### LESS DAMAGE THAN FEARED

## Storm leaves Belleville battered but unbeaten

By John Jurich

Though damage was extensive, Tropical Storm David let Belleville off more lightly than it might have. David howled through town early Thursday morning, knocking down trees and knocking out power and telephone service for some, but there were no injuries or flooding reported.

"It kept us a little busy," said

Deputy Police Chief Frank Haight. "There were many trees down and a power shortage, but overall there were no major problems."

Shade Tree Department Superintendent Al Pico said about 80 trees had gone down, several on houses and cars. Two autos burned after being struck with fallen electrical wires. "There are a lot of

uplifted sidewalks," said Pico, adding the majority in town had suffered some damage. There was no estimate of how much the storm had cost the town.

Cleanup operations are being handled by about 40 workers from the Shade Tree and Public Works Departments and those operations are expected to go on for about another week. "They're still calling, and it's almost a week after the storm," said Pico Tuesday.

Shade Tree employees worked Saturday and Sunday, but Public Works personnel did not put in any overtime.

Some confusion resulted following the storm when citizens who had fallen trees on their property called the Public Works Department for help. The Shade Tree Department, which is a division of the Parks and Recreation Department, was the correct agency to contact about trees.

Public Works Superintendent Jim Soldo said his men were mainly occupied with picking up branches torn from trees by David's 50-mph winds. "There was not much other real damage," Soldo said, "and there was no flooding which was a big factor."

The storm canceled classes at St. Peter's, St. Mary's and Holy Family Schools, but St. Anthony's School

"This Pathmark is a very good store and it's located in a high acceptance area in the community," said Wunderle. "We want to expand and modernize the store by offering more products and services."

Wunderle explained that a "super center" is the combination of a full-line food store with a non-food section for additional services.

Residents living near the old A & P Shopping Store on Franklin Avenue will be given the floor tonight to air their views on the proposal to construct a Wendy's Restaurant and a Fabric Emporium

Please see "Planners" on page 16.

## Pathmark asking major expansion

By Donna Abate

Pathmark Shopping Store is expected to approach the Planning Board tonight with a request to expand its facility on Belmont Avenue into a "super center." At its 7:30 meeting, the board will also consider proposals for a Wendy's Restaurant on Franklin Avenue and expansion of off-street parking at the Clara Maass Professional Building.

According to Bob Wunderle, vice president of public affairs for Supermarkets General, Pathmark's parent company, the Belleville store would be enlarged by 9,000 square feet under the plan being submitted.

The extension would house an optical center, an expanded pharmacy, a service center to include film, small cameras, small appliances, records, magazines and top-line cosmetics.

Wunderle also said the company is seeking a 3,500-square-foot satellite store near the Pathmark. A tenant for the satellite has not yet been determined.

## Marotti picnic set for Sunday

The Michael V. Marotti Civic Association will hold its annual picnic 1-7 p.m. Sunday at the Old Cider Mill Grove in Union.

There will be a large variety of foods, including clams on the half shell, clam chowder, hot dogs, burgers, corn on the cob, barbeque beef and an assortment of salads.

For tickets, contact picnic chairman John Marotti at 759-3905 or Aldo Di Chiara at 759-4722.

The Old Cider Mill Grove is located on Vauxhall Road near exit 141 of the Garden State Parkway South.

## Pupil enrollment drop sharpest here in years

By Mike Olohan

Schools opened this year with 269 fewer students than last year, confronting trustees again with the problem of which schools should be closed and when.

However, board members did not even mention school closings when discussing the enrollment decline Monday, apparently preferring to let the "restructuring" committee decide if schools should be closed.

The purpose of the restructuring committee, which met last night for the first time, is to come up with a plan giving short and long-term solutions to questions of declining enrollment, redistricting, school closings and consolidations, school renovations, changing the grade set-up to K-7 or K-8, and "racial imbalances" in elementary schools. This last item is the committee's most important assignment since Belleville is under

order to propose a way to end what the state considers to be imbalances here.

"This is the largest decrease in school enrollment that we've seen in years," said School Superintendent Dr. John Greed. However, he noted that despite the decline, three teachers have been added because individual grades at Schools 1, 3, and 8 are overcrowded.

Trustees have often appeared hesitant when discussing school closings because such questions are emotional ones not merely to be judged on the basis of economics or bureaucratic efficiency.

About 15 parents showed up at Monday's meeting to ask trustees to add a part-time (half-day) teacher for School 8's two kindergartens which have 25 and 27 children in each class. Board members agreed to hire a teacher if the kindergarten totals do not drop by week's end.

Statistics compiled Monday show high school enrollment has dipped 102 students from last year from 1,449 in 1978 to 1,347 this year, while the Junior High School lost 73 students, dropping from 1,281 to 1,208. School 7's enrollment dropped 51 students, from 392 to 341, with School 5 declining 16 students from 402 to 386.

School 3 enrollment slid to 390 from 399. School 2 to 91 from 93, and School 1 from 154 to 152. School 8 enrollment went from 416 to 414. School 9 dropped from 139 to 116 and School 10 dropped from 131 to 123.

The only increase was at School 4 where 311 pupils were enrolled compared to 308 last year.

Please see "Trustees" on page 3.

Dim View — John Vitkovsky looks out the window of his Frederick Street house and sees the giant maple tree that crashed onto it during Thursday morning's storm. He got help (below) clearing away the branches.

Helping Hand — Vitkovsky's neighbor, Joe Skrutskie saws away at a limb of the fallen tree. About 80 trees were toppled by Tropical Storm David last week. The clean-up continues.

## Eyesore of the week

Junk Playground — Children continue to play in this area located on the corner of Belleville Avenue and Cortlandt Street. The lot is filled with various junked items and abandoned cars.

## Commission against cable TV rate hike

Belleville commissioners voted Tuesday night to take a stand against the 50-cent-a-month rate hike Suburban Cablevision is asking for basic cable service.

Resident Edith DeFeo noted that during the town's original cable television hearings one Suburban representative "promised not to raise the price for three years." Other residents asked that commissioners make transcripts of those hearings available to the public.

West Orange officials sent a letter to the New Jersey Office of Cable Television opposing the request for the increase and had asked Belleville commissioners to do the same. If approved the rate would jump from \$8 to \$8.50.

## Jews observing High Holy Days

Joseph Berkowitz, president of Congregation Ahavath Achim of Belleville, has announced the schedule of services for High Holy Days which begin this Saturday.

The services will be conducted by Rabbi Noah Burstein and Cantor Samuel Dov Ritter. Ritter has chanted the liturgy of the High Holy Day services at Congregation Ahavath Achim for many years.

Seymour Grossman and Dr. William Taffet are ritual co-chairmen. Mrs. David Robbins is chairman of the seats and rentals committee in charge of tickets for seats for the services.

Mrs. Donald Tuchman is chairman of the Kol Nidre pledges. Mrs. Robbins notes that there are a limited number of seats available for non-members of the congregation. Tickets are required for all services, including Yizkor.

Selichot services, which begin the ushering in of the High Holy Days, will be held Saturday at midnight. They will be preceded by a general congregation membership meeting and coffee hour at 11 p.m.

Rosh Hashana services start Friday evening, Sept. 21, and are followed with services Saturday and Sunday, Sept. 22-23. Kol Nidre will be on Sunday morning, Sept. 30, and Yom Kippur Monday, Oct. 1.

