Seeking Fourth Term

Mayor Marotti formally declares his candidacy

By Eddie Capparucci

Mayor Michael Marotti became the first person to officially declare his candidacy for Board of Com-

Mayor Michael Marotti

mission election, scheduled to be held in early May.

The mayor filed his petition for candidacy last week at the township clerk office, just before he left on a three-day National Mayor's Conference held in Washington.

Marotti, who will be seeking his fourth consecutive term on the board, said in a telephone interview Monday he was too busy helping prepare the township budget to get involved in possible campaign issues at the moment, but said he would have comments about the political issues confronting the community and its residents after the budget is prepared.

"Right now I am really tied up trying to get together a budget to present to the public," Marotti said. "After the budget is prepared then I will be able to touch on the issues confronting us. But for the time being I have a budget to deal with, that is my main priority. The campaigning will have to wait awhile."

Marotti, who has served as mayor for the past eight years, was first elected to the board back in 1971, when he gathered 6,503 votes. In 1975 election, the Mayor received the most votes ever gathered by a political candidate in Belleville. He was re-elected to a third term back in 1979, once again leading the crowded field of candidates in votes gathered.

"It has been an honor to finish first in the voting for the past three elections," Marotti said in a recent interview, "and as long as the people continued their support for me, I will do the best job I can."

A lifelong resident of Belleville, Marotti worked on the township police department for 19 years, serving as a detective and head of the Juvenile Bureau. He was forced to retire from the force after winning a Commission seat in 1971, when a court judge ruled he could not serve both posts effectively.

Raised in the Silver Lake section of Belleville, Marotti has served his commission post as director of Public Parks and Recreation.

"Giving the kids of this community a chance to participate in athletics has always been my number one priority," Marotti said. "Kids need a chance to grow and develop, and taking part in recreation programs is a way they can do that."

Marotti has been active in many organizations and clubs throughout the community including: the Amvets, American Legion, Board of Education Athletic Council, Belleville Italian-American Association, Varsity Club and the Belleville Little League. Marotti has also been honored by the Belleville Chamber of Commerce and the Belleville Kiwanis Club for his contributions to the community.

Senatore improving after hospital stay

Released from Clara Maass Medical Center Monday, Commissioner Mary V. Senatore will require a few weeks of home rest as she continues to battle a bout with asthmatic bronchitis.

Mrs. Senatore, who was admitted to Clara Maass last Monday night, is now resting at home and according to her daughter is working her way back to health.

"She's feeling much better now," said Mrs. Rosemary Ciccone, who added her mother expects to be back to work in a week. Mrs. Senatore had not been

hospitalized since the birth of her daughter, 33 years ago, and expressed reluctance toward being admitted.

"She had been sick for two weeks at home and we finally convinced her to go into the hospital," said Mrs. Ciccone, after picking her mother up from the hospital Monday morning.

Mrs. Senatore, a member of the Board of Commissioners since 1967 and director of Public Works, is under the care of Dr. Leslie Miller and Dr. Dana Fortunato.

Kiwanis Presentation — The Belleville Kiwanis Club made a presentation to the American Cancer Society in memory of the two Belleville police officers who died on cancer last year. From (l-r) are, Police Chief George Lister, representing Commissioner Matthew Pica; Paul Pizzano, detective from Bloomfield; John Bruno, president of Kiwanis; Stanley Lesnik, president of county ACS; John Iannuzzi, board of directors; Pete Massa, NAPPD; Peter Falco, Bloomfield Police Department and Vincent Cosenzo, representing Mayor Michael Marotti.

Township crime numbers show a continual decrease

By Linda Telesco

According to a recently released Belleville Police Department report, the township's 1982 crime rate showed a marked decrease over the prior year's statistics.

"The statistics are down in most areas (of crime)," said Police Chief George Lister, emphasizing the hard line efforts resulting in over 200 arrests for drug-related offenses, a major focus of the department in the past year.

Moreover, Public Safety Director Matthew Pica noted a direct correlation in the increase of drug arrests and the decrease of crimes such as larceny, auto theft, and break and entry.

"If drug offenders are apprehended, they won't be free to commit those other crimes for the money they need to buy drugs," he said.

Pica also noted that Belleville's declining rate in drug activity "goes against the national trend," and he attributes local success to community and police efforts. "We tried to cut corners elsewhere to avoid reducing our manpower," he added.

According to a three-part report prepared by Captain Raymond Kimble, 272 drug arrests were made last year showing a significant increase over the 163 arrests in 1981.

"We formed a special squad to deal with the drug problems here,

particularly from the narcotics activity in Newark's North End which spilled over into Belleville," said Lister.

Operating from last January to June, the squad made 75 percent of all drug arrests the chief noted.

The number of drug charges also rose to 346 from the prior year's 220.

Major gains were made in possession of marijuana and hashish charges which increased to 129 in 1982 from 69 the year before.

Possession of cocaine charges nearly doubled from seven to 13 and slight gains were made in charges for possession of heroin, codeine, and

Hickey retiring as library director

By Eddie Capparucci

Gerard Hickey, director of the Belleville Public Library, has announced this week he will be retiring from his office effective July 1.

Hickey, who served as assistant director of the Belleville Library for three years, was named director in 1972, replacing Ben E. Grimm.

"I really hate to see him go," said Mayor Michael Marotti about Hickey's retirement plans, "but you really can't blame him. He probably wants to enjoy life to the fullest point. We really will miss him here in Belleville, he has done a wonderful job."

During Hickey's tenure, the Belleville Library underwent a major structural change, when a 4,320 square-foot addition was built back in 1980 — an addition which Hickey helped make possible.

"The addition of library really started taking shape when Ben Grimm was the library director," Hickey said during an interview in his office. "Grimm kept putting state money aside each year in an escrow account, hoping that one day an addition could be built on

the library."

Hickey went on to explain the addition would have remained a dream, if it were not for help from Mayor Michael Marotti and the Board of Commissioners.

"Back in 1979 some legislators started complaining that libraries throughout the state were putting their state funds aside each year," Hickey said. "A ruling was later passed telling library officials that they must use the funds received within a two-year period or the amount of money for the following year would be reduced. The state also said plans for escrow account funds would have to be developed and submitted."

"We then went to the Commissioners and told them the situation, and they agreed to match the money we had placed aside for the addition," he continued, "but we still came up short on the funds needed for the addition and the Commissioners later gave us the additional money we needed for the project."

A graduate of Fairleigh Dickinson University, Hickey later attended St. John's Univer-

(Please see 'Gerard' on page 5.)

14 Years of Service — Gerard Hickey, who announced this week he is retiring as director of the Belleville Public Library, sits behind the desk in his office. Hickey first started as assistant library director in Belleville in 1969.

Commissioners Plan Fight

68 percent increase announced by PVSC

By Linda Telesco

Mayor Michael Marotti said this week that the township will fight a \$450,000 increase announced by the Passaic Valley Sewerage Commission — an increase which is 68 percent higher than last year.

Belleville is one of 18 communities in Essex, Passaic and Bergen Counties, which have been billed substantially higher rates this year by PVSC, and Mayor Marotti says he and the other commissioners have had enough.

"We just cannot believe the cost of the bill sent to us by officials at the Passaic Valley Sewerage Commission," the Mayor said. "Here we are trying to cut back and tighten our belts and then we get hit with a bill like this. At the present moment we want to sit down with them and find out where they came up with these figures."

In 1982 Belleville paid \$657,965 in sewerage cost to the PVSC. This year the bill calls for 68 percent increase to \$1.1 million. Officials at PVSC blame the increase on an underestimated cost of industrial usage

in 1982, a cost which will be absorbed by the industries using the facilities.

"A question I would like to ask the officials at Passaic Valley is how did they read the meters last year, and then find themselves way off base of the actual cost," Marotti said. "They are going to have to explain this one to me because I cannot figure it out."

According to Finance Director Joseph McGreevy, industrial users will feel the increase, while residential customers see only a 6 or 7 percent rise in their sewer bills "almost equal to last year's."

McGreevy explained after the last Commission meeting that PVSC sent estimated bills based on letters of inquiry mailed to all direct users which, he said, are mostly industrial.

"The estimates came in real low," he added, but predicted the whole thing would "level off next year."

However, Mayor Marotti doesn't want to wait and see, particularly since the municipality pays the tab, then bills the user companies.

(Please see 'Commissioners' on page 5.)

New affiliation for realtor firm

Ron DePiro, a resident of Belleville and president of DePiro Inc. Realtors, announced his firm's affiliation with TRANSLO (Transfer Location Corporation), a world-wide

referral network of independent realtors specializing in residential properties.

According to DePiro, TRANSLO members represent more than 1,000 real estate offices, with 12,000 sales associates, in 3,500 metropolitan-residential communities in the United States and Canada.

"TRANSLO is recognized within the real estate industry as an outstanding referral and relocation organization," he said. "Our affiliation with TRANSLO will enable us to better serve home sellers here by working with an increased number of transferees seeking to purchase homes in our city."

DePiro Inc., Realtors is located at 85 Franklin Ave. and services residential properties in Belleville, Nutley, Bloomfield and Glen Ridge as well as land and new construction throughout New Jersey.

Govel Realtors sell Mill Street building

Govel Realtors of Belleville has negotiated the sale of a 26-unit garden apartment complex at 200 Mill St. in Belleville.

Ralph Giordano, executive vice president of Govel Realtors, negotiated the sale of the building to Resna Associates, a Randall Township partnership. The sellers were John and Ann Dvorak.

The all-brick garden apartment complex was sold after an intricate financing arrangement with Spencer Savings and Loan of Garfield was successfully negotiated by Giordano. The sale, in excess of \$650,000 was cash in addition to a purchase-money mortgage taken back by the seller and a higher-rate assumable mortgage.

"The complexity of this particular transaction illustrates the pivotal role an experienced real estate broker can — and does — play in completing a sale to the satisfaction of all parties involved," Giordano said. "The role experience plays in such transactions is especially crucial today when there are so many financing options available to real estate buyers."

The 200 Mill St. garden apartment complex, which consists of one and two-bedroom air-conditioned apartments, is located within close proximity to public transportation and all shopping.

Giordano views the sale as further indication that the Belleville market is on the upswing. Within the last three months alone, Giordano has taken contracts on five major buildings in this Essex County community.

"The significant activity in the Belleville market can be attributed to a number of factors, not least of which is a more responsive attitude on the part of banks and financial institutions," Giordano notes. "Because of the high number of first mortgages banks are now holding at eight and nine percent, and the negative impact these low rates are having on the lending institutions, banks today are especially willing to permit a buyer to assume the seller's mortgage at a higher rate. This, in turn, has opened up the market considerably."

Referral service elects Gerda Blau as trustee

Psychotherapy Information and Referral Service, Inc. (PIRS) recently elected Gerda Blau, a licensed clinical psychologist to its board of trustees.

Mrs. Blau is principal psychologist at the Essex County Guidance Center responsible for diagnostic supervision of interns in the state training program of psychologists. In addition, she is supervising psychologist at the Rabbinic Center for Research and Counseling in Westfield and is a member of the Human Potential Services in Montclair where she maintains a private practice.

According to Mrs. Blau, "Psychotherapy Information and Referral Service fills a most vital need in the community. I am looking forward to my participation as a member of the board."

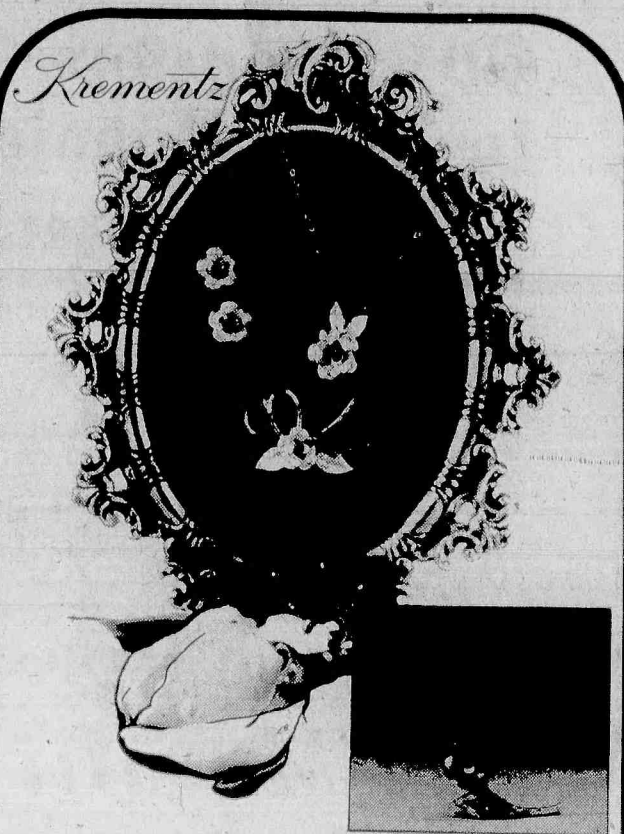

Mrs. Blau was a medical student at the University of Berne, Switzerland and has her MA in psychology from the New School for Social Research in New York. She is a member of the New Jersey Psychological Association and the National Register of Providers in Psychology.

