

RECEIVING DIPLOMA in special ceremony last week is Craig Fabian, handicapped Belleville teen. School Board member Caesar Romano presented diploma during BHS commencement last week. Craig will be honored Tuesday, July 4, on his 18th birthday in Municipal Stadium.

Special Field Events Too

Circus, Fireworks, Birthday Party Mark Independence Day

Independence Day festivities this Tuesday will be highlighted by the lighting of thousands of candles at a special Municipal Stadium program celebrating Craig

Fabian's 18th birthday. The Recreation Department has also scheduled a full slate of activity including field races, a circus and a fireworks display.

The July 4 celebration will begin 9 o'clock Tuesday morning with field events for both boys and girls at Municipal Stadium. The traditional field day at the Stadium will see the Recreation Department, headed by Commissioner Michael Marotti, sponsor special running and jumping events for youngsters.

Events will be broken down into the Junior Division, for youngsters six through 10 years of age, and the Senior Division, for both boys and girls aged 11 through 14. Events will include the 50-yard dash, the 100-yard dash, the sack race, the obstacle

race and the three-legged race. In addition, there will be an unlimited class boys' o-war contest and girls' relay.

Town Spared Storm Damage

Tropical storm Agnes, which turned the northeastern U.S. into a giant mudhole in the worst flooding in its history, seems to have spared Belleville and other area communities. Mrs. Mary Senatore, director of Public Works, believes the town is in good shape, considering the heavy rains of the past week.

"We should consider ourselves very, very fortunate that we were spared the flooding that hit other sections of the northeastern U.S.," she said. "Other than minor problems encountered last week, Belleville's streets and homes are in excellent shape."

Commissioner Senatore said that although heavy winds last week brought tree branches, careening into streets here, problems due to the storm were minor. Some sewer basins were reported overflowing last Thursday, but according to the Commissioner, that problem was quickly cleared up by her Public Works employees.

It will take some time to clear up all the branches from the streets, adds the Com-

missioner, but she has crews on the roads already tending to that task. Heavy rains brought heaps of debris to Belleville streets and Mrs.

Form Ad Hoc Committee To Assist Administrators

The formulation of an ad hoc committee to assist school administrators in preparing their respective portions of the budget was approved by the Board of Education Monday night. School Board member Caesar Romano will head the three-member committee.

The new committee, first of its kind here, will seek to remove much of the red tape administrators now encounter when submitting their yearly requests for funds or aid to the Board of Education. According to Romano, he will recommend next week the other two members of the committee, although the Board itself has the ultimate decision of choosing committee members.

The ad hoc committee, which was established in a fact finding capacity, will present a complete, precise, detailed account of how administrators should go about requesting items and how those items should be implemented in the budget. The committee, however, only has the power to recommend to the board its findings. The board then will take the appropriate action, hopefully, upon the committee's recommendations.

Romano stated that current forms used by administrators in their budget requests are inadequate, antiquated and too involved. Romano added that he would like to see the forms simplified.

"The forms they use now

are too long. They have to be rewritten at each level, creating more work. We will be trying to implement a new form that can be used at each level," he said.

Ultimately, Romano hopes that a more efficient system will be introduced in submitting budget items. Hopefully, the committee will become operative next week. They must submit their guidelines to the board by September 30.

Cites Clash in Personalities

School Board Denies Greco, Rosamilia Annual Pay Boost

By John J. Bunevich

Belleville's two highest paid school administrators received a sudden shock Monday night when the Board of Education unanimously voted to deny the two their annual pay boosts. The salaries of both superintendent and assistant superintendent Michael Rosamilia were temporarily frozen at last year's level pending action by the School Board July 6.

The surprising and dramatic move by the School Board was seen by the majority of its members as a temporary condition. Board vice president Matthew Pica, who presided over Monday's meeting in the absence of President Richard Mahmarian, said the board will come up with its final decision July 6.

Greco now receives \$28,000 per year and was requesting an increase to \$29,624 while Rosamilia, who is covered under a contract drawn up by

school administrators and signed by the Board of Education, was to receive a \$1,320 boost from \$24,780 to \$26,100. Rosamilia's increment is figured under a basic ratio-point system, the same as other administrators, but Greco reportedly figures his own level of pay, then submits it to the Board.

Board of Education member Caesar Romano initiated the proposed freeze when he asked for an amendment to the resolution reappointing administrators, secretaries and other personnel at the salaries indicated for the 1972-73 and the 1973-74 school year. Romano, in addition to requesting the freeze on Greco's and Rosamilia's salary, asked that the name of Thomas Gryczka, principal at School No. 8, be deleted from the list of appointments.

School Board members James Risoli and Lawrence Schwartz had already voted to approve Romano's original

amendment when Mrs. Norma McCool, late in arriving at the meeting, walked into the Board chambers in the middle of voting. Because Mrs. McCool was apprised of the situation at hand, the amendment and the resolution was tabled. After caucusing for almost an hour, the Board reappeared and unanimously voted to freeze the two salaries but reinstated Gryczka's name to the payroll.

Gryczka, an employee of the Belleville School System for 47 years, has been principal of School No. 8 for the last 12 years. According to Greco, the 67-year-old administrator will retire next year.

"Mr. Gryczka has been employed here 47 years and has done nothing to have that term with us terminated," said Greco, obviously defending Gryczka from the Board's original move to reconsider his position.

Greco too, was noticeably upset by the Board's resolution to freeze his salary, although he believes the action is only temporary until a new job description for the superintendent of schools could be ironed out. Rosamilia, on the other hand, was more composed when asked his reaction Tuesday afternoon. Rosamilia explained that he had already met with the Board on new job descriptions for his position and stated that he was satisfied with the conference.

"With the new job descrip-

tion, we have specific responsibilities set up for me. The one I am now operating under is archaic and was probably written at a time when they were having difficulty with the superintendent," said Rosamilia. "I had an idea that they were considering holding up our increments."

Greco, however, said the move by the Board caught him completely by surprise.

Greco, Tuesday afternoon, gave his reaction to the freeze.

"Frankly, it's unfortunate that the Board handles their personnel that way. Personnel are never discussed at a public meeting but I guess that's the way Mr. Romano operates. I think it's in bad taste. It's like a bull in a china shop," Greco further remarked.

The freeze enacted by the Board seemed to tie in with an

underlying conflict between the superintendent and his assistant. Several School Board members remarked that they voted for the freeze on pay only for the sake of developing better communications between the two top administrators.

Romano said that the move was "a stop-gap measure to bring us a step forward in

Mrs. Senatore Nixes 2 Laterza Ordinances

Two Robert Laterza sponsored ordinances failed to be adopted by the Belleville Commission Tuesday night and in both instances Mrs. Mary Senatore was instrumental in throwing a monkey wrench into plans.

A bill to require Town employees to live in Belleville was tabled for further consideration while a measure asking for \$18,500 from the capital improvement fund was defeated because it didn't garner the necessary four votes. Commissioner Laterza though, said he plans to reintroduce the two ordinances at the next meeting.

When the residency ordinance came up for final vote Tuesday Mrs. Senatore asked that the bill be tabled for further study to see if an amendment could be added giving

police or firemen living in Town an added reward for residing here. The state legislature recently passed a law allowing police and firemen to live out-of-town but Mrs. Senatore believes rewarding officers in some way wouldn't keep them as residents. The bill, according to Laterza,

was designed to give local people preference in obtaining Town-Hall jobs.

Commissioner Senatore also abstained from voting for monies to purchase a new ambulance, charging Laterza didn't thoroughly explore avenues to obtain state or federal funds to buy the vehicle.

Gasoline Leak No Danger Yet

Department of Public Works employees and members of the Belleville Fire Department are assisting Nutley authorities this week in attempting to locate a gasoline leak mixing with sewer water in pipes under the Nutley-Belleville line.

Police Captains August Negro and Donald Casciano visited with Commissioner Mary Senatore earlier this week to see if her men in the Public Works Department could help locate the source of the leak. Belleville firemen were also at the Franklin Avenue scene this week with a metering device to detect any explosive materials in the sewers under that street. Belleville Public Works men were helping with digging operations.

Nutley police authorities were cautious this week in praising the situation and said there was no immediate danger to homes in the area. Mrs. Senatore assured residents that no Belleville homes were in danger. Heavy storms last week saw a rise in the water table in the Franklin Avenue sewer system and some officials believe this has something to do with the gasoline being mixed in the sewers. To date, authorities have not pinpointed the source of the leaking gasoline.

Last September a number of Nutley homes had to be evacuated when a small explosion rocked the area. The explosion was attributed to the gasoline leakage.

"We are working on the problem in full cooperation with Nutley," said Mrs. Senatore. "But until the leak is located, the problem is not our responsibility."

Introduce New Ordinance Regulating Pathmark Hours

Belleville Commissioners Tuesday night unanimously passed on first reading an ordinance regulating the opening of retail stores. The measure will come up July 11 for final reading and a public hearing.

The ordinance, in its present form, governs only retail stores and businesses selling food and non-alcoholic beverages. According to the bill, any licensed restaurant or bar is exempt from the proposal. The bill calls for an 11 p.m. closing and a 5 a.m. opening for food stores.

