Belleville's Wilson Family Wins Millionaire Lottery

(Continued from Page 1)

The Times-News got to speak with the Wilsons was a short conversation with the Bell Telephone operator in charge of their new private number. The operator promised to contact the Wilsons and relay the Times News request for an interview. The Wilsons were to call the Times-News office to set up a time, at their convenience, for an interview.

Miss Wilson is a junior student at Queen of Peace High School in North Arlington while James Wilson is employed as a foreman for the Scientific Glass Co., Bloomfield, where he worked for 30 years. The Wilsons also have two sons, Jim, 24 and Tom, 19. The family will receive \$50,000 per year for 20 years.

Mrs. Wilson, after the lottery drawing, explained that she has been buying tickets since the lottery was initiated at the rate of 30 per week. The Wilsons purchased their lucky ticket at Marback's Delicatessen in Belleville. Miss Wilson, upon winning, became the youngest person to win the millionaire lottery.

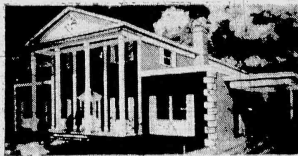

A Correction

In the obituary of Mrs. Olive Connelly, the Times incorrectly reported March 9, that her husband was Frank Connelly. Mrs. Connelly is survived by her husband Thomas Connelly. The Times regrets the error.

46 Years In Local System For School No. 8 Principal

This is another in a series of articles to familiarize residents with Belleville School System administrators.

Thomas C. Gryczka is principal of School 8. He received his B.S. and M.A. degrees from Teachers College,

Columbia University. He also completed other studies at Mansfield State Teachers College, Mansfield, Pennsylvania, and the Cortland Normal School, Cortland, New York. He is a member of The Association of Belleville

School Administrators. During his forty-six years in the Belleville Public Schools Mr. Gryczka was a teacher in the elementary schools and a teacher-principal in Schools 1 and 9. In 1956 he was appointed full time principal of School # 8.

Gryczka, a big strong robust fellow with great resonant voice to match enjoys discussing his experience in Belleville. In general, he prefers the "grandfather" approach with children. "Children need affection, they react negatively to tyrannical authority." To compensate for many childrens educational drawbacks Gryczka has been directly responsible for creative innovations in the area of field trips. In the past he has taken groups of students to the YMCA for swimming lessons and horseback riding in East Orange. He has taken 7th and 8th graders to Washington, D.C. and historic areas in Pennsylvania and New York City. Gryczka has traveled extensively during many summers working in the Stewards department of the United States Lines. He has visited many countries in Europe, Asia, Africa and Central and South America. Gryczka shares these ex-

periences with the children of School 8.

The top floor of the school has been transformed into an Art Gallery. Gryczka personally selects excellent reproductions of famous paintings (Renoir, Rembrandt, etc.) he has viewed in the great museums of the world. These re-

productions are displayed throughout the hallways. The children are continuously exposed to these masterpieces. Next to his love for traveling, Gryczka enjoys gardening and landscaping. Many beautiful landscaped areas around School 8 and the High School are a result of his interest in this area.

Carnal Abuse Goes To Jury

The case against Henry Agotta, of 71 Highland Avenue, charged with carnal abuse, was referred to the grand jury by Judge Edward Ahromson in Belleville Municipal Court April 6.

Agotta, 25, pleaded innocent and waived his rights to a preliminary hearing. The incidents allegedly occurred last February.

Cancer Society Fete Tickets Still Available

Commissioner Vincent Strumolo, Belleville Community-Cancer-Crusade chairman, today announced that a limited number of choice seats are still available for local residents who wish to participate in the American Cancer Society's "Champagne and Theatre Gala" featuring "Fiddler on the Roof" to be held at the Paper Mill Playhouse, Millburn, Wednesday evening, May 10.

County Special Events chairman said the subscriptions, scaled from \$5 to \$15 depending on the seating location, were tax deductible and will be credited towards Belleville's share of the 1972 Cancer Crusade Essex County quota.

Chairman Brief listed the Cancer Volunteers who will serve as official hostesses from Belleville as Mrs. Harry Burke and Mrs. Thomas Appicella.

"The show itself is a family delight and while many residents may have already seen the Broadway production, I'm sure many will want to see it and enjoy it again, along with their families. In addition to a wonderful night of enjoyment, those participating will be further heartened by the fact that their subscription will help save lives through the clinical and research services of the American Cancer Society," Mrs. Brief concluded.

Congressional Redistricting

Unless the New Jersey Democrats in the Legislature decide to commit party suicide, there will be no legislative congressional redistricting plan.

The problem will be one for the courts to decide.

It is apparent that neither party wants to give up the opportunity of using congressional redistricting to its own advantage. Since this is the fact, there seems to be no choice but for the courts to make a decision which should have been a simple matter for a fair-minded Legislature to dispense with in quick order.

We are looking to a court-produced congressional redistricting plan which should be superior to either the Assembly-approved measure or the Senate-adopted plan, both of which are redistricting abortions in their ugliest forms.

The Senate plan would cut up Essex County in four parts. Not to be outdone, the Democratic-sponsored plan which won Assembly approval this week cuts up Essex into five districts.

There is an outside chance that the courts may require all 15 New Jersey Congressmen to run at-large. If this is the ultimate result, such action will favor Republican candidates for the simple reason that on the ballot ahead of the congressional candidates will appear the names of the candidates for President and United States Senator. We know that President Nixon will be the Republican nominee

and that Senior U.S. Senator Clifford P. Case will be renominated by his party and will be the GOP U.S. Senate candidate. Case is expected to win victory by a margin of 300,000 to 500,000 votes — a landslide large enough to carry in with him all 15 Republican Congressional candidates. Moreover President Nixon appears to be the front runner in New Jersey at the November election if any one of the current crop of Democrat Presidential aspirants is nominated at that party convention in Miami this July.

