

SIGNING LEASE agreement between the Board of Education and Town Fathers is Mayor Joseph McGreevy, as Town Attorney John Scott (left) watches. Representing School Board is president Richard Mahmarian (right) and vice president Matthew Pica

## Two Governing Bodies Okay Lease Agreement

The Town Commission and the Board of Education Tuesday night entered into a mutual leasing agreement which looks like it further solidifies relations between the two governing bodies.

In an unprecedented move, Commissioners entered into a long-term lease of the vacant second floor of the recently purchased Prudential Building to be used by the School Board for its new administrative offices. The Public Affairs Department, headed by Commissioner Vincent T. Strumolo, now occupies the first floor of the two-story structure. Town Fathers gave the second floor to the School Board free of any money agreement.

As if also offer good faith, the Board of Education leased a large triangular tract of land adjacent to Belleville High School for use by the Parks and Public Property Department. Commissioner Michael-Moravich, who heads

## Little League All-Stars Set Play Today

The Belleville National and American Little League All-Stars begin the first round of Championship Tournament play this week with the Americans opening tonight and the Nationals tomorrow evening.

Tonight's contest will see the Belleville Americans pitted against the winners of the South Orange vs. Bloomfield Midtown game. Tomorrow evening the local Nationals all-star representatives will play the Bloomfield Northern team at Michael V. Marotti Little League Field, 92 Montgomery Place. Both games begin at 6 p.m.

Selected to represent the National League all-stars are Michael Flynn Jr., Joseph Long Jr., Robert Dietsch, Philip Graffeo, Robert Freda, Frank Scarpelli, Robert Raccipio, Frank Bialore, Pat Barbore. Steven

## Block Dance Tomorrow

Plans are now underway by the Belleville Recreation Department to sponsor a second block dance. The gathering is slated for tomorrow night, 8 to 11 p.m. The dance will be held in the rear parking lot of the Belleville High School. Activities will include music by a local group.

## Poor Attendance Blamed Commissioners Shelve Pathmark Hours Bill

After a short but interesting public hearing, the Board of Commissioners decided to table an ordinance to regulate the opening and closing of certain retail stores here. Mayor Joseph McGreevy decided to table the measure because two of the five Commissioners were absent from the Tuesday meeting.

The bill seeks to govern only retail stores and businesses selling food and non-alcoholic beverages. In calling for a maximum 11 p.m. closing and 5 a.m. opening of all food stores located in Belleville, the measure provides a maximum \$500 and/or 90 days in jail as a penalty for violators found guilty.

## His Dissenting Opinion Challenges Greco's Post

Board of Education member Caesar Romano this week offered his dissenting opinion on the action of the School Board in reinstating the salary boost of superintendent of schools Anthony Greco and assistant superintendent Michael Rosamilia.

Romano was the only School Board member last Thursday night to submit a 'no' vote on the two top administrators' pay hikes. He filed the written opinion Monday with Mrs. Mary Shader, School Board secretary, and a short time later, when School Board members were attending a Board of Commission meeting to witness the signing of the new governing bodies, Romano personally delivered a copy of the opinion to each member.

## Reinstate Administrator Pay Hikes Says Board

By John J. Bunevich

By a solid 5-1 vote the Board of Education Thursday night voted to reinstate raises in pay to superintendent of schools Anthony Greco and his assistant Michael Rosamilia. But the School Board, in the same action, reserved the right to take away the salary boosts December 31.

The only dissenting member of the Board, Caesar Romano, who moved the motion two weeks ago to freeze the pairs' pay, said he would submit a minority report to be placed in the minutes of the meeting. Five School Board members on June 26 voted unanimously to hold up Greco's and Rosamilia's pay hike, claiming a personality clash between the two had hurt school system operations. The Board then set a measure asking to review their position.

## Bob Laterza Still Wants Ambulance

Commissioner Robert Laterza Tuesday night reiterated his belief that the Town needs another ambulance and said he will introduce an ordinance to purchase one. He plans to reintroduce the request at the next Commission meeting.

## Bids Are Received But Then Rejected

Thursday evening the Board of Education received bids for construction work on new administrative offices in the Public Affairs Building on Washington Avenue. Monday evening that same School Board rejected those bids.

After a meeting with Michael Trotta, the architect who drew up the plans for the new offices, the School Board decided the bids were way out of line and further cutbacks were needed in proposed plans if the offices were to be realized.

According to Board president Richard Mahmarian, rebidding on construction, heating, air conditioning and electrical work will be advertised in four to five weeks. Mahmarian stated that School Business Administrator Harold Dufford and architect Trotta must again sit down and reevaluate renovation plans.

## Delightful Trip Through Belleville, Only This One's Located In Paris

(This feature item was submitted by Nathan Gottlieb, former editor of the Belleville Times-News, who last Fall visited Paris and found to his surprise a delightful section of that great city with the same namesake as our Town. Here are his observations and parallels of the Belleville in France and the Belleville we live in. Ed.)

A letter came last week from a friend in Paris and it got me to thinking about the time I spent in that city last fall and particularly about the Boulevard de Belleville, a delightful avenue running through the picturesque Montmartre, the oldest section of the city, lined with trees, and jammed with exotic cafes pouring out onto the sidewalks.

It is on this avenue that the oldest open-market in Paris convenes seven days a week rain or shine, sprawling eight or nine blocks down a center island dividing east and west traffic.

To get a feel for the immense size of the market, you must imagine six or seven large supermarkets setting up shop outdoors, their wares spread from Rutgers Street called to the North Newark border.

And even when you are not prepared for the site that greets you. When the night is still upon Paris—about 4 a.m.—the trucks begin rolling in from the farms outside the city limits, bringing the fresh produce and the meat and other assorted goods which are to be displayed for the day's shoppers. The trucks park along the center island, and if you are early enough you are treated to a fascinating sight: an enormous array of food and wares, fresh, unpermeated, unpackaged and un-

processed, taken from the trucks and placed on long card-table type benches, readied for display, while the stock is stacked up gingerly behind the counters to be used as needed.

But most people come upon the market when the sun is up and everything has been laid out for sale, marked, grouped into attractive displays. And what a sight it is.

I came upon the market quite by accident. Working on a thesis with a French student, I had the better part of a day to kill and decided to ride the Metro (the french subway) and get off where I pleased and stroll until hunger would call me into one of the cafes along the sidewalks.

Naturally when I saw the Metro station stop "Belleville," I was curious, having spent three years as news editor of the Belleville Times-News, and convinced no city by that name, no street, small town or otherwise could ever quite fascinate me, perplex me in quite the same way as Belleville, N.J. had.

It is quite a sight, and would undoubtedly astound the average Belleville, used to the A&P or the Pathmark or any of Belleville's other supermarkets. And yet, our supermarkets would perplex, even amaze the Parisian, who would be totally ill at ease shopping in big air-conditioned stores, using bright metal carts to the accompaniment of piped-in music, everything neatly, stately laid out, a dream of order and efficiency.

And the prices. That head of lettuce you pay 39 or 29 cents for here in town will run you

anywhere from 10 to 15 cents in the Belleville market. Or consider cheese, roughly 80 cents here for a good imported; there it will hit you for less than a quarter. And wine. Good wine can be had for under a half dollar, with the rare vintages going anywhere from 85 cents to 2 or 3 dollars or so. And there are countless more examples of how the Parisian pays less for better quality food than his Belleville counterpart, one reason being he doesn't pay for service or the upkeep and maintenance of the store, nor are farm wages or farming costs anywhere near what they are in inflation-ridden New Jersey.

After my days spent wandering and buying in the Belleville market, picking my way past the cheeses, big rounds, two feet in diameter, and the large, brown, crusty breads and the fresh meat and the fruit heaped with water from a sprinkler can, I found a small North African style french restaurant and had a good meal and a half bottle of rose and toasted the friends I had in Belleville, New Jersey and wondered they'd ever find their way to the section of Paris with the same name, wondered if any Belleville housewife who wants only the best for her family would come upon this shopper's paradise hidden far away on a hill overlooking the panorama of Paris, a city unlike any other in the world.

And I wondered some more and then I finished my wine and went home, happy. I'd seen such a remarkable Belleville, and secretly smiling because the Belleville I'd left behind in my own way, was an interesting place too.

# Board Member Romano Offers Dissension

(Continued from Page 1) we are to get there. It is as though there has been a communications breakdown at this level because of a lack of planning.

The Superintendent, in fact, has not given us a concise and detailed analysis of our present school system listing our strengths as well as our weaknesses. We have yet to see recommendations for either long-term, or short-term growth or goals. I don't think it would be un-

reasonable for us to expect the short-range (what we intend to do for the next year). We don't have any forecast as to what is going to happen for a long-range program (3-5 years). We have yet to determine the criteria which will be used to evaluate any new programs. The Superintendent has not furnished this Board of Education with a job description for an administrator, or a teacher applicant. He has not provided for in-service programs in the area of new

procedures and curriculum.

There has not been formulated to date a concise, detailed job description of the Superintendent's Office. They both share the responsibility of stifling the intangibles which are evident when people cooperate with one another which is necessary for the total growth of the system. It also creates the incentive in the teaching ranks to perform harmoniously. In short, it sets an example.

The Superintendent has not proposed an educational philosophy to guide our system which is necessary for the growth, character and stability of the system.

I most emphatically oppose the adoption of this resolution. To allow an increase in salary to these men is tantamount to allowing them salary without evaluating the services rendered, and, I repeat, until there is a complete reaffirmation of the duties and responsibilities of both these administrators to the Board of Education and their performance quotient has been established, I feel that their salary increments should be

held in obedience.