The resolution was introduced by Commissioner Robert Laterza, director of Public

Safety, who believes keeping food stores open all night is both dangerous and hazardous to residents. An informal poll shows that the majority of Commissioners are 100 per cent behind the proposal.

The ordinance was necessitated when the Pathmark Food chain, with a store in the Silver Lake section of Town, decided to adopt an all-night policy, keeping all their stores open 24 hours per day. Belleville Commissioners immediately voiced their displeasure with that idea and decided to limit the hours the Belleville store is allowed to remain open.

THE BELLEVILLE BRIDGE across the Passaic River into Kearny was closed for repairs beginning last week, detouring traffic onto Nutley's Park Avenue Bridge. Belleville Bridge will be

closed 40 days and so far the closing has caused traffic delays along River Road and across the Park Avenue Bridge.

DeWitt Gears For 30th Anniversary Celebration

Robert M. Williams, president of DeWitt Savings, has announced that the Association will be celebrating its 30th Anniversary starting June 30 and will continue with a gala observance of the event throughout the month of July.

In taking note of the occasion, Williams pointed out that DeWitt has grown from less than one million dollars in assets in 1942, its first year of business operations, to an asset figure in excess of \$50-million dollars with the close of business on June 30 of this year, a growth factor of over

5000 per cent.

Williams noted also that in retrospect it would be hard now to picture conditions in 1942 when DeWitt started. This Country, still stunned by Pearl Harbor, waged total war against formidable world powers. Many expected total defeat.

Many more didn't - among them the DeWitt founders, who decided to face the future by building for it - DeWitt established for Belleville citizens, as it provides now, a source for mortgage loans based on a realistic repayment plan, and a savings program

offering security and substantial earnings.

"Today," Williams said, "our members who came with us then have been repaid many times over. Today we can offer savings plans with interest unsurpassed in the State. Today, throughout Belleville, you can see the results of investments made through us by you or your neighbors."

"Tomorrow, looking into the future despite its problems, officers and Directors of DeWitt are far less uncertain

Top Administrators Denied Salary Hike

(Continued from Page 1)
communicating with the two administrators' positions while Schwartz said he was "dissatisfied because the two haven't been working together."

"I want to strengthen the administrators' positions through the creation of their new job classifications," Schwartz added.

Board member Risoli echoed those thoughts by saying he thought the freeze should be temporary until classifications could be adopted to bridge any division between the two. Risoli believed the best way to do that was by freezing their salaries.

Although Romano said he

was pleased with the adoption of his amendment, he hopes the freeze will be permanent. He indicated that there is friction between the two personalities and that may be hindering their responsibility to the School System.

"They are both capable people," added Romano. "But we would like to see the pair operate harmoniously."

Romano too would like the salary freeze to remain after the July 6 deadline, though he would not speculate how the Board will vote on this.

"I can't see Belleville being able to pay more than \$28,000 for a chief administrator. That's quite a handsome figure. We're being taxed over what we can comfortably afford now. Sooner or later we're going to have to hold on

these salary increases," Romano stated.

Board president Muhmari and School Board member G. Fred Burlazzi missed the meeting. Both men were reported to be on vacation at the time of the Monday meeting.

In other business, the Board ratified contracts with secretarial and school office personnel and agreed to a one-year pact with custodians. The janitors will reportedly receive a 5.7 per cent increase while secretaries were held to the 5.5 per cent guideline set by President Nixon's Phase II of the Wage-Price freeze adopted late last year.

Two Belleville Men Convicted On Drug Charges In Nutley

Two Belleville youths were convicted in Nutley Municipal Court June 14 of being under the influence of narcotics. Judge Edwin J.C. Joerg placed one on probation and sent the other to the Essex County Corrections Center.

A third man did not appear and is being sought by police.

James B. Hooker, 22, of 82 Roosevelt Avenue in Belleville was placed on two-year probation and received a six-month suspended jail sentence.

William L. Jarvis, Jr., 19, of 20 Bayard Street in Belleville, received a sentence of three months in the Essex County Correction Center.

They were arrested May 11 at 7:05 p.m. by Detective Al Ciccone and Patrolman Anthony Intile when they were

seen throwing stones at squirrels near the corner of Park Drive and Centre Street.

Ciccone knew one to have a

Senator reports that she will concentrate more time on street cleaning efforts.

"One of the reasons we may have been so fortunate in Belleville is because my men have been dragging the sewer lines recently," she speculated.

The dragging cleans out the lines, makes the

water flow more swiftly and smoothly."

The Commissioner said too that the widening of the bend in the Second River near Fairway Avenue averted flood conditions in that area. Last summer Fairway Avenue residents were hit the hardest from summer storms but according to Mrs. Senator, last week's heavy rains didn't do nearly as much damage as last summer's storms. She attributed this to the widening of the stream by the Public Works Department project.

During the evening, Municipal Stadium will house a circus and fireworks display.

Ceremonies there will also see thousands of candles lighted for the Craig Fahian Fund, a local non-profit organization helping handicapped residents.

Besides Craig, the Fund helps three other Belleville residents, Craig Fahian, Timmy, and will be sold at a \$1.00 donation and then will be lit in an impressive display.

Preceding the annual fireworks display will be a unique circus, headed by master of ceremonies Howard

Oliver. Oliver, who has arranged all but one of Belleville's July 4 circuses, is reported to have put together another outstanding show.

Scheduled to perform are circus stars Mary Jane Scinlon, tops in acrobatics; Bobby Williams, one of America's foremost balloonists; the Bouncing Juys, who are known for their fast, action-packed trampoline performance; Zippy, billed as the world's smartest chimpanzee; Ken Sherburne, the juggling uyclist; Delage and Margaret, an outstanding magic act, and the Pisanis family, another acrobatic act. The Marks Paramount Orchestra will also perform.

WORRIED ABOUT QUALITY COLOR TV SERVICE???

The best friend a household can have today is a service man to repair all the different machines and gadgets used in a modern home. We are ELECTRONIC SPECIALISTS. Our customers know that they don't have to worry about service.

The best Color TV won't perform right unless it is adjusted correctly for, and at, your location. We take great care to do this. In fact we check a color set several times during the first 90 days the set is in a customer's home. This is the time when changes are most likely to occur. After that the set should be checked periodically.

But this is only part of the story. Before a Color TV set leaves our store it goes through several hours of tests and checks in order to assure peak performance. That's why a Color TV set bought at BECK'S performs better.

Our service department is staffed with expert technicians who offer same day service on service calls received before 1 P.M. You only deal with BECK'S whether it is for budgeting your purchase, delivery, antenna work, or service for the life of a set.

24-Hour Retail Service

The Belleville Town Commission has under consideration the adoption of legislation prohibiting any business to remain open 24 hours daily.

We think compelling retail establishments to remain closed between certain hours does not serve the public interest.

In fact the Town Fathers should consider adoption of laws requiring public service establishments to remain open 24 hours a day—at least one of a kind—a service station, a drug store, a food store.

We see nothing wrong in a store's remaining open all day—all night. If by remaining open 24 hours daily the public is better served, well then, why not? If a merchant is willing to assume the economic burden, who is to say "No" to him?

In my "other" home city of Fort Lauderdale, Florida, some drug stores,

service stations, and food stores are open 24 hours a day, seven days a week—and the people enjoy the service—and no adverse effects upon community life.

We fear behind-the-scenes pressures from a couple of concerned neighborhood merchants is leading Commission members to push the panic button.

Taverns stay open into the wee hours of the morning without trouble to the community. Is not this experience adequate to lead public officials to believe other, less troublesome businesses can also serve the best interests of our people without creating problems for police and neighbors?

The Arms Agreement

Congress now faces the momentous task of ratifying the arms agreement President Nixon negotiated with Russia. U.S. and world hopes rest on two assumptions: that the agreement is generally fair to each country; and that both Russia and the United States will faithfully keep it.

There is strong sentiment in the Senate to include a proviso, in the treaty's ratification, that the Russians are barred, as apparently is possible under the agreement now, from attaching multiple warheads to their huge SS-9 missiles. They reportedly have 313 of these, each capable (because of the great size of carrying up to twenty separate and separately-targeted bombs).

Sensors fearful about the SS-9 point to the fact that the freeze on numbers of missiles already allows the Russians 1618 ICBM's to our 1054. The SS-9 packs more than four times the payload of our largest missiles and if it is converted to a multiple weapon carrier, the Soviet's superiority in ICBM bombs would become disproportionate.

While the U.S. enjoys a numerical advantage in strategic bombers and the weapons they carry, and while we also enjoy at least temporarily a numerical advantage in submarine-fired missiles (our subs use multiple weapon warheads) and because of other advantages, the President reasoned the agreement was nevertheless generally fair. Senators faced with ratification, however, feel they must attach a clause which bars the Russians from converting SS-9's to multiple weapon missiles and the President would likely accept it. He would then, however, be faced with the dubious task of obtaining Russian agreement to the change. With party chairman Leonid Brezhnev due to visit the United States next year, perhaps he could.

The agreement, as is, is better than no agreement for several reasons. On the other hand, if the safety provision now being pushed by Senators like Goldwater, Thurmond, Jackson and others is obtainable, it is, of course, desirable from the United States viewpoint.

An Important Date

On the Fourth of July of every year the people of this country take note of the anniversary of the signing of the Declaration of Independence, which ranks as one of the most important documents of history.

