

SIGNING TWO-YEAR CONTRACT for teachers is Belleville Education Association president Thomas Testa while (seated, l-r) School Board head Richard Mahmarian and Superintendent of Schools Anthony Greco look on.

Standing (l-r) is George Nucera, head BEA negotiator, with School Board negotiating team of Lawrence Schwartz and Matthew Pica. Teachers settled for two-year pact.

Meets Warm Reception

School Board Receives Mike's Playground Plan

Commissioner Michael Marotti reportedly met with a warm reception last week when he conferred with Board of Education members on possible recreation improvements for Belleville schools.

Along with Commissioner Marotti, Recreation Committee chairman Frank Carraher and committee members Rocco Ferraro and Vic Pasquariello attended the special meeting. Superintendent of Recreation Robert

Cook also accompanied Marotti's group.

Although no definite approval was given to Marotti's plan to add lights and playground equipment to several Belleville schools, the Commissioner reported that he was warmly welcomed by the School Board. According to Marotti, the Board of Education seemed to lean toward agreeing with his recreation plans for playgrounds.

The plan proposed by the director of Parks and Public Property, which was reviewed by School Board members, included a lighted playground and basketball court at School No. 1; installation of playground equipment at School No. 3; a lighted basketball court and playground at School No. 4; playground equipment at School No. 5; playground equipment at

(Continued on Page 11)

Little League Opener Gets Another Attempt

A muddy field last week postponed the opening of the Belleville Little League's 1972 season to this Saturday. Ceremonies will begin at noon with the marching of all teams onto Michael V. Marotti Field, 92 Montgomery Place.

Opening ceremonies, to be attended by many dignitaries, will begin with Thomas Mc Enry, a former Amvets team pitcher who underwent a serious operation during off-season, throwing out the first ball to Commissioner Michael Marotti. Leading the parade onto the field will be the Belleville High School Band and twirling unit.

The first game is at 2 p.m. between Riefolo and Belleville Italian American Assn., followed by Landolfi vs. Biancardi at 4 p.m., Wallace and Tierman vs. Eiks at 6 p.m., and Rotary vs. Varsity Club beginning at 8 p.m.

Invitations have been extended to many prominent personalities, including Congressmen Peter W. Rodino and Joseph Minih, Mayor Joseph McGreevy and the entire Commission and to school officials.

Phantom Duo Smashes 20 Car Lot Windshields

BROKEN WINDSHIELD shown by used car lot owner Tom Fahmie at 90 Washington Avenue is one of 20 vandalized Sunday. The \$2,000 damage is not covered by his insurance.

A used car lot was vandalized over the weekend by a wrench-wielding culprit that smashed 20 windshields valued at \$2,000. Worse than that, though, the owner of the lot was uninsured for the damage.

Thomas C. Fahmie of Fahmie Motors, 90 Washington Avenue, was notified by police late Sunday night that two young men had pulled up to his business and calmly smashed 20 car windshields. Total damage estimates ran upwards of \$2,000. Operating in Belleville over six years, Fahmie was puzzled why his lot was struck.

"I can't see a motive for this vandalism," he said. "I have no enemies here. I treat everyone fairly. Things like this have happened to me before but not on such a large scale."

Fahmie explained that due to an oversight in his insurance policy, the damaged windshields were not covered. Of course, he has to replace them, but at his own expense. He is offering a reward for the capture of the culprit.

BEA Ratifies Teacher Pact

The Board of Education officially ratified a two-year contract pact with the Belleville Education Association during a special meeting Monday night.

The contract passed the School Board test by a unanimous 6-0 vote with board member Caesar Romano not attending due to illness. Both Thomas Testa, president of the BEA, and Richard Mahmarian, Board of Education head, expressed their great pleasure with the ratification of the contract and agreed that cooperation between the two groups was "splendid."

Testa further indicated that contrary to recent newspaper accounts, "both parties were harmonious in their decision." The BEA president cited fair play good faith negotiations in bringing the two groups to terms.

Teachers retain the right to negotiate next year for another salary contract, but written agreements in the new pact, including fringe benefits and working conditions, cover two years.

Total Cost Estimated At \$80,000

Division Avenue Area Proposed Site Of Stadium's New Recreation Complex

Plans are now being finalized by the Department of Parks and Public Property for \$80,000 worth of recreation improvements in the Municipal Stadium area. Proposed facilities include a new baseball diamond, tennis courts, a softball diamond and a resodding of the high school football field.

Commissioner Michael Marotti reports that a bulldozer will begin leveling off land in the southeast corner of Municipal Stadium sometime next week for the construction of a new baseball diamond there. According to the Commissioner, the new ballpark, complete with grass infield, home run fence, stands and possibly dugouts should be finished within six to seven weeks. Most of the work will be done by Department of Recreation employees.

Amvets Set Fund Raiser For Mc Enry

A benefit dinner-dance for a hospitalized Belleville Little League will be held May 20 at the Amvets Hall, 100 Newark Avenue. The affair is sponsored by Amvets Post 26 and friends from the Little League.

Thomas Mc Enry underwent a serious operation during the Christmas holidays. He is recovering rapidly but funds are needed to cover medical expenses.

Tickets may be obtained from committee chairman Commissioner Michael Marotti or any committee member, including Pat Barbone, James Catalano, Frank Verani, Tony Bruno, Tony Randazzo, Pete Olivio, John Lorio, John Zacone, Al Pico, Joe Guardasopco, Angelo Serritella or Sal Passafiuma.

'Needs Further Study'

Commission Withdraws Library Addition Bill

Town Fathers Tuesday night withdrew an ordinance slated for passage on first reading that would have appropriated \$365,000 for alterations and an addition to the Belleville Public Library.

Commissioners voted by a 4-1 margin to withdraw the proposal for further study after Mrs. Mary Senatore said she needed more time to review the bond ordinance.

"This bond ordinance was just presented to me today. I'm not going to vote on it without going through it first," Mrs. Senatore commented after the meeting.

Survey Shows 70% Catholic In Belleville

Results from a Town-wide survey taken in late March were released this week. The poll, sponsored by the Belleville Ministerium, shows that almost 70 percent of residents here are registered Roman Catholics.

The Rev. Albert Alspach and the Rev. Alfred Stone Jr., both officials in the Ministerium said the survey was a success but really didn't show any surprise. About 150 pollsters took to the streets of Belleville Saturday, March 25, in a coordinated effort to show the religious complexion of the Town. All totaled, 5,756 door bells were rung but responses were gained from only 3,140 households.

"Still, we believe we reached enough of the cross-section of the Town to get an accurate picture," remarked Rev. Stone.

Officials estimate that some 60 percent of the households were polled here. The survey showed that church attendance in Belleville is on an even par with the national level. Yet according to the survey, Belleville residents, compared to the national level, are more avid churchgoers.

"A national Gallup poll figure showed that 41 percent of the people in the U.S. went to church the previous Sunday. In Belleville, 60 percent of persons polled said they attended services last Sunday," remarked Rev. Alspach.

(Continued on Page 2)

"I'm going to study this thing very carefully. I have to see where the priorities lie in this Town." Commissioner Senatore expressed surprise that Mayor Joseph McGreevy was backing the bill.

"Two years ago the Mayor voted against such a proposal. That's what surprises me," she added.

Three library officials attending the meeting were outwardly disappointed that the measure was tabled. The proposed addition would double

library space from 6,000 to 12,000 square feet. The Washington Avenue structure would have a basement, an elevator, a grade-level entrance and patio area. The site would be directly in front of the main library on Washington Avenue.

"I'm still hopeful that the ordinance will pass but each time the ordinance is tabled that means a delay in construction," said library director Benjamin Grimm.

Mayor McGreevy, when asked why he has changed his position from two years ago, said the previous proposal would have cost the Town upwards of \$1 million and entailed the purchase of property.

Free Rabies Shots Due

The Department of Public Affairs has set its annual free rabies control program for three days next week at three different locations. Residents are urged by Commissioner Vincent B. Strumulo to take advantage of the free clinic.

"Rabies is a preventable disease spread to humans by contact with a dog, cat or other warm-blooded animal," stated Strumulo. "A bite can cause serious illness."

Next Thursday, May 18, the clinic will be run 6:30 to 8:30 p.m. at the Health Department on 383 Washington Avenue. Friday, hours are 6:30 to 8:30 p.m. at 60 Franklin Street in the Silver Lake section and Saturday, May 20, the clinic will run 1 to 4 p.m. at the Recreation House, 407 Jerusalem Street.

"Rabies is caused by a virus which is carried in the saliva of the infected animal and travels through the bloodstream of the person bitten," added Strumulo.

"Last year there were 1,245 dogs vaccinated in Belleville, a new high.

"The Town is now ready to handle this (the current) addition," McGreevy stated.

Mrs. Senatore said she is neither for nor against the addition but needs more time to study the proposal. She said she is protecting the rights of the taxpayers and would like to see where the priorities lie and if an addition at a cost of \$365,000 is really needed.

Only Commissioner Vincent Strumulo voted to keep the measure on the agenda but he was outvoted, 4-1.

Physician Position Filled

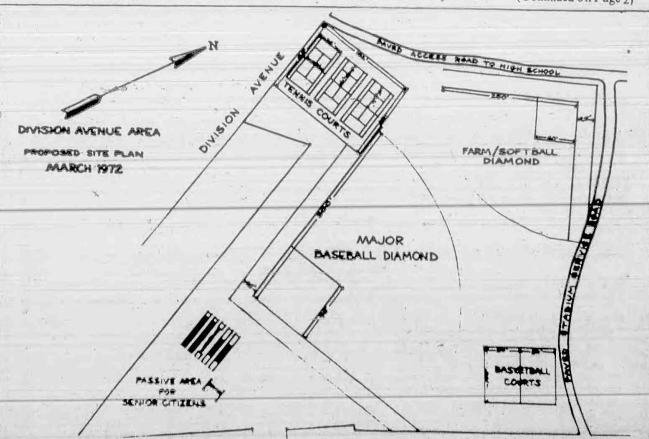

Replacing the late Dr. Donald Brown as schools physician is Dr. Phillip A. Rispoli of Bloomfield, who has private offices in the Clara Mass Professional Building here. Dr. Rispoli will receive \$5,500 per year for his services.

Duties as school physician include an annual physical examination of each child in the system. Dr. Rispoli is also in charge of the schools' medical staff and he will work in close cooperation

(Continued on Page 2)

Dr. Phillip A. Rispoli

MAJOR RECREATION COMPLEX proposed for the Municipal Stadium area near Division Avenue may soon become a reality, according to Commissioner Michael Marotti. About \$80,000 is needed to fund the project.