Essex County Republican Assemblymen and Senators stood their ground and refused to participate and vote for any plan which would divide Essex into more than two congressional districts. It took a lot of courage for these men to stand up against the state leadership of their party but it was a simple decision for them to make when the basic question was serving the best interests of their constituents in Essex County. Entitled to bows are Essex County State Senators Michael Giuliano, James Wallwork and Assemblymen Tom Keam, Philip Kallenbacher, Carl Orechio and John Dennis.

The Last Weeks Of April

The last weeks of April hold many days of historic significance for Americans. One of the greatest Americans, Thomas Jefferson, was born on the 13th in 1743 at *Shadwell, Virginia. Jefferson drafted the Declaration of Independence, served as Secretary of State and for eight years (1801-1808) as President.*

The 19th is Patriot's Day, in memory of the battles of Lexington and Concord in Massachusetts; Emerson wrote that farmers here "fired the shot heard round the world." Texas remembers Jacinto Day, dating to the battle in 1836 on the 21st which avenged the massacre at the Alamo and won independence for Texas which soon became a statehood.

James Buchanan, 15th President, was born near Mercersburg, Pennsylvania, on the 23rd in 1791. He served during the last four difficult years leading up to the Civil War and though much criticized for a time he is today recognized as having been a brilliant President. On the 24th in

1814 a British army captured and burned Washington.

The 26th is Confederate Memorial Day in several states and the 27th is the birthday anniversary of the most famous general of the Union in the Civil War—U.S. Grant—the 18th U.S. President (1869-1876). Grant was not a successful President but honest and big enough to admit it. He died of cancer four days after completing his memoirs at Mt. McGregor, N.Y. He was born at Point Pleasant, Ohio, in 1822.

James Monroe, 5th President and remembered for the Monroe Doctrine, was born on the 28th in Westmoreland County, Virginia. He fought in the Revolution (wounded at Trenton), served as Governor of Virginia, negotiated the Louisiana Purchase in Paris and obtained Florida from Spain, served eight years in the White House (1817-1824) and proved to be one of the nation's great Chief Executives.

Is Local School System Polluting Town's Air?

By Elaine Auerbach
One Year Ago

The Belleville school system was suspected of being guilty of the pollution of the town's air, but just what was to be done about the matter could not be determined. A preliminary report issued to the School Board from the Suburban Air Pollution Commission found that "there was doubt" that local school incinerators could meet the performance standards of the Belleville Pollution Code unless extensive upgrading was accomplished.

The annual Cherry Blossom Parade was scheduled for a Sunday afternoon. In addition to elaborate floats and marching bands, many local officials and special guests were to be on hand for the festivities. The Honorary Grand Marshal of the parade was Congressman Peter Rodino. The Grand Marshal was Jack Costenbader, chairman of the affair and a member of the Jaycees, while the parade float was the "Boy of the Year" float.

The drawing for ballot positions and the scheduling of two candidates' nights highlighted the political action prior to the May 11 Commission election. Nicholas Raimo drew top spot on the ballot during a 20 minute ceremony at Town Hall. The ceremony was friendly but campaign tensions came to the surface as candidates argued over the procedure for placing cards in the ballot box.

Five Years Ago

James Triquet of 79 Van Houten Place, was chosen sectional "Boy of the Year" by the Boys' Club of America. Triquet was one of seven section winners throughout the country who were chosen from 1,600 entries for the "Boy of the Year" title. The youth was selected because of his participation in many school and community organizations, and for his contributions to "juvenile decency," according to a Boys' Club spokesman.

Councilman William Cullen urged that the newly elected Board of Commissioners set as one of its first goals a complete review of Belleville's zoning law. Cullen, who was a member of the Planning Board, criticized the community's existing zoning law as being "outdated and inadequate" for the town's present needs. He stated that "Belleville's present zoning dates back to the 1920's when zoning was a relatively new field. Our original zoning ordinance could not anticipate the growth in influence of the average citizen and the impact that the motor vehicle would have on our society."

Ten Belleville beauties were to compete for the title of Cherry Blossom Queen at the annual Cherry Blossom Festival. The ten lovely competitors were: Judith Bonkowski, Kathleen O'Toole, Joyce Rozek, Marjorie Morrison, Kathy De Furia, Alana Truedell, Carolyn Bucklan, Corale Iaroli, Linda Risoli, and Diane Livingston.

Ten Years Ago

An emergency appropriation for \$17,500 was one in several measures authorized by the Town Commission at a meeting of the board to help alleviate flooding in the areas bordering the Third River. In order to overcome floods that occurred on Fairway Avenue, the Third River channel was to be widened and deepened. An additional \$20,000 appropriation was to be used to erect gate valves behind the Fairway Avenue homes on the side of the Forest Hill Golf Course. The valves would serve as a back-

stop against the overflow from the river and the golf course pond.

The Local Assistance Board of Belleville, under the chairmanship of Commissioner Nuncio R. Pico, was reorganized for the year 1962. The Rt. Rev. Msgr. Joseph Kelly, pastor of Saint Peter's Church, was reappointed for a period of four years by Mayor Isadore Padula. Msgr. Kelly had been a member of the Board since its inception. Other board members were: Rabbi Victor Cohen, leader of Congregation Ahavath Achim, Mrs. Margaret Connelly, and Mrs. Helen Rubin.