The Board of Education should move now to establish the criteria by which these men will be judged before the date of the first evaluation—October 1, 1972. It is certainly not professional to surprise them with an unfavorable, or favorable, evaluation without first establishing the criteria to be used to judge their performance. If we can then show the foresight necessary to

determine in advance the criteria to be used to determine their effectiveness, we may avoid problems at a future date.

Only by their performance should they be granted an increment. For us to determine their performance necessarily requires time, understanding and cooperation by all parties concerned.

The ultimate responsibility of running an efficient school system rests with the Board of

Education. I feel Mr. Greco's attack on me in the press reduced this to a personality conflict between he and I. While I refused to comment to the press on a personal basis, I would suggest that the Board of Education hold him directly responsible and accountable for his actions. There are no personalities involved as is witnessed by this report. It is the Office of the Superintendent that I challenge, and while I may

respect both men as capable, the fact remains they have not performed to my expectations.

In any reference I wish it noted that Board Member G.

Fred Burlazzi was not in attendance and took no part in the vote.

Respectfully submitted,  
Caesar Romano, Jr.,  
Board Member

## Commissioners Table Pathmark Ordinance

(Continued from Page 1) their food shopping. An Acme food store is the nearest

business and that is more than four blocks away from the old Pathmark site.

ivities. If you call now you will be given information about the current offering of Summer Fun One, Montclair's summer theater, theater parties to Broadway shows; trips to nearby spots of interest; and other campus happenings.

## Salary Freeze Fails

(Continued from Page 1)

understanding," said Mahmarian. "During the next six months their (Greco and Rosamilia) job specifications will receive a thorough evaluation and the Board will look further into their job descriptions. We are entering a new era in our school system and we are moving ahead."

Schwartz, on the other hand, was stronger in his comments.

"I don't think the personal business of the school system should be aired in the press," he commented at the special Thursday meeting. The resolution states that Greco's and Rosamilia's salaries are fixed at the "boost" indicated from July 1 to December 31, at which time the School Board will again vote whether or not to extend those raises. Mahmarian explained that the Board is still in the process of setting up new job evaluations for both administrators. Mahmarian added that Rosamilia's job description must be expanded upon and his responsibilities broadened. The Board president was confident that the ruling by the Board was the correct thing to do.

"We feel it will work well. We will have a three-month evaluation and again another full evaluation at the end of December," Mahmarian commented. "The Board is looking to improve the system."

Mahmarian claimed "the press blew the whole thing out of proportion." As to the personality conflict between Greco and Rosamilia, Mahmarian believes the two can operate in harmony and the Board's decision Thursday evening was looked upon as a vote of confidence that the two top administrators can work together.

\*\*\* If you know all the answers to the problems of your friends, keep them to yourself.

## Young Democrats President Is Back From Convention

Larry Spinelli, president of the Belleville Young Democrats, recently attended the convention of the New Jersey Young Dems in a three day session held June 16-18 at the Atlantic City Holiday Inn.

Spinelli was one of the eighteen members of the delegation from Essex County, the largest at the convention. All counties were represented and the number of delegates was determined according to population.

Spinelli is a junior at Drew

University and is completing his first term as president of the newly formed Belleville Young Democrats. Spinelli was the only delegate from northern New Jersey who served on the convention's rules committee. Many important resolutions were acted upon in this committee ranging from the legalization of marijuana to the Governor's tax proposal.

The convention also elected a complete new slate of officers who will serve for the next two years. The new president is Ted Yim of Mercer

County who defeated Bob Russo of Newark. The convention also endorsed the candidacy of George McGovern for the democratic nomination for President.

Spinelli said of the convention, "We acted upon many problems in varied fields. Many may seem a little impractical and unrealistic at first glance. Our hope is that the New Jersey Young Dems can be the catalyst group within the regular party to get some of these needed reforms changed from words on paper to reality."

# Local Pair Guilty Essex Employed Down Of Defraud Intent Says Census Bureau

William James, 19, and John Thomas, 25, both of 20 Bayard Street were convicted of intent to defraud in Belleville Municipal Court in separate trials over the past two weeks. Judge Edward Abramson sentenced James to two months in the Essex County Corrections Center and four months probation and a \$100 fine, and sentenced Thomas to 40 days in the center.

Employment in the private sector of the New Jersey economy totaled 2,121,015 in March 1971, a decrease of 44,221 from March 1970, but payrolls amounted to \$3.9 billion, up \$144 million, according to a report issued today by the Bureau of the Census, Social and Economic Statistics Administration, U.S. Department of Commerce.

Essex County had the largest employment, 346,110, a decrease of 15,982, and payroll, \$669.8 million, up \$7.5 million from a year earlier.

The report, "County Business Patterns, 1971, New Jersey," is the latest in a series of annual reports providing first quarter economic statistics for States and counties. It presents data by detailed industry classification on mid-March employment, first quarter taxable payroll, and the number and employment size of reporting units for those private, non-farm business firms reporting to the Social Security Administration under the Federal Insurance Contributions Act (F.I.C.A.). A special mail survey is conducted to obtain industry and county detail not reported to the Social Security Administration.

About three-fourths of all employees in the United States are covered in the reports for the 50 States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa and Guam, and the U.S. Summary.

Not included are employees of Federal, State, and local governments, self-employed persons, farm workers and those employed in domestic and certain transportation services.

The detailed reports are useful to business and govern-

## Assault, Drugs Tied

Randy Logan, 18, of 532 Mill Street pleaded guilty to two charges of being under the influence of barbiturates and one charge of assault and battery July 6 in Belleville Municipal Court. Judge Edward Abramson sentenced him to jail terms of six months, thirty days and 20 days, all of which were suspended, placed him on probation for two years and fined him \$200.

Logan was arrested at his home July 26 by Patrolman Richard Gough for being under the influence of Tuinol. He was released on bail and re-arrested on the same charge the next day, when he was also charged with an assault on his step-father, Edward Utter.

## Top Politicos Enter Lease

(Continued from Page 1)

although Mrs. Mary Senatore, in Florida as a delegate to the Democratic Convention, and Strumolo, on vacation, did not attend. All Board of Education members also attended the meeting.

Commissioner Marotti is already leveling the land for recreation use. He stated that in a week or so actual construction may begin. The complete project will cost upwards of \$80,000 but Marotti is seeking federal aid on a 50-50 basis. The Commissioner envisions, besides a major baseball diamond, a senior citizens area, bocci and shuffleboard courts and a basketball court.

## Office Bids Received But Then Rejected

(Continued from Page 1)

bids ranged from a high of about \$30,000 to a low of \$20,000. "There is too big a gap in those bids," remarked Mahmarian. "Also, we received only one bid on electrical work. It is the Board's policy to reject all one-bid items."

Three general construction bids were received Thursday night as opposed to only one bid on electrical work. There were no bids received on heating and air conditioning work. The School Board has decided to throw out all bids and reevaluate renovation specifications with Trotta.

Also, the Board has decided to make cutbacks in construction plans to save on costs. As an example, Mahmarian cited the proposed platform in the Board of Education chambers. "At first we planned to erect a platform two or three feet off the ground so the Board of Education table would be raised in the general meeting room. Now we have decided against doing that, which saves up about \$1,500. The Board has done without this platform in the past and they can do without it in the future. Why spend the money if we really don't have the money," said Mahmarian.

The School Board still hasn't decided how to fund the project but two areas were mentioned by Mahmarian. First, he said there may be enough surplus in the budget to handle the construction costs or, the project may be included in a bond issue or whatever other means the Board decides to utilize in its building maintenance program.

The School administrative offices are currently housed in School No. 8 and moving offices into the Public Affairs Building would realize four classrooms desperately needed in that School.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## A Garden Reception Follows Perkins-Johnson Wedding

Mrs. Walter Perkins -nee Linda Johnson

The wedding of Miss Linda Ann Johnson, daughter of Mr. and Mrs. Victor Johnson, and Walter F. Perkins, son of Mr. and Mrs. Robert F. Perkins of Belleville, took place July 1 at the First Presbyterian Church of Spar-ta. Dr. David Aaronson performed the ceremony, assisted by the Rev. John Golding. A home garden reception followed.

Miss Erica Johnson was her sister's Maid of Honor, the other attendants were Mrs. Elbert McMullin Jr. and Mrs. Frank Hopp. Walter J. Kilpatrick was best man. David Johnson, brother of the bride and Mr. Hopp served as ushers.

Mrs. Perkins, a graduate of Pennsylvania State University, has a master's degree from Seton Hall University. She teaches in New Providence.

Mr. Perkins, a graduate of Valley Forge Military Academy, attends St. Peter's College and is employed as an accountant by Blue Cross and Blue Shield in Newark.

After the honeymoon trip to Bermuda, the couple will reside in West Orange.

A compliment remains the best way of insuring cooperation.

## Mr. and Mrs. Paul Bauman Honeymoon In Puerto Rico

St. Peter's Church was the setting July 2 for the marriage of Miss Cheryl Ann Hughes, daughter of Mr. and Mrs. Francis Hughes of 27 Bridge Street to Paul Joseph Bauman, son of Mr. and Mrs. Jacob Bauman of South Amboy.

The Rev. Mink of St. Peter's and the Rev. Wehlms of the Reformed Church performed the ceremony. A reception followed at Wayne Manor.

Escorted by her father, the bride wore a white organza gown accented with Alencon lace and fashioned with cap sleeves, scoop neckline, chapel train and empire waist. Pink fan pleating edged the hemline and the "waist" was grided with a pink sash.

A Gamblot headpiece of lace and pink ribbon held her bouffant veil and she carried a long stemmed pink rose.

Honor attendants were the bride's sister, Miss Ann Hughes and Mrs. Linda O'Mullan of Lake Hopatcong. Bridesmaids were Miss Georgette Urcholl and Mrs. Carol Varone of Belleville with Miss Cindy Leahy of Belleville, cousin of the bride as junior bridesmaid.