In it, Thomas Jefferson, the author, set forth the inalienable rights of man and the theory that governments are instituted by men, not set up by God, and, therefore, derive their powers from the consent of the governed.

This was something of a revolutionary

doctrine in 1776. Moreover, the Declaration makes plain the right of the people to alter or abolish their government and to institute a new government in such a form as they may deem most likely to provide for their safety and happiness.

The historic Fourth has become identified as a day of leisure, marked by deaths, accidents, games and amusement, but there are occasional programs which point out the significance of the Declaration and the principles that it expresses, too often forgotten.

Comments Upon Governor's New Tax Reform Proposals

TAX REFORM? Just what is tax reform? What is reform? The dictionary says the improvement or amendment of what is wrong or corrupt; to put an end to abuses; improve. The word connotes all these things.

As I view the proposals, I see no move for economy, greater productivity or efficiency in operations in County or State Governments, the two areas over which the overburdened taxpayers have the least control.

We should immediately think in terms of implementing suitable reforms and fiscal accountability in local, county and state governments.

I have spent long hours perusing all kinds of reports, facts and statistics—and the more I see, read and hear, the more confused I become—one at this point, in my opinion, has the answers. The bottom line to this mess is my recommendation that the Governor appoint a non-partisan committee of reputable businessmen, industrialists, laborers, educators and just plain taxpayers to study the input of the Sears Committee, the Governor's proposals and the results of the Assembly taxation Committee hearings to finally come up with a palatable proposal including appropriate reforms and restructuring of our fiscal policies to more adequately relieve our overburdened property owner. The Governor's proposals in their present form do not, in my opinion, achieve their intended purposes.

OUR FIRST OBJECTIVE should be one in which we make a determined effort to find ways and means to curtail spending and improve efficiency. Among the many ways in which this can be accomplished

1. Replace county government with regional government.
2. Merge certain agencies.
3. Develop a system of accountability of state and federal funds.

Secondly, we must develop the priorities and eliminate those programs which were created for political purposes.

Third, we must make every effort to have the federal government underwrite the entire cost of education and welfare—in my opinion, is a priority item, an obligation that rightfully belongs to the federal government. I realize that while I think eventually this will happen we must deal with these matters presently on a state level until the federal government take over.

Under the circumstances, we should look into education and welfare reforms now, in an effort to curtail spending and abuses.

We should contact our U.S. Senators and Congressmen asking them to use their influence in expediting legislation having to do with the assumption of educational costs, revenue sharing, welfare costs, environmental assistance and increased Social Security. I'm sure that when these problems are resolved the need for any new tax will be eliminated. Further, there is reason to believe that these issues will be determined by January 1, 1974—then what, if we act hastily now?

Some other reforms, as I mentioned above, included the possibility of eliminating county governments. Twenty-one governments, I think, can be replaced by a 1/2 dozen regional governments, resulting in a saving of millions of dollars.

THE MERGING of certain agencies. For example, why couldn't the New Jersey

Expected To Abolish Local Alcoholic Beverage Group

Town Attorney John Scott ruled that Commissioner Mary Senatore could not hold the job title of Superintendent of Public Works unless she resigned as director of the department. Scott's decision was immediately criticized by Mrs. Senatore, who charged it was a "political opinion" and said "I don't think Mr. Scott is serving all the Commissioners." Mrs. Senatore said that Scott's ruling would not stop her from trying other means to secure the job.

The construction of a large addition to the senior high school "is the best solution" to the mounting enrollment crisis in the Belleville school system, according to the Board of Education. The Board ruled out alternative measures in a closed session and said they would hire an architect "to give us some idea of what can be done."

The expansion plan meant that a bond referendum would be placed before voters, either during the General Election or during a special balloting.

Mrs. Thomas McCool, a Board of Education trustee, was annoyed by a board proposal to award a \$7,595 contract to furnish and install sound absorption treatment on the ceiling of the high school gymnasium. After more than a half-hour of discussion, the board ignored Mrs. McCool's protestations and voted to go ahead with the acoustical treatment. Mrs. McCool said that she was in complete agreement that the work should be done, but she was opposed to the payment of \$7,595 for a project that should have been, in her opinion, included in the original plans for the high school.

The new Belleville Town Commissioner was expected to abolish the local Alcoholic Beverage Commission. The measure was permitted by the Walsh Act under which the new commission was governed. The decision was made, according to a source close to the commission, as a result of an indictment made by the Essex County Grand Jury involving a former state senator and his two henchmen from Belleville who were accused of conspiring to obtain money from a tavern owner to block the suspension of his liquor license.

Belleville's new five-man town council was to assume office after a ceremony which was to take place in Town Hall. Robert M. Laterza was to be officially named Mayor. The choice of Laterza for the position was made at a meeting of the five Councilmen. The other four announced the appointment was made by Thomas P. Greco, James R. Golden, G. George Andronico and Vincent T. Strumulo. Francis M. McCoy was to be appointed Acting Town Manager.

Mrs. Thomas McCormick, state chairman of the Evening Membership Department of the New Jersey State Federation of Women's Clubs announced the appointment of Lieselotte Goettert of 108 Garden Avenue as vice-chairman of the English District. Miss Goettert, a graduate of Belleville High School, had completed a two-year term as recording secretary of the state EMD executive committee.

The Town Commission voted 3-2 to put Rutan Estates Incorporated of Newark on

notice that it must pay for construction of a \$59,000 water main in the Plenge Farm area, where the Rutan owners were building a home development. The resolution warned the company that if it did not accede to the request, the town would authorize the main as a local improvement, to be assessed against future property owners in the development.

A proposal by Mayor Isadore Padula to air-condition the revenue and finance offices in the Town Hall met a hot blast of opposition from Commissioners Elmer S. Hyde and Kenneth Smith. The matter was tabled pending a survey of the entire building for air-conditioning. Hyde's opposition prompted Padula to cast the decisive vote delegating an ordinance introduced by Hyde to install partitions to make offices in the Public Works Department.

Twenty-two residents of Charles Street, in a letter to the Board of Commissioners, pleaded against the noise which they alleged emanated from the Franklin Casino on Franklin Avenue near Joramelon Street. The petition declared that the tavern had been conducted as a "noisy nuisance" ever since it had opened in April. A granting of the tavern's new license was delayed pending a public hearing.

Mary Sumner, librarian, announced that effective July 1, children of the seventh and eighth grade category would be transferred to the children's section of the Free Public Library. The group had formerly been located in the main library room, and the move had been made to afford the seventh and eighth graders more room. The entire grade reading room was named the Junior Department.

Protesting against the lack of recreational facilities in Silver Lake, seventy-five youths from that section of Belleville picketed Town Hall while the commission was in progress. The group carried signs making various allegations and citing the absence of sufficient recreation. While the picketing was in progress, a six-man delegation appeared before the board and questioned Mayor Tully on conditions in the Lake. The youths insisted they were no different than other groups who were located in what they referred to as the "so-called better sections of town."

Speak Up!

Fireman Grateful To Residents

To the Editor:

On the morning of June 14, 1972 at 3:30 a.m., a home of the Belleville family was involved with a serious fire. Fortunately the family evacuated the building suffering relatively minor bodily injury. Their home however was damaged severely.

I was impressed at this fire as I have been many times before at the sincere empathy and understanding that Belleville residents have for their neighbors in time of need. It occurred to me that all too often we the public servants, Fire, Police, Public Works, Health, Recreation etc. are prone to be sensitive when it appears to us that the public is not aware of our feelings—and yet seldom do we give credit to the general public for their feelings.

I am making direct reference to the people, the neighbors, the passerby, the onlookers who have observed this and many other Belleville fires. The quiet way that a family forced from its home is immediately taken in by a neighbor. The way a hot cup of coffee or a cool drink is brought to the scene. The look of compassion that can be seen on their faces. The way the people feel for their fellow Belleville in his time of distress. This sincerity that we, members of the Fire Department have personally witnessed time and time again at Belleville fires is in sharp contrast to many incidents that have happened in other cities, and a real credit to the Belleville citizenry.

I have been a member of the Fire Department for 22 years and because of my own deep emotional involvement at each and every fire I have felt special gratification and appreciation knowing the people we are working for are understanding and thoughtful. Thank you.

Don't Change Belleville.

Very truly yours,
Joseph J. Santiglia

Red Cross Looks To Aid Flood Victims

To the Editor:

Hundreds of Red Cross volunteers are assisting in 181 Red Cross shelters in Pennsylvania, caring for 80,000 persons. At least 30,000 of these will need recovery assistance.

A Red Cross Shelter in Wayne is caring for 25 people. This shelter as well as all others, will remain open as long as necessary.

Eugene Barnett, Belleville Red Cross Advisory Board Chairman states that as of June 19, 112,000 persons are being cared for in 330 Red Cross shelters in eight states. Fifty Mobile Red Cross Disaster Units in the eight states are providing food and assistance.

Mr. Barnett further stated that National Red Cross requires ten million dollars to assist these victims. The Essex Chapter portion to be raised is \$72,000.

Won't you please aid these unfortunate victims by sending your contribution to the Belleville Red Cross, 557 Washington Avenue? This money will be forwarded directly to Red Cross National Headquarters for assistance to these people who desperately need help.

