Local Woman Reaching 100

Going On 100 — Catherine Natale of Greylock Avenue in Belleville will turn 100 years old on September 2. Mrs. Natale was born in Italy and has lived in town for 76 years.

Mrs. Catherine Natale Still Going Strong As 100 Nears

By Linda Telesco

She doesn't jog, take super-vitamins, or read life-extension best sellers, but in two weeks, Catherine Natale of Greylock Avenue will mark a full century of living when she turns 100 years old.

"I'm very old," Mrs. Natale, who speaks little English, tells a reporter during an interview last week. Her daughter Theresa, who lives with and cares for her mother, translated questions and answers during the session.

Though her hearing and eyesight are now weak and she is not as mobile as she once was, Mrs. Natale looks surprisingly young with her smooth skin and ready smile.

Clad in a flower print dress and wearing tiny gold earrings, she sat quietly in a chair smiling, shaking hands, and repeating to her visitor in careful English, "You're a nice girl."

Born in Foggia, Italy on Sept. 2, 1883, the former Catherine Gesualdi left her native land sailed to New York City to marry her fiancé, Giuseppe Natale, who had come to this county before her.

Theresa unwrapped from a treasured envelope her mother's aged Italian language wedding certificate from Newark's Our Lady of Mt. Carmel Church signifying the May 7, 1903 union of young Catherine and Giuseppe.

The 20-year-old bride and her 21-year-old husband settled in Newark before moving to the Belleville home where they were to raise their nine children.

"Like everybody else in those days, my father worked long and hard hours and my mother had a full-time job raising a large family," recalled Theresa and her brother Jim who joined the conversation in the small, old fashioned living room decorated with family portraits of years gone by.

A tinmith who worked at the Central Stamping Company in Newark and later at the Belleville Can Company Giuseppe Natale died in 1957, leaving his

widow to continue in the Greylock Avenue home where she has lived for 76 years.

The couple raised nine children to adulthood and the surviving seven include four sons, Frank and James of Bloomfield, Anthony of Jackson, and Jack of Nutley.

Their three daughters are Christine Fusaro of Nutley, Anna Colon, and Theresa Natale who live at the Greylock Avenue address where they grew up.

Mrs. Natale also has 14 grandchildren, 20 great-grandchildren and two great-great grandchildren.

"The kids want to have a birthday party," said Theresa who noted that usually her mother's birthday prompts a week long stream of company to the house. "It's been that way since she turned 90" said the daughter.

When Theresa relayed questions to her mother about turning 100, the woman replied, "I feel fine. This is what God wants."

To what does she attribute her longevity? Her son had the old fashioned answer. "She kept busy, worked hard, and raised a lot of the family's food in the garden."

Theresa notes that her mother was always easy going, seldom let troubles get her down, and maintained a positive attitude for much of her life.

A member of Holy Family Church in Nutley Mrs. Natale does not get out much to attend church, but looks forward to regular visits from the parish's Sister Marianne.

"She also likes television, especially Archie Bunker," laughed Theresa.

Jim recalled the time his mother, a devoted Lawrence Welk fan, received an autographed card from her favorite music man.

The story of Catherine Natale is unremarkable, but it is the story of many hardworking, family loving people who carried on tradition in a way that warms the heart of those who look back. "We had good times," said Theresa and her brother agreed. That's all that really counts.

Zinna Studying Lone Bid

Town's Garbage Contract Still Remains Unresolved

By Ed Capparucci

Belleville's garbage situation is becoming as smelly as the George Brett pine-tar incident was sticky.

Last Thursday evening, during a special meeting, the Board of Commissioners accepted scavenger bids for the third time since last December. But the outcome of the meeting was the same — the town still does not have an official garbage contractor.

Only one bid was received last Thursday night by the Town Fathers, that by Browning-Ferris Waste Industries (BFI) of Fairfield, the firm which was originally granted a five-year garbage contract back in January. BFI this time presented a five-year contract priced at \$3,498,742 — a decrease of \$187,000 from its second bid made back in July. The board has asked Town Attorney Frank Zinna to view and study the contract and report back with his findings during the Sept. 6 Commission session.

"I thought we would have more than one bidder this time around," said Mayor Michael Marotti after the meeting. "We have advertised in papers throughout New Jersey and New York and we still are having problems finding bidders. We are going to let the town attorney review the contract and then we will decide whether to bid once again. We want to get the best possible deal for the taxpayers of this community."

It was back in December that the commissioners thought they had obtained the best possible scavenger contract, when they awarded BFI with a five-year deal calling for \$2,778,992. But a complaint filed in court by L. Pucillo and Sons, Inc., of Belleville, the only other bidder and the town's scavenger for the past 20 years, changed all that.

Pucillo filed his complaint claiming irregularities on behalf of the township in the bidding process. A court judge agreed and declared the BFI contract invalid and ordered Belleville to rebid. Following unsuccessful appeals, the township accepted new bids once again on July 11.

This time again BFI and Pucillo were the only bidders, with BFI as the low bidder. However the firm this time asked a price of \$3,685,742 for the same type of five-year contract awarded in December, a hike of over \$900,000.

Commissioners decided to try again to save some dollars by calling for scavenger bids for a third time, but this time BFI was the lone bidder, with Pucillo not showing up at the meeting. While BFI's new five-year bid calls for a slight decrease from its July bid, the contract price is still \$700,000 more than the original

December contract — and that is a figure the mayor still thinks is too high.

"Looking at the figures, they (BFI) did come in with a contract calling for less this time," said Marotti, who took time from his vacation to make the meeting, "but we cannot be happy with what has happened to us over the past eight months. We are going to have to wait to hear from Frank (Zinna) and then we will make a decision. If we have to keep rebidding we will."

Joseph Fornarotto, an unsuccessful commission candidate, presented the board with the idea of purchasing its own trucks and hiring men to pick up the town's garbage, saying that in several years time it would pay for itself. Mayor Marotti told Fornarotto to gather the figures and present them to the board during its next session for reviewing.

Administrative Post To Be Filled Soon

The search for a new assistant superintendent of schools is on. Michael Nardiello, who will take over the superintendent position on Sept. 15, said last week, that he is in the process of reviewing applications for a new assistant superintendent.

There are about 20 people in the Belleville school system, who are certified for the post of assistant superintendent of schools and have said they would be interested in an administrative post," Nardiello said. "Out of the 20, more than half said they are interested in the assistant superintendent job."

According to the Belleville teachers' contract the superintendent of schools has the right to select his own assistant. The School Board then can approve or deny the request.

Commissioners Sell Chemicals As Clean Up Gets Underway

In a major step of the Reasearch Organic/Inorganic Chemical Corp. cleanup, Commissioners agreed last week to sell all the virgin chemicals housed on the Main Street site to Rambach Company for \$2,100.

According to Township Attorney Frank Zinna, the sold materials amount to some 40 per cent of the 1,006 containers stored in the facility which was closed by court order last spring, just days before a series of toxic leaks set off a neighborhood furor.

The sale was arranged through Applied Technology, Inc. the Toms River firm hired by the township two weeks ago to conduct the cleanup and disposal of materials still on the site.

Zinna expects Rambach to remove the purchased materials before the end of this week.

Commissioners hoped to recover, through selling the usable chemicals, some of the monies spent to deal with the toxic emergency and subsequent cleanup and testing on the site of the former food-flavoring manufacturing plant.

Of the various companies approached by Applied Technology, Rambach offered the best price, said Zinna.

"This (\$2,100) doesn't sound like a lot of money, but the cost to dispose of chemicals would cost us 10 times as much," said Commissioner Matthew Pica when voting for the sale in the special meeting last Thursday.

Applied Technology, which has

been working on the site since last week, agreed to have the cleanup completed by Labor Day.

Today, Zinna said the township has expended between \$200,000 and \$250,000 in emergency response measures and subsequent work on the site by Clean Industries, a private firm hired to seal up the original leaks.

He predicted final costs could run from \$400,000 to \$500,000. Applied Technology's fee is a flat \$198,000.

The township gained control over the contents and assets of the closed business by court order following the arrest and subsequent indictment of the firm's owner and several employees on charges related mis-handling of hazardous substances.

Belleville Police Warn Criminals To Beware

By Michelle Jeannotte

Belleville police have been taking advantage of a new program for repeated crime offenders in Essex County, which eliminates plea bargaining.

"We're really putting guys away," said Belleville's Det. Sgt. Michael Petrillo, who is in charge of the program here. "The certainty of punishment will help deter crime. This is not a fool around program. Offenders should face the consequences."

Created by the Essex County Prosecutor's Office in June, the Career Criminal Section (CCS) requires previous offenders to serve the mandatory sentence for their crimes. The program "will prosecute defendants who are under arrest for the commission or attempted commis-

sion of first degree robbery or second degree aggravated assault when it is a stranger to stranger, and who during the past 10 years, exclusive of any time spent in prison, has a criminal history consisting of one conviction for first or second degree robbery or armed robbery, rape, murder, manslaughter, kidnapping or second degree aggravated assault.

The section also pertains to defendants under arrest for burglary, who during the past five years, exclusive of any time spent in prison, has one conviction for burglary, theft or larceny greater than \$200 or receiving stolen property. Any defendant who has a criminal history of such crimes as first or second degree robbery or armed robbery, rape, or murder, during the past 10 years and is arrested for burglary, is also put

Penicillin in combatting germs, works to interfere with a germ's ability to maintain its cell walls. Once a germ cell's wall is "cracked", the germ becomes susceptible to elements in its environment that are poisonous to it. In moderate doses, penicillin destroys the cells capacity to reproduce. At high doses, it can kill the germ cells. The problem arises when certain germs in a colony survive a certain dosage of penicillin. These resistant strains may go on to reproduce even more of this type in the body. To effectively combat germs with penicillin treatments, it is important to carefully follow the doctor's prescription.