Religious Survey Results Are Interesting

(Continued from Page 1)
Other interesting statistics show that 69.5 per cent of the population here is Roman Catholic; 19.2 per cent is Protestant; 1.3 per cent Jewish; 1.1 per cent Orthodox Christian and 5.5 per cent have no religious affiliation.
"This shows that a large percentage of people here

have a religious affiliation but not all of them are active in their church," added Rev. Alsapach.
Pollsters were successful in getting the questionnaire answered about 54 per cent of the time. According to Rev. Stone, when pollsters were not able to get information from a home it was because

the residents were not at home and only in very few cases did residents actually close the door and not cooperate. The survey also showed that about 60 per cent of the

As Physician

Dr. P. Rispoli Heads Schools

(Continued from Page 1)
with sports related activities at the high school.

Dr. Rispoli has been operating a lucrative private practice in the area for a number of years. He also is on the staff at Clara Mass Memorial Hospital and is a member of both state and national medical organizations.

Born in Italy, Dr. Rispoli came to the U.S. with his family at a very young age. He resided for a short time in Garfield and Madison, but came to Newark, where he was schooled and raised. Before moving his offices to Belleville, Dr. Rispoli practiced beginning in 1962 on Roosevelt Avenue in Newark. He remained there for several years before coming to Belleville three years ago.

Dr. Rispoli obtained his grammar and secondary school education in Newark. After high school graduation he attended Tulane University and earned his bachelor degree in 1953. He did one year of graduate study at Tu-

lance U. before receiving his medical training in Italy. Dr. Rispoli earned his doctor degree from Bologna University, Italy, in 1962. He interned at Martland Medical Center, Newark.

Married to the former Mildred Cella of Newark, the couple has three children. Gabriel, the oldest, is 12; Lauren is nine and Phillip Jr. is four years of age. Dr. Rispoli's parents, Mr. and Mrs. Gabriel Rispoli, have resided in Belleville for over 25 years.

Public Service Lauds DuPont
Joseph DuPont of 190 Linden Avenue, Belleville, is among 61 employees of Public Service Electric and Gas Co. to complete 25 years of service this month.

DuPont will be presented with a gold service emblem in honor of the occasion. He is employed at the Harrison Gas Plant. Gold emblems denote the completion of a quarter-century of service with the company.

Catholics in the Town," explained Rev. Stone. "For Catholics, it is an obligation to attend Mass every Sunday."

The poll showed that 18 per cent of the residents attend church only occasionally while 12 per cent rarely attend services. Ten per cent of those asked gave no reaction to the question.

"We got a good cross-section of the Town. The places we hit were at random so by not concentrating on one area we got an accurate picture," said Rev. Stone. "We hit nearly 70 per cent of the homes but obtained information from only one-third of those households."

Officials rated the survey a success because of the amount of cooperation pollsters received while on the job. Pollsters indicated that the majority of the people were friendly and outward, with

only a small handful slamming doors in their face.

"In most cases, they knew we were coming," added Rev. Alsapach.

Detailed results of the survey are available to any

church here that can make use of them. The religious tally is proving valuable to the Belleville Ministerium because it is showing the direction the church in Belleville is going.

Improving the individual remains the cardinal purpose in life.

Division Avenue Gets Recreation Complex

(Continued from Page 1)
Commission for the \$80,000 it will require an emergency appropriation. The Commissioner also suggested that a small bond issue may be floated to finance the project.

However, the new ballpark will be constructed, no matter what happens. Marotti stated that he has money allotted in his budget for that item.

"Most of the labor for the project could be done by my workers. We could save a considerable amount that way," he said.
The site is now only a fenced-in vacant lot used for dumping. Marotti proposed to level-off the land and construct, besides a baseball and softball diamond, basketball and tennis courts, an area for senior citizens, and bocce courts.

Marotti's newly formed

recreation committee has been studying the proposal and they are expected to report back to the Commissioner in a week to 10 days.

During the summer months, Marotti also plans to level-off, resod and fence-in the football field.

"Now the Municipal Stadium field doesn't get a rest. They go from football into baseball and track. All three are played on the same field. When this project is complete we will have two separate fields and both of them will have time to rest during the off-season so they will stay in better condition," Marotti stated.

When completed, varsity high school sports will utilize the new fields but the rest of the recreation complex will be open to residents here year-round.

Stepney Came From England

(This is another in a series of articles to familiarize residents with the Belleville School System administrators.)

Robert Stepney is Clinical Administrator of the Garden School.

He first came to the Garden School ten years ago. At that time he was employed as a Psychiatric Social Worker. In 1964 he was appointed Clinical Administrator of the school. Before coming to Belleville, Stepney worked in a child care residential facility of a private agency in Pennsylvania for four years.

The Garden School was for many years a private facility of the Mental Health Association of Essex County. The Belleville Board of Education

serves on the Committee of Mental Health Services for Children of Essex County. This association studies problems from the state wide point of view.

Stepney states "Recognizing that we are working with children involved with learning disabilities, one strives for an understanding of the nature of the problems." Related to this thought Stepney quotes Virgil, "Happy is the man that understands the causes of things."

Stepney was born in a little town near Windsor, England. He served in the British Armed forces during World War II. He continued his studies after the war in London University's School of Social Work. He graduated in 1956 receiving his B.A. in the field of Psychiatric Social Work.

After coming to Belleville Stepney continued graduate studies in Newark State College receiving his M.A. degree in Special Education. Stepney has great interest in writing. He has had several professional papers published.

He is a member of the Association of Belleville School Administrators. Stepney is married to the former Ann Pannulla. He has two sons.

Robert Stepney

assumed responsibility for the teaching staff of the school in 1966 and then assumed total responsibility for the school in 1968.

Besides his demanding schedule Stepney is involved with several associations. He is unit chairman of the National Association of Social Workers of Essex, Hudson and Union Counties. He is also chairman of the New Jersey Chapter of the American Group Psychotherapy Association. Stepney also

Happiness is a state of mind—try to remember that when worried.

Belleville 10-Year-Old Girl First In Accordion Contest

Cynthia Morel, 10-year-old accordionist from Belleville, took first honors in the 10-year-old test solo division at the recent A.T.A. of N.J. Championship Contest. She

also won honors in the Combo and Band Categories.

Cynthia is a fifth grade student at the James G. Shaver grammar school where she is on the art staff for the school

paper. Besides her many hobbies, Music rates first with this young miss. She is the daughter of Mr. and Mrs. Morel, who reside at 99 Franklin Street, Belleville.

ACCORDION CONTEST winner from Belleville was 10-year-old Cynthia Morel, who is the daughter of Mr. and Mrs. Morel of 99 Franklin Street.

Judiciary Hearings

ITT And The GOP

Richard G. Kleindienst, the Acting Attorney General, who Nixon wants to make the permanent Attorney General, kicked off Senate Judiciary Committee hearings into his qualifications for the office and the Senate Judiciary Committee extravaganza went on a wild ride trying to prove that Kleindienst was involved in a deal whereby the United States Justice Department favored International Telephone and Telegraph Corporation in matters concerning three anti-trust cases.

The hearings now have come to an end. Kleindienst received the endorsement of the Senate Judiciary Committee. ITT was smeared from one end of the country to the other. The Republican Party was used as a whipping boy by Democrat members of the Senate Judiciary Committee. One of the Senate Judiciary Committee meetings one fact came through loud and clear—in this Presidential election year, the Democrats were determined to stop at nothing and stoop to anything to destroy President Nixon's chances for re-election. That in the process the Democrat smear brush was used on one of the nation's most important, private, industrial complexes did not matter—who or what was

destroyed in the process of smearing Nixon and the Republic Party was of no importance so long as the fortune of the Democrat Party would be enhanced.

It is regrettable that a respectable major party resorted to such cheap tricks and means in an effort to recapture the Presidential seat now held by Nixon.

We hope the damage to ITT's reputation is of short duration—and maybe this is too much to hope for—that never again will we witness a major political party using a smear brush with reckless disregard for the reputations of respected companies and individuals.

It appears that Richard G. Kleindienst will be confirmed as Attorney General of the United States. If he does win confirmation, the effort to stigmatize ITT's reputation by the Democrats may be too high a price for this country to pay just to get a new Attorney General.

Frank A. Orechio

Why Not Police Women?

To our knowledge, civil service examinations for local police department employees pretty much restrict applicants to the male sex.

Police departments are turning away qualified women despite the fact they are having difficulty recruiting men to fill vacancies. In communities where police departments do employ females, for the most part they end up in secretarial jobs or in work with juveniles. They are deliberately kept out of traffic patrol and de-

tective work.

We think it is high time that our local authorities revise their job specifications to permit females to become full-fledged members of the police department.

Frank A. Orechio

Be Kind To Animals Week

This week is celebrated nationally as "Be Kind to Animals Week."

We think it would be a good idea to be kind to animals every week—as a matter of fact, every day. Compassion for animals is best expressed in a prayer by Dr. Albert Schweitzer:

"REVERENCE FOR LIFE"
"Hear our humble prayer, O God, for our friends, the animals, especially for animals who are over-worked, under-fed and cruelly treated; for all wretched creatures in captivity that beat their wings against bars; for any that are hunted or lost or

deserted or frightened or hungry; for all that must be put to death.

"We entreat for them all thy mercy and pity, and for those who deal with them we ask a heart of compassion and gentle hands and kindly words. Make us, ourselves, to be true friends to animals and so to share the blessings of the merciful."

Frank A. Orechio

Seems Only Yesterday

The Bitter Pigeon Dispute Finally Comes To A Close

By Elaine Auerbach

One Year Ago

Former students and friends were to gather on June 17 at the Branch Brook Manor to honor Miss Frances Williamson and Mrs. Augusta Klein, who had been teaching at School One for over 40 years. Miss Williamson was a graduate of Belleville High School and had started to teach in Belleville in 1927. Mrs. Klein, a graduate of Barringer High School, had taught in Belleville schools since 1929.

Belleville was chosen as a pollution sampling site by the New Jersey Department of Environmental Protection, announced Public Affairs Commissioner Vincent Strumolo. Local health officer Edward Hillery said that Belleville was one of numerous towns and cities chosen throughout the state by geographic location to provide data on air pollution.

In a surprising outcome, Mayor Ken Smith failed to win re-election to the Board of Commissioners. Visibly shaken by his defeat, the Mayor stated: "We've been defeated before and we've come back to win." Those who were elected were: Michael Marotti, Mayor; Joseph McGreevy, Vice Mayor; and Robert Lattara.

Except for something as unfortunate as pigeon backlash, the long-standing and bitterly fought pigeon dispute came to a close in Belleville. The Town Council, ignoring a last minute recommendation made by Dr. Gerson Ram, local health officer, and Thomas J. Dalton, public sanitarian for New York City, voted unanimously to adopt an amendment to the town sanitation code which set guidelines for the keeping and homing of racing pigeons in the community.

With the Town Council declaring that a week be set aside as "Support Our Boys in Vietnam Week," local officials, townspeople, and civic groups were preparing to participate in a mass demonstration in New York supporting U.S. policies regarding Vietnam. The Council authorized the local Paul J. Mac Donald Association to represent the community in the "Pro Vietnam Parade" down Fifth Avenue in New York.