Fifteen Years Ago

Harry T. French, Director of Camp Mohican, Summer Training Camp of the Robert Treat Council of the Boy Scouts of America, announced the completion of the camp staff for the season. In Belleville, the staff members were: Robert May, Troop 388, officer aide; Harry Winfield, Troop 390, Quartermaster; Michael Smith, Troop 305, Assistant Waterfront Director; Alan Lenihan, Troop 388, Craft Director; Edward Anderson, Troop 301, Assistant Program Director; Thomas Jones, Troop 305, Assistant Waterfront Director, and Robert Olson, Troop 305, Trading Post manager.

The Retired Men's Club of Belleville celebrated their first birthday at an annual luncheon held in the social hall of Fewsmit Memorial Church. Starting with eleven men, the membership of the non-sectarian group had increased to forty. Officers of the club were: Edward Barnall, president; Arthur Bright first vice-president; Walter Gilby, second vice-president; Harry Deyo, secretary; Ray Dixon, treasurer, and John Jackson, Chaplain.

Forty Years Ago

New officers of the Woman's Club were installed for 1932. Those installed were: Mrs. Charles Smith, president; Mrs. Lionel Phillips, vice-president; Mrs. James G. Shawgar, assistant treasurer; Mrs. William Irvine, treasurer; Mrs. E. Mutch, federation secretary; Mrs. Ralph Smith assistant corresponding secretary; Mrs. Albert Blank, program chairman; Mrs. J.K. Alexander, past assistant treasurer, and Mrs. J. J. Schaffer, trustee.

William J. Horgan of Joramelon Street, chairman of the publicity committee of the Merchant's Association, wired the Board of Commissioners from New York City. His message stated that many residents of the town felt that no one commissioner's name should appear on the food barrels in the town's grocery stores. The barrels had been placed in various stores by Commissioner William Clark as receptacles for donations of food for the unemployed. Horgan was of the opinion that only the police department should be mentioned.

Fifty Years Ago

Charles Granville Jones, architect, submitted tentative plans for a new \$40,000 club house to be erected at William and Dow Streets by the Belleville Council, Knights of Columbus. Belleville's new motion picture theatre, The Capitol, was opened to the public with "The Four Horsemen of the Apocalypse" as the feature. J.C. End was manager of the theatre.

Crackdown Slated Against Quickie Eye Doctors

To the Editor:

Charles J. Irwin, Director of the New Jersey Division of Consumer Affairs, has announced a statewide crackdown on physicians who perform "quickie" eye examinations and the "outrageous practices" of certain highway, mass-production eyeglass centers.

We believe this bold action has been long overdue and we urge your readers to support Mr. Irwin's program in the interest of public health.

The New Jersey Optometric Association has been distressed by short-order prescriptions because they pose a significant threat to the visual welfare of the citizens of our state. We are also concerned because the stigma of inadequate eye care has been unjustifiably placed upon optometrists, who have no relationship to highway eyeglass centers.

The optometrist, doctor of optometry (O.D.), the only specialist required by law to perform a minimum, six-point eye examination, is specifically educated and state-licensed to examine eyes and their related structures to determine vision problems, eye disease or other abnormalities. He prescribes and adapts lenses or other optical aids and may use visual training when indicated to preserve or restore maximum visual efficiency.

The ophthalmologist is a physician, Medical Doctor (M.D.) or Osteopathic Physician (D.O.) specializing in the diagnosis and treatment of defects and diseases of the eye, performing surgery when necessary or prescribing other types of treatment including corrective lenses.

The New Jersey Optometric Association conducted an investigation into these drive-in centers. Of the 36 examining physicians involved in the probe, 33 had no specialized training in eye care. All of them were M.D.s or osteopaths, but only three were ophthalmologists.

Unlike physicians, optometrists are prohibited from practicing on the premises of a commercial establishment.

It is hoped that the citizens of New Jersey are sufficiently alarmed to demand the legislative changes will be brought into effect and enforced in order to protect themselves from practices geared to speed and greed rather than professional vision care.

Sincerely,
Mario J. Palotta, O.D.,
President

New Jersey Optometric Association

Helen's Hint

A Few Words About Fashion And A Fad

By Helen Maguire

What is so fleeting as fashion? They say if you hold on to your old clothes for long enough, they finally come back into style and I couldn't agree more. The shoes that are so popular today are virtual throwbacks to about 30 years ago and some of the attire featured in the stores catering to madam reflect the era of the forties.

Consider shoes for a minute. Remember the built up wedges with the heels to match Alas Carmen Miranda? And penny loafers and saddle shoes? And the pointed toe with the high heel which was sufficient for fashion's sake, and has to rank among the most uncomfortable bit of leather ever to grace the human foot?

I was delighted to see the low heel, wide toe come into the foreground because that was what I had been wearing for years and it was nice to finally be in style.

And dresses. Up and down, up and down with the hemlines and by the time you got everything shortened, you had to start all over again. The advent of the pants suit made life more comfortable for a multitude of females, especially since they can be worn on every occasion and turn up everywhere from the supermarket to a fancy wedding or similar shindig.

Men's styles seem to change more slowly or maybe it's just the individual man. The teenagers gave up in despair before their father finally consented to a pair of uncut pants and couldn't believe that when he came home with a pair of flares, I asked Jean Stottleny and Tricia Gibbs one summer how they got their husbands to keep up with the current styles and they owned up to buying what was fashionable in gentlemen's attire and hanging it in their spouses closets. Once it was in the house, there was very little resistance to trying it on. The most interesting difference between the approach and yours and mine was that I felt as Jack rebelled, it didn't make that much dent in the family coffers but I would be inclined to weep if a ten dollar anything went unworn.

