

THE BELLEVILLE TROT was run recently at Monticello Raceway and over 250 residents turned out for the Town sponsored event. Above (l-r) congratulating the winner are School Board member James Risoli; Mrs.

Connie Strumolo; Commissioner Mary Senatore; horse and driver Robert Camper; Commissioners Michael Marotti and Robert Laterza; registrar Ralph Risoli and John Monahan.

## Shade Trees Urge Locals Save Glass

Belleville's Shade Tree Committee urged residents to save glass bottles for weekly pick-up by Department of Public Works employees. The town-wide project to claim glass containers for recycling is two weeks old but more cooperation from residents is needed, officials report.

Mrs. Mary Senatore, director of Public Works, has asked residents to save glass containers and place them at curbside once a week for collection by Public Works employees. Monies realized from the drive will hopefully be used to purchase and plant new trees and shrubs to beautify the town.

Shade Tree Committee members report that pick-ups will be made Monday in the Valley, St. Peter's and Greylock sections of town. Tuesday, workers will be in the Forest section and all streets off Garden and Belleville Avenue. Wednesday collections are slated in the Bell Garden West section, Thursday the Silver Lake, Soho and Smallwood sections will have pick-ups and Friday workers will be in the Rutan

## Flood Loans Available

Certain Belleville residents whose property sustained damage from last month's heavy rains and high winds by tropical storm Agnes may be eligible for Small Business Administration Loans, reports Mayor Joseph McGreevy.

The Mayor last week received a memorandum from the Essex County Department of Civil Defense and Disaster Control that federal loans are available in this area as a result of flood damage from tropical storm Agnes.

The Small Business Administration explains that Essex County has been designated as a Class "B" disaster area. This means loans that are now available will be offered at a low 5 1/2 percent interest charge.

Loan applications may be obtained at the Newark Disaster Loan Office, 850 Broad Street, Newark, with a telephone of 645-3973 or 645-3981. The office will be open Monday through Friday between the hours of 9 a.m. and 8 p.m. and on Saturday from 9 a.m. to 5 p.m.

## Chamber Sets Another Special Sidewalk Sale

Stanley Slavin, chairman of the Belleville Chamber of Commerce Sales Promotion Committee, has announced a sidewalk sale here for August 4-5. The rain date will be August 11-12.

Chamber officials report that the sidewalk sale has

Estates and Fairway and Continental Avenue area. Collections are made by Public Works employees when they are sweep-cleaning Belleville streets. A complete list of designated days of collection may be obtained by calling the Department of Public Works at Town Hall or by writing the Shade Tree Committee, c/o Public Works Dept., Town Hall.

## '72 Graduate Benefactor

## Italian - American Civics Will Award Scholarship

The Belleville Italian American Civic Association will honor a graduate student of Italian-American extraction from the graduation Class of 1972 from Belleville High School. This outstanding student will be chosen for their scholastic and leadership achievements in the field of education.

A scholarship grant will be presented to the student at the Belleville Italian-American Columbus Day Dinner and Dance which will be held on Sunday, October 8, at the Wayne Manor 1515 Rt. 23, Wayne. At the present time, students are being screened by Board of Education member G. Fred Burlazzi and his committee consisting of Aldo DiChiara, National Commander of the Catholic War Veterans, Emil Casale; attorney for the Zoning Board of Belleville, Carl DeJura, local teacher and Frank F. Ceres, civic leader.

The following members acting on the various committees are Aldo DiChiara, chairman; Adolph Vecchione, co-chairman; Mrs. Lena Carlo, co-chairlady; Mrs. Catherine Zarra, co-chairlady; George Sbarra, tickets; John Carlo, ads; G. Fred Burlazzi, scholarship; Vincent Carlo, entertainment; Ladies Auxiliary.

The president of the organization Vincent Vecchione will be the honorary chairman and he states that the Ad Book will be dedicated to the following members of the organization: Hon. Robert Laterza, Hon. Michael Marotti and G. Fred Burlazzi, all elected officials in the town of Belleville.

proved to be one of the most popular events operated by the Sales Promotion Committee. Participating stores can easily be identified by red and yellow posters displayed in windows. Hours for shopping are 9:30 a.m. to 9 p.m. Friday and 9:30 a.m. to 6 p.m. on Saturday.

## Ex-Councilman Here Writes Weekly Column

James R. Golden — former town councilman and Belleville's best known political critic — will join the Times-News as a regular columnist beginning next week.

"I'm really looking forward and anxious about this new opportunity with the Belleville Times," Golden said today. "Hopefully, I view this as an opportunity to ac-

complish for our town many of the things I had hoped to do as a public official."

The column will be titled, "Golden Comments" and Times-News Publisher Frank Orscho assures that "Jim Golden will be given a free reign to investigate and report upon municipal activities as he deems fit."

What will the column cover?

## Public Cordially Invited

## Board To Review Pay Controversy Monday

The Board of Education has scheduled a special meeting Monday evening to discuss the controversial salary increases recently granted to superintendent of schools Anthony Greco and his assistant Michael Rosamilia. The public is urged to attend.

Last week School Board member Caesar Romano in a strongly worded dissenting report disagreed with the group's decision to reinstate pay raises to the two top administrators. Romano's written opinion claimed Greco was not functioning properly in his position and that the pair were not working in harmony for the betterment

of the school system.

Five of the seven School Board members voted July 6 to grant pay boosts to Greco and Rosamilia with the stipulation that new job classifications drawn up by them would be reviewed in three months. The School Board also stipulated that it reserved to withdraw the raises on or after December 31. In that voting block was president Richard Mahmarian, vice president Matthew Pica, Mrs. Norma McCool, Lawrence Schwartz and James Risoli. Romano was the lone dissenter while G. Fred Burlazzi has been absent the past month with other commitments. Burlazzi has yet to attend a meeting where the salary increase controversy has come up.

Mahmarian, speaking for himself and four other School Board members in sort of a rebuttal to Romano's opinion, offered a public statement to the press this week.

"The Board feels this decision is a reasonable one to the press was basically unfounded, unwarranted and erroneous. The Board

therefore invites all interested citizens to attend the next public meeting. We will allow every board member to speak his own piece on this matter," Mahmarian stated.

Romano this week had no further comment on the controversy but he did say he has received many phone calls

and personal comments backing him up on his stand.

Greco was granted an increase from \$28,000 to his current salary of \$29,264 while Rosamilia, who is covered under a contract drawn up with school administrators, now receives \$26,100 compared to his past pay of \$24,780.

## Three Men Rob Bellwood Liquors

A local liquor store was robbed of over \$300 last week when three young men entered the business just before closing and demanded money from the owner-operator. Belleville police said a suspect believed to be involved in the robbery was arrested two days after the crime.

Bellwood Liquors, 573 Belleville Avenue, was the scene of the hold up on Wednesday, July 12, shortly before the 10 p.m. closing time. Mrs. Michael Gubilo, owner and operator of the store, told police that the three men entered the premises and told her to lie on the floor. Although the three did not show a weapon, police report that they did threaten Mrs. Gubilo with bodily harm.

After Mrs. Gubilo was forced to the floor the bandits helped themselves to the cash register and took an estimated \$300 in cash. Police report that the three then fled in a late model car, believed to be parked nearby.

Two days later detective Clayton Rossi, with the assistance of other Belleville police officials, arrested a 23-year-old East Orange man and charged him in the robbery.

## Try Again Tuesday Resolving Pathmark Ordinance Question

Tuesday on the fate of a proposed ordinance to regulate the opening and closing of food stores here. After a public hearing, the measure was tabled at the last Commission meeting when Mayor Joseph McGreevy noted that two of the Town Fathers were missing from the meeting.

The measure was initiated by Commissioner Robert Laterza after the Pathmark Food Chain began a pincer attack keeping all its stores open 24 hours per day. Pathmark operates a store in the Silver Lake section of town and that is the only business in the municipality to be affected should the ordinance be adopted.

Several residents at last Tuesday's public hearing on the proposed bill spoke against the adoption of such a measure. Most speakers said they saw no legitimate reason why the store shouldn't be open all night and added that

## Clara Maass Lists Financial Report

In a special eight-page supplement to the Belleville Times-News today, Clara Maass lists its financial report for last year. Also, the supplement further familiarizes residents with the varied activities of the Memorial Hospital.

The special report includes a president's report, the executive director's message and the medical director's statement of affairs.

(Continued on Page 3)

SCHOLARSHIP WINNER last year from Italian American Assn. was Josephine Maiorca, valedictorian of Class of '71. Aldo Di Chiara (left) and Frank Ceres presented award. Group is now choosing recipient for Class of '72.

## Convention Memories Mixed Mary Sees The Good, The Bad, & The Ugly

By John J. Bunevich

Mrs. Mary Senatore, Belleville's claim to fame at the Democratic National Convention last week, returned from Miami Beach Friday with many happy but also some unpleasant memories of that once in a lifetime opportunity.

The overriding thought in Mrs. Senatore's mind this week was that herself and 21 other uncommitted delegates from Essex County were for the most part mistreated by the McGovern faction in the New Jersey delegation.

As is already common knowledge, Sen. George McGovern was chosen as the Democratic Party's candidate for president on the first ballot in the Wednesday night session of the National Democratic Convention. McGovern quickly sanctioned Sen. Thomas Eagleton of Missouri as his vice presidential running mate.

Mrs. Senatore, Town Democratic chairman for 10 years here, voted for Sen. McGovern on the first ballot but she was displeased with the treatment she received from this state's McGovern delegation.

"Within the McGovern delegation there is a lot of youth. They are very knowledgeable people but they don't know how to express it

properly. They can't win the election without the old guard. That is to say, the regular Democratic organization. They were very hostile towards myself and the rest of the Essex County uncommitted delegates," Mrs. Senatore stated.

On the balloting for vice president, Mrs. Senatore chose to vote for New Jersey's favorite son, Rep. Peter Rodino Jr., although she believes Sen. Eagleton will add much to the ticket.

"I think that it's wonderful we have such a youthful candidate now running for a top office," Mrs. Senatore remarked, speaking of Sen. Eagleton. "He's well-equipped and reported to be a hard campaigner. Also, he has the credentials to back him up."

What inspired the Belleville Commissioner the most was Sen. Ted Kennedy's speech introducing McGovern to the Convention late Thursday evening.

"Ted Kennedy and his speech was most impressive. It brought back memories of the 1964 Convention I attended in Atlantic City where the late Sen. Robert Kennedy gave such an inspirational speech," Mrs. Senatore added.

The Town Democratic chairman said she

BUSY back at her Town Hall desk is Commissioner Mary Senatore, who returned last week as delegate to Democratic National Convention in Miami Beach. Mrs. Senatore has some interesting views on doings.

(Continued on Page 2)

Reactions Are Mixed

Mary Views Demo Convention

(Continued from Page 1)

will support the McGovern ticket for election in November but that the South Dakota Senator must mend fences if he is to realize success. Apparently, Mrs. Senator will be watching for McGovern to soften some of his liberal views and develop a more moderate line.

"As Town Democratic chairman I have no choice I must support McGovern. He is the Convention's choice and I have to stand behind the candidate Essex County chairman Harry Lerner supports. But I still don't believe in some of McGovern's principles. He should listen to the older people in the party and not only the youth. Right now he's too one-sided. As a result, there was a reaction by some of the party regulars and a split developed at the convention. I agree with chairman Lerner's move to go out towards unity."

"For the good of the party McGovern has to mend fences. He may be fortunate enough to win in November but he can't win without the help of the party regulars. McGovern needs money for his campaign and he can't get the funds without the cooperation of the regular Democrats," Mrs. Senator said.

According to Mrs. Senator, enthusiasm ran high for McGovern at the Convention but that, she said, was because the majority of delegates were supporting the South Dakota Mrs. Senator reports that by far the most cheers came at the conclusion of Sen Kennedy's speech.

The delegate from Belleville also had a special message for residents here. She said the news media on the whole was pro-

McGovern and attempted to cover-up much of the difference in opinion on the Convention floor.

"I want the people up here to realize that what they saw in the press, TV, newspapers and radio was not altogether a true picture of what was happening. Much of the press worked with McGovern as not to expose the splits in the party," she commented. "The press was favorable towards McGovern."

Although Mrs. Senator did find time to enjoy some of Miami's famous sun and fun, the majority of the day was occupied by official business. More than 12 hours of every day was reserved for the task of being a delegate. According to the Commissioner, the delegation was on the Convention floor at 7:30 in the evening and for all four days the group didn't arrive at their hotel until 7:30 the next morning. Also, there was a morning and afternoon state caucus to attend every day but most times, reports Mrs. Senator, the entire uncommitted Essex County slate, including herself, walked out of the special meetings due to friction with the McGovern factions of the New Jersey delegation.

The Belleville Democratic chairman said she will call her leaders to a special meeting where she will brief them on the happenings and her observations on the National Convention. At that meeting Mrs. Senator also plans to ask the leaders their feelings on the nominations by the party.

On two most controversial issues facing the Convention, Mrs. Senator split her vote. Once she sided with the McGovern stand but on another vital issue she leaned towards

party hard-liners. Mrs. Senator voted in favor of seating the full McGovern California delegation but she cast her ballot against the McGovern supporters and in favor of seating Chicago Mayor Richard Daley's delegates.

"These delegations were representatives of the people and were elected by the people," Mrs. Senator added.

The Belleville Commissioner also was contacted at the Convention by many women's rights groups and she supports females taking a more active role in politics. However, Mrs. Senator thought it was hopeless cause by certain women delegates in attempting to nominate a woman as vice president.

"The world today isn't ready for a woman vice president," Mrs. Senator stated.

Other observations and impressions by the

Commissioner included a cordial meeting with New York City Congresswoman Bella Abzug; the handsomeness of New York City Mayor John Lindsay and the tight security.

"You couldn't get to the ladies room without being checked," she added. "The security was excellent."

Obviously, Mrs. Senator wasn't entirely satisfied with the slate nominated but she says she will do her best to get all Democrats elected in November.

"I believe McGovern will take Essex County but unless some of his platforms and views are changed I don't know what chance he has of being elected president," Mrs. Senator concluded.

Howard Smith; Bus Driver

Howard W. Smith of 24 Newark Place, died July 11 in Clara Maass Memorial Hospital after a short illness. He was 61.

Born in Newark, Mr. Smith came here 40 years ago. He was a bus driver for Transport of New Jersey for 35 years, and was Chairman of the Safety Committee at the Big Tree Garage, Nutley, for 15 years. He was, also a member of Local 819

Amalgamated Association of Street Electrical Railway and Motor Coach Employees.

He is survived by his wife, Stella (nee Lucas); two sons, Frank G. of East Hanover and Robert S. of Miami, Fla.; two brothers, Roland of Nutley and Lindsey of Lakewood; a sister, Mrs. Ruth Van Ness of St. Petersburg, Fla., and seven grandchildren.