PIRS is a private, non-profit mental health and educational service dedicated to promoting excellent psychotherapeutic care. Its professional staff helps people make informed choices in selecting an appropriate counseling service and a suitable therapist.

It provides information about the wide variety of treatment approaches

available and the special qualifications and licenses to inquire about. PIRS provides speakers for interested groups and offers referrals from a carefully screened Professional Registry. Its services are provided free of charge.

PIRS is a statewide organization with offices in Madison and Stanhope. The service is listed with the United Way of Morris County. Telephone inquiries regarding PIRS can be made weekdays from 9 a.m. to 5 p.m. by calling 347-2270. All inquiries are handled confidentially by a professional staff member.

An aggregation of germs in the body may be likened to a human city. The only difference is in the rapid growth of germs. Otherwise, they eat, drink, reproduce, compete and defend themselves like a human city. They also pollute. Usually, the body acts to combat the poisoning and pollution of germs. When the germs are able to spread beyond a localized area, the infection becomes a general disease. Most likely, an antibiotic is called upon to either stop the reproduction of the germ cell or kill the germ. The dosage of the antibiotic depends upon germ sensitivity and the patient's predisposition to side effects.

Feel free to call us if you are concerned about the dosage of a prescription drug. We're here to help you in every way possible at ROSSMORE PHARMACY, 338 Washington Ave., 759-1968, 759-1956. We are Medicare and Blue Cross approved. For Valentine's Day see our selection of Russell Stover candy, greeting cards, Timex watches, cameras and film. Hours: Daily 9am-10pm, Sundays 9am-9pm.

School Officials Look to Educate Students

Belleville has low teenage pregnancy rate

By Marianne Lombardi

Pregnancy is the number one cause of dropouts among females in high school according to a public-affairs pamphlet article entitled, "Teenage Pregnancies — What Can Be Done About It," published in 1981. But teenage mothers gave birth to a very small percentage of Belleville's new births last year, according to a local official.

"Of the approximate 100 births to Belleville residents, last year, I estimate teenage mothers averaged one a month," said Ralph Risoli, township registrar. And one high school official says he can recall only six cases of pregnant teens in the past five years.

When teenagers do become pregnant, home instruction is available for those electing to leave school, but wish to continue their education. However, Belleville High School Principal Michael Lally cited only one case where a pregnant teen selected home instruction.

"Once a student becomes pregnant and her peers are aware of her physical condition, she usually leaves school," he added.

Lally believes a school should offer as much assistance to students as possible in all areas, social, as well as educationally, regardless of their physical condition.

Incorporated in the health education curriculum at BHS are units relating to pregnancy and birth control. Guest lecturers are featured along with various forms of literature and films to illustrate the seriousness of the issues.

"Students don't realize the potential problems teenage pregnancies entail," said Alfred Lobalbo, BHS physical education and health department director. "We try to make them aware of the economic and social problems surrounding pregnant teens."

"I really don't think the students understand how serious the situation is until they are taught and I have found they are very receptive and inquisitive to this type of education," Lobalbo said.

According to the Public Affairs pamphlet, "One of every five sexually active teens becomes pregnant within a month of her first sexual experience," while approximately 90 percent of pregnant teens who do elect to have the children, decide to raise them, according to the 1981 October issue of U.S. Catholic.

Teen mothers deciding to keep their child may obtain pre-natal care counseling at the Public Health Department. After a child is born information on infant care is available through a Child Health Care Conference conducted by the nursing service in the health department. The program includes printed literature, films and group instruction pertaining to infant care. The town also offers free immunization and examination for resident infants.

Due to the sensitivity of the issues involved, school officials have refused to comment on the recent "Squeal Rule" scheduled to go into effect on Feb. 26. It will require birth control facilities receiving funds from Title 10 of the Public Health Service Act, notify by certified mail the parents of any minor applying for prescriptive birth control.

According to Ann Levine, director of public affairs for Planned Parenthood Affiliates in New Jersey, the service experienced a substantial drop off in teens coming to the facility when the regulation was in proposal stages.

"Basic health risks are involved here," said Levine, who believes the implementation of such a regulation will result in a lot of unwanted pregnancies among teens.

"Most parents view Planned Parenthood as a 'promotive force of sexual activity,' however, most parents are not aware that most teens are sexually active at least six months prior to approaching our service," Levine said.

Regional Council stopping pollution

By Marianne Lombardi

Air pollution has become a daily occurrence in most local communities — where officials are not only concerned with industrial violations — but abuse to the air on a residential level as well.

Through federal and local funding, the Suburban Regional Health Council was formed in 1967 to investigate air pollution complaints in the suburban Essex area. Belleville joined the commission in 1971, alleviating the burden of developing a local air pollution control program from the local budget, an obstacle that hindered previous efforts to control air pollution.

"The Regional Commission provides better control of air pollution in Belleville because it regulates pollution in neighboring communities as well," said Belleville Health Officer Thomas Longo.

Staffed with trained inspectors and equipment, the commission investigates open burning, excessive smoke emissions, apartment house incinerators and general nuisances such as dust in the air.

"Basically, most of our problems in Belleville concerning air pollution come from odors created by industry," Longo said.

Additional commission members include Nutley, Bloomfield, Union, Irvington, East Orange, and Orange. Each town is represented by a seat on the commission's board which is responsible for the agency's budget, personnel management and other administrative matters.

Valentine social set for Feb. 12

Gabe Nazziola

Civic leader Gabe Nazziola has once again announced his candidacy for the Board of Education. This will be Nazziola's second try. Last year he made an impressive run, finishing behind incumbent Charles Miele.

Nazziola has been involved in various educational support groups for many years. Like most of us, he wants the best quality of education for students at a minimum cost. He has been active in the Belleville Music Parents Association, Belleville Blue and Gold Halftimes, and several other groups identified with the Belleville school system.

Nazziola was recently appointed by the New Jersey

Department of Community Affairs to the Belleville Redevelopment Agency. He has studied at Stevens Institute of Technology and Perdue University.

Nazziola meets the test of community interest as well as the high standards required of a School Board member. We believe his election will maintain the high quality of our school system.

Frank A. Orechio

Commission Election

In May Belleville voters will elect five commissioners to serve another four years.

Last week two active citizens announced their candidacies. Mike Pizzi and Joseph Fornarotto ran four years ago, made excellent showings and can be expected to be stronger in 1984.

Fornarotto has been a Commission critic. Pizzi is circumspect in his criticism of the Township Commission.

Fornarotto complains of money being wasted in the operation of town government. He wants to donate his Commission salary to a deserving boy or girl.

Both Pizzi and Fornarotto target Washington Avenue as an example of community

stagnation. Pizzi compliments the work of the Belleville Redevelopment Agency which is concentrating its attention upon the rebuilding of Washington Avenue. Fornarotto says that Washington Avenue has been a political issue for 12 years and nothing has been done to correct the problem.

If all five incumbent Commissioners decide to seek reelection, the Pizzi and Fornarotto candidacies will insure a hot, contested election.

Catholic School Month

February has been designated as Catholic Education Month, highlighting the contribution the Catholic school system makes to our society and taxpayers.

Catholic schools throughout the nation save taxpayers hundreds of millions of dollars annually. Because our constitution requires separation of state and religion, Catholic schools must be funded by parents of students.

A little religion never hurt anybody. Surviving in today's world requires a great deal of effort. Faith built upon the existence of God has no equal. Religious education should be encouraged, regardless of the religion. Since February has

been designated Catholic Education Month, the current focus is on Catholic schools. St. Mary's and Holy Family schools serve the Belleville and Nutley communities. They stand as pillars of moral strength, primarily on the borders of both communities. We pause in our daily labor to commend the leaders of these institutions and their staffs for the quality of life their institutions have contributed to both Nutley and Belleville.

Letters in print

Times' sports section receives some boos

To the Editor:

I read, with interest, a letter printed on the editorial page in your last issue regarding freshmen and jayvee sports. Unfortunately, I found myself in agreement with the author. Therefore, out of curiosity, the first section turned to in this week's paper was the sports section. There I found excellent articles on the recreation leagues, and in Mike Lambert's column, mention of our bowling team, which I doubt many townspeople knew existed, and in addition,

mention of the freshman and jayvee teams. Good job Mike — Plaudits as well to Anthony Pascerchia for remembering the frosh and jayvee teams — The "Boo Award" of the week goes to Dino Ibello who, come to think of it, never mentions the wrestling frosh and jayvee teams. For shame, for shame. It's my understanding they are having a super season — with the jayvee team having a record of 8-0. Worth mentioning, don't you agree?

Name withheld by request

Recreation department aiding wrestling squads

To The Editor:

I recently learned why Belleville has over the years had so many successful wrestling teams. The answer has a lot to do with what amounts to the existence of a 'farm team' system which begins at a very early age with the Belleville Recreation Wrestling. Through the support of the Recreation Department under the direction of Mayor Michael V. Marotti and the assistant superintendent of recreation, Dennis P. Buckley, our young boys have the opportunity to gain a few years edge of wrestling experience before they reach the high school wrestling team tryouts.

I have had the pleasure of watching these youngsters in competition. Believe me, we can be very proud of the way these boys perform. Much to the credit of the two coaches, Joe Nisivoccia and Louie Riccardi, it is obvious that they are teaching the true essence of sportsmanship. Win or lose, with the glow of winning on their faces or the temporary embarrassment of defeat, from the little 60 pounders to the heavyweights, each boy promptly and proudly walks across the mat to the opposing team coach and shakes his hand before returning to the sidelines to the handshakes and supportive comments of his fellow teammates. Clearly, the simple fact of having participated as a member of 'the team' is given as high a priority of recognition as winning.

I would be remiss if I did not also comment on the very positive effect that the delivery of the team sweatsuits by Mayor Marotti just before the West Essex match had on the team's morale and performance. Hat off to Mike!

There is one concern I must make note of in the hope that someone in our school system will make the move to rectify, because it deals with the safety of these young wrestlers. Due to some conflict in scheduling by the Belleville Adult School, the recreation wrestling team must hold its practices in the

cafeteria at the high school. Though the mats are stored there in storage sheds, it necessitates the services of a custodian to fold up the combination table-seat units on one half of the cafeteria and push them over to the other half of the cafeteria to allow the mats to be rolled out. More often than not, the other half of the cafeteria is being used at the same time for various group meetings which causes chaos due to the level conflict.

The safety problem that is created involves the danger these wrestlers are exposed to in injury because the mat edges are within two feet of the windows on one side and within two feet of the sharp edges of the mat storage sheds on two sides. It's bad enough during practices, but when they are forced to use these tight quarters for competitive matches, there are too many close calls. Spectators, both visiting parents and hometown parents must either sit on the radiators and lean against the windows or stand around the mat edge or climb up on top of the storage sheds to watch the matches.

When we go to other schools for scheduled matches, they provide a gymnasium, there are seats for spectators and the dangers of improper and undersized quarters are non-existent.

It seems to me the simple answer is to have the aerobics class (with limited amount of participants) of the adult school which has for some reason taken priority over the usage of the gymnasium, move into the cafeteria, which is more than adequate size to meet their needs. The mats can be moved into the gymnasium on the rolling carts available to custodians and let the children of taxpayers use the gymnasium they pay for with their tax dollars. Thereby, allowing them to continue to engage in this wholesome exposure of sportsmanship at a level of safety they justly deserve.

Respectfully submitted,
Gabriel A. Nazziola

Moose Club officers' meeting — 22-28 Eugene Place.

6:30 p.m. Board of Commissioners (conference session, open meeting but with no public participation.) — Town Hall.

Golden Comments

By James R. Golden

Doughty Kevin Kennedy, a young strapping local Irishman, was the first Belleville man to take out petitions to run for election in the May 10 commission election. Few knew the forms required for filing were prepared when he appeared at town hall inquiring how he could become a candidate.

Discussion with the brash Irisher about his motivation in running for this high local office, we were impressed with his determination to let the citizens and voters learn his views about what improvements he feels are required to correct, what he considers, abuses by some political officeholders that rattle his conception of what efficient, economical local government should be.

When asked to enumerate some of these alleged transgressions; He remained taciturn, suggesting we wait until the campaign gets underway. He implied that he would conduct a bare knuckles type of campaigning with no holds barred.

Confronted with the grandiose display of local newspaper publicity "buildup" of the incumbent local commissioners and what appeared an editorial endorsement of their reelection; We sought his reaction to this.

Undaunted and unmoved by what he labeled newspaper "window dressing" designed to keep "old friends" in office; Kennedy dismissed the influence of what he called a local paper that accepts tradition and don't want to make any waves that might bring about a change not to its liking.

