## 'SEEKING COMMUNITY INPUT'

# Desegregation panel readies public report

By Mike Otohan

A preliminary report by the School Board's restructuring committee will be presented at a public meeting Nov. 26 to inform residents what progress the group has made studying alternatives to satisfy the

state's desegregation order issued 43 months ago.

At Monday's board meeting, trustees fought briefly among themselves over whether to allow public comment after the report is given, concerned that citizens would

again criticize their decision not to fight the mandate in court — and would question why restructuring committee chairman Caesar Romano has excluded both public and press from attending the meetings.

On Aug. 9, trustees narrowly passed a motion to restructure the entire school system, hoping not only to eliminate what the state has termed racial imbalances at Schools 1 and 9 but to develop plans to improve the entire school system. Board President Ralph Risoli and Trustees Charles Miele and Mike Chieffo dissented.

"This thing here (a public restructuring committee report) was a surprise to me," said Board President Ralph Risoli, noting Trustee Romano did not privately inform him a meeting was scheduled.

"I don't like to be critical of any board member. We've received a tremendous amount of harmony on this board and I call each board member before doing anything that might affect them," noted Risoli. "He (Romano) did say this restructuring committee was going to be a broad-based representation of the community...we did have the public (comment) on this before and we (board) didn't listen to them then," stressed Risoli.

Before voting Aug. 9, to restructure, trustees heard over 50 residents at an Aug. 6 meeting strongly plead with them to fight the desegregation mandate which they felt was unjustified. Nearly 200 residents packed that meeting, hoping to influence trustees to battle the order, but trustees seemed hesitant to commit themselves after attorney Lawrence Schwartz emphasized they would have a "slim chance" of winning a court fight.

Even earlier, on March 12, trustees agreed to fight the desegregation order at a meeting held in School 1, but when cost estimates approached \$150,000 and Schwartz told them no New Jersey school district had won a desegregation fight, trustees slowly began changing their minds.

"What the hell are we going to do the same thing again for?" asked Risoli in reference to the public

Please see "Trustees" on page 23.

satisfactory lease and parking plan for Chandler patrons.

At Thursday's meeting, attorney John Scott, representing Fucetola, presented a letter to the board from Apiselli agreeing to a five-year lease at \$400 a month with a five-year option to use 40 parking spaces at the Fabric Emporium also proposed by Fucetola for the old A&P lot on Franklin Avenue.

The board discussed the proposal

# Planners approve lease for Wendy's

By Donna Abate

The Wendy's Restaurant proposed for Franklin Avenue may have taken a giant step toward site plan approval following acceptance last Thursday by town planners of a parking lease between applicant Phil Fucetola and Chandler proprietor Tom Apiselli.

Planners had approved a resolution granting a conditional use for the Wendy's with the stipulations that Fucetola come up with a

**We're Off** — Off to see "The Wizard of Oz" during the first dress rehearsal of the upcoming BHS production are (l-r) Chris Olerchick (Scarecrow), Gary Martins (Cowardly Lion), Jacqueline Wis (Dorothy) and Mario Brosius (Tin Man). See page 9 for more details. — Photo by Donna Abate.

# Commissioners vote to give town's firemen pay increase

Town commissioners have voted 4-0 to give Belleville firemen an 11.5 percent pay raise. Though the two-year contract had already been agreed to by negotiators for the town and Firemen's Mutual Benevolent Association Local 29, it raised a minor but novel controversy during Thursday night's meeting at Town Hall.

The new contract lowers salaries for starting firemen from \$14,580 to \$12,500 and increases the top wage step from \$15,900 to \$16,800. Mayor Michael Marotti was incensed by the provision lowering rookie pay, calling it unfair and charging that it would decrease the quality of incoming firemen.

"Here it is a professional man and you're bringing his salary down low," said Marotti, adding that starting firemen should be making \$15,000.

"I think that \$12,500 is a fair and equitable salary to bring a man in at the first step," said Public Safety Commissioner Matthew Pica in defending the new wage guidelines.

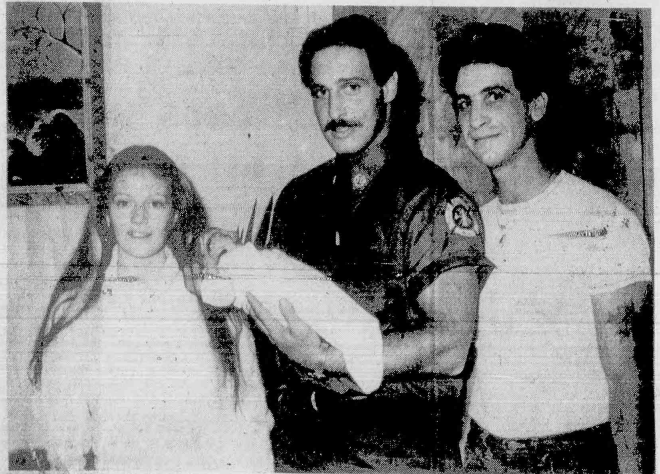

"You go by a civil service list and you get to pick from the top and you do get the cream of the crop," Pica said, adding later, "I guarantee you that any man who comes in at the top of the list won't refuse \$12,500 — I've never seen it yet."

Pica pointed out that the new starting salary was probably above average for municipalities in the county. "It's a good contract," he said.

"I'd like it to be fair on both sides. Take care of the rookies too," Marotti said.

When the roll was called, Marotti hesitated a moment but then joined three other commissioners in voting "yes." Public Affairs Commissioner Vincent Strumolo was absent.

The new starting salary applies to those firemen hired after Jan. 1, 1979. Firemen reach the top step in five years at which point they can negotiate for more money.

**Namesake** — Proud parents Diane and Dominick Genovesi named their new son Joseph Anthony after Belleville fireman Joseph LaBruzza (center) delivered the baby 10 days ago when Mrs. Genovesi unexpectedly went into labor in her Lincoln Terrace apartment. See story page 3. — Photo by Donna Abate.

# Neighborhood retail zone wins board endorsement

The Planning Board has unanimously passed all the recommendations of its zoning committee, making only one minor change in the proposal for a neighborhood retail district.

The committee's recommendations, which also dealt with issues like height limitations for industry, permitting residential uses in business districts and zoning for the Valley section of town, were reviewed by planning consultant Grace Harris and submitted with her comments to the full board for a vote last Thursday night.

The board agreed with its committee that there should be no specified limit on the number of employees a business in the retail zone was permitted but set a 600-square-foot maximum on office

space which it felt would promote natural limitations.

The board set height limits on buildings in the zone at two-and-a-half stories or 35 feet, up from the two stories and 30 feet permitted under the old zoning ordinance. Planners also agreed that lots should be a minimum of 5,000 square feet.

Restaurants, bars, banks and funeral parlors are to be permitted uses in the retail zone. The committee had originally recommended that gas stations and garages be conditional uses, but the board decided to make them uses not permitted in the retail zone. "We have more stations than we can ask," said Planner Jack Hudson. Board member Joseph Doyle agreed, saying, "I don't think that there should be future development of gas stations in this area."

Planners also agreed to limit the permitted height of a building in industrial zones to three stories or 40 feet, down from the present eight stories or 100 feet. "We're changing it because we feel most industries

## Early deadline for next issue

Because of the Thanksgiving holiday, next week's edition of The Times/News will be published two days earlier with home delivery Tuesday morning.

Earlier deadlines will be in effect. Classified advertising deadline is 3 p.m. tomorrow, Friday. Display advertising space and copy deadline is 5 p.m. tomorrow.

# Eyesore of the week

**Old Gas Station** — High gasoline prices may have caused this station to stop operating, but residents in the area have complained that this eyesore has been operating much too long.

**Treat, Not Trick** — Halloween madness overcame everyone at Fidelity Union Trust Company's Belleville office where (l-r) employees Madeline Stevens, Gloria Knott, manager Steve Nardoni, Jo Ann Tatz and Maria Cunha traded in their standard banker's garb for costumes representing their favorite character or activity. Fun was had by all and according to Nardoni, "These Belleville bankers intend to make Halloween madness a yearly habit."

# First DeWitt officers want easing of taxes on savings

John P. Dailey, chairman, and Henrik Tvedt, president of First DeWitt Savings, have returned from the annual convention of the United States League of Savings Associations. The convention was in session in Chicago from Oct. 29 through Nov. 1. The two First DeWitt officers were among 7,000 delegates from savings and loan associations representing all 50 states.

The chief topic of discussion at league sessions was the need for tax incentives to encourage savings. Edmund V. Lawlor Jr., president of the New Jersey Savings League, said that such tax relief is "an absolute necessity" to forestall the continued drain of deposits from thrift institutions in New Jersey by savers seeking higher interest rates elsewhere.

Dailey and Tvedt are in agreement that if the Federal Reserve Board's new anti-inflation policy is to work, furnishing of mortgage money is a major economic activity that must be maintained. "In New Jersey, this could be done by easing both federal and state income taxes on interest received from savings accounts," the two officers said in a joint statement. "We are in full support of the State League's efforts to exempt from federal and state taxation a substantial part of interest received by savers," they stated.

Currently there are two bills being sponsored in the New Jersey Legislature, one to exempt the first \$500 of interest from federal taxes,

and the second to exempt all interest from the state tax.

"The situation in thrift associations is serious," said Dailey and Tvedt. "The latest figures show that only 4.2 percent of disposable personal income is being saved by Americans, one of the worst records of any nation."

Dailey and Tvedt both attended the general session which was addressed by former President Gerald Ford. Ford urged Congress, in his statements, to provide the tax incentives necessary to encourage savers. He said that he was in total agreement with the various state leagues and associations in their efforts to make mortgage funds available as a necessary stimulant to the economy.

First DeWitt Savings has six offices in Belleville, Bloomfield and Hopatcong. Tvedt, in addition to being president of the association, is president of the Belleville Chamber of Commerce.

## Direct Dental Centers comes to Grand Union

Direct Dental Centers, a unique new concept offering quality dentistry at low prices to the consumer, has opened its newest center in the Grand Union Shopping Center (across from K-mart) at 374 Main St.

"Direct Dental Centers is one of the first of its kind in Essex County to offering a full range of family dentistry in a location as convenient as a shopping center," noted center administrator P.S. Permon.

"We are very excited to be opening in the Belleville area and feel our unique concept will be very popular," he said.

Direct Dental Centers is open evenings and weekends. Appointments may be made by calling 759-8443.

## What does it take to make a good teacher say "Enough already?"

Good teachers really love their work. They don't want to do anything else.

But sometimes they're driven to the end of their rope by students who refuse to do homework and parents who couldn't care less — by school boards who cut budgets with an indiscriminate axe — by violent students who keep coming back to terrorize classes — and one day they say "Enough already."

When they say that, we all lose. So before another teacher calls it quits, do something. Show some interest. Be concerned. Care.

That may not seem like much — but to a good teacher grasping for support, it may be the world.

# IT'S HOLIDAY CLUB TIME!

## FIRST DeWITT OFFERS BEAUTIFUL GIFTS AND GENEROUS DIVIDENDS TOO

Your festive table will have extra sparkle this year when you join First DeWitt's 1980 Holiday Club. Members opening accounts \$2.00 or higher will receive four beautiful Carrier & Ives place mats, reproductions from the famous American Winter Scenes Collection. The mats, 17" x 11½", are exquisitely lithographed in full color and are easily adaptable for framing. They are reversible, displaying a snowy winter farmhouse scene, bordered by a seasonal cheery red and green motif. Members receive one set of place mats per account opened.

For members opening one-dollar accounts, First DeWitt is offering a unique and colorful flameless "hurricane" type chimney candle. Inside the sturdy, translucent glass is a charming Noel scene. The finely beaded surface adds luminousness to the design. Candles are limited to one per person, regardless of number of one-dollar accounts opened.

# Local fireman delivers baby boy, who will bear his name in thanks

By Donna Abate

Little Joseph Anthony Genovesi is only 10 days old today, but when he grows up he'll have a story to tell about the Belleville fireman who delivered him at 6 Lincoln Terrace when his mother unexpectedly went into labor.

"I'm very honored," Belleville Fireman Joseph LaBruzza said with a smile when he heard proud parents Dominick and Diane Genovesi were naming their son after him.

Last Monday, Mrs. Genovesi went to Mountinside Hospital complaining of labor pains, but she was sent home after her doctor told her it was "false labor."

After she arrived home at about 6 p.m., her husband went to a karate class in Belleville and her neighbor, Antoinette Pomponio, kept her company in the apartment.

When Dominick arrived home after class, Mrs. Genovesi said, "I couldn't take the pain much longer." She then said she went to the bathroom and suddenly felt the child's head emerging from her.