Antonio Russo, He Was 78;

A High Mass of Requiem was offered July 3 for Antonio Russo, 14 Bellevue Avenue, Belleville, who died June 28 in Presbyterian Hospital, Newark. He was 78. Surviving are five daughters, Catherine Maninelli, Grace Travor-

Commission To Vote On Pathmark Move

(Continued from Page 1)

it would be more of a convenience to residents rather than a hazard.

Commissioner Laterza, director of Public Safety, has strongly supported the bill and claims that an all night Pathmark opening could endanger the neighborhood and bring undesirable elements into the town.

Mayor McGreevey received the full support of the Commission when he moved to table the ordinance due to lack of attendance by Town Fathers at the meeting. Mrs. Mary Senator and Vincent Strumolo were absent from the meeting. Mrs. Senator was in Miami Beach as a delegate to the Democratic National Convention and Commissioner Strumolo was reported to be on vacation.

The ordinance, if adopted,

will levy a maximum \$500 fine and/or 90 days in jail on violators found guilty.

Local Westinghouse Aids Flood Victims

Nearly eight tons of non-perishable food and cleaning supplies were sent to flood victims of Tropical Storm Agnes today.

The food and supplies were donated by Westinghouse employees in company lamp plants in Bloomfield, Belleville and Trenton. The project was a joint undertaking by the company and unions at the three New Jersey plants.

After the material was collected, Westinghouse employees packed the donations in cartons. The company is providing a huge trailer truck to transport the supplies to a Salvation Army depot in Wilkes-Barre, Pa.

# 'Golden Comments' Set In Next 'Times' Issue

JAMES GOLDEN, former Belleville Councilman and a well-known political critic, will write a regular column for the Belleville Times-News beginning next week.

## DeWitt Savings Offers Free Money Orders For Senior Citizens

Robert M. Williams, president of DeWitt Savings, has announced that the Association will handle money orders for senior citizens at no charge, effective immediately.

To qualify, Williams said, the individual must show proof that he or she has, or will have, reached the age of 65 during 1972.

Upon presentation of such proof to any officer of DeWitt Savings, the person will receive a special numbered coin for future

identification and personal use each time a money order is purchased.

The individual can then purchase, as many money orders as desired without the usual charge upon personally showing the coin to a DeWitt teller, according to Williams.

Williams stated that he welcomes inquiries concerning this new Senior Citizen policy and he or any other officer of DeWitt will be available to answer questions or implement the plan for interested parties.

(Continued from Page 1) and won election once, as a councilman under the now defunct Council-Manager form of government.

"I was the only councilman then who finished out a full four-year term," Golden laughed, recalling the heated political campaigns of the late 60's. For years, he never missed a session of the Belleville Commission. He was there either as an elected official, or as "Belleville's most famous town critic."

The column's name, "Golden Comments," is not a creation of the 1970's. "I once wrote a column under that title when I was running for office a long, long time ago. Only then, I had to pay for the space. Things have certainly changed for the Belleville Times since the days of its former owners," Golden smiled.

Golden said he would strive to serve the public interest with his new column. "My purpose is not solely to criticize, but to foster community enthusiasm and interest through constructive comments. I shall not criticize merely for political reprisal. My purpose in short shall be to provide another means to enable the citizens of Belleville to become more acquainted with town affairs."

The first edition of "Golden Comments" will appear in next week's edition of The Belleville Times-News.

# Meet Bob Faas, Dollar Stretcher:

His hard line on operating expenses makes things a little softer on you.

Bob's job as a Senior Systems Analyst is to get maximum output and efficiency from our computers that screen, record and store information, handle all enrollment transactions, and issue checks for the more than eight million eligible claims we pay every year.

Bob takes a hard line on operating expenses. Recently, the people in our Systems Department developed new procedures that will extract more efficient work from our computers at a savings of \$65,000 a year.

Thanks to people like Bob and our other dollar stretchers, the operating expenses for New Jersey Blue Cross and Blue Shield are only a few pennies of each membership dollar. About one-third the operating expenses of commercial health insurers.

Bob Faas. It's your dollar he's stretching. He's another of the many reasons we deliver more health care for your health-care dollar.

## 24-Hour Shopping

The Belleville Town Commission has tabled a measure which would regulate the opening and closing of food stores throughout the town.

We believe the adoption of such a law infringes upon the rights of citizens. If a store owner wants to keep open his establishment at 3:00 in the morning, why should not a local citizen have the right to shop at 3:00 in the morning.

Public officials are elected to serve the people and their needs.

We believe Belleville Commissioners would be upholding their oath of office in a

more responsible fashion by permitting stores to remain open 24 hours a day if this is the desire of the store keeper. There are two main points involved in the present proposal—freedom of private enterprise to open and close its doors and freedom of the buying public to do its shopping at hours convenient for itself and at hours to meet the public's needs.

*Frank A. Orechio*

## Hooray For Our Side

This week the New Jersey Assembly defeated a state personal income tax proposal by a vote of 52-23.

The income tax bill was the cornerstone of 55 separate bills intended to put into effect a tax "reform" program which would allegedly relieve the real estate owner of the heavy tax burden.

We opposed the tax reform package. It was, and is, our opinion the tax proposals would not relieve the property owner of an increasing tax burden. It was our further opinion that the final result of the tax package would end up placing an additional tax upon our already overburdened citizens.

It is to the credit of our two Assemblymen, John Dennis of Verona and Carl Orechio of Nutley, both Republicans,

that they voted against a state personal income tax.

Both Dennis and Orechio acknowledge that tax reform is necessary. Both Dennis and Orechio believe the real estate tax burden should be reduced. But both Assemblymen believe the tax package proposed this week would not serve the best interests of New Jersey and its people.

Three cheers for the people and their Assembly representatives.

*Frank A. Orechio*

## The Alimony Racket

American courts continue to allow smart alimony lawyers to exploit and victimize men who have divorced, or been divorced by, their wives. In nine cases out of ten the man is saddled, perhaps burdened for life, with alimony payments because he, as the law sometimes requires, assumes the role of the guilty party.

The law of probability alone is that the man is not primarily guilty more than fifty per cent of the time but the American male rarely gets the benefit of the odds or facts. Some countries now allow men to gain custody of their children but it is extremely difficult for a man to gain custody of his children in most U.S. states, even when he had obviously been the more responsible parent.

How ironic continuance of this racket

is in a country where women are so loudly claiming discrimination, demanding equality and entry in every field, and getting it often getting equal rights and keeping traditional advantages!

There is a current surge of common sense sentiment in favor of no-fault automobile insurance and it should and does logically include sentiment for new laws and customs based on no-fault divorce.

Lawyers long highly skillful and profitable in the alimony and custody rackets, like lawyers long profiteering in automobile accident litigation, can and should apply their talents to more equitable and humane pursuits.

### Seems Only Yesterday

## Belleville Spared Racial Violence In Newark Area

### One Year Ago

Commissioner Michael Marotti said he would not install boccie courts on town-owned property on Watchung Avenue because the residents of the area did not want them. Marotti stated that people in the neighborhood had asked him to install swings and basketball courts instead. The Commissioner said that he was conducting a survey of the neighborhood before placing anything in the town-owned land.

Mayor Joseph McGreevy was unhappy with Belleville's official census figure and said he would take the town's case to Washington D.C. The Mayor was upset that the final population figures were lower than the preliminary tabulation by nearly 5,000 people. The difference, according to McGreevy, would cost Belleville a \$15,000 reduction in state aid for the Health Department in 1972.

Commissioner Vincent Strumulo, said he would fight the Erie-Lackawanna Railroad's proposed discontinuance of a crossing guard on Franklin Street. The railroad's petition was before the state Public Utilities Commission. Strumulo said that the railroad wanted to replace the guard with an automatic warning light. Strumulo felt that a custodian for the crossing was needed. "The mechanical system can fail," stated Strumulo, "and I feel that with a man there he can at least get out and warn people."

### Five Years Ago

Tina Maria Poros of 283 Stephens Street was a finalist in the sixth annual "Little Miss America" contest. The pageant, sponsored by Topper Toys, was to be held at Palisades Amusement Park. The five-year-olds were judged in pageant dresses on the basis of beauty, poise, charm, and personality. The winner of the contest was to receive an all-expenses paid trip to Florida.

The Town of Belleville considered itself lucky. The urban-fingering community was spared the more bitter consequences of racial insurrection which had ravaged the city of Newark. In less than a week, Newark had become the armpit of the state—a scene of unimaginable violence, destruction and slaughter. Although Belleville was spared the disasters of the Newark riots, officials and citizens of the town were alert to the possibility of a spread of the lawless activity. All bars and package stores were ordered closed. The Police Department detailed 30 cars to patrol the town with riot equipment.

Carpenters and electricians invaded the Town Hall to begin renovation of the building. According to Commissioner William Cullen, final plans for the \$30,000 renovation were expected to be approved without much difficulty. Most of the work was to include improvements on the large work office on the second floor across from the courtroom.

### Ten Years Ago

The Police Department acted quickly following an inauguration pledge made by Mayor Robert Laterza to drive the narcotics peddlars out of Belleville. Two alert detectives nabbed five youths in a car at Belleville Avenue and Smith Street and confiscated eight decks of heroin, a hypodermic needle, and other narcotics equipment. Two of the youths were juveniles and were released in the custody of their parents.

When the Town Council held its second

meeting, the new administrative code was expected to be one of the most important items on the agenda, but whether it would be ready for adoption was a matter of conjecture. Mayor Robert Laterza said that he hoped it would be ready but added that in such a lengthy document containing possible points of disagreement among the Councilmen that it was unlikely.

### Fifteen Years Ago

Air raid sirens sounded in Belleville and throughout the nation for a 90 minute period to signal participation in a Civil Defense exercise. Traffic was brought to a halt and pedestrians took cover. As part of "Operation Alert—1957," mock bombing raids were staged over a number of eastern cities and defense installations.

Gary Glass, son of Mr. and Mrs. Charles Glass of 30 Mt. Prospect Street, was chosen to play Bo Decker, the lead in the Theatre Encore production of "Bus Stop." Gary's show business career had begun when he was five years old when he was a member of a magicians act with his parents. After studying piano and graduating from Belleville High School, Gary started studies at the American Academy of Dramatic Arts and appeared in several productions at the American Shakespeare Festival in Stratford, Connecticut.

Chief of Police George Spatz warned that with few exceptions, all New Jersey registered vehicles were required to display a valid number inspection sticker on their windshield. According to Spatz, those who did not display a sticker were subject to arrest.

### Twenty-Five Years Ago

Petitions demanding the recall of Public Safety Director Noll were being circulated in town. It was learned from a reliable source that many citizens were receiving the petitions through the mail.

A.D. Usery, Plant Superintendent of the Liquid Carbonic Corporation, stated that steps had been taken to eliminate the noises that had drawn the complaints of neighbors in the area. As a result of a survey made by a group of engineers from Chicago, two heavy silencers had been added to stop the noise charged to the plant's operations.

### Forty Years Ago

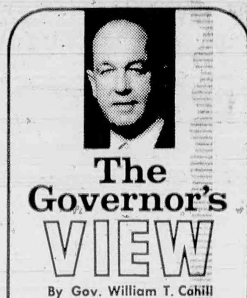

With a decision over Young Terry, the Trenton leatherpusher, dangling from his belt, Vince Dundee, pride of Belleville, was eager for a match which would place him as the middle-weight champion of the world. Max Wamny, manager of the Fairway Avenue boy, was negotiating for a meeting with either Mickey Walker, the titholder, or Maral Hot, French middle-weight, who was claiming a right to the crown.

Representatives of three widely known bakery concerns which operated wagon routes in Belleville appeared at a Commission meeting to protest against the raising of the license for each route from \$4 to \$30 a year. The three concerns contended that such an increase was excessive.

### Fifty Years Ago

Ground was broken for the erection of a new factory by the Thomson Machine Company, the main building to contain 48,000 square feet.

Mr. and Mrs. Charles Collard of Floyd Street returned from several months' automobile trip through the Southern states.

## The Governor's VIEW

By Gov. William F. Cahill

### Where Does Lottery Money All End Up?

"What did they do with all the lottery money?" is one of the questions most frequently asked - and answered - in state government.

It's a good question, and since the lottery program represents one of the best bargains the citizens of New Jersey receive, it's a question we invite.

A detailed accounting of the expenditures of income from the lottery is contained in the budget for the 1972-73 fiscal year, but it is such a bulky and formidable-looking document that few people would attempt to wade through it.

Allocation of the funds has received some newspaper publicity, but apparently not enough since many requests for the information are still received.

Undoubtedly, many people had the impression that income from the lottery would result in tax reductions. To the extent that it helped prevent greater tax increases, this is so. But to be literally correct, it would be necessary that state expenditures be stopped at the level they reached two years ago. It would mean that no one receive salary increases, no matter how deserving; that there be no additional aid for our schools and colleges; no new highway programs; no further attempts to help our poor, our old, our infirm; no improvements in our prisons; no remedies for the pollution of our land and air and waters. We would even have to default on some of our obligations.

All of these things represent the legitimate demands our citizens have made on state government in the past several years, over and above what was previously being provided. And they are demands that we've attempted to meet. We were able to use lottery funds for the demands of education and institutions, thus making regular state revenues available for the programs in the other vital areas of state government.

The unprecedented success of the state lottery in its first 29 years will have opened the doors to more than 44,000 New Jersey young men and women for college education - a significant accomplishment.

Nearly 25 cents of every 50-cent lottery ticket sold is being spent for education and state institutions. Almost the entire remainder goes directly back to the purchasers as prizes.

More precisely, on the basis of the number of 50-cent tickets sold since the lottery was launched on December 16, 1970, it has been calculated that gross receipts and interest earned by June 30, 1973 will have amounted to \$319.9 million.

During that 2 year period, net profits turned over to the state for aid to education and institutions will have totaled nearly \$151.4 million. While the law requires that a minimum of 30 per cent of gross lottery receipts go to the state, actual net profits to date have averaged 47 per cent.

Regulations require that 45 per cent of lottery receipts go back to the public in prize money and five per cent is distributed as commission to the agents who sell the tickets. These two items account for \$158.6 million in the 2 1/2-year period. The balance of only \$9.9 million have been spent for administration, operating and promotional expenses.

The detailed accounting of these funds in the current budget shows that \$111.4 million in lottery funds has been allocated this fiscal year. This will provide for substantial increases in state aid to local school districts and private elementary and secondary schools. It will also be used for essential improvements in our state institutions for the retarded and mentally ill as well as for our correctional institutions.