If you don't understand the instructions for your prescriptions take the time to talk to our pharmacist at ROSSMORE PHARMACY, 338 Washington Ave., 759-1956, 759-1958. Walkers, wheel chairs, crutches, canes and other convalescent aids are rented and sold. Our stocks include Timex watches, transistor radios, cameras and film. Open: Daily 9am-10pm, Sundays 9am-9pm.

HANDY HINT:
Penicillin is excreted from the body, unchanged, through the kidneys.

Columbus Hospital Develops Eye Treatment Service Center

Many residents in the community are afflicted by eye disease including cataracts and glaucoma. At the most recent neighborhood eye screening held at Columbus Hospital, 150 people were examined and evidence of eye disease was detected in a majority of cases.

In response to this need, Columbus Hospital has invested almost \$120,000 over the past two years to develop its eye treatment service. During 1981, the first major step was taken with the acquisition of advanced eye equipment including an ultrasonic A and B mode scanner, an

ophthalmic microscope and a phacoemulsifier/vitrectomy unit. This equipment provides ophthalmologists with the tools to perform delicate eye surgery, including cataract extraction and intraocular lens implantation.

Demand for these services continues to be higher than anticipated. Current trends indicate that during 1983, approximately 500 patients will be admitted to Columbus for eye surgery. To further improve the care of these patients, the hospital has taken another significant step. The fifth floor medical/surgical examina-

tion room has been equipped with a slit lamp, applanation tonometer, indirect ophthalmoscope, trial lense set and eye charts, allowing comprehensive pre and post operative examinations. In addition, nursing personnel stationed on the fifth floor have received additional training in eye care. All patients with eye disorders will be admitted to this unit exclusively.

Future plans for the eye program include the acquisition of an Argon laser used in the treatment of retina disease and glaucoma.

Barry Dunleavy is Promoted As Assistant Vice President

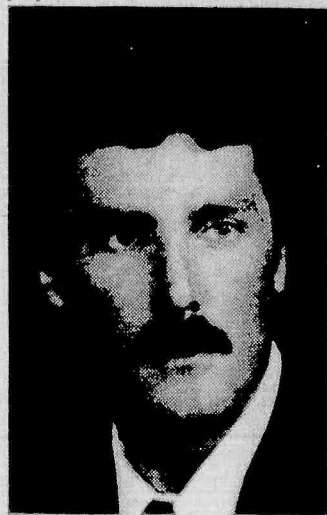

Barry Dunleavy of Belleville has been promoted to assistant vice president of corporate lending by the Summit and Elizabeth Trust Company.

A graduate of Belleville High School, Dunleavy holds a Bachelor of Science degree in finance from Seton Hall University and is currently studying for his MBA in finance from Fairleigh Dickinson University.

Recently, it was at Dunleavy's suggestion that Mayor Michael Marotti declared "Cancer Awareness Week" in Belleville. More than \$3,000 was donated to Clinical Oncology Program for Cancer Research.

Summit and Elizabeth Trust Company is a member bank of The Summit Bancorporation which also includes The Town & Country Bank, Ocean County National Bank, The

Chatham Trust Company, and The Maplewood Bank and Trust Company.

H & R Block Looking For Tax Preparers

Thousands of women will join America's work force during the next few months of income tax filing season, preparing the nearly 10,000,000 returns that H & R Block, Inc., completes annually.

Since the company's beginning in 1955, more than 100,000 women have prepared income tax returns on a seasonal basis, with some 20,000 women, about half of all the company's seasonal employees, to be employed during the coming tax season according to Bert Tobia, district manager.

How does one become a Block tax preparer?

Nearly all tax preparers for the firm have attended the H & R Block Income Tax School, which is held each year in more than 2,000 communities throughout the United States.

After completion of the course, job interviews are available to top graduates if they desire them. However, there is no obligation on the student's part to seek or accept employment and the company is not obligated to offer it.

"Aside from being able to work in an office convenient to their homes, hours for women tax preparers can generally be arranged to meet the demand of other employment, children, family or housework," Tobia added.

Beginning on September 8 and 9, the tax school will meet for 12 weeks and will consist of 75 hours of instruction.

Contact the H & R Block, Inc., Registration Center for enrollment information at 155 Franklin Ave., Nutley, or call 235-1000.

Library Events For September

An art exhibit by Pearl Mason will be on exhibit at the Belleville Public Library, 221 Washington Ave., during the month of September. The collection contains miniature oils and watercolors. Also on display will be items from the 1976 Bicentennial, collected by Toby Mallon, a former Belleville resident.

David Bryant, library director, will discuss the programs, services and reference materials offered by the library on Sept. 6 starting at 10 a.m. at the main branch.

A pre-school for children, led by Mary Ellen Baker, will take place in the Children's Room of the main branch on Sept. 6 starting at 10 a.m. Registration can be made by calling the library at 759-9200 and asking for the children's department. This program will be repeated on Sept. 7, 13, 15, 20, 22, 27 and 29.

A crocheting course for beginners and intermediates will take place on Sept. 7 starting at 10 a.m. in the main branch. The program will be directed by Anna Rosa Mazur and is sponsored by the Friends of the Belleville Library. Registration is requested. The program will be repeated on Sept. 14, 21 and 28.

On Sept. 9 a spelling bee will take place at the Silver Lake Branch, 30 Magnolia St., starting at 3:15 p.m.

Two films will be shown in the Children's Room

of the main branch on Sept. 10. The films, "Evan's Corner" and "The Girl With ESP," will start at 10 a.m.

On Sept. 13 a library craft program, "Heart Key Ring," will be taught by Cindy La Rue at the main branch starting at 10 a.m. The program will be repeated on Sept. 15.

On Sept. 16 films will be shown at the Silver Lake Branch starting at 3:15 p.m. Call the library to find out the titles of the films.

A library craft program, "Making Musical Instruments" will take place in the Children's Room of the main branch on Sept. 17 starting at 10 a.m.

On Sept. 20 and 22 the game, "How to Play Boggle," will be taught by Cindy La Rue starting at 10 a.m. at the main branch.

On Sept. 22 the Friends of the Belleville Public Library will hold their monthly meeting starting at 7:30 p.m. David Bryant, library director, will be the guest speaker. The public is invited to attend.

A crafts program will take place on Sept. 23 at the Silver Lake branch starting at 3:15 p.m.

On Sept. 24 a family program, "Storytime Magic," will take place at the main branch starting at 10 a.m.

"Chris Markham and His Mississippi Odyssey," will be shown at the main branch on Sept. 27 starting at 10 a.m.

Friends Of Library Donate Needed Video Equipment

At its July board meeting, the Friends of the Belleville Public Library donated to the library three pieces of needed equipment — an Olympia manual typewriter, a Minolta XG1 camera, and a Kodak ektagaphic slide projector. The manual typewriter will be provided for public use, the camera will be used for taking pictures of important events, and the slide projector will be used for programs for the public.

Presenting the gift to David Bryant, library director, and Adrea Cohen, the assistant library director, were Dorothy Charen, president of the friends; Constance Connolly, first vice president; Nancy Lecyn-Kirby, second vice president; Lillian Wescott, treasurer; Eleanor Kelemen, secretary; Frances Zeiss, membership secretary; Una Simon, corresponding secretary; Mary Ellen Baker, historian; and Melody Connell, publicity chairperson.

Friends' Donate — Members of the Friends of the Belleville Public Library examine the display of gifts the board donated to the library recently. The items included a typewriter, camera and slide projector.

Jersey Bell

New Jersey Bell Telephone Company is seeking a rate boost of \$221.6 million from the New Jersey Board of Public Utilities.

Jersey Bell's rate boost application is split into two parts — the first phase deals with the company's financial requirements based upon its redivestiture date. The second phase allegedly reflects Bell's projected revenue needs resulting from its divorce from American Telephone & Telegraph Company.

Telephone bills already are too high. The current rate increase of \$90 million demanded by Bell is a rip-off.

Just to pick up the phone and request service costs the consumer money.

With Public Service Electric & Gas and Jersey Bell asking for all kinds of rate increases, maybe the time has arrived for an elected public utility commission which would respond to the changing needs of the people.

We believe an elected public utility commission would be more responsive to the public needs. Elections have a way of keeping public officials in tune with the needs of the people who elected them.

"Ms. C. Adams"

We made an inquiry on behalf of an individual seeking information concerning Social Security Medicare benefits procedures.

Over the decades, citizens dealing with government more often than not have found themselves frustrated because of no response or slow response — or even worse — obstacles created by red tape.

On August 16 we addressed a letter to the United States Social Security Administration office in Newark, on August 19 we received a handwritten reply from a lady who signed Ms. C. Adams.

Would that America have more Ms. C. Adams' so that we would lessen the fears and concerns of the people who are obliged to communicate with government offices. Whoever Ms. C. Adams is, should receive a commendation from her superior for acting so promptly on a routine inquiry.

The following are a few brief case histories of drug users from the Nassau County Jail in the state of New York.

Sue was a young, pretty girl who tried "grass." Sue had been in jail twice now for drugs, and is hooked!

Bill has been on drugs for the last seven years. After being in several detoxification programs, he is unable to function properly without outside help. While on the methadone program, he took certain types of pills which put him into a coma. He may not pull through.

Dick started on marijuana, then on to heroin. Upon leaving jail, he grasped the hand of the chaplain and told him, "No more drugs for me!" Three months later he was found on his apartment roof — dead of an overdose.

It all boils down to this: drug use is a risk nobody has to take. Why gamble when the risks are so great?

The only sure-fire way to full enjoyment in this life, as well as in the next, is to receive Jesus Christ as Saviour and Lord of your life (Romans 10:9, 10). If you want real life, place your trust in the Lord Jesus Christ now, for He that has the Son has life, and he that does not have the Son, does not have life.

