Town Budget Adopted After Public Hearing

FIELDING QUESTIONS from the group of about 75 residents that showed up Tuesday night for the public hearing on the municipal budget is panel of (l-r) Commissioners Robert Laterza, Michael Marotti, Mayor Joseph McGreevy, auditor Matt Honig, Town Treasurer Francis McCoy, Commissioner Gary

Senatore, administrative clerk James Solito, and Commissioner Vincent Strumolo. Town Fathers unanimously adopted budget with amendment to reduce tax costs by six points.

Six Points Are Slashed From Total Tax Schedule

A six-point decrease and a \$147,000 savings in the municipal budget was the end result of a marathon public hearing Tuesday night at the Belleville High School auditorium. The open meeting, called by Commissioners to discuss the Town budget, was monopolized most of the evening by a half-dozen speakers.

The public hearing saw a small turnout of about 75 persons, far smaller than last year's meeting when over 500 residents came out to protest the budget. By the time the four-hour session was concluded, shortly before midnight, less than half of the 75 remained. The majority of residents that stayed the duration of the hearing were dissatisfied with the \$147,000 reduction.

With the drop, the new tax rate will see a \$5.74 figure per \$100 of assessment. The \$147,000 savings was realized when Commissioners decided to take the amount from last year's surplus and pump it into the current budget, lowering the amount of monies needed to be raised by taxes. This makes the budget, \$3,901,290 compared to the old \$4,048,290 needed to run the Town.

The amended municipal budget now goes to Trenton where it must receive approval by the Director of Local Finance, Joseph Ehrlick. A state okay is expected within two days.

Most of the evening, the public speaking forum was used as an exchange between residents criticizing Mayor Joseph McGreevy's accounting methods and the Mayor defending his policies in the Revenue and Finance Department. Much of the time was taken up by Anthony Fernandez, a frequent Town critic, and defeated Commission candidate Rocco Saletta, who also served one term as president of the Board of Education.

Despite concentrated efforts of the two to convince the Commission to release more

anticipated revenues, the pair was thwarted by McGreevy's "money in the bank" policy. Saletta, at one point, claimed an additional \$230,000 could "easily" be slashed from the budget by not constantly underestimating gross receipt and franchise taxes.

"You should take a good example from Nutley and estimate these taxes closer," Saletta addressed the Commission. "You are applying my money and the taxpayers' money by the surplus in the budget. You shouldn't have received that money in the first place. My concern is with the general public. Let's bring up anticipated revenues. You are under-anticipating."

McGreevy, in rebuttal, remarked that Saletta should "look at some of the school budgets that you put out." The Mayor stated that Saletta's line of thinking would deplete the surplus, and eventually lead the Town back into debt. McGreevy further claimed that under his administration in Revenue and Finance Belleville has the smallest debt in the entire state.

The amended municipal budget gives Belleville a 49-point tax increase but several residents present at the hearing said the figure is still higher than most area municipalities. One woman who said she saw a newspaper survey of increases in Town budgets claimed that Belleville had a consistent higher jump than other communities.

Another area of discussion was longevity increases for Town employees. Several speakers voiced their dissatisfaction with the system and asked Commissioners to rally behind a halt of the practice. Still, the majority of Town Fathers were against stopping the practice though Commissioner Michael Marotti said he may call for a study while Mrs. Mary Senatore said she may go along stopping the practice for new employees.

Villa Italia License

Appeals Board Ruling On Liquor Transfer

A recent ruling by the Belleville Commission, acting as the local excise board, is being appealed by a local tavern owner to the state Alcoholic Beverage Commission.

Belleville Commissioners, at a special public hearing Tuesday, Feb. 22, voted 3-2 to allow the Villa Italia, 501 Washington Avenue, to transfer its liquor license to the Belleville Motor Lodge, located at 369 Washington Avenue. In its decision, the Town Commission overruled two local ordinances in which the applicant was in violation. Anthony Benvenuti and Nicola DeSimone, two Nutley residents, were successful in their application for a transfer. Represented by Orange attorney Robert Schwabach, the two claimed that it was a hardship to operate their Villa Italia restaurant at its present site because of inadequate parking.

Edmund A. Effenberg, owner and operator of the Princeton Bar and Grill, 89-91 Joramelon Street, has appealed the Commission's decision to the Director of the Division of Alcoholic Beverage Control.

Effenberg's appeal states that the Villa Italia is in violation of Belleville ordinances with its transfer. Effenberg claims that the applicant (Villa Italia) did not move within 150 feet of its premises and did move more than 600 feet from 501 Washington Avenue.

These are both violations of existing ordinances coded 1640 and adopted here in 1963. Effenberg also claims that the applicant didn't submit any evidence indicating extreme hardship.

Commissioners Robert Laterza, Mrs. Mary Senatore and Vincent Strumolo voted in favor of the transfer while Mayor Joseph McGreevy and Commissioner Michael Marotti were against the move. The special hearing lasted only about one-half hour.

Talks Due Saturday

Teachers Negotiating As Settlement Nears

A final agreement in teacher negotiations may be seen this Saturday morning when representatives of the Belleville Teacher Association meet with the Board of Education.

Last Saturday's meeting between the two groups, postponed from a Thursday evening date, was the first in several weeks and both sides agreed that the talks were "constructive." Although lasting only about an hour and one half, from 10 to 11:30 a.m., BEA president Thomas Testa viewed the meeting as

Several local tavern owners and liquor stores also voiced strong disapproval with the transfer. They submitted a 43-signature petition to Town Hall objecting to the application of transfer. Ten of the 11 package liquor stores were named on the petition while 33 of the 41 taverns in Town also voiced objection to the move by signing the petition.

Many of the liquor license owners were present at the special hearing. The group represented a majority of liquor license owners in Town against the transfer.

"encouraging."

"We almost came to tentative terms. I believe that both parties are now on the same frequency," added the teacher group head. "It looks as though we have overcome the major obstacles and a final agreement may be in the near future."

Testa, however, failed to come right out and say that a definite decision may be reached Saturday but he did indicate that an agreement is a strong possibility. Testa said he was impressed with the "hard-nosed negotiations"

Film-In At Library On Saturday

A winter Film-In will be held at the Children's Room of the Belleville Public Library this Saturday, at 10:30 a.m. The library, located at 221 Washington Avenue, invites all children grades kindergarten through four to enjoy this program.

Admittance is free and tickets are not required. The main attraction will be the color movie version of the "Red Balloon," a classic story of a small boy in Paris who is adopted by a balloon.

Other color films to be

shown are "Stone Soup" and "The Story of King Midas."

POINTING out why longevity increases for Town employees should be discontinued is Tony Fernandez, who spoke at length during Town Budget hearing Tuesday evening.

STRESSING a point on why surplus should be released is Rocco Saletta, defeated Commission candidate who once served as head of Board of Education. He criticized budget.