Ten Years Ago

The Rev. Father Peter Menegus, pastor of Saint Anthony's Church, was to be the guest of honor at a dinner marking his 30th anniversary in the priesthood. Members of the Belleville Council of the Knights of Columbus were in charge of the event, which was to take place at the Robert Treat Hotel in Newark.

None of the 24 candidates for three at large council seats or the two ward seats which had been up for election received enough votes to make the balloting official. Approximately 11,000 voters, or 70 percent of those registered in town, failed to vote anyone to office. The voters did, however, approve a 42-hour work week for firemen.

Mrs. Robert Richardson of 50 Sycamore Drive was installed as president of the Elks Auxiliary, Nutley Lodge 1290, at their annual dinner. Others installed were: Mrs. Earl Crawford, vice-president; Mrs. Robert Lewis, secretary; Mrs. Anne Desprez, treasurer; Mrs. Albert Weischedel, chaplain; Mrs. Charles Redmond, membership; Mrs. Winnie Ruska, sick committee, and Mrs. Alan Swan, relief.

Fifteen Years Ago

Mayor Isadore Padula revealed that he intended to formally propose that a Planning Board be adopted by the Town. Padula, long a proponent of a centralized planning authority, stated his concern for the need of a planning board after attending a meeting of the Essex County Planning Board Association. Attending the session with the Mayor was director of Public Safety Harry Sullivan, who agreed with the Mayor that there was a need for such a group in town.

The resignation of Arnold Bloom as news editor of the Times News was announced by Ralph E. Heinzen, owner and publisher of both The Times and the Nutley Sun. Bloom had edited the local paper for a year and a half, during which time he had attempted to expand the paper's news coverage to all phases of community activities.

Twenty-Five Years Ago

The Belleville Ministers' Association adopted a resolution at their monthly meeting protesting against the carnival that was scheduled to begin at Edison Field in Silver Lake. The carnival was being run under the auspices of Saint Anthony's Church. The objection from the ministers branded the carnival a "public nuisance" and a detriment to public morals. They also declared that it was a source of juvenile delinquency.

At the election of officers held by the John J. Daly Post No. 8 of the Aunts, William O'Neill Jr., of 83 New Street, was chosen commander to succeed Edward Dunn, who had been elected. Peter O'Toole, 1st vice-commander; James McCann, 2nd vice-commander; Martin Leites, 3rd vice-commander; Bud Stroud, finance officer; Ed Dunleavy, public relations; Ralph White, public relations; Peter Torre, judge advocate, and Harold Valentine, service officer.

Forty Years Ago

Belleville's two candidates for nomination as county clerk in the two major parties, Mayor Samuel Kentworthy, Republican, and John J. Daly, town clerk, Democrat, were winding up their campaign with an intensive last minute drive before the primary elections. The principal fight in the Democratic party was centered about the county clerk's nomination while Kentworthy was opposed by two Republican candidates, John Scott, incumbent, and Fred Parker, of Newark, who was seeking the nomination as an independent Republican.

Belleville teachers were waiting for their April salaries. With the refusal of the Board of Freeholders to aid the Board of Education by releasing any of the State funds dedicated to school use and being held by the county because the town had not paid its 1931 county tax, the situation remained without hope for change.

Fifty Years Ago

The following were prize winners in a popularity contest at the carnival held by the Loyd Order of Moose: first, Miss Nellie Stines, a diamond ring; second, Miss Cecilia Boehmer, a diamond bracelet. Dorothy Collins was given a party on her eleventh birthday at the home of her father and mother, Mr. and Mrs. John Collins of Tappan Avenue.

Heart Hope

The National Heart and Lung Institute recently announced the first use of nuclear energy to power a living animal's heart. An artificial heart pump was successfully implanted in a calf in Boston and worked successfully for a period of hours before being removed. The Institute also announced successful testing of a mechanical heart.

The artificial heart pump is still large and probably years away from the perfection needed for human use. But officials at the Lung Institute are highly optimistic about future use of smaller heart pumps in humans, some believe they can be in use by the end of the seventies.

The artificial heart itself is also designed for operation with nuclear power though tests thus far have utilized electricity. It too is thought to have a promising future in human beings. Dr. Theodore Cooper, director of the Institute, says development of both the pump and heart are medical milestones; it's estimated such devices will one day aid as many as 100,000 Americans annually.

On Time?

Ralph Nader's Aviation Consumer Action Project recently reported that the nation's major airlines often fail to fly on time, without reason or justification, and proposed airlines which pay little attention to time schedules be penalized by the Civil Aeronautics Board.

Anyone who has sat impatiently on U.S. passenger aircraft depending on the time schedule advertised, and witnessed the casual, slow, couldn't-care-less attitude of crewmen, stewardesses and even pilots, thus missing his future connection,

Those who ride trains in Germany, or England, know passenger facilities can run time. For some reason little pride or emphasis concerning on-time departures has been exhibited by American trains, buses and planes in recent years. Bus drivers sit drinking coffee and talking at departure time, our trains were notoriously, habitually late, and now our airline schedules are utterly undependable.

Helen's Thing

Of Weekends And Car Keys And Nice Men

By Helen Maquire

I had a very busy weekend which included, among the more mundane things like cooking and making beds and refereeing a battle or two, a political rally, a children's party, a great reception at the Orechios' and coming up with seven pages of newspaper.

But it's the children's party I wish to discuss although I think discuss is the wrong word. Mothers of Twins hosts a party once a year for the children of the members, all the kids, not just the twins. And this was really good. The women in charge outfit themselves with a magician, a house trimmed in candy, a host of games complete with prizes, balloons, pop-corn, clown cookies and hand puppets for everyone.

Gavin, faced with the choice of going with me or going to Scott Rademacher's birthday party, chose Scott's party hands down. So I ventured over to West Orange with the three others picking up on the way Delores Walsh and her identical boys. We got to the church, parked in the school lot across the street and evacuated the car. I was wearing a spring coat and by the time I had extricated Ryan and wrestled the girls out of their car seats, I was really warm so I took off the coat, flung it on the front seat, pushed down the button and locked the last door.

And can you guess what was in my coat pocket? A big bouquet of roses if you opt for the car keys. Fun and games mixed with slight feelings of desperation. Into the party where I borrowed the keys of everyone who owned a Country Squire in the vain hope that one set would square mine. Forget it.

As I tried the last set with fingers and everything else I could think of crossed, next year's club president arrived with her kids and prize for her husband. I had brought a metal coat hanger out to the lot with me and Mr. Allin bent it into shape, managed to inch it through a slightly open window and had for a good ten minutes to unlock the door. No luck.

Meanwhile, back in the party room, my twins were in charge of Dolores whom they have seen maybe twice in their lives and certainly not recently. I don't know what magic she possesses but I don't think the little demons ever realized mama was gone.

Finally, Eldo Allin gave up with the coat hanger. Instead, the dear man volunteered to come back to Nutley to get another set from Rod. I called my ever loving and broke the news to him and went back into the party while my rescuer journeyed in search of the keys.

The magician was just winding up his performance when Eldon returned. "Did Rod have any comment to make? I asked after I had thanked the man profusely and stowed the new keys in my purse. "Yes," said Mr. Allin. "He said if anything happened to this set, you could walk home."

My trio and I got back to Alexander Avenue around 4:30 where we were greeted by papa who, much to my surprise and delight, said nothing at all about my stupidity and hasn't mentioned it since.

Public Works Bill Gives Boost To High Unemployment Areas

recently was photographed with actor Burt Reynolds who made COSMOPOLITAN MAGAZINE famous. John is also the publisher of IN MAGAZINE, HOCKEY ILLUSTRATED, FOOTBALL ILLUSTRATED, BASEBALL ILLUSTRATED, HUNTING ILLUSTRATED, BASKETBALL ILLUSTRATED, SPORTS HEROES, COMPLETE SPORTS MAGAZINE, WRESTLING WORLD, PRO BASKETBALL ILLUSTRATED, PRO FOOTBALL RECORD BOOK. Commenting on what kind of person represents an agreeable companion, John quotes as follows: "The most agreeable of all companions is a simple, frank man, without any high pretensions to an oppressive greatness; one who loves life and understands the use of it; obliging, alike at all hours; and above all, of a golden temper and steadfast as an anchor. . . for such a man, we gladly exchange the greatest gen-

ious, the most brilliant wit, the most profound thinker."

ONE OF THE FACELESS, HARD-WORKING GIRLS at the Eastern Airlines Computer Center in Newbridge, is the efficient Maria Townsend. From reports reaching our desk, Maria has the face and figure to match the high-voltage brain power which she possesses and Blair Frost of Nutley Travel Service believes Maria is headed for stardom if she ever crosses the path of a Hollywood talent scout.

ELEANOR BRITTON, sister-in-law of Nutley's Nugent Freeman of 225 Park Avenue, is concluding a season as Activities Director at the internationally famous Boca Raton Hotel & Club in Boca Raton, Florida. Below she appears with Bert Stephens, the General Manager of the Boca Raton Hotel & Club. Eleanor expects to be heading toward Nutley come June.

by Frank A. Orechio

THERE ARE MANY REASONS why Easter and Christmas time bear special memories. In our case, one of the joys of the seasons is the spiritual messages sent to us by Terry and Joe Shanahan—both beautiful people.

CONGRESSMAN JOSEPH G. MINISH, 11th District, has cosponsored legislation to expand the Accelerated Public Works program.

The Public Works program provides assistance to high unemployment areas to create work for the jobless. Under the proposal backed by Minish, the program's funding level would be increased by \$200 million and the types of projects funded would be expanded.

TWA'S RITA EASTMAN has a philoso-

phy of life which she has reduced to prose.

"Life goes slow without love.

It moves along unburied.

The sun rises.

There are those who pass by

changing the time-cycle

If you're willing to wait.

I am always shy with these journeyman at first

and by the time I get to know them

They've gone away

My friend, JOHN J. PLUNKETT, publisher of SAGA MAGAZINE, and only this week, assumed the post of publisher for CONSENSUS MAGAZINE, an 800,000 publication distributed to members of selected clubs throughout the country,

WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

Miss Naomi Freeman

Miss Freeman, Mark Bussel Will Be Wed

Mr. and Mrs. Arthur Freeman of Cedar Grove, formerly of Nutley, announce the engagement of their daughter, Naomi to Mark Bussel, son of Mr. and Mrs. Michael Bussel of West Orange.

The troth was made known March 26.

Miss Freeman, a graduate of Nutley High School and Fairleigh Dickinson University, Rutherford, attended C.W. Post College and is working for her masters degree at Montclair State College. She is a substitute teacher in Caldwell.

Mr. Bussel, an alumnus of Mountain High School, West Orange, attended Fairleigh Dickinson University, Madison and is self employed. He is a member of the National Guard.

The wedding will be held in March.

Mrs. Miller Head In Unit
Mrs. Karyl Miller, R.N. of Wallington has recently been appointed Acting Head Nurse of Clara Maass Memorial Hospital Psychiatric Unit as announced by Mrs. Nancy Mastello, Director of Nursing Service.