Why not take your sins, your habits, your hang-ups to Jesus Christ and ask Him to set you free by His love and power? "And you shall know the truth, and the truth shall make you free" (St. John 8:32).

Rental Rate Decrease Will Cause Hardships

To the editor:

It was with more than casual interest that I read of the Belleville Rent Leveling Board's recommendation that the allowable annual rental increase be decreased from the present 6 percent to a lower percentage because the Consumer Price Index is presently 4.1 percent in the New York-Northeastern New Jersey area. There was no thought of increasing the 6 percent allowable rental increase when the C.P.I. was 12 percent; and landlords are still trying to recoup the losses experienced just a couple of years ago. If the C.P.I. is to be the determining factor in what the annual rental increase is to be, then let the ordinance so state that fact — whether the C.P.I. goes up or down. Certainly there would be double standards in play if the C.P.I. is used only when it goes down, as is recommended by the Rent Board.

It should be noted that only a couple of the components that make up the C.P.I. have anything whatsoever to do with the cost of operating an apartment complex; such as food and beverages, transportation and entertainment. As the enclosed report from the Bureau of Labor Statistics shows, if only the items on housing and employee health plans were used the present C.P.I. would be 6.7 percent instead of 4.1 percent. North Arlington, just across the river, was cognizant of that fact when last month they increased the allowable annual rental increase from 6 percent to 7 percent and 3 percent on a vacant apartment.

I respectfully suggest that the Commissioners be realistic when determining changes in the rent control ordinance. Adoption of the Rent Board's suggested reduction in the permitted annual rental increases will only result in a

new rash of hardship appeals at great cost in money and time to the landlord and town and tenants; not to mention deferred maintenance of the apartments in Belleville. It should also be noted that if the assessments or rental property is to be justifiably increased, as is the assessments on the homes in Belleville, then the income of rental property would also have to be increased, as well as the physical condition maintained or improved.

Very Truly Yours,
Samuel Geltman

Education Leaders Praised

To the editor:

I wish to commend Dr. Anthony P. Chirico, Pat Capasaro, Phillip Linfante, Joan Pennetti, Chris Fusaro and Sharon Brady for the very fine job they have done with the special education summer program. My two sons had attended the program and they learned a lot of things. Most of all they learned how to get along with other children.

I feel Dr. Chirico, who does so much for these special children, is a special person himself. I also think he would make a fine superintendent of the Belleville school system.

I would like to mention one other person who is known as Chipper. He was responsible for opening the building for these children.

Sincerely,
Mrs. Elaine Colglazier

Times Editor is Praised For Helping Aid Elderly

To the editor:

I would like to express my "thanks" to Belleville Times Editor Ed Capparucci for his respect and concern for the elderly. You are to be commended for your willingness to give of your time and assistance in helping to obtain for Ms. Burke the health care she desperately needed.

After many months, one cannot explain the disappointment felt after approaching various agencies within the town of Belleville for assistance. Some of these were, the Board of Health, the Mayor's office, and Freeholder Clay's office. These agencies had on many oc-

casions denied responsibility for being able to provide any type of assistance to this senior citizen in need.

The outcome, only with your assistance, was successful in getting the medical attention that Ms. Burke so desperately needed. This proves that in our society, it is who you know within the system or public knowledge of an unfortunate wrong doing that initiates action to obtain results.

Once again I say thank you for accomplishing in one day what could not be done in six months.

Respectfully,
Helen Marshall

Golden Comments

By James R. Golden

Some gems of wisdom uttered by famous men: "That which we call sin in others is experiment to us." — Ralph Waldo Emerson. "The aim of education is the wise use of leisure." — Aristotle. "The wicked flee when no man pursueth, but they make better time when someone is after them." — Charles H. Parkhurst. "The most important thing I have learned about management is that the work must be done by other men." — Alfred P. Sloan.

Recently The Charleston Daily Mail reported that Governor Jay Rockefeller had appeared in the lobby of the Charleston Newspapers building to buy a newspaper before heading out of town.

Rockefeller, however, didn't have a quarter, so he asked the receptionist if he could have one for free. She gave him one.

Forbes Magazine recently estimated Rockefeller's personal wealth at \$125 million. The large New Jersey daily that ran that story captioned it "No Two-Bit Official."

President Reagan gets synthesized details of every show on his Oval Room desk, the next morning after the PBS MacNeil-Lehrer TV Reports appears on Public Television. It is an excellent informative 30-minute commentary appearing on Channel 13 at 7:30 p.m.

Governor Kean has instructed state Attorney General Irwin Kimmelman to sue to block a federal regulation that would prohibit Medicare payments for injuries from car accidents. The measure would increase the cost of car insurance for the elderly.

Anheuser-Busch, the makers of Budweiser beer, delivered a free case of beer to each of the Congressional legislators last month. A Busch spokesman said only three cases were returned, and the company got 200 thank-you notes.

Senator Lautenberg has introduced his first bill — a measure calling for a federal program to ensure that the poor and the elderly are guaranteed minimal telephone service if local rates increase as expected because of the break-up of AT & T.

The continuing hassle over moving police headquarters from its present central and convenient location, along with the municipal court, to county property on Franklin Avenue, where there is scant public transportation and questionable, if any, parking facilities, has sundered the town by marshalling the local Chamber of Commerce, the business merchants and large masses of the townspeople against the Commissioners who have indicated a willingness to abandon Washington Avenue's business center after many years of pledges to help revitalize the area. In fact they paid \$14,000 for a feasibility study that called for enlargement of a modernistic attachment to the present town hall to accommodate all the expansion needs necessary.

Notwithstanding, the fact that the Commissioners' plans are contingent upon receiving a federal grant of \$1 million which seems highly unlikely, since it is expected that the Chamber of Commerce may petition the Emergency Jobs Act Project of the Department of Commerce to deny that county property grant, the mere fact that the Commissioners and the Mayor, who seems to be spear-heading the move, would even consider such abandonment of the basic plans of revitalization of Washington Avenue by moving the police station, which serves as the principal deterrent to the blight of Newark, from the business area has infuriated the merchants since it sounds the death knell of the business center of town.

Many express concern that political considerations might be behind the move. Rumors abound that, since the Public Safety-Court Complex would be built on county-owned property and paid for by Belleville taxpayers, the county might contemplate using the court for hearing Juvenile and Domestic Relations cases in the leased Belleville paid for building.

The people of Belleville had enough trouble, back in the period when Jim Tully was mayor, in keeping the county from putting a parental home in the area the Commissioners would now want to borrow \$690,000 by floating a bond issue that some estimate would over 40 years plus repayment amount to more than \$3 million.

Why would our newly elected Commissioners and the three re-elected members want to do such a complete reversal of position in forgetting their commitment to re-build the Washington Avenue business area? Are they listening to someone who doesn't have Belleville's best interest in mind?

A Weekend at the Waldorf

By Ed Capparucci

Living a life of luxury is something that many of us dream about, but few get a chance to experience. It is not hard to imagine being pampered and waited on hand and foot while enjoying the fast and wild lifestyle of New York City. The fantasy of being wealthy and mingling with the elite class is one which everyone seems to entertain at one time or another.

But there is a chance to make your dream a reality.

A weekend at the Waldorf-Astoria on Park Avenue will introduce you to the life of high-class living — at an affordable price.

My wife and I had a chance to experience the atmosphere at the Waldorf two weeks ago and I must admit that ever since coming home I have been like a spoiled child. I find myself looking for my wife to answer me by my last name.

My every whimper and desire. I need someone to turn down the bed at night and leave small chocolates on the pillow. I need someone to butter my baked potato and constantly fill my water glass. I find myself very impressed with people addressing me by my last name.

"Good morning Mr. Capparucci. How are you today Mr. Capparucci. I hope you enjoyed your dinner Mr. Cappurucci."

There is just something very classy about the entire thing.

Ever since the Waldorf opened its doors on Oct. 1, 1931, it has been studded with international royalty, presidents, prime ministers, and a host of major celebrities. It is without a doubt the most recognizable hotel in the world, serving a high-class clientele. But what is really great about the Waldorf, is that a weekend there is affordable to almost everyone.

Liz and I had a beautiful suite on the 25th floor overlooking 50th street. There are 1,825 guestrooms at the Waldorf and no two are alike. Our bedroom was decorated in a very fashionable peach and the parlor had blue decor. When we got to our suite, we were greeted with a bottle of champagne, a bowl of fruit and lady fingers. It was just the start of what proved to be a most enjoyable and memorable weekend for the both of us.

Just sitting in the lobby of the world's most prestigious hotel send chills down your spine. When you think that the hotel has served as home for President Hoover and composer Cole Porter, you can imagine the list of famous and notable people who have stepped through the doors of the New York City landmark.

One of the things which impressed me the most about the Waldorf was its location on Park and 50th Street. The area is a beautiful one, where people are not afraid of walking in during the evening and early

morning hours. And of course it is right down the block from Sax Fifth Avenue and other stores in New York City which have gained a reputation of serving to the elite class. And of course all you generous husbands can treat your wife to the thrill of a lifetime by allowing her to open a Gucci charge card.