Commission, Educators Meet

School Budget Cut Tonight?

When Town Fathers and the Board of Education meet tonight at Town Hall a final decision may be reached in

what to do about the defeated school budget. If an accord does come about, it will be long before the March 16

deadline set by law. Although School Board members are hoping to see no cuts in the defeated budget,

Commissioners this week have four areas where reductions may be seen. During a special meeting of Commissioners Tuesday night, Feb. 22, each Commissioner submitted an area where he or she may feel is not necessary to operation of the schools. However, reports indicate there are no large areas where

cuts could be made and Commissioners tonight most likely will ask for cuts in the hiring of certain teachers and other custodial and special help.

The education budget was defeated February 8 and the Board of Education has stressed since then that it was there are no large areas where an "extremely tight" budget,

A charge of rape has been preferred against a 19-year-old Newark resident already being held for the alleged murder of a Belleville grammar school pupil.

James Lamarr Richardson of 243 Wainwright Street was arraigned on the rape charge before Judge Aaron Naroil in Belleville Municipal Court February 16. Richardson is being held without bail pending action by the Grand Jury. He was charged by Belleville police with the rape on February 7.

Richardson has been accused of the murder-rape of 10-year-old Sheila Carr in her 66 Cortlandt Street home the evening of February 7. Detectives here apprehended the suspect the same evening when he walked into police headquarters. Richardson was charged with the homicide 2:20 a.m., the following morning. He was not charged with rape until a thorough autopsy of the body was performed by the county coroner.

A pupil at Belleville School No. 1, Sheila's body, badly beaten about the face and neck and clad only in a sweatshirt, was found under a discarded mattress in the basement of their two-family home by her 15-year-old brother, Anthony. Richardson was reported to be a close friend of Anthony and the suspect was reported to be in the Carr home earlier the day of the murder.

Easter Seal Sell Campaign Begins

Jeffrey P. Ruddy, chairman of the Easter Seal Committee for Crippled Children and Adults of Essex County, today announced the re-appointment of Romeo Mattia, chairman, and William C. Bixby, co-chairman of the Easter Seal Appeal for Belleville, which began on February 28 and runs through April 9.

Mattia, owner of Mattia Printing Company in Newark, has been the Appeal chairman for several years. Active in several local youth oriented organizations, he is past president of the Boys Club of Newark, a member of the North Newark Lions Club and Essex County Civic Association.

The second vice president of Fidelity Union Trust in Belleville, Bixby too has been active with the Easter Seal Committee for several years. He is interested in the Boy Scout movement, a member of Newark Jaycees and trea-

surer Wesleyan Alumni Club. The New Jersey Easter Seal Society was created 24 years ago to help crippled children and adults, who were unable to help themselves. The number of people needing that help has increased every year, according to Mattia. In 1971 the Easter Seal Society served more than 500 physically handicapped people.

This year's campaign, according to Bixby, will be the most intensive in the Society's history. In addition to the regular mail appeal, a nation-wide television and a neighbor to neighbor parade is scheduled.

"The increased need," Bixby said, "makes it necessary to reach more people with the Easter Seal story. When we join with our neighbors in sharing according to our ability, we bring hope into the lives of thousands of crippled children who need therapy."

Nixon's China Visit

Much has been written and said about President Nixon's trip to Communist China.

Despite the shortcomings of the joint communiqué issued after the meeting, the positive results achieved by Nixon's visit to China is the fact that at long last we have established direct relations with the world's most populated country. And it is about time.

Perhaps the major benefits of Nixon's visit to China may not be realized during his present term in office, should he win re-election, during his next term in office. However the ground work is laid for meaningful world peace. It remains for the future leaders of the United States, China, Russia, Japan, England, France

and Italy to bring to fruition the fruits from the seeds sown by Nixon last week in China.

There are cynics who look upon Nixon's trip to China as a political gimmick to aid his re-election campaign this fall. Whatever the motive, the end result is that all humanity and the world have benefited from the Nixon endeavor. Future historians no doubt will record the Nixon trip as the turning point in the world's search for lasting peace.

Apartment Rents Too High

This week U. S. Senator Clifford P. Case called upon the Federal Price Commission to roll back rentals to a level permitting only 6 percent increases and also asked a Federal Rent Control Board to "protect the many people who are being hurt under the Phase II guidelines." We trust the Federal Price Commission will give Senator Case's request the serious consideration it deserves. A decent apartment is not only hard to find but, if a person is lucky enough to find one, the

rent is beyond the reach of the seeker.

Government, at some level, must come to the aid of the unfortunate tenant who by now realizes he or she lives on a one-way street and the street is not running her way.

Another Bad Sign

New Jersey Bell Telephone Company this week applied to the State Board of Public Utility Commissioners for a 22 percent increase.

The request comes just one month after the Public Utility Commissioners granted New Jersey Bell a 9.3 percent revenue increase that boosted monthly bills and service charges across the state.

Every where one looks these days prices

seem to be going up, and up, and up. When or where will they stop, no one knows. Ladies and gentlemen, the name of the game is inflation and there isn't any one yet who has been able to stem the tide.

Riots Down

A study conducted at Brandeis University finds that summer racial disorders have lessened considerably since President Nixon took office. From a high of 167 major riots in the summer of 1967, riots have declined to 46 in number by 1971.

A complete report on the decline appears in the February issue of Justice Magazine, a police oriented monthly published in the national capital. The authors

do not seek to give causes for the improvement, though they point to improved means of minority expressions and improved police practices.

The good news for all Americans is that this type of mass violence in the streets has drastically declined. Had it continued to increase for the past four years, the functioning of American society would have been in serious jeopardy.

Seems Only Yesterday

School Board And Students Breaching Generation Gap

By Elaine Auerbach

One Year Ago

A conference meeting between the Board of Education and high school student leaders, although formal in nature, seemed to bridge a communications gap which had been partly responsible for a student demonstration February 11. The students had requested the meeting to get the Board's permission to build a student activities center in the school's bomb-shelter. The students' plans were favorably received by the Board.

Belleville police were cracking down on kids operating mini-bikes. Chief of Police Joseph Smith said that patrol cars had been instructed to confiscate any mini-bikes found in operation and to issue summonses for motor vehicle operations. The severe crackdown came after several incidents in which children had been injured on the gas-driven bicycles. Mini-bikes, as Chief Smith pointed out, were legal only if operated on private property.

Five Years Ago

The first step toward reinforcing the strengthening pillars of the Belleville school system was instituted by the Board of Education when it voted unanimously to secure two educational consultants to help select possible candidates for the superintendent of the district. Trustees voted to hire Dr. Milton Steinhauer of Rutgers University and Dr. Willard Ellsbee of Columbia University to aid the Board in its selection of a new school superintendent.