Mrs. L. Back
Belleville District,

Fire Shows People Here Still Care

To the Editor:

I took a near tragic experience on the morning of June 14, when fire consumed our home, to really become aware of just how many warm, generous and unselfish human beings we are surrounded by. To become aware, also, of just how insignificant material things can be when you have been spared your family.

To simply say thank you could not possibly express what we so deeply feel towards the many neighbors, friends and youngsters who so generously offered and gave their help. Thank you parents, teachers, and boys and girls from School No. 7, the seventh grade class from the Belleville Junior High School and to each and everyone we could not possibly thank personally.

We also owe a special thanks to Belleville's fire Department with a heart.

We are so proud to be a part of Belleville and the people who make our Town what it is. Sincerely, The Carroll Family 74 Liberty Avenue, Belleville

Thanks Marotti For Privilege

To the Editor:

I would like to take this opportunity to express my sincere thanks to Commissioner, Michael Marotti and the members of the Little League for the privilege and the honor of throwing out the first ball at the opening of the Little League season.

I would also like to thank them for the bats and the ball that were given to me and autographed by the honored guests.

Highway Authority (Garden State), New Jersey Turnpike Authority and the New Jersey Turnpike Authority be merged into one agency? Wouldn't this move save millions of dollars?

The Governor and other pressure groups, for some unknown reason, insist that the tax reform package must be passed or acted upon now. Why the haste? We've survived without income tax all these years. I'm sure we can find other ways of raising additional money if indeed it is necessary.

Why shouldn't we wait until Congress decides on Revenue Sharing? Why shouldn't we wait until the U.S. Supreme Court rules on the education matters it is presently considering? Why shouldn't we wait until the U.S. Government decides on legislation which I understand provides for the expenditure of billions of dollars to take over primary and secondary school operations in the U.S.

While we're waiting, in addition to the possible reforms I suggested, we might want to give further and more serious thought to the impact the legalized gambling such as off-track betting and daily lottery would have. Aside from raising a sizeable sum of money, think of the relief in the courts and the overcrowded jails when police stop chasing and arresting bookies. Think of the job all this extra law enforcement machinery could do with more important problems such as the drug abuse culture, crime in the streets etc. Wouldn't legalized O.T.B. and a daily lottery deal a

fatal blow to organized crime?

Back to the Governor's Tax "Reform" Proposal. Let me suggest that most organizations announcing their support of the "package" do so with reservations including the most vociferous one, the League of Women Voters who have been clamoring for an income tax for years.

MANY ORGANIZATIONS have been critical of the proposals as have been many elected officials around the entire state. Harry Sears, chairman of the Tax Policy Commission, when presenting his report, was quoted as saying the entire proposal must be accepted. Since then, as we have read, he has agreed with the Governor's changes. How come?

Just recently, the Essex Freeholders pointed out that under the present plan, Essex County would be short \$19 million in its effort to provide the services the proposed revision leaves for it to provide. Mr. Sears said his staff's figures indicated all counties were within the 50 cent per \$100 assessment limit. Essex County officials say they must receive 86 cents per \$100 of assessments to provide the services. Mr. Sears added that if Essex's figures are correct, the Senators and Assemblymen must revise the bills presently before the legislature to include graded limitations for those counties already over the 50 cent limit. How about that for stabilization of our tax rate! Is there a credibility gap?

MORE COMMENTS on the Governor's proposals will be continued in my next column.

DeWitt Savings Gears For 30th Anniversary

(Continued from Page 1)
than 30 years ago. They foresee an inevitable growth and rejuvenation outstripping the past and extend their thanks to those who have confidence in DeWitt and a cordial welcome to all who wish to join the Association and help it build for a future

which will include all in Belleville and its environments."

The late Joseph King, a former Essex County Freeholder and former Belleville Commissioner was the first president of the fledgling Association. Belleville residents also

remember Mr. King as a prominent local Building Contractor.

At the same time Edward P. Cantwell became executive vice president and managing officer of DeWitt. He and Mr. King worked closely together in managing the affairs of the Association. Cantwell was active on a full time basis as managing officer from 1942 until his death in 1960.

The second president of DeWitt was Walter Gilby who was also a Member of the Belleville Board of Education and headed the Gilby Wire

Company in North Newark.

The third president of DeWitt was John P. Dailey who is currently chairman of the Board. Dailey was president from 1964 through 1969 during which time the Association had an outstanding growth in assets - increasing from \$20-million dollars to \$36-million dollars in assets. Dailey is a past president of the Essex County Savings and Loan League and a past member of the Board of Governors of the New Jersey Savings & Loan Association and has spent

over a quarter century in banking. He is a former president of the Belleville Board of Education and a long-time Belleville resident.

In 1970 Robert M. Williams was elected president of DeWitt and in the two and one half years of his tenure the Association has witnessed still more outstanding growth - increasing from \$36-million dollars to over \$50-million dollars in assets. Williams previously served for five years as executive vice president of DeWitt. He has been with the Association

since 1954.

Williams is also a Director of the Essex County Savings & Loan League and a past president of the Garden State Chapter 67 of the American Savings & Loan Association where he conducted classes for over 500 students in New Jersey. He is a graduate of the Institute and has served for three years as director and as vice president for one year until his election to President on November 19, 1968.

He attended Bloomfield schools and is a member of the Belleville Lions Club,

Belleville Lodge 108 F. & A.M., and a director of the Belleville Chamber of Commerce. He is a member of the Verona Presbyterian Church and is Assistant Captain of the Verona Ambulance Unit.

Williams is married to the former Wilma Cantwell and has two children, Gregory and Karen.

The current Officers of DeWitt beside Williams, president, include August Plenge Jr., vice president; Norman H. Butt, assistant vice president; Thelma

Colehamer, secretary; Angelo Venezia, treasurer; Evelyn McMullen, assistant secretary; and William Abramson, assistant treasurer.

Chairman of the Board of Directors is John P. Dailey of Belleville.

Other Directors include William Abramson, Siegfried G. Bart, Frank Bridge Jr., Henry A. DePhillips, Clarence R. Lommerin, George E. Miller, John L. Planson, August Plenge Jr., Harry Ziegler, and George D. Haslam, Director Emeritus.

Karen Tusso Is Promoted

Miss "Karen" Tusso, assistant buyer for Active Sportswear in the Budget Store at Bambergers has been promoted to Buyer for Sweaters, Budget Store.

Miss Tusso joined Bambergers in 1964 in the Plainfield Store, becoming Sales Manager in the Gift Department in 1965. In 1970 she was made Assistant Buyer in Young Junior Dresses, and assumed her present position in 1972. She resides in Belleville.

Miss Maria Carol Chiarelli Married To Frank J. Zarro

The marriage of Miss Maria Carol Chiarelli, daughter of Mr. and Mrs. Salvatore Chiarelli of 49 Passaic Avenue to Frank J. Zarro Jr., son of Mr. and Mrs. Zarro Sr. of Bloomfield, took place June 24 at St. Peter's Church.

The Rev. Mink performed the ceremony which was followed by a reception at Baw's. Escorted by her father, the bride wore a silk organza gown in the Renaissance style encrusted with jewels and fashioned with lantern sleeves, and cathedral train. Her matching headpiece held her veil and she carried phalaenopsis orchids and stephanotis.

The bride's sister, Mrs. Salvatore Lombardo of Belleville was matron of honor. Bridesmaids included other sisters of the bride, Mrs. Dorothy Galluzzo of Long Island and Mrs. Clara Catena of Belleville, her cousin, Miss Tina Mattina of Bloomfield, Miss Michele Antellio of Long Island and Miss Felicia Volpicelli of Belleville. Flower girls were the bride's nieces, Pamela Catena and Lisa Galluzzo.

They were in gowns of flowered organza with matching capes and large picture hats.

Richard Zarro of California was his brother's best man. Ushering were another brother, Raymond Zarro, Sal Catalano, Joseph Sorece and William Mattura—all of Bloomfield and the groom's cousin, Joseph Valvano of Ohio. Ringbearers were Joseph Valvano Jr. and the bride's nephew, Frank Galluzzo.

Mrs. Chiarelli was in a mint green gown with jeweled top and sleeves while the groom's mother wore a blue floral print chiffon gown. Corsages were orchids.

Mrs. Zarro Jr., a graduate of Berkeley Secretarial School, is with Walter Kidde Company.

Mr. Zarro, an alumnus of Morehead State University, Kentucky, is a physical education teacher in Edison.

The couple are honeymooning in Hawaii and will live in Belleville.

School: David R. Dollar and Bruce Alan Pollack, Montclair Academy; Tacey B. Phillips, Kimberly School; Carolyn Jones, West Essex Regional High School; and Diane Strauss, Verona High School. The Alliance also contributed to a scholarship of the Montclair High School French Club to enable a student to spend a summer studying in France.

The Alliance will resume its meetings and activities in the fall, under the presidency of Mrs. Etienne de Faymoreau of Nutley. The first scheduled meeting of the 1972-73 season will be the opening tea to be held in September.

Also receiving awards earlier for excellence in French were Montclair State College students Maria Elena Alfonso who was awarded the Davier prize, named for a charter member of the Alliance, and John Groundard who received the Margaret Holz prize.