All were attired in pink voile gown trimmed with white daisies, pink wide brimmed straw hats with white trim and carried baskets of pink and blue daisies.

Frank Brylinski of South Amboy was his cousin's best man. Ushers were the bride's brother, John Hughes of Belleville, the groom's cousin, Paul Brylinski of Sayreville and John Sperry of Edison.

Mrs. Hughes chose a light blue chiffon gown with matching accessories, while the groom's mother was in a yellow gown. Corsages were white orchids.

Miss Hedwig Atherton

Will Be Wed

Mr. and Mrs. Maywood G. Atherton of 83 Hornboller Avenue announce the engagement of their daughter, Hedwig to George Frederick Sincos, son of Mr. and Mrs. Walter Sincos of 116 Washington Avenue.

Miss Atherton, an alumna of Belleville High School and Montclair State College, will teach home economics in Belleville Junior High School. She is a member of Kappa Delta Pi, National Education Honorary Society.

Mr. Sincos, a graduate of Belleville High School and Montclair State College, is doing graduate work in architecture and architectural engineering at Pratt Institute, Brooklyn.

Mrs. Paul Bauman -nee Cheryl Hughes

Mrs. Bauman, an alumna of Belleville High School, attended Trenton and Montclair State Colleges and Mountaintop Hospital School of Nursing. She is a registered nurse in the rehabilitation department of Essex County Geriatric Center.

Mr. Bauman, a graduate of Hoffman High School and Newark College of Engineering, attends Seton Hall graduate school. He is an industrial engineer with New Jersey Bell Telephone Company.

The couple will live in Belleville after an extended honeymoon in Puerto Rico and St. Thomas, Virgin Islands.

## Art Museum Has Appointed New Teachers

Two new teachers have been appointed to teach children's classes at the Montclair Art Museum beginning with the fall session it was announced this week.

Richard Dames will teach sculpture and 3-dimensional construction on Saturday afternoons to students aged seven to seventeen. He is taking over the classes formerly taught by Kathleen Schultz who has returned to full-time teaching in the public schools.

Diana S. Naspo will teach the week-day afternoon creative classes for five and six year olds. Her classes were formerly taught by Alta Parkins who is now on an extended working tour of Greece.

Mrs. Naspo has a fine arts degree from Bard College. A resident of Upper Montclair, she has taught children and adult art classes for the Ridgefield Recreation Department and was a Head Start teacher in Lodi.

Mr. Dames lives in East

## Singles Club Will Barbeque This Sunday

The Mature Singles Club of Nutley will hold a barbeque on Sunday July 16th, starting at 3 p.m. on the grounds of St. Mary's Old Church, St. Mary's Place, Nutley.

Interested persons from all surrounding communities will be welcome and music will be provided for dancing. Tickets, at \$1.50 each must be secured in advance. They may be obtained by phoning any of the following: Margaret Wasdyke (759-4411), Helen Lane (667-8838), Judith O'Rourke (667-6297). The affair will be held rain or shine.

Orange. He attended Newark School of Fine and Industrial Arts and is completing his art studies at Rutgers University. He teaches art at the Bergen County Vocational School.

Museum art classes begin the week of October 10. Brochures will be available when the museum reopens on September 10. Patricia Barries, the school registrar, advises early registration as classes fill quickly she said.

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## St. Valentine's Church Scene Of Lombardi-Grosso Nuptials

Miss Barbara Grosso, daughter of Mr. and Mrs. Joseph Grosso of 147 Margaret Avenue, Nutley, became the bride June 25 of Ronald Lombardi, son of Peter Lombardi of 80 DeWitt Avenue, Belleville and the late Mrs. Rose Lombardi.

The ceremony was performed by the Rev. John Ryzyr in St. Valentine's Church, Bloomfield and a reception followed at Royal Hawaiian Palms, Lyndhurst.

Escorted by her father, the bride wore a gown of re-embroidered Alencon lace and organza with a high neckline scalloped hemline and detachable sheer train. A mantilla headpiece held her veil and she carried a cascade of glamelias, stephanotis and ivy.

Miss Joyce Cantagallo of Nutley was maid of honor. Bridesmaids included Miss Marianne Lombardi of Belleville, sister of the groom, Miss Rosanne Fiore of Nutley, cousin of the bride, Miss Kathy Okuniewicz of Bloomfield and Miss Maria Guarino and Miss Kathy Spino of Nutley.

Their gowns featured soft pink chiffon bodices and navy blue skirts. Headpieces were pink picture hats and they carried pink parasols with navy streamers and pink and navy daisies.

Mrs. Robert Boxer - nee Wendy Irvine

## Wendy D. Irvine, R. B. Boxer Wed

John Barone of Union, cousin of the bride, was best man. Ushers were Sam Iorio of Fairfield, Jack Cox of Nutley, the bride's brother, Joe Grosso and her cousin, Paul Grosso, both of Nutley.

Mrs. Grosso chose a powder blue gown trimmed with rhinestones and ostrich feathers and matching accessories. Her corsage was of blue glamelias.

Mrs. Lombardi, an alumna of Nutley High School and Berkeley Secretarial School, is a medical secretary with Schering Corporation, Bloomfield.

Mr. Lombardi, a graduate of Essex Catholic High School, attended Seton Hall University and is presently enrolled at Rutgers University. He is with Newark Post Office and a member of the National Guard.

The couple honeymooned in Bermuda.

### Employees Group Elects Officers

The Prudential Retired Employees Assn. has elected its officers for 1972-73. Harry V. Fisher, Bloomfield, was elected president.

Other officers elected are: Harold J. Meyer, Kearny, and John W. Rittershofer, Belleville, vice presidents; Miss Janet Holden, Newark, corresponding secretary; Miss Edith Hathaway, Nutley, assistant corresponding secretary; William W. Murphy, Glen Ridge, recording secretary; W. Howard Platz, Irvington, financial secretary and treasurer; and Clarence H. Berry, Union, assistant financial secretary and treasurer.

The organization, founded in 1952, has 500 members.

Neither wealth nor position makes a man a gentleman; neither does poverty prevent a man from being a gentleman.

Miss Wendy Doris Irvine, daughter of Mr. and Mrs. William V. Irvine Jr. of 276 Washington Avenue and Robert Bruce Boxer, son of Mr. and Mrs. Raymond Boxer of 35 Division Avenue were married July 8 at Christ Episcopal Church.

The ceremony was performed by the Rev. Dr. Frederick Long with vocal music by Carl K. Struble, grandfather of the bride. A reception was held at The Cobblestones, West Caldwell.

Given in marriage by her father, the bride wore a white gown appliqued with embroidered flowers. A Camello headpiece held her elbow length veil and she carried a white orchid with pink roses and stephanotis on her maternal great-grandmother's Bible.

Miss Carlene B. Irvine of Belleville was her sister's maid of honor. Bridesmaids included another sister, Miss Roberta Irvine of Belleville, the groom's sister, Miss Gail Boxer of Belleville, Miss Linda Kaala of Belleville, Miss Patricia Fisher of Newington, Connecticut and Miss Patricia Samelson of Tarrytown, New York. Flower girl was the bride's cousin, Dianne Struble of Toccoa, Georgia.

Their gowns were of white dotted swiss with small floral print and pink floral braid trim. Headpieces were pink picture hats with organza veiling and they carried white baskets of summer flowers.

Raymond Vaccari of Mountainside was best man. Ushers were David and Richard Boxer of Belleville, brothers of the groom, Pasquale Ricci of Trenton, George Strauch of Kearny and Joseph Aliseo of Cranford.

Mrs. Irvine chose a blue polyester gown with lace bodice and accordion pleated skirt. Her corsage was of pink baby roses. The groom's

## Mary Riccio, John Libertell Are Married In St. Anthony's

Miss Mary O. Riccio, daughter of Mr. and Mrs. John Riccio Jr. of Newark became the bride June 24 of John A. Libertell son of Mr. and Mrs. John V. Libertell of Newark.

The Rev. John Colabelli performed the ceremony in St. Anthony's Church, Belleville. A reception followed at White Eagle Manor, Bloomfield.

Escorted by her father, the bride wore a gown of silk organza and lace with a beaded lace bodice, scalloped hemline and chapel train. A matching Camello headpiece held her veil and she carried miniature carnations and baby orchids.

Miss Angela Leone of Newark was maid of honor. Bridesmaids included Miss JoAnn Failla of Kearny and Miss Shirley Scavone and Miss Margaret Palo of Newark. Flower girl was Andrea Zack of Newark.

The maid of honor and flower girl were in gowns of soft pink chiffon, wore tiny bows in their hair and carried pink parasols with pink and blue carnations. The others wore aqua chiffon and carried blue parasols with pink and blue carnations.

Mrs. John Libertell - nee Mary Riccio

Angelo Palo of Newark was best man. Ushers were Louis DeMoe of Belleville and Thomas and Charles Riccio of Newark. Ringbearer was Joseph Riccio of Lake Hiawatha.

Mrs. Riccio chose an aqua and silver gown trimmed with silver and a corsage of baby white orchids. The groom's mother was in lavender chiffon over pink with beading trim. Her corsage was of lavender orchids.

Mrs. Libertell, a graduate of Essex County Vocational

and Technical High School, is with Wallace & Tiernan, Belleville.

Mr. Libertell, an alumnus of Barringer High School, Newark, served two years in the Army including a tour of

Miss Nancy Dean, daughter of Mr. and Mrs. Gerald Dean, 50 Hickory Road, has been named to the dean's list at Russell Sage College, Troy, N.Y., where she is a junior majoring in history.