A brief thirty minute Town Council meeting cost taxpayers approximately \$1,000 per minute. Belleville Police and Fire Departments were to reap the benefit of \$15,000 annually due to the passage of an ordinance which allowed monetary payment for time beyond their normal work week. The approximate cost of \$15,000 was arrived at by computing hours owed to police and fire department members, which has totaled about 4,000 hours.

Ten Years Ago

Charles A. McGinnis, a veteran of more than 30 years on the Belleville police force, was to succeed George R. Spatz as chief of police. The appointment was to be made official March 5, after Spatz celebrated his 65th birthday. McGinnis had been deputy chief in charge of the detective bureau since 1955. He had joined the force as a constable in 1931.

The 69 members of the Fire Department were seeking a 42-hour week they hoped would be approved in a voter-referendum in the May election. Fireman Theodore Del Grosso, who had been appointed chairman of the 42-hour committee, said that firemen would begin door-to-door visitations in quest of the 1,766 signatures needed to put their request on the ballot. Del Grosso expressed his belief that the voters would understand and commented: "For years firemen have been many steps behind the times. Here in an age when America is looking to the moon, we still have a 56-hour week schedule—a work schedule you would expect to find in the 1930's."

Fifteen Years Ago

Herman "Pinky" Wische, head basketball coach at Belleville High School for 17 years, turned in his resignation to the Board

of Education. There had been rumors for several months that Wische intended to retire. In making his intentions official, Wische asked the Board to relieve him of his duties only. He wanted to continue on at the high school as with his teaching duties. Board members accepted his resignation with regret. A move to appoint him as faculty manager of athletics was recommended by the Board's Athletic Council.

Town Commissioners paved the way for actual construction to begin on development of the Plenge Farm area when they approved subdivision plans which had been submitted for part of the 45-acre tract. In a 3-2 split vote, Commissioners approved plans and maps which had been submitted by Rutan Estates Inc., of Newark, for construction of houses in the area on lots which measured 30 by 100 feet. Those in favor of the plans were Mayor Isadore Padula, and Commissioners Kenneth Smith and Robert Gruhin. Elmer S. Hyde and Harry Sullivan opposed the measure. Hyde stated that he favored building larger homes on part of the land and setting aside the remainder for a shopping center.

Twenty-Five Years Ago

In a lengthy, detailed 38-page report submitted to the Board of Education, Evan Thomas, general supervisor of the school system, advocated the establishment of a junior high school to meet the demands of rapidly progressing educational requirements. Thomas declared that consideration had to be given for either the acquisition of a favorable site and the construction of a modern school building as a junior high or the renovation of School 8 as a junior school.

A Belleville youth, who had received training at School 7 and then at the high school, was honored for the second consecutive year by the Art Students' League of New York City. Robert Valentino, son of Mrs. Clementina Valentino of 41 Hill Street, was elected to the Board of Control of the League along with other contemporary artists. Valentino was to exhibit his work at the Scholastic Art Exhibit sponsored by L. Bamberger and Company at their store in Newark.

Forty Years Ago

Eighteen members of the Merchants' Association met in the Town Hall and adopted a resolution favoring a uniform closing hour. A regulation of the closing hours of the town's stores had been in question for some time and it was hoped that the merchants would act to decide upon a uniform closing time.

Paul West, local architect, appealed for payment of a \$750 bill he had submitted in August for services given the town when he had drawn a set of plans for specifications for a one-story addition to the Town Hall. Mr. West pressed his claim at a Board of Commissioners meeting.

Fifty Years Ago

The Silver Lake Welfare Association held its third annual theatre benefit at the Broad Theatre, Newark. The attraction was "East is West," featuring Fay Bainter.

The Elks Club was leading the bowling league with the Belleville Clubs a close second. Other teams in the league were the Columbus Club, Belleville R.A., Highland P.C., Junior Order, American Legion, and the Duce Club.

He's Getting Snow Job

To the Editor:

To whomever is in charge of snow control for The Town of Belleville:

Either you haven't looked out the window lately or you don't know what snow looks like. In case it is the latter which has prevented you from carrying out your job, I would like to be the first to inform you that all that fluffy white stuff covering (and I do mean covering) the streets is called snow.

Also, that clear hard slippery substance that my car has been sliding around on is called ice. Furthermore, it happens to be your job to aid in the removal of these two hazardous substances from the streets of this town. If you do not want the jobs—please resign. If you do—prove it. Our tax money happens to be paying your salary. Perhaps you should be paying us.

Soaring Taxes

A study of the Commerce Clearing House in Chicago shows state and local taxes soaring in many states and taxpayers being increasingly burdened by these increases.

The rate of increase in 1971 was highest in the following states: Alaska, Virginia, Kentucky, Maryland, Hawaii, District of Columbia, Illinois, Wisconsin, Pennsylvania, Connecticut, Nebraska, Missouri, North Carolina, Delaware, Maine, Georgia, Alabama, New Jersey, Iowa, South Carolina, Massachusetts, Vermont, and Michigan, in that order. Yet the 1971 increase can mean comparatively little in a state such as South Carolina, where state and local taxes in 1971 claimed only \$274 per capita while states like Nevada and California, with lesser 1971 percentage increases, exacted a toll of over \$500 per capita.

As the tax take continues to increase, as do prices, it becomes almost mandatory that the federal government begin sharing some of its revenue with states, to enable them to hold state taxes at their present level, or in some cases to aid communities sufficiently so that excessive property taxes can be reduced.

Bulletin Board

The Times publishes the Town Bulletin Board as a public service, not only to assist individuals in planning social calendars but as an effort to eliminate conflicting dates among local organizations. Club secretaries and program chairmen wishing to clear a date for a future activity may call the Times 759-2200.

Listings for the Town Bulletin Board must be written and submitted to The Times two weeks in advance of publication.

There is no charge for the Bulletin Board listing but events should be limited to those of general interest. Be sure to mention dates, time and place for each event being listed.

Town Budget Adopted

(Continued from Page 1)

cism of Town employees and the general feeling of those attending the hearing was that they were overpaid. One speaker suggested that pay increases be introduced as part of a public works program.

"This is the best paid outfit in the county, especially when one guy works while another watches," fumed one resident. "The pay scale to going to make everyone in Town broke."

There was little criticism of the Commissioners' individual department budgets, though McGreese was asked to explain items in the budget allotted for library and weights and measures spending.

An allotted \$52,000 for new equipment for Public Works was questioned and there was a suggestion that the Town inquire about purchasing government surplus equipment.

announcement by former School Board Trustee Frank A. Cocchiola that he would seek the vacancy created by the refusal of Commissioner Henry Ludwig to run again. More than one year and has decided he could best serve the community he loves by standing on the sidelines, and after the list of candidates is known, make public his personal preferences. For the short period that Ludwig was active on the Town Commission he served Nutley well. Cocchiola brings a brand new face to the Town Commission race. Political pundits expect the four incumbent commissioners to announce re-election bids during the next fortnight.