For information about seats and membership, contact Mrs. Robbins at 759-6557 after 4 p.m. Congregation members receive free tickets for the High Holy Day services.

The congregation is in the midst of a membership drive. Ahavath Achim is the only affiliated Conservative congregation in the immediate area. Services are held throughout the year 8:30 Friday evenings and 9 Saturday mornings.

The air-conditioned congregation building is located at 125 Academy St., behind the public library on Washington Avenue. For further information, call the congregation at 759-9731. Congregation Ahavath Achim is affiliated with the United Synagogue of America.

## St. Anthony's sets picnic for Sept. 23

St. Anthony's Church will hold its second annual parish picnic 10:30 a.m. to 7 p.m. Sunday, Sept. 23, at the Essex County Reservation in Tulip Springs, West Orange. In the event of rain, the picnic will be held the same day and hours at St. Anthony's School cafeteria, 25 North 7th St.

The picnic will be catered by Anthony's Caterers from Boardwalk Benny's. Coffee and buns, hot dogs and hamburgers with dressing for each, barbecued chicken, sausage and peppers, assorted salads, pickles, olives, hot peppers, corn on the cob, watermelon and soda are all on the menu. The picnic committee is making cakes, cookies and pies for dessert. Donations will be accepted.

Tickets are being sold at St. Anthony's after all Masses and are also available by calling the rectory at 759-2882. Purchase deadline is Wednesday, Sept. 29. Tickets are

\$8.50 for adults and \$4.25 for children 6 through 12. Children under 6 will be admitted free.

The activity committee will run games throughout the day with prizes and surprises. Age groups for the games will be 6 and under, 7 to 12, 13 to 17 and adults.

## Coram aboard for Naval test

Navy Storekeeper Seaman Apprentice Frank J. Coram, son of Frank J. and Christine F. Coram of 15 Overlook Ave., recently participated in the U.S. Sixth Fleet operation, "National Week 79," in the central Mediterranean Sea.

Coram is a crewmember aboard the aircraft carrier, USS America, who homeport is Norfolk, Va. The weeklong exercise involved 20 ships and 200 aircraft. Almost 15,000 sailors and Marines participated. "National Week" was designed to test naval warfare techniques and proficiency in a simulated air, surface ship and submarine warfare environment.

A 1975 graduate of East Side High School, Newark, Coram joined the Navy in February 1977.

## Dem duo call for campaign on the issues

Assemblymen Michael Aduvato and John F. Cali say they won't personalities detract from serious examination of the issues.

"The people of this district have too much at stake in the outcome of this year's election for the campaign to get caught up in personal attacks instead of the critical questions the public wants the answers to," the two incumbent Democrats said in a joint statement. Aduvato and Cali are both seeking fourth terms in the 30th District, which includes Belleville.

"We will avoid letting personalities or name-calling get in the way of lively debate on the significant issues facing the district and the state," said Aduvato, vice chairman of the Assembly Banking and Insurance Committee.

Cali, chairman of the Assembly Transportation Committee, added, "We have been hard-working legislators and our record of achievement speaks for itself."

# Trustees probe class size effect

Continued from page one.

pared to 28th year ago. School 4 is on Magnolia Street in the Silver Lake section near Newark.

Trustee Caesar Romano said a thorough study should be done to determine the effect of class size on children's learning potential and to find the "correlation between a child's achievement rate and the parents' achievement rate," as New York educators did recently. Romano said studies he's read show that parents' intelligence directly affects their children's ability to learn and their motivation.

Greed said School 2 Principal Arthur Pico will study whether lower enrollment leads to higher test scores. School 2 has only 91 children enrolled.

Trustees noted that many studies have been done proving both the

positive and negative effects of lower class size. Trustee Anthony D'Agostino, a principal in Newark's Mount Vernon School, said educators are unsure what makes a stimulating, learning environment because factors such as teachers, socio-economic levels of students, home environment and curriculum are often different in each study made.

"Let's study where we're at right now in Belleville," said D'Agostino. The Citizens Survey Committee, which D'Agostino was on, issued a report in January disclosing that 46 percent of Belleville parents don't feel enough emphasis is placed on vocabulary and effective public speaking in lower grades compared to 34 percent who do.

But 47 percent of 600 parents surveyed said Belleville schools are do-

ing a good job teaching "basic skills" in reading and mathematics, though only 41 percent said the schools "adequately" teach good grammar and composition. Only 36 percent thought "critical thinking" skills to analyze and perceive solutions to problems are being imparted.

If a family's income exceeds those shown, but the family experiences any of the Special Hardship Conditions listed below, a child may still be eligible for free or reduced price meals and free milk.

Shelter costs in excess of 30% of the family income;

Unusually high medical expenses;

Special education expenses due to the mental or physical condition of a child;

Disaster or casualty losses;

Foster children are often eligible for free or reduced price meals and free milk.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added stating that the application is being made in connection with the receipt of federal funds, that if school officials have reason to question the information provided they may seek verification, and that deliberate misrepresentation of information may subject the applicant to prosecution.

Application forms for free or reduced price meals and free milk are available at your school and application can be made at any time during the school year. If a family member becomes unemployed, the income or family size changes or the family experiences any of the Special Hardship Conditions during the school year, parents should contact the schools and all children receive the proper benefits.

In the operation of the Child Nutrition Programs, no child will be discriminated against because of race, color, national origin or ability to pay. A child will not be identified as a recipient of free or reduced price meals and free milk.

The information provided by parents on the application will be kept confidential and will be used only for the purpose of determining eligibility.

The school will advise parents of their child's eligibility within 15 days of receipt of the application. Any parent dissatisfied with the eligibility determination may contact the school to request an informal conference or may appeal the decision by requesting a formal hearing procedure.

A hearing can be arranged by calling or writing, Dr. John T. Greed, Superintendent of Schools, at 383 Washington Avenue, 751-7242.

Parents may call the Principal of the school for further information on these programs.

## Prayer For Today

O God, we go through life so lonely, needing what other people can give us, yet ashamed to show that need.  
And other people go through life so lonely, hungering for what it would be such joy for us to give.  
Dear God, please bring us together, the people who need each other, who can help each other, and would so enjoy each other.

## Valium

This week in Washington, D.C., Senator Edward Kennedy's Sub-Committee on Health Scientific Research held a public hearing on the Valium drug.

At the outset of the hearing Senator Kennedy explained he called a hearing to highlight the "misuse and abuse" of Valium.

Most of the people we know, at one time or another, have had Valium prescribed for them. The drug works wonders. With millions of people all over the world using Valium, it is quite natural to assume that some people would misuse the drug or abuse its use.

Valium is manufactured by our next door neighbor, Hoffmann-La Roche, Inc.

Even the misuse or abuse of a simple aspirin could, in the extreme, cause death.

Senator Kennedy's public hearing should have been extended to include pain killers from aspirin all the way through the family of tranquilizer

prescriptions. Then, in that context, one can really evaluate the pluses and minuses of Valium. Any drug considered in isolation could lead one to a misconception that the drug is dangerous as it relates to the family of drugs.

Instead of a public hearing trying to find fault with Valium and its manufacturer, because of the benefits derived from Valium by untold millions of people daily throughout the world, the discoverer of Valium and its company, Hoffmann-La Roche Inc., should be awarded some sort of Congressional medal of honor for scientific achievement.

It is ridiculous to harshly judge the manufacturer when most problems arising from Valium are caused by the user — not the manufacturer.