The changes in the basic styles I can accept (do I have any choice?) more readily than the fads. And the faddest thing I have come across in many a year is a little device called "the pregnancy pool" designed to make the wearer look like she is expecting an addition in roughly two months and guaranteed, say the two advocates who manufacture it, to make men more attentive, courteous etc. etc. the woman wearing it more feminine, alluring, etc. etc. Ha!

The thing that amused me most about the whole thing is that neither of the women promoting the "p.p." had ever been pregnant. I don't know about you but during my "crying" days, I resembled nothing more closely than a barrel and I can't believe that made me more alluring, etc. etc. Uncomfortable, granted, especially the last time when I was mercilessly assaulted by everything doubled, feet, arms, heads, posterior.

I have to go. Here comes my six-year-old fashion plate home from school with his shirt-tail hanging out.

NUTLEY'S LOUIE VIOLA IS CONFINED TO A BED in Passaic General Hospital. At press time he is reported to be resting very comfortably and expected to regain his energy within a matter of days, allowing him to be released from the hospital within a week.

IN CASE YOU WANT TO DINE with Vice President and Mrs. Spiro T. Agnew at \$250 per person, you may join them and Governor and Mrs. William Cahill on Saturday evening, April 22, at the Westfield Armory, Westfield, New Jersey. Thrown in at no extra cost is dancing to the music of the society orchestra of Lester Lamin.

FRIDAY'S FLIGHT ABOARD EASTERN'S 727 JET, Flight 897, was one of the greatest. Adding to the joy of the trip was my seating partner, Joseph Lynch, President of Joel Printing and Office Supply Company, of 160 Broadway, New York. Joe specializes in business forms and

we shared common interest in offset printing. The service of senior stewardess Ann Adams and her sidekick, Billy McCallough, was superb. Joe Lynch and I both share the belief that Ann Adams is one of the best P.R. chicks he fly the colors of Eastern Airlines. In the six years that I have travelled between Fort Lauderdale and Newark I have had the pleasure of being served by hundreds of stewardesses, I would rate Ann Adams among the top ten. Billy McCallough is an interesting story. The beautiful, gracious blonde is a graduate of the University of South Carolina. Upon graduation she intended to teach but after a couple of months of classroom observance, Billy changed her mind and turned up in an Eastern Airlines uniform on March 1. With only five weeks of experience under her belt, Billy's performance on Flight 897 was very professional. For graciousness and efficiency, senior stewardess Ann Adams stands ten feet tall and when she smiles,

\$250 Per Person Is Cost To Dine With Agnew, Friends

she'll melt any man's cold, cold heart. When I asked Ann Adams how come she has the chemistry to smile in a manner to make other people happy, she responded, "You've got to wake up every morning with a smile on your face and show the world the love in your heart." Beautiful words from a girl with a beautiful soul. When I asked her for more of her philosophy, she quoted some prose from an anonymous poet. "Life is like a journey, taken on a train — with a pair of travellers at each window pane. I may sit beside you on the journey, through, or I may sit elsewhere never knowing you. But if I should mark me to sit by your side, let be pleasant travellers it's so short a ride."

NEW YORK'S GREEK RESTAURANT, Casino Russe, has added another charmer to the lounge area who, of all things, is a recording artist with a beautiful voice. She is Pat Buter. Patty does her thing after the scheduled singers complete their performances.

THE FLIGHT FROM FORT LAUDERDALE TO NEWARK aboard EAL 896 was just as pleasant and very interesting. Stewardess Nancy Stecks and Lorie Scheid made the same trip with me six days earlier. The first time aboard senior stewardess Terry Cullen was the third flight attendant. This week, regular, Ann Stephenson, returned to her normal flight schedule and Ann, Nancy and Lorie made it a fun flight. Lorie does her job without any manifestation of effort. At times one would think that she was standing still but this pleasant, teenage-looking stewardess knows what is expected of her and keeps moving along with the burdensome task of pleasing passengers with diverse backgrounds, interests and idiosyncrasies. Lorie has a teenage look about her and one would never suspect she is over 21.

During a lull in her work, Ann Stephenson raved about the Italian food at New York's Pambles Restaurant at 330 East 56th Street. Taking her recommendation seriously I went to Pambles with Tom Ward, owner of the Tom Ward Agency, which manages actors and actresses for films made in the Washington, D.C., New York and Boston area. Joining us was Jean-Claude Bordes, Director-General of the Haitian Government Tourist Bureau. Rolling out the carpet for us at the front door was Johnny, owner Conn Errico's greeter. Right behind Johnny in the lobby was Con's right hand man, Joe Pata. This guy Joe is really something else — to begin with he is good looking and when he flashes his genuinely welcome smile, that's it brother, you know the establishment appreciates your patronage. Con is a former jokester and because of his size he has earned the nickname "Scampi." I saw Scampi do his thing on the dance floor and to my mind came flashes of a young Arthur Murray. So — Ann Stephenson — thanks for the tip. If any of you out there want the unusual in New York — a restaurant that serves good food and music, put Pambles high on your list. To complete the evening at Pambles, it was a pleasant surprise to sit next to a young man who is one of the foremost offset stripper-plate makers in New York by the name of Tom Spinn — and honest to goodness, his last name is not an assumed name. Tom proved to be an interesting conversationalist.

