

Mild Winter Means Savings For Taxpayers

Public Works May Benefit From Thaw

Snow, or more specific, the lack of it this winter, could mean a savings of several thousands of dollars to Belleville taxpayers. The Public Works Department, which maintains the streets during ice and snow storms, could realize the savings and it would be reflected in a surplus in next year's budget.

Commissioner Mary Senatore, director of Public Works, reports that the lack of inclement weather this winter has eased the burden put upon her workers. As a result, there is less wear on equipment, less tear on Town streets, and most important less overtime pay to be doled out. The absence of snow is benefiting both my department and the taxpayers," Mrs. Senatore said. "We still have two more months of solid winter but we are all keeping our fingers crossed. Up to now we have been extremely fortunate."

The Public Works Department enacts the duties of seven plows and two salting trucks when snow or ice falls. That equipment is now inactive but everyone is benefiting from that inactivity. According to Commissioner Senatore, the snow equipment is already old and outdated and each time a truck or plow goes on the road it depreciates that much more. Mrs. Senatore is speculating, however, that the new equipment, when the new

School Board Adopts Bill

Teacher Group Is Unhappy With Negotiations, Budget

By John Bunevich

Unrest by the Belleville Education Association and the slow moving pace of teacher negotiations overshadowed last Thursday's unanimous adoption of the 1972-73 school budget without modification by the Board of Education.

The school Board, after a public hearing, okayed a \$6,413,748 total budget figure for the February 8 election ballot. The budget reflects a \$238,116 or 4.8 per cent increase over last year's figures.

Thomas Testa, president of the BEA and teacher here, asked that the adoption of the budget be tabled for further consideration but he was

Back To Halt Crowding

Leonard Back, president of the Board of Education up for reelection, presented this week views on the overcrowded conditions in secondary schools here. He outlined current solutions and promised to strive to solve the problem.

Back presented in a press release several possibilities to halt the crisis. His release follows:

"I am committed to finding a solution to the overcrowding in the junior and senior high schools. Steps have been undertaken already to evaluate some of the financial and educational solutions to the problem. There are several possibilities:

1. Conversion of the senior high school to a four year high school with double sessions, i.e., part of the students attending in the morning, the balance in the afternoon.

2. Adding portable classrooms to two or more schools.

3. Converting to a 12 month school year.

4. Adding to the senior high school building.

Not only must the annual

(Continued on Page 5)

turned down by the School Board, Testa sought to hold up final passage in light of current teacher negotiations.

"Claiming there may be inadequate funds in the instruction account, which makes up 71.2 percent of the budget picture, Testa expressed concern that should teachers settle for more than is allotted for in the budget, other line items such as supplies, textbooks, etc., may suffer.

The BEA head wanted to table the adoption of the budget until the maximum date, set forth in the state statute as January 27. Should teachers settle before that date and the School Board has not yet adopted a final budget, Testa believes, then the instruction account could

be adjusted to the proper figure.

But Testa was refused by Board president Leonard Back and Board attorney Max Schwartz. Back, in his refusal, took into consideration the teachers' current contract, which calls for negotiations to begin October 21, 1971. But Back claims teacher negotiations didn't

begin until mid-December, citing "no excuse why talks couldn't have been initiated by the October 21 date" and speculating that "a contract may have been negotiated already" should talks have begun when they were supposed to.

Attorney Schwartz this week admitted that the (Continued on Page 2)

LACK OF SNOW means inactivity for this salting truck, being inspected by Commissioner Mary Senatore, Dept. of Public Works who benefit from mild winter.

ADMINISTRATORS of the Belleville School System, including the Board of Education, its staff and Anthony Grebo, superintendent of schools, yielded questions at School No. 8 Thursday in public hearing before adopting School Budget for 1972-73 year. All was not smooth at hearing as teacher group protested.

Fabian Charity Game Tickets Now Offered

Tickets for the upcoming N.Y. Jet charity basketball game at the senior high school are now on sale in several locations through the Town.

Sponsored by the Craig Fabian Fund, Inc., a local non-profit organization helping three disabled young residents, duets for the contest are \$2.50 each. The game will see the N.Y. Jets professional football team on the hardwood against the Craig Fabian Fund stars, the best players the Belleville Recreation League has to offer. The tilt will be played Saturday evening, Feb. 12.

Presently, the Fund aids three local young men, William Greco, Jerry Restaino

Candidate Evening Is Set

Monday evening Feb. 7 at 8 p.m., School Seven P.T.A. will welcome candidates seeking election to the Board of Education. Some members of the current Board of Education will be on hand to present and discuss the proposed budget.

The evening's program will feature a skit called "Patriotic Cats" which will be presented by the twenty-three Girl Scouts of troop 947.

All parents are encouraged to attend this vital meeting. Refreshments will be served by the third grade mothers.

See Bargains Tonight At Late Hours Sale

Another late hours sale has been scheduled for tonight by local merchants. Sponsored by the Belleville Chamber of Commerce, the sales night is run several times a year and benefits both local residents and merchants.

The sale will run from 6 to 10 p.m. with participating stores closing their doors for one hour, at 5 p.m., to mark down items being offered for sale.

Harry T. French, execu-

and Craig Fabian. Officials of the Fund expect a sellout and the N.Y. Jets will remain after the game for a special autograph session.

Besides purchasing tickets from any Craig Fund official, outlets include Jolly Clandins, Flowerama, BelleMeid, Zig Zag Bar, Circle, McGreevey's Tavern, Vuono's Tavern, Sportman's Haven, Guys and Dolls, P.J. McDonald's Bar, Vee Bee

Charles Miele Sympathetic Towards Overtaxed Citizen

Board of Education candidate Charles Miele this week told of the "increased expense to the taxpayer" to pay for quality education. His press release follows:

Almost since the birth of this country, one major institution has set it apart from other nations in the world, has underscored the democratic structure of its government, and given new energy to the philosophy of its founding fathers free public education. It began as a simple possibility. It welcomed the immigrant, and renewed his belief in the future. It took youngsters out of factories and mines, put them into classrooms, and opened avenues to them which they and their parents might never have dreamed of. It promised a classless society and became the safeguard of free-

doms secured by the Constitution.

In less than two centuries, it has become the key to better and better living for

increasing percentages of our young, not simply through an eight-year education or a twelve-year education, but (Continued on Page 5)

high school to a four year high school with double sessions, i.e., part of the students attending in the morning, the balance in the afternoon.

2. Adding portable classrooms to two or more schools.

3. Converting to a 12 month school year.

4. Adding to the senior high school building.

At Commission Meeting

Mike Marotti Blasts Senatore Resolution

Commissioner Michael Marotti leveled a full barrage at Mrs. Mary Senatore's proposed resolution Tuesday night at a public meeting which led to the death of the bill. The resolution called for \$4,000 to be paid to an area contractor resurfacing streets this summer.

Originally, Greco Bros. of Newark, entered a contract with the Town that called for 12 streets to be resurfaced here. After the work was completed, the construction firm told the Town it needed an additional \$4,444 to cover material costs. The basic contract was for \$15,282 but Greco Bros. saw fit to ask for \$4,444 more after the work was completed.

"This came as a complete

surprise to me," remarked Mrs. Senatore, after the Commission meeting. "We (the Commissioners) discussed this in caucus this morning and I thought we came to an agreement."

Marotti, after the resolution was introduced by Town Clerk Eugene Barnett, vented his feelings, stating "I don't think we should pay it," referring to the additional \$4,000. Marotti questioned why the additional funds.

"We gave the contract for \$15,000 and we should pay only that," he added.

Mrs. Senatore, obviously upset and surprised by Marotti's questioning, answered "They used a lot more tonnage than was required for in the bid."

"Let the Mayor handle it," she concluded.

Mrs. Senatore, who introduced the resolution for the first time Tuesday, indicated that she would not bring it up a second time.

"Let the Mayor handle it," she concluded.

neer and two inspectors watching this job," Commissioner Senatore said in defending herself.

"I could be a contractor and after the job is completed ask for another \$5,000 if I want," Marotti shot back.

After the heated words, Town Clerk Barnett asked for a second motion on the resolution but none was given. The bill was then declared dead. Barnett, after the meeting, said the resolution could be entered again at a later date.

Mrs. Senatore, who introduced the resolution for the first time Tuesday, indicated that she would not bring it up a second time.

First-time candidate Carl C. Garofalo, a plumber here who is bidding for a seat on the local School Board, this week offered suggestions on how educators can help recreation projects in Belleville.

Garofalo, who has been campaigning for lights at the School No. 8 Clearman Field lot, would like to see the site utilized for high school grid practices on the jayvee and sophomore team levels. His release follows:

"What about recreation for all the children in Belleville? Do we have it? Not we have a fine organized recreation program thanks to Mr. Cook and Mr. Ceres, but we haven't any supervised recreation."

A boy who cannot meet the requirements of organized sports because of age, weight, etc., what about him? Where does he go after dark?

I have been asking for lights in Clearman Field for three years, and the reason I was given for not having lights there is because the J.V. and the Sophomore football teams use the field for practice between September and December.

As taxpayers in Belleville we had to pay of course tax increase to Essex County, in return we received nothing from them.

On Belleville Ave. we have Soho Hospital, Hendricks Field, Golf Course and Branch Brook Park; all non-taxable land which belongs to Essex County.

G. Fred Burlazzi, candidate for the Belleville Board of Education, in a news release to this paper, urged all Belleville voters to be sure to vote for the candidate of their choice February 8. The polls will be open at 2 and close at 9.

Burlazzi noted that only 3,904 persons voted the last Board of Education election out of over 17,000 registered voters. Burlazzi re-affirmed

36 Years Enough Tax Collector Calls It Quits

RELAXING in his 208 Stephens Street home is former Town tax collector William J. Friel. After 36 years of service to Belleville, Friel retired this month. Here he catches up on latest Times-News items.

William J. Friel of 208 Stephens Street retired this month after 36 years of active service with the Town. For 26 of those years, he held the title of tax collector.

"I had mixed emotions about leaving the position after so many years," said Friel. "I served my time and was glad to be of service to the taxpayers here. Most important is that I went out with a clean record."

To this day, Friel still remembers the advice he received 26 years ago when he first took over the tax collector post. The words of wisdom came from the late William C. Knapp, whom Friel replaced.

"The first day on the job I was told by Mr. Knapp the secret to being a good tax collector," Friel continued. "He told me, 'Bill, you will be handling a terrific amount of money, but remember, not one cent is yours.'"

A lifelong resident of Belleville, Friel first began his work in Town Hall as a bookkeeper in the Revenue and Finance Department under Mayor William H. Williams. Friel was 27 years old then. He was appointed to the post May 8, 1936.

Educated in the Belleville School System, Friel was a bookkeeper here until 1942, when he enlisted in the U.S. Navy as a third class petty officer. Assigned to the amphibious forces, he saw war action in the Pacific Theater and participated in the assaults on Guam, Iloilo, the Philippines, and the initial in-

(Continued on Page 3)

He Seeks A Postponement

Budget Is Adopted But Testa Protests

(Continued from Page 1) School Board could have postponed adoption until January 27 but added that it was "their prerogative to pick a date of their own choice."

"We have the right to select our own date," Schwartz reiterated. "Once the public hearing is concluded the School Board must pass the budget."

Negotiations with teachers is making little if any progress. A meeting was scheduled yesterday to resolve some differences in what the teachers want and what the School Board is willing to give but little or no fruits is expected from those talks. At a general meeting of teachers Monday afternoon, a resolution "committing the BEA to what the Essex County Education Association decides upon" was unanimously adopted.

Testa attended a county-wide meeting of teachers Tuesday and he reports that teachers, to gain more strength on the local level, will ban together county-wide. According to the BEA president, there is still quite a gap in negotiations.

"We want to keep on talking with fair play through good faith negotiations. No one likes to walk out," Testa stated. "But teacher groups at the local, county and state level are putting pressure on to get a clear interpretation of Phase II of the salary guide."

Of the 21 school districts in Essex, talks have been stalled in five. Local school boards in the county are offering teachers a 5.5 per cent increase, the maximum allowable under the recent Pay Board pronouncement. The disputed area is whether included in the 5.5 per cent is normal salary increments or fringe benefits. School boards have claimed the extras should be included. Teachers, on the other hand, claim they should receive the 5.5 per cent plus increments.

In Belleville, Town employees received the "maximum increase plus scheduled increments. Teachers here first asked for 7.7 per cent plus increments but, according to Testa, "the figure has come down since then."

Public Works Too

Taxpayers To Benefit From Lack Of Snow

(Continued from Page 1) budget comes out next month and the savings on snow operations this winter may help her cause.