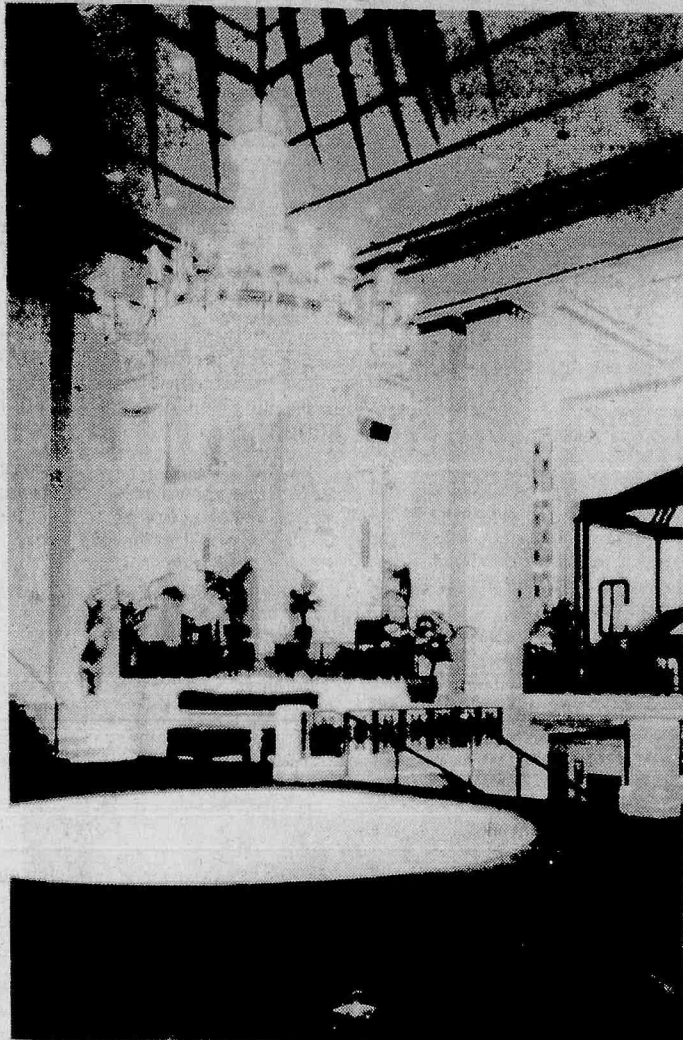

There are several restaurants and lounges throughout the hotel serving some of the best food this side of the Mississippi. The prices there are also reasonable and the service is out of this world.

Now what many you must be asking is exactly how much does this exciting weekend at the Waldorf cost. Well, now you must remember that you will be receiving uncompromising luxury, comfort and service at the world's most celebrated hotel. The price per person for double occupancy is \$98.50. Single occupancy is \$197 and children staying in the same room are free of charge.

Upon your arrival at the Waldorf you will receive a welcome cocktail in Peacock Alley, the famous Waldorf restaurant and cocktail lounge that is home of the Cole Porter piano. Each night Jimmy Lyon casts the spell evoked by Porter's music on audiences enjoying dinner or a few drinks.

The weekend also included breakfast at Oscar's for one of your two mornings at the hotel and guests also receive a coupon booklet offering discounts at many of New York City's leading attractions, including Rockefeller Center, the Empire State Building, the Museum of Modern Art and the World Trade Center.

Living life to the fullest is something everyone wants to do. People want to be able to enrich their lives with experiences they will treasure for a lifetime, and a trip to the Waldorf-Astoria in New York is definitely a must experience for everyone who dreams about the easy life.

The Waldorf — This is a view of the lobby at the Waldorf-Astoria located in New York City on Park Avenue and 50th Street. The Waldorf offers weekend packages which almost everyone can afford.

CMHS HOTLINE

First Day of School Important Transition

Dear CMHS:

I have one child who will be starting kindergarten in September. He has never attended nursery school so this will be his first time away from me. He has begun to say that he doesn't want to go to school and whenever my husband and I try to bring up the subject, he starts to cry and have a temper tantrum. I continue to assure him that he'll like school and have a good time, but it doesn't seem to help. I know that he is a very sensitive child and I'm worried that his teacher will not be patient and understanding enough.

Concerned Parent

Dear Concerned Parent:

The first day of school is an important transition in the life of a family, especially when as in your case, it is the first or only child. The child's life experience is now broadened to include not only his family but a whole new world of teachers and other children who will influence him. It is a time when parents begin to relinquish sole control of their child.

It is for many the first real separation experienced by the family and it can have an impact not only on the child but on the parents as well. The child's anxiety about the school day may be mirrored by the mother's anxiety about her day. (What to do with her new-found time?) or her own anxiety about her child's well-being and safety. If, as it sounds from your letter, you have some concern about the school's ability to respond appropriately to your child's needs, your son may be sensing your concern and expressing it in the form of his tears and tantrums.

You mention that you attempt to reassure your child. I suggest you let him tell you more specifically what he is worried about so you can deal more concretely with his worries and let him know you understand his feelings. You might want to take him on a visit to the school. You might want to talk with his teacher or principal so that your own fears can be allayed.

Recognize that a certain amount of apprehension and tears are to be expected on the first day of school. If, however, a problem continues after the first few days, I suggest you discuss it further with the school and/or seek counselling at that time.

(The Community Mental Health Services of Belleville, Bloomfield and Nutley is a non-profit agency serving the community. For information, call 751-1630. Send letters to: CMHS Hotline, c/o Irving W. Hahn, Community Mental Health Services, 570 Belleville Ave., Belleville, N.J., 07109.)

Umberto's Corner

Dear Umberto,
My husband is walking around with a rainbow on his head. Thank God he needs glasses and he can't see the three colors on his head. I feel guilty for the messy color job, but I don't know what to do. He is thirty-three and all grey. He looked sophisticated but old. I bought chestnut brown and mixed the color with peroxide and applied it. It came out very well. A month went by, his hair grew so I reapplied the same color. There was some difference in the color. I followed the same process the third month. It came out in three different colors. Why did this happen?

Your Reader With the husband with a rainbow on his head

Dear Reader,
Your husband had the hair that I would like to have - grey. If we could exchange I would pay a good sum. First, don't apply that type of a mixture on a man. There are colors on the market which do not contain peroxide, designed for men. If you use those peroxide colors you must apply the color on the roots first. After 15-20 minutes you apply it all over. Try this method and you'll see a vast improvement.

Bereaved Parents Self-Help Group To Meet in Nutley

When a baby dies, the bereaved parents are devastated. They usually have no one with whom they can discuss their loss. A friend or relative may be willing to listen, but seldom will they truly understand.

The group will hold its first meeting Sept. 21 at 15 Clover St. and continue to meet the third Wednesday of each month at 8 p.m. For more information, contact Lisa Calabria at 235-1364.

Commissioners Upset With Padula; Goodyear Tire Shop Wins Variance

By Ed Capparucci

Twenty-five Years Ago

Town Commissioners voiced dissatisfaction with Mayor Isadore Padula's handling of town meetings. Commissioners Kenneth Smith, Harry Sullivan, Elmer Hyde and Joseph King, all criticized Padula for allowing former town councilman James Golden to lash out at them during a commission session.

What started the entire ball roll-

ing was when Golden referred to Hyde as a "weak sister, who is sitting in Kenneth Smith's back pocket." Upset over Padula not taking action to stop Golden from speaking, Smith said, "I'm going to move that the board name another chairman to replace you (Padula). Town attorney Lawrence Keenan interjected that the motion was out of order and would be considered illegal.

Union and Company officials were scheduled to meet with a federal

mediator in an attempt to avoid a strike at the Wallace-Tieman plant. Employees voted 484-14 to walk out if a settlement was not reached soon. George Brennan, president of the independent union, said the immediate disagreements were hourly wages, hospitalization, vacation time and other fringe benefits.

Twenty Years Ago

Belleville police filed detainers against two men being held without bail in the Mercer County Jail on charges of armed robbery.

The pair were identified as the two gunmen who held up the General Public Loan Company office located at 235 Washington Ave., earlier in the month and escaped with \$1,236. The pair were captured with an accomplice by the Hamilton Township Police and charged with the armed robbery of a drug store.

The Belleville Board of Education at a special meeting adopted a resolution which banned the reading of the Bible and the reciting of the Lord's Prayer in its schools. Dr. Frank Durkee, superintendent of schools noted the school system was following the ruling of the Supreme Court, which earlier passed down the decision to ban religious reading and prayers in the classroom. The Belleville school system had been starting the school day with the Lord's Prayer.

A four-man race for a Belleville vacant council seat developed as two more men picked up petitions and announced their intentions to seek the seat left vacant by Thomas Greco, who resigned two months earlier. One of the men was Patrick Greco, the older brother of Thomas, while the other was a newcomer to Belleville politics Michael Meglio. The previously announced candidates are Bernard O'Connor and Nicholas Raimo.

The recall committee, looking to oust Mayor Robert Laterza and Councilmen Vincent Strumolo and George Addonizio, voted to change its name to the "For Recall Committee" to coincide with actual ballot wording stipulated by law. While chairman Robert Westpy told the gathering he would not report the "exact figures" on the status of the

recall movement, he said 450 petitions had been circulating and 150 had been returned "representing better than 3,500 names."

It was later brought out that as many as eight out of 40 signatures secured were being rejected because they did not coincide with signatures on voting records. The committee has until Sept. 6 to obtain 4,208 signatures to get the recall drive on the November ballot.

Ten Years Ago

The Belleville Board of Commissioners voted 3-2 to grant a variance to allow the construction of a Goodyear Tire and Service Center at 90-102 Washington Ave. The variance bid, twice postponed, was approved over the objections of a group of gas station owners from the vicinity of the corner of Washington Avenue and Williams Street, who maintained the admission of the six-bay discount facility would present them with unfair competition. Voting against the variance were Commissioners Mary Senatore and Robert Laterza.

St. Peter's Confraternity Plans Meeting

St. Peter's Rosary confraternity will hold its first meeting of the year on Sept. 5 at 7:45 p.m. in the school cafeteria.

During the meeting installation of new officers will take place. Games, prizes and refreshments will be served.

All the women of the parish are invited to come and bring a friend. A very active year has been planned.