Prizes and certificates have also been awarded by the Alliance to high school students in the surrounding area for their outstanding record in the study of French. Mrs. Otto H. Lienhard, president of the Alliance, has announced that Certificates of the Federation of French Alliances in the United States and small medals have been given to these students for their general excellence in high school French: Linda Pollock, Montclair High

Grace Baptist Honors Organist, Choir Director

A surprise testimonial dinner was given for Mrs. Robert Wertz, organist and Mrs. Ruth Chesley, choir director, at Grace Baptist Church, June 8.

Ninety family members, friends, present and former church members honored Mrs. Chesley and Mrs. Wertz for their years of loyal and devoted service in providing the Church with its music program.

John M. Stoddart, chairman of the Church's Official Board, gave the welcoming speech and presented orchid corsages to the two honored ladies. Following the blessing and buffet dinner, Rev. Richard C. Shanklin, interim Pastor, spoke on the fellowship, thought and meaning of the occasion. Mrs. Lorena Clark Toismistress, reminisced on the church's history and the parts that Mrs. Wertz and Mrs. Chesley and their families, had in the growth of the Church. Miss Virginia Lee presented gifts and Mrs. Eudora Parry read a poem she had composed.

Miss Ruth J. Hogan, president of the Women's Fellowship, remarked about absent church members who

were ill, and a prayer was offered for them. Mrs. Chesley and Mrs. Wertz each thanked everyone for the love-party bestowed upon them.

Accompanied on the piano by Mrs. Hazel Hume, solos were sung by Mrs. Leah Gebrian, a church choir member, and by Mrs. Marion Slager and Mrs. Alethea Smith, sisters of Mrs. Wertz, who also sang a duet. The present church choir sang, "I'd Like to Teach the World to Sing," and were joined by all former choir members who were present.

Family members who attended, in addition to Mrs. Wertz's sisters, were her son Marcus and wife Gail, from Bethlehem, Pennsylvania, her daughter Margaret, and husband Howard, and Mrs. Smith's husband, Kenneth; Mrs. Chesley's son Ned, and wife Janet, from Fanwood.

Committee members for the affair were Miss Ruth J. Hogan and Mrs. Lorena Clark—arrangements and decorations; Mrs. Harriet Hammell—music; Mrs. Eleanor Smith—dinner, assisted by several church members.

Save by dialing!

Save more by dialing during bargain hours!

Save most by not calling person-to-person!

You always save on calls when you dial direct, without the services of an operator. But you save even more by dialing out-of-state calls in the evening or on weekends when rates are lower still.

There's also a low 1-minute rate on direct-dialed calls after 11 p.m. every night.

While we've only shown sample rates to other states, there are savings on direct-dialed calls within New Jersey, too. And additional savings during bargain calling times on New Jersey calls over 25 miles.

With dialing direct so easy and convenient, it makes sense to dial all calls yourself. Because the rates are always lower than for calls requiring the services of an operator, such as credit card, collect, third number billed, person-to-person, and coin-phone calls to other states.

*Direct dialing rates also apply to all calls made from areas where direct dialing facilities are not available.

Miss Scaglione, Mr. Pandolfi Wed In Holy Family Church

A reception at Wayne Manor, Wayne, followed the marriage on June 24 of Miss Diane Agnes Scaglione, daughter of Mr. and Mrs. Joseph Scaglione, of 67 Conover Avenue, Nutley to Dennis Paul Pandolfi, son of

Mrs. Jean Pandolfi of 99 Hancock Avenue, Nutley. The Rev. Paul Viale performed the ceremony in Holy Family Church.

Escorted by her father, the bride wore an ivory silk organza gown with silk lace

and seed pearl trimming. It was fashioned with a close fitting hand neckline, illusion yoke insert, long fitted sleeves and chapel train falling from the empire waist which was sashed in pleated silk satin. A matching Camelot cap held her full length veil and she carried white roses, babies breath and stephanotis.

Mrs. Joseph Villano of Belleville, was matron of honor. Bridesmaids included the bride's nieces, Miss Barbara Buglione and Miss Joanne Buglione of Clifton, Mrs. Nancy Ferraro of Kirkville, Missouri, Miss Geri Moaba of Clifton and Miss Jeanne Savarese of Staten Island, New York. Junior bridesmaids were other nieces of the bride, Miss Lynn Scaglione of Kettering, Ohio and Miss Lisa Scaglione of Southfield, Michigan.

All were attired in apricot and beige polyester crepe gowns with fitted waistbands, V-necklines with wide lapel collars, long cuffed sleeves and full flared skirts. Flowers were white roses, apricot carnations and babies breath.

Nick Donadio of Nutley was best man. Ushering were Robert Castronova of Nutley and Michael Fusco of Belleville, cousins of the groom, Gus Della Pia of Newark, Albert Scaglione of Southfield, Michigan, brother of the bride and Mr. Villano.

Mrs. Scaglione chose a candy pink silk chiffon gown with a pearl and silver beaded bodice and long illusion sleeves. Her corsage was a white orchid tipped in pink. The groom's mother was in a light blue silk chiffon gown with pleated bodice and silver beading around the neckline and waistline. Her corsage was a white orchid tipped in blue.

Birth Rate Drop

Federal statistics show the national birth rate, which dropped sharply in 1971, dropping even faster in the first three months of 1972. It is the lowest since record-keeping began in 1917.

Miss Rita Jean Dacey Bride Of William M. Francavilla

Miss Rita Jean Dacey, daughter of Mr. and Mrs. Eugene E. Dacey of 3 White Birch Drive, Rockaway, formerly of Nutley and William M. Francavilla, son of Mr. and Mrs. Mario Francavilla of Lunenburg, Mass., were united in marriage Saturday afternoon, June 17, in St. Cecilia's Church, Rockaway.

The bride's uncle, the Very Rev. Monsignor Eugene J. Reilly, pastor of Holy Trinity Church, Fort Lee, performed the double-ring ceremony and celebrated the nuptial mass. A reception followed at Perona Farms, Andover.

Given in marriage by her father, the bride wore a mid-Victorian gown of ivory flannel voile and Val lace, styled with lace trimmed high collar and long sleeves with flared cuffs. The natural waistline was banded with ivory satin, and the skirt, fashioned with flounced hemline, swept into an attached chapel train.

She wore a headpiece of stephanotis and baby's breath with ivory satin ribbon, and carried three long stemmed white roses.

Honor attendants were the bride's sisters, Mrs. James W. McNamara, Mrs. Charles J. Damiani, Jr. of Old Bridge. Bridesmaids included Miss Beth Ann Francavilla of Lunenburg, sister of the groom; Miss Kathryn Fughan of Brecksville, Ohio and Miss Karen Mola of Mountain Lakes.

They wore sleeveless cape dresses of orchid crinkled chiffon featuring long A-line skirts with white ribbon sashes embroidered in orchid, pink and green. A deep ruffle bordered the hemline. They carried long stemmed pink roses.

Kenneth Rydzewski of Lynn, Mass. served as Mr. Francavilla's best man, and John Hammond of Fitchburg, Mass., the groomsman. Ushers were Frank Kelly of

Mrs. William Francavilla - nee Rita Jean Dacey

Mountain Lakes; Richard Connors of Chicago, Ill., and Richard Blackburn of Apple Creek, Ohio.

Mr. Francavilla is associated with the Dayton Board of Education as a teacher in the Early Childhood Education program. They will make their home in New Carlisle, Ohio.

Mr. and Mrs. E.L. Sparkman Honeymooning In Canada

St. Peter's Church, Belleville, was the setting June 24 for the marriage of Miss Aurora Maria Elizabeth Cocco, daughter of Mr. and Mrs. Livio Cocco of Belleville to

Edward Louis Sparkman, son of Mr. and Mrs. Jesse L. Sparkman of Belleville.

The nuptial mass was celebrated by the Rev. Francis Ignacius of St. Francis Church, Ridgefield Park, which officiated.

Mrs. Edward Sparkman-nee Aurora Cocco

formerly of St. Peter's A reception was held at St. Carlo, Lyndhurst.

Escorted by her father, the bride wore a gown of white organza and Venice lace fashioned with a wide scoop neckline, long fitted sleeves, empire waist accented with a white satin bow and a chapel train.

A cathedral length mantilla was trimmed with matching lace and she carried a cascade of phalaenopsis orchids.

Mrs. Mary Wickstrom of Lubbock, Texas, was matron of honor. Bridesmaids included Miss Claudia Cocco of Belleville, sister of the bride and Miss Helen Emmy Sparkman of Belleville, sister of the groom. Junior bridesmaid was another sister of the bride, Miss Miriam Cocco.

The honor attendant was attired in pale yellow polyester crepe accented with ruffles at the cuffs and neckline. The waist was trimmed in eyelid, bordered with mint green ribbon. Her headpiece was a green flower circlet and she carried carnations. The others were similarly attired in mint green with yellow ribbon trim. The gowns were made by the bride, her mother and the matron of honor.

Jon Wickstrom of Lubbock was best man. Ushers were the bride's brothers, Gabriel and Laurence Cocco of Belleville.

Mrs. Cocco fashioned a pale aqua Korean brocade gown to wear at her daughter's wedding. The groom's mother was in an apricot chiffon gown with bishop sleeves. Corsages were white orchids.