NUTLEY'S ELEGANT COLONY THREE RESTAURANT does have lovely music. The able organist is Frankie Galante and on weekends he is accompanied by an accomplished vocalist, his fiancée, Cathy Macula. They both have a lot of talent and turn it on for the pleasure of Colony Three diners.

Woman's Club Is Restoring Its Clubhouse

The Women's Club of Belleville is getting the new club year off to a flying start with the long-awaited dream of the complete restoration of its clubhouse now nearing fulfillment. Contract for the outside work was signed this past week by the Board of Trustees under chairman Mrs. John DeVike with Maffatto of Bloomfield carrying out the project.

Restoration of the historic building originally known as the Clearman House and purchased by the Woman's Club of Belleville in 1928, is now underway with the financial support of the Junior Woman's Club of Belleville and the Evening Membership Department of the Woman's Club of Belleville. Mrs. J. Biesiadecki chairman. Alumnae siding in harvest gold with white trim and black accents has been chosen as the color scheme. The present wooden columns and railing will be replaced with wrought iron and indoor-outdoor carpeting is slated for the main floor.

Interior painting and refurbishing will commence as soon as the outside work is completed. This should be about the end of May. Color schemes for the various meeting rooms are now under consideration. Mrs. Gerard J. Ferrara, president of the organization commended all the membership for the renewed enthusiasm and bespoke the aid of all in whatever direction their talents take them to the speedy completion of the entire project.

The combined efforts of this attractive and talented singing couple have taken them into nearly every field of music and theatre, receiving highest praise from audience and critics alike.

They have sung programs on several luxury liners which have taken them to most of the countries of the world. In 1971 they headed the social staff on a three-month world cruise aboard the M.S. Sagaford.

The Orpheus Club, under the direction of John Bunnell, head of music department of the Madison public school system, will sing a program of musical comedy, classical, sacred and folk songs. A medley of Frank Loesser's tunes will be included. The club will be assisted by a girl's chorus and boy's brass ensemble from Madison High School. Robert Pagano will be piano accompanist.

Tickets are \$2 and will be available at door. In Nutley, tickets are obtainable at Nunzio's, Givings, Allens' Cleaners and Gary's Pharmacy.

Let's make it our business to drive carefully, at all times and save American lives.

Your Weekly Horoscope

April 15 through April 21

Brought to you as a courtesy of

NICOLS PARK ESSO

ARIES (March 21-April 19): Matter which hangs heavy, heavy over thy head can no longer be postponed. Ari, my love. Stop thinking in terms of "tomorrow." Tomorrow will never do. Tomorrow never comes. Week ends fruitfully, if you get off of your duff and get into action. Now MOVE.

TAURUS (April 20-May 20): A token of kindness will be offered before third day ends, Taurus. Accept. You deserve every nice thing which comes your way. Mid-week finds you in a muddle concerning family/career matter. Stakes are high, so play cards with great care. As week wears on, you may tend to wear out. If so, take French leave. Even a big, strong Taurus needs a little R and R occasionally.

GEMINI (May 21-June 20): Dear one needs attention, Gem. Give it, or relationship is apt to go down the old tube. Lack of attention to the little things, coupled with boredom are "the little foxes, that spoil the vine" of understanding and compatibility. Mull it over.

CANCER (June 21-July 22): Lie low in days ahead, Moonlove. Week unfavorable for making important moves. Choices are offered. Stall for time. Think matters through with great care, and for just ONCE in your life consider your own self-interest first.

LEO (July 23-August 22): You very well may tangle with member of another generation concerning money before fourth day. You are basically generous, Leo love, but do not allow others to take advantage of you. Some people will stoop to out-and-out flattery to achieve their goals. And lions just gobble up flattery, you know.

VIRGO (August 23-September 22): Try not to be picky in days ahead, Virg. What you pick could too easily become unraveled, and heaven knows you haven't the time this month to knit relationship back-together again. Before last day, you are aware that your friendship means much to close associate.

LIBRA (September 23-October 22): You are the beautiful balance of tenderness and strength, Libra love. Friend calls on you for both before fifth day. Give with a generous heart. Week ends on note of peace and joy.

SCORPIO (October 23-November 21): Put yesterday in your memory bank, Scorp, and tomorrow in your pocket. Concentrate on TODAY. Go forth and spread your own special brand of sunshine. You know the way. You have the means. And, baby, do you have the talent!

SAGITTARIUS (November 22-December 21): Money matters highlighted first part of week, Sag. Be on guard. There is one who would pinch your poke if given opportunity. Before week ends, secret plans hatch. Last day a perfect peach.

CAPRICORN (December 22-January 19): Wondrous transformation could take place in week ahead, ami. Have confidence in yourself and your abilities. Others watch. Before last day ends you are washed in the warmth of honest love.

AQUARIUS (January 20-February 18): You are a field which may need a bit of tilling, Aquari. Sensitive friend offers advice and help. Accept both. End of week finds you fresh, warm and ready to take on new and exciting task.

PISCES (February 19-March 20): There is very apt to be a splitting apart in days ahead, Pisces. But don't fret. In the long run you benefit, though you may not think so now. As week draws to a chaotic close, get out in the woods and communicate with nature. Mother Nature (and Olga) still love you.

BELLBOY VARSITY CREW pulls away from the boathouse on the Passaic River on way to vigorous practice session.

Undeclared oarsmen, after chalking up their second consecutive victory last Saturday over Atlantic City, face a much

stronger opponent this weekend in Blessed Sacrament High School of New

Rochelle, N.Y. The upcoming race should be the toughest of the young season.