Administrative clerk James Soldo reports that only \$7,000 is put aside for storm appropriations in the Public Works budget. Most of the money needed for snow operations comes from the sewers and streets allotment. The department has already realized a \$12,000 surplus from sewers and streets in last year's budget and the savings may even be higher when next January rolls around.

What has hurt the Public Works budget is the emergency funds already needed this summer for the severe electrical and heavy rain storms. Mrs. Senator reports that over \$20,000 was spent this summer to alleviate flooding here. Although "it wasn't necessary to request state help, the summer spending did leave a hole in emergency fund appropriations. Of that \$20,000, the Town will get back about \$9,000 from the State Flood Control Agency.

Last winter, Public Works was called upon 20 times to remove snow or ice from Belleville streets. To date, workers have salted streets here only once this winter. Most of the expense of keeping Belleville roads clear during storms comes from overtime wages and the purchase of salt. No snow this winter means no overtime being paid while no ice adds up to no more purchasing of salt.

In the winter of 70-71 the Town purchased almost 700 tons of salt, a big expense. This year there has been no purchases and the Department is still stocking 90 tons left over from last winter. The entire Public Works Department is called in during snow operations while four to five employees are assigned to salting down streets.

Tax Collector Now Retired

(Continued from Page 1)

vasion of Oakinowa on Easter Sunday, April 1, 1945. Friel was discharged from the Navy in 1945 as a chief petty officer.

In November of that same year he returned to the employ of the Town; this time as a sr. clerk in the Revenue and Finance Department. On December 1, 1946, Friel became the new tax collector after being appointed to the position by Mayor Williams. Friel was reappointed to the post by James Tully and twice by Isadore S. Pedula.

Friel served under both the Commission and the Council form of government and from experience prefers the Commissioners. He cited more cohesion on the part of Commissioners as opposed to the bad experience Belleville suffered under the now defunct Council. "Under the council manager's ruling there was too much authority in one man's hands," Friel stated. Responsibilities of the tax collector, of course, have increased over the years with the amazing growth of the Town. According to Friel, more homes means more tax bills and consequently more work for him. He cited many examples of housing developments adding to the population of the Town and to the tax roles, but foremost in his mind is the 400 homes making up the Rutan Estates, formerly Plenges truck and vegetable farm.

Married to the former Mae O'Brien, also a lifelong resident of Belleville, the couple was wed Armistice Day, November 11, 1943, and according to Friel, "the battle has continued ever since." Their son, William J. Jr. also resides in Belleville. A graduate of Ft. Lauderdale U., he also attended the local school system. William Jr. is married and works as an accountant with Supermarkets General in Woodbridge. To date, the Friels have no grandchildren.

Besides collecting his pension and social security, Friel now does real estate work with DeMunter Realtors, 510 Franklin Avenue, Nutley, where he is a licensed salesman. His years as tax collector helped him immensely in his present job.

Friel pointed to the inadequacy of the facilities at Town Hall as a major discomfort during his later years as tax collector. He believes the Town should erect a new building to house its departments.

"Back when I started there was ample room," he remarked. "But now everyone there is cramped for space. The people are fine but it makes it more difficult to perform your job correctly."

Being Drunk Costs \$100

A 31-year-old Belleville man was found guilty of being drunk and disorderly Thursday in Belleville Municipal Court.

Walter Burken of 9 No. 8th Street, was fined \$100 by Judge Edward Abramson after he pleaded guilty with an explanation to the charge.

Burken stated that at 1:15 a.m. January 2, he had arrived home intoxicated and went to bed, but a neighbor, Robert Tanfield, testified that Burken had been yelling in Tanfield's apartment and banging on the windows, causing Tanfield to call the police.

Legislative Reorganization

Since Tuesday, January 11, when the New Jersey Assembly organized with Essex County Assemblyman Thomas Kean as Speaker, the state has been bombarded with rhetoric from dissident Democrats and a group of Republican legislators condemning the agreement entered into between the Republican members of the Assembly and a block of Democrat Assemblymen led by Hudson County Assemblyman David J. Friedland. Before a judgment is arrived at, it might be well to analyze the problems facing the members of the New Jersey Assembly on January 11. The Lower House of the Legislature consists of 80 members. The November election results produced 39 Republican Assemblymen, 40 Democrats and one Independent, former Newark Councilman Anthony Imperiale.

Forty-one votes are required to name an Assembly Speaker and organize the Assembly. Democrat George Richardson, a black Assemblyman from Newark, speaking for five other black Assemblymen, said under no circumstances would they enter into an agreement with Independent Anthony Imperiale to obtain a majority to organize the New Jersey Assembly. Richardson's statement followed closely upon the heels of a statement by Governor William Cahill who advised Republican Assemblymen not to make any deal with Independent Anthony Imperiale because Cahill did not believe that Imperiale's political philosophy was compatible with the Republican Party's policy.

Neither major party was able to command the 41 votes to organize the Assembly on Organization Day, January 11. It is obvious that an agreement had to be reached either between the full membership of both major parties or an agreement involving the membership of one major party which could attract at least two members of the other major party — absent an agreement with Anthony Imperiale.

Assemblyman Dave Friedland has been representing Hudson County in the Assembly for several years. His performance

as an Assemblyman was unimpeachable and above reproach. As a matter of fact in the years that Assemblyman Friedland has served in the Assembly, many major pieces of legislation were adopted in part because of the support of David Friedland.

Both major parties on Tuesday, January 11, had an obligation to the citizens of New Jersey to organize the Assembly and get on with the business of adopting laws that would continue to move New Jersey ahead.

So — since the Democrats were unable to command the vote of 41 Assemblymen, the Republicans succeeded where the Democrats failed. As a result Assemblyman Thomas Kean of Livingston, one of the more capable Assemblymen to ever serve in the Legislature, the possessor of a proud New Jersey family name, was elected to organize the Assembly and lead it during the next 12 months.

The agreement arrived at by Tom Kean, his associates, Dave Friedland and his associates, was arrived at in the open, and right there on the floor of the Assembly Chamber. There were no dark deals in a smoke-filled room between power brokers who operate behind the scenes.

The agreement was openly arrived at in full view of Assemblymen, the public and the press.

We see nothing wrong in the action of Tom Kean and his associates. They properly saw the priority responsibility to the public on January 11 was to organize the Legislature — and this they did. So now let us trust the Legislature will tackle the problems — and they are massive — that confront the citizens of New Jersey.

We commend the Republican leadership for demonstrating responsibility to the public by organizing the Legislature in the only way the unique election results permitted — agreement with members of the other major party.

Frank A. Orechio

Child Costs

A recent study ordered by the Commission on Population Growth and the American Future indicates it takes about \$40,000 to rear a college-educated child. In addition, if the mother worked rather than have a family she might have earned an average of \$60,000.

The study indicates the present-day cost of having a baby at \$1534. The cost of rearing a child who doesn't attend college

is estimated at \$20,010 to \$32,830. The cost of a public university education is put at \$5,560, a private university education at \$11,972.

In short, our darlings are expensive. But most mothers and fathers, would agree they're worth it. Carried far enough, people could save all child expenses, having no children. What an empty, meaningless life it would be!

Seems Only Yesterday

Budget Package Is Aired At Public Hearing Here

By Elaine Auerbach

One Year Ago

The Belleville Police Department announced that it was suspending alternate side of the street parking regulations until March 15. Police Chief Joseph Smith said he was taking the action because "enforcement of alternate side of the street parking is not achieving the intent of the local ordinance" because of winter conditions.

The intent of the ordinance according to Chief Smith, was to aid the Public Works Department in sweeping streets. Smith said that the road sweepers were unable to operate effectively in winter and indicated that ticketing would be unnecessary.

The Belleville Board of Education was to present a \$4,863,441 tax package to residents at a public hearing, but with the teacher salary schedules unsettled, the figure was expected to change considerably before voters went to the polls on February 1. The teachers and the Board were expected to meet with a state mediator from the Public Employee Relations Commission (PERC) — the first negotiation gathering of the parties since salary talks had broken down in mid-January.

Five Years Ago

On January 31, the citizens of Belleville would go to the polls to vote in one of the most crucial elections in the town's history to decide whether Belleville needed a change of government from Council-Manager to the Commission form of government. A group which had come out denying that the change was needed, stated, "A good government is one which provides for an efficient administration in the interests of the people, at minimum cost and without impairing the loss of essential services. This is what we have in our present Council-Manager form of government."

Susan Long, of 393 Washington Avenue, a 16 year old junior at Belleville High School, was to represent the Lions Club as its entry in Lions International's \$50,000 Peace Essay Contest. Susan was the right to represent Belleville by coming out on top in a field of 32 contestants. Susan's essay was selected the best of the 32 entries by a panel of three judges: Paul de Hagara, Herman Knuppel, and the Rev. William Dike. She received a \$25 savings bond and the chance to compete for a grand prize scholarship worth \$25,000.

Ten Years Ago

Salvatore LaMorte, employed by the town as a senior addressograph operator, was recommended by Commissioner Harry J. Sullivan as court clerk for Belleville. The appointment needed the approval of Magistrate Edward J. Abramson. Belleville had been forced to seek a clerk after a Supreme Court ruling forbidding persons in the police department from conducting court clerk duties had been made into law. Charles Tedesco, court clerk for 14 years, had been forced to resign because of the high court of decision.

The Essex County Prosecutor, Brendan Byrne, ruled that a Belleville paving contract extended from \$5,735 to \$14,879, was legal. Byrne said a man's investigation showed there was no evidence of criminal intent in the contract. The issue arose when the town commission authorized payments totaling \$14,879 to Franklin Contracting of

Little Falls, an increase of \$7,896 over the original contract. James R. Golden had brought the question before the prosecutor, claiming that he would appeal the decision. Prosecutor Byrne commented that there was nothing in the contract that warranted grand jury action.

Fifteen Years Ago

Sale of the Plenge Farm for use as a home development site was announced by Attorney Everett B. Smith, representing the Plenge Estate. The farm, located in the extreme northwest section of town and extending into Nutley, was the last large tract of undeveloped land in town. The 45 acre farm was sold to Ratan Estates, Inc. of Newark, a home development firm which had developments in Union and Short Hills. Although none of the parties involved were willing to disclose the actual amount of money which had been exchanged, it was learned from reliable sources that the property brought about \$222,000 an acre.

Rabbi Albert Raab, of Congregation Ahavath Achim, announced his resignation as spiritual leader of the local congregation, effective February 1. Rabbi Raab was leaving Belleville to assume a new post at Bay City, Michigan. Charles Rosenberg, president of the Ahavath Board of Directors, announced that the trustees had accepted Rabbi Raab's resignation with "deep regrets."

Twenty-Five Years Ago

The Board of Commissioners passed on first reading an ordinance regulating the location of buildings intended to be used as motor vehicle service stations. The Texas Oil Company had applied for a building permit for a service station at the corner of Greylock Parkway and Washington Avenue. After an argument with property owners of the area which lasted for about ten weeks, the board had declared the issue dead and had finally passed an ordinance restricting gas stations throughout town.

Wayne L. Parmer, general superintendent of the Belleville School system for 17 years, emphatically denied rumors that had been circulating town hinting that he would retire within a year or two. Declared Mr. Parmer: "I have never felt better in my life. I still feel I am well qualified to do a satisfactory job as superintendent of the local school system, and I have no intention of retiring in the near future."

Forty Years Ago

The Belleville Police Department was marking its silver anniversary. On February 1, 1907, four men went on their first police detail with Michael J. Flynn as their chief. The three patrolmen who started with Chief Flynn were Charles Pearl, William Swinn and Joseph Hanna. Chief Flynn, happily celebrating his twenty-fifth anniversary, commented that the strength of the department was derived from the agreement among many police authorities that there should be one patrolman for every 750

George E. Stewart of 125 Smallwood Avenue presented a petition containing between 700 and 800 signatures to Commissioner Williams at a meeting of the Board of Commissioners. The petition recommended that Mary Anderson, a clerk in William's department, be retained. Miss Anderson had been asked to resign because she was not a citizen of the United States.

Speak Up!

We Need Shakespeare's Gifted Talents

To the Editor:

If Mr. Hamilton had not written his letter we would not have been privileged to read Mr. Maurello's reply. My thanks therefore go to both, although I derived greater pleasure from Mr. Maurello's letter. It brought back some of the thrills one gets from a "guided tour" of Shakespeare. How much more interesting does Shakespeare become in the hands of a guide like Mr. Maurello!

I hope Mr. Hamilton's reply to Mr. Maurello will encourage the latter to write another gem for us. He will be exhilarated by writing it and we will enjoy reading it.

A word to Mr. Hamilton. Life, after you leave school, has its difficult, repetitive, dull moments. It takes a Shakespeare to lift some of the harshness and boredom from our living of it. Furthermore, much of life is more understandable after reading Shakespeare. Thus, it is not enough to say "I am living the play of my life. Why do I need Shakespeare's play?" We do need Shakespeare's plays.