Miss Diana Auriemma

Miss Auriemma, Mr. Li Mandri Are Engaged

Mr. and Mrs. Anthony Auriemma of 93 Race Street announce the engagement of their daughter, Diana Lynn to Richard Anthony Li Mandri, son of Mr. and Mrs. Savino Li Mandri of New York.

Miss Auriemma, attended Nutley High School and is a graduate of Essex County Vocational School. She is with Scala Hairdressers, Belleville.

Mr. Li Mandri, an alumnus of Barringer High School and the Police Academy, is with the Newark Police Department.

Most people can stand tragedy but few can master the small irritations of life.

Miss Maryann Marra

Betrothal Told Of Miss Marra, Dennis Alamo

Mr. and Mrs. Joseph Marra Jr. of Belleville announce the engagement of their daughter, Maryann to Dennis D. Alamo, son of Mr. and Mrs. Robert Alamo of Newark.

The engagement was announced at a party at the Barbone-Mosco Post in Belleville on April 1.

Miss Marra is a graduate of Essex County Vocational and Technical High School and is currently employed as a typist by the Armed Forces Examining and Entrance Station, Federal Building, in Newark.

Her fiancé is a graduate of Barringer High School and is with Fidelity Union Company in East Orange.

The couple will be married in May of 1973.

Miss Charlene Hull

Charlene Hull, Robert Leonia Are Betrothed

Mr. and Mrs. Robert C. Hull of 278 Greylock Park, Belleville, announce the engagement of their daughter, Charlene to Robert G. Leonia, son of Mr. and Mrs. Robert J. Leonia of 115 High Street, Nutley.

Miss Hull, an alumna of Belleville High School, is with Sel-Rex Company, Nutley.

Mr. Leonia, a graduate of Manist High School, Jersey City, is a senior at Fairleigh Dickinson University, Rutherford, where he is majoring in business management.

A pretty girl makes a lot of men feel younger.

Mrs. Daphna Spence, William Glatz Wed

Mrs. Daphna A. Spence of Belleville and William Glatz of Irvington were married April 29 in Grace Episcopal Church, Nutley by the Rev. Crawford. A reception followed at Lyle's, Kearny.

Given in marriage by Patrick McDermott, the bride wore a pink silk dress with a beaded neckline and carried a prayer book with a pink orchid.

Her sister, Mrs. McDermott, was matron of honor with her niece, Mrs. Peter Roche as bridesmaid.

The honor attendant was in pink silk and the bridesmaid in blue silk. Both carried prayer books with orchids.

David McDermott was best man and Peter McDermott ushered.

The couple have made their home in Belleville after a wedding trip to Spring Lake.

A chartered DeCamp bus left Nutley April 11 en route to Lyons Veterans Hospital in Millington, for a card party sponsored by the American Legion Auxiliary, Unit 70 of Nutley, ably assisted by the Legionnaires from Nutley leg Post 70.

Mrs. Earl Crawford, Chairman of Veterans Affairs handled all the necessary arrangements and the purchasing of refreshments.

Various card games were enjoyed by the patients and members of Unit 70 and Post 70 Auxiliary members of Unit 70 served doughnuts, punch, and jelly beans and canteenbooks were given out to the patients at the close of the evening.

Auxiliary members of Unit 70 who participated were Mrs. Elwood Braun, President of Unit 70, Mrs. Crawford, Mrs. Robert May Sr., Mrs. John Ostroski, Mrs. Herbert Schultz, Mrs. Howard Shuster, Mrs. J. O'Grady, Mrs. Charles Kraatz, Mrs. F. Iracane, Mrs. Eugene Nicki, Mrs. J. Cunningham, Mrs. Harvey Nemeyer, Mrs. Carl Horvath, Mrs. Dave McCarthy, Mrs. John Denking, Mrs. C. Zetterstrom, Sr.

Legionnaires, Members of Post 70 who participated were Commander Harvey Nemeyer, Fred Mitchow, Phil Angeline, Robert May, Sr., Dave McCarthy, Walter Sager, Rudy Berg, and Elwood Braun.

Miss Christine Miller

Troth Is Told Of Miss Miller, Kent Faulkner

Mr. and Mrs. Robert C. Miller Jr. of Upper Montclair, announce the engagement of their daughter, Christine Ann to Kent W. H. Faulkner II, son of Mr. and Mrs. Ross H. Faulkner of Upper Montclair.

Miss Miller, an alumna of East Orange Catholic High School, attends Katharine Gibbs Secretarial School, Montclair. Her father is a partner in Meads-Miller Company, Nutley.

Mr. Faulkner attended Tulane University and is a probationary patrolman with the Town of Montclair.

The wedding will be held next spring.

Miss Elizabeth Bartley

Miss Bartley, Daniel Crowley Plan Wedding

Mrs. Robert R. Bartley of Bloomfield announces the engagement of her daughter, Elizabeth Ann Bartley to Daniel Thomas Crowley of Belleville.

Miss Bartley, also the daughter of the late Mr. Bartley, is a graduate of Bloomfield High School, Wesley College in Dover, Delaware, and Katharine Gibbs School of Montclair. She is a secretary in the Research Division of Schering Corporation in Bloomfield.

Mr. Crowley is the son of Mr. and Mrs. John F. Crowley, Sr. of Belleville. He is a graduate of Belleville High School and an Air Force Veteran. He is employed by Brief, Linn and Brief, Accountants and Auditors, of Maplewood, and is a junior at Seton Hall University, South Orange, majoring in Accounting.

Plans are in progress for an April wedding in 1973.

Miss Joanne Arrietta Bride Of Donald Ramon Barone

Miss Joanne Carmella Arrietta, daughter of Mr. and Mrs. Anthony Arrietta of 123 Garden Avenue, Belleville, became the bride April 9 of Donald Ramon Barone, son of Mr. and Mrs. Joseph Barone of 35 Clement Street, Nutley.

The Rev. Mink performed the ceremony in St. Peter's Church with a reception following at Robin Hood Inn, Clifton.

Escorted by her father, the bride wore a gown of silk organza with embroidered front and French cuff sleeves. A Juliet styled headpiece held her veil and she carried roses.

Miss Beverly LaLuna of Belleville was maid of honor. Bridesmaids included Miss Karen Arrietta and Miss Sharon Arrietta of Belleville, sisters of the bride, Miss Lucille Barone of Nutley, sister of the groom and Miss Lorraine Paduano of Bloomfield. Flower girls were the bride's nieces, Debra and Dawn Borlogio, of Oakhurst.

They were attired in rainbow colors of blue, yellow, green, lilac and pink with matching picture hats and bouquets.

Thomas Barone of Nutley served his brother as best man. Ushers were other brothers, Richard Barone and Dr. Joseph Barone Jr., the bride's brother. Frank

A friend is someone who doesn't expect any favors.

The trouble with most interviews is that a man rarely says what he really thinks.

Newark.

The social will be sponsored by the Members of the Rosary Society of St. Aloysius Church, Caldwell, New Jersey. The chairlady for the event is Mrs. Richard McGuinness. All members are cordially invited to attend.

SOCIAL AND CLUB NEWS OF COMMUNITY INTEREST

ALCOHOLISM CLINIC—A free Alcoholism detection clinic will be offered at The Mountainside Hospital. The clinic will be held in the Outpatient Department on Monday and Tuesday, May 15 and 16 from 7:30 to 9:30 p.m. and on Wednesday from 2 to 4 p.m. A confidential detection test, films and professional consultations with physicians and social workers will be available. Reviewing the program are from left Dr. Paul C. Fagan, Medical Advisor to Mountainside's Alcoholism Treatment Center, Mrs. Kathleen Mason of the National Council on Alcoholism and Donald W. Klopfer, Casework Supervisor for Mountainside's Alcoholism Treatment Center.

A First Safari For Historians Great Success

The Belleville Historical Society held its first Safari at the Belleville Little League Field, April 15. Ed O'Neill was the chairman of this event. The fence around the field held various photographs and other bits of historical memorabilia from an earlier Belleville. Many of those who attended enjoyed looking at the photos, picking out friends from their childhood. A few of those who attended were even able to find pictures of themselves.

After the photos had been viewed by everyone, the group went into the clubhouse where Alan Crisp, president of the Historical Society, gave a short welcoming speech. Neil Horne showed and narrated motion pictures of the town that he had made in the late 20's and early 30's.

To those who are old enough to remember the trolley cars on Washington Avenue, or the beautiful homes that once lined the present district, the films surely brought back fond memories. But to those who are not old enough to remember these things, the films serve as a vivid reminder that our town does have a significant past that deserves to be preserved. It also showed a much more innocent period in our town's past. It showed the youngsters a time when thousands would line the Passaic River bank to see the shells racing on the river. It showed a time when our once beautiful Passaic was not the polluted dumping ground it is today.

Many of those who attended also enjoyed seeing the familiar faces, places, and events shown in the films. One woman saw a frame of an automobile accident that her father had been involved in in 1934. Tom Spillane, Sr. saw himself as a wrestler and a basketball player.

Former Councilman Ralph Casale brought an exciting film of Belleville High School football in 1928 and 1929. The 1928 game was the Belleville-Nutley game played at Cleman Field before a crowd that numbered more than 10,000. Nutley won the game by a score of 13 to 7. The film showed some very good action while also getting some good shots of Coach Steele of Belleville and Coach Stanford of Nutley. The rest of the film was devoted to the 1929 season which saw Belleville lose only one game all season while scoring 122 points to only 20 points for their opponents for the entire season.

Veteran's Group, Auxiliary Earn First Place Award

Firemen's Post No. 1851 and their Ladies Auxiliary, Veterans of Foreign Wars have been advised by the Department (State) of New Jersey V.F.W. Community Activities Chairman, Charles Moore, Paramus, N.J., and Mrs. Andrew Mazer, East Brunswick, N.J. that the Record Book of Community Activities for the period April 1, 1971 to March 31, 1972 receives first place award.

VISITING A QUEEN—Recent visitors to the Queen Mary at her berth in the Port of Long Beach, California, were Jim Durkin of Newark and Leonard Toolley of Belleville. The Queen Mary is open for tours of the museum, Jacques Cousteau's Living Sea and upper deck areas. The deluxe Lord Nelson restaurant, the Observation Lounge, two coffee shops and 40 specialty shops are in operation.

Generation Gap Dance Friday At High School

A "Generation Gap" Dance will be held at the Belleville High School Gym on May 12 at 8:00 p.m. The night will feature Sal Minardi's "Salt Marsh" Band as well as the Belleville High School Dance Band under the direction of Mr. Bob Wing. Specialty numbers will also be performed by many of the teachers at the High School, as well as by several students.

Refreshments will be served and drawings will be held for some excellent door prizes. Tickets are \$1.00 pre-sale and \$1.25 at the door. Raffle tickets are also available for the drawings that night.

The final meeting of the 1971-1972 Home and School Association will be held on May 30, at 8:00 p.m. in the High School. A special program and installation of new officers. All members please try to attend. Visitors welcome!