Blessed Sacrament Invades

Undeclared Varsity Oarsmen Host Tough Team Saturday

Belleville High School's varsity oarsmen, fresh off an amazing one minute victory over Atlantic City, will entertain Blessed Sacrament Saturday on the Passaic River. Race time is expected to be about 1 p.m.

According to head coach Sam Guiffreda, the Bellboy crew should expect their toughest race of the young season when they hook-up with the New Rochelle,

N.Y., high school. Blessed Sacrament is one of the best clubs in the metropolitan area and Guiffreda said Saturday's race is a must win.

"If our boys expect to go to the national championships or perform in any post season regatta, they must beat Blessed Sacrament," the coach commented. "This is one of the better crews and the type of competition our boys will be facing in any big

regatta."

Belleville will have even more incentive Saturday because last year Blessed Sacrament was one of the two teams on the schedule to beat the New York school by eight seconds and revenge will be an added motive.

"This is one of the biggest challenges our boys will face all year," added Guiffreda.

Blessed Sacrament, reports the coach, is undefeated to date. They have been racing college freshmen squads, which shows their superiority. The New Rochelle squad has already beaten neighboring Kearny, although that win was by the smallest of margins at one-tenth of a second.

Saturday's race should be just the opposite of last week's encounter. In defeating Atlantic City by 60 seconds, or about 15 boat lengths, the Belleville varsity crew just about coasted the last half mile. At the half, Belleville was up by about 10 lengths, and seeing the caliber of competition, they coasted the rest of the way. In fact, Belleville beat Atlantic City on all four racing levels with the jayvees registering a 56 second win. The Bellboy third varsity and fourth shells raced against the Atlantic City sophomores and both local boats won by 48 and 40 seconds respectively.

Guiffreda, though, was a bit disappointed in the results of the race. He thinks that racing such a poor opponent the week before a tough race may be detrimental to the Bellboy varsity.

"We didn't benefit from the race. It was no contest at all," remarked Guiffreda. "You don't beat a crew that badly and call it a good

race."

Guiffreda reports that the Bellboy varsity "was really psyched-up for Saturday's race" but a letdown when the competition turned out to be so poor.

"We were stroking real well for about a half-mile but then we relaxed," he added. "I don't think we're doing that good to beat a decent club by one full minute. The race with Blessed Sacrament will tell us more."

Against Atlantic City, the Belleville varsity got an early lead and were never threatened. By the half, they were

10 lengths up and although they coasted the rest of the way they still increased that margin. The shore school, on the other hand, had the disadvantage of racing with unfamiliar equipment. Instead of bringing their own familiar shell here, they decided to borrow Belleville's equipment. Coach Guiffreda explained that Atlantic City is more accustomed to racing with a German-type higher rigging. They had to borrow Belleville's shell, which is equipped with low rigging.

Atlantic City was smaller than Belleville but Blessed

Sacrament mans a crew that is just as physical, if not more so, than the Bellboys. Also, the New Rochelle club has two boys in its shell who are the national champions in doubles competition. As a result of reports of a tough race this Saturday, practice sessions on the Passaic this week has taken on an added seriousness.

Guiffreda reports that the varsity has increased practice on its power-stroke type rowing. Only a few weeks ago Belleville would average from

Soldo Stars In 2nd Win

The Bellboy varsity baseballers won their second encounter of the young season Tuesday afternoon when they topped Orange, 3-0 behind the strong pitching of senior Gary Soldo. It was Soldo's second win of the year.

After a tough contest with arch-rival Nutley yes, day at home, the Bellboys travel to Montclair tomorrow afternoon. Although the Monties are not reported to be as strong as past clubs, they always give Belleville a tough time. Tuesday the Bellboy new returns home to face East Orange, one of the weaker Big Ten Conference clubs. Belleville is now tied for the lead in the Big Ten.

In his excellent pitching effort, Soldo struck out ten batters while issuing only one free pass. He is off to a great 2-0 start and is a surprise after last year's 3-2 record.

Belleville scored in the first inning when Frank Papisidero hit a ground rule double

over the right field fence, scoring Joe Troise. Another run was scored in the fourth on a triple by Alan Frank and an infield hit by Soldo.

Successful Season Opener

By Tony Calabrese

The Belleville Varsity Baseball Team opened their season last Wednesday afternoon by defeating Group 3 State Champ West Orange by a score of 6-1 in a game played in Belleville. Keys to the Bellboy victory were some timely hitting, good baserunning, and a strong six-hit, five-strikeout pitching performance by senior Gary Soldo.

Soldo, who got off to a shaky start, got stronger as he went along in pitching a complete game victory.

West Orange got their only run off of Soldo in the very first inning. Billy Fay started things off with a single on the first pitch of the game, and this was followed by a walk to Ken McNeil. The baserunners then moved up a base on a groundout, and then Fay scored on a solid single to right field by West Orange catcher Brian Trifolitis. Meanwhile, the Bellboys were having a tough time hitting the tosses of West Or-

ange hurler, Brian Dunbar, as all they could manage off of him was two walks in the first three innings.

However in the fourth inning Belleville broke through against Dunbar. With one out Frank Papisidero got the first Bellboy hit of the season, a solid single to right field. Alan Frank followed Papisidero with a base hit to left, putting runners on first and second. Following an infield pop-up, Gerard Mongrella

topped a Dunbar pitch to the second baseman.

Using his excellent speed, Mongrella was safe at first with an infield single, and Papisidero, who never stopped running scored all the way from second on the infield hit, with Frank taking third. With Rich Gardano at the plate, Mongrella worked a perfect balk steal, a play in which he takes an exceptionally long lead off first base to distract the opposing

pitcher.