THE NEW YORK YANKEES have opened their spring training camp in Fort Lauderdale. Elston Howard complained to me Friday night that his bones and muscles were aching all over. This year the Yankee heads the calisthenics training periods. This is a first for him and it sort of puts him in the spot because he is up front—and when one is up front all eyes are upon you and you are obliged to put your best foot forward.

MY COMMENTS ON THE PLEASURE OF Eastern Airlines service to and from Fort Lauderdale—all interesting—must await another edition. Since has a habit of catching up with long-winded writers.

SCHOOL BOARD SECRETARY-BUSINESS MANAGER Everett Zabriske was scheduled to resign at the end of the week after undergoing the final operation in a series which should restore him to good health. While at Clara Maass he received a

clipping from the Miami-Herald about two former Nutley High graduates, Ron Fraser, baseball coach at the University of Miami, and Jim Ireland, a McGregor Sporting Goods executive serving the Florida area. Jim is the son-in-law of former Nutley School Board Trustee Sandy Smith. Sandy lives with his family in Fort Lauderdale.

Ron Fraser requested McGregor Sporting Goods, through Jim Ireland, to manufacture green gloves. The idea seems to be catching on and while the University of Miami will be the first baseball team in the United States to be using green gloves, the professional baseball leagues have taken a keen interest in the novel idea and this summer we may see brown gloves discarded in favor of green at Yankee and Shea Stadiums.

A FORMER GASLIGHT CLUB MAITRE'D, Sammy Chantly, has been working for the past month at New York's popular "in" restaurant, Casino Russe on East 54th Street. When Sammy made the change from the Gaslight, to the Casino Russe, the name "Sammy" didn't fit the Russian decor of the place and so now Sammy is known as the Casino Russe as "Spiro." Incidentally, Sammy's family owns a chain of high quality restaurants in Dallas, Texas.

AN ASIDE TO THE "CONCERNED PARENTS OF YANTACAW SCHOOL AND LOCAL TAXPAYERS" your February 21 two page letter is very informative and interesting. However because it bears no signature, I cannot use any part of it. THE JACKIE GLEASON \$260,000 INVERRY GOLF CLASSIC held in Fort Lauderdale which concluded last Sunday was a rather exciting event, especially for people who were in Fort Lauderdale during the period of play. At Fort Lauderdale's International Club Friday night, I asked Arnie Palmer, who was imbibing with Jack Nicklaus, what kind of a game the "Great One" expected to play the next day. Palmer replied that he was feeling in great shape and looked for a low score. As all the world knows the rich, good looking Palmer ended his Saturday game with an 80. At close range Jack Nicklaus is one of the most handsome men I have ever met. If he ever became active in politics—that is as a Republican—he could very well be the GOP's answer to the Democrats' Ted Kennedy.

MONTCLAIR TIMES PUBLISHER JOE CUDONE had a winner in the English race at Florida's Gulfstream Saturday. Joe's horse, CLANCORR, won by half a length, paying \$3.60 odds. The summary of the race the Fort Lauderdale News commented, "CLANCORR never far back while placed along the inside, was forced to alter course to outside abruptly in upper stretch and responding to pressure wore down RED HOT TAMALE in dosing strides. RED HOT TAMALE paid odds of \$14.30.

IT PAYS TO LIVE IN NUTLEY. The current real estate tax rate for Nutley is \$4.14. It compares with Belleville's \$4.87 and Bloomfield's \$4.71, which means if you own an identical home as the one in Nutley but you live on the Bloomfield side of the street, you pay a higher real estate tax and the same goes if the circumstances involve the person living on the Belleville side of an adjoining Nutley street.

Imperiale Lauds Scouts At Troop 152 Dinner

Eagle Pin Awarded Buonanno

Eagle Scout Albert Buonanno was honored at Holy Family Boy Scout Troop 152's annual Parent/Scout Dinner on Sunday, February 20. In recognition of the achievement, the highest award attainable in scouting, the annual dinner was renamed the "Albert Buonanno Eagle Scout Dinner" and was held at the San Carlo Restaurant, Lyndhurst.

Master-of-ceremonies, scout Donald Murray, introduced honored guests including New Jersey State Assemblyman Anthony M. Imperiale who was the guest speaker. Also attending were Lester Harmon, Essex district chairman of Tamarack Council and the Reverend Robert Cozzini, troop moderator.

Highlights of the program were the Eagle Scout Award presentation to Buonanno by Scoutmaster Larry Marchese and Vice Post Commander Lester Harmon, and the presentation of the American Legion Good Citizenship Certificate by Post Commander Harvey Niemeyer and Vice Post Commander David McCarthy, both of American Legion Post 70, Nutley.

On hand to witness the presentation and to accept awards given to parents of an Eagle Scout were Mr. and Mrs. Albert Buonanno, Sr. of 17 Adelaide Street, Belleville.

Assemblyman Imperiale commented he was pleased to see dedicated youth and parents participating in ceremonies in which God and the American flag played an important role.

Having observed the Court of Honor ceremony when scouts received awards for their achievements, Imperiale advised the scouts to "continue with your work, do it hard, believe in it and you will be successful and the country will benefit."

Benucci Named Manager Of 5-County Postal Region

Henry E. Platt, northern New Jersey district manager of the United States Postal Service today announced that Newark Postmaster Joseph J. Benucci, has been designated as acting manager for the Newark Sectional Center. Benucci's new area of responsibility comprises 59 associate offices, located in Essex, Hudson, Union, parts of Bergen and Middlesex Counties, with a work force of approximately 12,000 and an operating budget in excess of \$150 million.

Benucci will coordinate mail processing operations, customer services, complement control, training, transportation and other such authority in the field of management.

Benucci was appointed postmaster of Newark, December 31, 1962, and has served with distinction. His citations and awards include a 1965 Presidential Citation, special recognition for an

outstanding contribution to the greater economy and improvement in government operations, first prize in 1968 when Newark Post Office was number one nationally in industrial safety. In 1970 and again in 1971 he was cited as the top manager in the management program in the Philadelphia postal region, comprising 2,500 post offices.

(I welcome the opportunity and challenge in this endeavor," STATED Benucci. (Our aim is a better service to the American people as economically as possible.

Belleville Man Jailed For Drug Possession

Two men pleaded guilty and another pleaded innocent to charges of possession of narcotics before Judge Edwin J.C. Joerg February 23.

Leroy Polite, 22, of 127 Stevens Street, Belleville received a 90-day jail term in the Essex County Corrections Center. James Serio, 24, of 206 Passaic Avenue in Belleville received a six-month suspended sentence and a two-year probation term.

Grantland Rice, who pleaded innocent, was held on \$1,000 bail after a preliminary hearing.

The men were arrested by Officers Joseph Rego and Anthony Intile December 21 at 51 Passaic Avenue. According to the officers, they had observed Rice enter the premises at 7:35 p.m. and had received a call from headquarters five minutes later to proceed to that address. They said they observed the defendants and one other man through a basement window and then entered and arrested them. The officers removed small quantities of alleged drugs, some bottles and a hypodermic needle.