He cited the many times the candidates backed by the local media press failed to win elections, claiming that often its support is the "kiss of death" and that he'd be glad to be without its support. He said he would send prepared statements to the papers, but, if they were not printed in the paper, he would charge discrimination and a ploy by the management to keep in the good graces of the old guard politicians that have run things so long in town.

We don't know how successful this intrepid Irish strapping may be in the impending town election, but, we do admire his hubris and self-confidence. Good luck.

For any of those who may have been reading about the severe curtailment of local bus service in Essex County, as pointed out by Ralph Lombardi, president of Local 819, of the Amalgamated Transit Union AFL-CIO, especially in Essex County of New Jersey, by N.J. Transit; It should be gratifying to recognize that the dedicated work of Belleville Commissioner Vincent T. Strumolo's persistent opposition to bus service elimination of bus routes and reduced service on remaining lines has had a tremendous affect upon Belleville's being spared much of this reduction in local bus service.

The persistent role played by Commissioner Strumolo in his militant fight to prevent the loss of service on the well traveled route 112 Union Avenue line would alone attest to the great contribution he has made in preserving modified service on that route, an achievement no other community seems to have accomplished, to date.

Were these credentials not enough, let us advise you, of the personal correspondence from A.F.L., Local 819 Amalgamated Transit Union President Ralph Lombardi's commendation to Commissioner Strumolo's participation in best promoting the public's transit interests in providing adequate and safe satisfactory public transportation service to the residents of Belleville and all of Essex County.

Not enough can be said for the deep concern Commissioner Strumolo has devoted to the continued adequate and reasonable transportation tariffs to be made available to our Belleville users of public transportation facilities.

Commissioner Strumolo has stood out as a pillar of strength in defiance of the high-handed N.J. Transit Corporation's attempt to rule the roost over municipal transit controls of bus regulations affecting municipalities which once retained a strong voice through the State Public Utilities Commission deliberations in making their decisions, which, regrettably are no longer required.

We strongly recommend that the powers of the State Public Utilities Commission be restored to protect the salutary best interests of New Jersey consumers, otherwise, we'll all be "ripped off," it would be assumed.

Belleville's past

By Eddie O'Neil

"Eddie" O'Neil again folks, before I start my next subject which will be Indian trails and turnpikes, I want to say something about "The Monad" of Belleville High School. It was the official paper of Belleville High and was published by the students every month. The first one ever printed was on March 16, 1920. Miss Underwood, a Belleville girl and a teacher at Belleville High was one of the faculty advisors. The Belleville Historical Society has the Monads from the 1920 and 1921 years. Here is the first page of the first Monad ever edited.

The 1983 girls' basketball team has had a tough week in losing to Paramus and Paterson Eastside but if it is any consolation to them, on Feb. 18, 1920 the Belleville High girls' team lost to Nutley 22-14.

It's title "The Monad" is that of the emblem of the school itself and was chosen by popular note of the student body.

The insignia of the Monad is the oldest emblem in the world, antedating the triangle, the keystone, the maltese cross or the star. Its interior design is interpreted to mean the two sexes equal and its circular boundary the unity of the spiritual atoms that compose the universe. During World War I the Monad was the familiar shoulder emblem of the Blue and Gray Division typifying that there was complete unity of the northern and southern sections of our country.

To the people of Belleville High School the Monad sign meant the equality of all and the unity of purpose of the whole student body towards higher things.

I don't know in what year they stopped the monthly publication but the Monad was still going when I graduated in 1932. Sometime later the Monad was changed to a yearbook that came out just before graduation.

The Belleville Historical Society plans to have all the Monads on display at their headquarters, 155 Main St. sometime in the near future, the date will be announced in this column, so stay tuned.

Nutley Little Theater opens another bright comedy, "Community of Two"

By Michael C. Gabriele

Nutley Little Theater opened its production of "Community of Two" last Friday evening at the NLT Barn and the result was a bright, successful comedy. Despite some slow moments during the first act, the play held its stride and delivered an entertaining evening of humorous situations as well as solid performances from the various players.

The play, directed by Joyce Getting — one of the theater's leading residents and contributors — involved the comic plight of recently divorced Alix Carpenter (Betsy Newberry), who has been locked out of her New York City apartment. Michael Jardeen (Ray Dreeman), himself a three strike-out victim of marriage, attempts to capitalize on the situation with various suave advances, hoping to lure Alix into his apartment which is just across the hall. A parade of visitors brave a raging city blizzard drop into the dilemma, causing further complications.

The play was built around the lead duo of Newberry and Dreeman. The two teamed well in the many exchanges of comedy, providing much of the play's charm.

Newberry recently made her NLT debut as a strong supporting character in the production of "Lou Gehrig Did Not Die of Cancer." In this play she took on the lead assignment and demonstrated her full range as an actress. Her energetic style endeared her to the audience as she was in command throughout the performance.

Dreeman also appeared in the last NLT evening of one-act plays in a supporting character role of a zany electrician. He, too, was successful in meeting the challenge of a lead character role. Dreeman's calm, understated manner complemented Newberry to form an enjoyable comedy combination.

Jim Cort gave a splendid performance in the supporting role of Robert Carpenter. Cort's polished

comic charm, stage presence and timing greatly enhanced this production. During the past two seasons Cort has been NLT's consistent stand-out male performer in light comedies and British farce. His work in this role continued to reinforce that notion.

Leon Cohen also provided a strong supporting character performance in his brief stint as the helpful locksmith Mr. Greenberg. Cohen was most confident in his role in what was, no doubt, his best acting to date on the NLT stage.

Janis Falk Sullivan as Olga supplied a burst of energy in act two as the eccentric ex-lover of Michael Jardeen. Her outrageous appearance as a Skandinavian anthropologist in a fur coat helped to fuel the comic sparks. Amanda Getting and Jack Fellers were most definitely two runaway hippies who happened to walk in on the confusing antics of these older, more mature folks. Someone from the Summer of Love years apparently was generous enough to donate their most authentic groovy threads.

Director Joyce Getting chose her cast well and furnished many comic situations and conflicts, which resulted in many laughs for the opening night audience. While the play lagged in the middle of the first act, the production had the drive to maintain confidence and right itself in act two.

Another clever and highly functional set design was concocted by Tom Cort. Cort has made a habit of quality production work for NLT in recent seasons, much like the work his brother has done on stage. Hey, you know something, those Cort boys are Okay. The centerpiece of his set creation, quite literally, was an ingenious elevator door, from whence all actors sprang.

"Community of Two," written by Jerome Chodorov, was aptly set in the dead of winter, giving local audiences an entertaining interlude

from the current mid-winter blues. The comedy continues tomorrow and Saturday nights at 8, and a special Sunday matinee at 3 p.m. Performances will also be held February 11 and 12. For ticket information call 667-5492. Nutley Little Theatre performs at the NLT Barn on Erie Place, adjacent to Yantacaw School, just off Brookfield Avenue.

Community of Seven — The seven performers in the current NLT production of "Community of Two" smile for the camera. Pictured is Janis Falk Sullivan, Betsy Newberry and Amanda Getting (front row, l to r); Ray Dreeman, Leon Cohen, Jim Cort and Jack Fellers (standing, back row). For ticket information call 667-5492. The play continues tomorrow and Saturday nights and Sunday afternoon.

Gerard Hickey retiring as local library director

(Continued from page one.)

sity. After working in the advertising department of Whitehead Metal Products, where he was in

Commissioners fighting hike by PVSC

(Continued from page one.)

"What if the companies decide they will not pay their bills? Then we will have to take them to court," he continued, fearing that if companies failed to pay their bills, "the hike by Passaic Valley would result in an increase of 10 tax points.

Marotti said he will join the 17 other communities and fight the PVSC hike. "We have no choice but to fight the hike increase. Over the years PVSC has done nothing but continue to increase its cost to Belleville and other communities as well."

Under the new billing system of PVSC, some communities face a similar increase while others are seeing a rate drop.

"Belleville is the biggest loser," McGreevy had said, noting the township's 68 percent hike is the highest of any other municipality.

Montclair shows a \$300,000 increase; Glen Ridge, \$41,000; Bloomfield, \$210,000 and Orange, \$260,000. Nutley is the only Essex County community to experience a rate decrease.

"What they (PVSC) are doing is turning many of the communities against one another," Marotti said. "Some towns have experienced an increase and some a decrease, to me, something is not right."

charge of a small special library, Hickey served as school librarian at Kearny High School for three years. He then served as library director at the North Arlington Library, before coming to Belleville in 1969 to take over the assistant director post.

Hickey also found himself getting involved in activities throughout the town. Back in the early 1970's he helped to rejuvenate the Belleville Historical Society.

"I first became interested in local history when I worked in North Arlington," said Hickey. "Here in Belleville I took part in a move to re-activate the society, which was formed in the early 1960's. During the early 70's we had over 200 members in the society."

During his years of serving the community, Hickey pointed out the strong support Mayor Marotti gave the library.

"Mayor Marotti was always very cooperative in trying to help the library," Hickey said. "He was always willing to listen to our problems and needs and willing to lend a hand if possible."

Library officials will start interviewing possible candidates for the director position soon, but replacing Gerard Hickey will be no easy chore.

"Gerard Hickey always had the best interest of the people of Belleville in mind," said Marotti. "He was always very cooperative with me and the rest of the Commissioners. We just let him run his own show at the library. He always did a great job, and he will be missed."

Township crime figures show decline

(Continued from page one.)

synthetics.

Also in 1982 there were 11 arrests for sale of narcotics, an increase over seven in 1981.

In the comparison of other serious crimes reported, police indicate a drop in all categories except assault which listed 224 cases in 1982, up from 199 in 1981.

Commenting on that category, Chief Lister explained, "Assaults are tricky because a number of cases occur indoors, possibly from domestic disputes, and can't be prevented by police."

However, 80 percent of those cases, both adults and juveniles, were cleared by arrest.

A significant decrease in incidents of larceny and break and entry was especially reported by officials.

Break and entry decreased by 12 percent over the past two years from 421 cases in 1981 to 374 in 1982. Although the report shows only 19 percent of last year's cases cleared by arrest, Commissioner Pica explained that sometimes several incidents are cleared by one conviction.

Cases of larceny dropped from 911 to 797 with 35 percent of the

1982 incidents cleared by arrest. Pica attributed the decrease to effective Neighborhood Watch programs, cooperative efforts with neighboring communities and "having the man in blue patrol streets as a visible deterrent."

Other decreases were in cases of the following crime categories:

BHS guidance office holding late hours

During the month of February and March the guidance department of Belleville High School will be open over the dinner hour on a weekly basis. Appointments may be made in advance by calling 759-4338. The last appointment may be made at 7 p.m.

The office will be manned by the following counselors on the dates indicated: Feb. 8, Mr. Cafone and Ms. Candiloro; Feb. 15, Ms. Herelick and Mr. Kennelly; March 1, Mr. Esposito and Ms. Williamson; March 16, Dr. Benninger and Ms. Candiloro; March 29, Ms. Herelick and Mr. Kennelly.

Atrocious assault and battery, 1981-45, 1982-32; robbery, 1981-46, 1982-40; auto theft, 1981-340, 1982-276; and rape, 1981-4, 1982-0.

Statistics show an increase in arson cases from one in 1981 to four last year. Pica suggested, however, the numbers reflect better detection of cases resulting from the recent establishment of a special arson investigation unit among local firefighters.

The report of the juvenile division indicates only a slight rise in number of cases involving youths with the 1982 figure at 351, up from 348 the prior year.

Of those incidents last year, 274 were attended to without recourse to juvenile court, 169 were cleared in the Juvenile Department, and 182 taken to court.

Arrests were up also over the previous year with reports indicating 887 adults arrested last year as compared to 624 in 1981. Also, 726 juveniles were arrested in 1982, up from 496 the previous year.

Commissioner Pica said drug control will remain a major priority in crime fighting this year. "We're lucky to have a force (of policemen) that work well and with pride," he added.

Religious viewpoint

Remains of Seven Wonders

By Rev. Robert Paul

There is very little remaining of the so-called "Seven Wonders" of the ancient world.

The only remains of the tomb of Mausolus, built in 350 B.C. are now exhibited in the British Museum.

The Temple of Artemis at Ephesus, once the center of the fertility cult of Diana, was probably destroyed in A.D. 262 by the Goths. This was about 200 years after the city was visited by St. Paul, the Apostle.

The Hanging Gardens of Babylon grow no more. They adorned one of the world's spectacular cities during the reign of Nebuchadnezzar. Babylon's ruins have been found on the Euphrates River, about 55 miles outside of modern Baghdad.

The magnificent statue of Zeus once stood 40 feet high in the city of Olympus where the Olympian games were held every four years. During Byzantine times, plunders dragged off and burned the huge statue.