Examples of these allocations are the \$34.2 million appropriated to finance the second phase of the Bateman school aid program which will help relieve hardpressed local property taxpayers. Also, \$10 million is provided to help non-public schools to keep operating in the face of mounting financial problems.

The \$111.4 million of lottery funds applied in this budget breaks down to 81 separate allocations, which, of course, is too many to list here. However, this is available in pamphlet form, and will be sent to anyone requesting a copy.

## Title I Director Thanks Firemen

To the Editor:

On behalf of the faculty and students in the Belleville Remedial Instructional Program, I would like to take this opportunity to thank the Fire Dept. and its officers for the program they presented at School Number One on May 13.

The children enjoyed seeing the fire trucks and hearing about the fire-fighting techniques. I'm sure this experience will help to show each one that the fireman is his friend, and will always be there when he is needed. The Sparky coloring book will serve to remind them of this occasion.

Sincerely,  
Frank Carapezza  
Director - Title I

## Calculations Made It Clear Income Tax Would Have Hurt

NUTLEY'S POPULAR MARIO ZINICOLA of Zinicola Bakery fame is scheduled for an operation this week. He has been confined to Clara Maass Hospital building his energy to undergo the operation. I know all his friends join me in wishing Mario a successful operation and a speedy recovery.

MAYOR CARMEN ORECHIO visited his friends at Clara Maass Hospital this weekend and was surprised to be hailed by a voice coming from one of the private rooms. It turned out the voice belonged to St. Mary's Place's popular Jimmy Fusaro, a member of a pioneer Nutley family, who was a schoolmate of mine. Jimmy is at Clara Maass Hospital with a minor problem and is expected to be released soon.

DEMOCRAT CONGRESSMAN JOSEPH MINISH, whose district lines were changed to include Nutley and Belleville, was expected to have an easy time

of winning re-election this November. That is before McGovern's Miami Convention. Students of political science believe that McGovern's candidacy has changed things around for Congressman Minish and the expected easy race that he was looking forward to in November could very well end up being a very tight race.

Former State Senator "Mickey" (Milton) Waldor is the Republican candidate against Minish. Waldor is an aggressive campaigner and could be expected to push Minish to the limit. Both Minish and Waldor are clean campaigners and anybody interested in learning campaign techniques should make every effort to join the campaign staff of Minish or Waldor. This contest will probably be the best fought Congressional campaign in the United States. It presents two of the best qualified men running for Congress in a district that can go either way simply because of the Nixon - McGovern fight.

Congressman Joseph Minish

Senator Milton Waldor

REV. EDWARD WALSH, formerly with Nutley's St. Mary's Church, has written to tell me that the idea of becoming pastor of the church's West New York originated with him and not with the Archdiocese hierarchy.

Father Walsh is a very noble human being. And, his desire to help his fellow man is no surprise to anyone because this has been his total life.

Despite Father Walsh's indication that he asked for the pastore, Nutley people want him back in Nutley and it would seem to me to make a little bit of common sense for the Archdiocese superiors to have their cars cocked toward the direction of the grass roots. There are certain inalienable

parishioner rights and one of those rights is to express affection, devotion and love of and for their spiritual leaders.

REVENUE AND FINANCE DIRECTOR BILL JERNICK is entitled to the thanks of the Nutley community for his analysis of the Cahill tax package's effect upon the pocketbooks of Nutley citizens. Bill Jernick's calculations made clear that adoption of the state income tax and related legislation would hurt every Nutley citizen. My hat off to Bill for his well-documented statistical analysis.

NUTLEY'S OFFICE OF CONSUMER PROTECTION DIRECTOR, Bill Callanan, believe it or not, has no private office as of this hour since the reorganization of the City Commission on Tuesday, May 9. Bill has a desk and chair on the second level of the Public Safety Building and a casual passer-by might mistake Bill Callanan for a sentinel waiting "at the ready" guarding the door to the Mayor's office and opposite it, the door to the ladies room - and all this service without air-conditioning. Mayor Carmen Orechio's office is so stifling hot, the humidity so unbearable, that it can't be used during 90-degree weather days.

STEVE SAMONA, Nutley's man about town, has been confined to a bed at Belleville's Clara Maass Hospital for the past ten days. It appears the sustained heat wave was too much for our Steve and as we go to press, our best information is that Steve will be obliged to spend another two weeks at Clara Maass. Steve's friends can send him a card in care of Clara Maass or use the telephone. His number is 560, 661-1000.

Commissioner William Jernick

## 24-Hour Shopping

The Belleville Town Commission has tabled a measure which would regulate the opening and closing of food stores throughout the town.

We believe the adoption of such a law infringes upon the rights of citizens. If a store owner wants to keep open his establishment at 3:00 in the morning, why should not a local citizen have the right to shop at 3:00 in the morning.

Public officials are elected to serve the people and their needs.

We believe Belleville Commissioners would be upholding their oath of office in a

more responsible fashion by permitting stores to remain open 24 hours a day if such is the desire of the store keeper. There are two main points involved in the present proposal—freedom of private enterprise to open and close its doors and freedom of the buying public to do its shopping at hours convenient for itself and at hours to meet the public's needs.

*Frank A. Orechio*

## Hooray For Our Side

This week the New Jersey Assembly defeated a state personal income tax proposal by a vote of 52-23.

The income tax bill was the cornerstone of 55 separate bills intended to put in effect a tax "reform" program which would allegedly relieve the real estate owner of the heavy tax burden.

We opposed the tax reform package. It was, and is, our opinion the tax proposals would not relieve the property owner of an increasing tax burden. It was our further opinion that the final result of the tax package would end up placing an additional tax upon our already overburdened citizens.

It is to the credit of our two Assemblymen, John Dennis of Verona and Carl Orechio of Nutley, both Republicans,

that they voted against a state personal income tax.

Both Dennis and Orechio acknowledge that tax reform is necessary. Both Dennis and Orechio believe the real estate tax burden should be reduced. But both Assemblymen believe the tax package proposed this week would not serve the best interests of New Jersey and its people.

Three cheers for the people and their Assembly representatives.

*Frank A. Orechio*

## The Alimony Racket

American courts continue to allow smart alimony lawyers to exploit and victimize men who have divorced, or been divorced by, their wives. In nine cases out of ten the man is saddled, perhaps burdened for life, with alimony payments because he, as the law sometimes requires, assumes the role of the guilty party.

The law of probability alone is that the man is not primarily guilty more than fifty per cent of the time but the American male rarely gets the benefit of the odds or facts. Some countries now allow men to gain custody of their children but it is extremely difficult for a man to gain custody of his children in most U.S. states, even when he had obviously been the more responsible parent.

How ironic continuance of this racket

is in a country where women are so loudly claiming discrimination, demanding equality and entry in every field, and getting itoften getting equal rights and keeping traditional advantages!

There is a current surge of common sense sentiment in favor of no-fault automobile insurance and it should and does logically include sentiment for new laws and customs based on no-fault divorce.

Lawyers long highly skillful and profitable in the alimony and custody rackets, like lawyers long profiteering in automobile accident litigation, can and should apply their talents to more equitable and humane pursuits.

Tina Maria Porosa of 263 Stephens Street was a finalist in the sixth annual "Little Miss America" contest. The pageant, sponsored by Topper Toys, was to be held at Palisades Amusement Park. The five-year-olds were judged in party dresses on the basis of beauty, poise, charm, and personality. The winner of the contest was to receive an all-expenses paid trip to Florida.

The Town of Belleville considered itself lucky. The urban-fringed community was spared the more bitter consequences of racial insurrection which had ravaged the city of Newark. In less than a week, Newark had become the epitome of the state—a scene of unimaginable violence, destruction and slaughter. Although Belleville was spared the disasters of the Newark riots, officials and citizens of the town were alert to the possibility of a spread of the lawless activity. All bars and package stores were ordered closed. The Police Department detailed 30 cars to patrol the town with riot equipment.

Carpenters and electricians invaded the Town Hall to begin renovation of the building. According to Commissioner William Cullen, final plans for the \$30,000 renovation were expected to be approved without much difficulty. Most of the work was to include improvements on the large work office on the second floor across from the courtroom.

### Ten Years Ago

The Police Department acted quickly following an inauguration pledge made by Mayor Robert Laterza to drive the narcotics peddlars out of Belleville. Two alert detectives nabbed five youths in a car at Belleville Avenue and Smith Street and confiscated eight decks of heroin, a hypodermic needle, and other narcotics equipment. Two of the youths were juveniles and were released in the custody of their parents.

When the Town Council held its second

meeting, the new administrative code was expected to be one of the most important items on the agenda, but whether it would be ready for adoption was a matter of conjecture. Mayor Robert Laterza said that he hoped it would be ready but added that in such a lengthy document containing possible points of disagreement among the Councilmen that it was unlikely.

### Fifteen Years Ago

Air raid sirens sounded in Belleville and throughout the nation for a 90 minute period to signal participation in a Civil Defense exercise. Traffic was brought to a halt and pedestrians took cover. As part of "Operation Alert-1957," mock bombing raids were staged over a number of eastern cities and defense installations.

Gary Glass, son of Mr. and Mrs. Charles Glass of 30 Mt. Prospect Street, was chosen to play Bo Decker, the lead in the Theatre Encore production of "Bus Stop." Gary's show business career had begun when he was five years old when he was a member of a magicians act with his parents. After studying piano, Gary was graduated from Belleville High School, Gary started studies at the American Academy of Dramatic Arts and appeared in several productions at the Americap Shakespeare Festival in Stratford, Connecticut.

Chief of Police George Spatz warned that with few exceptions, all New Jersey registered vehicles were required to display a valid number inspection sticker on their windshield. According to Spatz, those who did not display a sticker were subject to arrest.

### Twenty-Five Years Ago

Petitions demanding the recall of Public Safety Director Noll were being circulated in town. It was learned from a reliable source that many citizens were receiving the petitions through the mail.

A. D. Usey, Plant Superintendent of the Liquid Carbonic Corporation, stated that steps had been taken to eliminate the noises that had drawn the complaints of neighbors in the area. As a result of a survey made by a group of engineers from Chicago, two heavy silencers had been added to stop the noise charged to the plant's operations.

### Forty Years Ago

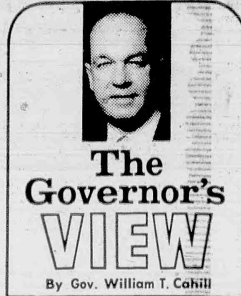

With a decision over Young Terry, the Trenton leatherpusher, dangling from his belt, Vince Dundee, pride of Belleville, was eager for a match which would place him as the middle-weight champion of the world. Max Waxman, manager of the Fairway Avenue box, was negotiating for a meeting with either Mickey Walker, the titleholder, or Maral Thor, French middle-weight, who was claiming a right to the crown.

Representatives of three widely known bakery concerns which operated wagon routes in Belleville appeared at a Commission meeting to protest against the raising of the license for each route from \$4 to \$30 a year. The three concerns contended that such an increase was excessive.

### Fifty Years Ago

Ground was broken for the erection of a new factory by the Thomson Machine Company, the main building to contain 48,000 square feet.

Mr. and Mrs. Charles Collard of Floyd Street returned from a several months' automobile trip through the Southern states.

## The Governor's VIEW

By Gov. William T. Cahill

### Where Does Lottery Money All End Up?

"What did they do with all the lottery money?" is one of the questions most frequently asked - and answered - in state government.

It's a good question, and since the lottery program represents one of the best bargains the citizens of New Jersey receive, it's a question we invite.

A detailed accounting of the expenditures of the lottery from 1971 is contained in the budget for the 1972-73 fiscal year, but it is such a bulky and formidable-looking document that few people would attempt to wade through it.

Allocation of the funds has received some newspaper publicity, but apparently not enough since many requests for the information are still received.

Undoubtedly, many people had the impression that income from the lottery would result in tax reductions. To the extent that it helped prevent greater tax increases, this is so. But to be literally correct, it would be necessary that the state expenditures be stopped at the level they reached two years ago. It would mean that no one receive salary increases, no matter how deserving; that there be no additional aid for our schools and colleges; no new highway programs; no further attempts to help our poor, our old, our blind, or improve them in our prisons; no remedies for the pollution of our land and air and water. We would even have to default on some of our obligations.

All of these things represent the legitimate demands our citizens have made on state government in the past several years, over and above what was previously being provided. And they are demands that we've attempted to meet. We were able to use lottery funds for the demands of education and health care, thus making regular state revenues available for the programs in the other vital areas of state government.

The unprecedented success of the state lottery in its first 2 1/2 years will have opened the doors to more than 44,000 New Jersey young men and women for college education - a significant accomplishment.

Nearly 35 cents of every 50-cent lottery ticket sold is being spent for education and state institutions. Almost the entire remainder goes directly back to the purchasers as prizes.

More precisely, on the basis of the number of 50-cent tickets sold since the lottery was launched on December 16, 1970, it has been calculated that gross receipts and interest earned by June 30, 1973 will have amounted to \$319.9 million.

During that 2 year period, net profits turned over to the state for aid to education and institutions will have totaled nearly \$151.4 million. While the law requires that a minimum of 30 per cent of gross lottery receipts go to the state, actual net profits to date have averaged 47 per cent.

Regulations require that 45 per cent of lottery receipts go back to the public in prize money and five per cent is distributed as commission to the agents who sell the tickets. These two items account for \$158.6 million in the 2 1/2-year period. The balance of only \$99.9 million will have been spent for administration, operating and promotional expenses.

The detailed accounting of these funds in the current budget shows that \$111.4 million in lottery funds has been allocated this fiscal year. This will provide for substantial increases in state aid to local school districts and private elementary and secondary schools. It will also be used for essential improvements in our state institutions for the retarded and mentally ill as well as for our correctional institutions.

Examples of these allocations are the \$34.2 million appropriated to finance the second phase of the Bateman school aid program which will help relieve hardpressed local property taxpayers. Also, \$10 million is provided to help non-public schools to keep operating in the face of mounting financial problems.

The \$111.4 million of lottery funds applied in this budget breaks down to 81 separate allocations, which, of course, is too many to list here. However, this is available in pamphlet form, and will be sent to anyone requesting a copy.

## Title I Director Thanks Firemen

To the Editor:

On behalf of the faculty and students in the Belleville Remedial Instructional Program, I would like to take this opportunity to thank the Fire Dept. and its officers for the program they presented at School Number One on May 13.

The children enjoyed the fire truck and hearing about the fire-fighting techniques. I'm sure this experience will help to show each one that the fireman is his friend, and will always be there when he is needed. The Sparky coloring book will serve to remind them of this occasion.

Sincerely,  
Frank Carapezza  
Director - Title I

REV. WARD WALSH, formerly with Nutley's St. Mary's Church, has written to tell me that the idea of becoming pastor of the church's West New York originated with him and not with the Archdiocese hierarchy.