Very truly yours,
Dr. Michael Roachvarg,
132 Washington Avenue, Belleville

Thanks Public Works Help

To The Editor:

Many times there is adverse criticism of this town, but as a taxpayer, I would like to express my appreciation to the Belleville Police and the Department of Public Works.

Recently, I had a sewer blockage between my house and the street. Being a Saturday afternoon, I couldn't locate a plumber, so on the advice of a friend, I called the Police, who kindly said, "We'll see what we can do." In a short time, two men from Public Works Department arrived and solved my problem.

Being a widow, all I can say is there are kind people here and in my prayers I thank God for all the wonderful deeds that have been done for me. Whenever I have asked for assistance from the Police or other Departments, it has always been given in a kind way. I'm very thankful to live in an area where we have such excellent services. It means so much to know that others care. To all you find people serving this town, I wish you a Merry Christmas, and a Happy New Year.

Sincerely yours,
Mrs. Leonard R. Keeney
487 Union Avenue
Belleville, N.J.

Bulletin Board

The Times publishes the Town Bulletin Board as a public service, not only to assist individuals in planning social calendars but as an effort to eliminate conflicting dates among local organizations. Club secretaries and program chairmen wishing to clear a date for a future activity may call the Times 759-2200.

Listings for the Town Bulletin Board must be written and submitted to The Times two weeks in advance of publication.

There is no charge for the Bulletin Board listing but events should be limited to those of general interest. Be sure to mention dates, time and place for each event being listed.

TODAY - JANUARY 27

Feb. 6 (Sun.) - 2 p.m. - Knights of Columbus, Belleville Chapter 835, Spelling Bee - Coz'ADA Hall.
Feb. 9 (Wed.) - Junior Woman's Club of Belleville Fashion Show to benefit the Ruth Gotch Kidney Foundation.

Pesticide Control To Become Environmental Controversy

stayed close to Massachusetts, where it was introduced, for nearly a century before DDT was applied to woodlands. That's when the moth began its still rampant spread.

We don't object to anybody using a short lived pesticide (such as bacterial sprays or even Sevin) to protect trees in their yards, along their streets or elsewhere on their property where ornamental and aesthetic values are at stake. Just so the application does not become a blanket treatment where a woodland ecosystem will suffer.

The U.S. and New Jersey Departments of Agriculture are once more contacting municipal governing bodies with offers of assistance for woodland spray applications.

MEMBERS of the Pesticide Council, who will be getting arguments for biological control, we see as pesticide assaults on gypsy moths are:

C. William Haines, Sr., a Moorestown fruit grower; Dr. Raymond Klatt, a Princeton toxicologist; Dr. John McManus of Madison, an ecologist on the faculty of Fairleigh Dickinson University; Mrs. Joseph Davis of Bloomfield, a conservationist; William Parkhurst III, a Hammonston pharmacist; and George Mahr of Chatham, an attorney. Also automatically on the Council because of their jobs, are the state Secretary of Agriculture,

Health Commissioner and the Dean of the College of Agriculture and Environmental Sciences at Rutgers University.

Biological controls, introducing various insect enemies of the gypsy moth, are vastly preferable to aerial pesticide spray because they are selective, attacking the target organism so that the rest of the complex balance of life forms in a woodland can remain healthy.

INCIDENTALLY, just to raise an interesting point about pesticides, sometimes nature puts natural pesticides under our noses without our realizing it. I said noses because a recent issue of the magazine Science tells us that two scientists in India have isolated chemicals in garlic which appear to have great potential as pesticides.

It has been found that natural garlic oil can kill at least some kinds of mosquito larvae, aphids, cabbage white butterfly caterpillars and the Colorado beetle larvae. Among them are species which have in the past been targets of DDT, now fallen into general disrepute because of its persistence and ultimate occupation of the bodies of humans and lesser species.

I'M NOT advocating using garlic oil or anything else as a pesticide until potentially adverse side effects are checked out, but wouldn't it be nice if New Jersey farmers could find garlic both an expanded cash crop and the source of homemade natural pesticides?

By David F. Moore

SOMETIME this month the pioneering New Jersey Pesticide Control Council will sit down in Trenton at its first meeting, and begin wrestling with some of the most controversial environmental arguments yet seen in this country.

Nobody who is tuned in on the environment and its downhill progress can find any controversy in pesticide questions. This sector of society (mine) is alarmed at mounting evidence of long-term damage to ecosystems and man himself because of shortsighted and injudicious use of chemical pesticides. I think the term "overkill" best describes what's been going on.

There's another side, and hence the controversy. That side consists primarily of agriculture and chemical interests and their associates in various levels of government which deal with agriculture. From that sector come vehement warnings that mankind will starve or die of pestilence, or both, if the "subversive, probably Communist-inspired environmentalists wipe out pesticides."

It's going to be the chore of the Council to weigh evidence and make recommendations to Commissioner Richard J. Sullivan and the New Jersey Department of Environmental Protection, which thanks to the state's Pesticide Control Act of 1971 is now empowered to regulate the sale, labeling and use of pesticides.

THE DEPARTMENT can ban or restrict pesticides which are judged to be dangerous to man, wildlife or the environment. The policy of the Department will be to mandate the use of the least harmful product, and to encourage the use of biological controls instead of chemical pesticides whenever practical.

It's not certain that one of the first embroilments the Council and George L. Beyer Jr., chief of the Department's new Office of Pesticides, will face is the question of what to do about New Jersey's recurrent gypsy moth infestation. This is a dilly, because the gypsy moth larvae attack trees, with sometimes fatal results, and this sets off a public reaction which pays high tribute to everybody's innate environmental feelings, if not their scientific judgment.

Most environmentalists are convinced that massive spraying of woodlands to kill gypsy moth larvae kills so many other species which happen to be present that the forest suffers more from the spray than from the chewing gypsy moth larvae. It happens that any native species which might attack the gypsy moth (that's what biological control is all about) also gets killed, one way or another.

I SUSPECT that now-discontinued massive aerial spraying of DDT and other pesticides actually made the gypsy moth population explode and spread across the north-east for this very reason: At least the moth

Mrs. Izzo Cautions Residents On Doings Of Jr. High Youths

(Continued from Page 1)
of a few. Her release follows:
The main objective of the Walling Report is to discredit the six-three-three system which was adopted 1965. Under the guise of concern for the overcrowding this superficial document recommends building additional rooms at the expense of the already overtaxed property owner and moving the ninth grade.
Mrs. Josephine Izzo, Board of Education candi-

date cautioned parents not to accept too hastily the rumors which are now circulating about disciplinary problems and incompatibility of 12 year olds and 14 year olds.
The transfer of the ninth grade to the Senior High as a means to alleviate the overcrowding in the Junior High is regressive and a very large step backward. The six three three system was adopted to make available to the elementary school student a

more progressive curriculum two years earlier than had ever been done before in the history of education in Belleville. These needs and goals have been more than realized.
Besides getting home economics, mechanical drawing, typing and music and art courses these students receive valuable training in lead-

ership which is perhaps the most important by-feature of the junior high set up.
They have a complete school of their own free from the restrictive rulings which are designed for the immature and yet enjoy an individuality which no freshman class ever achieves.

L. Back Views School Crowds

(Continued from Page 1)
costs of these alternatives be analyzed as to the financial aspects, it is also necessary to analyze the educational benefits or disbenefits of each. In order to make financial comparisons, the President of the Board of Education created an architectural committee comprised of the Vice President of the Board and five lay members to recommend an architect for the purpose of determining the cost of adding to the high school.
At this point in time, the Board of Education has not arrived at a conclusion rela-

Candidate Burlazzi Lists Election Plank

(Continued from Page 1)
principles are:
(1) Reaffirming the principle that education is a form of discipline and respect for discipline will within itself improve our school system.
(2) Agreeing that a spirit of cooperation between students, teachers, administrators, and the town commission is necessary in developing solutions to current problems.
(3) Recognizing that the taxpayers in Belleville are already over taxes and that relief must be sought if our community as we know it is to survive.
(4) Realizing that we are in changing times and that a conservative approach to our problems is the best avenue to long term solutions.
Burlazzi, S.R.A., A.S.A.,

tive to the alternatives. All solutions must be explored not only are varied costs involved, but the future of the high school accreditation and quality of education are factors for serious consideration.
My purpose in seeking reelection is to strive to bring together all the factors necessary for the Board of Education to make the decision necessary to correct the present overcrowded facilities in our secondary schools. I hope to continue the same dedicated effort the next three years, as I have during the past three years in achieving this objective.
His appraisal background includes the completion of land utilization and market studies, reuse appraisal, rehabilitation feasibility studies, "as is" and acquisition appraisals, and assisting in the planning of a number of urban renewal projects. Burlazzi has experience in processing 312 loans and 115 grants. He has experience in the negotiation of properties for acquisition, demolition, and reviewing of appraisals.

Lengthy Release Seen

Miele Adds To His Position In Bid For Seat On Board

(Continued from Page 1)
through college and graduate school. During the years, its goals have remained simple: literacy for all; an understanding of how to live with others, how to improve conditions that exist, the liberty to dream and the opportunity to fulfill those dreams. No better goals could exist.
With time and improvement, however, has come increased expense to the taxpayer. Has it been worth it? Is it worth working hard to protect? Of course it has, and of course it is. Anyone who has ever watched his young-ster learn to multiply or discover the excitement of his story-or memorize his first poem, any mother or father who has seen his son graduate from medical school or his daughter become a teacher, or an engineer, or a social worker knows that its worth it. But we know, too, that we cannot be so naive or irresponsible that we fail to acknowledge that a careful balance between quality education and its cost is also a goal. And such things are only possible through sound management.

Members of the Board of Education in a community serve not only as the peoples' representatives, but they must also fill a role that runs the gamut between a dependable clerk and a foresighted individual on a board of directors. They are the intermediary between the people and the educators, and they are also the students of change, investigating what new solutions for old problems other communities have discovered, deciding whether or not such solutions fit their community, and, if they're compatible, translating those procedures into the terms of their own local educational system and its facilities. To do these things, some knowledge of business practices is a prerequisite, and a willingness to check and double-check, and experiment when possible, with new equipment is basic. Even more impor-

tant, is the need to know the town with which children are dealing.
As a parent with children in the Belleville schools, I am certain that I am qualified in the latter area. I have been an active member of the HSA and PTA for many years, and a strong supporter and volunteer worker in activities for the young. In addition, I am a businessman with a good deal of experience in management

problems, and I am a taxpayer who understands the taxpayers problems. I like this town, that's why I live in it, and I want to help insure its future.
Progress means many things to many people. To the people of Belleville, I believe it means a viable solution to obtaining at least ninety per cent service for their tax dollars, quality education, not at a bargain rate, but at a rea-

sonable cost. I also believe that such a thing is possible only if men and women who have already proven their interest and knowledge in this area are elected. The Board of Education should not become a political stepping stone. Nor should it become the battleground for political power struggles. Sixty per cent of the Belleville tax dollars goes to the Board of Education for its use.

PROGRESS REPORT '71 to our 3.5 million members

1971 was a year of many important accomplishments for New Jersey Blue Cross and Blue Shield and for the members we are privileged to serve. It was a year that included record payments for members' health care, effective-dollar-stretching programs, and new procedures to efficiently and economically serve our 3.5 million members. Here are some of the highlights:

- Jointly, we paid over \$344 million for members' health care. During the year we kept our operating expenses low... only 5.6¢ of each membership dollar, compared to the operating expenses of commercial insurers.
- During 1971, as contractor for various governmental programs — Medicare, Medicaid, Federal Employees Program, CHAMPUS — we paid over 4 million claims totaling \$188 million.
- More hospitals joined programs for Pre-Admission Testing (PAT), which has been proven successful in reducing hospital inpatient stays. A six-month study showed that hospital stays involving PAT were as much as 1.6 days less than for non-PAT cases for the same diagnosis.
- Our dollar-stretching programs are being reinforced through Coordination of Benefits (COB) which helps prevent duplicate payments for the same health care services, and strengthening of Approval by Individual Diagnosis (AID), which requires recertification of the medical necessity for prolonging hospital stays.
- New benefits were developed placing increased emphasis on lower-cost hospital outpatient and non-hospital services, including coverage in contracting nursing homes and in the patient's own home under approved programs.
- Our administrative capabilities were strengthened when, for the first time in over five years, all Blue Cross and Blue Shield main office employees, previously working in six scattered locations, centralized at 33 Washington Street, Newark.
- We announced development of Medigroup — a new program based on the pre-paid health maintenance concept. An alternative to traditional Blue Cross and Blue Shield programs, Medigroup, which will be first introduced in the Trenton area, holds great promise of future savings for members.
- We undertook administration of the new program introduced by the New Jersey Dental Service Plan. At year's end, enrollment had reached 10,000 members.
- During 1972, we will continue to introduce new programs and to emphasize dollar-stretching techniques that will continue to assure the very best value for your health-care dollar.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Tri-Town Group Attends State Board Meeting

Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley had 11 members in attendance at the State Board Meeting of the New Jersey Federation of BPW Clubs on Saturday, January 15, at the Holiday Inn in Trenton.