Near Alexandria, Egypt, King Ptolemy's famous lighthouse built 200 feet square at the base, crumpled during a 14th century earthquake.

The Colossus of Rhodes met the same fate in the year 224 B.C. It was originally a giant 100 foot statue of Apollo that spanned the harbor on the Isle of Rhodes.

Only the pyramids, built before the time of Moses, have survived the ravages of time. They were built as tombs for the Pharaohs who fully expected to be revived after death. Yet, according to recent investigation they are found to be in need of much repair.

Personally, I am inspired by these seven wonders every time I visit the Empire State Building in New York City, and see a representation of them in color.

Not so with the Word of God, the Bible. We read, "Heaven and earth shall pass away; but my words shall not pass away." (Mark 13:31) The writer to the Epistle of Hebrews tells us that "Jesus Christ the same yesterday, and today and for ever." (Heb. 13) Moreover God's promises are just like himself, they do not change and go into decay, so fear not to trust the Lord Jesus Christ, and thou shalt be saved, and thy house." (Acts 16:31) Believe that He loves you and died just for your sins, and was buried and raised again for your justification. (Romans 5:1).

Suppertime talks — Matthew

By Russell Roemmele

The Beatitudes are the most beautiful — and toughest — words of religion ever written. Matthew's gospel does not make Christianity easy. There is no way out, after the Sermon on the Mount:

"Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake."

And, if to reinforce even Jesus, Matthew later adds:

"But I say unto you, That ye resist not evil: but whosoever shall smite thee on the right cheek, turn to him the other also."

And:

"But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you. . . for he maketh his sun to rise on the evil and on the good, and sendeth rain on the just and on the unjust."

Matthew's Jesus does not compromise. Love is everything. Mat-

preached Christ crucified. This is not to say that Paul compromised, but the letters to the Romans and the Corinthians are not alike the Beatitudes that Matthew revealed.

Years ago, I heard Dorothy Day, the modern day saint of the Catholic Worker movement, say that the gospel of Matthew is the only Christian way of life. Later, about 30 years ago, I lived briefly in Glen Gardner with a group of pacifists and radicals, Dave Dellinger and Ammon Hennessy being the most prominent. I heard a former Franciscan monk from Canada read the terrible verses 13 to 23 of Matthew Chapter 23, in which Jesus denounces the scribes and Pharisees:

"Woe unto you, scribes and Pharisees, hypocrites, for ye shut up the kingdom of heaven against men."

And on and on, the former monk quoted Jesus in Matthew's recollections. I do not think in sacred literature there are more frightening words than those Jesus spoke of the scribes and Pharisees—who still are

with us:

"Ye serpents, ye generation of vipers, how can ye escape the damnation of hell?"

Matthew, more than Mark and Luke and John, was the rebel. His scribes, his Pharisees and his Sadducees are always wrong. He mocked them:

"And in the morning, it will be foul weather today: for the sky is red and lowering. O ye hypocrites, ye can discern the face of the sky; but ye not discern the signs of the times."

The great Protestant theologian, Karl Barth, writes in his "Epistle to the Romans," that Matthew wants Christians to walk with the lowly of the earth. There, again, no compromise.

"If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven: and come and follow me."

Matthew never lets up the pressure in his gospel. He presents Jesus and Barabbas, and he has the

crowd demand the release of Barabbas and the killing of Jesus. Again, Matthew hardly gave Christians an easy way out.

Yet, Matthew cannot be read in school, except maybe in some private school. In most countries, he has been banned. We have continued to want Barabbas and we continue to have his blood upon us.

While Luke also tells of the birth of Jesus, only Matthew tells us of the sequel, the killing. "Herod of all the children under two years of age who lived in Bethlehem and the surrounding area. Even here, in the birth of Jesus, Matthew was again unrelenting.

So, in the end, after Christmas, there is the slaughter of the innocent. It goes on and on and on. The scribes and Pharisees are yet in power in most places. No one listens to the Beatitudes. We try to hear them. We try to hear them. We try to hear them.

Read Matthew, dear children, and forgive the generations that did not read him.

Mr. and Mrs. Michael McTigue — nee Renee Musa

Mr. and Mrs. Thomas Mazza — nee Deborah Miele

Mr. and Mrs. George Mobilio — nee Deborah Nardone

Renee M. Musa married to Michael J. McTigue

Renee Marie Musa, daughter of Mrs. Paula Sylvestro of Nutley and Raymond Musa of Newark, became the bride Sept. 26 of Michael Joseph McTigue, son of Mrs. Marion McTigue of Belleville and the late Mr. Michael McTigue.

The Rev. Joseph Barbone performed the ceremony in Holy Family Church, Nutley and a reception followed at the Fiesta, Wood-ridge.

Escorted by her father, the bride wore a silk satin fitted gown accented with Alencon lace and sea pearls and fashioned with a high neckline, long pointed sleeves and train.

A lace picture hat held her chapel length veil and she carried a cascade of white roses, plum carnations and babies breath.

Mrs. Linda Nebesni of Bloomfield was her sister's matron of honor. Bridesmaids included Nancy Dimichino of Nutley, Donna Bocchino of Bloomfield, Mrs. Joan Torsello of Toms River, Madeline Morello of Bloomfield and Debbie Ramsland of Nutley. Flower girl was

Jaclyn Morello of Avenel, cousin of the groom.

They were attired in plum taffeta gowns with off the shoulder double ruffles. The honor attendant carried pink roses, white fuji mums and babies breath while the bridesmaids carried plum carnations, fuji mums and babies breath. The flower girl had a basket of pink baby roses, white fuji mums and babies breath. Matching flowers were worn in their hair.

Gregg McTigue of Belleville was his brother's best man. Ushers were Domenick Cicalese, Alan Vinci, Frank Corsi and Michael Napoliello, all of Belleville and Steve Nebesni of Bloomfield.

Mrs. Sylvestro chose a mauve knit gown and had a corsage of baby white carnations tipped in mauve. The groom's mother, in a teal green gown with silver threads, wore a corsage of baby white carnations tipped in teal green.

Mrs. McTigue, an alumna of Nutley High School, is a secretary with Nevco Products Division of USI, Garfield.

Mr. McTigue, a graduate of Belleville High School and Seton Hall University, is assistant director of housekeeping at Clara Maass Medical Center, Belleville.

The couple honeymooned in Hawaii and have made their home in Belleville.

Miss Deborah M. Miele bride of Thomas Mazza

Wedding vows were exchanged Nov. 20 by Deborah M. Miele, daughter of Mr. and Mrs. Charles Miele of 60 Fairway Ave. and Thomas J. Mazza, son of Mr. and Mrs. Robert Mazza of 56 Fairway Ave.

Deacon Louis Acocella, cousin of the bride, performed the ceremony in St. Anthony's Church. A reception followed at Chandelier, Belleville.

Escorted by her father, the bride wore a traditional satin gown with bodice and sleeves of Alencon lace and a satin chapel train, designed and made by her cousin, Marie Cordasco. A lace band held her fingertip veil and she carried white tea roses, baby carnations and grape babies breath.

Amelia Cordasco of Belleville was her cousin's maid of honor. Bridesmaids included Dawn Castelli of Belleville, Jacqueline Anderson of Flushing, N.Y. and Michele Lipoma of Belleville.

The honor attendant was in a grape Qiana gown with side drape and matching chiffon jacket. She carried a pewter long stemmed rose. The others, in pewter gowns, carried a grape long stemmed rose.

William Mazza of Belleville was his brother's best man. Ushering were another brother, Ken Miele, Mark Westpy and Edward Utter, all of Belleville.

Mrs. Miele chose a chocolate Qiana gown with chiffon overlay while the groom's mother was in a two piece brown and beige moire taffeta gown.

Mrs. Mazza, an alumna of Belleville High School, is with Flyfaire Inc., Fort Lee.

Mr. Mazza, also a Belleville High School graduate, is with Ikegai Inc., Hackensack.

The couple honeymooned in Puerto Rico and have made their home in Belleville.

Mr. and Mrs. Mobilio Jr. honeymooned in Hawaii

Wedding vows were exchanged by Deborah Ann Nardone, daughter of Mr. and Mrs. Domenick Nardone of 80 New St., Nutley, and George Mobilio Jr., son of Mr. and Mrs. George Mobilio of 11 Beverly Court, Belleville.

The Rev. Timothy Horgan performed the Oct. 8 ceremony in St. Mary's Church. A reception followed at Town and Campus, West Orange.

Given in marriage by her parents, the bride wore a gown of ivory whispering taffeta with layers of netting, lace applique and embroidered bishop sleeves, illusion bodice accented with chantilly lace and cathedral train.

A lace and pearl accented hat held her veil and she carried a cascade of white roses, orchids, tiger lilies and stephanotis with pink and burgundy flowers added.

Lisa Nardone of Old Bridge was maid of honor. Bridesmaids included June Pisauo and Maryann Mobilio of Belleville.

They were attired in majestic wine Qiana gowns with high collars and long sleeves. The honor attendant wore a pillbox hat and carried pink and white roses. The others had pink tiger lilies as headpieces and carried burgundy and white roses.

Patrick Mobilio of Belleville was best man. Ushering were Domenick Nardone Jr. of Nutley and Anthony Cortese of Belleville.

Mrs. Nardone chose a periwinkle blue gown with ruffled collar and cuffs. Her wristlet was of orchids. The groom's mother, in a beige gown with boat neckline and long sleeves, had a wristlet of roses.

Mrs. Mobilio, an alumna of Montclair State College, is with Minor Rubber Co., Bloomfield.

Mr. Mobilio, a graduate of Montclair State College, attends Fairleigh Dickinson University Graduate School and is with ABCC, New York City.

The couple honeymooned in Hawaii and have made their home in Woodbridge.

Woman's Club dessert bridge next Monday

The Woman's Club of Belleville will hold its February dessert bridge Feb. 7 at 1 p.m. at the Clubhouse, 51 Rossmore Place. The monthly party raises money to defray costs of up-keeping the building. Admission is \$2. Friends are invited to attend and bring games other than bridge, canasta, scrabble and so forth.

Hostess will be Mrs. Helen Talbot. Call 751-1387 for information.

The club's Literature Department met Jan. 12 to hear a report on Jack Fincher's book, "Lefties," formerly titled "Sinister People." It deals with left handed people, "the last minority group." The department meets Feb. 9 at 1 p.m. to hear a program on American history by Mrs. Eleanor Kelemen.

Umberto's Corner

Dear Umberto,

My husband became bald so he combs the hair from the cranium to the front. I told him he looks funny and he tells me to "Keep quiet, you're the one that made me nervous which made me gain weight and lose my hair!" Umberto, two years ago he gained a lot of weight and then he went on his own diet. He lost weight after a year or more. Can you lose your hair by getting nervous or by dieting? Also, are there other ways to comb his hair? Please answer.

The Lady with the Bald Husband
Dear Lady?

You can lose hair over getting nervous, but it will grow back. If you go on your own diet without your physician's advise, you can lose your hair faster and it will not grow back, especially if baldness runs in the family.

Yes, there is a way to comb his hair differently. He can let his hair grow longer on one side of his head and comb it to the other side. I assure you, it will not look funny.

To the Belleville Italian Americans I thank you for the delicious fruit basket you sent.

Yours,
Umberto

Budget cuts confront Commissioners

By Eddie Capparucci
Thirty Years Ago
An intensive silence greeted a proposal by Mayor James Tully, finance director of the Board of Commissioners, when he proposed that a motion be offered limiting raises for members of the police and fire department to \$400 instead of \$500 carried in the budget of Public Safety Director Harry Sullivan. The proposal was designed to help keep the town's tax rate at the \$6.26 mark, which was in effect last year. It would have amounted to a cut of about \$11,000 in the Public Safety budget.

Mayor Tully was also unsuccessful in getting Commissioner Joseph King to take \$2,500 out of his relief budget and Commissioner Elmer Hyde to shave more than \$1,700 off his recreation account.

Commissioner Sullivan said the \$500 raise was needed to maintain the morale of the department. He had previously agreed to eliminating a \$100 clothing allowance sought by the men.

A meeting of the Town Commissioners with representatives of General Motors Corporation failed to produce a meeting of minds over the feasibility of acquisition of Memorial Field by the town. Far from setting any price which they would take for the land, the General Motors delegation let it be known that the elimination of that portion of the nine-acre plot obtained from Edison Industries, last year, would mean the company would have to abandon its plans for the extension of the Chevrolet export plant, and possibly shutting down the Bloomfield plant as inadequate to the company's needs.

County officials announced that Essex County Isolation Hospital on Franklin Avenue would open its doors to general cases this year. The hospital, which services patients suffering from contagious and communicable diseases, handled 1,775 patients in 1982. The county Board of Freeholders stated the hospital is adequate to use a far greater number of ill.

The average income of families and unrelated individuals in the town, have an annual income of \$3,679 according to latest U.S. Census figures.