Mrs. Sparkman, a graduate of Jersey City State College, is a teacher at St. Peter's Grammar School, Belleville.

Mr. Sparkman, an alumnus of Rutgers College of Pharmacy is a pharmacist in Montclair.

The couple are honeymooning in Canada.

Board Head Appraises Child Guidance Clinic

Four points of significance to the three communities of Belleville, Bloomfield and Nutley served by the North Essex Child Guidance Clinic were noted at the end-of-the-year appraisal of the clinic work according to Howard Fonzi, president of the Board of Trustees.

The first point related to sharply increased applications for treatment. Usually there is a presummer slump in requests for service but this year the end of the year brought a record number following months of doubled applications for clinical help.

Mrs. Ruth O. Cowell, executive director of the clinic, told of the many means used to see patients when the need is most pressing and to avoid having long waiting lists. The use of short-term therapy for "crisis intervention" and of having groups for boys, girls, teen-agers, mothers and parents have been effective in meeting increased requests.

The second point was concerned with the four or five children who were able to "graduate" from the Therapeutic-Nursery and are ready to enter regular nurseries or kindergarten in the fall depending upon their ages. This desirable outcome was predicted as a possibility by Joel Kangenheimer, teacher-director, when the nursery school was begun last September.

The Extended Care program, one in which college students work under supervision with young patients, provided the third point of

success. Both from the standpoint of the college students who found the clinic work a valuable complement to their theory seminars and from that of the patients who enjoyed and were helped by their contact with older boys, the Extended Care program received a high rating. Mrs. Lynne Witkin, senior psychiatric social worker, enjoyed the enthusiasm of the college students in producing a movie of the Extended Care program which they expect to provide fresh material for college classrooms.

The last point had to do with preventive work carried on with those who work regularly with children as members of the Bureau of Children's Services, guidance school people, teachers and others. The clinic staff offered consultation - education services to help them in discovering and working with atypical children and in making their work with children more effective and worthwhile. Dr. Gisela Ucko, medical director, whose supervision extends to most phases of clinical work, has indicated strong interest in preventive work.

Members of the Executive Committee of the Board of Trustees from Belleville and Nutley include, in addition to Mr. Fonzi, Ralph Casale, Belleville and Mrs. Ruth Oleksis and Silas Mountsier, III, Nutley.

Nature is grand until the weeds begin to grow.

Miss Oplinger, Lieut. DePass Are Married In California

Miss Gretchen Jo Oplinger of Oceanside, California, daughter of Mrs. Robert Hoover of Reamstown, Pennsylvania and the late Mr. Oplinger, became the bride May 6 of 1st Lt. Robert J. DePass, son of Mr. and Mrs. Denni DePass of 2 Marion Court, Belleville.

The Rev. Harold E. Kingsley performed the ceremony in South Oceanside United Methodist Church followed by a champagne party in the evening at the bride's home for friends of the couple.

Lieut. and Mrs. Robert DePass-nee Gretchen Oplinger

Escorted to the altar by the best man, 1st Lt. Joseph O'Reilly of Tustin, California, the bride wore a floor length pale beige crepe gown with crocheted lace bodice, short puff sleeves and chapel train. A headpiece of daisies, stephanotis and ivy was attached to a flat satin bow and she carried a bouquet of the same flowers. The pearls she wore were a gift of the groom and the penny in her shoe had been borrowed from his mother.

Mrs. Robert Nelson of Oceanside was matron of honor in a white crepe gown with white lace overskirt underlined in green. A green bow was her headpiece and she carried a nosegay similar to the bride's.

The groom's mother chose a pink cocktail dress with silver accessories and an orchid corsage.

Mrs. DePass, a graduate of Pennsylvania State University, was a teacher in Oceanside Marine Corps stationed at Fort Meade, Maryland.

The couple have made their home in Attleboro, Maryland.

Local Residents Honor Graduates At East Orange

Sister Ignatia Clare Walsh, principal of East Orange Catholic High School, has announced that six Belleville residents graduated with honors during the East Orange Catholic High School Commencement Exercises at Sacred Heart Cathedral, Newark on June 14.

Honors, which signify the achievement of an 85 percent average during the freshman year and at least a 4.0 quality point average thereafter were awarded to the Misses Lynn Gialanella, daughter of Mr. and Mrs. Louis Gialanella of Birchwood Drive; Susan Joiner, daughter of Mr. and Mrs. Robert Joiner of Mt. Prospect Ave.; Joan Keane, daughter of Mrs. James Keane of Jorammon Street; Catherine Mathias, daughter of Mr. and Mrs. William Mathias of Emmet Street; Maureen McGuire, daughter of Mr. and Mrs. Robert McGuire of Nolan Street; and Joyce Metzger, daughter of Mr. and Mrs. Charles Metzger of Union Avenue.

Three of the Belleville honor students were among the EOCH seniors to win \$245,000 in awards and scholarships. Miss Gialanella will attend Drexel University with a partial scholarship. Miss Keane will apply a New Jersey State Scholarship to studies at the University of Hartford. Miss Mathias has won both a New Jersey State Scholarship and a Stevens Institute of Technology Scholarship.

Miss Joiner will attend Glassboro State College; Miss Metzger, Montclair State College; and Miss McGuire, the University of Rhode Island.

PTA Council Holds School Of Instruction

A School of Instruction to give information for all officers, chairmen and members of local unit PTAs was held on Tuesday, June 20 by the Essex County Council of Parent-Teacher Associations at the Galaxy, 338 Franklin Avenue, Belleville.

Leaders of instruction from the New Jersey Congress of Parents and Teachers were Mrs. Stanley Riker, of Morris Plains, treasurer; Mrs. Ezniek Bogozian, of Cliffside Park, chairman of Human Relations and International Relations; and Mrs. Henry Matcha, of Budd Lake, chairman of Vocational and Technical Education.

Mrs. Peter Rainone, of Belleville, was chairman for the event. Others serving on her committee were Mrs. Anthony Panico and Mrs. Edgar Trimmel of Newark, and Mrs. Philip DeAngelis, District Chairman of Belleville. The executive board member of School No. 9 PTA of Belleville, acted as hostesses.

Mrs. Herbert Tucker of Belleville, is president of the Essex County Council of Parent-Teacher Association, having been elected at the recent spring meeting to succeed Mrs. William T. McCormick, of Millburn.

Panic Button 197?

Our expanding population in America will reach 300 million by the year 2000. That means more electric generating stations must be built. In addition, we face an impending energy fuel crisis. If the completion of nuclear energy plants is delayed, we may someday deplete our supply of natural gas, coal, and oil, and dangerously curtail our electric power supplies.

What would be the consequences? Industry and business, without electricity, would slow down. Or shut down. People would lose their jobs. Blackouts or brownouts would occur with alarming frequency. The sick in our hospitals would be endangered. Our vital recycling facilities would not do their job. Electricity might have to be rationed.

The next time you flick a light switch, give these consequences a thought. Consider this, too. It is public demand for electricity that makes more power plants necessary. And it is a combination of a

fuel shortage and our environmental concern that makes it vital that those plants be nuclear-fueled.

Nuclear energy plants are our hope for clearer skies and purer drinking water... for cleaner streams and rivers... for more industry and business... for more jobs... for a better way of life... and our assurance that the light switch won't ever become a panic button.

American Red Cross Urgently Needs Funds

Essex Chapter, American Red Cross is seeking to raise \$36,000 urgently needed to provide disaster relief aid to victims of last Friday's devastating flood in Rapid City, South Dakota.

According to William E. Medford, chapter chairman, this amount is part of the \$5 million fund campaign launched nationwide yesterday by the American National Red Cross to support its recovery assistance program for the thousands of affected families.

Reports reaching Essex Chapter headquarters from Red Cross officials at the scene of the catastrophe indicate that more than 700 homes were destroyed and 1,725 suffered major damage. 1,900 additional homes received minor damage, and 500 mobile homes were destroyed. A total of 150 small businesses have also been wiped out.

Red Cross reports said that 6,025 families in the Rapid City area suffered losses in the disaster and estimated that the organization would spend more than \$3 million to help them recover.

Medford stated that the full recovery resources of Red Cross have been mobilized to aid the victims. More than 100 Red Cross disaster relief specialists are already working in the flood area and

Ladies Auxiliary Holds Installation Of New Officers

The Ladies Auxiliary of Post No. 275, Veterans of Foreign Wars of the U.S., held their Annual Joint Installation of Officers, at the Post Home, 17 Belleville Avenue.

The following elected officers were installed: Mrs. Michael Ciccarile, president; Mrs. Nicholas Fernicola, senior vice president; Mrs. B. Zienkiewicz, Jr. vice president; Mrs. George Stalter, chaplain; Mrs. Fred Singer, treasurer; Mrs. Anthony Monte, secretary.

Also conductress, Mrs.

more are on their way from all over the country.

Three Red Cross emergency shelters are open in Rapid City to house and feed the homeless and the disaster workers. Other shelters have been opened in Sturgis, Blackstone and Keystone.

While the majority of the homeless have been taken in by friends and relatives, more than 450 are being cared for in Red Cross shelters while more than 3,000 a day are being fed by Red Cross canteen units. A total of more than 20,000 persons are receiving mass care from Red Cross disaster relief units.

