## Board Committee System Must Be Changed: Hermo

By Phil White

Newly-elected School Board Trustee Frank Hermo, who was highly critical of the sub-committee system used for greater concentration of individual subjects like the annual budget, agreed this week to continue such committees, but only with some major revisions.

Hermo sided with the board majority of a 6-3 vote Monday night but only after trustees agreed to begin taking written minutes and making detailed monthly reports in public on committee activities.

During the School Board campaign, Hermo complained he was unable to find any records of committee discussions on such subjects as

preparation of the school budget, hiring of personnel and even reviews of the high school athletic program.

Trustee Jerry Restaino, who opposed sub-committees even during his last reign on the board, believes matters like the budget should be reviewed by the full board.

The majority position is that greater efficiency results when several sub-committees can meet simultaneously and later highlight pros and cons of individuals to other trustees during closed board conference sessions. The budget committee, for example, meets with each building principal and department chairman and reviews such minute details as how many pencils, reams of paper and new chairs or desks

might be required for the coming year.

Since the board adopted the committee system four years ago, the number and length of its weekly conference sessions have been reduced dramatically.

Restaino's position was supported by trustees Joseph Malanga and Carl Perez. Malanga and Perez, however, said they had "no problems" with retaining both the athletic and negotiations committees. Perez was reappointed by Tangorra Monday night to serve another year as athletic committee chairman.

Kucinski was primarily responsible for saving the committee system this week. He attempted to persuade Malanga to change his mind, suggesting that Malanga had a "negative view of the committee system because you were assigned to minor committees during your first year by the board president (Ann Rabinowitz)."

Kucinski was elected for the first time to the board as Malanga, but says Kucinski, "I was given better committees and was kept better informed. Mr. Malanga was not."

At one point during the past year, Malanga was denied access to a committee meeting dealing with labor contract negotiations with the Nutley teachers union. At the time, board members suggested that Malanga was revealing secret positions on negotiations to the Nutley teachers' union. Malanga is a teacher himself and had considerable support during his election campaign from labor leaders with the Nutley Educational Association.

The debate on the pros and cons of the committee session lasted for nearly an hour Monday night.

### Dorothy Allison To Take Test On National TV

Nutley psychic Dorothy Allison has agreed to take a lie-detector test two nights next week on national television.

She will appear with noted attorney F. Lee Bailey at 12:30 a.m. Monday and Tuesday night on WOR-TV, Channel 9, whose signal is beamed by satellite to all 50 states.

Spokesman for the television series, "Lie Detector," says Dorothy Allison has agreed to be wired to the lie detector, and then submit to questioning by Mr. Bailey.

### Griwert, Rabinowitz Hold Opposing Opinions

## New Education Bill Stirs Local Reaction

By Michael C. Gabriele

John Griwert was one of many who cheered the passage of bill A-585 in the State Assembly. Griwert, president of the local teacher's union, was a strong supporter of the bill which would allow teachers the right to negotiate issues that had been mandated as exclusive administrative policies for local school boards since 1979.

While Griwert was strongly in favor of the bill, former School Board president Ann Rabinowitz was very definitely against it. Rabinowitz called the bill "a remarkably irresponsible piece of legislation."

Bill A-585, which passed the Assembly by a 59-14 margin last week, would allow teacher unions to negotiate noneconomic, "permissive topics," such as class size, involuntary teacher transfers, student testing, homework, curriculum and the length of the school year. The State Supreme Court's 1979 Richfield Park decision had made such issues the exclusive domain of local school boards as being management decisions. Such items could not be raised during contract negotiations. Bill A-585 would change that policy, affecting not only teachers but all public employees. But before the bill becomes law it must go through the State Senate — where it is expected to pass — and get the signature of Governor Thomas Kean. John Kelly and Buddy Fortunato, who represent township residents in the Assembly, both voted yes for bill A-585.

Griwert attended the Assembly vote last week, along with Claire Fennel, as an aid for John Kelly.

"The teacher's union (New Jersey Education Association) had an awful lot to do with getting this bill pas-

sed," Griwert said last Friday afternoon. "The union lobbied very hard to get the bill through the Assembly. In a tough election year nobody wants to offend a 120,000 member union." Griwert's term as president of the local teacher's union will expire at the end of this month. Cindi DeBonis of Franklin School, vice president of the union for the past four years, will become the new president.

"Everything that we lost (the Richfield Park decision of 1979) we plan to ask back at the next contract negotiation," Griwert continued, speaking for himself and not the union. "We lost a significant number of issues to negotiate over the years. All we are saying is that teachers have the right to bring up these 'permissive topics' at the bargaining table."

"I think that this bill is a remarkably irresponsible piece of legislation," school board member Ann Rabinowitz charged. "At a time

when everyone is concerned about the quality of education it is unconscionable to put such core education issues up for grabs. I hope that the bill doesn't pass in the Senate. This is a very serious matter, and parents in the community should be made aware of it," she said.

"It's a little premature to get excited about the bill. There's a long way to go before it becomes a law," Griwert said. "The school board would have you believe that teachers will be holding a gun to their head and taking all policy decisions out of their hands. But if the school board is doing their job they're not going to give away the store. The teachers feel that they have the right to negotiate issues like homework, class size and involuntary transfers."

"Mr. Griwert knows that teachers have enormous input with regard to planning and policy,"

## 400 Balloons Will Fly From Yantacaw May 18

Four hundred red, white and blue balloons will be launched next Wednesday, May 18, from the Yantacaw School playground to help support the restoration of the Statue of Liberty and Ellis Island.

Each of the 400 balloons contains a small piece of paper, written and placed there by Yantacaw School youngsters, that encourages the message's finder to support the refurbishing of the two great American landmarks.

The balloon launching will take place at approximately 10 a.m. The

launching culminates months of reading and researching by Yantacaw's pupils about the history of Miss Liberty. With the statue's centennial celebration in 1986, the students will have participated in preserving one of the greatest symbols of freedom in the world.

Donations to the Ellis Island/Statue of Liberty Renovation Project may be sent to: The Statue of Liberty-Ellis Island Foundation, Inc., P.O. Box 1986, New York City, N.Y.

## Immigration Verdict Allows Patti to Stay

The news at St. Mary's School last week was good — Patti Ravancho will be allowed to stay in this country at least two more months and will be able to graduate with her class.

A meeting last Thursday morning at the State Immigration office in Newark decided to grant Patti and her family a two-month extension to remain in this country. The Ravancho family had faced a deportation order deadline last Friday, which stemmed from allegations that they had entered the country from the Philippines as illegal aliens in 1968. The deportation order would have forced Patti — a 13-year-old American citizen — to miss her school graduation.

"The situation concerning Patti was the overriding factor in our decision to grant the Ravancho family an extension," District Immigration Director James W. Pomeroy said last Thursday afternoon. "We didn't want to deprive her of her school graduation. We were very concerned about her situation." Pomeroy said that the family will be granted an extension until June 30. At that time, the situation will be reviewed to determine the fate of the family.

"We are very happy with the decision allowing the Ravancho family to stay," attorney Ronald Fleury said. Fleury, associated with the N.Y. law firm of Barst, Muckamal and Babitt, is one of the lawyers representing the Ravancho family in the deportation case.

"We still plan to seek permanent residency for the Ravancho family," Fleury contended. "They still want to remain in this country. Their daughter Patti is an American citizen." According to Fleury, a bill which may soon pass the U.S. Senate could allow the Ravancho family to remain in this country. The bill would grant amnesty to illegal aliens living in the United States.

Another factor in delaying the deportation order was the interest in the case expressed by N.J. Senator Frank Lautenberg. Two weeks ago Lautenberg had sent a letter to Pomeroy, requesting a status report on the case and raising the possibility of a delay in the deportation order.

Last week attorney Fleury had accused the State Immigration office of acting with vengeance against the Ravancho family, due to their many years of appeals against a deportation order. He had claimed that Pomeroy held the power of "life and death" in his hands, and that it was within his power as Immigration Director to make "a reasonable and humanitarian discretionary judgment in the case."

The family had gotten plane tickets and passports as a sign of good faith, to prove to the Immigration office that they were willing to comply with the law whatever the decision was in the deportation order. Their case will again be reviewed by the Newark immigration office at the end of June.

## Hose One Dedication Sunday At Owens

Fire Department Hose Company Number One will have a dedication and commemorative celebration this Sunday at Monsignor Owens Park.

The celebration will commemorate the arrival of Nutley's newest fire engine, a Mack 1250 gallon-a-minute pumper, which was purchased for the fire company by the township through a special grant.

Hose Company One invites all residents to attend the festivities which will run from 1 to 6 p.m. The afternoon will feature one of the largest gatherings of fire engines in Nutley in many years. There will be music, refreshments and entertainment.

"It's going to be a great afternoon," George Fabricatore, president of Hose Company Number One, commented. "The celebration will give the community a chance to see Nutley's newest firefighting equipment."

Hose One is one of Nutley's oldest fire companies, organized in October, 1894. The company was originally called the "Avondale Company." Its first "fire engine" was a used hand-drawn hose cart. Eventually the hand-drawn hose cart was retired and replaced by a horse drawn hose cart. In 1924 Hose Company One received its first motorized fire engine, a Reo truck chassis adapted from the horse drawn cart. To raise funds to offset the cost of

## Trout Contest in Park

**Proud Fisherman** — David Luzzi, five, proudly displays the fish he caught last Saturday in Memorial Park. The Parks and Recreation department sponsored a trout fishing contest and stocked the Mud Hole with over 350 fish. Ten-year-old Nestor Hill was the first to catch a fish among the many who turned out for the contest.

Grand Opening — Ritacco Bros. Pizza celebrated its grand opening May 5. The line up for the Chamber of Commerce ribbon cutting ceremonies includes Joseph Sumowski, Chamber membership chairman, Dominick Ritacco, Lou Ritacco, Helen DiGiacomo, George Ritacco, Robert Brouillard, Chamber president, Carl Orechio and Anthony Drollas. The new pizzeria is located at 18 Washington Ave.

## Jaycees Awards Dinner Saturday at Friar Tuck

Seven Nutley Jaycees will receive awards this Saturday at the local chapter's 28th annual Installation-Awards Dinner at the Friar Tuck Inn, Cedar Grove.

One long-time Jaycee will be inducted into the United States Jaycees' National Senate for his outstanding local contributions.

Newly elected officers will also be

installed. They include Vito Liloia, president; Joe Corrinio, John Campanile and Don Vicaro, vice presidents; George Biondi, secretary; Bill Dougherty treasurer and Mark Nardone, Ken Vara, Tim Tanko, Ken Tice and Mike Olohan, directors.

Local young men aged 18-35 are eligible to join the Jaycees. For information, call Liloia at 759-7744 or Olohan at 661-2733.