Twenty Years Ago
The School Board approved a \$2.9 million budget, an increase of \$75,335 over last year. The vote was 6-1 with Mrs. Thomas F. McCool casting the lone no vote.

"I am opposed to this budget honestly and uncompromisingly," she said. "The budget was formulated in one month, which is not enough time to do a good job. Also teachers' salaries were increased which literally took academic food from the mouths of Belleville students."

Fifteen Years Ago
The polls for the Board of Education election and decisions on the school budget for 1968-69 were open to vote on a total budget figure of \$4,578,262. Those running for the seats open on the board were, Rocco Saletta, Mrs. Norma, McCool, Dr. Frank DiRuggiero, Joseph Casale and Carmen Castellano.

A testimonial dinner was given in honor of Mrs. Albert Johnston, past president of the Belleville Deborah at San Carlo Restaurant in Lyndhurst. Mrs. Peter Morria was in charge of arrangements and Mrs. Joseph

Cobianchi acted as master of ceremonies.

One Year Ago
Then School Board President Charles Miele announced his intentions of seeking a second term on the board. Miele was first elected to the board back in April of 1979 and elected as president in 1981. "Management cost savings and good education first," was the motto he used for his campaign.

The Board of Commissioners agreed to a request by the chamber of commerce, that free parking be available along Washington Avenue for the holiday weekend of Feb. 15. The idea was presented to the board by chamber President Jaye Tarantino, who said free parking would draw more shopping customers along the avenue. This was first of many free parking weekends to be carried out by the township.

Belleville Police Chief George Lister announced a notable decrease in the township's crime rate from the year before. The township's crime figures showed a decrease in four out of eight offense categories, while increasing in three and remaining unchanged in one. Lister also announced plans to start a Neighborhood Crime Watch Program, which he said would help reduce the crime rate in Belleville even further.

Thousands celebrate scroll writing

Thousands of Jews, young and old, rabbis and students attended a celebration marking the completion of a Unity Sefer Torah written by the Lubavitch movement. The Torah is a hand inscribed, parchment Scroll containing the Five Books of Moses — the Bible.

The ceremony, held Jan. 16 at the Birchwood Manor in Whippany, was part of a world-wide effort launched by the Lubavitcher Rebbe, Rabbi Menachem M. Schneerson for the purpose of uniting the Jewish people through Torah.

Rabbi Herson, dean of the Rabbinical College of America, explained, "Even upon a superficial reflection of the recent developments in the Middle East, tensions among nations, rampant crime and violence and the world economic and financial situation, one immediately reaches the conclusion that the world-safety is trembling. While we should be cognizant of the realities, there is no reason for despair. On the contrary, it is incumbent upon us to find ways to overcome these difficulties."

Those who have not yet acquired a letter in one of the Unity Torahs are invited to call 267-9404 for further information.

Inscribes Letter — Robert C. Gruhin of Belleville, inscribes letter in Unity Sefer Torah at a recent celebration sponsored by the Rabbinical College of America. Over 300,000 individuals participated in the writing of this Torah Scroll. Also in the picture is Rabbi Eleizer Zirkind.

NJ Can and Bottle Bill Coalition presents resolutions to Gov. Kean

The New Jersey Can and Bottle Bill Coalition recently presented Gov. Thomas Kean with resolutions from 190 municipal councils and 10 county boards of freeholders as well as a letter from 52 New Jersey mayors all calling for enactment of a beverage container deposit law. Resolutions from Belleville, surrounding communities and the Essex County Board of Freeholders were included in the presentation.

Deposit legislation is supported by Essex County Assembly members Eugene Thompson, Jimmy Zangari, Harry McEnroe, Maureen Odgen, Mildred Garvin and Buddy Fortunato.

The Coalition is working for passage of Assembly Bill 1753 which was unanimously voted out of the Energy and Natural Resources Committee in Mid-October. The bill would require a five-cent refund value on all soft drink and beer containers as an incentive to get them returned to stores or redemption centers instead of thrown on the

ground or in the garbage.

According to the coalition, an ad hoc group of environmental and public interest organizations, the petitions and letter reflect a growing interest by local elected officials in using the deposit system to reduce costs of litter pickup and trash removal, conserve landfill space, and improve the quality of New Jersey's roadsides, parks, waterfronts and other open space.

Ellie Gruber who represents the League of Women Voters on the issue, says, "Six northeast states including Connecticut, New York and Delaware have passed deposit laws, and New Jersey is next in line. The beverage industry will fight this to the end, but we think New Jersey citizens are just not going to let their environment deteriorate further simply to accommodate container manufacturers, bottlers and supermarkets."

Gruber admits a deposit law means an inconvenience for retailers in handling and storing returned con-

tainers but claims that, overall, the system works so well in the six states where it is already in operation that beverage container litter has been reduced by around 85 percent and municipal solid waste by 5 percent to 6 percent.

According to Jim Lanard, legislative agent for the New Jersey Environmental Lobby, the major objection to a New Jersey deposit law has been that it would produce a trend by bottlers back to the refillable bottle which can be used 10 or more times. This could mean sales losses for the state's glass container industry and a possible loss of jobs for some of its employees.

"But the problem is addressed in A-1753," Lanard says, "by a prohibition on the refilling of containers. Bottles and cans will be recycled into new containers or other products instead. Accepting this is a compromise on the part of environmentalists who see a loss of some of the potential energy savings of a refillable system, but it's a political necessity and we can live with it. And employment will actually get a boost because several thousand workers will have to be hired to handle and recycle the returned containers."

available in the waste stream and less than a fifth of all beverage glass. A deposit law will increase glass recycling by at least a factor of five and still leave some 300,000 tons per year of non-beverage glass for municipal programs to work on. More metal and plastic containers will be recycled, too.

"We know the Governor has had reservations about a deposit law," adds Kent, "but we hope to convince him that under A-1753, dire predictions of employment losses in the container industry or a negative effect on the recycling program are really without foundation."

"When New York's law goes into effect next July, we'll see the benefits of a deposit law at close hand," Kent continues, "but we don't want to wait until then for some action here. We would like to see A-1753 voted on in the Assembly this spring and sent over to the Senate for consideration in the summer or fall. Our goal is to have a bill on the Governor's desk before the end of 1983."

Interested persons can get more information on deposit legislation from the Can and Bottle Bill Coalition, 39 Crystal Ave., West Orange.

Fortunato wants review on video slot machines

The chairman of the Assembly committee which oversees gambling in New Jersey believes that no bids should be let or contracts signed concerning the lottery's video slot machine proposal until his committee reviews the bids and bid specifications for possible conflict of interests violation.

Assemblyman Buddy Fortunato

(D-Essex) said his Independent Authorities and Commissions Committee will meet as soon as possible to review whether or not State Republican Chairman Philip Kaltenbacher and Lottery Commission Chairman Reese Palley are in a conflict of interest situation due to the bids submitted by two companies in which they hold an interest.

There are over 100 changes in this year's tax laws and forms.

H&R Block preparers have received special training to help you this year. Did you know there are two different short forms, increased deductions for an IRA, and increased child care credits ... and many more changes? We've done our homework on the new tax laws, so you don't have to.

HEALTH WISE

By Ralph J. DiMaio D.C.

No one needs to tell the victim of a slipped or ruptured spinal disc how excruciating the pain can be...once experienced, it's not likely to be forgotten.

A disc is a pad of cartilage between each pair of vertebrae. Discs provide flexibility and cushioning for the spine. When a disc slips, the two adjoining vertebrae are allowed to move out of alignment. The nerves which pass through and between the vertebrae are irritated, causing intense pain.

Chiropractic treatment corrects disc difficulties without surgery. Phone for a chiropractic examination.

A quick look back at the old-time Belleville

Passaic Block — These are some picture sent to The Belleville Times from Postmaster-Manager Joseph Bencucci. Mr. Bencucci received the pictures from a gentlemen who thought someone would be interested in seeing them. This is a part of Passaic Avenue. Notice the Post Office and Chesters DePuy's store.

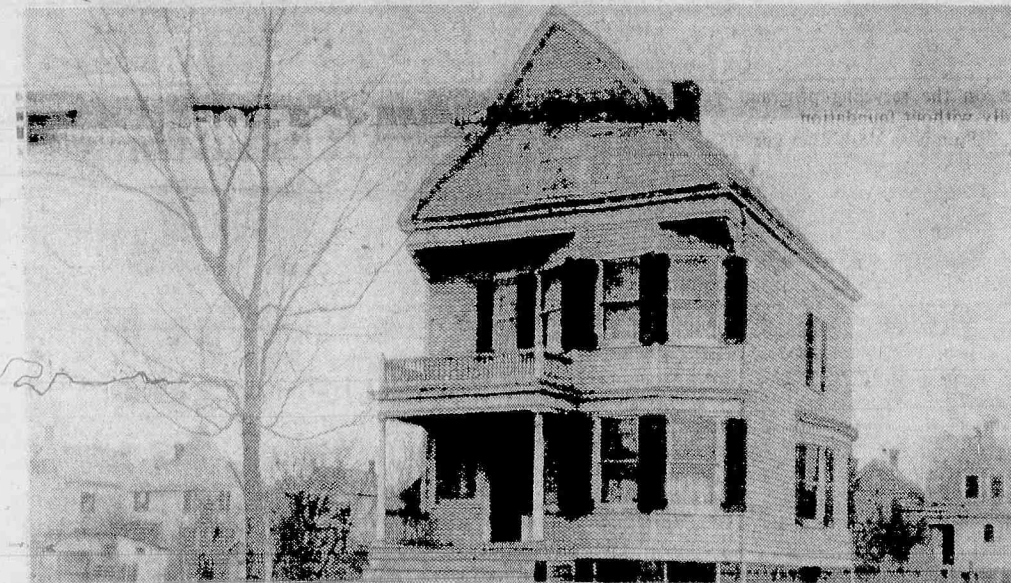

Passaic River — The water level looks awfully high in this picture of homes along the Passaic River in Belleville. Can you identify this area?

Belleville Floods — Talk about heavy rains! Notice all the vacant land on the lefthand side. If you or anyone you know has any old pictures of Belleville please contact The Belleville Times office. We would like to publish them.

Main Street — This is a picture of Main Street after the heavy rains which hit Belleville, probably causing the Passaic River to overspill its banks. Notice the gentleman on the right in a row boat.

Garrison House — This house was once a beautiful structure in Belleville, but it is no longer standing.

Group Picture — We do not know what family it is or what year the picture was taken. If you have any information please call The Belleville Times. The house is located on Stephen Street.

CMHS Hotline

Dear CMHS Hotline:

I am concerned about my 80-year-old mother who lives alone in her home and is very frail. Recently she fell and was admitted to the hospital with a concussion. She is now at home again and has a home health aide three mornings a week. It is becoming increasingly difficult for her to take care of herself when the aide is not there. She refuses to consider a nursing home or even hiring additional help. Because of my own poor health I am of little help to her.

Dear Concerned:

It sounds as if your mother is trying to hang on to whatever self-sufficiency and independence she has. The idea of giving up her home and living alone to go into a nursing home must be very frightening to her. Yet knowing that she is unable to care for herself must be very frightening to you. I would suggest that you contact Nursing Home Advocacy at 673-0662, a program especially designed to give support to families in similar situations. To people who have been autonomous and independent all their lives, the thought of entering a nursing home is often thought of as the last step before death, no matter how inaccurate that may be. Perhaps touring a few nursing home facilities with her would be helpful. I also recommend looking into Senior Medical Day Care facilities such as: Montclair Day Care, Theresa Grotto, Garden State, and Daughters of Israel or Sheltered Boarding homes such as: Seton Manor, Montclair, Village Manor and St. Vincents, as alternatives to nursing home care. It is important to share your feelings with your mother as much as possible. In the final analysis it is her decision.

(The Community Mental Health Services of Belleville, Bloomfield and Nutley is a non-profit agency serving the community. For information call 751-1630. Send letters to: CMHS Hotline, c/o Irving W. Hahn, Community Mental Health Services, 570 Belleville Ave., Belleville, N.J. 07109.)

Roche Retiree Club meeting on Feb. 12

The Roche Retiree Club will hold its monthly meeting on Feb. 12 at 1:30 p.m. at Hoffmann-La Roche, Building 76 Auditorium, Nutley.

After the regular business

meeting, entertainment will be supplied by the "Four Old Timers." A social and refreshment hour follows all meetings. For more information about the group or the meeting call 235-5200.

DeAquino, Russo; underrated players

They are two of the most underrated athletes at Belleville High School at the present time. Their work on the basketball court sometimes goes unnoticed because of the scoring aces their respective teams employ.

Dina De Aquino and Lenny Russo, two of the hardest working players in the Belleville basketball program are the Belleville High School athletes of the month of January. Both players have been more than instrumental in helping their clubs to the present success level that has been achieved.