Father Walsh is a very noble human being. And his desire to help his fellow man is no surprise to anyone because this has been his total life.

Despite Father Walsh's indication that he asked for the pastore, Nutley people want him back in Nutley and it would seem to me to make a little bit of common sense for the Archdiocese superiors to have their ears cocked toward the direction of the grass roots. There are certain inalienable

parishioner rights and one of those rights is to express affection, devotion and love of and for their spiritual leaders.

REVENUE AND FINANCE DIRECTOR BILL JERNICK is entitled to the thanks of the Nutley community for his analysis of the Cahill tax package's effect upon the pocketbooks of Nutley citizens. Bill Jernick's calculations made clear that adoption of the state income tax and related legislation would hurt every Nutley citizen. My hat off to Bill for his well-documented statistical analysis.

NUTLEY'S OFFICE OF CONSUMER PROTECTION DIRECTOR, Bill Callanan - believe it or not - has no private office as of this hour since the reorganization of the City Commission on Tuesday, May 9. Bill has a desk and chair on the second level of the Public Safety Building and a casual passer-by might mistake Bill Callanan for a sentinel waiting "at the ready" guarding the door to the Mayor's office and opposite it, the door to the ladies room - and all in service without discrimination. Mayor Carmen Orechio's office is so stifling hot, the humidity so unbearable, that it can't be used during 90-degree weather days.

STEVE SAMONA, Nutley's man about town, has been confined to a bed at Belleville's Clara Maass Hospital for the past ten days. It appears the sustained heat wave was too much for our Steve and as we go to press, our best information is that Steve will be obliged to spend another two weeks at Clara Maass. Steve's friends can send him a card in care of Clara Maass or use the telephone. His number is 560, 661-1000.

## Calculations Made It Clear Income Tax Would Have Hurt

NUTLEY'S POPULAR MARIO ZINCOLA of Zincola Bakery fame is scheduled for an operation this week. He has been confined to Clara Maass Hospital building his energy to undergo the operation. I know all his friends join me in wishing Mario a successful operation and a speedy recovery.

MAYOR CARMEN ORECHIO visited his friends at Clara Maass Hospital this weekend and was surprised to be hailed by a voice coming from one of the private rooms. It turned out the voice belonged to St. Mary's Place's popular Jimmy Fusaro, a member of a pioneer Nutley family, who was a schoolmate of mine. Jimmy is at Clara Maass Hospital with a minor problem and is expected to be released soon.

DEMOCRAT CONGRESSMAN JOSEPH MINISH, whose district borders were changed to include Nutley and Belleville, was expected to have an easy time

of winning re-election this November. That is - before McGovern's Miami Convention. Students of political science believe that McGovern's candidacy has changed things around for Congressman Minish and the expected easy race that he was looking forward to in November could very well end up being a very, very tight race.

Former State Senator "Mickey" (Milton) Waldor is the Republican candidate against Minish. Waldor is an aggressive campaigner and could be expected to push Minish to the limit. Both Minish and Waldor are clean campaigners and anybody interested in learning campaign techniques should make every effort to join the campaign staff of Minish or Waldor. This contest will probably be the best fought Congressional campaign in the United States. It presents two of the best qualified men running for Congress in a district that can go either way simply because of the Nixon - McGovern fight.

Congressman Joseph Minish

Senator Milton Waldor

Commissioner William Jernick

# WEDDINGS AND ENGAGEMENTS IN SOCIAL SPOTLIGHT

## Local Couple Renews Vows On Anniversary

On Sunday, July 9, in honor of their 25th wedding anniversary, Mr. and Mrs. Edward Cypolski of Springfield, renewed their marriage vows at Christ Episcopal Church. The Rev. Dr. Frederick Long performed the ceremony.

A coffee hour for the parishioners and guests followed in the undercroft of the church.

Their daughters, Mrs. David Bundas of Newark, Delaware, and Miss Lynn Cypolski and Mrs. C. Cypolski's mother, Mrs. William Reilly of Nutley, hosted a surprise family dinner party at Thom's Restaurant, Newark. The guests included Mr. Bundas, their son-in-law, Harold Brennan of Parlin, Mr. and Mrs. Everett Baumer, Lakewood, Mr. and Mrs. Howard Neu and Messrs. Bruce and Paul Neu of Bloomfield, Mrs. Fred Weigmann, Belleville, and Mr. and Mrs. Gordon Wiesenman, Carteret, and Mr.

## Iannuzzi-Licameli Nuptials Held In Holy Family Church

Miss Patricia Licameli, daughter of Mr. and Mrs. Michael Licameli of 159 Jorammon Street and Raymond Iannuzzi Jr., son of Mr.

and Mrs. Raymond Iannuzzi of 79 Floyd Street were married June 24 at Holy Family Church, Nutley.

The nuptial mass was celebrated by the Rev. Robert Cozzini and a reception followed at San Carlo, Lyndhurst.

Escorted by her father, the bride wore a peau de soie gown covered with Alencon lace. Lace leaves trimmed with pearls decorated the bodice and the train was also applied with lace. An Egyptian style headpiece held her veil and she carried white roses, stephanotis and babies breath.

Miss Louise Licameli of Belleville was her sister's maid of honor. Bridesmaids included another sister, Miss Anne Michele Licameli, Mrs. Joyce Russomano, sister of the groom, Miss Janet Pezzutti and Miss Janice Scheumeister. Miss Marylou and Judith Ann Petroselli, cousins of the bride, were junior bridesmaid and flower girl respectively.

The attendants' dotted Swiss gowns were in rainbow colors of mint green, yellow, lavender, blue, pink and orchid. They wore picture hats and carried pastel colored daisies, white carnations and babies breath.

Vincent Iannuzzi served his brother as best man. Ushering were Herbert Iannuzzi, cousin of the groom, Vincent Tiriolo, Ben Abbruzzo, Michael Santasseri and Michael Licameli, brother of the bride who also served as altar boy during the mass.

Ringbearer was the bride's cousin, Mauro Terone.

Mrs. Licameli chose an off white coat and dress ensemble trimmed with bead clusters and an orange tea rose corsage. The groom's mother was in a blue chiffon gown with beaded bodice and a pink rose corsage.

Mrs. Iannuzzi, a graduate of Good Counsel High School, received her degree in elementary education from Felician College, Lodi.

Mr. Iannuzzi, an alumnus of Essex Catholic High School and Seton Hall University, is completing the last course for his masters degree in physical education.

The couple are on an extended European honeymoon and will live in Belleville.

Trackless Transit Again, Resumes Essex Service

Transportation Commissioner John C. Kohl today announced the resumption of bus service by Trackless Transit and Mountain Coaches, Inc., in Essex County. Service will resume as soon as buses can be made ready for operation.

## Mr. and Mrs. R. S. Doeringer Honeymooning In Bermuda

Church of the Little Flower, Berkeley Heights, was the setting July 15 for the marriage of Miss Cindy Ann Cuomo, daughter of Mr. and Mrs. Thomas A. Cuomo of Berkeley Heights to Richard Shaikross Doeringer, son of Mr. and Mrs. Russell C. Doeringer of Mountainside.

The Rev. Kevin Ashe performed the ceremony which was followed by a reception at Chanticleer, Millburn.

Escorted by her father, the bride wore a candlelight gown of silk organza with a bodice of lace and pearls and long full sleeves. Her headpiece was a lace mantilla and she carried a bouquet of white roses and stephanotis with a rose for each mother in her bouquet.

Miss Faith Ann DeLuca of Berkeley Heights was maid of honor. Bridesmaids included the groom's sister-in-law, Mrs. Lisa Doeringer, Miss Stephanie Ann Meyer and the bride's cousin, Miss Donna Torsello. Claire Bouton Donnelly of Anderson, South Carolina was flower girl.

All were attired in gowns of wildflower print and carried bouquets of wild flowers.

Paul Doeringer served his brother as best man. Ushering were another brother, Dr. Russell Doeringer, Robert Karwaski and Vincent Dimiceli. Chris Cuomo of Phillipsburg, cousin of the bride, was ringbearer.

Mrs. Doeringer, is a sophomore and Mr. Doeringer a junior at Kentucky Wesleyan College where she is majoring in elementary education and he in business administration.

Mr. Doeringer's fraternity is Sigma Alpha Mu.

The couple are honeymooning at Elbow Beach, Bermuda and will live in Owensboro, Kentucky.

## Aphids Sap Plant Vigor

Curled or crinkled leaves, stunted, yellowed plants are all signs that aphids may be sapping the vigor of tomatoes, peppers, beans, melons, or most any other vegetable plant, according to William F. Munk, senior county agricultural agent of Essex County.

If close inspection of plants reveals tiny black, green or pink insects, control is necessary since delay may result in the death of the plants.

Mrs. Richard Doeringer

## Timely Advice For Recent Brides

Roland H. Nash, Jr., District Director of Internal Revenue, has some timely advice for recent brides.

Mr. Nash says, "Visit your local Social Security Administration Office and ask to have a social security card issued in your new name. This is particularly important if you worked and filed income tax returns before your marriage."

The same advice should be followed by divorcees who resume the use of their maiden names or by any taxpayer whose last name has been changed.

Income tax returns are identified by a combination of social security number and the first four letters of a taxpayer's last name. Whenever a name and number do not match, Internal Revenue asks both the taxpayer and Social Security Administration for correction and verification. Tax returns cannot be processed and refunds cannot be issued until this verification has been completed.

Taxpayers retain the same social security number from birth to death, regardless of the number of times their names are changed.

The 1971 tax refunds of nearly 20,000 New Jersey residents were delayed because of errors in social security numbers reported on Federal tax returns. A large percentage of these errors were made by brides who neglected to have their names changed on Social Security records.

## Diane Carissimo Wins Good Citizenship Medal

Diane M. Carissimo, daughter of Mr. and Mrs. Raymond Carissimo of Belleville was awarded the 1972 DAR Good Citizenship Medal at Holy Family School. Diane received her award during the Eighth Grade Graduation Mass at Holy Family Church on Thursday evening, June 15th.

The Good Citizenship medal may be awarded to the boy or girl who has outstandingly demonstrated the qualities of honor, service, courage, leadership and patriotism. It is given in schools nationwide and is a project of the National Defense Committee of the National Society Daughters of the American Revolution. The schools select their own recipient by whatever method they choose. The medals are given, not in the sense of a prize, but as a recognition of efforts put forth by the young people in the field of American Citizenship. Diane's medal was provided by Yantacaw Center DAR of Nutley.

At graduation, Diane received First Honors scholastically. She enjoys sports, singing, music and especially cheering. She will attend Belleville High School in the Fall.

Mrs. Petrick is the former Eleanor Woods daughter of Mr. and Mrs. John P. Woods of Nutley. Mr. Petrick son of Mrs. Josephine Petrick of Nutley is an operations officer with First National City Bank, New York City.

## Brownie Troop 486 Winds Up A Big Year

Brownie Troop 486 of Greylock School Number 5, wound up a highly active year last month after setting records for candy sales, charity collections and troop excursions.

A highlight of the year was the troop's first mother-daughter dinner, held in Thomm's Restaurant, Newark, May 23. Mrs. Anne Bridge is troop leader.

The troop also saw the special Easter play at Paper Mill Playhouse, Milburn, shot archery at Bunnies in Belleville, and had a bowling outing at Brunswick Lanes, Belleville. The cost of the activities was paid from proceeds of a hugely successful candy sale at the beginning of the year, Mrs. Bridge said.

The troop began its year last September by accepting as new Brownies, Lori Ann Racioppi and Suzanne Stetz. Miss Janice Kleiner, third grade teacher at School 5 was made an "honorary Brownie."

The first year's first assignment was to make "sit ups," and "dunking bags," which were used at later activities. The entire troop later made special Christmas gifts for their parents individually decorated dinner plates for hangings on the wall which were manufactured in Texas after the girls completed their individual designs.

On February 15, the Brownies put special embroidered edging on ties as Valentine Day gifts for their mothers. During that month, the girls collected 120 bars of soap for donation to St. Joseph's Home for the Blind, Jersey City. The troop collected the third highest number of soap bars in Belleville.

Troop 486 was first in the amount of money collected for the Juliet Low fund when it turned in \$23. Soap and Juliet Low collections were presented at the Girl Scout Birthday Party in the Junior High School April 15.

The Mother-Daughter dinner was held May 23 in Thomm's. Each mother received a corsage specially tinted in the Brownie colors. The flowers were donated by Panella Florist of Newark. Mrs. Angela Brower was chairman of the event.

Thomm's donated the centerpiece for the tables and a large cake which was served as dessert. Mrs. Millie Trippi, Brownie consultant for Belleville, was a guest of honor at the dinner.

In March the troop held its first "visitation" meeting, designed to familiarize first graders and encourage them to join Brownies the following year. The visitation is a requirement for the troop to receive its piper award.

On June 3, the girls attended the Brownie Playday in Riverbank Park, Lyndhurst, and then held its own picnic on the schoolgrounds on June 6. Piper patches and attendance and uniform awards were presented at the picnic. Rebecca Bridge received the attendance award and Dawn Kolbush the uniform award.

Mrs. Isadore Padula produced a troop poster that was displayed during Girl Scout week, March 12 through March 18. Other troop posters were also displayed in local stores. The

merchants that agreed to display the signs were: The Glass Co., The Boston Store, I-Hour Martinizing and Abbot's Drug Store, all on Washington Avenue.

Mrs. Padula also provided the decorations for the "bridging ceremonies" held March 28, and for the Brownie "Flyup" held at the last meeting of the year. The "bridging" was held with Junior Girl Scout Troop 710 with Mrs. Julie Polito as leader.

Eight Brownies "flew up" to the Girl Scouts in the ceremonies held in the school at the last troop meeting. Mrs. Joseph Zarra, assistant leader of Troop 906 accepted the new girls. She was assisted by Mrs. Paul Goris. Mrs. Bridge helped the girls walk across a specially-constructed bridge. At mid-point, Junior Troop Patrol leaders Cathleen Callahan, Lou Ann Graffeo, Andrea Goris and Denise Zarra took the girls by the hand to the troop leader.

The Brownies who graduated to the next step in scouting were Rebecca Bridge, Dawn Kolbush, Sharon Callahan, Patricia Thornton, Michele Sirni, Kathleen Brower, Sandra Nardone and Donna Dombrowski.

Refreshments served at the event included three cakes shaped in the numbers "486" and decorated in brown frosting with orange lettering the Brownie colors. The girls were awarded their Trefl pins and Brownie wings at the flyup.

Troop 486 girls each wrote a description of the year's activities which were submitted to the Brownie Reader for publication.

