Romano didn't steal lumber

Not supported by any Trustee

Not a single member of the Belleville Board of Education offered support to its president the day Caesar Romano was accused of stealing \$7.03 worth of lumber from a high school construction site.

This week, the Essex County Prosecutor's Office "closed its file" on the Romano case after concluding that "based upon all the facts and circumstances, this office does not find that Mr. Romano acted with the necessary criminal intent that would warrant criminal prosecution."

The letter, hand-delivered to Belleville late Tuesday, was signed by Leonard D. Ronco, acting Essex County Prosecutor.

Romano was elated with the Prosecutor's conclusion which followed nearly two-months of investigation and involved questioning and interviewing several Board of Education employees, as well as Romano himself.

But despite Romano's feeling "pure as the driven snow," it was revealed for the first time that the Belleville Board of Education president stood alone without the support of his colleagues the night of July 29 when Trustees held a secret meeting and decided to call in the prosecutor at Romano's request.

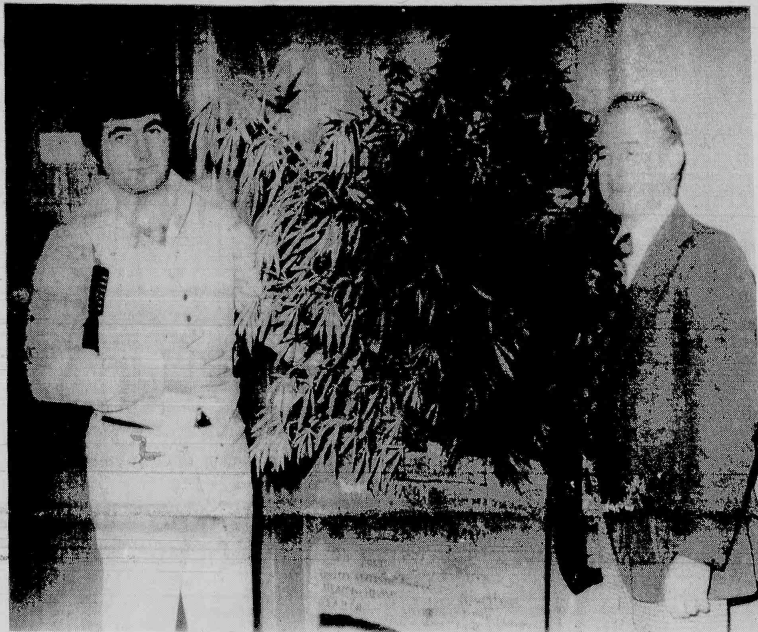

The July 29 meeting appears to this day to have been in violation of the N. J. Open Public Meetings Act and as of yesterday, the minutes of that session had

not been opened to the public. Presumably, the transcript of the private meeting will reveal the background of the lumber-theft charge which led to the Prosecutor's investigation.

Romano later admitted he may have committed an error in judgement in "borrowing" a few pieces of lumber from the school construction site for use at his own property. However the Prosecutor's investigation revealed that Romano had not concealed his action and, as a matter of fact, had left messages with several Board employees to contact him the same morning. Romano told the prosecutor the purpose of his telephone calls was to ensure authorities were informed he wanted to borrow three pieces of lumber which Romano said he intended to replace a few days later.

The "borrowing" was the result of a lack of supply of the type of wood Romano wanted at a local lumber dealer. The Essex County Prosecutor's Office says it was convinced beyond a doubt that there was no criminal intent on Romano's part in attempting to take the lumber.

"Accordingly, we are closing our file concerning this matter," Ronco wrote the attorneys involved. "Would you kindly so advise the members of the Belleville Board of Education."

Potted Plant — Detectives Barton Rossi, left, and John Marotti display one of the six-foot marijuana plants found growing behind the Belleville Senior Citizens Club Monday morning. A total of eight plants were found which police said would be worth more than \$4,000 on the street.

Cops seize wild pot

Nobody is accusing local senior citizens of using the stuff, but visions of geriatric gents taking on joints must have been dancing through a few heads early Monday morning when police confiscated a large stash of marijuana found growing wild behind the Belleville Senior Citizens Club.

In all, there were eight long-stemmed marijuana plants discovered, and police estimated their street value at over \$4,000.

According to Belleville Deputy Police Chief Frank Haight, the department was alerted to the plants, each more than six feet high, Monday morning by an

anonymous phone caller.

Detective John Marotti of the Juvenile Bureau and Detective Barton Rossi went to the location described by the tipster, a wooded area behind the Belleville Senior Citizens Club on the corner of Franklin and Mill Sts., and found the eight plants which collectively weighed more than 12 pounds, police said.

"Officers removed the plants and brought them to headquarters," Deputy Chief Haight said. "From here they will be taken to the state police lab where they will be destroyed."

Authorities did not know how long the

plants had been growing in the field or if the plants confiscated were only part of a larger crop already harvested.

"Perhaps some plants had already been picked," said Detective Rossi. "One of these plants is a lot to smoke at one time and they might have just been coming back whenever they needed some."

Apparently juveniles or young adults, and not members of the Geritol generation, were cultivating the plants, Haight said.

Detectives Rossi and Marotti are continuing their investigation into the case.

Post 105 installs Clark commander

Gene Clark has been installed as commander of Belleville Post 105, American Legion, Essex County Legion officers installed Clark, along with nine other officers, at a ceremony conducted at the post home at 621 Washington Ave.

Legionnaires installed for the 1977-78 year include John Nolter, first vice commander; David Purdie, second vice commander; Jack Arthur, third vice commander; Janice Stuart, chaplain and adjutant; Joseph Wynn, sergeant at arms, and Pat Wynn, historian and judge advocate.

Fred McGarrill was installed as finance officer, Henry McNery as service officer and Constance Miniff as ritual officer.

Following the ceremony, guests enjoyed a buffet and danced to the music of Vince and Ann Nocera.

The new post commander, formerly of Nutley, resides in Belleville. He served with the 101st Airborne Division in Europe and has been employed by the Transport of New Jersey for 31 years.

GENE CLARK

Channel Home Center to open here Nov. 10

Bellevillites will soon see eight stores in one unveiled before their eyes when a new Channel Home Center opens at 352 Franklin Ave. next month.

The home center is slated for a Nov. 10 opening on the spot vacated by Grant's, next to the A & P. Work began there a week or so ago, Thomas Erolano, director of engineering for the company, said.

The new store will provide an even closer outlet for Bellevillites to shop in. Currently, Channel Home Centers operate in Totowa and Lodi and on Routes 3 and 46 in Clifton.

"I think Belleville is a very good market for our stores," Joel Freed, vice president of advertising for Channel, said. "Belleville is a homeowners' market — we already get a lot of local residents in our other stores."

The building formerly occupied by Grants' must be completely redesigned to suit Channel's type of business, Freed said.

Approximately 36,000 square feet will be utilized by the store, which boasts of eight

major departments. One floor will house the entire operation.

"Like all our stores, the new Belleville store will be a combination lumber yard, plumbing house, hardware store, garden shop, housewares store, electrical store, mill-work shop and paint store," the advertising executive noted.

Homeowners will choose from over 50,000 items in the new store, Charlie Rosenberg, director of personnel, added. "It'll be a good-sized store," he said, "comparable to most of our other stores."

He continued, "To better serve the community, we will be open seven days and six evenings and employ personnel from the surrounding community."

Channel's Belleville operation will employ somewhere between 50 and 100 persons, Rosenberg said. All employees have already been hired.

"It was most gratifying to see the turnout of local people who wanted to work in our

new store," he said.

Many of those who applied for jobs noted that they could even walk to work, he said. They will begin reporting for work next week.

"Even though the store will not be ready to open next week, employees will begin their training then," Rosenberg said. "Channel's training department will conduct the operation and the employees may be sent to other Channel Home Centers to gain experience."

The personnel director said that interviewees looked for people with previous retail experience and for those with experience in home improvements and do-it-yourself projects as potential employees.

"Our employees represent a real mix," he said, "but all come right from the immediate Belleville area."

Rosenberg noted that a store manager, assistant manager and operation manager not necessarily from the Belleville community will be brought in to supervise the new store.

Officials to determine legality of new stores

Town officials will decide today whether to allow six stores to continue building onto the Grand Union Shopping Plaza on Main St. or to issue a stop work order to the businesses.

Mayor Michael Marotti called a special meeting of the Board of Commissioners, Building Inspector Si Lieberman and Town Engineer Fred Busch for 4 p.m. this afternoon to determine the fate of the proposed buildings.

"If things are not running right down there," the mayor said, "we'll have to shut down the work."

He added that the group has to talk about discrepancies between reports as to the number of parking spaces available at the shopping center and the space available for the town's fire truck to get through.

The town planning board already approved the permit for the six stores to be constructed at the shopping plaza, but the board's approval could have been a mistake if not enough parking spaces are provided, Mayor Marotti said.

The mayor continued, "I counted 285 spaces with room for 14 additional ones near the south of the center. Some reports of parking spaces have quoted different numbers, though."

At last week's Board of Commissioners' meeting, Public Safety Commissioner Rocco Saletta commented, "I don't see how the fire truck is going to get in there."

Saletta also noted that the parking spaces at the plaza measure 10 by 20 feet and that legally their size could be reduced to 9 by 19 feet.

Belleville police captain gives advice on how to prevent, deal with burglary

During a luncheon meeting of the Chamber of Commerce, Belleville Police Captain Ermin Olivieri told a group of Chamber members how they could better safeguard their homes and businesses.

At the September 12 meeting, the first since Chamber officers met in June, Capt. Olivieri noted that bank robberies and small armed holdups have picked up in the last five years while breaking and entries have remained the same.

"Anyone who wants to get into a home will get into it," Olivieri told the crowd at The Fountain Restaurant. "The citizen himself has the responsibility of initiating

measures for prevention."

The police captain said that one of the first things a burglar looks for is a way to get in, followed immediately by an escape route out of the home.

He suggested that all doors, especially those providing entrance into the home from a backyard, be outfitted with a double-lock bolt.

"When the home is occupied, the inside lock is not used," he noted, "but when the residents of the home are away, the door is locked with a key both inside and outside so that a thief cannot enter the home without the key."

Olivieri said that most burglaries

occur sometime between 6 and 9 p.m. and that, during this time, as well as later on in the evening, homes should be illuminated by rear and front lights and by a timer light.

Homeowner prevention also includes leaving no heavy money around the house and making sure that all good jewelry is insured, he said.

For apartment dwellers, Olivieri emphasized that locks should be changed whenever one moves into an apartment. He added that mailboxes should be marked only by the occupant's first initial and last name.

He said that the average thief is looking for money, because it is im-

possible for police to determine who the money belongs to after a robbery has occurred.

Problems today most often occur with identification, but residents should not sneak up upon a burglar, Olivieri said.

"First, a person in a house that is being burglarized should call the police," the police captain advised. "Before entering the area where the burglary is in progress, make a noise," he continued.

Olivieri noted that a resident must be prepared for a scuffle when approaching a burglar and that the dining room and master bedroom are

prime targets for burglars' activity.

He concluded, "When you fire a gun or hit someone with a pipe, expect the worst, expect to kill the person," noting that an occupant of a home that is being burglarized can only injure a burglar in self-defense.