Under cross-examination by Rice's lawyer, the officers said that at no time did they observe the defendant using drugs.

In summation, Rice's lawyer said that since Polite and Serio had already admitted to possession of the narcotics and since the defendant had only been at the residence for a brief time before the police arrived, that there was insufficient evidence to try Rice on the stated charges.

Judge Joerg disagreed and sent the matter to grand jury for possible indictment.

Italian-Americans Set Joint Meeting

The Belleville Italian-American Civic Association announced that John Cervase, member of the Newark Board of Education, will be a guest speaker at a joint meeting with the Ladies Auxiliary at the Little League Club House on Wednesday Evening at 8 p.m. on March 15.

Cervase will speak on the heritage of the Italian people and the Black Liberation Flag. President Vincent Vecchione has appointed

Frank F. Ceres, treasurer of the organization as the arrangement chairman and Anthony Campanella, chairman of the refreshment committee.

A capacity attendance is expected. Vincent Vecchione has also announced that the organization will sponsor a Little League Baseball team which will bear the name of the Belleville Italian-American Civic Association.

Dr. Falco Is Appointed Chief Intern

Doctor Andrew F. Falco of Belleville has been appointed chief intern of Clara Maass Memorial Hospital, announced recently by Miss Mildred Neuse, administrative director.

Doctor Falco is a native of Irvington, and is married to the former Silvana Del Plato. They have a three-year-old boy, Dennis and live in the doctors residence adjacent to the hospital.

Belleville Youth Guilty Of Assault On Officer

Michael Maiorano, 24, of 96 Belmont Avenue, was convicted of assault upon a police officer and being under the influence of narcotics February 2 and sentenced the following morning by Judge Edward J. Abramson in Belleville Municipal Court to a 30-day custodial sentence and a year's probation, with the provision that Maiorano complete a drug rehabilitation program.

On January 10, Maiorano was arrested at the corner of Belmont and Bloomfield Avenues for being under the influence of narcotics.

The defendant was accompanied during sentencing by a representative of Teen Challenge, a national organization devoted to the rehabilitation of drug users. After serving a 30-day sentence, Maiorano will be released in their custody.

Maiorano was also acquitted of a charge of using foul and abusive language.

Newarker Gets Prison Term For Defraud

A Newark man was sent to prison for three months Thursday in Belleville Municipal Court for intent to defraud.

Judge Carl Stier, Bloomfield magistrate sitting for town Judge Edward Abramson, accepted a guilty plea from 38-year-old Sam Wilburn of 79 So. Orange Avenue, Newark, that he tried to use a stolen check October 10 to buy two tires in the amount of \$337.92.

Judge Stier in issuing the sentence cited Wilburn's lengthy record and failure to show sufficient probationary progress, warranting the 90-day jail term which Stier told Wilburn could "easily have been doubled."

The accident toll in this country is big enough to warrant serious attention, so be careful.

Resident Is Fined

Two men pleaded guilty to, drunk and disorderly conduct in unrelated cases February 16 in Nutley municipal court.

Leroy Tatum, 49, of 459 Grove Street was sentenced by Judge Edwin J.C. Joerg to a suspended 30-day jail sentence and given a \$25 fine. He was arrested at 4:54 December 9 in the Yantacaw School parking lot.

Michael Wenach, 45, of 149 Little Street in Belleville, was fined \$30 by Judge Joerg.

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Miss Helene A. Best Is Bride Of Albert J. Sorrentino Jr.

Miss Helene Antoinette Best, daughter of Mrs. Lillian Best of 333 DeWitt Avenue, Belleville and the late Mr. Joseph Best was married February 20 to Albert Sorrentino Jr. son of Mr. and Mrs. Sorrentino Sr. of 152 Oak Ridge Avenue, Nutley.

The ceremony in Our Lady of Mt. Carmel Church, Nut-

ley, was performed by the Rev. Henry Junkiewicz and was followed by a reception at White Eagle Manor, Bloomfield.

Escorted by her brother, Charles E. Best, the bride wore a worsted silk gown with an empire waist, pearl beaded bodice, a high neckline of white mink long fitted

sleeves trimmed with white mink at the wrist and a chapel train.

A mink headpiece held her shoulder length and full length veils and she carried a white mull decorated with a white orchid and stephanotis.

Miss Susan Franklin of Nutley was maid of honor. Bridesmaids included: Mrs. Maria Best of Belleville, sister-in-law of the bride, Miss Anne Maria Sorrentino of Nutley, sister of the groom, Mrs. Virginia Coon of Edgewater Park, cousin of the bride and Mrs. Diane Vanderveen of Passaic. Flower girl was Michele Fracassa of Nutley.

They were attired in dimly styled gowns of brown saten with an overlay of brown chiffon and chignon sleeves. The cuffs waists and bodices were trimmed with an embroidered floral design in green, pink, gold and powder blue. Camelot headpieces were of brown velvet. The honor attendant carried powder blue flowers and the others had bouquets of multi-colored flowers.

Jeffrey Jones of Carlstadt was best man. Ushering were the groom's brother, John Sorrentino of Livingston, his cousin, Patrick Frasco of Parlin, Robert Cagno and David Dillon of Belleville. Ringbearer was the bride's nephew, Alexander Best of Belleville.

Miss Best chose a peacock blue crepe gown trimmed with gold and silver beading and fashioned with long chignon sleeves. The groom's mother was in a shrimp-colored A-line gown of crepe polyester trimmed with beaded Alencon lace. Corsages were of white gardenias.

Mrs. Sorrentino Jr., a graduate of Nutley High School and Berkeley Secretarial School, is with ITT Avionics Division, Clifton.

Mr. Sorrentino Jr. an alumnus of Essex Catholic High School, served six years in the U.S. Army Reserves and is with First National City Bank, New York.

After a trip to Acapulco, Mexico, they will make their home in Nutley.

Mrs. James Guardino - nee Irene Jacquemin

Irene Jacquemin February Bride

Our Lady of Mount Carmel Church, Nutley, was the setting February 26 for the marriage of Miss Irene Barbara Jacquemin, daughter of Mr. and Mrs. William Robert Jacquemin of 188 Prospect Street to James Albert Guardino, son of Mr. and Mrs. Leonard Guardino of North Bergen.

The Rev. Vincent Murray, formerly of St. Peter's College, Jersey City and the Rev. Edward Cavey of St. Peter's College, performed the ceremony and celebrated the nuptial mass. A reception followed at White Eagle Manor, Bloomfield.

Escorted by her father, she wore a silk faced organza gown trimmed with Alencon lace and fashioned with an empire waist, ring collar, lantern sleeves, A-line skirt and detachable chapel train.