Let's start with Russo. A senior, the 6-3 forward has been more than just a pleasant surprise for Joe Papisidero this winter. He has added and extra dimension of heart and a burning desire to win. His style has become quite infectious to his teammates and the result is a .500 record after 14 games against some of the state's toughest competition.

"He's one of the steadiest players we have," said Papisidero. "Lenny works very hard and is a delight to have on the court. When I put him in, it's very hard to take him out because he performs so well."

Russo made the varsity as a junior, but for the first half of the season, lingered on the bench. As a matter of fact, he told me midway through the 1981-82 season that he was contemplating quitting the basketball squad, feeling that he wasn't helping the squad at all. Thankfully, after some careful evaluation, Russo decided to stick with the game and work harder.

The improvement was noticeable shortly thereafter. Russo started playing with an intensity level never before seen in this athlete. He played some strong games for the jayvee squad and by season's end, was a member of the varsity squad for good.

Russo then took part in the Buccaneers summer basketball league, doing a very strong job at the forward position, averaging 15 points an outing. His successful trend has continued into the 1982-83 winter season. Playing basically as the sixth man on Papisidero's squad, Russo comes off the bench to add muscle, desire and determination and as a result, has helped the team to some big victories.

Perhaps his best showing of the season came last week in the 49-48 victory over Bloomfield. Playing a simply inspiring game both on offense and defense, Russo scored a season high 13 points and pulled down 11 rebounds. "He's a pure outside shooter who passes up a number of shots in order to pass off to a teammate. He's a team player all right," Papisidero praised. "He wants to win very badly and works hard to achieve his success."

Russo's determination was at its finest when Belleville and Nutley battled for the championship of the Nutley Holiday tournament back in late December. Coming off the bench in the second half, Russo added that little spark of electricity that ignited the Bucs back into the ball game after a lackadaisical first half. He finished with three points, but pulled down some key rebounds and drew four offensive fouls with his hustle. Lenny's all around play brought Belleville back from an 11-point third quarter deficit to an even game by late in the fourth quarter.

It's always good to see a class act like Lenny Russo doing so well in the sport he loves so much. The Belleville Buccaneers basketball team should certainly feel fortunate to have such a winning player on their team.

The same type of comments can be said of Dina De Aquino, the junior forward for Karen Fuccello and the girls' basketball team. Playing her third year of varsity basketball, De Aquino has developed into a pure outside shooter and is one of the reasons for Belleville's 11-2 mark entering this week's action.

"She has shown marked improvement," said Fuccello. "The most important part of her play is her attitude towards the game. Dina has developed into a team leader, something so important towards the success of our team. She also took up the slack when Jenny (Apicella) hurt her ankle a few weeks ago."

To rehash that situation, let's move the calendar back to Jan. 6, 1983. The Belleville girls' basketball team traveled to Montclair for an afternoon game with the Lady Mounties. Early in the second quarter, Apicella went down with a severely sprained ankle, an injury that she still is not fully healed from. When the injury occurred, Apicella had already popped home 14 points.

De Aquino didn't panic, however. Knowing that the offensive burden normally falls on Apicella, De Aquino kept her head and went on to pour in a career high 25 points in leading the Belleville girls to a resounding 65-29 win against the highly regarded Mounties.

The next night, before a packed house at Belleville High School, De Aquino scored 17 points, and along with Apicella's 10 points, led the way to a come from behind, 34-30 win. The victory boosted the Bucs record to 7-0 and set off a wild celebration at the end of the contest.

Last Friday, taking only 11 shots, De Aquino scored 16 points on 8 of 11 shooting. For the season, she is averaging 11.4 ppg. and is hitting a very respectable 61 percent from the free throw line.

Even though she possesses impressive statistics, De Aquino's biggest asset is her cool head on the floor. Nothing seems to fluster this very talented athlete. She deals with pressure very well and has learned to take winning with style and losing with grace.

De Aquino's talents don't stop on the basketball court by any means. In the fall, she is a varsity tennis player for Fuccello, combining with her good friend Apicella for a 14-3 record in the first doubles team.

Then, in the spring, De Aquino is a star pitcher for the girls' softball team. Last year, as a sophomore, she finished the season with an incredible 16-2-2 record in helping her squad to a 24-2-2 season, capped off by the championship of the Essex County tournament. In that game, De Aquino was near perfect, blanking Livingston, 8-0. Over the course of two years, she has written practically every record in the BHS book and has two years remaining.

Style and grace, a fluid athlete. That's the best way to describe Dina De Aquino. She will be something else for Belleville to admire the next two years.

Here is the answer to last week's quiz. The question was, who has the higher winning percentage since 1967, Dallas or the LA Raiders. Also, name the last time each team had a losing season. The answer: The Raiders have a higher winning percentage over the 15-year span. They last had a losing season in 1981 while Dallas hasn't had one since 1965.

The Belleville High School athlete of the week goes to Loreli Wells and John Healy. Both players are doing a good job for their respective teams and should be a big asset down the stretch.

Defeat Bengals and Hornets

Girls enjoy an 'easy' week as they continue to breeze

By Mike Lamberti

Head Coach Karen Fuccello expected a tough week of action for her girls' basketball team last week. Unfortunately for her, the prediction never came about. Both games were blow outs. However, Belleville won both games.

The girls were in Passaic on Tuesday and will travel to Clifton tomorrow evening for a 7:30 p.m. tip off. Entering this week's action, Belleville's record stood at 11-2.

"I expected tougher games," head Coach Karen Fuccello admitted. "Against Bloomfield, we played a strong game defensively. Everything seemed to click. It was a good team effort."

Belleville defeated Bloomfield, 56-33 as Jennifer Apicella tallied 35 points to lead the way. Donna Brooks hit for six points, Theresa Critchley had four, Kathy Woods tallied four, Dina De Aquino was limited to three points and Marlene Talmadge and Loreli Wells finished with a field goal each.

The local girls were brilliant in the first half, jumping out to a 17-7 lead after one frame and extending that margin to 33-17 at halftime. They did it with some crisp passing, mainly by Dina De Aquino and Apicella, and with strong rebounding against a bigger team in Bloomfield. The third quarter was low scoring with Belleville taking a 9-5 margin to boost the lead to 42-22 after three frames. The final quarter was bench

emptying time as the Buccaneers coasted in.

About the only sour note of the ball game was that Apicella injured her ankle for the umpteenth time. The junior's achilles heal is her ankles, and last Tuesday she turned her ankle running for a loose ball. Luckily, she was taped quickly and returned to action later in the game. However, the ankle she injured was the "good" ankle, the right leg, and now is limping around on two sore legs, the other having been injured in the Montclair game three weeks ago.

Last Friday, Passaic Valley entered the BHS gym, bent on revenge after a 50-15 thumping back on opening day. Unfortunately for the Hornets, Belleville was red hot in the first half in opening up a 33-8 lead at intermission.

While the Buccaneer shooters were gunning with loaded pistols, the PV players couldn't hit the side of a barn and quickly fell behind by a big margin.

In the second half, Fuccello tried some experimenting with sophomore Ursula Maasman, using the little used varsity player at a forward position. Maasman did a nice job, teaming with Brooks in what Fuccello hopes will be her front court of the future.

PV did make a spirited comeback, cutting a 27-point deficit in the third quarter to 11 points late in the ball game. The final count read Belleville 61, PV 47.

First trip in three years

Bellboys gain state and county berths with narrow victory over Bloomfield

It was another exciting week of action for the Belleville boys' basketball team, as the Buccaneers earned berths in the county and state tournaments for the first time in three years.

Belleville was host to Passaic on Tuesday and will be home to Clifton tonight for an 8 p.m. start. The Buccaneers entered this week's action with a 7-8 record.

Last week, Joe Papisidero's bunch split two games, downing Bloomfield by one point for the second time this year and then losing to Passaic Valley, 45-35 on a late spurt in the final quarter.

"This was a big week for us," said Papisidero. "We earned berths in the county and state tournaments, which was a big plus for us. It has been a long time in coming and we're just glad to be taking part in those tourneys this year. I was hoping for a possible seed in the second eight teams of the counties, but the loss to PV might have knocked us out of that chance."

The week started off with the big win against Bloomfield. Earlier this season, Belleville stopped the Bengals 56-55 at Nutley High School to advance to the championship game of the Nutley Holiday Tournament. This time, the two met in a

regular season NNJIL meeting at Belleville High School, and once again, the game was filled with excitement.

"It was another great game," Papisidero said. "I told you we can win these close games. Everyone did a nice job, we hit the key shots and beat a very good team."

The final count was 49-48 with area scoring leader Phil Colalillo leading the way with 20 points. Lenny Russo came through with 13 points and 11 rebounds. Todd Pearce led the Bengal attack with 24 points.

Last Friday, the Bucs traveled to Passaic Valley in a rematch with the Hornets. Earlier this year, PV won a 41-40 thriller at BHS and this time the two teams engaged in a similar contest, for three quarters. The Bucs jumped out to an 8-6 first quarter lead and held a one-point advantage at the half.

The third quarter was the start of a downhill ride for the Buccaneers. As Papisidero later said, "We came out ice cold in the second half, we couldn't throw the ball in the ocean."

Meanwhile, PV, led by Eric Roos, chipped away at the Buccaneers advantage in the third frame, then tore away to a 10-point victory by pounding the locals, 19-10 in the final quarter.

Bowlers beat Mounties; remain in second place

By Anthony Passerchia

The Belleville bowling team took two games from first place Montclair, but a loss in the third game cost the Buccaneers a shot at first place in the NNJIL.

Belleville squared off with Paul VI on Monday and yesterday battled Passaic Valley. Next Monday, Passaic Valley battles the Bucs and will be followed by Clifton on Tuesday and Paterson Kennedy on Wednesday.

Against Montclair, Belleville was paced by Joe Lunetta's 226 and sophomore Anthony Cook with a very impressive 216. The big scores enabled the Bucs to win the first game by a 754-706 count.

Belleville captured the second game as well, with Lunetta and Cook once again leading the way with tallies of 210 and 204 respectively.

Montclair came back to win the third game, 735-606 and maintain its

slim lead over the local heros.

Earlier in the week, Belleville took a conference victory at the expense of Bloomfield. Laurie Scott rolled a 172 to lead the team to a 612-464 win. In the second game, Cook helped his team to victory with a 170 as the Buccaneers rolled 590-465. The third game saw Cook come back with an impressive 186, but Belleville came up on the short end of the roller this time, 650-555.

Versus Montclair in the Jayvee match, Scott helped the Bucs to a victory by tallying a 186. After dropping the second game, Sam Danhack fired a 186 in the third game to lead Belleville to a 603-580 triumph.

PIN POINTS: The Jayvee team is in first place with eight matches left. The regular season ends on February 16. The team would like to thank Lois Servido for driving the team to and from its matches.

"I tried some man to man defense in the second half and took the press off early," Fuccello said. "I tried some different experiments and was happy with the way the team played."

Apicella once again was the leader in the offensive production, hitting for 33 points, 21 which came in the first half. De Aquino was back on target, tallying 16 points, while

Wells and Brooks finished the game with six points each.

The double victories boosted the girls' mark to 8-1 in the NNJIL, second to Paterson Eastside, who will be at BHS in two weeks for a rematch. There is also the Essex County tournament to contend with. First round games will start in two weeks, so some very important contests are on tap for the girls.

Grapplers remain an impressive group

By Dino Ibelli

Another impressive week, has ended for the Buc grapplers, with three convincing victories over Paterson Eastside 61-6, Kearny 43-7 and Paterson Kennedy 57-6.

This is a light week for the Bucs, with only one match against Bloomfield at home on scheduled for Wednesday at 7:30 p.m.

Paterson Eastside, now at 1-5, proved to be a tune-up for Kearny. Pinning for Belleville were Cerreto, De Prizio, Caruso, Henry and Meyler. Picking up forfeits were Charles, Giuliano and Caccapio. Winning superior decisions for the Bucs were Giuffrida at 36-1 over Art Drakeford and sophomore Mike Gibbons 19-5 over David Davis. Anthony Stefanelli picked up a win against Tony Delfield 10-5. The Ghosts' only points were picked up against Cam Rispoli when he was pinned by Larry Wheeler in 1:06.

Kearny was better than the final

score indicated. With a couple of breaks it could have been very close. Kearny is now at 7-3 and will be heard from once the districts and regions begin.

At 100 pounds, Cerreto had an easy time pinning Gabby Lopes in 3:54. Rispoli, who faced good wrestlers all week, lost to Tom Petrocelli by a score of 12-1.

At 114 pounds, Giuffrida decided his opponent by beating Fred Pita 18-5 which made the team score read 11-4.

One of the few close matches came at 121 with Anthony Stefanelli edging out Fernando Semaio 8-6. The next three matches were all Belleville. De Prizio pinned Charlie Rodriguez at 1:05. Ron Caruso decided Al Latounous 22-4 and Al Henry pinned J.R. Dawson in 56 seconds.