Schwartz applauds decision by Jersey's PTA executives

The New Jersey School Boards Association (NJSBA), headed by Belleville Lawrence Schwartz, recently applauded the decision by the executive committee of the New Jersey Congress of Parents and Teachers (PTA) to endorse the use of student progress as a measure of teacher competence.

Schwartz commented that he was very pleased to learn that the PTA had joined with New Jersey's Boards of Education in support of the idea.

"Some measure must be found to make it practical to identify incompetent teachers, attempt to help them improve and, failing to do so,

to remove them from the classroom," the NJSBA president said. Schwartz pointed out that the NJSBA has submitted recommendations for the evaluation of tenured teaching staff members to the State Board of Education Sept. 7.

"It is unacceptable," he said, "for a process for the evaluation of educational professionals not to reflect the school's basic purpose and therefore the professionals' essential responsibility for student progress."

He continued, "Ultimately, the district board of education is legally and ethically accountable for insuring that student progress is effectively used as one criterion for the evaluation of appropriate professional responsibilities."

First State reports new record in assets

Henrik Tvedt, president of First State Savings and Loan, Bloomfield, reports record high assets for the initial half of 1977.

According to Tvedt, the association has reported total assets of \$69,319,243 as of June 30 of this year.

"This is a growth of almost four-million dollars for the six month

strong and healthy growth in all sectors of the local economy.

First State Savings and Loan maintains four offices in Bloomfield and one in Hopatcong.

period," stated the bank president. "Savings deposits also grew encouragingly to almost \$64-million, paving the way for all-time highs in dividends paid out to depositors and establishing another record."

Mortgage loans now on the books have reached and passed \$59-million an extremely healthy trend for the area, added Tvedt.

Tvedt stated he was looking forward to a period of continued

The race for governor

The race for Governor between incumbent Governor Brendan Byrne and Republican challenger, Senator Raymond Bateman, is waxing hot and nearing the home stretch.

Campaign rhetoric is plentiful. Either candidate will tell you his failure to be elected will be a disaster for the State of New Jersey. Of course, nobody believes this extreme.

Both Byrne and Bateman are good and decent men, qualified to hold the high office of Governor of the State of New Jersey. Both are honest. Both are incorruptible, both are competent.

There are two major issues that make a difference between Byrne and Bateman. Bateman is opposed to the present income tax and says he could run the State of New Jersey without any income tax. Byrne says the personal income tax needs to be modified, with the rich paying more and the less affluent paying less.

Byrne approves legislation permitting members of the Police and Fire Departments to retire after 20 years of service. Bateman says "20 and out" will make government costs rise tremendously.

Originally we opposed the personal income tax. We have since made a 360-degree turn in support of the personal income tax. We believe the state can not get along without it.

We believe it is almost criminal for the State of New Jersey to adopt a retirement policy for public employees that permits a public employee to retire at half pay after 20 years of service. It is easy to imagine the devastation to the state's economy if this policy was to spread among all public employees and into the private sector as well. If carried to its extreme, such a policy would destroy New Jersey.

There are other issues to which the candidates are addressing themselves. We urge our readers to listen carefully and pick and choose — but vote they must, for involved in the gubernatorial election of November 8 is the future stability of New Jersey. We urge readers to cut through campaign rhetoric and use credibility as the yardstick in measuring a candidate's worth.

Frank A. Orechio

The case for Case

There are rumblings from out in right field indicating some Republicans in New Jersey desire for the party to commit suicide by challenging Senior United States Senator Clifford P. Case in the 1978 U.S. Senatorial Primary Election.

U.S. Senator Case entered the hallowed halls of the Congress on January 5, 1954 — more than 23 years ago.

Cliff Case has become a legend in our time. He is a public servant without peer. Dedicated, serving the needs of the underprivileged, the poor, the disad-

vantaged, the average-guy-in-the street, yes, he is serving the needs of America as a good patriot.

Cliff Case is one of America's outstanding public servants. New Jersey is proud to call him its very own. Testimony to this fact is the massive support he receives at the polls each time he seeks re-election.

Even at this early date — not knowing who will run against Cliff Case in the Primary or General Elections of 1978, we support Cliff Case for re-election without reservation.

Ray Smith Testimonial Here Tomorrow Night

Raymond O. Smith, retired principal of Belleville High School, will be honored at a dinner in the Chandelier Restaurant on Franklin Ave. tomorrow at 7 p.m.

Persons wishing to attend the testimonial for Smith should contact Mary Shader, 751-7242, or Viola Spray, 759-6581.

The Board of Education approved Smith's resignation, effective Nov. 30, at its August 29 meeting.

Almost all of Smith's professional years were spent in Belleville. He student taught at Belleville High School before he began teaching social studies here at the elementary and later at the secondary level.

Smith's move to the guidance staff preceded his appointment as vice principal of the high school, which eventually resulted in a sabbatical, a position held for 13 years.

The retiring principal is certified by the New Jersey Department of Education in social studies, chemistry, Spanish, guidance and elementary and secondary administration.

A native of Belleville, he was a member of the high school graduating class of 1932. Following his graduation, he spent four years at the University of Virginia, Charlottesville, where he earned a bachelor of science degree in political science and history.

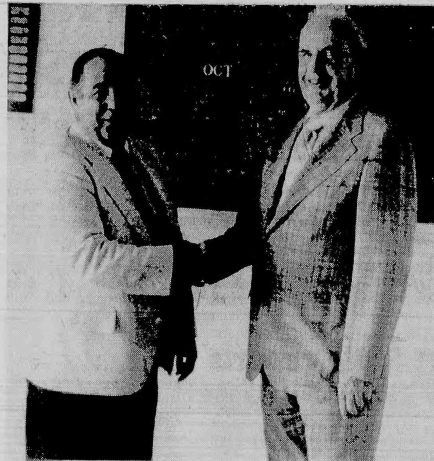

In the years that followed, Smith attended Montclair State College and New York University, where he received degrees in administration, supervision and guidance.

The Belleville served with the 399th Infantry in World War II and later was Cadet Company Commander with the Military Intelligence Language School.

When sent to Kyoto, Japan, as a military liaison officer and unofficial

mayor, Smith helped the people in the village of Fushimi Momayama rebuild their educational system.

He further attempted to cement the relationship between Japan and the United States during his stay abroad.

Raymond Smith — John Westlake (left), the new acting principal of Belleville High School, gets a wish of good luck from Ray Smith who will be honored tomorrow night at a testimonial dinner in the Chandelier.

LETTERS TO EDITOR

Concorde of no benefit

To the Editor:

The line of support of the Concorde by some New Jersey publishers has been that landings at New York will bring in some good luck to Newark.

It does seem curious when the Times/News editorially uses the same ad hominem plea which has been used by the public relations for French aircraft industries, "give it a fair trial." The Concorde has already completed trials at Dulles International Airport months ago, and the number of people complaining in the Washington area to the Federal Aviation Administration has risen from 100 a month early in 1977 to 130 a month.

The statement that "A few people living in the area of Kennedy Airport have used their political muscle to blackmail public officials into a do-nothing posture" is nonsense; a lot of annoyed people have organized and forced their public officials to make it a political issue. The same has happened in Newark early in the year when there was a threat of the supersonic landing at Newark.

What benefit Belleville would get from the Concorde is probably receiving regular low frequency vibration to dwellings, should the landing pattern be overhead as it is now with Jumbo jets.

The naivete of the next statement that if

"The Concorde registered a decibel count that is untenable, the British and French governments on their own initiative will withdraw the plane" is remarkable after the coverups and misrepresentations on noise levels at Heathrow and De Gaulle Airports that have been made to us, undermining their case and their credibility.

The PA may be delirious in decision, but they certainly do recognize noise tolerance. They operate Kennedy Airport, not operate from it.

Sincerely yours,
Tom Jackrell
12 Campbell Ave., Belleville

TODAY'S MEDITATION

Quiet inside

When we desire a thing too much we become ill at ease. It is not the overly ambitious, but the person who is poor in spirit and humble in heart who lives at peace with himself and the world. An Australian bushman is alleged to have paid this tribute to Sir Hubert Wilkins in pidgin English: "You set down quiet and listen alltime and eyes belong you lookabout see everything. Allabout feel quiet inside when with you." Such quietness inside marks a strength to those who are inner-directed. They have thought through their sense of values so that their desires are limited and they are not pulled off their course by distractions. Following our passions and desires often brings remorse of conscience rather than peace of mind. True inward peace is often found in resisting passions, not in satisfying them. The danger is not so much in what we want but in wanting something simply to satisfy unworthy desires.

(Selected by Frank A. Orechio)

Thoughts on race for governor

To the Editor:

As a watchdog in Belleville that tells it like it is, I must disagree with Mrs. Draghi's endorsement of the Governor. Twice he raised the fee on license plates without the approval of the people while under pressure by the political bosses, to save the inspection stations, that are a waste of taxpayers money.

The state could have saved millions by having the service stations take over and pay a fee of one hundred dollars per year.

His income tax was a political gimmick harmful to all working men and women who must hold two jobs to get by. After failing six times to win approval it was sneaked in through the back door using the schools and students as guinea pigs with his treat to close down the schools and his promise to pay the school taxes with the funds from the income tax.

The highest court in the state has stated it is illegal for the homeowners to pay it and should be removed from the tax bill. That Law is on the books and is being violated.

The homestead act was my baby not the Governor's. After coming from Florida where I did some research work on the subject, I endorsed it and wrote about it in the Belleville Times. It was picked up in Trenton and approved for the people.

This state under Democratic control which has created many problems for some cities that have their backs against the wall was never on the verge of bankruptcy. Their income runs into the billions in extra revenue from all new tax programs. Her statement lacks merit.

I also read in the Ledger the second part of the income tax 2 1/2 per cent over two thousand will now be 8 per cent unless

the income tax is discarded in Trenton. I will endorse any independent candidate for Governor that will listen to the people and adopt a platform that will benefit all the people and help the cities solve their problems, abolish the inspection stations, let the cities collect the sales tax and use those funds to keep property taxes down. It would also prevent them from shopping elsewhere. Bring back the noninsured fee of \$50. dollars. The insurance companies had their way too long. Finance the schools from the millions from the race track and other new tax programs now in operation.

The property tax rebate that the homeowner is now receiving in two parts is a help for many people that need it, all over the state. It was just for one year, and will come to an end in 1977 unless it is continued. I wonder if Mrs. Draghi knows that.

Mrs. Draghi is a wonderful person but like myself does not pay a state income tax. We are both retired living on a fixed income.

My plan is a good one. It would make this state the best in the nation and should be given serious consideration.

There is no better way in these hard times that brought on riots, violence, uprising, crime, strikes, layoffs, high prices, taxes, inflation, and unemployment. The harder the problems in the dirty game of politics, the harder the people must fight to correct them.

We, the senior citizens that paid taxes all our lives and can no longer produce tax-wise would like to enjoy our remaining years in a happy frame of mind, are being rejected by some politicians who jumped the fence, and others in power including industry who won't hire a senior citizen because of age.

But we still have the vote to upset the politicians responsible for the back room deals that put the senior citizens and the working people behind the right fall.

Sincerely yours,
Albert Guglicelli
75 Lake St., Belleville

Prayer for today

O God, keep my tongue from evil and my lips from speaking guile. Be my support when grief silences my voice, and my comfort when you bend my spirit. Plant humility in my soul, and strengthen my heart with perfect faith in Thee. Help me to be strong in trial and temptation and to be meek when others wrong me, that I may readily forgive them. Guide me by the light of Thy counsel, and let me ever find rest in Thee, who are my Rock and my Redeemer. Let the words of my mouth and the meditation of my heart be acceptable in Thy sight, O Lord, my Rock and my Redeemer.