## LIFE EVERLASTING!

This is the greatest good news the non-Christian world has ever had. The Christian God of unselfish love has guaranteed everlasting life, not alone to Christians but to every one else living or dead. (John 5:28-29; 1 Tim. 2:3-6; 4:10; 1 John 2:2; Mat. 25:31-40; Rom. 2:10)

In God's new world to come, he is giving the non-Christians a second chance to take advantage of his generous offer. All of us who have accepted Jesus Christ in this world will enjoy special privileges and the Israelites in deed will benefit from their unique relationship with God. (1 Chron 16:16-18; Acts 3:21)

If you are interested in the following, write for "Free Bible Facts", M.W. Hart, Box 53, Glen Ridge, N.J. 07028. The four kinds of Christians from the wolves in sheep's clothing to the Saints; "life immortal" (Rom 2:6-7; 1 Cor 15:53) "partners of divine nature" (2 Peter 1:3-13); the "second death" (Rom 2:8; Rev 2:11); the miraculous or supernatural nature of Christianity; "baptism of the Holy Spirit" (Mat. 3:11; Acts 19:1-7); "the dead know not anything" (Eccl 9:5-6; Job 14:20-21; Ps 65; Dan 12:2). Your own status in the world to come should be important to you.

## Joyce Randazzo, T.J. Grehl Married By Groom's Uncle

Mrs. Thomas Grehl -nee Joyce Randazzo

Wedding vows were exchanged June 25 in St. Anthony's Church, Belleville by Miss Joyce Mary Ann Randazzo, daughter of Mr. and Mrs. Joseph Randazzo of Bloomfield and Thomas James Grehl, son of Mr. and Mrs. Frederick Grehl of Newark.

The ceremony was performed by the groom's uncle, the Rev. Paul Grehl. A reception followed at Neptune Inn.

Escorted by her father, the bride wore an empire gown of peau de soie with appliques of chantilly lace on the bodice and sleeves. Her mantilla was also trimmed with lace and she carried white orchids and carnations.

Miss Diane Randazzo of Bloomfield was her sister's maid of honor. Bridesmaids included the groom's sister, Miss Patricia Grehl, Mrs. Joanne Ciampi and Miss Charlene Triano of Belleville, Miss Lenore Belmont of Newark, Miss Donna Zelchski of South Plainfield and Miss Denise Mazzeo of Bloomfield.

They were attired in lavender and purple gowns with long bell sleeves. Headpieces were Juliet hats in purple for the honor attendant and lavender for the others.

James Grehl served his brother as best man. Ushers were James Kushner of Metuchen, Arthur Monoco and Michael Kelly of Newark. James McCormick of Irvington, William Kelly of Avenel and Gary Gagliardi of Lyndhurst.

Mrs. Randazzo was in an apricot gown covered with silver netting and silver accessories. Her corsage was an apricot orchid. The groom's mother was in a lavender gown with purple braided vest and matching accessories. Her corsage was a purple orchid.

Mrs. Grehl, a graduate of Mt. St. Dominic Academy and Seton Hall University, is in the accounting department of De Candy & Kipp, Inc., Verona.

Upper surfaces of leaves become covered with sticky "honeydew" excreted by the insects. Sooty mold develops on the honeydew and imparts a blackish discoloration to leaves, according to Mr. Munk.

To control whiteflies dip or spray plants in a solution of malathion or rotenone, the expert advises. Be sure to wet the underside of the foliage.

Several applications at weekly intervals are usually necessary to obtain adequate control.

Mr. and Mrs. Frederick Johnson -nee Roberta Moore

## Roberta J. Moore Connecticut Bride

First Congregational Church of Lyme at Hamburg, Connecticut, was the setting April 8 for the marriage of Miss Roberta Joan Moore, daughter of Mr. and Mrs. Alfred Moore of 306 Little Street to Frederick Charles Johnson, son of Mrs. Charles Johnson of Lake Mills, Iowa and the late Mr. Johnson.

The ceremony was performed by the Rev. Thomas L. Hall and Dr. James L. Spangenberg, former professor at the University of New Hampshire. A reception followed at Griswold Inn, Essex, Connecticut.

Given in marriage by her parents, the bride wore a white silk organza gown trimmed with Venice lace and blue ribbon. It was fashioned with bishop sleeves and detachable chapel train edged in lace.

A Camelot headpiece held her two tier silk illusion veil and she carried a nosegay of blue daisies and white stephanotis.

Mrs. Robert Ross of Old Lyme, Connecticut, sister of the bride, was matron of honor with the bride's niece, Karen Ross as flower girl.

Both wore gowns of blue and lavender floral print trimmed with blue satin and

matching bow headpieces. They carried nosegays of yellow daisies and ice blue pom poms.

Donald Aamodt of Oxon Hill, Maryland, brother-in-law of the groom, was best man. Ushering were James O'Sullivan of Boston, Mass. and Mr. Ross, Bobby Ross, nephew of the bride, was ringbearer.

Mrs. Moore chose a French blue polyester dress with matching accessories and a maize cymbidium orchid corsage. The groom's mother chose a pink sculptured polyester dress with matching accessories. Her corsage was a pink cymbidium orchid.

Mrs. Johnson, a graduate of the University of New Hampshire, is a research assistant in the Office of Human Services, Boston, Mass.

Mr. Johnson received his bachelor's and his master's degrees in business administration at Mankato State College, Mankato, Minnesota. He is a financial analyst with National Shawmut Bank, Boston.

The couple are living in Quincy, Mass. after a sking honeymoon at Stowe, Vermont.

## Whiteflies Can Be Eliminated From Plants

Adult whiteflies are about one-twentieth of an inch long

with white, wedge-shaped wings. When infested plants are moved the adults take flight. They resemble tiny snowflakes swirling in the air.

Immature stages are attached to the undersides of leaves and are very difficult to control.

Both adults and young feed on the leaves of plants by sucking out the juices. Infested leaves become pale, turn yellow and die or drop off, says William F. Munk, senior county agricultural agent of Essex County.

Upper surfaces of leaves become covered with sticky "honeydew" excreted by the insects. Sooty mold develops on the honeydew and imparts a blackish discoloration to leaves, according to Mr. Munk.

To control whiteflies dip or spray plants in a solution of malathion or rotenone, the expert advises. Be sure to wet the underside of the foliage.

Several applications at weekly intervals are usually necessary to obtain adequate control.

## Mow Your Lawn At Proper Time

Mowing the lawn at the right time is just as important as mowing at the correct height, having sharp blades and using a properly adjusted mower.

In this damp, warm weather this may mean mowing every three days, if necessary, to have a well-groomed lawn and give the grass the care it needs. When summer comes and growth is slower the number of cuttings can be reduced.

What is the proper time? William F. Munk, senior county agricultural agent of Essex County, says never allow the grass to grow more than twice the height you've set the cutting blades on your mower.

If you've got your mower set for a 2-inch cut, don't let your grass get any higher than 4 inches.

If you can't mow at the right time, adjust your mower to a higher cut and return to your original height after several mowings.

If you can't mow at the right time, adjust your mower to a higher cut and return to your original height after several mowings.

If you can't mow at the right time, adjust your mower to a higher cut and return to your original height after several mowings.

## Wise Owl Graduates

**MORNING CLASS**—Wise Owl Nursery School is proud of its June 1972 graduates. These children have enjoyed a year of fun and learning. If you would like your child to join us in the fall, please call 759-1211 for information. Members of the morning class include, first row: Joe Barrett, John DiNocera, Robert Capezani, Peter Plasecky; middle row: Medina Luongo, Brenda Pacelli, Julie DeAngelo, Debra Worley, Tracey Casale, Lauren Godfrey; standing: Bret Violette, Dana Vigilante, Cheryl Veniero, Christine Iacangelo, Philip Logen. Absent for the picture, Fred Knapp, Renee Vara, Richy Madelana, Joyce Pluck, Cynthia Santiglia.

## Gather For Pictures

**AFTERNOON CLASS**—The afternoon class includes, first row: Louis Lardieri, Scott Dill, Patrick Paolini; middle row: Betty Reilly, Lisa Paglia, Tracey Casale, Kim Cilvick, Gina Malanga, Traci Sisto; standing: Adam Melnick, Vinny Padula, Stephen Mulhearn. Absent when picture was taken, Kevin Fader, Martin Chaddock, Duane Nelson. Wise Owl is a state licensed, professionally staffed nursery school. Morning or afternoon sessions are available for the pre-school child.

### "BEAUTY TIPS"

By  
Justin

Choose apples from a low bridge to shorten a long nose—a high bridge does the opposite trick. Nails still wet, and you're in a hurry? Put hands, with fingers spread wide, into the freezer for a few seconds. For a really even tan, give midriff, tummy, and chest a head start while legs, arms and back stay covered with sun-block lotion. Spread soft butter on hands and undernails for protection when you garden—it neutralizes any acid or base elements in soil. Level, warm Renaissance look for brunettes starts with creamy foundation in a tawny shade, blushing cream or gel to burnish cheeks, then deep, red-brown cream eye shadow, blending up to beige at browline.

DO YOU KNOW THAT? You can buy permanent eyelashes at Justin's. Discount price of 3.00 for a tray of 98 lashes.

### Perfect Apple Not On Market

The crunchily bright apple you eat today may have taken 40 years to produce. It takes a heap of patience and careful selection to develop the superior apples we are now able to buy.

In most parts of the country where apples are grown, it takes many years to grow and evaluate an apple from seed to bearing age, another 10 to 12 years to propagate and test, and then additional years to produce it commercially. Apple varieties (at one time there were 8,000 named varieties) do not reproduce true from seed. Each seed planted will produce a seedling tree different from the others. Seeds from one apple will bear fruit different from the other seedlings and entirely different from the

parent apple. Is it any wonder why there have been so many thousands of varieties throughout history? Plant breeders develop better varieties of apples through carefully controlled

programs. Characteristics that they look for are: yield of tree, age that tree bears fruit, evenness of the fruit ripening, insect and disease resistance, pollination requirements, winter injury,

texture of apple, degree of acidity, keeping qualities how long it takes to ripen and flavor, texture, juiciness, etc. These are only a few of the considerations in selecting and breeding apples.