## Blood Drawing Set for May 23

The final Red Cross blood bank of the season will be held May 23, 2 to 7 p.m. at the Red Cross Chapter House, 169 Chestnut St.

Residents between the ages of 17 and 66, weighing at least 110 pounds, are eligible. Parking for blood donors will be available in the adjacent Masonic Temple parking lot.

As a bonus for giving blood, each donor will receive a year long free blood insurance family program.

More information on the blood bank is available by calling the Red Cross at 667-3818 or Alice Lester at 667-7144.

## Tax Assistance Program Aids 30 Nutleyites

April 15 marked the end of Nutley's first volunteer income tax assistance program at Nutley Public Library. The program was devised by the IRS to assist taxpayers who cannot afford to pay a tax preparer.

IRS is responsible for training volunteers and provides special forms, manuals, and a telephone "hot line" for their use.

Margaret Farabaugh, Nutley coordinator, says she was pleased with the program's first year, noting that "30 people got help this year. I wonder how they would have coped without volunteers. We had only four volunteers this year and hope to recruit more for next year so that additional assistance can be given."

Library Director Susan Persak was also pleased with the help given this year. "The first year of a new program is usually rough, but the program ran smoothly and well."

## Tot Finder Emblem At Fire Department

Township fire marshal Fred Scalera has initiated a new Tot Finder fire safety program for Nutley. Residents are urged to pick up a free window emblem and a fire safety book at the Fire Department office on Chestnut Street.

The Nutley Elks recently sponsored a drive to purchase the familiar reflecting "Tot Finder" window emblem for township homes. According to Scalera, the window emblem is a proven aid to firemen during the rescue of children.

For more information, call 667-3300, extension 216.

## Chamber of Commerce Column

Big events are in store for Nutley in the next few weeks. On May 29th the 12th Annual Tour of Nutley Bicycle Race will be held. This event has become one of the very important contests in a series of international cycling meets.

In recent years, Nutley has played host to over 20,000 spectators during the four hours of competition. This year is expected to be equally as well attended.

There will be well-known American and Canadian riders as well as European, South American and Caribbean riders here because the Tour of Nutley is a qualifying event for the Olympic Cycling teams and Junior World Championship teams.

On June 3rd and 4th, the Chamber of Commerce will sponsor a Spring Sidewalk Sale which promises to provide many opportunities for bargain hunters. We expect all retail members of the Chamber to participate. Please call the Chamber office for particulars.

## Fine and Industrial Arts Fair May 18-20

By John Argenziano

The annual Nutley Fine and Industrial Arts Fair will be held May 18, 19 and 20 in the Nutley High School gym. Classes represented in the fair include wood and metal shop, graphic arts, auto mechanics, electronics, mechanical drawing, art, photography, foods, crafts, clothing and cooperative office/industrial education.

"The arts fair is the highlight of our year, and the culmination of the work of both teachers and students," commented Joseph Mattiucci, head of the Industrial Arts Department at NHS. "This year's show is even

more festive than last year's."

During the course of the festival, 200 students will display their skills by giving live demonstrations of what they have learned. In addition to this, there will be several static displays including paintings, photographs and videotape movies.

Parents and students from neighboring schools, as well as local, county, state and national officials, have all received invitations to the arts fair. President Ronald Reagan was also invited.

Following the Industrial Arts Fair will be a music festival, featuring the NHS band, orchestra and choralettes.

## Fairleigh Founder to Speak At Unico National Ball

Dr. Peter Sammartino, chancellor of Fairleigh Dickinson University, will be guest speaker at the Nutley Chapter Unico National Ball May 21 at the ITT Clubhouse on River Road. Sammartino is the first Italian/American founder of a university in America.

Faith Foppiani, 1983 Unico National-Nutley Chapter scholarship recipient, will also attend. She was selected on the basis of scholarship, extra curricular ac-

tivities and varied community interests.

Tickets for the charity ball are \$37.50 per person. A cocktail hour at 7 p.m. will be followed by a prime rib dinner and open bar.

A limited number of tickets are still available. Reservations are being accepted on an individual basis and for tables of 8 or 10. Contact Frank Biancola at 751-3892 or Anthony Ferlazzo, president, at 667-7634.

## Clara Maass Schedules Health Fair On Saturday

An action-packed free health fair will be held at Clara Maass Medical Center Saturday, May 14, from 10 a.m. to 4 p.m., during National Hospital Week.

This year's theme is "Think Of Us As Family."

"This theme," says Robert S. Curtis, medical center executive director, "expresses the sentiment that we think of the community as an extension of our hospital family. Community residents can count on us for the human touch."

Free health screenings will include vision, hemocult, which tests

for colon cancer, oral cancer, blood pressure, and height and weight. Choking Charlie will make an appearance for the Heimlich Maneuver demonstration. Also, the breast self-examination display will be explained in-depth.

Representatives of Blue Cross/Blue Shield and the American Diabetes Association will answer questions.

Health films will be shown on "How to Relax," "All About Sugar," and a feisty senior/citizen who lives life to the fullest.

## State Banking Association Headed for Atlantic City

Atlantic City, one of the premier economic growth areas of the state, will be the setting for the 80th Annual Convention of the New Jersey Bankers Association at Resorts International Hotel, May 15-18.

Economic projections for the entire state will also be reviewed at the convention by a panel of leading New Jersey industrialists who will analyze the state's current and future business climate.

## School Board Responsibility

The April School Board election is now history. The current board membership reflects the addition of two new faces, former School Board Trustee Jerry Restaino and newcomer Frank Hermo. The organizational meeting of the School Board which took place two weeks ago was not one that many people would like to remember — but it served a very useful purpose. The strain, stress, and pressures of an intensely fought campaign had to find a release. Such a release of these pent-up emotions found a vehicle in the election of the board vicepresident. The issue had no educational significance, thus, controversy over the selection of a School Board vicepresident did no harm to the school system nor to the children and taxpayers the School Board serves.

Viewing the School Board session on OBC television became an enjoyable TV evening. It told a lot about the membership of the School Board. The proceedings revealed some of the resourceful speaking skills of School Board members. Some members' wisdom was reflected in their brilliant silence — while others resorted to appropriate, and inappropriate, comments. The bottom line, however is the fact that all Board members are dedicated although reserving for themselves different philosophical approaches to how a school system should be functioning.

This week a majority of School Board members voted to continue the committee system. There is much to be said in defense of both sides of the issue. We believe the most effective table of organization for the Nutley School Board would be a hybrid — a mix of individual committees and the board functioning as a Committee of The Whole.

The School Board members are now settling into their jobs. We perceived a higher degree of personal responsibility in this weeks meeting over the organizational meeting of two weeks ago.

The test of true board responsibility is to be found in the future. There is no record that would lead us to believe the administration of Dr. James Fadule has not improved the quality of education available to our students. We believe Dr. Fadule's four-year record has earned for him the respect and support of Nutley residents interested in quality education. Dr. Fadule has our unqualified support.

## Public Transportation

In 1948 a Town Commissioner was re-elected primarily on one issue campaign — better public transportation. The re-elected Town commissioner was the late Theodore DeMuro. Immediately following the post-war years Nutley did indeed experience expanding public transit services. Thirty-five years later, Nutley, in common with its sister cities, experiences convulsive decreases in its public transportation facilities.

Commissioner Harry Chenoweth, a New York commuter for many years before retiring recently, is loud in his protest over the cutback in transportation. Harry's complaint is well taken. Adequate public transportation should be provided for community residents. Most public transportation operated by a

governmental agency, is subsidized. It may well be that a subsidy is essential to maintain adequate public transportation for all sections of Nutley.

We continue to experience a lack of adequate transportation among and between communities of Nutley, Belleville, and Bloomfield. The Essex County Transportation Board should be requested to examine the possibility of a public transportation belt linking these three communities, for they have much in common.

## Speak-Up!

### Question of Video Slots Resolved by Legislature

To The Editor:

The Nutley Concerned Citizens appreciates the publishing of our letter of Jan. 29 concerning the possibility of video slots in New Jersey. However, since that time, events have occurred which have resolved that problem. On March 1, the New Jersey Legislature passed legislation that effectively killed the concept of video slots.

The Nutley Sun's editorial of April 14 concerned another local issue — "commercial vehicles." Nutley Concerned Citizens commends the Sun's awareness of this problem and the recommendation that town officials enforce existing laws regulating this practice — laws which were enacted to improve the quality of life and appearance throughout the town of Nutley.

One of the functions of the Concerned Citizens is also to maintain and improve the quality of life in Nutley. We welcome all townspeople to our monthly meetings which are held the last Tuesday of every month, 8 p.m.,

44 Park Ave., Parks and Recreation Building.

Sincerely yours,  
Eileen Mattone, president  
Nutley Concerned Citizens

### Student Recalls Life Under Miss Ann Troy

To the editor:

In the Nutley Sun issue of March 17, the picture of Miss Anne Troy celebrating her 93rd birthday revived pleasant memories of my younger days as a student of Miss Troy's in the 20's.

It is nice to know that Miss Troy is still with us and appropriately as Nutley historian. I am writing this to ask you to send me the address of the Miss Troy Fund if possible. Thank you.

## 100 Million Animals Die In American Laboratories

To the editor:

Every year more than 100 million animals die in American laboratories. Live animals used as "research tools" are commonly burned, starved, poisoned, irradiated, surgically mutilated and kept in restraining devices for long periods of time. We're paying for it with four billion of our tax dollars every year. And animals who feel pain and suffer just as humans do, are paying for it with their pain and lives. Most experiments take place behind the locked doors of government agencies, drug and cosmetic companies, and universities. The U.S. military kills thousands of animals testing nuclear

and chemical warfare. The general public is unaware that the majority of animal experiments are not vital to their health and that alternative methods are more reliable. Although powerful pressure groups try to justify using animals, nothing can justify taking one creature's life to possibly save another.

April 24, people all over the world simultaneously protested the use of animals in research. If one person spoke for every animal, the suffering would end.

Sincerely,  
Thomas J. Booth

## Reader Proposes Slogan To Highlight State's Variety

To the editor:

In the Asbury Park Press dated April 7th, the new state slogan appeared, New Jersey and You — Perfect Together, does not seem a very catching slogan to the writer, even though proposed by the advertising firm of Bozell and Jacobs.

My thought as a catching slogan "New Jersey the Variety State" would be more appropriate, with a little bit of everything for everyone as an after thought.

If people envision our state, we are centrally located, a state with changing seasons for business and pleasure.

We are a cosmopolitan state, with likeable sections for summer fun, mountains and flat lands for all to enjoy, winter sports and amusement areas for continued enjoyment. Cultural

centers, theaters and like for opera and stage performances, along with the Atlantic City resorts area, for personal pleasures.