It was 9:30 p.m. and her husband called her doctor who wasn't in, so he called the Belleville ambulance squad.

"They must have gotten here in a matter of seconds," Mrs. Genovesi said. "I couldn't believe how fast everything happened."

Fireman LaBruzza arrived at the Genovesi home with CETA worker Frank Amato after receiving the call at 9:39 p.m. LaBruzza delivered the five-pound, four-ounce baby boy on the living room couch at 9:54 p.m.

"I was so afraid," Mrs. Genovesi said. "We wouldn't have known what to do, we were so grateful."

It was the fourth child that LaBruzza had delivered, one was

another Belleville baby about two years ago. "This time was very easy," the fireman commented.

At first, LaBruzza said he expected the call would just be another woman in labor whom the ambulance would escort to the hospital. "But, I'm always ready to calm the people down," he said.

LaBruzza explained that firemen working on the ambulance squad are certified emergency medical technicians who are specially trained for emergencies, including delivering babies.

The fireman also noted that unlike the traditional "boiling water and plenty of towels days," the ambulance is equipped with modern birth packs for these types of emergencies.

"I never expected this to happen," Mrs. Genovesi said. "I'm a basic chicken when it comes to these things."

Her husband Dominick also admitted "feeling like fainting" at Clara Maass Memorial Hospital where Mrs. Genovesi was brought after the baby's birth. "I was never that scared in my whole life," he said.

Genovesi, who works as a route

salesman for Tuscan Dairy in Union, and his wife also have a 3-year old son, Dominick.

Mrs. Pomponio, who often visited Mrs. Genovesi during her pregnancy commented, "I'll never forget this as long as I live. I was a nervous wreck when I saw the baby's head coming out."

As for naming their son after Fireman LaBruzza, the Genovesi parents said, "We were so grateful, he arrived here so fast, we don't know what we would have done without his help."

"I feel great about it," LaBruzza said. "The birth of a baby is a beautiful thing."

LaBruzza, who lives in Hoboken with his wife Irene, has a five-month old daughter, Danielle. When asked if he helped with the delivery, he joked, "They wouldn't let me touch that one."

Will the Belleville Fire Department lose a fine fireman to the profession of midwife? "I mentioned it to my wife once," LaBruzza laughed. "But I didn't like the title!"

Aiding in the emergency were Belleville policemen Anthony LaVista and Louis Pomponio.

## Library extension runs into a temporary snag

Continued from page one.

that are building today don't want high rises," Miss Harris told the board, adding that very high buildings can be detrimental to the character of nearby residential areas.

The board voted not to permit residential uses in general business zones, though senior citizen housing projects would be conditional uses in those areas. Planners also agreed to keep most of the Valley section zoned for general business or residences, rather than for industry. The full board's recommendations must now go to the Town Commission for final approval before they become law.

In other business, the board voted unanimously to hold a special meeting Nov. 29 to consider the site plan for a two-story addition to the Belleville library's main branch. Planners were to have considered the proposal last Thursday but because the library board had been misadvised that it did not have to submit a site plan because of public funding for the project, neighbors in the library area were not informed of the

expansion proposal as required by law.

Because of what she called in a report "the nature of the use and the importance of the elderly and handicapped having access to the site," Miss Harris has recommended that planners approve the site plan for the addition, which will contain new reading rooms and offices.

The plan will also require variances from the Zoning Board of Adjustment since the building would occupy 5 percent more of the lot and have a smaller rear yard than permitted by ordinance. In addition, 30-off-street parking spaces required by ordinance cannot be provided because the library lot is too small.

## Minish pushing for U.S. oil firm

Joseph G. Minish, one of Belleville's representatives in Congress, has asked President Carter and the House Democratic leadership to get behind him in support of creating a government energy corporation. Minish cited escalating fuel costs and "outrageous" oil company profits as proof of the need for action.

In a letter to Carter and House Speaker Thomas O'Neill, the New Jersey representative called for support of H.R. 3885, a bill co-sponsored by Minish and Sen. Adlai Stevenson of Illinois. The legislation would create the Energy Company of America (ECA) which would act as a competitor in the oil market.

Minish told the two leaders his bill would bring a unified, rather than piecemeal, approach to solving the energy problem. He said, "There is unanimous agreement that we must cut America loose from its crippling dependency on OPEC. One way this can be accomplished is to increase the development and production of our own domestic resources."

"The Energy Company of America does both," Minish stated. Referring to the record-breaking profits reported by the oil companies in the latest quarter, Minish charged, "It becomes clearer each day that the international oil market operates for the benefit of very few. While the multinational and other oil companies continue to reap obscene profits, the working people of America, and those on fixed incomes, continue to suffer."

"The oil companies have a virtual monopoly on the present system of importing and producing oil," Minish continued. "Because this monopoly serves only one aim—higher profits—it must be broken. The Energy Company of America would establish for the first time, a force in the oil market that would operate strictly for public interest."

## Prayer for today

O Lord, Thou knowest what is best for us, let this or that be done, as Thou shalt please. Give us what Thou wilt, and how much Thou wilt, and when Thou wilt. Deal with me as Thou thinkest good, and as pleaseth Thee. Set me where Thou wilt, and deal with me in all things just as Thou wilt. Behold, I am Thy servant, prepared for all things; for I desire not to live unto myself, but unto Thee. And, oh, that I could do it worthily and perfectly! Amen.

Thomas a Kempis

## John Cryan

Sheriff John Cryan lost his reelection bid to a relatively political unknown in a landslide vote. The winner was Republican Charles Cummings, a retired Montclair police captain with a distinguished record in public safety.

Cryan's loss was attributed to a federal indictment. Voters were not prepared to re-elect an indicted public official. It is a sad commentary of our times that we preach one thing and practice another.

In America we say a person is innocent until proven guilty. It is a fact of life and law that an indictment is not a finding of guilt — that a person remains innocent until a jury of his peers finds him guilty.

Just the other day, multimillionaire T. Cullen Davis of Fort Worth, Texas, was found innocent of soliciting the murder of his divorcee judge. Two years earlier, Davis was acquitted of murdering his step-daughter. Charges against Davis included murdering his second wife's lover and attempting to murder his second wife, were all dismissed by the judge. Here was a

man charged with several murders. Until his acquittal and dismissal of other murder charges last week, most anyone would have come to the conclusion that Cullen Davis was guilty of murder. The jury verdict was final and complete — Davis was innocent.

What does the Davis case have to do with John Cryan? It makes the point that even where a person is charged with several murders, he can be acquitted — and indeed in this case was acquitted.

Last week, Sheriff John Cryan should have been judged by the voters on his record in office and not on the pending indictment.

A good man lost — and another good man was elected Sheriff. It is regretful that Sheriff-elect Cummings had to win on the basis of the voter's rejection of his opponent because of an indictment.

*Frank A. Dreher*

## Assemblyman Anthony Imperiale

Well the people finally did it. They returned Anthony Imperiale to his former role as an assemblyman. This time Anthony is wearing the Republican label.

Only Michael Aduabito finished among the Democratic winners in the Belleville results. In performing that feat Aduabito lost the First Ward by 48 votes but more than offset that loss in the Second Ward which he carried over Republican Michael Bucco by 221 votes.

Belleville for years has been a Democratic bastion of strength. The average Democratic candidate was able to carry Belleville by at least 1,500 votes. Either the Belleville electorate has changed or the Belleville Democratic leadership has lost its grip. Come to think of it, Democratic Chairman Mary Senatore just

about finished fifth in last year's Town Commission election, a result which shocked everybody, including Mary.

Imperiale proved Belleville no longer can be taken for granted by the Democratic Party. It may well be that Imperiale will lead a resurgence of the Republican Party in Belleville. No one will deny that the Republican Party in Belleville was dead until Imperiale revived it.

We wish Imperiale good health and success as he returns to the New Jersey Assembly.

*Frank A. Dreher*

## Bulletin board

(Items for the Belleville Bulletin Board may be sent to 246 Washington Ave., or telephoned to the Times/News at 759-3200. There is no charge for this public service. Belleville organizations are urged to list future events well in advance so the weekly listing of events can serve as a "clearing house" for other groups attempting to avoid conflicting dates.)

8 p.m. Italian-American Civic Association and Auxiliary. — Montgomery Church, Mill St.

8 p.m. Essex County Multiple Sclerosis Association. — Cerebral Palsy Center (behind Clara Maass Memorial Hospital).

## Golden Comments

By James R. Golden

The Imp is back! Bigger and better than ever. Anthony Imperiale's stunning comeback victory in last week's election as our new assemblyman, in which he led the field of all candidates seeking to represent the 30th District, was sealed largely by the strong support he garnered from Belleville voters who have always admired the big man's outspoken *courage and performance* in supporting bold measures beneficial to the people.

Running this time under the aegis of the Republican Party, rather than as an Independent as he had on previous occasions, Imperiale won handily, giving the GOP a stronger voice and vote in legislative matters with his defeat of incumbent Assemblyman John F. Cali, the chairman of the Assembly Transportation Committee, a Democrat hailing from the other side of the Passaic River.

We can be sure that the people of Belleville will have a strong voice in Trenton with Tony's return to the Legislature. He knows this town and its people and their problems. Never one to duck an issue, the Imp was always up there in front battling for his constituents. We're lucky we have such a fighter to look after our best interests. Maybe now we'll get some consideration from the state to be reimbursed "in lieu of taxes" for the tax-free facilities within the confines of our community, such as two hospitals, an 18-hole county golf course and a huge county park as well as the reservoir on Joramelon Street belonging to Newark. (Taxes are paid on the house there only.)

The upsurge of the Republican Party, both in the county and the state, is a welcome indication that the voters are suspicious of one-party rule in government. They frown upon the highhanded methods of solidly entrenched political powerhouses running roughshod with patronage giveaways and taking care of the party faithful without any checks or balances. Even in Congress, there is mounting concern being shown over extravagant welfare programs fraught with fraud and poor controls that seemingly are exploited to build political machines by giveaway of the taxpayers' money.

The voters' defeat of the \$95 million educational bonding referendum betokens a new trend of resistance to the skyrocketing cost of education in the state. For the first time in 20 years, except for the rejection of a large bond issue in 1963, an educational bonding question was voted down. Voters had approved higher education referendums in 1959, 1964, 1968, 1971 and 1977 — pumping almost a billion dollars into a growing system that has produced a very poor return in improving the quality of education as demonstrated by the results of recently conducted student skills tests. Dwindling school enrollments in the state, which are expected to continue through the 1980s, also militated against the plans of the education unions to hike appropriations that could improve the lifestyle of their members.

Voters in three counties struck down the state blue laws banning Sunday retail sales in spite of the clever effort to confuse the language of the question on the ballot: To vote to permit the Sunday sales, you had to vote "no." Only seven counties — Essex, Bergen, Hudson, Morris, Passaic, Somerset and Cumberland — still retain the ban on Sunday sales. Led by department stores and retail chains, proponents of Sunday openings feel confident that these too will remove the ban, possibly next year.

California's Proposition 13 which shocked the nation and alerted the people to the advantages of initiative and referendum, which New Jersey doesn't have. The initiative idea got a sample testing of voter support here when six of eight counties notified the Democrats controlling the Legislature that they want a stronger voice in running the government by having the power to place questions on a statewide ballot, instead of the Legislature alone having that power.

The Democrats, entrenched in power and invested with the votes to control the State Legislature, are greedy to control the reins of government with wanton disregard for the wishes of the people. We could have had such a non-binding question put on the ballot here in Essex County, but our freeholders, all Democrats but one (Piro), cleaved to party policy to exclude the voice of the people and declined to vote to let the voters' sentiments be known. The politician's creed — keep what you've got and keep the rest out — prevailed.

## Letters

### Uncollected leaves driving one homeowner up a tree

To the Editor:

Once again the leaf situation overpowers our city. Residents rake and clean up so that on their street-cleaning day the leaves will be picked up. Unfortunately, the street cleaners don't make it every week. This is the second week they have not even passed on the day designated. I felt compelled to write because I think it's an eyesore. We pay extremely high taxes and I feel we get little if any satisfaction.

After the hurricane, it was outrageous how long it took the town to clean up. It's the same when it snows. I live on Greylock Parkway, a very busy

street, and I count how many times the plow passes. Forget the side streets, unless you make several calls they'd just as soon forget it.

Perhaps next week's eyesore can be whoever is in charge of this maintenance work. I'm quite sure the workers wouldn't mind a little overtime. The money is going somewhere, but we the residents aren't benefitting from it.

Sincerely,

Joanne Violante

P.S. I have bagged my leaves and they sit there just as long as the unbagged leaves.