In addition to the above described activities, Troop 486 during the year also marched in the Cherry Blossom Parade April 23; learned to mend socks so they could assist their mothers in such chores; made pencil holders as Father's Day gifts and constructed special artificial flower plantings for Mothers Day.

## Odyssey House Given Donation By League

The League for the Handicapped has presented a \$300 donation to Odyssey House, a national drug-free therapeutic community for the treatment of drug addiction which has a residential facility at 61 Lincoln Park, Newark.

Mrs. Catherine Kubacki, president of the 75-member League, formerly known as the Sister Kenney Polio Foundation, in making the presentation said: "We singled out Odyssey House for this donation because we know of the fine work it is doing in rehabilitating those residents of Essex County and New Jersey who are addicted to drugs." The League has headquarters at 410 Prospect Street.

Odyssey House, which relies primarily on private contributions, also operates facilities in New York, New Hampshire, Michigan, Connecticut, Utah, as well as New Jersey.

A thief rarely pays any attention to the moral principles of his victim.

## Firemen's Post, Auxiliary Earn First Place For Press Book

Firemen's Post No. 1851 and their Ladies Auxiliary, Veterans of Foreign Wars, report that their Press Book entered into State competition, was awarded first place citation and check. The check, returned to the unit's treasury, will be disbursed to benefit three "Fresh Air Funds" by Evening News, Worral Publications and The Nutley Sun.

The award was given through the cooperation of the local newspapers, and so will be donated to the newspapers' annual Fresh Air Fund Drives to help needy children. For excellence in reporting Rehabilitation Activities, Mrs. Henry Gotschalk, East Orange was awarded a travel alarm clock, with engraved plaque attached.

The Community Activities Recordbook of Firemen's V.F.W. Post and Ladies Auxiliary also took first place Statewide, and Past Commander, Robert E. Wallace, Wallington and Past President, Mrs. P. Russell Oliver, Newark, hopes that it will score well in V.F.W. National competition. Most popular activities are projects related to government, health, safety and recreational facilities for young persons, assistance to schools and churches, by aiding the needy, fund raising for civic causes and providing aid and services for veterans and their dependents.

As a direct result of a

press bus ride and day at the races at Monmouth Park, Oceanport, the units were able to donate a check to help the Valsburg First Aid and Ambulance Squad, Newark.

Father John Judge

## Father Judge New Chaplain At Mountainside

The Mountainside Hospital announces that Father G. Judge has been named its new Catholic Chaplain. Assigned to Mountainside by the Archdiocese of Newark, Father Judge most recently served as Assistant Pastor at Our Lady of Lourdes parish in West Orange.

Mountainside's Chaplaincy Program encompasses the services of both a Protestant and a Roman Catholic chaplain. Father Judge will be working in conjunction with the Reverend Donald H. Allen, Protestant chaplain, to provide pastoral care for both patients and employees at the Hospital. The Reverend Allen's services are administered by the Protestant Chaplaincy Council of Montclair. Together, Father Judge and the Reverend Allen work in close liaison with area clergymen of all faiths.

Father Judge is a graduate of Seton Hall Preparatory School and Seton Hall University, with a degree in theology from Immaculate Conception Seminary in Darlington, New Jersey. He is currently enrolled in the graduate program in psychology at Seton Hall University. From 1969-1972, he served as Catholic Chaplain at Montclair Community Hospital.

Father Judge succeeds Father John F. Brady who has been assigned to Bergen Pines Hospital in Paramus.

CONGRATULATIONS- Maude Ziegler of Adelaide Street recently celebrated 35 years with United Hospitals of Newark. Mrs. Ziegler is the Hospital's chief nurse anesthetist. Congratulating her during the Hospital's 19th Annual Service Awards Luncheon is (left) Robert P. Hazlehurst Jr., president of the Board of Trustees and Peter R. Haviland, Director of United Hospitals.

FOR SERVICE- Lorraine Tourian, LPN, of Union Avenue recently celebrated 20 years with United Hospitals Orthopedic Center. Miss Tourian is shown receiving congratulations from Peter R. Haviland, Director of United Hospitals, during the 13th Annual Service Award Luncheon.

SHOPPING SPREE-Belleville residents, Mr. and Mrs. Louis Delisio (third left) of 21 Sanford Avenue enjoy a shopping spree in Nassau's colorful straw market with other visitors on the Goombay Summer vacation. Left to right: Mr. and Mrs. Hy Rabinowitz of Bayside, New York, Mr. and Mrs. Paul Koerner of Bronx, New York, Mr. and Mrs. Delisio, Mr. and Mrs. Steve Rockman of Bronx, New York and Mr. and Mrs. John Geideman of Monsey, New York. They were all guests at the oceanfront Nassau Beach Hotel. The colorful shirts and other bonuses were part of the program during their one week visit to the Bahamas capital.

African Exhibition Spots Museum Events

"People of African Angola," an exhibition of photographs by Jorge Guerra, opens in the Community Gallery of the Newark Museum, 49 Washington Street on July 22, continuing through September. Mr. Guerra, both a photographer and filmmaker, has had ex-

hibitions in London, Montreal and New York. His "Angola Series" was made in 1961, when his sympathies were aroused by the plight of the native Africans. Using special techniques, he worked to achieve a grain quality relating to the dramatic nature of his subject.

## You And Your Pet Healthy Skin and Haircoat With Care and Judgement

By Raymond Minor DVM

The ancestors of today's household dogs and cats were hunters. Through their prey, they were richly supplied with vitamins and minerals.

They naturally were well exercised and received a great deal of sunlight, and they supplemented their diet with a few green leaves. So long as food was plentiful, the vigor and health of the hunters were reflected in their rich, lustrous and healthy haircoat.

Today's pet, living with thousands of other dogs and cats in our cities, encounters many hazards that were unknown - or presented a lesser probability - to their ancestors.

These include intensified concentrations of parasites, dietary deficiencies, restricted exercise, and even artificial heating and cooling in their homes and kennels.

However, with good care and judgement, your pet can still have a healthy skin and haircoat.

Because of the number and complexity of conditions that affect the health of your dog or cat, regularly scheduled examinations by your veterinarian are important to your pet. Professional examinations will often reveal problems which could become serious if neglected.

Many skin conditions appear similar, but have different causes. In discriminate treatment wastes time and may even be harmful.

External and internal parasites, dietary deficiencies and hormonal imbalances are among the more common causes of haircoat and skin problems.

Fleas, lice, ticks and various kinds of mange mites live on or near the skin. They cause severe itching, inflammation, poor health and even death.

Internal parasites, such as roundworms, tapeworms and hookworms, may also result in haircoat problems.

Skin afflictions and rough, dull haircoats may result from conditions such as anemia, vitamin or fatty acid deficiencies, and overfeeding of protein and carbohydrates.

Your veterinarian's examination will reveal the need to change the diet, to supplement it with minerals or vitamins, or to increase the supply and absorption of fatty acids.

Senility is only one of many causes of alopecia (loss of hair).

Dry, scaly, thickened skin and even the loss of hair may result from an underactive thyroid, tumors or malfunctioning pituitary and adrenal glands.

Other causes of skin and haircoat problems include

ringworm, insect bites, allergies, overexposure to the sun's rays, drying of the skin and haircoat by artificial heat, diseases including distemper and diabetes, and insufficient or improper grooming.

Because of individual differences in animals, a shampoo or chemical that causes no apparent reaction in one dog may cause irritation in another.

Most dogs are bathed too often or too seldom. Twice a month in the summer is sufficient and once a month in winter. Too much bathing dries out his coat and is bad for the skin. Never bathe a dog when he has a fever.

I have found that a pet's haircoat or skin problem may have a single cause, but more often it will be due to a combination of factors.

As a result of their complex nature, many conditions require an extended period of treatment. This in turn calls for patience and understanding on the part of the pet owner.

Professional diagnosis and treatment, combined with good care and nursing, will usually result in restored health and a happy, useful pet.

DR. MINOR REGRETS THAT HE IS UNABLE TO PERSONALLY ANSWER LETTERS FROM PET OWNERS. HE SUGGESTS THAT READERS CONSULT THEIR OWN VETERINARIAN WHEN THEIR PETS HAVE PROBLEMS.

# Newark College Of Engineering Graduates

The Belleville Times

Thursday, July 20, 1972 - 9

Rocco Palmieri Jr.

John A. Cernero

Michael A. Maglio

At its 56th commencement exercise, held Friday morning, June 2, Newark College of Engineering awarded degrees to 850 candidates taking part in the ceremony. Those receiving academic degrees from this area were:

Robert B. Boxer, 35 Division Avenue, Belleville received a Bachelor of Science in Civil Engineering.

Son of Mr. and Mrs. Raymond Boxer, he was a member of Tau Delta Phi Fraternity and the Interfraternity Council Treasurer. The former Belleville High School graduate will continue to work for his Masters degree in Transportation Engineering. He is currently employed by Edwards & Keley Consultants.

Carl J. Bressan, son of Mr. and Mrs. Renato Bressan, of 109 Malone Avenue, Belleville graduated as a Civil Engineer.

He was a member of the Tau Kappa Epsilon Fraternity. Within the fraternity he served as Pledge Committee Chairman, Fraternal Committee Chairman, and Finance Committee Chairman.

He was also an active participant in all athletic activities sponsored by the fraternity.

John Angelo Cernero also received a degree in Civil Engineering. His major course of study was Civil and Environmental Engineering.

Resident of 14 Mitchell Street, Belleville, he was active in Tau Delta Phi Fraternity and the Scuba Club, Intramural Sports and the Pentecostal Students Fellowship.

He graduated from Belleville High School where he was active in football, crew, track, wrestling, and Key Club.

Joseph Nicholas Chiapinelli, son of Mrs. Ann Chiapinelli graduated with a BS in Electrical Engineering.

Chiapinelli was a dean's list student for three years.

He was a member of Tau Epsilon Phi Fraternity.

He formerly attended Essex Catholic High School where he was active in Radio Club, Sports and the Honor Society.

Resident of 76 Bremond Street, he will be employed by

Public Service Gas & Electric Utility.

Chiapinelli plans to be married in July to Kathy Kapchus of West Caldwell, New Jersey.

Michael Anthony Maglio, 87 Frederick Street, Belleville graduated with a Bachelor of Science in Mechanical Engineering.

Son of Mr. and Mrs. Michael Maglio Sr. he was twice named to the dean's list.

A 1968 Belleville graduate, he was captain of the varsity team, and a member of the Key Club.

He plans to resume studies in the fall at Newark College of Engineering's graduate division.

Harold Kenneth Maltz, 41 Race Street, Belleville was awarded his Master of Science in Civil Engineering. He formerly held his BS in Civil Engineering. His major

interest is Transportation Engineering. He was a member of Chi Epsilon; Civil Engineering National Honor Society. Maltz is presently employed as a Civil Engineer with the firm of Edwards &

Keley, Newark. He plans to pursue studies in Business Administration in his part time. Rocco Palmieri, Jr. 48 Heckel Street, Belleville was awarded his BS in Civil Engineering.

## Messina Participates In Stevens Program

Seven Essex County residents are participating in a six-week program in college mathematics and computer programming for high ability high school students at Stevens Institute of Technology.

Residents from Belleville include Donald Messina, 91 Cedar Hill Avenue, the son of Mr. and Mrs. Dominic Messina, and a senior at Belleville High School.

They are among the 71 students selected from applicants from high schools throughout the country to take part in the program. The program began June 25 and

will end August 5.

The students are studying modern mathematics, including linear algebra, Boolean algebra, groups and fields, set and number systems, and introduction to digital computers and programming, using the PDP-10 system at the Stevens Computer Center.

The Student Science Training Program is sponsored by a \$26,000 grant from the National Science Foundation, and by funds allocated by the college. The program is directed by Dr. Myron E. White, associate professor of mathematics at Stevens.

## In Medicine

### He Receives Doctor Degree

Philip High Maguire, son of Mrs. Grace Maguire of 8 Lloyd Place, Belleville, became a doctor of medicine at Cornell University Medical College in New York City. He will spend the next year serving as an intern at Milton S. Hershey Medical Center in Hershey, Pennsylvania. Dr. Maguire, who is a graduate of St. Benedict's High School and St. Peter's College, is married to the former Willie McCafferty, of Kearny.

Ninety-one graduating seniors received the M.D. degrees at the 75th com-

mencement of the Medical College, which was held on the lawn of the New York Hospital-Cornell Medical Center in the presence of more than 1,000 persons. Mr. Dale R. Corson, President of Cornell University, conferred the degrees at the May 31 exercises. Since its founding, the Medical College has graduated 4,880 physicians.

Dr. Maguire hopes in the future to enter into a family practice.

## Jersey City Commences 7 Locally

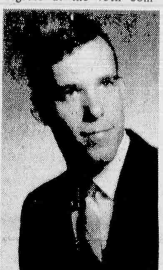

Residents of Belleville received undergraduate degrees from Jersey City State College on May 14. The commencement exercises were held in Roosevelt Stadium.

Among those to receive degrees were:

Bernadette Warnke, 7 Rutgers Court, Belleville received her BA from the School of Nursing and Health Education.

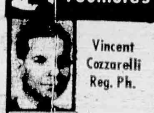

She is also a graduate of Saint Michael's Hospital school of Nursing in Newark.

The former Bloomfield High School graduate is currently employed at Saint Barnabas Medical Center in Livingston, New Jersey in the Coronary Care Unit.

Philip Maguire

## Pharmacy Footnotes

Vincent Cazzarelli Reg. Ph.

Many thousands of people each year die by fire. Most of these deaths are the result of carelessness, however, and could have been prevented. Here are some safety rules that it is only common sense to follow: 1. Avoid smoking in bed, or when sleepy, or when lying down. 2. Always break a match in half before throwing it away. 3. Keep matches in covered containers and out of the reach of children. 4. Avoid carrying live matches in clothing.

When you have a prescription that needs to be filled, it makes sense to bring it to the pharmacists at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956, where they always receive quick attention. Hours: 9 am - 10 PM daily, 9 am - 9 pm Sundays. Sale and rental of over-the-counter drugs and give free delivery service.

### Dean Honors Eunice Beers

Robert F. Carberry, Dean of Academic Affairs at Flagler College, has announced that Miss Eunice L. Beers, daughter of the H.L. Beers, 275 DeWitt Avenue, Belleville, is on the dean's list for the Spring term of the 1971-72 academic year.

Miss Beers, who has com-

pleted her fourth year at Flagler College, is to be congratulated on this academic achievement. She was graduated in May with a Bachelor of Arts degree. Flagler is a small four-year co-educational liberal arts college located in historic St. Augustine, Fla.

## Linda Miller Now Nurse

Linda Miller of 51 Campbell Avenue, Belleville, was graduated on June 11 from Keuka College, N.Y., and received her bachelor of science degree in nursing. She also was named to the dean's list and was graduated with honors in the nursing department.