Our state with every opportunity for business and industry, centrally located for opportunity to markets and port areas.

Our cities are making a comeback by investment in the future, rebuilding and rehabilitating old buildings and open areas for parks for all to enjoy.

New Jersey the Variety State — would also suggest a more favorable bumper sticker.

To every citizen I say, what do you think.

Sincerely,  
Philip W. Bell

## Restaino Only Champion Of New Band Uniforms

To the editor:

(An open letter to Jerry Restaino:)

Heartfelt congratulations on your election to the Board of Education. There isn't a more deserving person.

Some years ago we were members of the Band Parents Association and our son an N.H.S. Cadet Band member. It was the year of the request for new uniforms and you, Jerry, were the one and only "champion" of our cause.

While everyone else was finding a reason to exclude them from the budget, you went to bat for our kids. But then again, that's just being you!

We have never forgotten your care and concern and we're sure the other parents and the children themselves haven't either.

So Jerry, when those uniforms pass by in a parade, a concert or on the football field, you can stand back, smile and

say it was well worth the effort. We're sure that we speak for all of us who will always be indebted to you.

Good luck and God Bless, to you, the Restaino family and your "Board" family.

Paula and Leon Cohen

## Brian Farias Featured In May 22 Pops Concert

Nutley musician Brian Farias has  
been chosen to be the soloist with the  
Nutley Symphony Orchestra in its  
annual Pops Concert Sunday, May  
22 at 3 p.m. at Nutley High School.  
Farias will be featured in Mozart's  
Clarinet Concerto in A Major.

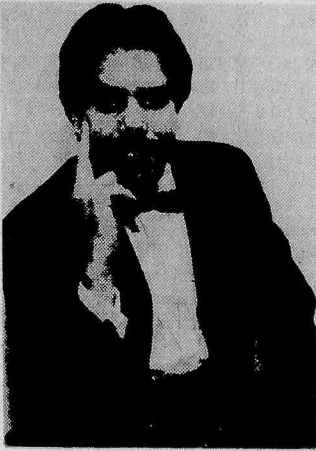

Farias, a Princeton Street resi-  
dent, is a student at Boston Conser-  
vatory, where he is studying a variety  
of musical instruments. He  
graduated from Nutley High School  
in 1980.

He has performed with the  
Nutley High Orchestra, the Nutley  
Symphony, Marlboro Symphony  
Orchestra, the Boston Conservatory  
Orchestra and the Boston Civic  
Orchestra. He also has played for  
numerous musical comedies and in  
several drum and bugle corps ensem-  
bles on the baritone horn.

Farias was a member of the All-  
State High School Band for several  
years. In addition to his musical  
studies at Boston Conservatory, he  
has been teaching at schools in

Newton and Brookline, Mass.

The Mozart work he will play  
with the Nutley orchestra is regarded  
as one of the most rigorous tests for  
clarinet in the literature. Dr. Ernest  
J. Ersfeld will conduct.

## Ramapo College to Honor Former Roche President

Robert B. Clark, former presi-  
dent and chief executive officer of  
Hoffmann-La Roche, is one of eight  
founding members of the Ramapo  
College Board of Trustees who will  
be honored at the First Distinguished  
Citizens Awards dinner at the college  
this Sunday.

Others being honored include Dr.  
Saul Amarel, Princeton; Don E.  
Carter, Miami, Fla.; Dickinson R.  
Debevoise, Short Hills; Norma W.  
Jones, West Orange; Seymour Herr,  
Teaneck; William MacKay, Ad-  
vance, N.C., formerly of Upper  
Montclair and Florence Thomases,  
Englewood.

Clark, who lives in Madison, was  
the first chairman of the Ramapo  
trustee board, serving in the post  
from the board's organization in  
1969 until 1971. He continued as a  
board member until 1975.

Before joining Hoffmann-La  
Roche as executive vice president in  
1968, Clark was senior vice president  
with Warner Lambert Phar-  
maceutical Company and president  
of the company's Warner-Chilcott  
Laboratories Division. Currently a

director of Hoffmann-La Roche, he  
is also a director of the Fidelity  
Union Bank and on the boards of the  
Fidelity Union Bancorporation and  
the Interpace Corporation.

Tickets for the dinner are \$100  
and may be obtained by contacting  
the Office of Research and Develop-  
ment at Ramapo. Proceeds will be  
used to provide funds for  
scholarships, special projects, and  
other essential needs at the four-year  
state college. Call 825-2800, ext. 328  
for tickets and information.

new fire engine. Residents who  
purchase a mug will be entitled to  
complementary beer, soda and hot  
dogs during the event.

The last commemorative mug,  
which was offered to local residents,  
was the "Nutley 75th Anniversary"  
mug made in 1977.

At 3 p.m. local and state officials  
will gather with members of

neighboring fire departments to of-  
ficially dedicate the fire engine.

For further information on the  
celebration call Phil Nicolette,  
chairman of the event, at 667-6824.  
Other members of the committee are  
Frank Jarvis, John Tiene, Ed  
Hamilton, John Tomburo, George  
Fabricaore, Fred Scalera, Tom  
Iversen and Howard Yorke.

**WHY BERNIES?**

**I'LL TELL YOU**

**WHY!**

Hello, I'm Olive. For any of you who don't know me, I'm a salesperson at out Styertowne Bernie's Youth Center. I've clothed many of you through the years - in some cases, even your moms and dads. So I know what I'm talking about when it comes to children's clothing.

In my years in the business I've seen it all. All of the fads (the poodle skirt is coming back by the way!), the changing styles, the rise of the malls...I've seen the big "discounters" come and go and I've seen once-giant manufacturers fall by the wayside.

Basically my message is simple. Throughout the years Bernies has stood for one thing - a constant in an ever-changing world. They've stood for Quality at a Fair Price. (Believe me, I've been around. I know what quality is and I know what fair is!) I guess that constant is the reason for their - what am I saying? **our** success.

And when you couple that with expert salespeople (if I do say so myself!), the best selection around, and oh, those Spring Sales!!, there's just no reason to shop anywhere else.

## Widow Should Enter 'Mainstream' of Life

Dear Community Mental Health Services:

I've been recently widowed (seven months ago) and my friends have been suggesting that I date. I suppose it would be good for me, but I feel too guilty. Can you help?

Dear Mixed Feelings,

You obviously suffered a great loss and full recuperation does take time. It is advisable that you once again enter the stream of life, but you need to do it at a pace which is comfortable for you. Your guilt feelings are natural and will diminish. You might try thinking of dating as a way to expand your friendship and activities. Many women fear that the sexual pressures will be too great. If you remember that you are in control of responses and that you will become closer with another only when you are ready for intimacy, I think you'll find dating a rewarding experience. No one will ever take your husband's special place but others can help you enjoy life and open your heart to different and special relationships. Good luck to you!

(The Community Mental Health Services of Belleville, Bloomfield and Nutley is a non-profit agency serving the community. For information, call 751-1630. Send letters to: CMHS Hotline, c/o Irving W. Hahn, Community Mental Health Services, 570 Belleville Ave., Belleville, N.J. 07109.)

## Essex Film Club To Show 'The Wind' Saturday Evening

Lillian Gish's favorite film, "The Wind," will be screened by the Essex Film Club at its regular screening session May 14 at 8 p.m.

The club, the oldest in the United States, has regular performances of the great cinema classics of the past that can no longer be seen in the theaters or on television. "The Wind" was released in 1928 and directed by the famous Swedish actor and director, Victor Seastrom. Pianist Stuart Oderman plays the music that accompanies this celebrated silent classic.

To honor the birthday of comedian W.C. Fields, the club will also have the sound film, "The Pharmacist" on the program.

The Essex Film Club is located at 263 Harrison Street and all film fans are welcome. Non-members are asked to make a small contribution to the film preservation fund.

## Museum to Observe Third Anniversary Of Troy Gallery

Plans have been made for the third anniversary observance of the opening of the Ann A. Troy Gallery at the Nutley Museum, 65 Church St. Events include an architectural exhibit of Nutley titled, "Space and Perspective" and the third annual outdoor art show and sale.

The exhibit will be on view beginning Saturday, May 14 through May 29, 1 to 4 p.m. The outdoor art show and sale will be held Sunday, May 15, 1 to 4 p.m. on the grounds of the museum. Area artists interested in participating should call 235-1030 after 3 p.m. prior to May 14.

Participants in the Architectural Sampler Bus Tour of Northwest Essex County May 15 will be dropping by. Members of the Nutley Historical Society will serve as docents and provide refreshments. For more information on the bus tour, call 744-1717.

## Baseball Sketches By Jean Malizia In Library Exhibit

Nutley Public Library is now displaying a collection of pencil and pastel sketches of famous baseball figures created by Mrs. Jean Malizia, a local Nutley artist.

Malizia's major area of interest in art was fashion and figure studies. She graduated from Traphagen School of Fashion Art in New York City and further pursued her studies with the Art Students League. Malizia was a fashion artist for Tobe Fashion Consultants in New York's garment district for several years.

Her work has been exhibited in numerous shows and competitions throughout New Jersey, most recently at the Bloomfield Public Library and the 1983 National Miniature Art Show in Nutley.

Malizia actively participates in many local art associations including the Nutley Art Group, the Art Center of New Jersey and the Bloomfield Art League.

The exhibit may be viewed every day Monday through Saturday and on Monday, Tuesday and Thursday evenings, now through May 31.

The American Legion Auxiliary, Nutley Unit 70, will hold a Chinese auction June 3, 7:30 p.m. at the Post Home, 45 Franklin Ave. Tickets are \$3 and may be

## Roger Petersen Will lead Walk Thru New Testament

Vincent United Methodist Church will host a Walk Thru the New Testament seminar May 14 at the church, 100 Vincent Place. The seminar will be taught by Roger Petersen of Woodbridge, a graduate of Philadelphia College of the Bible with a major in Bible and a minor in Christian education.

After graduation, Petersen toured the Holy Land and then returned to his home town of Woodbridge where he accepted a position as minister of education in his home church, Woodbridge Gospel Church. In this capacity, he specialized in small group teaching, creative worship services and personal growth workshops. Over the years, he has had extensive involvement with the Christian Service Brigade, serving on the local, regional and national level. Many of Petersen's Bible studies and articles have appeared in the Brigade's national publications.

For more information, call the church office at 667-5440.

**Umberto's Corner**

Dear Umberto,

My mother wants me to give her a permanent. I told her that before winding her hair on the rods, we should do a patch test. She told me to give her the perm without worrying about the patch test.

Once when I was in your shop, I heard you talking about a patch test, so I told her about it. I am convinced she should take one but now I don't know how to administer it. Could you please instruct me?