Her headpiece of Alencon lace beaded with pearls and crystals held a two tier silk illusion veil and she carried a cascade of carnations and stephanotis.

Mrs. Patricia Dolphin of East Brunswick was matron of honor. Bridesmaids included Mrs. Margaret Briant of Montclair and the bride's

cousin, Miss Kathleen Jacquemin of Clark. Junior bridesmaids were the bride's nieces, Miss Mary and Miss Jean Jacquemin of New Hampshire.

They were attired in gowns featuring off white chiffon bodices with bishop sleeves and green velvet skirts. Headpieces were of matching velvet trimmed with lace and bouffant veils and they carried green and beige carnations and chrysanthemums.

Robert Corso of North Bergen was best man. Ushers were John Cook of Kearny, Alfred Weller of Weehawken, Albert Donato Jr. of Bayonne, cousin of the groom and William R. Jacquemin Jr. of New Hampshire, brother of the bride.

Mrs. Jacquemin chose a turquoise blue crepe dress trimmed with beading and silver accessories. The groom's mother was in aqua blue chiffon over taffeta with a jeweled bodice. Corsages were of baby orchids.

Mrs. Guardino, a graduate of Nutley High School and St. Joseph's Hospital School of Nursing, is a registered nurse at the hospital.

Miss Girgenti, H.E. Brechtbill Wed In Ecumenical Ceremony

Wedding vows were exchanged February 27 in Sacred Heart Church by Miss Beverly Girgenti, daughter of Mr. and Mrs. John Girgenti of Lyndhurst and Harry F. Brechtbill, son of Mr. and Mrs. Walter E. Brechtbill of 19 Walnut Street.

The ecumenical service was performed by the Rev. Ralph W. Holman, uncle of the groom and professor in the Lutheran School of Theology of Chicago and the Rev. De Pasquale. A reception followed at The Landmark, East Rutherford.

The bride wore an empire styled gown of white silk worsted fashioned with a pearl beaded Alencon lace bodice and featuring a chapel length train and matching fingertip length mantilla. Her bouquet was of pom-poms centered with orchids.

Mrs. Louis Parrazzo was matron of honor. Bridesmaids were Miss Joy Brechtbill, sister of the groom, Miss Irene McWilliams, Miss Regina Paknis, Miss Diane Grasso and Miss Donna Cipolla.

George Indervires was best man. Ushers were Richard Girgenti, brother of the bride, Frank Mascitelli, Thomas Barton, Robert Moro and Louis Parrazzo.

5 Dual Meets

College Track Schedule Seen

An extensive schedule calling for six dual and two triangle meets plus three major relay championships and four major meet competition has been announced for Montclair State College's 1972 varsity track team by Bill Dioguardi, Director of Athletics.

Coach George Horn's squad will open the season on April 3 at Fairleigh Dickinson University in Teaneck.

The Indians other dual meets will be with City College of New York, Rider, William Paterson, Glassboro State and East Stroudsburg State. The triangular com-

petitions will be with Trenton State and Jersey City State on April 24 and Brooklyn College and Lehman College of April 26.

In addition to the Penn-Quantic and Iona-Queens Relay championships, Montclair State will also enter the New Jersey Collegiate and University Meet at Fairleigh Dickinson, Teaneck, College Track Conference, New Jersey State College Athletic Conference, North Atlantic National Collegiate Athletic Association Regional and IC 4A championship meets. It will be the Indians first appearance in the IC4A Meet.

At Parks

Need Caution In Ice Skating

Late February and early March ice on ponds and streams is treacherous, the Essex County Park Police have warned.

According to Park Police Captain Herbert Koelsch three youths have been saved by the Commission's Shore Patrol in the last fortnight. Two were endeavoring to cross Weequahic Lake and the other was at Branch Brook.

The Park Commission has eight bodies of water under its jurisdiction which are patrolled during daylight hours. Koelsch noted that February ice becomes porous from the position of the sun and that even five or six inches of ice can be without strength. He urged parents and teachers to warn children of the dangers.

The moment of a plunge through icy waters is often too late for help, the Captain said, but should an accident occur he suggested these measures: never attempt a rescue alone; seek help from a professional agency such as a fire department or rescue squad; throw an object such as an inflated spare tire, a tree limb or a board to the victim; if several persons go to the rescue they should remain separated to keep weight distributed; walk, do not run, and observe ice conditions carefully; and when approaching the victim remain flat on the ice.

DISTRICT CHAMPS from Belleville are shown with the Blue and Gold coaching staff after the Bellboys' second place finish last weekend in District VII. Seen

(top, l-r) is coach Jim Silvestri, John Mustacchio (130); John Smith (heavyweight); Walt Bennett, runner-up, (148);

Gary Falkman (168), and coach Anthony Sorrentino. Title holders (bottom, l-r) include Chico Lijo (98); Fred Arena (106)

and runner-up Brian Banda (123). Team set new record with five individual champions in district competition.

Region Action Tomorrow

Five Bellboys Claim District Titles

MAKING HIS POINT to an official at District VII competition in Belleville High School gym is Bellboy coach Jim Silvestri while assistant Anthony Sorrentino looks on.

The Blue and Gold of Belleville will send seven representatives into regional competition tomorrow and Saturday at Kennedy High School in Paterson. In District VII action this past week the Bellboys finished second to defending champion Essex Catholic.

The Eagles again this year finished a strong first place coping 95 points to second place Belleville's 71 total. Bloomfield was a distant third with 50 with Lyndhurst close behind in the fourth spot at 46. Barringer had 35 points and Central and Glen Ridge failed to score. Kearny High School, expected to provide strong competition in district action, was disqualified from competing in the tournament when officials learned the Hudson County squad had wrestled one match too many to qualify for the districts.

In landing second place, Belleville had an all-time high of five district champions. The previous Bellboy record was three district champs in one season, three years ago. The local squad also had two runner-ups, who will also go on to regional competition.

Chico Lijo (98); Fred Arena (106); Boff Mustacchio (130); Gary Falkman (168), and John Smith in the heavyweight division were successful in their district bids. The five champions were followed by two runner-ups in Brian Banda (123) and Walt Bennett (148). Regional competition begins tomorrow at 7 p.m. when the preliminary rounds are

staged for Kennedy High School. Saturday action there will see the semi-finals at 1 p.m. and the consolation rounds at 6:30 p.m. The final round of action to determine who will take the grip to the states in Princeton will begin at 8 p.m.

"I was very pleased with the work done by our boys. Quite a few of our wrestlers surprised me," said head coach Jim Silvestri.

"We had five district champs, which is more than we ever had, and we had eight wrestlers reaching the semi-final round. Eight of twelve wrestlers compiling points for us isn't at all a bad total."

The coach was pleasantly surprised that so many of the Belleville grapplers responded favorably to the pressures of district competition. Last year, when Belleville was supposed to have a stronger team, only one local wrestler, Angelo Zoppi, ended up with a district crown. This season, dubbed a rebuilding year, five local performers captured titles.