# Bellevillites commemorate Veteran's Day

**Forgotten War?** — Essex County Freeholder Jerome Greco (left) presents Robert J. Harris of Disabled American Veterans Post 22 with a special Vietnam Era Veterans Award during ceremonies Sunday in Belleville.

**New Monument** — A volley is fired in salute to those veterans who died in the country's wars. At left is the new monument to Belleville and Nutley residents killed in action. The monument was unveiled and dedicated Sunday, Veteran's Day, in front of the

Belleville-Nutley DAV home at 251 Washington Ave. At the base of the statue are plaques bearing the names of the deceased veterans.

**Wet Line** — Members of Belleville Knights of Columbus Council 835 march in Sunday's abbreviated Veteran's Day parade here on Washington Avenue. Organizations from all over town took part in the annual event.

**Youthful Cheerers** — Girls from the Belleville Bronco cheerleading squad were among those marching in Sunday afternoon's parade. There were flags, hawkers and people along the route.

**Head Men** — Belleville's mayor, Michael Marotti (right), presents an award to DAV Post 22 Commander Nunzi Cupo Jr. for his dedicated service.

**Long and Short of It** — The bigger players handle the drums and smaller ones the cymbals in the Outlaw Drum and Bugle Corps, a local marching outfit.

**Street Gazers** — Among the many residents who braved the steady rain Sunday to watch the Veteran's Day parade were Tammy Bacon, Michelle DiNardi, Margie Schott, Wendy and Dorothy Demeraski. Not quite as many floats and units as expected turned out for the parade, but with all the odds against it, the event was a success nonetheless.

# 'Woman of the Year'

## Ruth Cowell receives award from Tri-Town

Members of Tri-Town Business and Professional Women's Club of Belleville, Bloomfield and Nutley celebrated National Business Women's Week Oct. 21-27. The mayor of each town signed a proclamation, the libraries featured exhibits with information on the group, as well as books on women in business and Tri-Town made its first annual "Woman of the Year" award presentation at its monthly meeting.

Mrs. Ruth O. Cowell, executive director of the Community Mental Health Services for Belleville, Bloomfield and Nutley, was presented a certificate of achievement by Mrs. Caroline Theisz of Bloomfield, president of the club.

Mrs. Cowell received an undergraduate degree in education at the University of Pennsylvania in Philadelphia, where she was born and raised. A victim of the depression, when a woman could not get a teaching job, she secured a position with the Philadelphia County Relief Board, an act which convinced her that social work would be her career.

She was the first psychiatric social worker at the Community Mental Health Services agency when it was known as the North Essex Child Guidance Center. The agency serves Belleville, Bloomfield and Nutley residents, offering out-patient services to emotionally disturbed children as well as adults. For further information on programs available, the agency may be reached by phone at 751-1630.

Mrs. Cowell has had an interesting and absorbing hobby for the last 13 years. She makes rubbings of old New England gravestones and has made a study of their history, symbolism and of the lives of the men who carved them. She has also made rubbings in several countries where she has traveled and presents slide-programs for local groups.

After receiving her "Woman of the Year" award, Mrs. Cowell spoke on the services offered by the agency, inviting anyone wishing additional information to attend an open house the agency will host this Sunday from 2-5 p.m.

Patricia M. Diina, Belleville, publicity chairman for Tri-Town, presented the program that evening, assisted by Una Simon, Belleville, Addie DeCicco, Cedar Grove and Nancy LaBruzza, Nutley.

Michael Maffia

## Michael Maffia feted on birthday

Berry's Restaurant was the setting for a surprise 85th birthday party, for Michael Maffia of 600 Union Ave., Sept. 16.

The party was hosted by Mr. Maffia's five children, Mr. and Mrs. Sam Paparatto of Belleville, Mr. and Mrs. Anthony Maffia of Nutley, Mr. and Mrs. Daniel Ougliato of Union, Mr. and Mrs. Ciriacio Maffia of Mendham, and Michael Maffia, Jr. of Minneapolis.

The affair was attended by 15 grandchildren and their spouses and three great grandchildren and several other guests.

Mr. Maffia has been a resident of Belleville since 1924 and has his own shoe repair shop on Washington Ave. for many years. He joined the Peter J. Schweitzer Paper Co. in 1940 and stayed with them until retirement.

He is a member of long standing with the American Legion Post 70 of Nutley and of several senior citizen organizations in Belleville.

## 50 years for Marras

Mr. and Mrs. Mario M. Marra of 74 Garden Ave., celebrated their golden wedding anniversary Oct. 13. The couple was married Oct. 13, 1929 in St. Francis Xavier Church, Newark, and renewed their vows at St. Peter's Church. A celebration and dinner dance was held at the Chandelier, Belleville, for 100 guests.

Mr. Marra and the former Vincenza (Jenny) Ferlise, were attended by Frank Monte, the late Sarah Ferlise, the late John LaManna, ringbearer, and Marion LaManna Puma, flower girl.

The couple has two children, four grandchildren and two great-grandchildren.

Mr. and Mrs. Mario Marra

## Energy conserving program slated for tonight at library

A home energy program will be held this evening, 7 p.m., at the Belleville Public Library. Called "Energy: Dollars and Sense," the

program is presented by PSE&G and sponsored by the Junior Woman's Club of Belleville in cooperation with the Belleville Library.

With the high cost of energy today, this program will help you discover how to keep energy costs under control in your home.

## Scout bazaar set for Sunday

Belleville's annual All-Scout Bazaar will be staged this Sunday afternoon at St. Anthony's Church grounds on Franklin Street.

Hours are 1 to 4 p.m. and the event will feature a cake sale, games, prizes, crafts, gifts and refreshments.

## Linda Ann Diana is appointed graduate assistant at college

Miss Linda Ann Diana, a 1975 graduate of Belleville High School, has been appointed a graduate assistant at the State University College of Brockport, N.Y. She will also be studying for her master's degree in special physical education.

While a student at BHS, Diana was a member of the varsity softball and basketball teams and was named in "Who's Who Among American High School Students."

The new appointee received a B.A. in physical education from William Paterson College in May and was on the dean's list for three consecutive semesters. She was on the varsity softball and basketball teams and represented the college as an instructor at several high school softball clinics, including the 1979 New Jersey Inter-Scholastic Athletic Association at Rutgers University in New Brunswick.

During her senior year, Diana was president of her sorority, Gamma Phi Lambda and the Special Olympic Assistant Coordinator of the 1979 County Regional Bowling Tournament. She is a member of the semi-professional softball team, the Ramsey Jais of the ASA Majors (American Softball Association) and this year, won an All Star award at the Tepton Invitational Softball Tournament in Pennsylvania.

Diana first became interested in

special education in 1977 when she volunteered at the New Jersey Special Olympics. She then became coordinator of the Adapted Physical Education Clinic at William Paterson and was a judge of the 1978 Tournament of Champions for the Learning Disabled where she taught riding, archery and riflery to inner-city children. For the past several summers, Diana has been a camp counselor at the YMCA Camp Dawson. Her spare time was spent as a guide for white-water rafting down the Lehigh River in Pennsylvania.

She is the daughter of Mrs. Patricia M. Diina and has a sister, Susan, both of Belleville.

## Holiday luncheon set next Monday

Court Gracia, 751 of the Catholic Daughters of America will hold its annual holiday luncheon Monday from 12 noon until 1:30 p.m. at the Knights of Columbus Hall, 150 Chestnut St., Nutley.

Tickets are \$3.50 and can be reserved by calling Gert Furlong at 667-4908.

**Joseph's Photographers**  
special photographs  
for your special day  
614 Franklin Ave., Nutley  
667-2440

**Vacation Cruise** — Michael, Antone Te, Marigrace and Veronica Valuano of 74 Magnolia St., are shown posing poolside aboard the Home Line's luxury liner, S.S. Doric, just before sailing from New York on a week's vacation cruise to Bermuda.

## Honor society taps Belleville student

Marjorie Dopart, daughter of Mr. and Mrs. Stanley Dopart, has been invited to join Phi Eta Sigma, the New Jersey Institute of Technology chapter of the National Honor Society.

Admission is based on scholastic achievement during freshman year. Miss Dopart is studying architecture.

While all your wonderful questions are waiting to be published in my corner, I take this liberty to thank publicly those people of the Belleville Italian American Association who last Saturday at a Wayne Manor dinner dance included me among those people that were awarded for their civic achievement and they awarded me for my achievement in the club. I am very proud to belong to this club because the members are civic, clerical, and business people who have Belleville in their hearts. I will put this plaque among the plaques that I was awarded in competitions but, your plaque will be dearest to my heart. On behalf of our dearest customer, Mrs. Lucy Vecchione, who is a member of the Ladies Auxiliary and was awarded for her achievement, thanks. Now that I am thanking all my thank Mr. Servidio, the owner of Throli Gardens Restaurant located in Pinetbrook for his class in business. I sent a few couples of customers who asked for a good restaurant. I gave them my card for reference and he honored them. Michael, they enjoyed the dinner and your elegant place. Thank you.

# Veneziano won't seek new term as president of Citizen's Union

Angelo Veneziano will not run for another term as president of the Citizen's Union of Belleville. Veneziano told a meeting of the group last Wednesday at the Recreation House that he would step down in favor of a younger leader.

Elections will be held at next month's meeting, and a restructuring committee, temporarily chaired by Joseph Yeamans and Edith Defeo

## Provident offering free dictionaries to club depositors

More than 27,000 members of Provident Savings Bank's 1979 Christmas Club, one of the largest in New Jersey, have been paid a record \$6,830,000, including dividends.

Provident President Kenneth F.X. Albers stated that an increasing number of people are opening Christmas Club accounts. Provident will pay 5 1/2 percent a year dividend on completed 1980 Christmas Club accounts, an increase of a quarter percent. In addition to the dividend, members opening accounts of \$5, \$10 or \$20 will receive a free Webster's New World Dictionary in the popular library paperback edition. The same gift is available to \$2 Christmas Club members for 50 cents.

Christmas Club enrollment is now going on at all 27 Provident offices throughout 10 counties in New Jersey. Payments are accepted at any branch.

## Jersey Bell paid \$393,900 in tax

New Jersey Bell Telephone Company paid \$393,900.07 in taxes in Belleville last year, according to figures released by Charles Seeling, the company's area community relations manager.

The company paid \$20,237,856 in real estate, personal property and franchise taxes in Essex County this year.

has been formed to lead the group over an interim period. The election meeting will be held 8 p.m. Wednesday, Dec. 5, at the Rec House, corner of Jerusalem Street and Garden Avenue.

The Citizen's Union, which at last count had over 300 members, has in the past pointed out savings, it felt could be made in the town and school budgets and called for charter change, an appointed school board and the development of a capital improvement program for the town and school system. The group has been leaning toward a council-manager form of government.

All these positions will be under review in the coming months as the Citizen's Union goes through a revamping period. "We intend to make it a very viable organization. It's going to be that or it's going to be defunct," said Yeamans, a lawyer who ran for Town Commission last May and received the top rating of the Citizen's Union based on a questionnaire asking candidates their opinions on such issues as charter change.

Veneziano, who has been president of the group since it was founded about three years ago, cited reasons of age and health in his decision not to seek another one-year term. "I felt the group needed some fresh blood to give it a little more organization and a fresh start," he told The Times/News.

One of the new goals of organization will be to obtain a more active membership. "It's very hard to keep people interested month after month when there's no big issue going on," said Veneziano. "So basically we try to keep the organization alive so when something of importance does arise we can take action."

"When the time arises, people know who we are and what we are and they flock to us in droves," he added.

Citizen's Union trustee and spokesman Sal Calabro also indicated that he would take a less active role in the organization, stepping

aside for younger men. Members present at last week's meeting unanimously approved a motion thanking Veneziano and Calabro for their efforts on behalf of the organization.

In other action, Marjorie Love was appointed to represent the Citizen's Union at a forum discussion to be staged by the Belleville

Junior Woman's Club Nov. 26 at 51 Rossmore Place. Mrs. Love will outline the aims and projects of the Citizen's Union, and, according to a statement from the group, "stress the vital role that the modern day, more informed and liberated woman may play in promoting better government on all levels."

## Schools host parents today and tomorrow

Belleville public schools are observing American Education Week this week, and parents have been invited to visit schools and classrooms throughout the system.

The high school visiting hours are 9-11 a.m. today and tomorrow, while the junior high will be open 9:30-11:30 a.m. and 12:30-3 p.m. today and 9:30-11:30 a.m. tomorrow.