Patch Test Daughter & Refusing Mother

Dear Patch Test Daughter,

Before you give a permanent, for the health of the recipient, it is imperative that you first administer a patch test. This is to check whether or not the person is allergic. It is as simple as 1-2-3. Take a piece of cotton saturated with the lotion, and touch her elbow or behind her ear. Wait 24 hours. If her skin becomes irritated, she is allergic. DO NOT give her a permanent! By doing so, her face or eyes may swell up and she may get sores on her head.

If there is no reaction to the patch test, go ahead with her perm.

But remember, for the sake of your health, a patch test is most important.

Yours,  
Umberto

### COMPREHENSIVE COVERAGE

By Bob  
Brouillard

Somewhere I read that Robinson Crusoe was the first to say, "Thank God it's Friday."

Have you noticed that in most restaurants today the food is frozen and the help fresh?

The 17-year-old boy was trying to convince his father that he should be allowed to start driving the brand-new family car. "Give me three concrete reasons why I shouldn't drive it!" The father calmly replied, "Franklin Avenue, Centre Street, and Route 21."

We should all be very grateful for baseball. Without millions of kids wouldn't know what a millionaire looks like.

If you would like to be a millionaire by the time you reach age 45, stop in or call our office and ask for a copy of our "How to Become a Millionaire" Guide. Our modern life insurance and investment programs can help, too. We can provide the tools. The rest is up to you.

# AARP Planning Shift In Year's Programming

By Karl Greene

When April steps aside for May,  
Like diamonds, all the rain drops glisten;  
Fresh violets open every day,  
To some new bird, each day we listen.

A couple of weeks ago, I mentioned some of the services of the Nutley Health Department. Today there is a chest X-ray clinic at Clara Maas from 3-5 p.m., and one on the 26th from 3-5, both by appointment only, Monday May 16 and May 23 and Thursday May 19 there is blood testing at the Health Department on Chestnut Street from 1-4 p.m. Tuesday the 17th there is blood pressure screening from 1-4. ALL these programs are by appointment only. Call the Health Department at 667-2800.

The AARP Executive Board met last week and discussed plans for the coming year. There are plenty of ideas for a shift in the programming to make the meetings more interesting, and more trips and tours are planned. Your ideas are valuable, so contact Bernie Gallagher or this writer with your ideas, suggestions, criticisms, or whatever, and the Nutley Chapter of AARP will try to respond. You'll be hearing more on this subject as plans develop. The installation of officers is today at the Nutley Manor, and there will be more on this in next week's column.

Engine 3 of the Nutley Fire Department is having "Wetdown '83" at Monsignor Owens park next Sunday from 1-6 p.m., to celebrate the arrival of a new Mak pumper. It will be quite a party, and everyone is sure to have a good time.

Nutley is very fortunate to have, in addition to their fine paid fire department, a really dedicated volunteer fire department. These volunteers are fully trained. They must attend school at Bergen County Fire College, and learn basic and advanced fire fighting techniques, driving, and safety skills. Graduation is on a college level. There are 25 trainees in the local Civil Defense organization. These teenagers are a primary source of new volunteer firemen when they reach the age of 21. While in Civil Defense, they receive their training from experienced members of the Nutley Volunteer Fire Department.

The Nutley Fire Chief and the three Assistant Chiefs are all volunteers. The volunteer firemen answered 169 calls in 1982; 164 in 1981; and 167 alarms in 1980. They attend two drills a month. One of the volunteers has about 56 years of service, and one has almost 54 years! Many have more than 30 years of service.

There are 75 unsalaried volunteers who buy their own uniforms. Even if all 75 responded to all the fires in Nutley, the maximum cost to the Township would be only \$11,250 in expenses, and no salaries. If they were paid firemen, it would cost the Township well in excess of one and one half million dollars! Have you hugged a volunteer fireman lately?

Last week the Golden Age ladies signed up for three busloads to go to Evelyn's in Belmar on May 16 and 17. It's very popular, and the food is excellent. They also get about an hour to stroll on the boardwalk at Asbury Park, so it should be a fine trip. Also on the program was Rose Hoeg who told the ladies about the Friendly Visitors. This is an excellent program, staffed by volunteers who telephone and/or visit homebound seniors. It is very reassuring to those called or visited, and very rewarding (but not financially) for the volunteers. Visits are made to anyone 60 or older who, because of chronic illness, physical handicap, or life circumstances is alone or feels in need of companionship. If you know of anyone needing this service, or if you think you'd like to volunteer to either telephone or visit, please call the Friendly Visitors at 751-1750. It is part of the Community Mental Health Services of Bloomfield, Belleville, and Nutley.

# Griwert, Rabinowitz Differ on Bill A-585

(Continued from page one)

Rabinowitz countered. "Obviously, teachers should be consulted in certain areas, and we've gotten superb cooperation from the union in the past. But the bottom line is that these are managerial decisions and must remain that way. The school board represents the community and must deliver service to the children. It isn't up to the teacher's union to make managerial policy decisions. They represent the interests of the teachers, not the community. It is up to the board to make the decisions with regard to 'permissive topics,' not the teacher's union."

"I think that there is a positive side for the board if the bill becomes law," Griwert observed. "For years the school board has had its hands tied in contract negotiations with permissive topic give backs. If bill A-585 becomes law both sides become free to bargain these issues. There would be more give and take on both sides. That's what negotiating is all about. Maybe the teachers would accept a slightly smaller increase in wages if we could negotiate class size or homework policies. It could end up saving money for the taxpayers in the long run."

"Sure, that is the temptation," Rabinowitz said. "If we had to bargain such issues as homework or class size the system would be in big trouble. We have sent a powerful message that we are looking for quality education. If this bill passes, there would be no accountability in important education issues and policy decisions. They would get bargained away to save a few dollars. The fact is that over the years teacher unions have resisted curriculum changes."

"I am in favor of the collective bargaining process," Rabinowitz continued. "It is the proper right of unions and management to bargain policy decisions in the private sector. But education issues represent the community and public rights shouldn't be allowed to be bargained away during a contract negotiation. The board has made major improvements in the school system here during the last six years. The improvements were based upon policy deci-

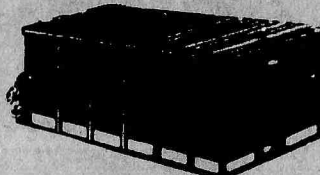

sions such as homework, testing, and teacher transfers. Those are the items which would become open to negotiation if bill A-585 is passed. There are important managerial education policy decisions which only the board should make. It is not appropriate for these decisions to become part of the collective bargaining process. If a law is passed to permit this it would severely hamper the board. If we have to bargain homework policy or the length of the school year, we would be in serious trouble." Rabinowitz went on to say that she has gotten along well with Griwert with regard to negotiations. She also said that teachers should be paid more.

Griwert said that under the current restrictions to negotiate "permissive topics" the school board can and has forced teachers to coach sports against a teacher's wishes. In fact, Griwert said that last year the board refused to accept the resignation of a head high school coach. "Now you can't tell me that is fair," he said.

He went on to say that the board also has the right to take a teacher out of a driver education program (which provides extra pay for teachers) and force a teacher to participate in an intermural sports program. Local teachers are currently in the first year of a two year contract. Griwert said that new contract negotiations would begin next November.

Les Aaron, the attorney who successfully argued the 1979 Richfield Park decision for the State school board association, is also the attorney for the local board.

## Maroon Linksters Remain Undefeated

Lampariello, O'Shaughnessy, Infald Shoot 39 In Triangular Match; Team Record Now 11-0

By Michael C. Gabriele

There's just no stopping the Raider golf team. At this rate they will soon be known as the "legendary linksters of Nutley."

The legendary linksters kept their claim to fame as being the only undefeated Maroon Spring sports squad. The golfers pushed their record to 11-0 with a win this past Monday against Passaic Valley at Hendricks field in Belleville.

Nutley outstroked the Valley team 178 to 195. The teams played on the total stroke system. Robert

Restaino led the linksters with a 41 over nine holes. Bill Infald shot a 44, Bob O'Shaughnessy 45 and Scott Lampariello a 48.

"We're the best. We're the only undefeated team in Nutley," the gregarious golfers bragged last week on the greens.

The Raider linksters were at the top of their game last Thursday in a triangular match with Irvington and Kearny. Nutley had its lowest score of the season, a 161, to easily defeat both schools. Kearny at 204 and Irvington at 209 were no match for the Maroon golfers.

Scott Lampariello, Bob O'Shaughnessy and Bill Infald all chipped in with scores of 39 — the first players to break 40 this season. Robert Restaino and Bill Mielnicki each shot 44 while Jeff Mauriello had a 45. The 161 total strokes came from the top four scores.

"Our 161 in the triangular match was our best score all season," coach Carmine D'Aloia boasted. "I've been expecting someone to break 40 this season."

According to D'Aloia there were three factors which accounted for the impressive 161 score: the "powerhouse" skill of his players, the good Spring weather conditions and familiarity with the Hendricks golf course.

Nutley defeated Belleville on May 4, 169 to 187. Lampariello and O'Shaughnessy led the way with respective scores of 41 and 42. Restaino, Infald and Mielnicki all hit 43 and Mauriello had a 51. The match was played on total strokes, with the top four scorers qualifying.

Nutley again hit the 169 mark last Friday against Paterson Eastside, breezing to the victory by 77 strokes. Lampariello, Restaino and Mielnicki each shot 42, Infald came in at 43, while O'Shaughnessy and Mauriello both had 45. The match was played at the Passaic County golf course.

The Maroon golfers qualified for the State District tournament to be held May 16. Scott Lampariello, Bob O'Shaughnessy, Bill Infald and Robert Restaino will represent the Raider linksters in an 18 hole tournament. Should the team advance, the State finals will be held the following week.

"We've never really done well in the State tournament," D'Aloia said. "I hope we can break the jinx this year. We've really played well. I hope we can stay undefeated for the rest of the season. That would be nice to finish up without any losses."

(Please see "Privat" on page 13)

## Boys' Medley Team Wins County Gold

The boys' and girls' track teams each dropped two meets last week, losing to Clifton and Passaic. But the highlight item for track was the gold medal victory of the distance medley team in the Essex County championship.

Paul Hoffman, Joe Pellegrino, Gavin Maguire and John Logsdon captured first place in the Essex County distance medley competition May 4. The Raider quartet broke the Essex distance medley record by three seconds. The record had stood for 10 years.

Just two weeks ago the same distance medley quartet won the gold medal in the Summit Relays.