## Cuba

This week the Soviet Union denied the U.S. Government's claim that 3,000 Soviet combat troops are stationed in Cuba. The communist nation said the accusations were fabricated by the American press media and opponents of the Salt II Treaty.

There is no doubt the presence of a Soviet military force in Cuba gives dictator Castro the opportunity to free Cuban troops to fight in South Africa.

President Carter's response to

the Cuban situation appears to be a worry to the American people. Carter asked the American public to remain calm and permit quiet diplomacy to resolve the problem. We believe Carter is misjudging the Soviet Union and Castro. He is too slow to react — and at that — too easy.

## Trees are a matter for the Parks Dept.

To the Editor:

Due to the many irate calls received at the Department of Public Works and my home, I would like once again, through the media of the press, to convey to the citizens of the Town of Belleville this message.

The Shade Tree Department has not been in the Department of Public Works for the past eight years.

The Shade Tree Department is a division of Parks and Public Property, under the direction of Mayor Michael V. Marotti.

To the many citizens who were burdened by the worst storm in years, I'm certain the Shade Tree Department will assist each citizen as quickly as possible.

The employees of the Department of Public Works will continue to assist the Shade Tree Department, so the debris from the storm can be removed immediately from the entire town.

Hereafter, I would appreciate that in the future, any emergency regarding trees, be directed to the Shade Tree Department.

Commissioner Mary V. Senatore  
Director, Department of Public Works

## Golden Comments

By James R. Golden

We are more than a little annoyed that the auditor's report has not yet been published. We commented about this back in July. Nutley published its report that month. Why hasn't Belleville complied with the mandatory requirement that this report be published as a legal notice shortly after the month of June each year?

In the past, although usually late, the auditor's report has contained recommendations that he is required by law to make if he finds the town at variance with prescribed state standards for municipal financial practice. Many of his recommendations have been repeated year after year without the town implementing them. These reports are filed with the director of the Division of Local Government in the Department of Community Affairs in Trenton.

We know of no justifiable excuse for the failure of the town of Belleville to have published the auditor's report for last year by this time. Is there anything wrong? Perhaps a letter to Mr. John F. Laezza, the director of the Division of Local Government, may produce the explanation for this unreasonable delay in publication of the report which is long overdue.

While on the topic of the town government, we'd like to enlighten the town fathers as to the investment advantages to be found in a state-operated cash fund which achieved a daily average annualized return of 8.88 percent for municipal participants.

Originally formed in 1977 to pool the excess cash of various segments of state government, the fund was opened to units of county and municipal governments at the beginning of last year. Had the state-operated fund been a money market mutual fund for private investors, this fund would have ranked sixth in the country in June, based on daily average annualized return.

The fund assets now total more than \$800 million. The advantages of the fund as pointed out by Mr. Jack Pennington, who manages it, are obvious. By pooling of funds a greater investment yield is obtained.

For local governments, the fund offers a better return than deposits in local banks and savings and loans, and by joining the pool they gain the advantage of being able to demand the best yield on investments.

By joining the fund, municipalities no longer need dabble in the investment field. They have the security of knowing their funds are being invested in the best possible way.

There are 82 local governments now participating with another 48 approved to enter. Joining is easy, with the filing of simple application forms which are acted on quickly, usually within a few days.

Depositing and withdrawing of funds is simple and quick. A participant depositing money with the fund uses a toll-free WATS telephone number to call First Jersey National Bank which gives the caller a secret code number. The participant then calls his bank, which, using the code number, transfers the money by wire into the fund's account at First Jersey National.

The transaction can be completed in about 15 minutes. Withdrawing funds is easier, requiring only a phone call to First Jersey. The fund pays interest from day of deposit to day of withdrawal. There is no minimum time required for deposits, and participants need not keep the fund informed of their cash flow needs.

Municipalities are assessed a 0.1 percent service charge and a 0.1 percent reserve requirement. Both fees are charged against earnings, rather than principal.

East Orange Treasurer Clarence Dickens is quoted as being "very satisfied with the fund," pointing out that the yield is somewhat higher than what could be obtained from S&I's and banks through repurchase agreements and certificates of deposit. He called the day of deposit to day of withdrawal feature very helpful since it means investments don't have to be called in prior to maturity.

Many of those active in the money markets, in view of the favorable performance record of the fund, express surprise that more municipalities are not participating in it.

We entertain the view that our town governing officials should look into and explore the advantages that might be derived from participation in this state-operated fund. Especially would this be wise if the rate of return were greater than we're getting now.

## Reader urges fairness in judging Sheriff Cryan

To the Editor:

In light of the recent happenings in regards to the charges brought against former Democratic Chairman Harry Lerner and Sheriff John F. Cryan, I believe it is time for someone to have the moral courage to make a definitive stand.

We should stand, after carefully considering the facts presented and weighing the evidence behind Sheriff Cryan's remaining in his post as Sheriff, running for reelection and winning. I also feel he should fight the indictment with all the power and reserve at his disposal and win. Further, pulling out of the race, in my mind, is tantamount to an admission of guilt. Only the courts and the voters should influence his judgement and the disposition of this race.

Many things that have happened to date concerning the fall general election "Reak of a power-grab". Further, the Essex County Democratic Party has been splintered and weakened since the passage of the 1977 charter referendum. As I see it and read the indictment, the major charges range from "Collecting money to finance Democratic elections" to "Placing contributors in County jobs." Serious charges but not new. The Essex County Executive has taken over many of these same functions, functions previously held by the Chairman of the Democratic Party. He also appoints 40 Department heads, 8 division chiefs and a personal staff with

an annual cost to the taxpayers of this County of over \$625,000.00. His personal spendings for refinishing the 5th floor and staffing well-exceed the one million dollar mark. I make that example to point out that without creation of any benefits for County Democratic workers — the party faithful, the County Executive who speaks of "Cryan not running for the good of the party" is doing a far worst offense than the charges brought against Sheriff Cryan. Aside from these similarities in scope of the power-base many things concerning the indictment "stink" in my view. I prefer to look, think, feel and then act, only by adopting this method will you decrease your errors and increase your probability of acting wisely.

One other thought that we should bear in mind and that is Mr. Cryan's rights under the Constitution of the United States of America as guaranteed under the bill of rights. These rights are:

"No man shall be deprived of life, liberty or the pursuit of happiness without due process of the law."

Let us not adopt the attitude of: "Give him a fair trial and then hang him", if you are going to hang him why the farce of a hypocritical trial?

Let the business of law be carried out in the courts and the elections decided by the only one that counts — the voting public. This is my opinion!!!!

## New guide catalogues historical town papers

Hundreds of manuscripts concerning Belleville and its history are among the more than 800,000 papers and records catalogued in "Guide to the Manuscript Collections of The New Jersey Historical Society" to be published this coming Wednesday.

The Belleville papers include those of the Hornblower, Kind, Lloyd, Munn, Rutgers and Van Dyck families from 1760 into the 20th century, as well as records of the 1860 Belleville census, Post Office accounts during the 19th century, an 1848 voting register and various documents concerning Christ Episcopal Church and the Dutch Reformed Church.

Individual records of note include those of Josiah Hornblower, who constructed the first steam engine in America at Schuyler's copper mine in Belleville; Henry King, an 18th century farmer, currier, shoemaker and butcher; John Lloyd, a justice of the peace and tailor in Belleville, and Anthony Rutgers while a student at Newark Academy from 1810 to 1811.