According to Medford, the South Dakota disaster has brought the Red Cross face-to-face with a critical financial shortage.

"The organization has already spent nearly \$12 million this year to assist victims of disasters in Texas, Kentucky, Washington, West Virginia and other areas," said Medford. "The campaign will make it possible for Red Cross to respond to future disaster situations."

Contributions for Rapid City disaster relief may be sent to Essex Chapter, American Red Cross, 106 Washington St., East Orange, 07017 or to the nearest Red Cross office.

William Jinks, guard, Mrs. George Krehel, trustees; Maude Frisica, three years; Mrs. Joseph Jeffers, two years; Mrs. Antoinette Monte, one year; Mrs. Michael Resciniti, patriotic instructor.

Delegates to State Convention include Mrs. Fred Singer, Mrs. George Stalter, and Miss Irene Wirtz; Alternates, Mrs. Maude Frisica, Mrs. William Jinks, Mrs. Michael Resciniti.

The Auxiliary received recognition at the State Convention June 23rd, at the Crest Pier, Wildwood-Crest, by the Department president, Frances T. Nebus for the Auxiliary's 50th plus years.

STAMP PREVIEW—Admiring the commemorative PTA postage stamp to be issued in September of this year are members from Essex County including Mrs. William McKiddie, Mrs. Franklin Boyer, Mrs. Curtis Heimann, Mrs. John Schwarz and Mrs. Herbert Tucker.

Mrs. Tucker Attends National PTA Convention

Mrs. Herbert Tucker, president Essex County Council of PTA's, a Belleville resident, attended the 76th annual convention of the National PTA at the American Hotel in New York City.

It was a working convention which featured a series of stimulating ideashops designed to motivate the delegates.

"Values for Responsible Freedom" was the theme of the convention. This theme was outlined in the keynote address of Mrs. Elizabeth Mallory, National PTA president.

Highlights of the convention included major addresses

by Dr. Cleveland Danner, president, Washington Technical Institute, Washington, D.C.; Dr. Martin Marty, winner of the 1972 National Book Award and associate dean of the Divinity School, University of Chicago and Dr. Gerald S. Lesser, chairman of the Board of Advisors, Children's Television Workshop which produced "Sesame Street" and "The Electric Company".

For many years, PTA has advocated a more effective involvement of young people at all levels of the organization, last year the National PTA elected five young people to its Board of Managers. During this convention these youngsters held a rap session with the delegates.

This annual meeting of more than 1000 delegates, representing some 40,000 local PTA units from across the nation, offered all those attending the opportunity to actively participate in the formulation of National PTA priorities for the coming year.

Bethany United Presbyterian Honors Graduating Seniors

The June 18th 10:30 a.m. worship service was the occasion for honoring graduating high school seniors from Bethany United Presbyterian Church, Bloomfield.

A special order of service with an opportunity to support the graduates featured the Drama Group, under the direction of youth director David Brown. Pastor Trull spoke on "What Can You Really Accomplish in This Life?"

Graduates honored were:

Nancy Black, Linda Burden, Joseph Cacci, Debra Conway, Lorraine Cosgrove, John Downey, Raymond Franciose, Wendy James, James Heindol, David Malcolm, Ellen Mauriello, Regina Milliken, Kenneth Saladino, Arthur Schumier, David Werner.

There's little use to try to conceal your age. Your old friends know it and your new ones don't care a hoot about it.

PWP Group Will Discuss Re-Marriage

An interesting evening is planned for all single parents attending the meeting of Parents Without Partners Inc., Chapter No. 8, Essex-Union, July 6, 8:30 p.m. VFW Michael Kelly, Hall, corner of High Street and Stuyvesant Avenue, Union.

Featured will be a panel of former members of PWP who have married and are now adjusting to an even different life, adjusting to marriage again after a long period of single life. This should be a very interesting panel and we invite you all to join us.

After the meeting refreshments will be served and dancing to live music will follow. Musical games will be conducted by Art Sparaga.

Due to the forthcoming marriage of our President Bert Lawrence and Mrs. Ruth Lewinters, a new president has been selected to finish the remainder of his term. She is Mrs. Marion Russek of Maplewood.

Marion is a widow, has been very active in the organization for a few years and has been a most gracious host for many meetings. She is a graduate of Columbia High School, Maplewood, University of Connecticut, and did her graduate work at Columbia University. She was president of the Women's Auxiliary of Essex County Optometric Society, vice president of Maplewood Hadassah in charge of fund raising, treasurer of Union ORT active in girl scouts for nine years and treasurer and vice president of PWP.

All eligible single parents are urged to join us in our educational and social functions.

Meet John Grywalski, Dollar Stretcher:

He audits our member hospitals to help conserve your health-care dollars.

John is a CPA, Senior Manager in the Blue Cross Provider Reimbursement Department and one of our very efficient dollar stretchers. It's his job to audit the cost reports that our member hospitals submit. Based on the audits by John and his colleagues, we don't overpay or underpay any hospital for its services.

John and some twenty others in the department are professionals with college degrees in Accounting. They're well-versed in hospital financial management.

Professionals in our Blue Cross and Blue Shield Claims Review Departments also conserve your health-care dollars. They review hospital and medical claims to make sure that members get all benefits to which they are entitled... and that no ineligible claims are paid.

Because of our dollar stretchers, the combined operating expenses for New Jersey Blue Cross and Blue Shield are only a few pennies of each membership dollar. About one-third the operating expenses of commercial health insurers.

John Grywalski. It's your dollar he's stretching. He's another of the many reasons we deliver more health care for your health-care dollar.

At Final Meeting

Board Visits Advisory Council

At the final meeting of the Belleville Educational Advisory Council in the Home Economics room of Belleville High School the Board of Education was represented by Richard Mahmarian, president; Matthew Pica, vice-president; James Kisoli and Fred Barlazzi.

A report was made to the Council and Board of Education representatives by Mrs. Grace Purdue for the Home Economics committee. It was reported that next year all of the Home Economics classes will be held in the high school. One and half credits will be given for successful completion of the course or two credits if a job relative to this course is maintained at the same time. The size of the

classes will be smaller for 1972-73 school year. The Board of Education representatives discussed with the Advisory Council members the implementation of the work-study program for Belleville High School. In the final portion of the meeting Miss Mary Ann Carissimo, Personnel Department representative of Hoffmann-La Roche Co. explained to the group through film and demonstration the type of orientation program used for work-study employees. Miss Carissimo, a resident of Belleville will serve on the

Belleville Educational Advisory Council for 1972-73. In addition to the above mentioned Board of Education members the following Advisory Council members were present: Grace Purdue, Viola Narucki, Benjamin Torre, Michael Rosamilia, John Teutsch, Emanuel De Nola, Charles Montelone, Frank Zatorski, James Ceres, Albert De Lucio, Raymond Smith, Muriel Cerami, Elizabeth Agnoli, Seymour Grossman, Thomas Salzano, Peter Iacullo, Pat Barbone, Ernest Arvidson, George Nucera, Jerome Weiss, Joseph Meglio, Knuppel, and Lucille Anthony Greco, Herman Gasiewicz, Secretary.

First State Savings Reaches Record Assets

Henrik Tvedt, president of First State Savings has announced that the Association's assets have passed the \$40-million figure, marking a growth rate of 25 percent in the past 12 months.

"This is the greatest increase in assets First State has ever experienced in a single year, both on a percentage basis and on a dollar-volume basis," Tvedt noted. And, it's an all-time high figure for the Association," he added.

In reporting the impressive growth to the Board of Directors, Tvedt observed that the growth reflected a number of developments that took place at First State during the year, including the establishment of a Branch Of-

Legion Drops First Game

By Tony Calabrese

Beck's Column

You heard the saying: It takes the right man to do a job. One mother and her son did not think so. Instead of calling the right men (usually it takes two for the job, they tried to re-install an air conditioner themselves. It fell down from the second floor window and was damaged beyond repair, a complete loss. The unit cost \$249 and was used only one season.

We offer a service to remove your air conditioner in the fall and clean and lubricate and re-install it in the spring at a nominal charge. It has to be stored in your own facilities, we can not store it. There are a number of benefits if you avail yourself of this service. The unit gets the proper care, which itself prolongs the life. Not being exposed to the elements, the case won't rust. Many a unit had to be discarded because the case was falling apart, while the machinery was yet in good working order. Covering the unit does not preserve it, it only stops dirt. Although an air conditioner is a great convenience, it is not exactly a disaster. It is a waste of money if it would be put away for the seven months it is not used. The window then can be cleaned, which can not be done while the unit is installed. Windows have to be fastened in order to prevent break-ins and stealing. So from all points of view, it is best to have the air conditioner removed from the window while it is not in use.

The Belleville American Legion Baseball team lost their first game of the season this past Monday evening when they dropped a 4-3 decision to West Orange legion at Woodman Field in Montclair. The team's season record now stands at 2-1. This game was the team's first in 12 days as they have been hit by many postponements due to the bad weather in the area.

The long delay between games didn't seem to bother the Belleville hitting as the team belted out nine hits against West Orange hurler Paul DiRocco. By contrast West Orange knocked out only five hits on Belleville pitcher Rich Centanni, and only three of these hits were hard. However, two of the three hard hit balls came in the last inning when West Orange came back from a 3-2 deficit to score two last of the seventh runs and win the ballgame 4-3.