Hostesses for the evening will be the new officers: Miss Constance Camoli, president; Miss Marge Waldon, vice president; Mrs. Rose Donachie, secretary; and Mrs. Per Gibney, treasurer.

HEALTH WISE

By Ralph J. DiMalo D.C.

Youth is wonderful. Children enjoy a resistance to injury, a resilience that enables them to withstand strains and stresses that would cripple most adults. This is fortunate, because childhood activities are strenuous and impose severe stresses on growing bodies.

Skateboarding, bike riding, roller skating and ball games present a real danger that young spines will be stressed beyond their endurance. A series of small injuries can build up to a major problem in later years.

Arrange for periodic chiropractic check-ups for your children. Please for an appointment.

Of Our
NEW Gymnastic World Inc. Center

A spacious new building due to open mid-Sept. The only complete male and female gymnastic facilities in this area of N.J.

263 Hillside Ave., Nutley

Featuring:

- Trampoline & Mini Tramps
- Universal • Rings & Ropes
- Balance Beams
- 42' x 42' Floor Exercise Mat
- Uneven Horizontal & Parallel Bars
- Vaulting & Pommel Horses
- Complete Pre-School Mats & Equipment

PRE Phone Registration Advised - 667-1090
Tues. - Wed. - Thurs. 9 A.M. - 5 P.M.

Don't be misled by similar names and logos now being used by other studios. WE ARE THE ONE & ONLY GYMNAS TIC WORLD INC.

Gymnastic World Expands Premises To Cut Customer Waiting List Line

Gymnastic World, Inc. is not new to this area, for they've had their studio located in Nutley for six years. Due to the ever increasing constant "Waiting List" this problem will now be solved thanks to a change in the town variance permitting the construction of their 6,000 sq. ft. gymnastic facility at 263 Hillside Ave.

Director and Owner Maureen Wasilewski, along with her husband, Warren, have been residents of Nutley and Belleville all their lives and had foreseen the need for a long time for a center of this caliber. There were no buildings available for a gymnastic studio with the required space, and ceiling height by the FIG in this area.

The facilities will consist of a full matted and carpeted gym with a regulated 42' x 42' official exercise spring floor mat, universal, trampoline plus two mini trampolines, ropes, rings, two even bars, horizontal bar, nine balance beams, pommel and vaulting horses, etc. Also, pre-school parachute and colorful special polyethylene form mats and equipment for our boys and girls, tiny tots and kinder programs.

Besides these programs, others will include selected classes for boys and girls, men and women, workouts for all ages and caliber with a 1-7 instructor student ratio. All classes will use the trampolines plus some will use our universal.

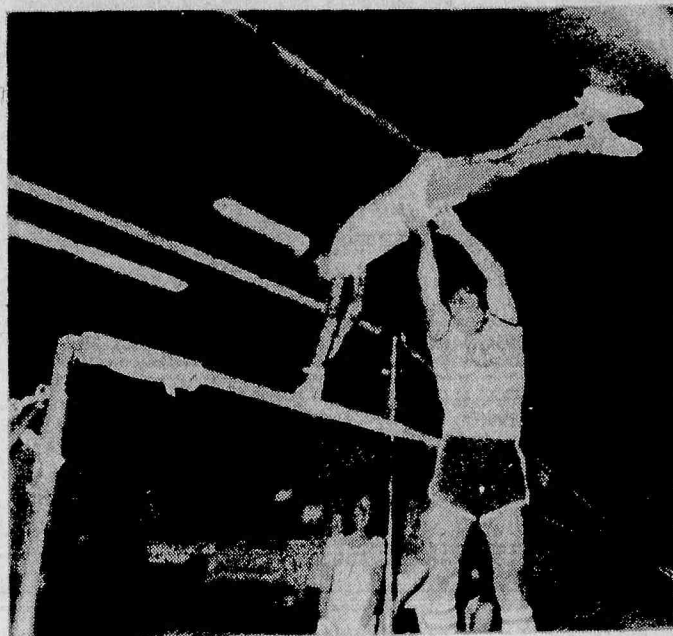

G.W.I. will be carrying the name of Nutley into state competition as we are starting off with U.S.G.F. Team Members who have qualified to participate in state meets. We also

hope to be holding frequent sectional meets here at our gym.

Mrs. Wasilewski has in addition to G.W.I. owned and operated the Miss Maureen School of Dance located at 156 Franklin Ave., Nutley for 31 years. She has had dozens of her students open their own studios throughout New Jersey, as well as many other states and Canada. In addition to her six new highly qualified experienced U.S.G.S. instructors, there will be coach Michael McCabe, currently of G.W.I., dance coach Rita Maggio and head coach Robert Mc Carthy, formerly of A.G.F. of Hackensack, who will be instructing the team.

G.W.I. does want to remind the public not to be misled by similar name logos now being used by other studios in the area. We are the only original Gymnastic World, Inc. and only Miss Maureen School of Dance Studio, not G.W.I., is still located on Franklin Avenue. We'd also like to invite you all to our spectacular "Grand Opening" on Saturday in mid-September (watch this newspaper for specific dates). We will have team exhibitions, orientations, mini classes, drawings and registration gifts all day long plus that Sunday, "free clinic" for the students that have already taken classes with us or elsewhere. You must be pre-registered for Sunday class so we can control instructor/student flow.

New student registrants which is now advised will be accepted by phoning 667-1090 any Tuesday, Wednesday or Thursday 9-5 till mid-September. G.W.I. is a member of the U.S.G.S.A., U.S.A.I.G.S. and U.S.G.F.

Gymnastic World — Coach Bob Mc Carthy of Gymnastic World, Inc., supports Mary Pederson of Little Ferry on the uneven parallel bars in a half-turn catch. Watching is Melissa Caslonder of Clifton.

Theatrical Dance Starts Third Year

Entering its third year of a very successful practice is the Theatrical Dance Studio and Dancewear Boutique located at 226 Franklin Ave., Nutley. The studio's original concept was to bring to the people of this area a fresh, invigorating approach to the world of dance. The dedication of the studio's owner, Michele Ferrara, has ensured quality and a professional attitude in all the classes offered.

Michele Ferrara, trained and certified by Dance Educators of America, has taught professionally in the performing arts for the past eight years. Ms. Ferrara's theatrical background includes leading roles in "Oliver," "Desert Song," and "Company." Her theatrical talents extend to creating stage excitement as choreographer for many high school musicals. Other professional accomplishments include performances at Waterloo Village and Dinner Theatres in the New York-Metropolitan area. Her knowledge in the areas of physical fitness and weight reduction was obtained as a former manager of Elaine Powers Figure, where she won Manager of the Year.

Jodi Sperduto has studied dance since the age of three. Her intense studies were rewarded in 1979 when she won the Garden State Arts Center Talent Expo as soloist in the jazz dancer category. As an enter-

tainer, Jodi has made several guest appearances at the Arts Center, and has captivated audiences at fashion shows and social functions in New Jersey and New York. As a video promotion for Stevie Nicks, she will be making a dance appearance.

Michele's goal has been to instill professional attitudes into the students at TDS. A realization of her goal can be seen through many members of the company working professionally in such places as Atlantic City, Paper Mill Playhouse, and on television.

The studio offers classes in Ballet, Tap, Jazz for all ages, from pre-school through adult. Introduced this past spring, was an energizing dance and exercise class entitled "Body Boogie," which is a highlight of the curriculum. For the exercise enthusiast, the studio offers an exhilarating course in Slimnastics. Coming this fall will be a new course in the latest N.Y.C. street craze — Breaking.

You are invited to visit the studio and meet the staff. Registration dates are Tuesday, Wednesdays, Thursdays, from 10 a.m. until 7 p.m., August 23, 23, 30, 31, September 1, 6, 7, 8, and Saturday from 10 a.m. until 2 p.m., September 10. For additional information, you can call the studio at 667-4469 or 284-0224.

Bloomfield's Farrington Square Offers Some Old-time Taste

The new Farrington Square Apothecary brings history around full circle in Bloomfield. At the site of what had been an apothecary shop at the turn of the century, the new store will feature wares with a nostalgic old-time appeal.

"While we were setting up shop," says John Babicke, proprietor of Farrington Square, "we ran across papers dating back to the early years of the century, which apparently had been stashed away and forgotten. We hope to revive some of the best of those forgotten times at Farrington Square."

Displayed in original wood cabinetry and fixtures, customers will find the sort of barbershop paraphernalia that Grandfather might have used, including a fine collection of shaving mugs, badger bristle shaving brushes, old-style straight and safety razors. For the ladies, Farrington Square will offer delicate potpourri as well as soaps, scents,

toiletries and many other quality products from such famous manufacturers as Caswell Massey, Crabtree & Evelyn and Floris of London. For the young in years and the young in spirit, there will be a collectors-quality display of famous maker toys, stationery, and unique gifts from around the world as well as what promises to be an irresistible display of old fashion candy.

Farrington Square Apothecary is located at 170 Broad St. (at the Belleville Avenue intersection — 748-8345). It joins a sister store of the same name located in the Galleria Mall, White Plains, N.Y.

How Grand Union gives you fresh and cheap fruits and vegetables.

The secret is to buy locally. Vegetables and fruits are fresh and cheap at the farm. But not so fresh and not so cheap after they're trucked half or all across the country to a wholesaler, then trucked to a warehouse, then trucked to a supermarket.

So Grand Union goes to the local farms, buys fresh and cheap, sells fresh and cheap to you in your Grand Union market. Because it's local, the produce is closer to the peak of ripeness, crisper and sweeter.

Some supermarkets look cheaper because they sell you No. 2 grade or less, but don't be fooled. You'll just get less for less. Ever see a picked-over display of smaller, lower grade tomatoes? What's left is about the size of lemons! But not at Grand Union. We only sell U.S. Grade No. 1 at our fresh and cheap prices.