Dr. David W. Blakelee, Faculty Member and Associate Dean for international programs and the internship program of the Graduate School of Business Administration at Rutgers University, gave the keynote talk. Dr. Blakelee is overseeing a one-year management development program in Bucharest, Romania and has recently returned from a four-month visit to eastern Europe as an exchange professor. With that background, he spoke of the expanded-trade and investment potentials in that area and how New Jersey business can participate in that expansion.

Also participating in the luncheon program were Mrs. Mary G. Roebeling of Trenton, chairman of the Board of the Trenton Trust Company, and Presidential appointee on

the Citizens Advisory Council to the Commission on the Status of Women, and the Hon. William E. Schluter of Pennington, Senator-elect of Mercer-Hunterdon Counties.

BPW members were informed that the Equal Rights Amendment is due on the floor of the U.S. Senate in early February and were asked to write to Senators Case and Williams asking their affirmative vote. They were also urged to attend the Leadership Development Seminar at Upsala College in East Orange on April 22.

Tri-Town participants at this day-long Board meeting hosted by the BPW Club of Trenton with Mrs. Winifred B. Brady as president were: Mrs. Joseph Mulligan, Mrs. Lillian Westcott and Miss Frances Williamson of Belleville; Mrs. Mary Ellis, Mrs. Frances Foley, Miss Gudrun Hansen and Mrs. Hazel Walker of Bloomfield; Miss Helen Hunt of Glen Ridge; Miss Irene Weyer of Newark; Mrs. Marion Johnson of Nutley and Mrs. John Kellerman of Verona.

Home and School Association Meets

The Home and School Association of Montgomery School No. 2 held its Budget Night meeting on January 18. A member of the Board of Education discussed the 1972-1973 school budget.

A nominating committee was appointed to select a slate of officers for the coming school year.

The general membership was brought up to date on the progress of Project Heartbeat.

Proposed By-Laws changes were voted upon at this meeting.

Winter Engagements Announced

Miss Lynn Walker

Lynn Walker, Leif Larsen Jr. Will Be Wed

Mr. and Mrs. Peter Walker of 10 Harsand Place and Green Pond announce the engagement of their daughter, Lynn Florence to Leif Wagner Larsen, Jr., son of Mrs. Leif Larsen and the late Mr. Larsen of Lake Telemark.

Miss Walker, a graduate of Belleville High School, is a junior at William Paterson College where she is majoring in English and secondary education.

Mr. Larsen, a graduate of Morris Knolls High School, is a carpet installer with Lynn Carpet Services of Lake Hopatcong and also attends Morris County College.

Tax Expert Will Address Twin Parents

John Amato of the tax firm of H&R Block will address the Mothers of Twins Club of Essex County this evening at Holy Trinity Episcopal Church, West Orange.

Mr. Amato will deal with recent changes in the tax laws particularly as they affect the family, common deductions people overlook and when it is essential to call in an expert. A question and answer period will follow his talk.

Tonight is also Fathers' Night and all dads of twins and triplets have been invited to join their wives for the evening.

The meeting will start at 8:15 p.m. Refreshments will follow the program.

English is a funny language. A fat chance and a slim chance are the same thing.

Miss Janice Jablonski

Miss Jablonski, George Riepe Are Engaged

Mr. and Mrs. Frank Jablonski of Kearny announce the engagement of their daughter, Janice to George Robert Riepe Jr., son of Mr. and Mrs. Riepe Sr. of 23 Montgomery Place.

Miss Jablonski, an alumna of Kearny High School, attends Jersey City State College. A senior she is majoring in fine arts and is a member of Delta Sigma Phi sorority.

Mr. Riepe, a graduate of Belleville High School, is a junior majoring in mechanical engineering at Newark College of Engineering. He is a member of Tau Delta Phi fraternity.

Juniors Plan Fashion Show February 9

February 9 is the day set aside for the Junior Women's Club of Belleville to hold its Fashion Show at the Fountain Restaurant in Belleville.

The theme chosen for the evening's affair will be Hawaiian. Proceeds will benefit the Ruth Gotscho Kidney Foundation.

New Pathmark Store To Open Doors Soon

Supermarkets General Corporation has announced that its new Pathmark Supermarket at 6301 Hadley Road, in the Regional Shopping Center, South Plainfield, N.J., will open Wednesday, January 19, 1972 at 9:00 a.m.

The company owns and operates 95 other Pathmark supermarkets in five states, as well as gas stations, pharmacies and department stores.

Miss Celestine Fellin

Troth Is Told Of Miss Fellin, Mr. Paparatto

Mr. and Mrs. Angelo Fellin of Hillsborough announce the engagement of their daughter, Celestine to Joseph Paparatto, son of Mr. and Mrs. Sam Paparatto of 600 Union Avenue.

Miss Fellin, a graduate of Immaculate High School, Somerville, is a senior at Seton Hall University.

Mr. Paparatto, an alumnus of Belleville High School, Union Junior College and Seton Hall University, has a graduate assistantship for m.b.a. studies.

The wedding will be held in November.

Miss Joyce Jourdan

Joyce Jourdan, Daniel Patton Plan Marriage

Mr. and Mrs. Edward F. Jourdan of 73 Little Street announce the engagement of their daughter, Joyce Laura to Daniel J. Patton Jr., son of Mrs. Myrtle LeHotay of Point Pleasant and the late Mr. Patton.

Miss Jourdan, a graduate of Belleville High School, is a legal secretary with Mutual Benefit Life Insurance Company, Newark.

Mr. Patton is an alumnus of Point Pleasant Beach High School. He served three years in the Army including a tour of duty in Germany and is employed by Neptune Swim-suit Corporation, Neptune.

Some Recent Happenings In Belleville

GIFT OF BOOKS—Mrs. Arleen Kenny, superintendent of the Children's Shelter of Essex County, accepts the gift of a set of World Book Encyclopedia from regional manager, Roy Fulmer. Mr. Fulmer presented the gift on behalf of Field Enterprise Educational Corporation of Chicago Illinois, publisher of the encyclopedia.

School 7 PTA Plans Meeting February 7

Monday evening, February 7 at 8:00 p.m. School Seven P.T.A. will welcome candidates seeking election to the Board of Education. They are Carl Garafolo, Josephine Izzo, Charles Miele, Leonard Back, James Ritzoli and G. Fred Burlazzi. Some members of the current Board of

Education also will be on hand to present and discuss the proposed budget.

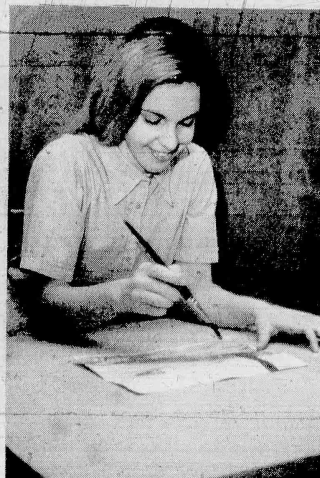

The evening program will feature a skit called "Patriotic Cats" which will be presented by the 23 Girl Scouts of Troop 947.

All parents and those interested in improving the quality of education in Belleville are encouraged to attend this vital meeting. Refreshments will be served by the third grade mothers.

New Monarch

SNOW QUEEN—Miss Catherine Mathias of 75 Emmet Street, Belleville representing the CYO of Holy Family Church, Nutley, was crowned last weekend as the 24th Essex County CYO Snow Queen. Cathy is being crowned in the photo by reigning queen Rosita Rooney of West Orange as Auxiliary Bishop Joseph A. Costello of Belleville smiles approvingly. The queen was crowned at the annual Snowball Buffet-Dance held at the VFW Memorial Post Hall in Cedar Grove.

ARTIST AT WORK—Art works by Miss Kathleen Paul of 33 Ligham Street will be on exhibit in the Caldwell College Art Gallery from January 24 through January 31. A Junior art major at the college, Miss Paul is pictured here completing a watercolor which, with some pencil drawings, will be in this annual junior show. Miss Paul is the daughter of Mr. and Mrs. Clyde Paul. The gallery is open to the public weekdays from 8:30 a.m. to 5 p.m. and on weekends by appointment.

Poinsettia Rot Can Ruin Plant

Now that Christmas is over, how is your poinsettia holding up? If you have a healthy plant and treat it well, you should have it in flower for a month or more. But if your plant is like a lot of others, it may be looking rather sick already. The thing to do now is to try to determine what is wrong. And then correct it if you can.

If the lower leaves are turning yellow and limp, or perhaps have dropped off, there may be some trouble with the roots or perhaps the leaves are too dry, says William F. Munk, Senior County Agent of Essex County. Press one hand gently on the soil and carefully turn the pot upside down, he suggests. Tap the edge of the pot lightly on a bench, so that the soil-ball comes out on your hand. Now you are ready to become the plant doctor! Pockets or areas where the roots are coal-black, or even dark brown, indicate a root rot disease.

The commercial florist would add chemicals if he had many plants with root

rot. For the homeowner with just one or two plants the chemical treatments are not recommended. Just keep picking off dead leaves as they appear. If you are fortunate you will find no black or brown roots. All will be white or light tan. This indicates that yellow and limp leaves are not the result of root rot but only that the plant is hot or dry. Keeping the plant in a cool room or an enclosed porch during the night may do wonders for your poinsettia. You will find that night temperatures of 60 or even a few degrees lower, will help to extend the flowering period of your plant many days.

Grandma Does It SHE SLEEPS LIKE A BABY

"Folks say a baby gets the most restful sleep in the world. Maybe so, but for a grandmother, I don't do too badly myself. Anytime I can't get to sleep nights—if I'm tossing and turning—I take me a Dormin Capsule and this grandmother really sleeps like a baby!"

Dormin is the hospital-tested aid to sleep that's 100% non-narcotic. Proved effective in 9 out of 10 clinical cases—professionally supervised and observed in leading government hospital. Get Dormin today at all drug counters.

Meet Your Administrators

School No. Three Principal Officiates Basketball Games

(The following is the third in a series of articles designed to familiarize the public with the Belleville School Administrators. Many school officials come from a variety of interesting backgrounds. These articles hope to bring a better understanding of those persons educating our youth.)

Austin MacArthur is the principal of Belleville Public School No. Three. He received his Bachelor of Arts and Master of Arts Degrees from Montclair State College where he also completed 49 additional credits beyond the Master's degree. He is a member and former President and Vice President of the Association of Belleville School Administrators.

MacArthur served in the Navy aboard an aircraft carrier in the European and African Zone of the war in World War II.

During his twenty-one years in the Belleville Public School System as teacher and later as administrator he has contributed much to educational growth that the Belleville schools.

As a teacher in the business department, MacArthur was responsible for many curriculum innovations. He was also audio-visual director for eight years, organized the Booster Club, organized and helped train the color guard. During his years as high school

teacher MacArthur was also very active coaching cross country, freshman basketball (stars Dr. Del Tufo and Charles Travers), assisted baseball coach Eddie Berlinski, head track coach with state champs Bill Bartell and Alex Cacciarrelli.

In 1961 he assisted the late Mr. George Lees in the administration of the high school. His duties included handling of all discipline and attendance, as well as the assisting in the planning of the master schedule and the compiling of textbook and equipment requisitions. After the passing of Mr. Lees, MacArthur was in charge of some of the most important phases of the high school.

His appointment to the vice principalship in July 1962 presented MacArthur with numerous administrative duties that summer including supervision of repairs and replacement of plant and equipment; vacations for office and custodial staff; bus routes and schedule; preparation of student schedules; opening day procedures and until the arrival of the newly appointed principal the complete running of the school.

He assisted the new principal, Raymond O. Smith, in the organization and execution of the IBM "Class" program which concerned the scheduling of the high school for the 1963-64 school year. This program utilized the use

of the 7074 computer. Preparation for this included the coding and scheduling of courses; teachers; students; student numbering; locker numbering; auditorium seating assignments; teacher identification and balancing of classes.

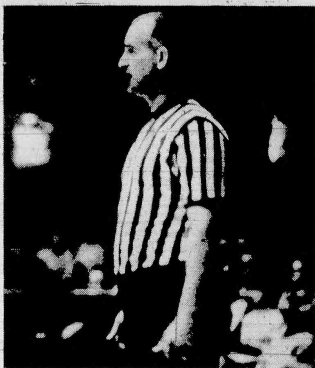

MacArthur has been principal of School Three for the past eight years. His philosophy "School can be fun" is apparent to anyone who observes the school in action. There is a feeling of warmth and friendship that permeates throughout the school. Much of this atmosphere is motivated by the great cooperation between MacArthur and the excellent Staff of School Three; Mrs. Dorothy Loesner, School Secretary, always helpful, vital and charming, and most important the enthusiasm and interest of the parents.