**SCHOLARSHIP WINNERS** Three New Jersey students were awarded college scholarships recently by the Industry Advancement Program of the Building Contractors Employers Association of the New York, Inc. They are (from left) Albie E. Perry of Belleville, son of Mr. and Mrs. Albie Perry Jr., Susan Lynn Harrison of Westwood and Kevin J. Murray of Old Bridge. Above they discuss their college plans after receiving their awards at the second annual Industry Advancement Program Scholarship Dinner in the New York Hilton on June 26. They were among a total of 19 sons and daughters of construction industry labor and management personnel who received scholarships at the dinner.

### Melons, Cucumbers Are Compatible

Who said you couldn't grow cucumbers and melons in the same garden?

Many oldtimers believe this but the truth is they can be planted side by side without ill effects, according to William F. Munk, senior county agricultural agent of Essex County. The two species will not cross with the plants they contaminate the flavor of the other.

Pollen carried by bees from muskmelon blossoms will stimulate fruit set on cucumbers, but the fruit will be without seed.

Even though they are in the same family, cucumbers and melons will not cross with squashes and pumpkins. However, many of the squashes and pumpkins will

cross with each other. Mr. Munk points out. If seed is to be collected from the squashes and pumpkins, each species must be grown in isolation.

If your interest is only the fruit, a cross will make no difference and they can be grown together in the same garden.

To do a good job with any of the species in the cucumber family you need adequate space. Also, they must be planted after the soil has become warm, since germination will be poor in cold soil.

When seed is planted in rows, the rows should be 6 to 7 feet apart, with the plants thinned to 2 or 3 feet in a row. Cover seed about a half inch deep.

Cucumbers and gourds do best when trained on a fence or trellis.

**Mails Wrong Package** Neosho Rapids, Kan.—When Dwight Hodson rushed out to go to work his wife gave him two packages—one his lunch and one to mail. He dropped his lunch in the mail box and didn't discover his mistake until he arrived at work.

**Life In Space** Washington—A committee of the National Academy of Sciences has reported there is a high probability that intelligent life exists elsewhere in the universe. They urged federal funding to study these possibilities.

### NATURE'S WAY

Frank Garruto Barbara Garruto

Last week we talked a little about vitamin E and said we'd look into women's special need for E. During pregnancy the need for E increases. Vitamin E apparently strengthens muscles, for when pregnant women are not given E the babies are born with such weak muscles that their heads wobble. Doctors of studies show that women who had miscarried two or more times or had given birth prematurely have delivered healthy, full-term infants after taking E in most cases. One physician states that out of thousands of infants he has delivered, as long as both parents had adequate E before conception and the mother continued the vitamin during pregnancy, not one baby has been malformed or mentally defective. An obstetrician stated that suffering is decreased when women take 600 units of E at the onset of labor. Oral contraceptives also increase the need for E. And during menopause vitamin E deficiency appears to be widespread. Coldpressed vegetable oils furnish E as well as whole grains, nuts and wheat germ.

## OBITUARIES

Joseph DiModica;  
He Organized Union

Joseph DiModica, 49 Magnolia Street, died June 26 in Clara Maass Memorial Hospital, Belleville. He was 63.

Born in Italy, he was a local resident for 20 years. Mr. DiModica, president of United Auto Workers Local 589 of Newark, organized the union at Ronson Art Metal Works in Newark in 1942 and instituted many programs for the union. Joining the post office in 1963, he became vice

president of the Mail Handlers Union in 1965-67 and national vice president in 1967-69. He was elected president of the Columbia Association chapter 2 of the Newark Post Office in 1970 and re-elected in 1972.

He is survived by his wife, Lucy, (nee Mastrantonio); a son, Joseph P. 3rd; a daughter, Mrs. Dolores Stora; four brothers, Anthony, Peter, Angelo, and James;

two sisters, Miss Francesca and Mrs. Mattia Balsano, and three grandchildren. A Requiem Mass was held Saturday in St. Anthony's Church, and the funeral was from the Zarro Funeral, Bloomfield. Interment was in Immaculate Conception Cemetery, Montclair.

Mrs. Esposito;  
Born In Italy

Mrs. Mary Esposito (nee Grossi) of 129 Brighton Avenue, died July 8 in Clara Maass Memorial Hospital after a short illness. She was 68.

Surviving Mrs. Esposito is her husband, John; a daughter, Cathrine; a son, Frank; a brother, Joseph; and five grandchildren.

Mrs. Bruce Horvath;  
Raised In Belleville

Mrs. Betty Carol Seasholtz Horvath of Kansas City, Mo., died suddenly June 27. She was 33.

Mrs. Horvath was born and raised in Belleville.

C.J. Van Riper;  
He Was Retired

Charles J. Van Riper of 11 Stephens Street, died July 3 in Clara Maass Memorial Hospital. He was 69.

Born in Bloomfield, Mr. Van Riper moved here 18 years ago. He was employed by the Chevrolet Parts division of General Motors, Bloomfield, retiring eight years ago, and he was a member of the Holy Name Society of St. Peter's Church.

He is survived by his wife, Cathrine; three sons, Charles P., Robert, and John; a daughter, Mrs. Patrick Drury; a brother, Thomas; two sisters, Mrs. Charles Troop and Mrs. Raymond Carew, and five grandchildren.

Funeral was July 6 from the Murray Funeral Home.

Funeral was July 6 from the Murray Funeral Home.

MANAGER  
JAMES F. DESMOND

524 UNION AVE.  
BELLEVILLE 9, N.J.

Al Vitale, 89;  
Former Mason

Albert Vitale of 502 Belleville Avenue died June 29 in Clara Maass Memorial Hospital, after a short illness. He was 89.

Born in Italy, Mr. Vitale came here from Newark. He was a retired mason.

He was predeceased by his wife, Christina, and is survived by four daughters, Mrs. Mary Dante, Mrs. Sophie Guerrero, Mrs. Edith

D'Alessio, Mrs. Phyllis Raine, three sons, Fred, Louis, and Thomas; 11 grandchildren, and 17 great-grandchildren.

The funeral was held Monday from the De Capua Funeral Home, Newark, following a Solemn High Mass of Requiem at St. Lucy's Church, Newark. Interment was in Holy Cross Cemetery, North Arlington.

Leroy Rodgers, 17;  
Car Accident Injuries

Leroy Rodgers of 22 Washington Street died July 5 in West Hudson Hospital, Kearny, of injuries suffered in an auto accident on River Road in North Arlington. He was 17.

A lifelong resident of Belleville, Mr. Rodgers, a graduate of the Lincoln Technical School Union, was

employed as a mechanic at the Union Center Shell gas station in Union.

Surviving are his parents, Mr. and Mrs. Willis Rodgers; two sisters, Mrs. Carolyn Metzler and Mrs. Eleanor Connors; three brothers, Richard, John and Edward, and his grandmother, Mrs. Amelia Waide.

Frank Siegler Dies;  
Local Lodge Member

Frank A. Siegler of 19 Hickory Street, died Sunday in Mountsinai Hospital, Glen Ridge after a short illness. He was 84.

Born in New York City, Mr. Siegler came here in 1922. He had been employed as an importer for the Charles

Demarest Inc., Company New York City, until his retirement four years ago. He was a member of the Montgomery Presbyterian Church and the Belleville Lodge No. 108 F & A M.

He is survived by his wife Rose M. (nee Hoffmann); two sons, Frank of Wilmington, Del., and Robert of Excelsior, Minn.

How do you select the proper authorities for health information? How do you know whether health products are reliable, whether you are getting the best possible health services? Remember that unsafe sources of information, products and services include the customs and superstitions of the culture; information based on ignorance or prejudice and the expoundings of quick or information devised by him for the uneducated and gullible. Examine the sources of your health knowledge to make sure you're getting the very best.

You'll get the very best of knowledge and service when you bring your prescriptions to ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1968. Open: Daily 9 A.M.-10 P.M. Sundays 9 A.M.-9 P.M. We have a gift department and feature Times, Watches, Transistor Radios, Cameras, Cosmetics and Toiletries. Free Prescription Delivery.

HELPFUL HINT:  
To get more juice out of lemons, put them in hot water for five minutes before you squeeze them.

Scouts On  
Philmont  
Expedition

Forty-four Scouts and Explorers of the Robert Troop Council left Sunday, July 9 for a 4,000 mile expedition to the Philmont Scout Ranch in Cimarron, New Mexico.

Philmont is a 137,000 acre ranch owned by the Boy Scouts of America and located in the Rocky Mountains.

David E. Greenlaw, field director with the Robert Troop Council will serve as the expedition leader. Crew leaders include George H. Cook, commissioner of Lincoln District, John Fleming, assistant scoutmaster, Troop 38; Jeffery D. Matz, scoutmaster, Troop 55; and Lawrence Nelson, advisor, Post 19.

Greenlaw announced that the group will travel by charter bus with overnight stops to include Dayton, Ohio; St. Louis, Mo.; Topeka, Kan.; Koshare Indian Kiva in LaJunta, Col. before arriving at Philmont. The return trip will take them to Wichita Falls, Texas; Jacksonville, Ark.; Knoxville, Tenn.; Quantico, Va. and Washington, D.C. returning home on July 29.

When Life's Last Page is Turned...

Life's book is but the first, in the annals of eternity. That the funeral service may mark this bright beginning is our aim.