In lauding the wrestling of several of his performers, Silvestri especially cited the work of three of Belleville's grapplers as pleasing. He said that Ramon Lijo, who won the crown in the 98-pound class, did a very good job. Lijo triumphed over two opponents who had beat him in regular season action while on his way to the crown. Also, junior heavyweight John Smith performed well. Smith was injured in the regular season match with Nutley but he came back to place first in the districts. Gary Falkman in the

168-pound division was the biggest surprise of the tourney. Falkman accomplished the near impossible by taking up wrestling in this his senior year and topped that feat off with a district championship.

The coach was also pleased with the seedings for the upcoming regionals. According to Silvestri, Lijo has been seeded third and will wrestle Horvath from neighboring Nutley in the first round. Arena, seeded sixth, faces Cagnelli from Garfield with a 7-5-3 mark. Unseeded Brian Banda goes against D'Marzo of Ft. Lee, who is 10-6-1 on the season.

Mustacchio is again seeded first. The outstanding 130-pounder takes on Bratton of West Essex, who posted a 12-3-2 season record. Bennett is unseeded and will face Bright of Montclair in the opening round. The tough Mountie has a 15-0-1 season total. Falkman, in posting the fourth seed, meets Coven of West Orange. At 9-5, Coven is the top wrestler the Cowboys have to offer. Smith, also seeded fourth, faces Samson of Ridgefield Park at 12-3 on the season.

This year's regionals are a bit different than last season. For the first time the winner and runner-up from the districts gain region berths but unlike last year, only the region winner gets a chance for state competition. Tomorrow's regionals at Kennedy High School encompass 32 schools taking in districts V, VI, VII, and VIII. Last year under the old set of rules only the district winners

qualified for regionals. Competition has been too region winner and runner-up qualified for the state championships.

"I feel that more than one of our wrestlers has a good chance to qualify for the states," said Silvestri. "Many of our boys are still improving with each match wrestled."

The seven local champs are practicing daily in the Belleville High School gym. Although Silvestri indicated that it is too late to teach any of their new moves, practice sessions are valuable because it keeps the boys in top condition.

"I haven't seen most of the schools our boys will be facing in the regionals so I really can't say how we will make out. I can't make a prediction. All I can do is tell my boys to go out and do their best," Silvestri added.

A rundown of individual district action shows that Lijo, on his way to the crown, first defeated Hamilton of Bloomfield, 9-0, before topping Solitto of Lyndhurst, 6-2. Lijo beat Vicolli of Essex, 4-3, for his championship. Arena, who had a bye in the first round, pinned Hall of Barringer in the third period to gain the finals. He then defeated Ljoprieto of Essex, 10-6, for the district crown.

In the 115-pound division, Mike Resciniti bowed in the opening round of action, 10-2, to Schuerman of Lyndhurst. Banda, who was runner-up at 123, pinned Henry of Barringer in the opening round. Banda then defeated Giaquinto, 9-2, to gain the finals. He tied

(Continued on Page 12)

RELEASING himself from leg lock is the surprise of the District VII competition, Gary Falkman, who fought his way to a championship in the 168-pound division. Falk-

man defeated his Bloomfield opponent 2-1 in overtime to gain the title. It is the senior's first year of organized competition.

A STEADY HOLD is applied by 98-pound district champion from Belleville Chico Lijo as he shows his form against Essex Catholic foe. Lijo, on his way to title,

defeated two opponents he lost to in regular season action.

Administrators

Knuppel Was Pro Cager

(The following is another in a series of articles designed to familiarize the public with the Belleville School Administrators. Many school officials come from a variety of interesting backgrounds. These articles hope to bring a better understanding of those persons educating our youth.)

Herman D. Knuppel is the director of Student Services (grades seven through twelve) for the Belleville Public Schools. He received his bachelor of science degree, and his master of science degree in administration and supervision from Montclair State College. He has thirty-two credits beyond his mas-

ter's degree or six-year level work, in guidance and personnel from Rutgers University, George Washington University and New York University.

Knuppel's experience in the Belleville Public Schools includes twenty seven years of teaching and counselling on the elementary and secondary school level.

He has taught in the public schools of Montclair, Palisades Park and Frederick, Md. He has had many interesting summer experiences including, fourteen years as social director of Culvermere, Culvers Lake and Cedar Lake Lodge, Blairstown. He was also cabana superintendent at the Atlantic Beach Club, Long Island N.Y. for five summers. He also played professional basketball with the Baltimore Bullets when it was part of the American Basketball League that was the forerunner of the present NBA.

Knuppel is a member of many professional organizations including National Education Association, New Jersey Education Association, New Jersey Personnel and Guidance Association, former president and member of Essex County Guidance Directors' Roundtable, organizer and member of Essex County Personnel and Guidance Association, Association of Belleville School Administrators and National Association for College and Admissions Counselors. Last month he was elected to serve on the Board of Directors of Essex County Teachers Credit Union.

In addition to his busy schedule Knuppel also sponsors the Belleville High School Key Club. He has also been the organizer and director of the First Belleville Adult School, president and vice-president of the New Jersey Driver Education Teacher's Association, vice-president of the Panzer College Alumni Association, chairman of the Belleville Curriculum Council, member of the Educational Advisory Council, for ten years he has been administrator of the College Board Examinations for the Educational Testing Service, and charter member of executive committee that organized the First Belleville High School Parent Teacher Association.

Trail Walker Honored

Mrs. Dwight Streeter of 151 Joramelon Street is among 10 persons honored by the Essex County Park Commission for completing more than 100 miles in its 1971 Trail Walkers program.

Mrs. Streeter was awarded a walking cane for her achievement. More than 150 walkers participated in the 1971 program, one making 150 miles, and 18 achieving the 50 mile mark.

Giacinto in regular season action. The Belleville grappler then lost to Gary Thunell of Essex Catholic, 7-0. Banda also lost to the Eagle star during regular season play by an identical 7-0 total.

Mustachio, who was the outstanding wrestler in district action and who is now rated a top threat to capture the regional championship, recorded two pins on his way to the district crown. After downing Locarro of Becton with a pin in the first period.

Back's Column

Recently we wrote about a number of new services which will become available in the near future. Probably the first one will be over the air subscription TV.

Another service to become widely available is cable TV (CATV). There are presently cable systems in operation serving close to 5 million subscribers, supplying clearer pictures in poor reception areas. This will be expanded. In New York City for instance, in the nearness of the transmitters, there are large sections where a number of stations are very poor. This has to do with the shielding effect of the large skyscrapers. In this case the previously described over the air subscription system won't do any good. Cable TV is the answer. Several firms are fighting for license to run such a system in New York.