GOLDEN COMMENTS

Belleville Legion Post thriving

Belleville American Legion Post 105, under its new Commander Gene Clark, is getting off to a propitious start with a complete black-topping of its parking area and the impressive installation of its new officers at a well attended public meeting that featured the swearing-in ceremonies of its new officers by high ranking state and County officials of the Legion.

Plentiful food and refreshments were available along with musical entertainment and dancing for the legionaries and their ladies. Old time melodies bringing back memories of their service time duties filled the air to the jubilant response of the merry-makers who enjoyed a happy gathering and brought old buddies together to express their determination to foster the ideals of American government and comradeship.

Solemnity and dignity was added to the occasion by the presence of our Mayor Marotti and Commissioners Strumolo and Saletta. Mayor Marotti praised the Post for its activities, but expressed concern over their having failed to field a baseball team in Junior American Legion play this year and told the incoming officers he would help in seeing they placed a team in league play next season.

Comm. Strumolo, seated among the officers of the other Belleville American Legion Post 299 located in the Silver Lake section, commented upon the fine principles of these service groups and the great work they do in caring for hospitalized veterans and stressed the close harmony between the two Belleville Posts.

Comm. Saletta spelled out the theme of cooperation between the members of the

organization in working with their chosen leaders to bring about success in the plans and undertakings of their respective Posts.

The success of the installation ceremonies was largely facilitated by the well planned preparations of the ladies auxiliary with attractive Barbara Welter setting the pace in producing a highly impressive and entertaining evening for everyone present.

State Senate President Mat Feldman (D-Bergen) has come up with a good bill that would require banks, savings and loan associations and credit unions to pay interest on certificates of deposit for 365 or 366 days a year.

Presently, the general practice is to pay interest for only 360 days. Feldman's proposal would modernize banking regulations because it recognizes that computers

can easily calculate interest on the basis of 365 or 366 days.

The present practice of computing interest on 360 days was established years ago when it was easier to figure interest on the basis of 30 days a month.

Many readers of the passing of state political figure "Hap" Farley at 75 observed how in 1960 Clifford Case went courting the Atlantic County Republican Party boss for his endorsement in the Party Primary that year for the position of U.S. Senator.

Our publisher, Frank Orechio, having been State Young Republican President enjoyed cordial relations with most South Jersey leaders of the party such as Earley, Capt. Tom Mathis of Ocean County and then State Senator Califero of Cape May County. Frank was backing Case and

played a large role in bringing these titans into line in support of Case.

If my memory serves me correctly, Case was opposed by State Banking & Insurance Commissioner Howell in the November election. Early returns indicated a Howell Victory, however when the final results were posted from the then paper ballot Counties of South Jersey Case was returned the winner by a slim margin, mainly through the masterminding of his campaign from state headquarters at the Robert Treat Hotel in Newark by Mr. Orechio.

As a natural outgrowth of this relationship strong bonds of friendship developed, and still exist, between Senator Case and owner of this publication.

THE STATE WE'RE IN

New Jersey's pine barrens need protection at all costs

By DAVID F. MOORE

The New Jersey Department of Environmental Protection plans critical area designation for part of the Pine Barrens, to protect water quality, agriculture and even the coastal shellfish industry from destructive side-effects of unwise development.

I'm glad that DEP is taking this step, and glad too that it has the support of Governor Byrne. What scares me is that inadequate, or even misguided regulations will be imposed. This would fulfill the bureaucratic feeling of having done something, but would permit ongoing destruction of this priceless resource.

This is the tone of a statement from us at the New Jersey Conservation Foundation at a July 28 hearing on the critical area proposal. We hope others will voice their concerns at another hearing set for August 30 at Chatsworth.

Because the Pine Barrens is the biggest undeveloped area within Megalopolis, and happens to be in America's most densely populated state, it's understandable that enormous pressures, public and private, are being exerted by the construction and allied industries to forestall regulations which can hinder quick and dirty develop-

ment.

From the agricultural standpoint, landowners need to maintain present water quality. That's because water enrichment from human waste brings growth of vegetation with which the cranberry, the area's most important crop, cannot compete.

Ocean County, once a major producer of cranberries, saw that crop melt away as housing serviced by inadequate wastewater treatment increased.

The idea behind critical area designation for the Pine Barrens is to give the state the right to demand that septic systems be designed to meet area needs. It should also be empowered to make sure that such systems keep on performing efficiently. Of course, that means updating the septic system code — Chapter 199 of the laws of 1954, something that has been put off for many years. The state should also consider a better boundary, perhaps designating the entire area overlying the Cohansey aquifer as a critical area, not just the part now being considered. You can't protect just a portion of a lake, be it above or below ground.

If the state is really serious about protecting Pine Barrens water quality, it should petition the U.S. Environmental Protection Agency to designate the Cohansey Aquifer beneath the Pine Barrens as a "sole drinking water source," under terms of the federal Safe Drinking Water Act. This would ban federal funding for any project which could endanger public health through contamination of the aquifer.

Unless really decisive action is taken by the state at this time, the result may well be permanent contamination of the Cohansey Aquifer. It may also spell destruction of the cranberry industry due to acidity changes and added nitrogen and phosphorus in the water.

Finally, water flowing from the Pine Barrens into coastal shellfish-producing areas will be too polluted to permit survival of this important industry. Shellfisheries along the New Jersey coast are already shrinking because of existing pollution.

If we don't protect our nest today, we won't be able to live in it tomorrow.

How to tie the knot without getting in a bind.

Some folks get all hung up about getting married.

Maybe cause they think they'll be paying for it the rest of their lives. Starting a family. A home. College for the kids. Even retirement.

So do what 9½ million other Americans do: Buy U.S. Savings Bonds through the Payroll Savings Plan.

Savings Bonds are the safe, dependable way to look out for the wonderful future you're planning.

And at the same time, they look out for America's future, too.

So buy United States Savings Bonds.

E Bonds pay 6% interest when held to maturity of 5 years (4½% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

Mrs. Joseph Covey - nee Susan Chamberlain

Mrs. Robert Chant - nee Shirley Scavone

Mr. and Mrs. J.H. Covey Bermuda honeymoon

Miss Susan Chamberlain, daughter of Mr. and Mrs. Thomas J. Chamberlain of Belleville became the bride July 30 of Joseph H. Covey, son of Mr. and Mrs. Richard Covey of Belleville.

The Rev. James Heavey of St. Peter's Church, Belleville performed the ceremony in Immaculate Conception Church, Newark. A reception followed at The Cameo, Garfield.

Escorted by her father, the bride wore a silk organza gown accented with Alencon lace and fashioned with an illusion neckline, long sleeves and train. A Juliet cap held her fingertip veil and she carried white roses, carnations and babies breath.

Miss Nancy Chamberlain of Belleville was her sister's maid of honor. Bridesmaids included another sister, Mrs. Janet Longo of Belleville, the groom's sister, Miss Eva Covey of Belleville, the bride's cousin, Miss Sharon Schott of Caldwell and Mrs. Patti Ehrenkrantz of Edison. Their peach haltar gowns had

floral print capes. The honor attendant carried white roses, peach carnations and babies breath and wore matching flowers in her hair. The others had white pompoms, peach carnations and babies breath.

James Scacchitti of Scranton, Penn. was his cousin's best man. Ushers included John Longo, Joe Smith and Ken McDonald of Belleville and Robert Simpson of Montvale.

Mrs. Chamberlain chose an aqua chiffon gown with chiffon cape and had a corsage of aqua roses and babies breath. The groom's mother, in a pink pleated chiffon gown, had pink roses and babies breath.

Mrs. Covey, an alumna of Union County Technical Institute, is a dental hygienist for Dr. Walter Makoc of Irvington and Dr. Pete Sabolich of Bloomfield.

Mr. Covey, an alumnus of Fairleigh Dickinson University, Rutherford, is a professional musician.

The couple is residing in Bloomfield after a honeymoon in Bermuda.

Shirley J. Scavone wed to Robert Stephen Chant

St. Anthony's Church, Belleville, was the setting September 24 for the marriage of Miss Shirley June Scavone, daughter of Mr. and Mrs. Michael Scavone of Newark to Robert Stephen Chant, son of Mr. and Mrs. Wilfred Chant of West Orange.

A reception followed the double ring ceremony at Skylands Manor, Ringwood State Park, Ringwood.

Miss Diane Brundage, cousin of the bride, was maid of honor. Bridesmaids included Miss Linda Scavone, sister of the bride, Miss Linda Chant, sister of the groom. Junior bridesmaid was Miss Lisa Sibello, cousin of the bride while her nieces, Maria and Melissa Vivona

were flower girls.

Paul Brundage served as best man. Ushers were Gary Chant, brother of the groom, Paul Pattwell and Anthony Torioni, cousin of the bride.

Mrs. Chant, an alumna of Essex County Vocational and Technical High School, Essex County College and Paterson State College, is a preschool teacher in Trenton.

Mr. Chant, a graduate of West Orange Mountain High School, Essex County College and Livingston College, is a claim examiner in Trenton.

The couple honeymooned on Paradise Island.

Mr. and Mrs. Prezioso feted on anniversary

A surprise 25th anniversary dinner party was held September 7 at San Carlo Restaurant, Lyndhurst in honor of Nancy and Salvatore Prezioso of West Passaic Ave., Bloomfield.

The affair was hosted by their children, Michael, Sally and Thomas. Thirty eight close relatives attended. A champagne toast was offered by best man, Gus Godine. Other bridal party members attending were maid of honor Mrs.

Katherine Palitto, sister of the bride, Mrs. Terry Lebeda, another sister, Mike Prezioso, brother of the groom and Frank Marsiano.

Home movies were shown of the wedding and the Preziosos children as infants.

Earlier this year, the couple renewed their wedding vows at a special mass for those celebrating 25th anniversaries at Sacred Heart Cathedral, Newark. They also spent a week in Paris in April.

Mr. and Mrs. Hulme have returned home from camping trip

Mr. and Mrs. Eric Hulme of Bell St. have returned from a 6950 mile camping trip through the United States and Canada.

The month long trip began July 1 when the couple headed for Michigan, Ontario, Manitoba and Saskatchewan, Canada. They attended the Calgary Stampede in Alberta, visited Banff National Park and Lake Louise travelling the Icefield Parkway and riding a snow mobile five miles on Columbia Glacier with the ice 1000 feet thick.

After visiting Jasper and Lake Moraine, the Hulmes headed south in British Columbia to Glacier and Yellowstone National Park in

Don't Submit Color Photos

When submitting photographs for publication in The Sun, remember only black and white prints are acceptable. Color and Polaroid photographs generally are not acceptable and should not be sent with publicity items.

Black and white prints at least 5 by 7 inches are desirable. Wallet-sized prints are acceptable only when prepared by a professional photography studio. Snap-shots likewise are not acceptable for newspaper publicity.

Wyoming, the badlands in South Dakota, Minnesota, Montana, Wisconsin, Illinois, Indiana, Ohio, Pennsylvania and home to Belleville August 2.

Woman's Club meets Tuesday at Clubhouse

The Woman's Club of Belleville will meet Tuesday evening at the Clubhouse, 51 Rossmore Place.