He is recognized as one of the top basketball referees in the East. During his 20 years experience refereeing he has officiated in Madison Square Garden (where he is assigned to recently completed, Holiday Festival), Philadelphia Spectrum, Buffalo Auditorium. MacArthur states "Every game has a special thrill whether it is a game between 8 years old or top college teams."

MacArthur is a member of the College Basketball Officials Association and The Executive Committee of the North Jersey Board of Approved Basketball Officials.

He has had many diversified experiences in summer employment including Soil and Engineering (was in charge of exploratory foundation work of 125 million dollar atomic energy plant site in N.Y. state).

MacArthur is married to the former Joyce McCarroll. They have four children, a daughter Pat age 17, head drum majorette, Clifton H.S., and three sons, Rick, age 16, Soph, active in Jr. basketball team; Ken, Junior League baseball and basketball, Clifton H.S. and Mark, first grade - He is in everything!

OFFICIATING at the recent Duquesne game on the campus of Long Island University, is Austin MacArthur, Principal of School No. Three, basketball is one of MacArthur's many talents.

Branch Brook

Kiwanis Club Sees Program

The Kiwanis Club of Belleville will observe the 57th Anniversary of Kiwanis International tomorrow, Jan. 29, with a special program honoring all past presidents, at a banquet to be held at Don's 21 Club. The guest of honor will be the immediate past president, Louis Bruno.

In announcing the observance, Cor Vander Zwan president of the Belleville Kiwanis Club, described Kiwanis International as a men's service organization whose stated purpose, "Service to Youth, Community, and Nation," is an apt description of the work its members undertake.

Kiwanis was founded on January 21, 1915, in Detroit, Michigan. At its inception

the organization was strictly a business oriented activity; but today, Kiwanis is community oriented and manifests itself in service projects. This year Kiwanis International will continue its OPERATION DRUG ALERT program and initiate a new activity, PROJECT ENVIRONMENT.

Kiwanis International has 275,000 members in 5,800 clubs throughout the United States, Canada, and 37 countries in the Free World. These clubs will be observing the 57th Anniversary of Kiwanis International during Kiwanis Anniversary Week, January 16-22.

Dry Cleaning

Penny Sale

Monday Jan. 31 through
Saturday Feb. 5

One Garment Professionally Cleaned & Pressed At Our Regular Price, (Men's Suits, Ladies Dresses \$1.60) Second Silmar Garment, Only A Penny.

For most of you this is probably the first time you've celebrated DeRoma's Birthday. Or heard of him. Well, we'll forgive you. He's our boss, and because we like him, and we like you, let's all celebrate. Each second garment cleaned & pressed for a penny. Other surprises too. Fifty cents (50¢) off on coin dry cleaning, WITH COUPON BELOW. If you haven't been in to see us yet, what better time than a party. We've got 16 lb. double load washers, 25 lb. triple loaders, and the Jersey Giants 45 pounders. Coin-operated Dry Clean Machines (we do the work). Plus a spiffy & unique Steam Finishing Cabinet. All made by WASCOMAT, the best in the world. And we've got a good boss. Oh, you don't have to bring a present. Just your laundry & dry cleaning. Join the celebration at:

Belleville Lions, Rotary Clubs Join Forces For Nursing Scholarship

The Belleville Lions and Rotary Clubs joined forces at The Fountain Restaurant recently to start the New Year off right.

The Lions hosted the Meeting and invited Miss Anne Knox, director of nursing, Clara Maass Hospital to attend as guest.

Lion president Donald Ross presented Clara Maass School of Nursing a contribution from the Lions for a nursing scholarship. The scholarship fund

has been in existence for many years and more than \$5,000 has been contributed by the Belleville Lions.

Veronica Rempuskeski, R.N., who just completed a tour on the Hospital Ship

Hope, addressed the meeting. Her talk on the many good things being accomplished by the Hope and its personnel was emphasized by slides taken in Kingston, Jamaica, and aboard ship.

AT JOINT Lions-Rotary Club meeting is (standing, l-r) Ed Howell and Don Ross of Lions with (seated, l-r) Veronica Rempuskeski, R.N.; Mike Mercurio and Anne Knox.

Local Club Opens New Program On North Essex Child Guidance

The Lions Club opened its 1972 meeting at The Fountain with a program on the North Essex Child Guidance Clinic which is located on the grounds of the Geriatrics Center, Franklin Avenue, Belleville.

The guest speaker, Mrs. Ruth O. Cowell, director of the Clinic, who stressed the importance of preventive mental health work told of

some of the reasons for bringing young people to the Clinic and the kinds of treatment available to them there.

Edward S. Howell, chairman of the program committee, arranged for Lions Club members to have an opportunity to hear about this mental health service which is funded in part by the municipal governments of Belleville, Bloomfield and

Nutley.

The need for more help in transporting young people to and from the clinic was stressed during the meeting. Another service that can be provided by people of the

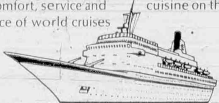

community is the donating of funds for refreshments for children during their activity periods. A federal government grant which previously provided such funds has expired.

NEW CAMERA is received by William Greco, a disabled resident, one of three young men being helped by Craig Fabian Fund. Camera was given for therapeutic reasons by Mrs. Mary Senator, Fund vice president. Greco's daughters, Kelly and Susan, look on.

DISCOVER 10 NEW ROYAL VIKING CRUISES

Introducing Royal Viking Line, the newest ships to sail the seven seas. Where every voyager receives first-class comfort, service and cuisine on the widest choice of world cruises offered.

- North Cape / 14 days
July 21 and August 4, 1972
Two adventurous voyages from Copenhagen all the way to the top of the world...the Arctic Circle and the land of the midnight sun.
- Russia-Europe / 26 days
August 19, 1972
Depart Copenhagen for Europe's most interesting capitals: Then across the Atlantic to the capital of the world...New York.
- Mediterranean / 35 days
September 15, 1972
Cruise leisurely from New York to the sun-drenched capitals of the Mediterranean...the Riviera, Malaga, the side of Greece...and that's just the beginning.
- Caribbean-Mexico / 21 days
October 21 or October 28, 1972
Casualty sweep from New York or Ft. Lauderdale to the gentle warmth of the West Indies. Then through the Canal to Mexico...winding your way north up the coastline of California.
- Mexico-Caribbean / 32 days
Nov. 18 or Nov. 12, 1972
Simplicity sail from Los Angeles or San Francisco through the Canal to the emerald-isled Caribbean with exciting stops along the Mexican coastline.
- California Coast / 4 days
December 16, 1972
A mini-cruise of sun and sea that fleets you from San Francisco to Baja California's Ensenada.
- Holiday in Mexico / 16 days
Dec. 18 or Dec. 19, 1972
Adventure from San Francisco or Los Angeles for a seeping fiesta to celebrate Christmas and New Year's south of the border.
- South Seas / 46 days
January 2 or January 4, 1973
Escape from Los Angeles or San Francisco to a whole new world of island-hopping adventure. Realize the full beauty of the exotic South Pacific.
- Circle Pacific / 66 days
February 18 or February 20, 1973
Sail from Los Angeles or San Francisco for a leisurely look at the intriguing beauty and secret discoveries of the entire Pacific. A cruise for those who think they've seen it all.
- Caribbean-Europe / 37 days
April 28 or April 29, 1973
May 15, 1973
Leave San Francisco or Los Angeles for the warmth and vitality of Mexico and the Caribbean. Then sail from Ft. Lauderdale across the Atlantic to the home of the Vikings.

I'd like to discover more about the Royal Viking cruise checking above, including airfare opportunities. Please send me some fascinating literature.

Face Bengals Tomorrow

Winning Combination Found As Grapplers Begin Skein

Belleville's varsity grapplers seem to have captured the winning combination again as they crushed another Big Ten Conference team putting their victory skein at two in a row. After completely outclassing Irvington Friday, the Bellboys entertained Barringer High School yesterday on the local mats.

Tomorrow evening the Blue and Gold grapplers travel to Bloomfield for their toughest match in two weeks. Starting time is slated for 8 p.m. Next Tuesday Clifton comes here in what head coach Jim Silvestri terms "a tune-up match" for upcoming Kearny and Nutley, two contests which will either "make or break" the Belleville season.

Coach Silvestri predicted correctly last week when he said Irvington's 136, 141 and 168-pound weightclasses have top notch talent. These three divisions saw the only individual losses by Belleville wrestlers.

Although Belleville did score an impressive win, Silvestri was still disappointed with some aspects of the Irvington contest. He expressed displeasure with the officiating by Ed Newman, who, according to the Belleville coach, was giving one of his first matches at the varsity level.

"I thought the officiating was poor," remarked Silvestri. "In my opinion, he let the wrestling get too rough out there."

He reported that several of the local grapplers were mis-handled by their Irvington counterparts and cited one instance where a Belleville wrestler received an elbow in the face.

There were a lot of penalties that could have been called but weren't," the Belleville coach added.

Silvestri was concerned that his wrestlers could have come

out of the match with serious injuries but besides the normal bumps and bruises expected from a very physical contest, all the Bellboy grapplers were reported to be in healthy condition as of Monday.

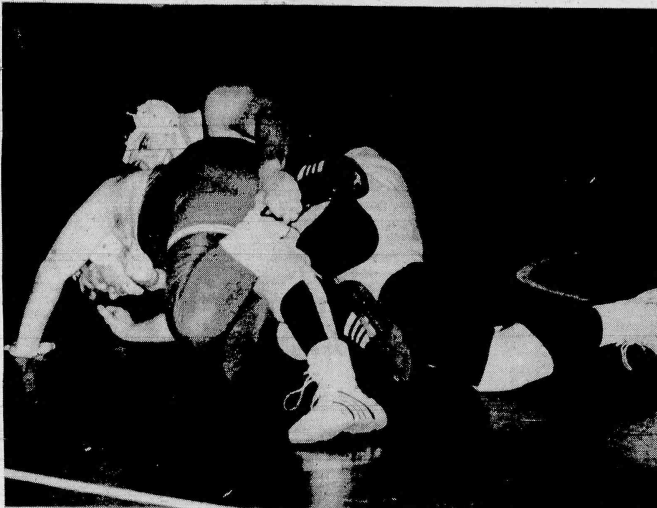

Still plaguing the squad is the flu bug. Although no first-line performers have been sidelined, the flu is weakening the strength of several wrestlers. At one time this year, about half the team had come down with some degree of the flu.

"Many of my wrestlers still have colds. We've been going through this problem for the last three weeks. I've even lost my two team managers," Silvestri exclaimed. "You should have heard the team bus on the way back from the Irvington match. The coughing sounded like a hospital ward."

Handily defeating Irvington showed that the week lay-off didn't affect the squad. The coach recently expressed concern with the seven-day respite between matches, speculating that the varsity may become a "bit rusty" but no such adversity occurred.

Barringer High School this

(Continued on Page 14)

ON HIS WAY to a pin, and on top of the action in this point of the match, is Belleville heavyweight wrestling star John Smith. The Bellboy grappler put the cap on Blue and Gold victory over Irvington squad, 45-18 victory.

Edge Columbia, 65-64

Zoppa Is Cager Hero In Overtime Contest

The Blue and Gold varsity cagers in an overtime game at the high school, just edged Columbia Tuesday afternoon by a 65-64 total. It was the first victory over the Bengals this year and boosted the Bellboys season total to four wins against three losses.

On the road in both of their contests this week, the Bel-

leville five plays Orange tomorrow and then meets Irvington Tuesday. Both contests have a 3:30 p.m. starting time.

The Columbia win puts the Bellboys in eighth place, tied with the Cougars, in the Big Ten Conference. Neighboring Nutley occupies the basement. Belleville is 3-10 in the Big Ten.

Star center Ken Zoppa and Cougar cager Tony Martin, who were matching basket for basket during regulation time, locked in a scoring contest in the overtime frame. Zoppa came out on top with all seven of Belleville's overtime points, including a clutch three-point play to put the game on ice. Zoppa scored an amazing 34 points to Martin's 26 tallies.

The trend for Belleville in recent games has been coming from behind late in the contest and Tuesday was no

exception. After an early 7-7 tie, Columbia ran off 14 straight points to lead at the quarter, 21-11. Belleville came back from a four-point deficit in the last quarter before Columbia tied it with 50 seconds left.

Female Basketballers Get Second Victory

By Mary Bowden

The Girls Basketball team played Verona High School on Friday, Jan. 14, with the local females again registering a victory.