Nutley held a five meter lead at the end of the 800-meter leg thanks to Hoffman's time of 2:00.8. Pellegrino checked in with a solid 55.9 in the 400 meters. Maguire ran a personal best time of 3:20 in the 1200 meters. As Maguire handed the baton to anchorman Logsdon, Nutley trailed Seton Hall who led

the field by 40 meters. Shabazz and Montclair were also ahead of Nutley by 10 yards.

Logsdon ran a 63-second first lap to pass Montclair and Shabazz. He followed with a 68-second lap and two more 65-second laps to win the race by 20 yards.

Logsdon, who had undergone major surgery on his right lung last February, has worked hard to return to top form this season. Logsdon discovered he had a cyst on his lung this past winter and had surgery to repair the condition. Following the recent distance medley championship this past week he was forced to miss several practice sessions because of the ailment. Though the condition has caused him some discomfort during recent workouts, Logsdon should be able to continue competing through the end of the track season.

"No one has worked harder than John this season," coach Pat Keating

## Essex County Medley Champs

**Teamwork** — Head coach Pat Keating (center) needs the help of the entire Essex County distance medley champion team to raise the baton used during the race. The champs include John Logsdon, Paul Hoffman, Gavin Maguire and Joe Pellegrino (l to r). ## Diamondmen Stay Hot; Bombard Eastside 7-1

The Maroon baseball machine continued to chew up opponents this past week, winning three of four games. Perhaps the most satisfying victory for the Raiders, now 11-3, was against Paterson Eastside this past Monday.

Nutley clobbered Eastside 7-1 at the Oval as Gary Geraghty picked up his third win of the season. Geraghty fanned 11 batters, allowed four hits — all doubles — and gave up four walks.

The Raiders played Eastside on

April 18, having the game end in a 4-4 tie and being called due to darkness. Nutley had taken a 4-0 lead into the sixth inning. Geraghty was also the pitcher in that game.

Senior center fielder Nick Petti opened the scoring in the first inning with a single. He stole second base and came home on a double by designated hitter Dave Tritto.

After Eastside tied the game at one in the second, Nutley began to open up with two more runs in the third. A walk to senior catcher Steve Searle was followed by a home run by senior first baseman Billy Holick. It was the first blast of the season for Holick.

The Raiders finished off the scoring in the sixth with four more runs. Junior shortstop Bobby Harbison singled, stole second and came home on an RBI single by junior third sacker Mike Lubertazzi. Junior second base man Doug Marshall singled to keep the rally alive. Lubertazzi and Marshall moved up to second and third on an error, and then Joe Petti cracked his third home run of the season to drive in three more runs.

Nutley defeated Bloomfield last Thursday 3-2 with Geraghty earning his second win of the season. It was a

big game for Nutley as they were tied with the Bengals for the top spot in the conference. At the time Bloomfield was rated number nine in the State with a record of 10-1.

It was a big game for Bobby Harbison as the junior went two for two, with two runs scored at the plate. He also had 11 assists in the field, continuing his strong play at short.

Senior left fielder Bob Paganielli cracked his third home run of the season. Just before the Bengal pitcher threw the ball to Mongo, he had picked Petti off first base. The center fielder had led off the frame with a single.

In the second inning Harbison and Lubertazzi both singled and executed a double steal, moving up to second and third. Marshall ripped a single for his first RBI of the game. In the fourth inning it was the same trio which produced a run. Harbison and Lubertazzi drew walks and Marshall again delivered an RBI single.

The team traveled to Union last Friday for a rare game under the lights. The Maroon diamondmen won 9-7 as Frank Vocaturo picked up his second win of the season

## Softball Rebounds With Win At Eastside

After three losses last week, the Raiderette softball team got back on track with a win on the road over Paterson Eastside this past Monday. The win gave the Raiderettes a 10-8 record going into action this week.

Ace pitcher Leslie Costello went the distance for her seventh win of the season against six losses. Nutley won by the count of 8-2. Costello gave up only four hits, one walk, while striking out six.

The big inning for the Raiderettes came in the sixth. Senior left fielder Dawn DeRose led off the frame by blasting a home run. Lisa Hempstead doubled and came home on a single by Julie DeForge. Maureen Knesser walked and Darlene Cleaver singled to load the bases. An error on a ball hit by Dana Landry produced one run. The key blow of the game was a three run triple by freshman Debbie Cullen.

Regular second basewoman Robin McDonald was forced to sit out of the starting line up due to a minor injury. DeForge moved to second, Dana Landry moved to third and Cullen became the designated hitter.

Nutley's first run came in the fourth inning as junior backstop Darlene Cleaver stroked a single which went through the legs of the Eastside center fielder. Cleaver never stopped running and came home on the miscue. The Raiderettes added

## Netmen Win Five Games Boosting Record to 13-2

The Raider tennis team continued its outstanding season, recording five more victories last week to boost its record to an impressive 13-2.

Nutley scored wins against JFK, Paterson Eastside, Irvington and two victories against Essex Catholic.

The biggest match of the week for Nutley was against JFK in Paterson. According to coach Vince Turturiello, there was extra incentive against JFK.

"We beat JFK two weeks ago in a very tough, close match," Turturiello said. Nutley won 3-2, gaining the edge in the final set of the day featuring Mark LaSalle and Orest Cikal as the second doubles team.

"JFK gave us a rough time, and for a while it looked like they would beat us," the coach continued. "In fact, they were hooping and hollering when they thought that they had us. Fortunately, we pulled out the win with our second doubles team. After the match the JFK coach and team told me how they were going to beat

us the next time. I didn't say anything to my boys until our bus ride to JFK last Thursday. I thought that I could inspire my team with some of the things that JFK had told me."

Apparently, Turturiello's words had little effect as JFK again proved to be a formidable opponent. Singles players Fred Schmitt, George Efstatos and Ed Bruno all had tough matches. Schmitt, the top player for the Raiders, lost the first game of his set 5-7, but came back strong 6-1 and 6-3 to win the match. George Efstatos had to struggle to win 7-5 and 7-6, with a 7-4 tiebreaker. Bruno lost as the number three singles player, dropping 6-7 and 5-7, with a 5-7 tiebreaker.

"They played us very tough again," Turturiello said. "We didn't play as well as we should. In fact, they were making us look bad in spots again. We had to work for

## Oilways Defeats Midtown 7-5 In 11 Inning Senior Contest

By Tony Nowakowski

Shoprite outslugged FTP 10-6 in Senior League action last week.

Shoprite scored a run in the top of the first as John Alessio singled and stole second — he kept running all the way home when the throw went into centerfield. FTP scored three times in first and another run in the third for a 4-1 lead. Shoprite tied the game at 4-4 in the fourth on a Joe Christopher triple, Jim Aduabato singled, and a two run double by Frank Albanese. Shoprite continued their attack in the fifth scoring two runs on a hit, a hit batter and a two run single by Jimmy Aduabato. Shoprite took a commanding lead with three runs in the sixth: a walk, a single by Cucolo, a run scoring single by Robert Mackie and an error. FTP narrowed the gap with two runs in the sixth but Shoprite closed out the scoring in the seventh on a single and a run scoring double by Scott Deluca. Deluca won his first game of the year, going the distance.

Oilways defeated Midtown 7-5 in an eleven inning contest. With the score tied at 1-1 thru five innings, Midtown scored three runs in the top of the sixth on hits by Nick Ciccone, Mark White, John Sullivan and Chris Errante. Oilways came back with two runs in their sixth to make it 4-3. Oilways rightfielder John Wilson threw out a Midtown runner at the plate in the seventh — this turned out to be a big play as Oilways scored once in their seventh and forced this game into overtime. Midtown took a 5-4 lead in the eleventh on a single by Brian Hoarle and a run producing double by Ed Tremmel. With two on in the last of this inning, Oilways Joe Matroxia hit a three run homer to deep left CF that cleared the fence — this was the longest home run hit in senior league competition to date. Larry Petracco pitched the first seven innings for Oilways, giving up four runs on six hits — Vin Deperi won in relief.

On Monday, Linde Griffith lost their first game of the year when FTP kept battling back to defeat LG 4-3 in ten exciting innings. FTP scored a run in the third on Paul Bresko's single and an RBI single by Bob Turano. LG tied it with a run in the fifth and it remained at 1-1 until LG scored a run in the ninth inning but FTP tied it at 2-2 in their ninth when Kevin McCullough scored on a throwing error. LG scored a single run again in the tenth but Paul Bresko singled, Tony Delguercio single, Bob Turano walked inten-

tionally (after FTP tied this game) to load the bases. The strategy did not work as Kevin McCollough drew a pass to force in the winning run.

On Monday, Genna Tile defeated Oilways 7-4 as DJ Carbley won his second game of the year in relief of Gus Detoli. The score tied at 1-1, Oilways had scored two in the third and had the sacks full with none out. DJ Carbley relieved at this time for GT. The first batter greeted him with a single for Oilways fourth and final run of the game as DJ struck out the side (he also struck out the side in the fourth inning). GT broke the game wide open in the sixth with five runs: the first three batters drew walks with none out. Vin Deperi relieved for Oilways and promptly struck out the first two batters he faced but singles by Gus Detoli and Jim Bombalevich and a base clearing double by Rich Kunz brought in the five runs. Gary Tritto pitched five strong innings for Oilways as he allowed two runs on two hits and issued three walks. He was relieved in the sixth after issuing walks to the first two batters.

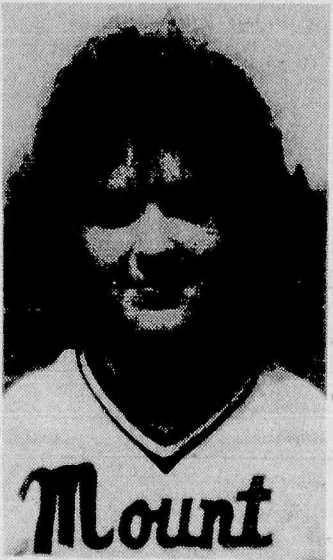

Tuesday, Shoprite played Nutley Savings to a 7-7 tie. Details of this game to be given on completion at a future date.

The Nutley Elks tightened the East Division race as they edged Linde Griffith 3-2. Both Peter Tieni and Marty Higgins went the distance for their ball clubs — Pete getting this decision. The Elks infield handled seventeen grounders without an error — ten by SS Chris Carloni. Mike Martelli singled in a run for LG in the top of the first inning. In the Elks third, Billy Basha reached safely on an error, stole second and third; Pete Tieni walked — Andy Dantangelo grounded in the tying run and Chris Carloni doubled in a run for an Elks 2-1 lead. LG tied it in the sixth on Bob Conshie's run scoring single. In the Elks sixth: George Rupas was hit by a pitch, Gary Roach singled in the Elks third run after Don Campana's hit. Pete Tieni allowed four hits, two walks and struck out three for his second win this year. On defense, Billy Basha of the Elks knocked down a smash at third and threw the runner out at first base — this play saved a run in the fifth inning. Bob Conshue of LG made a good backhanded play at third base that killed an Elk rally.