John J. Kupcho, Essex County Agriculture Agent will speak at the meeting which is sponsored by the Garden Department of which Mrs. Harry Winfield is chairman. Hostesses will be Mrs. C. Maise, Mrs. W. Baker, Mrs. J. Desmond, Mrs. D. Streeter, Mrs. H. Thompson and Miss M. Macmillan.

Montclair Adult School Offers Many Courses

A 113 course catalogue is available by sending a postcard to the Adult School of Montclair, 100 Chestnut St., Montclair, N.J. 07042 or by calling 746-6636. Registration may be made by mail using the coupon in the school catalogue. Many courses have limited enrollment so early registration is advised, especially for hobby and craft classes.

DeRose headlines tomorrow's tribute to late Sister Angelina

Holy Family Parish will pay tribute to the late Sister Angelina Toscano tomorrow with a concert by Marty DeRose and his 20-piece orchestra, "The Music Makers," beginning at 8 p.m. The concert had originally been billed as a Columbus Day celebration, but plans were altered with the death of the sister Thursday. (See accompanying article).

This marks the second year that DeRose has appeared here. Last year his performance recorded capacity crowds in the Franklin School auditorium, 325 Franklin Ave., Nutley, where the show will be held.

DeRose, who has just finished an engagement at Don's 21 in Newark,

MARTY DE ROSE

offers a Las Vegas-type revue, Michael Rossi, president of the Holy Family FTA, said.

Ray LaRovere, an international

concert pianist, is the only performer besides DeRose making a return appearance. Rossi noted that LaRovere is back by popular demand.

The routine has been changed this year to include comedian Frankie Mayo and child vocalist David Ginefra in the show.

"Last year, the proceeds from the performance went toward the purchase of school buses," Rossi said. "Profits we receive this year will be applied toward the renovation of the Holy Family Convent."

Joseph Toscano, producer of the show, is the brother of the late Sister Angelina.

Rossi said that he again expects a capacity crowd of 800 to fill the Franklin School auditorium and that tickets should be purchased in advance.

They may be obtained by calling Holy Family School, 667-2049; Vin-

cent Manion, 667-5416; Louis Cienia, 667-3923; Anthony Biondi, 661-2800, or Michael Rossi, 759-7734. Donation is \$7.50.

Junior Women's Club to sponsor hoagie sale

The Junior Women's Club of Belleville is sponsoring its annual Hoagie Sale tomorrow from 11:30 a.m. to 1 p.m. Hoagies will be delivered to home or office and cost \$2 each.

The Club urges that all persons interested in having hoagies delivered tomorrow order them in advance.

Each sandwich is made on a foot-long hoagie and consists of ham,

salami, cheese, lettuce, tomato, onions and an oil and vinegar dressing.

Proceeds from the sale will be given to the Club's Ways and Means Committee, which distributes monies to local charities.

To order hoagies, call Mrs. Sherry Moccia, 751-6712, or Mrs. Denise Lande, 751-7559.

GOP candidates taking credit for Aduabato phone

Dan Russo and George Riepe, Republican candidates for the Assembly think they have scored "early victory" over their Democrat opponents regarding the improper use of state funds.

The candidates recently distributed a flyer throughout the 30th District which attacked then opponent for not utilizing \$152,000 in state monies allocated for offices, equipment and staff. Specific complaints were aimed at Assemblyman Michael of Belleville for having a disconnected legislative phone and a post office box here.

"We are happy to announce that through our efforts, we have forced Aduabato to finally establish a working legislative telephone for the people he is supposed to represent. His number can now be obtained by dialing his disconnected number, 751-5090, which will then refer the caller to his newly installed number," Russo reports.

Riepe added, "We intend to make Aduabato come out of hiding and account to the people what has happened to all that money which we will try to prove has not been used as intended."

Kiwanis square dance coming October 22

Plans are progressing for the annual Square Dance sponsored by the Branch Brook-Bellefonte Kiwanis Club, Stewart Hutchinson, club president, said.

The dance will be held Oct. 22 at the Hilltop Barn, Broad St., Clifton, from 9 p.m. to 1 a.m. The Farmer Boys will provide music for the affair.

AARP to meet today at 1 p.m.

The New Cancer Research Unit at Clara Maass Memorial Hospital will be the subject tonight of the regular monthly meeting of the Belleville Chapter 2051 of the AARP. The meeting will be held at First Presbyterian Church on Union Ave. at 1 p.m.

A representative of Clara Maass' Public Relations Department will speak to the members on the new unit.

Further plans are being made for various activities throughout the coming season. The Program Committee will have information on this today.

One AARP program that has been decided upon is the annual Christmas Party. It has been set for Tuesday, Dec. 13 at Gene Boyle's, Clifton. Price and time have not been determined.

Montclair 'Y' invites guests

Women who are not members of the Montclair YMCA are invited to obtain guest passes and make use of some of the facilities at the 25 Park St. building next week during the Women's Health Club open house.

Also on schedule next week and open to all is the YMCA's annual fall luncheon beginning noon Tuesday. A demonstration and fashion show by Stretch and Sew, a company that has pioneered new techniques for sewing with knits, will be presented.

Those who come to the luncheon must provide their own sandwiches. Beverages and desserts will be available for 50 cents.

Advance reservations should be made by calling the women's department at the YMCA at 744-1400.

Free guest passes will also be available at the women's desk Monday through Friday for the Women's Health Club, open swimming and gym periods and for certain exercise classes. Guests will be given free use of such health facilities as the sauna, steam, sun lamp and exercise machines.

Aid squad plans veteran's parade

Sen. Anthony Imperiale and the North Ward Citizens First Aid Squad is sponsoring a Veteran's Day Parade Nov. 6 along Bloomfield Ave., Newark.

The parade is being sponsored because many have lost touch with the true meaning of Veteran's Day. Imperiale said Veteran's Day honors the war heroes who fought and risked their lives.

Any individual or organization that would like to join the parade should contact Rosario Adamo, 185 Bloomfield Ave., Newark, 482-4211.

State Bar Association offers free book to future lawyers

Students who are considering law-related careers will find helpful information in a new pamphlet published by the New Jersey State Bar Association. The eight-page pamphlet ("Legal Careers and You") answers common questions about the role of a lawyer in society, suggested pre-law training and experience, qualifications for admission to law school, law school tuition and fees, and admission to the bar. The pamphlet also discusses the job outlook for new attorneys and the growing role of paralegals.

For a free copy of "Legal Careers and You," send a stamped, self-addressed envelope to Careers Pamphlet, New Jersey State Bar Association, 172 West State St., Trenton, N.J. 08608.

'Belleville Day' Oct. 8 at mall

This Saturday is "Belleville Day" at the Grand Union Shopping Plaza on Main St. It is being sponsored by Belleville Democratic Chairman Mary V. Senatore and the Democratic County Committee members.

During the day, from 10 a.m. to 4 p.m., Sheriff John Cryan, campaign manager for the Democratic candidates appearing on the A-line, will assist in a town-wide voters registration. Democratic candidates will be present during the day.

Fire forces family from large home

A two-family Belleville residence stands uninhabitable today because of a fire which swept through its second floor and caused heavy water damage to the ground level Sept. 26 morning.

The frame building, located at 180 Franklin St., was empty when the fire began around 10 a.m. Mrs. Luigi Napolietto, wife of the building's owner and occupant of the second floor apartment, had just left

the premises. Sixteen firemen with three engines and one ladder truck brought the blaze under control within 35 minutes, Deputy Chief Robert Shaughnessy said. The fire was out, extinguished and all equipment back in service by 12:06 p.m.

"We pinpointed the origin of the fire to the sewing room which is off the kitchen area," Shaughnessy said. "From there the fire spread into the

kitchen and the anterooms off the sides."

He said the dining room and bedrooms were blackened by the smoke which hung in Monday's close and humidity-filled atmosphere.

A street box alarm and a phone call alerted the Belleville firefighter that the fire had erupted. Fortunately, no one was injured during the blaze.

Romano wants opinion on desegregation rule

Board of Education President Caesar Romano has asked that three New Jersey educational associations interpret a June Supreme Court ruling on desegregation for the Belleville Board.

Trustees here became concerned with the desegregation issue earlier this year when the state issued a mandate that Belleville desegregate its schools. The Board of Education has taken no action to comply with

the state ruling.

Belleville has maintained that segregation does not exist in its schools. A memorandum from Board Attorney Frank Pomaco to Secretary Mary Shader cites a Supreme Court case where de facto segregation was allowed.

The Court's decision on the case, the Dayton (Ohio) Board of Education v. Mark Brinkman, was handed down on June 27.

It reads "A pupil population that is not homogenous is not a violation of the Fourteenth Amendment absent a showing that this condition resulted from intentional segregative action on the part of the Board."

The three organizations that the Belleville Board is asking to interpret the ruling are the New Jersey School Boards Association, the New Jersey Education Association and the New Jersey School Superintendents' Association.

BHS tuition up to \$1,800

The Board of Education has established tuition rates for out-of-district students attending Belleville schools during the 1977-78 school year.

Students from out-of-town attending elementary schools here will pay \$1,300 while those enrolled in the high school will be charged \$1,800.

Garden School pupils who are not Belleville residents will be billed \$6,600, with an adjustment at the year's end based on cost.

obituaries

William Barriscale, former resident here

Services were held over the summer for William J. Barriscale, 70, formerly of Belleville, who died August 1, in Mercy Hospital, Scranton, Pa., after a long illness.

Born in Scranton, Mr. Barriscale lived here for many years before moving back to Pennsylvania. He was a graduate of St. Thomas High School and Lafayette College and had been employed as a supervisor for Transport of New Jersey. He was

a member of the Belleville Elks Club and the Holy Name Society of Holy Family Church, Nutley.

Survivors include his wife, Alice Brown Barriscale of Scranton; two sons, Frank M. Brown, Jr., Stroudsburg, Pa., and Michael Brown of West Palm Beach, Fla.

Interment was in St. Catherine's Cemetery, Moscow, Pa.

Caroline Meyer, 77

Funeral services were held September 18 for Caroline Meyer, 77, who died September 15 in Hollywood Medical Center, Hollywood, Fla.

Mrs. Meyer was a member of Chapter 262 Order of the Eastern Star, Belleville, and Women's Auxiliary Barracks 517 Veterans of World War I, Hollywood, Fla.

Born in Newark, Mrs. Meyer lived in Belleville many years before moving to Miramar, Fla.

Surviving are her husband, George; a son, George Jr. of Stratford; two sisters, Mrs. Madeline Bordeleau of Irvington and Mrs. Barbara Struening of Bricktown,

two grandchildren and one great-grandchild.

Arrangements were made by the Fred Hunter Funeral Home, Hollywood, where services were held. A cremation followed.

Frank Reilly, 71; retired printer

Funeral services were held Monday for Frank E. Reilly, 71, who died Thursday in Mountsides Hospital, Glen Ridge.

For many years, Mr. Reilly was a printer with Fortune Magazine. Before his retirement in 1972, he worked one year at Wolf Press, Teterboro.

Born in Jersey City, Mr. Reilly lived in Belleville before moving to Glen Ridge 13 years ago.

Survivors include his wife, Diane; a son, Ronald; a daughter, Mrs. Ronald Zesch; a brother, Eugene, and four grandchildren.