The new guide, a hardback book of 250 pages, provides a comprehensive listing and description of more than 1,000 distinct groups of papers and records in the society's collection. All materials are housed at the society headquarters, 230 Broadway, Newark.

The volume, which is indexed and illustrated, presents carefully

researched descriptions of personal papers, business records, photograph collections and hundreds of other collections. Subjects from agriculture in Bergen County to yachting off Sandy Hook are included, in papers collected by New Jerseyites from all walks of life.

The new guide replaced one issued 20 years ago when the manuscript collection was a third of its present size. The new guide costs \$20. To order it, write the New Jersey Historical Society, 230 Broadway, Newark, N.J., 07104, adding \$1 for postage and handling.

A reception is scheduled at the society this coming Wednesday. Those interested in attending may call the society at 481-3939.

Mrs. Enrico Malfitano - nee Victoria Ann Marrazza

## Victoria Marrazza weds Enrico L. Malfitano Jr.

Wedding vows were exchanged July 15 by Miss Victoria Ann Marrazza, daughter of Mr. and Mrs. Harold Marrazza of Hillsborough, and Enrico L. Malfitano Jr., son of Mr. and Mrs. Enrico Malfitano of Nutley.

The Rev. Robert Cuzzini performed the ceremony in Holy Family

Church. A reception followed at Town and Campus, West Orange.

Escorted by her father, the bride wore a Qiana gown with Victorian neckline, short sleeves and train, all accented with lace. A lace headpiece held her veil and she carried daisies and miniature roses with babies breath.

Bonnie Marrazza of Hillsborough was her sister's maid of honor. Bridesmaids included Lisa Marrazza of Hillsborough, Judy Acunzo of Belleville and Deborah Luzzi, Mindy Drodowski and Patty Gengaro, all of Nutley.

They wore lavender gowns with cape-like floral patterned jackets. Headpieces were of babies breath and they carried miniature carnations, daisies and statice. Babies breath with roses was added to the honor attendant's bouquet.

Eugene Bellene of Nutley was best man. Ushers were Mark Marrazza of Hillsborough, Anthony Malfitano, Robert De, Frank Molinaro and Larry Bell, all of Nutley.

Mrs. Marrazza chose a silver grey gown and wore a wristlet of white roses. The groom's mother, in a mauve gown, had an orchid corsage.

Mrs. Malfitano, an alumna of Hillsborough High School, is with Turchette Advertising Agency, Nutley.

Mr. Malfitano, an alumnus of Nutley High School, is with Edson Tool, Belleville.

After honeymooning in the Bahamas and Disney World, the couple have made their home in Belleville.

Mr. and Mrs. Joseph La Badia — nee Maria Spagnoletti

## La Badia-Spagnoletti nuptials are performed

St. Anthony's Church was the setting for the marriage of Miss Maria Grace Spagnoletti, daughter of Mrs. Barbara Spagnoletti of 76 Magnolia St., to Joseph Paul La Badia, son of Louis La Badia of Bloomfield.

The Rev. Joseph Barbone performed the April 7 ceremony and a reception followed at Hanover Manor, East Hanover.

Escorted by her brother, Benjamin Spagnoletti, the bride wore a white satin gown fashioned with long lace applique sleeves, scoop neckline, lace bodice and chapel length train. A matching lace Juliet cap held her satin edged veil and she carried a cascade of white and pink roses.

Judith Pecoraro of Elmwood Park was maid of honor. Bridesmaids included the bride's cousins, Marigrace Valvano, Maryjo De Santis, Diane Lembo and Grace Lembo, all of Belleville. The groom's cousin, Laura La Badia of Flemington, and his sister-in-law, Nancy La Badia, Suzanne Abendshold, cousin of the groom, was flower girl.

They were attired in mauve Qiana gowns with chiffon jackets and matching picture hats. The honor attendant carried pink carnations, daisies and red roses, the flower girl had a basket of the same flowers and the others carried pink carnations and daisies.

Michael Barbone of Belleville was best man. Ushers were Thomas Roselli of Wayne, cousin of the bride, Steve Chelstowski of North Arlington, Dick Goldsmith of Bloomfield, William Carboni of Connecticut, cousin of the groom, Matthew Melucci of St. Louis, Mo., cousin of the groom and John La Badia of Glen Ridge, brother of the groom. Johnny La Badia, nephew of the groom, was ring bearer.

Mrs. Spagnoletti chose a seafoam green chiffon gown with beading on the neckline. She had an orchid wristlet.

Mrs. La Badia is an alumna of Seton Hall University. Mr. La Badia, a graduate of William Paterson College, is with J.C. Penney.

## History repeats itself to the dismay of Jets

All you history buffs are probably aware that the Boston Massacre occurred over 200 years ago. Well a restaging of that historic event took place last Sunday afternoon in Foxboro, Mass., at Schaeffer Stadium.

The victims of this massacre were the New York Jets, a team that is of playoff quality. The New England Patriots administered a 56-3 beating to the Jets and sent the New Yorkers staggering back to the Big Apple with a 0-2 record and a tough home game with the Detroit Lions on tap for Sunday afternoon.

What can be forgiven about last week's game is that the Jets are always horrible in Patriot land. Last year the team was blown out 55-21. In 1977 it was beaten 24-10 and in 1976 it took the gas pipe by a 41-6 count. It can also be said that a team can have a bad game once in a while.

OK, I'll buy that. What was totally incomprehensible was head coach Walt Michaels' decision to start Richard Todd at quarterback in place of the "regular" quarterback, Matt Robinson. Robinson started the opening game of the year and played rather well, well enough that the Jets might have won, though they were beaten 25-22. The Jets lost the game in overtime because they couldn't hold a three-point lead with just seven seconds left in regulation time. A crucial roughing the passer call set up a Browns' field goal that sent the game into overtime and an eventual Browns' victory. What also hurt the Jets was Pat Leahy, the place kicker, missing two point-after attempts and two field goals, one in overtime.

Robinson did not start the New England game because of a nagging thumb injury, one that supposedly hampered him in the Cleveland game. In the Brown game, Robinson could not throw a ball over 30 yards, so management decided that Todd could do a better job against New England.

Richard Todd is an unfortunate victim of circumstance. He's really not a bad quarterback but truthfully is not as good as Robinson right now. Todd is an investment that the Jets don't want to give up on. He was the number one draft choice in 1976 and started for the team in 1977 and in the first five games of '78.

Then it happened. Todd was severely injured in a game with the Washington Redskins, and Robinson, an unknown, was to determine the Jets' fate. He started eight games against some of the toughest teams in the league. He led the Jets to victories over Denver, Baltimore, St. Louis, Buffalo and Miami. He ran the offense like Todd never did.

When Todd returned in the 11th week of the season, the Jets' opponent was New England at Shea Stadium. The crowd had fallen in love with Robinson's style of play and was a bit surprised to see Todd back in the lineup. Todd played three quarters and led the Jets to 10 points, seven of them scoring when the defense intercepted a Patriot pass and returned the ball to the 1-yard line. Todd just wasn't ready to play and consequently the Jets were behind 16-10 after three quarters.