Miss Miller has been a member of the Navy Nurse Corps since her sophomore year and was commissioned as ensign in January of this year. She was home until July 3 and then reported for basic training at Newport, R.I., for six weeks. Her tour of duty will begin at Camp Lefebvre, N.C.

Linda Miller

## Young Republicans Rap Income Tax Plan

Terminating a state income tax "a blank check for the special interests," an Essex Young Republican task force claimed yesterday existing taxes on finance property tax relief for the state's big cities. "Much state and federal aid to cities has been used to create add-on, make-work projects," said task force co-chairman David B. Ford. "Rechanneling this money directly to the cities' budgets for the sole purpose of reducing property taxes would accomplish true reform without creating a new, open-ended tax that will surely snowball."

Newark has gained \$385 million in federal and state aid in the past two years, Ford noted. "If only a quarter of that were applied to reduce property taxes instead of funding ineffective projects apparently intended to create jobs with which to buy off radicals and build a new political machine—Newark's tax rate would be reduced by more than a third."

Ford, an Assembly candidate last year and chairman of the Verona Young Republicans, termed the statement in "interim report" timed to coincide with the Assembly meeting this week to consider the income tax proposal.

"An income tax would be

expensive to collect and expensive to administer," Ford said. "Much of the money would be skimmed off to pay for the new bureaucracies that would be created to shuffle funds from one level of government to another."

There's no way to accurately predict how people will vote,

Gerald Ferrara, Mrs. McCarthy

## 2 Belleville Residents Named To GOP Advisory Committee

A broad-based Campaign Advisory Committee, comprised of Republican leaders representing all facets of Essex County politics, has been appointed by GOP County Chairman George M. Wallhauser Jr.

In Belleville, the municipal chairman is Gerald Ferrara and the vice chairlady is Mrs. Nancy McCarthy.

In announcing the formation of the top-level campaign group, Wallhauser said that its members will be involved with all Republican campaigns from the election of Republican Freeholders, Mario V. Farco, Helene Kaplan, John I. Crecco and County Supervisor, Walter C. Blast to the Congressional Campaigns of Milton A. Waldor in the 11th and Kenneth C. Miller in the 10th, to the re-election efforts for President Nixon and Senator Case. Wallhauser said Campaign Manager David J. Goldfarb will be coordinator of the advisory committee, consisting of Andrew Axtell, Joseph Butler, Ralph C. Caprio, Priscilla Cavichia,

Louis Cohen, Hon. William Grant, Hon. C. Stewart Hausmann, Philip Insabella, Nicholas Jova, Hon. John Kinder, Leo Koslowski, Robert Laterza, Hon. Marie Maibert, Hon. Hyman Mintz, Hon. David Dowd, Hon. Robert Sarcone, Donald

Scott, Hon. Kenneth Welch, Hon. George M. Wallhauser, Sr., Hon. Robert W. Kean, Jane Burgio, Ruth Stevenson. Goldfarb, who has stated that he will manage a "people oriented" campaign said, "This advisory group is representative of all facets of

the Essex Republican Party. The members of the committee are experienced in winning campaign efforts. They will function in close concert with our campaign committee which will be comprised of representatives from all 23 municipalities."

## Now Pathmark's Mark of Value helps you be an even better shopper.

### Pathmark Reminder

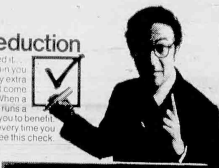

A regular, round-the-clock Pathmark price. A reminder for you to checkmark if you need the item that week. With these boxes, every Pathmark Value Planner and newspaper ad serves as your handy, weekly shopping list.

### Price Reduction

We checkmarked it to make certain you don't miss any extra savings that come with our special. And you will... every time you see this check.

### Budget Helper

Double checkmarked because it points out your budget helper in a particular category. For instance, if beef prices go sky high, we will remind you of our USDA Grade A whole 29¢-a-pound hams. Good eating and good value.

Making ends meet is tough today. We at Pathmark know that as surely as you do. Which is why we're looking for ways to help.

From now on, our Value Planners and ads will carry this Mark of Value... a handy checkmarking system which reminds you of best buys and special values at a glance.

We know it won't solve all your problems. But it will help your food dollar go further week after week.

## New court order absolutely final: Resume apartment construction

### Appellate Court rules against Plan Board

Go ahead and build that apartment complex! That was the ruling of a three-judge panel in the Appellate Division of Superior Court which reviewed Belleville's plea to stop work on a Joralemon Street office and apartment complex.

Work resumed on the project Tuesday and opposing attorneys agreed there's no possible legal means left to order developer William Govel to cease construction — at least not for another year.

Belleville Planning Board is proceeding with an appeal asking the courts to invalidate Govel's site plan because of conflicts with laws governing construction on flood plains. Planners cite frequent Third River flooding

at the site and officials here charge the complex will add to Joralemon Street's already severe traffic congestion. Appeal on the flooding and traffic arguments could take more than a year, attorneys agree.

Because the Appellate Division's decision was unanimous, the Planning Board cannot proceed to appeal to the N. J. Supreme Court for a top-work order.

Judge Samuel Lerner, speaking for the Appellate Court, said the Planning Board's stop-work request was being denied because of "a lack of probability of the success of the (site plan) appeal by the Planning Board, and because of an absence of any emergency to halt construction."

Should the Planning Board win that overall appeal a year or so from now, Govel could be ordered to tear down the entire project. He realizes that risk, however, and has signed documents assuming full fiscal responsibility and risk in going ahead and finishing the development.

Attorney DiBiasi earlier cited two cases where judges in fact did order large-scale construction demolished.

#### PAYING TOWN \$300 AT A CLIP

### Stores dig deep to get carts back

Belleville's new law that finds police confiscating stray shopping carts is placing a drain on the Public Safety Department, Commissioner Rocco Saletta says.

"We're losing a man three or four hours a day because of having to round up these shopping carts," Saletta complained. Part of his concern is that although the town charges supermarkets \$10 to get back one missing cart, none of the income being collected is applied to offset the related costs in police salaries.

Supermarkets are also calling Acting Town Clerk Marylou Hood to find out just how many carts are on hand at any given time.

"We tell them we've got 30 carts and they send someone up with a check for \$300," Mrs. Hood says. But neither her time nor the clerical work involved by the cashier's office which triplicates receipts with copies to the store, police and town treasurer, are compensated for the added time.

"Frankly, I don't know why we ever passed this law," Saletta remarked this week. "Right now, I can't go shopping in Belleville without spending five hours at each place explaining what this is all about."

An early misunderstanding appears to have halted supermarkets

from constructing pillars at exits to keep carts on store property. Carts can be taken to store parking lots but once off the property, are confiscated by police and held until the store pays the town \$10 for each wagon.

Town Attorney John Scott agrees with Saletta that the new ordinance is a cumbersome one. "It's a very unwieldy law," Scott admits.

Commissioners adopted the law earlier this summer following a fatal motor vehicle accident in which a stray shopping cart played a major factor.

#### \*\*\*\*\* Sidewalk Sale here next week

Only one week to go before Belleville's next Sidewalk Sale begins.

John Tanko, chairman of the Chamber of Commerce-sponsored event, says the Sidewalk Sales will begin Thursday, Aug. 10, and continue through Saturday evening, Aug. 12.

"With a little luck from the weatherman, we should be able to attract flocks of shoppers to the avenue," Tanko reports.

Names of participating stores as well as special advertising detailing the bargains will be published in the Belleville Times/News next week.

**Official High School** — A man from the maintenance department for Belleville schools works hard to complete the new addition to the senior high school. Upon its February completion, the new section will allot room for local ninth grade students, which would officate a four year high school for Belleville.

### No summer vacation for maintenance crews

The corridors in local schools may be lacking the hustle and bustle of students this summer, but those hallways are far from being either quiet or empty. Summer keeps local schools busy allowing time for repairs and maintenance that can't conveniently be done amid student activity.

Edward Breca, superintendent of school plant operations, directs all the maintenance projects and handles all requests for repairs.

Breca is travelling from school to school frequently this summer to oversee each project and its progress, and also to provide any assistance to the summer workers.

The biggest maintenance project currently underway is the new addition to the senior high school which upon completion will provide room for the first time for Belleville's freshman class now housed at the junior high on Washington Avenue.

The Belleville Board of Education received a \$458,000 economic development grant from the state to complete the high school addition.

The grant was allotted as part of New Jersey's recent decision to help combat unemployment throughout the state. With the help of this grant, the new addition will be ready for use on September of 1979. The move of the ninth graders into the senior high will enable the building to be considered a high school.

An additional parking lot for 80 cars is also upon completion as well as a new vinyl curtain which will fall from the ceiling in the gymnasium to separate the boys from the girls at the senior high.

In School 7 and School 10, new clock systems are being installed for all classrooms. Previously the

buzzers between classes and lunch were rung manually by a secretary who would press certain buttons near her desk. With the new system, the ringing of school bells will be done automatically.

A new concrete and vinyl tile floor is being laid in the School 5 gymnasium. The original tile had deteriorated beyond repair through use. The gym will also contain new mercury lights for better sporting use for students.

Breca has several workers replacing sidewalks around School 3 along Joralemon Street. There are several deep cracks in the sidewalk, Breca notes, that would have been hazardous to the students who attend the school.

The special services placement office, which is located in School 4, is also extending its program with two additional rooms. The office, which was completed only a year ago, consists of various psychologists and social workers who test local children and place for admission to special schools and remedial programs.

The aged fire escape near the back of School 2, one of Belleville's oldest schools, is being removed by request of the fire department. New lights with stronger face shields have also been installed around the school as a result of vandalism.

Breca said that vandalism is not a major problem this summer with destruction limited mostly to broken windows and lights.

Various other repairs such as cleaning boiler systems, replacing lights and windows and painting classrooms and buildings are being completed in Schools 5, 8, 10 and at the junior high school.

### School survey could be fixed

Inaccuracies may exist in the final findings of the Citizens Survey Committee questionnaire because teachers looking to protect their jobs are also filling them out — and not always truthfully — says Joseph Autisi, the committee's chairman.

The survey was distributed to about 10,000 Belleville homes during July and was to go to the Educational Improvement Center in East Orange this week for compilation and analysis.

Superintendent Dr. John Greed Please see Teachers on page 7.

## School Board splits 4-2 in creating \$26,681 job

A split Belleville School Board overruled its president Matthew Pica and created a new \$26,681 position for a former high school administrative assistant.

George Nucera was given the job as "director of grants" by a 4-2-1 board vote. Purpose of the new post is to lobby for federal grants and oversee the Title I programs concerned with remedial studies in mathematics and reading.

Trustee Michael Chieffo strongly opposed the creation of the post. Abstaining on the controversial vote was Richard Mahmarian.

Pica said the position wasn't needed and a misuse of funds. "I can't see establishing a new position

at this time," the board president added.

Chieffo meanwhile seriously questioned the process used to select Nucera. "I am voting against it because I do not feel that he is the most qualified," Chieffo added, suggesting the position was created for Nucera only after he was turned down for another administrative job.

The board majority, however, defended the new position as necessary and beneficial. "I'm confident we will see hundreds of thousands of dollars coming into the Belleville school system as a result of this vote," Trustee Caesar Romano declared.

"We are definitely taking a

positive stride toward getting the money that is rightfully Romano added.

Agreeing with Romano was Lawrence Schwartz who predicted "the money will begin to flow into the system at 10-fold the salary paid out paid out for this position."

Trustee Ralph Risoli who several times has criticized the lack of alternatives presented the board, joined the majority on the controversial vote.

"There was only this one application, so I guess I'll have to vote yes," Risoli explained.

Nucera will be searching for more monies by lobbying through state Please see George Nucera on page 7.

**Nothing's Impossible** — John Przyhocki (left) and Neil Stefanelli (right) of the maintenance department work together loading the rivet gun in order to complete the new divider in the gymnasium at Belleville Senior High. Their motto, they claim, is "If it can't be done, we'll do it. If it's impossible, it'll take a little longer."

Men in Service

He Joins Marines

John Andrew Galada, son of Mrs. Marie Galada of 23 Dewitt Ave., Belleville, has enlisted in the Marine Corps, his recruiter has announced.

He joined the Marine Corps under the 180-Day Delay Program which affords him the opportunity to take care of his personal affairs before reporting for active duty. This 180 day delay program also goes toward completion of his military obligation and date in service for pay purposes.

Sanders Finishes Training

Airman Michael R. Sanders, son of Mr. and Mrs. Michael R. Sanders of 485 Union Avenue, Belleville, has completed his U.S. Air Force basic training at the Air Training Command's Lackland AFB, Tex. He has been assigned to Chanute AFB, Ill., for training in aircraft maintenance. Airman Sanders attended Belleville High School.

Airman M. Sanders

Perrine Gets Air Instruction At Texas Base

Airman Nicholas J. Perrine, son of Mrs. Josephine L. Perrine of 215 Canton Avenue, Jersey City, has completed his U.S. Air Force basic training at the Air Training Command's Lackland AFB, Tex. He has been assigned to Keesler AFB, Miss., for training as an administrative specialist. Airman Perrine attended Snyder High School. His father, Nicholas M. Perrine, resides at 311 Greylock Parkway, Belleville.

Towu Sees Carrier Duty

Navy Petty Officer Second Class Arthur S. Towu, son of Mr. and Mrs. Arthur W. Towu of 54 Beech Street, Belleville, has completed a visit to Hong Kong aboard the attack aircraft carrier USS Hancock, and is now back in the Gulf of Tonkin aboard the carrier with the Seventh Fleet.

**How to look for a Realtor in all the wrong places.**

It's simple, if you think that a Realtor is just anyone in real estate, then he isn't. He's the professional.

So if you want a Realtor, you'll look for the Realtor seal. It's always displayed at his office. And only a Realtor can show it.

Once you've met him, you can relax. Because you've got an expert to take care of your best interests. Someone with experience, who subscribes to a strict code of ethics.

Now that you know what a Realtor is, and how to recognize him, you'll have no trouble finding him.

**Bloomfield, Glen Ridge, Nutley, Belleville**  
**BOARD OF REALTORS**  
Call 743-5273 for Office nearest you

**Your Realtor\***  
Somebody good is here working for you.

You can recognize your Realtor by this seal. A Realtor is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local and state boards and of the National Association of Real Estate Boards, 1200 Connecticut Ave., N.W., Washington, D.C. 20006.

Pietrzyk Completes Navy Trade School

Navy Petty Officer Third Class Stephen M. Pietrzyk, son of Mr. and Mrs. Stan Pietrzyk of 7 Carolyn Road, Belleville, has completed the Tradesman School at Millington, Tenn.