The idea of the play is for the pitcher to become so concerned with the runner on first base that he forgets all about the one on third. When the play is worked properly it is usually very easy for the man on third to score a run.

The play worked even better than designed. Mongrella confused Dunbar so much, that he caused the West Orange hurler to balk, and Frank easily scored from

third with Belleville's second run of the game.

From there on in things were easy. Soldo allowed only one hit over the last three innings, and that runner was erased by Bellboy catcher Phil Cuzzi as one of the two runners that the young junior threw out stealing in the game.

Belleville wrapped things up by picking up four insurance runs for Soldo.

Resident Instructs Cadets In The Fine Art Of Boxing

Lt. Joseph T. Hamlich of Belleville, who served on the U.S.S. California, returned recently with the U.S. Sea Cadets from a damage control school in Philadelphia, Pa. The Belleville resident, a former U.S. Navy boxing great, teaches young seamen how to perform in the ring at an area Naval Reserve Training Center.

Lt. Hamlich became interested in boxing as a young man in the Navy and since then has won several armed forces championships. He teaches boxing to the young men at the Naval Reserve Training Center in Clifton, home base for the Sea Cadets and their officers. The Cadets are a navy affiliated group of young men between the ages of 14 and 17. The event of the year is a boxing seminar, under the direction of Lt. Hamlich, in Orlando, Fla. According to Hamlich, many local young men attend this annual event.

The Belleville resident lives at 37 Parkview Avenue with his wife, Marie, and three sons.

LT. JOSEPH HAMLISCH, a resident of Belleville, conducts a boxing clinic at a nearby Naval Reserve Training Center, instructing young cadets in the fine art of the ring.

CREW MEMBERS of the Bellboy varsity, undefeated to date, carry their shell down the dock and onto the Passaic River.

Union Campus To View Labor Relations Seminar

Grievance handling and arbitration, two of the most important facets in dealing between management and labor, will be among the topics to be stressed during a "Labor Relations Seminar" to be held at Union College's Cranford Campus.

The sessions will take place on Monday and Wednesday evenings for four weeks on successive Monday and Wednesday evenings, beginning on April 17 and ending on May 10.

Prof. Richard J. Selcoe, acting dean of continuing education, announced that the Seminar will be under the sponsorship of the College's Division of Community Services and will be held from 7 p.m. to 9 p.m. in room 103 of the Science Building. The offering which will be conducted by two of the top experts in the labor relations field, will be open to individuals or representatives of firms who seek to learn the fine points of dealing with labor, according to Prof. Selcoe.

PRACTICE SESSION on the Passaic River this week took on an added intensity as the Belleville varsity crew expects to meet one of their toughest opponents of the year Saturday when they host Blessed Sacrament High School of New Rochelle, N.Y.

Rare Planetary Show Visible This Spring

The New Jersey State Museum Planetarium reminds New Jersey skywatchers that an interesting planetary phenomenon will be visible this spring.

The planets Venus, Mars and Saturn are noticeably bright and dominate our early evening sky. All three can be seen when looking west. Each night, as we view these planets from earth, they will appear to be gradually

stationary Taurus the Bull. New Jersey residents who wish to view this phenomenon should look for the three planets during the first two hours after sunset. Following that time, the planets will be below the horizon.

To locate the three planets in the current sky, observers should first locate Venus which is a brilliant white and brightest of the three. Mars can be seen as a dull orange-red disc above Venus. Saturn appears yellow-orange in color and is highest in the sky.

On April 6, the planets will have the following configuration when looking west: Mars will be the highest.

Demos Schedule Convention

Freeholder Joseph L. Iannuzzi announced this week that the Essex County Young Democrats will hold their 23rd Annual Convention on April 28, at Dodd's Town House in East Orange.

An active member of the Young Dem movement for more than ten years, Iannuzzi disclosed that he will not be a candidate for re-election to the County Club's presidency.

"We have an abundance of young people who are both ready and willing to assume leadership to the Young Dems, and I think the time is appropriate for them to seize that leadership," said Iannuzzi.

"Although I will be stepping down as President, I expect to remain active in an advisory capacity as a member of the Board of Directors."

More than 15 local clubs are expected to send delegations to the Convention this year where they will elect an entire slate of officers. The selection of delegates to the National Democratic Convention will also receive much attention, Iannuzzi indicated, since the rules for Party Reform call for a significant increase in representation by young people.

Convention general chairman, John Tarantino announced the following committees:

Reception: Richard Codey and Pamela Stevens
Credentialed: John Alati and Michael Perry
Arrangements: Susan J. Barone

Publicity: Pat Guzzo and Mary Ann Fischl

Program: Bob DeTore

Resolutions: Richard Leonard, Joe Parlevochia and Al Rossi.

Public Works Report

(Continued from Page 1)
turn to office. Perhaps there are some complaints being passed against the department of Public Works for performance, everything in

life is not perfect. The complete department does not hold itself infallible, but assures the taxpayers it does the best it can with what it has to work and operate with. I have maintained an open door pol-

icy since I was first elected to office five years ago.
In the near future I shall re-organize the shade tree department with an ecology and beautification program, all tied into one. I shall place twelve new benches on the avenue.

As an elected official of our town, I have and shall continue to remember my campaign promises to the people of Belleville. As for tax relief, I can only repeat over again, the Town of Belleville is one of the suburban towns being penalized and punished. My reasons are the following: In the past year, I read in the County newspapers where Newark received close to seventy million dollars in aid, both State and Federal, for many of their so called programs. They get the millions, we, the suburban taxpayers, do the paying.