School 1 holds open house 9-11 a.m. and 1-3 p.m. today and tomorrow, and School 2 hours are scheduled 9-11:30 a.m. today. School 3's visiting hours are 9-11:30 a.m. tomorrow, while School 4 welcomes parents 10-11 a.m. today and 10-11 a.m. and 1-2 p.m. tomorrow.

School 5 will be open to visitors 9-11 a.m. and 1-3 p.m. tomorrow, and School 7 is open all day tomorrow. School 8 has hours all day today and tomorrow.

School 9 parents' hours are 2-4 p.m. today, and School 10 is open 9-11:30 a.m. today. For further information, contact the Board of Education office at 751-7242.

## KING QUEEN, AND EVEN COURT

# Spirited students celebrate '79 homecoming

Homecoming is always a special time for BHS students and friends, but the event holds even more of an aura of excitement when the homecoming game results in a victory.

The Belleville Buccaneers football team took advantage of the high level of homecoming spirit last Saturday to defeat Clark 26-17. The victory put the Bucs in Giants Stadium this coming Saturday against Union.

Homecoming events for this year were arranged by both the BHS Key Club and the Student Government Organization (SGO) and went beyond the traditional plans, even as the football team has gone beyond tradition.

In addition to naming a king and queen, who this year were BHS football quarterback Ed Aulisi and Georgeann Fratella, a court made up of one female and male represen-

tative from each class was also named.

The 1979 court consisted of seniors Mike Nicosia and Gladys Greed, juniors Annette Brizzi and Lenny Cardinale and sophomores Julio Roig and Lisa Brizzi.

The Key Club handled all voting procedures which allowed all females to choose male applicants and vice versa.

The king and queen and entire court were led in a short parade atop

a homecoming float. The float committee made up of SGO and Key Club members devoted a lot of free time to construct the chamber. The float was sponsored by the Kiwanis Club of Belleville.

The high school also held a pep rally. Friday afternoon bringing together the entire student body and gathering the proper spirit for the homecoming game.

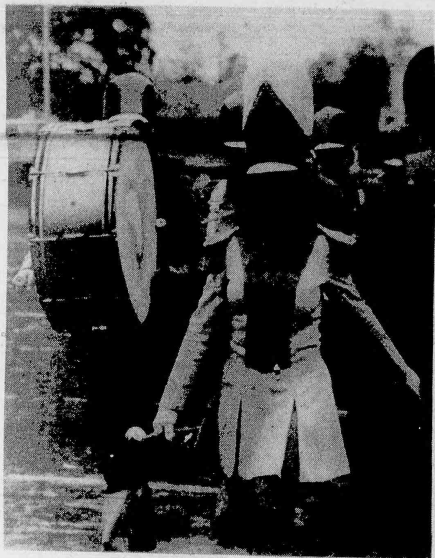

**King and Queen** — BHS football quarterback Ed Aulisi and Georgeann Fratella accept plaques as this year's homecoming king and queen before last Saturday's victory bout with Clark.

**Royal Court** — Along with the king and queen, students also chose a full court for the homecoming event. Included were (l-r) seniors Mike Nicosia and Gladys Greed, juniors Annette Brizzi and Lenny Car-

dinale, sophomores Julio Roig and Lisa Brizzi with Queen Georgeann Fratella and King Ed Aulisi.

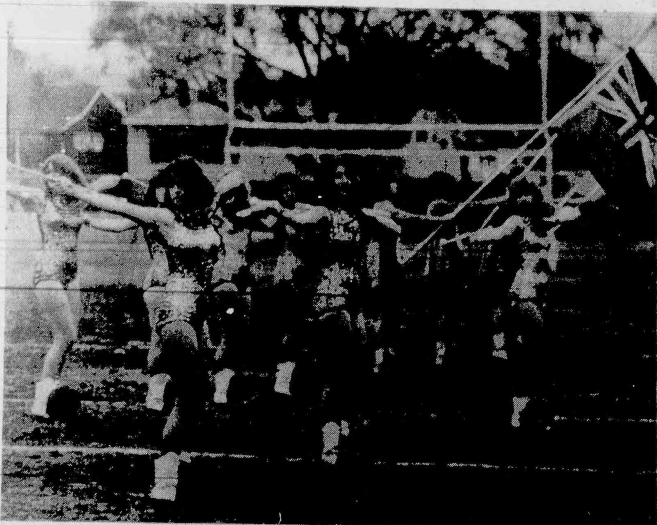

**Leader of the Pack** — Drum Majorette Lori Pickett leads the band off the field after heading the entire ensemble during halftime activities at last Saturday's game.

**Cheerful Crowd** — BHS cheerleaders (l-r) Denise Laderi, Cheryl Casale, Donna Marie Jones, Karen Lordi and Runda Esquillo help

boost the homecoming spirit as they intently watch the Bucs beat Clark last Saturday.

**Twirler Dance** — A group of twirlers and flag twirlers joins together to lead the fans in encouraging the Bucs to a victory at Municipal Stadium. Things looked black for a while but the Bucs came back to win it.

**Colorful Guards** — Despite the rain and muddy turf, these members of the color guard were more than happy to be participating in the homecoming events. Now it's on to Giants Stadium. — Photos this page by Donna Abate.

SGO SMOKE-OUT TODAY

# Smokers urged to take a 24-hour breather

**By Kim Santangelo**  
The Student Government Organization of Belleville High School is supporting the National Campaign of the Great American Smoke-Out today by urging family, friends and fellow students to pledge not to smoke for 24 hours.  
Recently, SGO members Cathy Tattoli, Laura Luzzi, Jane Pascale and Margie Schoot attended a workshop at the Center for Health Affairs in Princeton with advisor Mrs. Patricia Pugliese.  
The group attended lectures given by several doctors on the aspects of

cancer, such as its nature, disease related to smoking, increased smoking among young females and the current national anti-smoking campaign.  
As a result, the SGO officially supported the campaign and began its own by distributing decals, pins and pledge cards to have family, friends and fellow students vow not to smoke today for 24 hours.  
"We are hoping to expand this campaign as much as possible and we hope everyone will take part, if only to give their lungs a 24-hour breather," SGO President Santangelo said.

## Chamber orchestra plans for Christmas

**By Toni Grippaldi**  
The Belleville High School Chamber Orchestra is already rehearsing for Christmas performances.  
A chamber orchestra is a small group of musicians who play music which is usually designed for a group of this size.  
Our chamber orchestra, conducted and advised by Mr. Edwin Black, consists of five students — Joyce Tsai, grade 10, on first violin; Annette Frano, grade 11, on second violin; Barbara Hill, grade 10, on viola; Toni Grippaldi, grade 11, on cello; and Dave Flynn, grade 11, on string bass.  
Students do not receive a grade for participating in this activity, but they do receive two credits.  
Rehearsals are held every Tuesday and Thursday afternoon in the music room at 2:30.  
On Dec. 13, the Belleville High School Chamber Orchestra will perform "Christmas March," "Fantasy on Greensleeves" and other holiday favorites. Our concert orchestra and choir will also perform on this date.  
There is a possibility that the Belleville High School Chamber Orchestra will continue its tradition of performing a Christmas concert at Fawcett Church, but it has not been verified yet.

**Scenes from 'Oz'** — Dress rehearsals began Monday for the upcoming BHS production of "The Wizard of Oz." In this scene near the Emerald City, we see (l-r) Jacqueline Wis as Dorothy, Cindy Scheder as the Good Witch, director Robert Leffebline, Gary Martins as the Lion,

Munchkins Alicia Colasuonno, David Rock, Mary Lou Clark, Paula Penna, Donald Flint, Jessica Llamas, Georgette McDaniels, Maria Brosius as the Tin Man and Chris Oleartchick as the Scarecrow.

## Achievement testing has two varying aims

**By Kelly Sweeney**  
On Saturday, Oct. 27, the PSATs were administered at Belleville High School. On the following Saturday, Nov. 3, the SATs were also held at the school.  
The PSAT (Preliminary Scholastic Aptitude Test) is a preliminary test to show the junior in high school exactly what type of questions will be asked the following year on the SAT test.  
"We try not to put much emphasis on the PSAT test for one reason," said Mr. Rocky Cafone of the guidance department. "We explain to the juniors that the test is just preliminary, which makes it a guideline for the major one in your senior year. We feel students should not be alarmed when they are taking the PSAT test because we give you a chance to take this test to prepare you for the SAT test, which is put on your records when planning for college."  
On the other hand, as seniors, students are made aware of the fact that the SAT test is extremely important for the college-bound student. After a junior takes the PSAT test and has seen his score, he may want to take a review course such as math to prepare himself for the SAT test.  
The PSAT test began at 8 a.m. Each participant was requested to be at the school early in order to begin as soon as possible. All students were seated in the cafeteria, with the maximum of four persons to a table. Mr. Cafone was the speaker of the test, with Mrs. Ethel Williamson and Miss Mary Hereliet as the proctors. Math and English were the two sections of the complete test. Given 50 minutes for each section, every student was to complete as much of the test as possible in the allotted time. The entire test was completed in less than two hours. Approximately 175 students took the test.  
The SAT test on the following Saturday was handled with a different procedure. The seniors were asked to report at the same time, yet they were all given a specific classroom to report to, with a proctor and about 20 students. Unlike the PSAT test where all the proctors were guidance counselors, for the SAT test, teachers were asked to dedicate some time for this important test. The SAT also consisted of only math and English.  
According to Mr. Cafone, many students take the SAT test rather than the PSAT because when they become seniors, they realize the significance of the tests.  
It is suggested that students take the SAT test twice so that the colleges they apply to are able to judge their academic achievement with two scores as opposed to one. It is suggested that students take the SAT test at the end of their junior years and again in the fall of their senior years.  
The next opportunity to take the SAT for juniors is in May. For seniors who missed the SAT test last week, the chance to take it again will be in December, possibly at another location. The guidance department urges a college-bound student to take both tests as soon as possible. Results from both tests will be received in late November or early December.

## New teacher for School 1

School 1 welcomes its new MED teacher, Mrs. Lucy Cappelle.  
The pupils are busy learning math skills via individual "contract" work. Each student completes a body of work on his own level. A variety of texts and dittos is used. Time-telling, calendar work, times tables, skills and basic mathematical games are part of many units.  
Reading on each student's level is accomplished through the SRA program. Barnett-Loft Specific Skills Series, Reader's Digest materials, the Scott-Foresman Reading System and individual vocabulary lists. A multi-sensory approach is incorporated through audio-visual aids as well as tactile materials.  
Social studies class is enjoyed through an "on-the-spot" program serving the school. Pupils are completing a catalogue of films and deliver and pick up the films within the school.  
Science presently involves an on-the-spot study. Also, weekly study of health and nutrition is offered to the students.

## Symphony visits Belleville High

**By Toni Grippaldi**  
On Nov. 2, the New Jersey Symphony Orchestra performed at Belleville High School. There were two concerts, one in the morning and one later in the day.  
Seniors and music students — members of the band, orchestra, chorus and music theory classes — attended the first concert, and junior high music students and elementary school pupils heard the second concert.  
The orchestra performed the finale of Tchaikovsky's Fourth Symphony, the theme from "Star Wars," excerpts from "The Roman Carnival" by Bizet and a few other selections. Certain characteristics of music were pointed out, melody, rhythm, tone color and mood, for example.  
Not only was it an excellent concert, but it was a learning experience for all who attended.

## Marching band selling candy

**By Nancy Roberts**  
The BHS marching band will be selling World's Finest chocolate bars for \$1 from now until Thanksgiving to raise money for the group's first day trip.  
The band, twirlers, color guards and flag squad hope to raise enough money for a trip to Disneyworld in Orlando, Fla., this year.

**Directions** — Chris Oleartchick as the Scarecrow gives hazy directions to Dorothy as portrayed by Jacqueline Wis during first dress rehearsals for the upcoming BHS production of "The Wizard of Oz."

# School 5 unites moms, daughters in gymnastics

**Sack Races** — Donna Marie Jones (left) and Sharon Robinson were just a few of the BHS cheerleaders who visited School 5 Monday night with advisor Debbie Meola for a special Mother-Daughter Night sponsored by the PTA.

**Curious Eyes** — School 5 kindergartners (back, l-r) Donna Carlo, Nicole Theis and Melissa Woodward await the next gymnastic endeavor as gym teacher Debbie Meola joins daughters and mothers in various games.

## Constance Hausherr; retired teacher, at 80

A service was held Monday for Constance Smith Hayer Hausherr, 80, who died last Friday at St. Vincent's Hospital, Montclair.

Mrs. Hausherr was a teacher in

the Clifton public school system 32, retiring in 1955. She was a member of Order of the Eastern Star Chapter 98 of Clifton and Grace Episcopal Church.