On Wednesday, Genna Tile edged Midtown 3-1 behind the route going performance of John Beyer. Midtown scored their lone run of the

game in the last of the first inning but would have scored more but for a ground ball double play started by Chris Hagel at short. After a shaky first inning, John Beyer settled down and allowed Midtown only three more scattered hits for the rest of the game. GT scored two runs in the fifth when Beyer reached safely on an error, Kevin Powell walked and DJ Carbley doubled both runners home. John Sullivan, Dave Moran and Ed Tremmel had Midtown hits.

FTP walloped Oilways 12-4. Tony Delguercio allowed Oilways eight hits but his hurling had the opposition hitting ground balls throughout the game. Walks and errors by Oilways resulted in five unearned runs for FTP in the last of the fourth inning and timely hitting by Lou Polito, Paul Bresko and Bob Hessels gave FTP four more runs in the sixth. Tommy Vaughan and Paul Bresko of FTP both stole home tonight. Joe Matroxia and Gary Tritto drove in two runs apiece with hits and Larry Petracco, Joe Carsillo and Mike Fuscaldo hit safely for Oilways.

## Rec Softball Girls' League Continues Play

By Joe DiLascio

Nutley Savings/Nutley Recreation girls softball team hosted Caldwell Thursday night; 7 errors in the first 2 innings for Nutley helped Caldwell to coast to an easy 22-9 win over Nutley.

Caldwell lead 8-2 after 2 innings. Nutley could not put their offense in gear and were shutdown completely by Caldwell.

For Nutley Rosemaria Pomponio had 2 hits and Dana Jones had 2 hits. The following night Nutley traveled to West Orange to play Springfield under the lights.

Nutley jumped on the Springfield pitcher and scored 7 runs in the first inning.

Cathy Petti lead off with a single, Missy Schop singled, Leigh Brown walked, Toni Lubertazzi walked Rosemaria Pompanio walked, Amy Reiscle hit a sacrifice fly, Danan Jones had a base hit which proved to be the key hit. Maria ZBikowski walked, Jenifer Vreeland struck out, Kelly Thomby walked and Cathy Petti drove in a run on an error. Missy Schop grounded out to end the inning.

The final score was Nutley 12 Springfield 2. The fine pitching of Toni Lubertazzi held Springfield to 2 hits while striking out 6 and walking 6.

Besides pitching a fine game Toni Lubertazzi had a triple and a single to lead Nutley. Rosemaria Pomponio hit a solo homerun with no one on in the 6th inning.

Nutley will visit Belleville Tuesday and will host Florham Park Saturday.

## Nutley Savings, Rotary Lead American Little League Race

By Larry Bucci

Nutley Savings continued its winning ways last week to retain its first place hold in the American Little League race. Rotary, whose only loss was to the leaders, also won a pair to stay close. The standings as of Saturday:

Nutley Savings	5-0
Rotary	4-1
NBC Auto Parts	3-2
Elks	2-2
Jaycees	2-3
Lions	1-4
Optimists	0-5

Rotary capitalized on NBC Auto Parts misplays early in the game and coasted to a 9-3 decision. Kuo San turned in a fine game for Rotary, serving up a five-hitter with nine strikeouts. Gino Izzo's single drove in the deciding run in the second inning, putting Rotary up by 4-0. John Franchino and Michael Williamson bashed two-baggers in Rotary's seven-hit attack, and Sun had an RBI hit. NBC Auto evaded a shutout in their last at-bats as Steve Lambiase and John LePore came through with run-scoring hits.

It was a miracle that the Lions and Optimists went five innings in a wild 12-11 game won by the Lions. It certainly wasn't an offensive game since the teams had two hits apiece, and there weren't too many errors. But oh, those bases-on-balls! There were 35 free passes and that tells the story. The Optimists got nine runs in the first with the help of nine walks, and led by 11-3 after three innings.

### Registration Open For Summer B-Ball

Registration is now open for the annual summer basketball league in Branch Brook Park, Newark.

Teams wishing to play must bring rosters to the Branch Brook Park Basketball Courts, off Clifton Avenue, from 6 to 9 p.m. through May 31. The league is sponsored by the Essex County Department of Parks, Recreation and Cultural Affairs.

There is a 14-team limit in the adult league and an 8-team limit in the junior league (ages 11-15). First game is June 15.

For further information, call the Parks Department at 482-6400, ext. 278 or Todd Lewis at 483-4020.

But the Lions pulled it out with nine runs of their own in the fourth, thanks to eight walks and a two-run single by Chris Clark. Incredibly, Chris Martin got the win with four-and-one-third innings of relief with 14 walks, but fanned 11 as the Optimists stranded 12 runners. The only Optimist hits were singles by Gary Purpura and George Giangerusso.

Manny Triggiano hurled a brilliant one-hitter as the Elks belted the Jaycees, 19-1. Triggiano, an 11-year-old righty, displayed good control by walking five, and notched 10 strikeouts in his first Little League start. Somy Basha wielded a big stick for the Elks with three solid singles and a wicked two-bagger, knocking in four runs. Basha also sparked defensively at the shortstop position. Other big contributors for the winners were Dom Sedicino with a two-run single and Kevin Hannon with 2-for-4 and an RBI. Jeremy Birth broke up Triggiano's bid for a no-hitter with a clean single in the fifth.

James Nick, another 11-year-old in his first start, tossed a beauty as Nutley Savings blanked the Optimists, 11-0. The well-poised righty was in command all the way, facing 23 batters — five over the minimum. Nick whiffed 10 while issuing just two walks. Nutley Savings cemented the win with a seven-run burst in the fourth as Dave Sandborn got two RBIs with his second double of the game. Richie Lowack had a great game in the field, corraling three well-tagged drives in center field. Joe Jarowsiewicz and Doug Lang had the Optimist hits. The defensive gem of the game was executed by centerfielder Frank Dolcemoscilo with a circus catch, preventing more Nutley Savings scores.

NBC Auto sprayed 20 hits all over the field as they overwhelmed the Jaycees, 27-8. Ray Cifelli was

most productive as he drove in six runs with five hits, including a homerun over the fence in center. Other big hitters were Greg Walsh (three hits with two triples and four RBIs), Mark Peavy (three hits and two RBIs), Tom Ryan (three hits including a double), Joe Marion and Joe Vecchio (two hits and two RBIs). Vecchio got the pitching win, holding the Jaycees scoreless for the first three innings. For the Jaycees, John Geltrude was 2-for-4 while Chris Hark and Perry Sun rapped RBI doubles, and Terrence Cusick drove in two runs with a single.

Helped by five walks and poor fielding, Rotary erupted for six runs in the sixth to down the Lions, 12-7. An RBI triple by Wayne Polewka, the winning pitcher, was the only hit in the rally, and John Franchino got the decisive run home with a sac fly. Rotary had built a 6-0 lead after two innings as Kuo San and Michael Williamson drove in runs with a triple and single, respectively. But the Lions battled back to take the lead at 7-6 after the fifth as Chris Martin had two hits and Mark Strumolo belted a three-bagger. A big factor for Rotary was sharp fielding by Kuo Sun (ss) and Debra Abbaleo (second base).

Robert Ohlandt (3-0) fanned 14 in a six-hitter as Nutley Savings nipped the stubborn Elks, 5-4, with a run in the bottom of the sixth. Ohlandt sparked the inning with hard-hit single and Pat Samara bunted safely. After an error loaded the sacks, Paul Wu drew a walk to give Nutley Savings their fifth in a row. Earlier in the game, two-run singles by Samara and Dave Sanborn gave the winners a 4-2 edge. The Elks drew even in the fifth inning when Somy Basha drove in two with a triple to the right-center gap. Kevin Hannon and Manny Triggiano had two hits each for the Elks.

# Lubertazzi Triple Key Hit For Diamondmen at Union

(Continued from page 11)

without a loss. Vocatur scattered 11 hits and four walks while nailing Union for eight strikeouts.

The big inning for the Raiders came in the fifth, with Union in front 3-2. Paganelli walked and went to third on a hit and run single by Tritto. Searle doubled home Paganelli but a hustling Tritto was thrown out at the plate. Holick and Harbison walked to load the bases to set the stage for Mike Lubertazzi. The third baseman cracked a triple which drove home three runs.

Nutley scored three more runs in the top of the seventh as a triple by Marshall scored Harbison and Lubertazzi. A Nick Petti single drove home Marshall for the Raider's final score.

Union scratched for two runs in the bottom of the seventh to cut Nutley's lead to 9-7. But the rally was killed by Lubertazzi as he speared a hot shot, stepped on third and threw to first for a game ending double play.

The Raiders lost a tough game to West Orange last Saturday by the score of 2-1. Andy Joyner suffered his first defeat of the season against four wins.

"We were flat," head coach Dennis Sasso testified. "We had two emotional wins against two highly rated teams (Bloomfield and Union) and we were a little drained. We played well in the field but we couldn't put it together at the plate. Unfortunately, we ran into a very good pitcher from West Orange."

The game lasted eight innings as Nutley scored its only run in the fifth. Bobby Harbison singled and came home on a triple by Mike Lubertazzi.

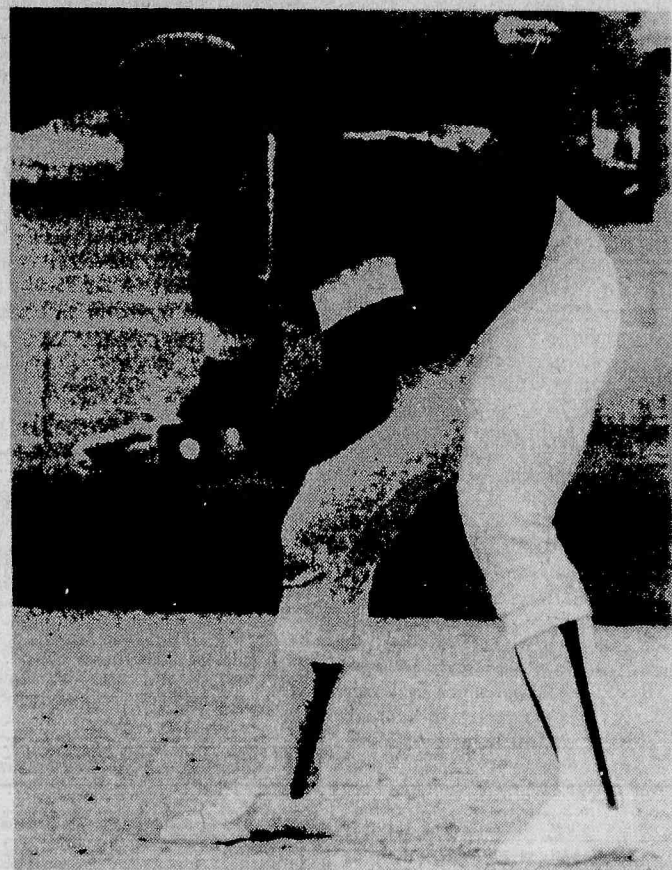

West Orange tied the game in the bottom of the fifth with two outs on a double and single. The game went

into extra innings tied at one until West Orange ended the game in the eighth. Geraghty came in for Joyner with one out in the eighth. He retired one batter and had an 0-2 count on the number nine hitter. However, the batter laced a single to score a runner from second to end the game.