Miss Vecchione At Career Day

Miss Marie Vecchione of 669 Joramemon Street will discuss industrial research and development as a career at a day-long Career Day program at Albertus Magnus College, New Haven, Connecticut on May 11. Miss Vecchione is an alumna of the college.

Any V.F.W. unit who wins the award statewide for three years may keep the month trophy. This is the second time Firemen's have received the honor.

Post Commander is Robert E. Wallace, Wallington and his Ladies Auxiliary President is Mrs. Russell Oliver, Newark. Community Activity Chairman for the Post is Past Commander, P. Russell Oliver, and his Auxiliary Chairmen are Mrs. Angelo Chivarra and Mrs. Thomas A. O'Neill, all of Newark.

Chiropractic Society Sets Annual Benefit

The Women's Auxiliary of the Garden State Chiropractic Society will present their second annual benefit dinner and fashion show for men and women at the Cameo Restaurant, 546 River Drive, Garfield, on Thursday evening, May 18 at 7 p.m.

Last year's fashion show attracted approximately 600 people. All proceeds from the benefit will be used for public education on chiropractic and to support and maintain the use of the Health Mobile Unit which travels throughout the state educating the public on chiropractic.

The latest women's and men's fashions will be modeled by doctor members of the Garden State Chiropractic Society and professional models. Fashions will be from Zimmermann's, Men's Clothing of Rutherford and the Mannequin of No. Haledon.

Mrs. Robert Tarantino of Rutherford, auxiliary president, stated that accommodations for 900 guests have been made to exceed last year's phenomenal success. Mrs. Raymond S. Miklosky of River Vale is the chairman

Kids' Program This Saturday At Library

George Jamieson, veteran children's entertainer, will appear at the Children's Room of the Belleville Public Library on Saturday, May 13th at 10:30 a.m. and 12:00 noon.

Jamieson's program will include Punch and Judy puppets, magic, entertaining and informative chalk talks and balloon sculpture. Because of space limitations it will again be necessary to limit the audience. Free tickets to either show are available to any Belleville youngster at the Children's Room of the library, corner of Washington Avenue and Academy Street.

Jamieson, from Hackettstown, will be making his first appearance in Belleville, and children are urged to pick up their tickets early. Lucky volunteers will participate in parts of the program and be awarded with Jamieson's clever and fascinating balloon sculptures.

Dr. Arnold Taub of Nutley is the local chairman and may be contacted at 661-0500 for further information.

ANNIVERSARY CRUISE—Mr. and Mrs. Frank Paterno of 85 Emmet Street are pictured on the deck of the Home Line's luxury liner, S.S. Homeric just before sailing from New York Harbor bound for a holiday vacation cruise to the sunny ports of the West Indies. The couple celebrated their 25th wedding anniversary during the cruise.

Stork Club

Adrienne M. Basile

A first child, a daughter, Adrienne Marie was born to Mr. and Mrs. Louis Basile of 24 Janmarone Street, April 11 at Clara Maass Memorial Hospital. Birth weight was 6 pounds, 10 ounces. Mrs. Basile is the former Esther Preston daughter of Mr. and Mrs. Harold Preston of Belleville. Mr. Basile son of Mr. and Mrs. Salvatore Basile of Belleville is an electrician, with D'Ambola Electric, Nutley.

Jennifer and Susan Lister

Woman's Club of Belleville Earns Top Honors at Festival

The Woman's Club of Belleville took top honors at the Eighth District Drama Festival which was held at the Grace Episcopal Church, Rutherford. The prize winning play was "Women of Nazareth" by Mae Howley Barry, directed by Lorena Clark.

In the cast were: Lorena Clark as Concochio, Lise Kropp as Francesca, Ruth Hogan as Zefa, Eudora Parry as Maria and Linnea Andre as Josephina. The Best Actress went to Lorena Clark and also the Best Director award.

This play also received the award for having the best stage set.

The best supporting actress award was presented to Irene Nunziato for her performance as Abby Baxter in "The Anchor" presented by the Evening Membership Department of the Woman's Club of Rutherford.

The third play presented was "Consolation" by the Evening Membership Department of the Woman's Club of Belleville. Judging the plays were Mrs. Robert Billies, Tenally, Mrs. James Crawford, Cranford and Mrs. Robert Frederickson, Little Silver.

Honored guests were: Mrs. John Rock, Wyckoff, 1st Vice President New Jersey State Federation of Women's Clubs; Mrs. William Mulert, Rutherford Eighth District Vice President; Mrs. Robert Martches, Rutherford, State Literature Chairman; Mrs. George Freeman, Franklin Lakes, North Vice Chairman of Drama; Mrs. Laurie Bouwmeester, Southern Vice Chairman of Drama from

Shrewsbury; Mrs. Charles Benter, Sea Girt, Librarian and Official Timekeeper; Mrs. Alfred Hamer, Rutherford's Club President; Mrs. Arthur Kipple, Jr., State Evening Membership Chairman and Mrs. Orville Emmons, State Drama Chairman.

Helping with the activities of the day were members from the Woman's Clubs of Hoboken, Lyndhurst, Lyndhurst and Rutherford Evening Membership Departments; Carlstadt and Rutherford. In the Doll Contest which was judged by Mrs. Freeman, Mrs. Bouwmeester and Mrs. Benter the following members won awards in the Television category Mrs. Raymond Derner, Rutherford EMD won first place for "Jeannie" from the Television program "I Dream of Jeannie". Movie category First place went to: Mrs. Charles Assenheimer for "Judy Garland" (As Esther Smith) in Meet Me in St. Louis. Second place was awarded to Mrs. Douglas Borton for her doll depicting Vivian Leigh as Scarlett O'Hara. Mrs. Assenheimer and Mrs. Borton are members of the Rutherford EMD.

Another second was awarded to Mrs. Nellie LaPorte Rutherford for Carmen Miranda in "Flying Down to Rio", third place winner was Mrs. Kurt Kuenzle, Rutherford EMD, for "Roslyn" in "As You Like It". First place winning dolls will be sent down to the Convention in Atlantic City next month for final judging. Mrs. Edward Malejko, Rutherford Evening Membership Dept., District Drama Chairman was chairman of the day and presided at the festival.

Graphic Artist Display
At Essex Blood Bank
The works of graphic artist Nathan Regan of West Caldwell are to be exhibited during the month of May at the North Jersey Essex County Blood Bank at 45 South Grove Street, East Orange. Regan, the owner of Color-Pak, a color separation plant in Hackensack, began his avocation as a result of observing art work which came into his plant. A self-taught artist, Regan began to draw the things around him, old people, children, trees, the changes of season.

AIDING RESEARCH—Mary E. McCarthy (4th left), vice president Essex County Unit American Cancer Society, receives \$1000 check from Margaret Zarro, proceeds of the Zarro Civic & Welfare Association of Belleville's Dinner Dance Benefit for American Cancer Society Leukemia Research. The presentation committee members are from left, Joseph Zarro, Rose DelPresto, Ann Restano, Joseph Cocuzza, dinner chairman, Rita Zarro, James P. Ceres, president and Angelina Ippolito. The Dance, attended by over 600, was held at the Westmont Country Club, West Paterson. A benefit is held annually by the Association for a charity selected by the membership.

Ferben Spray Aids Pachysandra

Pachysandra is one of our most beautiful ground cover plants for growing under trees and around foundation plantings. But if plants are neglected, a disease may build up and kill large sections of the beds.

If dead plants are scattered throughout the beds, a close examination will be necessary to determine why they died. If the dead plants still stand erect and are covered with brown - purple-like growth, and if the dead stems feel like sandpaper, your plants are in trouble, says William F. Munk, senior county agent of Essex County.

Pachysandra canker disease attacks the plants early in the spring. The brown pimples produce thousands of spores of the disease, and your problem can spread this spring unless you do something now. To control canker, spray the pachysandra beds just as soon as new growth begins. Mr. Munk advises. Repeat twice at 10 to 14 day intervals. Use one of the ferbam fungicides at the rate of 2 tablespoons in one gallon of water, add just enough spreader-sticker or detergent, to make the solution slightly sudsy.

When you spray, force the nozzle down under the leaves so that stems and new shoot growth receive a coating of the disease-control chemical.

Ask your Essex County Agricultural Extension Service for a free copy of Leaflet 328-B, "Tree, Shrub, and Flower Pest Control for the Homeowner," a complete guide to pest control on all ornamental plants. The address is 900 Bloomfield Avenue, Verona, New Jersey 07044.

Christian living means obeying your good impulses every day, and not waiting for Sunday services to come around.

Annual Card Party Wednesday At Congregation Ahavath Achim

The Sisterhood of Congregation Ahavath Achim, 125 Academy Street will hold its Annual Card Party under joint sponsorship of the Sisterhood and Mens Club of the Congregation. The affair will take place Wednesday May 17, at 8 p.m. in Sisterhood Hall.

Dr. S. Kuhnen To Be Speaker At Sierra Club

"Exploring in New Guinea" will be described by Dr. S. Marie Kuhnen, Chairman of the Biology Department at Montclair State College, in a slide-lecture to be given at the next meeting of the Sierra Club's North Jersey Group on May 17 at 8 p.m. in Room 155, Mallory Hall, Montclair State College. Admission is free and all interested persons are welcome.

Dr. Kuhnen, a well-known photographer and lecturer, last summer, with 15 other Americans, explored the interior of New Guinea by bush-plane, boat, and foot, encountering natives not long out of the Stone Age. The party travelled to areas never before seen by Americans.

The Sierra Club is the leading conservation organization in the United States. Membership has grown so fast that the North Jersey Group, with almost 2000 members, plans to unite with the Southern New Jersey Group to form a New Jersey Chapter. According to Walter Wells, Group Chairman, "The primary purpose for seeking chapter

Junior Woman's Club Group To Convention

Representatives of more than 140 Junior Clubs and Subjunior sections throughout New Jersey will gather in Atlantic City on May 12, 13 and 14 for the 45th Annual Spring Convention of the Junior Membership Department of the New Jersey State Federation of Women's Clubs.

Mrs. P. Barry Brock of the Junior Woman's Club of Bloomfield is chairman of the Convention that is expected to be attended by more than 1600 civic-minded young women. "Camelot" is the theme of the Convention.

The Junior Woman's Club of Belleville will be represented by Mrs. Thomas Spillane, president, Mrs. Roger Ellis, Miss Jean Benedetto, Miss Regina Ventura, Mrs. Nicholas Landolfi, Mrs. Sandra McNally, Mrs. Harry Reitz, Miss Catherine McNally, Mrs. Carl Clemente, Mrs. Felix Forlenza.

The official opening of the festivities will begin on Friday evening at 9 p.m. when Mrs. John J. Quigley, Jr., chairman of the Junior Membership Department, will conduct the business session titled "Night of the Roundtable." At this time members of the current Junior State Board will report on the club's achievements during the 1971-72 club year.

Mrs. William Haddock is currently serving as State Project chairman. Mrs. Haddock will report on the Junior's Current State Project, the Ruth Gotschko Kidney Foundation.