Mrs. Hausherr came to Nutley 45 years ago from her birthplace of Belleville. She was the widow of the late John V. Hausherr.

Surviving are a brother, Ralph Smith of Fort Meyers, Fla., and a sister, Mrs. Dorothy Crocker of Nutley.

Arrangements were made by the Johnese Nutley Home for Funerals where the service was held with the Rev. Wade Rann of Grace Episcopal Church officiating. Interment was in East Ridgeland Cemetery, Clifton.

## A.G. White; dead at 79

A service was held Tuesday for Arthur G. White, 79, who died Saturday at Brookville Hospital, New York.

Before his retirement 19 years ago, Mr. White had owned the White Foundry Company, Jersey City. He was a member of the Rotary Club of Jersey City.

Born in Holyoke, Mass., Mr. White had lived in Belleville 44 years.

Surviving are a daughter, Mrs. June Irwin of Bronxville, N.Y.; two sisters, Mrs. Evelyn Edwards of Seaford, N.Y., and Mrs. Mildred Gallmeyer of St. Petersburg, Fla.; a brother, Stewart E. of Kearny; one grandchild and two great-grandchildren.

Arrangements were made by the Wadsworth Funeral Home where the service was held. Interment was in Restland Memorial Park, Hanover.

## Irene Pinkler, 80; retired supervisor

A Mass was offered Monday in St. Patrick's Church, Chatham, for Irene M. Pinkler, 80, who died last Friday at Pine Acres Nursing Home, Madison.

Before her retirement 15 years ago, Mrs. Pinkler was an office supervisor for Wallace and Tienan Company in Belleville where she worked for 27 years.

Born in Hoboken, Mrs. Pinkler lived in East Orange before moving to Irvington 10 years ago. She was the widow of the late Elmer Pinkler.

Surviving are a daughter, Charles Bischoff of Yorktown Heights, N.Y., and a sister, Mrs. Joseph Marquardt of Bricktown.

The William A. Bradley & Son Funeral Home, Chatham, made arrangements.

## Mrs. M. Dowling; was nurse's aid

A Mass was offered Tuesday in St. Mary's Church for Margaret Dowling who died last Friday at Clara Maass Memorial Hospital.

Mrs. Dowling worked many years as a nurse's aid. Born in Elizabeth, she lived in Nutley 30 years.

Surviving are her husband, Edward; six daughters, Mrs. Patricia Cole of Montague, Mrs. Margaret Bever of Belleville, Mrs. Noreen Smith of Union, Mrs. Mary Bruce of Belleville, Mrs. Lynn Costanzo of Newark and Mrs. Kathleen Larson of Harrison, and 17 grandchildren.

The Stanton Funeral Home made arrangements. Entombment was in Mount Olivet Mausoleum, Newark.

## Pharmacy Footnotes

Vincent Cozzarelli  
Reg. Ph.

The Snellen visual acuity charts are used in most eye examinations and in vision screening in school testing programs. The test requires the reading of letters or figures on a well-lighted chart at a distance of 20 feet. The letters are graduated in size according to optical principles established by research. Each line of letters is numbered to indicate the standard distance at which an individual with normal sight should be able to read. 20/20 vision indicates a person can identify letters on the 20 foot line at 20 feet.

People come to us at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956 because of our friendly service. "Your Doctor Knows Us-Your Doctor Trusts Us". Free delivery is available on prescriptions. For Thanksgiving we have a nice selection of greeting cards and Russell Stover candies. Open: 9am-10pm daily, 9am-9pm Sundays.

**HELPFUL HINT:**  
Make wallpaper washable by covering it first with sizing, then with a clear shellac.

## obituaries

## Anthony Donadia; retired mason, 98

A Mass was offered in Holy Family Church Nov. 2 for Anthony Donadia, 98, who died Oct. 29 at Park Avenue Nursing Home, East Orange.

Born in Italy, Mr. Donadia lived in Nutley 80 years. He was a retired mason and had been employed by Electro Tech Corporation.

Surviving are four daughters, Mrs. Rose Gilbertson of Nutley, Mrs. Dorothy Dentato of Belleville,

Mrs. Anna Sena of Nutley and Mrs. Yolanda Metrocovich of Cliffwood Beach; six sons, Vincent of Belleville, Thomas, Patsy, and Frank Vocaturo, all of Nutley, Notty of Clifton and Angelo Vocaturo of Florida; 25 grandchildren and 24 great-grandchildren.

Arrangements were made by the S.W. Brown and Son Funeral Home. Interment was in St. Joseph's Cemetery, Lyndhurst.

## Mrs. Mae C. Dempsey; retired phone operator

A Mass was offered Saturday in St. Peter's Church for Mae C. Dempsey who died last Wednesday at home.

Before her retirement nine years ago, Mrs. Dempsey was a telephone operator for Kresge's Department Store, Newark, 15 years. A Belleville resident, she was a member of the St. Peter's Church Rosary Society, the Belleville Senior Citizens, Catholic Daughters of America Court Sancta

Maria 61 and the Senior Citizens of Essex County.

Surviving are a daughter, Mrs. Patricia M. Ritter of Belleville; a son, John T. of South Carolina; a sister, Miss Margaret M. Sheehan of Belleville; 13 grandchildren and four great-grandchildren.

The Kiernan Funeral Home made arrangements. Interment was in Immaculate Conception Cemetery, Montclair.

## Senior Notes

By George Chenoweth

Insurance companies still sell a large number of individual health policies, many of which are bought to supplement group plans and Medicare. If you are still working, your employer will pay, wholly or in part, for your insurance premium. Now that we are retired and an individual buyer of insurance, we are virtually on our own.

A health insurance contract is probably the most complex piece of paper that you will ever sign. Scrutinize it carefully and if you are not sure, have someone, preferably family, go over it with you before signing. All too often, seniors are covered with more insurance than they really need. Hardly a week goes by that we are not bombarded with mail that demands immediate attention, saying buy this policy or that policy or another that you should not be without. Medicare Parts A and B plus another supplemental policy should be enough to take care of the average needs of seniors.

The supplemental insurance should be either non-cancelable or guaranteed renewable and would cost a little more but give better protection. It should also contain coverage for the 20 percent deductible and the first \$60 that Medicare B does not pay and the initial hospital fee not covered in Medicare A.

Watch for another pitfall known as "duplication." Will the insurer pay off if the insured is covered by another policy from another company. Some don't, you know. Unfortunately, the federal government has no control over health insurance. Some states have improved regulations and you, fortunately, are not helpless. There are a lot of reputable companies that offer reasonably good policies. This brings to mind the policies of the National Council of Senior Citizens and the Colonial-Penn Insurance Company of the American Association of Retired Persons. Both are good supplemental policies and about the same in cost. (You must be a member.) Check the Blue Cross-Blue Shield plans and compare with other policies. Blue Cross will probably cost more but they do offer relatively generous benefits.

A good test of a good insurance company is the payout ratio as against its income. Fifty percent is a ratio widely used as a fairness factor and this is easily attained by well run companies.

So let the buyer beware, don't fall for hot-shot newspaper and magazine ads or something that comes in the mail proclaiming insurance that "you can't be without." Buy your insurance wisely, do not be over-covered and ask for help if in doubt and your insurance needs.

## Town gets \$15,975 for aerial firetruck

Public Safety Commissioner Matthew A. Pica announced last week that Belleville has received a \$15,975 grant toward the purchase of a 100-foot aerial firetruck.

The additional funds were received from the Essex County Community Development Block Grant Program. The grant, coupled with an additional \$75,000 received

last month, will provide 50 percent of the purchase price of the aerial truck.

Pica commented that "this piece of equipment is essential for the safety and well-being of the citizens of Belleville." The new firetruck will be housed at the Franklin Avenue station. One of the deciding factors in acquiring the truck was the location of two hospitals in the area.

## Belleville seniors given tips about dental care

Harry Reynolds, president of the Friday Division of the Belleville Senior Citizens Club, welcomes Dr. Richard Montgomery as the guest speaker at the organization's meeting last Friday. Montgomery, a member of the Essex County Dental Society Speakers Bureau, presented a talk entitled "Dentistry for the Older Person."

Montgomery touched on the growth of dentistry from the days of King Tut when some of the earliest tools of the trade were developed, to today's clean and efficient dental office with modern painless treatments available to persons of all ages.

The doctor pointed out that 90 percent of adults over 65 have periodontal or gum disease which is the major cause of tooth loss. Modern technology, he indicated, has produced innovative tooth replacement methods such as "implantology" in which a steel plate holding individual teeth is surgically implanted into the jawbone, and the more widespread technique of "immediate dentures" which are fitted

and placed in, the mouth, directly after any existing teeth are extracted.

Montgomery stressed that even if all one's teeth have been removed, the denture fits should be checked periodically with a dentist to avoid discomfort and rubbing which could lead to oral lesions.

Montgomery emphasized that Medicaid can be used to pay for dental care and that dental clinics such as the one connected with the College of Medicine and Dentistry in Newark are available at fees based on the ability to pay.

Montgomery received a dental degree from the University of Michigan in 1965 and a master of public health degree from the same institution in 1971. He is a tenured, full-time faculty member at the New Jersey Dental School in Newark. His specialty in public health is emphasized in the course he teaches, preventive dentistry, nutrition and preventive dentistry, and dentistry and life style.

The Essex Dental Society is celebrating its centennial in 1980 by providing speakers for clubs and organizations in the county.

## NUCLEAR SAFETY

"Nuclear plants have the best safety record of any major technology in America."

"Nuclear plants have been producing commercial electricity for more than twenty years. In all that time there has not been a single nuclear-related death or injury to any member of the public or plant workers!"

"In the past ten years more than 450,000 Americans have been killed on our highways. Nearly 2,000 have died in coal accidents. 2,700 perished in plane crashes. Yet, no one is demanding a stop to these activities. They are part of the risks we assume in our lifestyle. In the face of nuclear's safety record, it simply doesn't make sense that certain groups ask for a stop to nuclear power."

"Nuclear plants have always been designed with safety as the top priority. The fact that no major industry anywhere can boast a better safety record is proof of the nuclear industry's dedication to safety."

"Even the highly publicized Three Mile Island accident—an event viewed very seriously by the nuclear industry—did not cause a single death or injury. This even though several errors were committed—errors which in the future will certainly be prevented."

"No technology is 100% safe. But the elimination of technology would cause very much more harm than its maintenance. This also applies very much to nuclear energy technology."

"Nuclear energy is a source we desperately need. Without it our dependence on foreign oil would be greater than it is now and energy costs would be even higher."

*Eugene P. Wigner*  
Eugene P. Wigner  
Emeritus Professor of Physics  
Princeton University  
Nobel Laureate

Formed in 1976, Scientists and Engineers for Secure Energy is a society concerned about incorrect, confusing and untrue information being spread by organized groups against nuclear technology. The efforts of these groups are designed to scare, browbeat and mislead Americans into abandoning a domestically available nuclear resource that has been thoroughly tested and proven over the past thirty years. Nuclear energy has kept the lights on in much of the country during coal strikes, oil embargoes and natural gas shortages.

The society does not claim that technologies, including nuclear energy, are free of faults. It also encourages frank and vigorous debates in search of better understanding. The society hopes this series of statements will contribute to the understanding that nuclear energy has the potential to bring enormous benefits to America and the world. It has served us well for a third of a century. The society supports the mastering of our best thoughts—not our worst fears—to continue to utilize this potential wisely and safely.

## World class athlete is a world class guy

With the summer Olympics just around the corner, the United States' hopes in the high jump rest with one Franklin Jacobs, a 21-year-old product of Fairleigh Dickinson University.

I recently had the opportunity to speak with this personable athlete, and his views on the Olympics and life are very interesting. Franklin was the world record holder in the high jump until last year when a Russian broke the mark. Jacobs set the record in 1978 when he cleared 7-7 1/4. The mark now stands at 7-8 1/4, but Jacobs still holds the United States' mark and the indoor record because the Russian set the mark outdoors.

Jacobs' view on the Olympics is simple — he can't wait. "I am very excited about the prospect of competing in the Olympics," he told me. "It is a great opportunity to represent my country, which I am very proud to be a part of."

The fact that the Olympics are being held in Moscow this year doesn't particularly thrill him. "I would much rather compete in Montreal because it is more like America and has a nicer atmosphere," Jacobs said. "I have been in Russia before, and although it is a nice country, it wasn't to my liking."

It is quite interesting to learn how Jacobs became a high jumper because it happened by accident. "I used to play basketball at my high school (Paterson Eastside), and some of the coaches were amazed at how well I jumped," Jacobs recalled. "I stand 5-8 but can dunk a basketball with relative ease. The coaches told me if I arched my back a bit I would make a good high jumper."