Nutley hosted Paul VI this past Tuesday at the Oval. The team

traveled to Paterson Kennedy yesterday and tomorrow will host Belleville. Lincoln High School from Jersey City will invade the Oval for a 1 p.m. game this Saturday.

"I'm very happy with our record so far this season," Sasso said, considering the team's 11-3 mark. "But, we're only four runs away from being 14-0."

**Born to Run**—Senior catcher Steve Searle waits for the right moment to make his move on the base paths. Searle has powered four home runs this season as the Raider clean-up hitter.

# Costello Shuts Down Eastside; Softball Team Record Now 10-8

(Continued from page 11)

another run in the seventh as Hempstead walked, stole second, moved to third on an error, and came home on a single by Kneser.

The victory gave the Raiderettes a record of 10-8 for the season.

The Raiderettes lost to Union last Thursday 12-8. At the time Nutley was hosting the number three softball team in the State. Leslie Costello took the loss for the Raiderettes.

Union did its damage in the second inning by scoring six runs. The key hit for Union was a three run homer by the catcher.

Nutley scored two runs in the first as Dawn DeRose led off with a walk, followed by singles by Lisa Hempstead and Julie DeForge. Maureen Kneser and Darlene Cleaver walked to force home the runs.

DeRose opened the second inning with another walk. Hempstead reached base on an error. DeForge walked and Kneser delivered an RBI single. Cleaver again eyed a walk for her second RBI of the game.

In the sixth inning, the Raiderettes closed out their scoring with four more runs. Senior right fielder Terry DiLascio opened the frame with a single. Second basewoman Robin

McDonald followed with another single and Leslie Costello executed a sacrifice bunt to move the runners into scoring position. DeRose and Lisa Hempstead walked to produce a run and then a mishandled ball hit by DeForge drove in three more.

The Raiderettes got as close as 10-8 after the sixth inning, but Union added two more in the top of the seventh to put the game away.

"We had eight hits, but Union had too much firepower for us," Flanagan admitted.

Nutley hosted Kearny last Friday and lost 6-1. The Cardinals were ranked as the top team in the State at the time. Maureen Kneser absorbed the loss for the Raiderettes. She gave up nine costly walks in the game while striking out three. Nutley had five errors in the game, three in the first inning.

Two outfield errors and one infield error, plus two walks, produced two runs for Kearny in the first inning. Nutley didn't get a hit until the sixth inning when Robin McDonald ripped a single. She scored on an RBI double by freshman Debbie Cullen. Cullen, also an outstanding volleyball player, was inserted into center field with Kneser on the mound.

Kearny scored four more runs in

the sixth inning against Nutley. Again, Raiderette errors proved costly as two miscues allowed the runs to score. Lisa Hempstead singled in the seventh inning for Nutley but was left stranded as Nutley lost 6-1.

Errors were still a problem for the Raiderettes as they met Bloomfield in the Essex County tournament last Saturday. Nutley committed seven errors in the game while producing only one hit — a single by Dawn DeRose in the fourth inning. Leslie Costello took the loss for Nutley.

Bloomfield had two runs in the second inning on an error and two hits. In the third inning two more errors and a Bengalette home run accounted for three more runs.

In the sixth inning Nutley scored its only run. Dawn DeRose led off with a walk, stole second and came home on a throwing error by the Bloomfield catcher.

"We were uptight and tired last week," the coach said. "We also committed 12 errors in two games. Twelve errors in two games isn't conducive to winning ball games."

Nutley hosted JFK yesterday and hosts Columbia today in Boys Park. The team travels to Belleville tomorrow for 3:45 game.

praised. "He has had to come back from his operation with extra practice and is one of our top distance men." Logsdon was the sectional state champ at 3200 meters last season.

Coach John Schwarz attended the Bernardsville Invitational last Saturday with freshman Anne Bansemir and sophomore Sue Quigley. Bansemir placed second in the 400-meter hurdles in a time of 64.3, breaking her own NHS record of 66.0. Quigley, the premier distance runner for the cinderellas this season, ran a personal best time of 5:39.2 in the 1600 meters to take fifth place.

The girls lost to Passaic on May 3 by the score of 50-72. Kathy Privrat placed first in the 400-meter hurdles and added a third place finish in the 100-meter hurdles. Bansemir had first place finishes in the 100-meter dash, the 100-meter hurdles, the 200 meters and the high jump. Sue Quigley won the 1600 meters and took second in the 800. Kerri Powell was second in the triple jump and third in the 200 meters. JoAnn Grab was second and third in the discus and shot put, while Julia Feacher was third in the shot. Stacey Perkins was third in the 400 meters, the 3200 meters and the long jump. Delissa Scott took second in the long jump.

The girls lost to Clifton last Thursday 24-79. JoAnn Grab had a toss of 27 feet, eight inches to win the shot put. Julia Feacher was third in both the shot and the discus. Delissa Scott was second in the 200 meters and took third in both the 100 meters and the long jump. Bansemir was first in the 100-meter dash and hurdles. Quigley ran a 12:18.8 3200

meters to place first. Stacey Perkins added a third place finish in the 400 meters, running in 67.1 seconds.

The cindermen lost to Passaic May 2 by the blow-out margin of 29-102. Passaic is one of the top track powers in the state. Paul Hoffman, John Logsdon, Tom Albright and Phil Gesualdo had first place finishes in the 1600 meters, 800 meters, 3200 meters and shot put. Joe Pellegrino finished second in the 400 intermediate hurdles and Gavin Maguire took second in the 1600 meters. Dale Jackson, Vin Hannon, Dave Biello, Brian O'Connell, Mike Frobose and Gesualdo all had third place scores for Nutley. The team of Biello, Pucci, Malarri and Hannon lost to Passaic in the mile relay with a time of 3:50.9.

Nutley lost to Clifton May 4, 55-76. Nutley was forced to perform in the meet with seven front-line people missing. The team was so short of healthy bodies that senior Gavin Maguire was forced into a gutsy iron man performance. He, Paul Hoffman and Tom Albright came in together in the 1600 meters and

Maguire took third in both the 800 and the 3200 meters.

"The meet was a gift for Clifton," a sardonic coach Keating said, gnashing his teeth. "The coach for Clifton was doing cartwheels after the meet. Clifton hasn't beaten Nutley in years."

Brian O'Connell had two first place finishes in the 400-meter intermediate hurdles and the 110-meter high hurdles. He also placed second in the 200-meter dash. Vin Hannon won the 400 meters in 55.6 while Mike Frobose took the 3200 in 10:53. Paul Hoffman won in the 800 meters in 2:08 and Phil Gesualdo had a first place shot put of 42 feet, one inch. Mark Pascal was third in the discus while Ken Bakka was third in the high jump. Joe Pellegrino was second in the 400 meters and third in the 400-meter intermediate hurdles. Albright, Hoffman and Hannon added second place scores.

With the two losses, the Maroon cindermen evened their record at 4-4. The Raiderette runners dropped to 3-3 with their two losses.

## HEALTH WISE

By Ralph J. DiMaio D.C.

Severe spinal disability is often the result of months or years of neglect of a misaligned vertebra. The body tries to compensate by adjusting the normal vertebrae and related muscles so that the spinal nerve system is not impaired.

These adaptive measures place a strain on the entire spinal column. Eventually, something triggers a breakdown that brings pain, disability, even symptoms of organic disease. Periodic chiropractic examinations reveal spinal misalignments while they are still small and correction is not too difficult. Maintain good health through regular chiropractic examination and adjustment. Phone today and make an appointment.

# Tozzi Cleaners Runs Streak to Six In Central League

By Jim Peaver  
Tozzi Cleaners ran its winning streak to 6 games and currently sports the best record in the Nutley Central Little League. The standings as of May 8:

East Division	
Jernick Insurance	5-2
Rossie Travel	4-3
Lardier's Pharmacy	2-5
Volunteer Firemen	0-7
West Division	
Tozzi Cleaners	6-1
Carbley Electric	4-2
Amvets	3-4
Windheim	3-3

Tozzi's ace hurler Joe Staskiewicz was in control all the way, as he 2-hit Lardier for a 7-1 victory. Staskiewicz struck out 14 and walked 7. Lardier's Mike Higgins allowed just 2 hits over the first 5 innings but absorbed the loss. Tozzi leadoff batter Anthony Mielnicki provided the spark with 2 walks and a single and 3 runs scored. Chris Piro drove in a pair of runs and Dennis Chominsky also singled in a run. Lardier scored their lone run in the third when Mike Zummo walked, stole second and scored on a single by Higgins. Higgins drilled 2 singles for both Lardier hits.

Jernick broke open a close game with 8 runs in the third inning and went on to beat Windheim 14-3. Kevin Ford led the offense with a perfect 3-for-3 with a walk and 3 runs scored. Pete Sonn continued his timely hitting, driving in 3 runs. Ford was the winning pitcher for Jernick with some relief help from Sonn. Chris Domaleski took the loss for Windheim. Ryan McAvoy and Steve Kahn were both 2-for-3 for the losers. Jernick's Mike Valse turned in several sparkling plays at first base.

Chris Piro led the way as Tozzi exploded for 13 hits and clobbered Jernick 21-5. Trailing, Tozzi took the lead with 11 runs in the third inning. Tozzi received 13 walks to go with their 13 hits. Piro had 4 hits, scored 4 runs and collected 5 RBI. Anthony Mielnicki had 3 hits and scored 3 times, while Bob Jenkins knocked in 3 runs with a pair of hits. Jenkins was the winning pitcher, limiting Jenick to 2 hits, singles by Mike Valse and Pete Sonn Kevin Ford started and took the loss for Jernick.

Lardier rallied for 6 runs in the bottom of the fifth to defeat the volunteer firemen 11-8. Pete Gerst was the winning pitcher, throwing a 5-hitter with 8 strikeouts, giving up just 4 earned runs. Mike Higgins and Mike Zummo were the keys to the Lardier win, as they both went 3-for-3 with 3 RBI. Sal Tremmel scored twice, collecting 4 walks on the day, while Kevin Johnson singled and scored twice. For the Firemen, Teddy Clar went 2-for-3 with 1 RBI, and Leo Haines drove in a run with a long double.