News

## Off To Fine Start

# Town Playground Program Now Reported In Full Swing

Belleville's playgrounds were off to a fine start this week, with many games, sports, handicrafts and parties.

At Fairway playground Joe Cassepe was Nok-Hockey champ and Donna Dellosse won the Kaloh tournament.

Both winners were treated to lunch by Directors Lauren Mansueto and Cynthia DeBonis.

Robert Freda defeated Dora Petroski by only two games to become Nok-Hockey champ at #3 playground. The children enjoyed playing softball this week and a lemon ice party on Friday topped the week's events.

This week the children at #8 playground enjoyed making pot holders and key chains. Two tournaments were held with Eddie Colum-

brito the winner in Nok-Hockey and Vito Zoppi the winner in ping-pong. Games the children enjoyed most were kickball and softball. A pizza party was scheduled for Friday afternoon.

Every day you can see basketball being played at #1 playground. Both 52 and team games are enjoyed by children of all ages. Capt. Lisa Wells led the team #1 to victory in the playground relay races.

Kickball is a very popular sport at Kelly playground. Capt. Charmella Rodriguez led her team to a close 15-13 victory. Competition was tough but Chris Wandling became the ping-pong champ of the week.

The children at the Stadium discovered an interesting way to play with water balloons. The balloons are tossed from one person to another and the object is not to break them. Running, hopping and skipping races were held every day. The final winners of the Nok-Hockey tournament were Alfonso DeMeo, Tony Castelli and Micheline DeMeo. Some fine soap sculptures were created by the children and will be on display later in the summer.

JOHN HOWARD comes in first followed by John Allis and Tim Kedy in the Tour de L'Estrie, a Canadian race. All three of these Olympians will race in Nutley Sunday.

## With Olympic Riders

# See Cyclists Sunday In Championship Race

Several thousand spectators are expected in neighboring Nutley this Sunday for a series of bicycle championship races including the 50-mile Jeffrey Husse Memorial Race which will involve Olympic team riders with the Amateur Bicycle League of America (ABL).

Events begin at 12 noon with the main attraction set for 3 p.m. The day's activities are being coordinated by the Nutley Parks Department with the sponsorship of American Legion Post 70 and the Nutley Bike Club. Depending upon the weather, crowd estimates expected vary but run up to 15,000 spectators.

Entries from at least 15 states have already been received. Nutley riders Alan Swierk and Fran Booth, both members of the local Bike Club, guessed that the event would be held, "rain or shine," and includes races for members of the Amateur Bicycle League of America as well as "stock" events for non-members or non-experienced riders. "In the interest of safety," he added, "all participants will wear the necessary head gear and also have sufficient helmets on hand for all 'stock' riders."

The semi-feature race will see an under five years of age category travelling 100 yards along Franklin Avenue. It will immediately precede the 50-mile feature event, the Jeffrey Husse Memorial Race, scheduled at 3 p.m.

Grandstands will be erected at the combined start-finish line in front of the High School. Spectators are also expected to view the race from various points along the track route which will be closed to traffic during the race.

Beginning at noon the "stock" races will be held as the initial events. The first race of the afternoon will be for Middlets; 8-11 year old boys and girls, who will be competing in a 500 yard race to begin at Town Hall on Chestnut Street and make the one turn onto Franklin Avenue to the finish line.

Juniors and Intermediates will follow in the stock race competition, each over a course of one mile, or one lap around the complete track.

ABL members compete in races of various lengths up to the featured 50-mile for Senior Men. Middlets will be making a one lap race while Senior Women race a three mile course, the same as Veteran Men. Intermediate Boys travel a five mile course while the featured juniors participate in a 10-mile event.

Several of the competing cyclists who have seen the Nutley "track" are enthusiastic about the fine lay-out. Town Engineer Carl Anlas measured the distance of the course. To his surprise and to the delight of those connected with the event Anlas found it to be exactly one-mile in length. (Measurements are taken from the curb-line, inside, along the streets to be travelled.)

## 'Spud' Game Is Hit

A variation of the game "Spud" was played at the Rec. House last week. Before attempting to give someone a letter, the person who is "it" chooses an exercise and all the children are required to do it. Bernadette Dempsey, Tommy Calabrese and Jimmy DuBoise especially enjoyed the game.

Thursday was crafts day at Fairway Playground, many children participated and created beautiful vases by gluing macaroni of different shapes to bottles. The bottles were then left to dry and then spray painted. An ice pop party was held at the end of the week.

Softball is very popular at the stadium. One game lasted the entire afternoon. The team led by Karen Place

highlighted the week's events. The children at #8 playground enjoyed making pot holders and key chains. Two tournaments were held with Eddie Colum-

brito the winner in Nok-Hockey and Vito Zoppi the winner in ping-pong. Games the children enjoyed most were kickball and softball. A pizza party was scheduled for Friday afternoon.

Every day you can see basketball being played at #1 playground. Both 52 and team games are enjoyed by children of all ages. Capt. Lisa Wells led the team #1 to victory in the playground relay races.

Kickball is a very popular sport at Kelly playground. Capt. Charmella Rodriguez led her team to a close 15-13 victory. Competition was tough but Chris Wandling became the ping-pong champ of the week.

The children at the Stadium discovered an interesting way to play with water balloons. The balloons are tossed from one person to another and the object is not to break them. Running, hopping and skipping races were held every day. The final winners of the Nok-Hockey tournament were Alfonso DeMeo, Tony Castelli and Micheline DeMeo. Some fine soap sculptures were created by the children and will be on display later in the summer.

Checkers and Nok-Hockey tournaments are underway at the Recreation House, and Terry Yaiser is the winner of the girls checker tournament. On Friday the children enjoyed the watermelon party.

## On July 4 Stadium Hosts Rec Field Day

The annual field day for Belleville children was held on the fourth of July at the Stadium. Approximately 300 children participated in several events, including a sack race, an obstacle race, 50, 75, and 100 yard dash, a girls' relay, and a tug-of-war for the boys. Children ages 6-10 participated in the Junior Division, ages 11-14 were in the Senior Division.

Mary Ann Gromulinsky and Marita Hochstulh crossed the finish line first in the 50-yard race for senior girls. Lee Romano and Fran Morci came in first in the Senior Boys Division. In the Junior Girls Division, Laura Caruso and Diane Preuster were the winners; boys winners were Dave Starr and Martin King.

## Crafts Program Inventive

The Belleville Recreation crafts program has gotten off to a good start. The first week was spent working with the elementary handicrafts such as lanyards and portholders. The children at the various playgrounds are really using their imaginations to invent uses for the materials. By (Continued on Page 12)

In the Junior Division of the obstacle race, Danny Borgo defeated all competition to become champion. Lisa Scarnegi was the winner for the junior girls. In the Senior Division, Robert Villano and Donna Dellasso took home trophies.

## Handicrafts Workshop Held For Directors

On Tuesday June 27, arts and crafts workshop was held at the garage of the Nutley Parks Department for the benefit of playground directors and supervisors in the area. The workshop was conducted by Jaquie Weis, a representative of the S & S Arts and Crafts Company of Colchester, Conn.

Weis set up a display and a demonstration of various examples of the company's materials such as flo-film, decoupage, pariscraft, barpak wall hangings, assorted jewelry, and metal tooling just to name a few.

The workshop was a valuable experience for all those who attended. Although most of us were already familiar with much of the materials presented, we were introduced to many new ways of using them. We also given the opportunity to work with some of the craft materials.

It was also valuable in that, with all the materials presented, arts and crafts was approached with a budget minded point of view with an emphasis on projects that were good as well as inexpensive. With the use of some of these ideas as well as those already planned, the Recreation Department feels confident that we can look forward to a good crafts program this summer.

## Second Season Begins

# Rotary Tops American League; Nationals Tied

The Belleville Little League again began action after two weeks of delays. The League is now entering its second half of the season.

In the American Division of the Little League the Rotary Club leads the standings with a 2-0 record. Right behind is Rifolo and the Varsity Club, both in second place with 1-0 marks. Wallace and Tienan and the Elks Club both have yet to win while losing one game and the B.I.A.C. is 0-2. Landolfi has yet to play a contest.

The National Division shows the Kiwanis Club and Mills sharing the top spot with the Kiwanis and Mills both at 2-1. Both the Kiwanis and Mills are one game behind none, P.B.A. and the F.M.B.A. are at 500 with one win and one loss and the Knights of Columbus have one loss and no wins. The Amvets have dropped two consecutive games and have won none and Jolly Cleaners has yet to play in the second half.

The big upset of the week in the American League was the Rotary win over Wallace and Tienan, who had won seven consecutive encounters. The National League was hit the hardest by heavy rains and Kiwanis and Mills lead the League with only one victory apiece.

When the Lions shut out P.B.A. there was a pitchers battle. Frank Scarpelli struck out 13 batters and Mike Flynn fanned 10. The Lions scored three runs in the eighth inning to win the game. Bob Raciopoli lead the batters with three hits. The Lions beat the Amvets with four runs in the second innings. John Weisbrod pitched in one run on a single. Scarpelli pitched a strong game for the Lions and allowed only one hit.

Mills defeated the Amvets, 8-4. Loose defense enabled Mills to score four runs in the third inning and to remain ahead for the rest of the game. Leading Mills in the hitting (Continued on Page 12)

JOHN ALLIS, 29 years old, lives in Cambridge, Mass., and is a hospital administrator. He was a member of the 1964 and 1968 U.S. Olympic teams and has won three of the season's six Olympic Development races.

JIM HUETTER is 21 and a student from Amherst, N.Y. He has been riding for 10 years and was a member of the 1971 Pam Am team.