In high school, Jacobs didn't compete until his senior year because he wanted to do well academically first. On his first attempt at the high jump, he cleared 6-7. It was obvious that the event was a natural for him.

Following his graduation from high school, Jacobs went on to FDU. "I love it here," he said of Fairleigh Dickinson. "I like the surroundings and the students. The academics are top notch and it is just a fine school academically and socially. If I was given another choice, I would still choose FDU."

His popularity has grown immensely in college. Sports Illustrated did a feature story on him a year ago, and he has met a number of celebrities in the sports and entertainment field. But through it all, Jacobs takes college and high jumping very seriously. "I work out with the sprinters in order to keep my muscles in tune," he said. "I have to prevent against muscle pulls and torn ligaments."

He is majoring in business and hopes to earn his degree in December of 1980. Jacobs considers his college degree essential. "I very much would like to complete my studies," he said. "I realize the value of an education and I think the degree will be the icing on the cake."

The Olympic trials will be held in May, and Jacobs feels the adrenalin flowing already. "They only come around once every four years," he said. "The top three jumpers make it, but I don't feel any more pressure than a normal meet. It will be an honor to compete in the Olympics."

Franklin feels that there will be 50 to 60 athletes trying out for the high jump, and maintains that a jump of 7-5 or better will be good enough to advance to Moscow. "I just hope I can compete to my level," he said. "I've seen athletes do so well until the trials. I just hope it doesn't happen to me."

Jacobs has a great deal of respect for fellow athletes. "Renaldo Neimeiah (holder of world records in high and low hurdles) is something else. He has unbelievable ability," said Jacobs.

Jacobs hopes to play for the Cosmos of the NASL some day. "A couple of their representatives were watching me and felt I might have a chance at being a goalie. I've never really tried the sport, but it looks very challenging. I think with my ability, I can be pretty good at it."

Jacobs has met a number of celebrities, but will never forget a visit with Muhammad Ali. "I've met a number of nice people, but meeting Ali was a dream come true. He has always been my idol and is a very interesting person to meet and speak to."

Franklin likes to spend his leisure hours bowling and with Mary, his girlfriend. "I think I have a creative imagination and can create my own good times," he said. "I have a good sense of humor and like to have fun."

Franklin Jacobs keeps exceptionally busy, but enjoys what he's doing immensely. He is a super talent and a fine person to know. And when the 1980 Olympics come around, he'll be a welcome figure for the United States. We couldn't have a better man representing this country.

**Special congratulations to John Senesky and his entire organization on the Bucs' first playoff appearance this Saturday.** They deserve the support of all Bellevillites. Come down to Giants Stadium to support the team this Saturday. Game time is at 12:35 p.m. and the team would like to hear a lot of friendly hollering.

The Giants are playing good football of late. The team rebounded nicely after the tough loss to Dallas with a 24-3 romp over the Atlanta Falcons. Currently, the Giants' record is 5-6 and believe it or not, it's not inconceivable that the Giants could earn a playoff spot. The way they're going now, nothing is impossible.

On the other side of the coin, the New York Jets lost to the Buffalo Bills 14-12. Toni Linhart missed two point after attempts and Richard Todd turned in another of his brilliant performances — three interceptions. The Jets' record is 5-6 and the playoffs look just about impossible now. As Matt Robinson continues to collect dust on the sidelines, the Jets continue to be left in it.

Finally, the answer to last week's sports quiz. The question was what team did Rutgers play in the Garden State Bowl last year and what was the score? The answer is Arizona State. Rutgers jumped out to a quick 10-0 lead but lost 34-18.

Here is this week's quiz. In 1970, the Giants came within one game of winning the NFC Eastern Conference. They lost the title in the final game of the season. Who did the Giants lose to and who was the Giant quarterback that season?

## BHS gridmen gear up for Saturday playoffs

By Mike Lamberti

Neither rain, nor mud, nor a fired-up Clark team could halt the Belleville Buc gridiron express from its appointed playoff destiny. The Bucs rallied for three fourth-quarter touchdowns to halt the stubborn Crusaders 26-17 in rainy Municipal Stadium.

The home team, which is now 7-1 and ranked eighth in the state, enters the Group IV Section 2 playoffs this Saturday, in style. The Bucs are the top seed in the playoffs and will battle Union, the defending champion, in the mammoth confines of Giants Stadium. Game time is slated for 12:35 p.m.

Today is the last day to buy tickets — \$3.50 for adults, \$2 for students and \$1 for children under 12 — at Belleville High. The School Board is hosting a buffet dinner for the players, their parents and coaches 6 p.m. tomorrow at the BHS cafeteria.

Head coach John Senesky was naturally quite excited about the recent turn of events. "The guys deserve all the credit," said the coach. "Our players did a great job, the coaches were super and we've all waited a long time for this opportunity. I would have liked the game to be played in Belleville, although it will be exciting to play in Giants Stadium."

As for the game against Clark, Belleville showed its championship caliber by rallying twice in the last quarter. "Clark gave us a strong battle," said Senesky. "It was quite an emotional game and I was very proud of our players for coming back the way they did."

The Crusaders came into the game with a 2-4-1 mark but showed they were not about to lie down and play dead. After a scoreless first quarter, Clark struck suddenly when quarterback Bill Bodner, a 6-4, 170-

pound throwing machine, hit John Wilson who promptly scored 41 yards for a touchdown. Steve Marcinko booted the extra point and Clark led 7-0.

After an exchange of possessions, BHS quarterback Ed Aulisi, who turned in another steady performance, hit Mario Colombrito with a 37-yard pass to the Clark 17. It was quite a catch for the split end who showed great concentration. Bob LaBruzza did the rest of the work, ramming in from the 1-three plays later. Ralph DePasquale hit the conversion and the score was tied.

Following the kickoff, Bodner used his rifle arm to hit Mike Gaines with a 43-yard pass to the Buc 13. After a costly Buc penalty put the ball on the 6, Bodner attempted to pass for the go-ahead score, but the

Buc defensemen had different ideas. They held Clark on four straight downs and Marcinko came in to boot a 22-yard field goal. The half ended with Clark leading 10-7.

The Bucs came out for the start of the second half with a lot of enthusiasm and took the kickoff. From its own 26, Belleville drove steadily downfield, using the pass just once. Dan DeNotaris, who did not play in the first half, was the main cog in the drive, carrying the ball nine times for 35 yards. The Bucs got as close as the 7, but the Crusader defense stiffened and Clark took over on downs. There was no scoring in the third quarter, but at the outset of the final game, Belleville regained the lead when Aulisi found the team's leading scorer, Len-

Please see "Football" on page 14.

**Tough Going** — Frank Fazzini leaps up for a small gain in the first quarter of Saturday's game with Clark here. The home gridmen turned back the Crusaders to advance to the state playoffs Saturday.

## Union matches Belleville evenly

The state football playoff game between Belleville and Union this Saturday afternoon may be a contest between speed and size, a strong all-around attack and a devastating ground game. That's the way Farmer head coach Lou Pettino sees it.

"I think it's pretty even going in," the third-year pilot told The Times/News Tuesday. "I don't see any clear-cut edge for anybody. Belleville, Westfield and we are all capable of going all the way. Livingston I don't think even belongs there."

Union, the Group IV, Section 2 champ last season with a 9-1-1 record, may be peaking about now. "We're a senior club, but we were a senior club last year and a lot of the juniors then didn't get much of a chance to play," said Pettino explaining his team's slow start. The Farmers beat West Edison 7-0 and then lost to Westfield 20-0. The following week, they defeated Irvington 28-6, not as lopsided a

score as Union was capable of making it. However, the team began to gel from thereon. The Farmers trounced Cranford 42-0, Scotch Plains 41-0, Carteret 33-11, Elizabeth 35-15 and Plainfield 34-0. "Our offense has really gotten a lot better, and we're averaging well over 300 yards a game rushing," said Pettino. The Farmers had over 500 yards against a decent Scotch Plains team, and the 34 points scored against Plainfield was almost three times the number that club had allowed all year.

Union is one of the bigger teams Belleville will face this season. The offensive line-up reads like this: At center, there's Ken Jenkins, 6-2, 205 pounds. Carl Jacobs (6-0, 201) is the left guard. Tom Blazek (5-11, 185) the right. At left tackle is Scott Hanulak (5-11, 221) and at right Doug Martin (6-3, 230). The split end will be either Dave Seibal (5-10, 170) or Pete DePalma (5-10, 165), while Dan Colker (6-0, 175) is the tight end. Mark Casale (6-2, 185), the quarterback, has not thrown much this season but is quite capable. He's got 26 completions in 42 attempts and four touchdowns passes. The left halfback is Mark Ignatowicz (6-0, 212), the right Bob Hagan (5-10, 165) and the fullback Mark Gruchacz (6-1, 208).

Many of the same players start on defense. The front four consist of Jacobs at left end, Vinnie Ruppert (6-3, 235) at right end, Sean Gavin (5-10, 246) at left tackle and Martin at right tackle. The deep three are left halfback Kevin Armstrong (5-11, 165), DePalma at right halfback and Hagan at safety. The outside linebackers are Hanulak and Wade Baldwin (6-2, 185), while the inside linebacker spots are occupied by Blazek and Mark Gruger.

"I think they're an excellent team," Pettino said of Belleville after watching game films. "The execute well, they have a lot of different formations and a lot of movement. They play the same offense we do, but they have a lot of counter stuff and more movement. They run well but we have more power than they do because our backs are bigger."

"Their quarterback (Ed Aulisi) is a good thrower," Pettino continued, "and that concerns us. He also has good receivers. Their running backs are small but very quick which of course gives us a lot of problems." Seemingly then, the two teams have advantages which offset each other. That means the game could boil down to intangibles like desire. And this year that could be the Bucs' trump card.

## Cougars knock booters from state tourney 2-0

By Donna Abate

The Belleville High booters ended their season last Friday by taking a tough defeat at the hands of the Columbia Cougars, but the Bucs left a deep impact on the New Jersey state tournament as a strong, young team that will be back next year.

Although the booters bowed 2-1 after battling Friday in Maplewood, they gave Columbia, the second-

rated team in the state, a run for its money.

The Buc booters let a Cougar corner kick slip past them 20 minutes into the game and Columbia took the lead. Belleville tightened its defense, however, in the first half, keeping the Cougars hard at work.

In the third quarter, Columbia booted in another corner kick which inches past Buc goalie Jack

Baumgartner for a secure lead. Although the Blue-Gold took advantage of several spots, they were all saved by the Cougar goalie.

"Our kids played well," said BHS Coach Anthony DeAquino. "I was happy with the way they performed. We had a nice season," he added of his 9-7-3 team. "We accomplished a lot of firsts."

Coach DeAquino noted that this season, the Bucs went out and beat Montclair and the parochial state champ, Queen of Peace. "And we never came so close to Kearny with the tie," he said.

Commenting on the Cougar contest, DeAquino said, "It's a tough way to lose a game."

"We did well defensively all year," the coach continued. "We have a group of class players that really played hard."

DeAquino announced that next year's Buc soccer team would be headed by captains John Lee and Brian Woods. "Leadership is a must in this game," the coach said.

Though he was happy with the turnout of spectators and a cheerleading squad for the soccer games this year, as a final note DeAquino commented, "I think people should start thinking more about soccer."

**Not to Be** — Disappointment shows in Jeff Hageman's face during half-time of last Friday's soccer game with Columbia. The Bucs lost to the powerful Cougars 2-0 in the second round of the state tourney.

## Varsity Club names officers for 1979-80

The Varsity Club of Belleville has new officers and a new meeting place. Mike Swinarski is the organization's president for 1979-80.

Other officers are Vito Guarino, vice president; Tom Winslip, treasurer; Paul Santinelli, recording secretary, and Wayne Worley, financial secretary.

The Varsity Club continues to meet 7:30 p.m. the second Thursday of each month but will hold its gatherings in the Belleville High cafeteria from now. Meetings used to be at the Little League building.

Those interested in joining the Varsity Club may contact Swinarski at 751-1904 or Santinelli at 759-0482.

**Alive and Kicking** — Steve Nardone (left), manager of the Belleville branch of the Fidelity Union Trust Company, presents Belleville Soccer Association President Sam MacArthur with the check which keeps the Cobras "alive and kicking" through their 24-game schedule. The Fidelity sponsorship guarantees an opportunity for Belleville youngsters to compete against teams from other towns during the all-important formative years of a maturing soccer player.

## 'Oldtimers' show Cobras the ropes

**By Fred Lardaro**  
Inclement weather contributed to dangerous field conditions and forced cancellation of Cobras soccer matches on consecutive weekends, but the snakes of Belleville did manage to hold several intra-squad scrimmages.  
After a series of agility and endurance drills, last Friday's scrimmage became an "oldtimers" match of sorts.