No produce is cheap if it's not good.

Times Flashback

Bellboy Grapplers Snap Pascack's Winning Streak

February 12, 1976.

It was a moment almost impossible to describe. The sound of the referee's hand hitting the mat to signal the pin in the heavyweight class sent shock waves through Belleville High gym that crushed fans and players on one side with a wave

of depression and threw the other side momentarily into a frenzy.

The Bellboy varsity wrestling squad had snapped the Pascack Hill Cowboys' 53-game winning streak with a come from behind surge. Belleville led in the final tally, 29-25.

Though it seemed the entire

match came down to that one man-to-man confrontation in the center of the gym, it was the pre-game plotting and quick decisions during the contest that threw the weight to the blue-gold side. By the time Belleville coach Jim Silvestri had entered the arena, he had his battle plan mapped out and had quietly shifted his men like a general poising his troops for a surprise attack.

The Silvestri strategy for the win was complicated. It involved moving some of his men around to different weight classes, a trick he has not employed before and also required giving up one weight class by forfeit, a coolly reasoned gamble. Tom Husted, wrestling at 115 for Pascack Hills is one of the finest wrestlers in the state. His performances electrify his teammates and fans and that was just what the Belleville coach wanted to avoid. "Whenever Husted wrestles," said Silvestri, "he gets the rest of his team psyched up. We didn't want that, we wanted to de-psyche them, so we forfeited the weight to keep him off the mat."

Belleville had a slight edge in points before the 115 pound match was scheduled. Carl Arlt tangling at 101 pounds for Belleville, scored a major decision over his opponent, Warren Jimenez, by defeating him, 8-0. The win also gave Arlt an undefeated season. Bob Freida, wrestling at 108 for the hometown team, lost a close decision to Jim Devana, 6-5. Coach Silvestri had thrown away his teams one point lead by giving up the 115 pound match. A forfeit was not only a gamble, but it also required great sacrifice by at least two of the team members.

Mark D'Amico was, in effect, the sacrificial lamb for the team. He had weighed in at 115 and had been introduced as the wrestler for that slot in the opening ceremonies. It was all show, Silvestri had never intended for him to see action. "We had planned for a week on giving up the match," said Silvestri, explaining the tactic. "We didn't want to forfeit at the scales and give them time to make last minute movements to counter ours, so we went right

Tickets Available For Hall Dinner

The Belleville High School Athletic Council and Hall of Fame Committee will hold its annual dinner to honor hall of fame inductees for the 1983-84 year.

Being honored this year will be William Naturale, Alex Iacullo and Joseph Cervasio, all who will receive athletic awards. Receiving special awards will be Phil Grippaldi and John Senesky.

The dinner will be held at the Branch Brook Manor on Friday, Sept. 23. Tickets are priced at \$17.50 per person and can be obtained at the high school or by calling Russ Pagano at 751-0668.

Cardinals, Dodgers Still Picked to Win

With six weeks remaining in the season, major league baseball's pennant races are reaching high gear with no team assured of a division championship.

On July 6, Buc Shots did its annual predictions of the baseball races and now, most of those still look rather good. For instance, in the National League east, St. Louis was picked to edge Montreal, Philadelphia and Pittsburgh for the crown. The Cards struggled in the early part of August, but despite their problems, they trail by only four and one half games and suddenly the Red Birds are getting good pitching from their starters and Bruce Sutter seems to be coming around. The Cards have the best hit-

ting club in the division and if their pitching comes around, they will take the division.

Philly is second, but their lack of good starters will cost them down the stretch. The Phils do not have the hitting that St. Louis, Montreal or surprising Pittsburgh has and could do an el foldo come early September. Another thing, the Phils should swallow their pride and get rid of Von Hayes, their worst acquisition in many years. The Phils gave up five players including Manny Trillo for Hayes and are beginning to realize what a big mistake they made.

Pittsburgh could sneak in because its starting pitching has been sur-

Times Introduces Expanded Sports Coverage This Year

By Mike Lamberti

In an effort to improve our sports department each year, the Belleville Times has added some new features to the department for the upcoming school year.

We would like to think that our coverage of varsity sports is just as good, if not better, than the surrounding areas and this year's additions should add to that claim.

In the fall, there will be the usual coverage of football, soccer, cross country, tennis, gymnastics and volleyball. For the second year, Belleville is competing in the NNJIL, although the league has been realigned this year. The Bucs have added Bergen County powers Hackensack, Teaneck, St. Joseph's, and Ridgewood in addition to familiar names Nutley, Bloomfield,

Montclair and Passaic.

At the end of the fall season, as well as at the end of every sports season, there will be a new feature, the Buccaneer Honor Roll. This feature will name the top athletes for the past season and will be based not only on athletic ability but most importantly, academic ability.

Too often, athletics is put ahead of academics and this award will go to the top student-athletes for each season. There is no limit to the award. There could be 10 winners, there could be one winner. We feel it should be a nice edition to the program.

Also, in the fall, there will be the 'NFL report,' 'Times Flashback' on a bi-weekly basis, and Dino Ibelli's column on the varsity football team's upcoming opponent and comments

from the Belleville players on the previous week's game.

In the winter, we move indoors to the girls' basketball, boys' basketball, wrestling and bowling squads. Also, we'll be covering the indoor track squad and will feature bi-weekly stories on flashback and weekly, "Sports Parade," a new feature that will zero in on the top sports stories of the week, both locally and nationally. At the end, we'll once again award the Buccaneer Honor Roll to the top student athletes for the winter season.

The spring sports will be loaded with baseball, softball, track, tennis golf and crew. There will be Cosmos Corner for all soccer fans, "Sports Parade" for all sports fans,

Senesky and Luzzi Led Buccaneers Pass Raiders in 1962

Where were you back on November 17, 1962? Some of you probably weren't born, others were starting out in school for the first time and others were just starting to make niche in life.

For one group of young men, November 17, 1962 will stick out in their minds for many years to come. For it was November 17, 1962 that Belleville and Nutley had their annual football game for the bragging rights in town and on this day, the Belleville football team emerged as one of the best teams in the state of New Jersey.

A lot has happened in 21 years. Back in '62, John Kennedy was president of the United States. Tragically, just one year and five days later, Kennedy would be gunned down by an assassin's bullet in Dallas, Texas. The New York Giants were playing in Yankee Stadium and were led by quarterback Y.A. Title. The American Football League was in its third year of existence with a running back out of LSU named Billy Cannon leading the way. The New York Yankees won the World Series over the San Francisco Giants in seven games with Bobby Richardson making the key catch in the final game.

Obviously many things have changed. The Giants are still looking for a quarterback since Title retired and are about to trade away what should be their starting quarterback this season. Billy Cannon was indicted last week on counterfeiting charges and faces five years in prison. That's a sad story to what was once a sports legend throughout the country.

For Belleville High School though, the rivalry with Nutley continues to grow with the opening game between the two set for September 24 at Nutley High School. Turning back the clock, part two of our series of great Belleville-Nutley games takes us to the game at Belleville High in

1962 when the Bellboys ripped the Raiders, 33-12 with junior John Senesky scoring a touchdown and Roger Luzzi adding three scores. To this day, Senesky still remembers that game as the best he's every played in and perhaps one of the best wins in Belleville history.

The 1962 game was postponed from the usual October date because of a bad rain storm and could not be made up until late November. Both clubs had just one loss coming in and Nutley was perhaps the bigger of the two squads. The win was the first for Belleville in nine years, dating back to 1953, against their arch rivals.

The outstanding running of Greco, Luzzi, Senesky and Tomaszewski, Belleville proved its strength as a contender for the Group IV championship. Rich Beniceni had kicked off to start the game for Nutley and Belleville's Pat Valse returned to mid field. After a dive play by Tomaszewski, Luzzi scampered 30 yards before Senesky fumbled and Nutley took over.

Tommy Bogden was the Nutley quarterback and could not move his club at all in their first possession. Three plays later, Nutley punted and Belleville immediately started moving downfield. From the Maroon 38, Belleville moved with a pass to Pomponio, an end run by Greco and a dive play by Senesky. With a third and goal from the six, Letore handed off to Senesky who tallied the final six for the first score of the day. Luzzi tallied the point after attempt and Belleville led, 7-0.

Following a Senesky kickoff, Nutley started from its own 23. However two plays later, Luzzi intercepted and Belleville started another drive. It took just three plays for Tomaszewski to score from the seven, taking three Nutley defenders with him. Luzzi missed the conversion and Belleville had a 13-0 lead.

Blasi Di Girolamo made a nice return for Nutley to the Maroon 40, but Belleville defense would not allow any yardage and Nutley was once again forced to punt.

On its first play following the punt, Luzzi took a handoff and scampered 60 yards downfield, finally being caught from behind by Don Sellari. Following a pair of dive plays by Luzzi, Tomaszewski fumbled in the Nutley endzone, the Raiders recovered and the Belleville drive was halted.

The Belleville defense, led by Goglia, Strumolo, Horvat and Pomponio, once

again stifled the Maroon defense. Nutley would not tally a first down in the first half and Belleville was able to run up a big lead in the process.

Following a Nutley punt, Belleville scored its third touchdown of the game on a 19 yard end run by Senesky. Luzzi hit the conversion and with time still remaining in the first half, Belleville led, 20-0.

Following yet another Nutley punt, Belleville went on the offensive once more, with Pomaco hitting Luzzi and Letore finding Pomponio with a 30 yard strike. The Bellboys tallied their fourth score of the game with Luzzi going over from the four. His conversion failed, but Belleville was well in control of things at halftime, 26-0.