The second game of the season was played as well as the first. Both games ended in victory.

Varsity game was titlled with the winning score of Belleville 41, and Verona 37.

The JV. score was almost as high. It reached a winning victory of Belleville 33-Verona 14.

Winning the Verona game was a little more special than winning the Caldwell game since Belleville had lost to Verona the year before.

This season is off to a great start with wins and no losses. With a little more school stay this way.

Quintet's Second Half Comeback Falls Just Short Of Big Win

By Tony Colabrese

After trailing at halftime by a score of 36-22, the Belleville High School basketball team came through with a strong second half performance, before bowing to a strong West Orange team by a score of 60-56 in a game played in Belleville.

The bitter loss for the Bellboys dropped their season record to 3-10 on the year, while the victory was West Orange's eighth in thirteen games. Seniors Gary Massa and Clay Holland paced the Cowboy attack with 26 and 17 points respectively, while Belleville was again led by center Ken Zoppa who had 22 points for the night, 16 of which came in the second half comeback.

Massa was the big scorer in the first quarter of this game, a quarter in which West Orange star had 11 points in the quarter, and was part of a team press which repeatedly forced Belleville to throw the ball away on inbounds plays.

The Cowboys broke a 4-4 tie with a run of six straight points early in the quarter, and later on West Orange was able to build a 20-7 lead late in the first quarter. Part of the West Orange success came from center Zoppa to pick up three first quarter fouls. However, Belleville got a strong performance from junior Cary Grobshein.

Cary contributed five points to the attack, while also playing good defense on Cowboy star forward Clay Holland. He also hit the boards well, as his all

around hustling performance kept the game within the reach of the Bellboy's rest of the half. The first quarter ended 22-11 in favor of West Orange.

The second quarter was low scoring and sloppy, before West Orange went into an eight point quarter, including a 35 foot desperation shot off a stolen inbounds pass at the halftime buzzer.

The third quarter saw the Bellboys get back in the ballgame. Belleville outscored West Orange by a margin of 20-8 in the quarter, paced by co-captains Ken Zoppa and Mike Petronaci who had 10 and 5 point scoring quarter's respectively. Senior guard Joe Lotruglio's jumper with about 20 seconds to go in the quarter cut the West Orange lead to 44-42, and that's the way the quarter ended, with the Bellboys all primed.

A key to the comeback was the defensive job that junior Mark Corino was able to do on Gary Massa for the rest of the ballgame. Corino hounded the West Orange guard, as Massa's second half total of only seven points indicates.

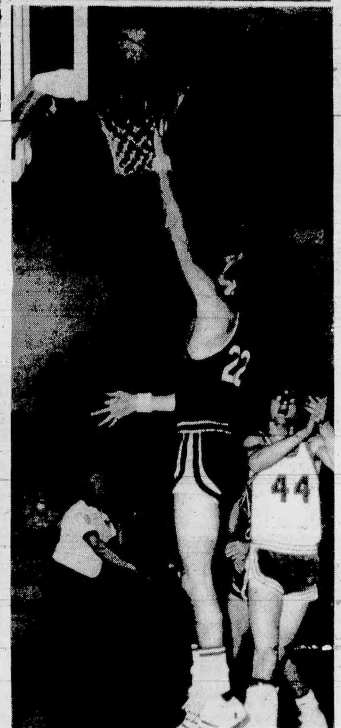

In the fourth quarter the Cowboys were able to stay one jump ahead of the Bellboys in picking up their victory. Belleville never tied the game during the period, however stayed anywhere between two and four points of the Cowboys until very late in the quarter.

Billy Fay, West Orange's other fine

(Continued on Page 14)

SURROUNDED — by his West Orange layup in last Friday's contest, Bellboy opponents, Belleville varsity center Ken Joe Lotruglio (12) watches action. Local Zoppa (22) still manages to sink this team dropped tilt, 60-56.

SINKING — an easy two points in the West Orange tilt Friday night is Bellboy Ken Zoppa, leading scorer in a losing 60-56 cause. Zoppa finished with 22 points.

In Two Tilts

Freshman Five Gains Momentum

Belleville's freshman basketball team on January 7 defeated Irvington by a 68-44 score, and for the second time

uns season topped the Maroon Raiders of Nutley. The Baby Bellboys beat the neighboring Raiders by a 53-38 count.

In defeating Irvington, the Bellboys were led by Anthony Carr's 33 points and Abdel Anderson's 17 tallies. Belleville scored 38 points in the second half to put the game out of reach.

Against Nutley, at the end of the first half, Belleville maintained a 27-17 margin. Nutley came back in the second half by holding the fresh to only 27 points.

cause Irvington ended up with six points.

Varsity Performers Crush Irvington Team

After crushing West Orange last week, the Belleville varsity grapplers did not let the same thing to the Irvington wrestlers on last Friday evening. A score of 45-18 is not something to happen every day, but the varsity wrestlers seem to be determined to make it a habit.

The Irvington match got off to a fantastic start with an 8-5 win for Ramon Lijo (98 lbs.), a forfeit worth six points for Fred Arena (106 lbs.), a 2-0 win for sophomore standout Mike Risciniti, and a pin for Brian Banda at 123 lbs. John Mastacchio, at 130 lbs. and captain of the varsity wrestlers, kept his record clean by pinning his opponent in the second period, making the team score 24-0.

The next match brought

disagreement from Coach Silvestri on a call by the referee signifying Bill Mazza (136 lbs.) pinned. His discrepancy was to no avail be-

Jayvee Wrestling Squad Adds Irvington To A List Of Teams Being Defeated

The Belleville Junior Varsity defeated Irvington on Friday, Jan. 21, by a score of 36-18.

The team was off to a good start with Rocco Cuozzo (98 lbs.) successfully defeating Irvington's Mark Celeste, placing the team score 3-0 in favor of Belleville.

Charles Rilli (106 lbs.) scored Belleville's second win

by way of a pin. Rilli pinned Irvington's Ray Smeltzer in the first period, increasing Belleville's score to 9-0.

Belleville's third win was scored by Lilioa (115 lbs.). Lilioa defeated Irvington's Fred Ganning, adding three more points to Belleville's lead, making the score Belleville 12 and Irvington 0.

Belleville's Bob Willette (123 lbs.) scored a fourth win by defeating Irvington's John Kowalcuk, another three points for Belleville. The score stood Belleville 15 and Irvington 0.

A fifth win was scored by Belleville's De Nino (130 lbs.). DeNino was victorious in defeating Irvington's Mike Mahon. Three more points added, increasing Belleville's score to 18 and Irvington 0.

Bob Cote (136 lbs.) was responsible for Belleville's sixth straight win. Cote defeated Irvington's Ed Dilly, giving Belleville a strong lead of 21-0.

Forfeits in the 141 and 148 weight classes on Belleville's part, gave Irvington 12 points, bringing the scores a little closer. Belleville 21 and Irvington 12.

Belleville's Vasquez (157 lbs.) scored a pin against Irvington's Joe Hammer. Vasquez pinned in the second period, giving Belleville six points to add to their lead. Belleville 27 and Irvington 12.

Jerry Frunzi (168 lbs.) for Belleville was pinned by Irvington's Len Cuppari. Frunzi was pinned in the third period, and was Belleville's only loss. The scores now stood Belleville 27 and Irvington 18.

A forfeit for Irvington in the 178 weight class gave Belleville six points, making the score 33-18, in Belleville's favor.

In the heavyweight lb.

Baseball Schedule Is Seen

A 24 game schedule including meetings with the University of Maine and Rider College, has been announced for Montclair State College's 1972 varsity baseball team by Bill Dioguardi, Director of Athletics.

Coach Clay Anderson's Indians will open the season on Tuesday, April 4 in a New Jersey State College Conference contest at Newark State.

The Indians will meet the University of Maine for the first time on Saturday, April 8 at Pittsfield. Montclair State will be resuming baseball relations with Rider for the first time since 1956. The contest will be played at Rider on April 18.

The only other new opponents, besides Maine, on the 1972 schedule are Baruch College and New York Tech.

Montclair State will again play in the New Jersey State College Conference meeting Glassboro, Jersey City, William Paterson, Newark and Trenton on a home and home basis.

The schedule:
April 4—At Newark State*; 5—Long Island Univ.; 7—At Jersey City State*; 8—University of Maine; 9—At Pace; 10—At William Paterson*; 11—At Newark Rutgers; 12—Newark State*; 13—At New York Tech; 15—Glassboro State*; 18—At Rider; 20—William Paterson*

Bows By 60-56

Quintet's Rally Falls Just Short

(Continued from Page 13) guard had six of his game's seven points during the period, including two foul shots with 20 seconds left, giving West Orange a 59-54 lead and tying the ballgame for the Cowboys. Lotraglio countered with a long jumper for Belleville.

Clay Holland put West Orange up by four points, and two Corino foul shots brought the Bellos back to within two, and so the quarter's three plays in this quarter had a great deal in helping to determine the final outcome of the game. Two of these plays were offensive charge calls against Mike

Whatever your job, there's always someone who can do it better.

Be as anxious to help others as you are to accept favors.

Petronaci, which forced Belleville to give the ball back to West Orange. The other occurred with a minute and a half left in the game, and West Orange on top by a count of 54-52.

Corino, who had shadowed Massa for most of the

Union College Spring Semester Is Unique

Registration for the Spring Semester of College Unlimited, Union College's innovative program of mini-courses for adults, will be conducted by Union College and the Adult Schools in Cranford, Rahway, Westfield, Linden, Plainfield, Scotch Plains, and the Union County Regional School District, according to Prof. Richard J. Selcoe, director of the Division of Community Services at Union College.

half, unfortunately at this time twisted his right ankle, enabling Gary to get loose for an unmolested jump shot, again putting West Orange up by four points. Corino's injury was not severe and Mark should be back for the remainder of the season.

However, most Bellboy fans are still wondering if the final outcome would have been different if the unfortunate accident didn't occur. Foul shots by Holland, two by Fay, and one by Massa provided the winning margin, and the Cowboys left Belleville with a much harder victory than they expected to earn.

Silvestri Satisfied

Wrestlers Again Winning

POUNDING his Irvington opponent to the mats is Belleville's top varsity wrestler in the 98-pound division, Ramon Lijo.

The local grappler scored an 8-5 win on route to 45-18 team rout of Irvington.

At Montclair State

New Record Smashing Highlights Grid Season

The wholesale record setting of quarterback Bob Brewster, a senior from Westfield and halfback Glen Morschauser, a senior from Paramus highlighted another successful Montclair State College football season in 1971.

The Brewster-Morschauser assault on the Indians all-time record book saw the duo set nine new marks while tying a tenth.

Brewster established five new records and tie one all-time standard. The former Westfield High School standout set new marks for most yards on passing in a career (1291); most touchdowns pas-

ses in a career (13); most touchdown passes in a season (11); most passes complete in a career (106); most extra points in a career (74 in 80 attempts) and tied his own mark for most extra points in a season (29).

Morschauser who holds two other all-time marks in

addition to the records set this season, put marks into the book for most points in a career (222); most touchdowns in a career (35); and most yards total offense (2137).

The Indians as a team set two new all-time marks, most yards passing in a single season (1348) and most yards total offense (3054).

(Continued from Page 13) season has little to offer and the local grapplers should have an easy match but Bloomfield, scheduled tomorrow, always provides tough competition.

With excellent coaching and two Christmas Tournament champions, the Bengals pose a real threat to Belleville. George Middleton, who heads the Bengals, has gained the respect of Silvestri, and wrestling on their home mats should give the Bloomfield wrestlers further incentive.

Last season's championship squad had trouble handling the Bengals so Silvestri will prime the local corps for a tough time in 1971, the Bengals had Belleville on even terms, 13-12, before the Blue and Gold performers drew away in a 32-12 victory.

This year Bloomfield has showed an even balance of strength with its linebackers on the 115, 157 and 178-pound levels. The Bloomfield match should provide a fine tuneup for the crucial Kearny and Nutley matches.

A rundown of individual scoring in Irvington shows Ramon Lijo at the 98-pound mark with an 8-5 win, Fred Arena (106) scored a forfeit victory worth six points; a 2-0 win for sophomore standout Mike Resciniti, and a pin for Brian Banda at 123 pounds. John Mustacchio, at 130 pounds and captain of the varsity wrestlers, scored a pin. Walt Bennett scored a decision while Joe DeBacco and John Smith closed out the match with two pins.

Silvestri reports that the varsity "has been wrestling well" but added that the team missed its chance to topple Montclair from the unbeaten ranks. The Mounties, after defeating the Bellos, dropped their next two

matches, including a close decision to neighboring Nutley. "I still feel we have a strong team. We missed our chance against Montclair and against Essex Catholic; we had a couple of key men out," the coach added. "But we still have a chance to get an excellent season."