DOUG DALE, 25, is a social studies teacher in Westport, Conn., and has two children. He won the Tour of Middlesex Olympic Development stage race and has been riding for 10 years.

STAN SWAIM, 36, is employed as a construction worker and lives in Littleton, Mass. He started biking in 1961.

BOBBY PHILLIPS, 25, was National Midget Champion 18 years ago and 10-mile champion last year. He won the ICA 100 Olympic Development race this year and lives in Baltimore where he works in the shipping department of the Four Roses distillery.

TOBY SWEENEY, 20, is a student who changed sports from Olympic kayaking to bicycling just one year ago. He lives in Pennington, N.J.

ED PARROTT was 23 last month. He lives in New York City where he works as a bicycle mechanic. He took up cycling five years ago and also does speed skating and hockey in the winter when he is employed as a skate guard.

# Olympic Cyclists In Area Competition Sunday

(Continued from Page 11)  
Orechio. It is generally thought, but not stated, that all involved would like to see the bicycle race develop into an annual affair and, possibly, be the culmination of our July 4 ceremonies.

"Much depends on how well it goes this year," commented Fran Booth. "We're hoping for a good day. We know we have the riders; we'd like to see a good crowd, because we know they will enjoy the day."

Winners of all races will receive awards immediately following the final race. A long list of prizes has been gathered and are in accord with A.B.L. standards. The Nutley Bicycle Club has

raised more than \$1,000 in prizes for all categories during the day.

In the featured "Jeffrey Husse Memorial Race" lap prizes will be awarded to the

Senior Men. That is, the first rider across the line at the end of 5, 10, 15, 20, etc. mile marks will receive special awards. In addition, the rider who leads for the greatest number of laps also wins a handsome prize, such as equipment, gift certificates,

throughout the game. Both the Bears and the Yankees showed the hitting and fielding that got them to this final game.

The Bears came to bat in the bottom of the 6th trailing 6-5. They scored two big runs to take a 7-6 lead. The Yankees got two quick hits in the top of the seventh, but good fielding by the Bears stopped them from scoring and the Bears became the Peanut League Champs.

## Americans, Nationals

## Local Little League Sets Second Season

(Continued from Page 11)

column was Joe Tamborini with two hits. For the losers it was Bill Murphy, who also had two safeties. Kiwanis beat the Lions Club 7-3 behind the four-hit pitching of Don Tsoukias. Steve Dondarski scored three runs for the winners. Biancardi defeated B.I.A.C.A. behind the no-hit hurling of John Herko. The score was 2-0. The top batter for Biancardi was Mike

McNulty who had two strikes. F.M.B.A. defeated the Knights of Columbus 7-4. The local Knights were leading in the game four to nothing up to the fourth inning when F.M.B.A. opened up and scored five runs. The winners scored two more insurance tallies in the bottom of the fifth frame. John Lupo pitched a one-hitter for the winners behind the three hits by Gary Chamberlain. Bobby Dutch led the hitting for the losers.

## Recreation Crafts Program Begins

(Continued from Page 11)

making a simple mistake, they invent new stitches and pass their ideas to the rest.

Some of the playgrounds also made hotplates out of popsicle sticks, wooden beads and elastic. They brought good results, especially from the playgrounds where there is a younger group of children. Making hotplates, the little ones enjoy a feeling of accomplishment because they need very little assistance from the directors.

As a result of bad weather and the long fourth of July weekend, the past week few days were spent making macaroni vases out of bottles and

different shapes of macaroni, and for a finishing touch, spray paint. As well as being fun to make they were very attractive. The children employed their imaginations creating new and exciting designs with the macaroni. The younger as well as the older produced beautiful as well as unique projects.

It's great to see the directors and the children putting their minds to work thinking of ways to use left over materials or those brought from home. #2 Playground for example, is experimenting with macaroni using left over beads and string. The stadium kids made soap sculptures by mixing Ivory Snow with water.

## Peanut Playoff To White Sox

Two Somerville "name" riders are also expected to make the Nutley Tour; they are Current New Jersey State Road Champion Steve Desmond, winner of the 205-mile New Jersey State event, and fellow townsman Joe Salino, who defeated two-time Olympic Champion Alan Bell at the Kissena, New York race.

Beck's Column

Occasionally customers ask us which color TV is best. The answer is: all brands of color TV are good, generally speaking. Of course there are some differences and it is best to stick to well known brands. If you do that, you can't go far wrong.

Taken for granted that there is not much difference between the different manufacturer's products, which one should you prefer? As we have pointed out in this column many times, just as important as the brand, if not more so, is the service that goes with the set. It stands to reason that a store that supplies its own service, won't sell merchandise which is troublesome. This really is your best guarantee.

As many people found out to their regret, they really had trouble on their hands when a TV set failed, particularly if this happened during the guarantee period. It is unfortunate that so many TV sets are sold in stores where they have no service facilities. They give you a telephone number to call if you have trouble and it is a portable set you may have to bring it to Newark, Elizabeth or Jersey City. These are the places where most of the better known brands offer service facilities. This means travel on congested highways, for many people lost wages and the inconvenience of being without the use of the set until it has been repaired, plus another trip back and forth. That can not happen with us, because

We Service What We Sell.

## Variation Of 'Spud' Seen At Rec House

(Continued from Page 11)

became the winner. In the Nok-Hockey Tournament, Eddie Aulisi was champ, and Jackie Baumgartner won the ping-pong tournament.

A new game at #9 playground, Four Square was introduced to the children after their morning exercises. It was such a success a tournament was held. Anthony Insano defeated all competition to become the winner. The younger girls participated in relay races. The members of the winning team were Debbie Record, Linda Insano, Kathy Tighe, and Annie Tighe.

At #4 Playground stickball is very popular. Eight teams with two boys on a team played in a tournament. The first place winners, Donnick, Socco and Anthony Ferrara, were rewarded with lemon ice. Angelo DeJoseph and Anthony Dondarski won second place. In other tournaments, Lu Ann Kressler and Steven Dondarski won first and second place respectively, in Nok-Hockey and Rick Sylvestro and Stephanie Teal were the first and second place winners at ping-pong.

Chuck Wells and Tony Coleman tied in the Foul Shooting Contest at #1 playground. Each made 17 baskets in a row. After 2 days of competition, Jody Mitchell became the Nok-Hockey Champ.

The young children at #8 playground have been busy doing handicrafts. They enjoy making pot holders, key chains and hot plates.

A new type of kickball was instituted at Kelly Playground. Runners are required to complete exercises at each base. Each baseman must also do their exercises. Lynn Marr, Lisa Pizzella and Trudy O'Connell were among those who enjoyed the game.

Pannorfi and Lisa Della Torre.

On Friday, #10 playground had a watermelon party. After the children enjoyed their treat a contest was held to see who could find the most pits. John Zecca was the winner. The children also made hotplates out of popsicle sticks and beads.

# DeWitt Passes \$ Milestone

Robert M. Williams, president of DeWitt Savings announced that the Association has reached and passed the \$50-million mark in assets, setting a new financial and growth record for the institution.

"Assets at the end of June were \$50,765,157," Williams said. "This is an increase of \$3,341,290 in 6 months alone and a growth ratio of almost 20 percent on a full year's basis," he continued.

"Member's savings increased \$45 million," Williams said.

Williams also noted the comparison between this year's financial picture and that of 30 years ago when the Association was founded. In June of 1942 DeWitt's total assets were \$659,516. Member's savings totalled slightly over \$600 thousand and mortgage loans were somewhat over half a million dollars. Williams observed that DeWitt's growth alone for the past 6 months exceeded the Association's 1942 assets by a factor of five.

Williams also stated that the completion of the Association's computerization of savings accounts has introduced new efficiencies and savings in time that make DeWitt a still more attractive place at which to do business.

In the near future mortgage accounts will go "on line" as a further convenience for customers. The recent acquisition of additional land

adjacent to the office will provide additional parking facilities and provide space for another drive-in window in the near future according to the DeWitt president.

# Grand Jury Receives Three Local Gamblers

The case against three Belleville men charged in connection with a May 6 gambling raid were referred to the Essex County grand jury from Belleville municipal court—June 22 by Judge

Edward Abramson.

All three suspects were arrested by members of the City-County Strike Force. Daniel Pacilio, 33, of 88 Columbus Avenue is charged with working for a lottery.

Caesar Rotunda, 61, of 2 Brook Street, was released on \$5,000 bail and is charged with conspiracy.

Salvatore Sorice, 40, of 9 Maier Street is charged with conspiracy.

# Belleville Cops Grab Newark Auto Thief

Albert Baxter, 27, of 364 Littleton Avenue in Newark was convicted of unlawful use of a motor vehicle July 6 in Belleville Municipal Court. Judge Edward Abramson sentenced him to a 30-day

jail term, which was suspended, fined him \$50, placed him on probation for a year and ordered him to make restitution to Mead Ford on Washington Avenue. Baxter rented the car

from Mead on October 1, 1971, but never paid the bill or returned the car. He was arrested November 18, but never appeared in court. Baxter was again arrested July 5.

Robert M. Williams President

Polish & U.S. Trade Poland and the United States have agreed to establish a joint commission that will expand trade through increased contacts on governmental and business levels.

# YESTERDAY, TODAY, and TOMORROW

A MESSAGE FROM THE MANAGEMENT AND STAFF  
AT DeWITT SAVINGS  
AS WE ENTER OUR 4th DECADE OF SERVICE

1972 marks our 30th Anniversary of service to the residents of Belleville. Thirty years of growth from assets of less than \$1 million to over \$50 million.

We are very proud of this, but more importantly what does it mean to you? It means many things. Let's look at some:

**YESTERDAY** — It is hard, now, to picture conditions in 1942 when DeWitt started. This Country, still stunned by Pearl Harbor, waged total war against formidable world powers. Many expected total defeat.