Arrangements were made by Frank Halpin's Brookdale Funeral Home, Bloomfield, where services were held. Interment was in Mt. Hebron Cemetery, Upper Montclair.

G. Parry, 65; securities analyst

Funeral services were held Sunday for George Parry, 65, who died Thursday in Clara Maass Memorial Hospital.

Mr. Parry was a security analyst for Investment Security Business, New York City. He was a Navy veteran of World War II. Born in New York, he had lived in Belleville eight years.

Survivors include two brothers, John of Long Island and David of Belleville, and a sister, Mrs. Mary Manning of Brooklyn.

Arrangements were made by the Wadsworth Funeral Home where services were held. Interment was in Long Island National Cemetery.

H. Arlt, 74

A funeral Mass was offered in St. Stephen's Church, Kearny, Tuesday for Herman F. Arlt, 74, who died Friday in Clara Maass Memorial Hospital after a long illness.

For 40 years before his retirement in 1967, Mr. Arlt was employed by the Federal Trust Company, Newark, where he rose to be assistant treasurer. Born in Austria, he lived in Kearny all his life.

He is survived by a son, Frank of Belleville, and three grandchildren.

The Biondi Funeral Home made arrangements. Interment was in Holy Cross Cemetery, North Arlington.

Midlantic National Bank expands Saturday services

Midlantic National Bank has inaugurated Saturday banking hours at four of its offices in Essex and Morris Counties.

Desmond P. McDonald, president of Midlantic National, reports Saturday service has been introduced at The Bank's Community Office in Bloomfield, as well as at offices in South Orange, Florham Park and Madison.

Ken's Car Clues

Antifreeze loses its effectiveness after two years. NOW is the time to check and maybe replace your car's antifreeze, before the cold weather strikes. To insure peak performance it's a good idea to continue checking the antifreeze every 6 weeks. And, if the car overheats and boils over, make sure when you replace your coolant it's replaced with the proper amount of antifreeze to safeguard it up to 100° F.

Sister Angelina Toscano, 39; taught at Holy Family

A funeral Mass was offered Monday for Sister Angelina Toscano who died in St. Barnabas Hospital, Livingston, Thursday after a long bout with cancer. She was 39.

Sister Angelina was a member of the Religious Teachers Filippini, an Italian order whose U.S. base is located in Morristown. She was at Holy Family School five years, teaching seventh grade and then working in the school library until her health would no longer permit her to continue.

Sister Angelina was born in Bayonne and lived there all her life before joining the convent.

Surviving are her mother, Frances Toscano; a brother, Joseph, who is producing the concert being held tomorrow night at the Franklin School in her memory; and two sisters, Mrs. Ceil Wrioli and Mrs. Maureen Andrade.

Doyle's Funeral Home, Morristown, made arrangements. Mass was offered at the Convent of Villa Walsh in Morristown. Interment followed in the convent cemetery.

SISTER ANGELINA

Salvatore Baldino retired leather foreman

A funeral Mass was offered Friday in Holy Family Church for Salvatore Baldino, 77, who died Monday in Clara Maass Memorial Hospital.

Before his retirement in 1965, Mr. Baldino was a foreman for the Federal Leather Co., Belleville, for 30 years. Born in Italy, he lived in Nutley over 70 years.

Survivors include his wife, Anna; two sons, Dr. Salvatore of Allendale

and James of Nutley; five daughters, Mrs. Theresa Roache, Miss Josephine, Mr. Anne Bevere and Mrs. Patricia Piro, all of Nutley, and Mrs. Angela Guardino of Colts Neck; a brother, James of Belleville, and 13 grandchildren.

The S.W. Brown and Son Funeral Home made arrangements. Interment was in Immaculate Conception Cemetery, Montclair.

Frances Pesci, 56; industrial assembler

A High Requiem Mass was offered Thursday in Holy Family Church for Frances Pesci, 56, who died Monday in Clara Maass Memorial Hospital after a short illness.

Mrs. Pesci was an industrial worker at Tung-Sol Electric, Bloomfield. Born in Newark, she lived most of her life in Belleville.

Surviving are her husband, Louis;

two sons, Louis Jr. of Fairfield and Richard of Nutley; a daughter, Miss Joyce of Belleville; a brother, Gerald of Florida; two sisters, Mrs. Antoinette Mosco of Belleville and Mrs. Marilyn D'Addario of Livingston, and five grandchildren.

The Zarro Funeral Home, Bloomfield made arrangements. Interment was in Glendale Cemetery, Bloomfield.

Michael D. Mercurio, 33; Highway Patrol inspector

A Requiem Mass was offered yesterday in St. Peter's Church for Michael D. Mercurio, 33, who died Sunday in Clara Maass Memorial Hospital after a short illness.

Mr. Mercurio was an inspector for the State Motor Vehicle Department Highway Patrol. He was a member of the New Jersey State Patrolman's Benevolent association, and spent four years in Vietnam rising to the rank of Marine Lance Corporal.

Born in Newark, Mr. Mercurio came to Belleville four years ago from Bloomfield.

Survivors include his wife, Louise; two sons, M. Dante and Christopher; his parents, Santa and Herbert of Belleville; two brothers, Herbert Jr. of South Plainfield and

Wayne of Belleville, and a sister, Mrs. Lucia Jean DeMaria of Wycoff.

The LaMonica Memorial Home, Bloomfield, made arrangements. Interment was in Mt. Olivet Cemetery, Bloomfield.

Assemblyman P. Shapiro's attendance record perfect

A study by the Elizabeth Daily Journal has found that Assemblyman Peter Shapiro (D-Essex) is the only member of the Legislature's powerful Joint Appropriations Committee to have a perfect attendance record over the past two years.

The committee, which consists of 13 assemblymen and 10 senators, met a total of 41 times while considering the budget proposals totaling nearly \$8 billion. All expenditures made by the state government must be approved by the Appropriations Committee.

According to the Daily Journal article, attendance at the meetings averaged 65 per cent this year and 67 per cent last year.

Pennwalt promotes J.V. Marchesini

The Wallace & Tiernan Division of Pennwalt Corporation announced the promotion of Joseph V. Marchesini to plant supervisor in its Inspection Department at its facilities in Belleville.

Wallace & Tiernan is a world leader in the manufacture of equipment for metering and controlling gases, liquids and solids, as well as in the manufacture of instrumentation for water and pollution control systems.

Since he joined Wallace & Tiernan in 1961, Marchesini has worked in the machine shop and the Inspection Department. In his new position he is responsible for the inspection of received material, large assembled products and molded plastic parts.

Marchesini is married to the former Mary Ann Carlucci. They reside in Belleville with their children, Joseph Jr. and Vincent.

Kickoff Campaign — John F. Betz, general chairman of the United Way Campaign (left), and John F. Lewis, chairman of the suburban division, recently got together at the Robert Treat Hotel, Newark, to help initiate the 1977-78 annual fund raising campaign of the United Way of Essex and West Hudson Counties.

United Way begins appeal for Essex and West Hudson

The official opening of the 1977-78 annual fund raising campaign of the United Way of Essex and West Hudson was staged Sept. 21 at the Robert Treat Hotel in Newark.

John F. Betz, president of Public Service Electric and Gas Co. and general chairman of the drive, told more than 400 business, civic, labor and community leaders, "Most of us who have worked within and given to the United Way have only remote connection to the final result."

"Each of us has a special role to play. Through contributions of time and money, all of us can maintain a very personal connection to the role of helping people," added Betz. Betz noted that as a result of last year's campaign, \$3.8 million was allocated to top priority programs to aid every age group among the 310,000 people served.

He stated that in addition to the many and varied direct services, a voluntary action center was established to recruit and train volunteers in agencies.

Chairmen serving with Betz include Duncan Macfarlan, executive vice president, Prudential, vice chairman at large; Richard A. Cross, general manager, advertising and

community relations, Public Service Electric and Gas Co., public relations; Robert Porack, director of field training for Prudential, recruitment and training of volunteers; Bruno Sorchinski, president of the Essex-West Hudson Labor Council, labor.

With a goal of \$4,900,000, the campaign will continue until November.

Bellboys battle Raider rivals

By MIKE COREY

Although both schools, in recent years, have suffered through some hard gridiron times, all past records will be forgotten when the Bellboy 11 invades the Park Oval of Nutley Saturday at 1:30 p.m. to carry on the pigskin rivalry which has spanned three generations.

"The Nutley game is one of those things the players are really fortunate to be involved in," stated Blue-Gold head coach John Senesky. "It's a feeling only a player involved in the game can experience. I know because I played in it."

"The kids of Belleville know the kids of Nutley and the winner of this game has a lot of bragging rights," added the Belleville mentor.

Both clubs go into the Saturday clash looking for its first win of the season. The Nutley squad lost its opener to top ranked Seton Hall, 19-0, and last week dropped a 8-0 decision to Irvington.

"We're not as bad as our record indicates," stated Maroon Coach Mario Cocchiola. "We've played two tough football teams. Perhaps if we had played someone else our record would be a little different."

According to the Raider coach the Nutley squad likes to run a ball control type of offense keeping the pigskin on the ground but will put the ball in the air on occasion.

"Our first game (quarterback) Mark Scioscia had seven completions in 11 attempts," pointed out Coach Cocchiola.

"Our scouts have told us that Nutley has looked well both offensively and defensively in its first two games," said Coach Senesky. "They have made some costly turnovers down close to the goal line and even scored a touchdown against Seton Hall which was called back on a penalty."

The Maroon offense is very similar to Belleville's, pointed out the coach. "It likes to run sweeps, traps and misdirection plays."

"Their offensive system you only see once a year," stated the Blue-Gold coach.

"We have to change our players way of thinking and prepare for the different formations which we probably will never see again the rest of the year."

Cocchiola, in his fifth season at the helm of the Maroon, has 44 returning lettermen from last year's squad which posted a 4-5 record.

The Nutley offensive team features quarterback Mark Scioscia (5'9" 165 pounds), fullback Carmine Castellano (5'11" 180lbs.) left halfback Glenn Villacari (5'8" 160lbs.) and right half Robert Smith (5'11" 175lbs.).

The ends include David Eapsas

Booters drop last three games

Despite solid defensive play a lack of offensive punch has provided the ingredients for the Blue-Gold soccer club's last three defeats.

The Bellboy booters dropped a 3-0 decision to Kearny last Wednesday; were

blanked by Bloomfield Friday, 2-0, and lost a 4-1 contest to St. Peter's at home Monday.

Belleville was scheduled to meet Essex Catholic in Newark Tuesday but results were not available as the Times/News went to press.

Tomorrow the Blue-Gold kickoff with Irvington at home before traveling to Montclair to play the Mounties on Monday and taking on the Cougars of Columbia next Wednesday.

Monday St. Peter's scored a goal in every period to gain the victory.

"It was a bad time," stated Belleville Coach Tony Cahill. "What I was disturbed about was each goal was preventable."

The parochial school's first score of the contest came in the initial period on a scramble in front of the Belleville goal. The ball laid in front of the Blue-Gold nets and the defense was not able to clear it from in front in time.

St. Peter's scored again in the second period but Belleville got it back in the third when Junior fullback Steve Militiadous punched one home from 40-yards out.

"The goal was a real indication of what we needed more of throughout the game," pointed out Coach Cahill. "When the defenders came out to stop Steve who was bringing the ball up to the goal he did what he was supposed to do and sent it toward the net. I think the goalie took his eye off the ball when he saw two of our guys moving in from either side for another possible shot."