Club delegates will vote for candidates to serve on the 1972-73 State Board. Mrs. William Haddock is a candidate for membership chairman.

Saturday morning there will be Club Yearbook Program, Membership, Sub-Junior and Presidents' Workshops. At the same time there will be "working" exhibits presented by the American Home and Art Departments. Mrs. Nicholas Landolfi, Mrs. Michael Adubato, Mrs. Louis Scaleria, Mrs. Felix

Forlenza, and Mrs. James McCann will submit entries for this contest.

The luncheon "Round the Maypole" will feature presentation of scrapbook, pressbook and individual awards. Guest speakers will be Miss Joan Buchanan, National Director of Junior Clubs and Mrs. George F. Weinheimer, Jr., immediate Past President of the New Jersey State Federation of Women's Clubs. There will also be a fashion show of outfits made by Juniors.

The banquet on Saturday evening, "The Shining Hour," will be the highlight of the Convention. Mrs. Donald T. Bixby, new president of the N.J.S.F.W.C. will be guest speaker. Awards will be presented by the State Department chairman to the clubs who have done outstanding work in department areas.

The climax of the evening will be the naming of the "Diamond Dozen", the twelve most successful clubs in the State. The Chairman of Nominations, Mrs. James M. P. Moore, will announce the results of the election installed by Mrs. John J. Quigley, Jr. Miss Jean Port of the Totowa Juniors is the endorsed candidate for the office of chairman. Following the banquet there will be a reception for all Juniors and a party for the Sub-Juniors. Serving as pages from the Belleville Junior Woman's Club will be Mrs. Harry Reitz, and Miss Jeanne Benedetto.

Miss Della Torre Sorority Officer

Laura Della Torre, daughter of Mr. and Mrs. Vincent Della Torre of Belleville, has been appointed vice-president for the 1972-73 year of the CHI DELTA PHI sorority at Alphonse College, Woodcliff Lake.

A freshman majoring in elementary art, Laura is a member of the Public Relations Club, Art Editor for the yearbook, and also Art Editor for "The Collegian Call," the school newspaper.

Recent Doings Of Association At School 10

The Home and School Association of School No. 10 presented a special program for the sixth graders leaving for junior high school at the May 2 meeting.

Officers for the coming year were installed after being presented to the group by the Association president, Mrs. Lois Malfitano.

Kathleen Burns On Dean's List

Kathleen T. Burns, daughter of Mr. and Mrs. Edward J. Burns of 8 Belmore Street has made the Dean's List at the University of Dayton.

Miss Burns is in the College of Arts and Sciences and has achieved an academic point average of 3.785 out of a possible 4.0.

A missionary to foreign lands deserves the greatest respect.

McGovern Campaign Headquarters Opens On Washington Ave.

George McGovern's populist campaign for the presidency came to Belleville last Thursday with an organizational meeting of the Belleville Citizens for McGovern. The twenty local residents attending the meeting at the home of municipal co-ordinator James McCann mapped out a vigorous campaign aimed at bringing the South Dakota Senator's message to the voters in the June 6 New Jersey Democratic primary.

To this end, plans were made to open a local McGovern Headquarters at 172 Washington Avenue, adjacent to the "Path-Mark parking lot." Those wishing to participate in the campaign have been urged to contact this office.

McGovern has emerged as the major candidate in this year's complicated Democratic race for the presidential nomination - con-

founding supposed experts and professional politicians with the success of his common-sense appeal to average American. McGovern has won decisive victories in the Wisconsin and Massachusetts primaries. His remaining rival for the nomination now appears to be perennial candidate Hubert Humphrey. George Wallace's name does not appear on the New Jersey primary ballot.

PROJECT HEARTBEAT, run by Home and School Assn. of Montgomery School No. 2 exceeded its goal of \$5,000 as members of fund raising team view new heart-scan machine. Shown (l-r) are principal Arthur Pico, Mrs. Alfred DeLuccio; Mrs. George Veniero, Mrs. John Allum, Mrs. Ralph Estelle, Mrs. Albert Chiappinelli, Mrs. Joseph D'Adamo and Mrs. Frank Fontana.

Frank Bangert; Ex-Resident

Frank Bangert, 816, Minnesota St., Lantana, Fla., died May 7 in J.F. Kennedy Memorial Hospital, Lakewood, Fla., after a long illness. He was 72.

Mr. Bangert was born in New York, and lived in Belleville until 1964. A World War I veteran, he was a Post Commander of Belleville Post American Legion; a member of International Brotherhood of Electrical Workers; and a member of Lodge 108 F&AM. He was a retired electrician.

He is survived by his wife, Mildred of Lantana, Fla.; a son, Robert of Cazenovia, N.Y., and four grandchildren. Services were held yesterday at the Earl Smith and Son Funeral Home in Lakewood, Fla.

Joseph Ellis; Ex-Salesman In Business

Joseph Ellis of 7 So. Wilber Street, died Sunday in Clara Maass Memorial Hospital after a short illness. He was 74.

Born in New York City, Mr. Ellis was a long time resident. He had been employed as a salesman for business forms.

He is survived by his wife, Florence (nee Loeb); three sons, Ira of Old Bridge, Howard of Nutley, and Gary of Belleville, and four grandchildren.

Services were held Monday with Rabbi Herbert Moskowitz officiating. Interment was in King Solomon Cemetery, Clifton.

TNJ Workers Restless

Trouble Brewing At Bus Garage

Public Transport's Big Tree Garage on the Nutley-Belleville line could well be the scene of violence, striking bus workers have told The Sun. Thirty-one men have been laid off and notices announcing the complete cancellation of routes numbered 28 (Nutley-Newark), 15 (Nutley-City Subway) and 18 (Belleville-Newark) were posted early Monday at Big Tree.

Two major problems developed here immediately: first, most of the 31 drivers laid off Monday are blacks who lacked union experience; second, those senior drivers who once had the "plush" routes 15 and 28 which involve easier schedules and less-demanding traffic, were ordered to operate the 13 line which runs from Nutley to downtown Newark and then

west up Clinton Avenue to Irvington.

Some of the drivers say they have been warned that should they take No. 13 buses through the black Clinton Hill neighborhood in Newark, there would be trouble. Black drivers yesterday set up a picket line at Big Tree.

Meanwhile, the senior drivers, mostly whites but including several blacks, have told Public Transport they would not switch from the 28 and 15 lines to run the 13-Broadline.

The dispute here couldn't be ironed out this week and the overall union membership was called in and the strike

renewed.

Public Transport on Monday told workers that routes 15, 18 and 28 had been cancelled. Nutley Public Affairs Commissioner Carmen Orechio learned of the report and called Public Transport direct. "They told me the discontinuance is only temporary, until they can get their rolling stock in operation," Orechio said. At Big Tree, however, union workers say Public Transport has no intention of reinstituting vice

on the three disputed lines.

"They'll be putting in an application to the PUC for a hearing. It's just a formality," one union leader said.

Nutley Commissioners during the past year ironically supported a subsidy to keep the Newark City Subway line in operation. The Subway links Franklin Avenue at the Belleville line with Newark's Pennsylvania Railroad Station. Without the 15 bus link to Nutley, local residents would have no public

access to the subway line.

Service on the 15 line had

deteriorated noticeably in recent years.

How to knock on the wrong door for a Realtor.

It's easy, if you don't know how to recognize a Realtor in the first place.

He has a sign—the Realtor seal. Just like the one we've illustrated for you in this advertisement.

It's the way to know that there's an expert behind the door. Not just anyone in real estate—but someone who is pledged to a strict code of ethics. Someone who'll look after your best interests.

So if you want to open a Realtor's door, look for the seal before you knock. Only a Realtor has it.

News

Cindermen Get Orange Juice

Belleville's track team lost to the Orange high school team last Tuesday, 69-48, at Municipal Stadium in Belleville. Head Coach Ray Hanneke was quite disappointed with the loss due to the poor times and distances.

Orange has not been beaten by the Bellboys in several years. Last year the Tornado squad beat Belleville by only five points.

In the high hurdles, Orange's senior Harold Shaver took first place. Second and third places were taken by Belleville seniors David Kowalski and Tony Portuese, respectively. Portuese, who has been unable to practice the last two weeks, will be improving in future meets.

The 100-yard dash was won by sophomore Jones from Orange. Second place was taken by another Orange sophomore. Third place was taken by sophomore Bob Cozzarelli of Belleville. Cozzarelli's time was 11.4 seconds. He seems to be getting quicker all the time.

Both first and second places of the mile run were taken by Orange trackmen Wall and Riley. Third place was taken by Belleville junior Chucky Hill in 5:32. Rocco Cuozzo, who is Belleville's best miler did not run in the race.

First place in the two mile (Continued on Page 14)

Kearny Blanks Bellboy Nine

By Tony Colabrese

The Belleville Varsity Baseball Team's record dropped to 6-4 last Friday afternoon, as they were shutout by the Kearny Cardinals by a score of 30 in a game played in Belleville. The shutout was the second one pitched against Belleville in less than a week.

Kearny's junior right-hander Bob Ostrum, also held the Bellboys to only four hits. Ostrum struck out five, and walked five in hurling a complete game victory. The victory was Ostrum's fourth of the season against one setback.

Gary Soldo hurled for Belleville, and he only gave up six hits while striking out three and walking four. However, three of those six hits came in the fourth inning and that was when Kearny scored the only three runs of the game. Ralph Landi led things off with a walk. Bob Stanley then singled to right field putting runners at first and third. Dave Malechsky then attempted a suicide squeeze bunt, and bunted the ball so perfectly that he beat the play out for a basehit. This play scored Landi with the

VARSITY OARSMEN power Nutley on the Passaic River. Undefeated varsity shell consists of cox Fred Arena, captain

Angelo Sanzaro, Gary Haight, Alan DeMasi, Joe Covey, Craig Davis, Jim LaConte, Henri DeFrance and

Mike Olivieri. Performers travel to Poughkeepsie Regatta on Hudson River this Saturday.

Oarsmen Still Undefeated

Mid-Hudson Regatta Next Test After Sweeping Rival Maroon

Three divisions of Belleville's crew teams remain undefeated this week. Heading the list of the unbeaten is the varsity shell, which has posted a 5-0 mark. Since dual meet competition ended for the season Saturday when the

Boat competition. Other neighboring communities sending representatives to that regatta will be Nutley and Kearny.

Boat competition. Other neighboring communities sending representatives to that regatta will be Nutley and Kearny.

FRESHMAN CREW, seen winning race with Nutley, has Bill Smith as cox, followed by Ted Periah, Frank Stephanelli, Frank

While the local varsity won by five seconds with an excellent 5:35 time, the jayvees squad even bettered that mark by defeating their Raider rival by 17 seconds in a good 5:39 time for the one mile course. The freshmen too managed to remain undefeated by clobbering the Nutley frosh by nine seconds.

It was especially proud of our jayvee boat," remarked head coach Sam Giuffrida. "We expected our toughest race on the jayvee level and they won by the largest margin."