Silvestri pointed to the upcoming Kearny and Nutley matches as regaining some prestige for Belleville. The way Silvestri figures, Nutley defeated Montclair and the Cardinals toppled the Maroon. If Belleville can topple Nutley and Kearny that should put them as the strongest squad.

Baseball Primed Here

An 11-game exhibition schedule to be played in Florida between March 23 and 31 has been announced for Montclair State College's 1971 varsity baseball team by Bill Dioguardi, Director of Athletics.

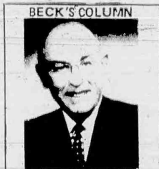

Coach Clary Anderson's Indians will open 11-day tour of Florida on Tuesday, March 23 meeting Miami Dade North.

The Indians will play two doubleheaders in Florida meeting Colby College of Waterville, Maine and Biscayne College on Saturday, March 25 and Colby and Miami Dade North on Tuesday, March 28.

The schedule: March 23-Miami Dade North; 24-Biscayne; 25-Colby and Biscayne; 26-Miami Dade South; March 27-Miami Dade North; 28-Colby and Miami Dade South; 30-Miami Dade South; 31-Miami Dade South.

(Continued from Page 13) six appearance making the score 24-12. Walt Bennett (148 lbs.) made easy work of his opponent, defeating him by a 7-0 score and Bill Natale (157 lbs.) pinned his opposition before the first period by over-making the score 33-12.

Belleville's last loss came when Gary Faulkner (168 lbs.) was pinned in the second period. Two final pins by Joe DeBacco (178 lbs.) and John Smith (hwt) gave Belleville an additional 12 points making the final score 45-18, another walk-away victory.

MAX BECK

The electronics industry mourns the death of one of its outstanding personalities, General Sarnoff, who became one of the most great personal autocrats in the U.S. industry; the boss of the over \$ billion dollar RCA Corp. He was neither an inventor or a scientist, although he did more than any other American to bring radio, TV and color TV to the masses. He considered himself with justification - the father of the entire electronics - communications industry. Sarnoff's special gift was that he was not only a visionary but also a salesman who could persuade capitalists to invest their money in his dreams. He inspired scientists to make his dreams come true.

As a teenager Sarnoff learned telegraphy and became an operator at the Marconi company. During 72 uninterrupted hours he relayed the loss of the "Titanic" to the world. This tragedy brought much attention to the possibilities of radio communications. Sarnoff became commercial manager of Marconi, which was an English company and after World War I was bought by GE. The name was changed to Radio Corp. of America. The trade mark RCA in the circle became known all over the world and this trade mark has only recently been changed to look more like numerals as they appear on computers. With all the success it was inevitable that Sarnoff also had to take the lumps. Fortunately for him the predictions that the estimated 130 million dollars which RCA is reported to have spent developing color TV, would be wasted, turned out wrong. However, large expenditures in the development of computers have been lost, since RCA decided to abandon further work on computers and discontinue this part of its operation in order to concentrate on other phases of the business.

Many Courses Being Offered

Registration Set Next Week For Belleville Adult School

The Belleville Adult School, with classes being held at Belleville High School, will hold registration for all Spring course offerings on Monday, Jan. 31, Tuesday, Feb. 1, and Thursday, Feb. 3, between the hours of 7-9 p.m. Students may register in the main office of the high school.

Brochures describing courses have been mailed throughout the town and are to be found at the Belleville Public Library as well as most local banks. It is recommended that students register as early as possible in order that they not be disappointed at having the course of their choice closed to further registration because course limits have been reached. Early mail registration will help insure a place to each interested person—particularly in the courses that are most popular.

A number of new courses have been added to the curriculum this semester. A course in Skiing will be held at Vernon Valley Ski Area weekday evenings between 6-

10:45 p.m. The fee for the course will include an introductory lecture at the adult school followed by five nights on the slopes. Included will be five one-hour lessons, five tickets good for admission and chair lifts, as well as rental of necessary equipment. Students will be free to practice for the rest of the evening when their lessons are over.

Another new course is Magic As Entertainment, under the supervision of Jose de la Torre, who holds the title of "Grandini" de la Torre is the winner of six trophies won at magician's contests in Spain and throughout the United States.

The adult school will once again offer a series of courses designed to enable those interested in obtaining a High School Equivalency Certificate meet the requirements of the state examination. Classes in the areas of English, Social Studies, Science and Mathematics will assist those needing a high school diploma. It will be possible for each student to take two of these courses by attending classes two nights a week.

Raymond O. Smith, Principal of Belleville High School, will present a course in Elementary Japanese for those who have a "yen" to learn the fundamentals of an Asiatic language. Other languages being offered are beginning and advanced Italian and beginning and advanced Spanish. These will be under the direction of Valentino Frattolillo, a member of the Language Department of Belleville High School. Valentino and Smith have both

had extensive experience in the teaching of adult courses.

For those interested in getting into the world of business the adult school offers courses in beginning and advanced Typing as well as courses in shorthand for both the beginner and the more advanced student.

The do-it-yourself enthusiast will find fulfillment by taking a course in Woodworking, Auto Mechanics, or Blueprint Reading. For those who are artistically inclined a course in Drawing and Painting, Ceramics, or Interior Decorating will provide a great deal of pleasure.

As usual, Mrs. Josephine Menio will preside over the many courses being offered in the field of Sewing for Beginners. These are among the most popular at the adult school and early registration is strongly recommended. Every year it is necessary to turn away many students interested in sewing because of space and equipment limitations. In conjunction with the courses in sewing, the adult school will engage the services of Mrs. Dorothy Barrett to teach those interested in the art of Knitting. Mrs. Barrett comes to her classes with many years of professional experience in the pleasurable art of managing a pair of knitting needles.

For those who are new to this country, Leonard Marciano will once again be available to assist those who would like to learn to read and speak the English language, whether they be beginners or more advanced students. A knowledge of our language is essential to all

who would like to live and work in the new country of their choice. A nominal fee of \$2.00 is charged for either of these two courses and it is hoped that those who have non-English speaking relatives or friends will steer them toward these classes.

Mrs. Peter Clarizio will offer a course in Public Speaking for those who find it necessary to speak before groups on occasion. Those in business or club activities will find this course most advantageous.

For those sports enthusiasts, the Belleville Adult School will have classes available in Activities For Women and Physical Fitness For Men, both being offered in the same time slot so that husbands and wives may avail themselves of the same opportunity to "slim and trim" themselves into shape and have fun at the same time. Tennis classes for the beginner and more advanced student can be taken and the N.B. Ju-Jitsu Club of Belleville will teach those so inclined in the not-so-gentle art of Ju-Jitsu.

Miss Louise Gray's classes in American and Latin Ballroom Dancing will be presented on Tuesday evenings. A special rate is being offered for couples who sign up for this course. A course in beginning Guitar is being taught by Mr. George Cundari.

Dr. Deutel Testimonial Is Saturday

Dr. O.R. Deutel, who will be honored at a testimonial dinner Saturday, was born in Jersey City on November 10, 1905. His parents were the late Ralph and Helen Deutel. Dr. Deutel attended Jersey City Public schools and was graduated from Dickinson High School.

He began his college education at the University of Missouri 1926-1929, continuing on to Jefferson Medical College of Pennsylvania from 1929 to 1931. While attending Jefferson his athletic abilities included basketball and basketball excelling in both. Also while attending Jefferson Dr. Deutel received an obstetrical award in that area. He served his Internship and Residency at Christ General Hospital Jersey City, New Jersey.

His medical practice began in 1932 when he moved to Bloomfield. This was interrupted when he entered the service and became a Major in the Air Force from 1942 to 1946.

Dr. Deutel is on the staff of the Presbyterian Hospital, Clara Maass Hospital and Mountsinai Hospital. He is also on the staff of Mountsinai's skin clinic. He is married to the former Anita Leiger and they have two sons Steven and Philip at home.

Dr. Deutel friends saluted him with this statement: "for being a wonderful friend, and outstanding physician and a great humanitarian. Your untiring dedication has won you wide acclaim. Dr. Deutel you have won the respect and admiration of all who know you, and we love you for it. This testimonial is just a small gesture on our part to honor one who has given of himself so wholly and unselfishly for so long. Please accept our warmest congratulations and best wishes for many more years of continued success."

Reservations are still available but seats are going fast. The affair will be held at the Richmond Regency of Verona on January 29. Beginning with cocktails at 6:30, dinner, entertainment and a great band; a Venetian Table will be offered later in the evening.

REMEMBER

Hands alone cause litter. Only hands can prevent it.

LEGAL NOTICE

NOTICE OF ANNUAL SCHOOL DISTRICT ELECTION OF THE TOWN OF BELLEVILLE, IN THE COUNTY OF ESSEX, NEW JERSEY ON TUESDAY, FEBRUARY 8, 1972

NOTICE IS HEREBY GIVEN to the legal voters of the School District of the Town of Belleville, in the County of Essex, New Jersey, that the annual election of the legal voters of said District for the election of two members of the Board of Education and for other purposes will be held on Tuesday, February 8, 1972. The polls will remain open until 9:00 P.M. and as much longer as may be necessary to permit all the legal voters then present to vote and to cast their ballots.

The election will be held at all the legal voters of the School District will vote at the respective polling places stated below. Two members will be elected for 3 years.

All the said election will be submitted propositions for voting taxes for the following respective purposes:

FOR CURRENT EXPENSES \$4,956,858.00
FOR CAPITAL OUTLAY 23,500.00

The total amount thought to be necessary \$4,980,358.00

The polling places for the said election and their respective polling districts (described by reference to the election district used at last General Election) have been designated below, and no person shall vote at said election elsewhere than at the polling place designated for the voters of the polling district in which he or she resides.

DATED JANUARY 26, 1972
MARY B. SHADER, SECRETARY

Note: The term "current expenses" includes "principals", teachers', janitors' and medical inspectors' salaries, fuel, textbooks, school supplies, flags, transportation of pupils, tuition of pupils attending schools in other districts with the consent of the Board of Education, school libraries, compensation of the Secretary, of the custodian of school moneys, and of attendance officers, truant schools, insurance, maintenance of plant and incidental expenses.

A member of the Board of Education must be of legal voting age, a citizen, a resident of the school district, and have been a citizen and resident for at least two years immediately preceding his or her appointment or election, and must be able to read and write. He or she shall not be interested directly or indirectly in any contract with or claim against the Board.

Every citizen of the United States of the age of 18 years who shall have been a resident of the School District of Belleville and of the county in which he claims his vote FORTY DAYS next before the election and who has been previously registered in the municipal election district at least forty days prior to the date of the election, shall be entitled to vote.

LEGAL NOTICE

at the school election. Application for military or civilian absentee ballots may be made to the secretary of the Board of Education.

An important message for people who prepare their own income tax returns.

Maybe you've been cheating yourself all these years.

Every year, between January and April, millions of people sit down to do battle with Uncle Sam. Some are "self styled" accountants. Others think they can save a few dollars doing it themselves - so why not?

The end truth is, however, no matter what their reason was for starting, many of them end the same. On the short end.

You see, when it comes to income taxes, amateurs should depend on H&R Block. We have all the facilities to help you make "income tax time" a pleasant experience. To begin with, H&R Block now has over 6,000 conveniently located offices manned by thousands of specially trained personnel who are anxious to help you. They'll sit you down over a free cup of coffee and show you some things about your income tax that you might never have known existed. For example, do you know

all about deductions for child care or casualty losses? And maybe you aren't aware that if your income increased last year, you may be able to save tax dollars by "income averaging."

Well, when it comes to income taxes, H&R Block is aware of just about everything because we're a company that eats, sleeps, and drinks tax returns 365 days a year.

Yes, maybe you can save a couple of bucks by doing your own return but it really may be costing you a lot more by not having your return done by H&R Block.

DON'T LET AN AMATEUR DO H&R BLOCK'S JOB.

H&R Block.

The income tax people.

Speak Free Men's Souls

By Bill Hamilton

Well, the time has come. The school budget for another year is almost upon us; the time is short. As I pondered, weak and weary from reading too much "Machete," I tried to conceive of some way to create a great masterpiece of writing skill here in this column that would inspire the readers and voters of Belleville to vote for this year's education budget. I could pay off every voter in Belleville to vote for the budget; or I could beg. Being too poor to pay the voters to vote yes, and too vain to beg, I decided to present the facts.

Let me begin by making a rather bold statement through the eyes of a student: The Belleville School System is in desperate need of money. Certainly, the school system will stumble along as usual if the budget is again slaughtered; but the time has come to pick ourselves up off the ground and begin progressing. Our schools are overcrowded, under-equip, and somewhat in need of repairs. The most precious possession the voters of Belleville have are their children; and the future of our nation and the freedom we enjoy rests in the education the youth of our nation receive NOW! You, the parents and voters of this town, wanted the best education you could get when you were in school, even if you couldn't always get it. Now the voters have the chance to give the students of this community an education worthy of this age we live in.