The visitor's scored right at the end of the third period on a direct kick that was

Continued on page 16.

Defense sparkles in Bronco opener

Led by a tenacious defensive unit, which intercepted three passes and recovered a pair of fumbles, the Belleville Broncos steamrolled to a 32-0 shutout over Bergenfield Sunday to open the 1977 pigskin campaign.

The Broncos initiate the home season under the lights at Belleville High Stadium Saturday night against the Dumont Huskies.

Last Sunday's win was Belleville's first ever in the Bergen County Junior Conference which it joined this year. The local traveling team captured the Essex County Junior Football crown in 1976 by posting a 11-0 mark.

The Bronco "Big D" held Bergenfield to minus yardage on the home squad's beginning series of plays forcing them to give up the ball.

Belleville back Rob Cancelliere snagged the punt at the Bergenfield 38 and

behind a wall of Bronco blockers dashed down the right sideline for the local team's first score of the year.

Late in the opening period the Broncos struck again. Quarterback Frank Fazzini hit tight end Eugene Cancelliere with an 11-yard TD pass. The score was set up when John Bucciarelli recovered a fumble on the Bergenfield 20 yard line.

Heads up defense again led to Belleville points in the second quarter when cornerback Bob Scucci stepped in front of a would-be receiver to intercept the pass and race 48 yards into the end zone to make the score 18-0 at the end of the first half.

Despite a pair of touchdowns called back because of penalties the Belleville offensive momentum kept rolling in the third period.

Racket squad nets first wins of '77

Belleville's racketeers volleyed to victory last week winning its first two matches of the girls tennis season.

The Bellgirl court club out-distanced Mountain at home last Wednesday, 3-2, and traveled across the Passaic River Friday to edge Kearny by the same 3-2 margin.

A match scheduled to be played on the BHS courts Monday was postponed because of rain until Tuesday. Yesterday the local courtiers were slated to take on the Maroon Raiderettes in Nutley. Results of both contests were too late for this week's edition.

Tomorrow the girls cross racketers with Immaculate Conception on the Belleville courts before facing Irvington between the home baselines Tuesday afternoon.

"Friday's match with Kearny was one of the most evenly played ones we've come up against," stated Blue-Gold tennis coach Karen Fucello.

Belleville's Toni Sperduto began the p.m. proceedings by notching a 6-2, 6-3 victory in the first singles round.

"Toni played very well," stated the Belleville Coach. "She went to the net and was aggressive which is what she has to do. She just can't lay back and volley."

In second singles play Denise Juliano dropped both in straight sets 4-6, 5-7.

"It was a well played match," pointed out Coach Fucello. "Her opponent had an excellent backhand and has been playing for six years compared to Denise who has been playing for two."

Third singles saw LuAnn Graffeo drop a pair of matches 4-6, 0-6.

"LuAnn was playing flawless tennis and was actually up 4-0 at the start," explained Fucello. "She is a very capable player but just seems to draw a tough opponent in the third position and is very inconsistent."

The doubles duo of Patty Connelly and Tina Ogilvie deadlocked the meet with a 6-3, 7-6 win to place the Blue-Gold

Continued on page 14.

Runners gain on forfeit

A victory by forfeit and two losses summed up the fortunes of the Blue-Gold cross country squad last week.

Last Wednesday Belleville dropped a 15-50 decision to the Eagles of Essex Catholic and Thursday, in the first part of a double dual meet, lost to the Rams of Mountain, 18-41.

The Blue-Gold gained its first win in the second half of the meet when Emerson failed to appear for the contest.

The local trackers were slated to take on Kearny Tuesday and Columbia yesterday but results of both meets were in too late to make this edition.

Today the Cougars of Columbia truck in to face Belleville on the home cinders before traveling to Orange to compete next Wednesday.

Thursday's Mountain meet saw Leniv Tremontola finish fourth while

Continued on page 16.

Field Casualty

Bellboy John Cordaro is helped off the field by Blue-Gold coach Tony Cahill and team manager Rich "Colonel" Sanders during Monday's match against St. Peter's Prep. The Belleville booter was not seriously injured on the play and returned to the lineup on Tuesday to help the home club notch its first victory of the year over Essex Catholic, 2-1.

Soccer Steal

Belleville's Ramiro Borja slips away into midfield against a St. Peter's defender Monday. The Blue-Gold dropped the decision 4-1.

Booter Bunch

Members of the Bellboy soccer team hung in the nets long enough earlier in the week for a quick snapshot. Belleville is slated to take on Irvington at home tomorrow afternoon.

Bearcats make debut with 13-7 victory

Continued from page 13.

QB Fazzini hooked up with Eugene Cancelliere once more for a 19-yard touchdown pass.

The Broncos final score of the day came in the third quarter after a fumble recovery by Bob Brave at the Bergenfield 22.

Belleville's Joe Zangari carried the ball across the goal line and into pay dirt the next 11 yards for the score.

Bronco defensive pressure again took its toll in the last period, when it forced a safety when the Bergenfield signal caller was toppled behind the end zone line.

Sunday's shutout marked the seventh time within the last two years the Bronco defense had held its opponent scoreless. The win extended the Belleville team's victory streak to 14 games.

The newly formed Belleville Bear-

cat eleven began its first season ever of competition by outdueling the Bergenfield Junior Varsity, 13-7, Sunday.

Early in the first quarter the Bearcats got on the score board after taking the opening kickoff when left halfback Jimmy Castelli took a handoff from quarterback Robby Hayes who galloped into the end zone behind the interference led by guard John Guarino and tackle Dave Montemaro.

Bergenfield mounted a drive of its own later in the same period but it stalled when Robby Hayes, now at safety, recovered a fumble on the Bearcat three yard line.

The Bearcats reversed the situation by beginning an offensive drive of its own which carried the club into the second quarter.

The running of backs Castelli and George Anderson brought the pigskin to the Bergenfield 36. From there quarterback Bob Woodcock completed a bomb to end Carmen Cereto who grabbed the aerial on the five and went in for the score.

Castelli ran off right tackle for the extra point to give Belleville a 13-0 lead.

Bergenfield completed a long pass in the final period to narrow the margin but when the game gun sounded the Bearcats had notched its historic first victory.

Power Dive — Bellboy back Frank Pizzi is stopped for no gain during the second period of Saturday's contest at Montclair.

Bellgirls edge Mountain and nip Cardinals, 3-2

Continued from page 13.

back on the victory track.

"Patty probably played the best match of her doubles career," stated the Bellgirl coach.

The outcome of the afternoon fell on the racket strings of Belleville's second doubles team of Carol Salerno and Susan Lyman.

The Bellgirl duet won the first set 6-1, dropped the second 3-6 but came back to take the finale set 6-2.

"We have been working more

during practice on our doubles play and I think it has paid off," commented the coach. "We scored both wins last week with our doubles team coming through in the end."

Last Wednesday the Bellgirls single action got underway against Mountain when Sperduto knocked off her opponent 6-4, 7-6. Denise Julliano, down 4-0, came back to take both sets 6-4, 6-1 in second solo action and LuAnn Graffeo lost 3-6, 3-6 to round out the day's singles.

The doubles squad of Connelly and Famtacone lost 3-6, 2-6, but Lyman and Salerno came through 6-4, 3-6, 6-4, to win the match and give the Bellgirls its first win of the '77 campaign.

Rec soccer league needs instructors

The 1977 Belleville Recreation Soccer Program is priming for opening day with 18 teams slated to take part.

The league will be divided into three divisions with six clubs competing in each one. The divisions are made up into different age groups to insure balanced play.

According to Sam MacArthur, league director, the program is still

in need of coaches and assistant coaches. Anyone interested in participating as an instructor is asked to contact the Belleville Rec House, 759-3121, or Sam MacArthur, 759-1406.

A clinic will be offered before the start of the season to help coaches brush up on their soccer, said a league official.

Montclair gridgers beat Bellboys, 14-0

The Mounties shattered a scoreless defensive battle with two touchdowns in the second half to hand the Blue-Gold gridgers (0-2) a 14-0 defeat Saturday at Montclair.

"Offensively we just couldn't get on track," said Bellboy pigskin coach John Senesky. "We are still missing assignments although a lot of that may have been due to the short week we had to prepare for the game."

Belleville's season opener against Livingston was switched to Tuesday because of bad weather leave the Blue-Gold 11 only two full practice days to get ready for the Mounties.

After a deadlocked initial two periods the Mounties gained possession on the Bellboy 35-yard line in the third quarter.

Montclair hit pay dirt six plays later in a drive climaxed by a 14-yard TD pass from quarterback Dan Black to halfback Darryl Jackson.

Six-foot-four-inch 220-pound fullback, Craig Dunn, carried the ball

three times in the Mountie drive for 24 yards.

The extra point boot was good and the Blue-Gold trailed 7-0.

"Montclair has a well balanced attack," pointed out Senesky. "Their fullback is very big and powerful and they have tremendous break away speed."

"Black just threaded the needle on that pass," added the Blue-Gold coach. "Our defensive halfback was with Jackson and our safety was behind him. It was a good throw and a good catch."

Montclair halfback Steve Puryear stretched the Mountie advantage in the final period to seven more points when he raced 51-yards into the end zone for the last score of the game.

"One of our linemen was trapped and Puryear broke through the hole," explained the Belleville coach. "There was about three missed tackles after that."

The 5-9 165 Puryear gained 117 yards on the afternoon carrying the

ball 12 times.

The stingy Mountie defense did not allow Belleville inside the 35-yard line all day and held the Blue-Gold offense to a total of 28 yards.

"We obviously weren't as sharp as we wanted to be," said Coach Senesky. "We're not getting the ball away on passes quick enough and we need more work on pass patterns and routes."

The Belleville pilot singled out some members of his defensive unit for their fine defensive play Saturday including linebackers Tom Henry and Ted Zangari; halfbacks Frank Pizzi and Bob Racioppi; end Bill Giuliano; left tackle Mickey Limongelli; right tackle Joe Franceschini; and strong safety Anthony Dondarski.

"We convinced ourselves by our play on Saturday that we are not as bad as the first score (40-0 against Livingston) indicated," said Senesky. "The attitude of the players is good and we are looking ahead and not back."

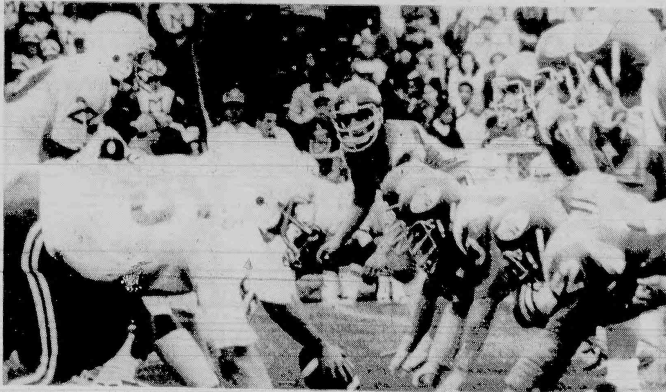

Scramble—Belleville signal caller Jerry Fazzini looks for the open man as Mountie tackle Daryl Savage springs to the attack during the third quarter of the Montclair game. The Blue-Gold offense just couldn't get untracked Saturday and were held to 28 yards.