As the fourth quarter began, the crowd started shouting its displeasure at Todd's play. It was then that Robinson came in to replace Todd to the hysterical delight of the crowd. First pass was a 60-yard strike to Wes Walker who skipped into the endzone to give the Jets a 17-16 lead. Thanks to some poor officiating, the Patriots went ahead on a field goal, but Robinson, with less than one minute left in the game, rallied his troops from their own 20 to the New England 19-yard line. It would have been a storybook ending, but Leahy missed a 36-yard field goal at the gun, and the Jets lost 19-17.

Robinson finished the season because Todd was re-injured on a play in the Patriot game. With Robinson at the helm, the Jets chalked up their finest record since 1974.

In training camp this year, Michaels went with Todd for the first three pre-season games. Todd completed more passes to the opposition and didn't look competent to run the team. Robinson, who was playing the second half of the first three pre-season games, showed good form and won the starting job after the Jets 27-14 loss to Pittsburgh. In the final pre-season game, he led the team to 14-6 victory over the Giants.

Which brings us back to the present. Robinson's thumb was so badly hurt that he held for the Jets field goal in the New England game. Michaels has to make a decision very soon on who he will keep at the quarterback position, or it will be a long and dull season. Richard Todd isn't a bad quarterback, but he isn't that great either. In Matt Robinson, the Jets have a proven leader who can generate the team to victory if he is given a fair chance. This is supposed to be the year that the Jets return to their 1968 form and earn a playoff spot. It's supposed to be the year that Shea Stadium will once again be the spot to watch pro football. This is supposed to be the year that reminds us of the golden days of Namath, Maynard, Baird, Snell, Bozzer, Turner and Hill. What it's turning out to be is the year of indecision and, as witnessed last Sunday, embarrassment.

There are still 14 games left, but with opponents like Oakland, New England, Miami, Minnesota, Seattle and Baltimore still ahead, the Jets had better decide who will lead them through the 1979 season. If they give Robinson a fair shot, I mean a full season of play (Lord knows Todd has had enough opportunity), the Jets just might be surprised at what they see.

About the only enjoyable part of Soccer Bowl last Saturday afternoon was the fans chanting "Cosmos" throughout the game. They booed Vancouver, the eventual winner of the game, and voiced their very angry displeasure at Phil Woosnam, the NASL director, and Henry Kissinger, a member of the NASL board of directors. It was a boring and to a very successful season in the NASL. A bright note was that 50,000 people turned out for the game despite the fact that the Cosmos did not participate. By the way, Vancouver won 2-1 over Tampa Bay.

The pennant races in baseball have been narrowed to three divisions. The Baltimore Orioles are a postcard ahead of everyone else in the Eastern Division of the American League. The only struggle there is to see where the Red Sox will flop this year and how close the Yankees will make it to second place.

The California Angels seem to be building up some steam and are starting to take control in the Western Division of the AL. The Kansas City Royals should make it close, but their hopes for a fourth straight title seem a bit bleak. In the National League, the races are tight and will probably be decided in the final week of the season. The Pittsburgh Pirates have the veterans and the power to edge out the Montreal Expos and surging St. Louis Cardinals in the East. Montreal has been playing great ball as of late, but inexperience might be the Expos' downfall.

In the West, it's a two team race between the Reds and Houston Astros. There, it's a toss-up. Both teams are of equal strength, the Astros excel in speed and defense, while the Reds are tough in power and might have an edge in starting pitchers. In any case, look for the Baltimore Orioles and Pittsburgh Pirates to play in the World Series in October.

## Buc grid defense impresses in season's first scrimmage

By Mike Lamberti

With the opening game just two weeks away, the Belleville High football team is now in full gear and is anxiously awaiting the start of the season.

The opening game is scheduled for Sept. 24, a home contest with Livingston starting at 7:30 p.m. Last Saturday against Ridgewood, the team played its first full scrimmage, and BHS head coach John Senesky was pleased with the results. "I was happy with the way things went," said the third-year coach. "We had one bad injury (Dan DeNotaris suffering a broken wrist), but the kids came through pretty good."

According to Senesky, the Ridgewood team played a totally different defense than the Buccaneers employ. "We only had one day to practice because of the hurricane, and Ridgewood used a defense that we weren't used to," said Senesky. "Our defense was very good, and we did a lot more gang tackling than we have done in the past."

The rules of the scrimmage were that each team would play 10 sets on offense and then the other team would take over. Senesky had these comments on the Bucs' offense: "Naturally our offense is a little

behind our defense because there is so much more to learn. We used mostly running plays and worked on different variations and blocking techniques. I got a chance to play every kid who was at the scrimmage, and we tried to get a good look at all

of them." The coach also expressed optimism at the performance of the sophomore squad which also scrimmaged last Saturday at Clearman Field. "They looked sharp and a couple of them got a chance to play with

the varsity," said Senesky. "We have two more scrimmages and then a week to work before our opening game of the year. In other words, we don't have a lot of time."

Yesterday, the team traveled to Please see "Game" on page 11.

## Belleville High soccer club opens tomorrow on road with new pilot

By Donna Abate

Although soccer sometimes has taken a back seat to other sports, new Buccaneer head coach Anthony DeAquino feels interest in the real "football" is rising as his team looks forward to its first game tomorrow at Irvington.

"When you coach soccer," DeAquino said, "you more or less become a second-class citizen."

DeAquino explained that as assistant coach of the Buc soccer team the last four years he had to deal with obstacles such as securing an adequate field for games and practice.

"But, it's getting better," he said, noting that the plans for the new Municipal Stadium project include a new field especially for the soccer team.

"Soccer is an ever-growing sport," DeAquino said, "it has a way to go to surpass football, but it'll get there."

"It's already more popular in many schools," he added.

DeAquino, who teaches physical education to junior high students at BHS, assisted Coach Tony Cahill the last four years. Cahill, who retired after last season, will officiate many of the team's games this one.

"I've never worked with a better person," DeAquino said of Cahill. "He has always helped me and all team members in any way he could."

DeAquino will be assisted by Ray Iannuzzi, also a BHS physical educa-

tion instructor.

The Buc soccer team is coming off a 10-5 season, its finest record ever. As for this season, DeAquino commented, "We've got areas to work on, but we've got a group of outstanding kids."

Teamwork will be the key as always, DeAquino emphasized. "Soccer is a passing-type game," he said. "It's never a game where two or three players dominate."

This year for the first time, the Buccaneer soccer team will have three divisions: a varsity team, a junior varsity team and a freshman squad.

DeAquino was still formulating teams and deciding on positions when The Times/News spoke with him Monday, but the coach noted that seniors Gato Calvache and John Lee are "players to watch." "They can play just about anywhere and they're both outstanding," said DeAquino.

"The player we'll be hearing from the most is Brian Woods," the head coach added. "He's a sophomore who'll probably be playing halfback and he's an All-American player."

Other players on the varsity team will include senior Jeff Hageman, left wing; senior Joe DiPaolo, fullback; senior Jim Kane, right wing, and Pat Leonidis, halfback. Jim Villalobos, John Larkin, Jack Baumgartner and Tony DeBenedetto are also players "who will see a lot of action."

DeAquino called juniors Dennis

Dilcan and Ron Russomanno and sophomore Joe Narisii "super ballplayers" who will also aid the varsity team.

"We've got a dedicated group," the head coach said. "We can lose and lose and lose, and these kids will keep playing and give each game their fullest."

This year's schedule which puts the team on the road for its first six games with Orange, Kearny, Passaic and Essex Catholic. Two night games are scheduled later with Seton Hall and Queen of Peace under the lights at Belleville Stadium. DeAquino feels it will be a "competitive season."