To start the second half, Senesky kicked off and Pictoso ran to his own 40. Nutley finally tallied a first down early in the second half thanks to runs by Pictoso

and Lembo. The Raiders could go no further and Belleville took over on downs.

Nutley's first score of the game came when left tackle Byron Eddis recovered a fumble and scooted ten yards for a touchdown. The Bellboy defense blocked the point after attempt and the score was now 26-6.

Luzzin Luzzi continued his demoralization of Nutley's defense by returning the next kickoff 65 yards deep into Nutley territory. Two plays later, Luzzi scored his third touchdown of the game and kicked the conversion to give Belleville a solid 33-6 lead.

Nutley's final score of the day came after Senesky's first punt of the day was blocked. The Raiders recovered by the Bellboy 15 and two plays later crossed the goalline when Bob Lembo scored. The kick was blyked and Belleville led, 33-12.

The 1962 Bellboy football team would finish up with an 8-1 record. In addition to its victory over Nutley it stopped Kearny, 12-0, West Side, 48-20, Garfield, 20-0, West Orange 38-0, Irvington, 20-0 and Orange on Thanksgiving Day. The only loss for Belleville was on opening day when Eay Orange defeated the Bellboys, 26-13. Tom Testa was the coach of Belleville and Sandy Phillips was the head man for Nutley. Tune in next week as we take a look back to another Belleville-Nutley rivalry of the past as we get closer to the big game this season on opening day.

Taking a look at the Giants thus far this summer, the team is 3-0 having beaten the Jets, Pittsburgh and Baltimore last weekend. They seem to be in good shape with a solid defense and a good backfield. However, they might be on the verge of making a terrible mistake in their quarterback situation. Scott Brunner and possibly Jeff Rutledge seem good candidates for the starting job this fall, however the Giants

seem hell bent on leather in using Phil Simms even though Simms hasn't shown much in the pre season games. The Giants could very well make the same mistake that the 1979 New York Jets made. That

season, the Jets had a quarterback problem with Matt Robinson and Richard Todd. Robinson won the job cleanly in pre season, started the opening game and did a good job. The next week, Walt Michaels, then the Jets coach, decides to use Todd and the Jets lost to New England, 56-3. The pig headed Michaels then decides that Todd is the man for the Jets and promptly leads the Jets out of playoff contention after ten weeks. The '78 Jets, when Robinson ran the show, were in the playoff battle until the 15th week of the season against the NFL's toughest schedule. If Robinson was given the same chance that Todd was back in '79, the Jets would have been a lot better. Robinson ended up sitting on the bench the entire season and lost out on valuable playing time at a critical time in his career. I hope the Giants will see that Brunner is the man for the job, swallow their pride and admit they made a mistake on Simms back in 1979, and go with Brunner the rest of the way. If the Jets finally realize that Todd was a mistake, they too might go all the way. The only thing the Jets need to win the Super Bowl this year is a quarterback. Richard Todd is not the answer.

Speaking of NFL, here is the answer to last week's quiz. The question was, in 1970 who did the Giants lose to in the final week of the season, thus costing the team a playoff spot. The answer: The Rams beat the Giants, 31-3 at Yankee Stadium. The Rams were led by Roman Gabriel and finished the season at 9-4-1. The Giants finished at 9-5, their best record in ten years. The team has not done as well ever since.

Heard at Ringside

By Steve Frank

Promoter Joe Verne informs, via public relations Sy Roseman, he has lined up a seven-bout show with outstanding ring prospects. On top for the feature Verne has heavyweight Kerry Judge of Bristol, Pa. taking on John Slavin of Buffalo, N.Y. In the undercard Junior welterweight Gregg Edelman of Merchantville, in a six rounder; Middleweight Walter Evans Sloan of Bristol, Pa. has been matched with Dave Carter of Pittsburgh, Pa. for six rounds; Welterweight Junie Nash of Frankford, Pa. will go against Joe Bradford of Philadelphia in another six rounder; Nasir Ali of Philadelphia will meet Vernon Reed of Pittsburgh in a six round middleweight duel; Welterweight Angel Sidon of Camden will go against a foe in a four rounder; Edelman is slated to take on an opponent to be named as is Mark Frazier. The above names exciting battles are scheduled for Thursday, August 25 at The Golden Eagle Arena.

Momentum Enterprises promoted a good, action five bout card at the Westchester County Center in White Plains, N.Y. In the main go Doug "Cobra" De Witt, 21-3-2, of Yonkers, N.Y. WTKO in eighth round over Kane Starling, 10-6-5, of Linden, in a middleweight bout; lightweight Darryl Tyson, 8-1, of Washington, D.C. scored an eight round unanimous decision over favoured Vinnie Costello, 9-1 of Kingston, N.Y.; Junior middleweight Ferdo Shkreli, 9-0, of the Bronx W (unan.) Dec. in eight rounds over Brian Davis, 4-3, of Brooklyn, N.Y.; Cruiserweight James Holmes, 1-1, of Brooklyn WTKO in sixth round over Jimmy De Gree, 8-2-2, of Yonkers and light heavyweight David Harris, 2-0 of Brooklyn took a unanimous decision from Willie Barnes, 1-1-1, of Boston, Mass.

Bert Sugar, the straight and abrupt talking publisher of Ring Magazine, Record Book, and Boxing Encyclopedia, expressed his disdain for the Larry Holmes-Scott Frank fight and the National Broadcasting Company (NBC). Sugar called the bout "a made for TV mismatch." As for NBC, he wonders, "If NBC doesn't stand for Nothing But Crap."

Promoter Don Fraser notified he has moved the featherweight scrap pitting Ruben Castillo for Bakersfield, Calif. against Oscar Bejines of Mexico, from Aug. 18 to Aug. 25. Fraser reported Castillo received a minor mishap while training. Insiders say TV rearranged their scheduling.

Mass at St. Anthony's Offered For Gus Renga

A Mass was offered Aug. 10 at St. Anthony's Church, Belleville, for Gus Renga Sr., 64, who died Aug. 7 in Clara Maass Medical Center.

Mr. Renga was employed by Puroator Company, Rahway, before retiring 12 years ago.

He was an Army veteran of World War II and a member of the Bloomfield Chapter of the Disabled American Veterans.

Born in Elizabeth, he lived in Bloomfield for the past 33 years.

Surviving are his wife, Rose; three sons, Santo of Belleville, Joseph of Bloomfield and Gus of Bloomfield; a brother, John of Elizabeth and three grandchildren.

The Zarro Funeral Home made arrangements. Interment was in Mount Olivet Cemetery, Bloomfield.

Belleville Police Take Part In Crime Program

(Continued from page one.)

through the program.

Upon their first convictions, many defendants received lesser penalties through the process known as plea bargaining. However, this section is aimed at the elimination of plea bargaining and the institution of mandatory sentencing.

According to Det. Joseph Rotonda of the Belleville Police Department, "Statistics show that 90 percent of crimes are committed by repeated offenders. We had to institute a program to keep them in jail. When defendants are put through the CCS, their grand jury trial begins 50 days after the offense. There is no more plea bargaining."

Most often the prosecution of a defendant is handled by a different lawyer for each step of a case, including the bail hearing, trial, sentencing and parole hearing. This process is known as "horizontal prosecution." However, when CCS

defendants are prosecuted, there is only one prosecuting attorney, a process known as "vertical prosecution."

According to Essex County Assistant Prosecutor Leslie J. Mann, "this will enable a lawyer to get a better handle of what the case is about."

The Career Criminal Section, mandatory in every town in Essex County, designates two officers from each department.

Det. Sgt. Petrillo is in charge of the program and Det. Sgt. William Escott is the stand-by.

Since its inception, Belleville has sent six persons through the CCS. In fact, Belleville was the first town to initiate the program when Det. Rotonda and his partner, Det. Joe Tortorello, arrested a person charged with burglary. The officers were also responsible for the other five arrests.

Optimistic about the program's success, Det. Rotonda concluded by saying, "We're not playing with crime anymore."

Sports Writers Needed For Belleville Times

The Belleville Times sports department is looking for Belleville High School students who are interested in covering junior varsity and freshman sports.

Students should have good writing skills and be enrolled in jour-

nalism classes at school, or participate on the school newspaper. We want students who are looking for journalist experience.

Those interested should contact Ed Capparucci or Mike Lamberti at 759-3200.

through with everything right up until match time."

"D'Amico was very disappointed," continued Silvestri, "but we didn't want them up, so we gave up the six points. It was a great sacrifice for D'Amico."

It was also a great disappointment and great sacrifice for Vin Mustacchio, the regular 115 starter. The coach moved Mustacchio to 122, denying him the opportunity to tangle with Husted. Mustacchio may not have been happy with the plan, but he followed the coaches orders like a good soldier. Mustacchio made it look like the coaches maneuvers might pay off by getting

Bowling Leagues Are Available At Brunswick

Winter bowling leagues are now being established at Brunswick Olympic Bowl on Washington Avenue.

There are openings for full teams and individual bowlers in all types of leagues. There are all-men teams, all-women squads, mixed, junior and adult-child teams. There are also day leagues for women and senior citizens.

back four points for his team by a major decision over Craig Hulford at 122. The Blue-Gold man won, 10-0.

The next two men to the mat for Belleville were also wrestling in higher weight classes than normal. Mark De Giacomo, usually at 122, took over at 129 while Ron Grolimond moved up to the 135 pound class. Though De Giacomo and Grolimond both lost by decision, those contests contributed to the defeat of the Cowboys. According to coach Silvestri, the Pascack Hills coach later told him that his team had been counting on pins in the 122, 129 and 135 pound classes to assure the win. De Giacomo and Grolimond went a long way to smashing that dream by staying off their backs.