Tradesmen install, maintain and repair training aids

such as flight simulators and audio-visual equipment.

He attended Belleville High, and Lea College, Albert Lea, Minn.

One's intelligence can often be measured by how much he keeps his mouth shut.

Lt. L. Izzo Is Assigned To Chemical Corps Unit

Army Second Lieutenant Leonard A. Izzo, 23, son of Mr. and Mrs. Anthony C. Izzo, 33 Van Houten Place, Belleville, recently completed a nine-week chemical officer basic course at the U.S. Army Chemical Center and School, Ft. McClellan, Ala.

The course prepares a newly commissioned officer for his first duty assignment in a chemical corps unit. His training includes instruction in administration, chemical procedures, medical training and support, intelligence, and logistics.

Lt. Izzo is a 1967 graduate of Belleville (N.J.) High School and received a Bachelor's Degree in Chemical Engineering in 1971 from New York University at Bronx. He is a member of Phi Gamma Delta Fraternity.

Airman Bogan With Antarctic Squadron Six

Navy Airman Martin S. Bogan, son of Mr. and Mrs. Martin S. Bogan of 200 Mill Street, Belleville, is on duty with Antarctic Development Squadron Six, at the Quonset Point Naval Air Station, Quonset Point, R.I.

## NICOLS PARK ESSO

**ARIES** (March 21-April 19): Helter-skelter days ahead, Ari. Circles within circles and mirrors within mirrors. Be stout of heart. Take one day at a time. Seek advice concerning career/money matter. Pieces of puzzle fall into place. On last day, your mug runneth over.

**TAURUS** (April 20-May 20): Travel highlighted, Taurus. Map plans with care. Keep cash on hand to a minimum. Use checks and credit when ever possible. Newcomer makes friendly overture. Be receptive...it may lead to romance. And Taurus is entitled to a summer romance just about now.

**GEMINI** (May 21-June 20): New association makes week ahead somewhat more than just average. You are motivated. You catch passing parade. And by last day, you find yourself woozy out in front. Rum, turn, te turn.

**CANCER** (June 21-July 22): Old problem is solved, but new one takes its place. Nature abhors a vacuum, you know, and especially where Moon-baby is concerned. Take firm stand concerning relationship which has you gnashing your teeth. You will be respected after initial shock waves diminish.

**LEO** (July 23-August 22): Good week for you, Leo, to a bit of silent stalking. What you have found elusive is just around the nearest corner. And that's no jazz. Be lion-hearted, love, and last two days of week can be just grrr-eat.

**VIRGO** (August 23-September 22): Virg's Law states: If anything CAN go wrong, it WILL. However, you are blessed with unusual strength as well as wit. In days ahead, you will be called upon to exercise both. Others come around to your way of thinking and by last day you are the chooser. Not the beggar.

**LIBRA** (September 23-October 22): Put on your sneakers, Lib, for in week ahead you will be challenged by change, and fancy footwork will be your only salvation. Message of intrigue dispatched. Your heart goes pitty-pat. On last day, relax, and have a tea party.

**SCORPIO** (October 23-November 21): New phase shaping up. Scorp. Unseen forces at work. You benefit. Key is to keep eyes and ears open, but wallet and trap shut. You will understand. By end of week, you breathe easier and know that everything is going to be all right.

**SAGITTARIUS** (November 22-December 21): You will be questioned in week ahead, Sag, concerning very personal matter. Not wise to tell everything at this time. Answer with vague generalities. Virg plays key role. Study advice to Ari.

**CAPRICORN** (December 22-January 19): Sweep the floors, fluff the pillows, and chill the wine, Cap, for a visitor is due. You learn important lesson. Others are content merely to exist but you, dear friend, LIVE. Oo-la-lal!

**AQUARIUS** (January 20-February 18): Concerning present romantic situation, you Aquari, were the thief. You stole the first kiss. Remember this in case relationship is beginning to pall. Let partner down if you must, but do so ever so gently.

**PISCES** (February 19-March 20): Daily associate knows your Achilles heel, Pisces, and in week ahead will attempt to take advantage of your weak spot. Know this, and turn to Taurus for strength. Together, you and Taurus make a terrific team.

**repairs;  
see us  
every 90 days.**

**Repairs Can Be Charged**

"Charge it" instead of "How much do I owe you?" will be the new way of paying for repairs on the spot when motorists run into trouble on the Garden State Parkway. According to Chairman John P. Gallagher of the New Jersey Highway Authority, all 48 trucks which service the Parkway will have portable Mastercharge and Bank Americard recording devices which the truck operator will have available in the truck. Previously, if a motorist desired to use a charge plate to pay for repairs he would have had to follow the repair truck back to the garage to have the credit card validated.

The garages themselves, of course, will continue to honor a variety of other credit cards if a motorist does return to the service station.

Chairman Gallagher pointed out that the Parkway is unique in the nation in offering this on-the-spot charge service. He also noted that delay time when a vehicle does break down is also shortened because all of the tow trucks are radio equipped. When a disabled car is seen by a state trooper, or is reported by a passing motorist, a call for aid is sent out by radio.

Sometimes the truck might be at the garage, but there are many times when the truck is on the road, in the vicinity of a car in need of help, and through the use of radio, aid is only minutes away. "It seemed a needless waste of time," said Chairman Gallagher. "To have a truck expedite repairs, and then force the motorist to have to return all the way to a garage."

The Plan came to fruition when Parkway officials learned of a firm that deals in the portable type credit card imprinter. The unit, which replaces the large cumbersome machines normally used, can be carried in a jacket pocket or in the glove compartment of a truck.

The portable credit card imprinter will also do away with truck drivers carrying cash, will circumvent payment by check and procurement of collateral.

We're informing the public right now," said Chairman Gallagher, "if they don't want to carry cash for one reason or another they don't have to. They are certainly welcome to charge it. In addition, someone who meets an unexpected emergency headed, for example, for the shore on a weekend won't have to worry that he'll have no cash left to enjoy his holiday." The Chairman concluded, "it's just one more way we try to make the Parkway a little more enjoyable for our patrons."

**State To Get 2 Million In Highway Safety Field**

Ray J. Marini, Governor Cahill's Highway Safety representative, today announced New Jersey will receive \$2.15-million in Federal Highway Safety funds to be used by State and local agencies in their continuing battle to curb deaths and injuries on the State's roadways.

"The Federal funds, together with \$200,000 in State appropriations, will be used by the New Jersey Office of Highway Safety to put its 1973 program into operation," Marini said.

# Orechio Says Tax Reform Not Dead Issue

"Tax reform is not a dead issue in New Jersey," Assemblyman Carl A. Orechio (R-11 District) said today. Orechio, who had been an outspoken critic of the tax reform package, voted against passage of the income tax measure in the N.J. Assembly Monday evening.

However, the Nutley Assemblyman revealed today he has already introduced a

concurrent resolution calling for appointment of a 24-member committee to continue the study leading to tax reform.

"The trouble with the Governor's proposal was that it was not a meaningful tax reform. It was viewed by most of us in the Assembly as just another tax, and one without any substantial relief to the already over-burdened

property taxpayers," Orechio said today.

"There are some, including Gov. Cahill, who say tax reform is now a dead issue. I disagree as do many other Assemblymen. I think now with all the input the legislature has gained as a result of the Sears Tax Report

that we can come up with some palatable alternatives," Orechio's resolution, which will be made public in Trenton today (Thursday) calls for an equally divided Republican and Democrat committee of 24 members with the Democrat committee of 24 members with the Governor,

the Senate President and the House Speaker each naming eight appointees. The committee's final recommendations would then be referred back to the Legislature for study before finally being presented to all New Jersey voters "at the next general election," the Orechio plan proposes.

Orechio favors tax reform but the Essex Assemblyman says, "Tax reform must include substantial relief to the small property owner." He noted that in several Essex suburban towns, the Cahill plan would have cost in-

dividuals more than is presently being raised for state, county and local educational costs.

"All the Assembly voted upon Monday was the income tax which was pegged as being the cornerstone of the tax proposal." I disagree completely. And although I voted against the Cahill proposal, I don't think for one minute that we in Trenton are going to forget the entire matter. I think the Legislature is charged with the public trust

of coming up with an alternative," Orechio continued.

He listed other "prime reasons" for the defeat of the Cahill plan Monday as a "credibility gap between the Governor's office and the Assembly, too many ambiguities in the overall tax package, and insufficient guarantees that the plan's adoption would offer any stabilization of our already overused property tax structure in New Jersey."

## Poll Shows Nixon Leading In Election

President Nixon enjoys "a lead of landslide proportions" over either Senator George McGovern or Senator Hubert Humphrey in a pre-convention poll of New Jersey voters announced here today by the state's newest polling firm.

William J. Kohn, president of the newly formed Attitude Analysis and Research Services, Inc., said the poll, conducted by telephone during a four-day period ending July 1, showed Nixon leading McGovern 49 to 28, with 23 undecided. Nixon enjoyed an even larger lead, 52.5 to 26 over Senator Humphrey, with 21.5 undecided.

Kohn said a total of 620 persons, selected at random from all of the state's 21 counties, were interviewed. Only registered voters who said they intended to vote in the general election were questioned.

The Paramus public relations executive, who is associated in the new polling venture with writer Frank Sherry of Westwood and John Squillacchia of Hackensack, said the Nixon lead is "staggering" even when the undecided vote is apportioned equally. "The lead then mushrooms to 60.5 percent for the President and 39.5 percent for Senator McGovern. The Nixon lead over Humphrey becomes 63 percent versus 37 percent."

Kohn said Nixon's lead is directly traceable to the large number of Democrats who said they plan not to vote for either McGovern or Humphrey, and Nixon's apparent, continuing popularity among Republicans and Independents. "Only among the 18-29 year-old voters does McGovern lead Nixon and then only by a 39-41 percent margin, with 20 percent undecided," Kohn commented. "Among senior citizens Nixon enjoyed a four percent margin over McGovern."

Kohn said the poll disclosed that the reason Humphrey would not do as well as McGovern, at this point in time, is that the same young voters would not vote for Humphrey. "In this trial run, Humphrey received 28.5 percent of the 18-29 year-old vote in contrast to McGovern's 41 percent. Although Humphrey fared somewhat better than McGovern among older voters, this was not sufficient to make up for defections among the young set.

Kohn said the AARS poll also examined the question of what effect a third party effort by Governor George Wallace would have in New Jersey. Asked to choose between Nixon,

McGovern and Wallace, those interviewed gave Nixon 41.5 percent; McGovern, 23.5 percent; Wallace 15 percent, and 20 percent undecided, indicating that the President would still maintain a lengthy lead in a three way race.

Wallace, according to the poll, drew slightly more votes from Nixon than McGovern.

The results in a three-way race substituting Humphrey for McGovern resulted in Nixon receiving 46 percent; Humphrey 23 percent; Wallace 15 percent; and 16 percent undecided.

Kohn concluded: "It is important to keep all trial runs, including this one in the proper perspective. The conventions have not been held, the campaign has not been conducted, and many influences will be at work on all voters between now and November. My associates and I are confident, however, that this statewide sampling accurately describes the mood of the New Jersey voter on the eve of the conventions and the campaign. We will be polling between now and the fall and just prior to election, and we will make these results public at that time."

## First National Bancorporation Reports Income

First National State Bancorporation today reported net operating income before securities transactions of \$2,356,000 or 86 cents per share for the three months ended June 30, 1972. That compares with \$2,148,000 or 77 cents per share for the same period of 1971.

Net income after securities transaction for the three months ended June 30, amounted to \$2,421,000 or 89 cents per share, compared with \$2,155,000 or 77 cents per share, year ago.

First National State Bancorporation is the parent holding company of five New Jersey Banks.

For the six months ended June 30, 1972, consolidated net income before securities transactions was \$4,737,000 or \$1.72 per share, compared with \$4,710,000 or \$1.68 per share a year earlier.

Consolidated net income after securities transactions for the latest six months was \$4,899,000 or \$1.78 per share, compared with \$4,966,000 or \$1.77 per share in the same period a year earlier.

A YOUNG STUDENT at the Florham Park School for Mentally Handicapped Children responds to "talking doll," equipped with device where therapist in remote area can talk with children. Telephone Pioneers in New Jersey are assembling devices.

## WE DON'T SELL HOUSES WE SELL HOMES

At Marzulli Inc. we believe every house has its own unique personality. It is this personality that makes a house a home. We also believe that the intangible qualities that make up this personality are worth money. They should be sold along with the house itself.

So if you're thinking about selling your home, have us give it a free personality analysis. By applying our knowledge of the real estate market and our many years of experience, we'll point out all the qualities that make your house a home.

You see at Marzulli Inc., we're not just real estate agents. We're specialists in the field of making property investments pay off.

# A REPORT FROM YOUR HOSPITAL

SUMMER  
1972

CLARA MAASS MEMORIAL HOSPITAL  
1A FRANKLIN AVE.  
BELLEVILLE, N.J. 07109

Archie C. Barbata

### PRESIDENT'S REPORT

The CLARA MAASS MEMORIAL HOSPITAL, now over 100 years old, continues its leadership role as one of New Jersey's finest community hospitals. From 1868 to 1957 it was located in Newark and was noted for its good patient care and scientific advancements. Since moving to Belleville, we have continued to grow in service to the community.

In 1957 your hospital relocated and increased in size from 100 beds to 300 beds. Since that date, we have grown from one building to seven and are now a medical complex of 570 beds. Last year, a 150 bed Continuing Care Center was opened—a new concept in hospital care. This Center for out-of-bed patients on the road to recovery has been well received by the patients and the community.

The Board of Trustees is not content with what we did yesterday. We are looking to the future to provide you, your family, your neighbors and friends with the services needed. CLARA MAASS MEMORIAL HOSPITAL is one of the most important buildings in town; and with your support it will continue its leadership.

**ARCHIE C. BARBATA PRESIDENT  
BOARD OF TRUSTEES**

### EXECUTIVE DIRECTORS MESSAGE

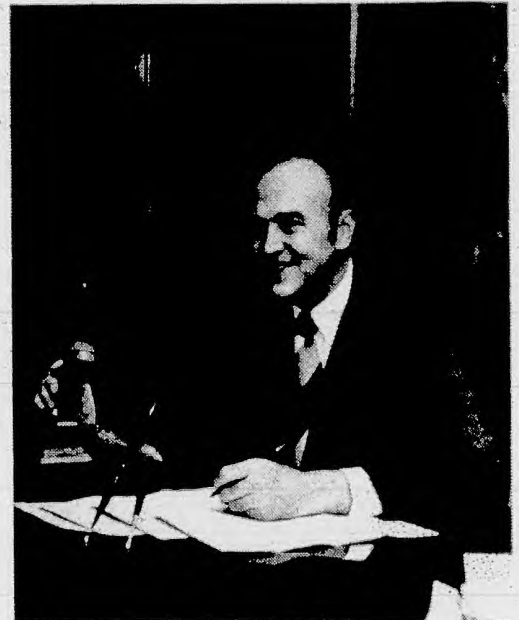

We are living in a fast-moving world where it sometimes seems like an impossible task to keep pace with change. Hospitals are no exception. Therefore, it is important that we anticipate not only what will happen today but tomorrow, next week, next year and the years to come.