Beginning next week, I will investigate the school budget in this column. I will present the facts and also my opinion. It is up to you, of course, if you choose to vote for or against this school budget, but all I ask is for you to understand the facts and THINK before you vote!

In Interview Thomas Testa Is Featured

By Suzanne Reynolds

Beginning with this issue, the student page of the Belleville Times will each week contain an interview with a member of the faculty of Belleville High School. To kick-off this series of articles it was thought appropriate that we should interview a teacher who is deeply involved in the field of education. This teacher is Mr. Thomas Testa.

Mr. Testa came to the Belleville School System in 1956, after having taught in Newark for four years. He graduated from Montclair State College with a Bachelors degree in physical science (physics) and a Masters Degree in Administration and Supervision. He currently teaches both Physics and Biology at Belleville High School.

Mr. Testa is very interested in athletics. He is the former head coach of the Belleville track and football teams and is currently the Defensive Coordinator of the Montclair State football team. Mr. Testa believes in active participation, whether it be in sports, in school, or in life.

As the current president of the Belleville Education Association, Mr. Testa hopes to be able to get the students and teachers to work together to promote better education. He feels that students no longer discipline themselves as much as they used to. He feels that physics can be fun, but that you only get out of life what you put into it.

Beard: Or Old Friends

By Anthony Buccino

So I grew a beard, or what I liked to call one, it was to symbolize that nothing mattered after she left. So I never cut it anymore. Then the people started to get onto me about it. I cut it, but not for them, and I didn't cut it for her either. I cut it because everybody knows that yesterday is over and nothing we do today can change it. We can only drag yesterday's memory through the dirt, dust and mud that is today.

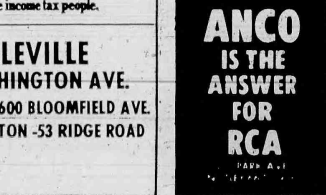

Nothing holds together very long anymore. I guess that's the way things gotta be 'cause if they stay together too long, we'll be too hurt to ever split. It'd kill us ya know.

I have nothing more than what I started out with I've memories and clear pictures of how it used to be therein. The main thing that comes with age is a knowledge of a time past. A wisdom only if a wisdom is there to be absorbed and if there is a place for that wisdom.

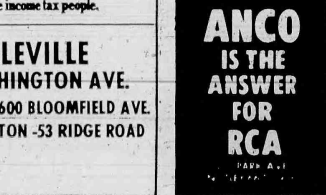

If we can believe that everything in life is for tomorrow, we just might stand a chance.

So he had the kitchen sink up his nose and everyone was laughing at him. But he knew.

Old friends last forever but lovers die the day after love does.

Donate Funds Home, Schoolers Help Economics

The hard-working Home Economics Department was in need of cooking utensils in order to carry on their excellent programs in the school and community. The Home and School Association, a new group of parents and administration at the High School, were made aware of this need and readily responded to this by donating the funds necessary to purchase the cooking equipment. These new utensils are now being used to make cookies for the holiday season which they will sell.

The Vocational Home Economics classes do a great service for the school by supplying the staff for the Thanksgiving Lunch and making the refreshments.

Message Here:

By Anthony Portuese

Two people around the street did stand,
Discussing life and the world at hand.
One rambled on about hippies, poverty, the whole situation,
While the other remained in deep cogitation.
After his friend's argument, which he endured,
He spoke at last, "No longer I'll be obscured,"
"Listen, MAN, and listen well,
This earth wouldn't be as near a hell
As it is today, if Puritans like you
Didn't worry or correct in all you do

This Philosophic man, whose name was T,
Has a message for you and me.
"This planet will be a better place to live
The earth will resolve itself, if given a chance,
Just worry about you, yourself and don't romance
About helping someone else first.
Because Y-O-U are the most important on the earth! ABP.

Open a savings account today.

Saving is the safest way of amassing a sum of money necessary to provide you with unquestionable security. The doubts connected with other forms of investment have been all too apparent in recent months. If you put some money into savings systematically, you'll find that it doesn't take long to amass a nest egg that would please even a bird of paradise. Systematic savings is really the secret. Why not start by saving a specific amount each month. Or you might want to open a checking account at our bank and let us deduct your savings automatically each month. We're ready to help you.

Bank President Appointed

Area Scouts Get Chairman

Robert R. Ferguson Jr., president of the First National Bank of New Jersey, has been appointed chairman of the annual meeting and recognition dinner of the Robert Treat Council, Boy Scouts of America.

The event, to be held February 5 in the Robert Treat Hotel in Newark, is highlighted by the presentation of Silver Beaver Awards—the Council's highest award for adult volunteers.

Ferguson noted that the three-part program is one of the biggest and more important events of the year for the Robert Treat Council which serves more than 10,000 boys in Belleville, Irvington and Newark.

Beginning at 2:30 p.m., representatives from the hundreds of troops, packs, and posts in the area served by the Council will meet with Council officials to review, discuss, and finalize programs planned for the year. A special program has been arranged for the women at the same time, Ferguson said.

Two hours later the Council will conduct its annual business meeting and elect officers for the year. At the Recognition Dinner, which begins at 6 p.m., numerous leaders from all levels of scouting will be cited for their service to the Council.

Council president William R. Harris, head of United Advertising Corporation, announces that several Council officials and community lead-

ers are assisting Ferguson as members of the committee. These include: Frank J. Rossini, Violation Clerk in Newark, who is chairman of the Council's membership committee and serves as an alternate member of the National Council; H. John Marks, Department Chief, Government Relations, Western Electric Company in Newark, who is chairman of the Council's Public Relations Committee and a member of the Executive Board; Norman Frank, associated

with Beck, Simon and Mantel, and Richard Bland, Assistant Director of Management, Newark Housing Authority, both active in Scouting.

Board; Walter D. Chambers, Division Commercial Manager of New Jersey Bell Telephone Company, chairman of the Council's Public Relations Committee and a member of the Executive Board; Norman Frank, associated

with Beck, Simon and Mantel, and Richard Bland, Assistant Director of Management, Newark Housing Authority, both active in Scouting.

You might as well admit that the people of the so-called backward areas are not backward in telling what they want us to do.

Pharmacy Footnotes

Vincent Cozzarelli, Reg. Ph.

Painkillers still affects many people in the United States. It is an acute, infectious, occasionally crippling disease that is caused by virus. It affects those of all ages, but children from one to sixteen are most likely to develop this disease. Early symptoms of the disease are: sore throat, fever, nausea, fatigue, pains or stiffness in the muscles. You can avoid this disease by being inoculated. It is extremely unwise to take the trouble.

You'll have no trouble getting prompt prescription service when you call. Home to ROSSBORO PHARMACY, 358 Washington Ave., 759-7954, 759-1944. Open: Daily 9 A.M. to 9 P.M. Sundays 9 A.M. to 5 P.M. We have a complete selection of cosmetics, toiletries, grooming aids, Whitman's and Schell's Candies.

Go to bed immediately when you feel the signs of sickness and call a doctor.

Your Weekly Horoscope

January 29 through February 4

Brought to you as a courtesy of

NICOLS PARK ESSO

ARIES (March 21-April 19): If you followed Olga's advice last week, Ari, then week ahead could prove to be a real bell-ringer. Prepare for action. Creatively you will be most vital. No need to view drama of life from the balcony, dear heart. Get on stage yourself and project. Respected critic gives you good review.

TAURUS (April 20-May 20): Unsolved problem buried deep within your heart nags for attention. Be patient, Taurus, for help is on the way. As week drags to an end, light shines in the darkness. You see and understand. Hope sparkles like a diamond and faith is restored. Olga delights in, your happiness.

GEMINI (May 21-June 20): Much affection is to be found right in your own back yard, Gem. No need to go flying off in several directions to discover what will delight your heart. Emotional wound heals, if you give it air. On last two days of week, hit the sack early. You may be running low on steam.

CANCER (June 21-July 22): Oh goody, you, Moonflower, are scheduled to have a really decent week. And it's about time. Money matter which has been worrying you is partially solved. You get a short breather. Fear diminishes as love grows. Key is trust.

LEO (July 23-August 22): Energy builds as week progresses. Leo. Individual with unusual eyes plays key role in making days ahead bearable. Show appreciation. And don't ask Olga "How?" You know very well HOW. You recall.

VIRGO (August 23-September 22): If you've had a couple of tacky weeks lately, Virg, it could be because you've been somewhat fatigued and easily irritated. However, energy should return slowly and by fifth day you'll be all smiles once again. Hold fast to your inner convictions; love, and week ends on cheery note.

LIBRA (September 23-October 22): Plan on playing the role of Don Quixote this week, Lib? Do you feel as though you would like to tilt one of the local windmills? Well, good luck. You'll need it. Opposition is just waiting for you to blunder forth and make a fool of yourself. Your ideals may be lofty, dear friend, but at this time your weapon is not quite adequate. Advice: Get additional info before you act.

SCORPIO (October 23-November 21): You are no doubt seeking to establish yourself on a higher plane, either emotionally or spiritually, Scorp. Success will be yours, but more time and effort are imperative. Take care not to spill the beans concerning secret plan. Week grinds to a hectic close.

SAGITTARIUS (November 22-December 21): The Archer is your sign for a very good reason, Sag. You seldom miss your mark. But in week ahead, you don't allow for the pull of gravity — and your shot falls short. Don't worry about it. Old gravity gets every one of us eventually. Week ends on happy note.

CAPRICORN (December 22-January 19): Oh, dear, an important career/family issue is brewing. Keep the pot on simmer, my sweet, or you'll have a very untidy mess to clean up. Exercise tact when dealing with dear one. You don't have to pussyfoot, of course, but avoid theatrics. Guard your health, stay out of drafts, take your vitamins, and get enough rest. Then week ends splendidly.

AQUARIUS (January 20-February 18): If you managed to forego immediate pleasure last week, you can relax in days ahead. Sort of the old fast-following-the-famine routine. Time will whiz by, as it usually does when you are doing what you enjoy. On last day, keep money, keys, etc. in safe place.

PISCES (February 19-March 20): As far as you are concerned, Pisces, love is not only blind, but deaf and mute as well. In days ahead, evaluate this department of your life carefully. To become bogged in the mire of an ill-starred romance at this juncture could prove catastrophic.

Mr. Carrera at 667-2100

SECRETARIES/TYPISTS
Let Us Put You Right In The Middle Of Things!
That's where the up-and-coming people are found... the people you'll be working for. You should have good stenography and typing skills and must be capable of handling yourself well in a variety of situations. All of which (if you have them) will get you an excellent starting salary and benefits including opportunities for advancement because of our "promote-from-within" policy. Call Personnel Department, 624-6600, Ext. 555 or 467, for an interview appointment. OR come in any weekday between 9 A.M. and 3 P.M. AND, FOR YOUR CONVENIENCE, WE WILL BE OPEN SATURDAY, JANUARY 29TH FROM 9 AM TO 4 PM. 8TH FLOOR.

Introducing the Lynn 6-PACK

USED CARS TO GO...NO RETURN.

The Lynn 6-Pack is on your side. They're part of Lynn's Consumer Cooperation Policy. You see, any dealer can give you a warranty, and hopefully he'll back it up. Big deal. You're not stuck with the repair costs but you're stuck with the aggravation that comes with mechanical failures on the road. Whereas, at Lynn, a factory trained technician carefully checks each of six important mechanical and appearance areas, making repairs or replacements where necessary, before the car reaches, once lot, and more importantly, before you drive it away. Now, along with our 100% (no cost to you) warranty, you take home the "6-Pack".

1967 CHEVROLET IMPALA

4 Dr. HDP. Auto, R&H, P.S. w/ w/ tires, deluxe w/ covers plus many factory extras. Snow white with black vinyl interior. Very well kept.

OBITUARIES

Mrs. V. Caruso, 74; Born In Jersey City

Mrs. Ruth S. Caruso of 14 Rosmore Place died January 10 in Clara Maas Memorial Hospital following a short illness. She was 74.

Born in Jersey City, Mrs. Caruso came to Belleville 16 years ago from Newark.

She is survived by her husband, Vincent; two sons, Wil-

liam J. Shanahan of Florida and Gerard Caruso of Seaside Park; three sisters, Mrs. Harriet Foscatto and Mrs. Emma Cook of Kearny and Mrs. Dorothy Simpson of Jackson, and five grandchildren.

A Funeral Mass was held January 13 in St. Peter's

Church from the S.W. Brown and Son Funeral Home. Interment was in Immaculate

Conception Cemetery, Montclair.