"We'll be playing a lot of nice clubs geared to our ability," he said. "This is different from previous years."

DeAquino conceded, however, that there is a "little disadvantage to playing six away games in a row until the first home game."

DeAquino feels his years as assistant coach are an advantage. "The

major aspect of head coaching is more knowledge, more experience and more responsibility," he said.

DeAquino played soccer at East Orange High School and in college. He started in football, but unsatisfied with the amount of playing time, switched to soccer.

"It was shorter than other team mates, but there was a place for it in soccer," he said noting that the game emphasizes speed and mobility as much as size.

"Soccer has become a rough game, but players are picking more skills and getting better," added.

The Buccaneers will play their first game at Irvington tomorrow afternoon at 3:45 p.m. The first home game is Wednesday, Oct. 3, at the stadium. Afternoon home games will be played at Clearman Field on Union Avenue behind School 8.

"We've had a low turnout of fans," DeAquino concluded. "But we expect more and more with each year."

Carrying On — Pat Leonidis moved the ball downfield Monday as Ron Russomanno, playing for the shirts, tries to halt his progress toward the goal. The Bucs open tomorrow afternoon.

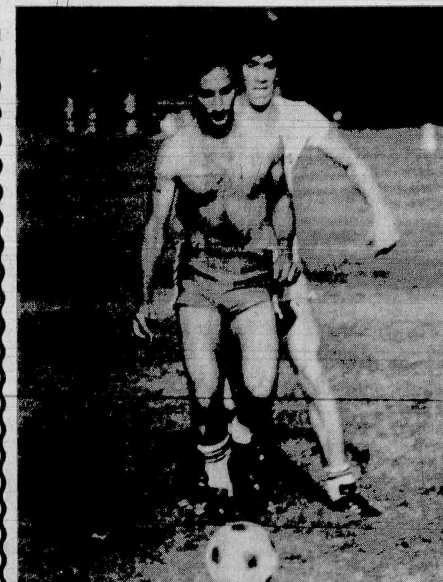

## Chamber marathon scheduled for Oct. 7

The Chamber of Commerce has released more details on its first marathon which will be held Sunday, Oct. 7, in Belleville beginning 1:30 p.m.

There will be two races, one six miles, the other three. The races start at finish at Town Hall.

To compete, a runner must be at least 10 years old. Awards will be given in six age groups, 11 and under, 12 to 16, 17 to 21, 22 to 30, 31 to 40 and over 40. There will be trophies for first-place finishes and ribbons for second and third place. In addition, trophies will be awarded for best time, male and female.

A \$4 entry fee is due on or before Sept. 29. No post entries are permitted. Entry forms are available at Fidelity Union Trust, First DeWitt Savings, Peoples Bank and Provident Savings.

Squad Game — Joe DiPaolo and George Bostore come up on the ball during the BHS soccer team's intra-squad game Monday afternoon at the Belleville Avenue extension of Branch Brook Park.

# Inexperienced girls' tennis team opens tomorrow versus Caldwell

By Mike Lamberti

Head tennis coach Karen Fucello is in a bit of a predicament. The coach is fielding a very young and inexperienced squad that will be hardpressed to top last year's successful 8-8 record. Practically the entire squad from 1978 has graduated and the coach is left with a very green team.

"It's not going to be easy," said

Fucello. "We have practically all sophomores who just played in the bonus games last year. We have a lot of work to do, but it can be done. Three years ago, I started with the Zarras, Guiliano and Speduto, and we came out with some fine teams. It's just a matter of dedication and hard work."

The bonus matches are those held after the regular matches and do not count toward the team score. Their main purpose is to give the younger players some playing time.

According to Fucello, the girls

need to start a regimen of practice at a much earlier age. "The girls have to start playing at the fourth-grade level, not at the ninth-grade level. We're working on recreation programs at the younger levels. Other schools (notably Verona and Nutley) start their kids at the age of 10 and by the time they reach high school, they are ready to compete on the varsity level."

The hard work will have to be done in a hurry because the girls will open with Caldwell tomorrow afternoon at Belleville. Match time is scheduled at 3:45 p.m. The rest of the

schedule is just as tough with matches against Nutley, Montclair and West Orange. The girls have 11 matches scheduled and the season will last until late October.

## Soccer forms due tomorrow

Applications for recreation soccer must be returned to the Recreation House, 407 Joramelon St., by tomorrow. Those who played last year must fill out forms again. The forms are available at the Rec House.

To be eligible for recreation soccer, youngsters must be at least 8 on Sept. 9, 1979, and no more than 14 on Sept. 1, 1979. Players will be divided into three leagues based on age. Everyone will play every game. Shirts and shorts for soccer will be provided by the Rec Department.

The department is seeking adults to coach in the 8 to 9-year-old division of the town soccer league. There are presently three teams in need of coaches.

Players are taught the very basics of soccer. Games are played Saturday mornings at Belleville Park. Those interested may call the department at 759-3121.

# Game scrimmage here Saturday vs. Columbia

Continued from page one.

Scotch Plains for scrimmage number two and on Saturday night will be at home for a scrimmage against Columbia that will be under game conditions. "We'll follow all the rules with the exception of kicking,"

## Punt, pass, kick slated Sept. 29

The 1979 punt, pass and kick competition, cosponsored locally by the Belleville-Nutley Jaycees and Mead Ford, 515 Washington Ave., Belleville, will take place Saturday, Sept. 29, at Nichols Park on Bloomfield Avenue in Nutley.

Any boy or girl between 8 and 13 who can punt, pass and kick a football — or who'd like to try — will want to compete. Participants compete only against their own age and there is no body contact.

No special equipment is needed, and participation does not impair a youngster's amateur standing. Judges score one point for each foot the ball travels on the fly, minus one point for each foot the ball lands to the right or left of the center tape.

Youngsters, accompanied by a parent or guardian, may register at Mead Ford or at Nichols Park on the day of competition. There is no entry fee.

explained the coach. "Instead of punting or kicking, we'll just take the ball at the 20-yard line."

It should be an interesting scrimmage and will be the Bucs' final warm-up before the opener. The Columbia game will start at 8 p.m. at Belleville Municipal Stadium.

**Buc Bombs:** DeNotaris will be out for an indefinite period. He also suffered an ankle injury on the same play that he broke his wrist... There were two names that were either misspelled or forgotten in last week's article on the Bucs. Carl Lordi had a power index of 5.2 in the annual decathlon and the correct names of two players are Rich Vitiello and Joe Garafola. Sorry about that, guys.

## Square dancers to give lessons

The Covered Bridge Squares of Nutley will resume square-dancing tomorrow at the Franklin Reformed Church Community House. Sessions will be held 8-10:30 p.m. the second and fourth Fridays of every month.

The group will start square-dancing lessons in Belleville, this coming Wednesday 8-10:30 p.m. at Montgomery Presbyterian Church, 638 Mill St. The Covered Bridge Squares are also sponsoring a bake sale starting 10 a.m. at the Nutley Museum, 65 Church St.

# Harriers race Passaic tomorrow

By Mike Lambert

Rich Ruffalo, the head cross country coach at Belleville High for six years now, doesn't quite know what to expect from this year's team.

The team opens up the season tomorrow afternoon with a home race against a powerful Passaic squad beginning 3:45 p.m. Next Tuesday, Belleville will travel to Kearny and on Thursday will be in Caldwell. The Bucs are scheduled for a home match with East Orange next Wednesday, but the match may be postponed.