It was especially proud of our jayvee boat," remarked head coach Sam Giuffrida. "We expected our toughest race on the jayvee level and they won by the largest margin."

Duffers Add Two More Wins To Boost Excellent 6-2 Mark

Belleville's golf team has added two more victories to their record over the past week. Last Monday Belleville crushed Kearny High School, 14 to 4, at Green Meadow Country Club, meeting them for the first time. On Friday, the local squad hosted Irvington High School at Forest Hills,

beating them 15 to 3. This was the second match against the Camper team, being defeated by Belleville both times.

The Maroon Raiders will travel to Forest Hills Country Club, where the local golf team will host them, tomorrow. This will be the second match between the

two arch rival schools. In the first clash of the bordering towns, Belleville won 14 to four. According to Dominick Palamara, number three shooter, they will dump the Maroon again.

Boasting their six and two record is head coach Michael Salzarolo and team mates. Number three

shooter, Dominick Palamara, attentively brought it to my attention that it is one of the best records any varsity sport at Belleville High has had.

Coach Salzarolo's early team predictions are steadily coming true for the team

(Continued on Page 14)

Bengals Offset Belleville Track Talent

Thinclads Host Campers In Stadium Meet Today

By Robert Luongo

Belleville's track team was beaten by Bloomfield High School, last Monday, 74 to 48 at Foley Field. Thursday's meet against East Side was rained out, but a rain date is supposed to be made so the meet will take place next week sometime.

Today the cindermen host Irvington High School at Municipal Stadium. Belleville beat the Campers last year, but this year's squad is much tougher.

Last Saturday, Belleville High participated in the Big Ten Relays at Woodmen Field in Montclair. Two runners, throwers, and jumpers represented the local school at the Ten school meet. The only two events that were not entered were the pole vault and the long jump. At the relays, the competition is tough and the times are very fast. Although only one Belleville performer placed, the experience is very beneficial. Senior standout, Michael Petronacci took a fourth in the quarter mile run. Petronacci, on top of placing fourth, tied the second record with his scintillating run. Running the event in 51.2 seconds, "Pet" tied the old record which was set seven years ago.

only leads the team in first places but also holds first in season total points. Second place was taken by Tony Portuese, who did not run a real fast time, however, it was good enough for second. Third place was taken by Al Westerfield of the Bengal squad.

In the 100 yard dash, Bloomfield's Greg Armas took first with a 11 second run. Once again, second and third places were taken by reliable Belleville speedsters Bob Cozzarelli and Greg Quisagano. This is the fourth meet this season that the two Belleville road runners have taken second and third. Next year, they should be taking first and second at every race.

First and second places in the mile run were taken by the powerful Bengal distance men. The time of the first place run was 4:41. Third place was taken by Belleville's Steve Dyba. Dyba, only a sophomore has placed in three dual meets this season and he shows great promise for future seasons.

In the two mile run, Bengal runners once again, took the advantage. First and second were taken by Giordino and Merulo of the Bloomfield team. Third place was taken by Mike Spillane of the Belleville team. Spillane is another potential sophomore that has placed in

LEADING THE TRACK team in first place finishes and total points for the season is (right) "Killer" Don Kowalski who is seen copping second honors against Nutley's Larry Rose in low hurdle event.

OUTSTANDING BELLBOY in the 440 dash, Mike Petronacci finished strong four at the Big Ten Conference quarter mile run last Saturday afternoon.

(Continued on Page 14)

See 74-48 Total

Bloomfield Overcomes As Tracksters Bow

(Continued from Page 13)

In the 440 yard dash or quarter mile run, Belleville stalwart Michael Petronaci took first with a 52.3 second run. Petronaci has only lost one dual meet race this year, quite an outstanding feat. As previously mentioned in the article, "Pet" tied the school record with 51.2 second run at the Big Ten Relays. Second place was taken by Bloomfield's Davis. Third was taken by Belleville's senior Robert Drake.

Bloomfield's Greg Armas took first in the 220 yard dash. Second and third places were taken by junior gazelle Greg Altalagano and senior stand-out John O'Donnell. O'Donnell ran the race in 25.7 seconds which is his best season time. The low hurdles were taken by Don Kovalski.

This was his second meet first. Second place was captured by senior Bengal Boone. Last place was taken by senior Tony Portuese.

In the half mile event, Bengal strider Pete Mottugh took first with a two minute eight second run. Second place was taken by sophomore stand-out Steve Badrick. Badrick is the most promising of all the sophomore striders, placing in almost every meet this season. Third place was taken by Bloomfield distance man, Ozzasini.

In the field events, performances were quite grim. In the shot put, the Bengal throwers were too powerful, for they took all three places.

In the discus, sophomore Tom Sanders took first with an outstanding throw of 124 feet. This is Sanders' best and is only nine feet from the sophomore record. Second place was taken by Bengal

thrower Sam Carollo. Tod Tripuca of Bloomfield took third.

In the pole vault, Belleville's silent superstar, Davey "Pooh" Pepe took first for the Bellboys with a ten foot jump. Second and third places were taken by Bengal vaulters Skinner and Jones, respectively.

In the high jump, first place was taken by Bloomfield's Sinnenberg. Second place was taken by Belleville's Robert Drake with a jump of five foot three inches. Drake, is one of the best all around performers the squad has. He competes in three events and has the capabilities of performing in more. Third place was taken by Belleville's John O'Donnell.

The broad jump, first place was taken by Bengal cinderman Ed Young with a 19 feet two inch jump. Second place

was taken by Dave Skinner of Bloomfield. Third was taken by Tony Portuese with an 18 feet four inch jump. This was Portuese's third meet where he took a third.

During this meet, another event was added, the mile relay. In this race, four boys' run a quarter each. The point distribution for this event is just five points for the winners. Bloomfield took the event capturing the final points for their victory.

BELLEVILLE JAYVEE crew team, undefeated this season, is seen background already ahead of rival Nutley only seconds after start of race Saturday. Boat has cox Steve Donovan, with Dan Dominguez, Brian Bedford, Ed O'Connell, Joe Cera mi, Tom Spooner, Anthony Billon, Charles Mallot and Russ Vocaturo.

Golfers Now Preparing For Arch-Rival Nutley Tomorrow At Forest Hills Club

(Continued from Page 13)

has a terrific chance to play in the states. With six victories under

his belt the coach feels he can replace some of the steady shooters with inexperienced sophomores and juniors. He weighs all the golfers equally trying to give them a fair hand so he devised a rotation system for the next four or five matches. Fifth or sixth position each match will be replaced by a green shooter, giving him a chance to earn a letter and also to get future experience.

Against Kearny, season point leader, Larry DiMiro shut out his opponent, three to nothing. Larry, only a junior, has been doing a terrific job and looks forward to the rest of the season. Later that week, against Irvington, he held his opponent to a scoreless match, three to nothing. This is Larry's fifth season shut out, a phenomenal feat for most shooters.

Dominick Palamara, another senior stand-out shot at the number two spot against Kearny. Palamara's opponent was undefeated un-

til Dominick shut him out. Against Irvington he shot at the number three spot again fighting his opponent to a shut out victory. Palamara is second in season total points.

Shooting only against Irvington is female shooter, Cindy Ferro-Cindy shut out her Camper opponent three to nothing. Cindy has shut out three of the four opponents that she has faced.

At the number four spot is junior Neil Simeone. Simeone, has been labeled "Old Reliable" from last year. Neil, who was the sophomore of the squad last year, never fails to capture points. Even when the pressure is on he always comes thru. Against Kearny, one poor shot cost him one point, therefore, he only captured two points. Later in the week, against his Camper opponent, he contributed three points to the victorious Belleville score. Simeone was one of the five shooters to shut out their Irvington

shooters. Richard "Weasel" Villano, shot at the number five spot against Kearny. Villano captured three points during his opponent to a scoreless match. Senior Jesse Damato scored two points against Kearny last Monday. Jesse, has contributed enough

points to earn his letter this year. Sophomore Mike Monagas, making his debut against Kearny scored one point. This point marks the beginning of his competitive career.

Beck's Column

Did you know that the viewing public spends over one billion dollars yearly for its favorite pastime, television? This fantastic development which took place in about 25 years. The beginning of it came at the N.Y. World fair in 1939. The war brought an interruption of course. According to a recent survey, TV sets outnumber telephones, refrigerators, and automobiles which do not have these other facilities, obviously.

You know, of course, that TV is called the "boob tube" or America's favorite "public tranquilizer." That much is clear, it is by far the biggest means of entertainment. It also is the most complicated piece of technical equipment in the hands of the public. It is hardly believable that we are on the verge of a major change, cable TV, which is expected to gradually almost replace the present over-the-air system. More and more houses every day are being wired in on cable TV. For most of which reception is greatly improved. Sooner or later the cable TV stations will also supply their own programs. This development will be fought by the existing TV stations with all means at their disposal. It will be a fight for the light. This won't come today or tomorrow, but the fight is on already for several years.

We service what we sell. Beck's Radio TV HiFi. Nutley 667-4225

Our Cindermen Juiced By Orange High School

(Continued from Page 13)

run was taken by Orange senior Wise. Second place was taken by sophomore Robert Spillane of Belleville. Spillane, who is a good long runner, holds mold for a very profitable future for the team. Third place was taken by Orange.

In the 440, Orange's Britt

took first with a 52.9 run. Senior star Mike Petronaci took second. Petronaci, who is Belleville's best long sprinter, ran the race in 53.2. Third place was taken by Orange's Steve Hammond.

Senior Star Donald Kovalski took first place in the low hurdles. Kovalski, who is leading the team in season

firsts ran the hurdles in 17.9 seconds. Second place was taken by Jesse Shaver of Orange. Third place by another Orange trackman.

In the half mile, Orange's star Parker took first place. Steve Badrick, Belleville's outstanding sophomore took second by about ten feet. Third place was taken by an Orange runner.

In the field events, Coach Jay Gavitt's field men swept in one of the five events. Belleville competed against Orange with the absence of the leading discus and shot putter, Robert Luongo.

First place in the shot put was taken by Tomado thrower, George Milton with a throw of 45 feet one inch. Second place was taken by Belleville's Michael Greenfield. Third was taken by Orange senior Robertson.

In the discus, Belleville's sophomore Tom Sanders took first place with 114 foot throw. Sanders possesses great potential talent in the disc and hopes soon to become the number one thrower. George Milton of Orange took second and third place was taken by John Fagoli. Fagoli, since last year, has improved greatly in this event.

Our advice to you this week is to take care of your heart, and live a while longer.

Malifitano, Centanni Combine For A Victory

Behind a fine combined pitching performance by Mario Malifitano and Rich Centanni, and some timely hitting, the Belleville Varsity Baseball Team was able to win their third straight game without a loss as they defeated their archrival the Nutley Maroon Raiders by a score of 7-1 in a game played in Belleville last Wednesday afternoon. Both Malifitano and Centanni allowed only two hits each to the Nutley batters, and the two young hurlers also combined to strangle 13 Nutley batsmen. Malifitano started and went four innings in which he struck out six and walked only one. Centanni in his three-inning relief stint picked up his first win of the season as he struck out seven and walked

two. In addition he scored the winning run in the fifth inning of the ballgame.