## Women's Golf Open At Forest Hill May 19

Nutley's First Women's Golf Open will be held Thursday, May 19 at the Forest Hill Field Club in Bloomfield. The tournament will accommodate 12 foursomes, and will be followed by a luncheon at which time prizes and awards will be distributed.

The committee in charge of the day are: Dorothy Cocchiola, publicity and arrangements; Louise Cremonni and Carole Lardiere, prizes and awards; Ceil Cirigliano and Liz Little, setting up prizes and morning refreshments; Eunice Golia and Mary Humiston, luncheon arrangements and scheduling; Pat Santaniello, acknowledgements, and Ann Sisbarro, financial/treasurer.

The Callaway system will be used for scoring, and the low net winner for the day will be awarded a prize, in addition to having her name engraved on a trophy, which will be displayed in a prominent place in Nutley. The trophy will be engraved with the winner each year.

Prizes will be awarded in a number of categories and, under the Callaway system, everyone has an equal opportunity to qualify for the many beautiful prizes. May 26 will be the alternate date in the event of rain on the 19th.

# ShopRite, Third Half Split Games To Top National Little League Play

By Joe Greco

Park ShopRite and Third Half Club each split two games during the week to stay on top of a tightened Nutley National Little League race.

On Monday, Park ShopRite was a 5-1 victor over Third Half Club. Frank Sebastiano pitched a one-hitter, striking out 16 batters. Singles by Billy Mowen and Jim Bevere scored the first Shopper run in the third inning. The Shoppers scored two runs in the fourth inning with Dave Follet contributing a single. Hits by Dave Berry (single) and Frank Sebastiano (triple) resulted in two additional Shopper runs in the sixth inning. Ed O'Shaughnessy had the lone Third Half hit.

On Saturday, Orechio Agency bested Park ShopRite 7-4. First-inning hits by Nick Sibilia (single) and Nick Salvanto (double) gave Orechio a 2-0 lead. Park ShopRite scored four runs in the bottom of the first on the hitting of Dave Berry (double), Frank Sebastiano (single) and Eric Van Gorden (single). Second-inning hits by John Conturso (double), Matt Ruthman (single) and Dean Del Plato (single) scored three runs to put Orechio on top 5-4. In the sixth inning, Ruthman, Del Plato, and Sibilia produced the final two Agency runs. Salvanto also had a third inning single for Orechio and Jim Bevere singled in the fifth inning for Park ShopRite.

On Wednesday, Third Half Club rebounded from their Monday loss and scored a 3-2 victory over Nutley Savings & Loan. Nick Piacenzia pitched for Third Half Club. The Third Halfers scored a run in the top of the first inning. Mike Zitola contributed an RBI single. Singles by Martin Rizzolo and Tom Worthy led to two Bankers runs in the bottom of the first inning. Doubles by Zitola

and Matt Bosco scored two Third Half runs in the third inning. Gregg Bosco also hit safely for the Clubbers. Rizzolo's third-inning double failed to ignite a Banker rally.

MacMunn won two games during the week to even its season record at 2-2.

On Tuesday, Joe Follett pitched MacMunn to a 5-2 victory over Biondi Funeral Home. Dave DeAngelo led off the game with a single but Biondi didn't score. Follett had a single in the bottom of the first as MacMunn took a 1-0 lead. DeAngelo singled in the top of the third inning and was again stranded. Singles by Follett and Frank Coviello gave MacMunn a 2-0 lead in the bottom of the third inning. Biondi got on the scoreboard with a fourth inning RBI single by Billy Ederson. Joe Kelly doubled and scored in the bottom of the fourth inning to put MacMunn up 3-1. MacMunn scored two more runs in the bottom of the fifth inning on Joe Kelly's double and singles by Mark Roselli and Follett. Frank Sposato doubled and scored a run in a Biondi sixth-inning rally that fell short.

On Saturday, MacMunn scored an 11-5 victory over White Oak Pharmacy. Matt Giuliano and Rich Rutnick handled the pitching for MacMunn. First inning singles by Joe Kelly, Joe Follett and Dave Scrudato gave MacMunn a one run lead. Vinny Rodriguez and Rich Mazzatelli had first inning singles for White Oak but were stranded. Frank Coviello's second inning MacMunn hit also failed to score. White Oak scored four runs in the bottom of the second on hits by Rutnik, Mike Bulucci, John Privrat, Rodriguez (double) and Mazzatelli for a 4-1 lead. Chris Crowley (single) was stranded in the bottom of the third

and Mark Roselli suffered the same fate in the top of the fourth inning after hitting a MacMunn single. White Oak increased its lead to 5-1 in the bottom of the fourth inning. Rich Rutnik had an RBI single. MacMunn exploded for 10 runs in the fifth inning. Joe Kelly, Roselli, Follett, Dave Scrudato, Coviello and Tony Sardo hit safely for MacMunn. John Privrat had a fifth-inning single for White Oak.

On Thursday, White Oak Pharmacy was a 9-1 victor over Orechio Agency. Rich Mazzatelli pitched a four-hitter in the winning effort. Singles by Vinnie Rodriguez, Matt Giuliano and John Privrat scored three runs and gave White Oak a 4-0 lead in the top of the fourth inning. Scott Colalillo's single contributed to two additional White Oak runs in the fifth. White Oak increased its lead to 9-0 with three runs in the top of the sixth.

On Friday, Tom Florio and Tom Worthy combined to pitch Nutley Savings & Loan to a 12-1 victory over Biondi Funeral Home. Nutley

Savings & Loan scored two runs in the first inning. Jason De Peri had an RBI single. Biondi scored a run in the bottom of the first inning on hits by Dave De Angelo (double), and Andy Diamond. Singles by Joe Delonzo and Tom Florio and a Martin Rizzolo homerun scored five Banker runs in the second inning. Hits by Delonzo, Florio and De Peri scored three runs in the third inning and gave the Bankers a 10-1 lead. De Peri singled in the fifth inning and doubled in the sixth as the Bankers picked up two more runs. Paul Scutti also hit safely for Biondi.

## AVOID "RIPOFF" READ THE...

<b>FACT #1</b>	Read & re-read the small print. Beware of phrases like, "none in stock," "8 weeks delivery," "one in stock," or "many others in stock with popular options."
<b>FACT #2</b>	Why do some dealers spend \$4,000 for a full page ad to advertise "none in stock," "one in stock," "will order." You better believe there is a rip-off and you are the target.
<b>FACT #3</b>	\$80,000 per month in advertising costs are not unusual for the "Go-Go" dealers. Guess who pays for all this advertising?
<b>FACT #4</b>	Factory charges to dealers are the same. It makes no difference if the dealer buys one or one thousand cars. Bigger is not necessarily cheaper.
<b>FACT #5</b>	At Bigelow Motors, you deal with one salesperson & one manager. You are not subjected to pressure by six different "managers."
<b>FACT #6</b>	There is never any charge for "documentary fees" at Bigelow. These fees run as high as \$95. (What the heck are documentary fees?)
<b>FACT #7</b>	Many highway dealers have an overhead of over \$200,000 per month. Bigelow Motors is mortgage and rent free. Bigelow operates with a minimum overhead.
<b>FACT #8</b>	Bigelow Motors was founded in 1939. It is still run by the original owners. If you have a complaint you can enter their offices and talk to the owners.
<b>FACT #9</b>	You can't buy anything today that even comes close to Chrysler and Plymouth. We sell the best engineered, high mileage cars on the road. Note the absence of safety recalls. You and your family are safest in a Chrysler or Plymouth product.

NOTICE OF PENDING ORDINANCE

The Bond Ordinance published herewith was introduced and passed upon first reading at a meeting of the Board of Commissioners of the Township of Nutley, in the County of Essex, New Jersey, held on May 3, 1983. It will be further considered for final passage after public hearing thereon, at a meeting of said Board of Commissioners to be held in the Commission Chamber, third floor, Township Hall, Kennedy Drive, Nutley, N.J., on MONDAY, JUNE 6, 1983, at 8:30 P.M., prevailing time; and during the week prior to and up to and including the date of such meeting, copies of said ordinance will be made available at the Clerk's Office in the Township Hall to members of the general public who shall request the same.

BOND ORDINANCE PROVIDING FOR VARIOUS CAPITAL IMPROVEMENTS OF THE TOWNSHIP OF NUTLEY, IN THE COUNTY OF ESSEX, NEW JERSEY, APPROPRIATING THE AGGREGATE AMOUNT OF \$684,000 THEREFOR AND AUTHORIZING THE ISSUANCE OF \$649,800 BONDS OR NOTES OF THE TOWNSHIP TO FINANCE PART OF THE COST THEREOF.

BE IT ORDAINED BY THE BOARD OF COMMISSIONERS OF THE TOWNSHIP OF NUTLEY, IN THE COUNTY OF ESSEX, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring), AS FOLLOWS:

Section 1. The several improvements described in Section 3 of this bond ordinance is hereby respectively authorized to be undertaken by the Township of Nutley, New Jersey as general improvements. For the several improvements or purposes described in said Section 3, there are hereby appropriated the respective sums of money therein stated as the appropriation made for each improvement or purpose, such sums amounting in the aggregate of \$684,000, including the aggregate sum of \$34,200 as the several down payments for the improvements or purposes required by the Local Bond Law. The down payments have been made available by virtue of provision for down payment or for capital improvement purposes in one or more previously adopted budgets.

Section 2. In order to finance the cost of the several improvements or purposes not covered by application of the several down payments, negotiable bonds are hereby authorized to be issued in the principal amount of \$649,800 pursuant to the Local Bond Law. In anticipation of the issuance of the bonds, negotiable bond anticipation notes are hereby authorized to be issued pursuant to and within the limitations prescribed by the Local Bond Law.

Section 3. The several improvements hereby authorized and the several purposes for which the bonds are to be issued, the estimated cost of each improvement and the appropriation therefor, the estimated maximum amount of bonds or notes to be issued for each improvement and the period of usefulness of each improvement are as follows:

Improvement or Purpose  
Purchase of Sump Chutes  
Renovations to Health Center Building, including the improvement of the sewer line  
Acquisition and Installation of Heating Units for Hose Co. #1, #2 and 44 Park Avenue, together with all related work and materials necessary therefor and incidental thereto

Purchase of equipment including a compactor and a four-way bucket  
Purchase of communications equipment, including radio equipment and a radio repeater

Resurfacing and reconstruction of various municipal streets all in accordance with a list thereof on file in the office of the Township Clerk which list is incorporated herein by this reference as if set forth fully