Andy Schenke went into battle at 141 for Belleville and although he was pinned at 1:43, Silvestri had nothing but praise for him. "Schenke wrestled a beautiful match. He was going against Tim Catalfo, a boy I believe is a future state champ. Schenke just did a fine job." Belleville suffered a minor setback at 148 when Robert Villano struggled to a tie with Bob Waldron. Though it did give the team some points, Pascack Hills also gained putting the challengers in a precarious point position.

Virtually all the remaining wrestlers for Belleville had to win and the pressure on each boy was mounting with each second. Chris Tremmel came through in the clutch for his team and picked up some big points by pinning Steve Bessetteat

2:50 to win the 158 pound round. Keith Waddel also added zip to the team momentum by winning a major decision over Jim Thorsland, 9-1 to give his squad four points. Late in Waddel's 170 pound battle, it looked as though he would win a simple decision. His opponent was successful in staving off the pin and would not give up the point necessary for Waddel to gain the advantage he needed.

Coach Silvestri quickly ordered his wrestler to let the other man get up and took a chance Waddel could score the takedown. He succeeded and Belleville got another big boost.

Ken Millano had to win the 188 pound match if the Blue-Gold tangles were to have a shot at winning. He rose to the occasion magnificently by scoring a 6-0 decision over Roy Barudin. That left everything up to George D'Allesandro at heavyweight.

Coach Silvestri has said before that he believes D'Allesandro really thrives under pressure instead of cracking. The big man proved the coaches point by taking to the mat, even though he was ill, and slapping his Cowboy opponent, Howie Lindstrom, on to his back at 3:24.

Two Division Races Starting to Heat Up

(Continued from page 11.)

prisingly good and they have a good hitting squad. The Bucs lack the good bullpen, thus they will finish out of them money. Montreal, the league's biggest disappointment for the last four years will continue to add to that reputation. The Expos have a good hitting team, but have absolutely no starting pitching outside of Steve Rogers. Every year, the experts say that Bill Gullickson and Charlie Lea will be outstanding and every year, they both finish around the 500 mark.

The Mets and Cubbies will battle for fifth place, as usual, with the Cubs winning the battle. The Mets have improved since the All Star Break and the Cubs have shown improvement over the year and have this uncanny ability to beat the Cardinals. Thus far this season, the Cubs are 9-3 against the defending champions.

In the NL west, Los Angeles was predicted to beat Atlanta and we'll stay with that prediction. The Braves lost Bob Horner for the rest of the year and the argument here is that the Dodgers still have better pitching than the Braves. Over the last four weeks, LA has made up six games over Atlanta and now trails by just 3, but more importantly, they trail by just two in the loss column.

San Diego and Houston have shown steady improvement since the all star break. The Astros got off to an 0-9 start this year but have picked up steam ever since. Houston has good starters on the mound but lack the good hitting to keep up with LA or Atlanta. San Diego also has some good pitching but they are a young team with a lot of work ahead of them.

In 1982, San Francisco finished the regular season just two games out of first place and were in the pennant race until the final weekend of the season. So what does this team do, they trade away the vital members and get nothing in return. The Giants of '83 are a shadow of their once competitive selves and will probably cost Frank Robinson his job,

although Robby deserves better. Cincinnati has improved, slowly, and if they stay with their youth movement the rest of the way, could be a tough ball club in two years.

On paper, you would think Montreal and Atlanta are the two best teams in the league, but this game is not played on paper and thus, you probably won't see either of those teams in the playoffs. Next week, we'll take a look at the American League races and the playoffs.

Sports Coverage Is Expanding

(Continued from page 11.)

flashback, once again on a bi-weekly basis and of course, Buc Shots, which will be a weekly feature throughout the year. The athlete of the week, month and later the athlete of the year award will be also be presented throughout the sports year.

At the end of the spring semester, we'll award the Buccaneer Honor Roll for the spring and then start the year-end awards.

The final Buccaneer Honor Roll will honor the top student athletes at the school and will go to freshman through seniors. The athlete of the year for boys and girls will enter its fifth year with trophies going to the top male senior and top female senior athlete for the 1984 sports year. We'll also have the coach of the year award and finally, a new award at year's end, the Belleville High "Team of the Year," a trophy awarded to the top team at Belleville High School for the school year.

With new features such as the Honor Roll, Team of the Year and Sports Parade, along with our regular features of athlete of the week, month and year and coach of the year, we feel very optimistic that the 1983-84 school year will be a big and successful one as Belleville prepares to compete in a new conference alignment and continue its success.

Credit Card Theft Draws Jail Sentence

A Bloomfield man was sentenced to eight-days in jail and fined \$50 for possession of a stolen credit card.

Domenick Paserchia of Grace Street was arrested on Aug. 3 and charged with having a stolen Sears store credit card, belonging to Jerome Wirczak, in his possession.

A Belleville man had his case sent to the Grand Jury by Judge Edward Abromson. The Williams Street man

was arrested on July 16 by Det. Rotonda for robbing an 8-track stereo, valued at \$75 from a Washington Avenue resident.

A Belleville woman was found guilty of assault on another woman and fined \$65. Christina Gabriel of Passaic Avenue was found guilty by Judge John Labeda of slapping Phyllis Beck during an argument on July 8.

Jerome Greco Association Holding Annual Breakfast

The Jerome D. Greco Civic Association will honor four prominent Essex County residents for their outstanding accomplishments on Oct. 2 when it holds its sixth annual breakfast at the Town and Campus Restaurant in West Orange.

This year's roster of honorees will feature State Senate President Carmen Orechio of Nutley, Freeholder Pearl Beatty of Newark, Montclair State College's award-winning football and baseball coach Fred Hill of Verona, and opera star and civic leader Lucia Hines of South Orange.

"Last year's breakfast saw a crowd of more than 800 on hand to support the association's continuing efforts to improve our community and state," said association president Bill Belott. "We expect to exceed that figure significantly this year and

hope all concerned members of the Essex community will attend."

In addition to the honorees, elected officials from throughout the state are expected to attend the affair, including U.S. Senators Bill Bradley and Frank Lautenberg.

Founded by friends and supporters of Freeholder President Jerome D. Greco, the association was formed to support a wide variety of civic and charitable activities. During the last year, the organization undertook a successful Christmas Toy Drive, which was responsible for distributing hundreds of presents to underprivileged children throughout the county.

The event is scheduled to begin promptly at 9:30 a.m. Tickets cost \$15 per person and may be obtained by calling Bill Belott 239-8222 or Pat Linfante 731-0767.

Campaign Treasurer — Steve Aduato Jr., candidate for the State Assembly, has named Mildred Cerami of 26 Lincoln Terrace as his campaign treasurer. Ms. Cerami is a lifelong resident of Belleville.

TOPEX AGENCY, INC. — LOUIS R. SAVARESE, OWNER

The people of this area are indeed fortunate to have in their midst a friendly insurance agency that has built a fine reputation in this area by serving local needs through all types of insurance, including life, fire and auto from many reliable companies.

There are a lot of insurance agencies and agents in this area. What makes one stand out above all the others? It's the service and personal interest that they take in the welfare of you, your family, and your personal property.

Most of us do not want to think about the many things that could happen to us or our property... and there is no need to if we have a competent insurance agency planning for our future security.

For security and peace of mind, it would be to your advantage to call the friendly professionals at the Topex Agency, Inc. in Belleville at 390 Union Avenue, phone 759-7979.

They underwrite business and industry and believe in equal dedication to all their clients, both large and small. Let the Topex Agency, Inc. take a fresh look at your coverages with a free survey with no obligation on your part. Let them provide you with maximum coverage at prices you can well afford.

BIGELOW MOTORS CHRYSLER-PLYMOUTH UNDER THE SAME MANAGEMENT FOR OVER 40 YEARS

In this day and age when every car maker has such a wide selection of models to choose from, it is really difficult for you to decide where to go for a new car. All the companies advertise that their cars are the best, but who is to say which car really is? Obviously, all the cars on the market today must have their good points, or they wouldn't have survived the ups and downs of the business. We therefore can conclude that the real difference in buying a car is the dealer you buy it from.

The dealer to buy a car from offers a fair price on the new unit, as well as an honest dollar for the car you trade in. However, the most important factor is the service that you receive on your new car year after year.

One dealer that considers the most important part of selling a car the quality service he can offer you after the sale is Bigelow Motors Chrysler-Portsmouth at 50 Washington Avenue in Belleville, phone 759-4220. They are dealers for the famous Chrysler-Plymouth automobiles and is the only dealership in the area to offer a free 50,000 mile or 5 year warranty, whichever comes first, on your new car.

See them today for a new or quality used car, or come in for service work. You'll see why we say "Customer Consideration" is their byword.

ESSEX COUNTY CHIROPRACTIC CENTER DR. RALPH DI MAIO, DIRECTOR

No profession has made greater or more rapid strides in recent years than that of chiropractic. This medical profession is being recognized by more and more people as an effective treatment for back pain as well as for muscular and joint discomfort, headaches, sleeplessness, arm and leg pain and general physical discomfort.

At the Essex County Chiropractic Center, located at 625 Joralemon Street in Belleville, phone 751-8805, they have been extensively trained and educated to know and understand the nerve system of the human body. The nervous system may be said to be the life line of the body, and as long as it functions normally, you enjoy excellent health. Many pains and disorders in the body are caused by pressure on the nervous system and nerve flow blockage from improper alignment and positioning of your vertebrae and your spinal column.

At the Essex County Chiropractic Center, they are able to locate the area where nerve pressure exists. With the use of diagnostic x-ray and proper adjustment, they can restore your spine and vertebrae to their normal position without the use of surgery or drugs. Chiropractic can correct conditions such as migraine headaches, certain allergies, bursitis, neuritis, neuralgia, herniated disc and sciatica.

It has often been said, that with the help of a good chiropractor, you can add life to your years and years to your life.