As a registered Democratic voter, it shocks me. In less than three years in office, Governor William Cahill has arbitrarily had the State take over East Rutherford's taxable property, at a loss of

ratables (again), and increased the sales tax 2%. Belleville hasn't received a penny more for aid. The Lottery referendum was voted upon by the voters and it has been successful three times the predicted amount. This referendum was voted upon, for higher education needs, yet, we can't get any of our Belleville children in any of the colleges or any extra relief to our Board of Education.

Cahill now advocates another State income tax, (more taxes), and an increased property tax. All this is being done as a guise to the taxpayers. If the Governor really wants to relieve the tired taxpayer, he could accept Assemblyman Peter Stewart's bill and have the State take over the costs of welfare and courts, save the taxpayers of suburban towns, millions of dollars, then, and only then, will there be relief for the Senior Citizens, plus the young.

Citizens of Belleville, I shall be ready to join with anyone ready to register a protest to the Governor, State Senators, Congressmen, or Assemblymen, concerning any of the listings mentioned, also register a complaint against these give away programs to the larger cities.

To the taxpayers of Belleville, I urge each of you to follow very closely how your legislators vote on any of the issues we are faced with today.

repair even before we can think about initiating a new building program there," Mahmarian stated.

He said that the girls' gymnasium is without heat due to a faulty core in the heating system. Sadly enough, the firm that installed the heating system has gone out of business and it will take about \$3,000 to replace. The intercom system too must be replaced, according to Mahmarian.

YOU WILL STOP SMOKING ON MAY 23rd

If you join the JACQUELYN ROGERS SMOKEKENDER Seminars starting in your area... (or, of course, you may stop smoking without SMOKEKENDERS, if you'd rather).
The trick is: HOW YOU FEEL AFTER YOU STOP. If you want to stop without "climbing the walls" and with a feeling of Reward — and, best of all, WITH A SMILE — then come to find out about the JACQUELYN ROGERS SMOKEKENDER METHOD.

...and bring your cigarettes! Remember, this is the method that requires you SMOK AS MANY AS YOU LIKE while you learn how to break the habit. In small, manageable segments. Step-by-step.

(At risk of being totally unbelievable, we'd like to mention that SMOKEKENDERS is FUN, too. It's hard to imagine quitting being fun, isn't it?)

So come to a FREE Explanatory Meeting in your area. (No kidding — FREE — to find out. Because we know YOU CAN'T PUSH A SMOKER into Quitting. We don't push. But let us warn you: Most smokers who come to find out about the JACQUELYN ROGERS METHOD find it makes a lot of sense, and they can't wait to start!)

If YOU HAPPEN TO MISS THE FREE EXPLANATORY MEETING, COME TO A FREE MINI-BRIEFING 15 MINUTES BEFORE THE SEMINAR STARTS — AND DECIDE THEN.

And it won't hurt a bit. We think smokers are great and treat them with fondness and respect. You see, we're all smokers ourselves who did it with SMOKEKENDERS. SO COME, but don't expect any of that "Scare business or Willpower stuff. And bring your friends. They may thank you for a lifetime. . . .

For Information about Seminars in other areas call: 201/454-4444

Etamco Industries Of Belleville Receives Coveted Service Merchandisers Award

Etamco Industries of Belleville has been awarded the 1972 Grant Smart Award by the Service Merchandisers of America.

The award was presented to Etamco President Bob Cox by SMA Board Chairman Dennis Klute at the 28th National SMA Convention at Chicago Palmer House.

The award was presented to Etamco for a unique new type of J-Hook developed by Etamco's Kenberry Division which manufactures and markets a complete line of household and kitchen gadgets.

The new Kenberry J-Hook, which includes an integral card holder for "Kenberry Kall-out Cards" is said to be the first real innovation in J-Hook promotions to come along in more than a decade.

According to Cox, the hook was developed by

Etamco as part of the company's new 1972 nationwide promotional program aimed at supermarket sales of Kenberry gadgets.

"Kenberry will introduce the new promotional program in supermarkets throughout the country during the early part of 1972," Cox says. The program will offer supermarkets a variety of over 50 different products to be displayed with the new Kenberry J-Hooks and Kenberry Kallout Cards.

The Kallout Cards, in bright, four-color designs with stopper phrases such as "TRY ME," "HOT STUFF" and "IT'S THE BERRIES," provide immediate impulse reaction to the products displayed.

Aside from "stopping" potential customers and drawing attention to the "J-Hook" products, the Kallout cards also act as a safety fac-

tor because they make the J-Hooks visible even when the stock of items on the J-Hook have been depleted.

Special department-oriented Kallout cards such as "Bake Time" can be displayed where cake mixes, flour and icings are located. This not only draws attention to Kenberry gadgets used in connection with baking, it also flags the entire baking goods department. Kenberry items such as ice tongs, "Handy Andy" forks, pancake turners, corn tongs,

cheese slicers, potato bake racks, etc., can thus be displayed to better advantage within the departments where each type of gadget applies, rather than in one central location.

"Most people think of J-Hook promotions in terms of utility without ever thinking of innovations and resulting values," says Cox.

"We were no exception until one of our people suggested this new type J-Hook which would allow us to greatly increase the attention-

getting aspect of our J-Hook display by adding Kallout cards."

"Our new J-Hook promotion not only builds sales of Kenberry gadgets, but also proves of further advantage to the store manager who uses them because they attract attention to his products as well as ours. The new concept transforms the inherently unattractive J-Hook into an attractive, attention-getting, effective point-of-purchasing display."

Alan Freimuth who has been serving as manager of the West Caldwell office in the interim period.