Coach Gabe Micchelli, whom the kids thought to be ancient, hauled the soccer boots that he hadn't worn since 1975 when he was goateading for the Belleville varsity (then Belboys) out of mothballs to partake in the scrimmage.

Micchelli was joined by former Cobras Ruben and Charlie Kinghalua. The coach then divided the Cobras to round out two evenly matched squads.

As in all good family feuds, the two squads battled with great intensity until dusk when Coach Micchelli scored a goal and quickly blew the whistle to end practice and the scrimmage with "oldtimers" winning 3-2.  
"I think the kids benefit from

playing against experienced oldsters," said Micchelli as he towled sweat from his brow.

"Oldsters! Speak for yourself!" Ruben Kinghalua exclaimed.

"Yes, Gabe. That's true," Charlie Kinghalua chimed in. "You're as young as you feel, and I believe that it is only you who are feeling a bit older at the moment." Charlie jokingly examined the coach's pulse.

The Cobras have four games remaining on their winter schedule, and they will be looking to improve on their 1-5-1 record.

Meanwhile, the Division I Gunners are sharpening their skills under the watchful eye of Coach Tony Cullen. The defending Northern Counties League champion Gunners are preparing to enter the league's indoor soccer championships, six weekends of fast-paced indoor action to be housed in the Rockland County Community College Gymnasium. The Gunners should be the top seed. Their participation in the tournament has been made possible by the support of the Fidelity Union Trust Company's Belleville branch which sponsors the Belleville Soccer Association.

## Runners end tough year with some improvement

**By Mike Lambert**

The season is now officially over for the Belleville High cross country team. Despite some good performances the team posted a 1-9 record, the one victory via forfeit.

The team last competed in the county championships but, without its top runner, Tom Graham, who was out with a cold. Of the 150 participants, Dean Santulli was the first Buc across in a time of 18:08. He finished in 97th place. Dana Caruso placed seventh in the girls race, in a time of 19:51. It was quite an accomplishment for the junior considering that she was running with a heavily taped foot and there were 110 girls competing in the race. Le Ann Long, a freshman with quite a future, placed 54th in a time of 22:38.

As for the season, Tommy Graham was the top runner, compiling 49 points. His top time on the home course was 15:58, just 38 seconds shy of the Belleville High School record. Dean Santulli finished the season with 30 points, although his best time of 16:54 was accomplished last season. Santulli put in four good years on the cinders and will be missed next season.

John Vaccaro scored 25 points

and had his best career time, 17:05. Vaccaro competed in the New York Marathon for two straight years and is a star quarter-miler for the track team.

Paul Long had 13 points and showed great improvement over previous seasons. His best time of the year was 17:38. Steve Gatti finished the season with 11 points, and came within four seconds of breaking the 18-minute mark. Rick Kiernan, a senior in his first year of running, finished the season with six points and came through with a fine time of 17:51 on the home course.

Caruso scored three official points, but against other girls she was nothing short of devastating. She'll be back next year and there is no telling what she will do. For the season, she broke the girls' record on the home course with a time of 18:19, some 50 seconds better than the old mark.

Brian Allum scored three points and had his best time at 18:33. Tom Fuscaldo scored two points and his best time was 19:45. Jeff Pico, Le Ann Long, Steve Drake and George Dulski all scored valuable points for the team and will be heard from again next season.

"I think there was some

improvement," said Ruffalo. "I'd like to start building a girls' program at Belleville. Any girls who think they can run long distance are free to try out next season. As for the boys, we are practically depleted by graduation. It's just a matter of starting over again."

### Men's basketball starts next week

Rec Department basketball for men over 18 starts the Saturday after next at the Junior High School boys' gym. The first session will be held 1-4 p.m.

Junior girls' basketball for seventh and eighth graders starts Monday, Nov. 26, at School 3. Hours are 6:30-9 p.m.

## How do you open the bank after your eight p.m. game?

## Football team fends off strong Clark challenge

**Continued from page 13:**

ny Mendola for a 14-yard touchdown pass.

It was Mendola's ninth touchdown of the season, and the Bucs had the lead — for about 20 seconds. While the hometown fans were figuring out who the Bucs would face in the playoffs, Bodnar hit Wilson with a 73-yard touchdown pass and all of a sudden you couldn't hear a pin drop. The kick was good and Clark led 17-13.

Now was the time for Belleville to show what it was made of. The Bucs started from their own 39 with just 10 minutes left in the game. Instead of panicking, the Bucs started a disciplined drive, without the benefit of a pass. With DeNotaris, Aulisi, Mendola and sophomore Frank Fazzini leading the way, the Bucs used a five-minute drive that culminated

with DeNotaris popping in from the 3-yard line. DePasquale missed the conversion and the Bucs' lead was a thin two points, 19-17.

Everyone in the stadium knew that Bodnar would be passing. Paul Scheuplein was one of the people who knew that he would pass and intercepted Bodnar's aerial and returned to the 22. Four plays later, Mendola scooted 14 yards around left end for the final touchdown, a touchdown that put the Bucs out of the mud of Belleville and onto the astro turf of Giants Stadium.

"Our offensive line was great," said Senesky. "Russ Pagano was awesome. Anthony D'Agostino, Peter Scheuplein, Carl Lordi, Rich Vitiello and Gabe DeFabrizio (two receptions), did a magnificent job. Bob LaBruzza and Dante DeNotaris did a great job running. Ed Aulisi showed super leadership by not panicking. Frank Fazzini and Ralph DePasquale were super in the secondary. I would also like to point out the fine play of halfback Lenny Mendola and Joe Garafolo, who is perhaps the finest nose guard in the state. Phil Cerza at linebacker, Danny Amodeo at defensive end, Paul Scheuplein and Mike Rainone. Rainone has to make the coverage calls in the secondary and did a nice job."

**BUC NOTES:** Union is also 7-1. If the Bucs win, they will face the winner of the Livingston-Westfield game for the championship of Group IV, Section 2. That game would be held Dec. 1. DePasquale set up second Buc score with 35-yard punt return. No injuries to report... It will be the Bucs' first appearance in playoffs.

## With Maxi-Teller, N.J.'s password to indoor 24-hour banking.

Our Maxi-Teller Banking Centers around New Jersey are open 24-hours a day, seven days a week. And not just to get cash, but to make deposits to checking or statement savings, check your balance, transfer money, make loan payments, or just about any other kind of banking transaction. You can

do all this in just seconds, and, like racquet ball, you can enjoy it indoors in any kind of weather.

Come to our office nearest you for your password. One word from you can open the bank any time of day or night.

### Ladies' volleyball will start Nov. 27

Recreation ladies' volleyball begins Tuesday, Nov. 27, at School 3. Hours are 7-9 p.m. Wrestling for boys 10 to 14 will be held the same night at Belleville High School.

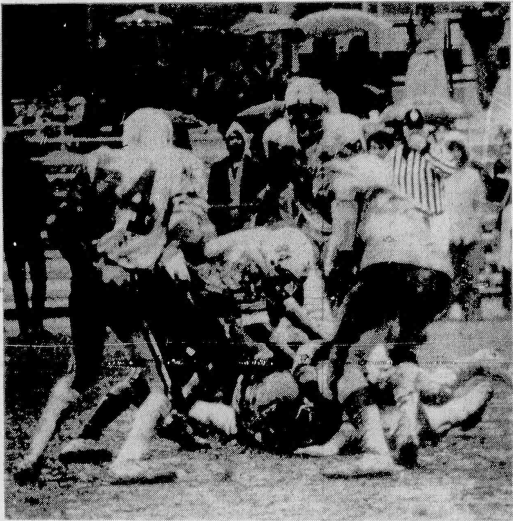

Four events are being sponsored by the Recreation Department Saturday, Dec. 1. There will be an open gym 1-2:30 p.m. for boys 8 to 14 and an open gym 2:30-4 p.m. at School 2. A basketball clinic for girls 8 to 11 is planned 9-11:30 a.m. at School 3, and a basketball clinic for boys 8 to 11 will be held 1-4 p.m. at the senior high.

For information, call the Recreation Department at 759-9100.

# Bucs turn back Clark 27-16

**Headless Buc** — Lenny Mendola's face is obscured as he scrambles the last few inches of a 14-yard run for Belleville's final touchdown against a tough Clark squad this past Saturday at Municipal Stadium. The Bucs won 27-16 to advance to the state playoffs. — Photos this page by Donna Abate.

**Steady Advance** — Frank Fazzini gets the first down for Belleville at the 36 early in the third period. The Bucs made it to the Crusader 7 where they were stopped on downs. Clark had the fans on the edges of their seats with a 17-13 lead at the end of the quarter.

**Mystery Man** — Lenny Mendola darts off apparently in possession of the ball as quarterback Ed Aulisi hides it in his arms. He gained eight yards on the first-quarter play. Running a block at right is Carl Lordi.

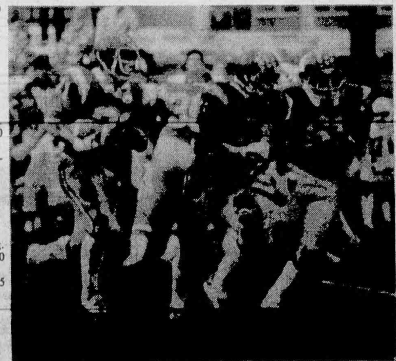

**Battering Rams** — The Belleville line holds steady in the third quarter to force a Clark punt about midfield. The Buc defense earned high praise from Coach John Senesky.

**Giving Chase** — Mike Rainone applies pressure to Clark quarterback Bill Bodnar in the third quarter. Bodnar's eventual pass was incomplete and a Crusader punt followed.

**Lateral Dash** — Ralph DePasquale runs for a first down to the Clark 20 in the third period. DePasquale made two point-after attempts on the day and also had a 35-yard punt return.

**Protection** — Frank Fazzini gains four yards in the first quarter with coverage courtesy of Rich Vitiello and Carl Lordi. Fazzini, just a sophomore, had 38 yards rushing and some fine punts.

**Underpinning** — Clark's Jeff Molson tackles Lenny Mendola but not before the speedy Buc back has made it to the 16-yard line. Dante DeNotaris scored from the 3 several plays later. The touchdown gave Belleville a 19-17 lead, the game and the playoffs.

# Lancers keep pouring it on with 4-0 win in Rec soccer

The Lancers repeated as the Division I Rec soccer champions this year by posting a perfect 6-0 record, the last win coming against the Aztecs 4-0. Rich Moraski, Mike McGreevy, Vincent Padula and Luke Silletti placed the Lancers to their 14th consecutive victory under head coach John Seiera. Hazem Osman and Mike Sweeney played a good game for the losers.

The Division I Spurs finished in second place with a 4-2 mark by defeating the Toros 4-0. Steve Mulhearn scored two and Brian Rjordan and Giuseppe Giacomazzi one each for the Spurs.

The Division III Cosmos proved their excellence by coasting past the Spurs to their fifth win of the season 10-0. The clinching victory featured the scoring of Walter Capozucca who had four goals, Alexandro Araya who had three, and Steve Hywel. Christopher Chiaromonte and Raymond Zamloot had who one each.

The Division III Lancers finished in second place with a 4-1 mark by shutting out the Comets 6-0, with all the goals being scored by Joe Cerreto. The third-place Toros (3-2) nipped the Aztecs 3-2 in a game that was won in a shootout. Robert Ricci, Scott McDonald and Peter Russo scored for the Toros, while Anthony DiFabio and John Zazzali tallied for the Aztecs.

The Division II soccer league season ended in a three-way tie for first place which will be decided by a playoff following this week's single-elimination tournament. The Aztecs boosted their record to 4-1 by defeating the Toros 2-1. Keith Woods and Sal Woodcock scored for the Aztecs, while John Arrietta scored for the Toros. Bar Botta played a great game in goal for the Aztecs. He was assisted by defenders Mike Dandione, Phil and Russell Zamloot. The Cosmos shut out the Spurs 3-0 on goals by Lou Lucante, Joe Perna and Anthony Lunetta.

The Lancers III won their first game of the season, topping the Cosmos 2-1. Alphonse Schweer and Joseph Chafar scored for the winners. Greg Schmalz scored the first and only goal of the season for the Comets.

## Giants lead Rec football

The Giants of the Belleville Recreation Football League upped their league-leading record to 4-0 by overwhelming the Rams 41-19. Scott Doyle scored four touchdowns and Mike Dellacqua another. John Apicella caught a 50-yard touchdown pass from Dellacqua for the Giants' final score.