"We're mostly seniors this year," said Ruffalo. "We've got some experience, and if the guys work hard, we could come through with a good year, well, at least better than last year."

Last year, the team won just two races, mainly because its star runner, Mike Graham, was sidelined all season with a nagging foot injury. This year, Mike is at Fairleigh Dickinson University, but his brother, Tom, seems to be taking up the scoring slack rather well. Tom Graham had a subpar cross country season in 1978 but rebounded with an outstanding track season the following spring. Graham has continued his success this fall. "Tommy

looks really strong," said Ruffalo. "He's run 10 miles in excellent times and should have a good season."

Seniors Dean Santulli and John Vaccaro are returning for their fourth years on the course. Both men figure to be a main cog in this year's team and both have been improving since the start of practice.

A senior transfer, Rick Kiernan, will be a welcome addition. Kiernan, from Queen of Peace, has looked very impressive in practice and should be a big help to the team.

Junior Dana Caruso is continuing her running success after an outstanding sophomore year. Caruso,

who has been quite impressive in practice, should be setting a lot of records this fall.

Seniors Paul Long and Steve Gatti have been with the team for three years and can be a big help with valuable points in the middle of the pack. The rest of the team includes

Brian Allum, George Dulski, Steve Drake, Tom Fuscaldo and Jeann Long. "We got a nice turnout," concluded Ruffalo. "The practices have been 10 miles a day, which is more than in the past. Last Saturday we ran 11.1 miles, and everyone came through rather well."

**El Meso** — Host Frank LaBate and manager Marie Olga Perez serve coffee to dinner guests at El Meso de Espana. The traditional Spanish restaurant is located in Belleville at Franklin Avenue and Heller Parkway.

## Moretti Studio holding open house on Sunday

An open house at Moretti Art of Dance Studio in Nutley Sunday will be highlighted by an energetic performance by the school's dance company.

The studio, which conducts beginner and advanced classes for children 4 to 17 and adults, is under the direction of well known dancer Michele Moretti, a Belleville resident.

Sunday's performance will feature excerpts from the company's "Las Vegas Revue" which will be seen tomorrow at Chateau Renaissance in North Bergen. From 12:30-4 p.m. Sunday, parents and students can also view the bright, colorful Moretti studio, carefully designed to make learning more comfortable.

"Surroundings have a lot to do with how a student feels — especially a child," Ms. Moretti explains. "Students are at ease and look forward to coming into a pleasant atmosphere."

The Moretti Studio staff is also top quality. The senior member, along with Ms. Moretti, is tap master Steve Rozsa.

Rozsa, a widely recognized instructor, has credits which include appearances on hit television shows and stage in New York theaters. Michele Moretti, skilled in all

phases of dance, has also appeared in numerous stage productions and TV programs, including "The Bob Hope Show." Ms. Moretti holds a bachelor of arts degree in theater and dance from Montclair State College.

Ms. Moretti's versatility is demonstrated by the many titles she has won in competitions for a range of dance styles from ballroom to rock. She and her partner last year were the American representatives in the World Jitterbug Championship and in 1977 won the New Jersey Disco Championship at the Meadowlands.

The school, which starts fall sessions Monday, offers adult and children's classes in ballet, tap and jazz. Other offerings are creative dance and introduction to dance for children, and modern dance and disco workshops for adults.

During the week, one-hour sessions for children are conducted 2-6 p.m., Saturdays 11 a.m. to 4 p.m. Evening hours for adults are 6:30-10 p.m.

Registrations will be accepted Sunday for classes still available. New students 4 to 17 will be given a special discount. For more information, call 284-0825.

## HERE IN BELLEVILLE

# Food at El Meso a Spanish delight

By Lucy A. Carrio

If you love traditional Spanish food, you need look no further to find it than El Meso de Espana, located at Franklin Avenue and Heller Parkway on the Belleville line.

The restaurant features authentic Spanish decor complete with lovely murals by Marty Barr. The most impressive things about El Meso, however, are the sumptuous servings and the friendly atmosphere. El Meso is owned by Frank LaBate, a contagiously amiable man who truly enjoys visiting with the customers and making sure that they are always pleased. Head waiter Cesar sees to it that there is always ice water and bread and butter on the tables for the diners and generally keeps things running smoothly.

The food is excellent! Everything is prepared fresh daily by chef Ramiro Perez, who has earned praise from Bob Lape of Channel 7 TV. Ramiro's wife, Maria Olga, prepares all of the delicious desserts and also serves as manager. They make quite a team!

I am particularly fond of seafood and have found the paella marinera at El Meso to be the best available in this area. Seafood abounds in this dish, far surpassing the quantity of rice. Each steaming crock pot has a whole lobster, lots of shrimp, mussels, clams, scallops, squid, plus

hardboiled egg slices, tender asparagus spears and Spanish olives.

For those who do not care for seafood, there is a large variety of meat and poultry dishes, all cooked in the Spanish tradition.

El Meso is open for luncheon from 11 a.m. to 3 p.m. and for dinner from 4-11 p.m. Good Spanish wines and liqueurs as well as standard American selections are available. The luncheon menu differs slightly from the dinner offerings with the portions being smaller, though ample, and the cost less. There is plenty of parking, and the staff welcomes large parties as well as individuals and small groups. Try it — you'll be pleasantly surprised! For reservations, call 481-2500.

# Town's police vest fund almost finished its work

The Concerned Citizens of Belleville will hold a breakfast 10 a.m. Sunday, Sept. 30, at the Chandelier Restaurant. The group says the event should mark the end of its drive to equip the town's policemen with bulletproof vests if contributions continue to come in at their present rate.

Donations to the Police Vest Fund are still pouring in, many coming from former residents and out-of-towners. Contributions have recently been received from Angelo and Antoinette Larceri and Vito Larceri of Fort Lauderdale, Fla.,

Mary Larceri of Union, Angelo Larceri of Cranford and Mrs. Janet Larceri and children of Stanhope.

Local residents and businesses making recent donations were Dr. Frank J. Noonan, Lynne Monte, Gynne Mason, Gail Boscaino, Garrett Vanderbilt, Joseph and Theresa Ganese, R. & L. Draison Company, Jackie and Lucille Rega, Mildred Carr, Ralph DeCapia, Mansel Ceramics Company, 7 Up Bottling Company of Essex County, Northeast Automotive Wholesalers,

North Essex Medical Associates, Antoinette Jannarone, Pasquale Jannarone Jr., Donada Brothers Inc., Pro Lumber, Tops Unlimited, Peter J. Iacullo, Albert and Ethel Chiatinelli.

Contributions may be made payable to the Belleville Police Vest Fund and sent to 70 Magnolia St., Belleville, N.J. 07109, care of secretary Vito Sylvestro.

For information, call Concerned Citizens members Sylvestro (759-6049), Frank Stanecki (751-0391) or Richard Melham (759-3481) or Vincent Cosenzo (751-1110), drive coordinator between the group and the Public Safety Department.

## Senior Notes

By George Chenoweth

Bill Kolb, a member of the Belleville Senior Citizens Club, has distinguished himself in the sports world. Bill is the new state horseshoe-pitching champion... Ann and Tony Sardo were welcomed back from Italy after their six-week visit to that sunny land... The club trip to the Turkey Farm, two busloads, was successful in that the weather was almost perfect, just a sudden shower on leaving Chester, N.J. The fall trip to Wildwood Crest is all set for Monday, again two busloads, and good weather is predicted.