(Please see 'Grapplers' on page 12.)

Colalillo led the way with 18 points for Belleville, but got little offensive support from his mates. Joe Borrello was second high scorer with six points.

"We need more production from our backcourt," said Papisidero. "I would say, in order for us to win, we need 18 to 20 points from our guards. Without them in the offense, we aren't going to win these tight games."

A bright spot for the Bucs was the standout play of three underclassmen. Junior Dave Boyd and sophomores Steve Kimble and Mike Sochaski are starting to see more varsity playing time and are making the most of their chances. "Rocco (Colucci, the jayvee coach) has done an outstanding job in getting these younger players ready for the varsity," said Papisidero. "They are

starting to see playing time now and this experience should really help them for next year."

BUC NOTES: Bucs are 3-6 in the NNJIL, 4-2 outside the conference. They also have lost some close ball games. Nutley was a four-point winner in the Holiday tournament, Kearny was a five-point winner, PV by one on opening night and Montclair escaped with a six-point victory in early January. Belleville and Bloomfield have one more meeting scheduled in mid-February. The last time that the Bucs played in the Essex County tournament was in February, 1980. That year, they were stopped, 94-69 by Clifford Scott High School. Later that season, they played in the state tournament and lost to Elizabeth, 110-56. The last time the Bucs won a state game was in 1975, a 50-48 victory over Union.

Applications available for Rec sports activities

The Belleville Recreation Department has announced that applications for all recreation baseball and softball leagues for Belleville children ages 8 through 15 are now available in each public and parochial school, as well as at the Recreation House.

Children who are 8 years old before August 1, 1983 and who will not be 13 before July 31, 1983 are eligible for organized baseball in either the Peanut, Junior or Little Leagues.

Those children wishing to try out for Little League must completely fill out their applications and return them to their schools by Friday, March 4, 1983. Those preferring to play in either the Peanut or Junior Leagues must completely fill out their applications and return them in person to the Recreation Department at 407 Joralemon St. before March 18, 1983 with their birth certificates.

Applications for girls' softball and senior/intermediate baseball are also available. Girls 8 years old on August 1, 1983 and whose 10th birthday falls after July 31, 1983 are eligible for Pee Wee League softball; girls 10 years old on August 1, 1983 and whose 13th birthday falls after July 31, 1983 are eligible for Pigtail League softball; and girls 13 years old on August 1, 1983 and whose 16th birthday falls after July 31,

1983 are eligible for Junior League softball. High school freshman or jayvee team players are not eligible, however. All applications must be returned to the Rec House with birth certificates by Friday, March 18, 1983.

Boys ages 13 through 15 on July 31, 1983 are eligible for Intermediate or Senior League baseball. All applications must be returned with birth certificates to the Rec House by March 18, 1983. Boys who are playing organized high school ball are not eligible, however.

In all cases, the applications must be completed in full and signed by a parent, and all returning players must re-apply. Applications accepted after the March 18 deadline will be considered late and will be treated accordingly. The Rec House hours for baseball-softball registration are Monday-Friday 8:30 a.m.-noon and 1 p.m.-4 p.m. The office will also be open one night a week for registration — call 759-3121 for time and day. All children attending required practices will play in every game. Our leagues stress sportsmanship, basic skills and fun.

High school boys who are not involved in interscholastic baseball nor the recreation baseball leagues and who would be interested in playing Senior League softball are urged to contact the Recreation Department for more information.

Heard at ringside

By Steve H. Frank

WBC lightweight champion Ray "Boom Boom" Mancini of Youngstown, Ohio, was given a farewell party at the Mirvana Restaurant in New York, Thursday, before leaving for St. Vincent, Italy. Mancini is scheduled to defend his title against Great Britain's George Feeney in Italy, Feb. 5. The 21-year-old, brawler of the happy-go-lucky attitude showed annoyance at being questioned about his last defense against the late Duk-Koo Kim. At one point during the interview he shouted "Why do they have to go back to my last fight. Why don't you ask me about my next one? That's why we're here!"

Mark Breland, the exciting amateur middleweight, has deserted New York and is located in Detroit. Shelly Finkel wants Breland to be near his trainer Emanuel (Manny) Stewart and the Kronk Gym. It was emphasized by both Finkel and Stewart, "No professional fights until after the '84 Olympics."

It appears as if heavyweight Gerry Cooney will just fade out of the fight biz. There hasn't been any official announcement of Cooney being active in 1983 and no retirement announcement. Former heavyweight champion Floyd Paterson never announced his retirement, either. Paterson was knocked out in the 7th round by Muhammad Ali, Sept. 20, 1972, and quietly hung up the mitts.

New York State Athletic Commission has appointed Jackie Graham to be in charge of all boxing matches. Marvin Kohn will now only handle wrestling matches. Dr. Marvin Goldberg has been selected to appoint officials for boxing bouts, replacing Luis Rios. The commission said the move was to improve operation of these departments. The true reason: Graham and Goldberg backed Mario Cuomo against Ed Koch. Floyd Paterson could be the next commissioner to be dropped.

Former world middleweight titleholder, from Jan. 22, 1960, Paul Bender of Brookline, Mass. is now a court officer for the Brookline District Court. Paul also does commentary for boxing on a local cablevision unit.

Atlantic City, N.J., Sands Hotel-Casino: Lightweight Livingston Bramble, 14-1-1, of Garfield, N.J. WKO at 2:25 of 9th rd. over Romeo Sandval, 23-4, of Los Angeles; Light heavyweight Jeff Lampkin, 19-2, of Youngstown, Ohio WKO at 2:58 of 3rd rd. over Leo Rogers, 16-23, of New York.

Lenny Shaw's Productions of Paterson, N.J. with Ms. Pat Loudermilk as promoter, will present a boxing card of 2 10-rounders, a pair of sixers and seven four-round bouts at the Power Memorial High School, Amsterdam Ave. between 61st and 62nd Streets in New York City, Saturday, Feb. 5. The pair of 10's will feature Pablo Pizzaro of Brooklyn vs Jimmy Allen of Bridgeport, Conn. and Syrian lightweight Louie Hubala from Brooklyn vs Jose Resto, native of Puerto Rico now living in Manhattan.

Queens, N.Y. Ridgewood Grove Arena, Saturday: Middleweight Eddie Belfiore of Bronx, N.Y. WKO in 2nd rd. over Carlton Swift of Detroit; Welterweight Orlando Mantalvo of Ridgewood, N.J. and Mark Miller of Guyana fought to a draw; Light heavyweight Roberto Vinas of Brooklyn WTKO in 3rd rd. over Jose (Cheo) Ortiz of Brooklyn; Heavyweight Larry Alexander of Greenville, Miss. WTKO in 6th rd. over Mel Daniel of Norfolk, Va.; Lightweight Pasqual Patterson of Panama WTKO in 4th rd. over Manuel Da La Rosa of Ridgewood, N.J.; Middleweight Doriant Saap of Newark WTKO in 2nd rd. over Rube Vasquez of Brooklyn. Nancy Sciacca of Sciacca Boxing Promotions was promoter.

K.O. Becky O'Neill, manager of undefeated WBA bantamweight king Jeff Chandler of Philadelphia had to postpone his defense of the crown against Jose Gabby Gonzales at Atlantic City, scheduled for Jan. 29th because of a virus infection. The seventh defense of Chandler's title will have to be pushed back until March.

Few know or remember that President Ronald Reagan was the boxing announcer in Des Moines, Iowa, when Pinky George was the promoter.

Two Jersey fighters traveled to Montreal, Canada, and didn't do good. Junior welterweight Caesar Cuzman of Paterson, lost a close, hard fought 10-round decision to one of Canada's leading beltors Donnie Poole of Toronto. And middleweight Mike Bullock of Teaneck suffered a technical knockout in the 6th round to Danny Seguiris of Montreal. New Jersey's outstanding trainers Tommy Parks accompanied and worked with the battlers.

A former outstanding New Jersey fighter Ronnie (Bouse) Burns is at his Totowa home recuperating after a triple bypass heart operation. The surgery was performed at New York City's St. Luke's Hospital. Ronnie has been a distinguished referee in recent years. He is a long-time active member of the Lou Costello Sportsmen Club of Paterson N.J. During his fighting days as a great amateur and professional, Burns gathered many trophies. He had over 50 professional battles.

Promoter Don King announced he is promoting a fight pairing S.T. Gordon of Las Vegas to defend his cruiserweight title against Jesse Burnet of Los Angeles, at Meadowlands Arena, Feb. 16. This will be Gordon's first title defense since being busted up in an auto accident. King also mentioned he may present monthly boxing shows at the Meadowlands if Wednesday dates are assured. The bouts to be televised by Don King's Sports and Entertainment network.

Recreation basketball leagues seeing good play, exciting games

Recreation Senior Boys'

This week in the Belleville Recreation Senior Boys' Basketball League the Hollywood Knights upset the Sixers 28-17. Robby Cancelliere was high for the Knights with 15 points. Nick Biase was high the Sixers with 10.

Viking Barbell increased its record by defeating the Panthers 48-22. Charlie Kingalaha was high for Viking Barbell with 16. Sam Danchak also had 10. Mike Silletti was high for the Panthers with 10.

Walker Transport improved its record to 6-0 by defeating the

Wanderers 46-14. John and Walter Brooks combined for 35 points while Dr. Giz was high for the Wanderers with 10 points.

Marbach's Deli improved its record by defeating Tarantino's 58-26. Mike Vega was high for Marbach's Deli with 23 while Robert Walker also had 20 points. Ray Rugiero was high with 11 points for Tarantino's.

Over 30 Men's

This week in the Men's Over 30 League the Belleville Bombers defeated Golden Bears 50-30. Carl Corino was high with 20. Joe Zaino

also had 15. Earl Wake was high for the Golden Bears with 10.

Sally's Auto Parts defeated Radio Shack-Paramus 63-40. Ed Peterson was high for Sally's Auto Parts with 18 points, Joe D'Alconzo and Al Baker each had 15 points. Bill Biernie was high with 15 for Radio Shack-Paramus.

Sylvestro's Garden Market improved its record by defeating Tobler 52-42. Jack Rush was high scorer for Vito Sylvestro's Garden Market with 22 points. Red Higgins had 16 points for Tobler.

McCabe's defeated Megaro 43-32. Jerry Lostrade was the high scorer for McCabe's Tavern with 22 points. Gary Mascitelli also had 12 points for McCabe's. Nick Turano was the high scorer for Megaro with 10 points.

Men's League

Club 36 East improved its perfect record by defeating Tobler 60-54. Ed Jernigan and Kim Fisher each had 20 points for Club 36 East. Harry Anderson, Inc. defeated Santini's Pizzeria 49-48. Al Talmadge and

Rich Cook combined for 30 points, Harry Anderson also had 10 points. Bruce Rosinski had 20 for Santini's Pizzeria.

The Knicks defeated Freas & Pat's 64-53. Dennis Kiel was high scorer with 25 points for The Knicks. Jeff Smedburg also had 18 points. Tom Bell was high for Freas & Pat's with 15. Dave Wilks and Vinnie Chianca both had 10 points each.

Rocky's Raiders improved its record by defeating Ten-Two 59-49. Tony Gordon was high scorer for Rocky's with 20. Mike McCoy also had 12. Kevin Smith was high for Ten-Two with 25.

Chief Motor defeated Cozy Tuxedo 70-57. Danny and Joe Dunn each had 14. Bruce Gardner was high with 15 for Cozy Tuxedo. Tom Smith also had 14 points.

International Paint defeated Suburban Cablevision 51-38. Claude Folchier was high with 18 points. Doug Jackson also had 14 points. Walter Siubis, Mark Cammarato and Bob Pennetti all scored eight points for Suburban Cablevision.

Netters and Stars leading Rec league

There was exciting action in the Women's Volleyball League this week despite one team dropping out. The Rookies have decided to hang up their sneakers after four years of play. The other teams in the "B" League will receive a bye when scheduled to play the Rookies.

In the first match, the Jammers, led by Pam Bloom, handed the Fragiles a 15-12, 15-5 loss. The Fragiles did, however, receive fine play from Lucy De Matos in the losing effort.

The second match of the evening was a thriller. The Netters were pitted against the Set-Ups in a match that began slow but wound up to be very exciting. It took all three sets to determine that the Netters were the better team that evening. Eve Corino

led the Netters to 15-4, 9-15, 16-14 victories. The Set-Ups were paced by Lynn Umstead.

The third match of the night also took all three sets. The Shooting Stars, led by Susan McKay, wound up defeating Barbara Adams and De Bacco amidst some exciting action. The scores were 15-12, 8-15, 15-2.