Standout performers included Carmen Fortunato, Sean Mulcahy, David Norton, Frank Zoppi, Sam Zamloot, Tim Coffey, Don Santangelo and Frank Viscido.

The Steelers scored 27 first-half points to beat the Dolphins. Mike Koylowski scored on a 55-yard run on a reverse play behind the blocking of Joe Mundy. Derek Lombard's block sprung Rickie Roselli loose for the Steelers' second score, and Koylowski added another touchdown on a five-yard run. The final TD was scored by Scott Hulley, following the blocking wall of Anthony Monticello and Mike Bruziches.

The league standings find the Giants 4-0, Steelers 2-1-1, Rams 1-2-1 and Dolphins 0-4.

## Over-30 basketball beginning Dec. 19

A men's, over-30, slow-break basketball league will begin play Dec. 19. Games will be held at the Junior High School Wednesday evenings.

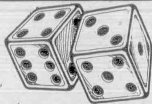

Each team's roster must consist of 60 percent Belleville residents. All players must be at least 30 by Dec. 1, 1979. Registered high school officials are used and there is an entrance fee to join the league.

Interested teams should contact the Rec Department at 759-3121.

## Knights sponsoring free-throw contest

Belleville Knights of Columbus Council 835 will sponsor a free throw contest Saturday, Nov. 24, at St. Peter's School gym, 155 William St.

Boys and girls 11 through 14 are eligible. Winners will receive trophies and prizes. For more information, contact chairman Ralph Wendler at 759-5422 or Grand Knight Frank Corbo at 751-4965.

# Frederick Jewell, 74; retired tow operator

A service was held last Friday for Frederick Jewell, 74, who died Nov. 6 at St. Barnabas Medical Center, Livingston.

Mr. Jewell was a tow motor operator for Walter Kidde Company here 27 years before his retirement 10 years ago.

Born in Newark, Mr. Jewell lived

# Frank Hunter, milkman, 83

A Mass was offered last Thursday in St. Mary's Church for Frank J. Hunter, 83, who died Nov. 5 at Clara Maass Memorial Hospital.

Before his retirement 18 years ago, Mr. Hunter was a milkman for the Alderney Dairy, Newark, 48 years. He was a World War I Army veteran.

Born in Kearny, Mr. Hunter lived in East Newark before moving to Belleville 55 years ago.

Surviving are a daughter, Miss Margaret of Belleville; a son, Frank of Stockholm; four grandchildren and four great-grandchildren.

The Kiernan Funeral Home made arrangements. Interment was in Glendale Cemetery, Bloomfield.

# Leo A. Biezewski; maintenance man

A service was held Oct. 20 for Leo A. Biezewski, 63, who died Oct. 17 at home following a long illness.

Mr. Biezewski was a maintenance man for Otis Elevator Company. He came to Belleville 25 years ago from his birthplace of Newark.

Surviving are his wife, Alice; a daughter, Mrs. Gail B. D'Antonio of Belleville; two sons, Robert J. and Lee A., both of Kearny, and three grandchildren.

Arrangements were made by the Wadsworth Funeral Home where the service was held with the Rev. Fred Long of Christ Episcopal Church presiding. Interment was in Glendale Cemetery, Bloomfield.

# Dorothy Batchelor; retired bank teller

A service was held Monday for Dorothy Batchelor, 73, who died last Thursday at St. Barnabas Medical Center, Livingston.

Before her retirement 10 years ago, Mrs. Batchelor was a teller for the Fidelity and First National State Banks of Newark 14 years.

Born in Tuxedo, N.Y., Mrs. Batchelor lived in Newark and Belleville before moving to West Caldwell 10 years ago.

Surviving are two daughters, Mrs. Barbara Rossetti and Mrs. Dorothy Harris, and six grandchildren.

Arrangements were made by the Gallagher-Hagelin Funeral Home, Caldwell, where the service was held. Interment was in Fairmount Cemetery, Newark.

# Hemophilia paper drive continues until Tuesday

The Junior Woman's Club of Belleville is conducting a newspaper drive now through this coming Tuesday. Proceeds from the recycling effort will be donated to the Hemophilia Association of New Jersey. The association is the 1979-80 state project of the New Jersey Federation of Woman's Clubs' Junior Membership Department.

Those wishing to save newspapers for the club may drop them at the home of Joanne Braniff, 378 Union Ave., or call her at 759-2534.

The Junior Woman's Club will sponsor a blood drive for hemophiliacs in conjunction with the North Jersey Blood Bank this January at the club's headquarters on 51 Rossmore Place.

PATRICK J. KIERNAN

**KIERNAN FUNERAL HOME**

(Non-Sectarian)

101 UNION AVENUE  
BELLEVILLE, N.J.

**759-3503**

in Belleville before moving to Basking Ridge three years ago.

Surviving are his wife, Dorothy; three sons, Frederick E., Gerald R. and Alan T.; three daughters, Mrs. Doris L. Horan, Mrs. Caroline Marone and Mrs. Sandra Miller; two sisters, Mrs. Edna Miller and Mrs. Dorothy Ruggieri; 19 grandchildren and four great-grandchildren.

Arrangements were made by the McCracken Funeral Home, Union, where the service was held. Interment was in Hollywood Memorial Park, Union.

# Florence E. Blauvelt; school secretary, 86

A service was held Oct. 13 in Fewsmit Memorial Presbyterian Church for Florence E. Blauvelt, 86, who died Oct. 11 at Clara Maass Memorial Hospital after a short illness.

Before her retirement 18 years ago, Miss Blauvelt was a secretary in the Belleville school system. She was a deaconess of the Fewsmit Church.

Miss Blauvelt came to Belleville 46 years ago from her birthplace of Bayonne.

A sister, Mrs. Henry Meyer of Belleville, survives.

The Wadsworth Funeral Home made arrangements. The Rev. Alfred W. Stone Jr. presided at the service. Interment was in Glendale Cemetery, Bloomfield.

# Mary Sammaro; lifelong resident

A Mass was offered last Friday in Holy Family Church for Mary Sammaro, 66, who died Nov. 6 at St. Joseph's Hospital, Paterson.

Miss Sammaro was born and lived most of her life in Belleville. Surviving are two brothers, Pat and Dominick, both of Nutley; two sisters, Mrs. Katherine Rossi of Rio Grande and Mrs. Josephine Heyeck of Pompano Beach, Fla.; 11 nieces and nephews, 16 grandnieces and grandnephews.

The S.W. Brown and Son Funeral Home made arrangements. Interment was in St. Joseph's Cemetery, Lyndhurst.

**Brighten your children's future.**

# Save energy now.

Our energy resources are not as abundant as we once believed. And we waste a shameful amount of it...in our homes, on the road, at our jobs. Unless we start using our energy wisely, right now, our children and their children may have to pay a heavy price for our thoughtlessness. So let's work together to make the most of our energy supply. Join other concerned Americans in the Alliance to Save Energy. Send for a free booklet called "How to Save Money by Saving Energy."

**ALLIANCE TO SAVE ENERGY**  
P.O. Box 7700, Washington, D.C. 20006

I want to help save energy. Send me your booklet.

# Reluctant planners approve Chandelier's parking terms

Continued from page one.

at length and later agreed to a 10-year lease with a five-year option to renew.

Planners were concerned at the outset of the case about the parking situation at the Chandelier which requires 99 spaces. Several years ago, Fucetola and Apiselli entered into a "gentlemen's agreement" under which Chandelier patrons were able

to park on the old A & P Store lot after hours. After the store was destroyed by fire in January, Fucetola sought to nullify the agreement, saying he was experiencing a "hardship" since he was unable to make profitable use of his property. All but two of the spaces required by the Chandelier were on the A&P property, so when Fucetola ended the parking agreement, Apiselli was

faced with a large problem, one that has also troubled planners and held up the Wendy's application for months.

Although the board went on record last week saying that it did not feel the lease and parking arrangement were "adequate," it approved the lease with the change to a 10-year pact.

"It was the best arrangement we could work out," Planner Joseph Doyle commented, explaining that the only reason he voted for the lease was due to the fact that the Chandelier was granted a legitimate certificate of occupancy Oct. 3. "If they still didn't have a certificate of occupancy as of today," Doyle said, "I would have been willing to excuse Mr. Apiselli from any parking arrangements."

Planners also questioned how a change in owners of either the Chandelier or Wendy's would affect the lease and conditions. After more discussion, the board agreed that if Apiselli loses ownership, the agreement will be nullified. If Fucetola loses ownership, the next owners must abide by the agreement.

In light of the past problems arising from the handshake entitled "a gentlemen's agreement," the board made it obvious that it was taking everything into consideration to head off similar problems in the future.

The 40 parking spaces will be designated for Chandelier patrons only after 6 p.m. and will be located at the south and west end of the Fabric Emporium. Only valet parking will be permitted.

Other requirements set by the board for the conditional use were documents showing that Fucetola has notified tenants in both Wendy's

and the Fabric Emporium of the parking agreement with Apiselli.

"We want everyone to know all these details ahead of time before a site plan can be discussed," Doyle said.

Wendy's property owners were invited to attend a special Planning Board meeting Thursday, Nov. 29, to present required documents and a final site plan for approval. The meeting was scheduled to hear the case for an expansion of the Belleville Public Library which could not be heard last week due to a procedural error in the application.

## Local worker finishes training in Maryland

Albert Chiappinelli of Wallace and Tiernan Company in Belleville has completed level three training at the Tooling Institute in Hanover, Md.

## Town turkey shoot scheduled Sunday

The annual town turkey shoot will be held 11 a.m. to 4 p.m. this Sunday at the pistol range, corner of Jorammon Street and Hoover Avenue. Men, women and children over 12 may participate. All children must be accompanied by an adult.

Entry fee is \$1. "Random luck" targets are used which means the numbers, on the target, cannot be seen from the firing line. Each contestant is given three shots, and the highest scorer in each flight of eight shooters wins an \$8 gift certificate towards a turkey at the Grand Union on Main Street.

A shot going clean into a numbered square scores that number but a shot breaking the line between two squares scored both numbers. A shot breaking the intersection between four numbers scores all four.

## Trustees hoping for calm meeting

Continued from page one.

meeting, adding "I have faith in what he (Romano) is doing, but we did have the public speak on this before."

Over the past months, trustees have come under pressure from many parents, citizens and local newspapers to open the closed restructuring committee meetings but Romano has refused.

Risoli said that meetings are closed to avoid frequent interruptions, misunderstandings and rumors which would hinder restructuring progress.

Romano was unavailable for comment Tuesday, but in sharp exchanges with Risoli Monday, he made it clear he felt the public already had a voice on the committee since two representatives from each school have seats on the body. Romano said the committee had deliberately not "come up with any conclusions at all" at this point and would simply be presenting results of its study for reaction from the School Board and public.

Trustee Ernie Zoppi, head of a restructuring subcommittee probing redistricting, consolidation and the neighborhood school concept, said "this committee wants to present a report to the public and board...a lot of people are saying we're hiding but we're not. The best thing is to present this report and show what we're thinking about...what we're working on and what we're doing."

Zoppi pointed out that state education officials have warned trustees of Belleville don't soon close schools, they will deny any future budget cut appeals.

"We have a board majority that's pretty open-minded...even though the restructuring committee is strictly advisory, they will look very close-

ly at the recommendations. We're looking for what's best for the child first, best for the system second and best for the town third. If we can solve our problem and do these three things, that's all we want," said Zoppi.

Zoppi said he hopes the Nov. 26 meeting is not punctuated by shouting matches. "I just hope the people will look at this interim report logically. Our committee has worked very hard in the past seven weeks," he added.

"The neighborhood school concept is going to die a hard death," said School Superintendent Dr. John Gred, head of a restructuring subcommittee. Gred noted that the closeness of neighborhood schools, eliminating the need to traverse long distances, makes them most attractive. "You can't blame the parents for wanting their children to go to a close school...there's great fear among Valley (section) residents about a loss of property value if schools close down there," he added.

## THE UNITED WAY IS A GIFT WE GIVE EACH OTHER FOR BEING HUMAN.

Sometimes it's not easy being human. Medical libraries are filled with diseases of the body and mind.

And, as if that weren't enough, we humans tend to create many of our own problems.

Drugs. Child abuse. Family squabbles. The list

goes on and on. Things we don't mean to do, but end up doing to each other and ourselves.

It's all part of being human, and all part of why there's a United Way.

The United Way is an organization devoted to making it easier to deal with the problems of being human. An organization dedicated to making humanity more humane.

And since each of us is responsible for keeping the United Way successful, it's like a gift we give to each other for being human.

A gift in the best of human traditions: sharing. Thanks to you.