Many more didn't — among them the DeWitt founders, who decided to face the future by building for it. DeWitt established for Belleville citizens, as it provides now, a source for mortgage loans based on a realistic repayment plan, and a savings program offering security and substantial earnings.

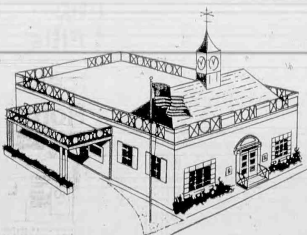

**TODAY** — Our members who came with us then have been repaid many times over. Today we can offer savings plans with interest unsurpassed in the State. Today, throughout Belleville, you can see the results of investments made through us by you, our neighbors.

**TOMORROW** — As we look into a future that, despite its problems, is far less uncertain than that of 30 years ago, we foresee an inevitable growth and rejuvenation outstripping the past.

We want to thank our neighbors who have been with us before, and are with us now — and we want to welcome you who will join and help us build for a future which is, after all, your own.

### Rights On Product

## Tri-Chem Inc. Regains Foreign Distribution

Saul Skoler, president of Tri-Chem, Inc. in Belleville, announced today that an agreement had been entered into with a former British distributor of the products of Tri-Chem, Inc. in the United Kingdom and 44 other countries, terminating all rights of the British distributor with respect to Tri-Chem's product line in the United Kingdom and throughout the world.

Skoler said that the settlement agreement represents the successful culmination of

an arbitration proceeding commenced by Tri-Chem in 1969 seeking to regain distribution rights because of the unsatisfactory performance of the former British distributor. Royalty income from this former distributor was insignificant and none has been received since March 31, 1969.

Skoler stated that the successful outcome of this proceeding opened a wide range of possible future markets for Tri-Chem's products. He emphasized, however, that Tri-

Chem had not made any specific plans for exploiting this new market, but was studying the marketing problems for possible alternatives in order to position the company to enter these markets in the most effective manner and at the most suitable time.

### Fred Burlazzi Instructs At College Course

The principles of appraising income-producing real estate was the subject of an intensive Society of Real Estate Appraisers course held at Monmouth College, West Long Branch.

G. Fred Burlazzi of Belleville, who is self-employed, participated as an instructor in the two-week course June 19-30.

The course, for advanced students of appraising, stressed application of special mathematical techniques to analysis of the return from real estate investment.

## Scouts Name Smith To Head Fun Fair

The Robert Treat Council, Boy Scouts of America, has named J. Harry Smith, president of Essex County College, as chairman of the steering committee for the Scout's Fun Fair slated for November 11 and 12 at Newark College of Engineering.

The Fun Fair, one of the major highlights of scouting activities in the Fall, will be a huge exhibit of scouting skills encompassing recreational, outdoors and civic activities.

Smith, a Maplewood-resi-

dent, is a member of the National Advisory Council on Adult Education. He earned his undergraduate and graduate degrees at Seton Hall University and is a member of that school's Board of Trustees.

A World War II veteran, Smith also served with the U.S. Air Force during the Korean War. He is a former president of the Urban League of Essex County and is a member of numerous civic and educational organiza-

tions. He and his wife, the former Marilyn Horton, have three children.

Also named to serve on the committee with Smith, were Charles Hall of the Newark Chamber of Commerce, ticket sales chairman, Lloyd Levernore of the First National State Bank of New Jersey, program and participating chairman, and Dick Reynolds of Bamberger's, public relations chairman.

J. Harry Smith

## Pair Guilty On Narcotics

Ronald Riccio, 25, of J. Duval Court in Fairfield and Amadeo Restaino, 22, of 352 DeWitt Avenue in Belleville were found guilty of possession of heroin and narcotic paraphernalia June 23 in Belleville Court. Judge Edward Abramson gave each suspended six-month sentences and placed them on probation for two years, on the condition that they complete drug rehabilitation programs. Abramson fined Riccio \$200, and Restaino, \$250.

The two were arrested June 2 by Detective Ermin Oliveri and charged with possession of a hypodermic needle and heroin. The charge of possession of narcotics was amended to possession of under two decks of heroin.

## Romeo Freda Lauded By Public Service Co.

During July, 46 employees of Public Service Electric and Gas Company will complete 25 years' service with the company and will be present-

ed gold service emblems in honor of the occasion. Included is Romeo P. Freda of 4 Fairview Place, Belleville. He is a painter.

WANTED:  
Electronic Switching  
Systems and Hardware  
Engineers  
GTE Sylvania Needham, Massachusetts  
is seeking experienced engineers to contribute  
to existing and recently awarded programs.  
You will be applying new systems concepts  
and advanced large scale integration technology  
to telephone and message switching problems.

## 6-A. MALE AND FEMALE

SYSTEMS ENGINEERING  
You will conceive, develop and validate  
new switching plans with a particular  
attention to error control and system response  
time under unusually noisy transmission con-  
ditions. You will perform overall system require-  
ments analysis, system design trade-off studies,  
validation analysis including simulation and  
testing, and software/hardware specification  
preparation. This position requires a system  
specialist in data and voice telephone call  
initiation and supervision signaling including analog  
tone, dial pulse and digital signaling over loops,  
loop groups, and trunks with in-band and  
out of band transmission. Experience in  
telephone signaling design with emphasis on  
digital communications systems is required.  
A minimum of 8 years related experience  
with a BSEE (MSEE preferred) is required.

## 6-A. MALE AND FEMALE

Complex systems and implementation consid-  
erations require a specialist who will perform  
system requirements analysis, system design  
trade-offs and specification preparation.  
Experience in advanced tactical switching and  
communications systems is required with  
particular emphasis on the operational consid-  
erations of the tactical environment including  
mobility, simplicity of operation, reliability/  
availability, cost and weight, maintainability,  
and survivability. A minimum of 8 years related  
experience with a BSEE (MSEE preferred) is  
required.  
To investigate these positions, write in confidence,  
including salary history, to:  
Richard C. Howe, GTE Sylvania  
189 B Street, Needham, Mass. 02194.  
Local Weekend Interviews may be arranged.

## 6-A. MALE AND FEMALE

TYPIST  
GAL FRIDAY/m  
The person who gets this job will be:  
1. Personable  
2. Aggressive  
3. Willing to take on responsibilities  
If you have these qualities contact  
Mr. Vaccaro, 997-1800  
for interview  
Kane Carpet Co.  
800 Belleville Turnpike

## 6-A. MALE AND FEMALE

TYPISTS

## 6-A. MALE AND FEMALE

TECHNICIANS NEEDED  
IN LIGHT MACHINERY MANUFACTURING PLANT  
EXPERIENCED WIREMAN:  
A unique opportunity exists for a man with solid experience in  
panel layout, harnessing and wiring of custom-built machinery.  
He must be able to read schematics, trouble shoot circuitry, and  
have a neat and courteous manner.  
We also seek an ambitious man with mechanical experience and  
ability. Work will include mechanical assembly, hydraulic piping,  
collaboration and testing of our line of machinery. After training,  
this man can assume servicing our equipment in the field.  
MECHANICAL TECHNICIAN:  
A man who can read Blueprints, perform layout and set-up,  
operate lathes, milling machines, grinders, etc. This job offers a  
wide variety of activities in the machining trade.  
Our company has a unique reputation as one of the outstanding  
small companies in the area. Wages and fringe benefits are at  
the highest scales. An opportunity, run high in this expanding  
company. Contact Alan Hurler-Tripomatic Division.

## 6-A. MALE AND FEMALE

EXPERIENCED MACHINIST  
A man who can read Blueprints, perform layout and set-up,  
operate lathes, milling machines, grinders, etc. This job offers a  
wide variety of activities in the machining trade.  
Our company has a unique reputation as one of the outstanding  
small companies in the area. Wages and fringe benefits are at  
the highest scales. An opportunity, run high in this expanding  
company. Contact Alan Hurler-Tripomatic Division.

## 6-A. MALE AND FEMALE

SOFTWARE SYSTEMS ENGINEERING  
The position requires a Senior Software Systems  
Engineer to participate in software analysis and  
design associated with computer controlled switch-  
ing systems. You will study methods of program  
organization, structuring of data files, and handling  
of input/output in a real time communications  
environment. Assignment will require working  
jointly with system engineers and hardware designers  
in formulating advanced digital switching concepts  
and designs. Requires BS or MS in Electrical Engi-  
neering, Mathematics, Physics or Computer Sciences  
with good academic background in data proc-  
essing disciplines and the equivalent of 7 to 10 years  
experience with 2 to 3 years in communications,  
switching software analysis, design and development.

## 6-A. MALE AND FEMALE

HARDWARE DEVELOPMENT  
You will participate in the analysis and design of  
hardware associated with automatically controlled  
solid state circuit and message switching. The hard-  
ware will be modeled to formulate advanced concepts  
and designs consistent with state-of-the-art. You will  
work jointly with system and software engineers to  
study and implement the design methods best suited  
for optimum utilization of hardware and software  
techniques.  
Positions are available for personnel with a BSEE  
and 2 to 10 years experience in the following areas:  
COMPUTER INTERFACE DESIGNERS  
Man machine interface with strong logic involvement  
COMMUNICATION INTERFACE DESIGNERS  
Should be experienced in wire/cable/HF Modem  
problems and AUTO/DIN protocol.  
ANALOG CIRCUIT DESIGNERS  
Should be experienced with 2 to 4 wire hybrid designs,  
tone generators, receivers, amplifiers, filter, analog to  
digital and digital to analog circuit design.  
POWER SYSTEM DESIGNERS  
Should have design specification and implementation  
experience in the following areas: AC/DC, DC/DC,  
DC/AC inverters, motor generators and other power sources.