For the first three innings Malifitano and Nutley hurler Ed Medillo matched serves as each one allowed only one hit and stymied the opposing batsmen. However, in the top of the fourth inning Nutley

broke into the scoring column against Malifitano. With one out Don Kiwor singled to right center field. Kiwor then proceeded to steal second base, and later on he moved over to third on a wild pitch.

Al Alfano followed all this action by drawing Malifitano's only walk of the day.

Al Donatiello followed by bouncing a ball down to Alan Frank at third base. Frank was able to get the force play on Alfano at second, however on the play Kiwor was able to score and Nutley led 1-0. They did not have the lead for long. In the bottom of the fourth the Bellboys were able

to tie it after two were out. Frank Papasidero got things going by beating out an infield hit. Phil Cuzzi followed with a perfect hit and run single putting runners on in the third. Gerard Mongrella then hit Medillo's next serve into left field for a base hit and the game was tied at one

apiece. After Centanni struck out the side in the top of the fifth inning the Bellboys then went on to score the winning run in the bottom of the fifth. With one down Centanni singled to left field. Joe Ross then put runners on first and second with a hit to left. Then while

pitching to Alan Frank, Medillo committed a balk, thusly moving both runners up a base. Frank then proceeded to hit a fly ball to left field. Kiwor, the leftfielder made a fine play on the ball, however, Centanni tagged up and scored after the catch and

Belleville was in front to stay. From there on it was easy, although Nutley was able to muster a threat in the seventh when Steve Ogden singled and Frank Bogotay walked. However, Centanni struckout Medillo for the last out of the game and thus Belleville had beaten the archrival.

Varsity Defeats Mounties

By beating the Montclair Mounties 8-1 last Friday afternoon, the Belleville Bellboy baseball team took over undisputed possession of first place in the Big Ten Conference. Belleville now owns a 4-0 record, and is one full game ahead of defending Big Ten champion Columbia, and also one game ahead of a spirited Keamy club who until last Friday's loss to Irvington had been tied for first with Belleville.

The Montclair game was the first "laugh" of the year for the Bellboys as they scored their eight runs on eleven hits, one of which was the first Bellboy homerun of the season, a fourth inning blast by rightfielder Joe Ross. On the mound Coach Charlie Travers was able to give four members of his talented pitching staff some work, and the four responded to hold the Mounties to only four hits.

Montclair did lead once in this game, as they scored their run in the very first inning. The Mounties' Steve Kucinski lined a Gary Solido pitch between the outfielders in right center and while the ball kept on rolling in the outfield, Ruccio was making his way around the bases with a homerun. Despite this blow through, Solido pitched well in his three innings of work, striking out 5, giving up two hits and walking nobody. Mario Malifitano, who was credited with the win pitched a fine fourth inning allowing only one hit in the inning.

Malifitano was aided by an outstanding diving catch by leftfielder Ron Borgo, who robbed Ruccio of an extra base hit in the inning. Rich Centanni pitched the fifth inning, ran into a few control problems, but retired the Mounties without a run or a hit. All-County performer Frank Petre hurled the final two innings, and he picked up a save giving up an infield hit while striking out three Mounties.

Montclair pitcher Dave Orr was able to hold the Bellboys hitless over the first two innings. However, Belleville was able to register four tallies in the third inning, taking over complete control of the game. Consecutive singles by Alan Frank, Petite, and Eric Papisidero proved the tying run. Phil Cuzzi then loaded the bases by laying down a perfect bunt single. Gerard Mongrella then drove in what proved to be the winning run with a sacrifice fly to left field.

An ensuing overthrow after Mongrella's sacrifice fly, scored Papasidero with the third run of the inning. Rich Giordano singled to center scoring Cuzzi, and the Bellboys ended the inning leading 4-1.

Ross then scored the fifth Bellboy run of the day in the next inning when he tied a solid pop over the head of Mountie centerfielder Terry Burns' head for his homerun. The Bellboys made it 7-1 in the fifth when Papasidero singled, Cuzzi walked, Giordano doubled home a run, and Malifitano scored one with an infield single. The final run came across in the seventh, when Giordano scored on a wild pitch.

The truth is often less sensational than rumor or gossip and the latter seems preferred.

Crew Will Travel To Poughkeepsie

(Continued from Page 13)
seat lead. The Belleville oarsmen made their big move in the second half and stretched the distance to five seconds

by the finish line. This weekend Belleville will have a full day of racing at the Poughkeepsie Regatta. Defending champion Holy

Spirit of Atlantic City will be back and along with Roosevelt, those two teams will be the ones Belleville has to beat. Belleville will race in

the preliminary rounds in the morning. The local squad will race again in the final round in the afternoon, if they make it.

Wednesday's scheduled tri-race with Roosevelt and Arlington was postponed due to fog conditions on the Hudson River. According to Giffirda, the Belleville squad traveled the 75 miles to

Poughkeepsie only to have fog drift onto the racing course, cancelling the competition. But Belleville will meet those two schools Saturday in the regatta.

DISCUSSING PRE-RACE strategy with varsity crew captain Angelo Sanzaro prior to meet with Nutley Saturday on Passaic River is head coach Sam Giffirda.

RECEIVING GOOD LUCK shake prior to important race against Nutley Saturday on the Passaic River is varsity oarsman Gary Haight, who, along with other crew members, defeated Maroon.

One might call this the era of the investigation.

Pharmacy Footnotes

Vincent Cozzarelli
Reg. Ph.

Any arthritic or rheumatic victim should not hesitate to consult with his family doctor immediately. If he is conscientious about doing this, chances are that the type and sign of the disease can be determined quickly and the proper treatment prescribed. Hospitalization is sometimes recommended for the sufferer as the best place for him to rest. He can also recommend many places in the United States where the best possible care can be given to the patient at a relatively low cost. If you are one of these sufferers, don't delay—see your doctor soon!

If you have a prescription to be filled, don't delay—see us today. ROSSMORE PHARMACY, 338 Washington Ave., 750-1968, 750-1976. Medicare and Blue Cross Approved. For Mother's Day, May 14 we have a complete stock of Cosmetics, Times, Watches, Transistor Radios, Cameras and other gifts. Open Daily 9 AM - 10 PM, Sundays 9 AM - 9 PM.

HELPFUL HINT:
The Arthritis and Rheumatism Foundation will supply on request lists of clinics and doctors who are specialists in rheumatic diseases.

MINIATURE BELLEVILLE, complete with Town Hall, Post Office and fire house, was constructed by a third grade class at School No. 7. Children received new learning concept with project.

At School 7

Pupils Build Mini Town

"Building A Community" a social studies project started about a month ago in Belleville School Seven with the third grade students in Mrs. A. Immediata's class, saw a new learning concept.

Children drew blueprints of the town with its clean and winding streets, homes and buildings. The Town Hall, newspaper office, parks, fire station, High School, library,

banks, School Seven, stadium, churches, Post Office, gas station, reservoir and Clara Maass Hospital were constructed. Planes, clouds and a sun hung above the town supported by a thin plastic string. Various things were brought in by the children to add to the realism, such as cars, trucks, telephone poles and tiny dolls for people.

The building of this community was a learning experience in many ways. They were able to see and construct what they were actually studying about. The children became more aware of the division and planning which have to be studied to create a livable community.

Individuals are often generous in big things and stingy in little ways, and vice versa.

Golden Certificate Received

DeWitt Savings, Loan Official Honored At Annual Convention

Ten Essex County savings and loan officials were honored during the 63rd annual convention of the New Jersey Savings League held in Hadron Hall Hotel.

Six received a silver certificate attesting to the completion of 25 years of service to the savings and loan business, and four received golden 50-year anniversary certificates. They were presented by Warren Hill, of Scotch Plains, president of the state trade organization.

The golden anniversary certificate recipients included Harry Grifflinger, attorney, DeWitt Savings and Loan Association, Belleville.

In announcing the awards, Hill noted that this is a record of which each can be proud. "It is people like those who have played a major role in the prosperity and growth of their community, Essex County and the state," Hill continued. "They have given unselishly of their time and energies, their knowledge and

business ability in the service of the people of their home communities who utilize the facilities of their respective associations."

The inscription of the cer-

tificate, Hill said, will read: hereby bestowed in appreciation of their unselfish devotion to the service of others.

Talent Show Participation For Taylor

Keith Taylor, 235 Nutley Avenue, Nutley, was among 36 Aurora (Ill.) College students participating in 1972 "Freshman Follies" Feb. 18.

Taylor is the son of Mr. and Mrs. Allen R. Taylor. He enrolled at Aurora last fall after graduation from Nutley High School.

Freshman follies is an annual talent show written and produced by Aurora frosh. The two-hour February program drew about 200 fellow students, staff and friends who soundly applauded the freshman talent at the show's conclusion.

Aurora is an accredited four-year senior college of liberal arts located 40 miles west of Chicago. The co-educational college has been affiliated with the Advent Christian Church since it was founded by the denomination in 1893.

State Symphony Will Kick Off 50th Year

The New Jersey Symphony Orchestra will kick off its 50th anniversary year on June 18 with its gala benefit concert at the Garden State Arts Center in Holmdel.

The orchestra, now under the music direction of Henry Lewis, made its debut in 1922 as a string orchestra and added wind instruments two years later.

The benefit concert will star the Metropolitan Opera divas Joan Sutherland and Marilyn Horne in selections from bel canto operas by Bellini and Rossini.

Lewis will share the podium with Richard Bonyng. The concert, which will start at 9 p.m., is being presented in addition to the four previously announced series concerts scheduled by the orchestra June 14, 17, 21 and 23.

Highlights of the orchestra's growth during the last half-century have been its merger in 1928 with the Haydn Orchestra, its tradition of offering famous guest artists, started the same year, and its emphasis on programming concerts for students, begun during the 1940's.

Its initial conductor was Philip James, who was succeeded in 1929 by Rene Pollain. Frieder Weissman held the post from 1939 to 1948, when Samuel Antek was appointed as music director. Upon Antek's death in 1958, a series of trial conductors were engaged until the appointment of Kenneth Schermerhorn in 1962. Lewis succeeded him in 1968.

College Offers Program On Computer Diagnosis

A look into the future of modern medicine will be presented at Newark College of Engineering late in May when NCE, in conjunction with three other agencies, presents a one-day symposium on "Computer-Aided Medical Diagnosis."

The program will be held at the NCE's College Center, 150 Bleeker St., Newark, on Wednesday, May 31, beginning at 9 a.m.

Cooperating sponsors include NCE's Division of Continuing Engineering Studies, the New Technical & Scientific Activities committee of the Institute of Electrical and Electronics Engineers (New York section), the Medical Society of New Jersey, and the College of Medicine & Dentistry of New Jersey at Newark, department of surgery, division of neurosurgery.

Occasionally one learns that it's much smarter not to talk so much.