Belleville scored first in this game in the top of the first inning. Joe Ross led off with a double to left field, moved to third on a wild pitch, and Joe scored on Frank Papisidero's infield hit. West Orange came back to score an unearned run without benefit of a baserun off Centanni in the bottom of the first. A walk to Bob Melillo, an infield error which put runners at second and third, and a sacrifice fly by Armond Leonardo scored the run.

Belleville regained the lead by getting two runs in the third. Centanni reached base on an error, Ross was hit by a pitch, and Kevin Goy got a bunt single to load the bases with nobody out. Frank Petite

singled to left to score Centanni with one run. Papisidero then hit a sacrifice fly to center field to score Ross with the last Bellboy run of the night.

Belleville could get no more this inning and had only one serious threat the rest of the night. West Orange came back with a run of their own in the third when Melillo reached on an infield hit, stole second, moved to third on an infield hit by Billy Fay, and scored when Leonardo hit into a force play.

Belleville came very close to scoring in the fourth but failed when Ron Goy was thrown out at the plate trying to score from second on a base hit to right field by brother Kevin Goy. After this inning Belleville only had one runner reach base the rest of the game and that was Papisidero who had an infield hit in the fifth. Centanni, who was to strikeout six and

walk three in this game also held West Orange in check during this stretch.

Then came the bottom of the seventh. The first batter Ken McNeil was hit by a pitch. Steve Hensick then walked on a very close three ball two strike pitch. Ken Condon drove in McNeil with the tying run when he doubled

to left field, and left runners on, then got an out when he second and third. Centanni struck out DiRocco.

Hold Slim Lead, However

Toyota Motors Still In Softball Driver's Seat

Jerry Roberts Toyota continued their winning ways in the Recreation Softball Leagues as they beat Wallace and Tiernan last Monday. Their lead is slim, however, with Frenchys and Olgas just a half-game out of first place.

Toyota is scheduled to meet Olgas in their next game and they have a rain out pending from the first round.

This meeting should be a real test of Toyotas power. So far, Frenchys is the only team to defeat the leaders while they in turn have dropped games to Olgas and Parkway Beer Gardens.

Incidentally, Frenchys evened their score with Parkway with an 11-7 victory in the second round. Olgas two losses have come from Parkway all of which adds up to a top three teams with

whom anything could happen on a given night.

Frankies Amoco continues to dominate the Tuesday League having beaten Circles 13-7 stretching their winning

series to six games. Hot on Frankies trail is Rosellis whose record has been marred only by a loss to McCabes.

The first round meeting of Frankies and Rosellis was

rained out and the makeup game was also rained out last Friday. Their meeting will be interesting to say the least.

McCabes with a 4-2 standing are not to be counted out

either, they have split with Rosellis and dropped one to Frankies.

DeBaccos with a win over the powerful Garden Liquor team have taken command of

the Wednesday League. Landolfs have posted another win and are now in a second place tie with Garden Liquors.

NuPlus had an easy time of it with Garden State and now

stands at 3-3.

In the Thursday League the Branch Brook Manor and the Park View House (nee the Magnificent Men) each posted wins to maintain their

grip on first place. Just one game out of first place, the Jolly Cleaners won over the Shamrocks to announce they haven't counted themselves out yet!

Lions Install Officers

The Belleville Lions Club installed new officers for the ensuing year on June 15 at the Fountain Restaurant.

The new officers are: Lester Demler - president; Edward Howell - first vice president; Robert Williams - second vice president; John Crowley - third vice president; Natalie Faronca - secretary; Harry Breckenridge - treasurer; Rene Morel - Lion tamer; Walter Bennett - tail-twister and directors - William Irvine, Harry Ziegler and Eugene Chiappetta.

Norman Sprague, past district governor of Lions International, and a member of the Montclair Lions Club conducted the installation.

Your Weekly Horoscope

July 1 through July 7

ARIES (March 21-April 19): Take care of important money matter before end of third day, pet. Excuses not allowed. One in position of influence will see through. Not that this cat is so intuitive, Ari, it's just that this time you are most transparent. New face pops into picture. Week ends creatively.

TAURUS (April 20-May 20): Minor changes in the wind, Taurus, concerning plans and money. Remain calm. Keep a steady rudder and you steer vessel into harbor. Sexy rasca finds you completely fascinating. Watch out. You are not a glutton for punishment, but this person could lead you onto the shoals of unrequited love.

GEMINI (May 21-June 20): Stick to routine tasks first two days, Gem. Conserve charm and energy for mid-week when party mood prevails. Time ideal to bury old hatchets. Peace pipe will be offered. Accept graciously and puff away. Contentment follows. Keep money belt secure during entire week.

CANCER (June 21-July 22): Home and family matters highlighted. Noisy brood gets even noisier. Act as buffer for sake of harmony. By end of third day, sparks fly. As a water sign, dear one, it will be up to you to keep fire from spreading. Use your innate diplomacy for dousing. You understand. Week screeches to a halt.

LEO (July 23-August 22): Home fires may need tending, Leo. Poke about to be sure ashes are completely cold before you make any new commitment. Slam-bang encounter occurs before fifth day. You wind up winner, as usual. On last day, abandon work for play. But play in your own back yard.

VIRGO (August 23-September 22): Important week ahead, dear Virg. You enter race in which competition is keen. Beginning may be slow but you gain confidence and speed. Be bold. Be brash. Be brave. After all, where is it written that Virg should EVER settle for less than first place?

LIBRA (September 23-October 22): Don't permit work to pile up during first part of week, Lib. You know how fussybudgetary you become when you're out of control. Take breather at mid-week. Stay sober during entire period or rip-off artist will have field day at your expense.

SCORPIO (October 23-November 21): Everyone has a story to tell, Scorp, but in week ahead it will be yours to just listen. You do come when things get out of control. Take care attention to details and nuances. Message cards. Study words to Lib. Week ends on key off. For fun, froth and frolic.

SAGITTARIUS (November 22-December 21): Rousing, rollicking days ahead, my friend. Nail down loose ends before you do some heavy thinking. Recall past errors in judgment and thus you avoid making foolish move. One with shoe button eyes could influence you. Week winds down, alas, as a bit of a bumper.

CAPRICORN (December 22-January 19): It's sink or swim concerning personal decision, Cap. The winds of change propel you to do some heavy thinking. Recall past errors in judgment and thus you avoid making foolish move. One with shoe button eyes could influence you. Week winds down, alas, as a bit of a bumper.

AQUARIUS (January 20-February 18): You cross bridge in week ahead, dear one. Keep eyes straight ahead. No stepping in the middle to spit over the railing. Bridge may sway, but don't worry. Just keep moving. Keys is trust.

PISCES (February 19-March 20): Summertime, and the fishin' is easy. So be wary of that which shimmers in the sunshine. Olga doesn't want her precious Pisceans getting hooked. Message cards. Guard keys and cash during entire week.

70 Census Shows

290,409 Essex Homes Now Have Television

The 1970 Census of Housing counted 311,615 housing units in Essex County, and 290,409 households had at least one television set (145,037 UHF-equipped), the Bureau of the Census, U.S. Department of Commerce, announced today. The figures are from the first report for New Jersey which presents detailed statistics on housing for each county.

The report shows that in the county:

- There were 123,410 housing units with air conditioning (108,019 with room units and 15,391 with a central system).
- 175,529 units with a clothes washing machine, 78,507 with a clothes dryer, and 52,448 with a dishwasher.
- The 1970 population was 929,986, with an average of 3.0 persons per housing unit.
- A total of 232,387 housing units were built before 1949, 41,703 during the 1950's, 20,089 during 1960-64, and 17,387 within the five years preceding the April 1970 census.
- Utility gas was used to cook the meals in 270,964 households, electricity in another 21,519, and bottled, tank, or LP gas in yet another 3,930.
- There were 303,446 housing units with complete kitchen facilities, and 298,575 with complete bathrooms, both for the exclusive use of the households. The number of

bedrooms in all housing units ranged from none (in 13,028 units) and one (in 79,094 units) to four or more (in 43,045 units).

Owners occupied 122,806 units, renters 179,776 units, and a total of \$584 units were vacant year round with 467 for sale and 6,150 for rent.

Copies of the report, Detailed Characteristics, 1970 Census of Housing New Jersey, HC(1)-B32, are available for \$2.50 each from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402, or from U.S. Department of Commerce field offices located in major cities.

Meadowbrook Sets Follies Burlesque

Richman's "Follies Burlesque 1972" will set a change of pace for summer entertainment at the Meadowbrook Theatre Restaurant in Cedar Grove beginning July 26.

Follies Burlesque '72, starring Denise Darcel and Mickey Hargitay (Mr. Universe), comes to the Meadowbrook, following a record-breaking eight-month engagement at the Condado Beach Hotel in San Juan, Puerto Rico. The Broadway musical hit has already played over 4,000 performances.

Denise Darcel, the glamorous French blonde, has starred in movies, appeared many times on the stage and on the "top television" variety and dramatic shows.

Mickey Hargitay will return from Rome, where he is filming several movies, to

co-star with Miss Darcel. Their appearance at the Meadowbrook is a reunion for them as stars in the same revue.