The Wednesday bingo games, as noted last week, have been changed to Thursday by popular demand... There will be a demonstration by the New Jersey Bell Telephone System Sept. 25 and a talk show and slide presentation by the New Jersey Orthopedic Society in October... The physical exercise and dance class will resume 11:30 a.m. Monday, Oct. 1... Plans are in the works for the anniversary party, Oct. 24... Today is Senior Citizens Day at the New Jersey State Fair, and tickets have been distributed.

New Jersey Assembly Bill A1660 (Kern) which allows lending institutions to make reverse annuity mortgages and reverse direct payment mortgages has been signed into law by Governor Byrne. Reverse annuity mortgages (RAM) will provide periodic payments to homeowners based on the equity in their homes. Such equity will be of benefit to older homeowners with smaller incomes because the value of the property will increase as time goes by. RAM will provide tax-free monthly checks receiving this equity.

While acknowledging that this law will be helpful to some of the elderly, the New Jersey Federation of Senior Citizens says that it is important for each person to consider all the factors involved and weigh their effect on his particular circumstances before entering a contract. One must stop to realize that there are time limits to the RAM plan after which the payments stop and the homeowner no longer owns the home. It could be in effect until the death of the owner, and who gets the house after that? Who knows? Who cares?

What to do with old medicine? A federal rule that takes effect Sept. 28 will help you find out when to throw out old medicine. Manufacturers will have to package prescription drugs and most non-prescription remedies with expiration dates beyond which the medicines should not be used. Do not take chances, get rid of old medicines. It could be a life-saving precaution.

## Pharmacy Footnotes

Vincent Cozzarelli Reg. Ph.

Effective living results from each person's functioning in a variety of life activities including physical, mental, social, and spiritual experiences. What one does for work, for play, the food eaten, the amount of sleep and rest, loves, hates, successes, and failures, all play a part in determining the quality of life. Health is, in reality, a measure not only of physical well-being, but of quality of life. It implies that a person uses to the fullest, all the powers with which one was born. That is why it is so important to be informed on issues regarding health and medicine.

When you need information on your prescription drugs, just ask us at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. We're here to help you in every way possible. Free delivery is available. Transistor radios, Timex watches, cameras and film are handled. Open 9am-10pm daily, 9am-9pm Sundays.

## Frank V. Bruno, 67; obituaries

### barber for 50 years

A Mass was offered Sept. 6 in St. Anthony's Church for Frank V. Bruno, 67, who died Sept. 2 at Clara Maass Memorial Hospital.

Mr. Bruno was a barber in the Essex County area for 50 years. He was a member of the Barbers Union Local 222 of Newark, Belleville AMVETS Post 26 and Bloomfield Elks Lodge 788.

Born in New York City, Mr. Bruno lived many years in Belleville before moving to Bloomfield four years ago.

Surviving are a daughter, Marie Olivio of Belleville; a son, Philip of Matuchen; two brothers, Philip of Hanover and Anthony of Belleville, and six grandchildren.

The Porter, Chickene & Del Presto Funeral Home, Bloomfield, made arrangements. Interment was in Mount Olivet Cemetery, Bloomfield.

## Martin Poto; Bear center

A Mass was offered Monday in St. Peter's Church, Point Pleasant Beach for Martin J. Poto, 66, who died Sept. 6 at the Jersey Shore Medical Center, Neptune.

Mr. Poto, a graduate of Temple University in Philadelphia, was a center for the Chicago Bears football team from 1939 to 1941. After leaving football, he owned Martin Advertising Products Corporation, Point Pleasant Borough, 28 years before his retirement.

Mr. Poto wrote a weekly syndicated sports column, "Sports Like It Is," for newspapers down at the shore the last three years.

Born in Newark, Mr. Poto moved to Point Pleasant Beach from Belleville 11 years ago.

Surviving are his wife, E. Rita, and four daughters, Mrs. Kathleen Burger, Mrs. Susan Ranz and the Misses Helena and Marie C.

Arrangements were made by the Van Hise & Callagan Funeral Home, Point Pleasant, where a service was held. Interment was in St. Catherine's Cemetery, Sea Girt.

## Mrs. F. Krafft; dead at age 68

A service was held Aug. 31 for Frances Emmons Krafft, 68, who died Aug. 28 at Clara Maass Memorial Hospital.

Mrs. Krafft came to Belleville 38 years ago from her birthplace of Brooklyn, N.Y.

Surviving are her husband, Henry J., and a daughter, Miss Mary of Bloomfield.

Arrangements were made by the Irvine Cozzarelli Memorial Home where the service was held with the Rev. Alfred Stone of Fawcett Presbyterian Church presiding. Interment was in Green-Wood Cemetery, N.Y.

## Susan Iacangelo; Roche employee

A Mass was offered Tuesday in St. Anthony's Church for Susan Iacangelo who died Friday in Mountaintop Hospital.

Mrs. Iacangelo was an employee of Hoffmann-La Roche in Nutley for many years. Born in Belleville, she lived in Newark and Belleville before moving to Bloomfield six years ago.

Surviving are her husband, Joseph; a daughter, Miss Barbara; six brothers, Raymond, Victor, Warren, Edward, Carmen and Armond Squitieri; and three sisters, Miss Margaret Squitieri, Mrs. Anna Saulino and Mrs. Lucy Recenello.

## Eleanor Concato; former resident

A service was held Monday for Eleanor C. Concato, 64, who died last Wednesday at Memorial Mission Hospital, Asheville, N.C.

Born in Irvington, Mrs. Concato moved to Arden, N.C., from Belleville 14 years ago.

Surviving are her husband, Bruno; a daughter, Mrs. Judith Reynolds of Arden, N.C.; two sons, Richard B. of Arden and Ronald G. of Belleville; a sister, Mrs. Ruth Roemle of San Jose, Calif., and seven grandchildren.

Arrangements were made by the Kiernan Funeral Home where the service was held. Interment was in Cresthaven Memorial Park, Clifton.

## Joseph Gingerelli, 61; winner of Bronze Star

A Mass was offered in Holy Family Church Aug. 31 for Joseph Gingerelli, 61, who died Aug. 28 at home.

A truck driver for the Nutley Public Works Department, Mr. Gingerelli was a lifelong Nutley resident. He received the Bronze Star during his service with the Army in World War II.

Surviving are his wife, Mary; his

father, Frank of Nutley; six brothers, Anthony and Louis, both of Nutley, Angelo, Robert and Frank, all of Belleville, and Richard of California, and two sisters, Mrs. Rose Gabriele and Mrs. Faye Simeone, both of Nutley.

The S.W. Brown and Son Funeral Home made arrangements. Interment was in East Ridgewood Cemetery, Clifton.

## Angelina Bottarini; retired glazier, 89

A Mass was offered Aug. 20 in St. Peter's Church for Angelina Bottarini, 89, who died Aug. 17 at Clara Maass Memorial Hospital.

Before her retirement in 1954, Mrs. Bottarini had been a glazier 20 years for the Holland Fur Company, Newark. Born in Italy, she lived in Newark 73 years.

Surviving are a daughter, Mrs. Rose Breidt of Newark; two sons, George of Newark and Stephen V. Raleigh of Belleville, five grandchildren and eight great-grandchildren.

The Kiernan Funeral Home made arrangements.