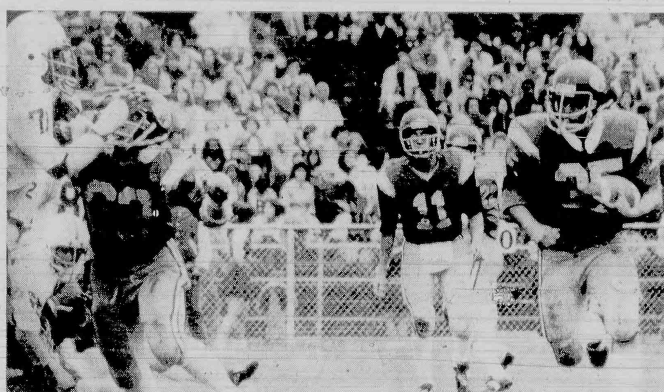

Frenzied Fans—Members of the Blue-Gold rooting section brave the rainy fourth period with somber patience as they await the officials gun signaling the end of the contest. The Mounties oupman the Bellboys 14-0.

Returning Back—Halfback Frank Pizzi takes a Montclair kickoff and heads up field as the interference of Jerry Paladino (35) in Saturday's contest. The Blue-Gold meet the Raiders of Nutley this weekend with both clubs looking for their first win of the season.

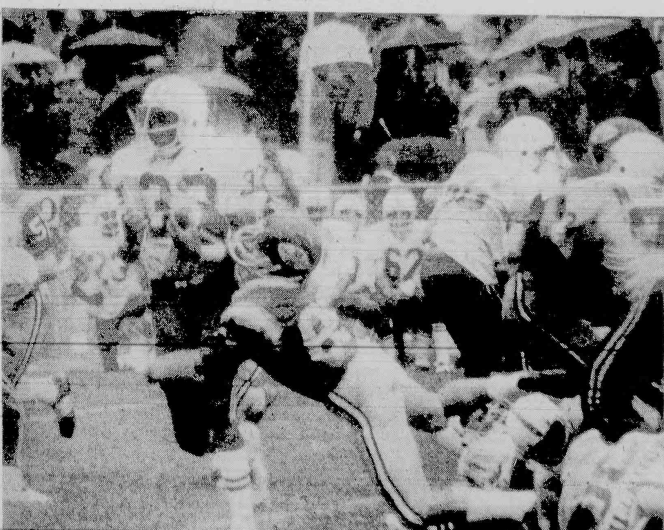

Nose To Nose—Belleville's "Big D" square off against the versatile Mountie offense in the first period of the second game of the season for both squads.

Daylight Dancing—Blue-Gold halfback Jerry Paladino runs to daylight as left guard Lou Valenti (63) battles a would-be tackler during the closing minutes of the first half.

Injured Bellboy—Center Angelo Santinelli is helped off the field by the Belleville trainers during the initial half of gridiron action. The Bellboys did not sustain any serious injuries Saturday and expect to have a healthy crew to face the Raiders at the Nutley Oval.

Defensive Gem—An unidentified Belleville defender makes the stop on Mountie halfback Daryl Jackson as the skies opened up and the rain came down in the fourth quarter.

Blue-Gold meet Maroon in traditional football clash

Continued from page 13.

(6'1" 175 lbs.) and Ronald Evans (6' 180).

On the line are tackles Anthony Nardone (6' 200) and Steve DiGregorio (5' 11" 200) along with guards Robert Schmidt (5' 9" 180) and Thomas Potter (5'9" 190). At the center position is Joseph Pepe (5'11" 210).

Sophomore running back, James Viola (5' 8" 150), who has looked impressive in the early going was injured in the Irvington game but is

expected to be ready to play on Saturday.

"We hope to improve," said Coach Cocchiola. "The Nutley-Belleville rivalry is always a good game and it should be the same this year."

The Nutley defense uses a 5-2 front and will occasionally blitz a linebacker.

"Nutley is a ball control type of team and are satisfied with five or six yards per carry," explained Coach Senesky.

"The Nutley game is always a

hard fought emotional contest," added the Coach. "It is a lot easier to play a team which is undefeated than a team looking for its first win. A team which has lost its first two games is hungry for the taste of a win."

"When you walk down the steps into the Oval and the band is playing and thousands of people are standing all around Franklin Avenue it doesn't matter what the record of both teams are," concluded the Coach.

Soccer club kickoff Friday with Irvington

Continued from page 13

tipped and headed in from about six feet out.

St. Peter's scored in the final quarter on a penalty kick following a handball violation by the Bellboys.

Belleville came as close as it ever has to beating Bloomfield Friday.

"We matched up well man for man with them although they were a lot bigger," stated Cahill.

According to the coach questionable officiating cost the Bellboys a goal and may have given the Bengals one.

"The official called a trip in the penalty area," said Coach Cahill. "But from our point of view it was a clean tackle. Contact had been made with the ball. At best it should have been a corner kick."

The Bloomfield penalty shot was off the outstretched hand of Belleville goalie Vito Tamborino but it was hit just too hard, said the coach.

Trailing two-to-zero the Blue-Gold actually put one in the nets but on what Coach Cahill called a "Mysterio Call," it was not allowed.

"The officials called an offside against Ramero Bora which was impossible," explained the Belleville mentor. "He had possession of the ball before he went across the line. At first I thought they had called the offside against another player but they called it on Ramero after he put in the shot."

"This is the first time I have ever said anything like this," pointed out the coach. "But the officiating was less than adequate. Realistically though the calls the officials made against Bloomfield were also a little strange."

The Bengal contest proved to be an evenly played match with both defensive squads able to divert shots and break up passes. Bloomfield had 14 shots on goal compared to the Bellboys nine.

Last Wednesday game in Kearny proved to be another defensive struggle.

Blue-Gold tread on track today

Continued from page 13.

Mike Graham notched a sixth place and brother Tom (Graham) took a ninth.

Bellboys John Vaccaro with an 11th and Dean Santulli, 12th, closed out the top finishers in the field for the home team.

"Generally there is an improving trend," said Belleville coach Rich Ruffalo. "Thursday all the kids ran their best times of the year."

Saturday the Blue-Gold runners competed in the Passaic Coaches Invitational at Garret Mountain where Bellgirl Sue Smith posted her best time ever.

The junior runner finished 16th in the girls two-mile varsity race posting a 13 minute and 13 second time.

In the three-mile boys race on the mountain Mike Graham clocked a 12:20 time followed closely by Tremontola with a 17:21; Tom Graham, 17:50; Vaccaro, 18:05; and Santulli, 18:06.

The Blue-Gold opened the '77 season falling to East Orange, 20-40, and dropping a heartbreaker two days later to Caldwell, 25-30.

The local Harriers run 10 of their scheduled 15 meets in the month of October.

gle with the Kardinal club supplying most of the offense.

Blue-Gold goalie Tamborino posted 25 saves on the day with the Bellboy offense managing just six shots.

Belleville kept its close falling behind the highly talented and touted Kearny team 1-0 at the half.

"The defense was under constant pressure," said the coach. "And it has to give sometime. It seems we play our best games against the best teams."

"We thought at the start of the

season our offense would be one of the bright spots," added Cahill. "The pressure our defense has been under the last few games they have played reasonably well."

Cahill admitted that with 12 games scheduled in the next 20 school days there is little time to work on and correct weaknesses.

"Perhaps one of our problems is lack of experience," said the Coach. "We only have four seniors in the starting lineup the rest are underclassmen."

THE CHIEF IS COMING!!!

College president upset how school portrayed

Essex County College President J. Harry Smith issued a statement today which attacked the manner in which the College has recently been portrayed in the daily press. Dr. Smith also took the opportunity of his prepared statement to announce his decision not to remain at the College after the June 30, 1978 expiration of his current contract. His statement reads:

The Essex County College community was privileged on September first to host Chancellor T. Edward Hollander in his first public appearance since his appointment as the top administrator in higher education in the state of New Jersey. Dr. Hollander was most gracious in his ready availability to our faculty as well as in his access to the press.

What followed the Chancellor's keynote address to the ECC academic convocation and his press conference, however, was an affront to our students, faculty, administration and staff. The STAR LEDGER chose to involve itself in the worst kind of reporting: erroneous bordering on irresponsible.

Reporter Braun wrote that "the new chancellor also used the occasion to disclose that the Newark school would be the first of what he called 'selected' colleges to undergo a 'top to bottom' review of educational quality later this fall." This point was one of a number of misstatements which formed the basis of yet another uncalculated attack on Essex County College in an editorial printed on Monday, September 5, 1977.

On July 12, 1977, I sent a letter on behalf of our faculty inviting Dr. Hollander to give the major address to our annual faculty orientation. Prior

to sending the letter, numerous contacts were made with the Office of the Acting Chancellor for Higher Education to confirm the new Chancellor's availability. Our eagerness was manifested by our efforts and the date was confirmed on Dr. Hollander's schedule after he had returned from his vacation and had been duly sworn in to office.

Six days later, I sent a communication to Dr. Edward Goldberg, Director of Community College Programs for the Department of Higher Education. In that letter I stated that it was my intention not to continue as president of Essex County College after June 30, 1978. I took note of the fact that the 1977-78 academic year marked our institution's tenth anniversary and that this had been an appropriate span of time for me to have made a contribution to the health of the College. Consequently, I plan to continue my professional career at another point on the educational spectrum.

My letter to Dr. Goldberg indicated the need for evaluation of our effectiveness and further stated:

"In sum the College is at a juncture—a point for assessment, reflection and planning. To aid Essex County College in this important undertaking, I will be constituting an outside team of experts to examine the College's achievements to date, as measured against its goals, past recommendations of licensing teams, Middle States teams and consulting teams and the future needs of the Essex County community. It is envisioned that the team will also make recommendations for redirection."

I would like to invite

your office to join me in developing the team's charge and its composition and to have the Department of Higher Education representatives serve on the team."

The assumption that only external forces could cause this institution to improve its academic thrust is a total misrepresentation. The history of our academic development is unequalled by other institutions in the state, particularly in light of the basic mission of Essex County College which is to provide a comprehensive community college of superior quality for the diverse communities which compose Essex County."

For some reason, the number of academic dismissals to which a college can point has become in the mind of the STAR LEDGER Education Reporter and others, a basis on which quality is judged. Essex County College maintains an "open door" policy which provides an opportunity to which many members of our community would not ordinarily have had. We have no intention of glossing that "open door" nor do we feel that the "open door" places an undue burden upon us. The educational sequence available through the "open door" gives opportunity to gain competency through developmental levels. Unless competency is attained, dismissal is implemented.

Essex County College dismissed 468 students during the academic year just past for failure to reach competency levels. We did not feel it necessary to call attention to this fact because it is a permanent practice in all colleges of quality and this is not an item of newsworthy interest. We do not wish to capitalize on the unfortunate plight of people coming to the educational marketplace underprepared and lacking sufficient motivation.

The front page story and the subsequent editorial printed by the STAR LEDGER is a particularly mindless affront to the College and its many constituencies when the decision is made to emphasize by way of apostrophizing and thus editorializing the "problems" our graduates had in passing state tests for such fields as nursing and other professions. In point of fact, on October 7, 1976 and carried the story "Essex County College graduates are number one in the state in passing the most recent state board examinations for registered professional nurses." The Board of Trustees were told at their October public meeting that ECC graduates had achieved a 91.7 success average that topped percentages achieved by students at 12 other county colleges and one private institution. In an additional point of fact, Essex County College graduates in Radiologic Technology passed national board examinations with a mean average of 89%. These students are now qualified to work in the field of x-ray technology in the United States, Canada, Italy, England and France.