Along with the over the air subscription TV and cable TV there are a variety of TV recording and playback devices. Right now everything is rather confusing. Different systems use magnetic tape, film, or video disks. One manufacturer calls his system "hologram". There are many technical and other problems yet to be resolved within the industry before these devices become a practical mass produced product for the home. This will take several years. The stakes are high since a TV set is owned by 60 million people and everyone of these is a potential customer, provided the machinery is easy to operate and reasonably priced.

Howard Savings Report

The Howard Savings Institution, Newark, reported that its mortgage loan holdings in Essex County amounted to \$153.7 million as of December 31, 1971.

The Howard presently holds 41,744 mortgage loans totaling more than \$717.2 million, making it the largest mortgage lender on properties located in New Jersey.

New mortgage loan commitments in 1971 represented 83 percent of the applications processed by the bank and amounted to \$153.2 million, the largest dollar amount for new mortgage loan commitments in the bank's history.

Although the majority of the bank's loans are on residential properties, The Howard is also very active in commercial, industrial and institutional lending, having committed over \$90 million on these types of loans during 1971.

Of the total mortgage loans outstanding at year end, 70.5 percent or \$146,918,533 were F.A.A., 22.2 percent or \$45,955,803 were F.H.A. and 57.3 percent or \$410,988,138 were conventional.

With its head office in Newark, eleven branches in Essex County, and one branch in Bergen County, The Howard is New Jersey's largest savings bank.

The Howard mortgage loan correspondent for Essex County is Edward I. Forman Mortgage Company.

Your Weekly Horoscope

March 4 through March 10

Brought to you as a courtesy of

NICOLS PARK ESSO

ARIES (March 21-April 19): You tend to be quick-tempered, Ari, and in week ahead daily, associate will no doubt try you to the breaking point. This person, probably a Leo, is just as peppery as you, dear, so be on guard. You are both fire signs, you know, but instead of fighting fire with fire, use psychological strategy. Then the lion will lie down with the ram. Week ends harmoniously.

TAURUS (April 20-May 20): You should feel absolutely zingy on first day, Taurus. You sense an intensity in relationship with another, which until this time has been just so-so. By mid-week, highfalutin stranger enters picture. Deal with this person carefully. Message clears. Before end of sixth day, partner/mate requests favor. Grant it. Week screeches to a halt.

GEMINI (May 21-June 20): Business/family matters may drain you of energy before mid-week. Gem. But you must not give up. You MUST push on. Eventually you win. That kinky mind which heaven has blessed you with, will give birth to an ingenious idea. Nurse it and it will grow. Last day is delightful for a bit of derring-do.

CANCER (June 21-July 22): First two days may find you floundering in the valley of fatigue, Moon-flower. But by the third day, you surface. Use energy to get important tasks accomplished. Work now. Play later. In fact, last day ideal to go traipsing off in search of pleasure.

LEO (July 23-August 22): First, read message to Ari. You and Ari are bound by more than just fire, dear heart. You are attracted to each other while at the same time you repel. Not on any week. Leo, but you DO muddle through. And with your pride intact. Home situation which seems to have deteriorated improves greatly. NOW will you stop growling?

VIRGO (August 23-September 22): Instead of being an oak in week ahead, Virg, be a willow. Bend. One who possesses financial clout would be your benefactor if given the signal. Fourth day is favorable for reunion with old chum. Week spins to an end with you on top. Which is exactly where you belong.

LIBRA (September 23-October 22): You've dilled and dallied concerning a decision, Lib, but before week is out, you must come to terms with your present situation. Objectivity may not be possible. Seek advice from one you trust, thus avoiding being tricked by illusion. Week drizzles to a quiet close.

SCORPIO (October 23-November 21): Be concerned with problem of associate, Scorp, but don't allow yourself to become too involved. Energy needed to solve your own jigsaw puzzle. Some missing pieces can be found this week if you really hunt. Embrace today and look to tomorrow with anticipation. You give more than you know.

SAGITTARIUS (November 22-December 21): You are generous as well as honest, Saij. And though these are wonderful qualities, they must be tempered with moderation this week. Total honesty can be brutal, you know. And unbridled generosity is often the role of the fool. You are many things, dear Saij, but a fool you are NOT.

CAPRICORN (December 22-January 19): You have a closet filled with shabby memories, Cap, which you would be wise to keep closed this week. Be firm. Lock the door and throw the key in the trash can. Love will come into your life sooner than you think. (But not if you hole up in dusty closets and brood.)

AQUARIUS (January 20-February 18): Progress is essential to your nature, Aquari. In week ahead, do not become impatient. Answers to questions come slowly and in an orderly fashion. Do not permit yourself to become disillusioned or bewildered. And most importantly, do not be bitter. All will work out. Key is trust.

PISCES (February 19-March 20): Secret door which leads to secret doors will open in week ahead, Pisces. Choices are presented and you, dear one, must do some very serious thinking. One at a distance contacts you. Feeling of euphoria follows. See to it that your behavior is above reproach last two days. You are watched.

Clara Maass Opening Second Floor On New Wing This Week

This week ushered in the beginning of Phase II of the opening of the Clara Maass Memorial Hospital Continuing Care Center, Albin H. Oberg announced today.

In September, 1971 the public was invited to tour one of the most magnificent, modern medical facilities in the area known as Clara Maass Continuing Care Center. Within a few weeks the first floor was ready to receive its first fifty patients.

On February 28 the second floor of this new approach to

a complete medical center was officially opened making available an additional fifty beds for recuperative care. The new center has received wide acclaim from patients and visitors alike because of its homelike atmosphere without the usual hospital surroundings, but still maintaining close nursing supervision to its patients.

Peduto Charge On Drug Sales To Grand Jury

The case against Anthony Peduto, 20, of 10 Roosevelt Avenue in Belleville, charged with distributing narcotics to a minor was referred to the grand jury by Nutley Municipal Court Judge Edwin J. C. Joerg February 23. Peduto pleaded innocent to the charges.

Officer Nicholas Neri testified that on the evening of January 20, he was sent to 20 Cottage Place, where he found Janis Montalbano, 18, in an upstairs bedroom. He said the girl seemed to be ill and she complained of a shortness of breath and nausea. Neri said that he turned the case over to detectives for further investigation.

Miss Montalbano was called to the stand and she testified that Peduto had taken her to the office of a Doctor John G. Miele in West Orange January 20. She said the purpose of the visit was to obtain barbiturates.

She said she gave the defendant \$4.25 and waited outside the office while Peduto went inside. After a short while, she said, he emerged and they proceeded to a pharmacy where he obtained the pills, which he gave to her.

Under cross-examination by Peduto's attorney, Miss Montalbano said that she did not recall seeing Officer Neri the evening of January 20, and she could not recall exactly which day she had gone to Doctor Miele's office with Peduto.

Judge Joerg ruled that there was probable cause for indictment and set Peduto's bail at \$1,000.

The West Orange physician whom the pair visited has since been arrested and charged with "making an illegal living" selling drug prescriptions indiscriminately.
