrought in his life.

The third summer showing, entitled "For Pete's Sake," is the Billy Graham film that already has been shown in theaters across the country.

The summer series ends August 21 with the presentation of "Windows of the Soul," called a beautiful and awe-inspiring Moody science film.

All showings are at 7 p.m. and are free to the public. The church is located on Union Ave. at the corner of Hancock.

ShopRite has...

the Double Coupon!

Come to ShopRite and redeem any manufacturer's "Cents Off" coupons by purchasing items at ShopRite and we'll give you double the savings designated on the coupon. The Double Savings Coupon Program does not apply to "Free" or other retailers coupons. Offer effective thru Saturday, July 23, 1977. Effective in New Jersey, No. of Trenton and Rockland County, N.J.

Redeem all manufacturer's "Cents Off" coupons by buying the items at ShopRite and we will double the value stated on the coupons. Our Double Savings program applies to manufacturer's coupons you clip from newspapers and magazines - not "free" or other retailers coupons. (Excluding cigarettes, milk, lottery tickets, prescriptions and any item prohibited by law.) During the course of this offer, there is the possibility of unusual demand for a particular manufacturer's coupon item. If the item does become temporarily unavailable, please request a ShopRite "Rain Check". This entitles you to "Double Savings" on the manufacturer's coupon item when purchased within the expiration date of the "Rain Check".