The Misfits got a bye this week. The standings are as follows:

"A" Division	
Netters	4-0
Jammers	3-1
Set-Ups	1-3
Fragiles	0-4
"B" Division	
Shooting Stars	3-1
De Bacco	2-2
Misfits	2-2

Brother, sister team win swim matches

Phoenix Aquatic Club swimmers, Maria Domenick, 14, and her brother Angelo, 17, both students at Belleville High School, were medal winners in two recent invitational meets.

At the three-day Peddie Swim Festival which attracts top swimmers from New York and New Jersey, Maria won third place in the 100-yard backstroke and also received a silver medal for her part in the 13/14 400-yard freestyle relay team. Angelo, a Phoenix team-captain, swam the anchor leg of the 15/18 400-yard freestyle relay at Peddie and assisted the team to a third place win out of a field of 14 teams.

Both swimmers travelled to Westchester, Pa. recently to compete in the two-day eastern invitational meet in which swimmers from seven states and 51 different clubs competed. Preliminary time trials were held each day and finals were held in the evening for the top six places in every age group and consolation finals were held for places seven through 12 for the 13/14 and open age groups.

Maria and Angelo both swam in six events and made finals in three events. Maria placed sixth, winning a medal for her swim, in the 200-yard backstroke, in which she took nine seconds off her entry time. In the 100-yard backstroke she fought for eighth place taking two seconds off her best time in a very close race and in the 50-yard freestyle she came in 11th.

Angelo won medals for his races in the finals of the 200-yard backstroke in which he placed fifth and the 100-yard backstroke in which he received the bronze medal for his fast stroking. He also placed eighth in the 50-yard freestyle.

The Phoenix Aquatic Club is a competitive team for boys and girls ages 7 through 18 and is under the direction of head coach Joe Slowinski and two assistants. For further information on the club call Coach Slowinski at 239-5559.

Rec girls score first win of year

After dropping a 58-32 decision to Florham Park earlier in the week, the Belleville Suburban Junior Girls' basketball team scored its first victory on Saturday, a 33-32 squeaker over Springfield. Leading the scoring for the seventh and eighth grade Buccanettes were Laura Caruso, Daneen Rock and Judy Nehillia. Also making key contributions to the win were Cathy Groome, Raquel Melson, Tricia Tramutola, Ann Carlucci and Sharon De Nicola. Up by 14 points at one time in the game, Carl Corino's young squad relaxed a bit but held on to win by the one-point margin. Belleville (1-3) will travel to Livingston on Saturday for a 2 p.m. game.

Nutley Irish-Americans planning annual parade

The Nutley-Irish American Association has been organizing and planning details for its fifth annual St. Patrick's Day Parade.

This year's parade will be held on Saturday, March 12, and will step-off at 2 p.m. at the intersection of Harrison and Franklin Avenues. The parade will proceed down Franklin Avenue and end at High Street.

Organizers have been working on the project for more than two months and they anticipate that there will be 100 marching units compared to the 65 units which participated in last year's parade. Local, state and federal officials will be march and review the cavalcade.

Assemblyman John V. Kelly of Nutley, chairman of the parade, said "this year's St. Patrick's Day Parade will be even bigger and better than the one's past."

Organizations, groups or persons interested in taking part in the

parade can write to Nutley's St. Patrick's Day Parade Committee, c/o Larry Gilmore, 371 Franklin Ave., Nutley, N.J. 07110.

Soccer Association playing in tourney

The Belleville Kings, Division 4, are dominating the Bergenfield Indoor Tournament. They took on the hometown team from Bergenfield and played to a 7-0 half-time lead. Moses Ferreira was strong in goal making numerous saves. With the final 11-3 in BSA's favor, the league leading scorer, the King's Alex Araya, added four more to his totals. Mike Peloso, Steve Hywell and Oscar Valeira nailed two each and Jose Tabarez scored one. The Kings remain undefeated.

The Belleville Flash, sponsored by Casa Polizzi, Chandelier and Pro Lumber, played Inter-Lodi at the Wayne PAL Tournament. Mike Capasso was the scoring machine this week, scoring all three Flash goals, one on a penalty kick, another on an assist from Darin Sorrentino, and the third on an assist from Mike Alfano. Lodi managed a 3-3 tie even though the Flash dominated the game. Richie Pretto stopped 13 shots at goal. Mike Alfano split time at goal and saved three critical shots. Fine showing by the balanced Flash defense with strong play also from Eddie O'Hara and Donald Wohl to keep their record at 1-1-1.

At the Cougar-Adidas Invitational, the Belleville Americans, sponsored by De Bacco Bros., went up against the league leading South Orange Santos and took a 5-1 loss. Rich Searls was the player of the game, scoring a picture perfect unassisted goal mid-way through the second half. Searls intercepted the Santos pass in the Americans zone and fought off three Santos players and then with the goalie faked out, Searls hit a blast for the score. John

Latkowski and Steve Tice split goal time and both were strong. Anthony Zarillo and Rich Searls played an all around aggressive game.

The Belleville Blast, sponsored by Flowerama, were dominated by the Millburn Division 5 team 14-2. Emilio Farino scored the two Blast goals unassisted. Good play from Vinny DeSimone showed through in this game.

Grapplers continuing strong ways

(Continued from page 11.)

Four decisions came for the Bucs with Ronnie Charles edging out Bill Guerger 8-7 and C.C. Giuliano decisioning Sonny Arena 11-4. At 187, the match of the night was witnessed by the fans. Mike Gibbons was supposed to lose this match before it started. His opponent was Scott Pyper. Pyper was given three "penalty" points. Gibbons constantly fought back. Losing 7-6, with about five seconds left, Gibbons took Pyper down for the fourth time and beat him 8-7. The heavyweight spot had a newcomer, Mike Murphy. Murphy decisioned his opponent 12-3.

Paterson Kennedy was an exhibition. Most Belleville grapplers pinned with the exceptions of Cerreto, Rispoli and Stefanelli who picked up decisions and Giuffrida who had a tough time getting pinned. Now Belleville is 9-1 and should be state-ranked.

NOVENA TO ST. JUDE

This novena has never been known to fail. This novena must be said for 9 consecutive days. Publication must be promised.

Oh Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given great power to come to my assistance. Help me in my present urgent petition. In return, I promise to make your name known and call you to be invoked. St. Jude, pray for us all who invoke your aid.

Say 3 Our Father's, 3 Hail Mary's and 3 Gloria's. Amen A.S.

SHERIFF'S SALE
SUPERIOR COURT OF NEW JERSEY, CHANCERY DIVISION, ESSEX COUNTY, DOCKET NO. F-5829-81. YORKWOOD SAVINGS AND LOAN ASSOCIATION, PLAINTIFF vs. THEATRICE BULLOCK, et al DEFENDANTS. Execution For Sale of Mortgaged Premises.

Valentine's Day Pizzas Available

If you are tired of sending the one you love the typical cliché gifts for Valentine's Day, then Turano

Brothers Restaurant of Belleville has the perfect gift for you — a heart shaped pizza.

Joseph Panzitta, the owner of Turano's located on Washington Avenue came up with the idea last year and has already started taking orders for his sweetheart pizza pie this year.

"We have never done it before," Joe said, "but we were sitting around about a year ago and we decided to do it. Last year we did very well with the pie."

The pies are shaped by hand and then covered with tomato sauce and cheese. For the love birds who like a little extra on their pies, it will cost them a little extra.

"We just figure everybody would spend \$5 for their loved ones," Joe said, "and this is a special and unusual way of saying 'I Love You.'"

So, all you love birds who are looking for a change this Valentine's Day, call Turano at 751-7519.

Family Opera presents 'The Barber of Seville'

Family Opera will present the comic opera "The Barber of Seville" by Gioacchino Rossini Sunday, February 6, at 3 p.m. in the Park Theatre, 560 32nd Street, Union City.

Three artists will debut with Family Opera in this production. Figaro will be sung by Joseph Pariso, baritone. Vincent Tetoni, tenor, will sing the role of the County Almaviva. Clint Mac Gowan will sing Doctor Bartolo. Marsha Kassel, soprano, will sing Rosina. She was last heard as Musetta in this season's La Boheme. Mario Vidal, bass, will sing the comic role of Don Basilio. Candida Joseph, mezzo soprano, will sing the maid, Berta. Others in the cast include Robert Cracauer as Ambrosius, Ralph Magnifico, as an Officer, and Stig Helgren as the Notary.

Italo Marchino will be the guest conductor and Mario Vidal will be the stage director.

Dr. Herman Schlisserman and Julio Sassani will be musical director and artistic director, respectively.

Josephine Ruffino, president of Family Opera, encourages all to support this community cultural project by their attendance and by sending contributions to Family Opera, P.O. Box 7234, North Bergen, New Jersey 07047.

Ample free parking is available at Sears, Roebuck and Co. parking lots. Admissions to performances is by voluntary contribution.

1st Recreational Vehicle Show Starts Friday

The 1st Annual Recreational Vehicle Show will be held this Friday, Saturday and Sunday at the new and elegant Aspen Hotel Convention Center in Parsippany, New Jersey. The enthusiasm for this show and the positive feelings and response from dealers in recreational vehicles for display space, has according to James J. McLaughlin, show director caused him to turn down space requests making the show a sell out.

Show viewers this year will see vehicles made of materials that help reduce weight thru the use of aluminum framework and new construction application such as low maintenance outer skin, efficient block foam insulation curved side walls and interior wall panels, as a result a 27 foot motor home with 6.2 liter V8 diesel engine has gotten as much as 18 miles a gallon going 50 miles an hour, 4 more miles than previous models of this type.

Several vehicles in the show range in price from \$60,000 to \$100,000, the most expensive vehicle is a 31' aluminum shell Airstream motor home for \$85 to 100,000. The Airstream will be shown by Joe Bennett's one-stop camp shop, Manahawkin, New Jersey. Its multi features include even a built in vacuum cleaner. Two other expensive motor homes on display are the 34' Pace Arrow for \$60,000 and 35' Holiday Rambler for \$64,000. The Pace Arrow will be shown by Cedar Ridge Trailer Sales of Montague. It is 1,000 pounds lighter than

comparable ones. Another fuel efficient vehicle is the Winnebago new self contained 21' 9" motor home named the Lesharo which gets 24 miles to the gallon thru the use of front wheel drive and it's two liter diesel engine with 66 horse power. Rayewood Trailer Sales in Sussex will display the Carriage, Chateau, Sunline, and Heritage. The least expensive campers are the tent trailers for \$2,000 to \$6,000 shown by Trailrama, Andover; Camper Trailer USA, Morristown; and Dover Trailer Sales, Dover.

Show times are February 4, 5, 6, Friday, 1-10 p.m., Saturday 11 a.m.-10 p.m. Sunday, 11 a.m. to 7 p.m. Children 12 and under no charge when accompanied by a parent, children 13-15 \$1.00, Adults \$3. The Aspen Hotel Convention Center is located at 808 Route 46 West (Arlington Plaza Mall) Parsippany, New Jersey. Bring the whole family to see the latest in motor homes, minihomes, tent trailers and travel trailers.

Despite economic problems, the wholesale volume in recreational vehicles in 1982 rose 6.1% for the 10 months thru October, almost 40% for two years. This is according to figures released by the recreational vehicle industry association. More than sixty 1983 vehicles of all types will be on display, from luxurious expensive motor homes to economical tent campers, by dealers from the New Jersey area and Pennsylvania and New York.

Diet Center — no miracle, but gets those pounds off

Diet Center, an international franchise weight-control program, has been rated as the leader in its field for the third consecutive year.

Locally, Diet Center is at 166 Chestnut St. Nutley. Telephone is 667-8446.

Entrepreneur magazine's annual Franchise 500 Edition places Diet Center at the top of a list of weight-loss and fitness centers that has grown from 12 in 1979 to 34 in the 1982 survey.

"Growing consumer awareness of sound nutrition has kept Diet Center out front," says founder Sybil Ferguson. "People are no longer easily fooled into believing there is a

miracle cure for the problem of excess weight. We teach them how to eat properly so they can not only lose weight, but keep it off."

Diet Center also advanced from ninth to sixth overall, among the more than 1,300 franchise operations reviewed by the study.

Since its start in 1980, Diet Center has grown to more than 1,650 locations in the United States and Canada. The first Diet Center recently opened in London.

More than four million men, women and children have lost weight on the Diet Center program, which accounts for a monthly loss in excess of one million pounds organization-wide.

PRAYER TO THE
HOLY SPIRIT

Oh Holy Spirit, thou who art all knowing, who brightens every path that I may reach my goal, thou who givest me this divine gift of forgiveness and forgetting wrongs done unto me and who in every instant of my life art with me, I'd like in this short dialogue to affirm my gratitude for all your blessings and affirm once again that I never want to part from thee though the illusion of material things abound. My desire is to be with thee and all my loved ones in perpetual grace. Thank you for your mercy on me and mine. (Persons should pray 3 consecutive days without revealing petition. Within three days grace will be attained regardless of how difficult the petition may be.) Publish this prayer, once grace is attained. Grateful for grace attained