Chancellor Hollander complimented the faculty and staff of Essex County College, categorically stating that the task of the two year urban community college is a difficult one and we welcomed the partnership that we had extended to him by reaching out our hands.

It is regrettable that inaccurate and biased reporting plus a negative mindset have blurred the public's image of the positive working relationship which we have with the Department of Higher Education and of the competency levels we do set for the Essex County College students who enter, graduate, transfer and enter the world of work with a sense of pride in their educational accomplishments.

Provident Savings Florida Greco, member of Provident Savings Bank's management potential group, has been promoted to assistant secretary. She previously served as a teller and member of the auditing department. She is a graduate of North Bergen High School and majored in Spanish at St. Peter's College.

Sidewalk sale this Saturday

Belleville's merchants are sponsoring a sidewalk sale this Saturday from 9:30 a.m. to 6 p.m. along Washington Ave.

The sale was scheduled for Oct. 1 but was cancelled because of rain. Stan Slavin, owner of Terry Shops, said.

He continued, "The sidewalk sale is a great chance for fabulous final savings for the entire family."

Senior notes

By GEORGE CHENOWETH

The Essex County Council of Senior Citizens Clubs has invited the candidates from Essex County for the offices of senate and assembly in the coming state election, to their October meeting. Those invited consist of members of all political parties, and that amounted to 51 candidates. We do hope that the candidates will take advantage of this needed exposure. The delegates to the Council need to listen to what the aspirants have to offer and to take this information back to their respective clubs and to give their own opinion as to whom they would favor in the coming election.

We must at this time consider all angles and carefully scrutinize the information that we can garner from the candidates talks. Idle promises are in order and we expect some of that. We delegates must examine what the candidates have to say and determine whose ideas we like best.

Of course legislation concerning seniors should be on our minds knowing that anything for the good of this select group would also, in time, be good for all of the states populace, that is the group who are senior citizens and those who hope to become seniors, there is no alternate route.

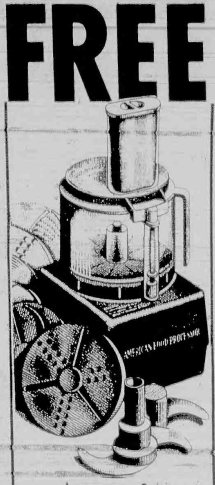

It is sometimes hard to know whom to vote for, those who are in office and hope to be reelected, can call attention to their record in the assembly or senate, they have established their reputation, be it good or bad, others who have never been in office, to our way of thinking, have a disadvantage because of this. We must as seniors take a long hard look at all of the candidates, looks could also mean charisma which could play an important part in the selection of any candidate.

First DeWitt celebrates merger with gala event

Mayor Michael Marotti and Finance Commissioner Joseph McGreevy were among the dignitaries in attendance at a gala cocktail party Friday at the Forest Hill Field Club to help celebrate the recent merger of DeWitt Savings and First State Savings forming the new First DeWitt Savings and Loan Association of Belleville, Bloomfield and Hopewell.

Over 100 people were on hand for the event hosted by John P. Dailey, chairman of the board of First DeWitt and Henrik Tvedt, president

and chief executive officer.

According to Dailey a two week merger celebration is scheduled to get underway this Tuesday and through October 21 with all five offices in Belleville and Bloomfield participating.

During the celebration prizes and gifts will be available for customers and friends of the new financial institution, added the chairman.

First DeWitt's main office is located at 463 Washington Ave. The Bloomfield branches are at 667 Bloomfield Ave., 20 Watsessing

Ave., 60 Belleville Ave., and at the corner of Broad and Watchung Aves.

Also attending Friday's affair were Merle Alshouse, president of Bloomfield College; Harold Brotherhood, president of the Bloomfield Chamber of Commerce; Harry French, president of the Belleville Chamber of Commerce; Dr. John T. Greed, superintendent of Belleville Schools; Presidents of the service clubs of both communities as well as the police and fire chiefs of Belleville and Bloomfield.

Round Table — Guests at the affair enjoy the festivities. Seated are Anee Sant'Ambrogio, Christella Clohosey, Carol Isemann, Marie Albinson and Caren Lommerin. Standing, l-r, are Chris Plaenge, Dee Davis, Anne Hicock, Lillian Tvedt, Blanche Leitzow, Astrid Bridge and Maude Ziegler.

Directors — Members of the First DeWitt directors strike a happy pose. Pictured, left to right, are Walter J. Davis, Frank H. Bridge, Daniel J. McCormack, Harry Ziegler, Herman W. Leitzow, John P. Dailey, Henrik Tvedt, August Plaenge, Jr., Henry F. Albinson, Clarence Lommerin and Michael J. Quigley.

Board Chairman — Chairman of the Board of First DeWitt is congratulated by Harold Brotherhood executive vice president of the Bloomfield Chamber of Commerce during a break in the hectic activities Friday.

Congratulations — Bloomfield Mayor John Kinder, left, offers congratulations to John P. Dailey, First DeWitt chairman, while Henrik Tvedt, right, First DeWitt president receives best wishes from Belleville Finance Commissioner Joseph McGreevy during a cocktail party Friday celebrating the merger of DeWitt Savings and First State Savings.

Friends — Friends of First DeWitt gathered for a mini-conference during the affair at the Forest Hill Field Club. Pictured, left to right, are Bryce Curry, president of Federal Home Loan Bank of New York; Thomas Clohosey, counsellor; William Lewis, deputy commissioner of the New Jersey Department of Banking; John P. Dailey, First DeWitt chairman; Henrik Tvedt, First DeWitt president; William Sievwright, chief examiner of the N.J. Department of Banking; Phillip Brief, Brief and Brief Auditors, and Phillip Weiler, Jr., senior vice president of Federal Home Loan Bank.

Standing Officers — Officers of First DeWitt take a break during the Friday party for a quick pic. Shown from left to right are Judith Cunningham, assistant treasurer; Helen Niemira, assistant secretary; Rosemary Delaney, assistant treasurer; John Isemann, vice president; Janet Candler, assistant secretary; Mary Bowen, treasurer; Marie Martino, assistant secretary; Robert Hicock, vice president; Rhoda Snow, secretary; Dorothy Nostrant, assistant secretary, and Henrik Tvedt, president and chief executive officer.

NURSE, RN

CHANGE YOUR PACE

Tired of rushing? Then you'll enjoy monitoring our employees' health in the quiet, relaxed atmosphere of a major life insurance company. Tired of going to bed when others are waking up? This full-time, permanent position has ideal hours: 8:40 AM to 4:40 PM. On a typical day you may perform limited physical exams and treat minor illnesses and injuries under the supervision of an M.D. Previous experience is not necessary, but you must be licensed in New Jersey.

We offer a good salary and a comprehensive benefit and retirement program. Please send resume or letter of application including salary history in confidence to: Personnel Department.

Seniors bowl Tuesdays too

Persons 55-years-old or over are invited to join the "Swinging Seniors" bowling group. The club is expanding its league to include Tuesday morning bowling at Valley Bowl. The group employs individual handicapping and groups participants in classes according to age. "Swinging Seniors" started in 1973 at Broad and Bay Lanes and later moved on to its present bowling site at Bell Clair Lanes. An increasing number of seniors want to bowl an additional day, but need more company. If you're interested in joining them, contact Charles Angus, 748-2399, Marie Becker, 748-6089, or Valley Bowl, 746-5535.

Pix delayed

A complete page of pictures of last week's Cozzarelli "Super-Picnic," in Lyndhurst, will appear in the next issue of the Times/News. Proceeds from the annual event benefit the mentally handicapped.

Imperiale's record 'diservice': Rogers

Frank Rogers, candidate for the N.J. Senate 30th District, this week launched a highly critical attack on incumbent Senator Anthony Imperiale, blasting his attendance record "as embarrassing to the people of the 30th District and a serious disservice to the people who elected him."

Imperiale has missed 83 percent of the Senate sessions which he was elected to attend and missed or failed to vote on crucial legislation," Rogers said. "All across the board, he has shown neglect and disregard for his district. His legislative record is the poorest of any legislator in the state and he has consistently failed to represent his constituents. On what basis is he seeking re-election?" Rogers inquired.

"I have been Mayor of my hometown of Harrison for 31 years and have never, in all of my experience, seen such a dismal performance by an elected official. He can't be counted on and has not kept his word. Bills affecting our schools, senior citizens, our taxes, crime, and scores of other vital matters have been voted on in his continuous absence."

The Rogers for Senator Campaign Committee also announced that Rogers was endorsed this week by Newark Councilman-at-Large, Anthony Giuliano. Giuliano is the second major official to endorse Rogers' bid to unseat Imperiale. Congressman Rodino was the first to endorse Mayor Rogers right after Labor Day. A spokesman for the Rogers campaign indicated several other major endorsements would follow shortly.

Rogers is running for the N.J. Senate with incumbent Democratic Assemblymen Michael Aduato and John Cali in the 30th Legislative District representing, in addition to Belleville, the North and East Wards of Newark, the Borough of East Newark, and the Towns of Harrison, Kearny and Secaucus.

'Cuckoo's Nest' next at playhouse

Family Playhouse, 28 Brookline Avenue, Nutley, will present "One Flew Over The Cuckoo's Nest" Oct. 28 through Nov. 13, Fridays and Saturdays at 8 p.m. and Sundays at 3 p.m.

"One Flew Over The Cuckoo's Nest" by Dale Wasserman was adapted from the novel by Ken Kesey. Kirt Douglas played the Broadway role, and Jack Nicholson in the movie, of a charming, devil-may-care rogue who contrives to serve a short sentence in an airy mental institution rather than a hard work in a prison. This he suddenly learns was a mistake for not only can his sentence here be indefinite, but he runs head on into the head nurse. In short, he takes over the hospital, leads the others out of their introversion, stages a revolt, and arranges a rollicking midnight party. His charm does not work on the head nurse, however, but only aggravates her.

Bellevillites studying theater arts at library

Bellevillites are being given a chance to learn about folklore here Johnny Applesed, to experiment in the fundamentals of acting and to operate a 16 mm projector — all at the Public Library on Washington Ave.

"Johnny Applesed Days" are part of an 11-week course taking

place in the Children's Room starting Saturday mornings. Programs focus on John Chapman, who spent 40 years of his life traveling the Ohio Valley.

Children attending the program will learn of the man's love of the soil, his deep religious convictions and his habit of planting apple seeds, which won him a place in American folklore.

While Belleville children are receiving knowledge to better help them understand our country's background, program chairmen of local groups will be able to learn to operate a 16 mm projector at a one-session program at 10 a.m.

The course is being presented by Kathy Mollica and Bob Kudrak, of the library's film department.

The third special the library lined up takes place on 11 consecutive Mondays. Ray Napolitano, producer at Family Playhouse, Nutley, is conducting the Theatre Arts program for Belleville residents.

After learning the fundamentals of acting, theater techniques and improvisation, the class will conclude its training and present a Christmas production at the library.

'Diablos' Guard auction tonight

The Los Diablos Color Guard of Belleville is sponsoring a Chinese Auction tonight at the Belleville Reform Church beginning at 7:30 p.m.

Donation is \$2.50 and must be paid in advance. For tickets, call 759-3312. They will be delivered by members of the color guard.