The Hospital Board of Trustees, the Medical Staff and the Administrative Staff, working as a team, are making long-range plans for the future, so that your hospital will continue to provide the finest facilities and equipment for your care.

To our volunteers, Guild and Auxiliary members and the First-Aid Squads who make daily visits to our hospital, I extend thanks for the patient care you are rendering and for assisting us as we plan for the future.

Your support and the community support which we have received in the past, together with your continued interest in our community hospital, will make possible those goals which sometimes seem impossible. "The skies of tomorrow are always dark. The stars will light the way."

**ALBIN H. OBERG  
EXECUTIVE DIRECTOR**

Albin H. Oberg

### MEDICAL DIRECTOR

The Medical Director with the President of the Medical Staff coordinates, pursues and expands programs in the fields of patient care, studies the utilization of hospital facilities, and directs the medical education programs.

Presently, our Medical Staff numbers 370 physicians, providing services in every branch of Medicine. The hospital's Emergency Room is staffed by fully licensed physicians, working around the clock every day of the week to serve our community.

Many educational programs have been instituted during the past year, all of which are designed to help keep your doctors informed about the latest diagnostic and treatment techniques and developments in Medicine.

Everyone is concerned about the efficient use of hospital beds. Physicians are constantly reminded to see that hospital stays are not unduly prolonged as beds must be kept available for emergency cases. The community is also involved in the provision of adequate blood for patients in need of transfusions. It is expected within the next few months there will be a coordinated drive for this purpose.

Clara Maass Memorial Hospital is a community hospital, requiring the cooperation not only of the physicians, nurses and other hospital personnel, but also for the people it serves.

**WILLIAM GREIFINGER, M.D.  
Medical Director**

William Greifinger, M.D.

# PEOPLE WHO

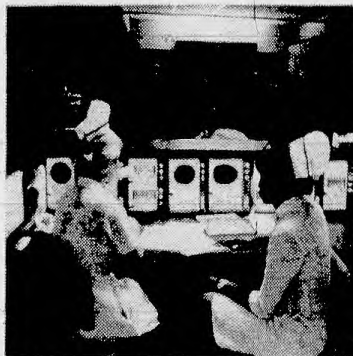

**SPIRITUAL**—One important element within the daily operation of your hospital is the spiritual needs of the patients. Services are conducted by clergymen from Protestant, Catholic and Jewish faiths "live" direct from the hospital's chapel via closed circuit TV to all patient rooms. Patients may also meditate privately in the Continuing Care Center Meditation Room or in the main hospital chapel.

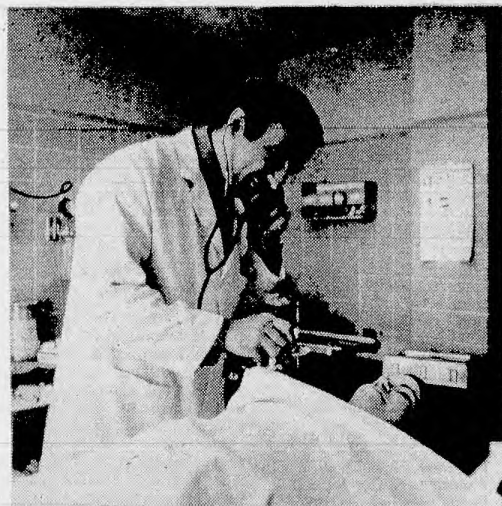

**HIGHLY SKILLED PERSONNEL**—different kinds of health care specialists patients at your hospital. Together with this team illustrates what makes a **WHO CARE**—All of whom are dedicated

## INTENSIVE CARE UNIT

## CORONARY CARE UNIT

**EMERGENCY ROOM IN ACTION**—This is one of the busiest departments in the hospital. Staffed by licensed doctors and professional nurses 21,700 patients were treated during 1971, an increase of 25% over the previous year. Trained specialists are within minutes of your home or place of business and they are prepared to meet any emergency. The Poison Control Center too is an important function.

## HOSPITALS 1971

### ADMISSIONS:

Adults and Children	14,674
Newborn-Infants	2,169

**TOTAL ADMISSIONS** 16,843

### PATIENT DAYS OF CARE:

Medical-Surgical	112,211
Maternity	10,046
Intensive Care	3,429
Psychiatry	5,448
Pediatric	6,189
Newborn	10,880

**TOTAL PATIENT DAYS OF CARE** 148,203

### PROFESSIONAL SERVICES:

Surgical Procedures	8,716
Emergency Room Treatments	21,700
X-Ray Examinations	139,189
Physical Medicine Treatments	12,597
Laboratory Tests	1,094,325
Social Service Cases	1,807

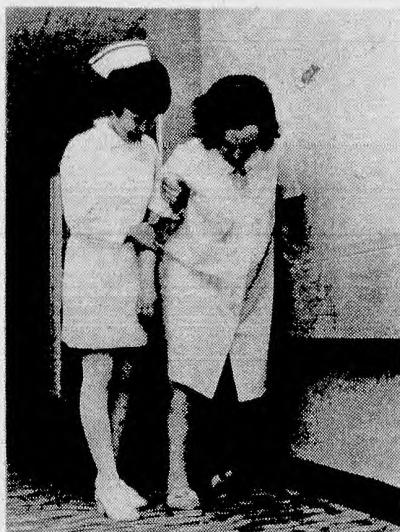

# OVER 100 YEARS OF D

# HO CARE

—A cross section of the many staff and volunteers that serve the hospital with the Medical Staff members, a hospital great—PEOPLE dedicated to excellence.

**BREATHE EASIER**—The attention to respiratory diseases and functions is not new to your hospital except that a Department has been established to assist you in minimizing functional respiratory loss with sophisticated pulmonary equipment.

**NURSING SERVICE**—Our major concern is patient care but this can not be accomplished without a staff of well qualified personnel. During the year the professional nursing staff was increased by 26%. These nurses were trained in 155 different schools throughout the world. Intelligent long range planning and recruitment will provide for an even greater number of nurses within the very near future not only for the day shifts but evening, nights, weekends and holidays as well.

## SERVICES

### OTHER STATISTICS:

Average Length of Stay (days)	8.8
Percentage of Occupancy	84.4%
Beds Available	520
Meals Served	411,768

### ADMISSIONS BY RESIDENCE

1971

NEWARK	3,547
BELLEVILLE	2,982
NUTLEY	1,800
BLOOMFIELD	1,367

NEWBORNS	2,169

**TOTAL ADMISSIONS  
AND NEWBORNS** 16,843

### CONTINUING CARE CENTER

**PREPARING FOR THE FUTURE**—The existence of educational programs generates an atmosphere of intellectual keenness which improves the quality of patient care.

During 1971, 39 students graduated from the School of Nursing, School of Radiology and Respiratory Training, many of whom remain with the hospital after graduation. Approximately 30% of the nursing staff are Clara Maass graduates.

# DEDICATED SERVICE

# FINANCIAL REPORT

**RISING HOSPITAL COSTS** are of great concern for these costs must be passed on to you the patient if the hospital is to survive. Under the watchful eyes of Emil I. Horak, Assistant Executive Director, and Humphrey Smith, Comptroller, every service, every purchase invoice and every expenditure is carefully reviewed to reduce operating expense without sacrificing quality patient care.

GOING HOME

**COMPUTER CENTER**—The new Computerization Center came to your hospital during the early part of 1972 after almost a year of thoughtful planning. With this shared service, patient billing and payroll can be accomplished more effectively and economically—Another step in controlling the inflationary trend. As time progresses computers will play a more important role in promoting cost saving measures.

## FINANCIAL REPORT FOR YEAR ENDED DECEMBER 31, 1971

We Received from Patients		\$11,950,489.
We Expended or Provided:		
For Salaries, Fees, and Fringe Benefits	\$8,051,551	
For Medical Supplies, Food and Other Expenses	3,874,985	
For Mortgage Payment and Improvement of Facilities	<u>758,912</u>	<u>12,685,448</u>
Excess of Expenditures Over Patient Income		\$734,959
We Also Received:		
Donations	\$ 34,088	
Bequests and Operating Grants	66,093	
Other Income	<u>420,594</u>	<u>520,775</u>
Therefore, Expenditures and Provisions Exceed our Income by		<u>\$214,184</u>

**VOLUNTEER SERVICES—**

Volunteers range in age from 14 to 84 who gave almost 60,000 hours of their time during the past year assisting in many areas of the hospital.

Some volunteers work several full days a week serving as patient escorts, assisting visitors at the Information Desk, visiting patients with the Hospitality and Library Cart, and an assortment of patient related activities depending upon their interests and availability.

We have 270 adult and 75 teenage volunteers. If you are interested in joining our corps of friendly volunteers, please call the Volunteer Office.

Mrs. Elizabeth Fox  
Director, Volunteer Services

**GUILD—**

We celebrated our 19th anniversary in 1971. One of our functions, other than social, is to assist the hospital in raising funds for their various projects that will help to provide some advanced equipment for patient care. To date, we have raised \$126,130.00 and will be pledging additional amounts soon.

Closing out the year, the Guild had 77 members. We meet September through June on the fourth Monday of every month and welcome you too to become a member of the Guild.

Mrs. Heidi Amirata, President

**AUXILIARY—**

The fund raising projects of the Women's Auxiliary of the Clara Maass Memorial Hospital during the past year have included the completion of the payment of their pledge for the Meditation Room of the Continuing Care Center and a gift to the School of Nursing of \$5500 to provide additional audio-visual equipment for the students' library.

Support of scholarships for the School of Nursing continues. Many in-service hours are given to varied volunteer tasks by auxiliaries and out-services include making tray favors, bibs and puppets. Regular meetings are held in the School of Nursing Auditorium 8:00 p.m. on the fourth Tuesday September through November - January through June.

Mrs. William Kropp  
President

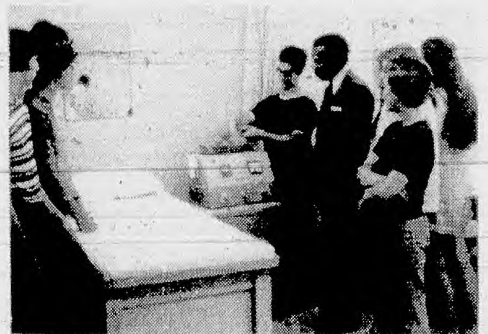

**EXPLORER SCOUTS-BSA—**

The Medical Explorer Post, now in its fifth year at Clara Maass, gives young people of high school age an opportunity to learn about careers in medicine or related fields. Present membership of the Post is 20—about equally divided between boys and girls.

The Post meets on the first and third Thursday of each month from 7:00 p.m. to 8:00 p.m. in the Doctors' Lecture Hall. Among the programs this past year have been: demonstrations and lectures by doctors and others on various medical specialties; visits to hospital departments such as laboratory, x-ray, physical medicine and medical records; a field trip to a drug rehabilitation center; and films on a variety of medical subjects.

Information about joining the Post can be obtained by calling 751-1000, ext.889.

Humphrey Smith, Advisor

**MATERNITY TEAS—**

Clara Maass Memorial Hospital offers a Tea and tour of the Obstetrical Department for expectant mothers who plan to have their babies at our hospital. The "Maternity Tea," instituted in April of 1960 enables these young women to familiarize themselves with our hospital facilities and to meet some of the people who will give them tender loving care during their stay at Clara Maass Memorial.

During the social tea hour, the expectant mothers are prepared for the birth of their baby and are informed of the hospital's history. At the conclusion of the lecture, they have the opportunity to visit the O.B. Dept. and ask questions.

Maternity Teas are held September through June on the third Wednesday of every month. Invitations are sent out at the beginning of each month.

# ADMINISTRATIVE STAFF

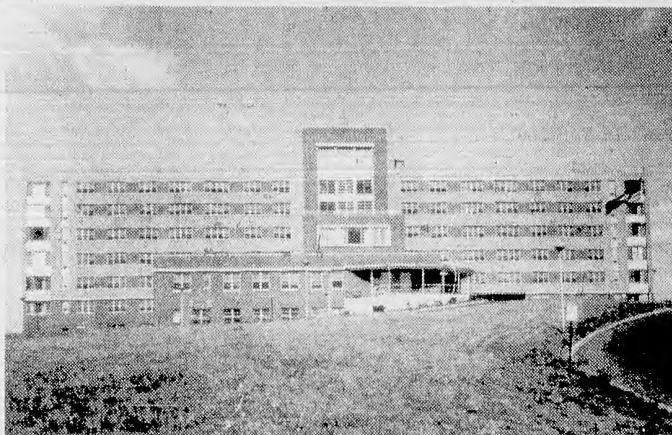

ALBIN H. OBERG, EXECUTIVE DIRECTOR

HAROLD C. WIDMAN, ADMINISTRATIVE ASSISTANT

## THEN AND NOW

1957

1971

On August 18, 1957 the great move took place. A steady stream of private automobiles, ambulance squads, the Red Cross and countless others transported patients and equipment from Twelfth and Newton Streets, Newark to 1A Franklin Avenue overlooking Branch Brook Park, but one unexpected patient arrived. Before the doors opened, Mrs. Elizina Nunes came to the new hospital and Clara Maass Nunes was the first baby born at the hospital.

Since that day 23,087 babies were born at Clara Maass Memorial Hospital, 2,169 of them were born in 1971. As Clara Maass Nunes grew so did the hospital. The original one building, 300 bed hospital now consists of a 7 building medical complex with facilities for 570 patients.

Clara Maass Memorial, dedicated in 1868, is a non profit, general, community hospital organized on the broad principle to admit anybody regardless of their race, creed or ability to pay.

Those were the words that were spoken during the dedication ceremonies back in 1868. Pastor Lehlbach, keynote speaker, also paid tribute to the public spirited citizens who made the new hospital possible by giving not only of their time and energy, but their financial support as well. Over one hundred years later the ideals emphasized by the original Board of Trustees still holds true today for patients, employees, volunteers, trustees, medical staff members and friends of the hospital come from all walks of life. Your modern medical complex has grown tremendously and this growth has required heavy mortgaging in order to finance buildings and equipment to keep up with the times.

Your tax free contributions will help immeasurably to reduce this financial obligation and to provide an even better hospital in the future.

## SUPPORT YOUR COMMUNITY HOSPITAL
